

B cell proliferation

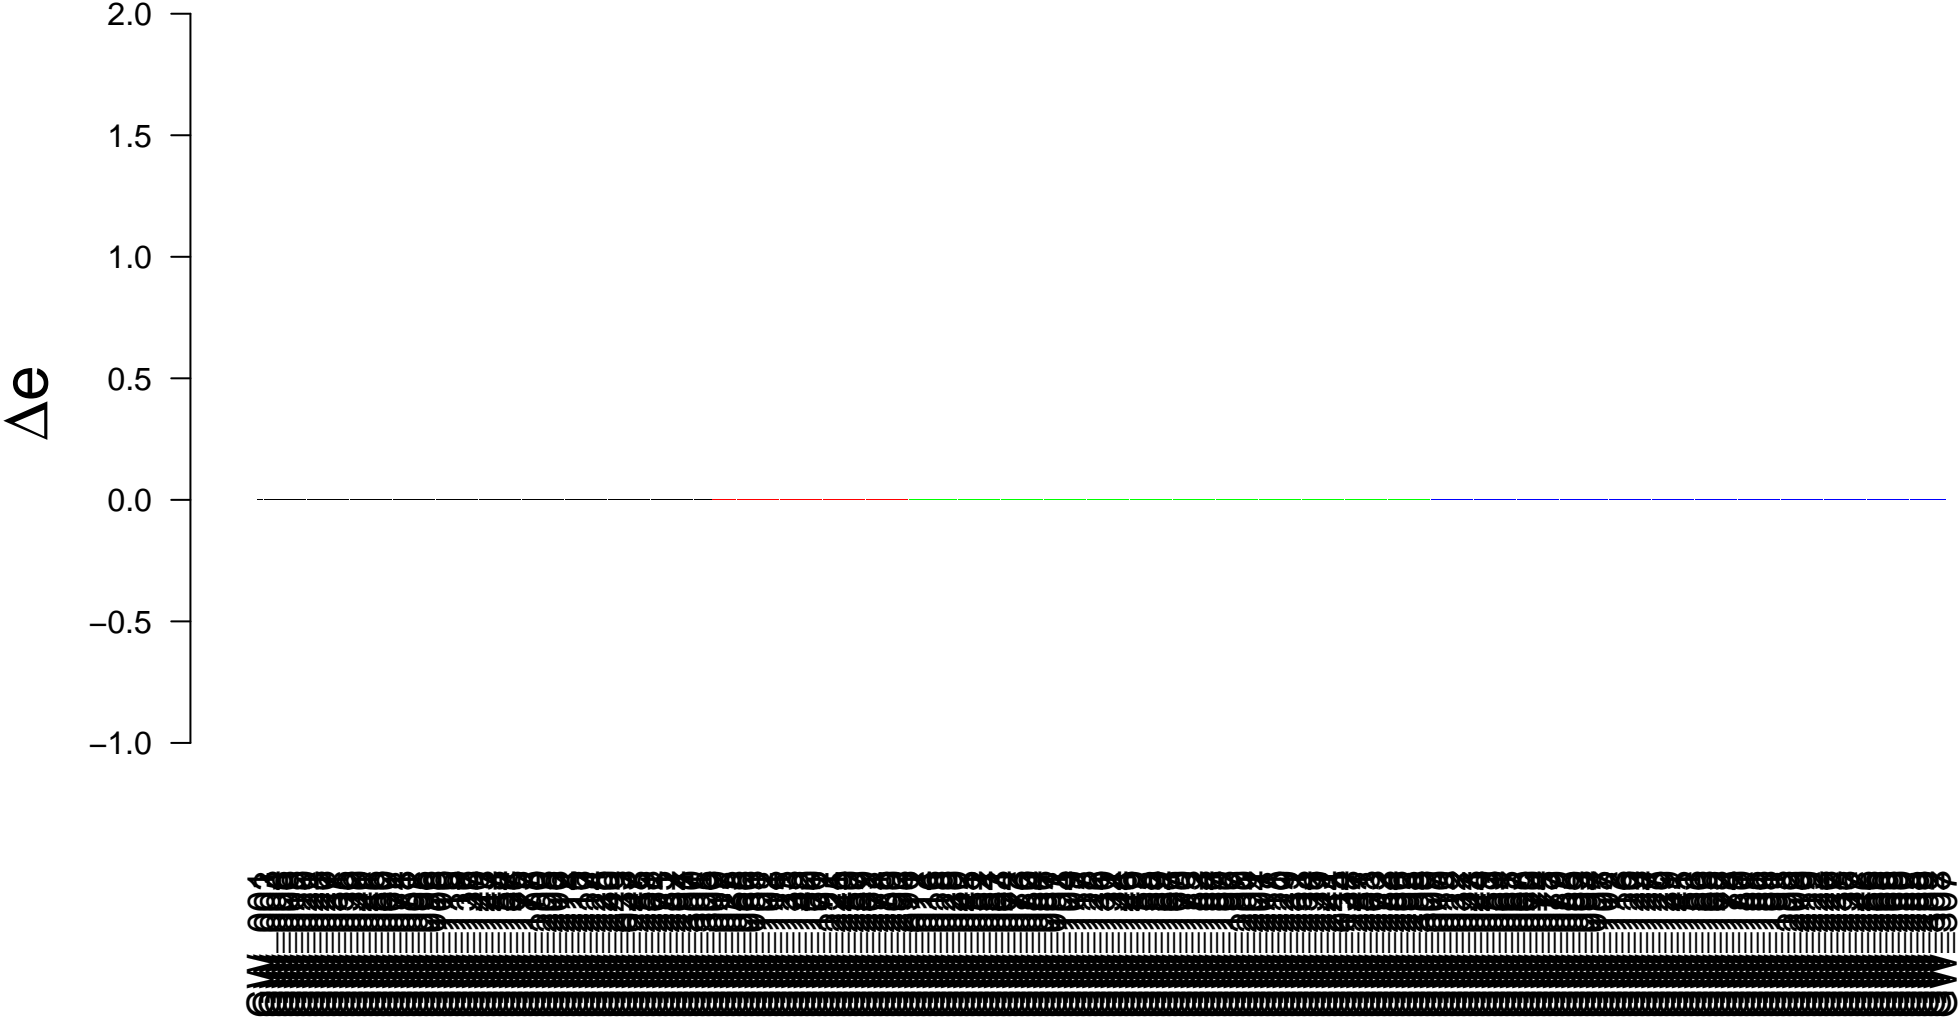

B cell proliferation

Enrichment in spots: B cell proliferation

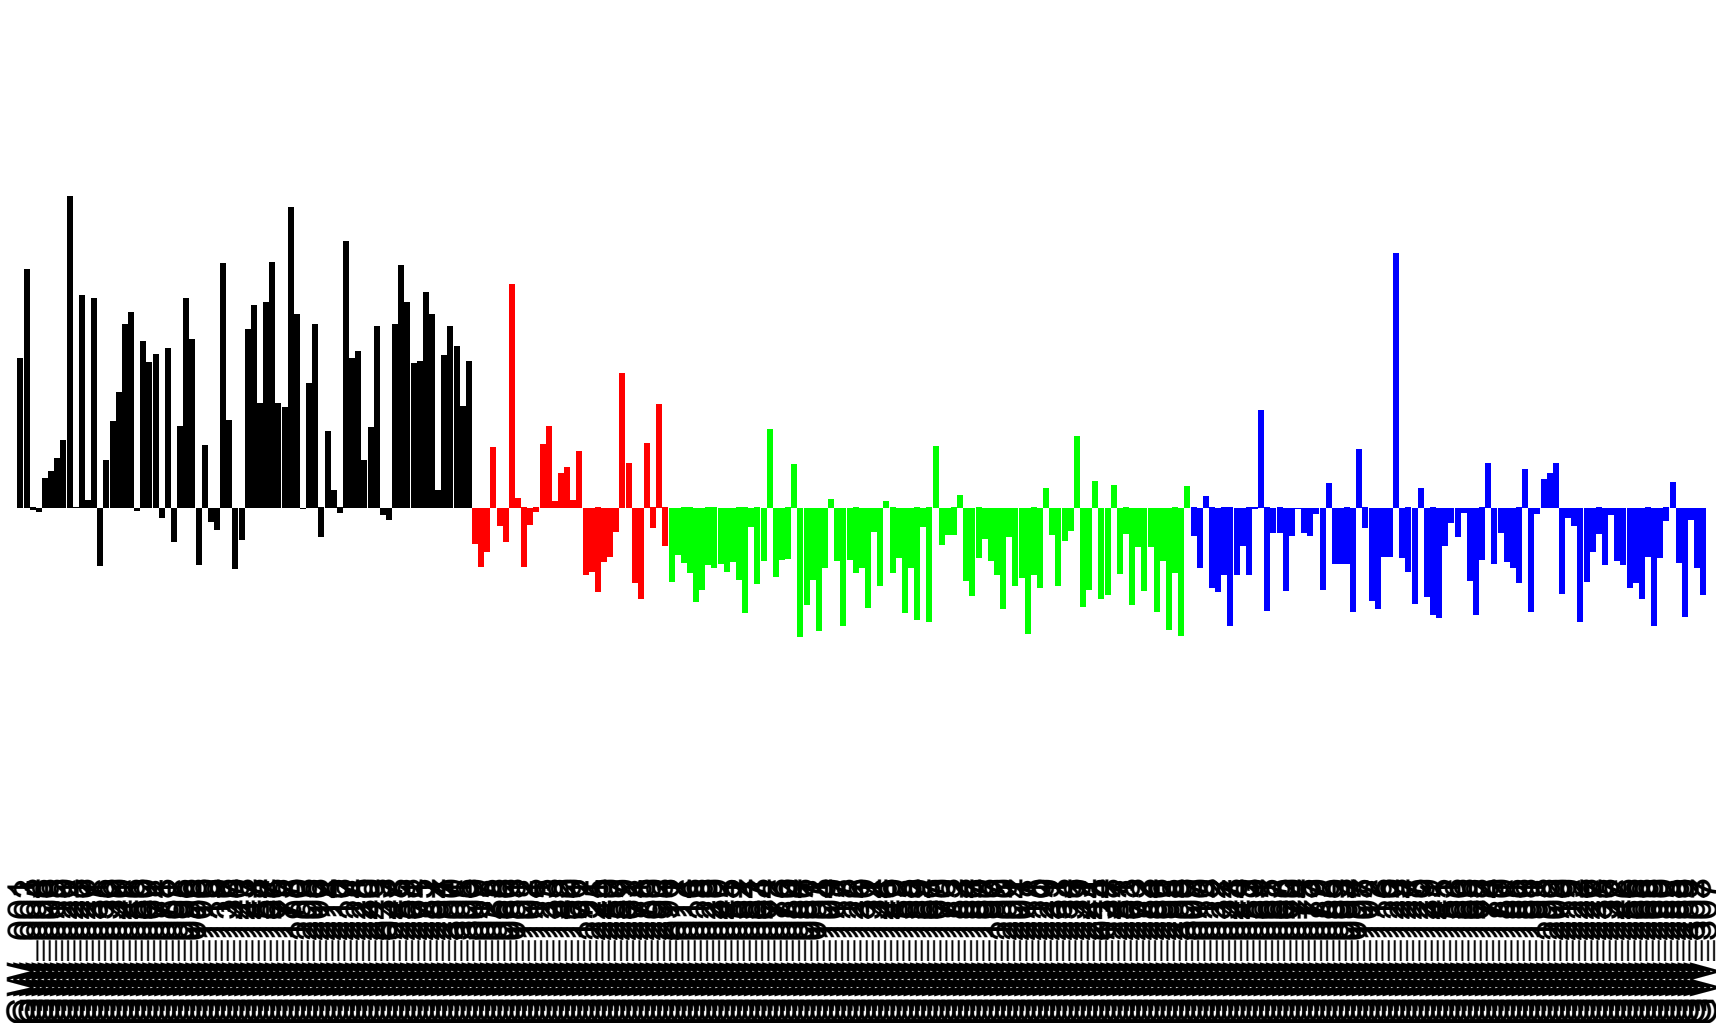

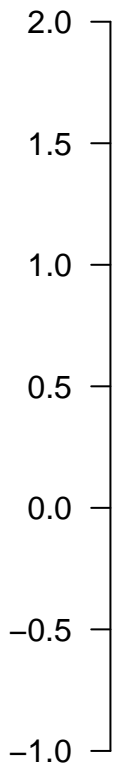

Expression of B cell proliferation in Spot A

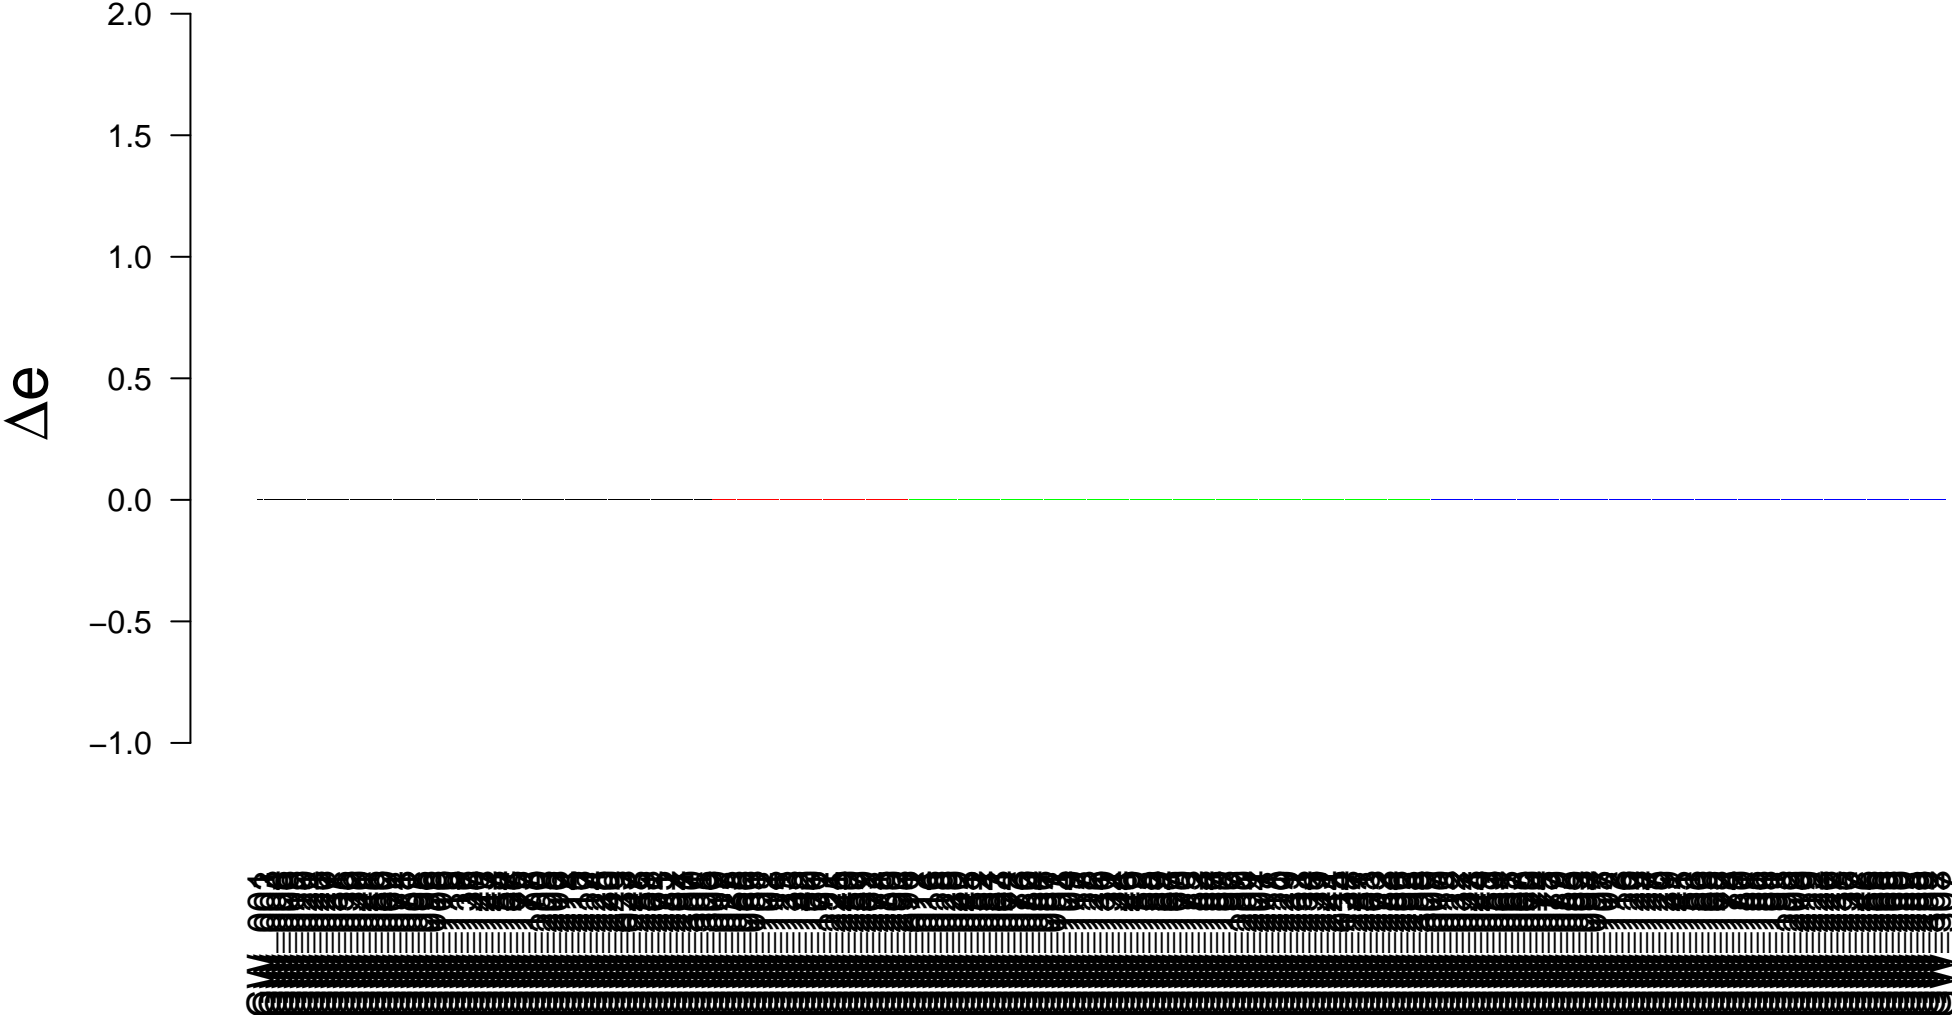

Expression of B cell proliferation in Spot B

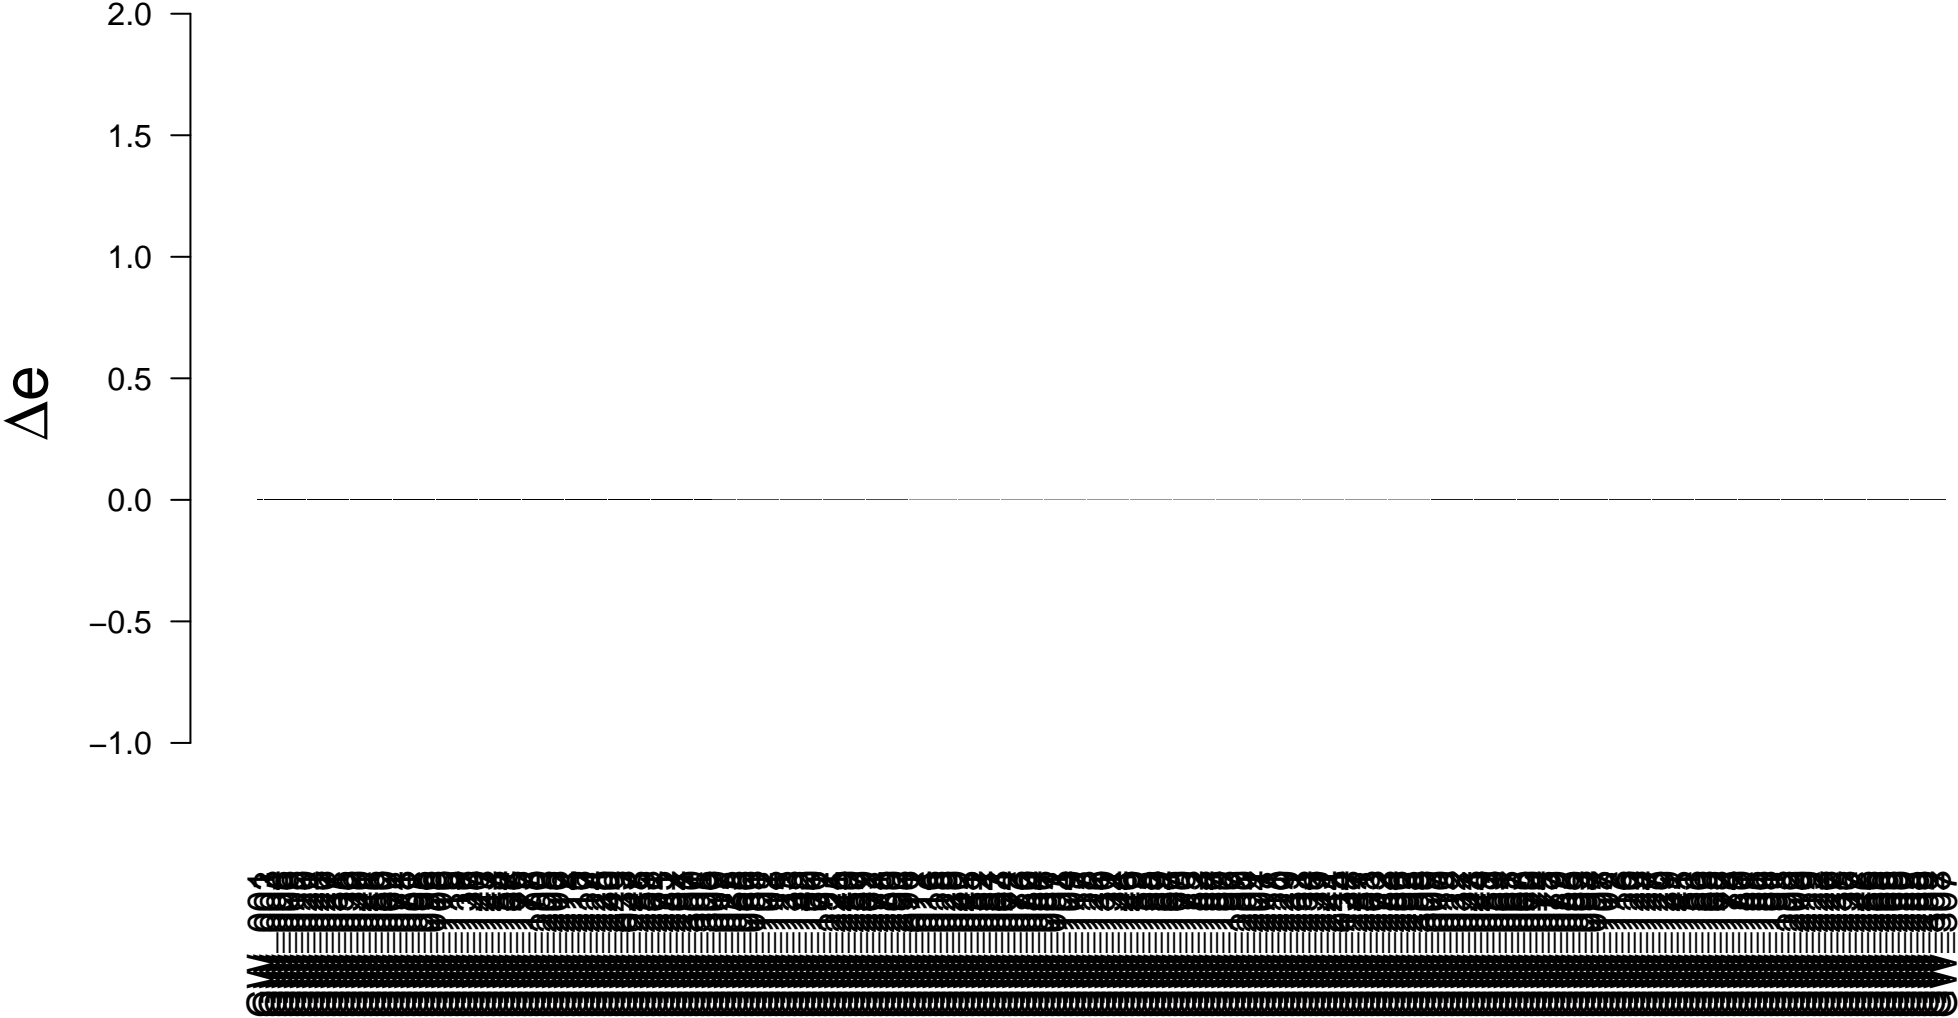

Δe

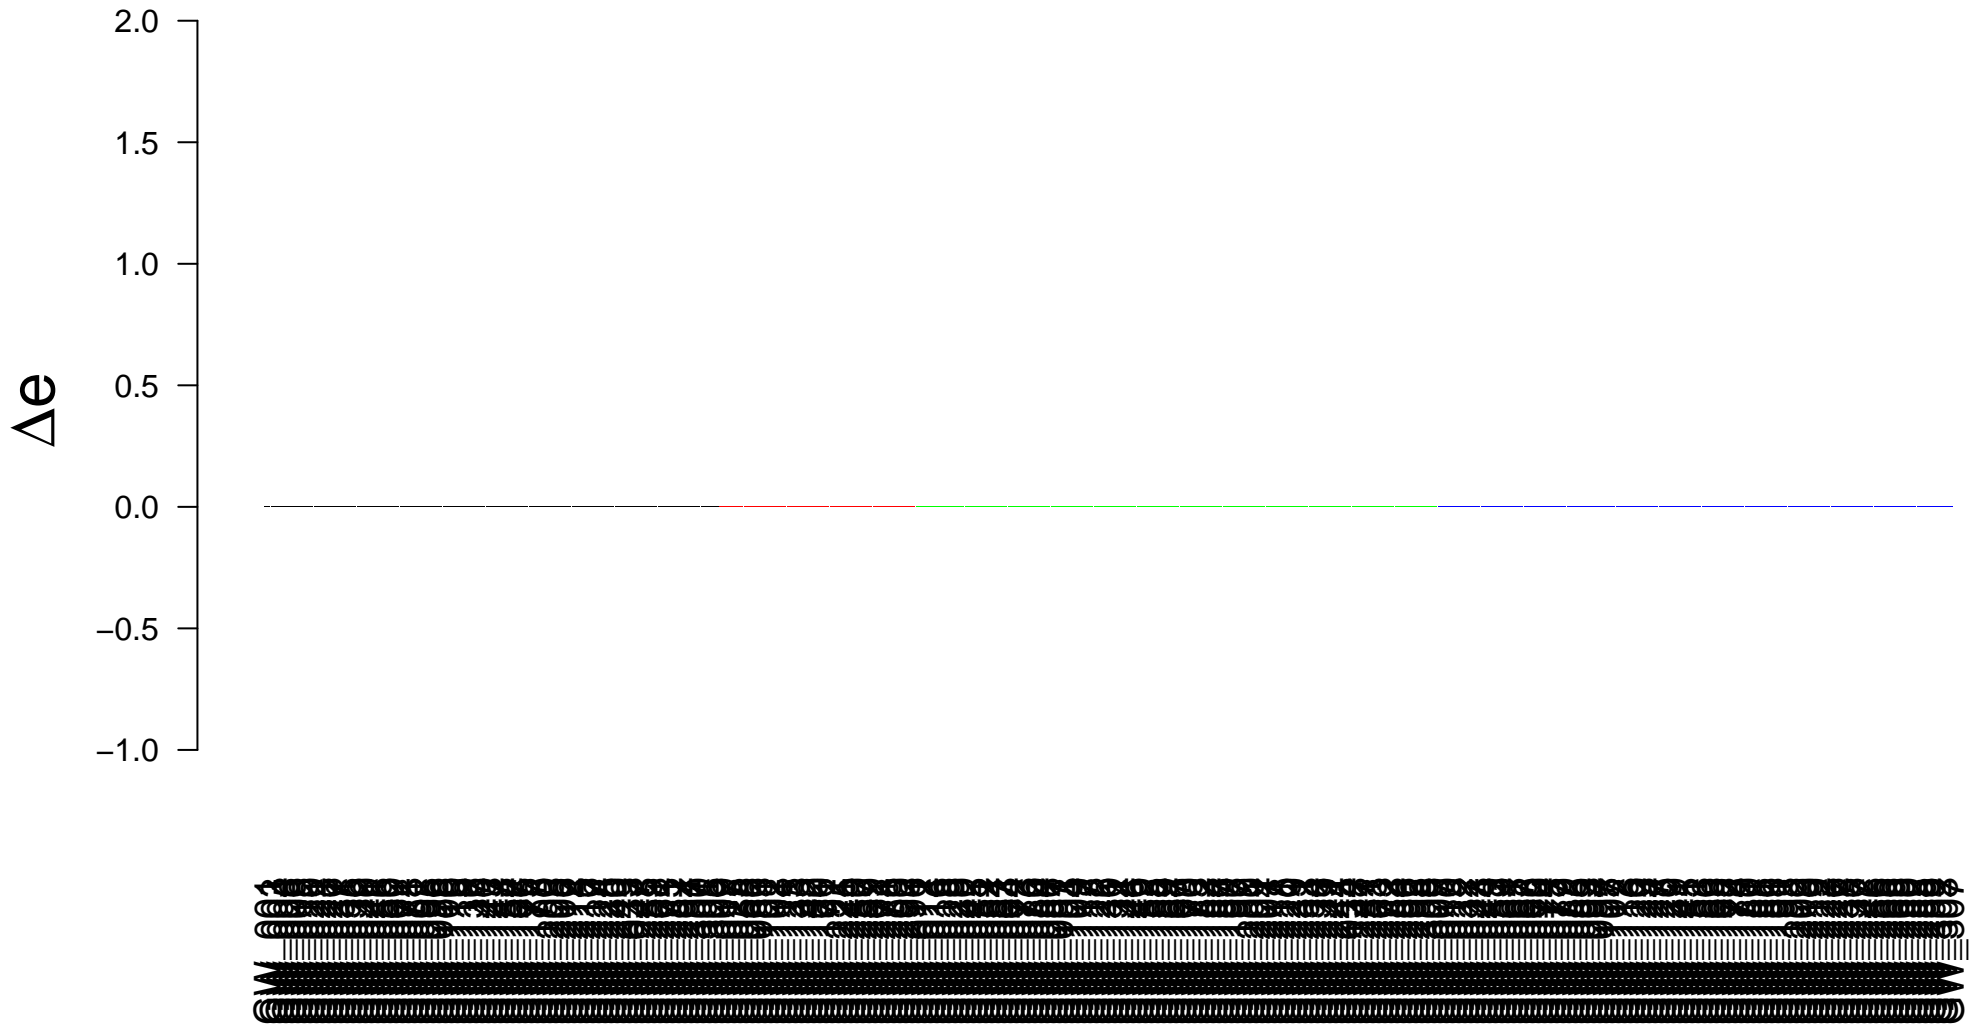

Expression of B cell proliferation in Spot C

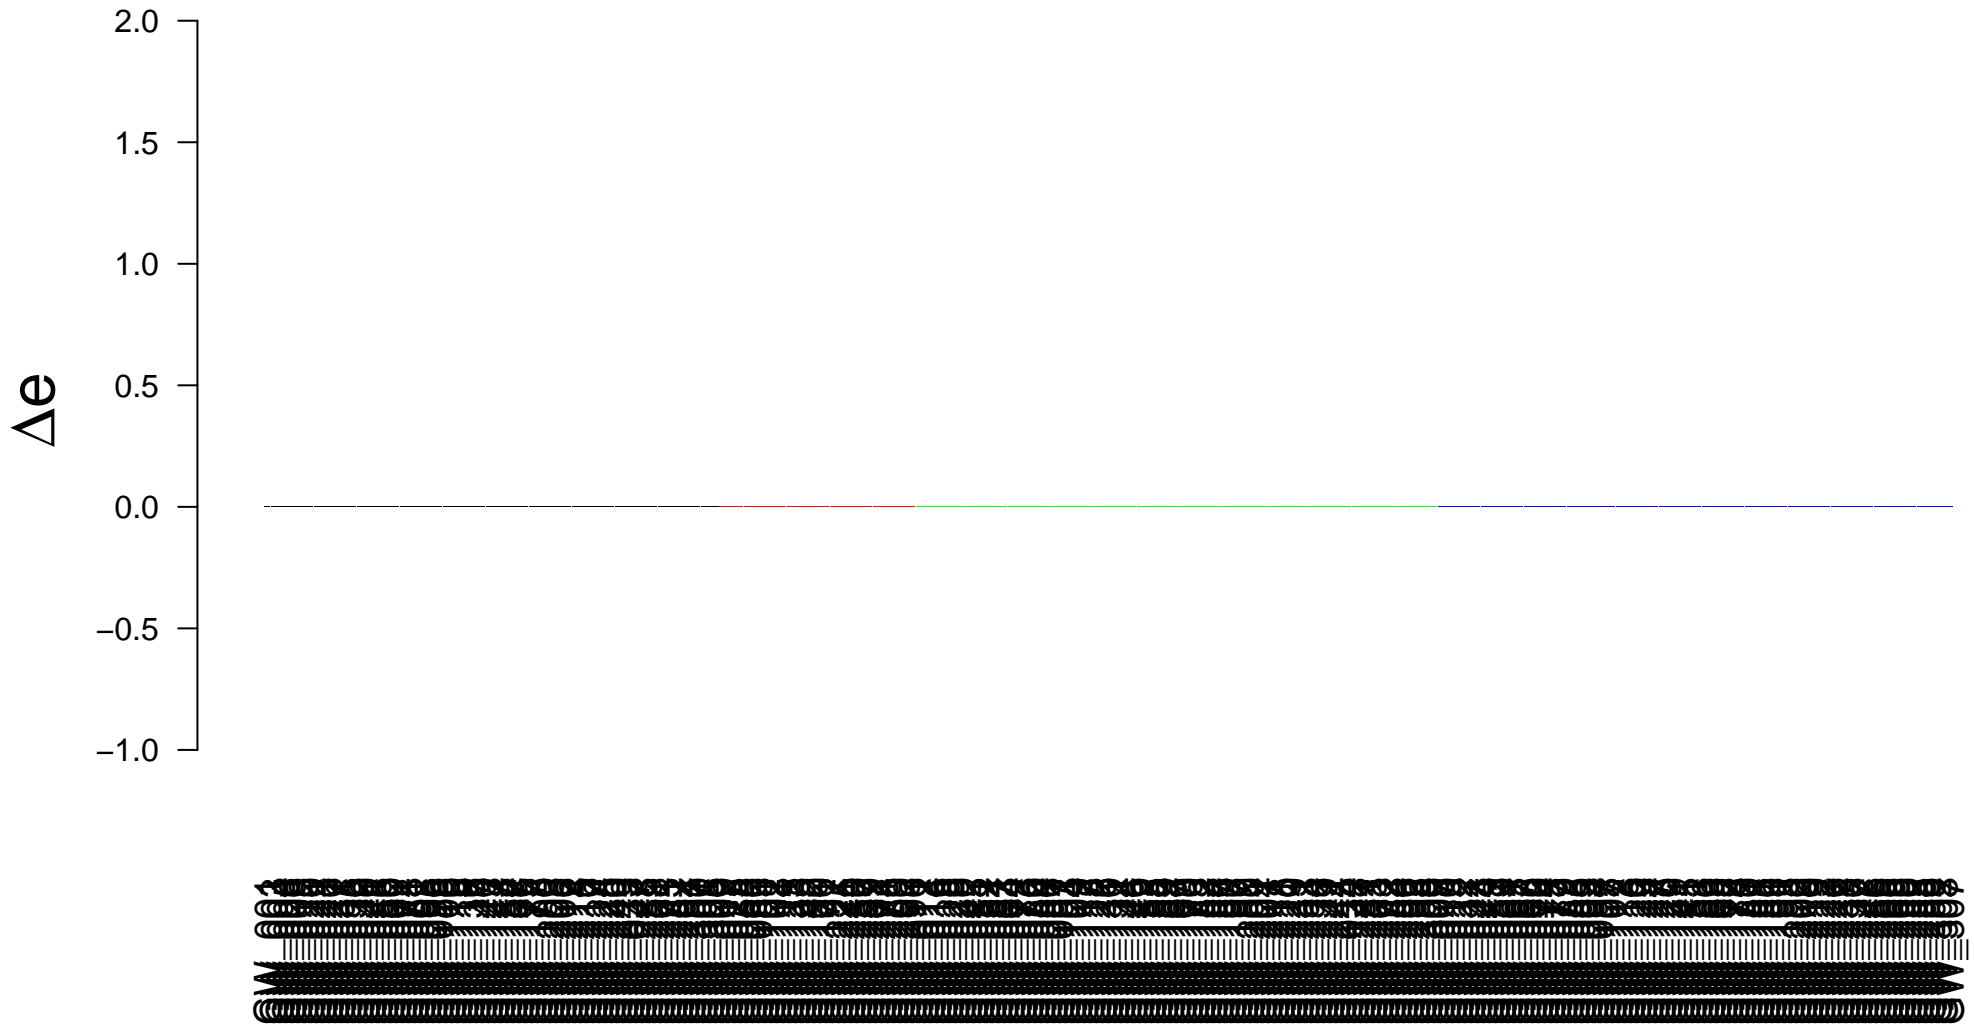

Expression of B cell proliferation in Spot D

Expression of B cell proliferation in Spot E

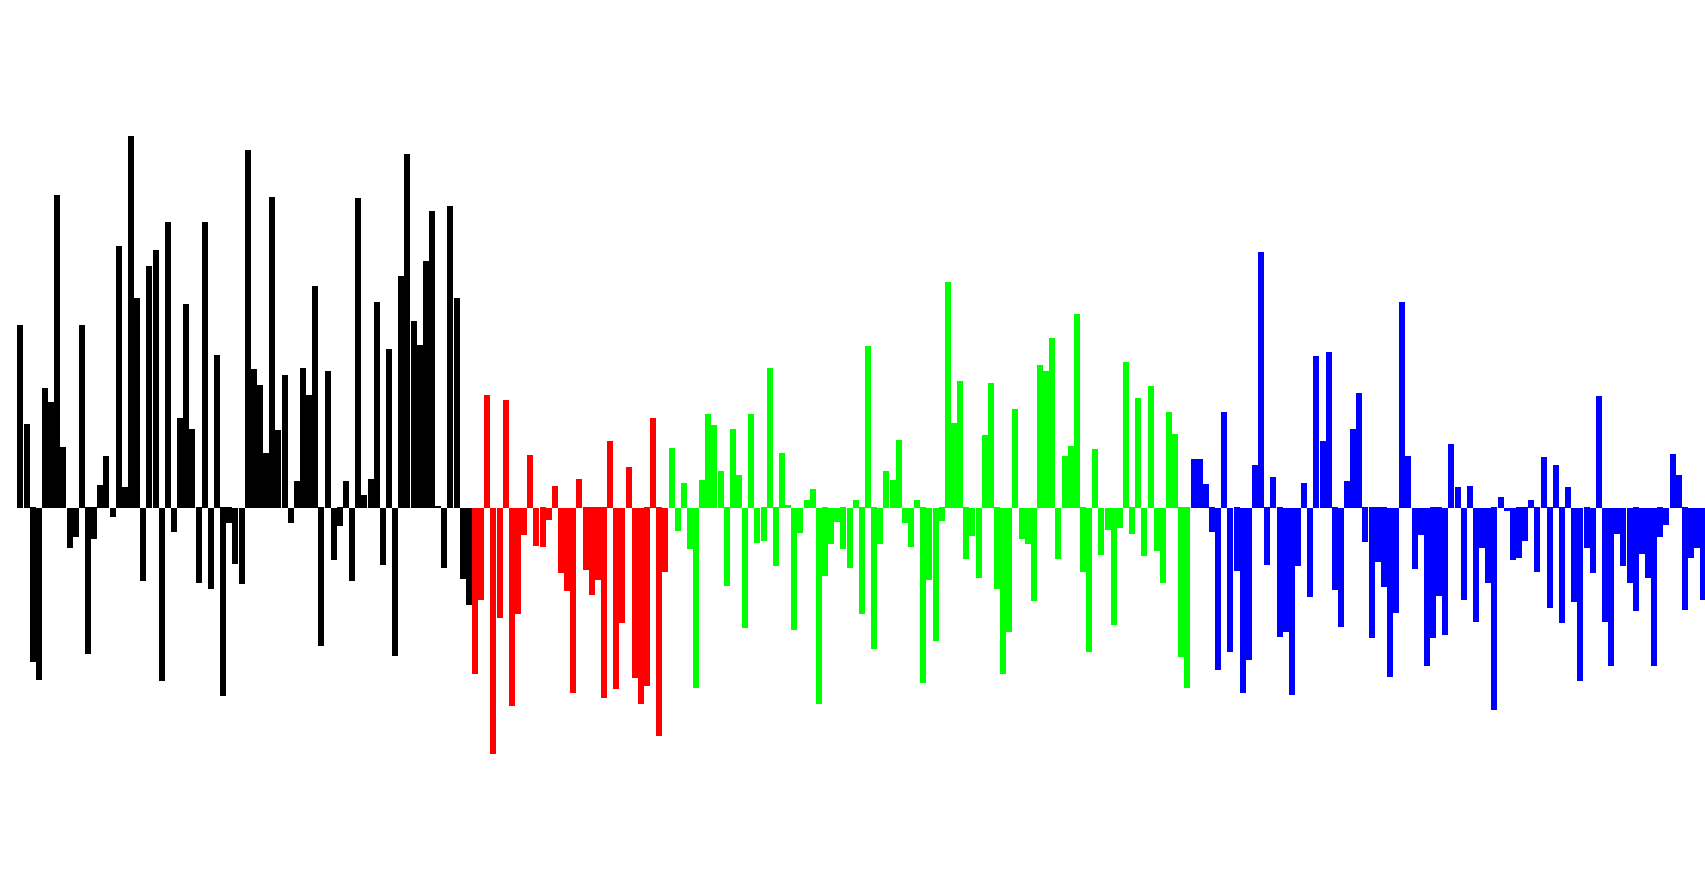

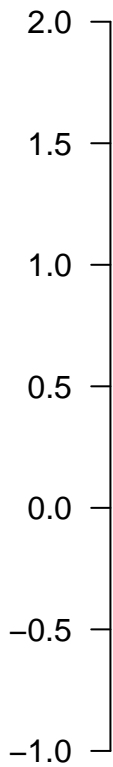

Expression of B cell proliferation in Spot F

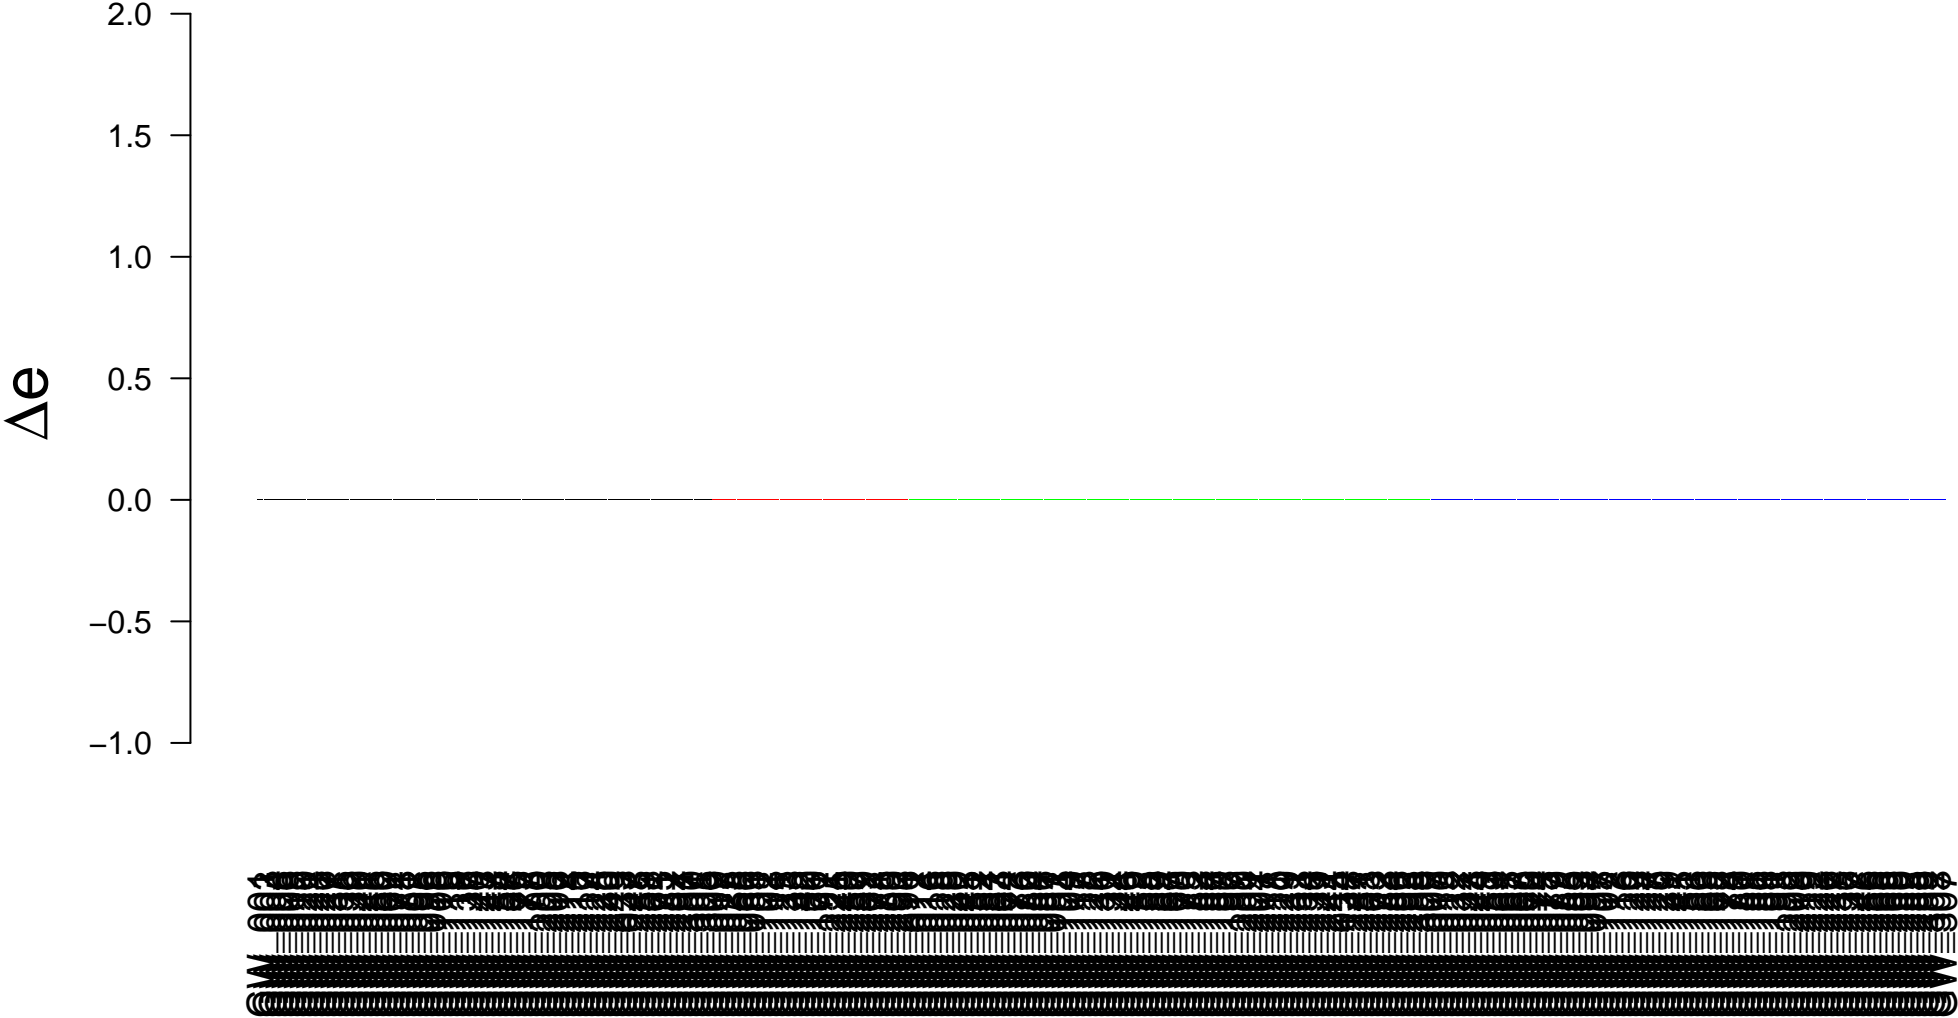

Expression of B cell proliferation in Spot G

Δe

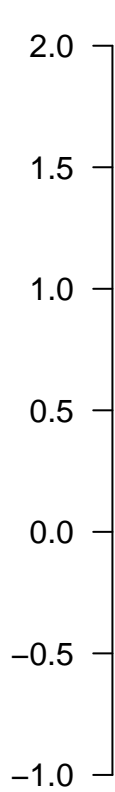

Expression of B cell proliferation in Spot H

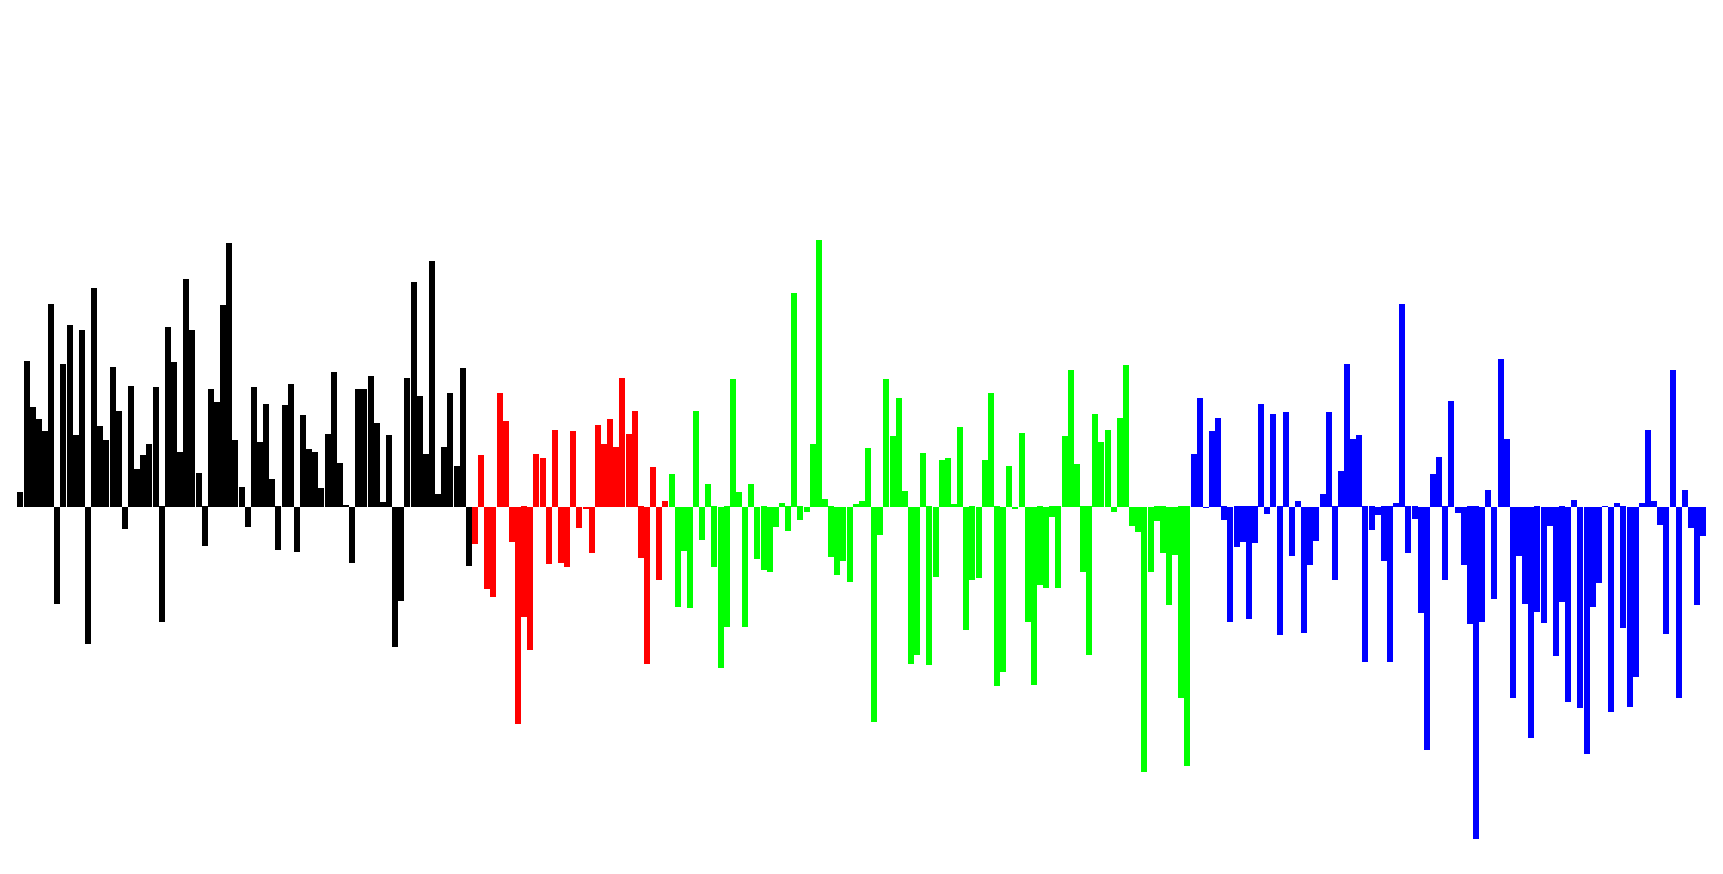

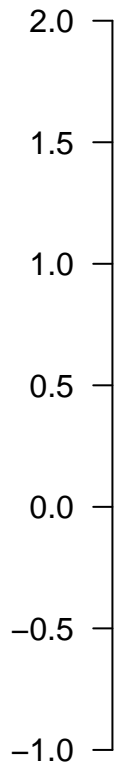

Expression of B cell proliferation in Spot I

Δe

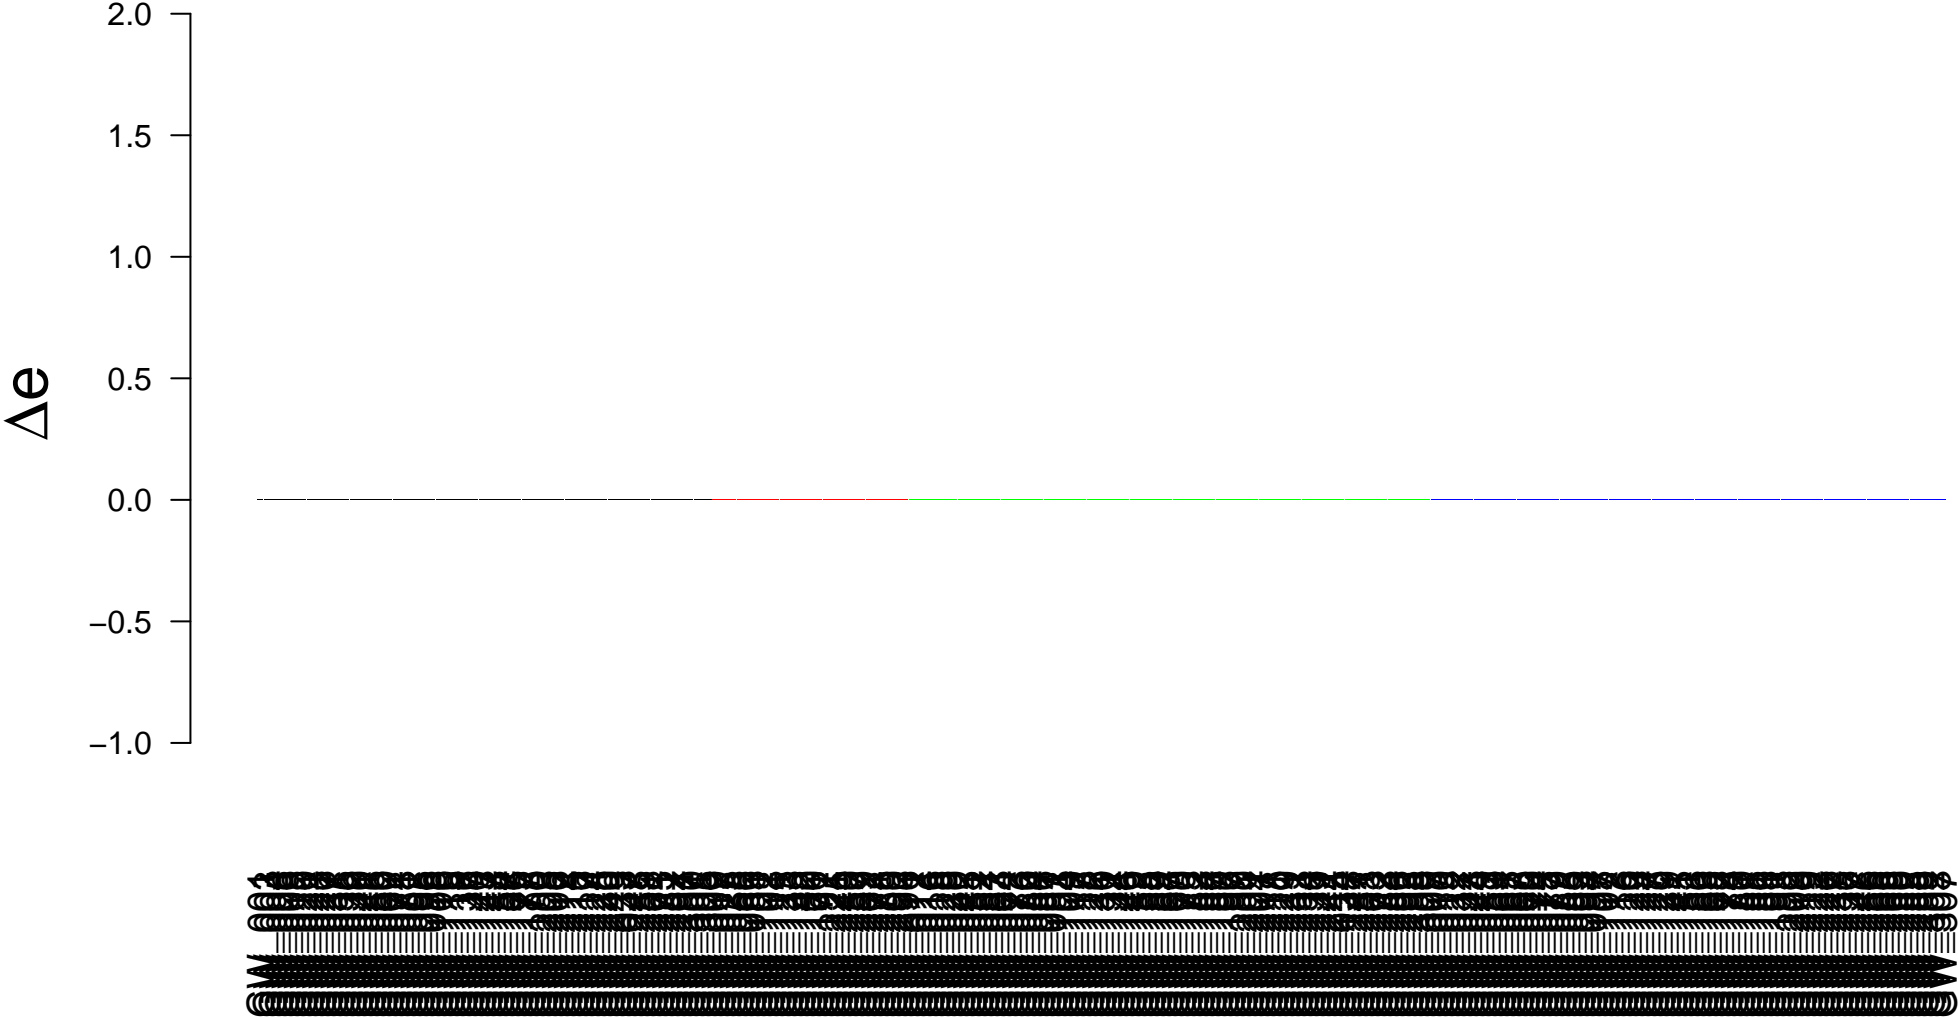

Expression of B cell proliferation in Spot J

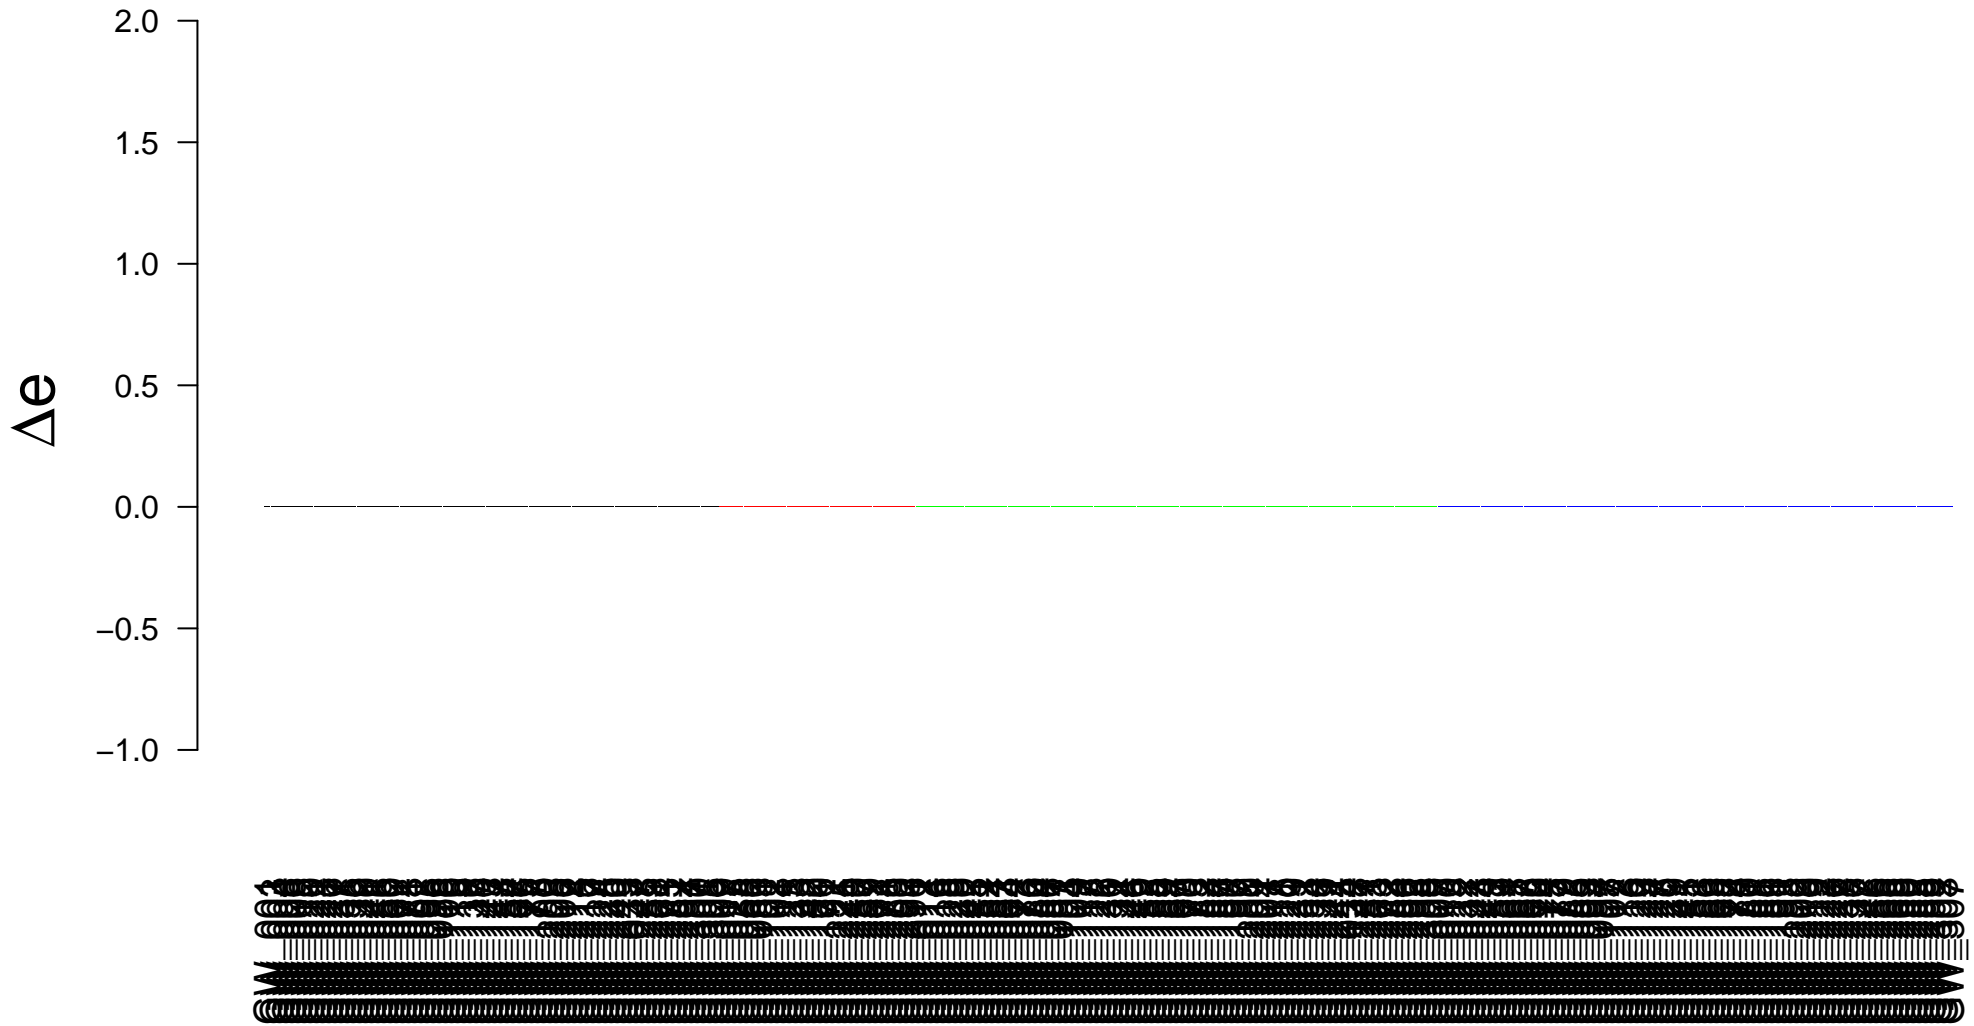

Δe

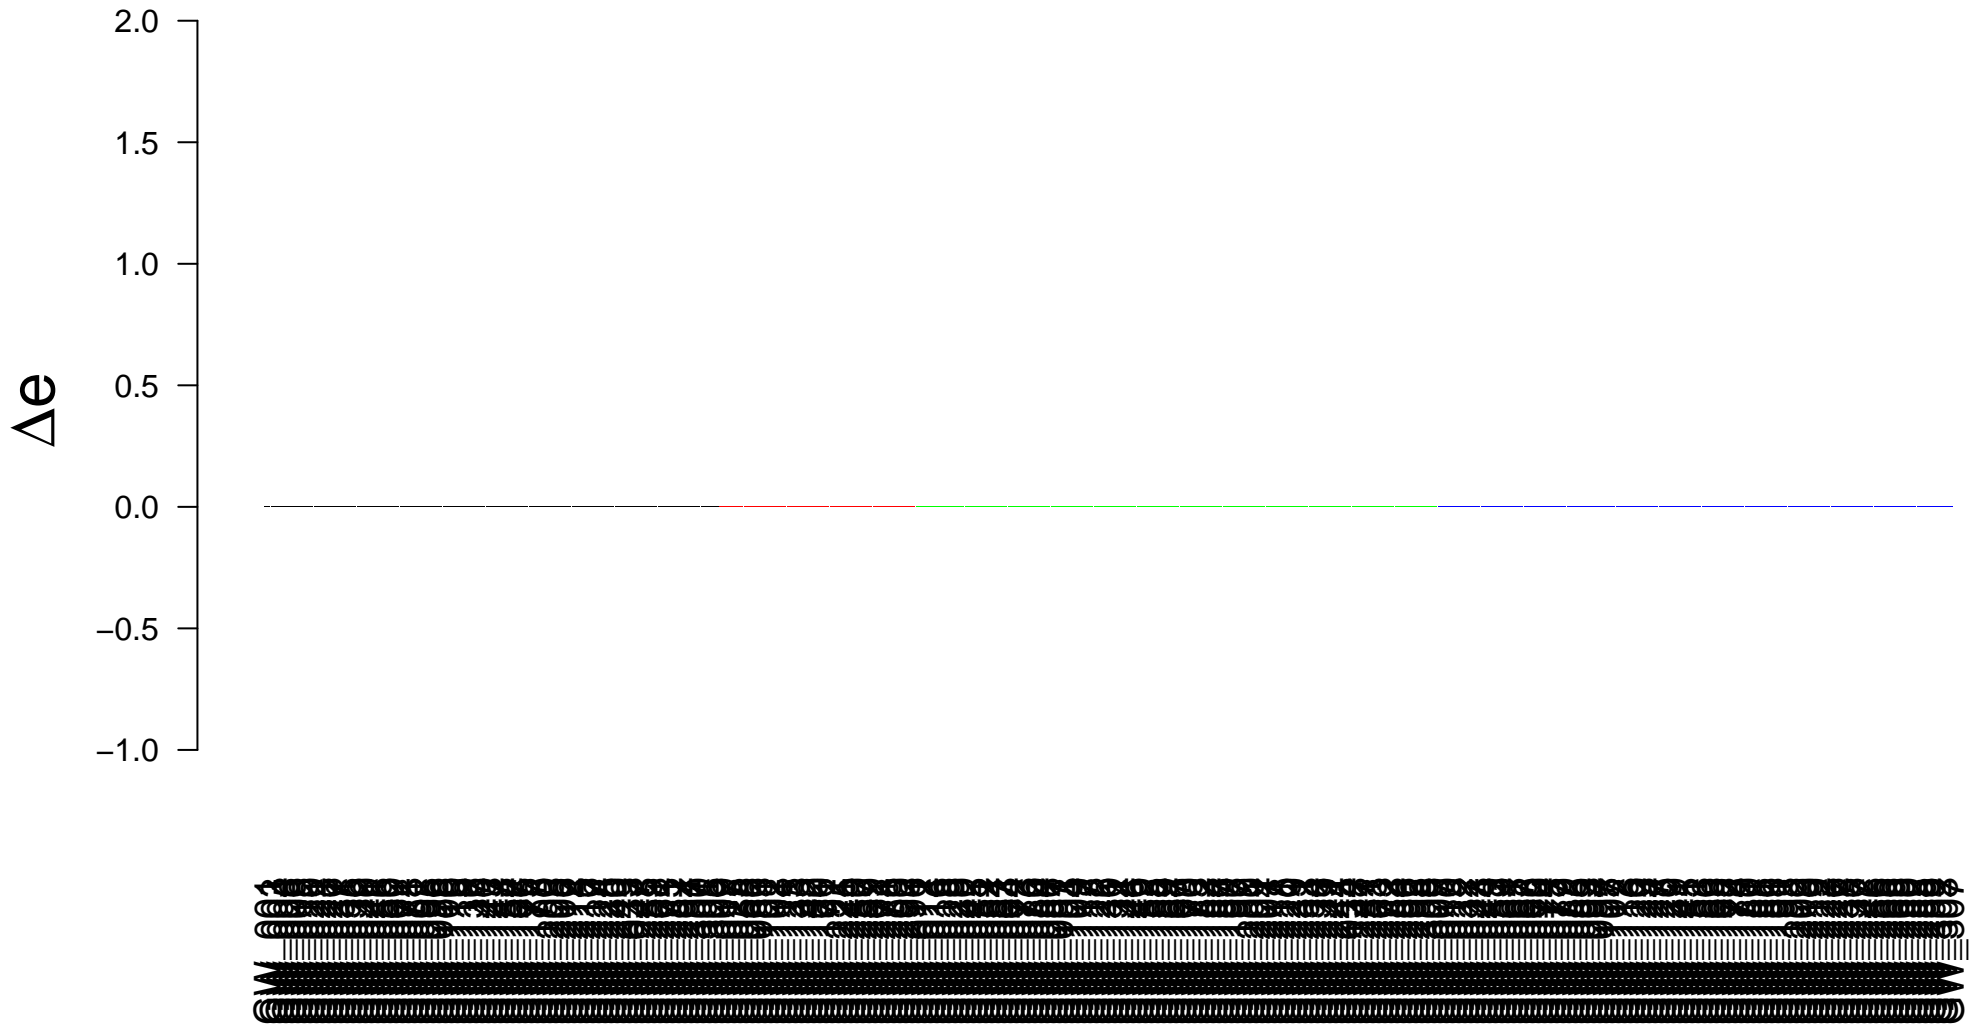

Expression of B cell proliferation in Spot K

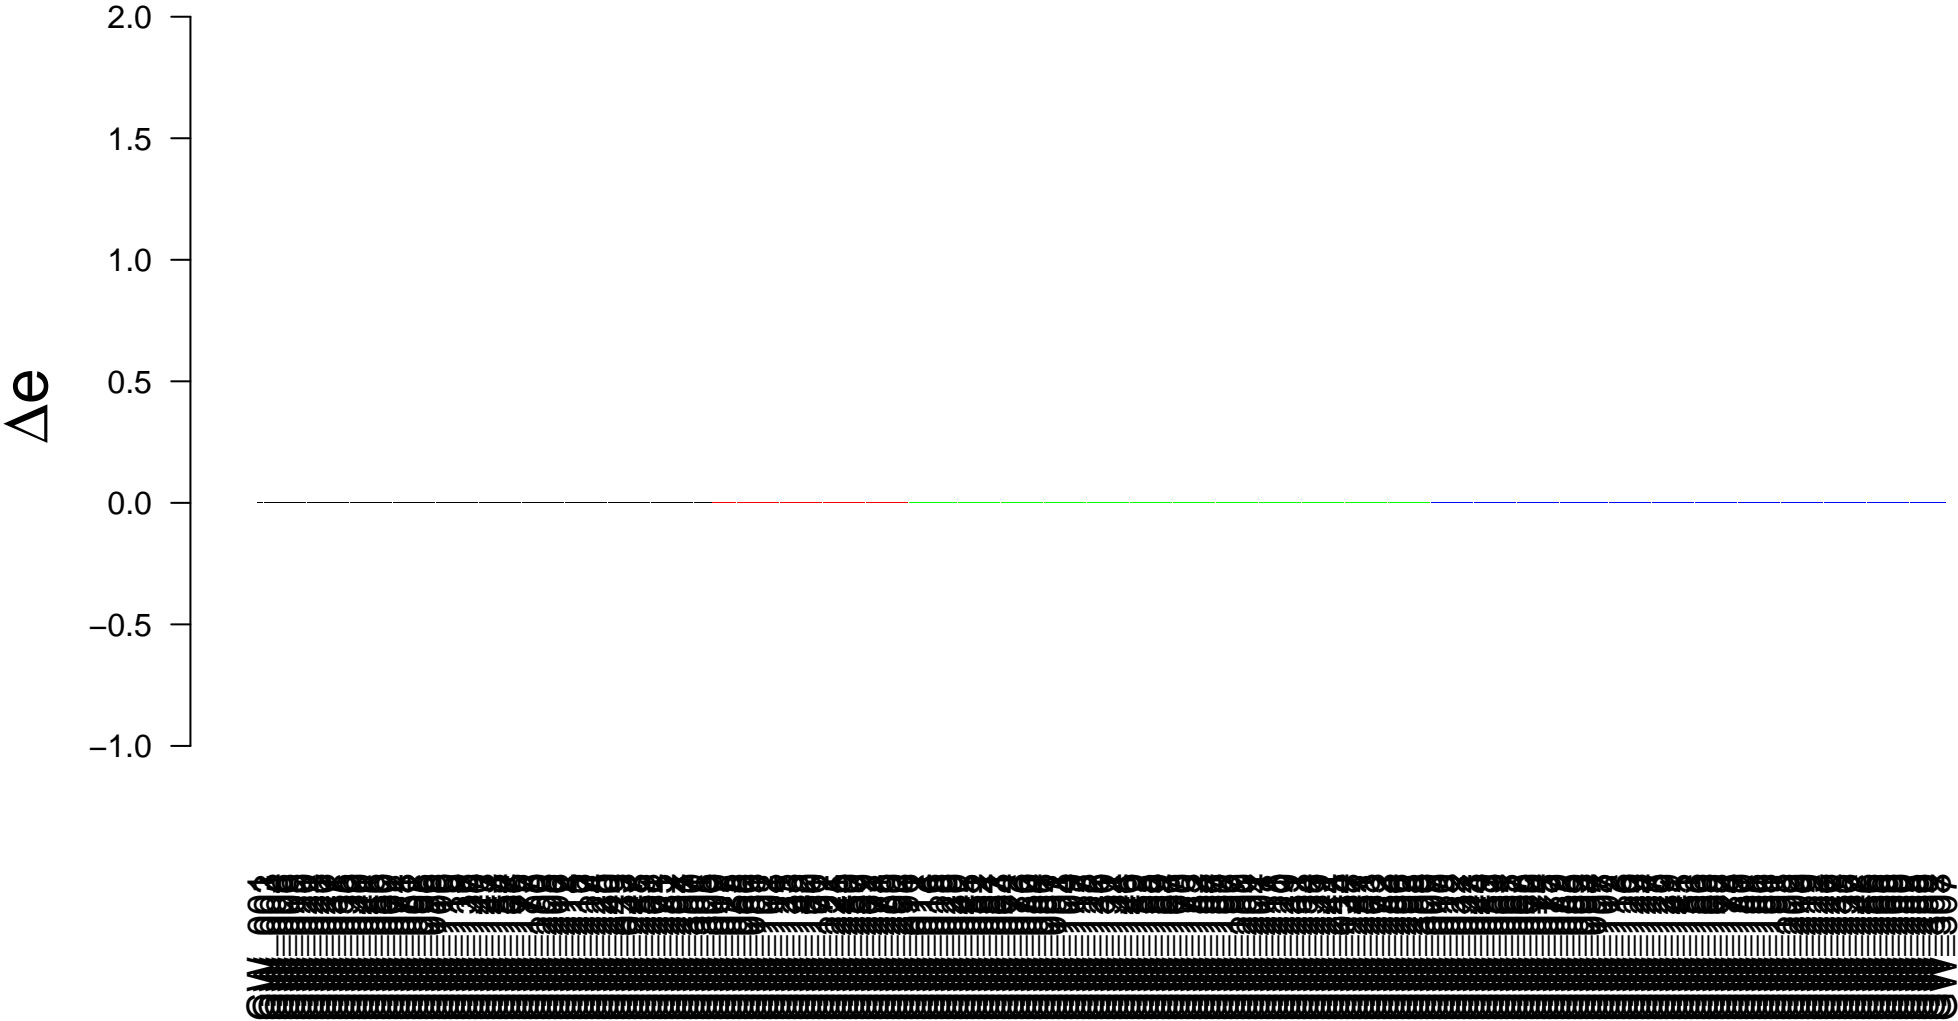

Expression of B cell proliferation in Spot L

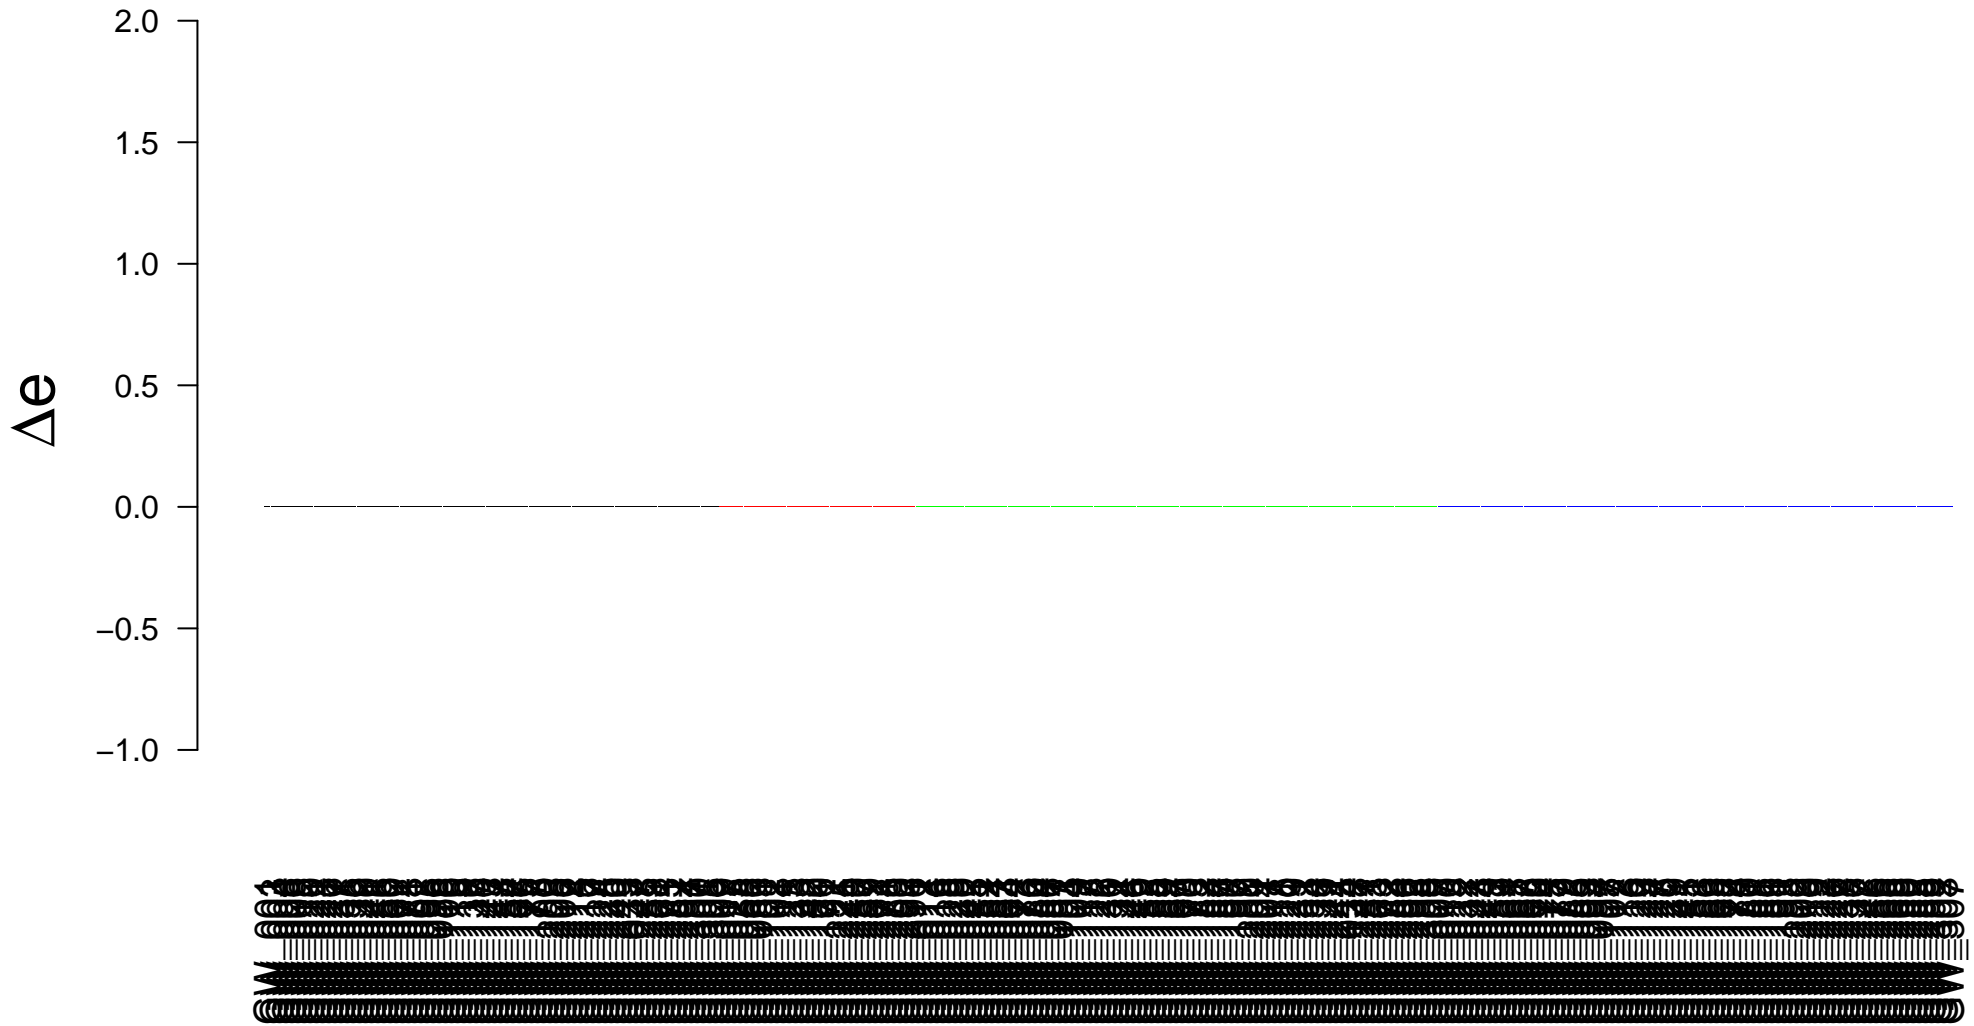

Expression of B cell proliferation in Spot M

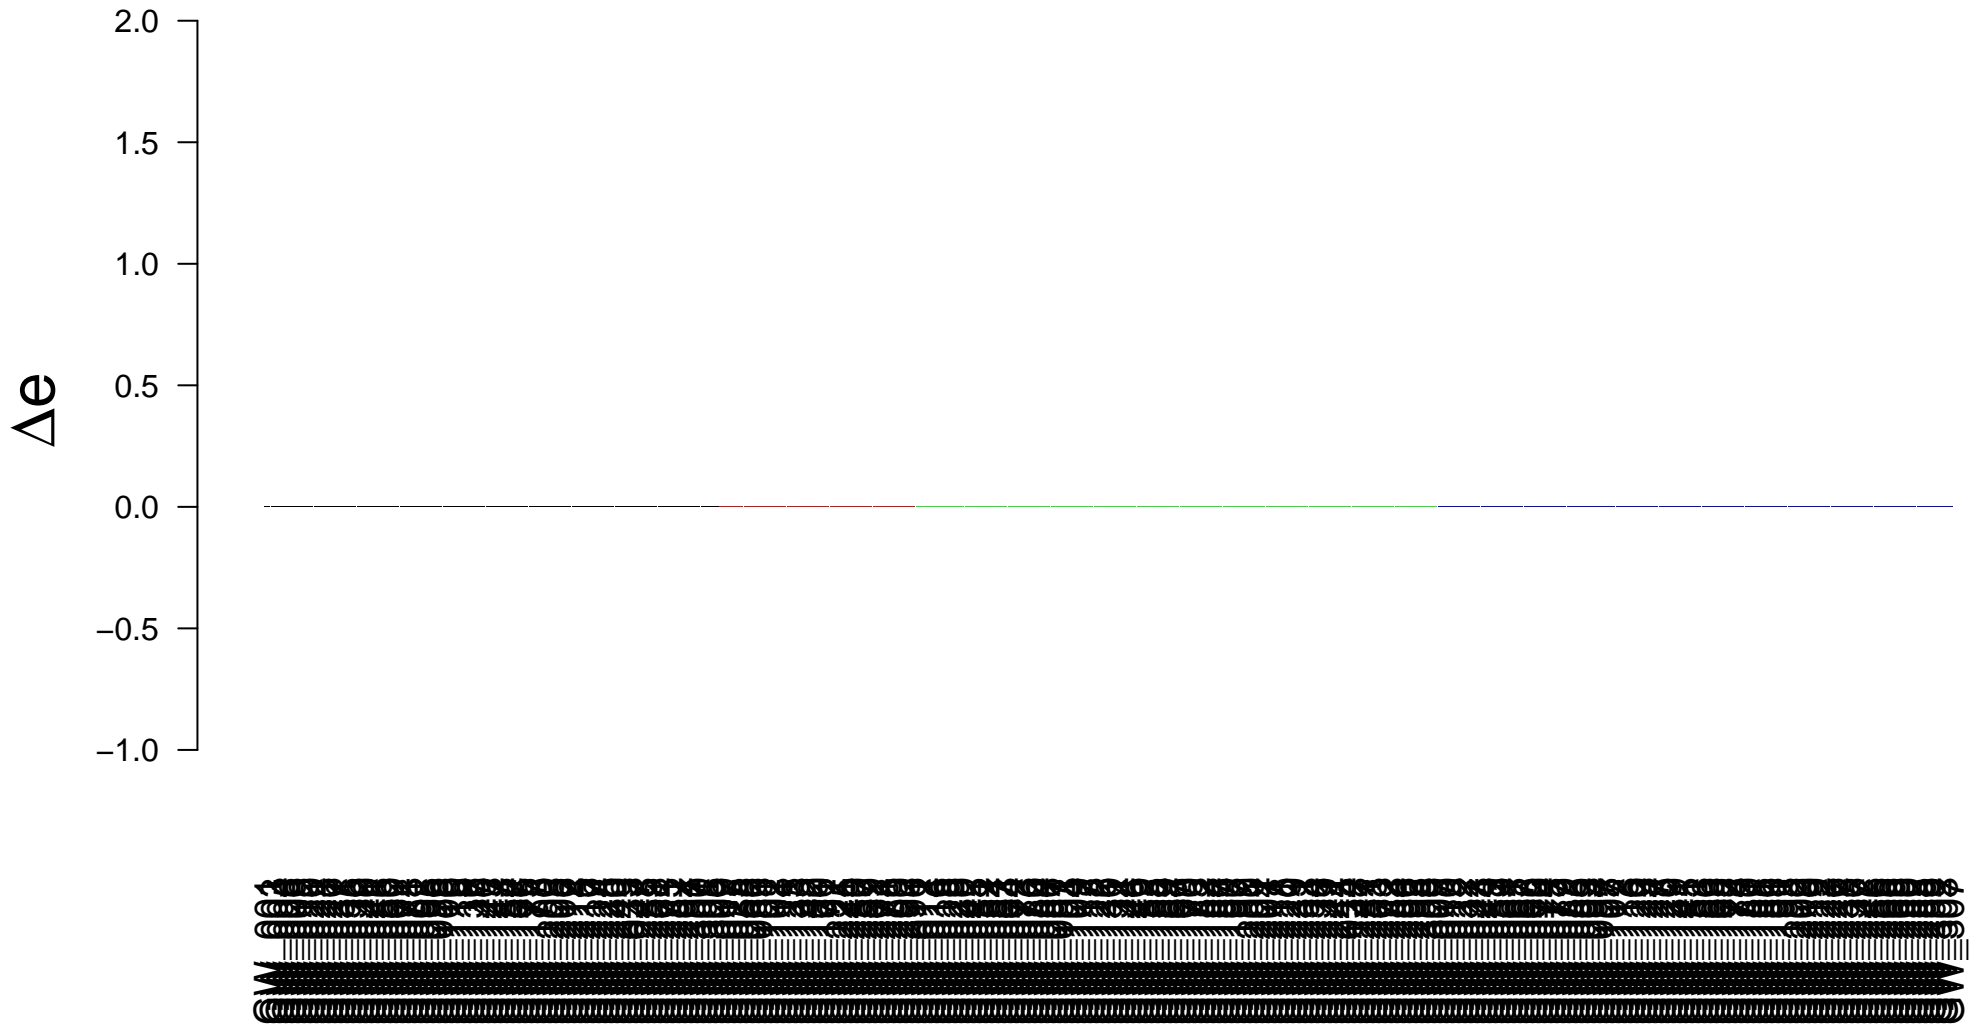

Expression of B cell proliferation in Spot N

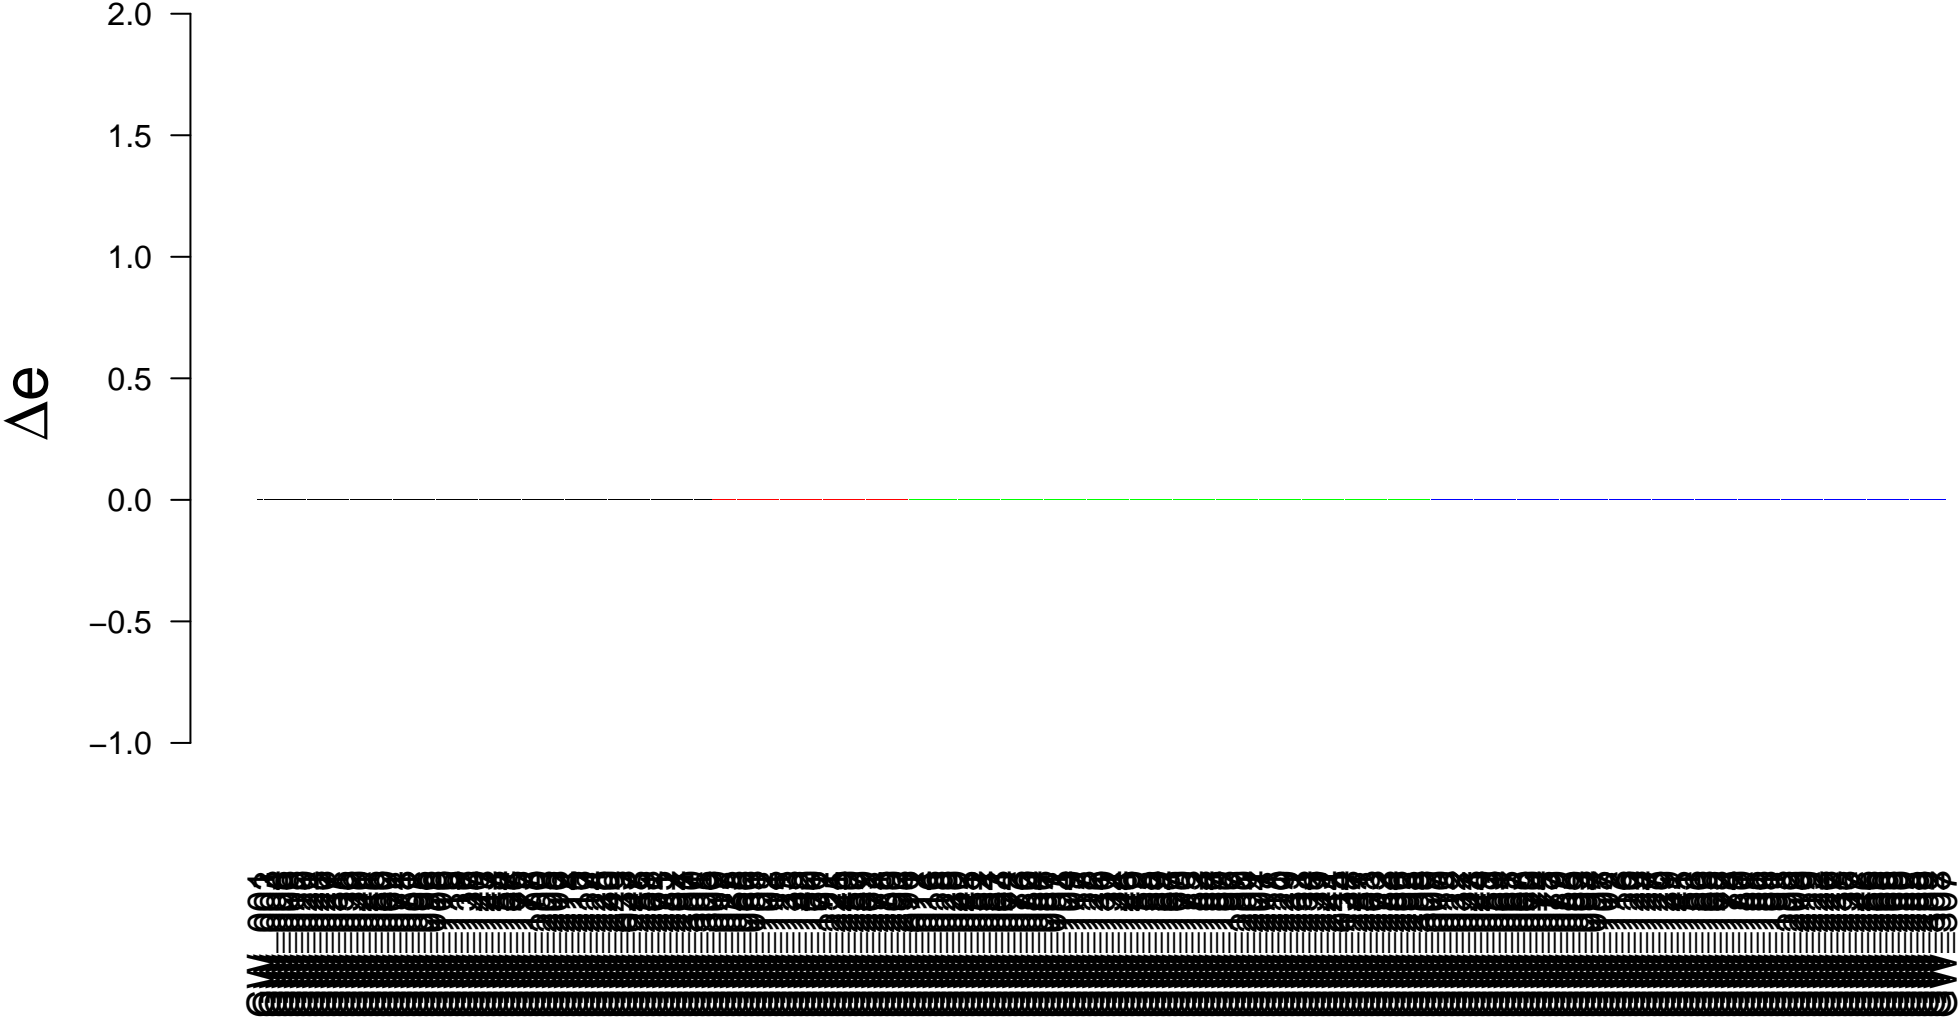

Expression of B cell proliferation in Spot O

Expression of B cell proliferation in Spot P

Expression of B cell proliferation in Spot Q

Expression of B cell proliferation in Spot R
