Enrichment in spots: ATPase activity, coupled

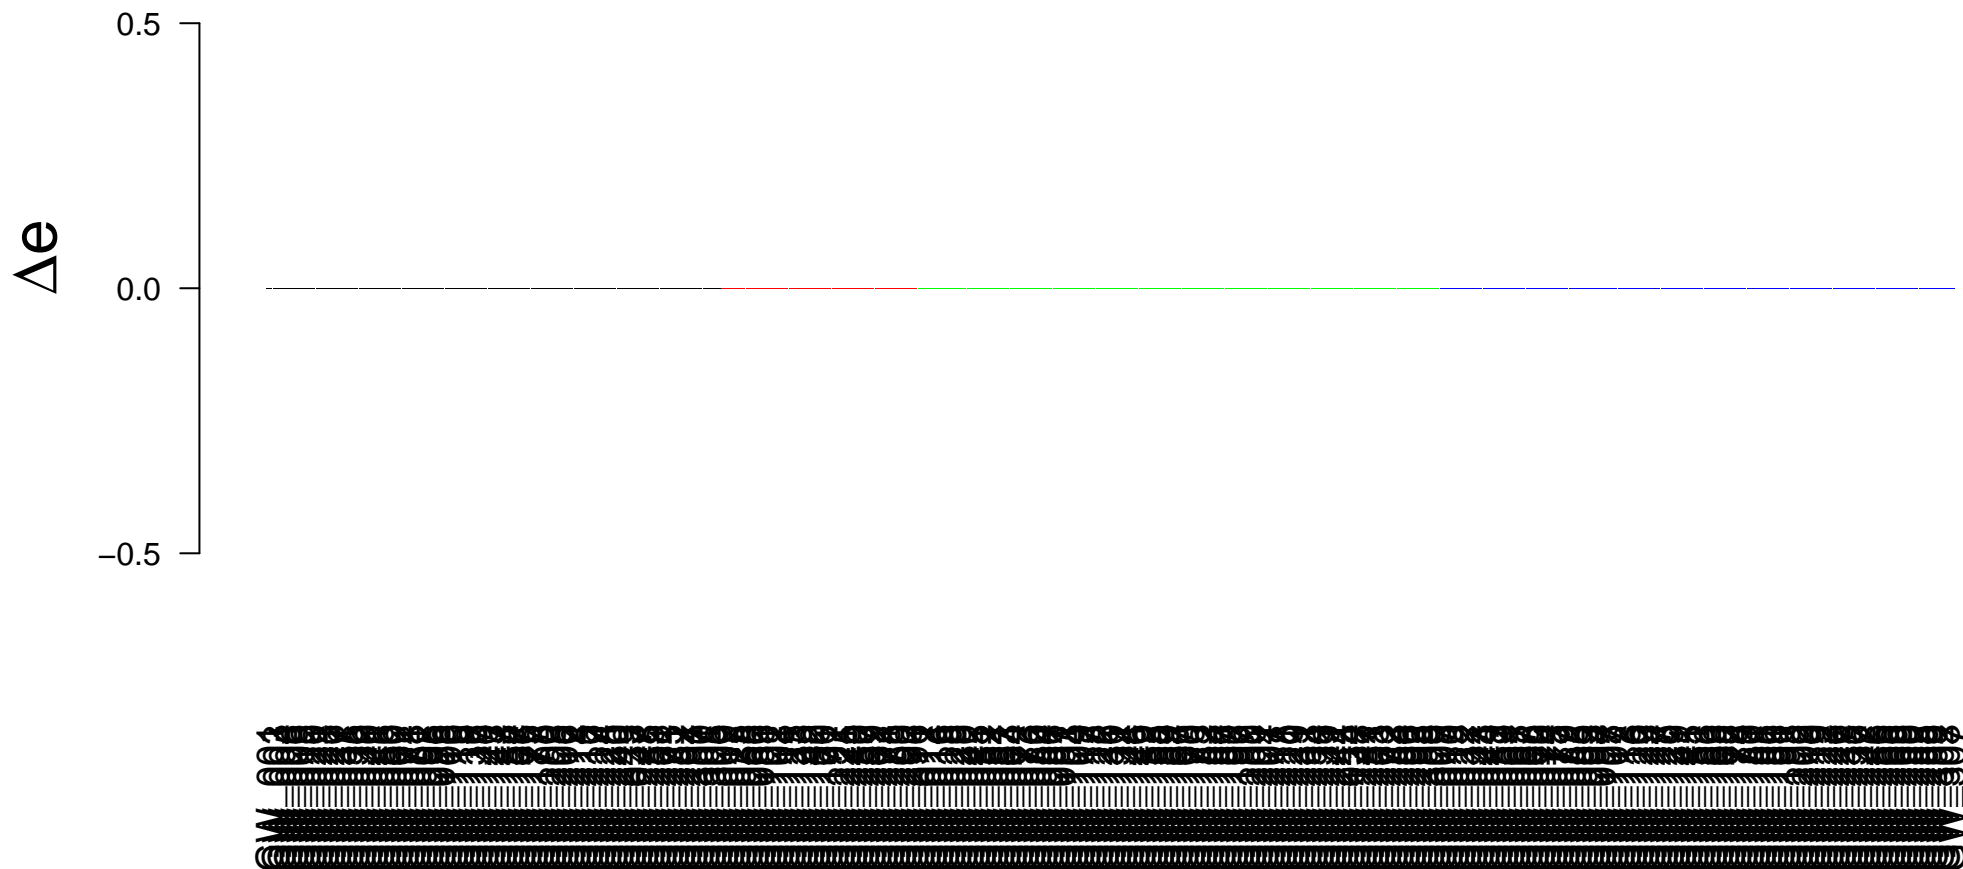

Expression of ATPase activity, coupled in Spot A

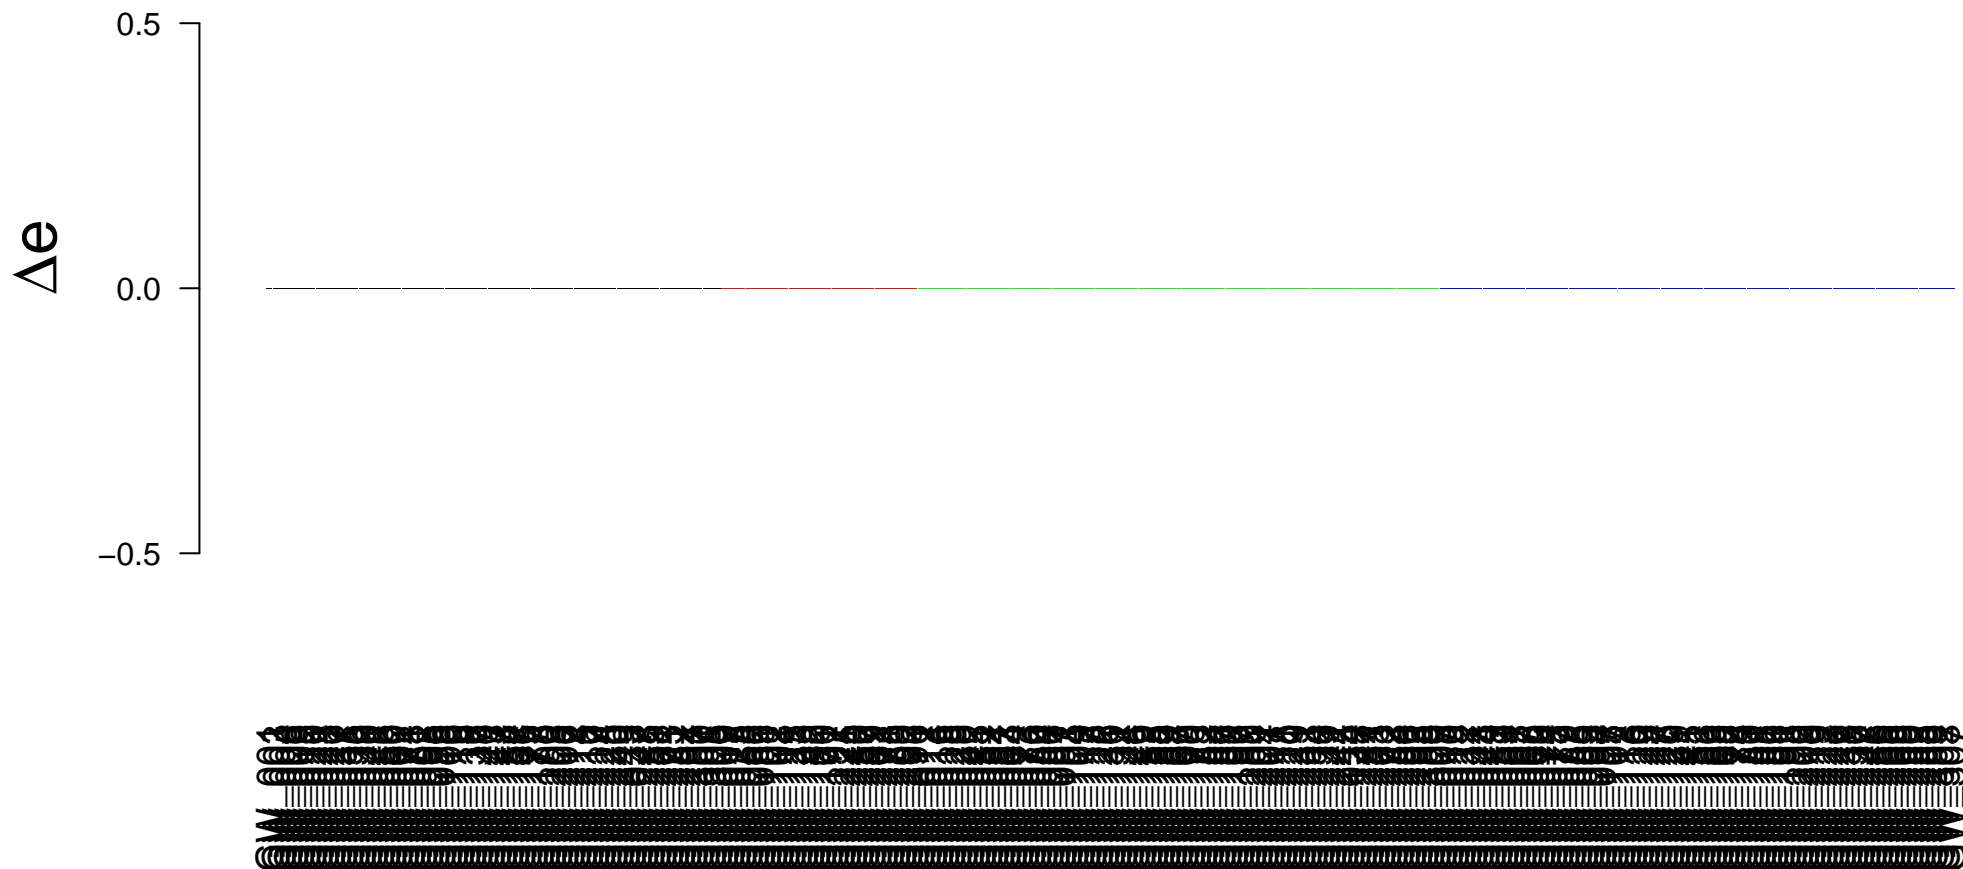

Expression of ATPase activity, coupled in Spot B

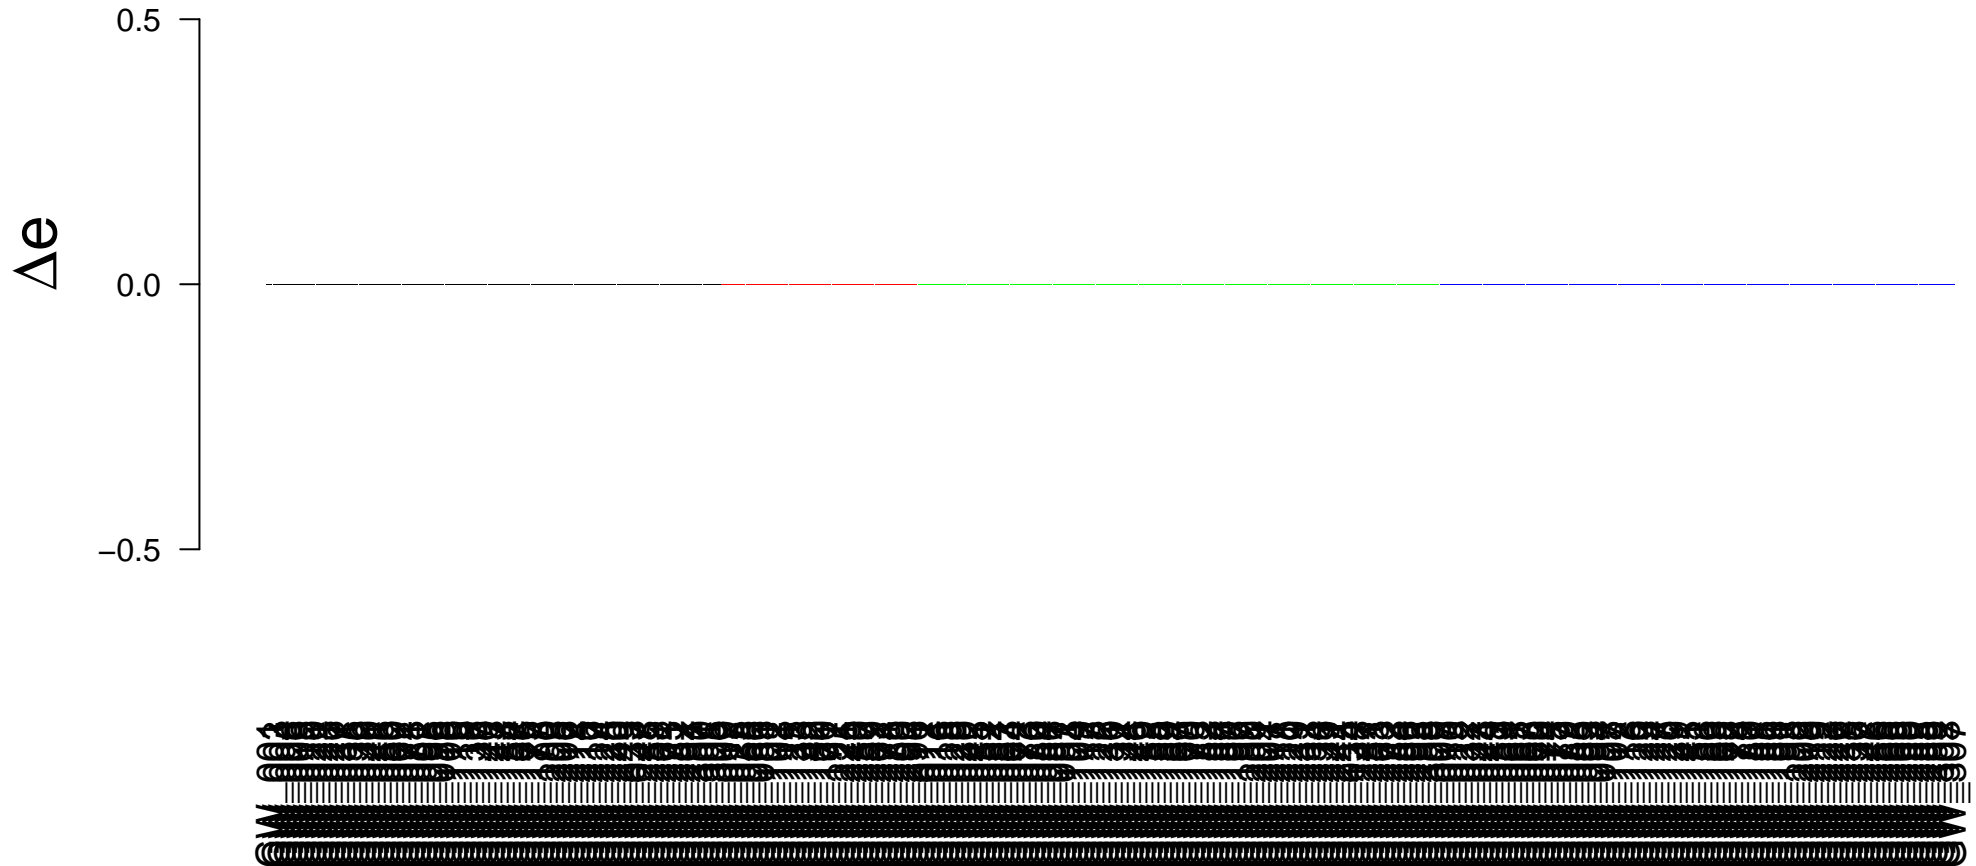

Expression of ATPase activity, coupled in Spot C

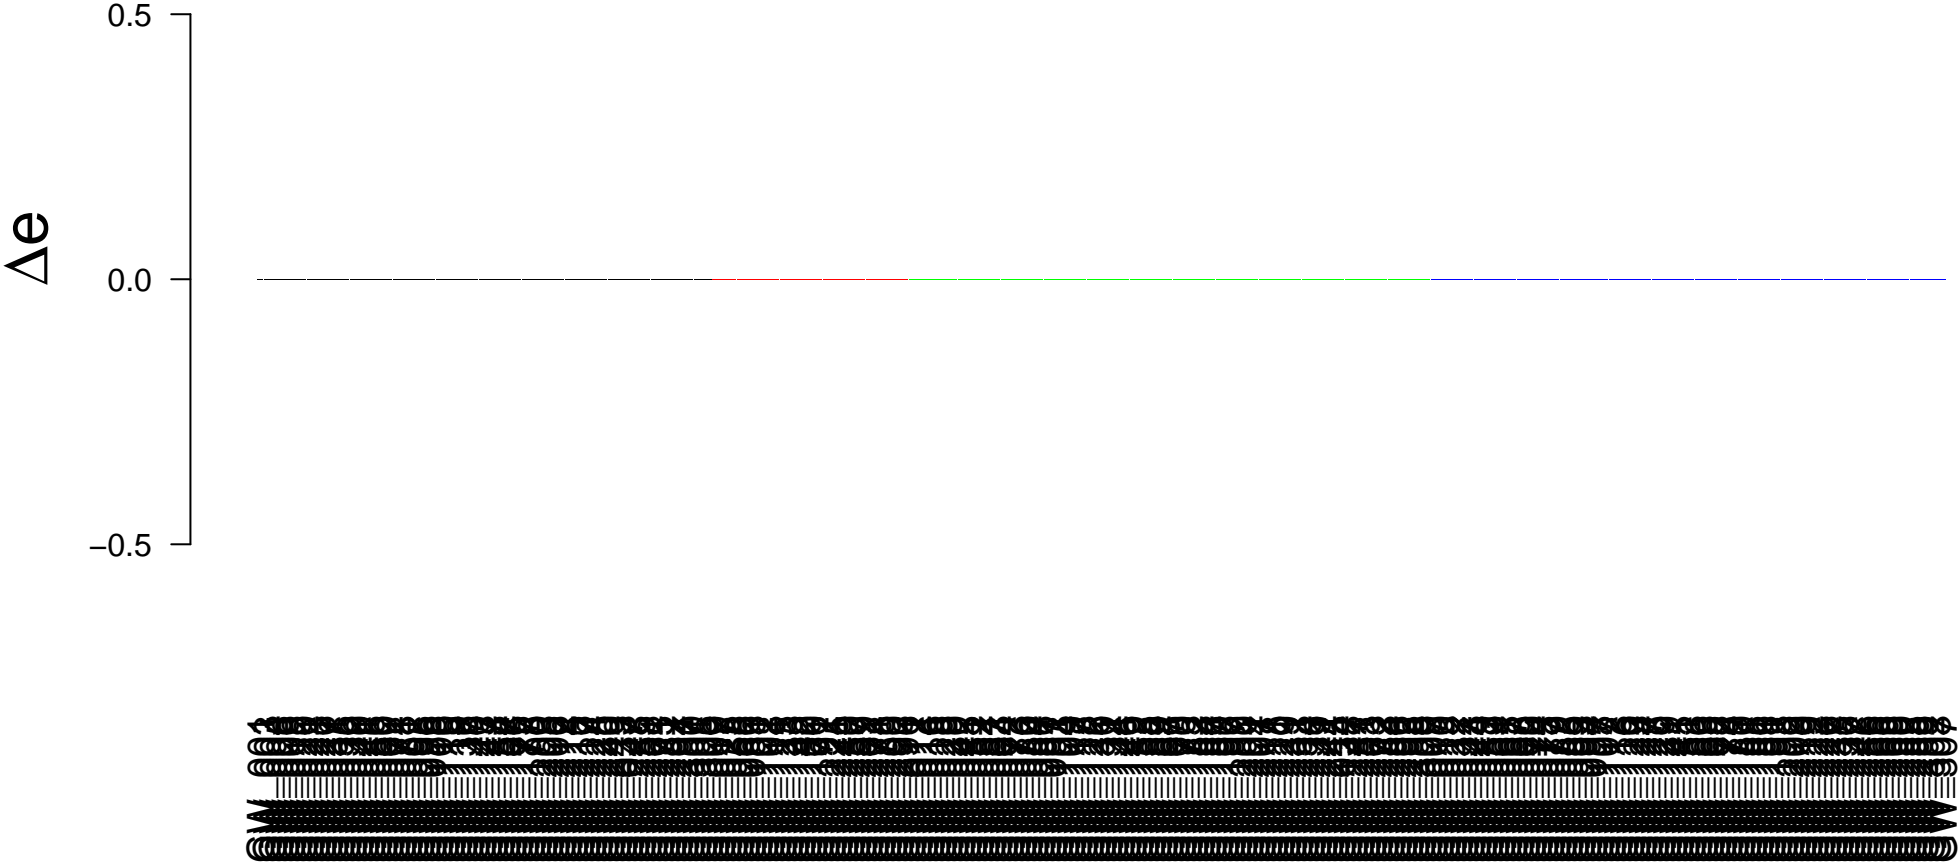

Expression of ATPase activity, coupled in Spot D

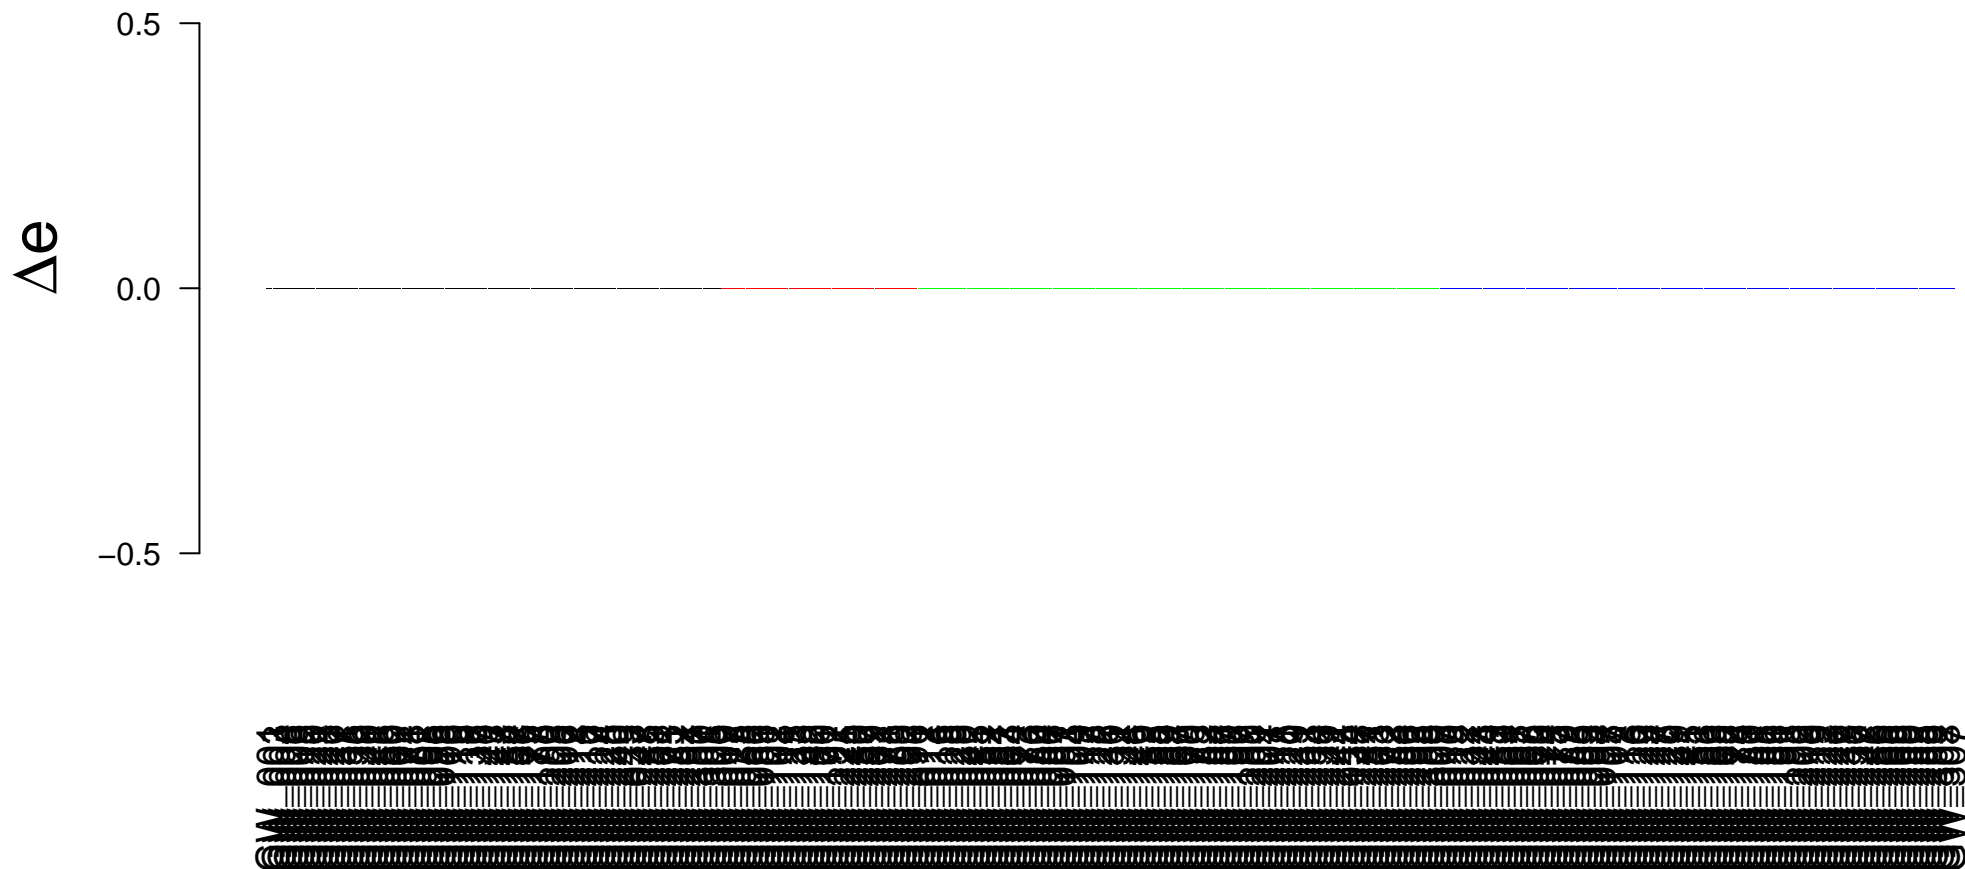

Expression of ATPase activity, coupled in Spot E

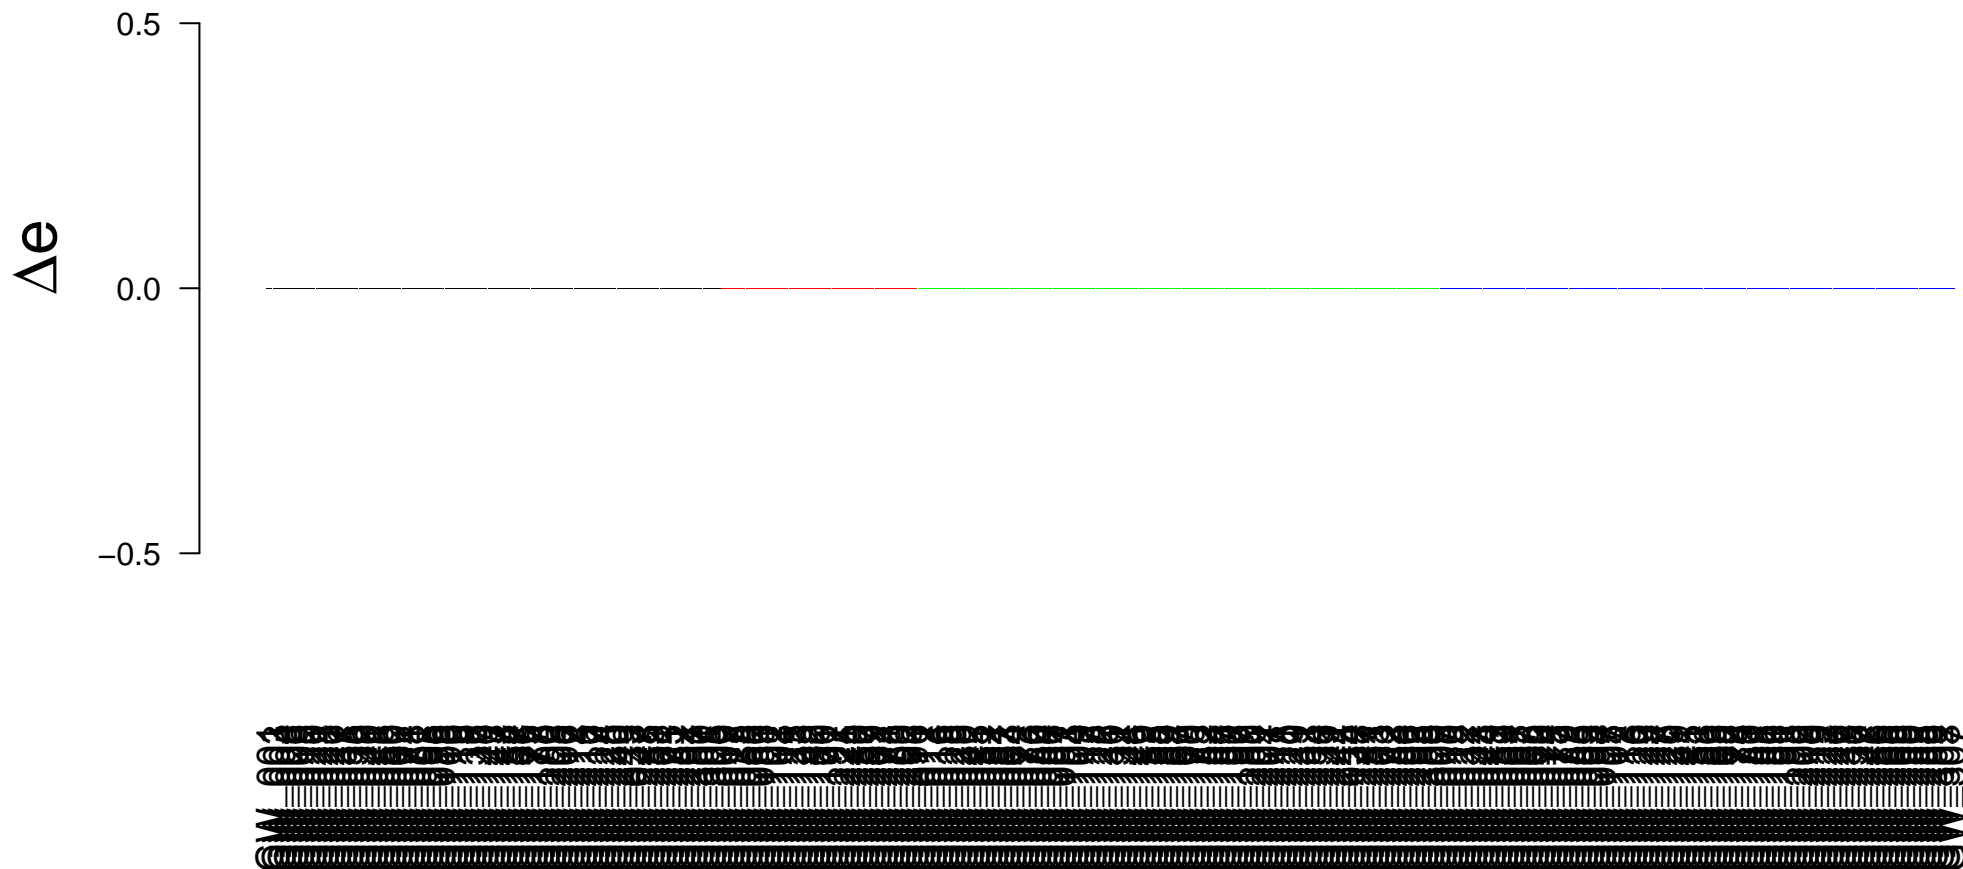

Expression of ATPase activity, coupled in Spot F

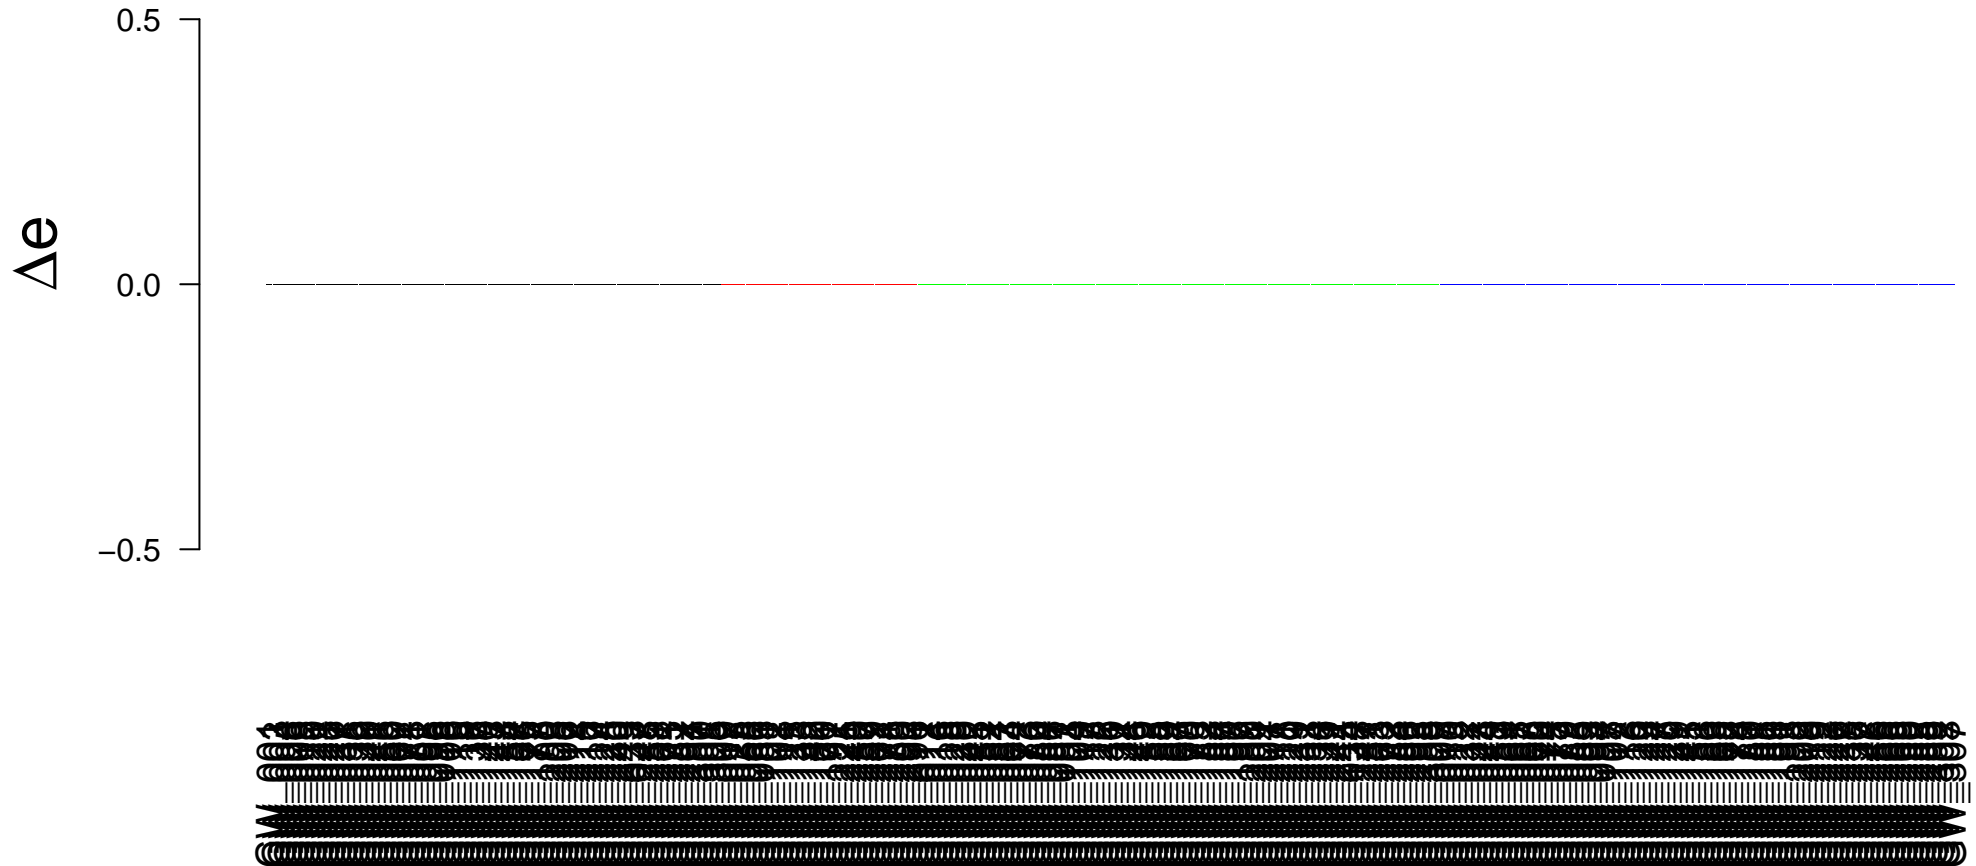

Expression of ATPase activity, coupled in Spot G

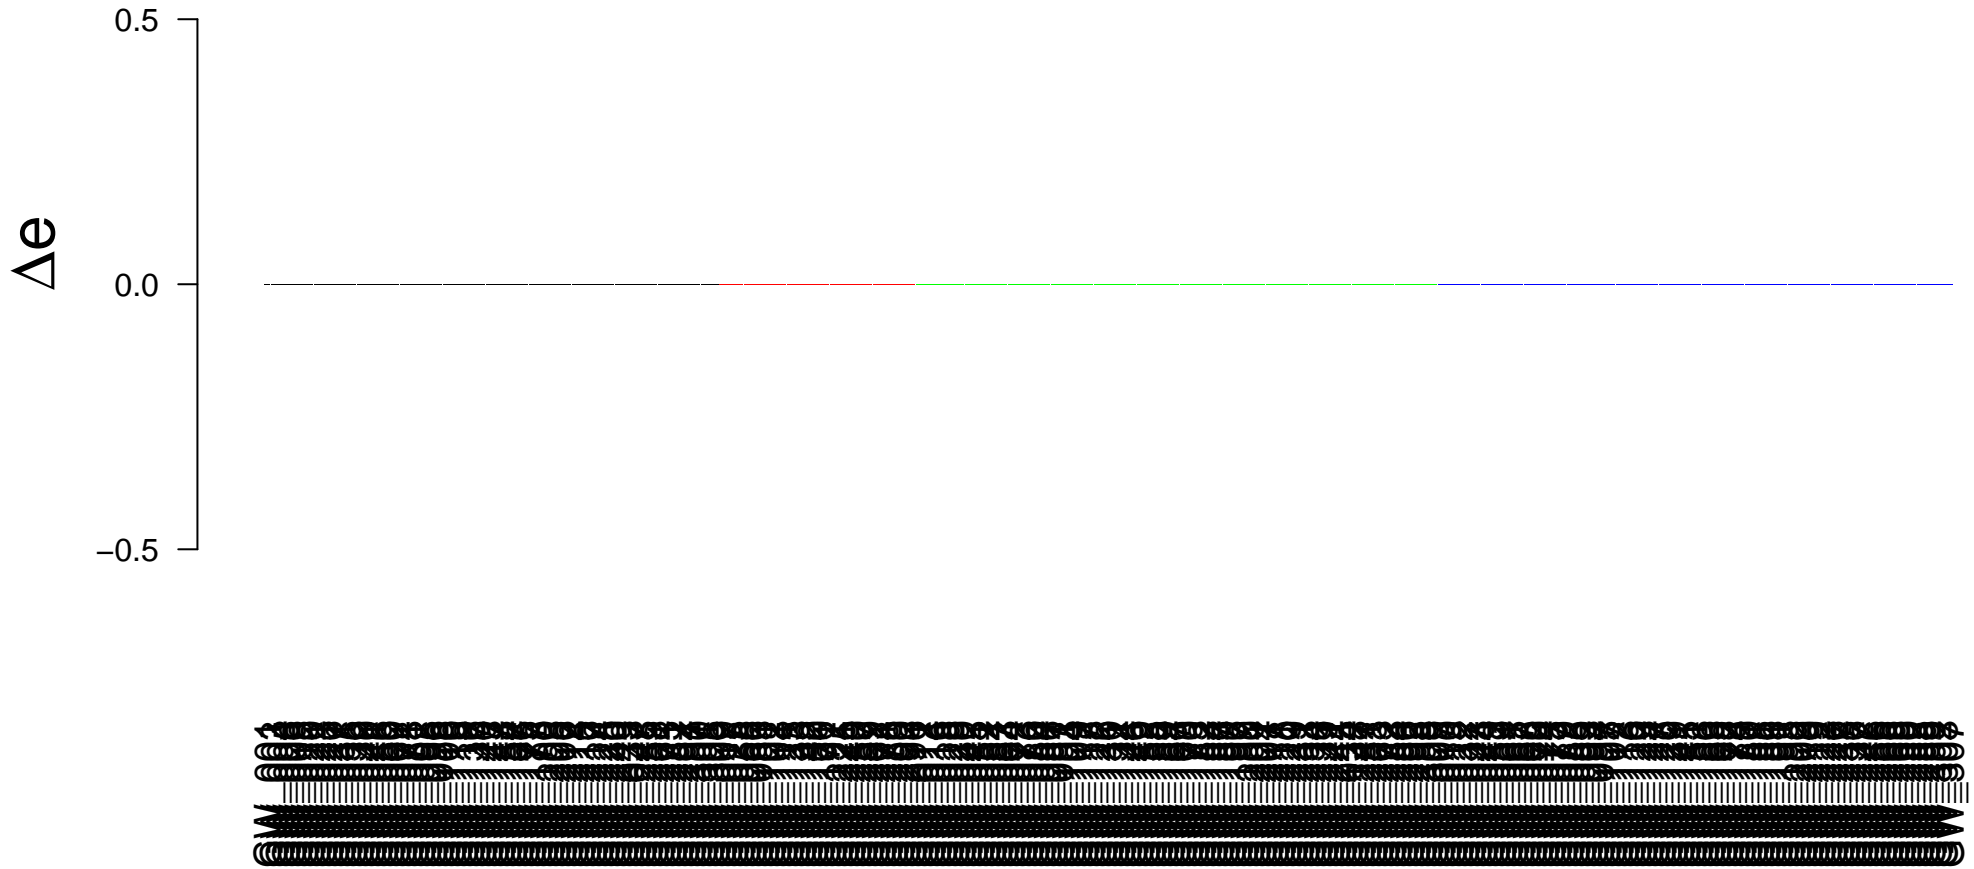

Expression of ATPase activity, coupled in Spot H

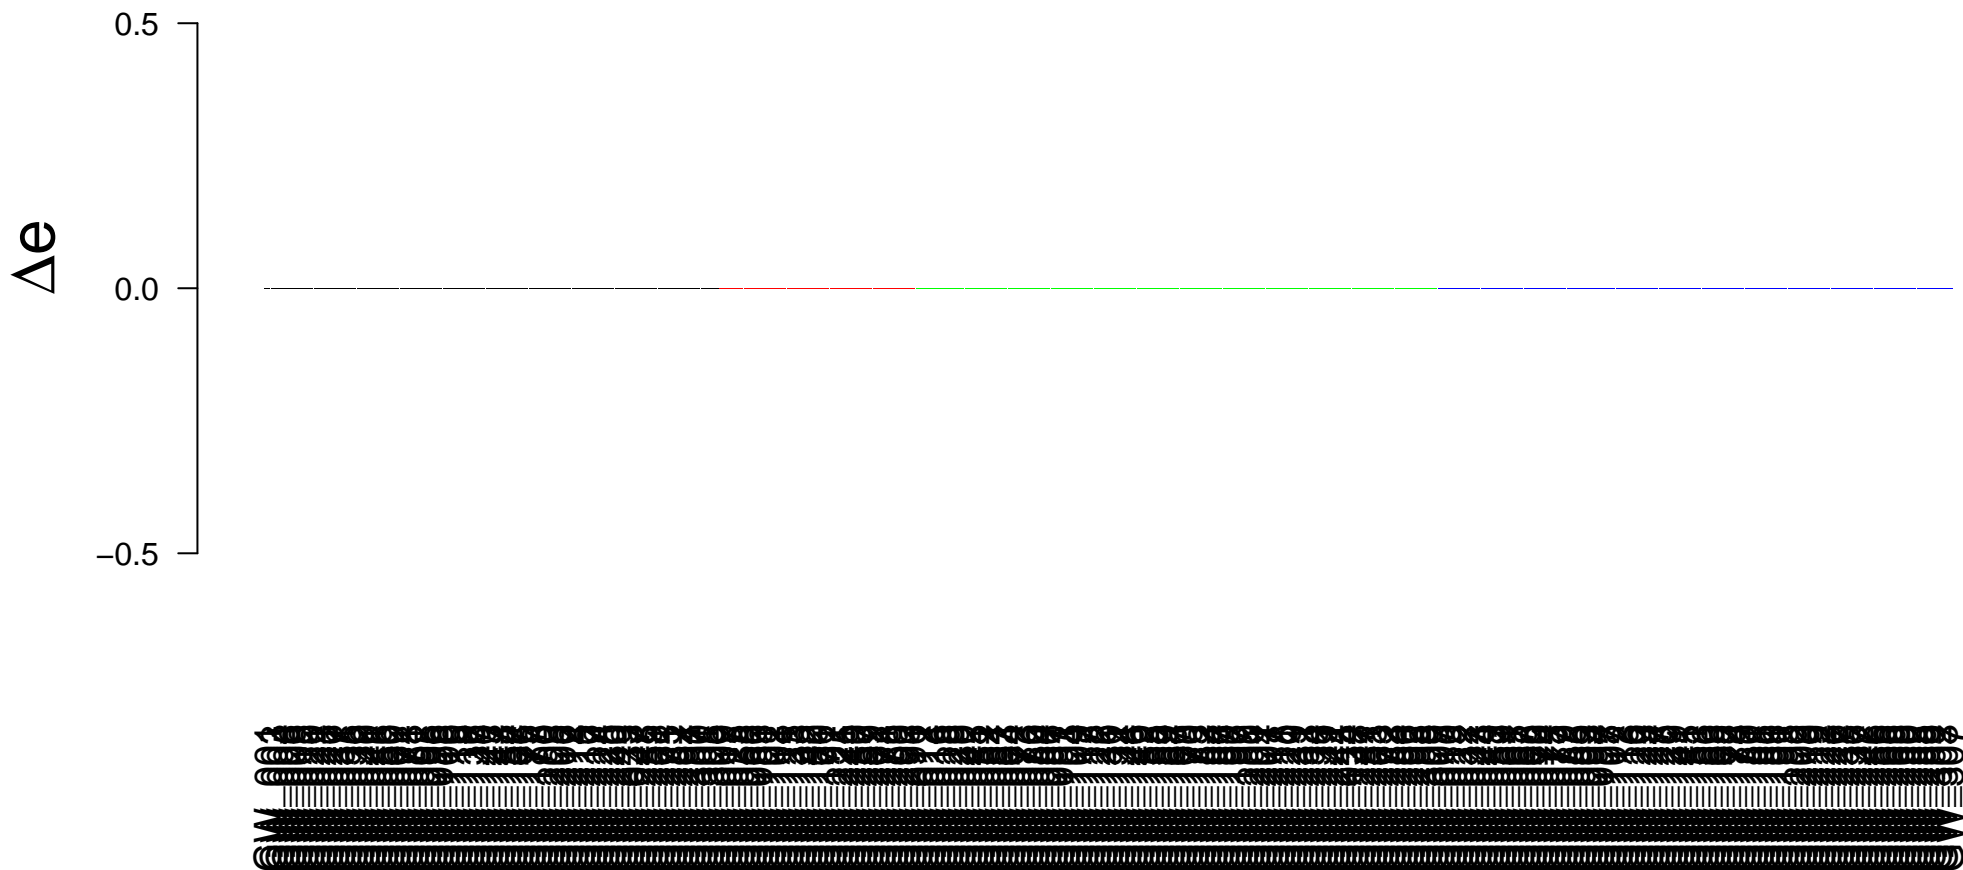

Expression of ATPase activity, coupled in Spot I

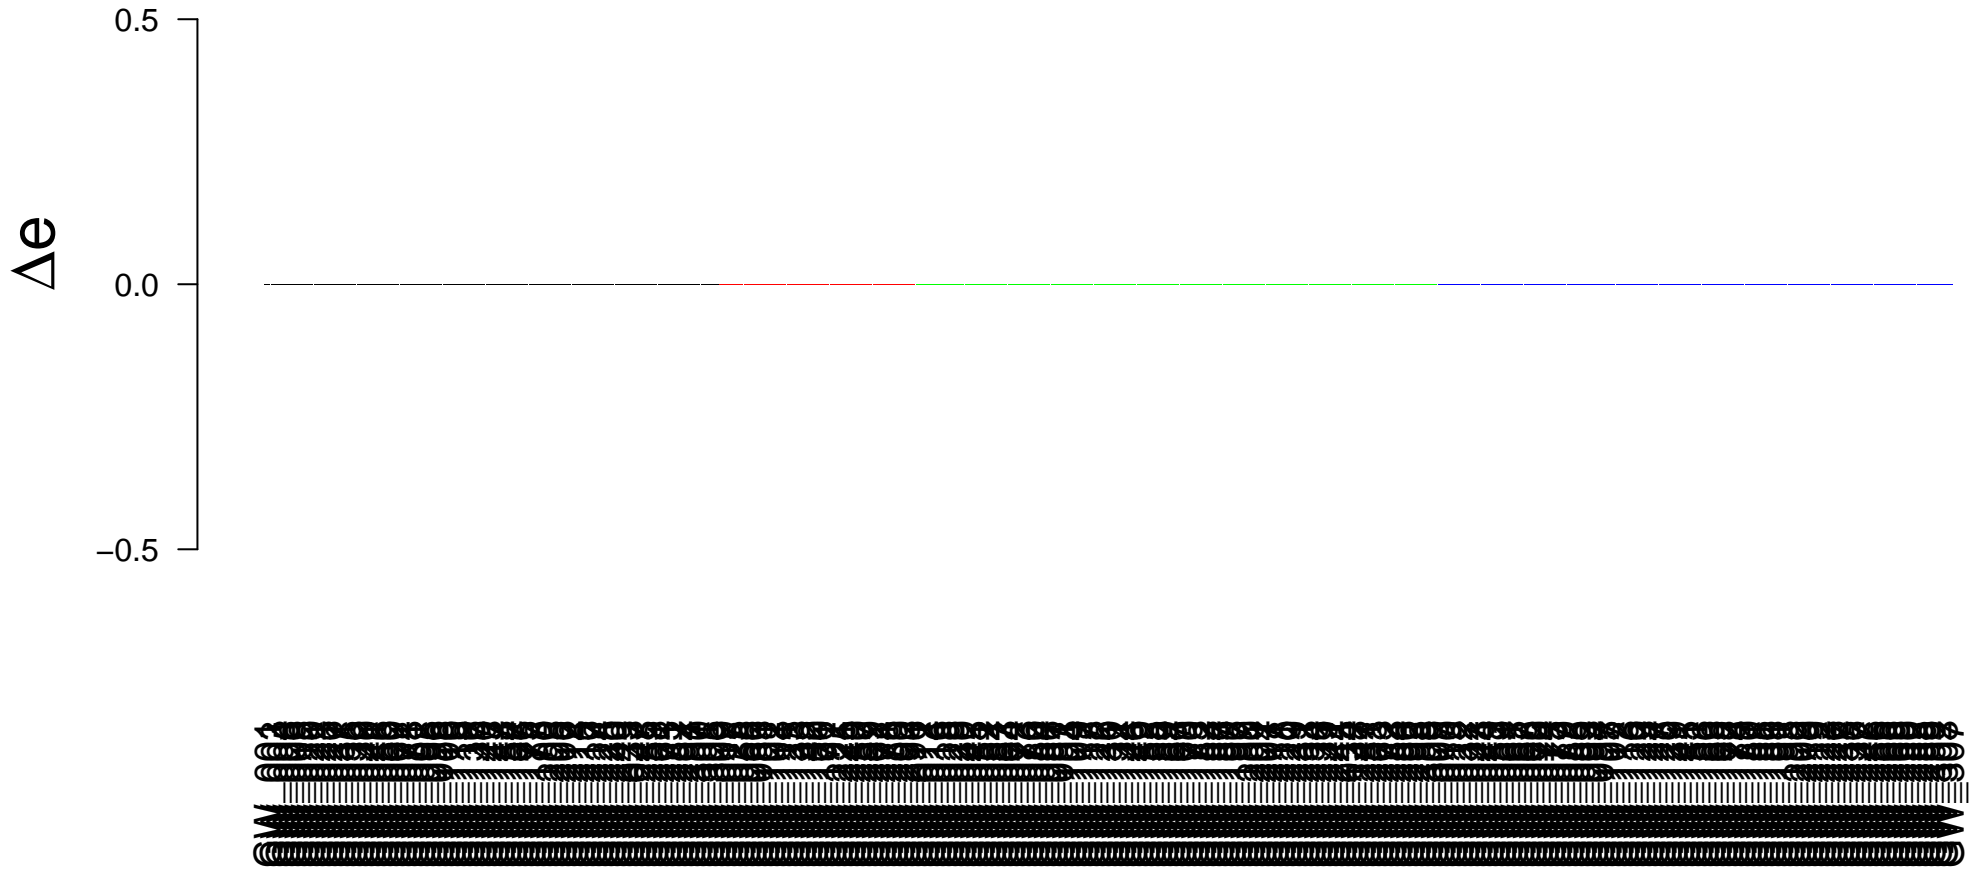

Expression of ATPase activity, coupled in Spot J

Expression of ATPase activity, coupled in Spot K

Expression of ATPase activity, coupled in Spot L

Expression of ATPase activity, coupled in Spot M
