

# ARF guanyl–nucleotide exchange factor activity

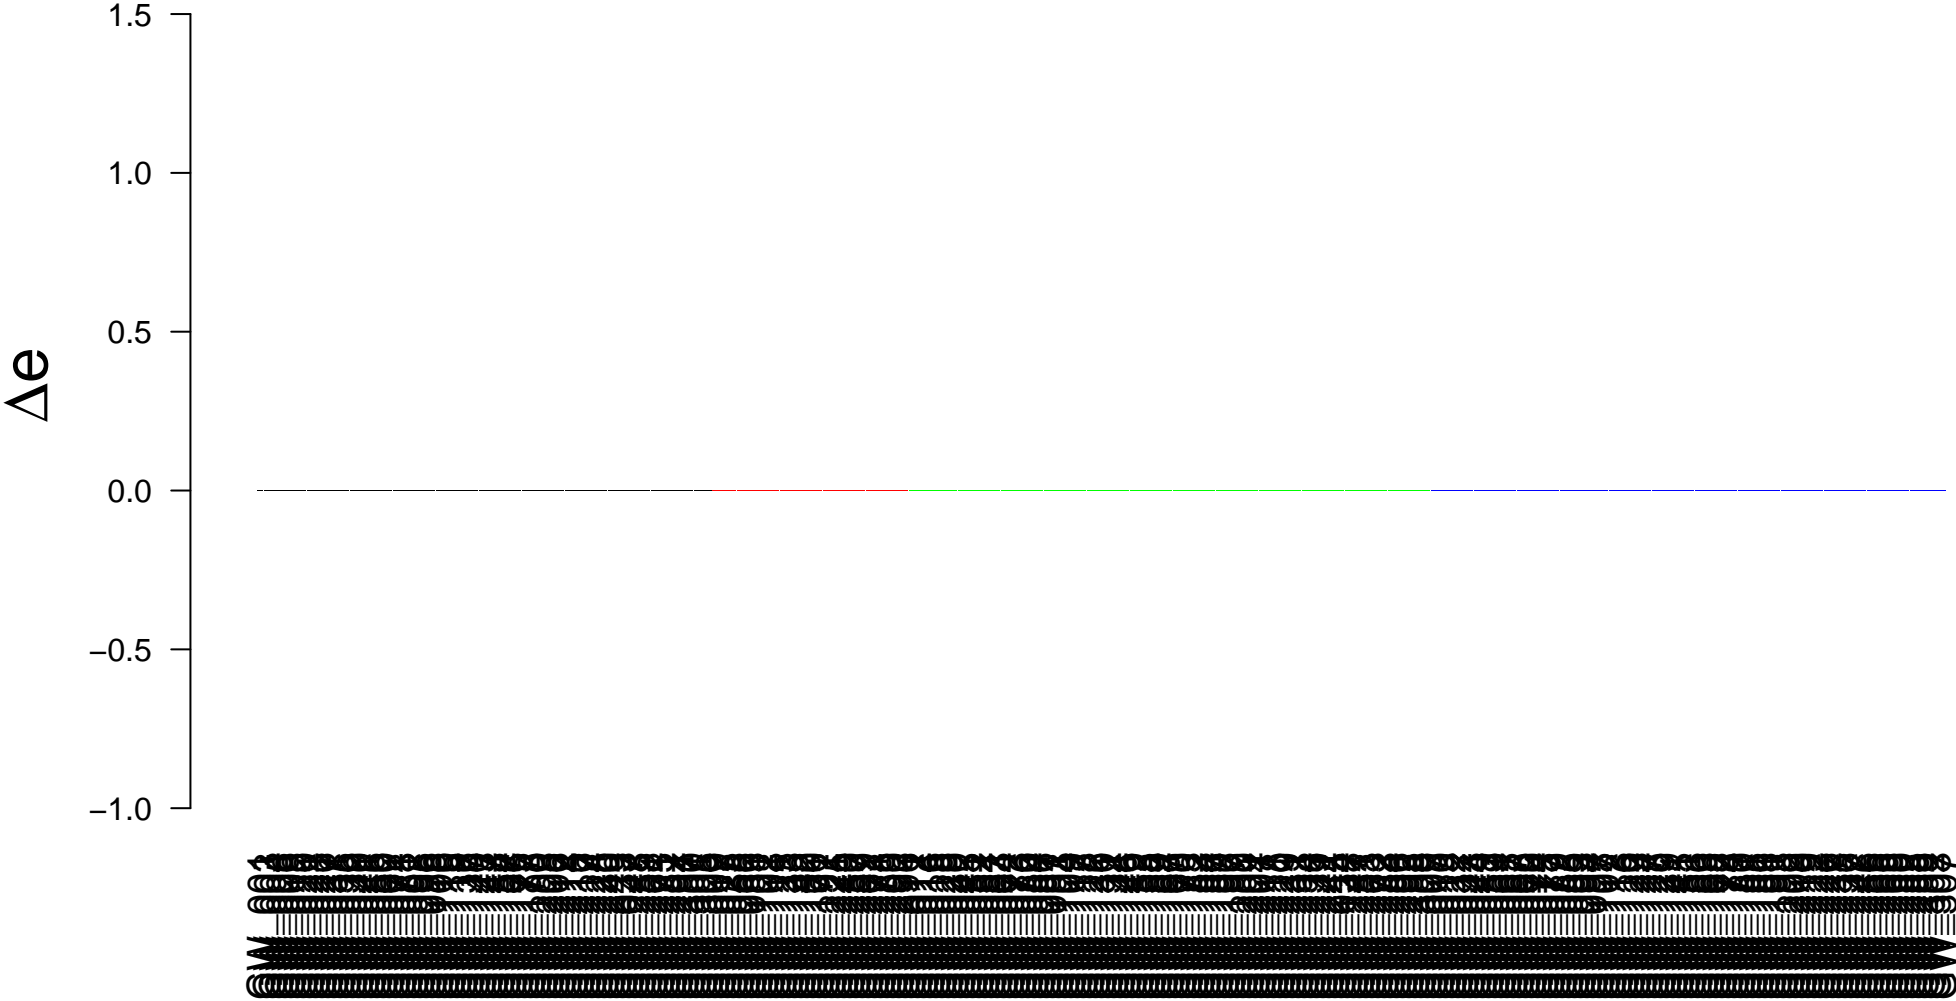

# ARF guanyl-nucleotide exchange factor activity

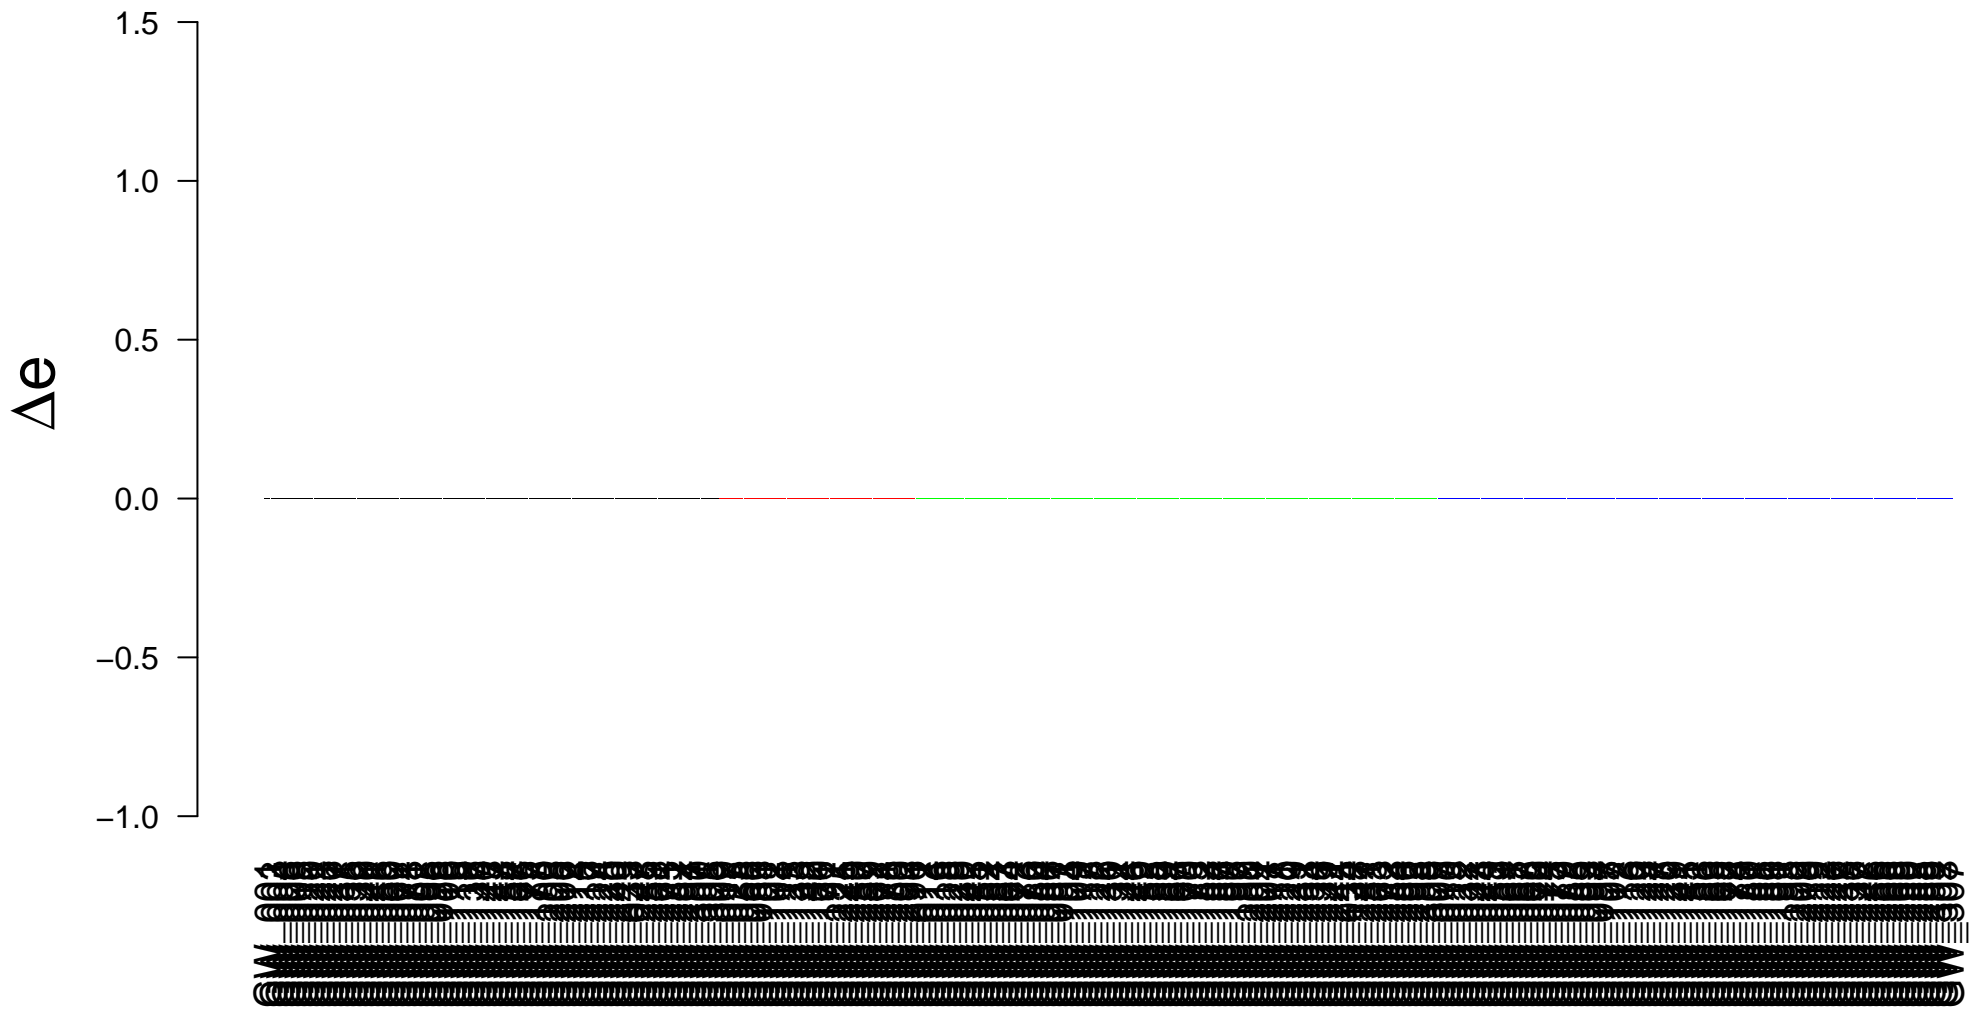

# Enrichment in spots: ARF guanyl–nucleotide exchange factor activity

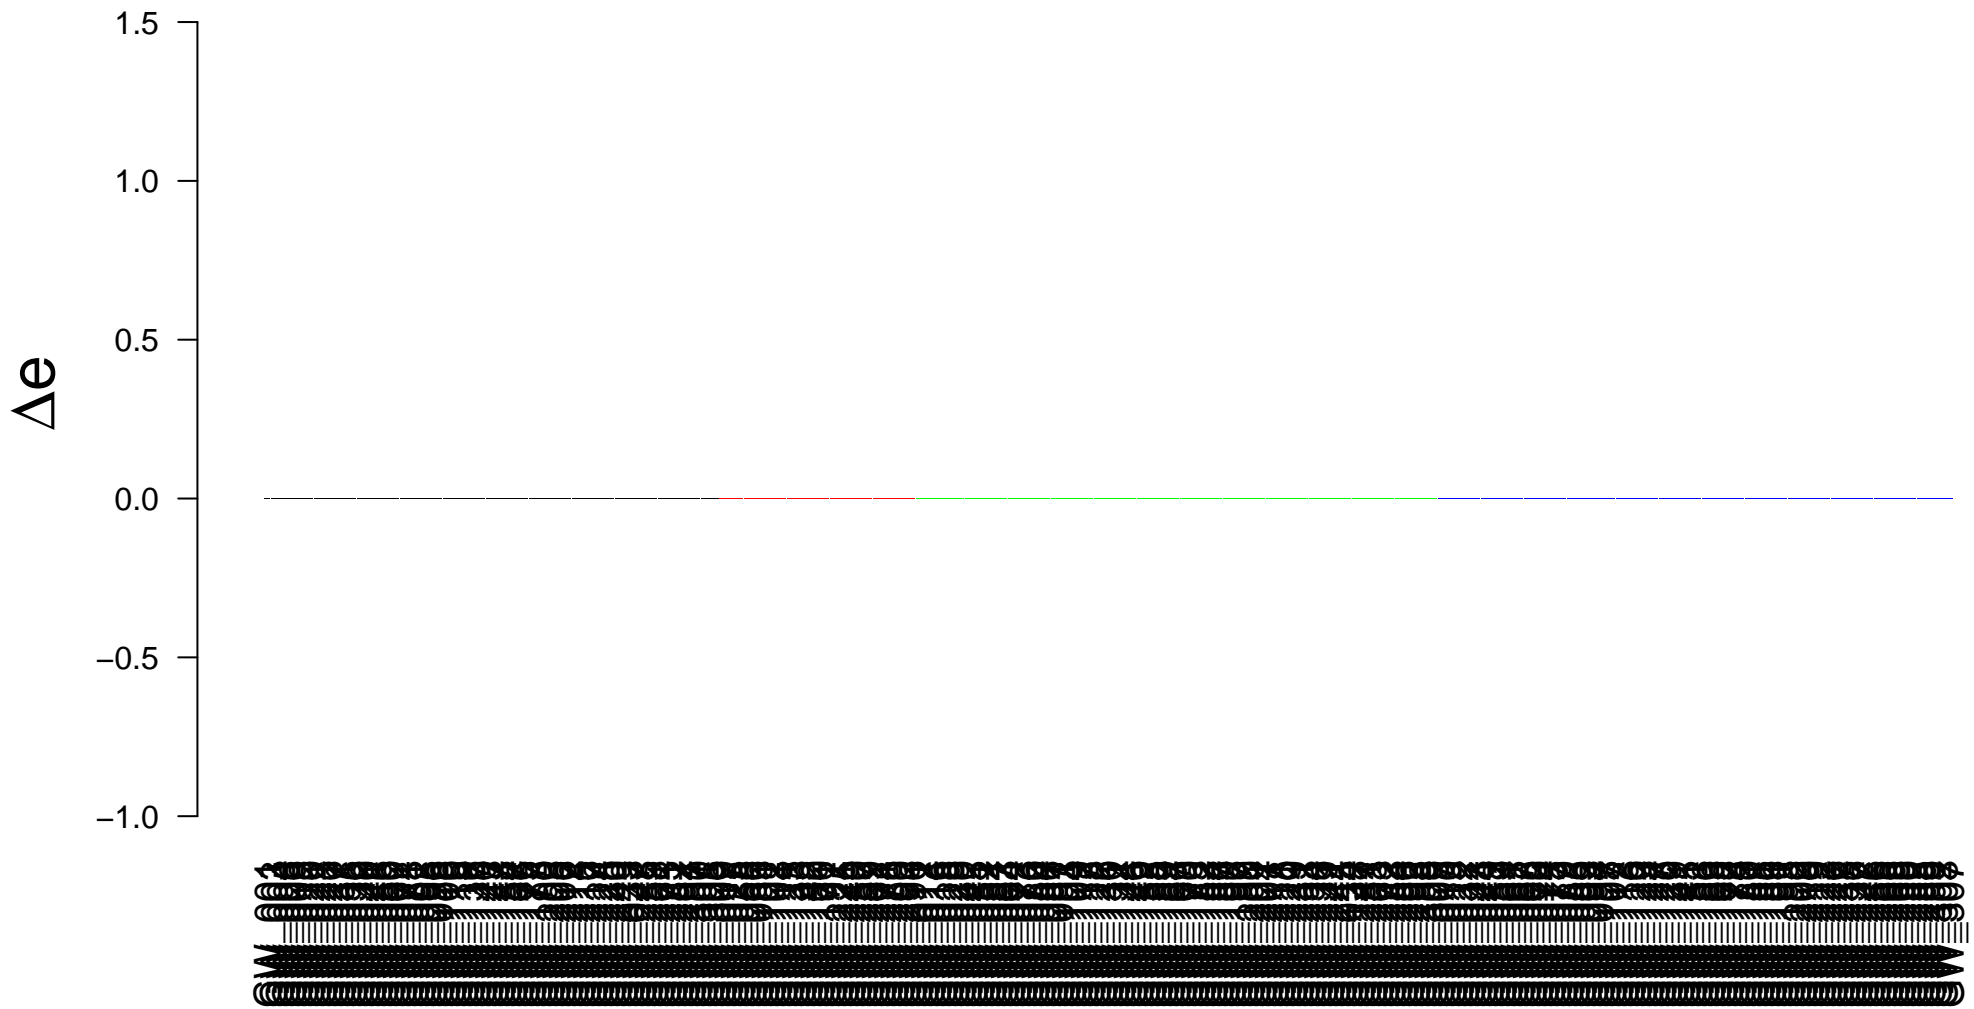

Expression of ARF guanyl-nucleotide exchange factor activity in Spot A

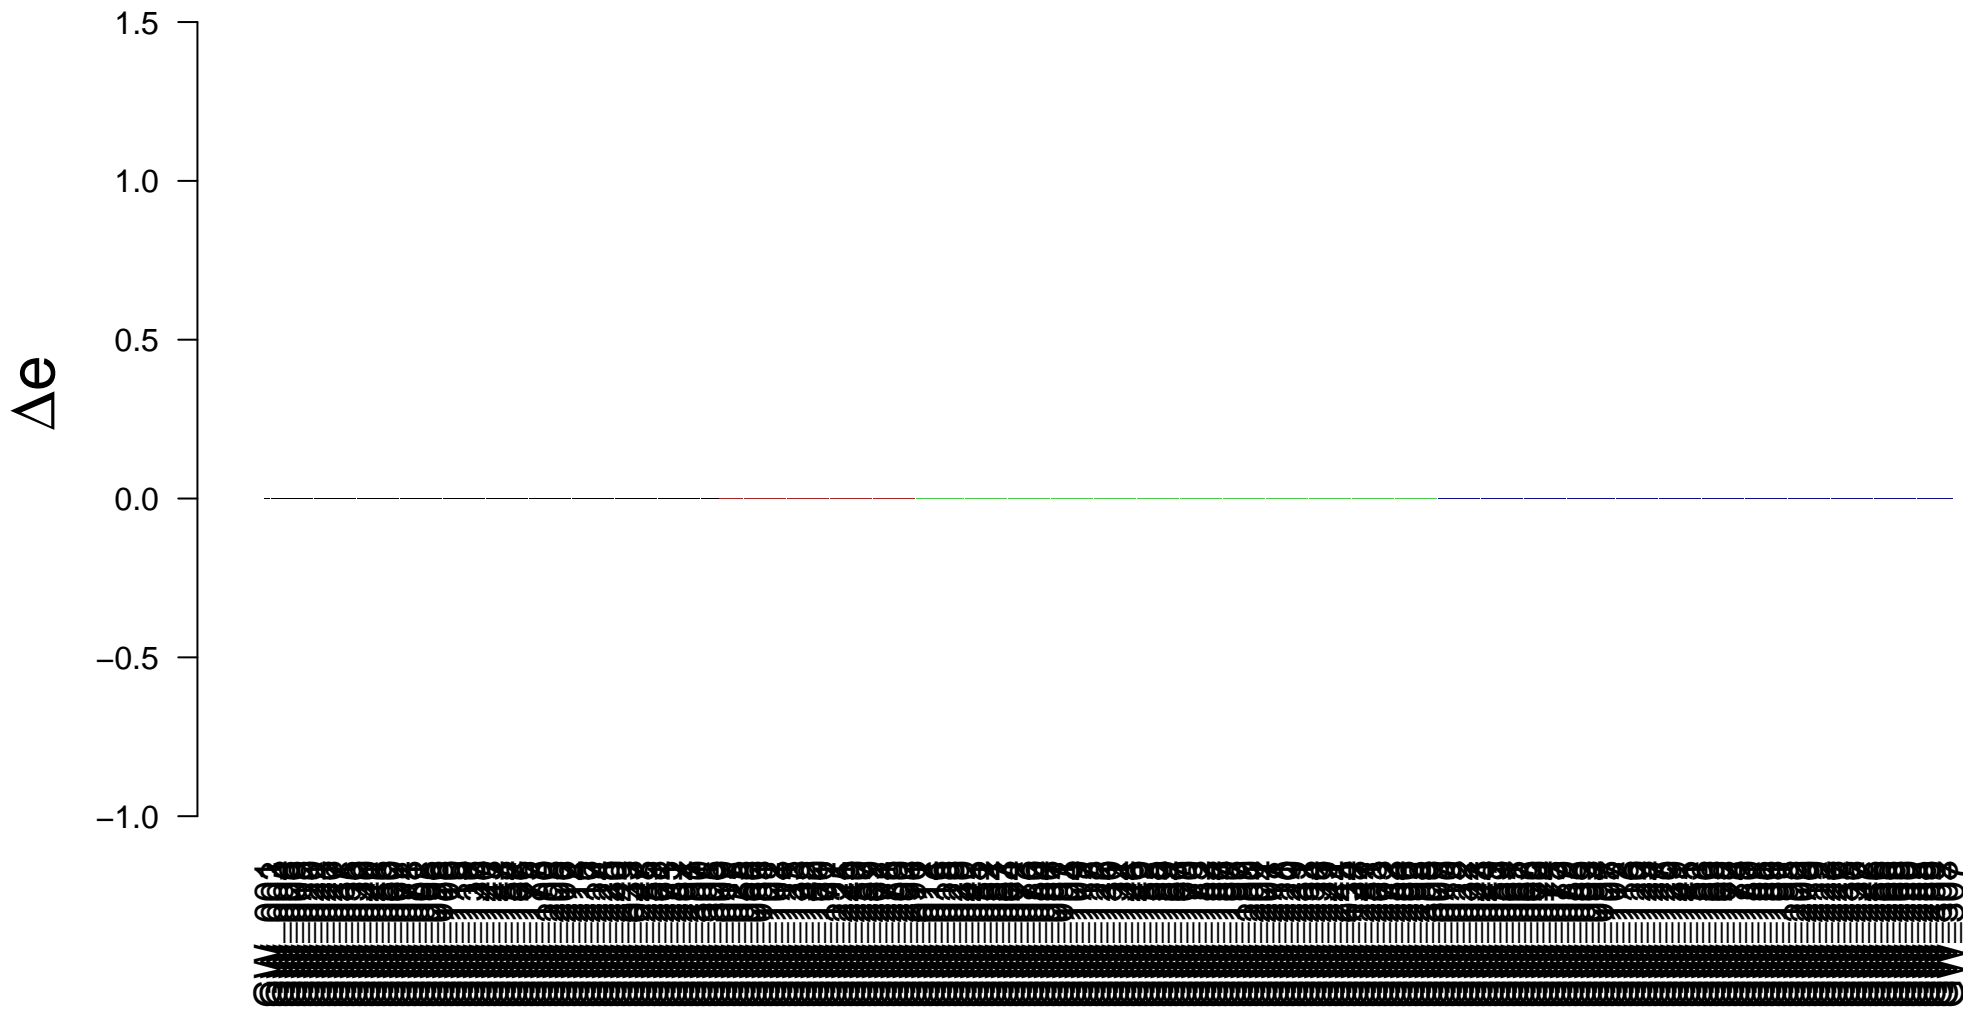

# Expression of ARF guanyl-nucleotide exchange factor activity in Spot B

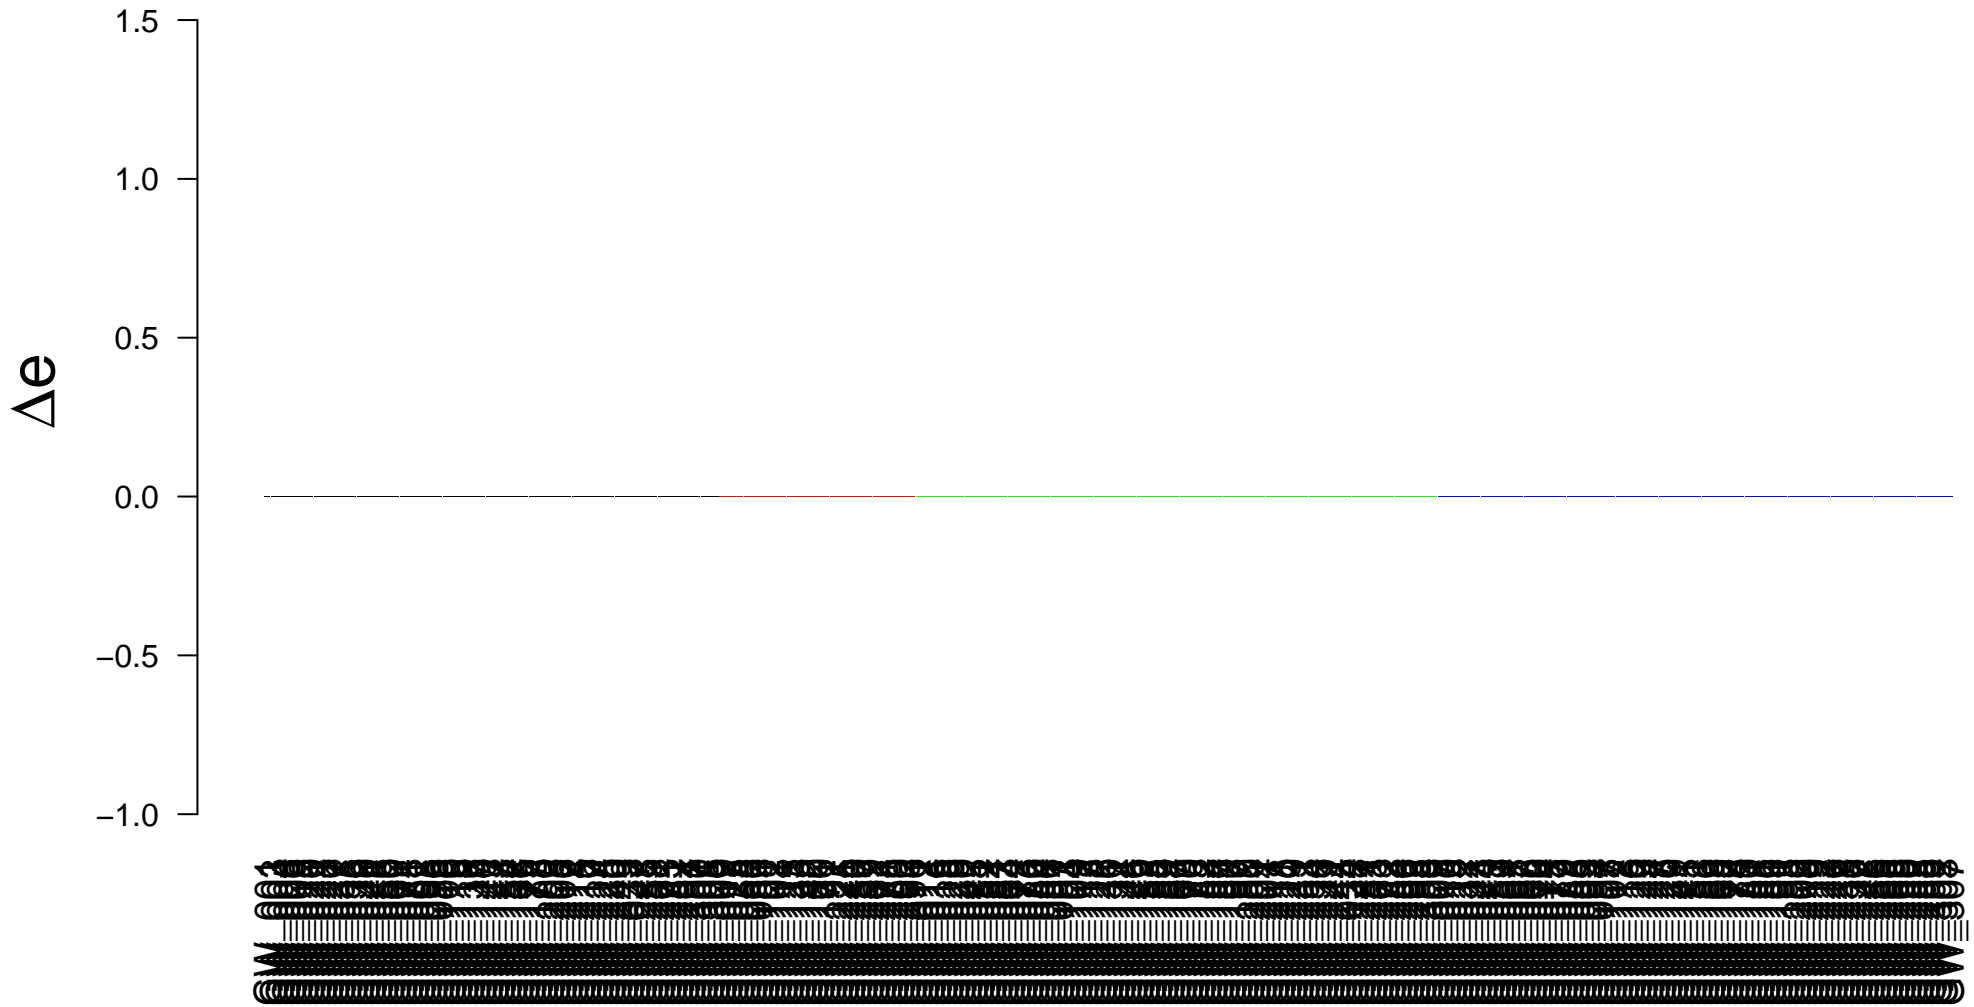

# Expression of ARF guanyl-nucleotide exchange factor activity in Spot C

# Expression of ARF guanyl-nucleotide exchange factor activity in Spot D

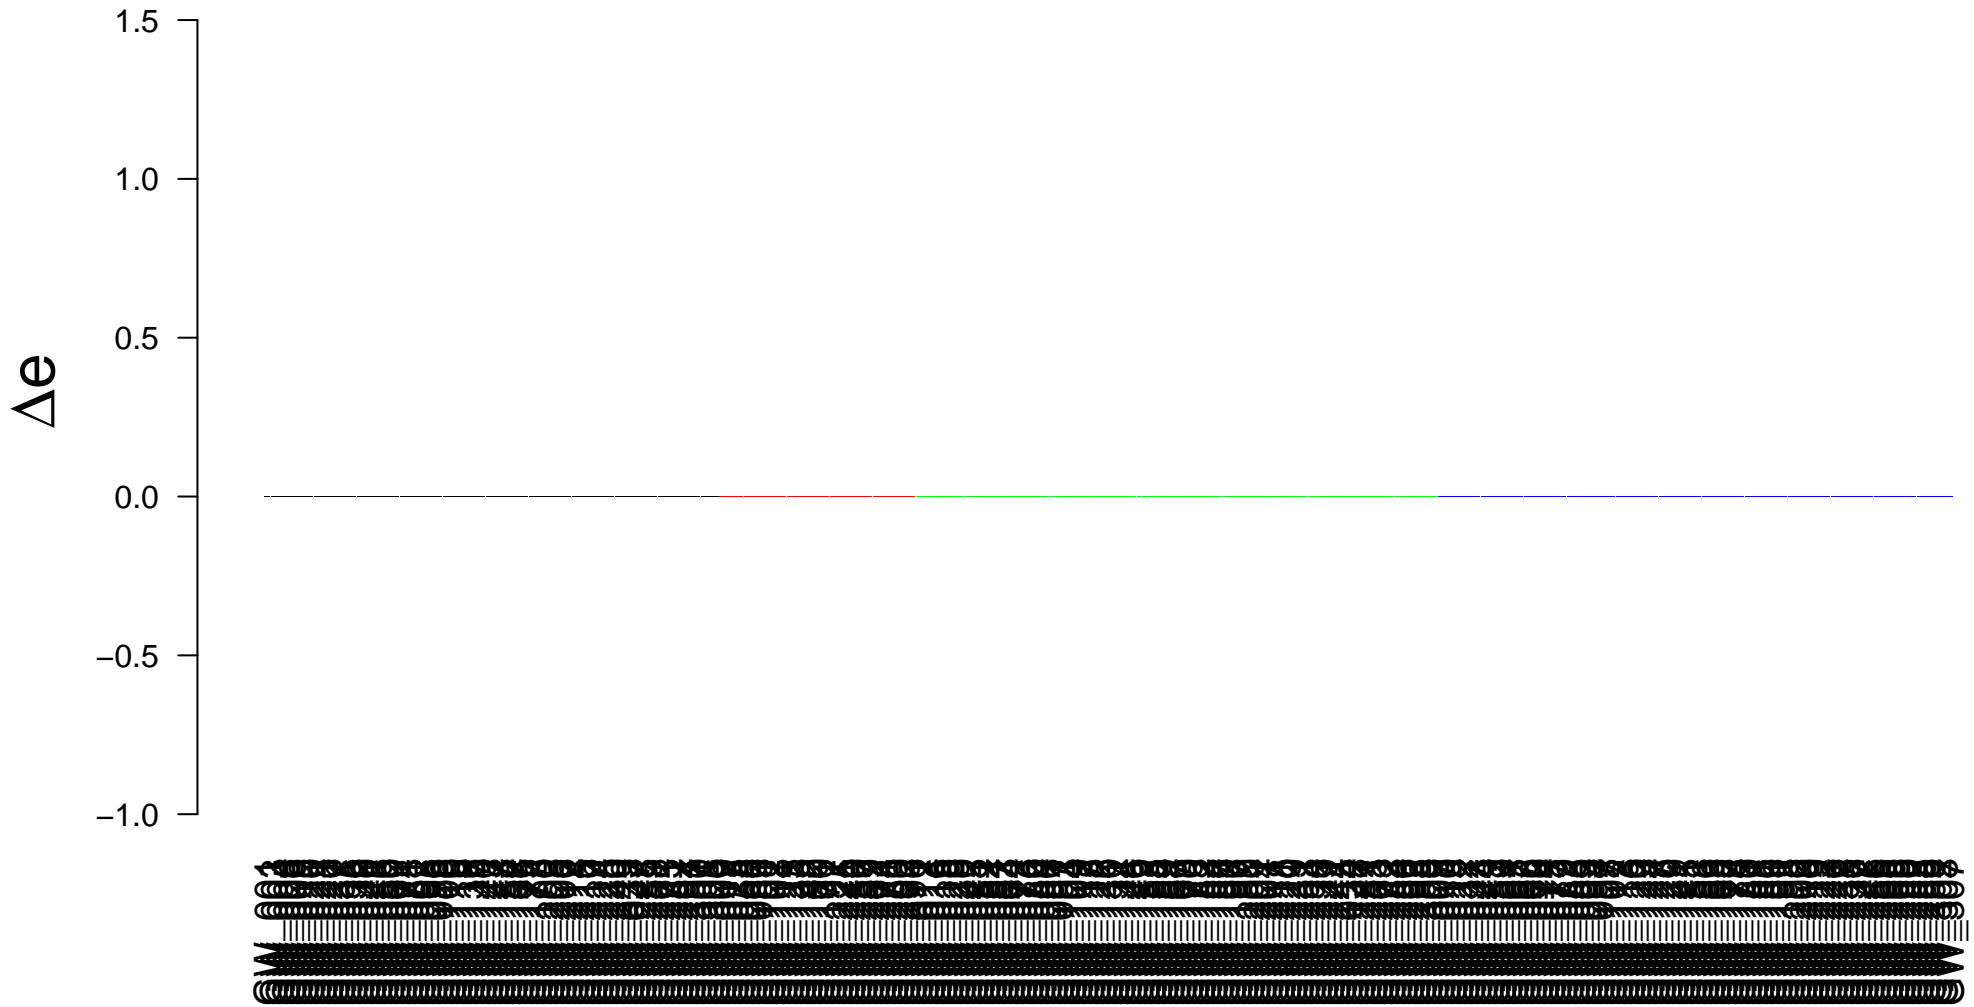

# Expression of ARF guanyl-nucleotide exchange factor activity in Spot E

# Expression of ARF guanyl-nucleotide exchange factor activity in Spot F

# Expression of ARF guanyl-nucleotide exchange factor activity in Spot G
