

DNA binding, bending

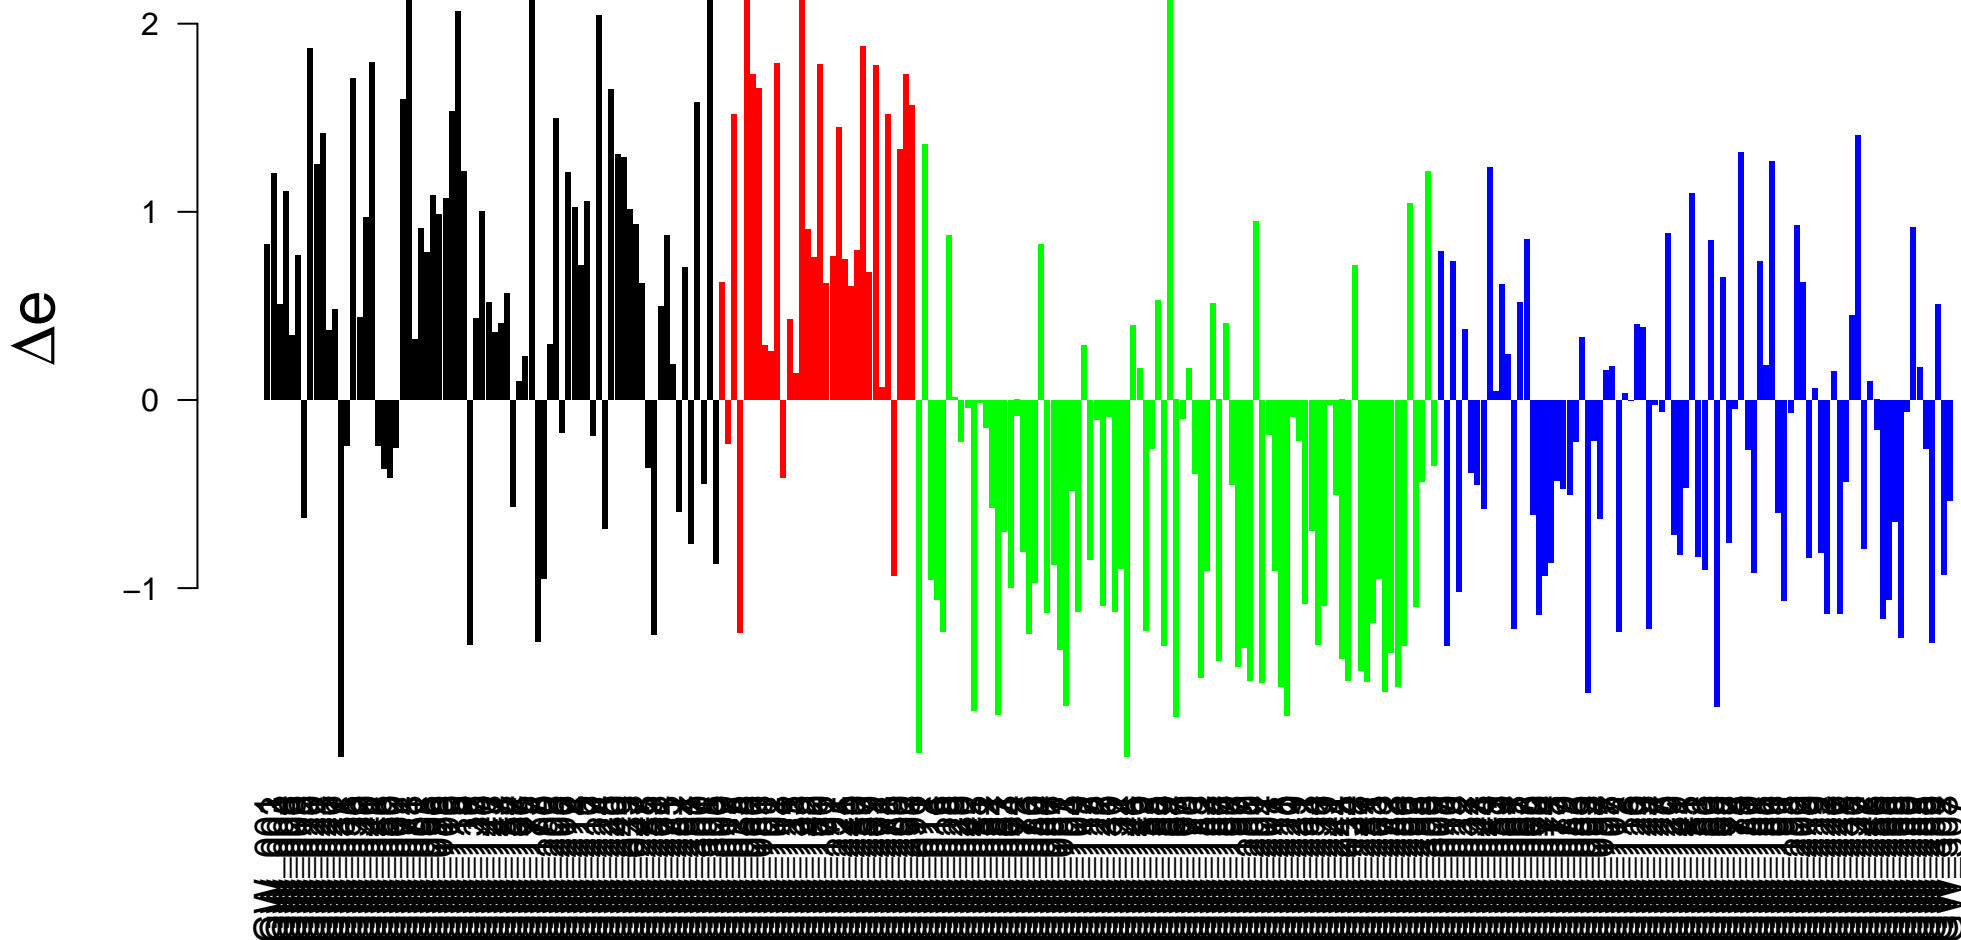

DNA binding, bending

Enrichment in spots: DNA binding, bending

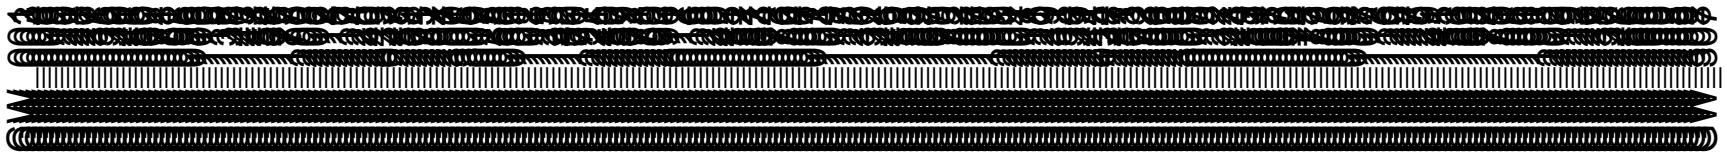

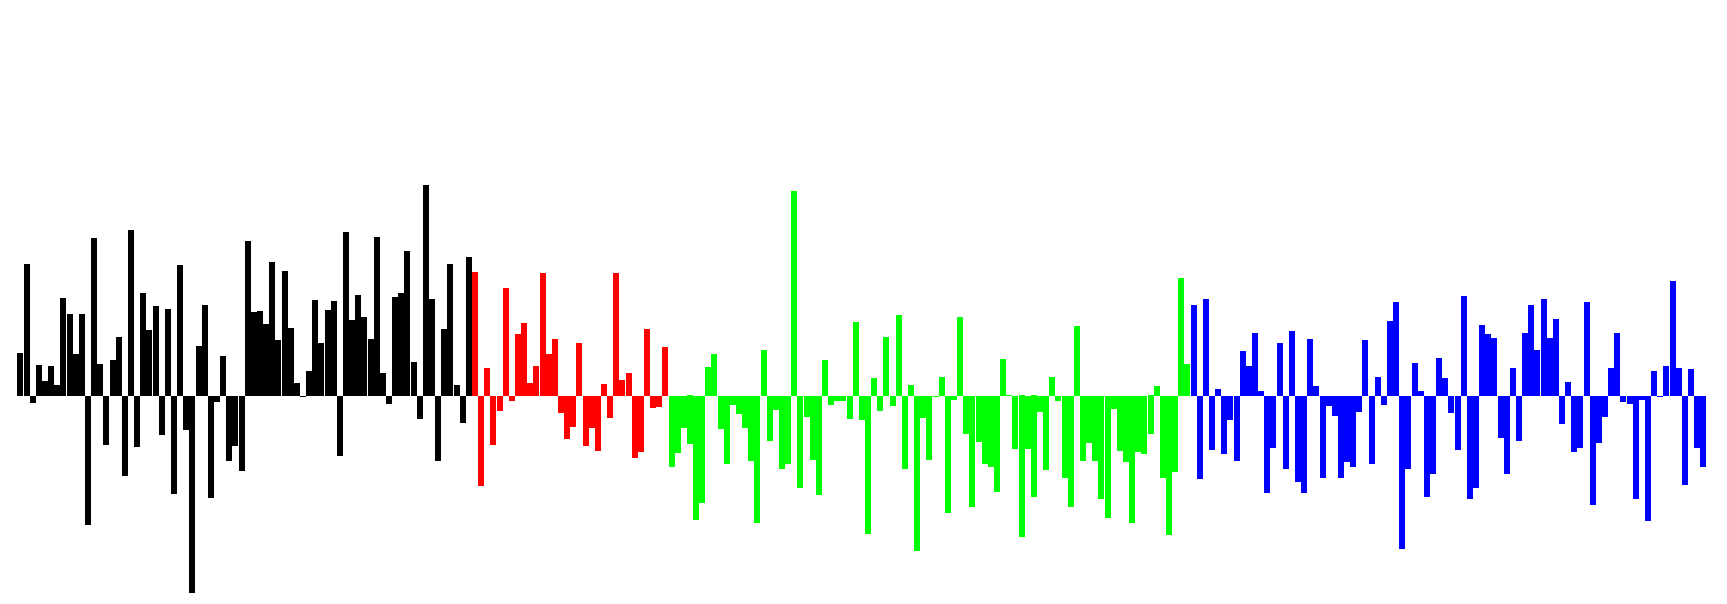

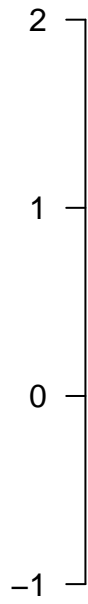

Expression of DNA binding, bending in Spot A

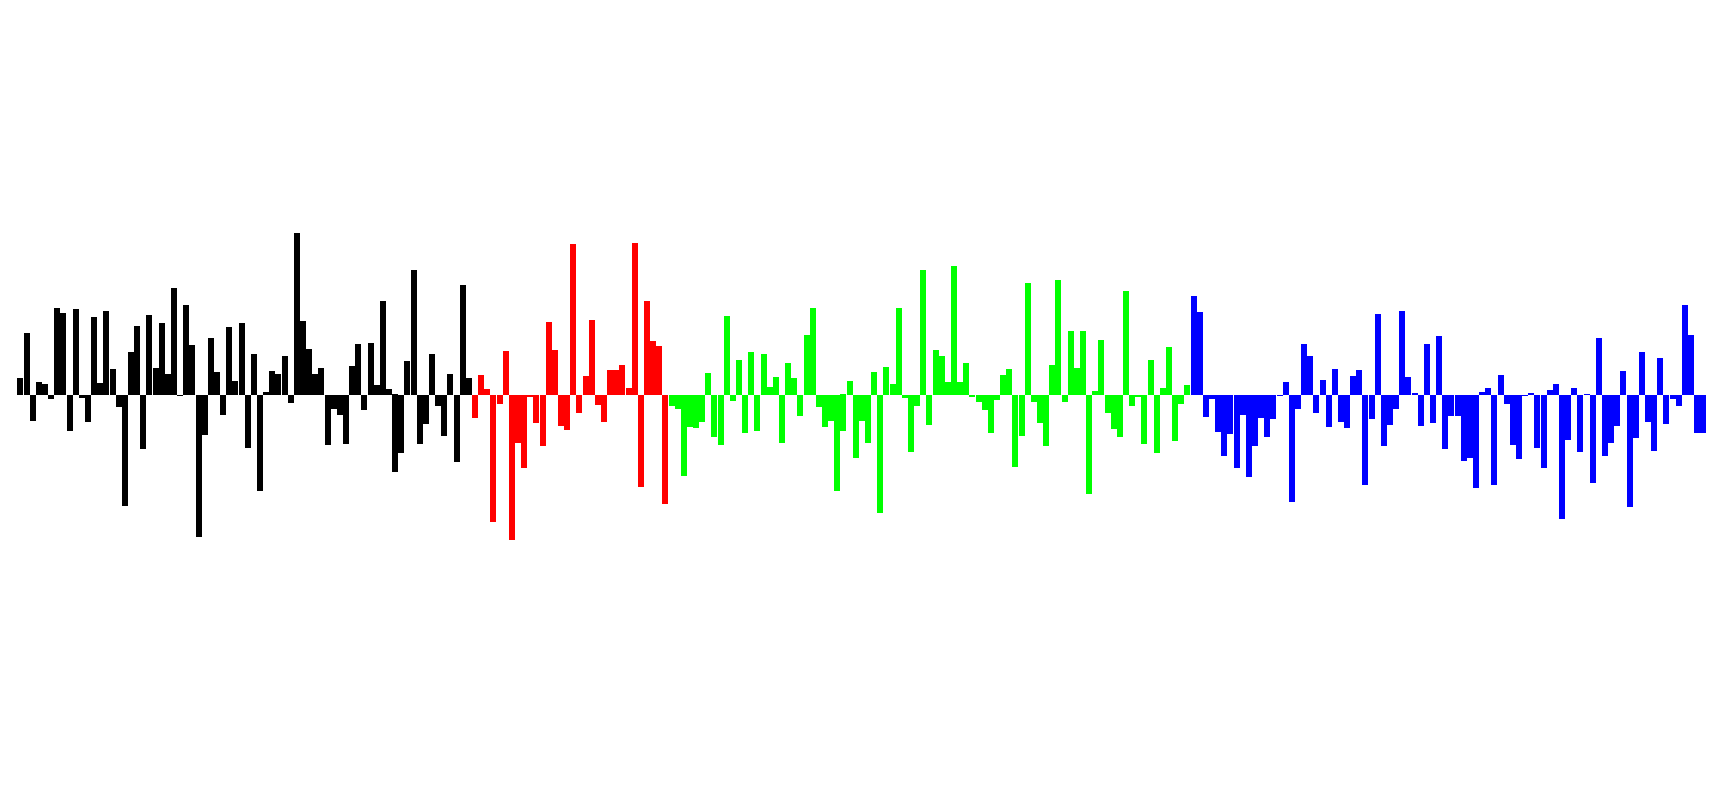

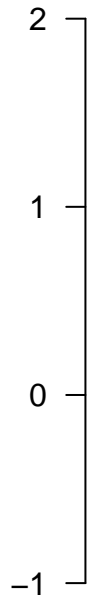

Expression of DNA binding, bending in Spot B

Δe

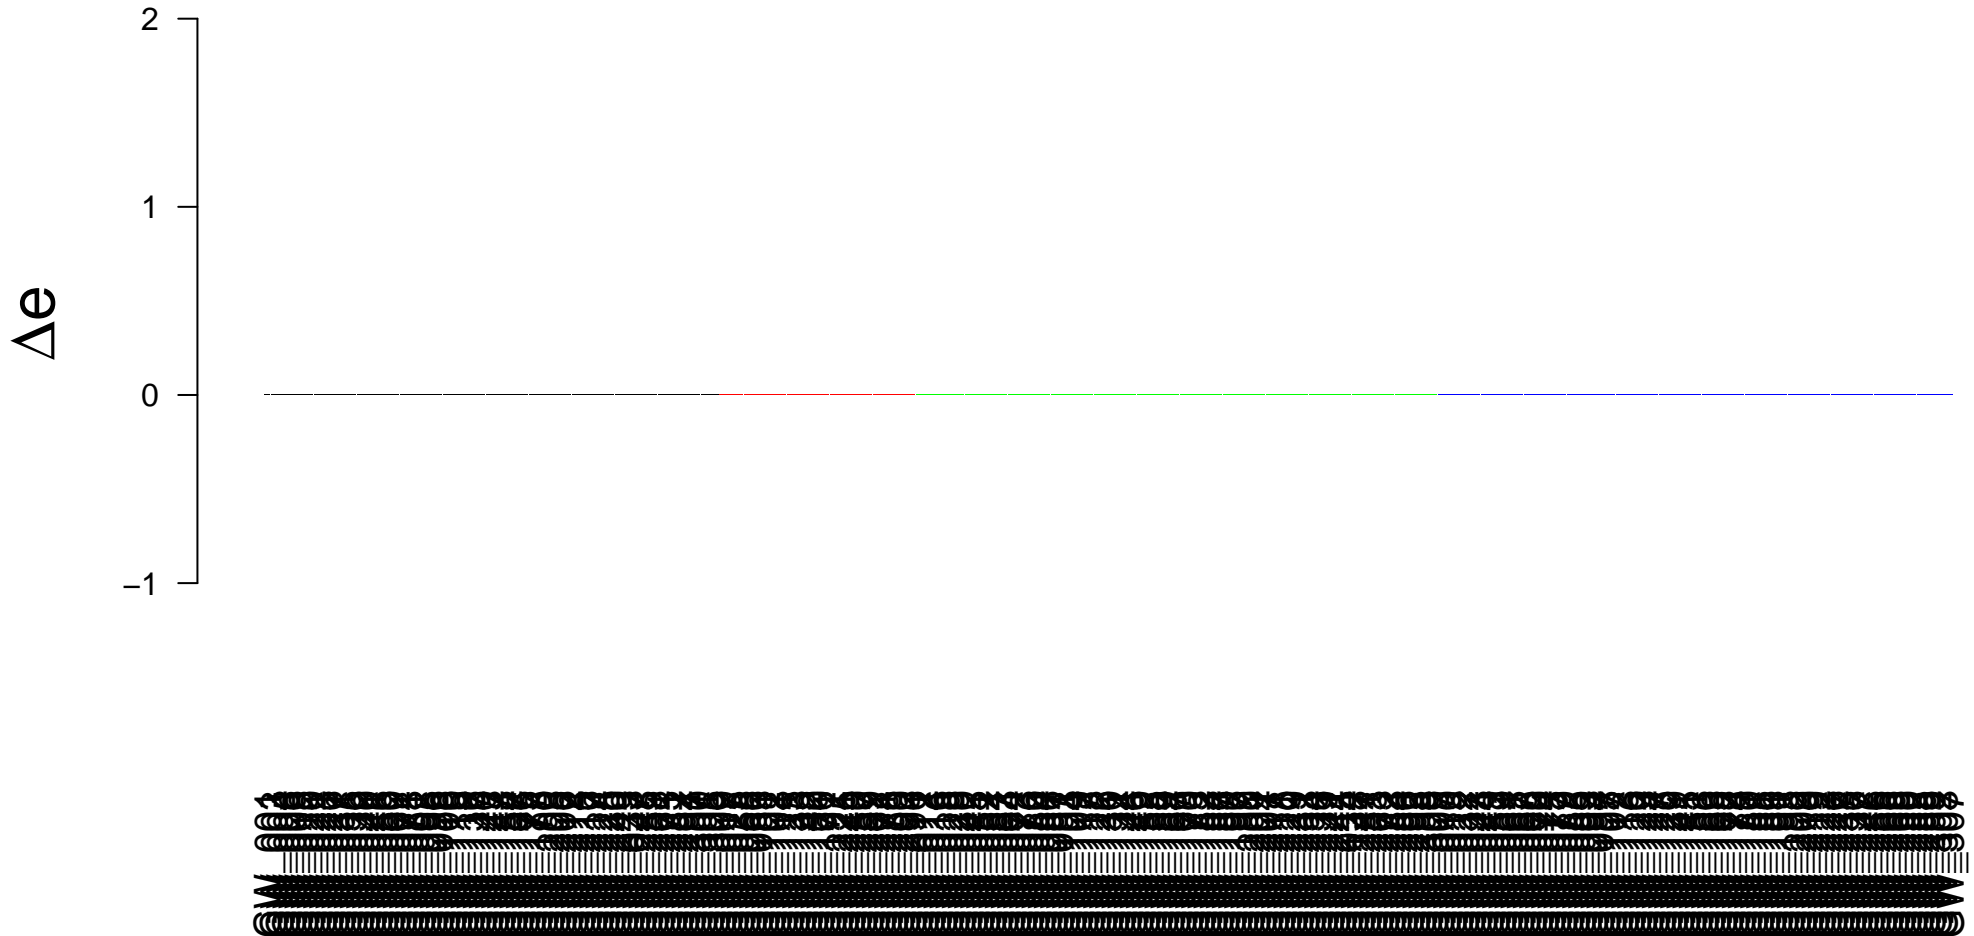

Expression of DNA binding, bending in Spot C

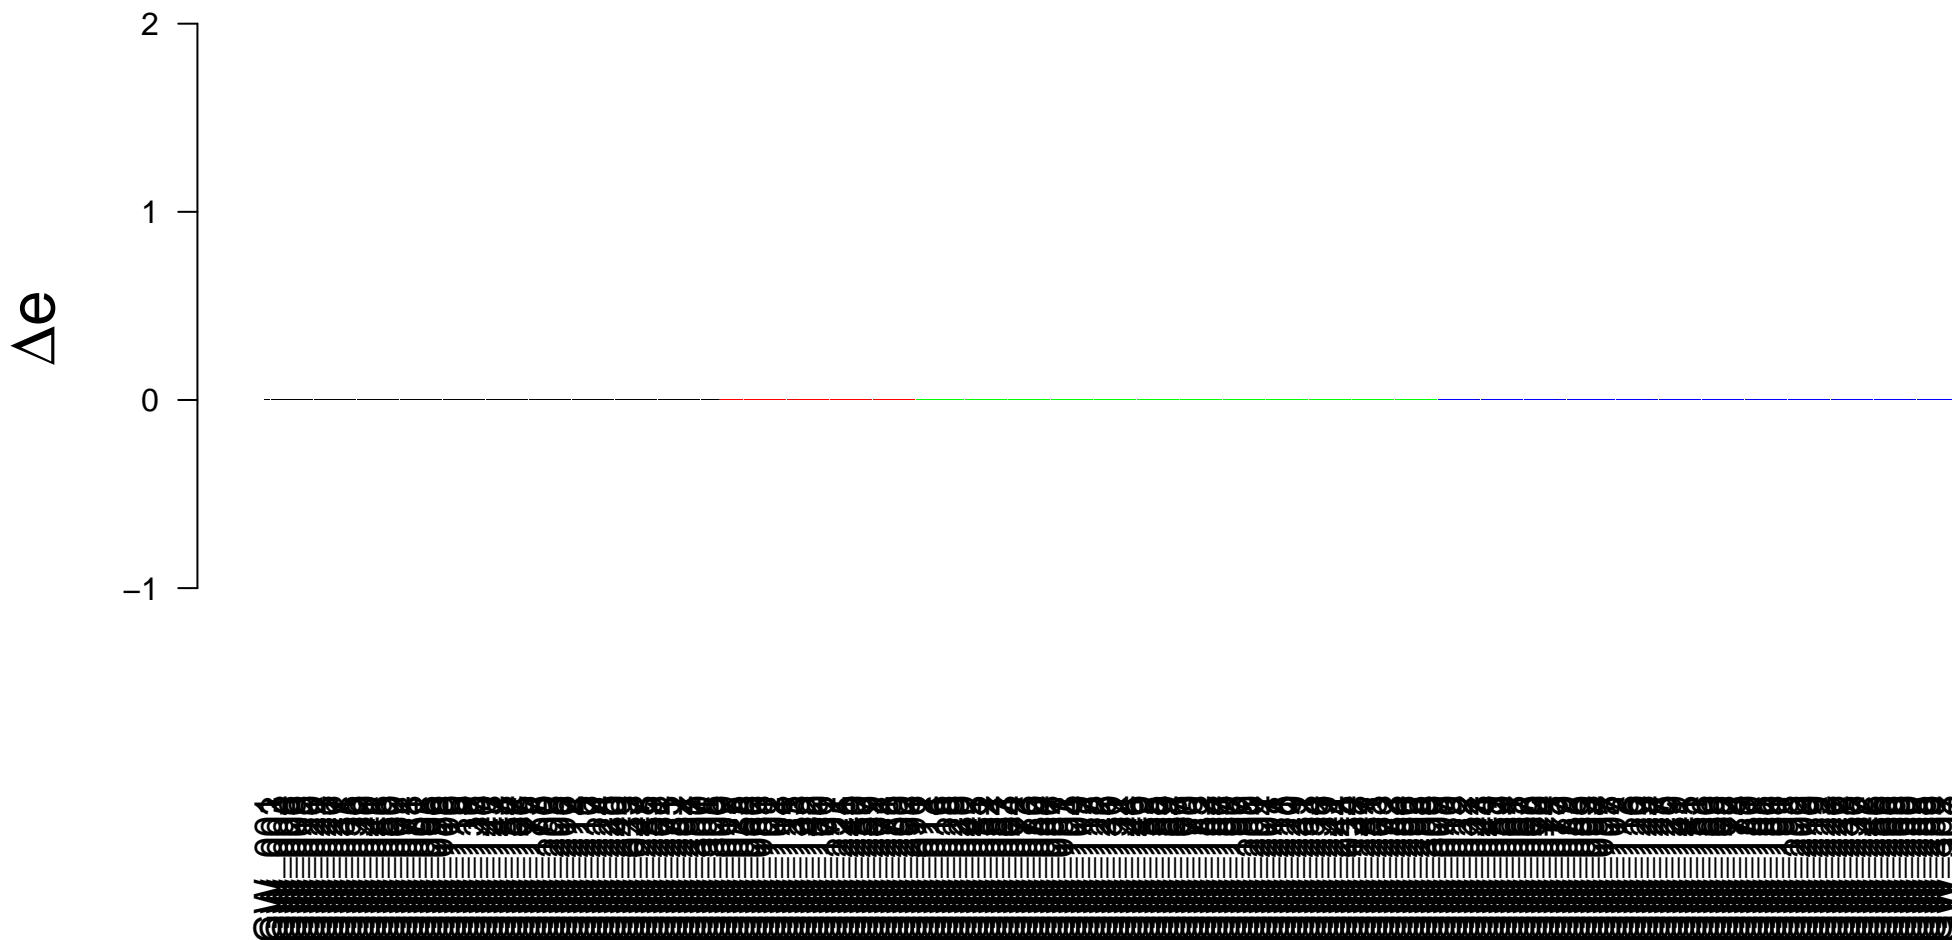

Δe

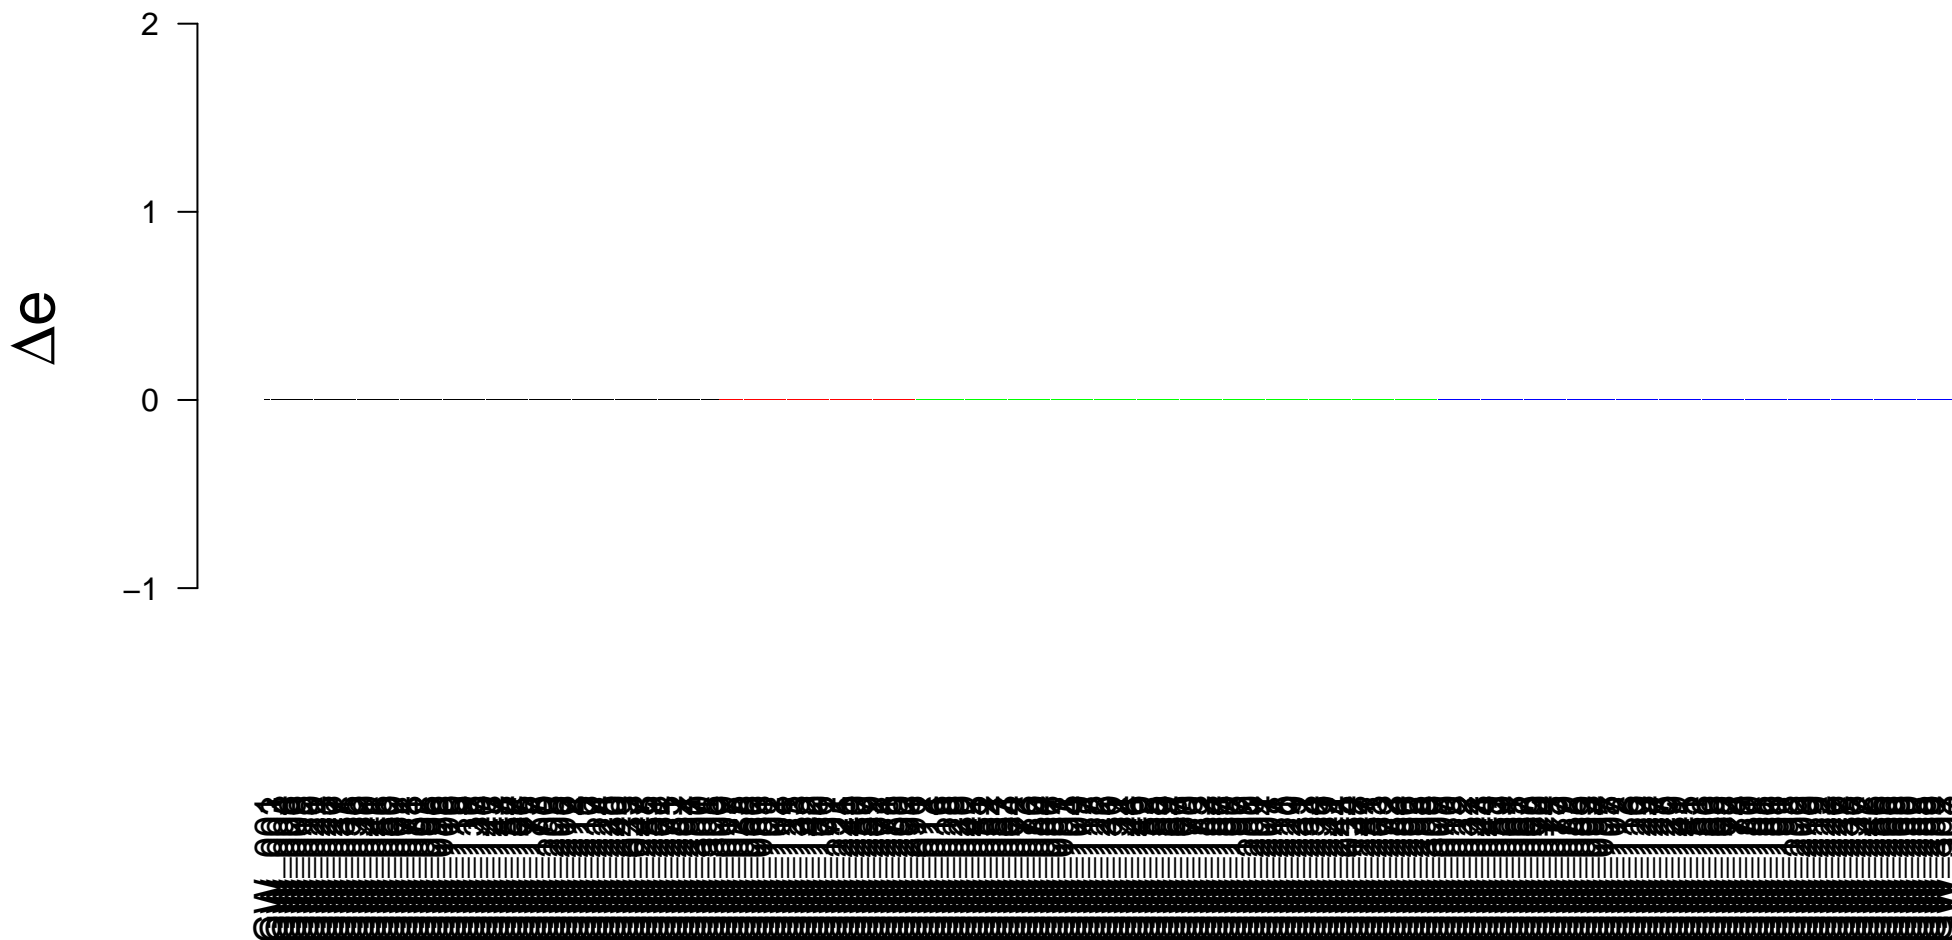

Expression of DNA binding, bending in Spot D

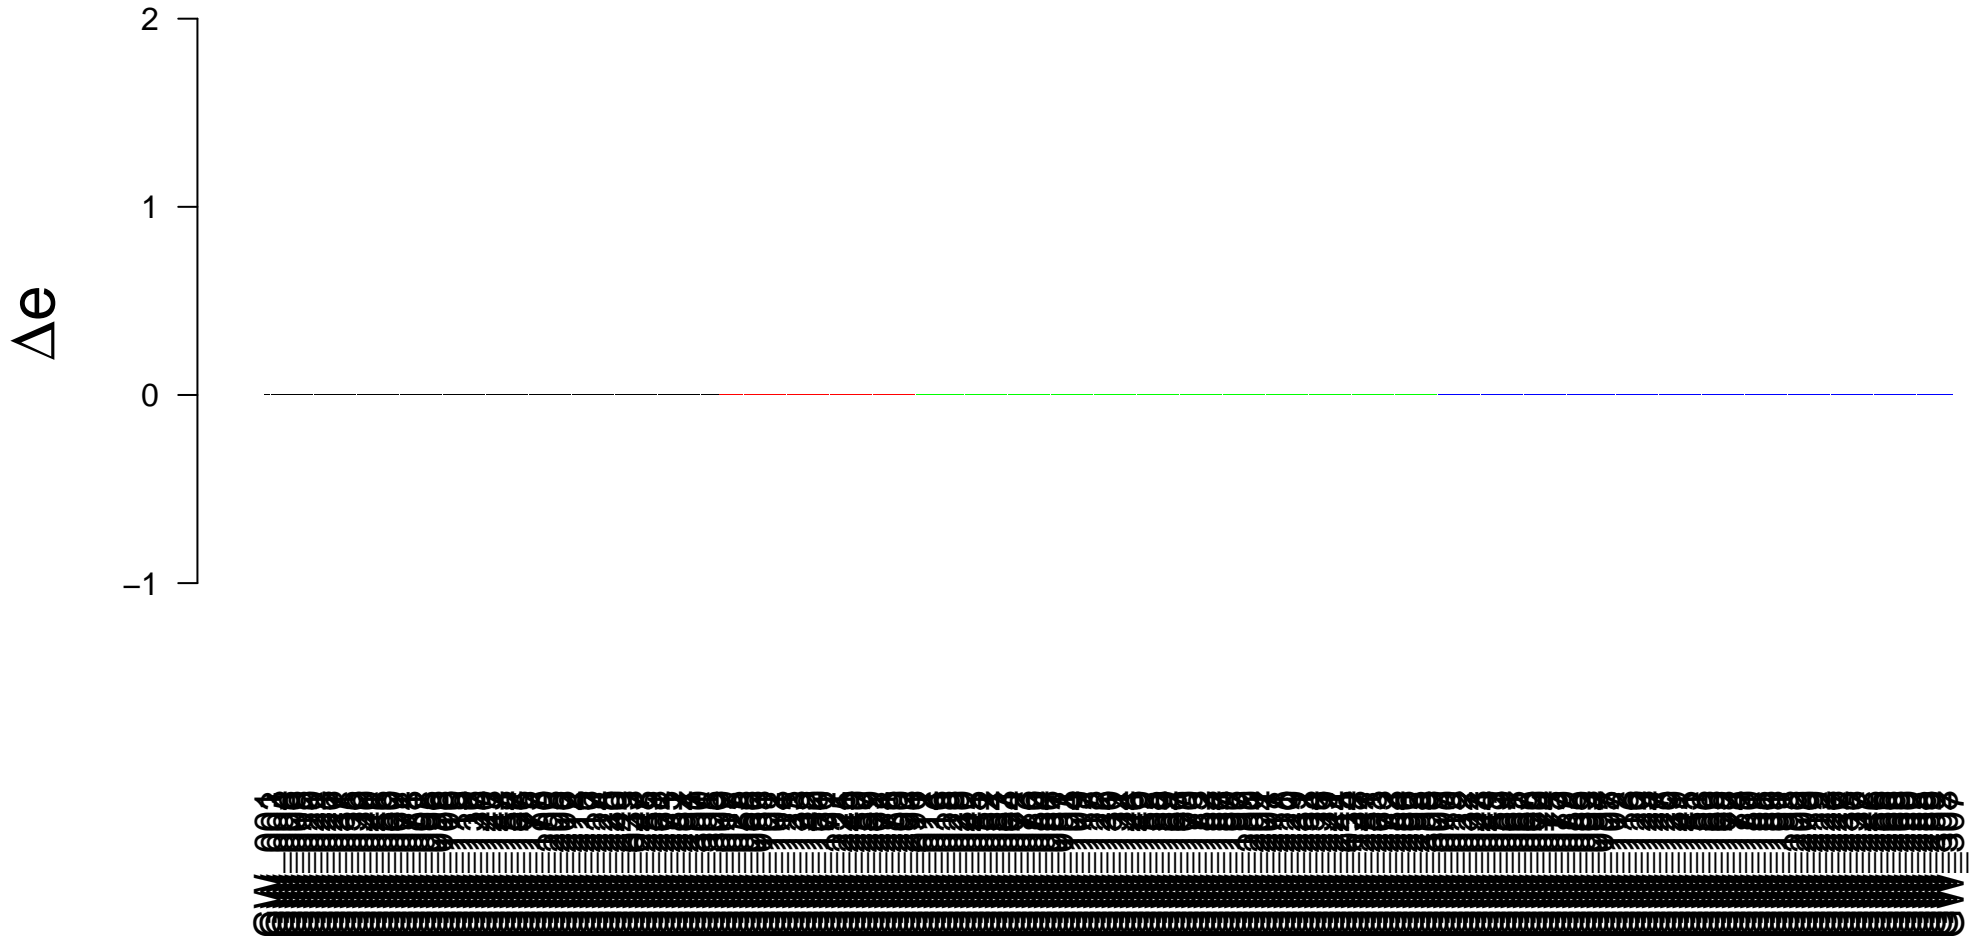

Expression of DNA binding, bending in Spot E

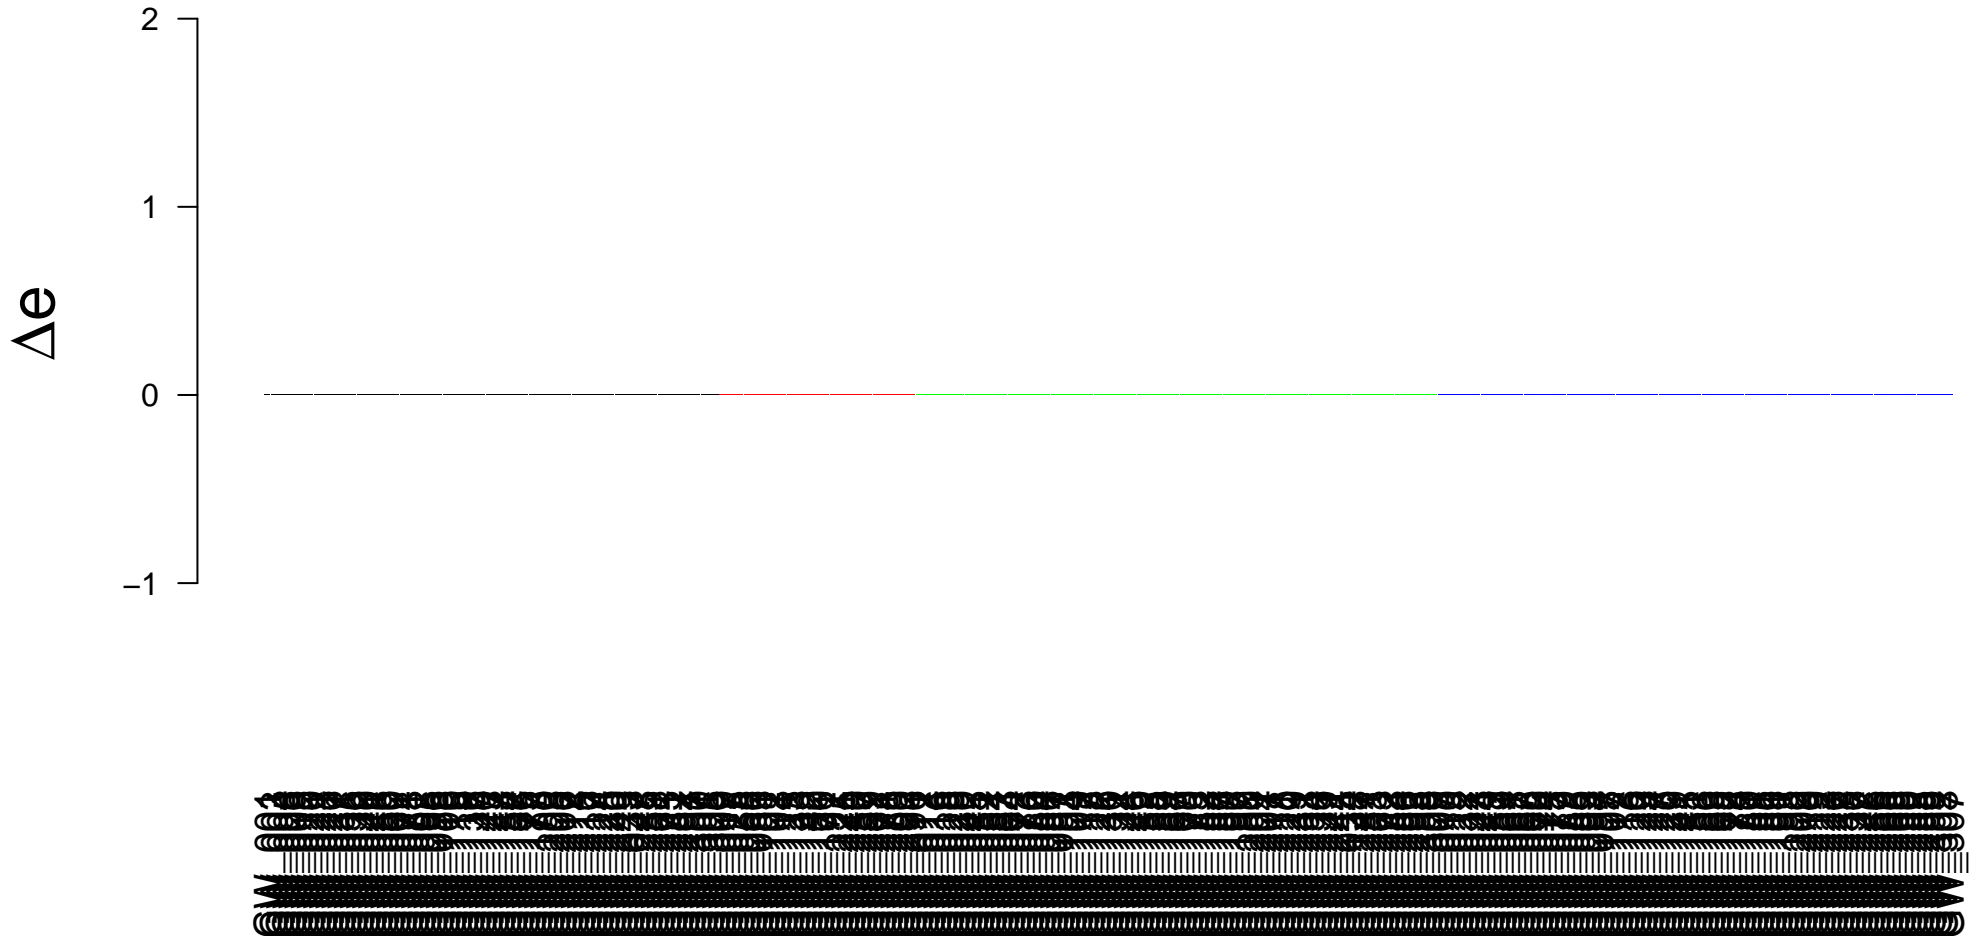

Expression of DNA binding, bending in Spot F

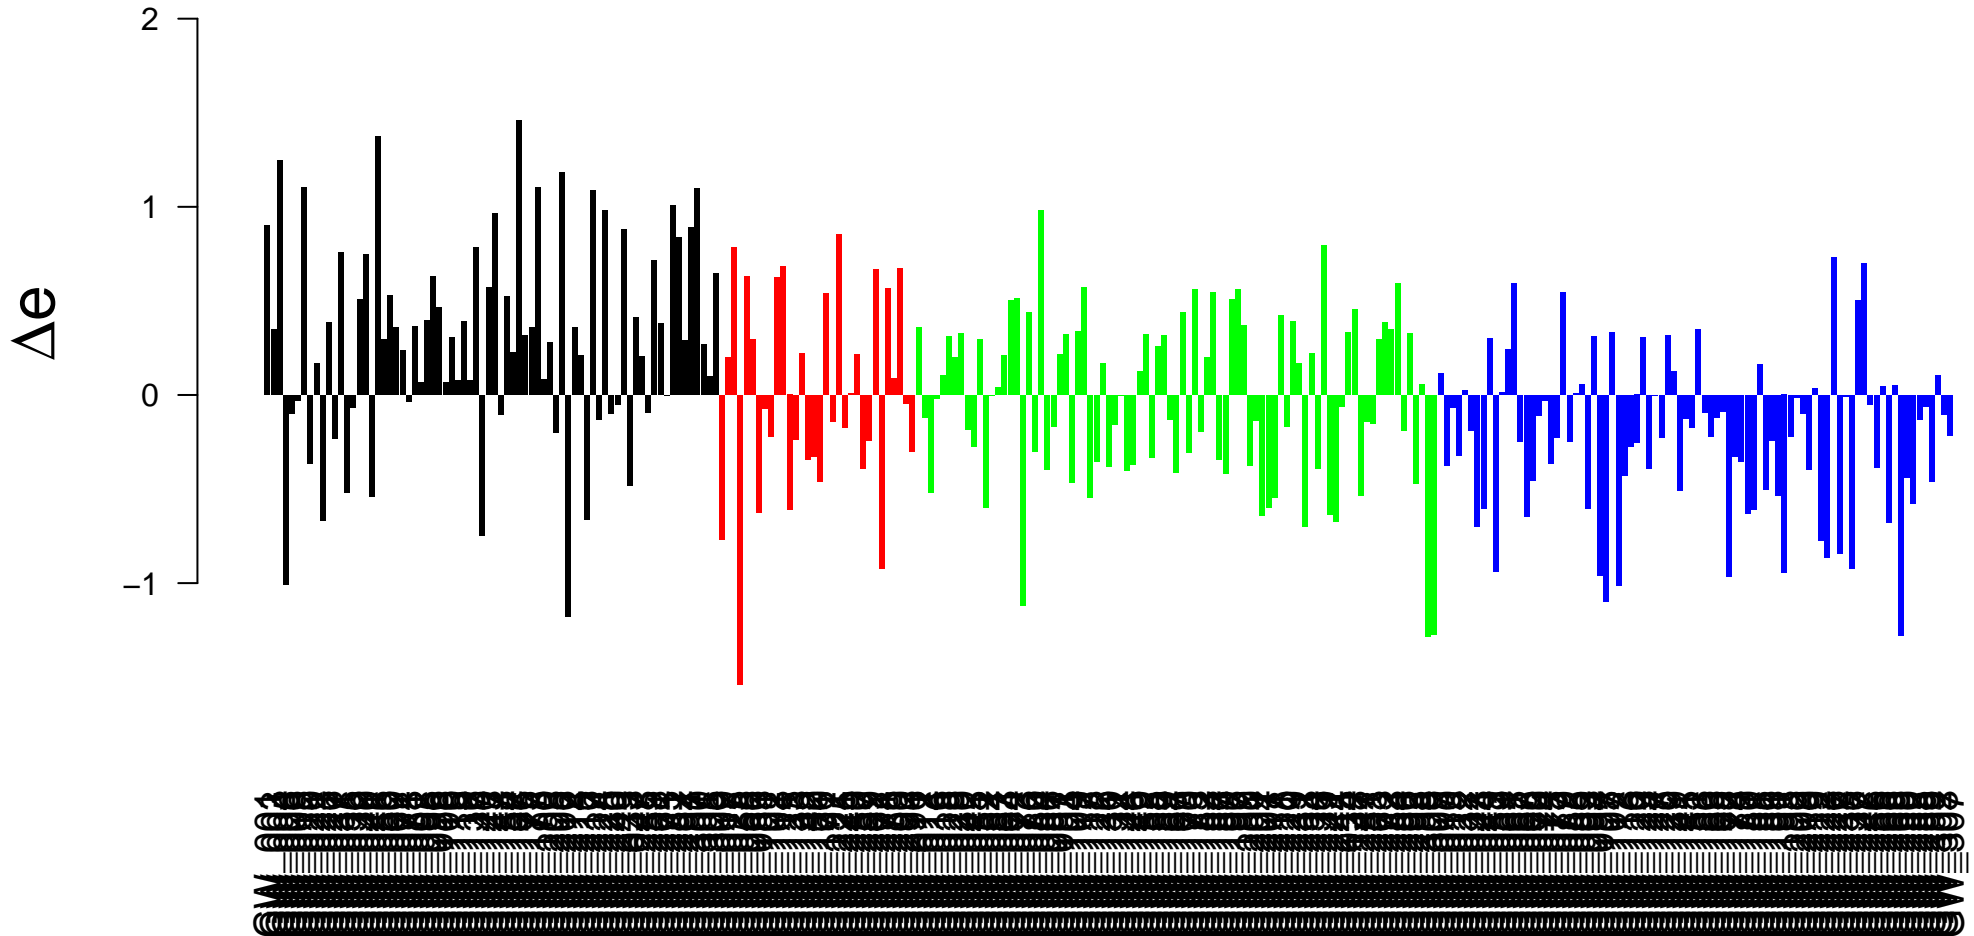

Expression of DNA binding, bending in Spot G

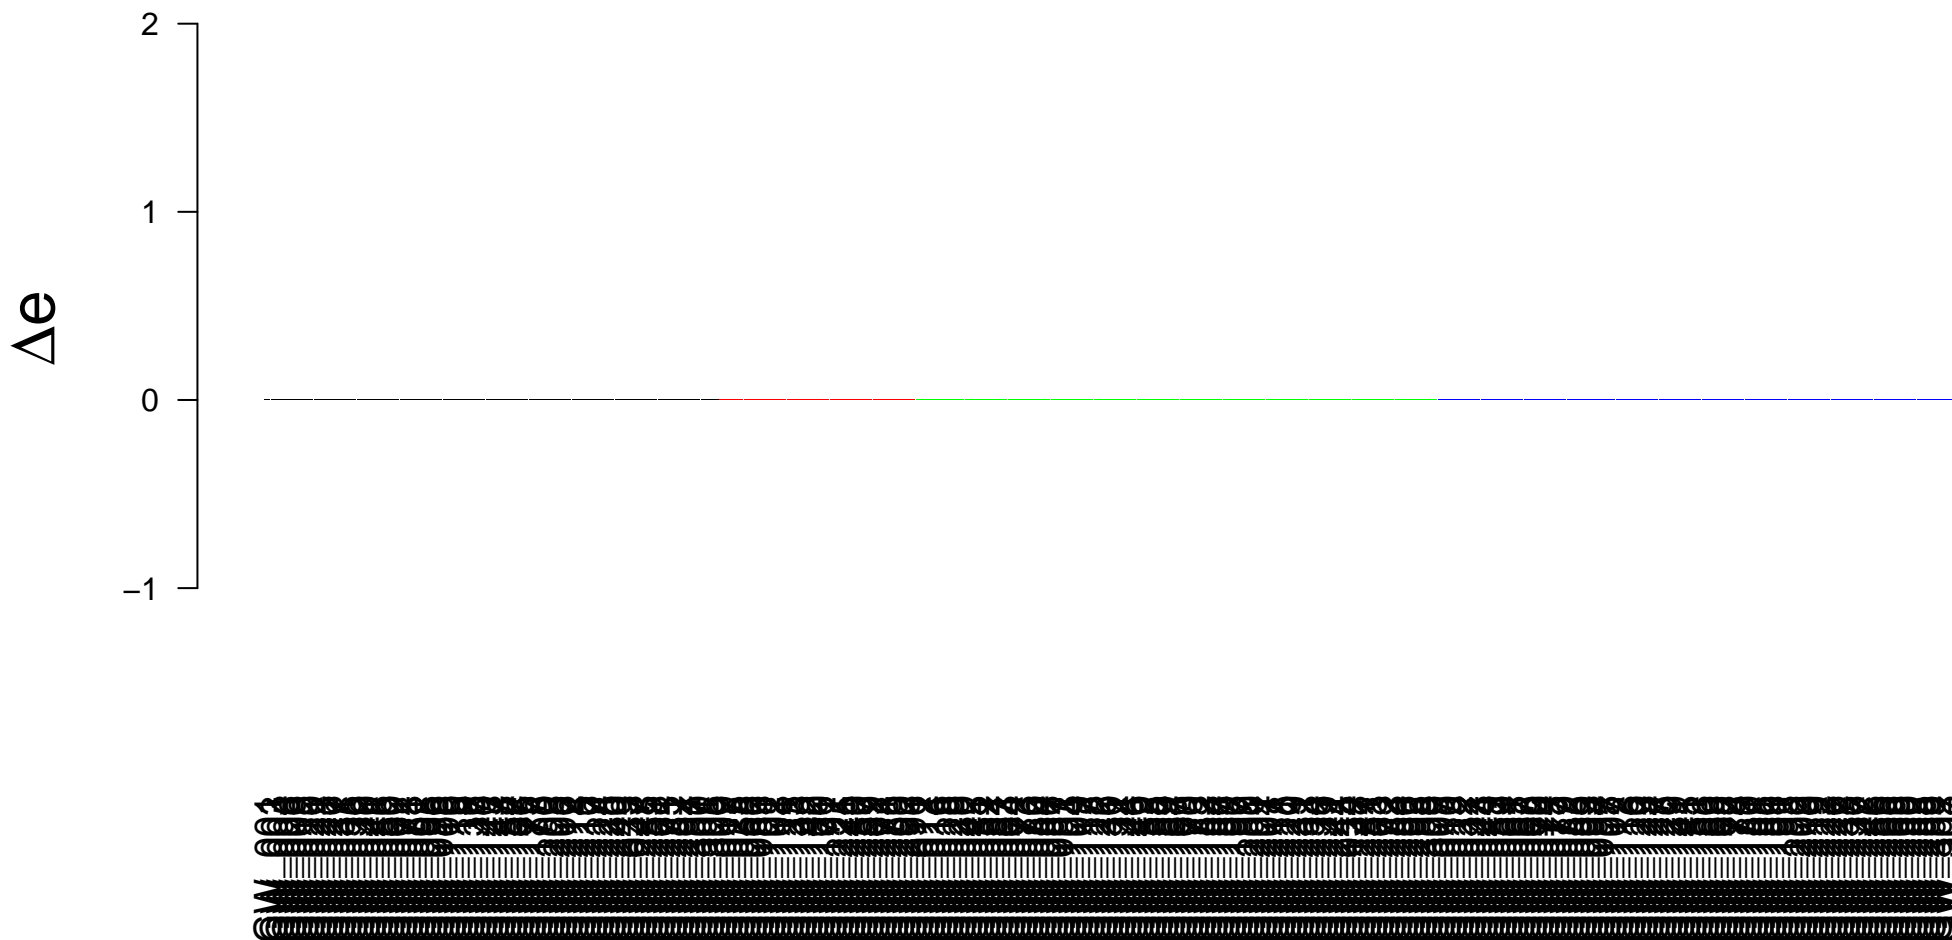

Expression of DNA binding, bending in Spot H

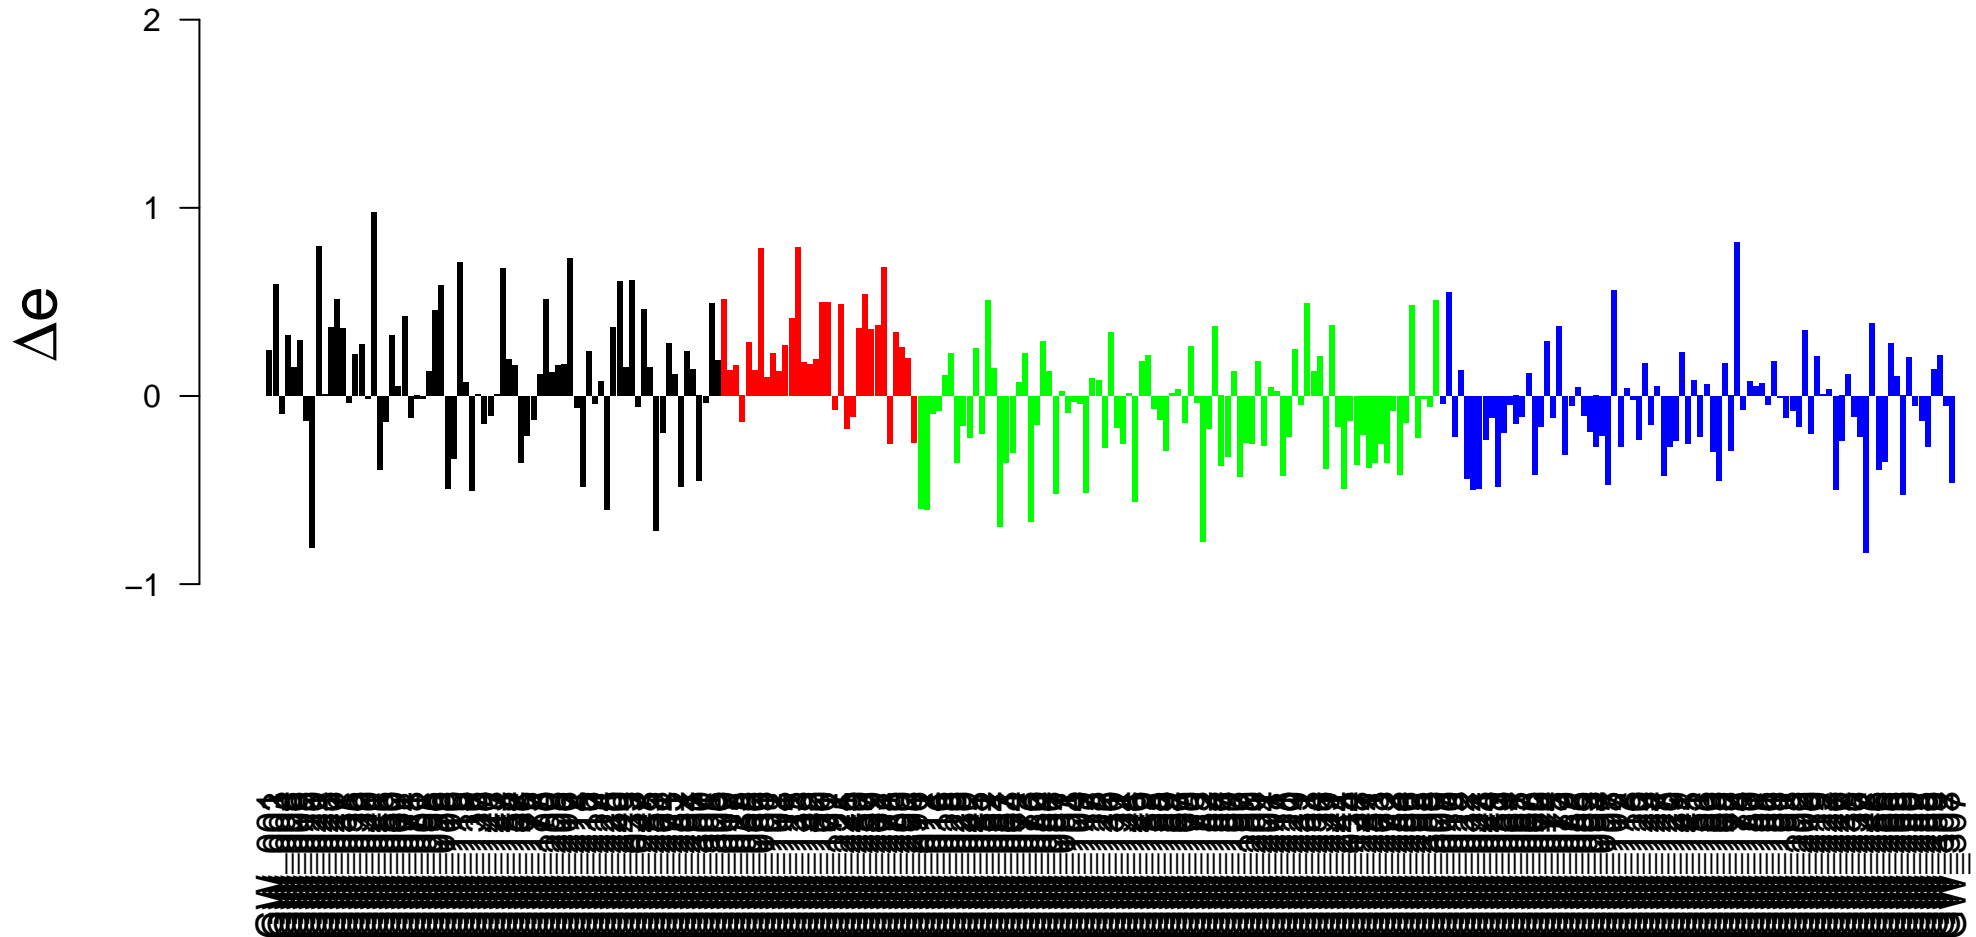

Expression of DNA binding, bending in Spot I

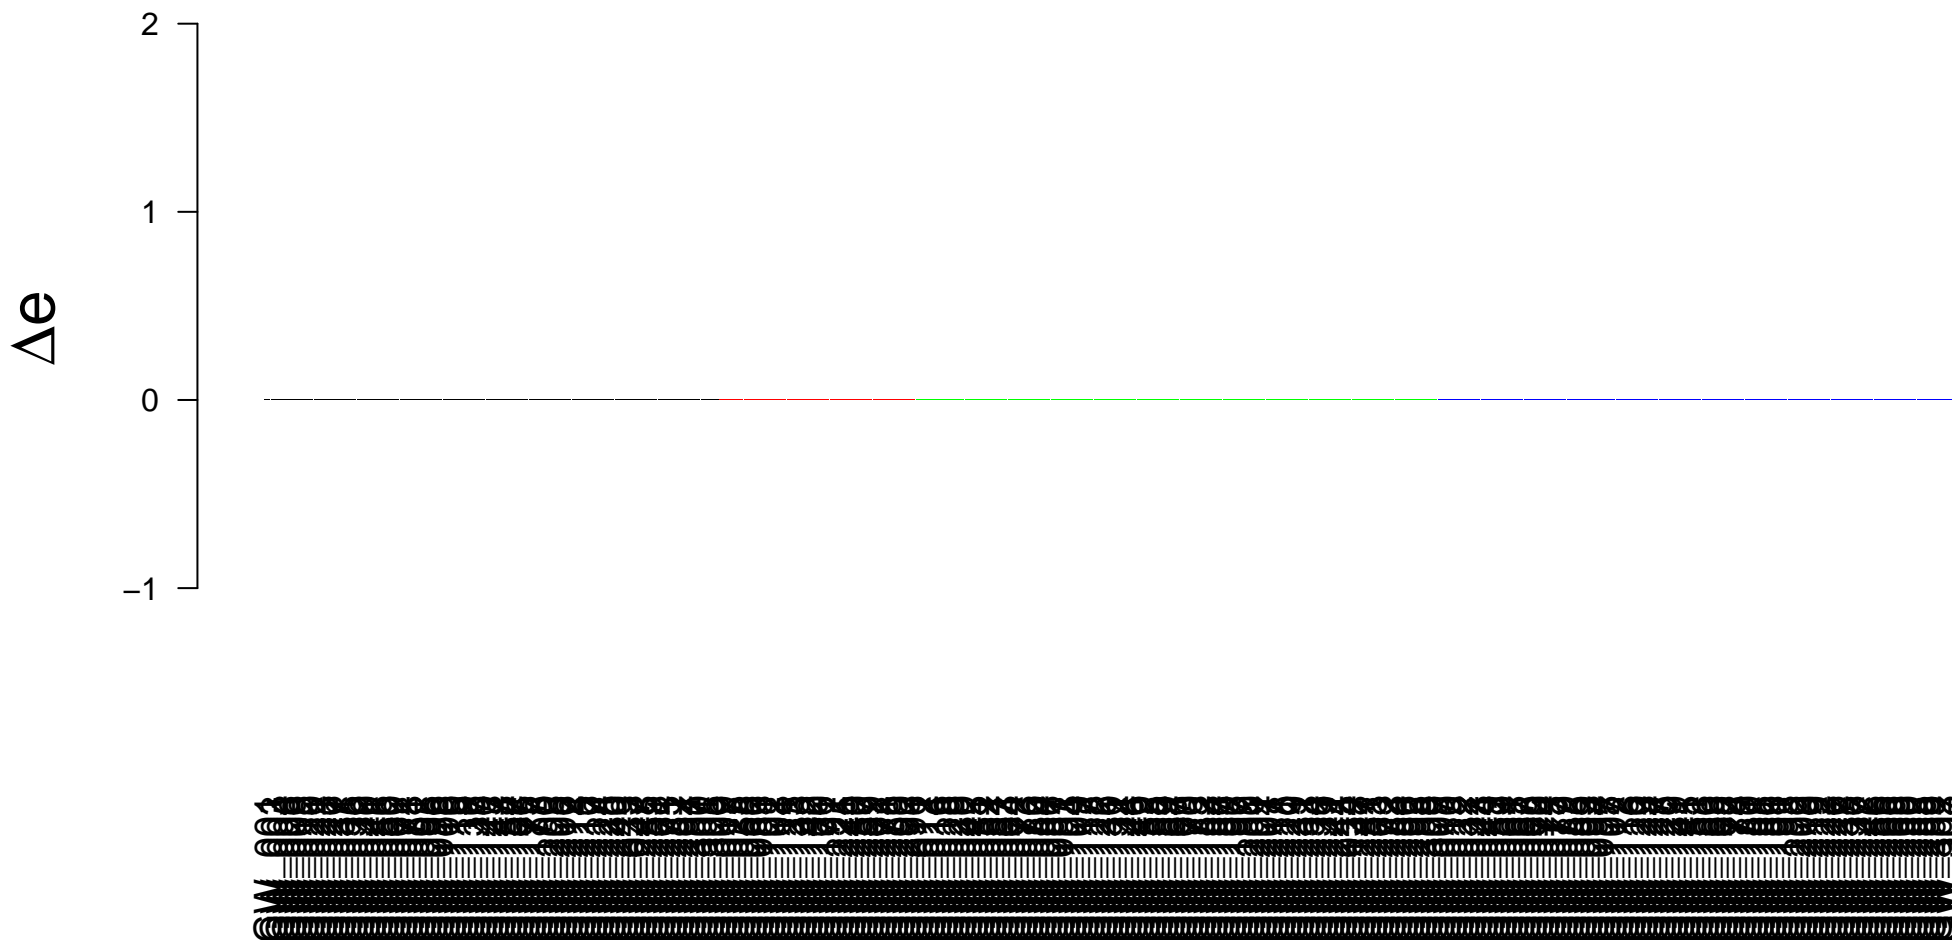

Expression of DNA binding, bending in Spot J

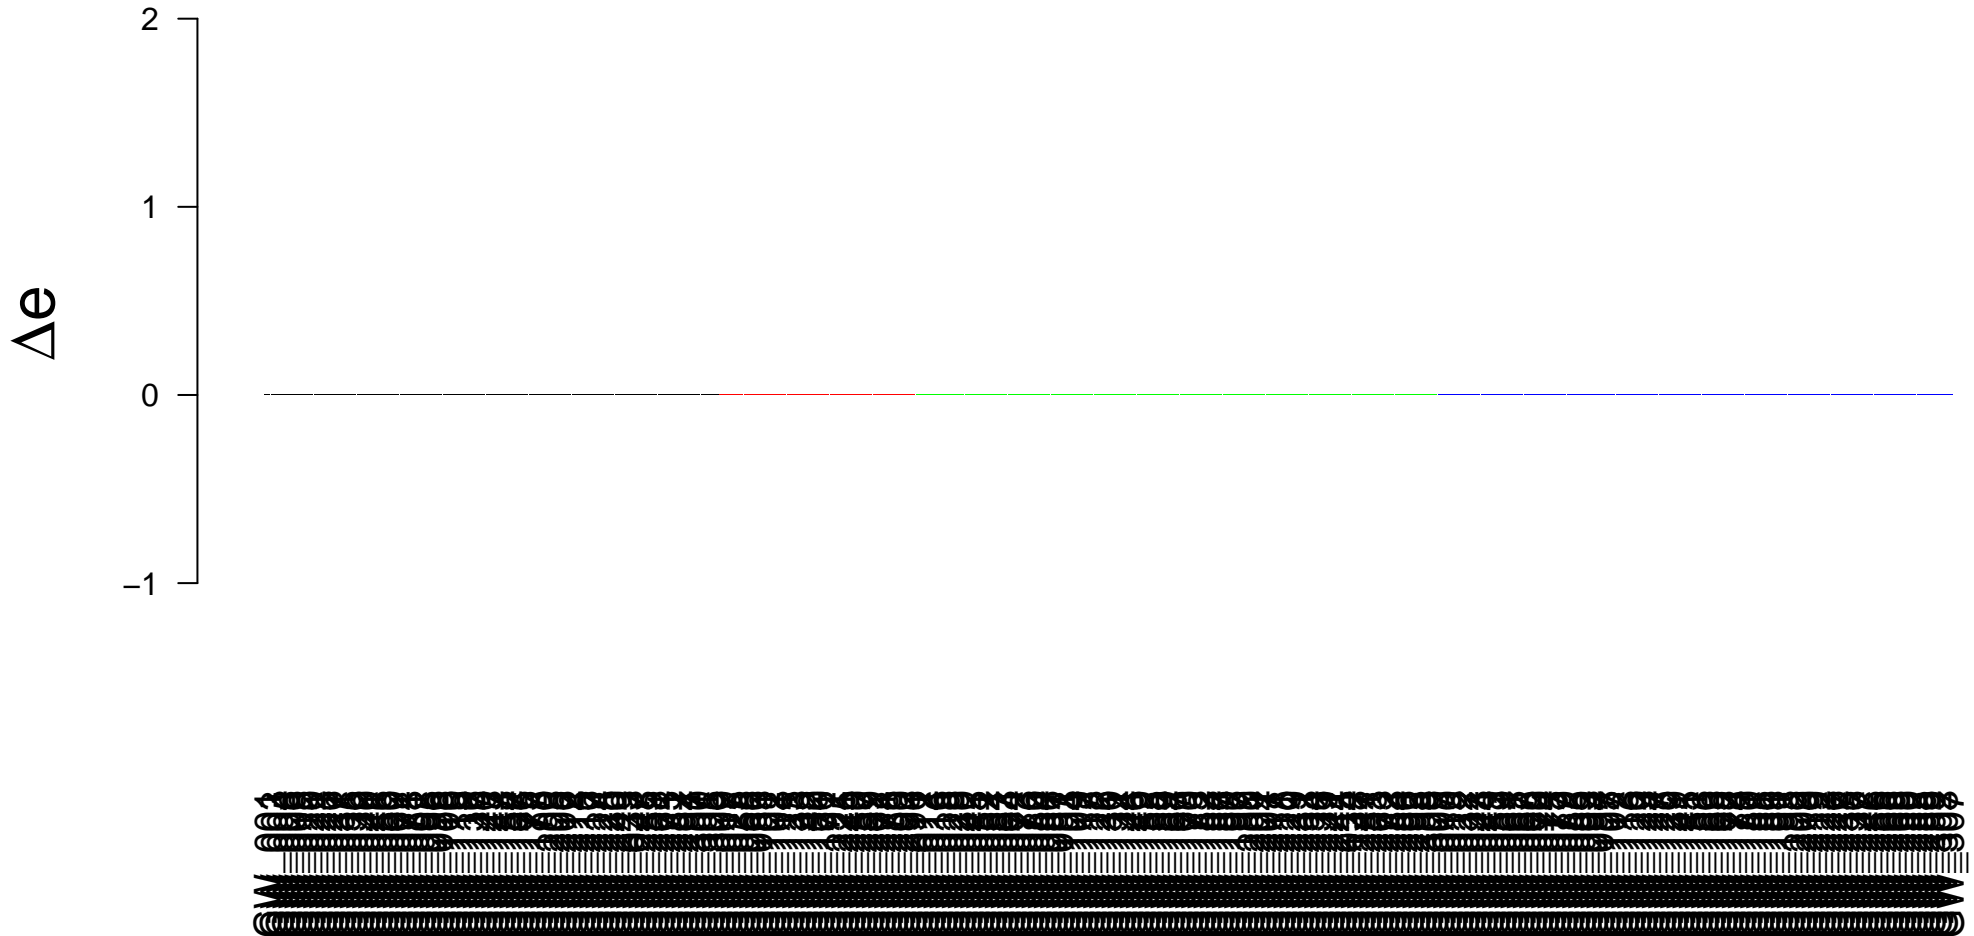

Expression of DNA binding, bending in Spot K

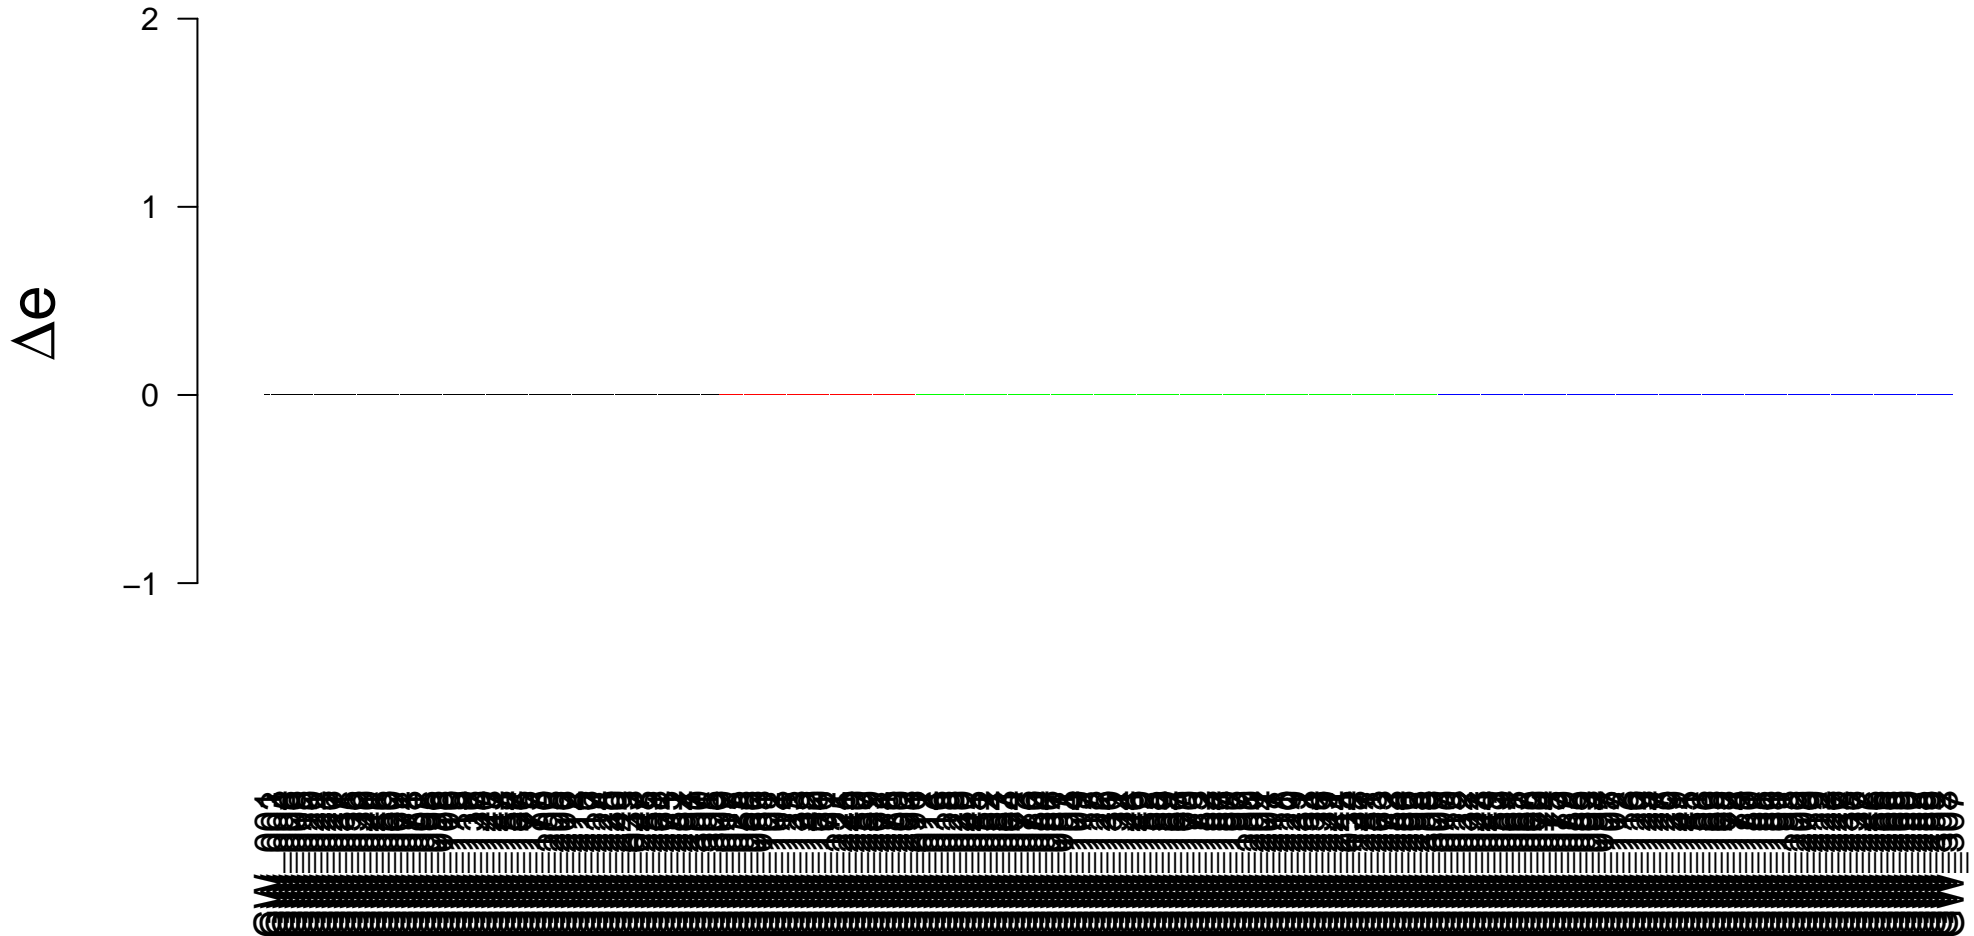

Expression of DNA binding, bending in Spot L

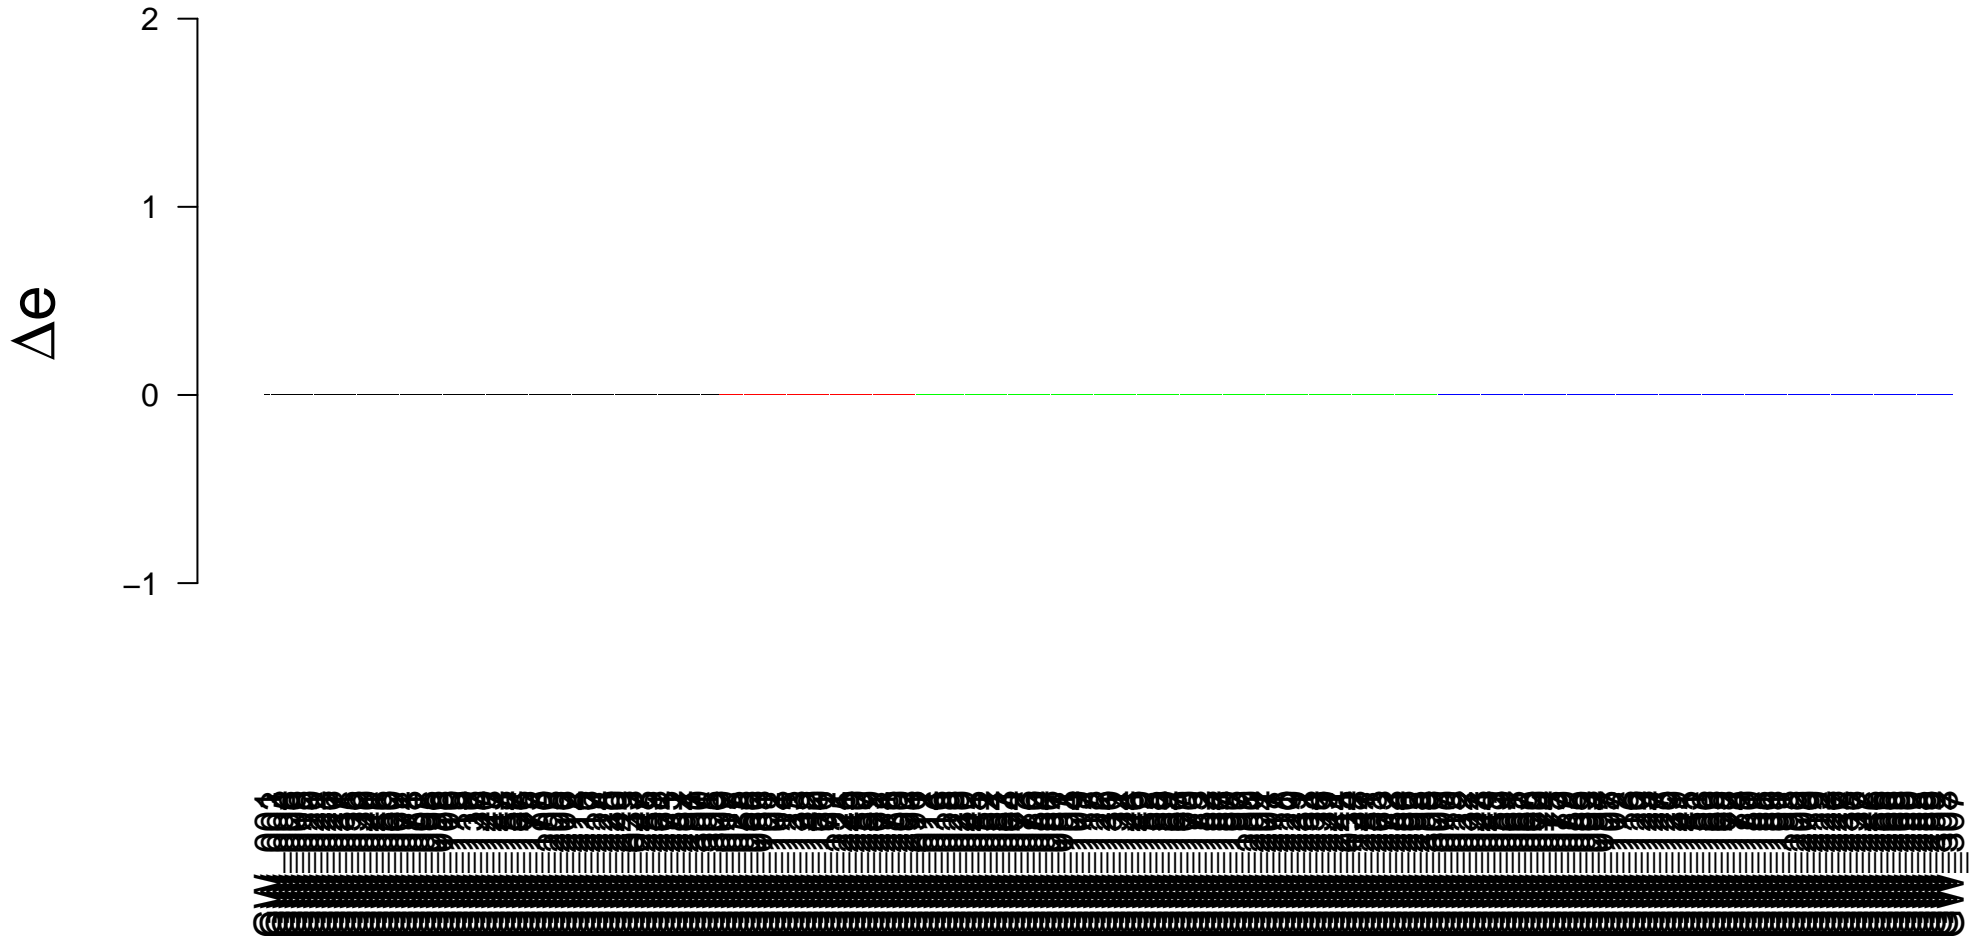

Expression of DNA binding, bending in Spot M

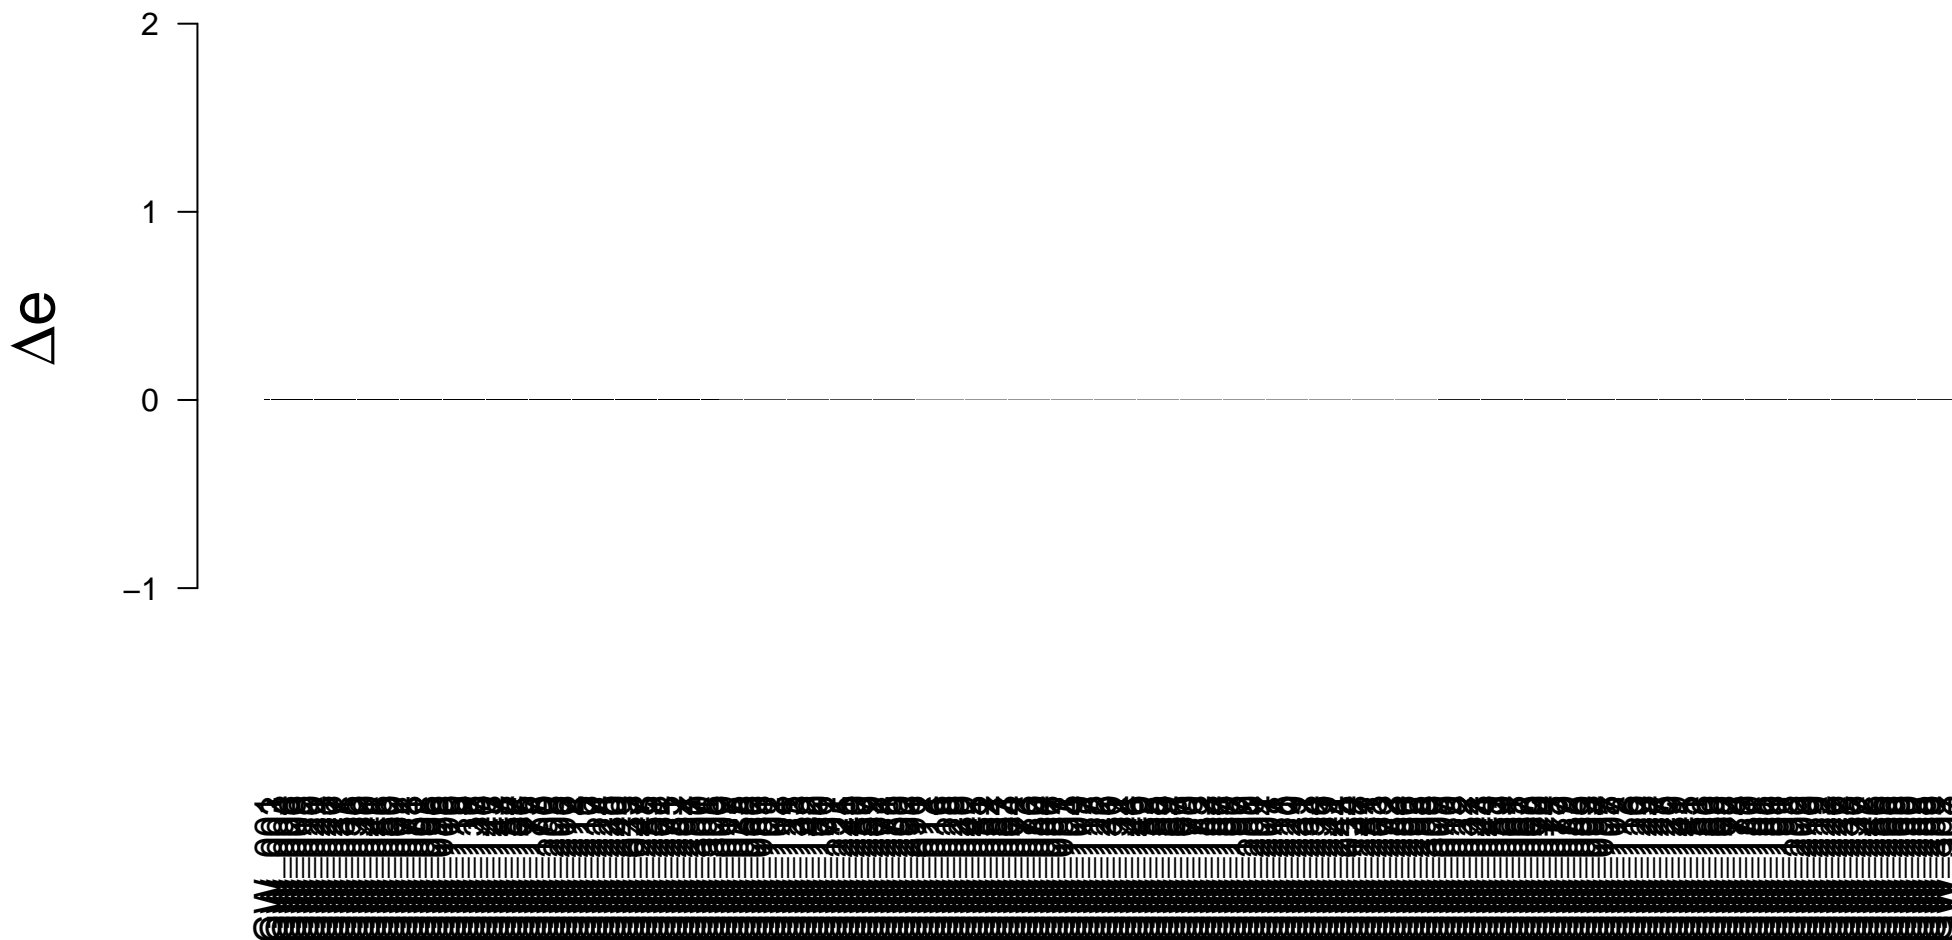

Expression of DNA binding, bending in Spot N

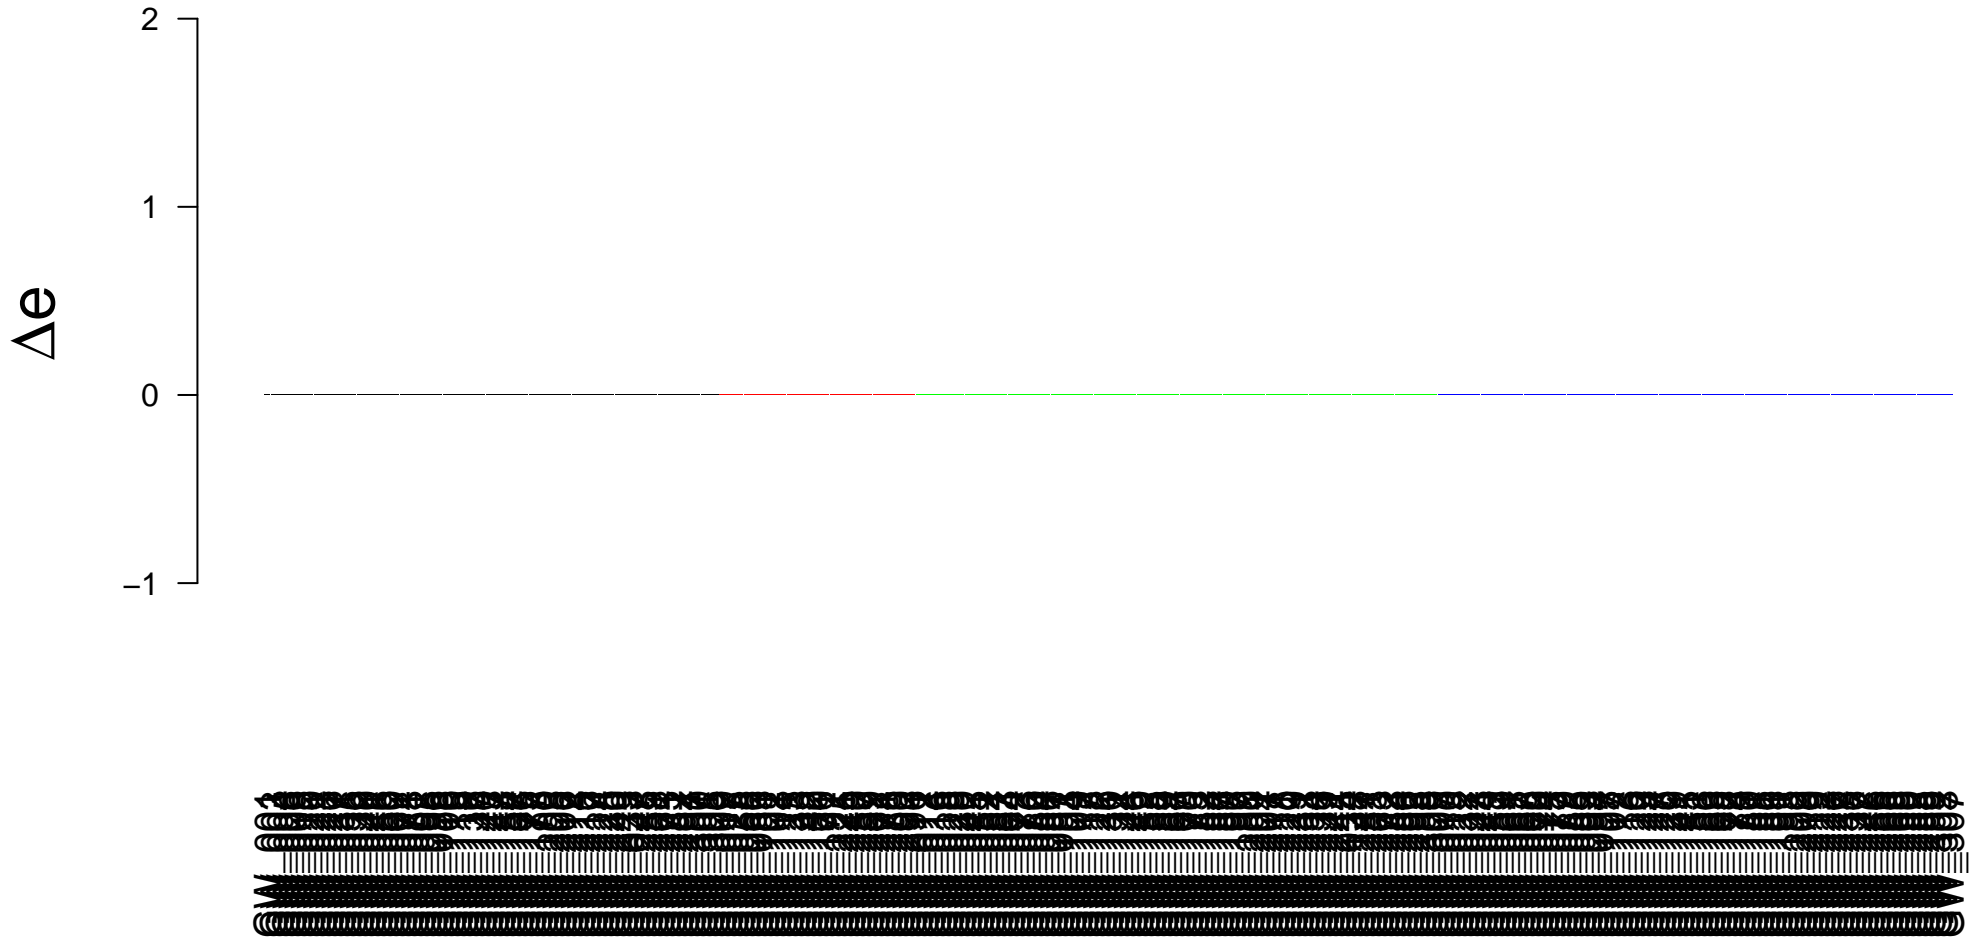

Expression of DNA binding, bending in Spot O

Expression of DNA binding, bending in Spot P

Expression of DNA binding, bending in Spot Q

Expression of DNA binding, bending in Spot R
