

B cell differentiation

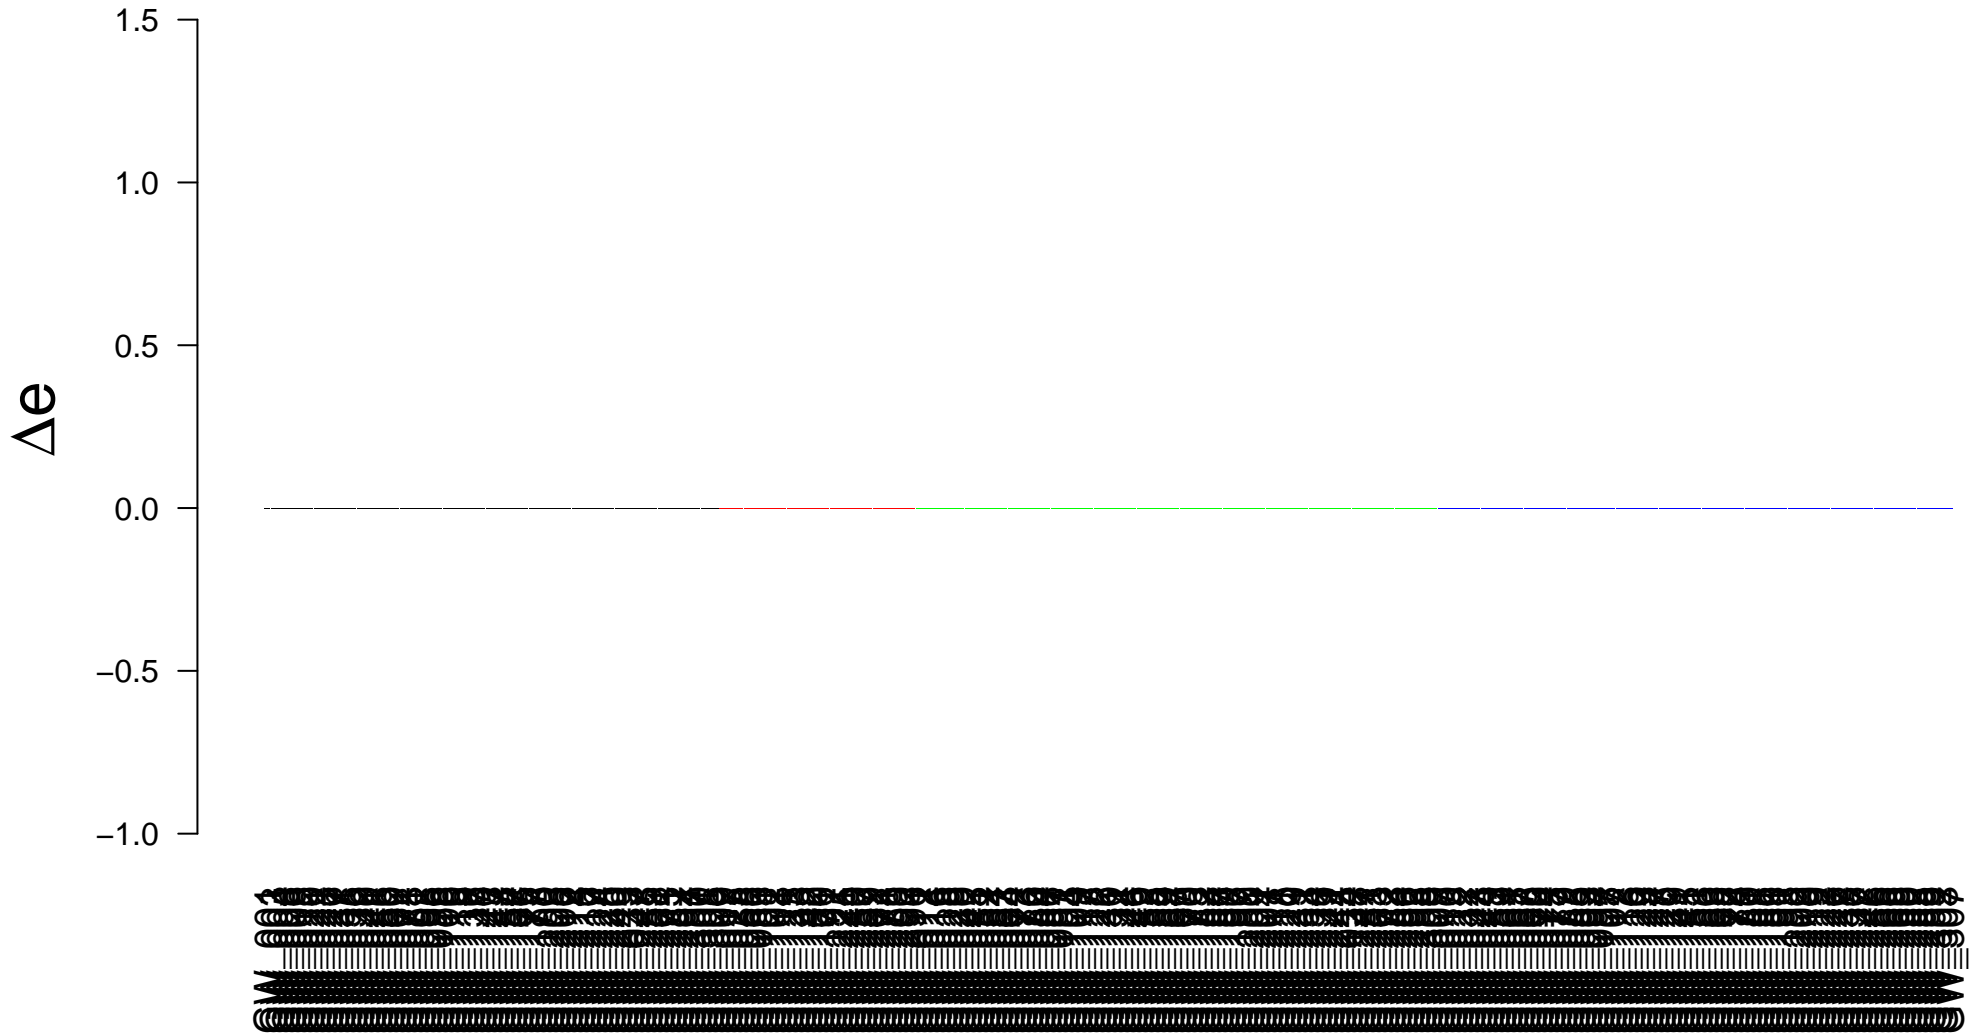

B cell differentiation

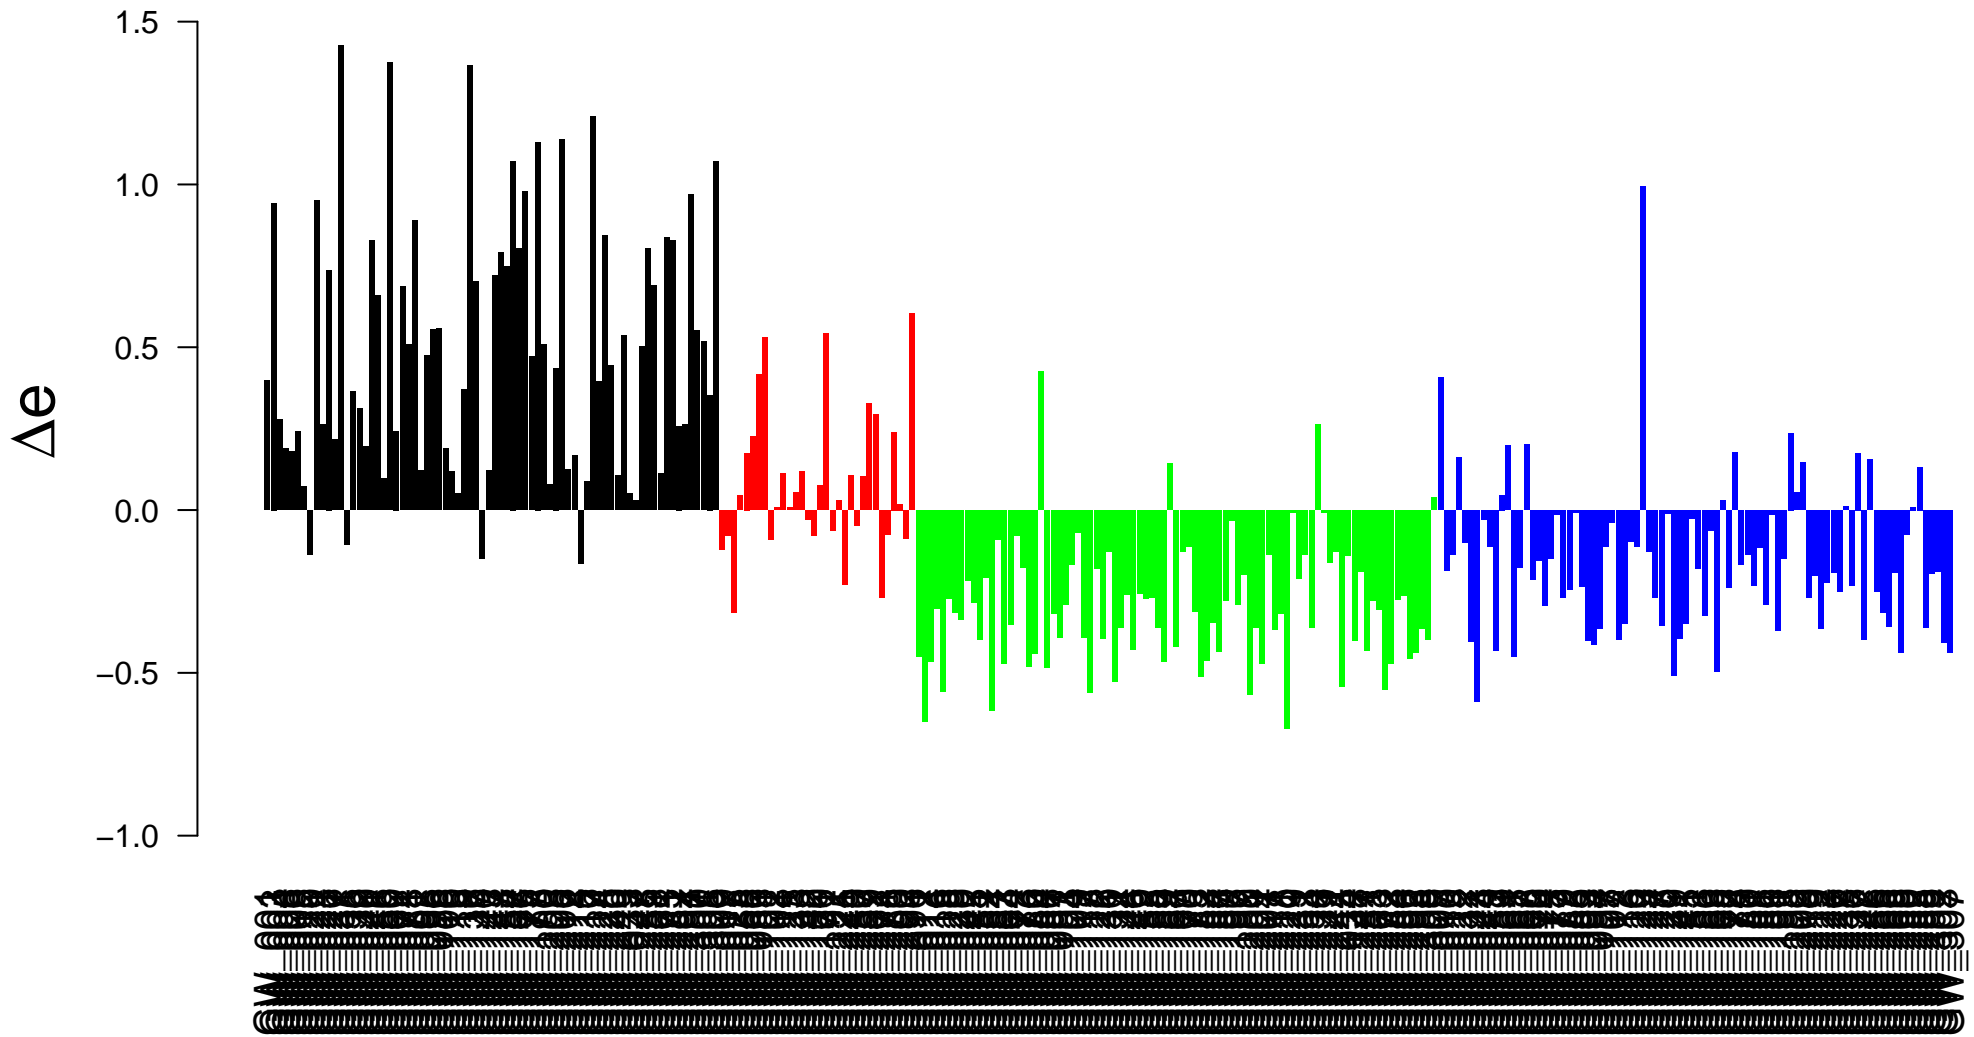

Enrichment in spots: B cell differentiation

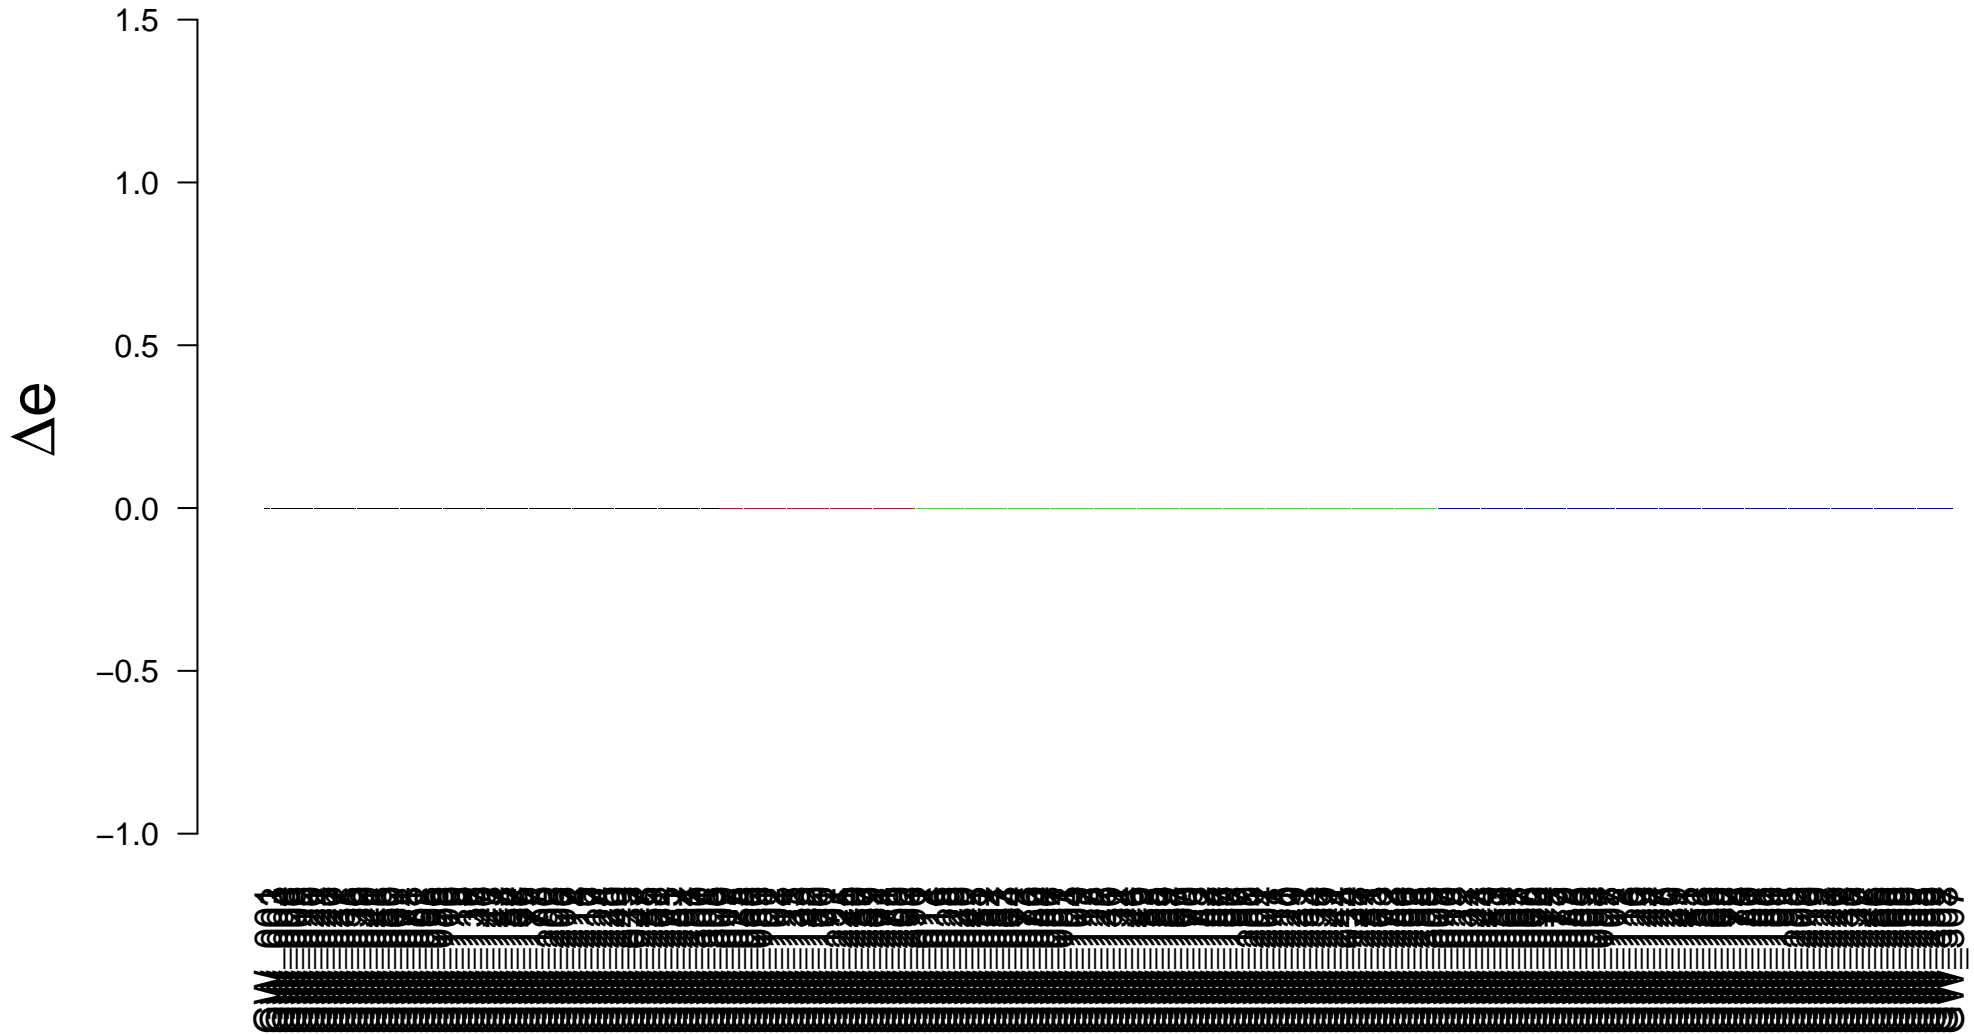

Expression of B cell differentiation in Spot A

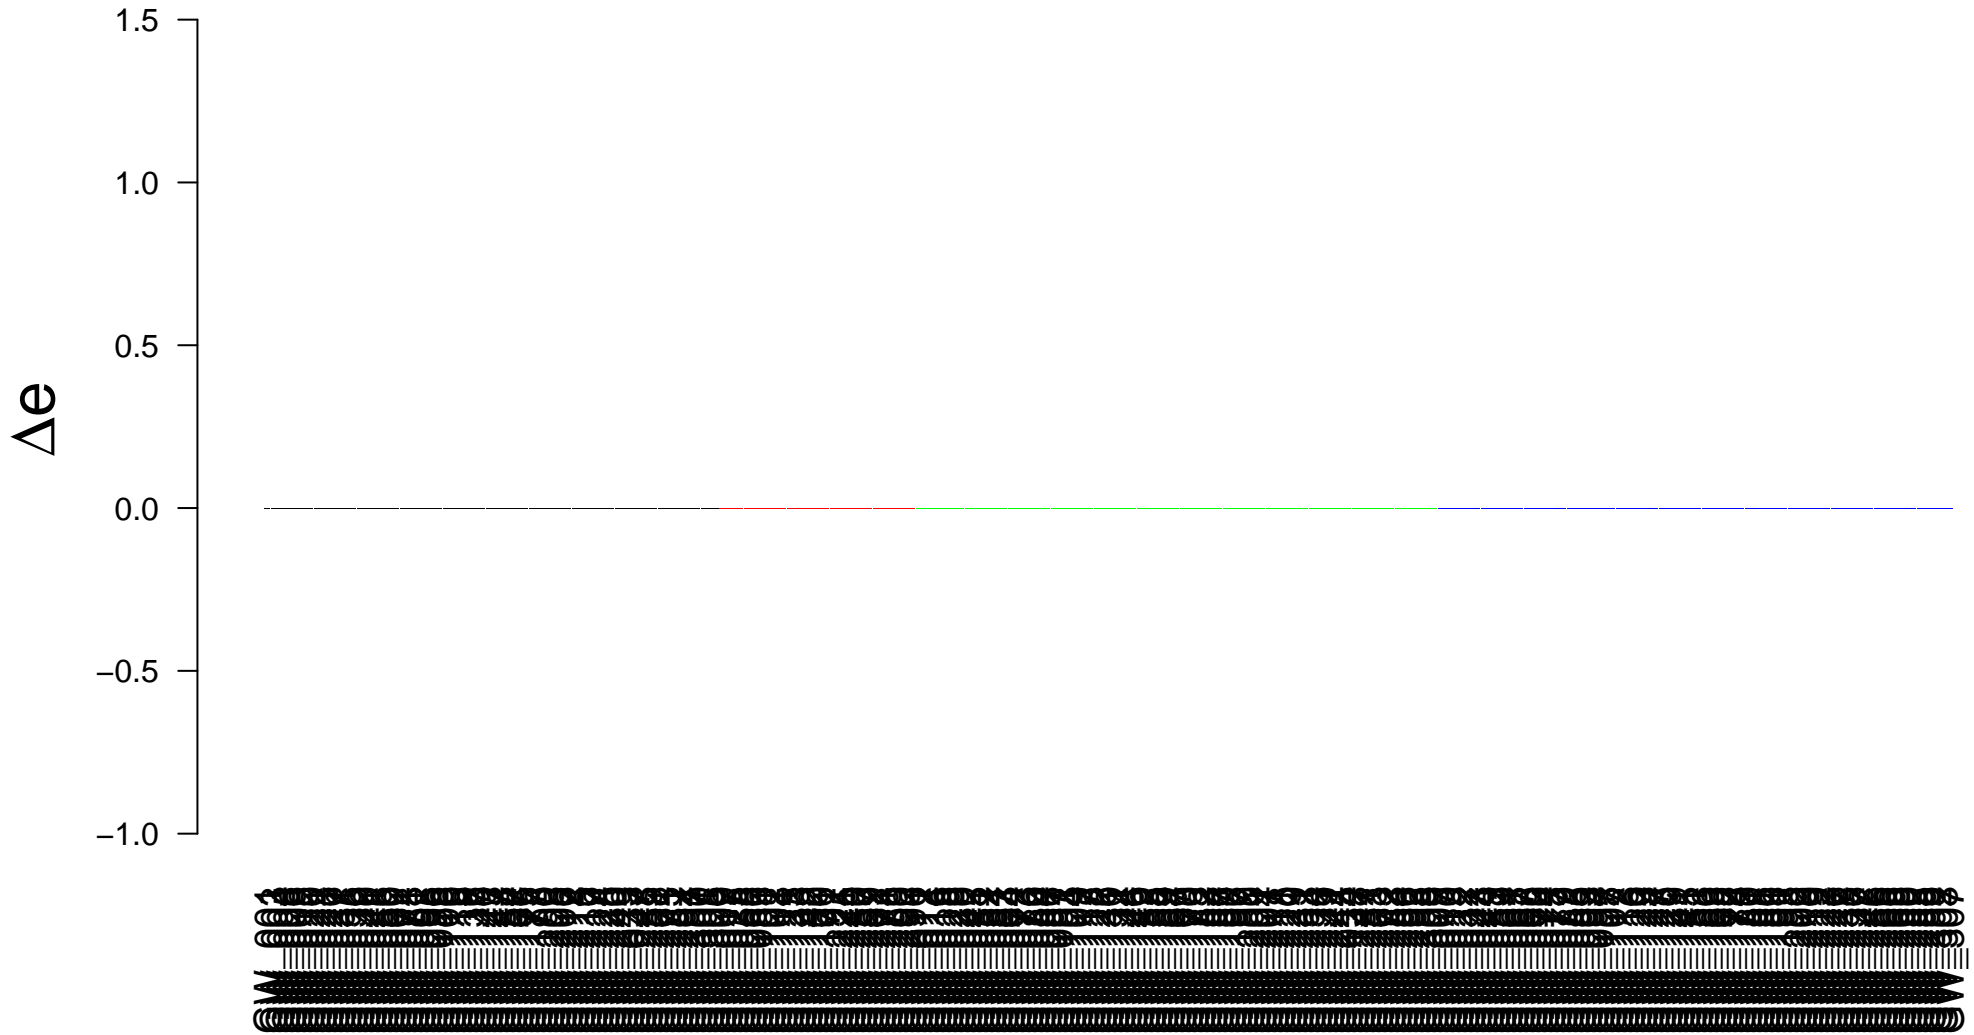

Expression of B cell differentiation in Spot B

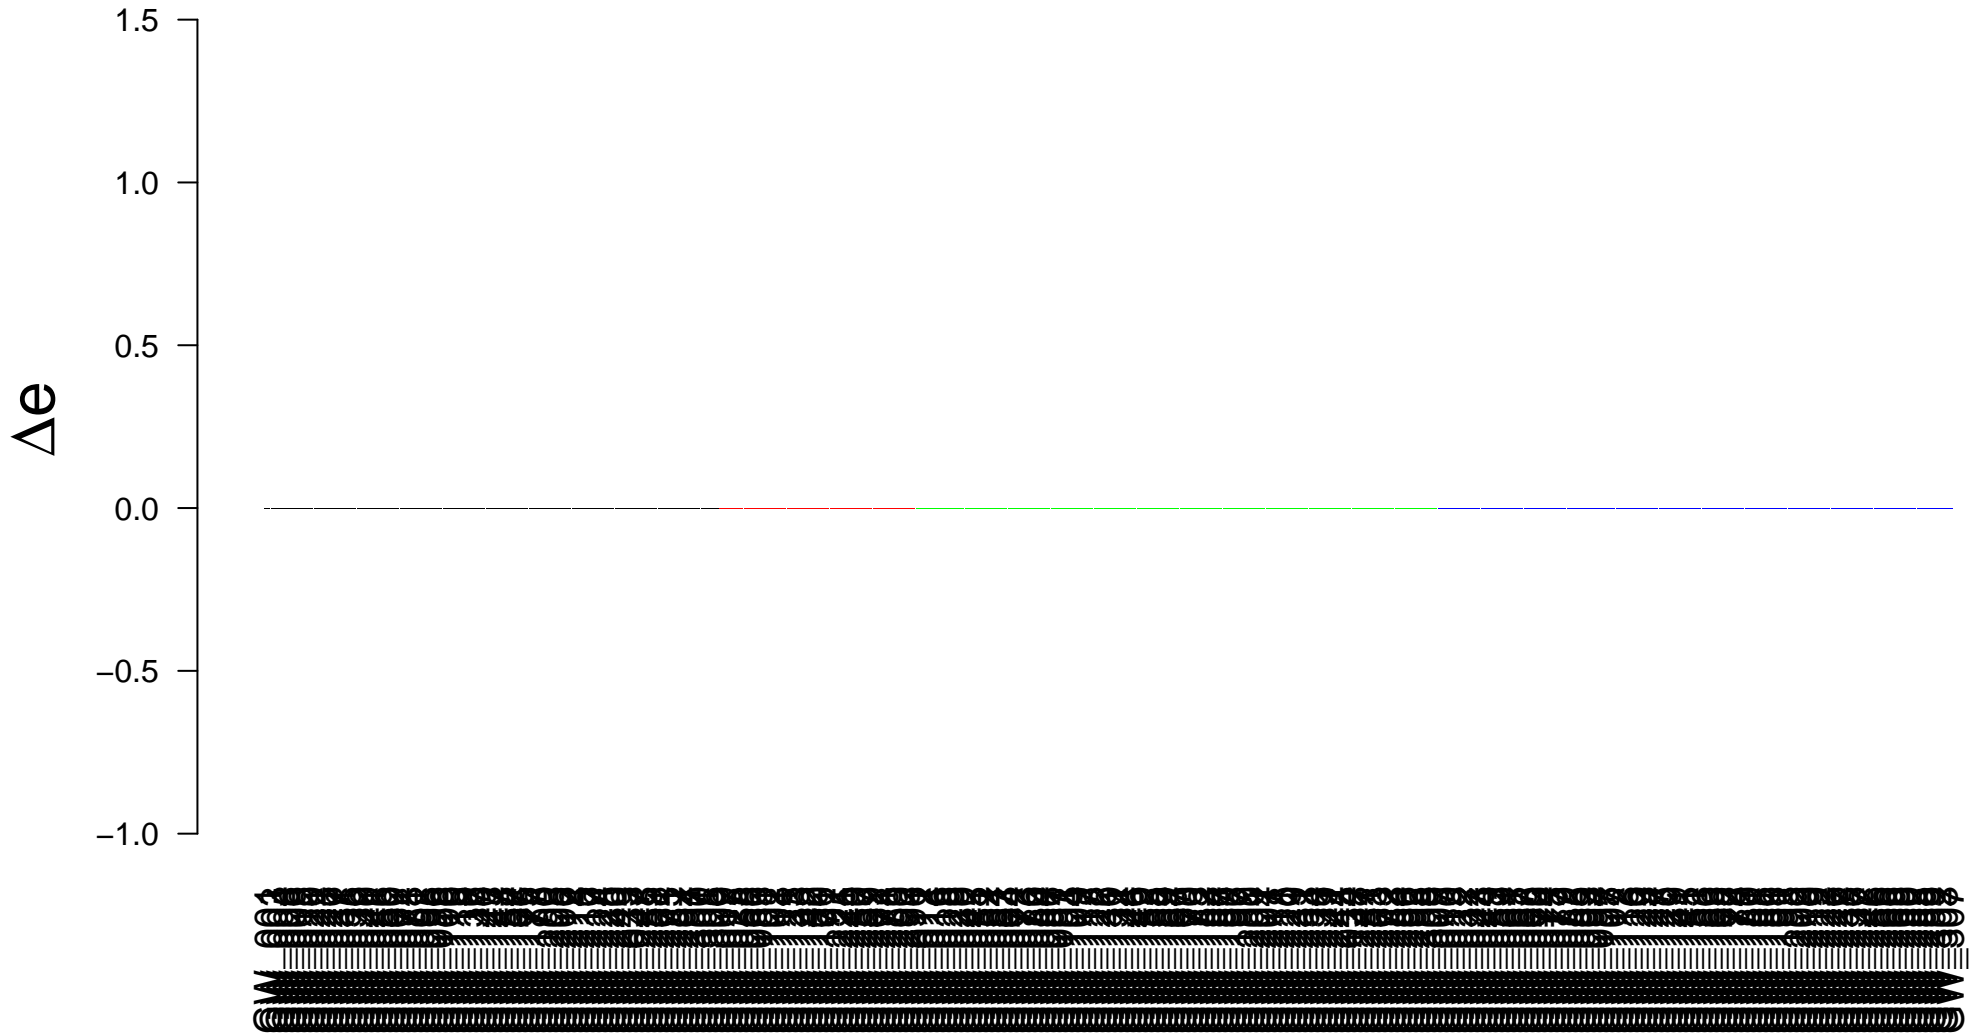

Expression of B cell differentiation in Spot C

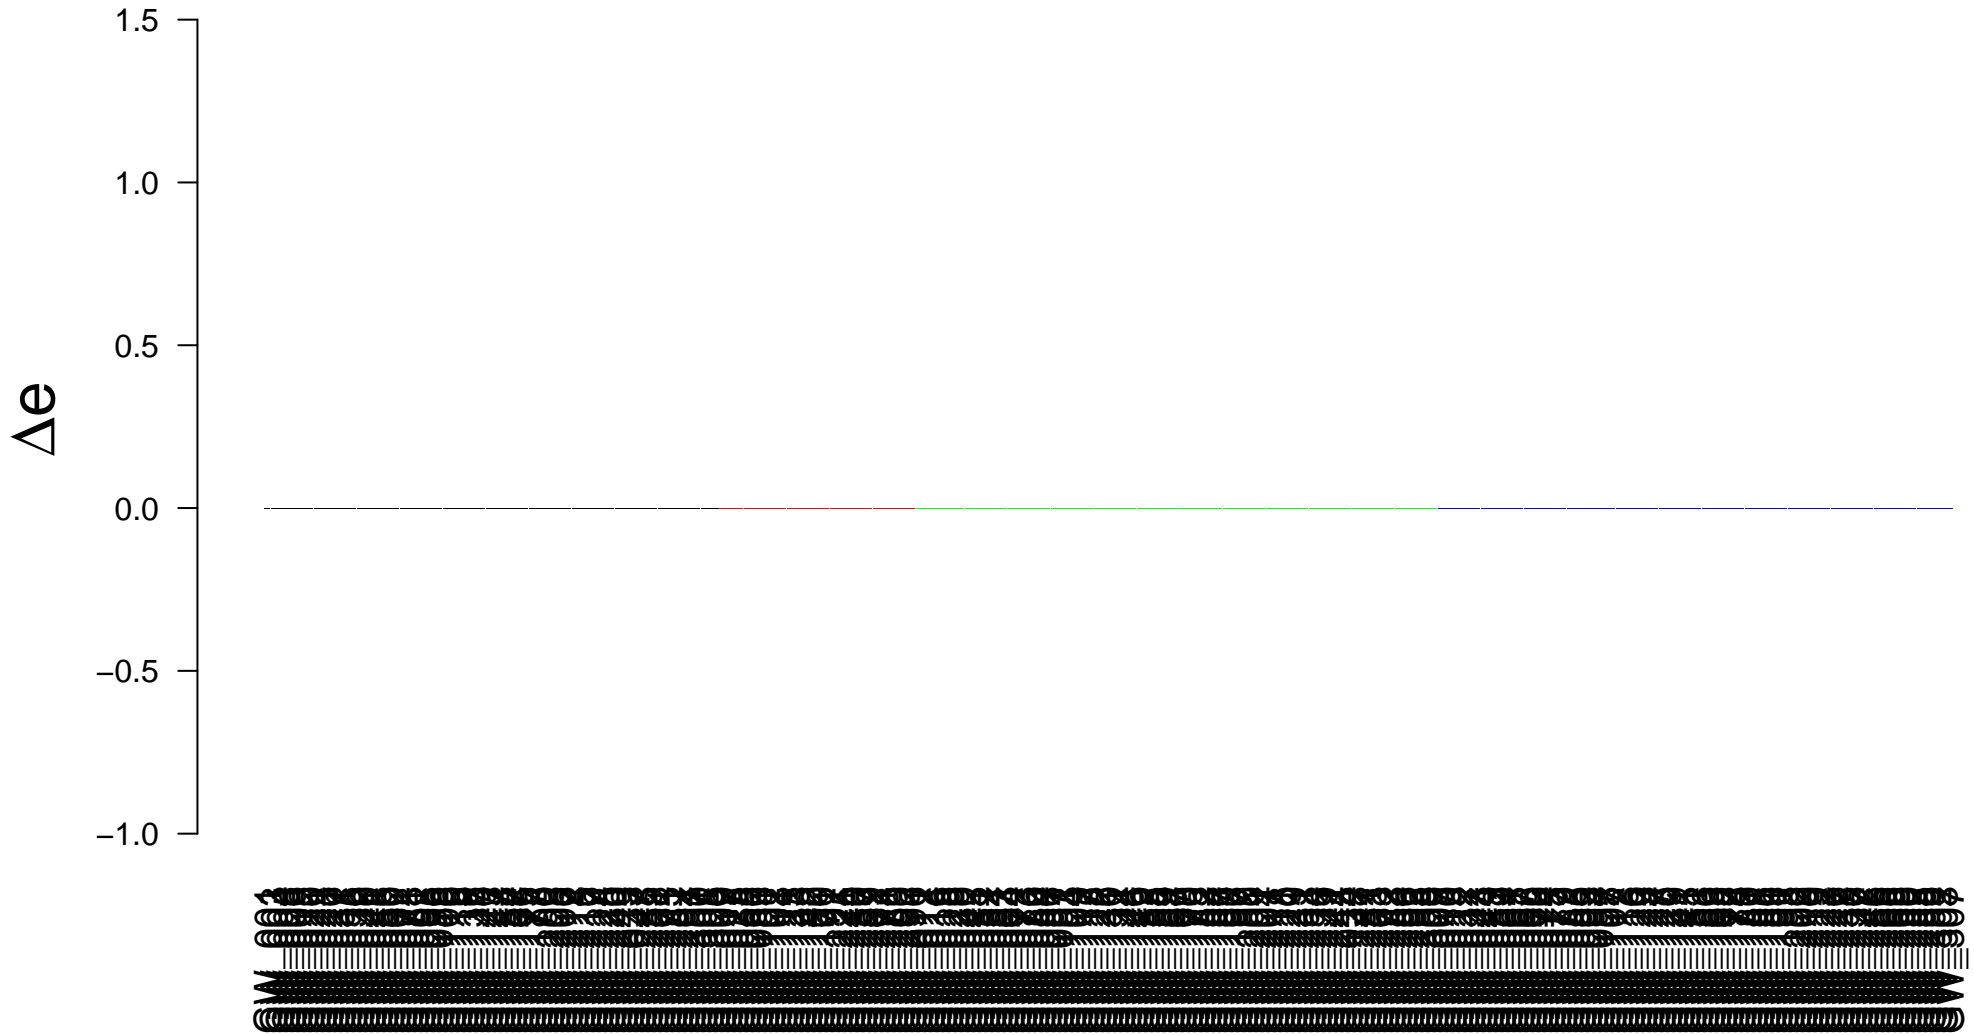

Expression of B cell differentiation in Spot D

Expression of B cell differentiation in Spot E

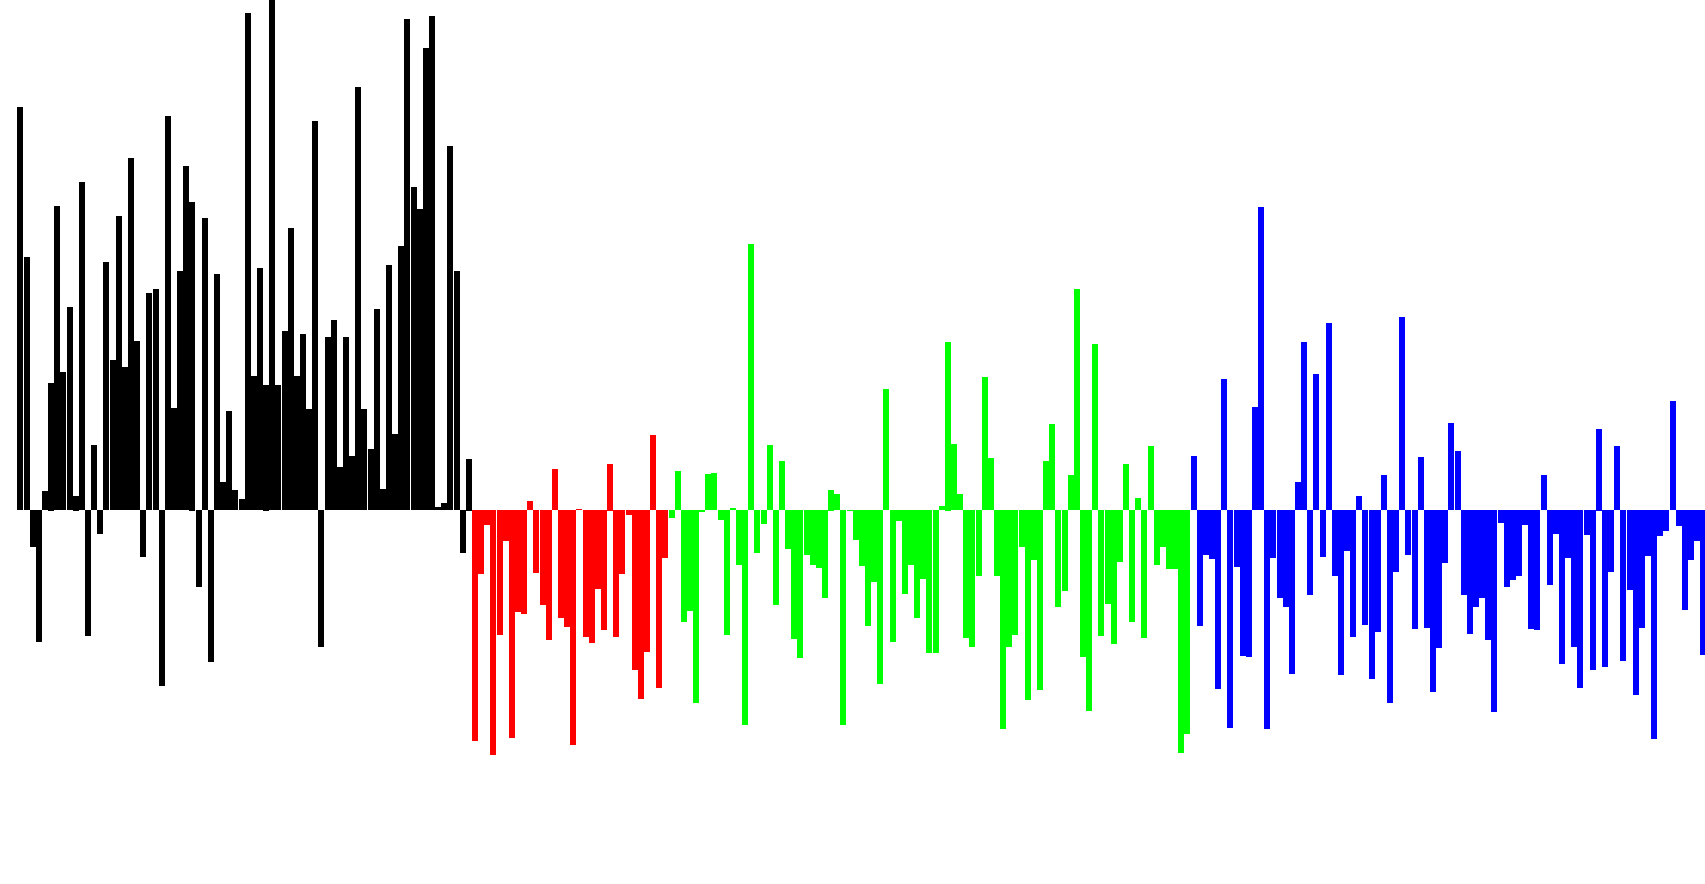

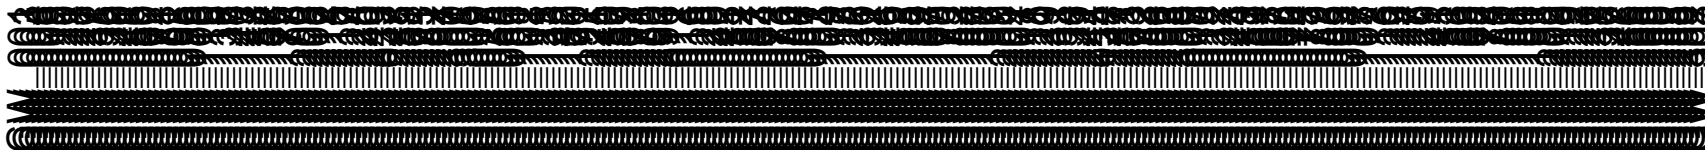

Expression of B cell differentiation in Spot F

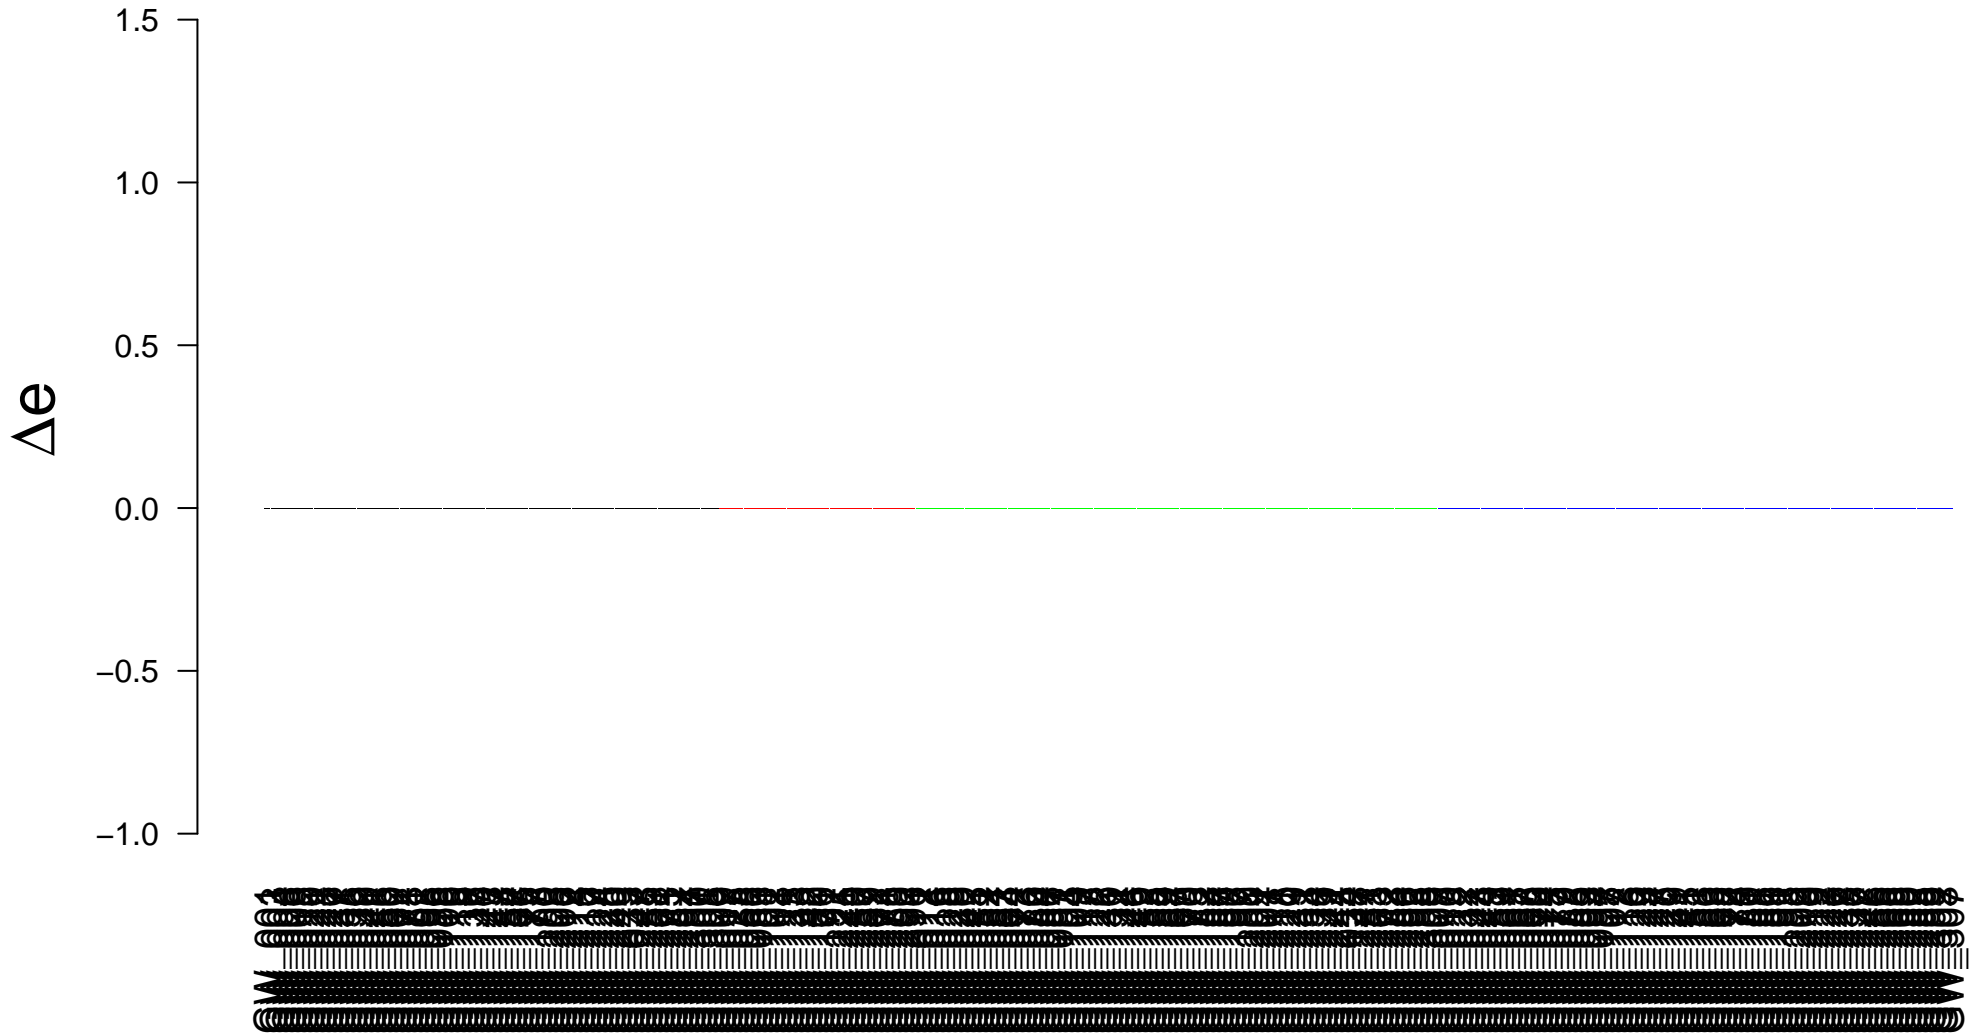

Expression of B cell differentiation in Spot G

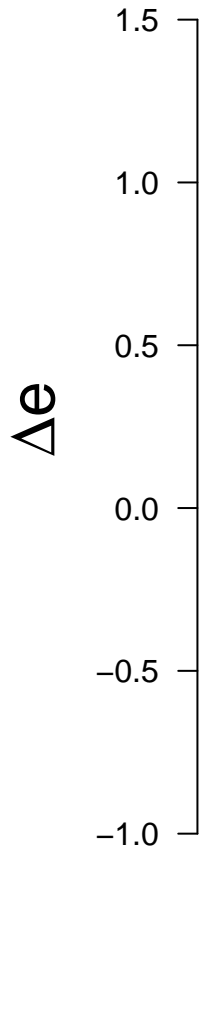

Δe

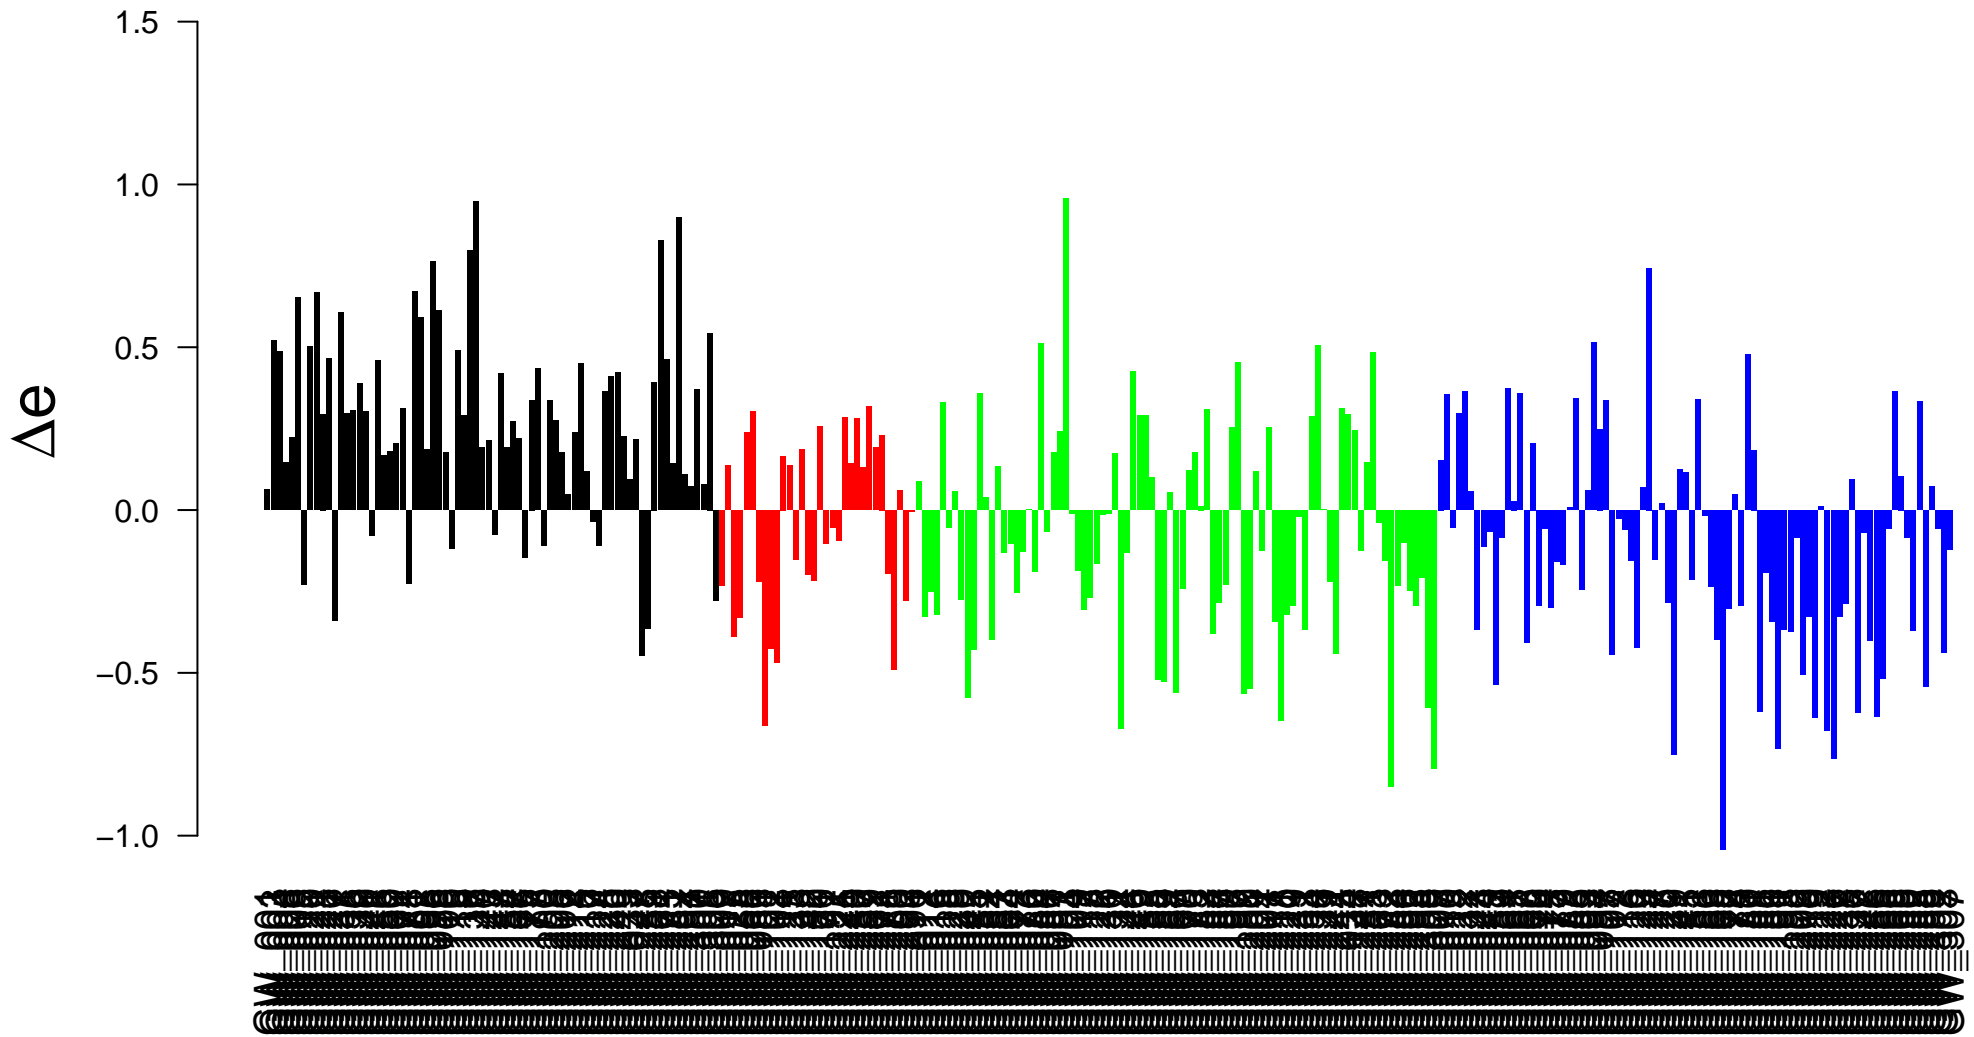

Expression of B cell differentiation in Spot H

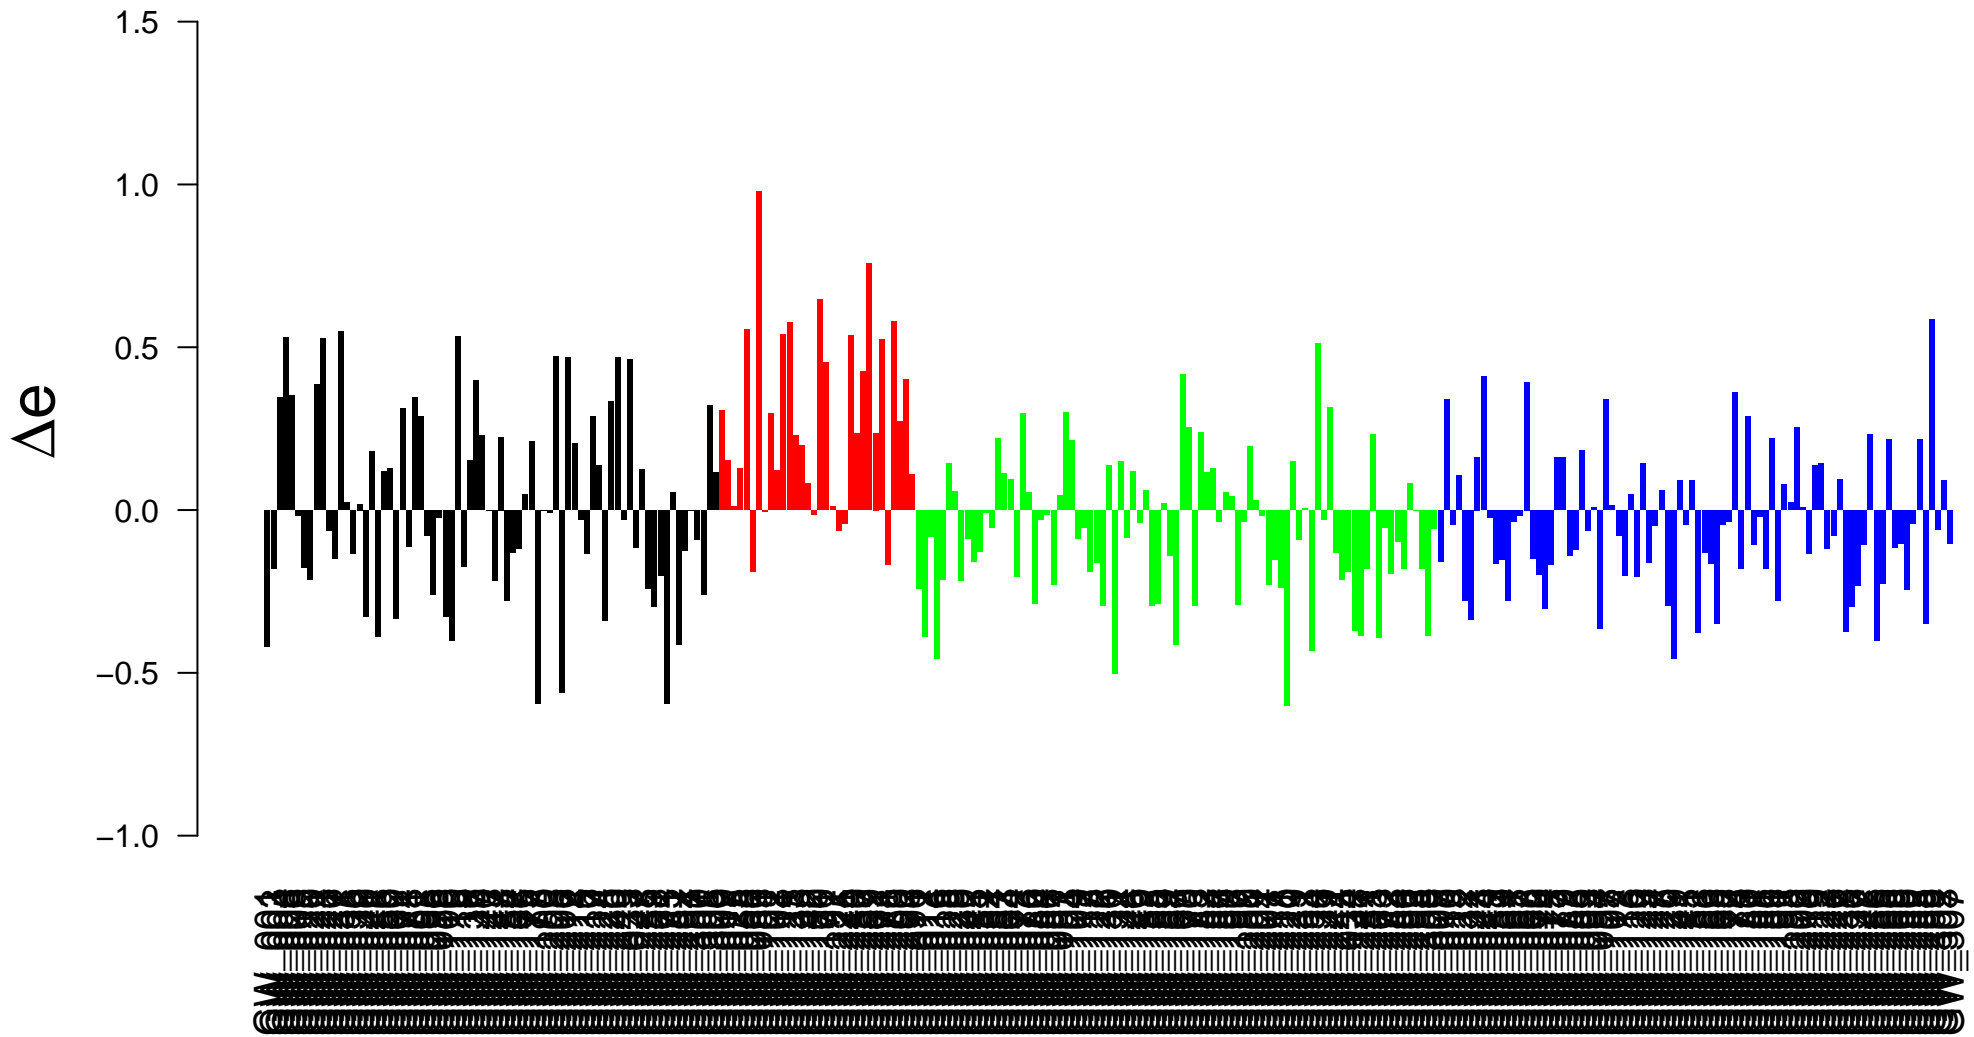

Expression of B cell differentiation in Spot I

Expression of B cell differentiation in Spot J

Expression of B cell differentiation in Spot K

Expression of B cell differentiation in Spot L
