

Melanoma and neural system tumor syndrome

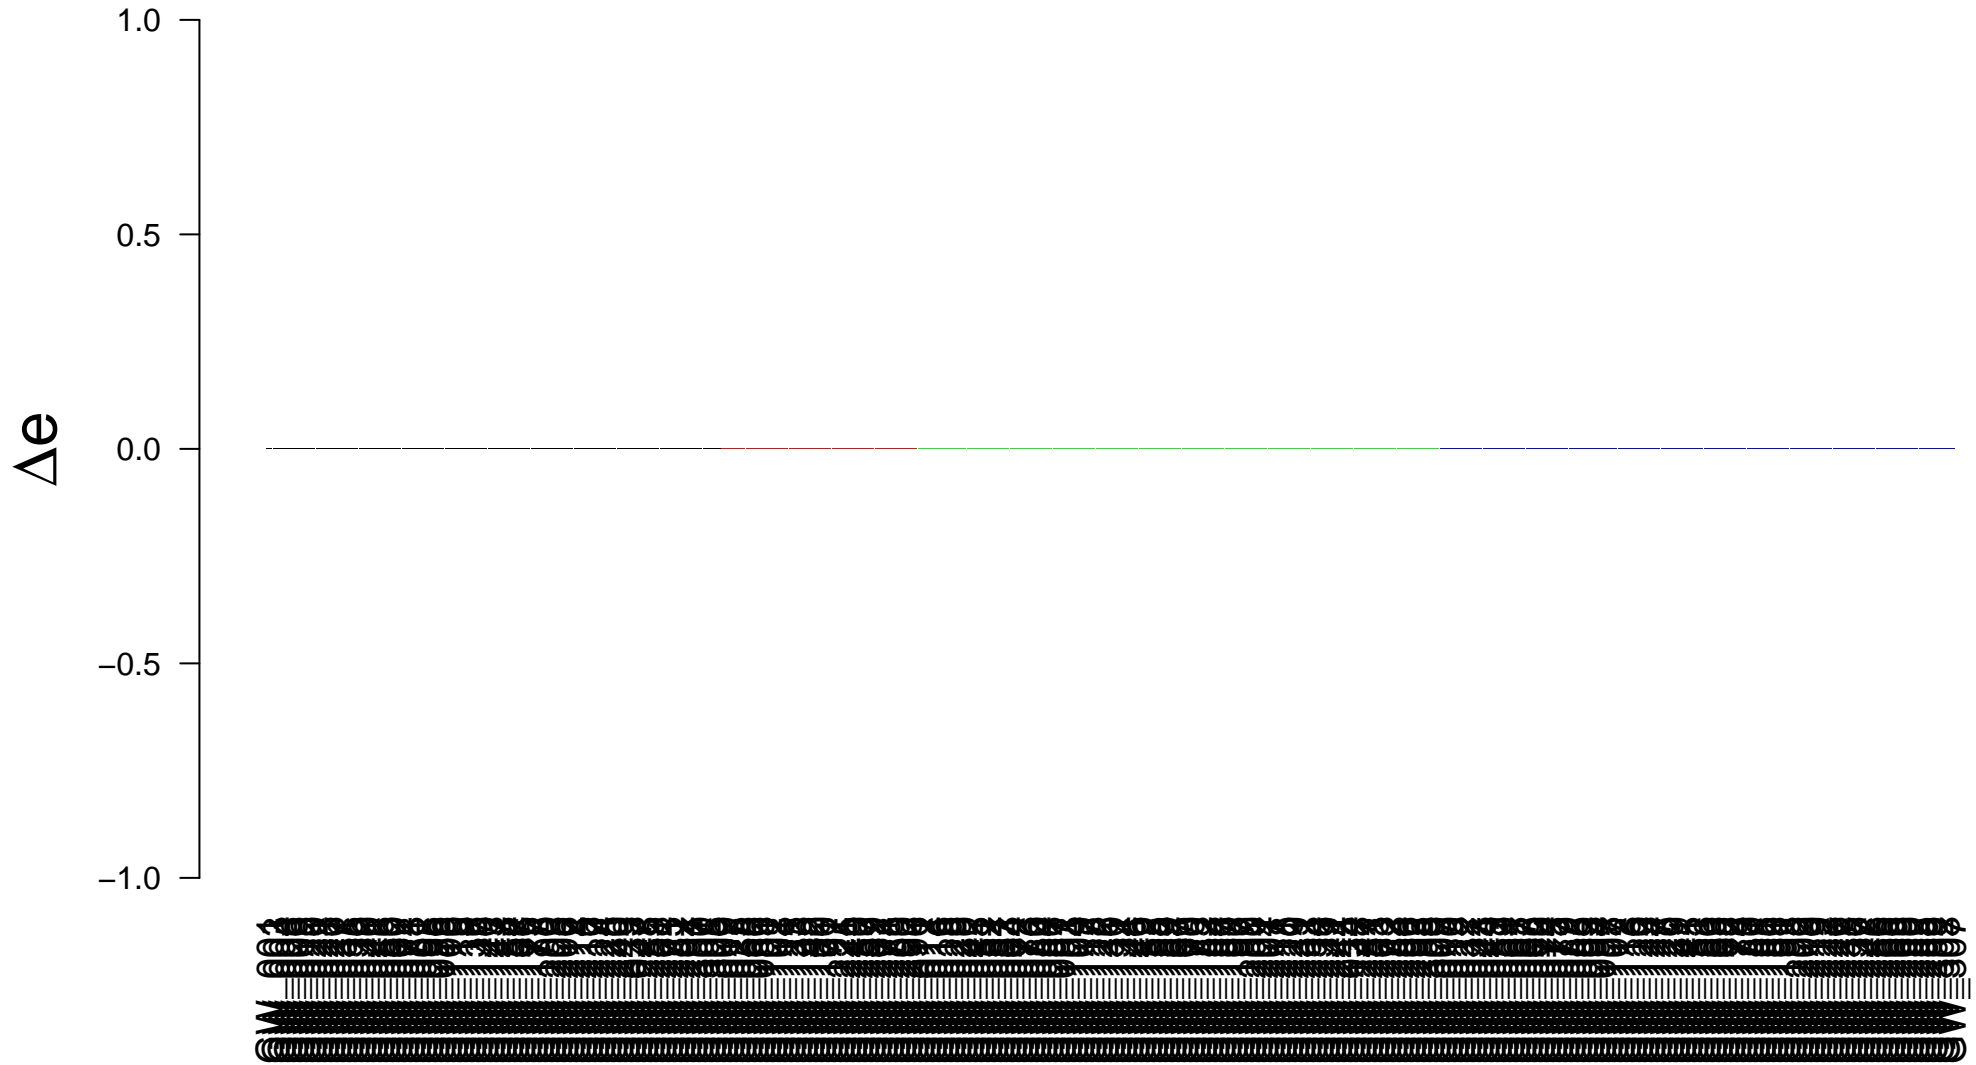

Melanoma and neural system tumor syndrome

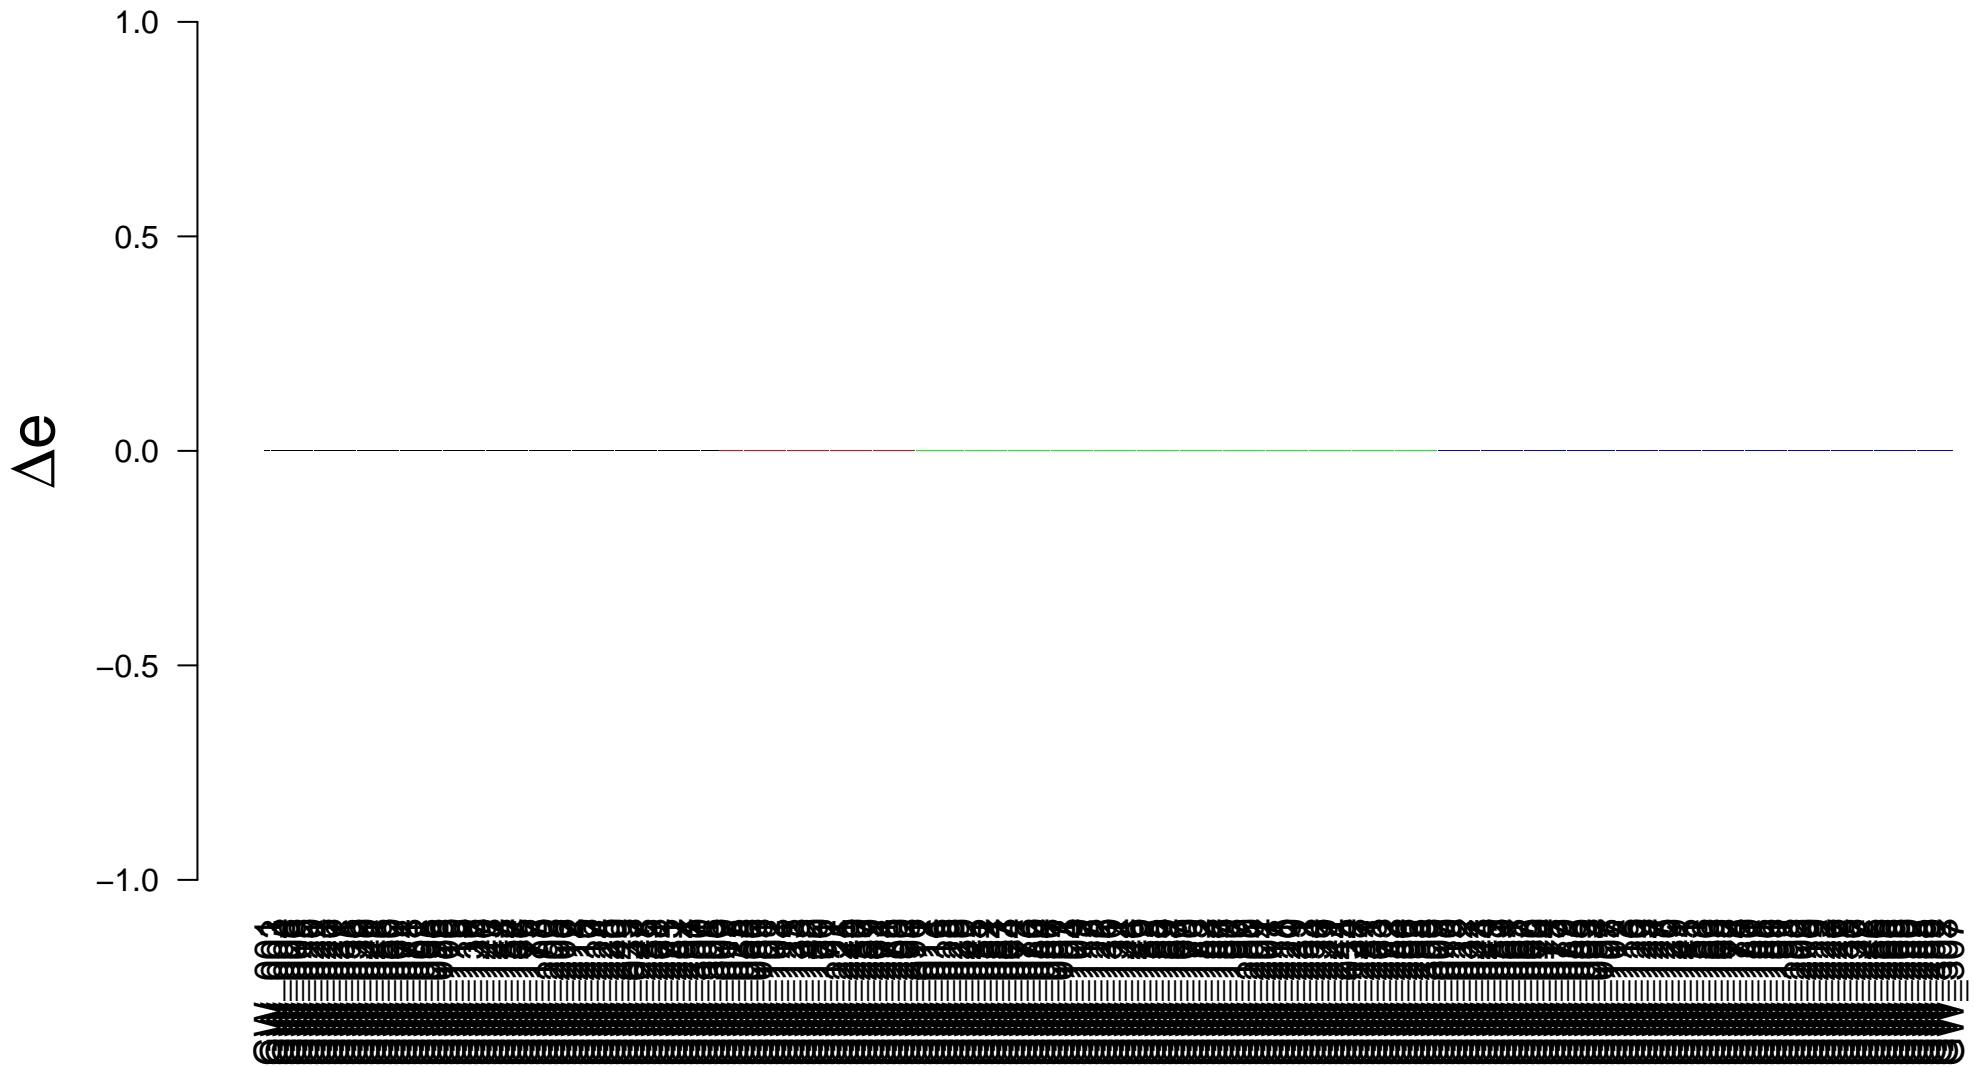

Enrichment in spots: Melanoma and neural system tumor syndrome

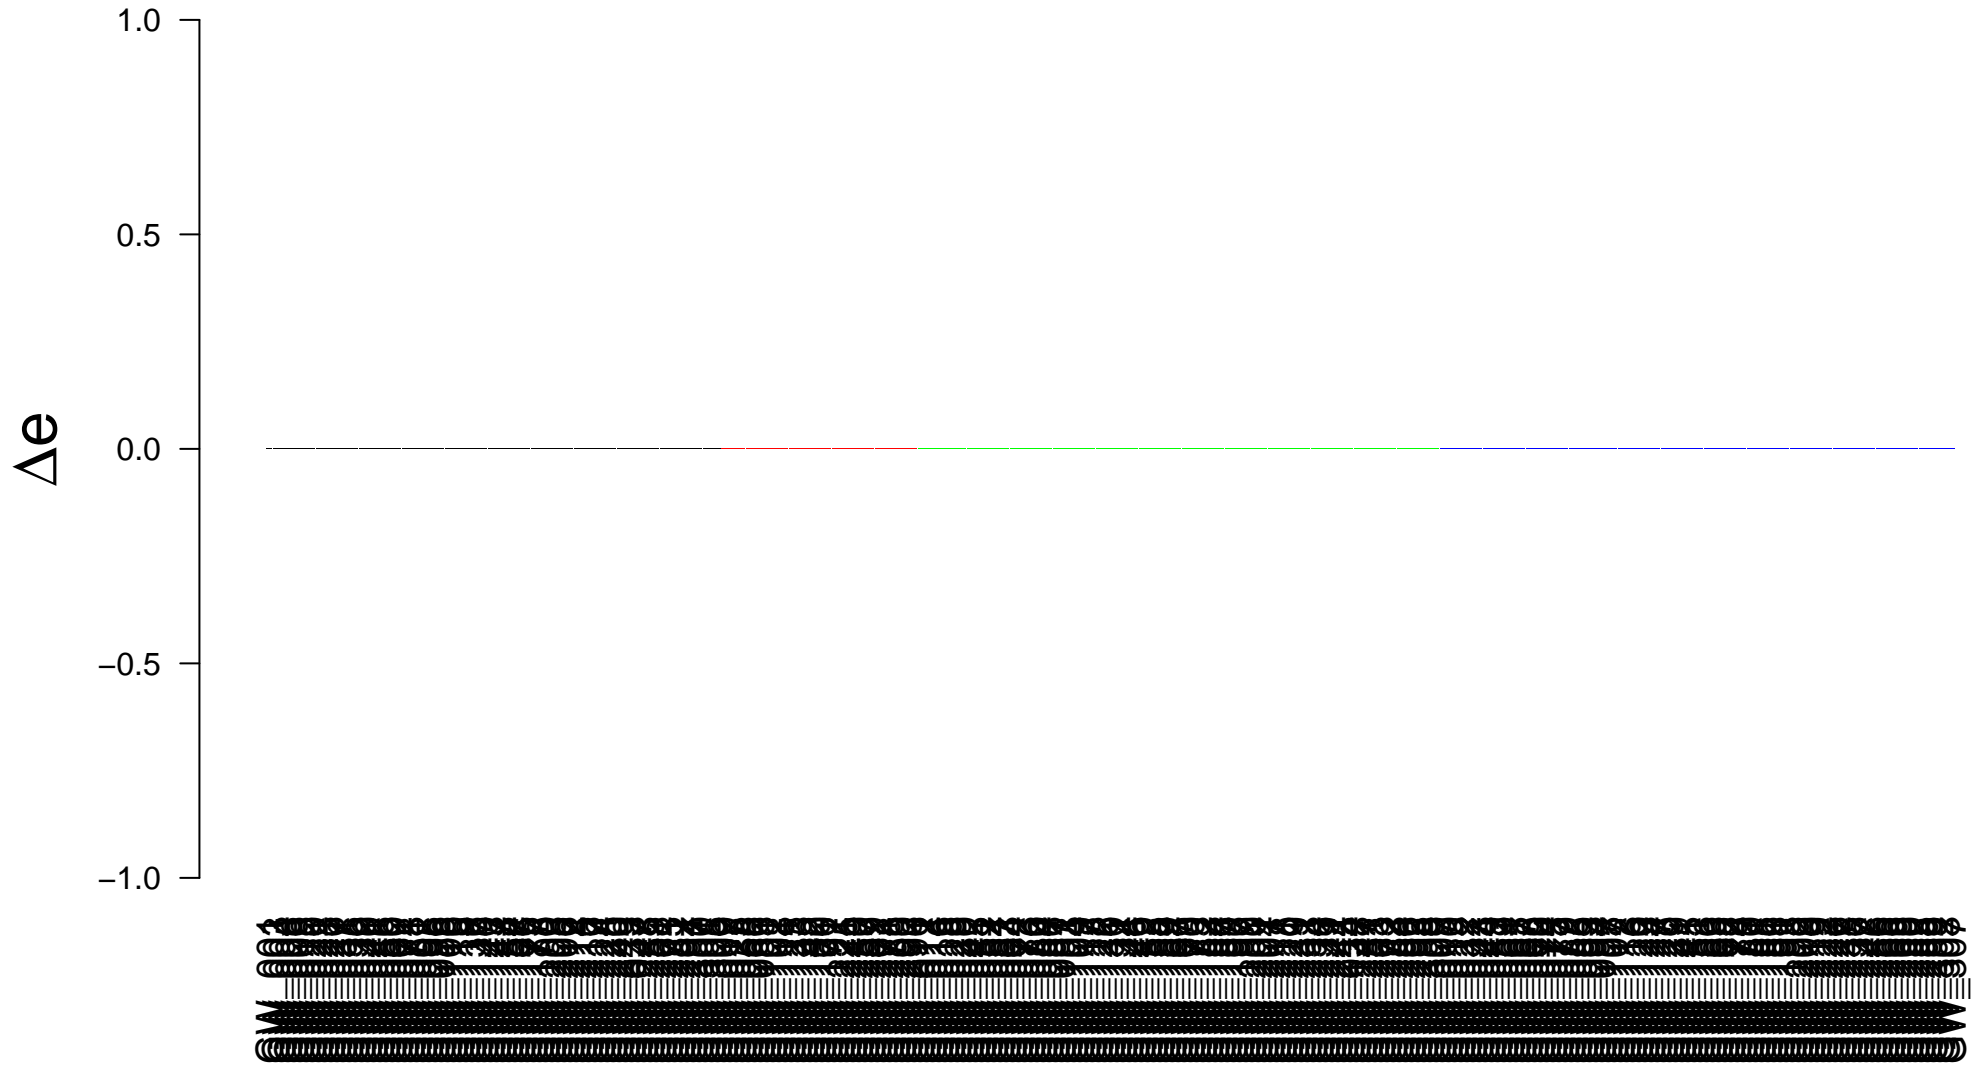

Expression of Melanoma and neural system tumor syndrome in Spot A

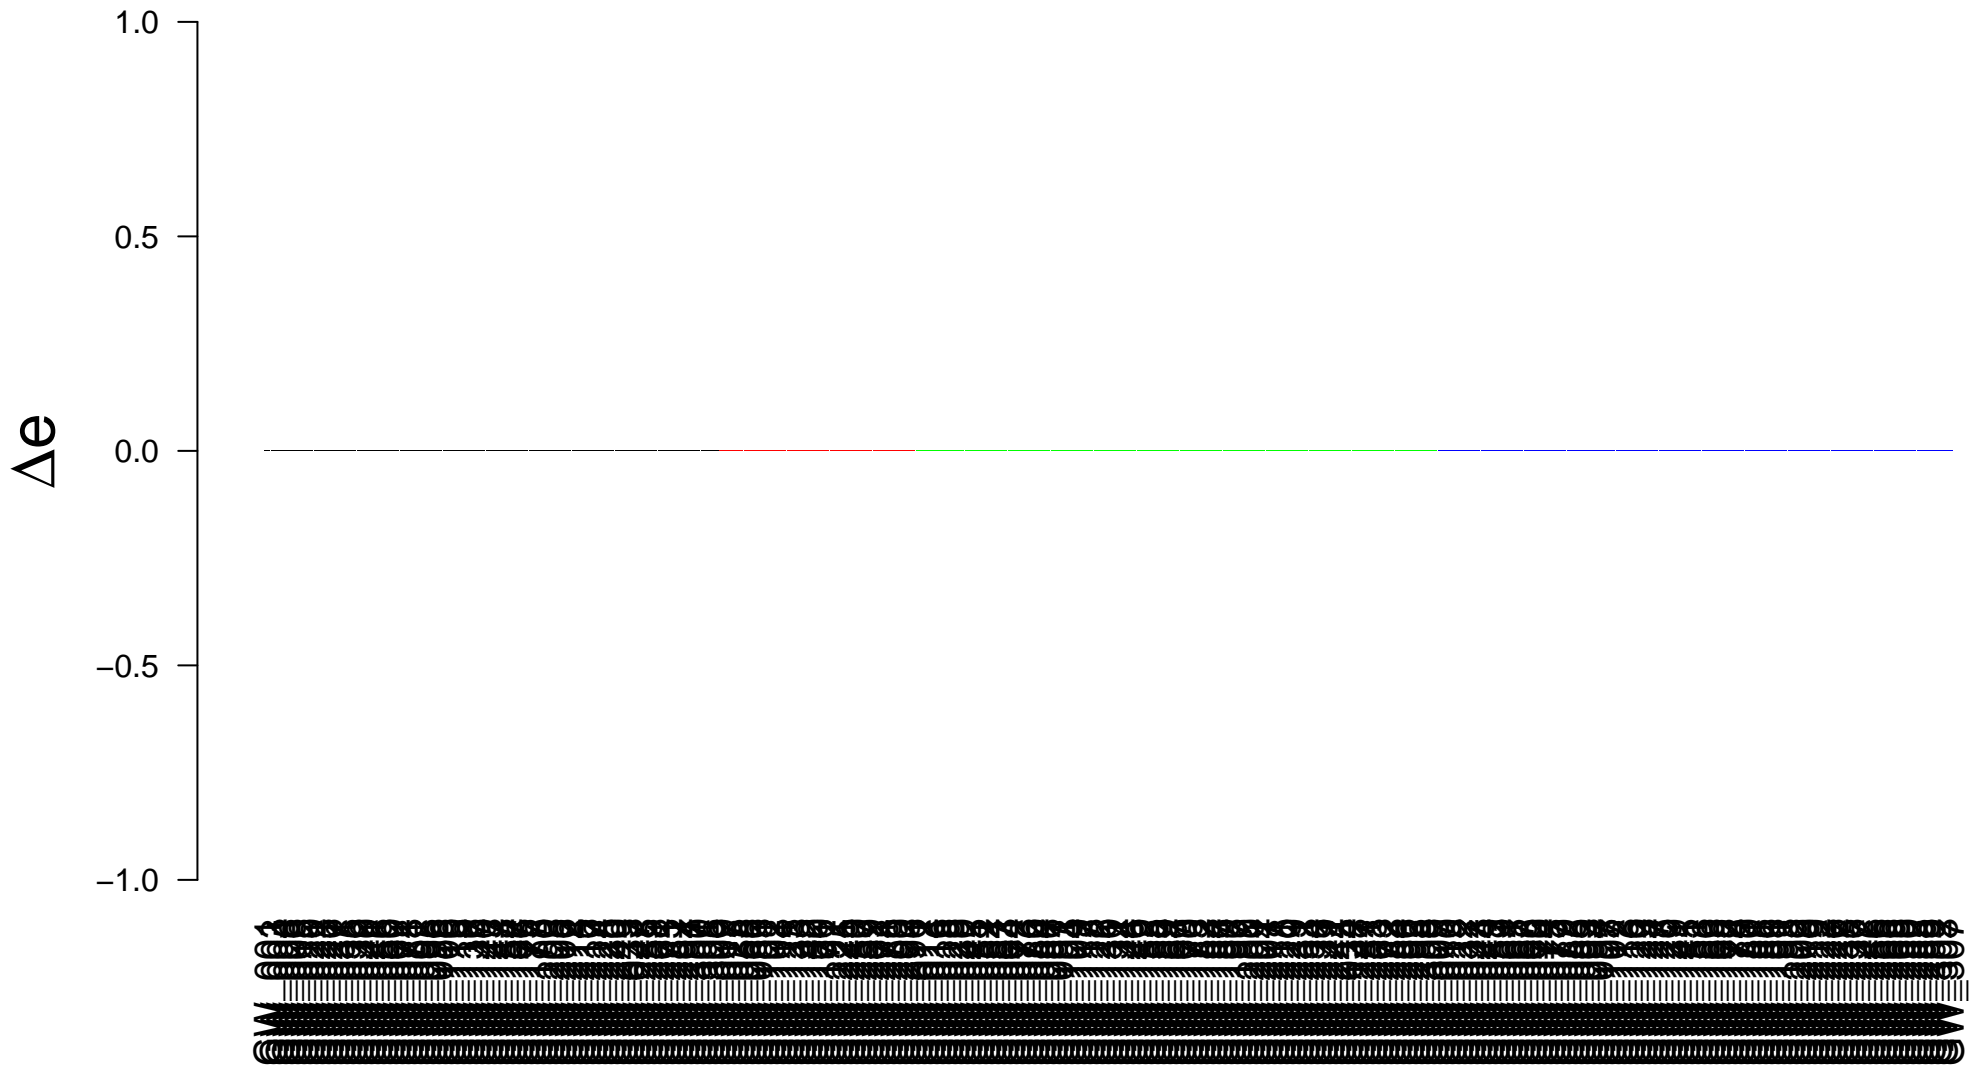

Expression of Melanoma and neural system tumor syndrome in Spot B

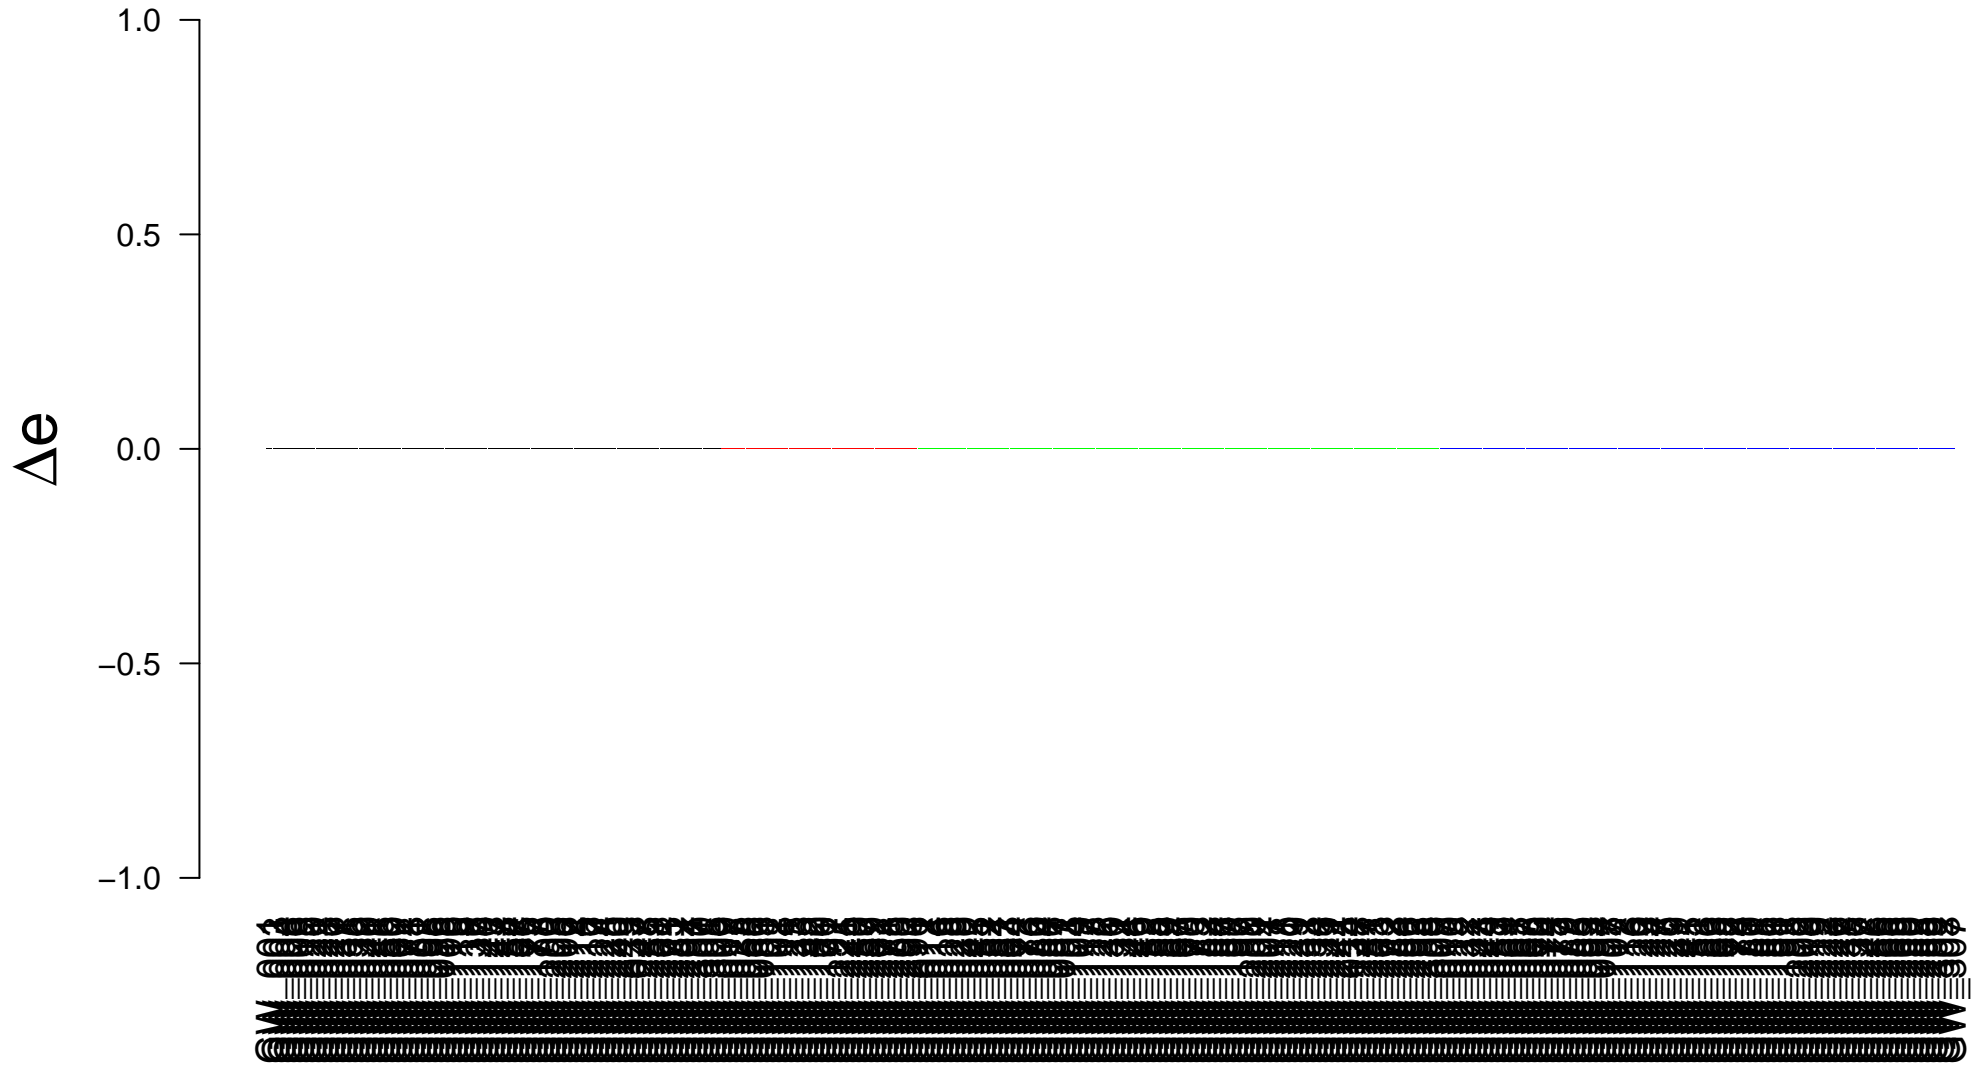

Expression of Melanoma and neural system tumor syndrome in Spot C

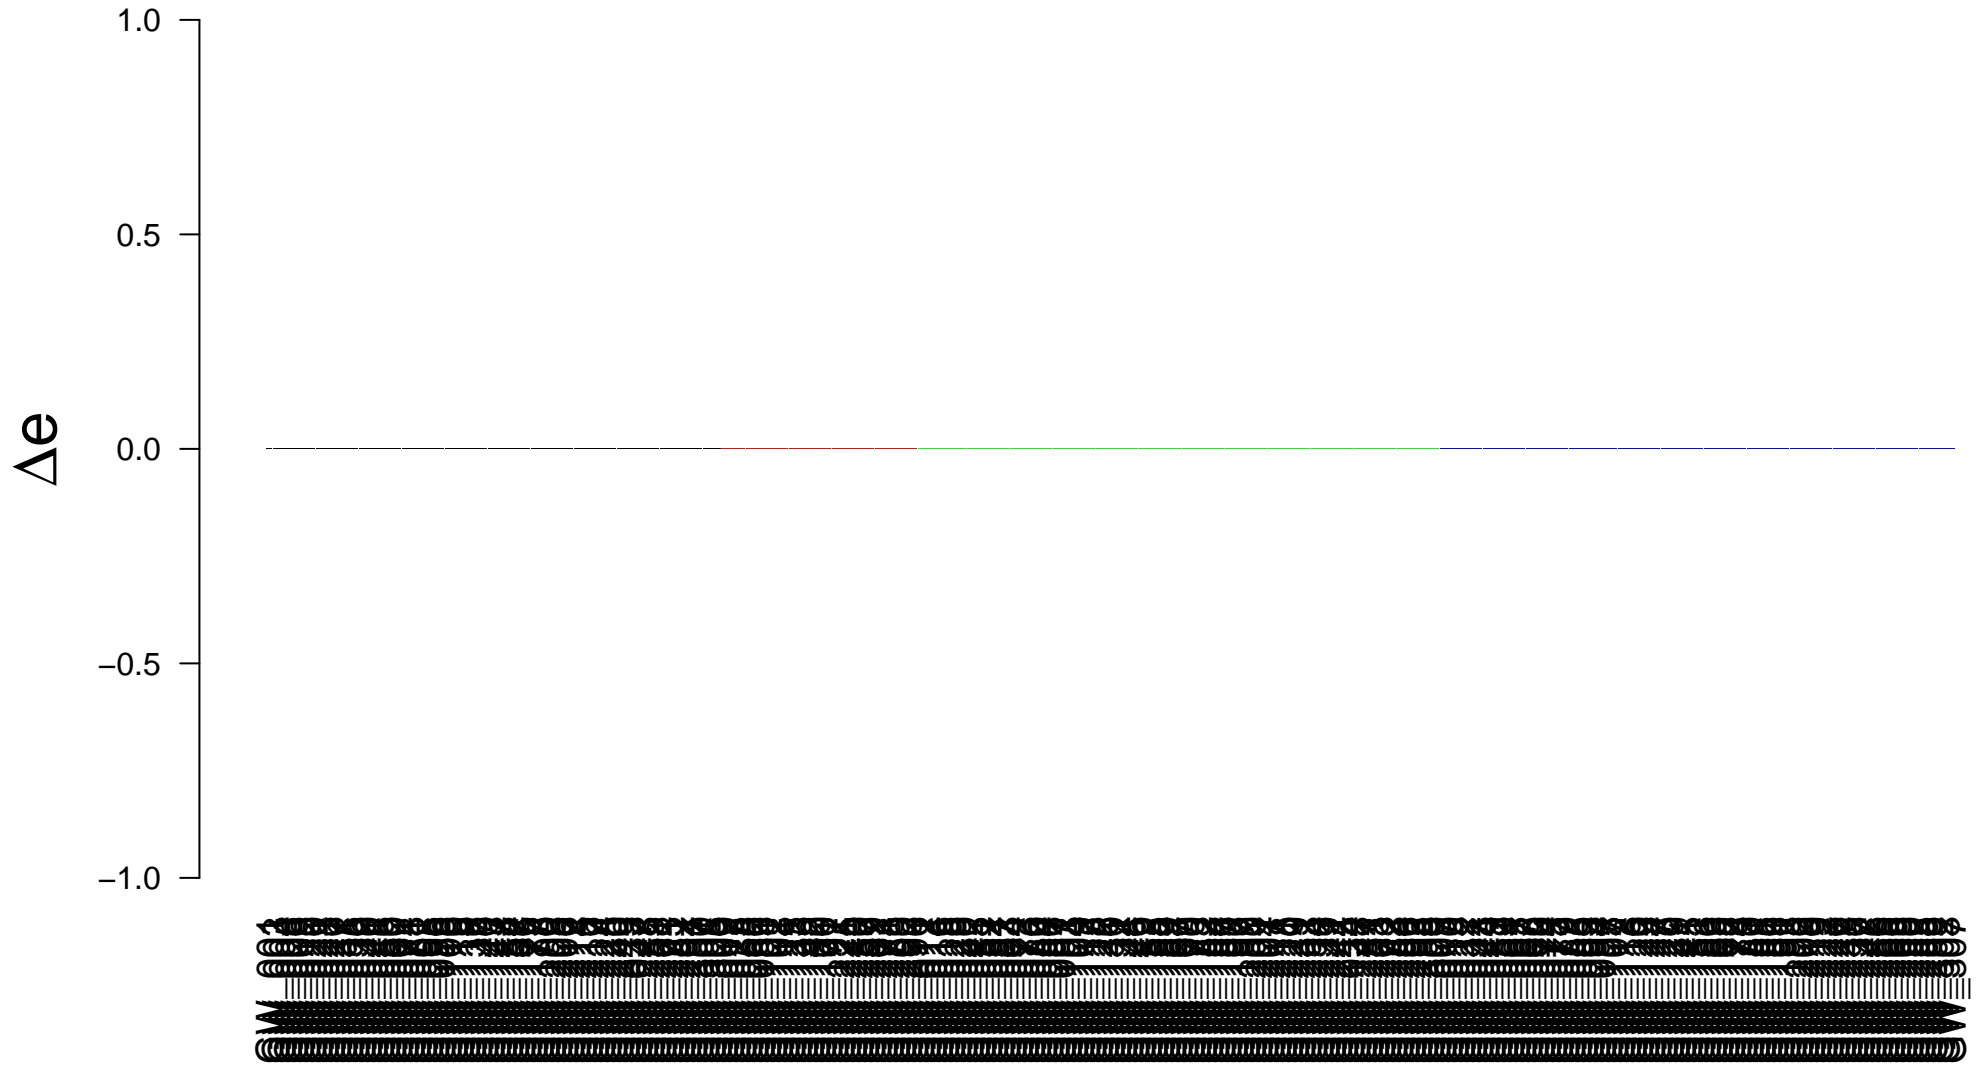

Expression of Melanoma and neural system tumor syndrome in Spot D

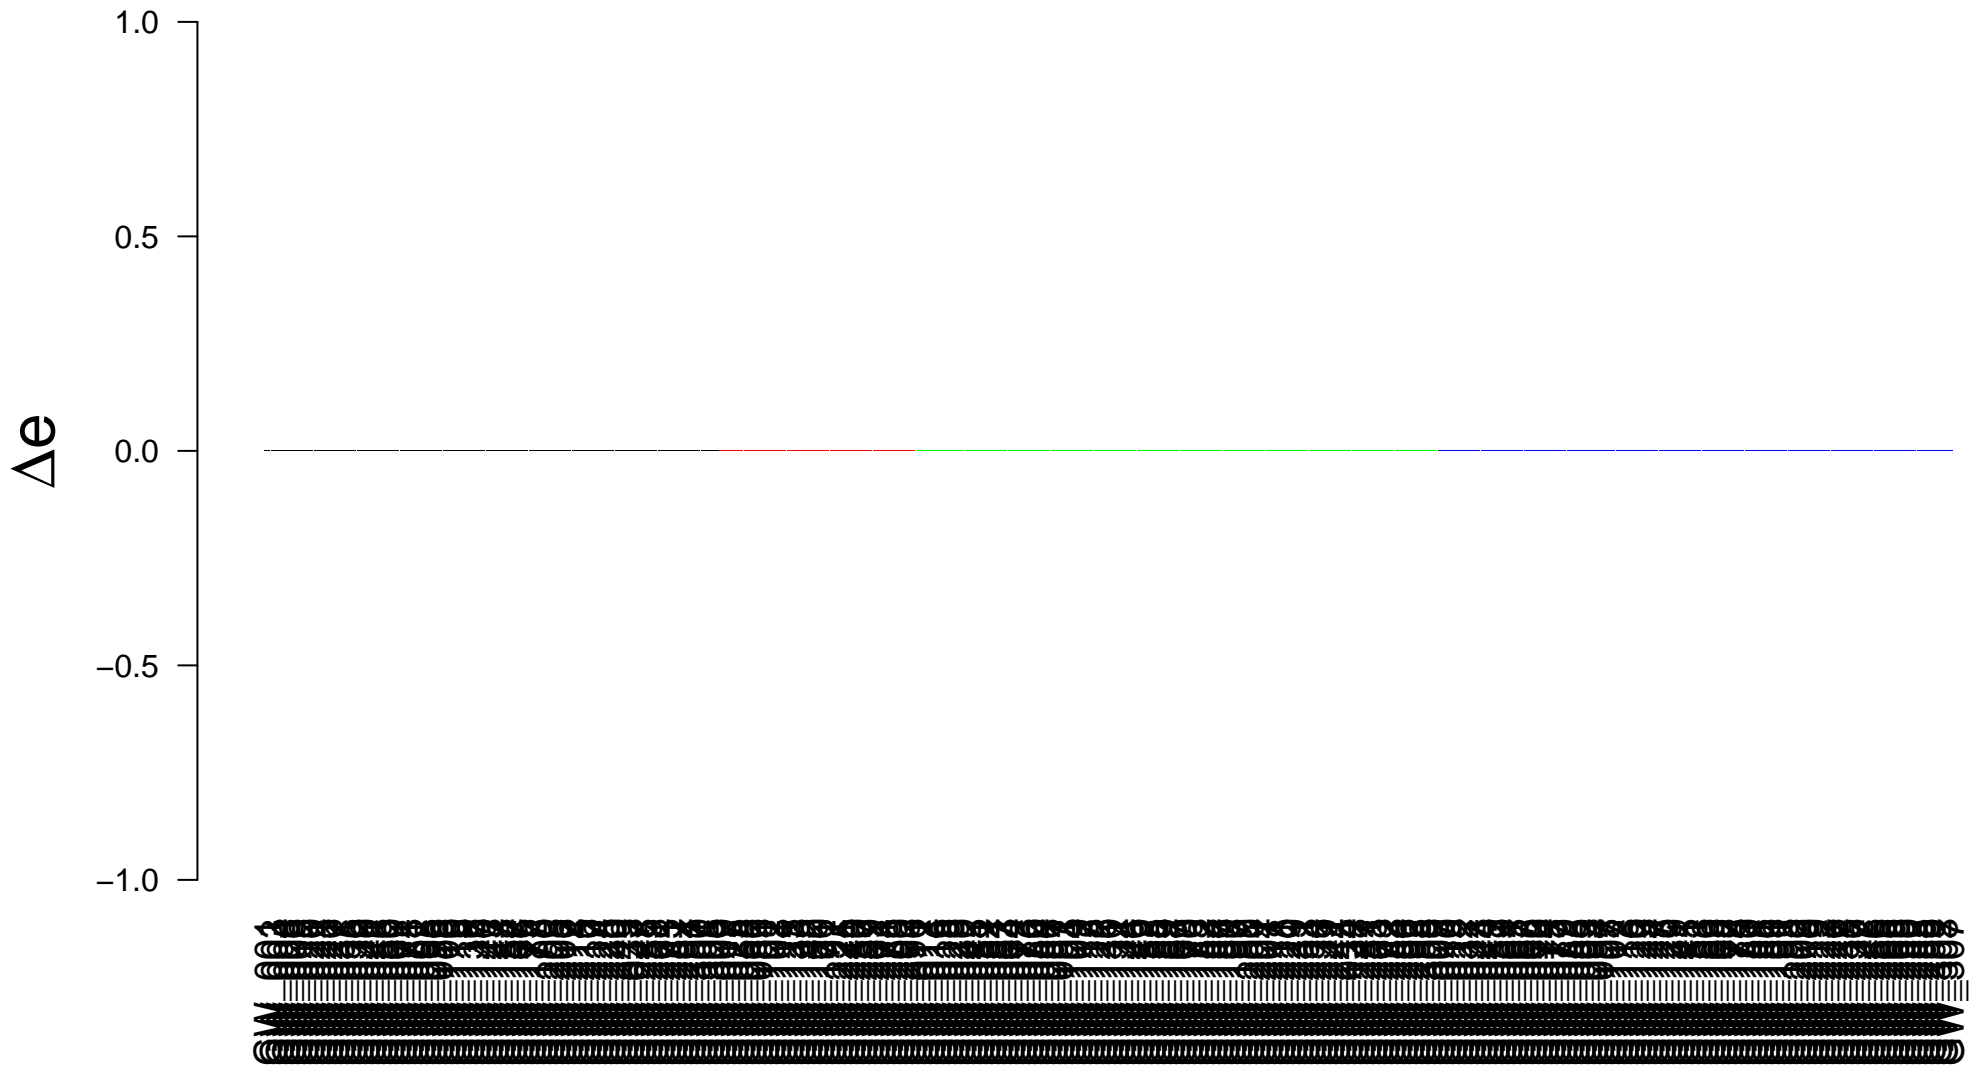

Expression of Melanoma and neural system tumor syndrome in Spot E

Expression of Melanoma and neural system tumor syndrome in Spot F

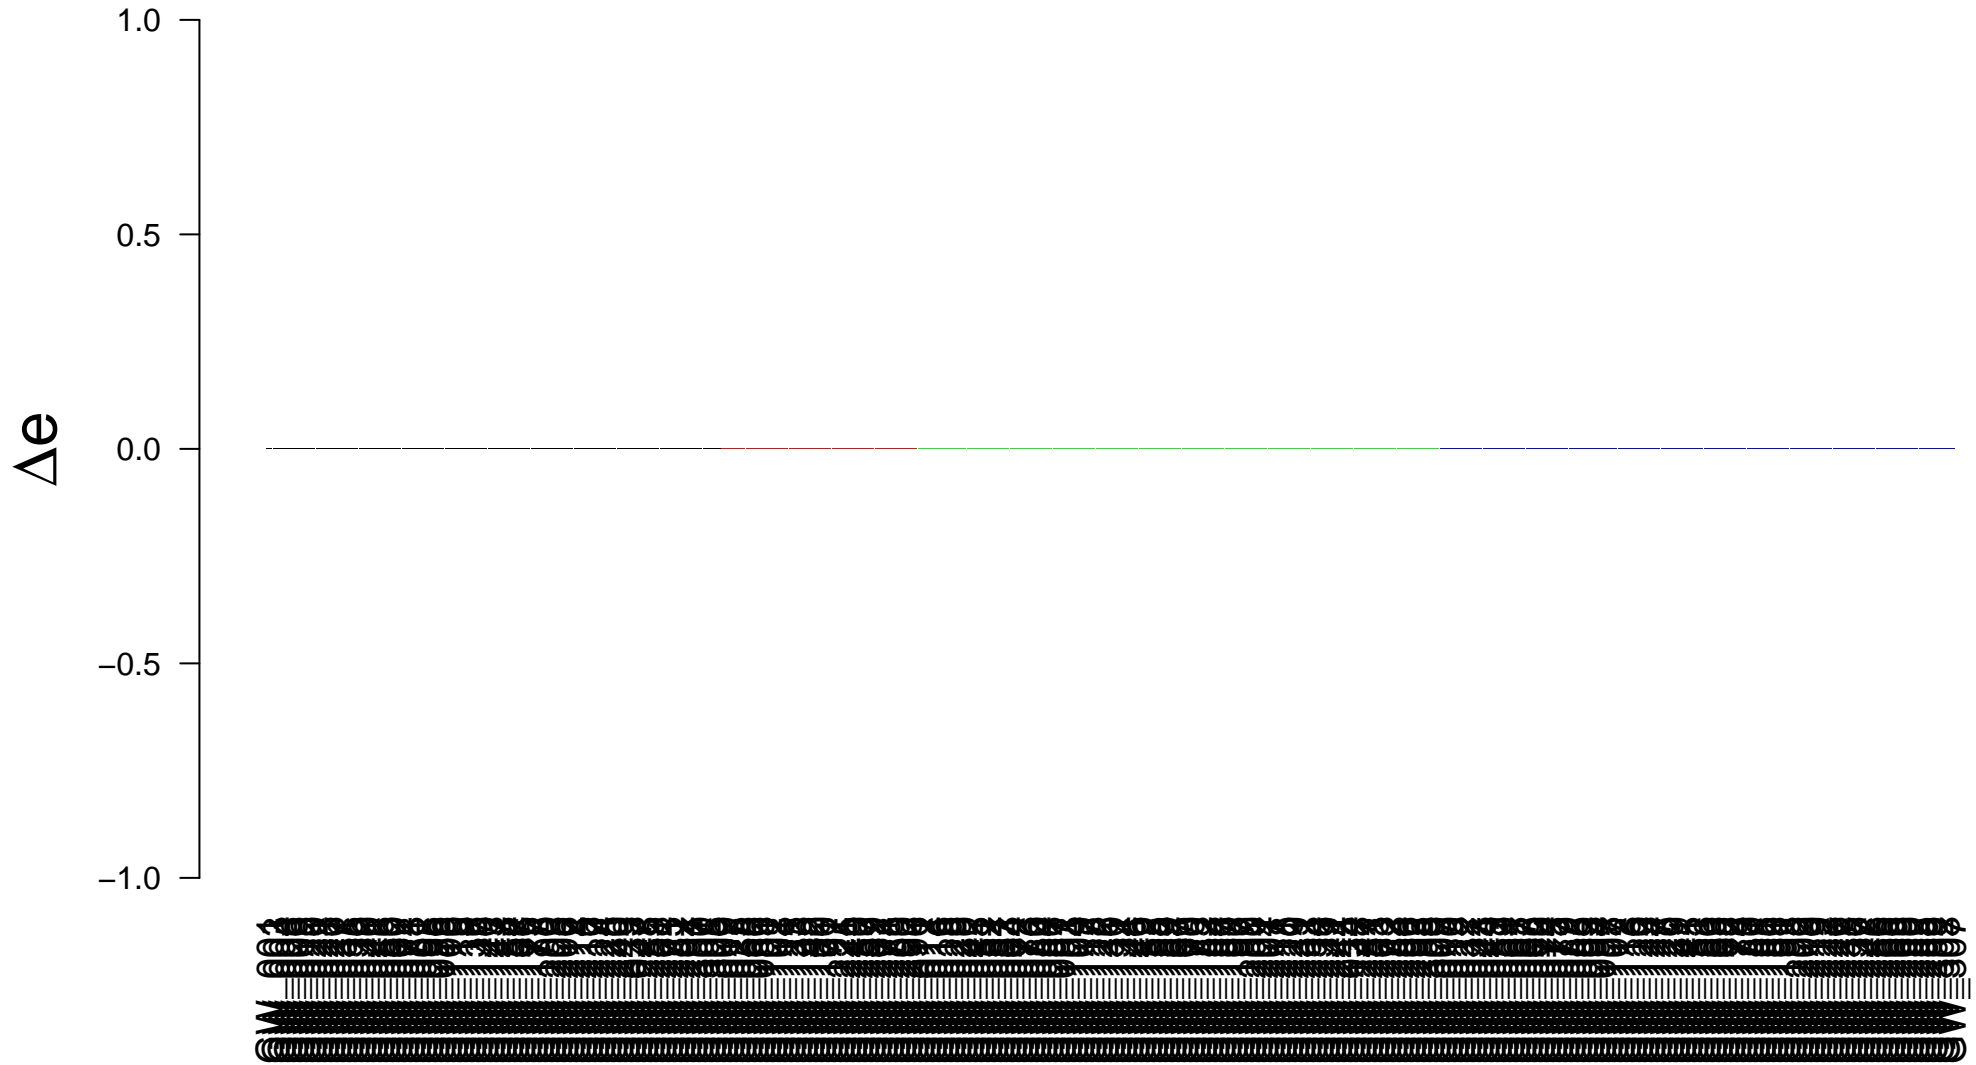

Expression of Melanoma and neural system tumor syndrome in Spot G

Expression of Melanoma and neural system tumor syndrome in Spot H

Expression of Melanoma and neural system tumor syndrome in Spot I

Expression of Melanoma and neural system tumor syndrome in Spot J

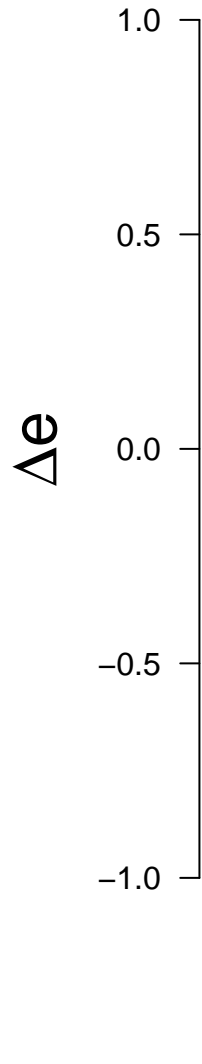

Expression of Melanoma and neural system tumor syndrome in Spot K

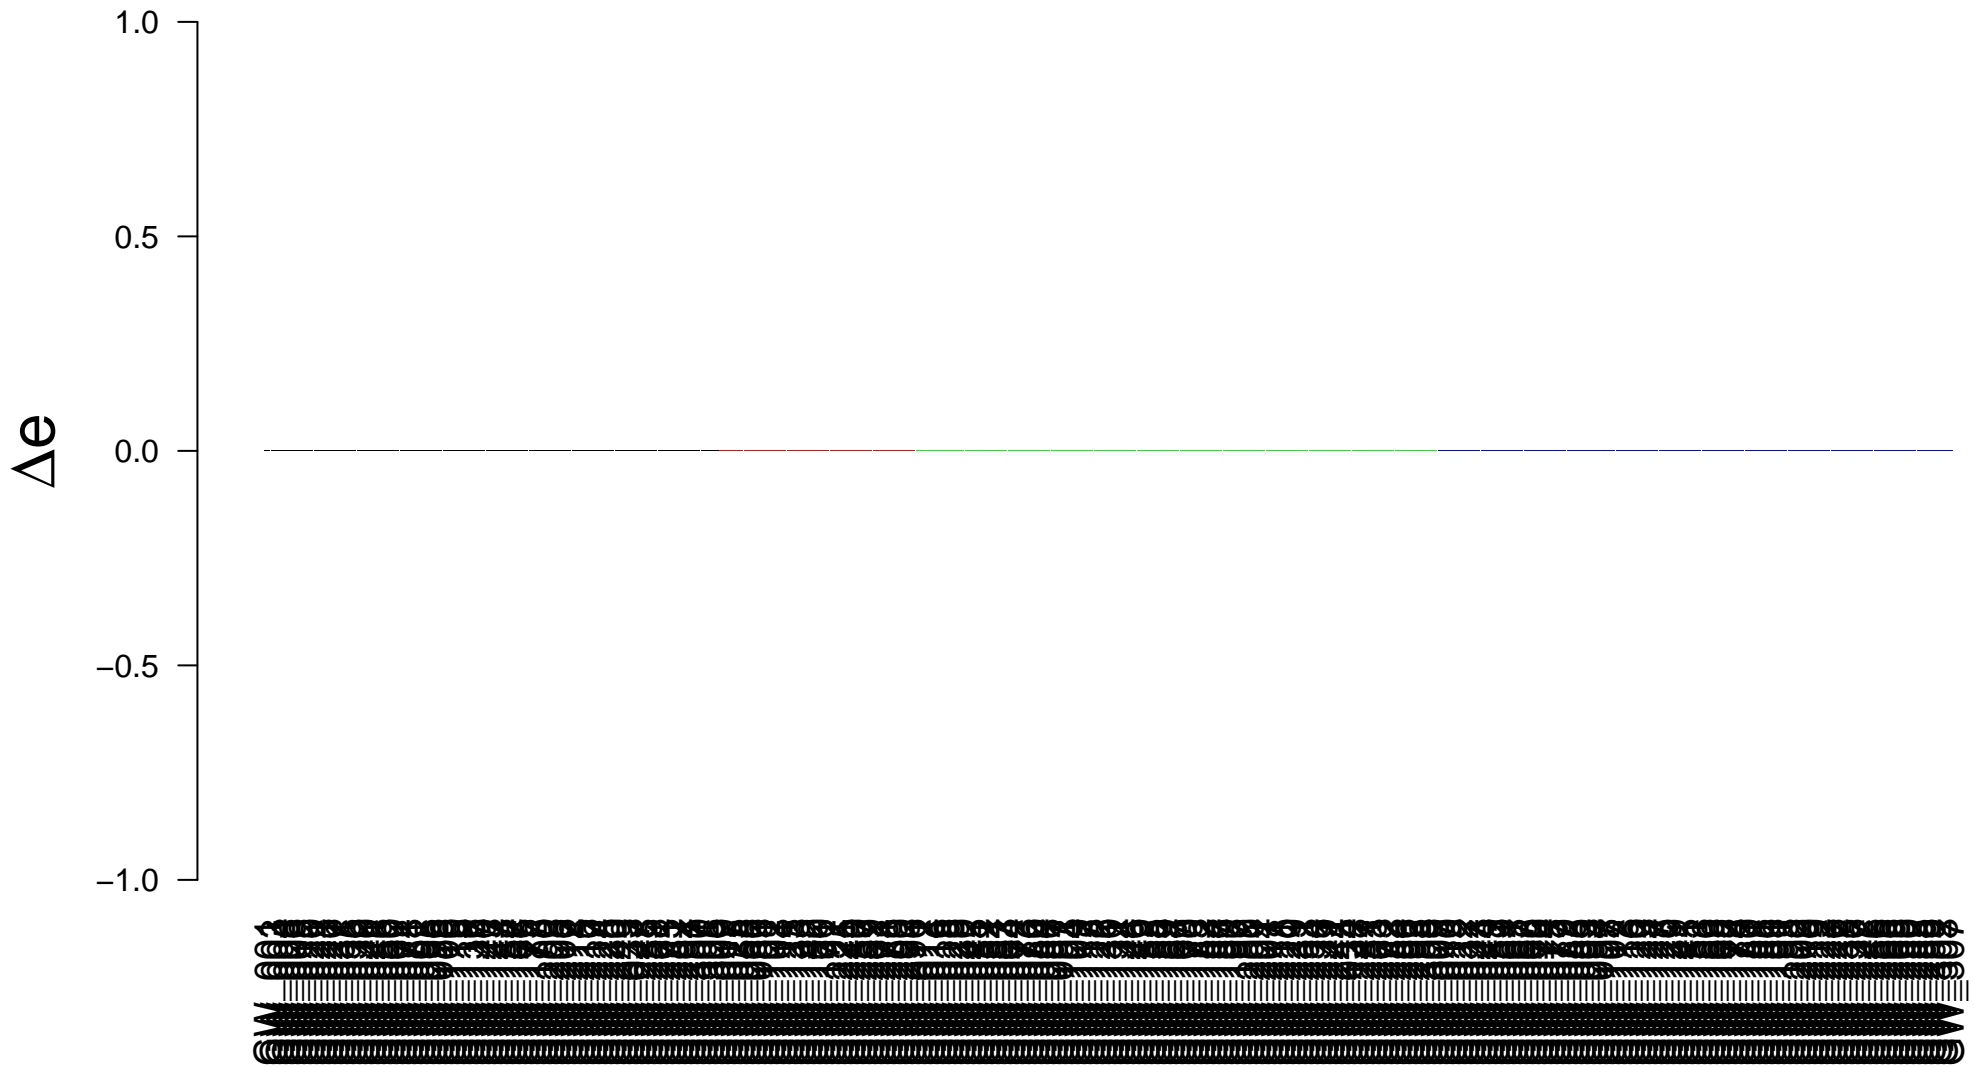

Expression of Melanoma and neural system tumor syndrome in Spot L

Expression of Melanoma and neural system tumor syndrome in Spot M

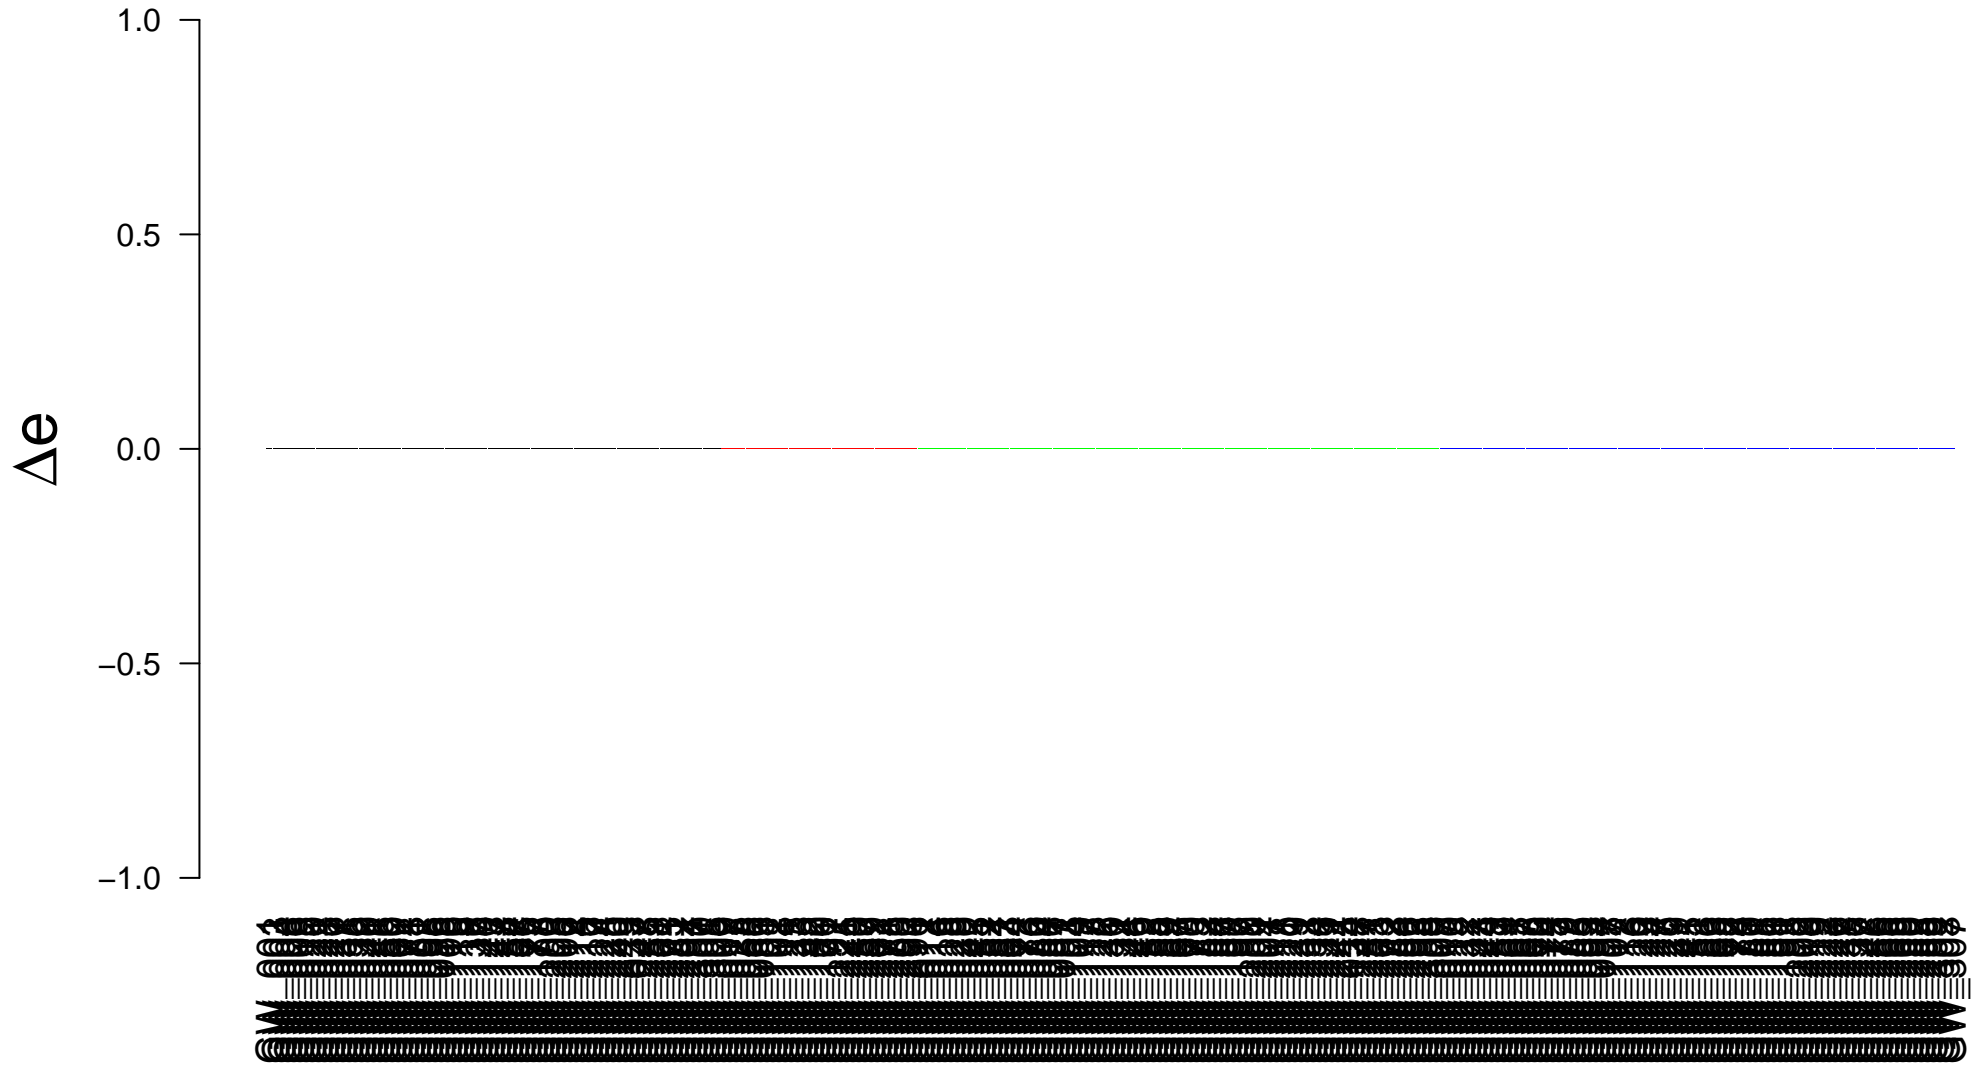

Expression of Melanoma and neural system tumor syndrome in Spot N

Expression of Melanoma and neural system tumor syndrome in Spot O

Expression of Melanoma and neural system tumor syndrome in Spot P

Expression of Melanoma and neural system tumor syndrome in Spot Q

Expression of Melanoma and neural system tumor syndrome in Spot R
