

ATP-dependent DNA helicase activity

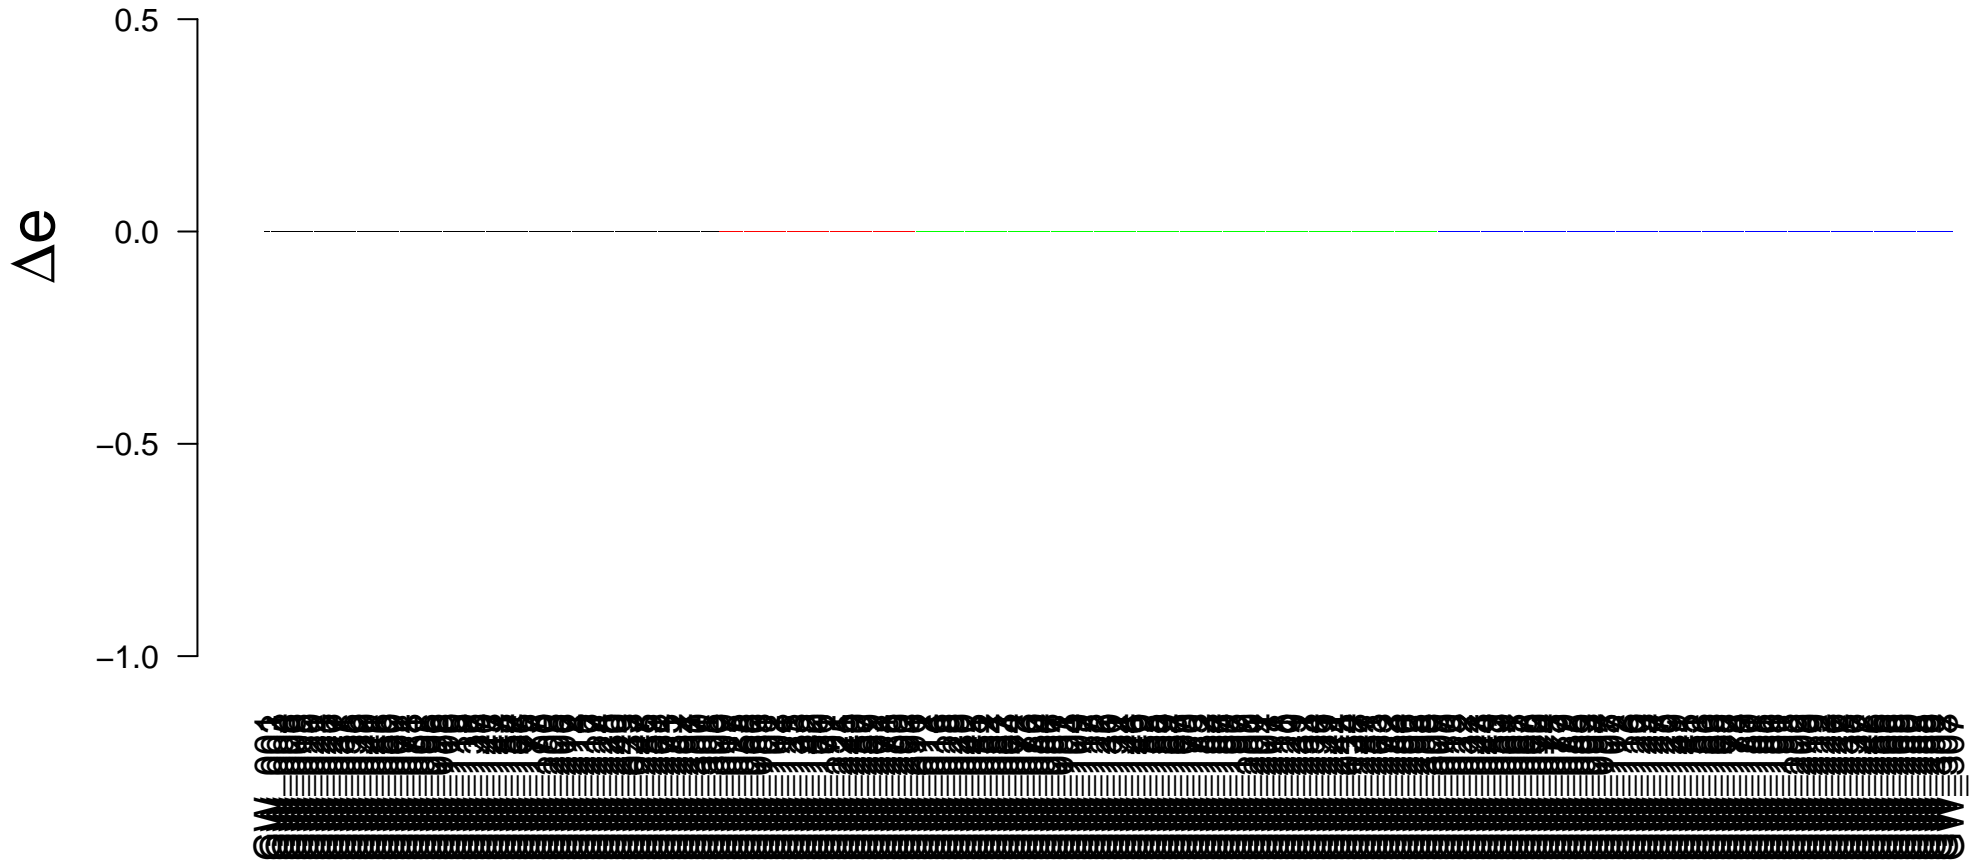

ATP-dependent DNA helicase activity

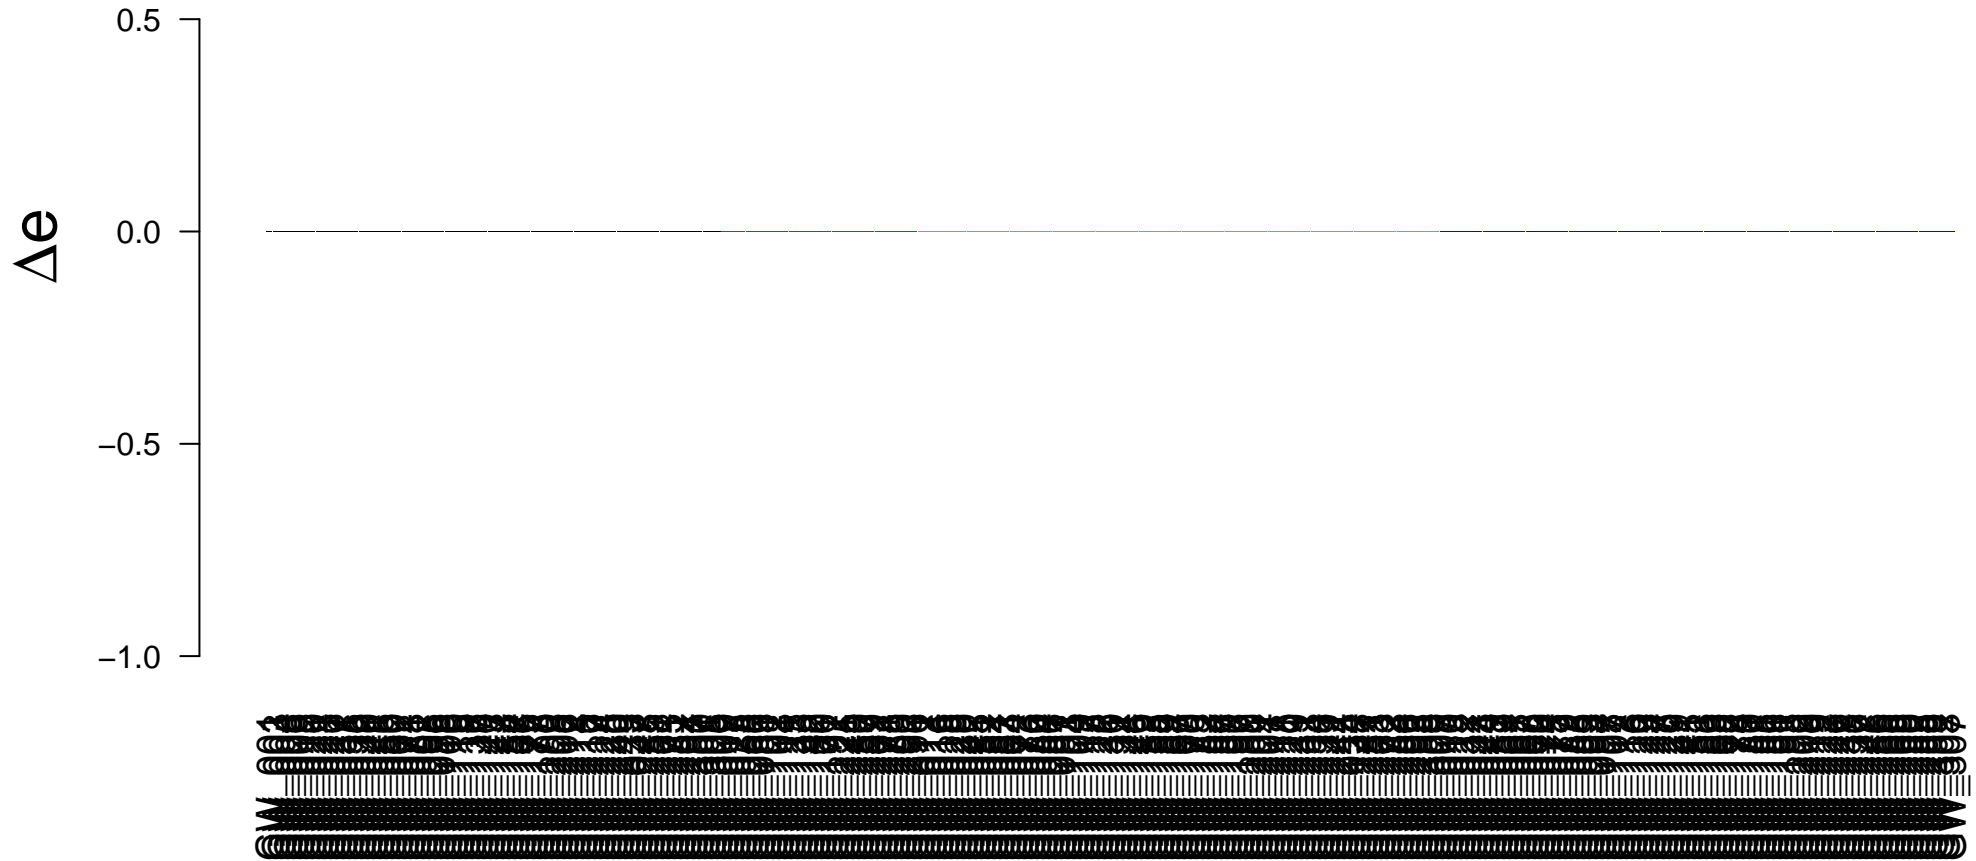

Enrichment in spots: ATP-dependent DNA helicase activity

Expression of ATP-dependent DNA helicase activity in Spot A

Expression of ATP-dependent DNA helicase activity in Spot B

Expression of ATP-dependent DNA helicase activity in Spot C

Expression of ATP-dependent DNA helicase activity in Spot D

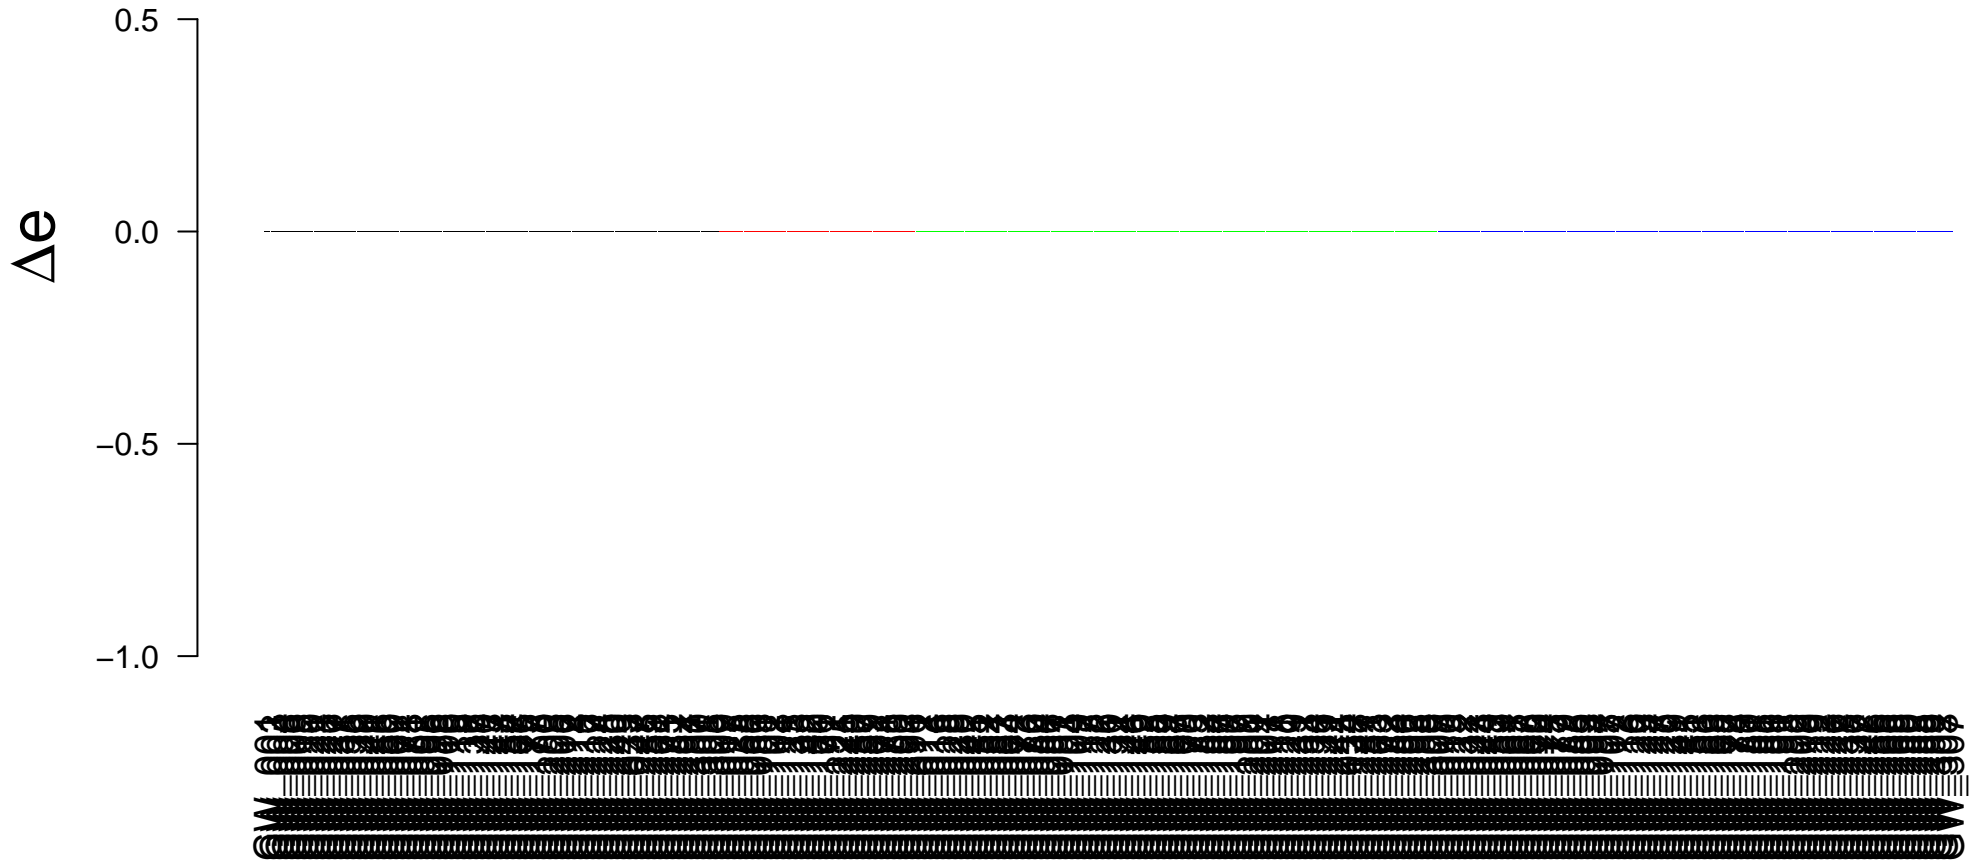

Expression of ATP-dependent DNA helicase activity in Spot E

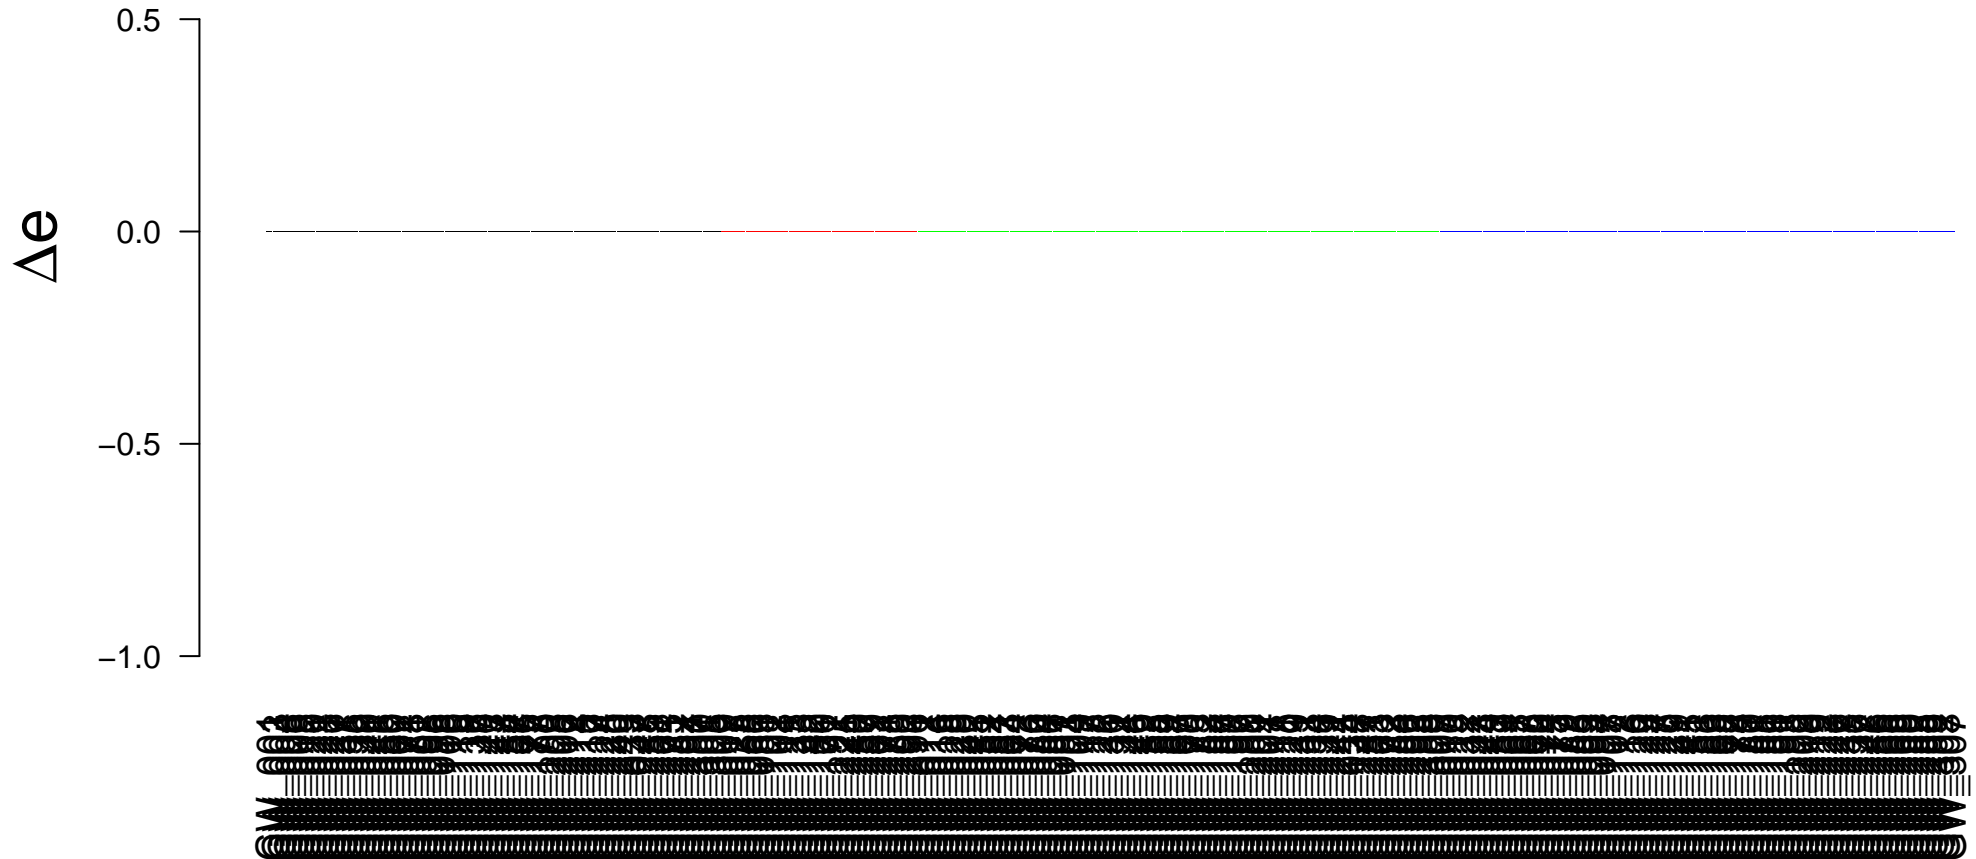

Expression of ATP-dependent DNA helicase activity in Spot F

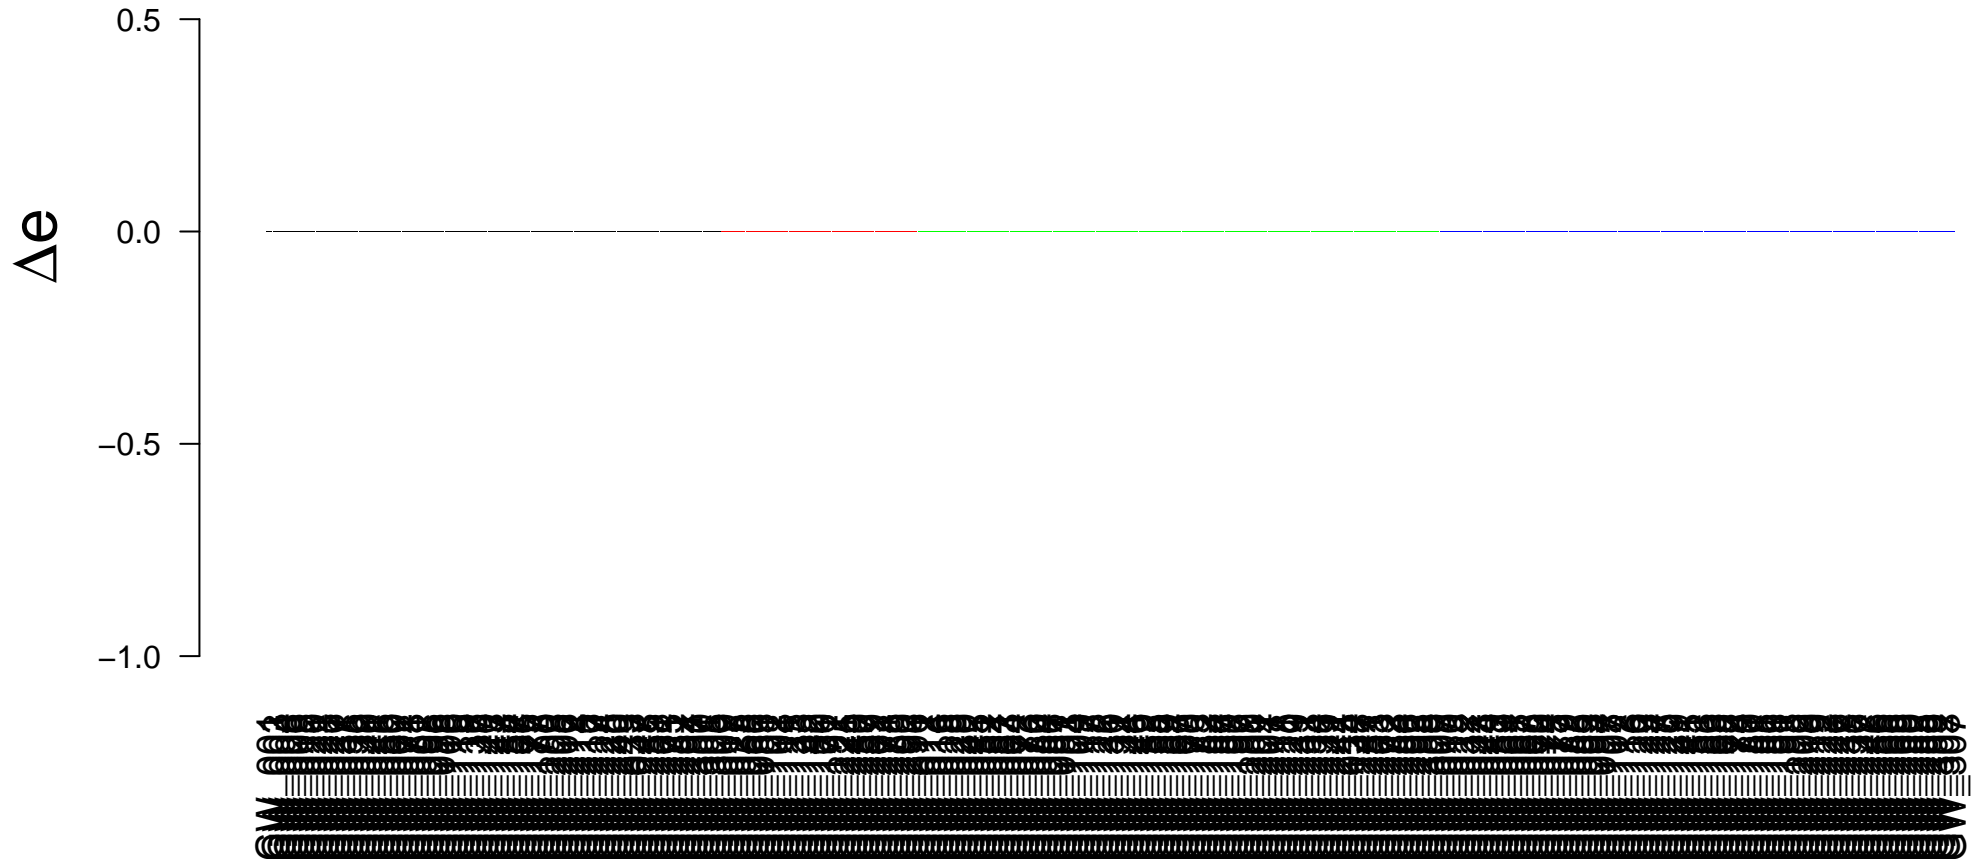

Expression of ATP-dependent DNA helicase activity in Spot G

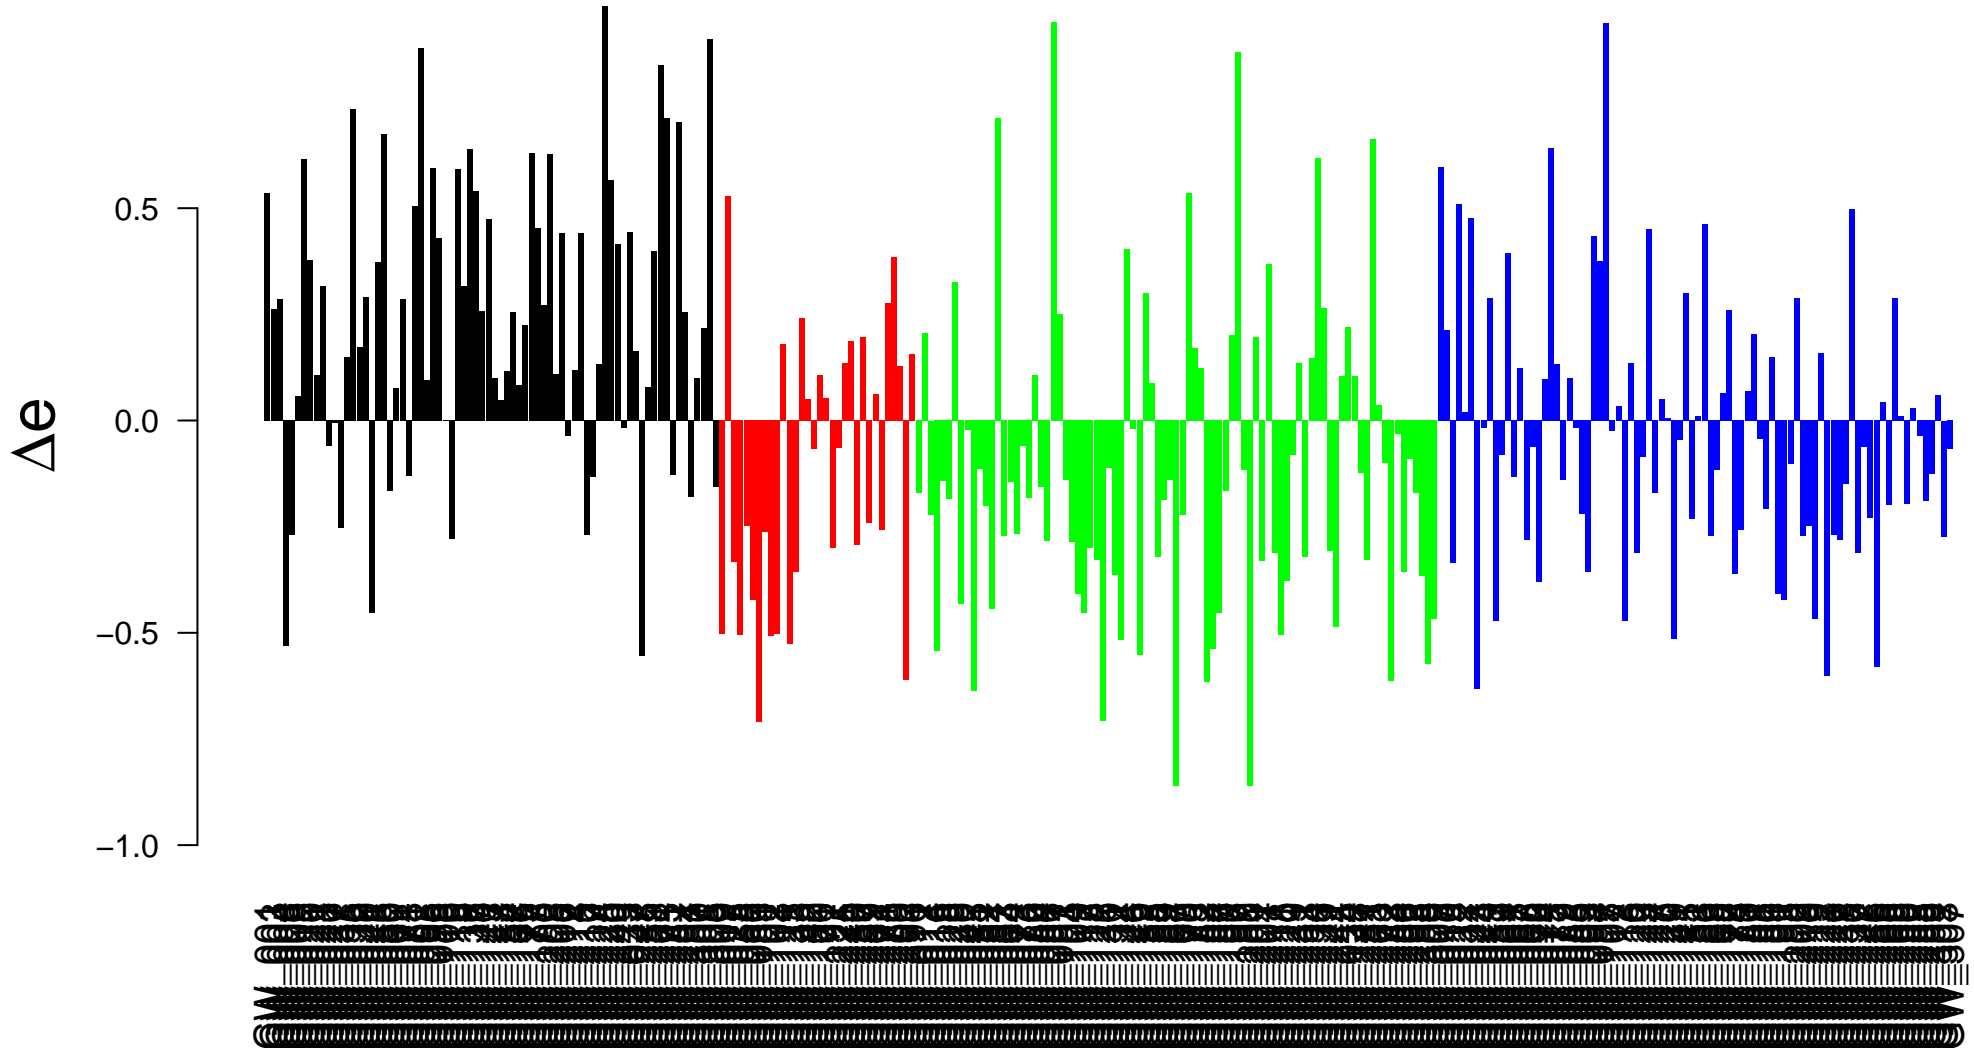

Expression of ATP-dependent DNA helicase activity in Spot H

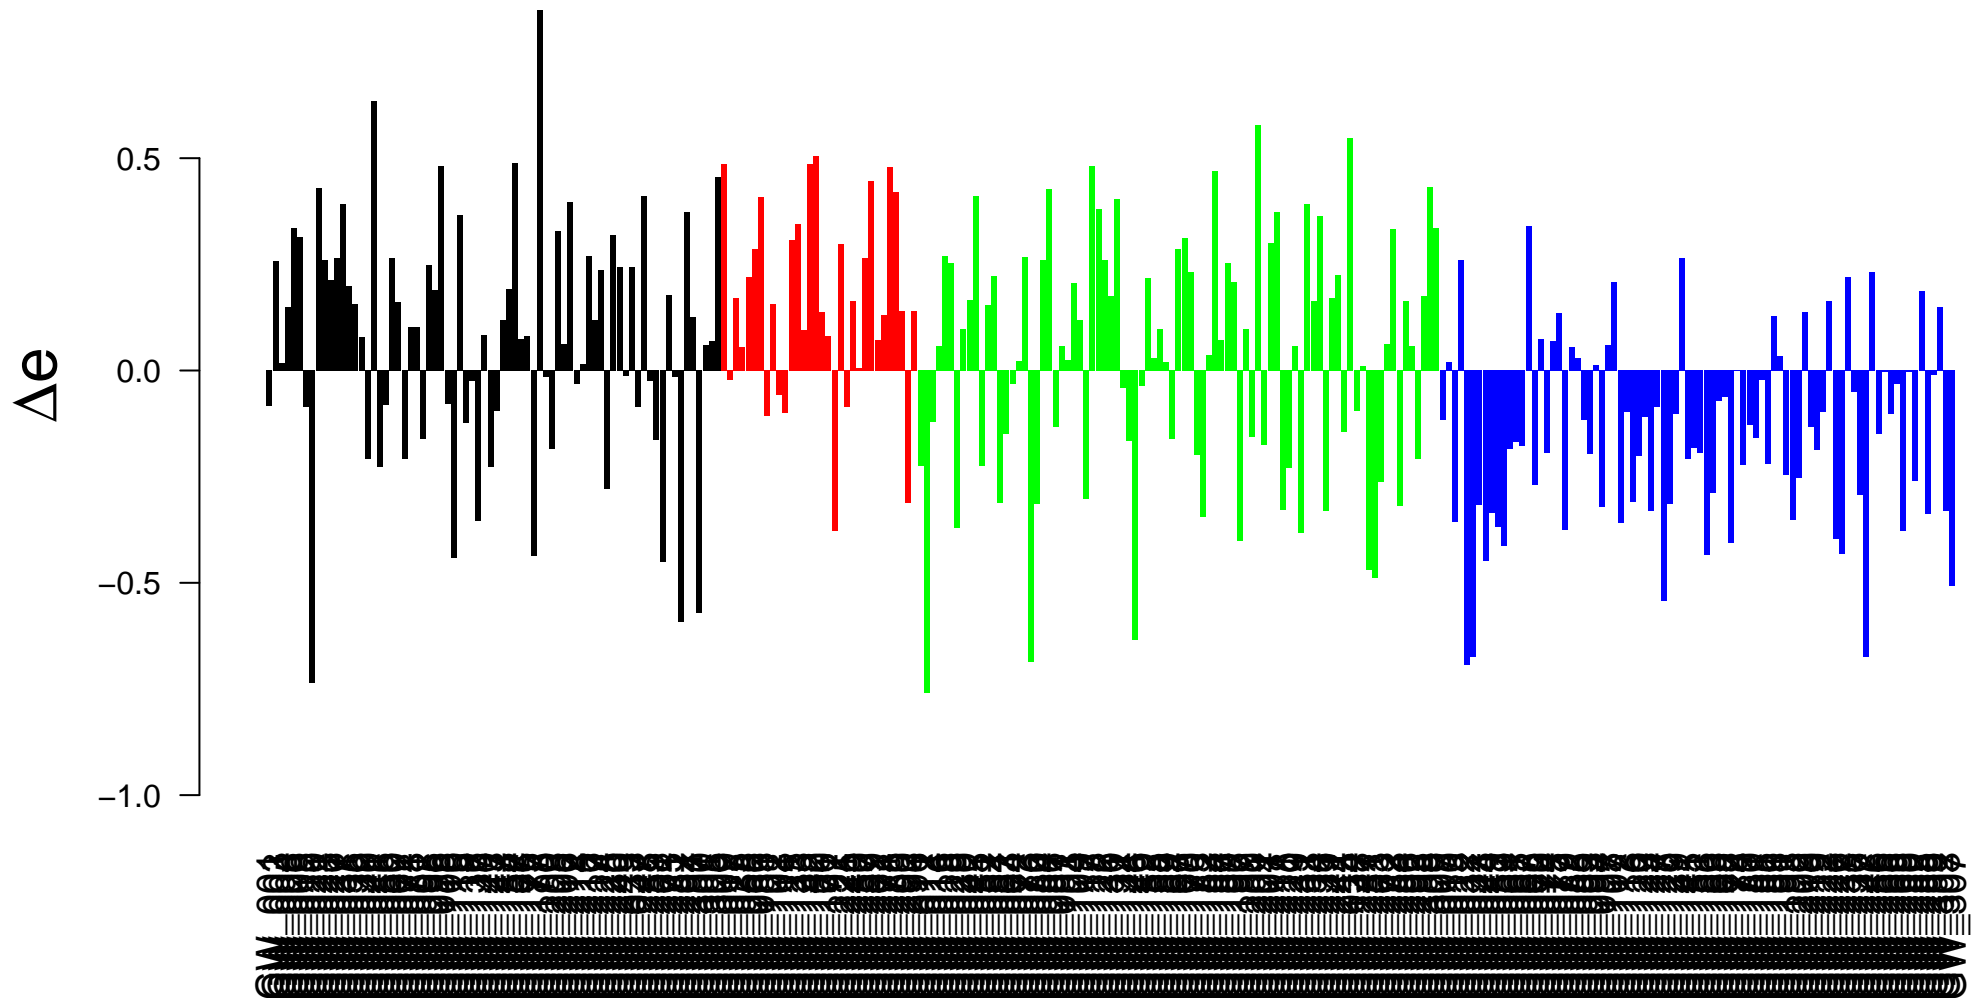

Expression of ATP-dependent DNA helicase activity in Spot I

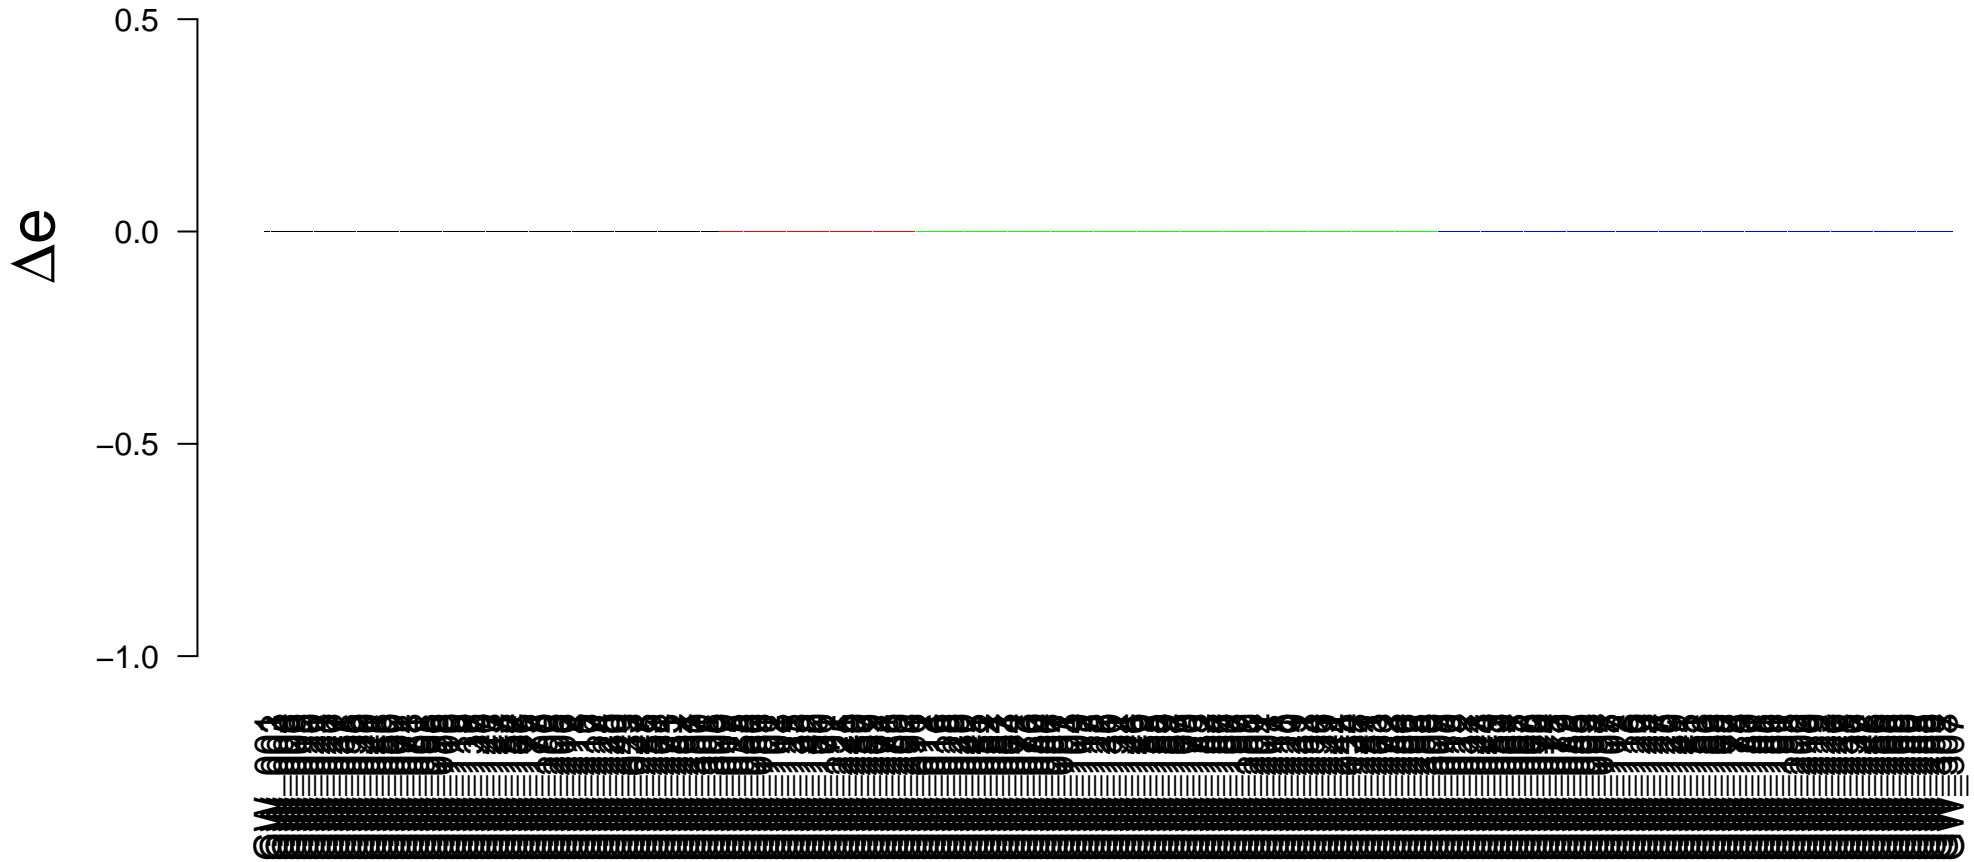

Expression of ATP-dependent DNA helicase activity in Spot J

Expression of ATP-dependent DNA helicase activity in Spot K

Expression of ATP-dependent DNA helicase activity in Spot L

Expression of ATP-dependent DNA helicase activity in Spot M
