

SRP-dependent cotranslational protein targeting to membrane

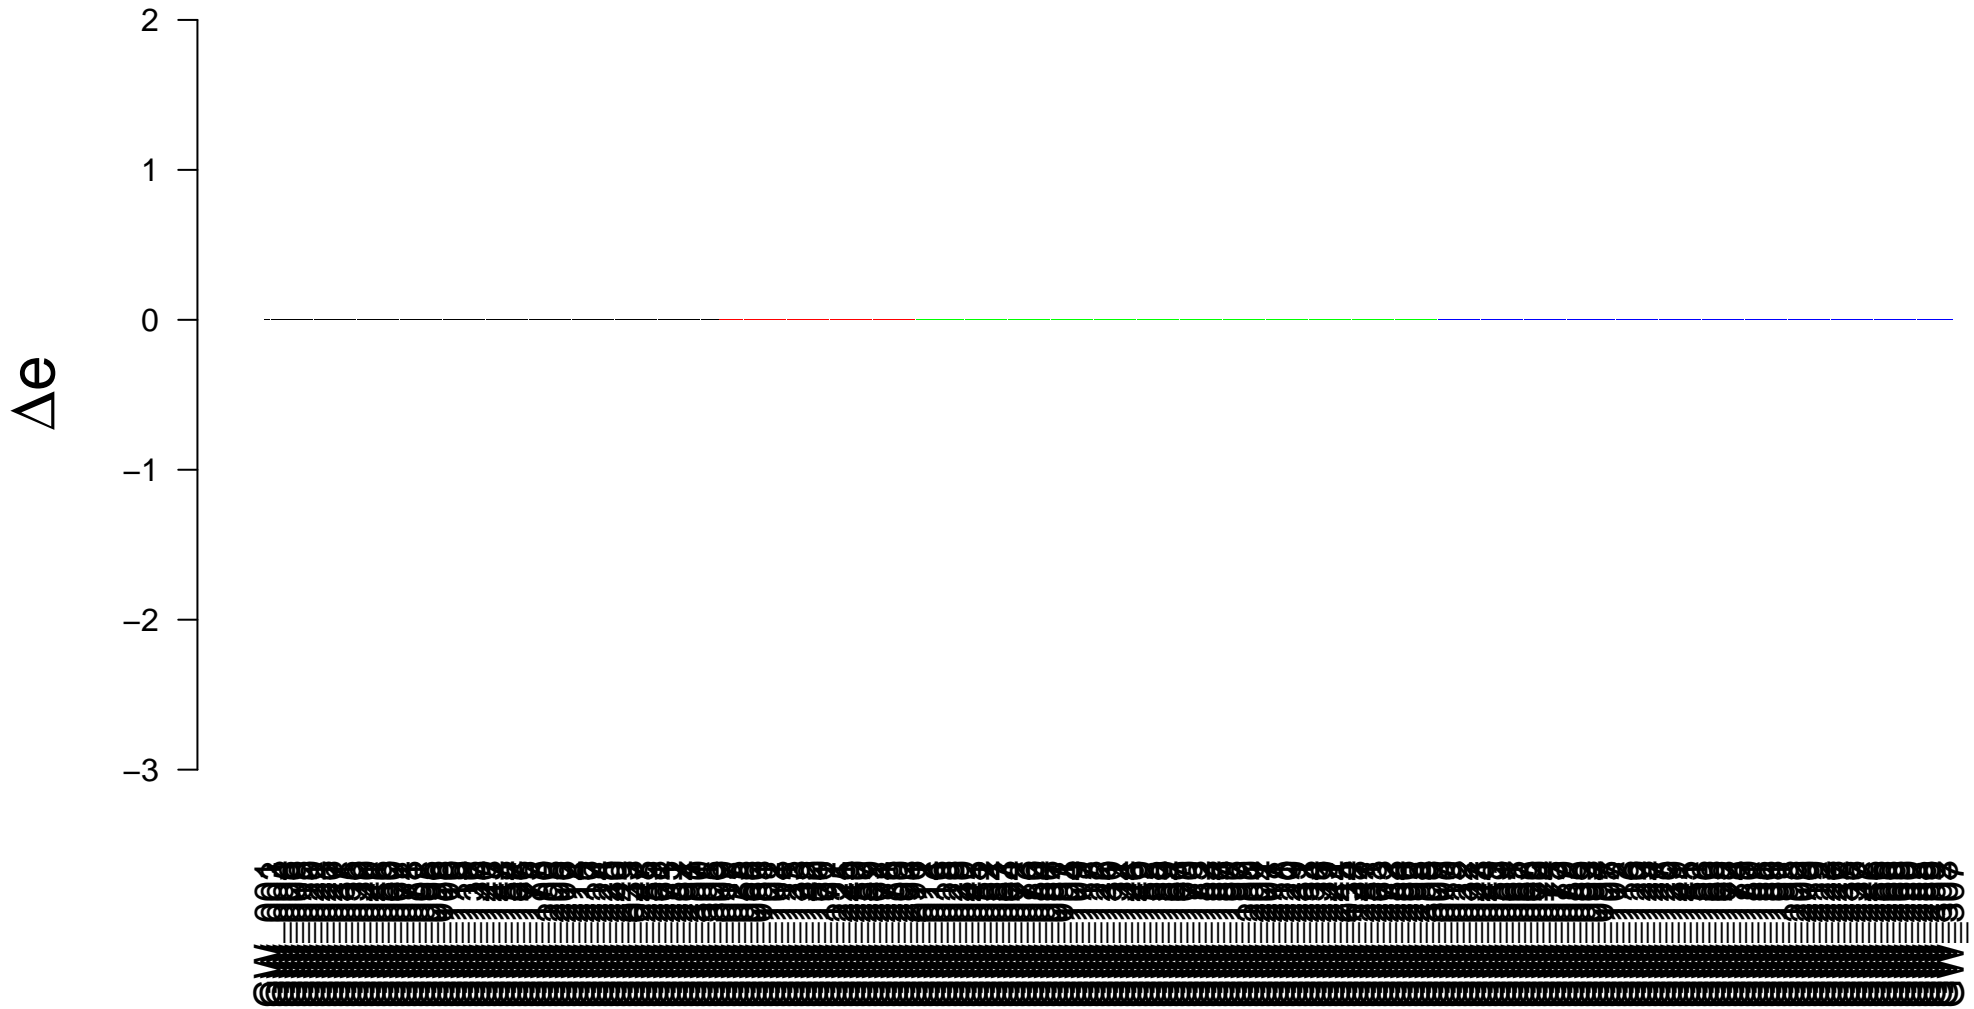

SRP-dependent cotranslational protein targeting to membrane

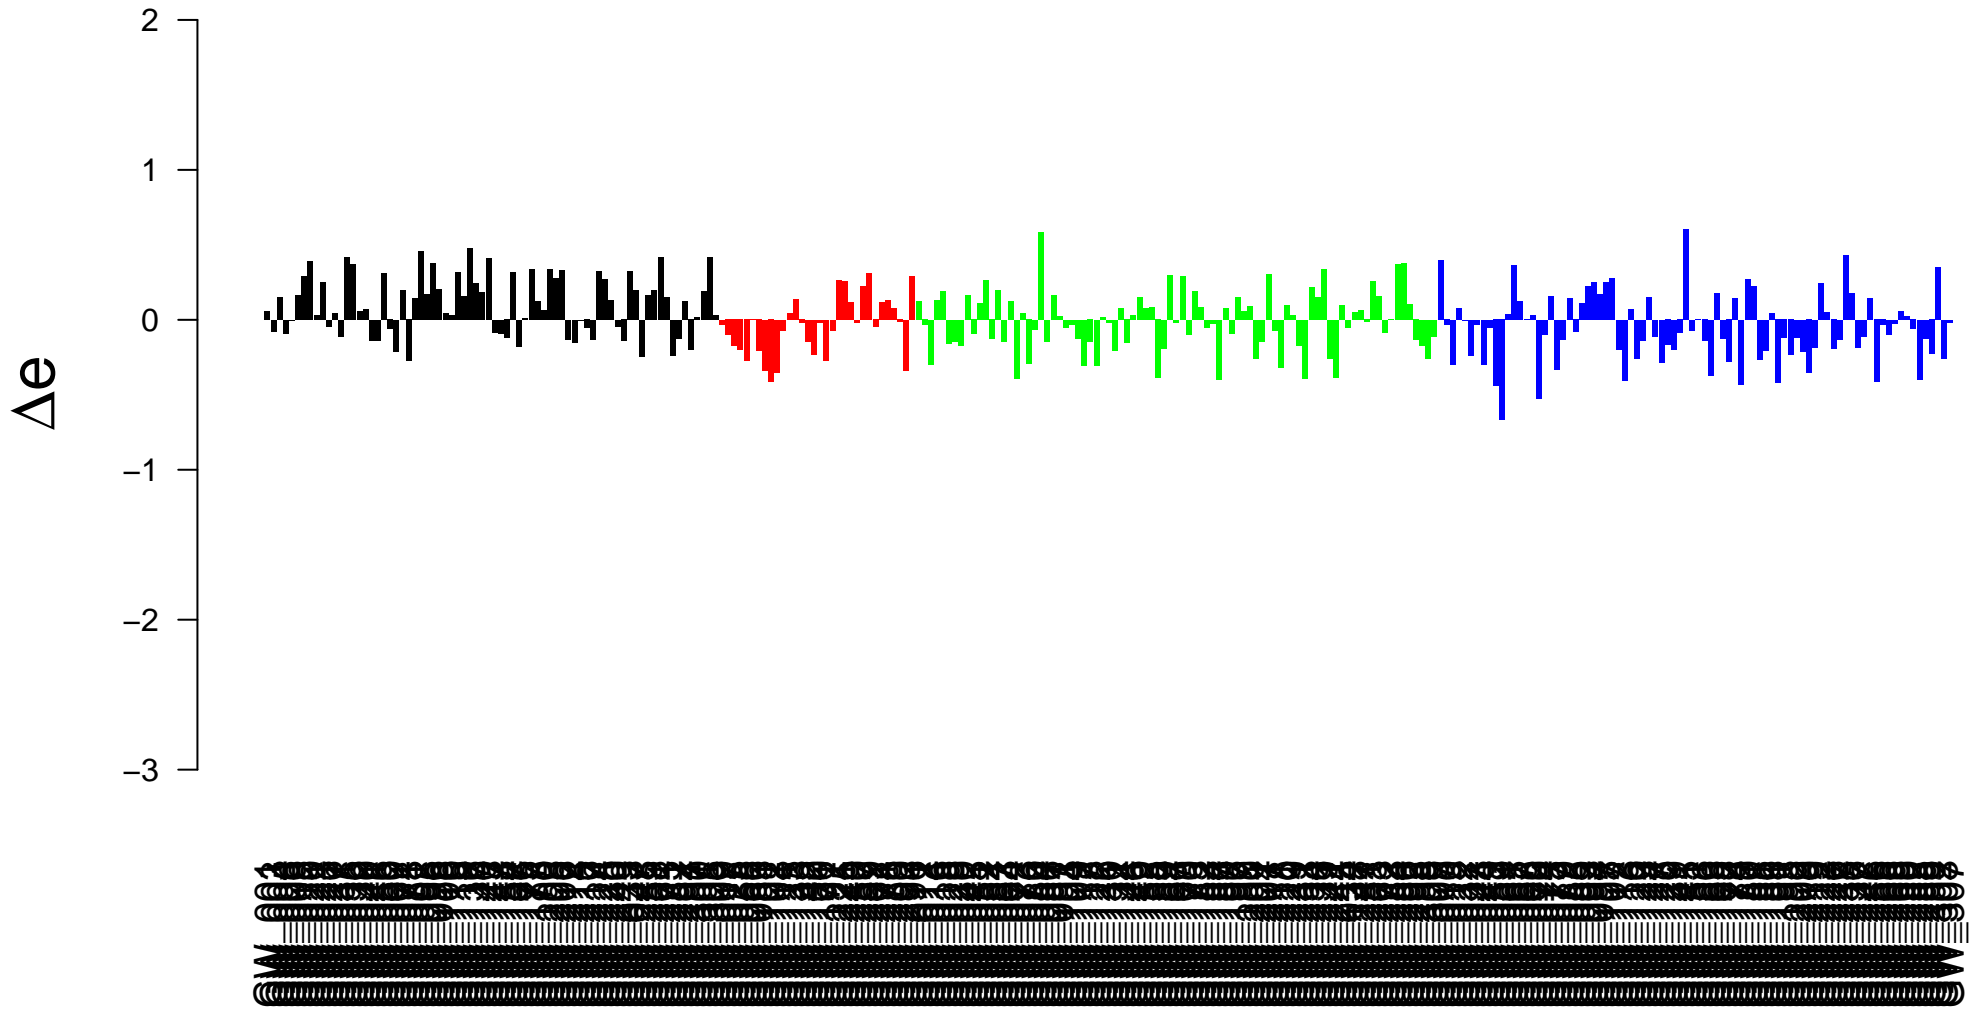

Enrichment in spots: SRP-dependent cotranslational protein targeting to membrane

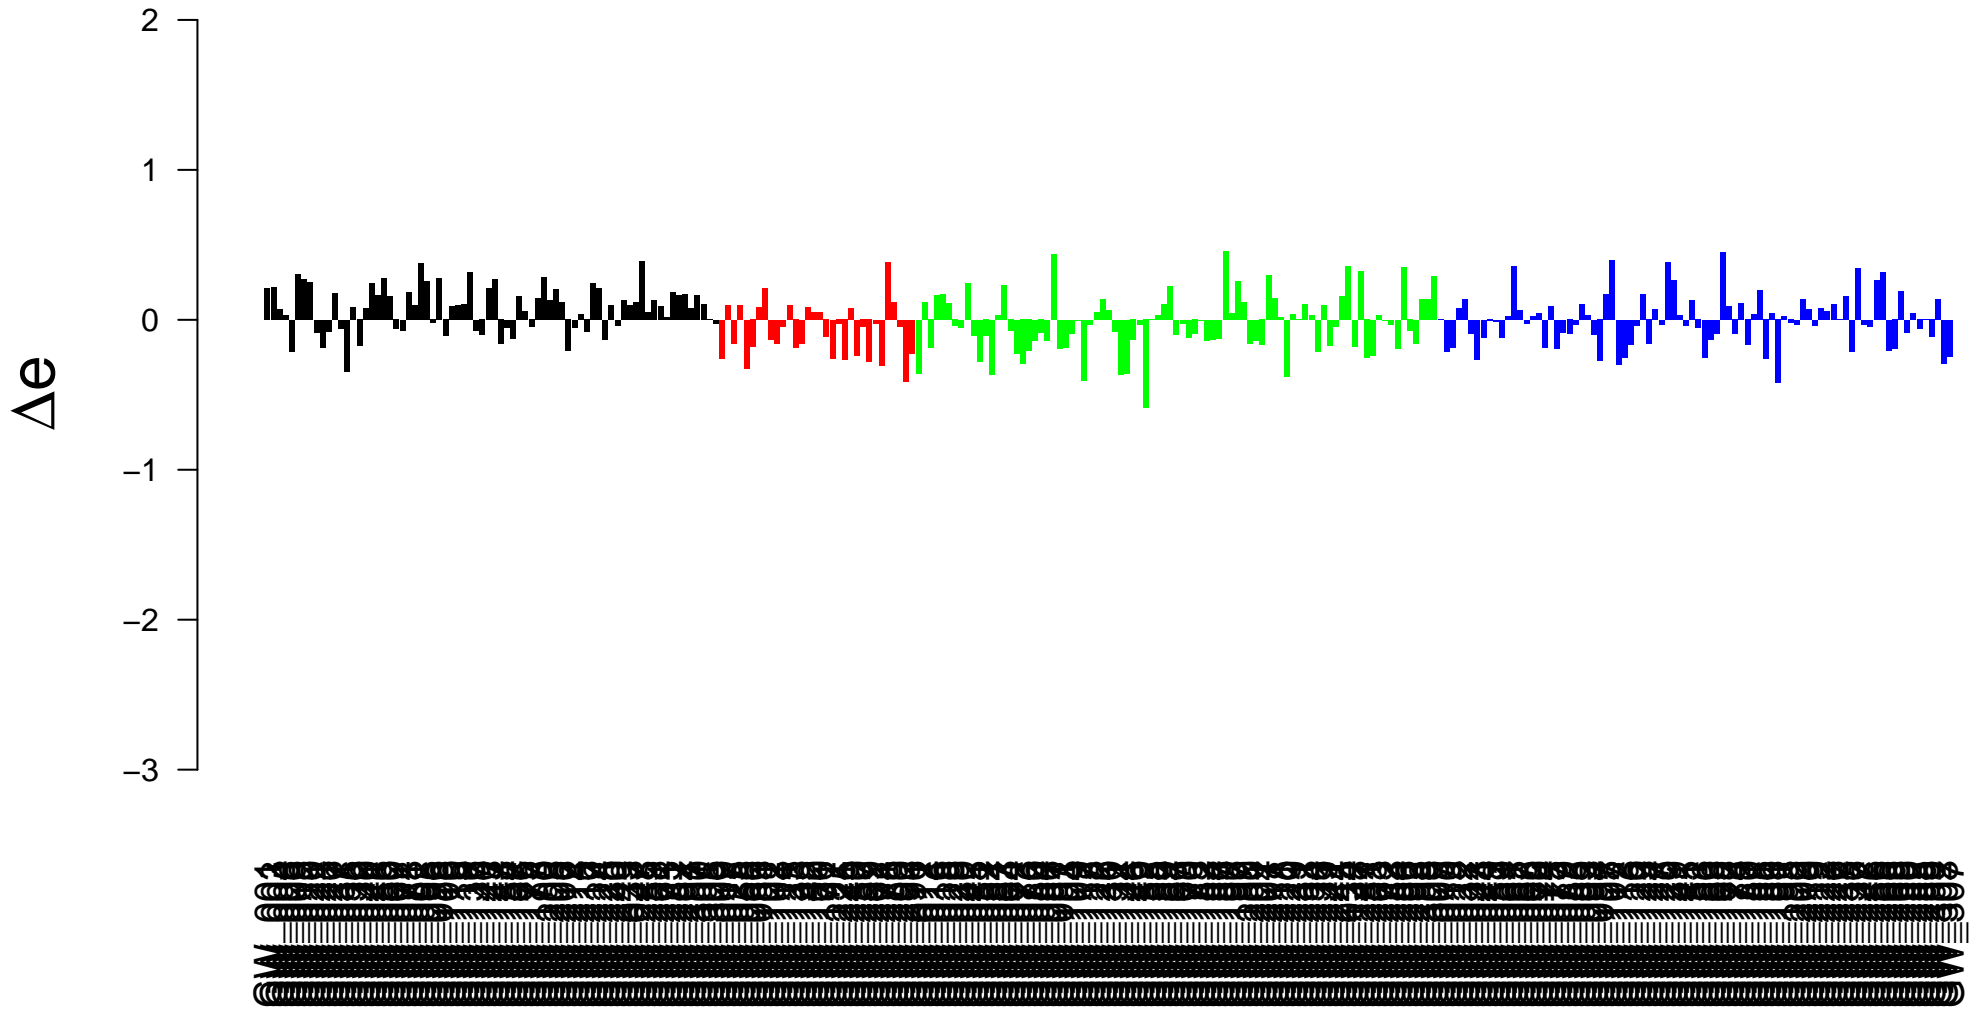

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot B

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot C

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot D

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot E

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot F

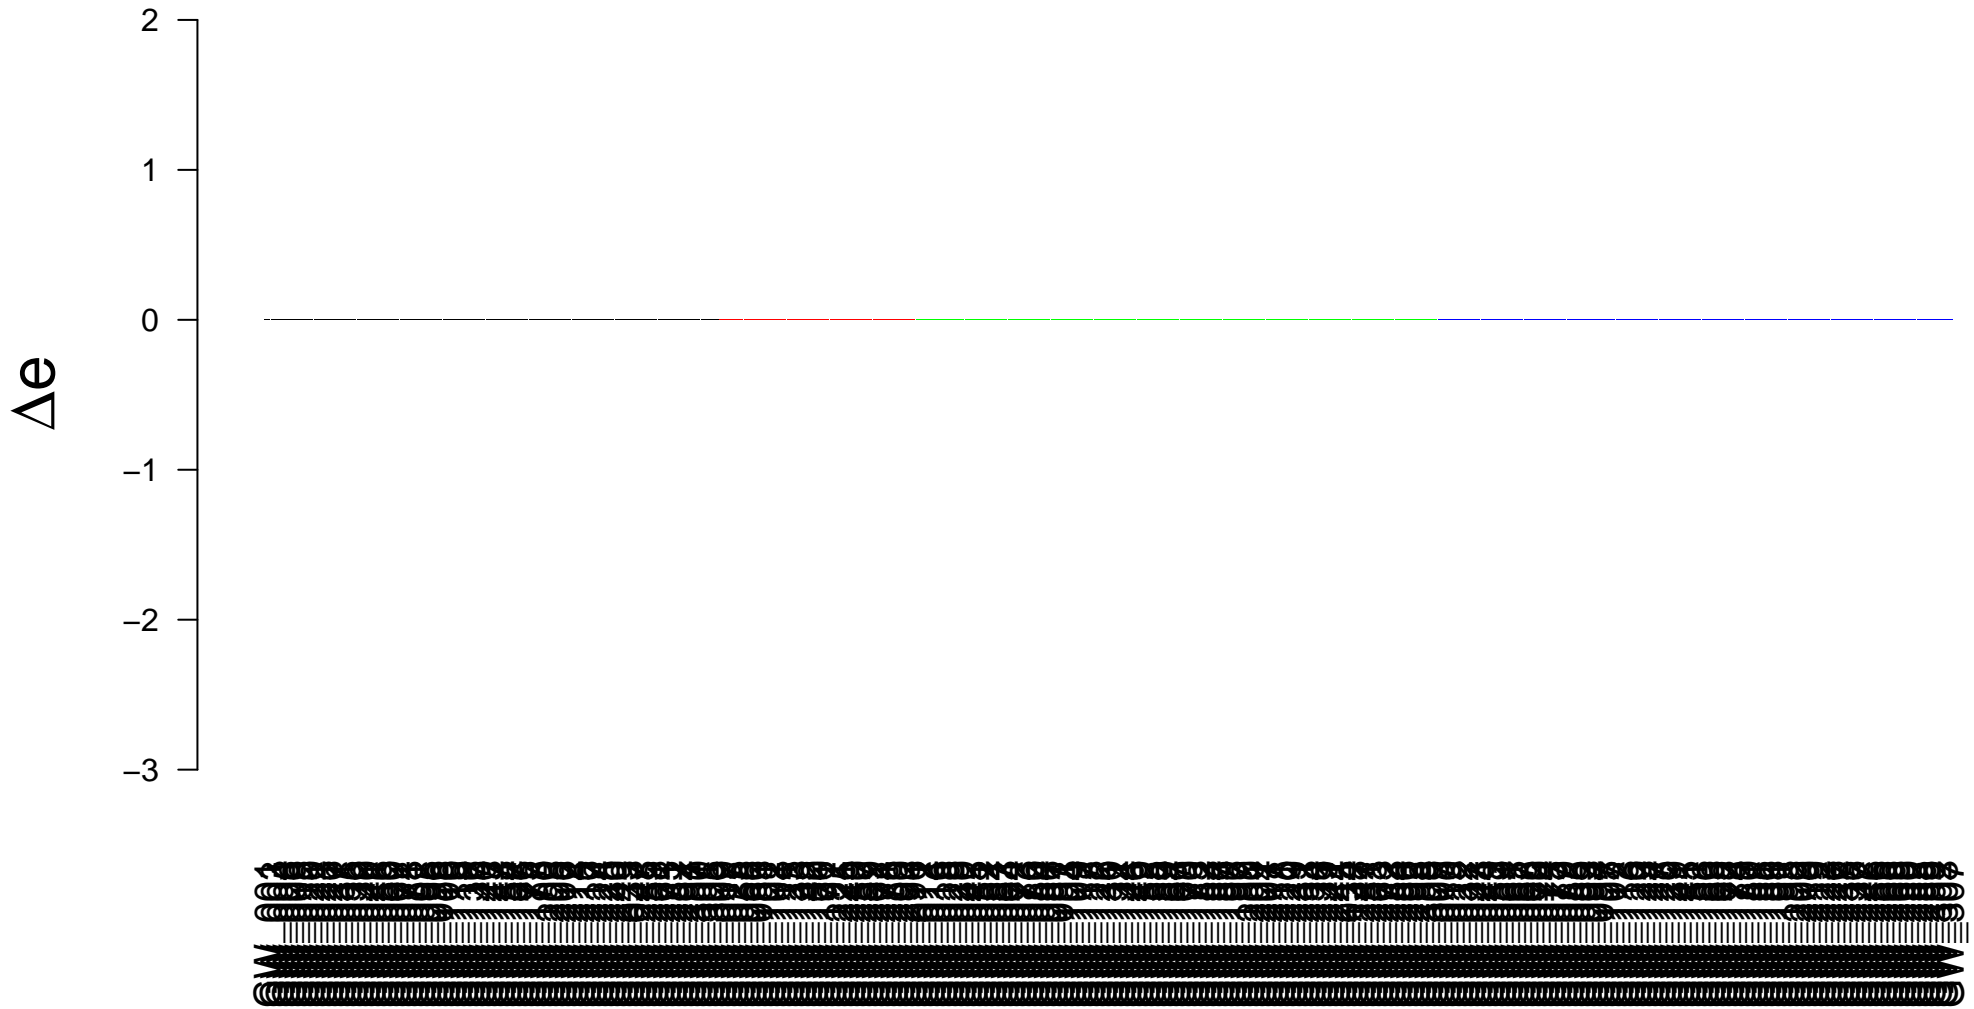

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot G

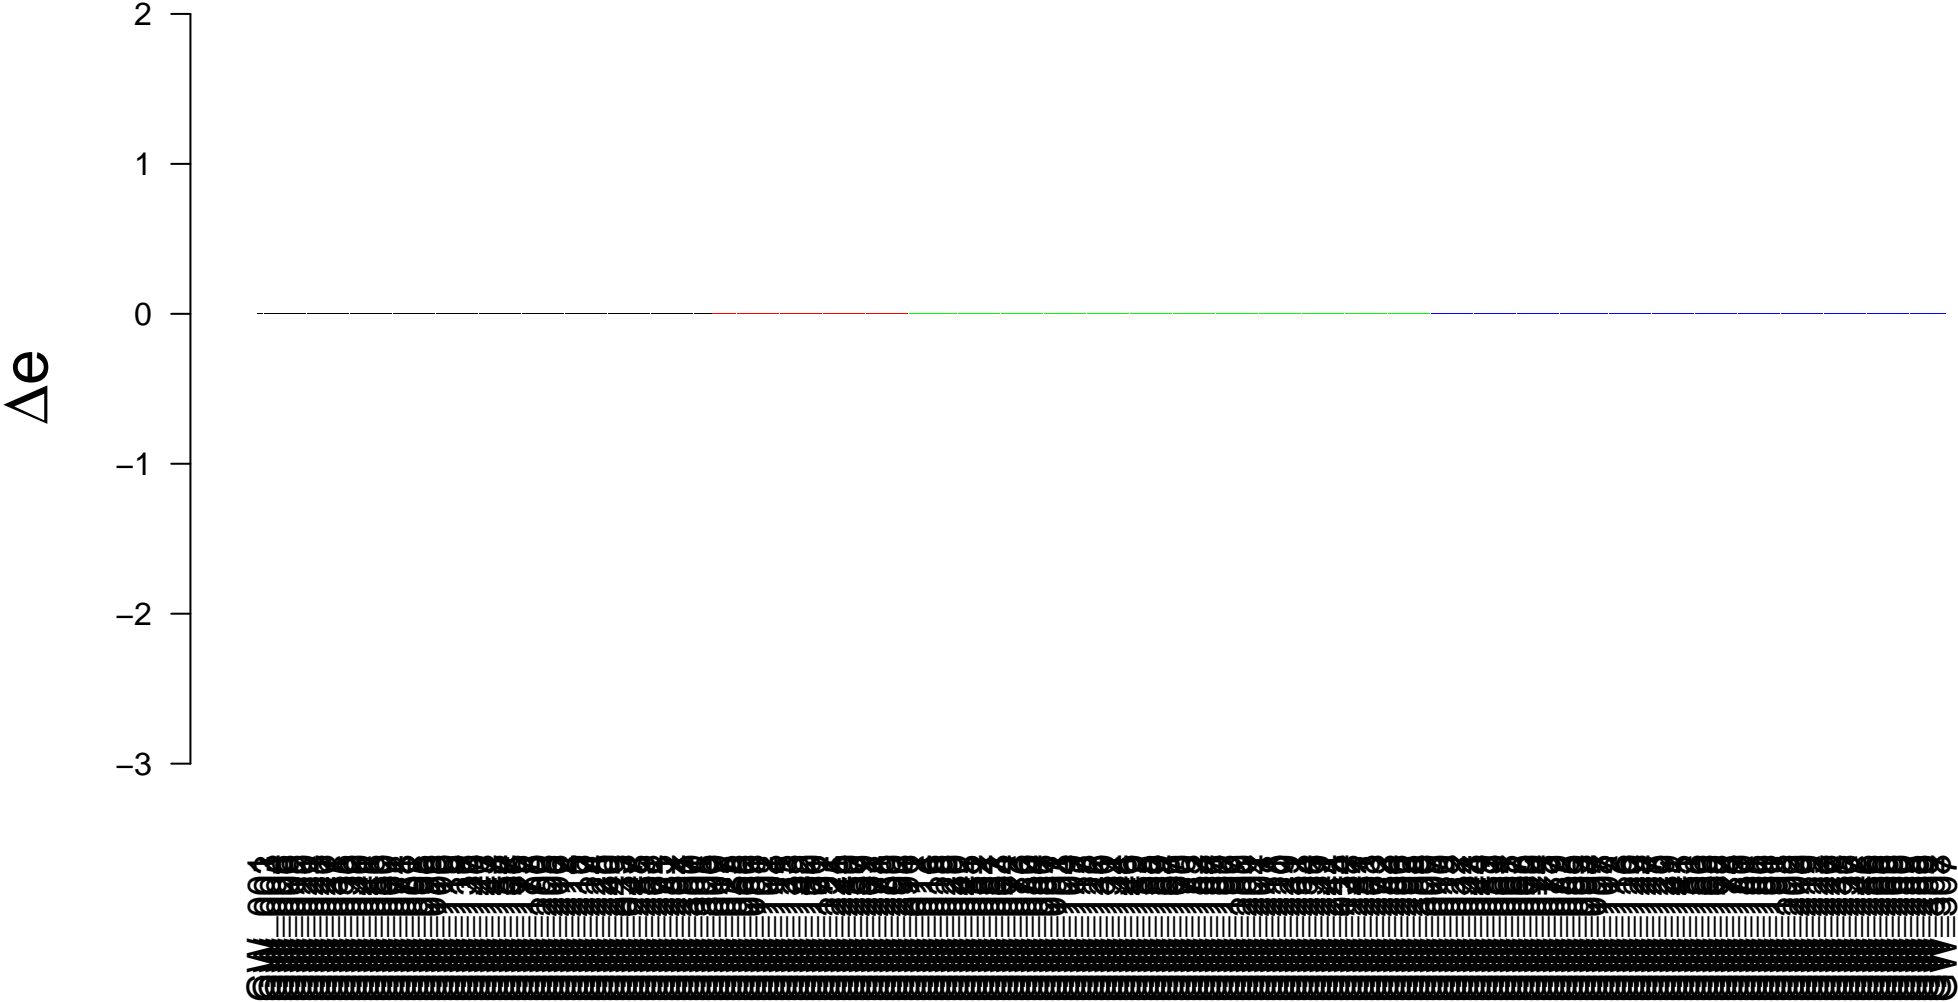

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot H

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot I

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot J

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot K

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot L

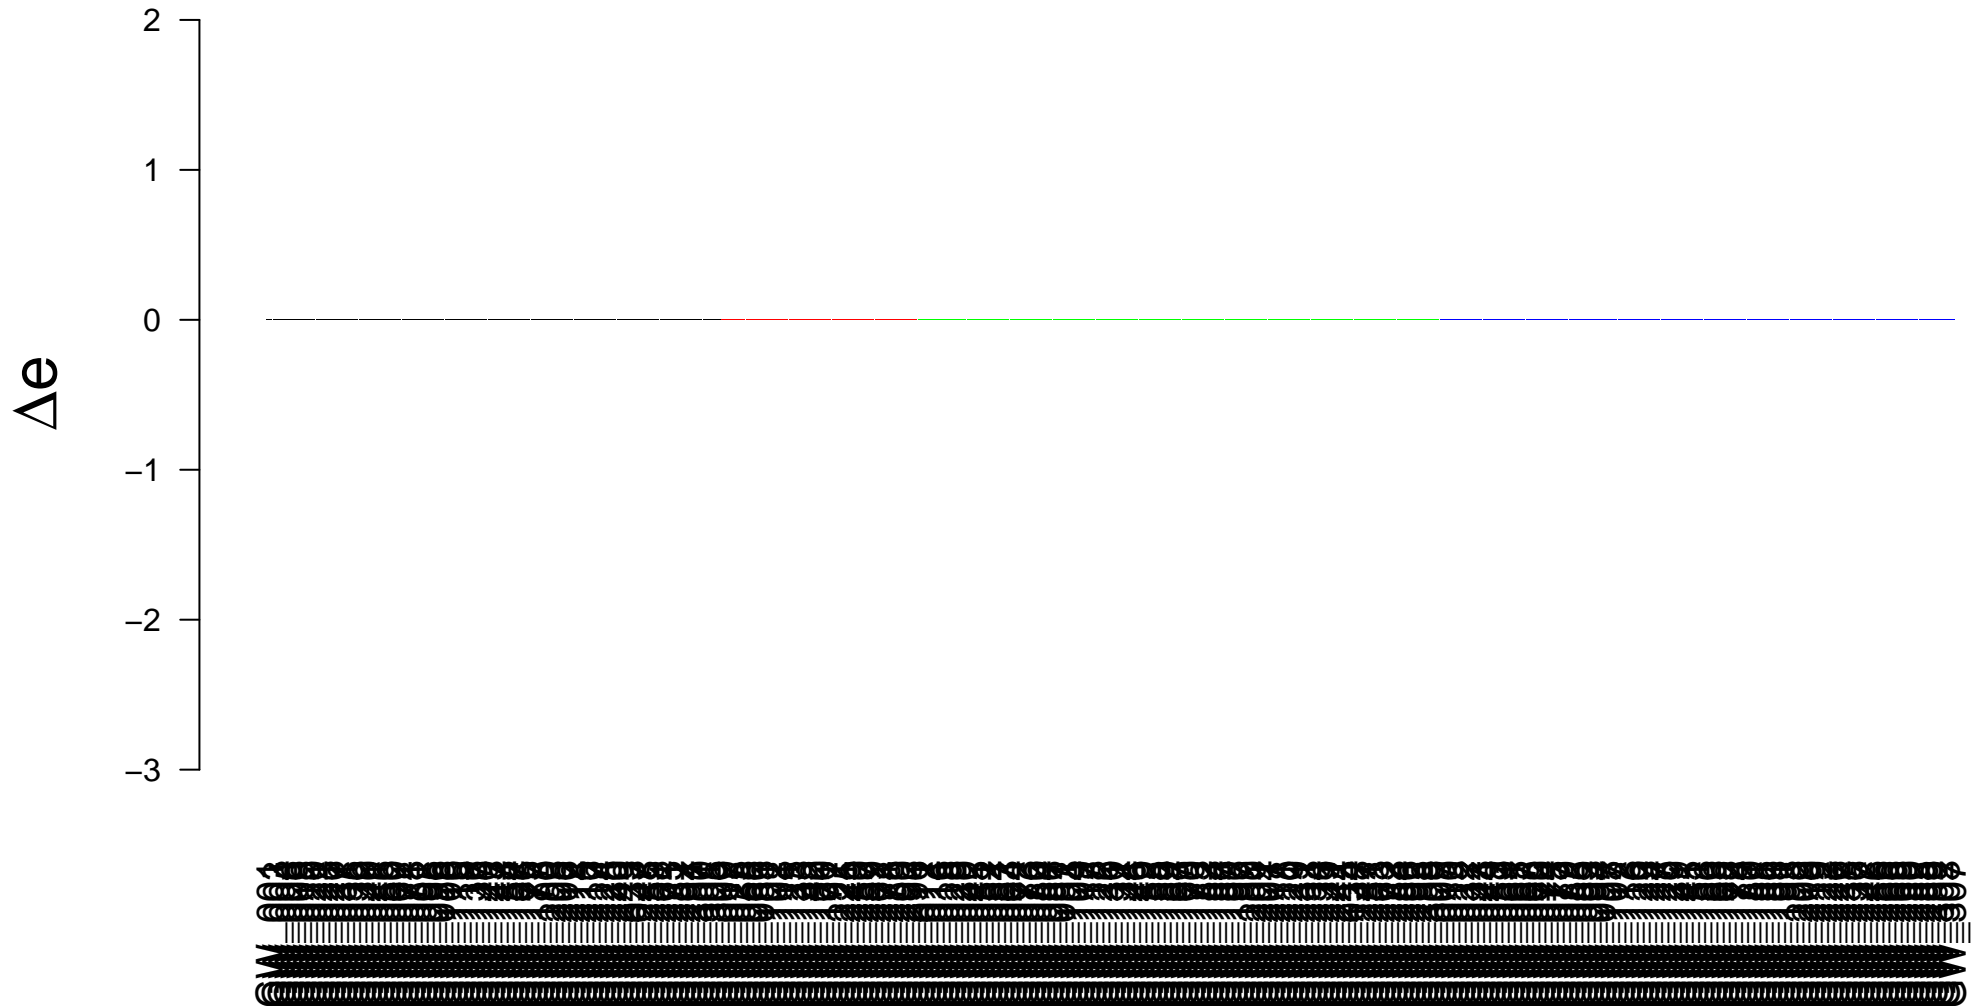

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot M

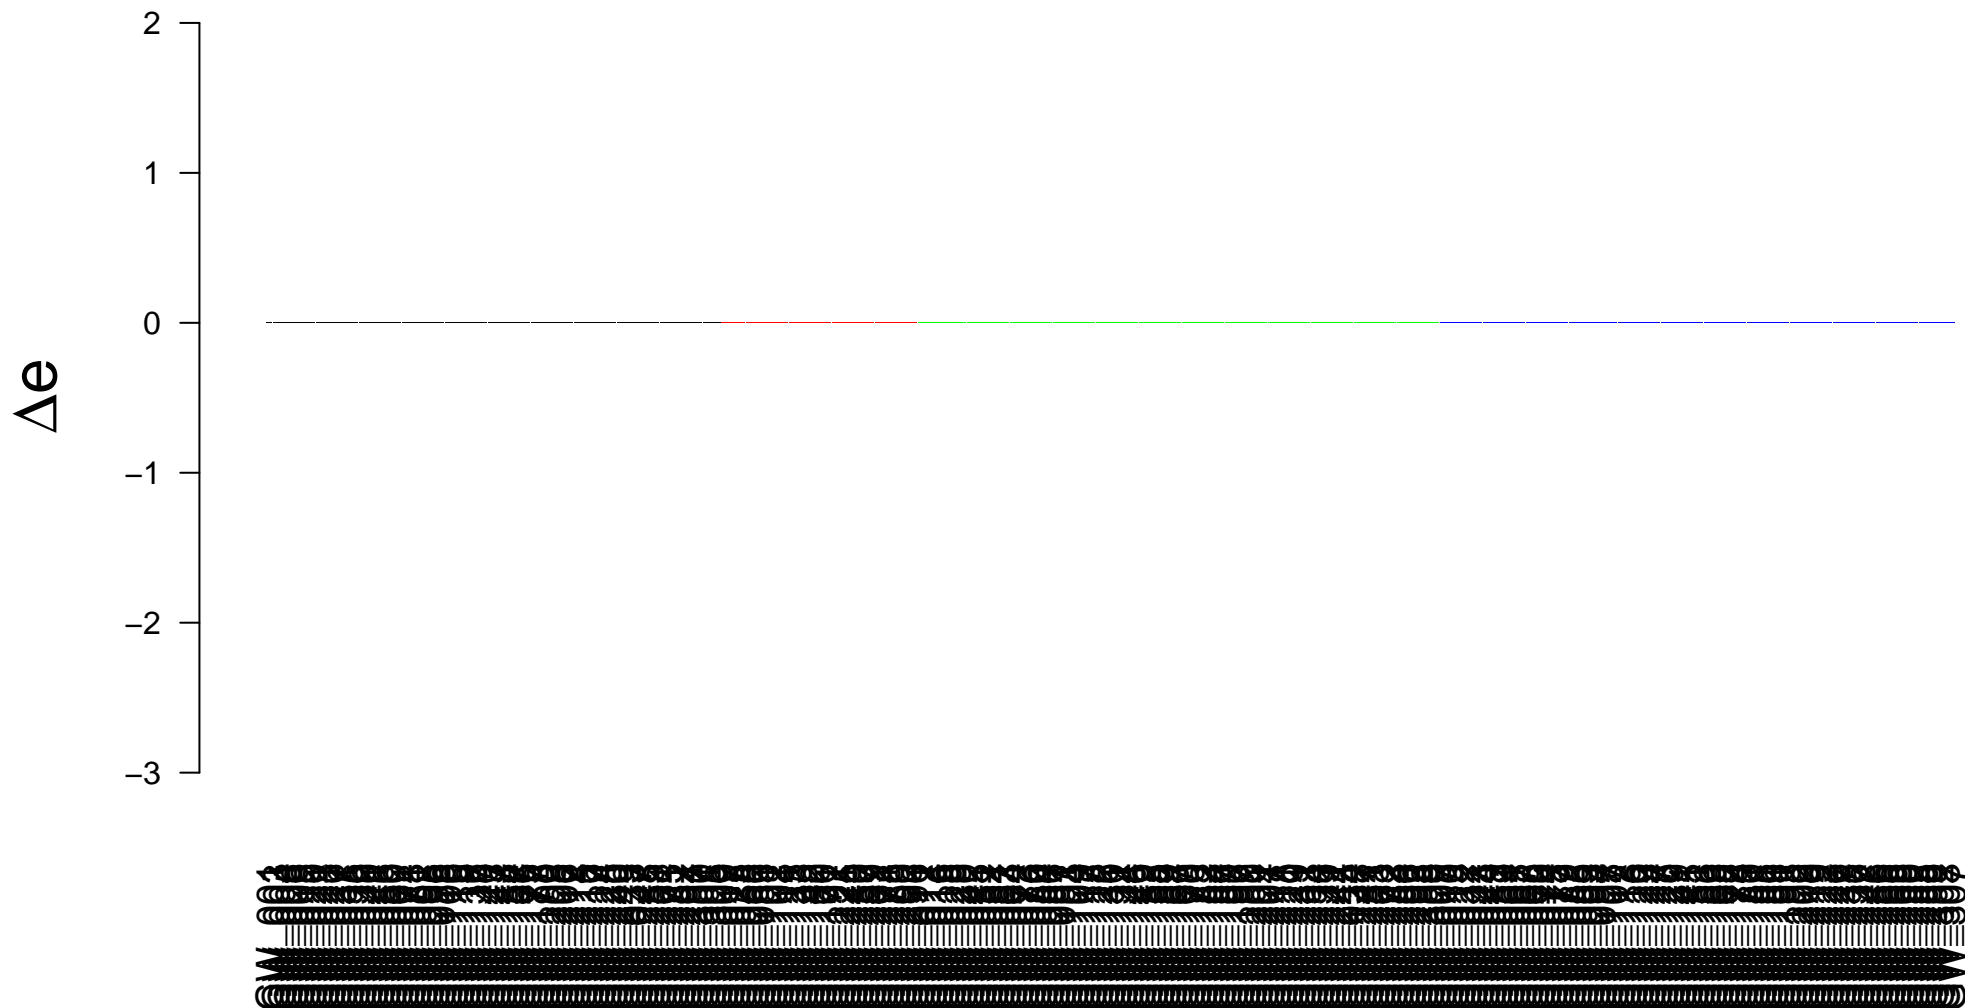

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot N

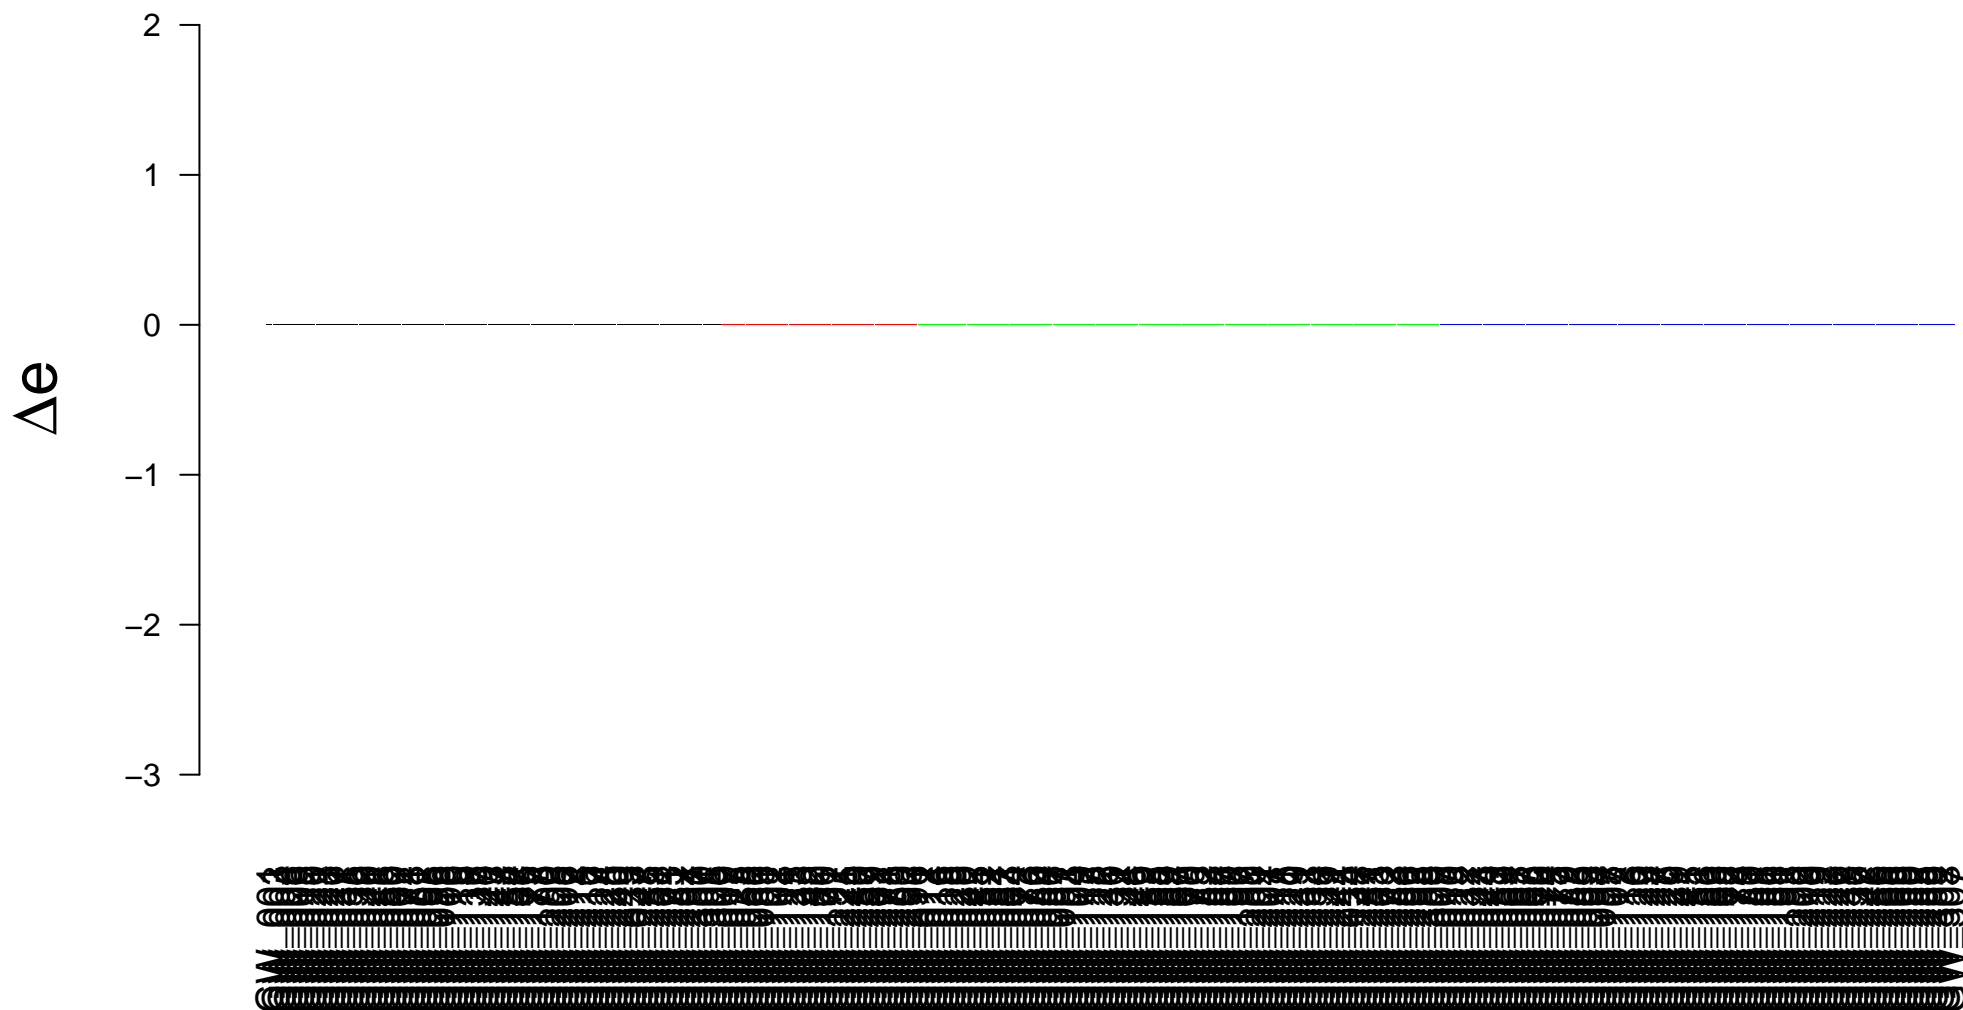

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot O

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot P

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot Q

Expression of SRP-dependent cotranslational protein targeting to membrane in Spot R
