

DNA-dependent ATPase activity

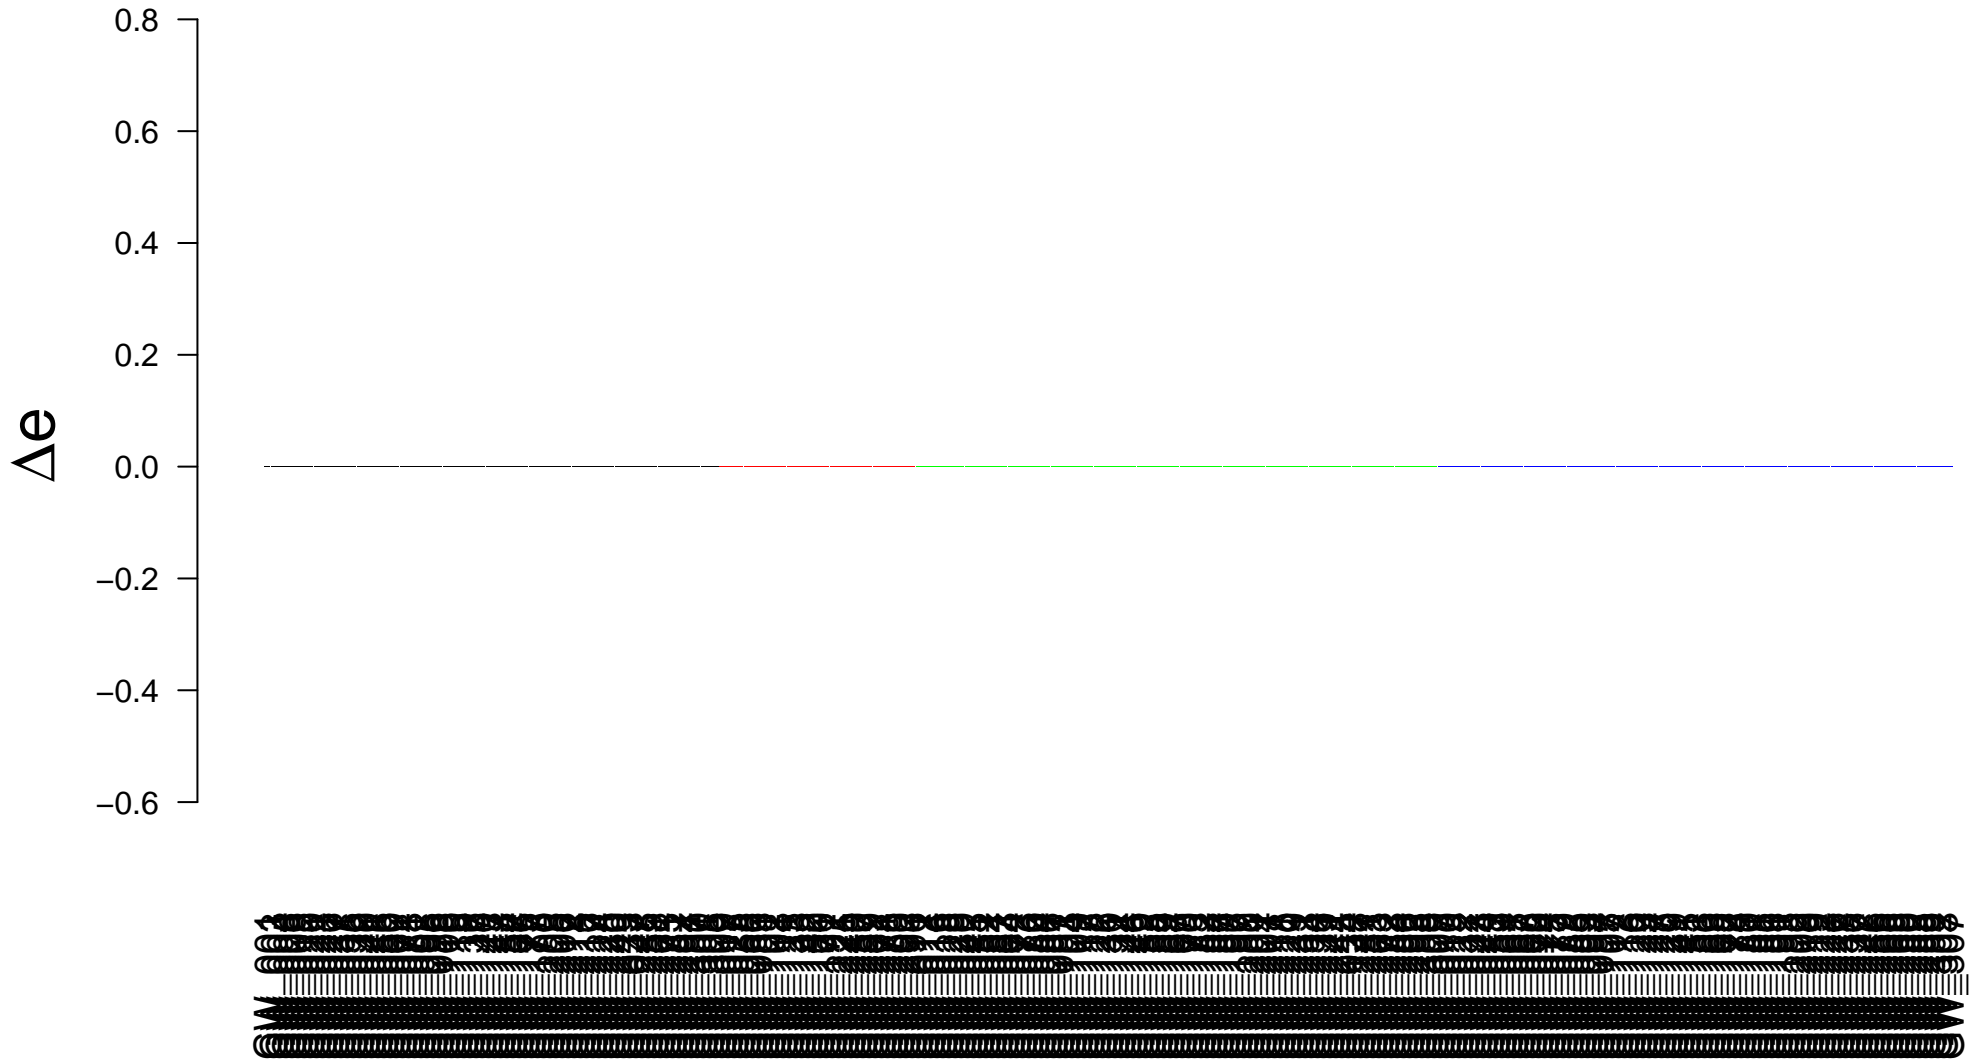

DNA-dependent ATPase activity

Enrichment in spots: DNA-dependent ATPase activity

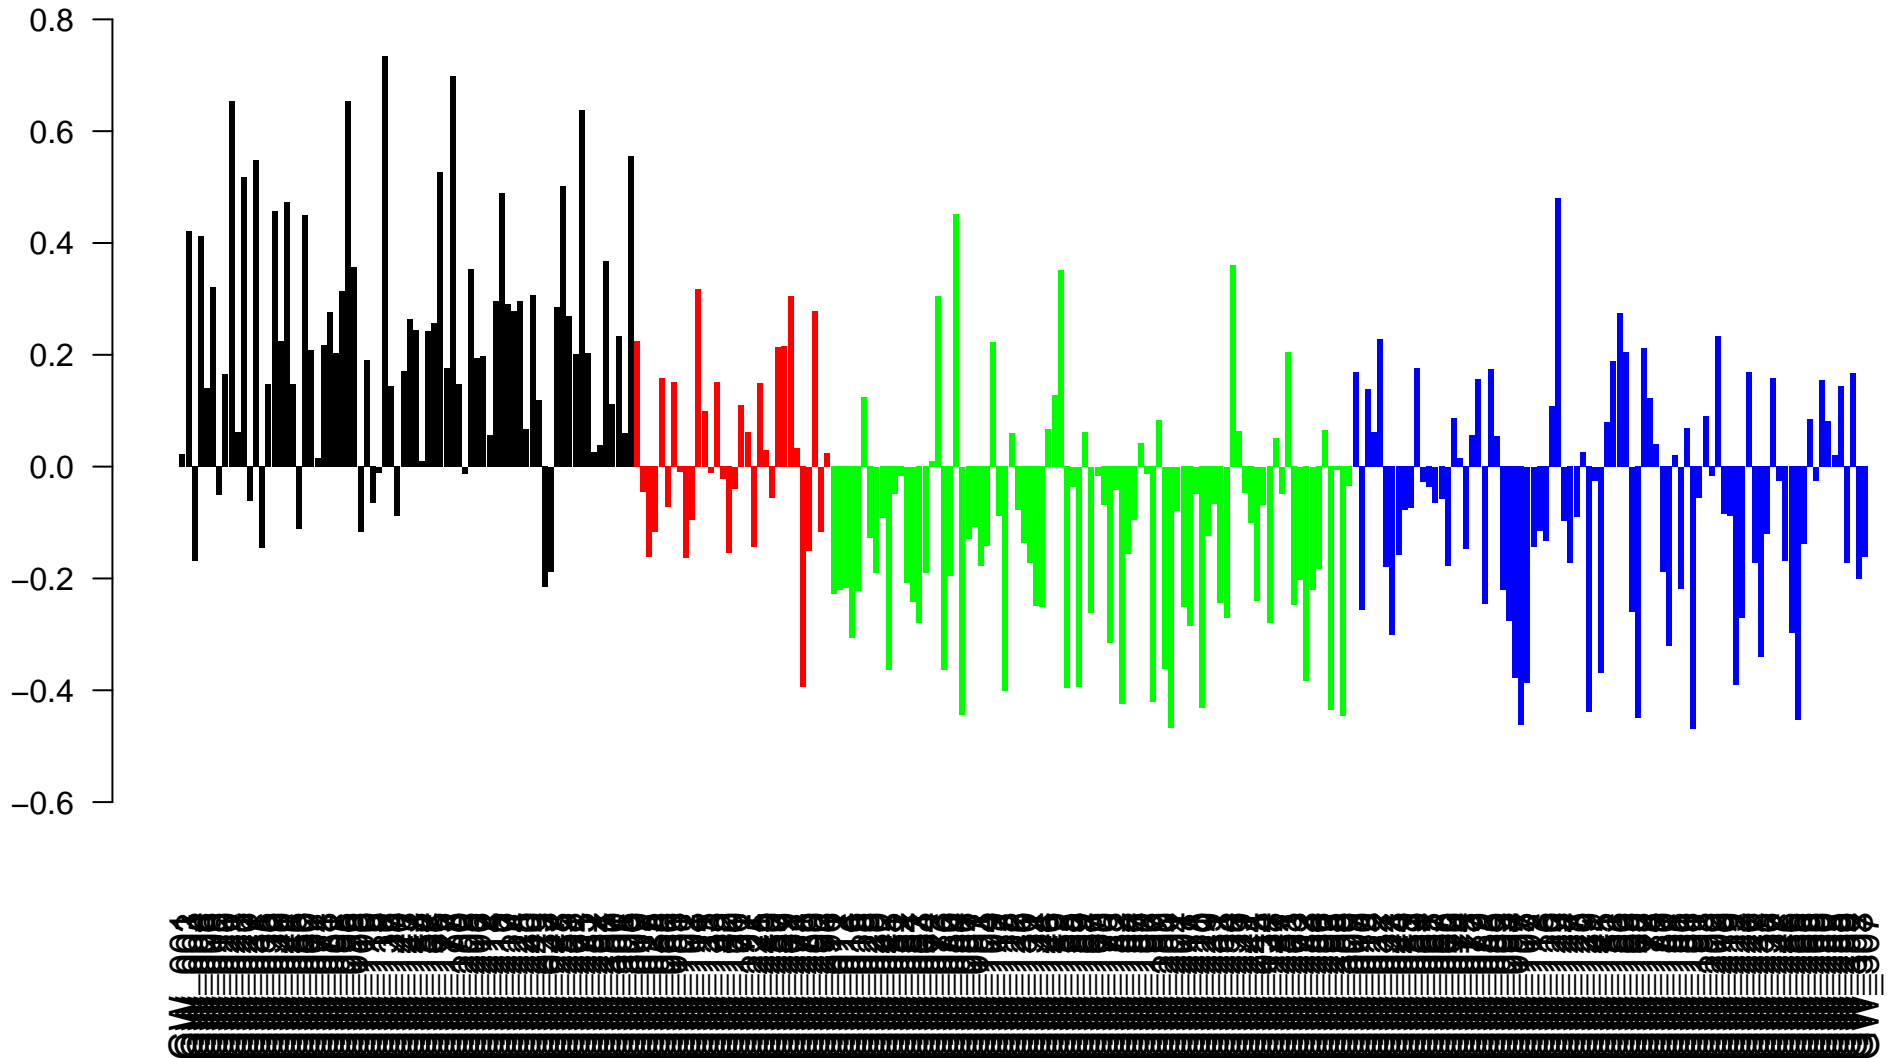

Expression of DNA-dependent ATPase activity in Spot A

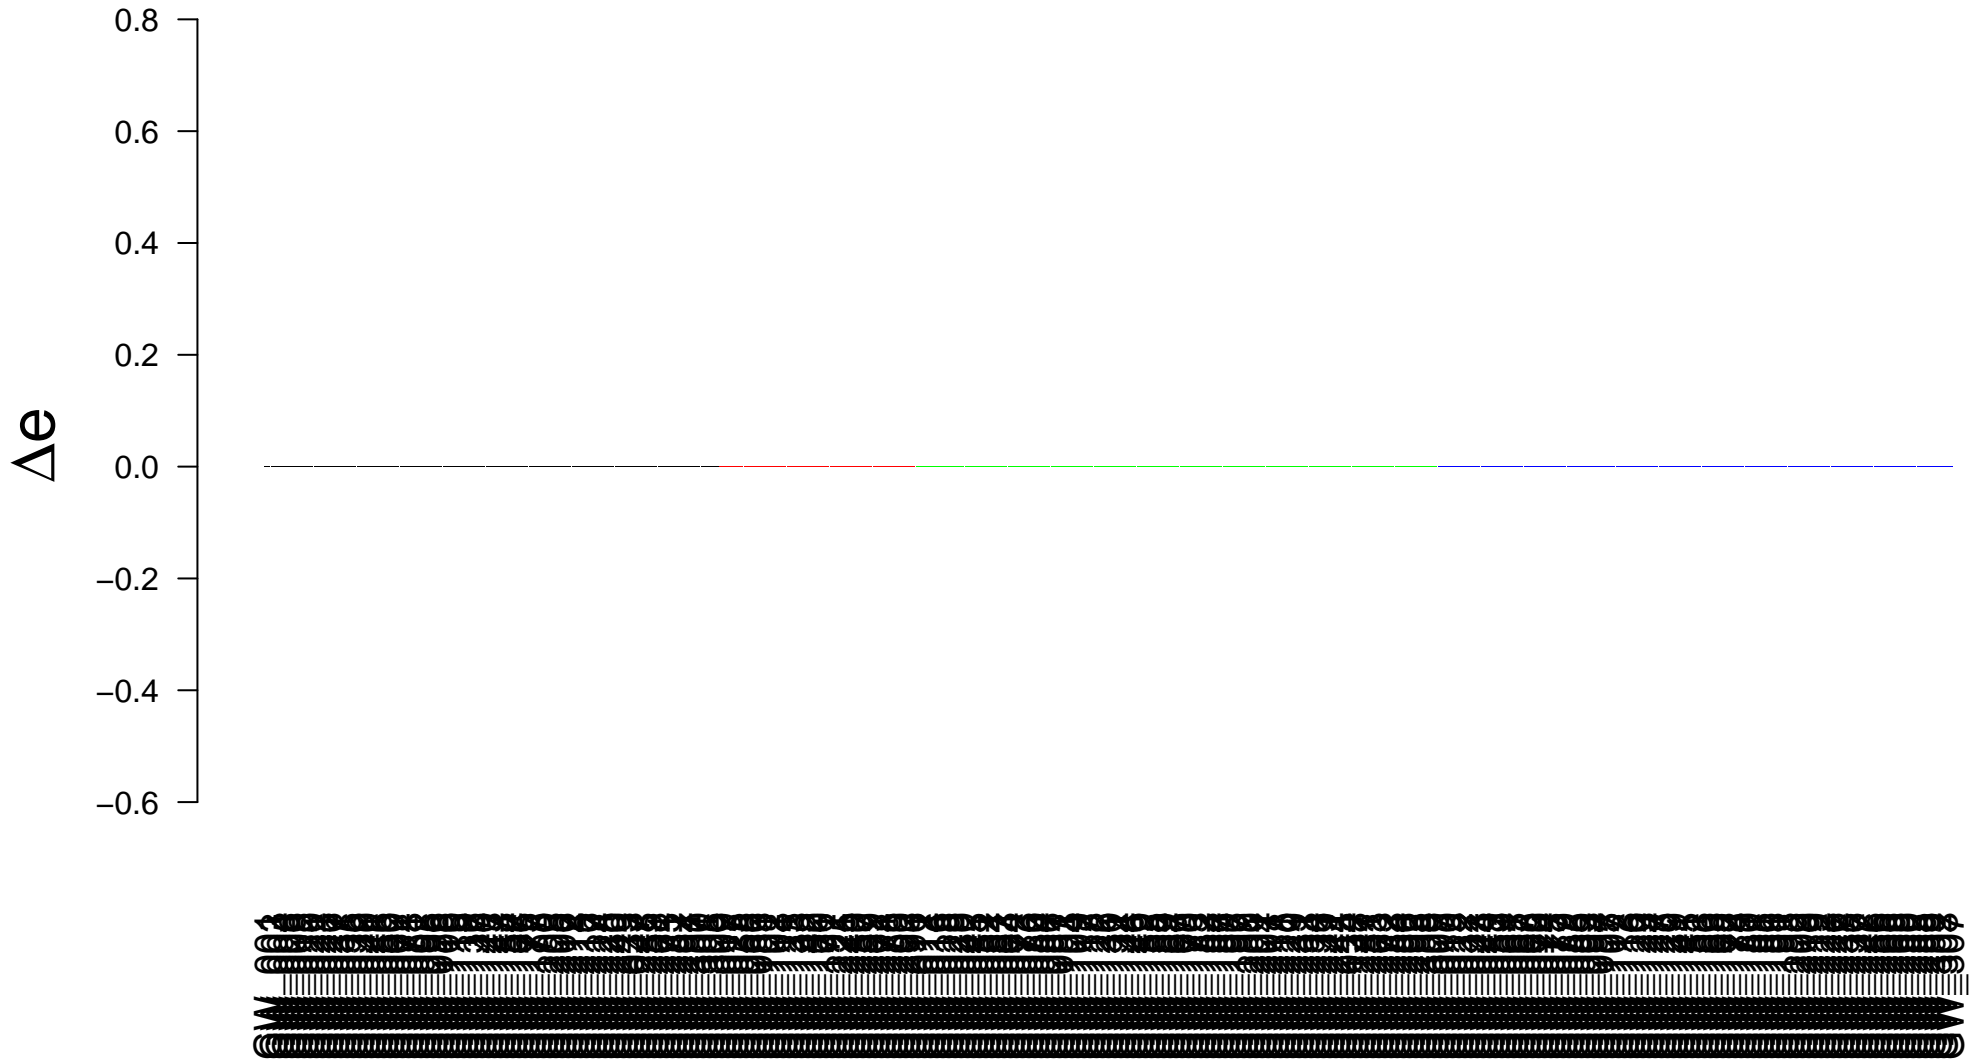

Expression of DNA-dependent ATPase activity in Spot B

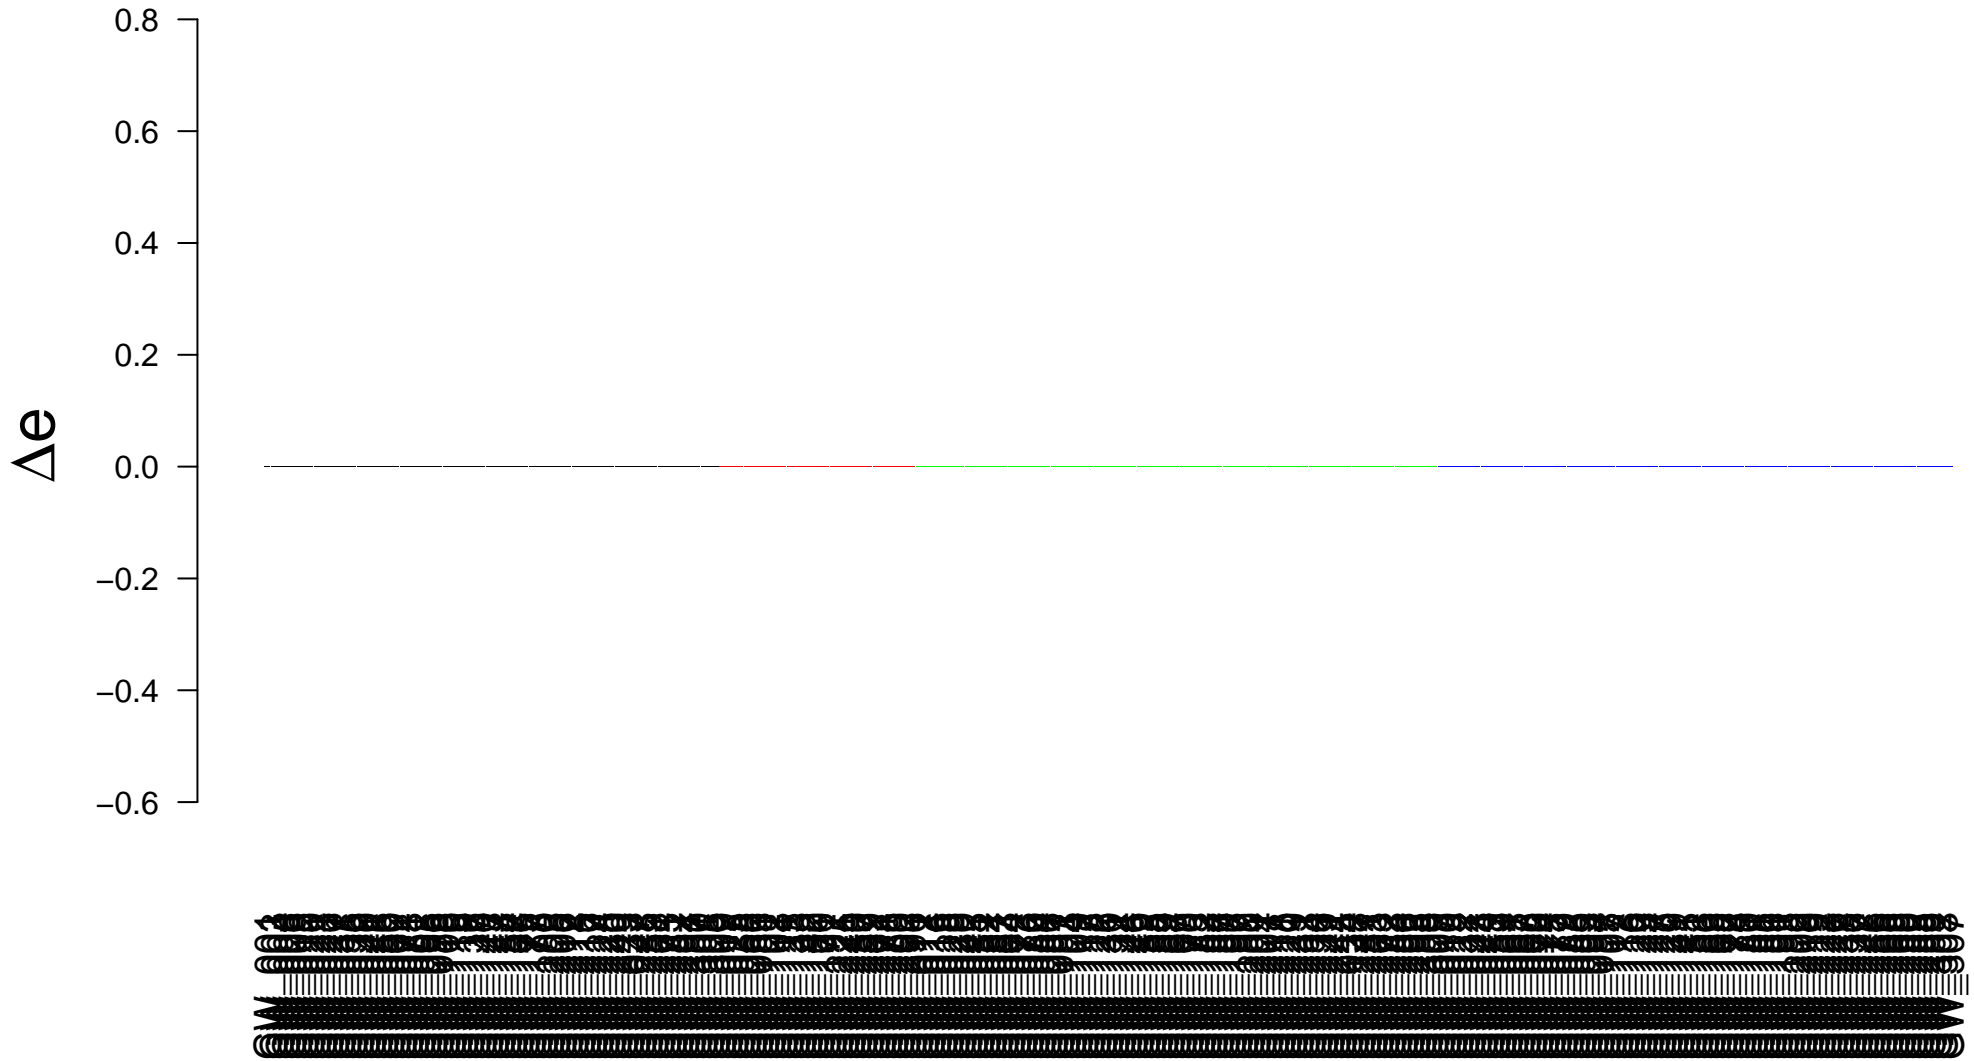

Δe

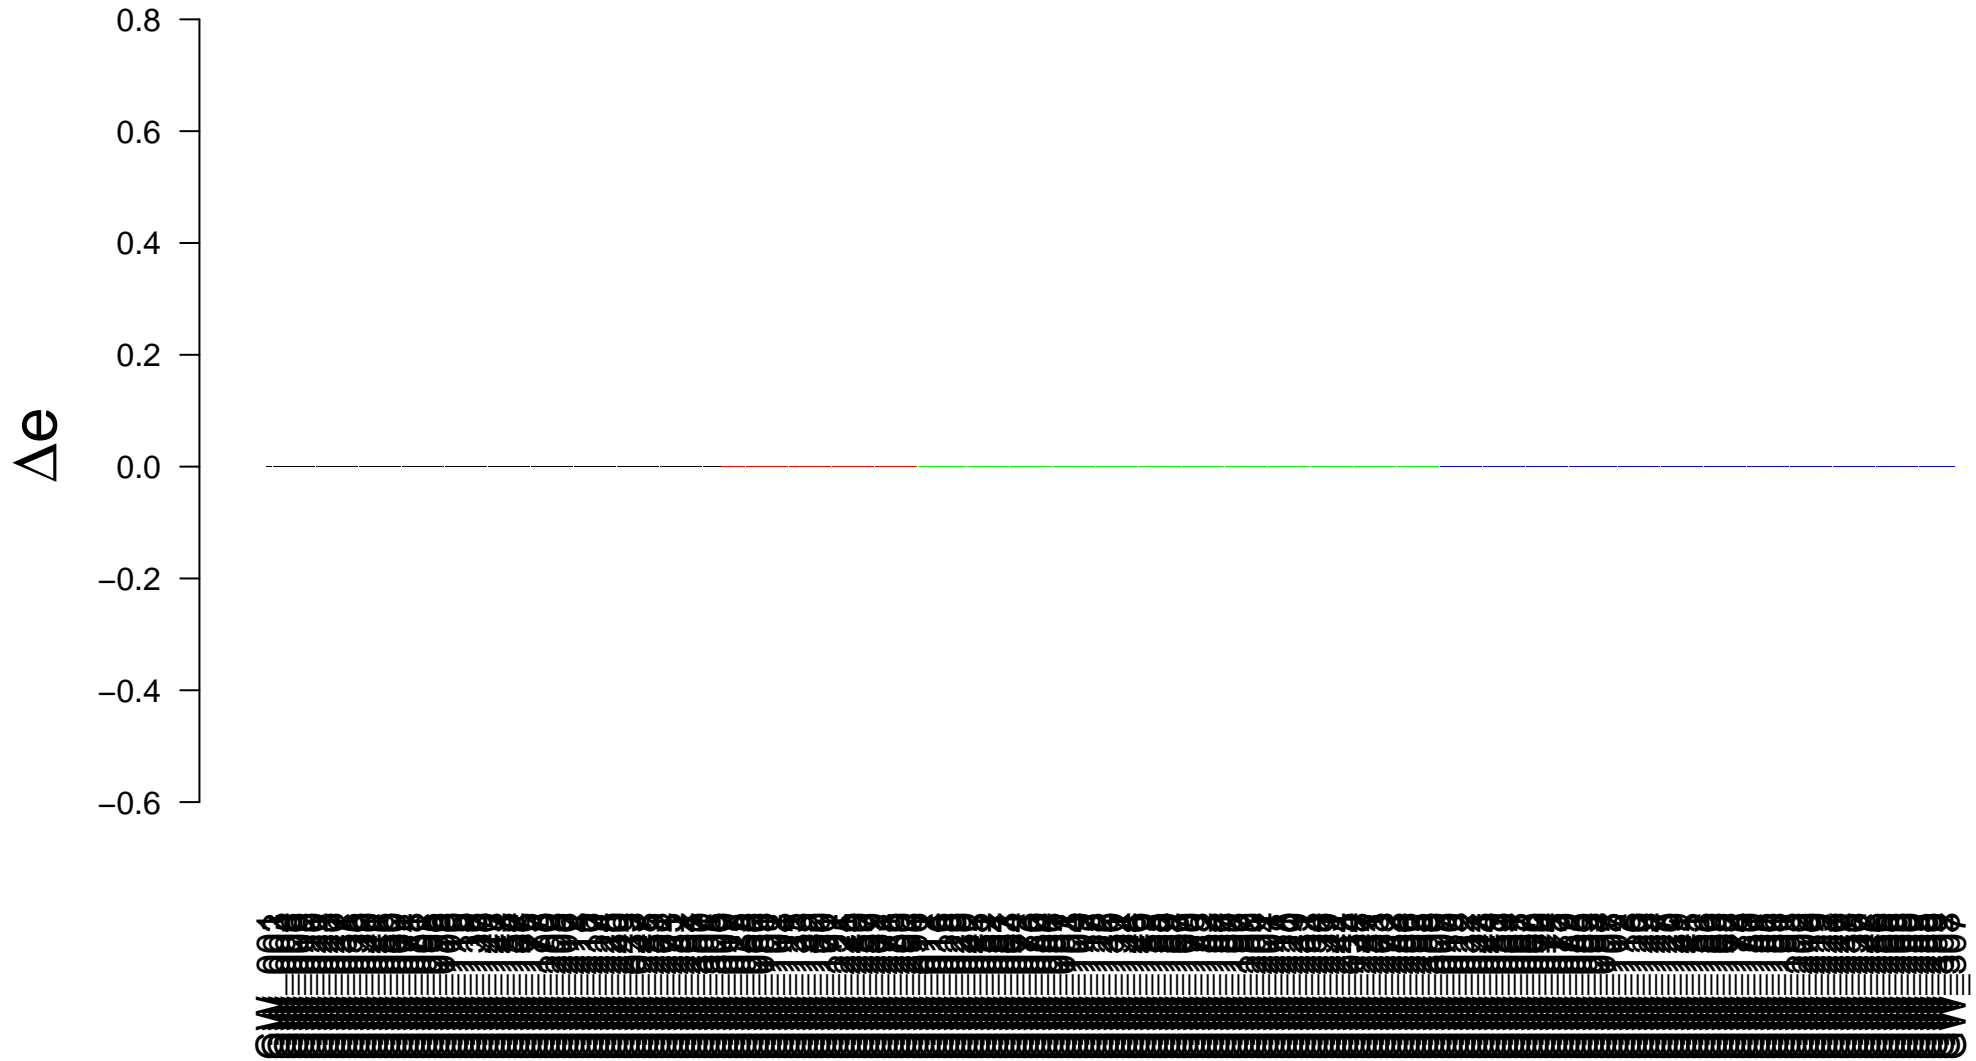

Expression of DNA-dependent ATPase activity in Spot C

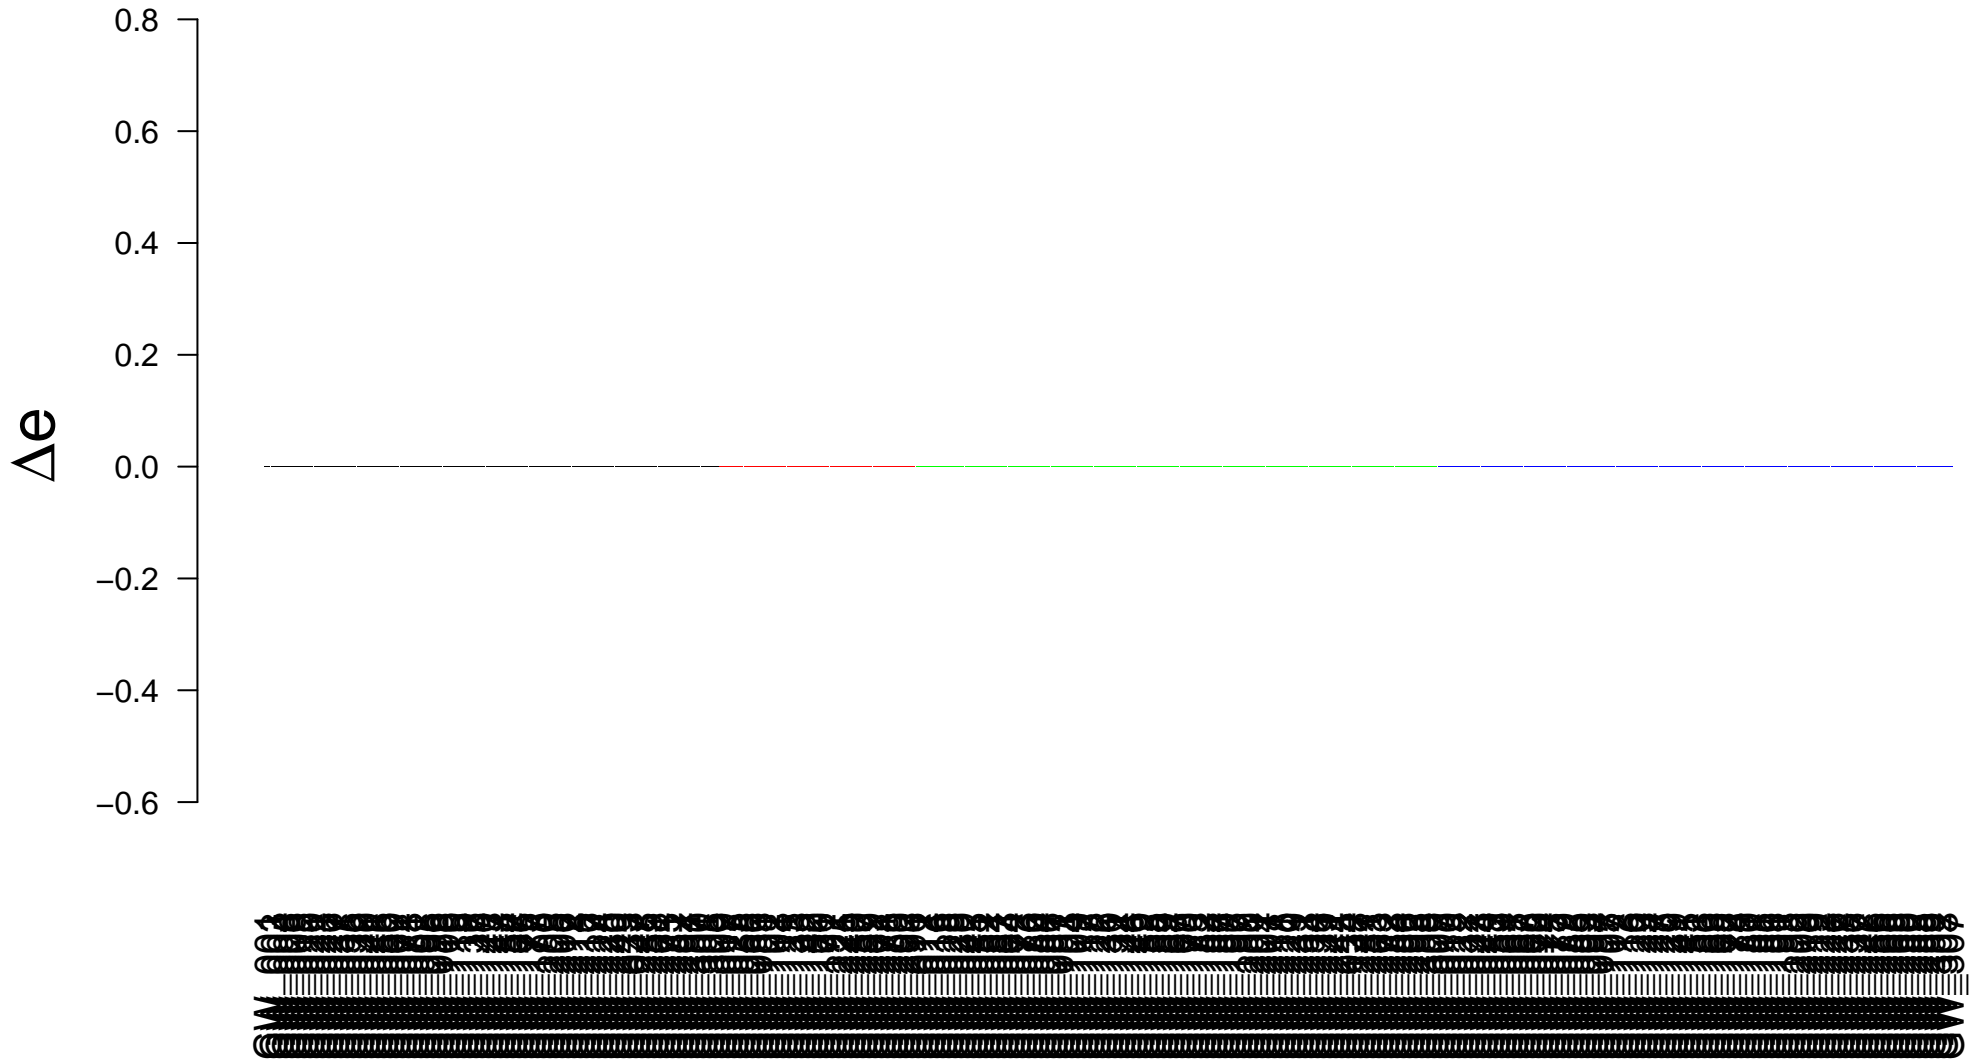

Expression of DNA-dependent ATPase activity in Spot D

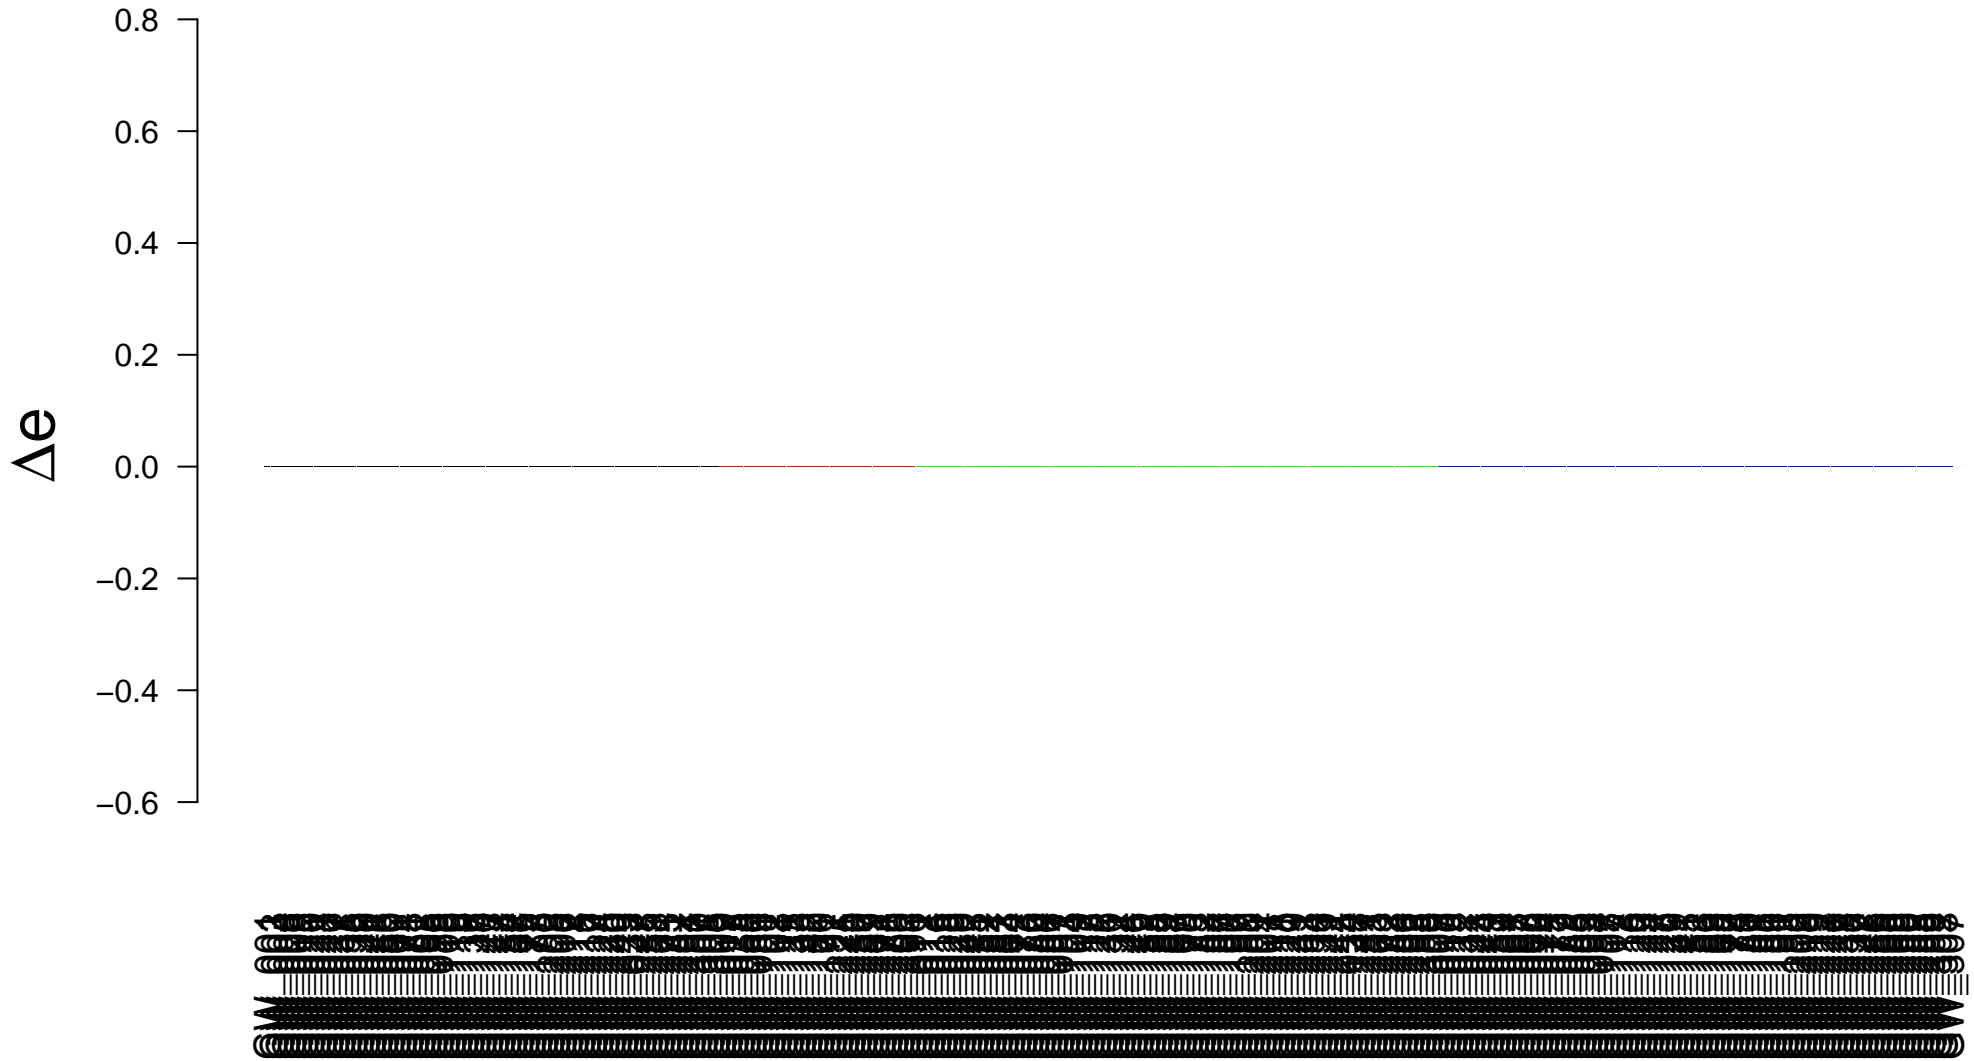

Expression of DNA-dependent ATPase activity in Spot E

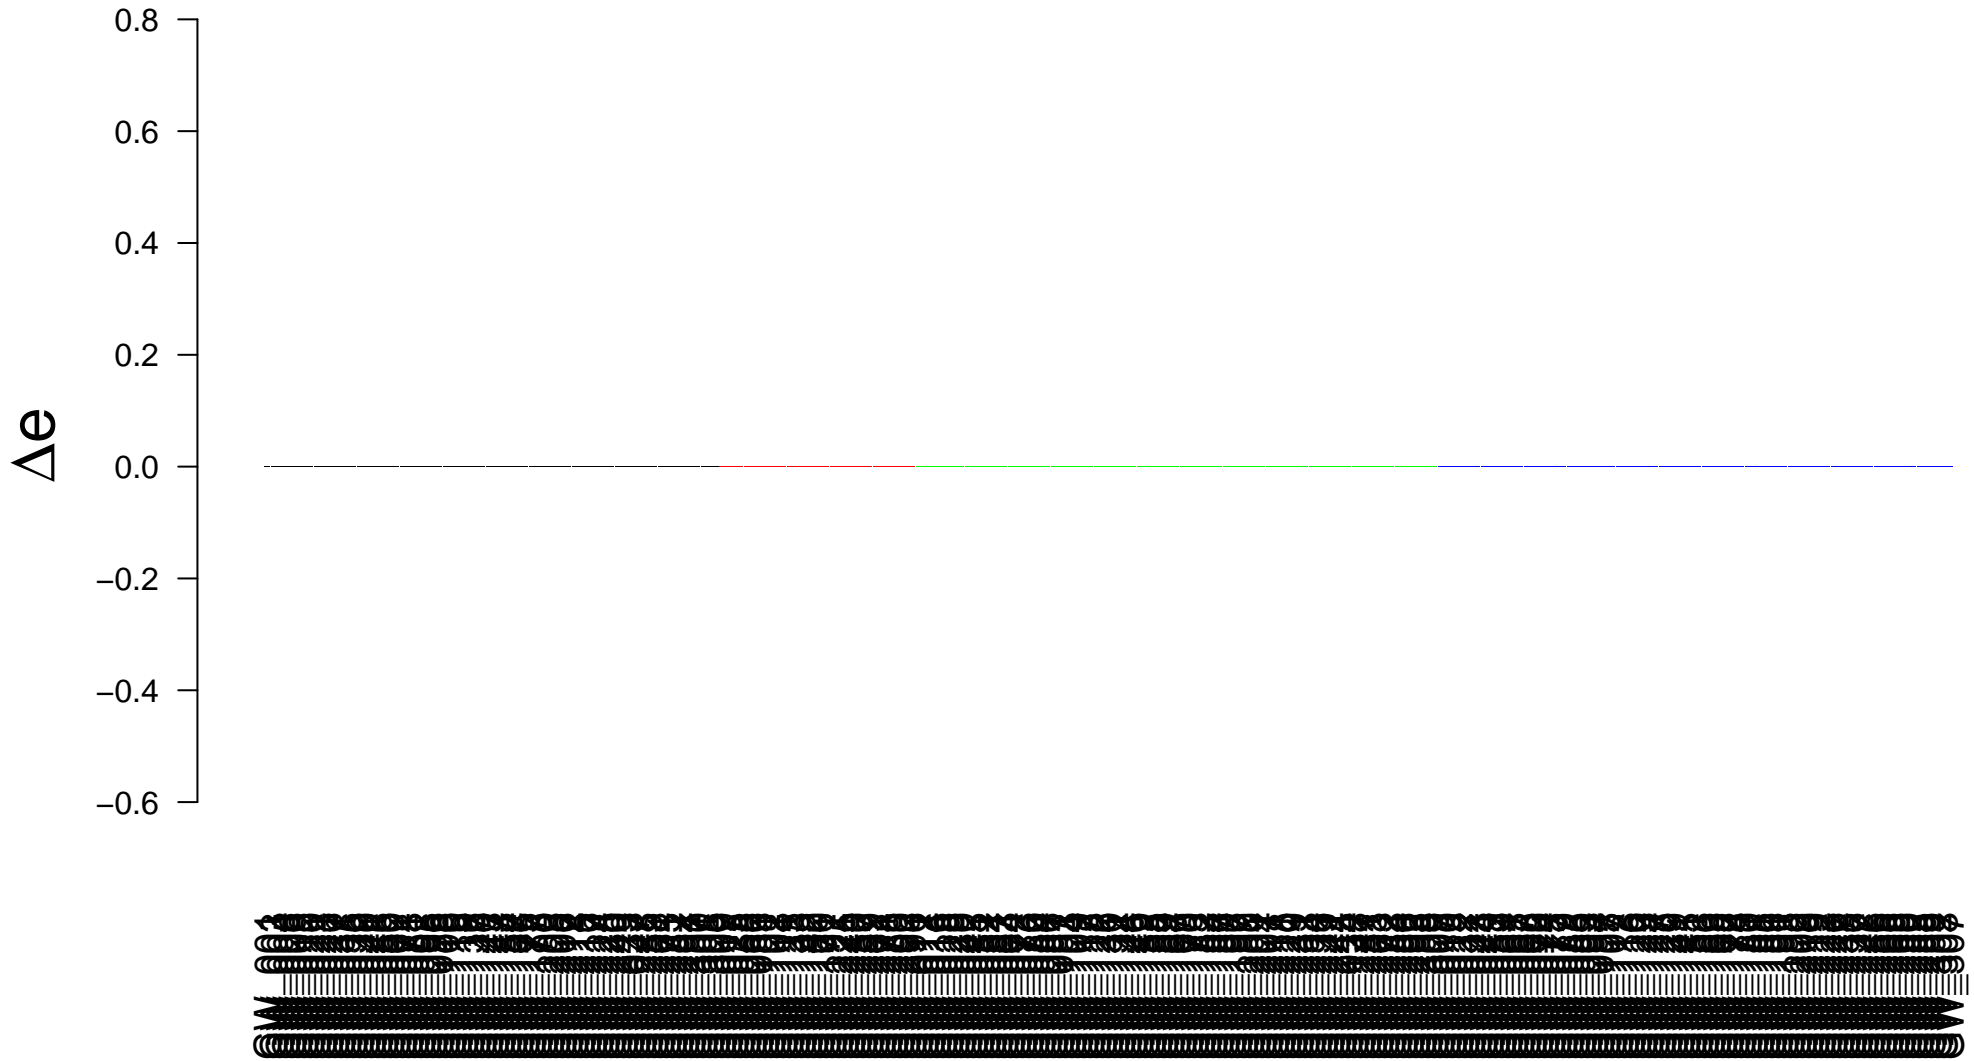

Expression of DNA-dependent ATPase activity in Spot F

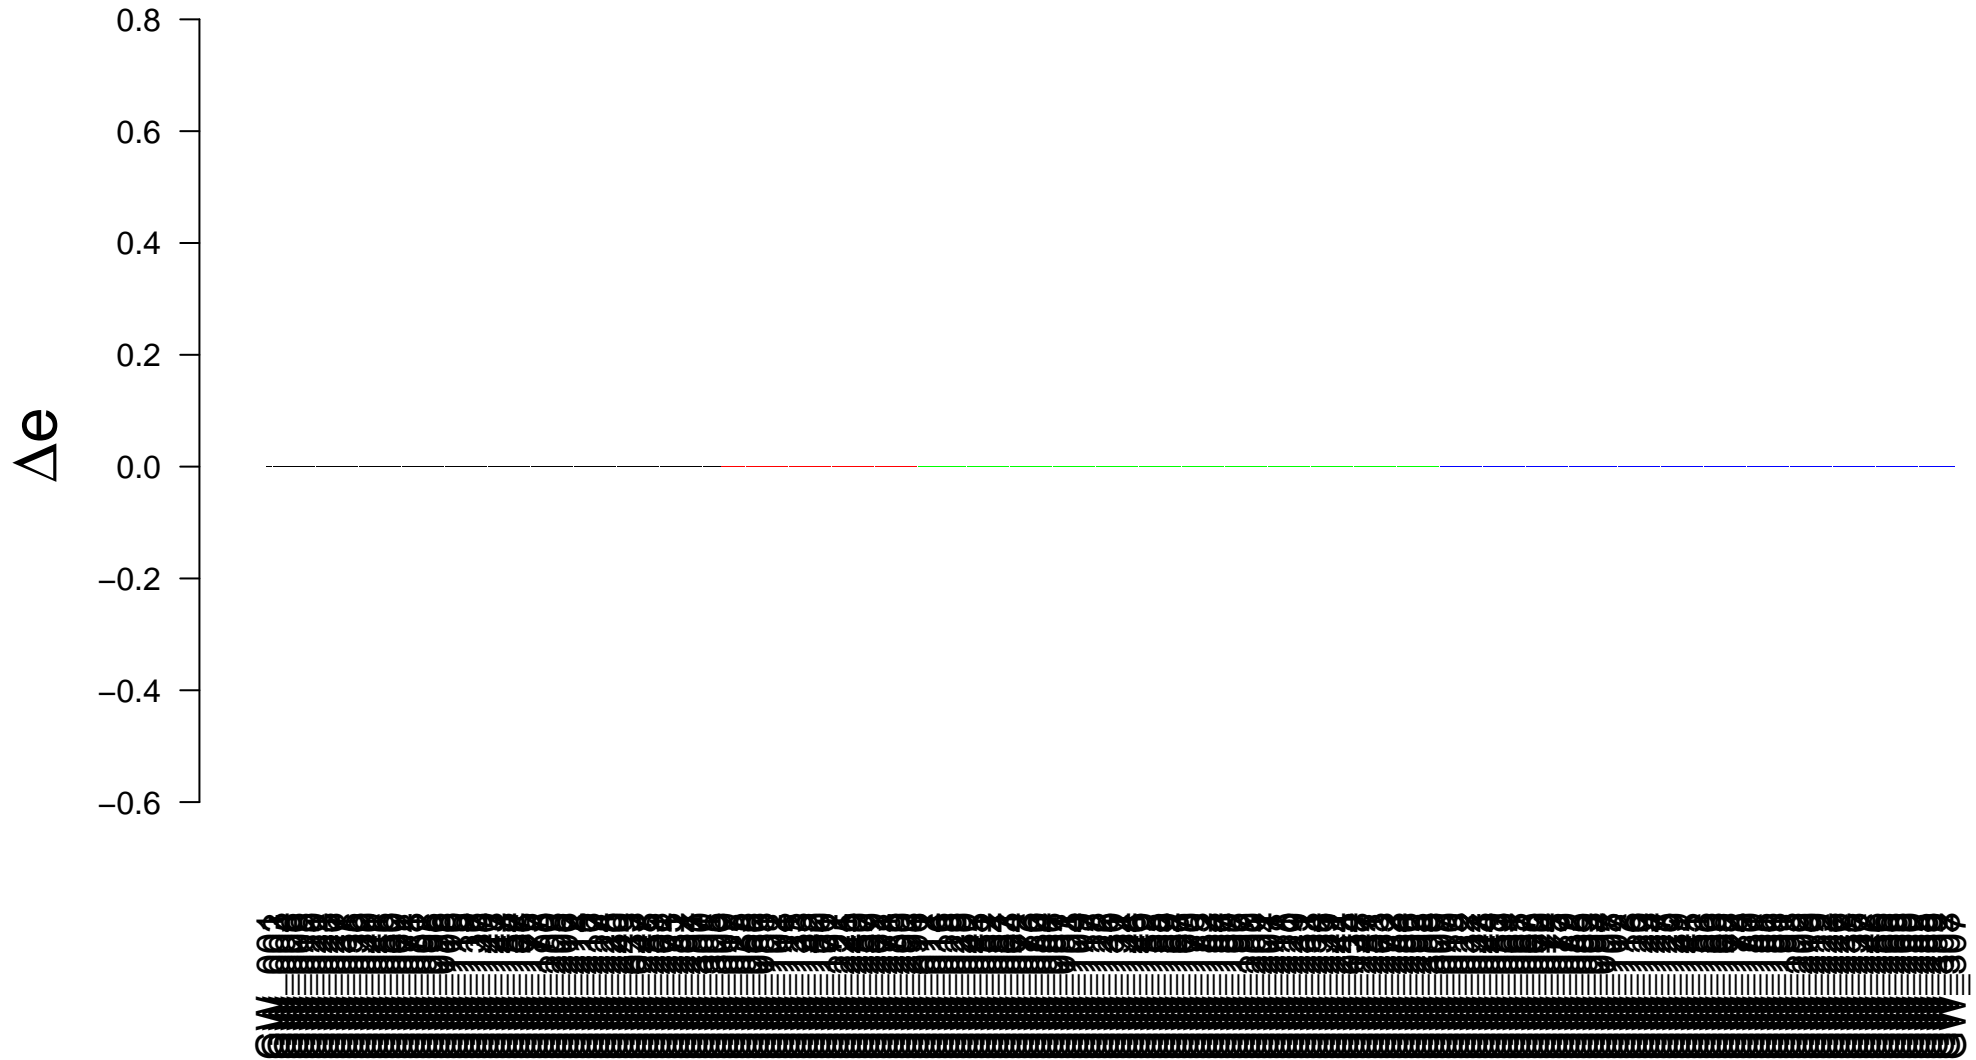

Expression of DNA-dependent ATPase activity in Spot G

Expression of DNA-dependent ATPase activity in Spot H

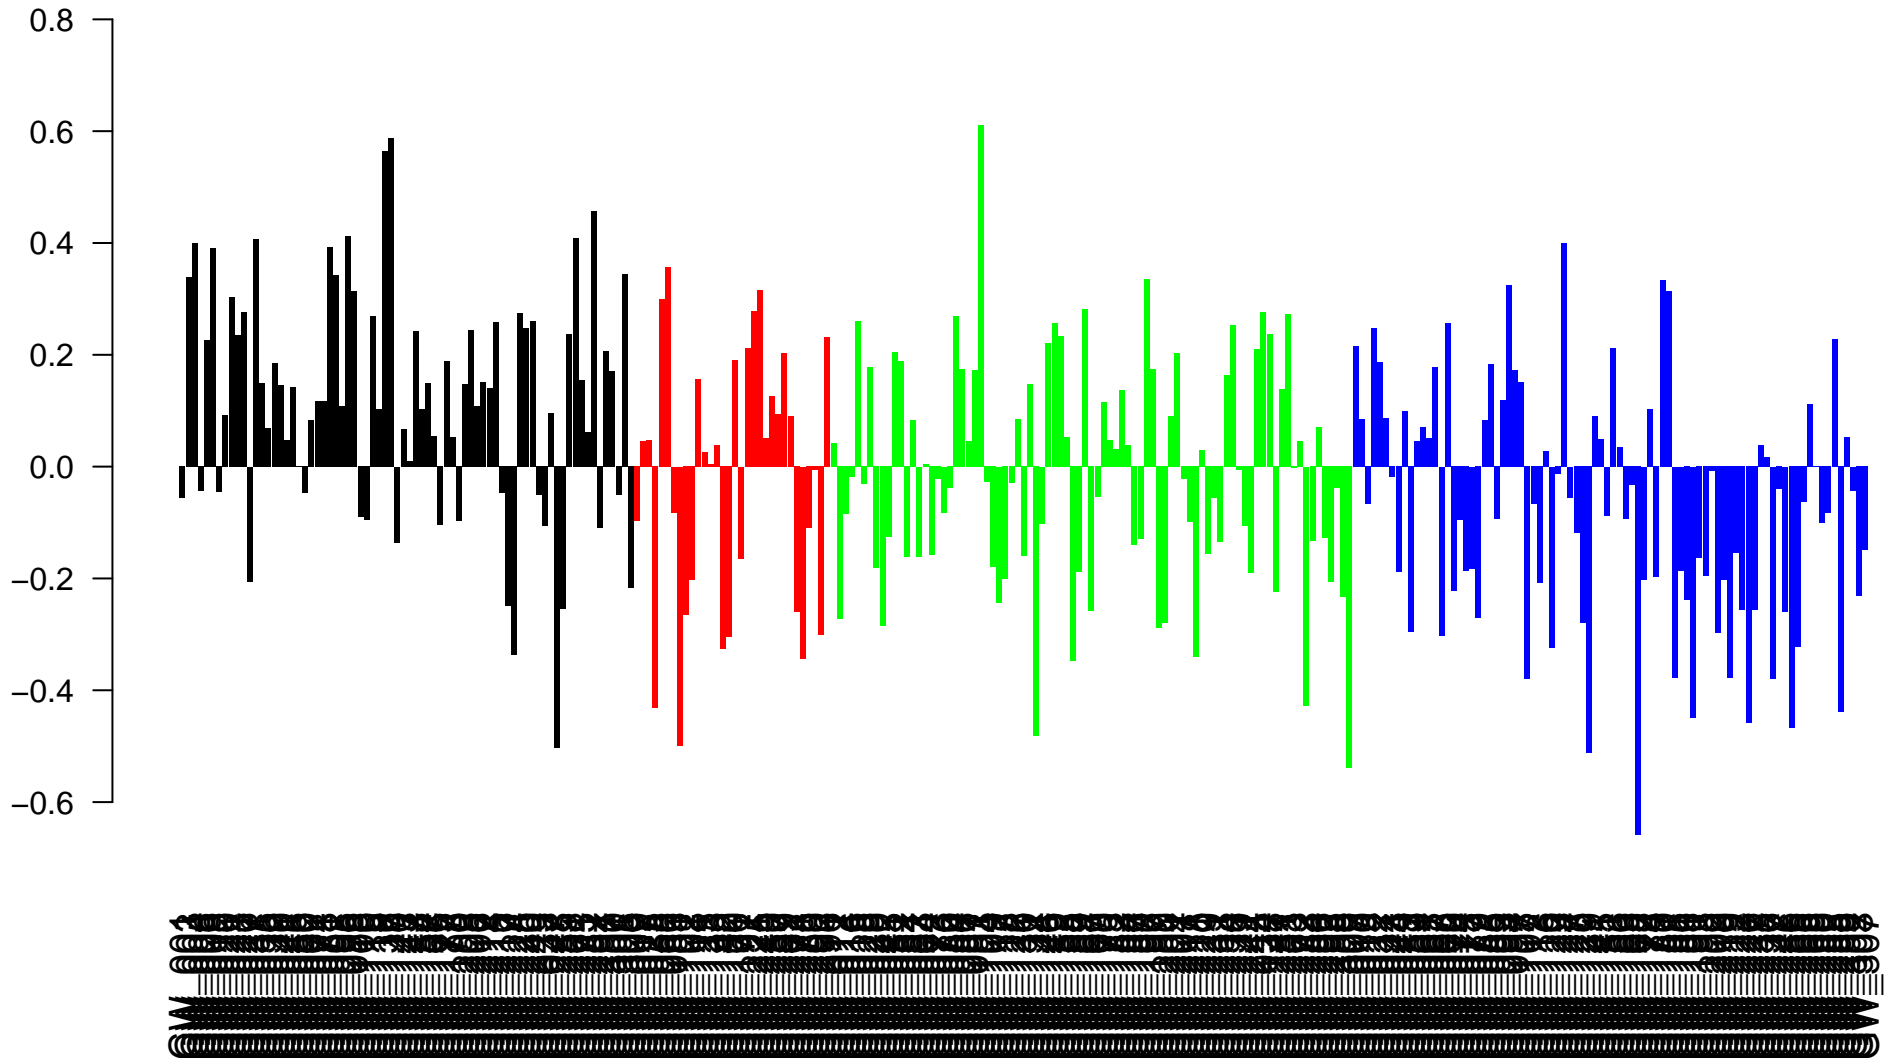

Expression of DNA-dependent ATPase activity in Spot I

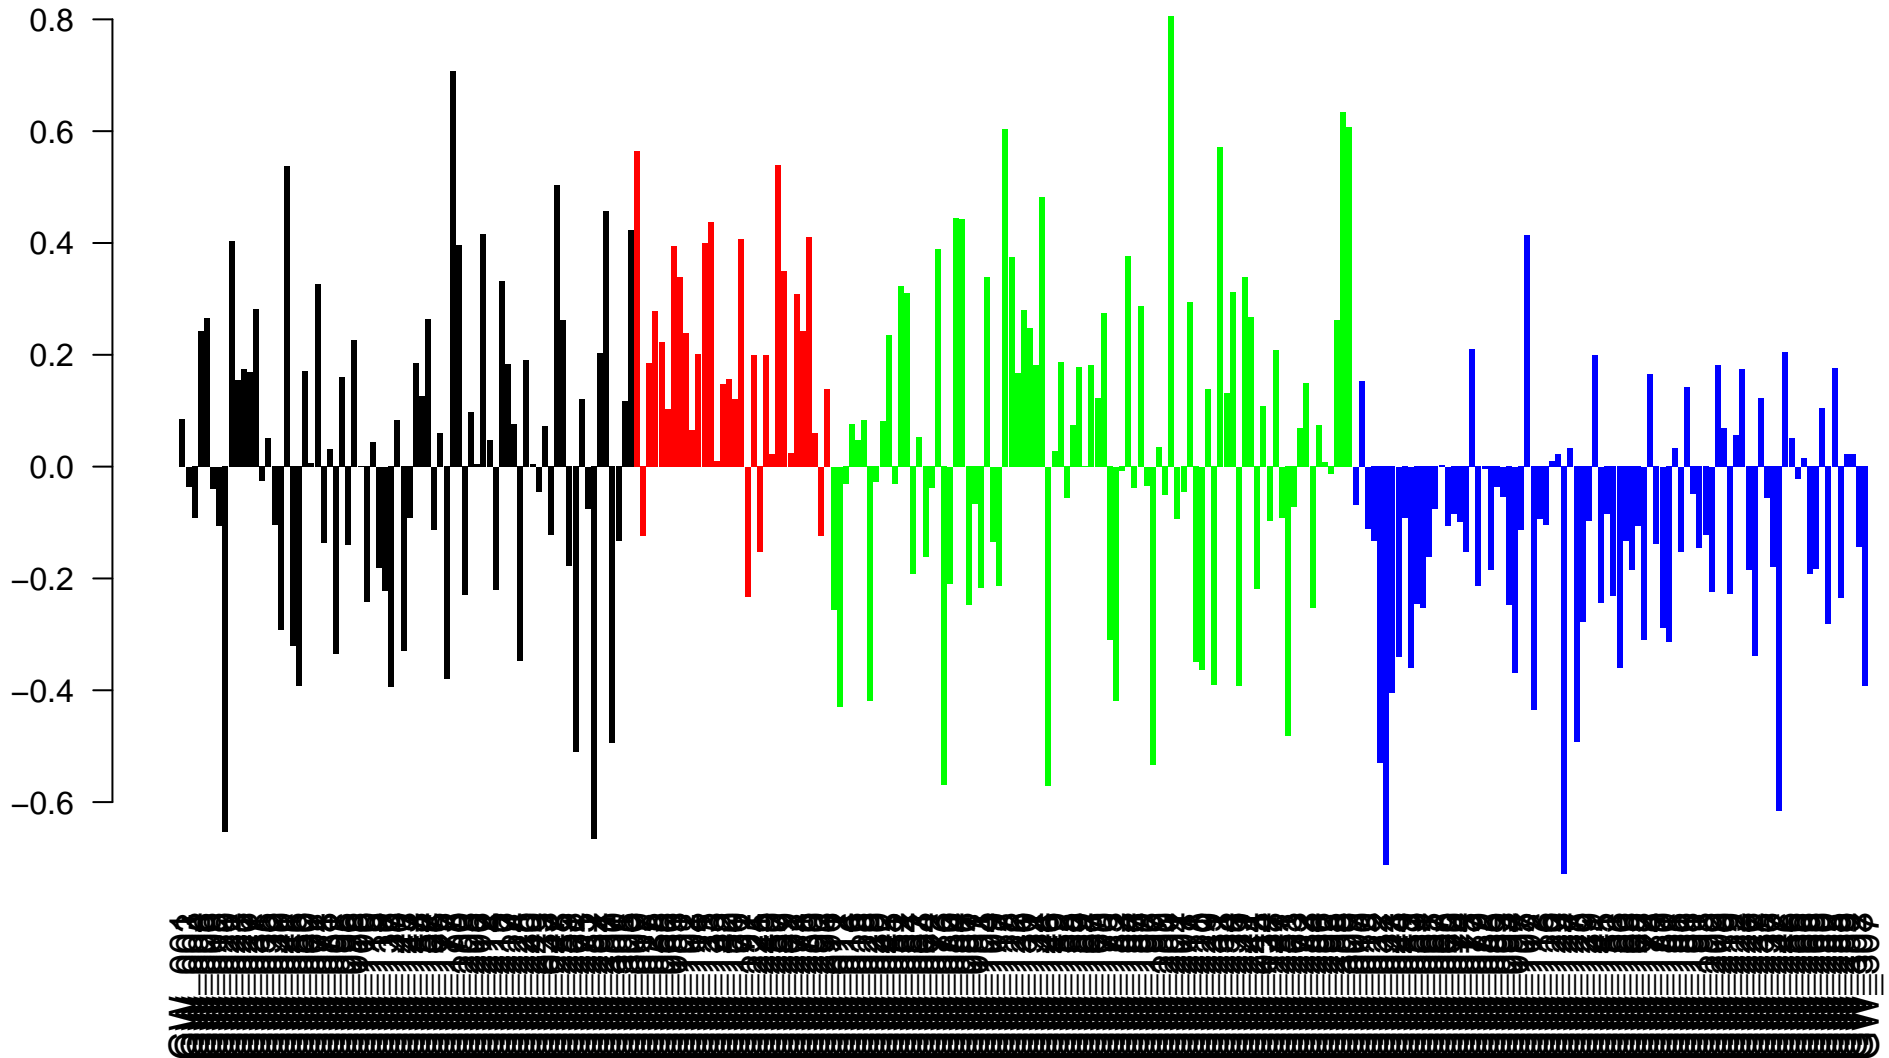

Expression of DNA-dependent ATPase activity in Spot J

Δe

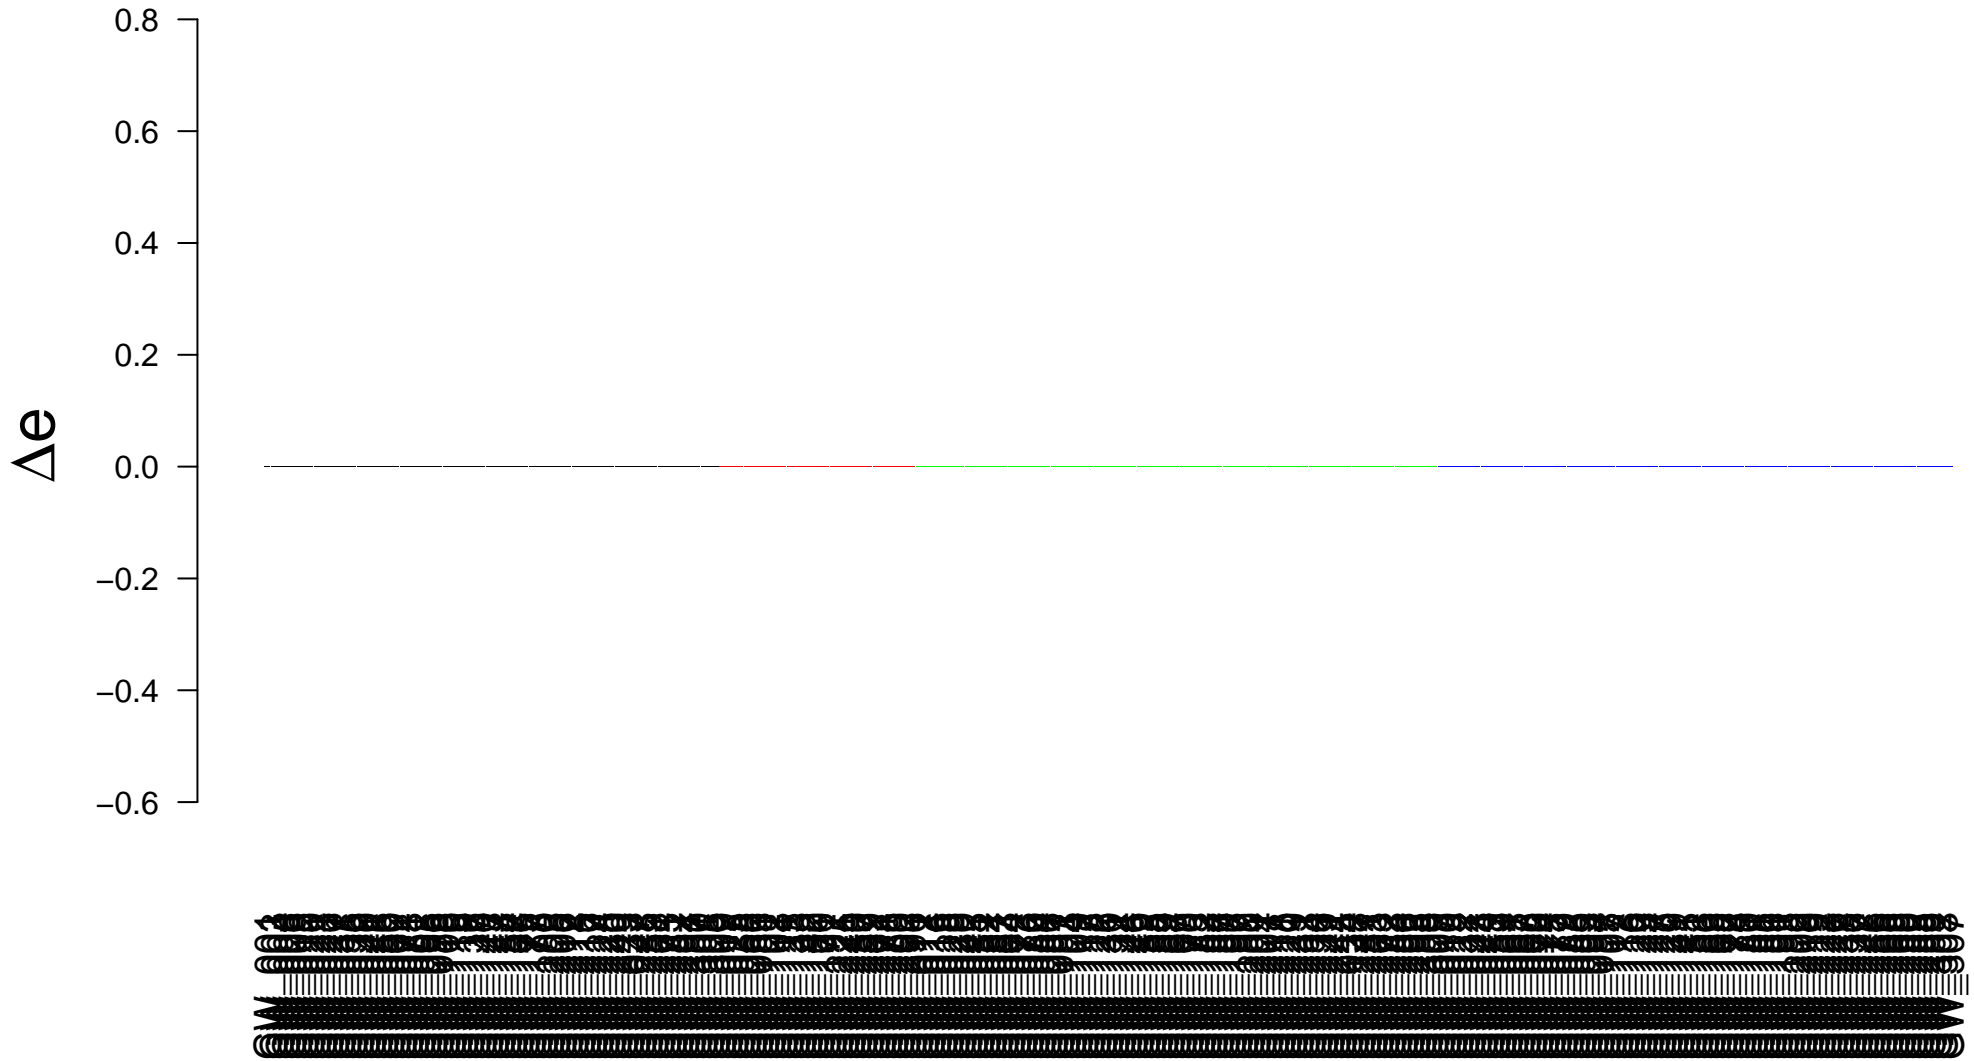

Expression of DNA-dependent ATPase activity in Spot K

Δe

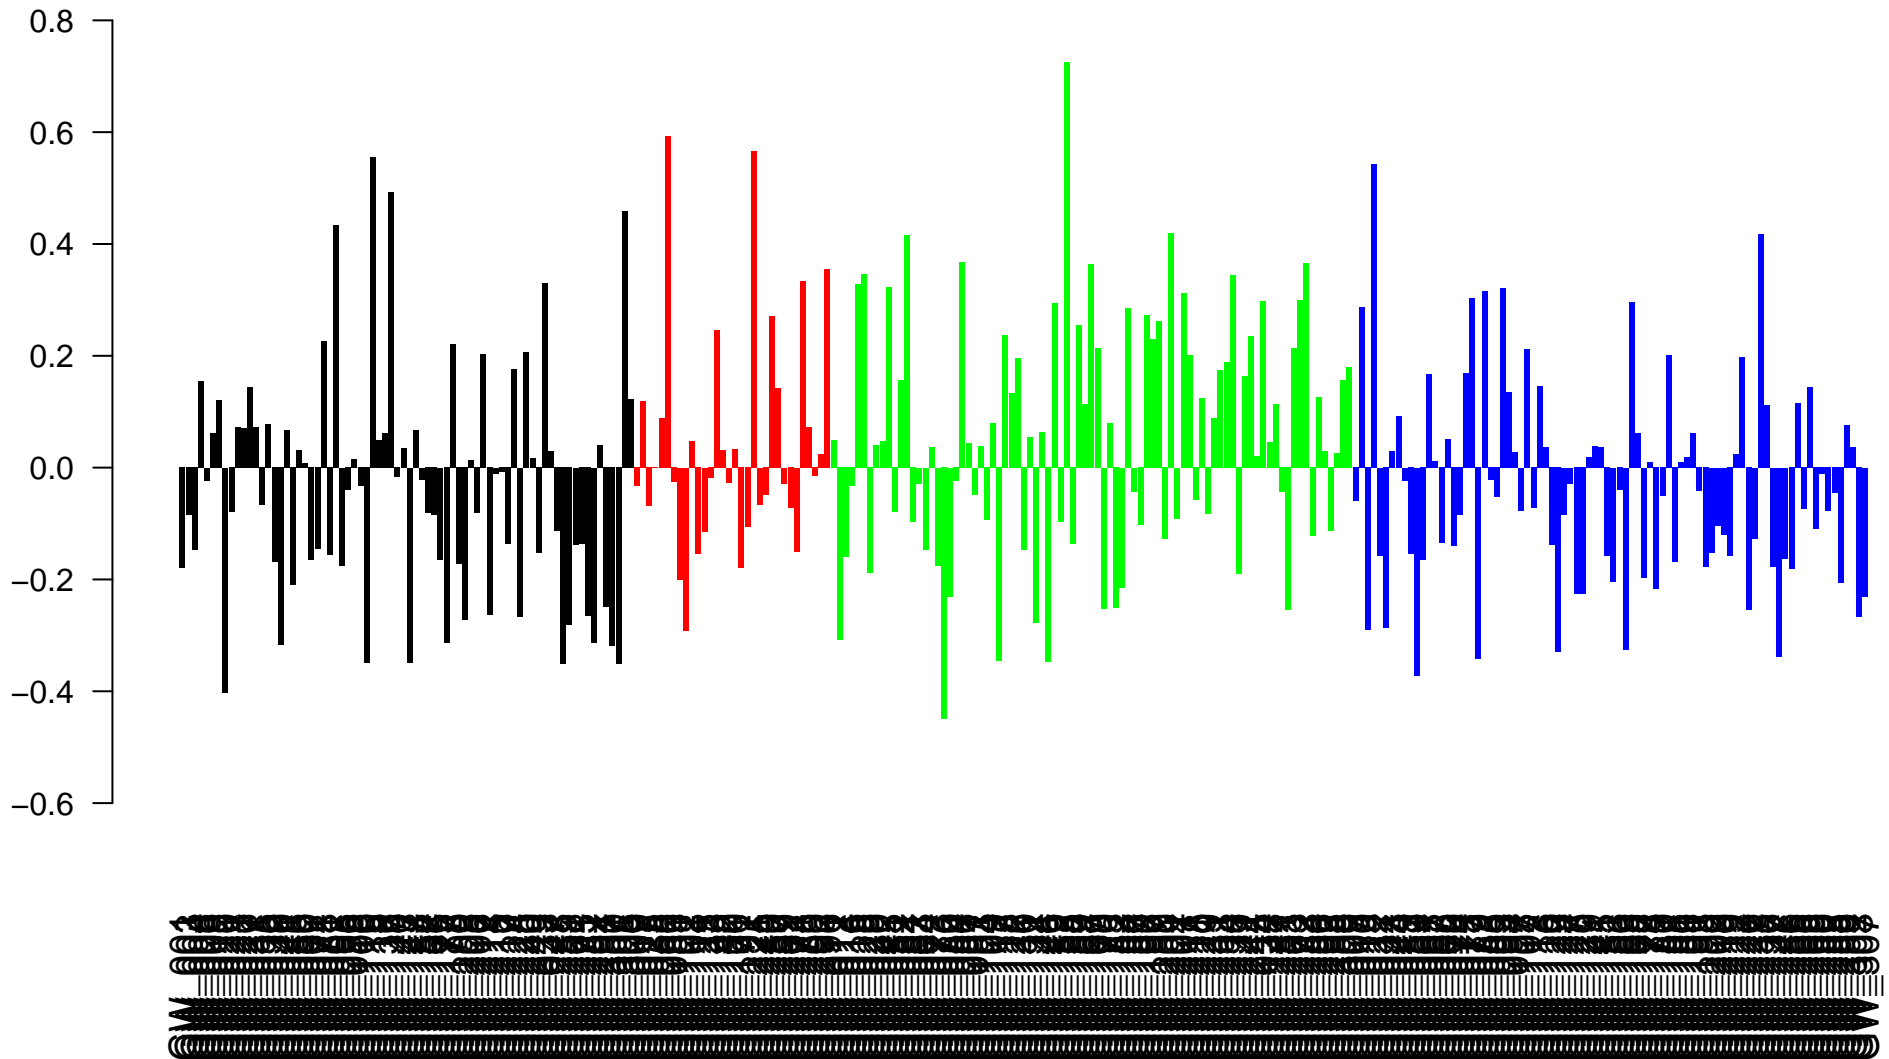

Expression of DNA-dependent ATPase activity in Spot L

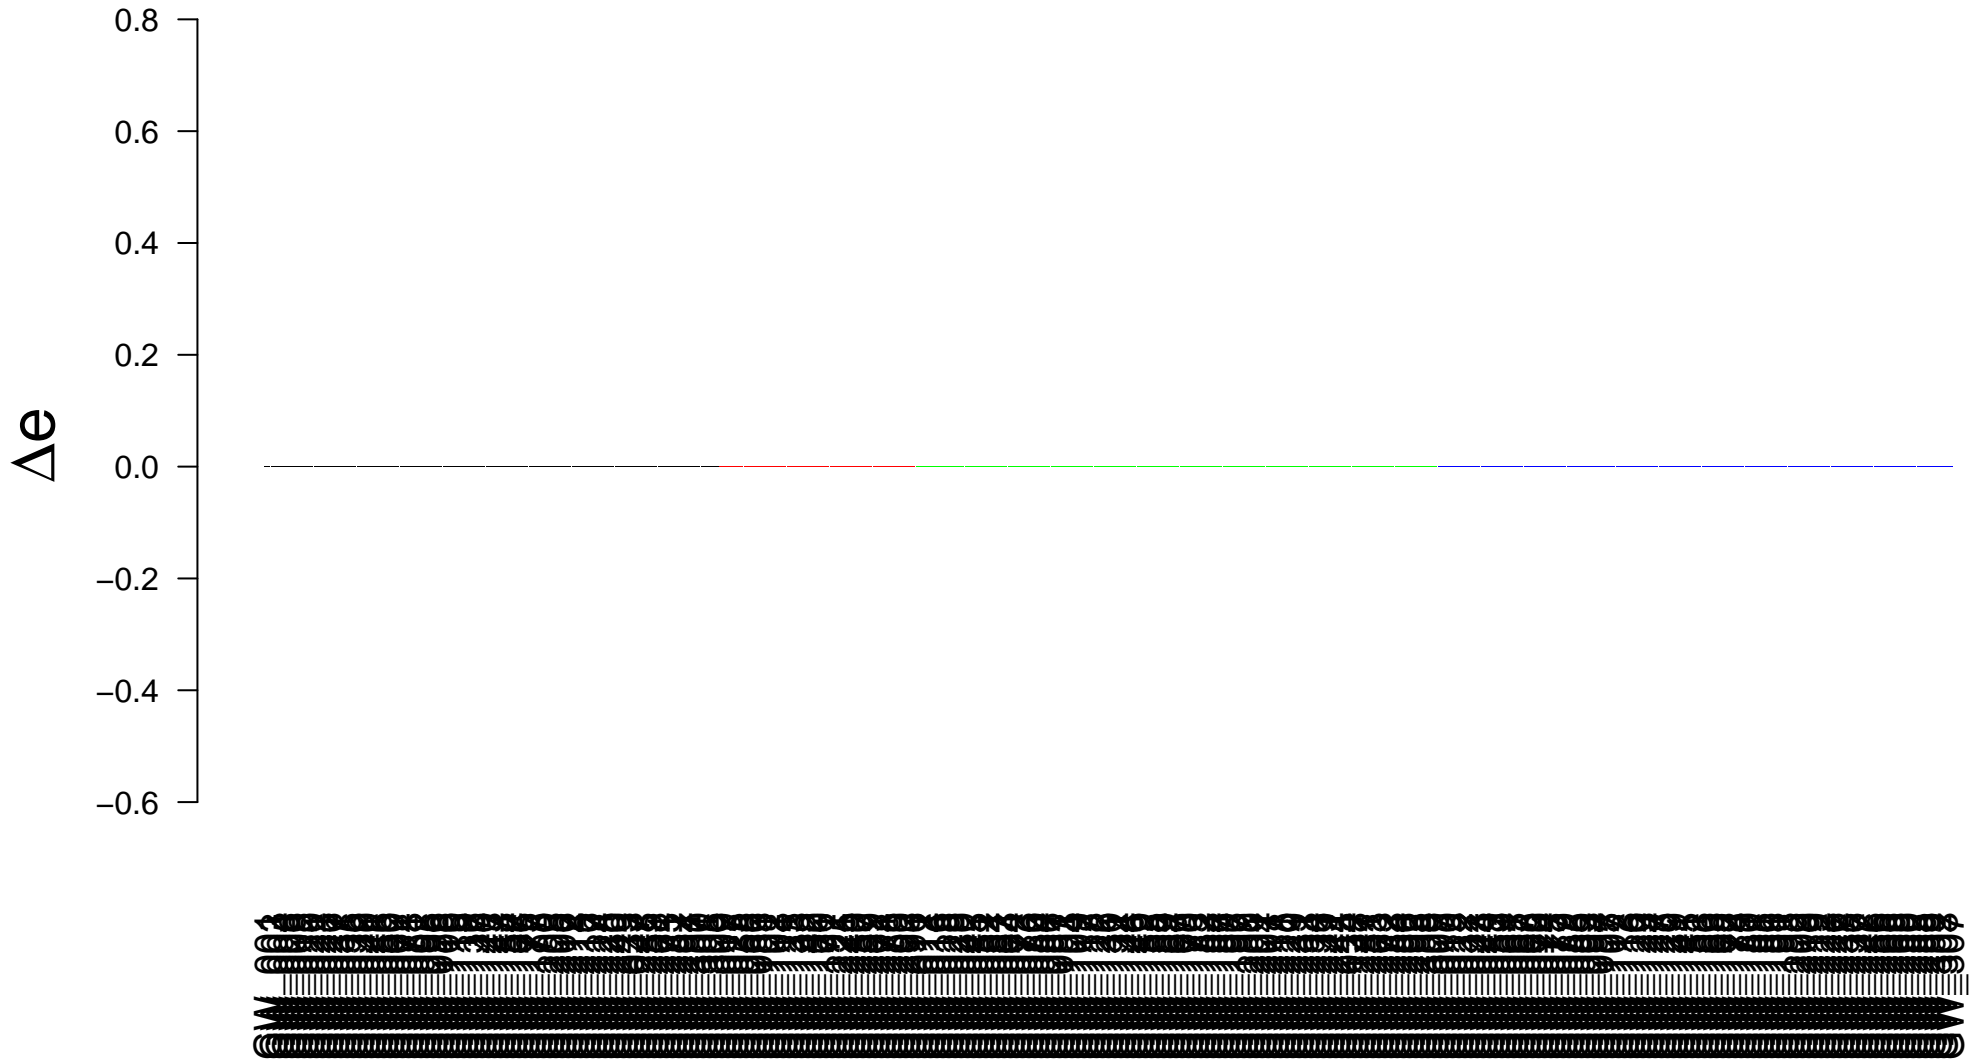

Expression of DNA-dependent ATPase activity in Spot M

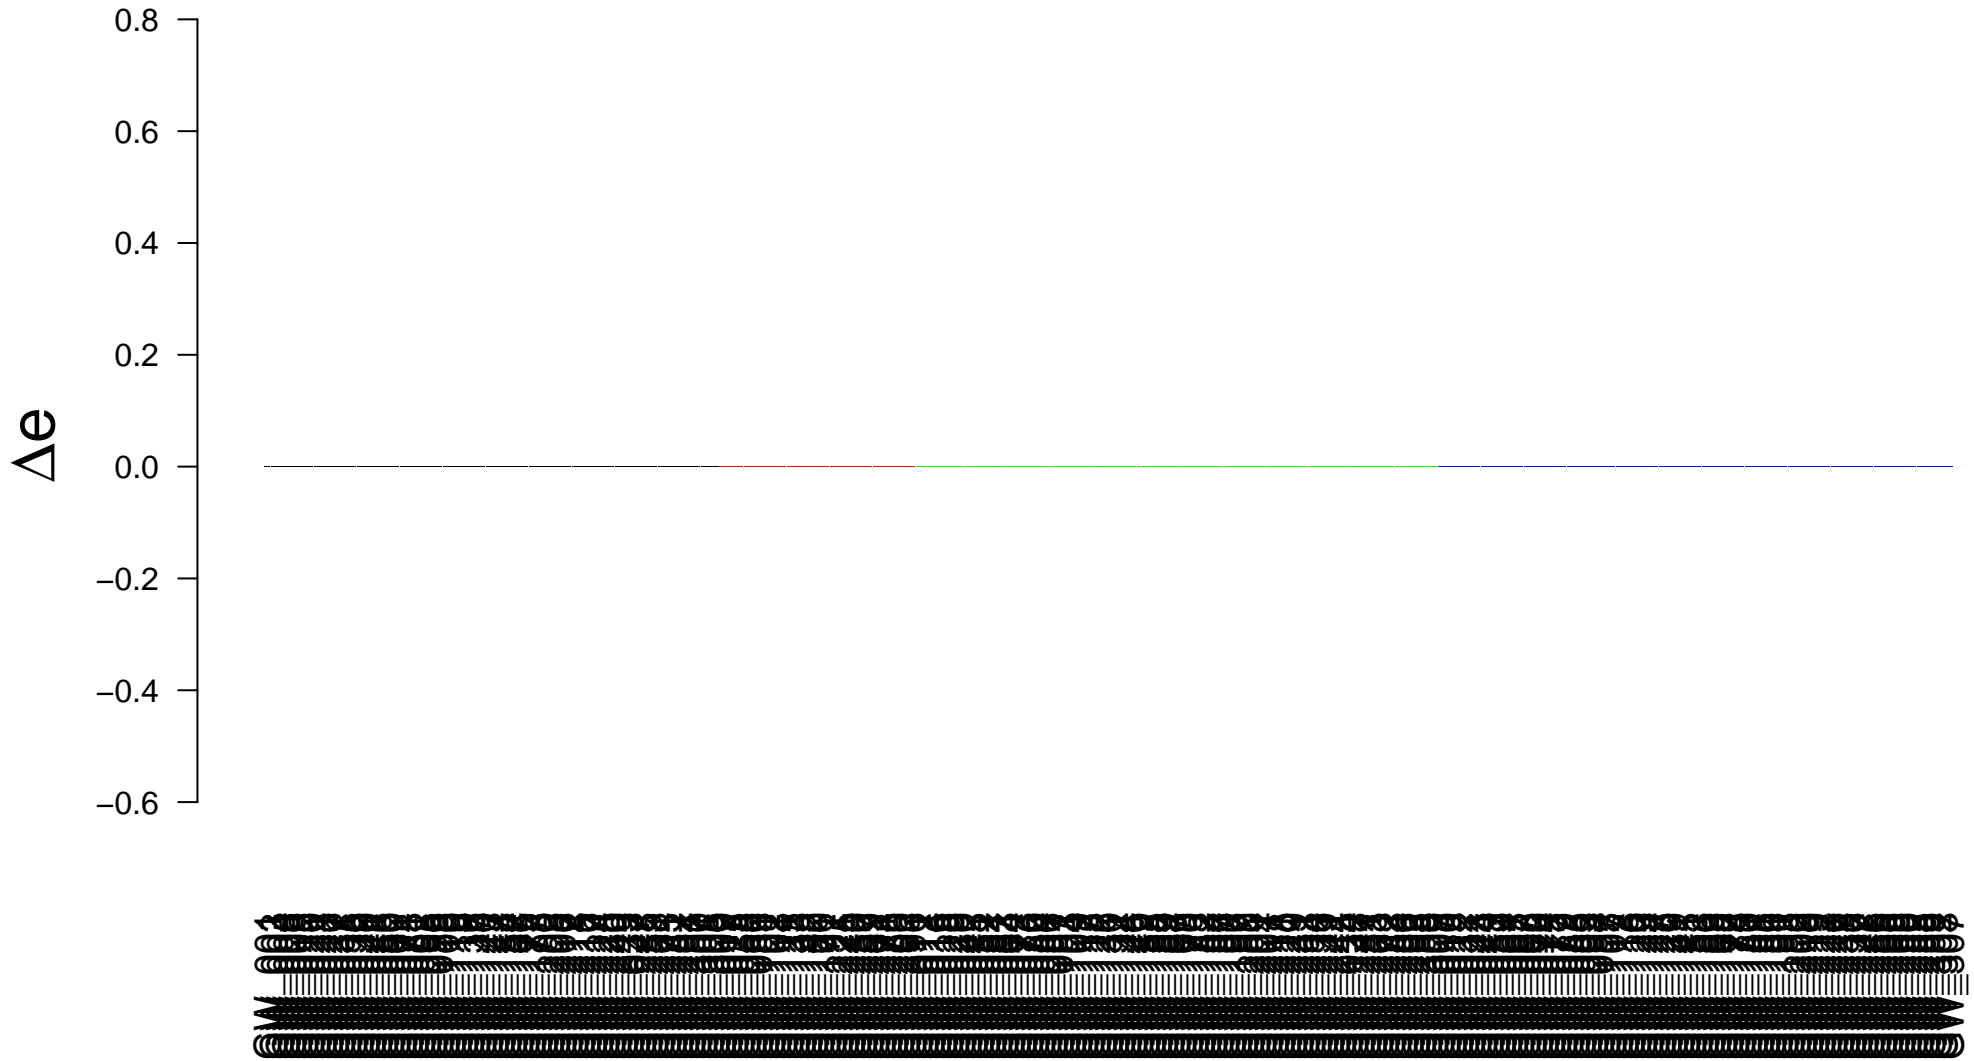

Δe

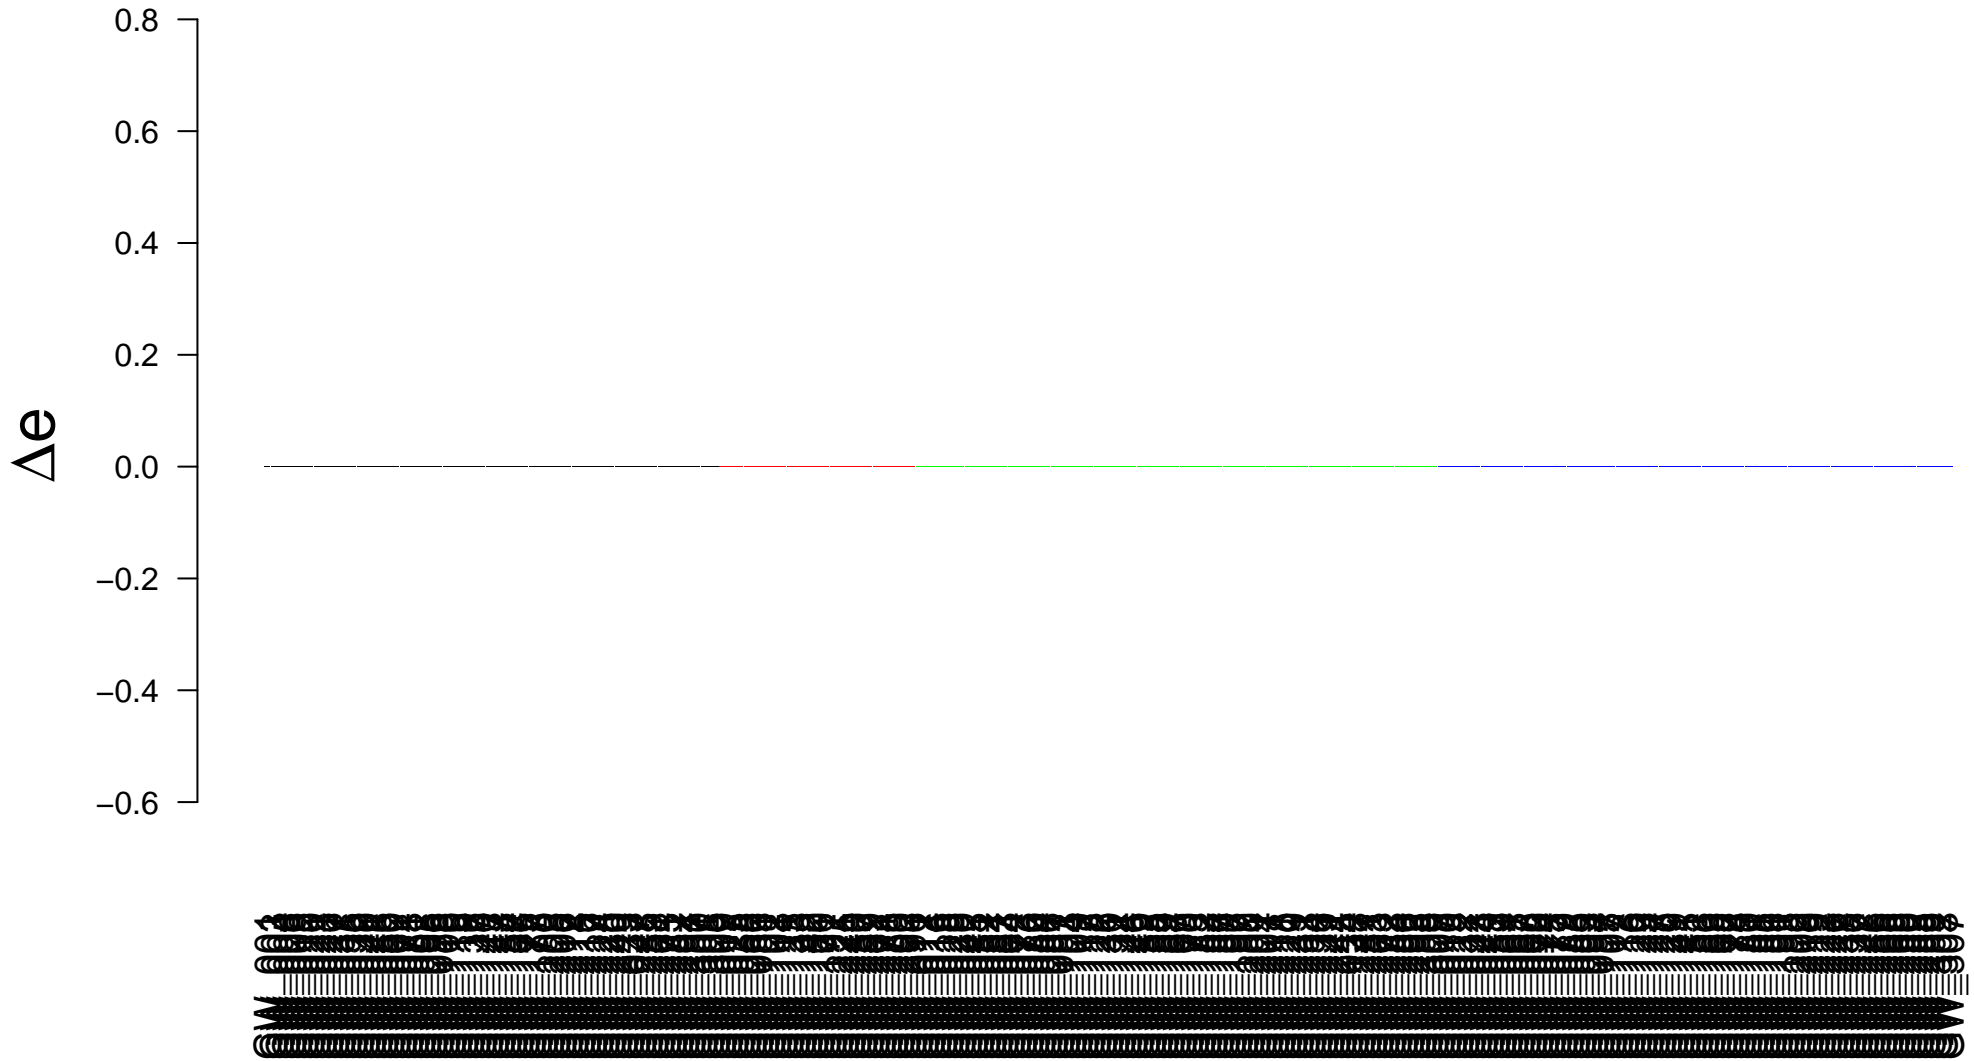

Expression of DNA-dependent ATPase activity in Spot N

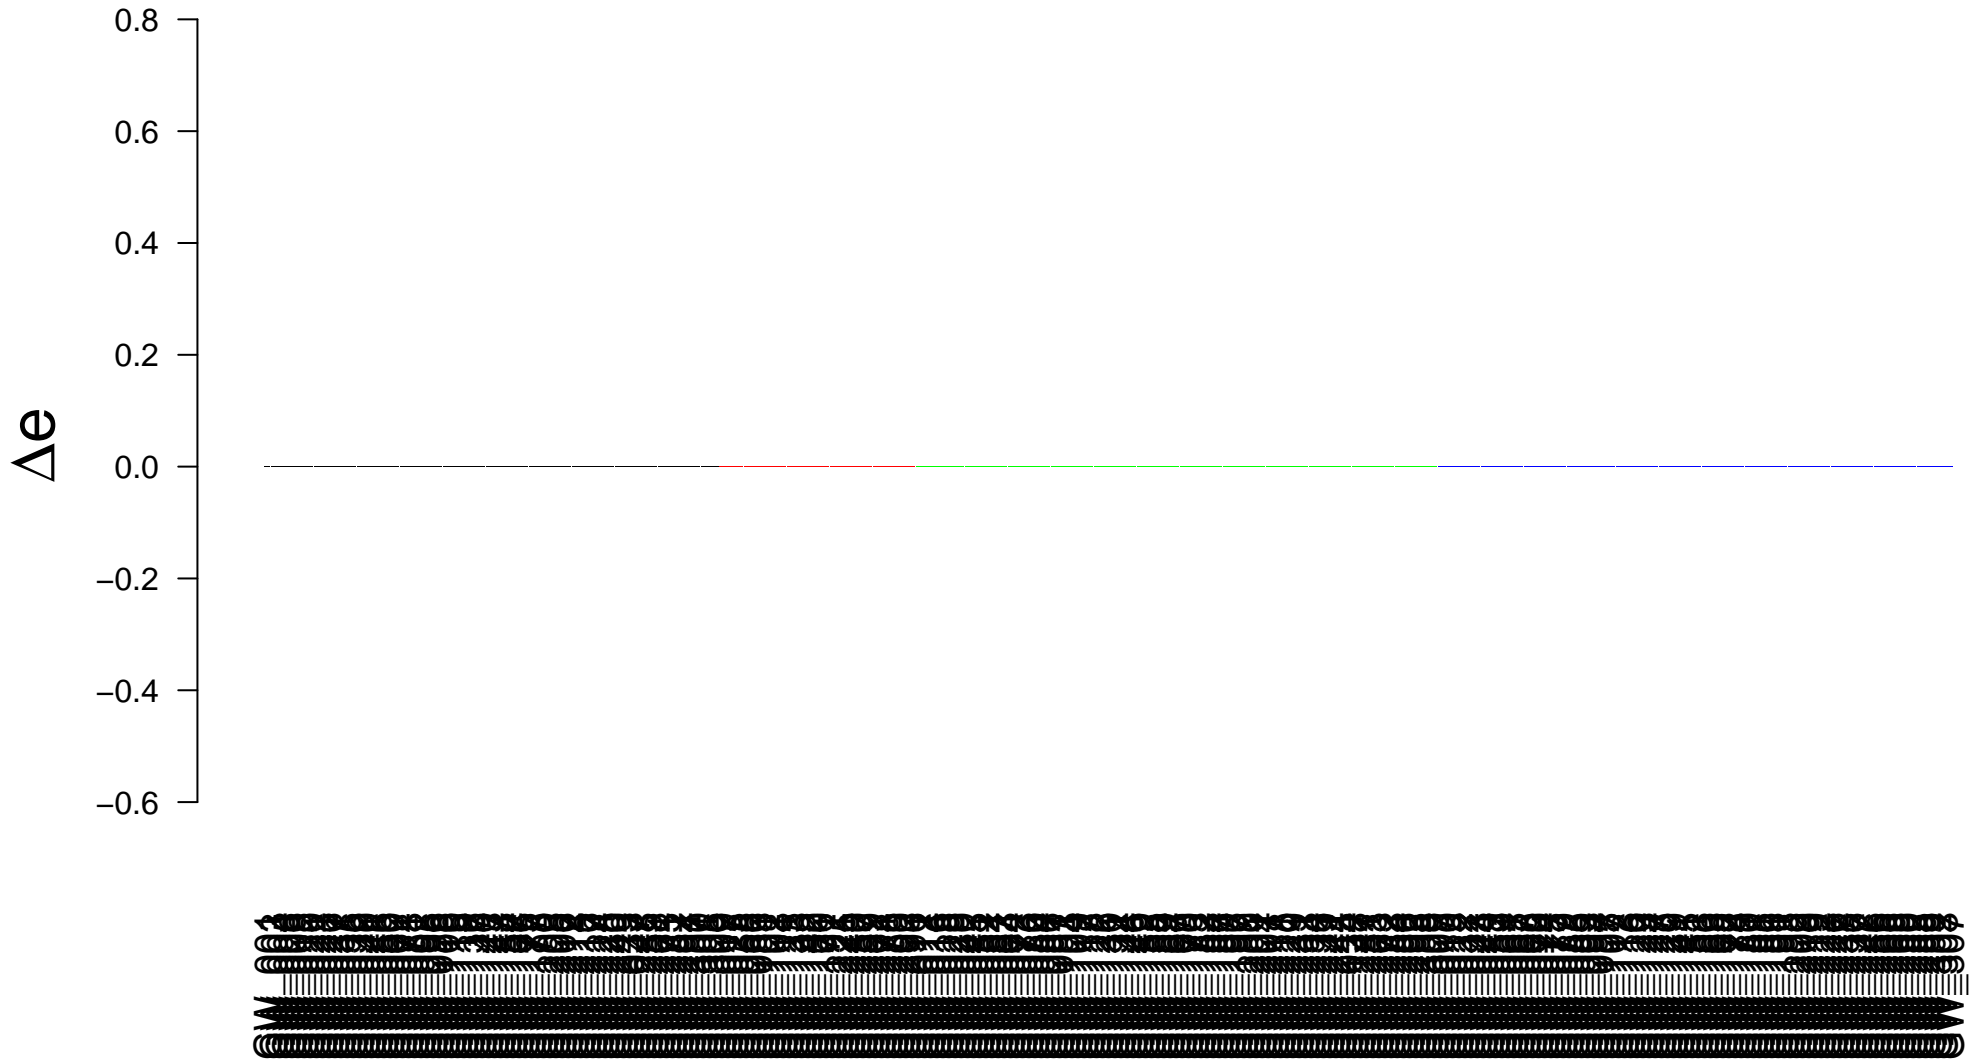

Expression of DNA-dependent ATPase activity in Spot O

Expression of DNA-dependent ATPase activity in Spot P

Expression of DNA-dependent ATPase activity in Spot Q

Expression of DNA-dependent ATPase activity in Spot R

Δe
