

# NAD biosynthetic process

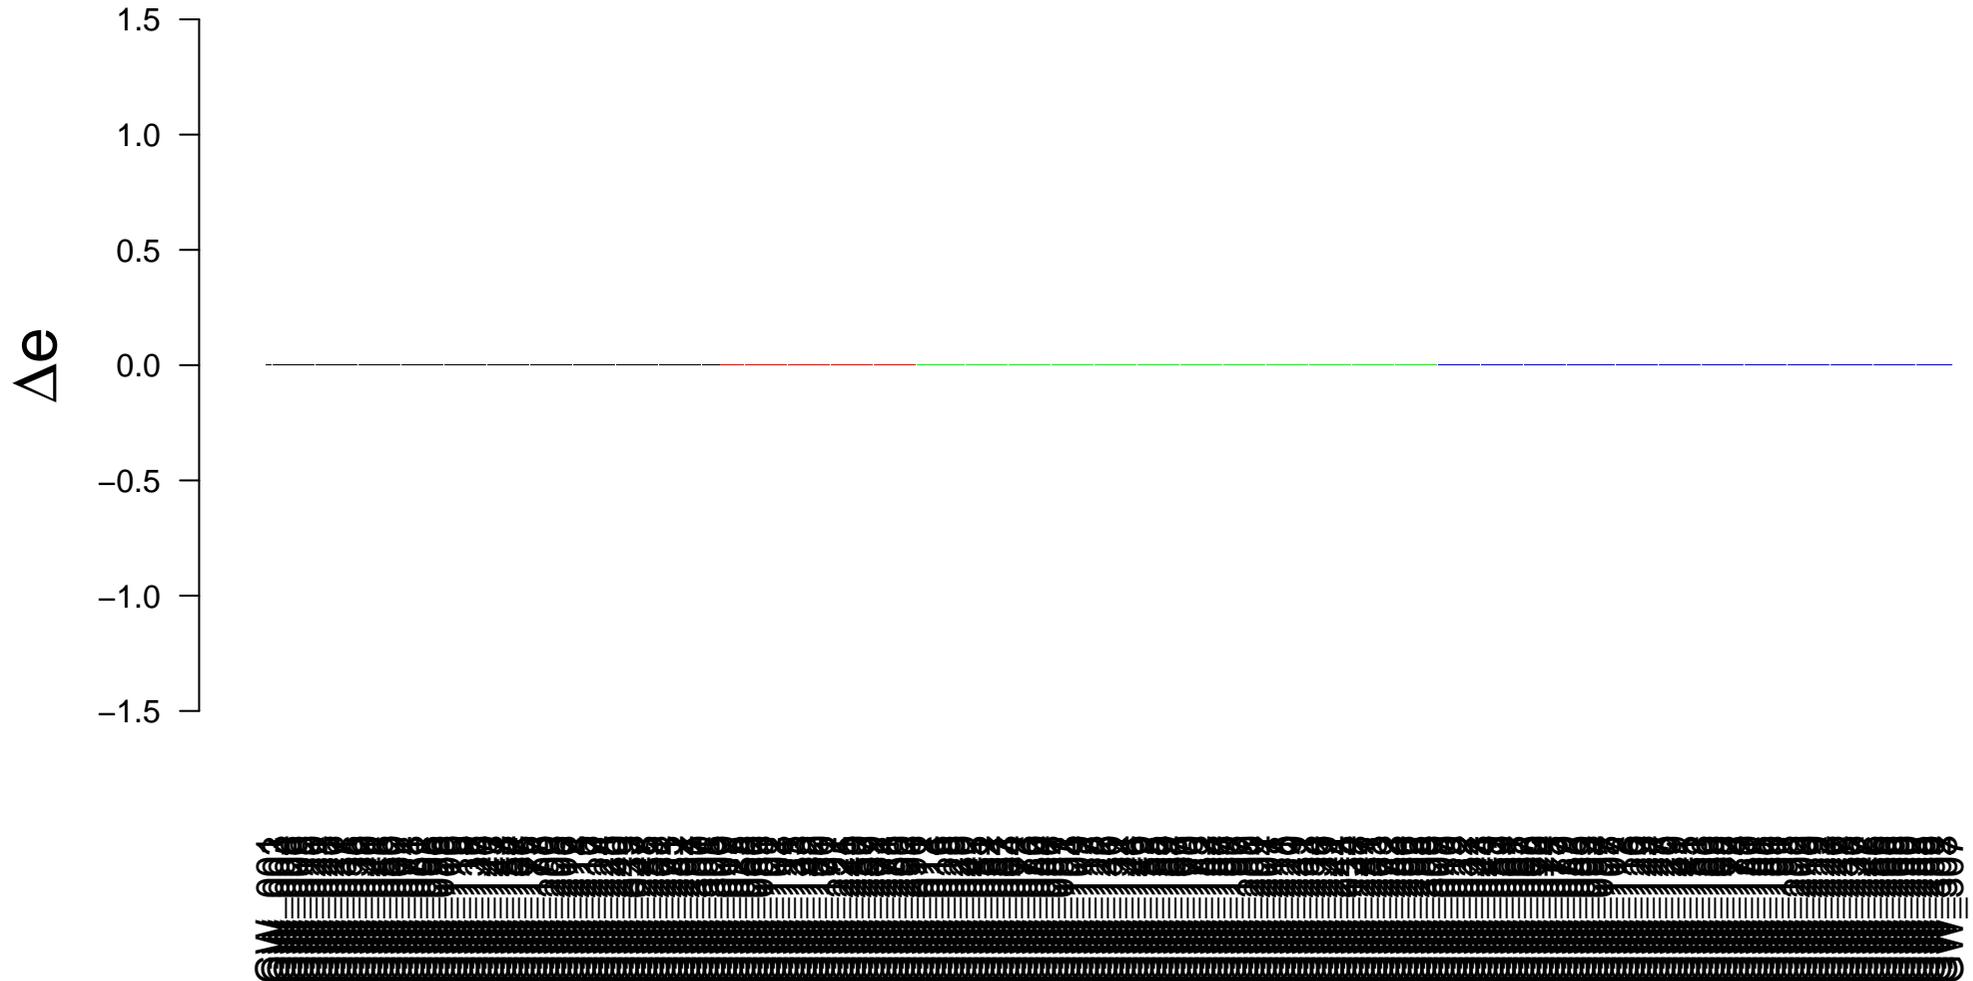

# NAD biosynthetic process

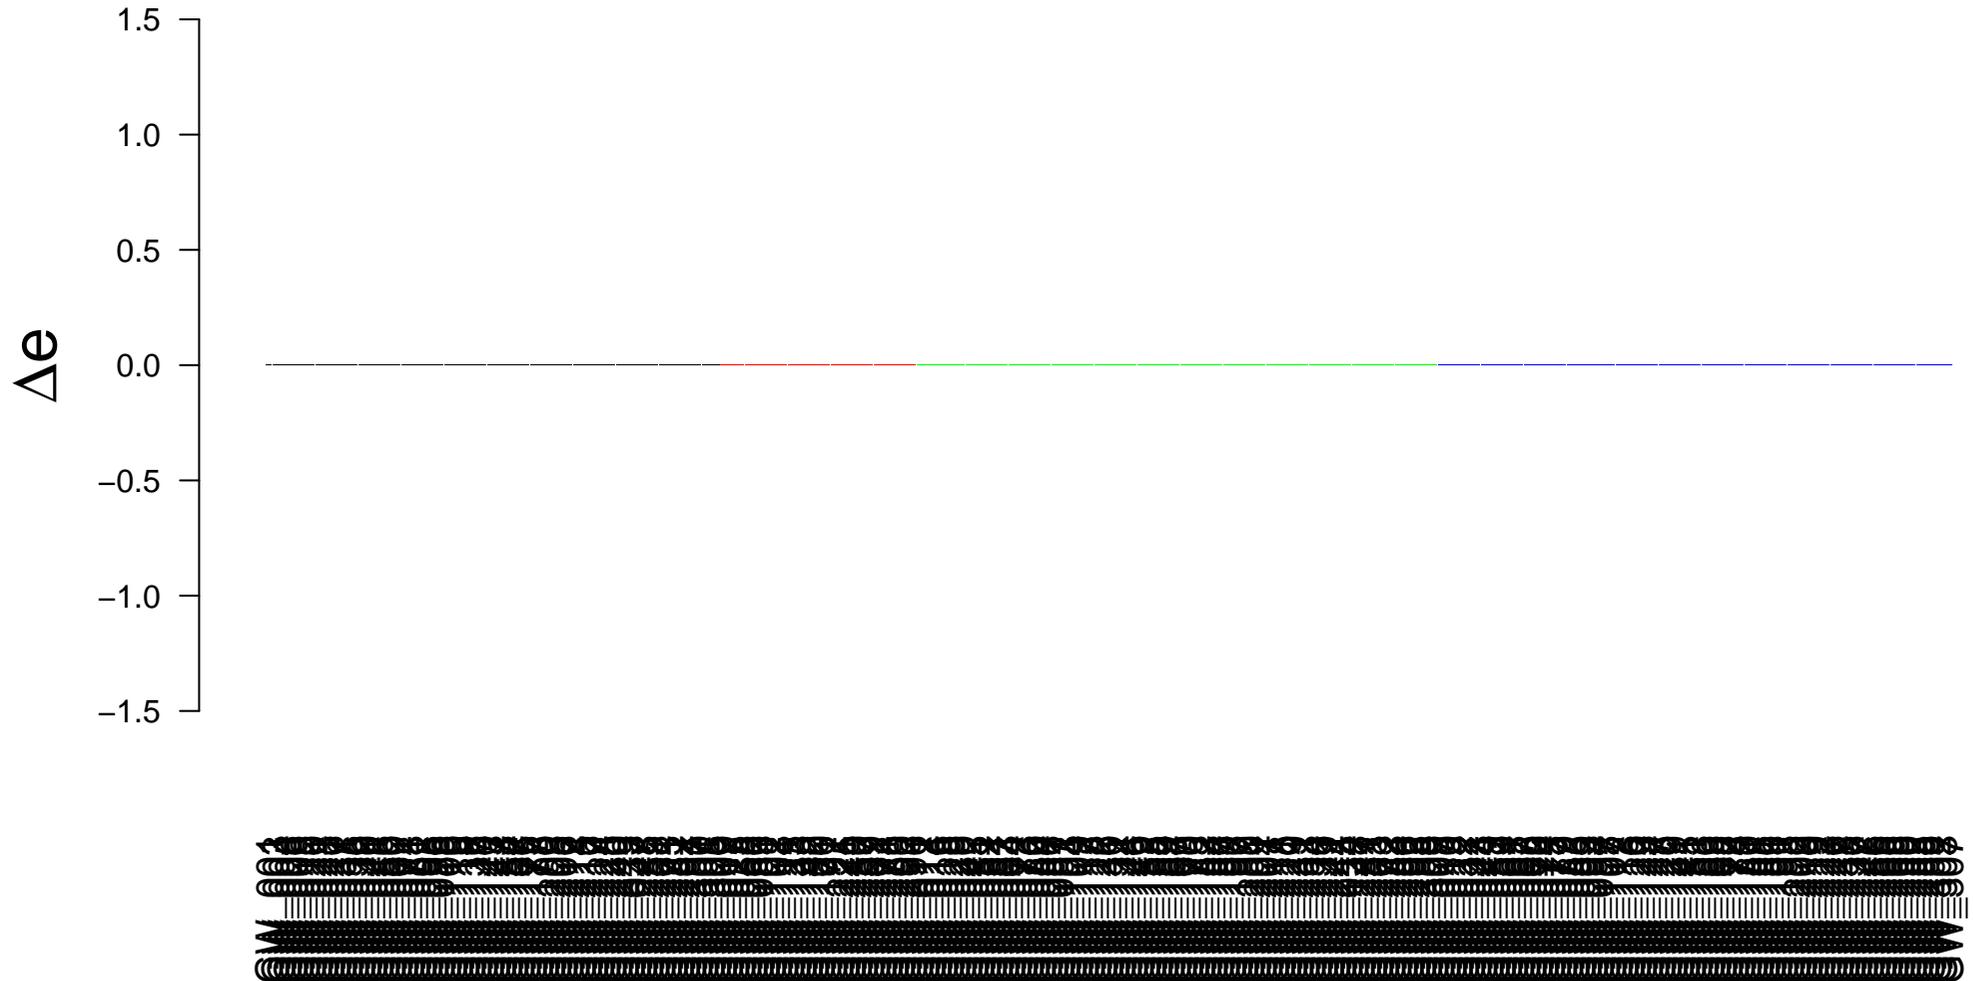

### Enrichment in spots: NAD biosynthetic process

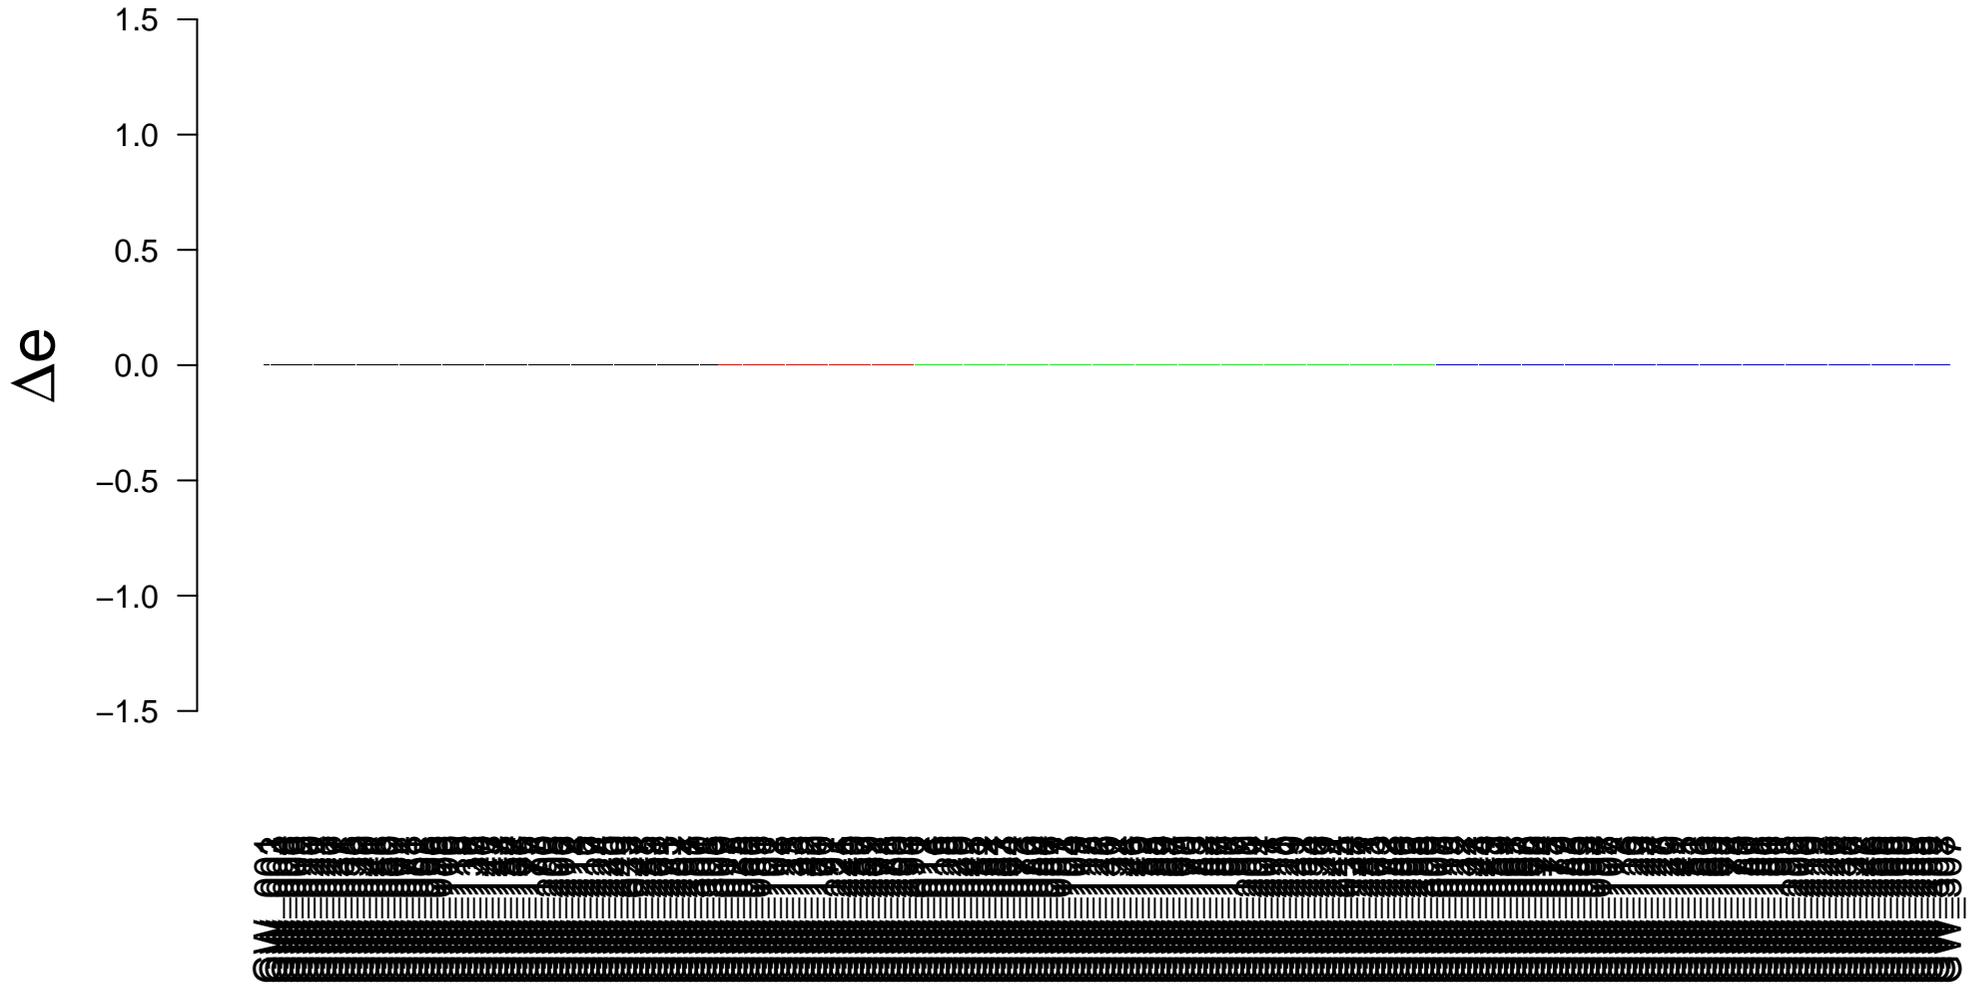

# Expression of NAD biosynthetic process in Spot A

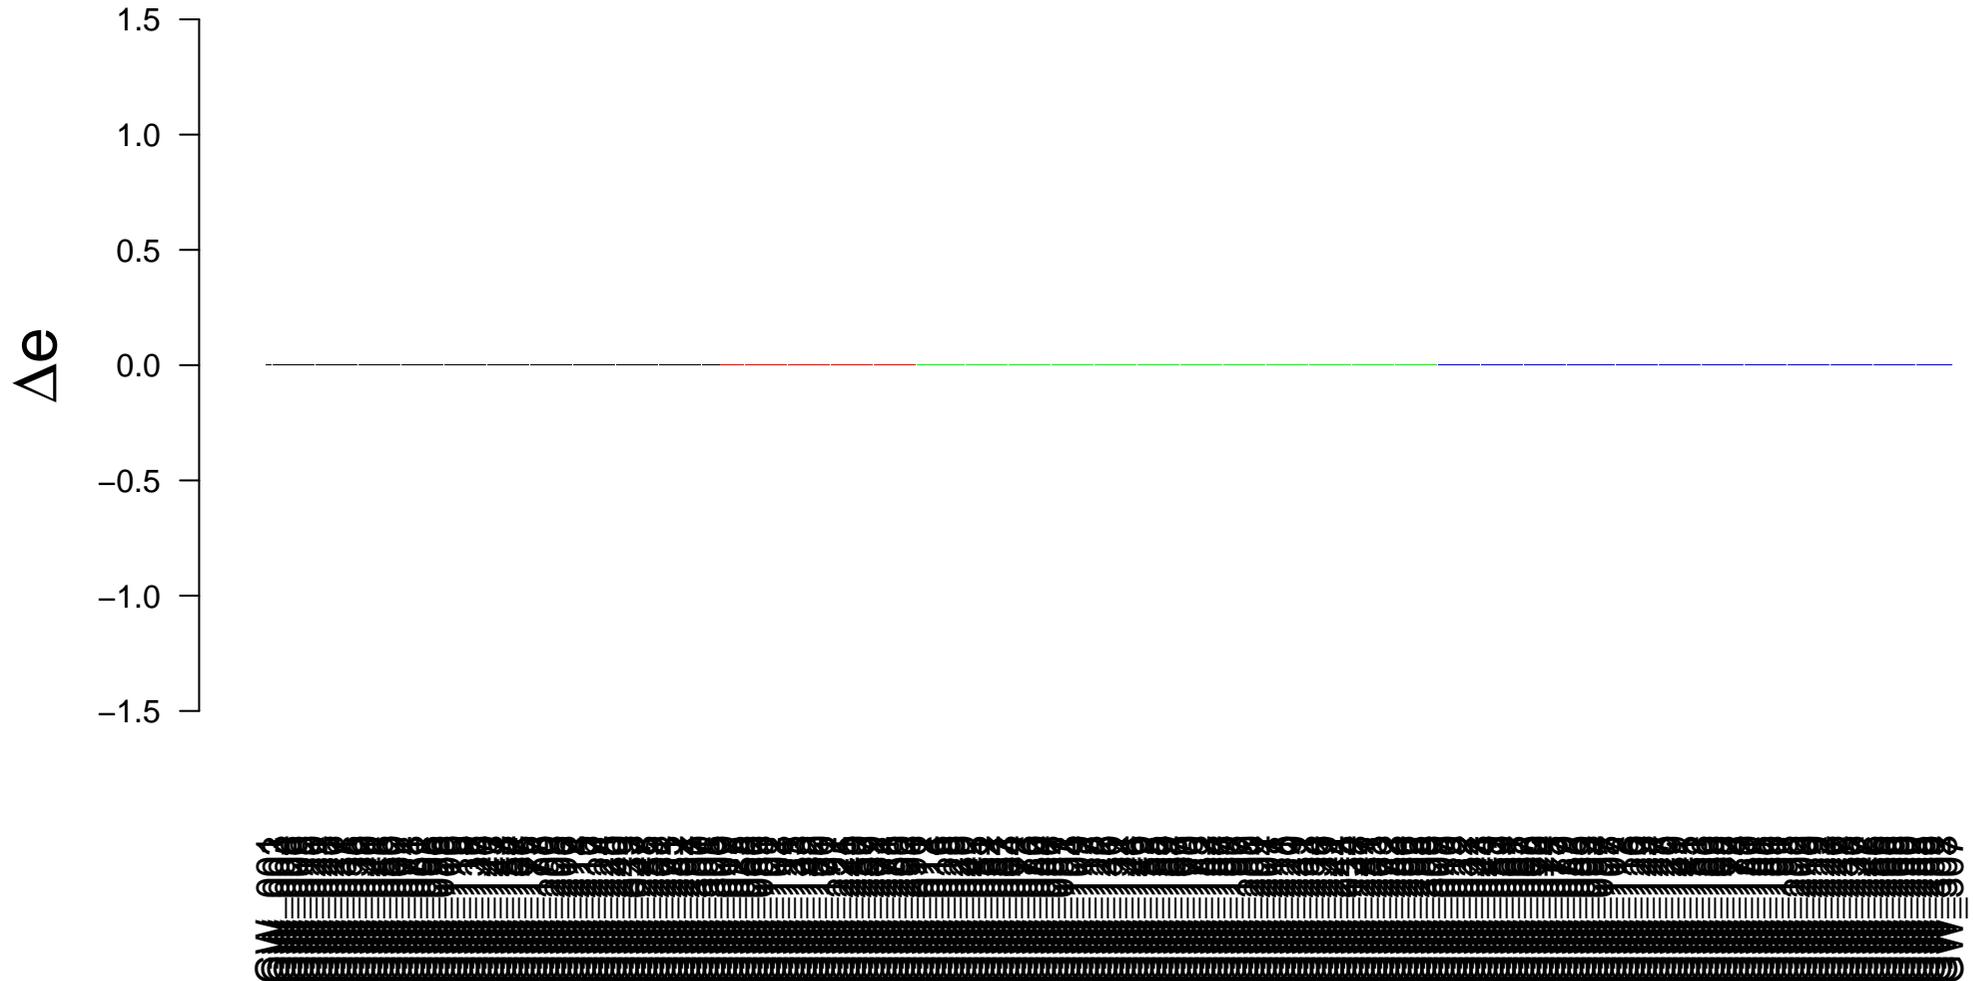

# Expression of NAD biosynthetic process in Spot B

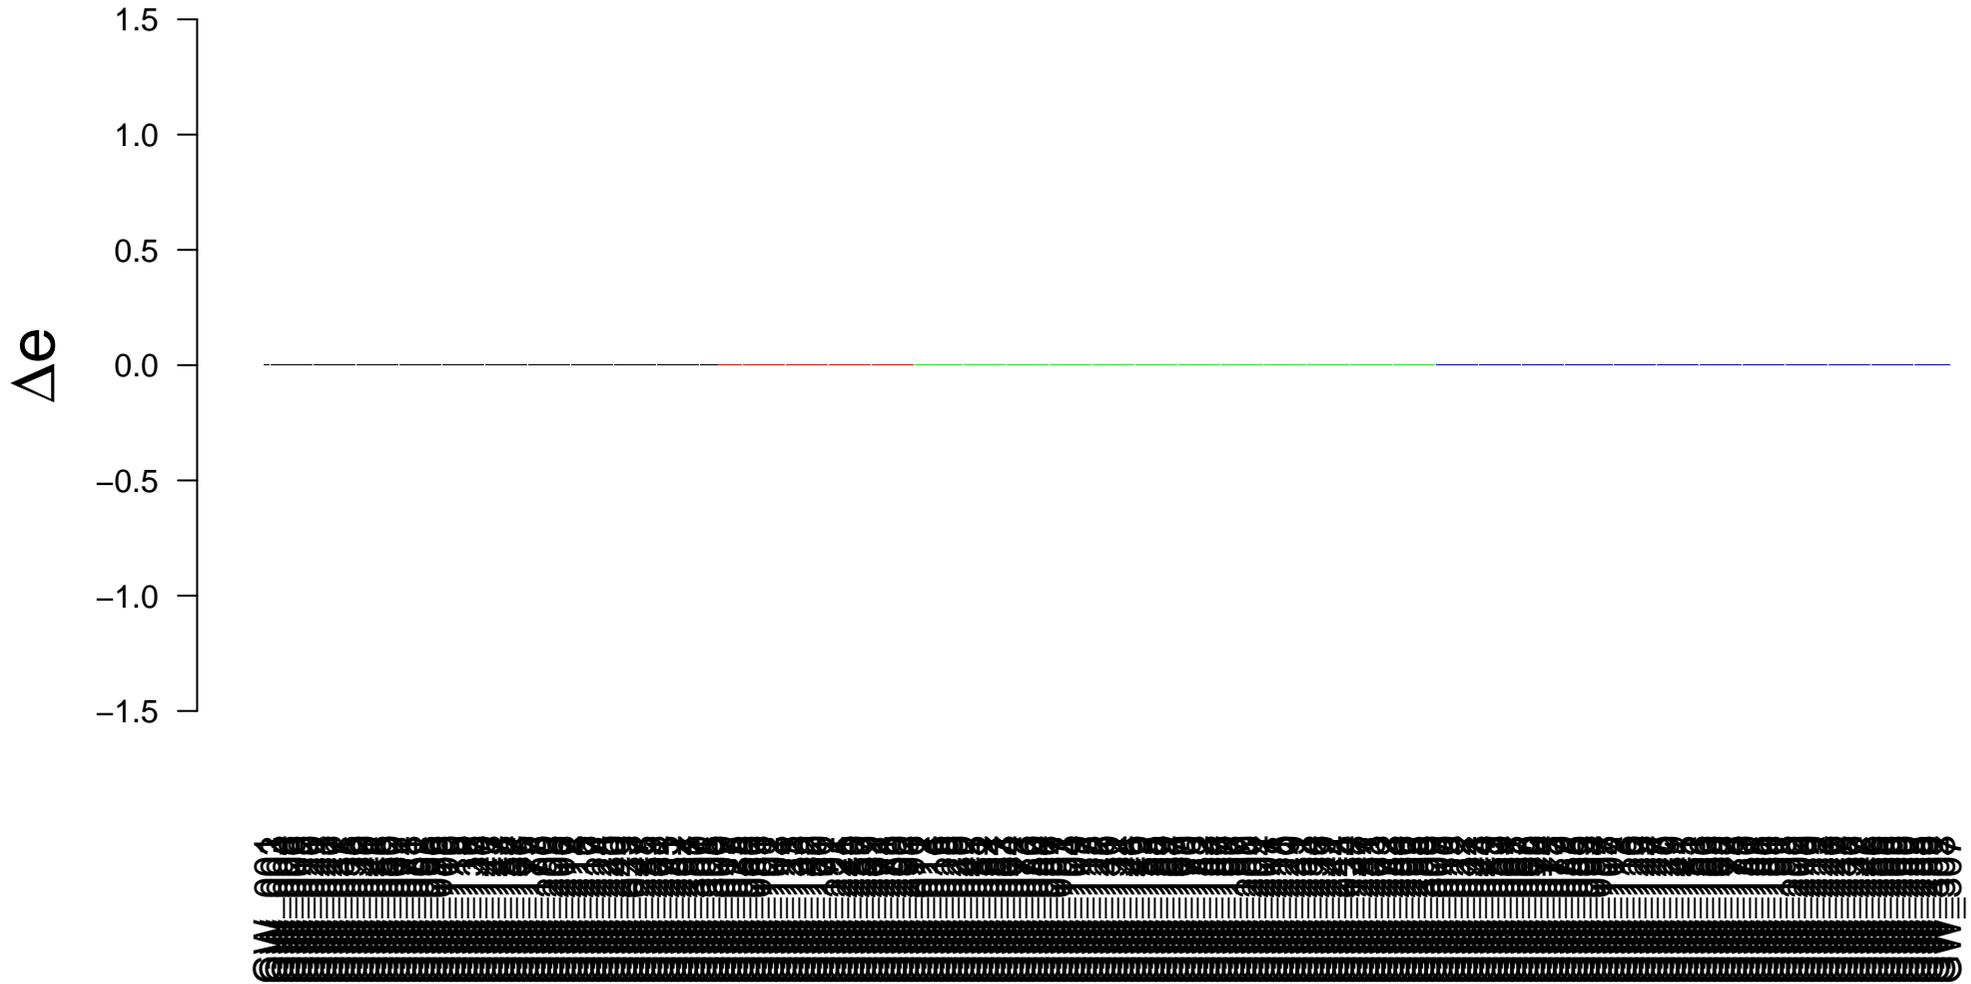

# Expression of NAD biosynthetic process in Spot C

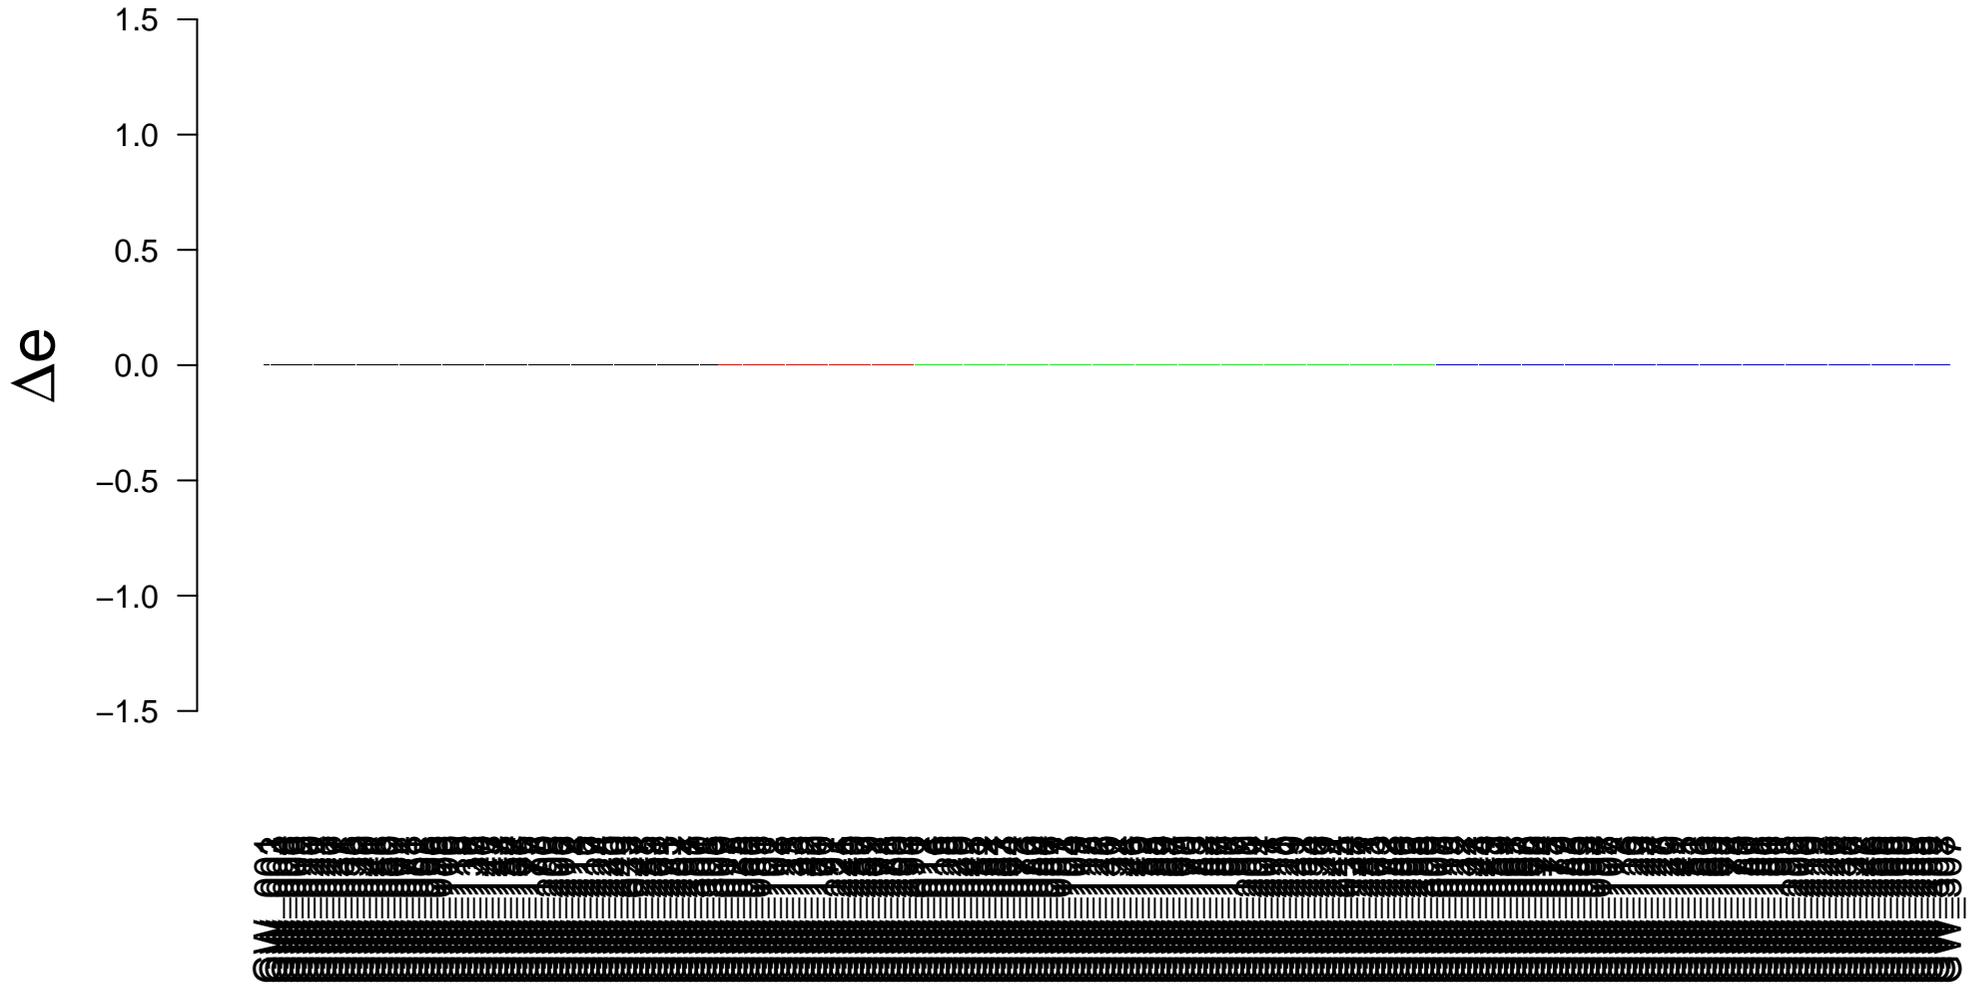

# Expression of NAD biosynthetic process in Spot D

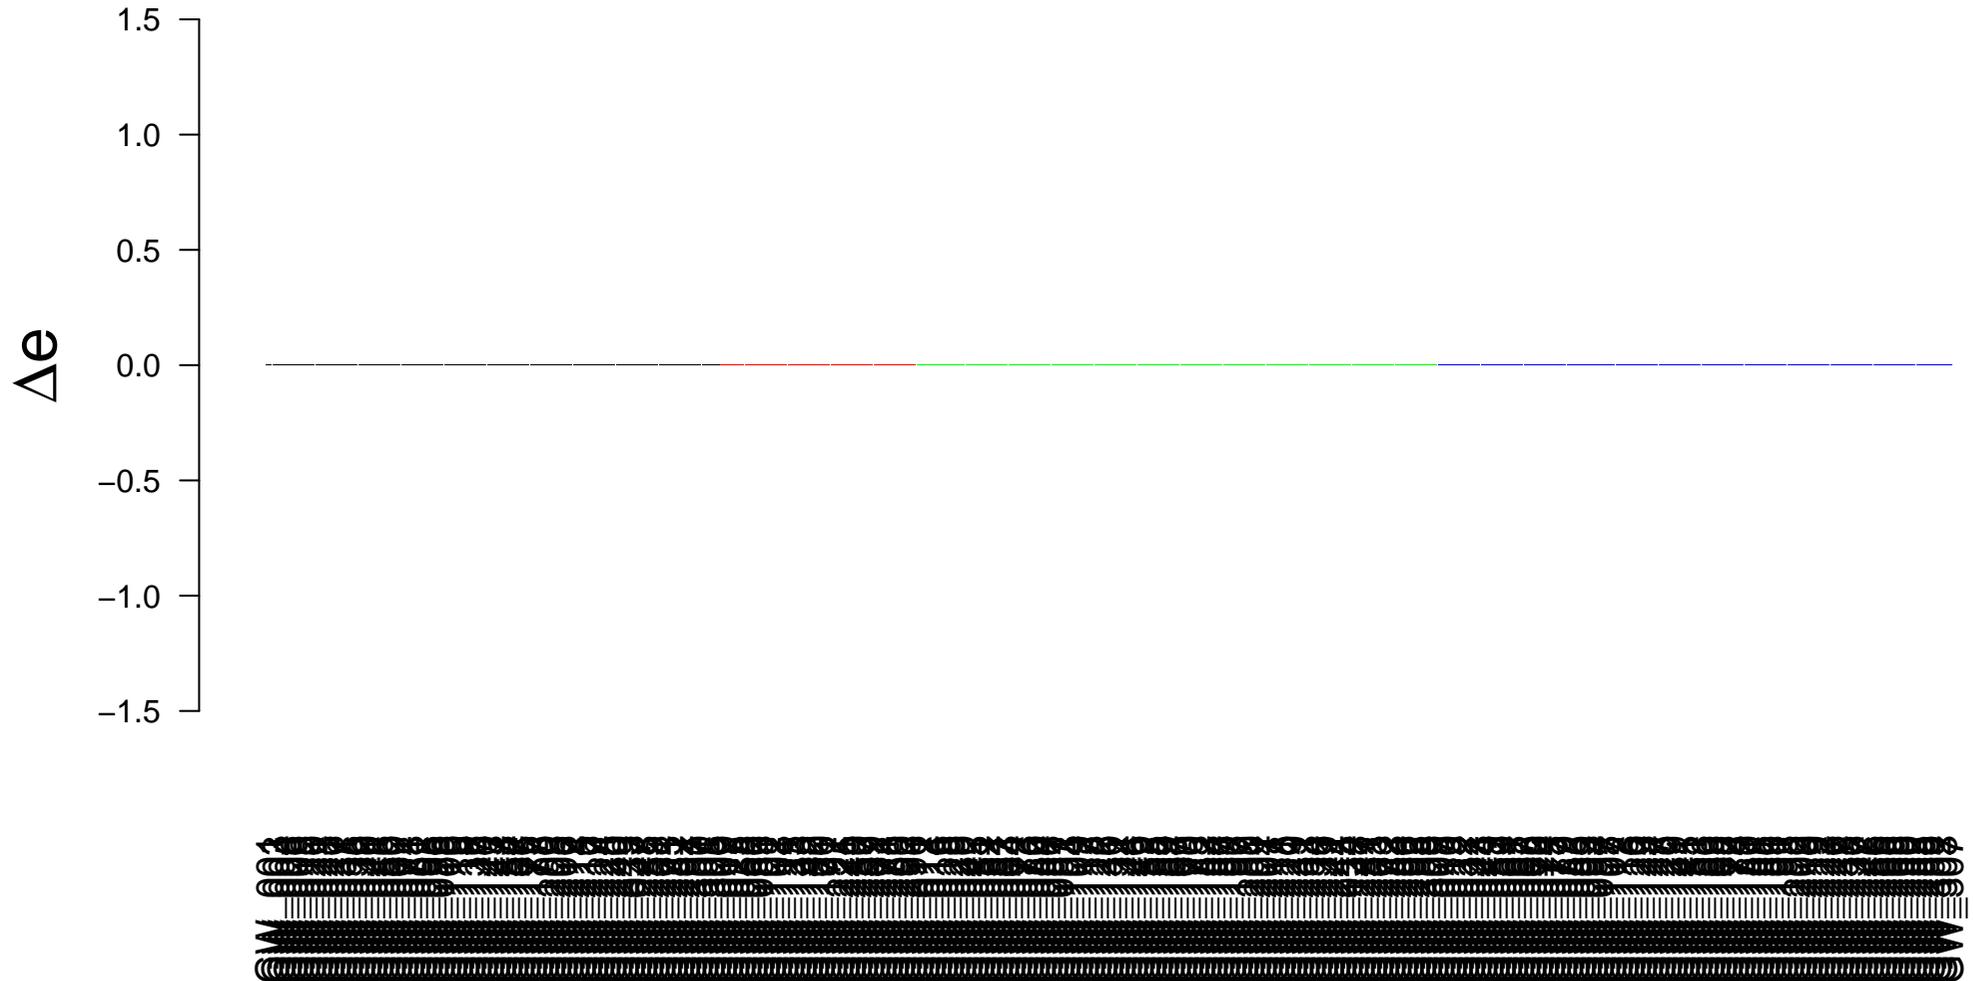

# Expression of NAD biosynthetic process in Spot E

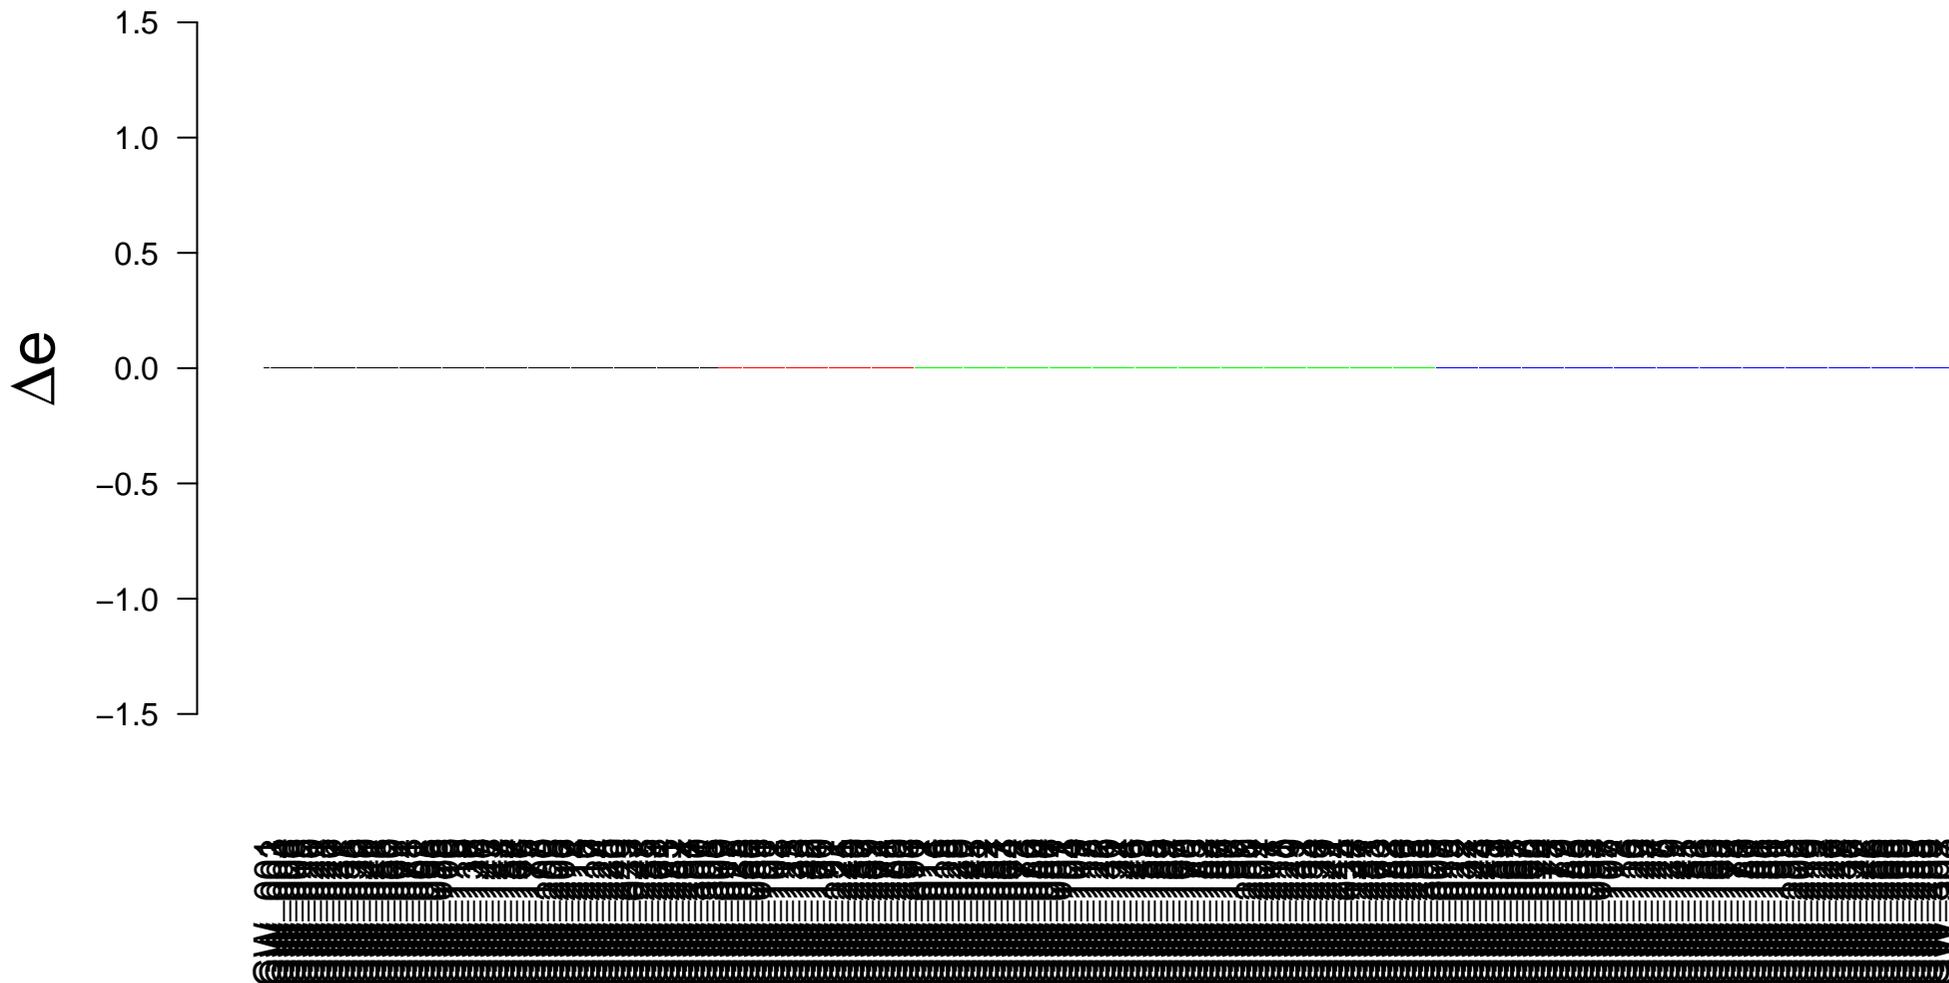

# Expression of NAD biosynthetic process in Spot F

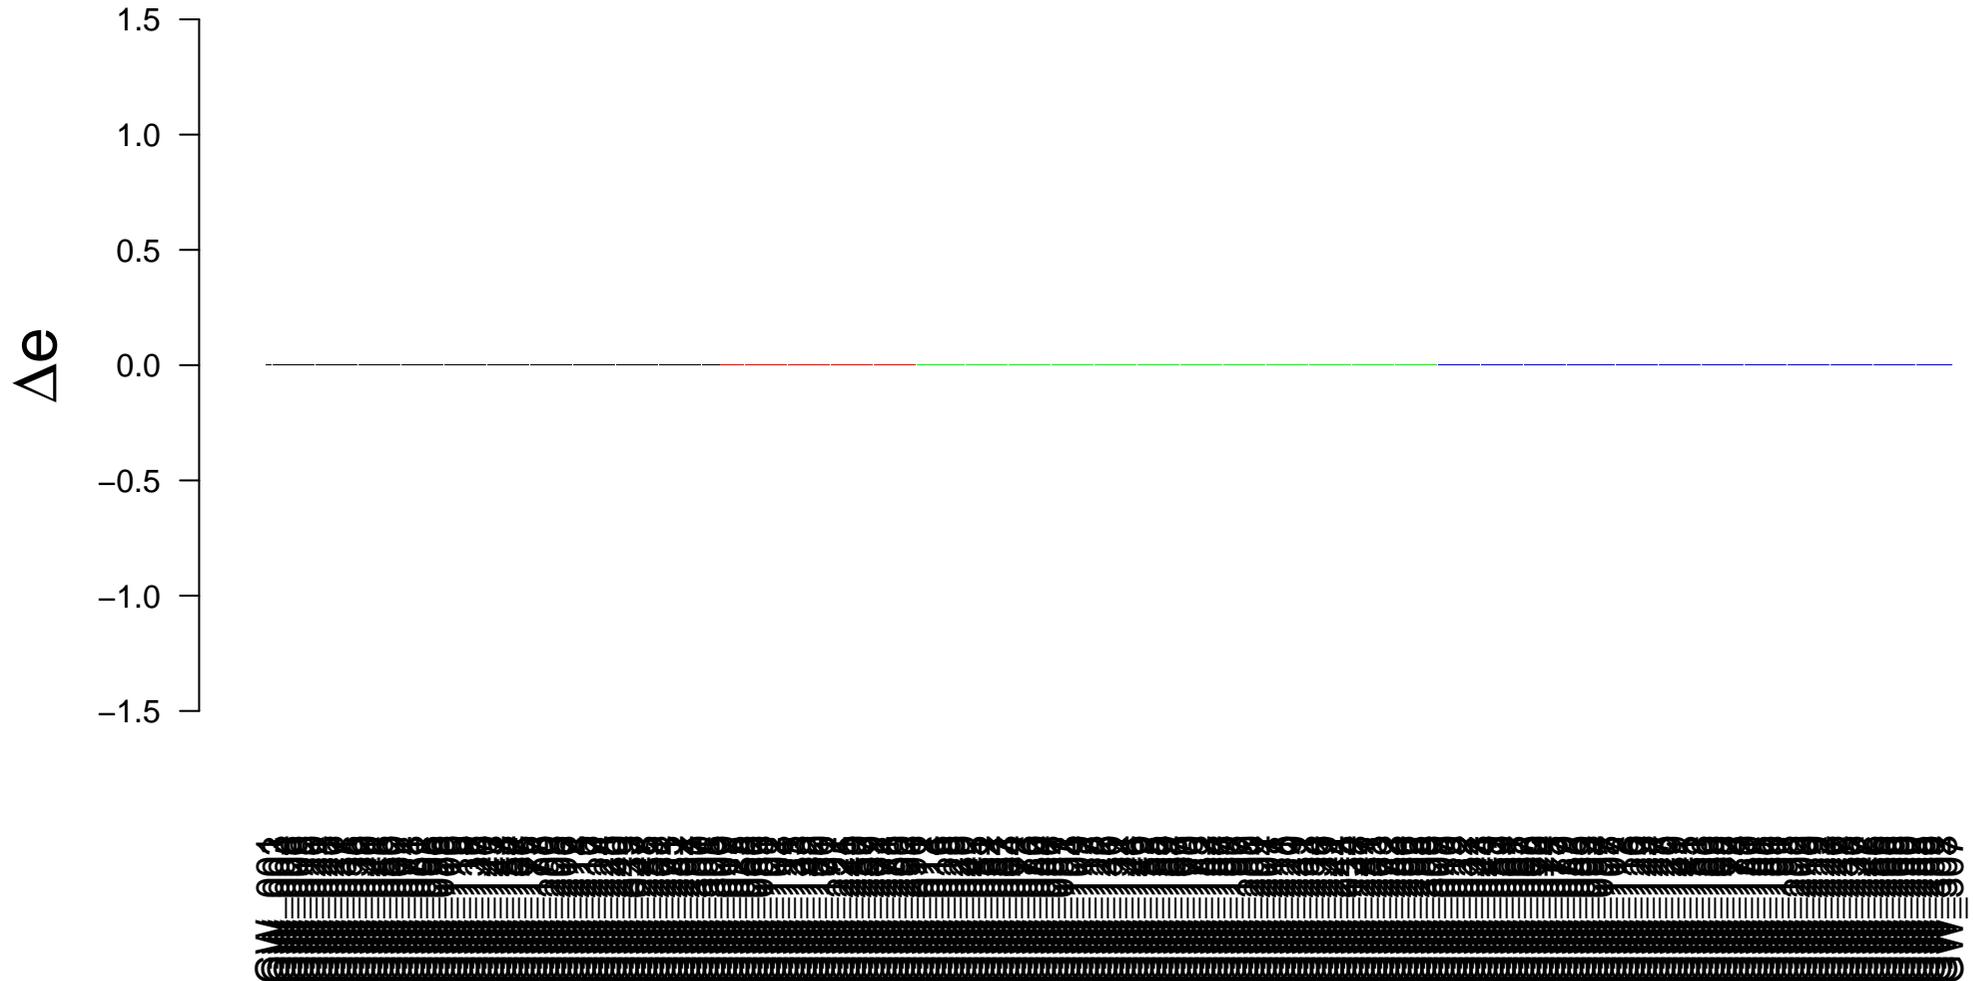

# Expression of NAD biosynthetic process in Spot G

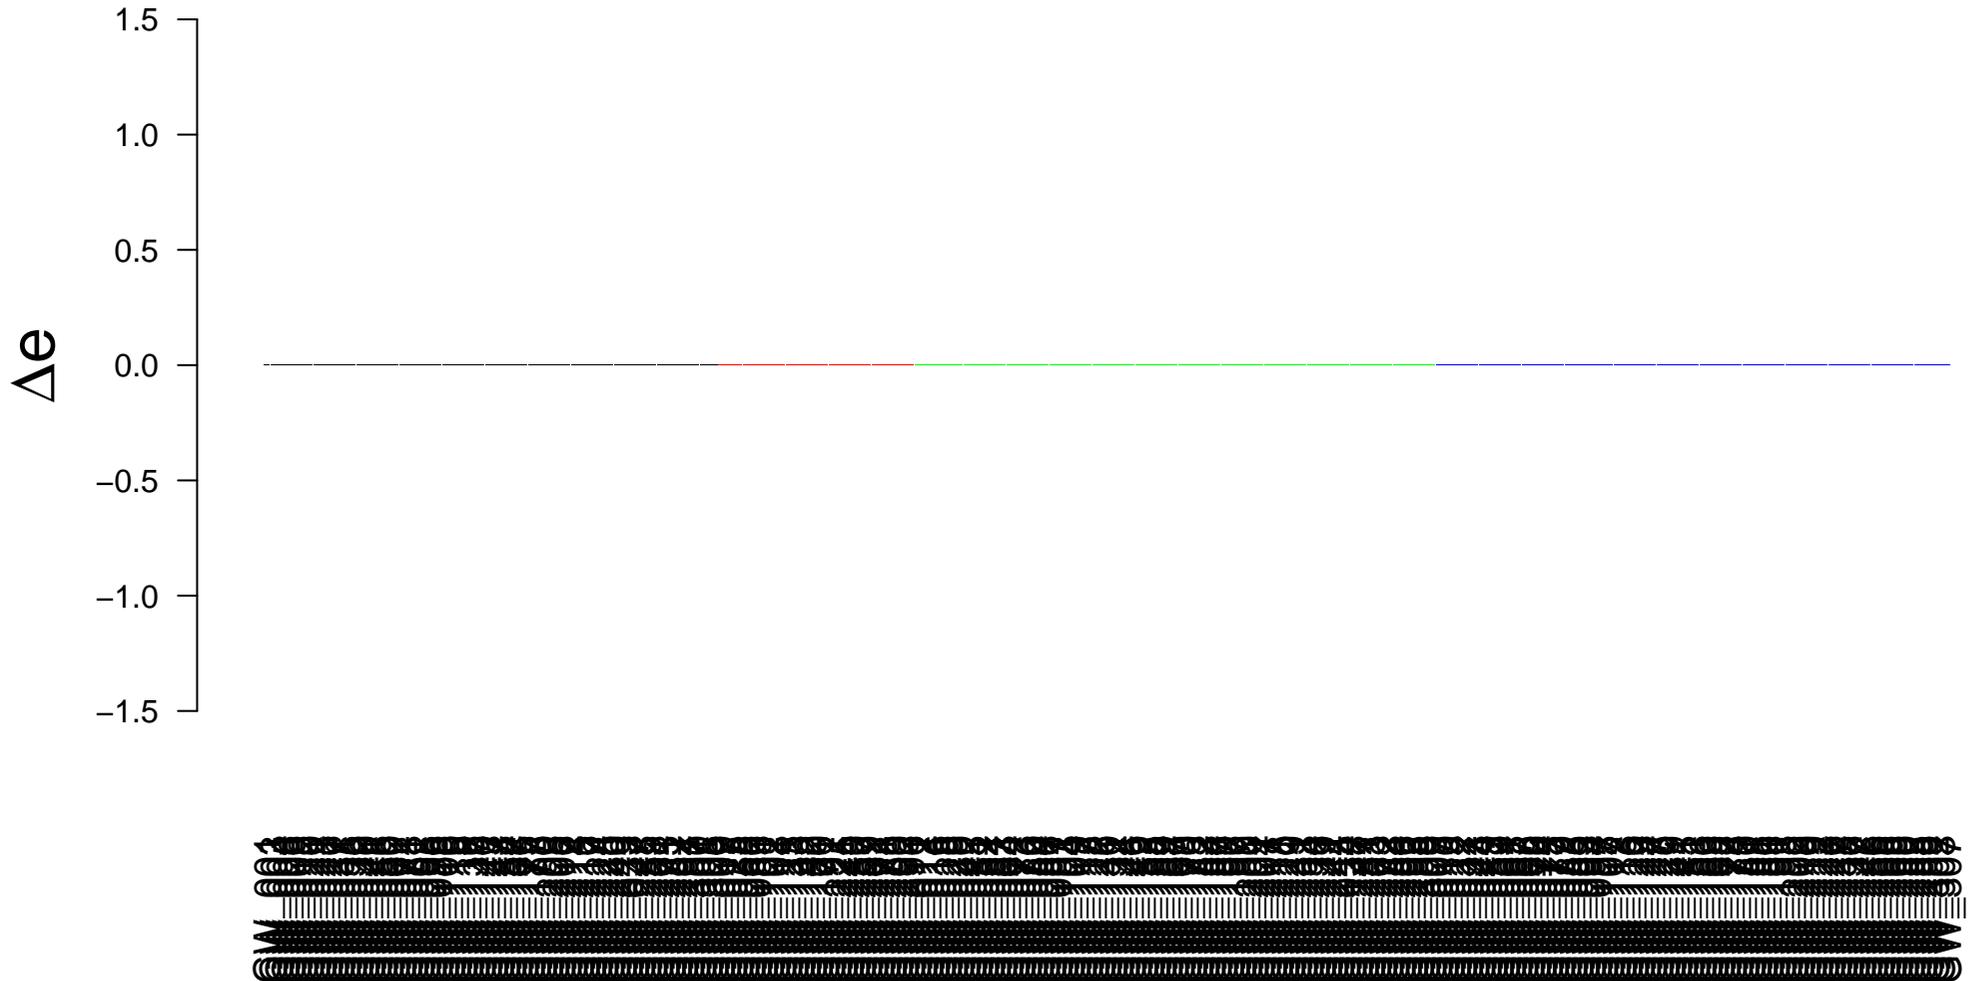

# Expression of NAD biosynthetic process in Spot H

# Expression of NAD biosynthetic process in Spot I

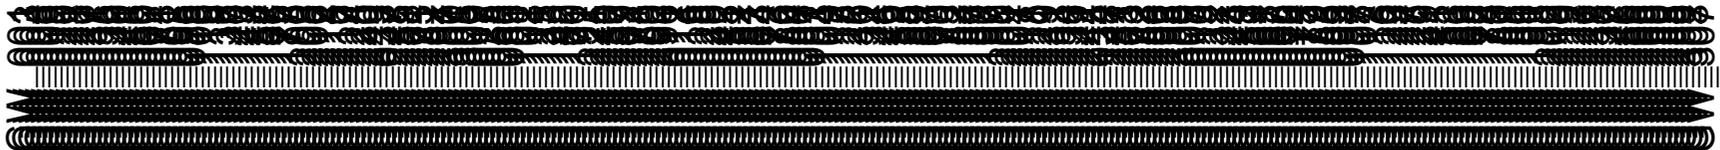

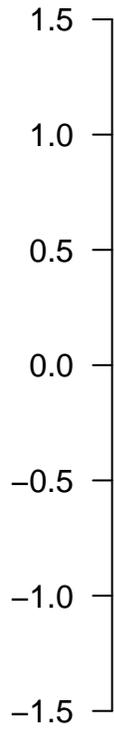

# Expression of NAD biosynthetic process in Spot J

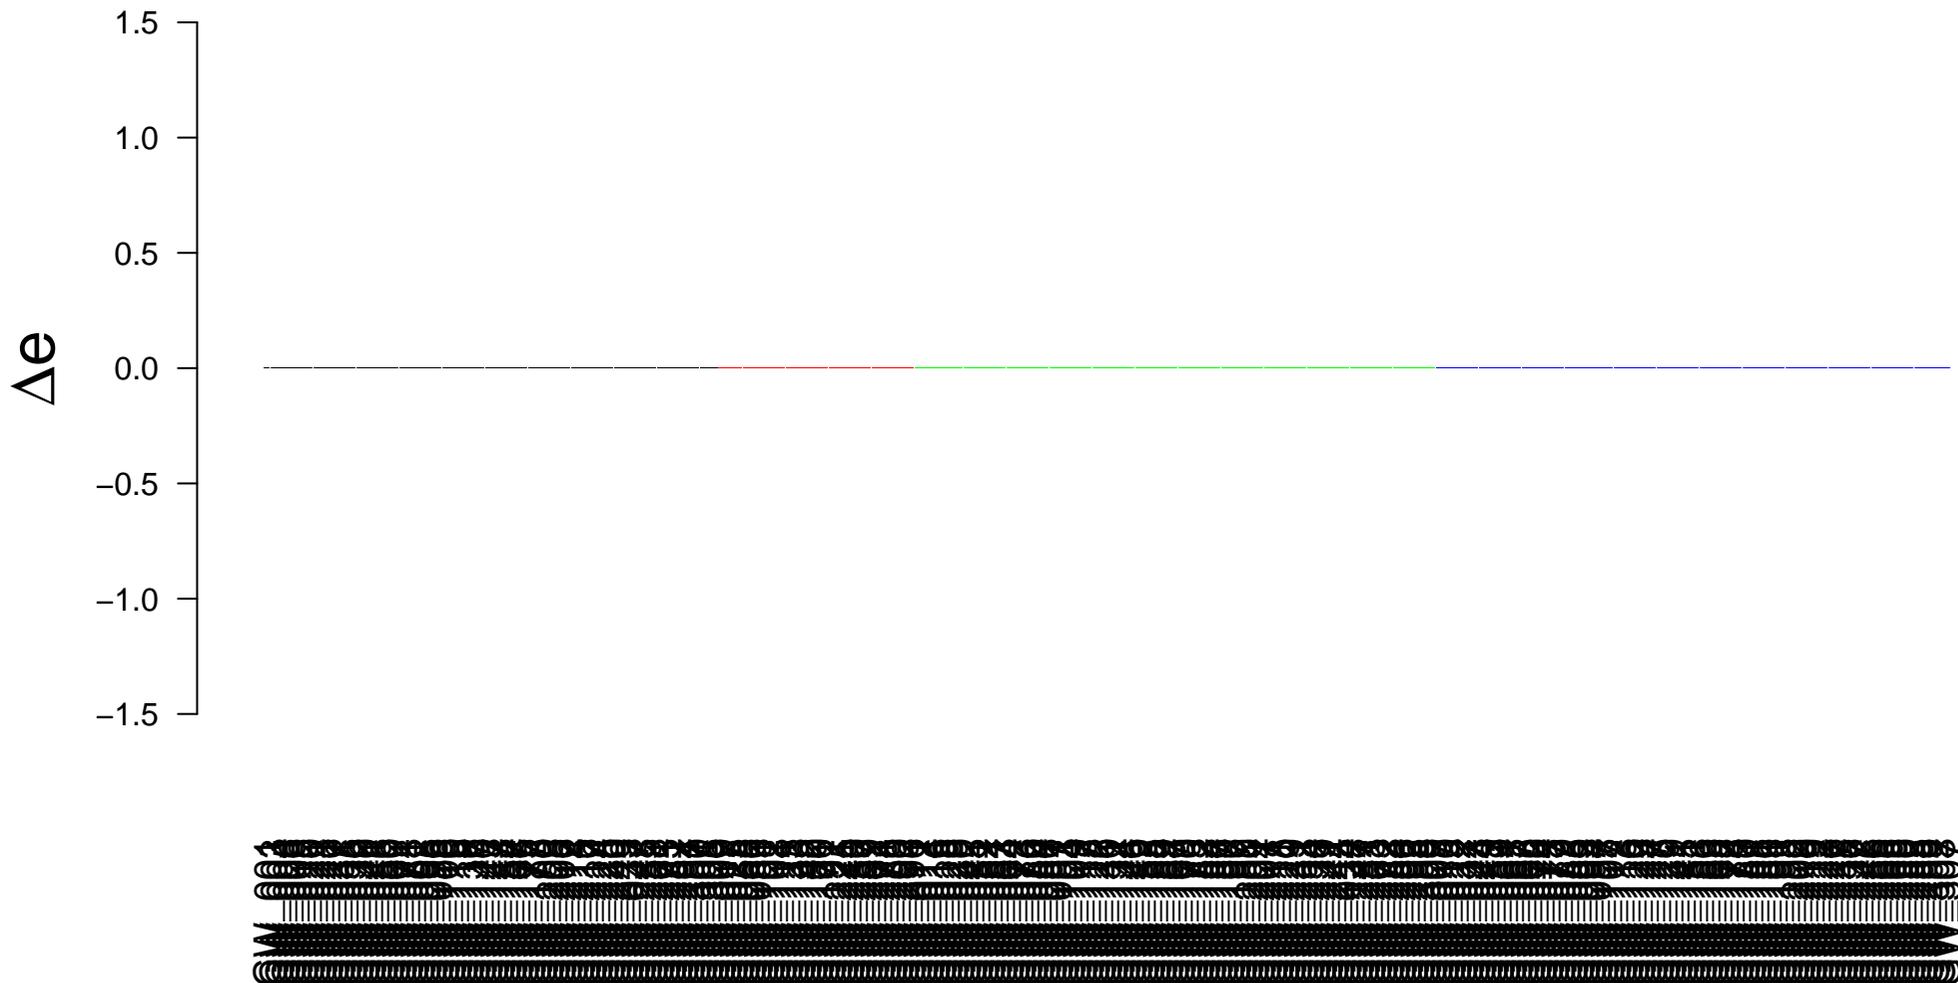

# Expression of NAD biosynthetic process in Spot K

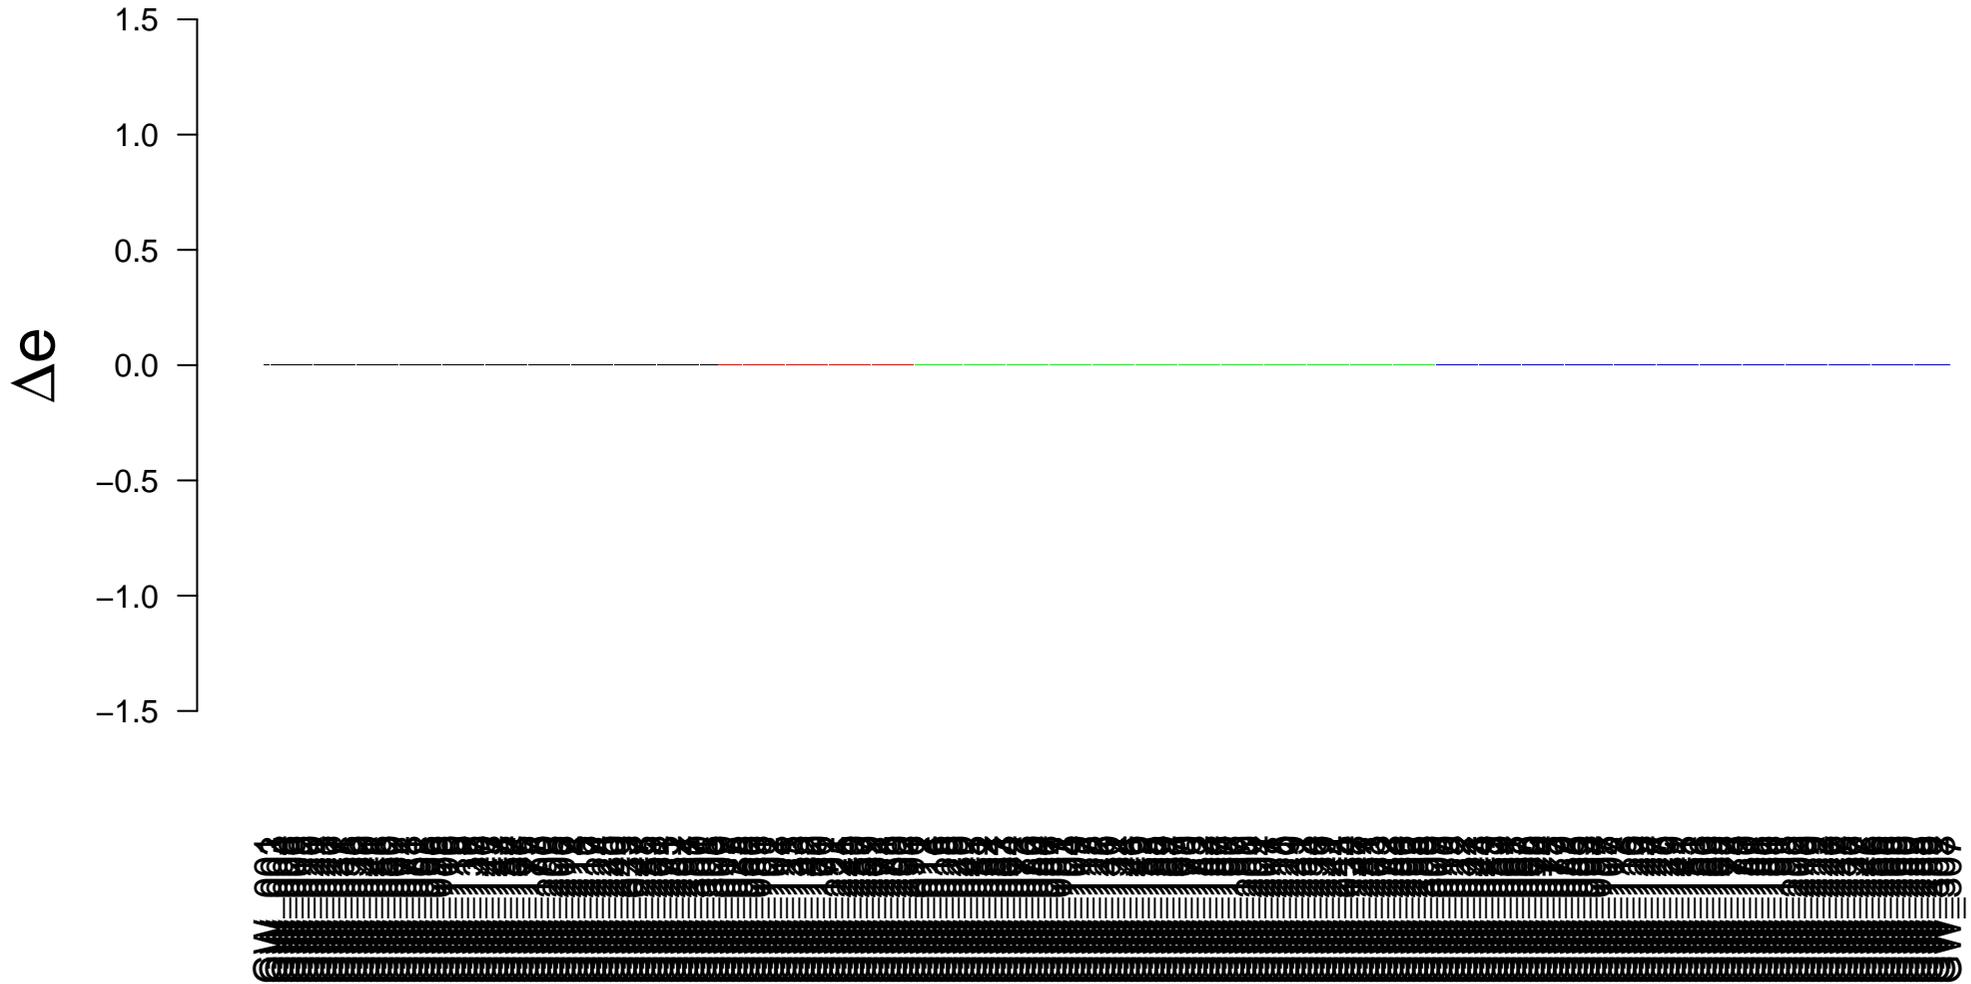

$\Delta e$

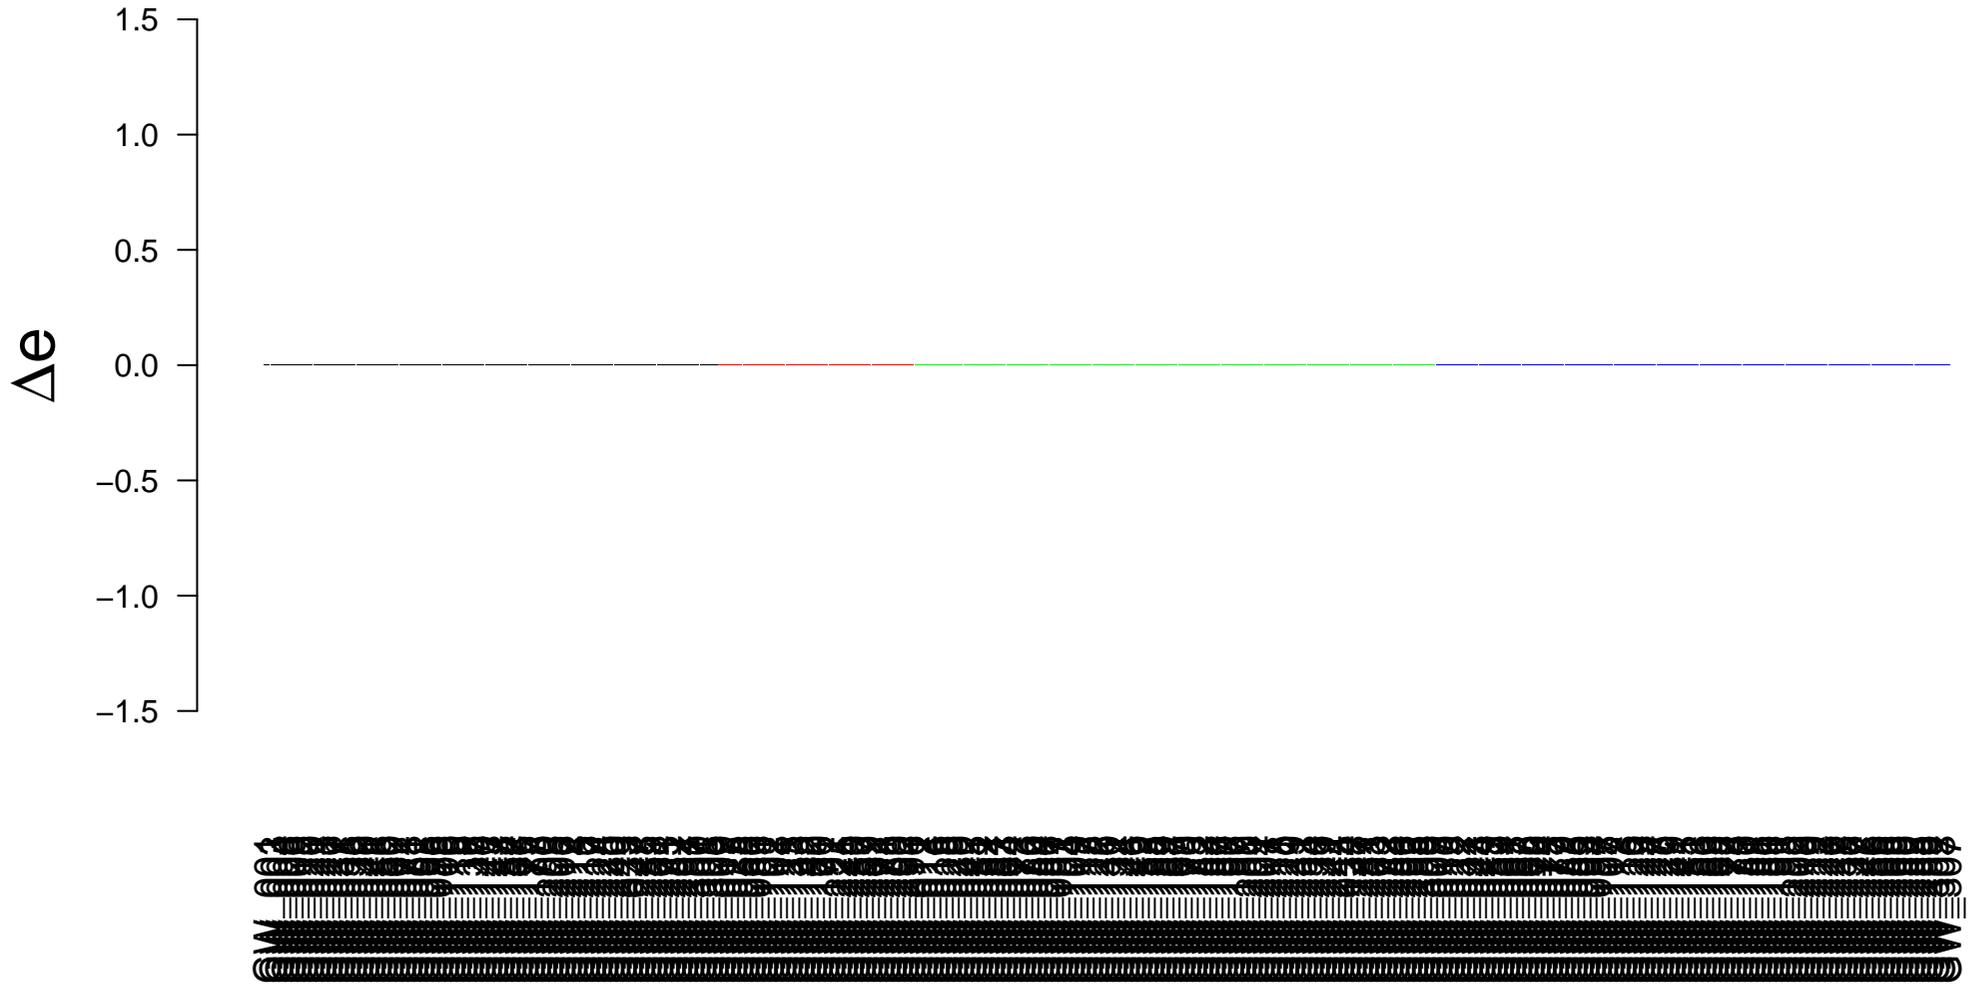

# Expression of NAD biosynthetic process in Spot L

# Expression of NAD biosynthetic process in Spot M

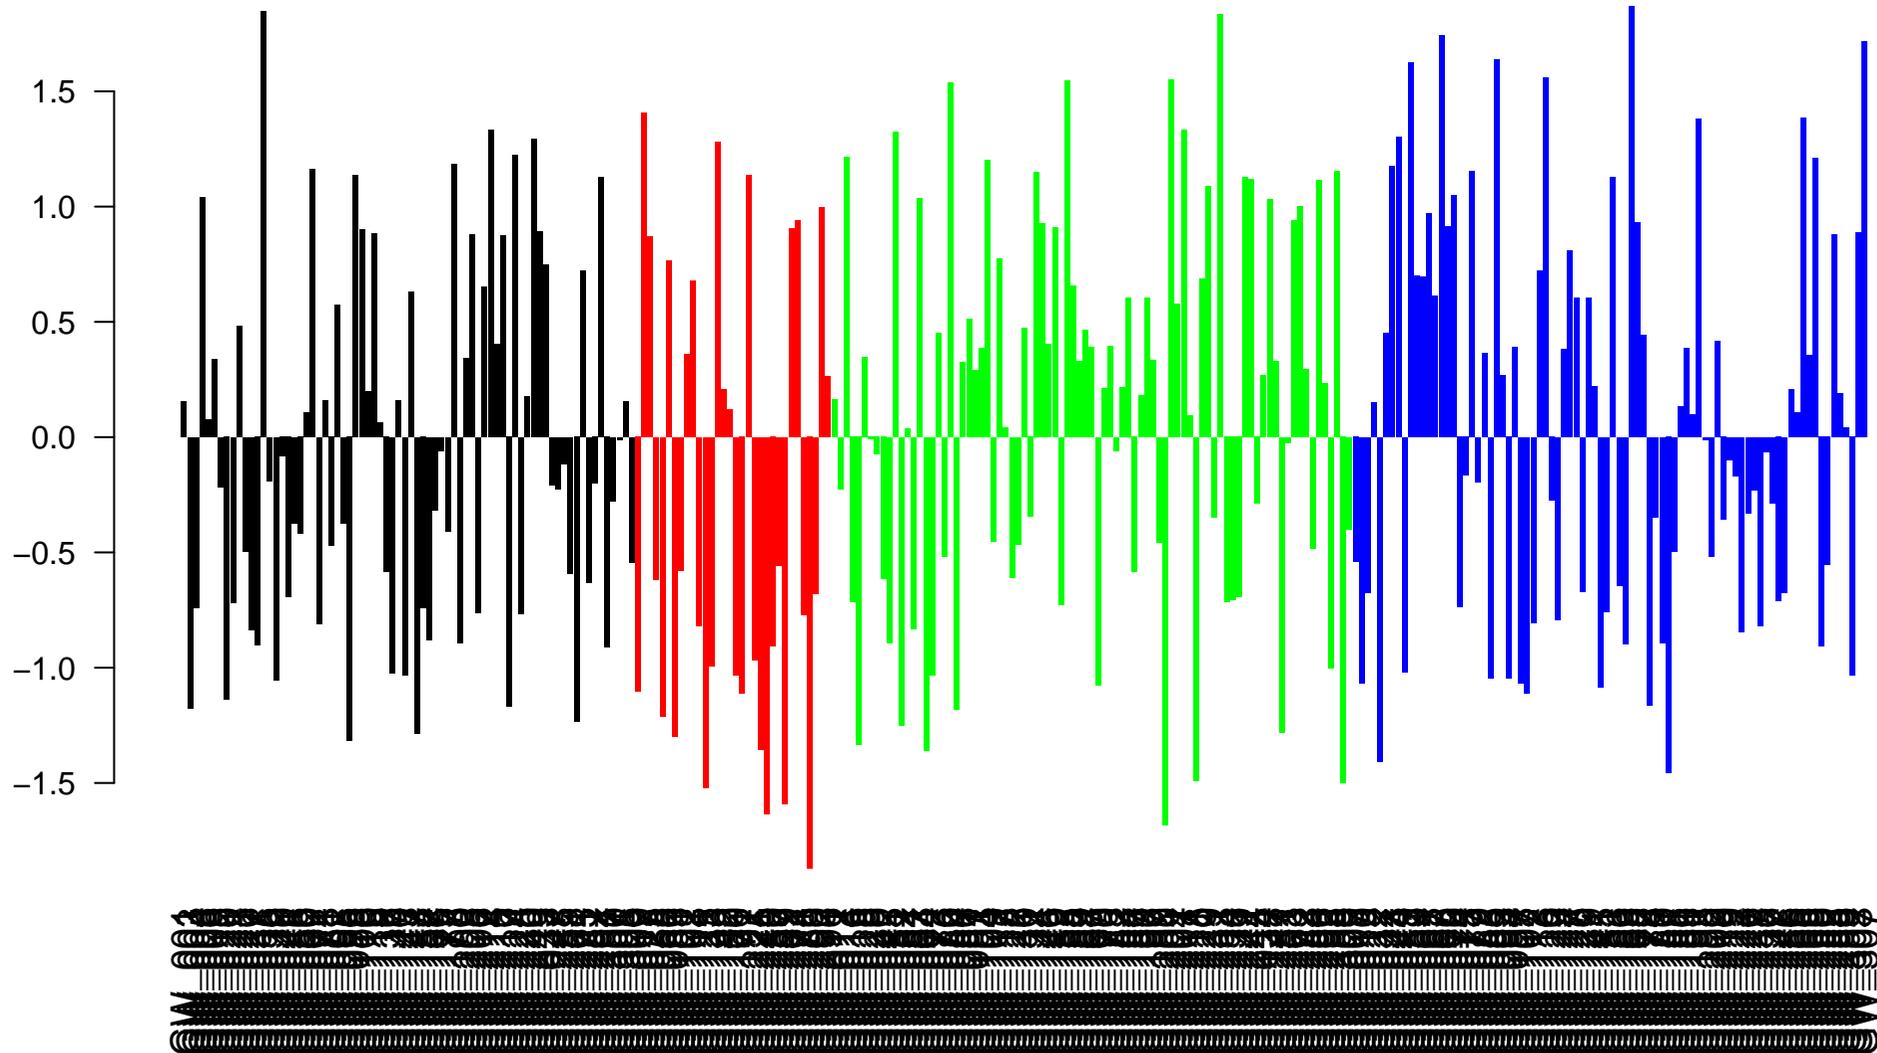

# Expression of NAD biosynthetic process in Spot N

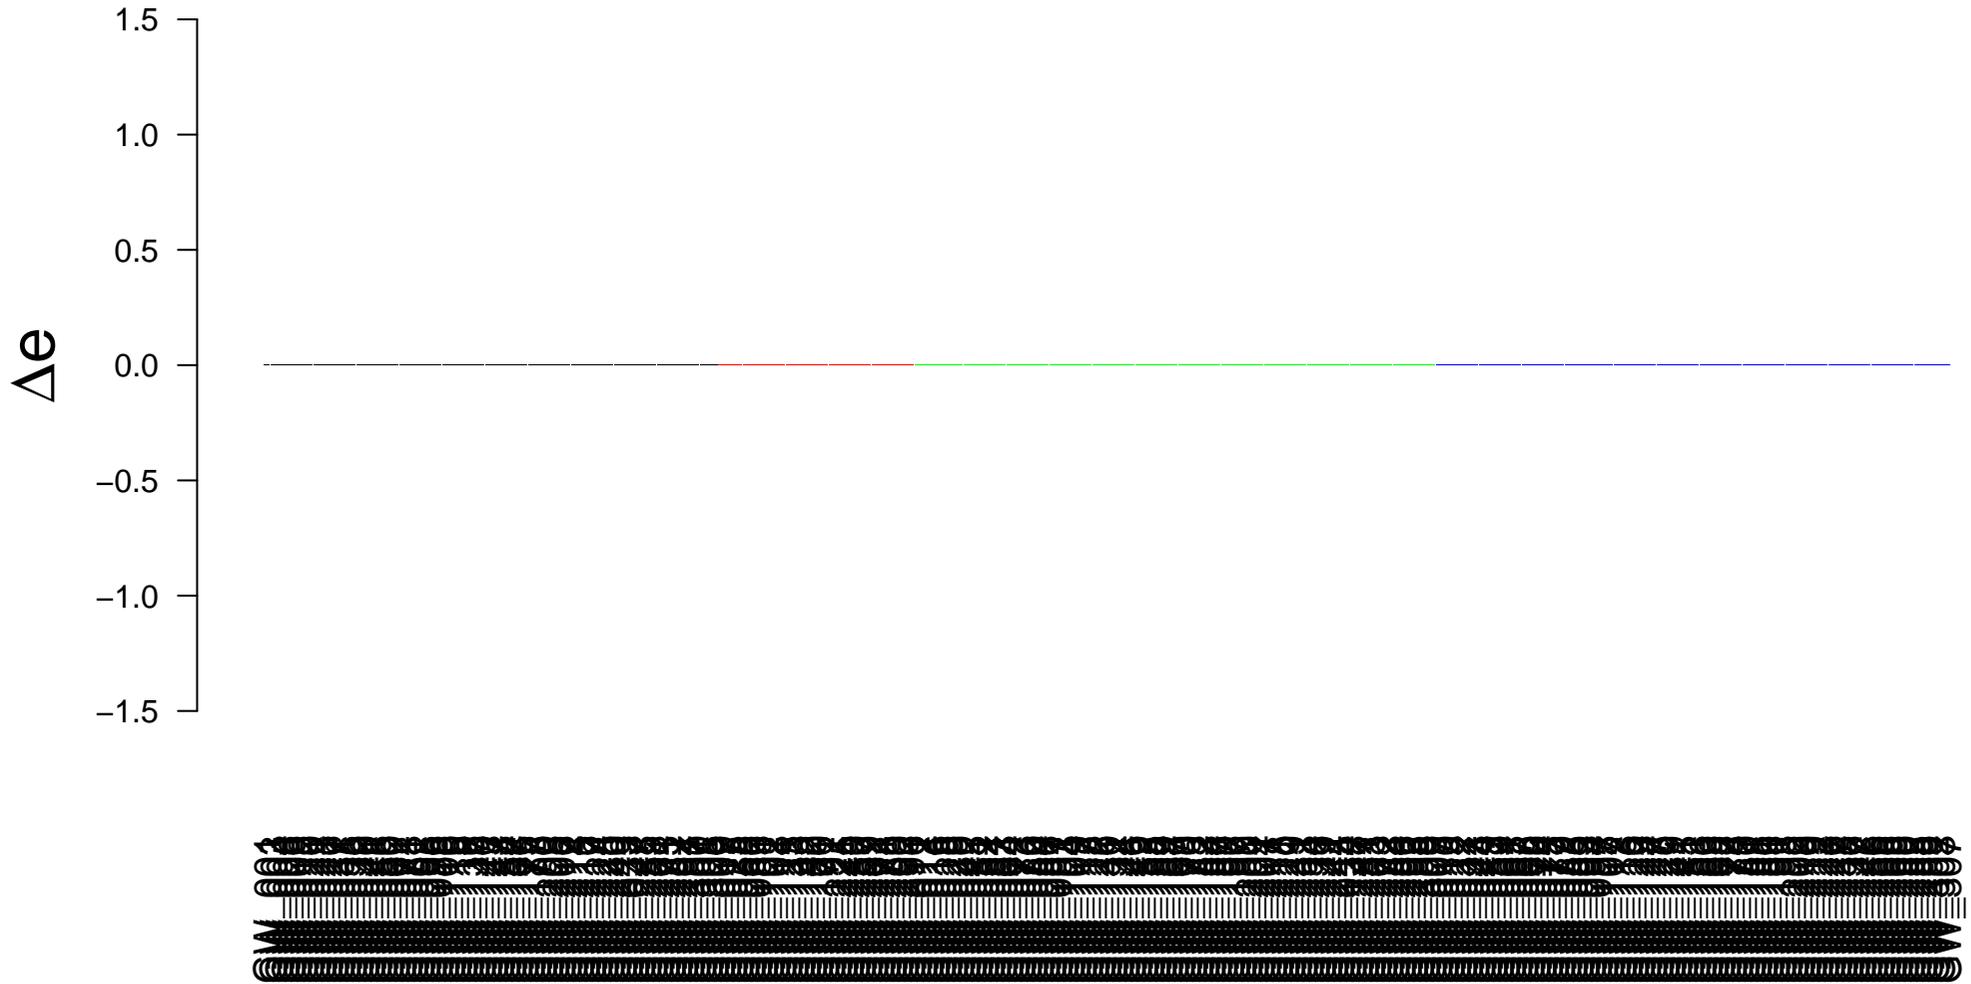

# Expression of NAD biosynthetic process in Spot O

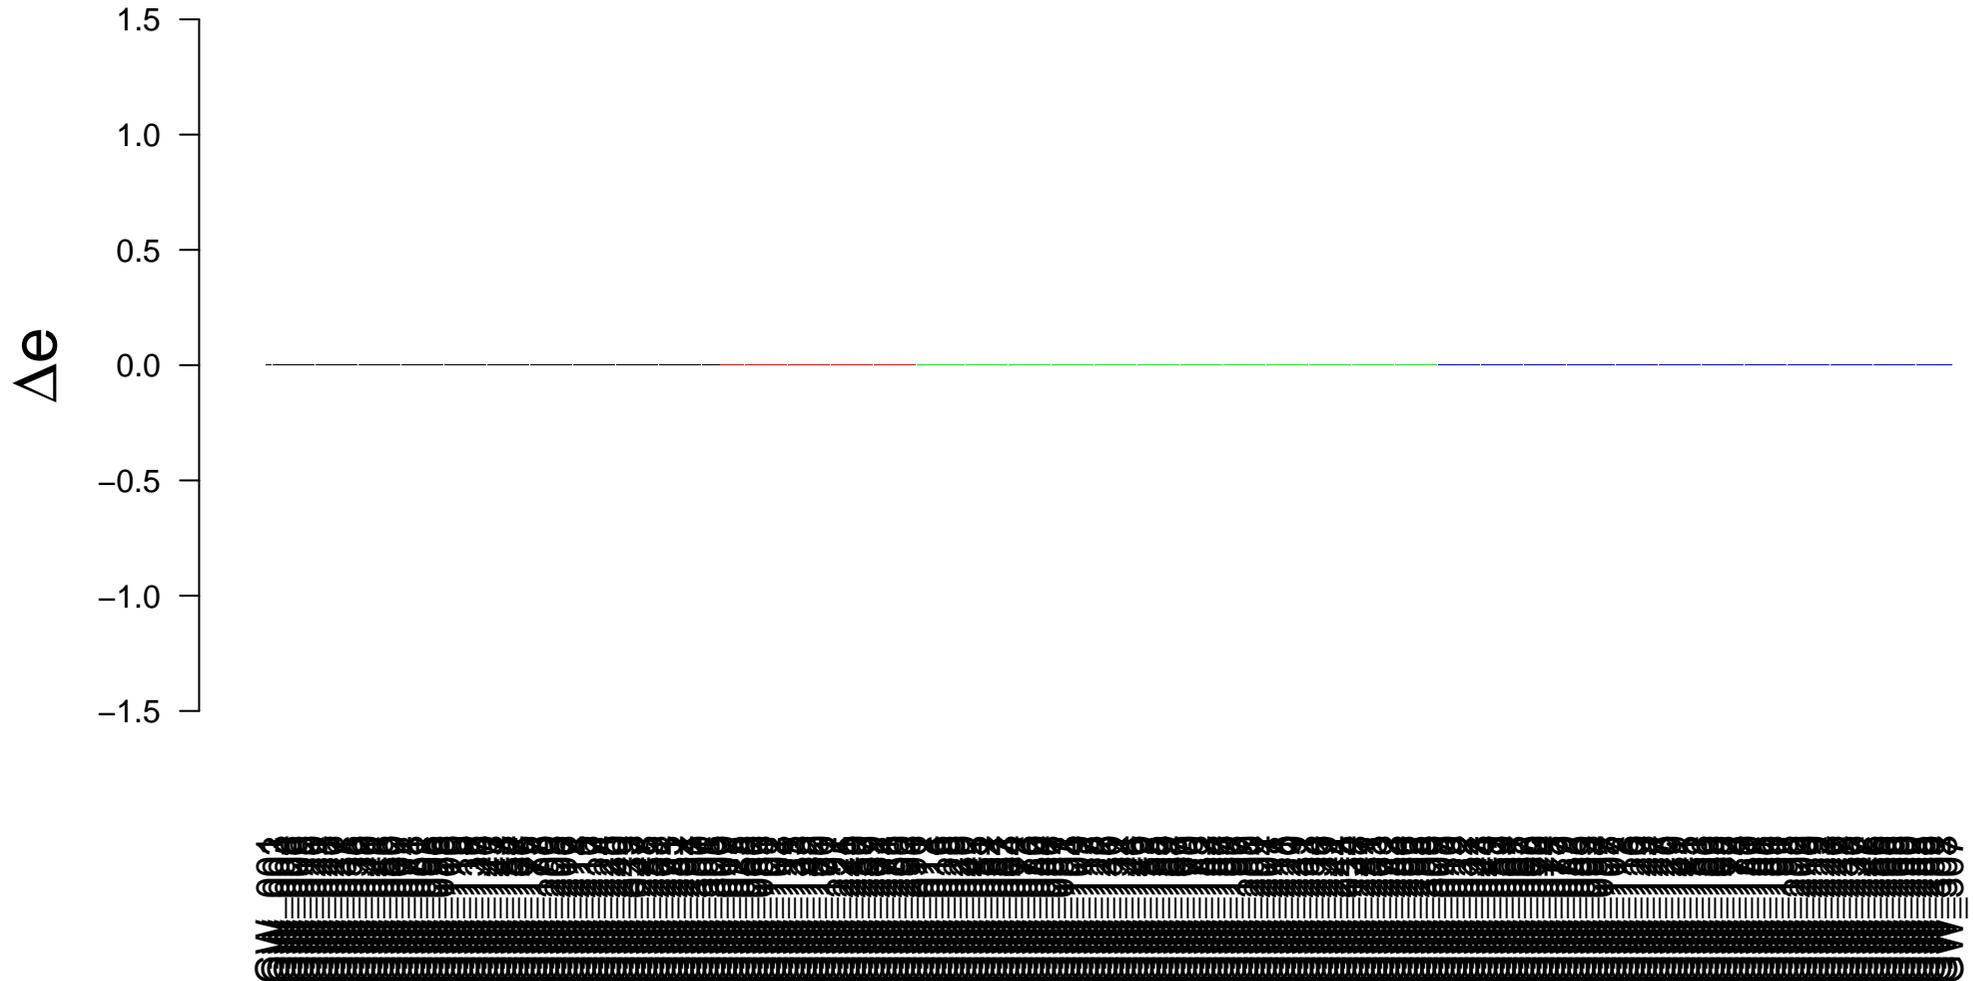

$\Delta e$

# Expression of NAD biosynthetic process in Spot P

# Expression of NAD biosynthetic process in Spot Q

# Expression of NAD biosynthetic process in Spot R
