GTPase inhibitor activity

Enrichment in spots: GTPase inhibitor activity

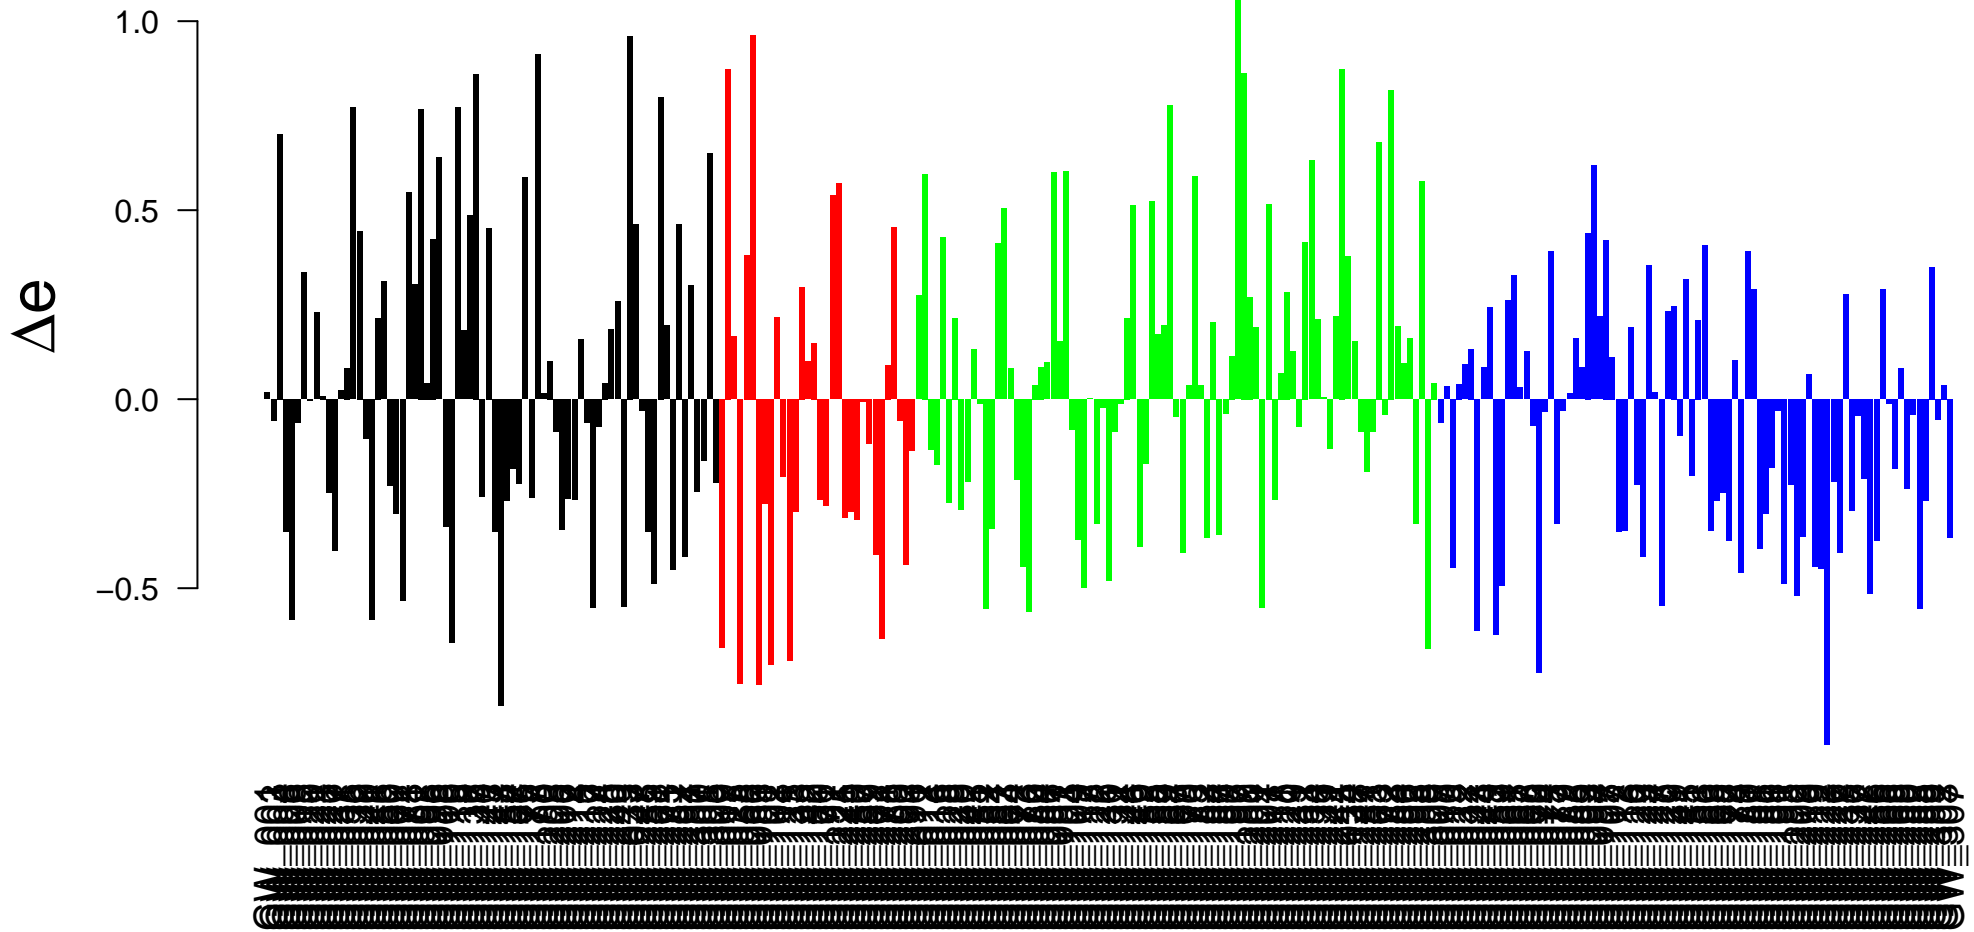

Expression of GTPase inhibitor activity in Spot A

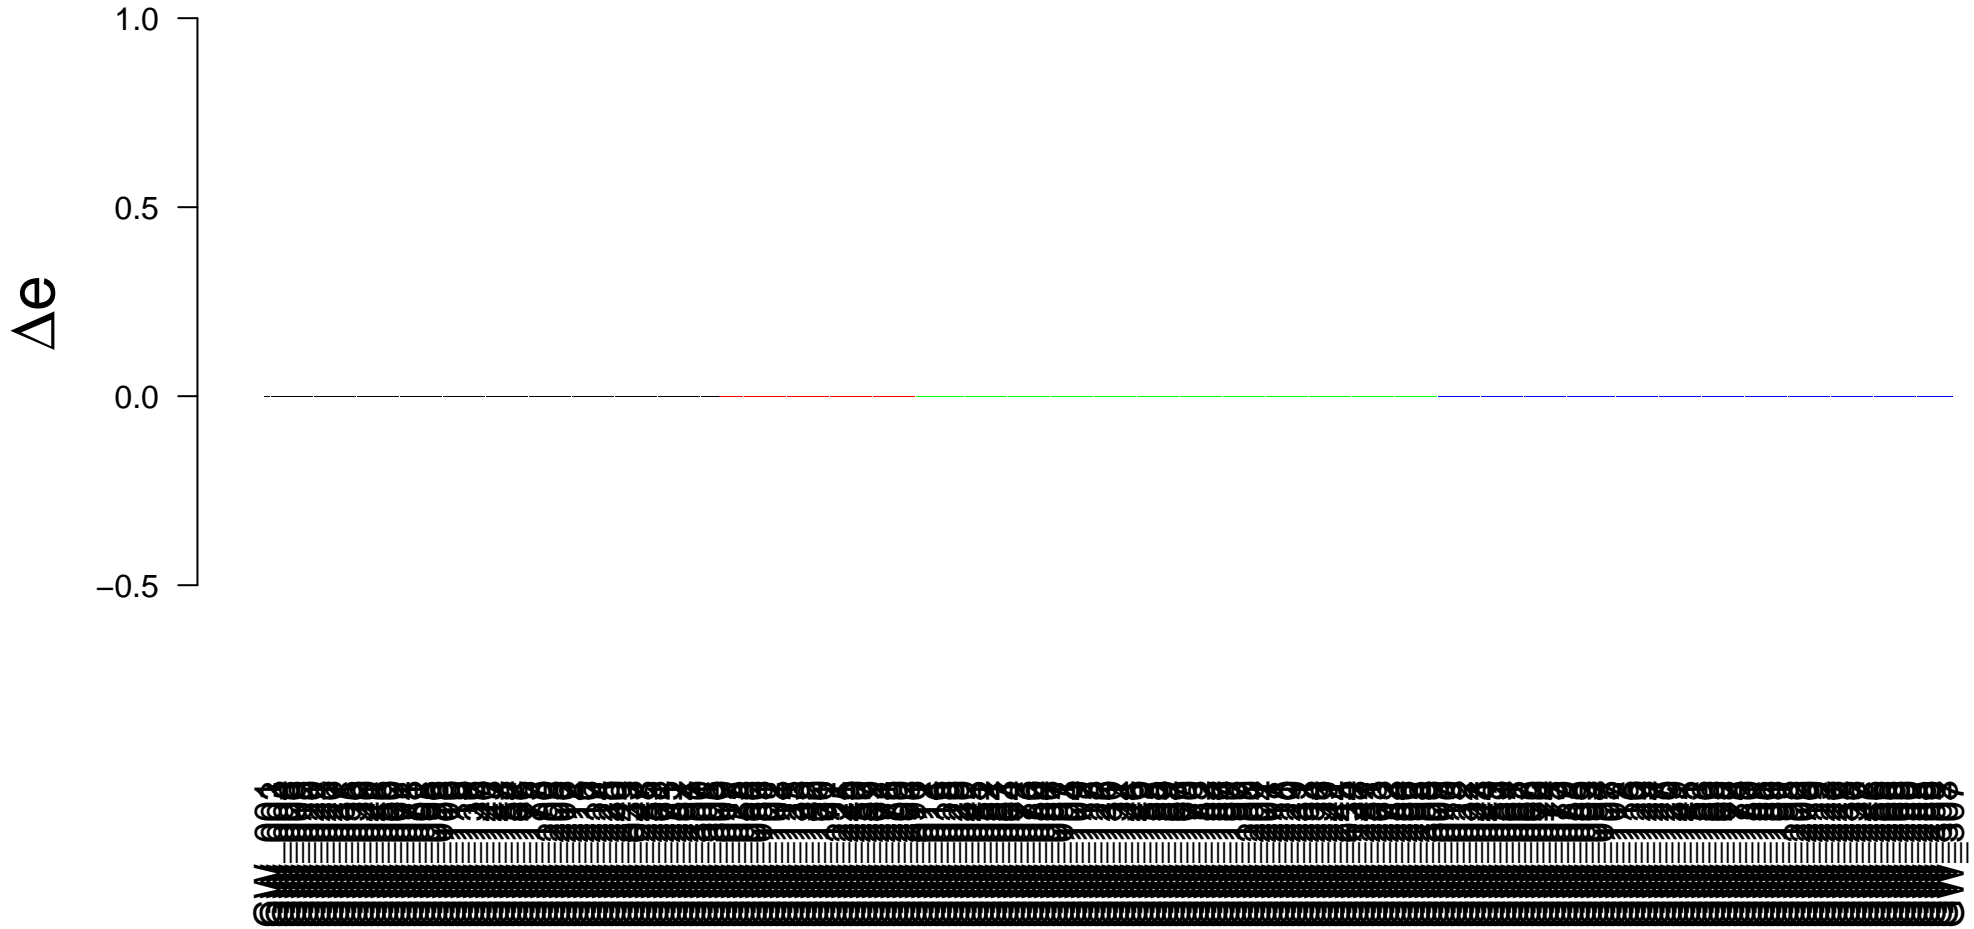

Expression of GTPase inhibitor activity in Spot B

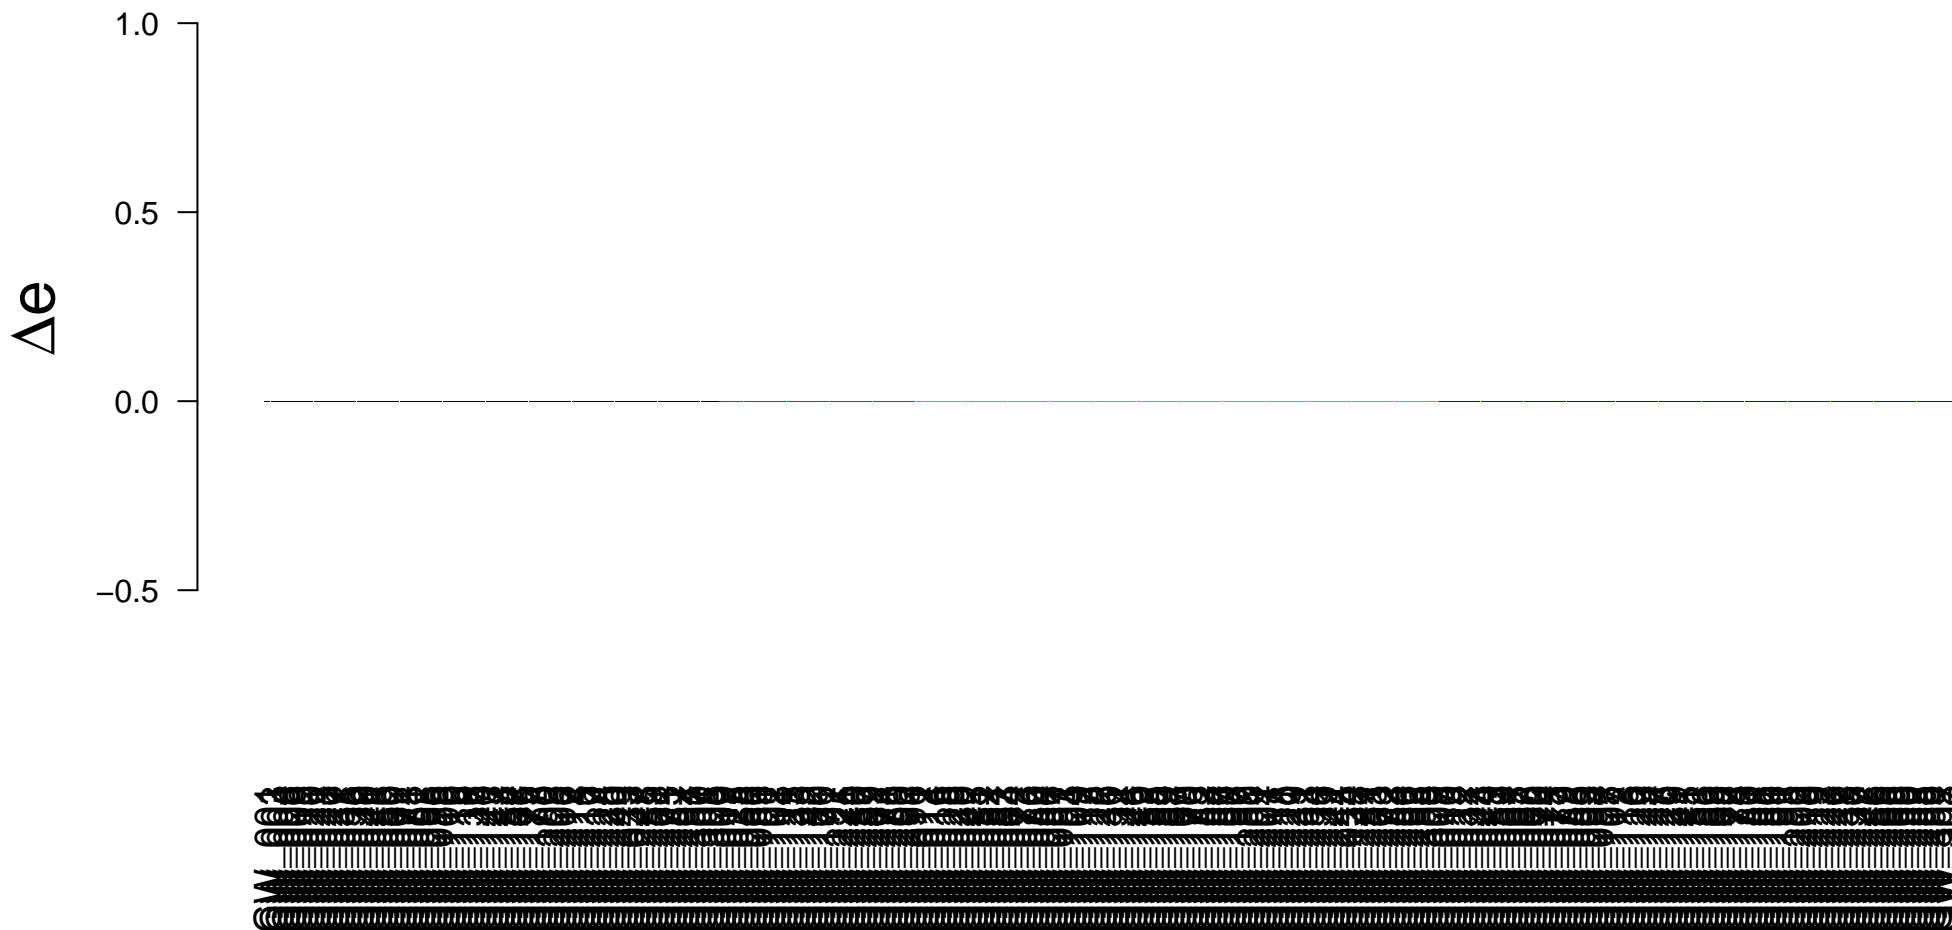

Expression of GTPase inhibitor activity in Spot C

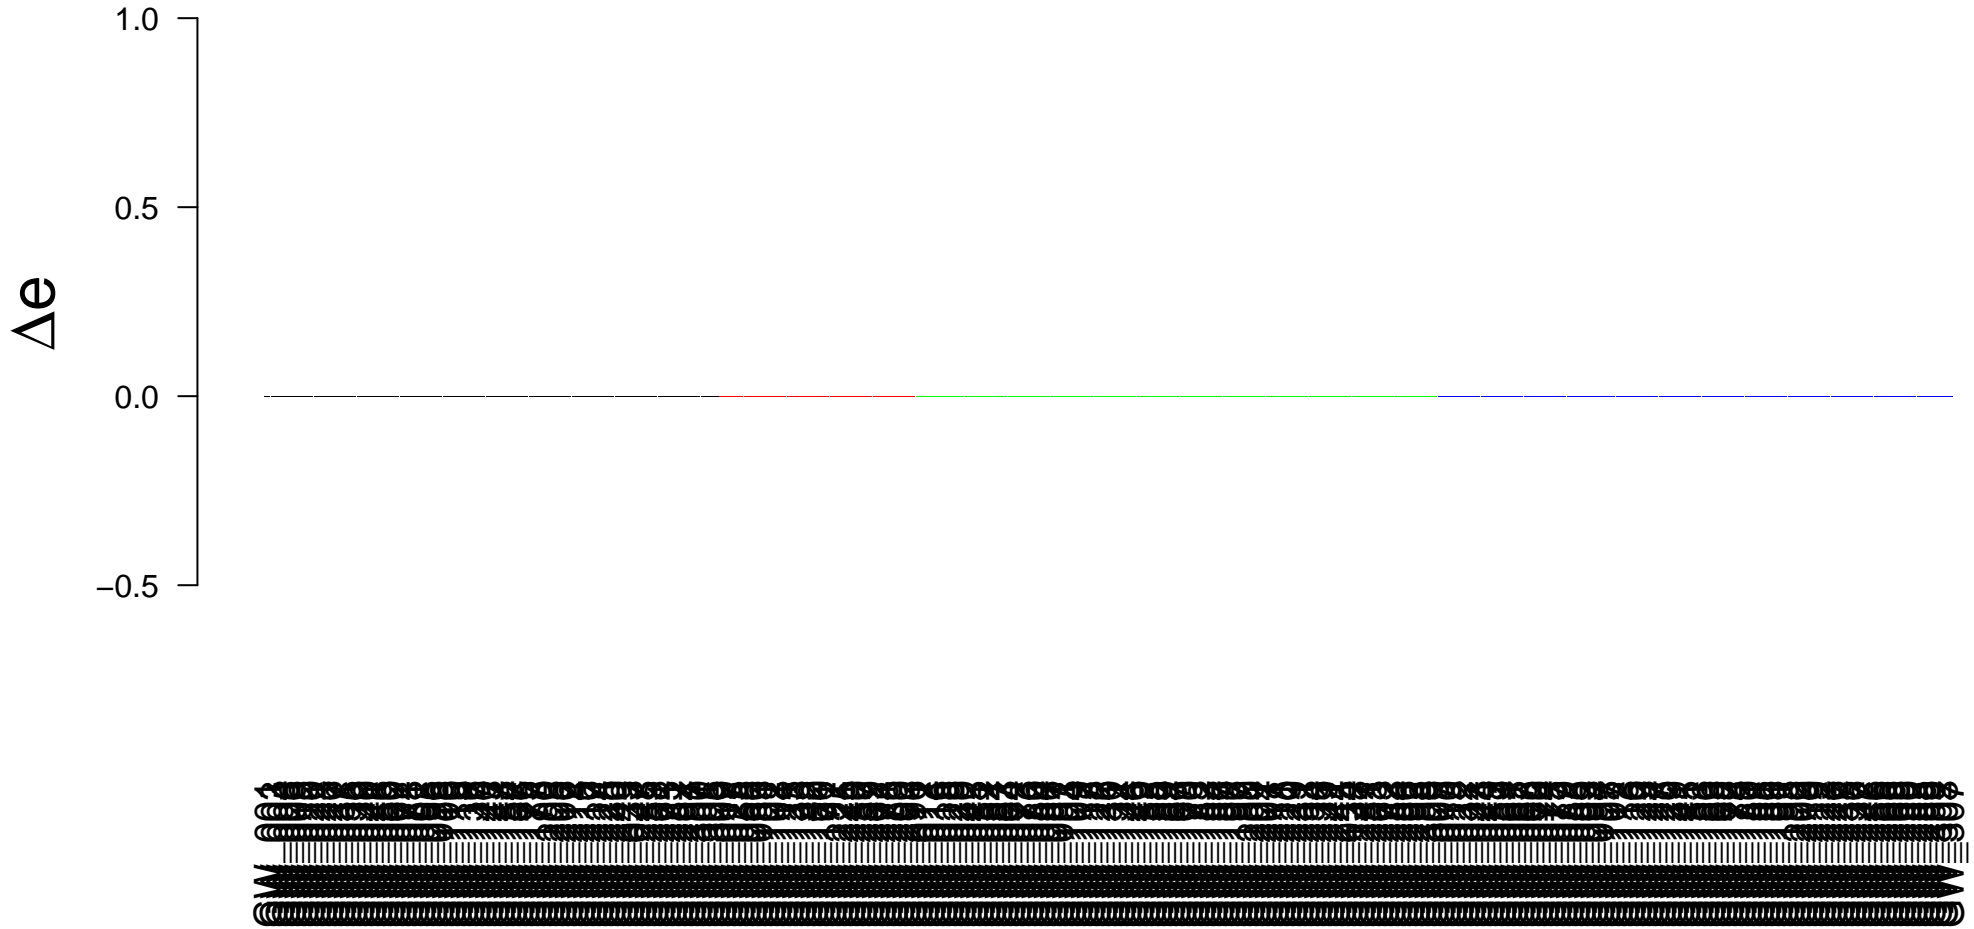

Expression of GTPase inhibitor activity in Spot D

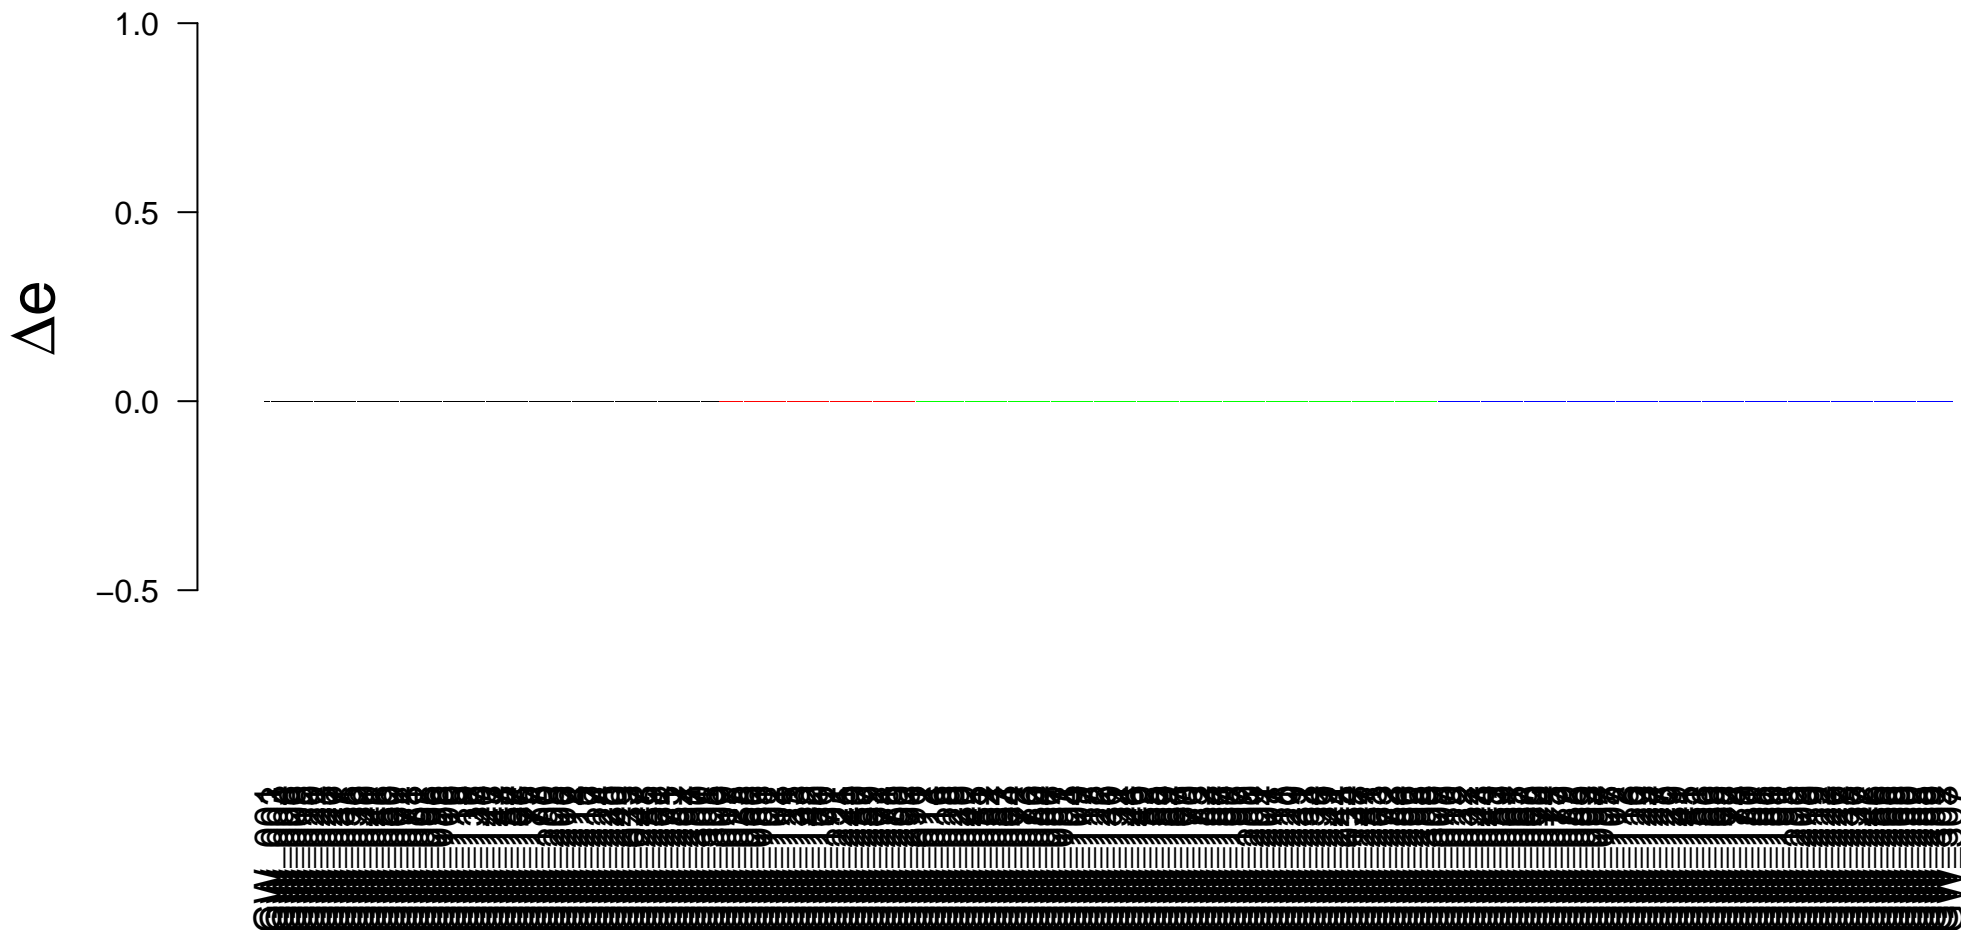

Expression of GTPase inhibitor activity in Spot E

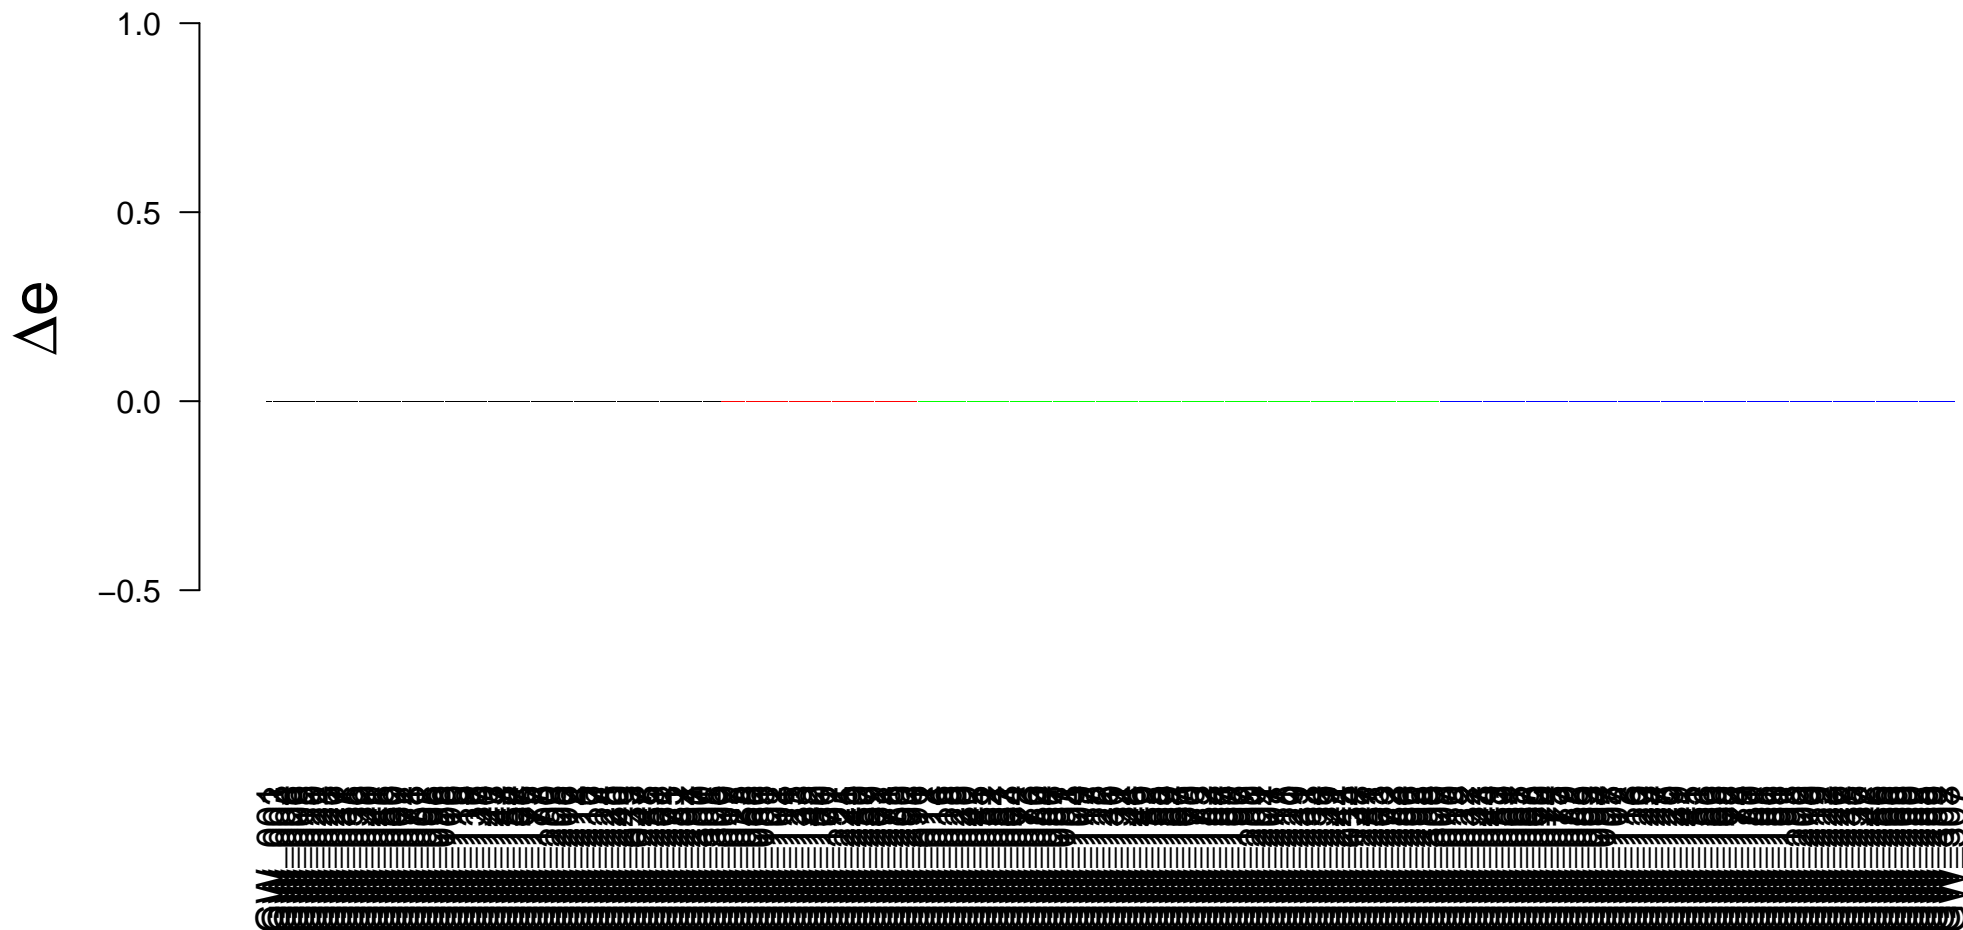

Expression of GTPase inhibitor activity in Spot F

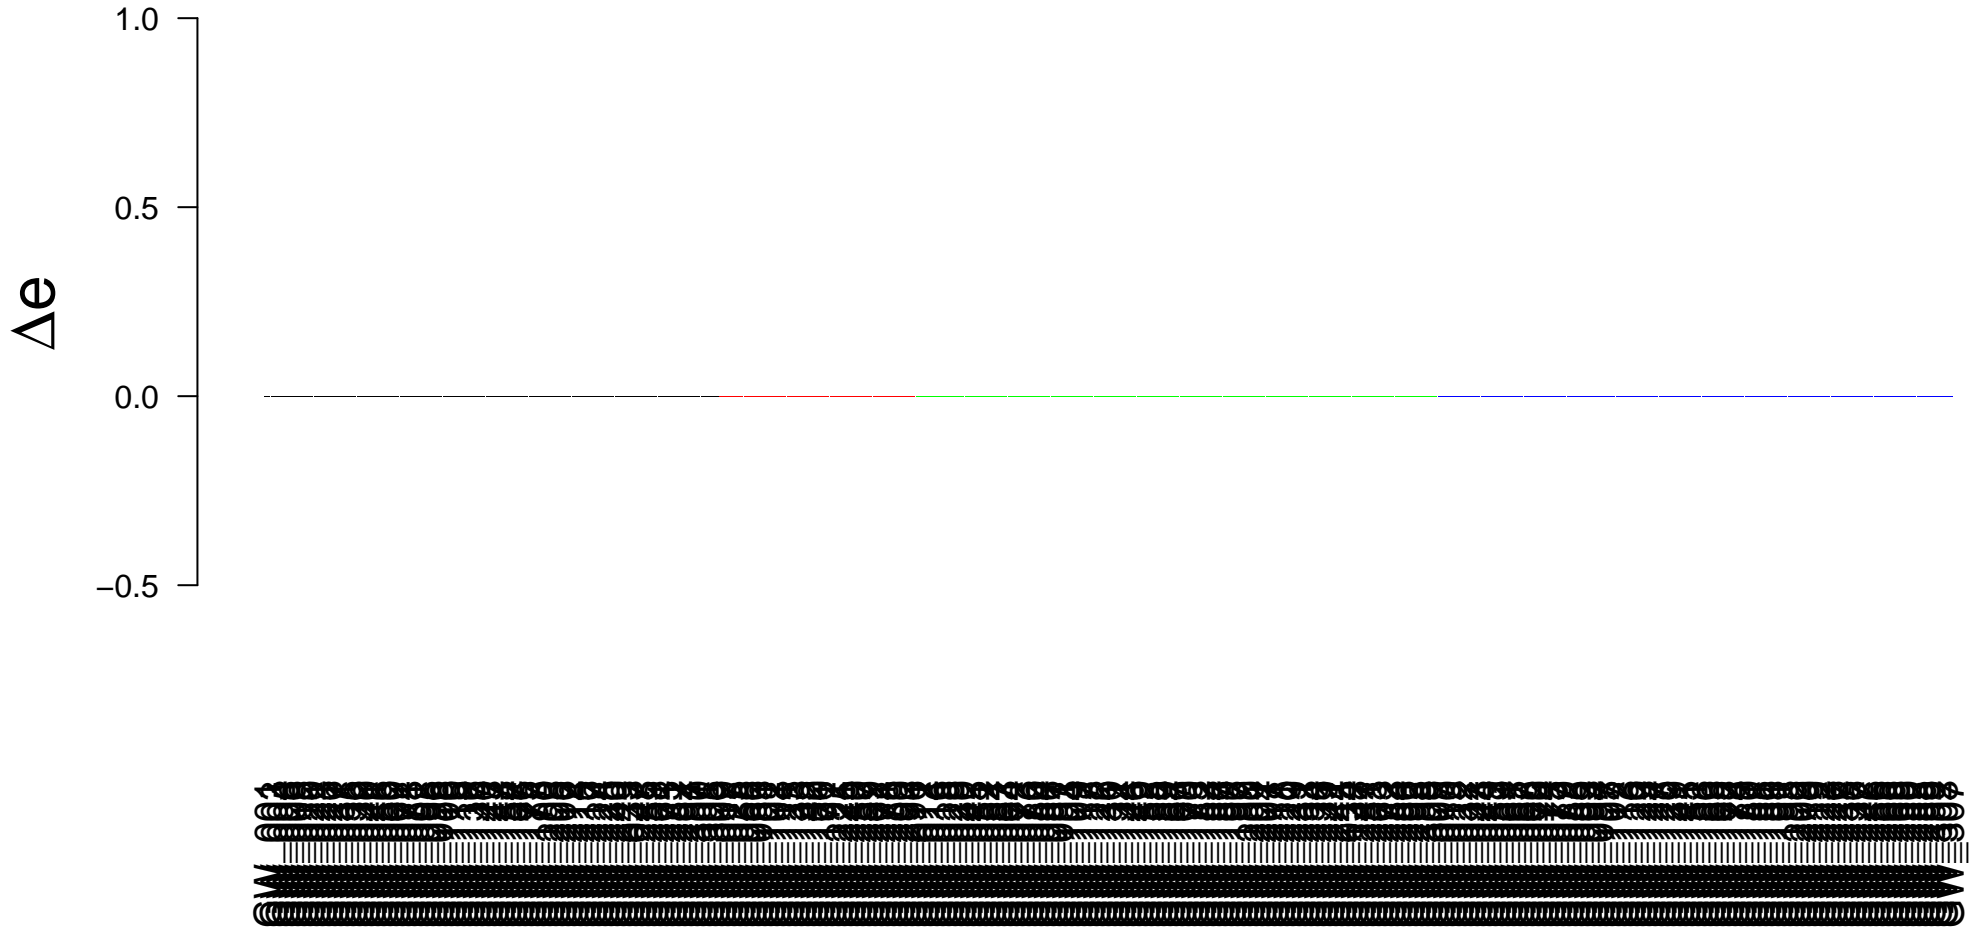

Expression of GTPase inhibitor activity in Spot G

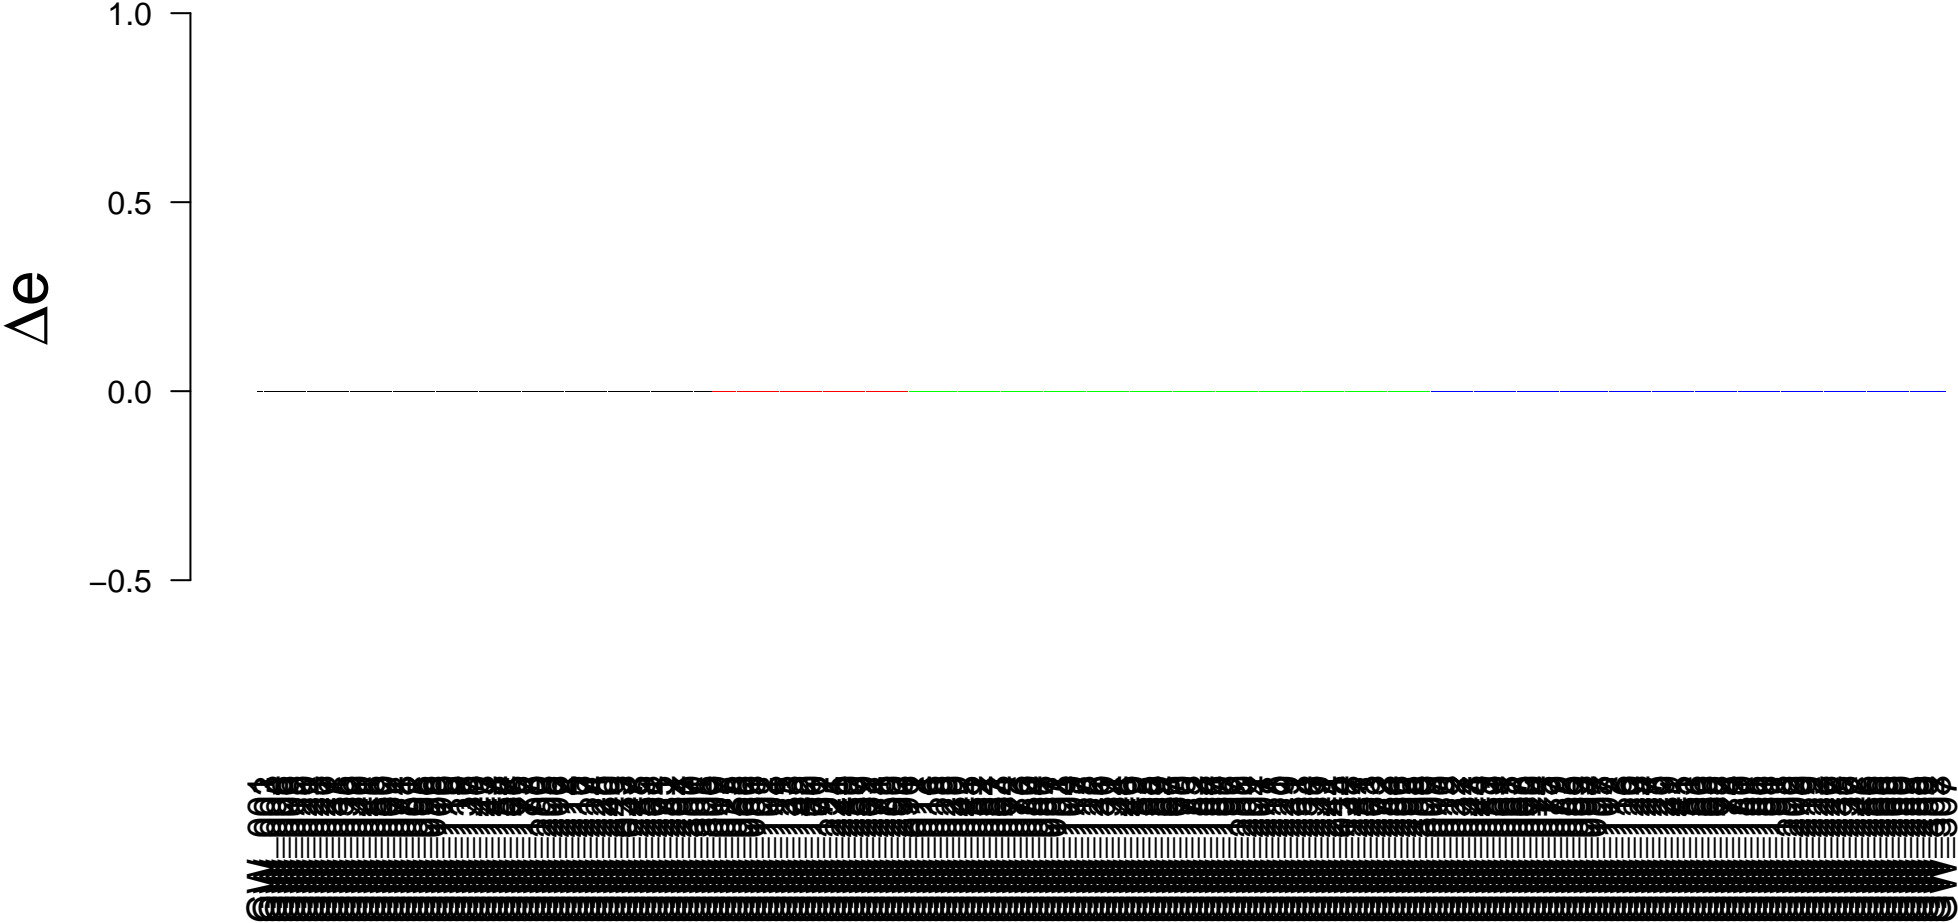

Expression of GTPase inhibitor activity in Spot H

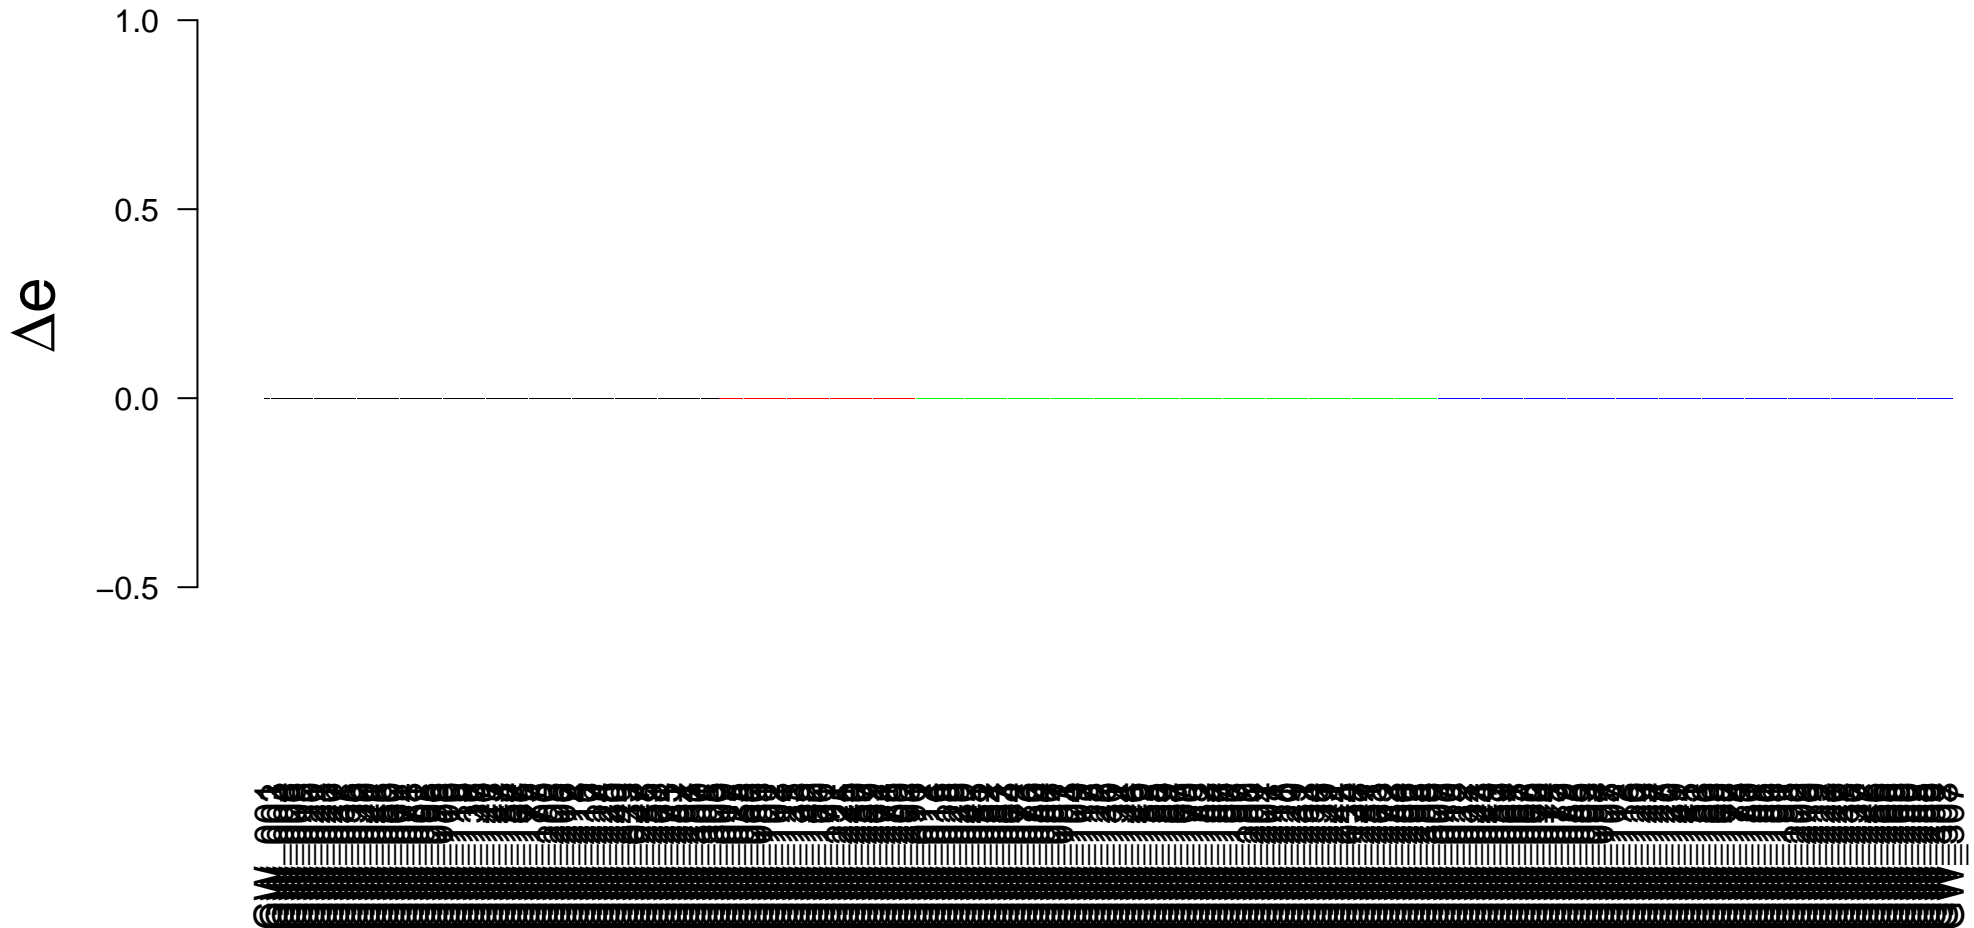

Expression of GTPase inhibitor activity in Spot I

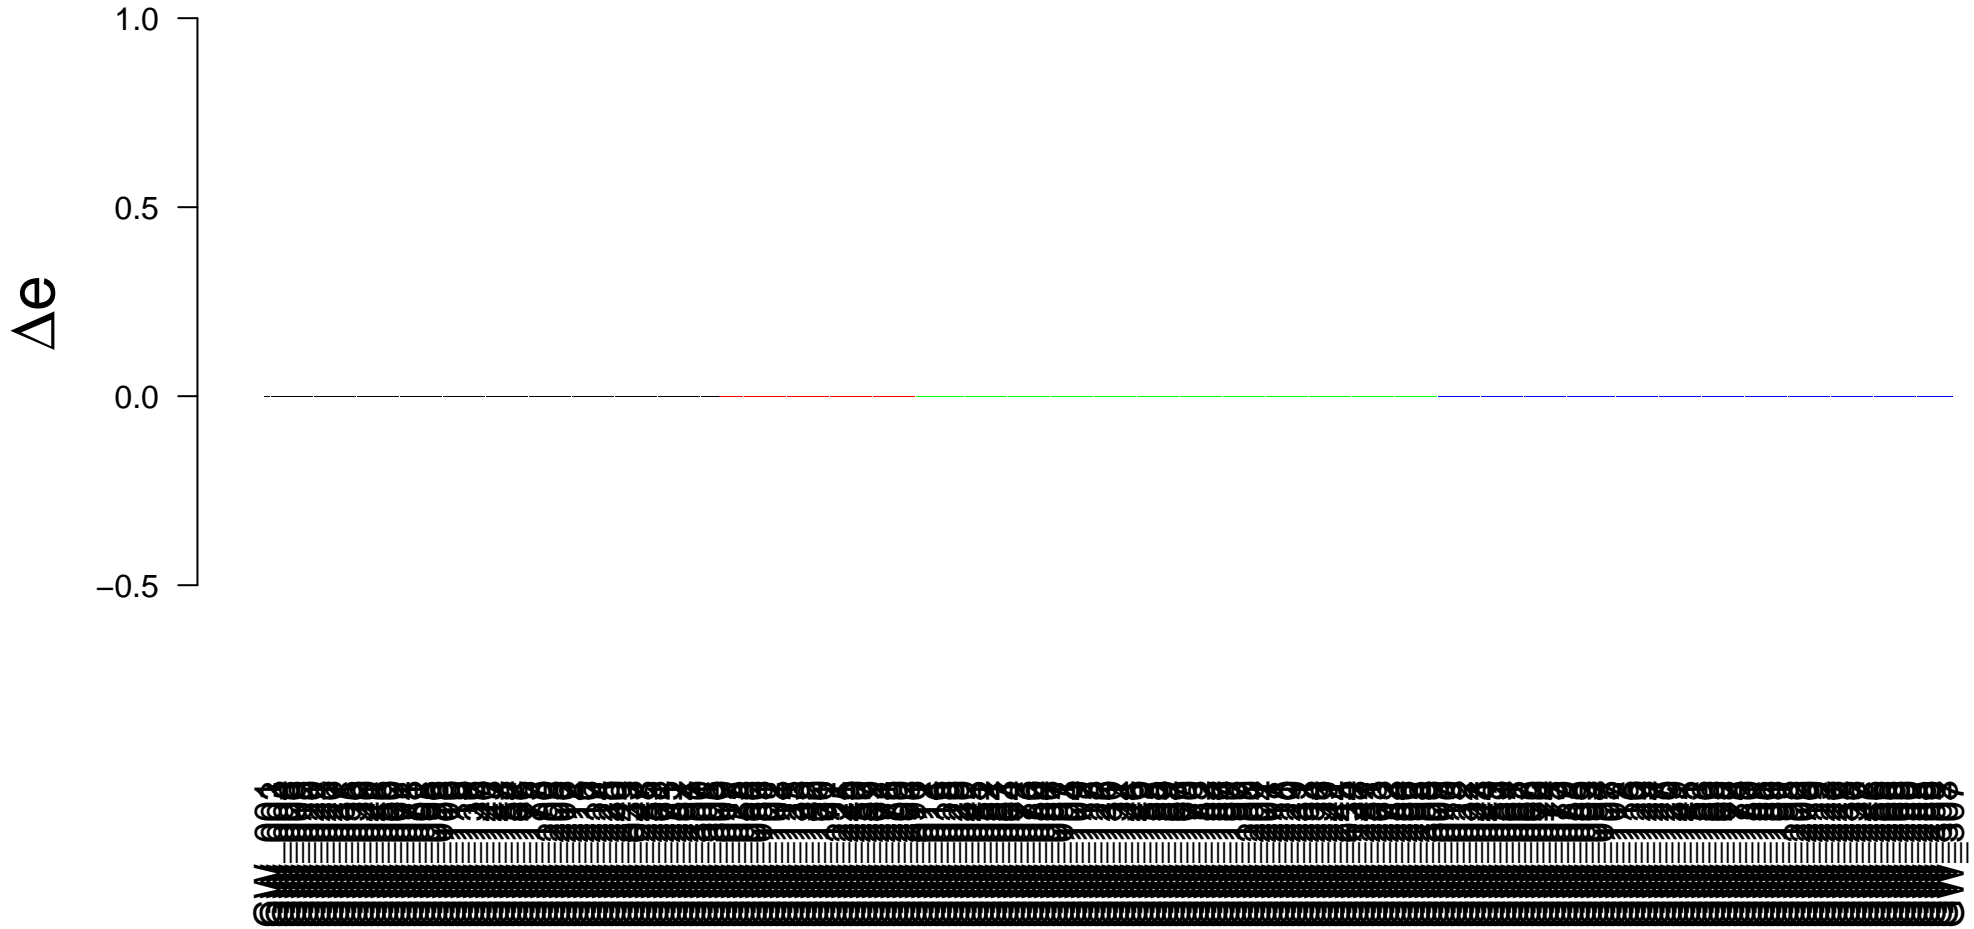

Expression of GTPase inhibitor activity in Spot J

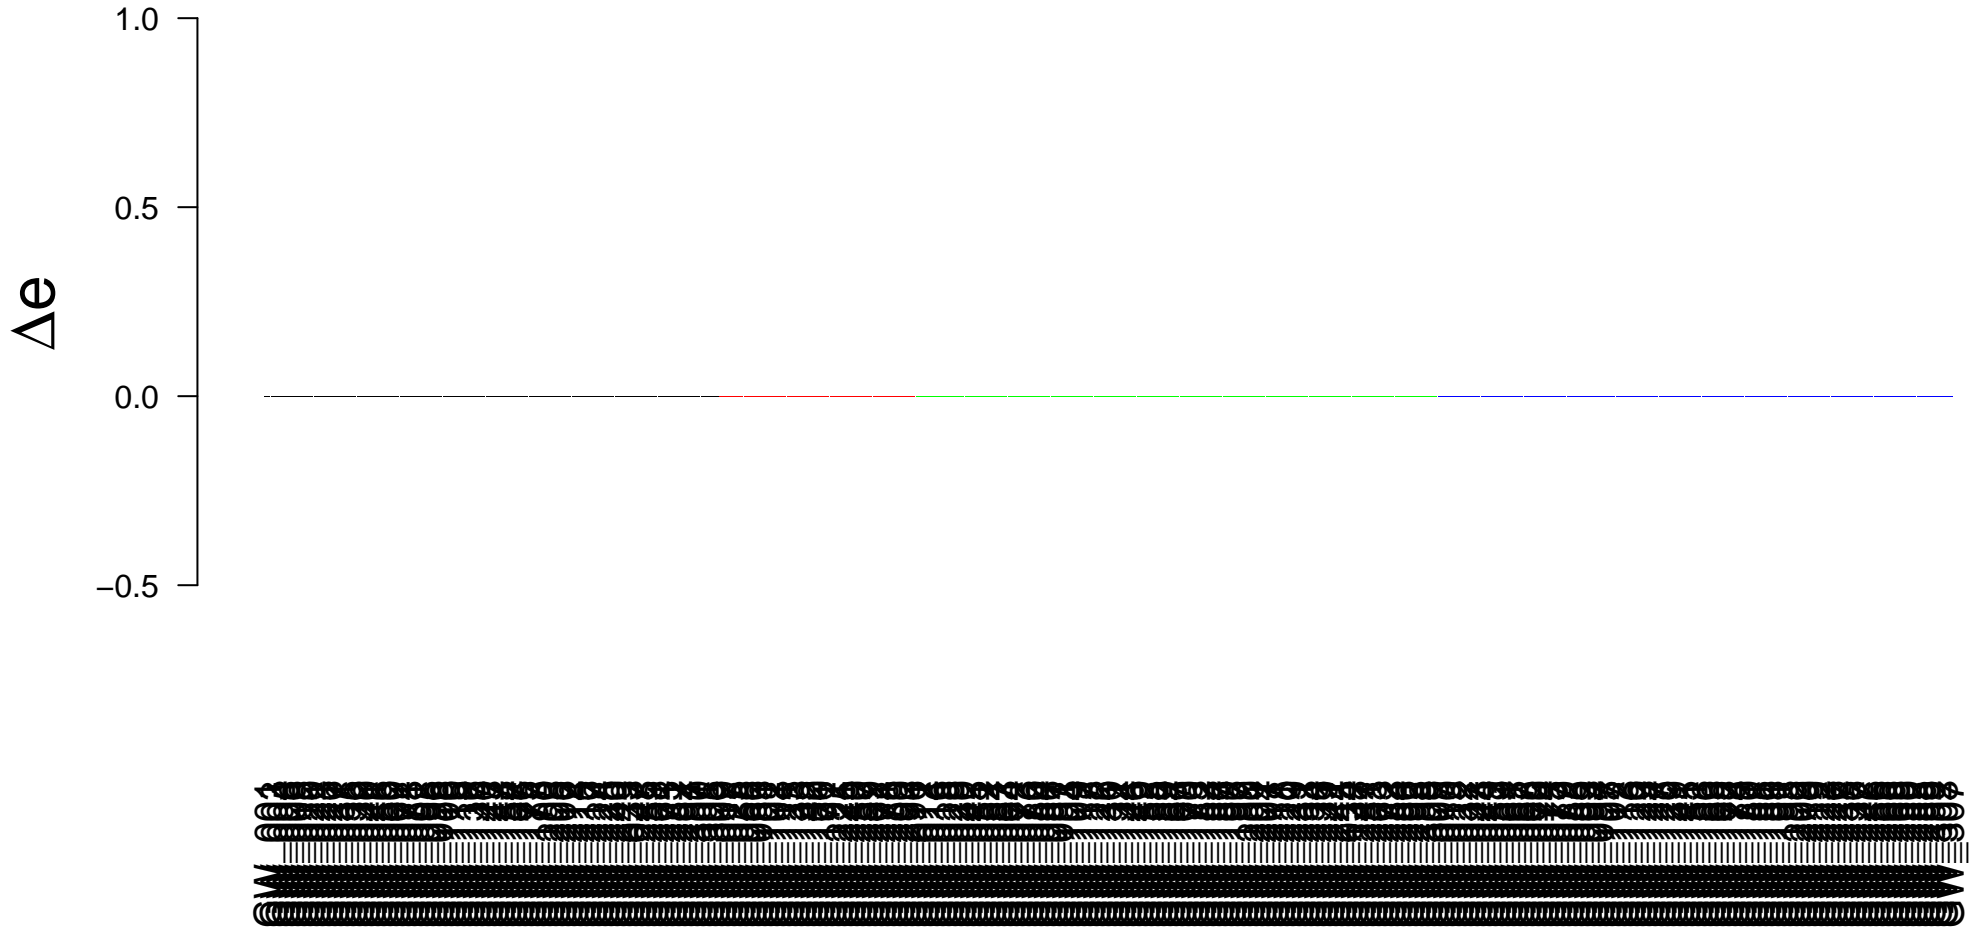

Expression of GTPase inhibitor activity in Spot K

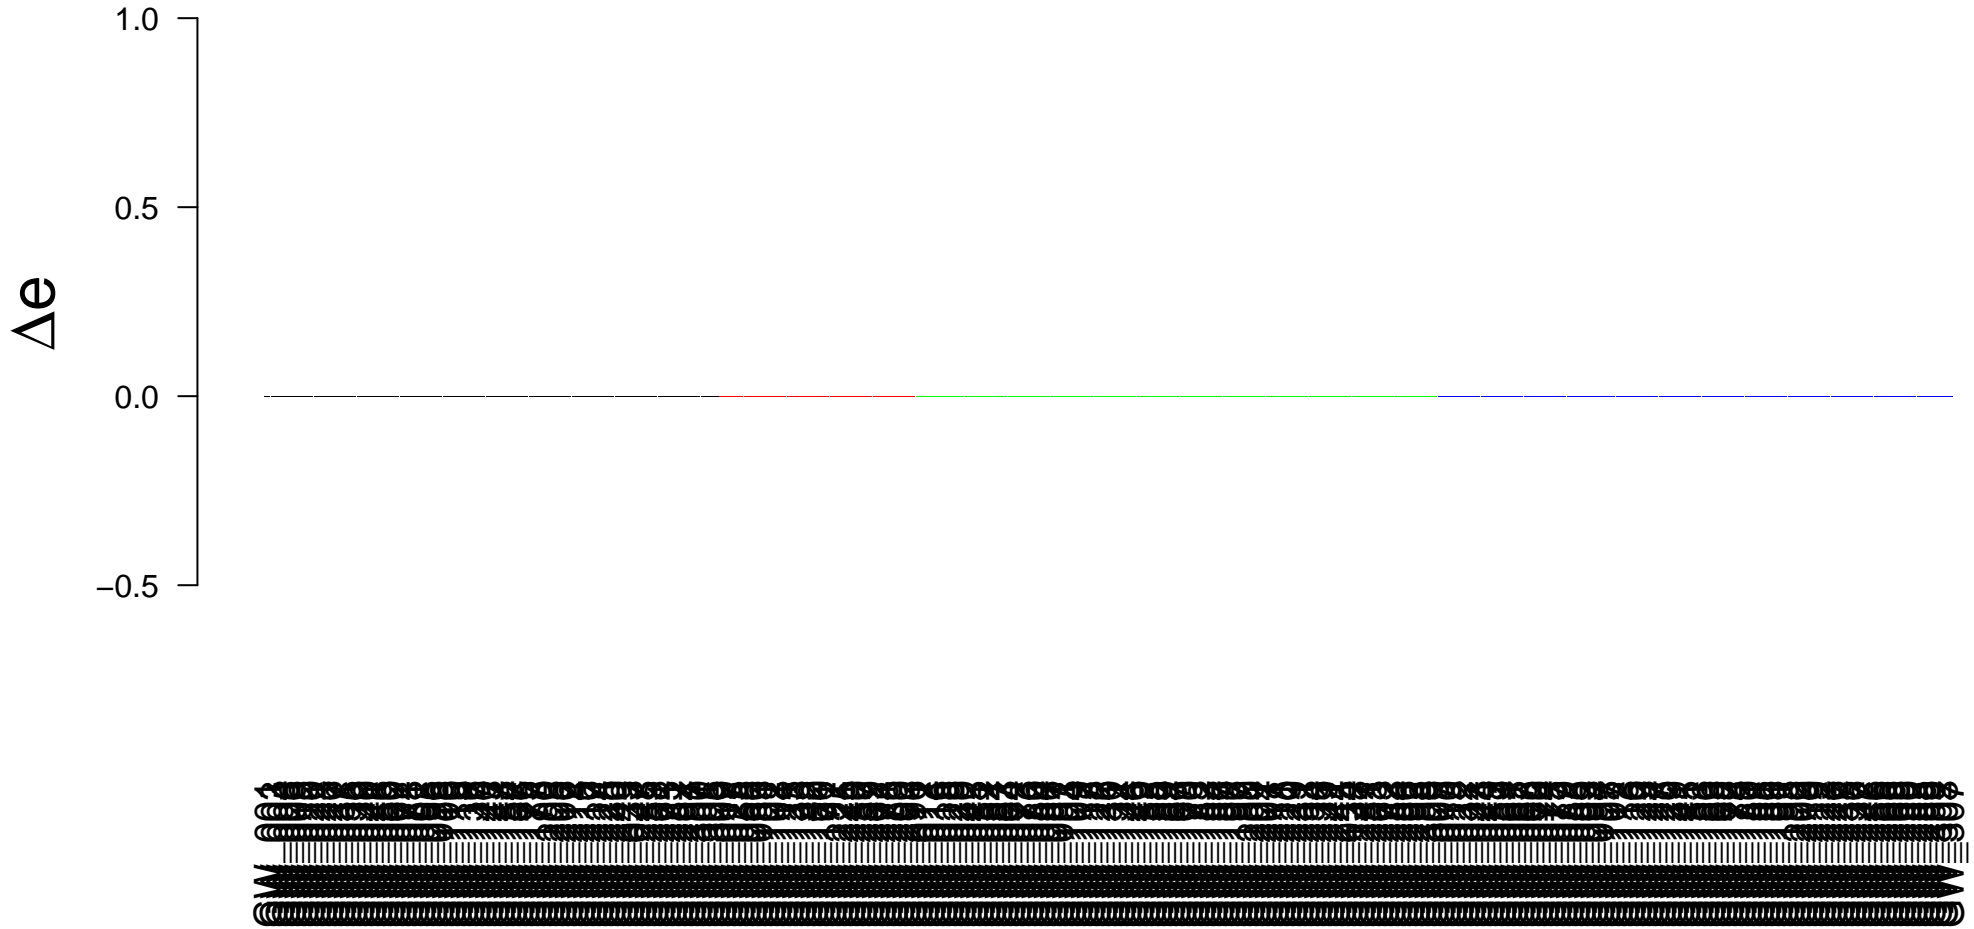

Expression of GTPase inhibitor activity in Spot L

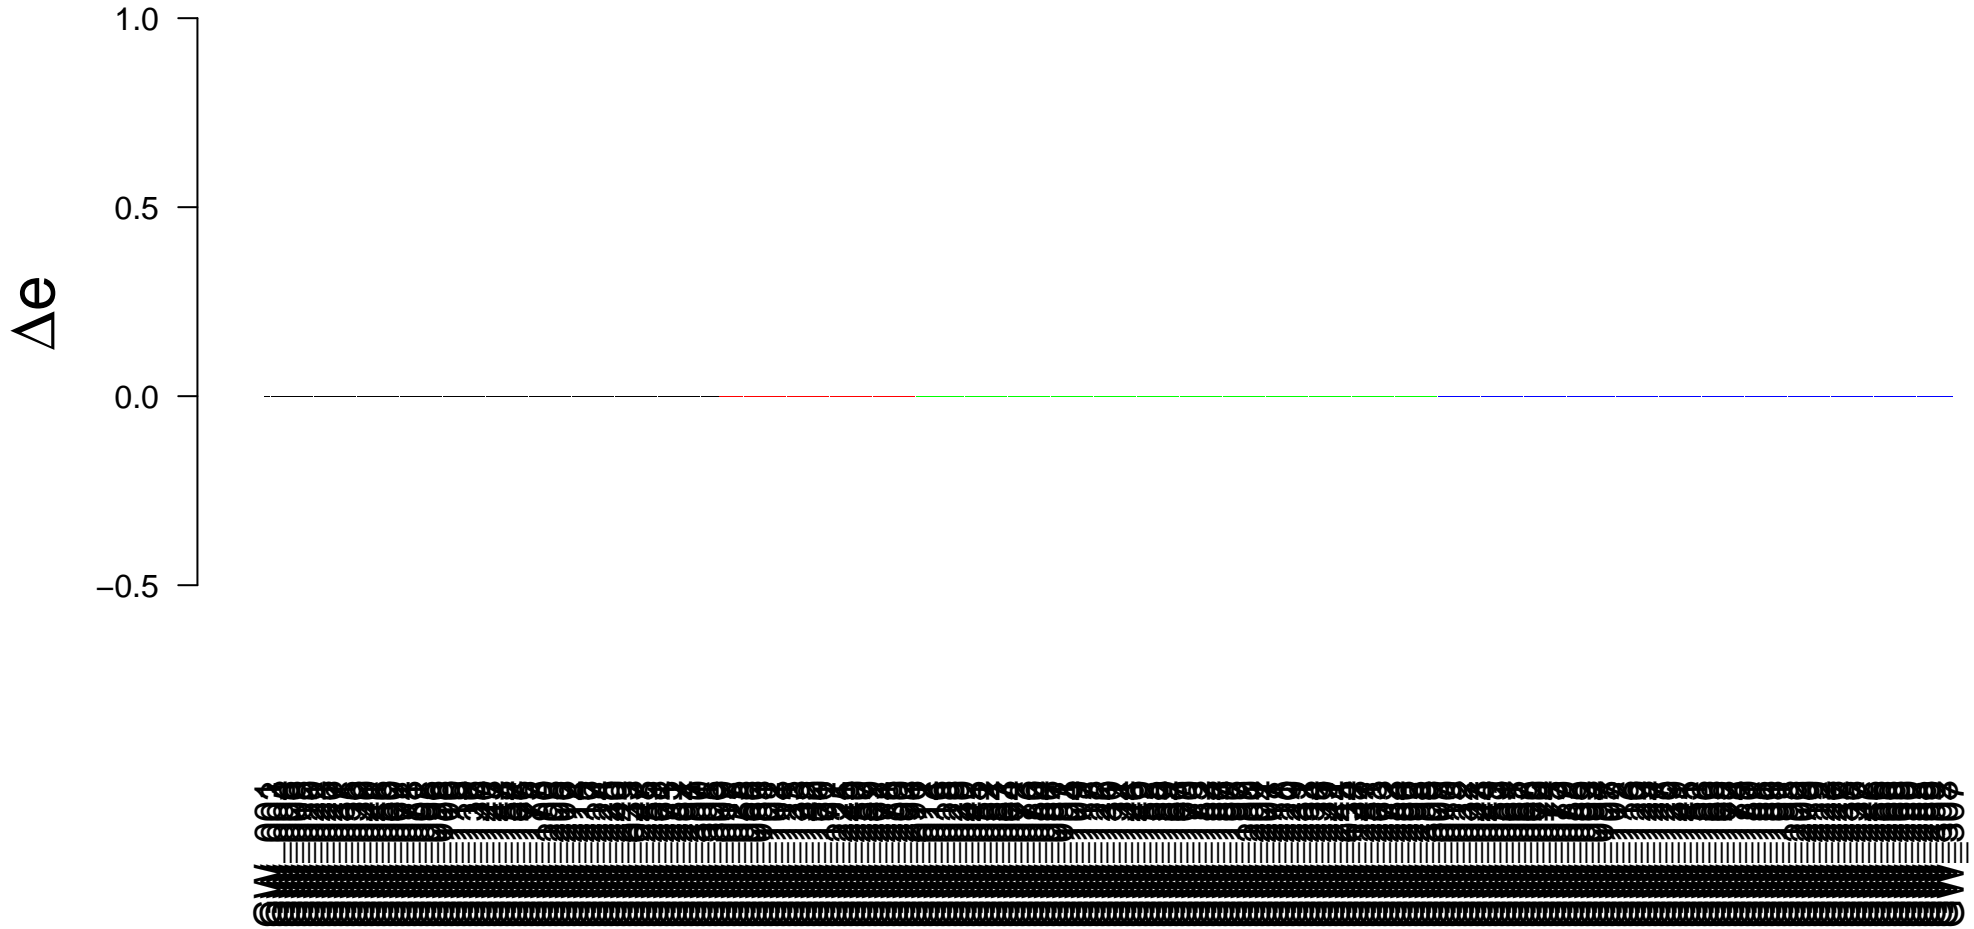

Expression of GTPase inhibitor activity in Spot M

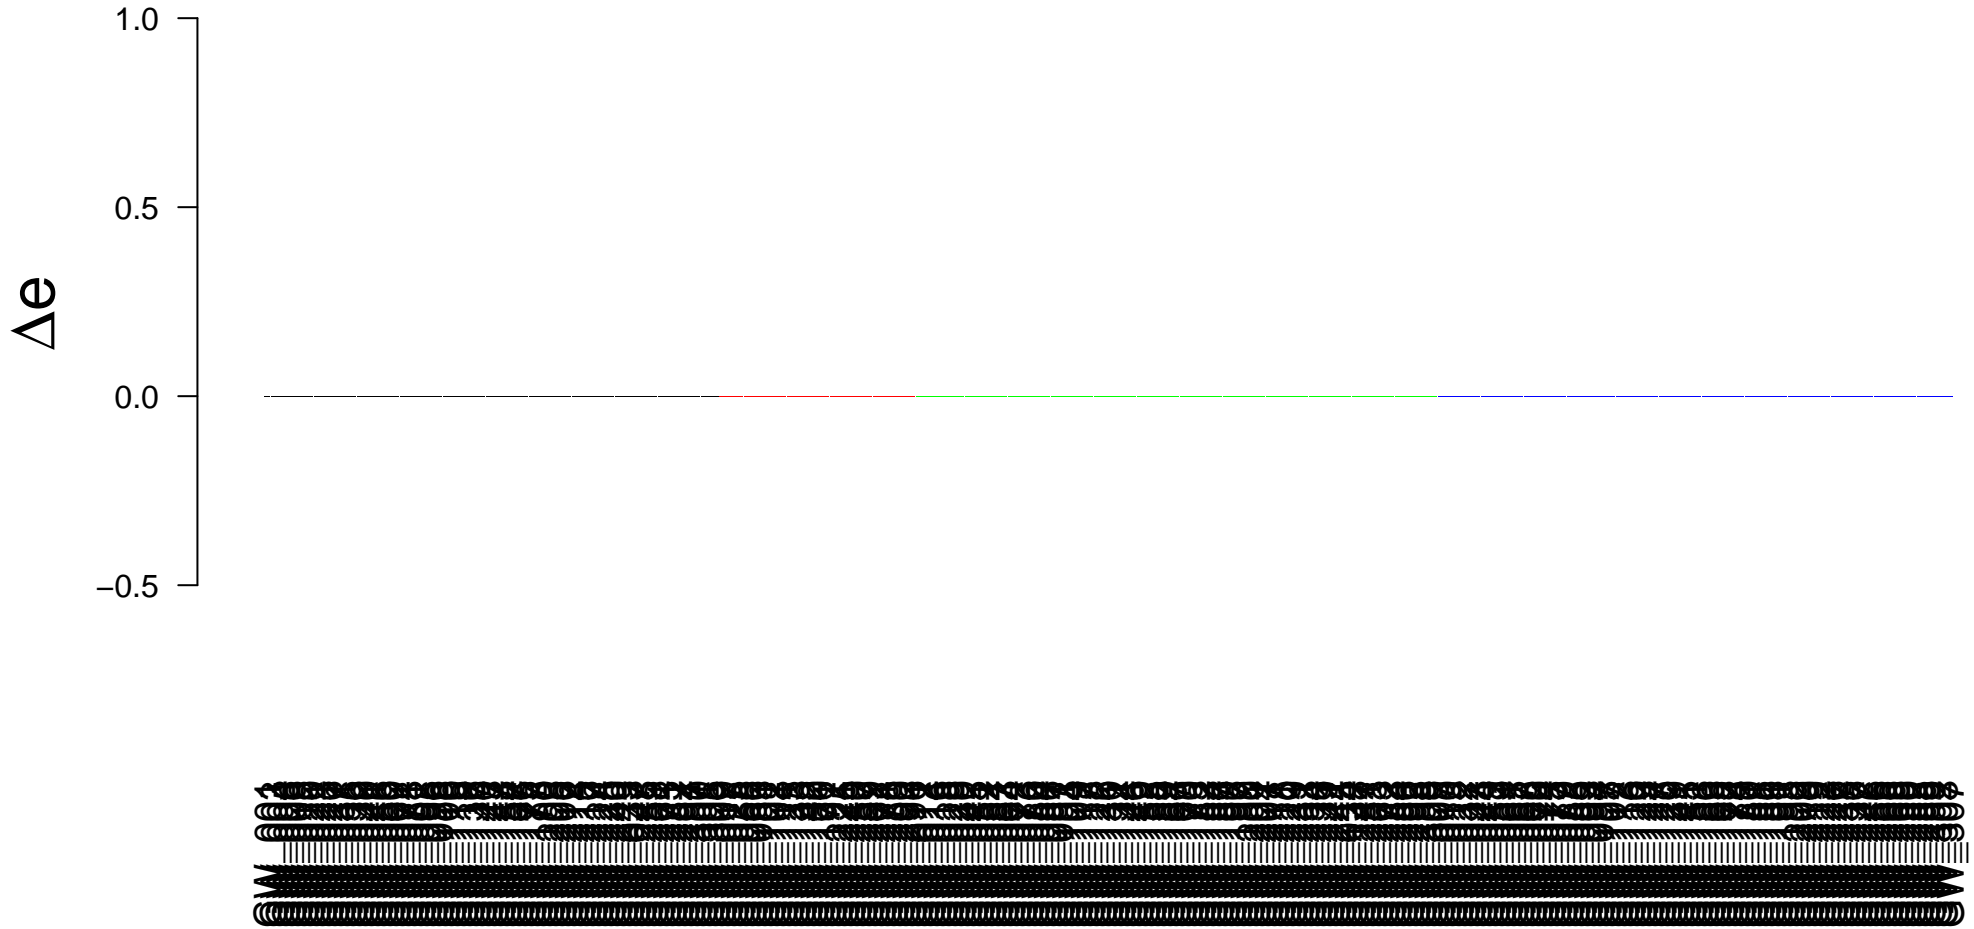

Expression of GTPase inhibitor activity in Spot N

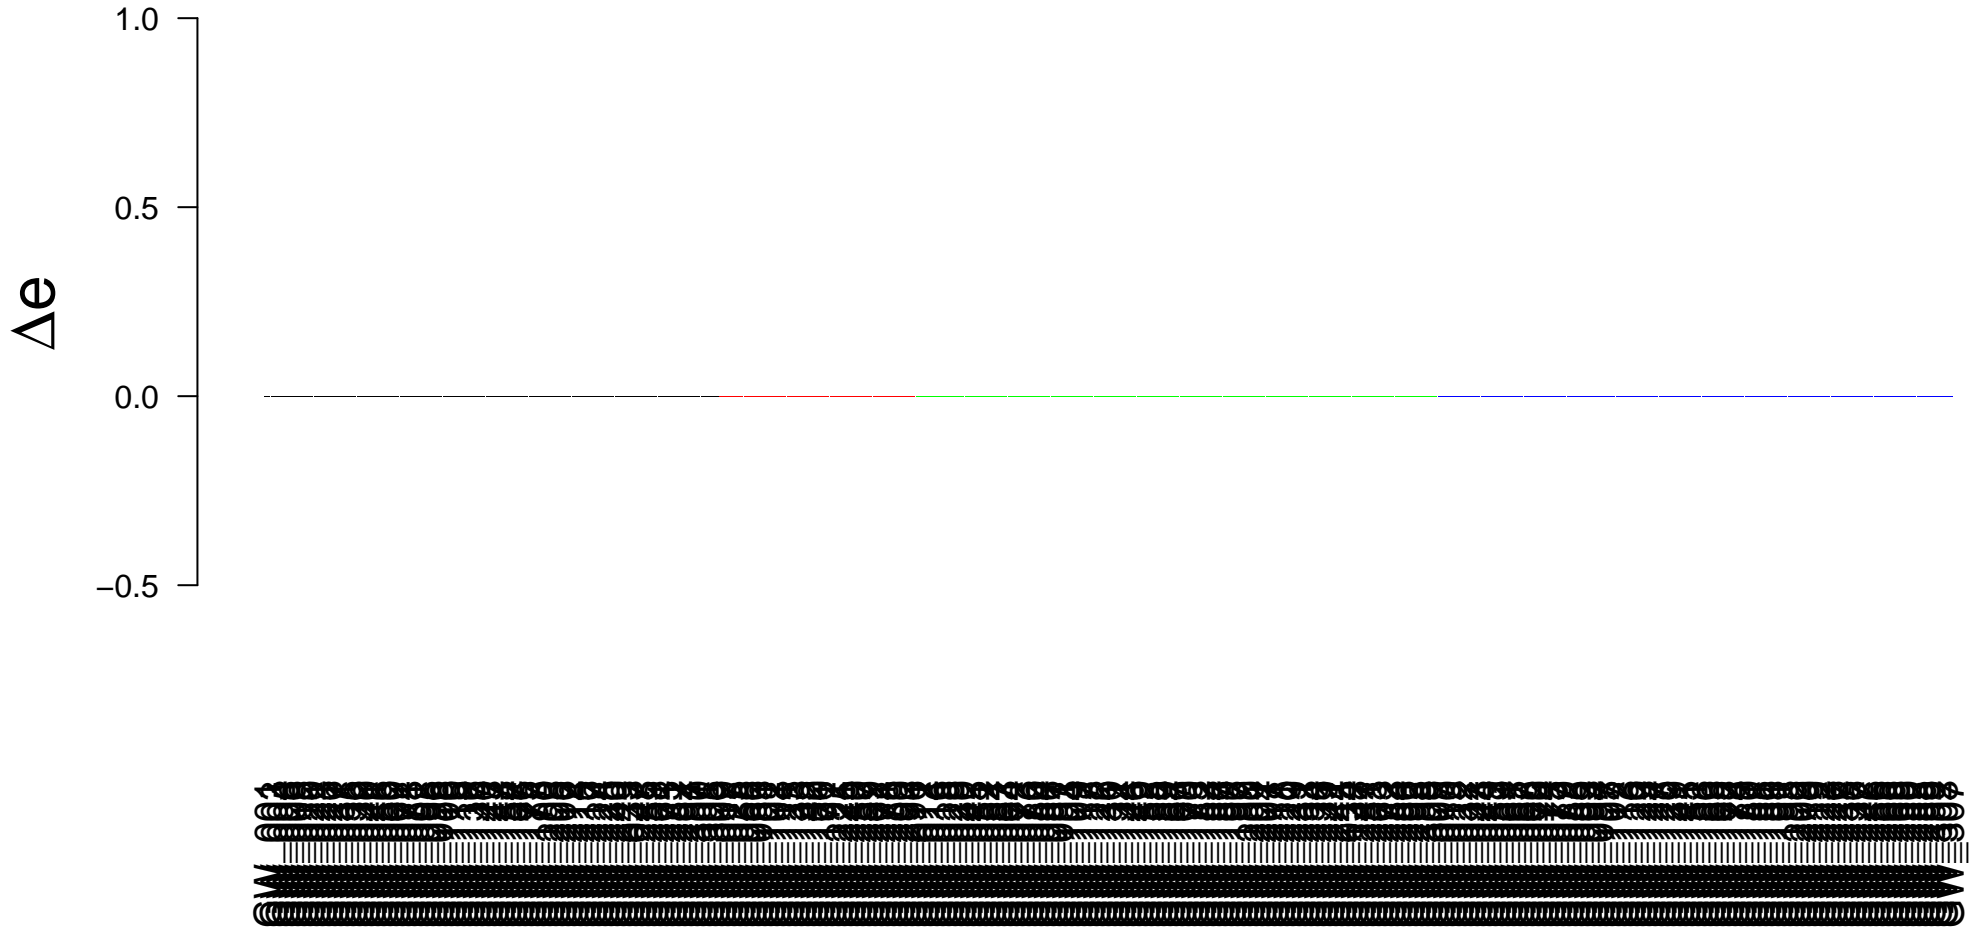

Expression of GTPase inhibitor activity in Spot O

Expression of GTPase inhibitor activity in Spot P

Expression of GTPase inhibitor activity in Spot Q

Expression of GTPase inhibitor activity in Spot R
