

ATP synthesis coupled proton transport

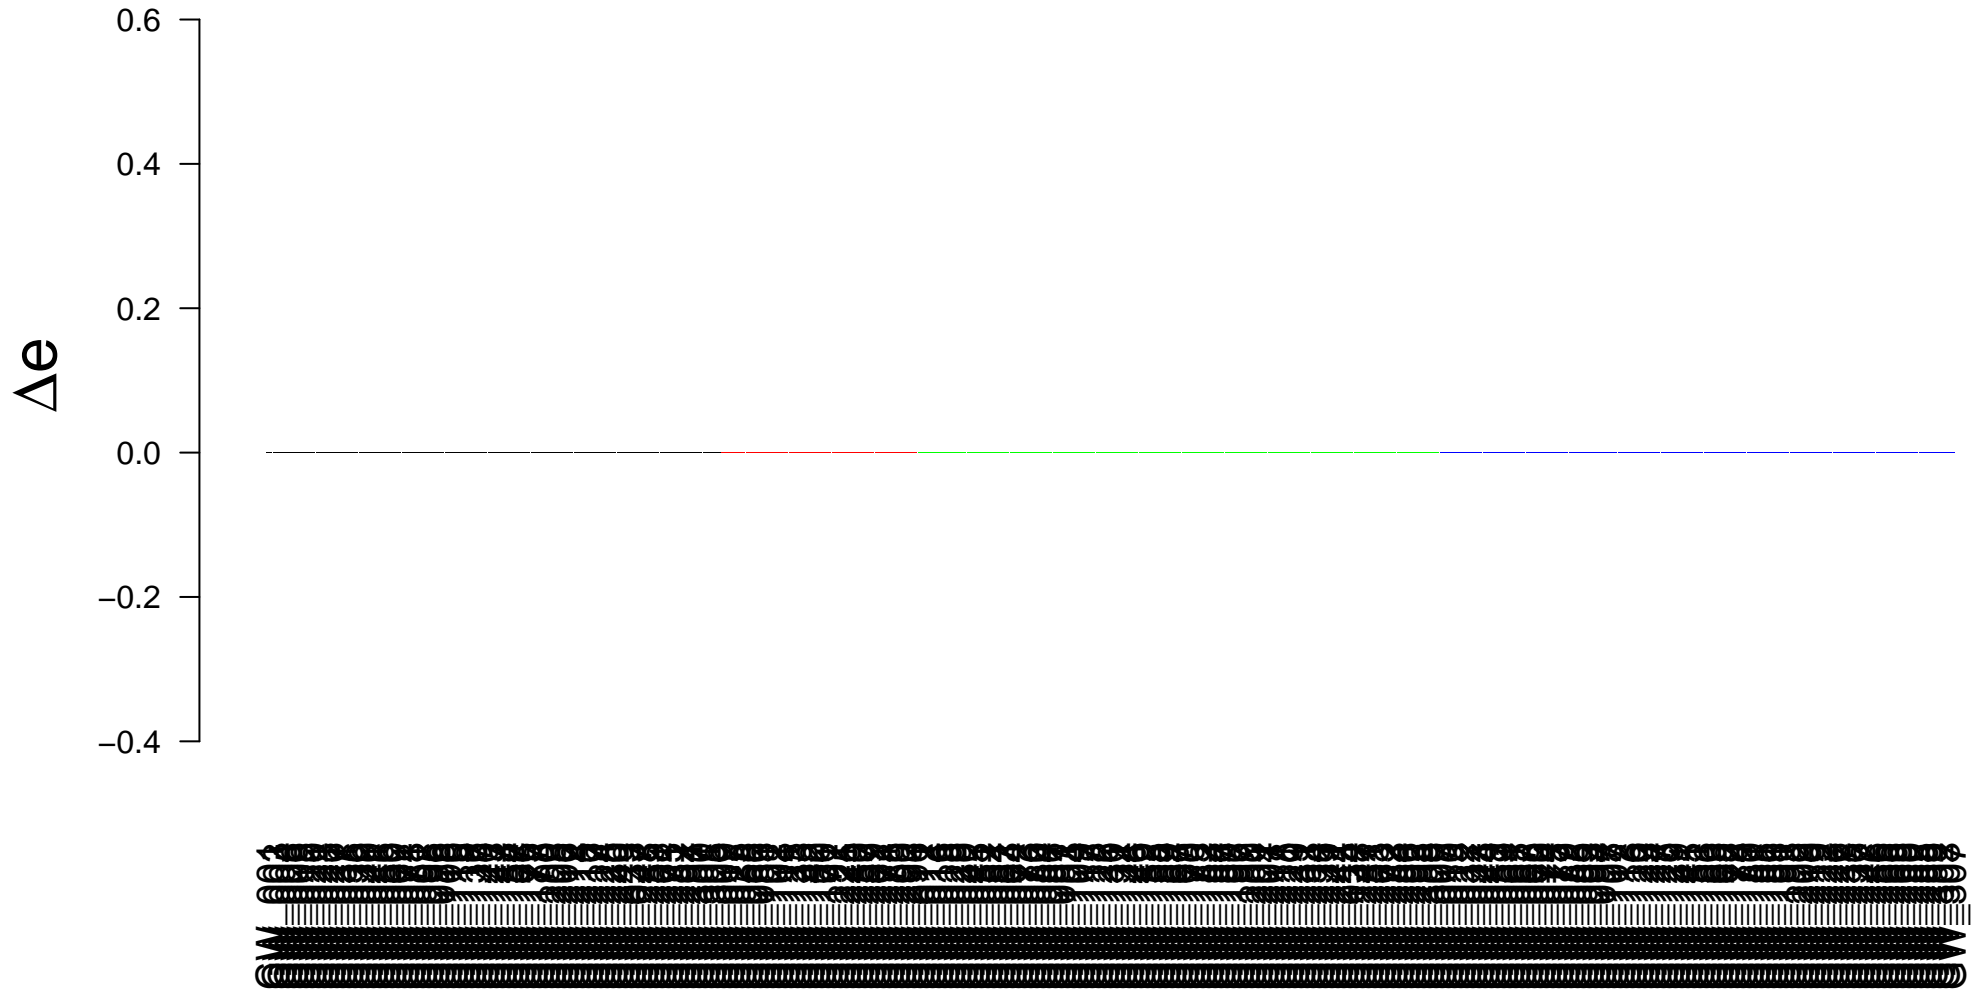

ATP synthesis coupled proton transport

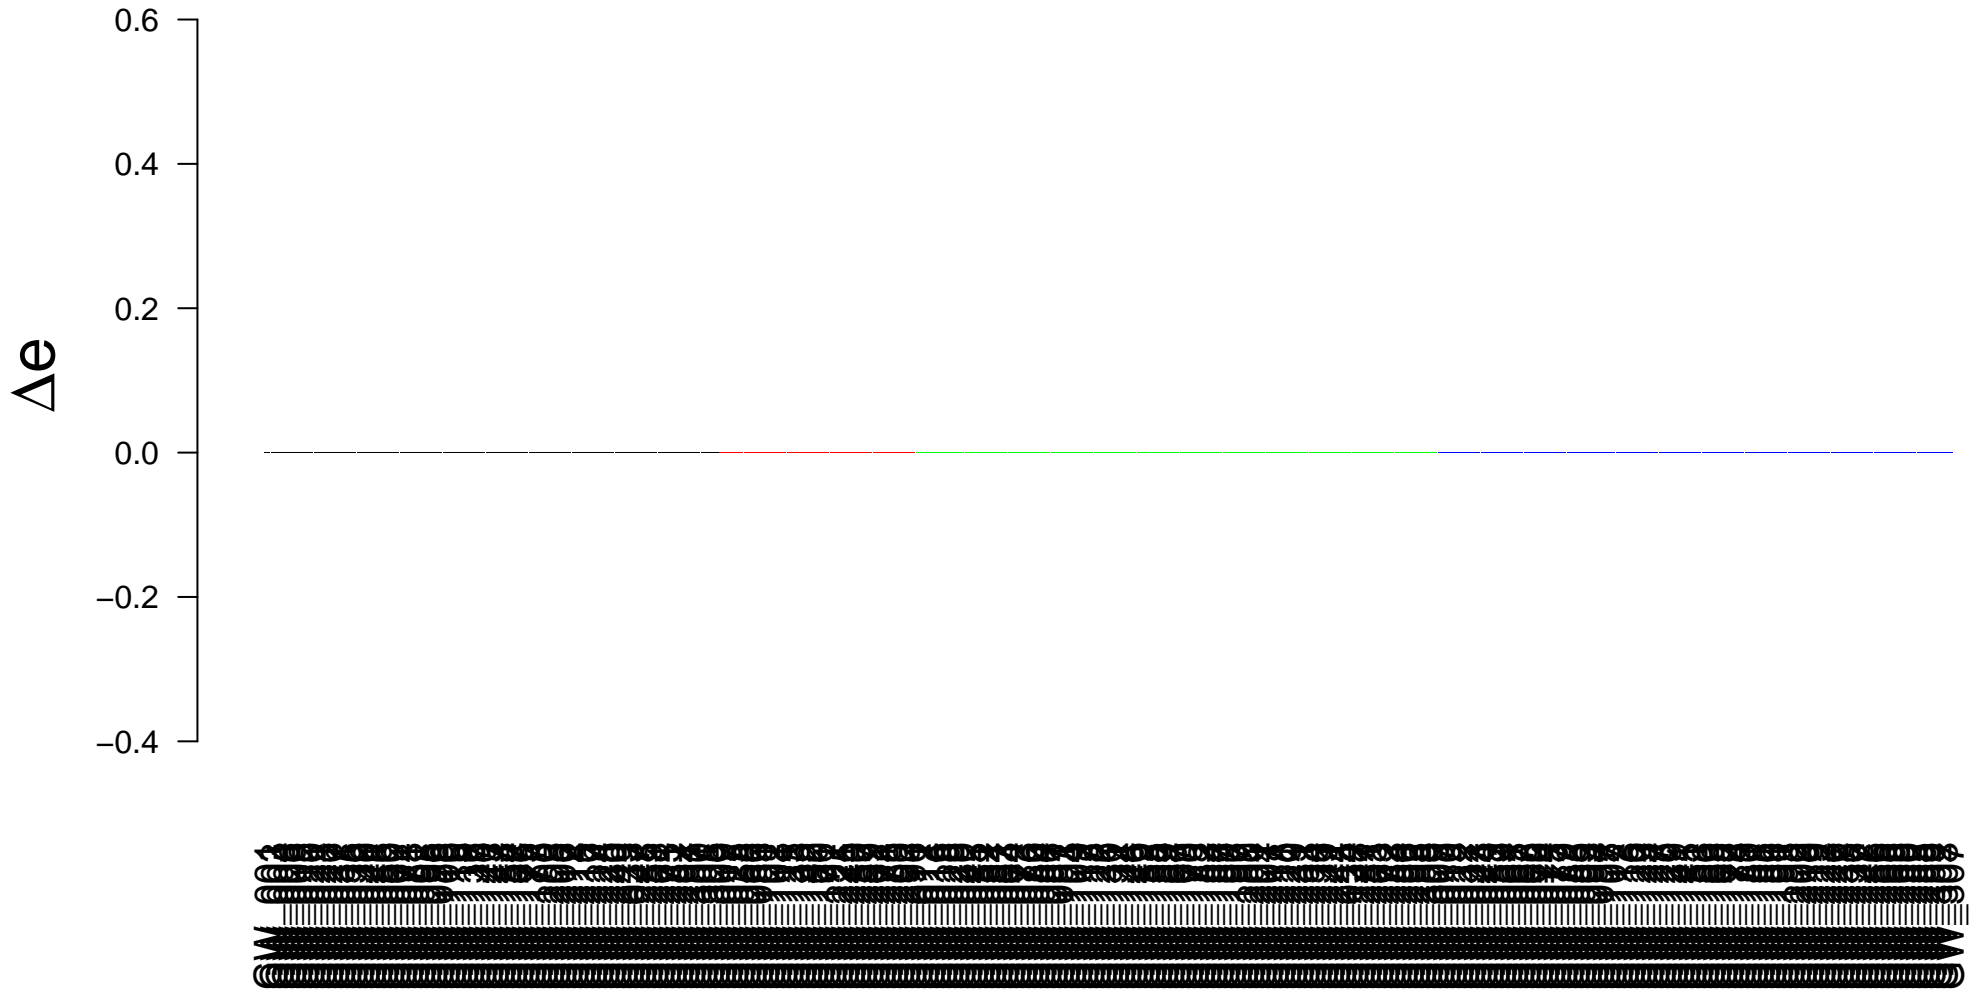

Enrichment in spots: ATP synthesis coupled proton transport

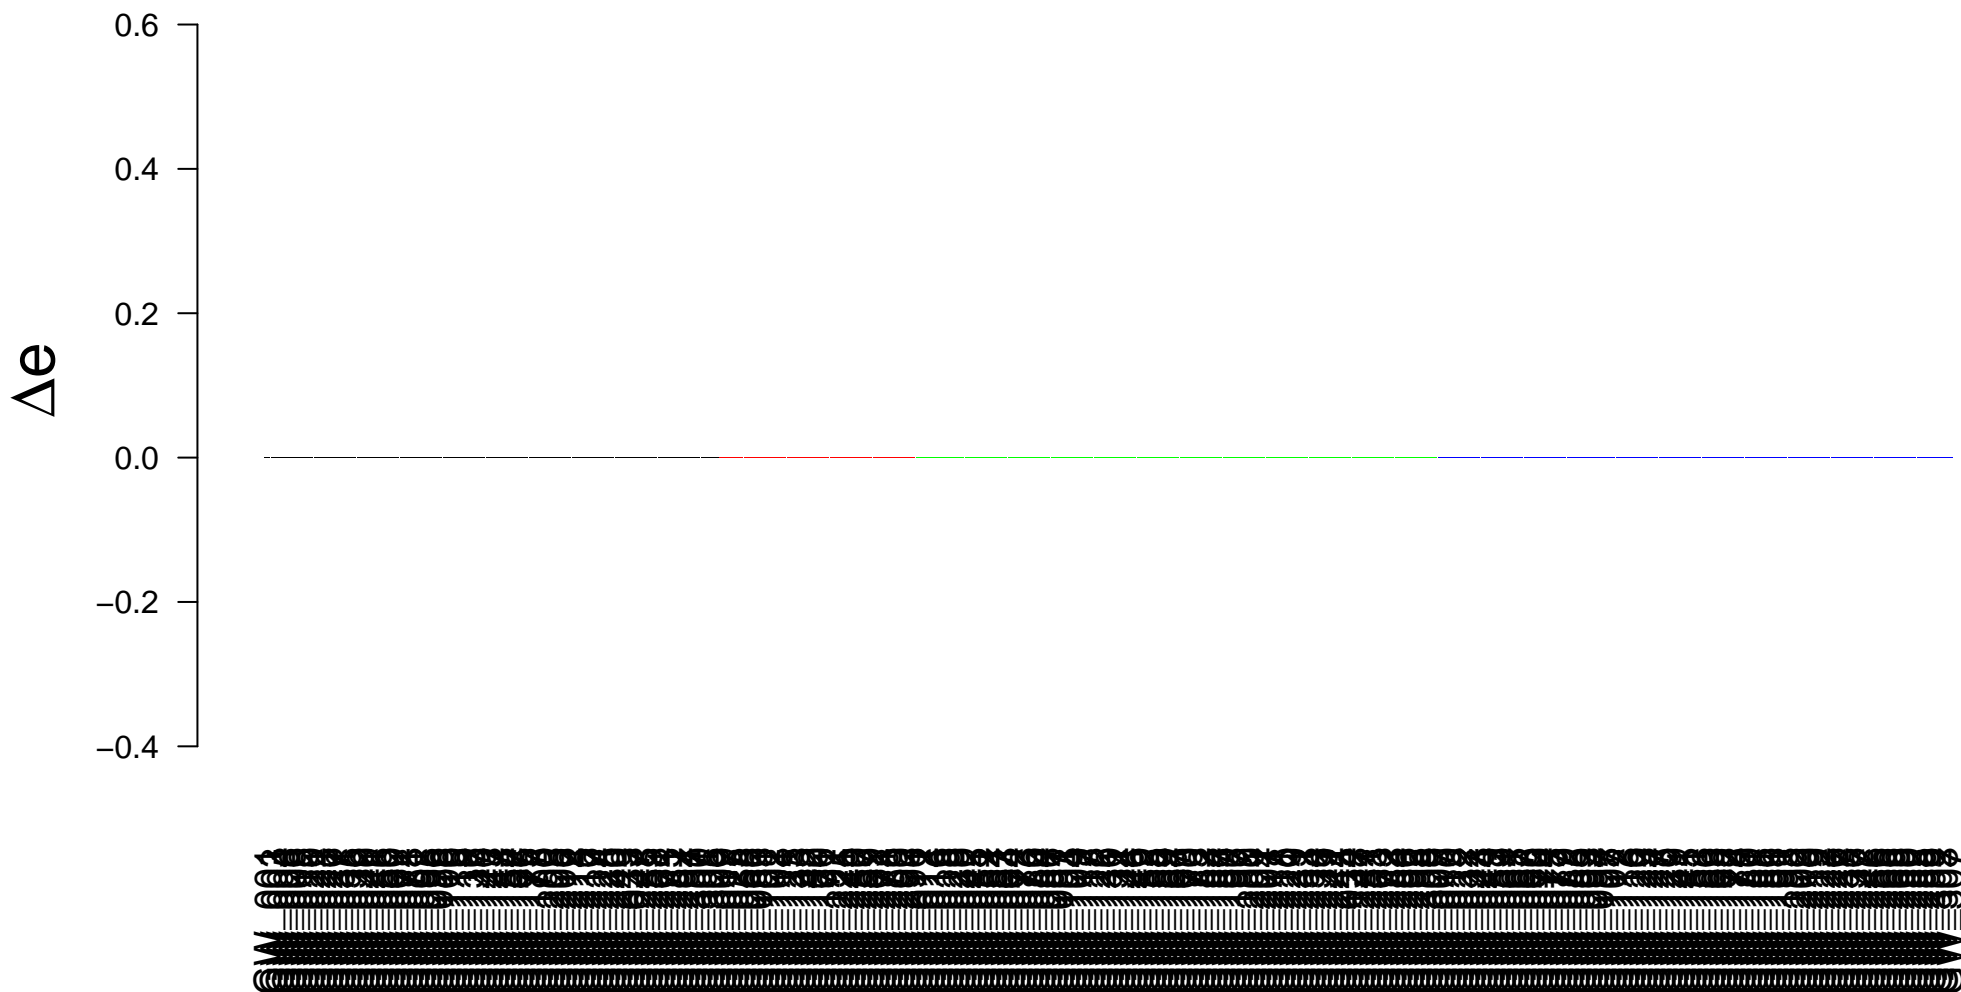

Expression of ATP synthesis coupled proton transport in Spot A

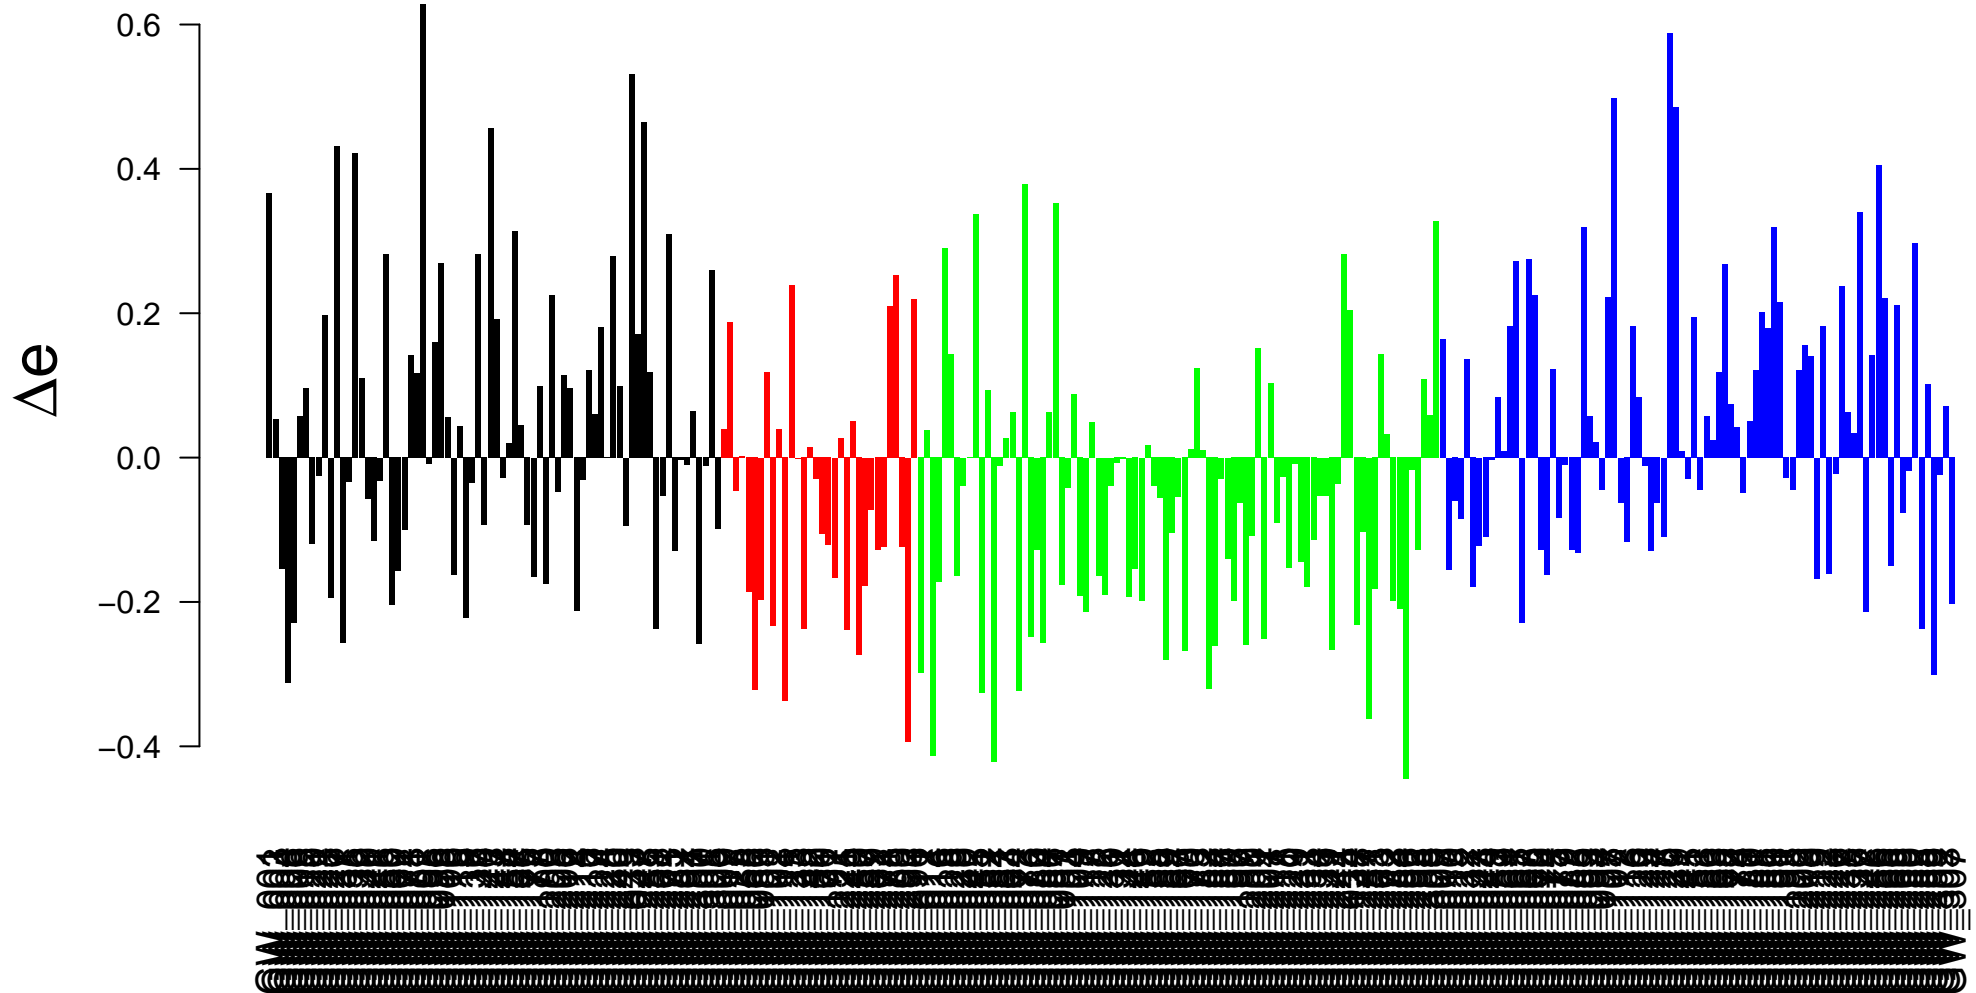

Expression of ATP synthesis coupled proton transport in Spot B

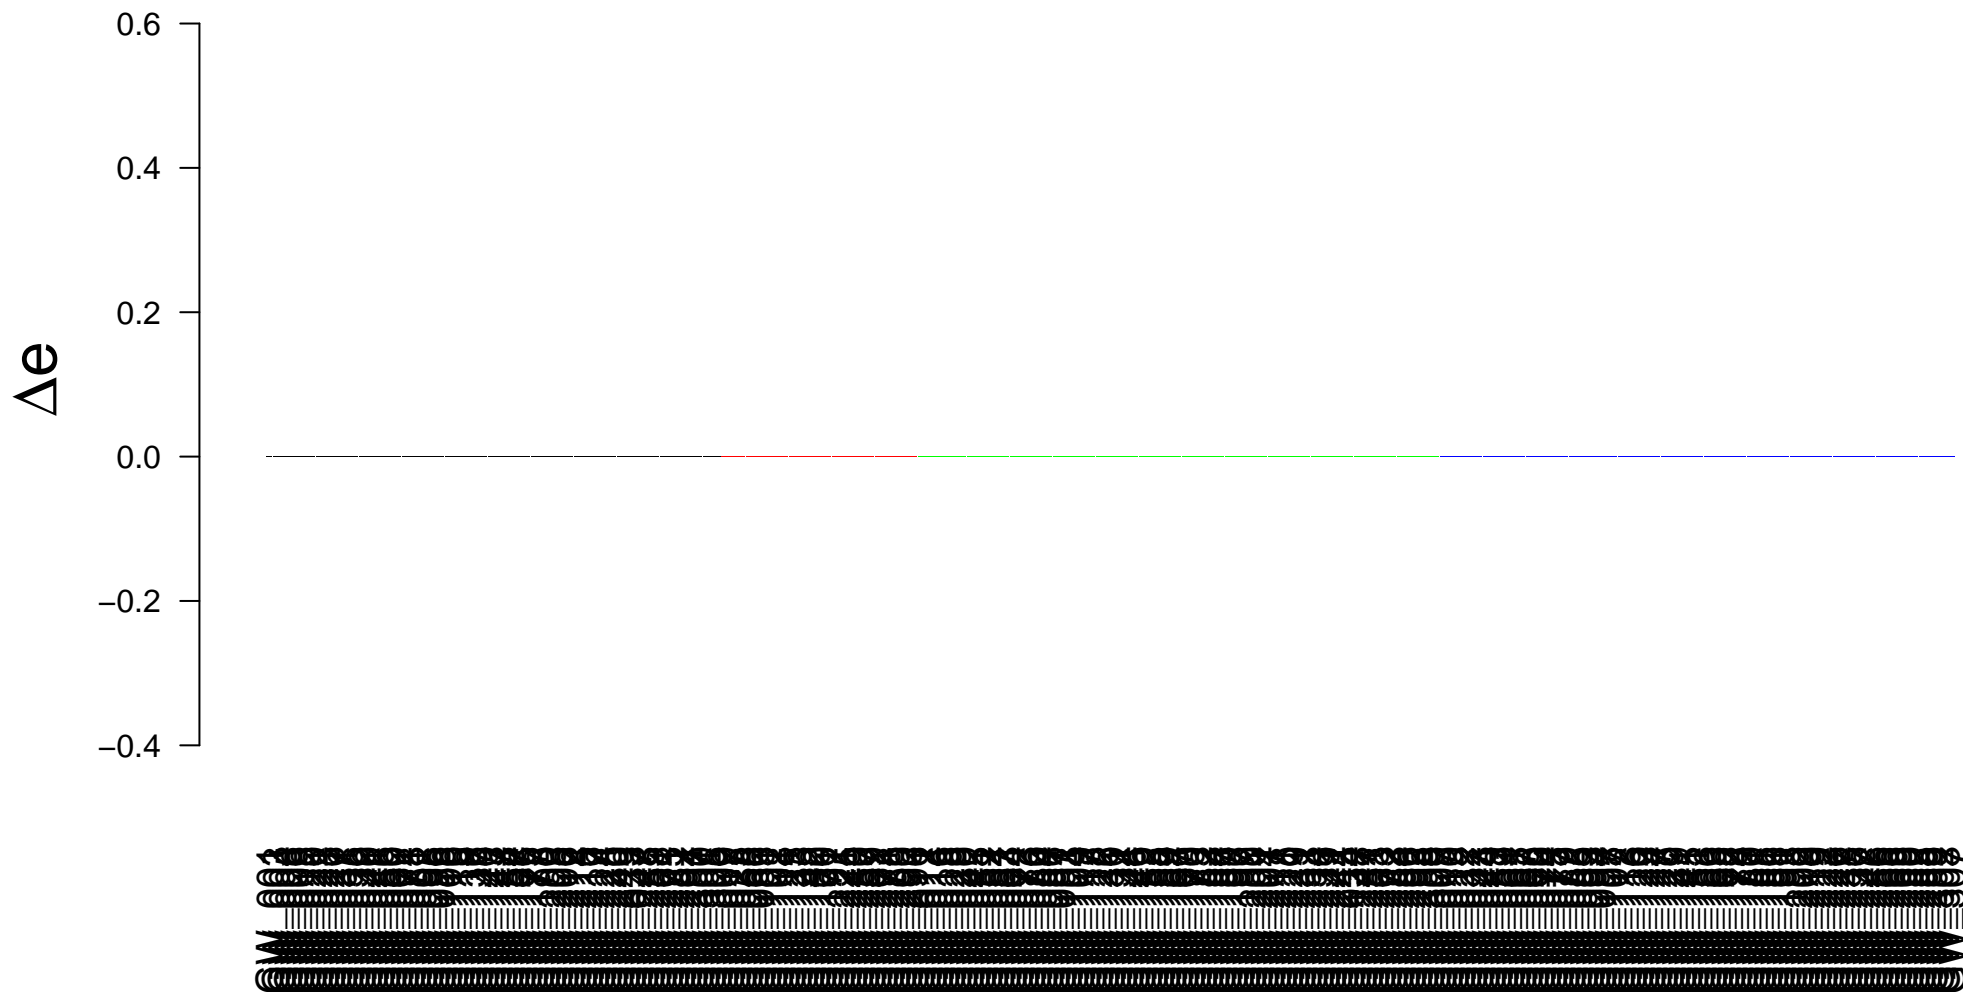

Expression of ATP synthesis coupled proton transport in Spot C

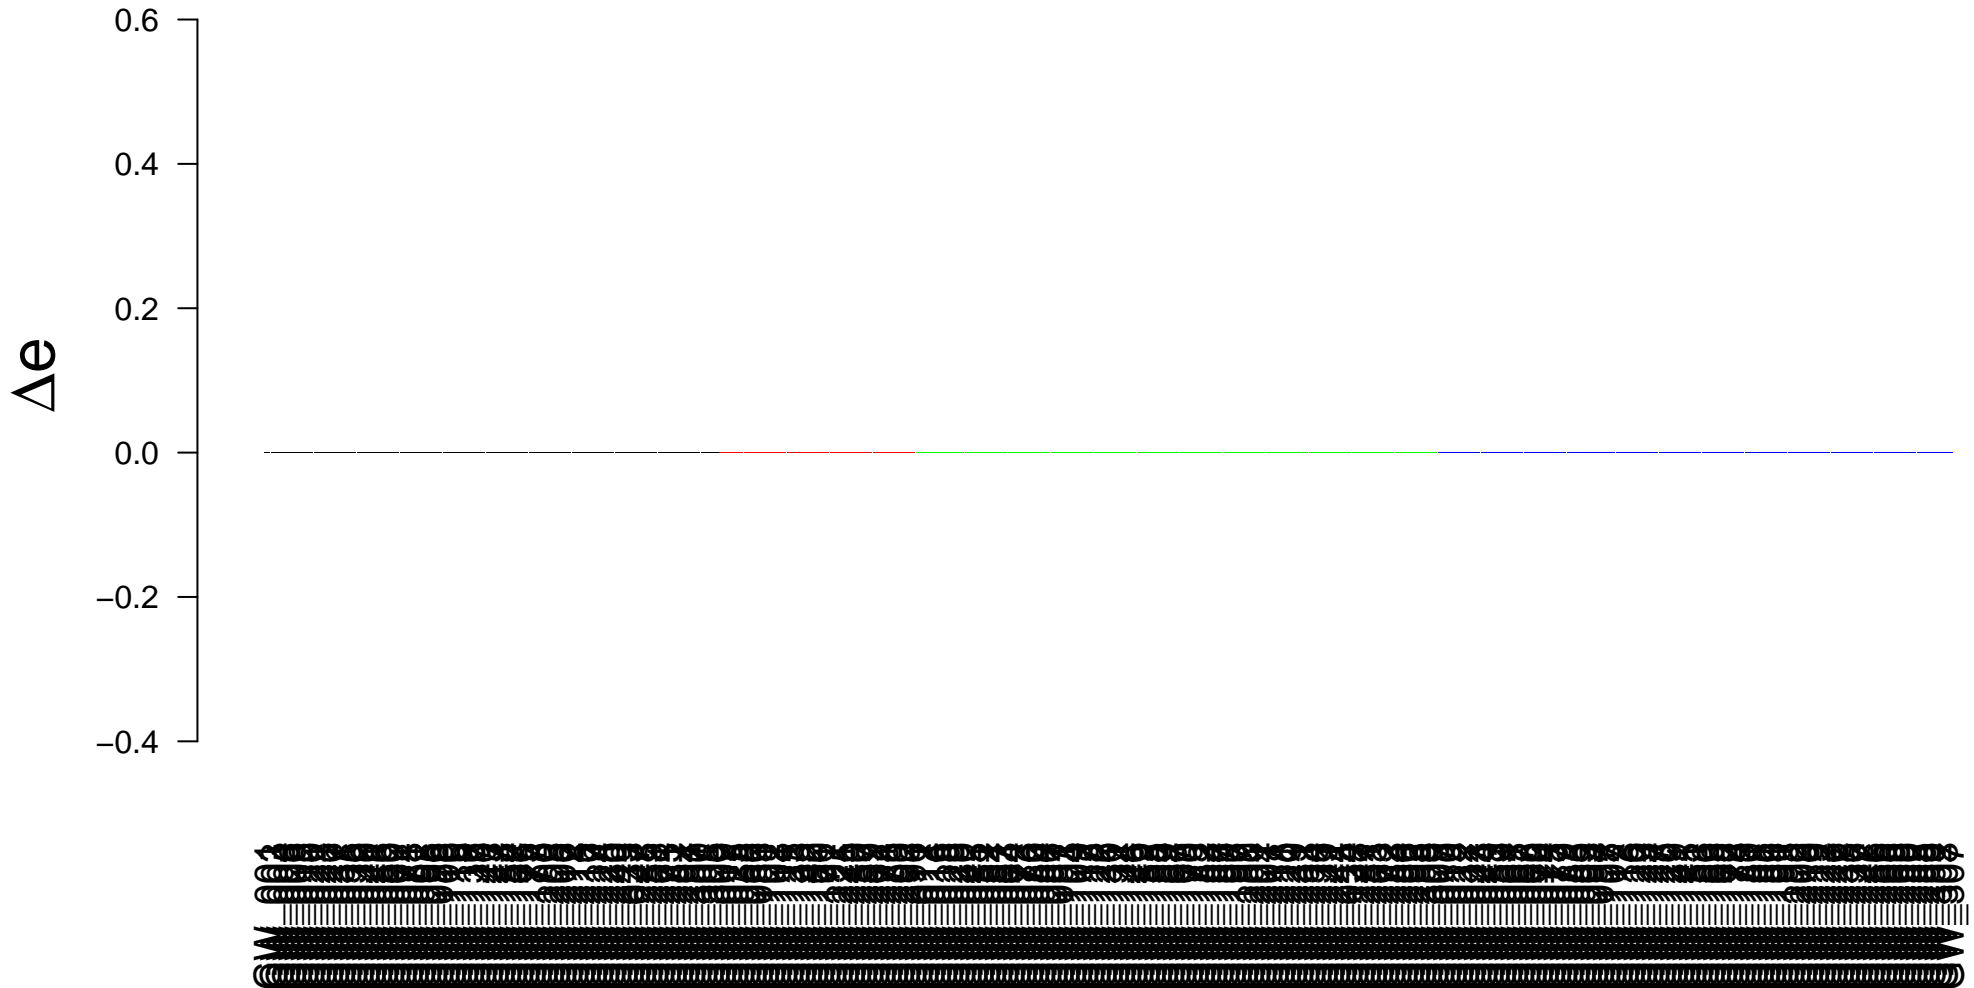

Expression of ATP synthesis coupled proton transport in Spot D

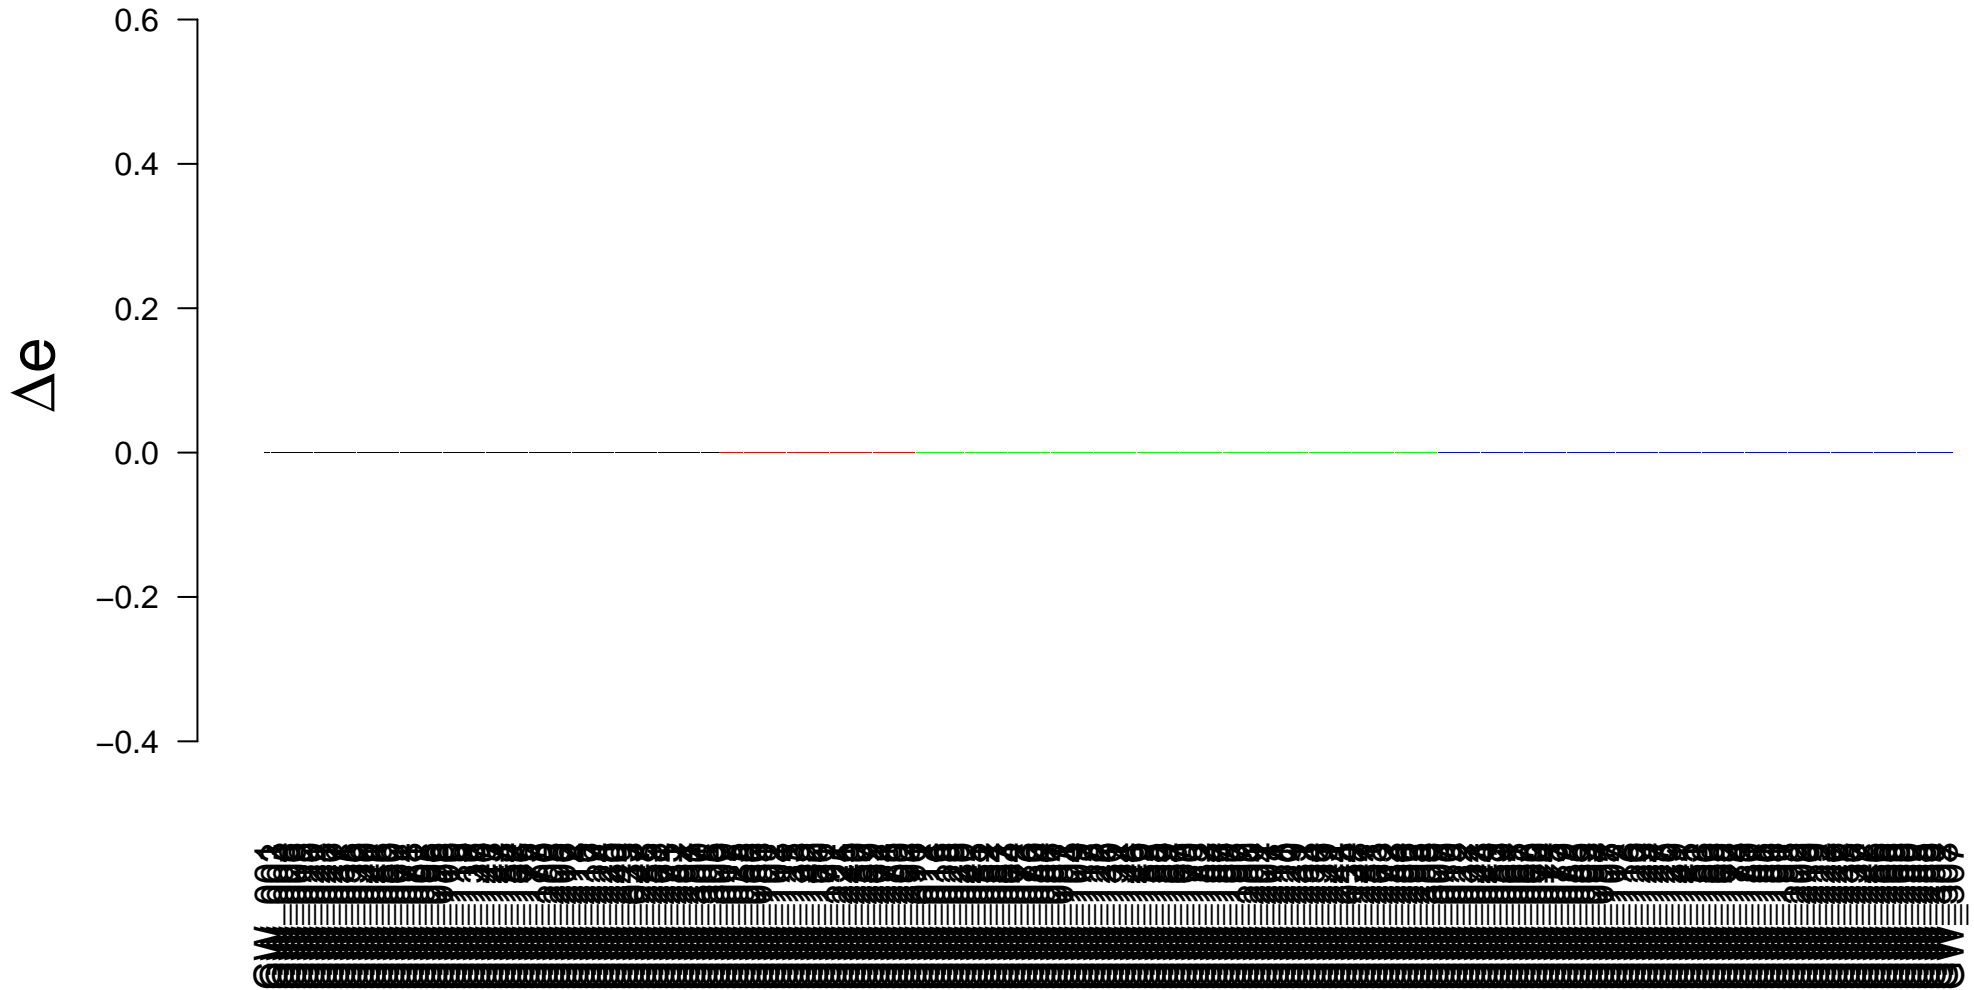

Expression of ATP synthesis coupled proton transport in Spot E

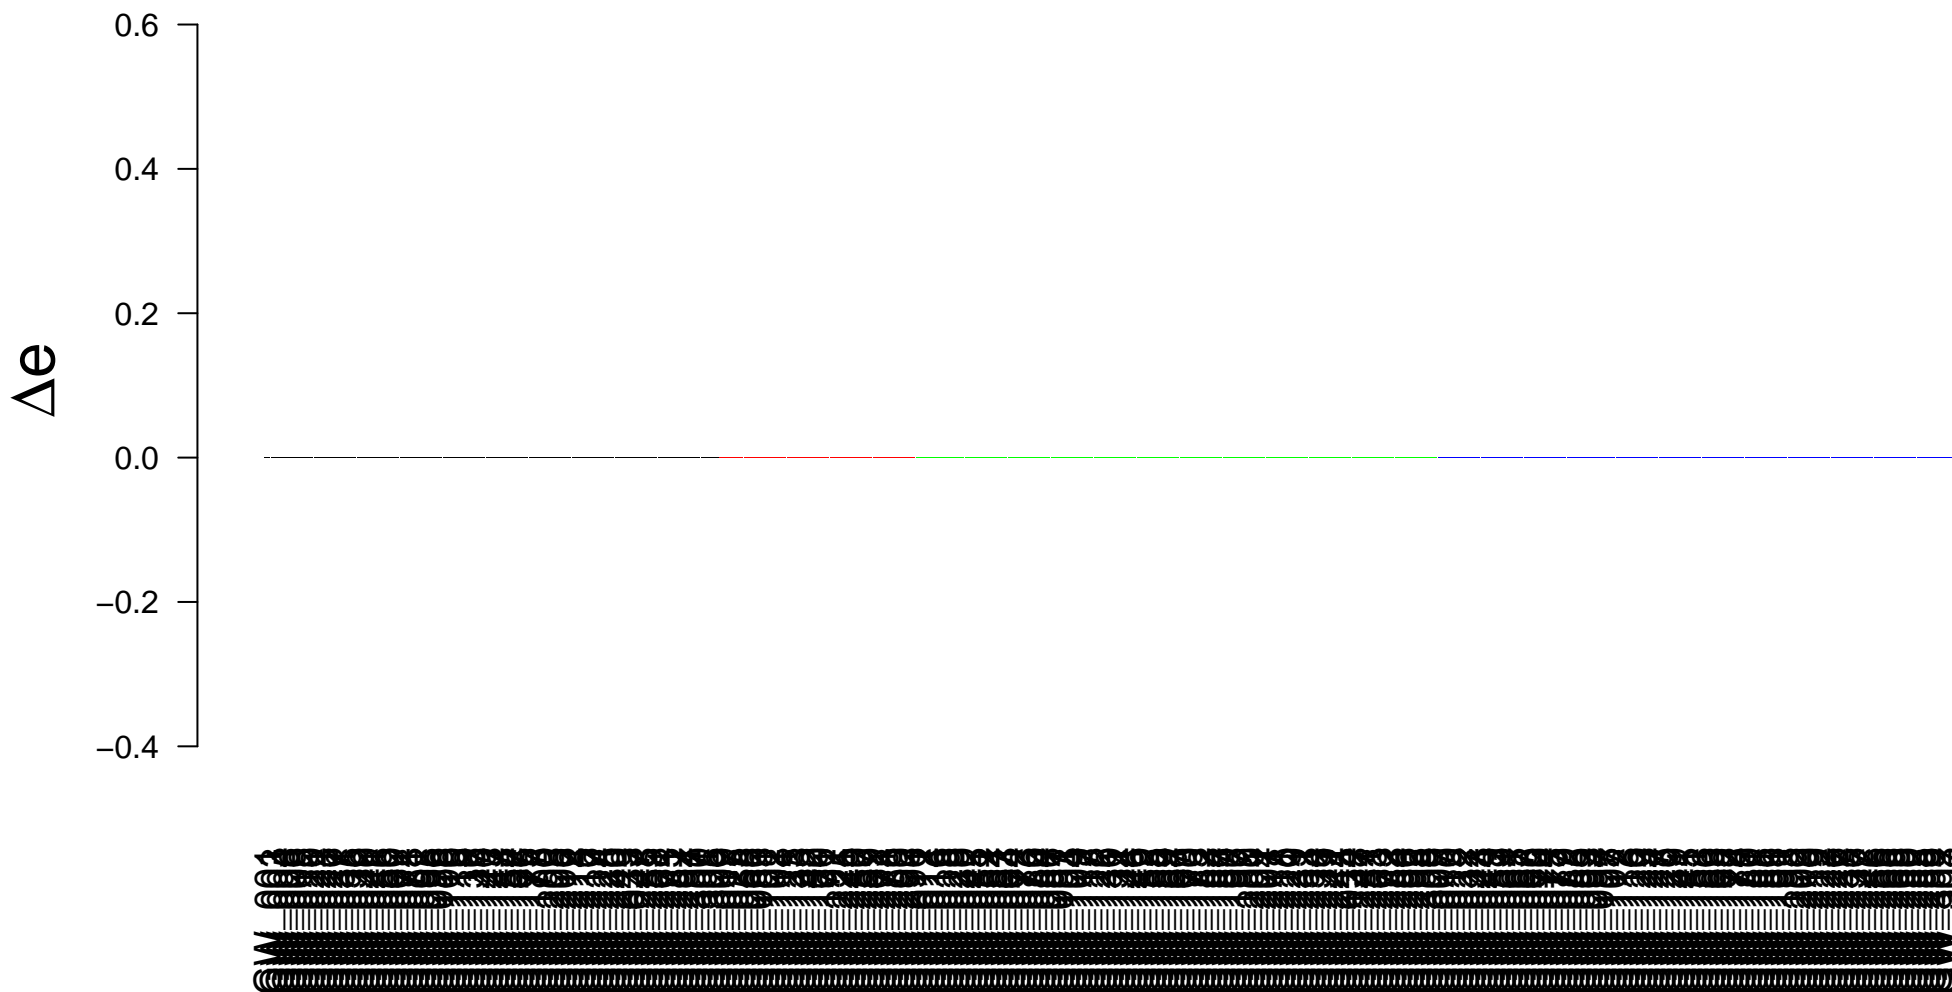

Expression of ATP synthesis coupled proton transport in Spot F

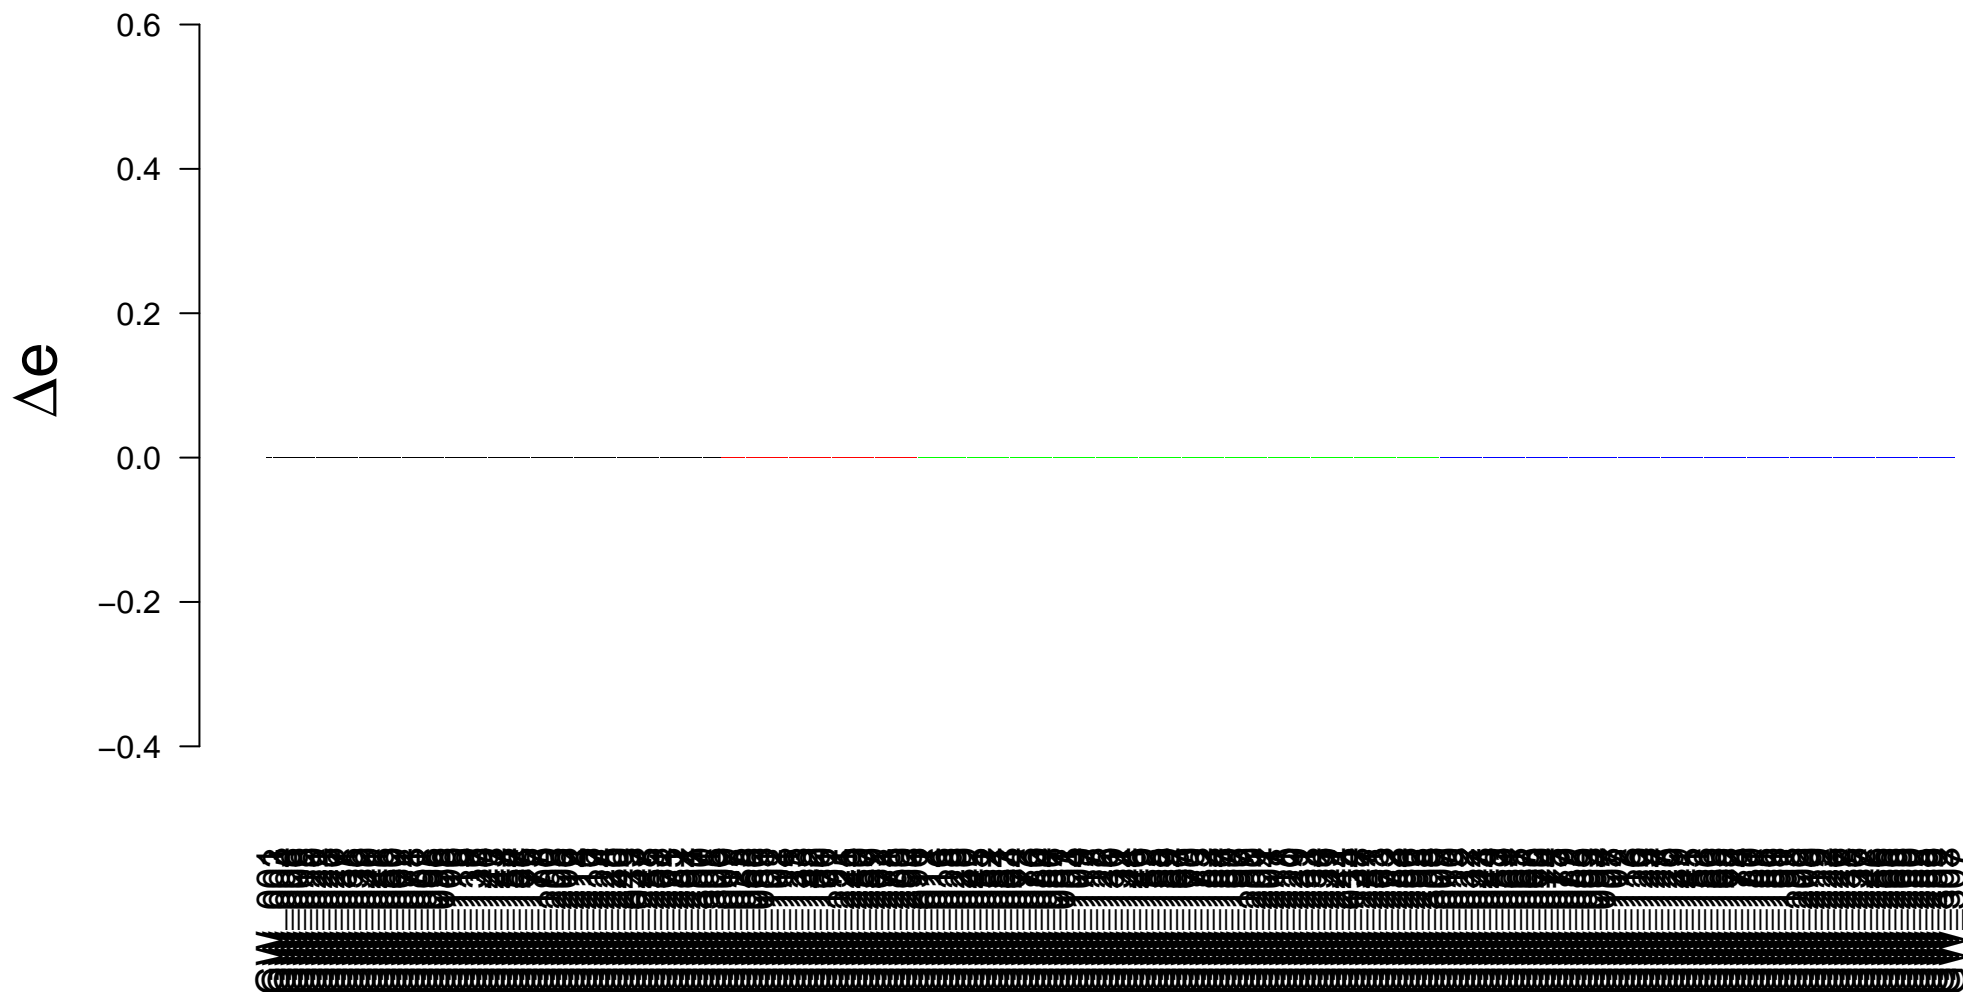

Expression of ATP synthesis coupled proton transport in Spot G

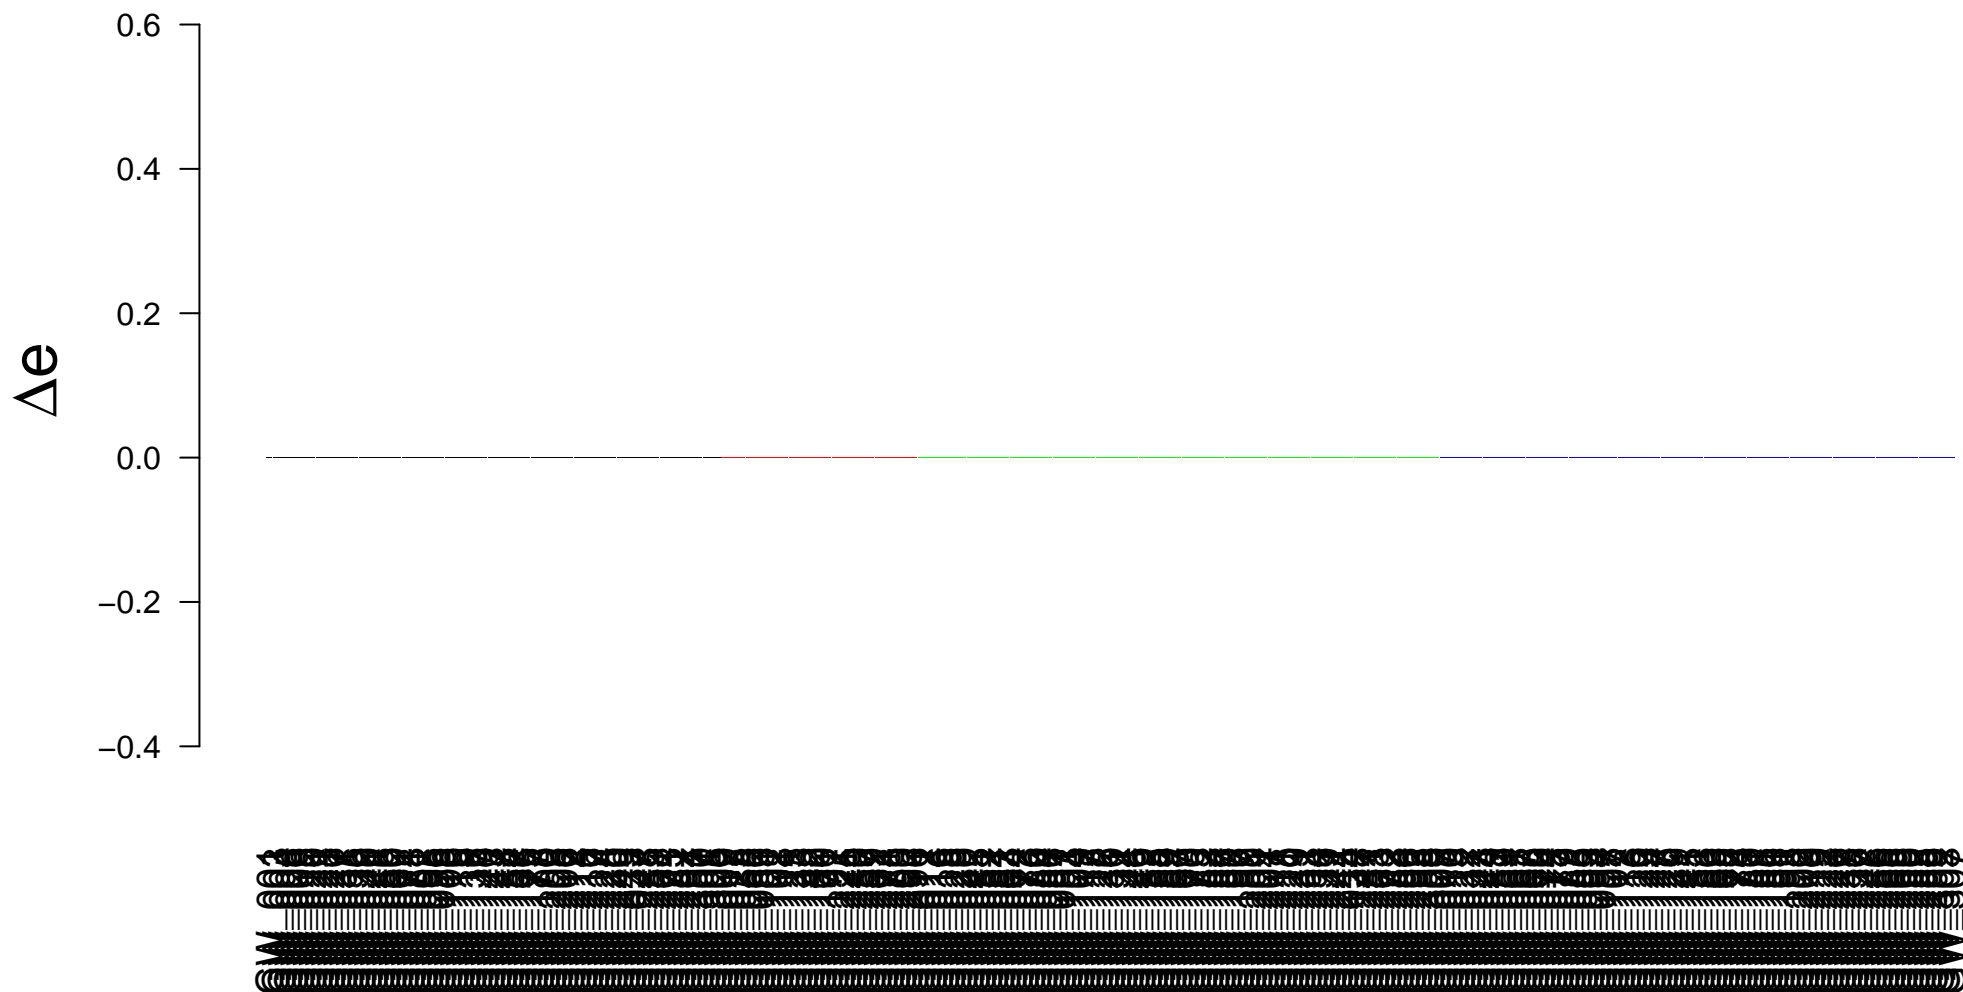

Expression of ATP synthesis coupled proton transport in Spot H

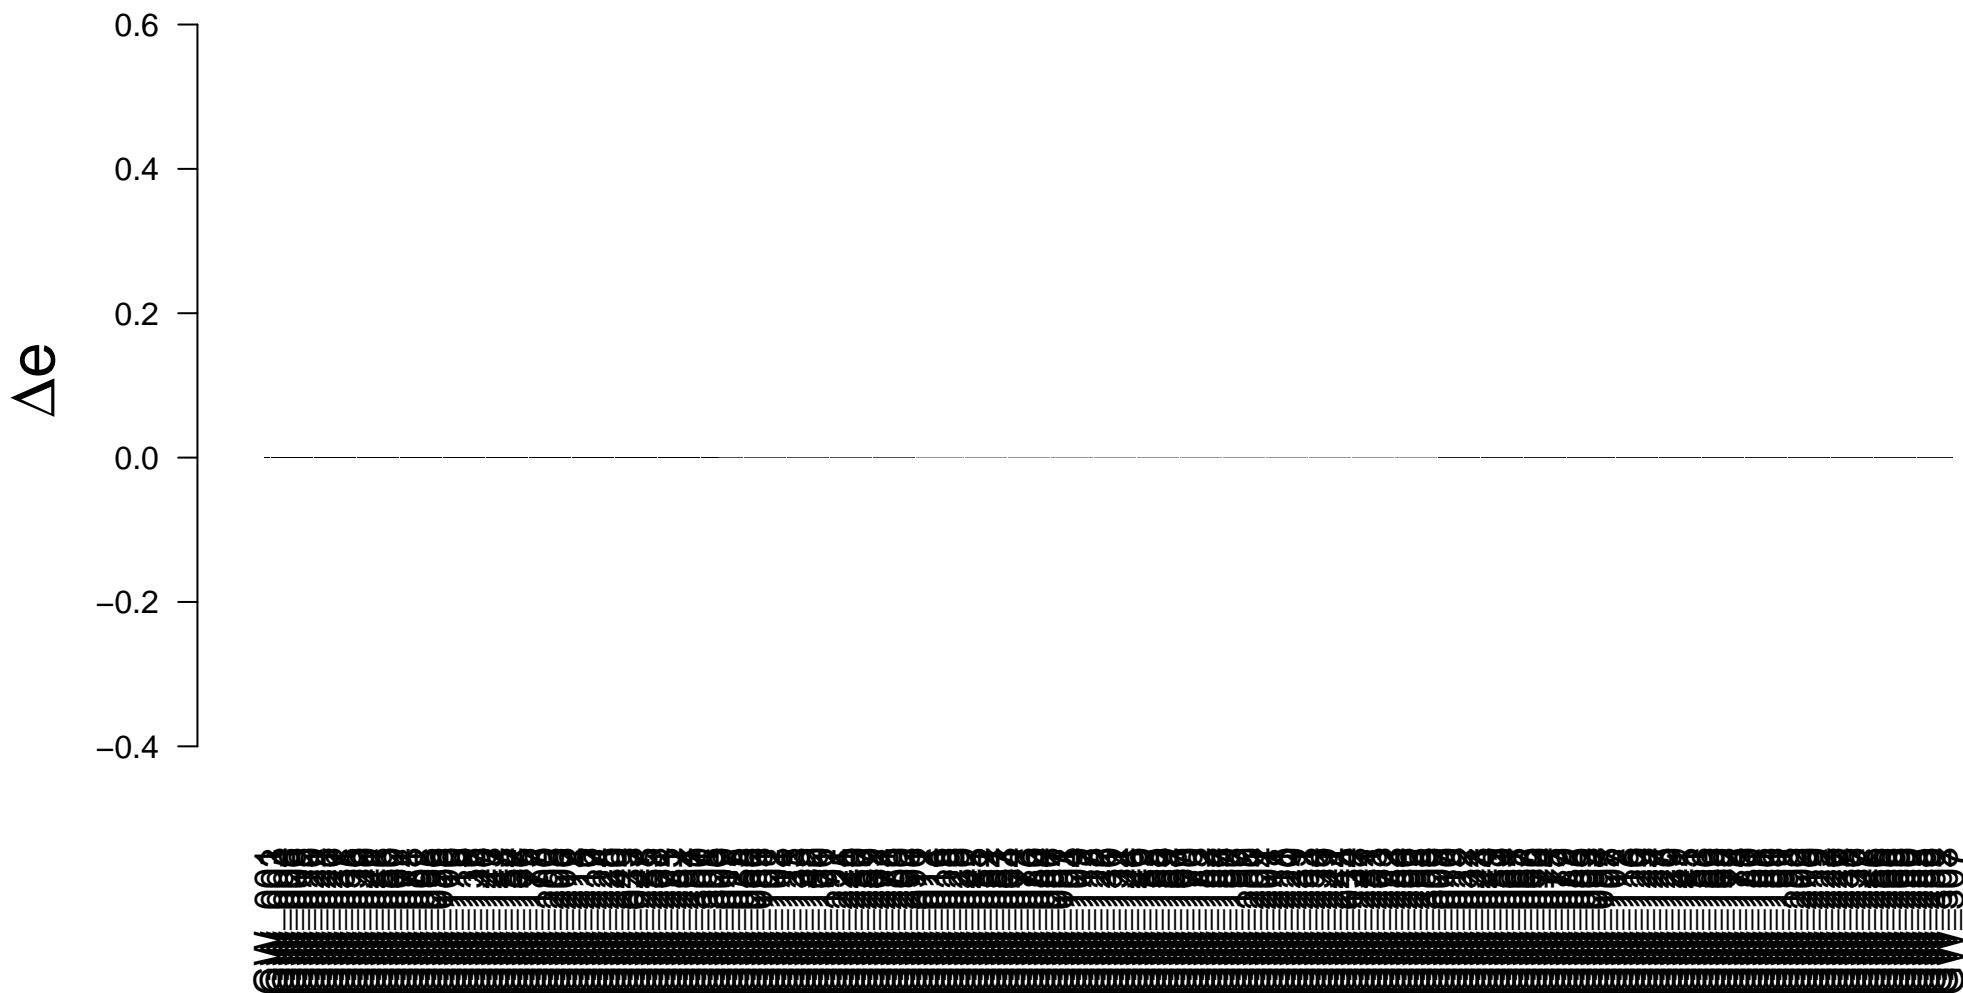

Expression of ATP synthesis coupled proton transport in Spot I

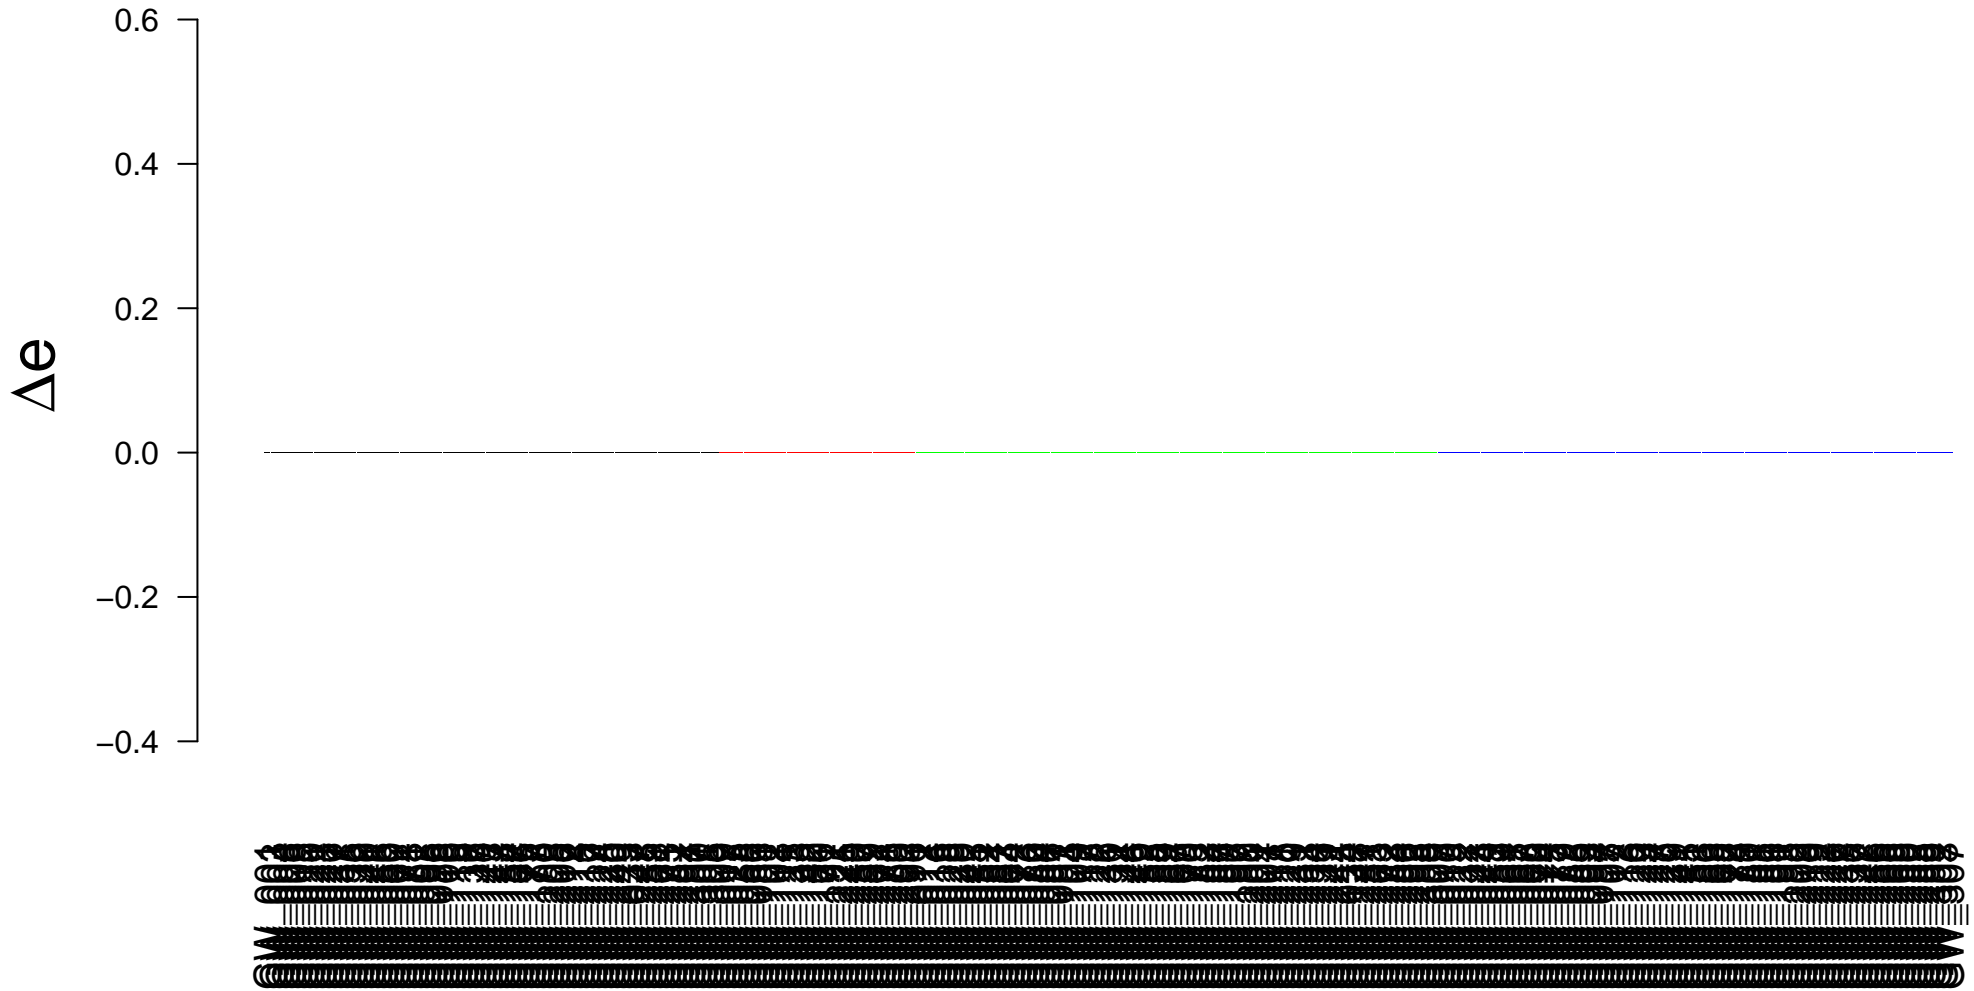

Expression of ATP synthesis coupled proton transport in Spot J

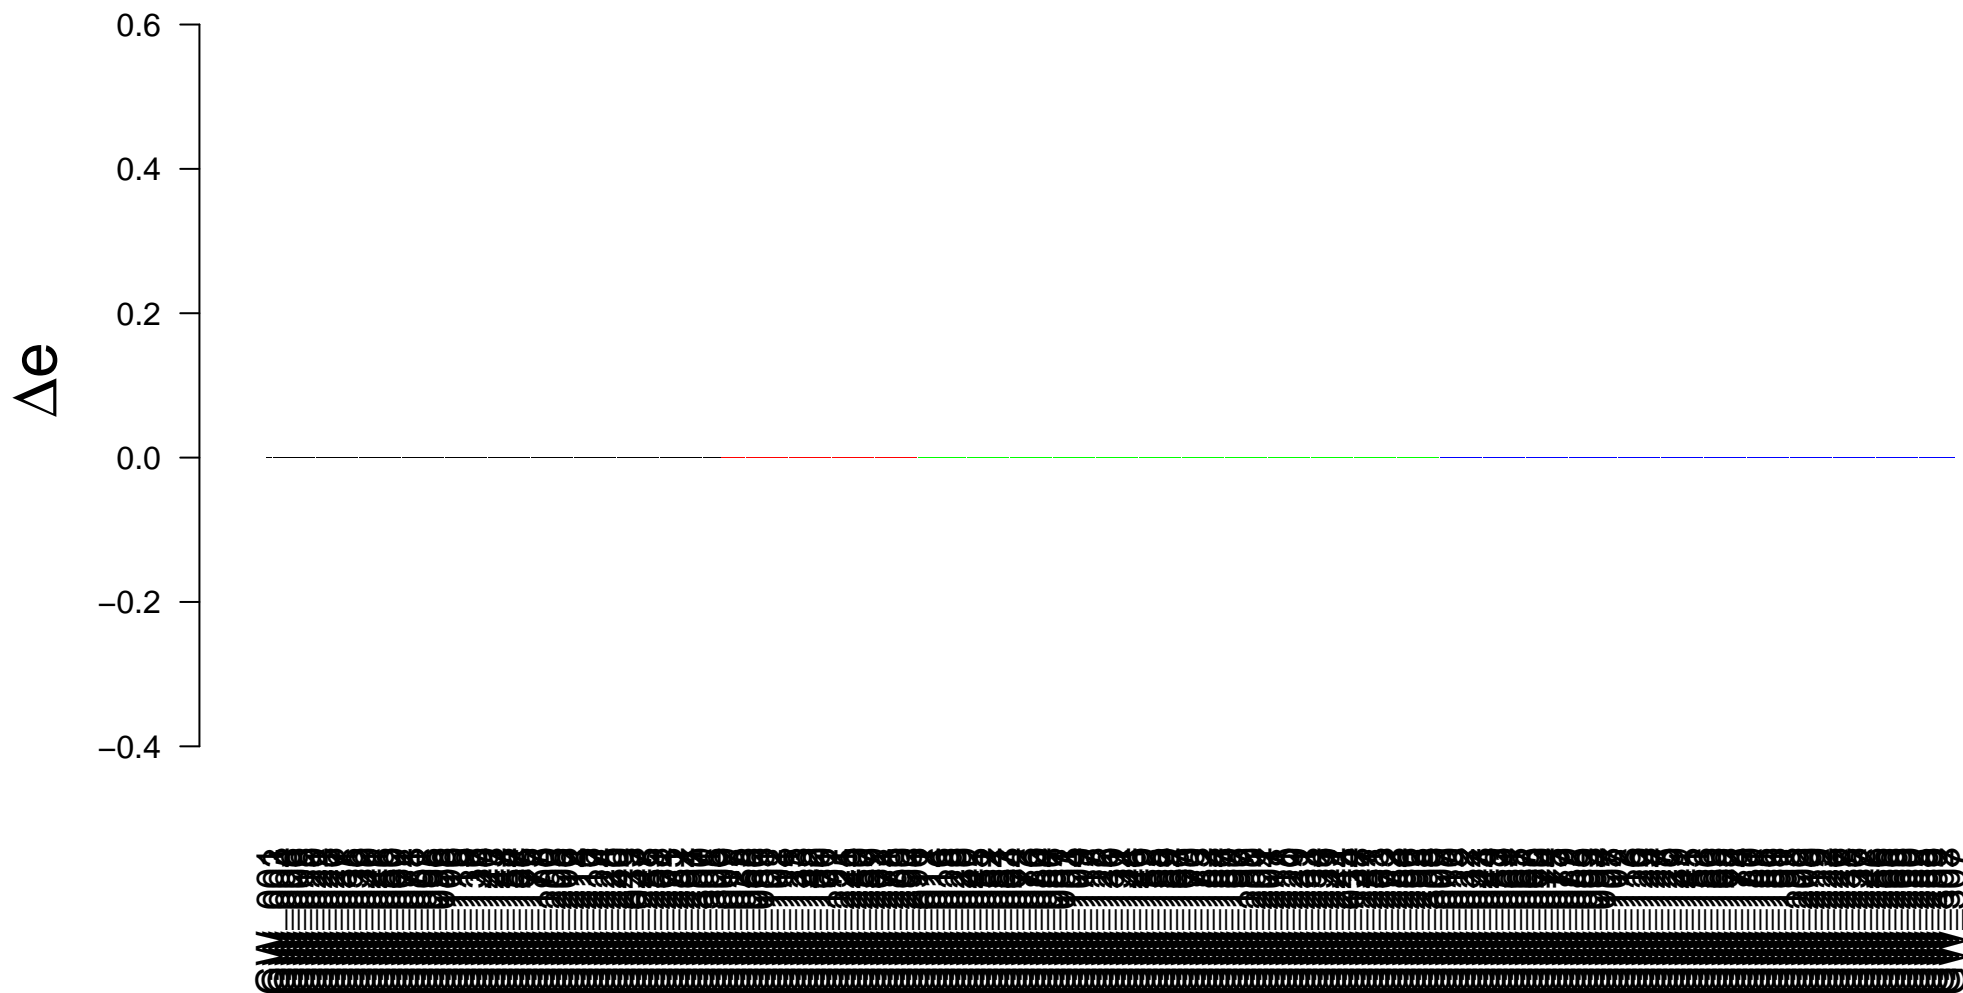

Expression of ATP synthesis coupled proton transport in Spot K

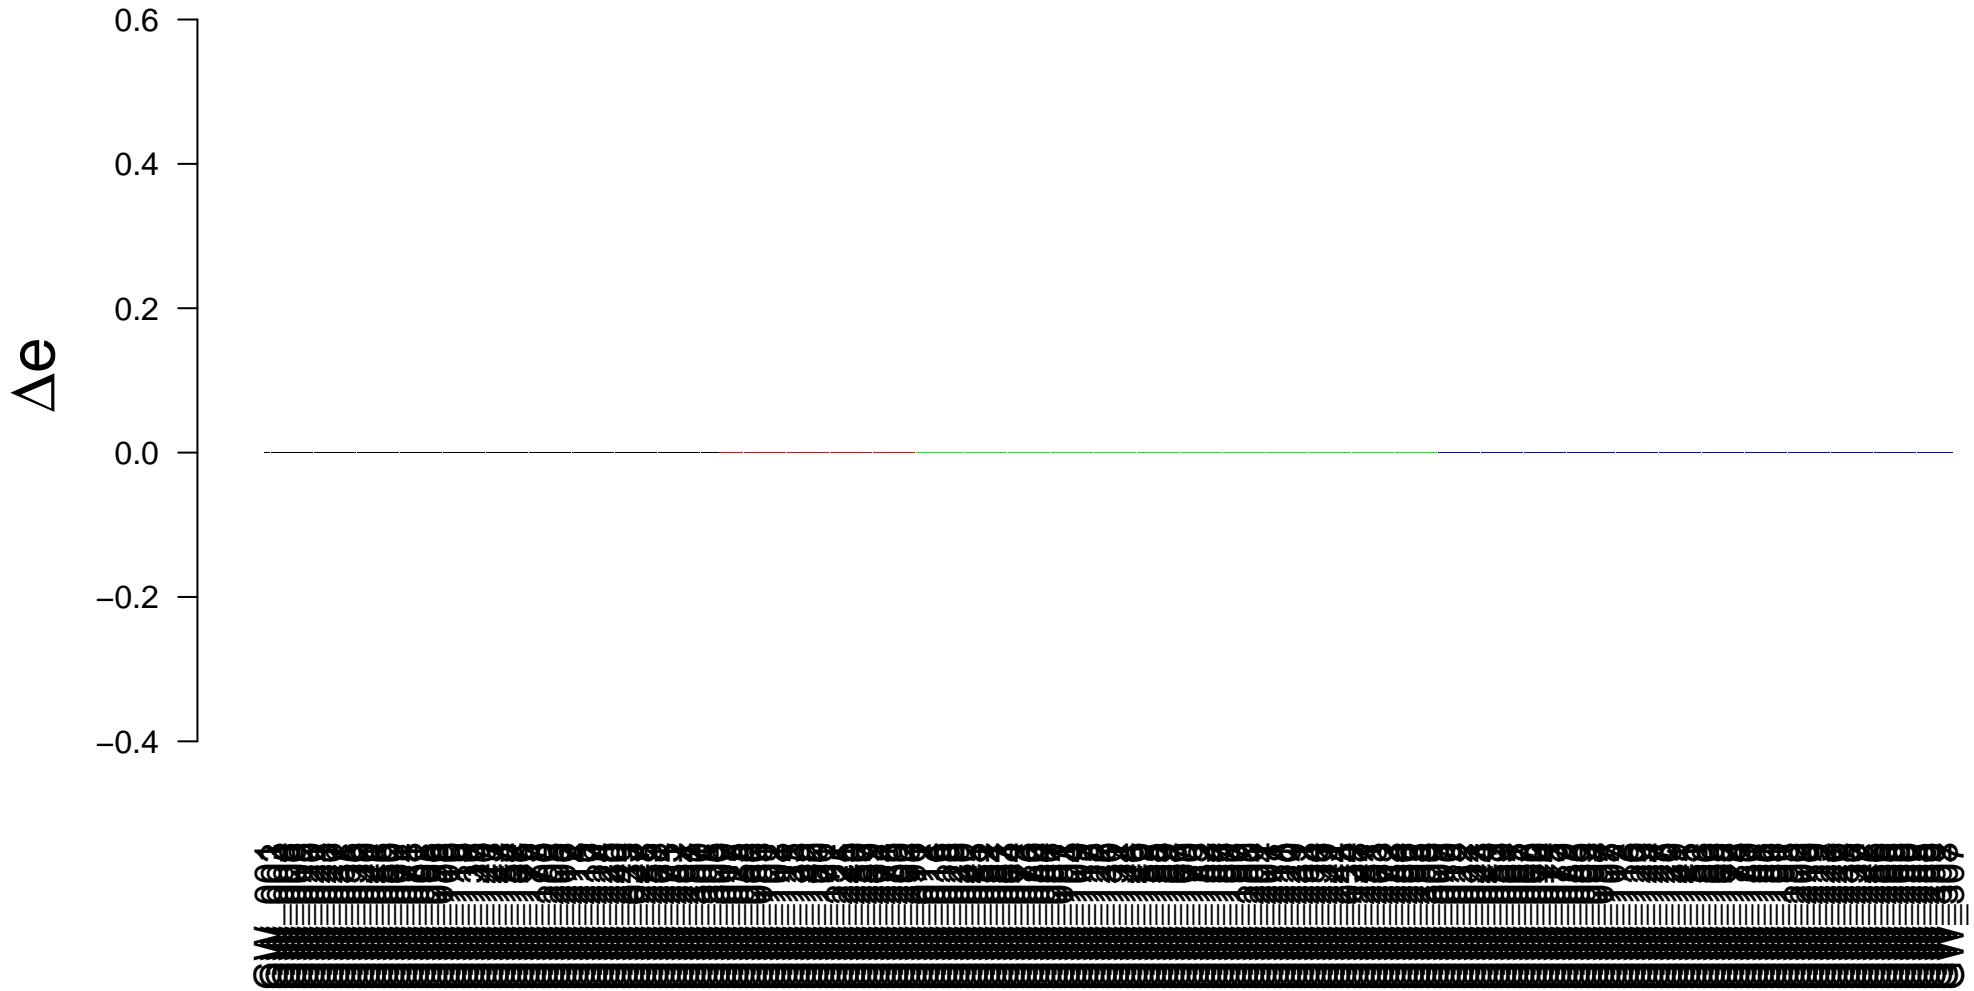

Expression of ATP synthesis coupled proton transport in Spot L

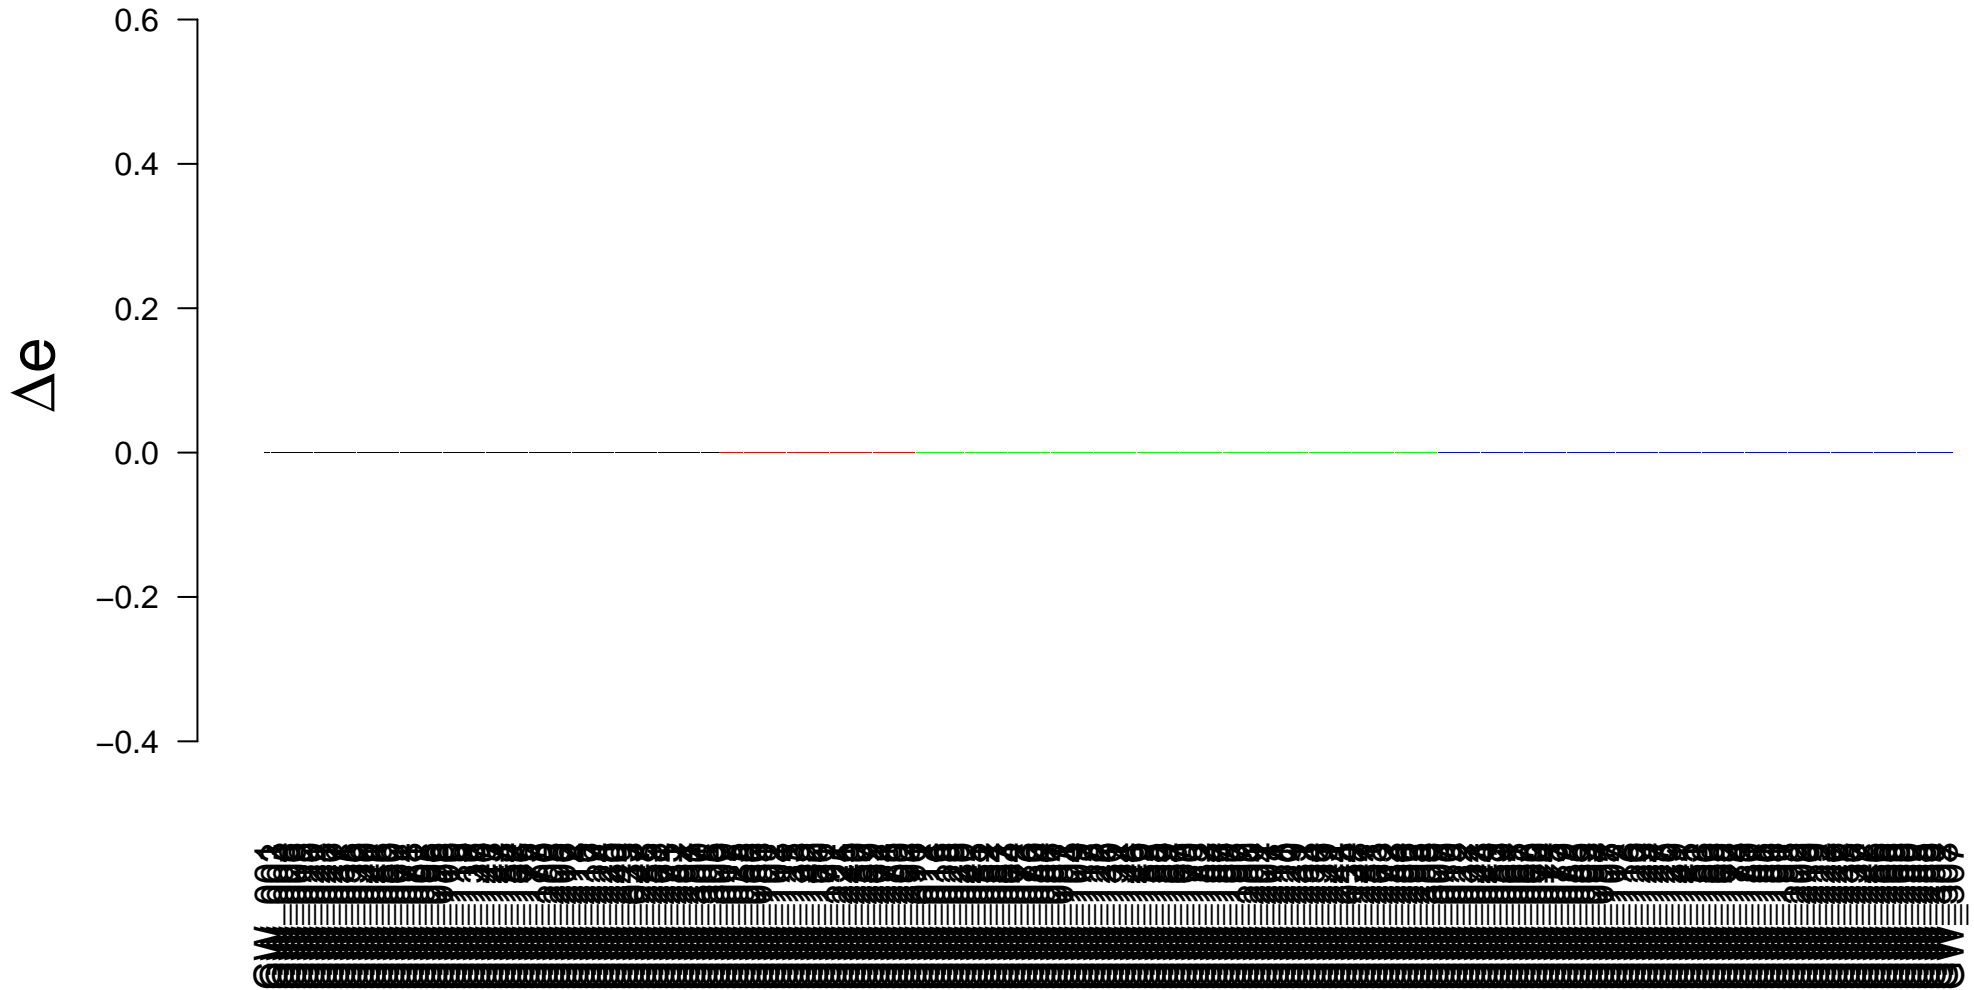

Expression of ATP synthesis coupled proton transport in Spot M

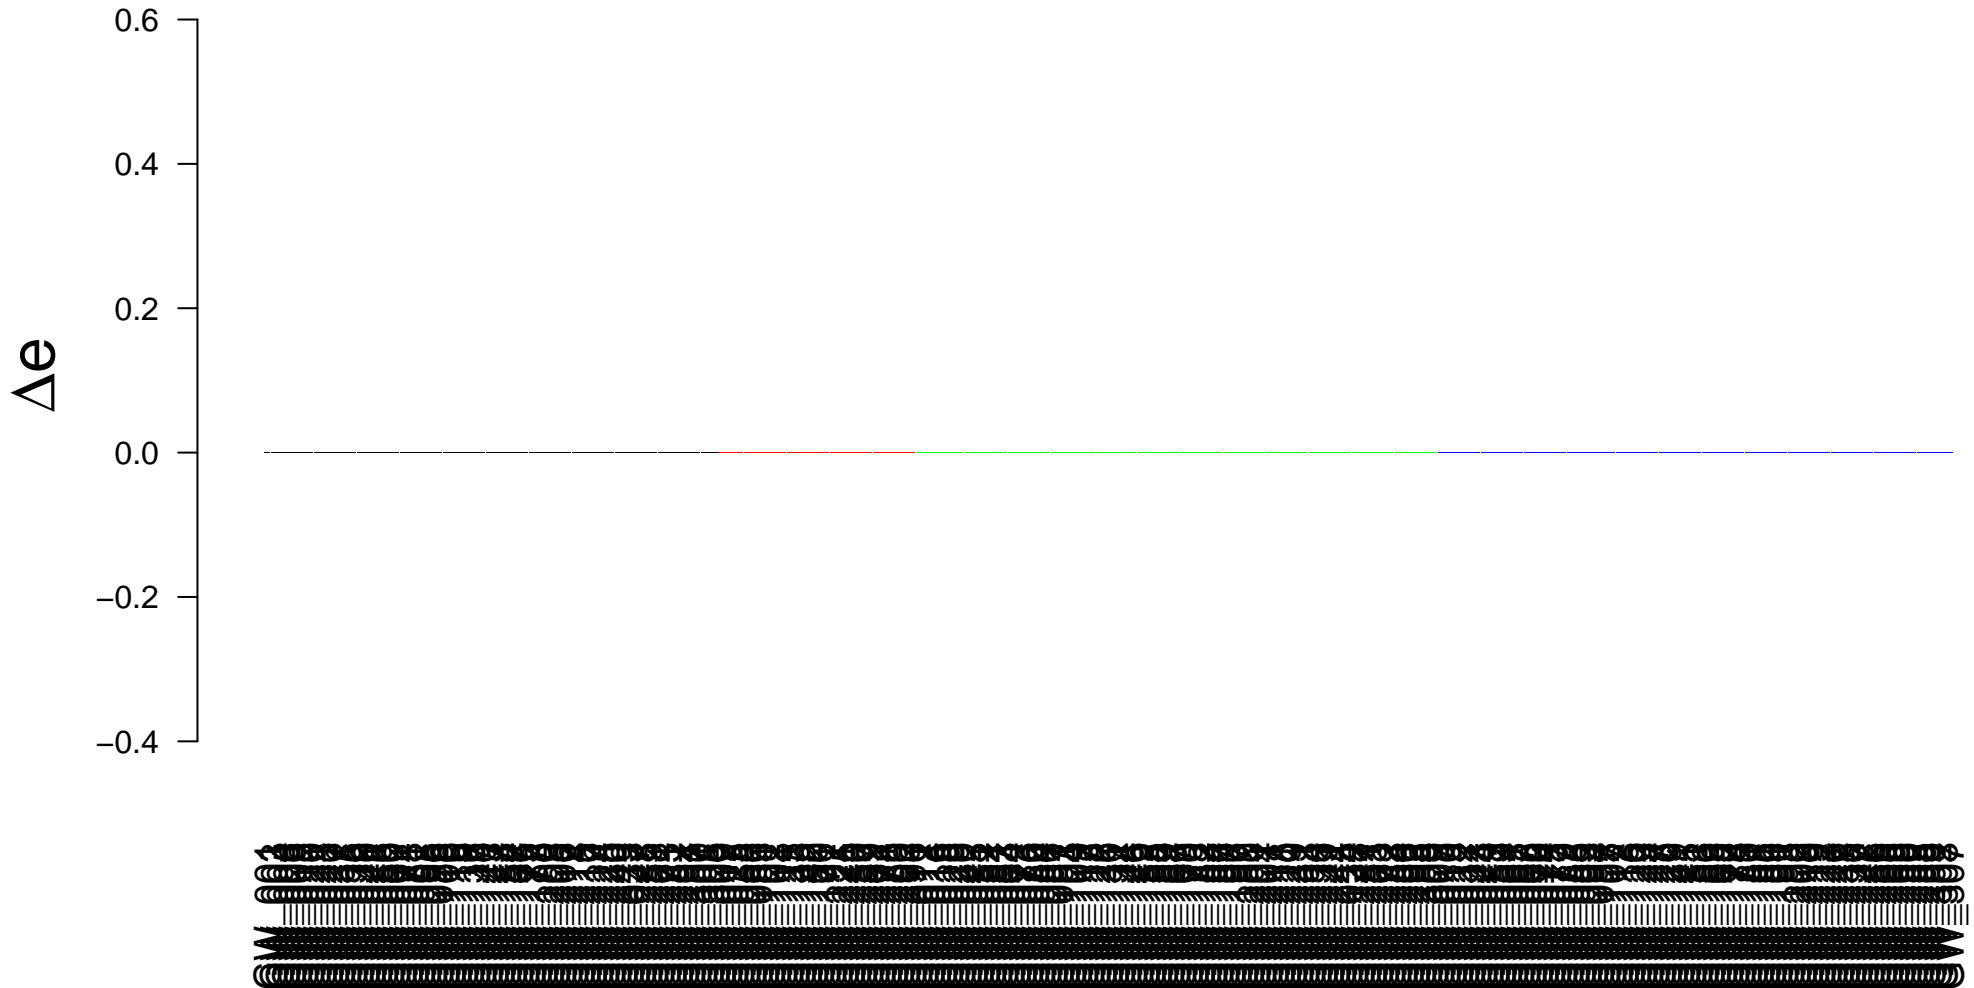

Expression of ATP synthesis coupled proton transport in Spot N

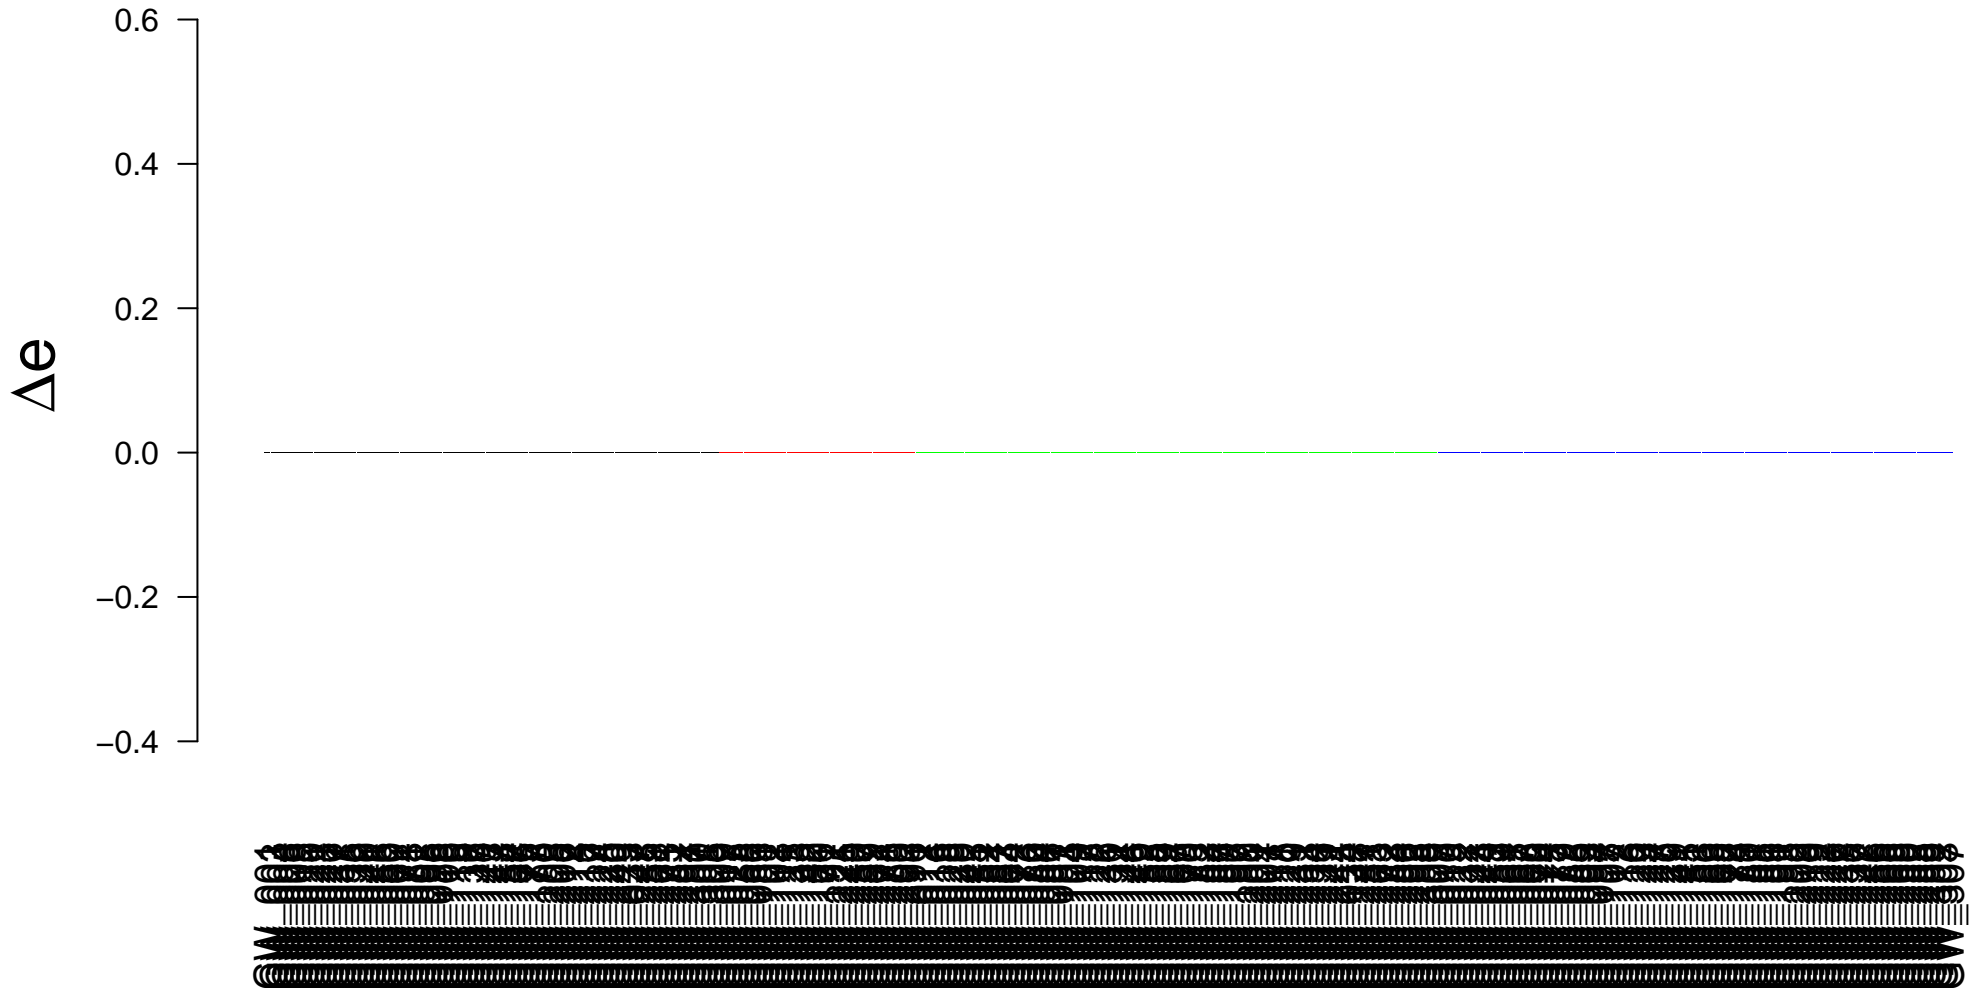

Expression of ATP synthesis coupled proton transport in Spot O

Expression of ATP synthesis coupled proton transport in Spot P

Expression of ATP synthesis coupled proton transport in Spot Q

Expression of ATP synthesis coupled proton transport in Spot R
