

G-protein coupled receptor binding

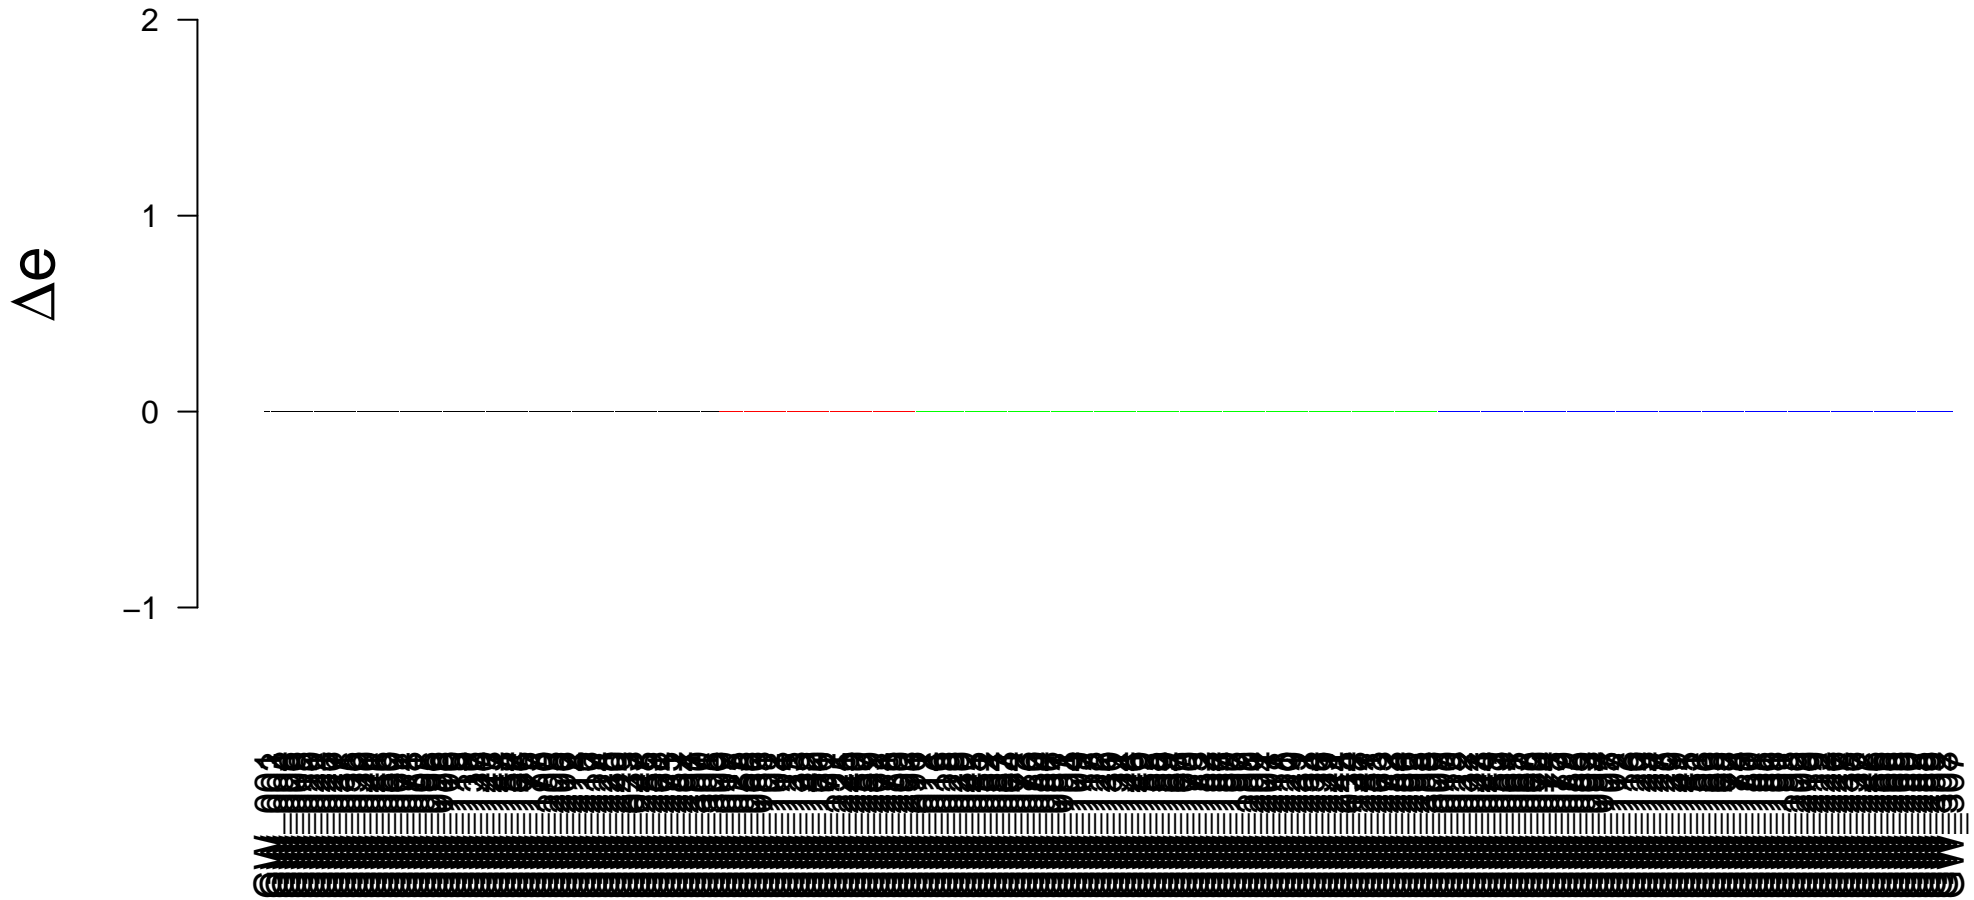

G-protein coupled receptor binding

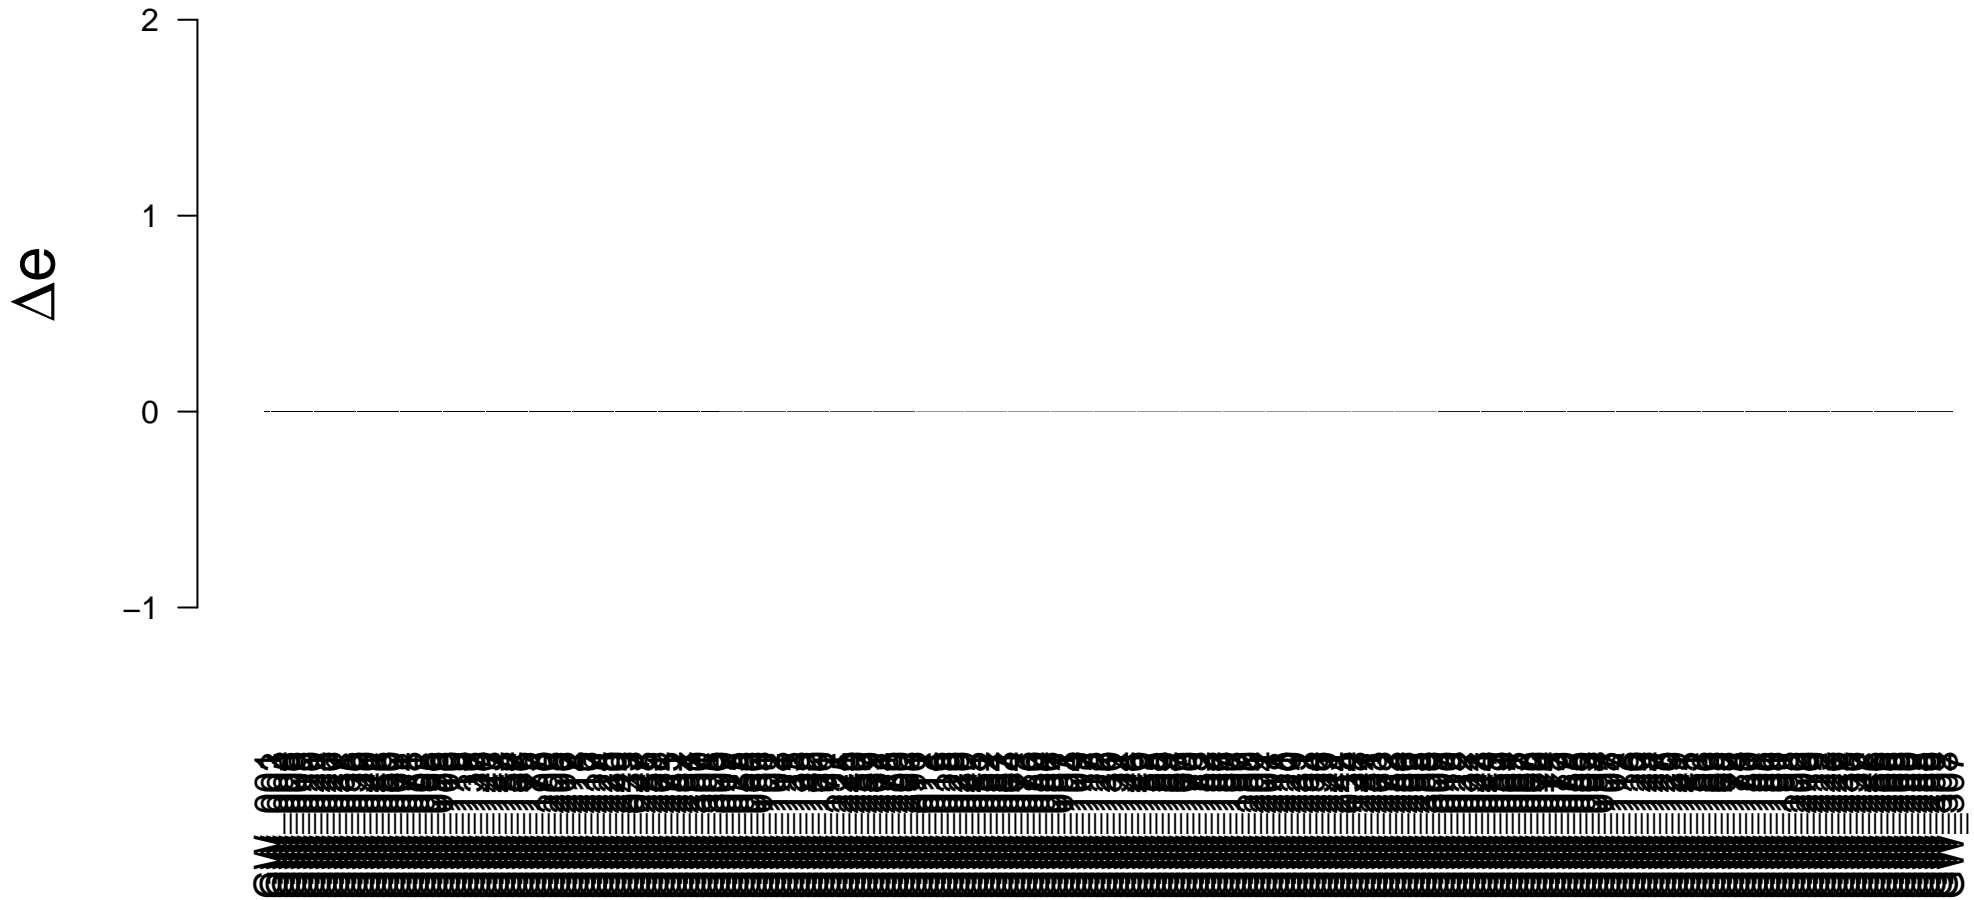

Enrichment in spots: G-protein coupled receptor binding

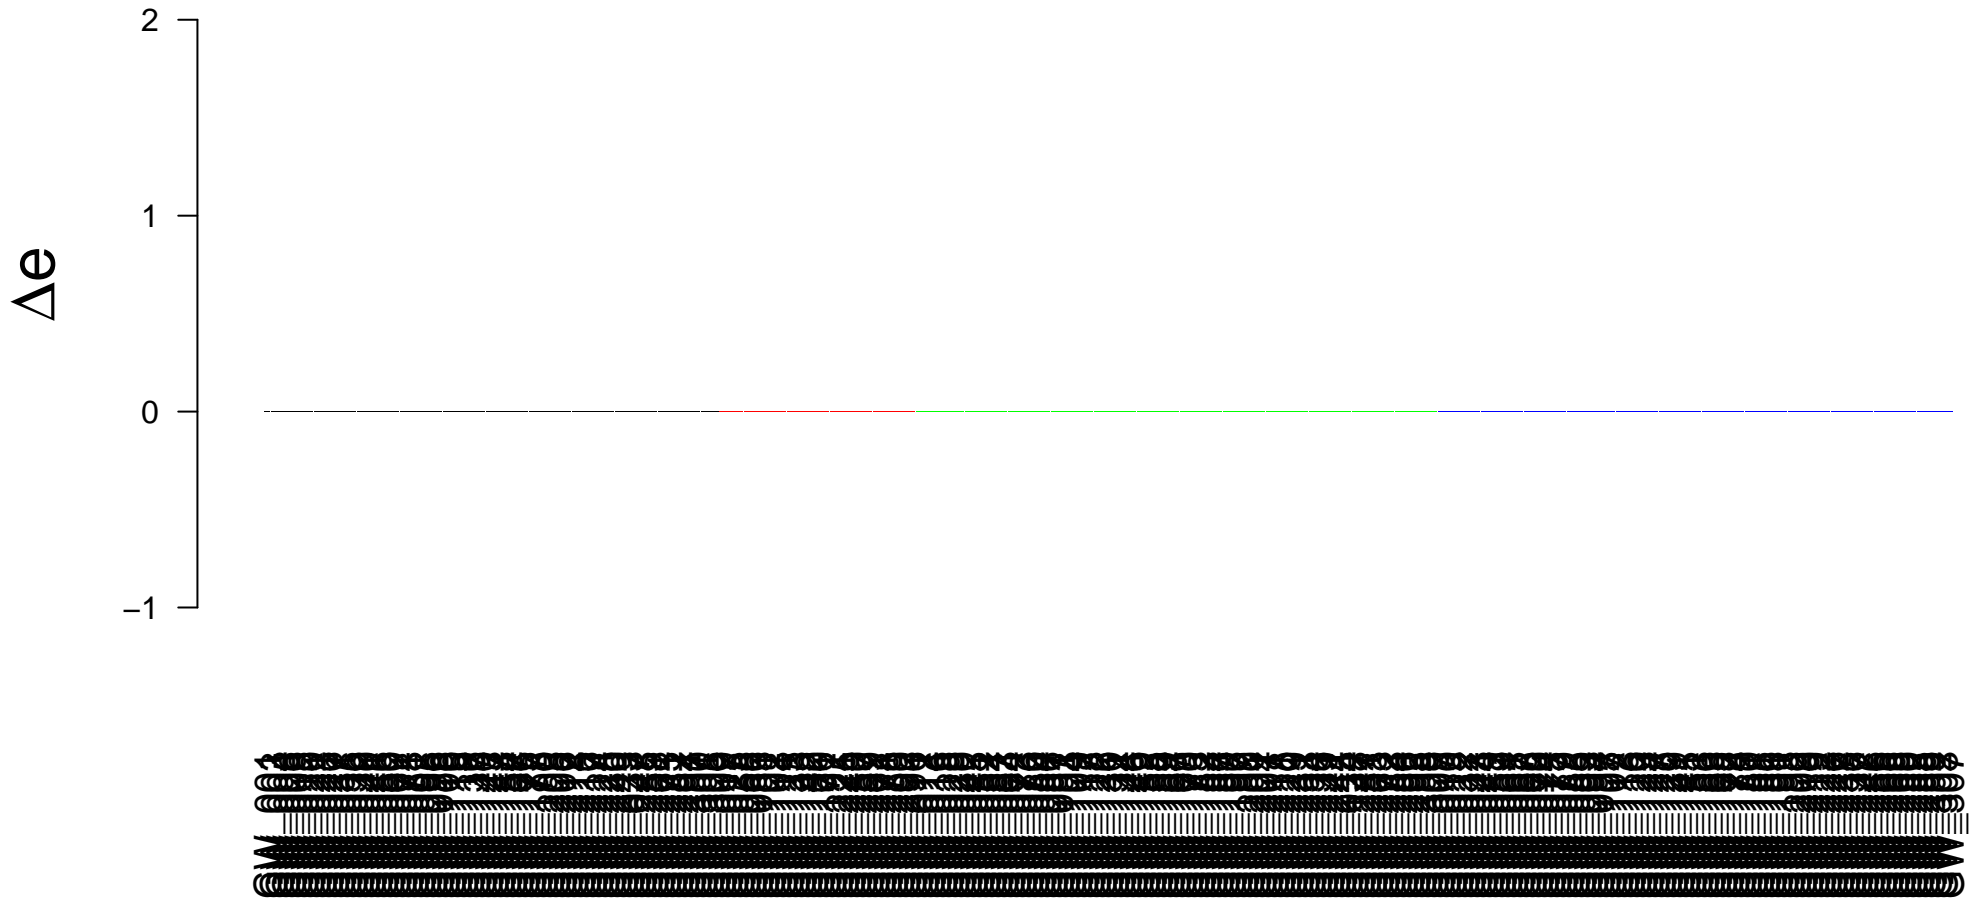

Expression of G-protein coupled receptor binding in Spot A

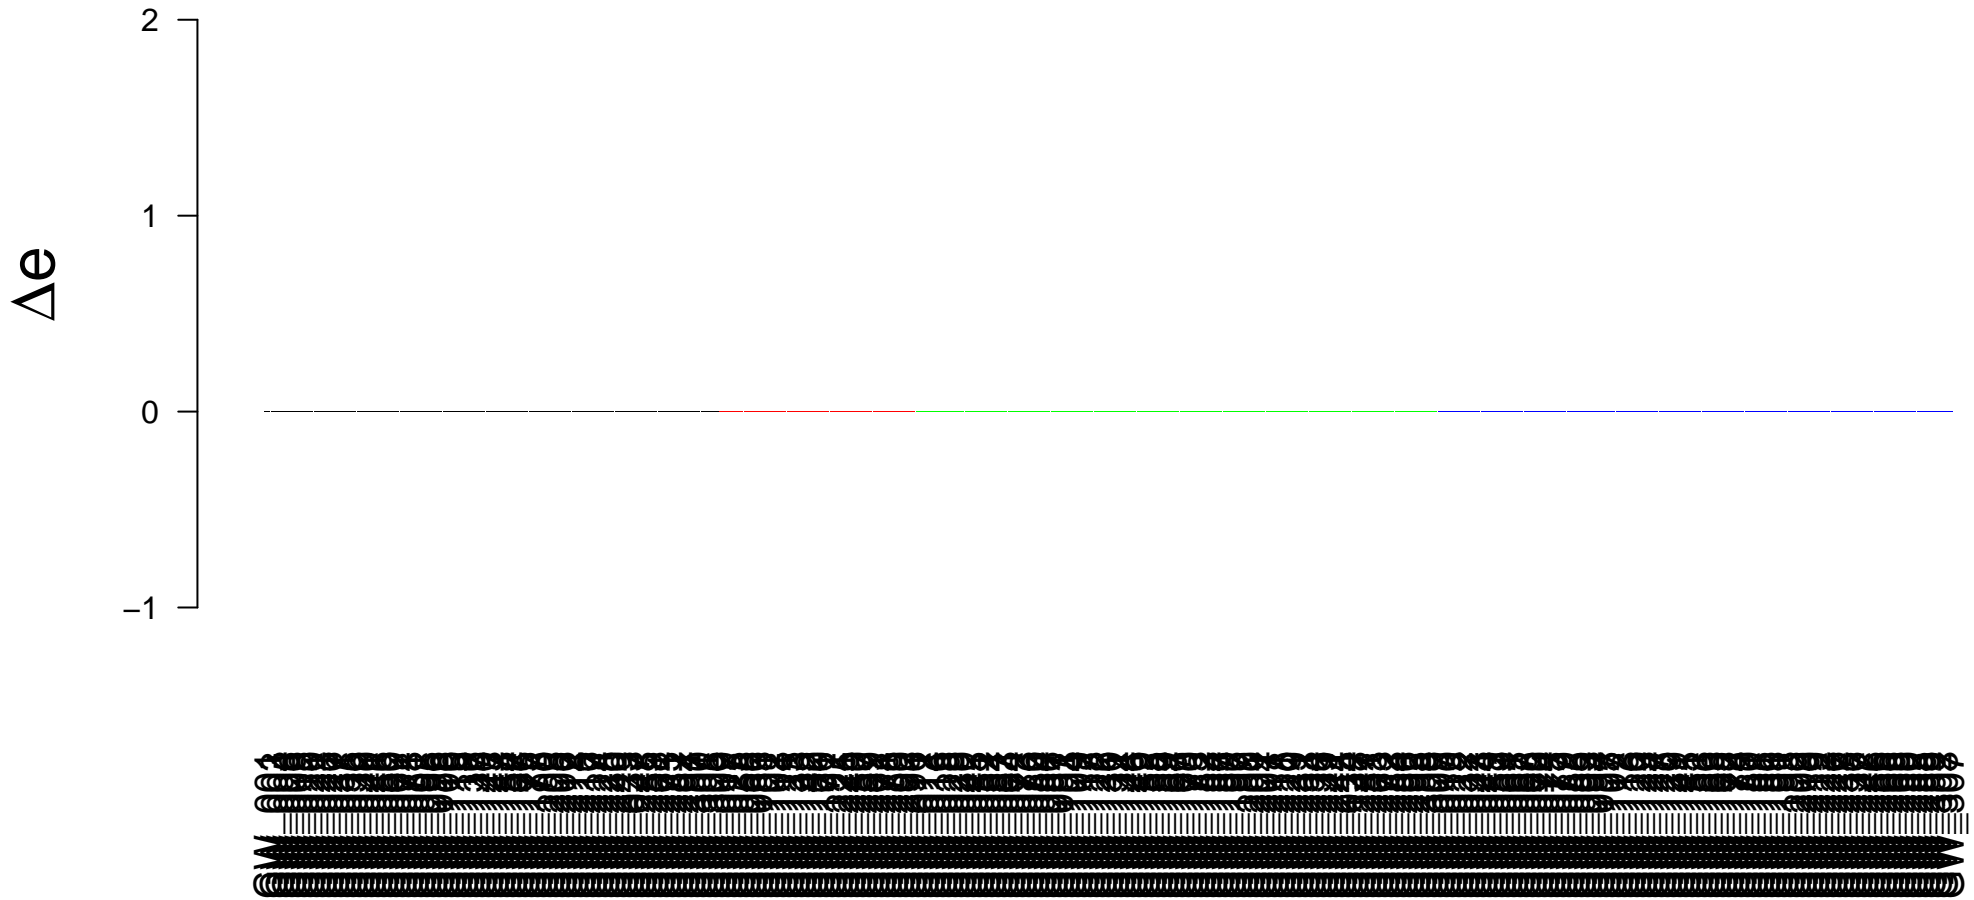

Expression of G-protein coupled receptor binding in Spot B

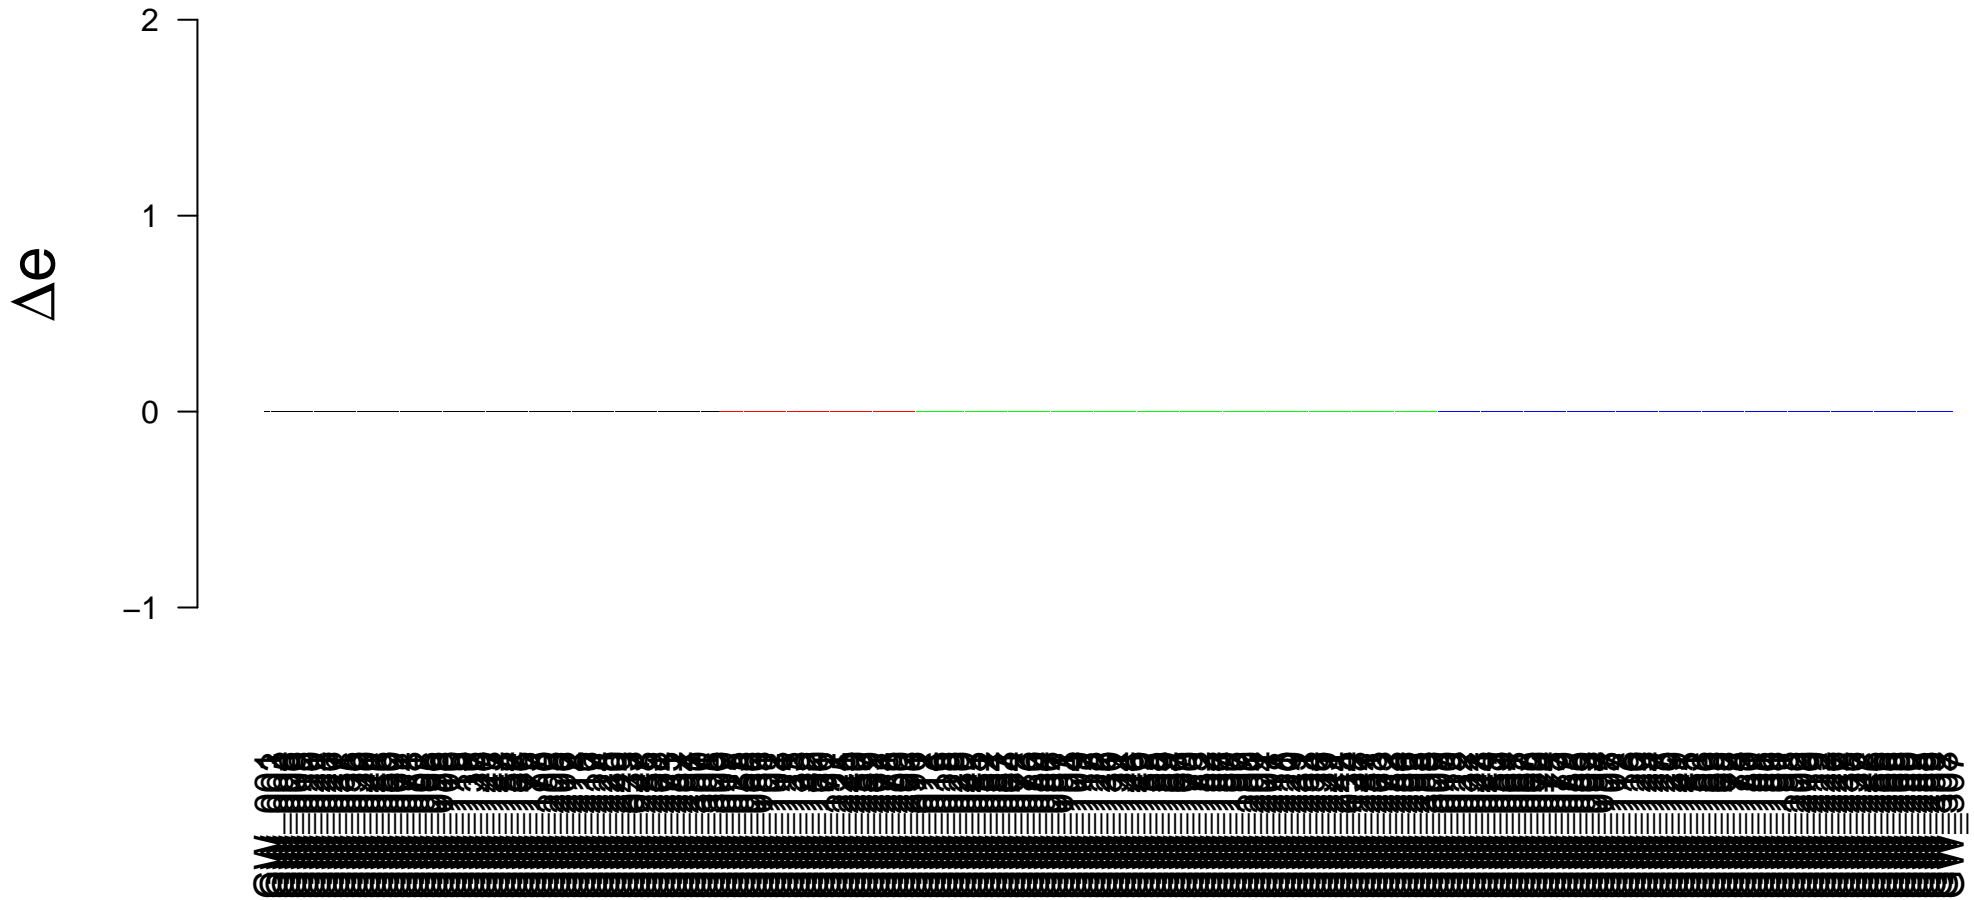

Expression of G-protein coupled receptor binding in Spot C

Expression of G-protein coupled receptor binding in Spot D

Expression of G-protein coupled receptor binding in Spot E

Expression of G-protein coupled receptor binding in Spot F

Expression of G-protein coupled receptor binding in Spot M

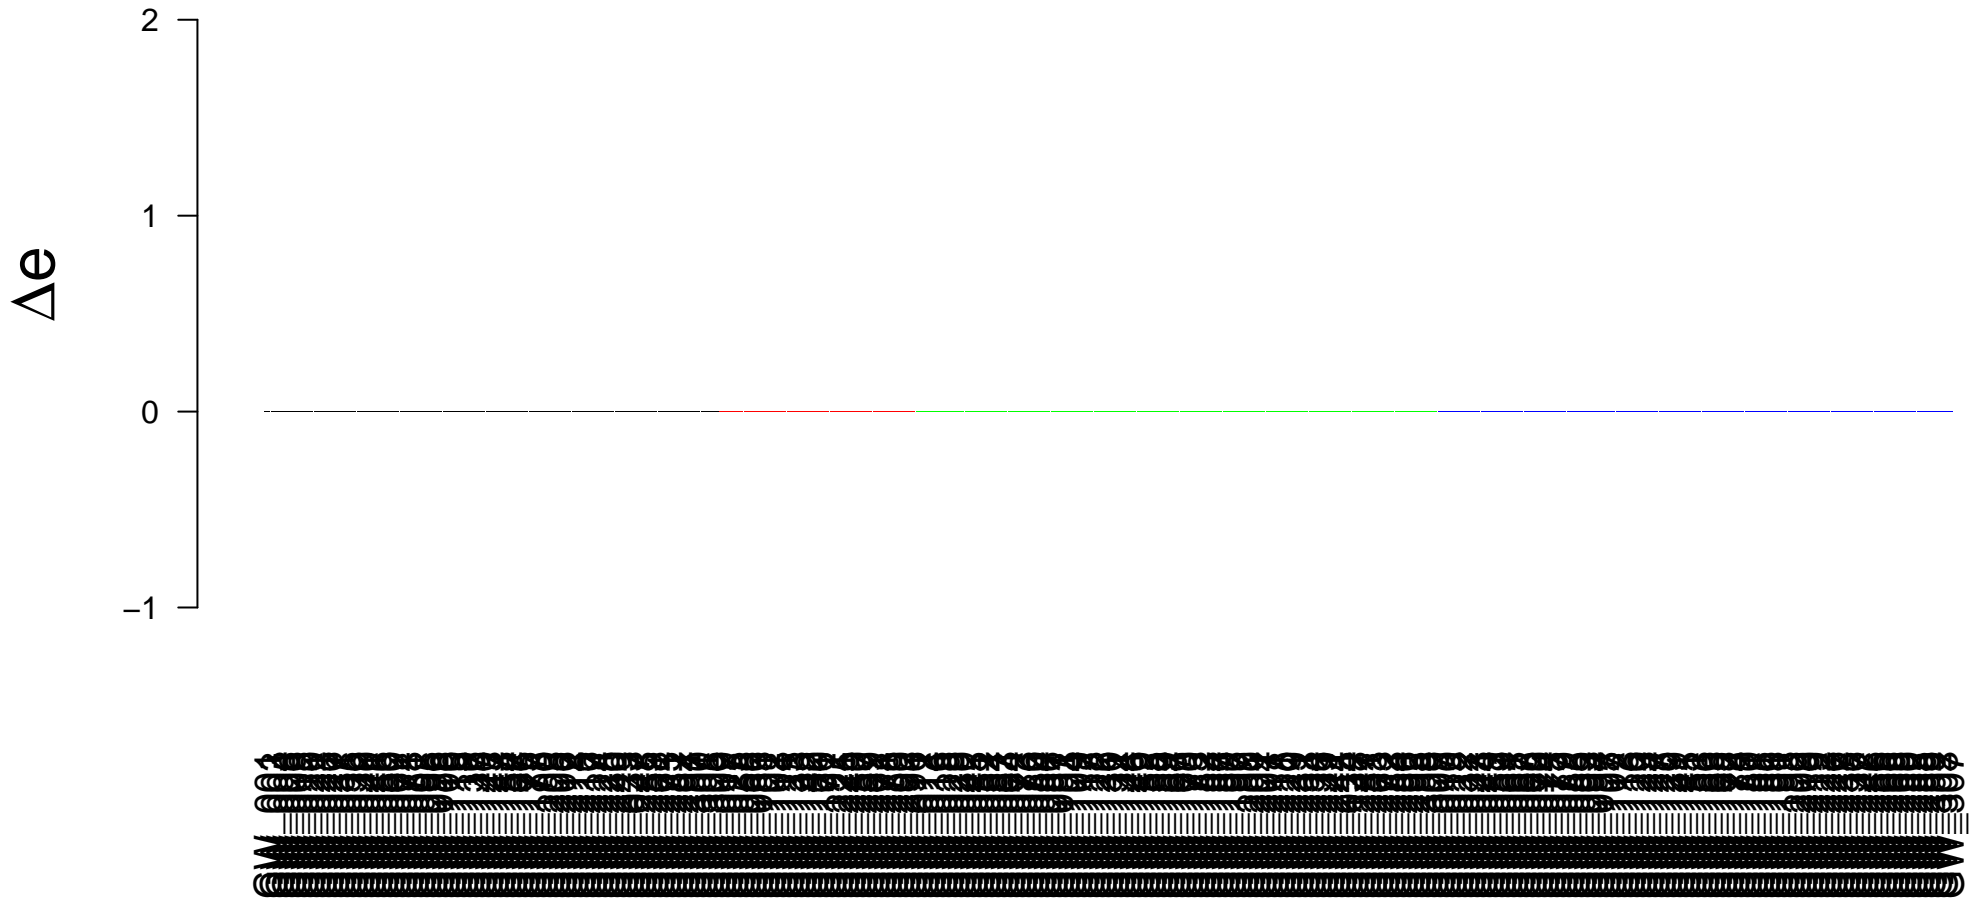

Expression of G-protein coupled receptor binding in Spot N

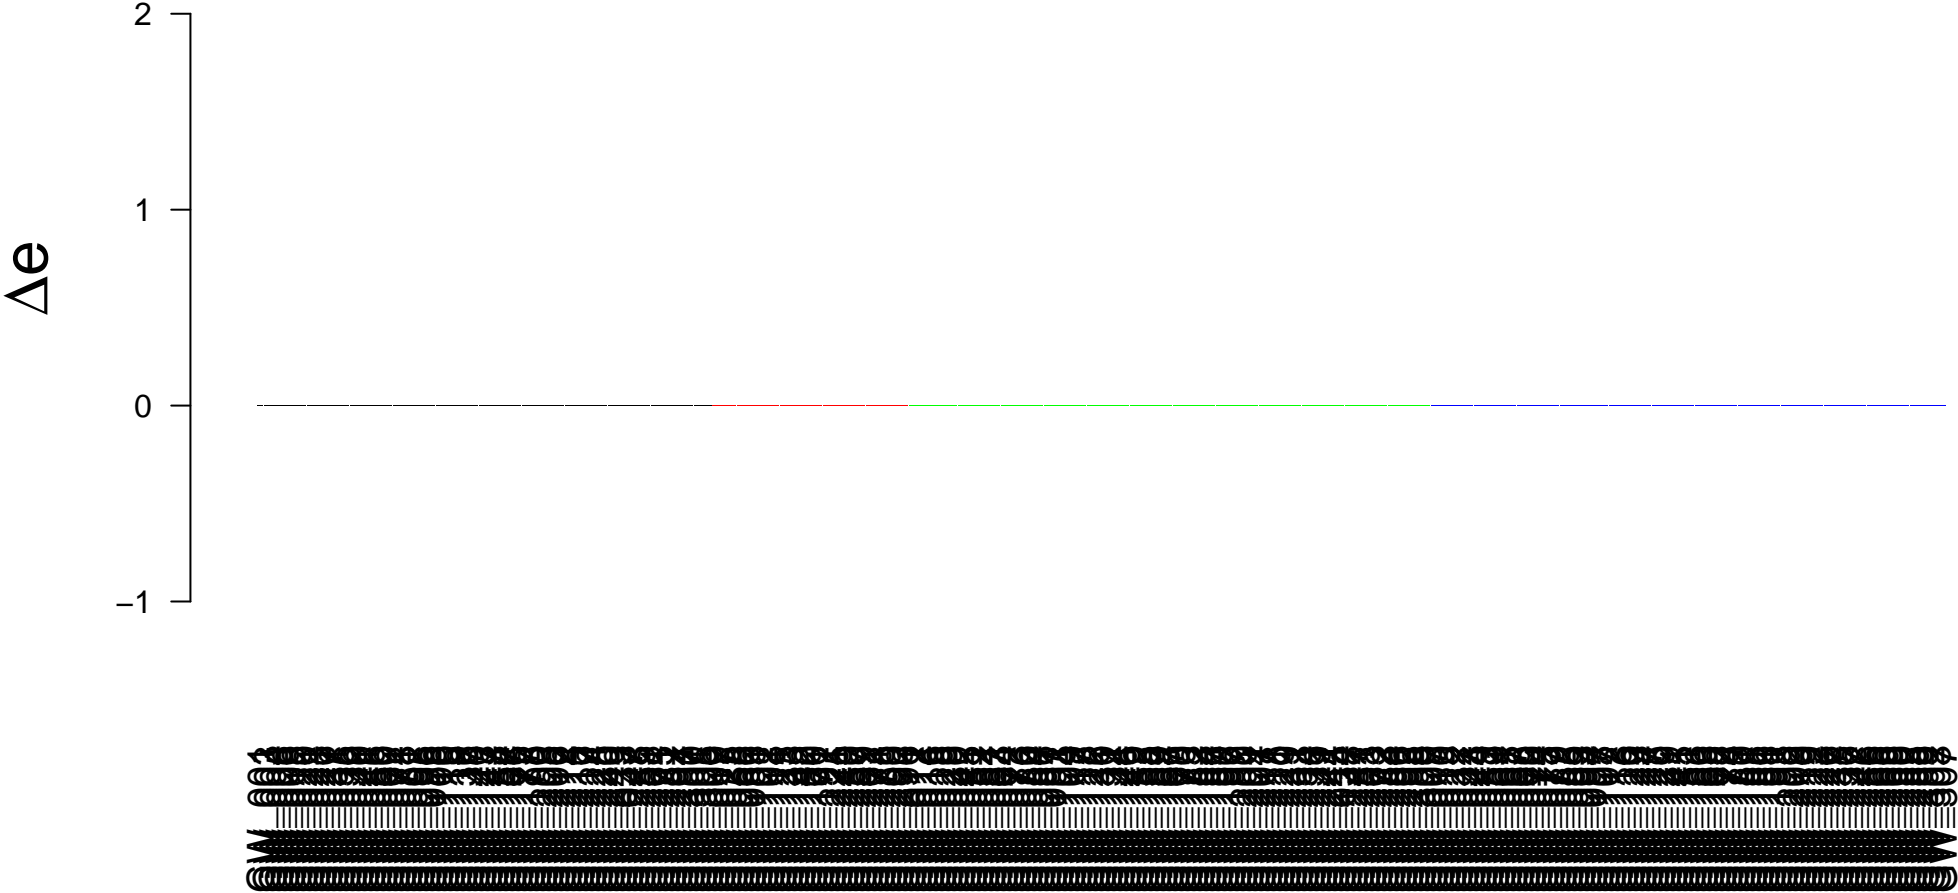

Expression of G-protein coupled receptor binding in Spot O

Expression of G-protein coupled receptor binding in Spot P

Expression of G-protein coupled receptor binding in Spot Q

Expression of G-protein coupled receptor binding in Spot R
