

# Thyroid hormone signaling pathway

all genes

sink node genes

Focal adhesion

MAPK signaling pathway

p53 signaling pathway

Thyroid hormone synthesis

Calcium signaling pathway

PI3K-Akt signaling pathway

mTOR signaling pathway

HIF-1 signaling pathway

Cardiac muscle contraction

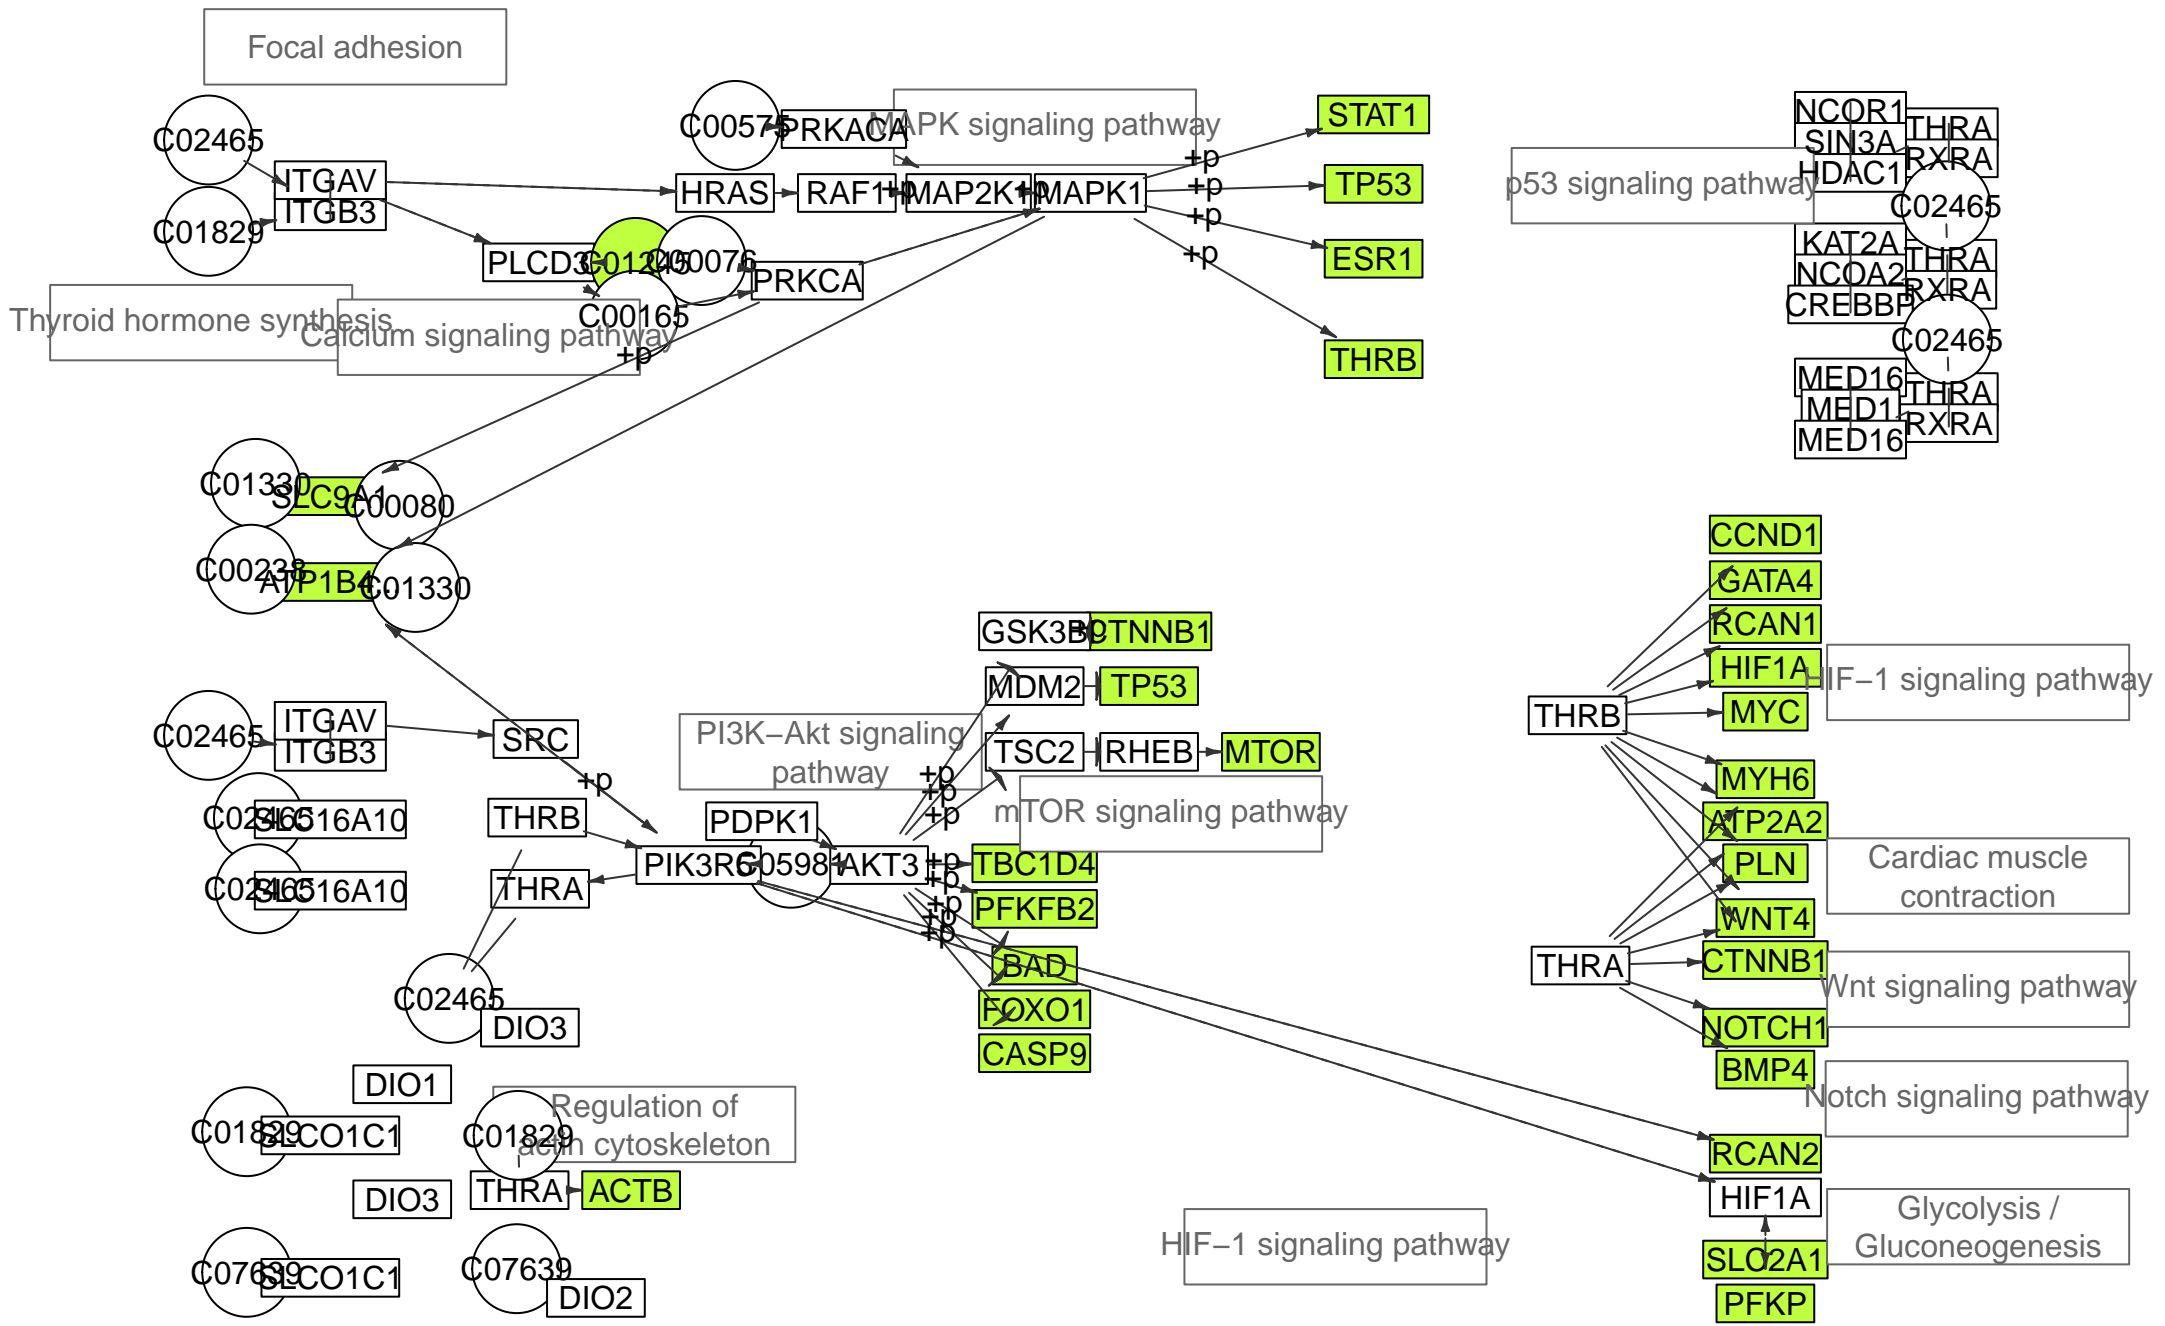

Wnt signaling pathway

Notch signaling pathway

HIF-1 signaling pathway

Glycolysis / Gluconeogenesis

Regulation of actin cytoskeleton

Focal adhesion

MAPK signaling pathway

p53 signaling pathway

Thyroid hormone synthesis

Calcium signaling pathway

PI3K-Akt signaling pathway

mTOR signaling pathway

HIF-1 signaling pathway

Cardiac muscle contraction

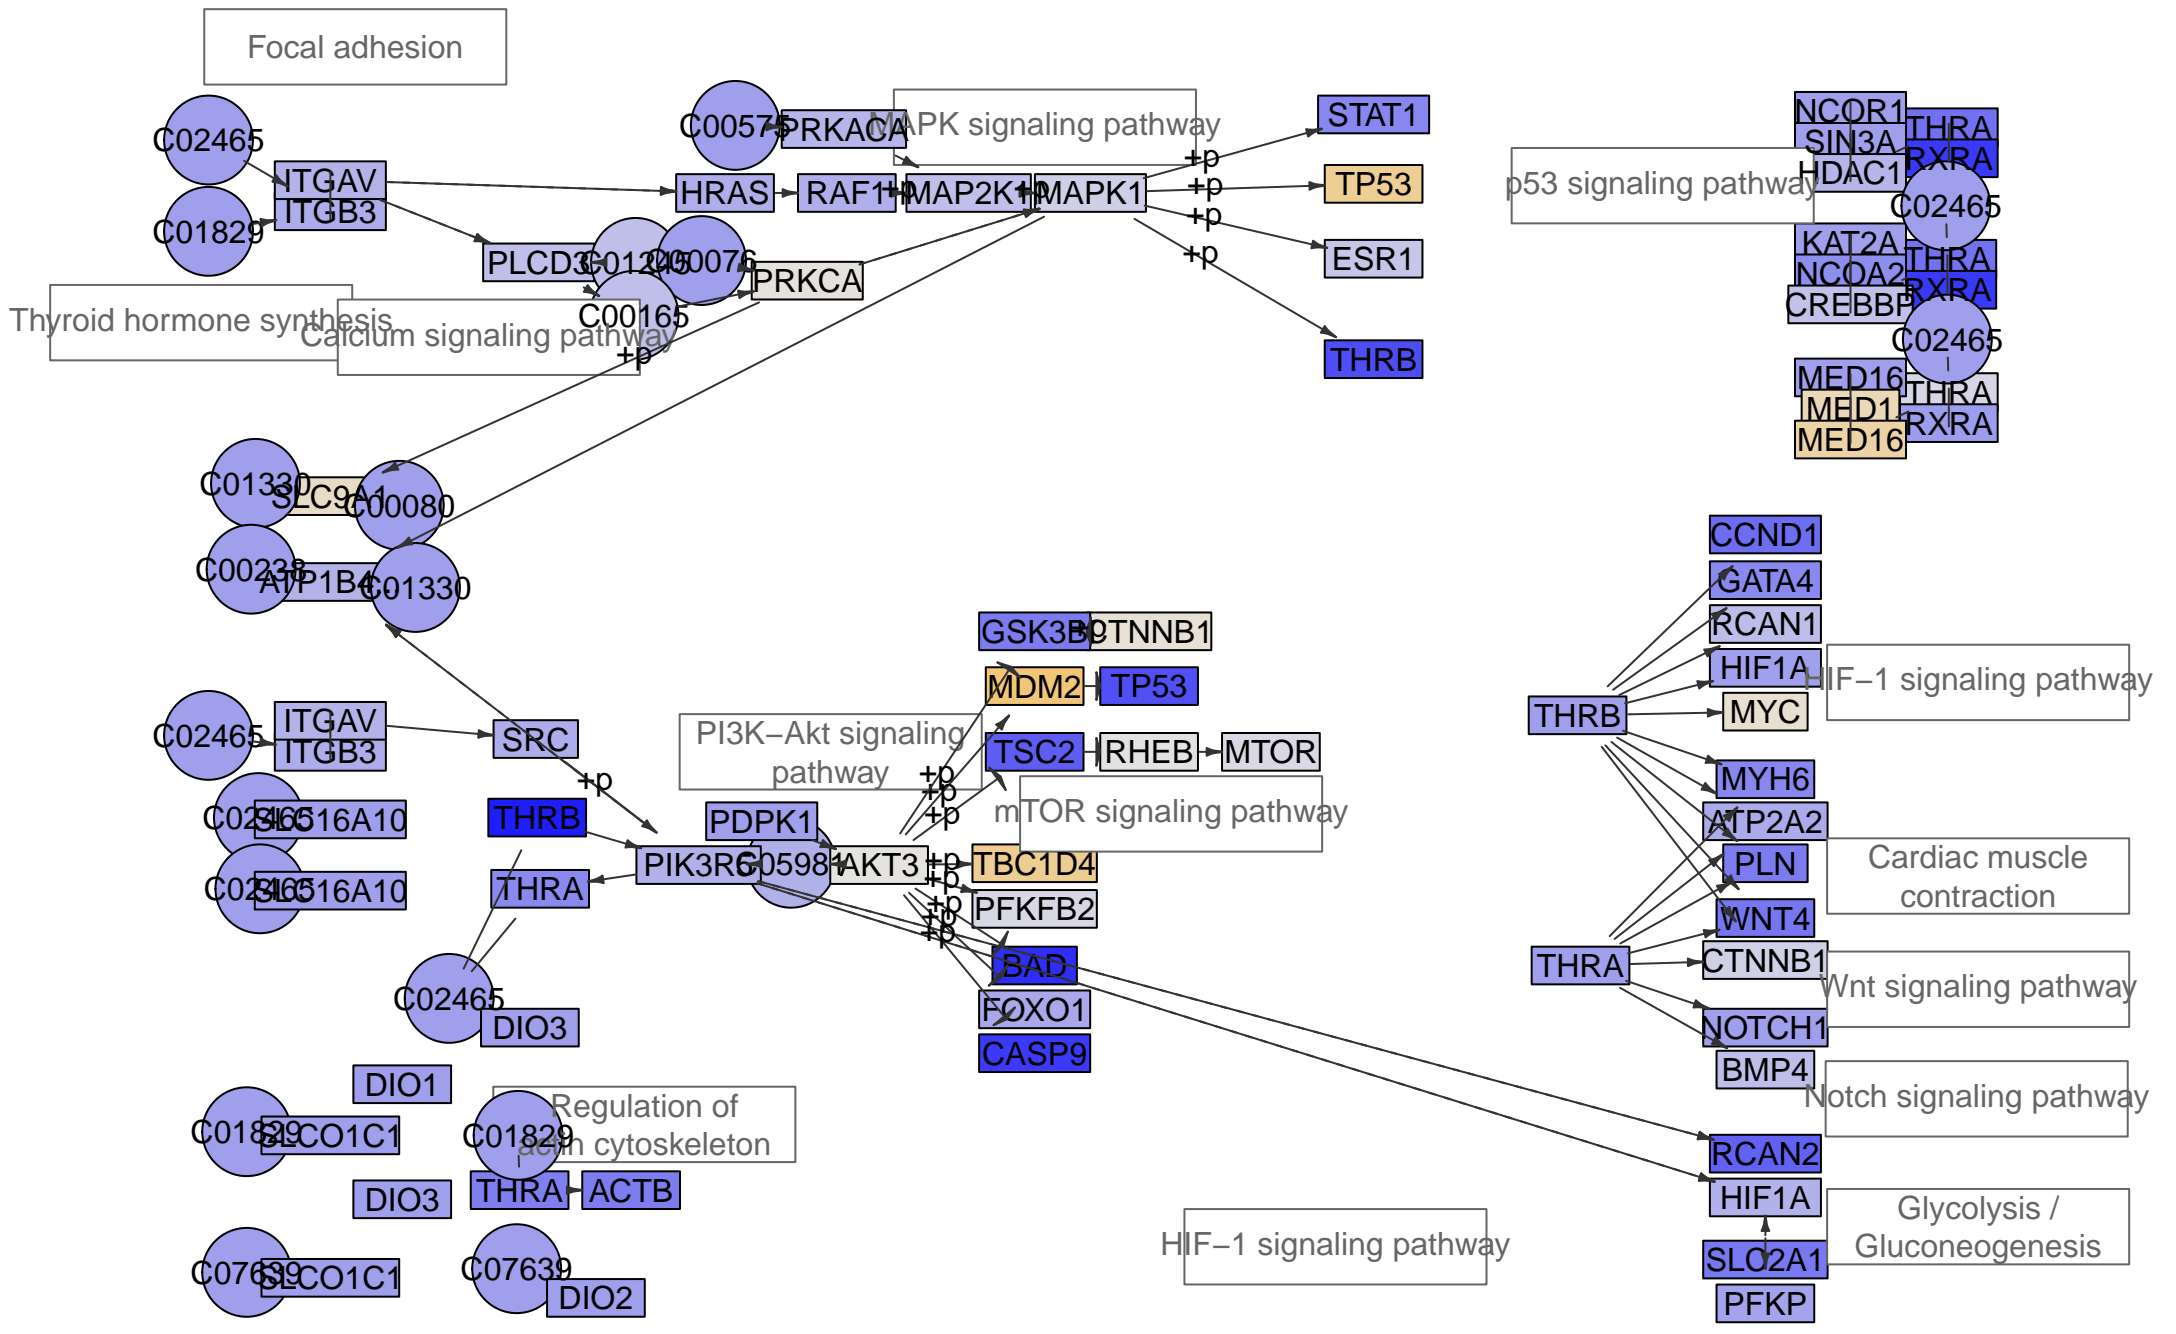

Wnt signaling pathway

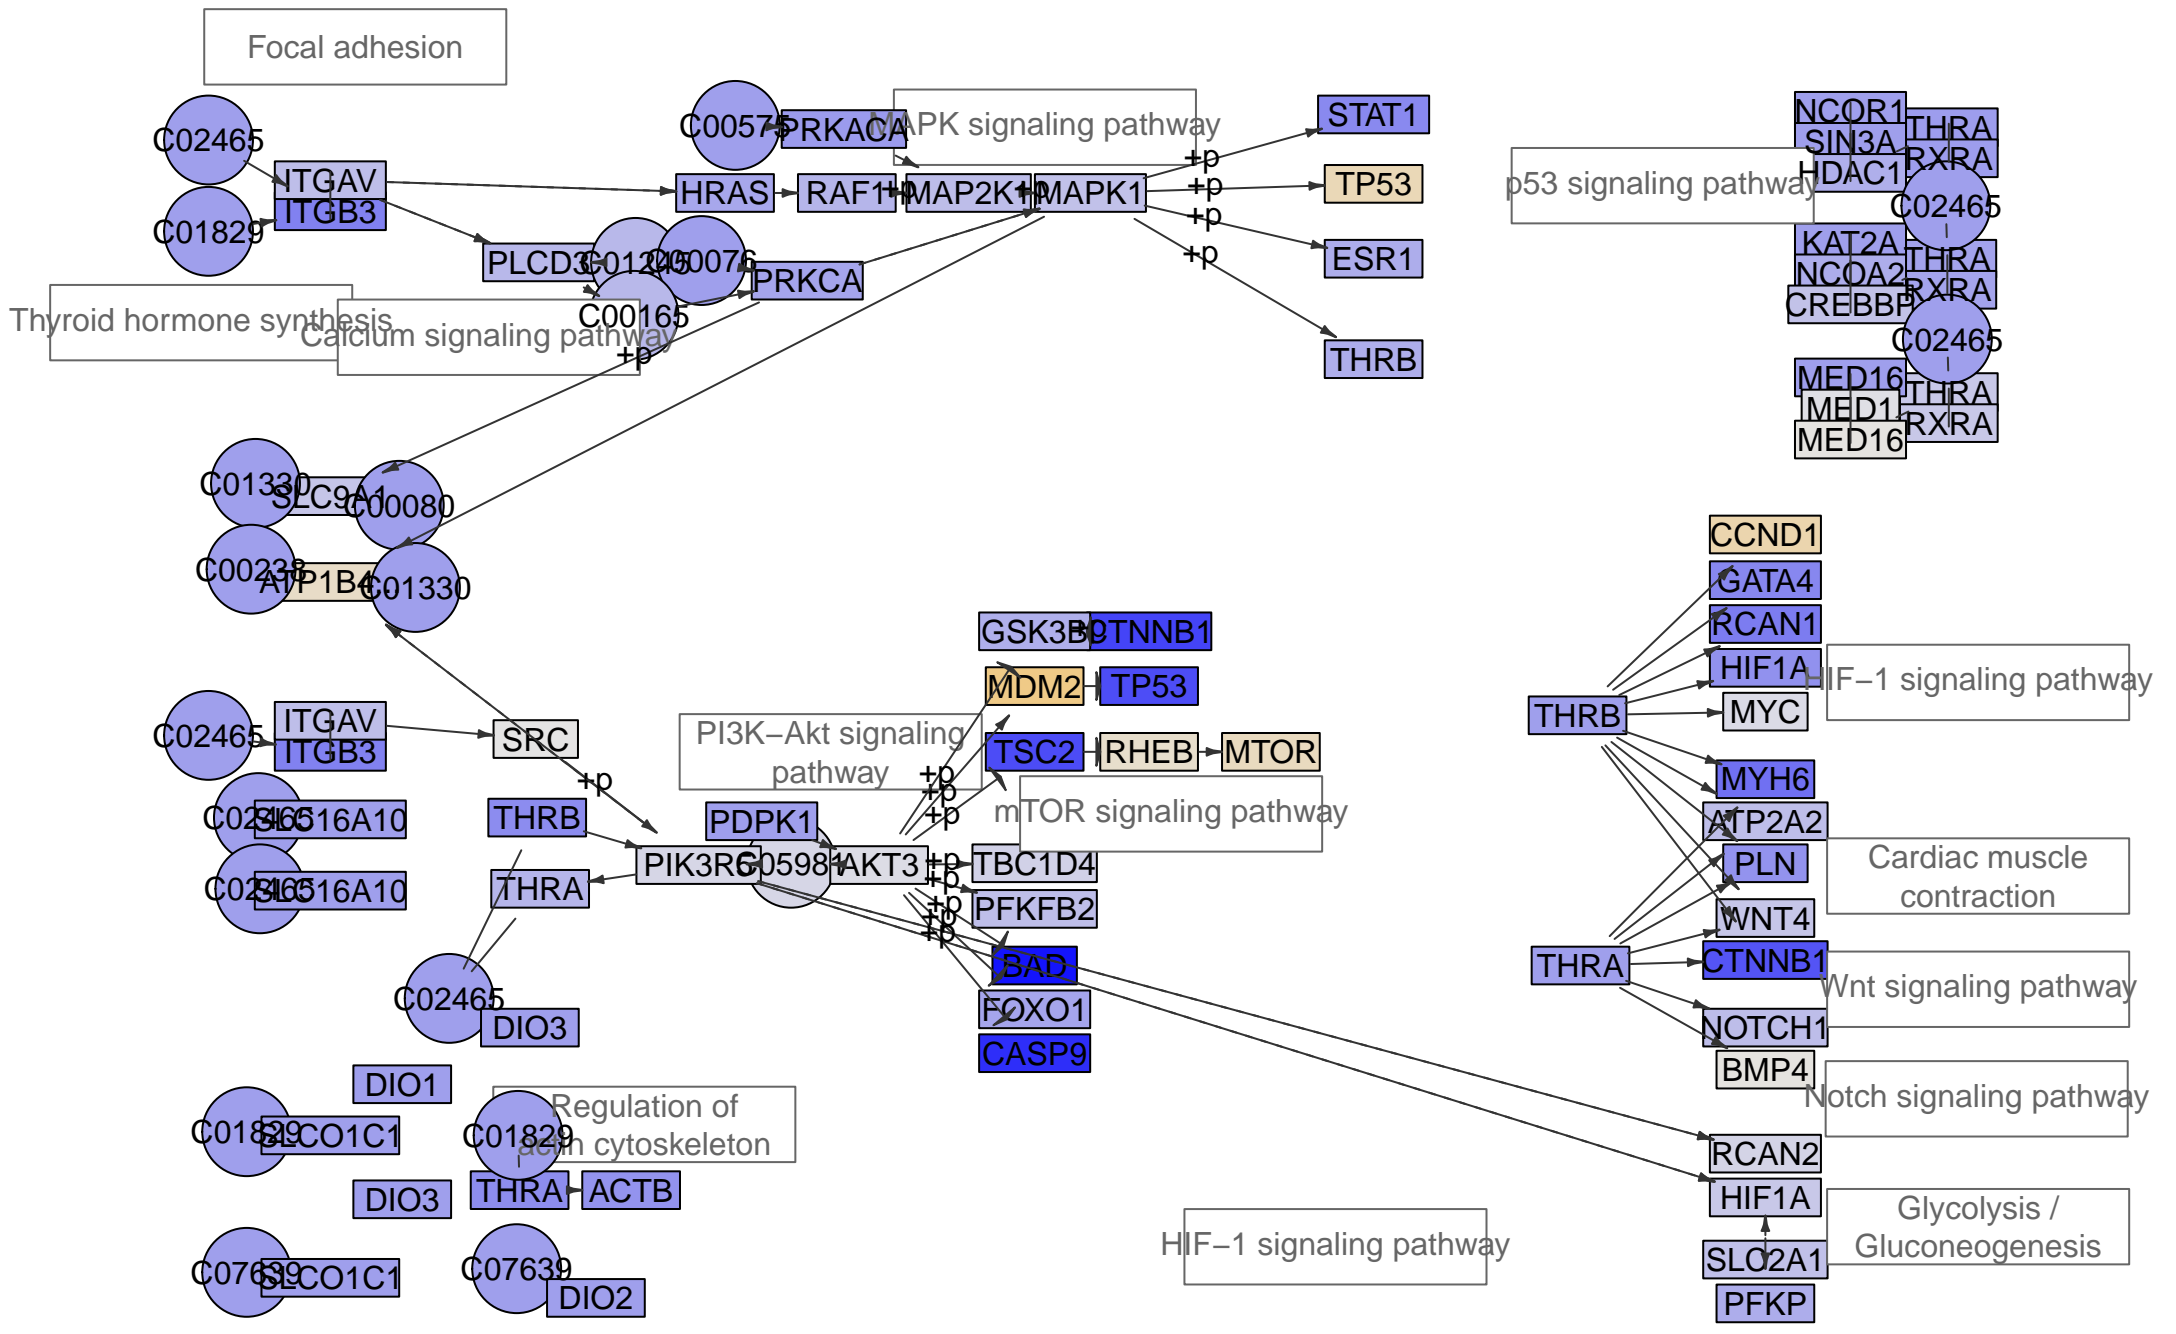

Notch signaling pathway

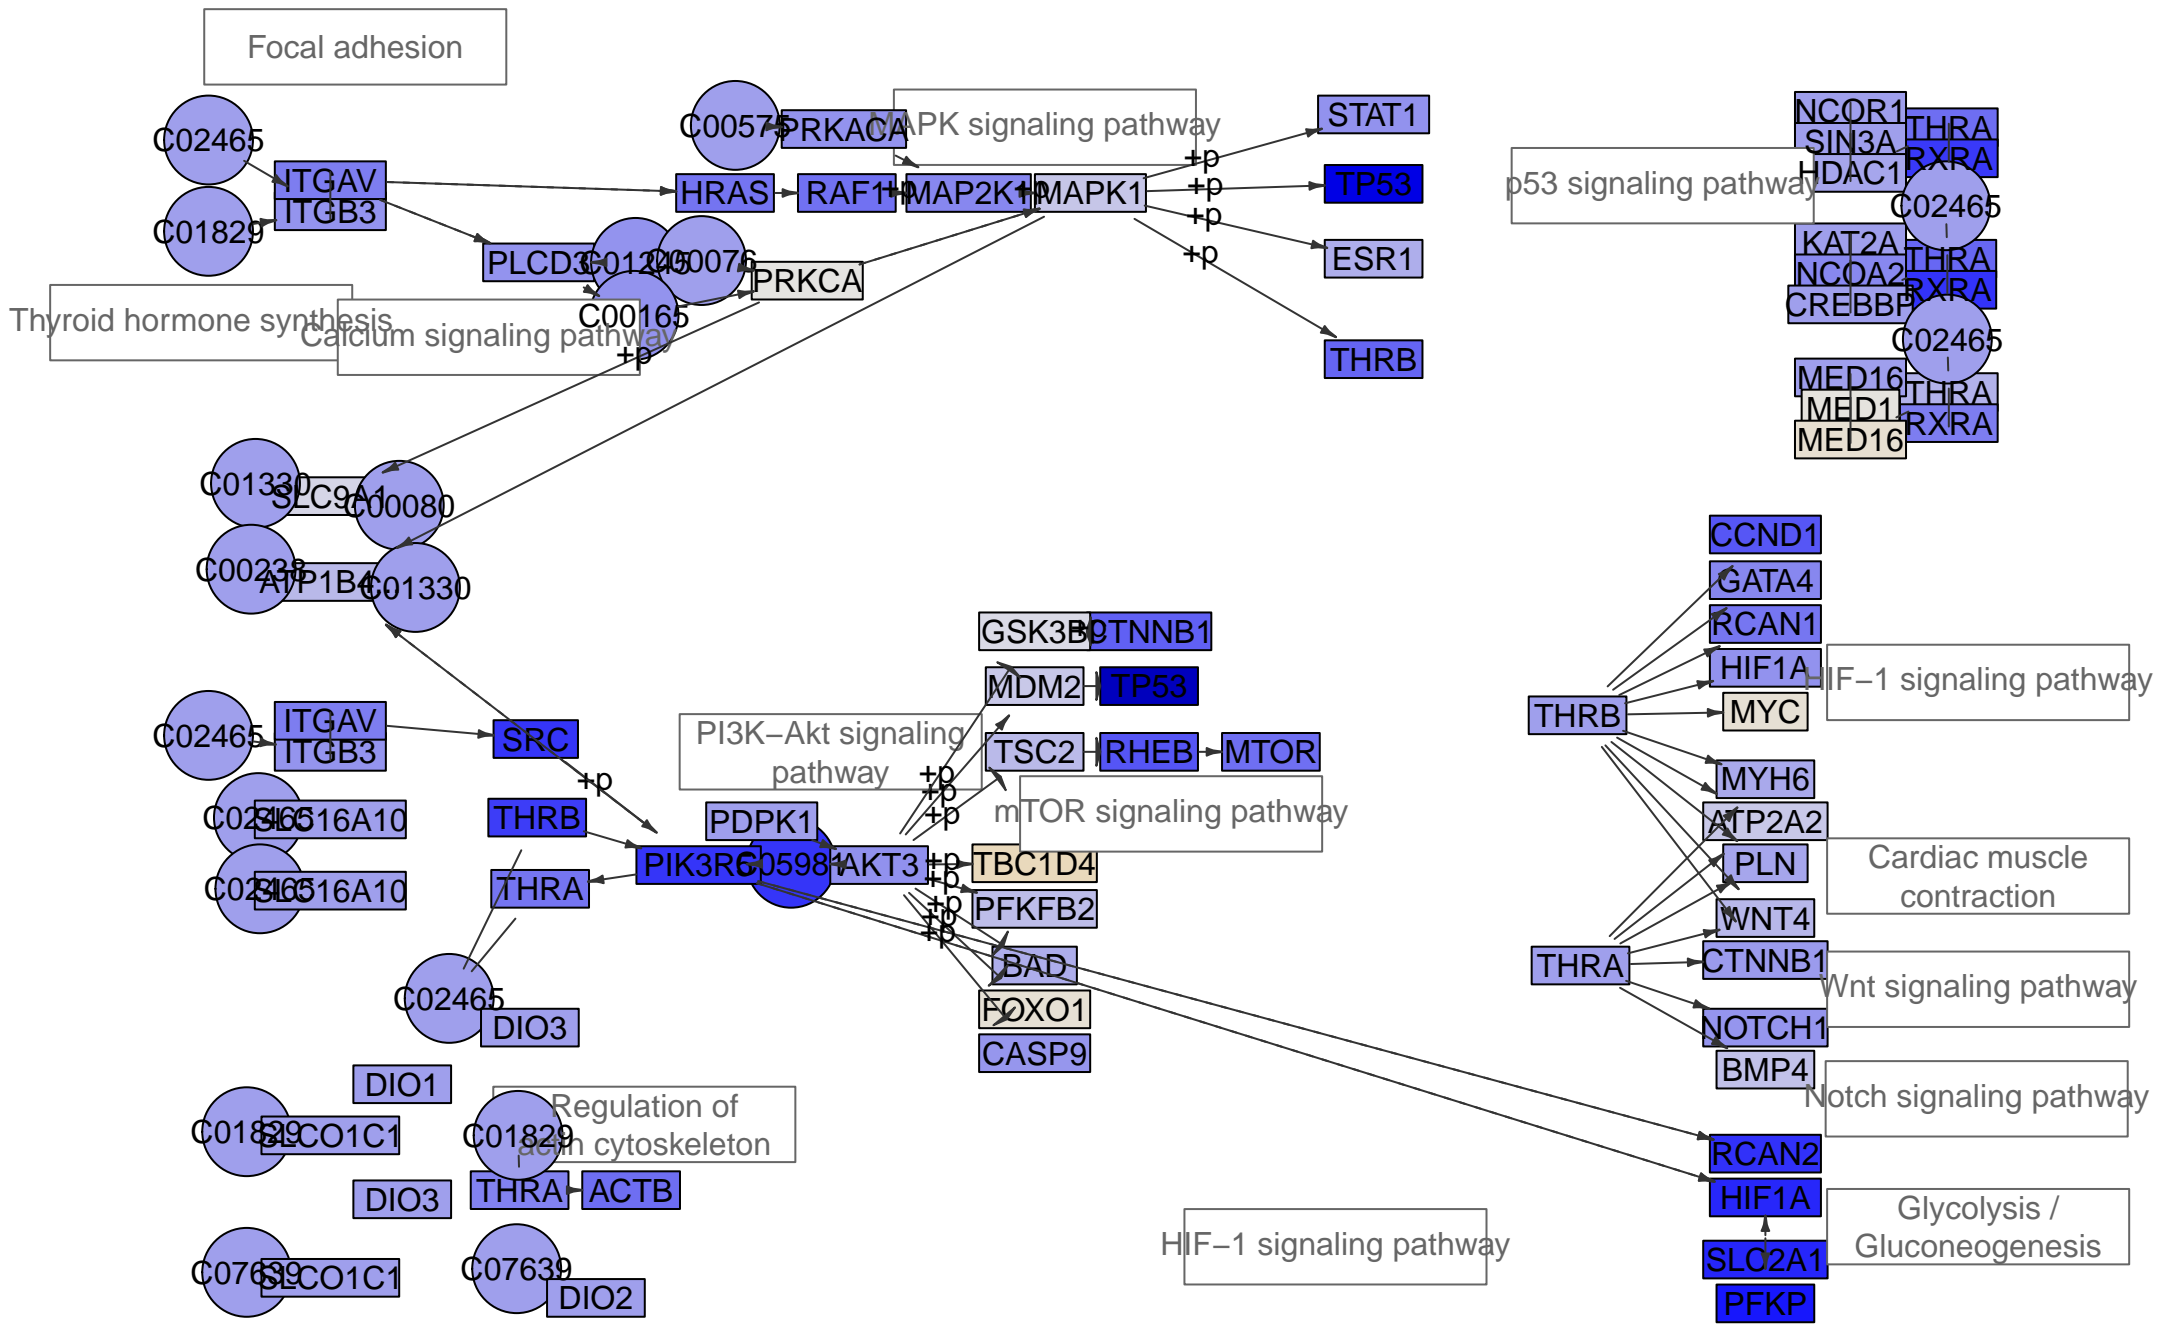

HIF-1 signaling pathway

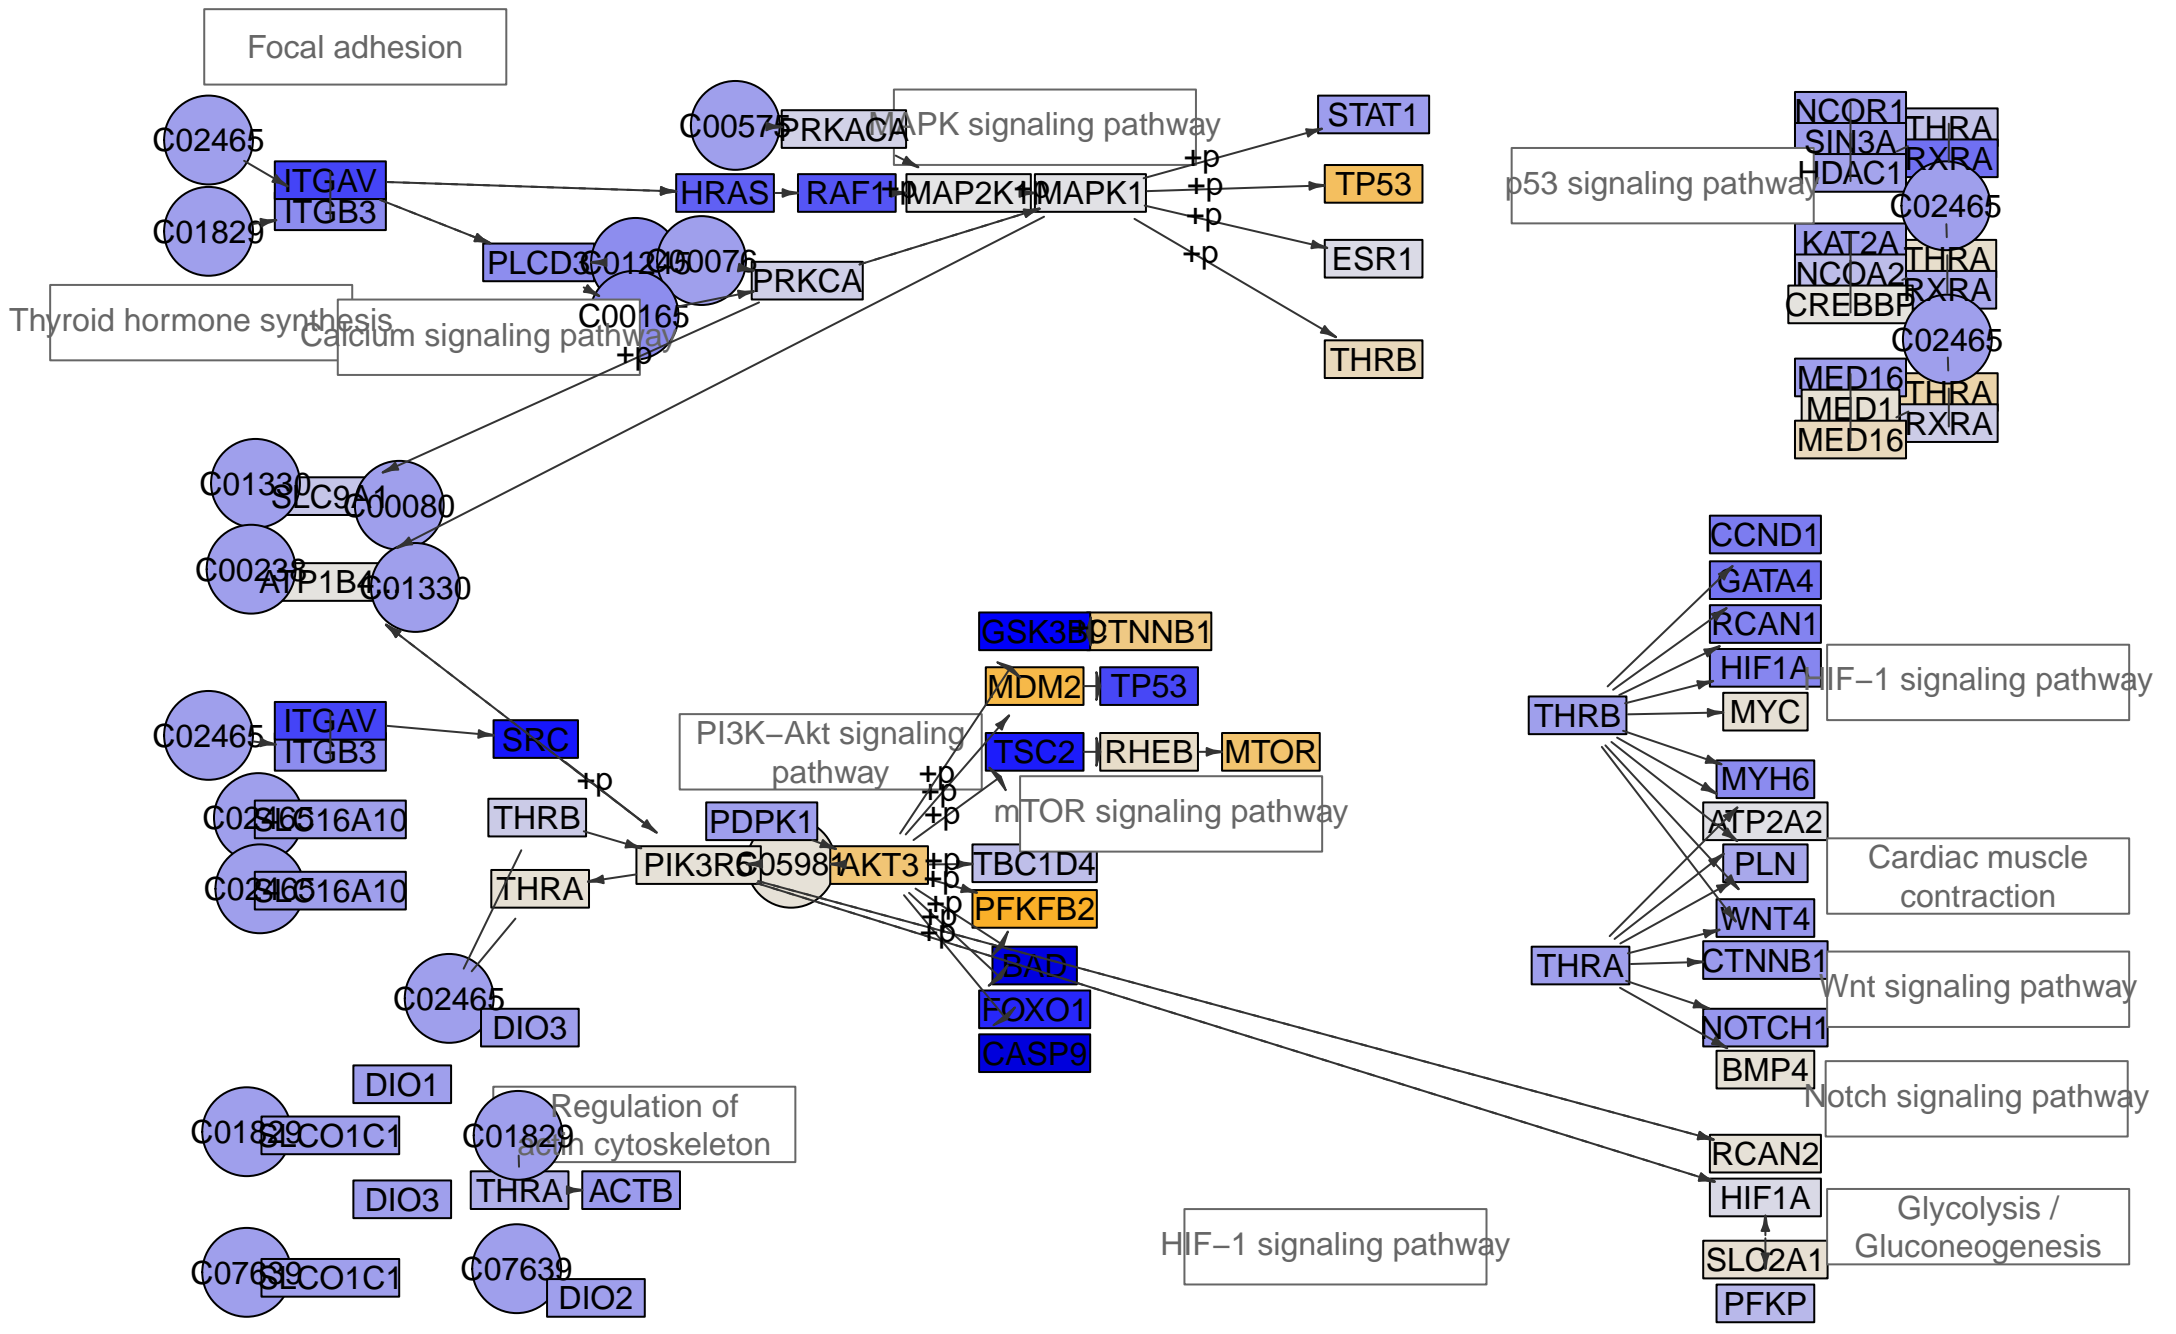

Glycolysis / Gluconeogenesis

Regulation of actin cytoskeleton

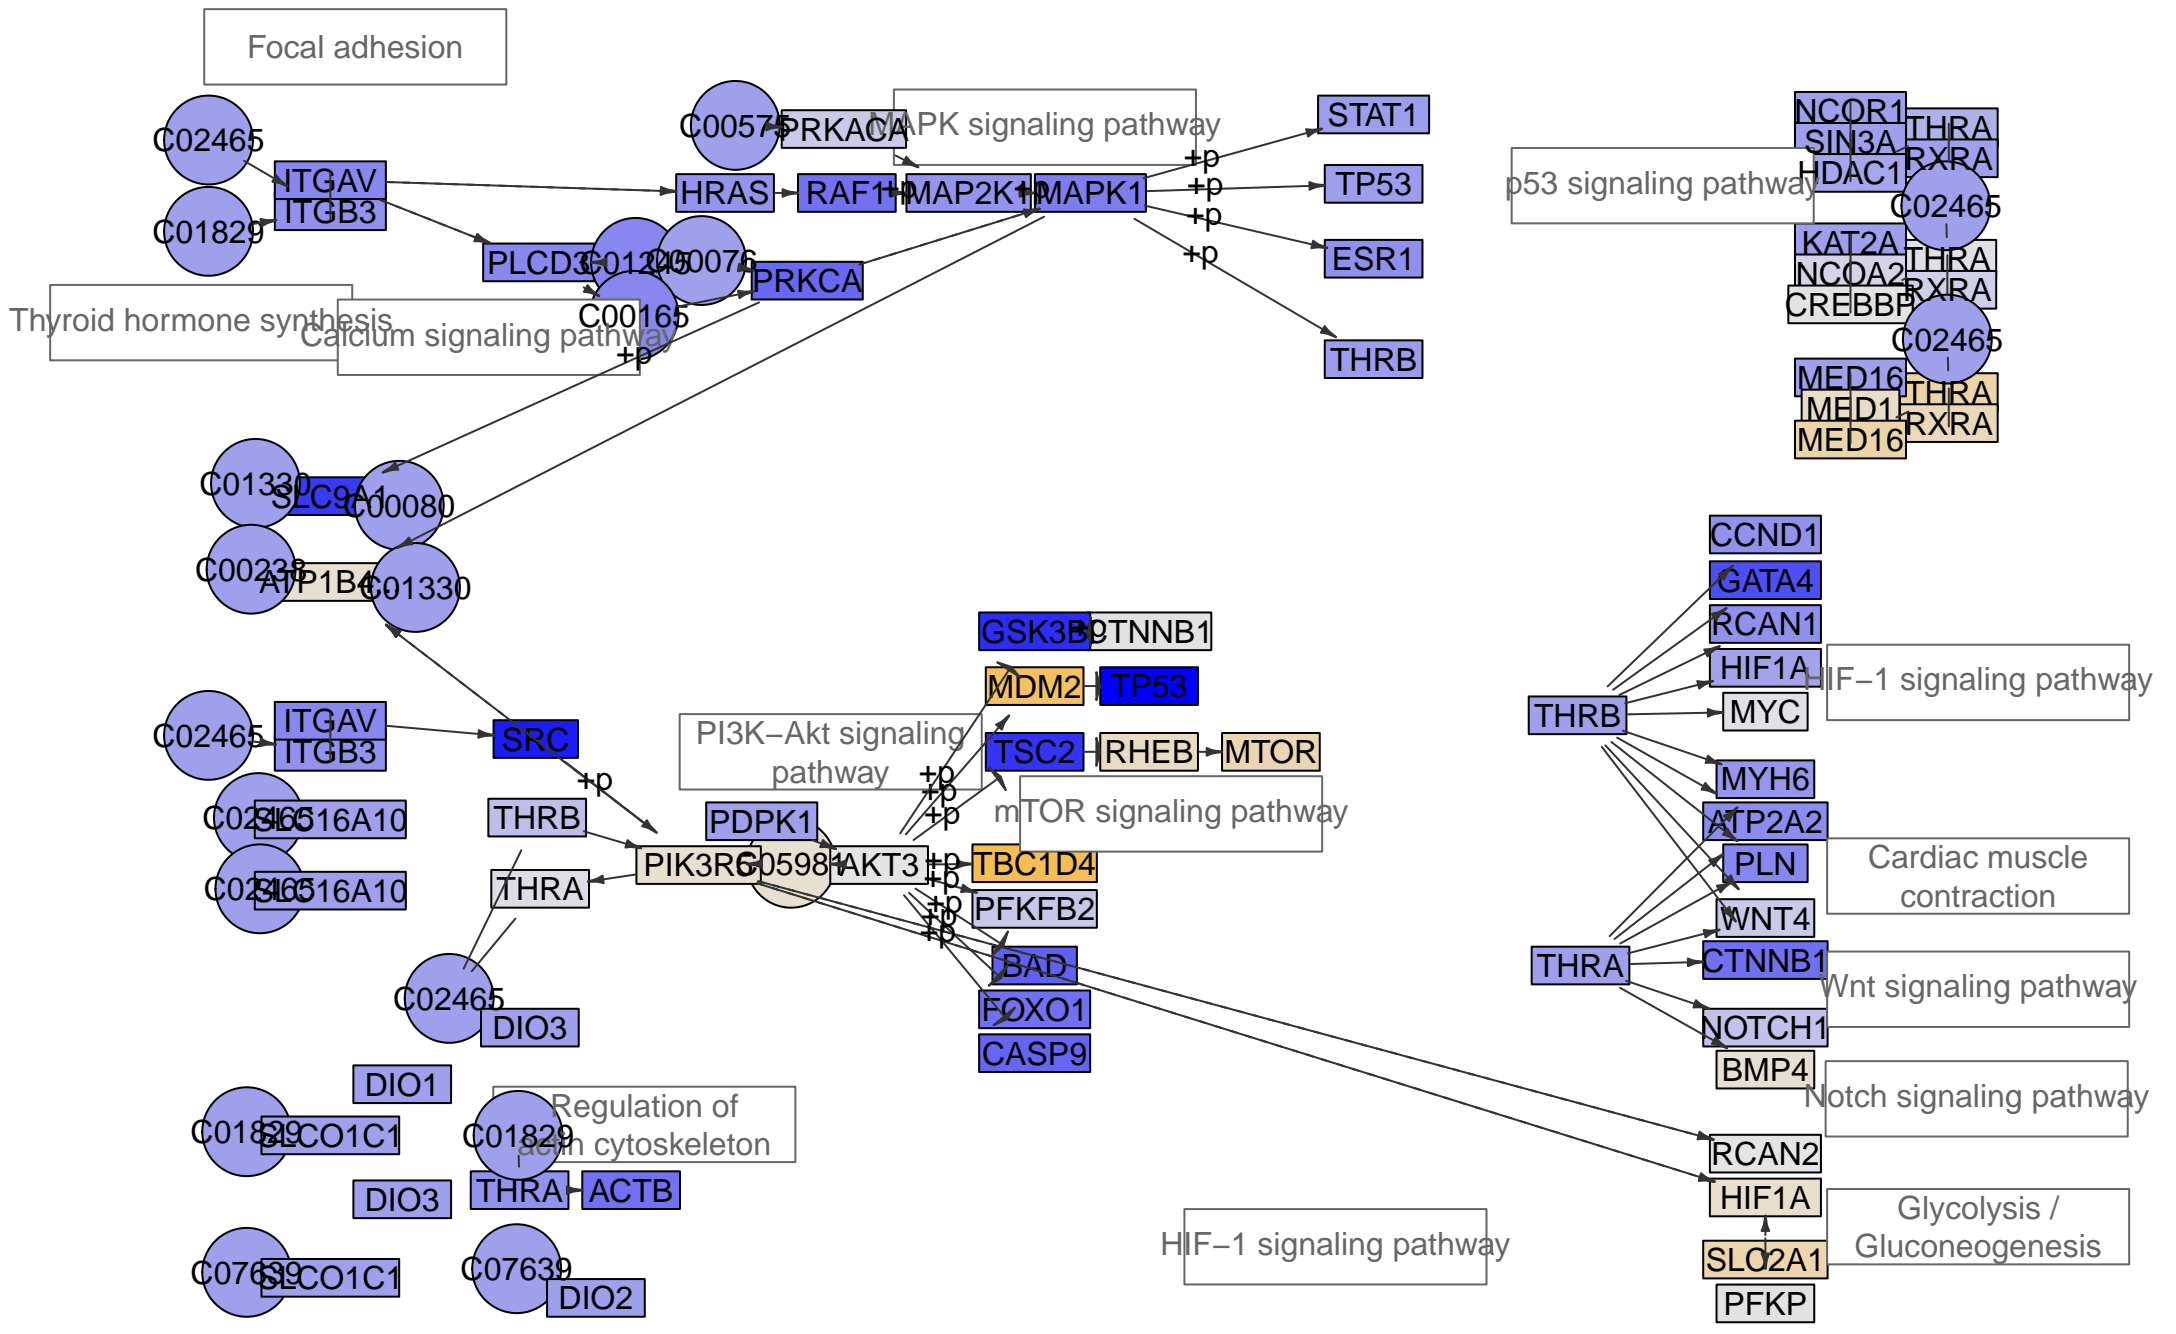

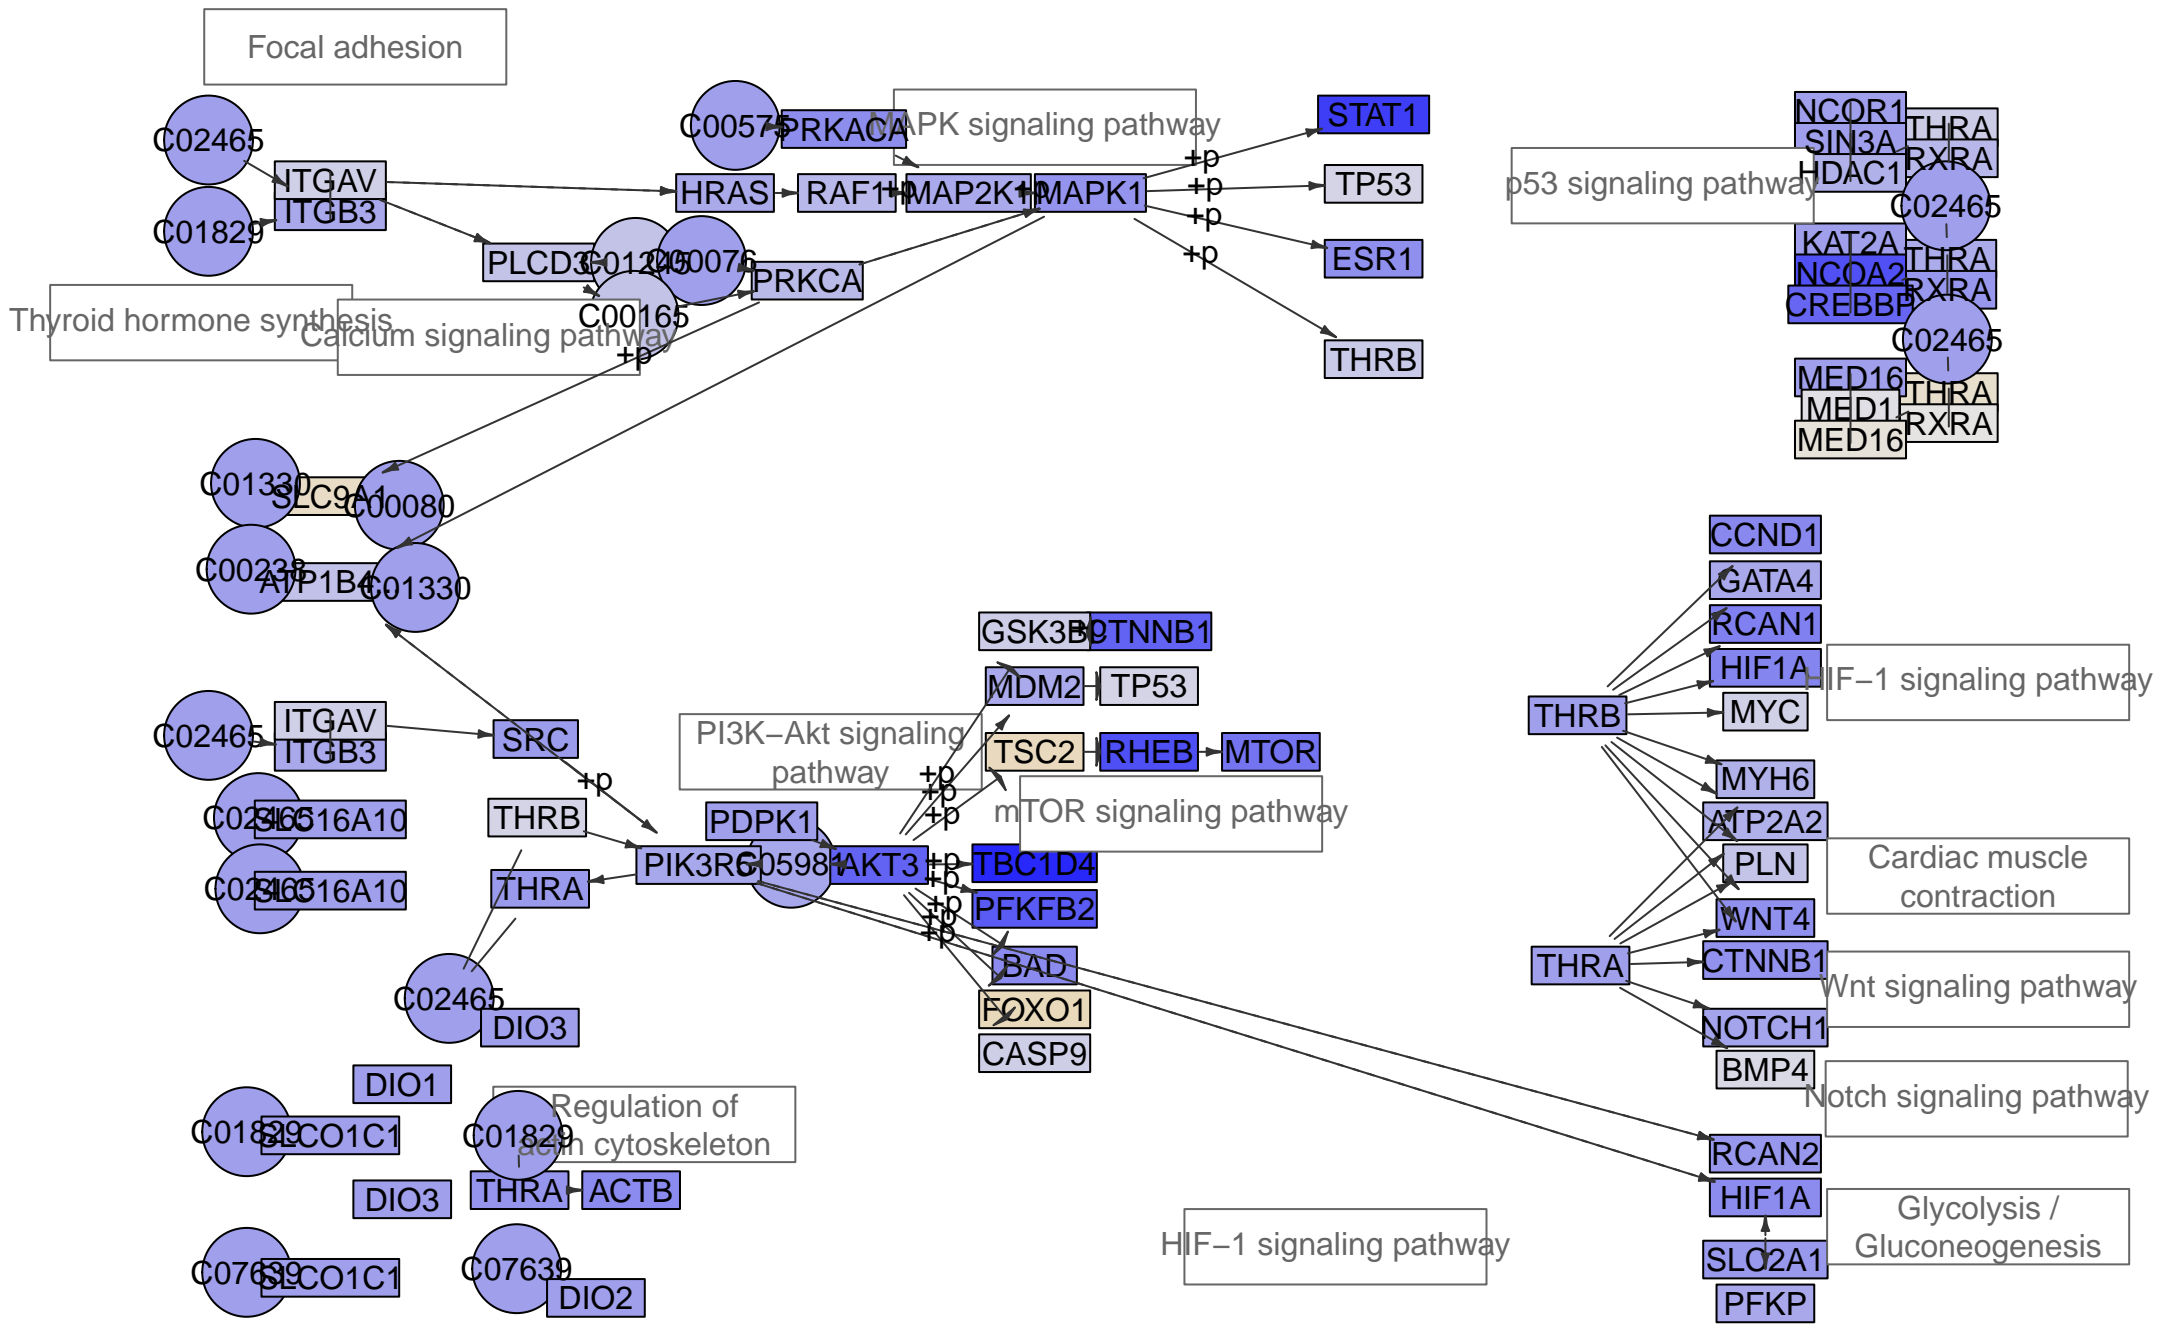

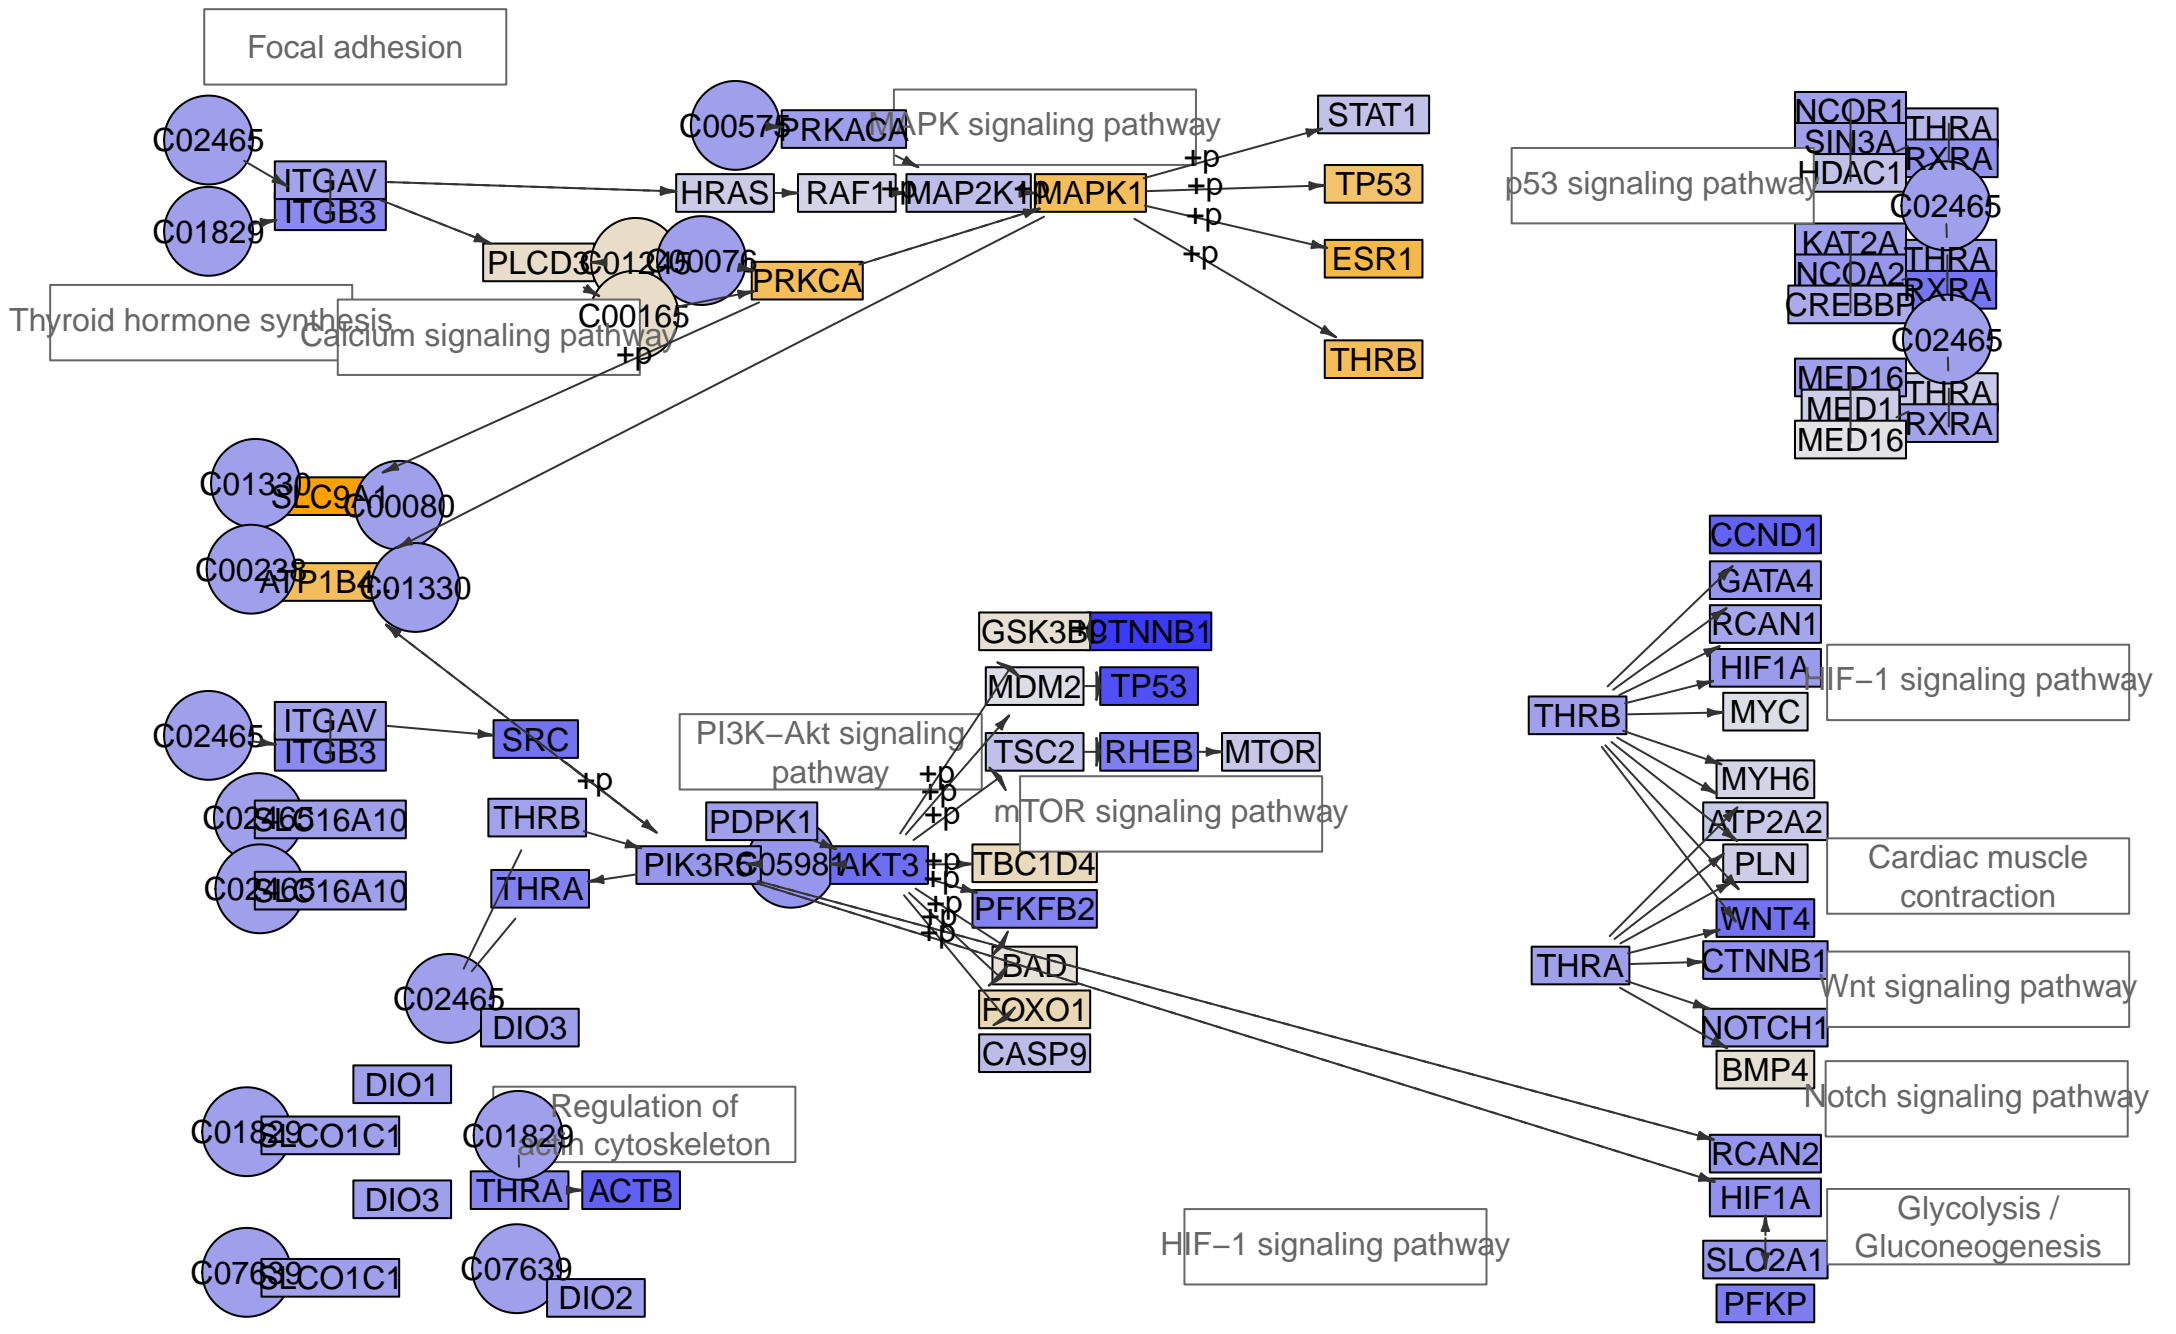

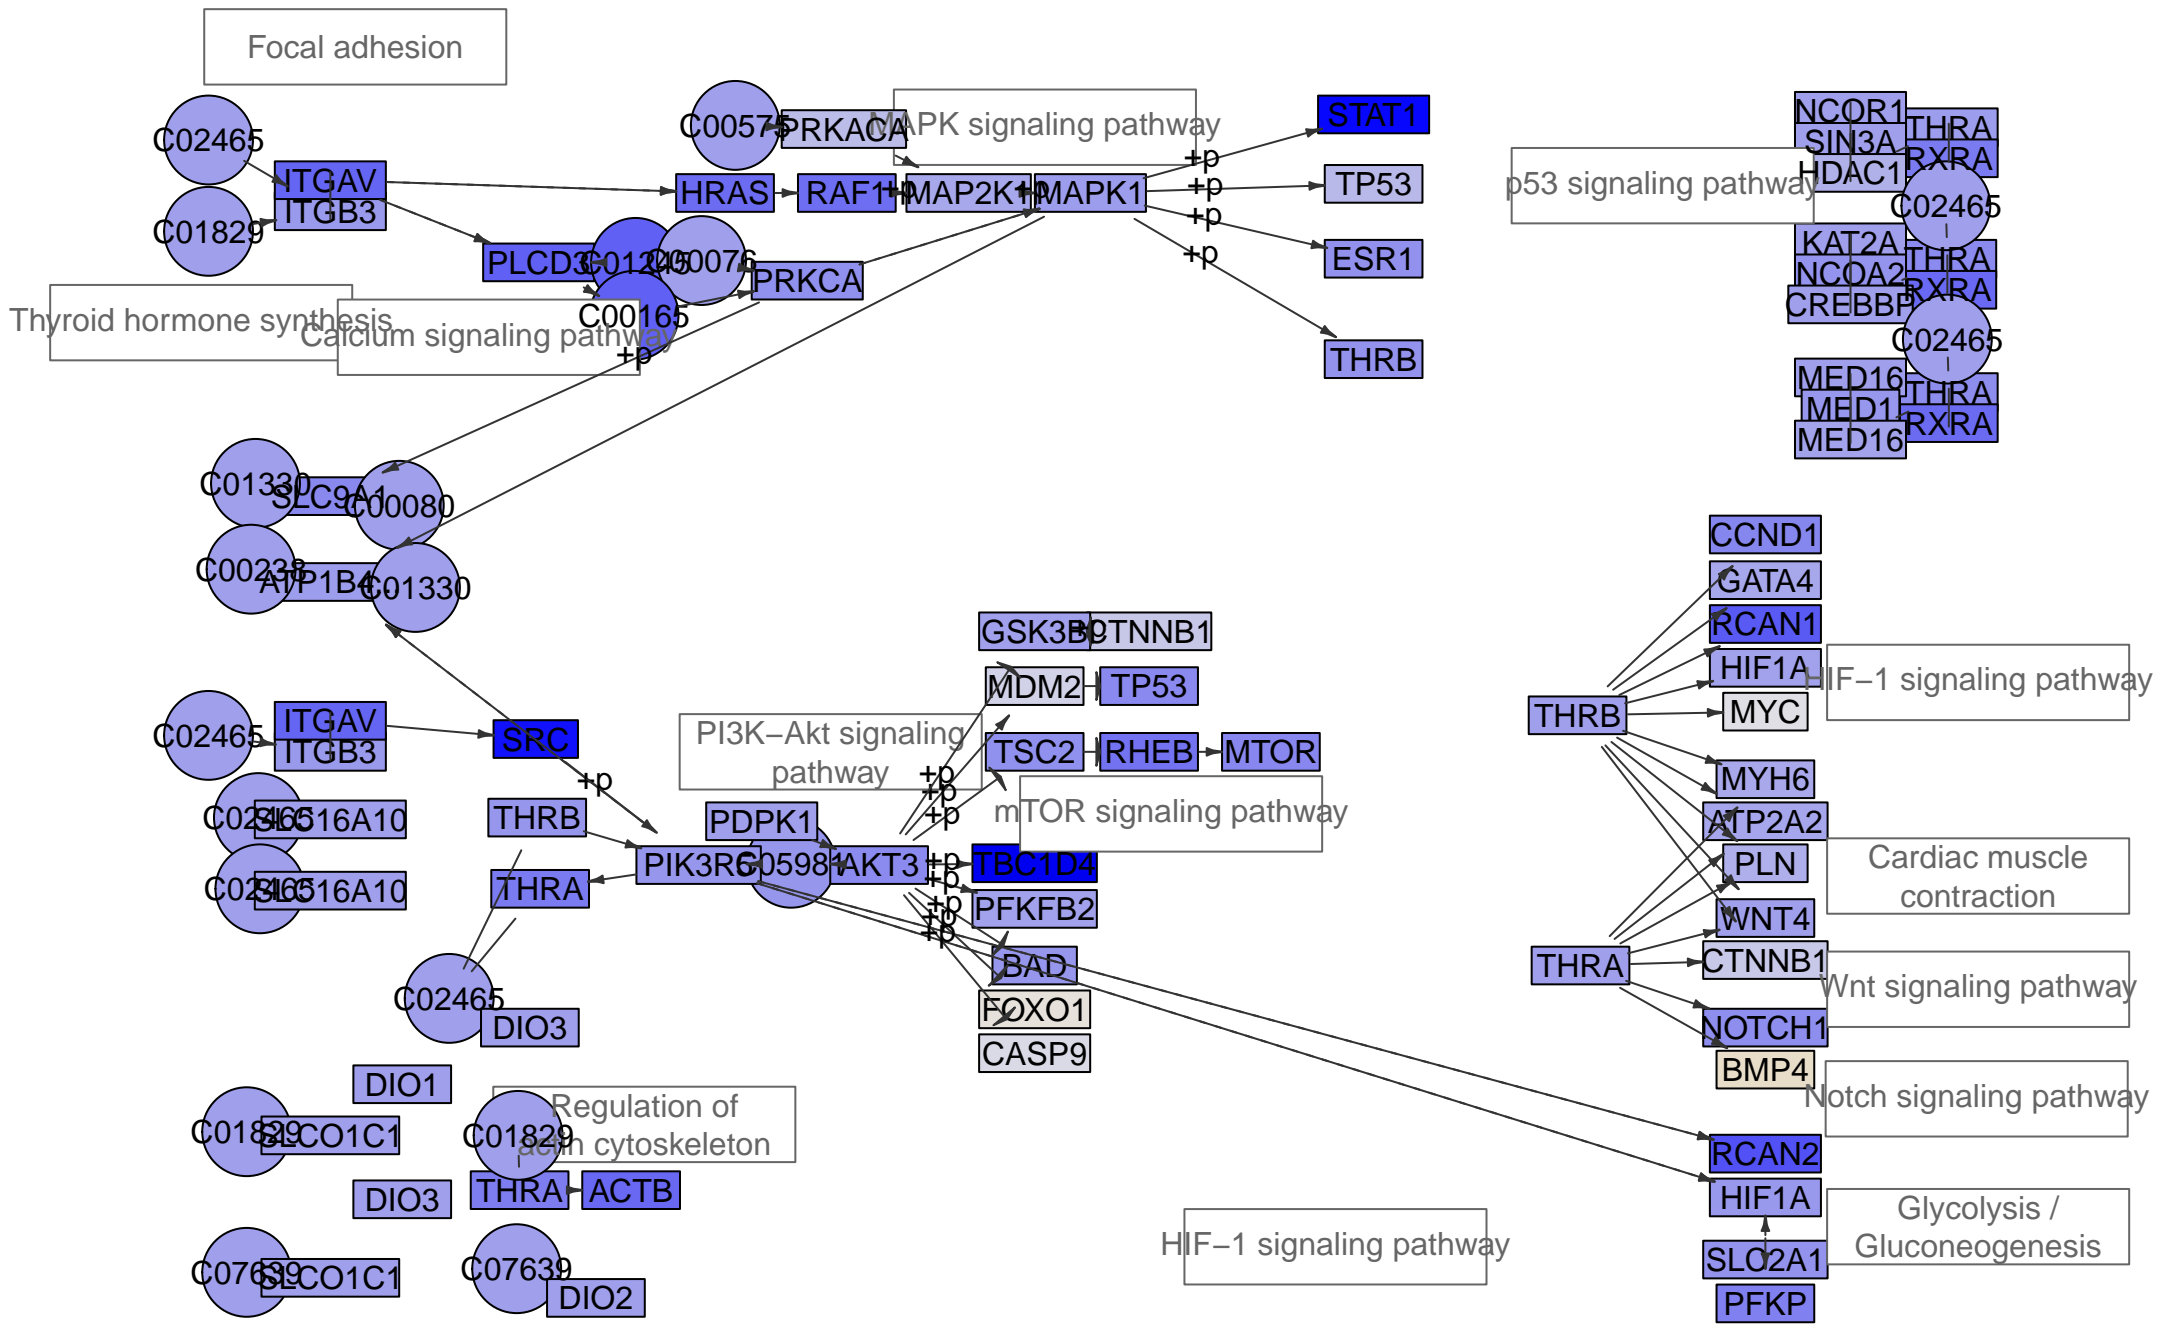

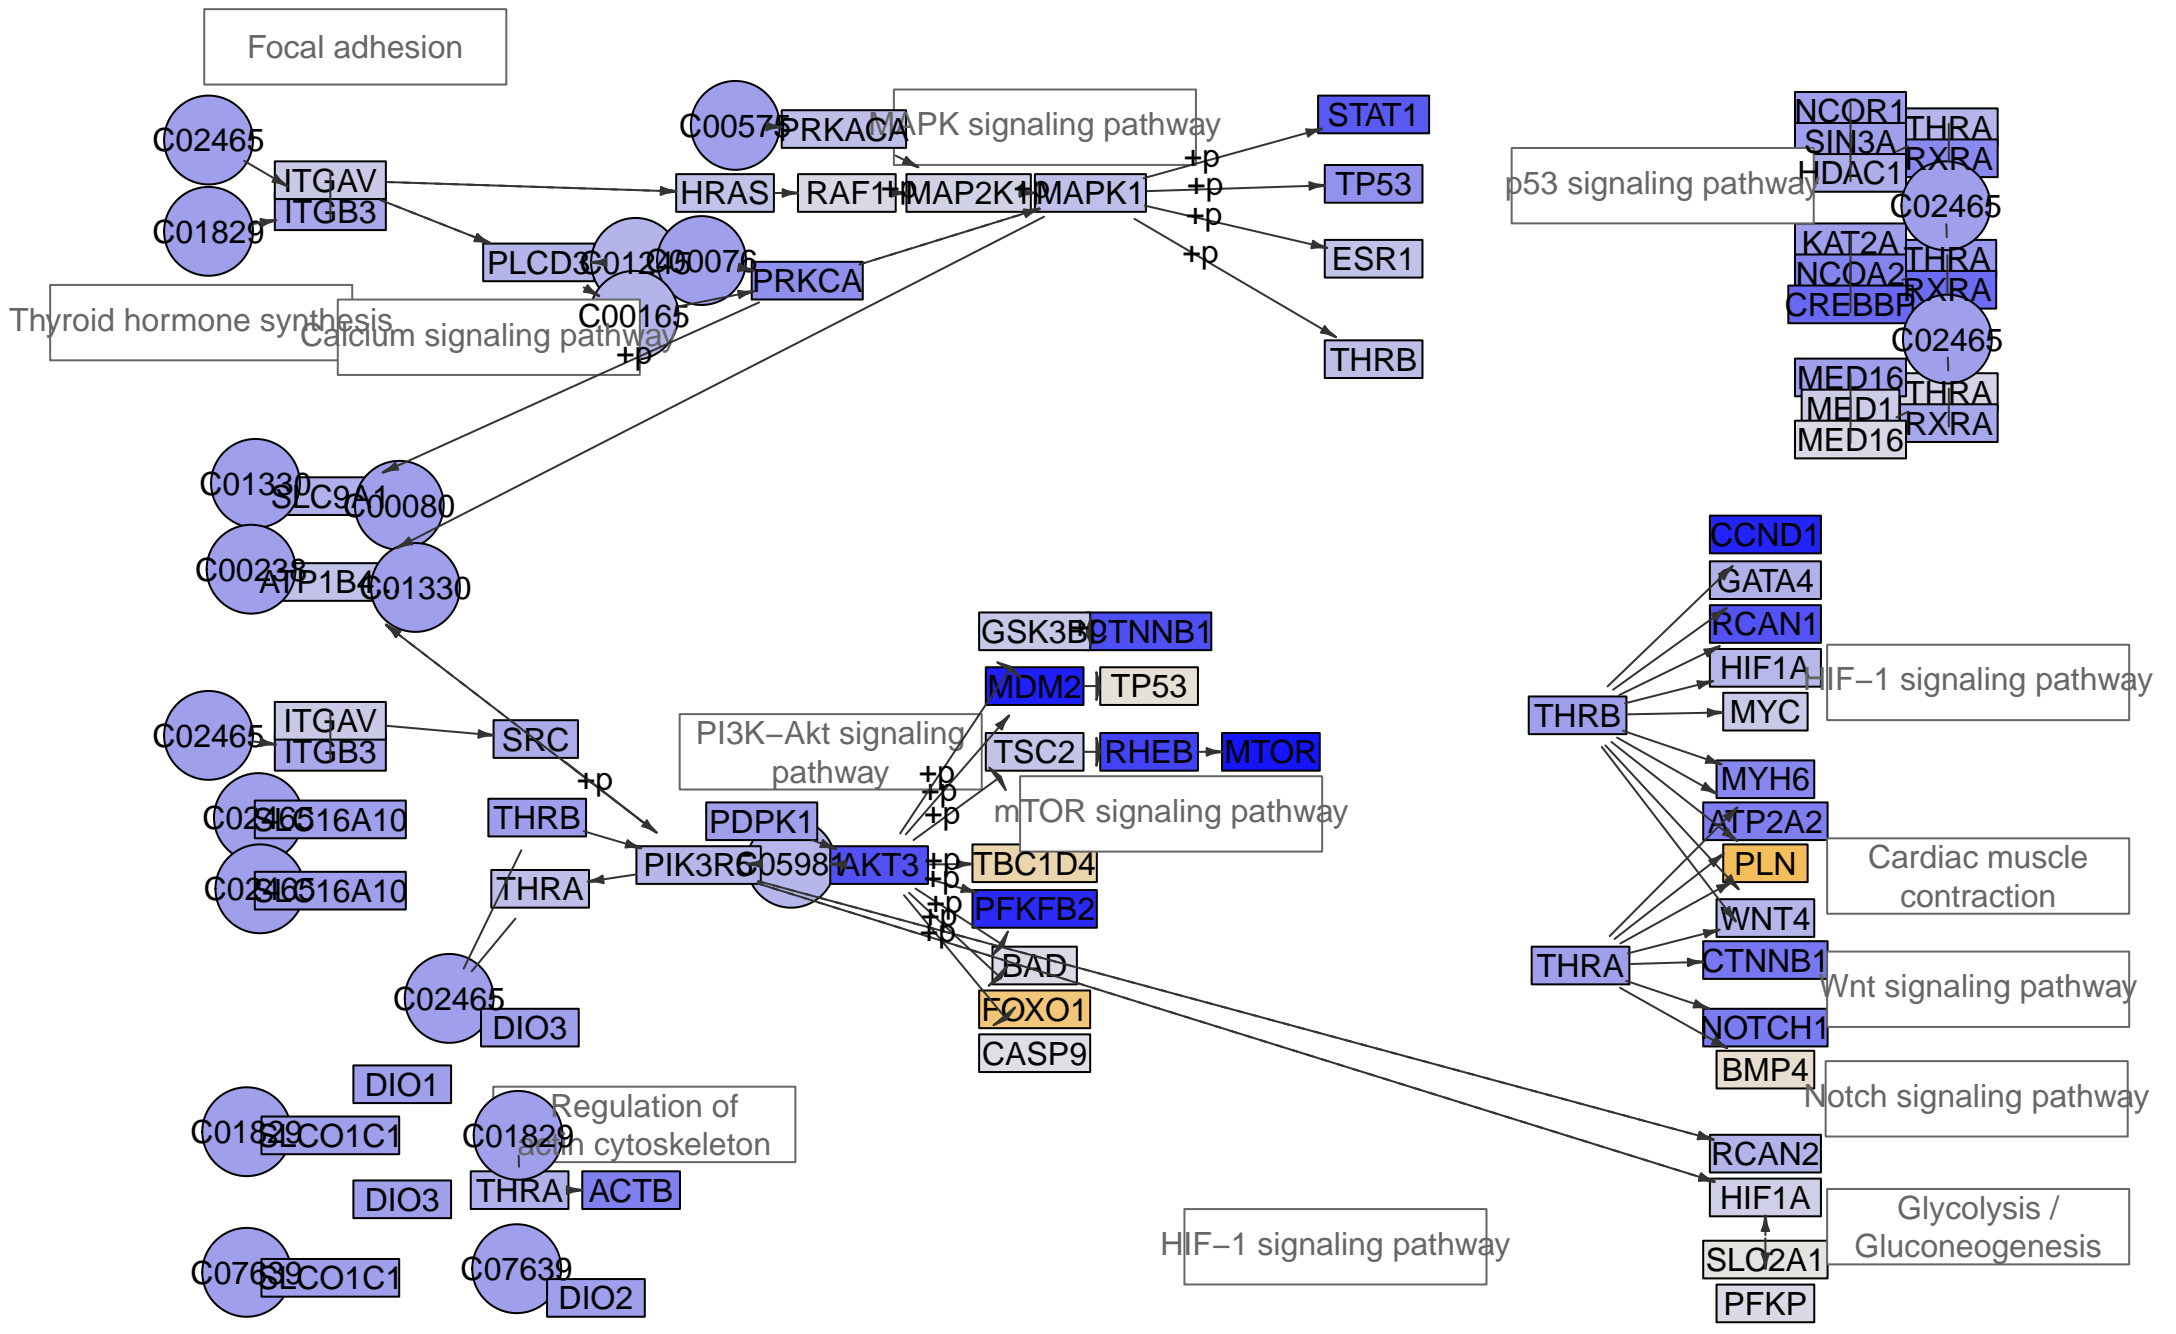

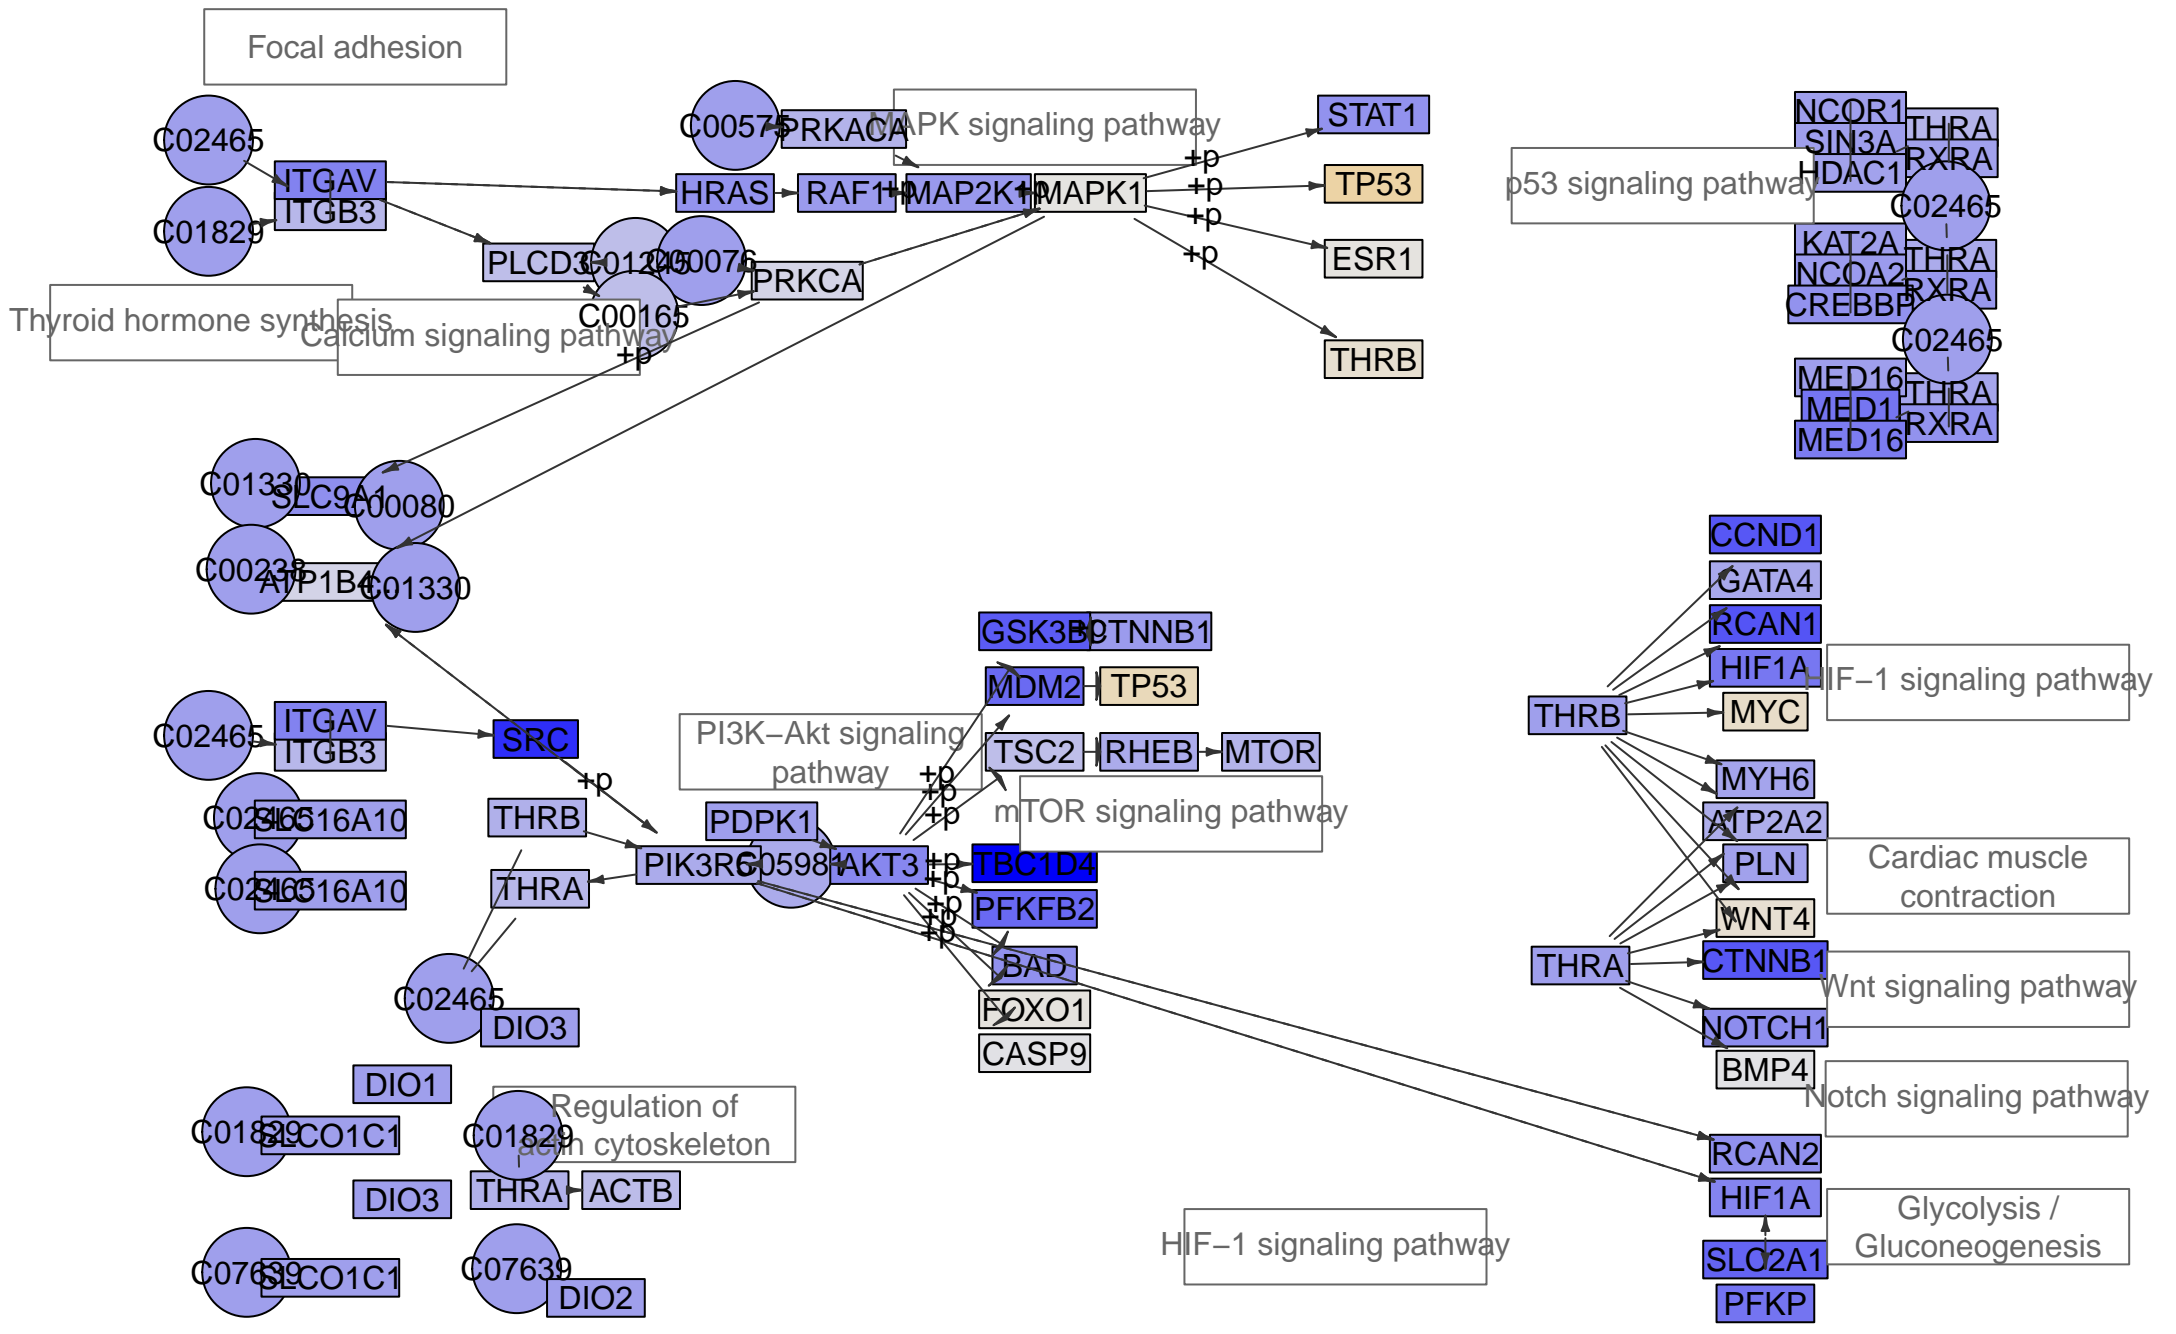

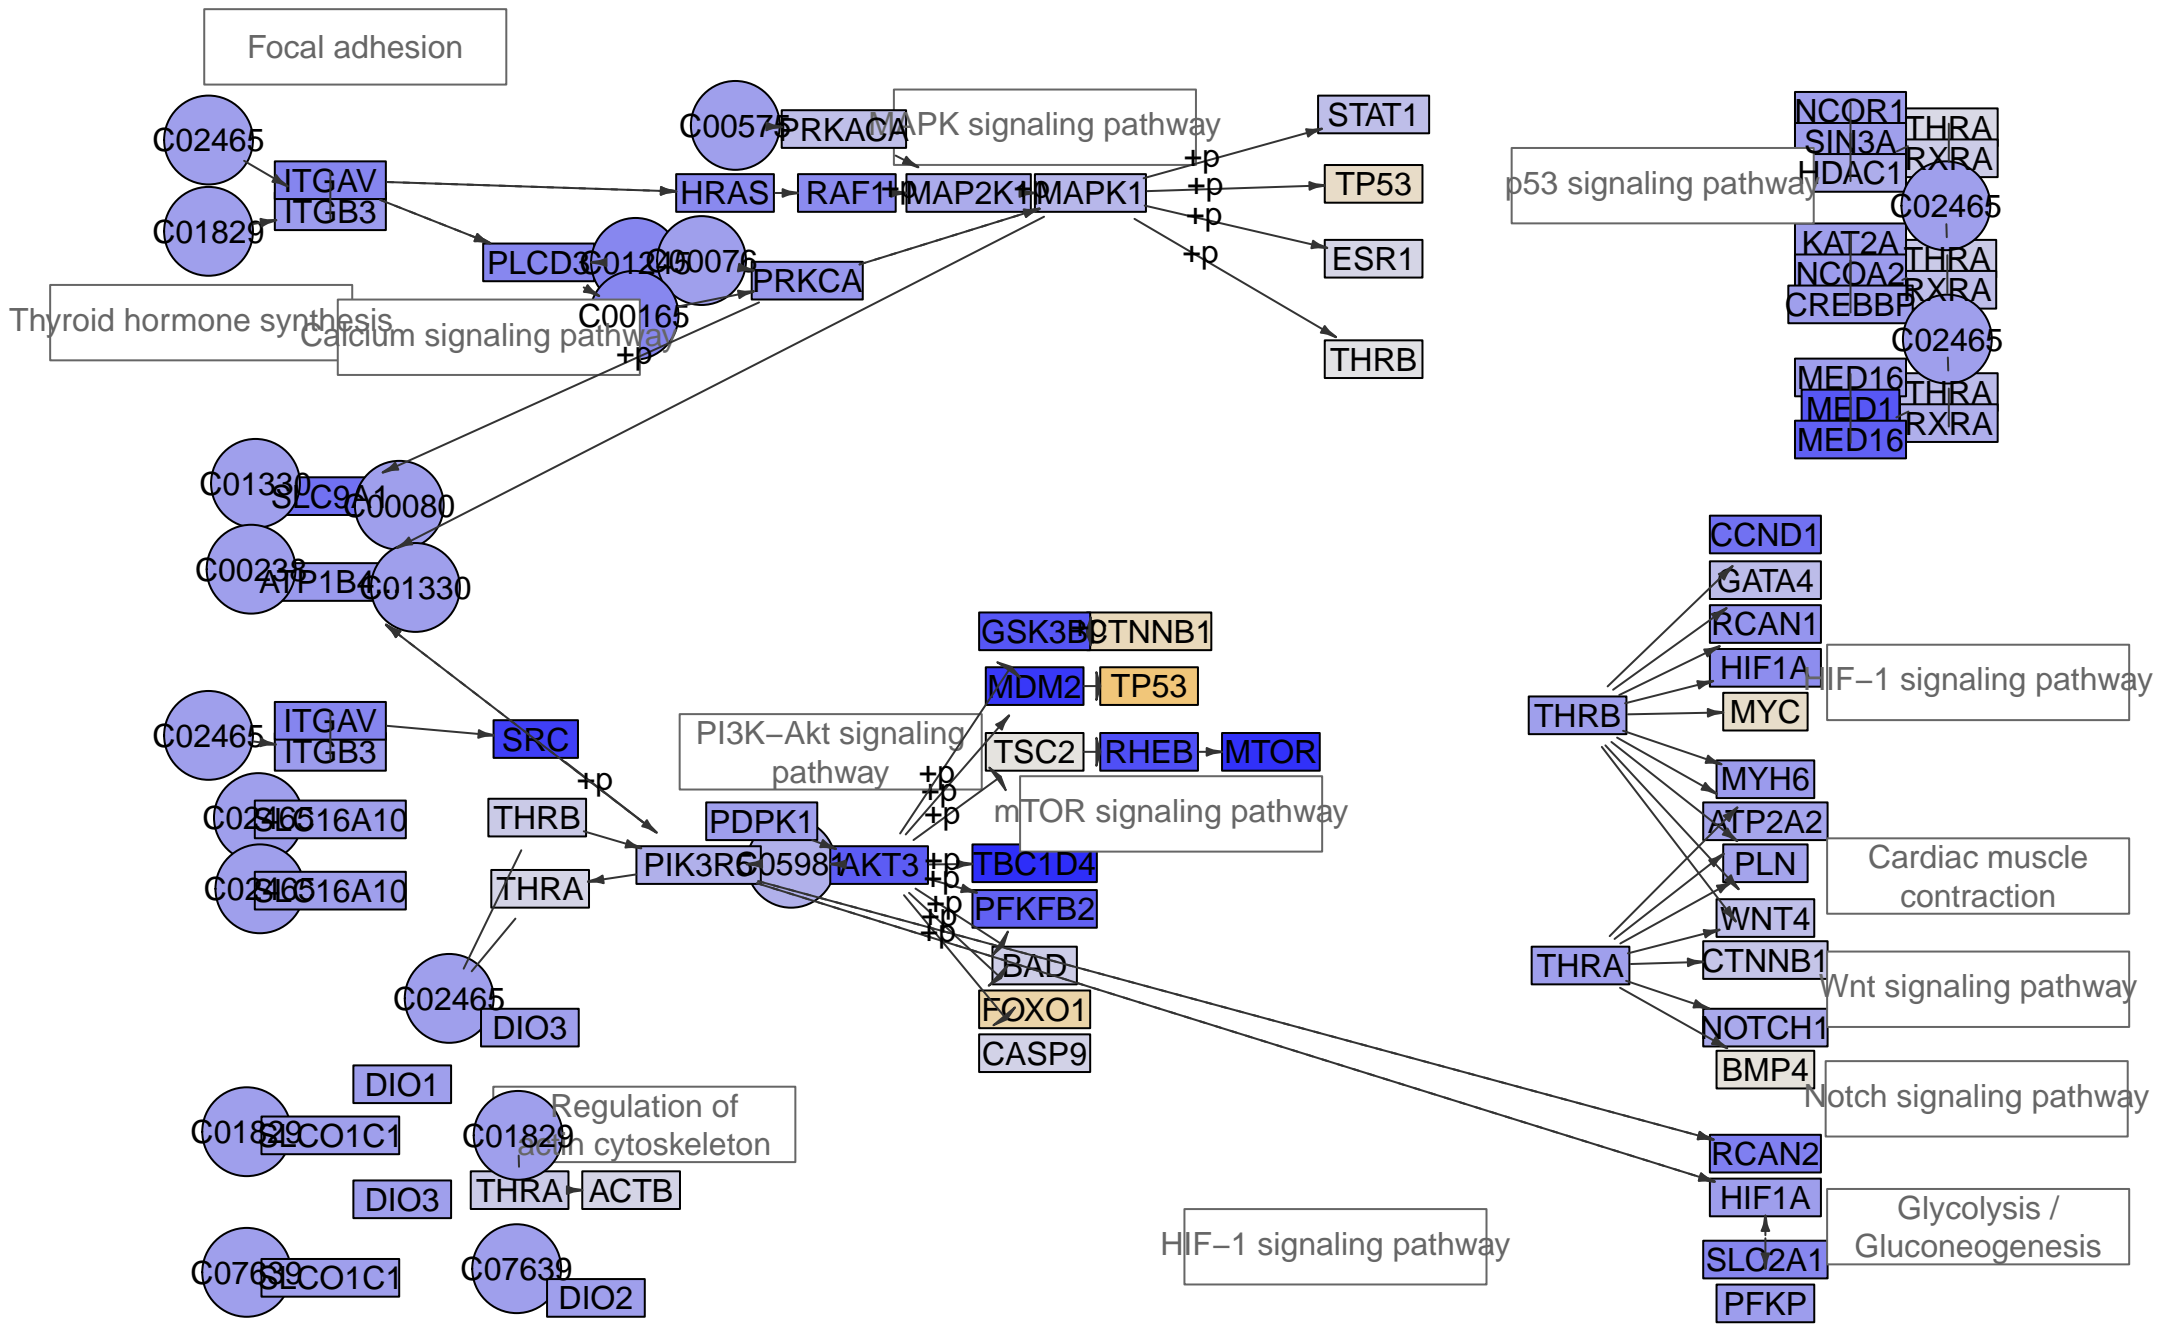

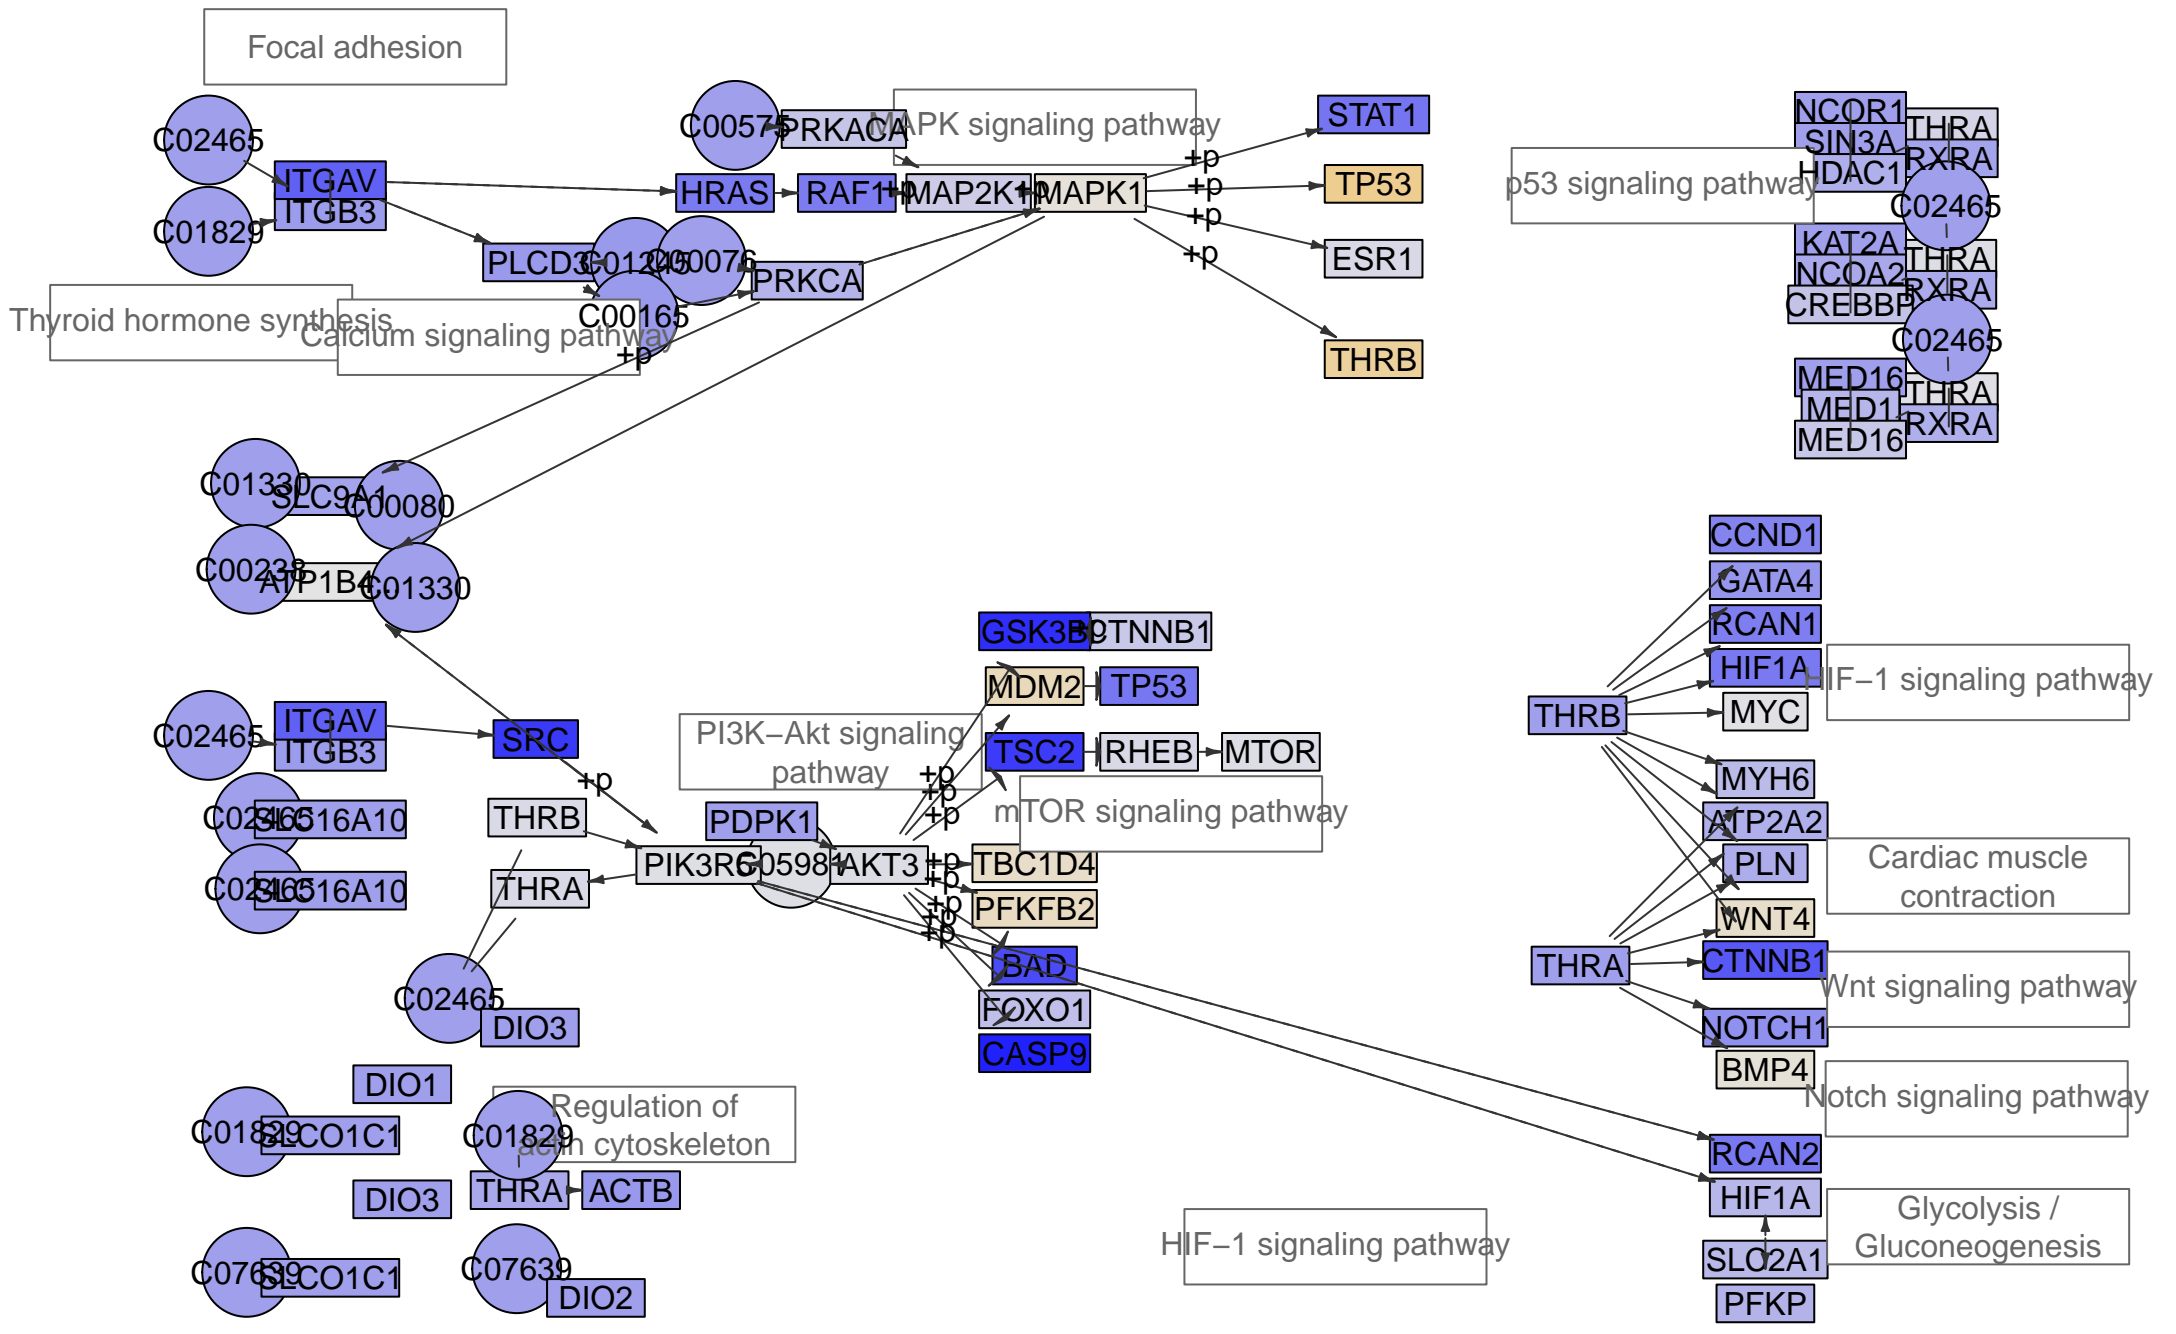

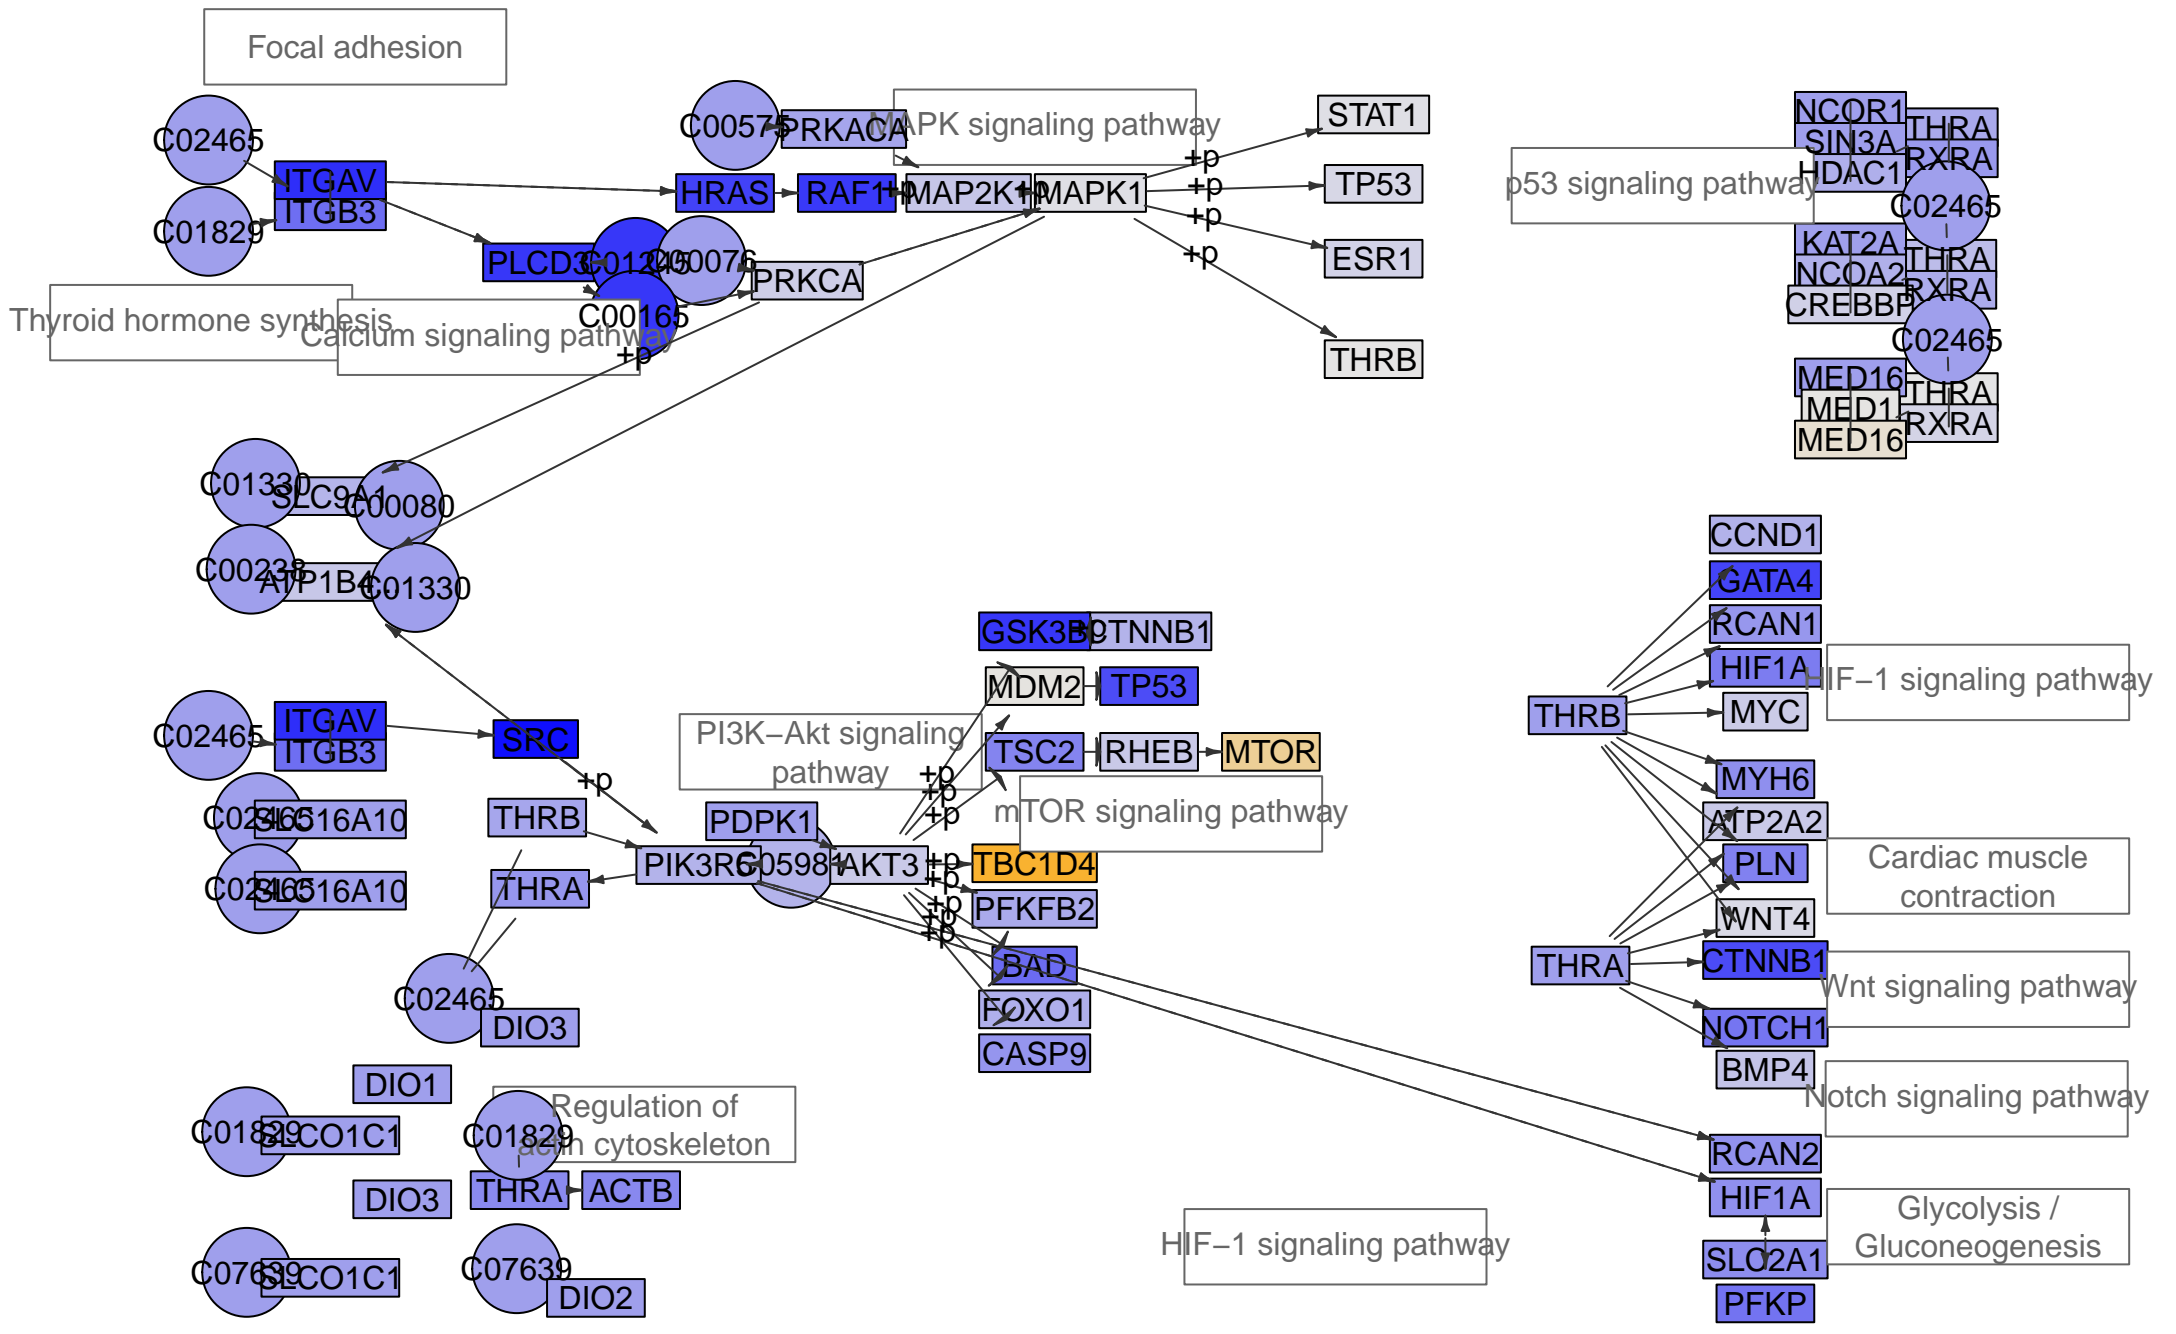

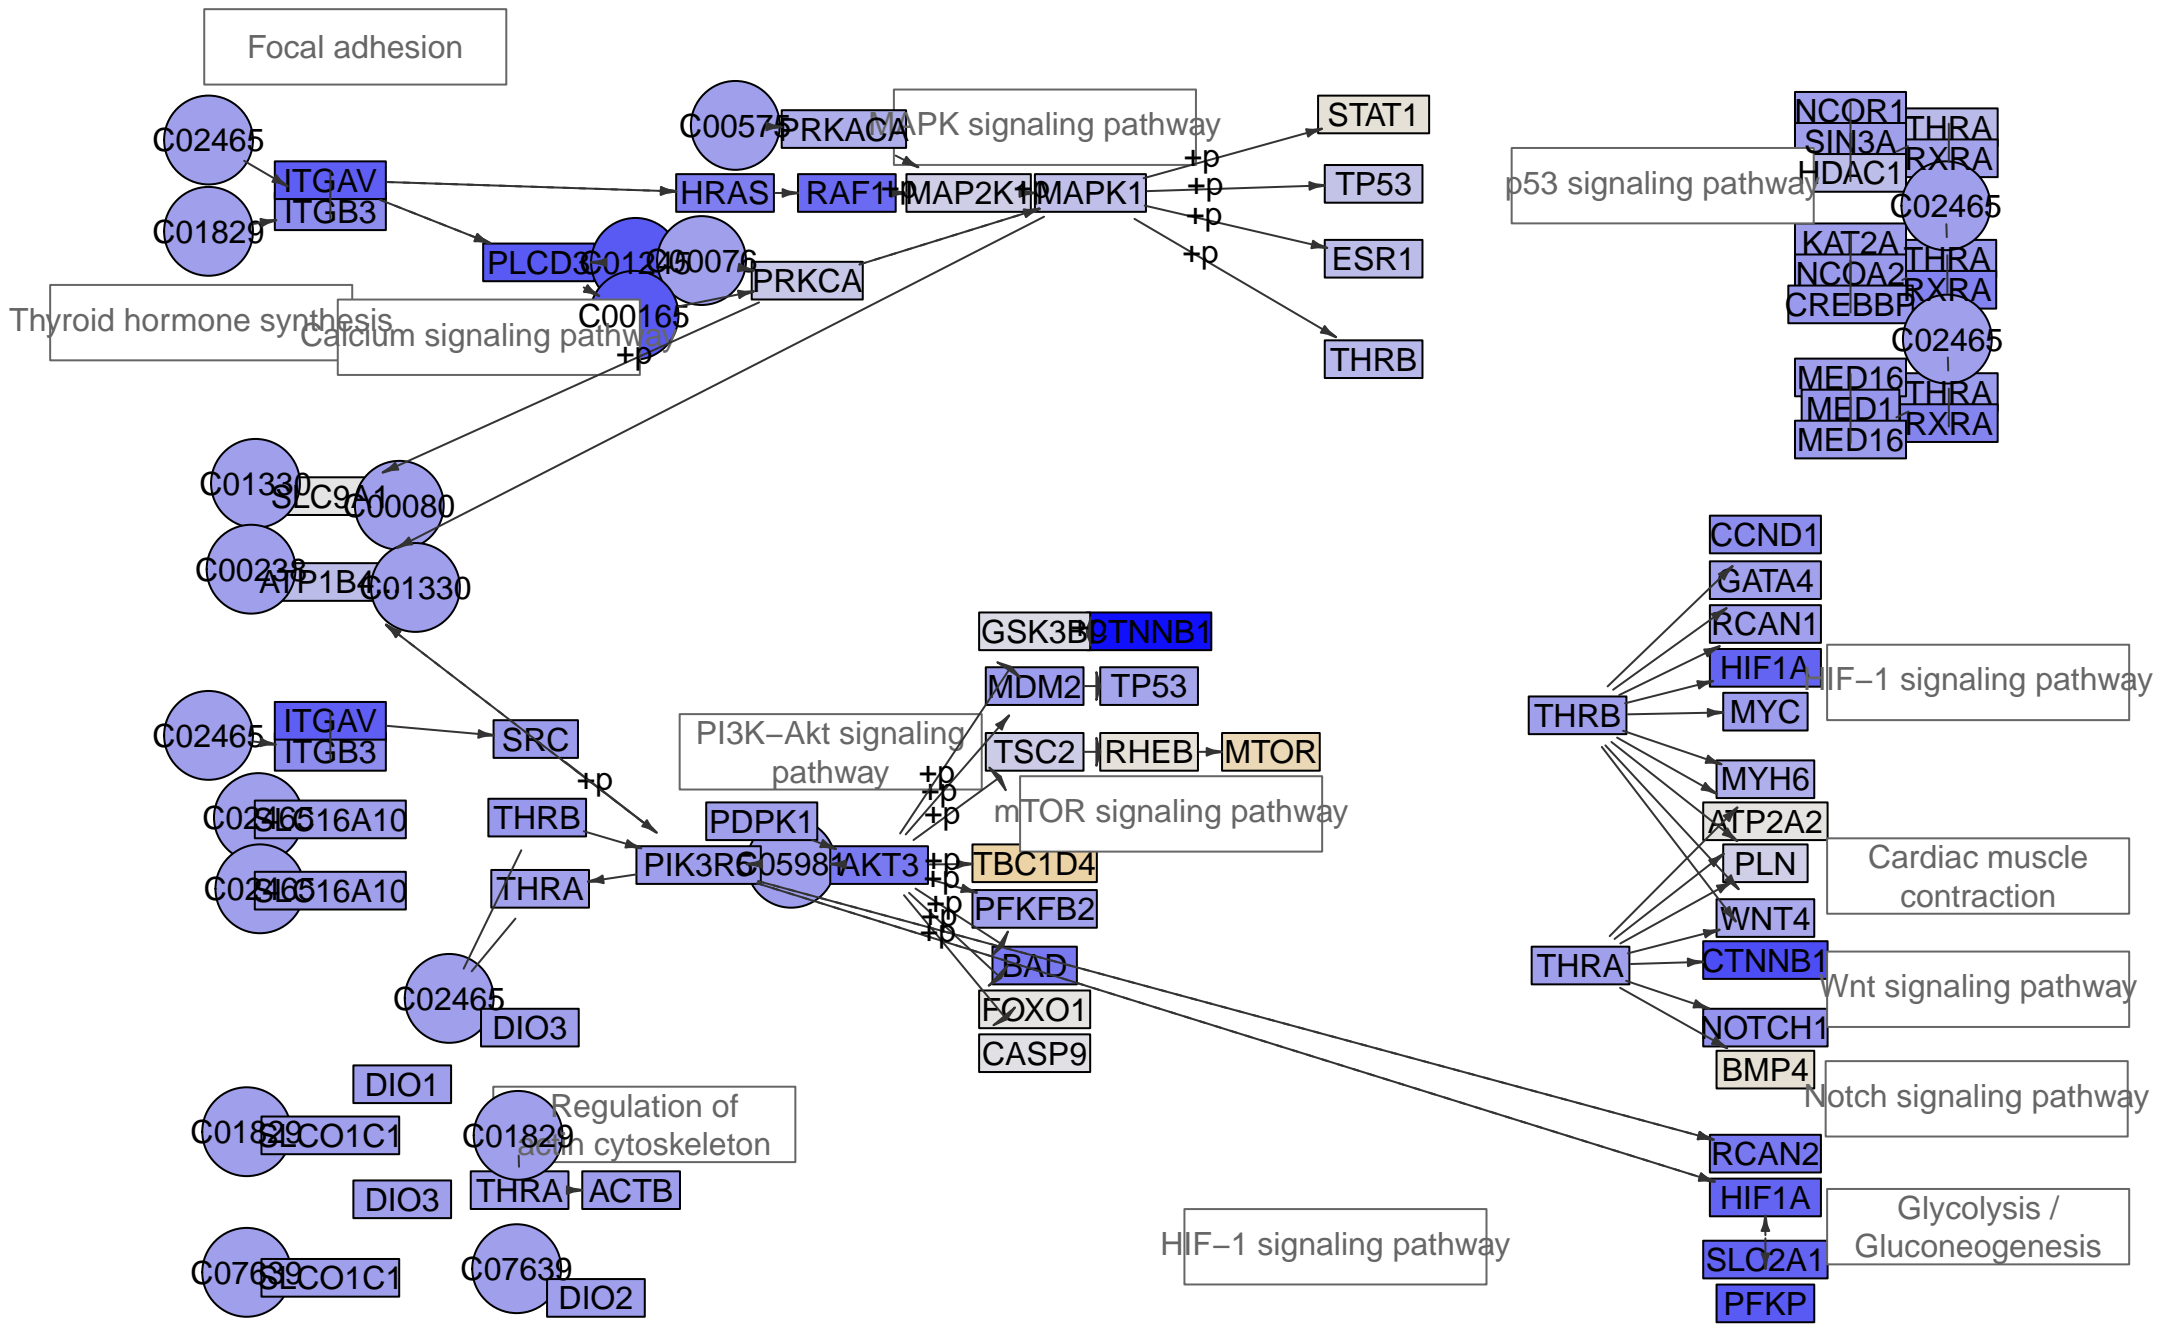

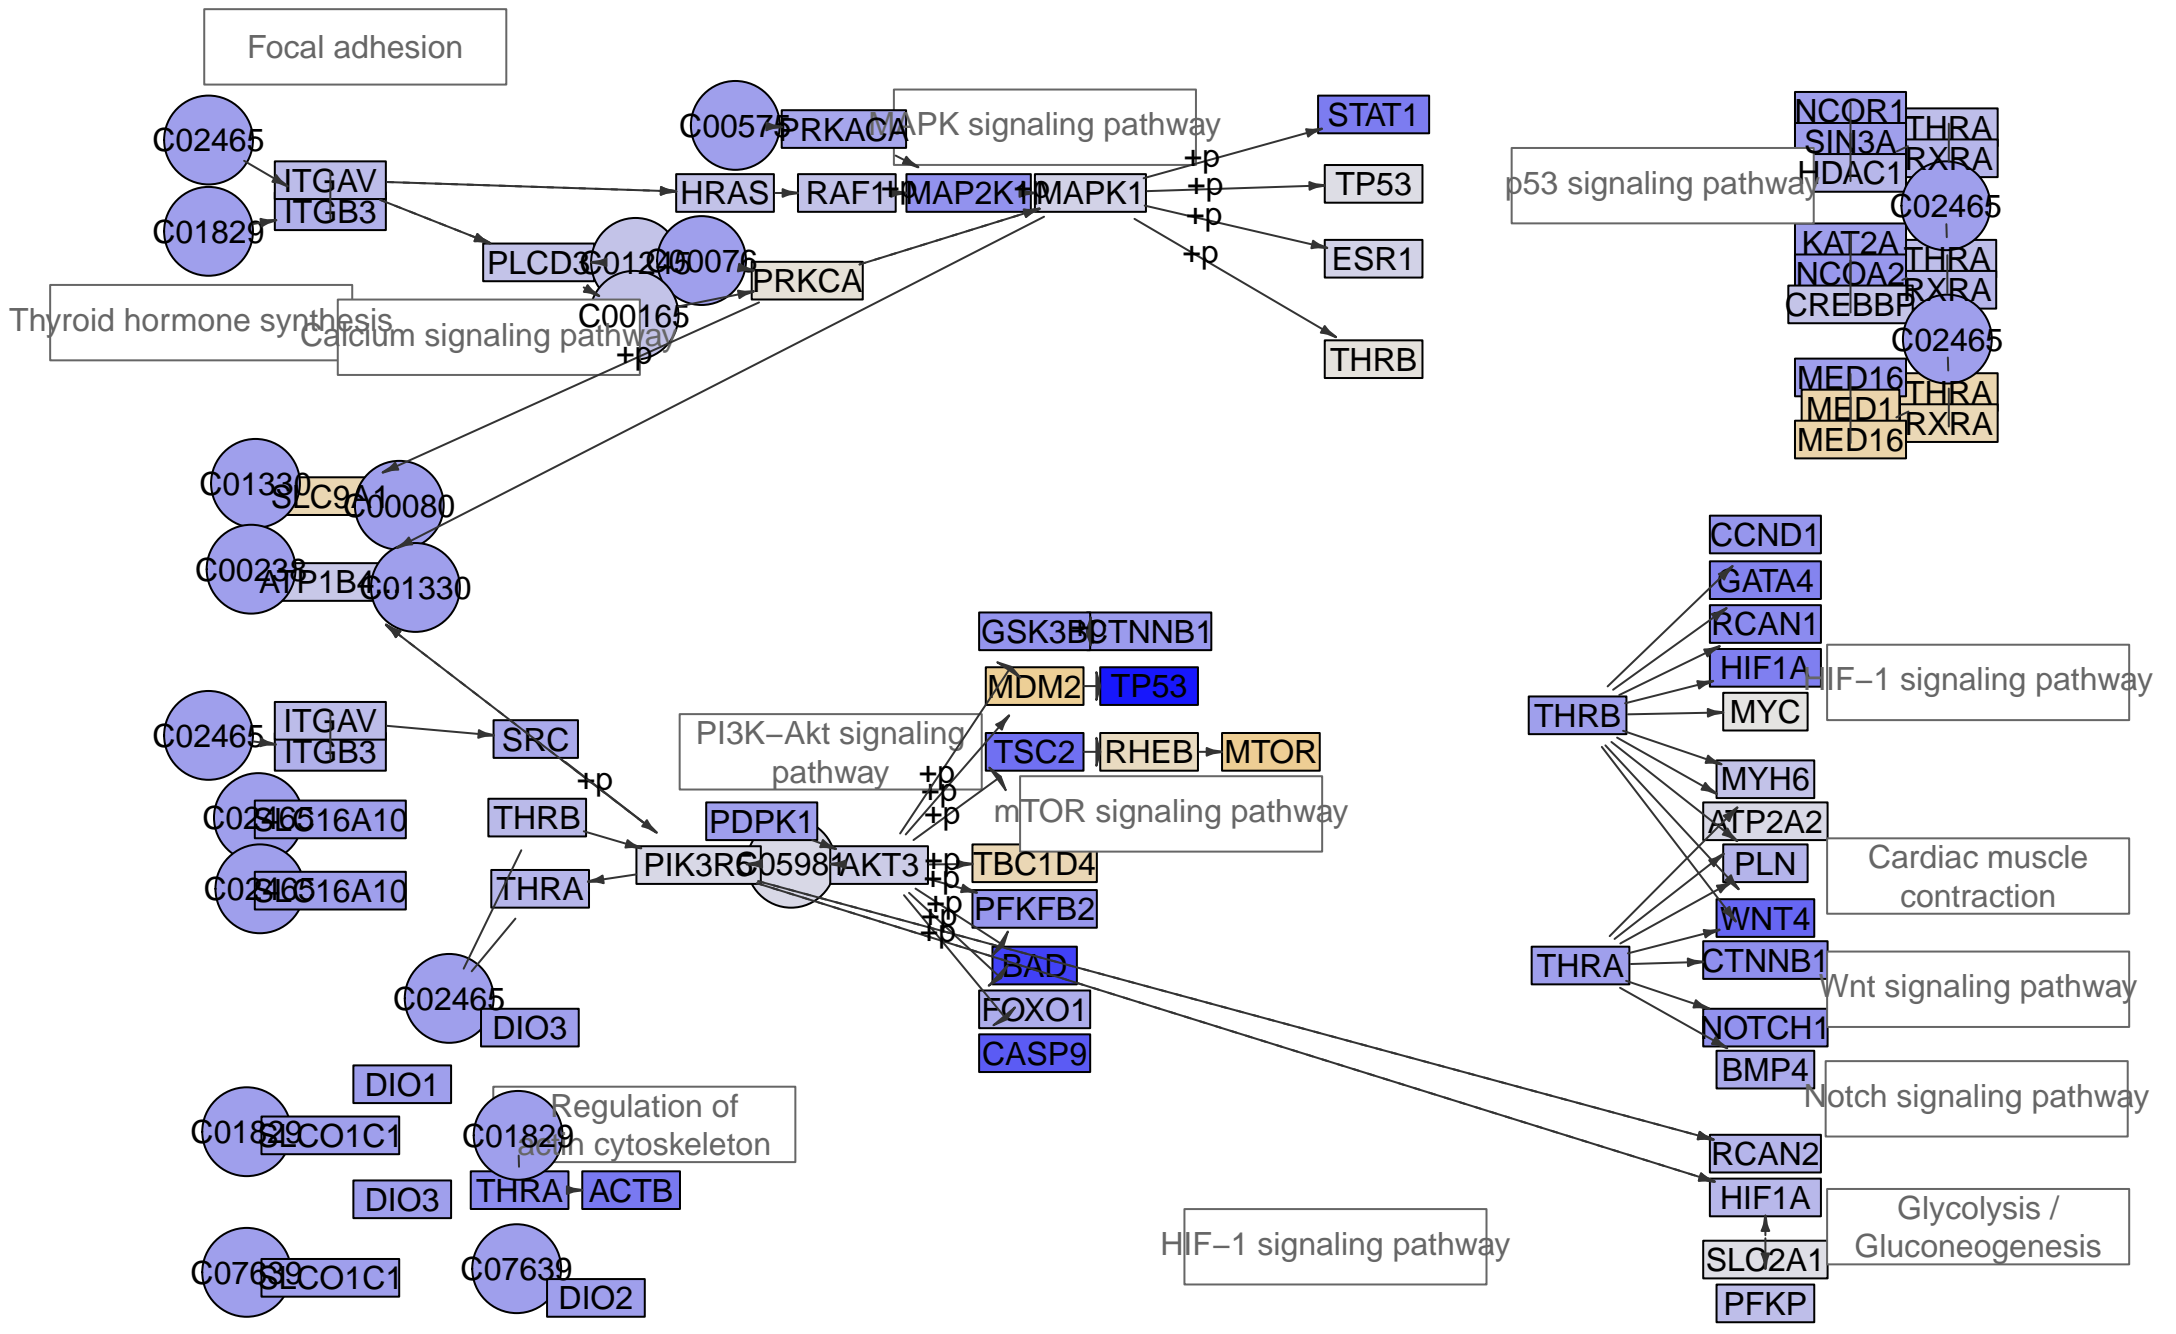

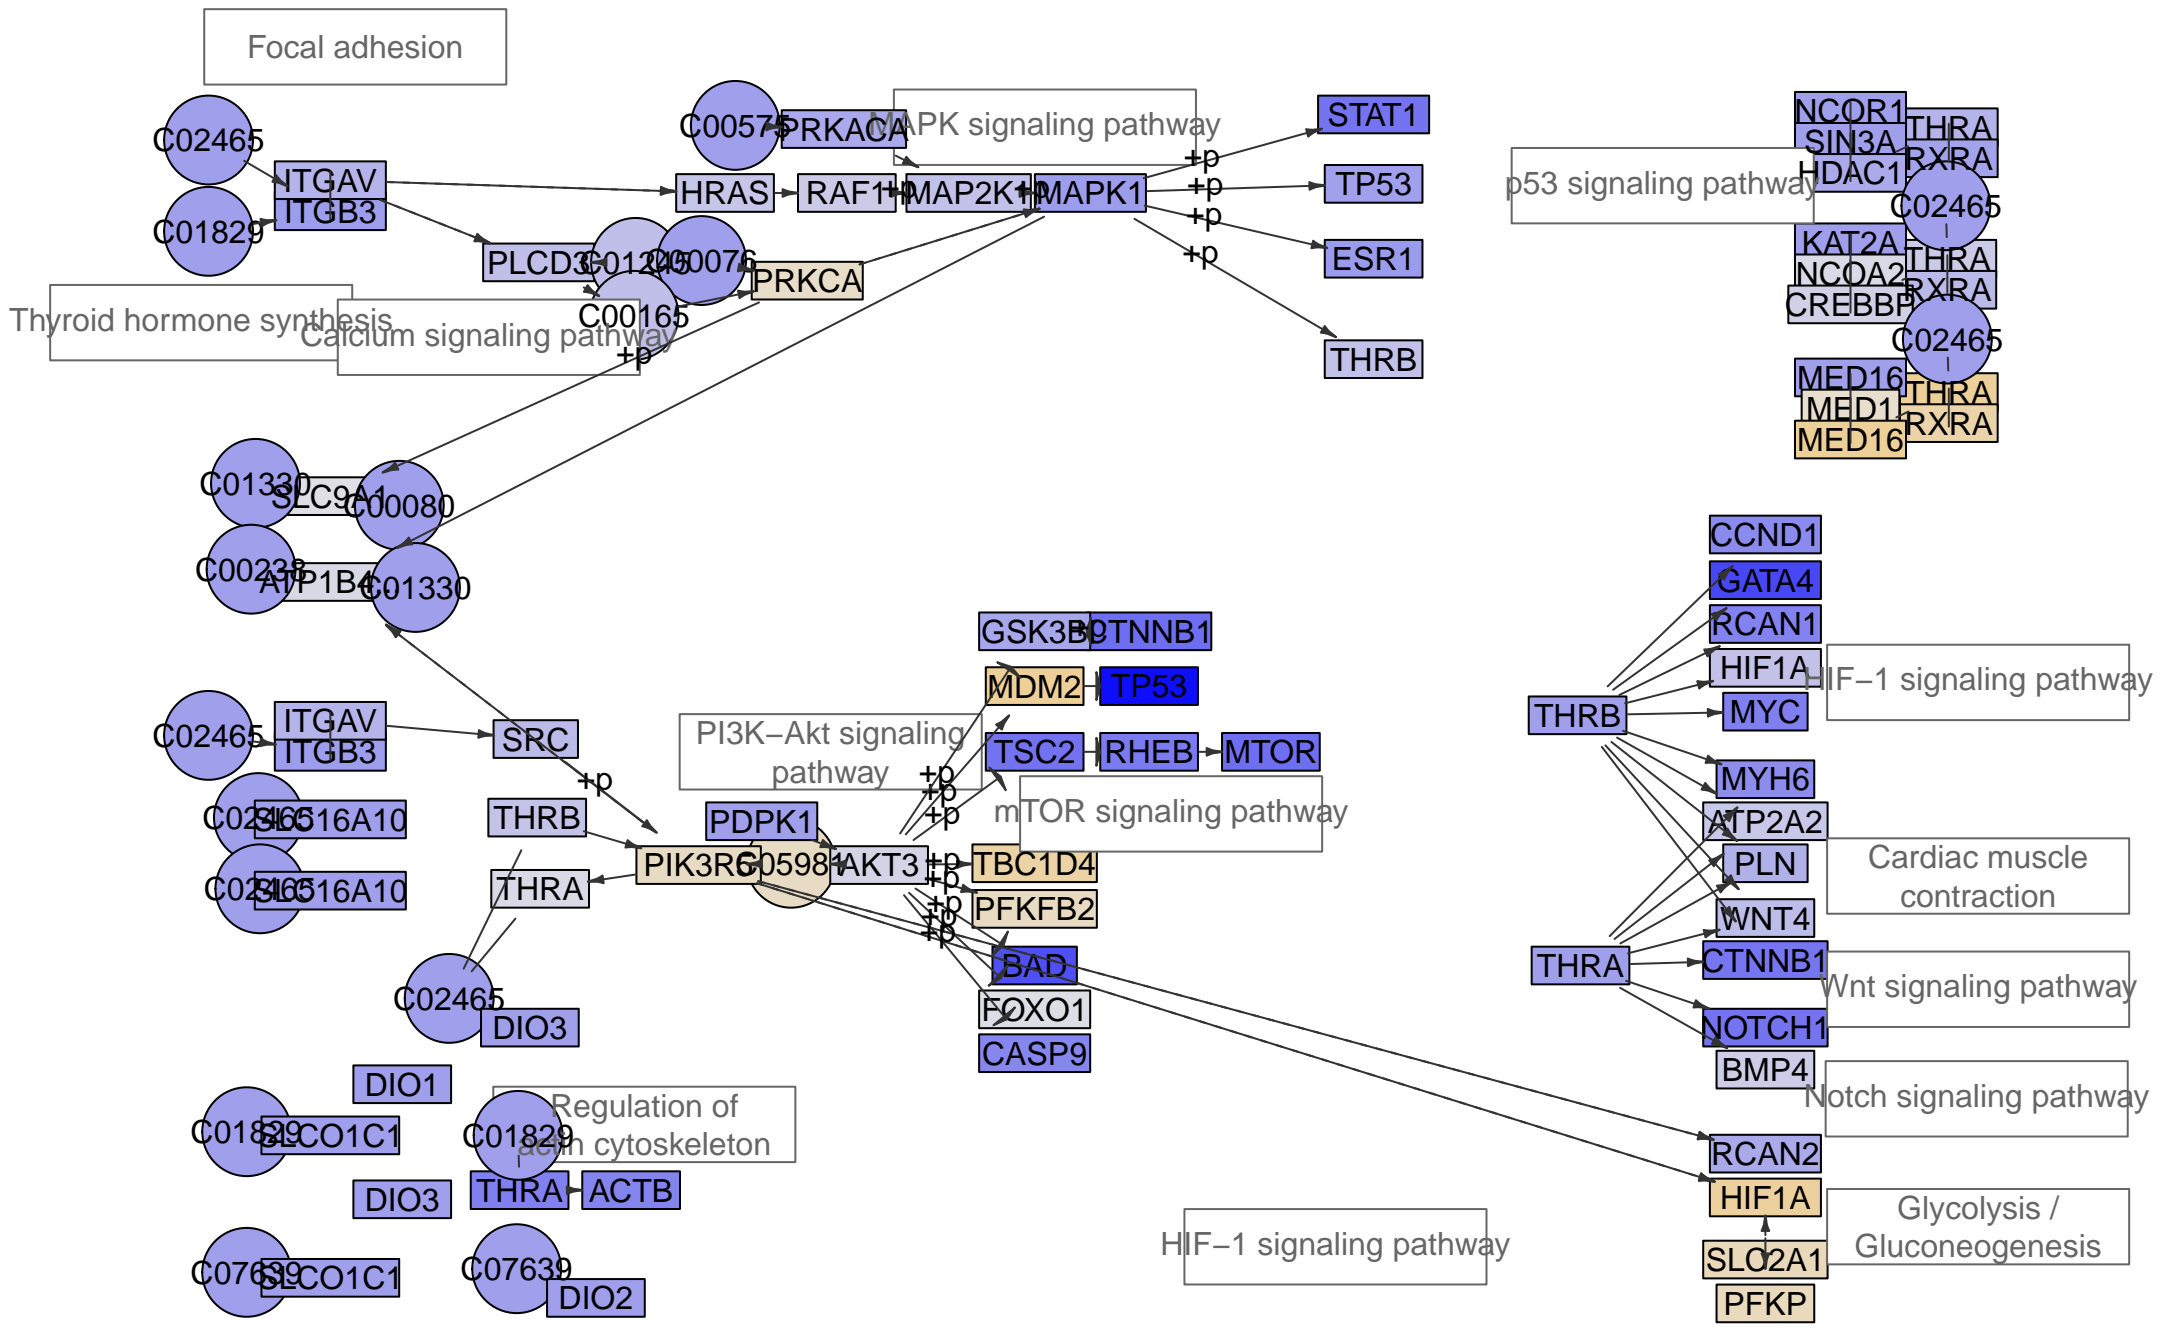

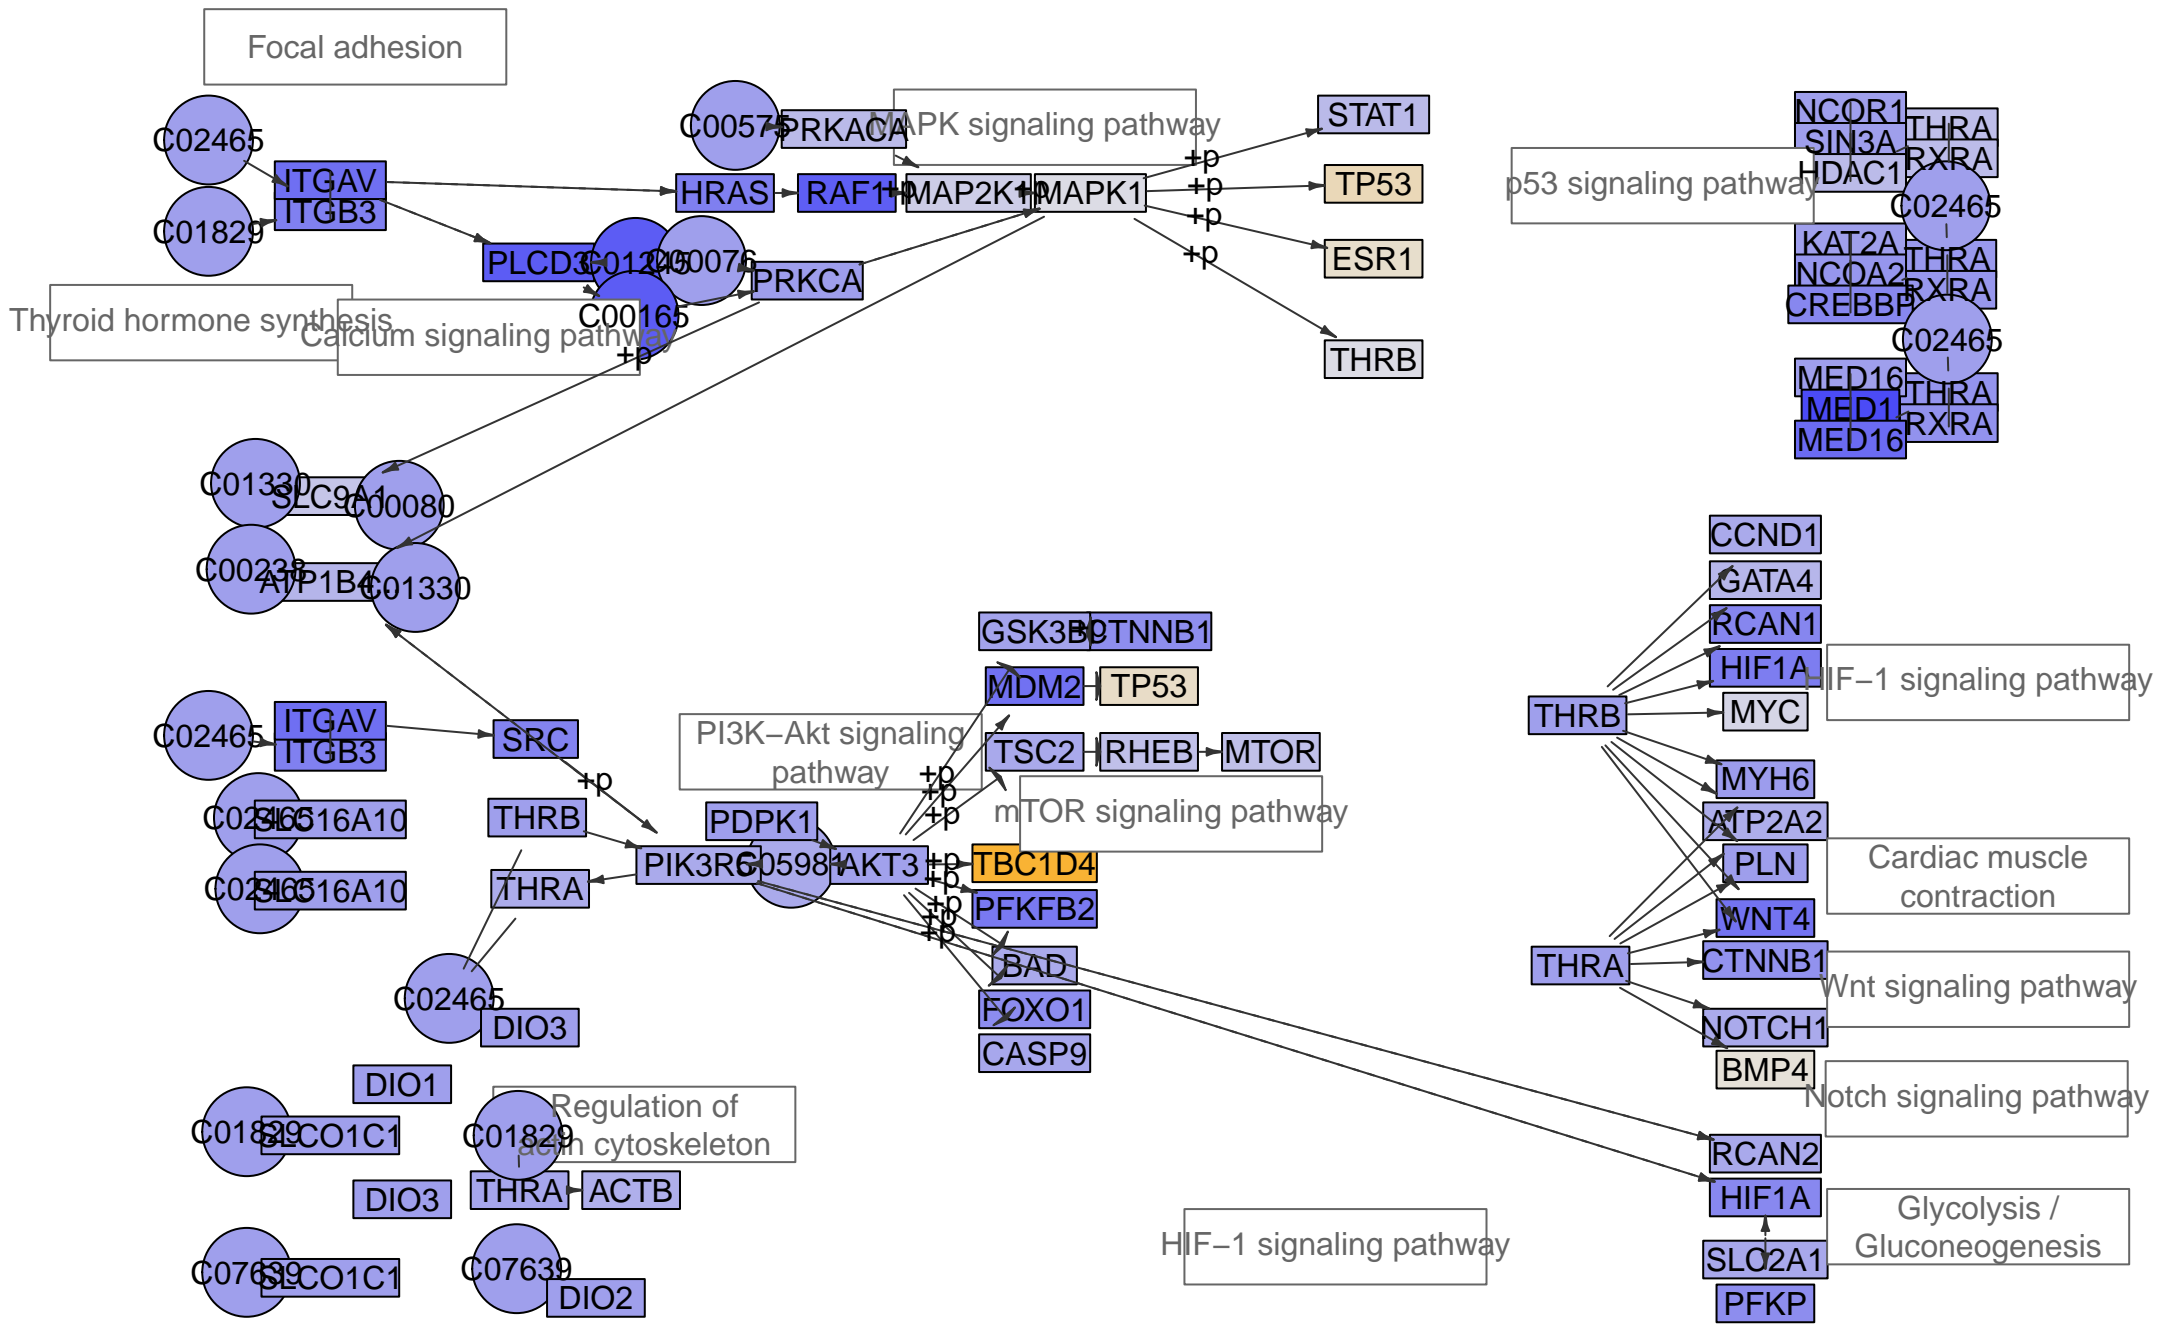

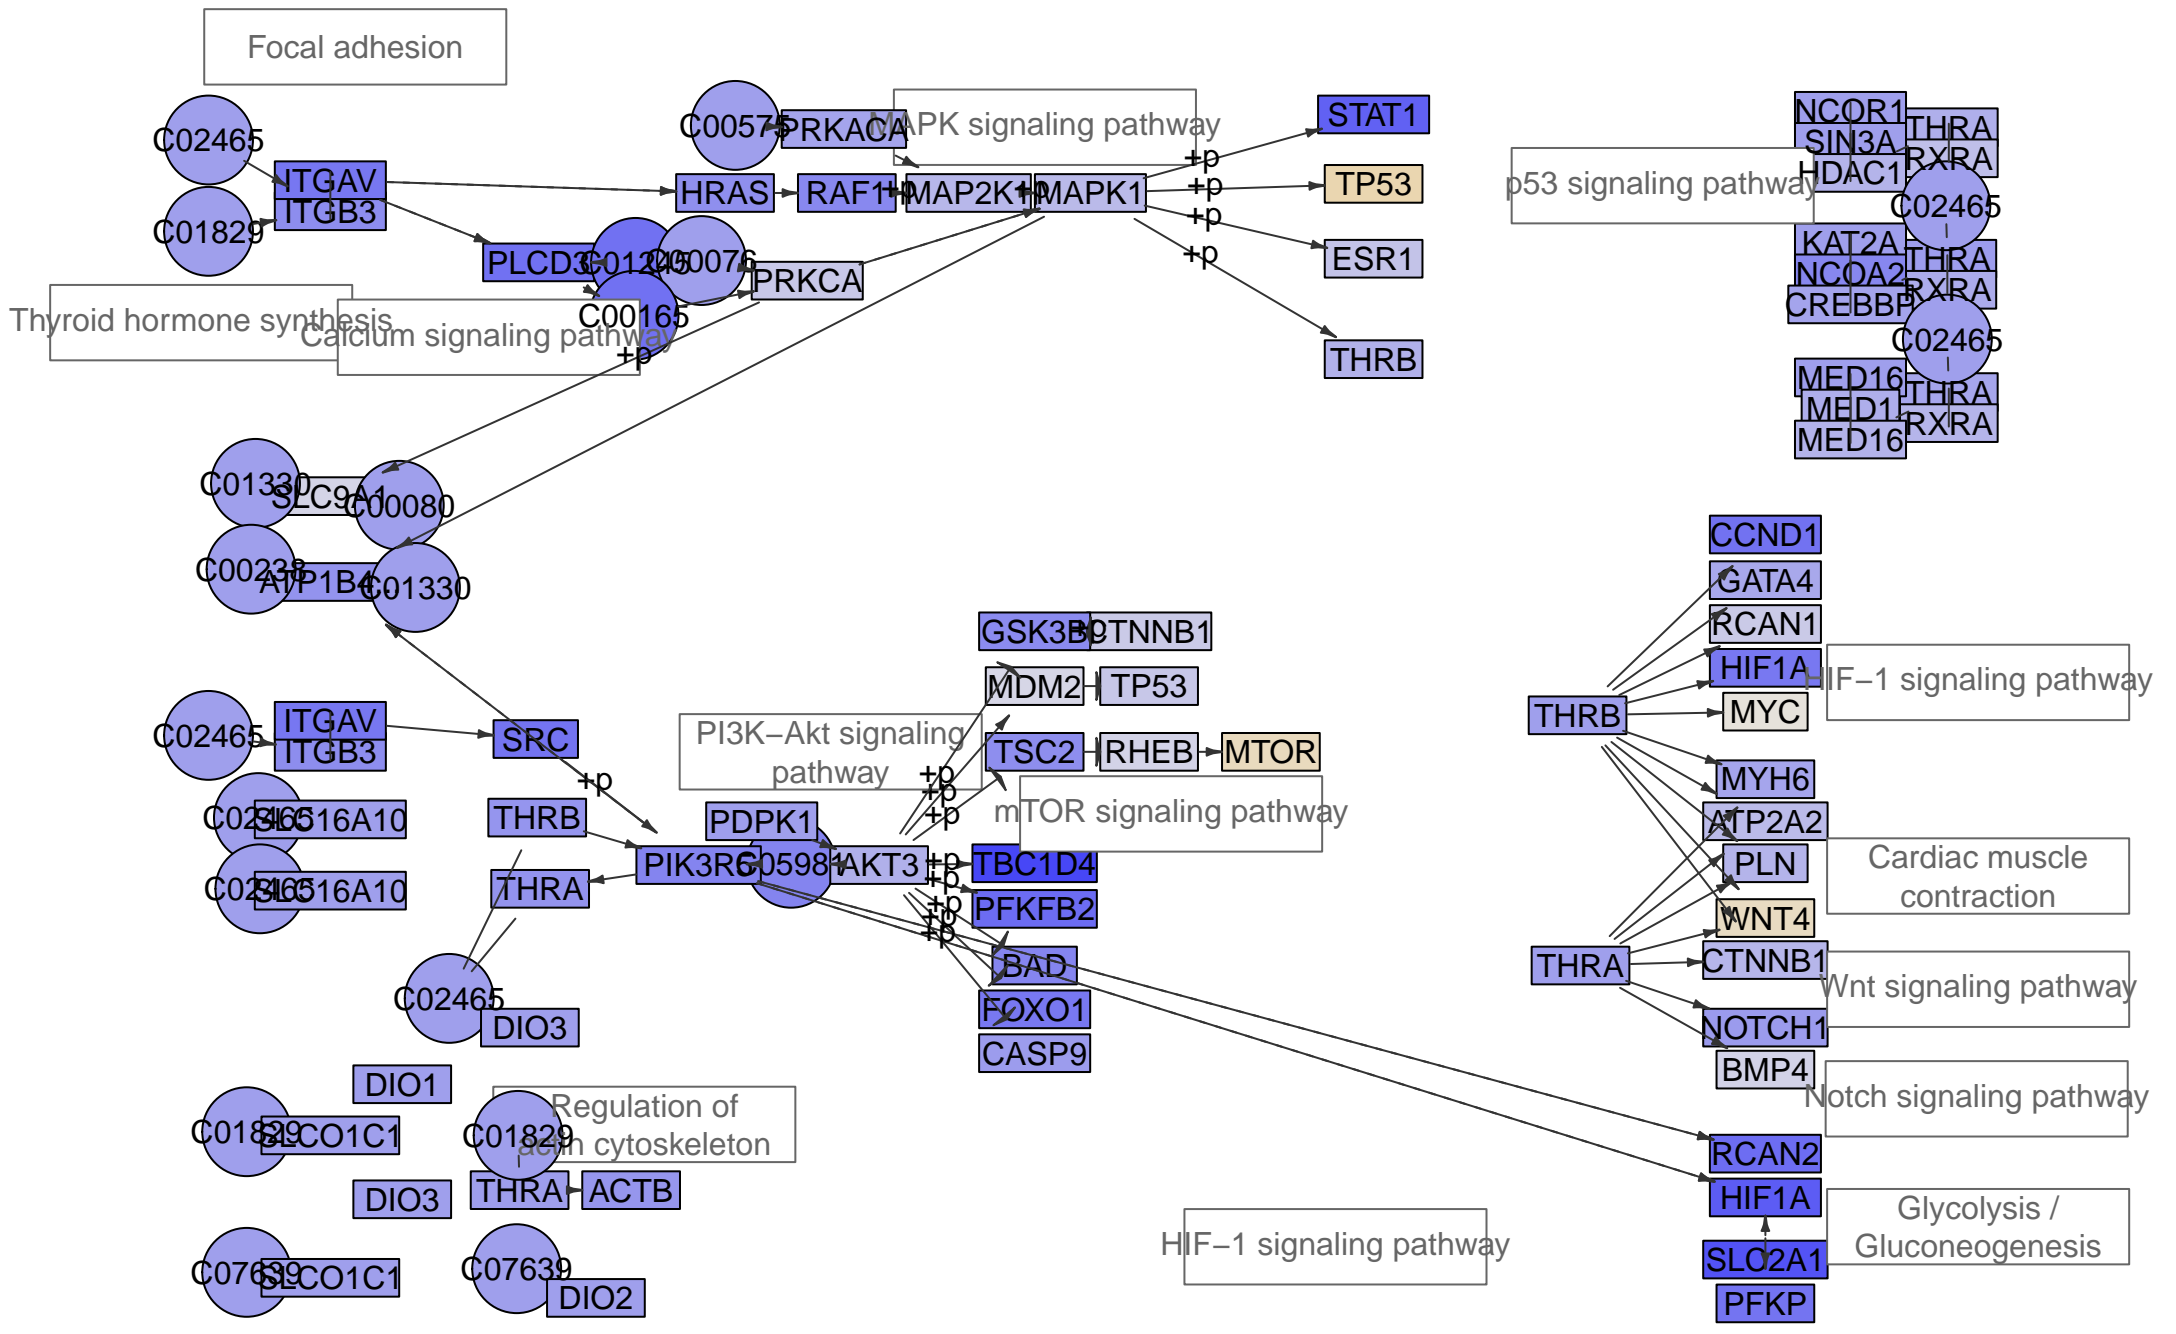

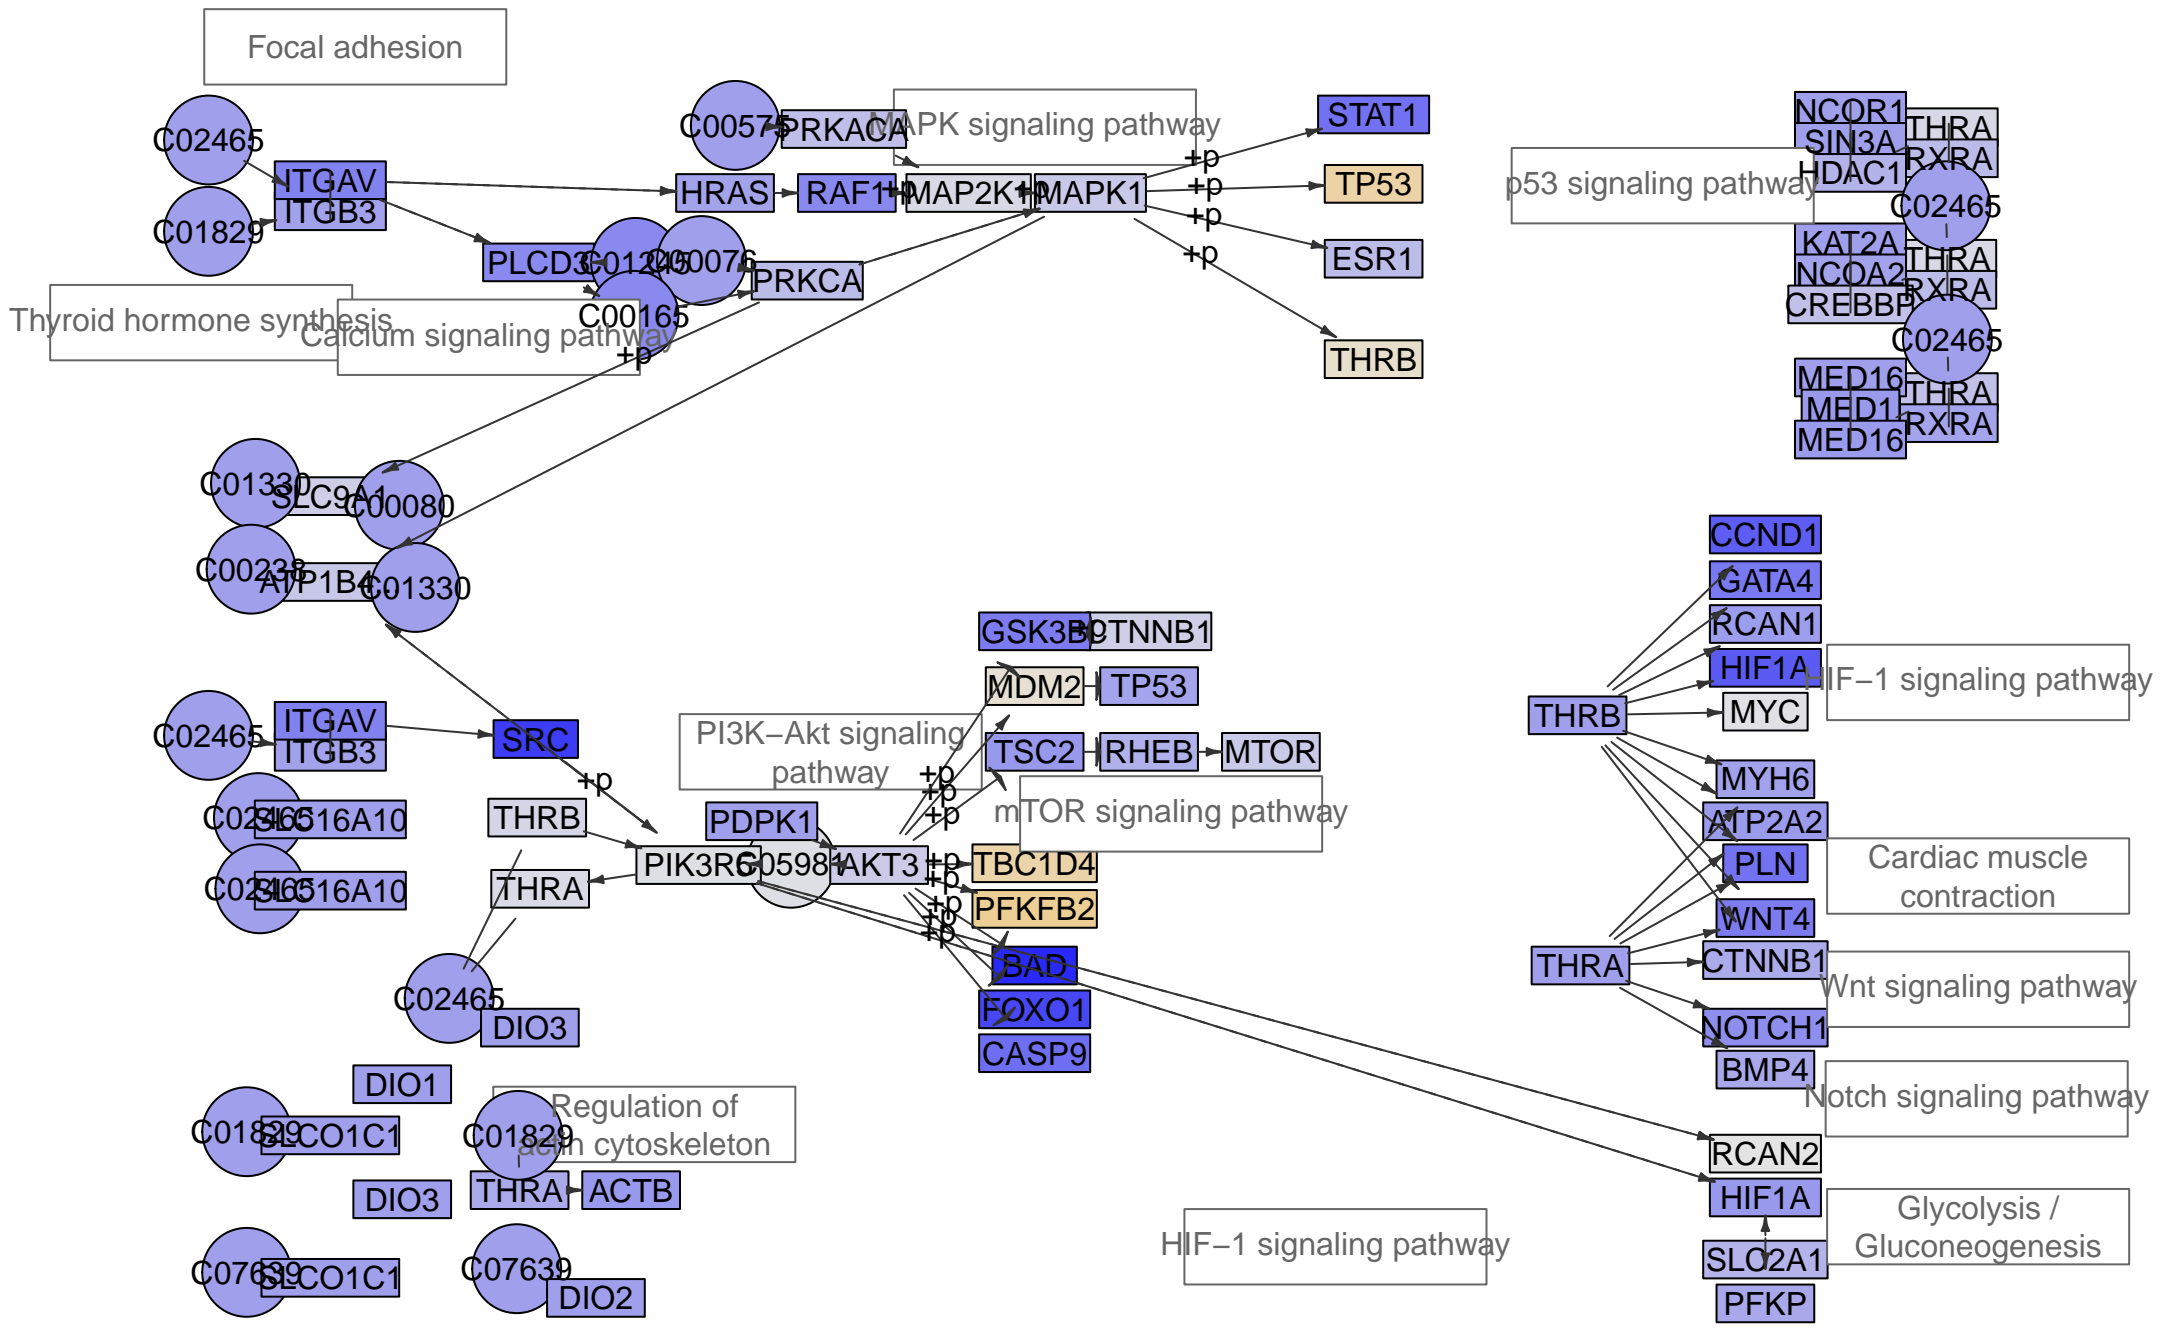

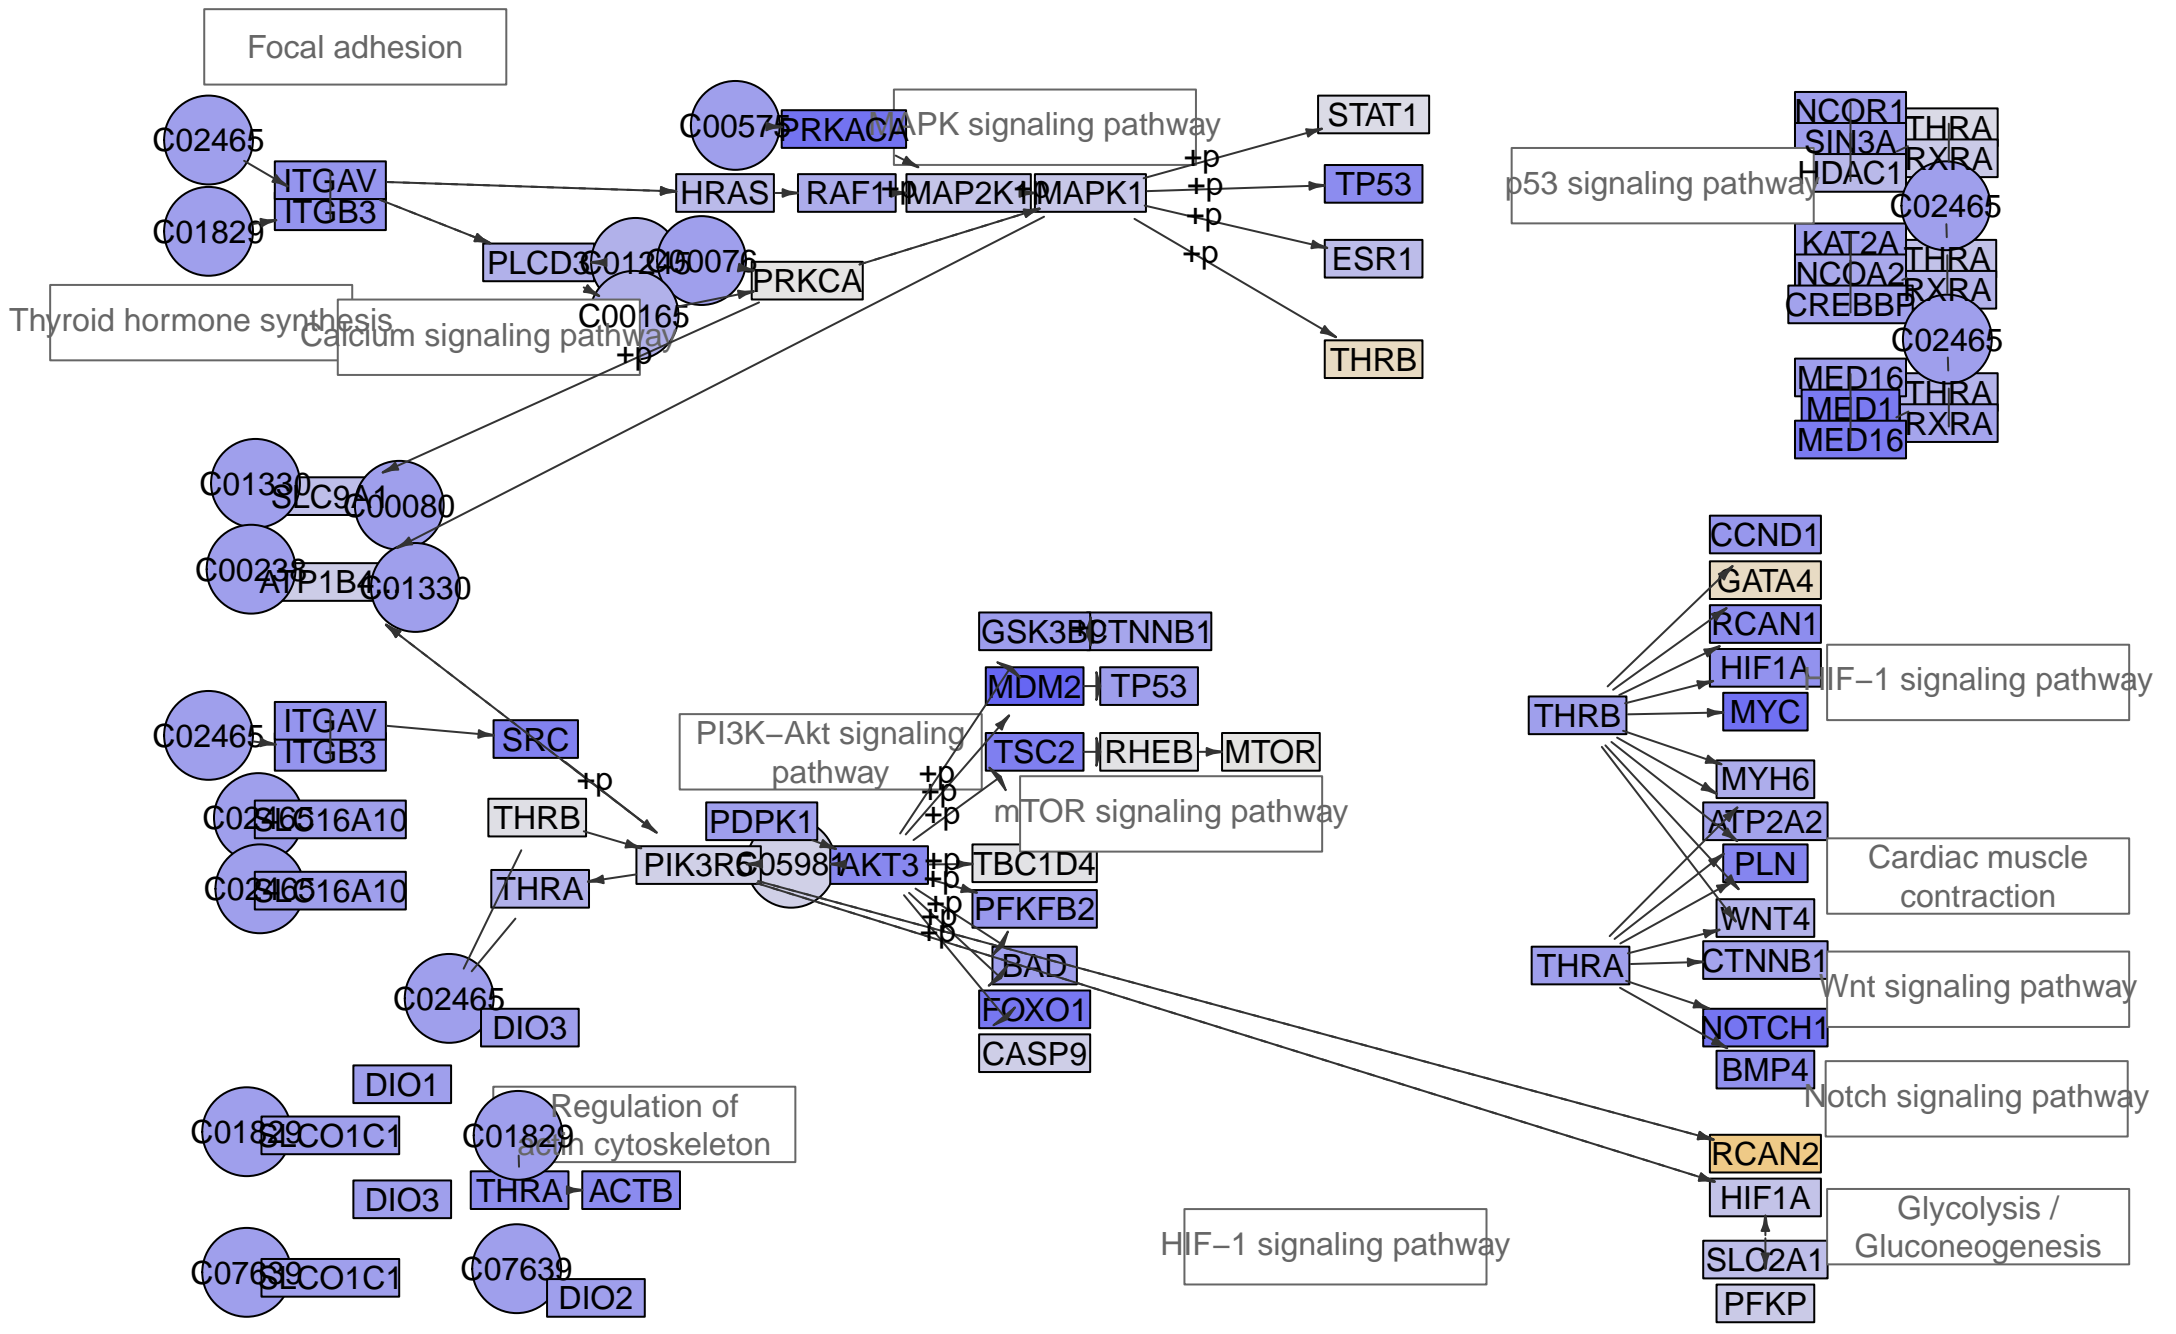

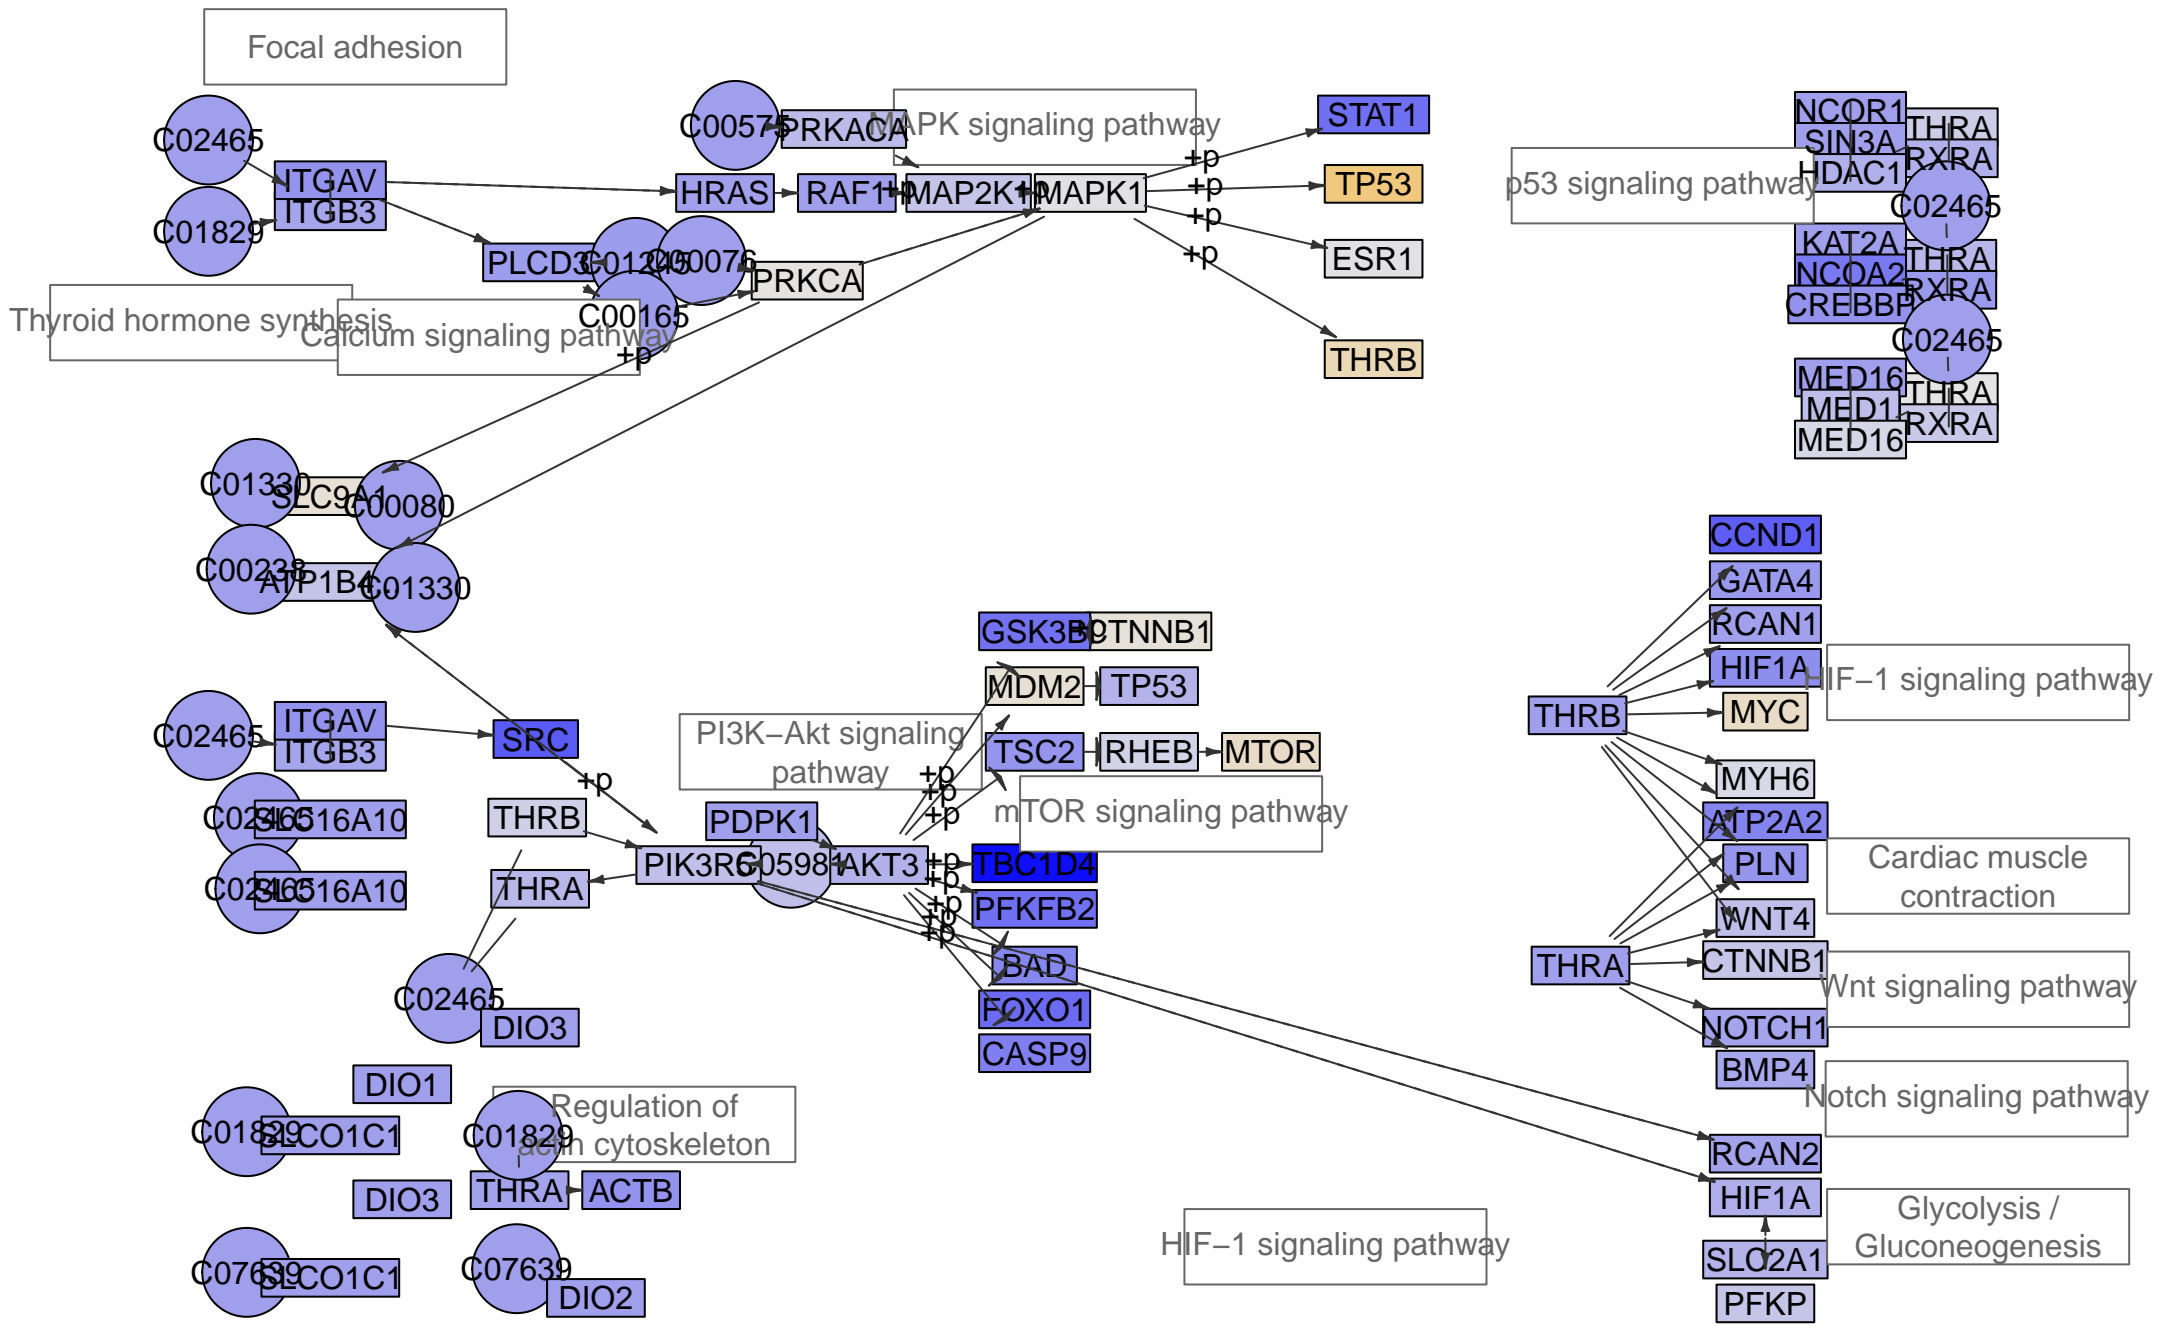

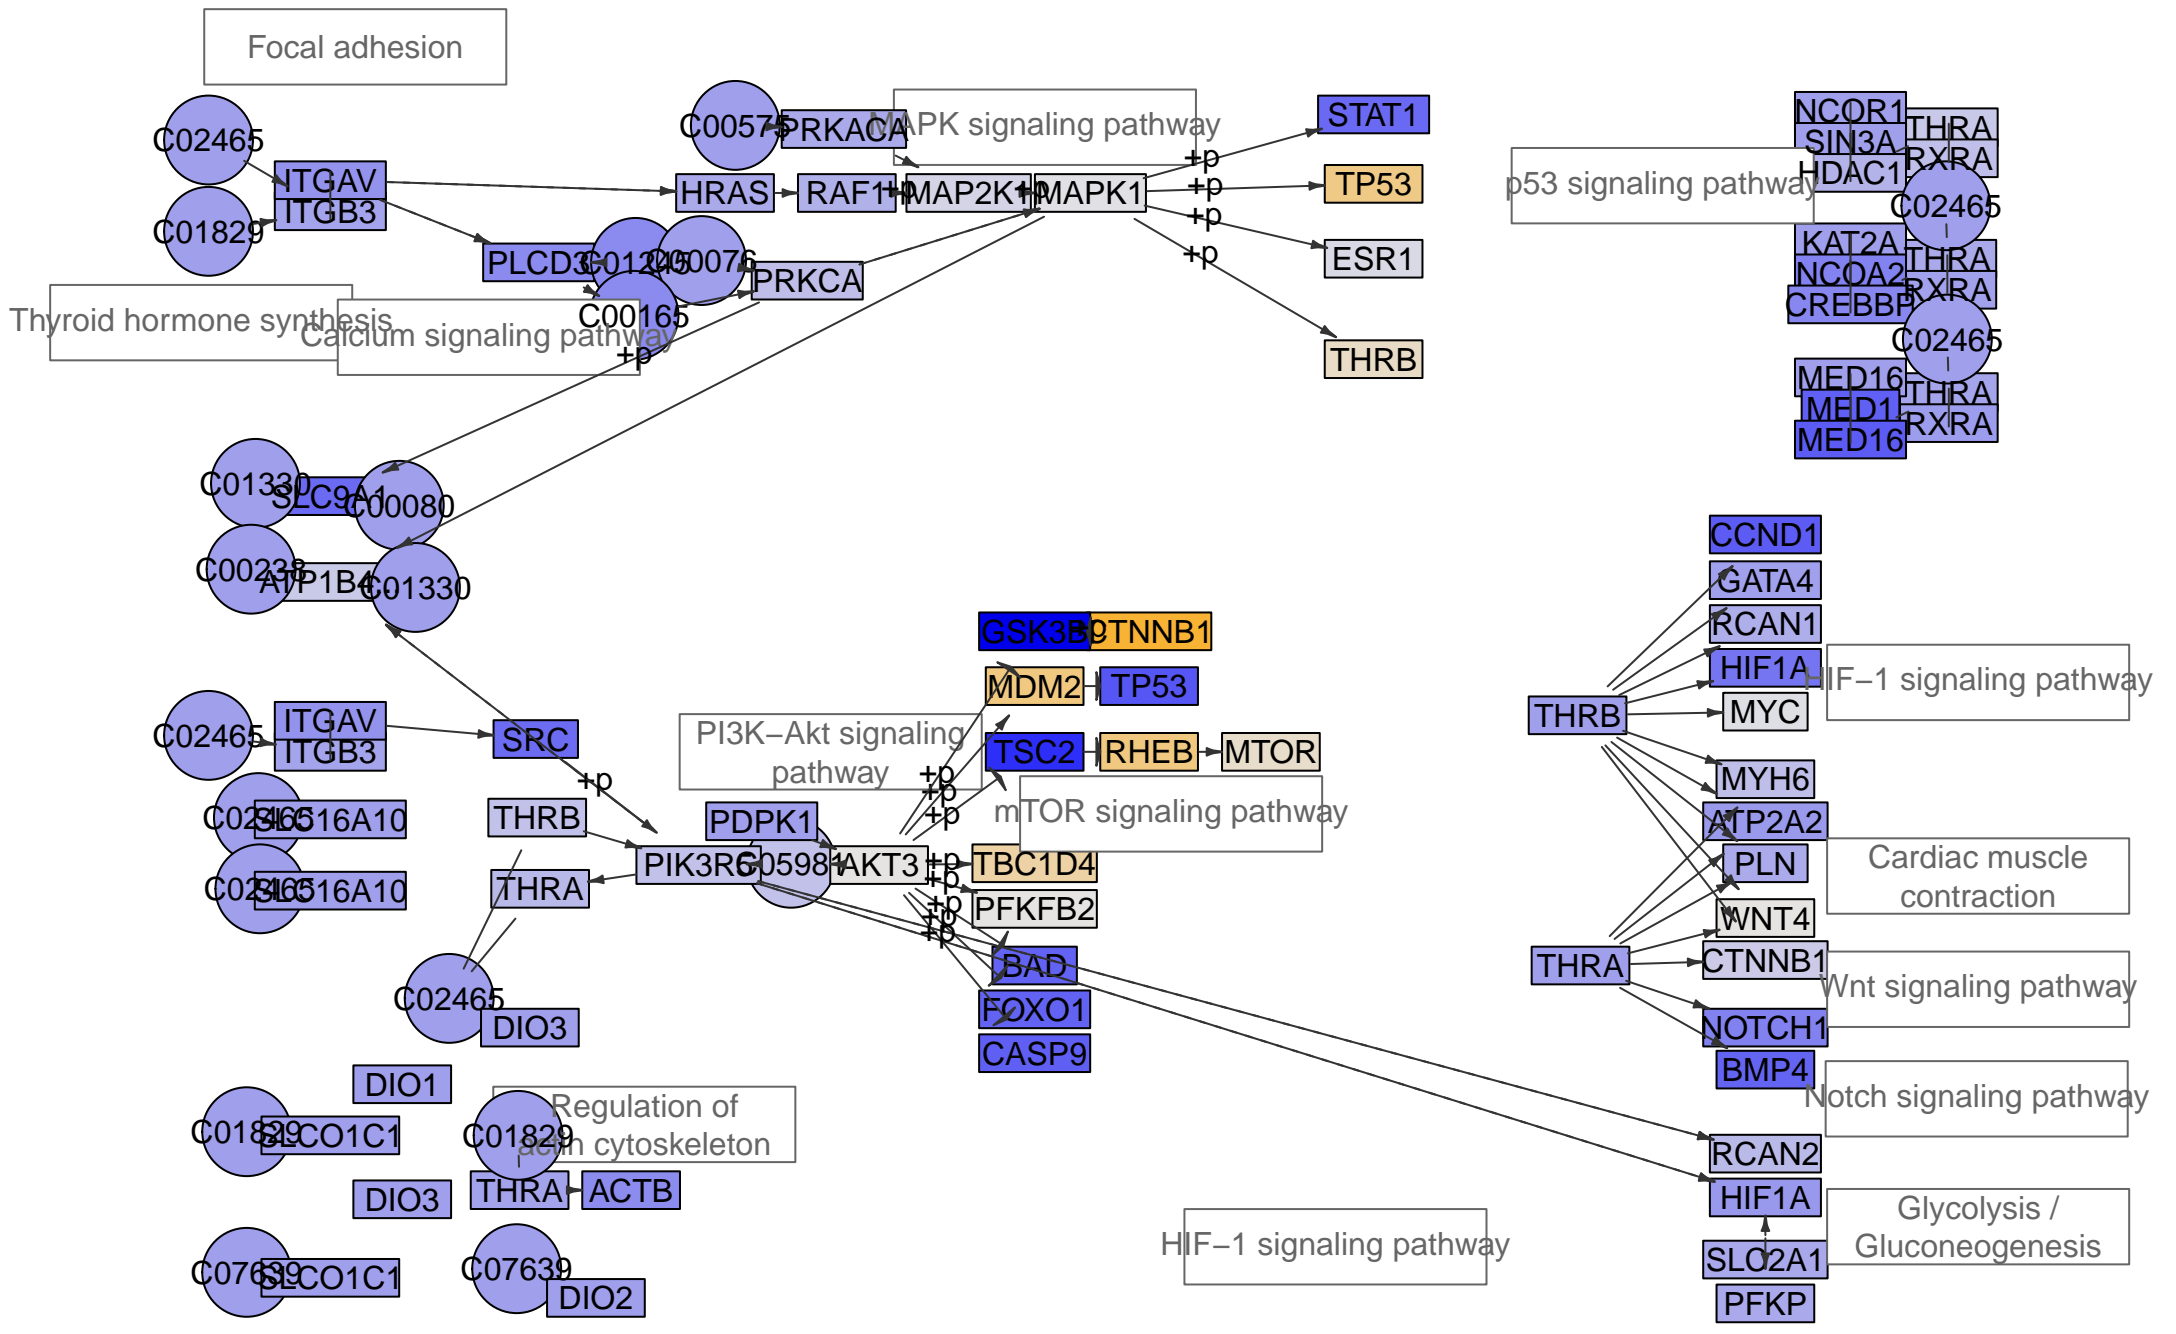

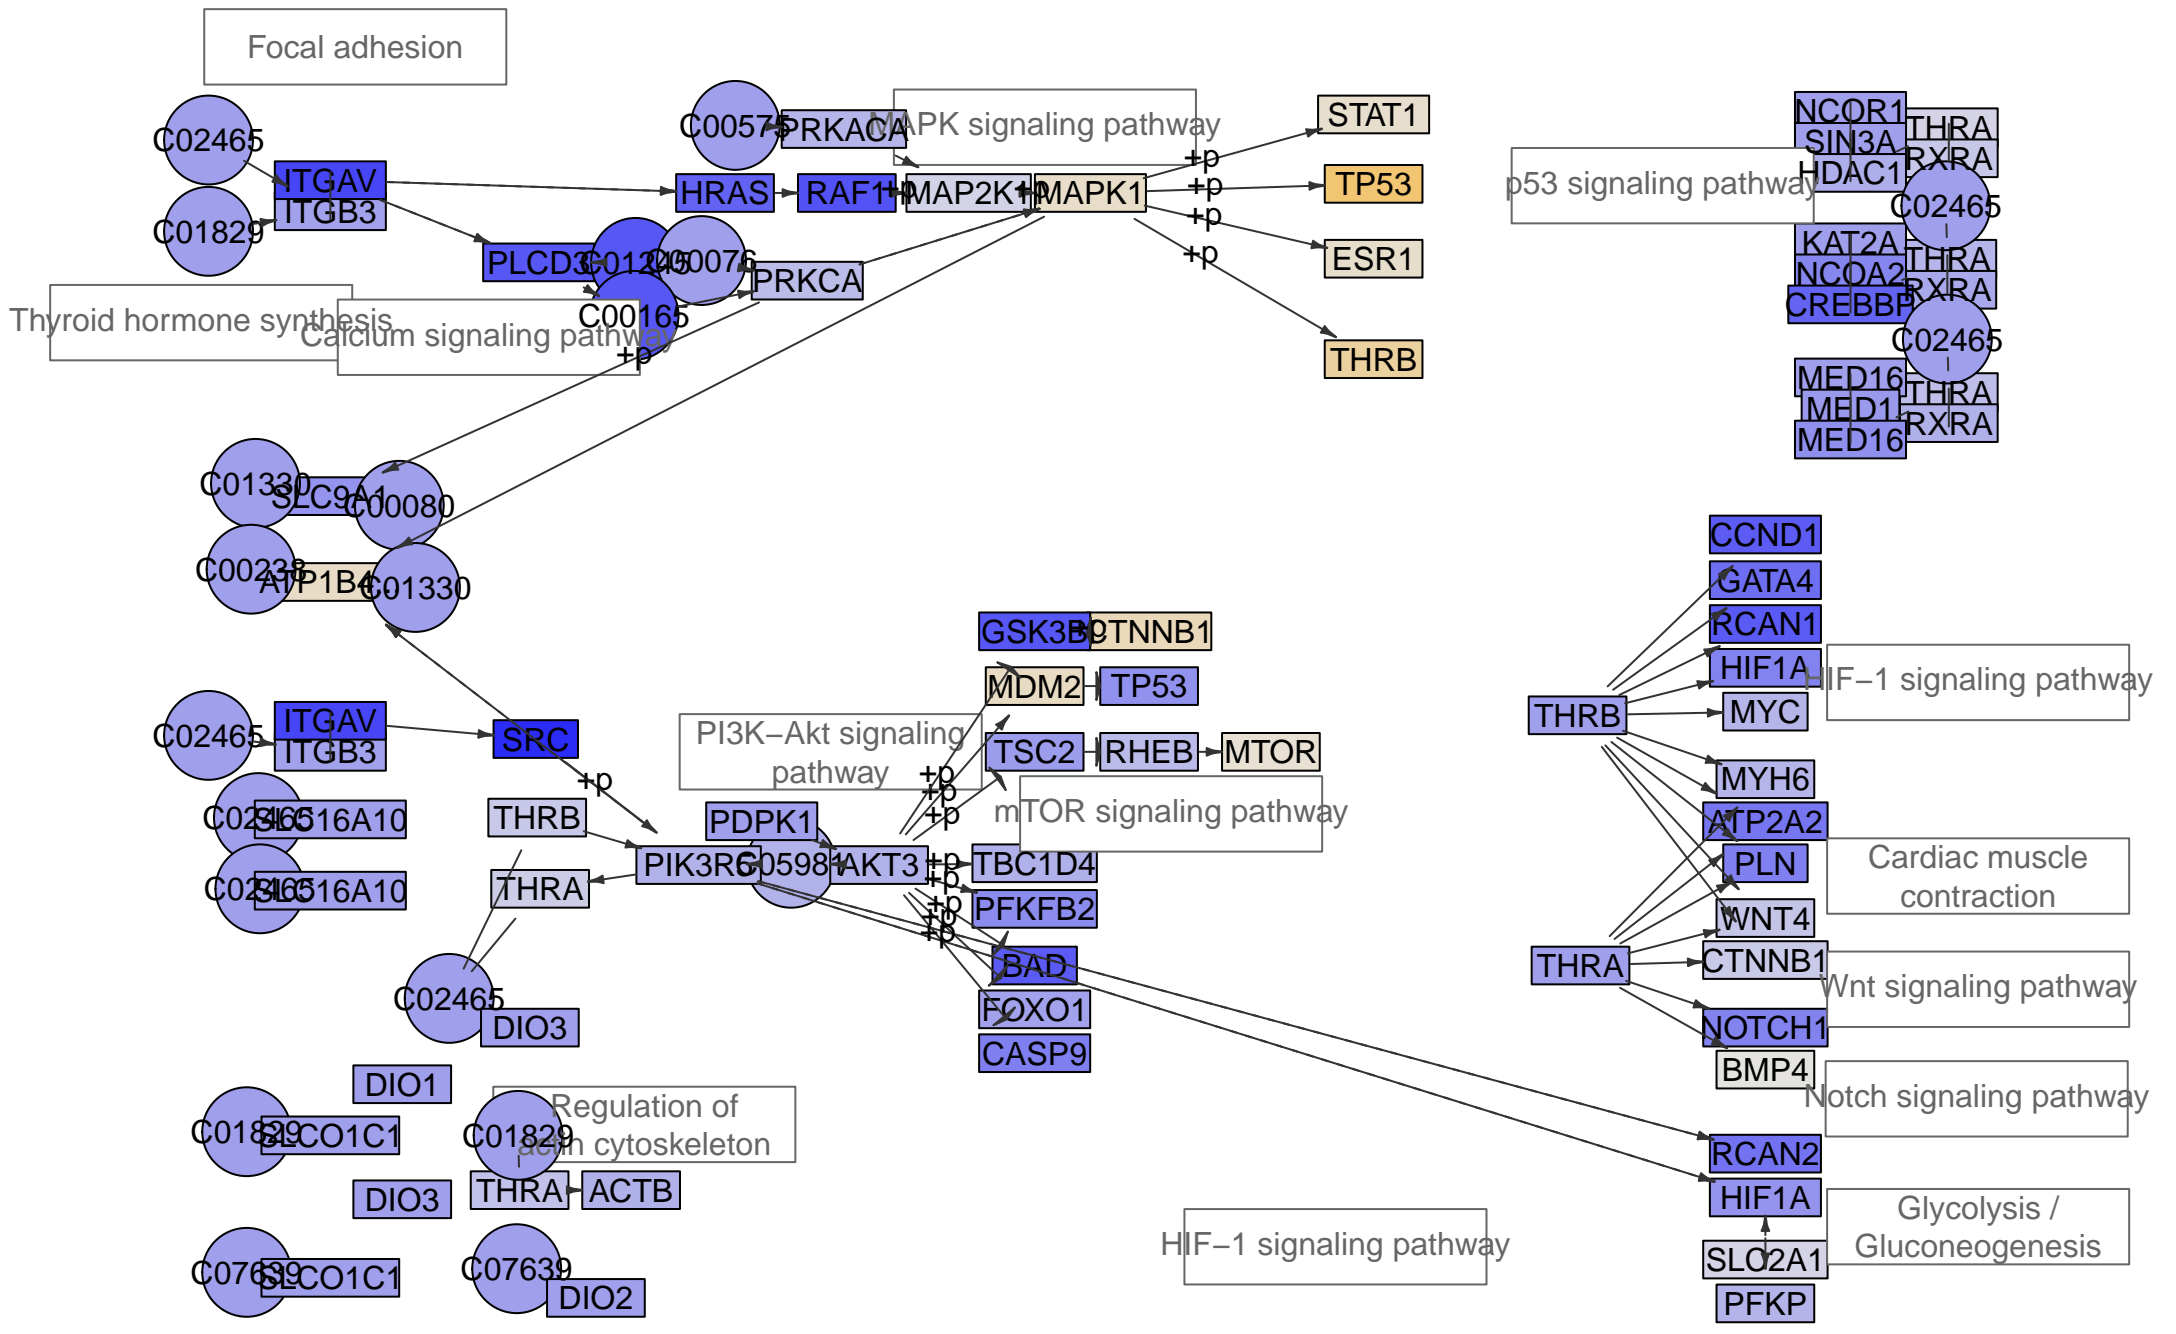

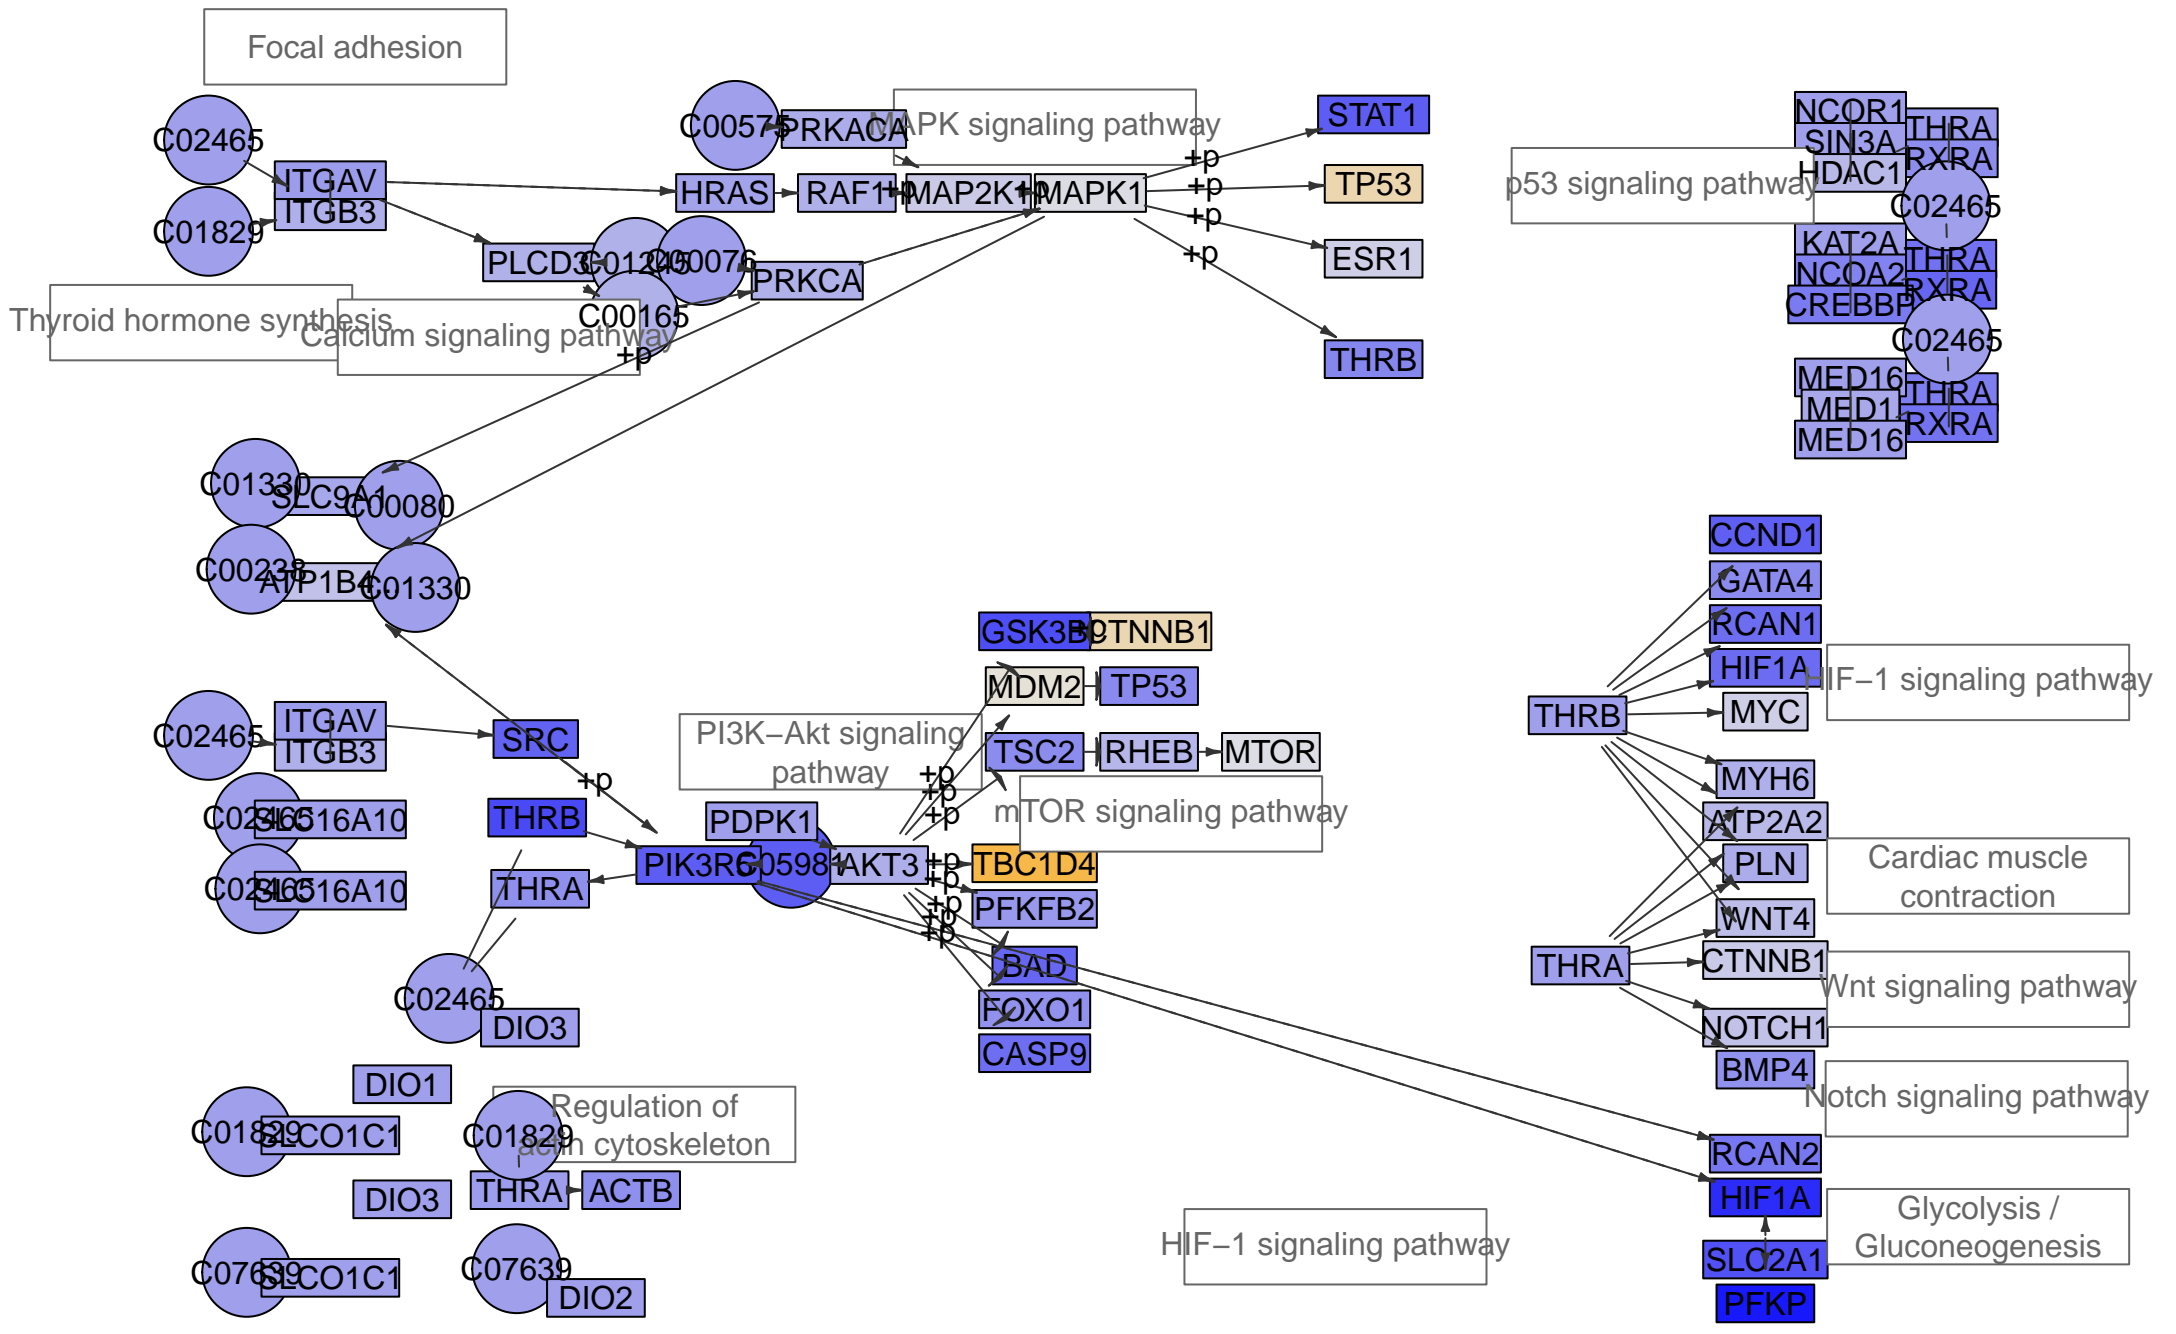

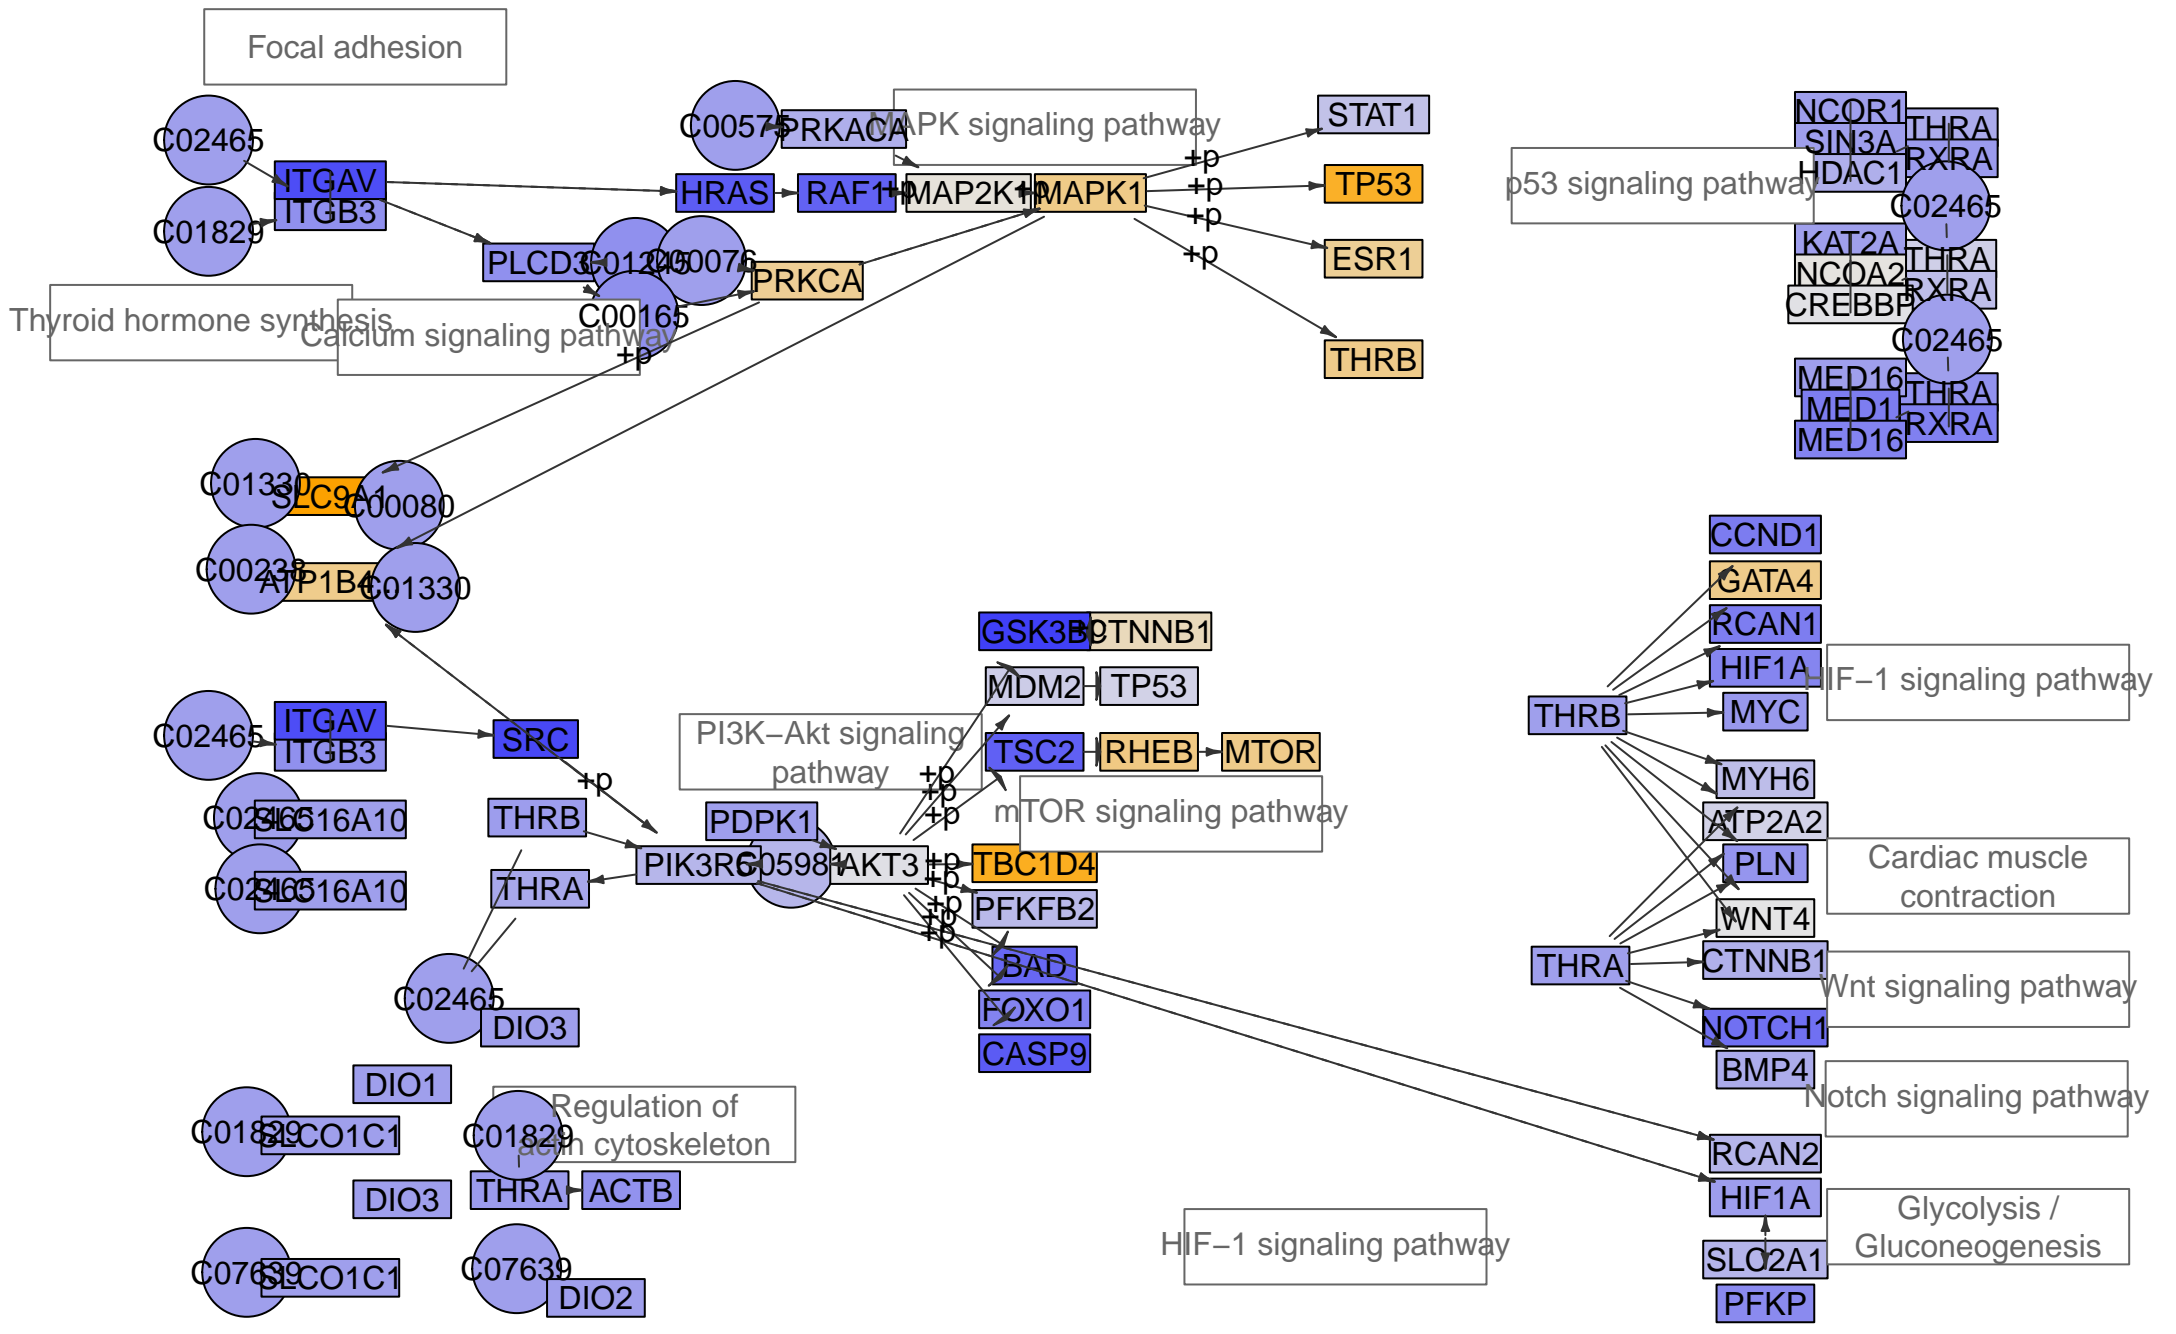

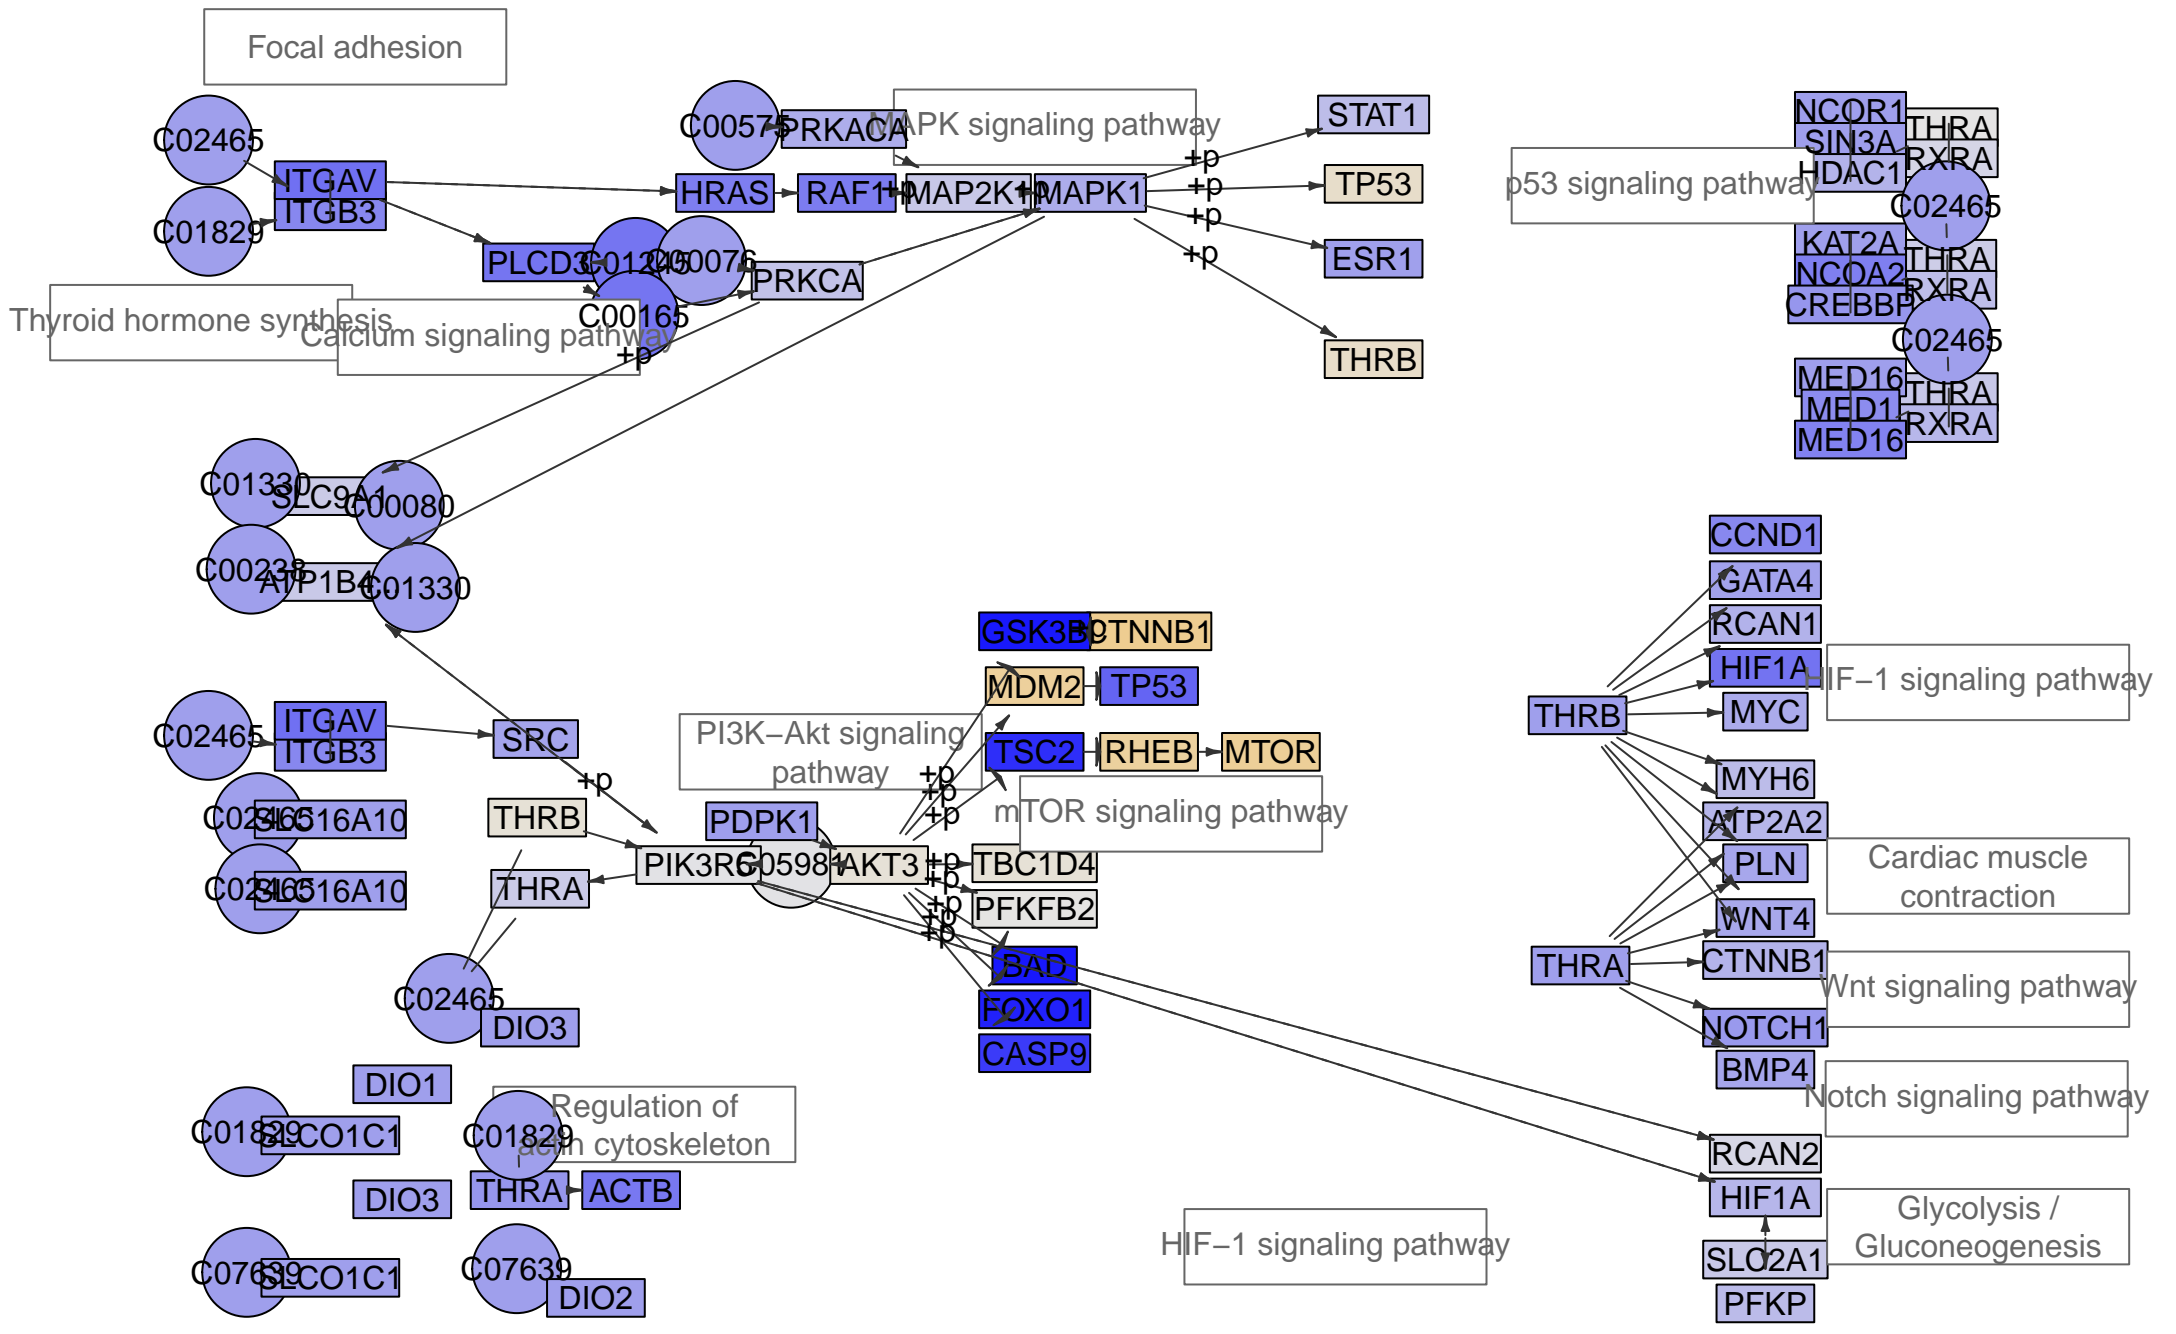

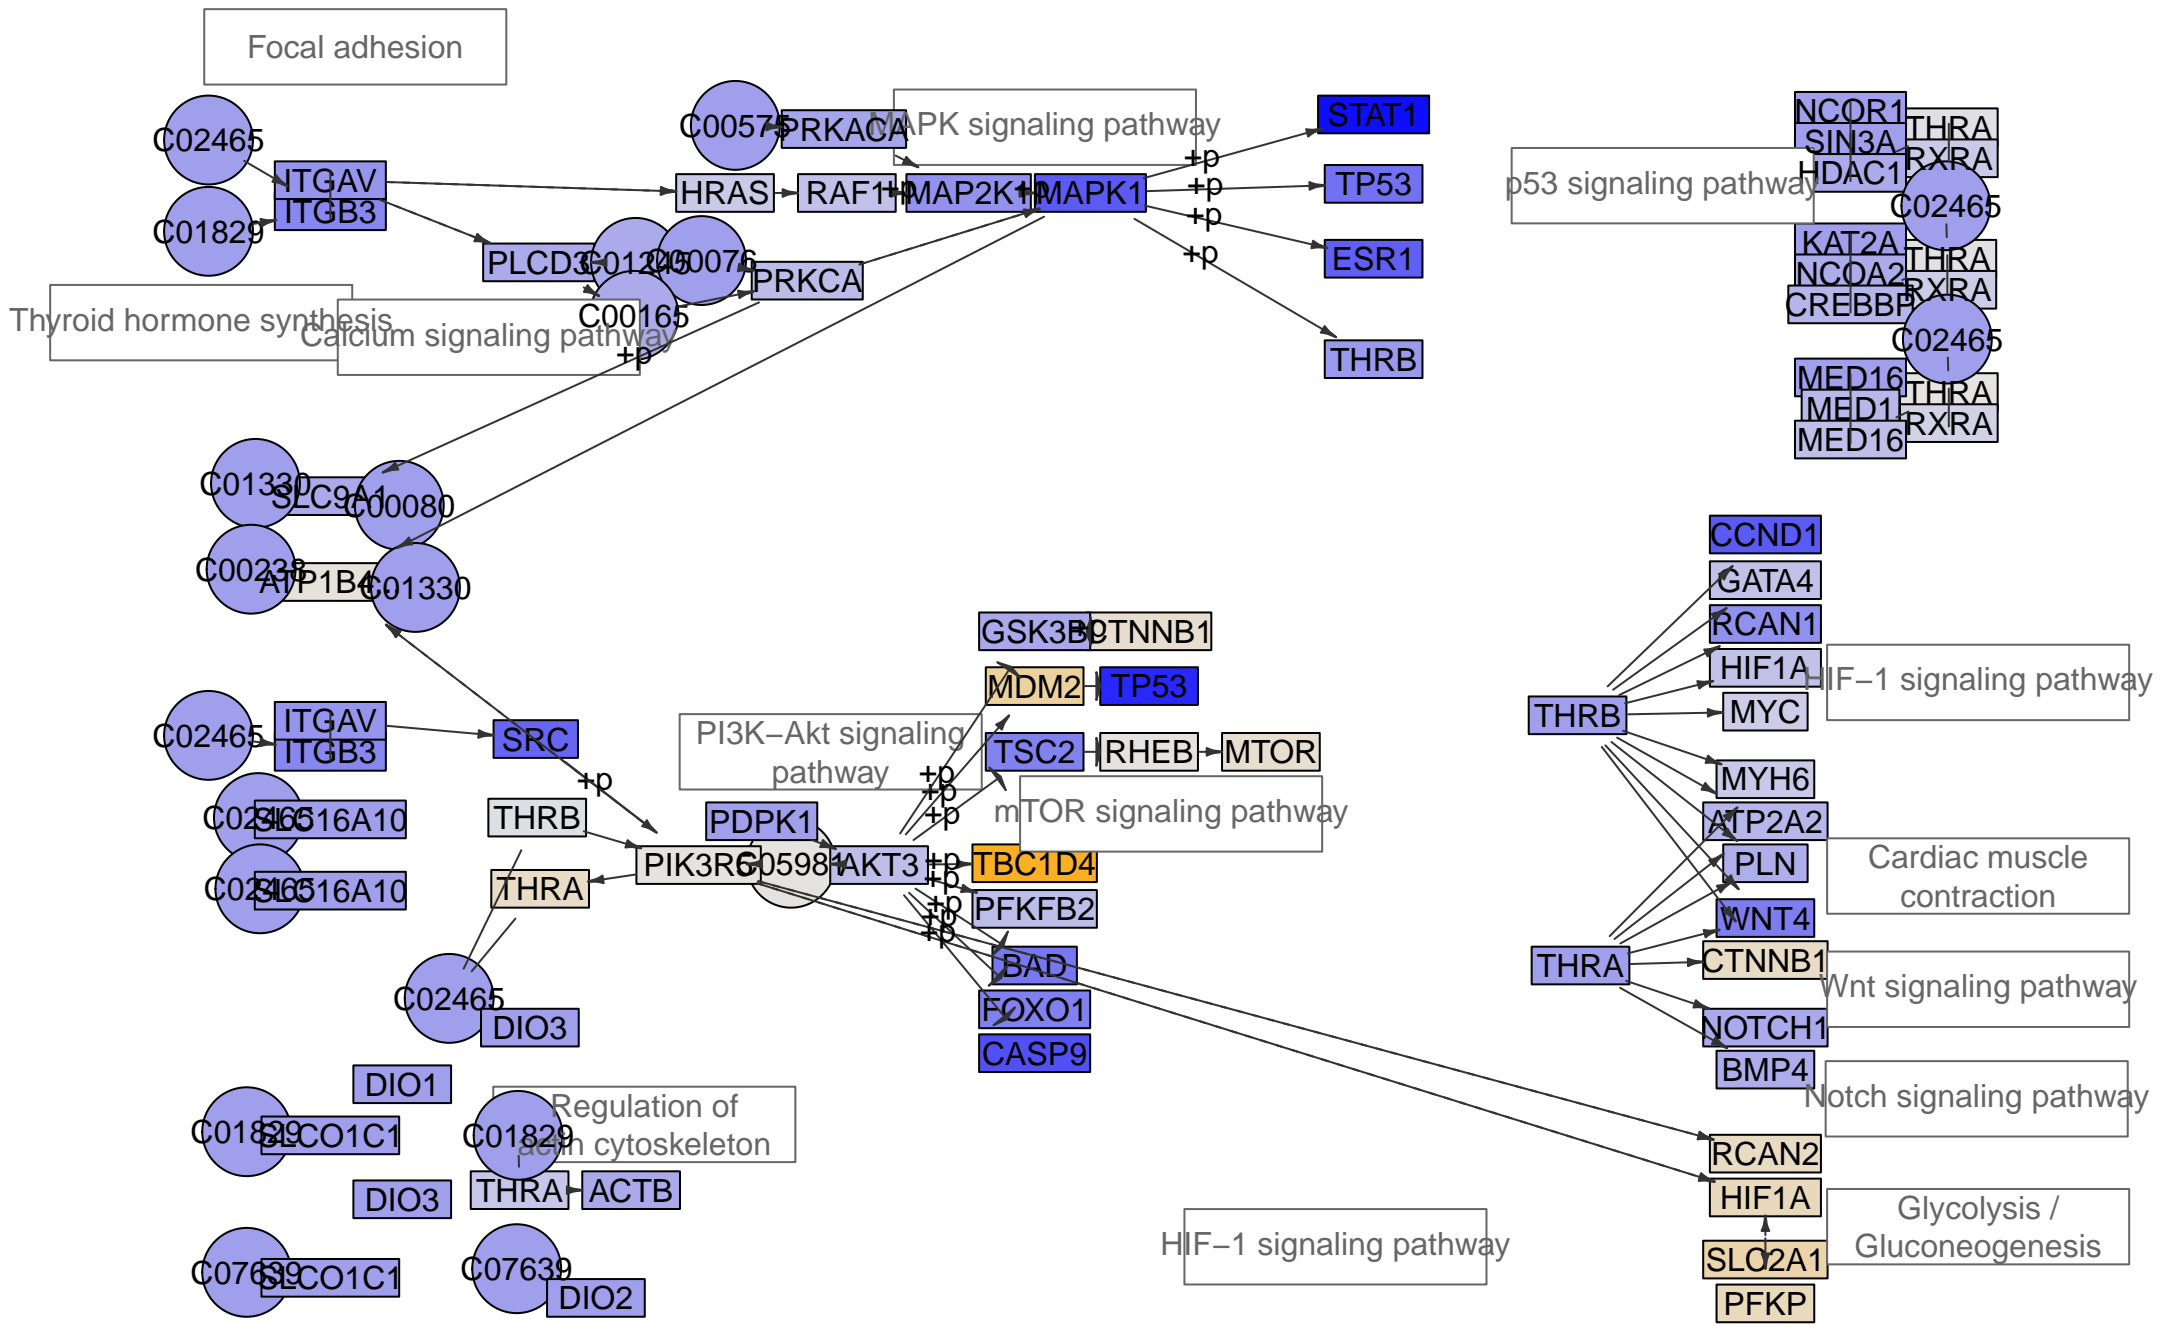

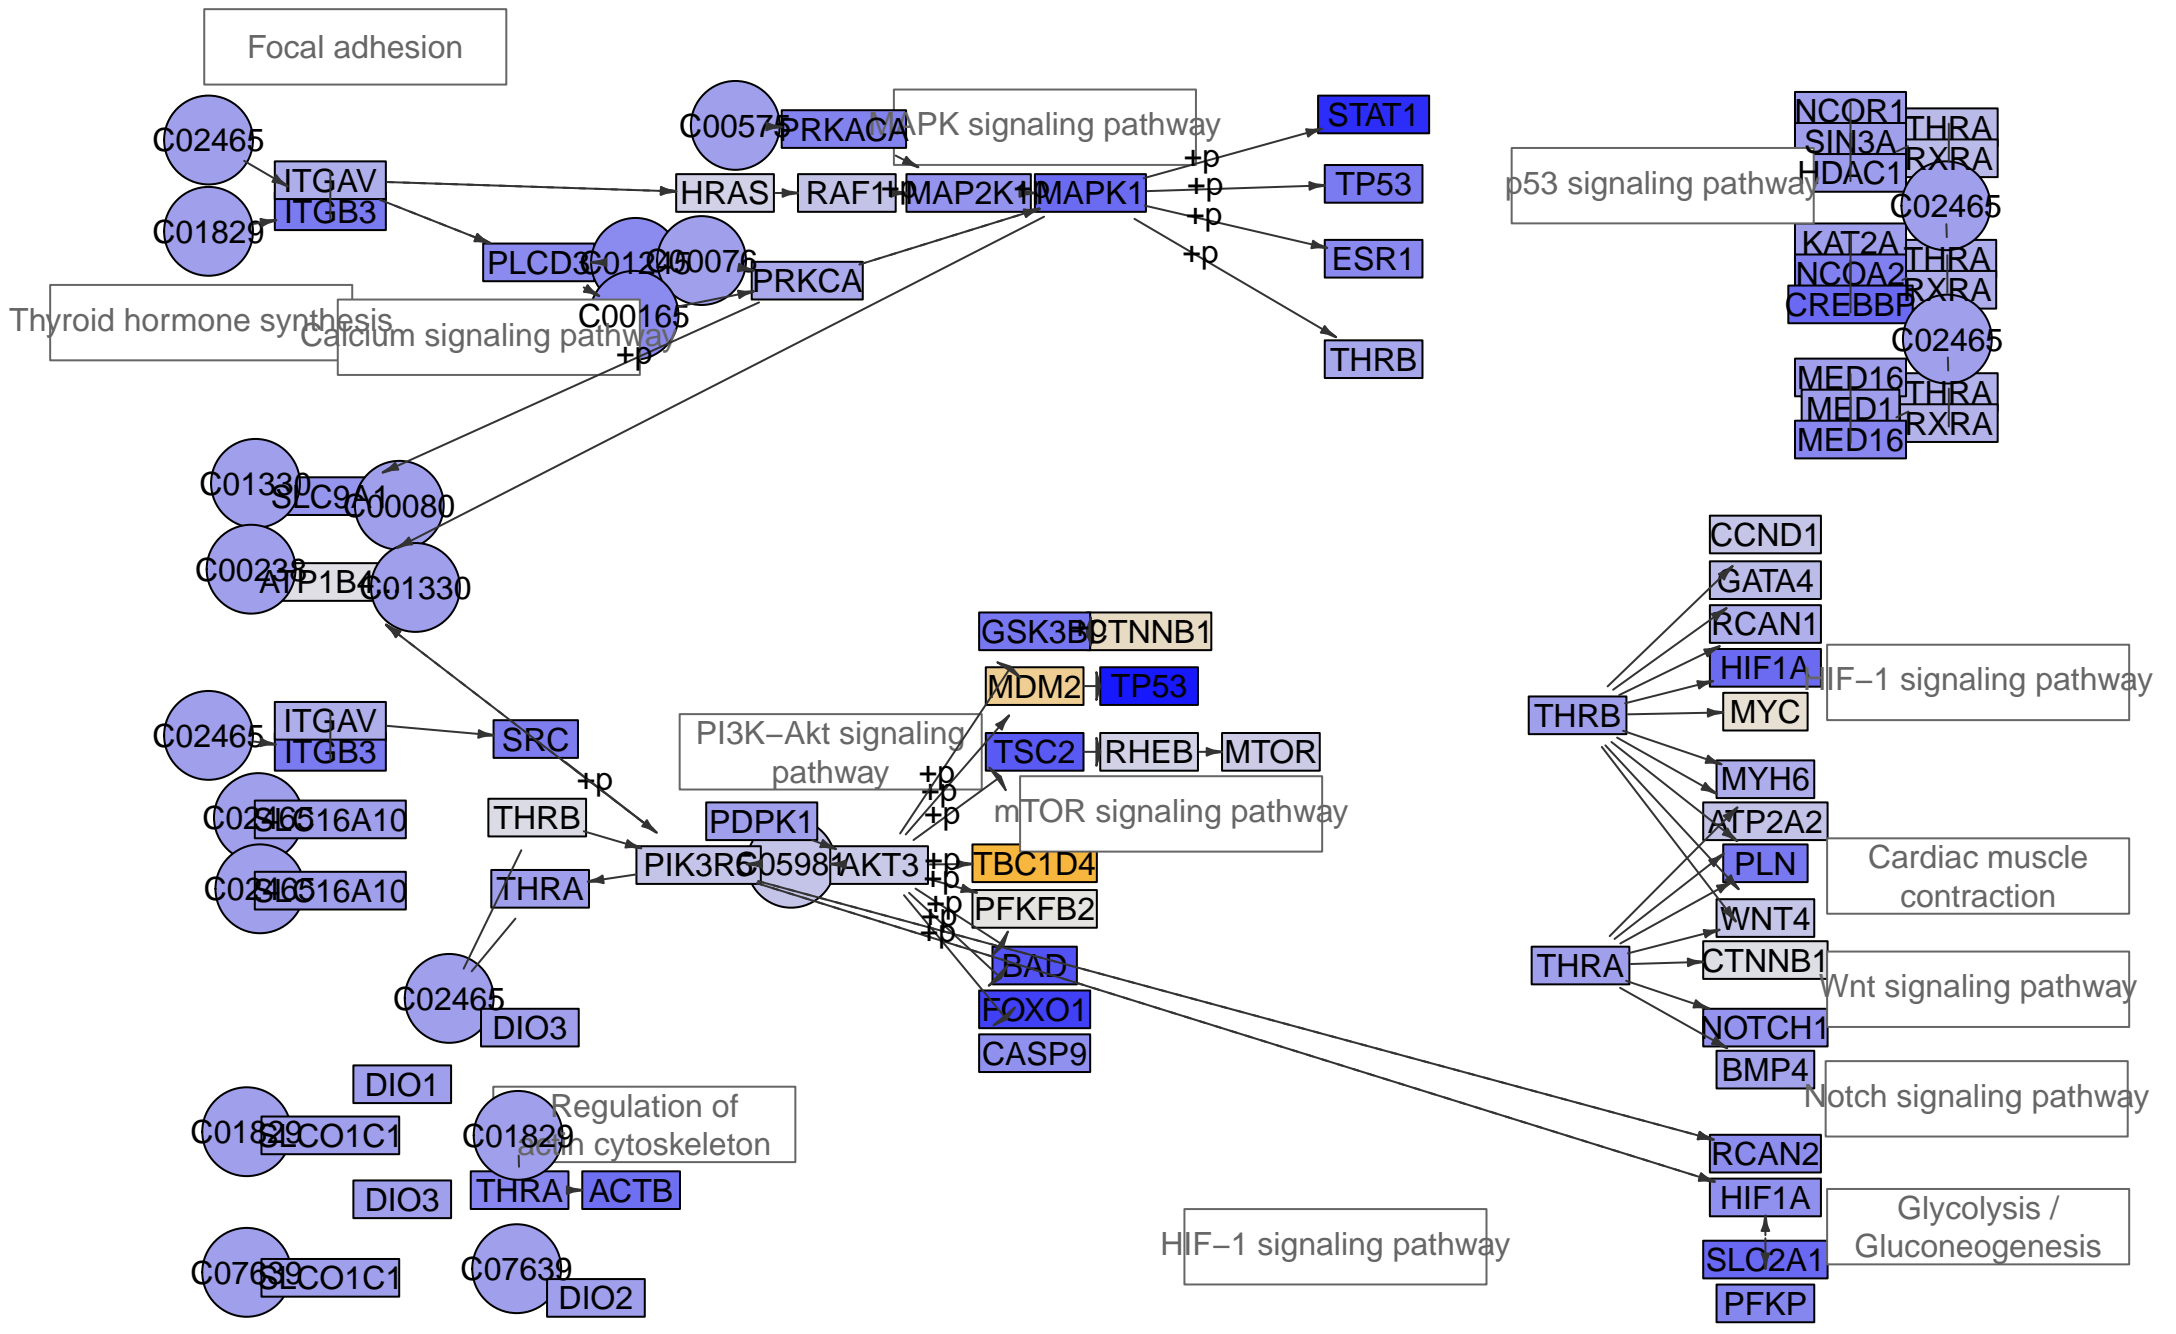

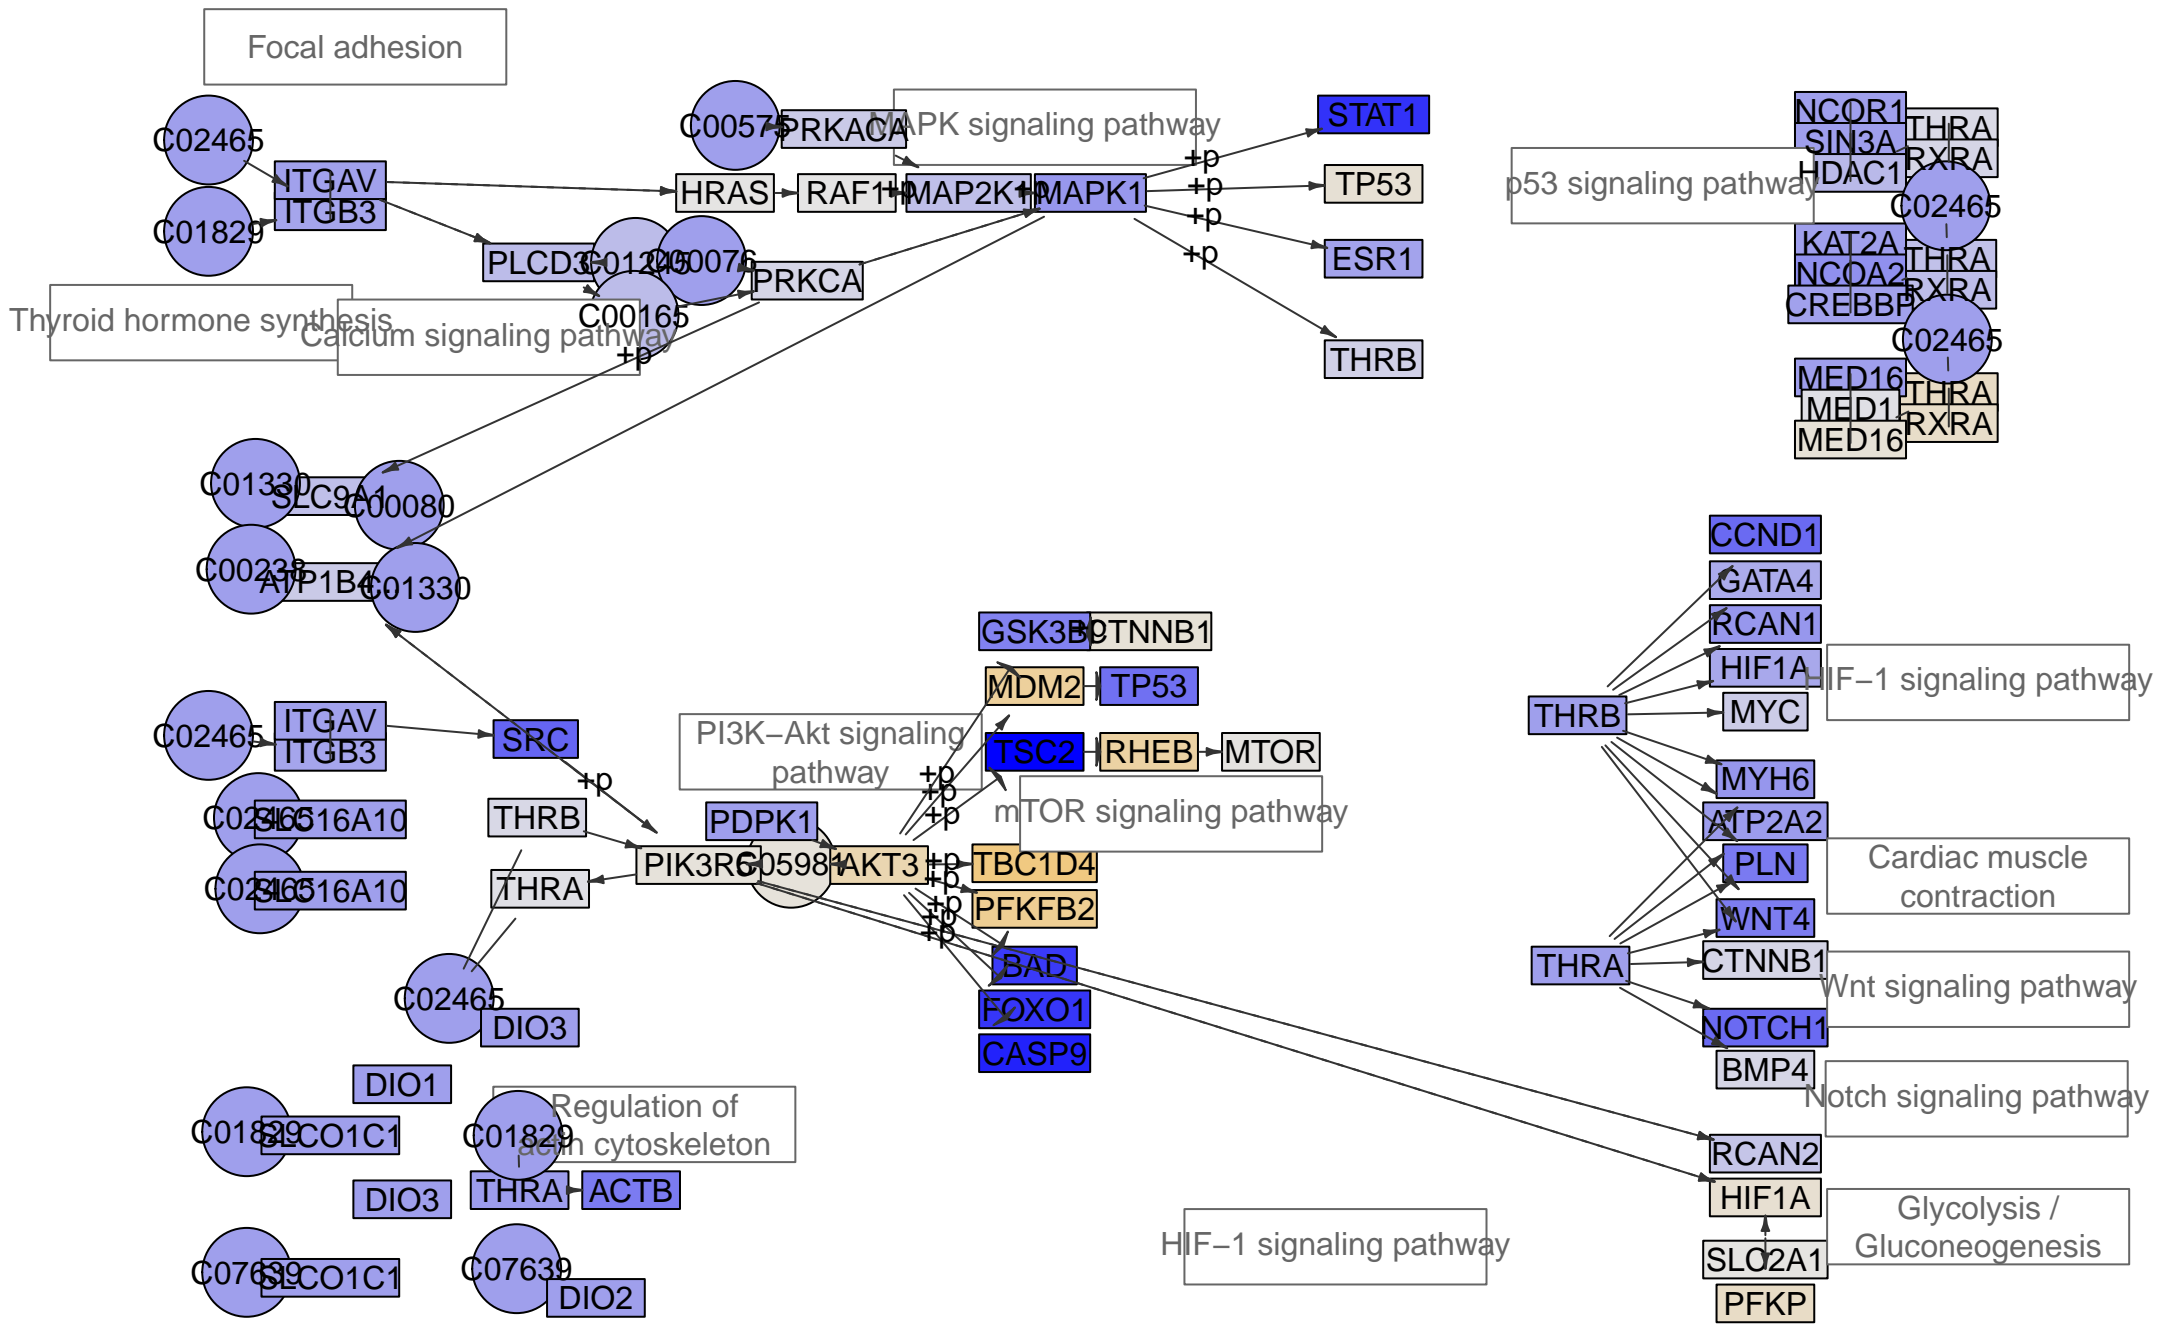

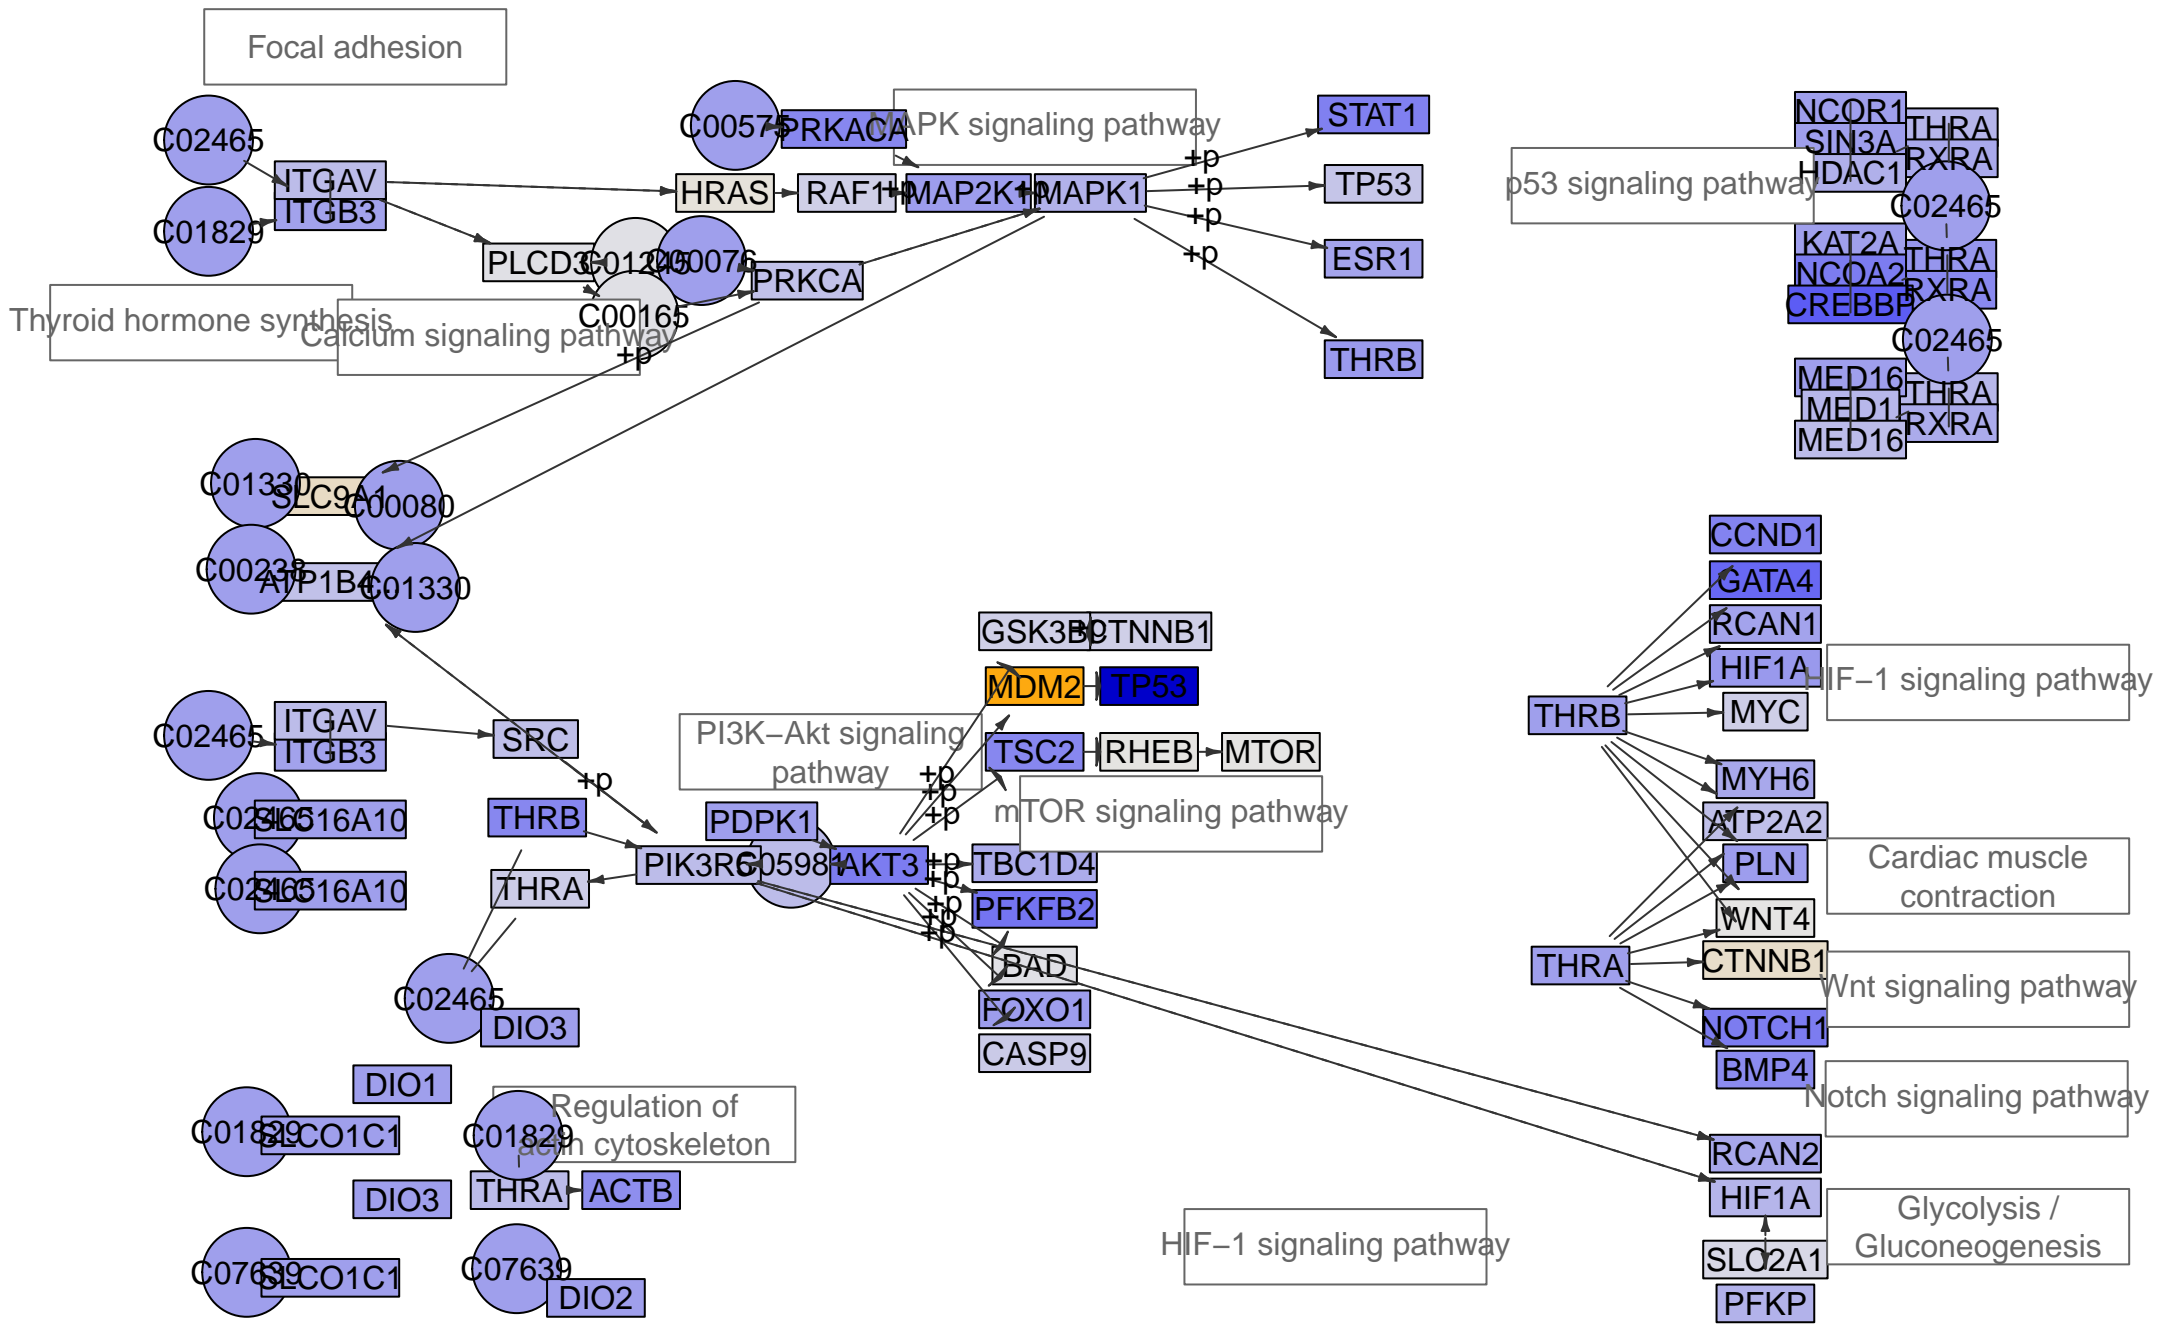

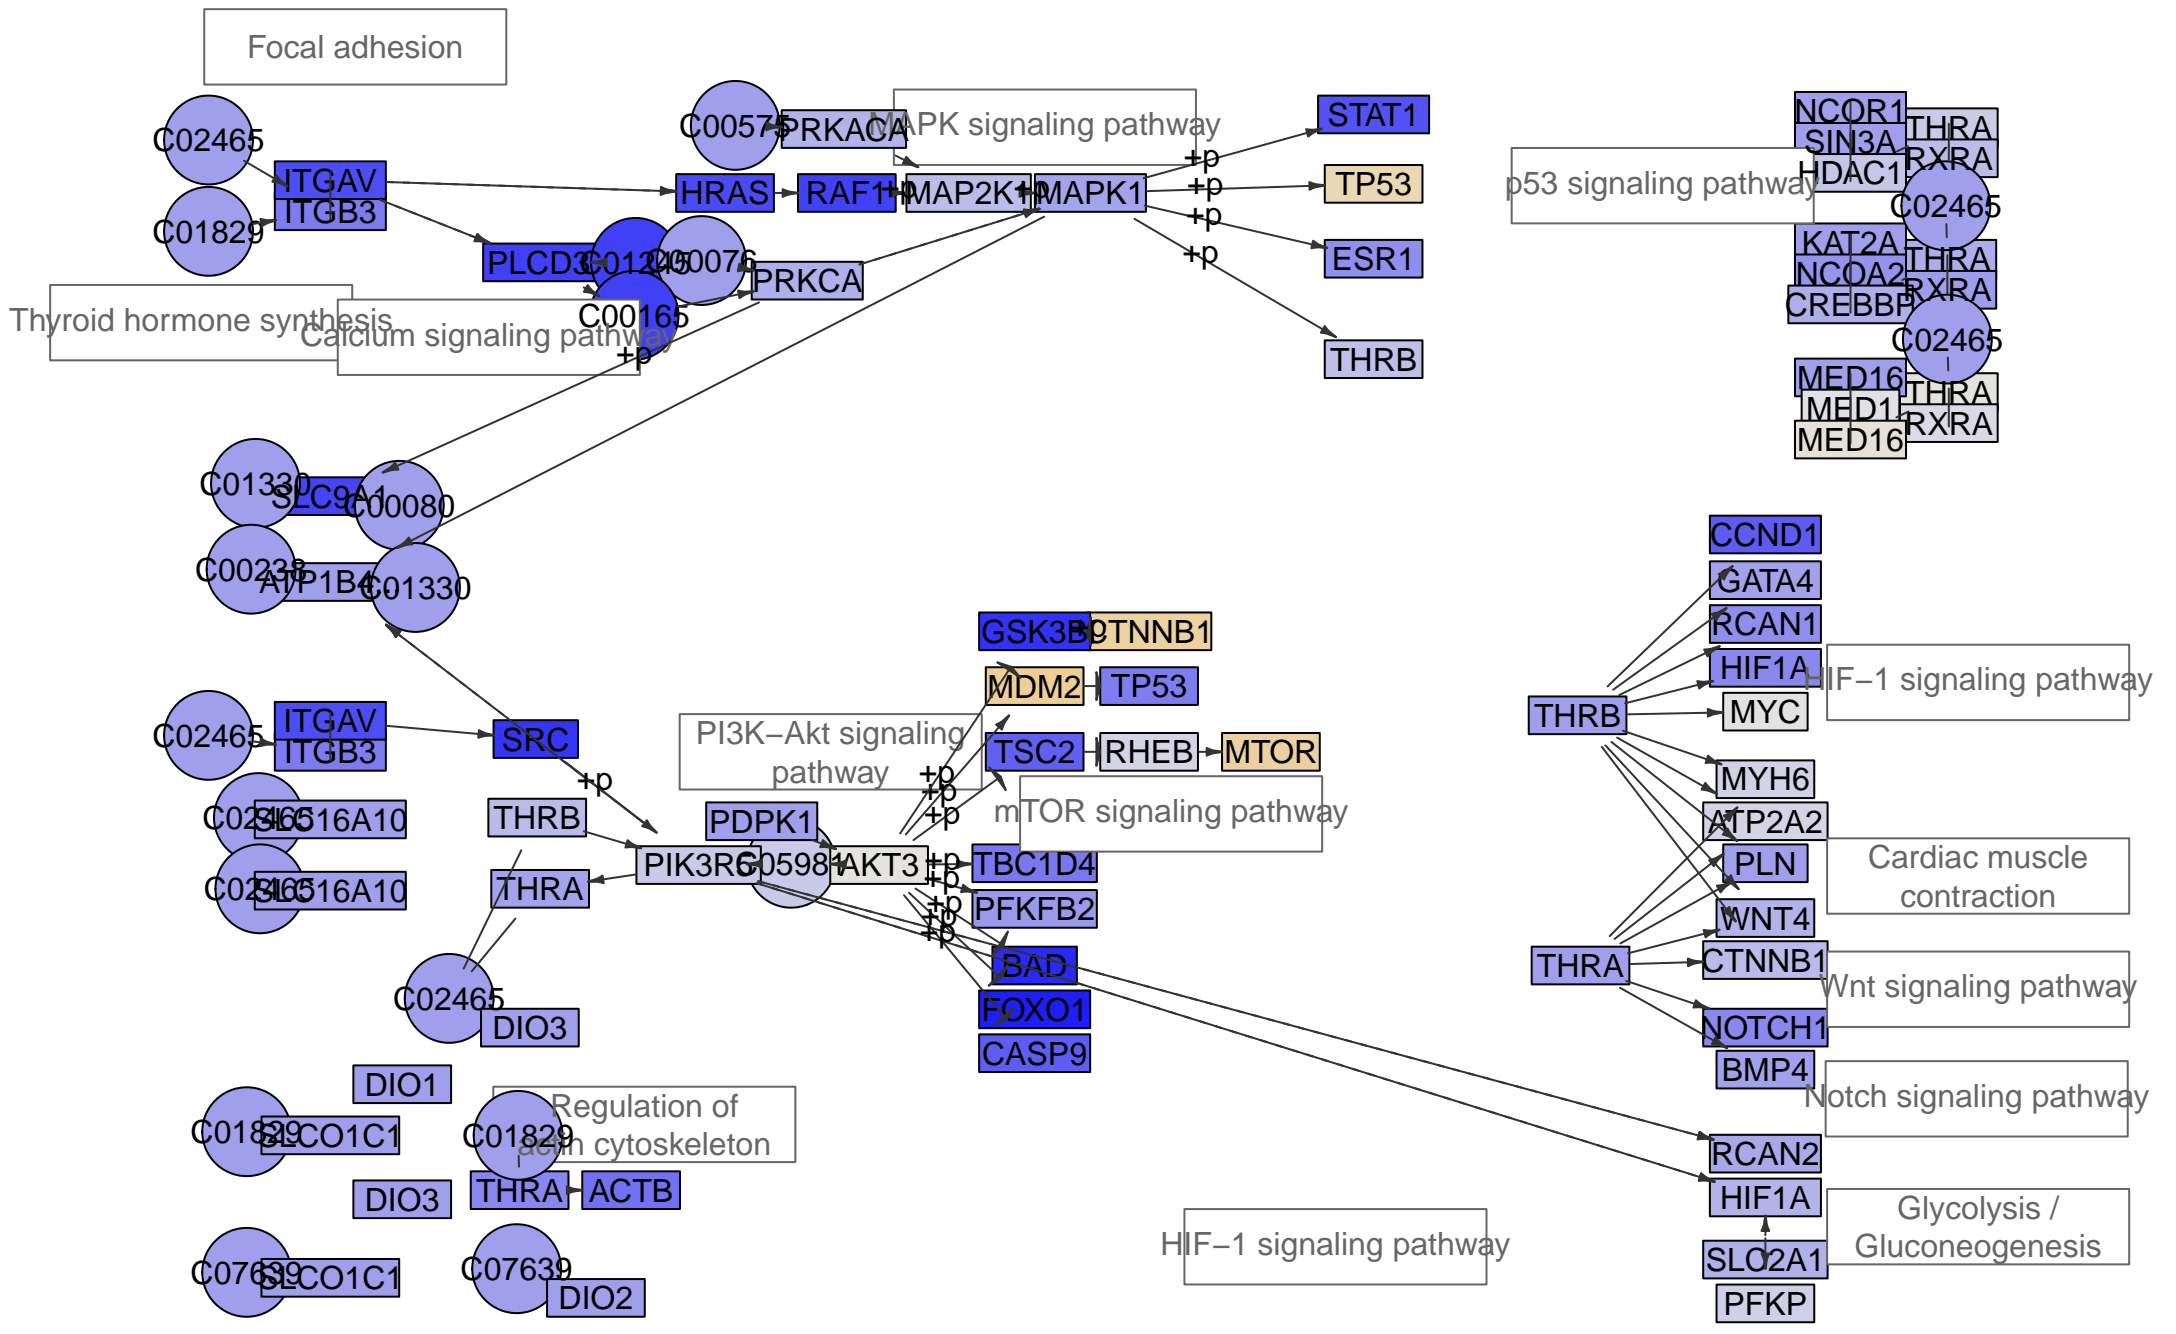

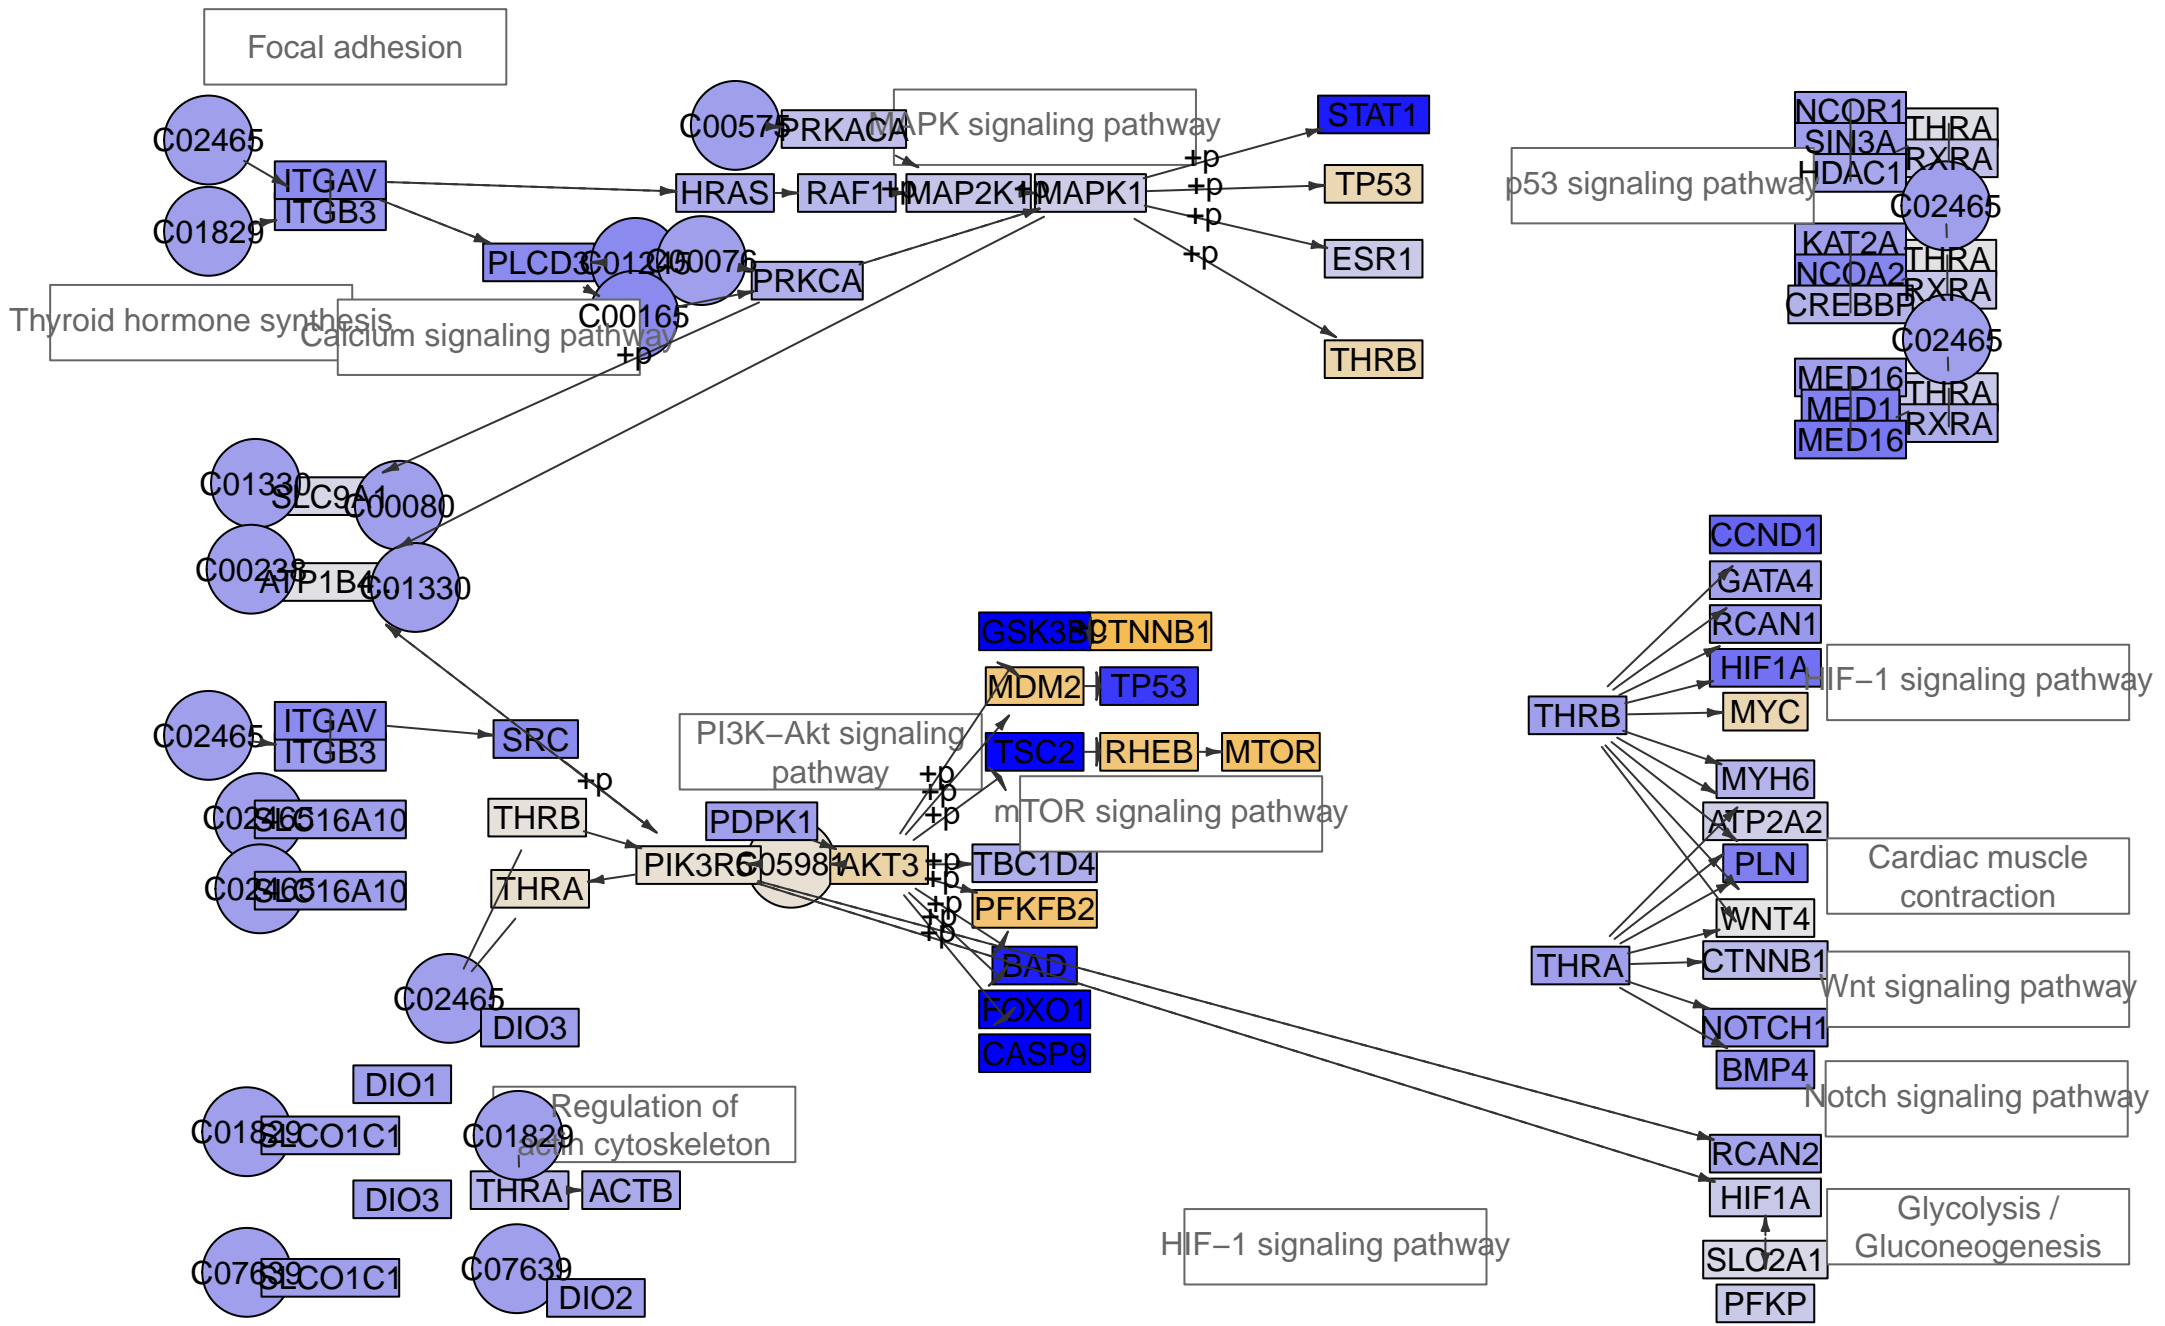

Focal adhesion

MAPK signaling pathway

p53 signaling pathway

Thyroid hormone synthesis

Calcium signaling pathway

PI3K-Akt signaling pathway

mTOR signaling pathway
