

NADH dehydrogenase activity

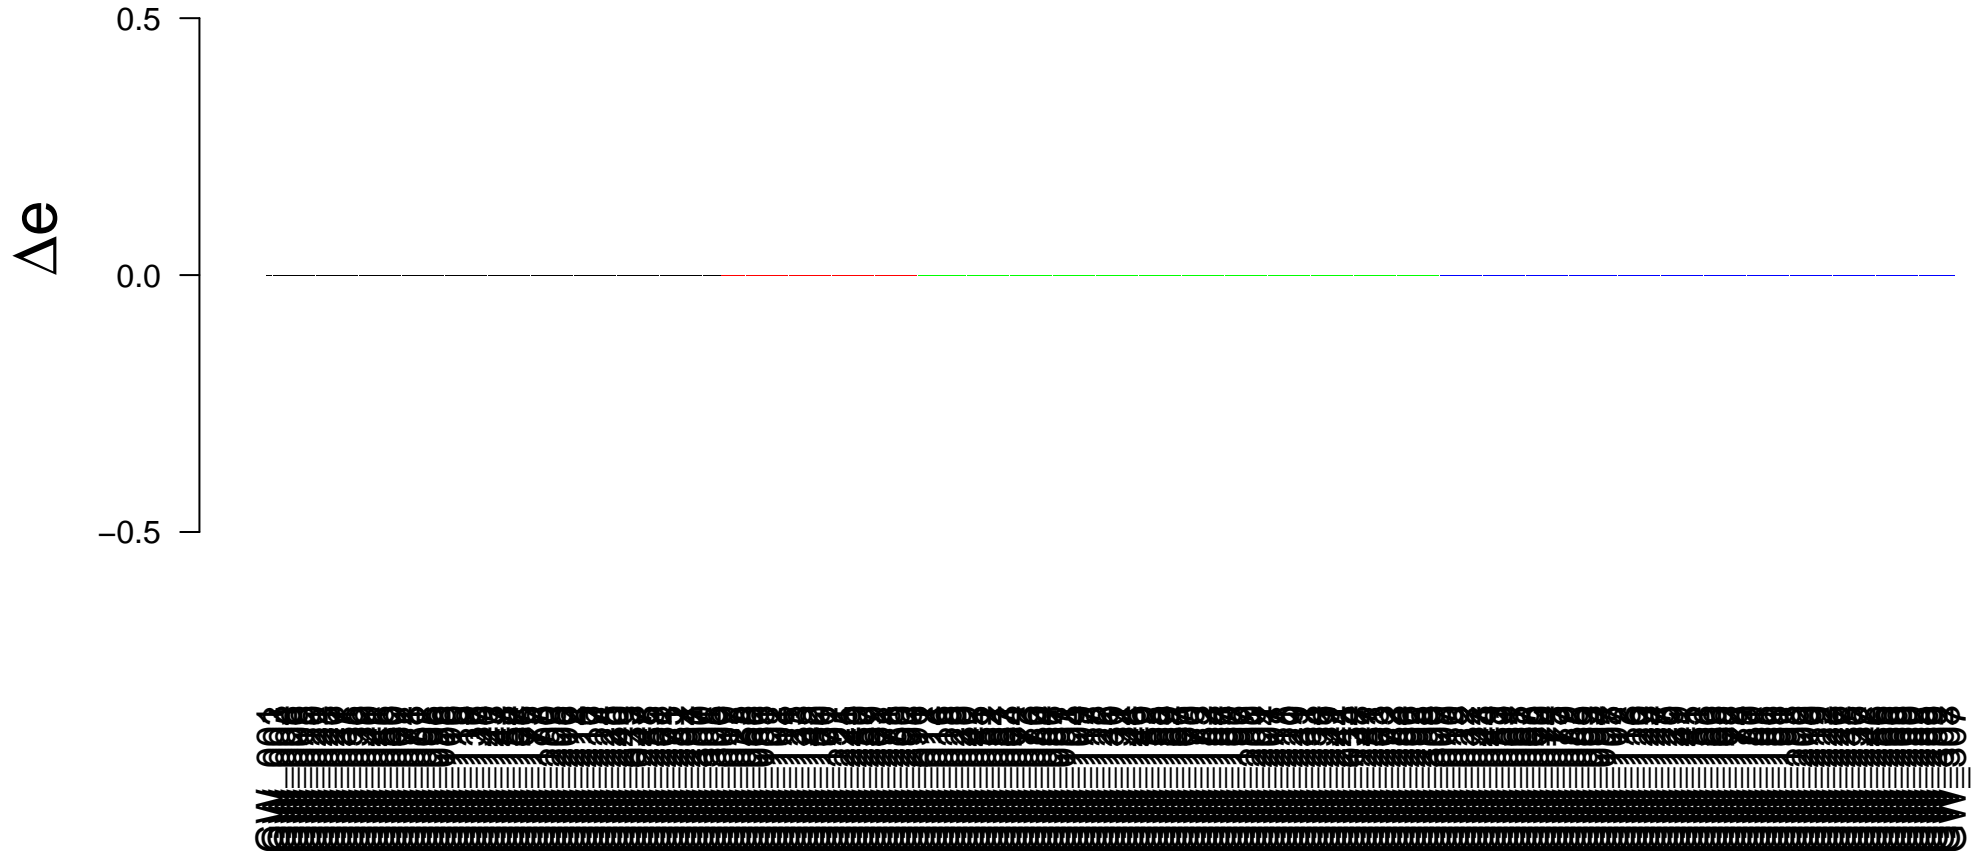

NADH dehydrogenase activity

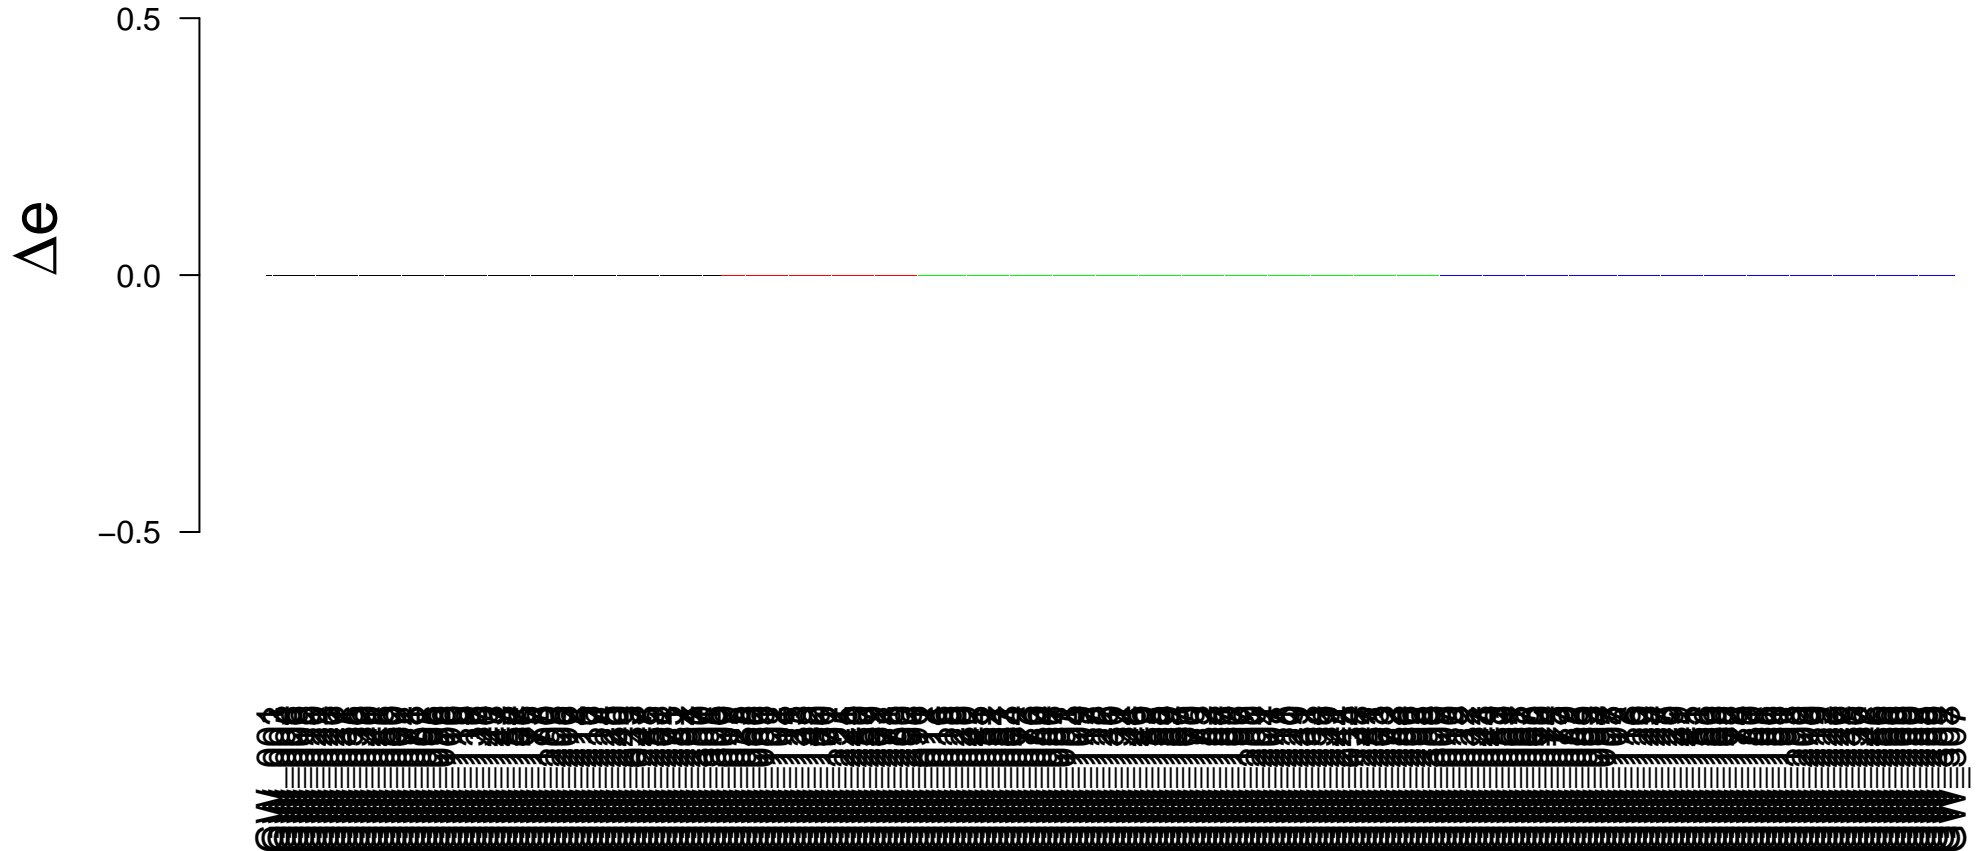

Enrichment in spots: NADH dehydrogenase activity

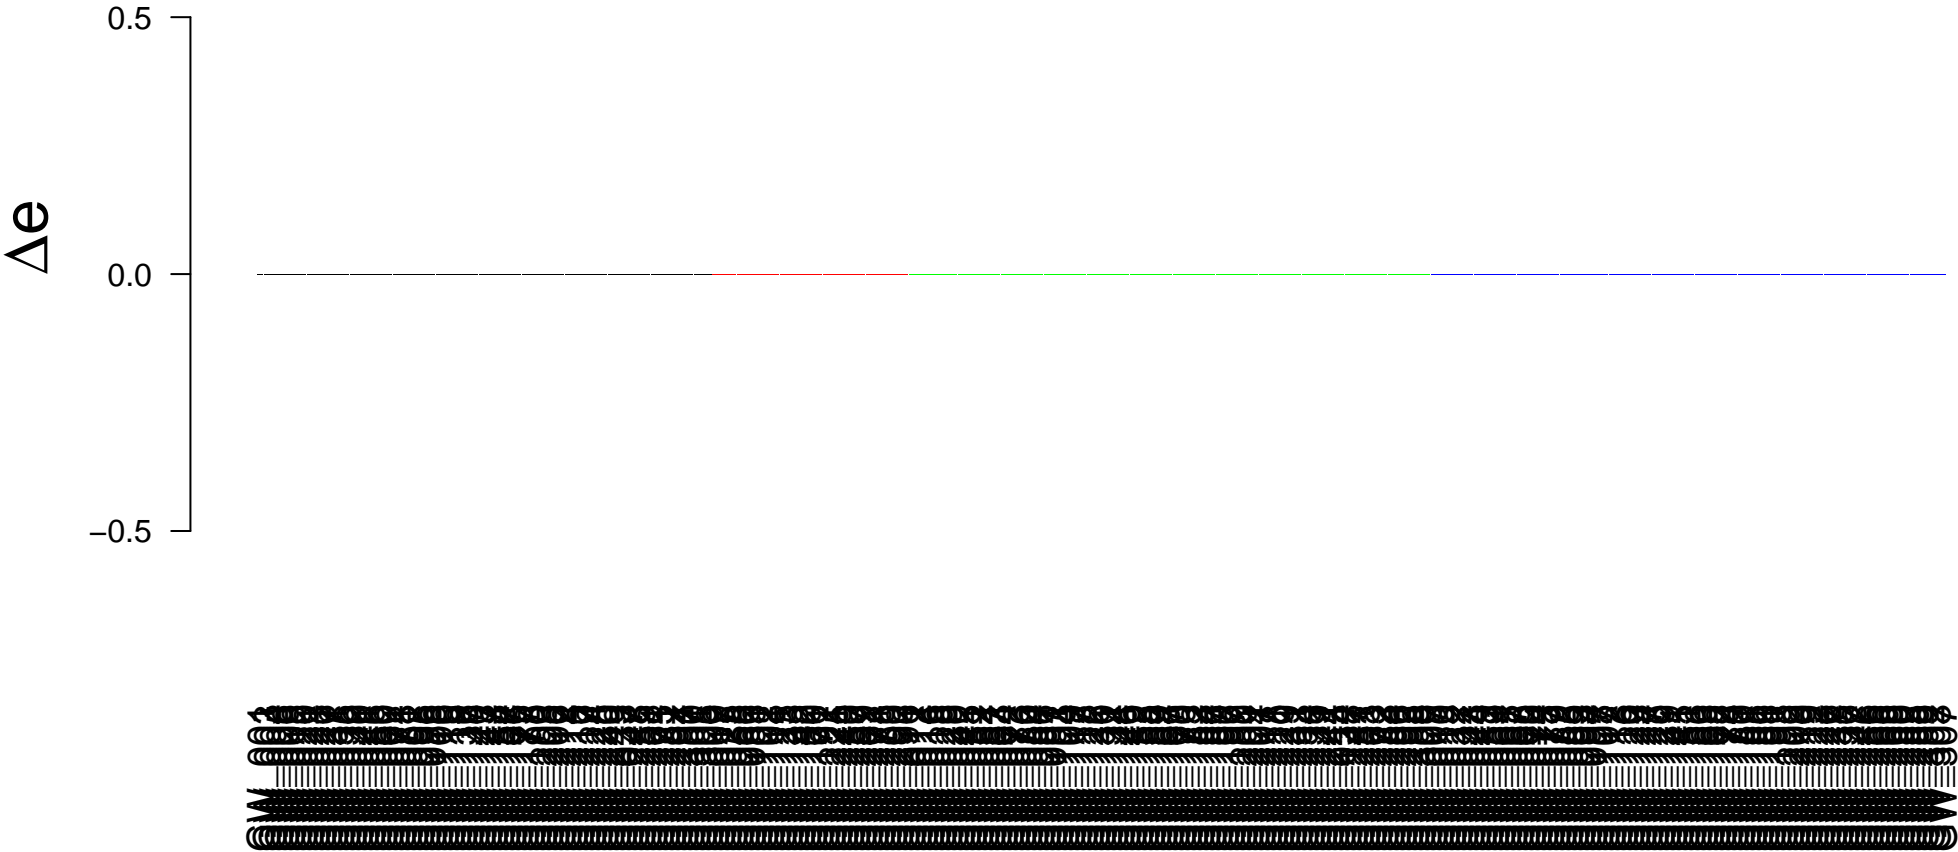

Expression of NADH dehydrogenase activity in Spot A

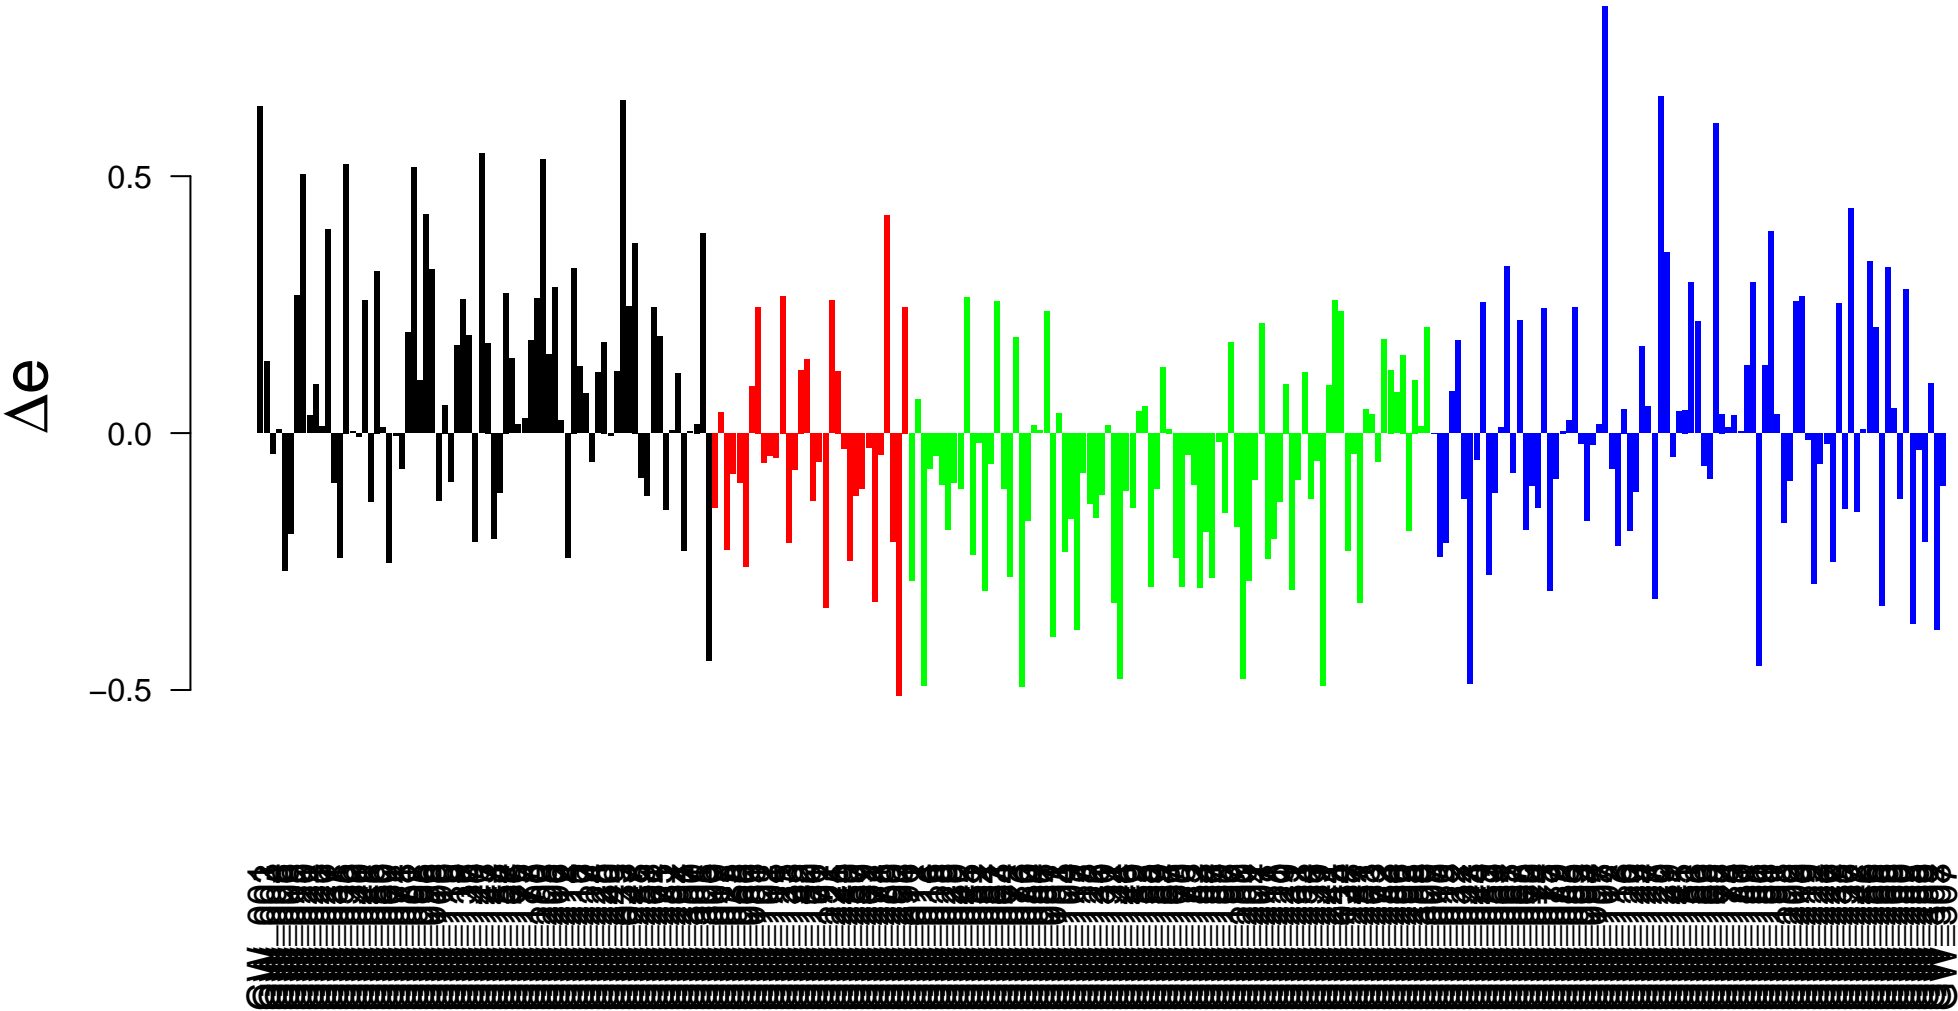

Expression of NADH dehydrogenase activity in Spot B

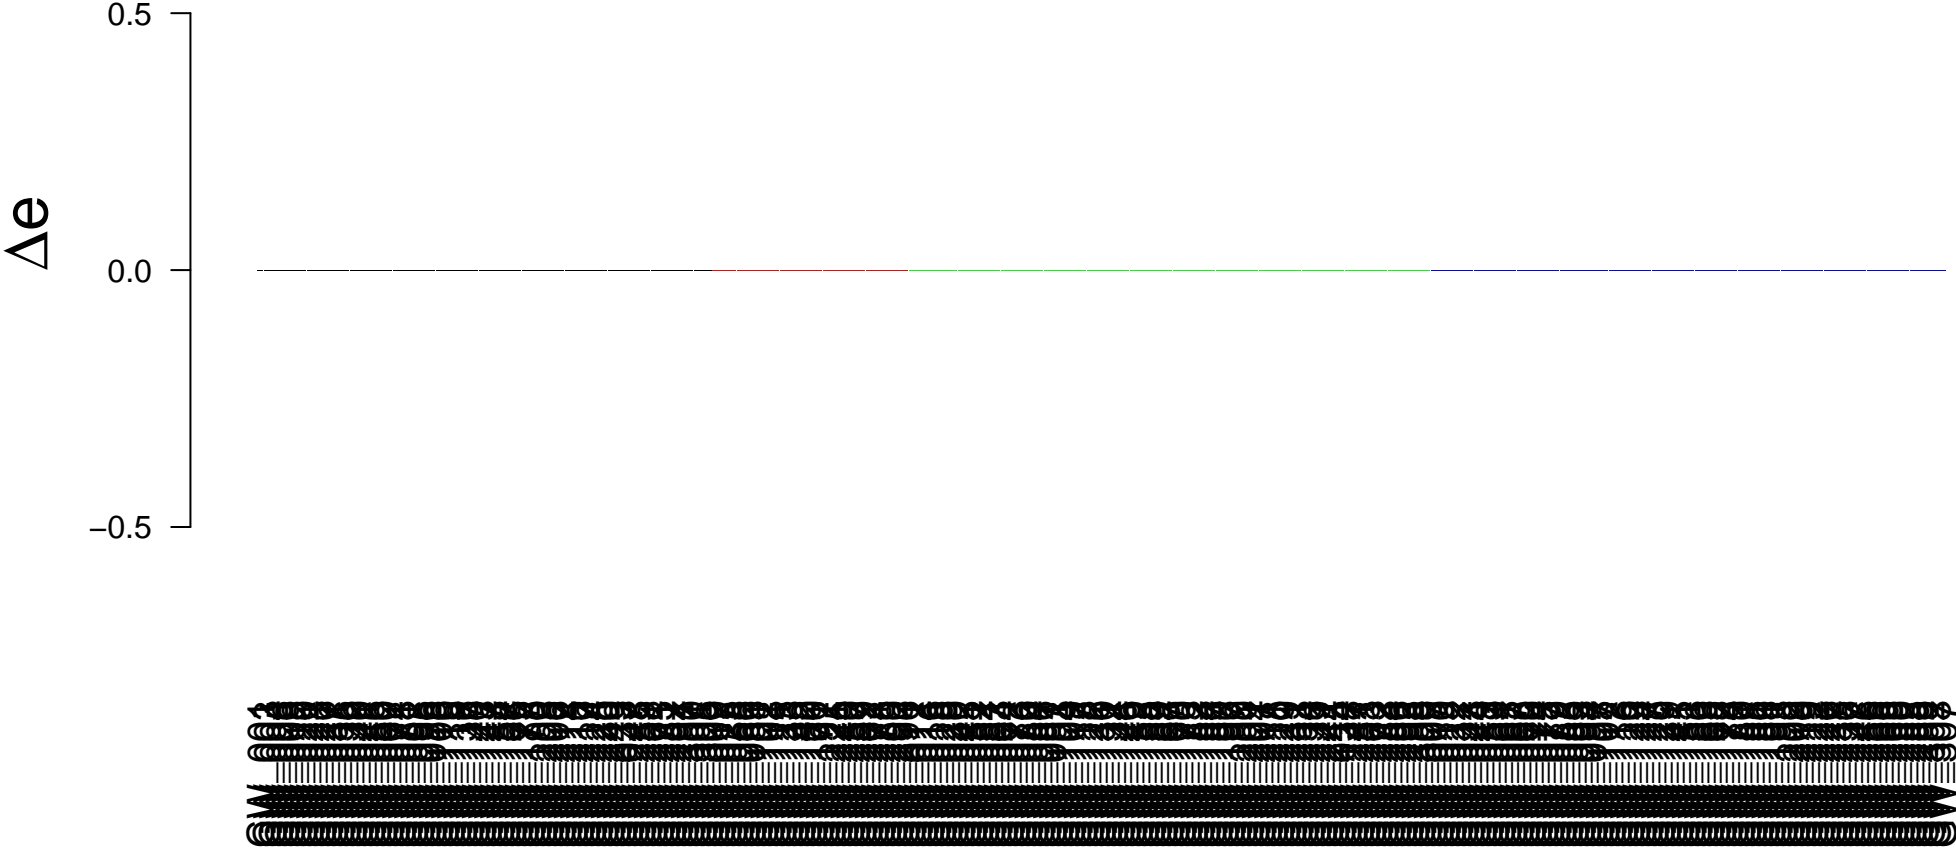

Expression of NADH dehydrogenase activity in Spot C

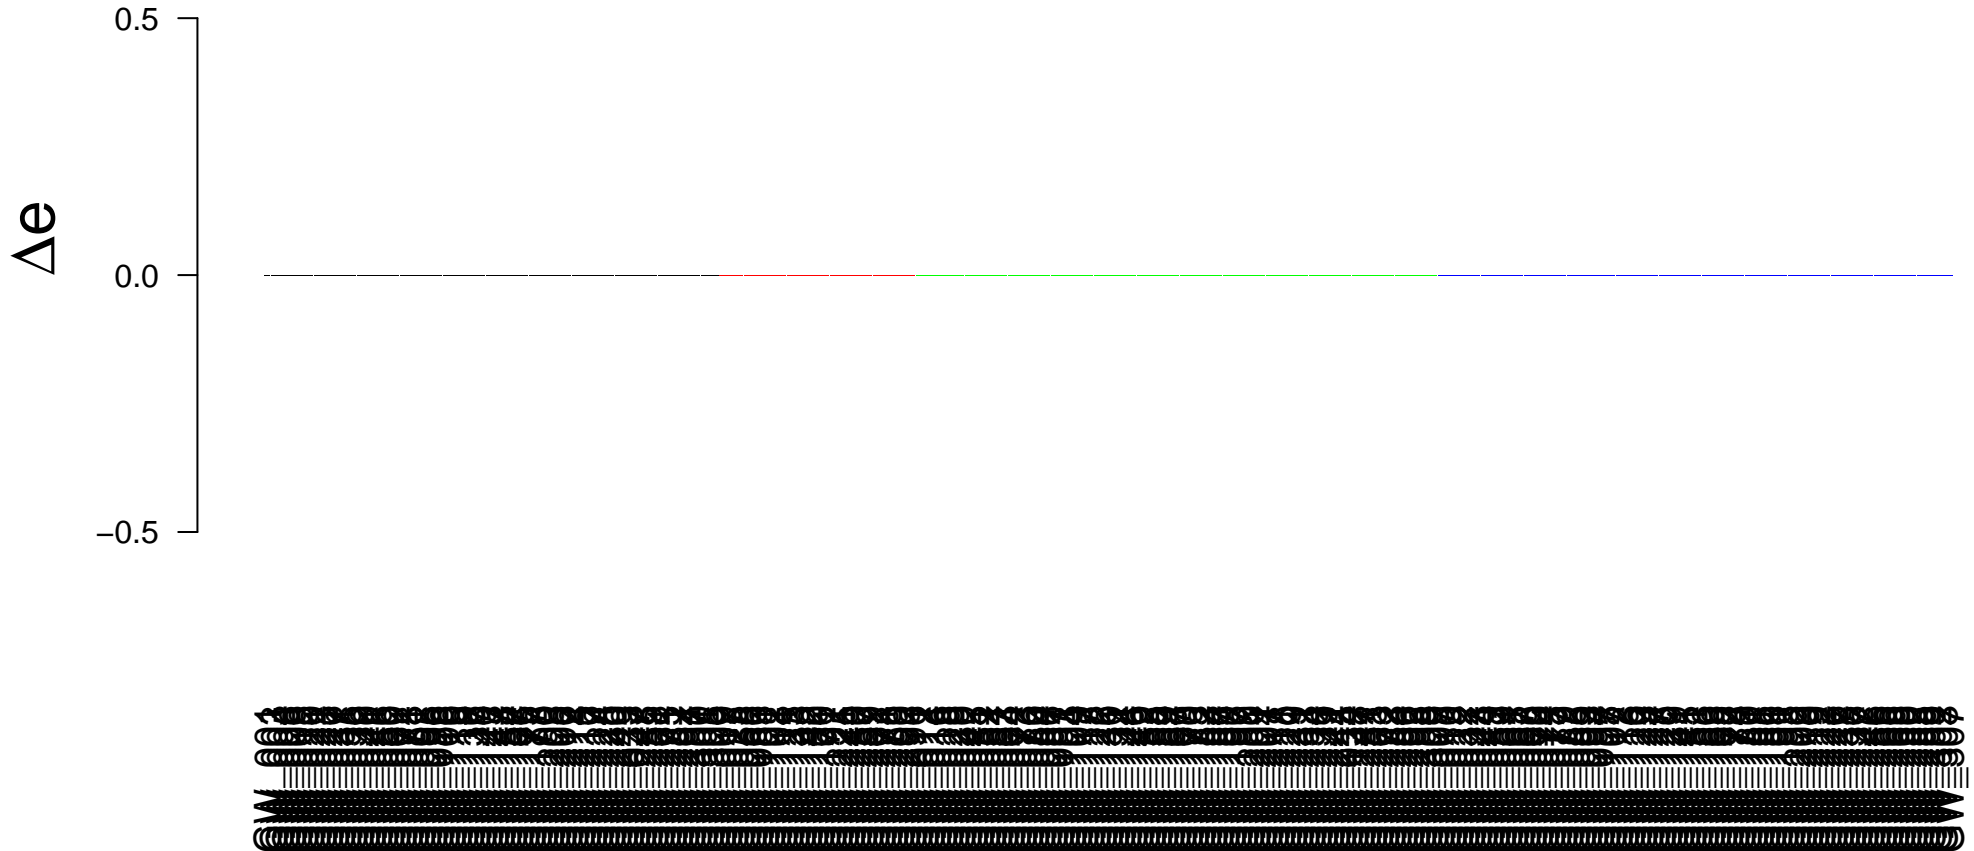

Expression of NADH dehydrogenase activity in Spot D

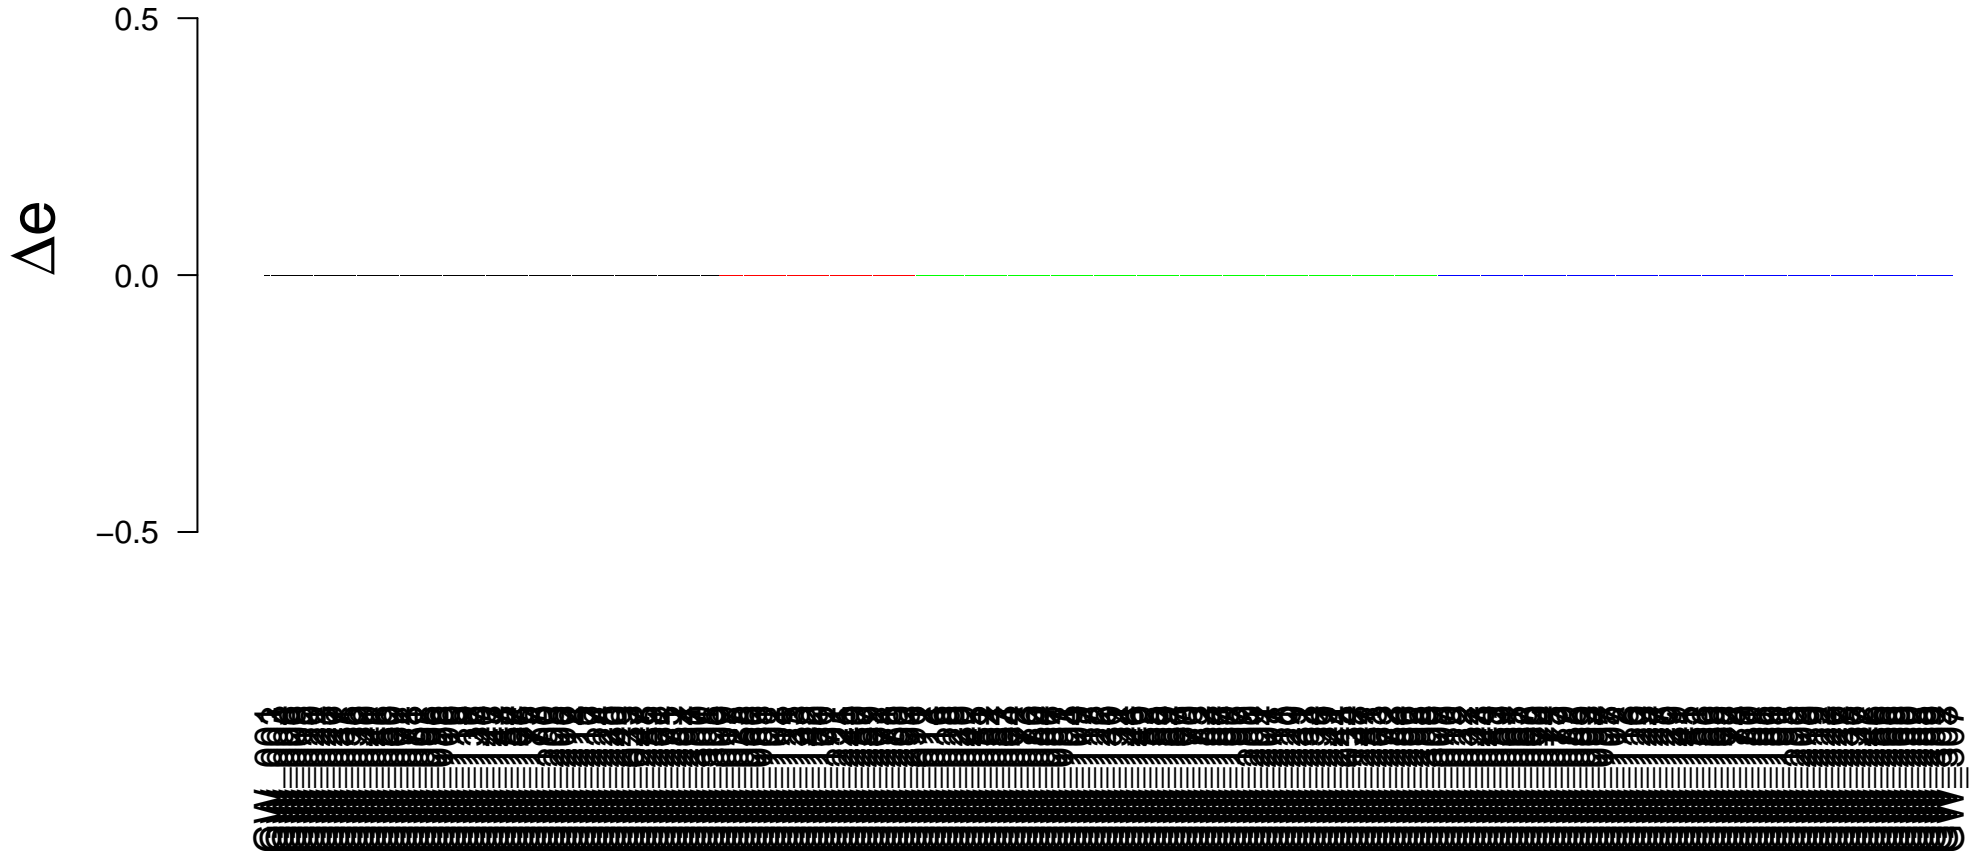

Expression of NADH dehydrogenase activity in Spot E

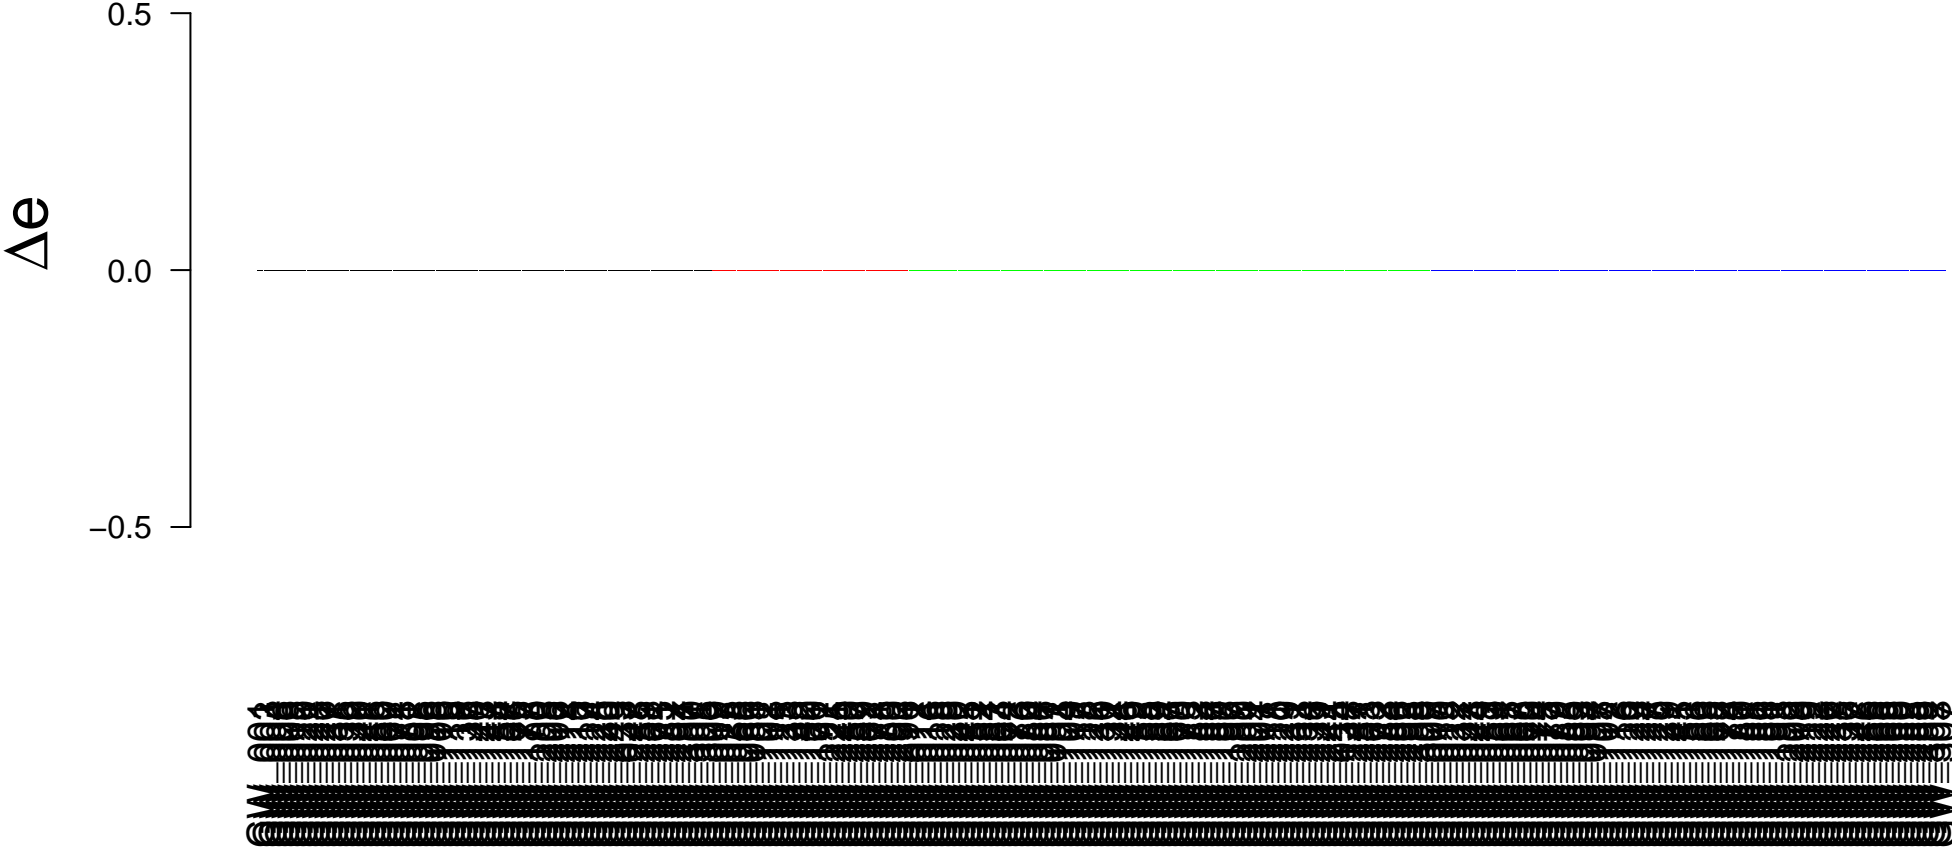

Expression of NADH dehydrogenase activity in Spot F

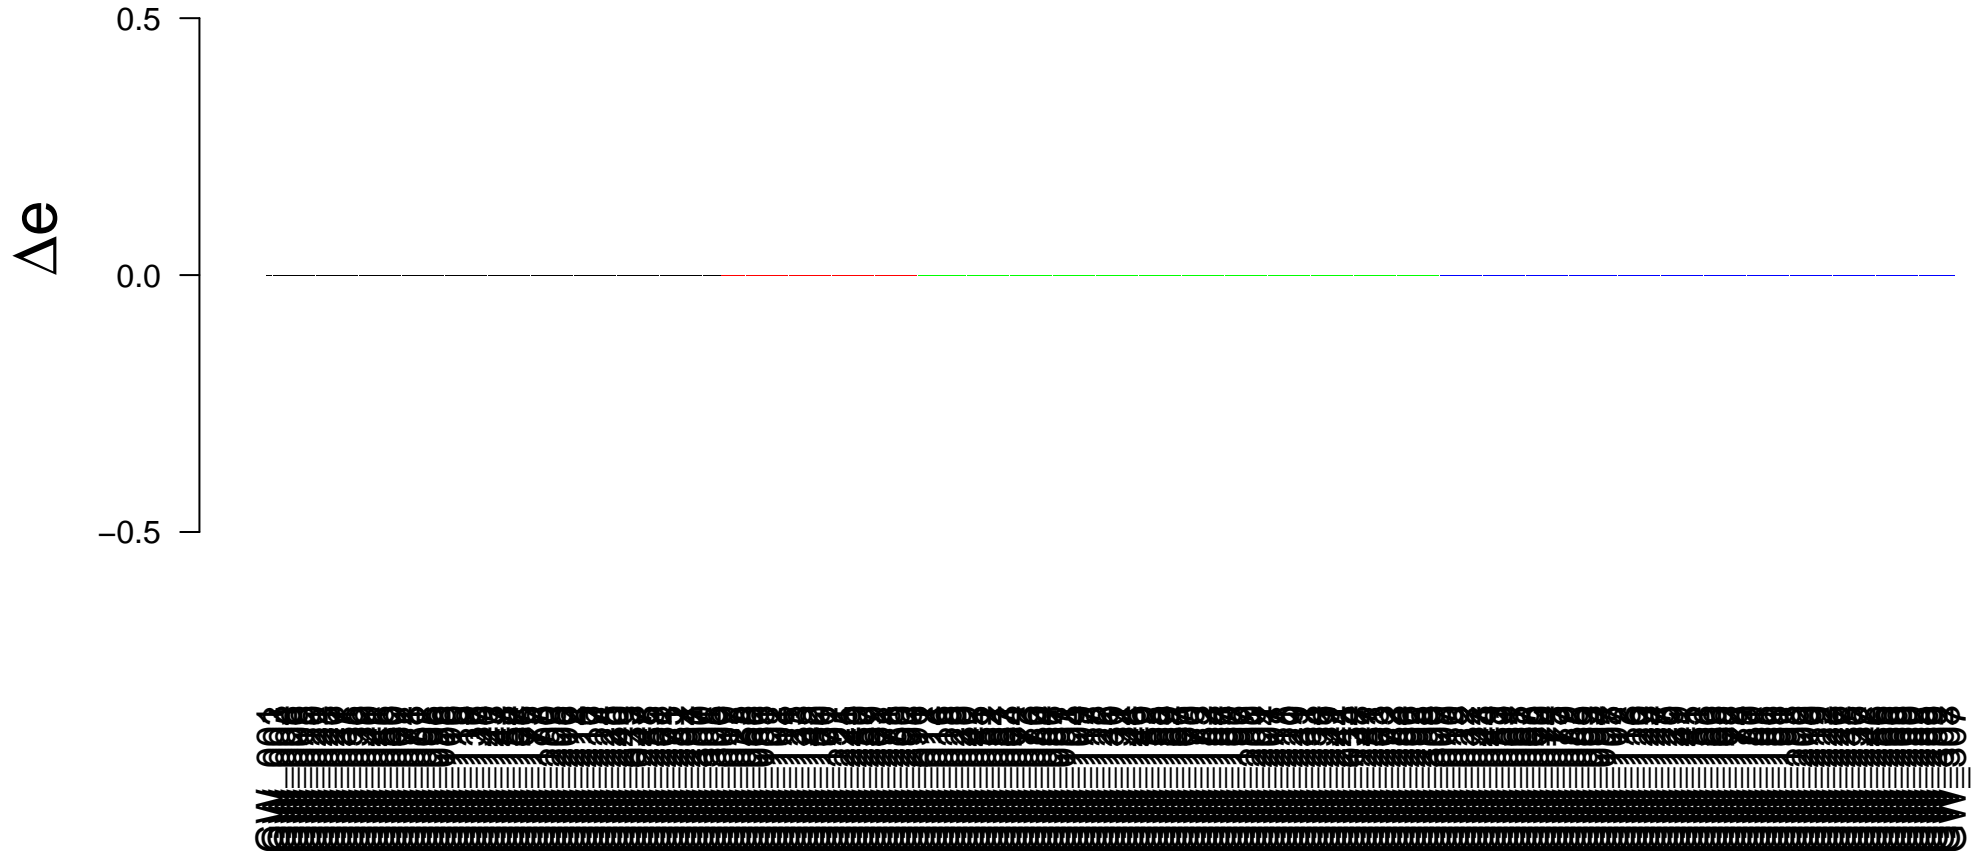

Expression of NADH dehydrogenase activity in Spot G

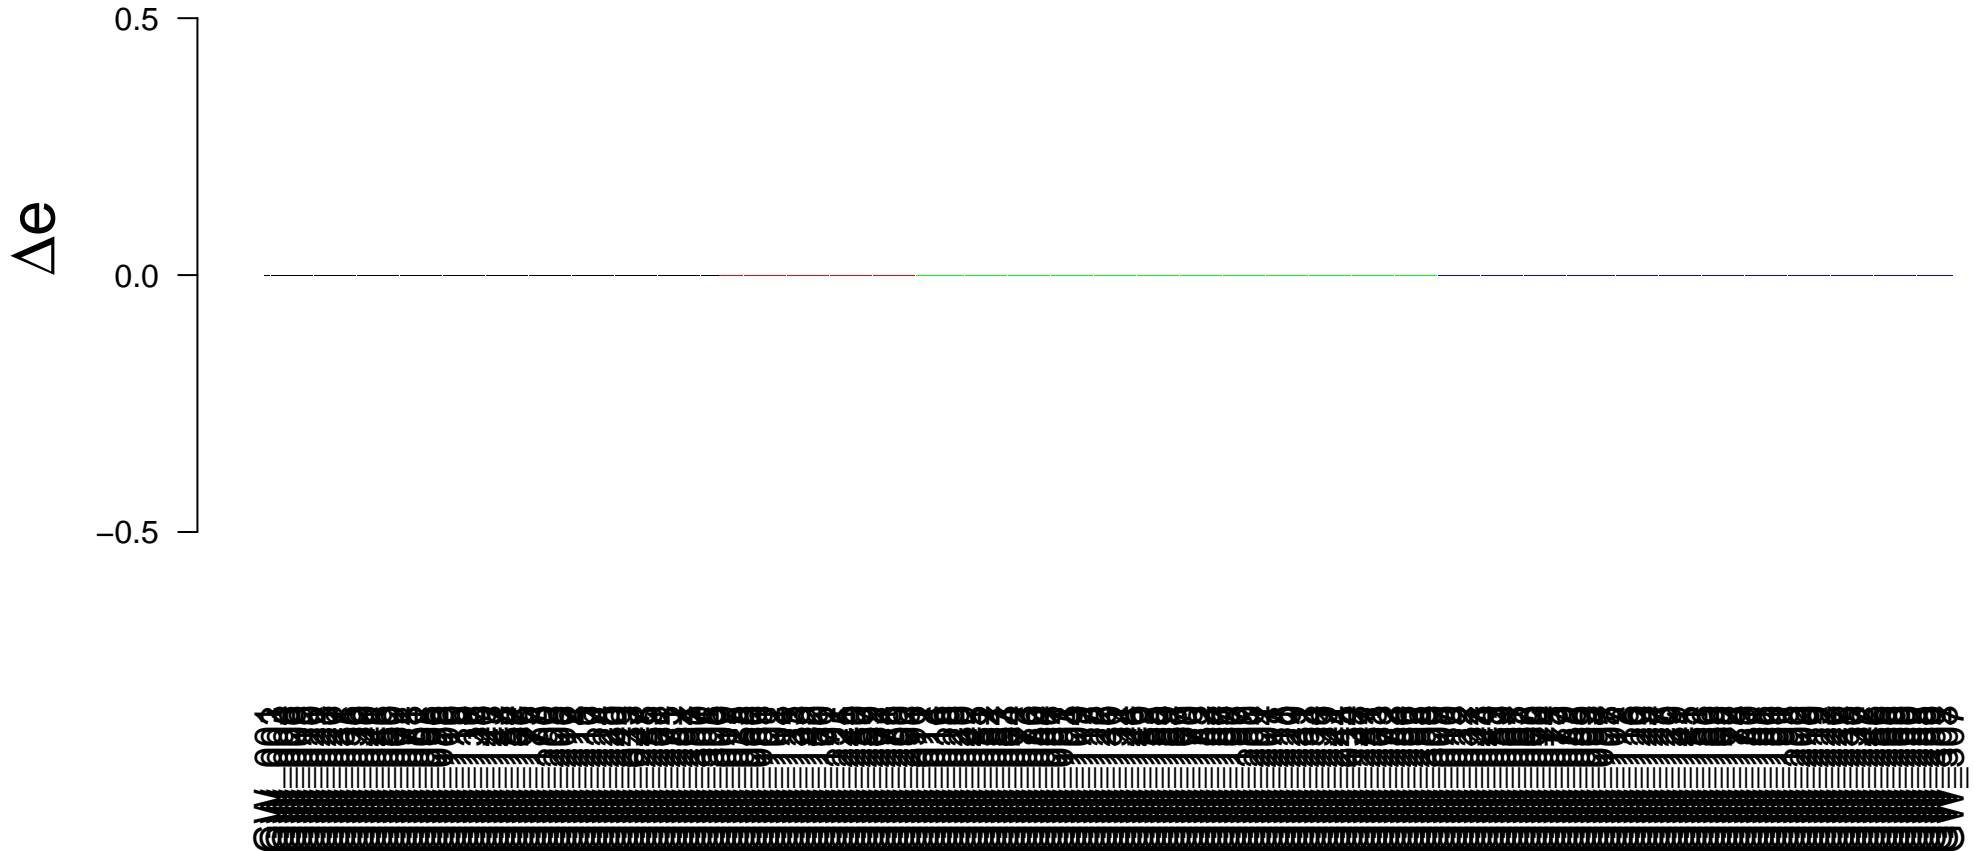

Expression of NADH dehydrogenase activity in Spot H

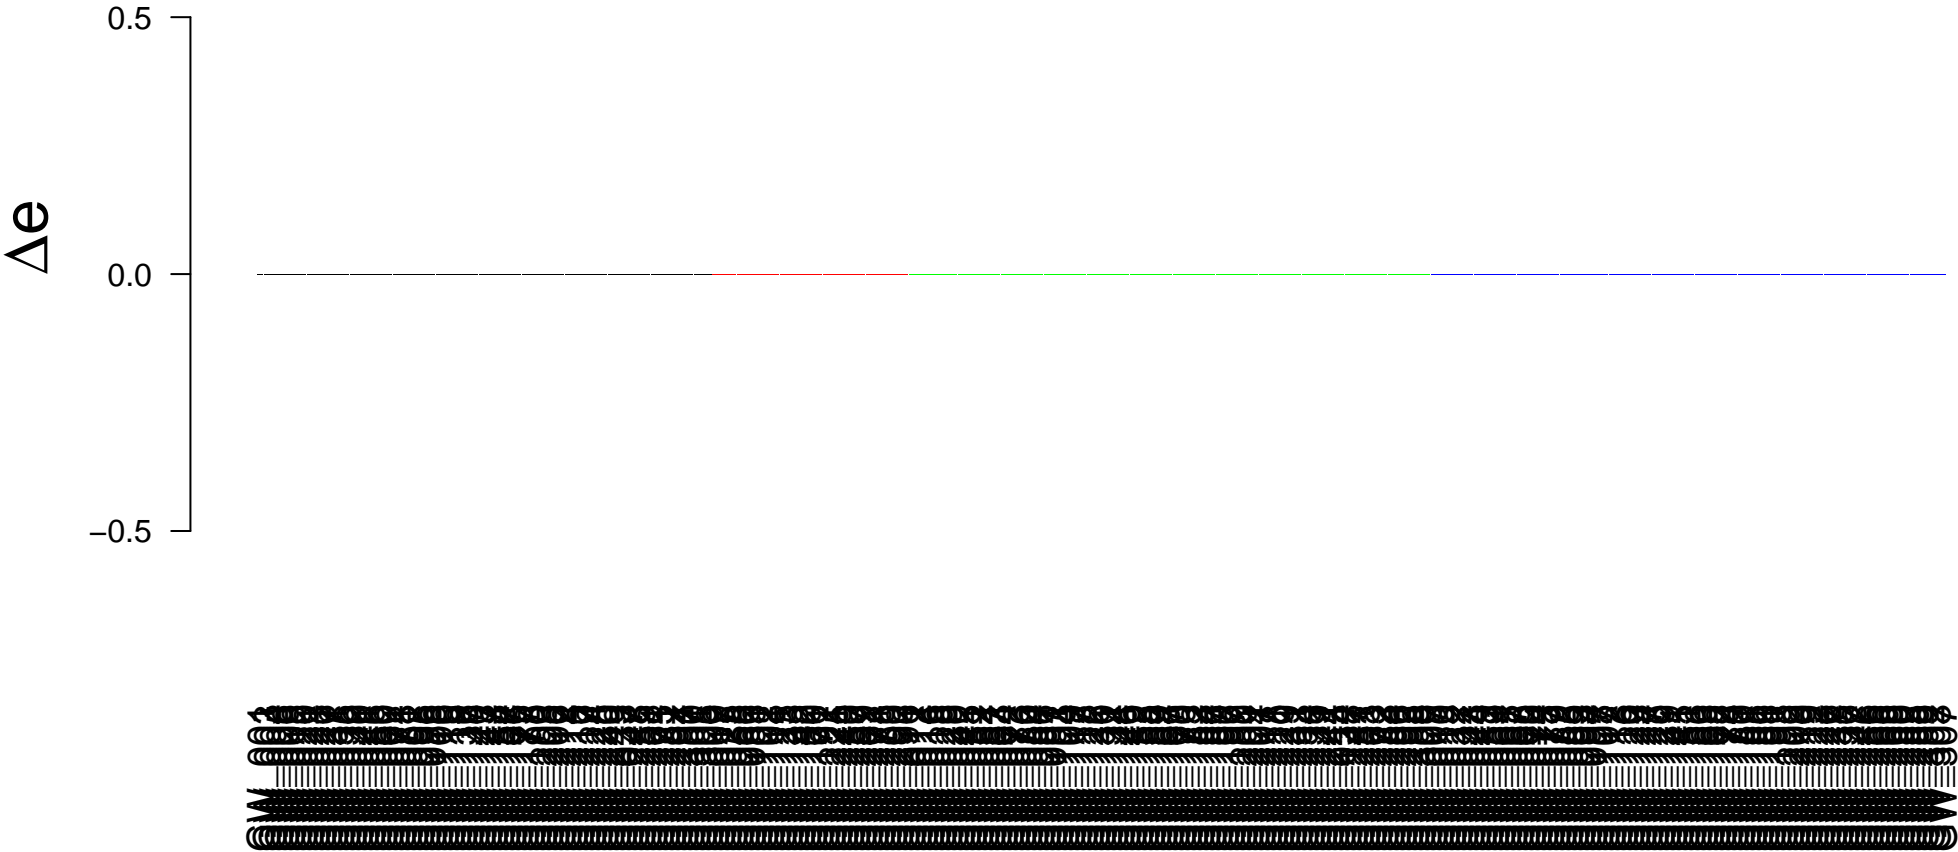

Expression of NADH dehydrogenase activity in Spot I

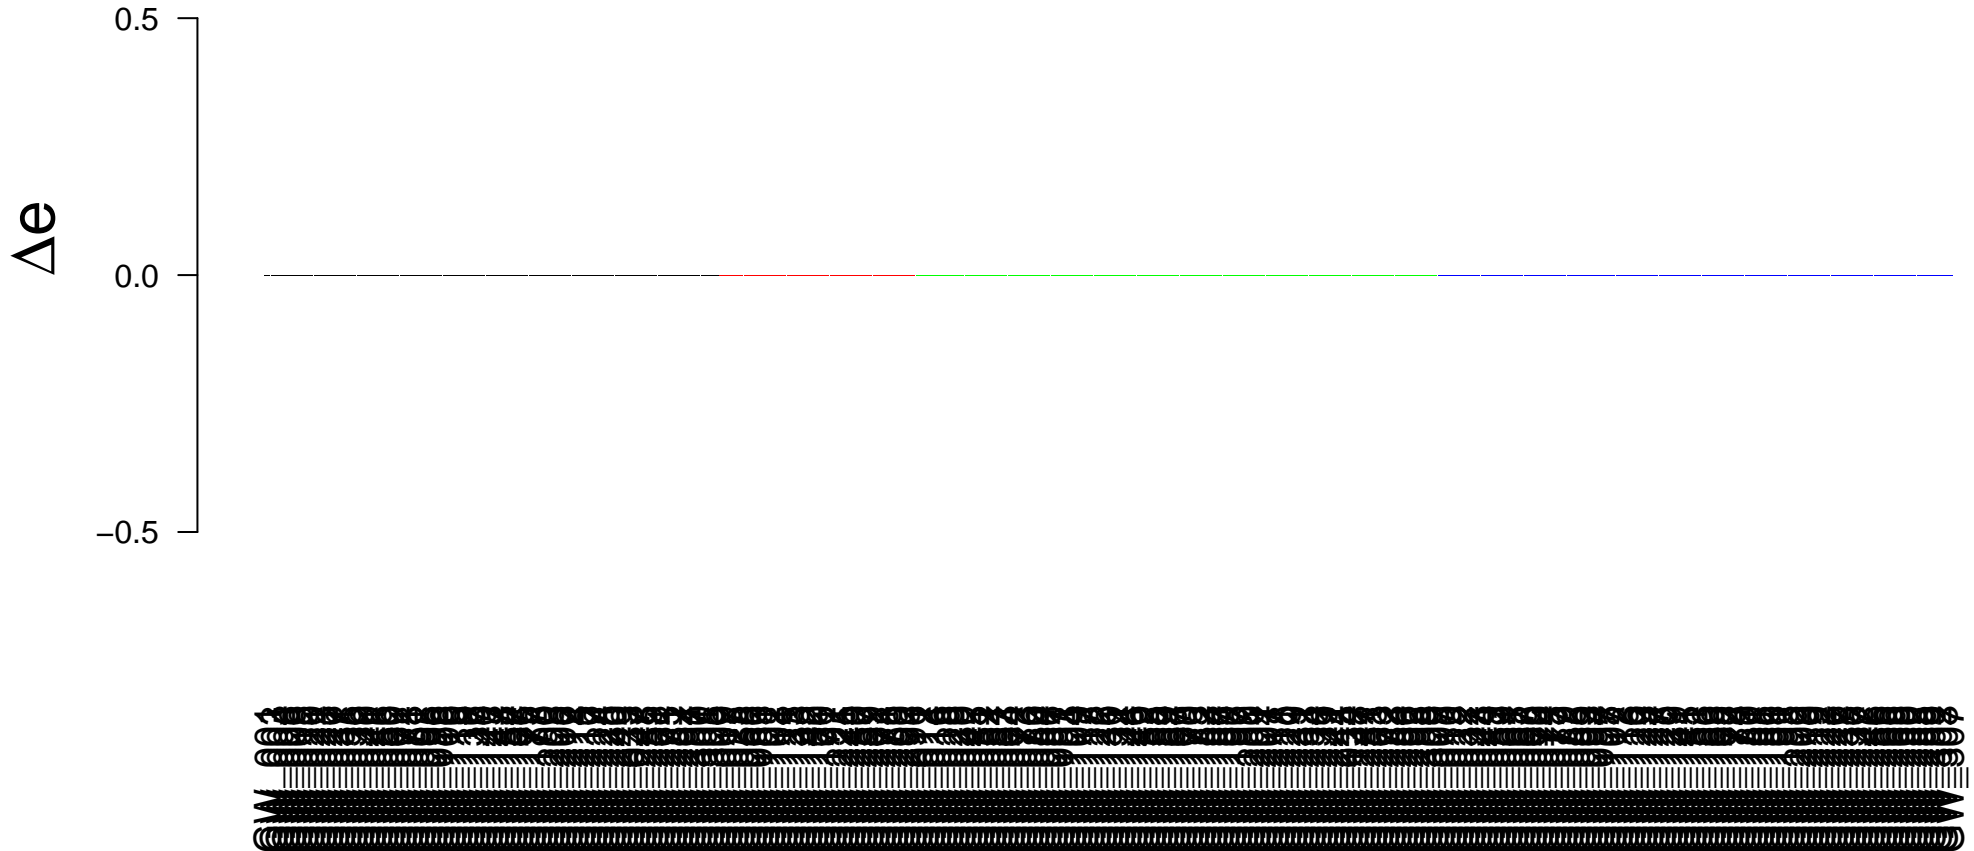

Expression of NADH dehydrogenase activity in Spot J

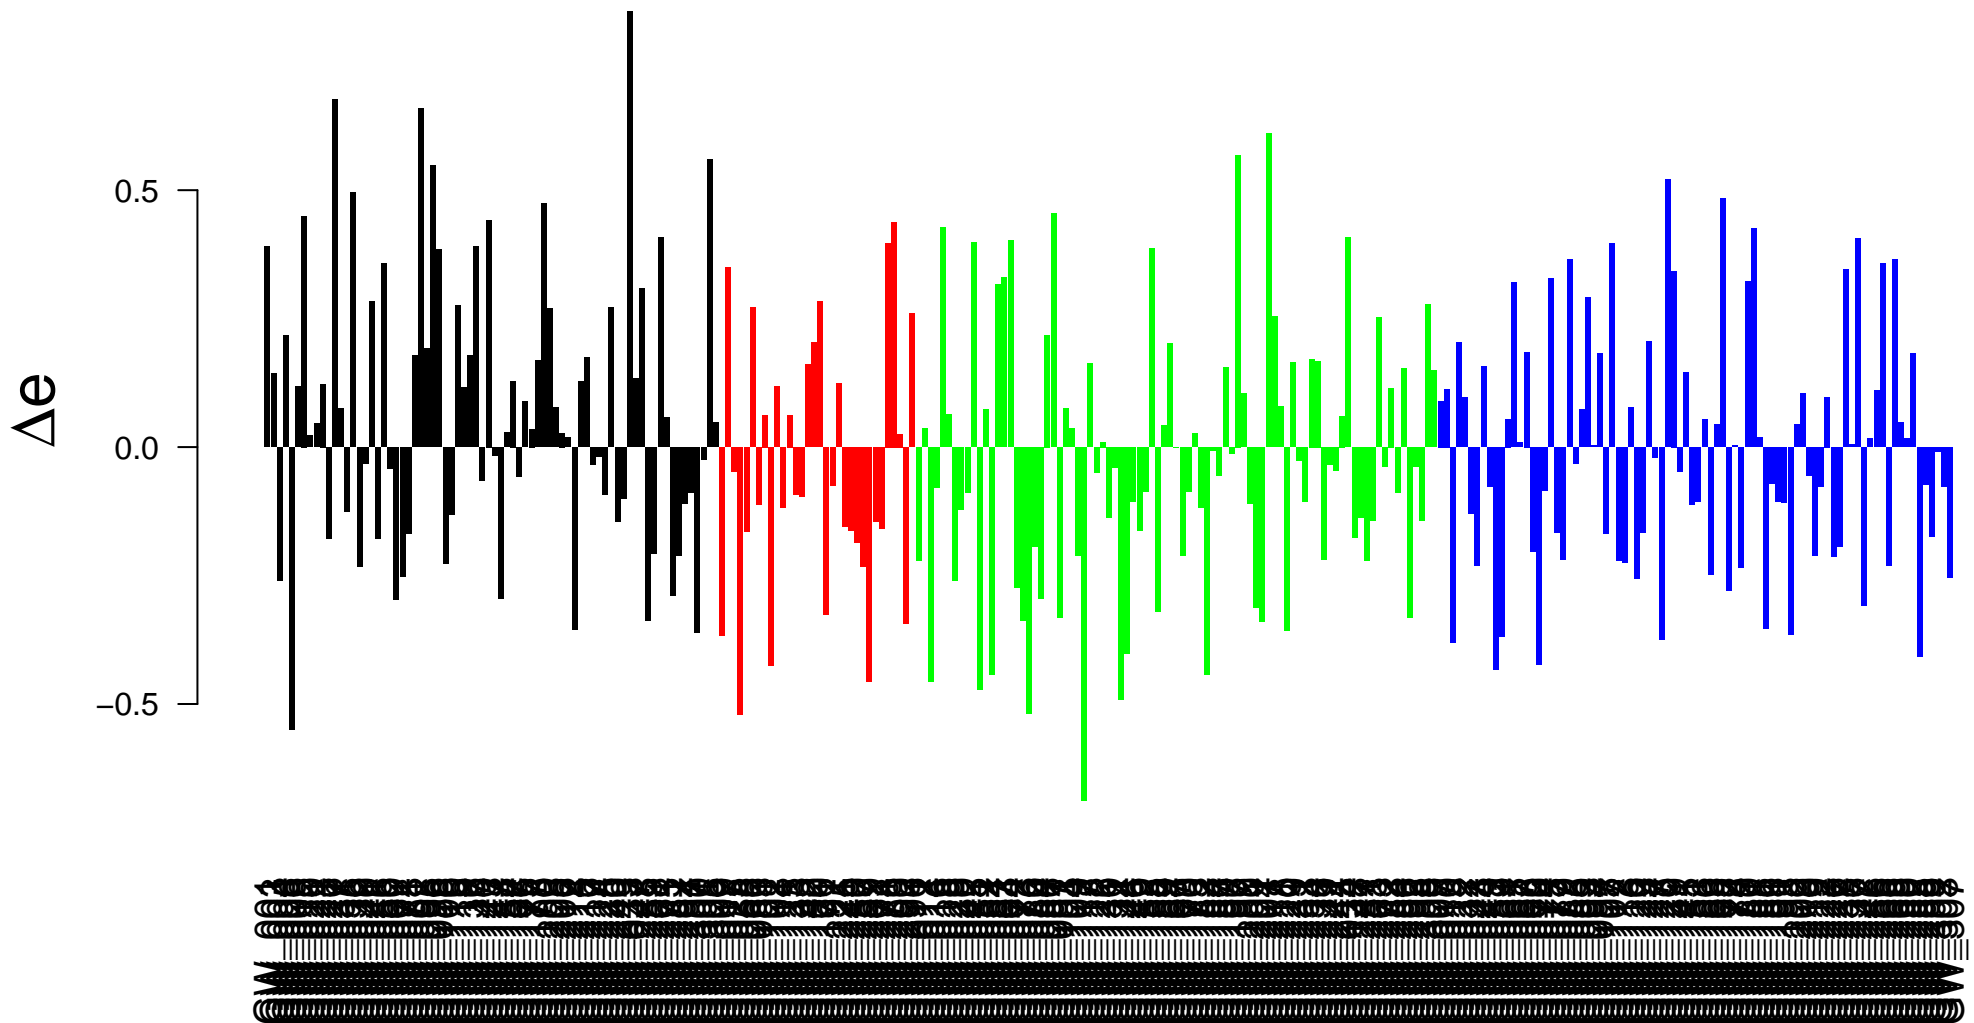

Expression of NADH dehydrogenase activity in Spot K

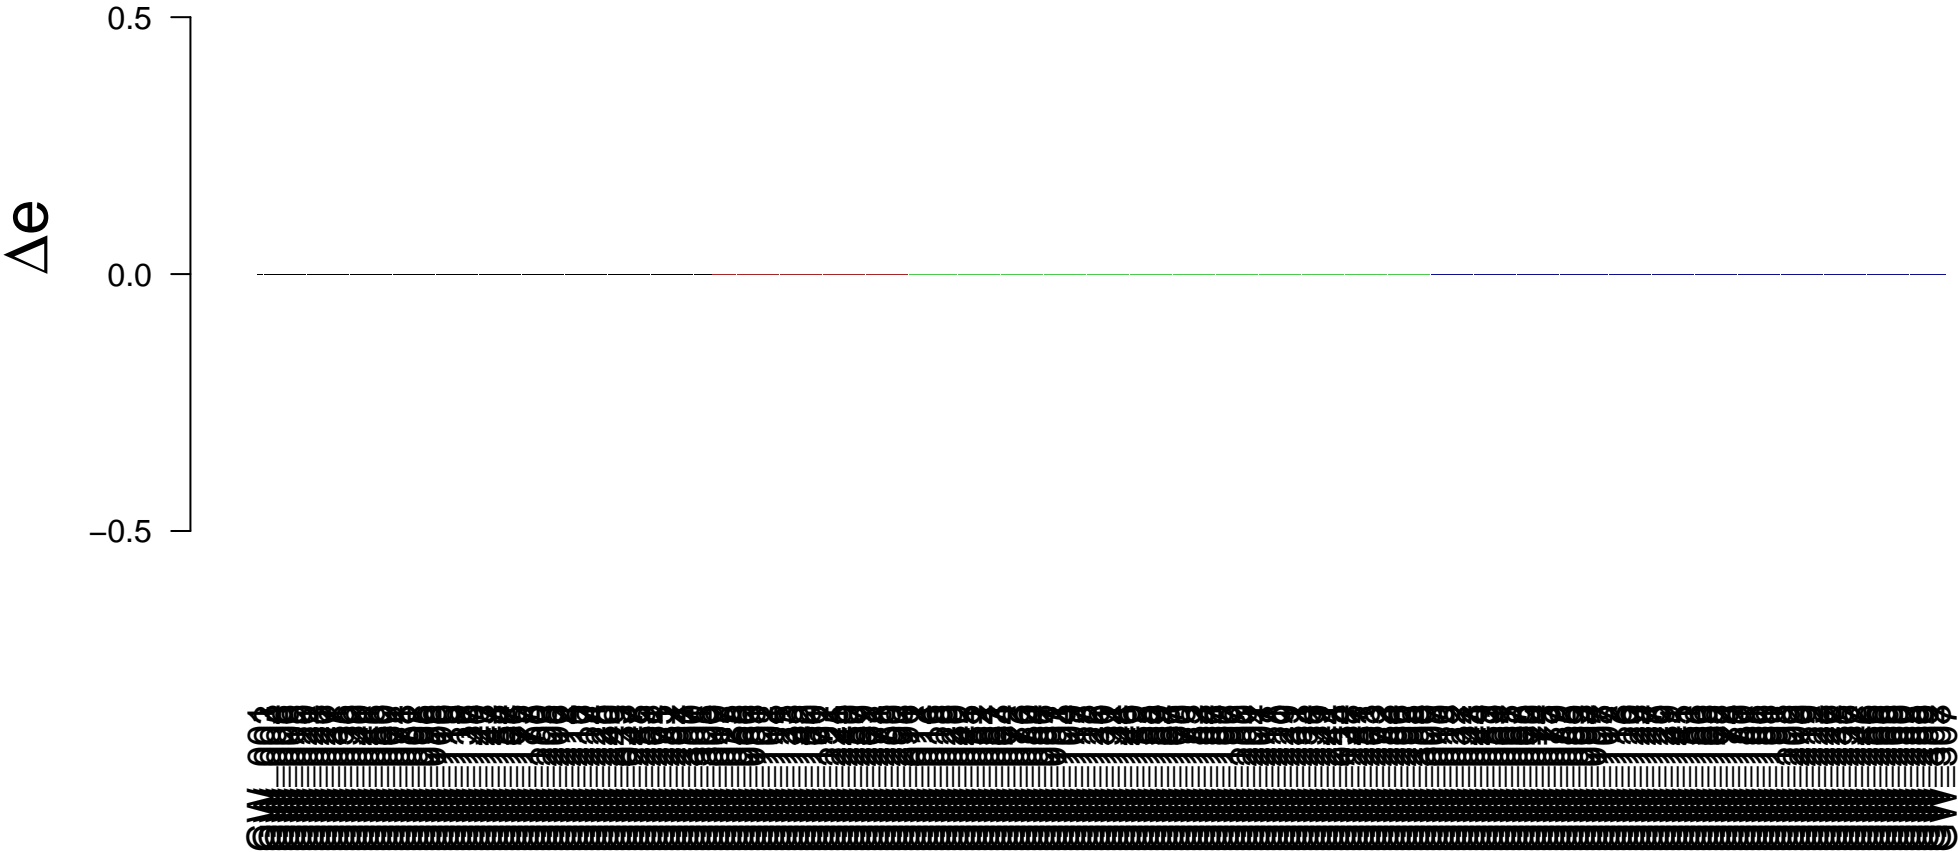

Expression of NADH dehydrogenase activity in Spot L

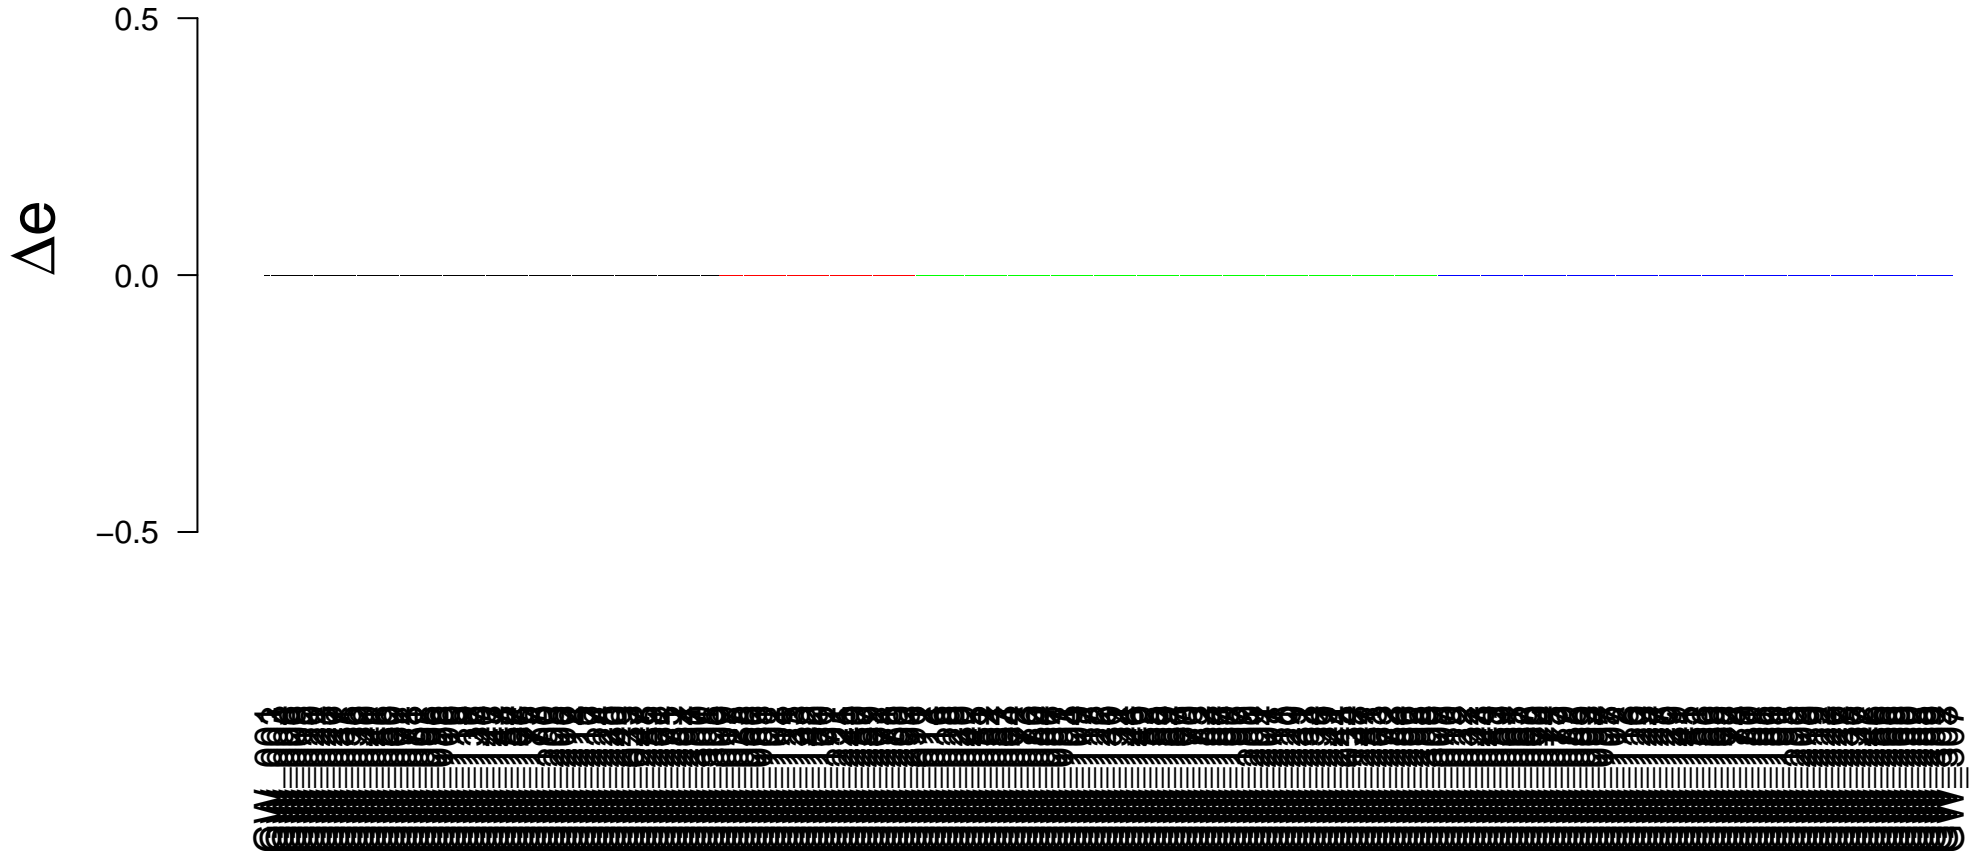

Expression of NADH dehydrogenase activity in Spot M

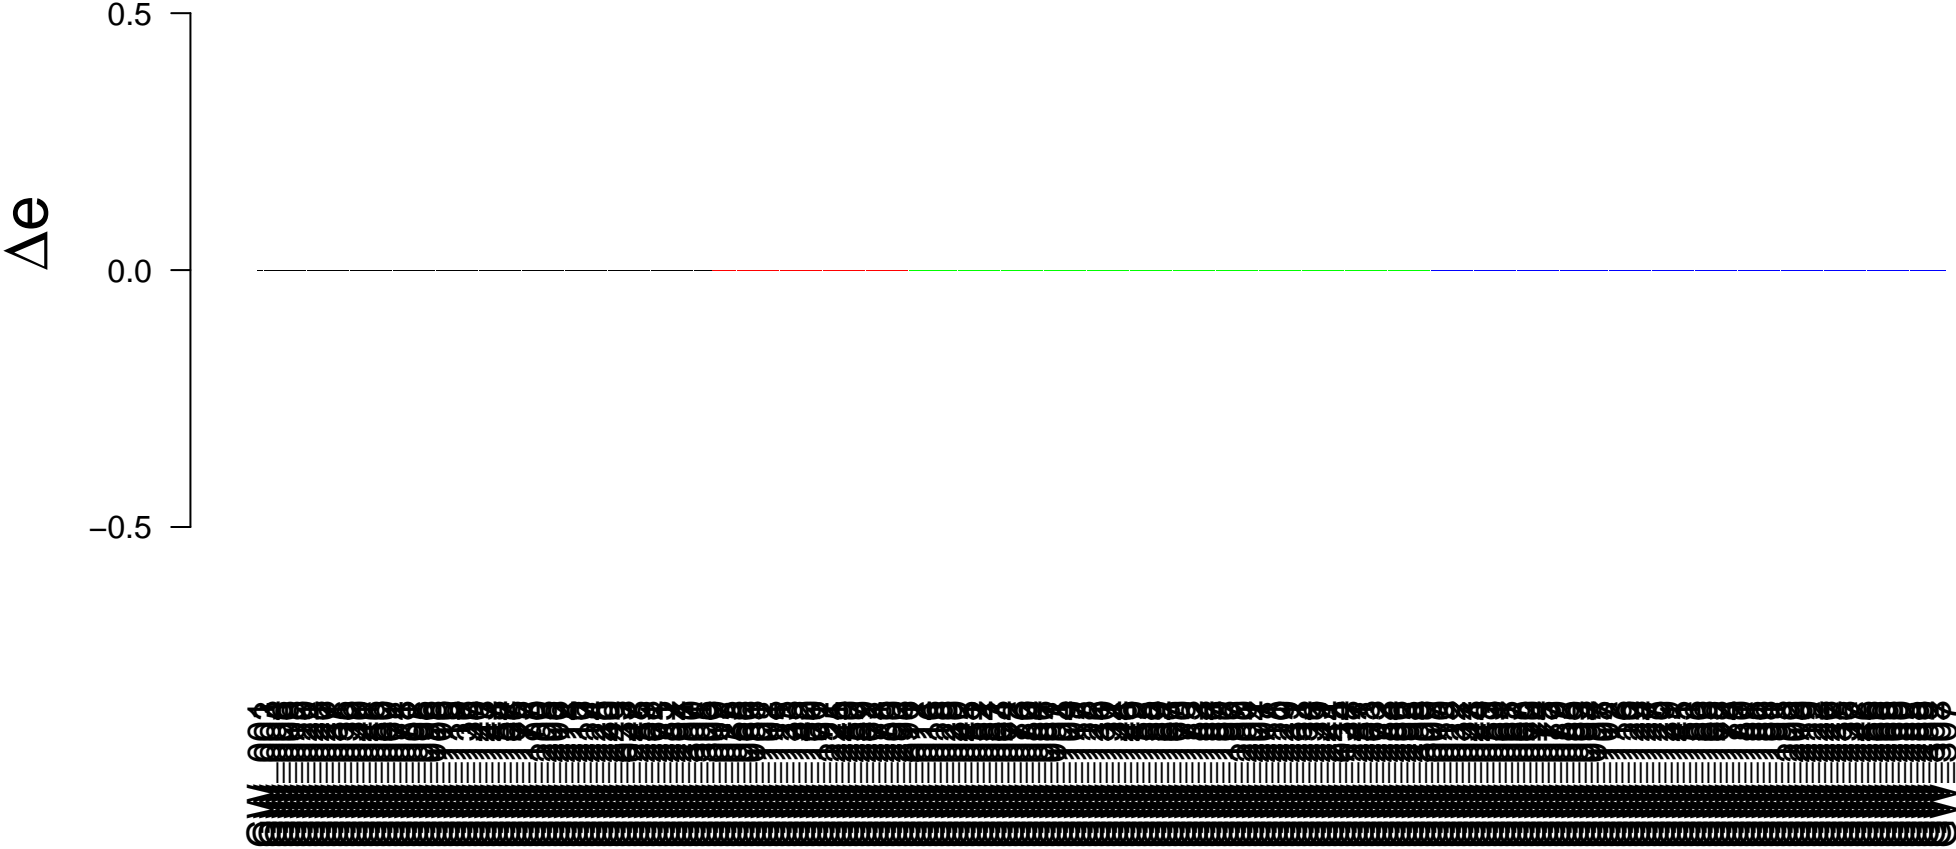

Expression of NADH dehydrogenase activity in Spot N

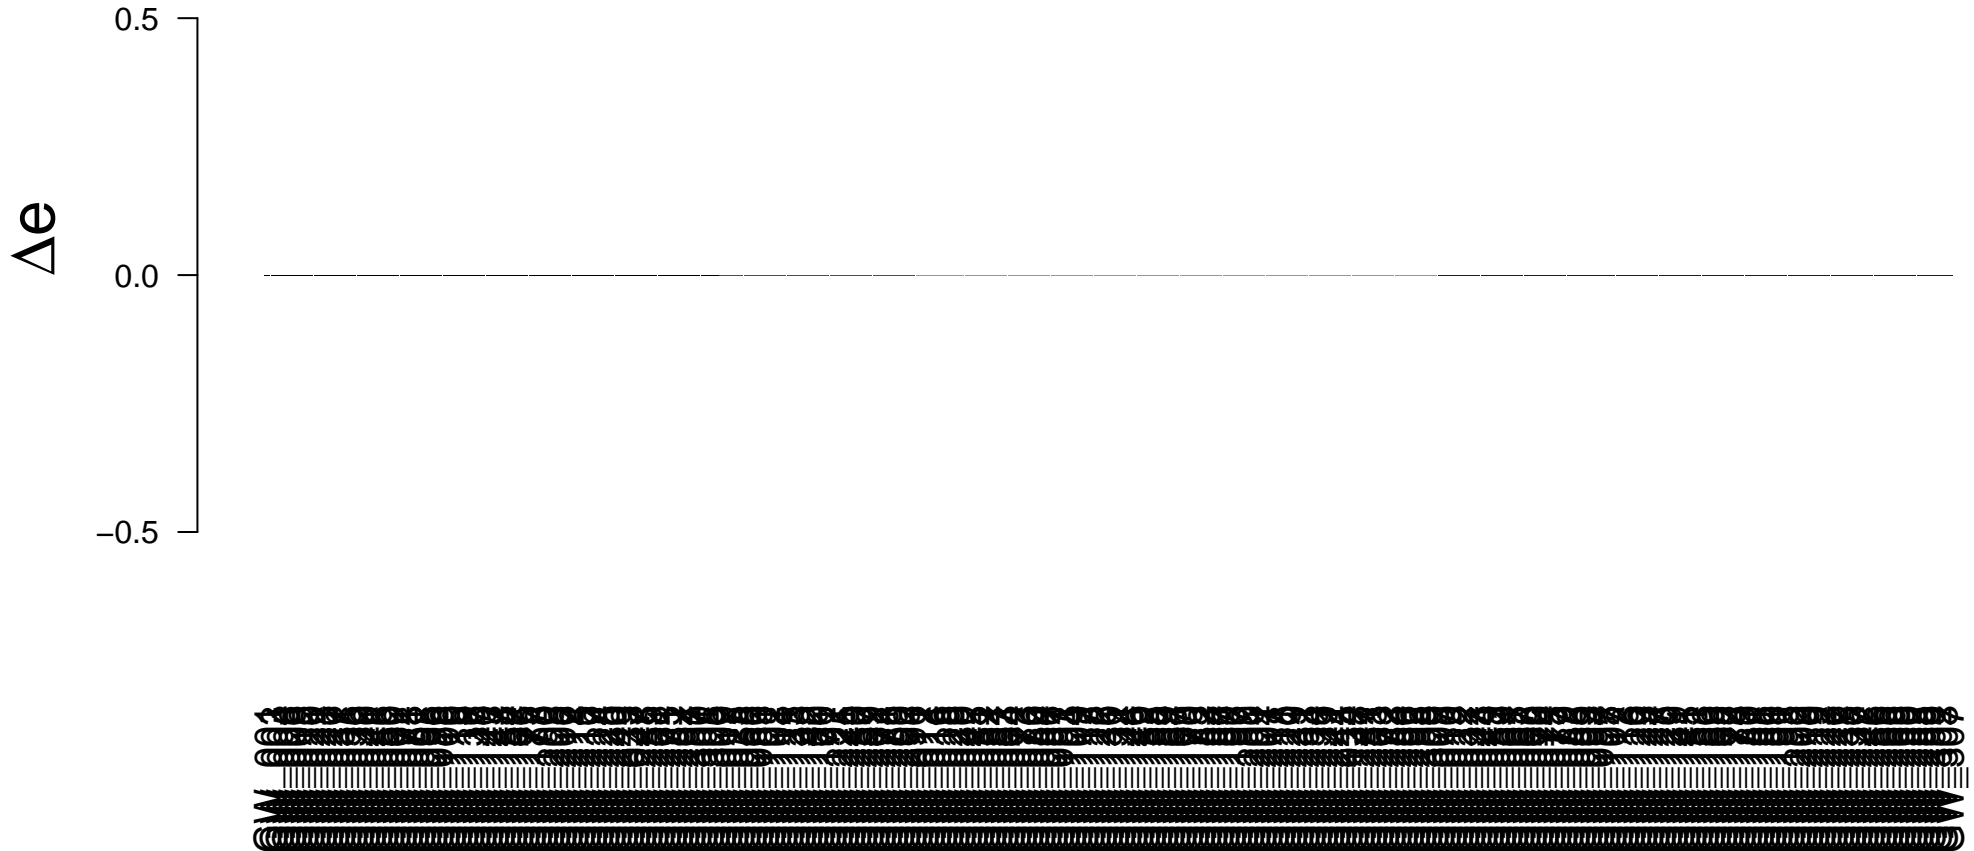

Expression of NADH dehydrogenase activity in Spot O

Expression of NADH dehydrogenase activity in Spot P

Expression of NADH dehydrogenase activity in Spot Q

Expression of NADH dehydrogenase activity in Spot R
