

JAK-STAT cascade involved in growth hormone signaling pathway

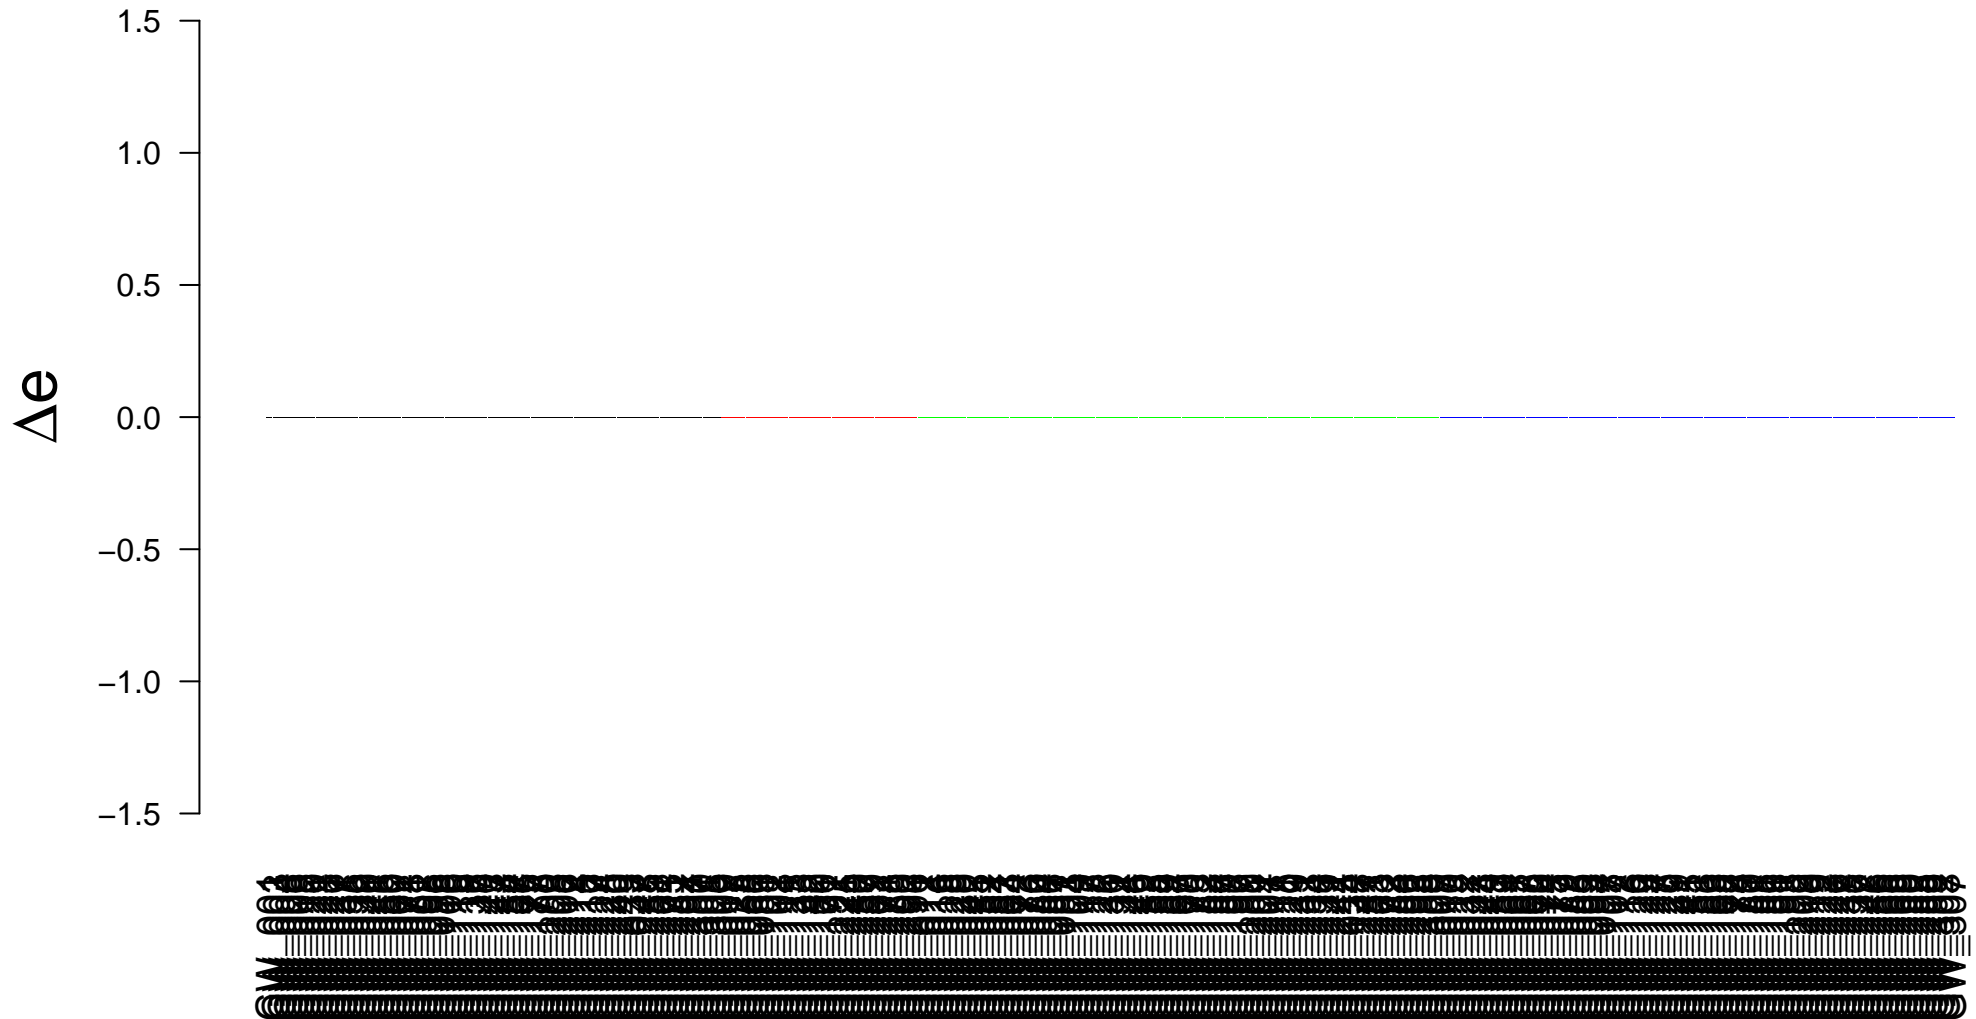

JAK-STAT cascade involved in growth hormone signaling pathway

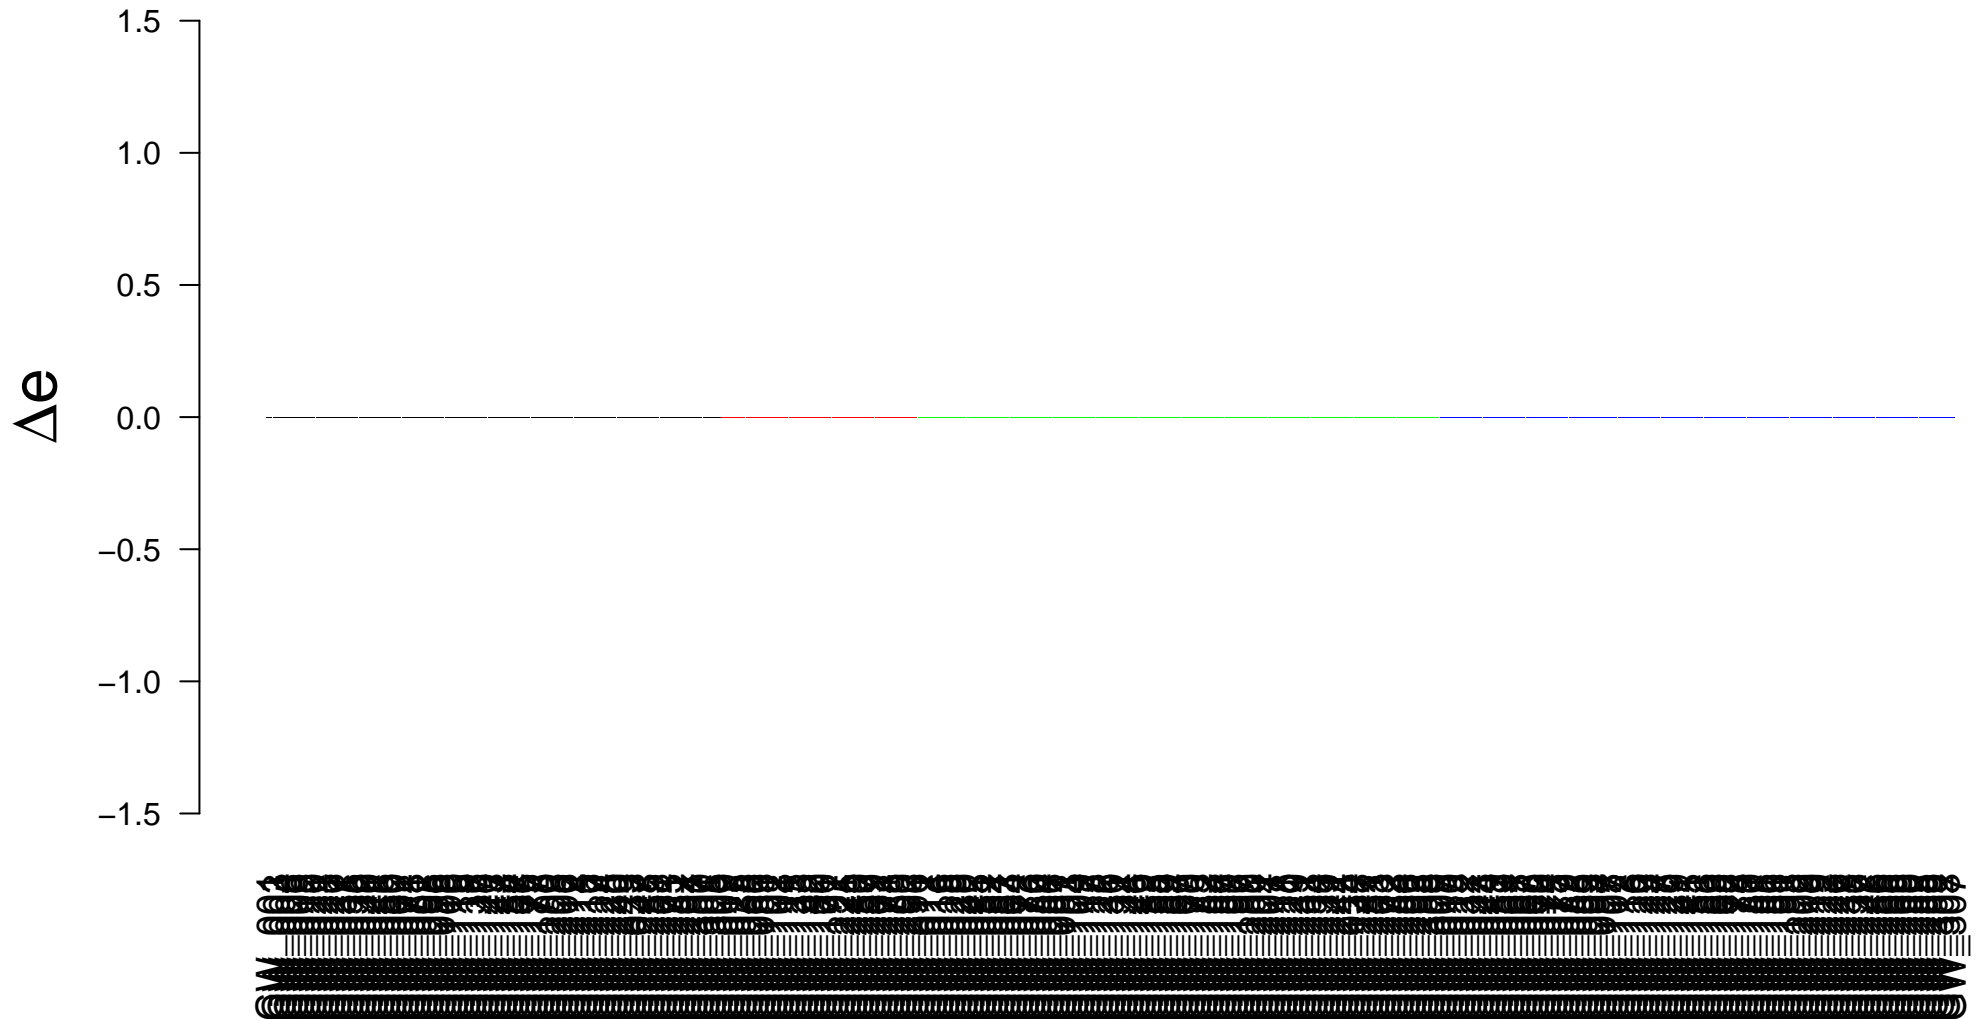

Enrichment in spots: JAK-STAT cascade involved in growth hormone signaling pathway

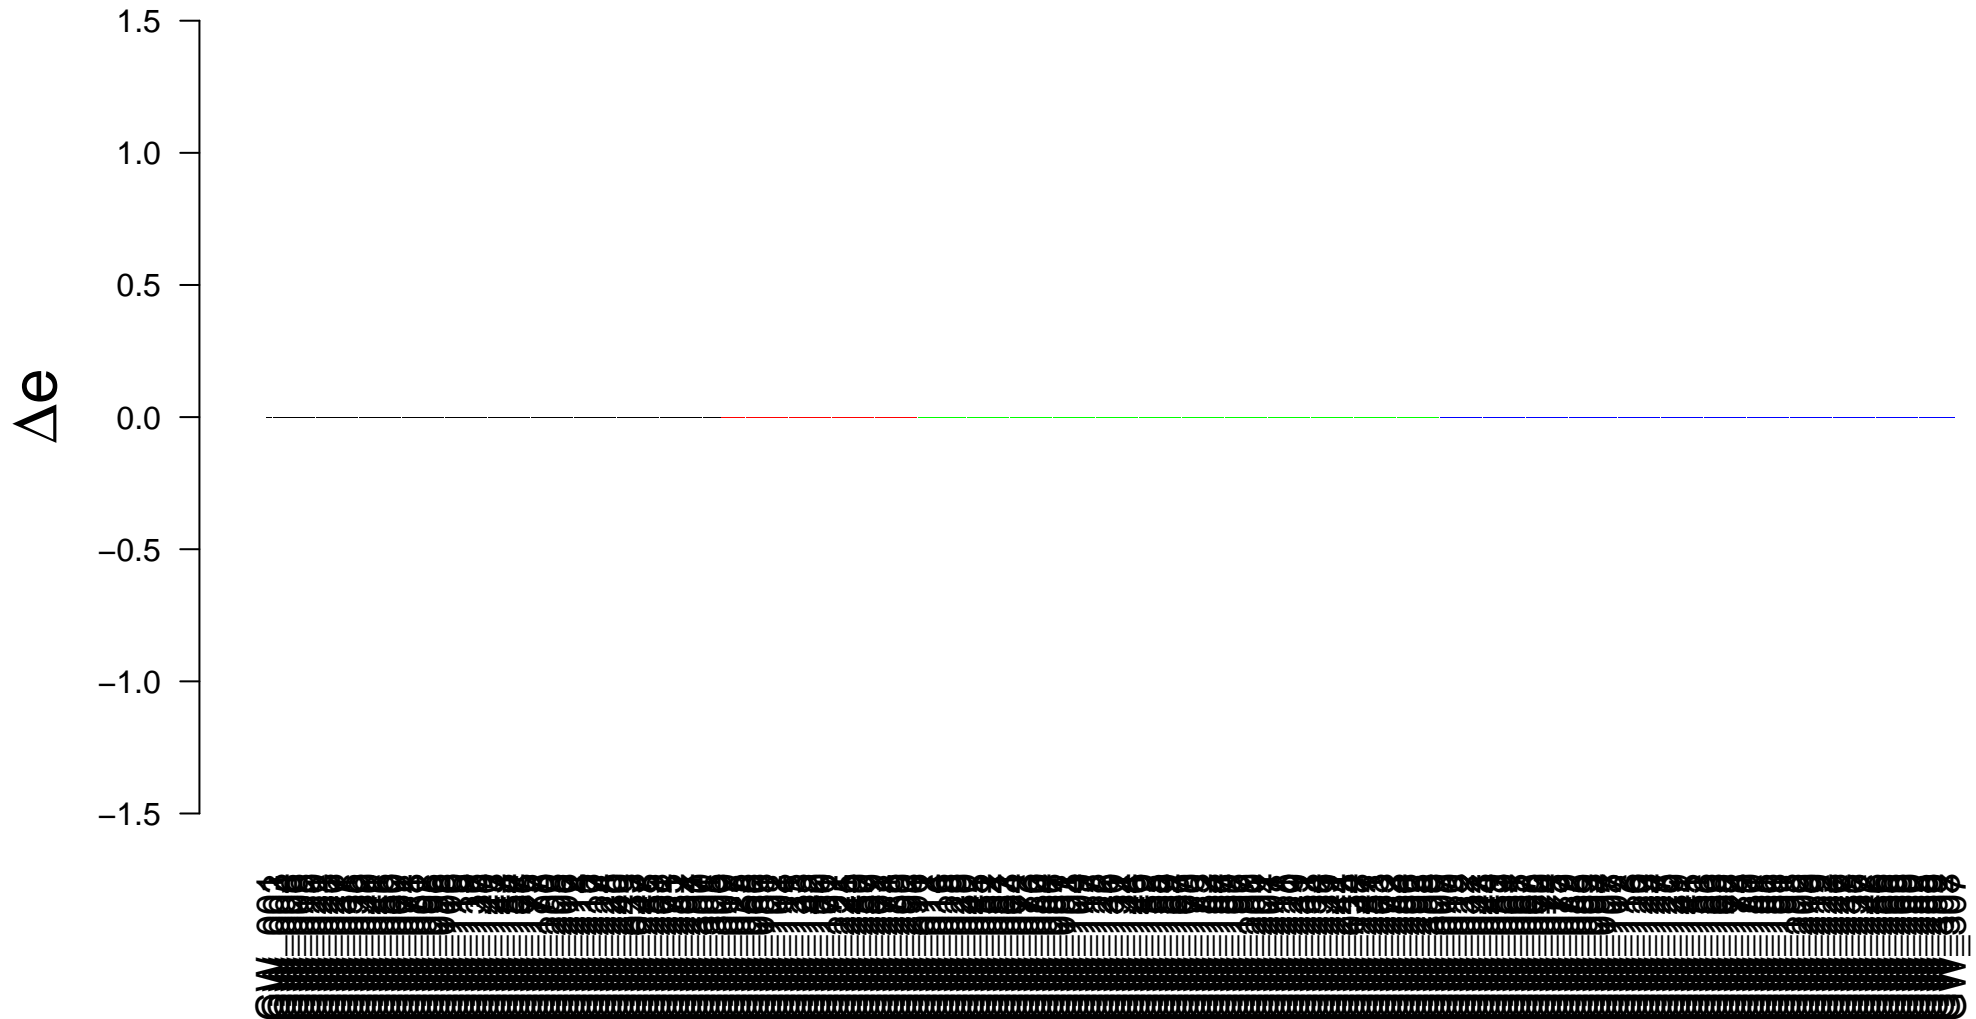

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot A

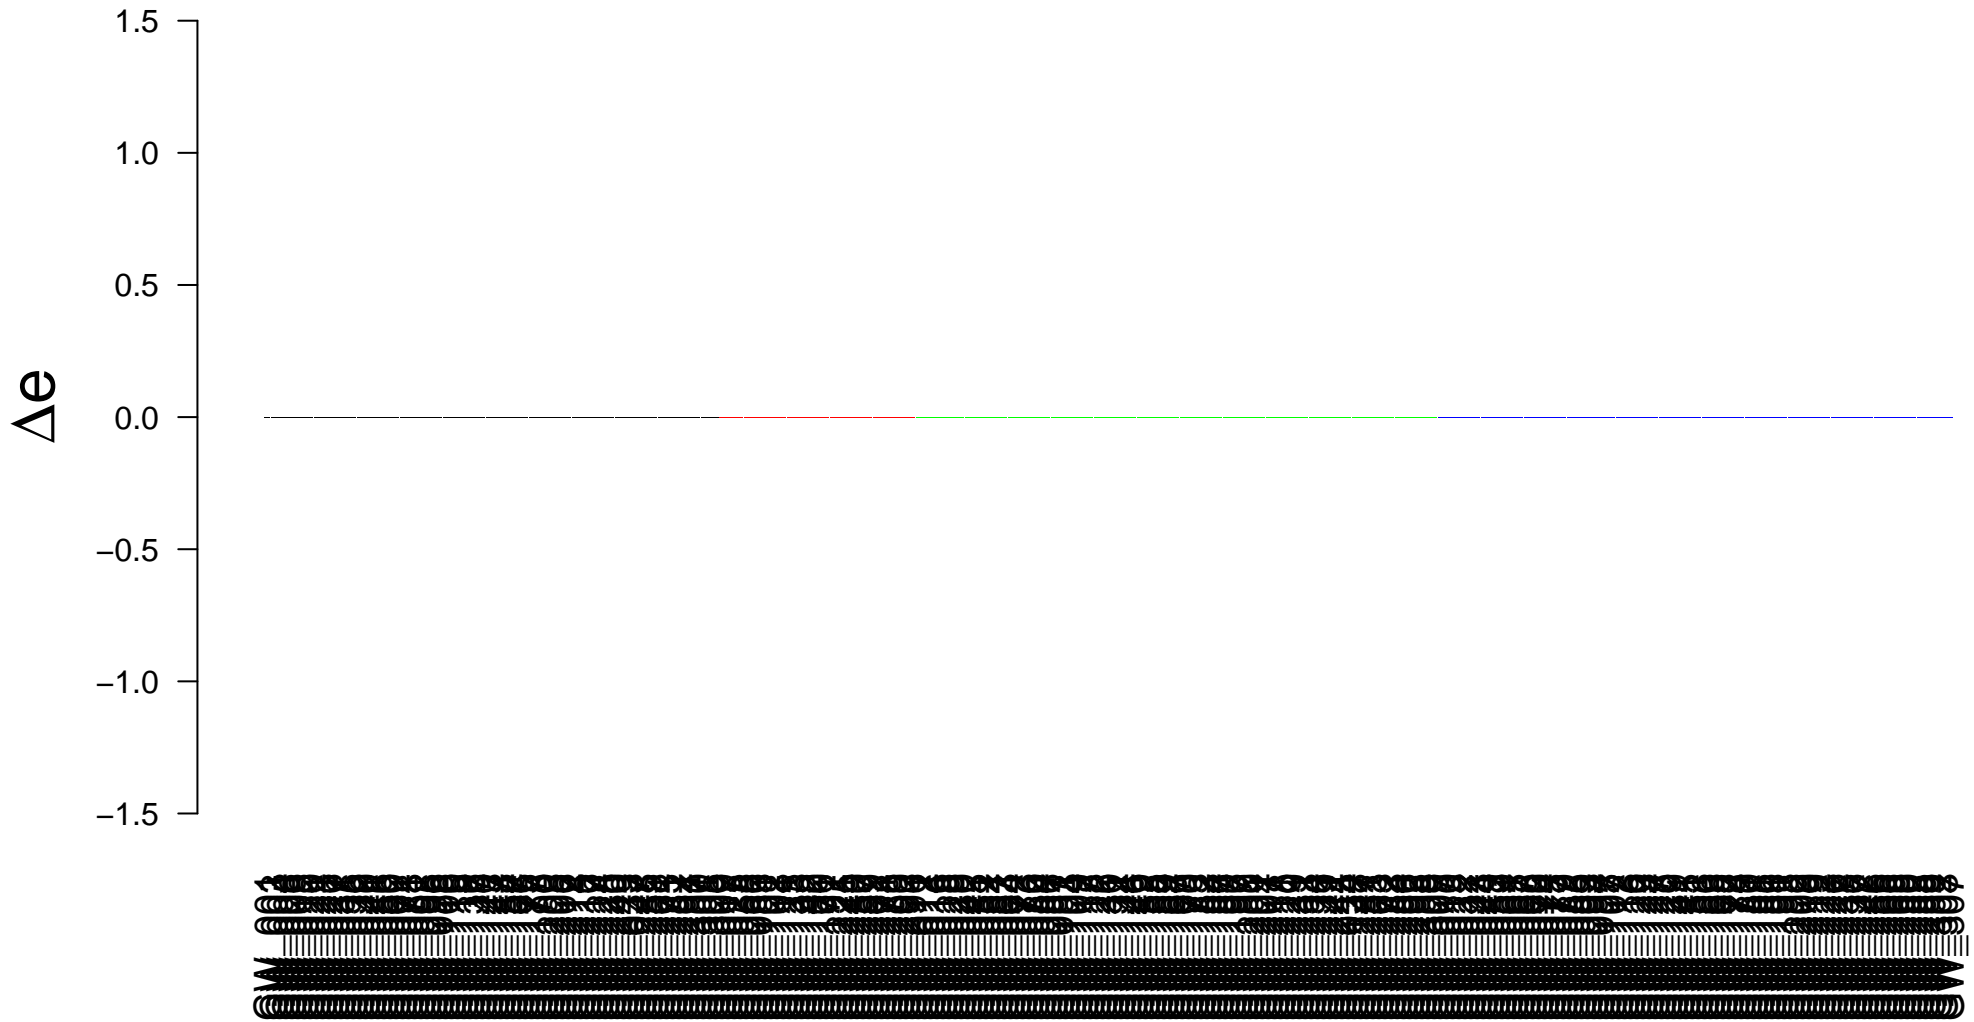

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot B

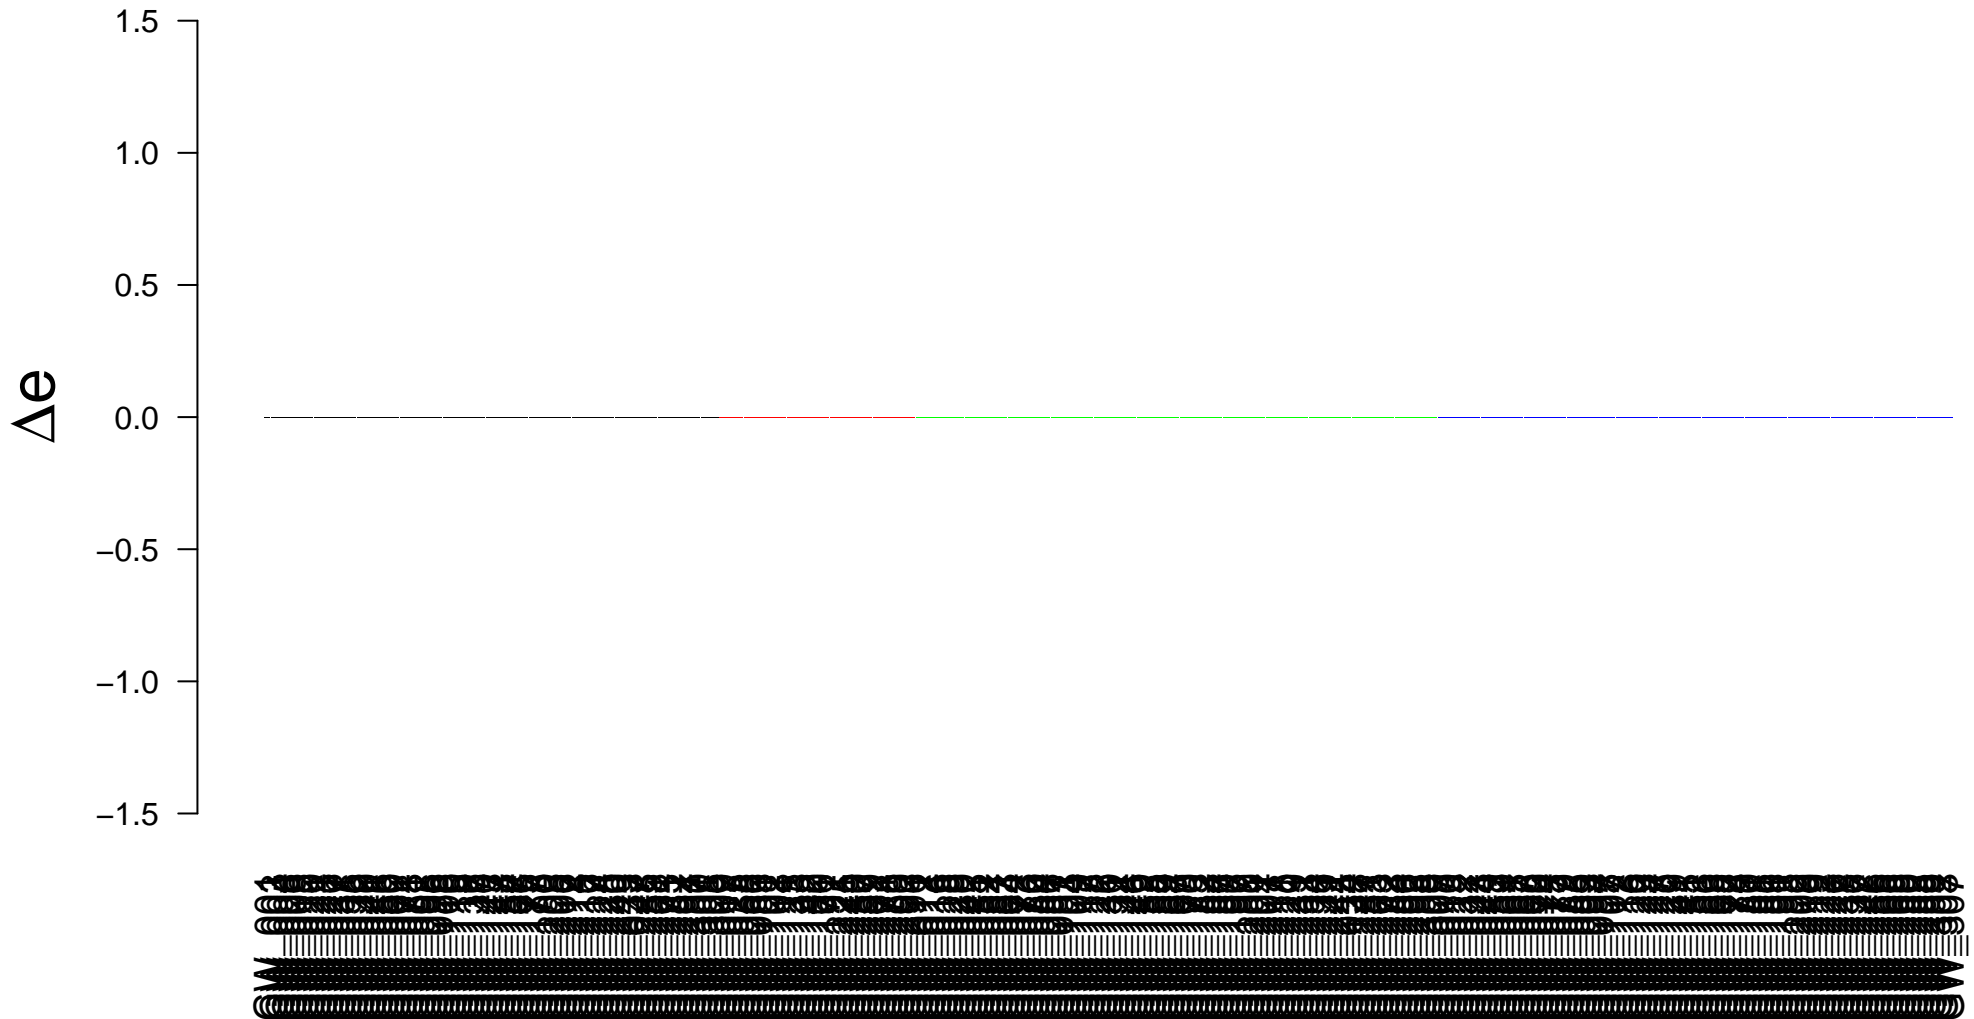

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot C

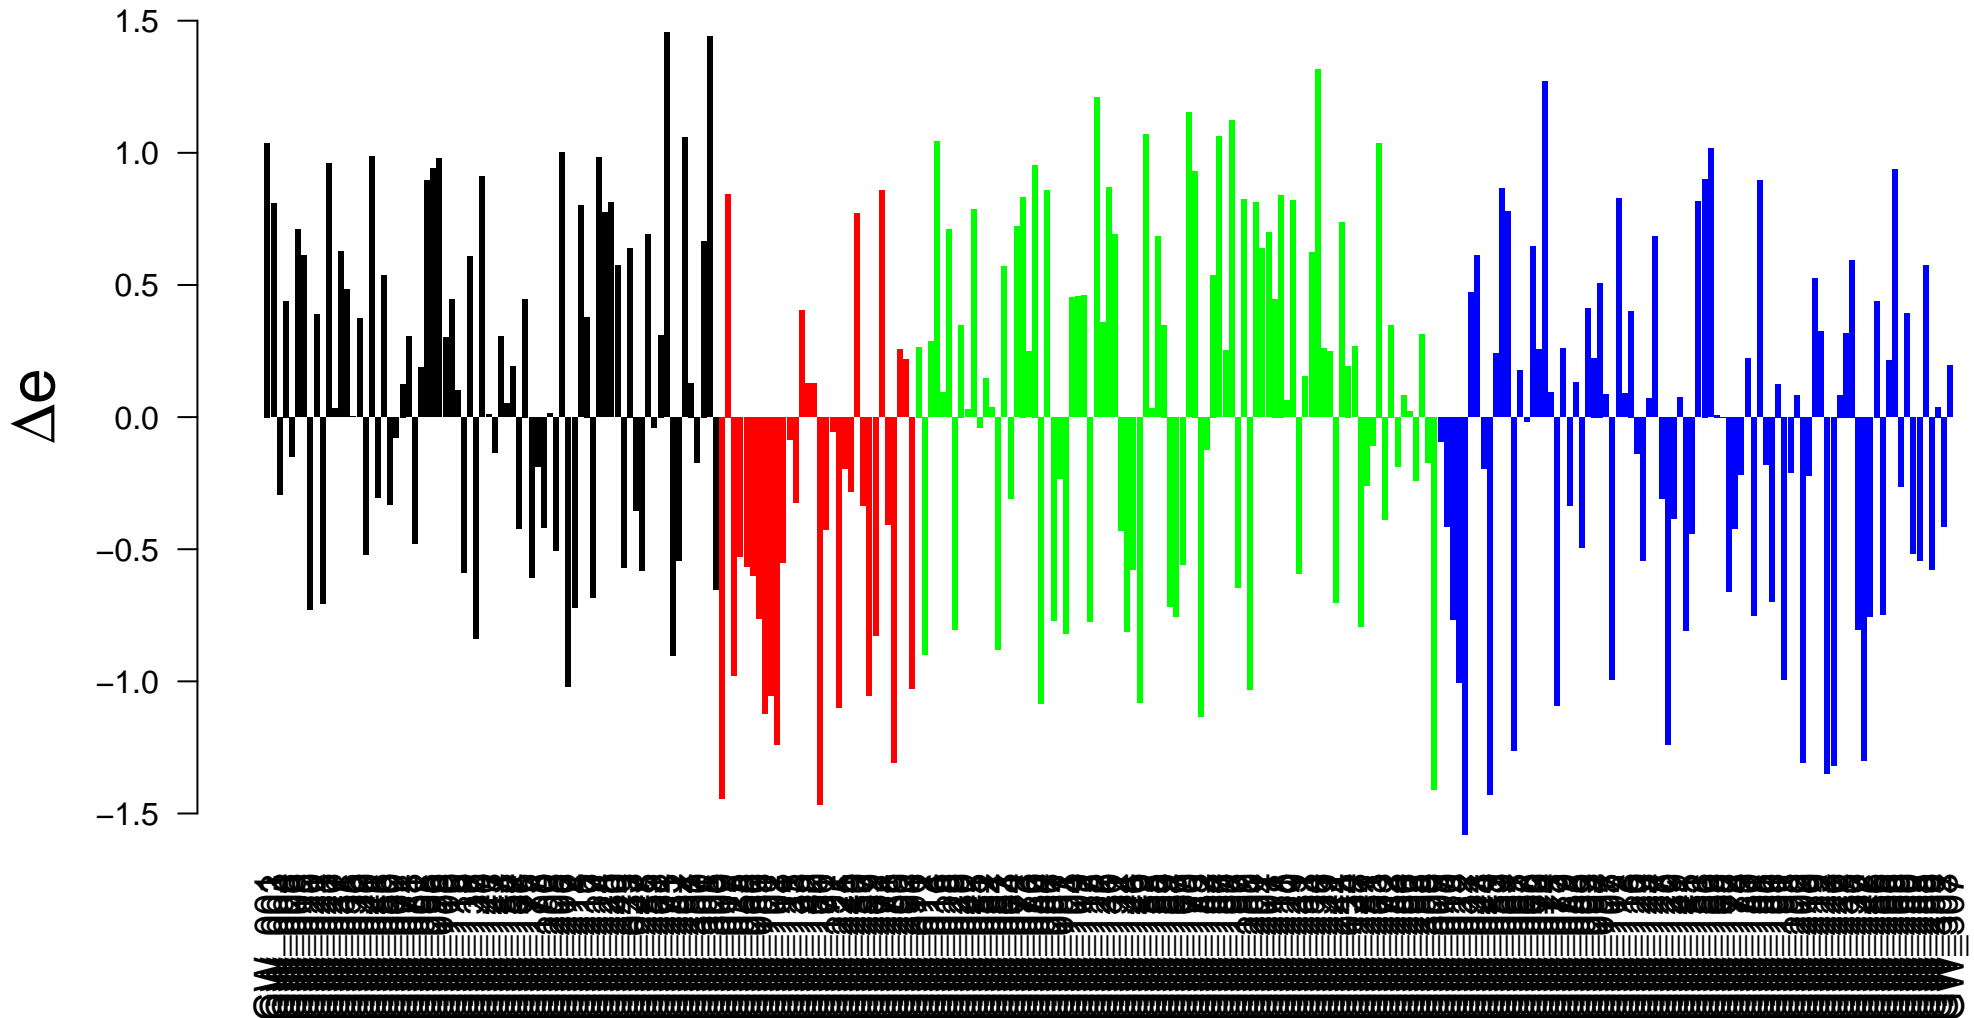

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot D

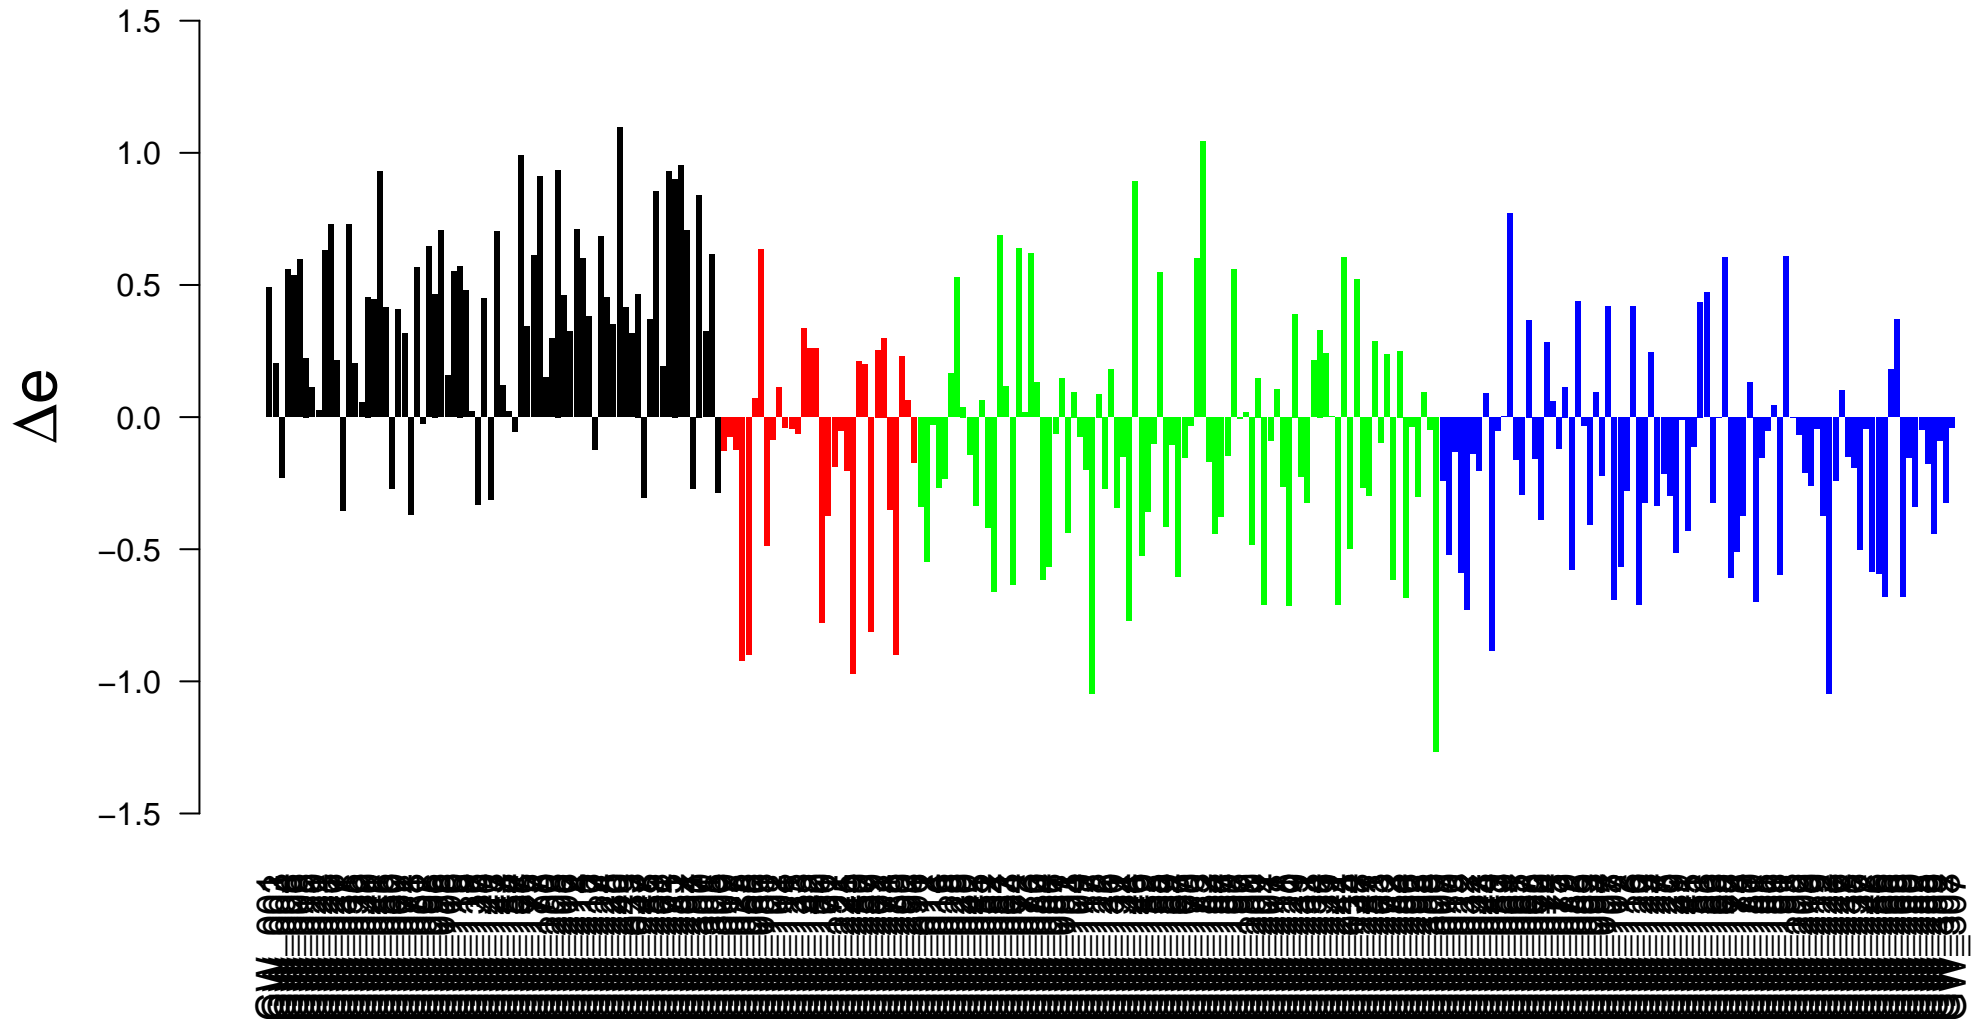

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot E

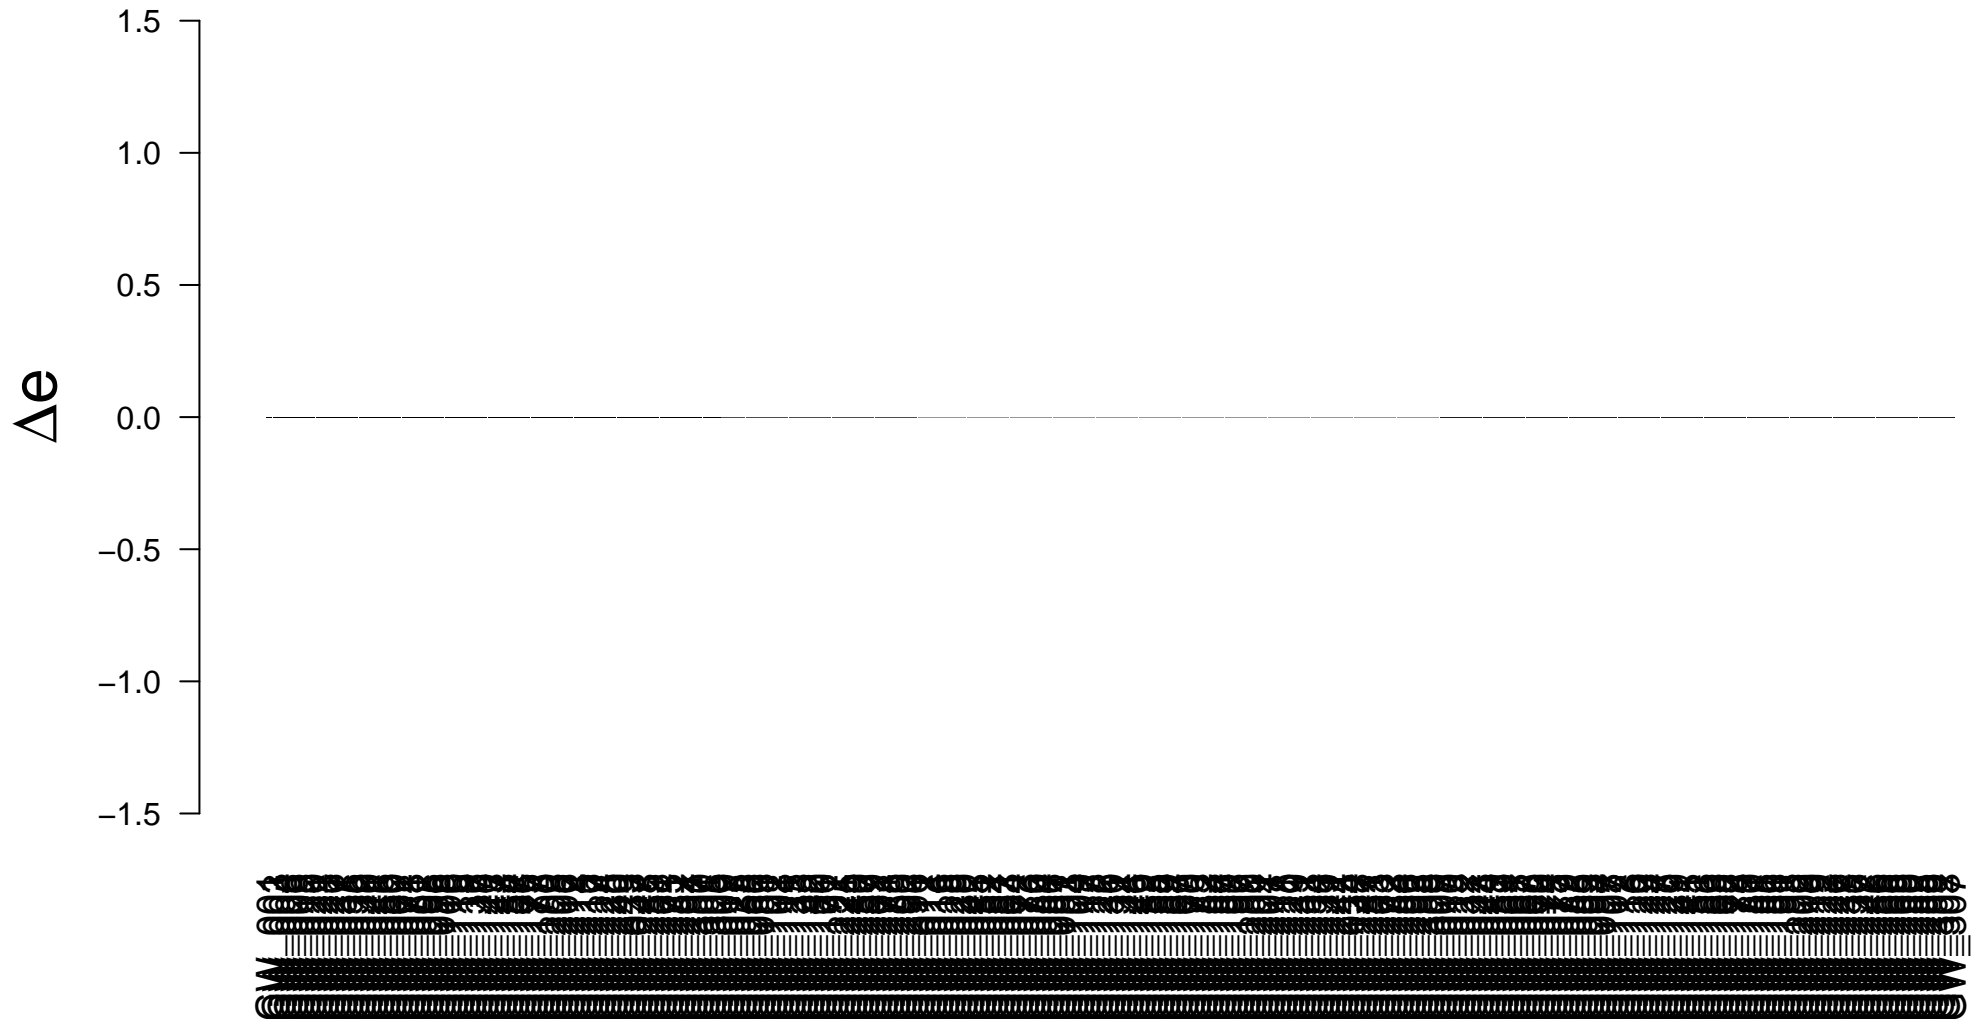

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot F

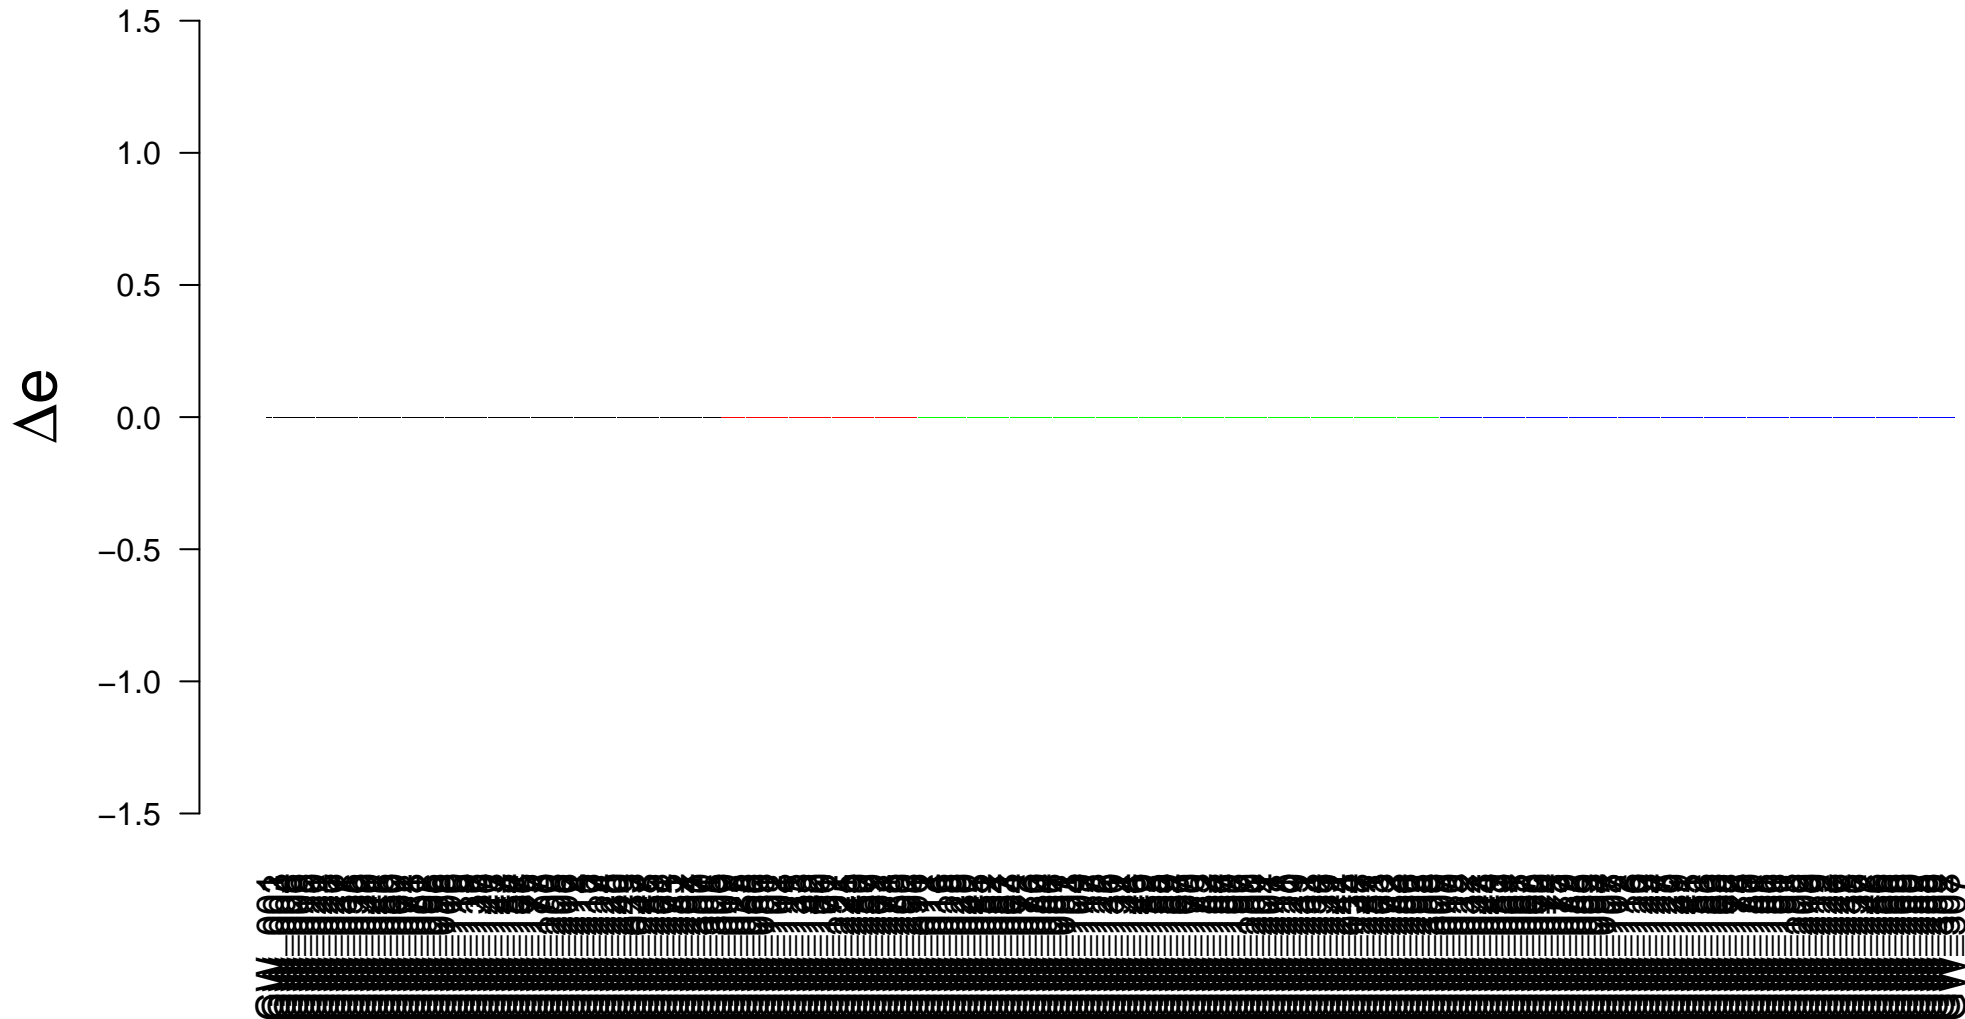

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot G

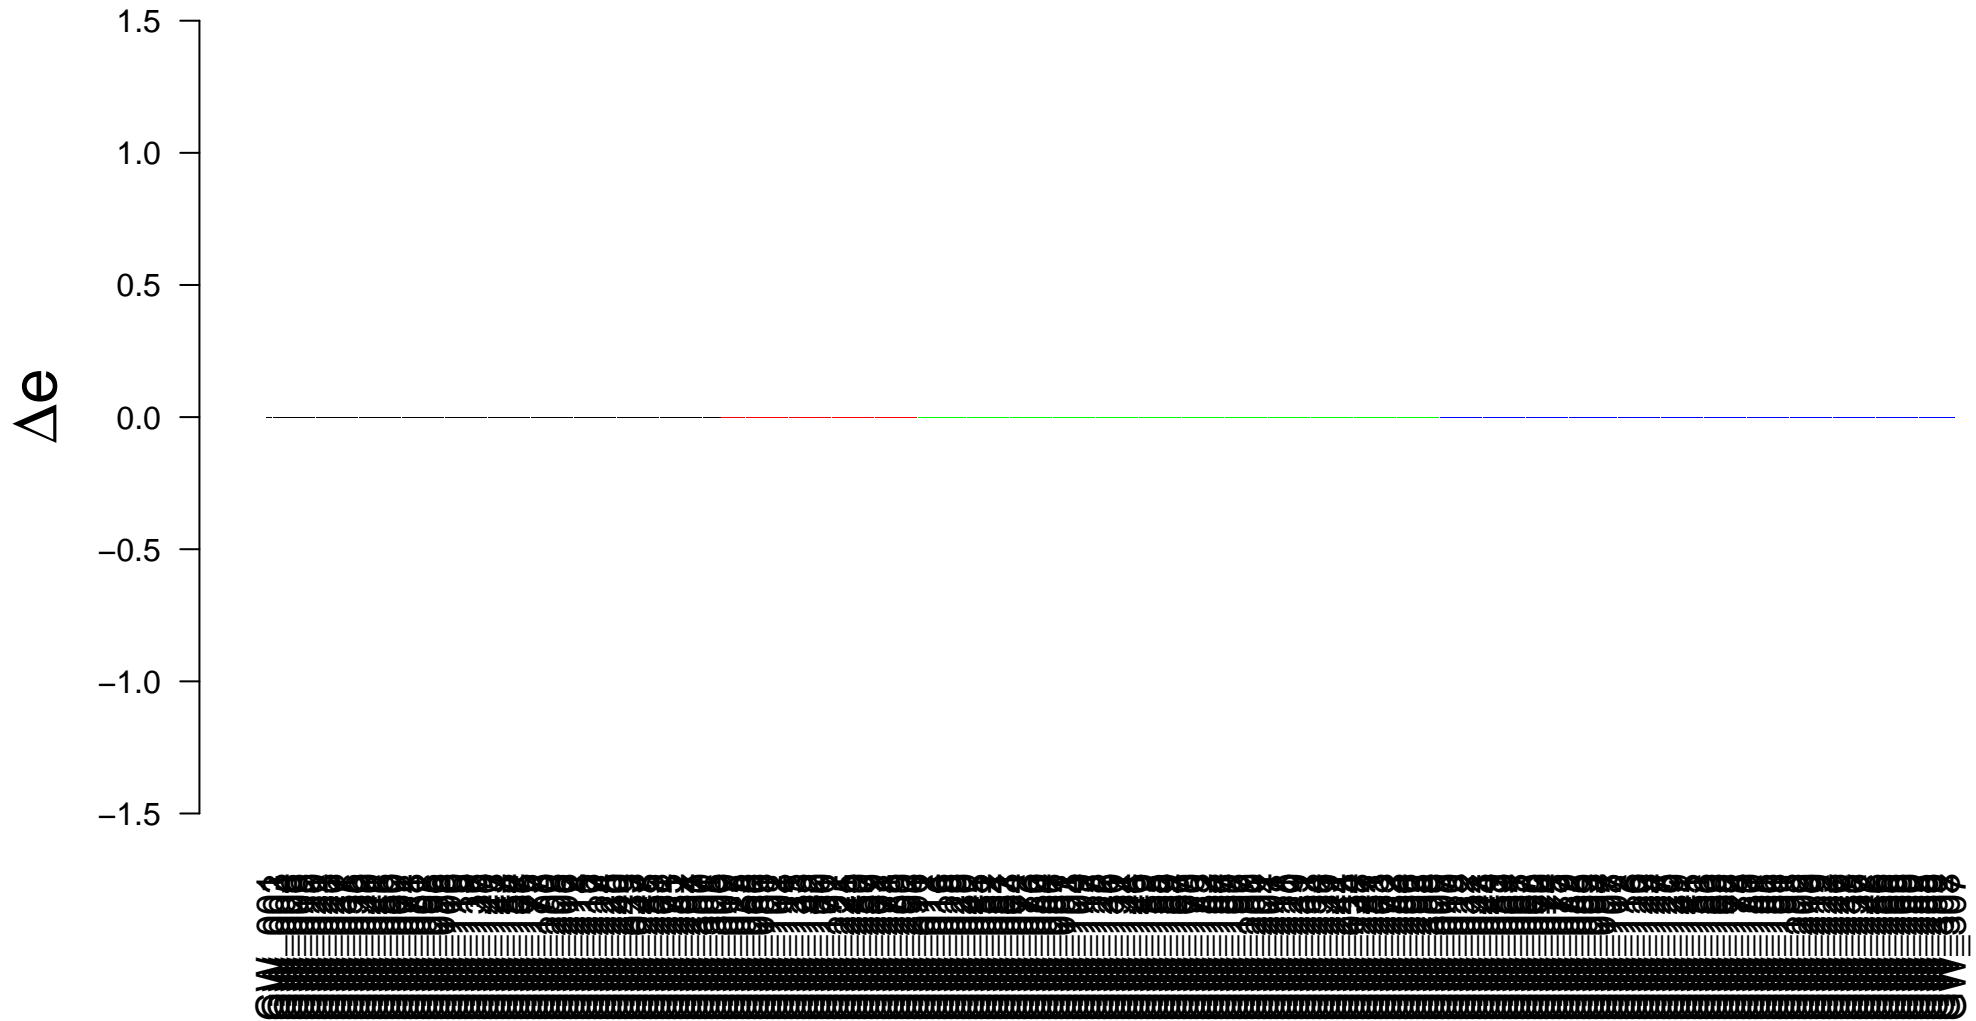

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot H

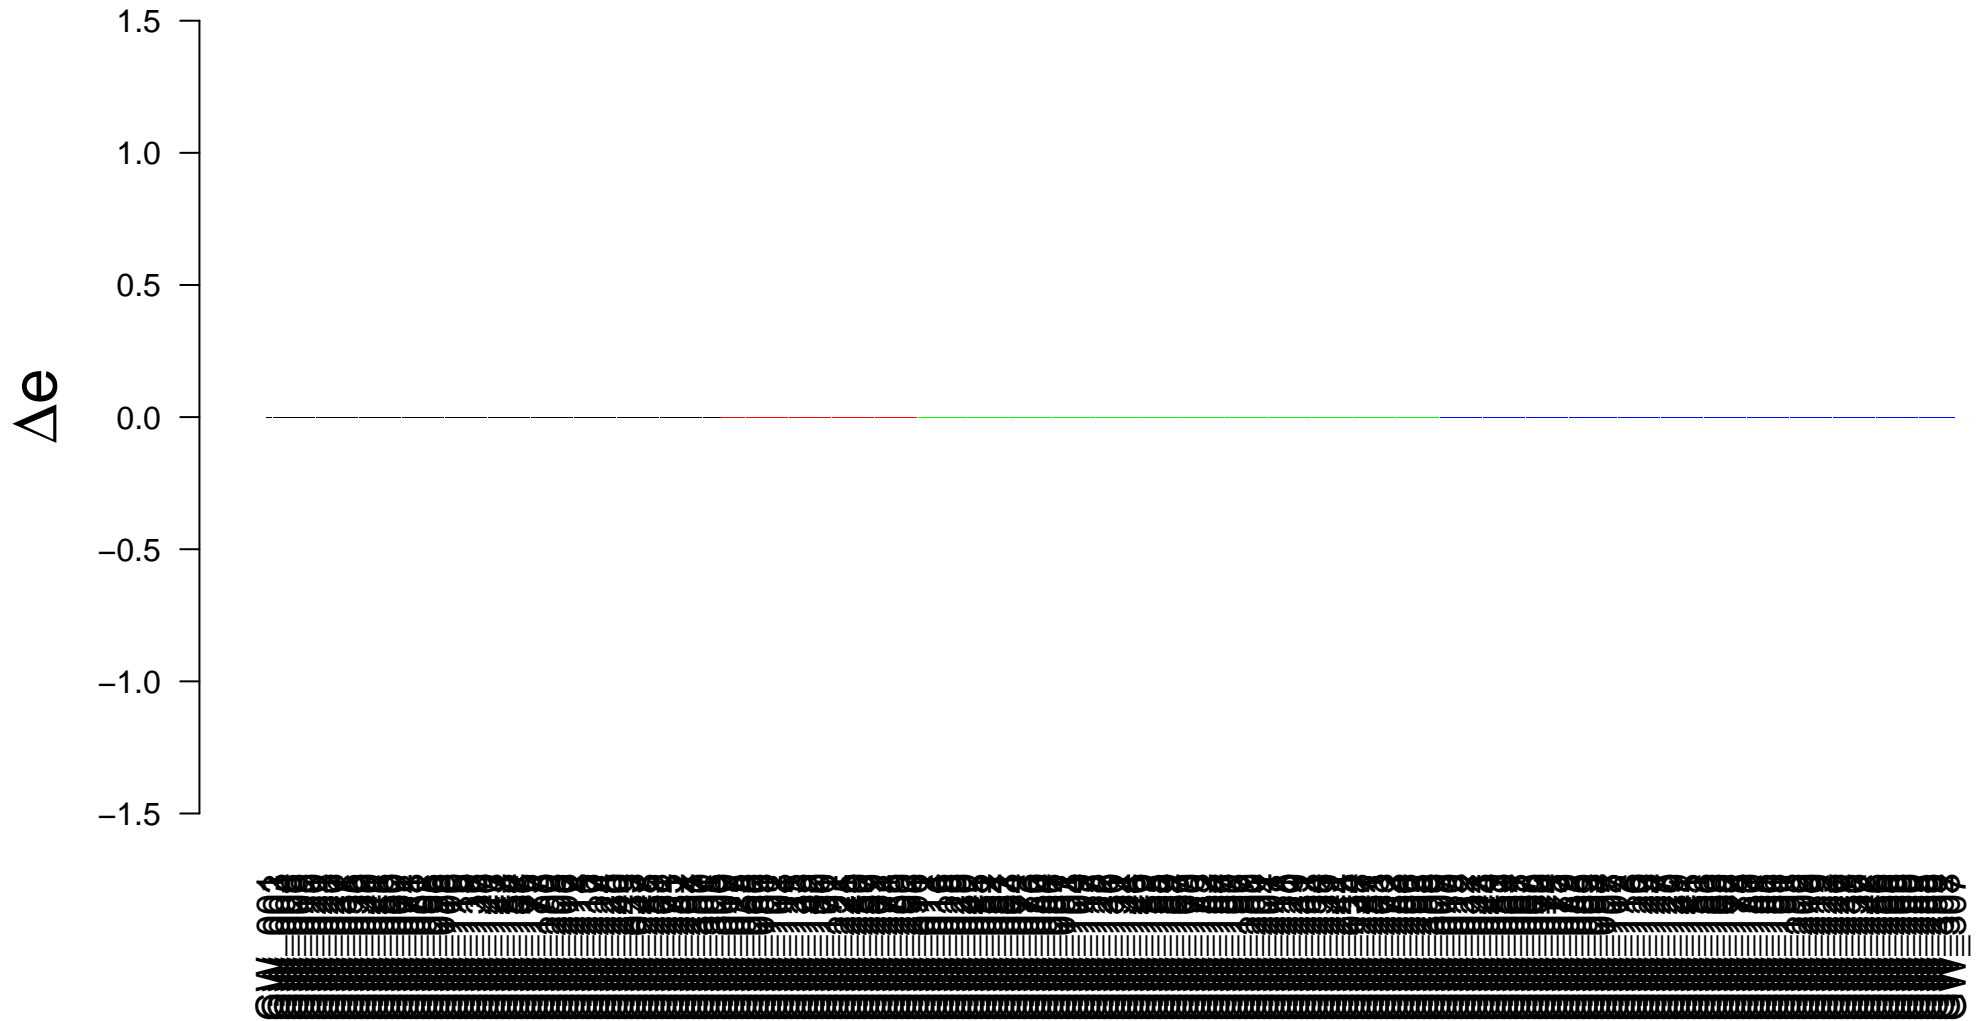

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot I

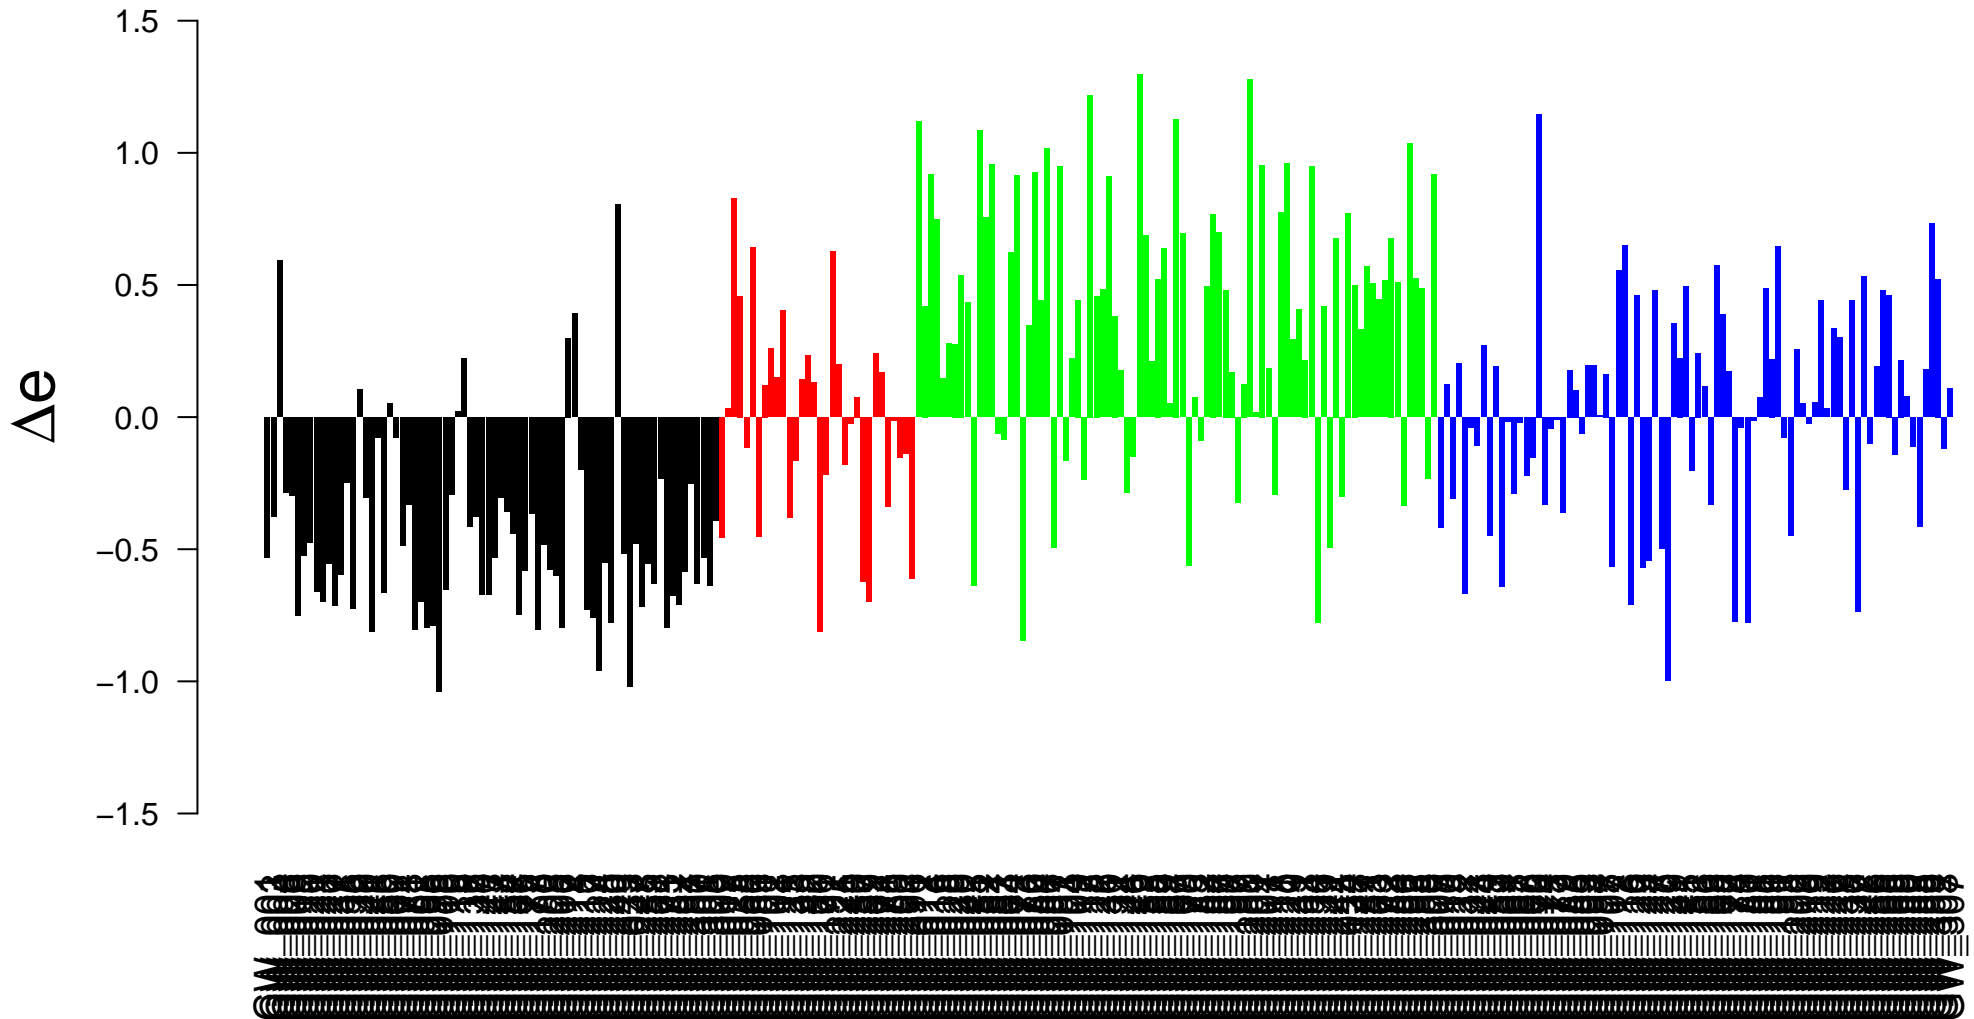

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot J

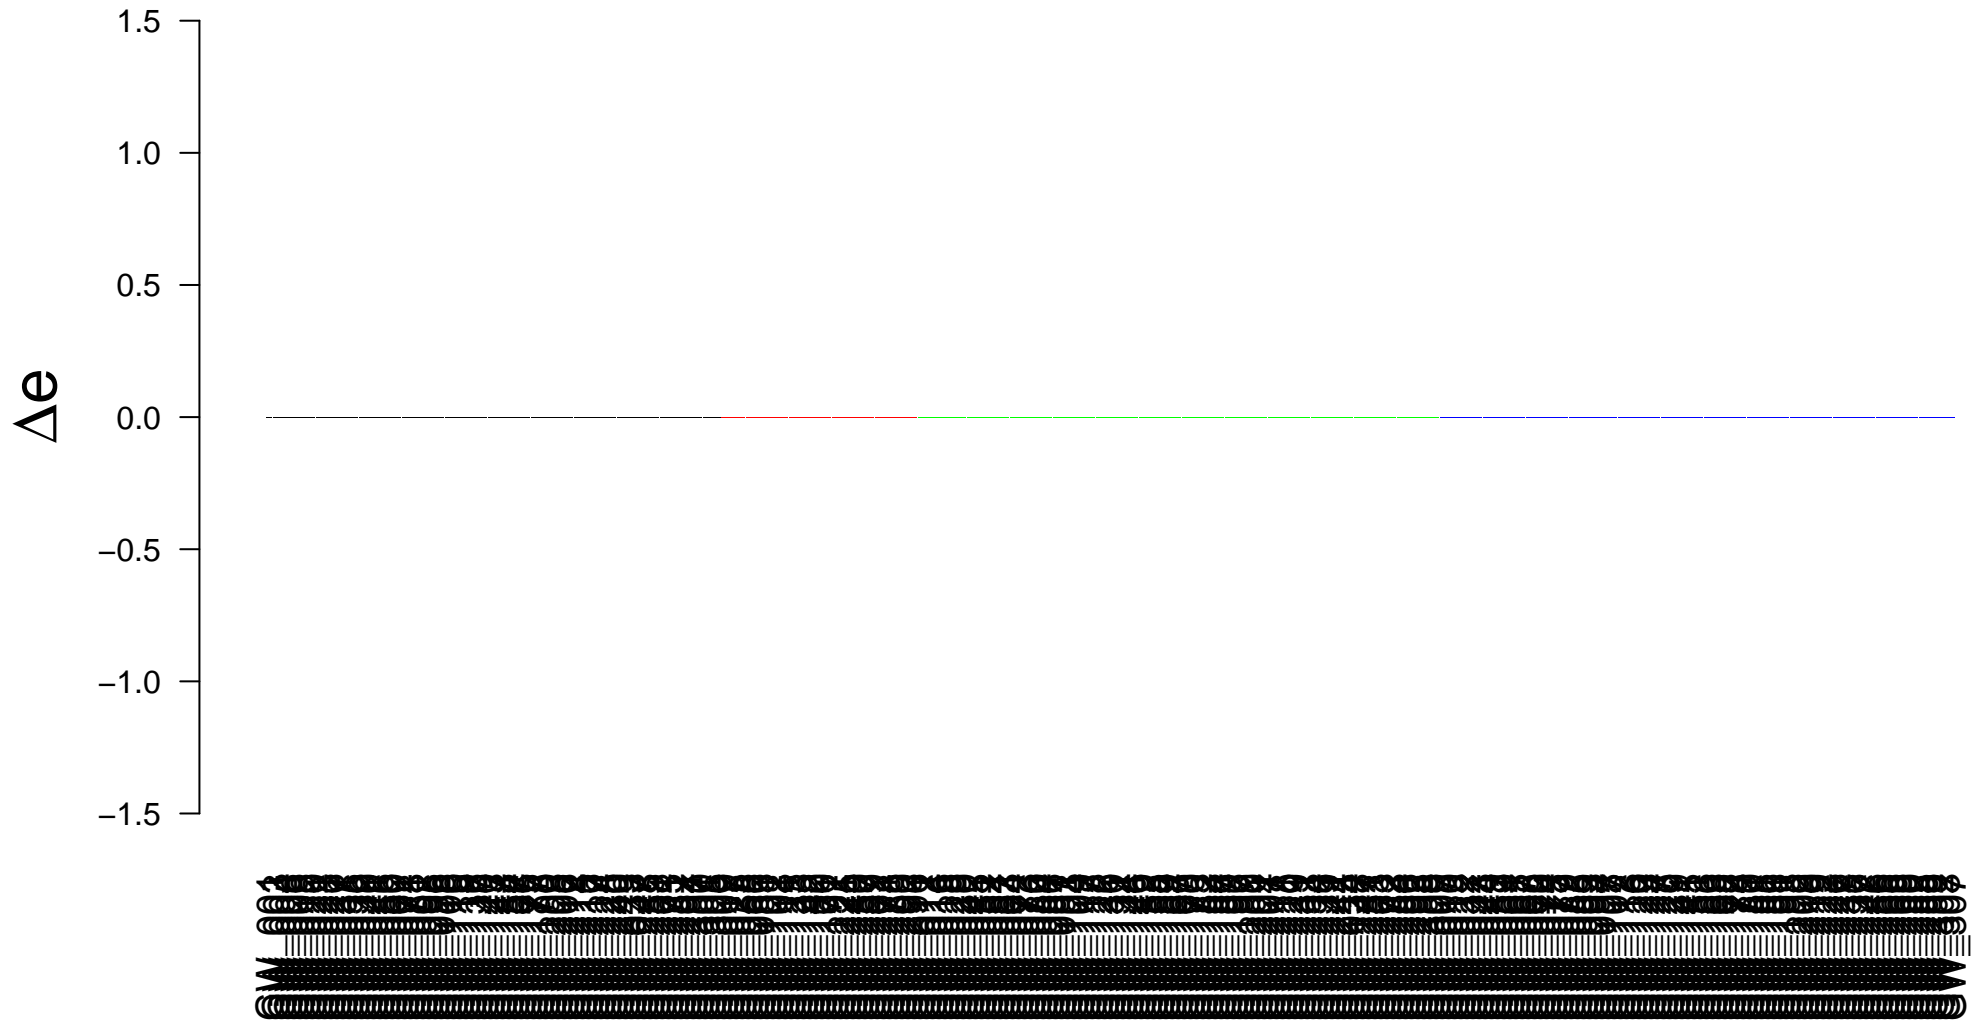

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot K

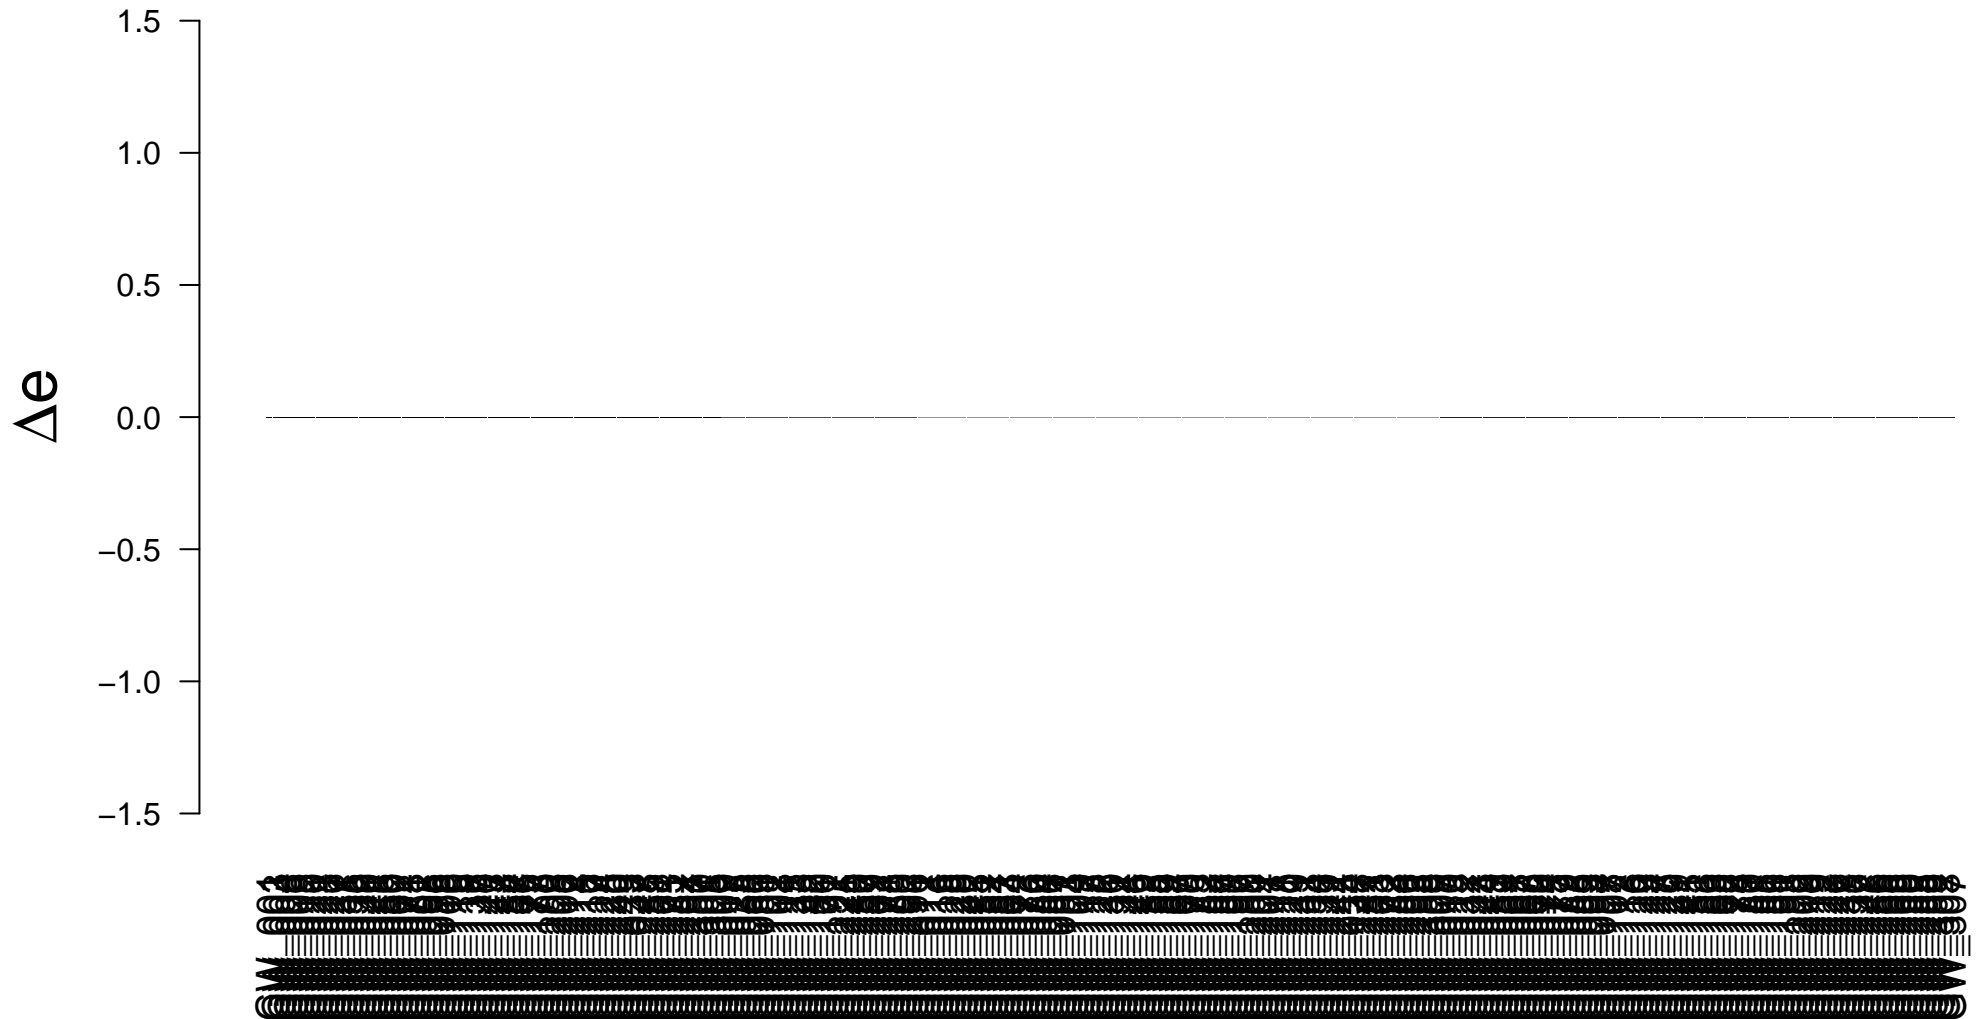

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot L

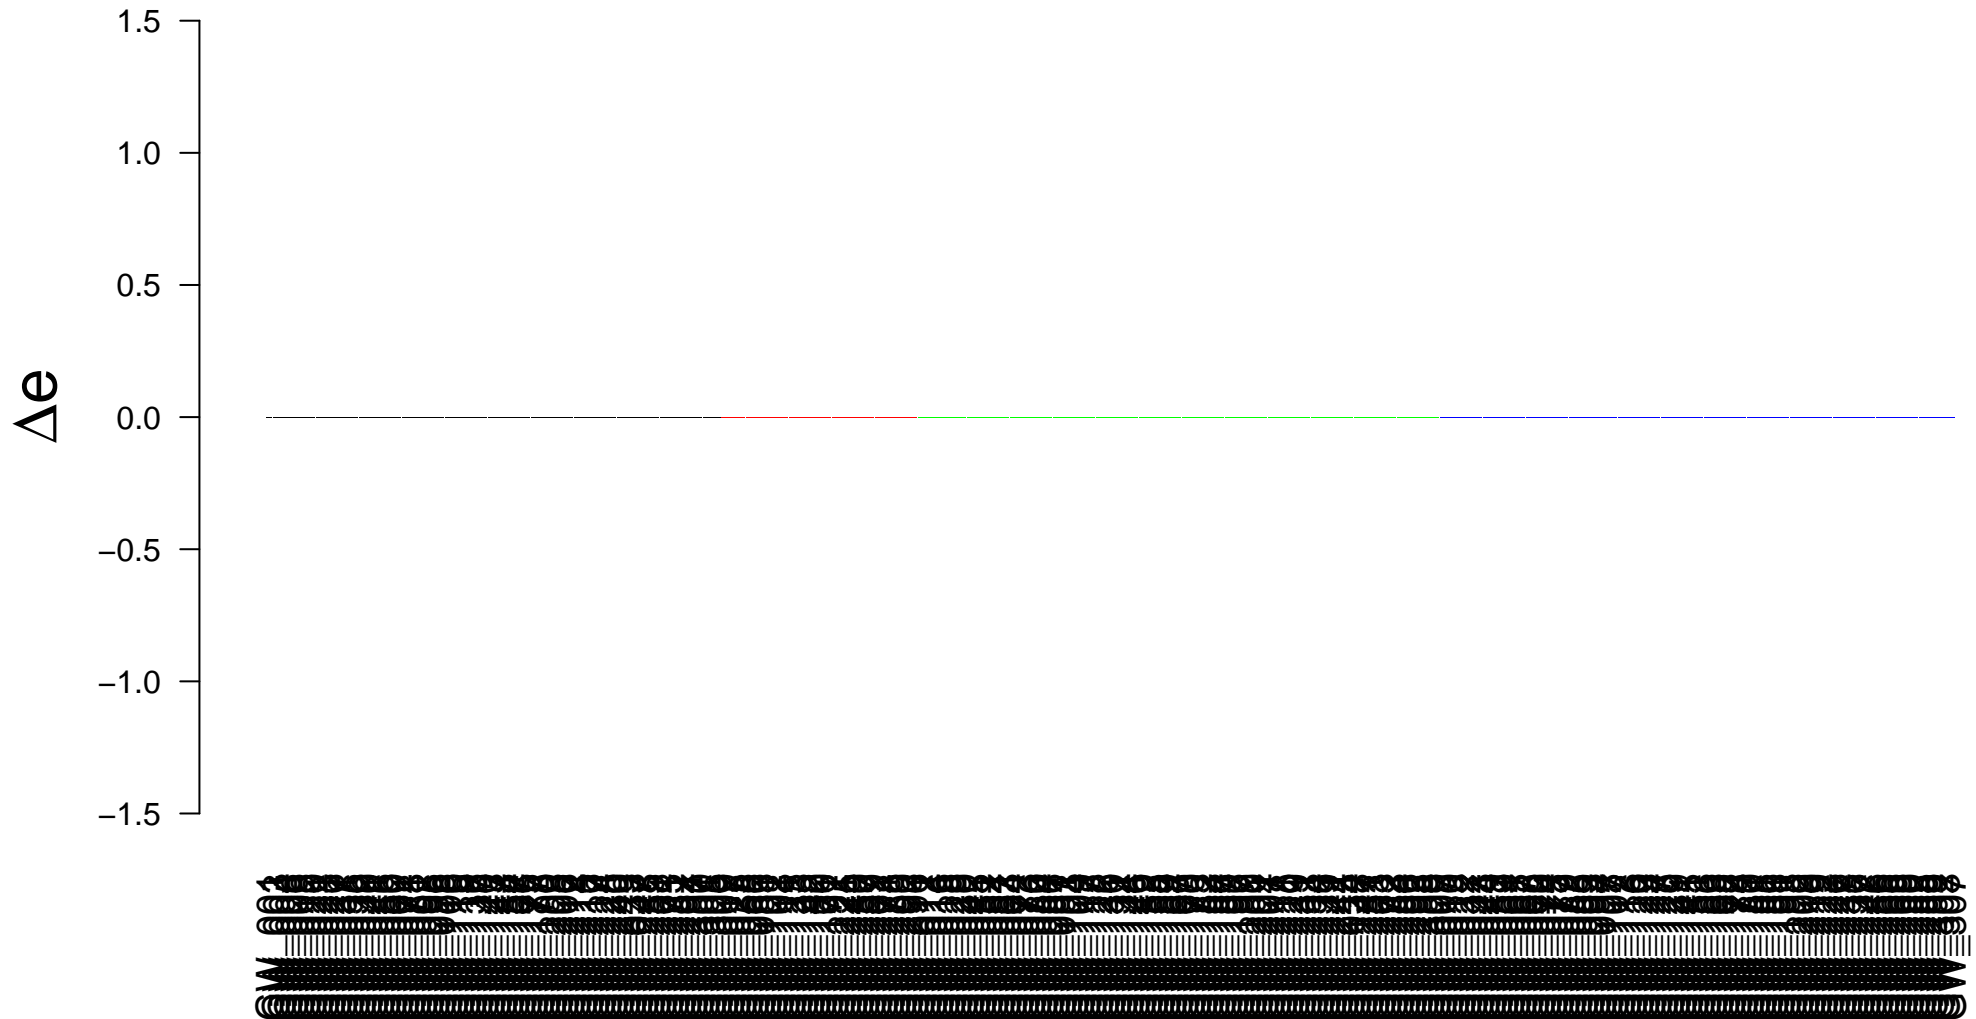

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot M

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot N

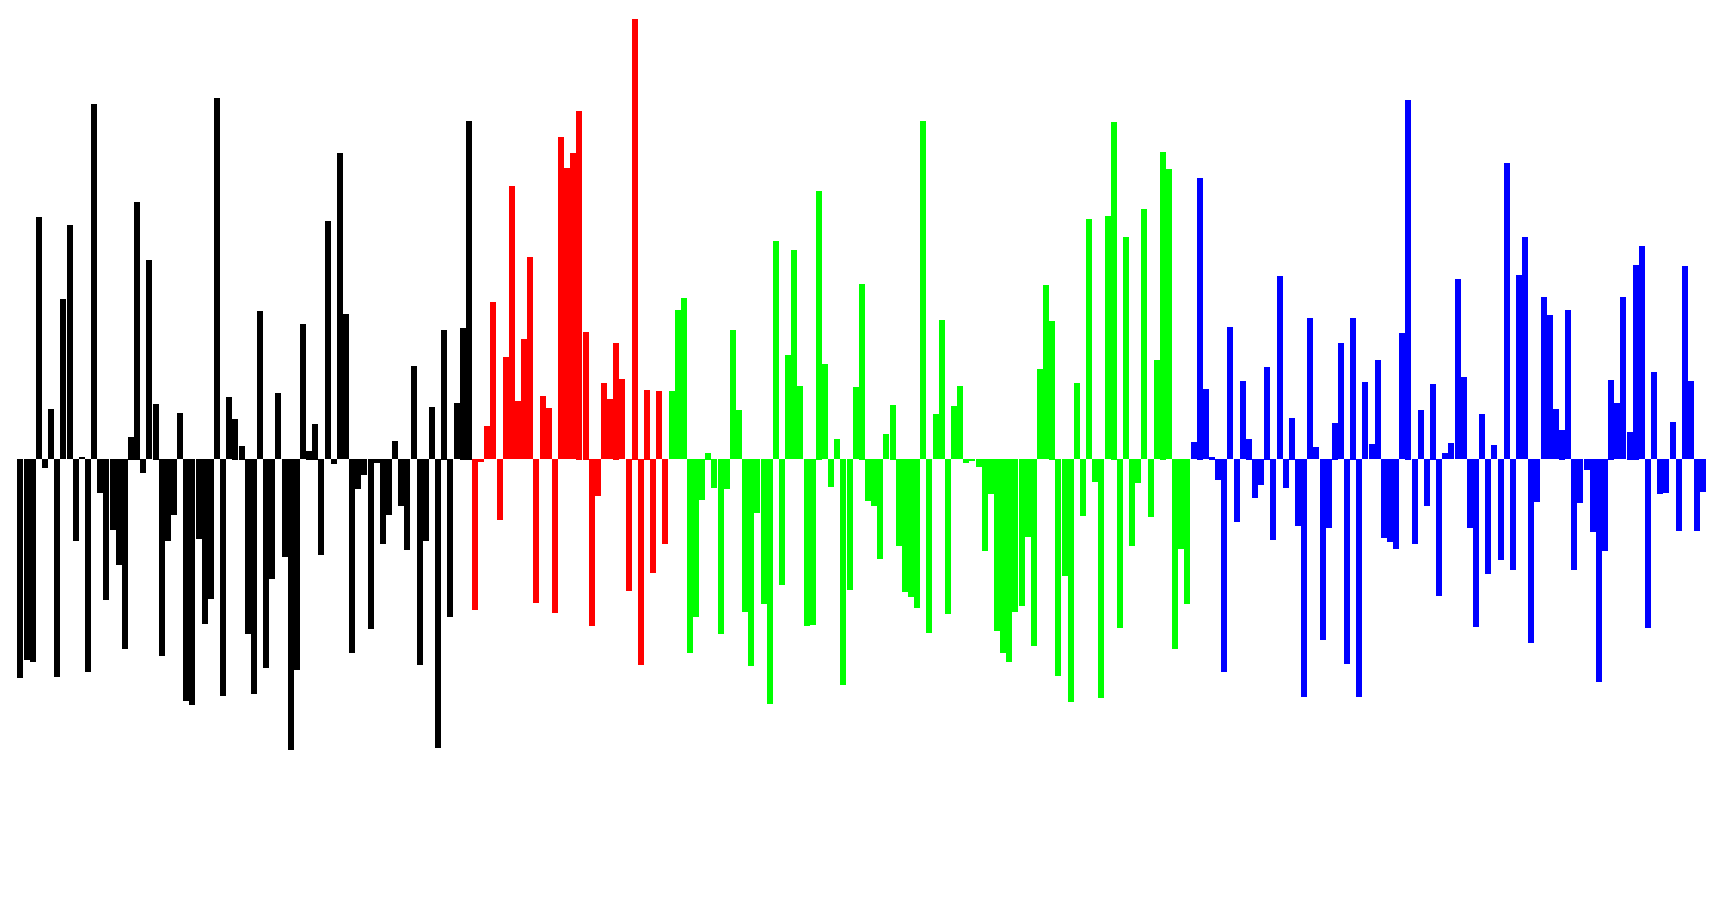

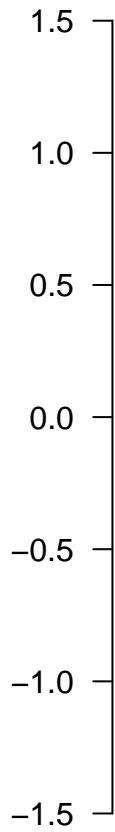

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot O

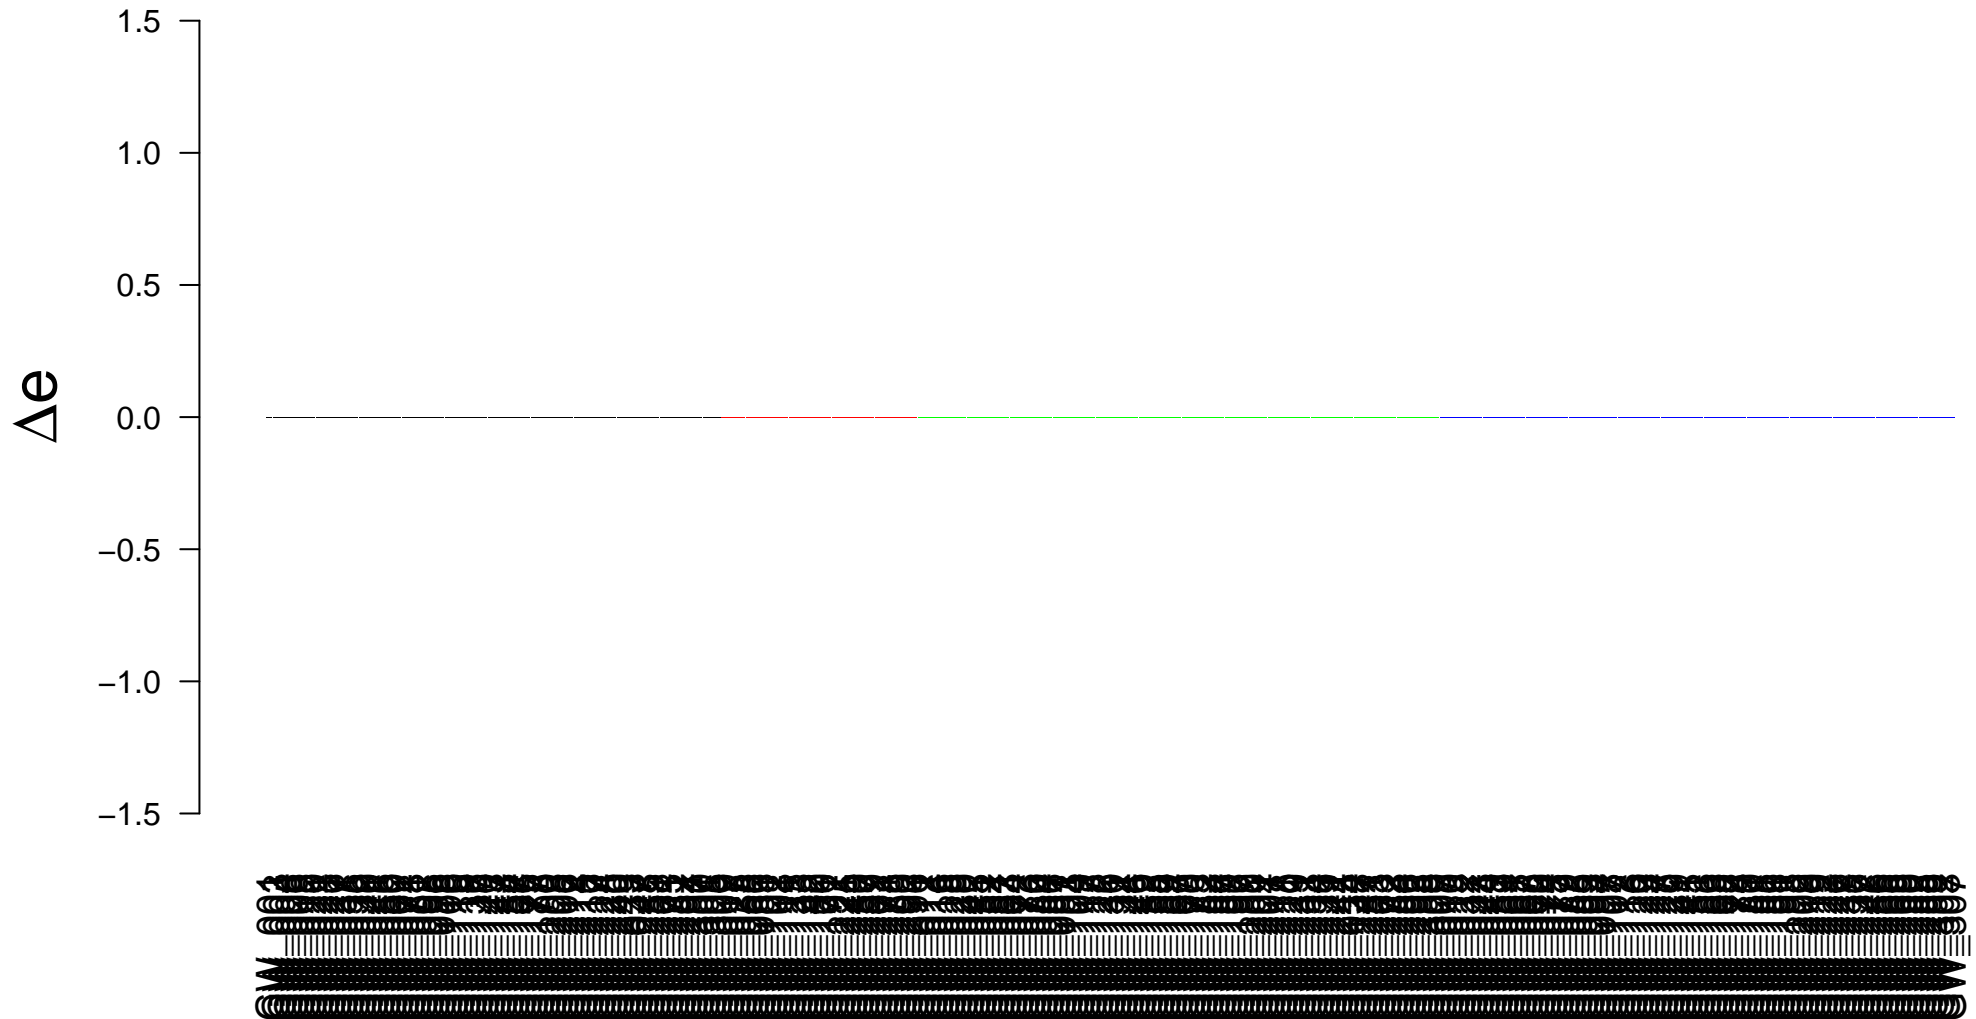

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot P

Δe

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot Q

Expression of JAK-STAT cascade involved in growth hormone signaling pathway in Spot R
