

Leydig cell differentiation

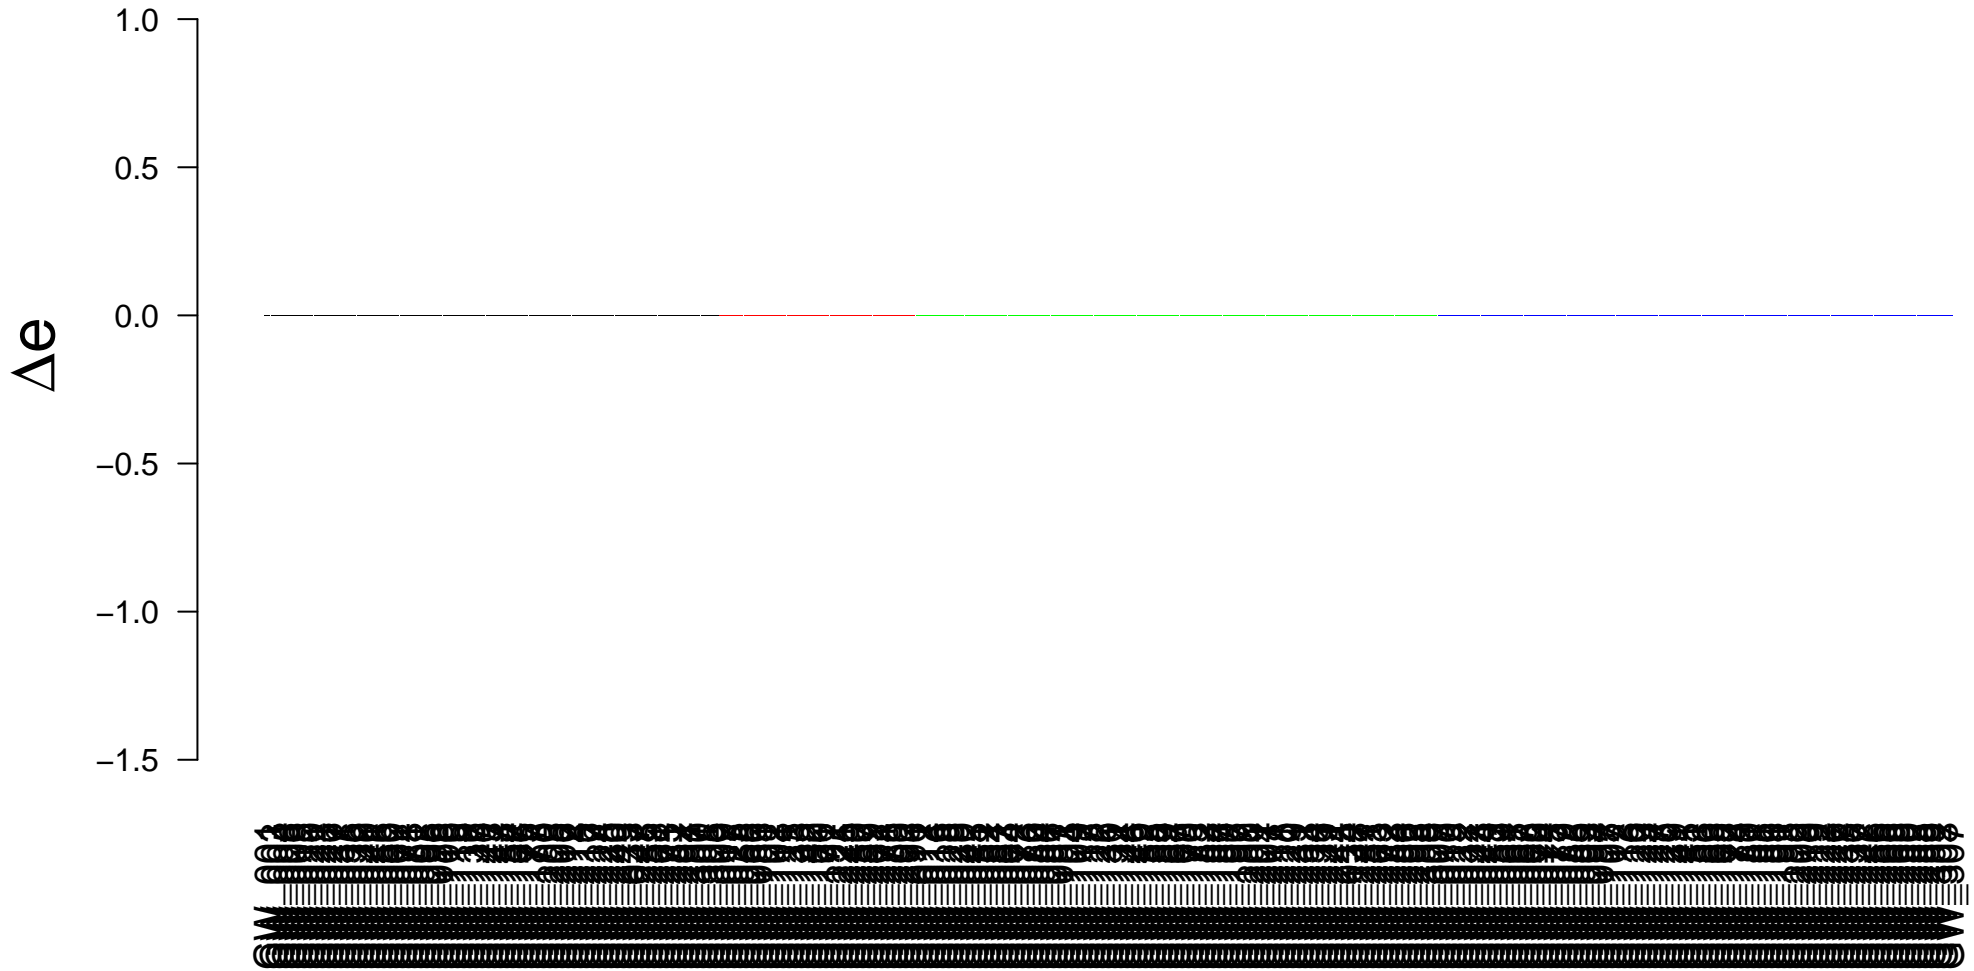

Leydig cell differentiation

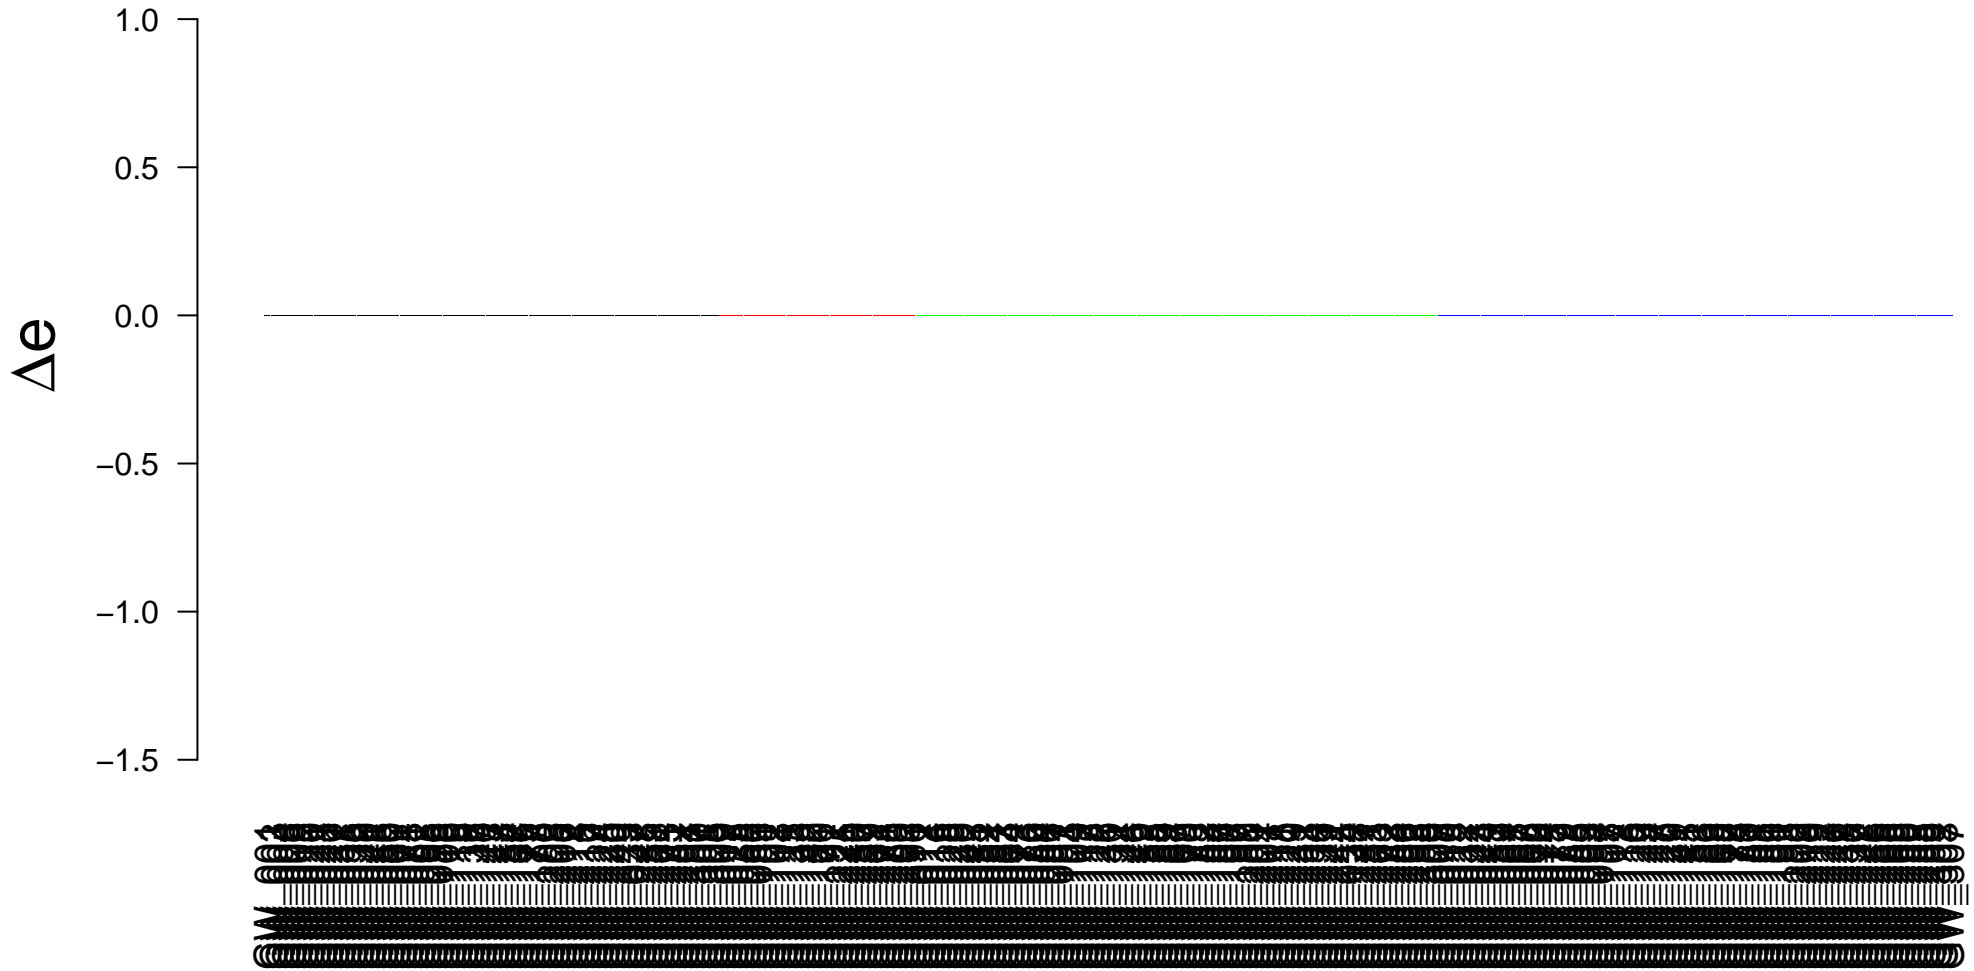

Enrichment in spots: Leydig cell differentiation

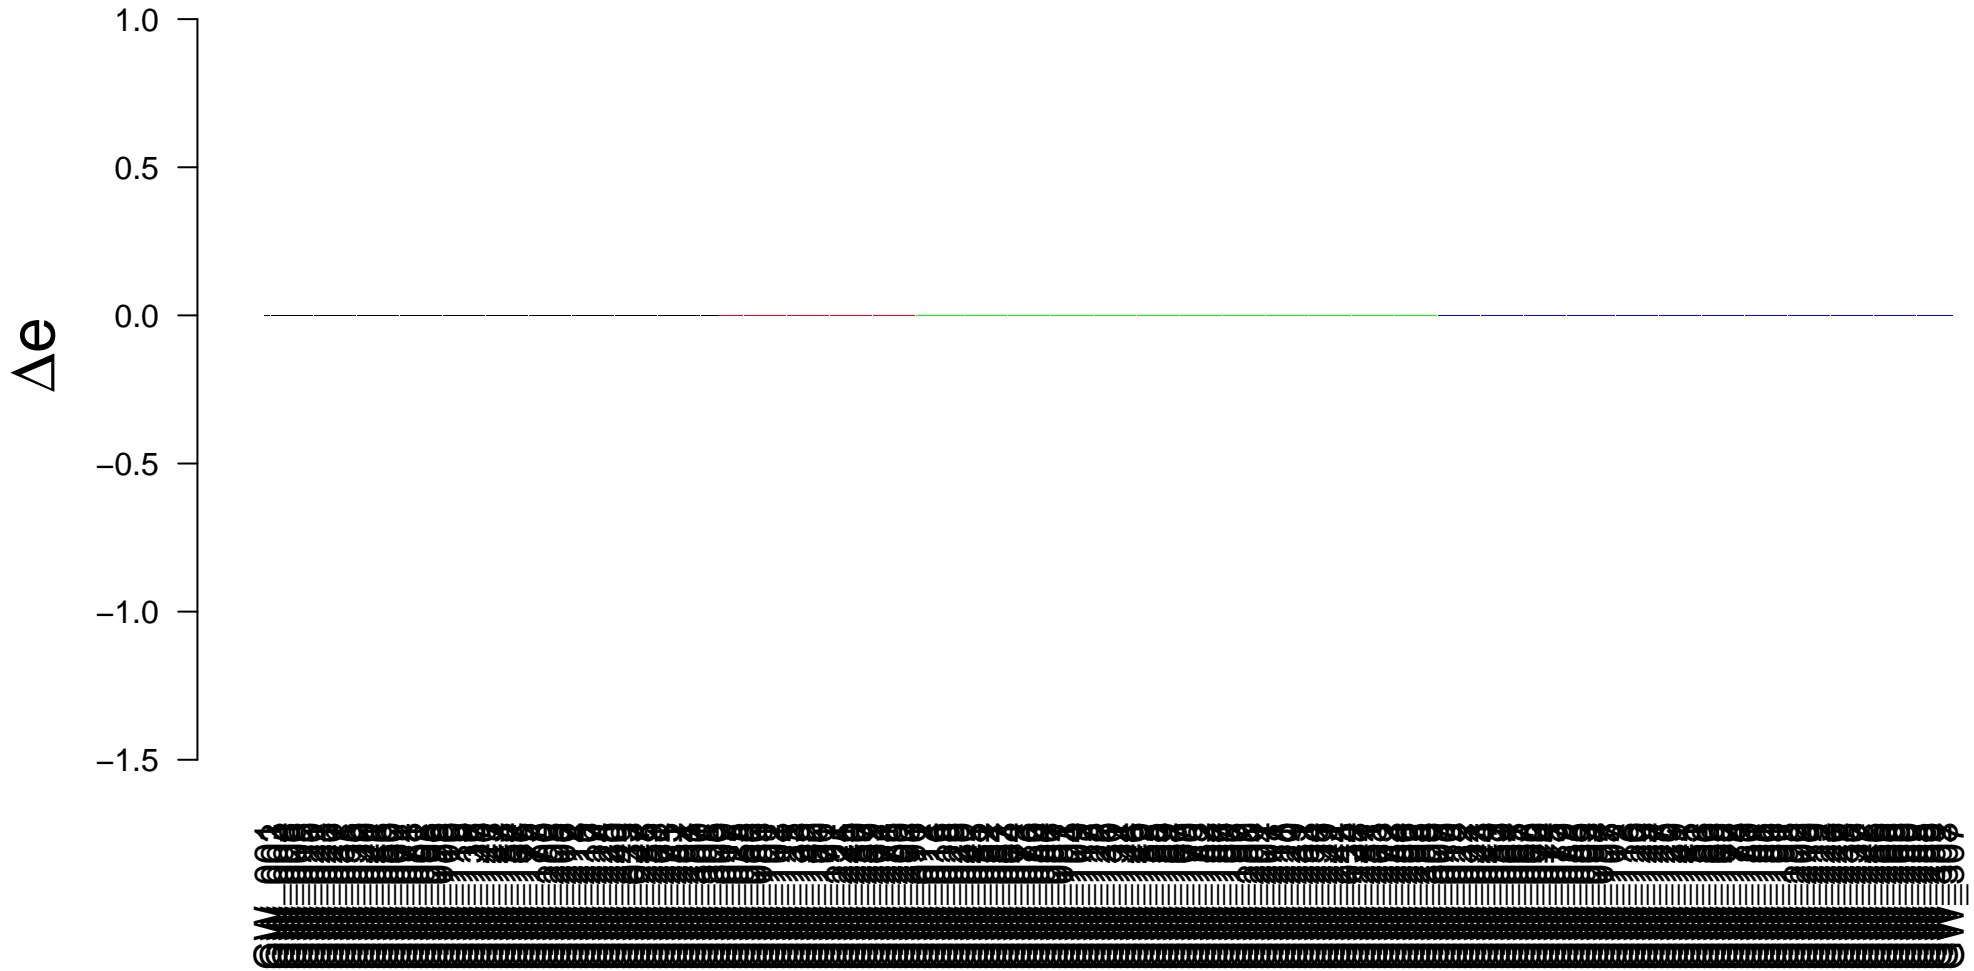

Expression of Leydig cell differentiation in Spot A

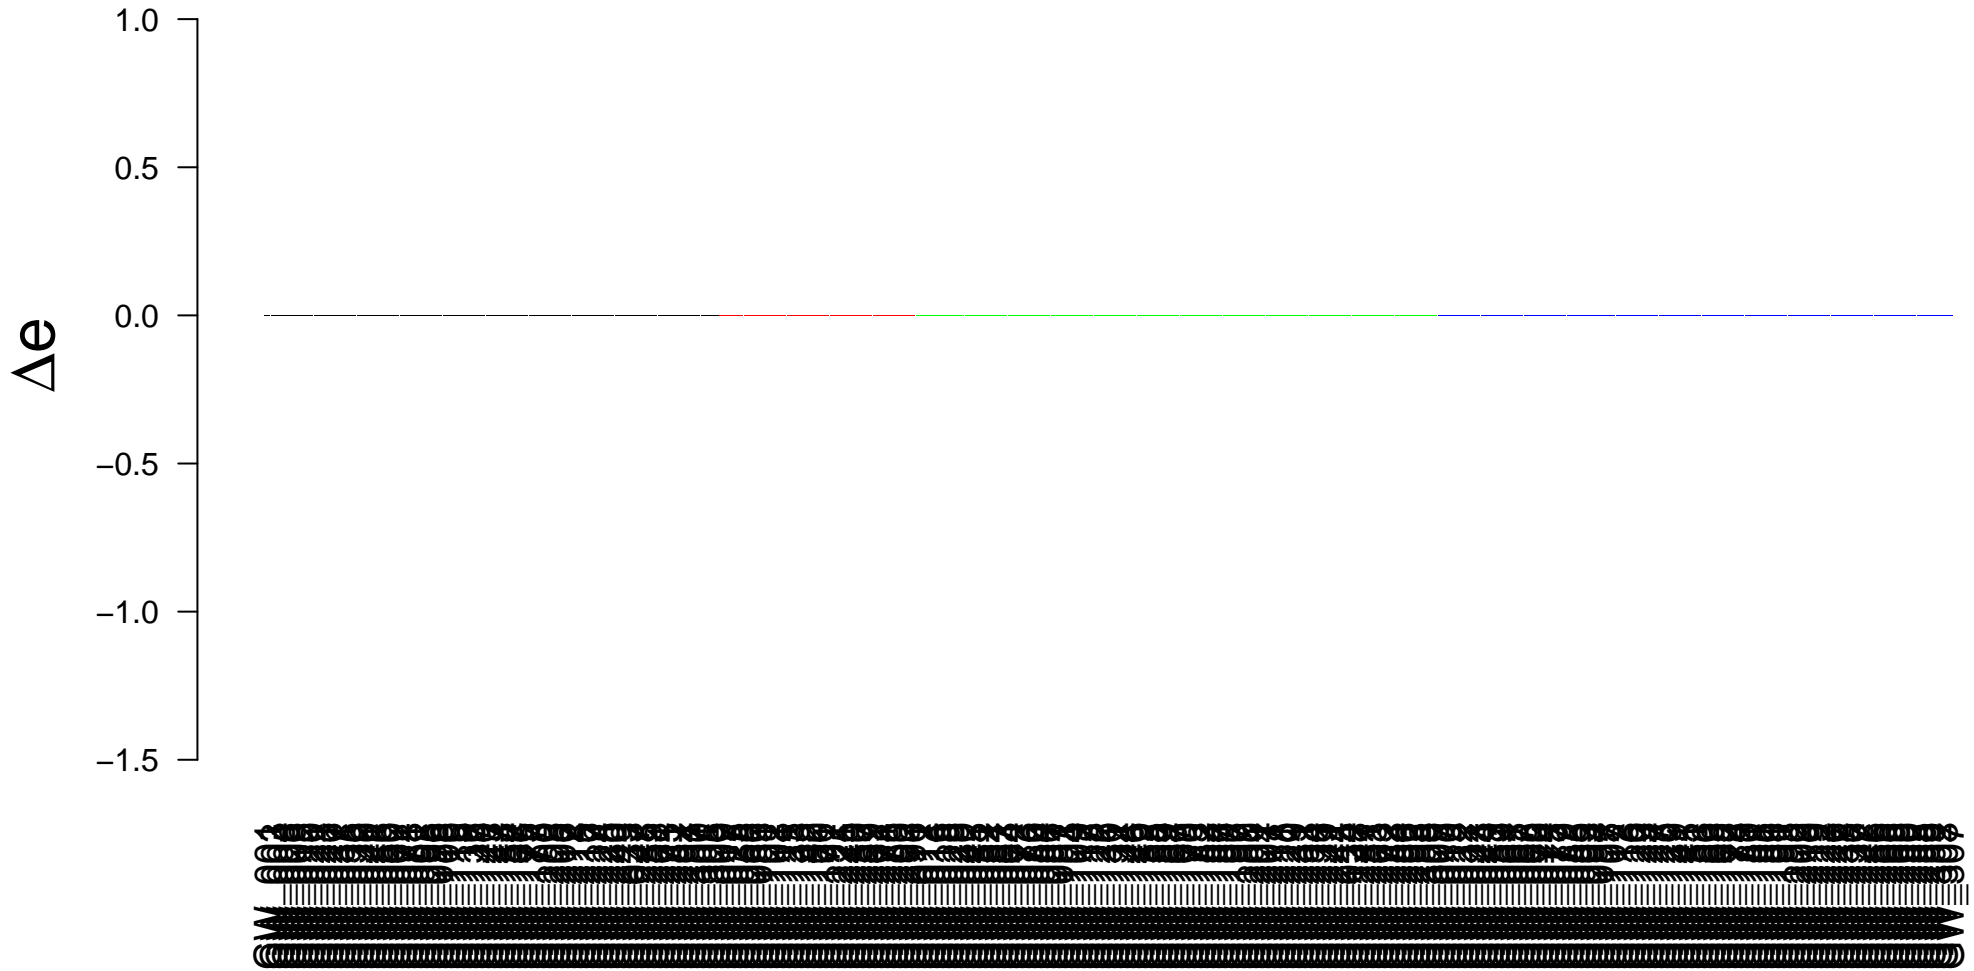

Expression of Leydig cell differentiation in Spot B

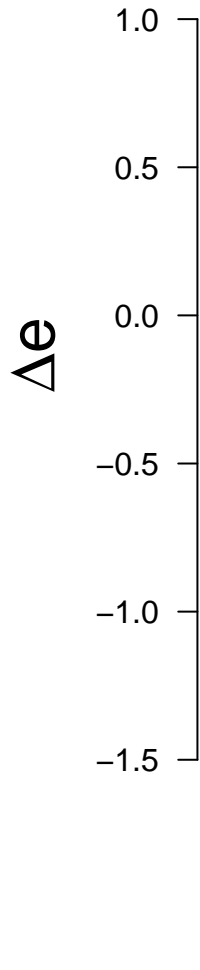

Expression of Leydig cell differentiation in Spot C

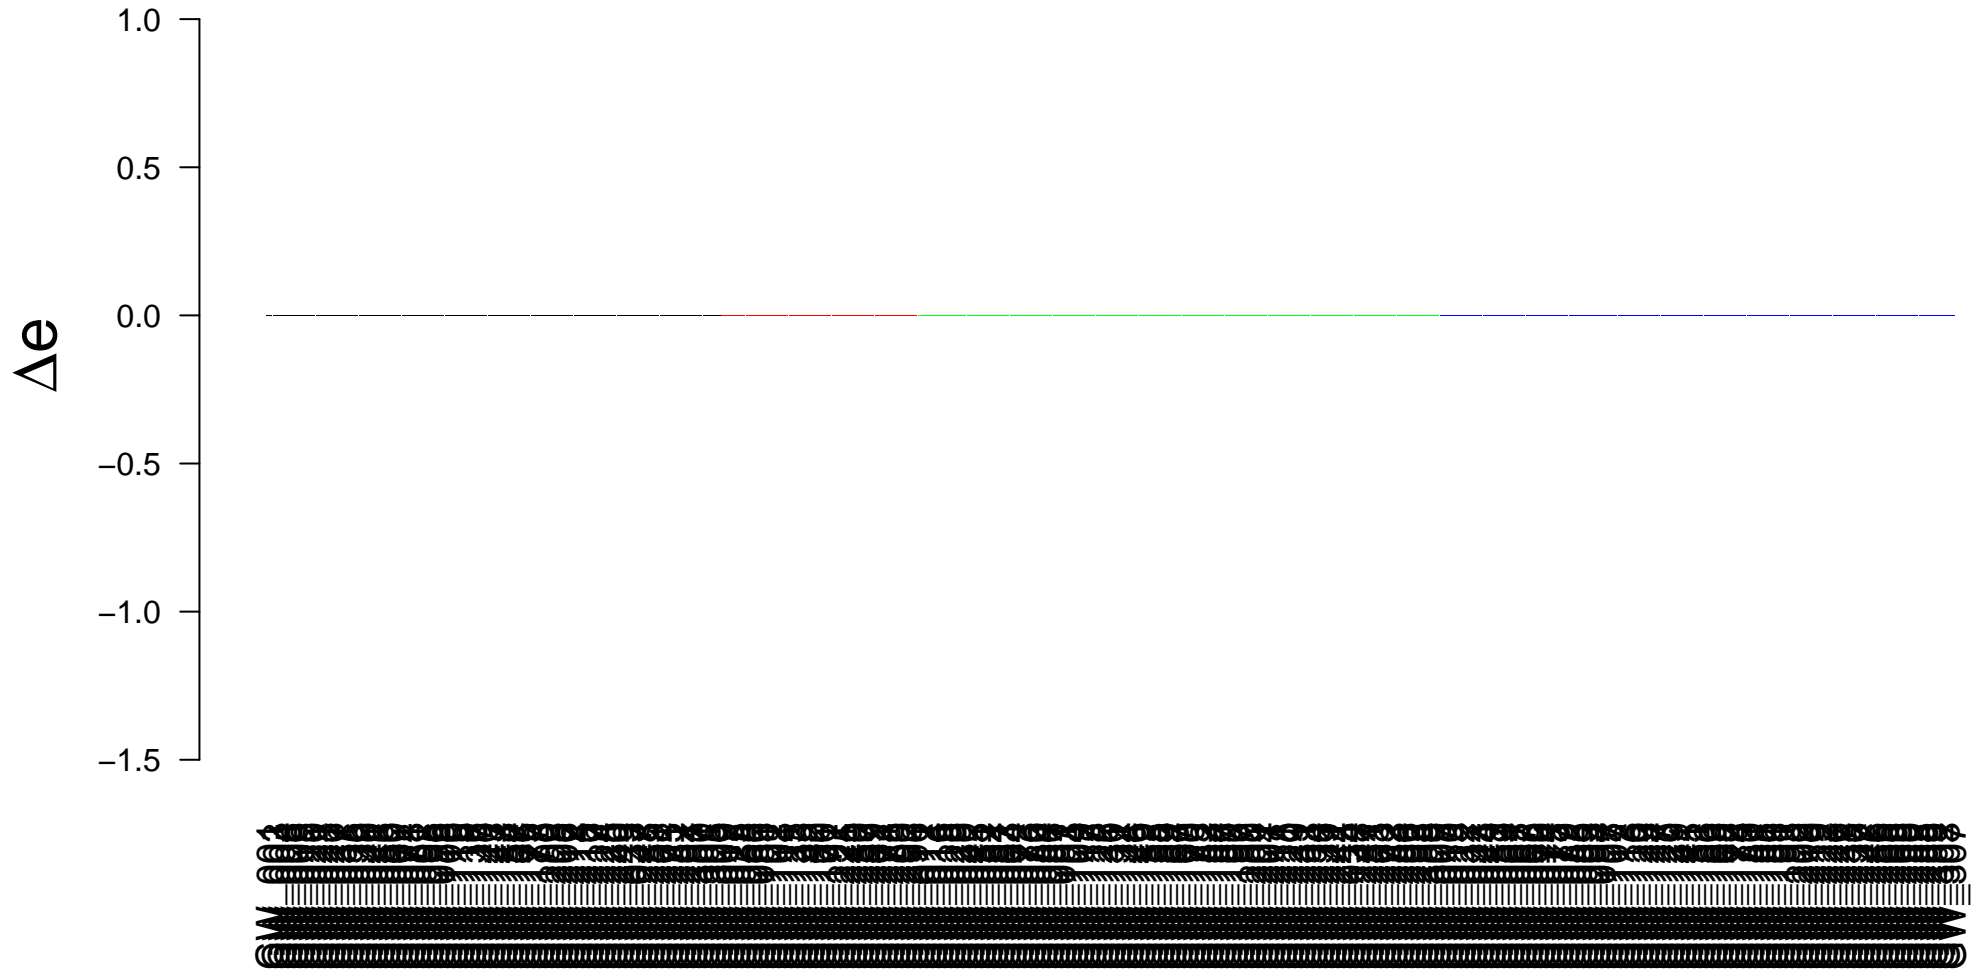

Expression of Leydig cell differentiation in Spot D

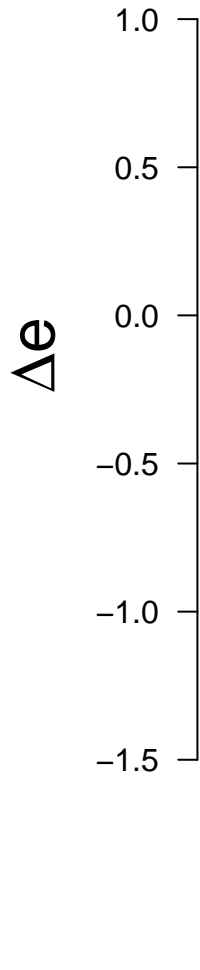

Expression of Leydig cell differentiation in Spot E

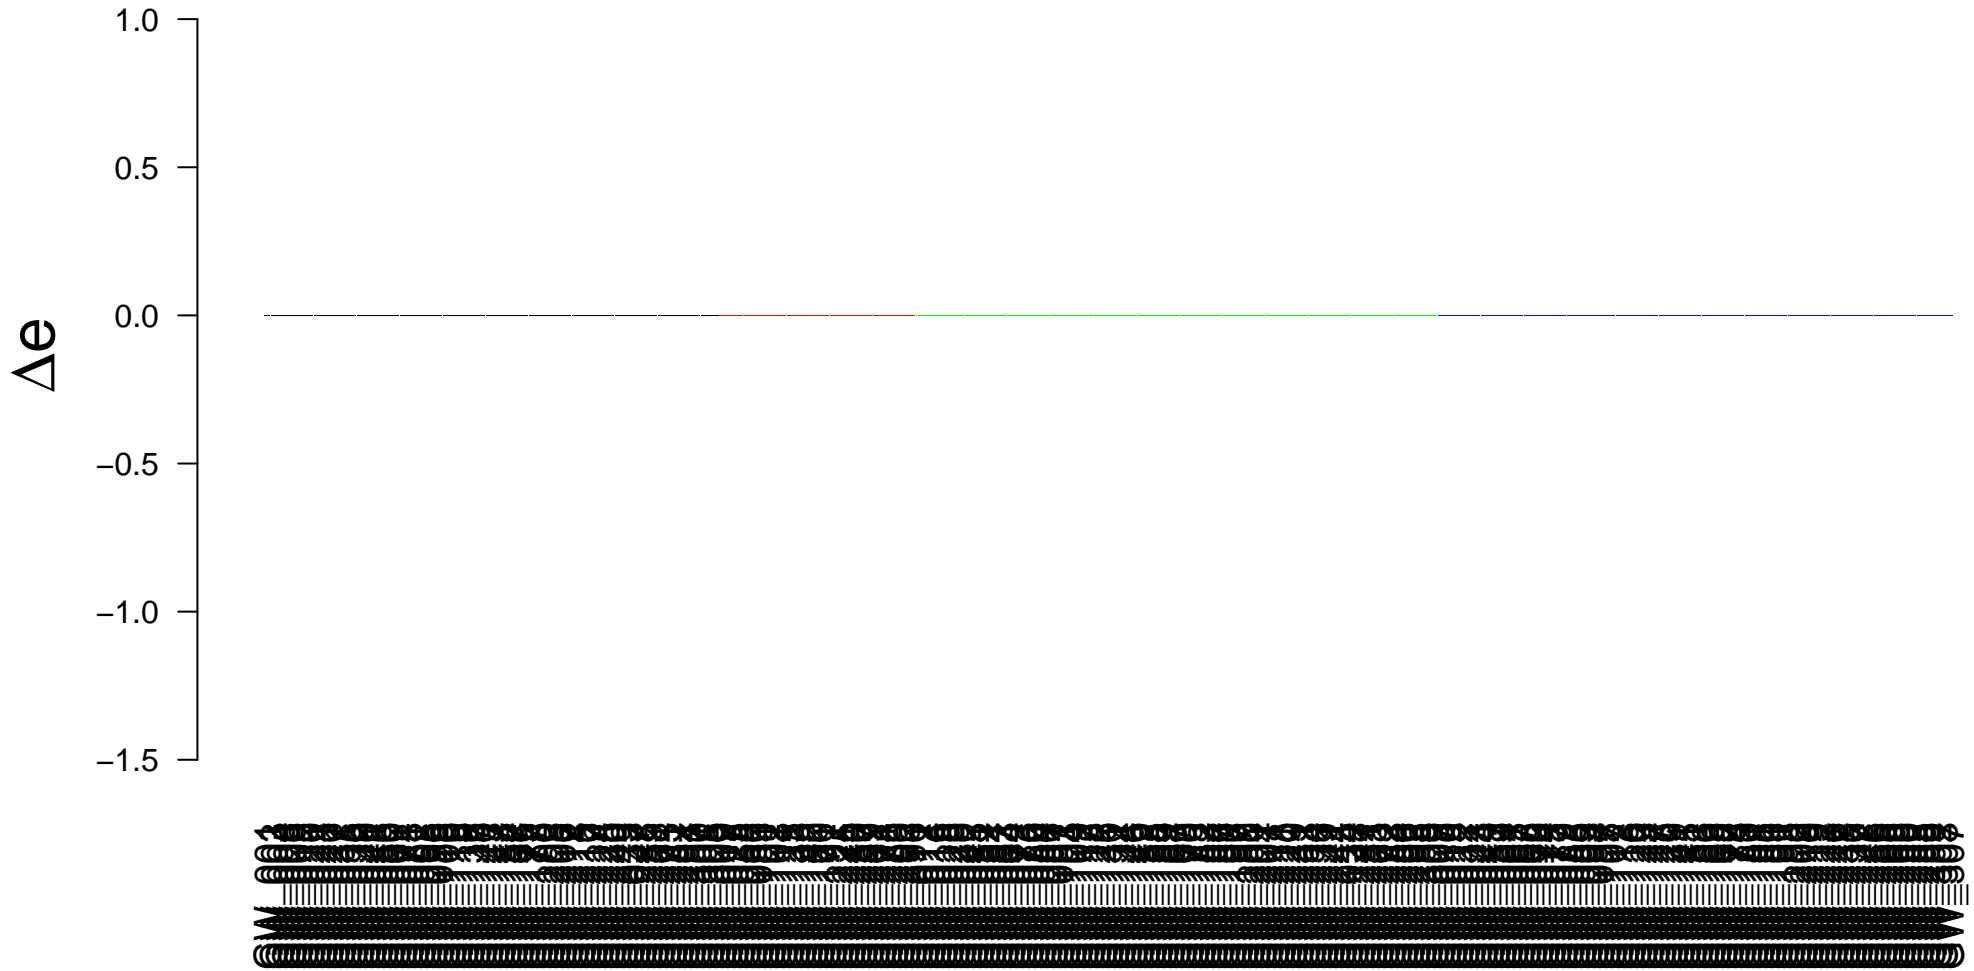

Expression of Leydig cell differentiation in Spot F

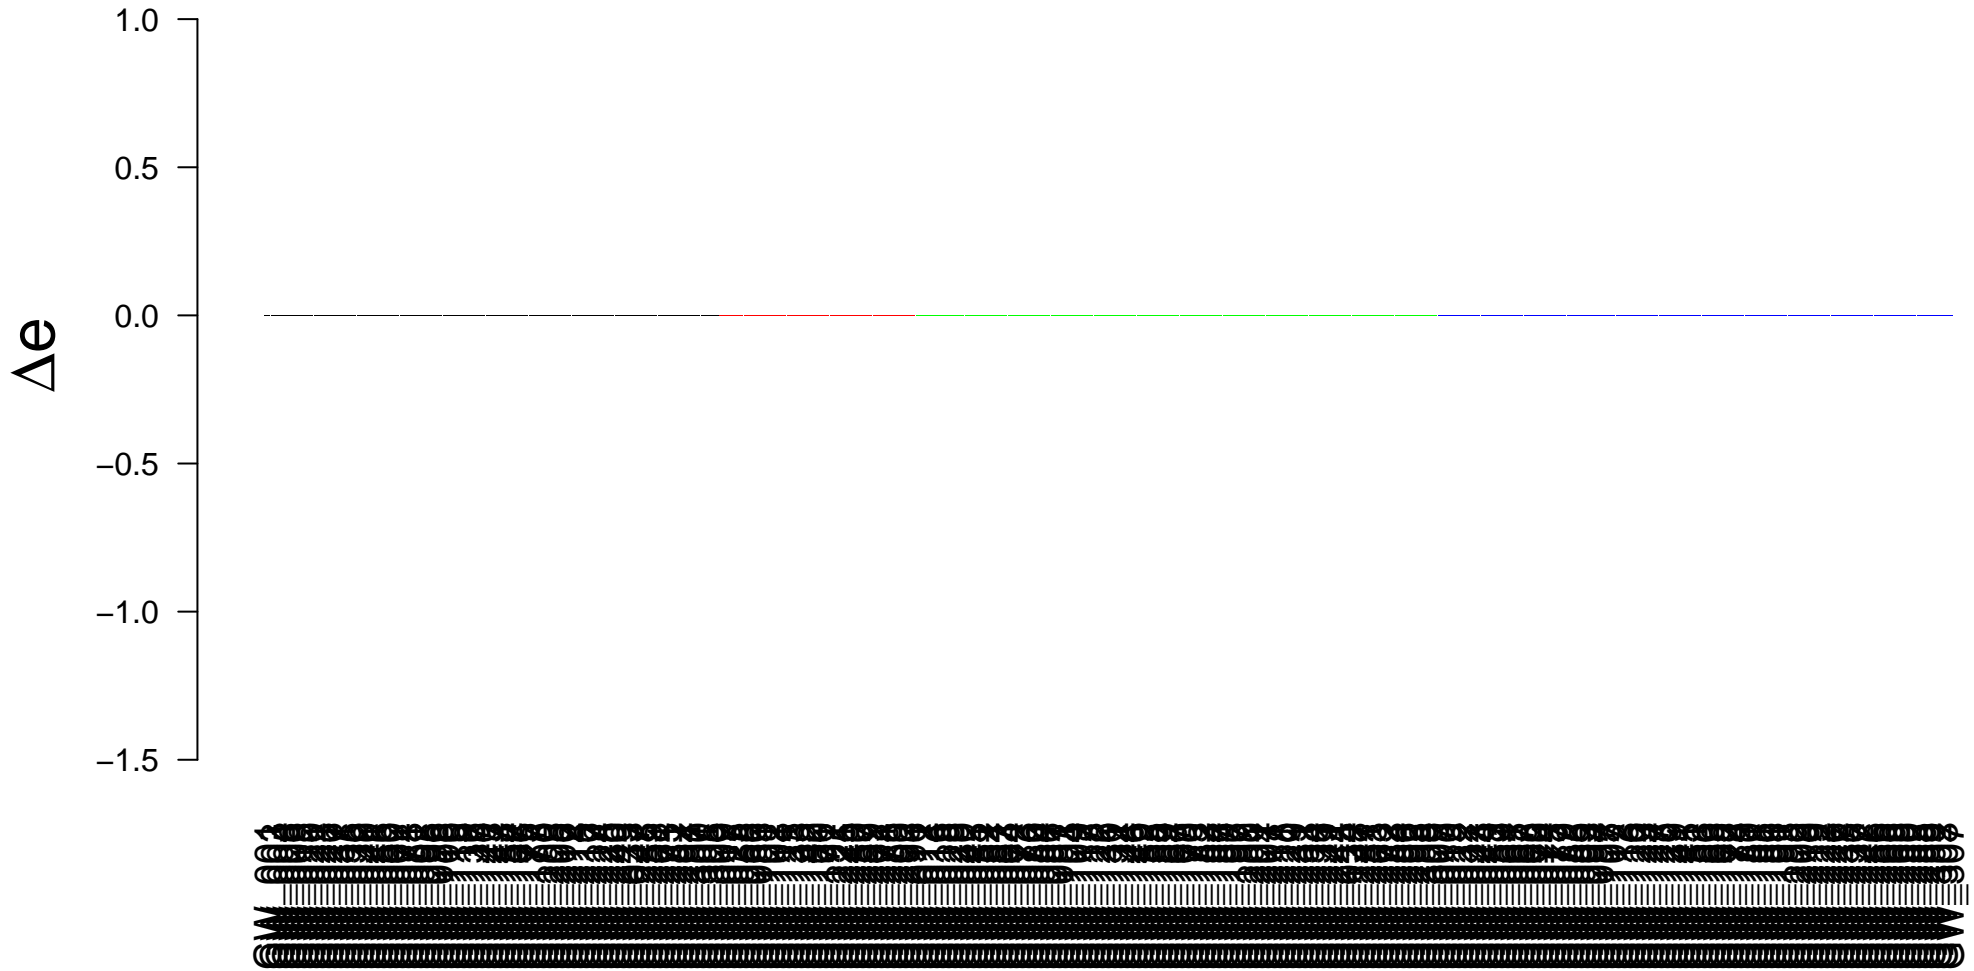

Expression of Leydig cell differentiation in Spot G

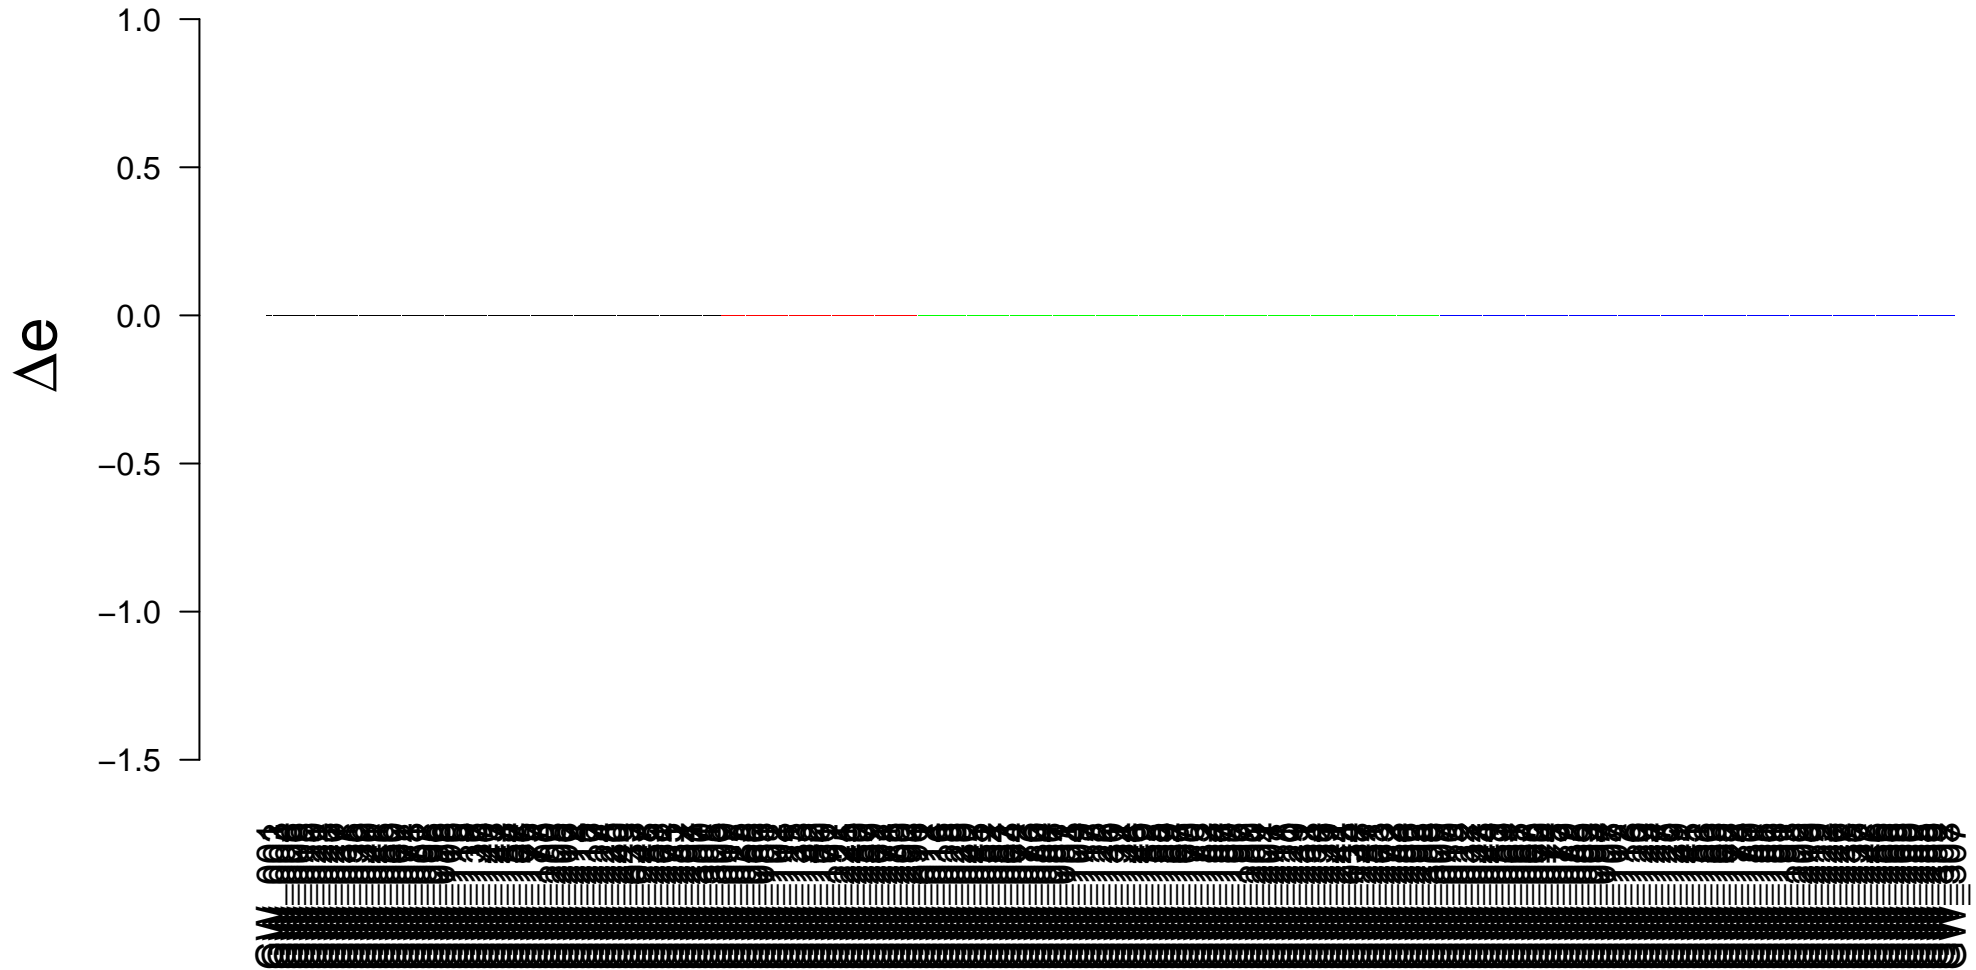

Expression of Leydig cell differentiation in Spot H

Expression of Leydig cell differentiation in Spot I

Expression of Leydig cell differentiation in Spot J

Expression of Leydig cell differentiation in Spot K
