

MYC_Signal transduction UP

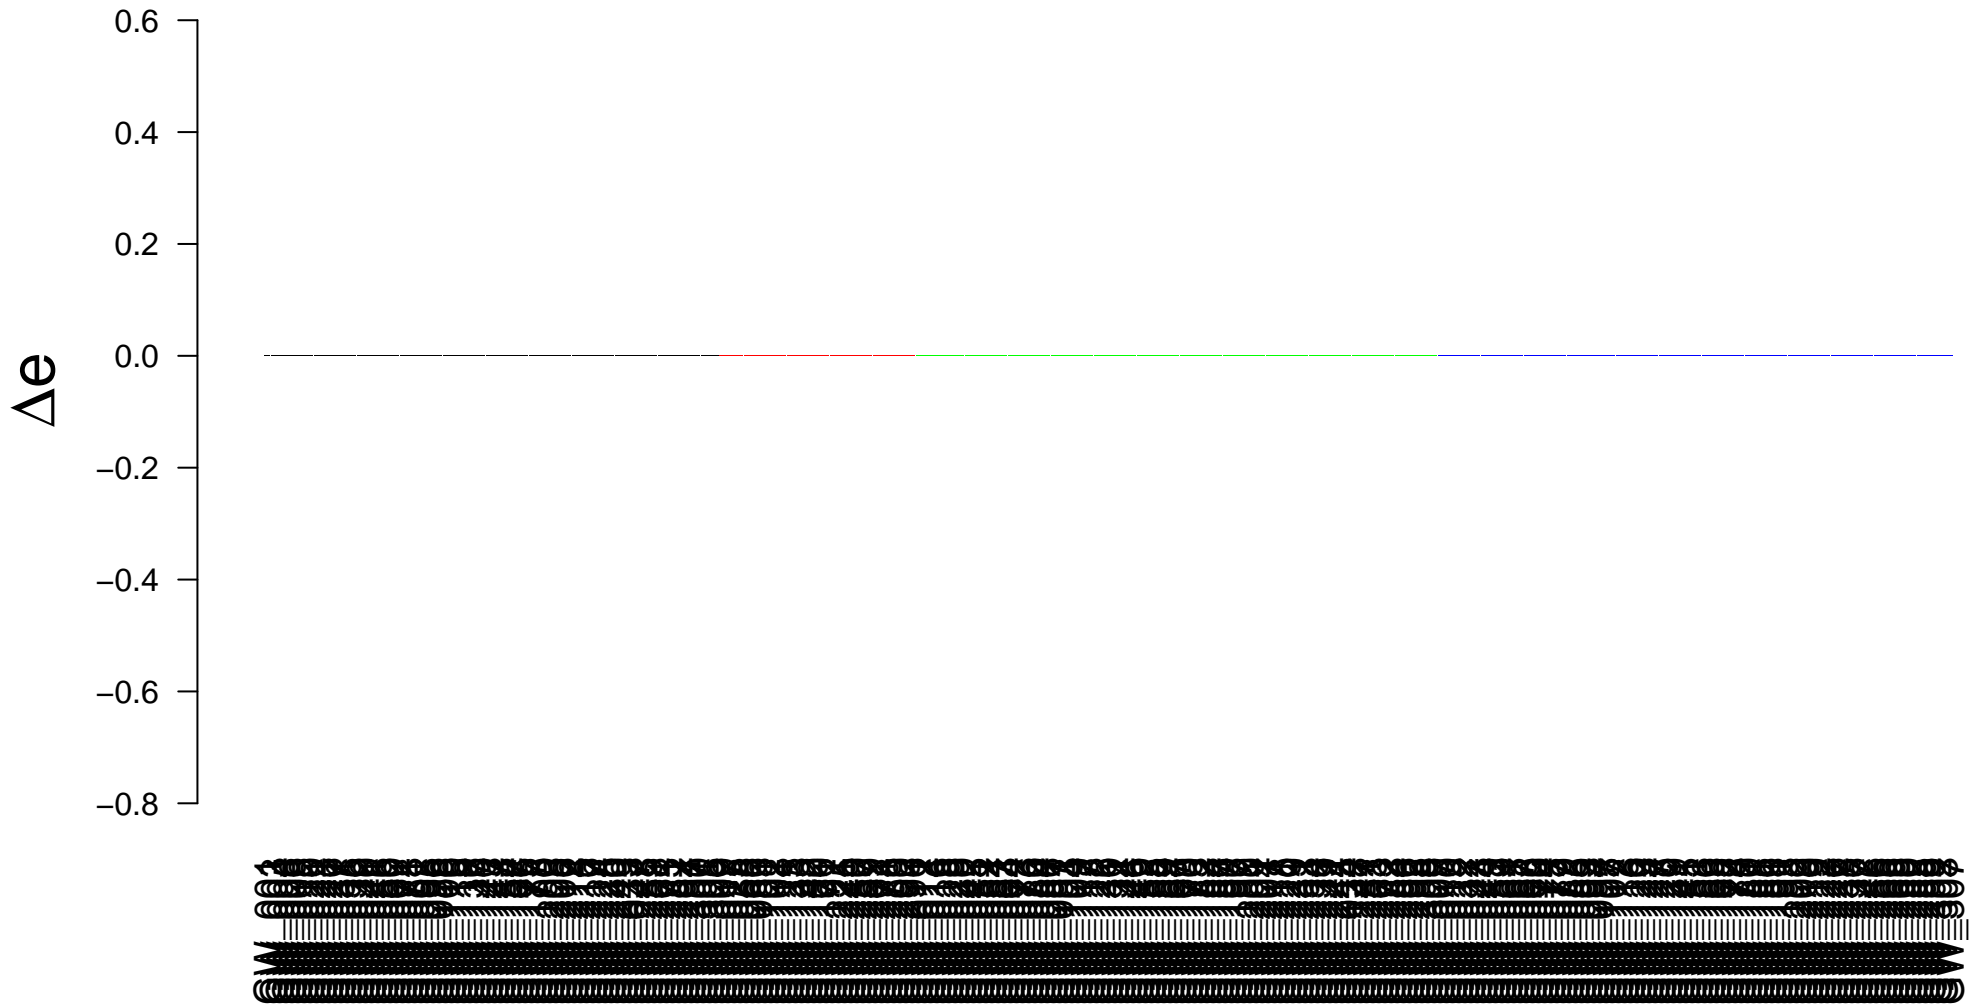

MYC_Signal transduction UP

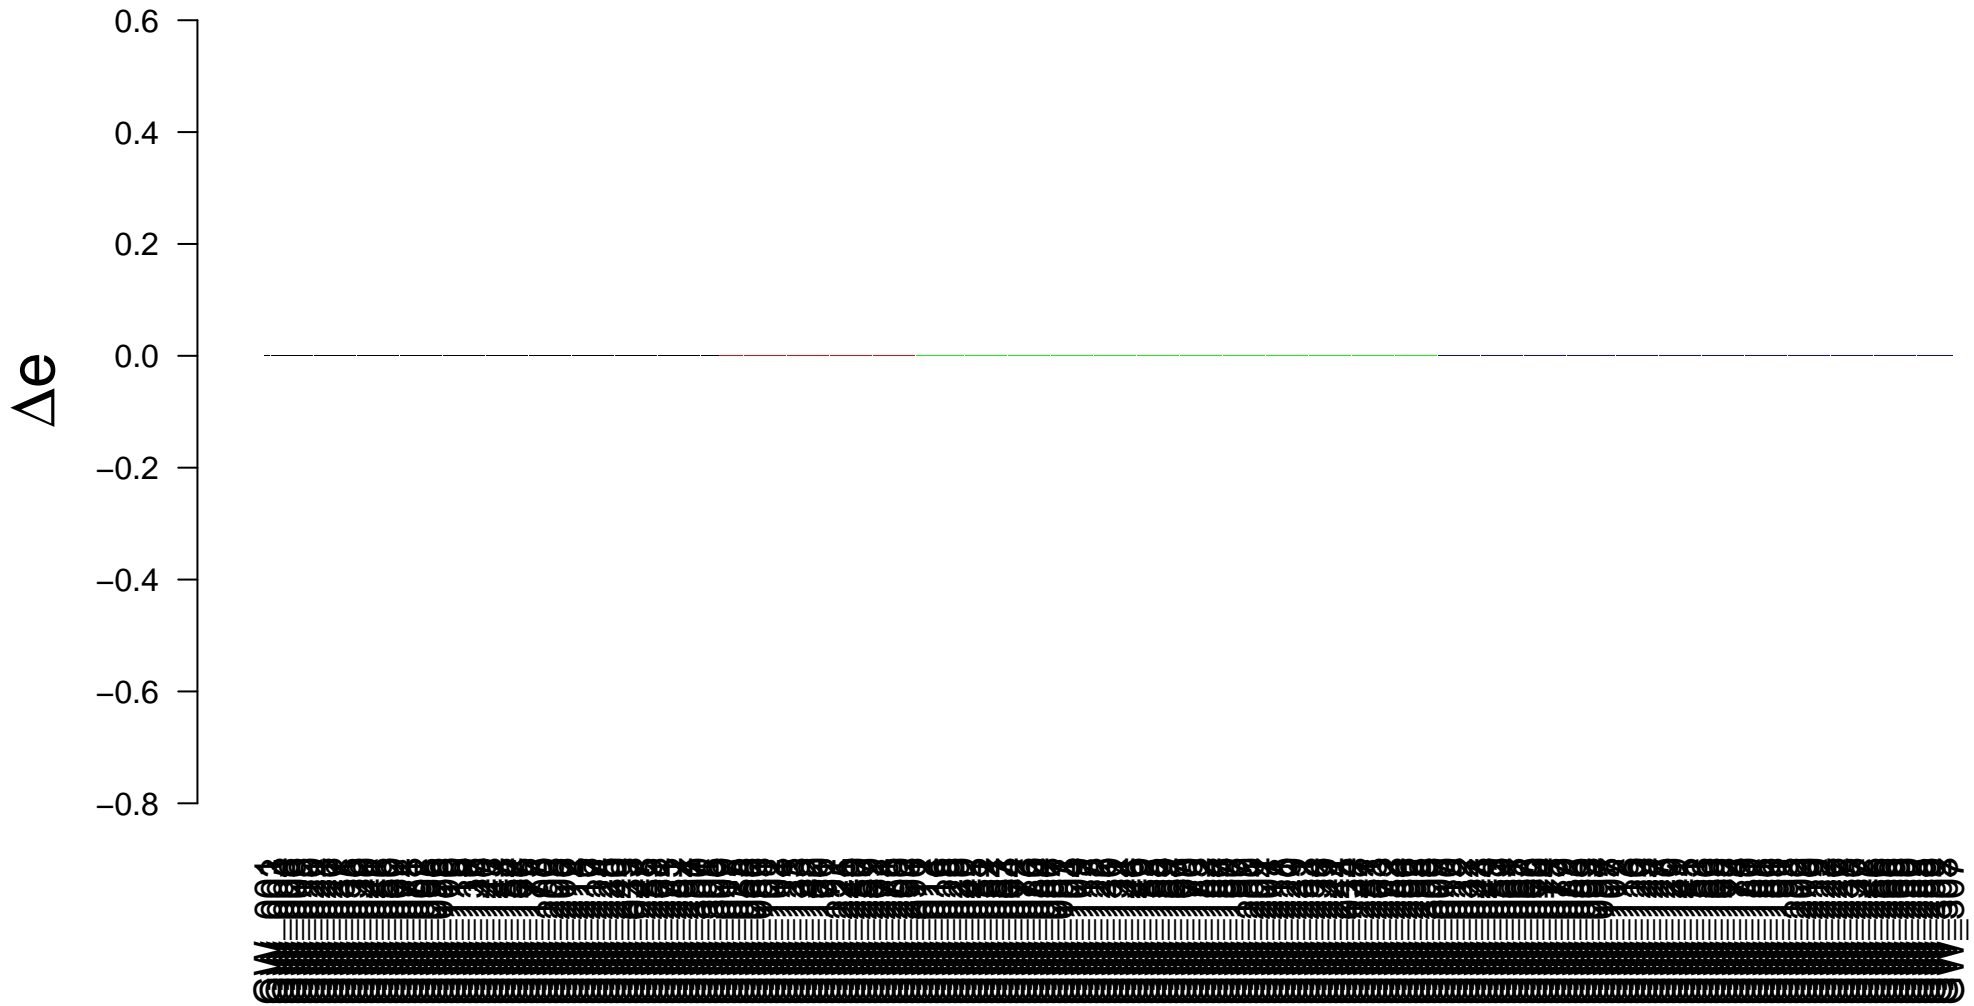

Enrichment in spots: MYC_Signal transduction UP

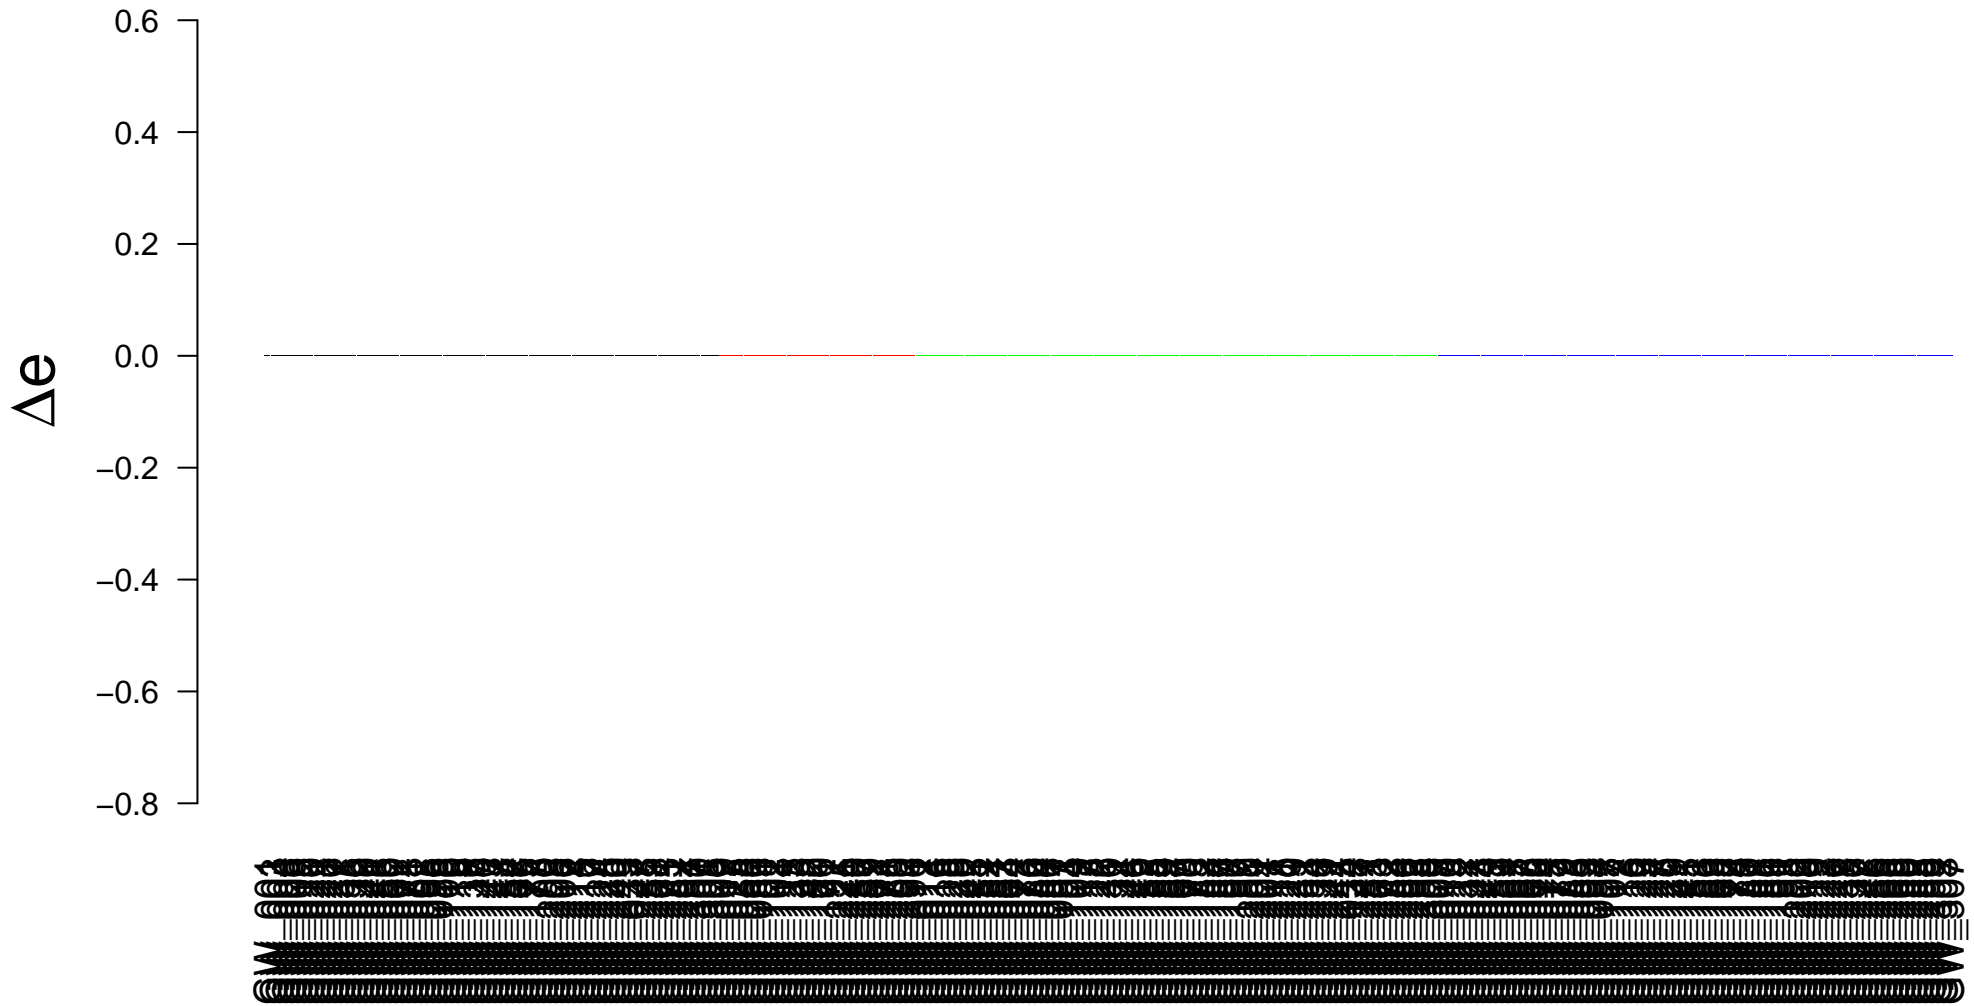

Expression of MYC_Signal transduction UP in Spot A

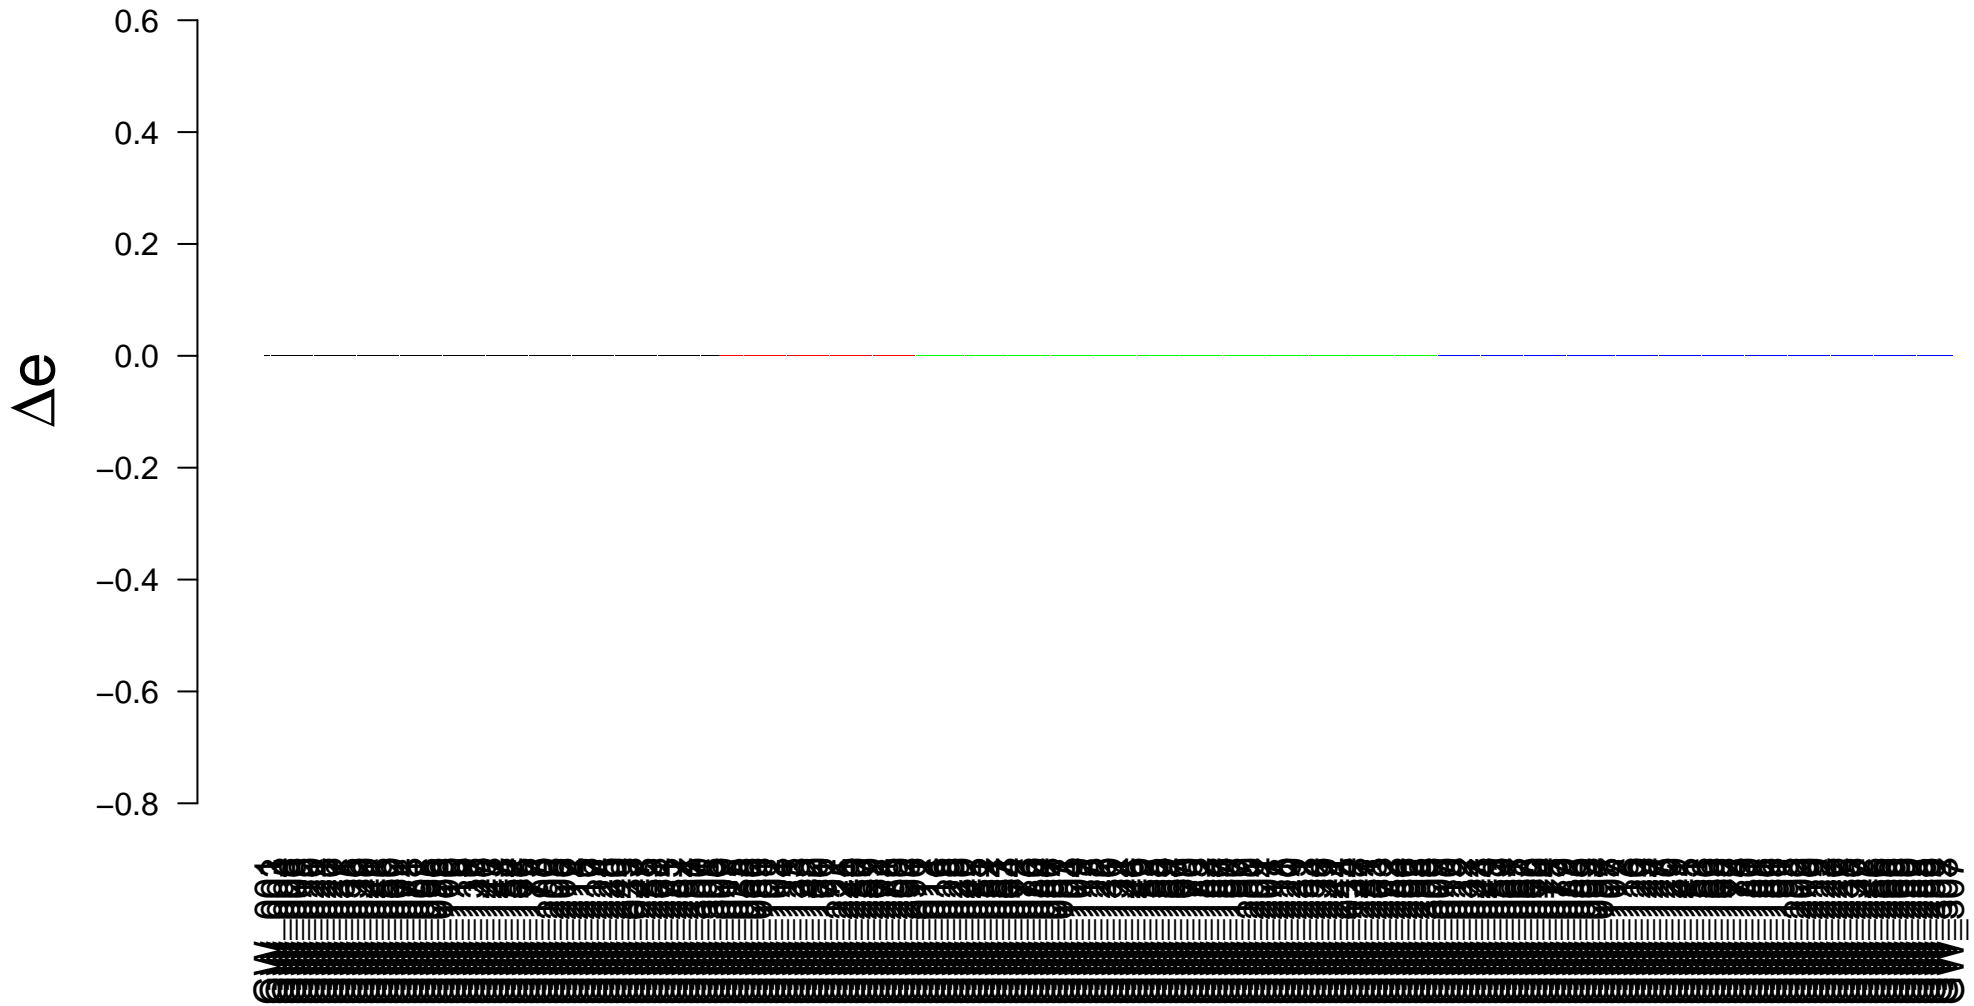

Expression of MYC_Signal transduction UP in Spot B

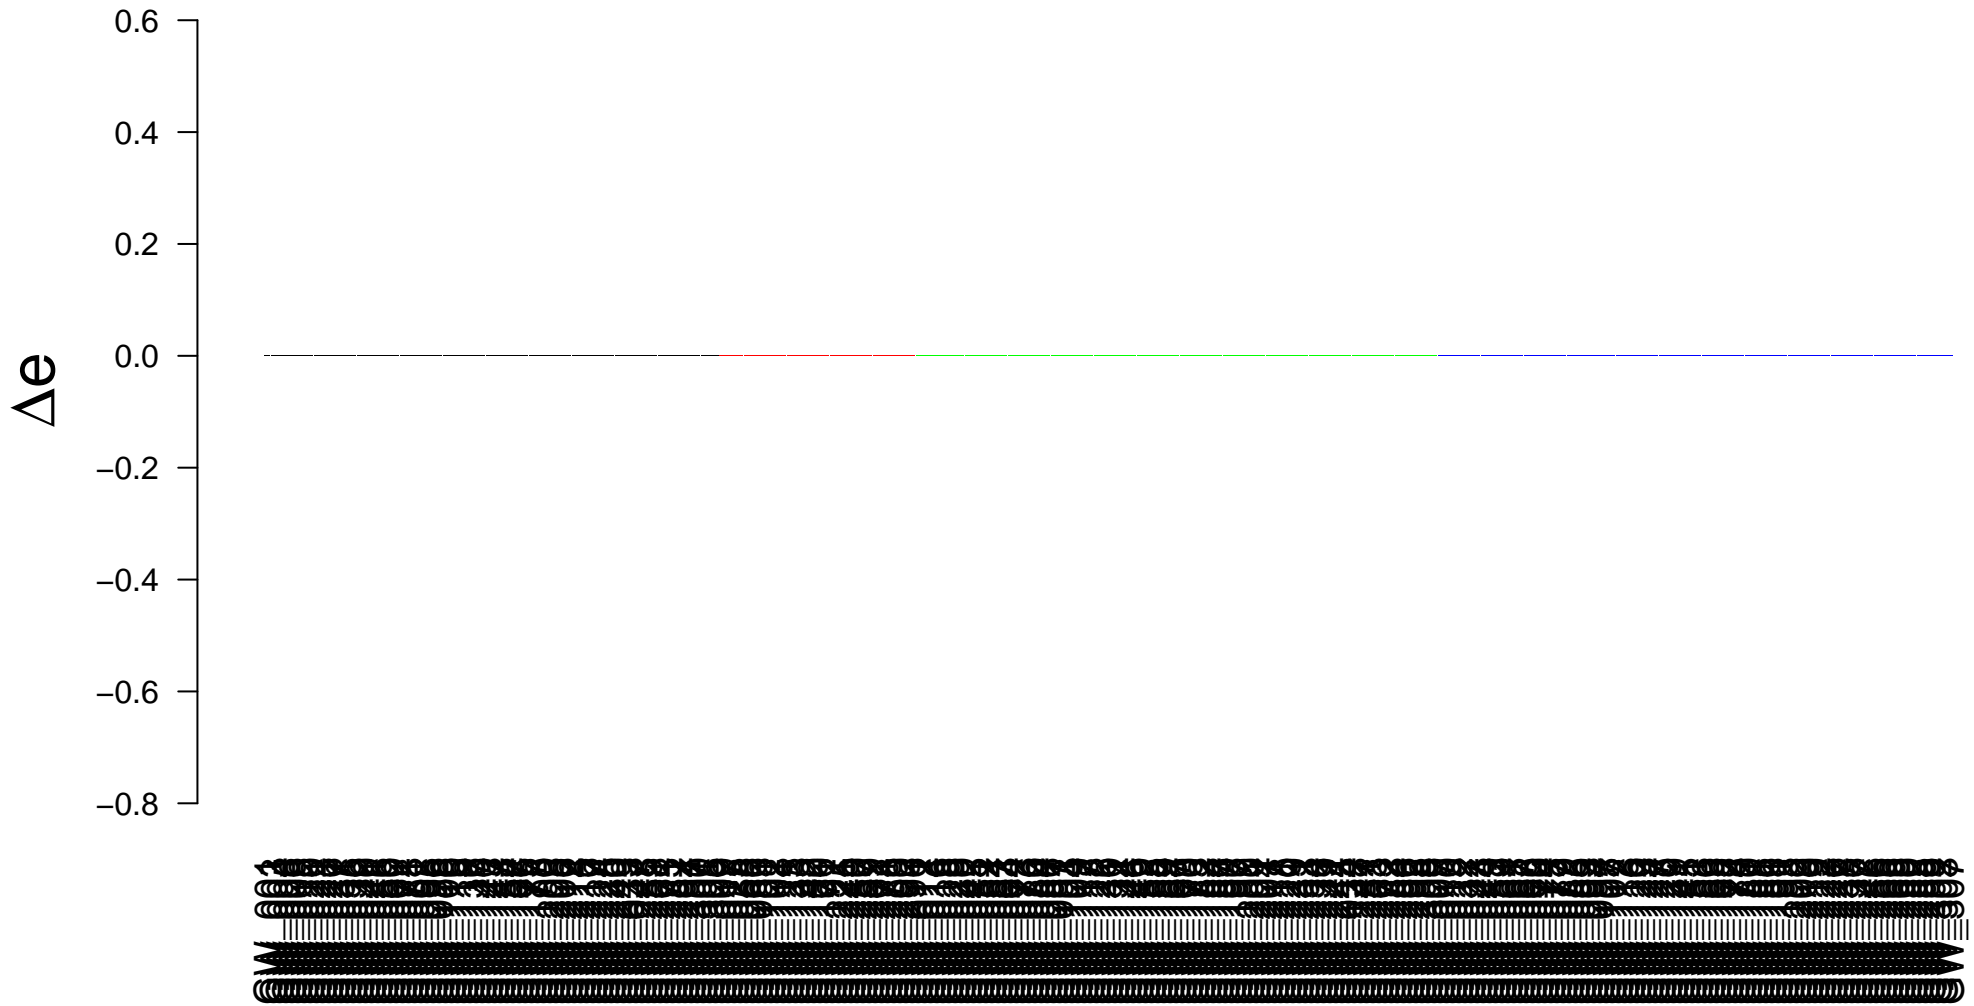

Expression of MYC_Signal transduction UP in Spot C

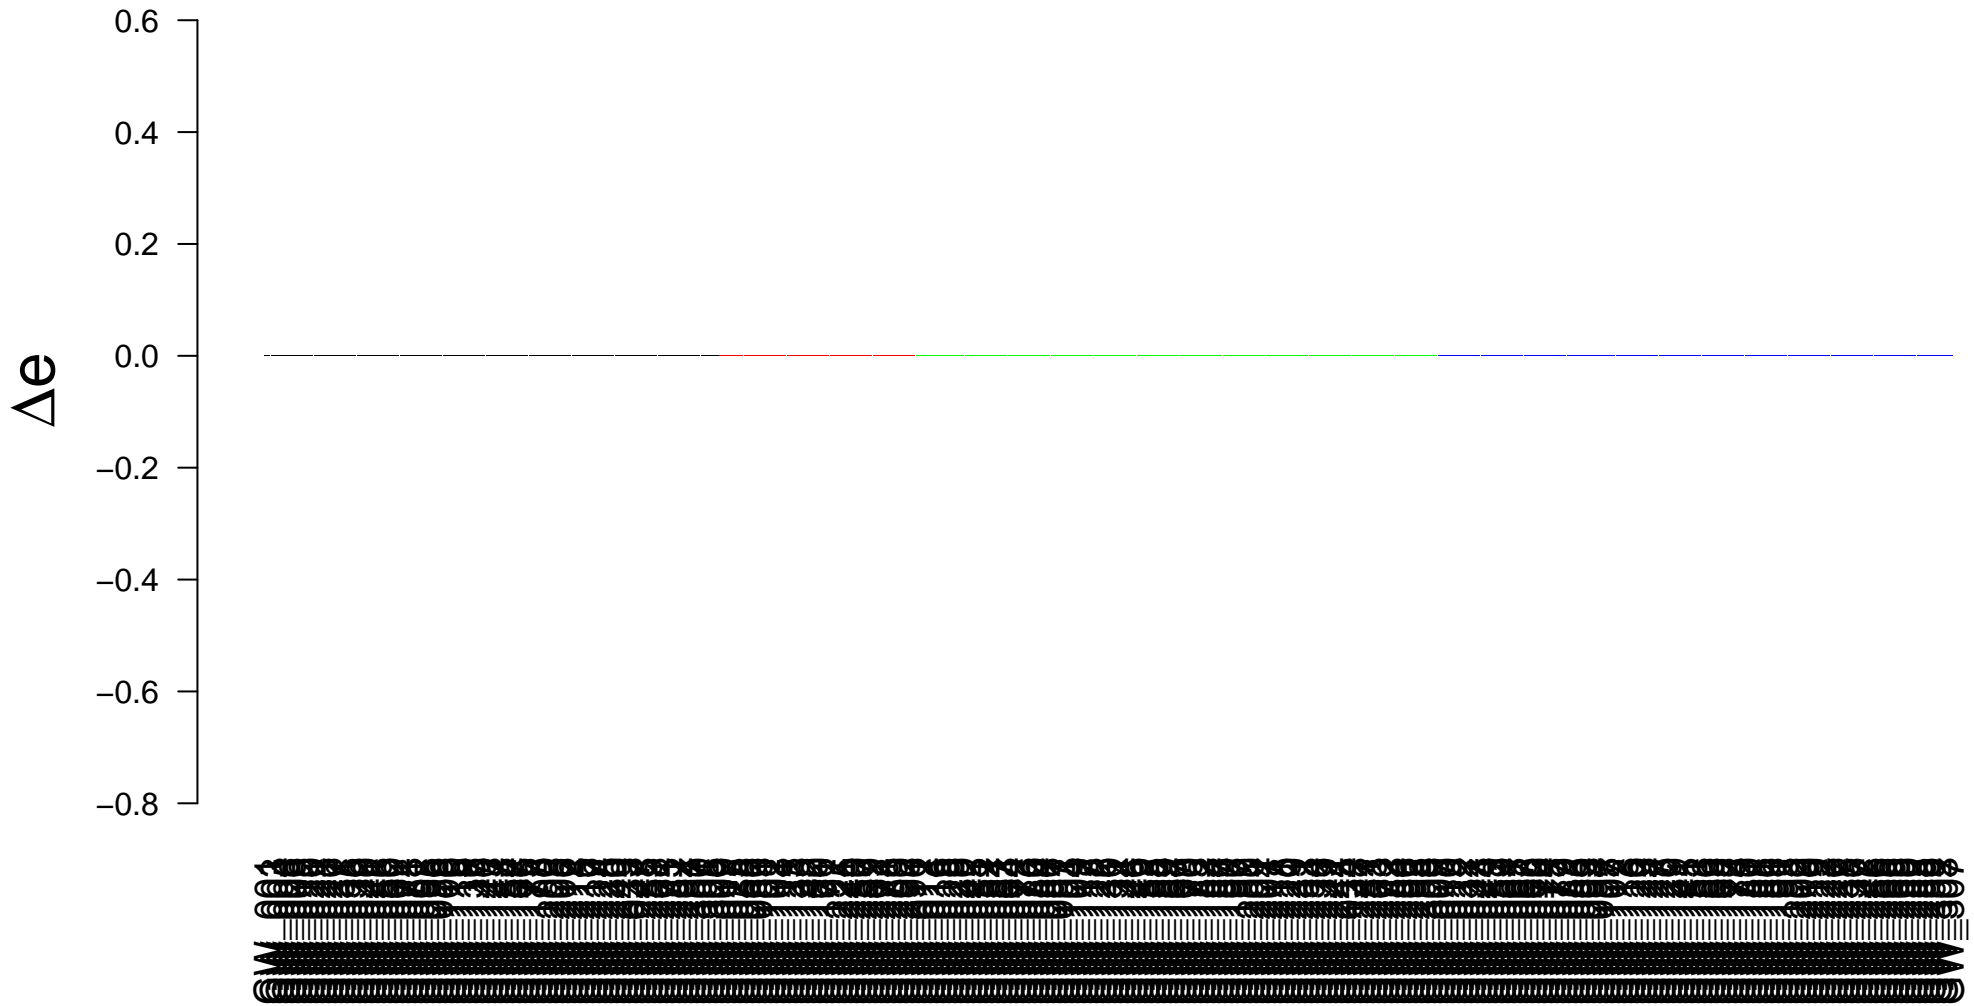

Expression of MYC_Signal transduction UP in Spot D

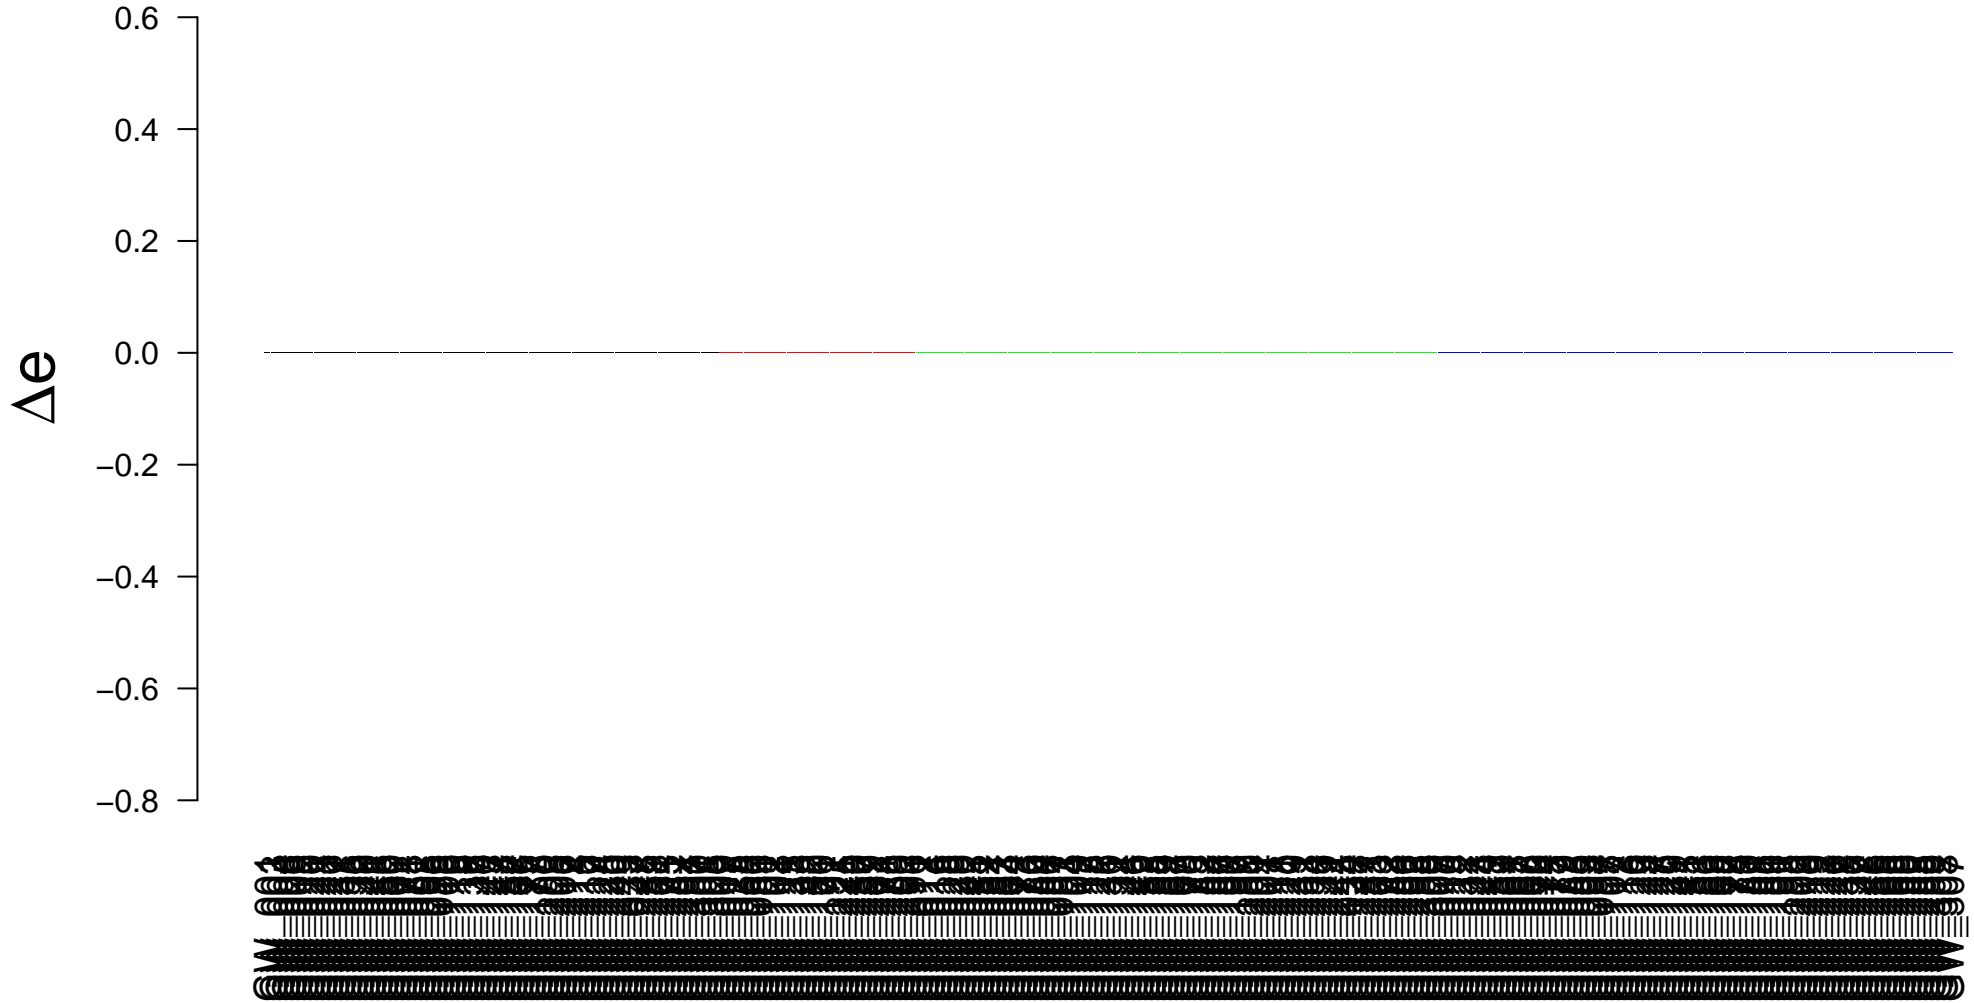

Expression of MYC_Signal transduction UP in Spot E

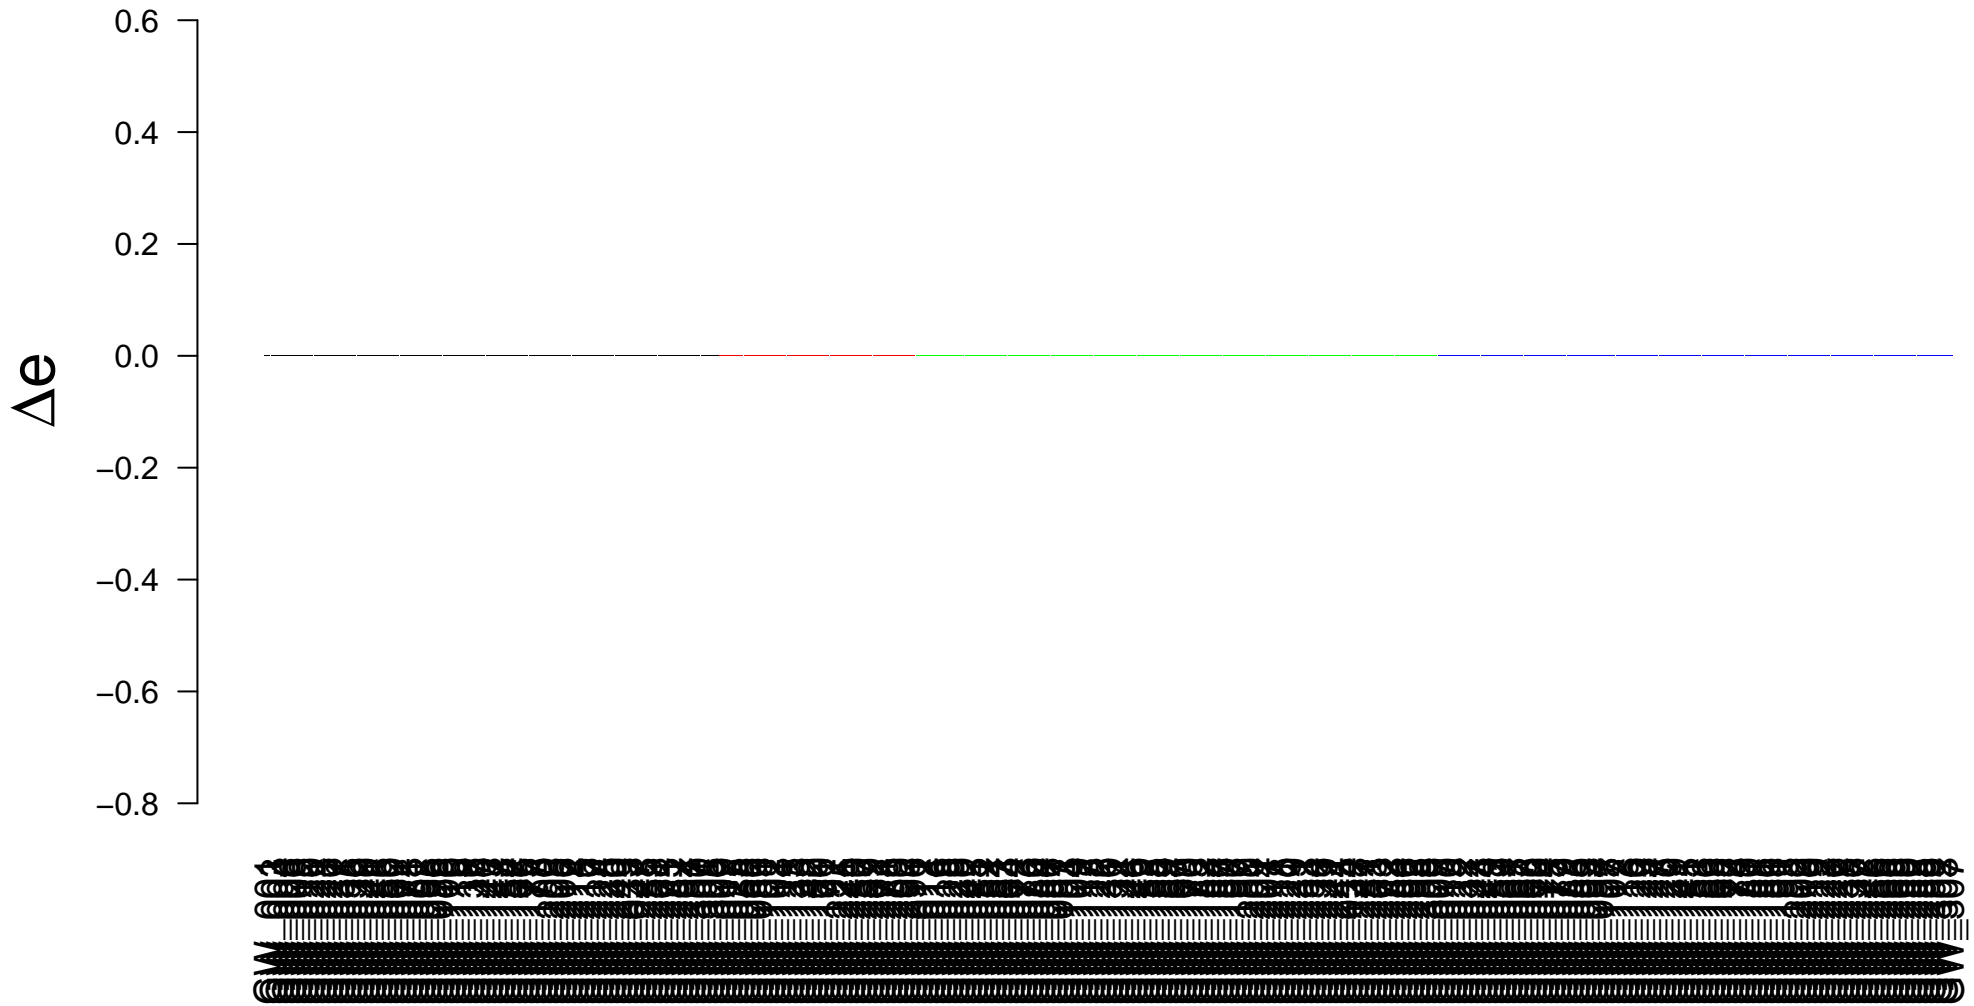

Expression of MYC_Signal transduction UP in Spot F

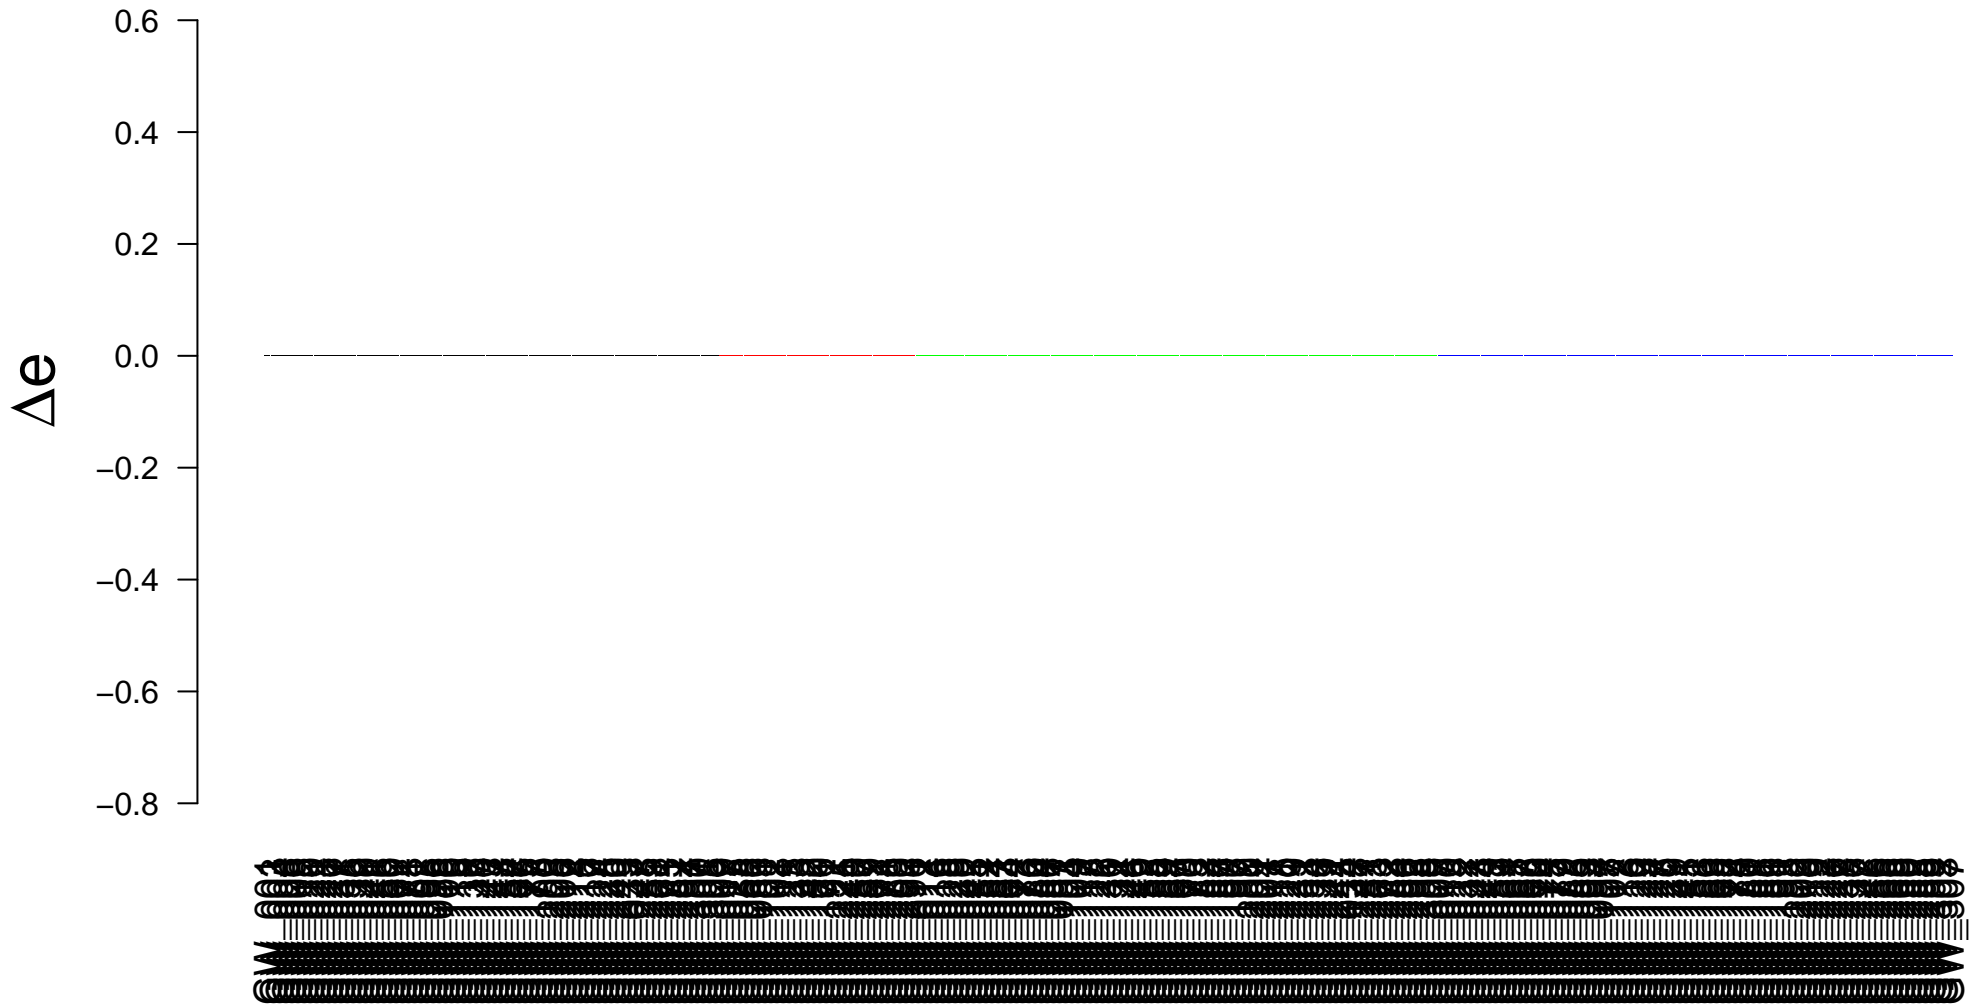

Expression of MYC_Signal transduction UP in Spot G

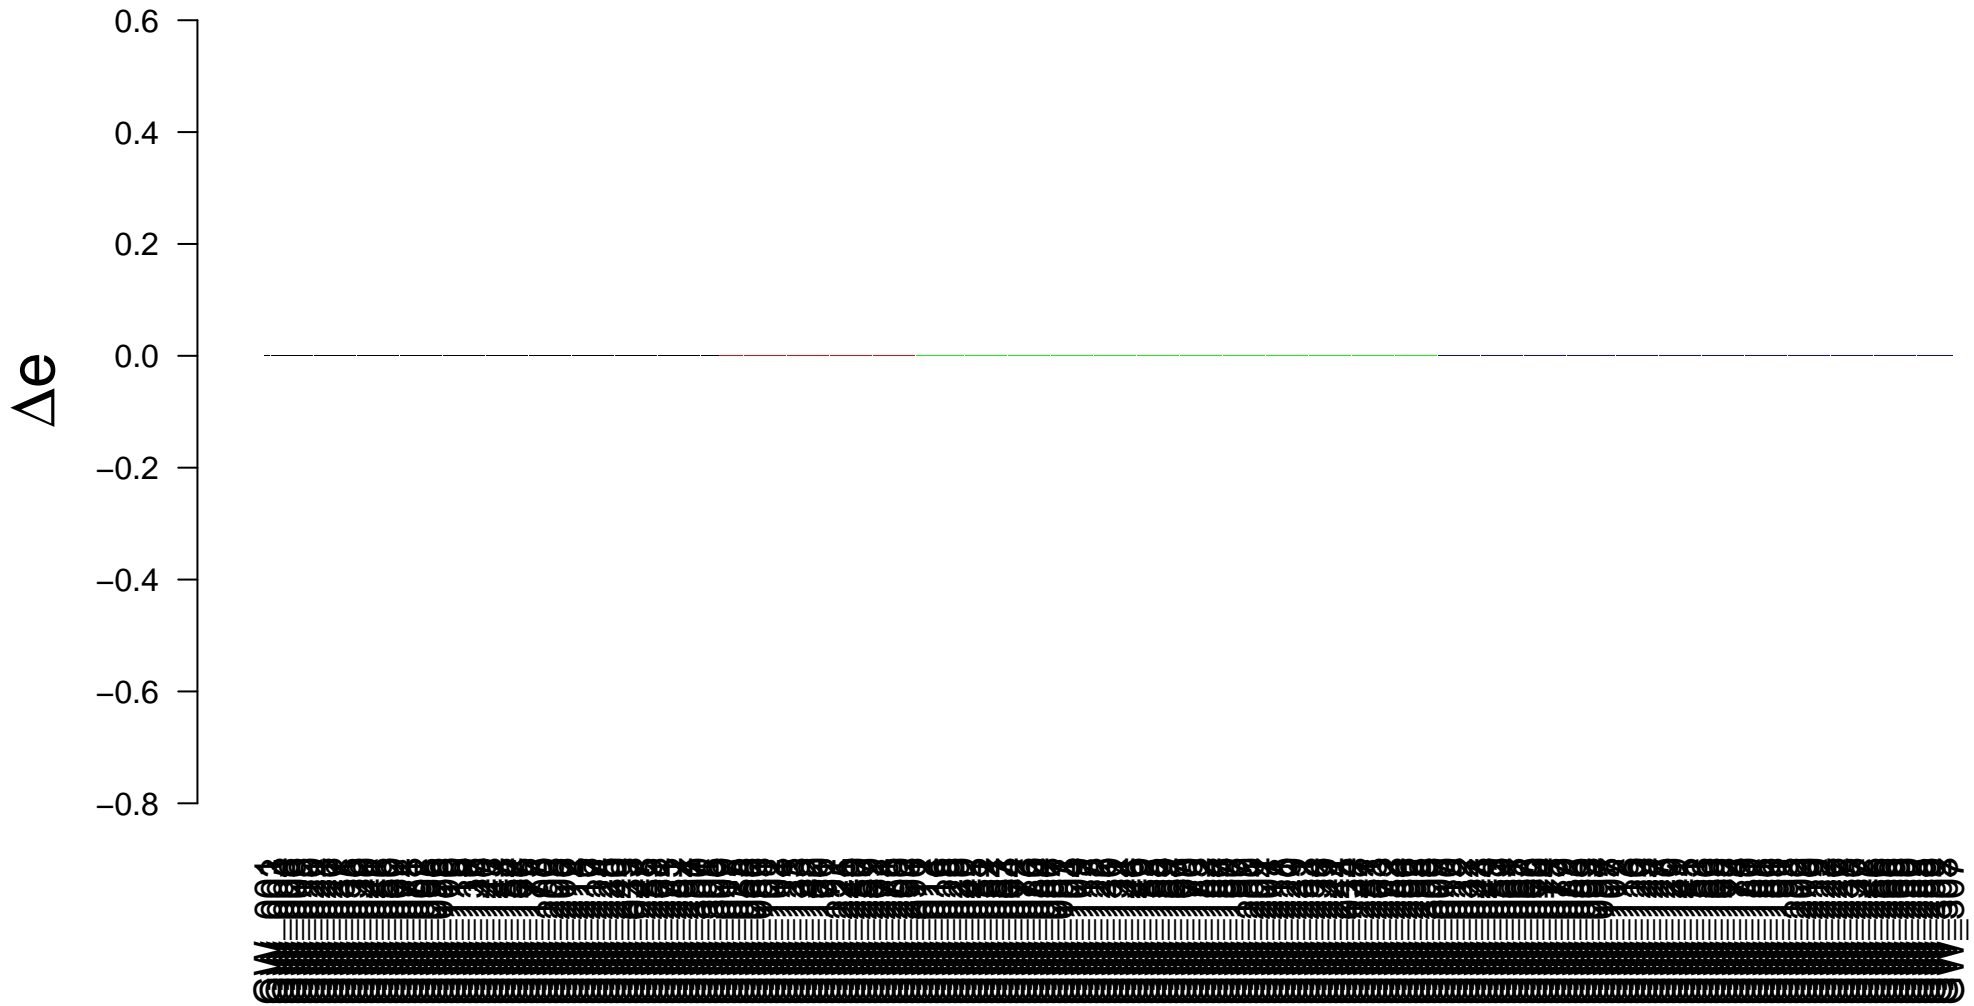

Expression of MYC_Signal transduction UP in Spot H

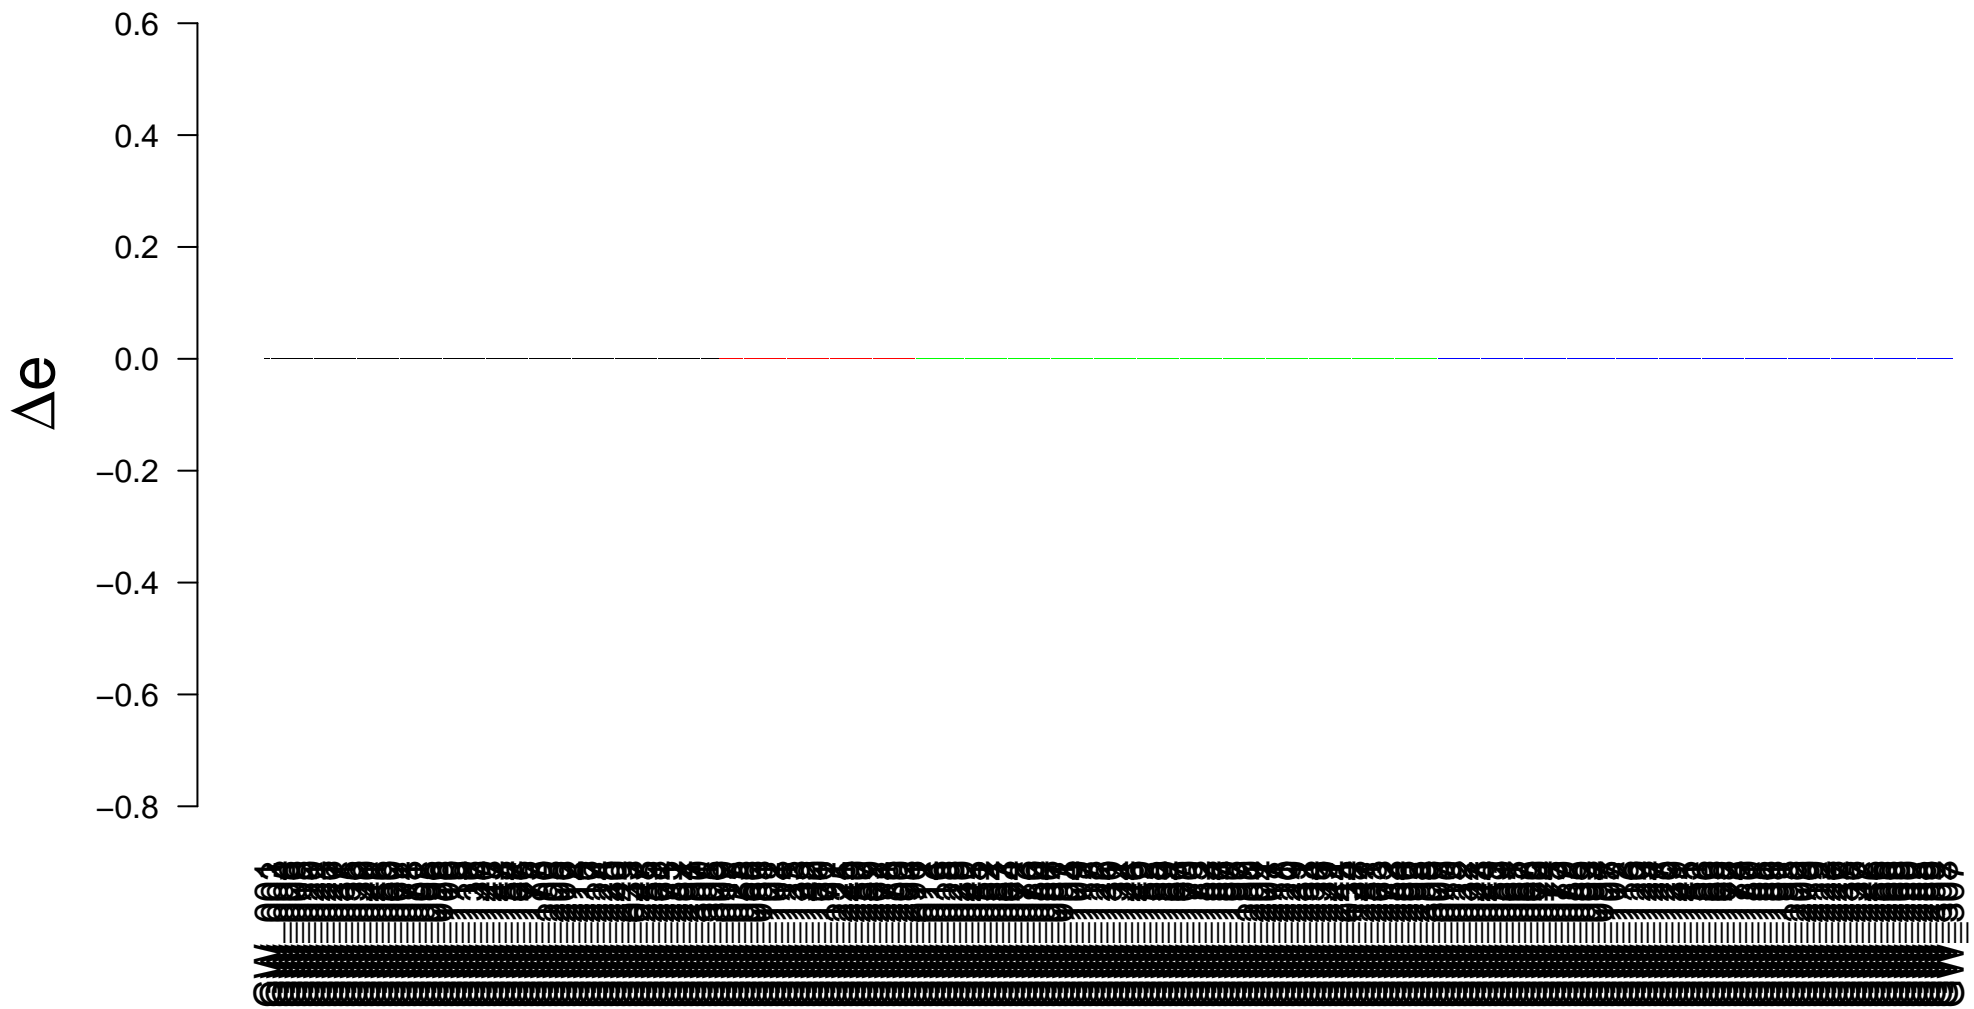

Expression of MYC_Signal transduction UP in Spot I

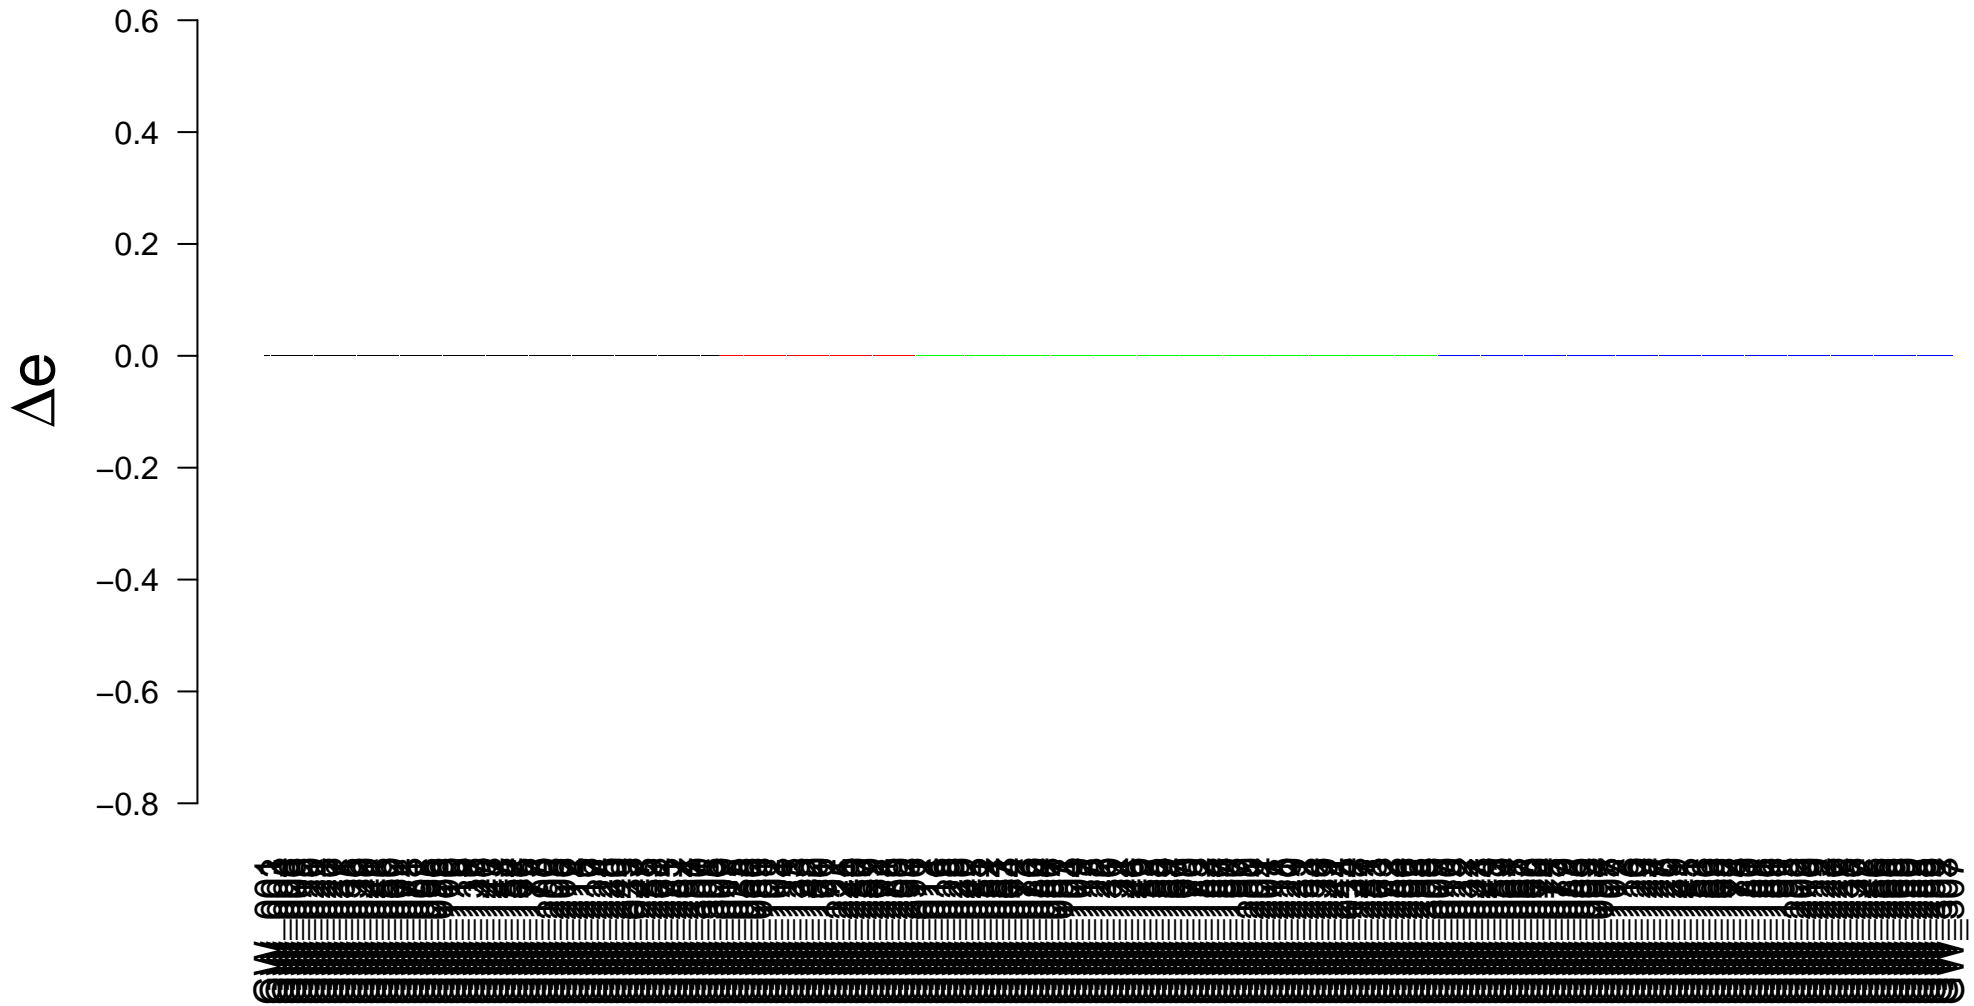

Expression of MYC_Signal transduction UP in Spot J

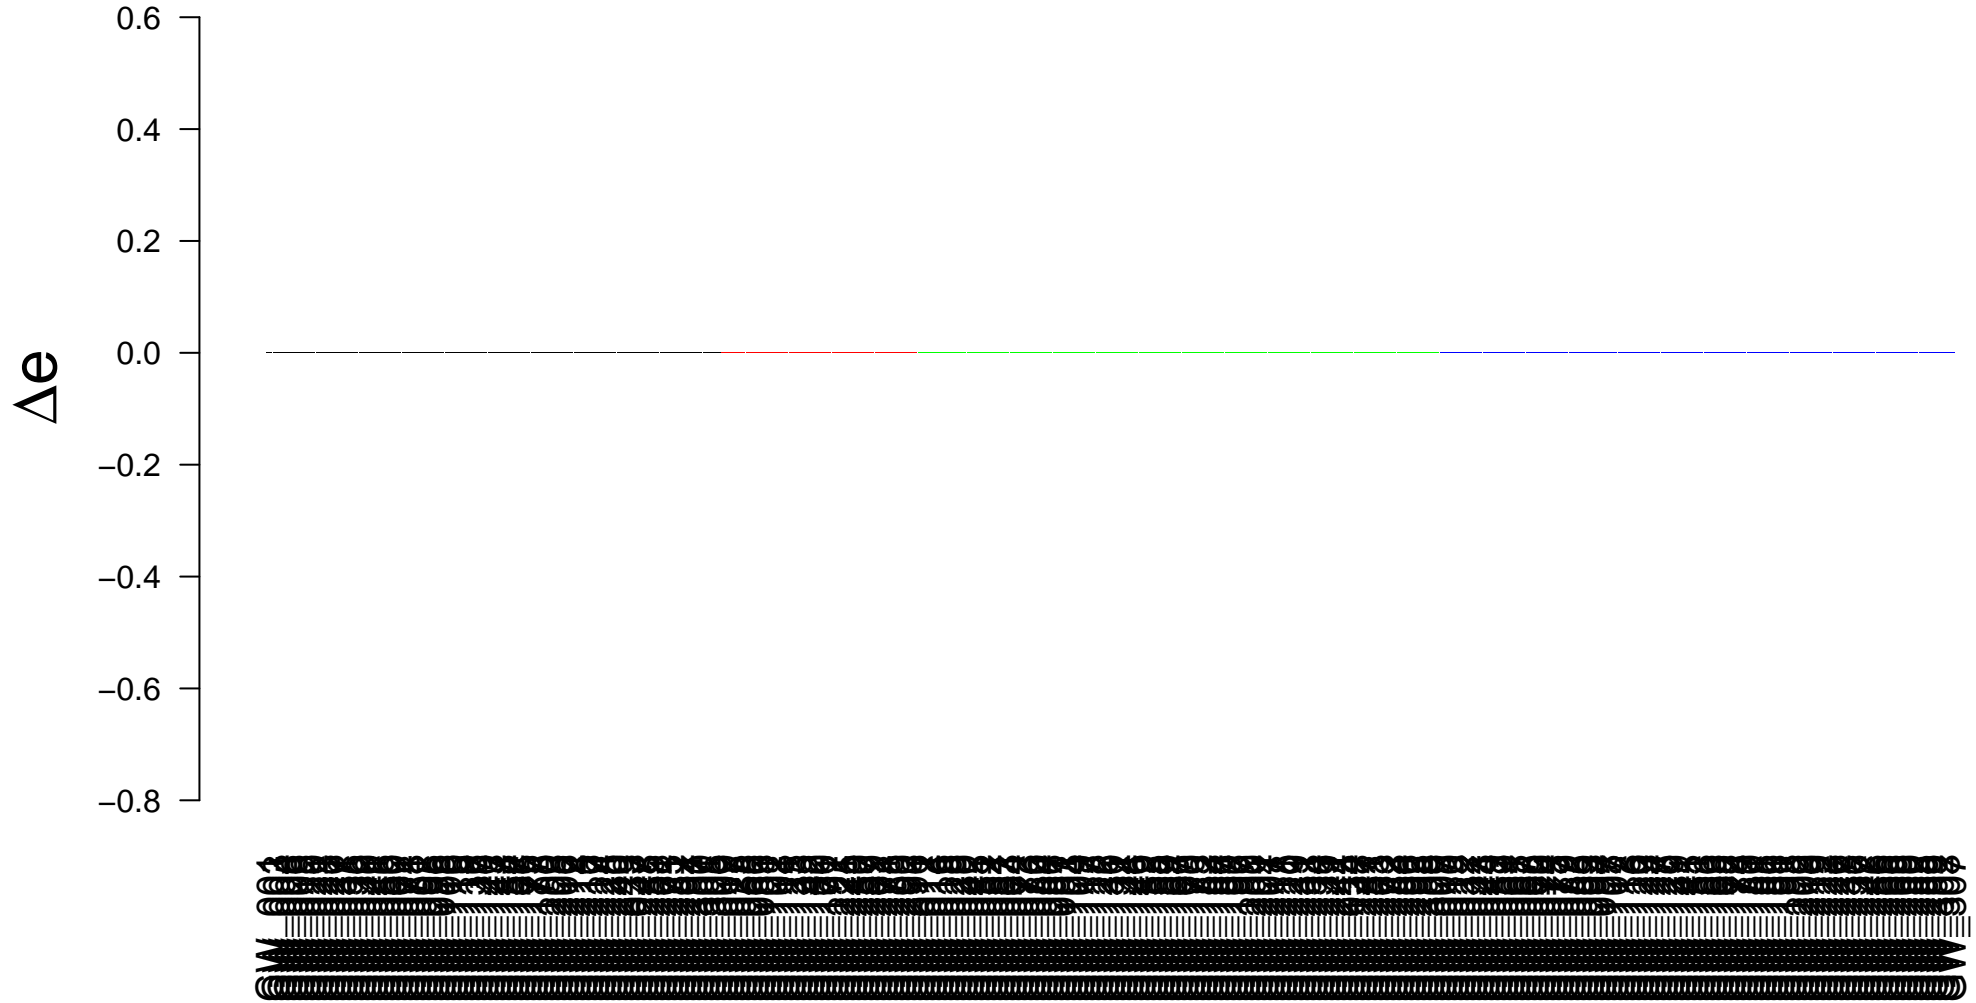

Expression of MYC_Signal transduction UP in Spot K

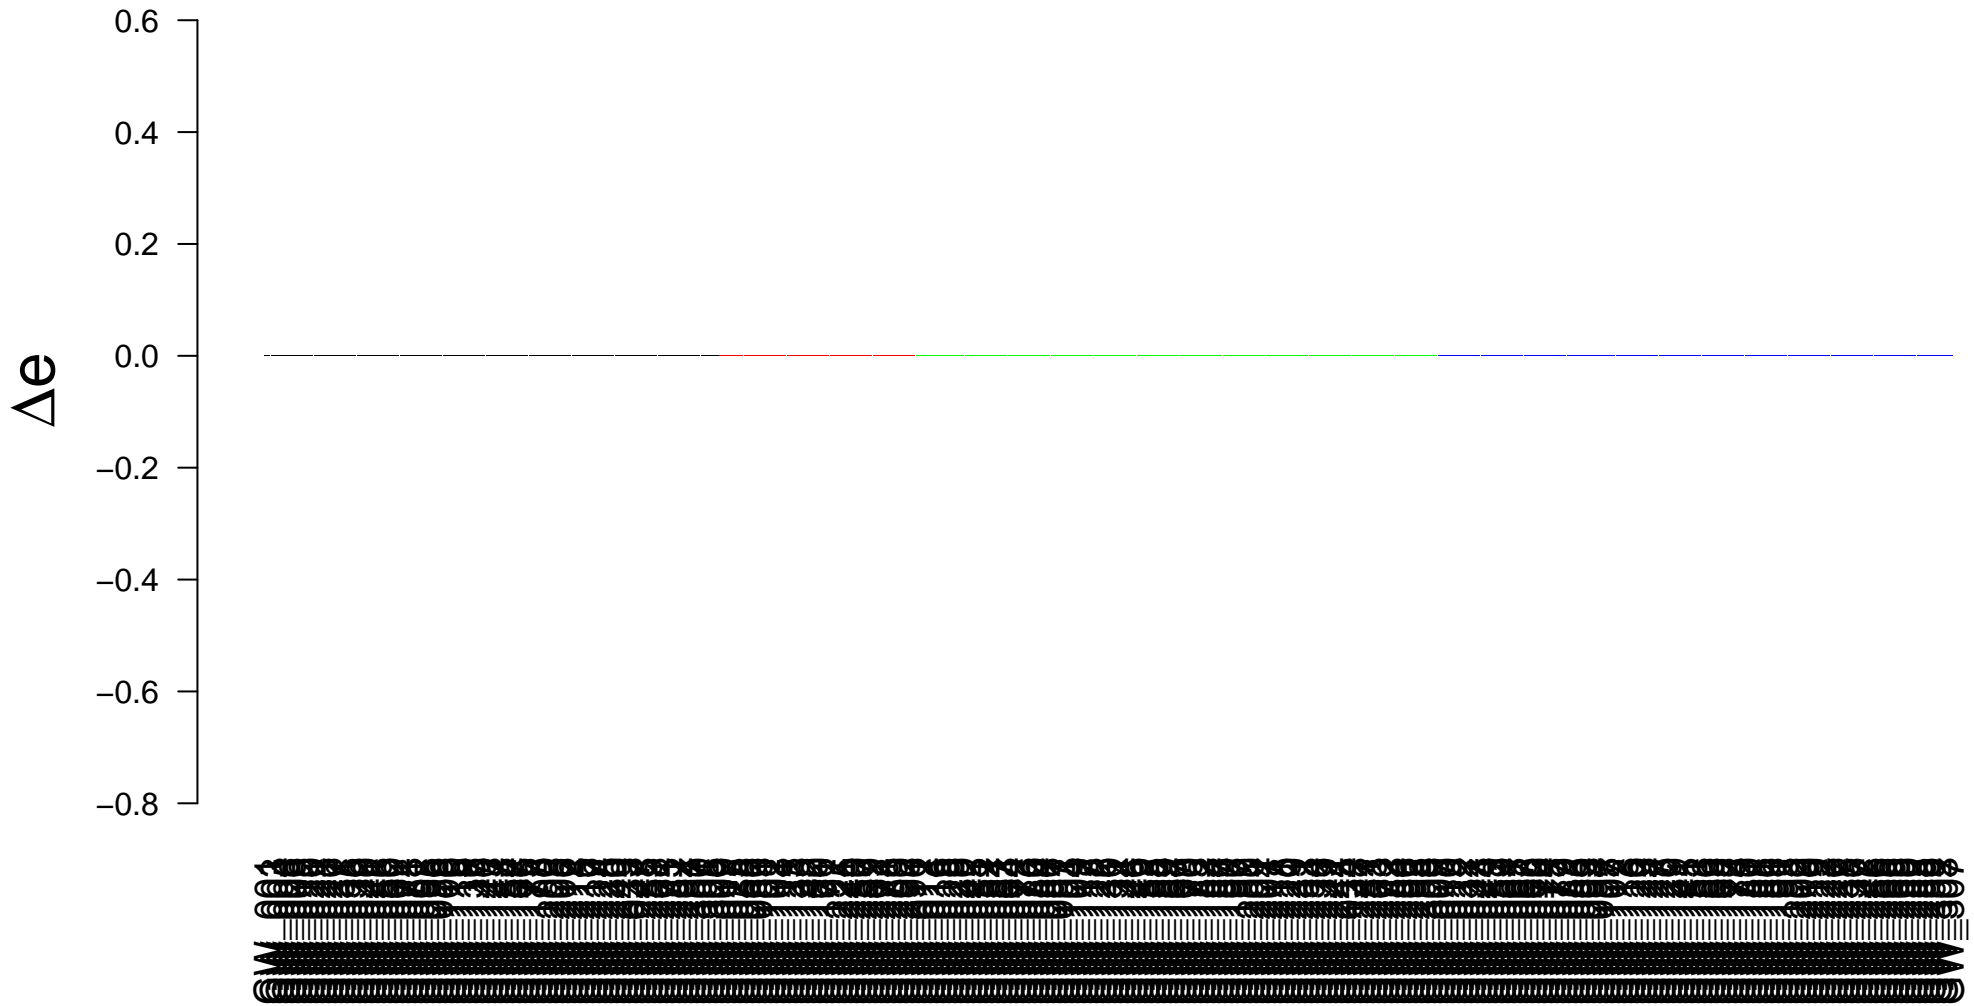

Expression of MYC_Signal transduction UP in Spot L

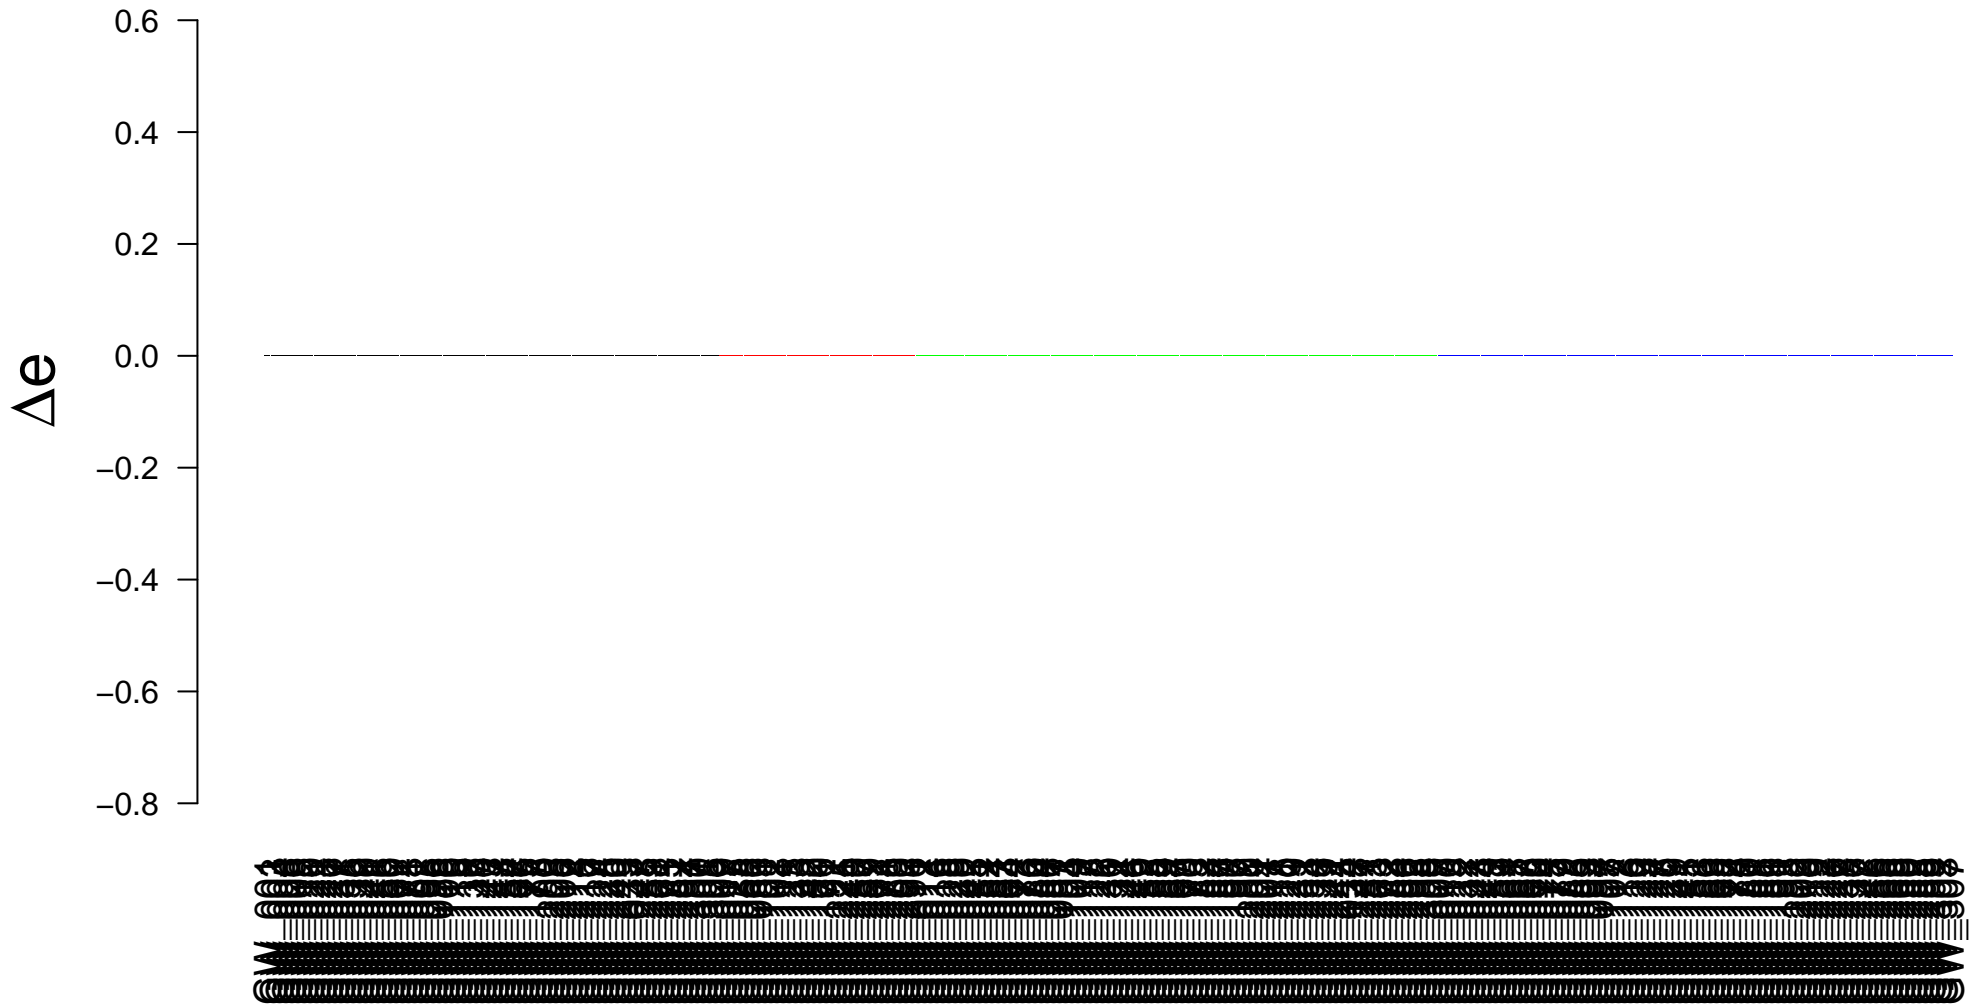

Expression of MYC_Signal transduction UP in Spot M

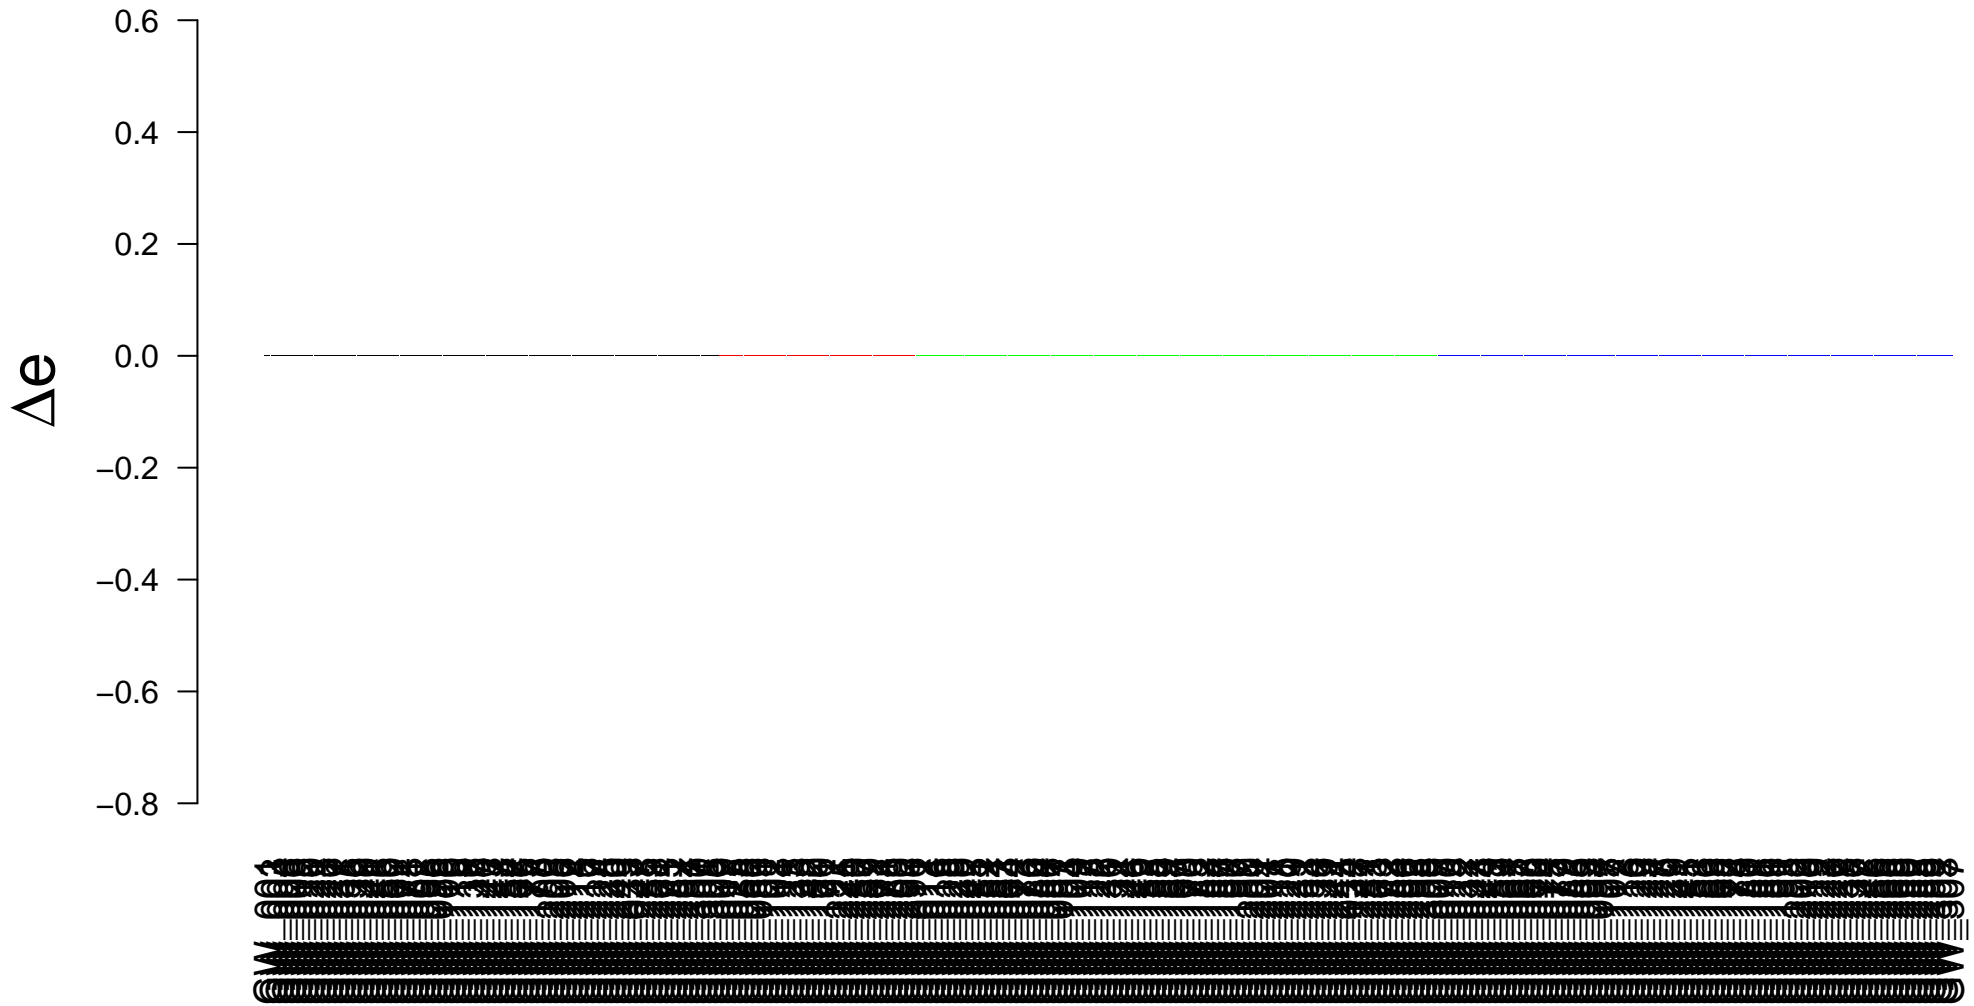

Expression of MYC_Signal transduction UP in Spot N

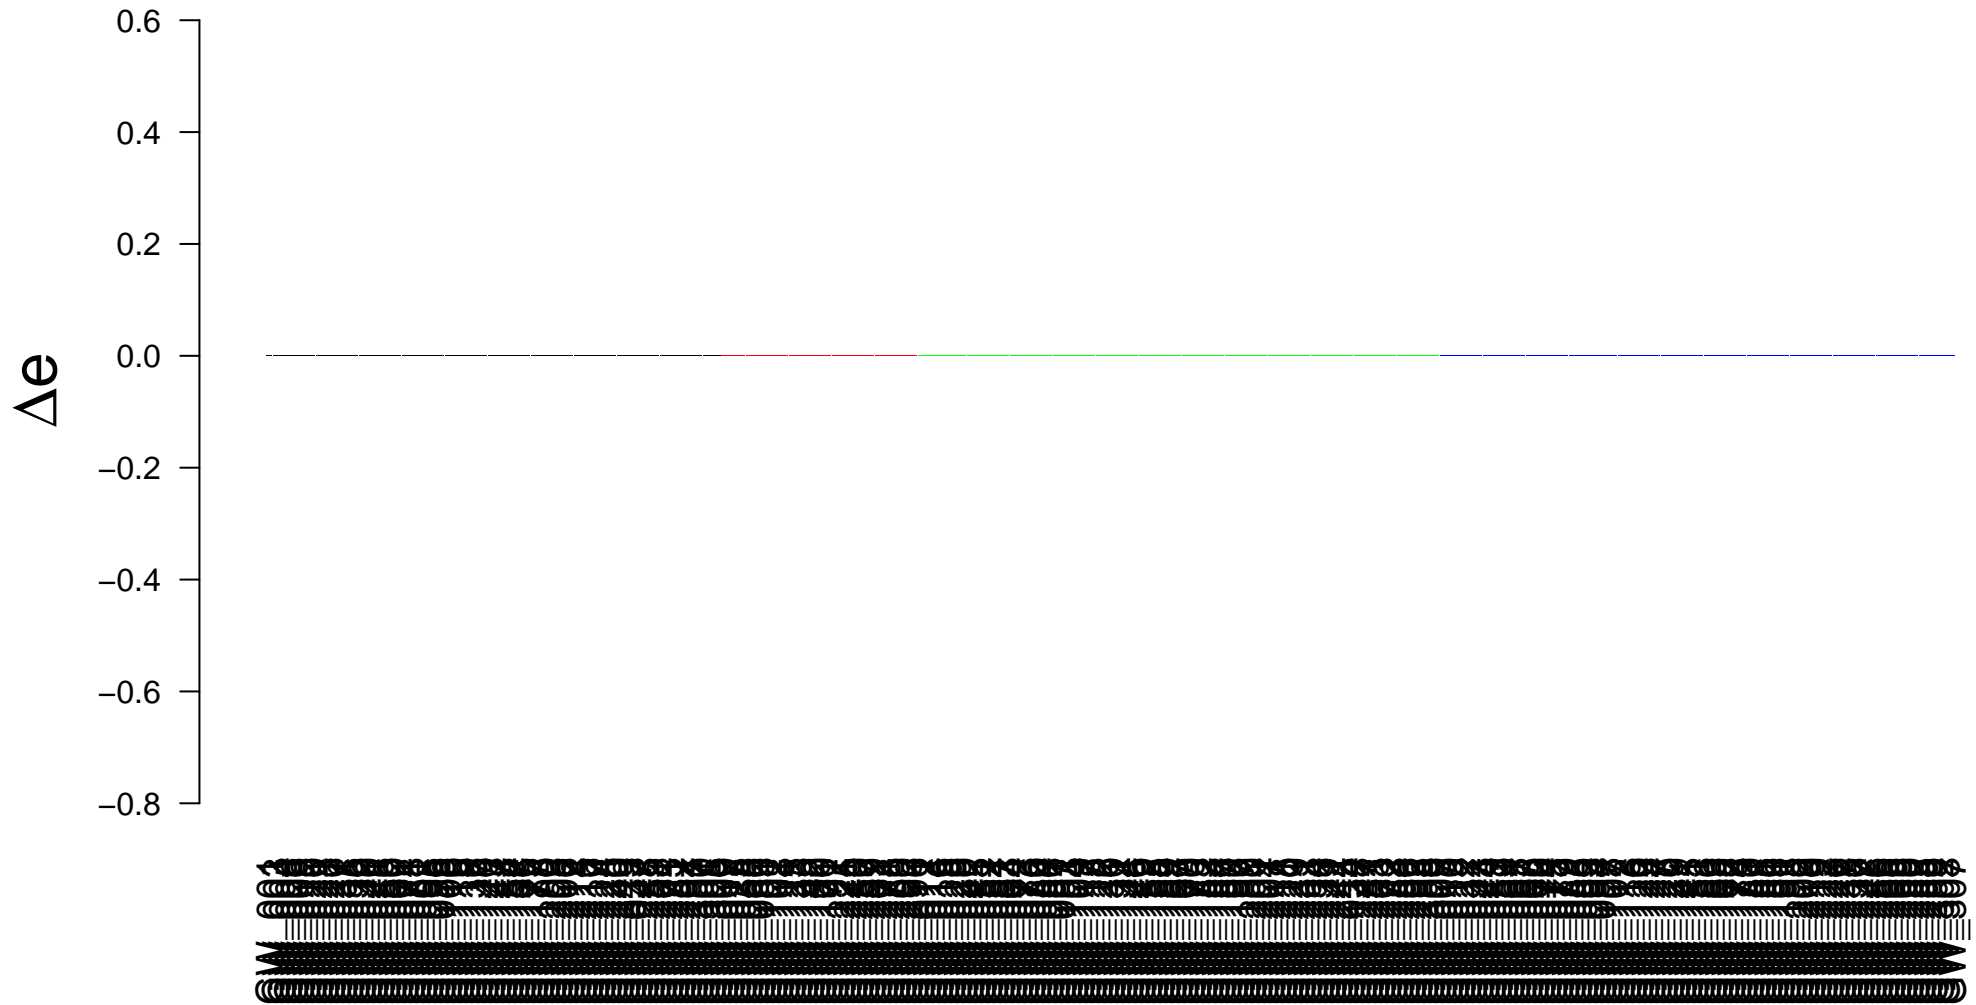

Expression of MYC_Signal transduction UP in Spot O

Expression of MYC_Signal transduction UP in Spot P

Expression of MYC_Signal transduction UP in Spot Q

Expression of MYC_Signal transduction UP in Spot R
