

K63-linked polyubiquitin binding

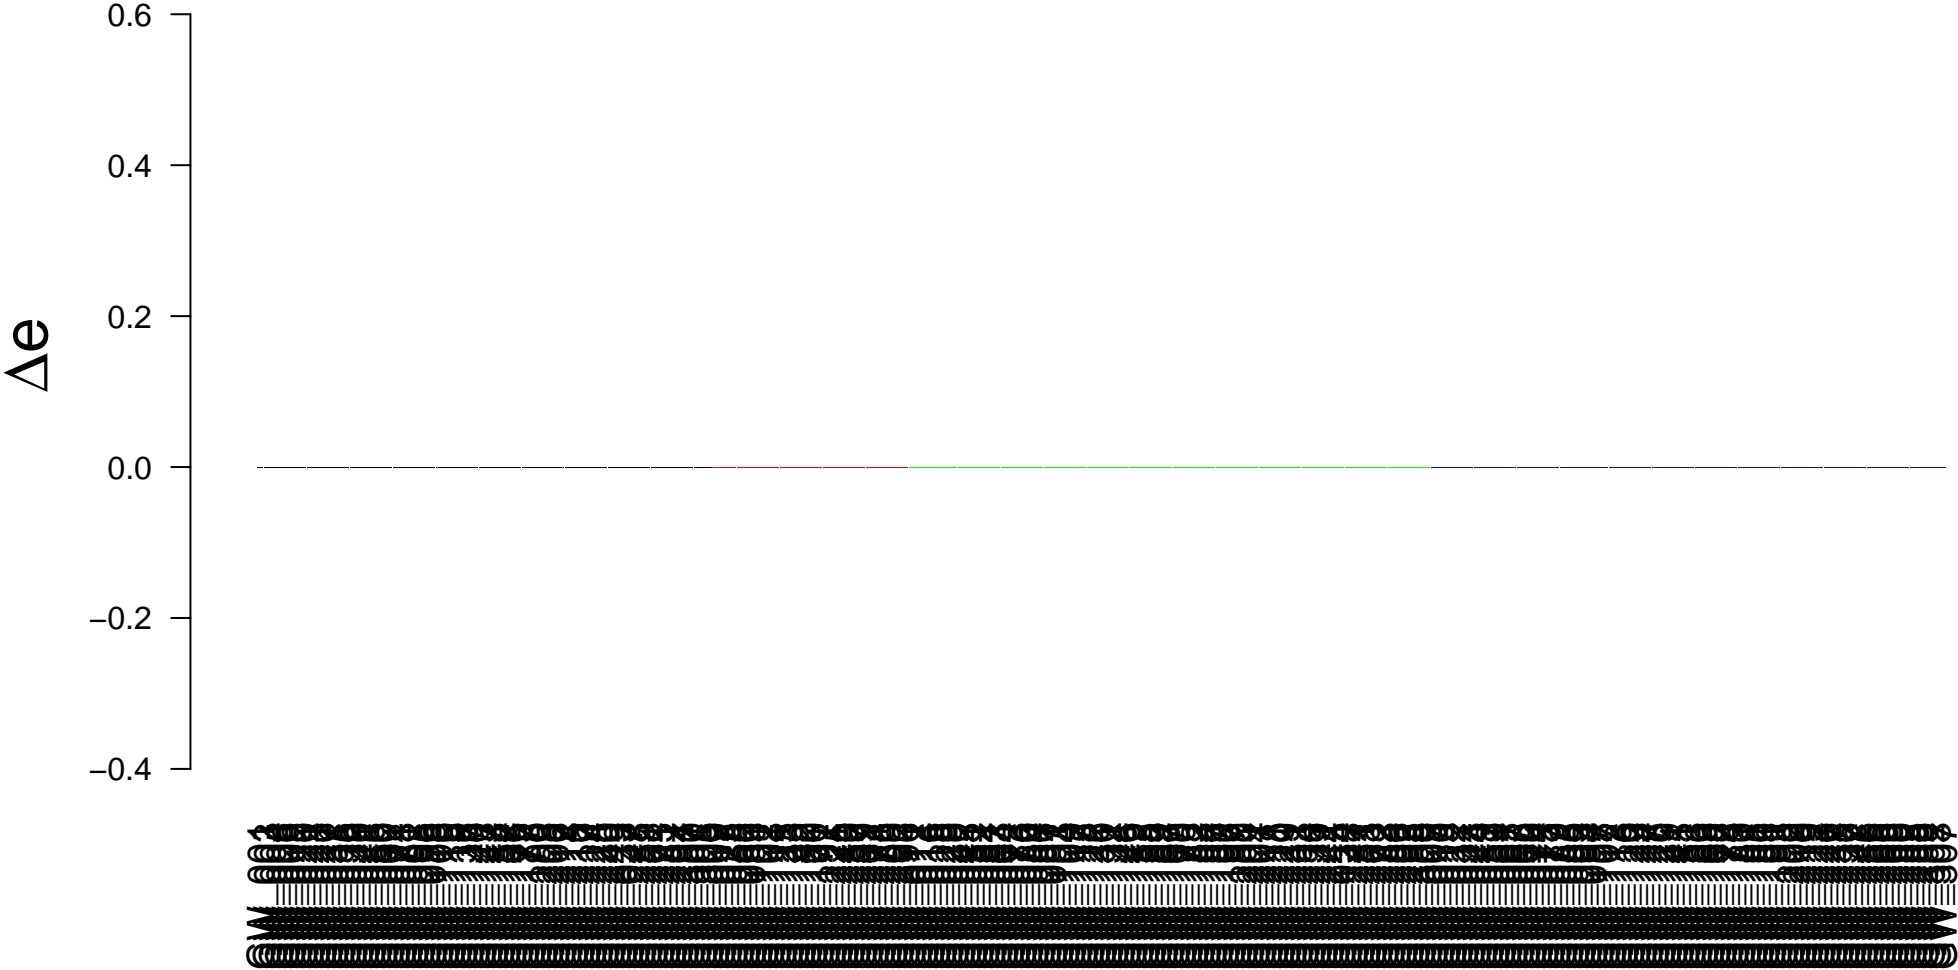

K63-linked polyubiquitin binding

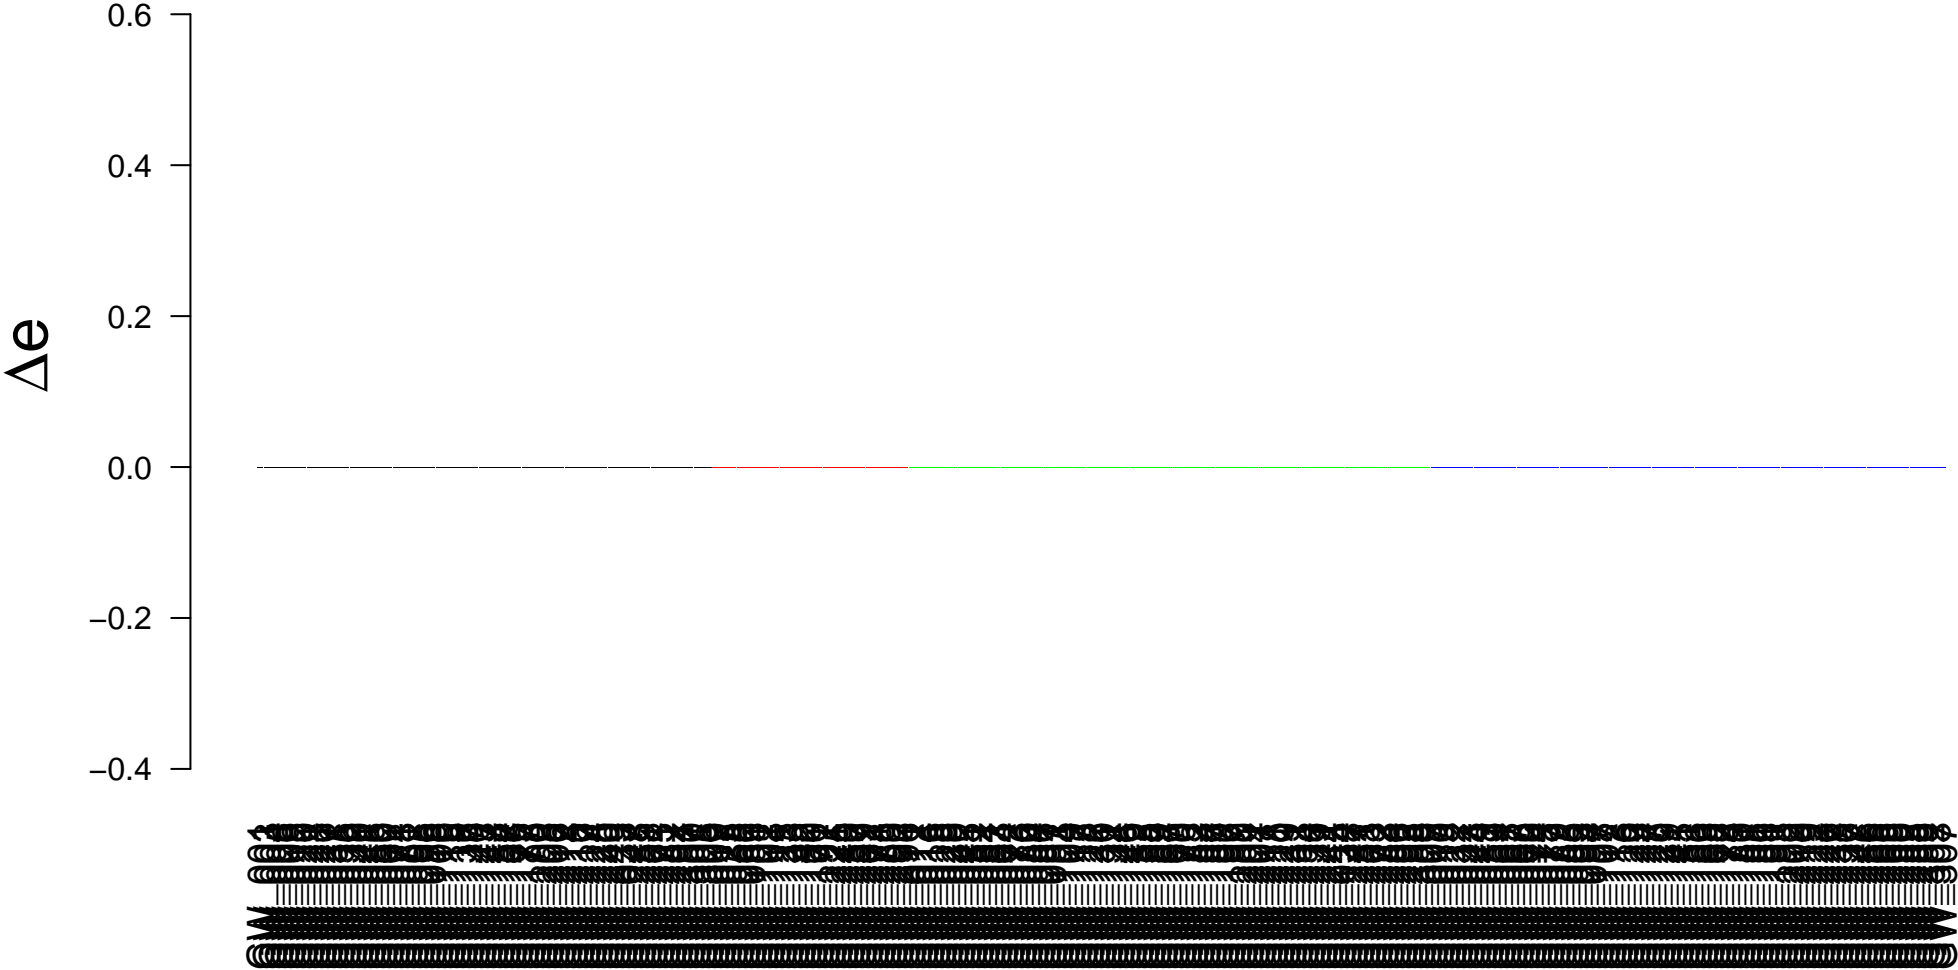

Enrichment in spots: K63-linked polyubiquitin binding

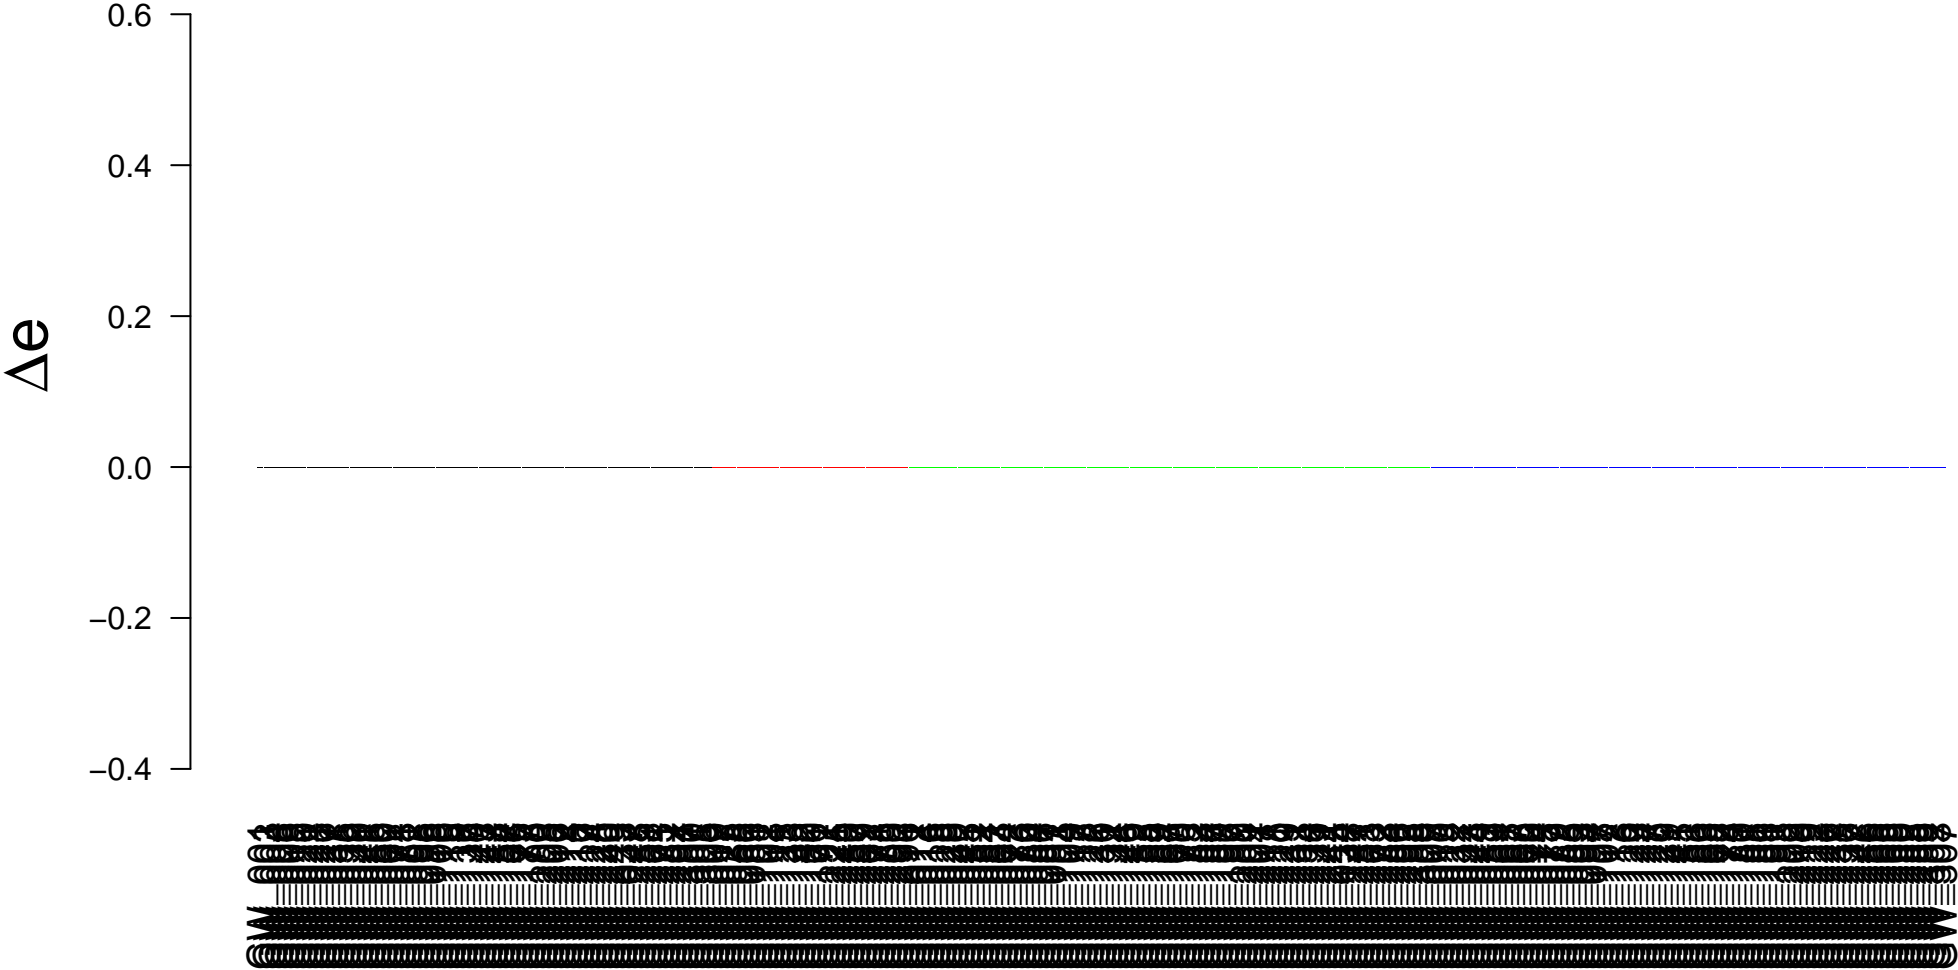

Expression of K63-linked polyubiquitin binding in Spot A

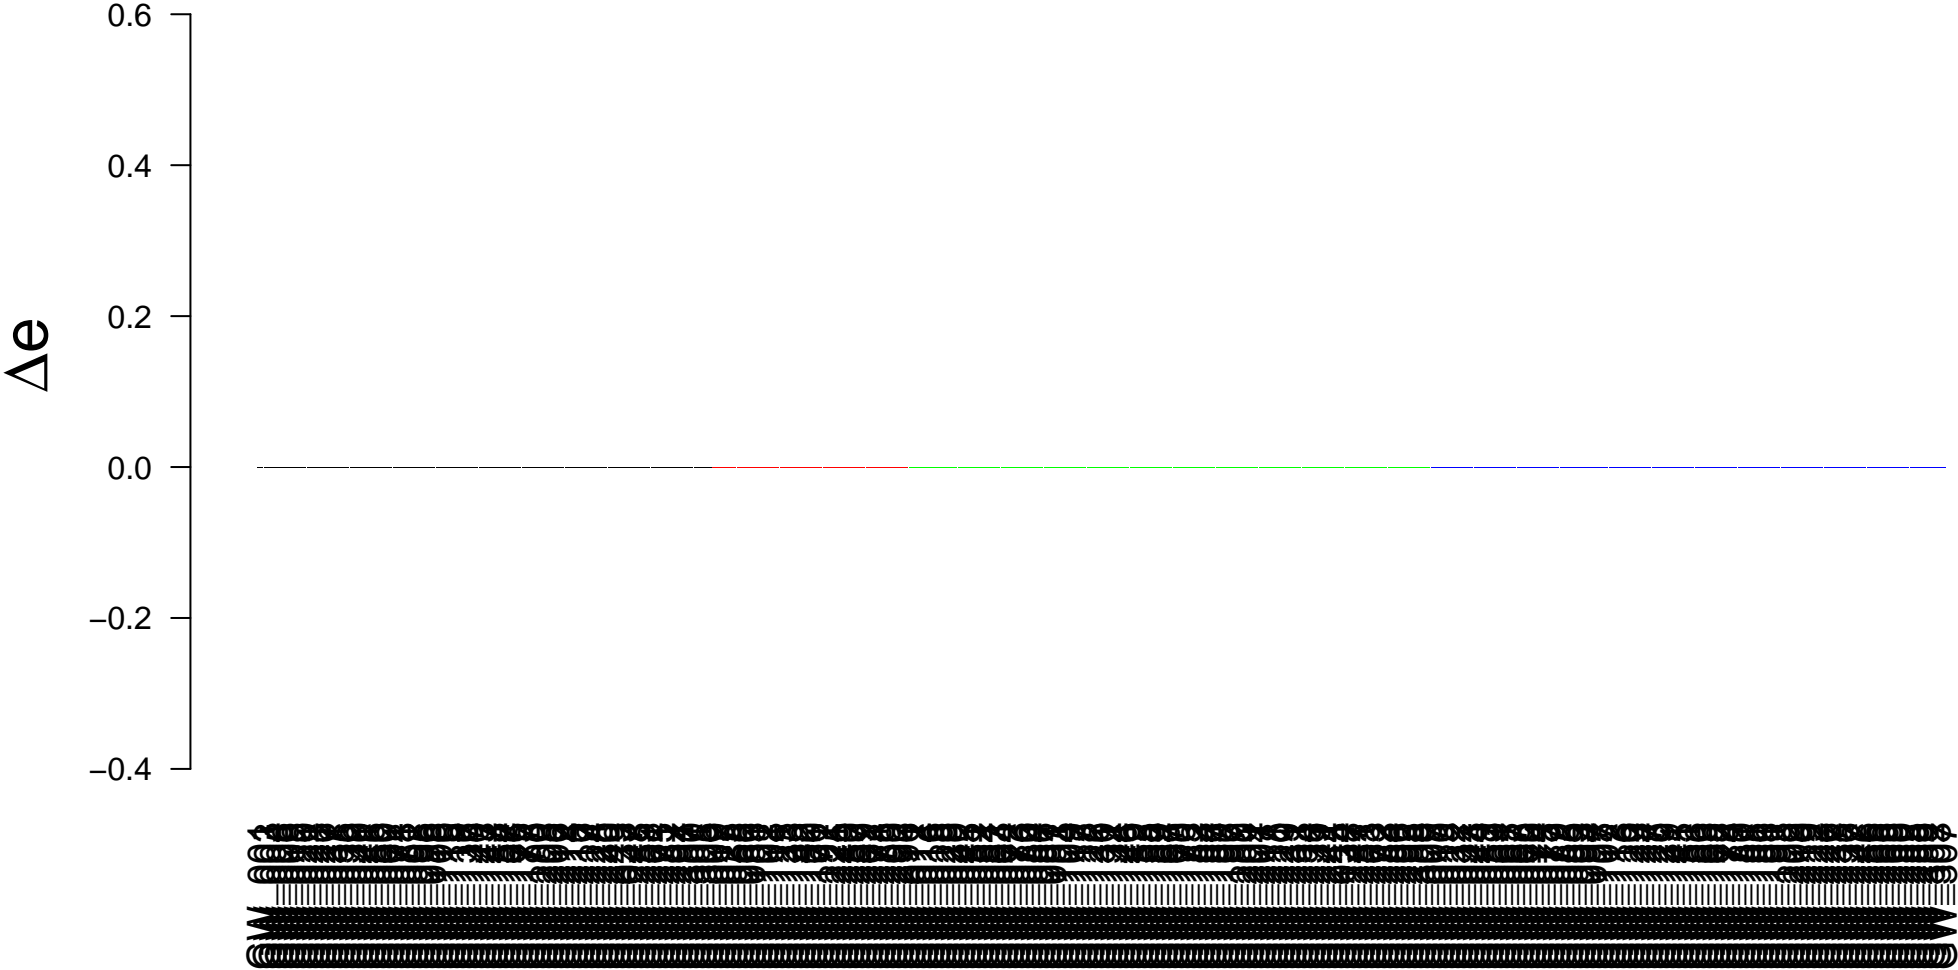

Expression of K63-linked polyubiquitin binding in Spot B

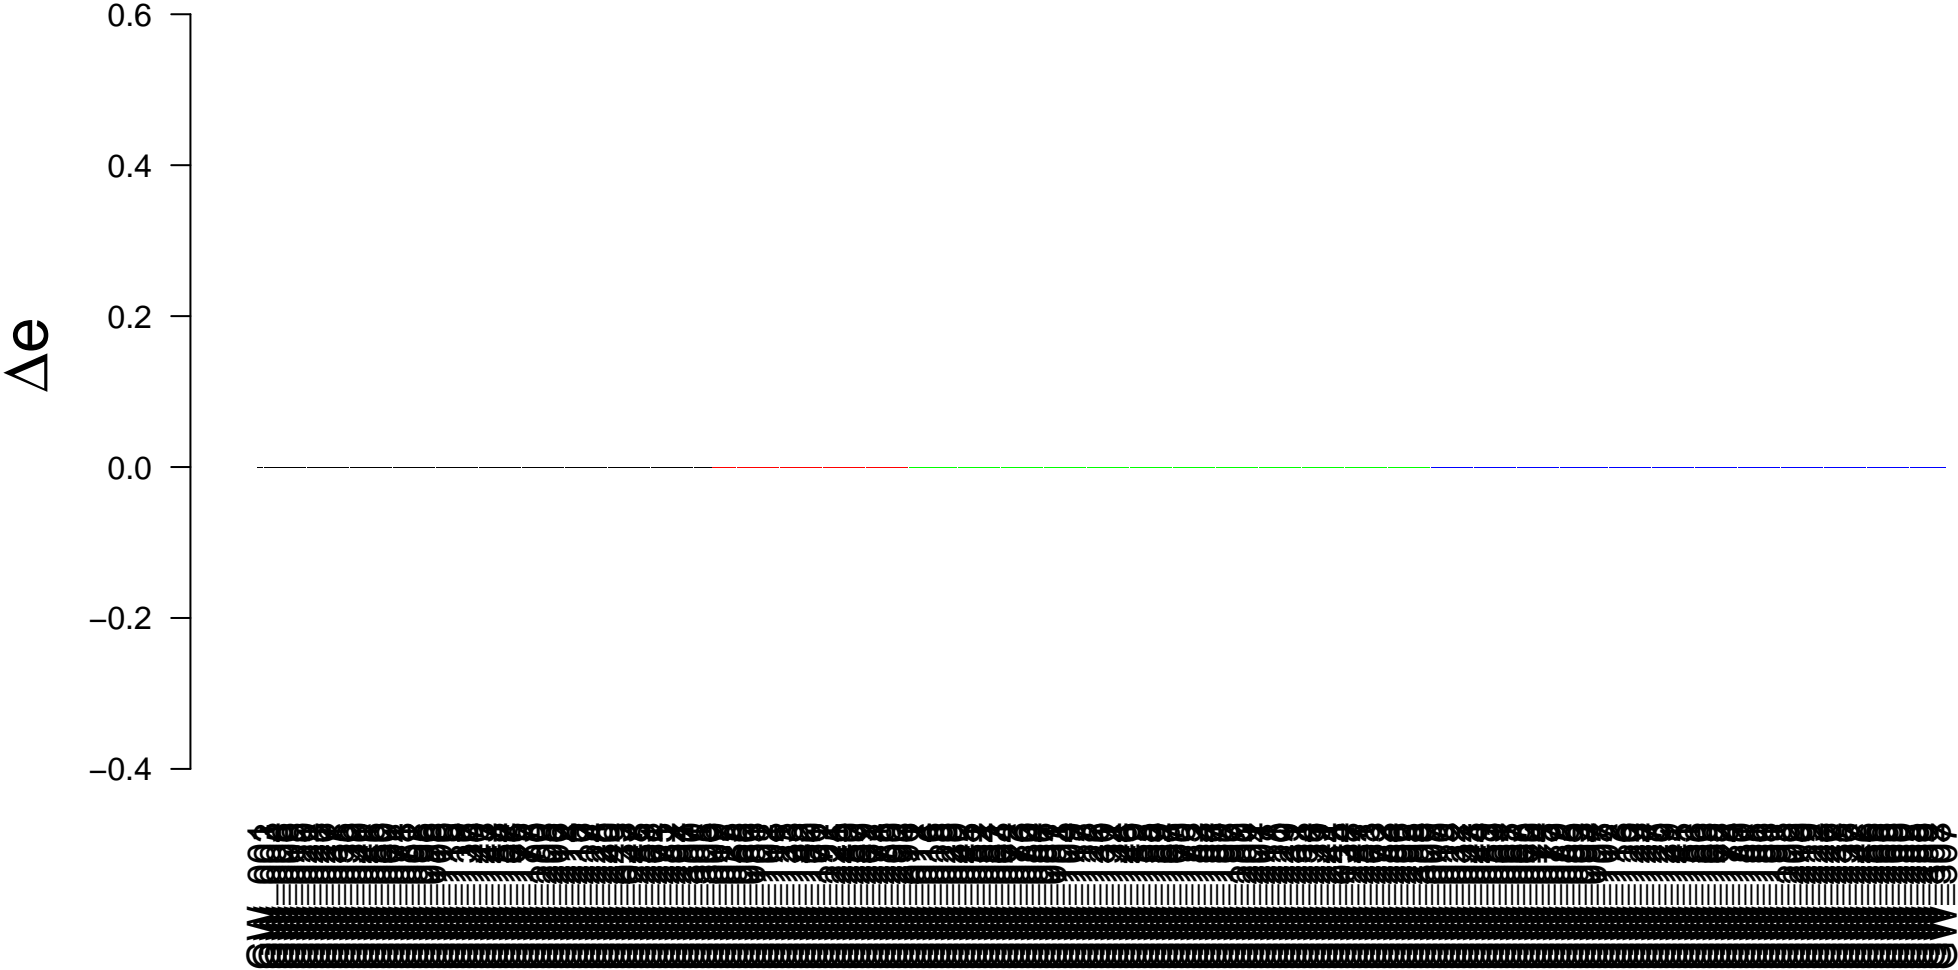

Expression of K63-linked polyubiquitin binding in Spot C

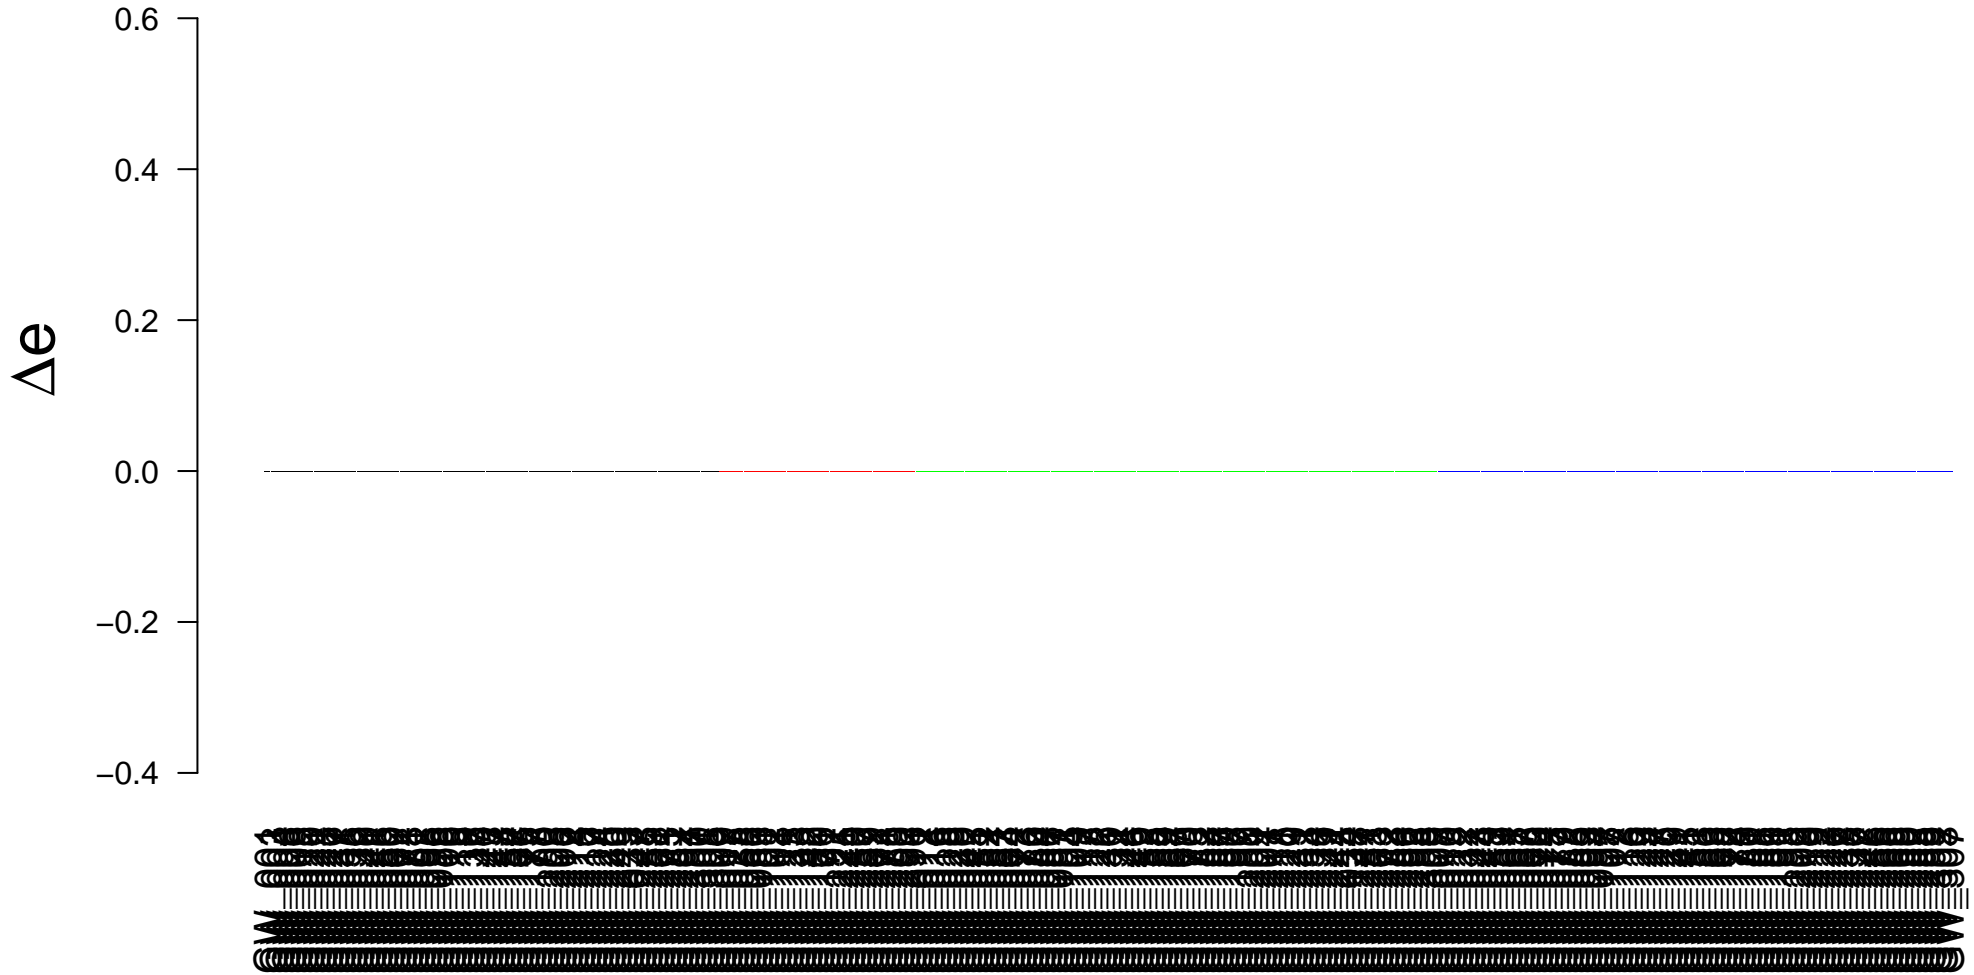

Expression of K63-linked polyubiquitin binding in Spot D

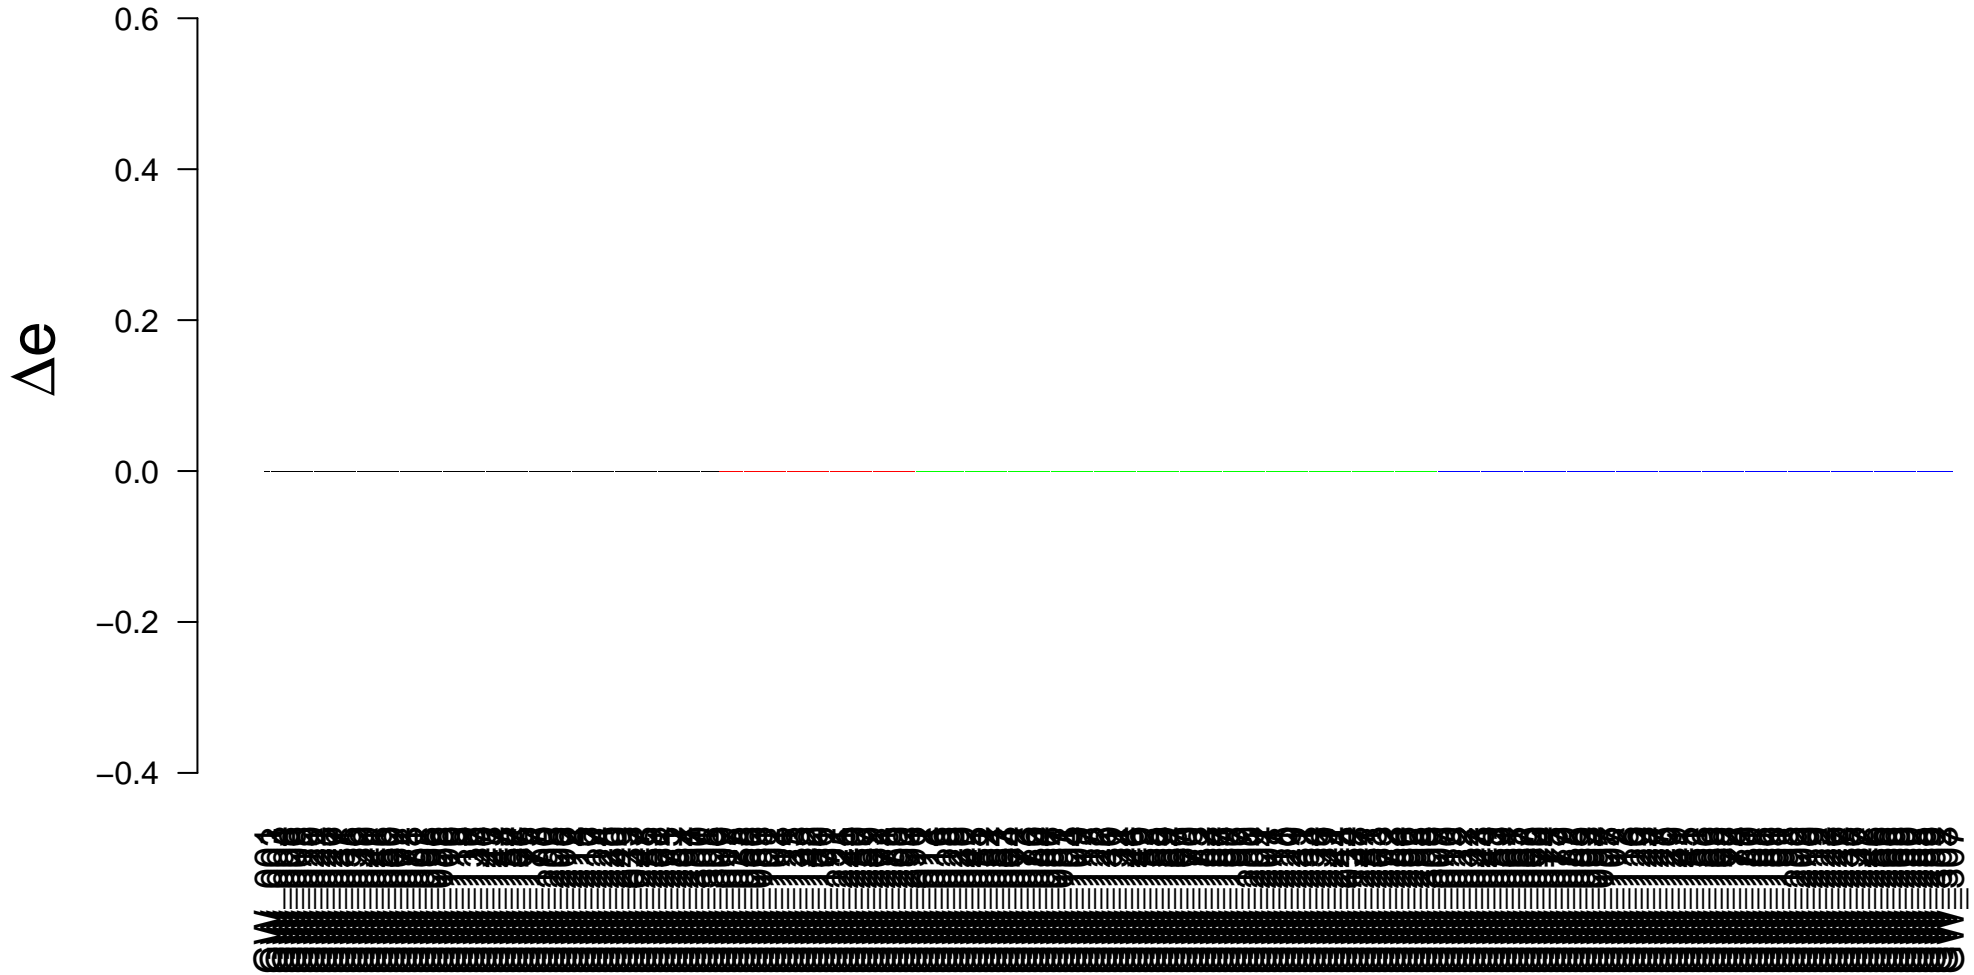

Expression of K63-linked polyubiquitin binding in Spot E

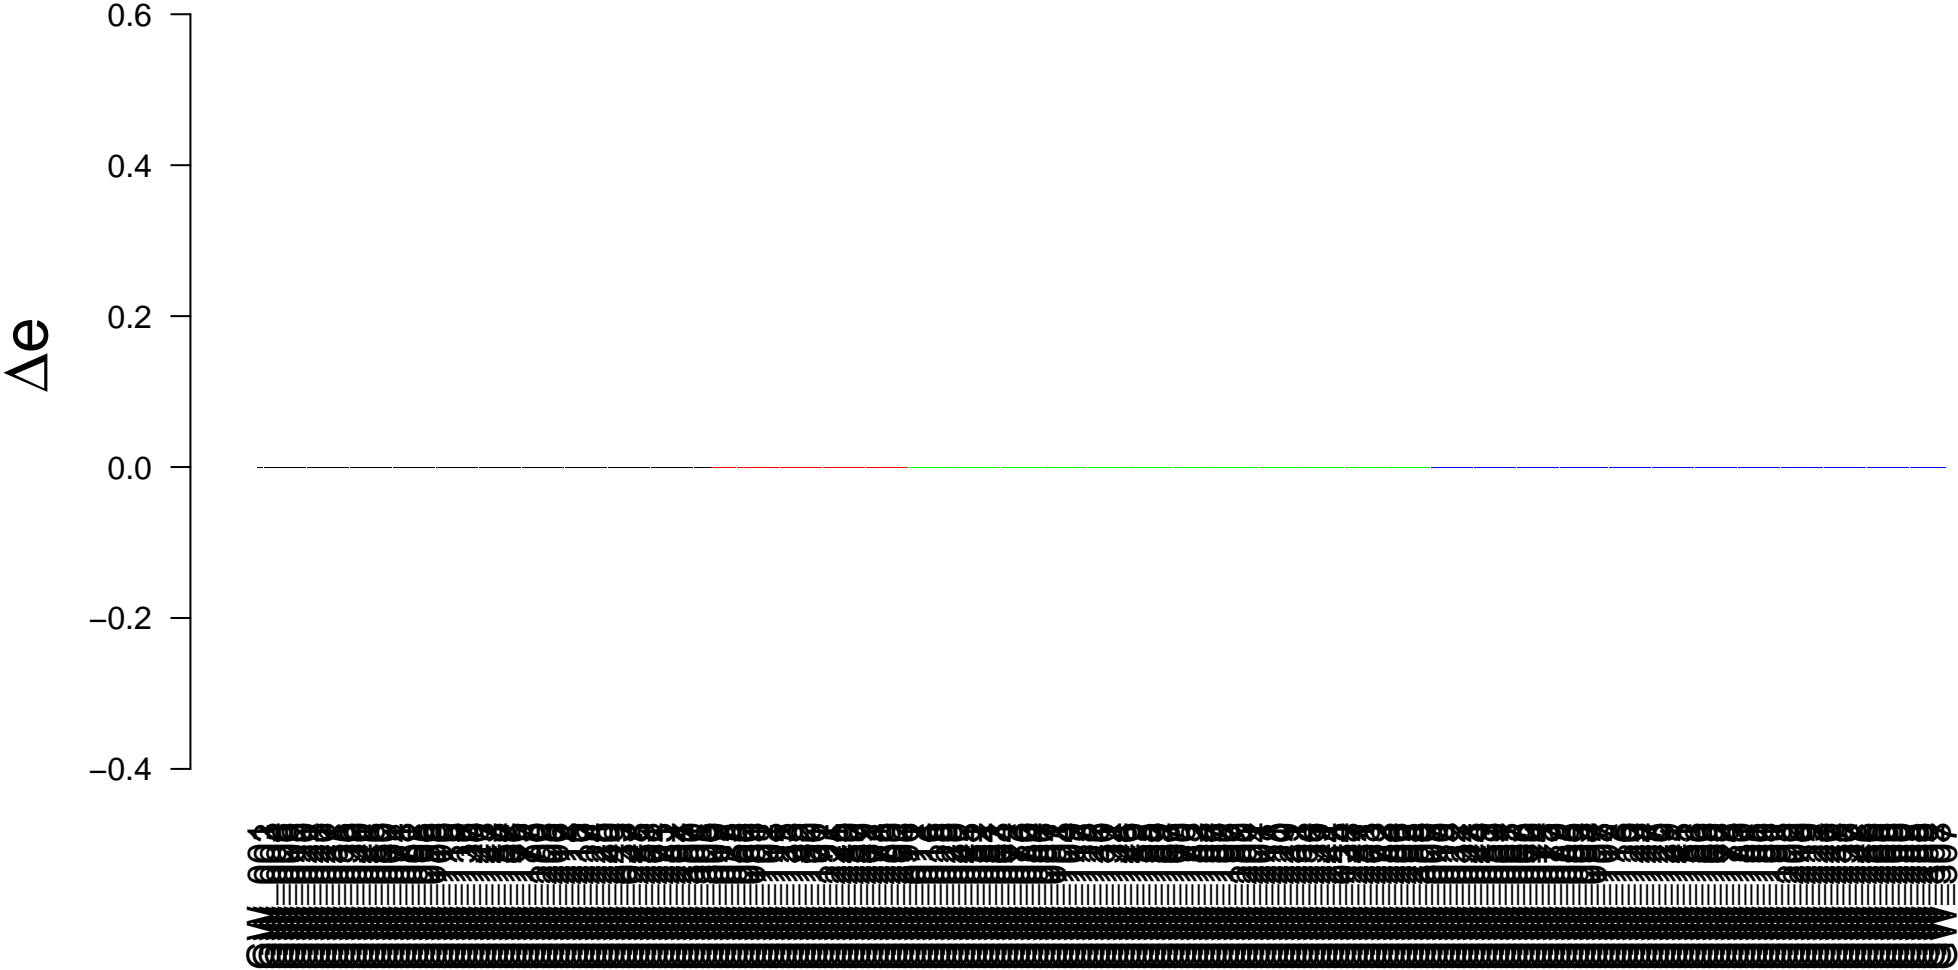

Expression of K63-linked polyubiquitin binding in Spot F

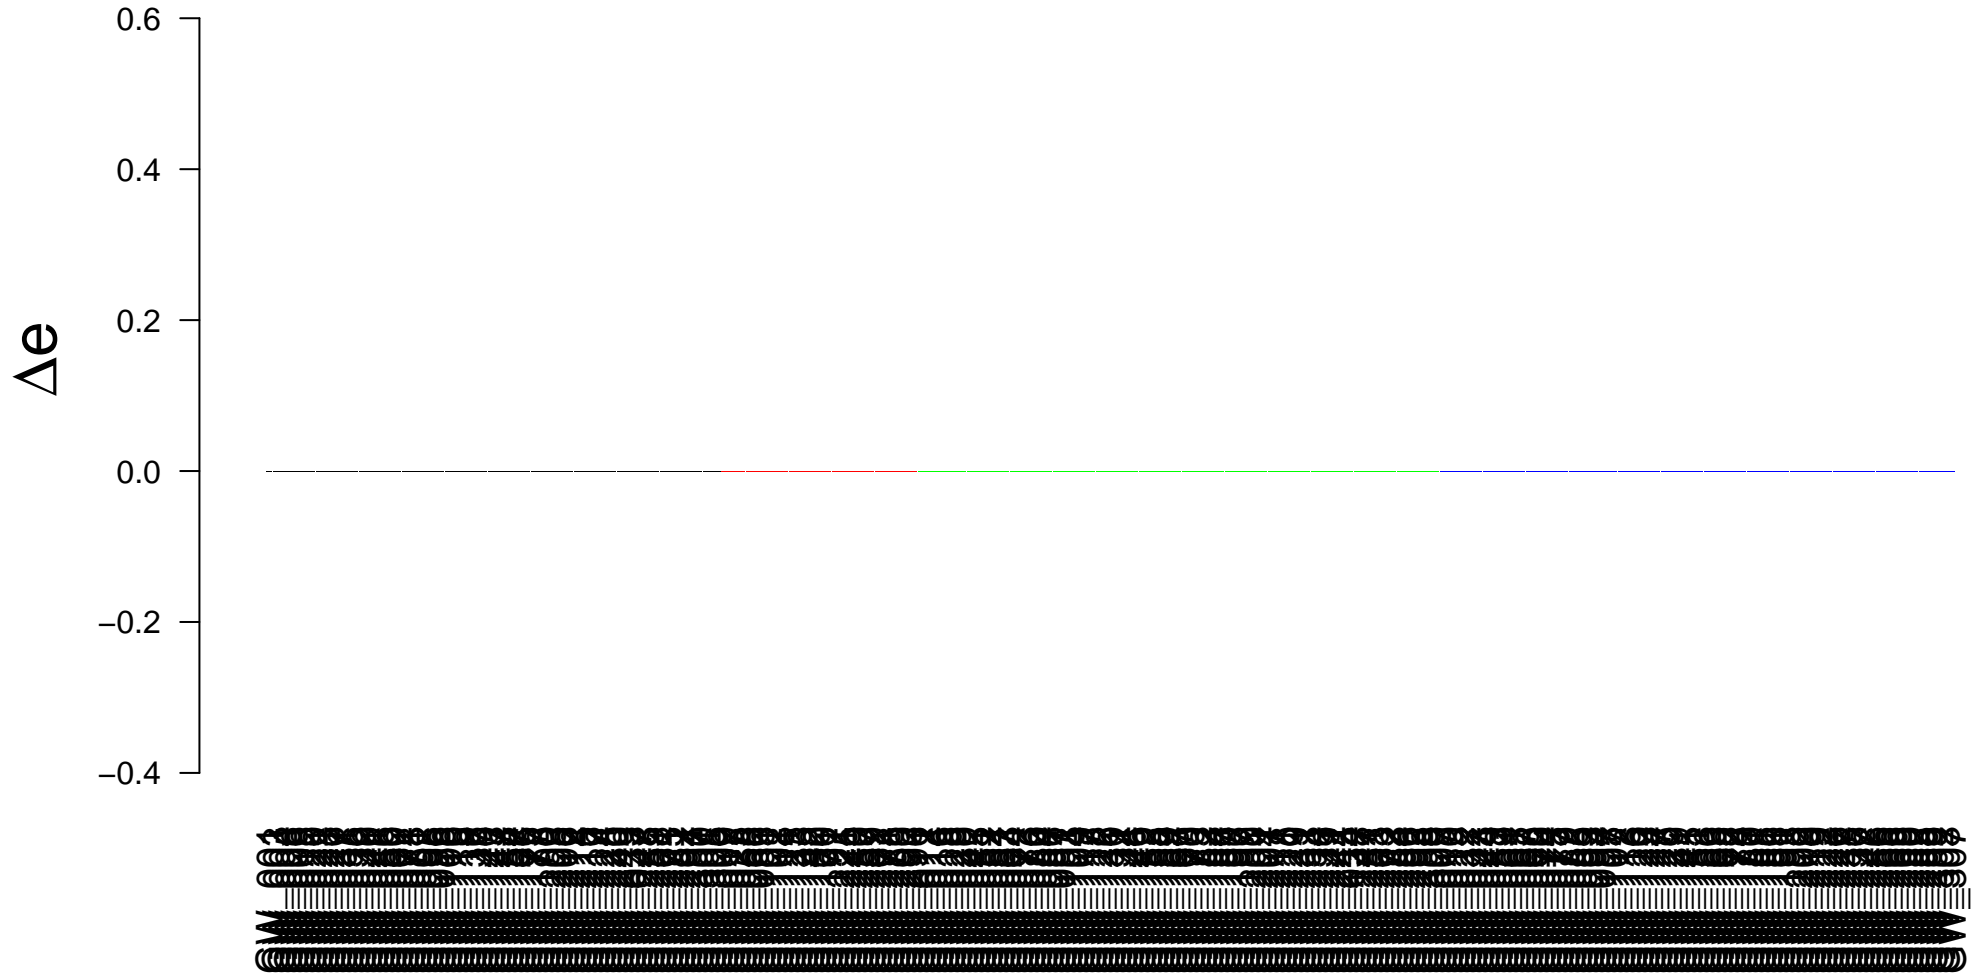

Expression of K63-linked polyubiquitin binding in Spot G

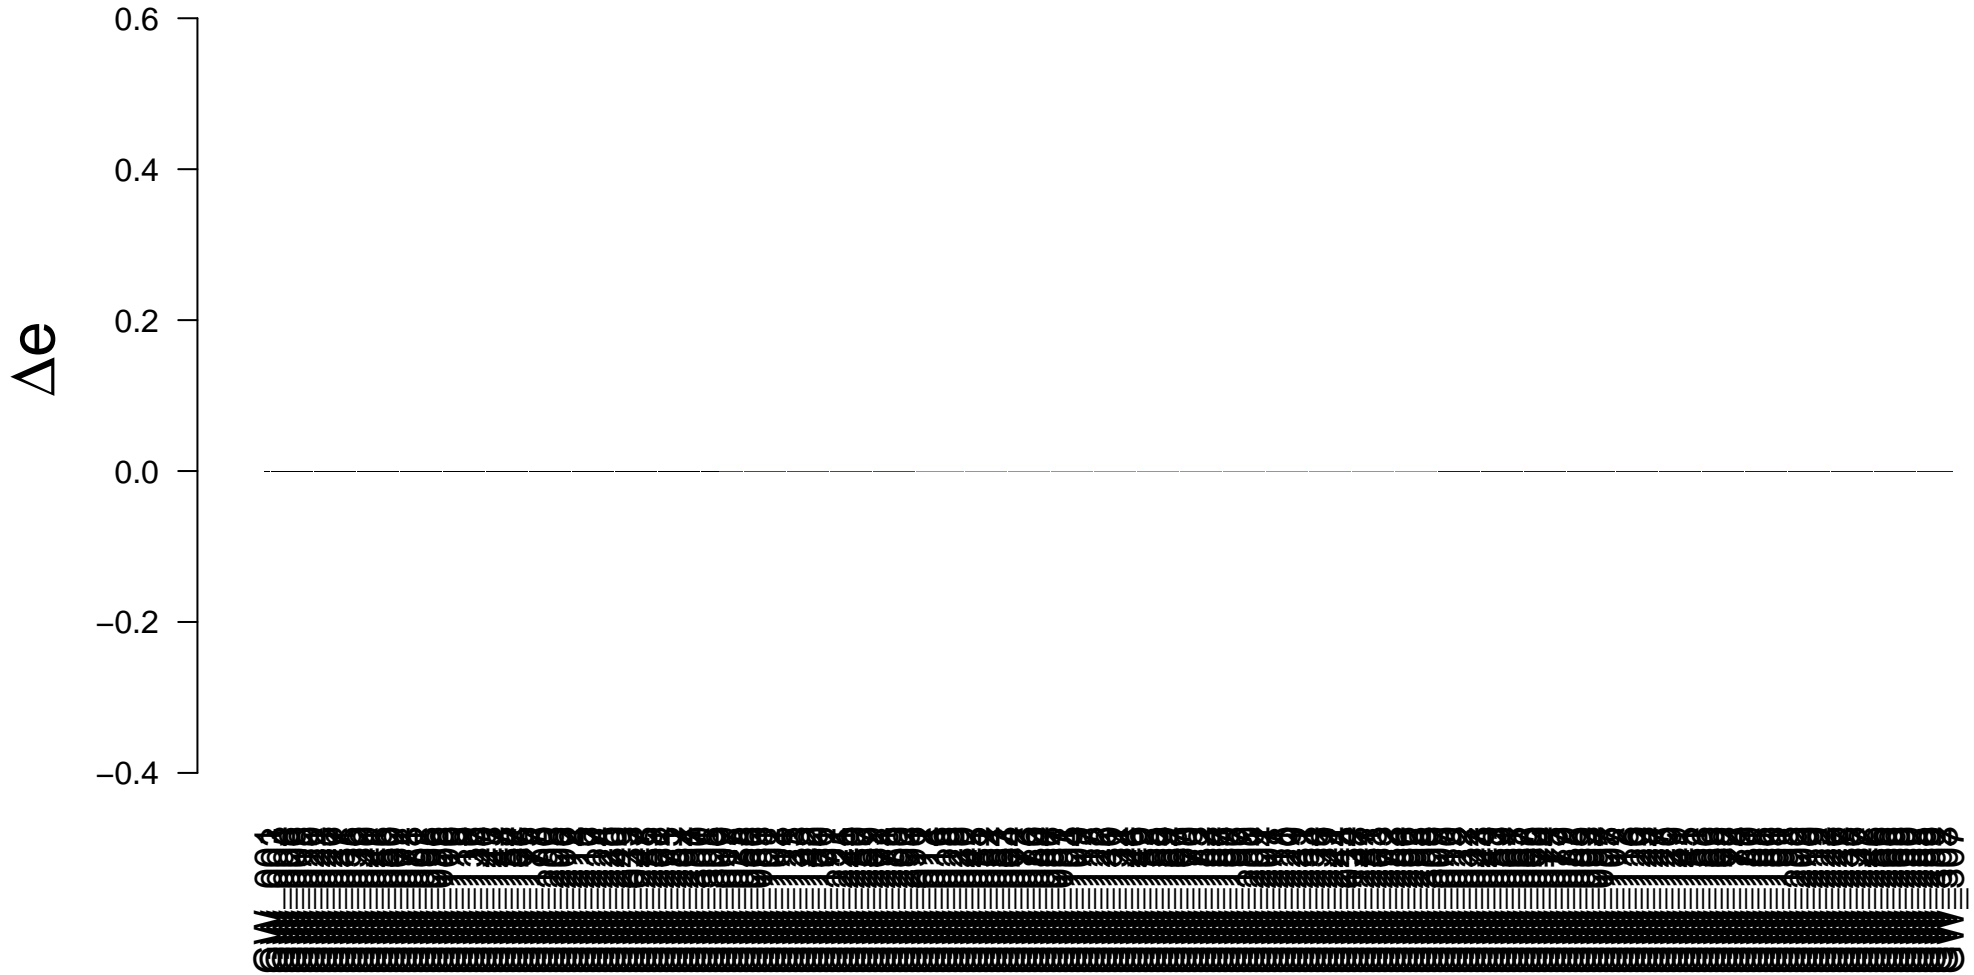

Expression of K63-linked polyubiquitin binding in Spot H

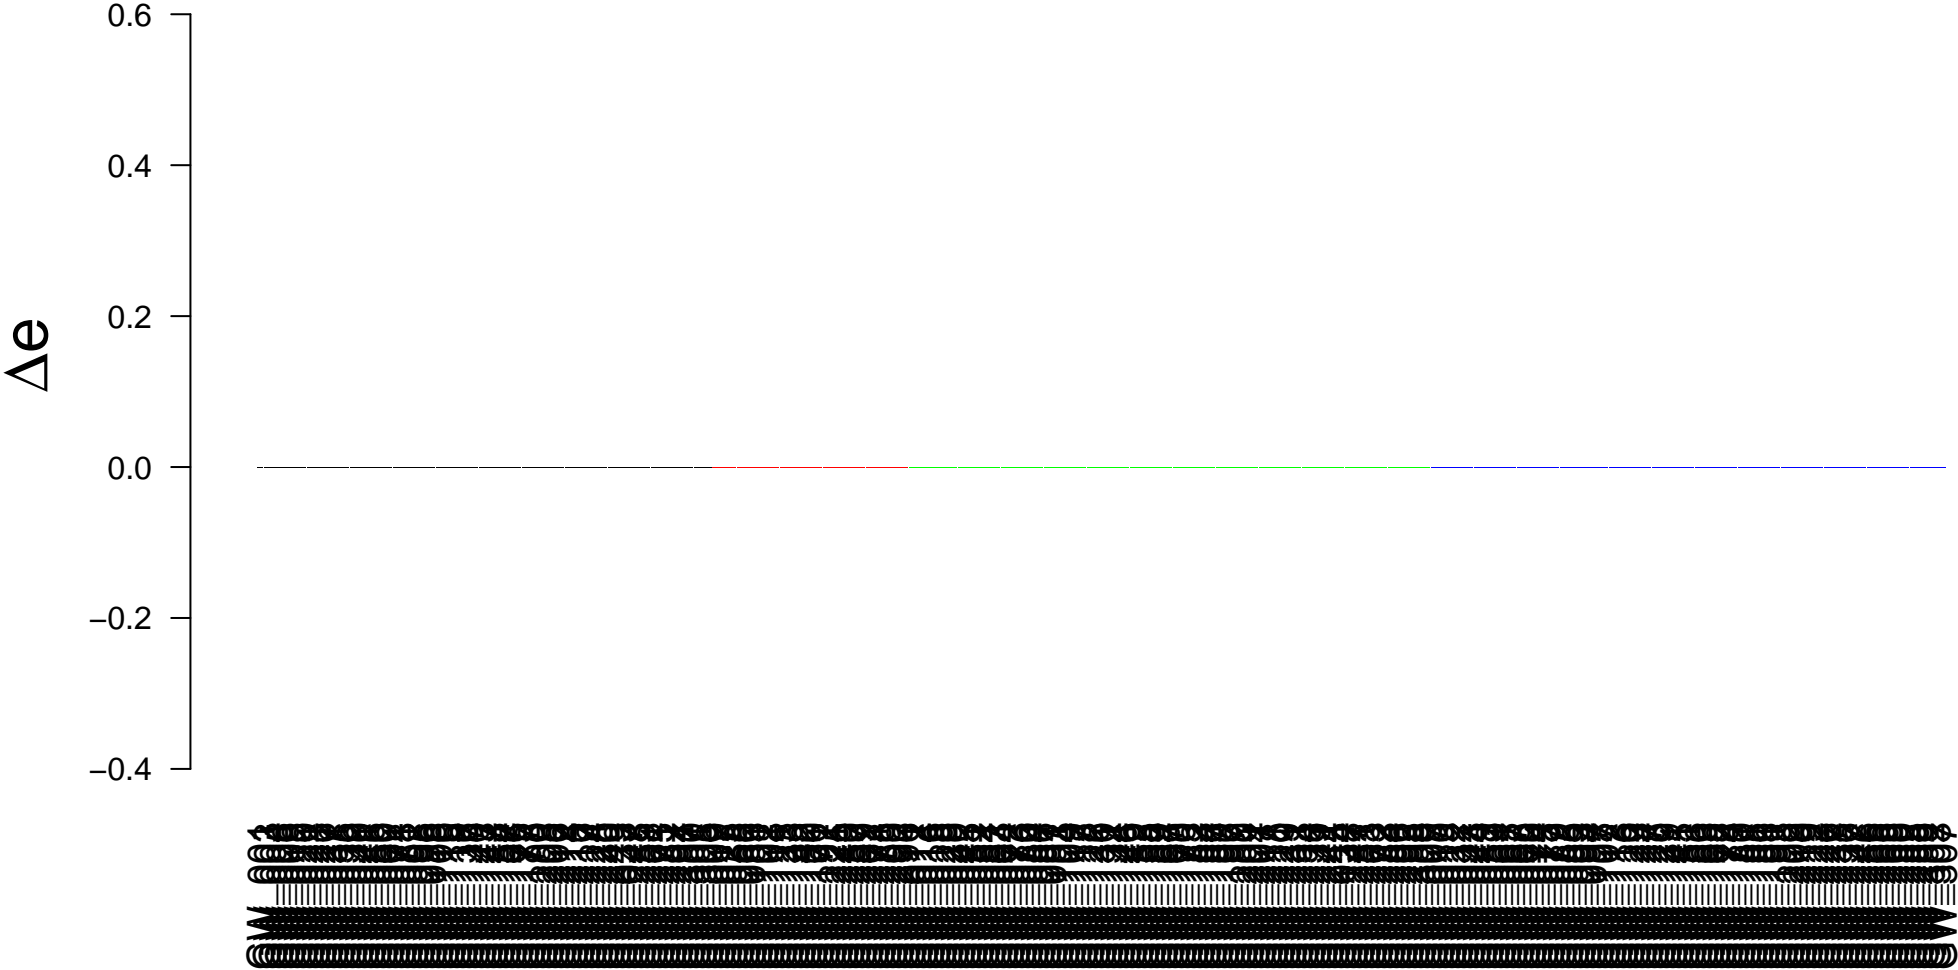

Expression of K63-linked polyubiquitin binding in Spot I

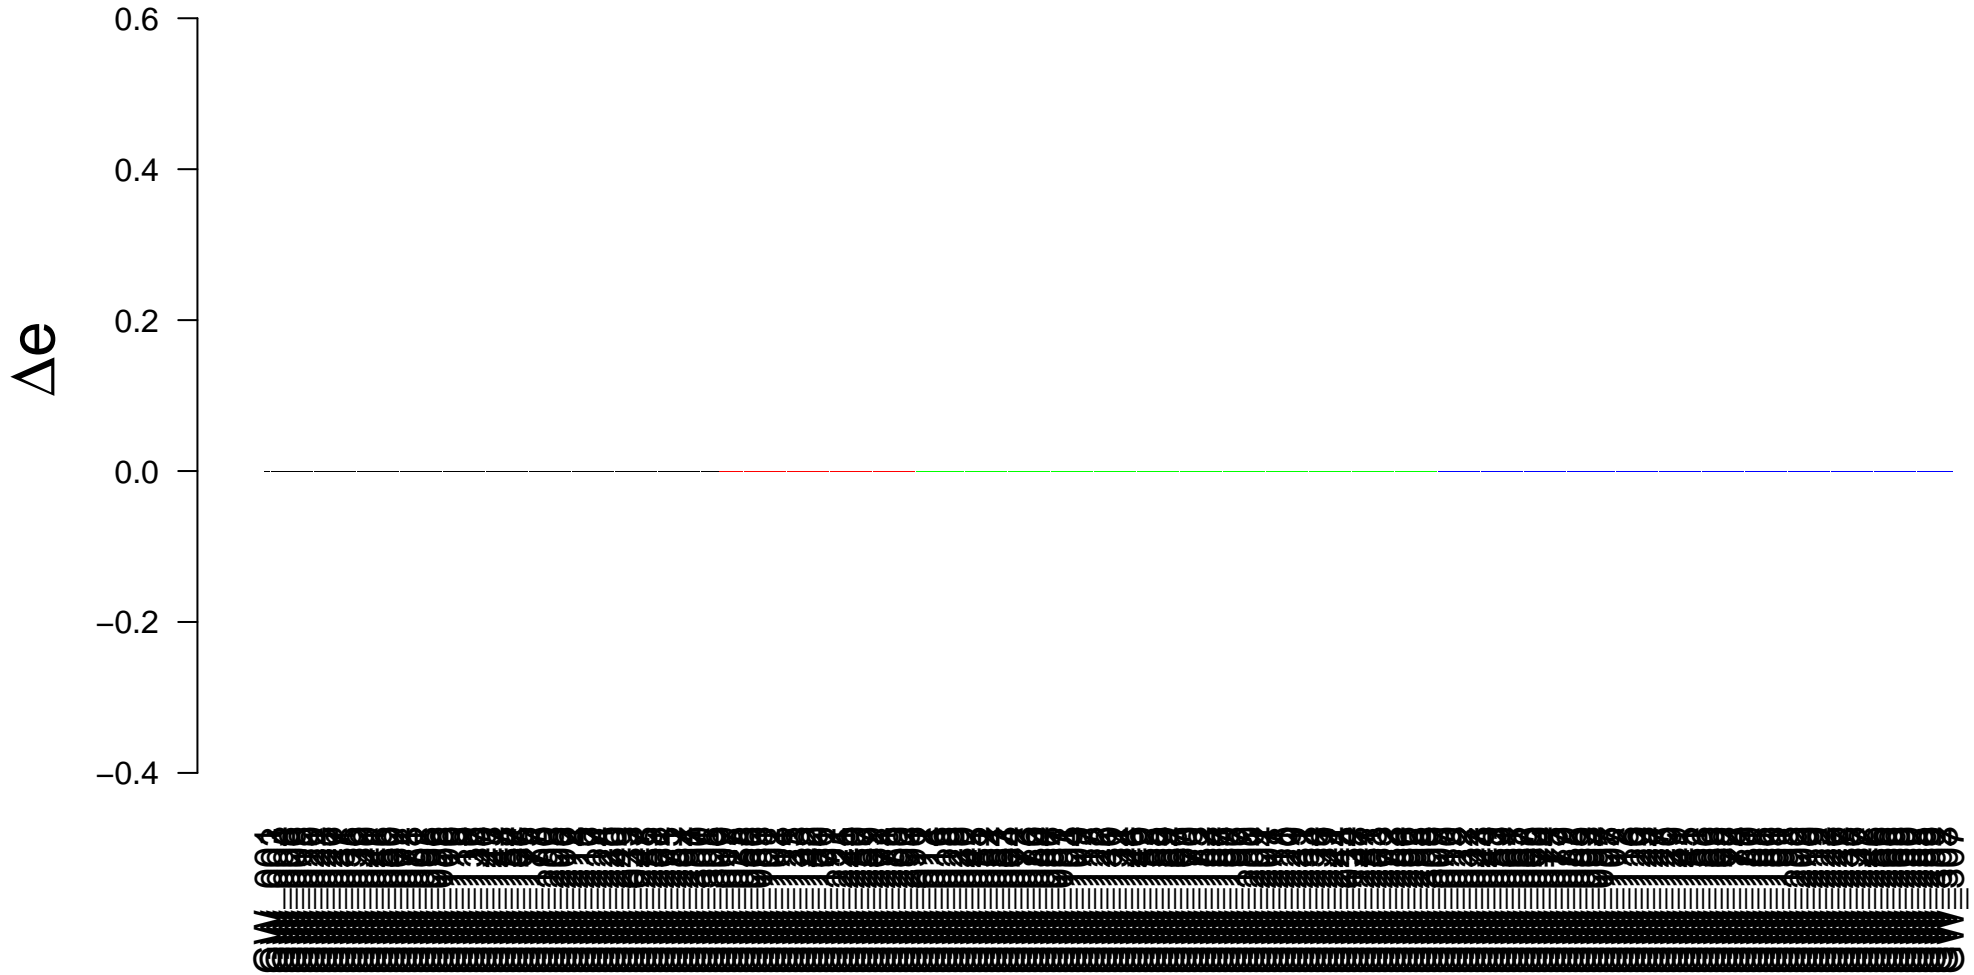

Expression of K63-linked polyubiquitin binding in Spot J

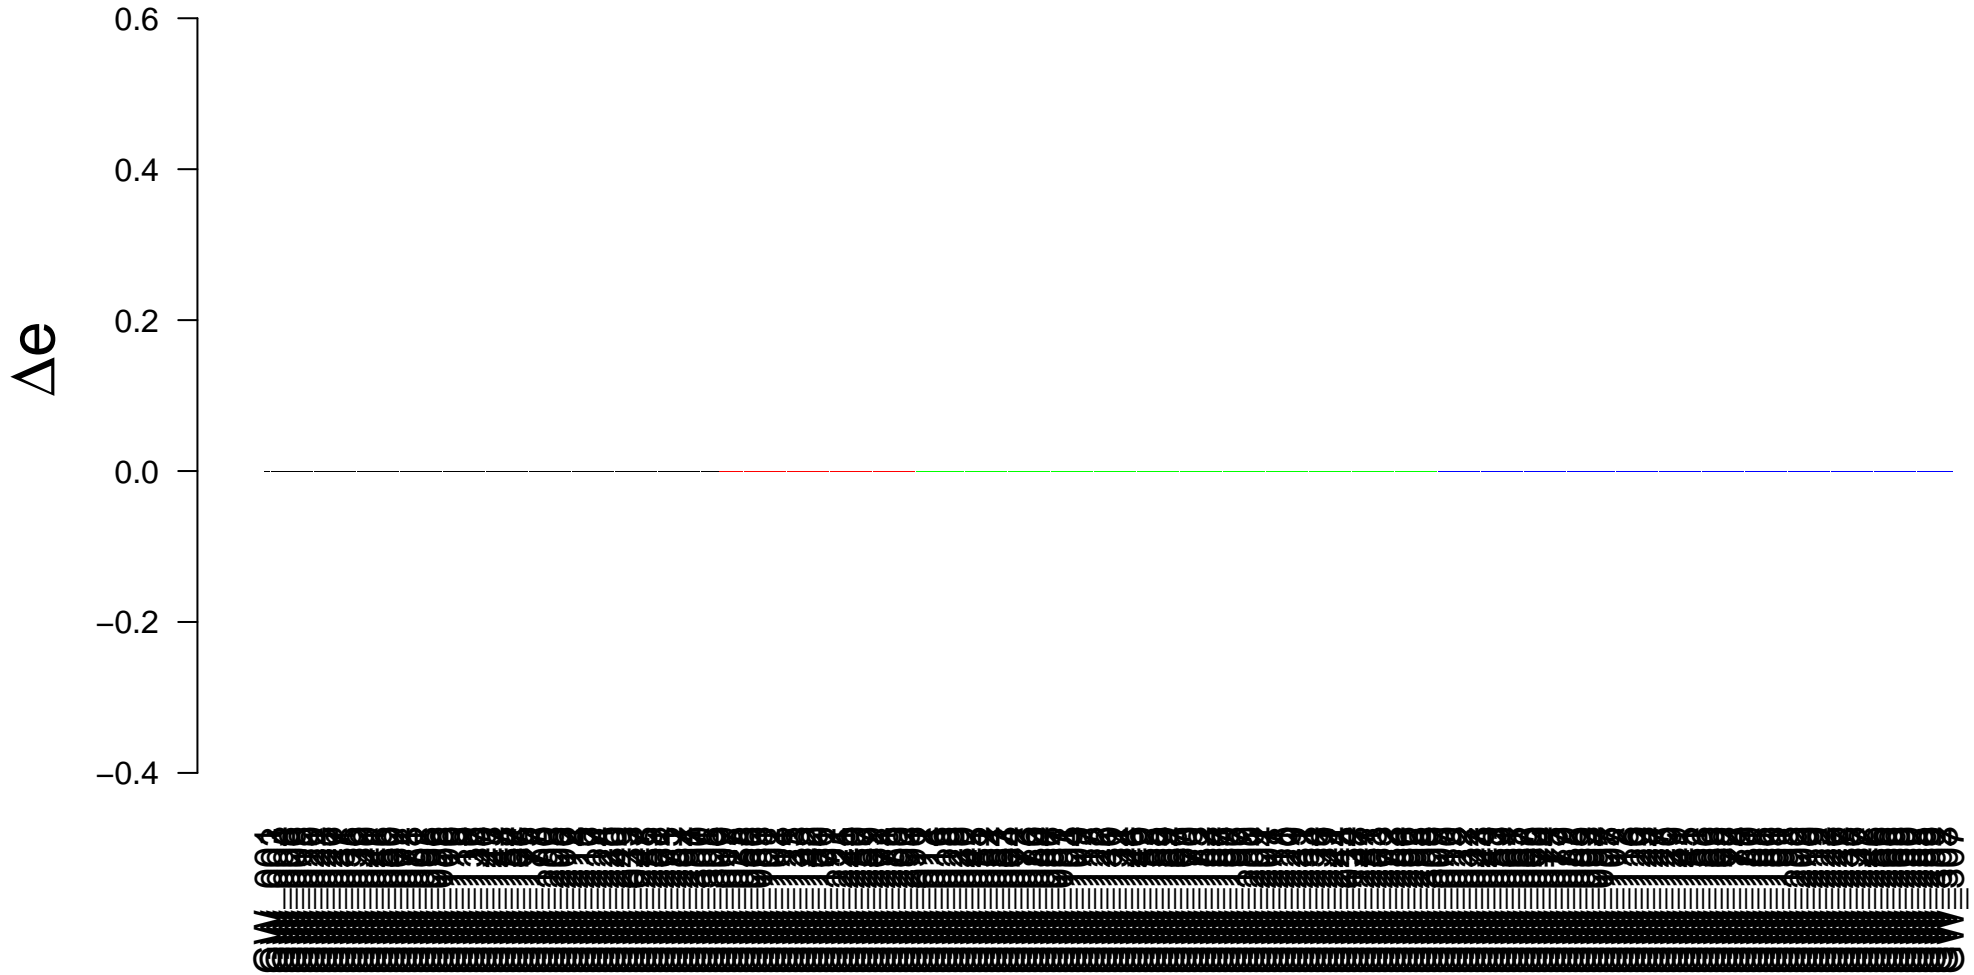

Expression of K63-linked polyubiquitin binding in Spot K

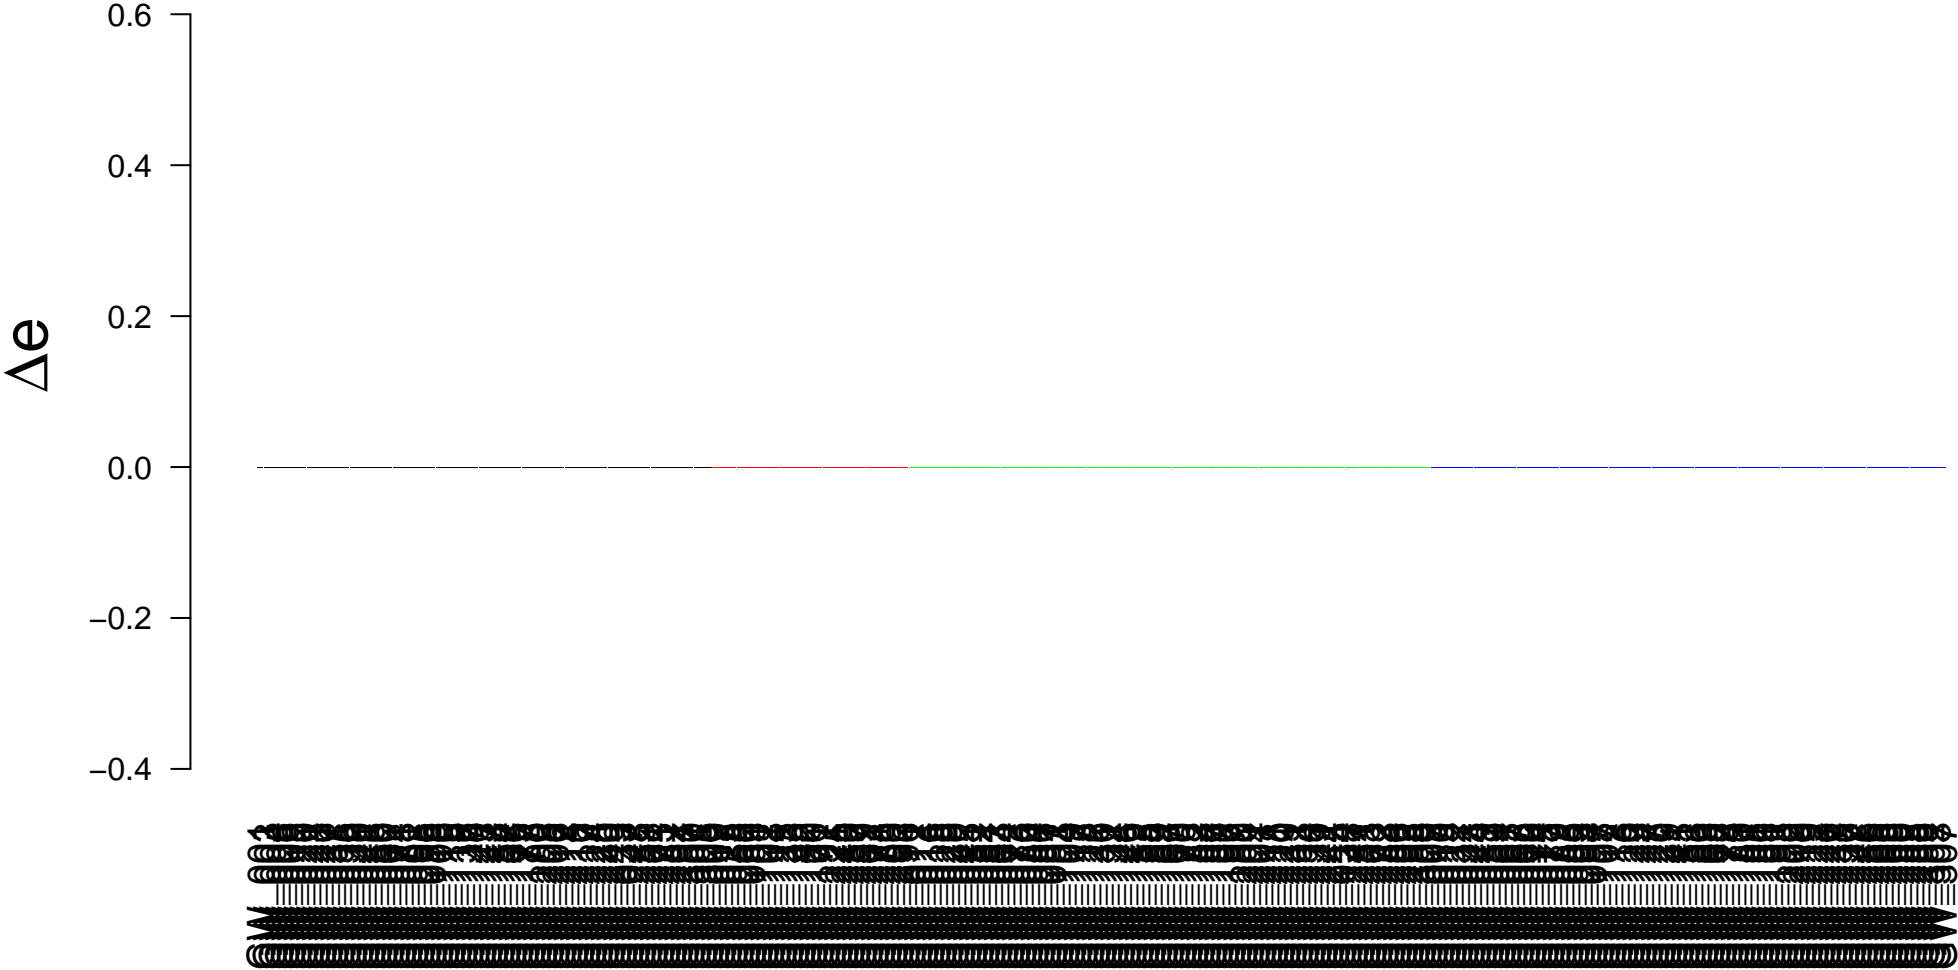

Expression of K63-linked polyubiquitin binding in Spot L

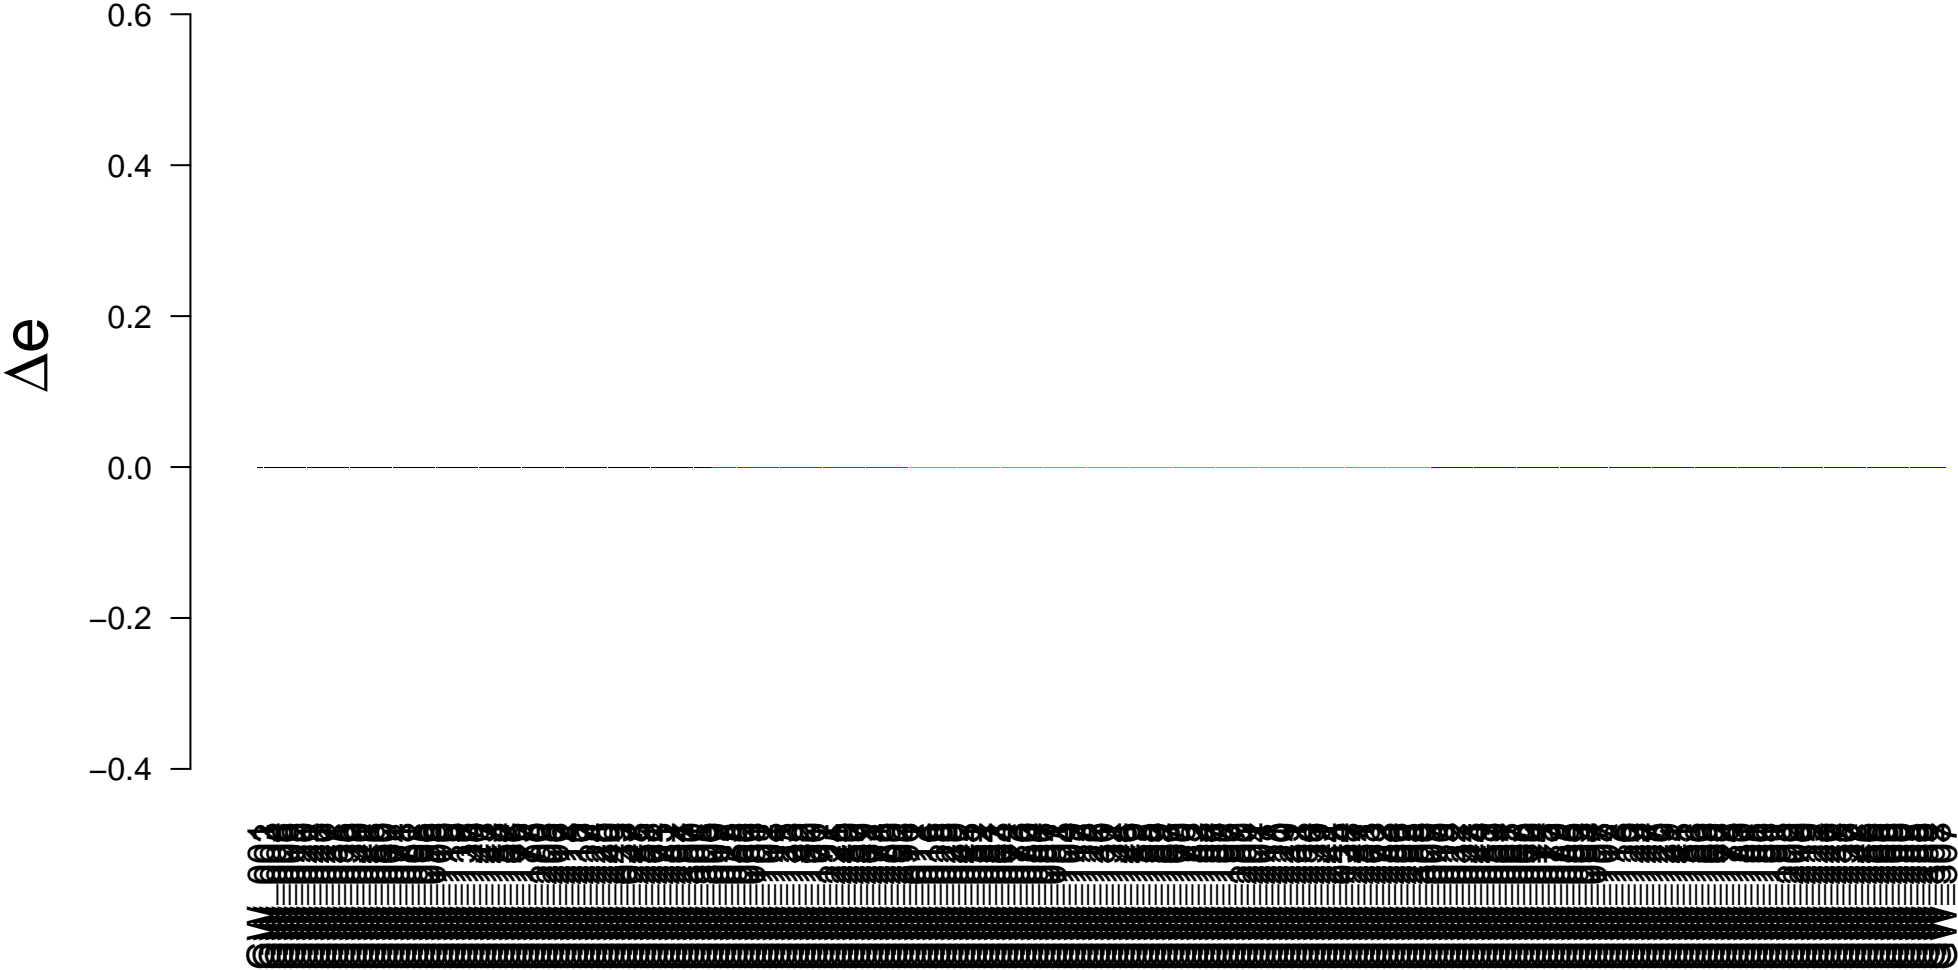

Expression of K63-linked polyubiquitin binding in Spot M

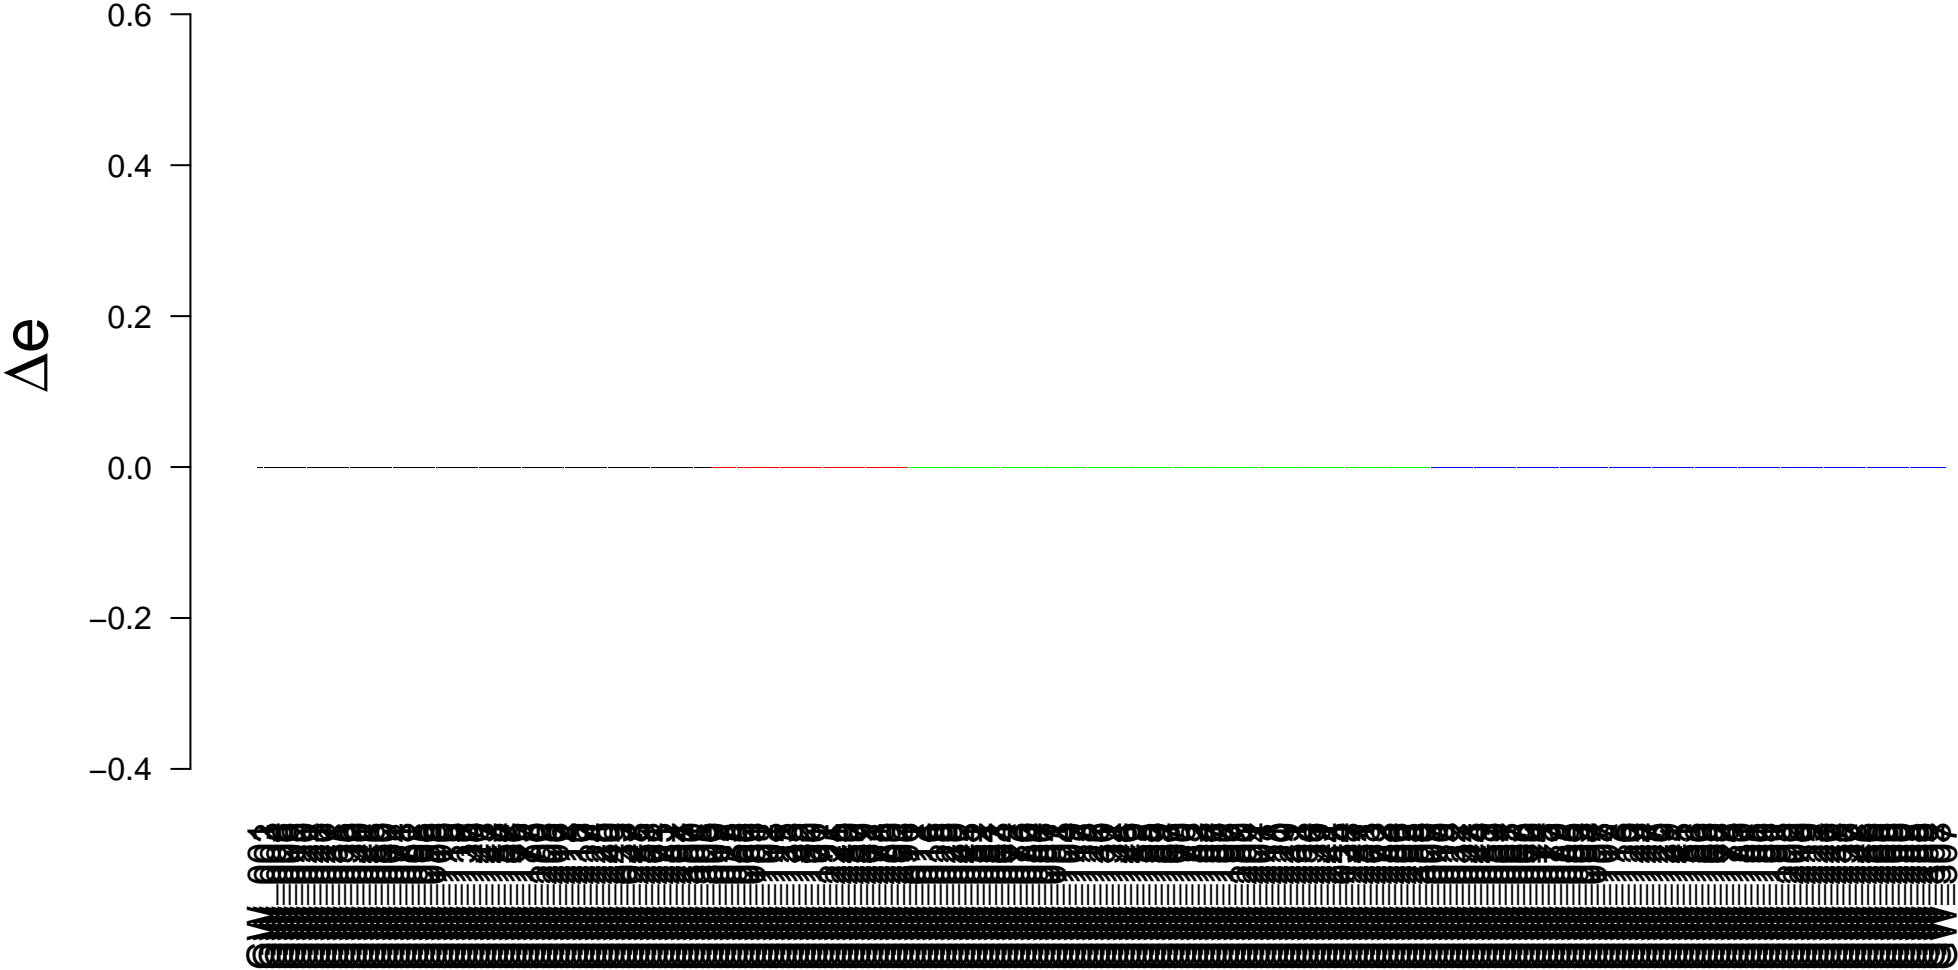

Expression of K63-linked polyubiquitin binding in Spot N

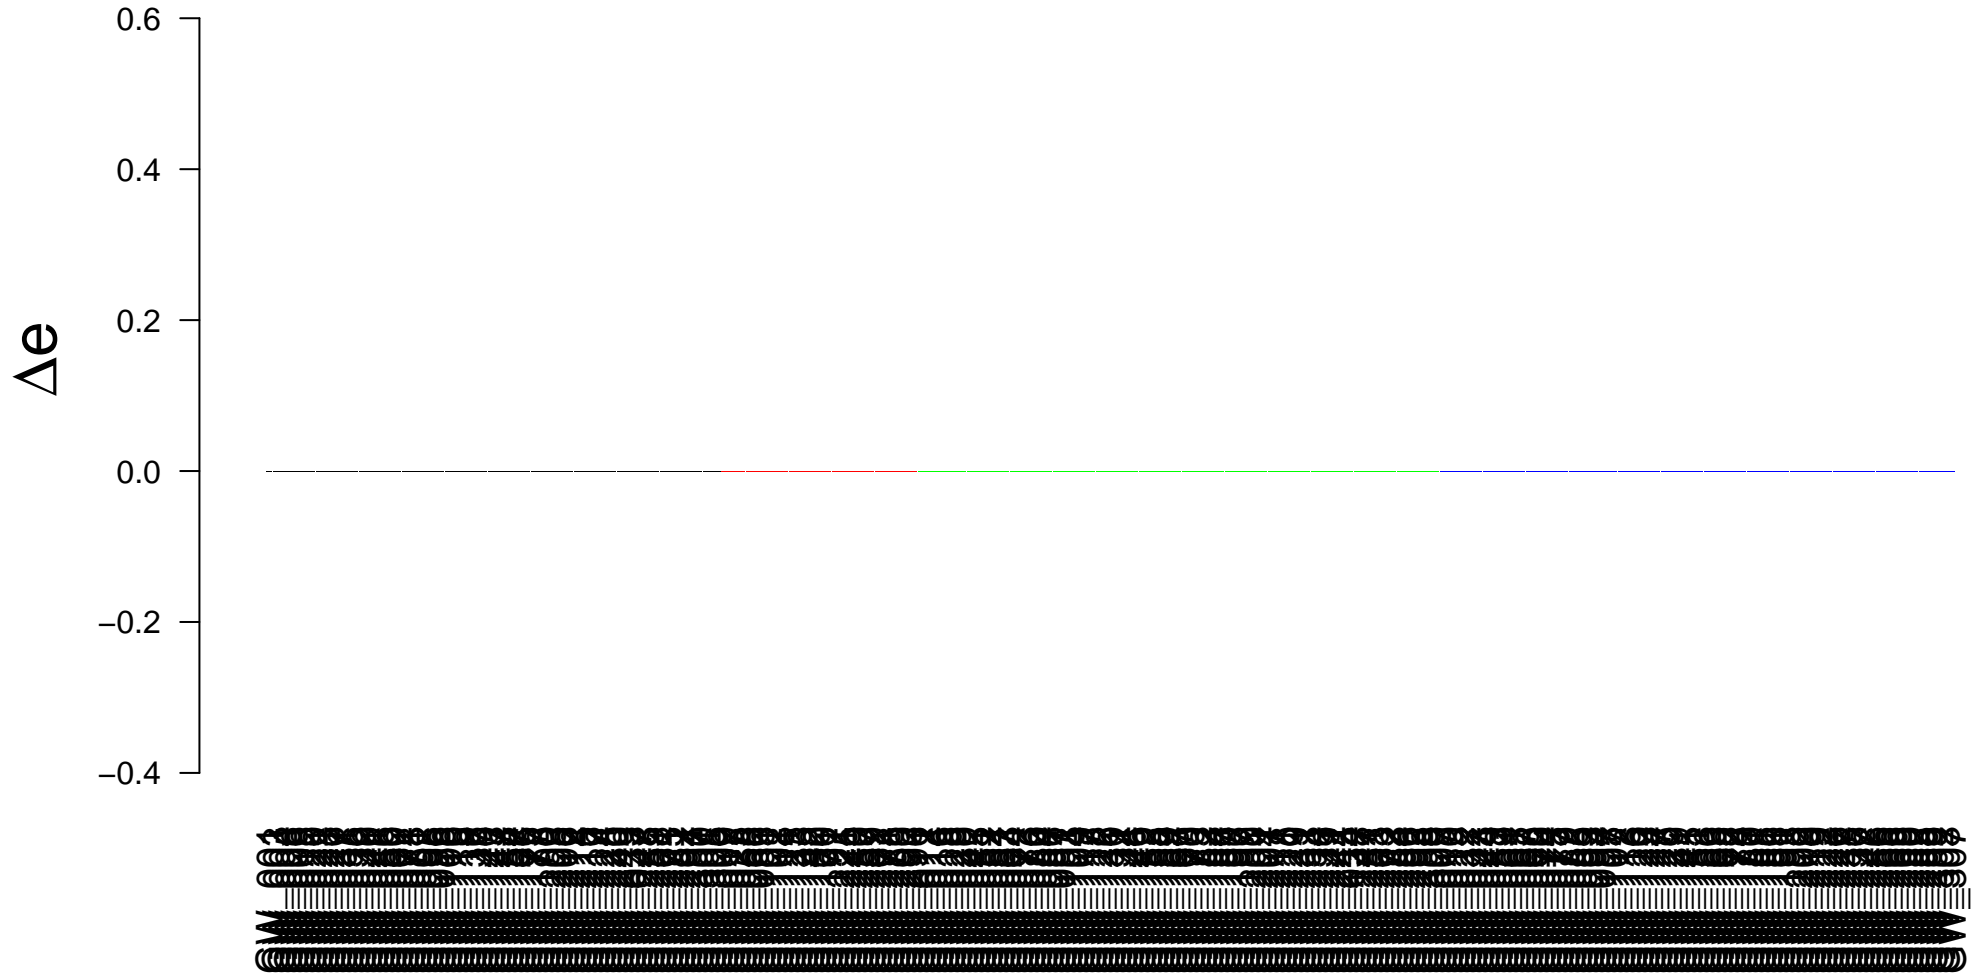

Expression of K63-linked polyubiquitin binding in Spot O

Expression of K63-linked polyubiquitin binding in Spot P

Expression of K63-linked polyubiquitin binding in Spot Q

Expression of K63-linked polyubiquitin binding in Spot R
