

# Notch receptor processing

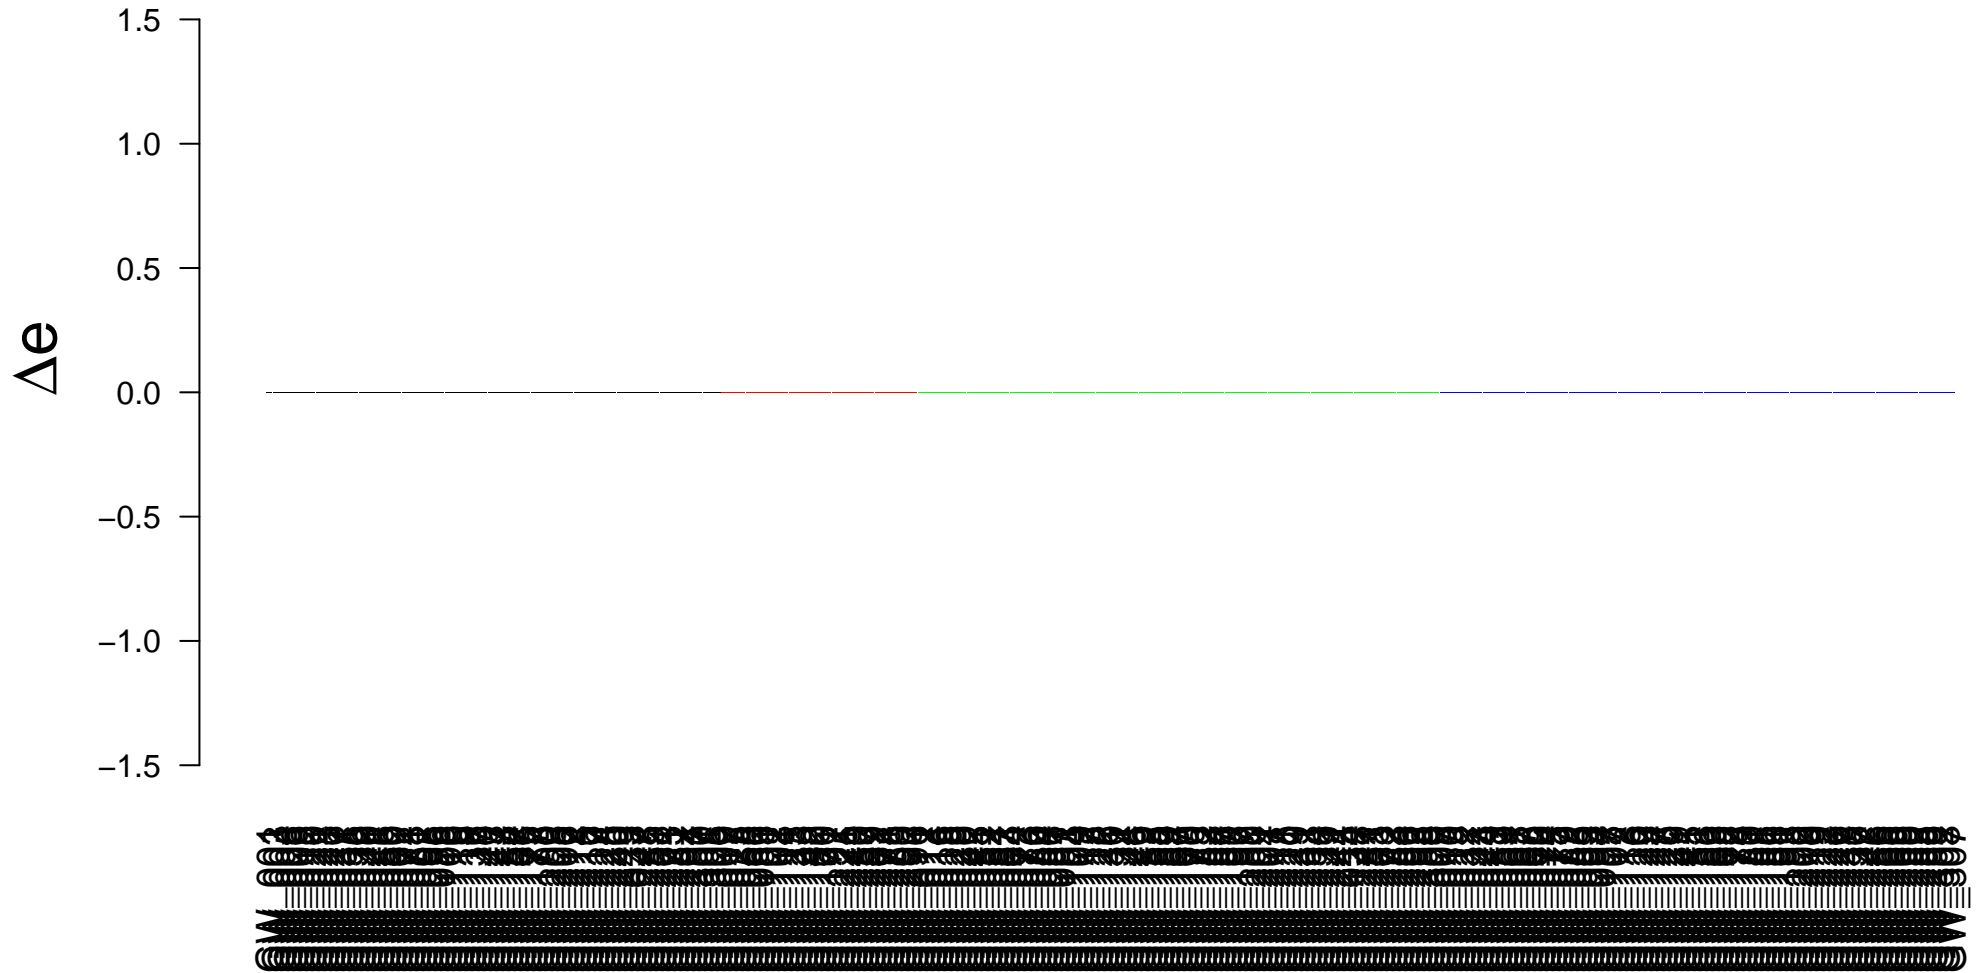

# Notch receptor processing

### Enrichment in spots: Notch receptor processing

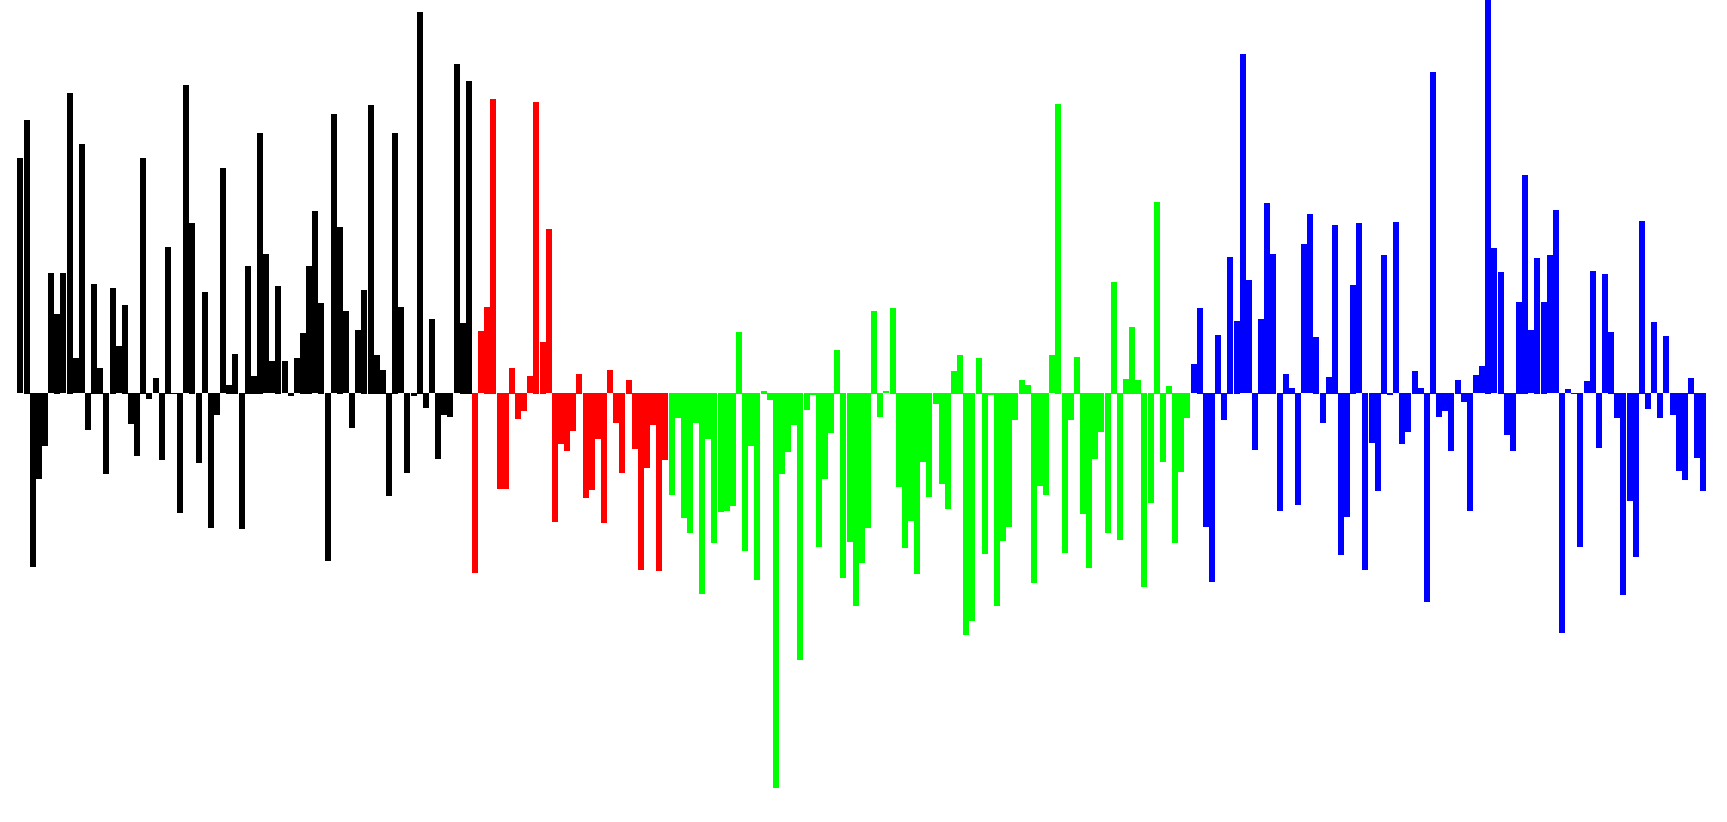

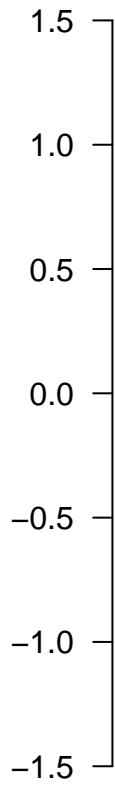

# Expression of Notch receptor processing in Spot A

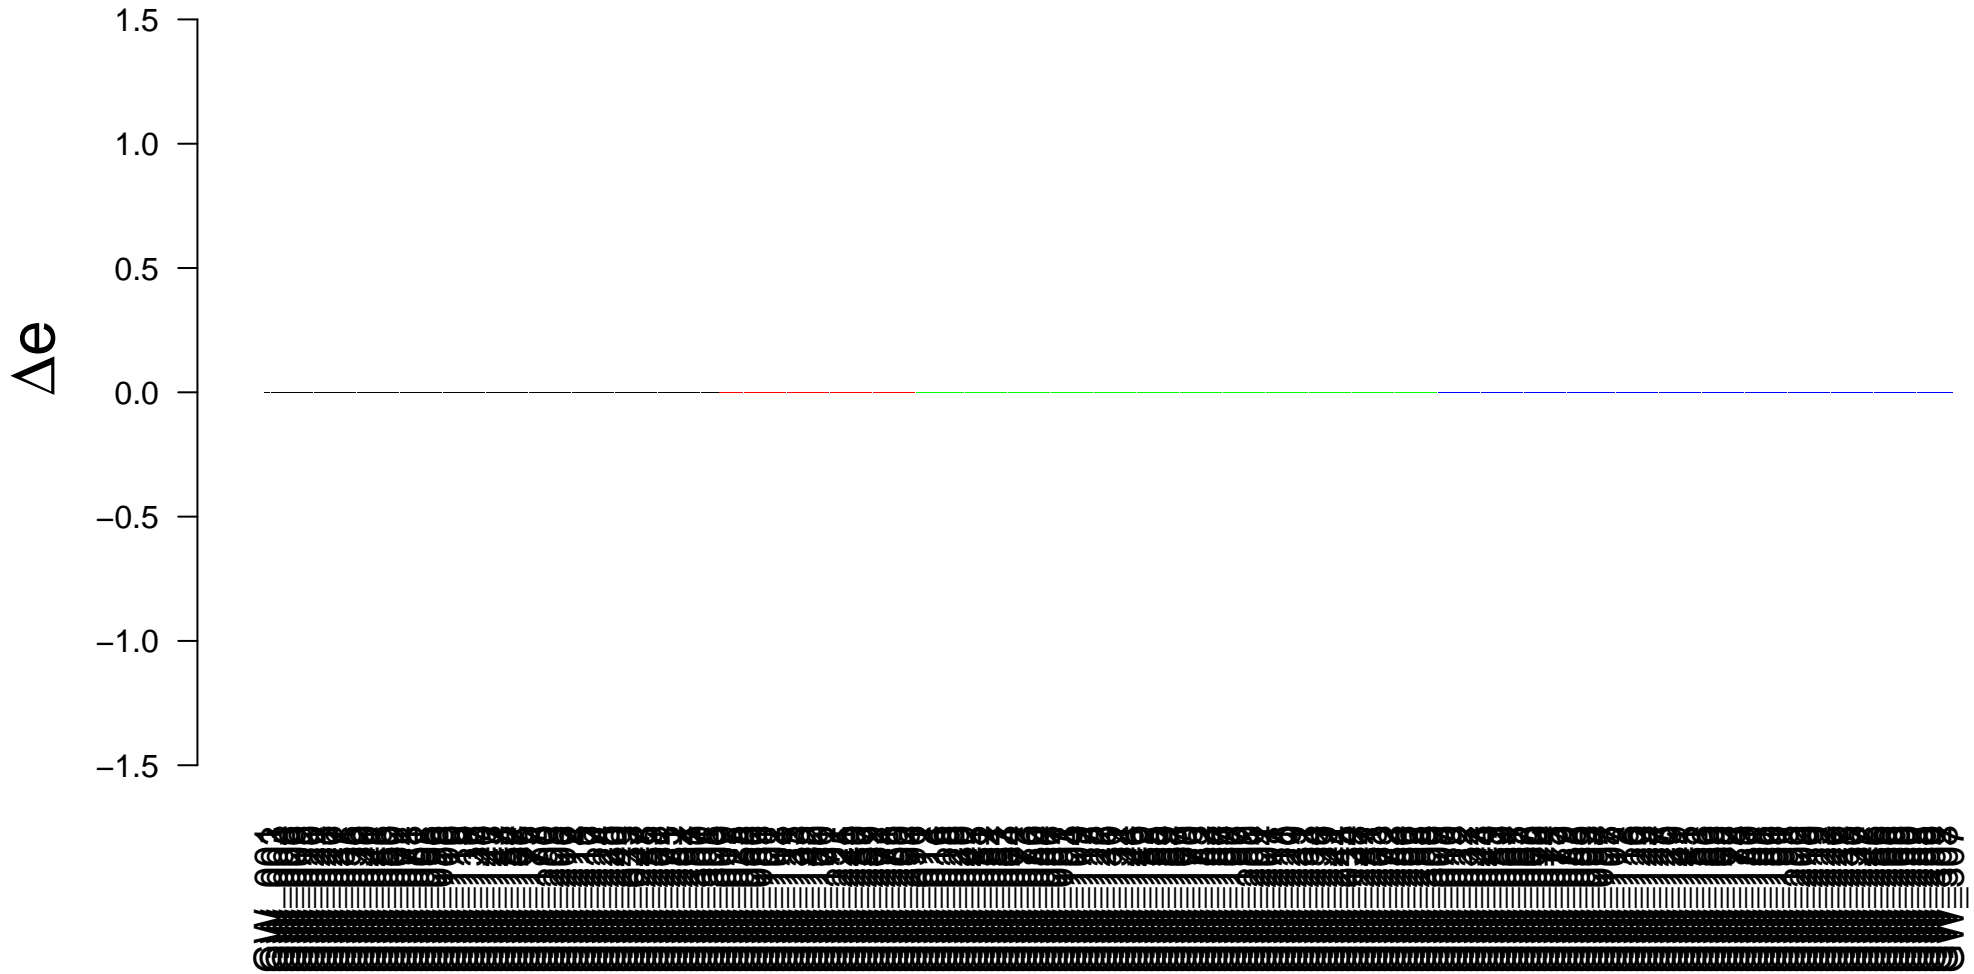

# Expression of Notch receptor processing in Spot B

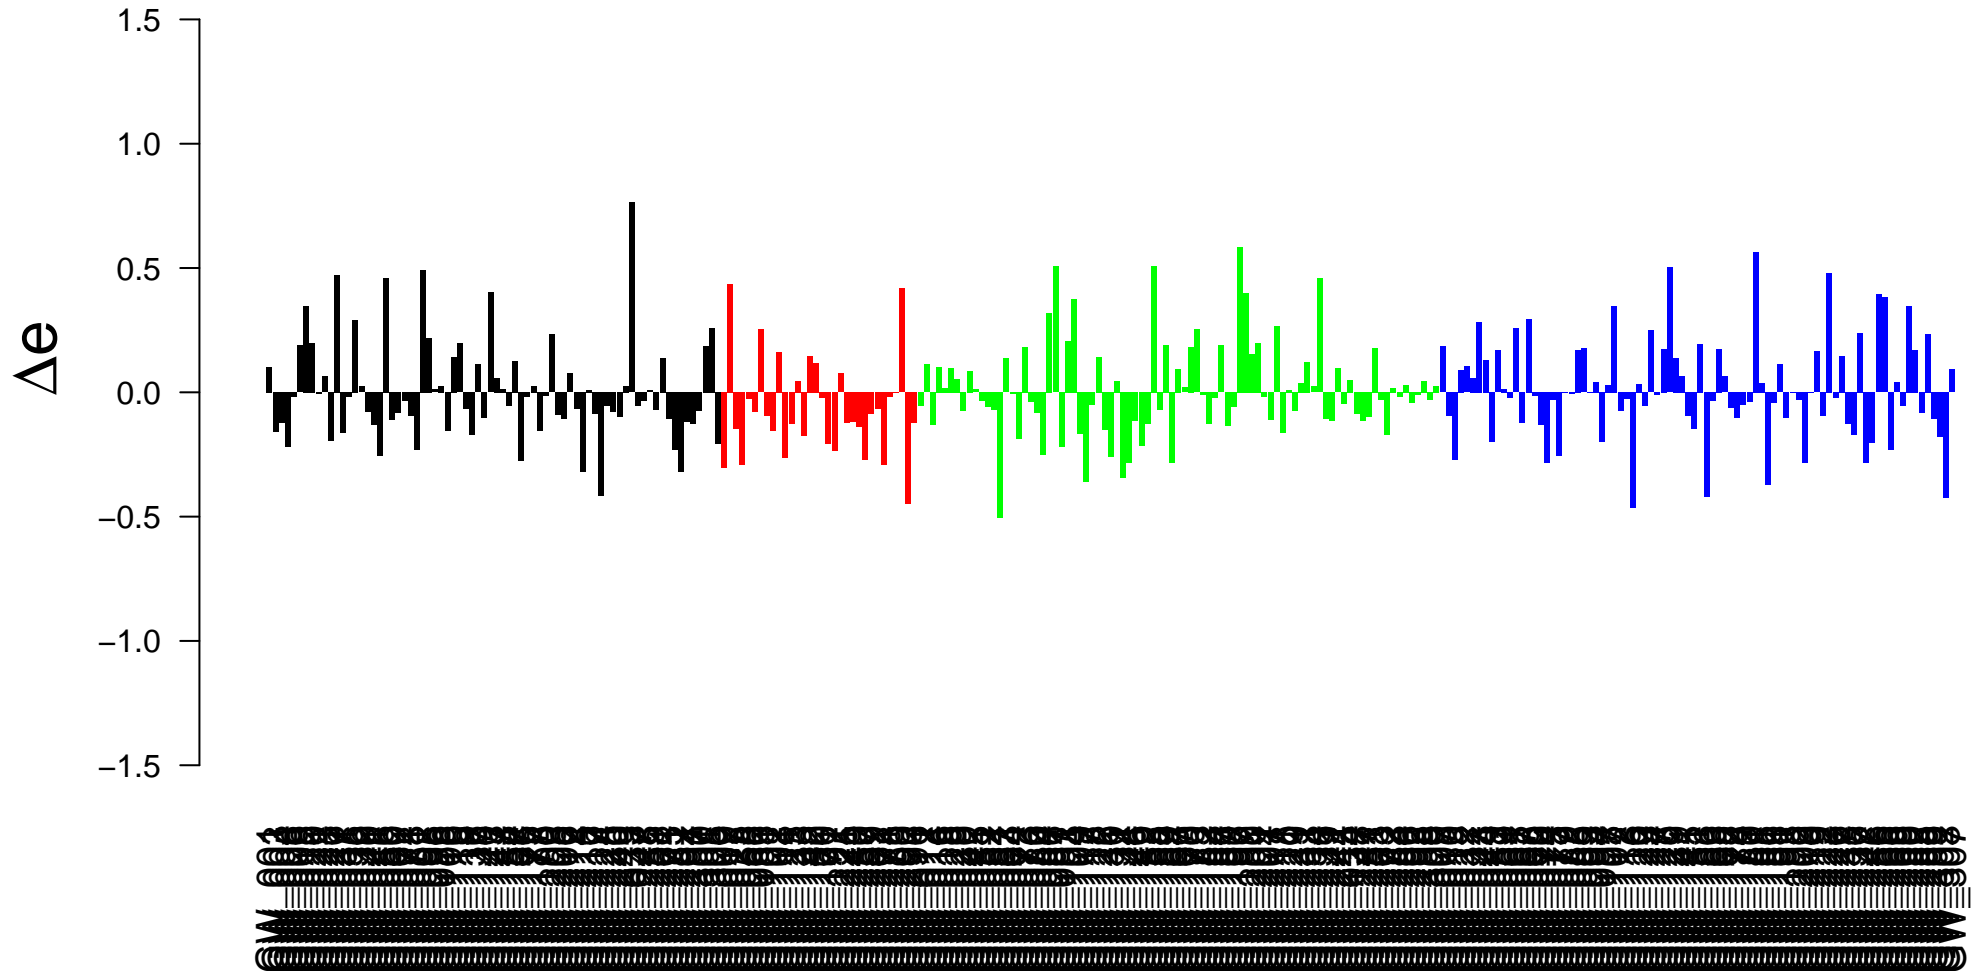

$\Delta e$

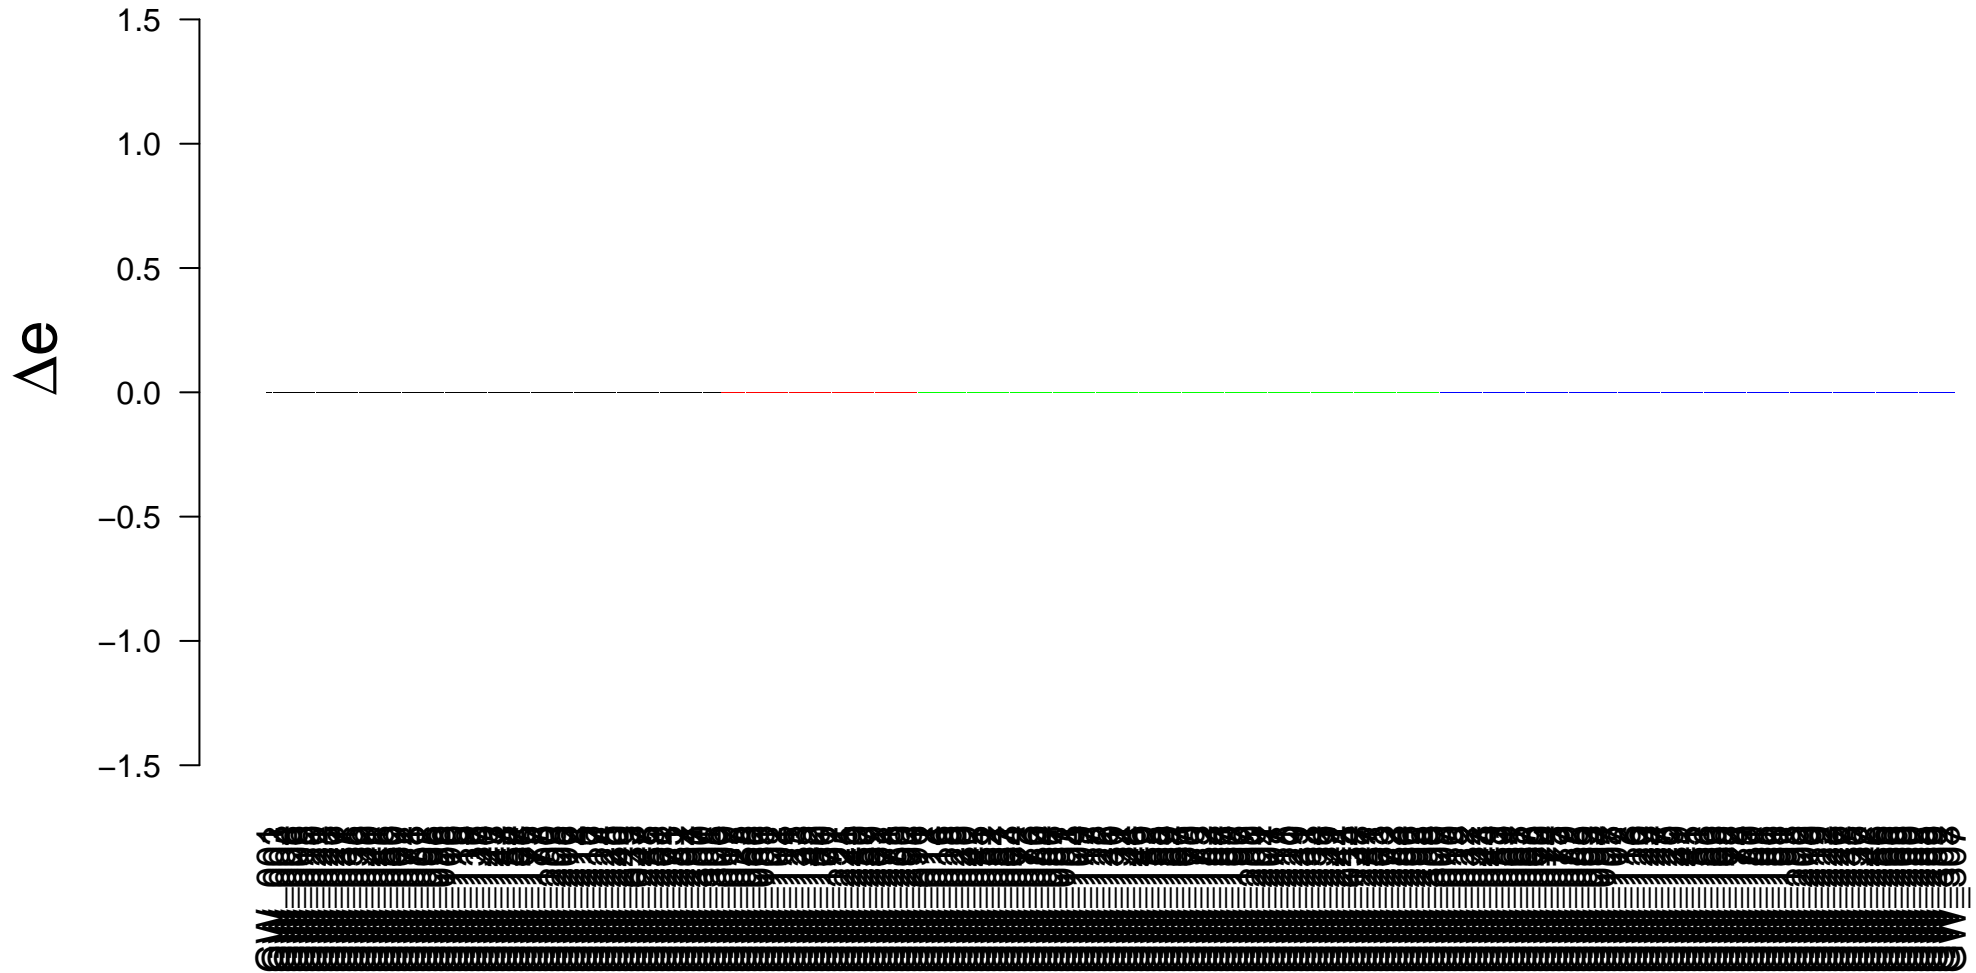

# Expression of Notch receptor processing in Spot C

# Expression of Notch receptor processing in Spot D

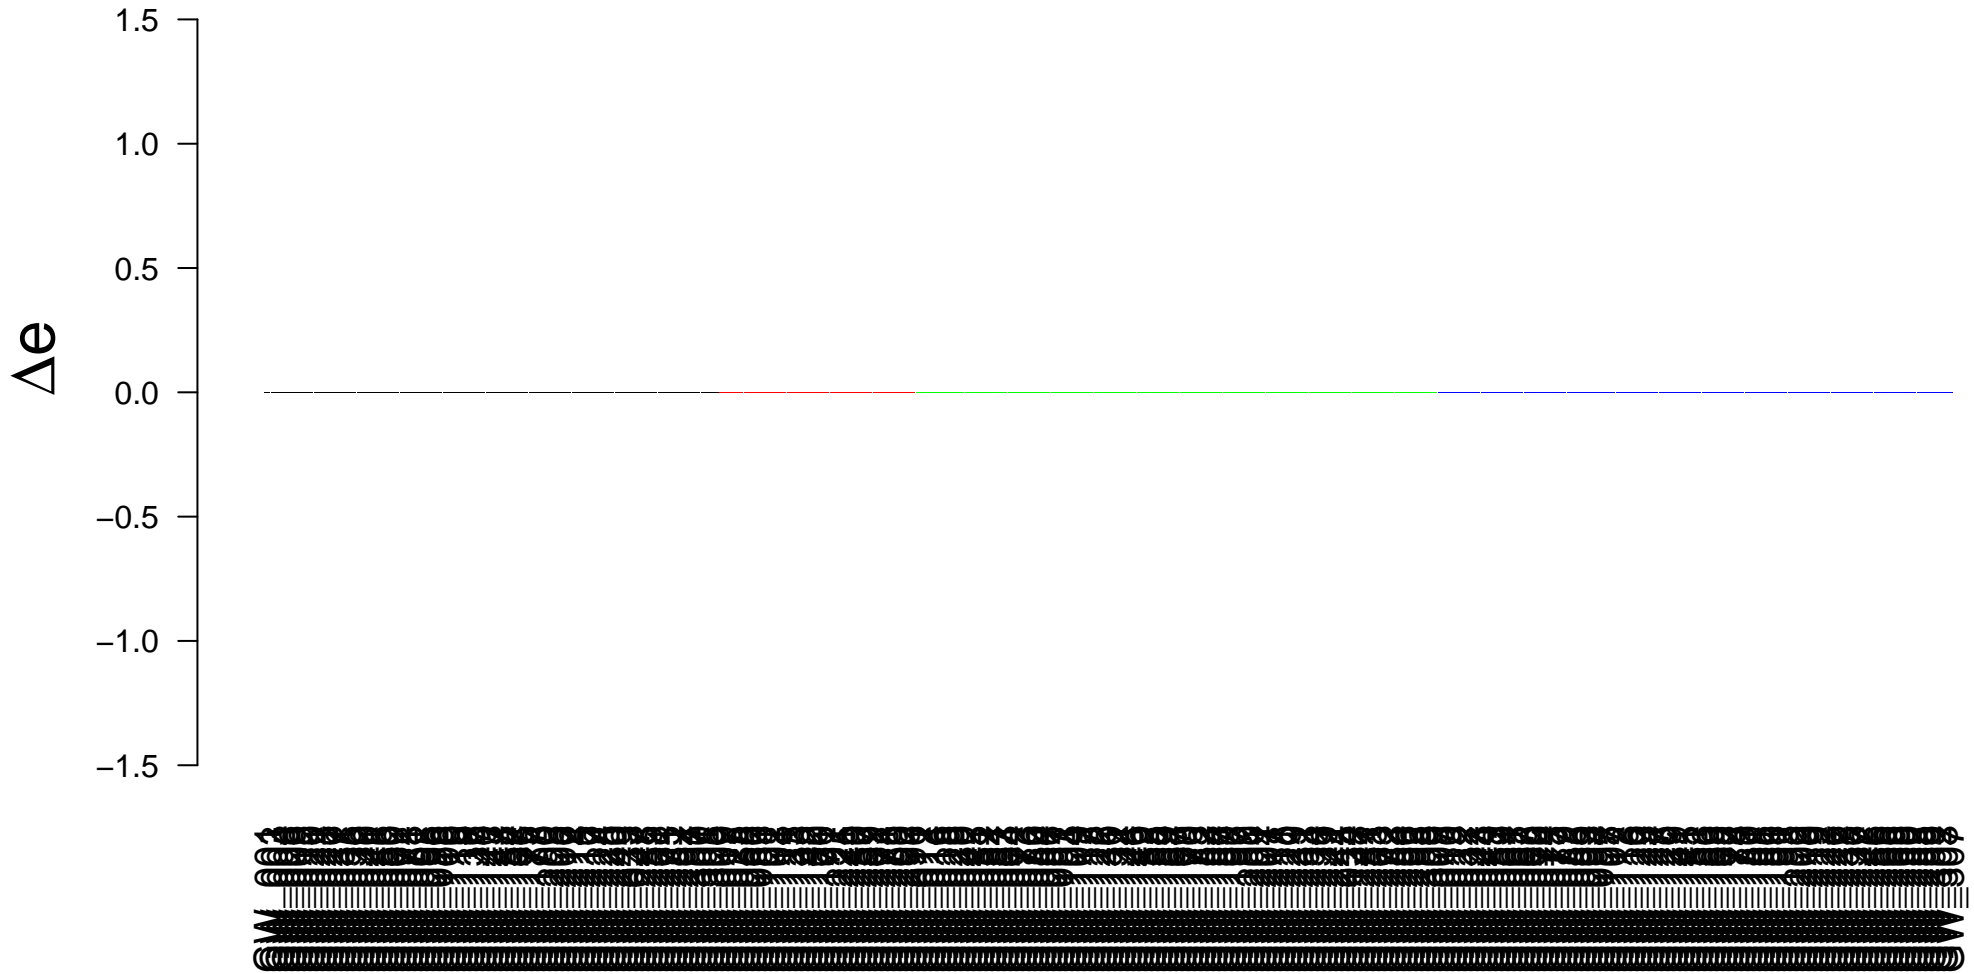

# Expression of Notch receptor processing in Spot E

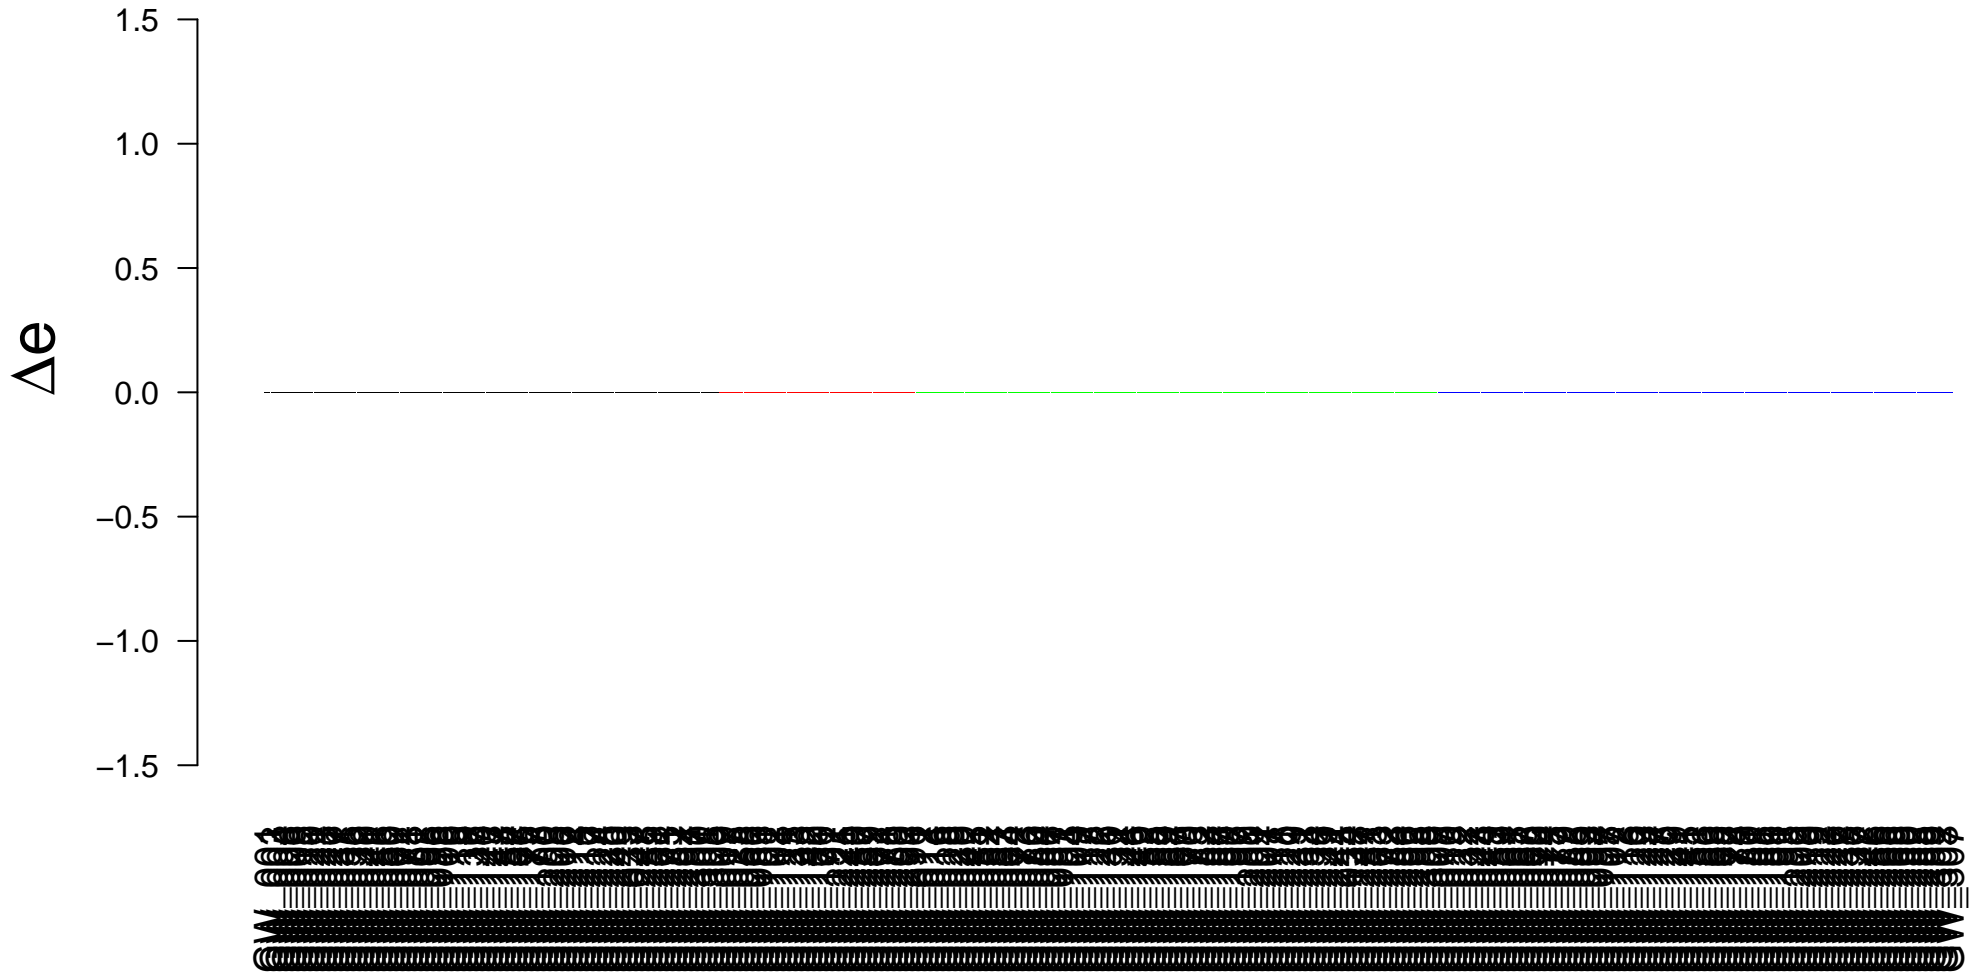

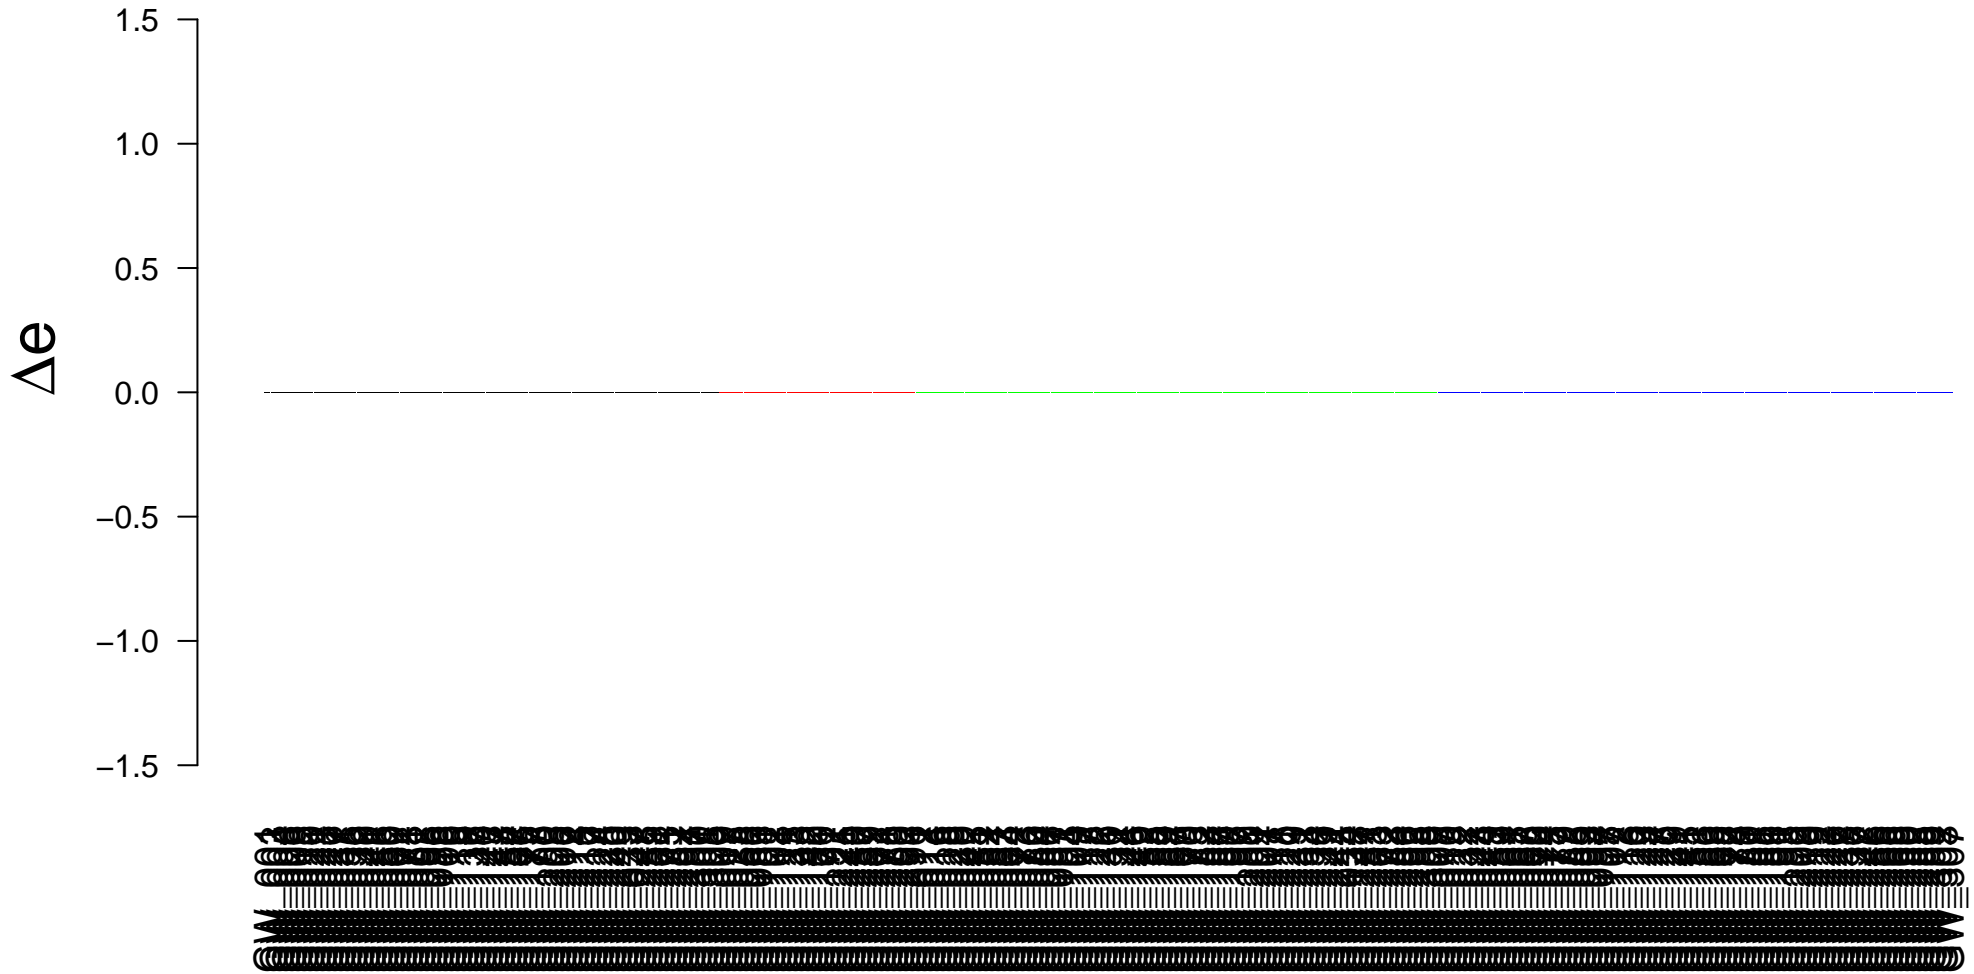

# Expression of Notch receptor processing in Spot F

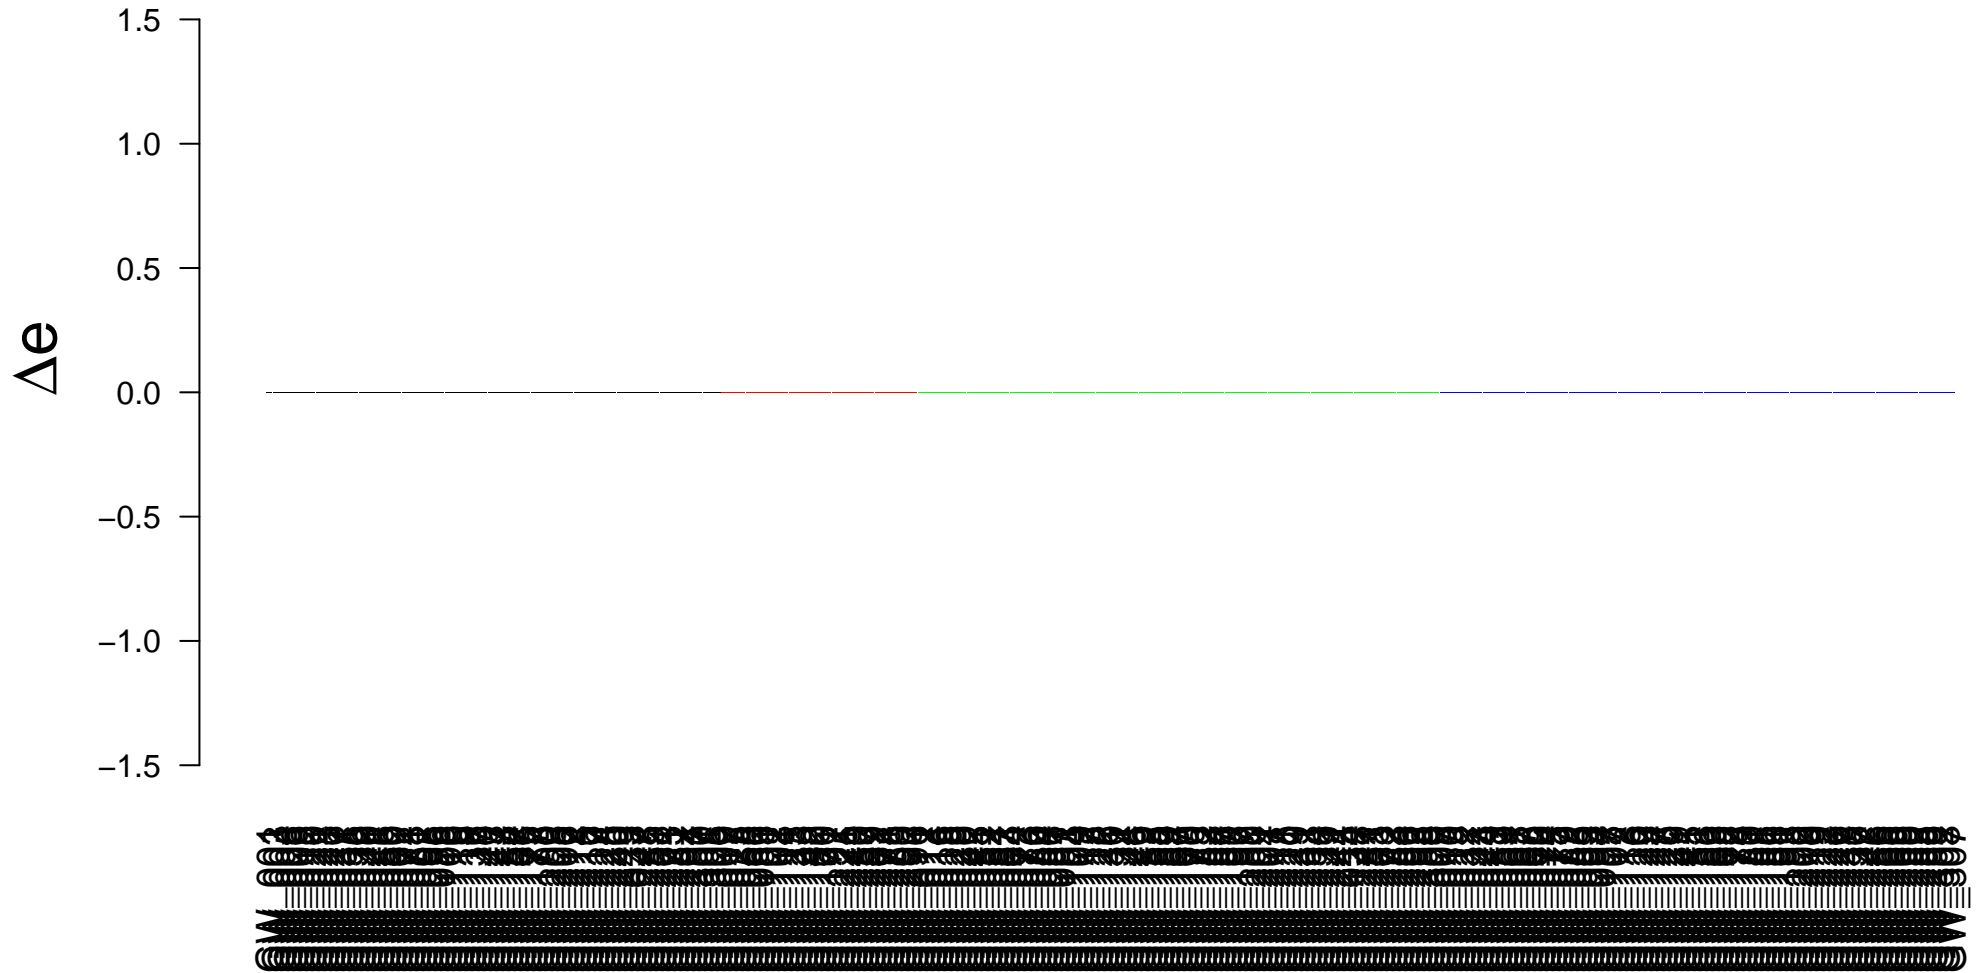

# Expression of Notch receptor processing in Spot G

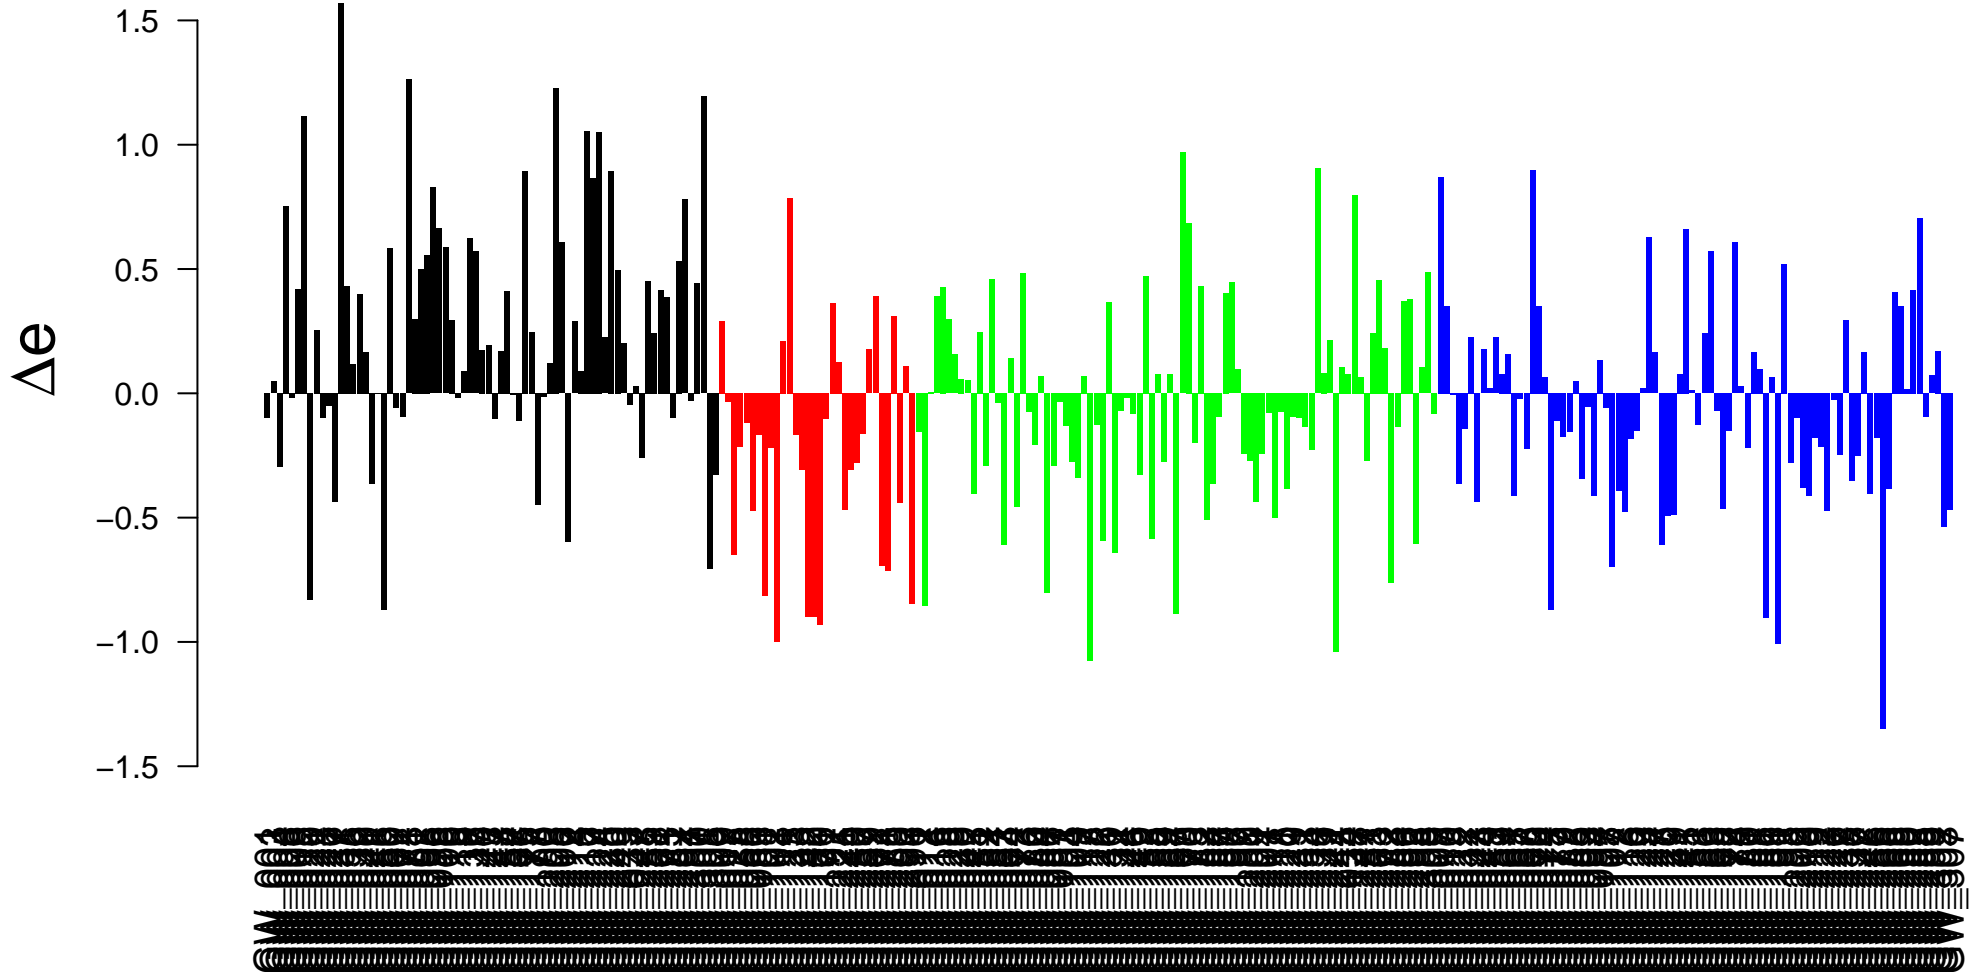

# Expression of Notch receptor processing in Spot H

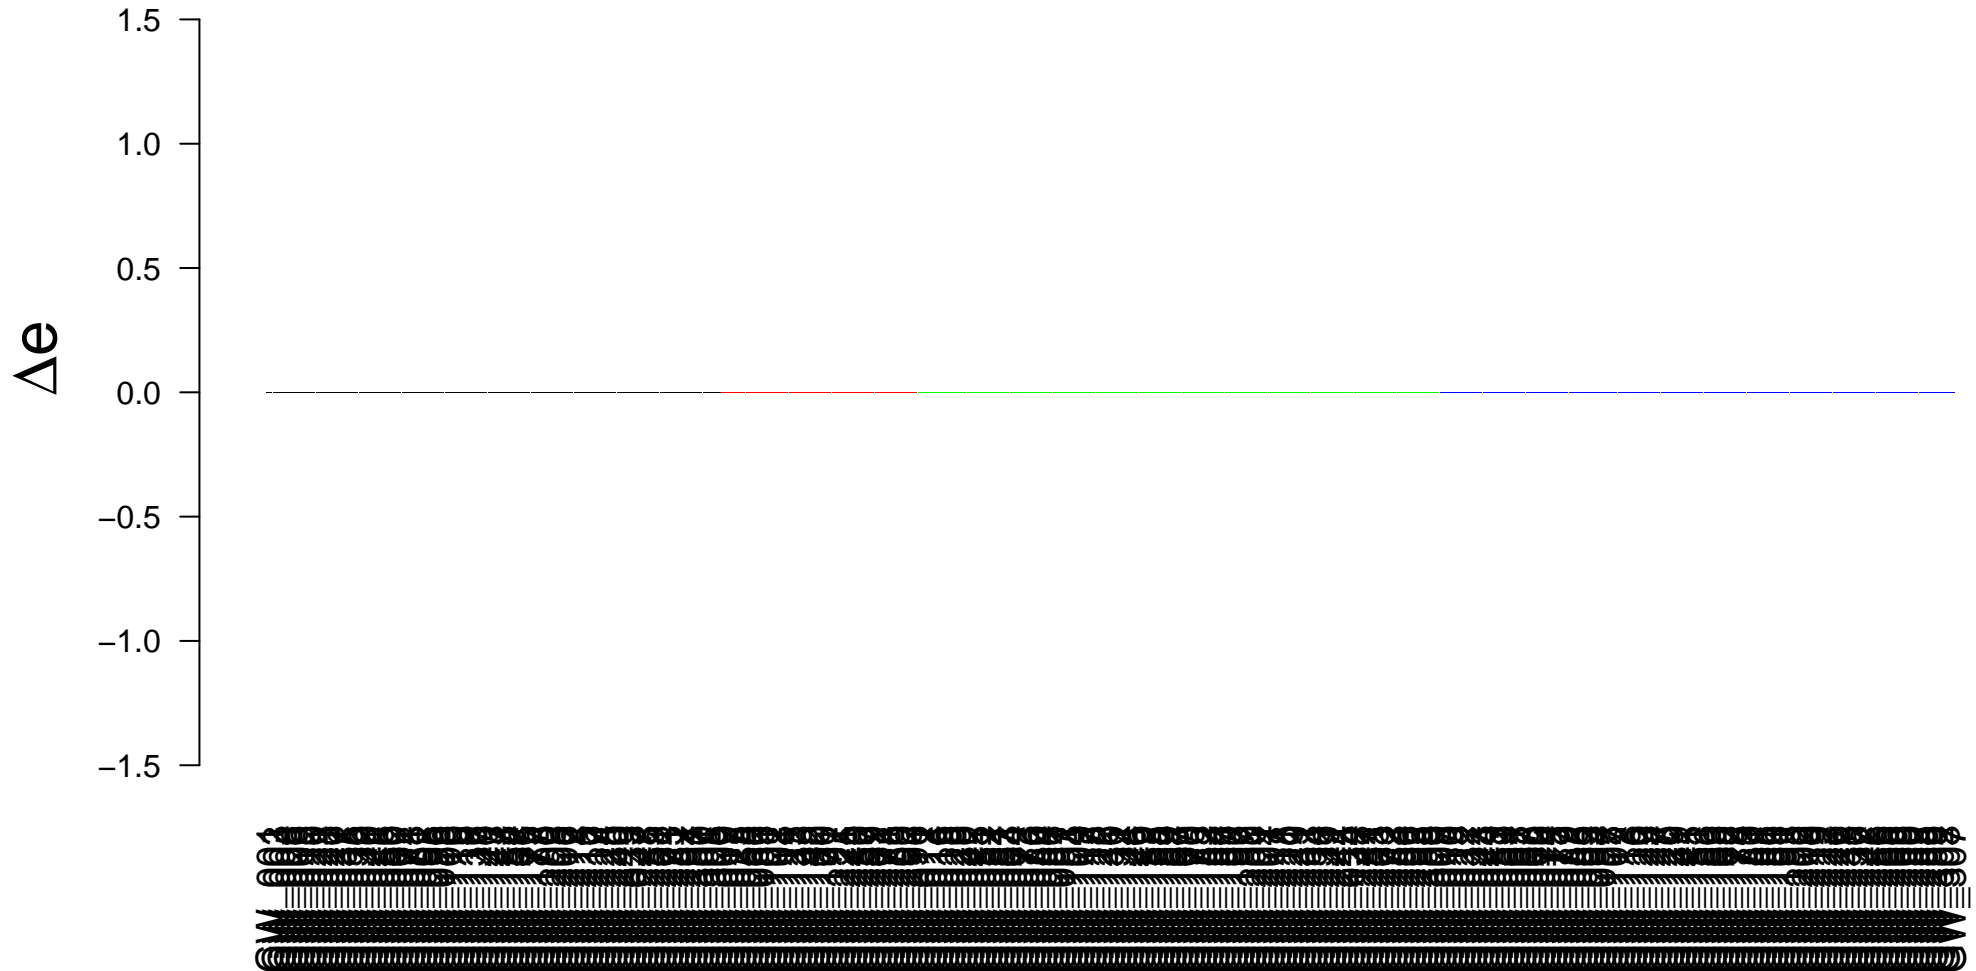

# Expression of Notch receptor processing in Spot I

# Expression of Notch receptor processing in Spot J

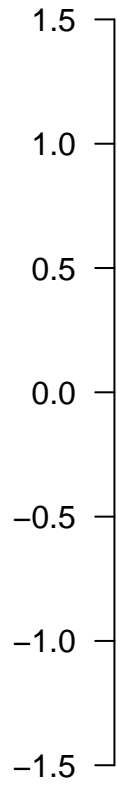

# Expression of Notch receptor processing in Spot K

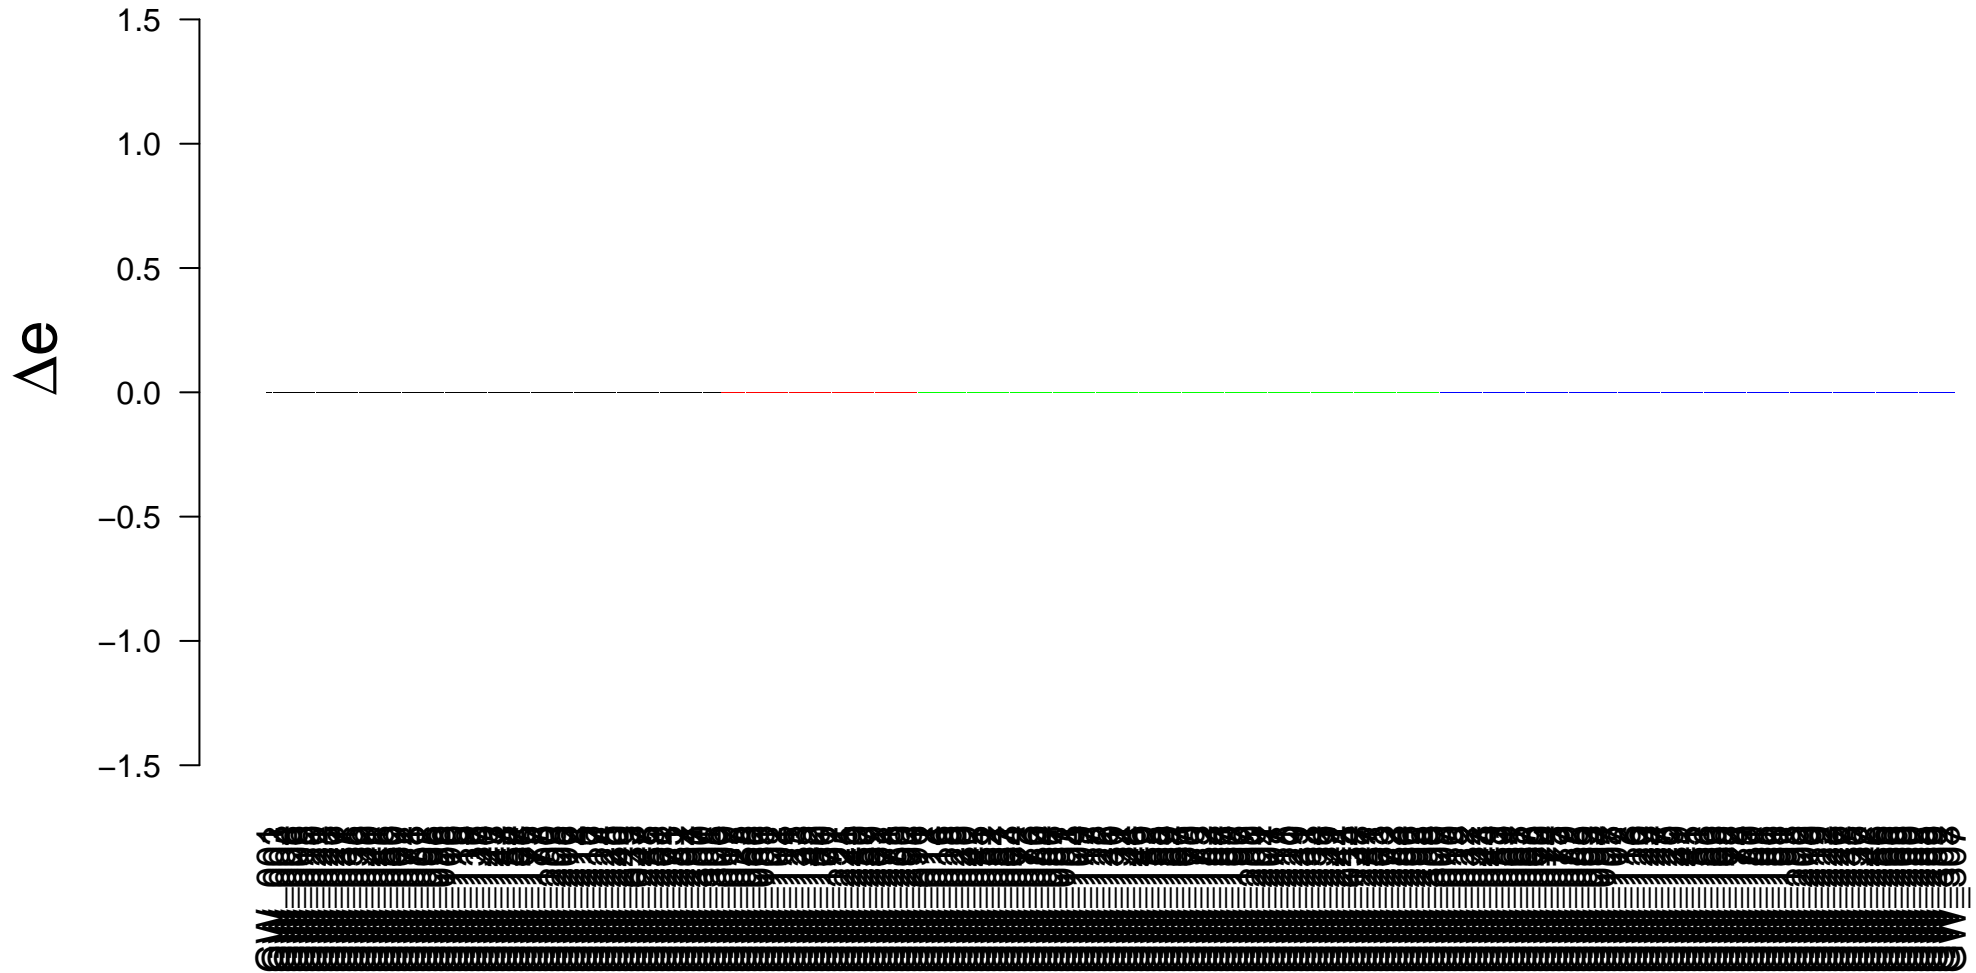

# Expression of Notch receptor processing in Spot L

$\Delta e$

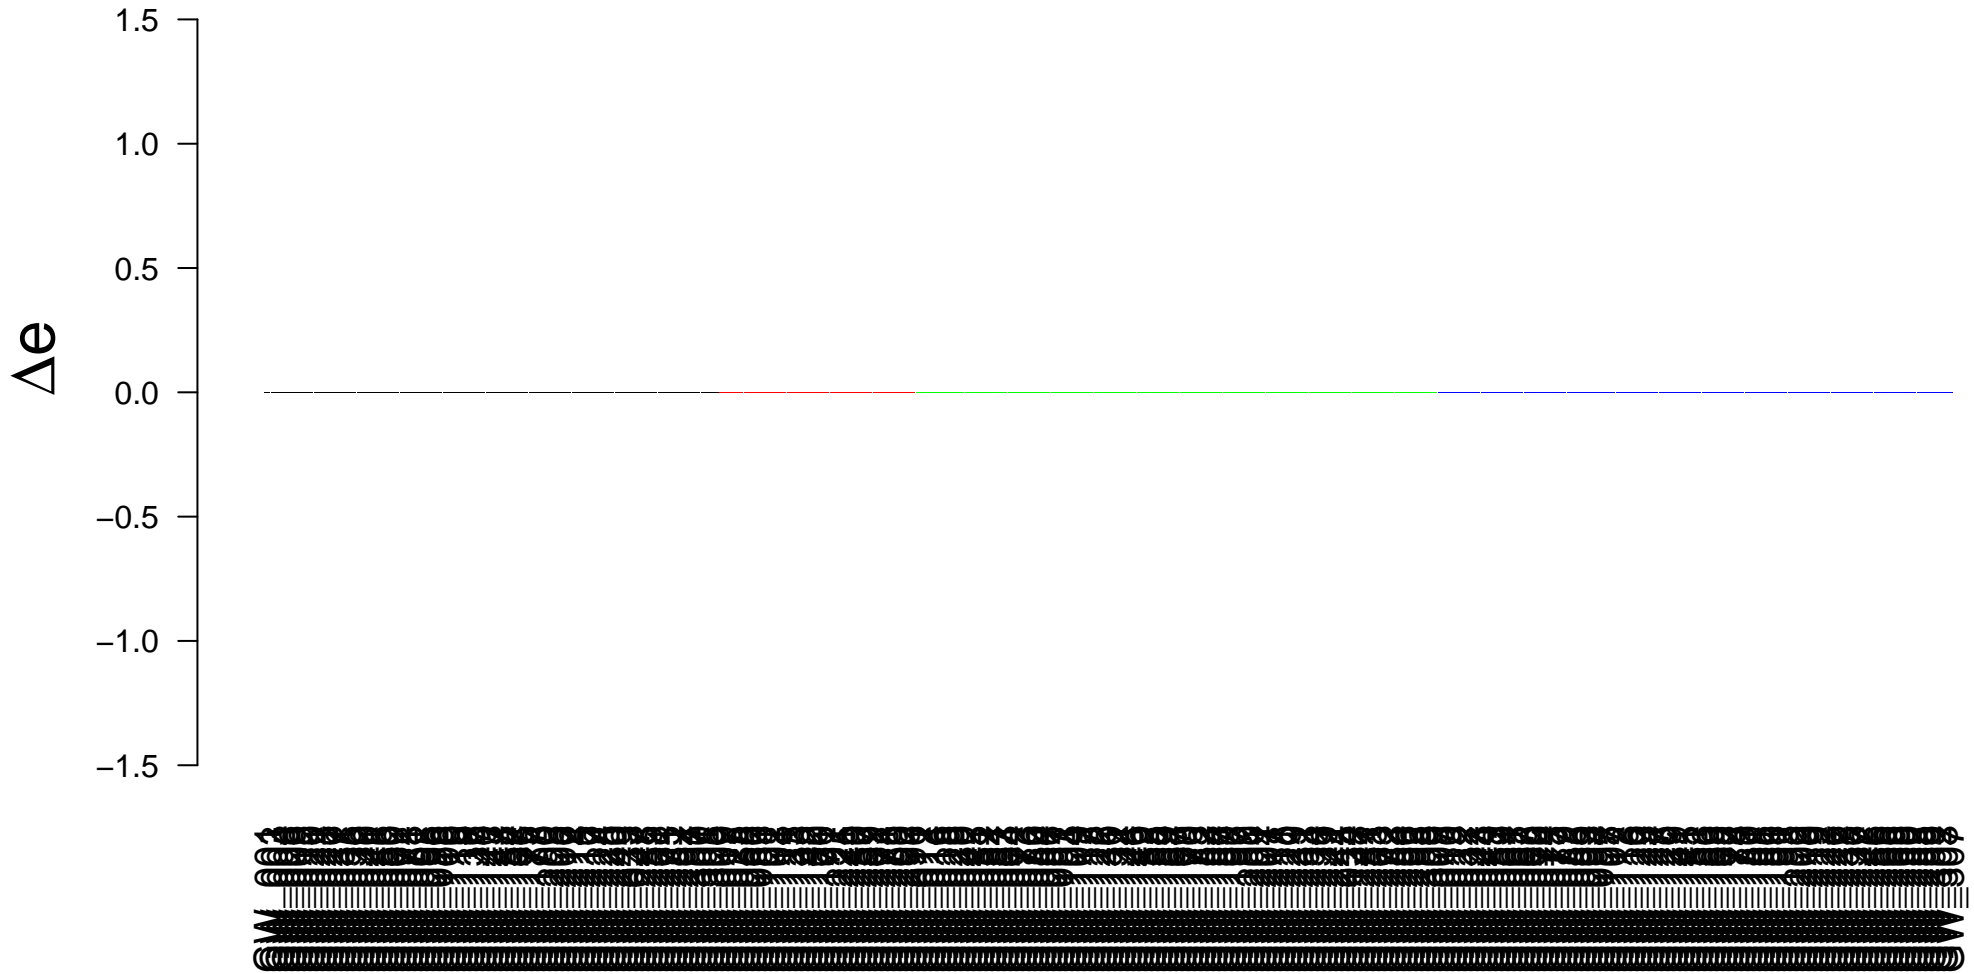

# Expression of Notch receptor processing in Spot M

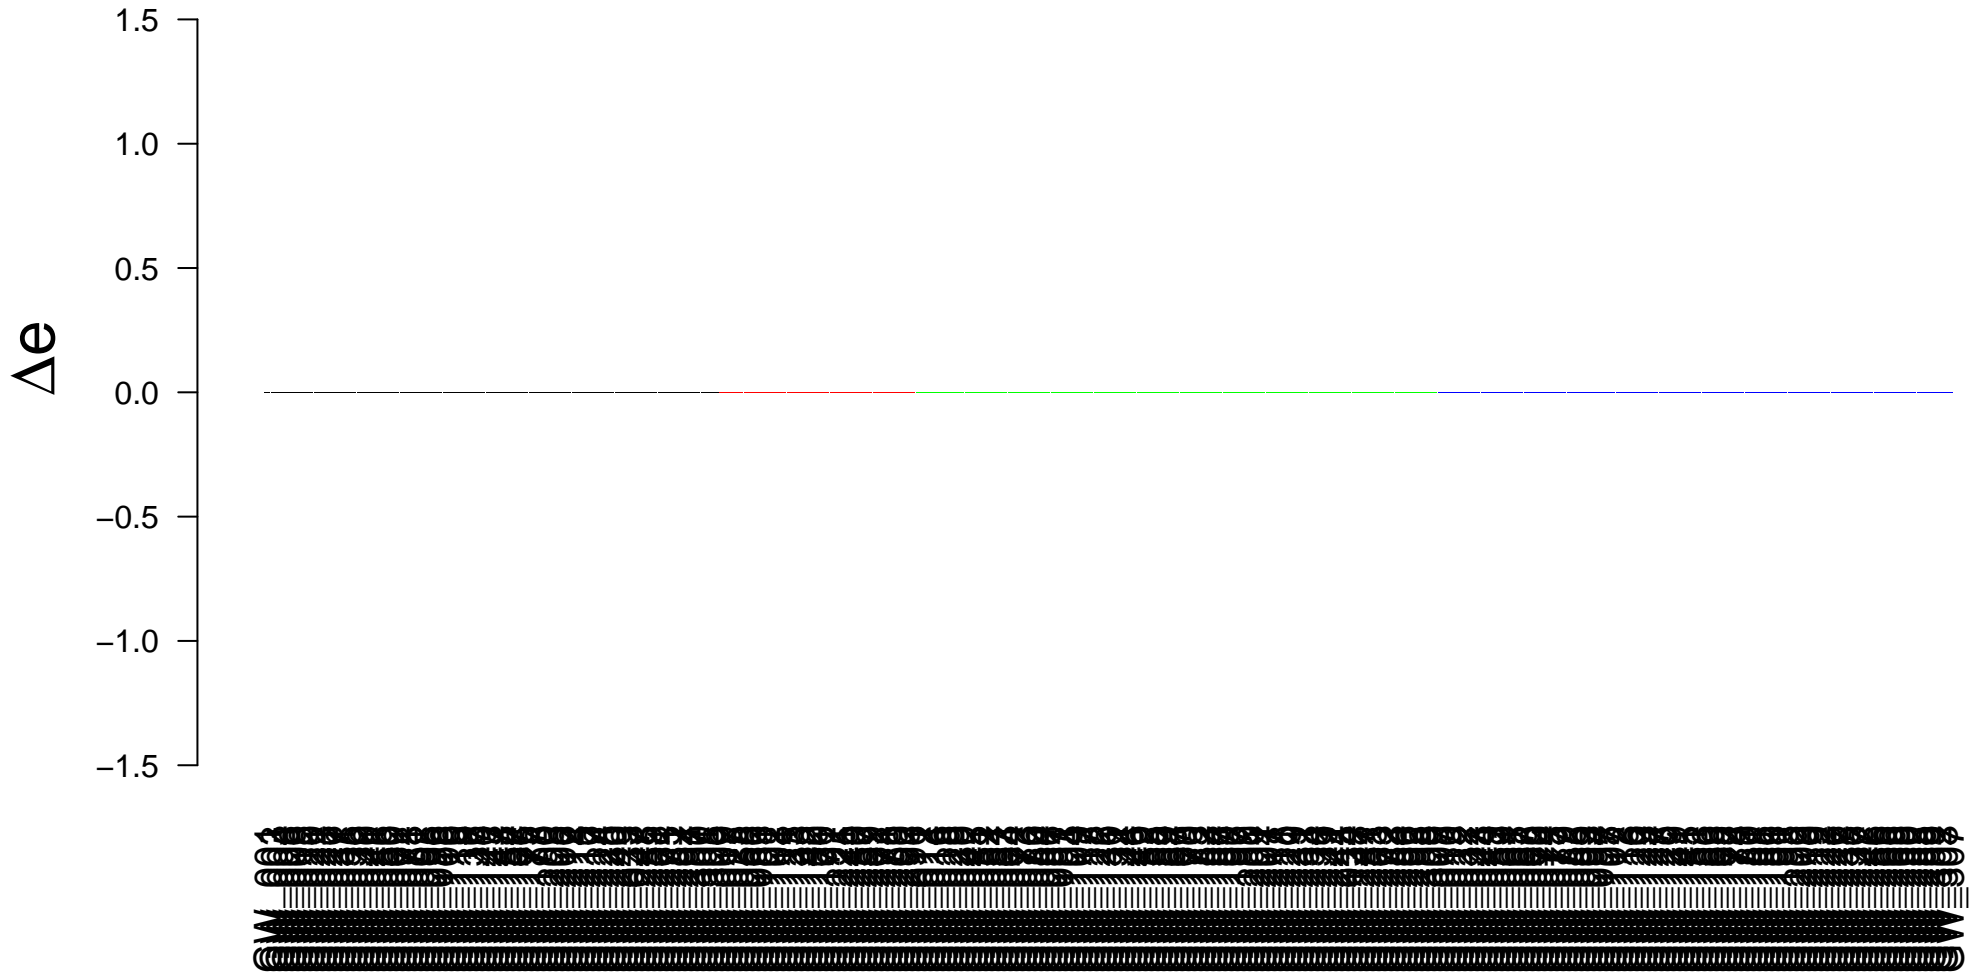

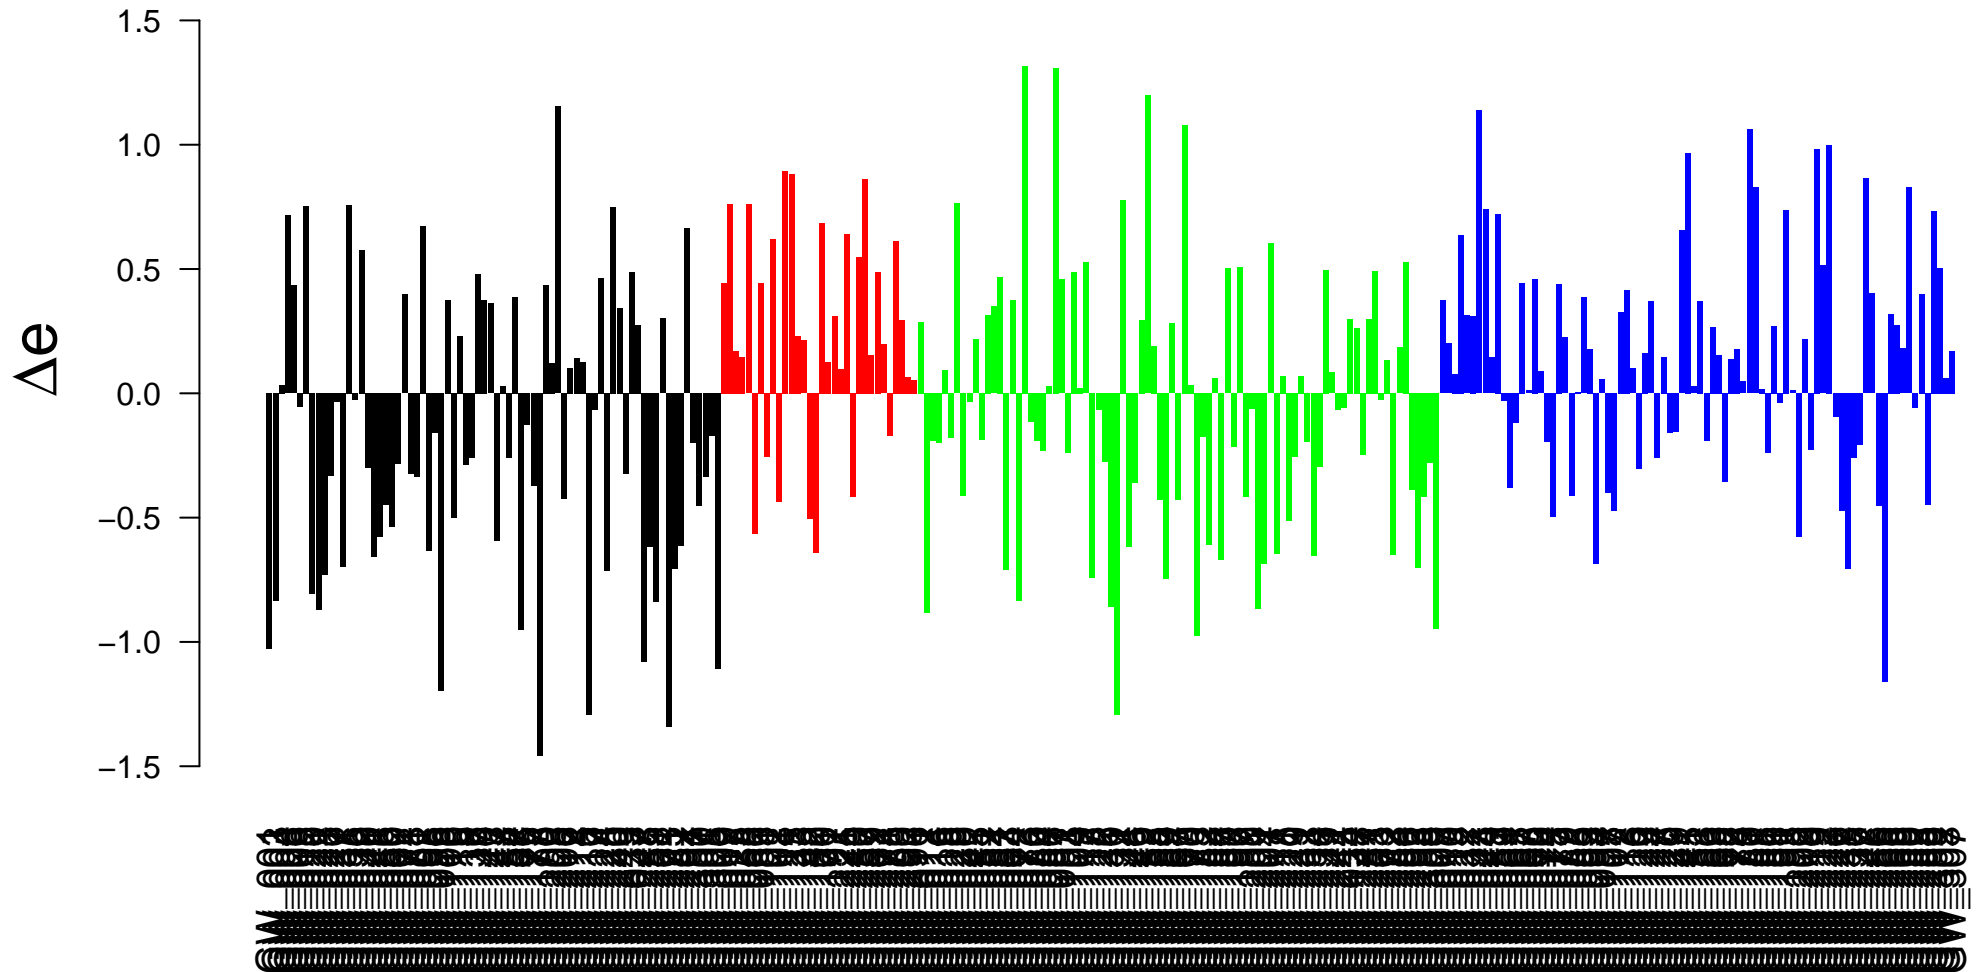

# Expression of Notch receptor processing in Spot N

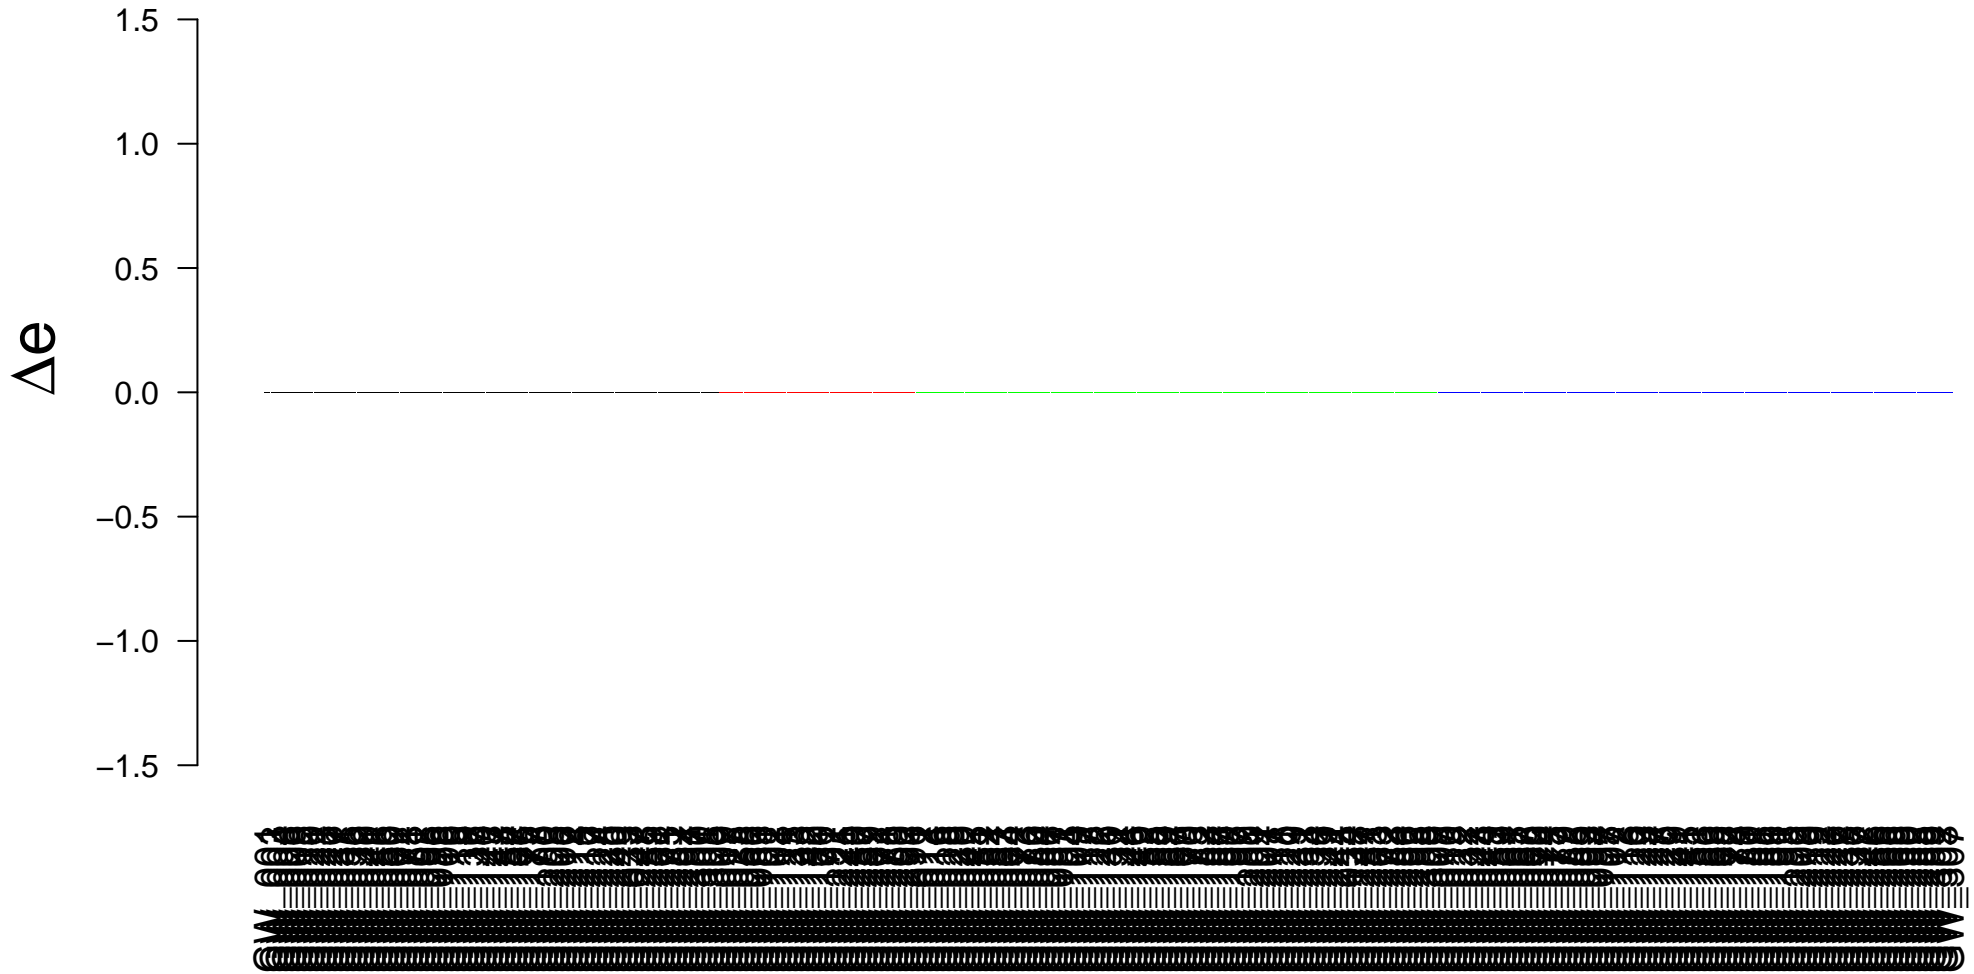

# Expression of Notch receptor processing in Spot O

# Expression of Notch receptor processing in Spot P

# Expression of Notch receptor processing in Spot Q

# Expression of Notch receptor processing in Spot R
