

T cell activation

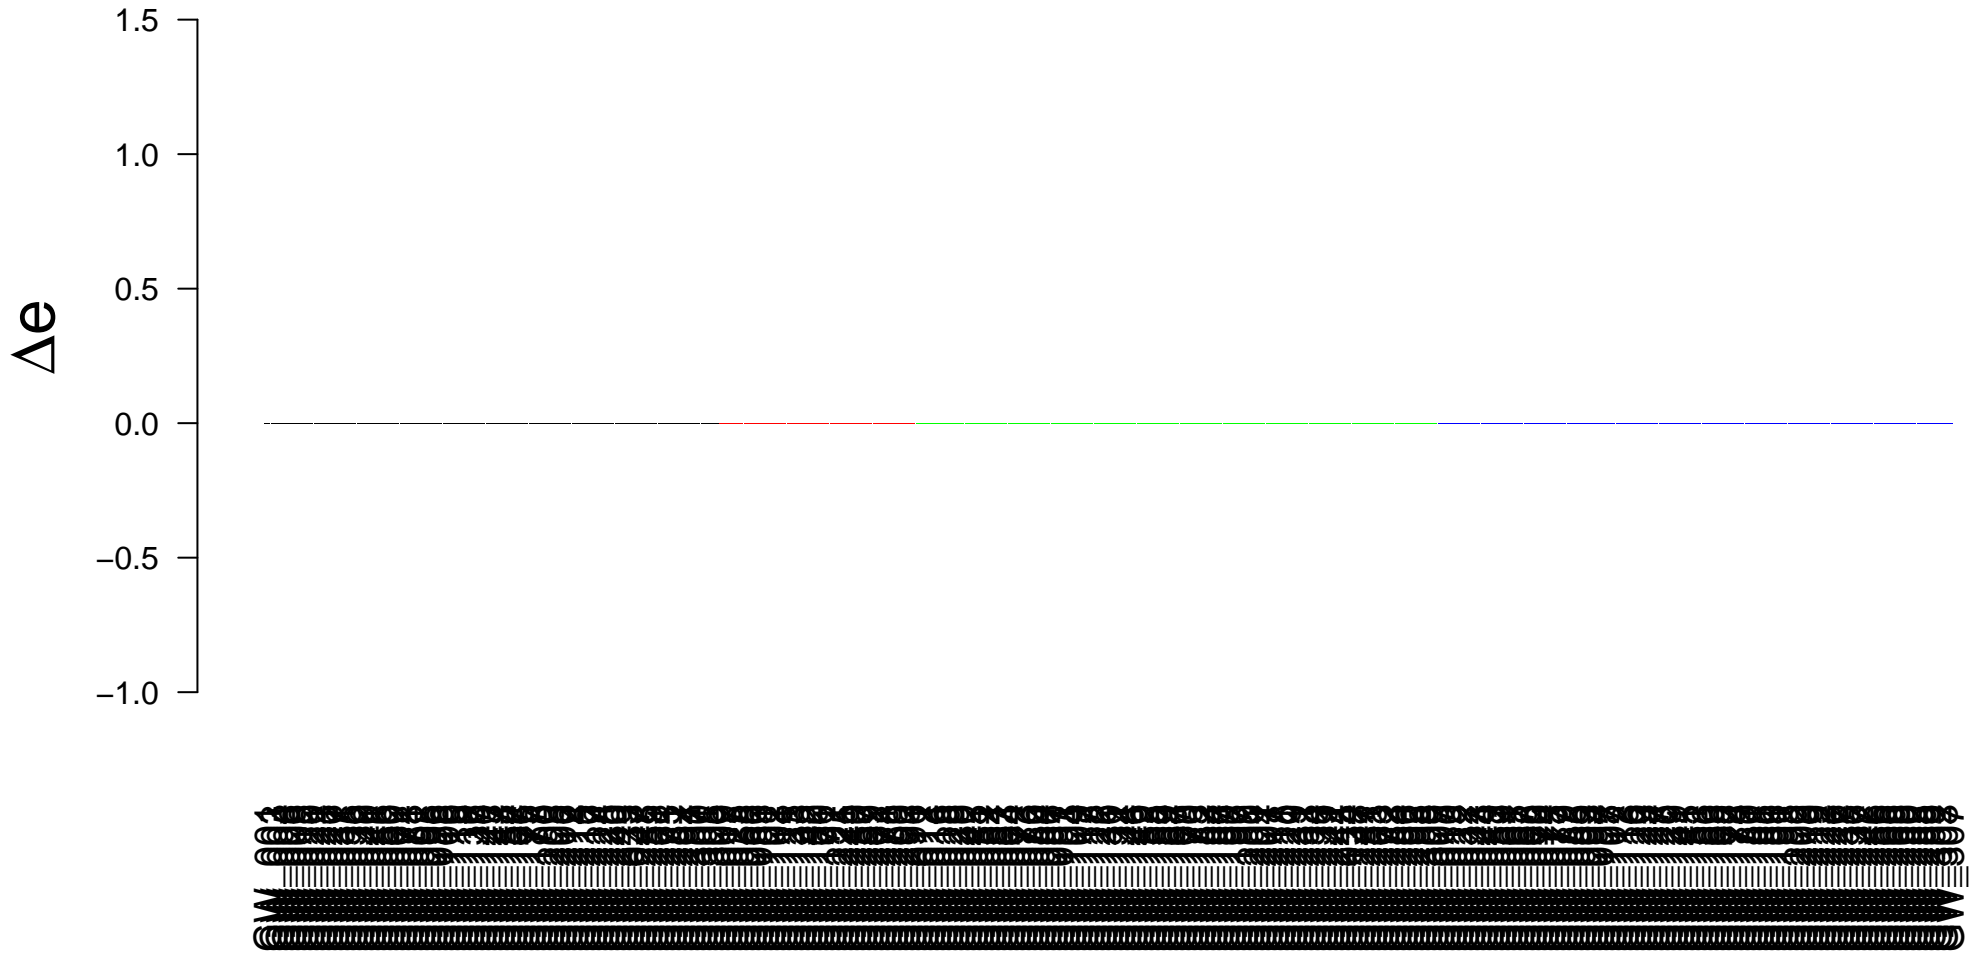

T cell activation

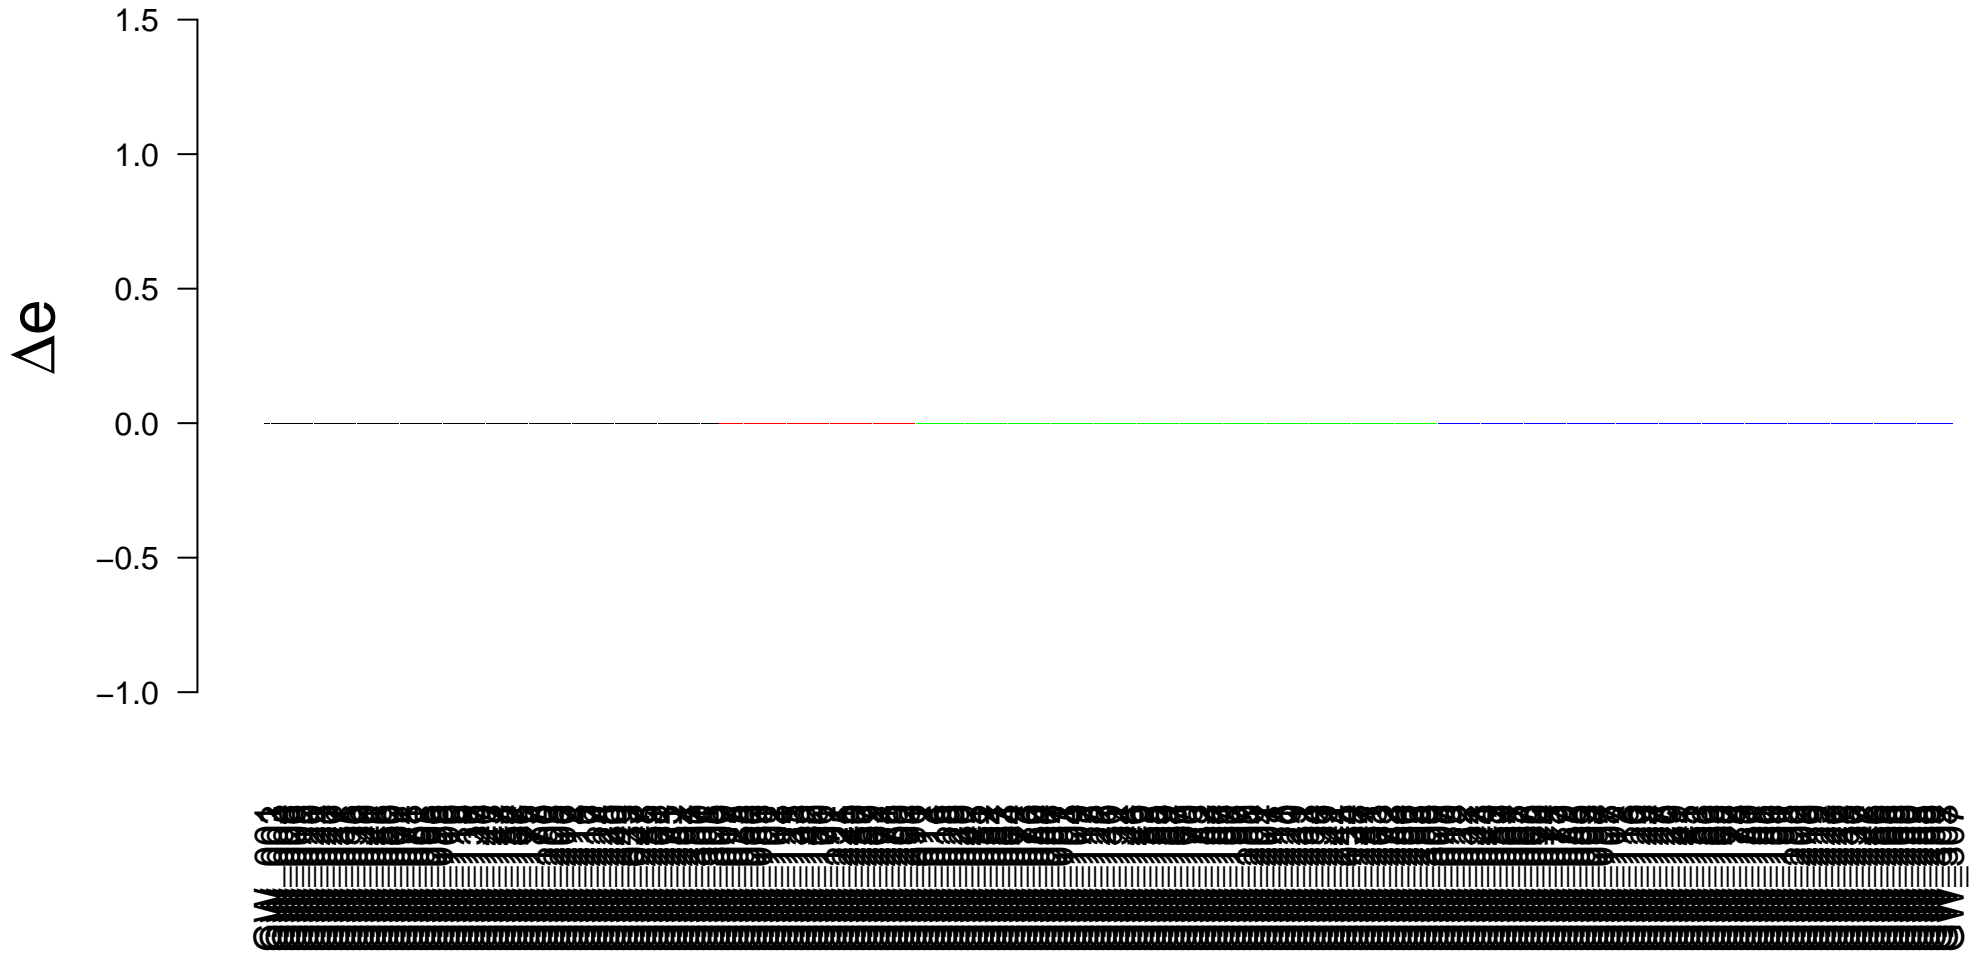

Enrichment in spots: T cell activation

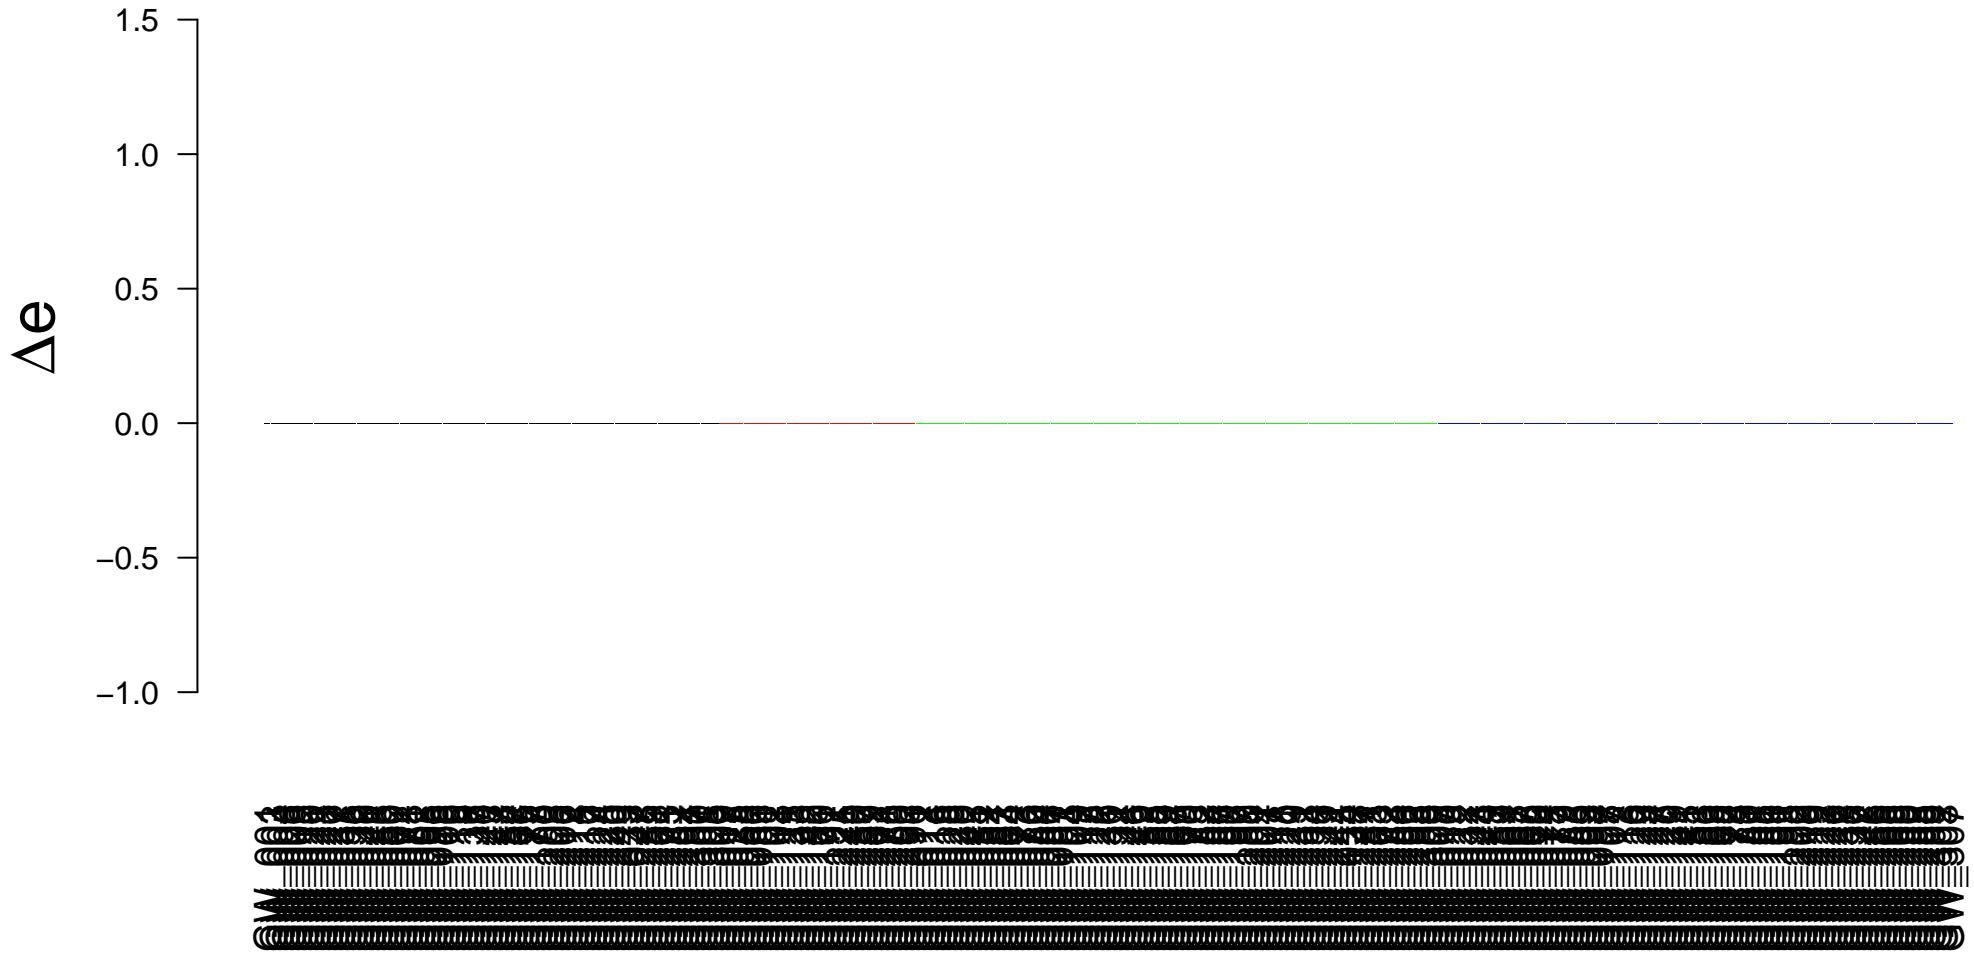

Expression of T cell activation in Spot A

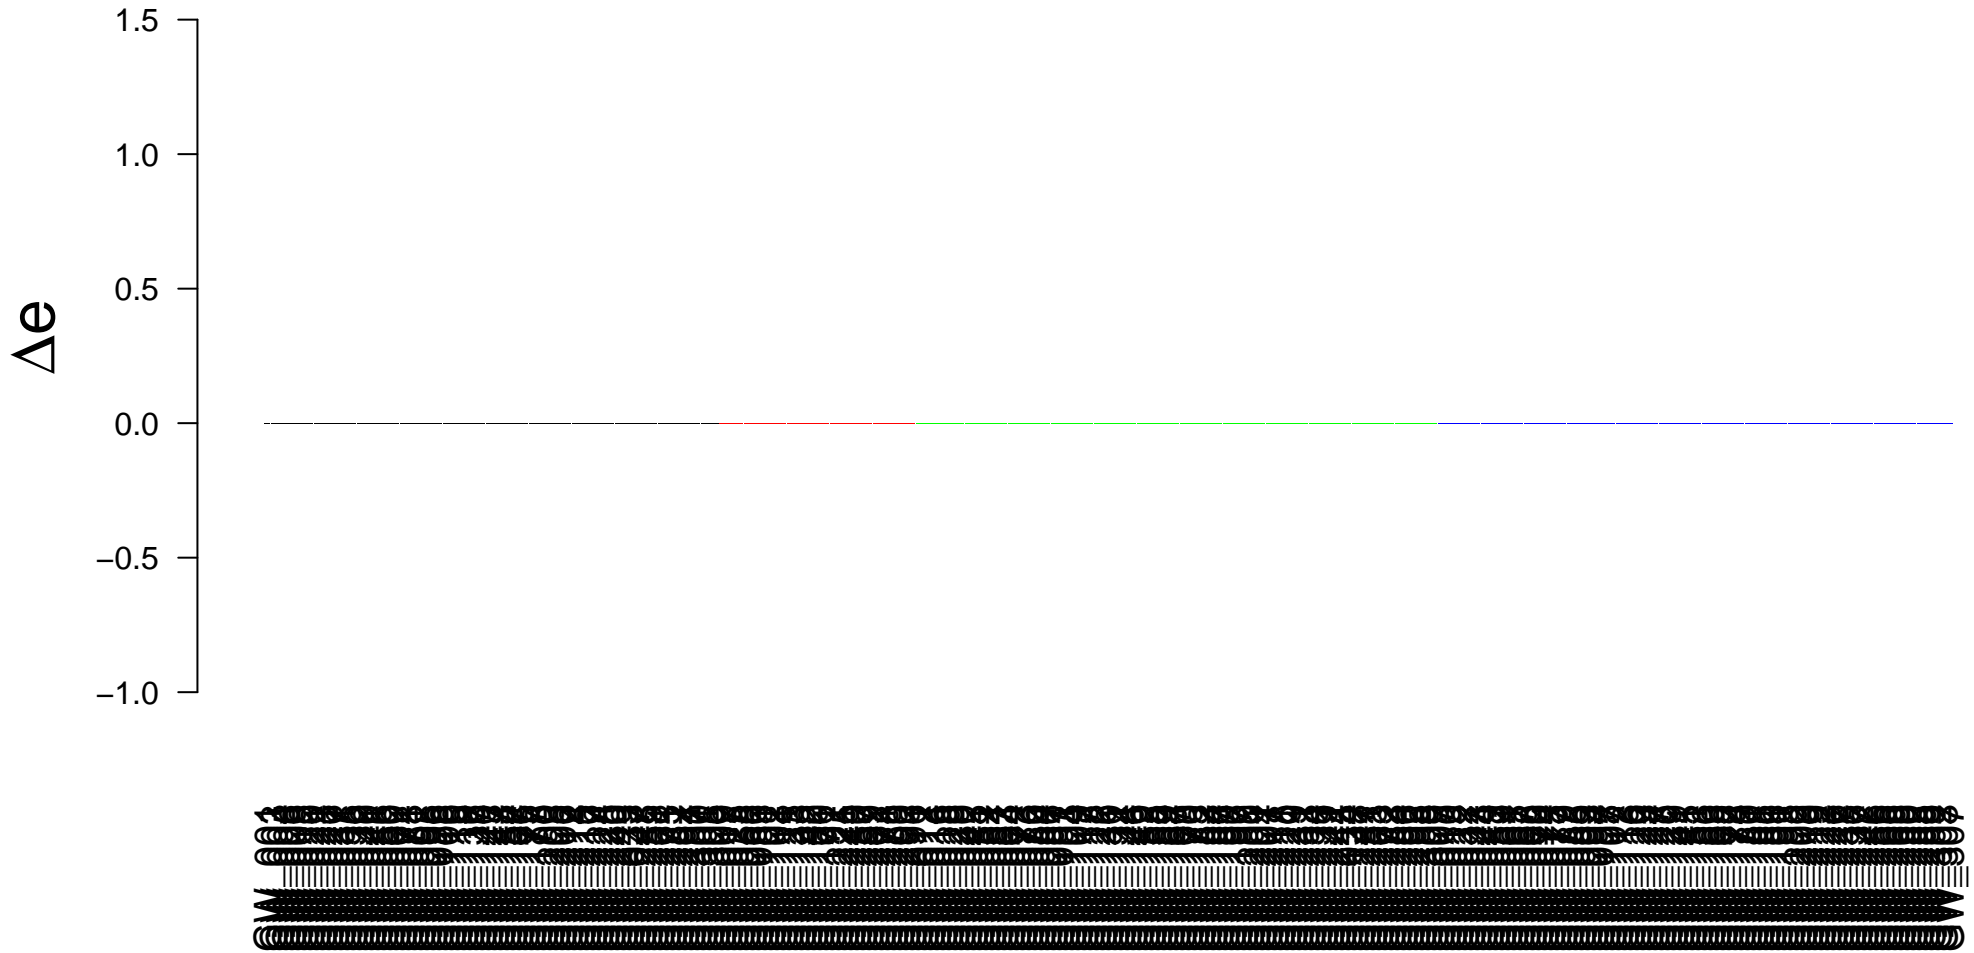

Expression of T cell activation in Spot B

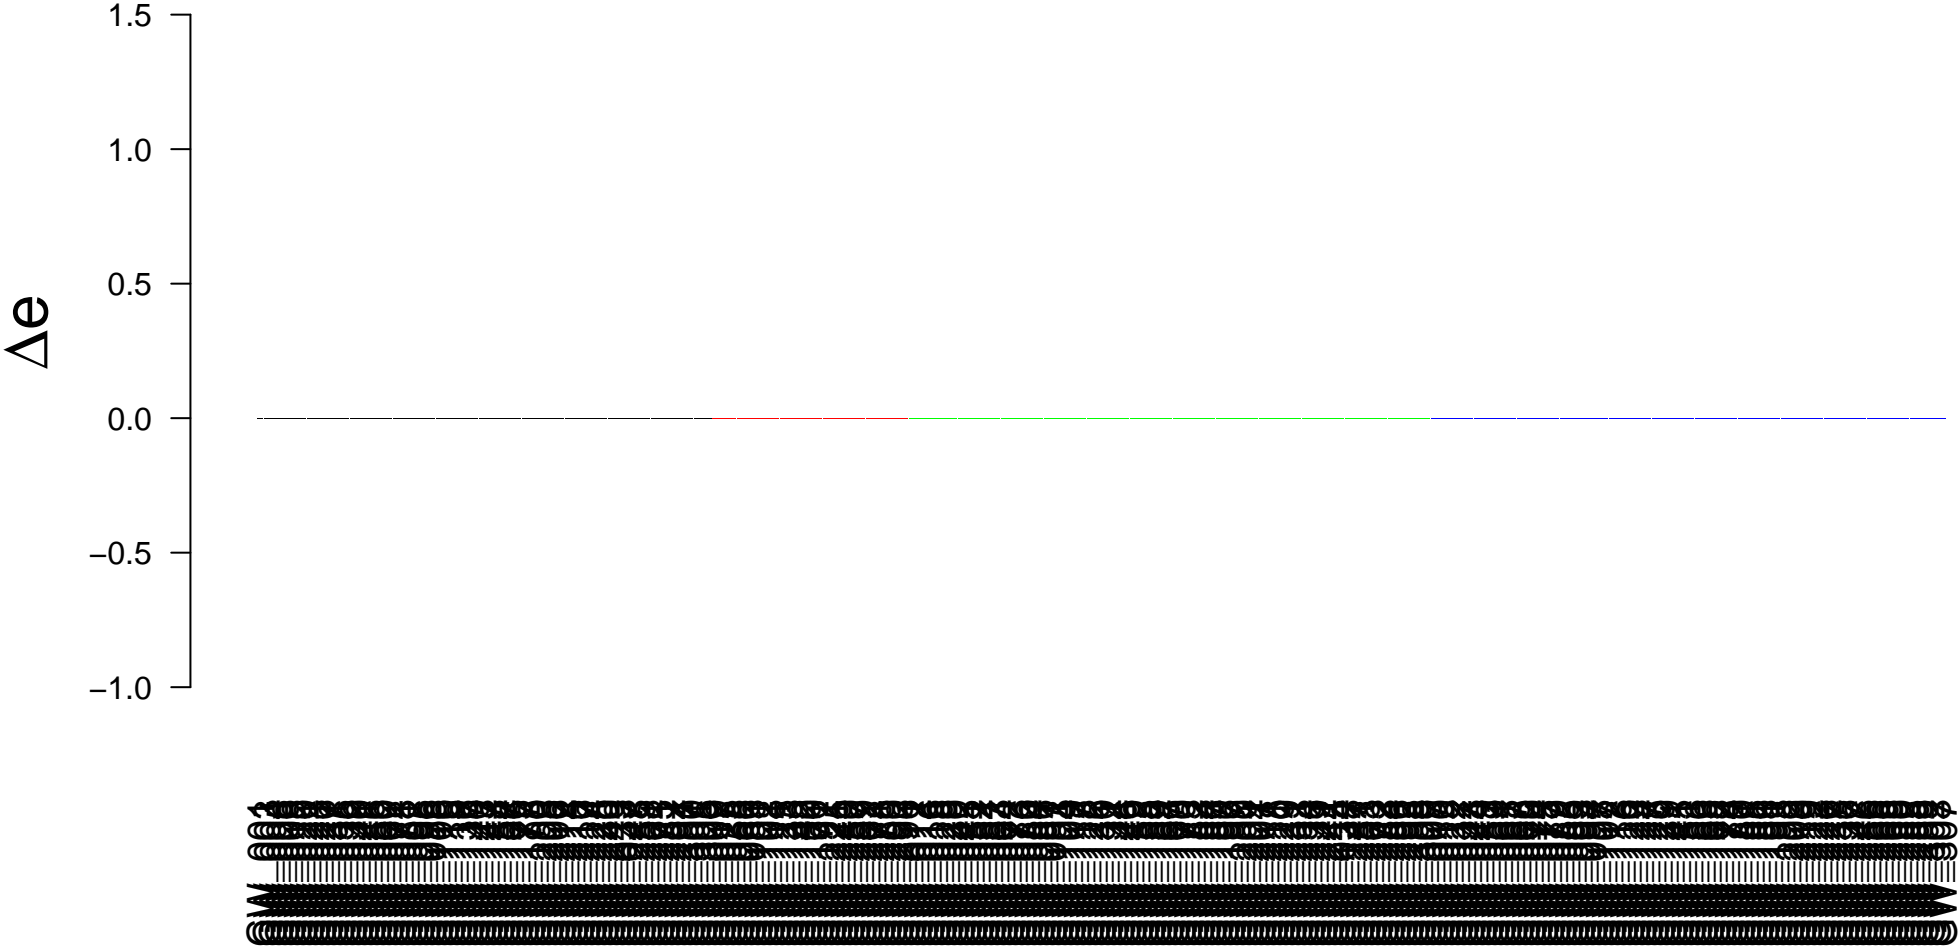

Expression of T cell activation in Spot C

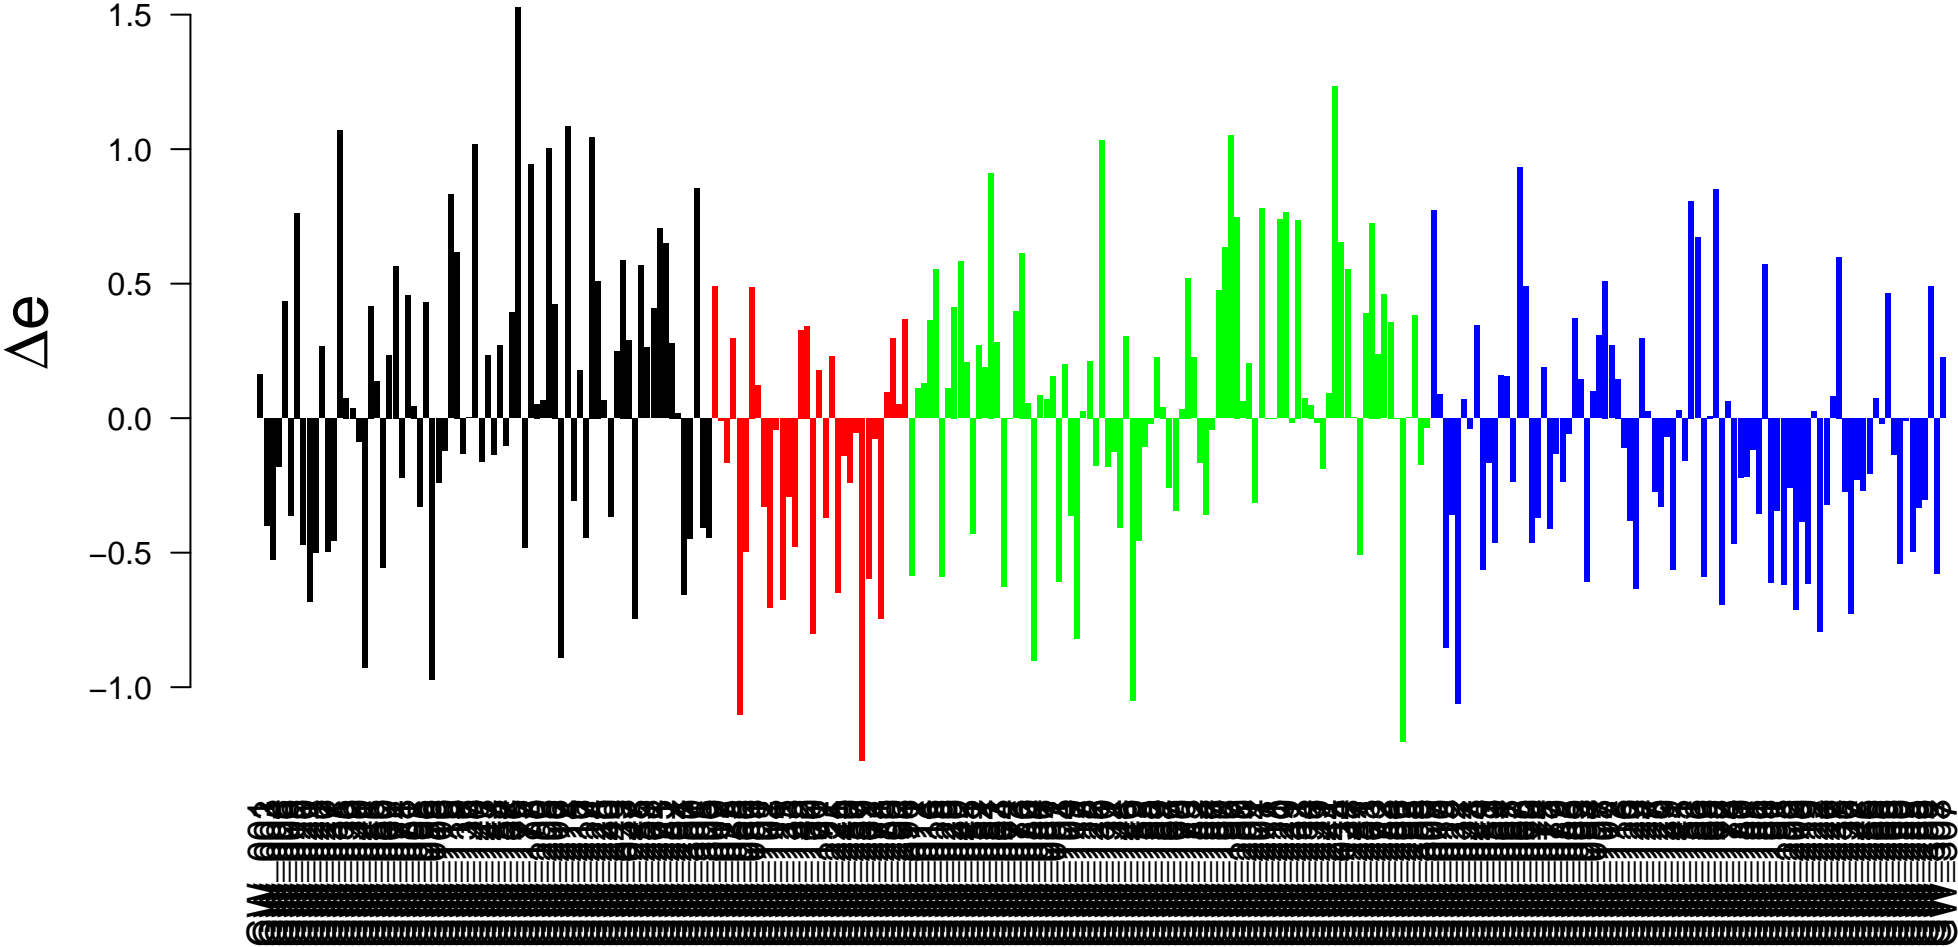

Expression of T cell activation in Spot D

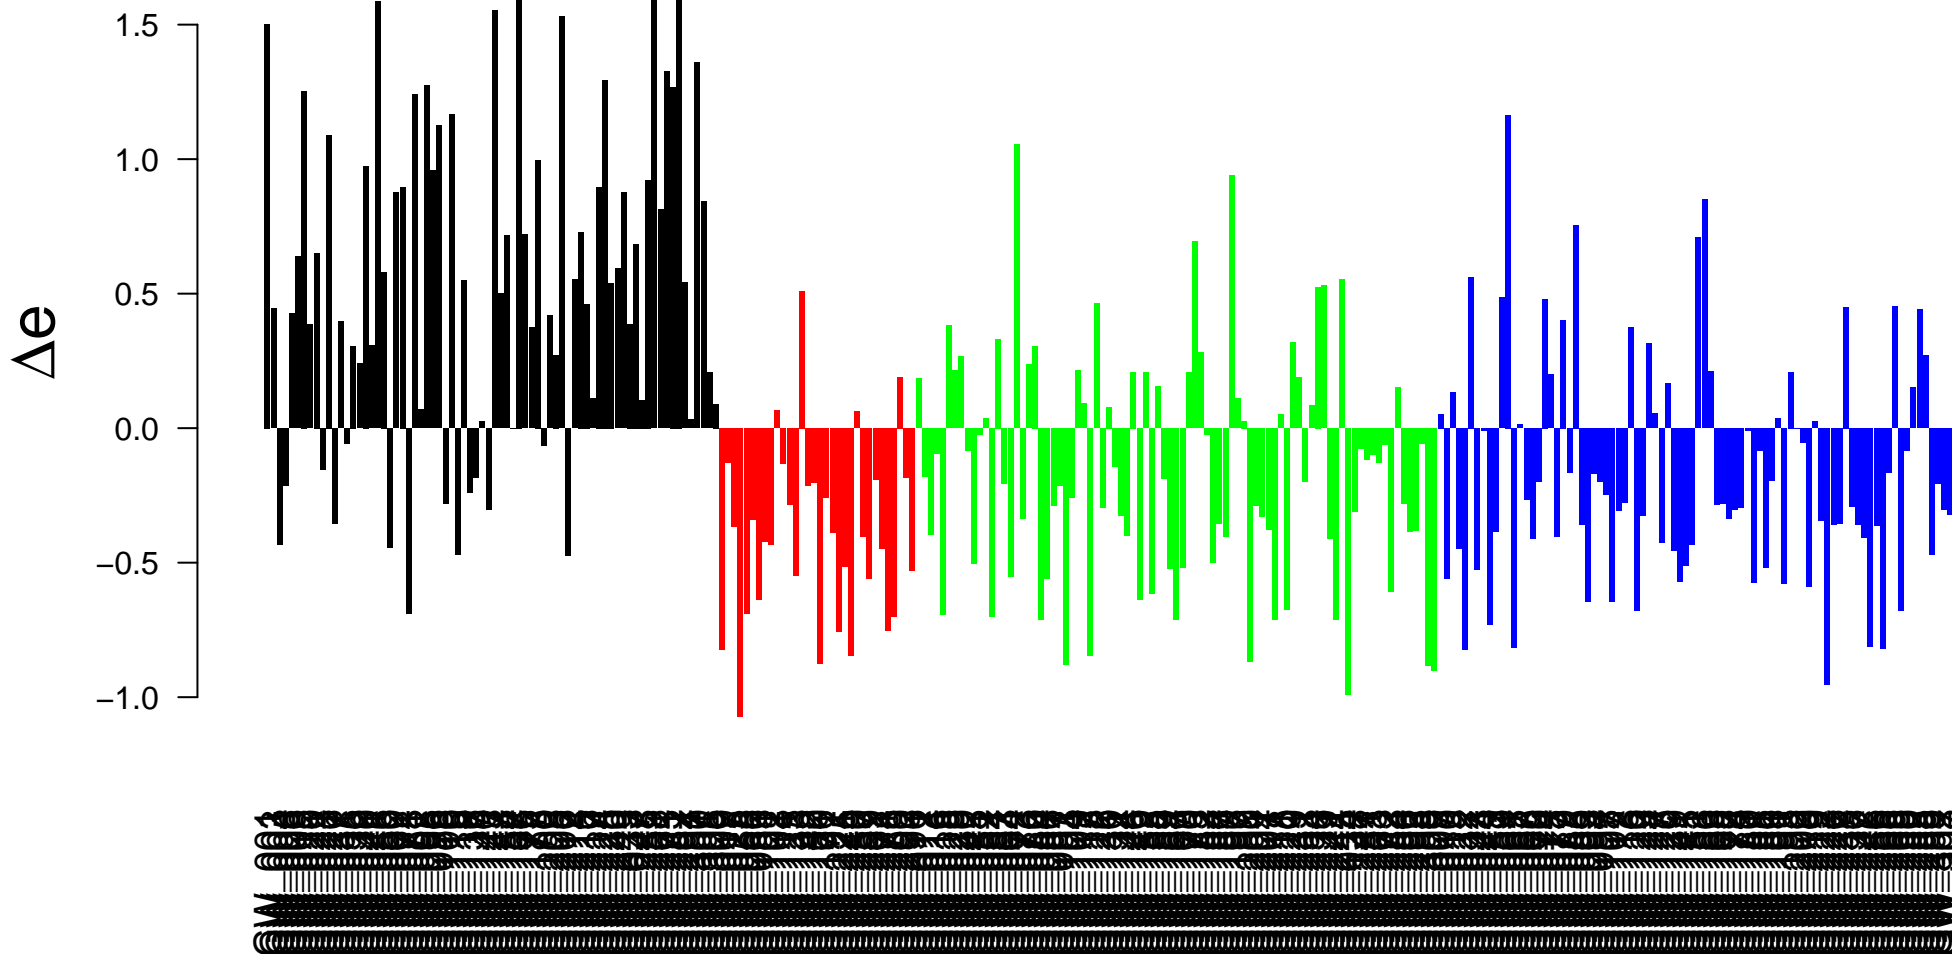

Expression of T cell activation in Spot E

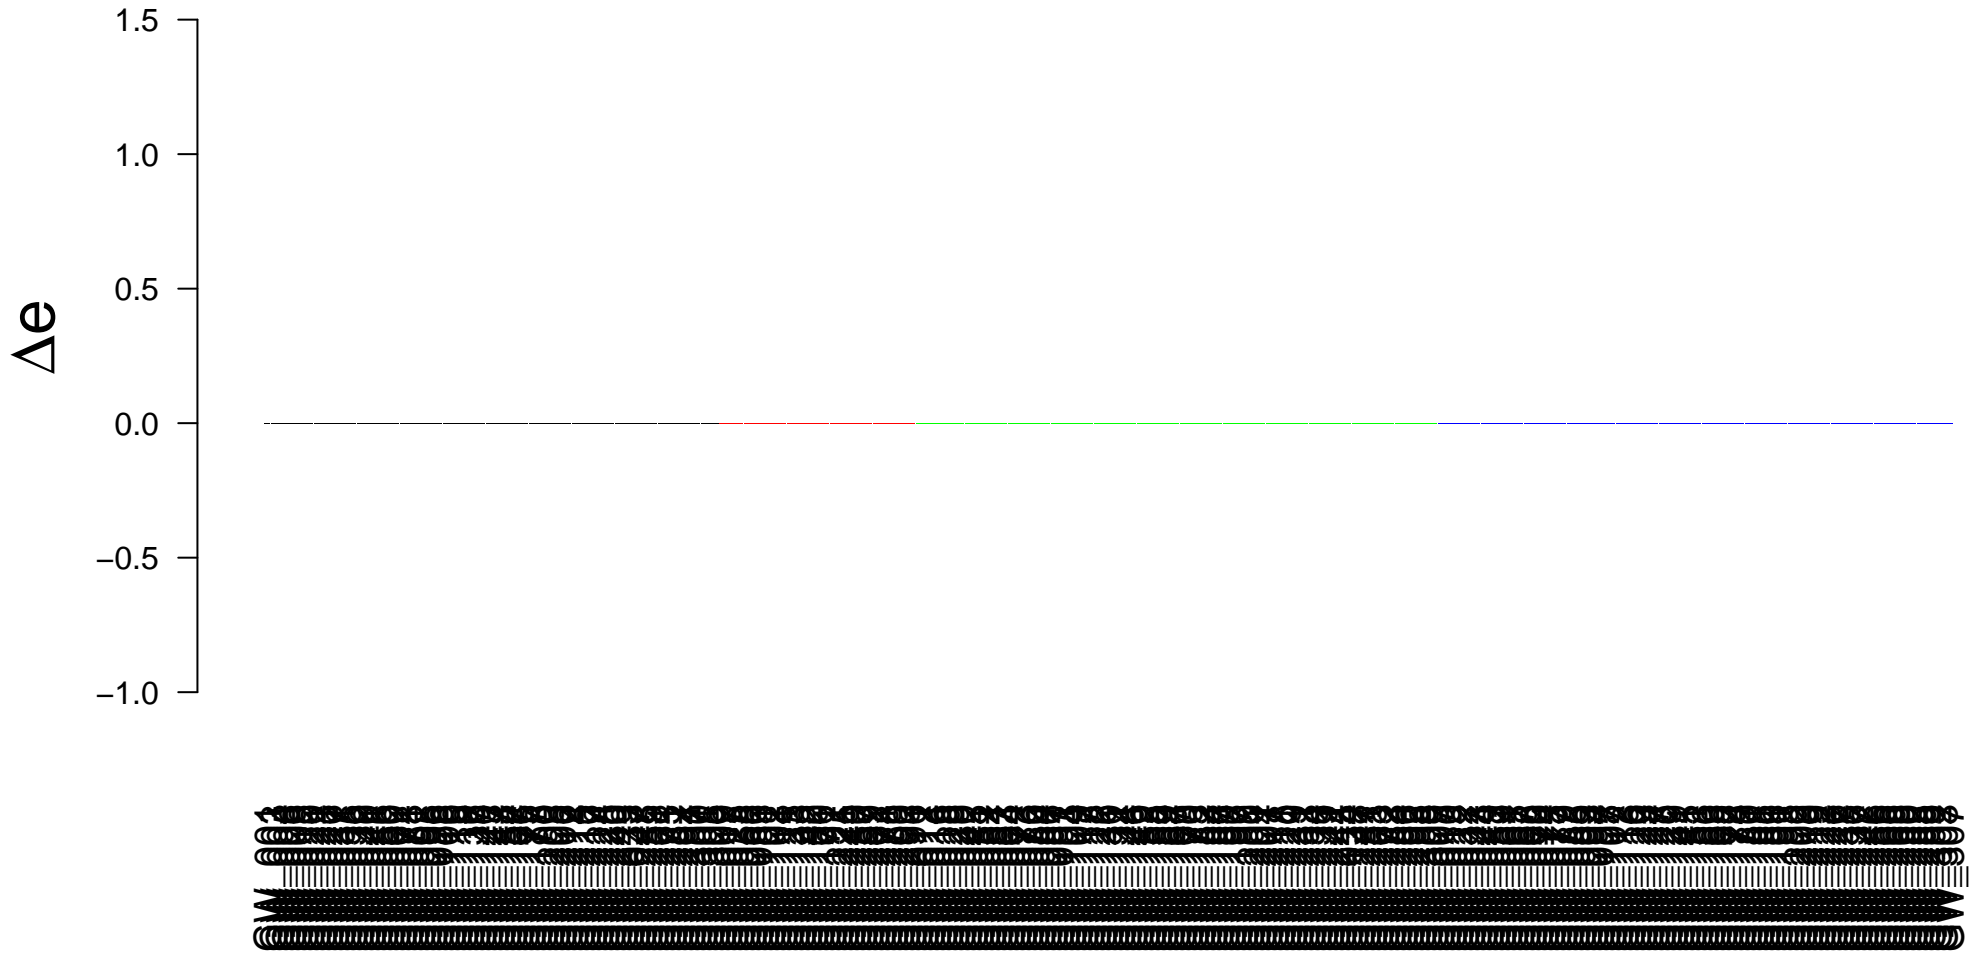

Expression of T cell activation in Spot F

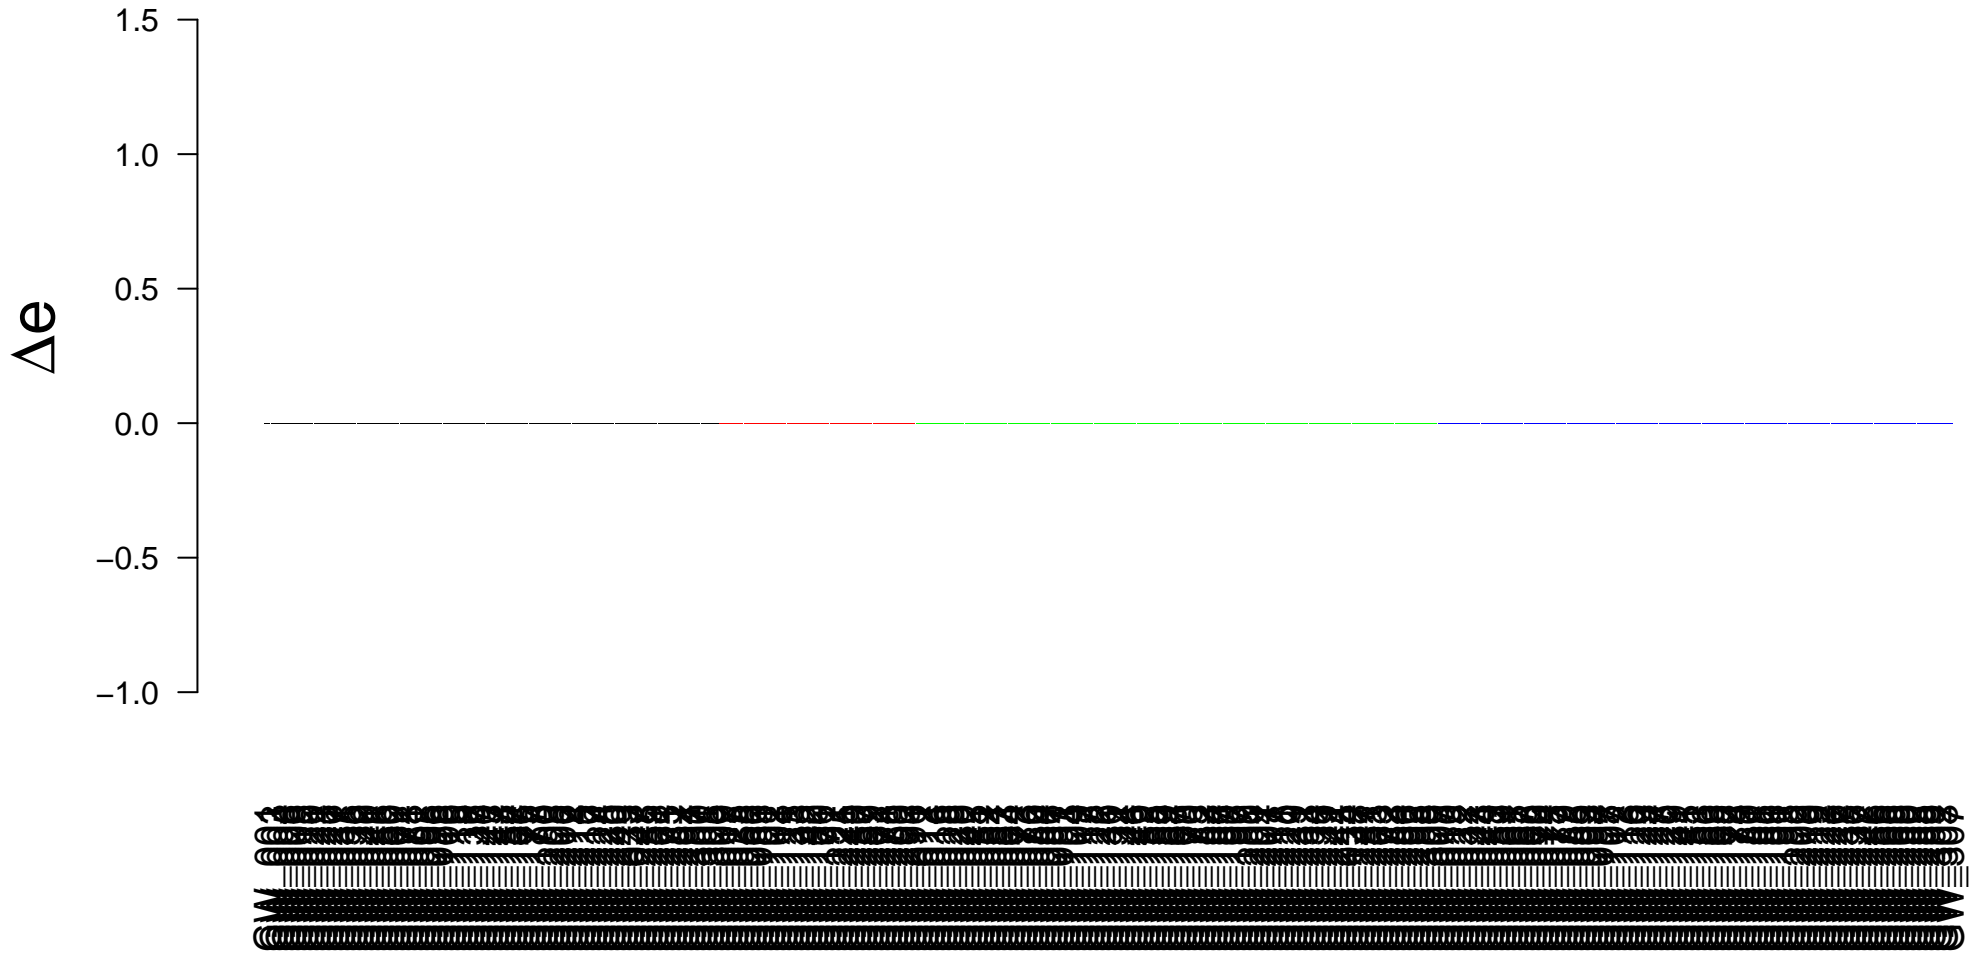

Expression of T cell activation in Spot G

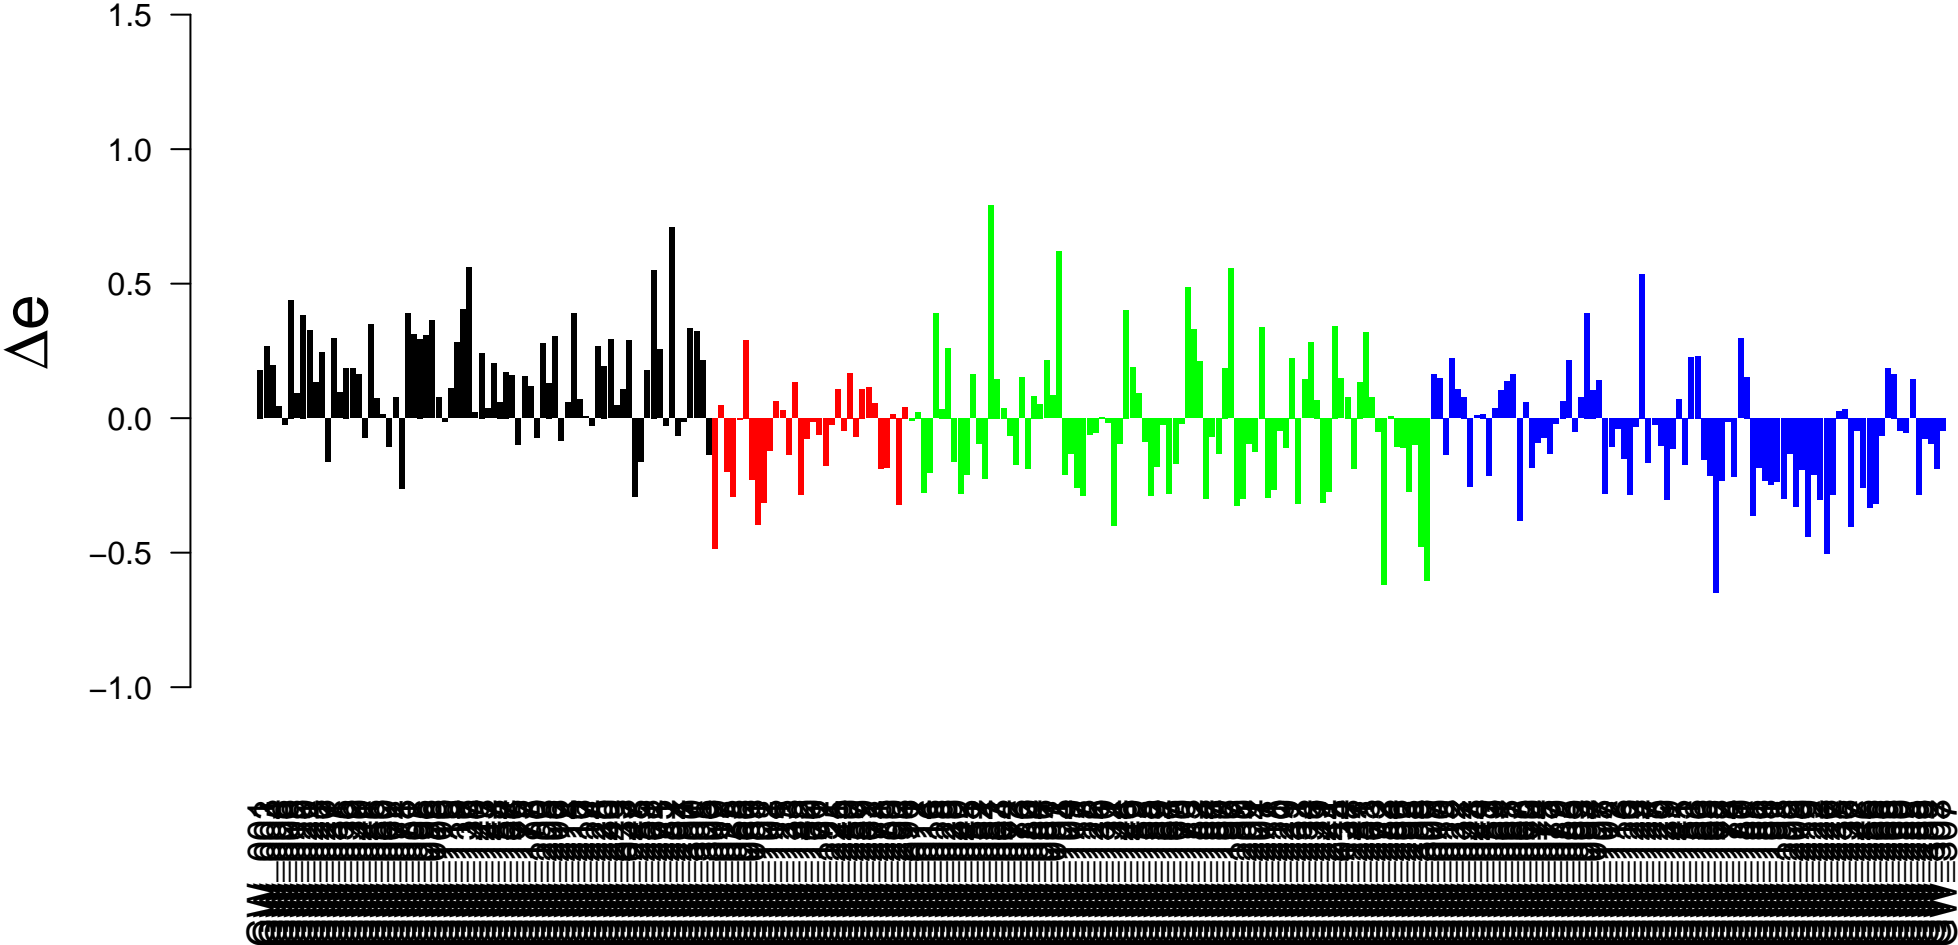

Expression of T cell activation in Spot H

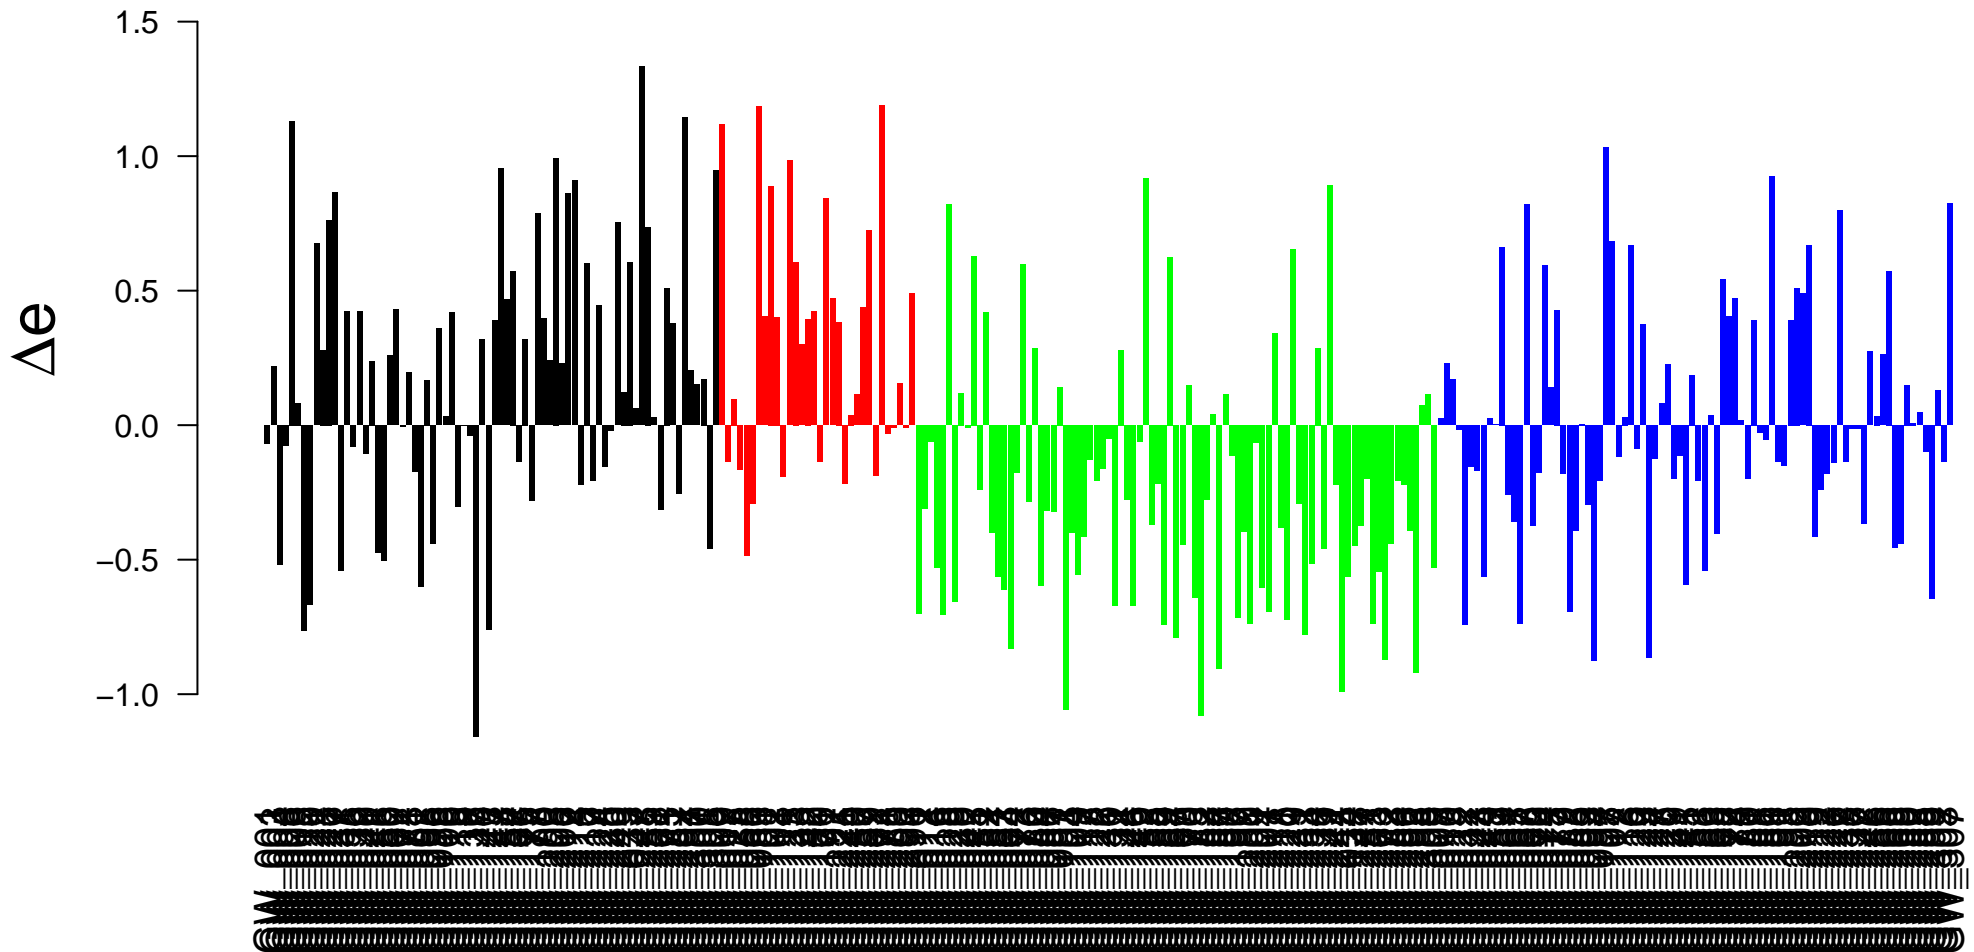

Expression of T cell activation in Spot I

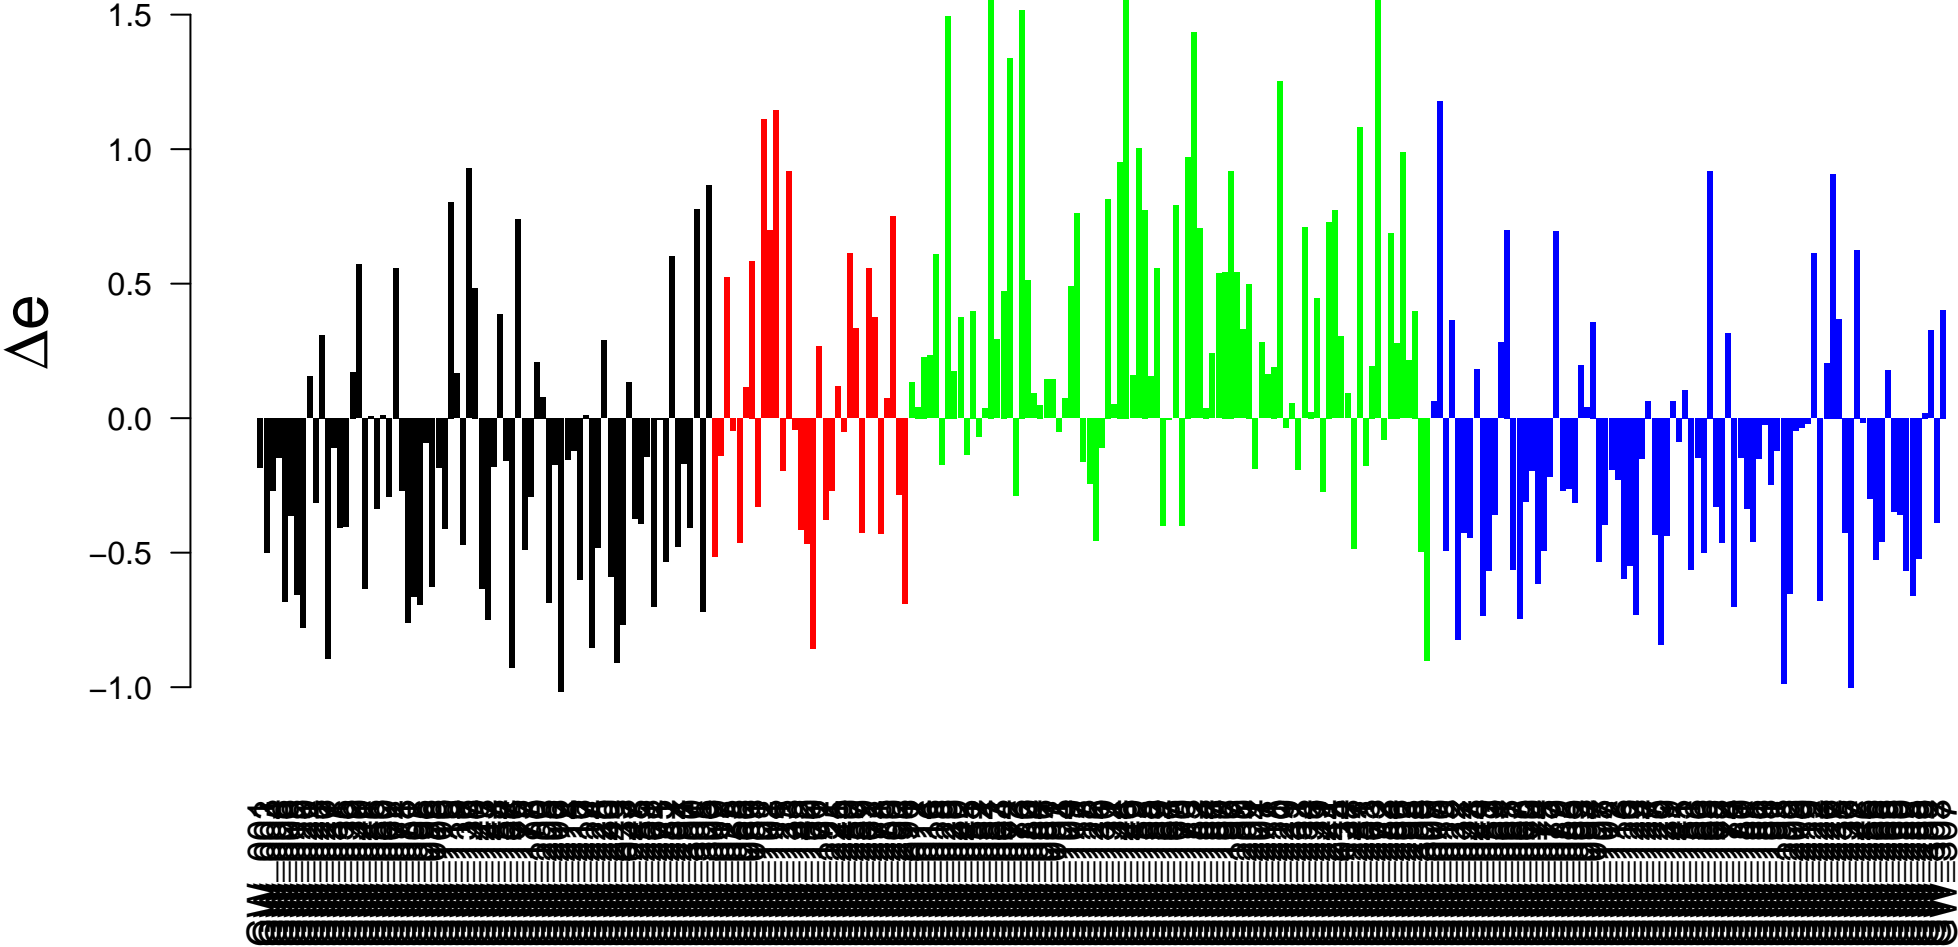

Expression of T cell activation in Spot J

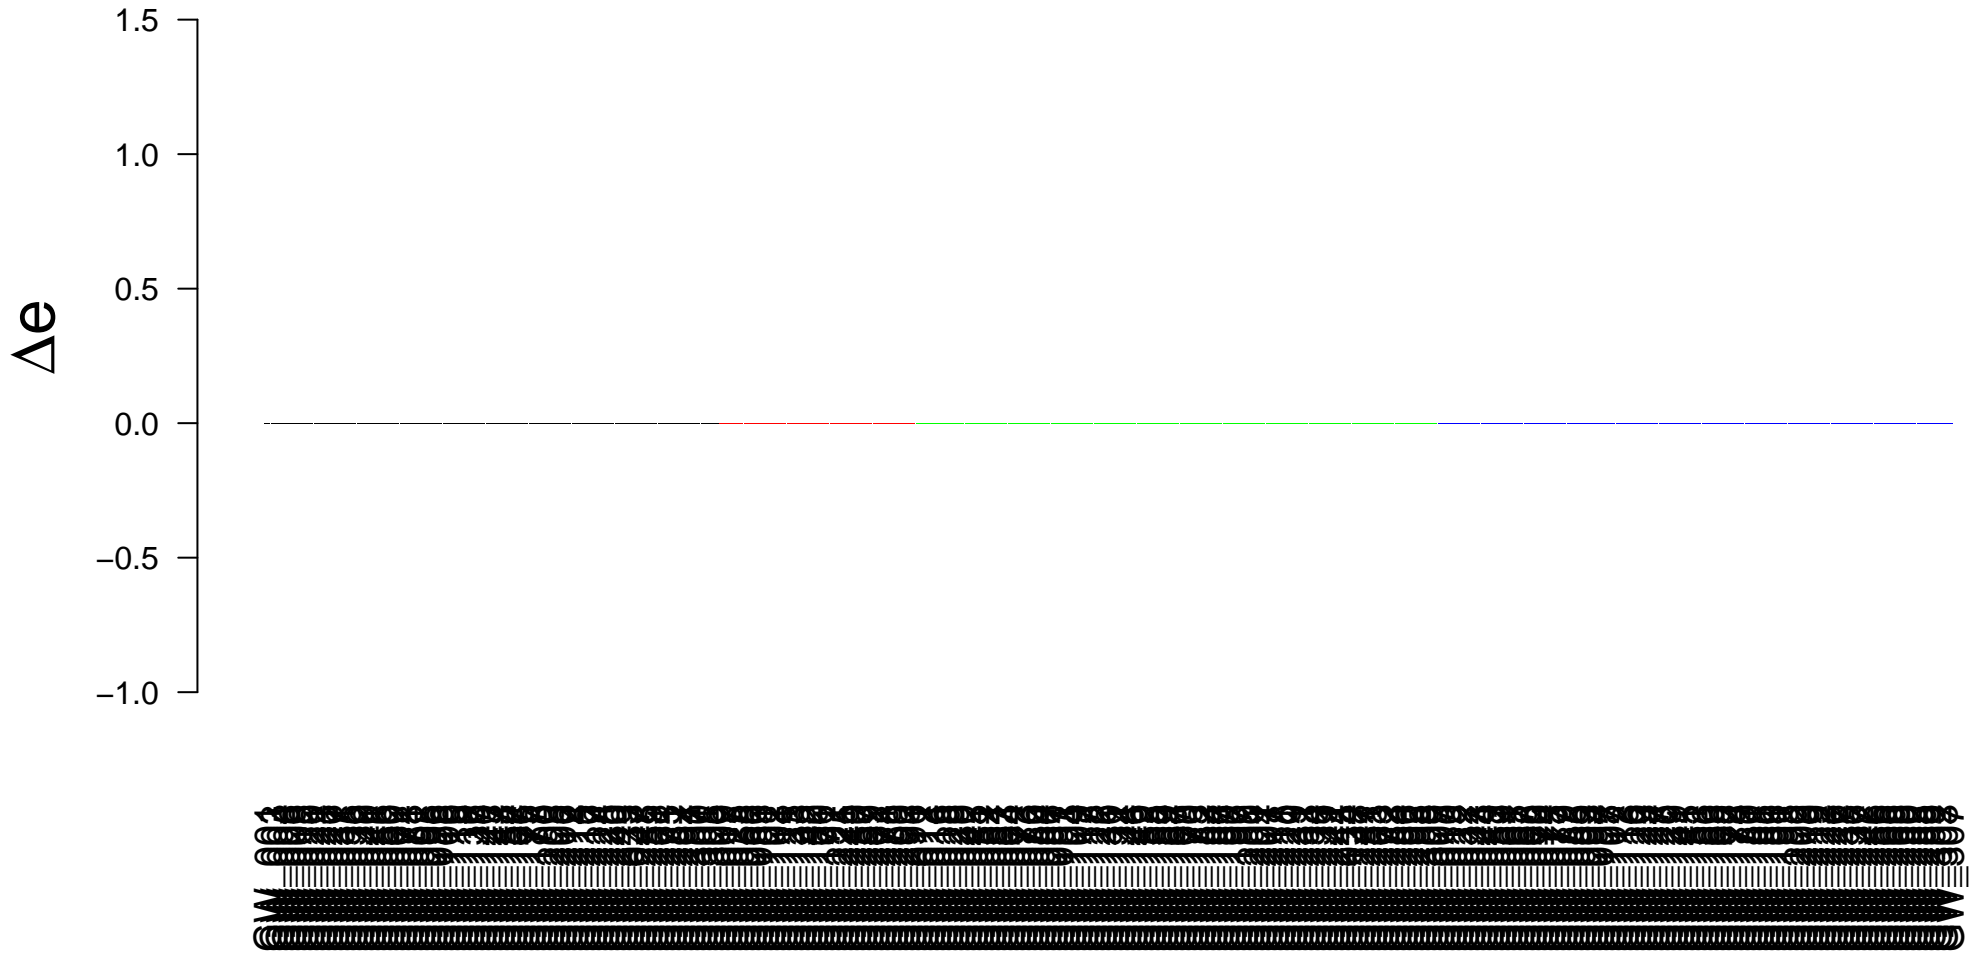

Expression of T cell activation in Spot K

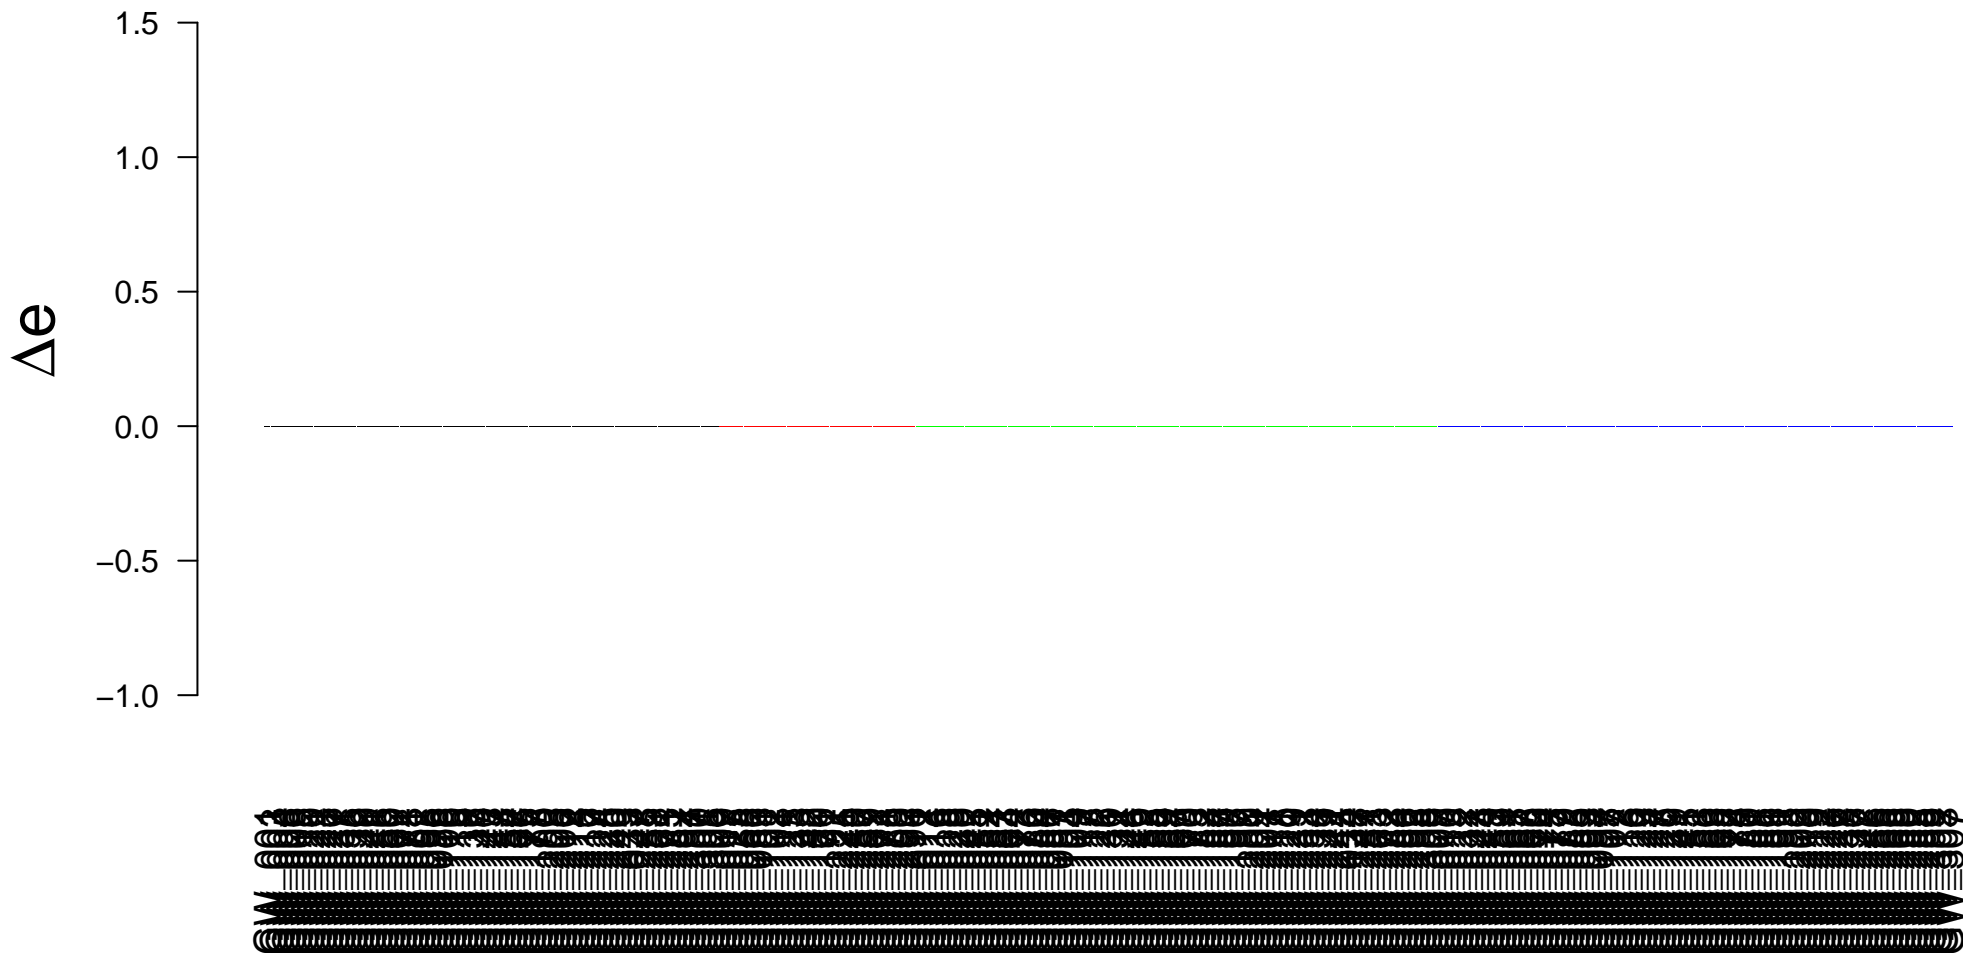

Expression of T cell activation in Spot L

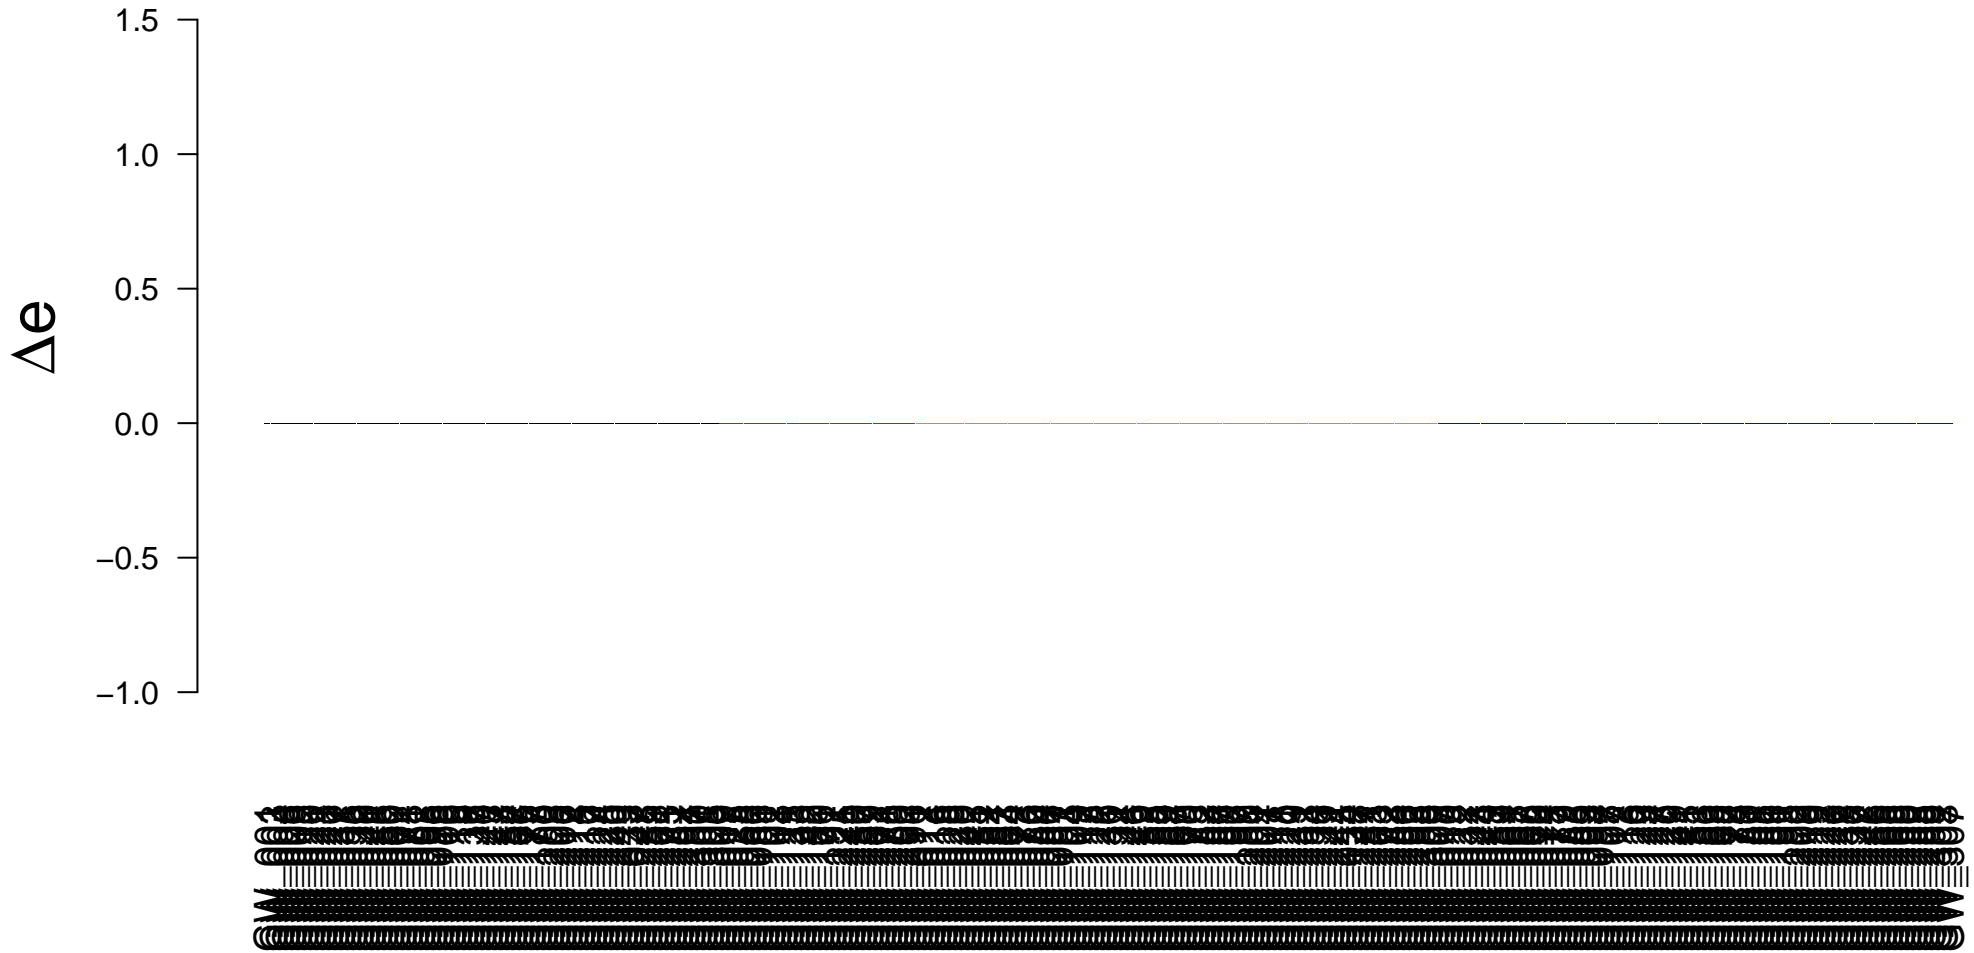

Expression of T cell activation in Spot M

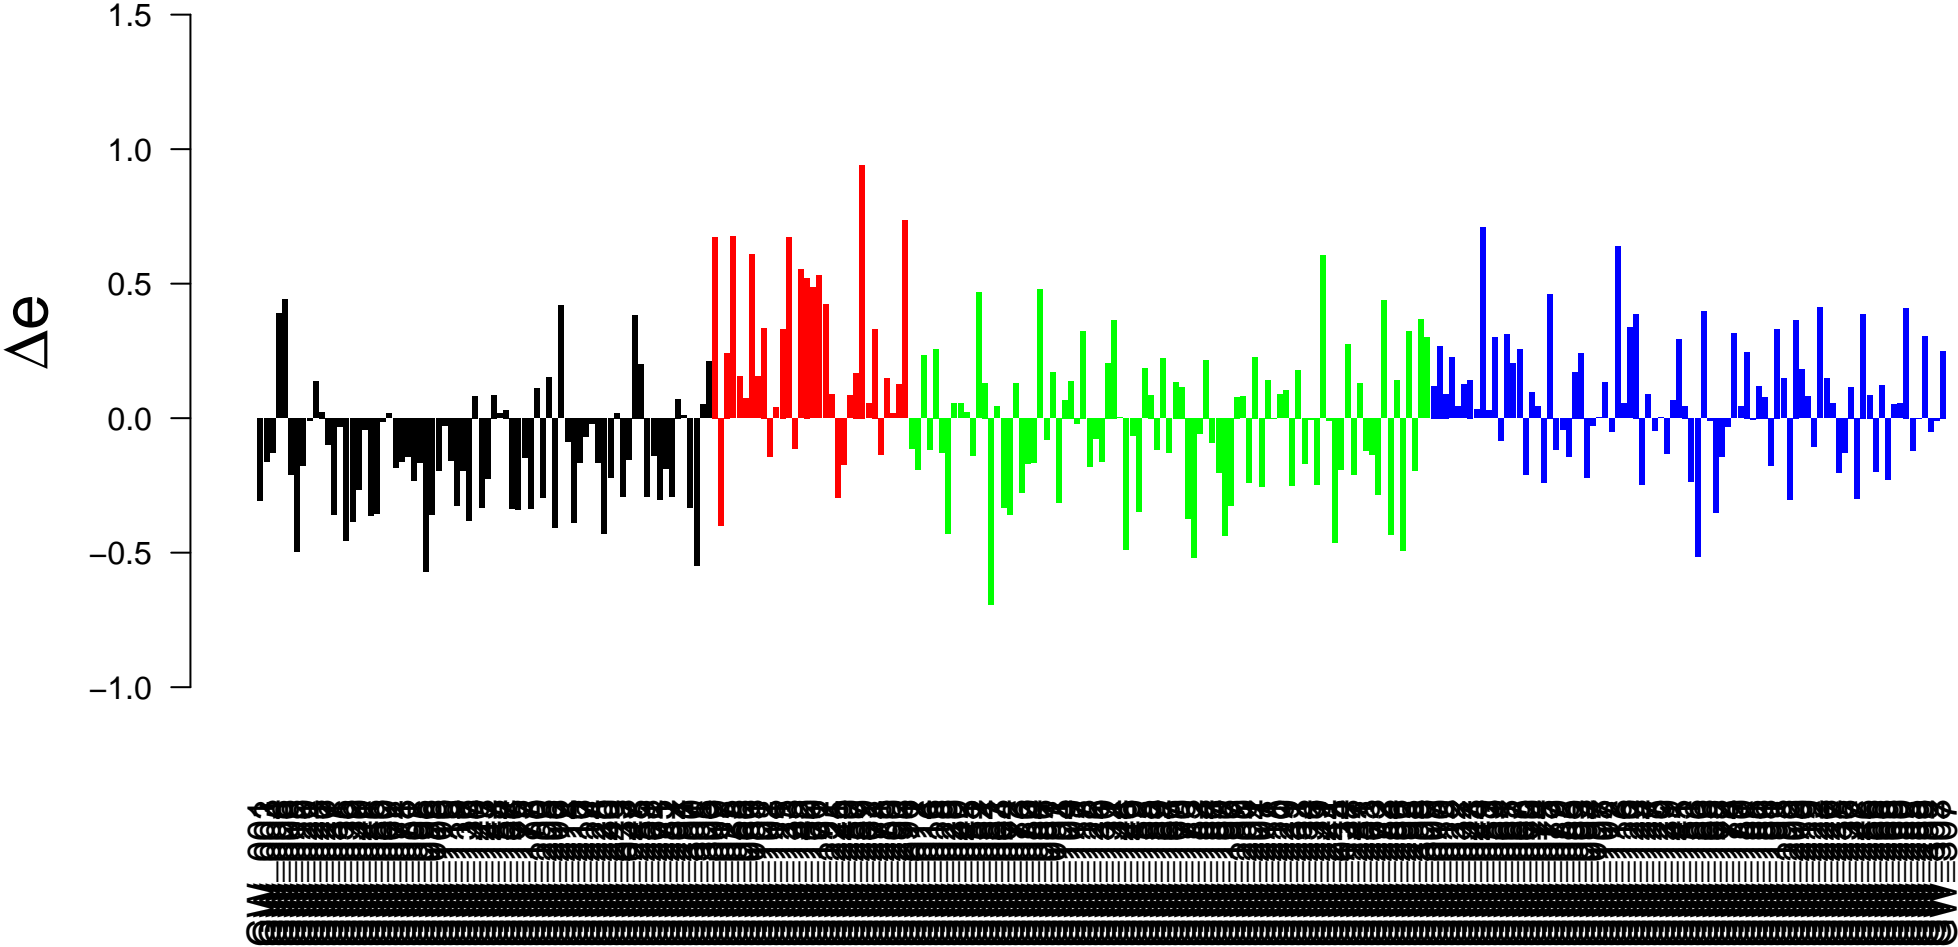

Expression of T cell activation in Spot N

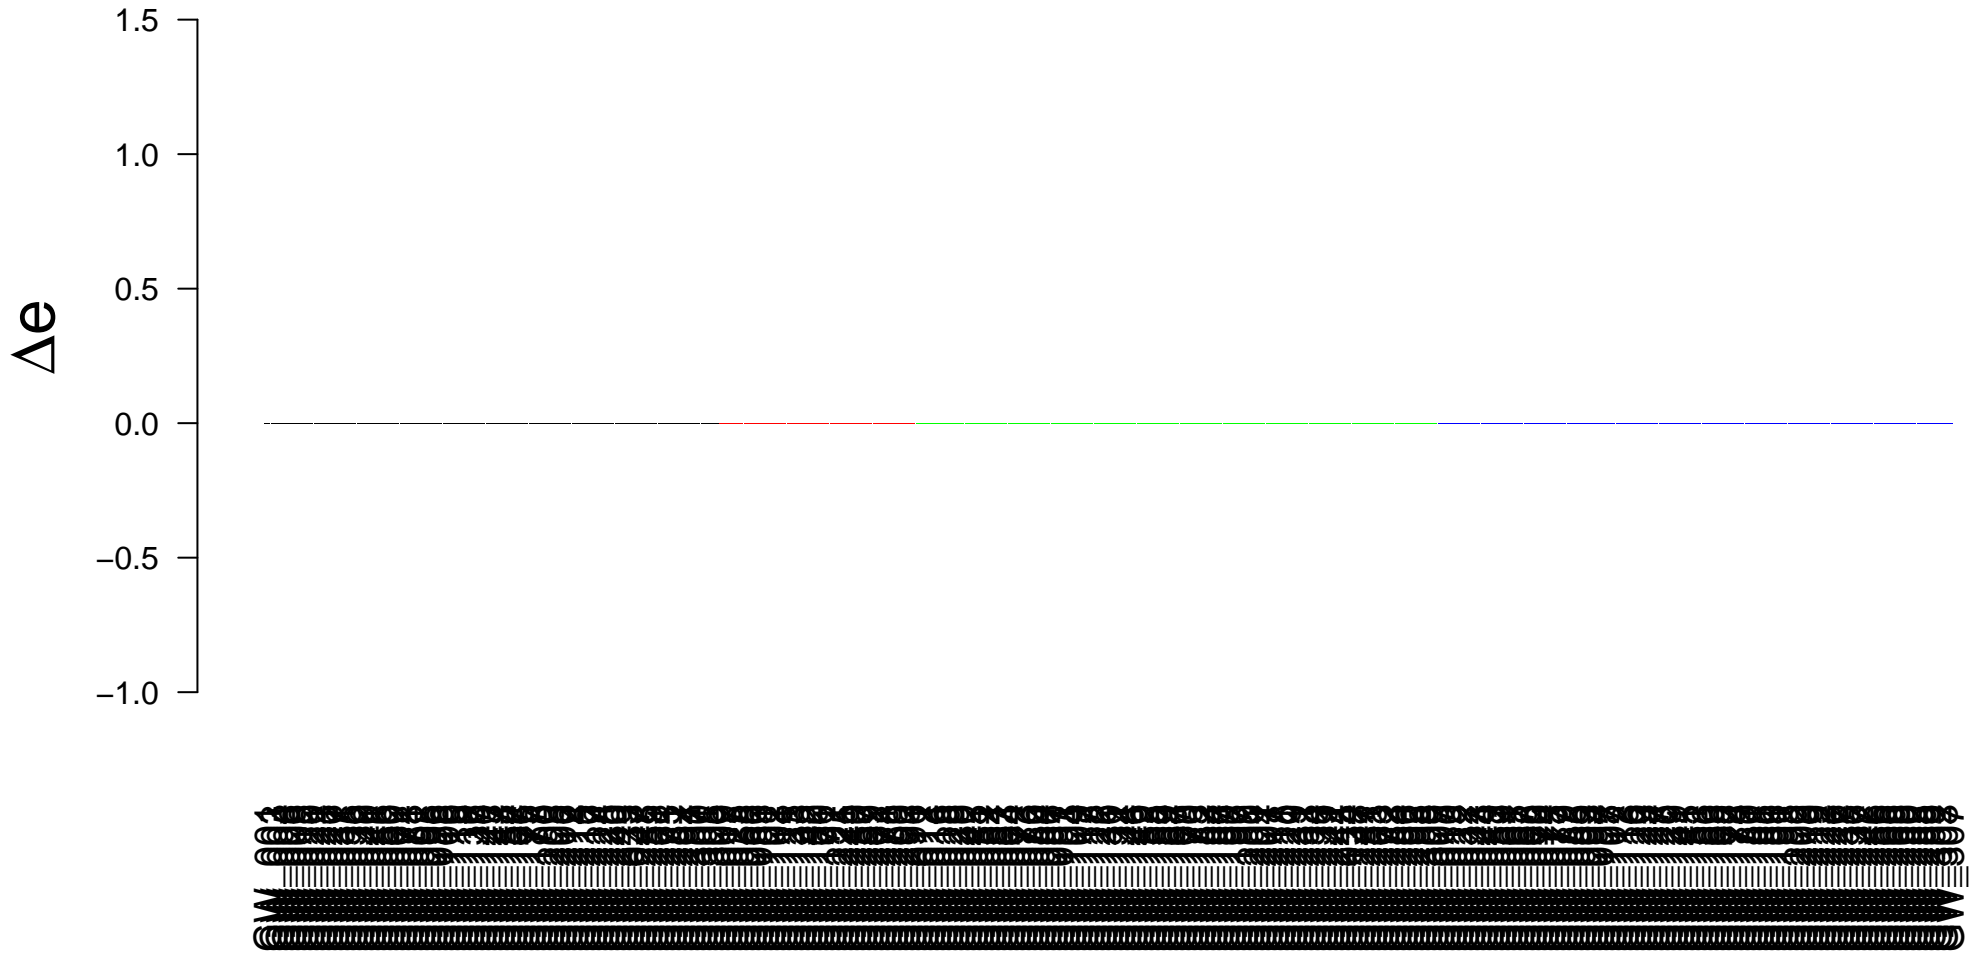

Expression of T cell activation in Spot O

Expression of T cell activation in Spot P

Expression of T cell activation in Spot Q

Expression of T cell activation in Spot R
