

DNA methylation

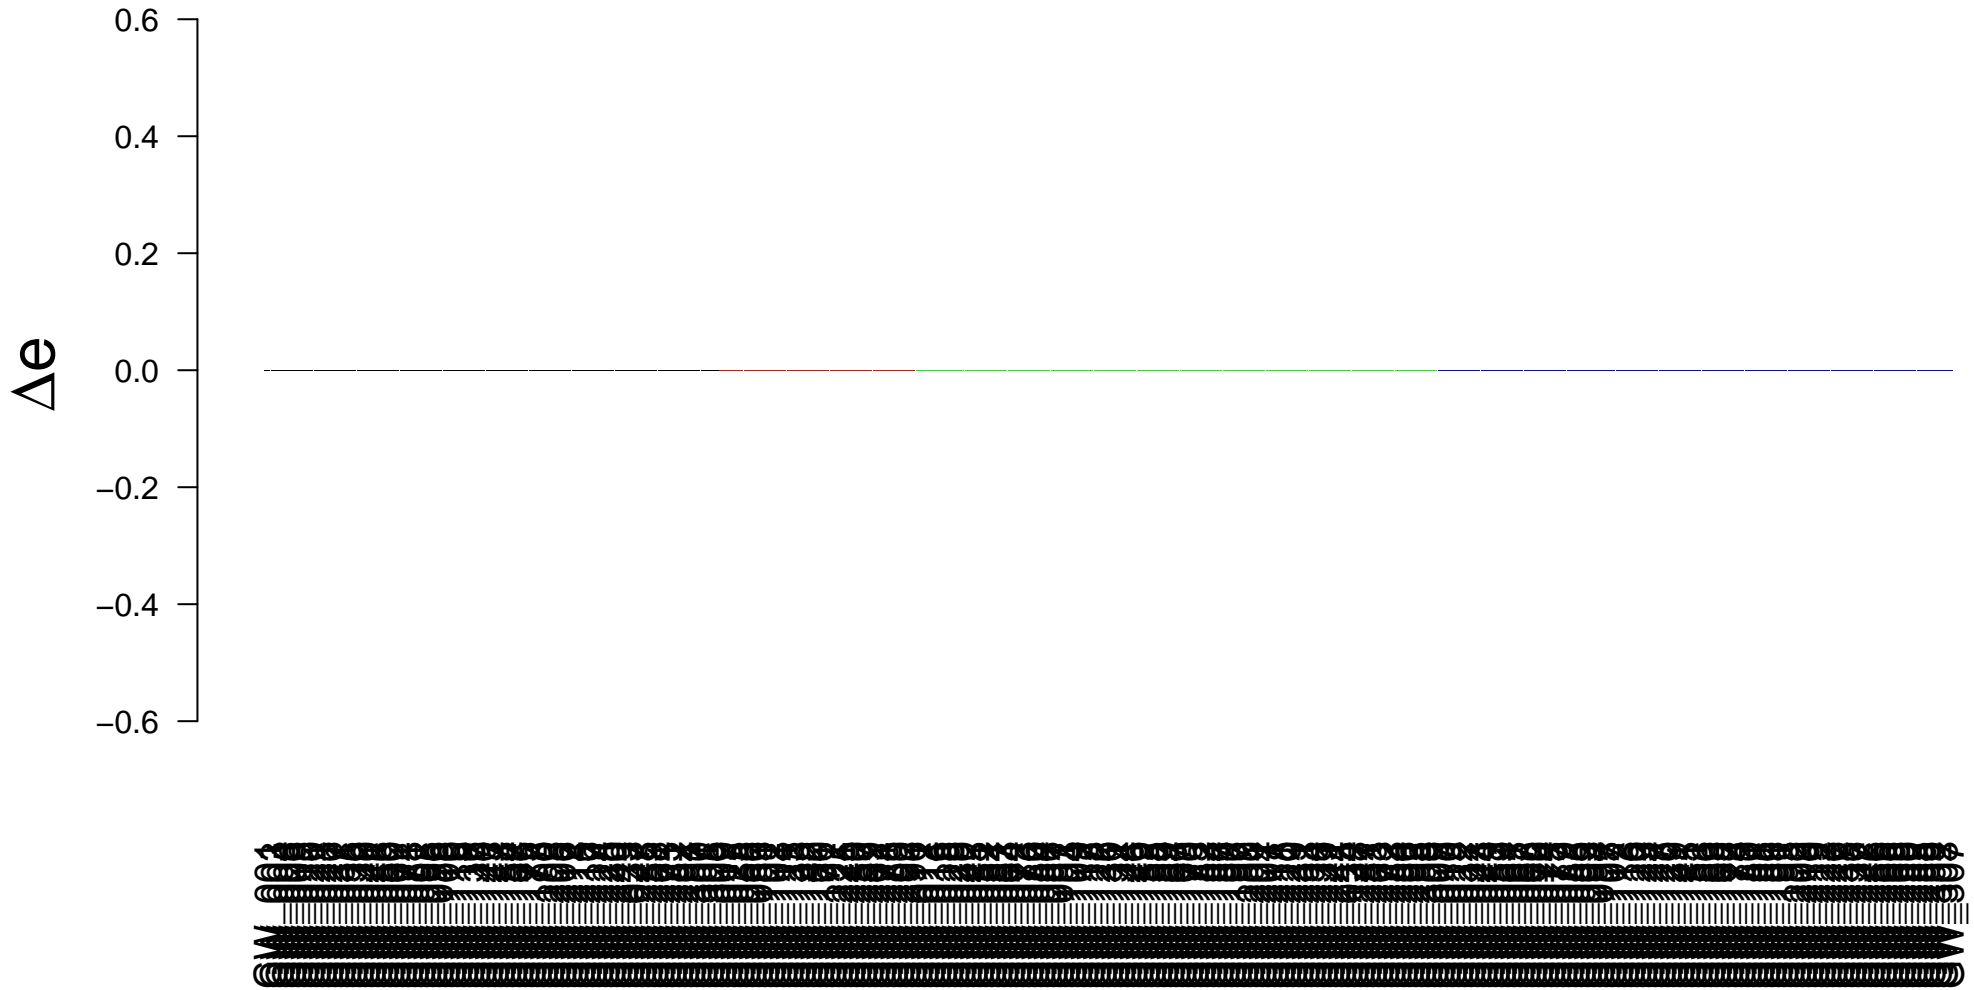

DNA methylation

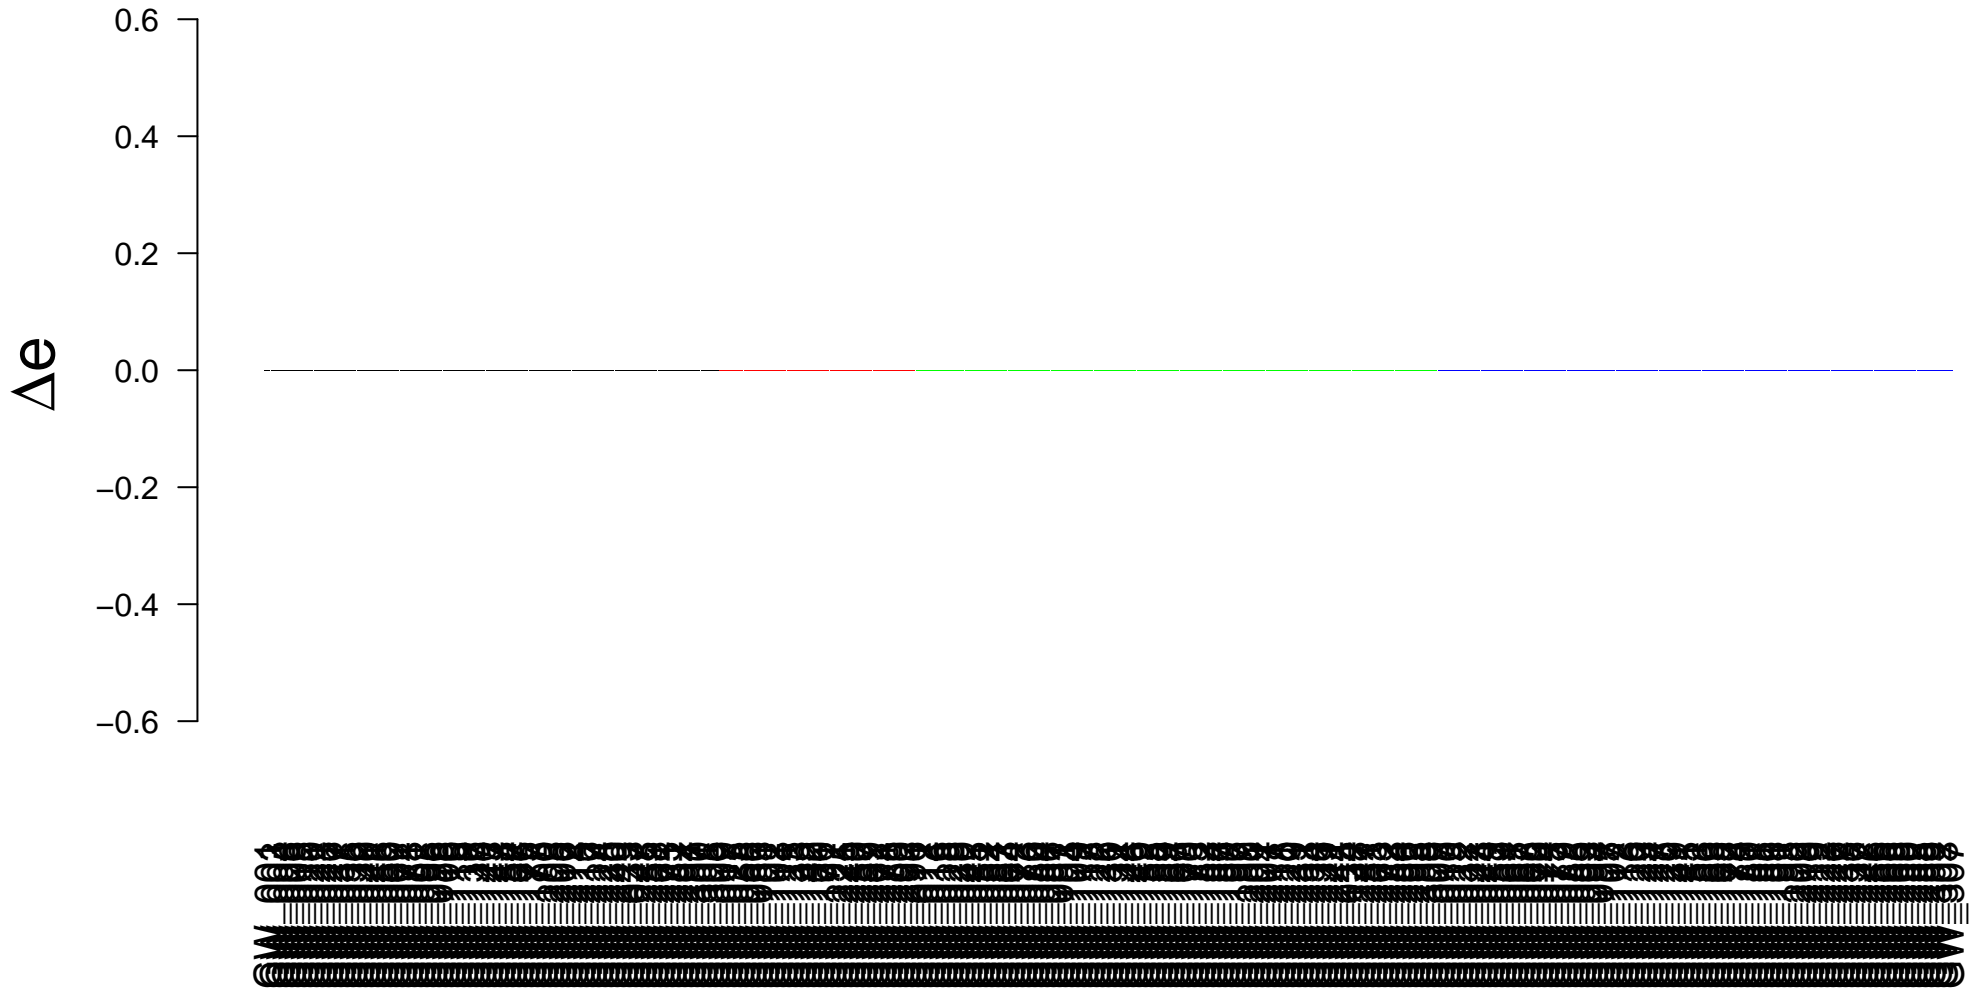

Enrichment in spots: DNA methylation

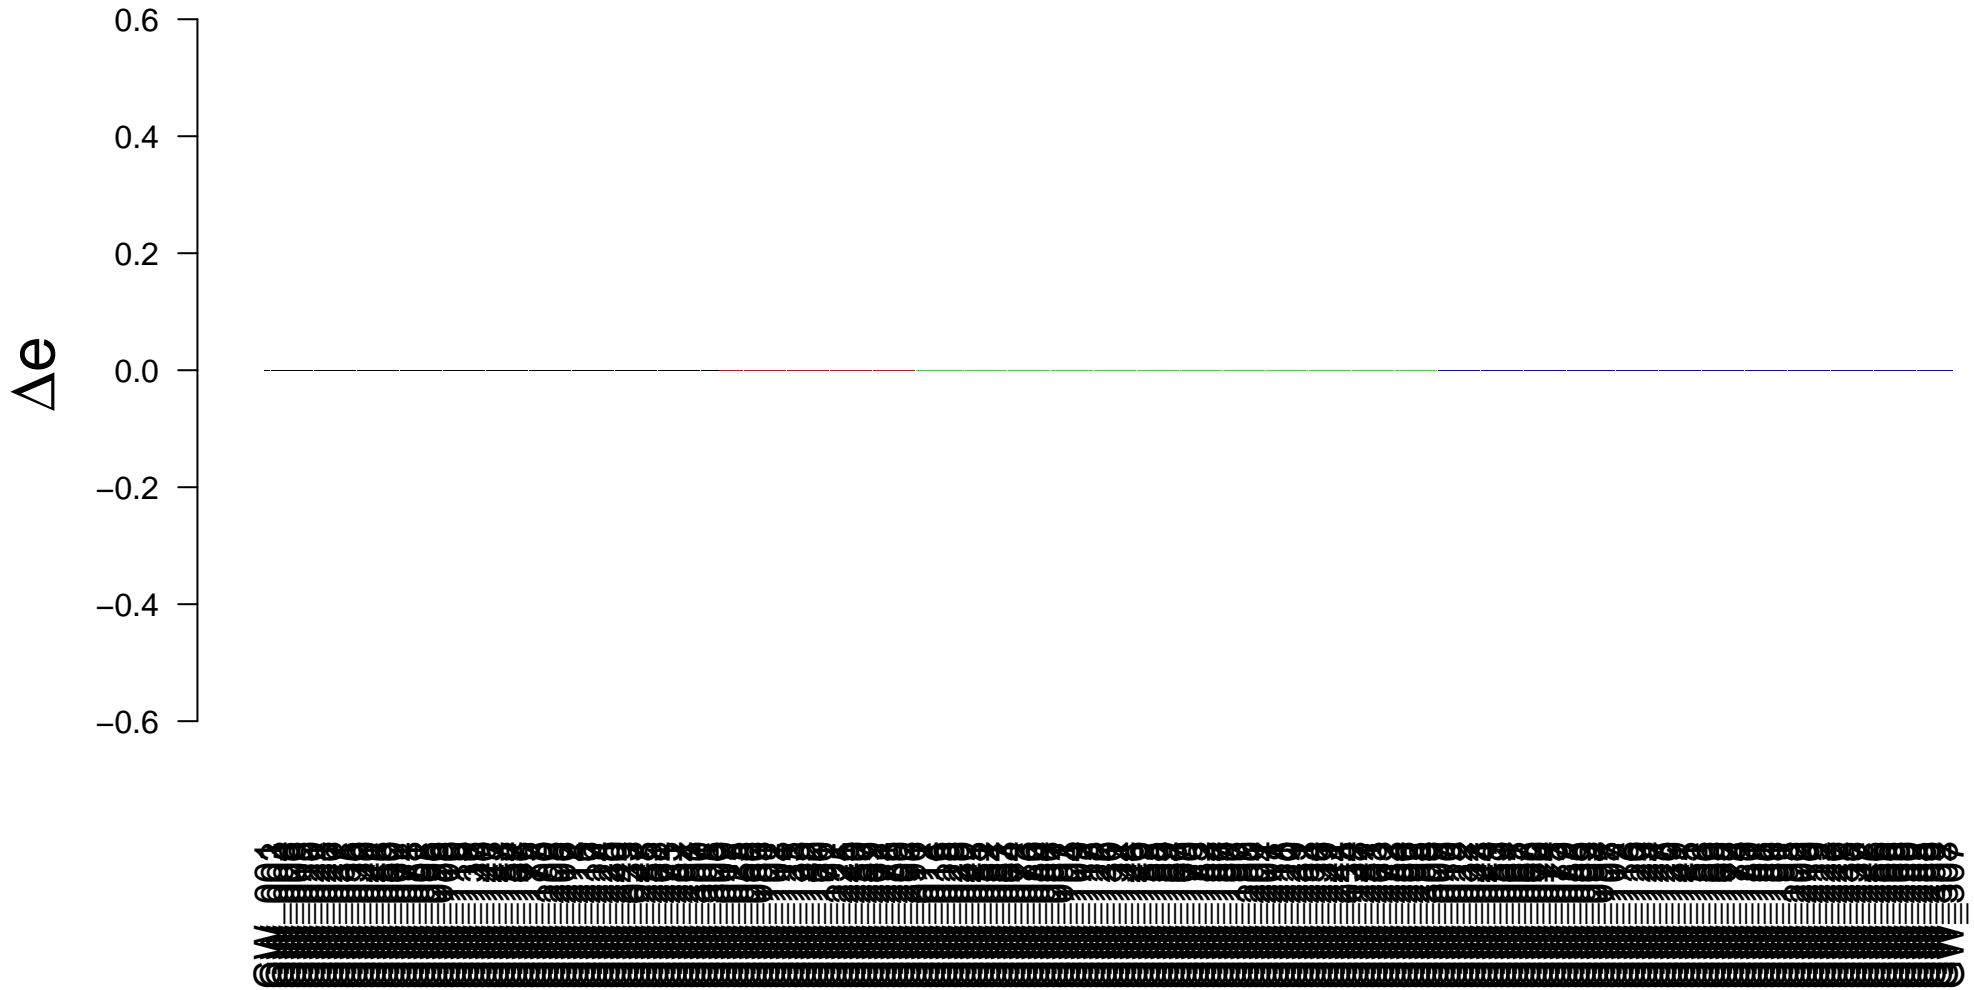

Expression of DNA methylation in Spot A

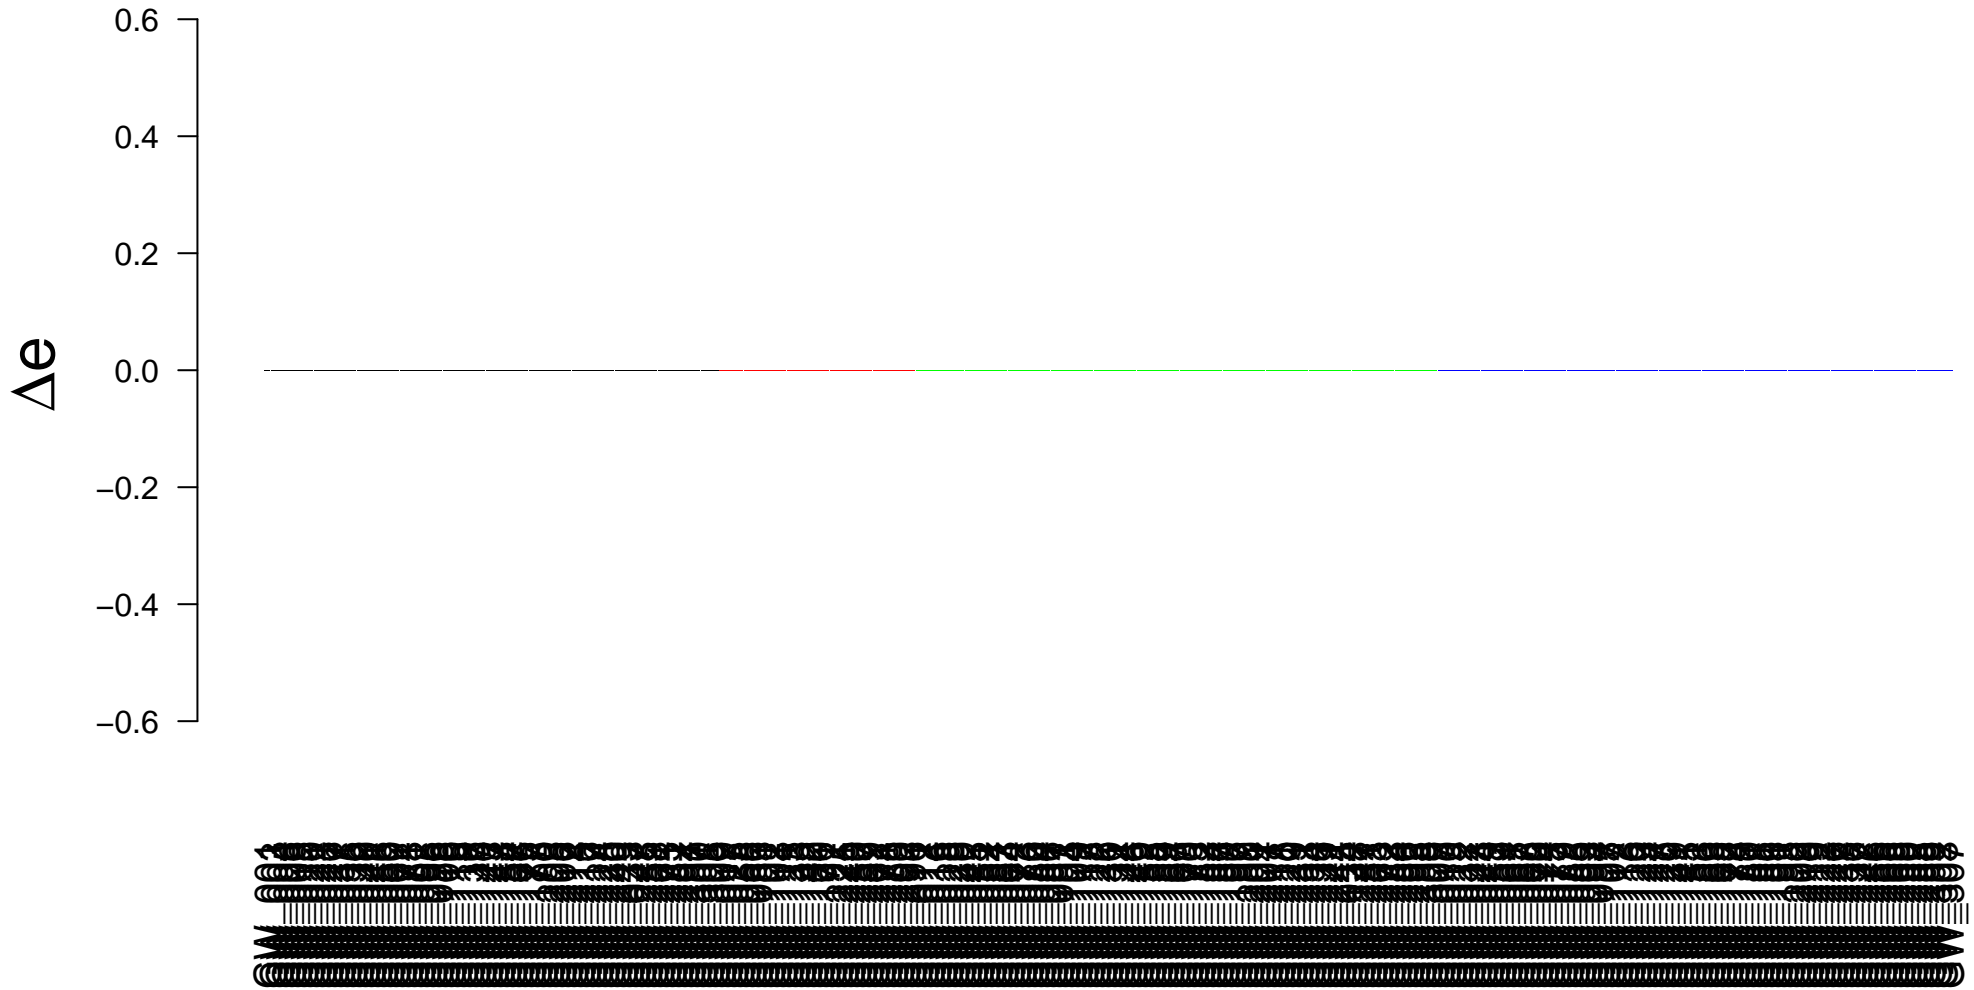

Expression of DNA methylation in Spot B

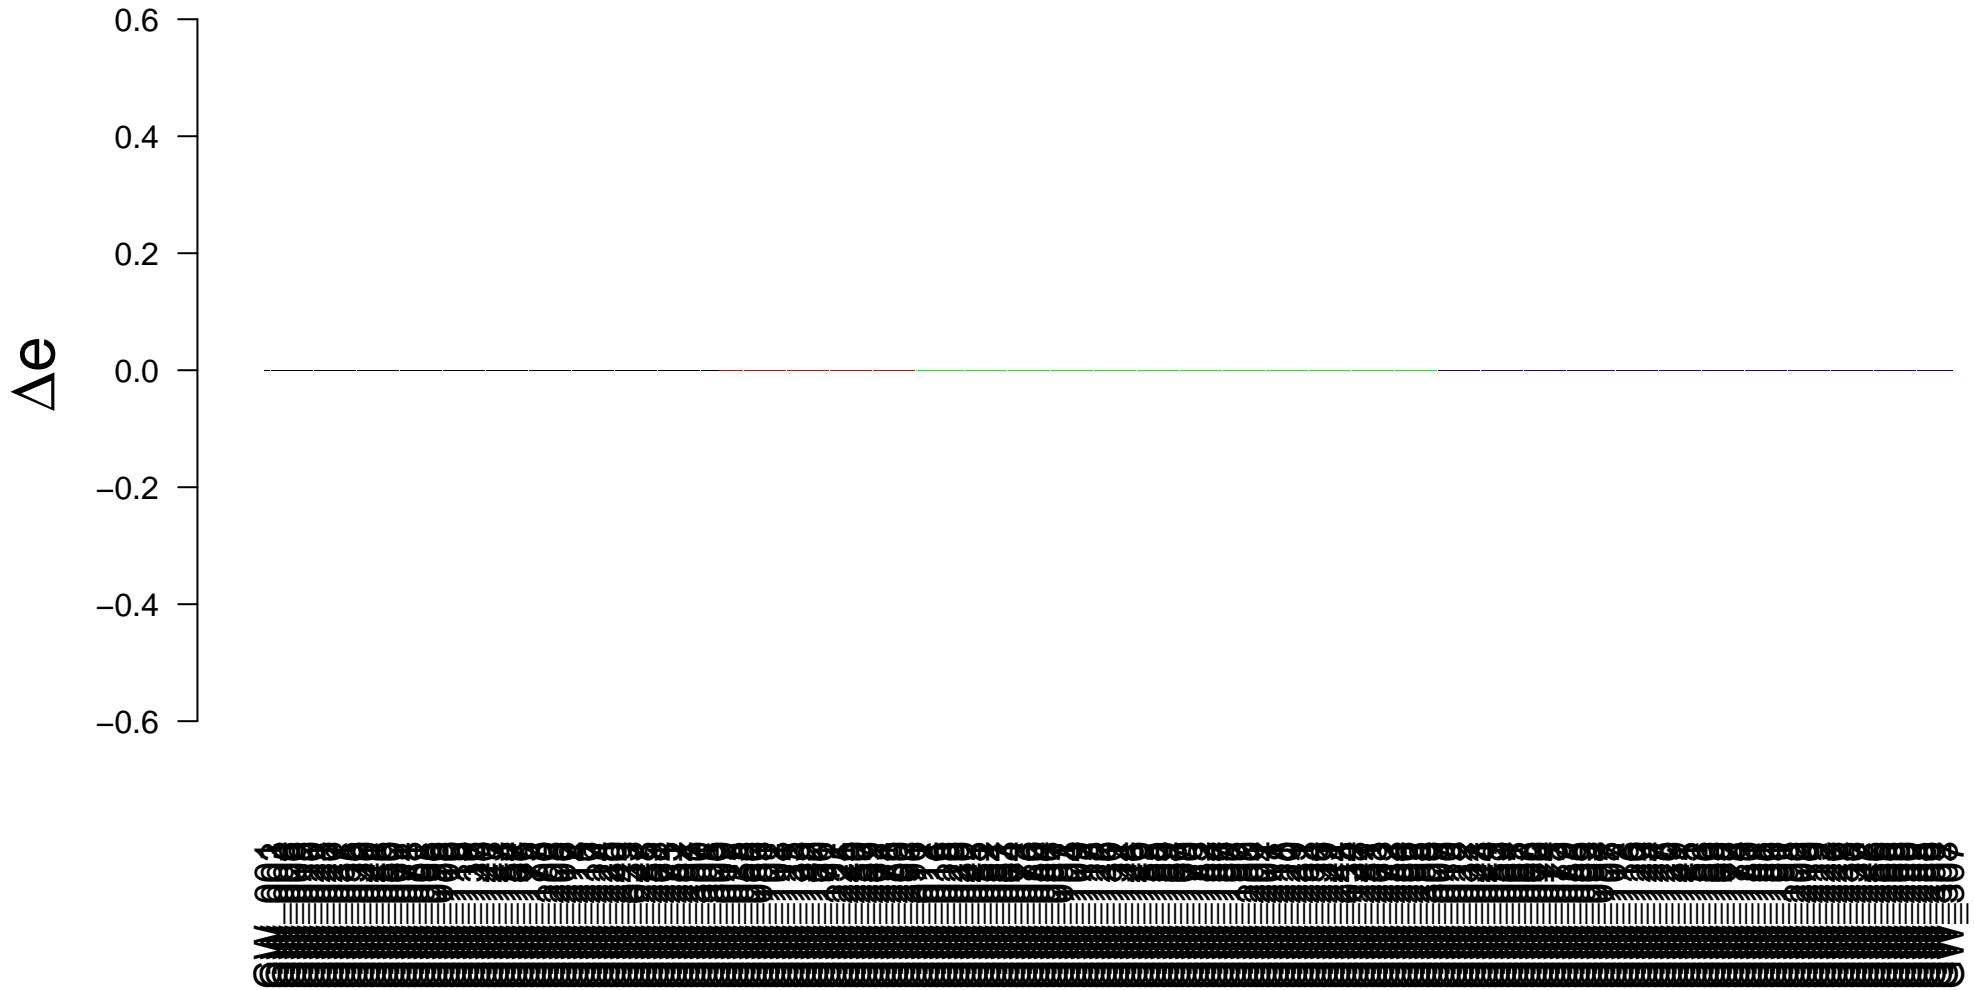

Expression of DNA methylation in Spot C

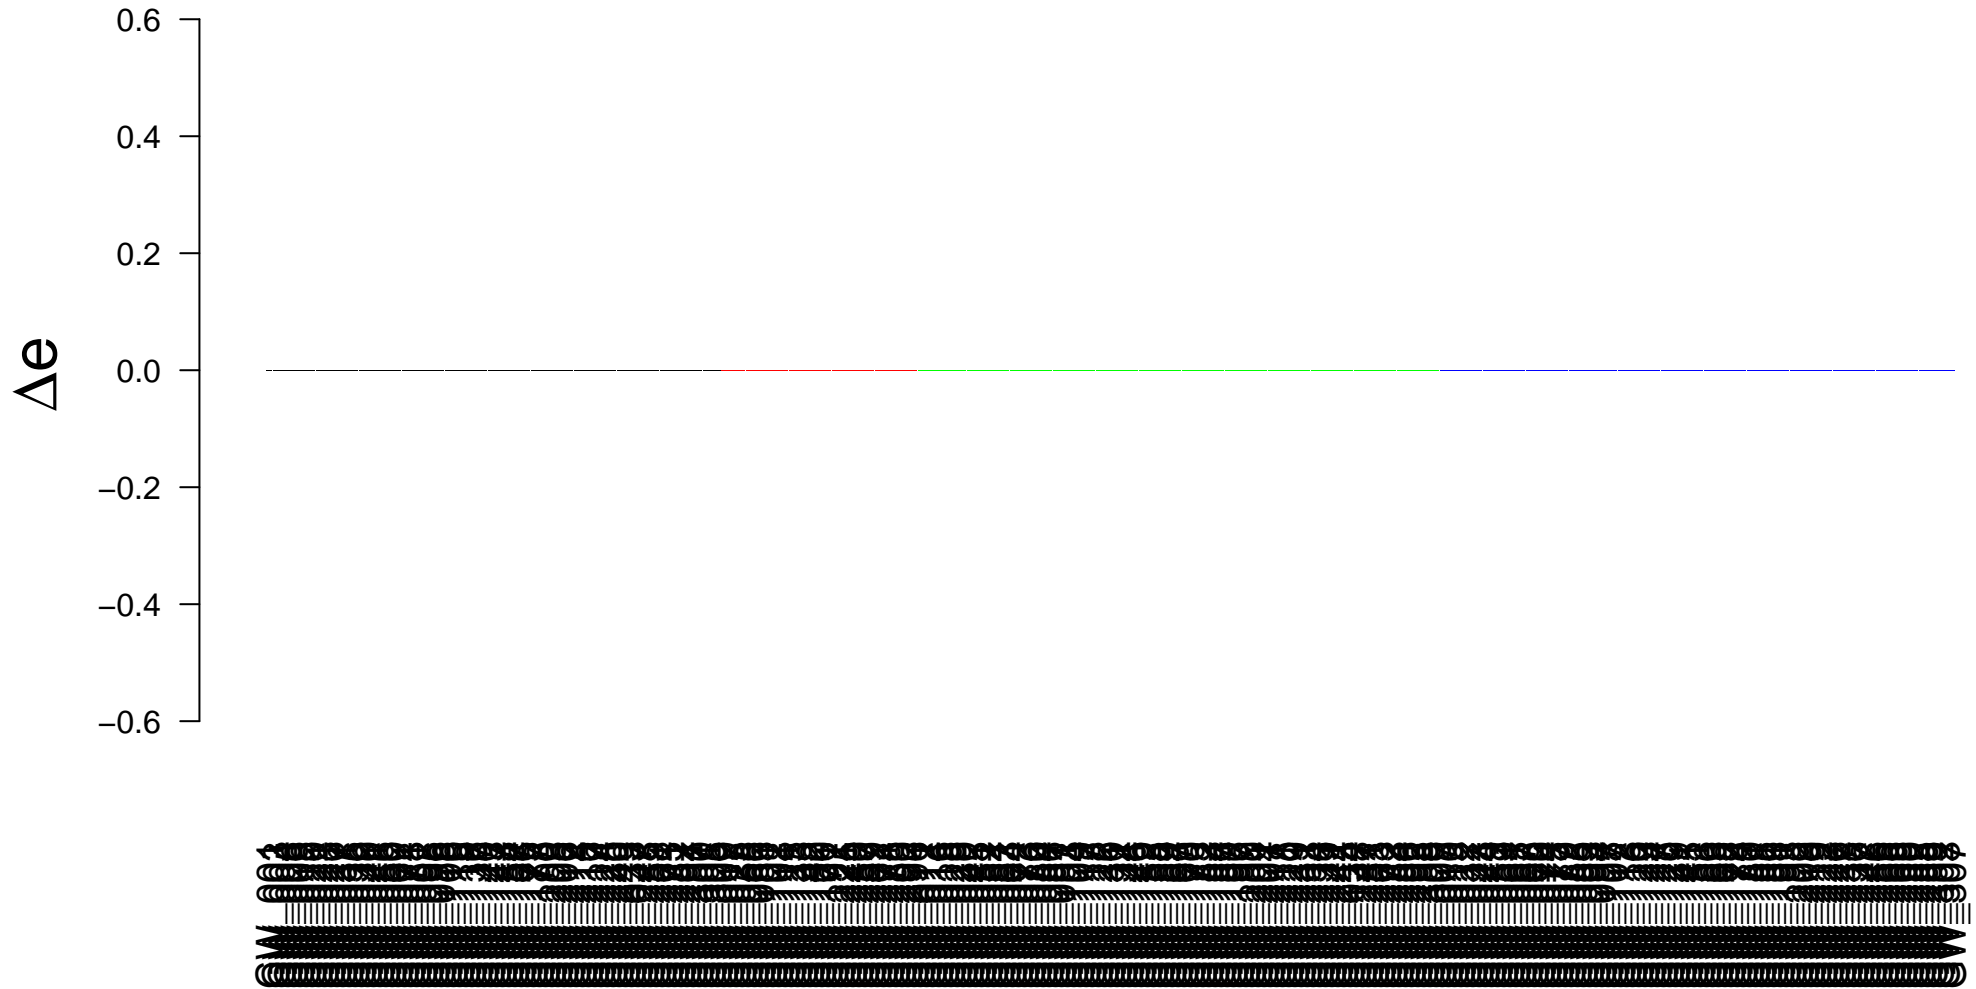

Expression of DNA methylation in Spot D

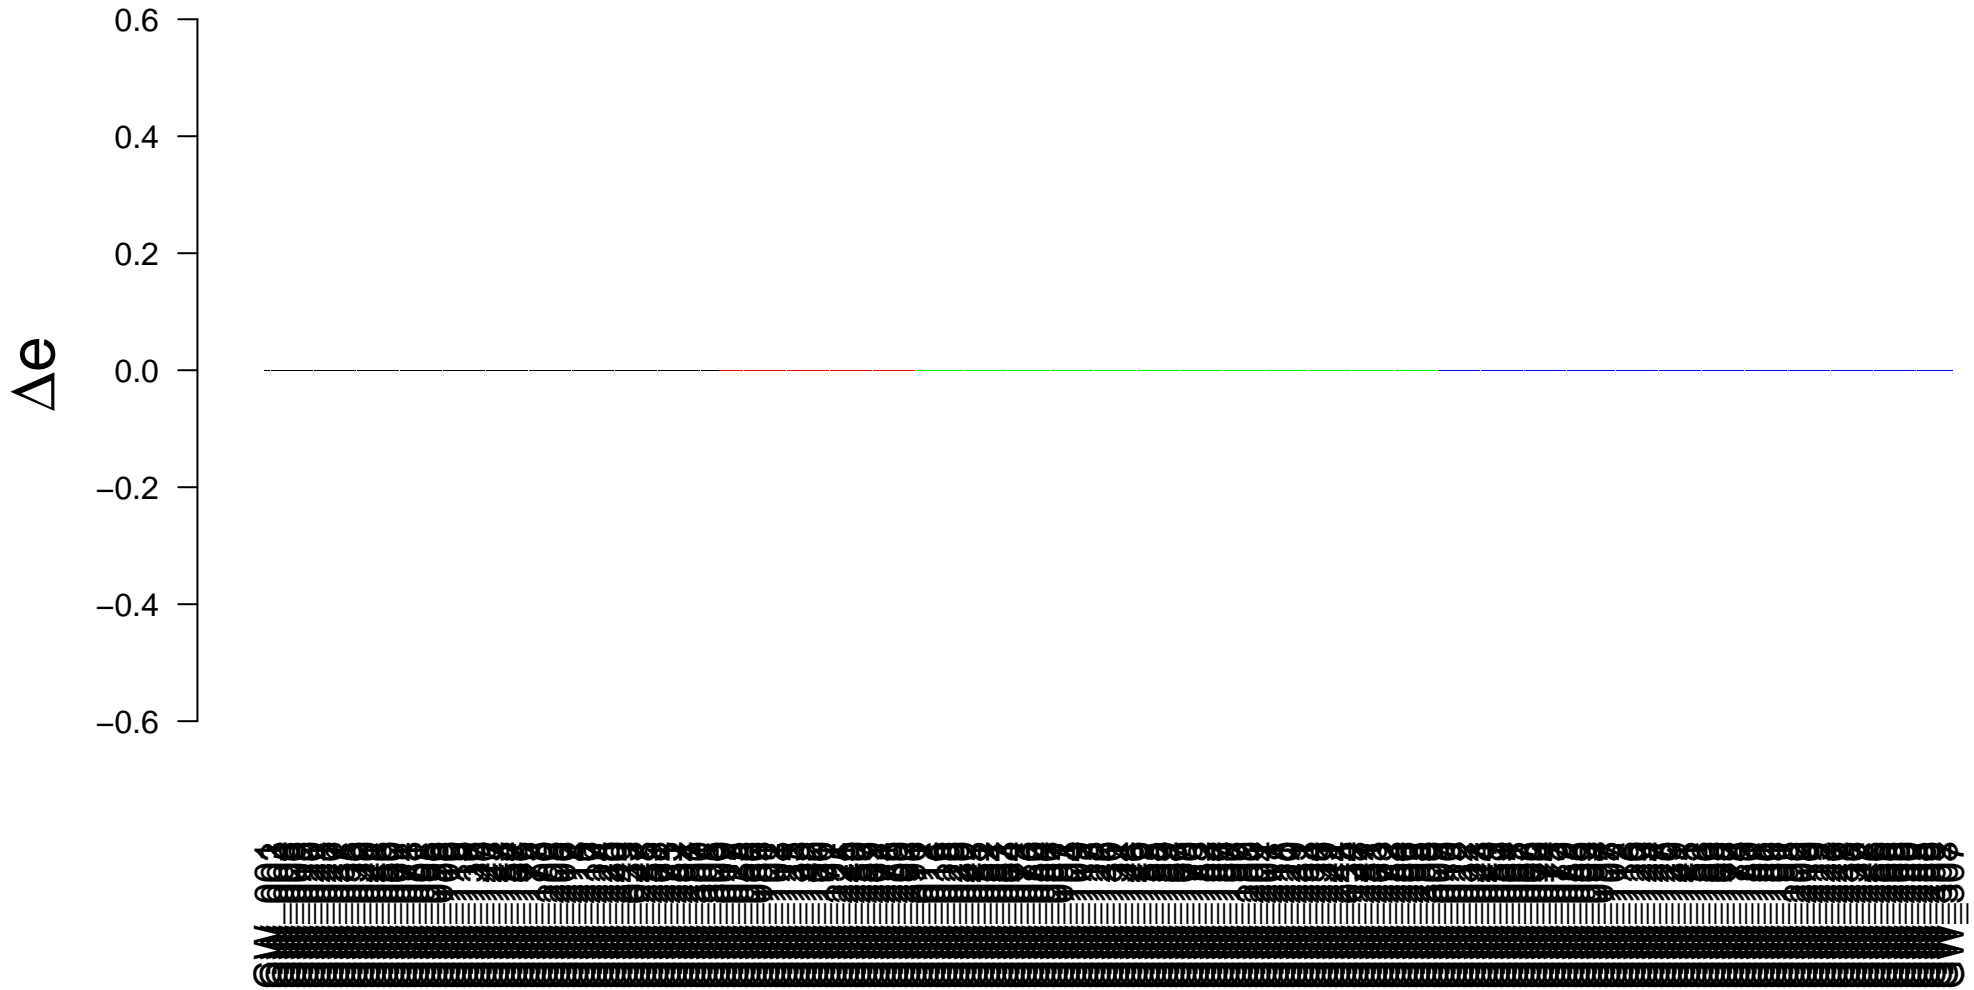

Expression of DNA methylation in Spot E

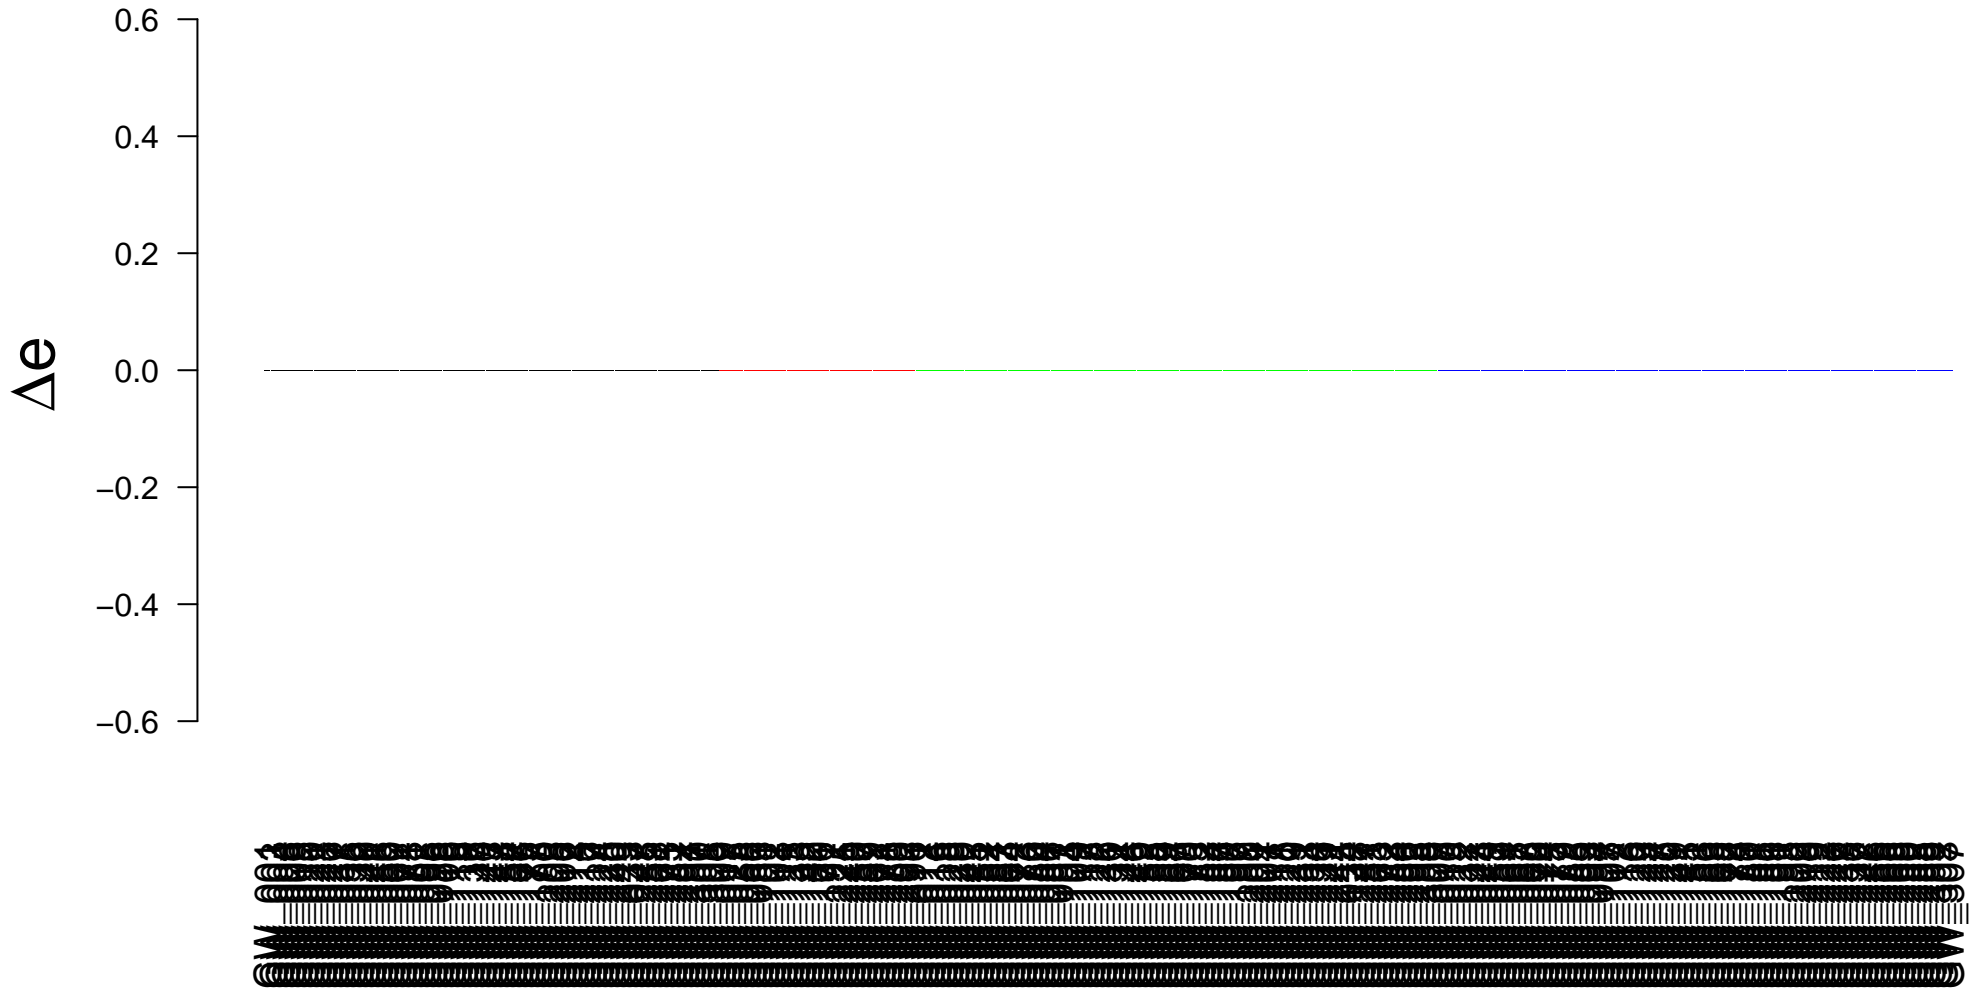

Expression of DNA methylation in Spot F

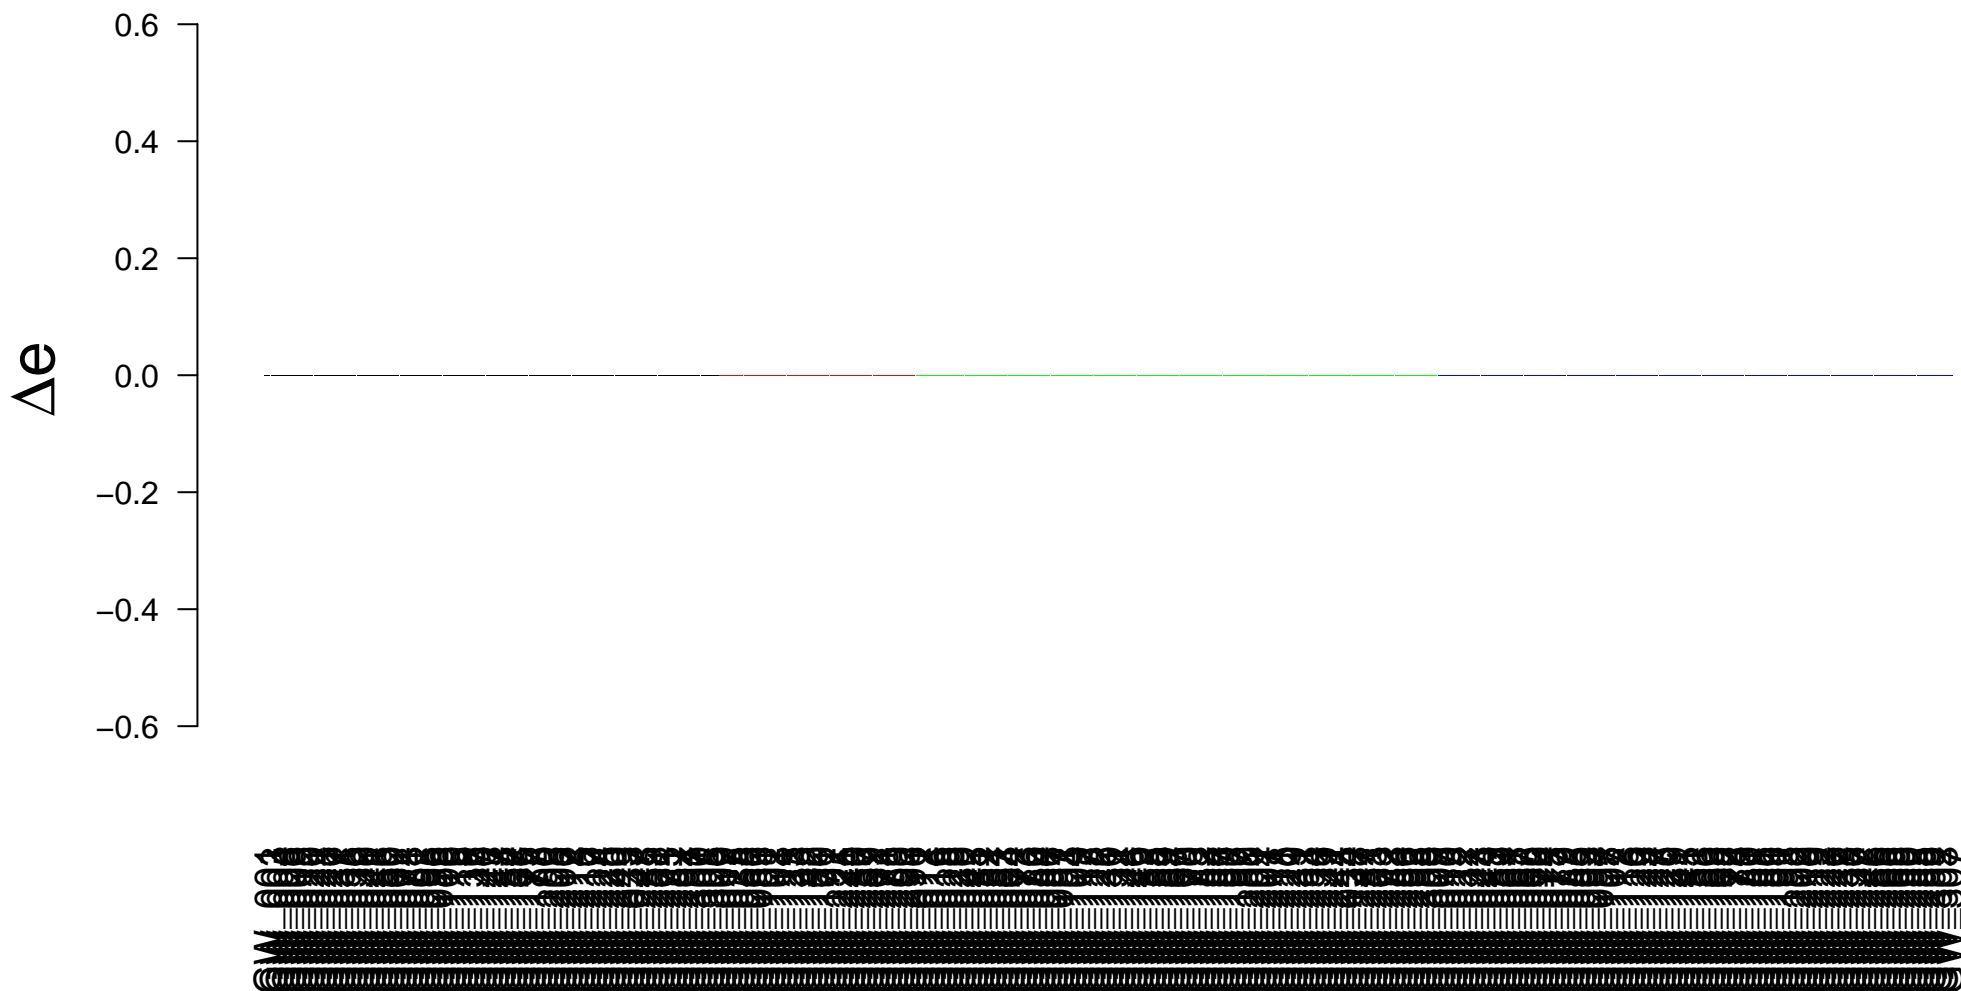

Expression of DNA methylation in Spot G

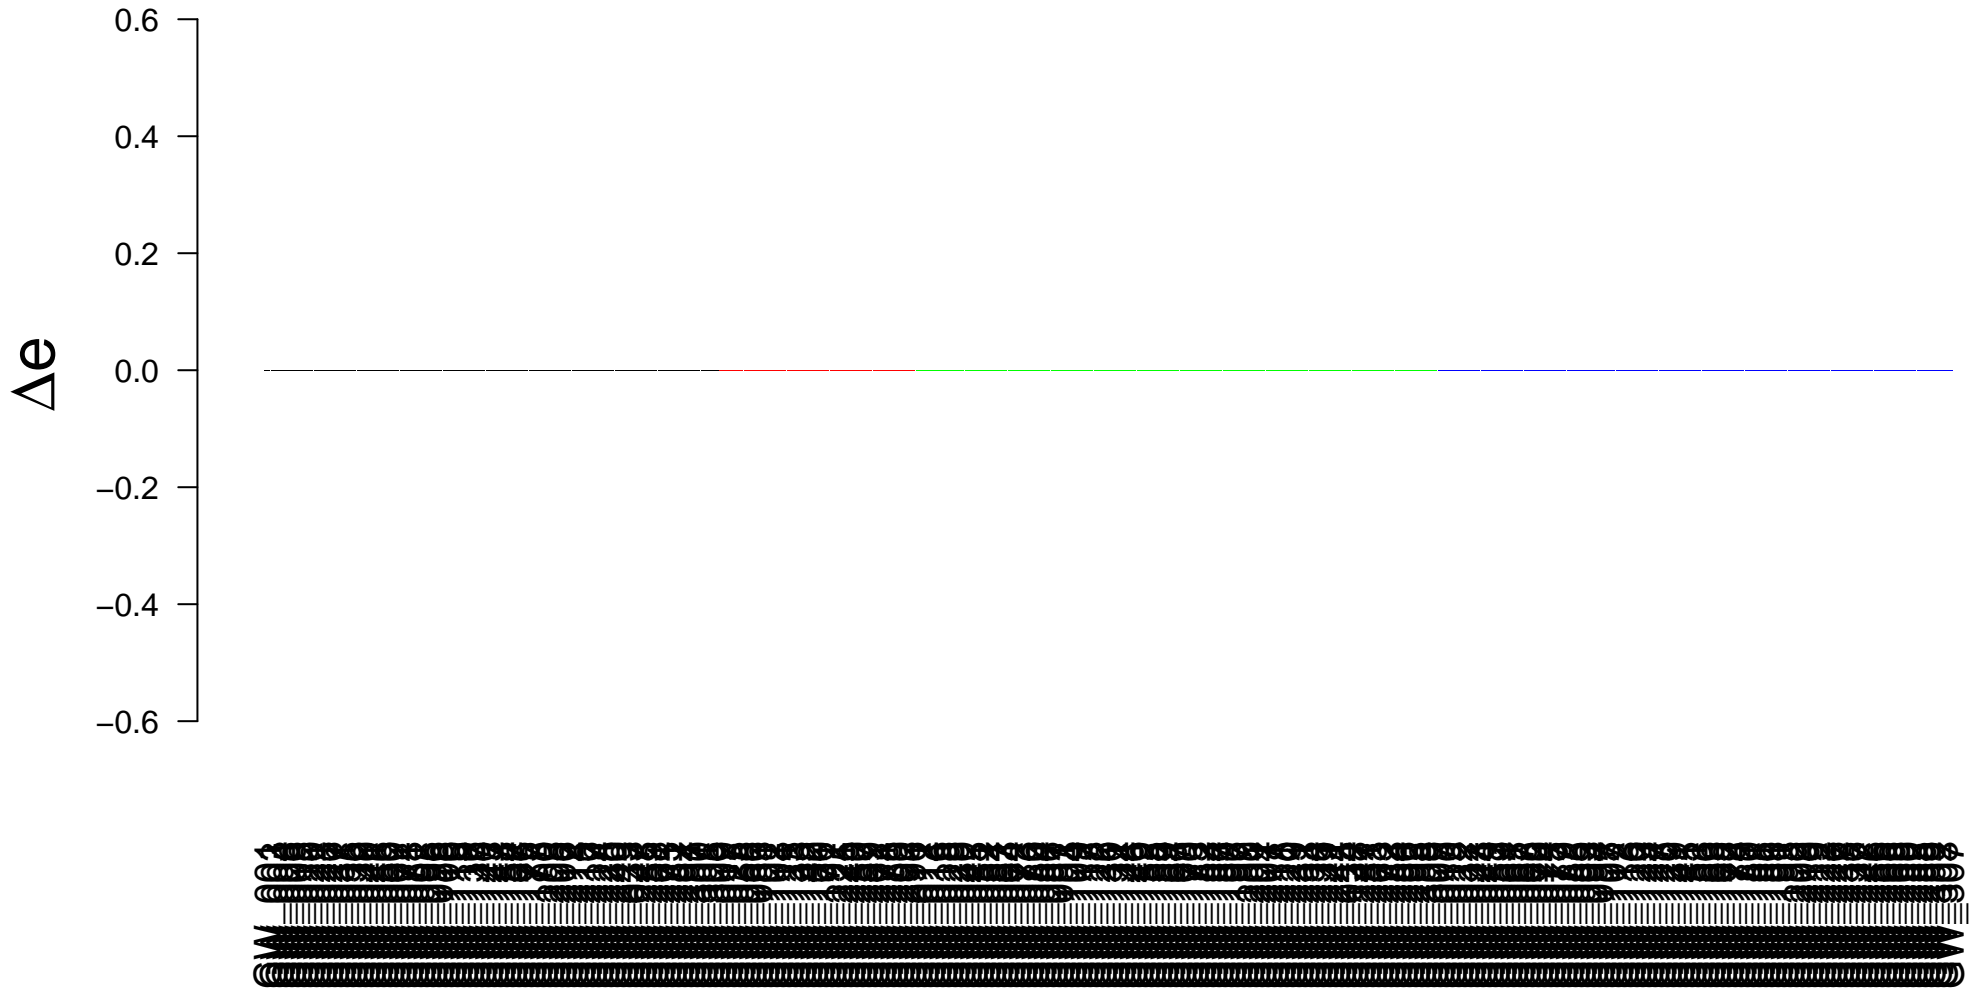

Expression of DNA methylation in Spot H

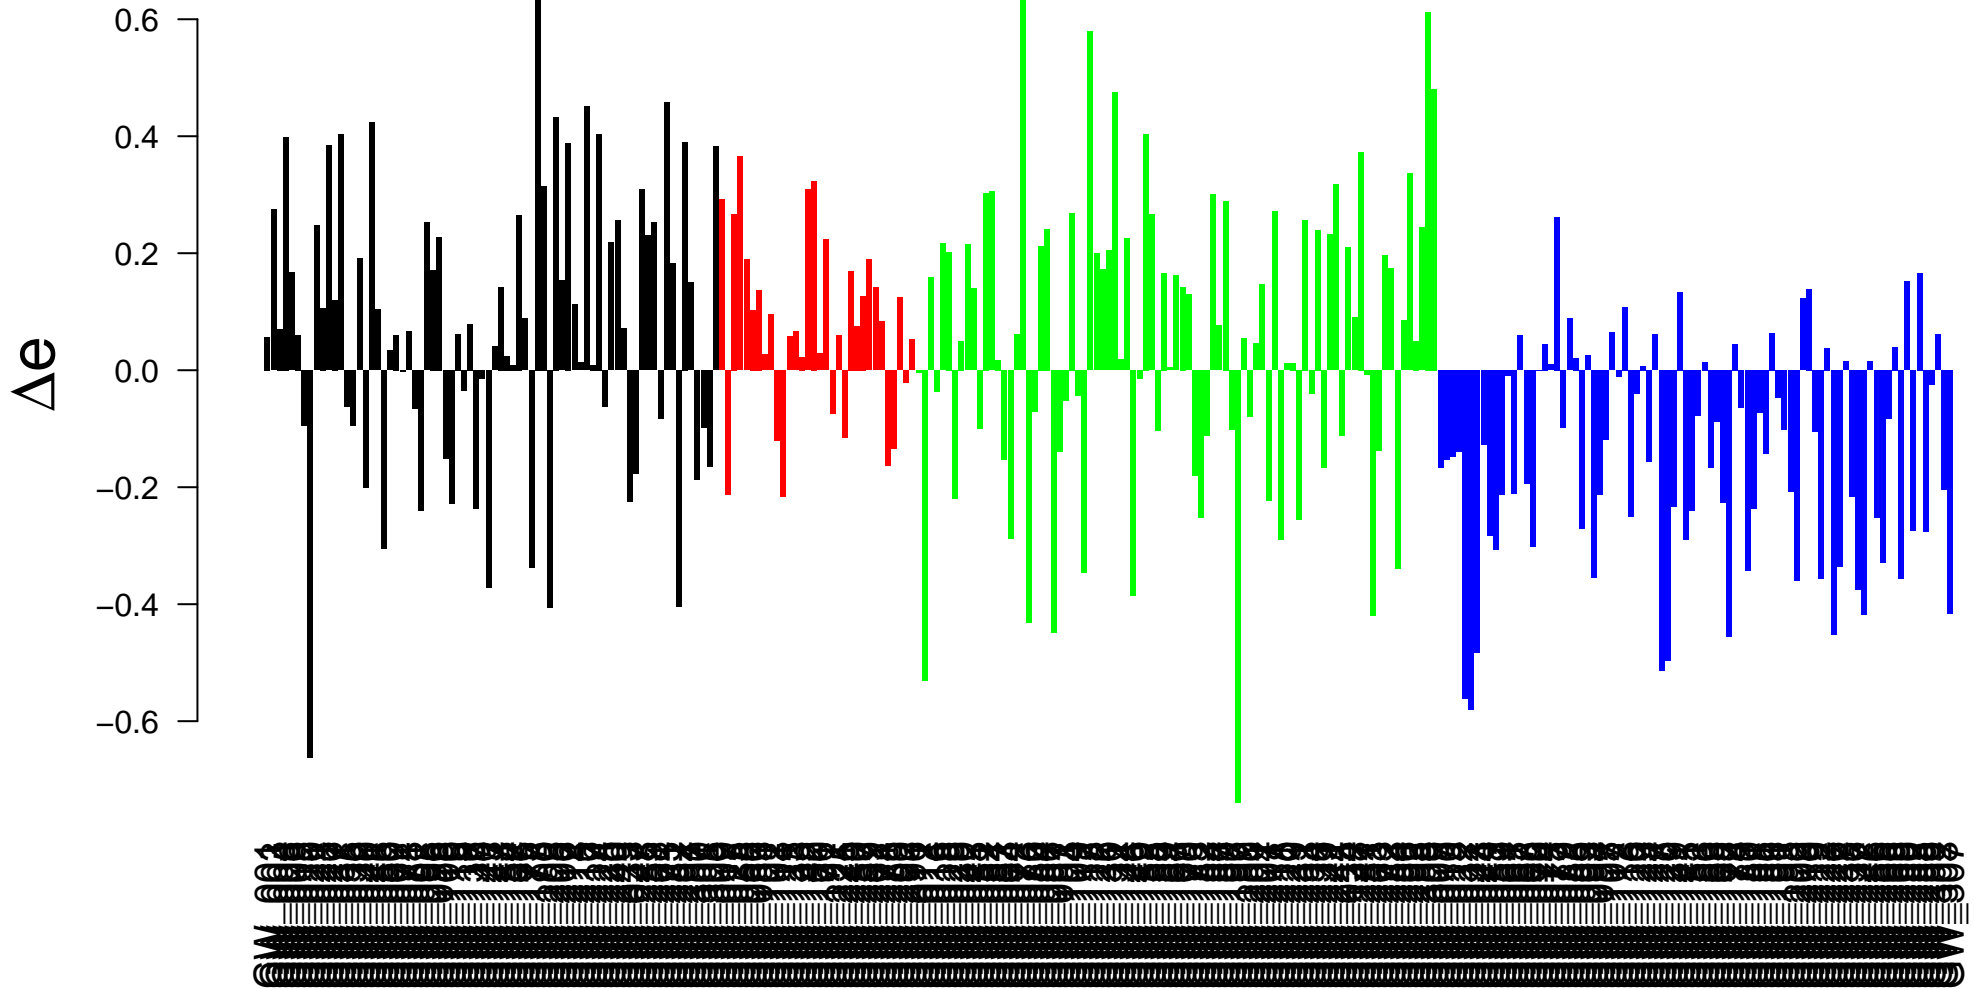

Expression of DNA methylation in Spot I

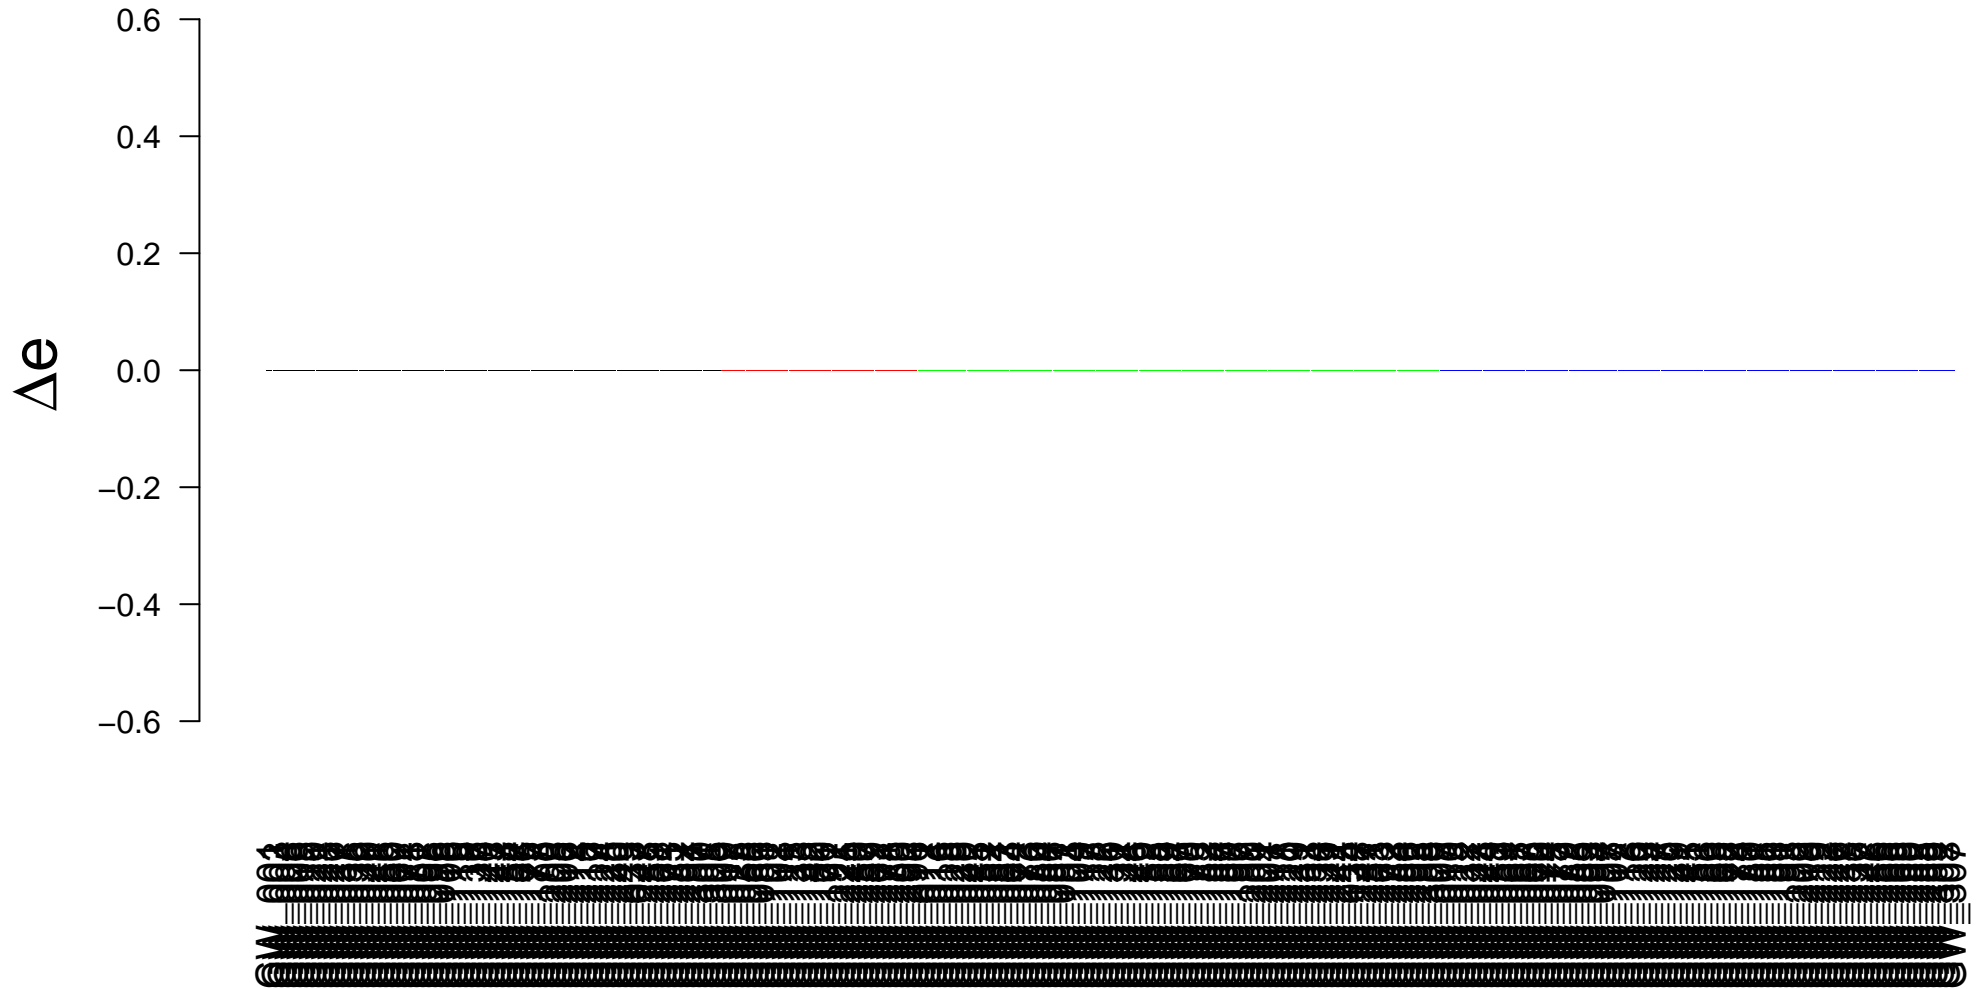

Expression of DNA methylation in Spot J

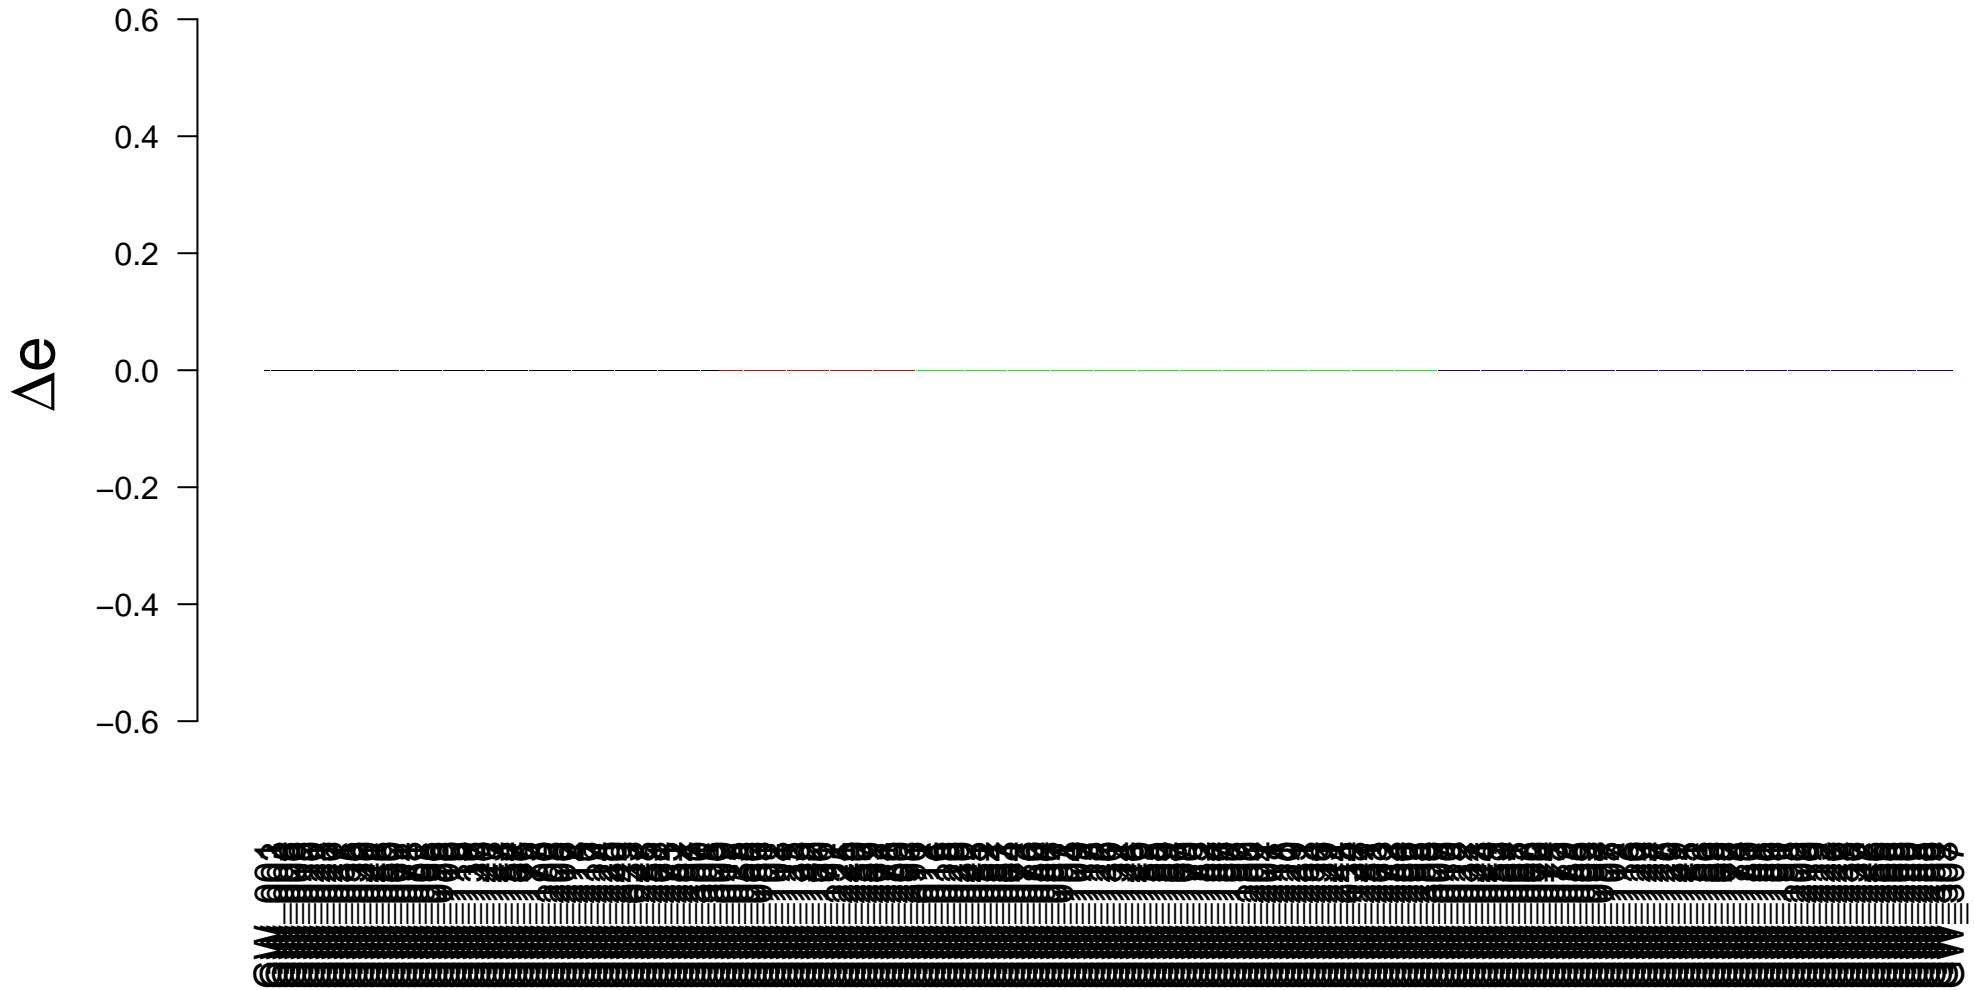

Expression of DNA methylation in Spot K

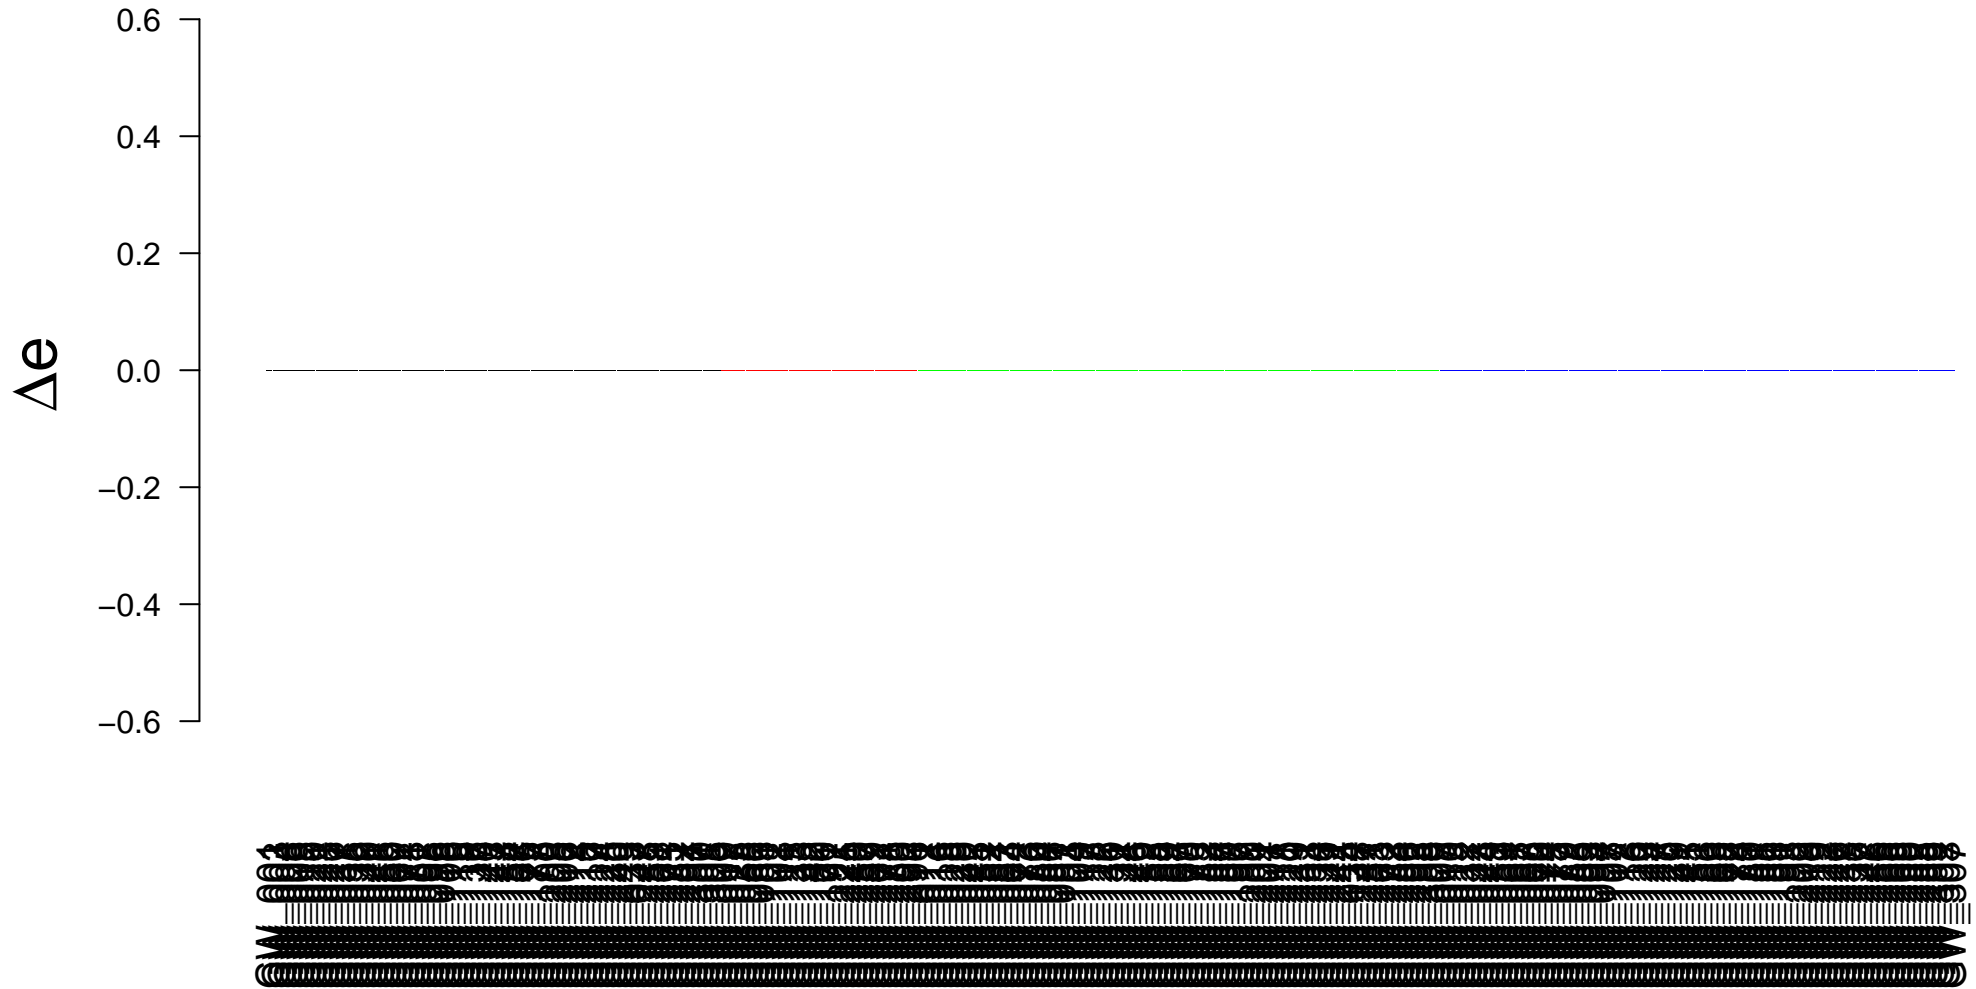

Expression of DNA methylation in Spot L

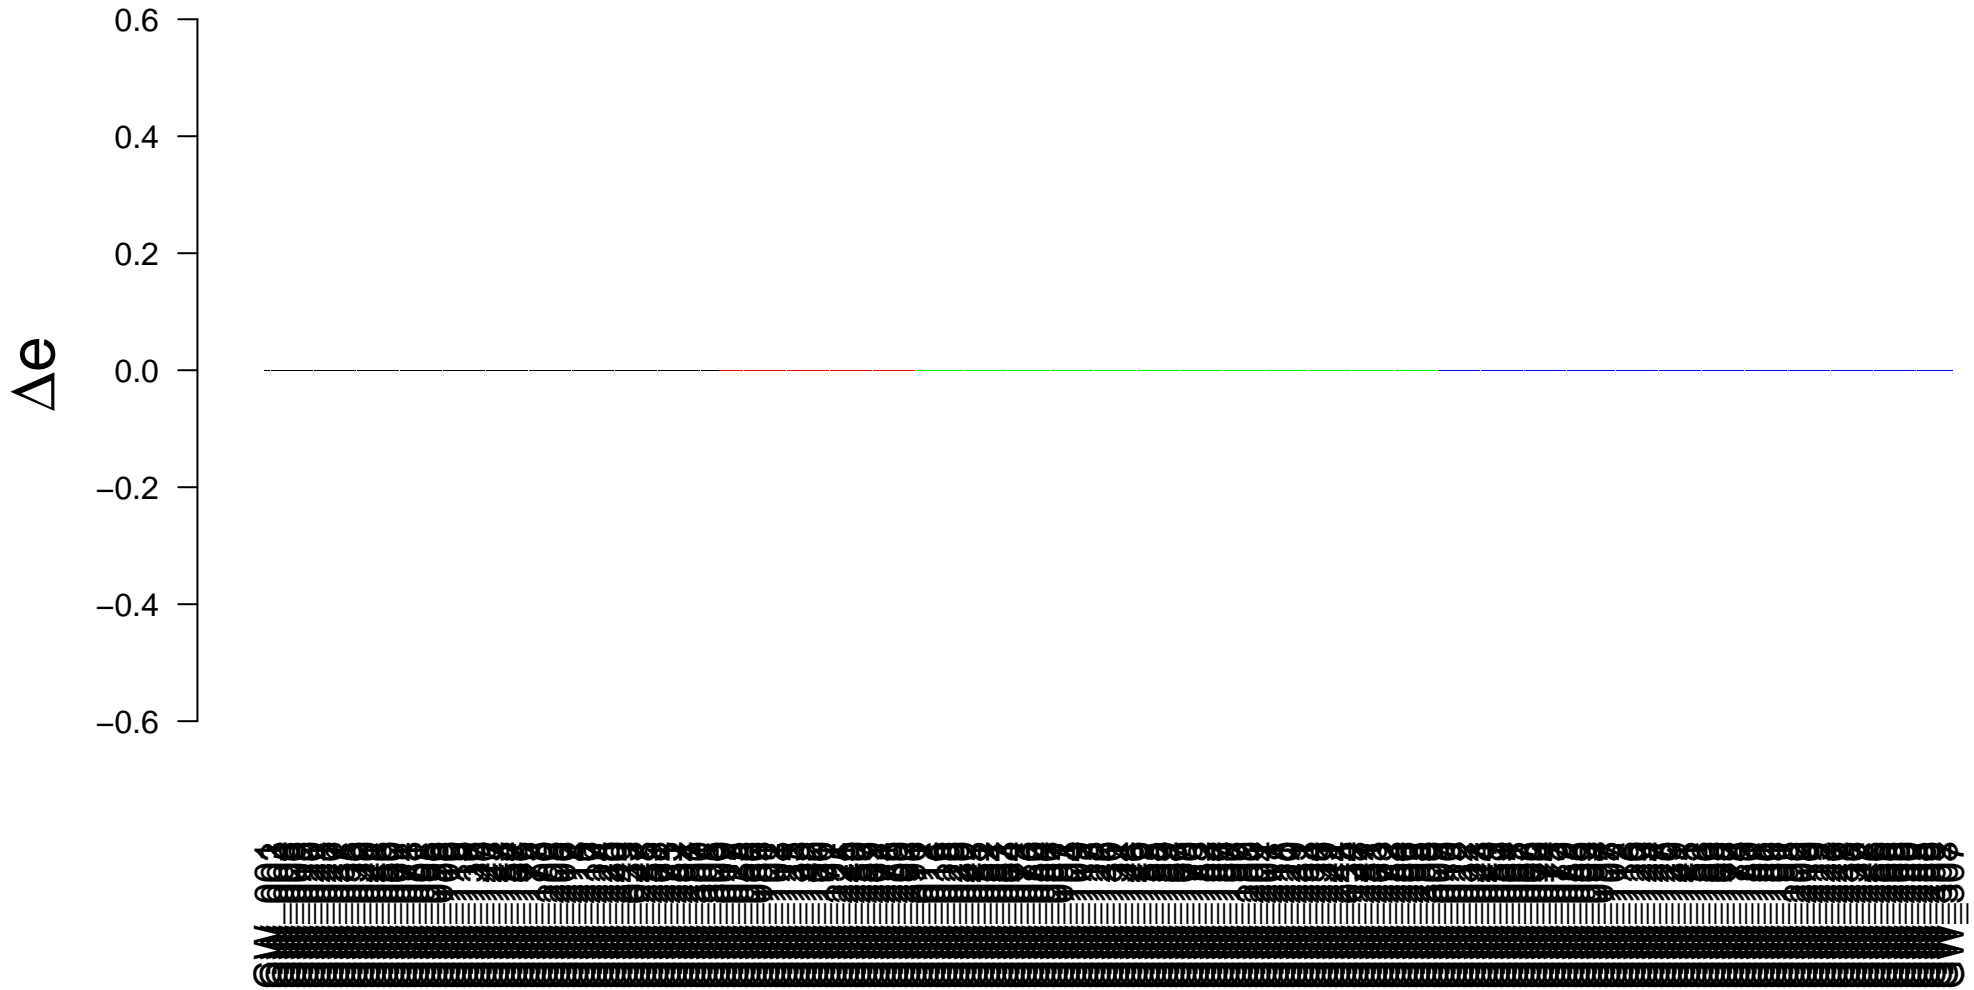

Expression of DNA methylation in Spot M

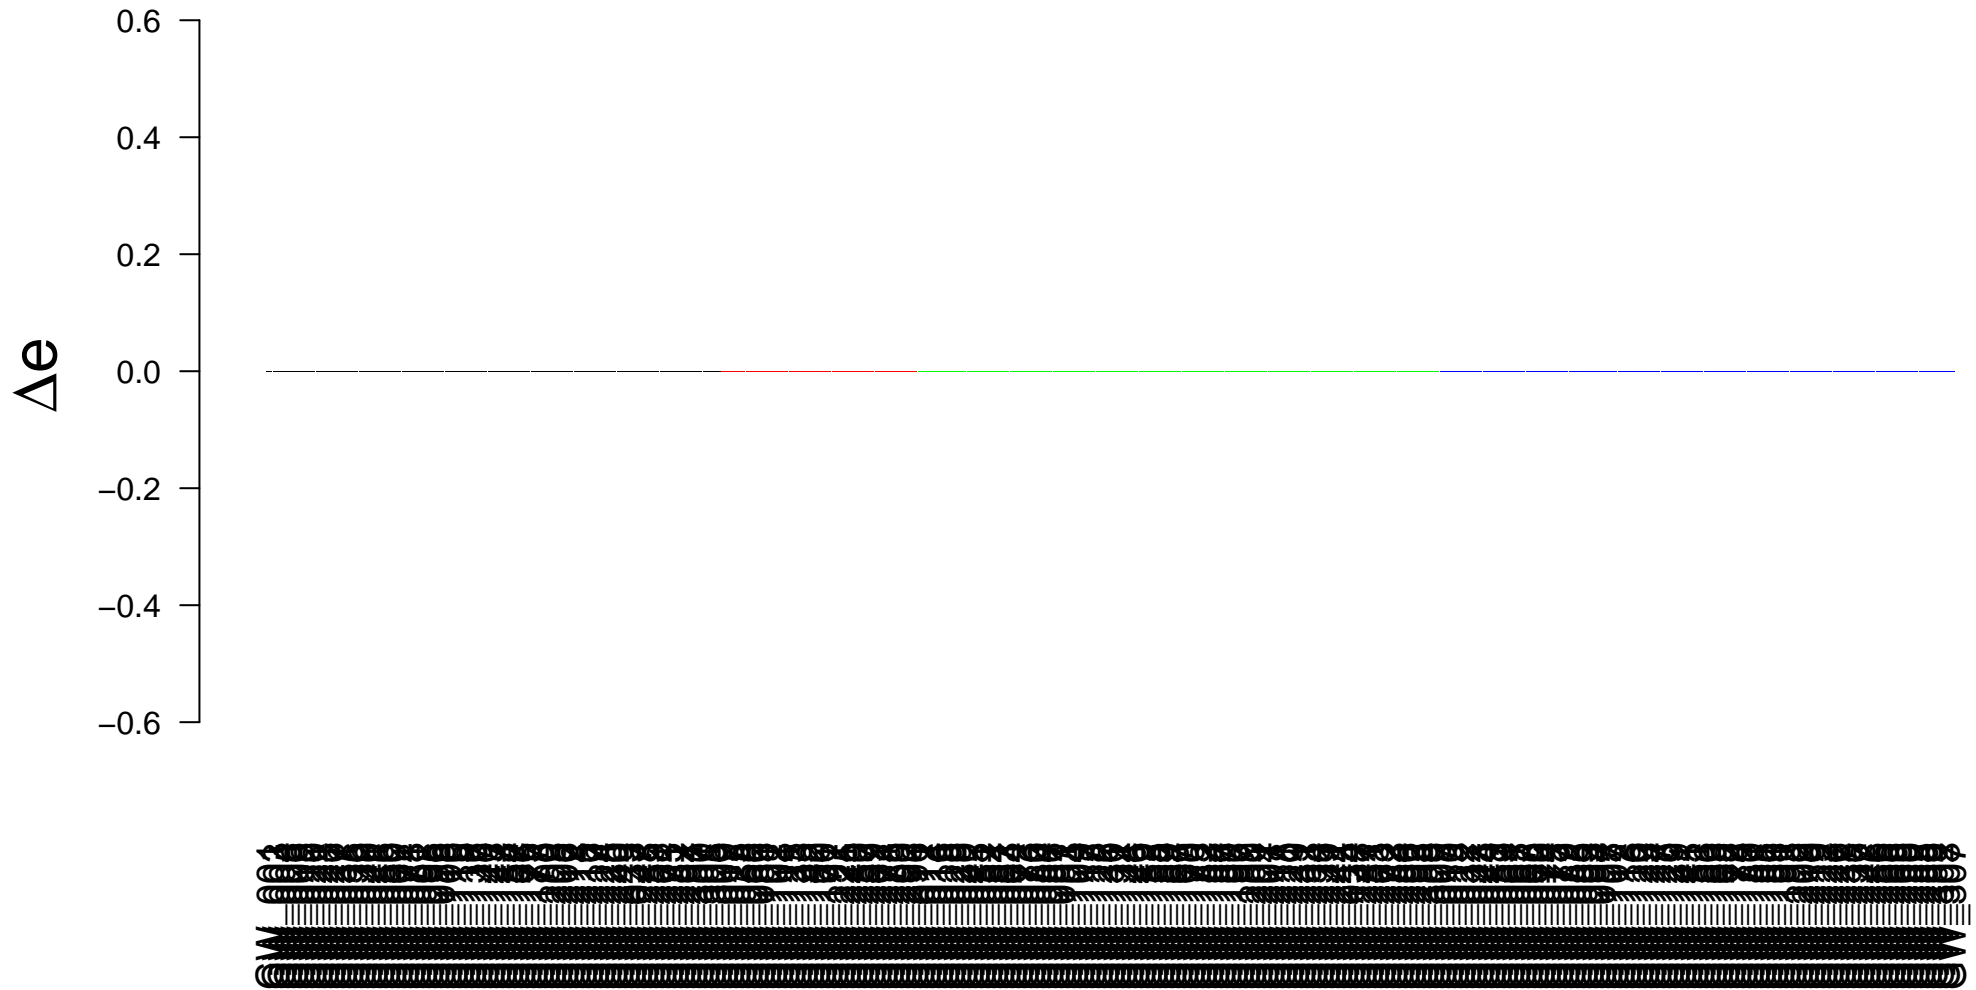

Expression of DNA methylation in Spot N

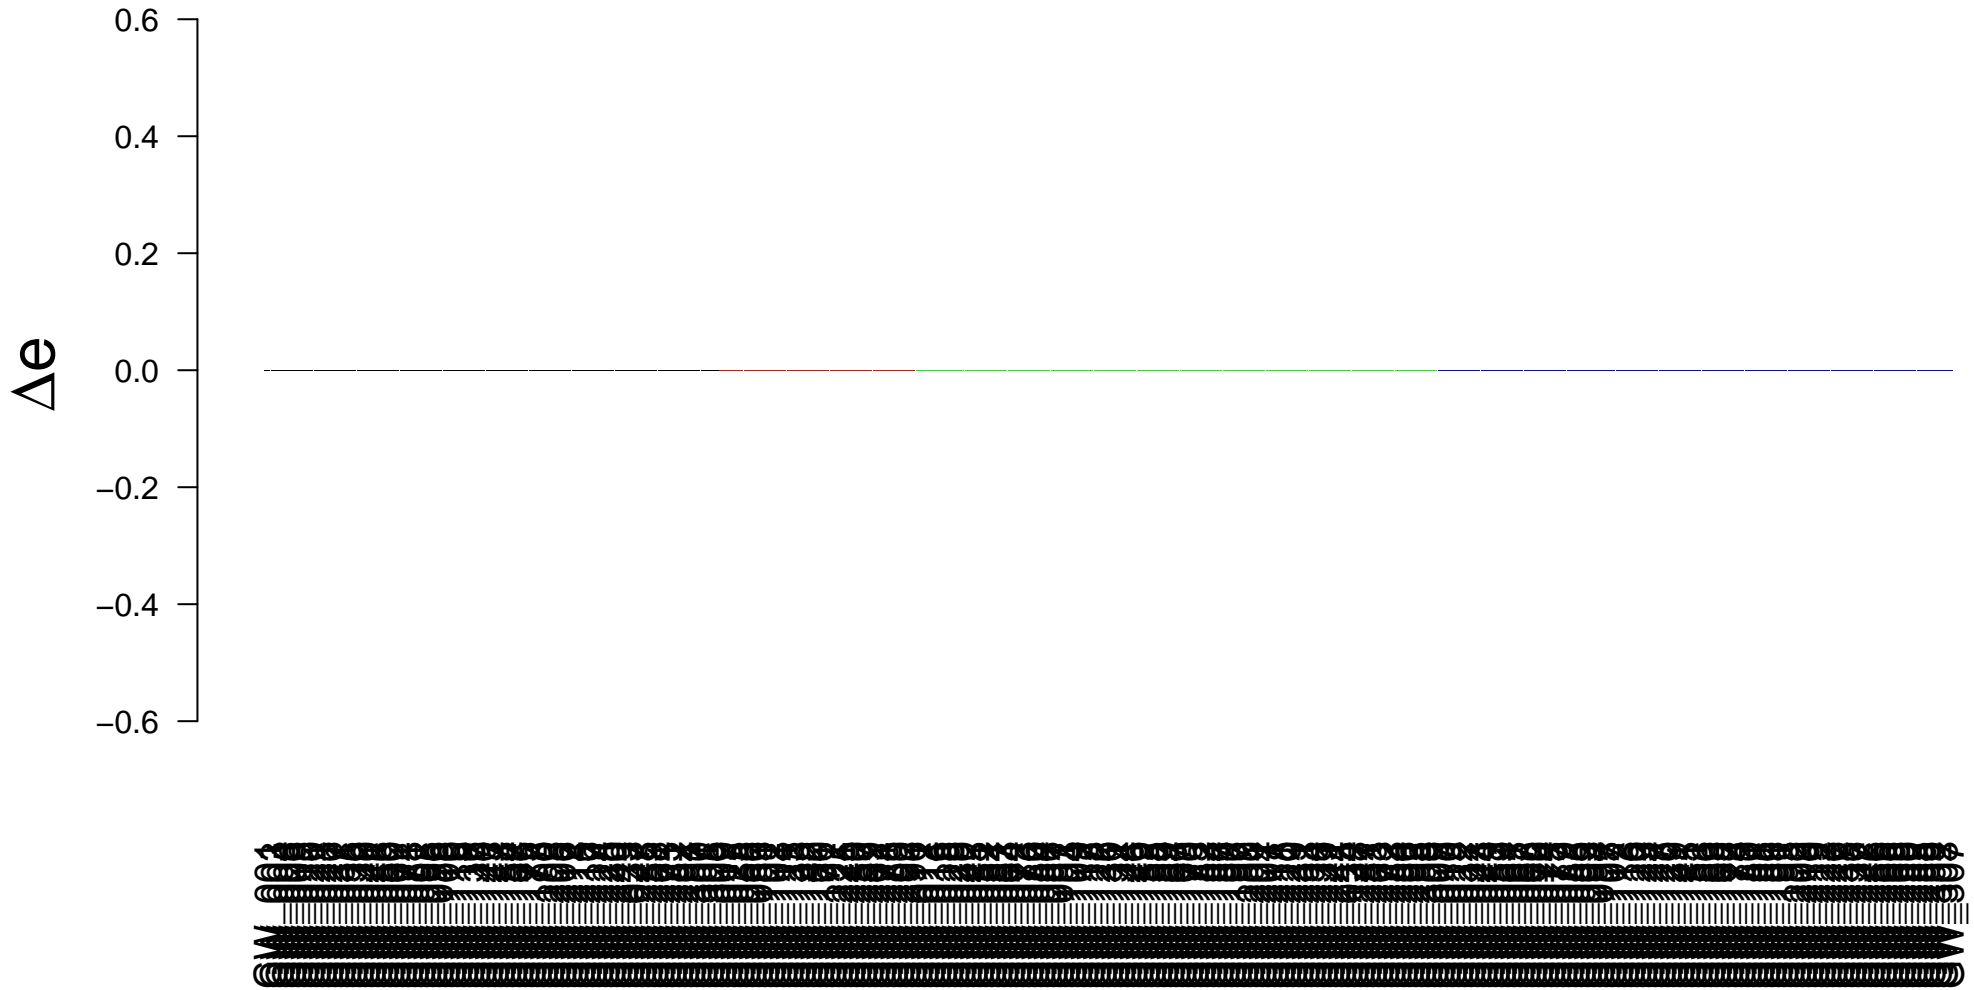

Expression of DNA methylation in Spot O

Expression of DNA methylation in Spot P

Expression of DNA methylation in Spot Q

Expression of DNA methylation in Spot R
