

RNA splicing

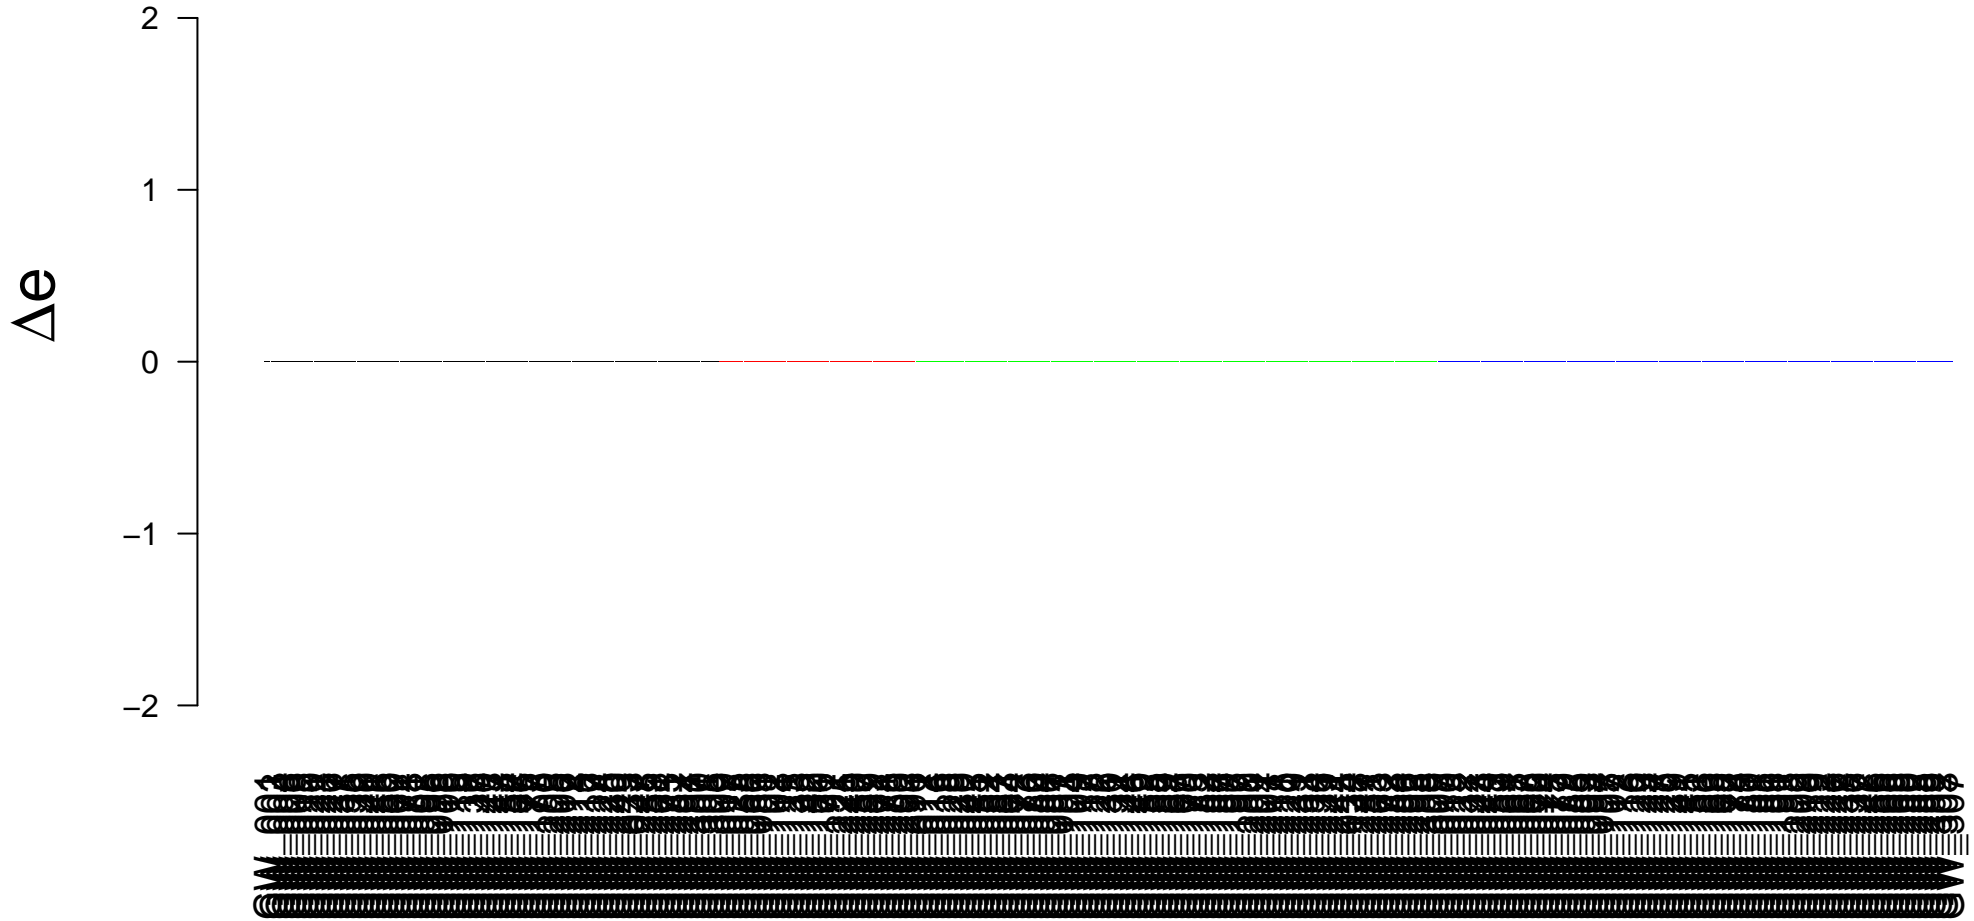

RNA splicing

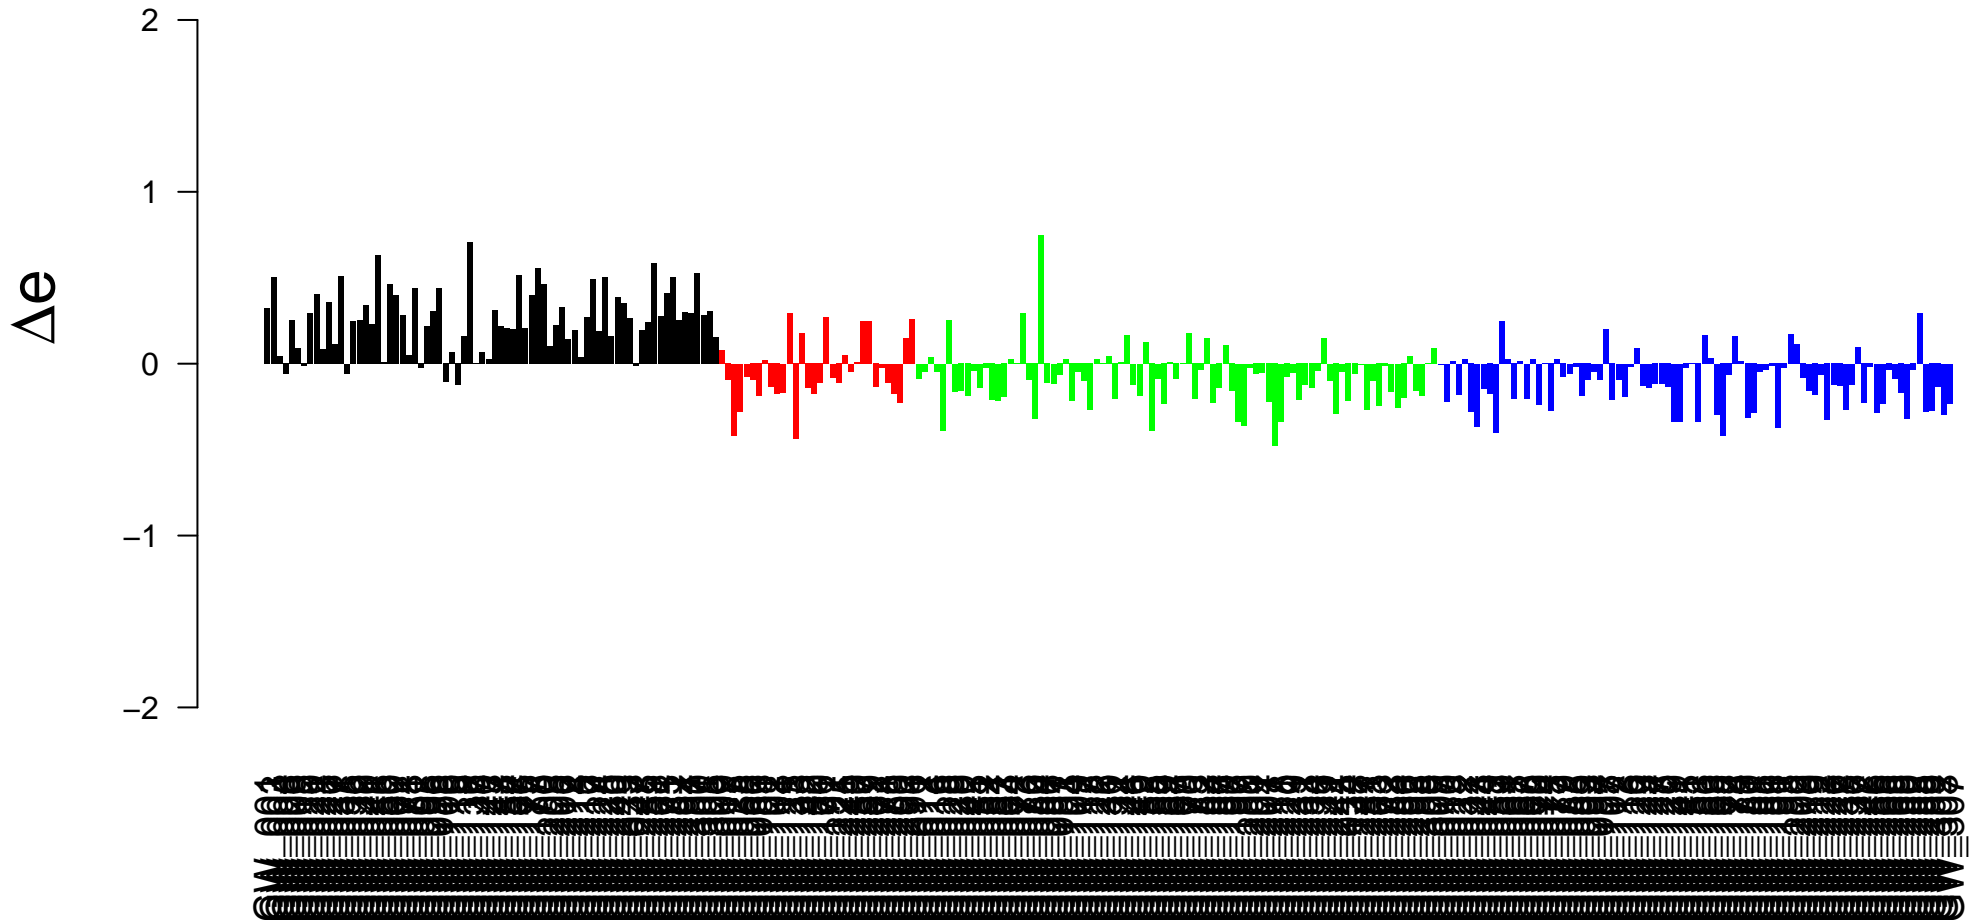

Enrichment in spots: RNA splicing

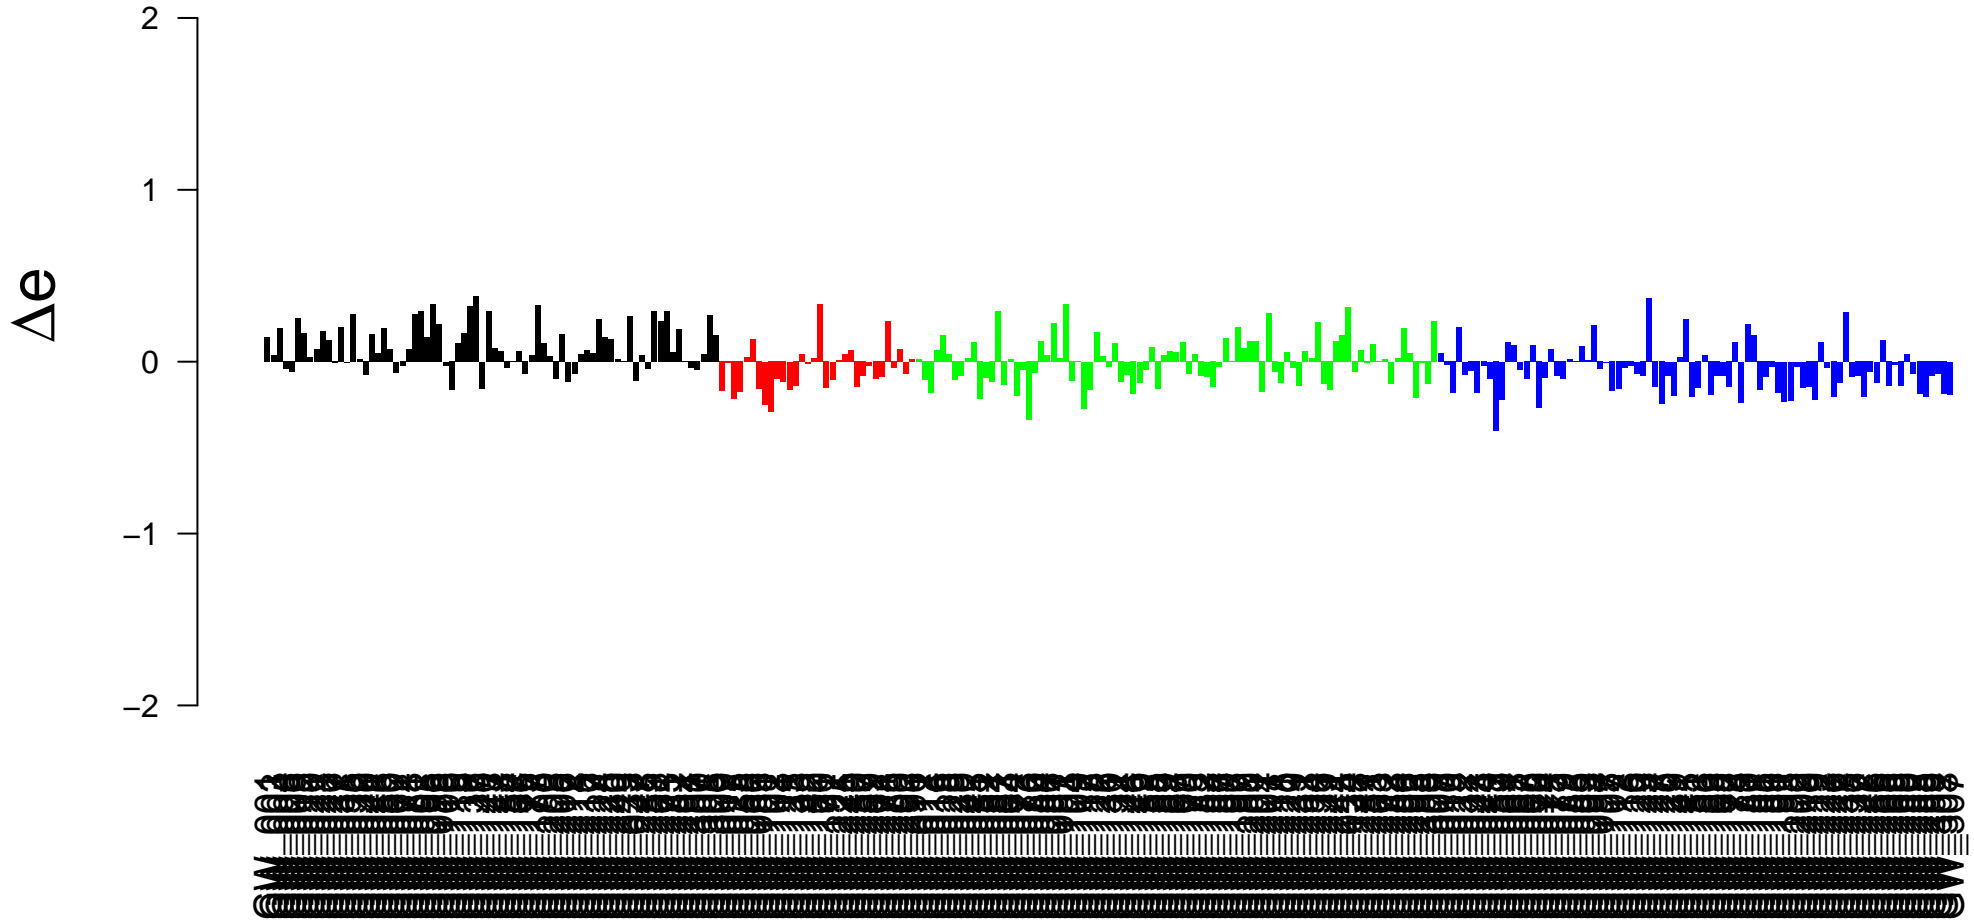

Expression of RNA splicing in Spot A

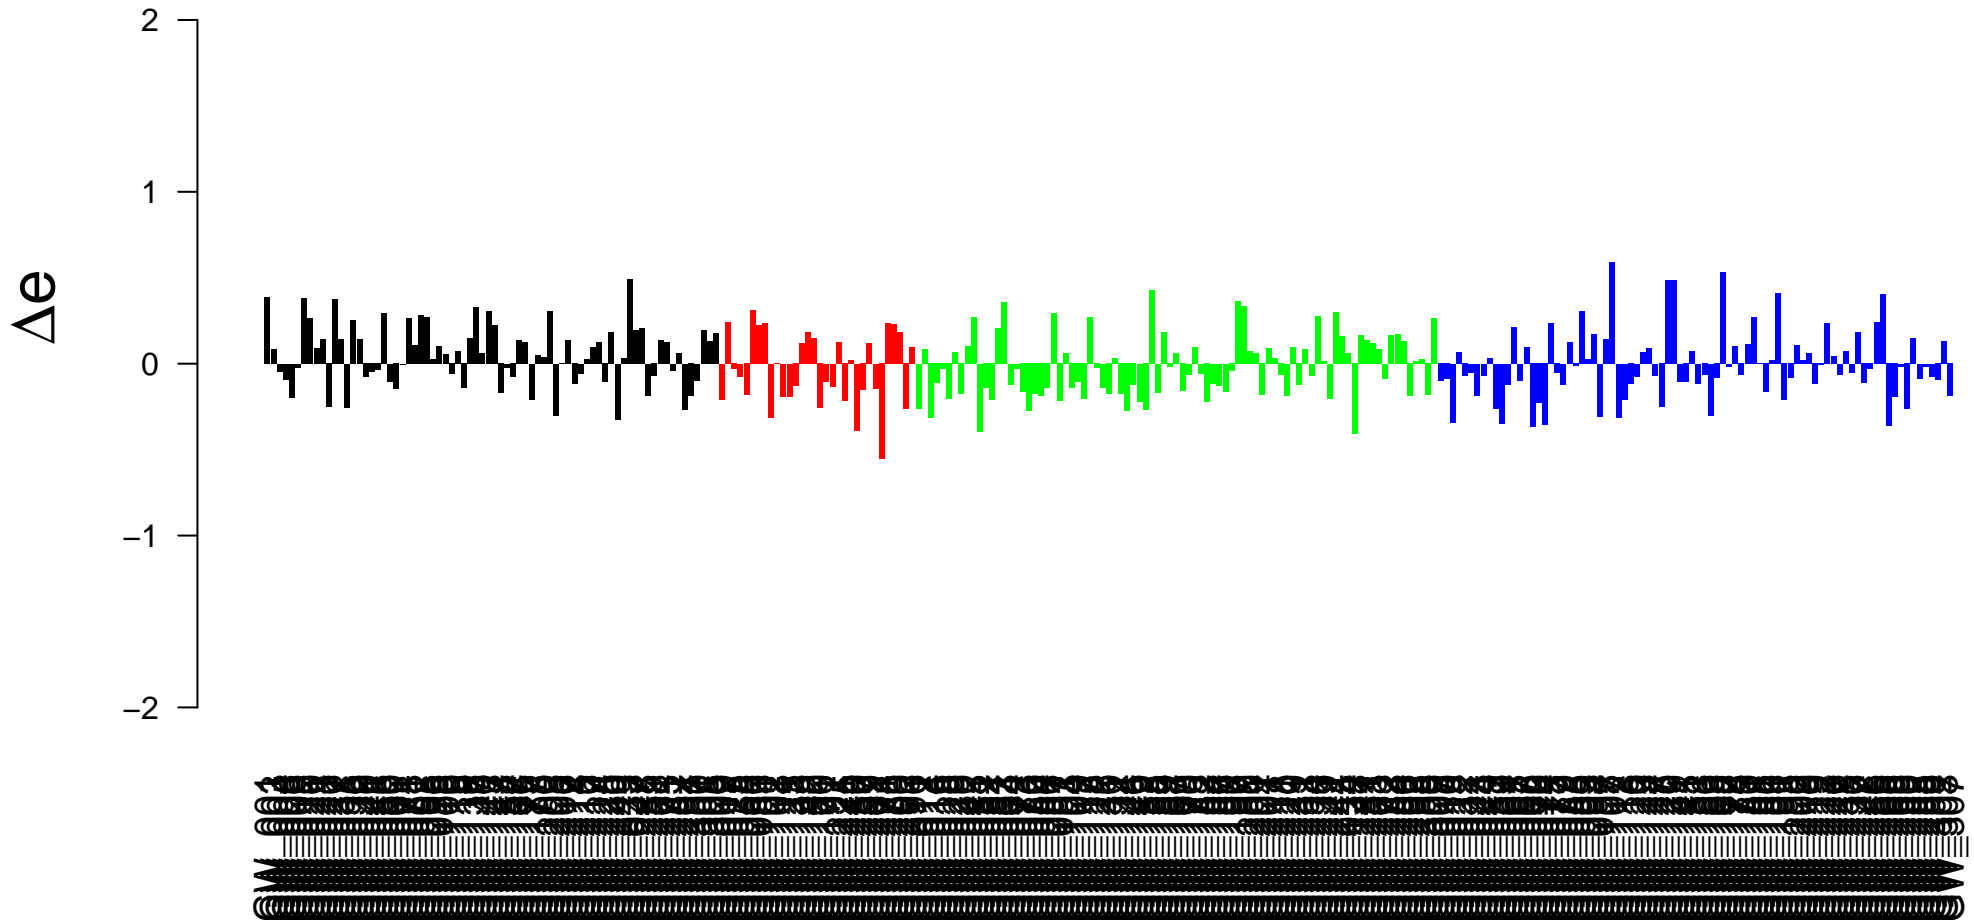

Expression of RNA splicing in Spot B

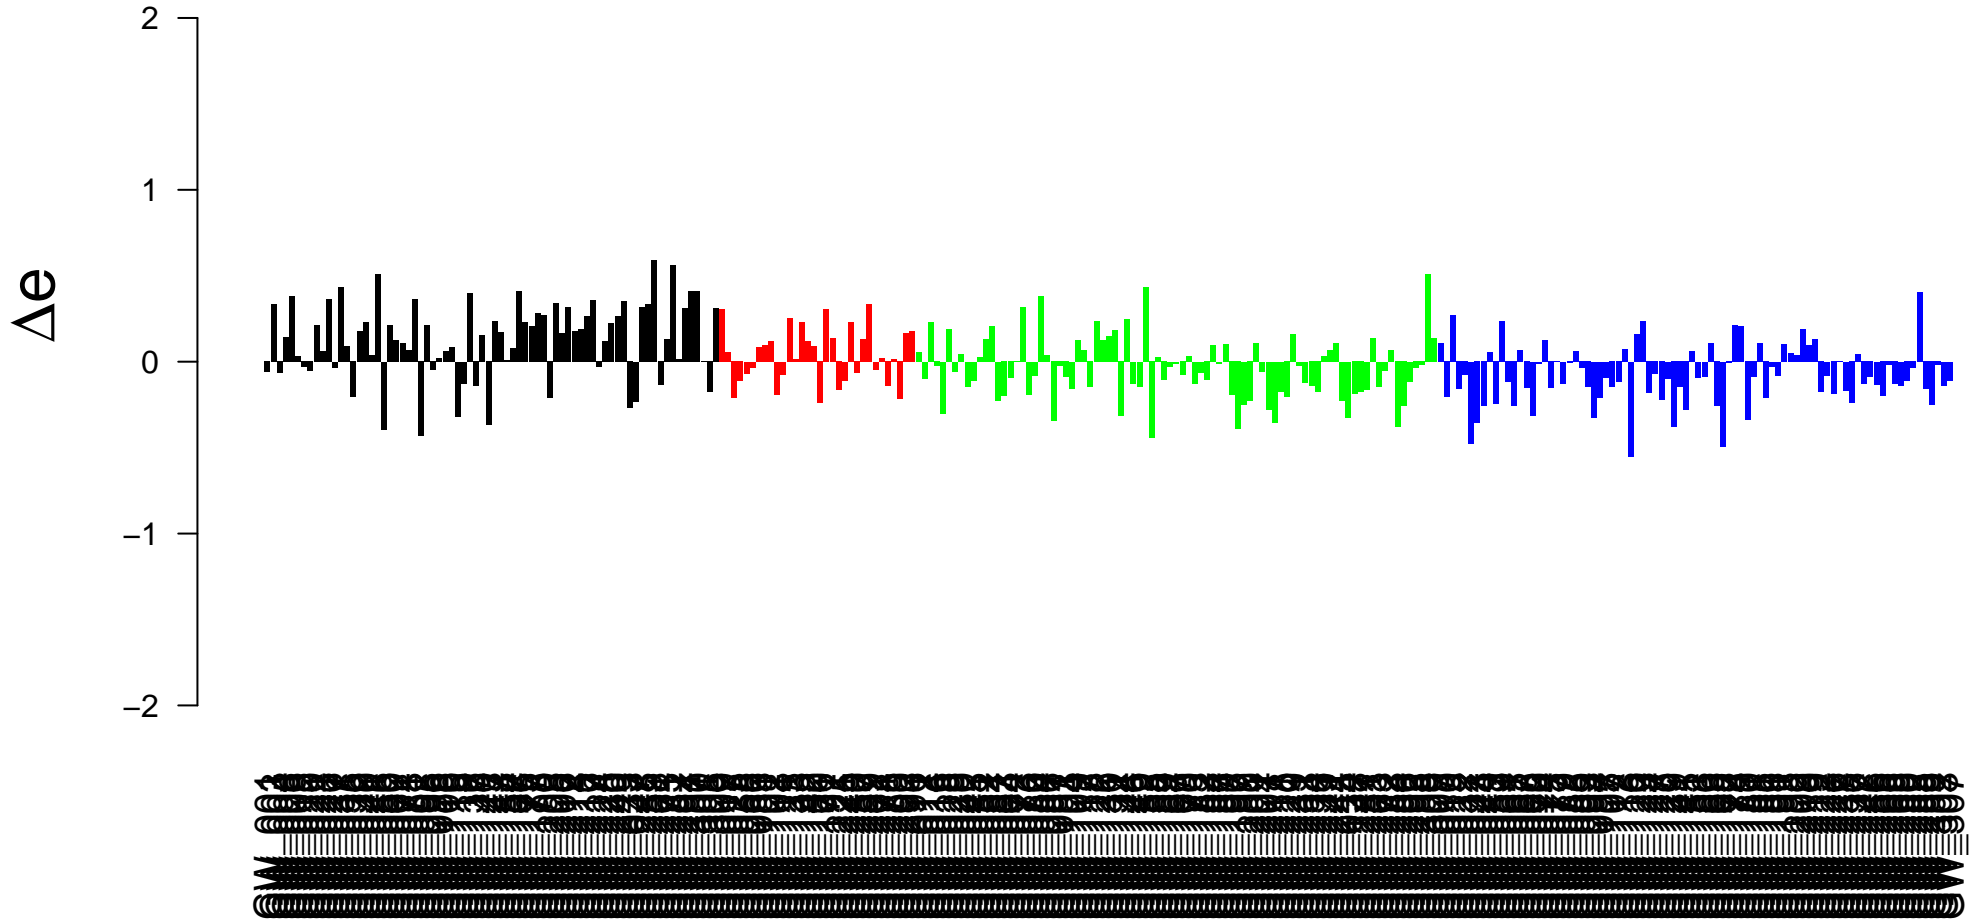

Expression of RNA splicing in Spot C

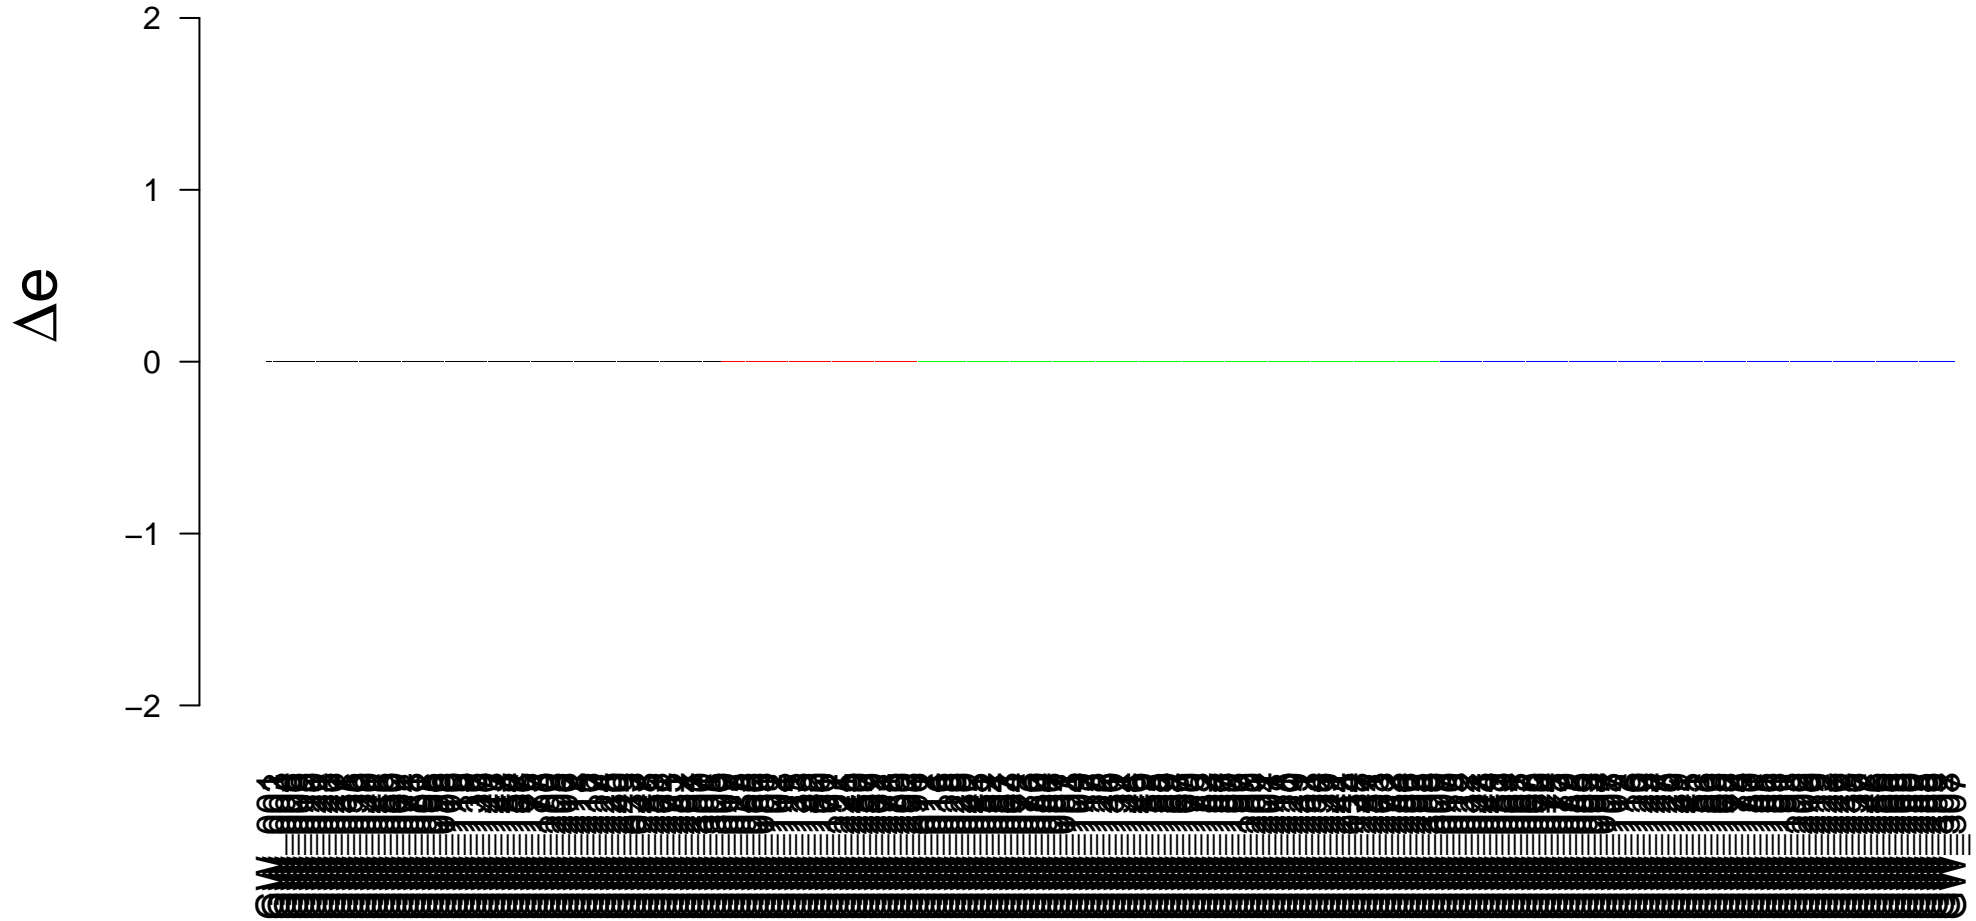

Expression of RNA splicing in Spot D

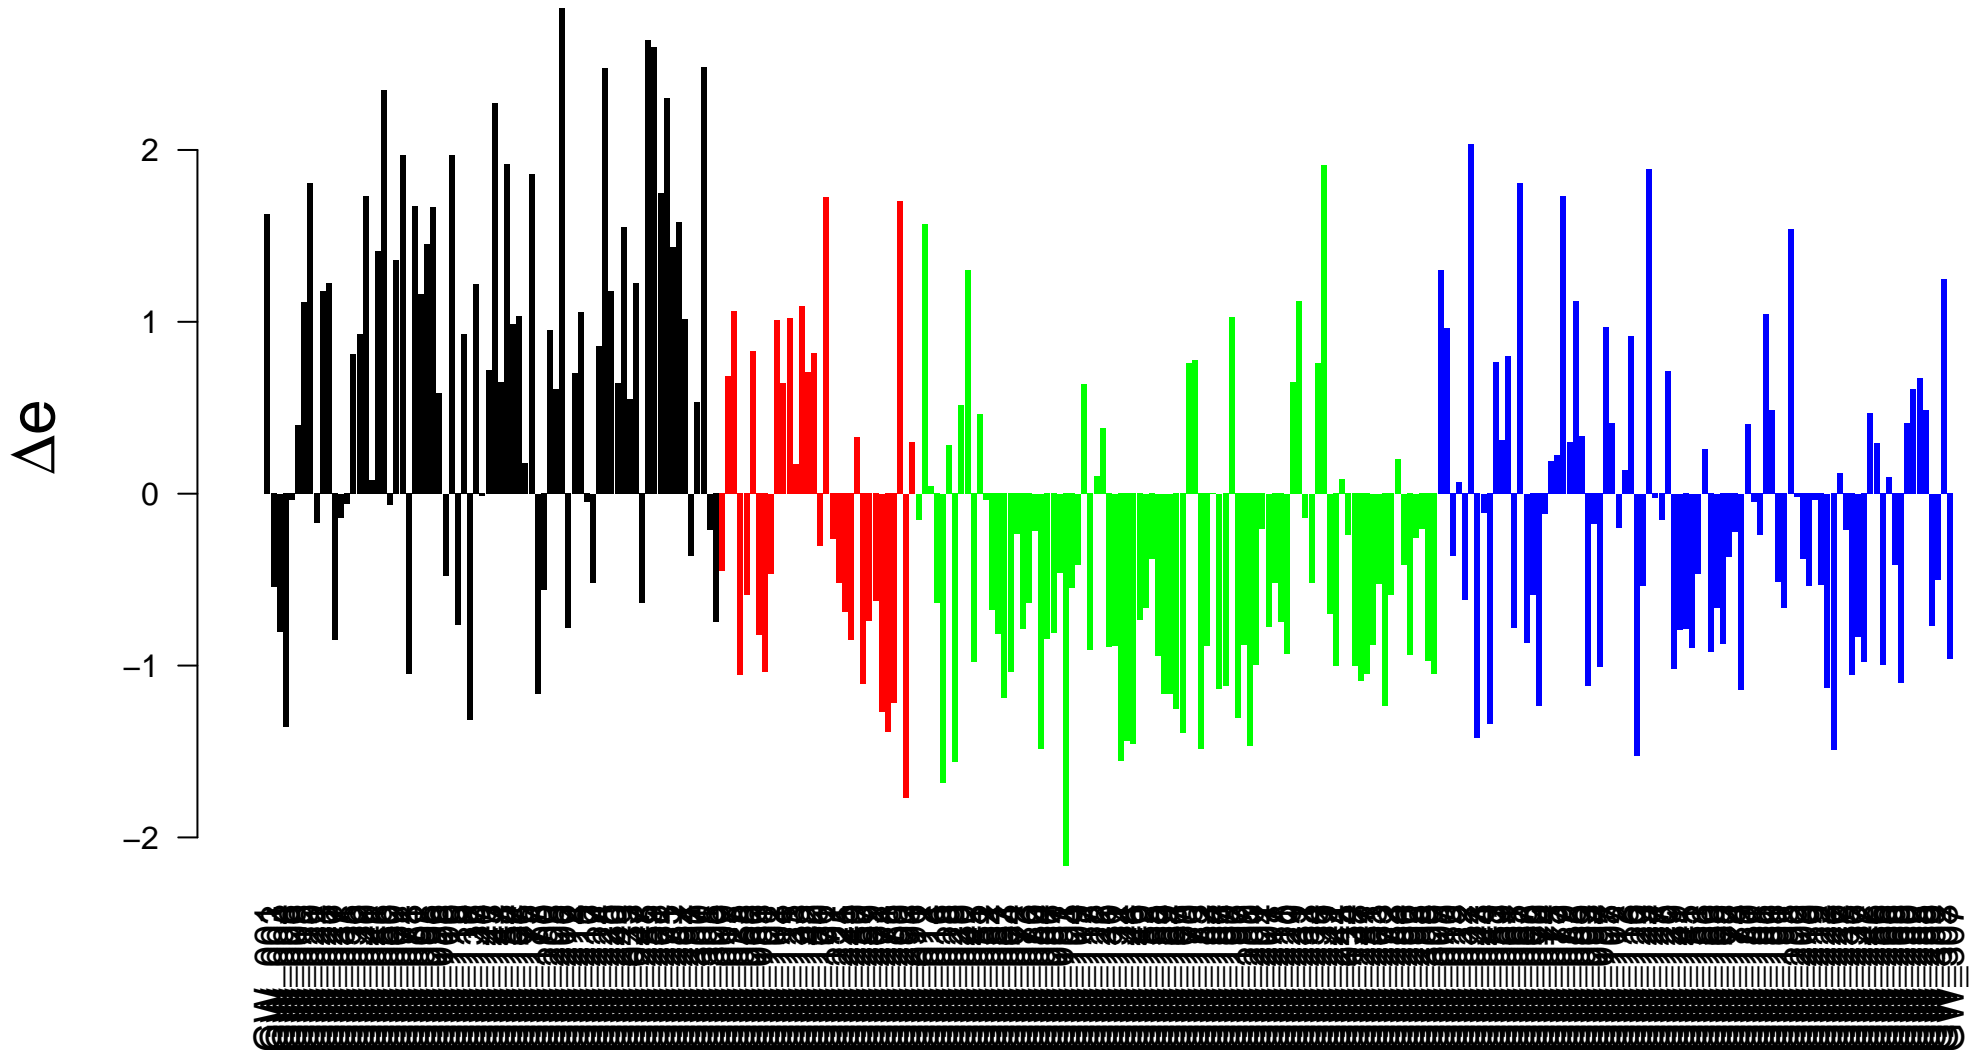

Expression of RNA splicing in Spot E

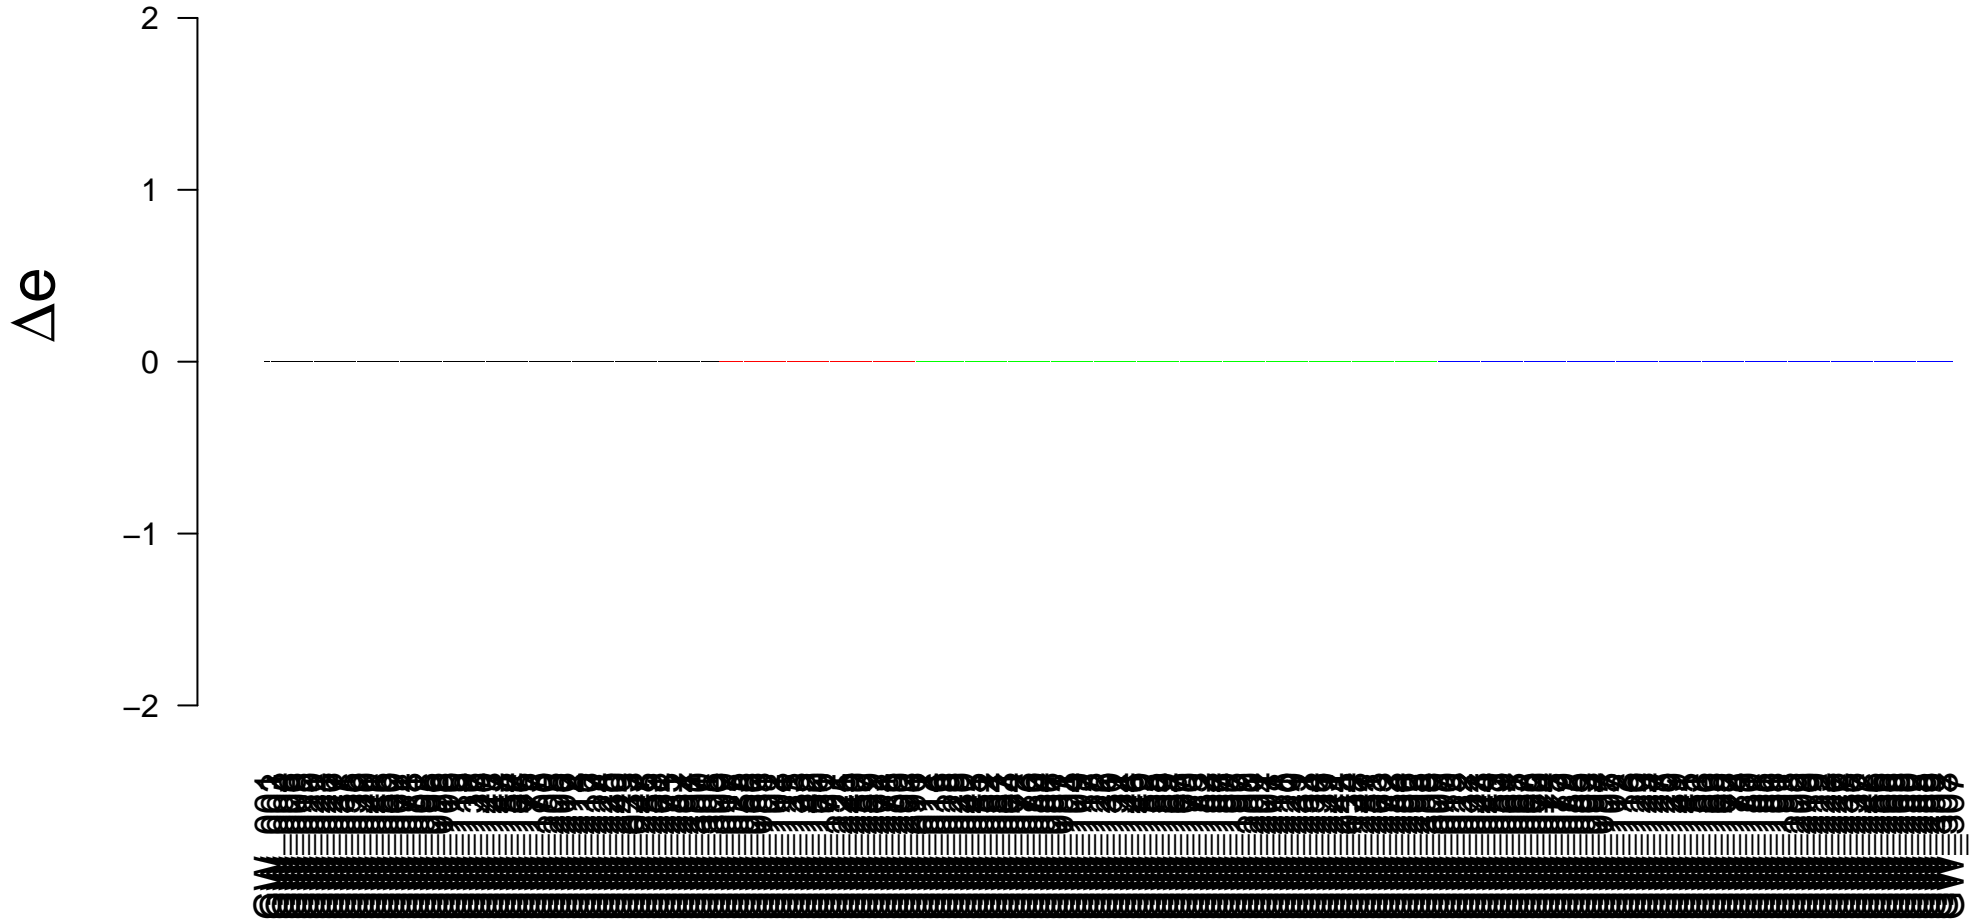

Expression of RNA splicing in Spot F

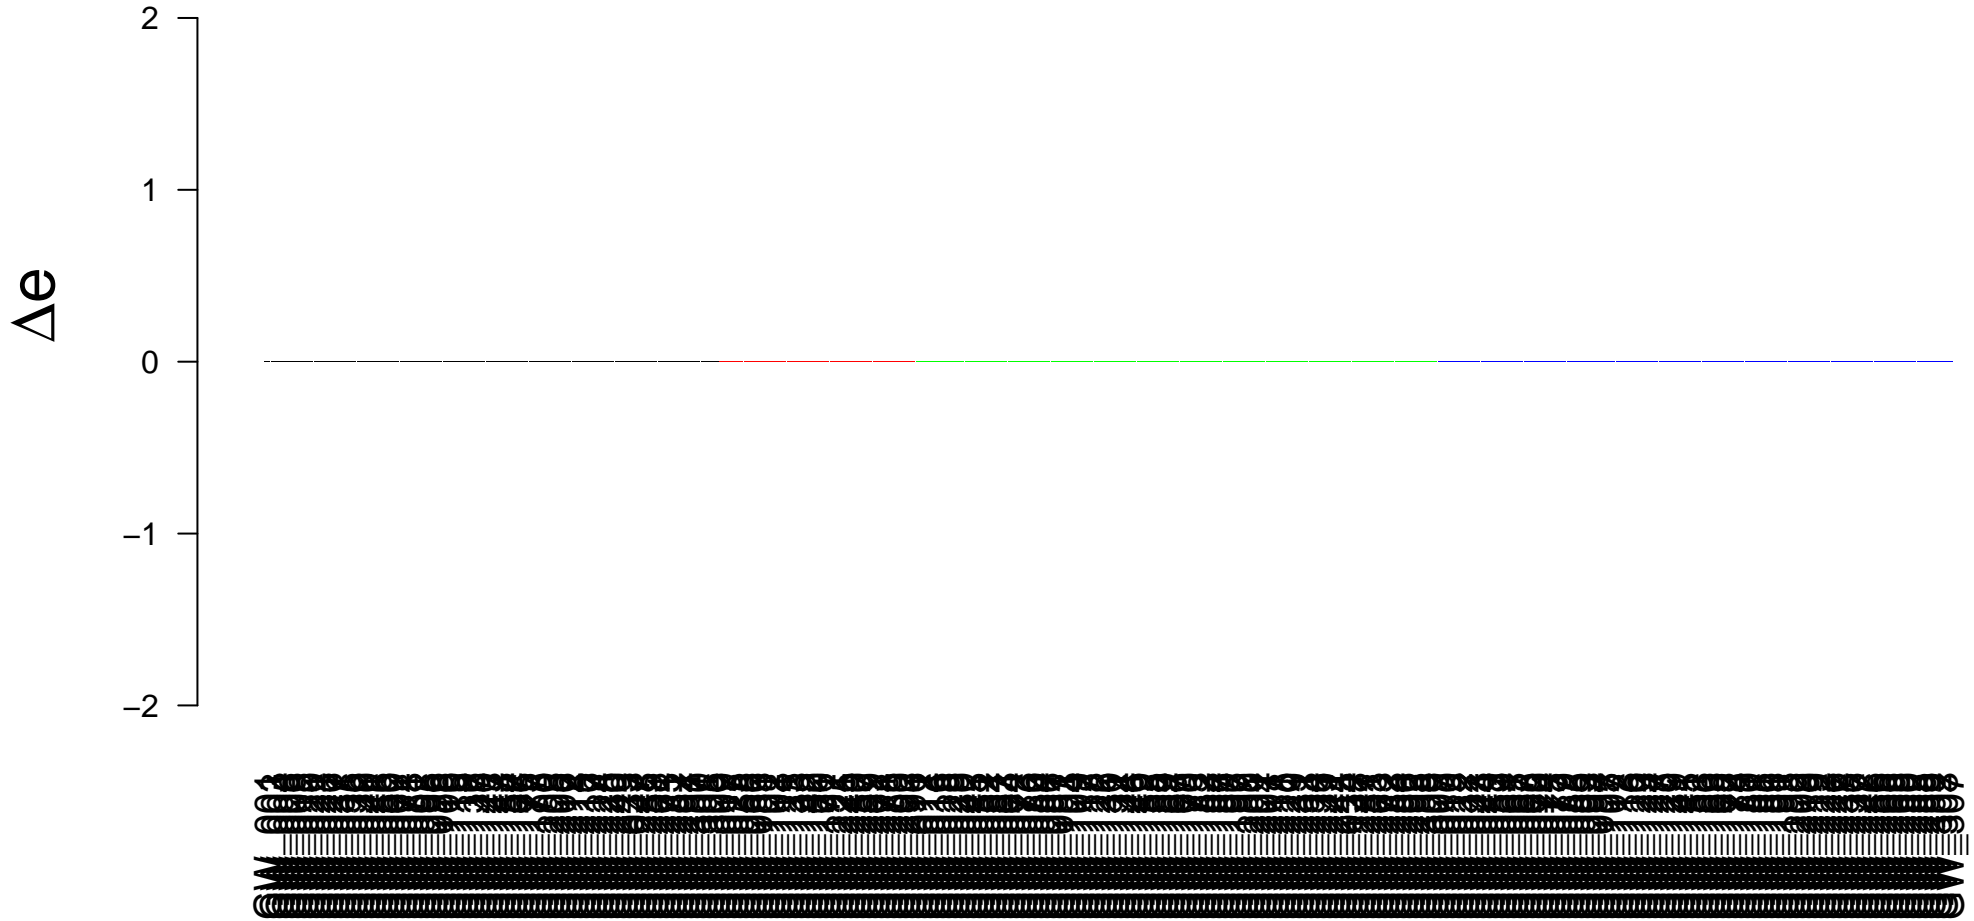

Expression of RNA splicing in Spot G

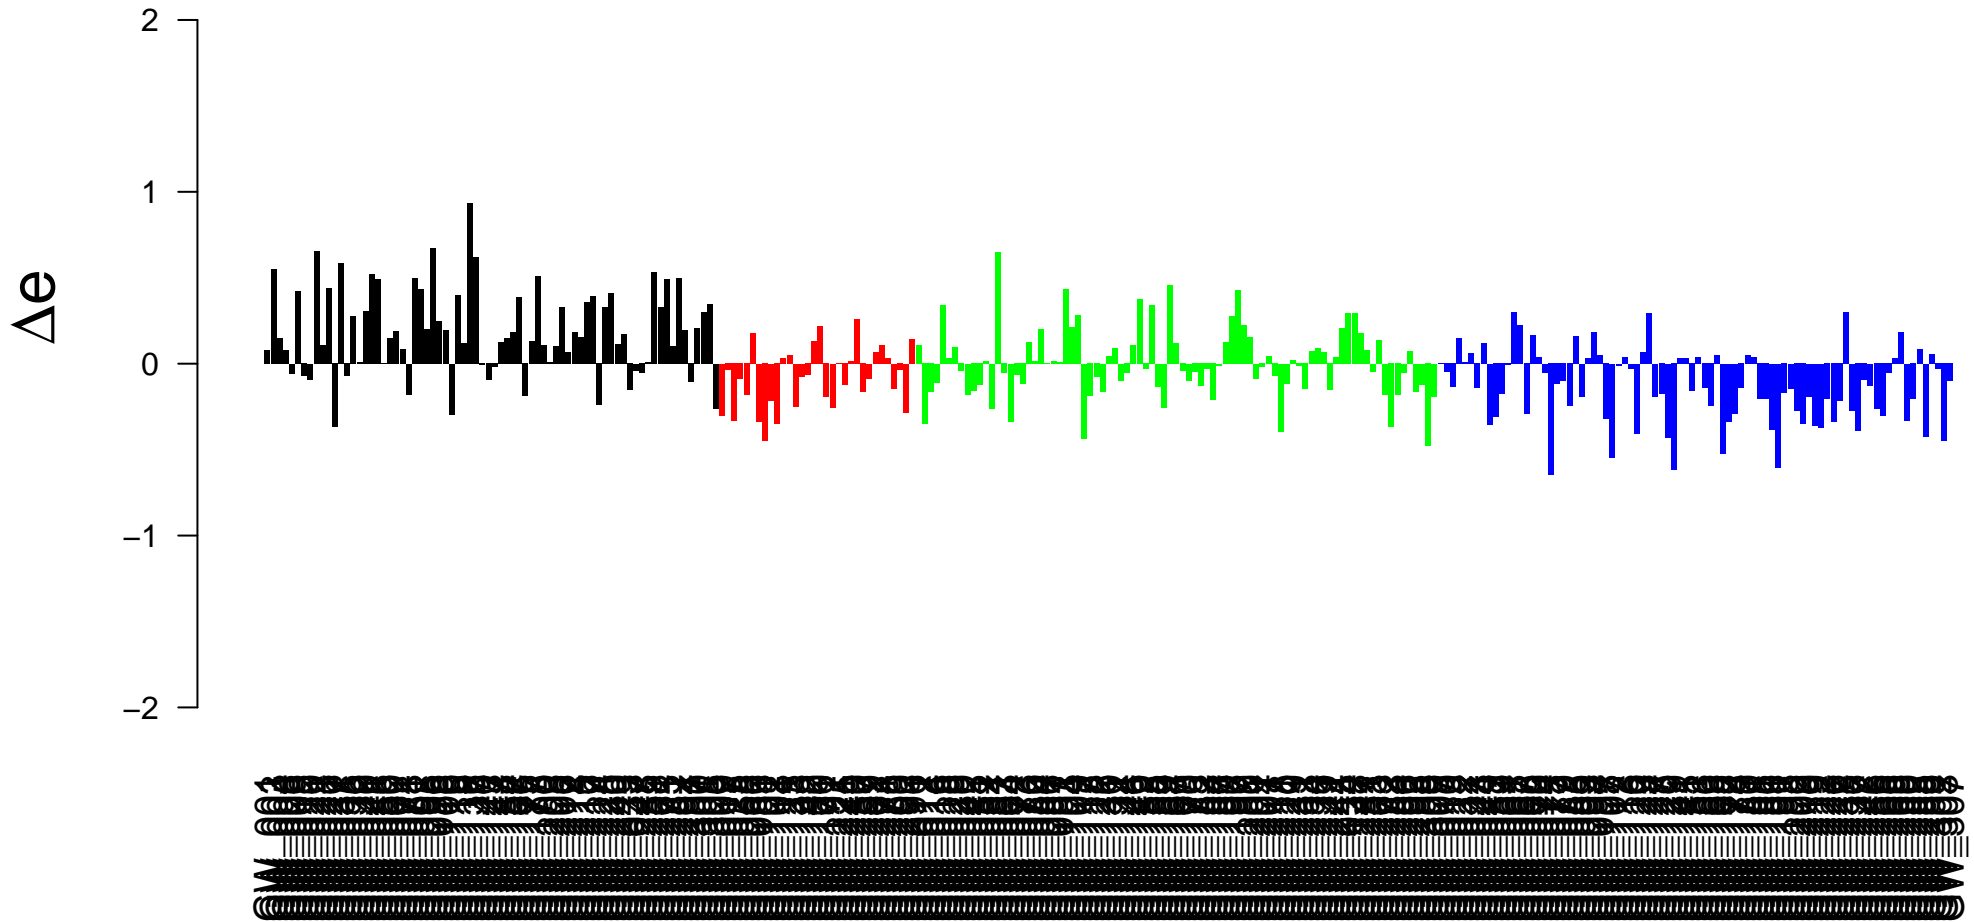

Expression of RNA splicing in Spot H

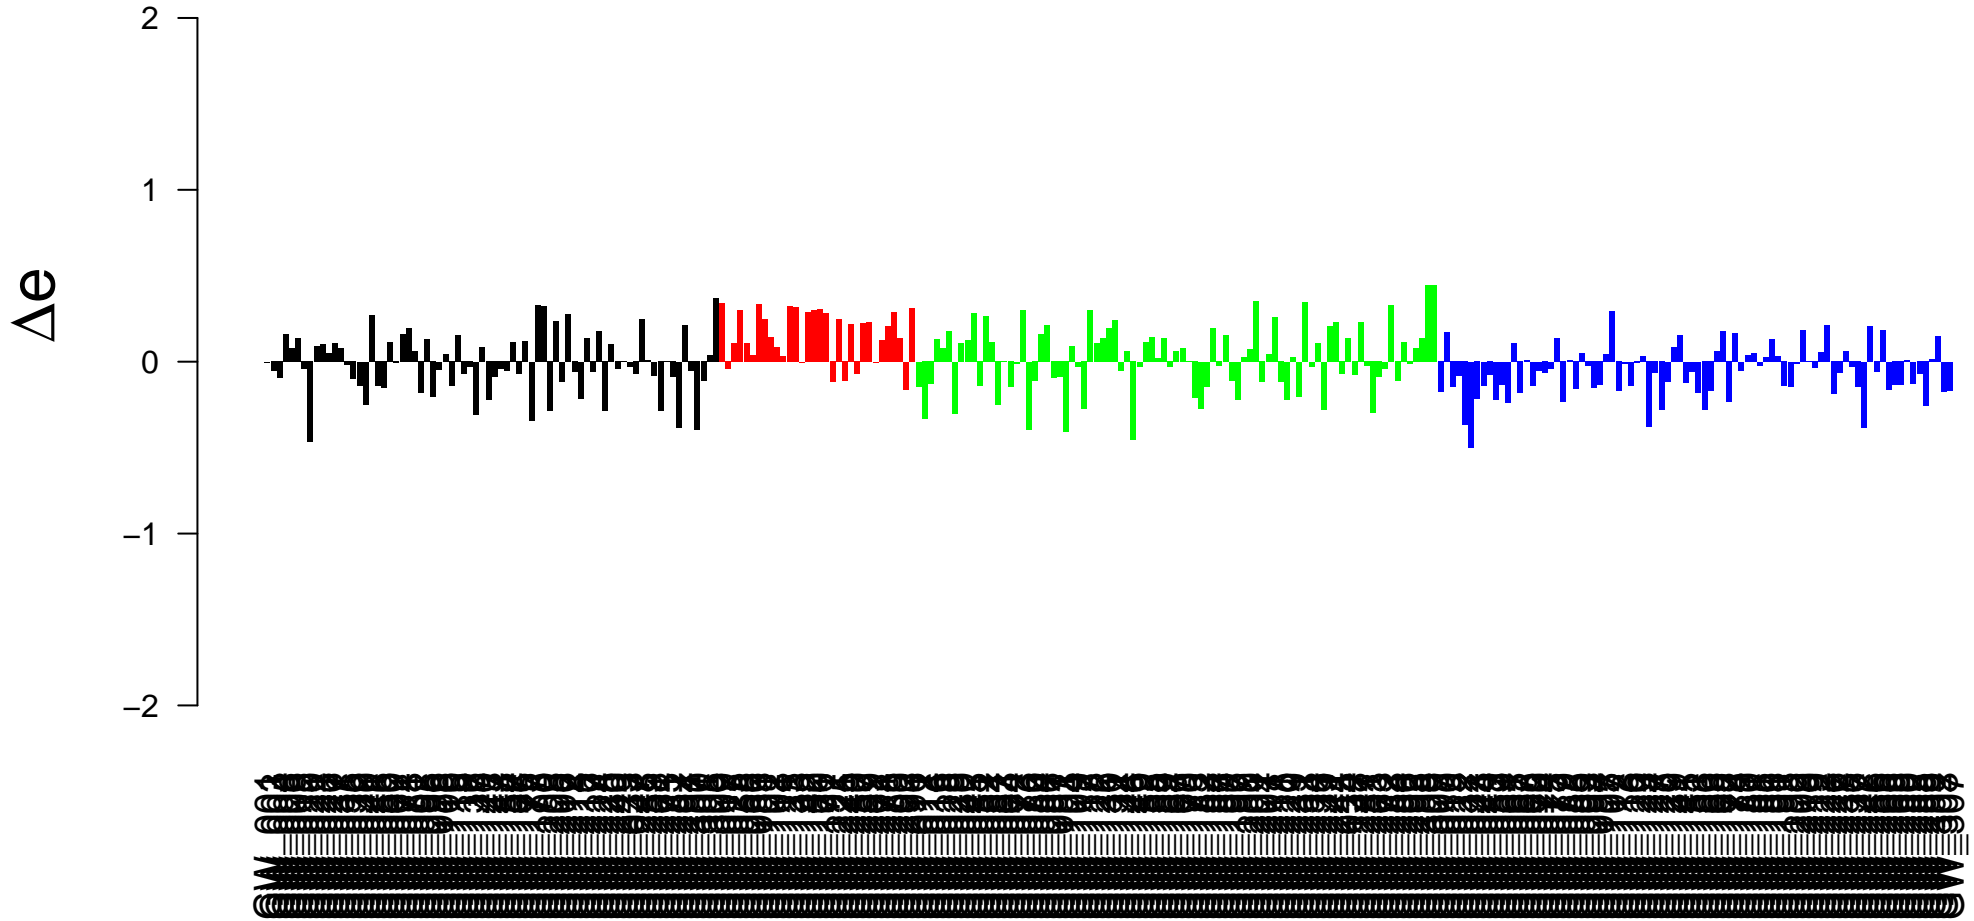

Expression of RNA splicing in Spot I

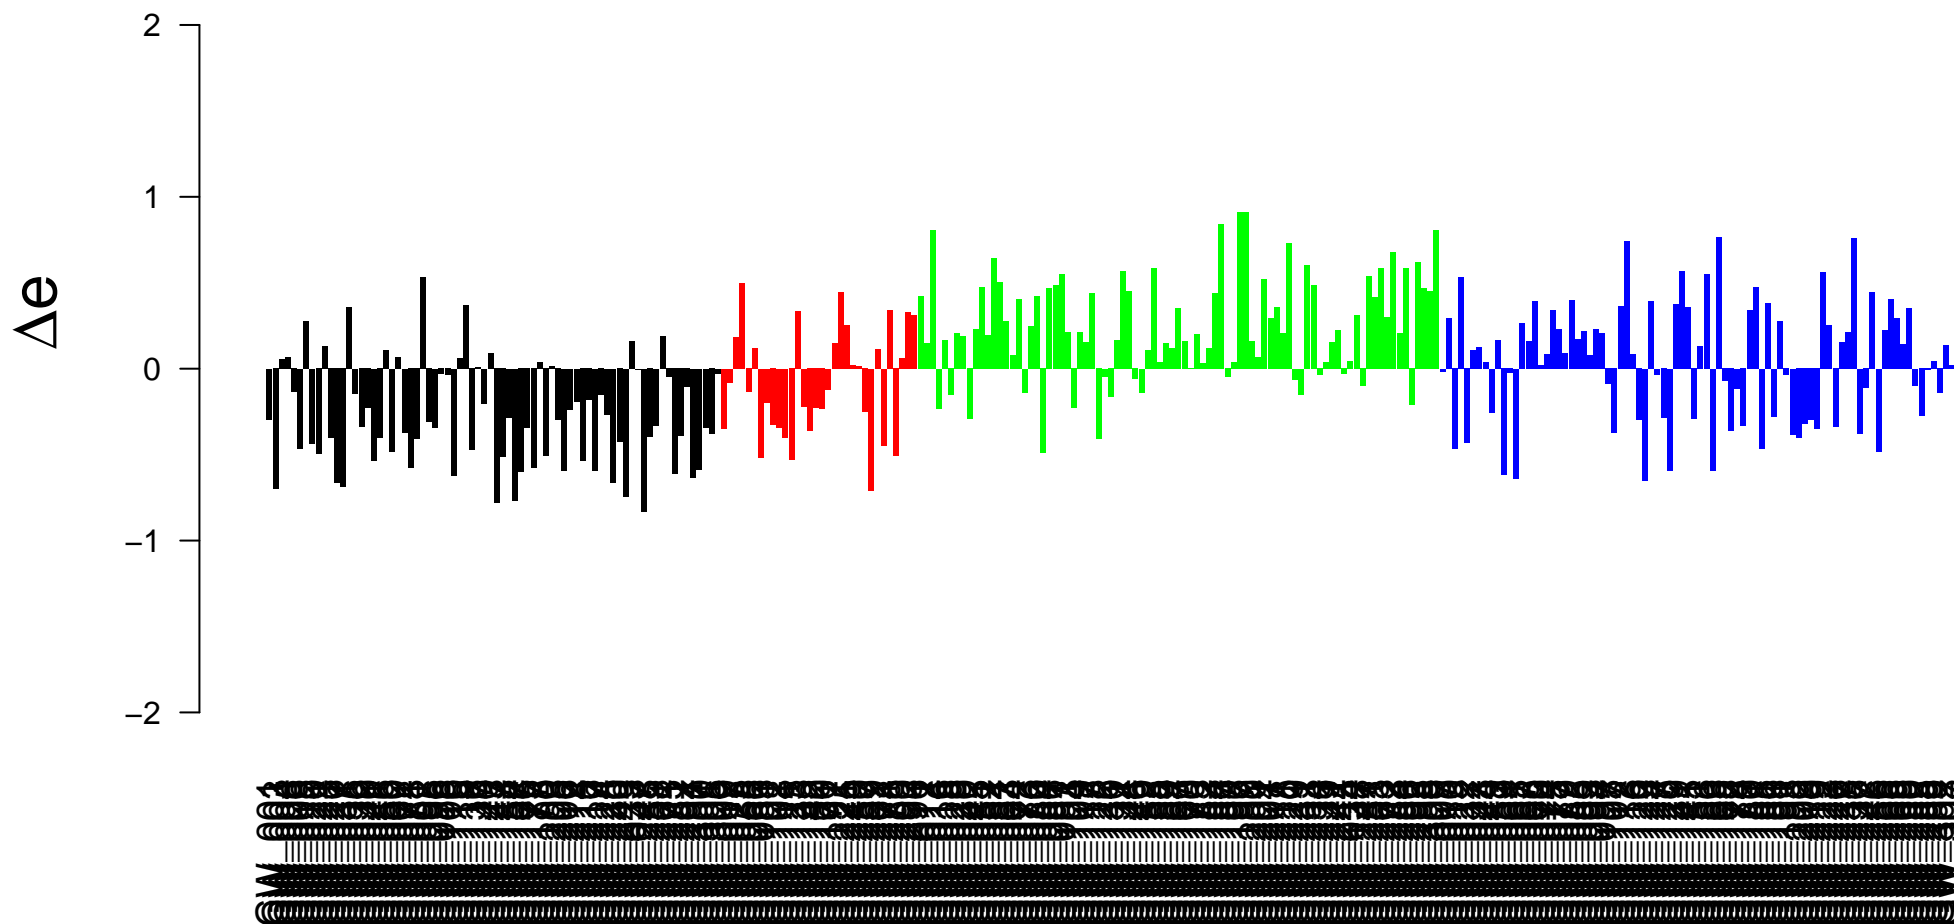

Expression of RNA splicing in Spot J

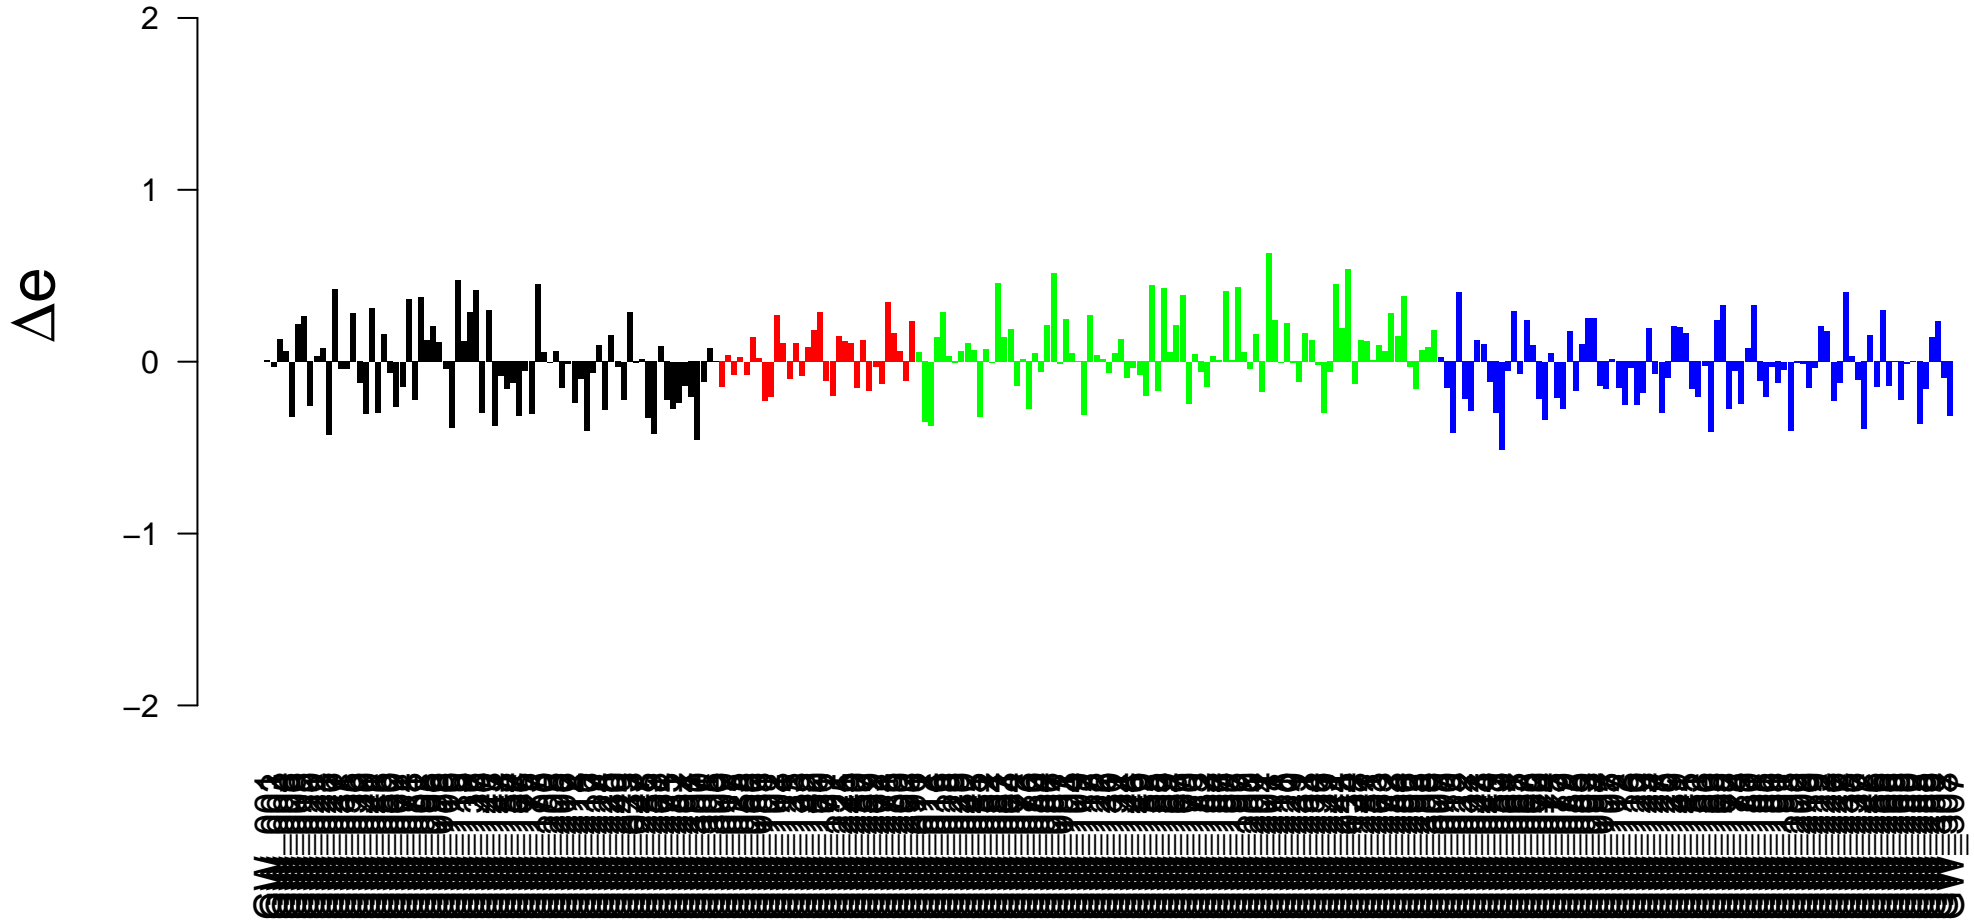

Expression of RNA splicing in Spot K

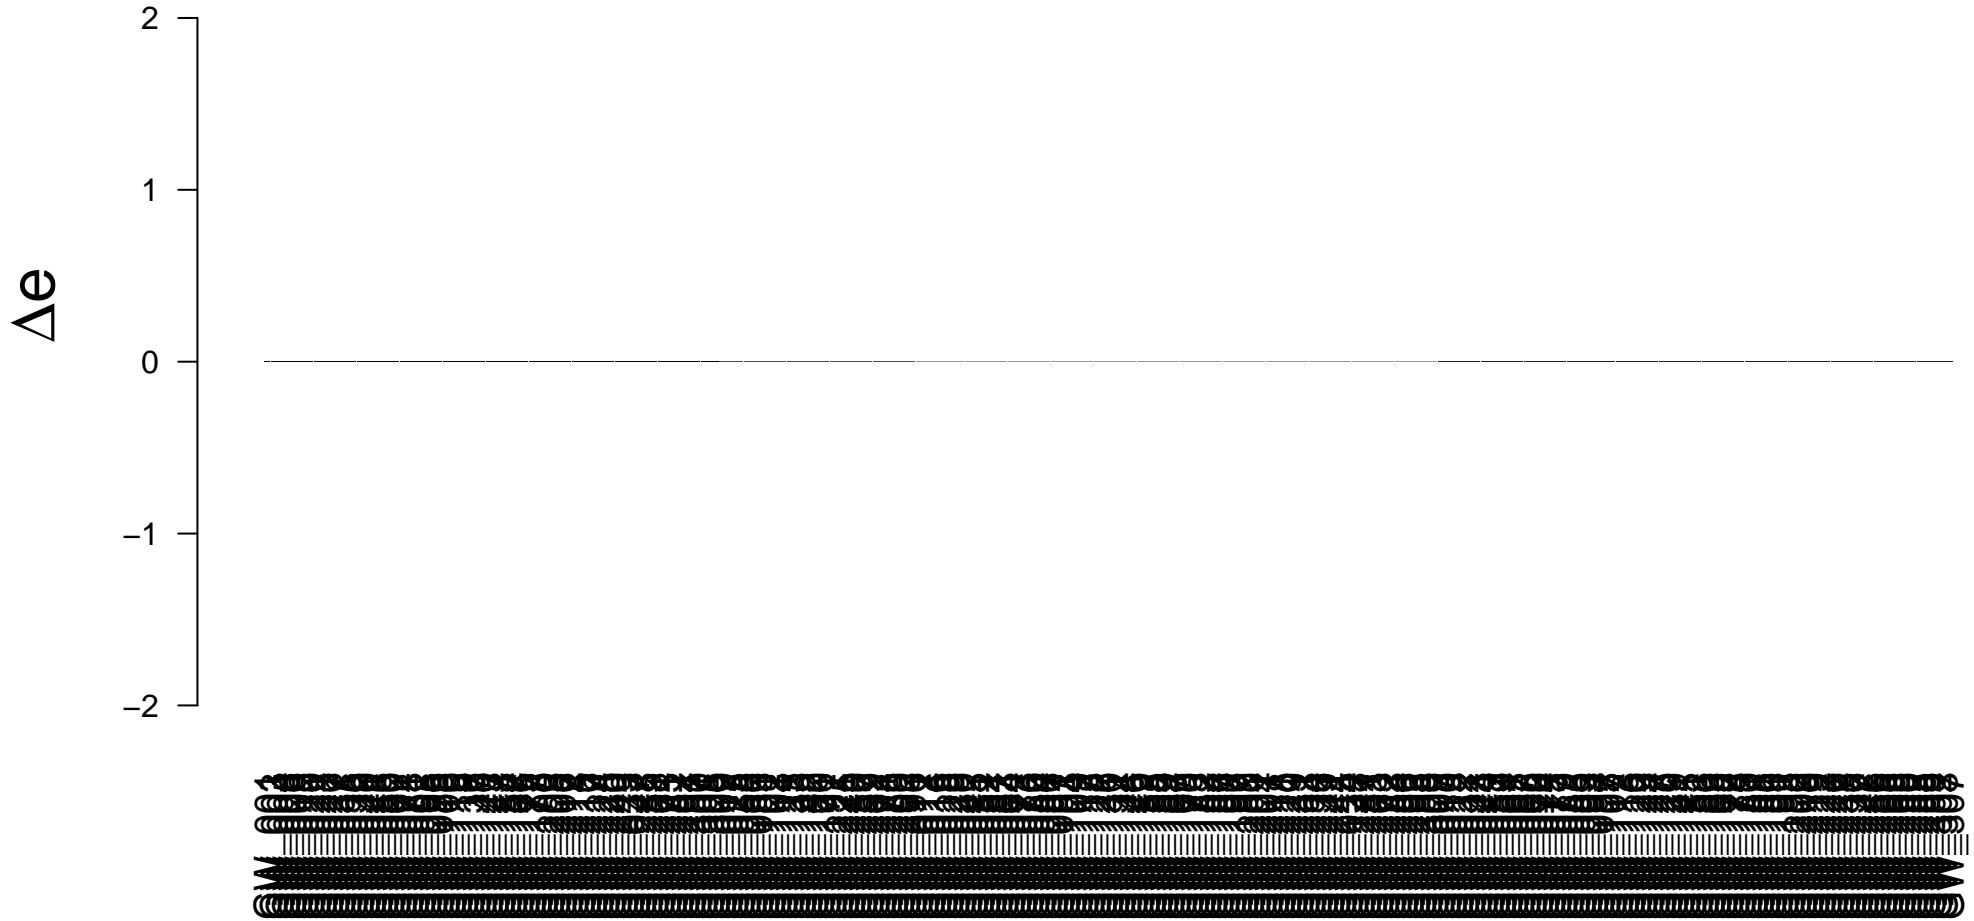

Expression of RNA splicing in Spot L

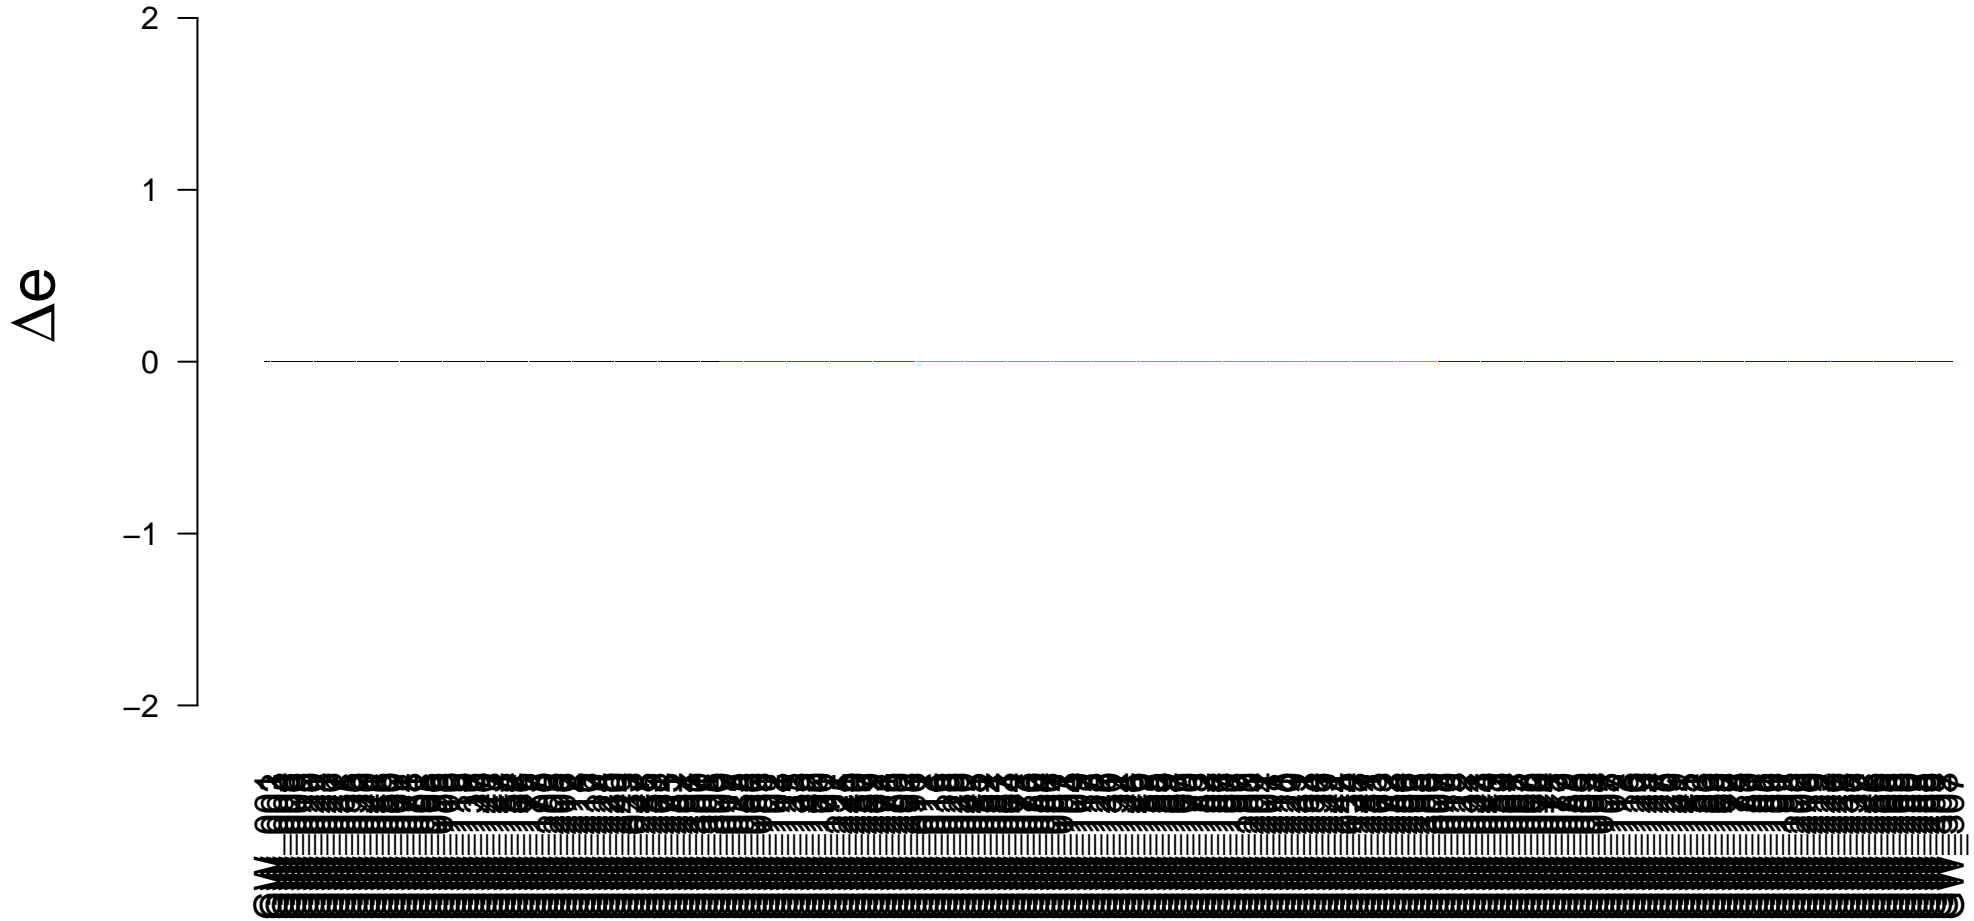

Expression of RNA splicing in Spot M

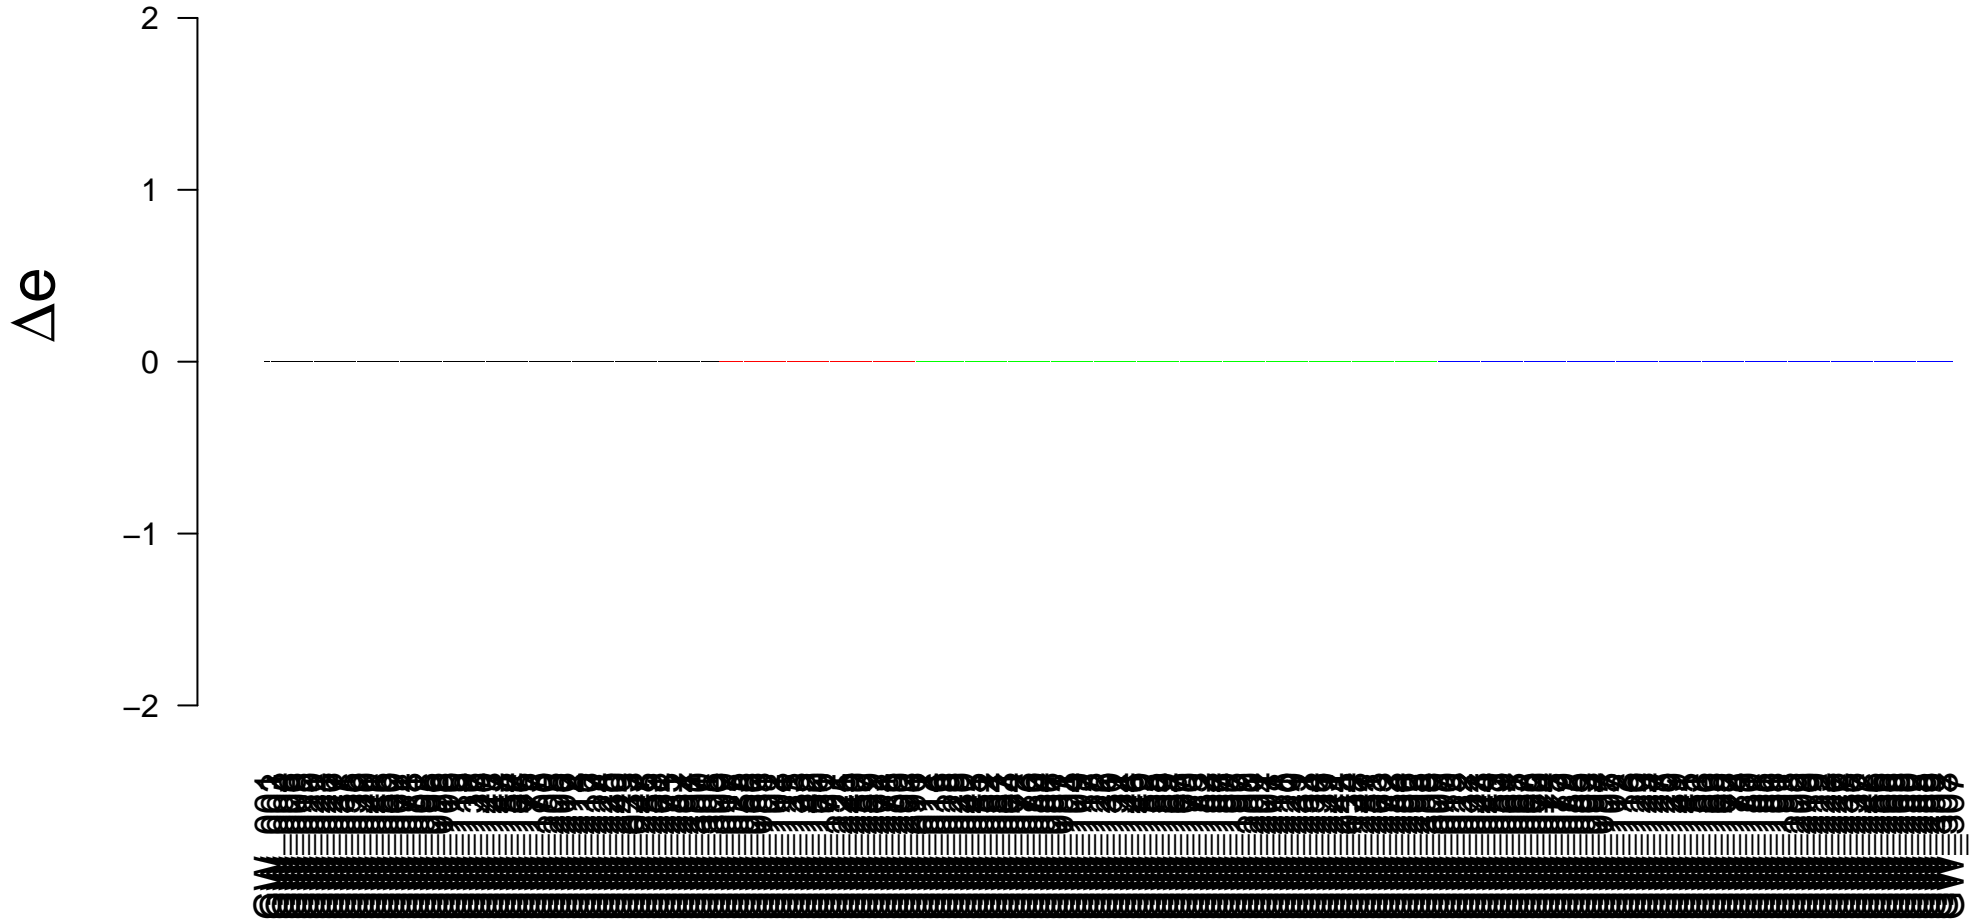

Expression of RNA splicing in Spot N

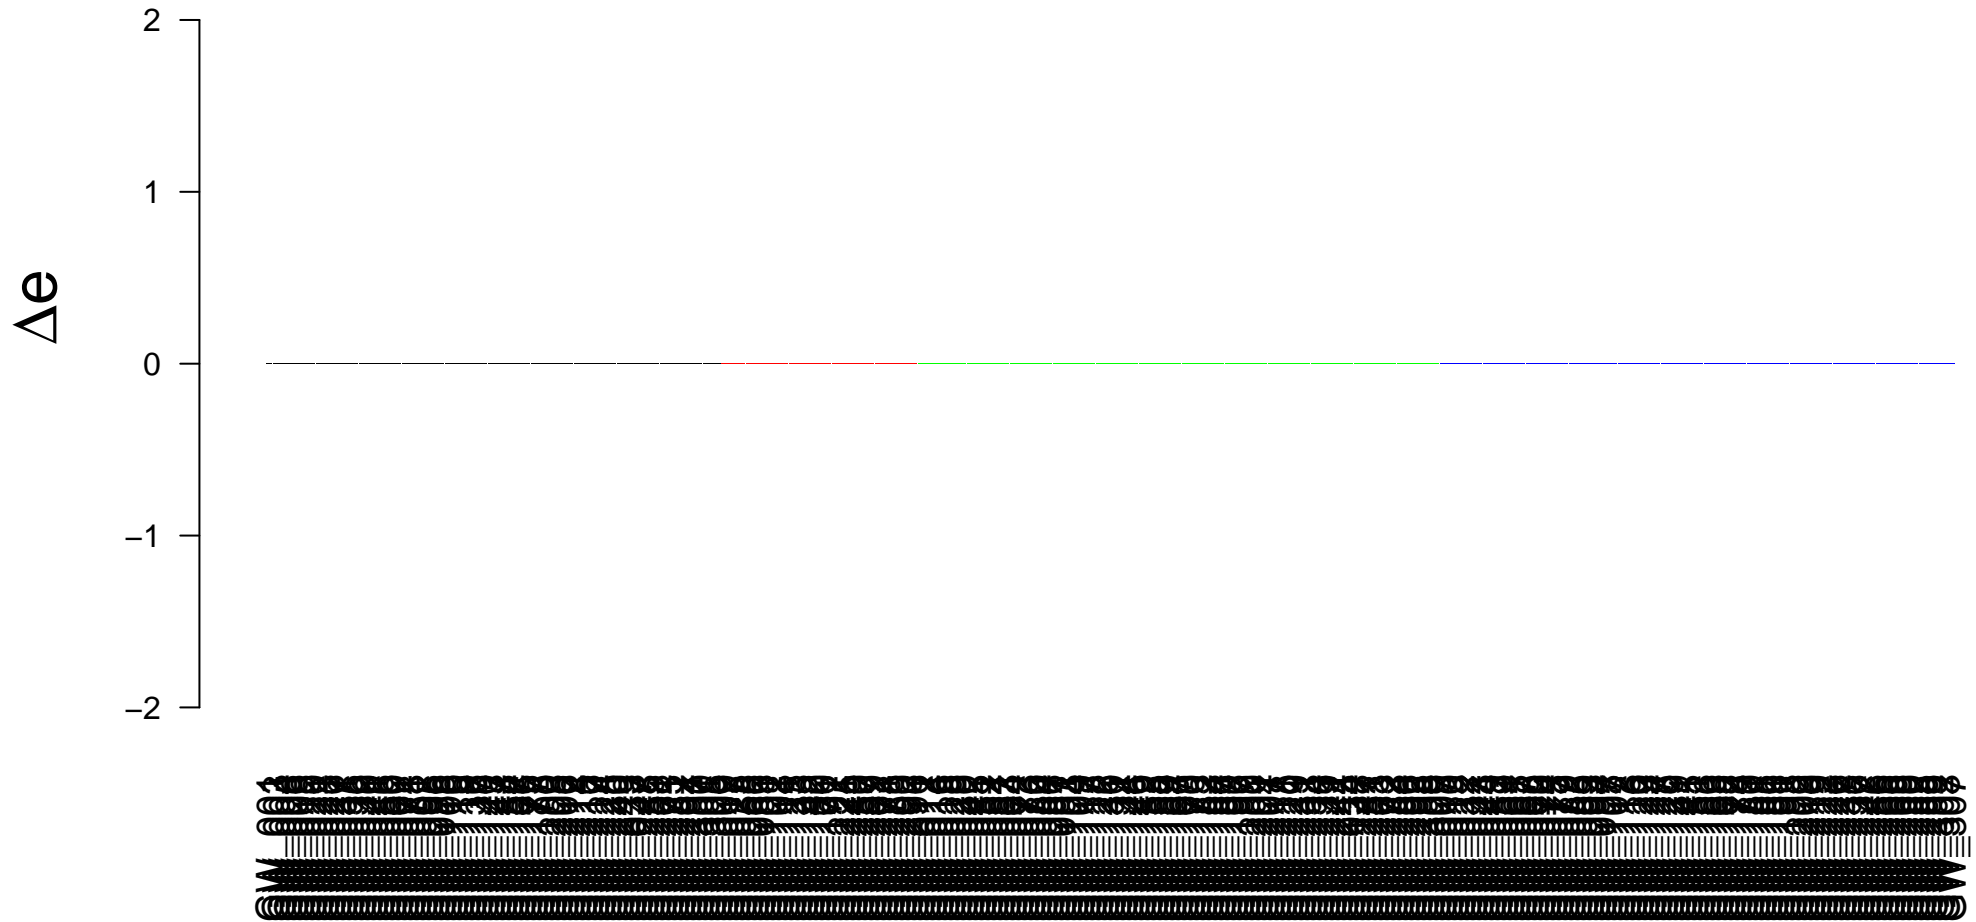

Expression of RNA splicing in Spot O

Expression of RNA splicing in Spot P

Expression of RNA splicing in Spot Q

Expression of RNA splicing in Spot R
