

MHC class II protein complex

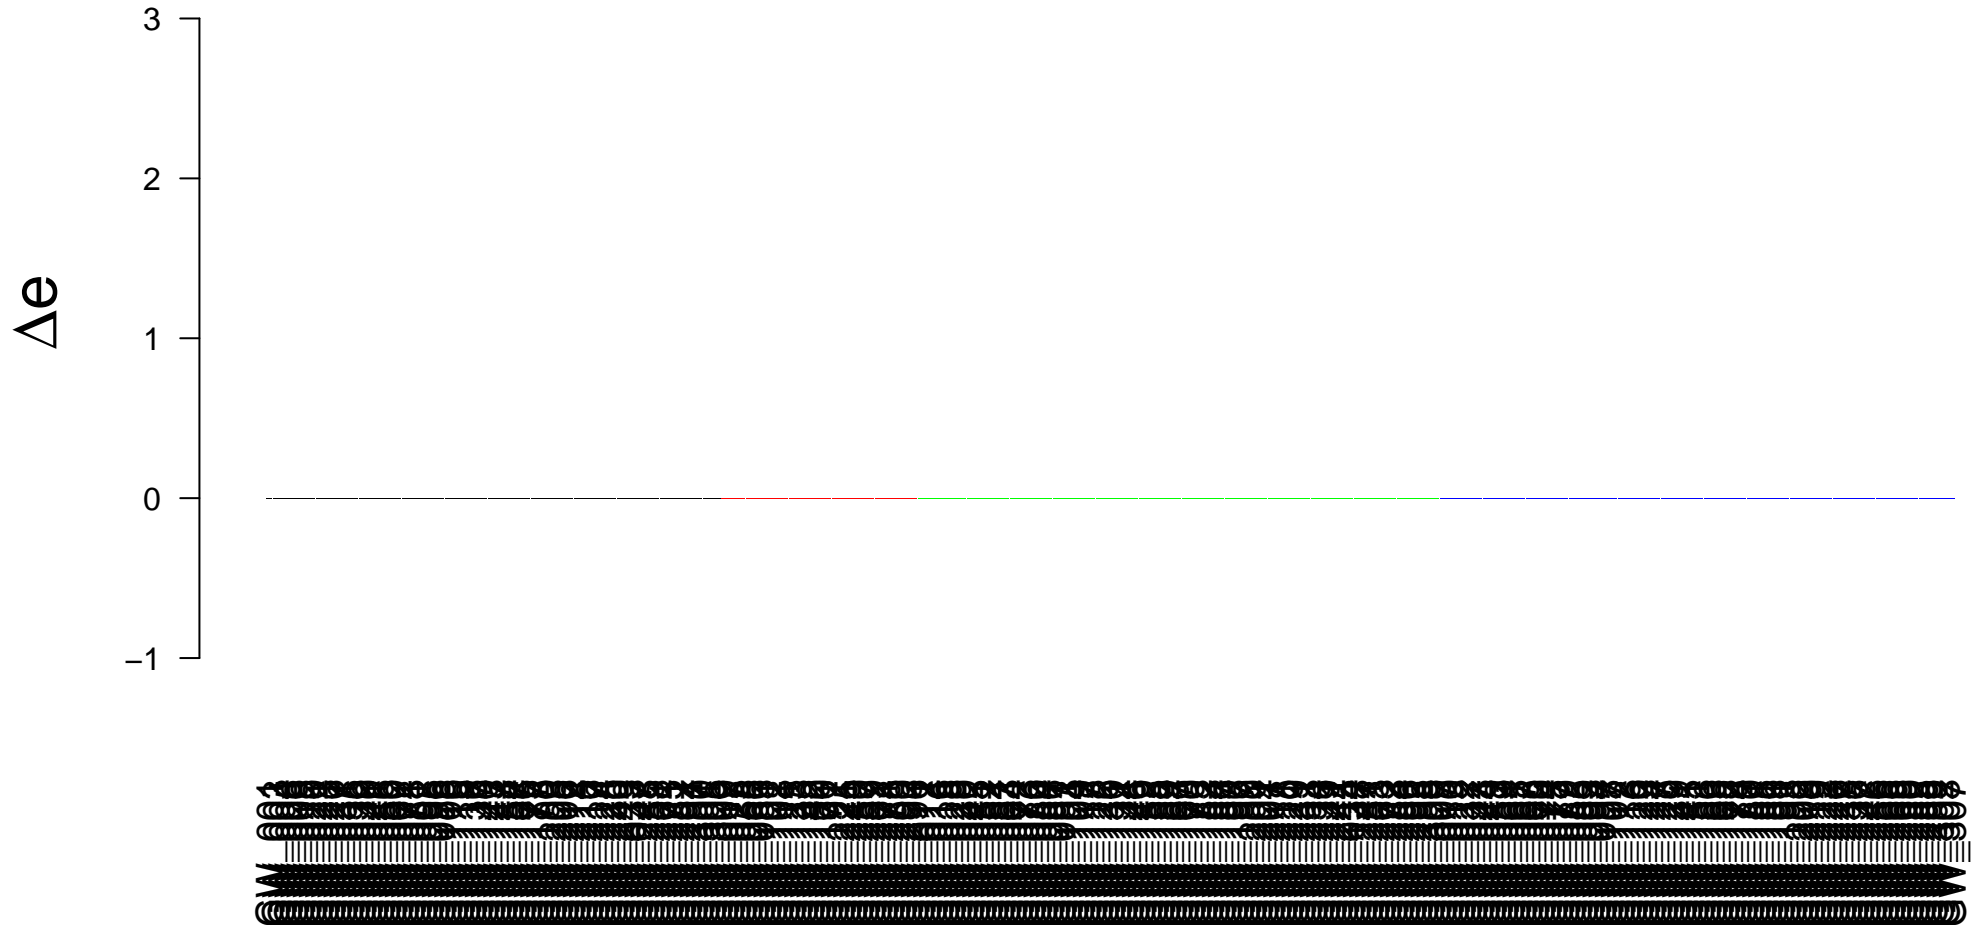

MHC class II protein complex

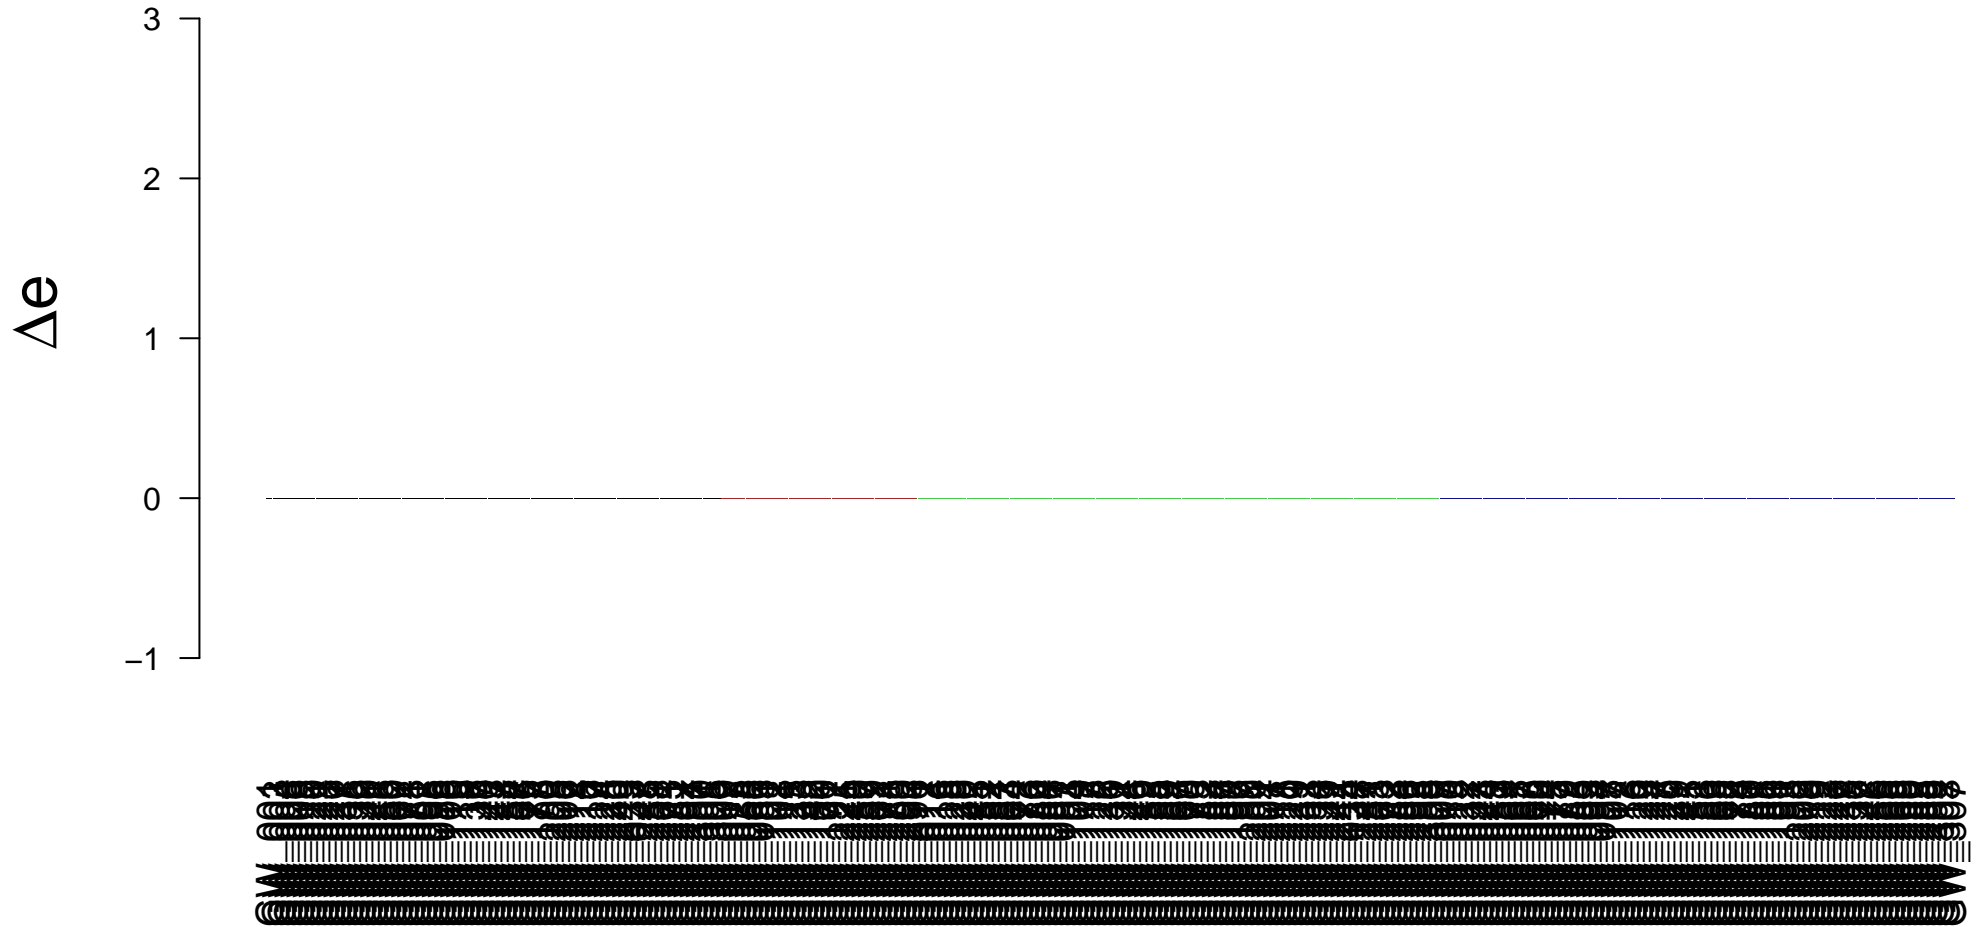

Enrichment in spots: MHC class II protein complex

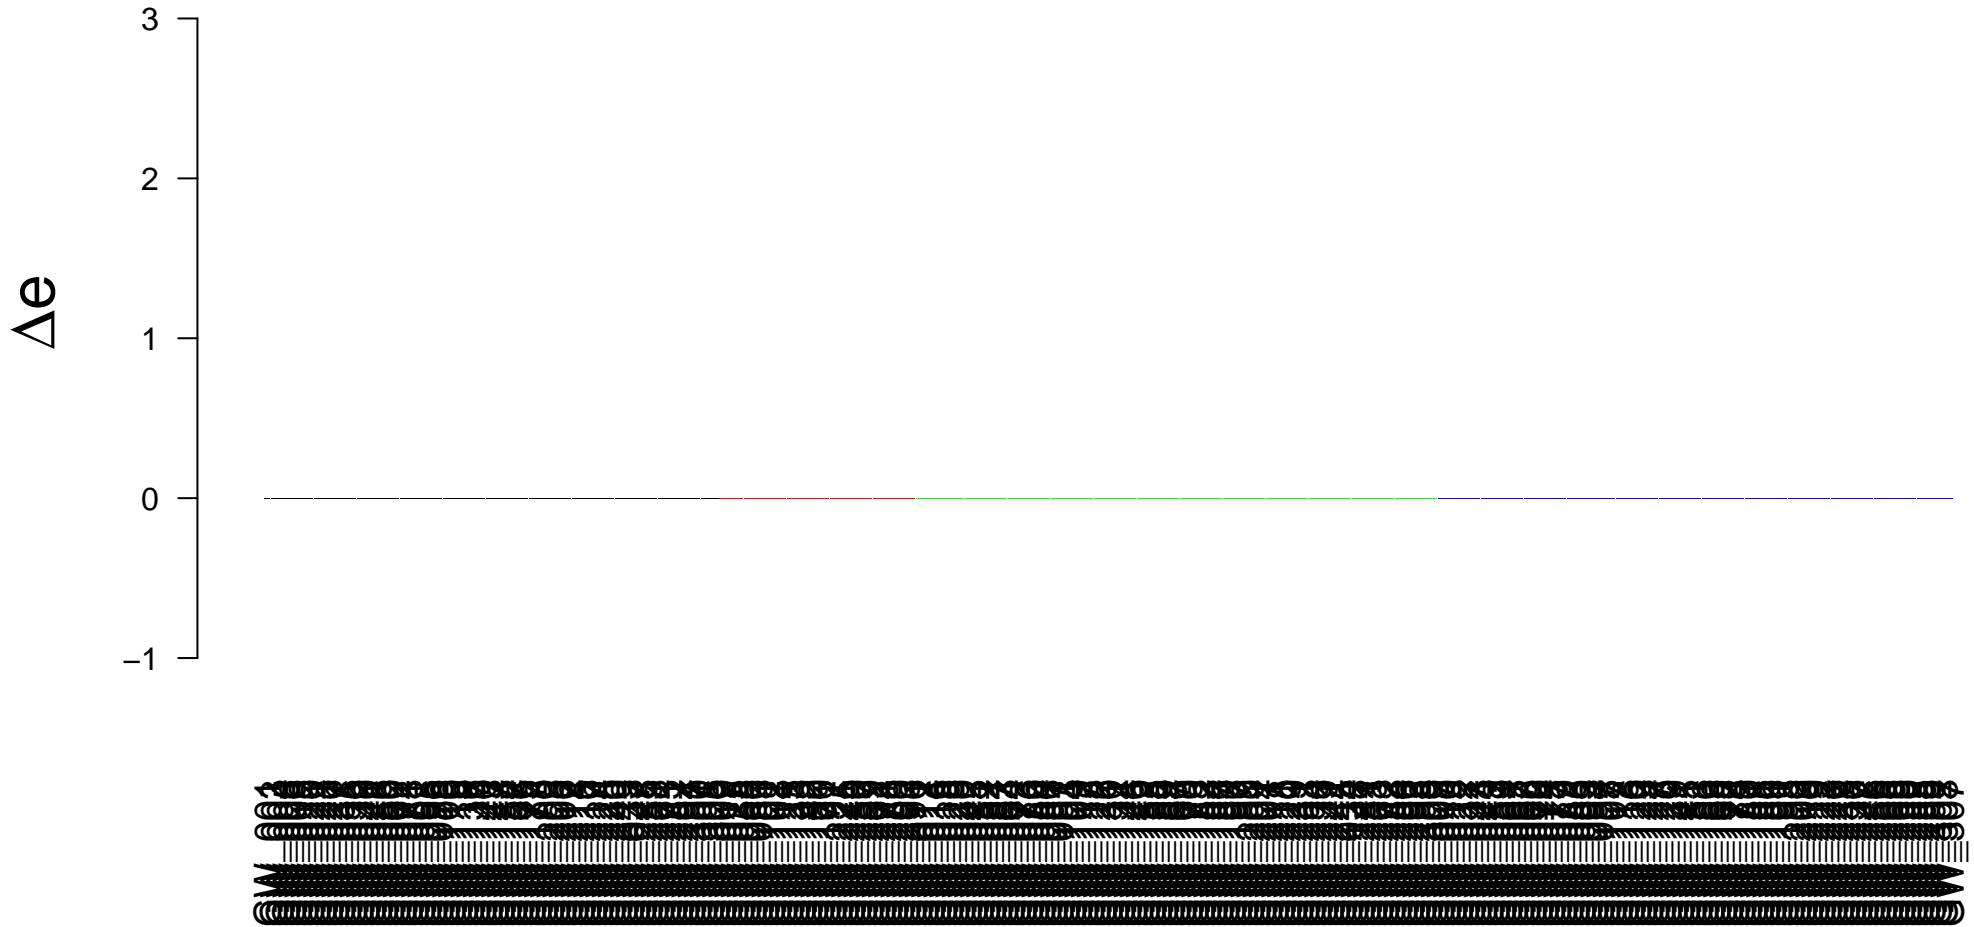

Expression of MHC class II protein complex in Spot A

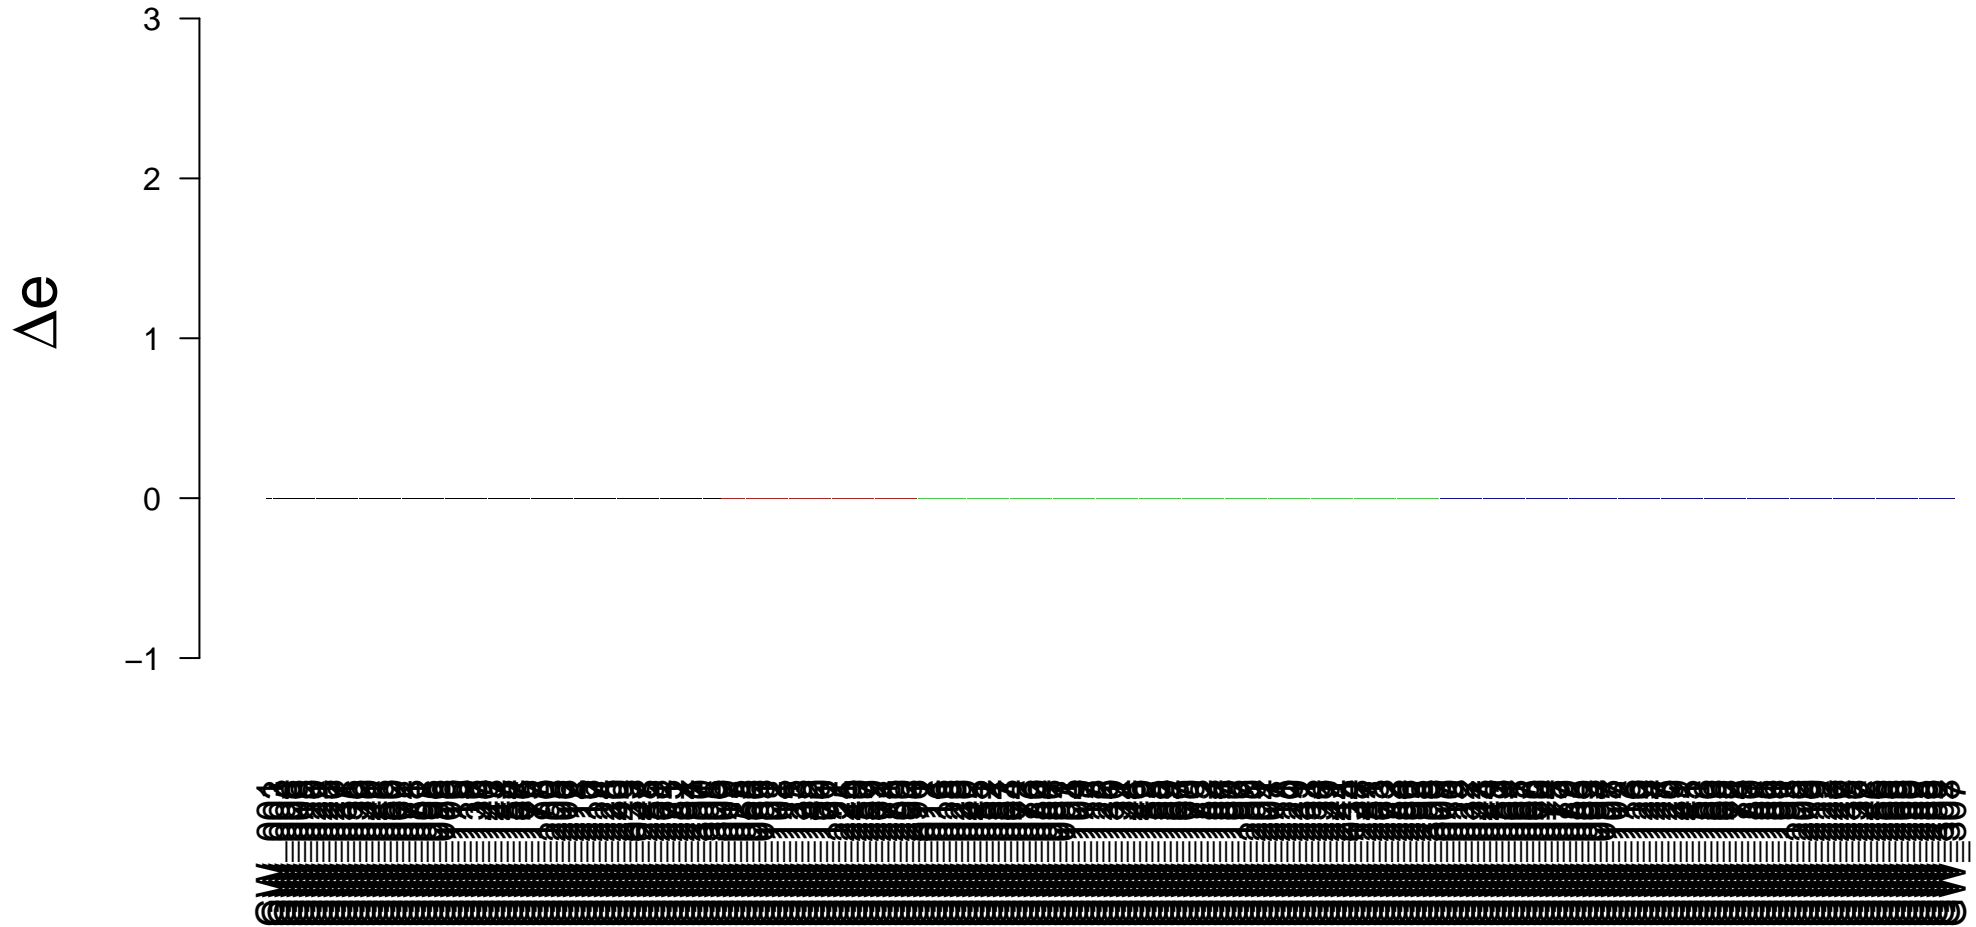

Expression of MHC class II protein complex in Spot B

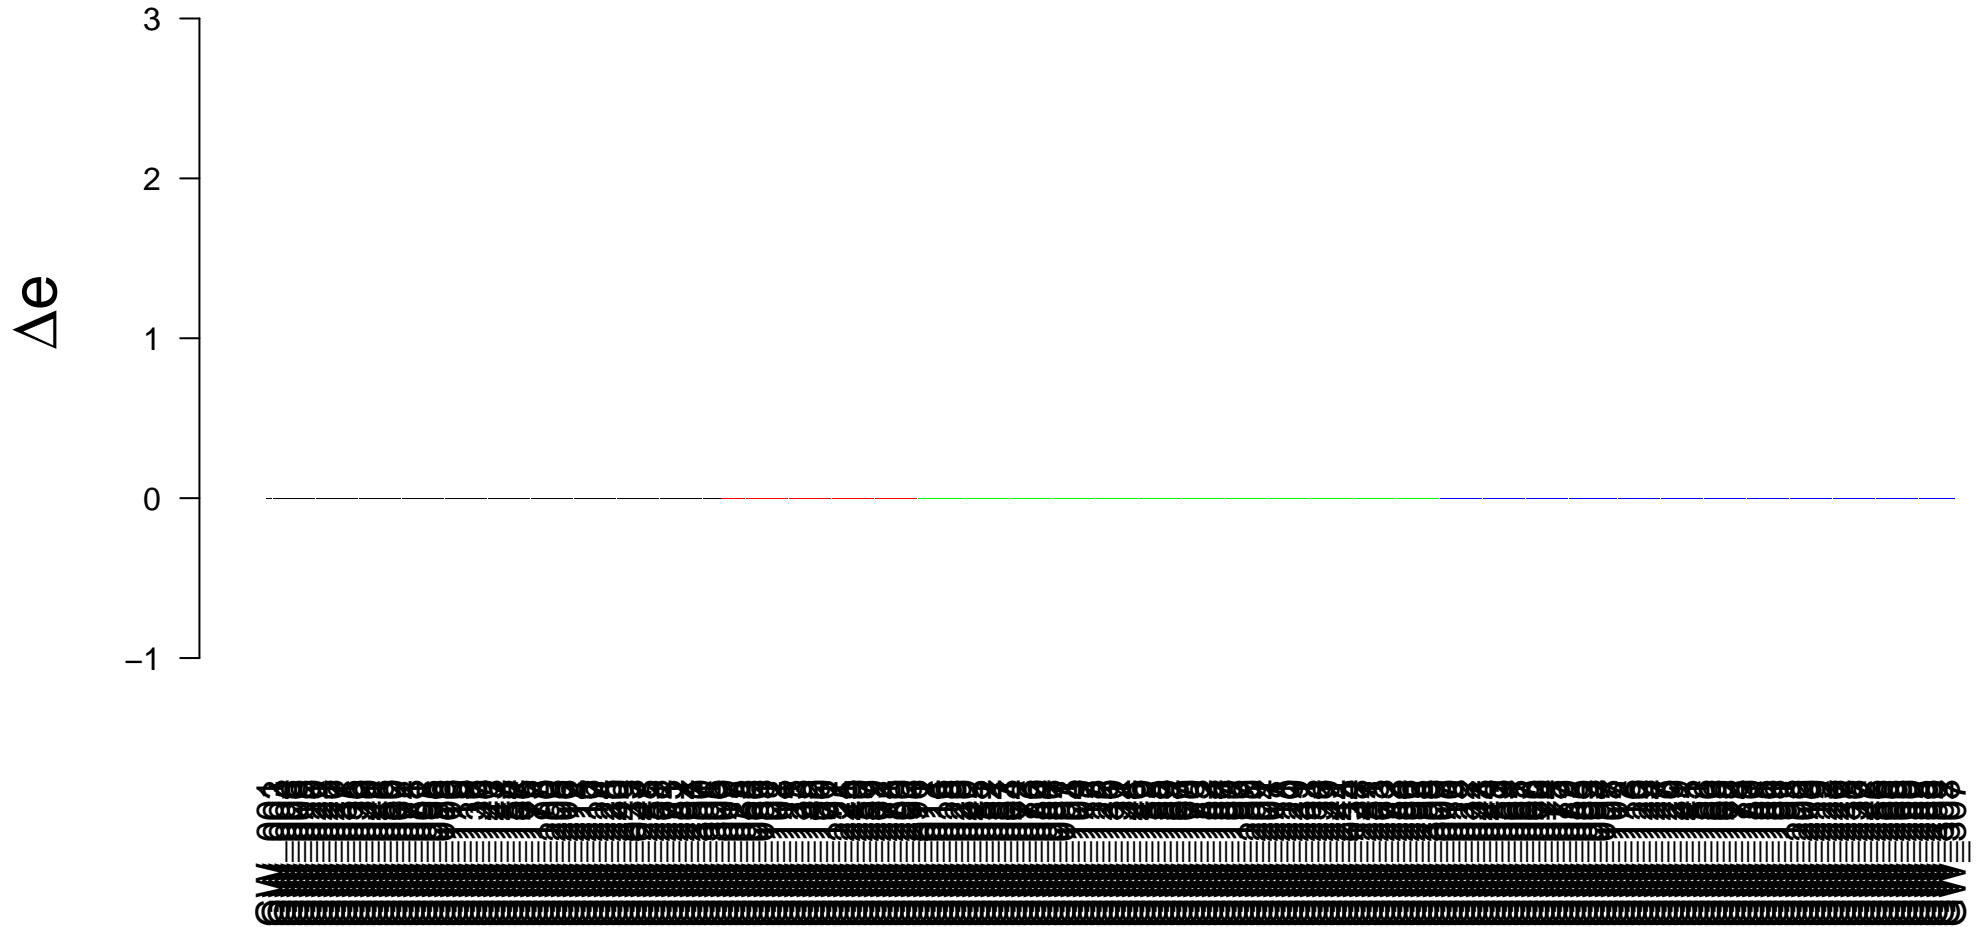

Expression of MHC class II protein complex in Spot C

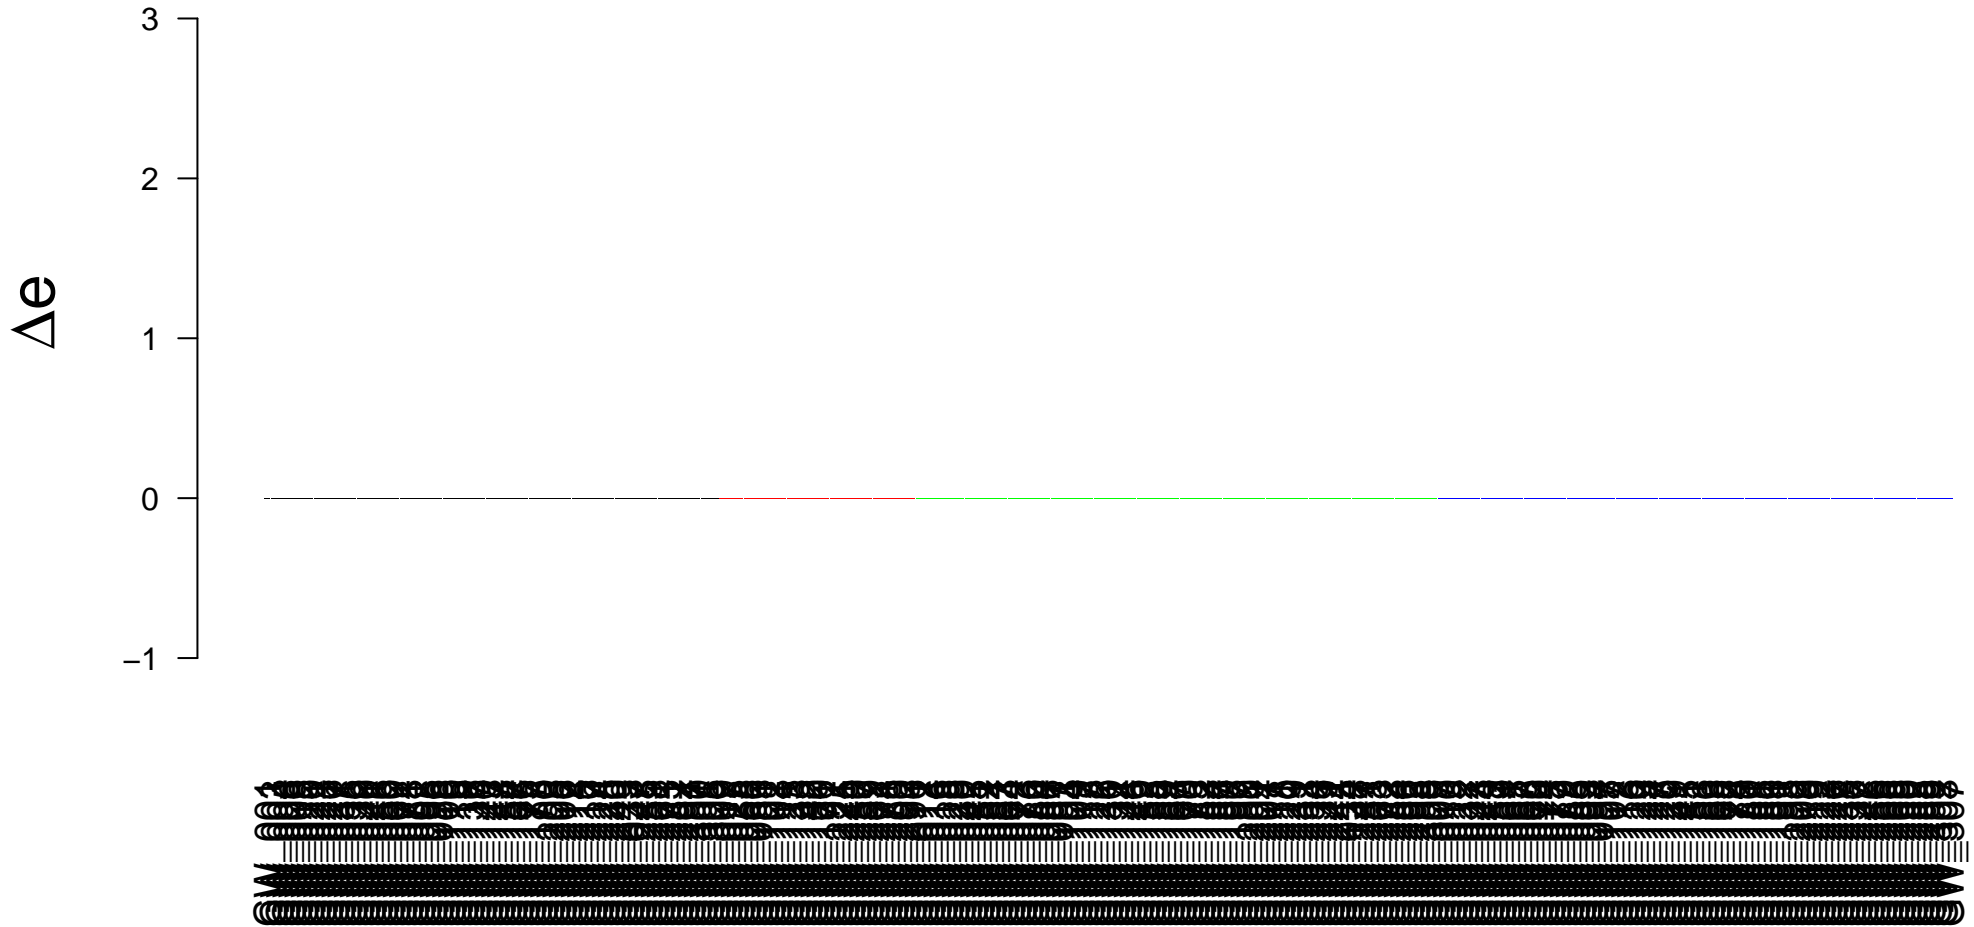

Expression of MHC class II protein complex in Spot D

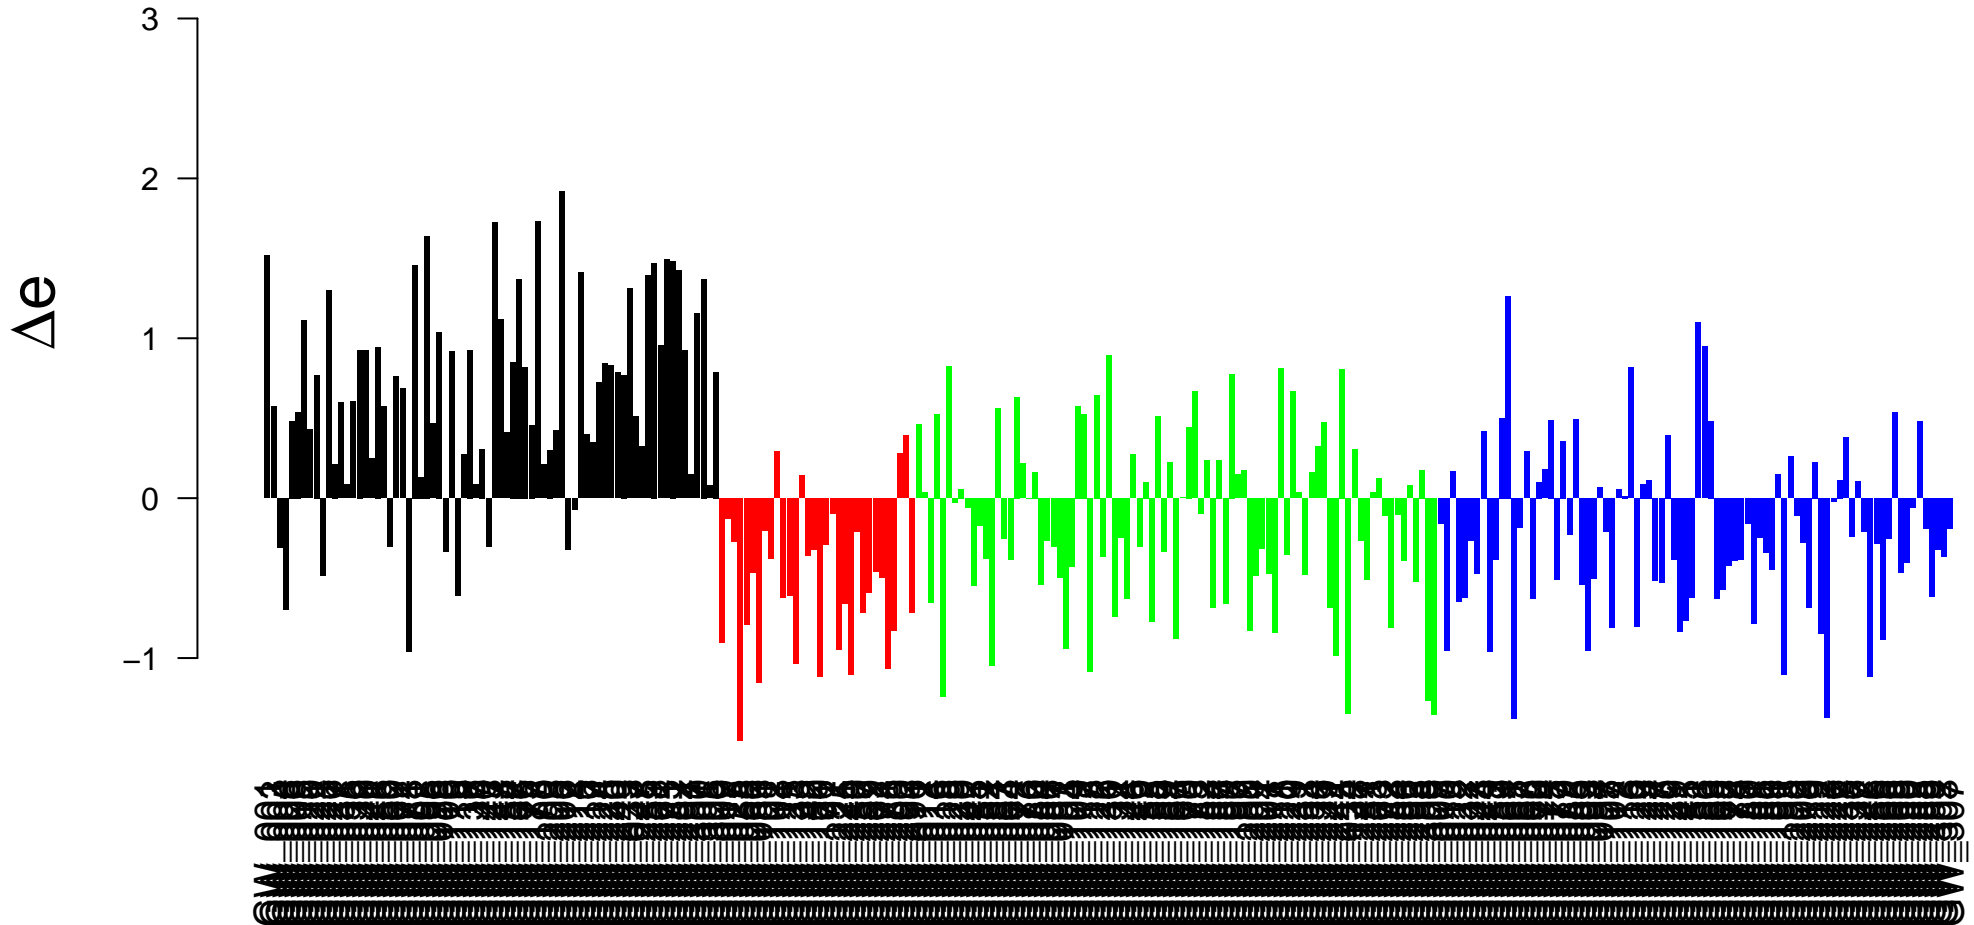

Expression of MHC class II protein complex in Spot E

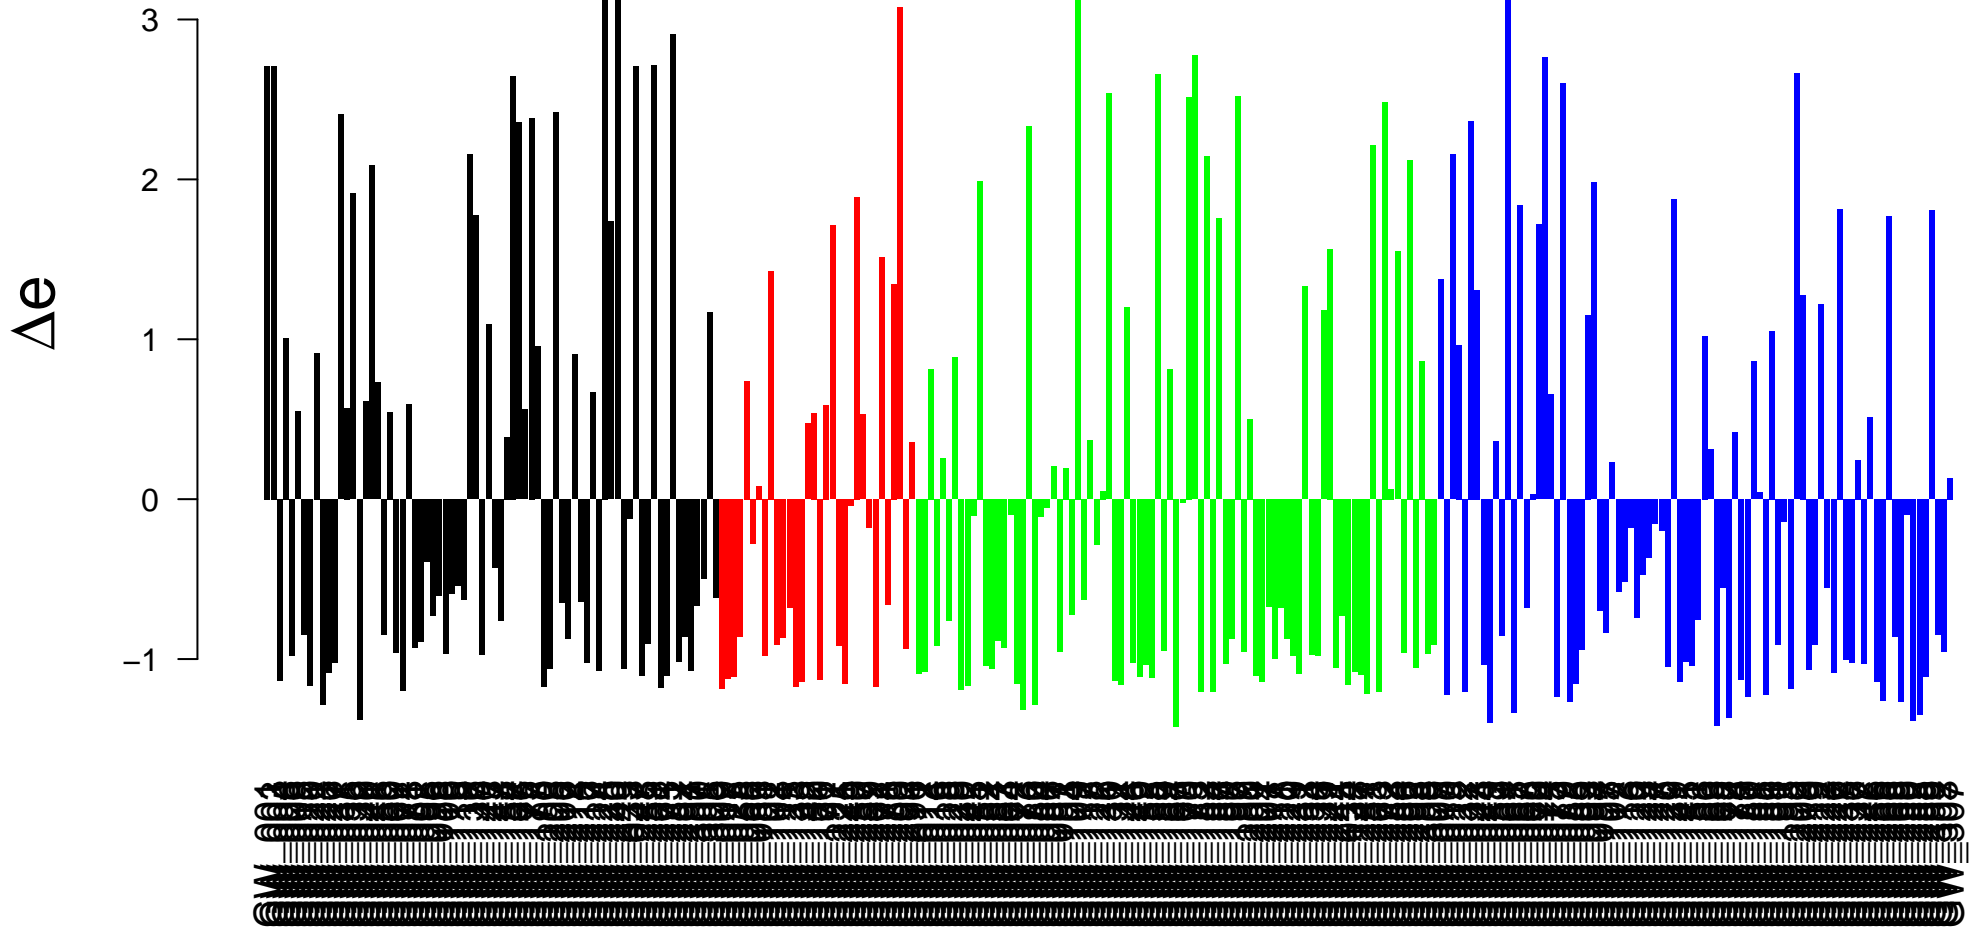

Expression of MHC class II protein complex in Spot F

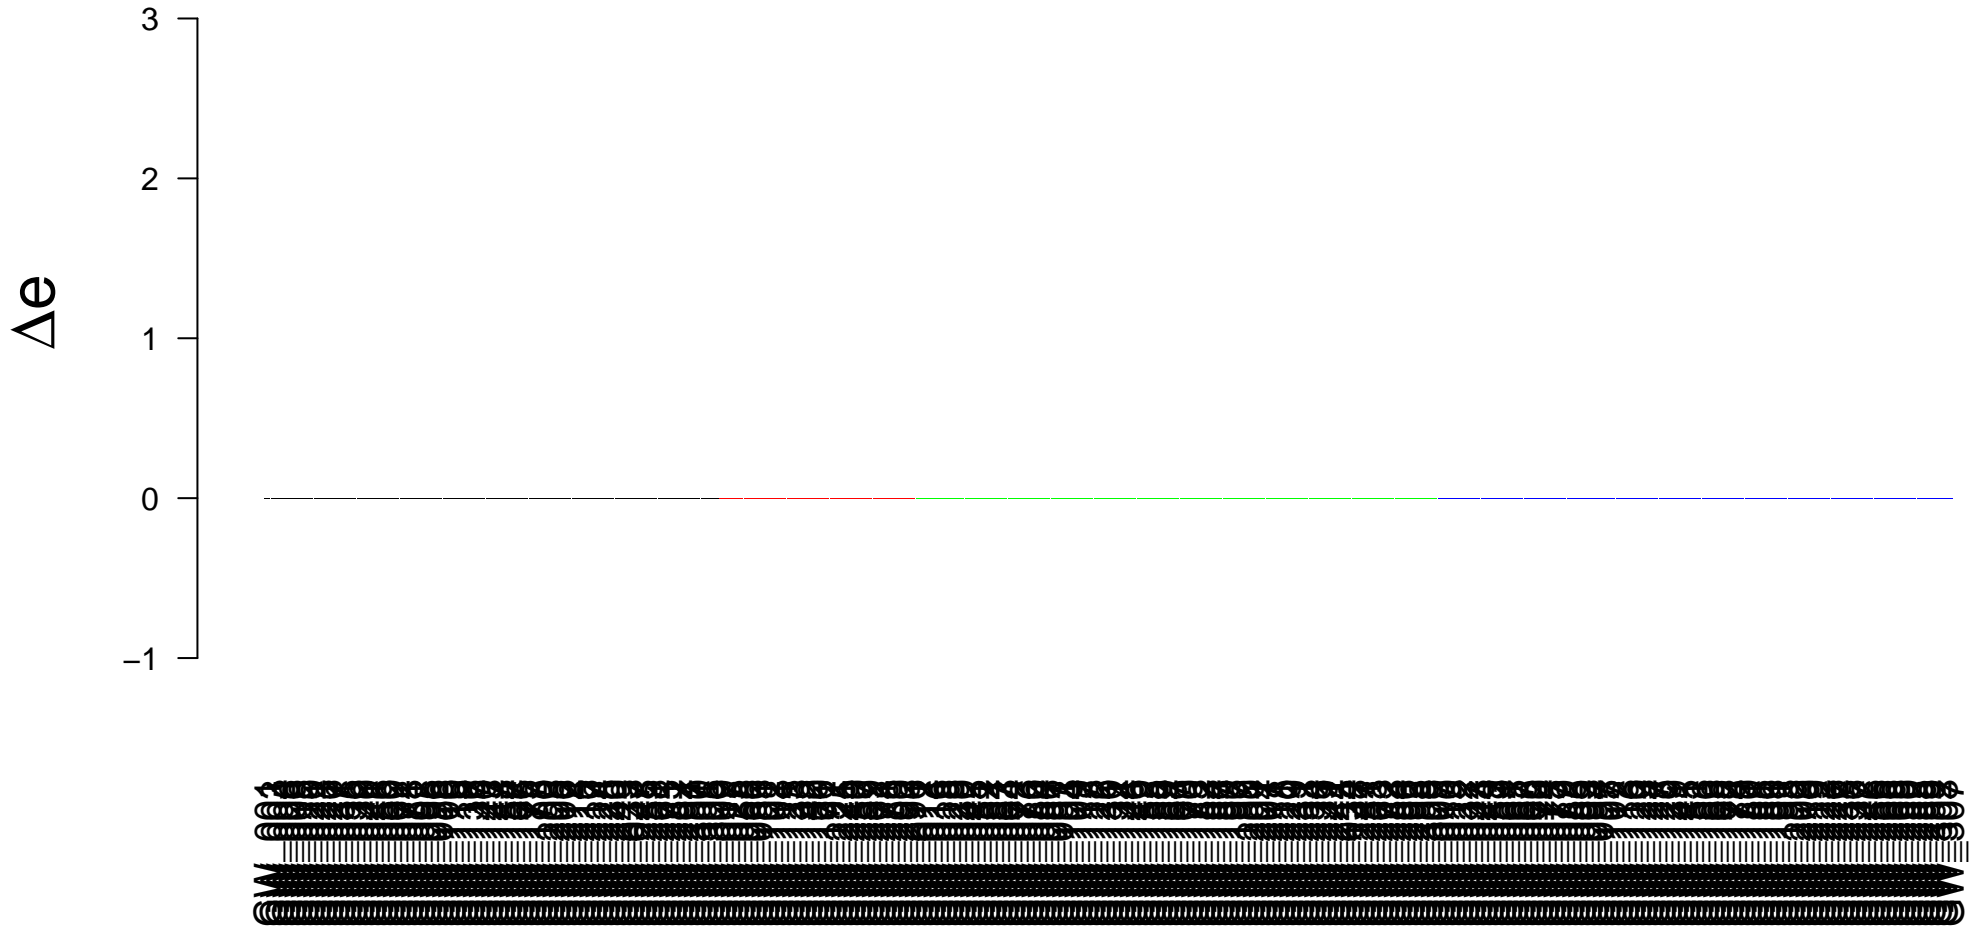

Expression of MHC class II protein complex in Spot G

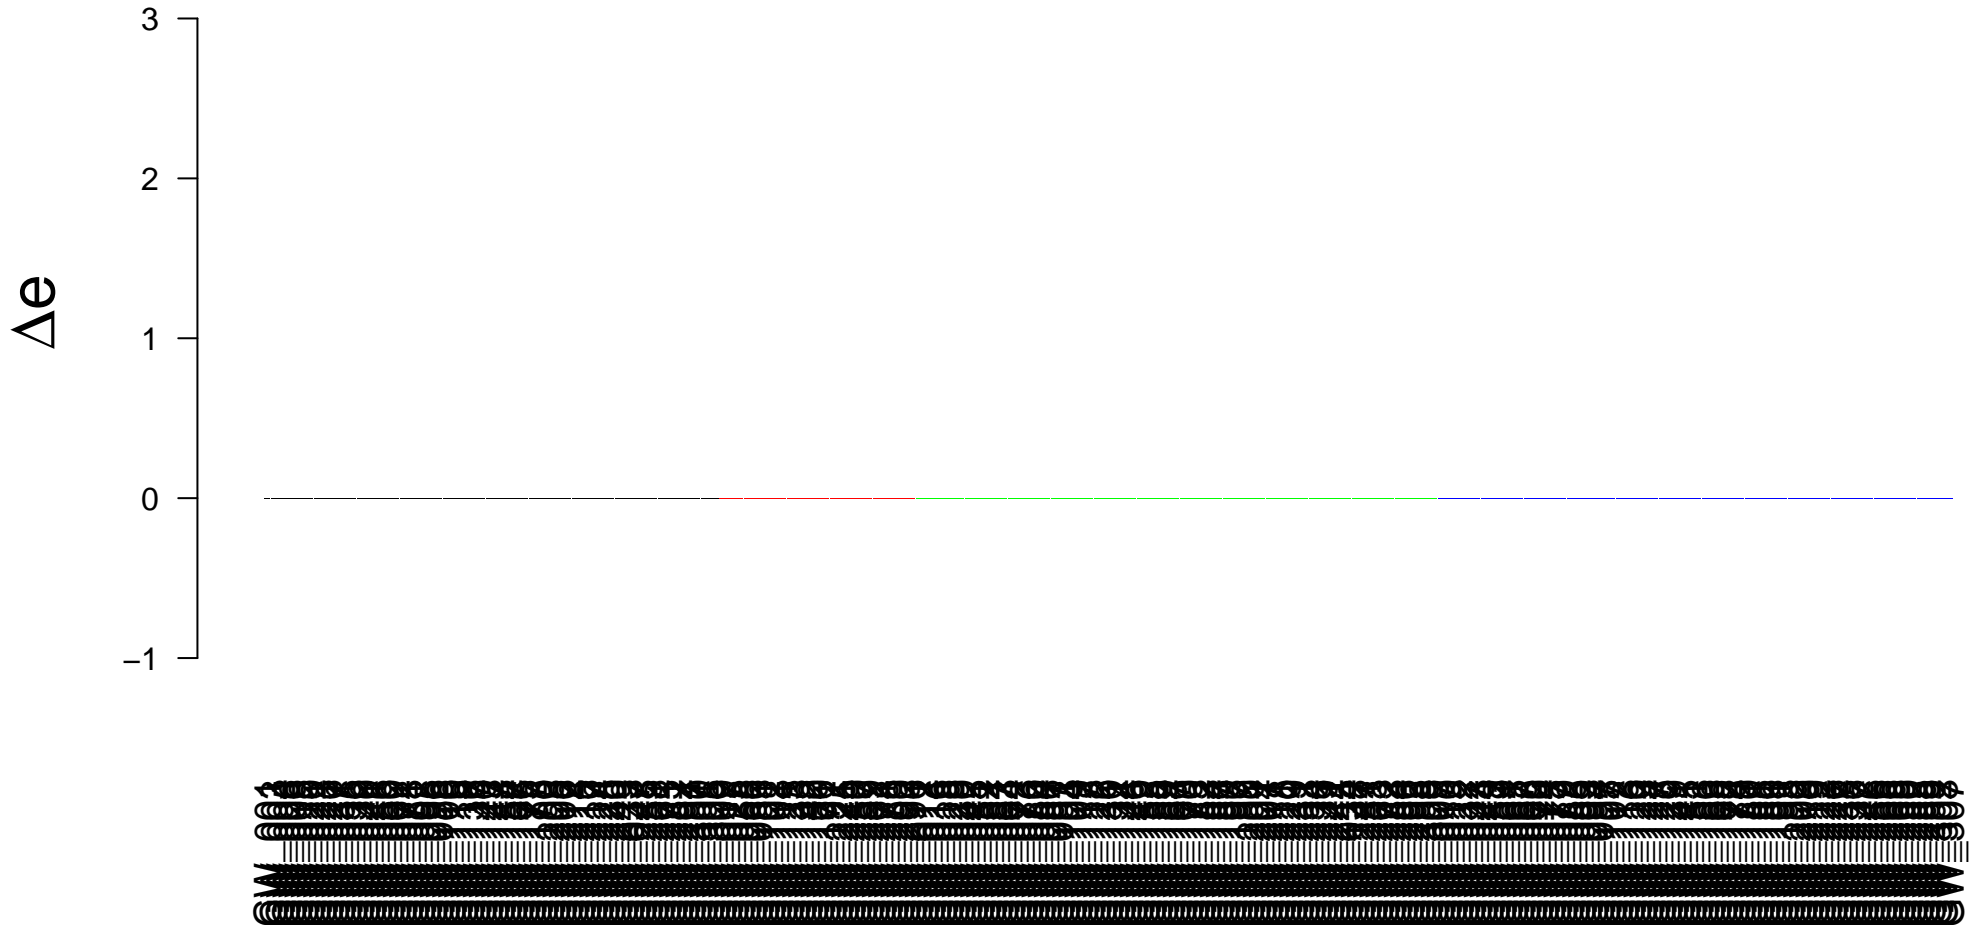

Expression of MHC class II protein complex in Spot H

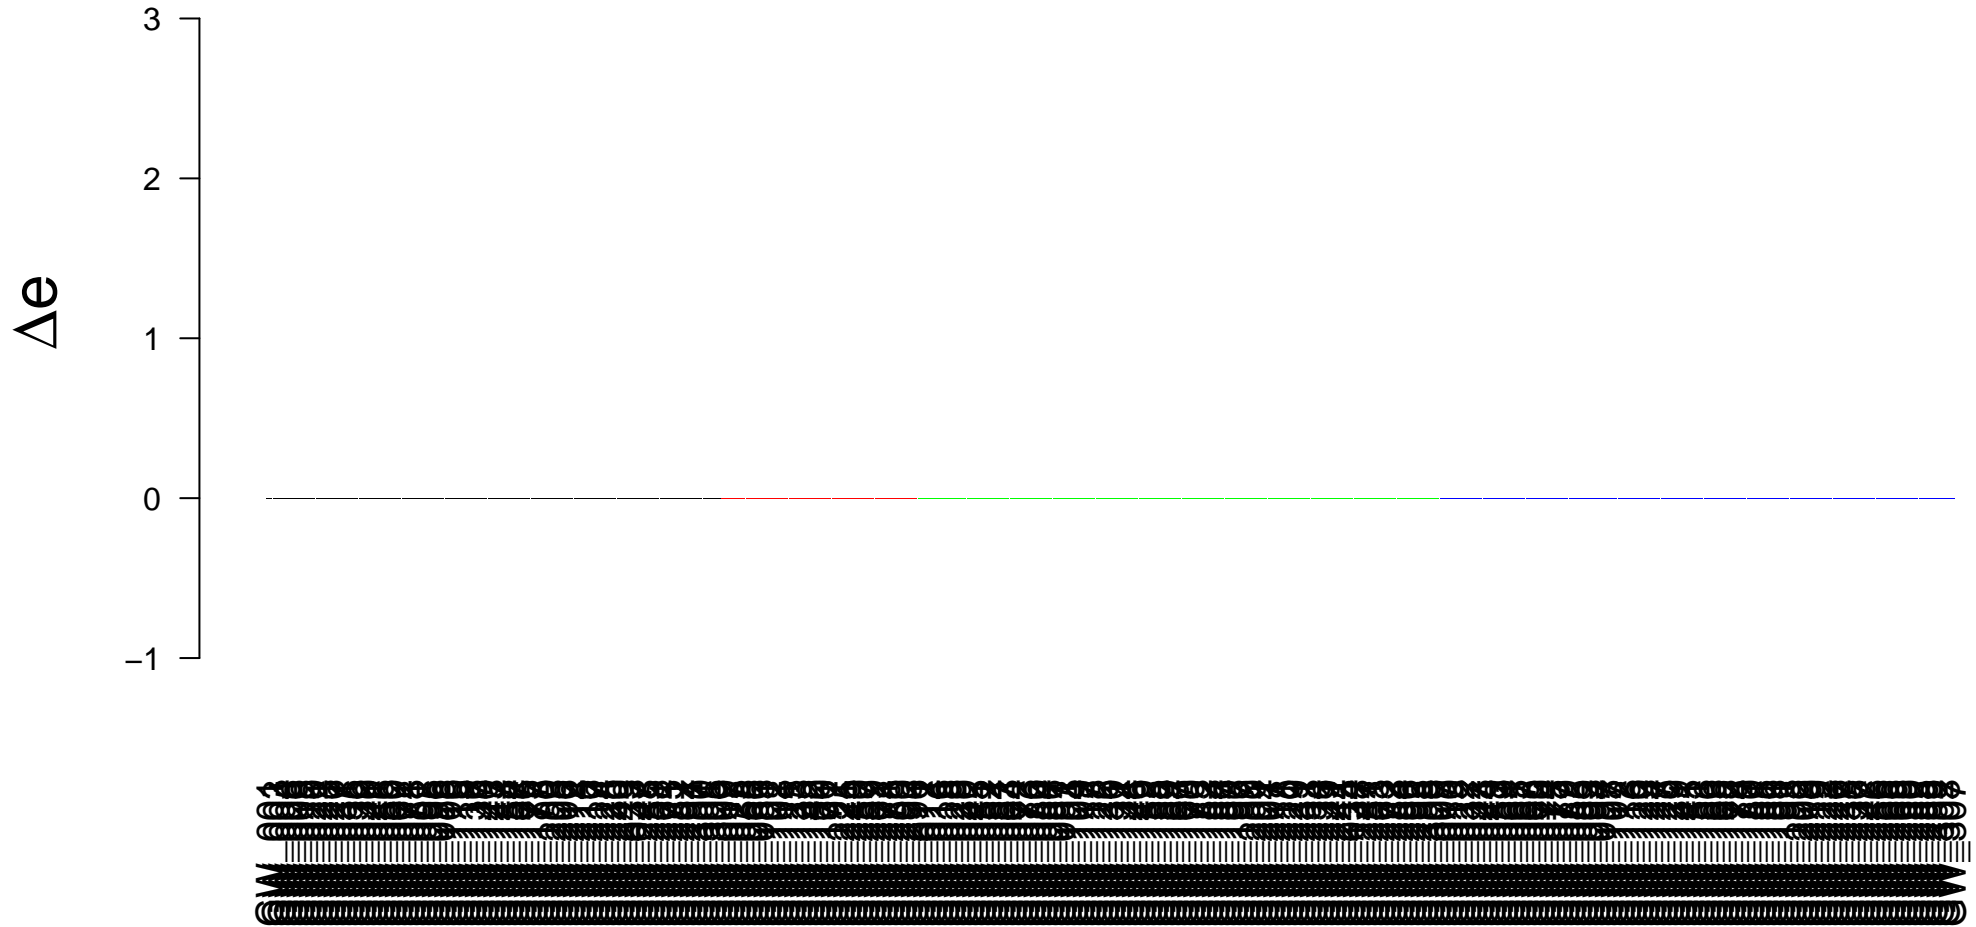

Expression of MHC class II protein complex in Spot I

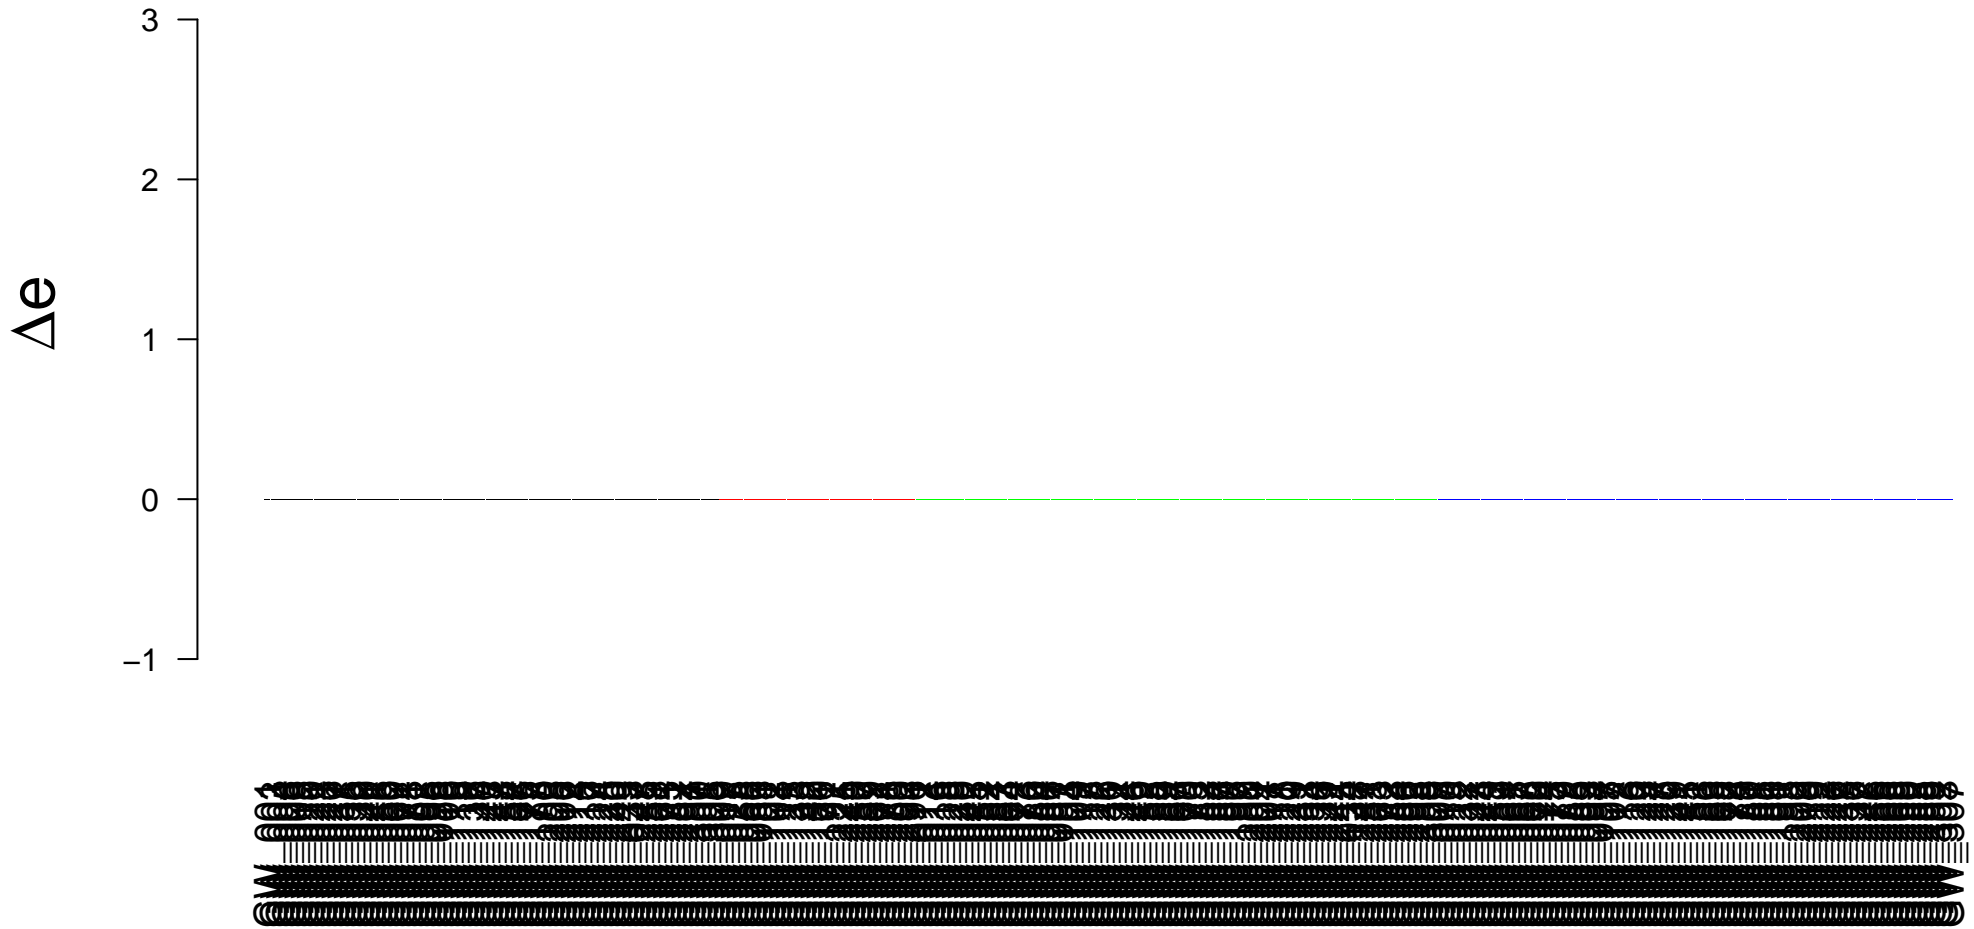

Expression of MHC class II protein complex in Spot J

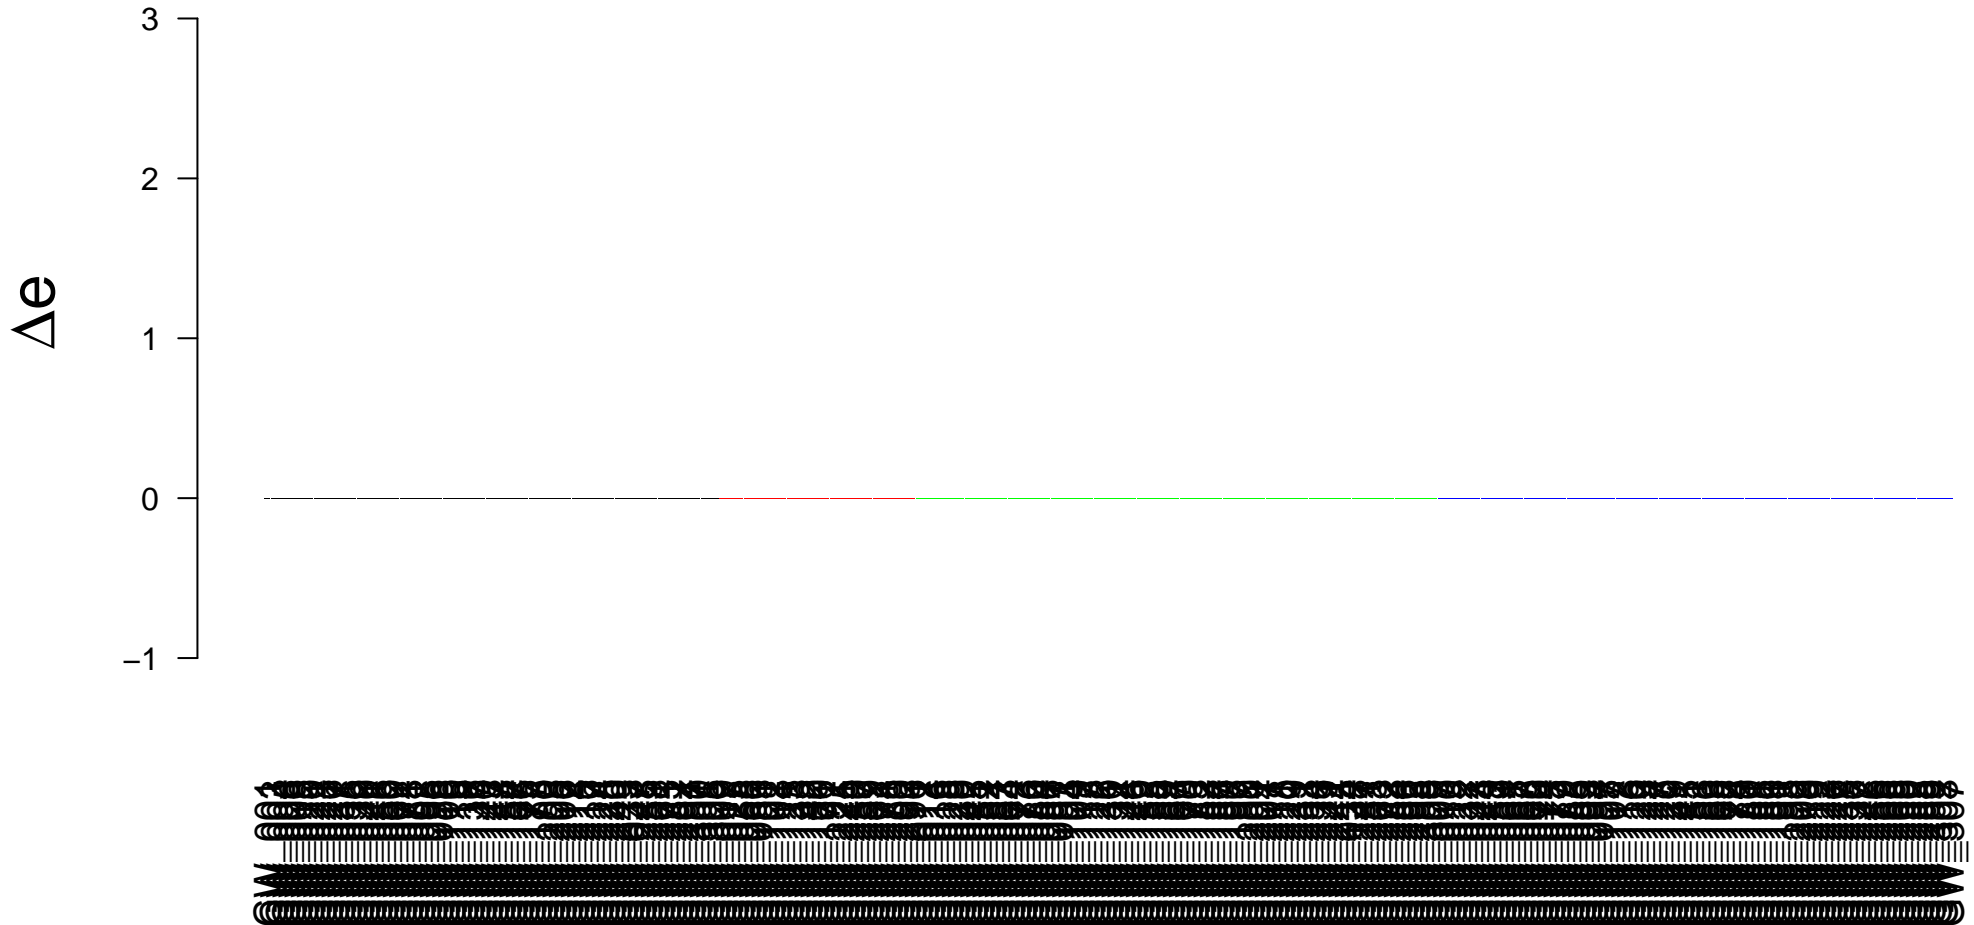

Expression of MHC class II protein complex in Spot K

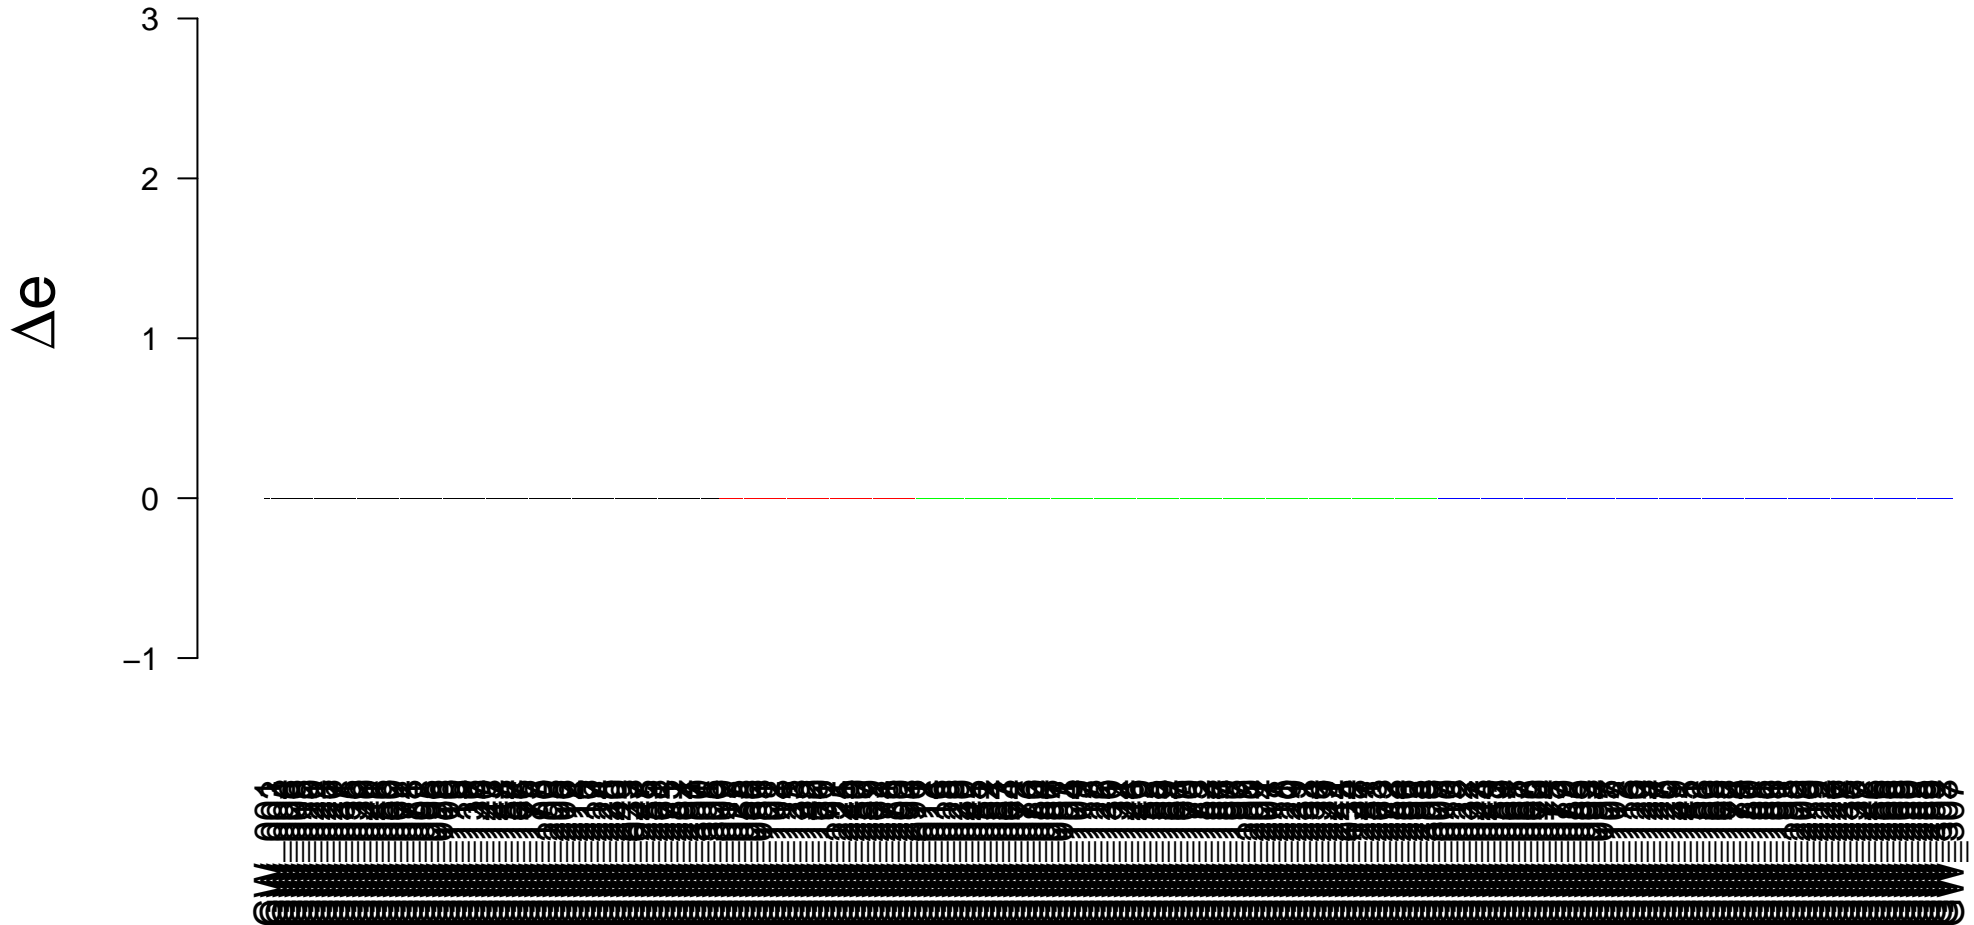

Expression of MHC class II protein complex in Spot L

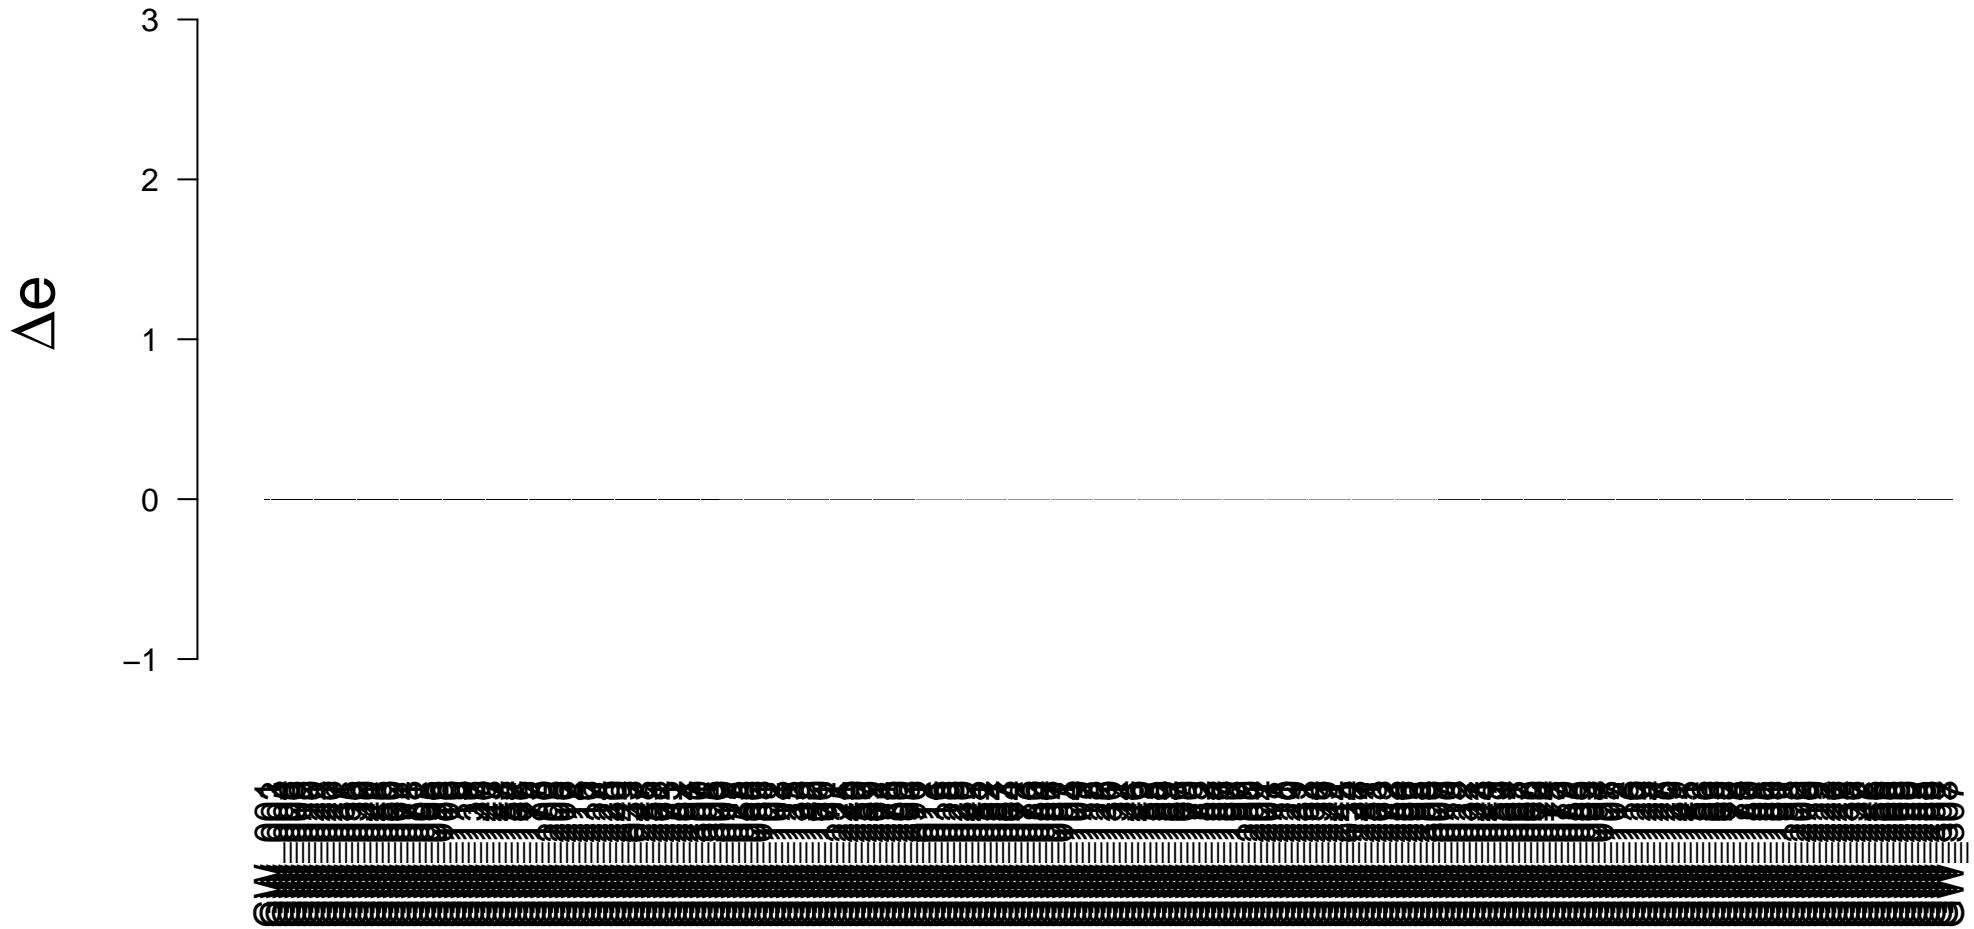

Expression of MHC class II protein complex in Spot M

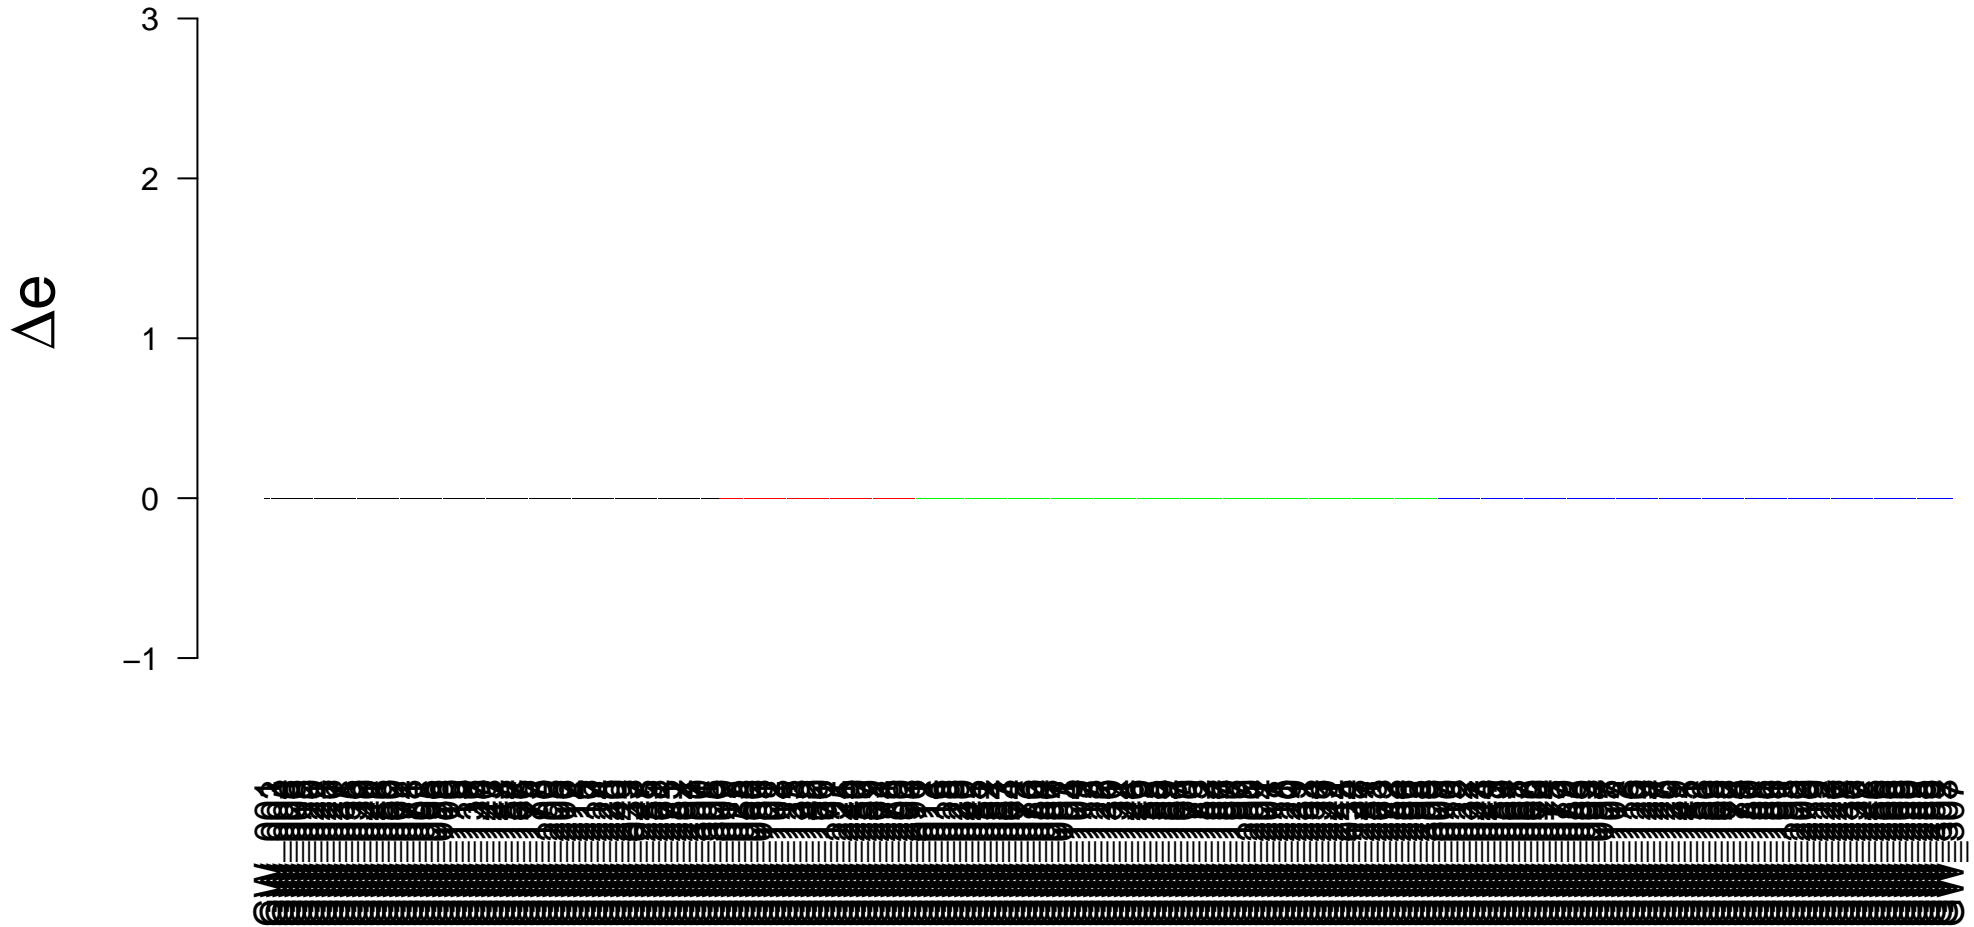

Expression of MHC class II protein complex in Spot N

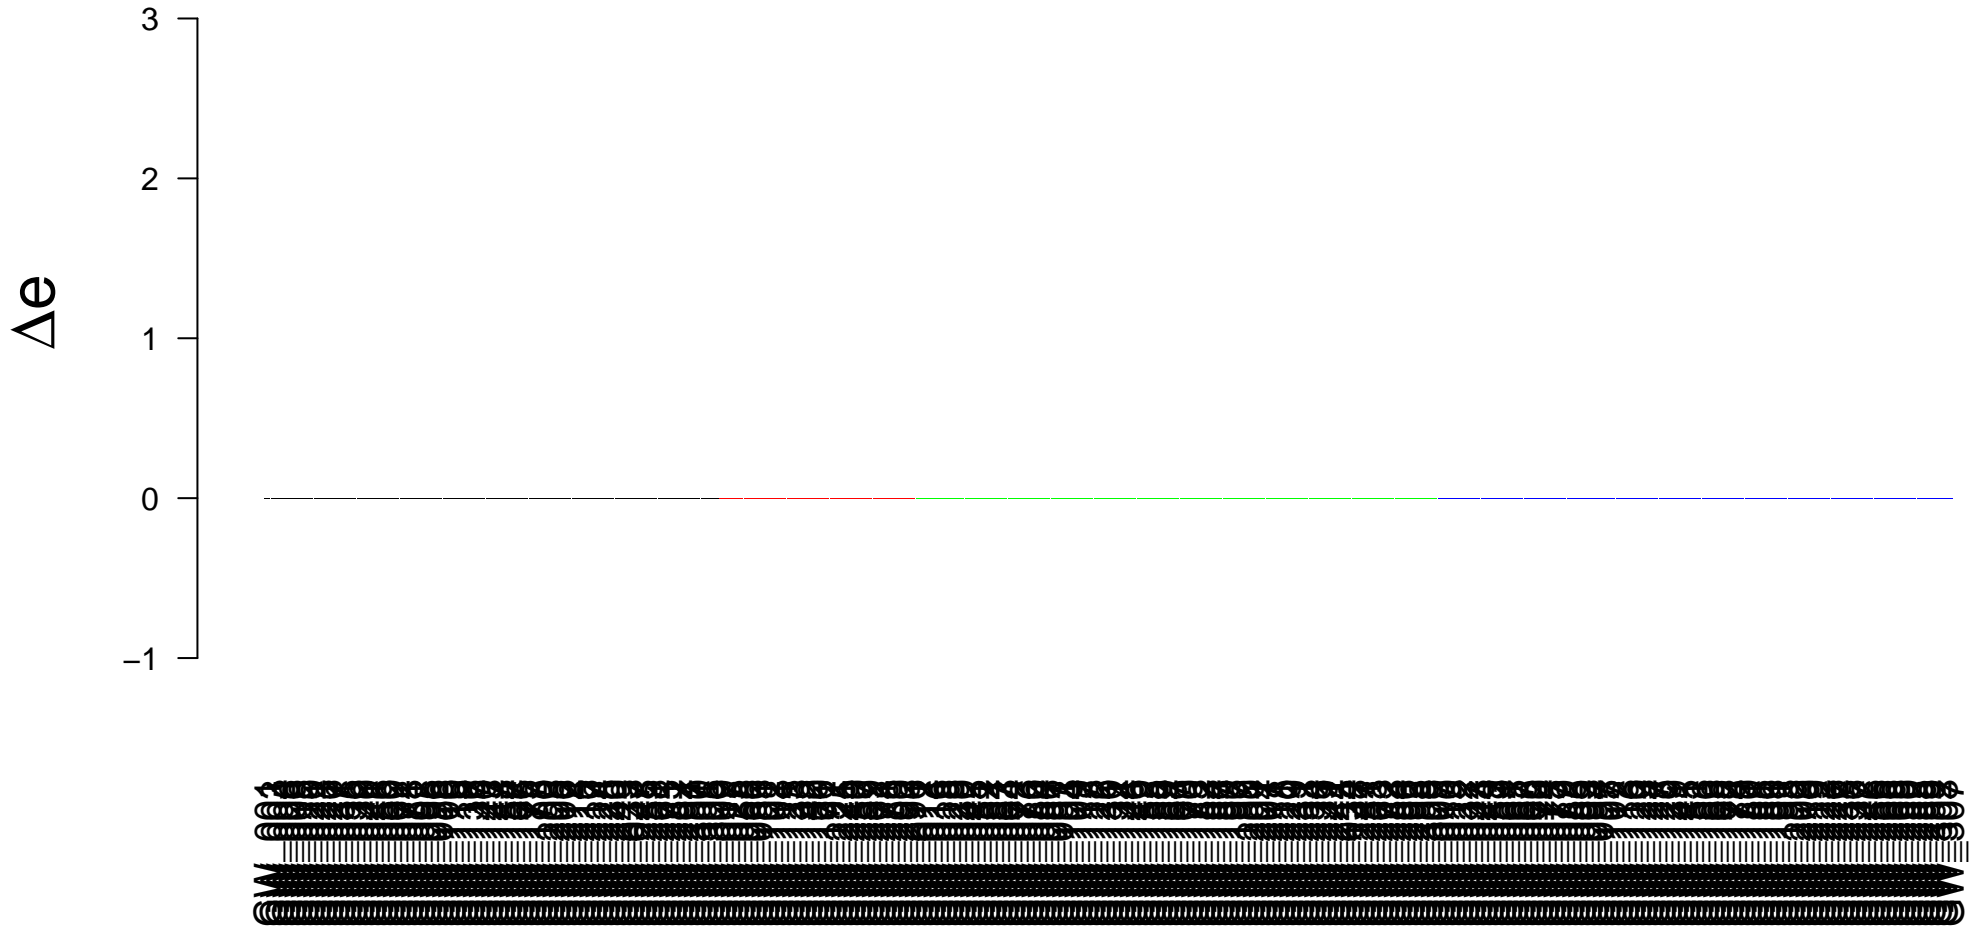

Expression of MHC class II protein complex in Spot O

Expression of MHC class II protein complex in Spot P

Expression of MHC class II protein complex in Spot Q

Expression of MHC class II protein complex in Spot R
