

### ATPase activity

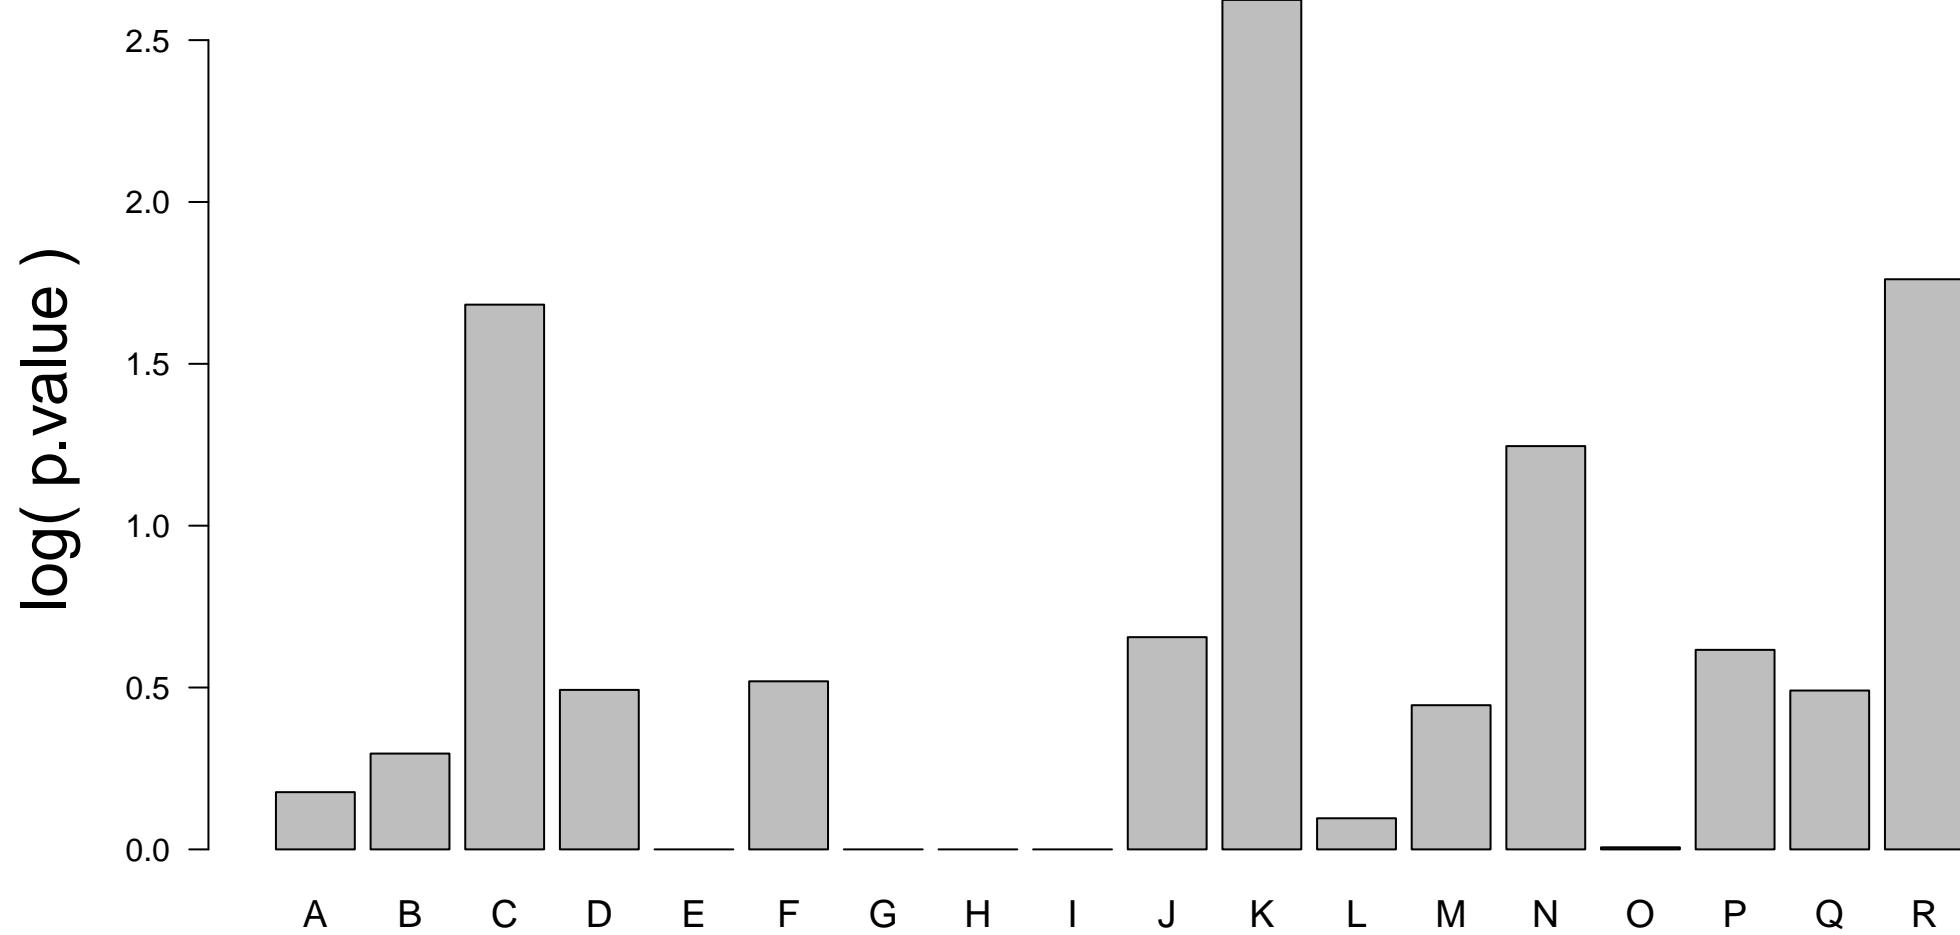

### ATPase activity

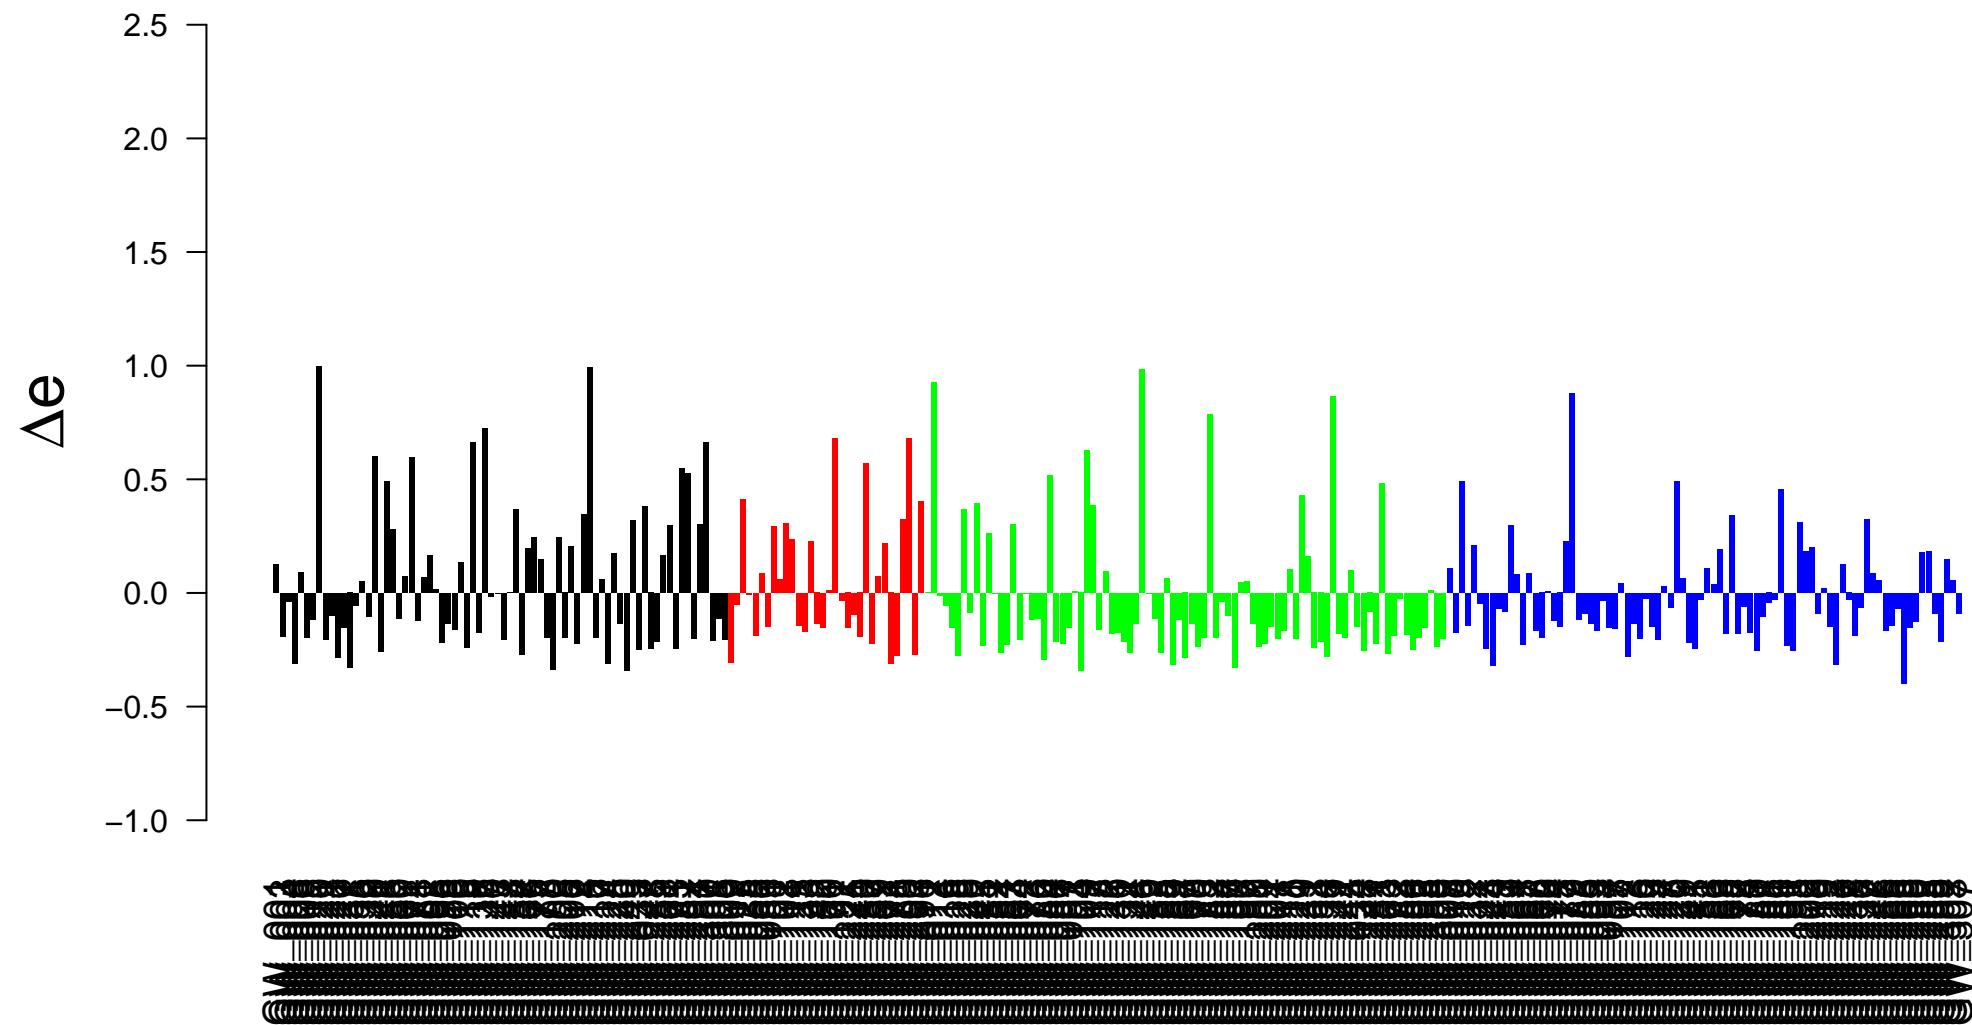

GSZ

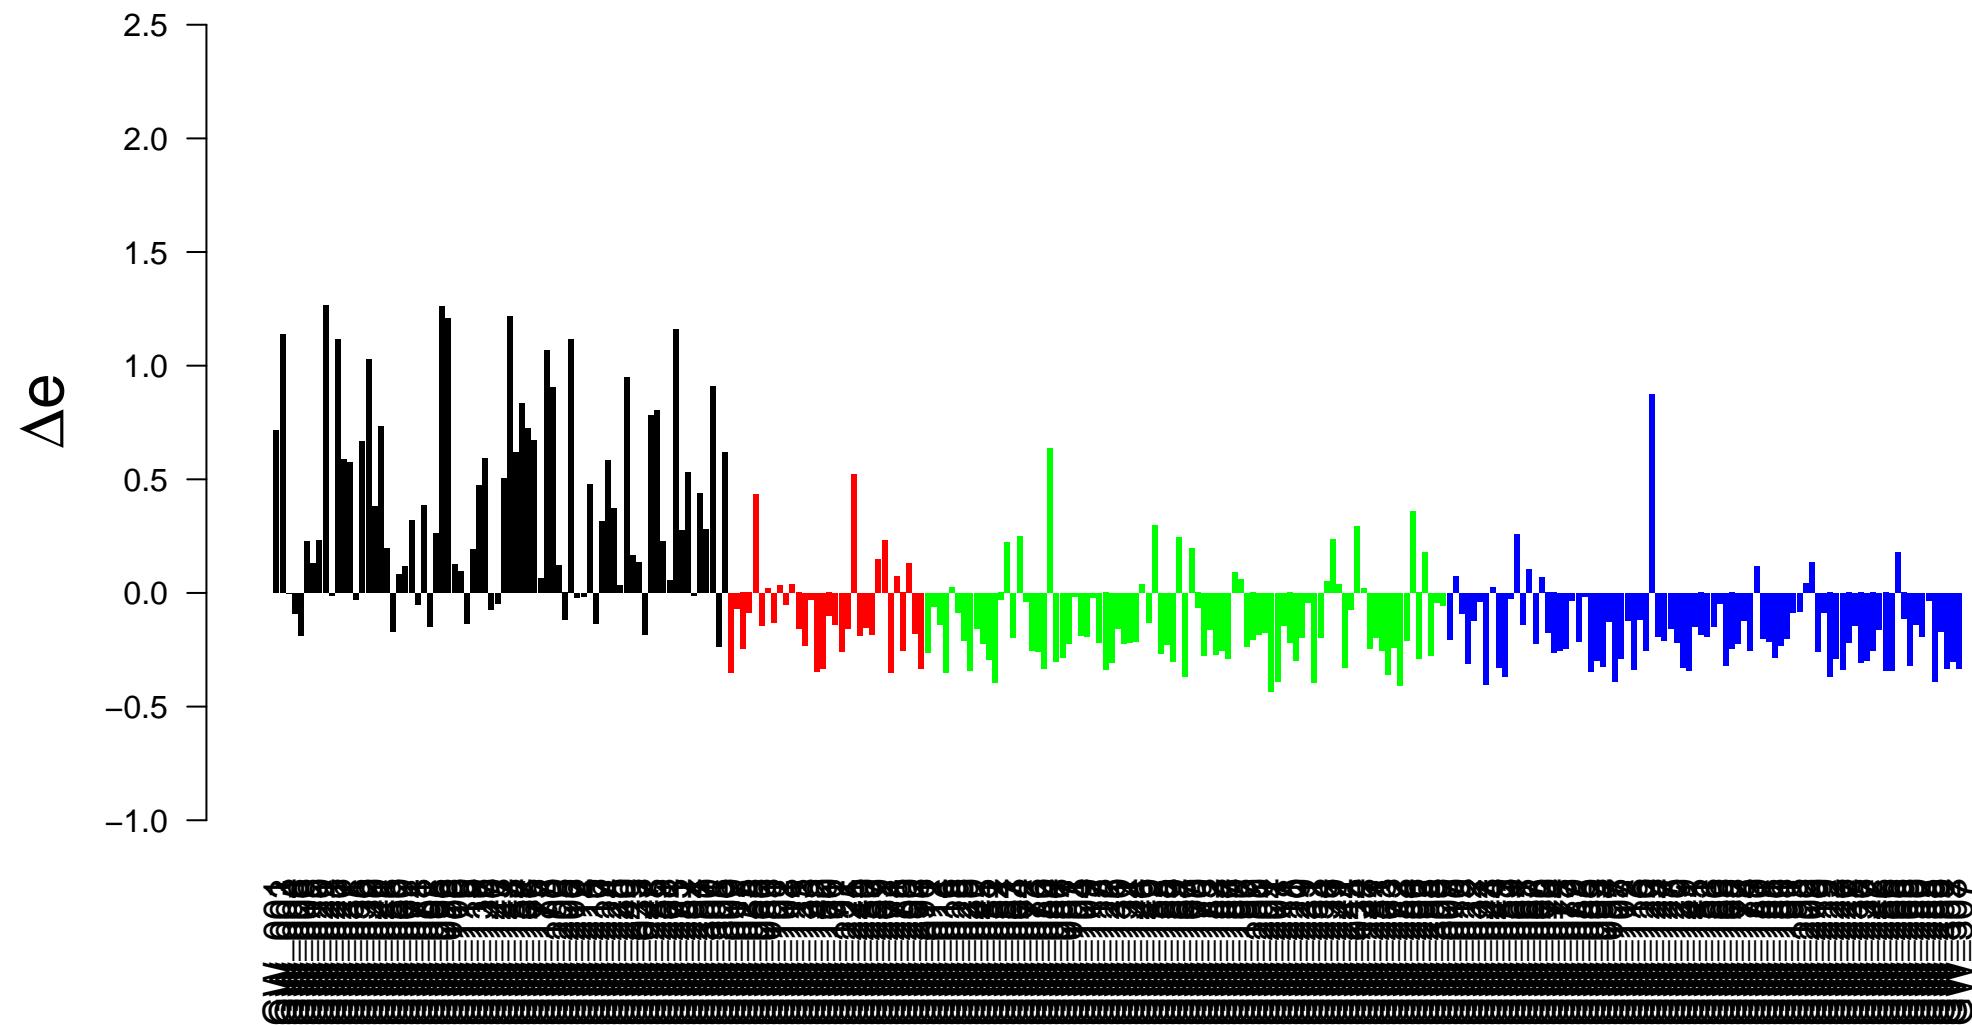

### Enrichment in spots: ATPase activity

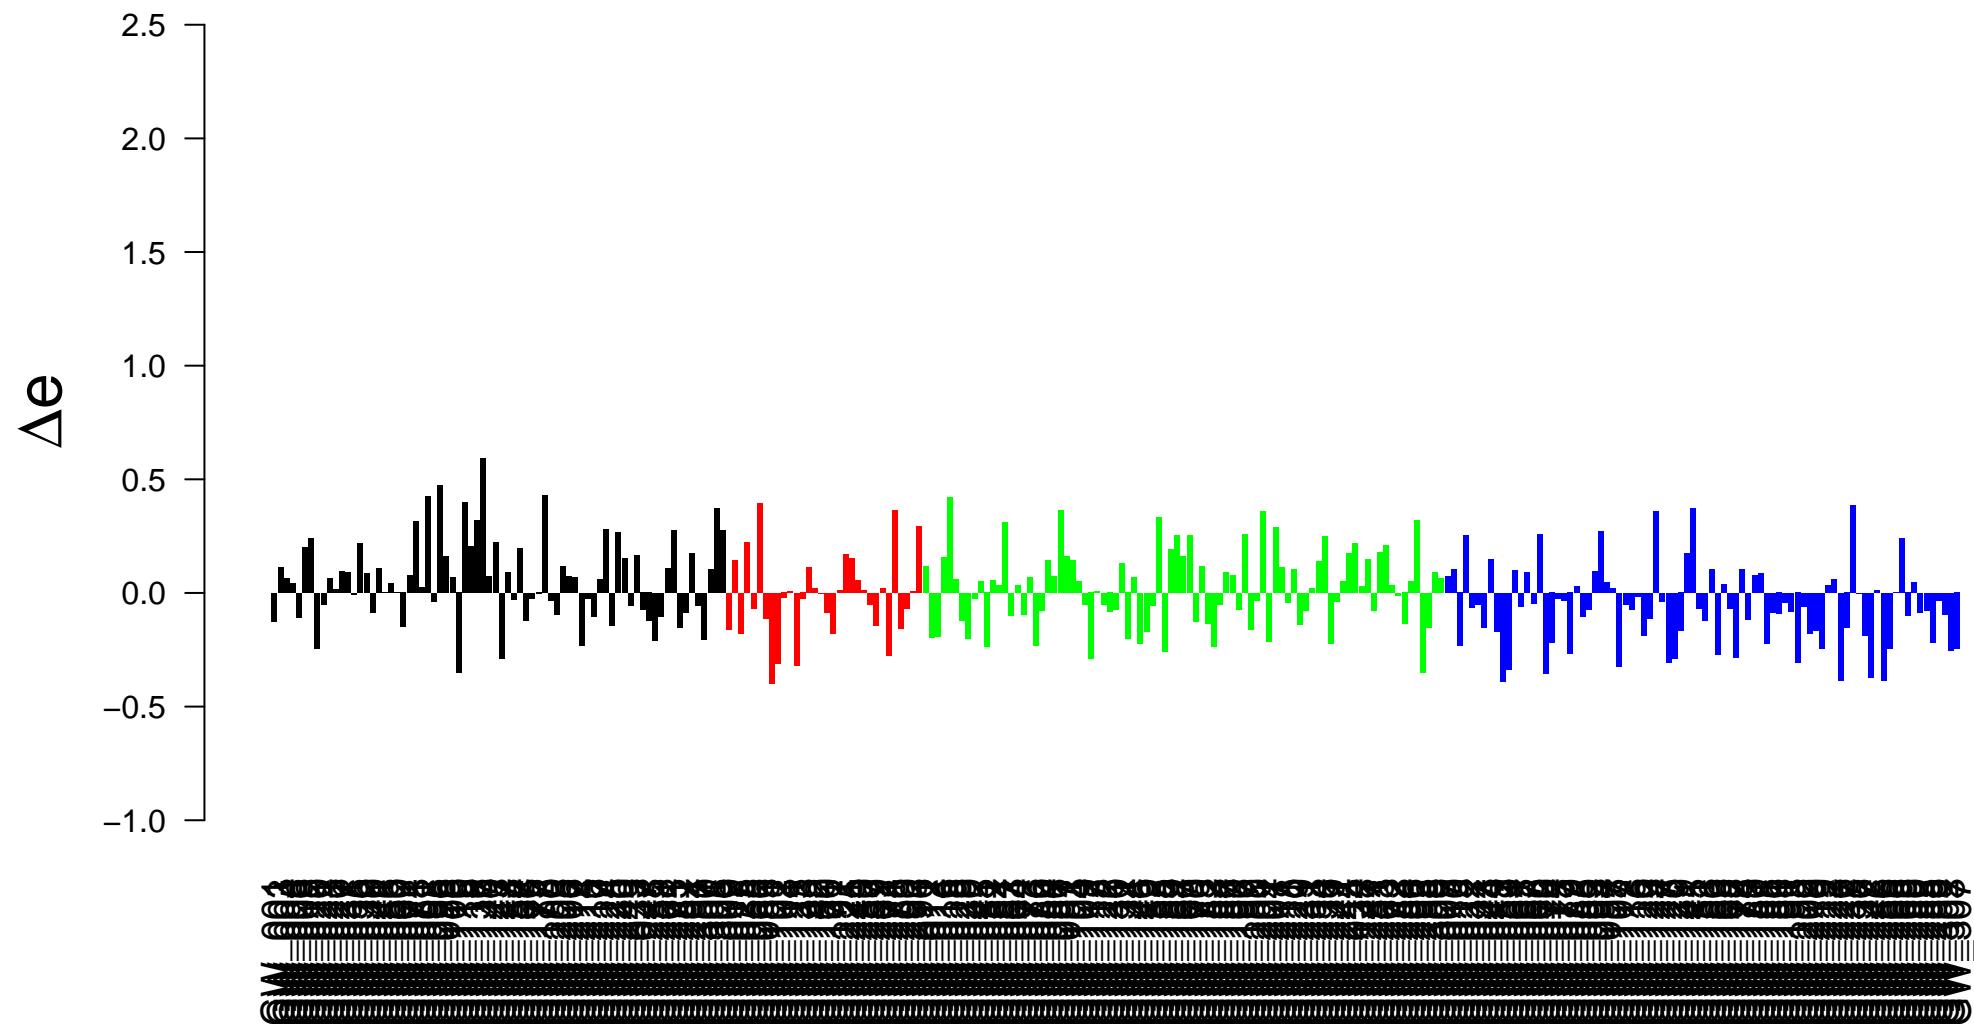

### Expression of ATPase activity in Spot A

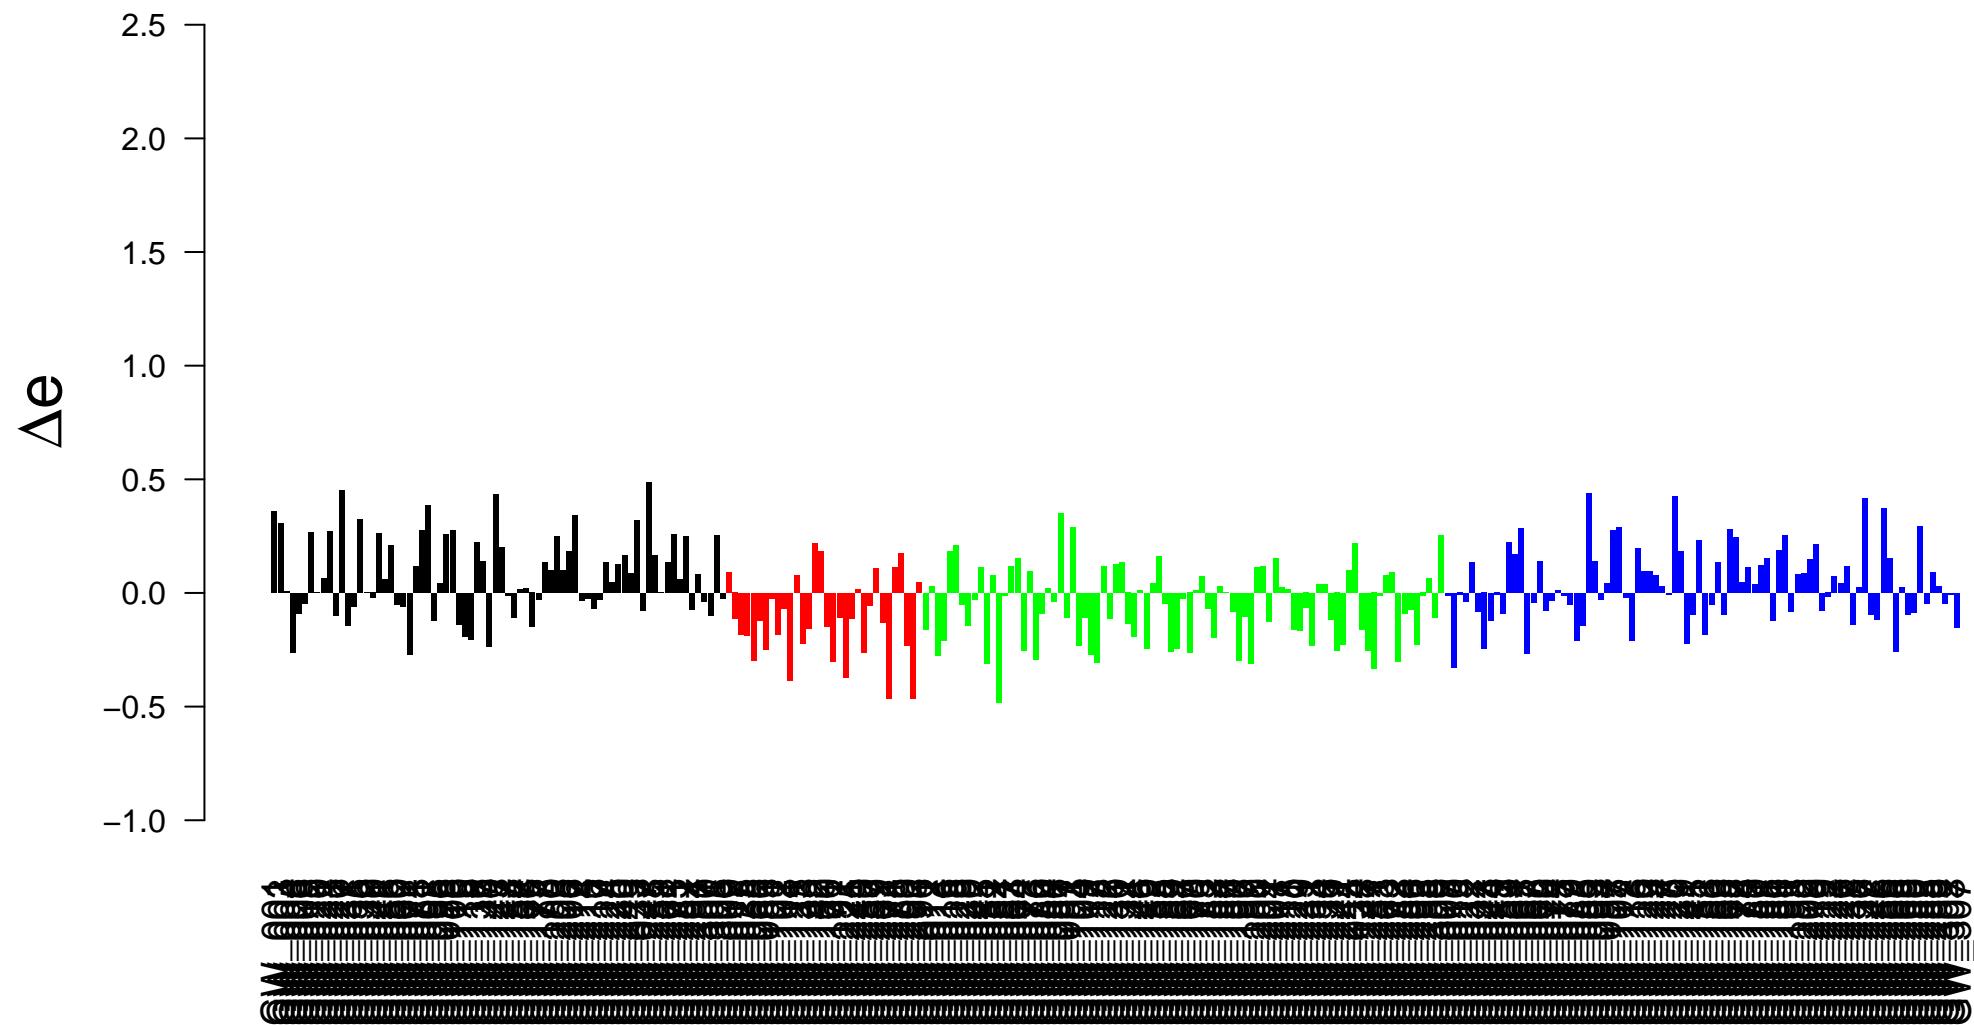

### Expression of ATPase activity in Spot B

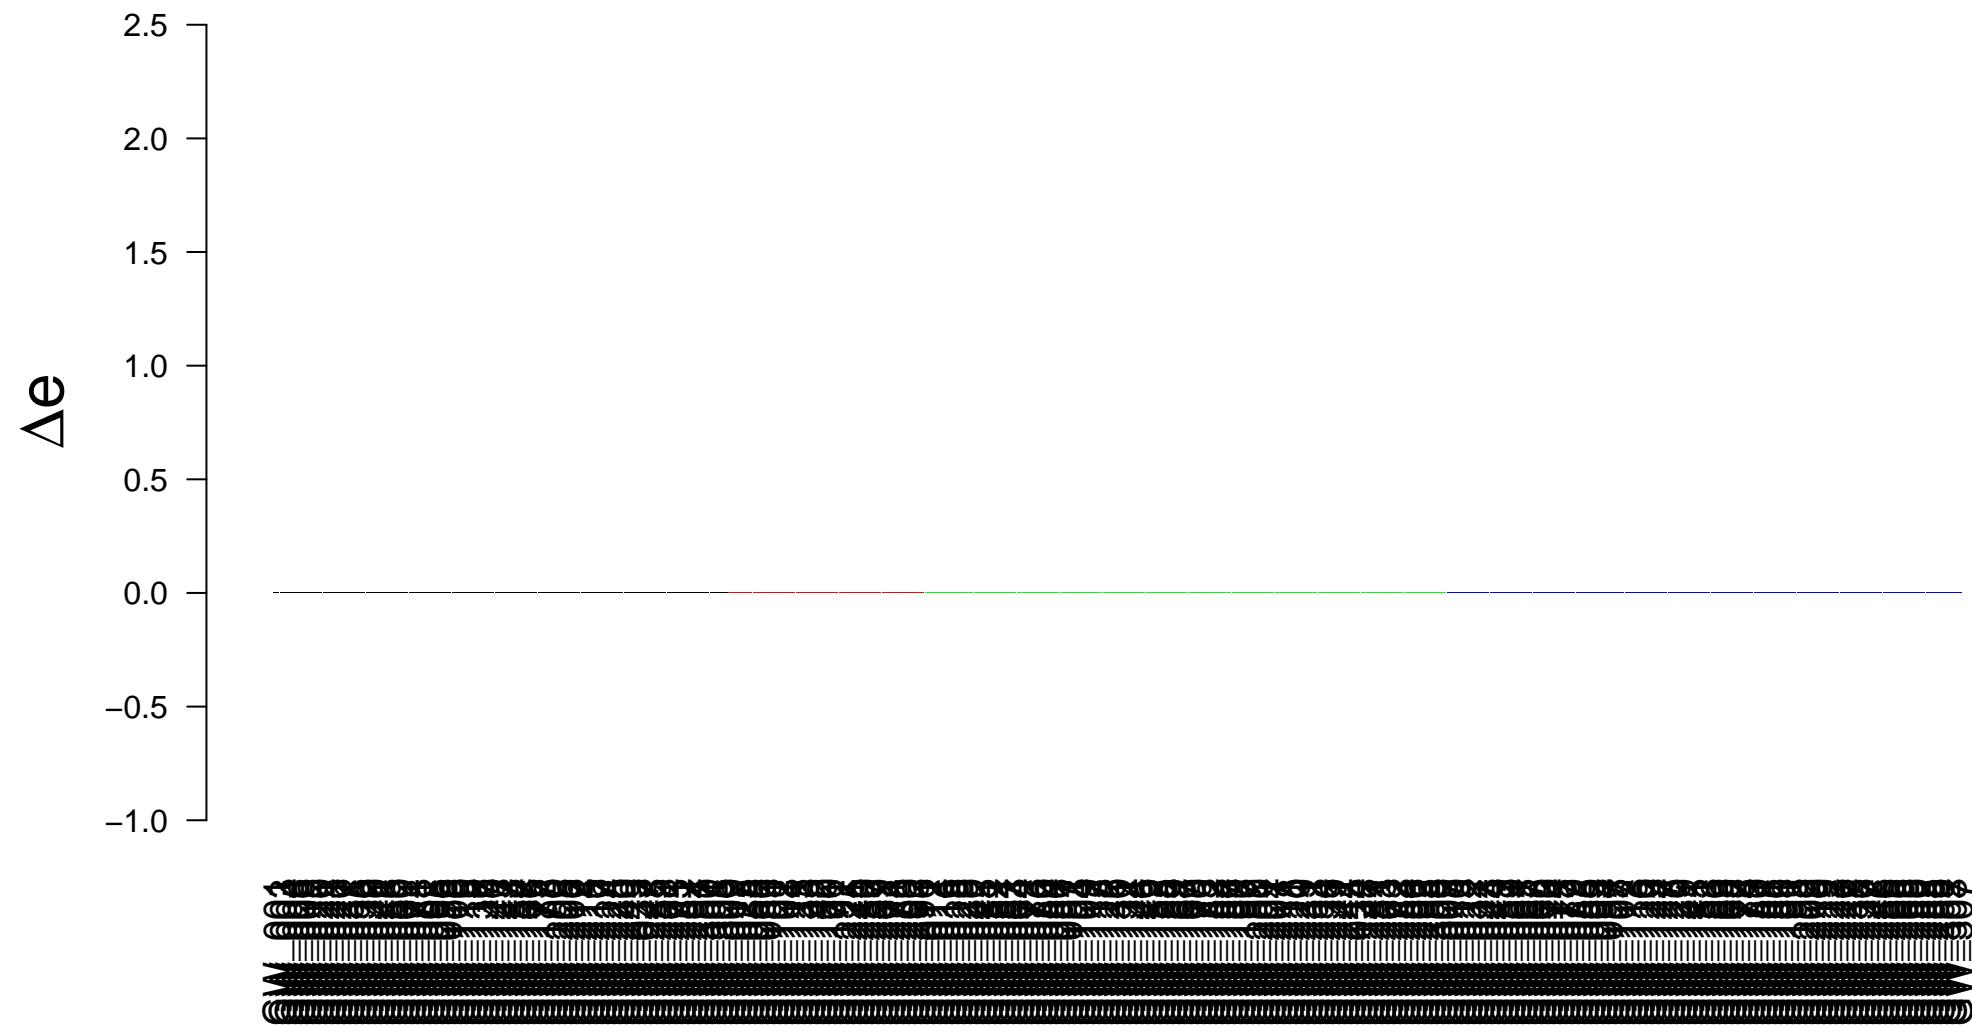

### Expression of ATPase activity in Spot C

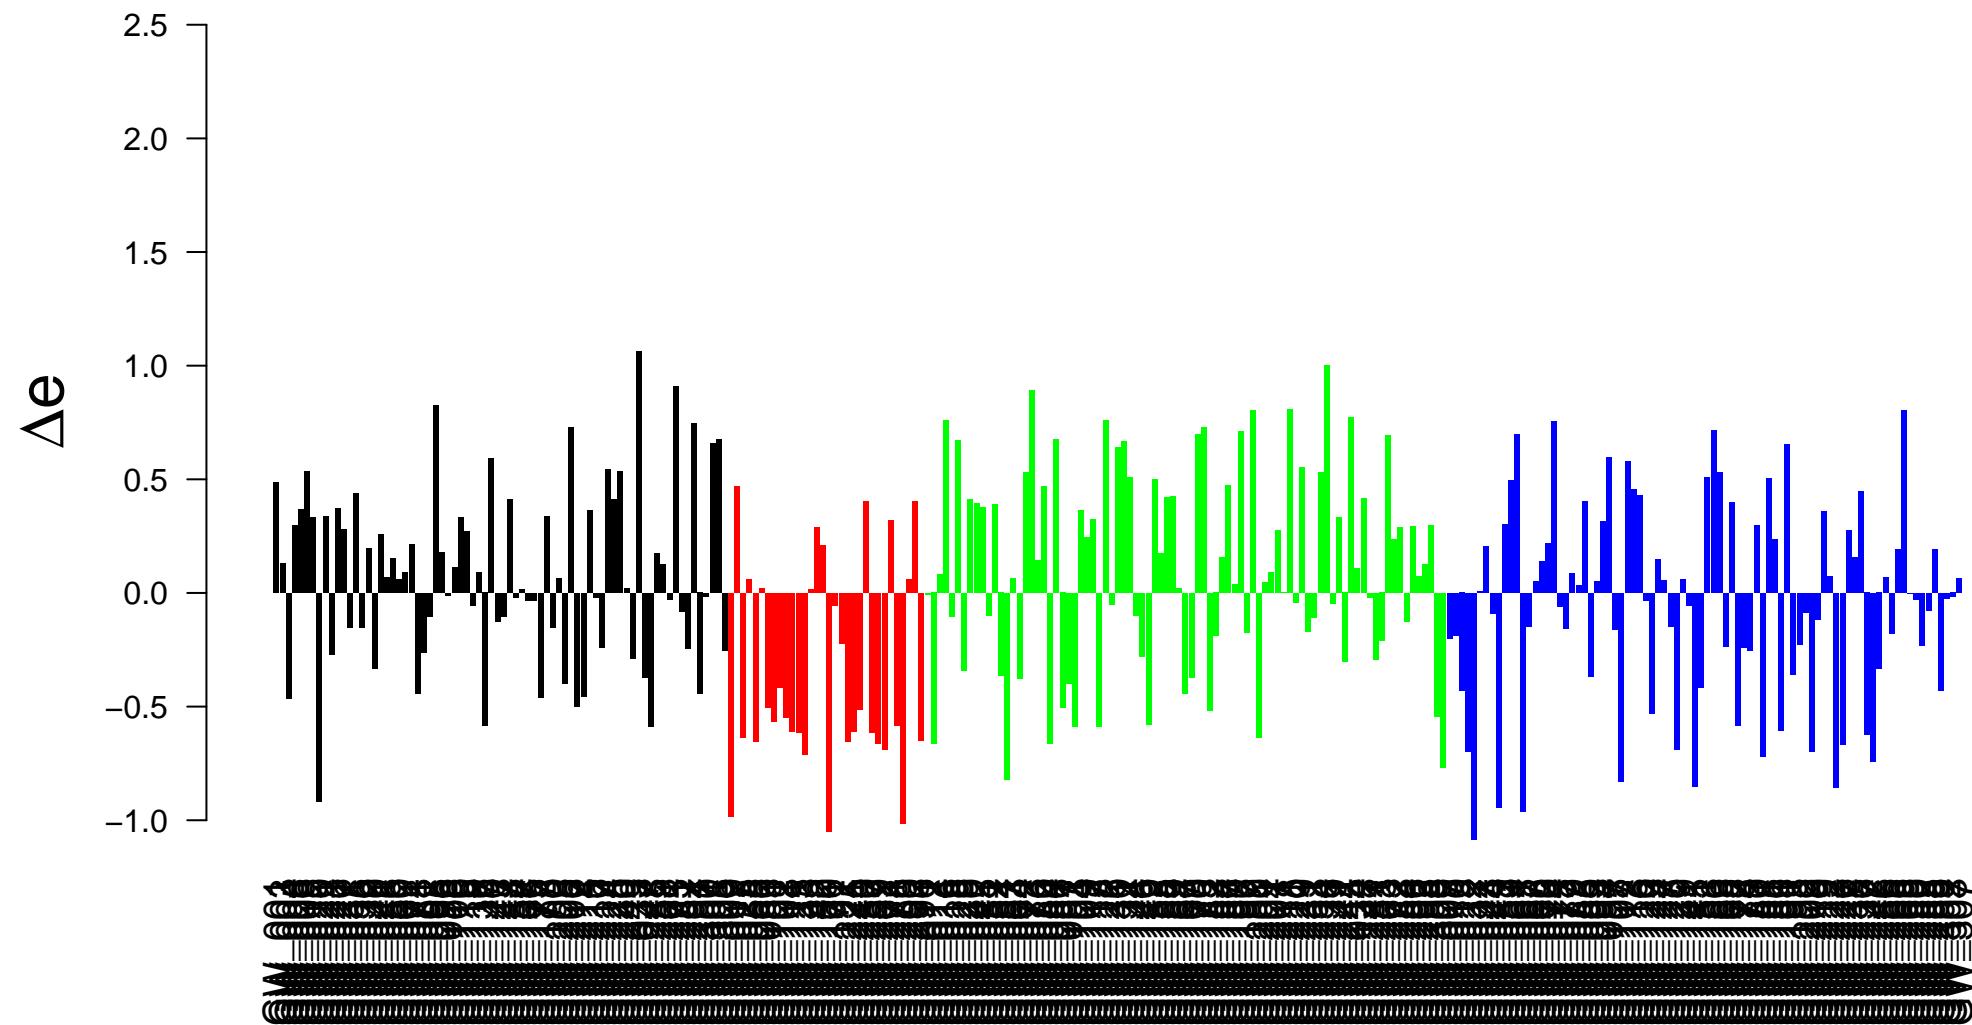

### Expression of ATPase activity in Spot D

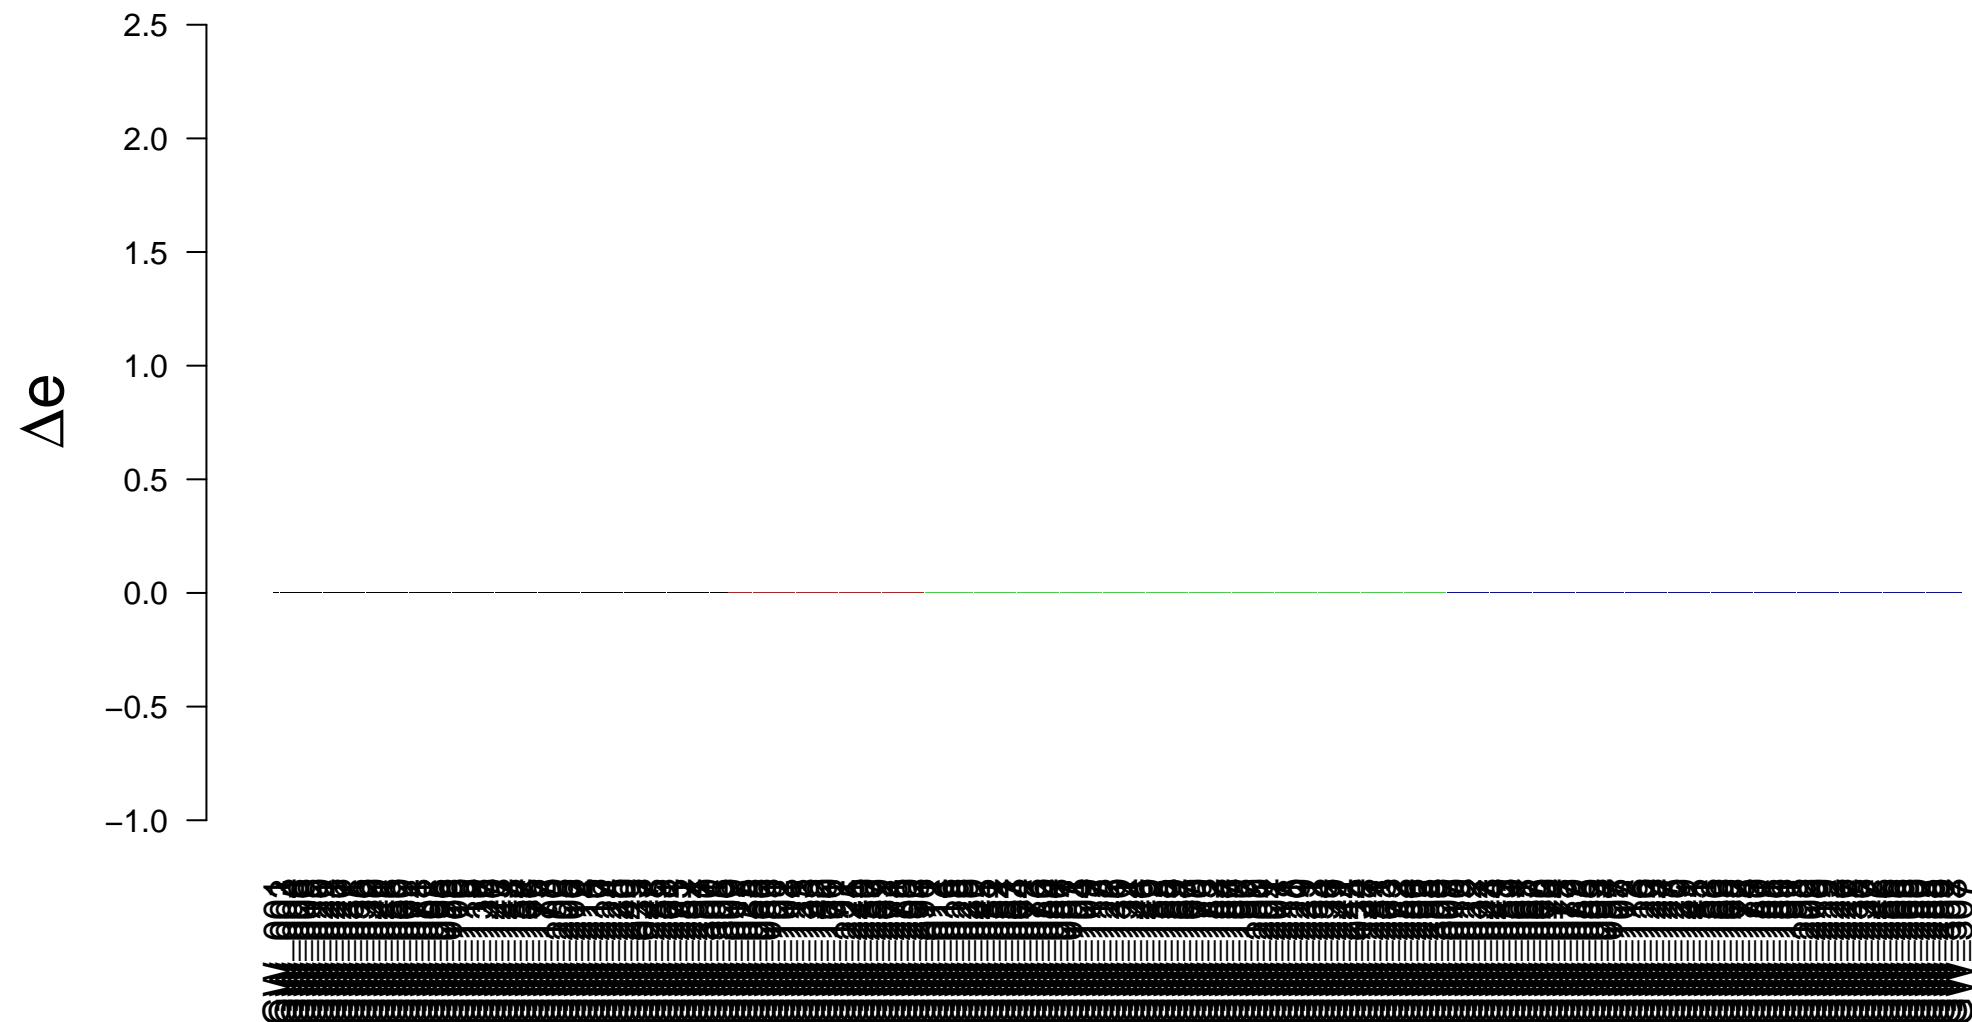

### Expression of ATPase activity in Spot E

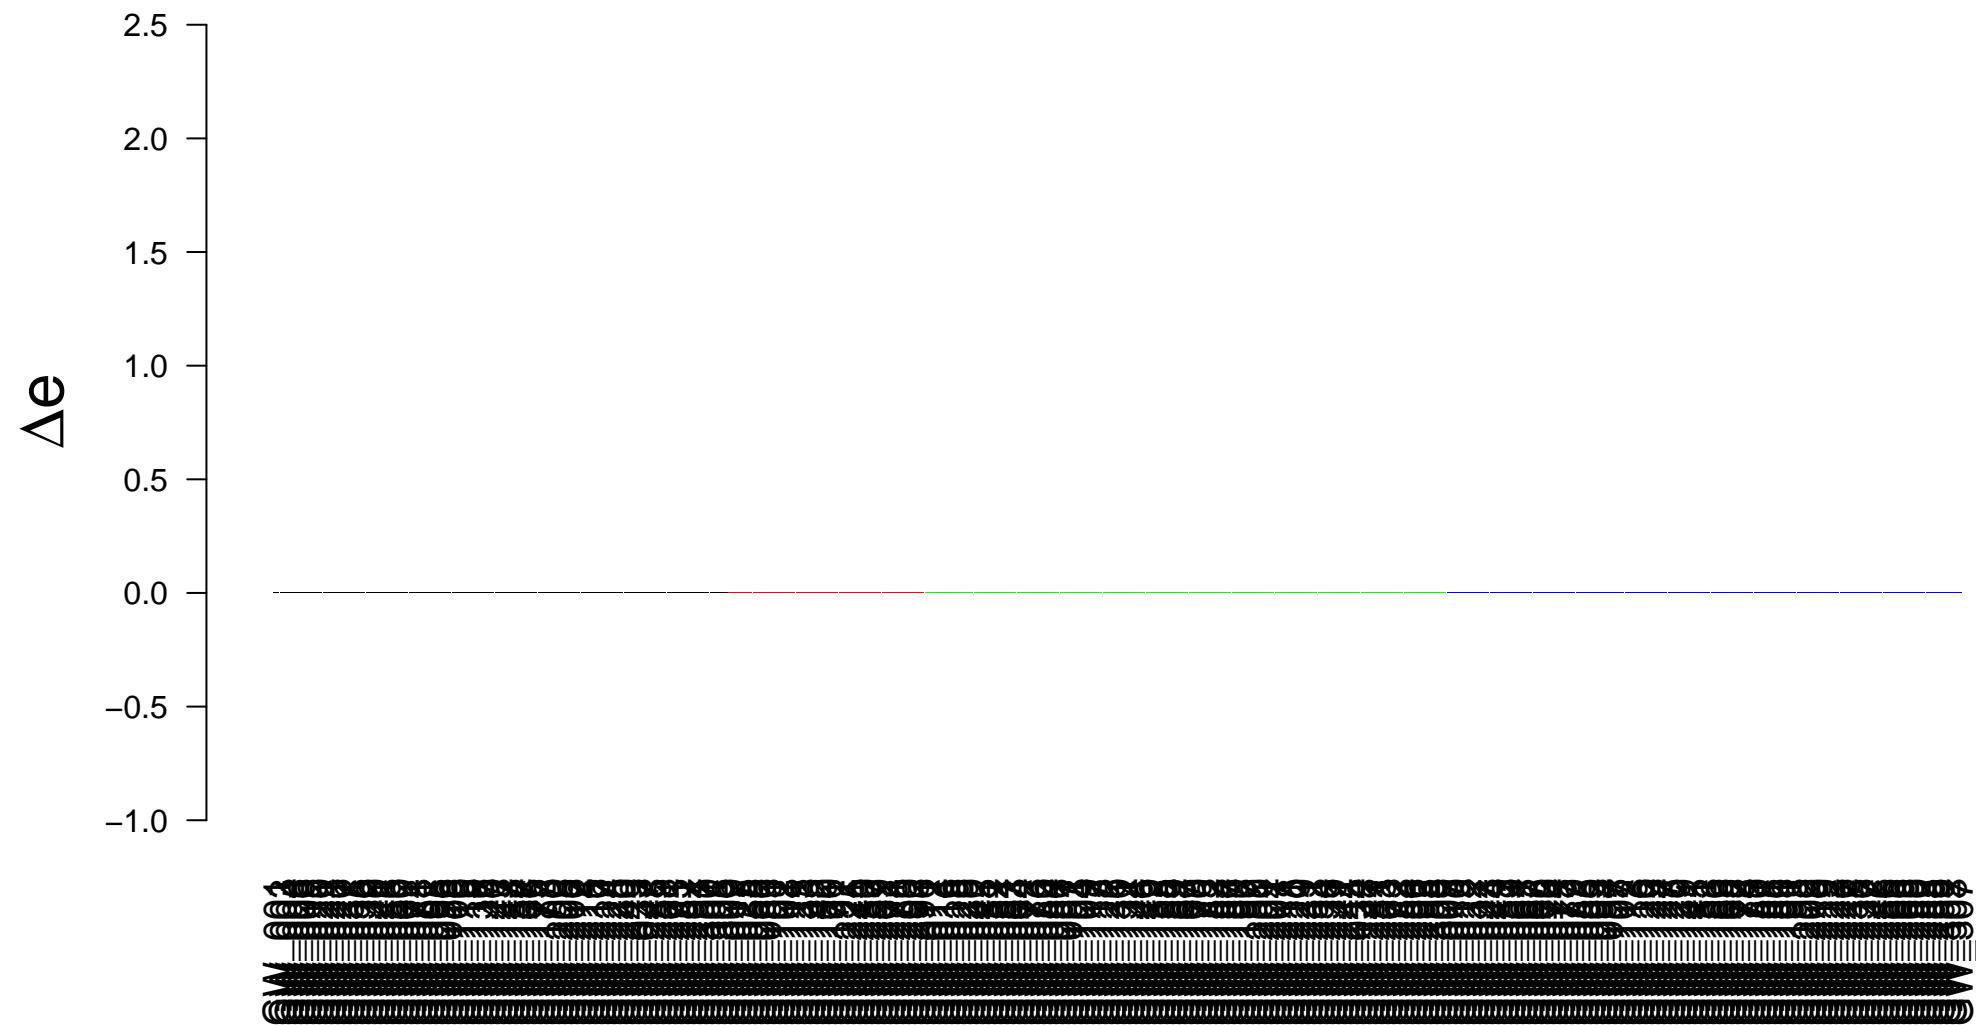

### Expression of ATPase activity in Spot F

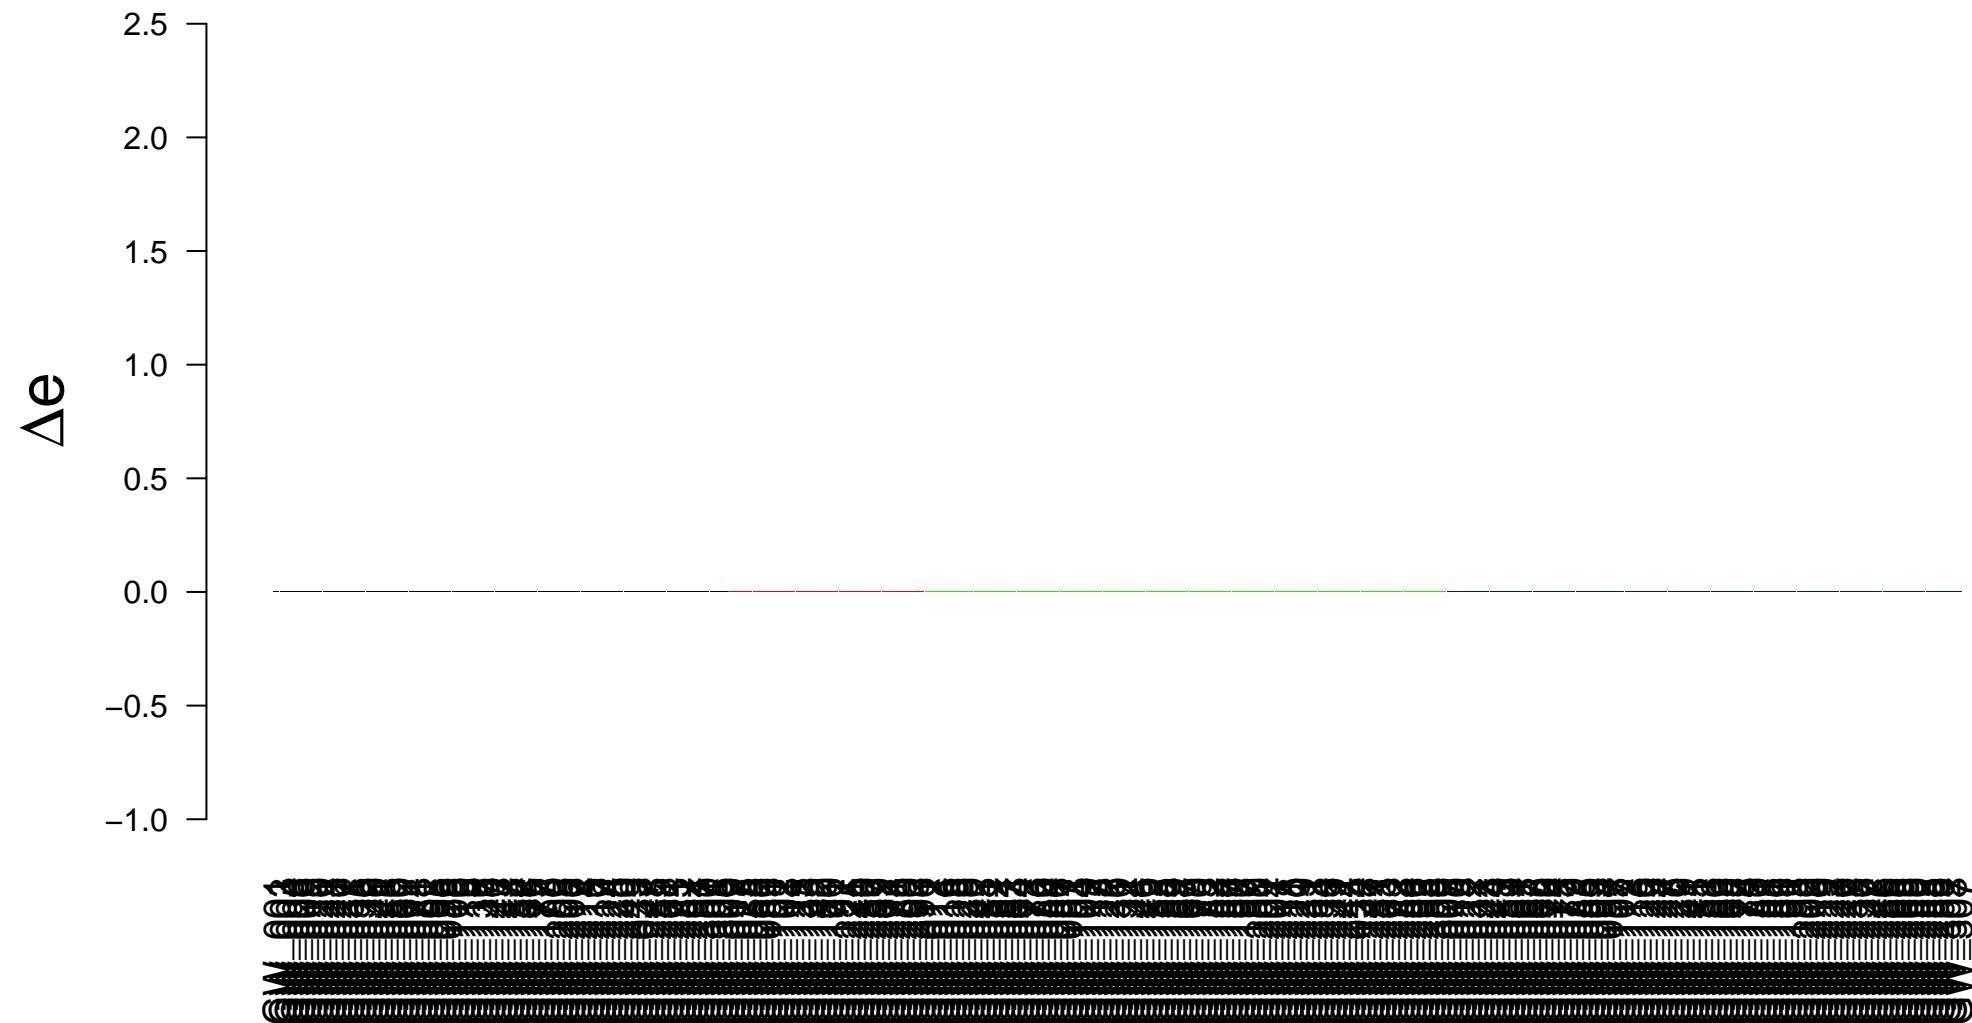

### Expression of ATPase activity in Spot G

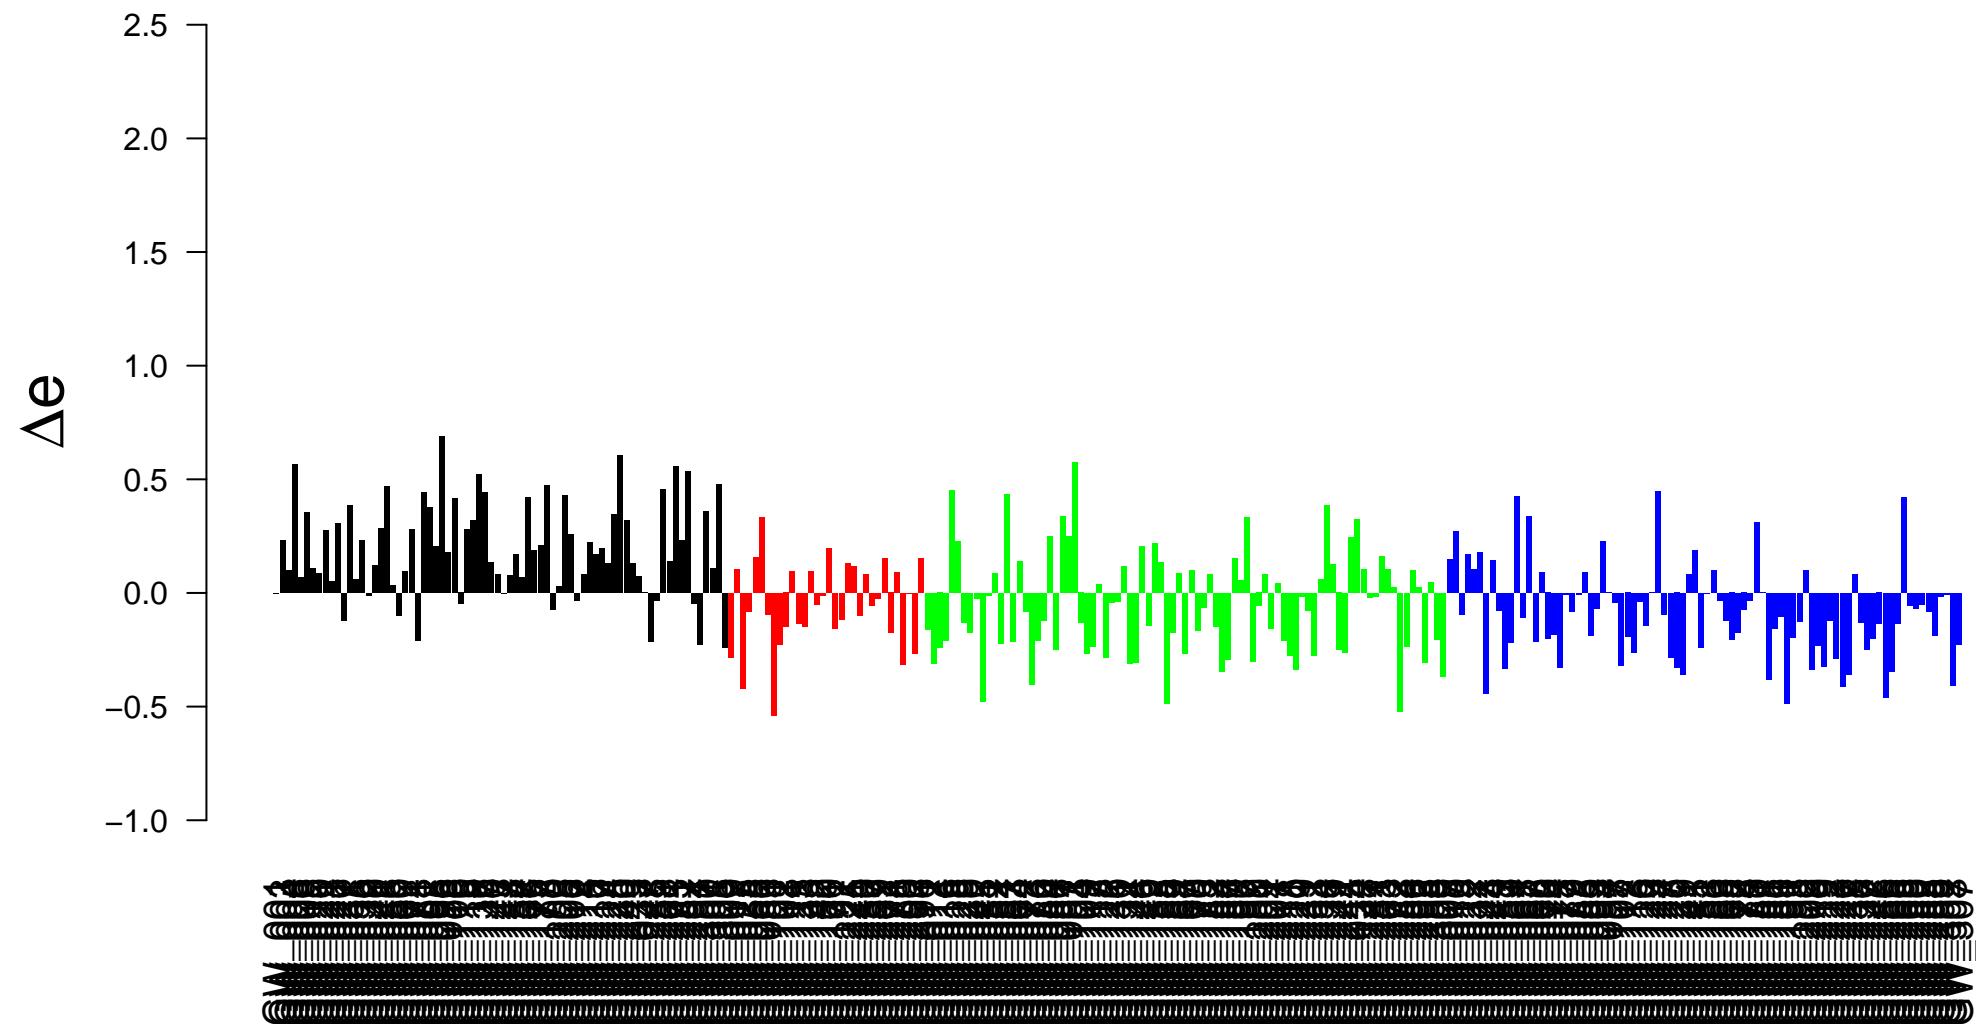

### Expression of ATPase activity in Spot H

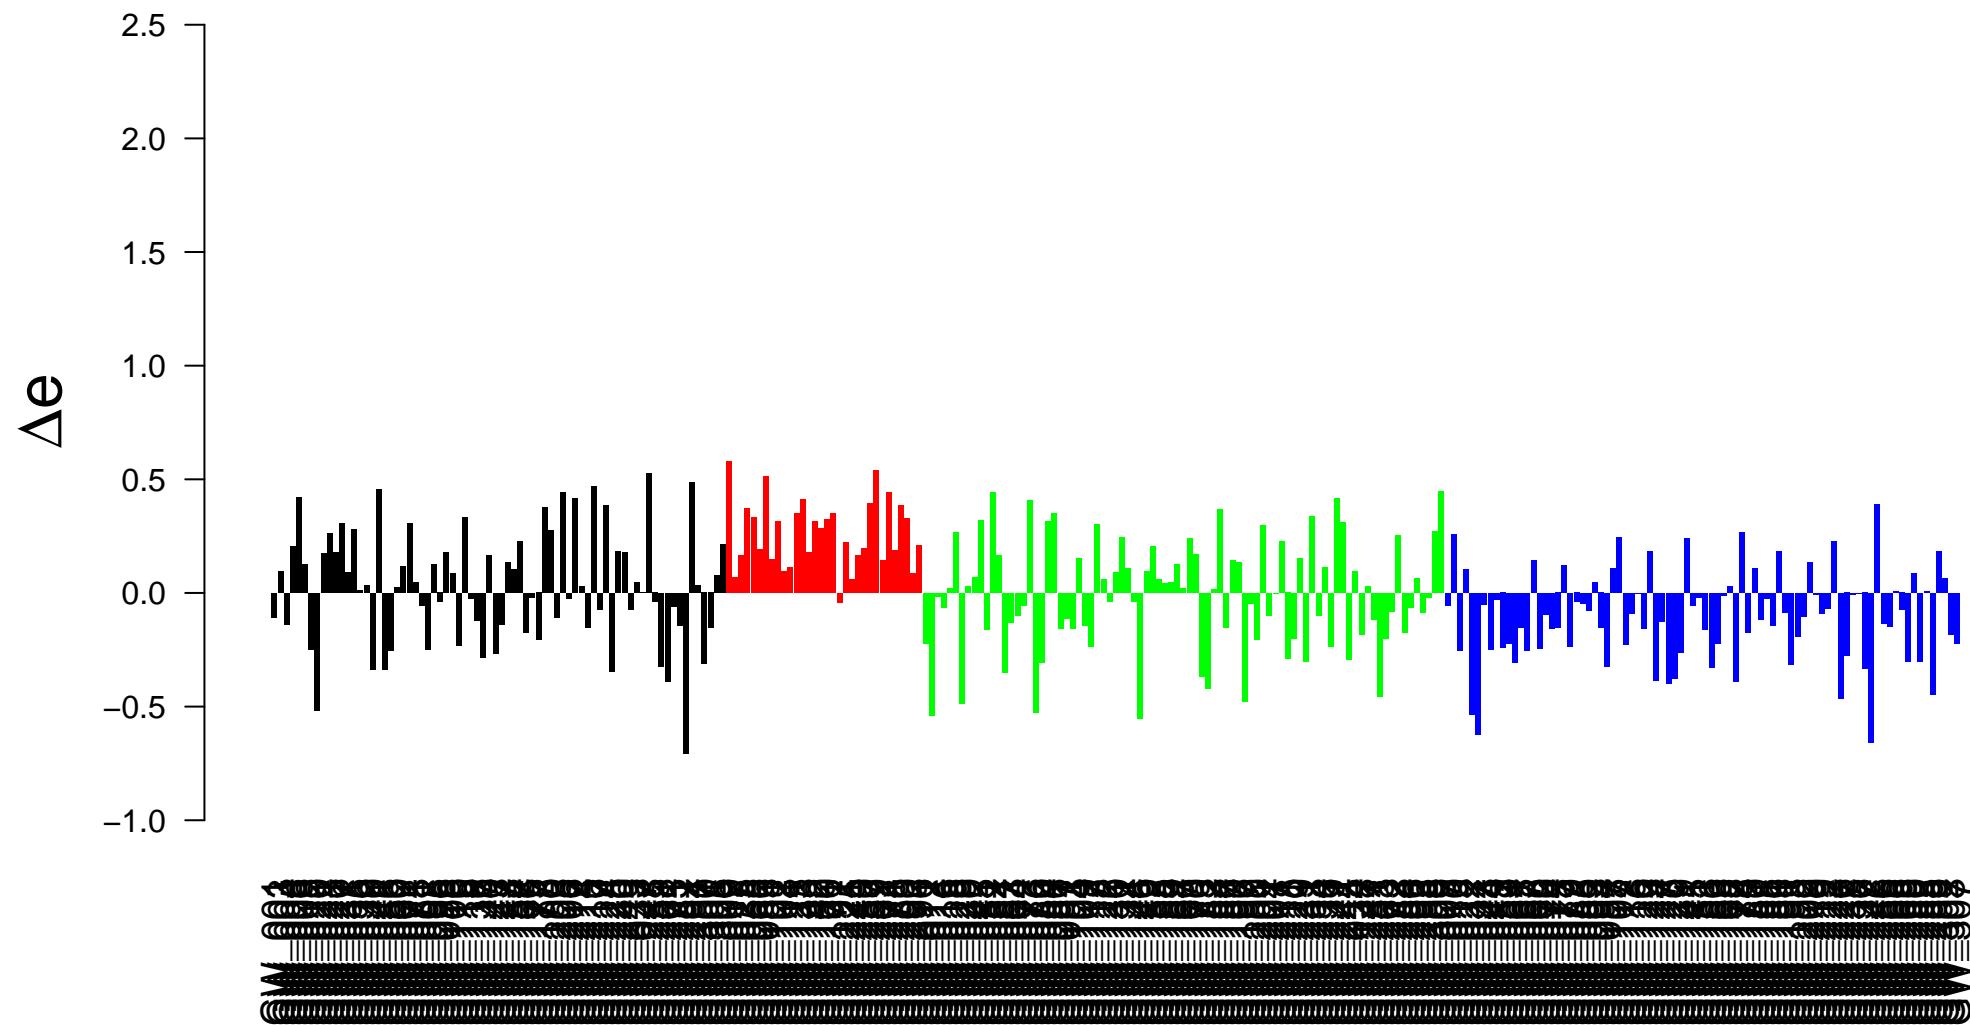

### Expression of ATPase activity in Spot I

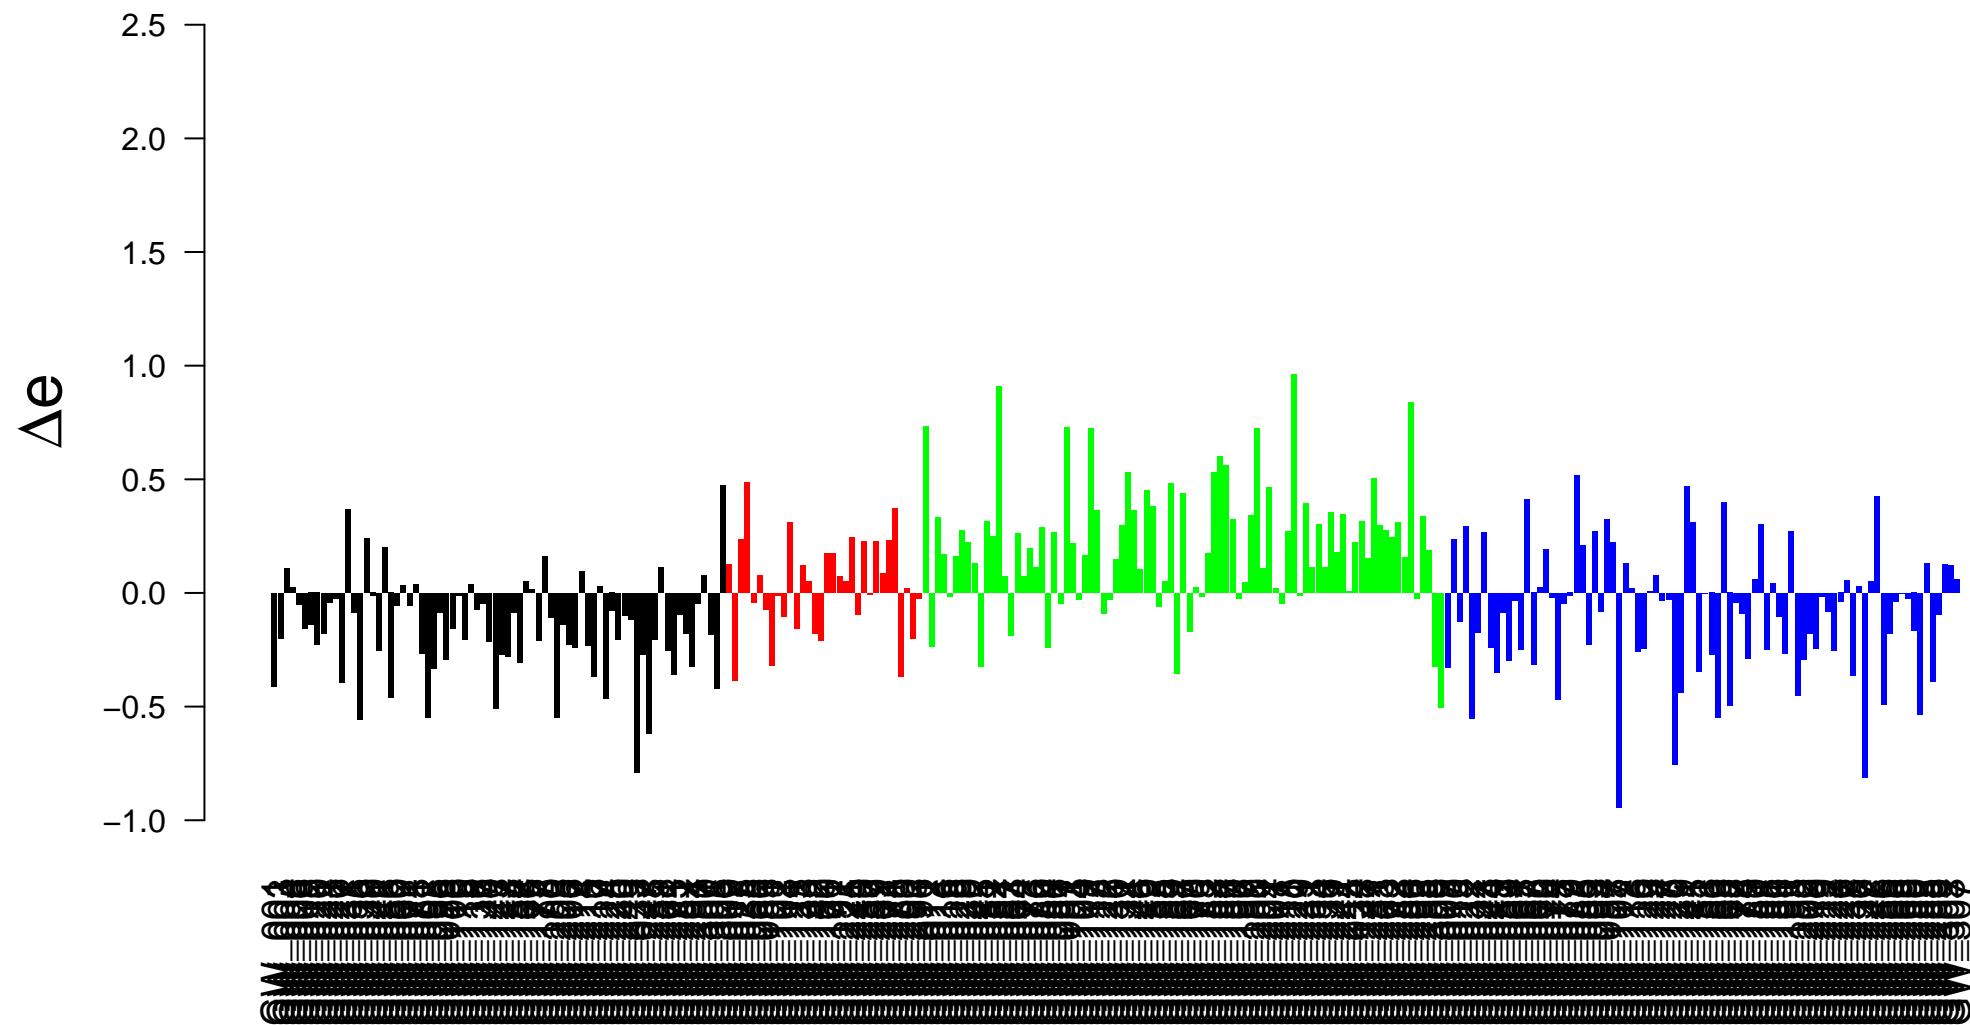

### Expression of ATPase activity in Spot J

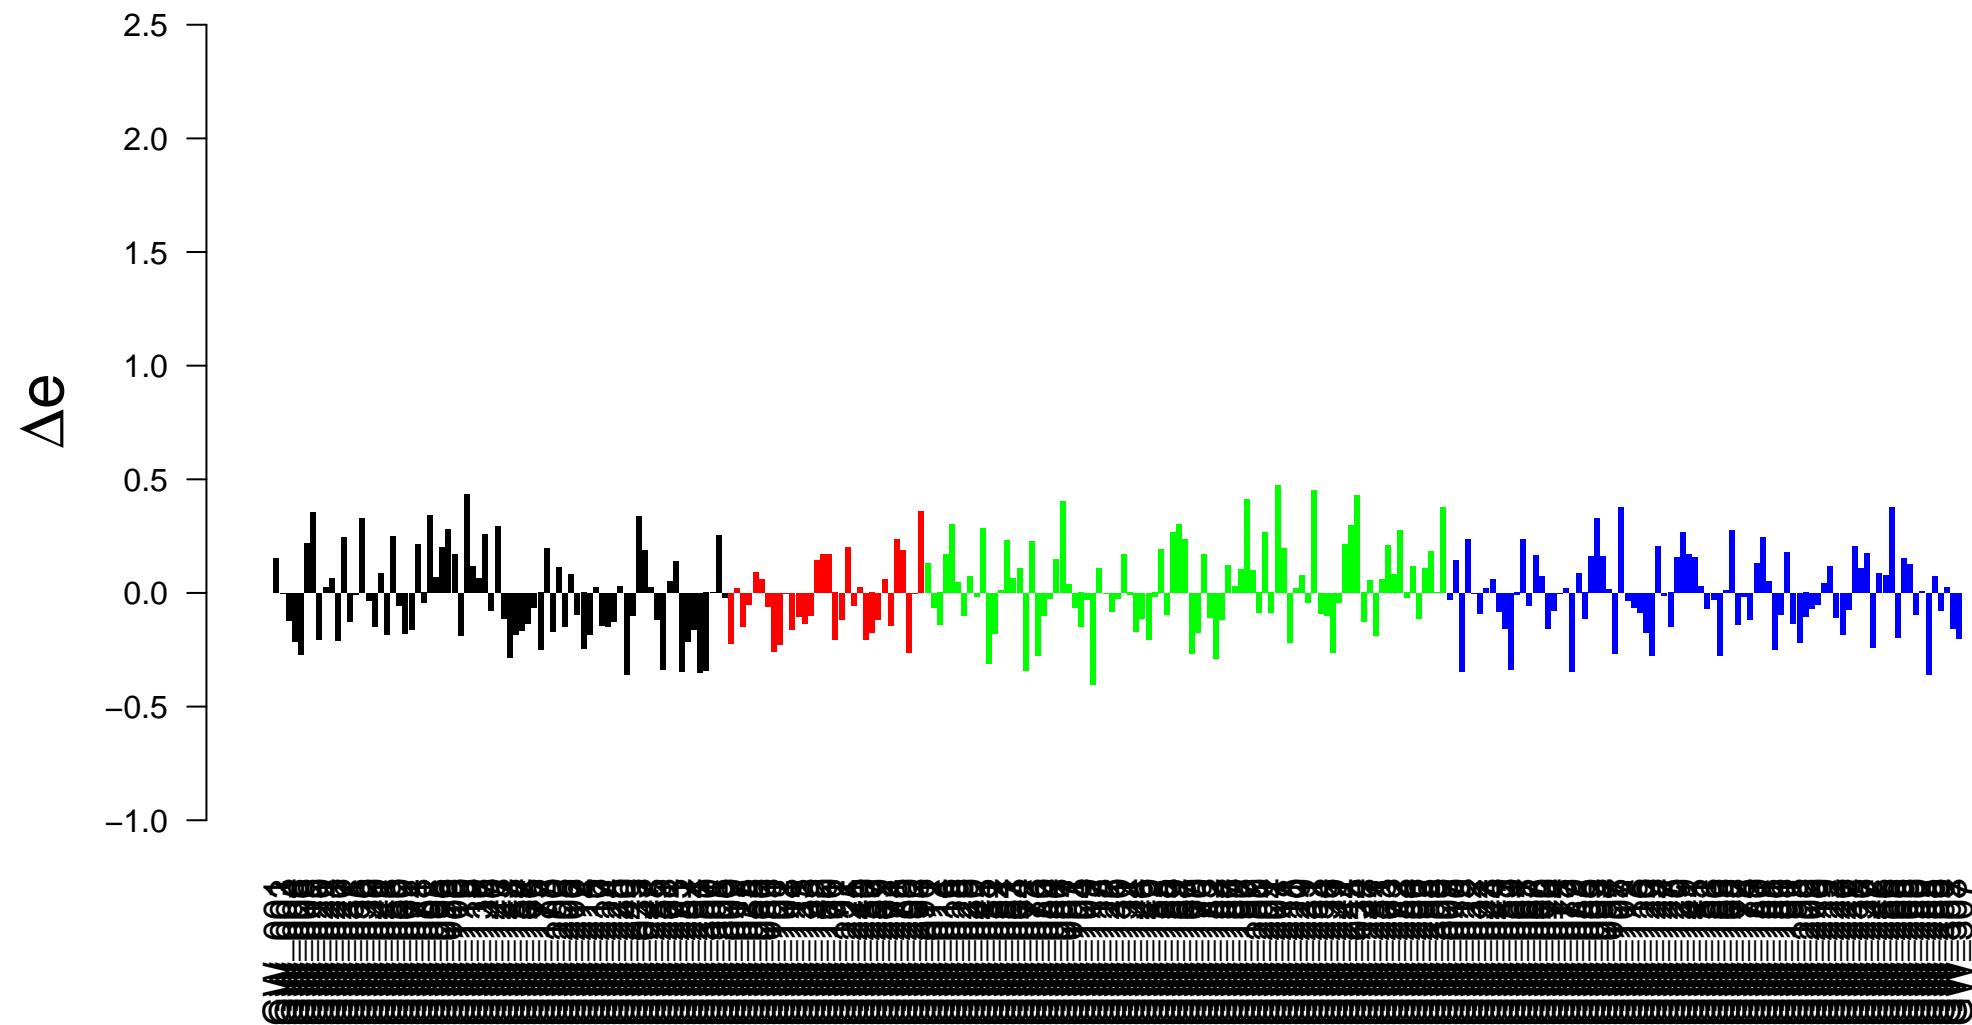

### Expression of ATPase activity in Spot K

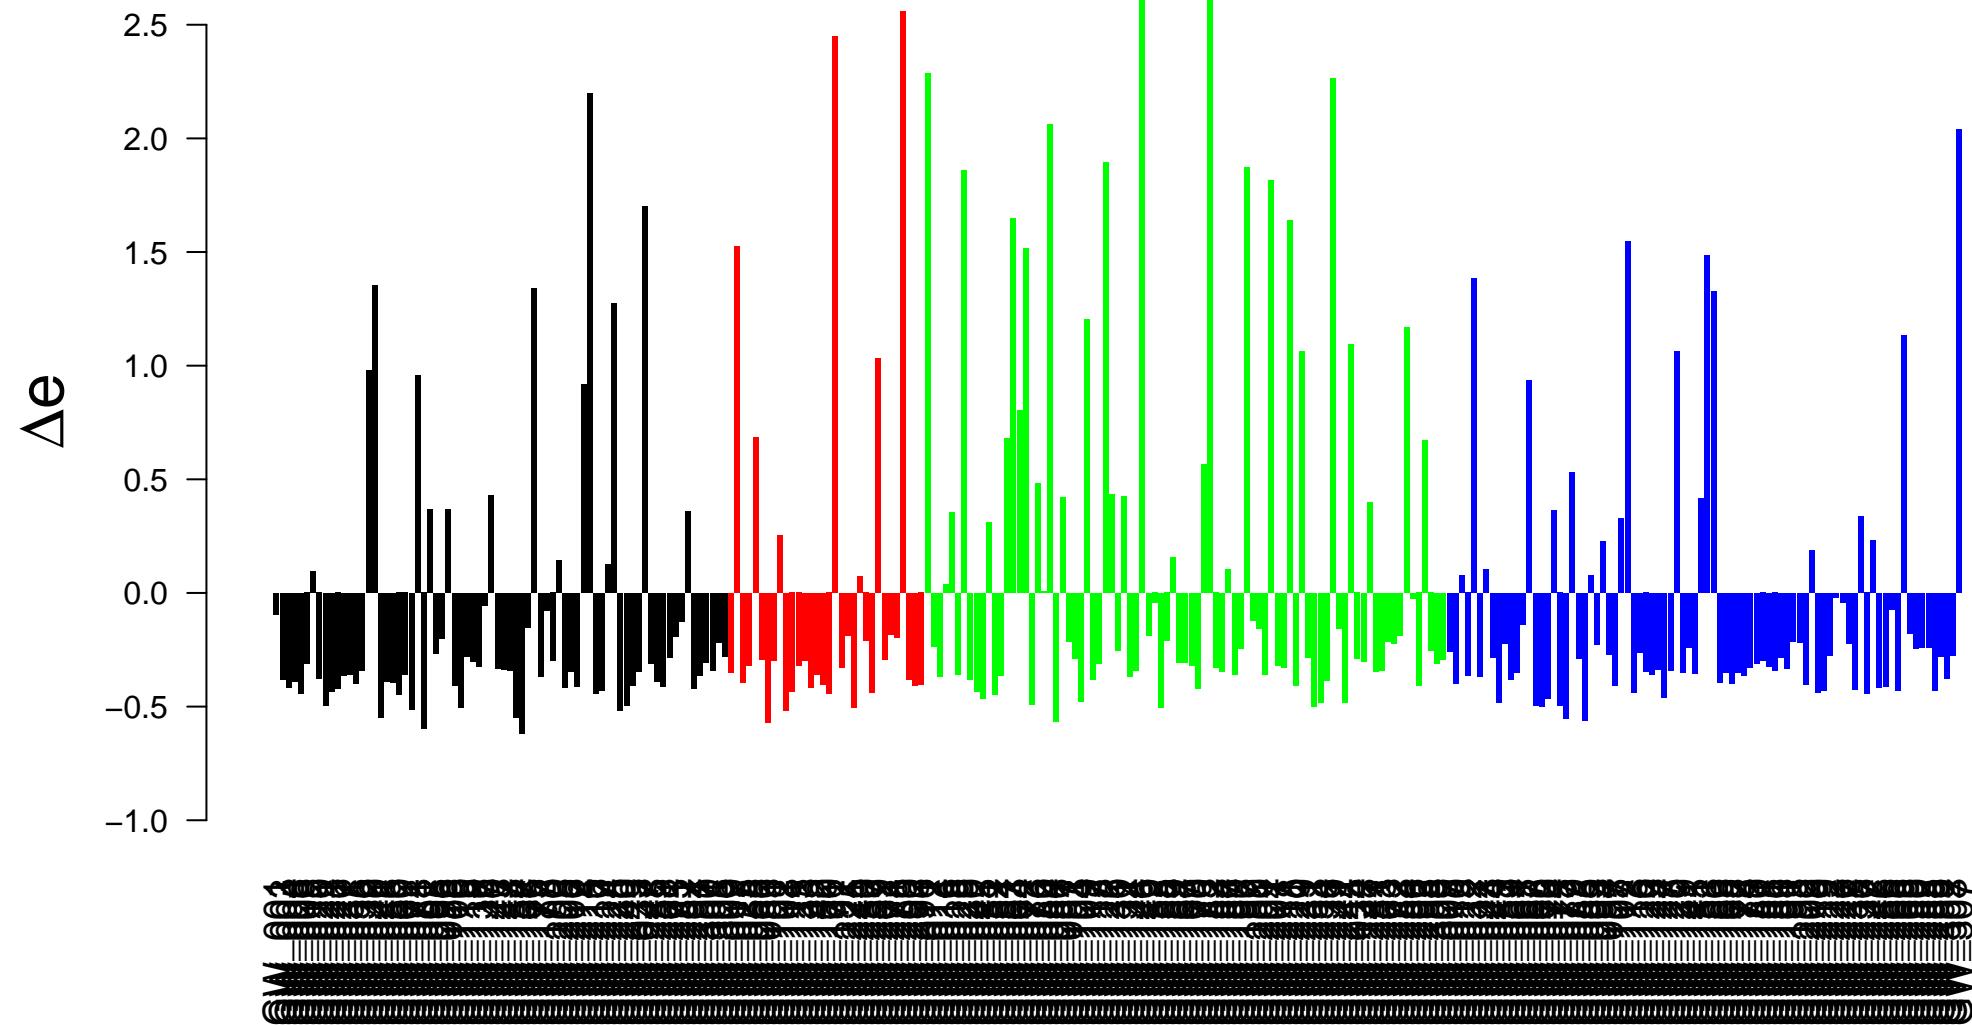

### Expression of ATPase activity in Spot L

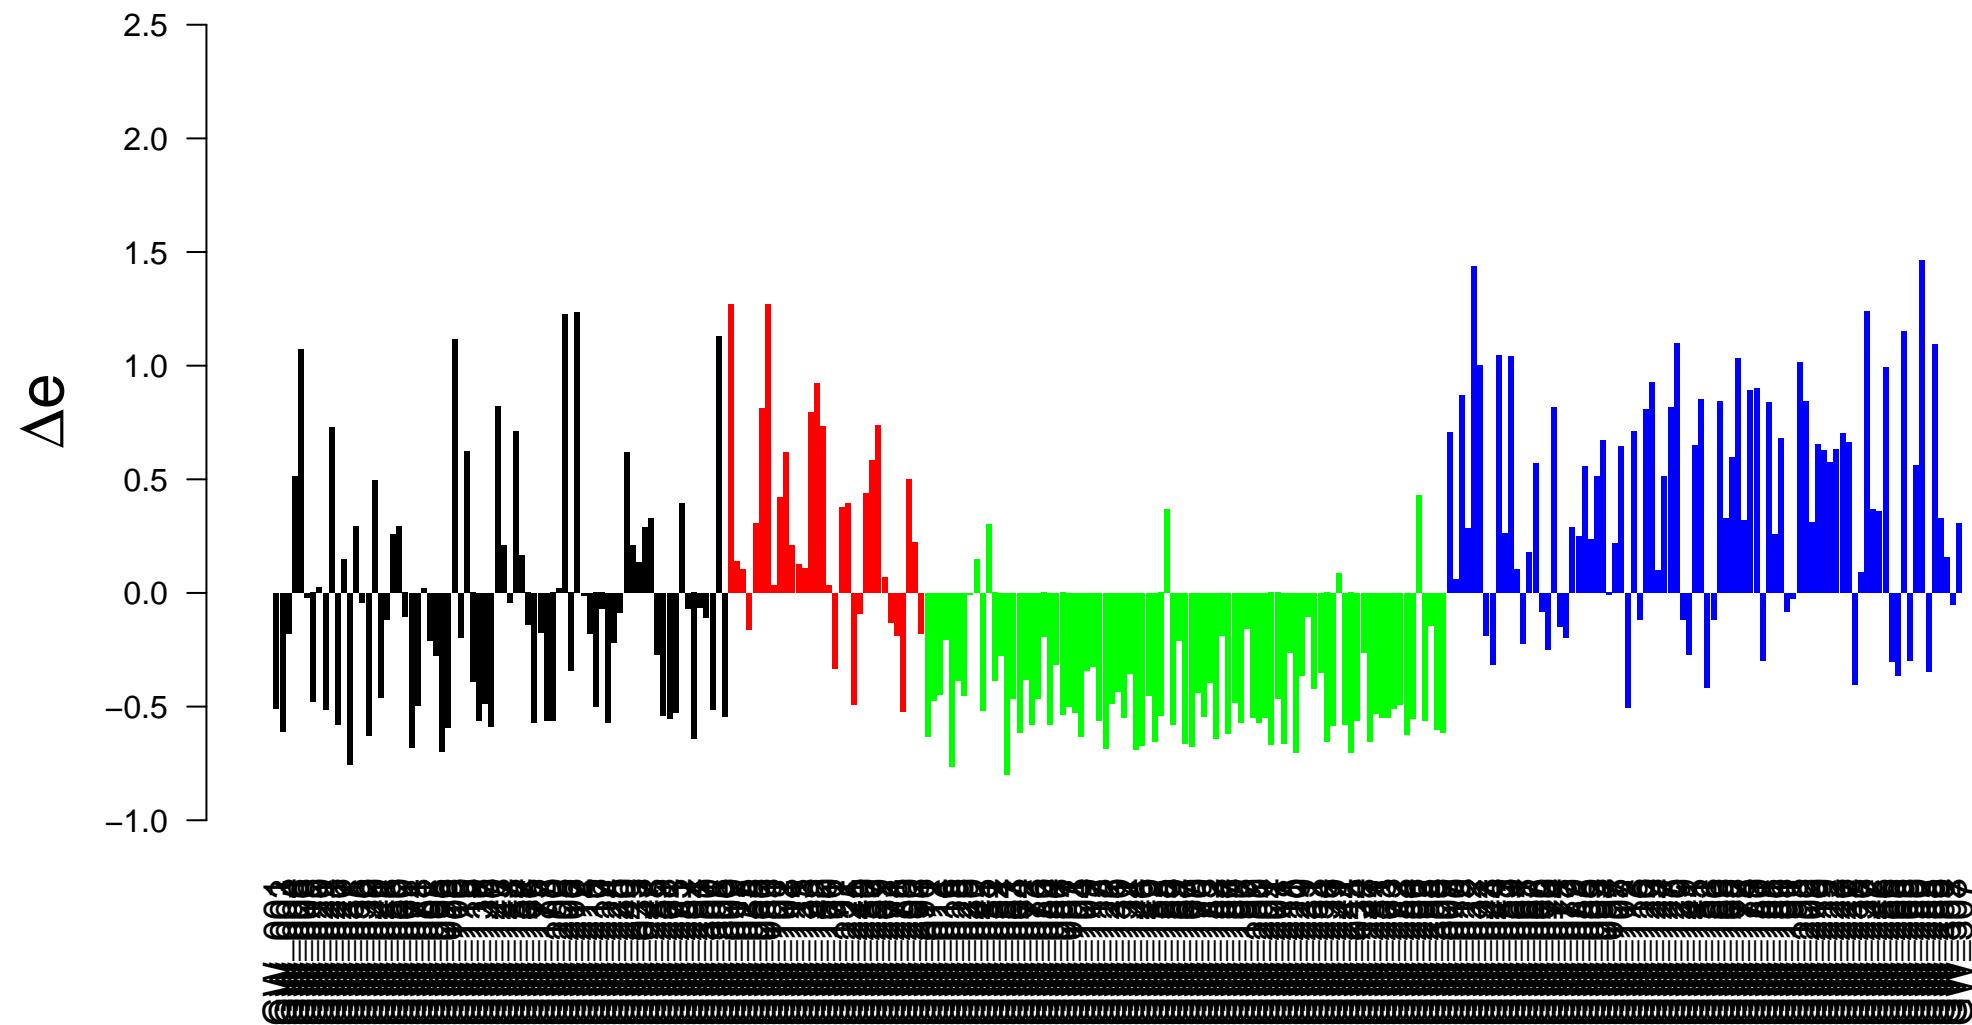

### Expression of ATPase activity in Spot M

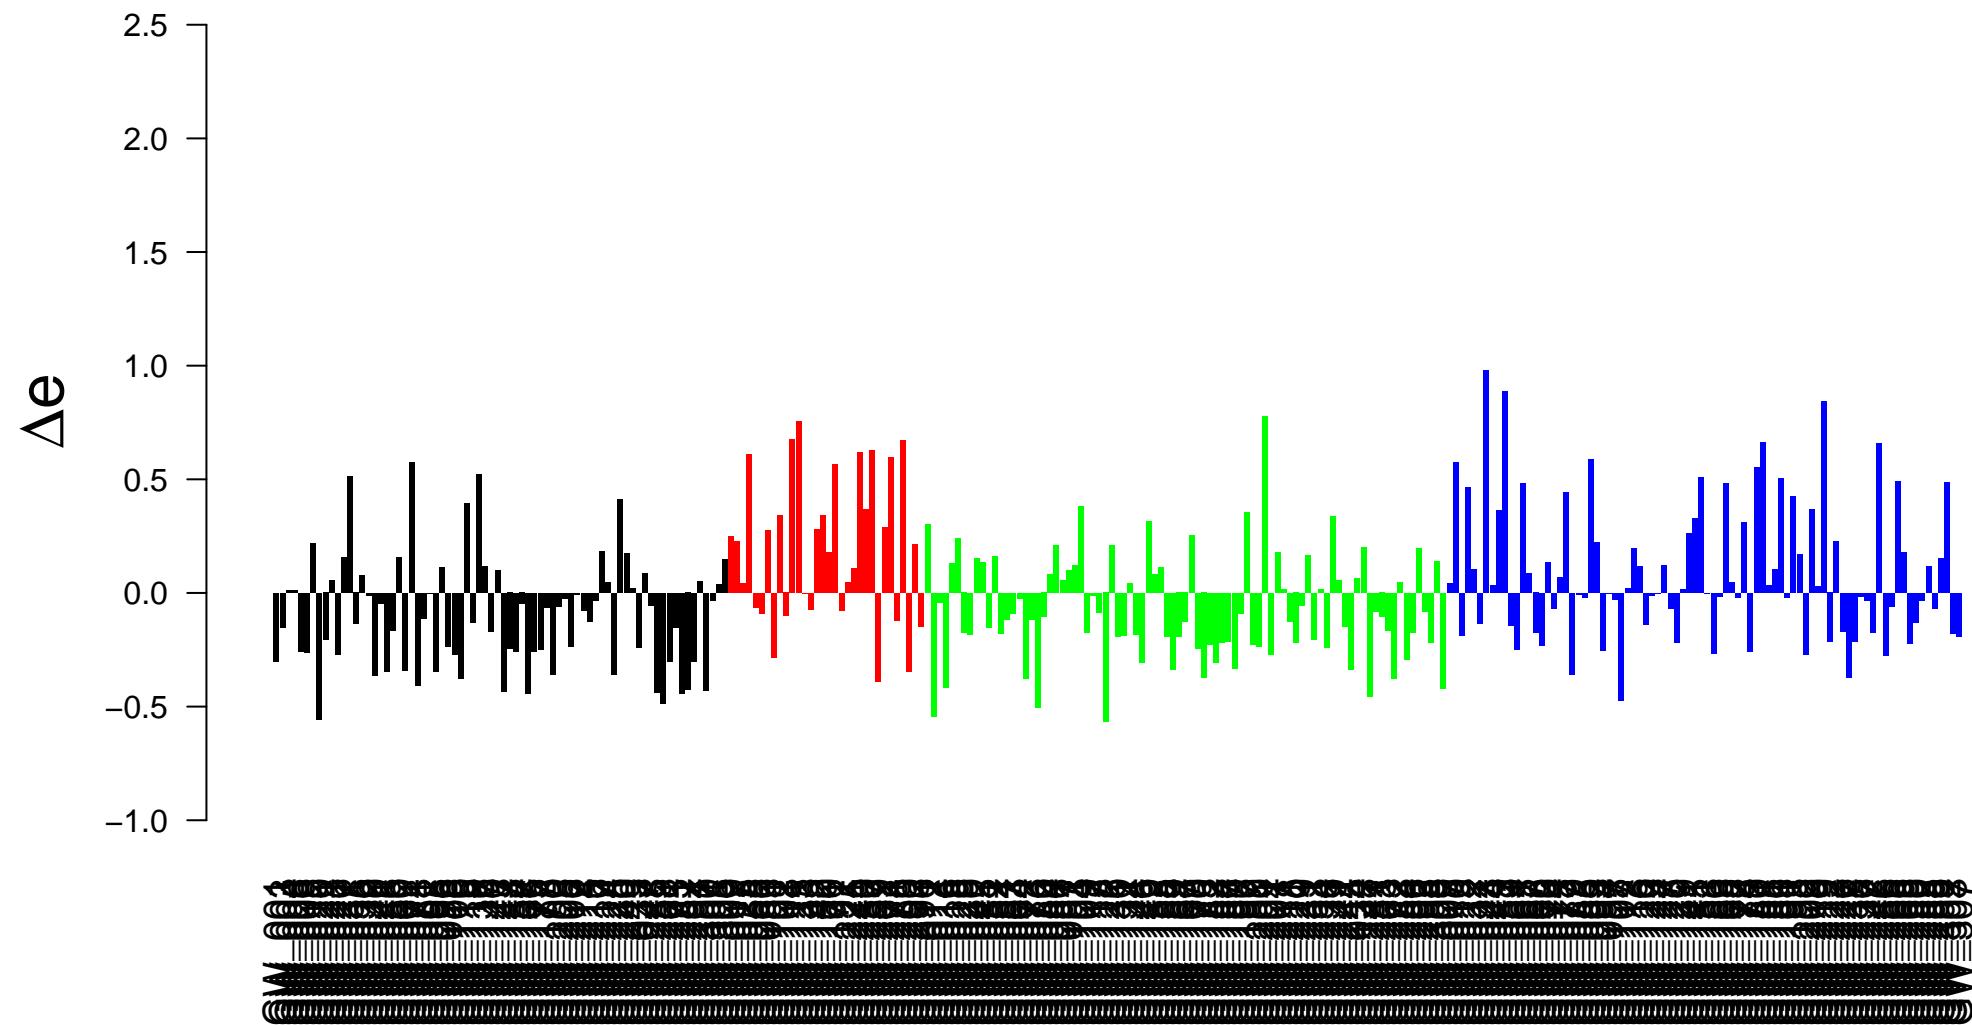

### Expression of ATPase activity in Spot N

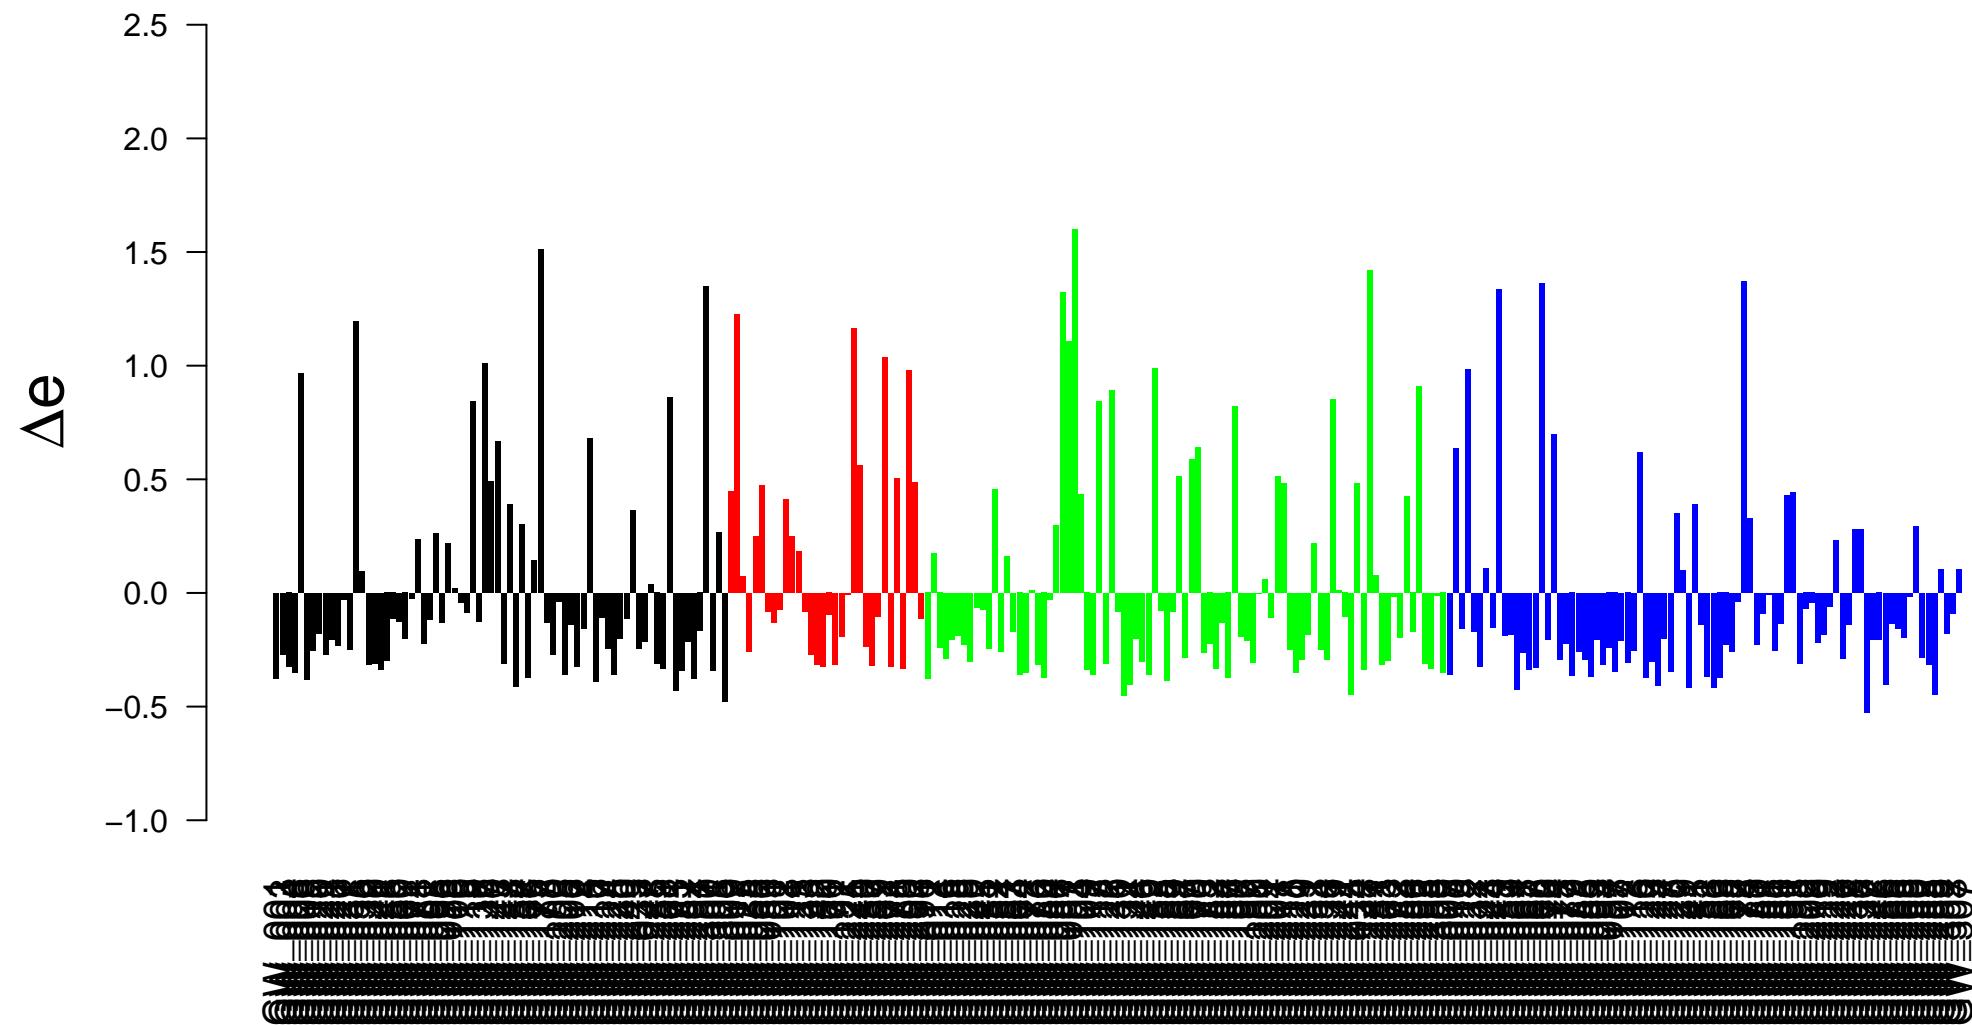

### Expression of ATPase activity in Spot O

### Expression of ATPase activity in Spot P

### Expression of ATPase activity in Spot Q

### Expression of ATPase activity in Spot R
