

DNA-directed RNA polymerase II, core complex

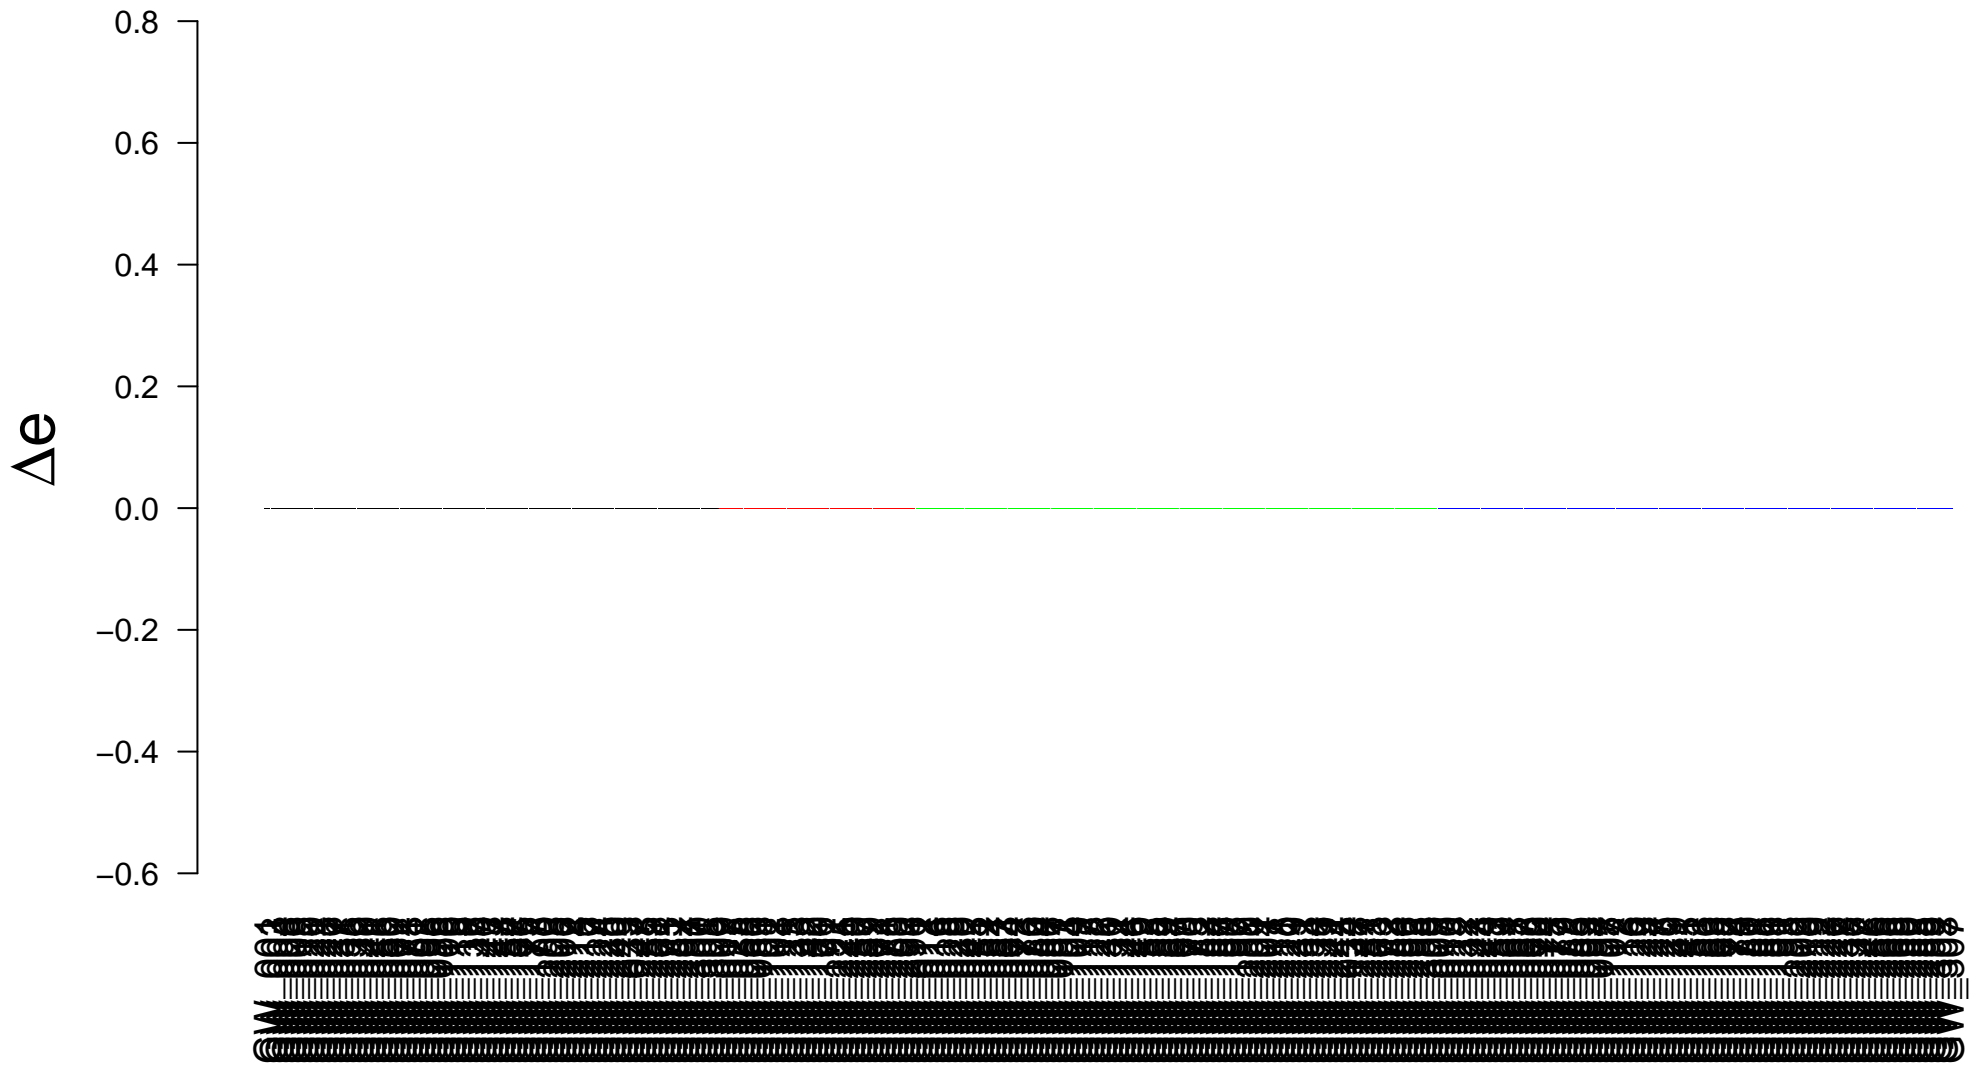

DNA-directed RNA polymerase II, core complex

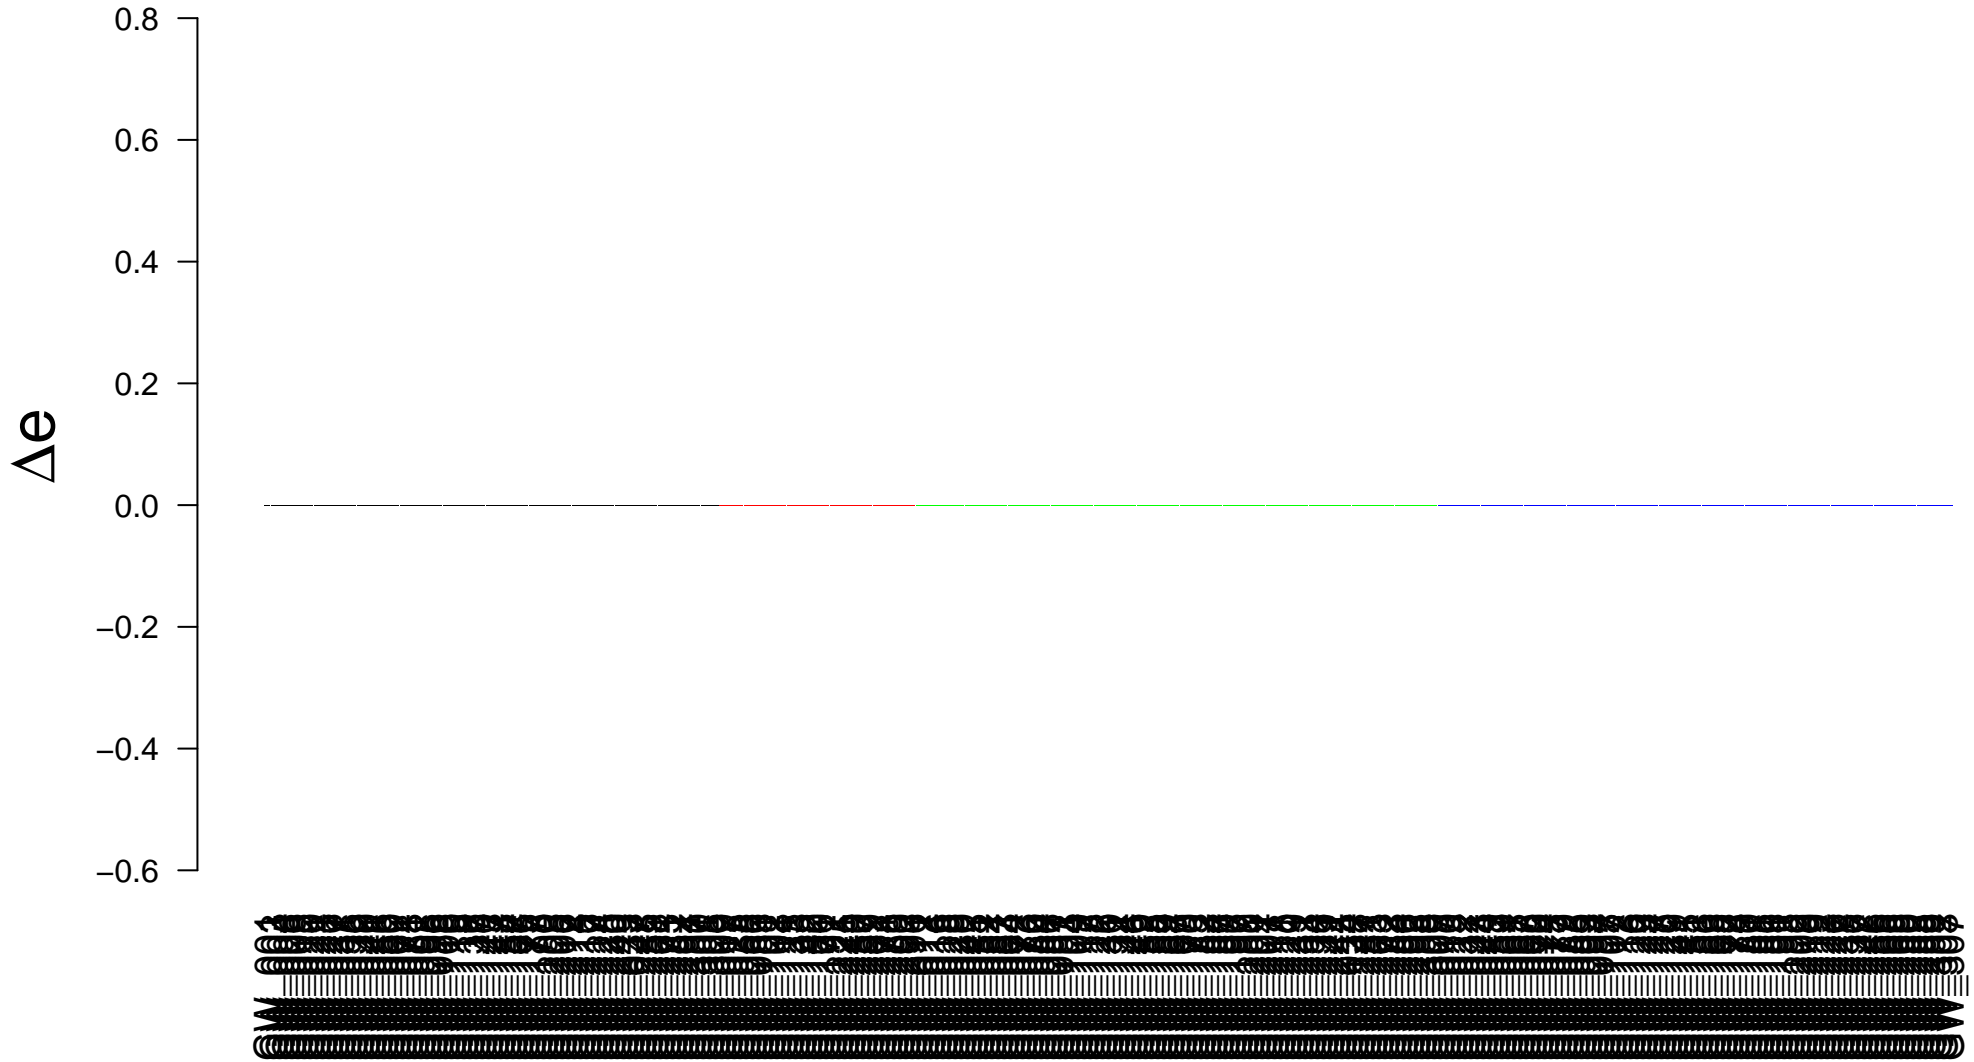

Enrichment in spots: DNA-directed RNA polymerase II, core complex

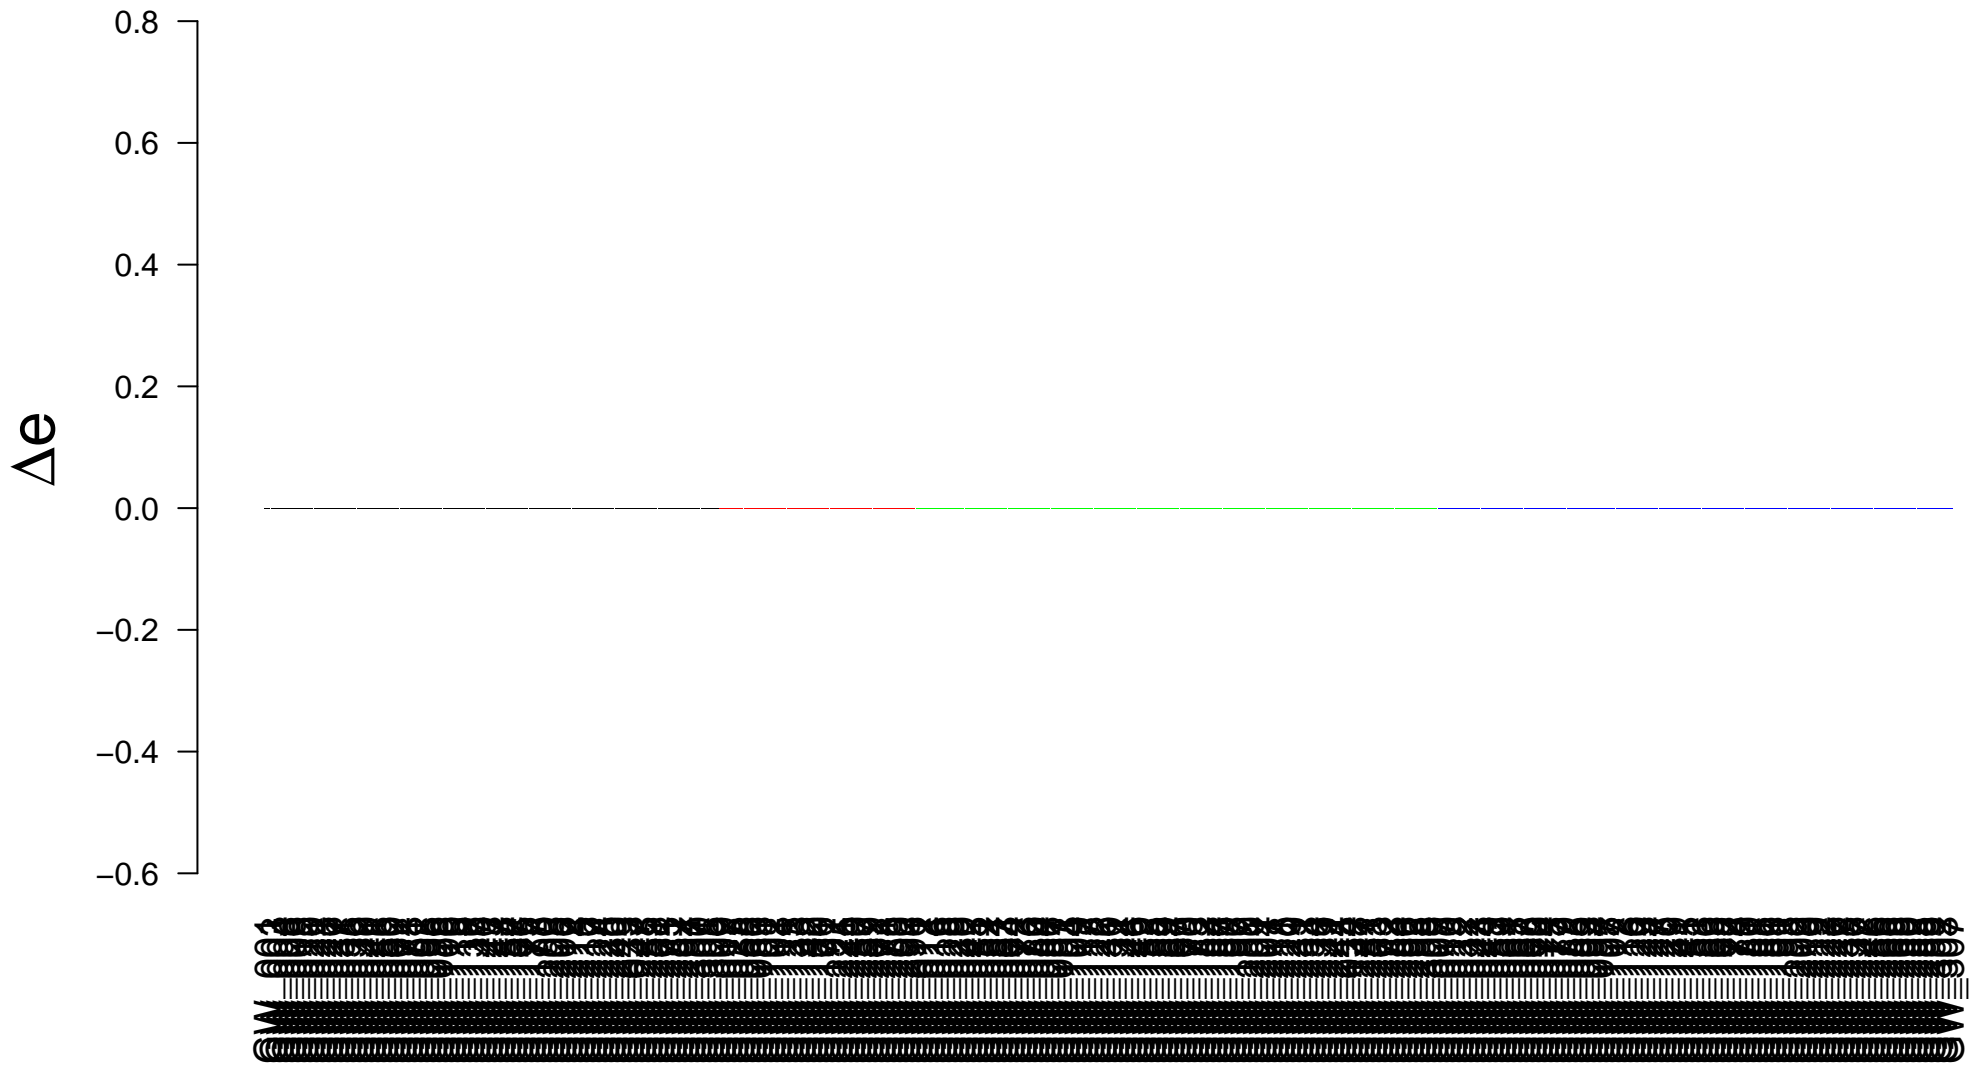

Expression of DNA-directed RNA polymerase II, core complex in Spot A

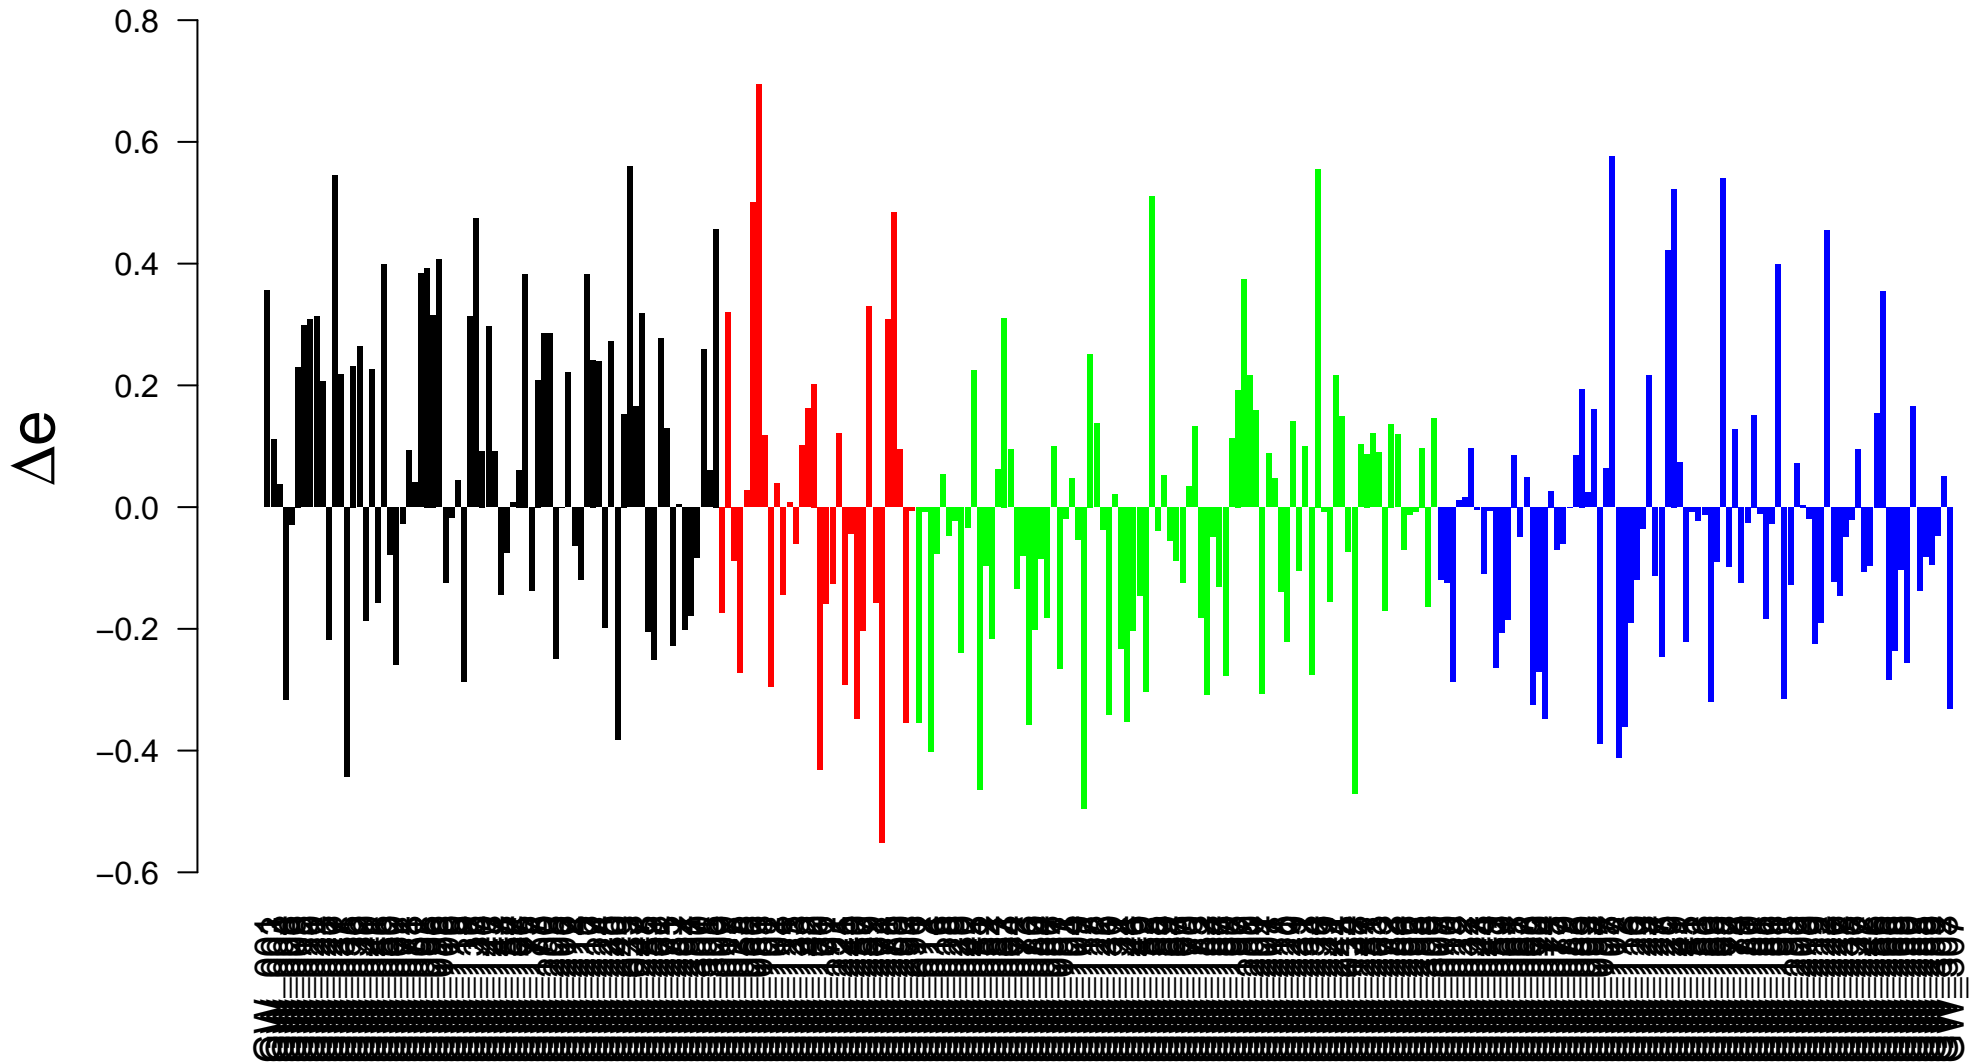

Expression of DNA-directed RNA polymerase II, core complex in Spot B

Expression of DNA-directed RNA polymerase II, core complex in Spot C

Expression of DNA-directed RNA polymerase II, core complex in Spot D

Expression of DNA-directed RNA polymerase II, core complex in Spot E

Expression of DNA-directed RNA polymerase II, core complex in Spot I

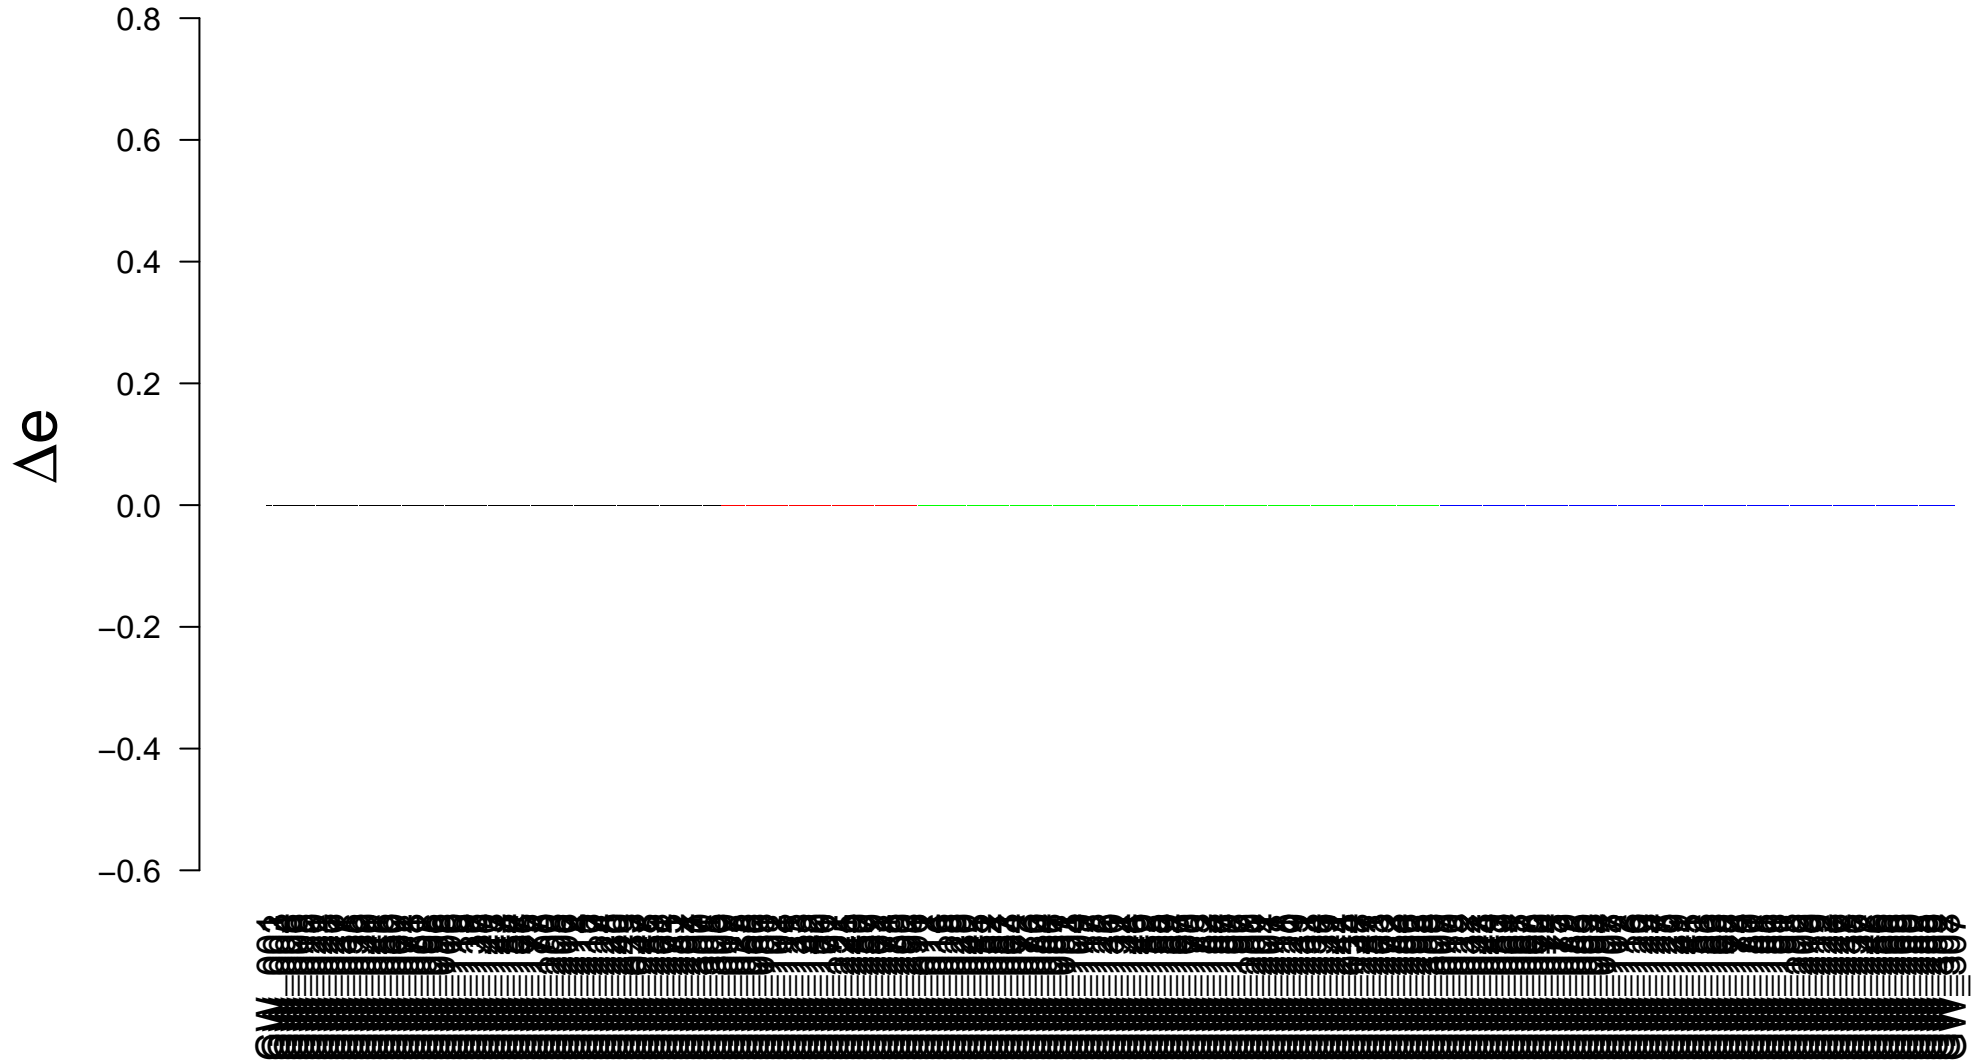

Expression of DNA-directed RNA polymerase II, core complex in Spot J

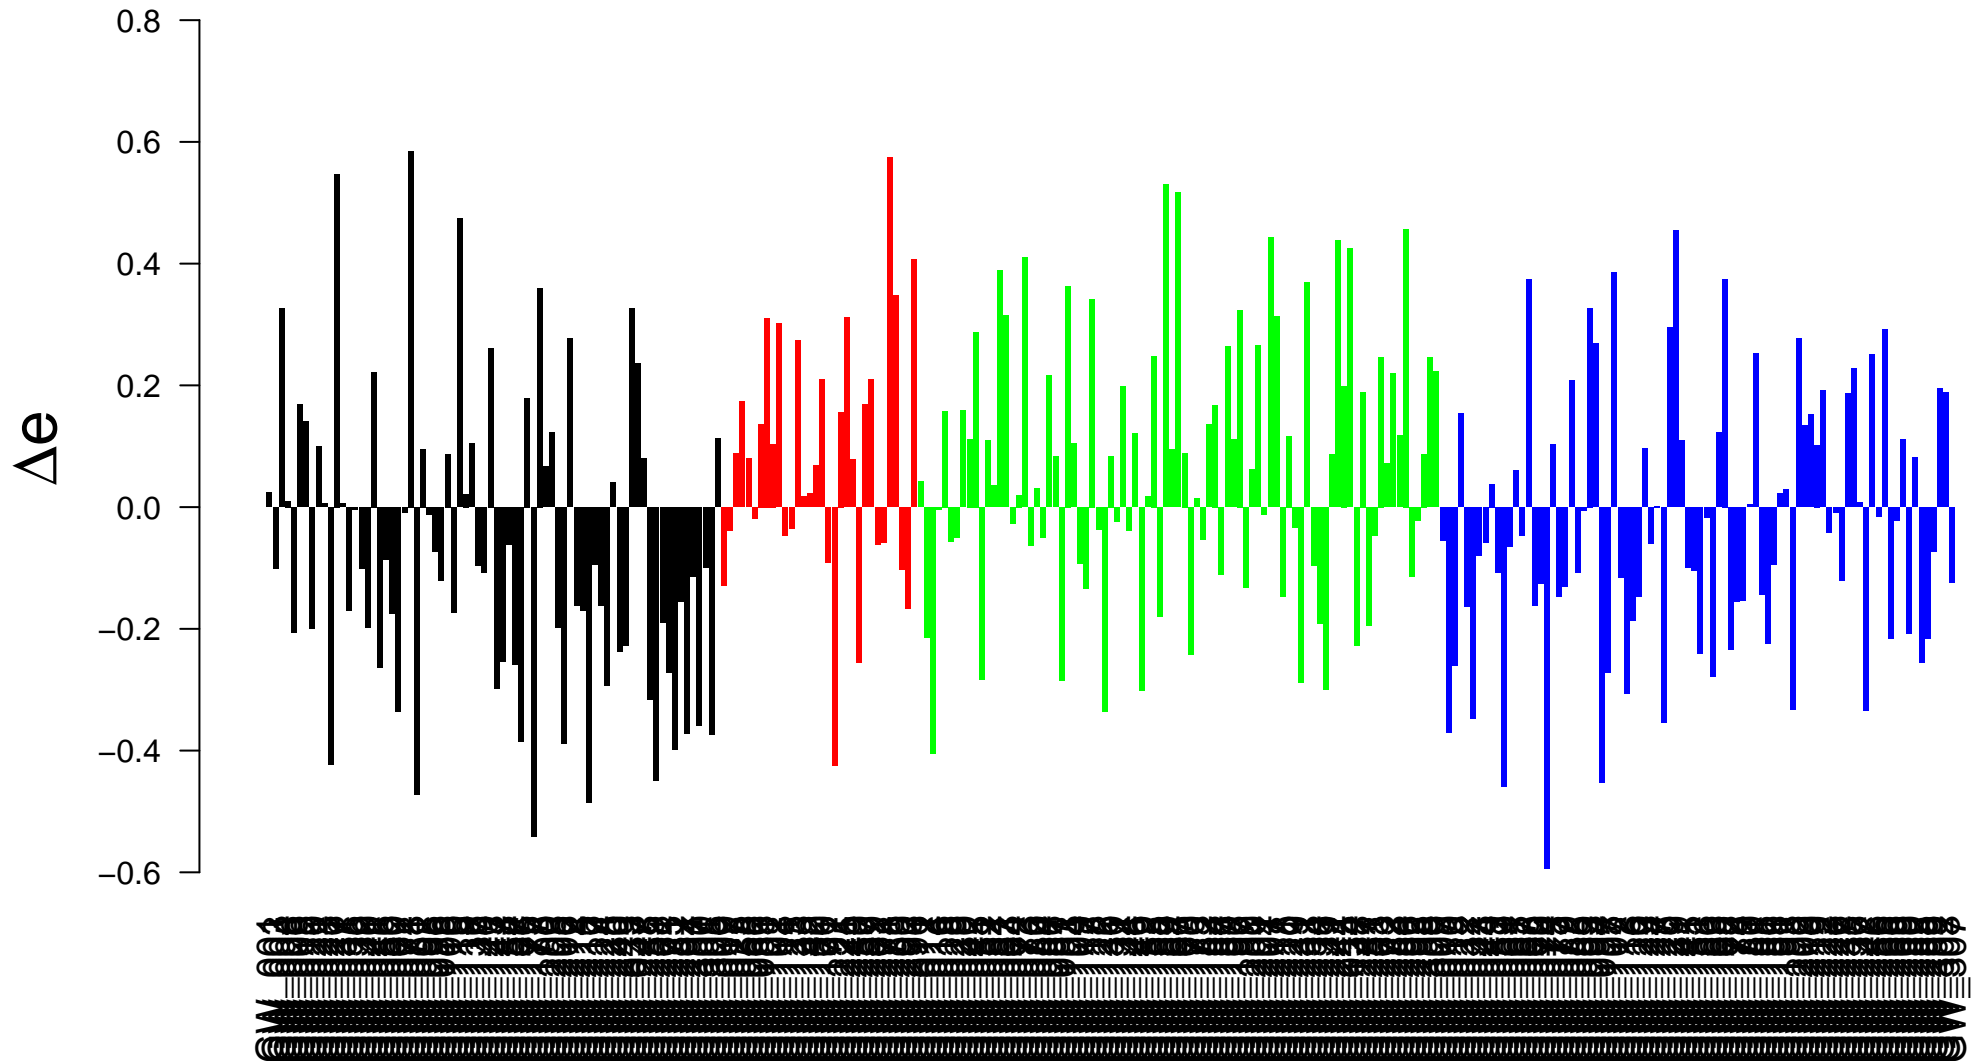

Expression of DNA-directed RNA polymerase II, core complex in Spot K

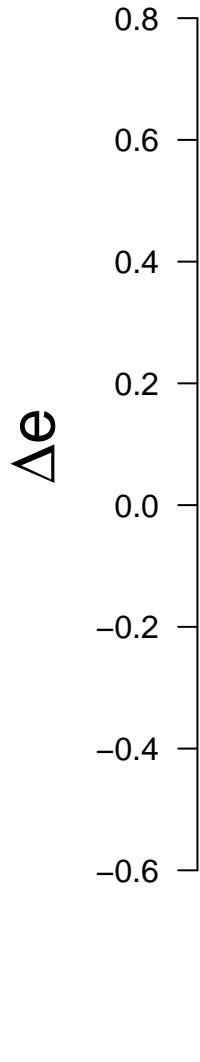

Expression of DNA-directed RNA polymerase II, core complex in Spot L

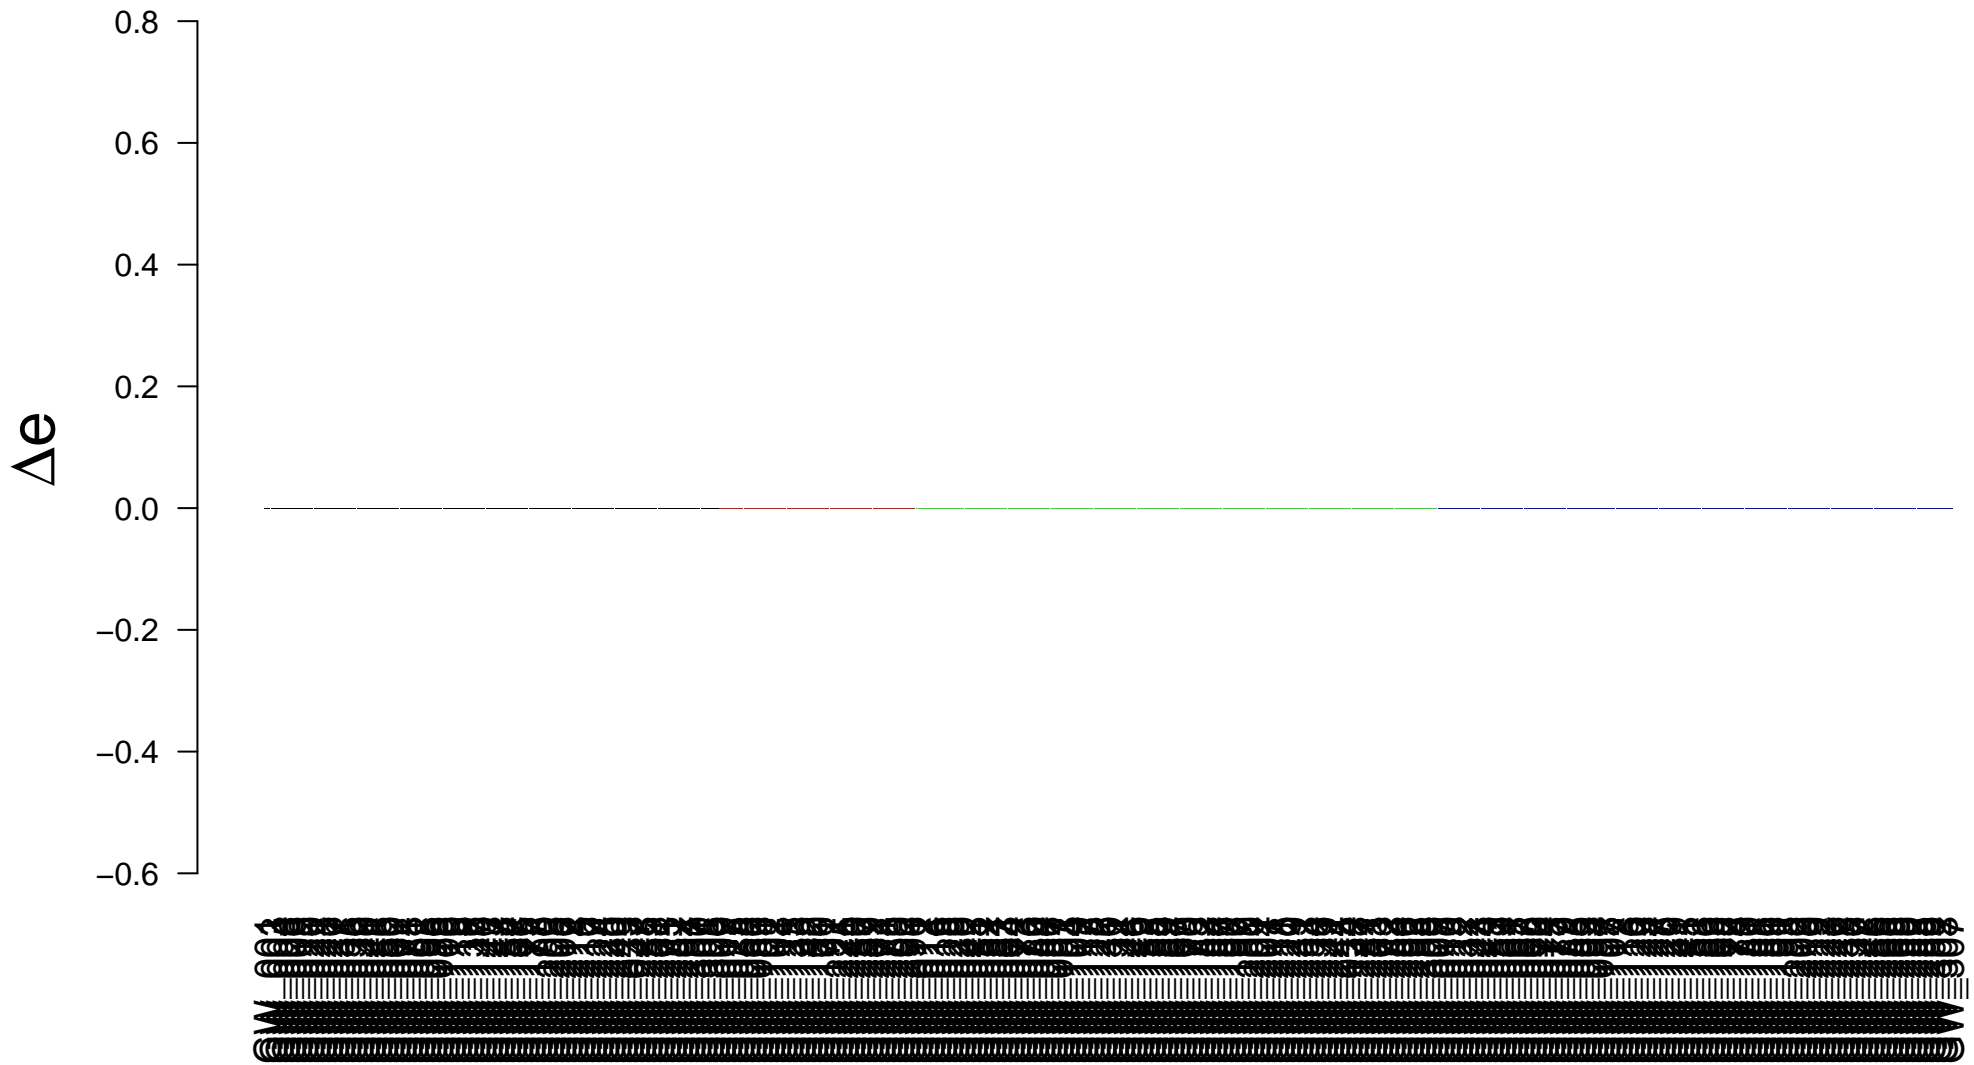

Expression of DNA-directed RNA polymerase II, core complex in Spot M

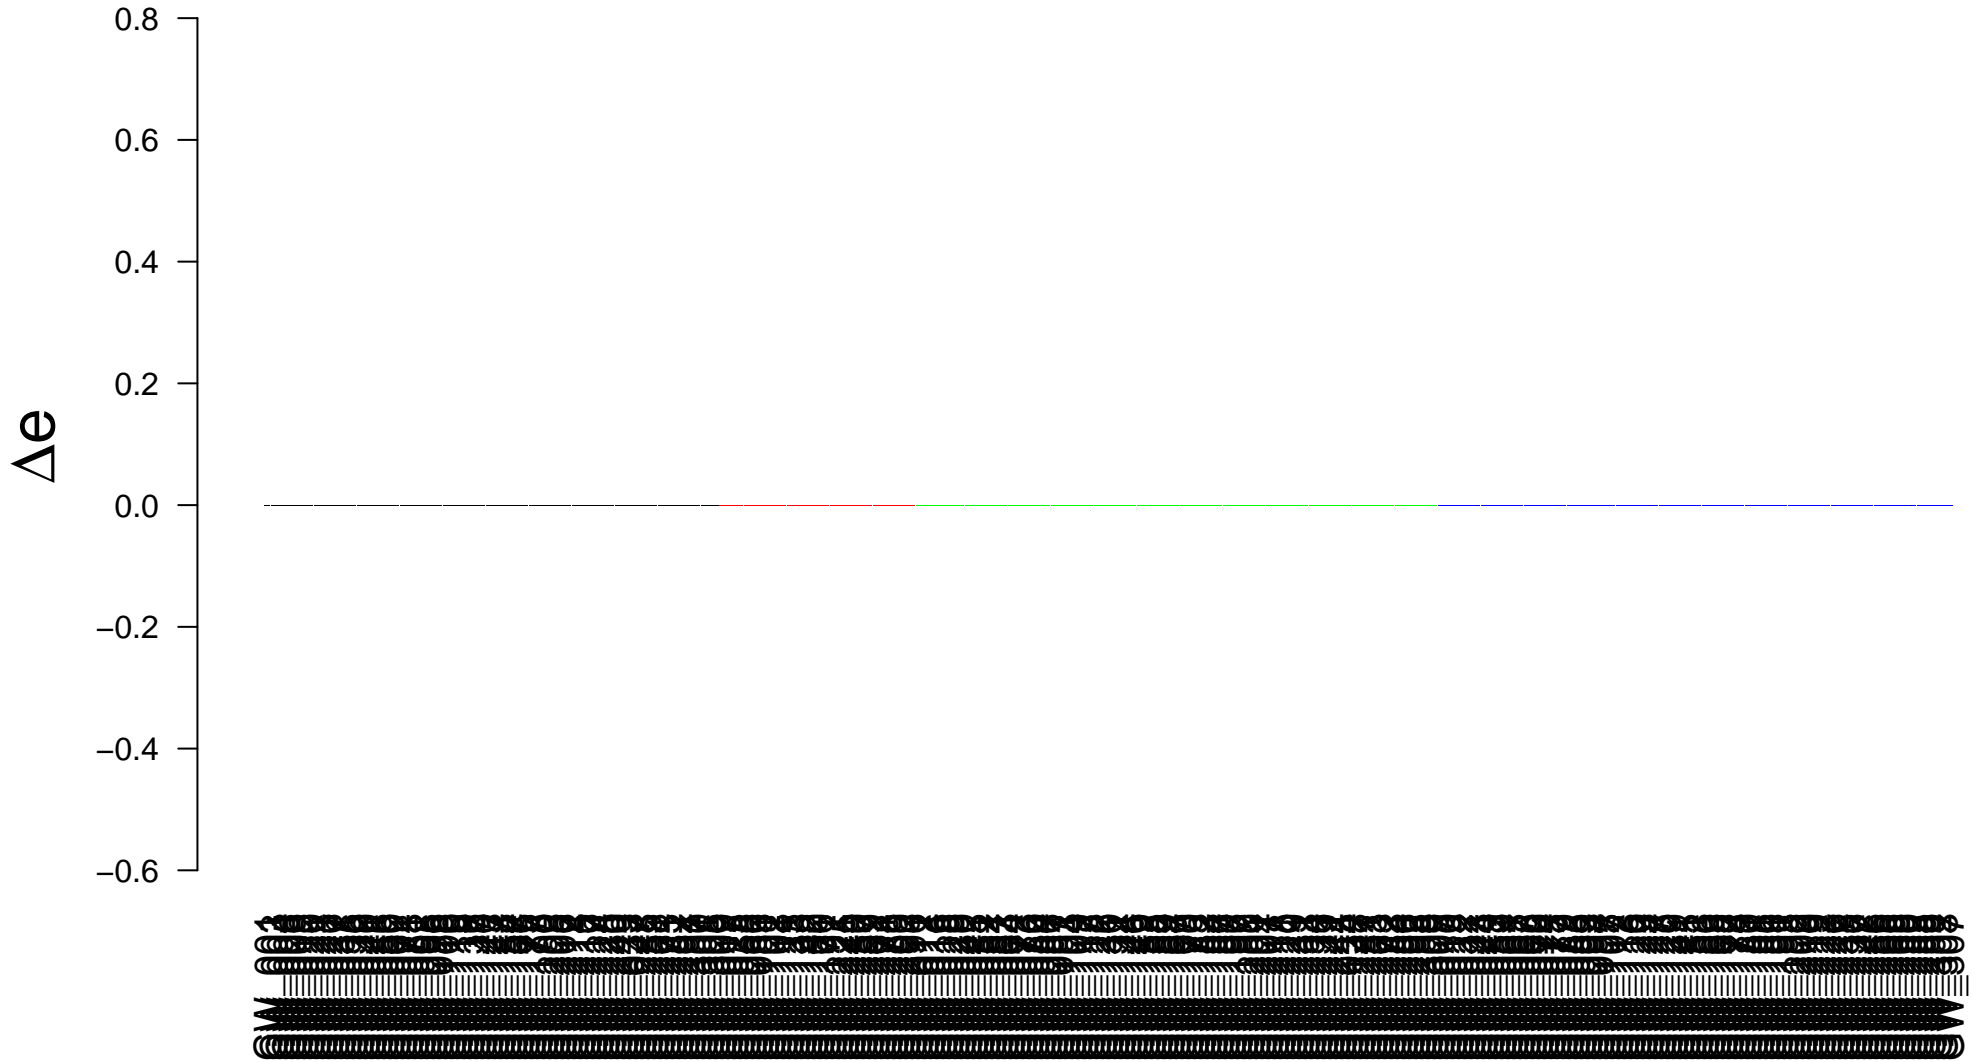

Expression of DNA-directed RNA polymerase II, core complex in Spot N

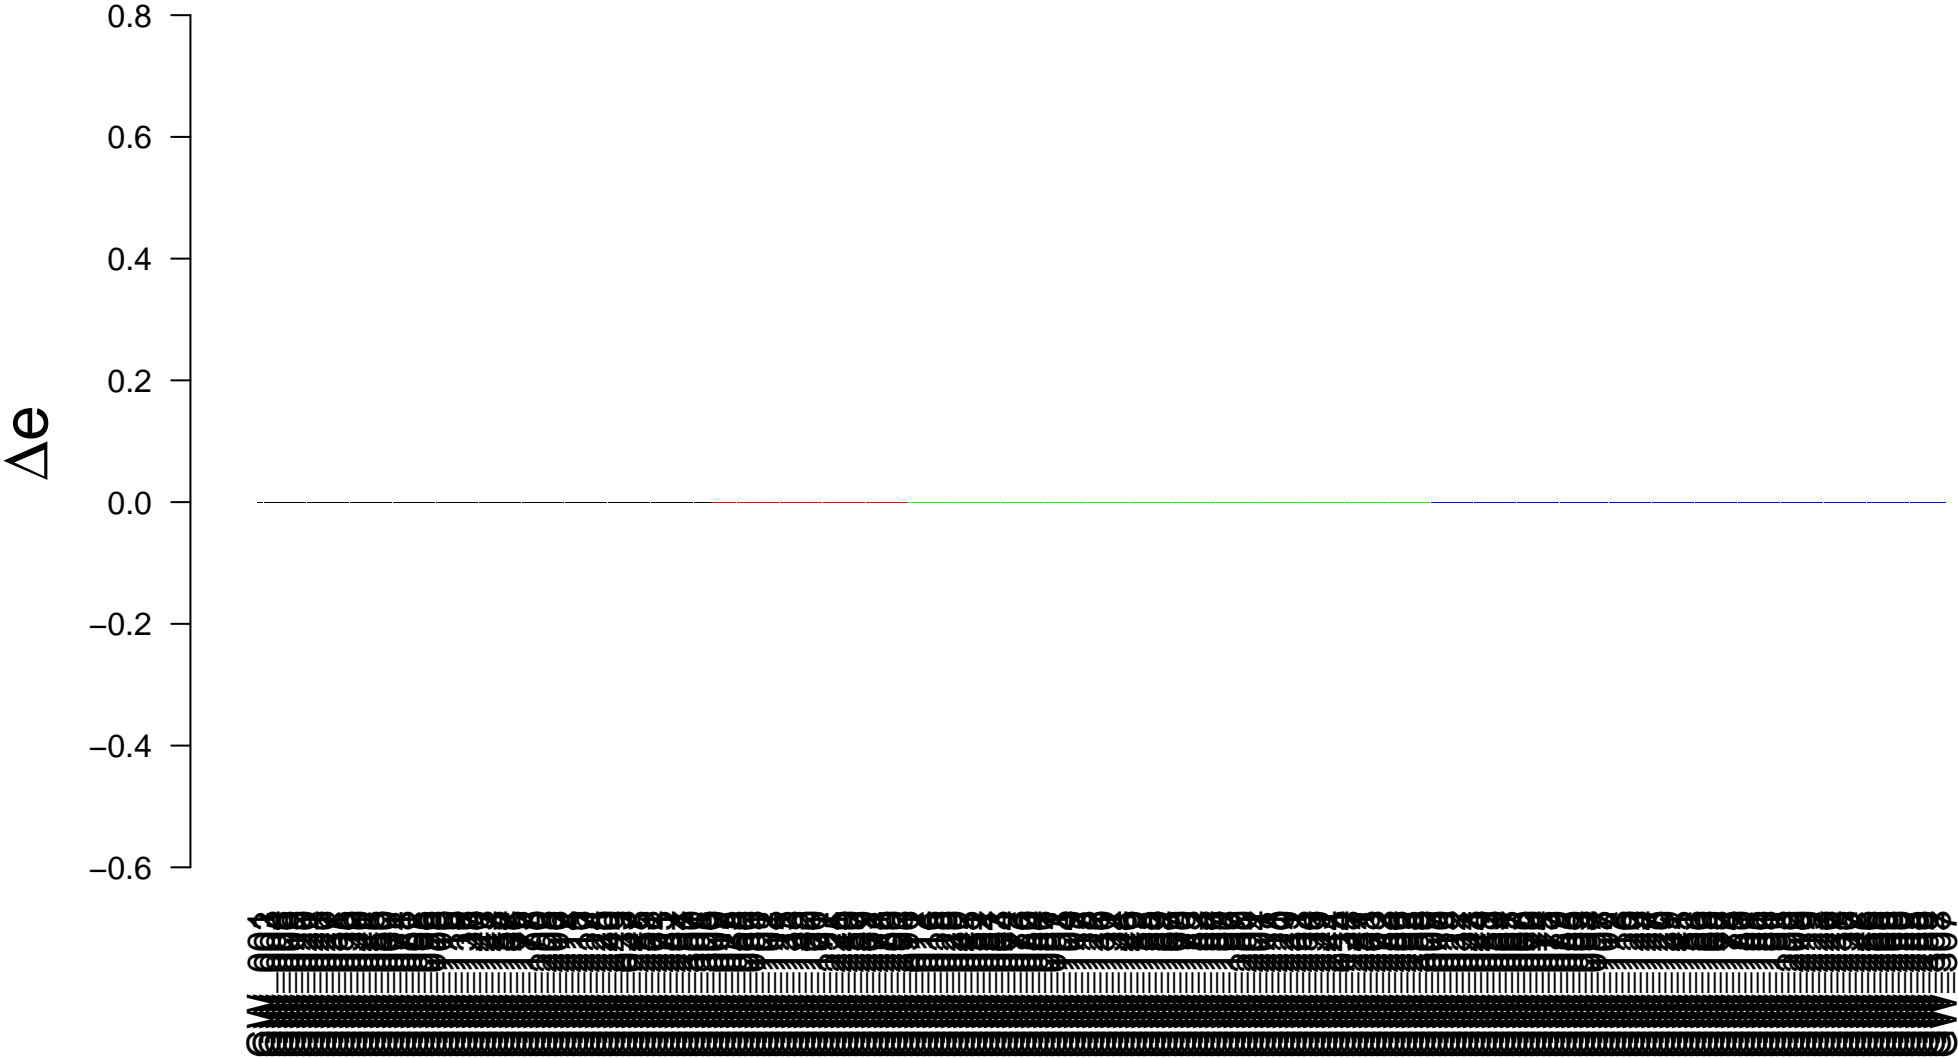

Expression of DNA-directed RNA polymerase II, core complex in Spot O

Expression of DNA-directed RNA polymerase II, core complex in Spot P

Expression of DNA-directed RNA polymerase II, core complex in Spot Q

Expression of DNA-directed RNA polymerase II, core complex in Spot R
