

T cell differentiation in thymus

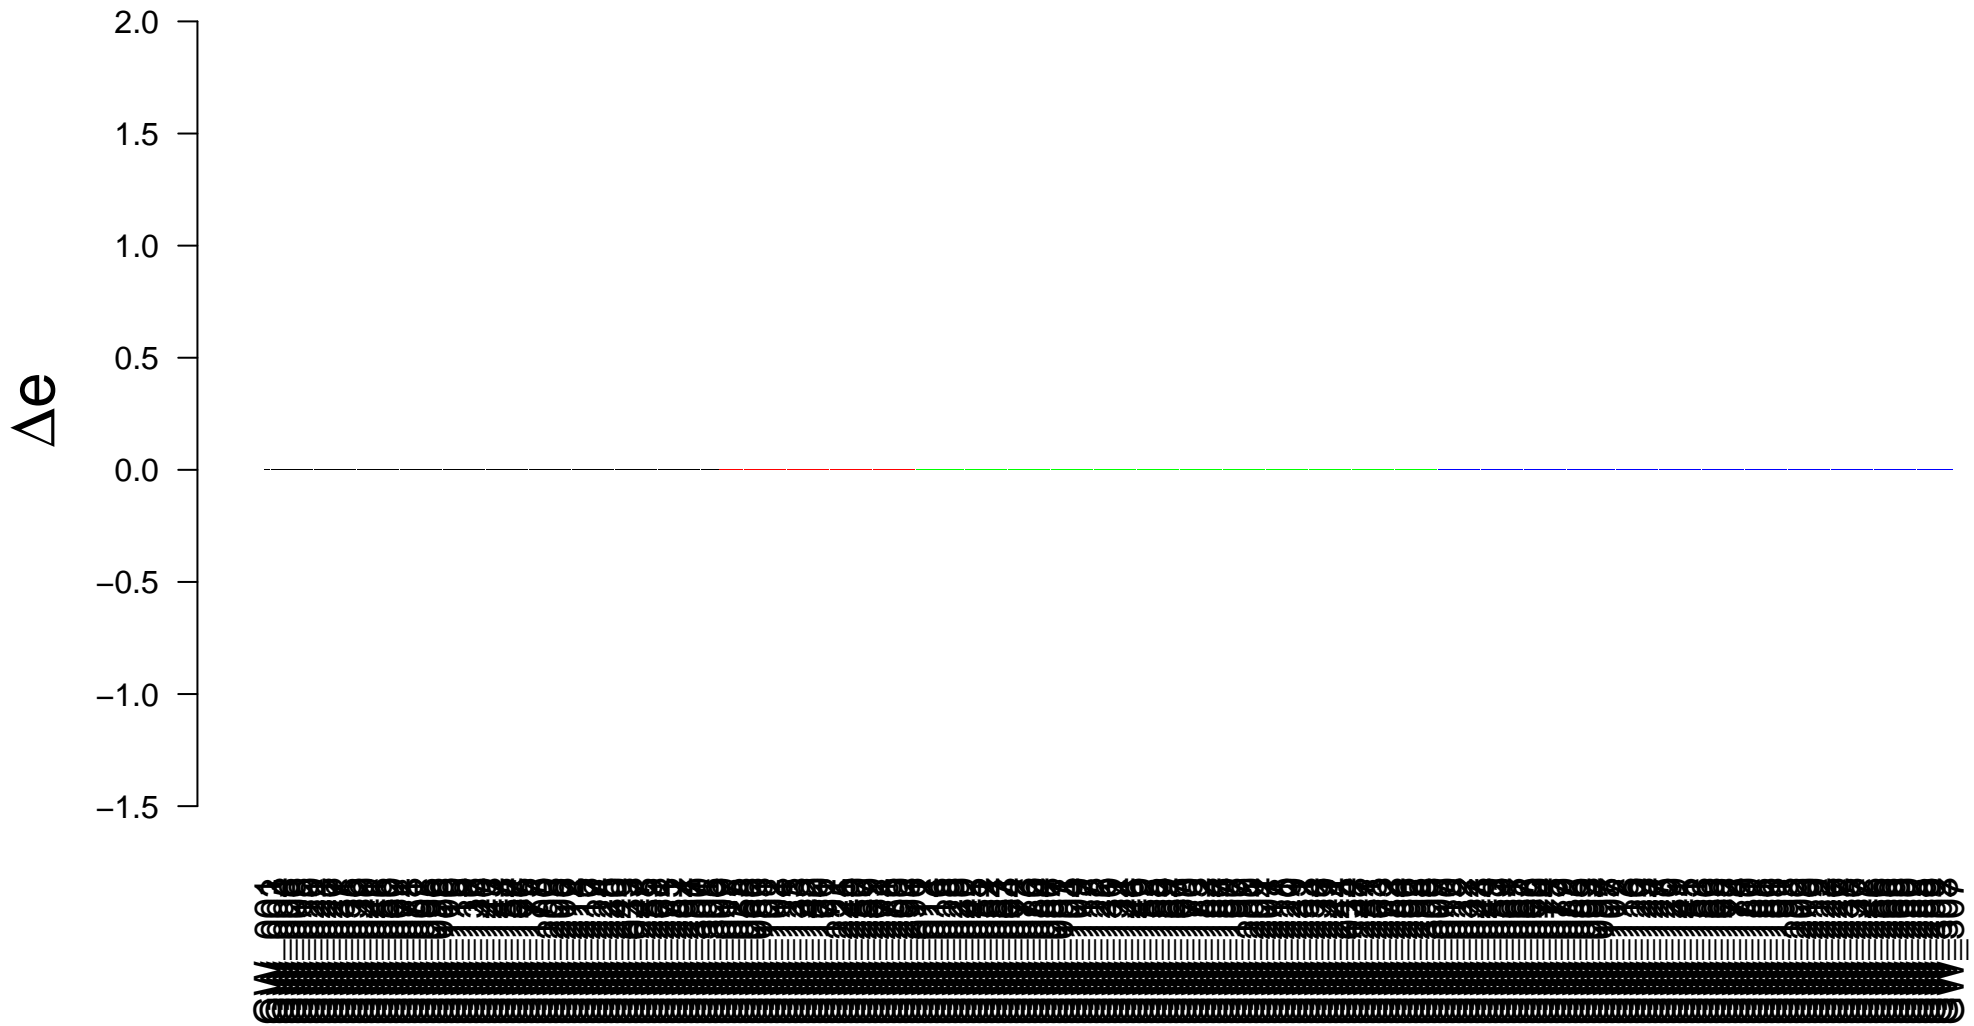

T cell differentiation in thymus

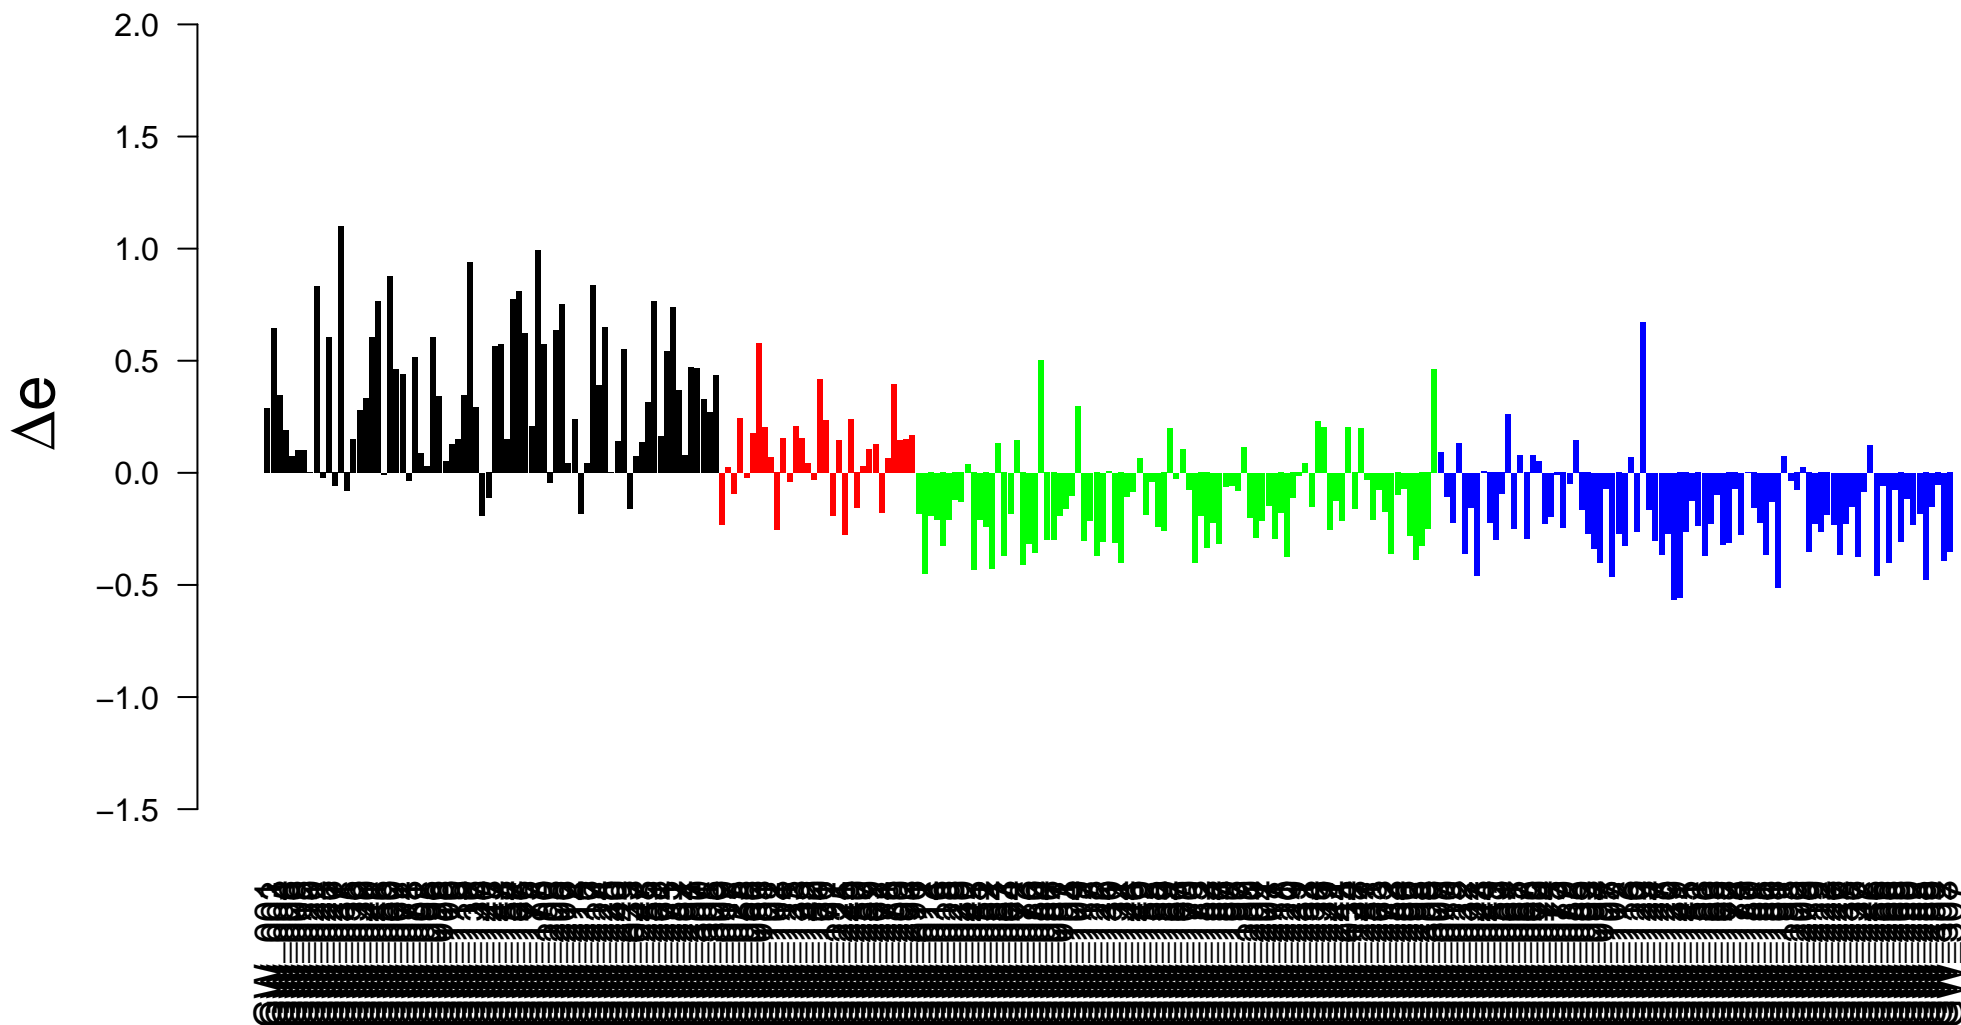

Enrichment in spots: T cell differentiation in thymus

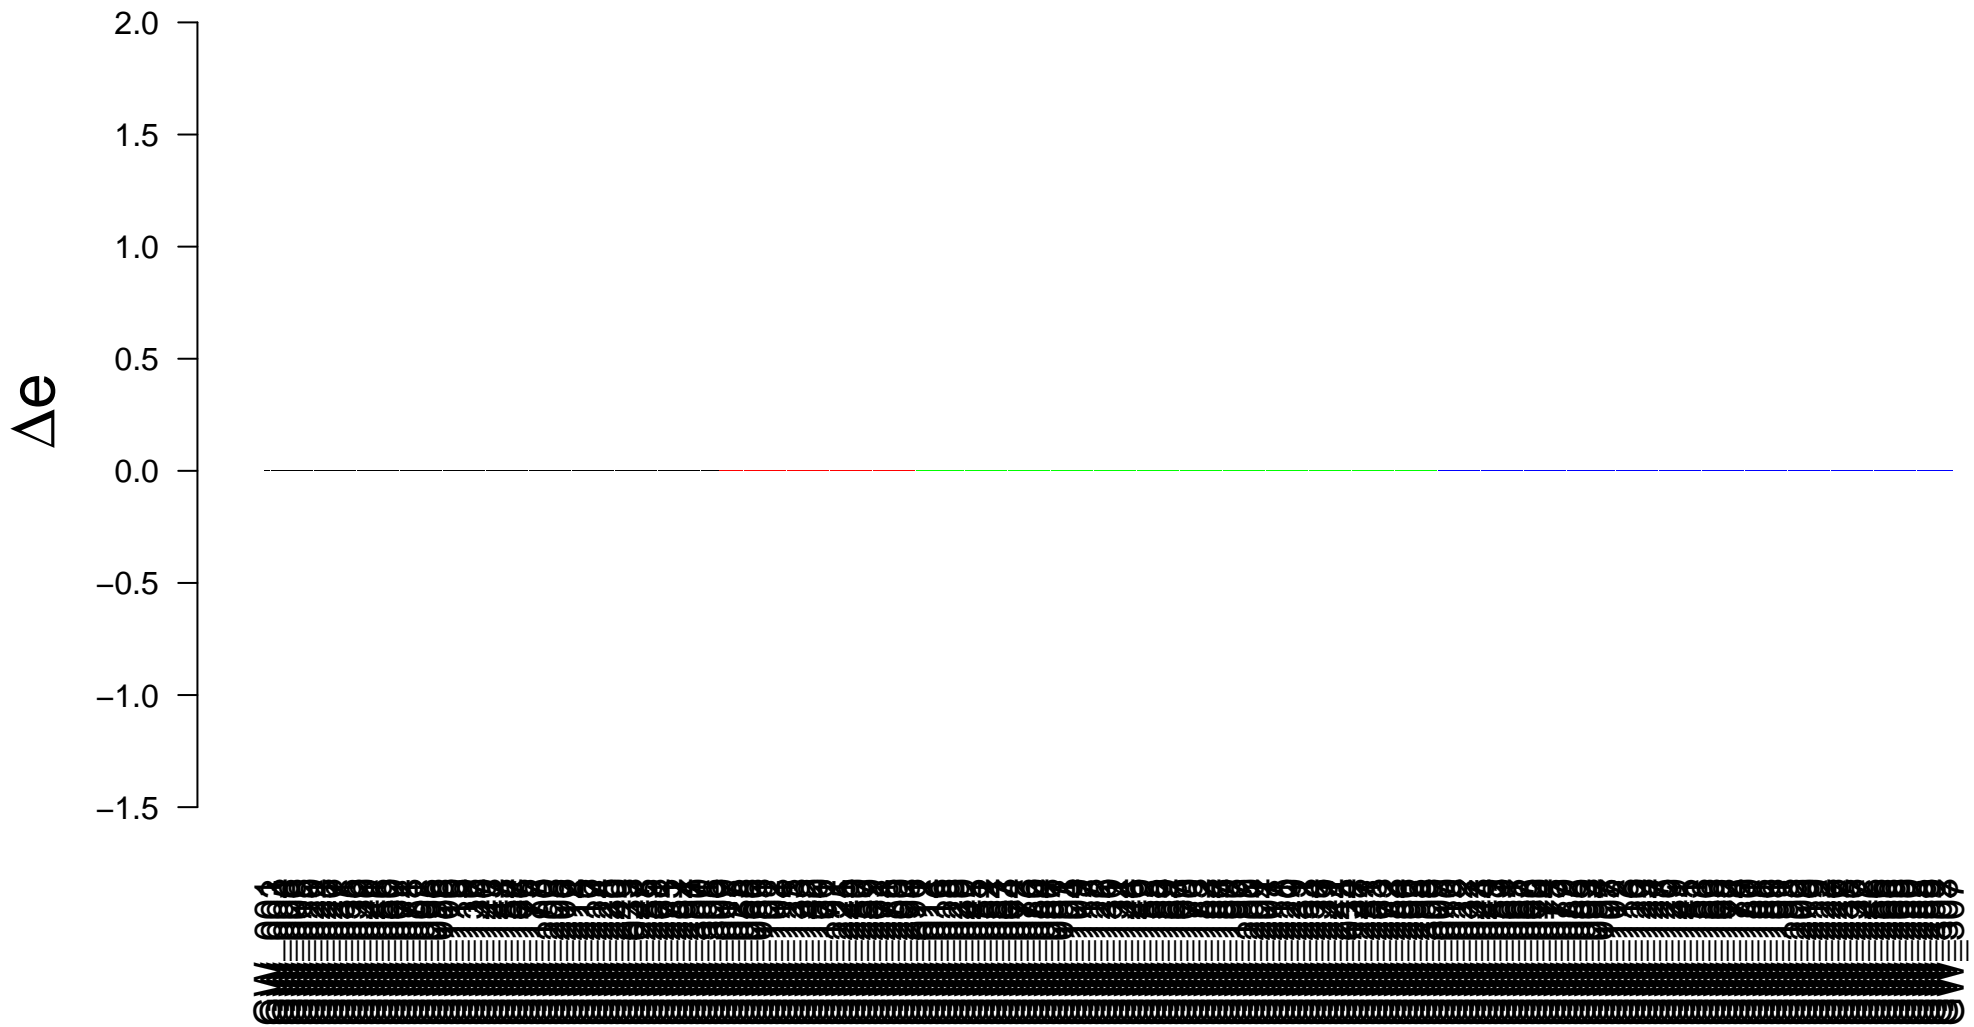

Expression of T cell differentiation in thymus in Spot A

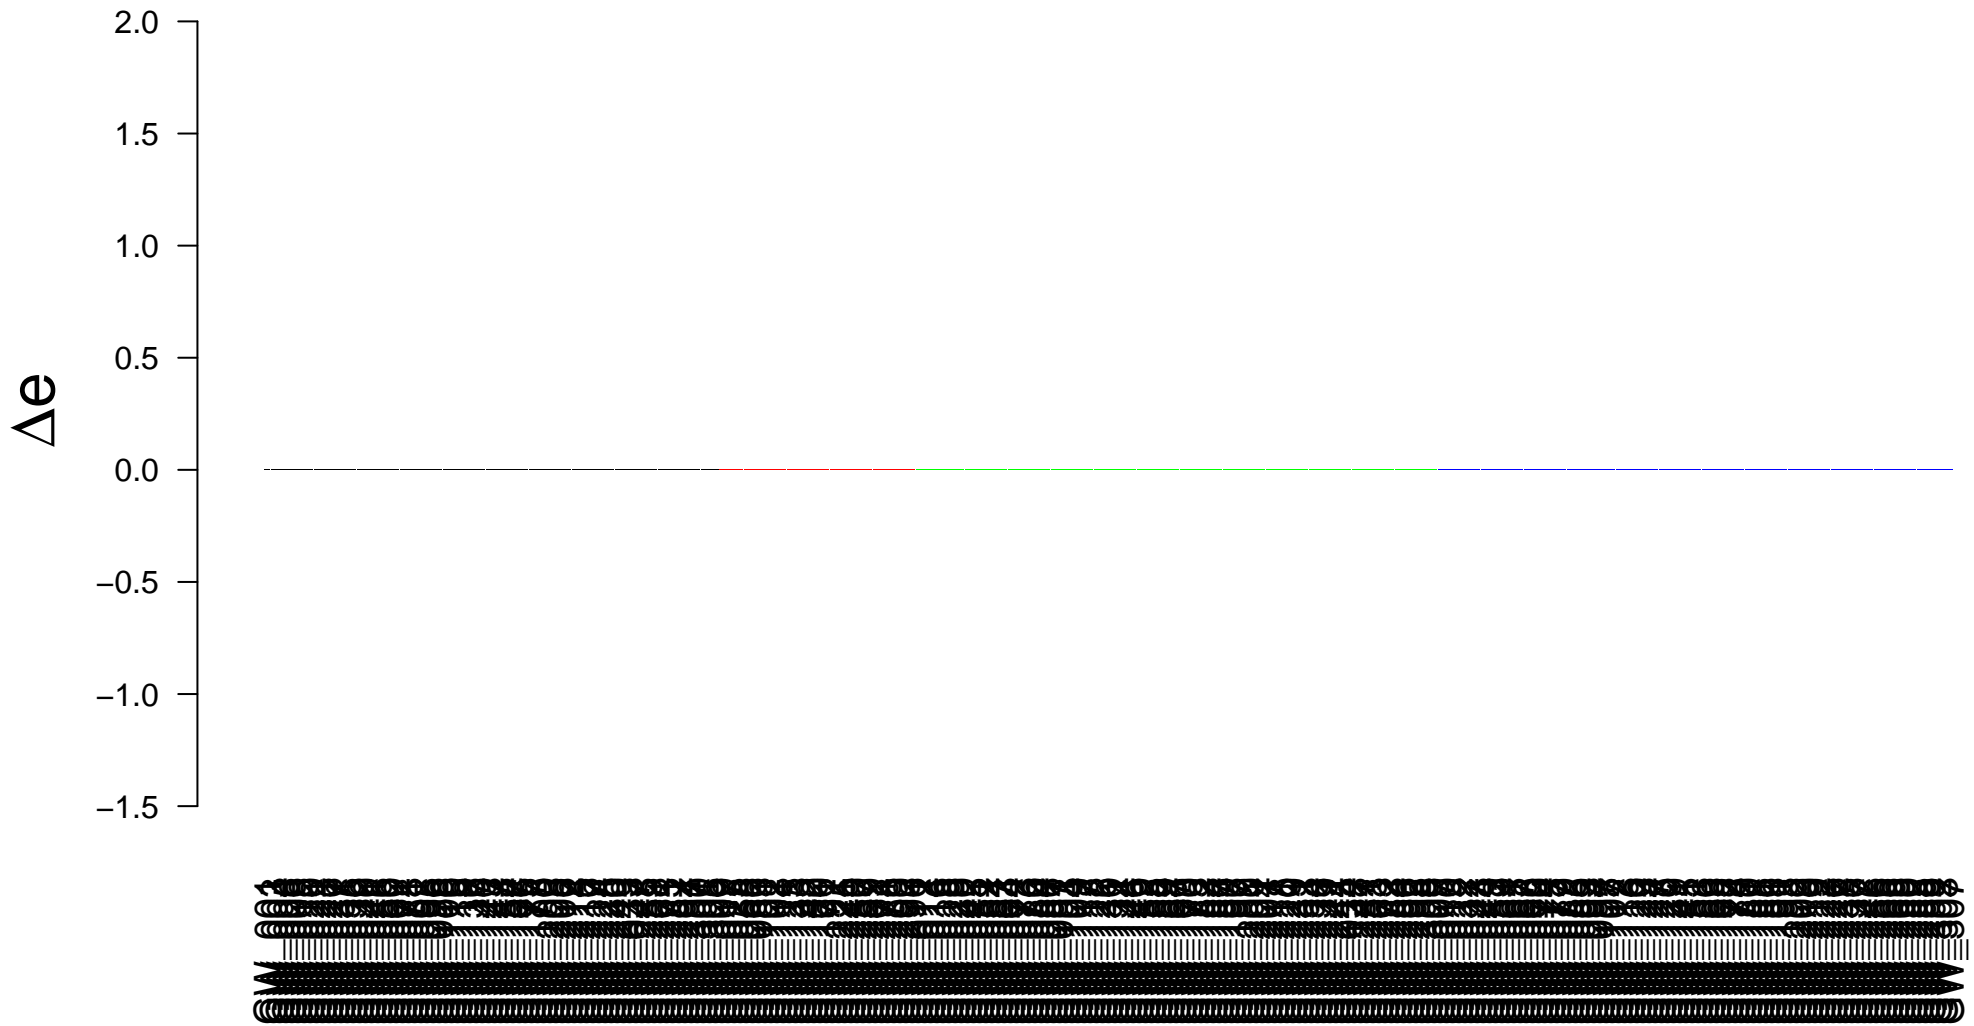

Expression of T cell differentiation in thymus in Spot B

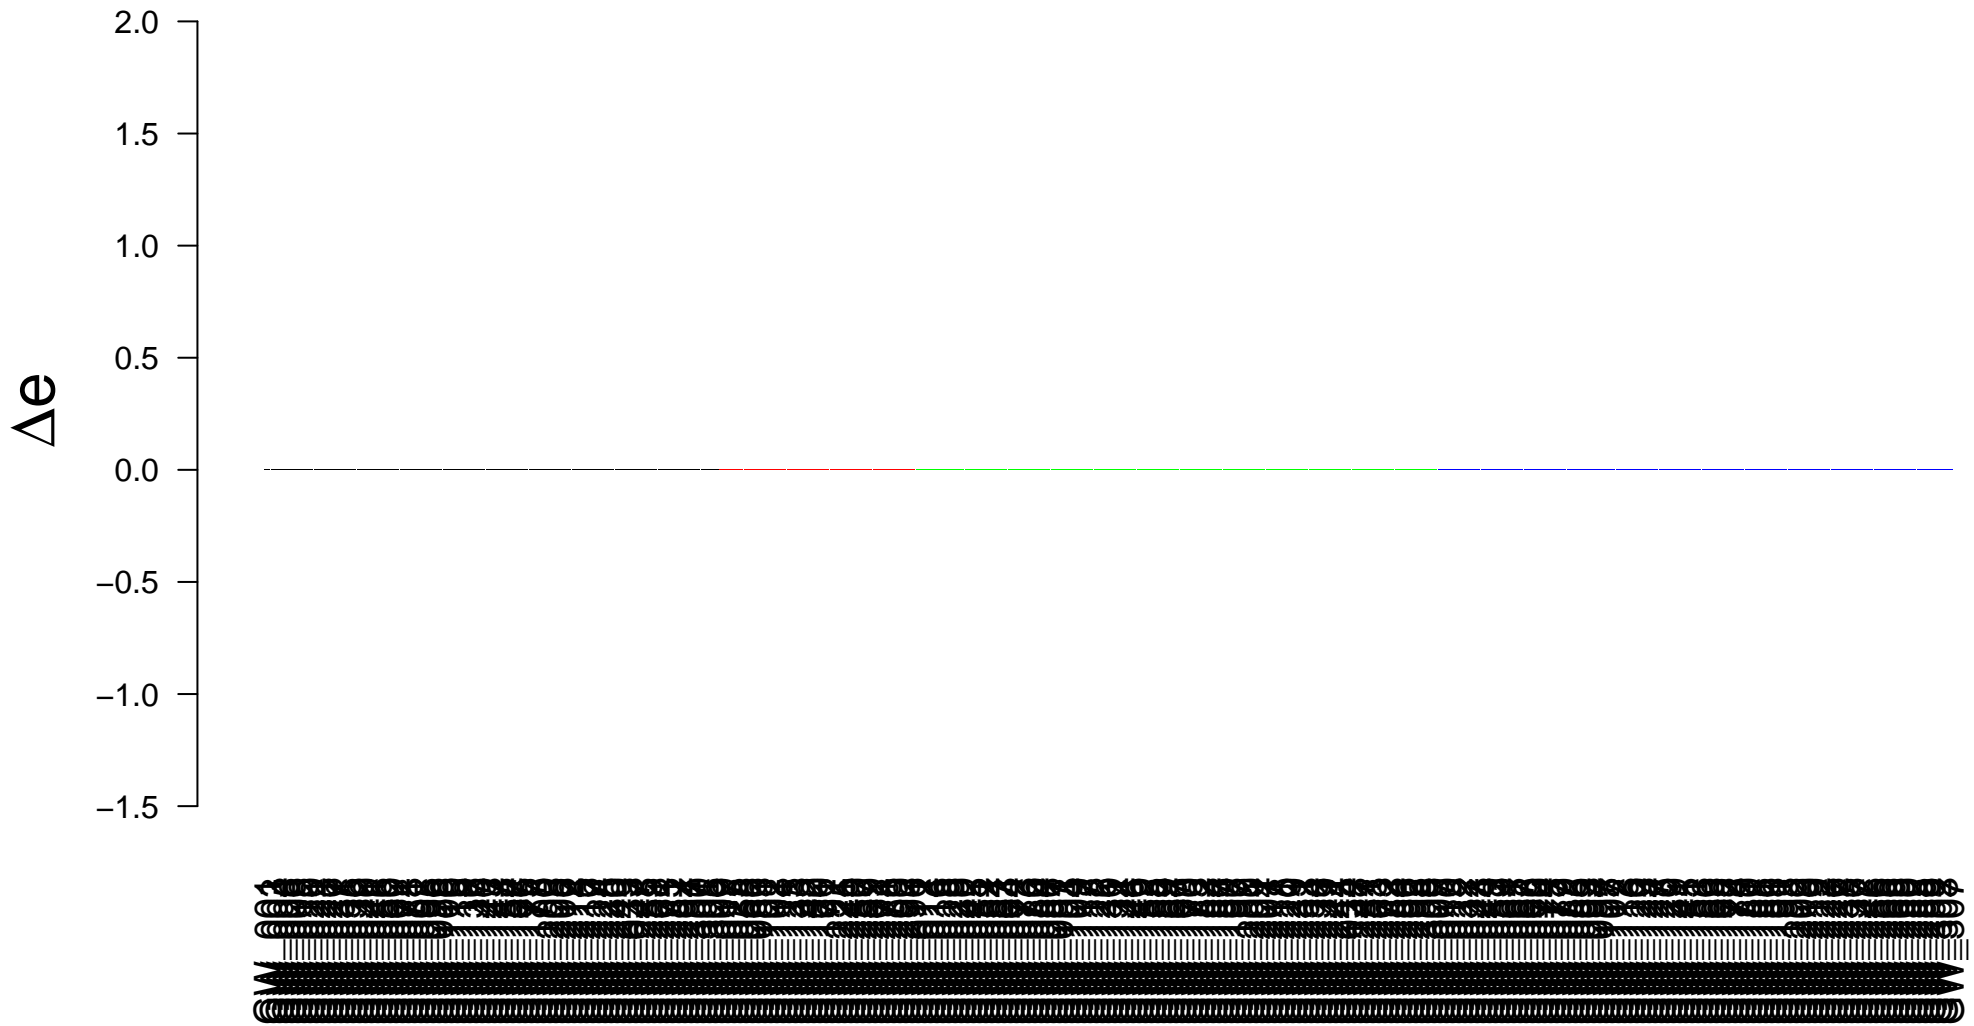

Expression of T cell differentiation in thymus in Spot C

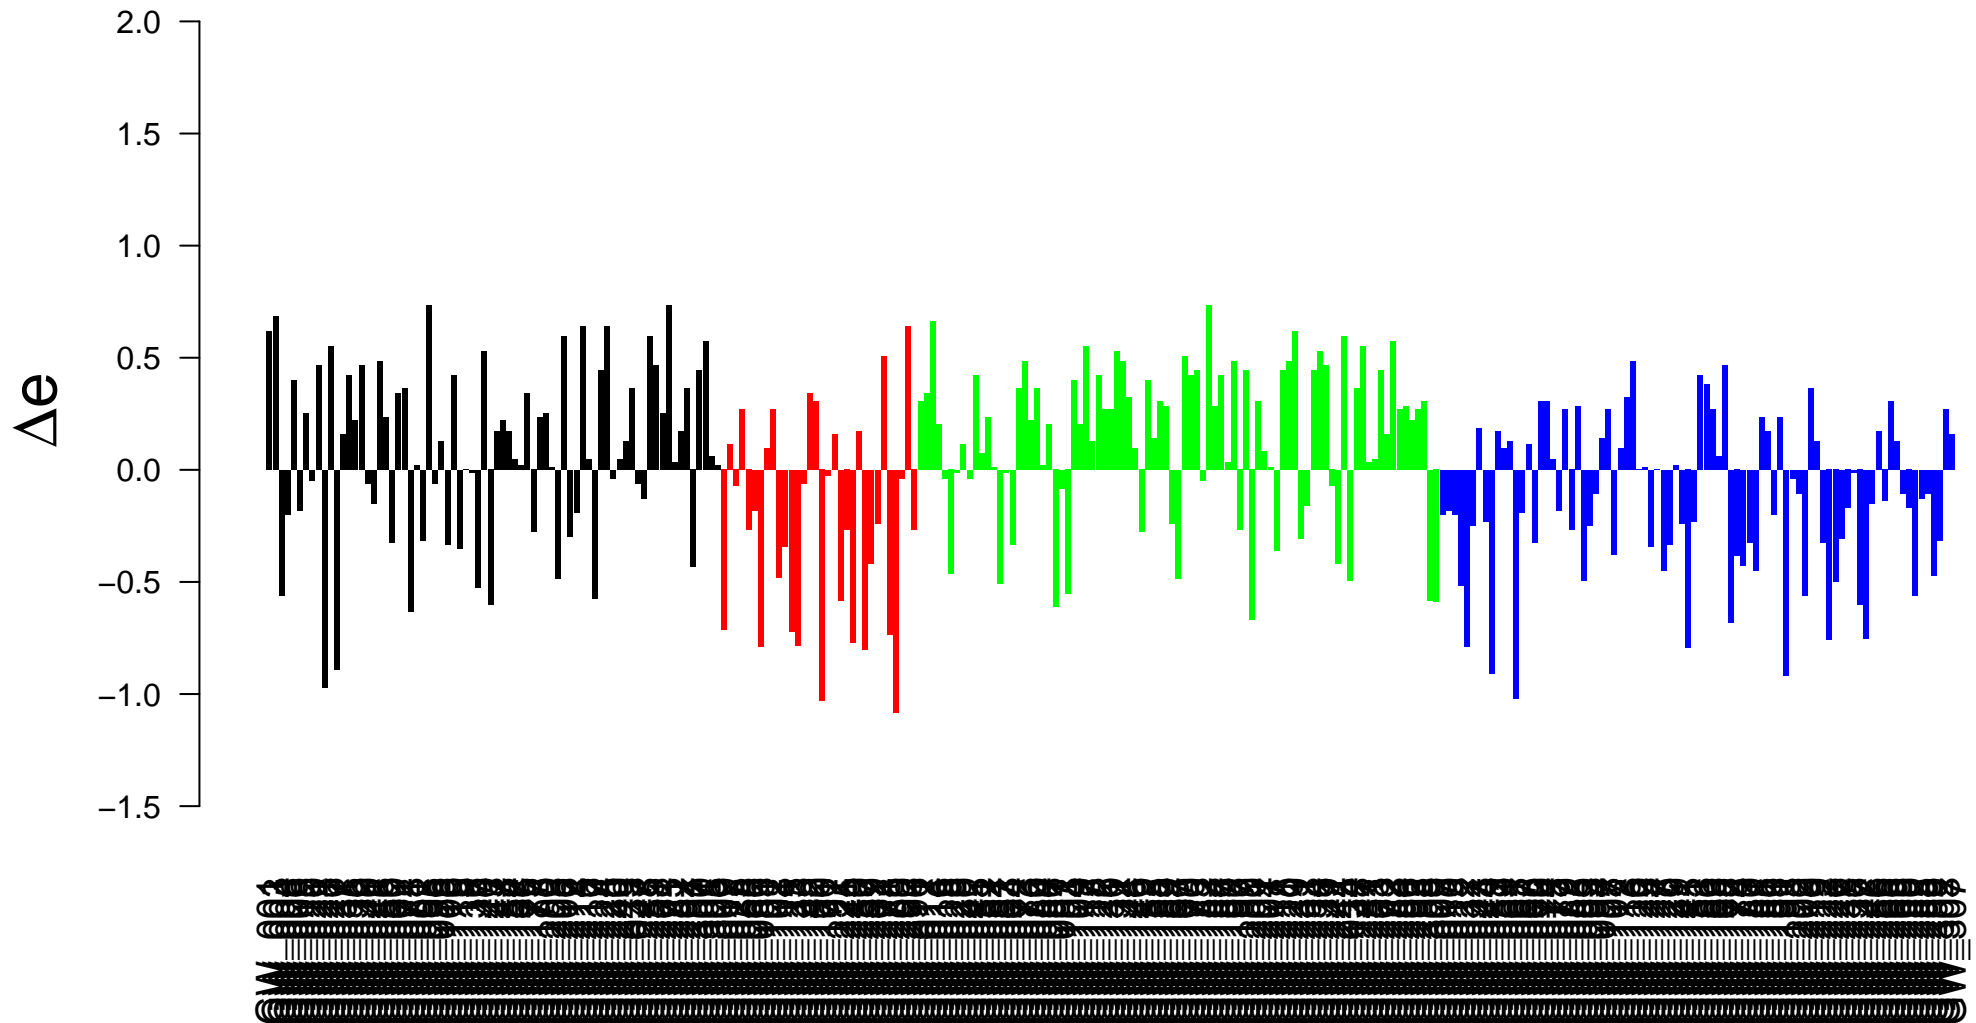

Expression of T cell differentiation in thymus in Spot D

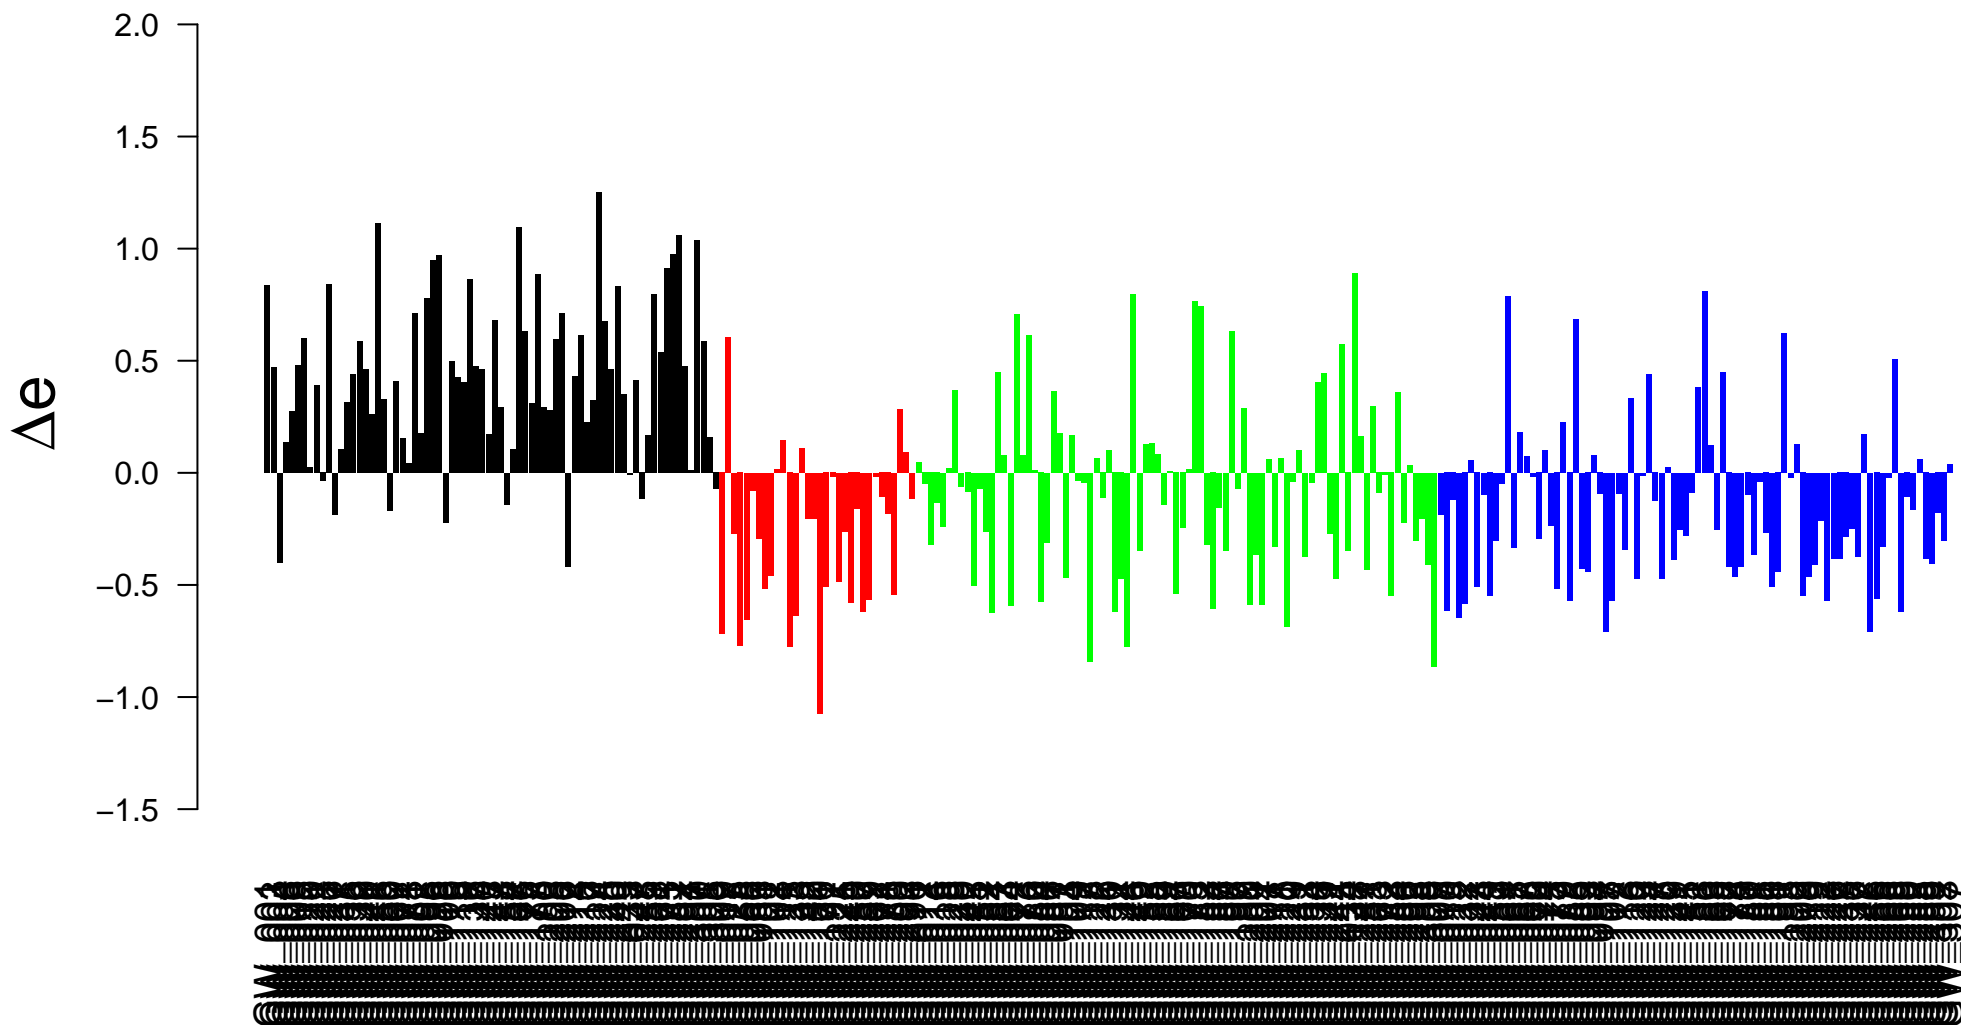

Expression of T cell differentiation in thymus in Spot E

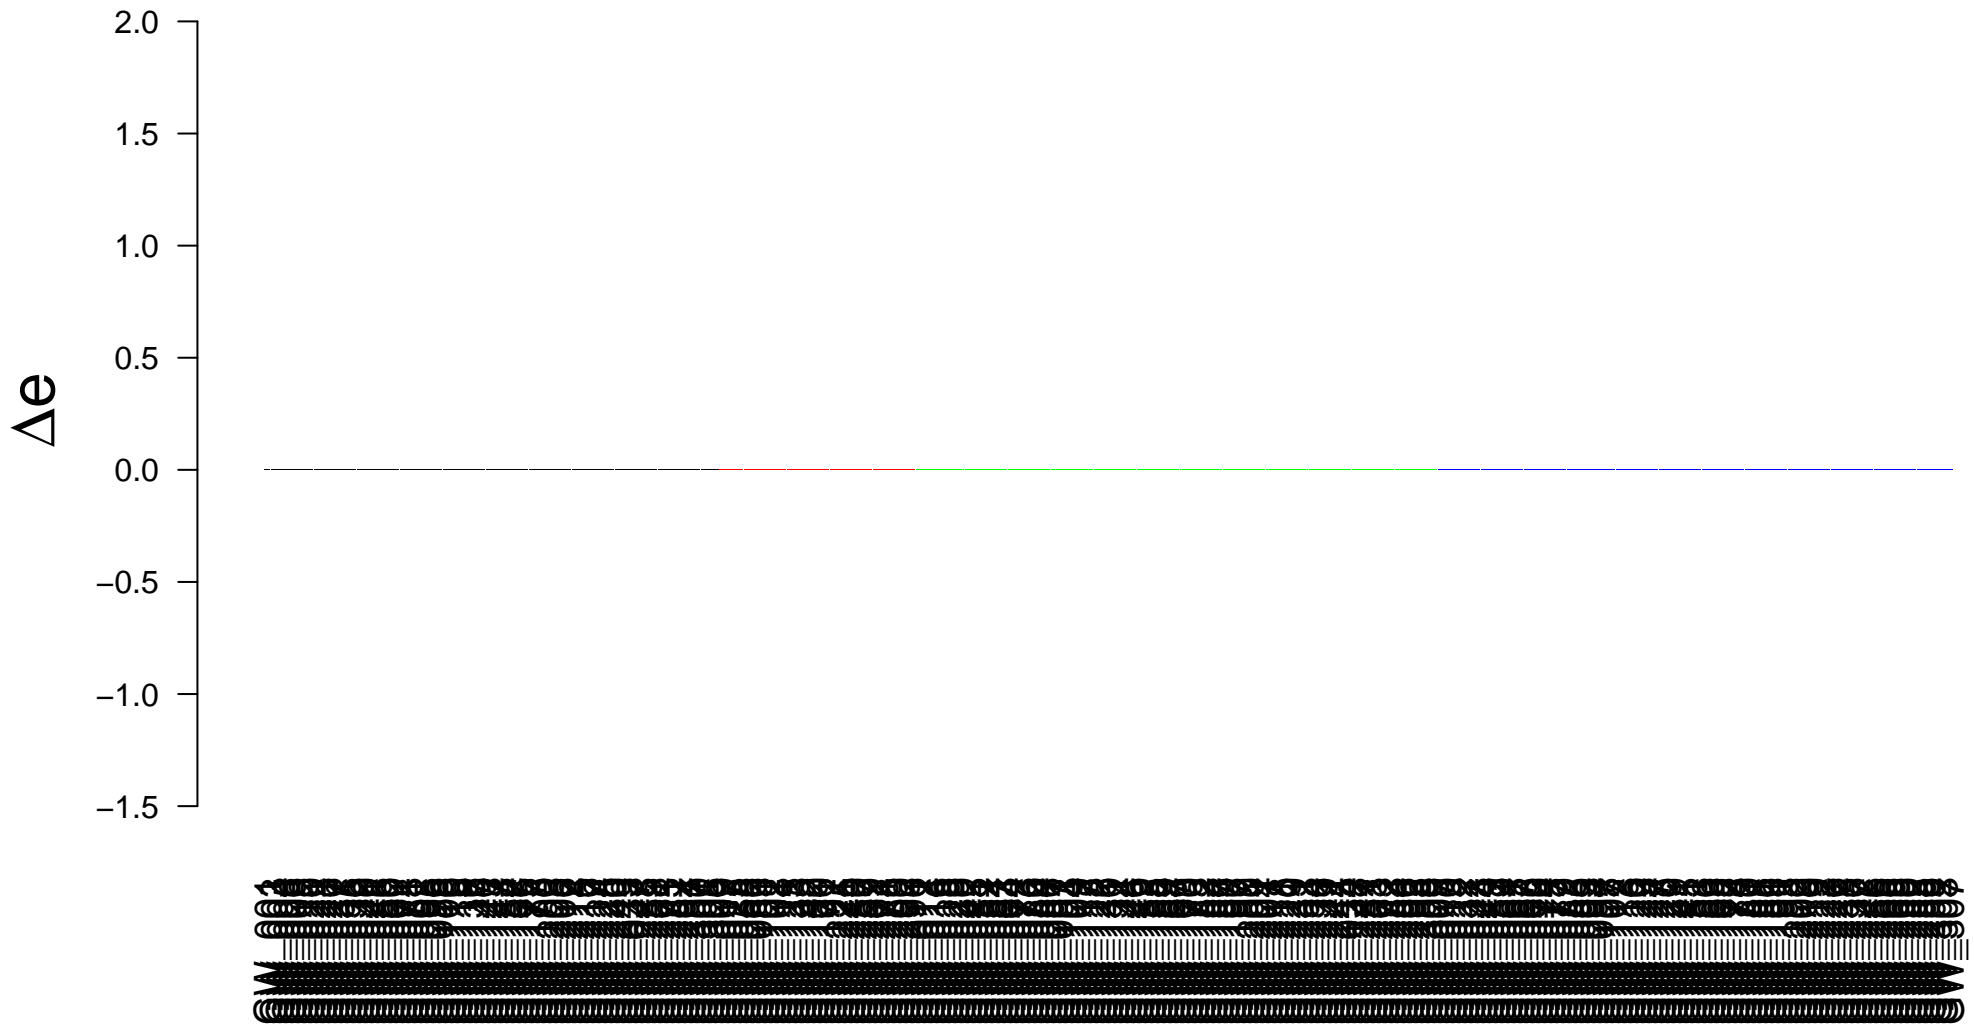

Expression of T cell differentiation in thymus in Spot F

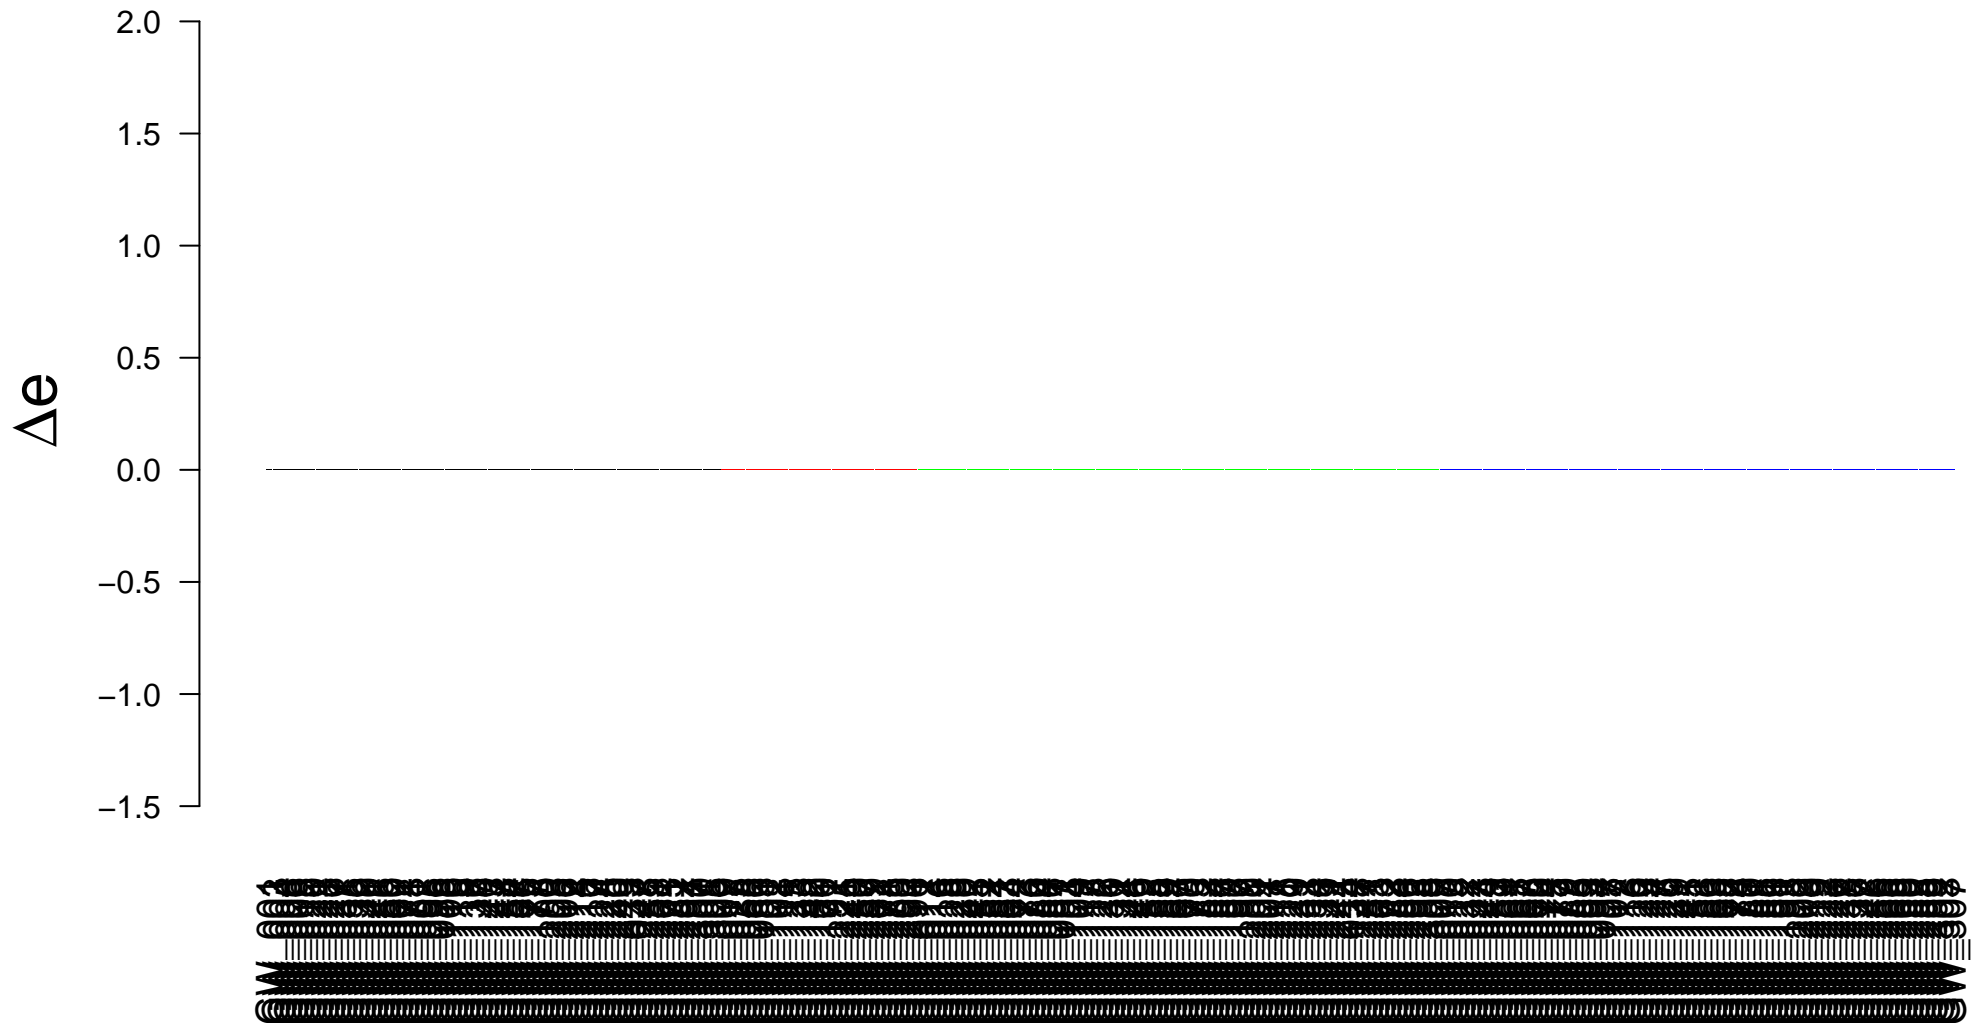

Expression of T cell differentiation in thymus in Spot G

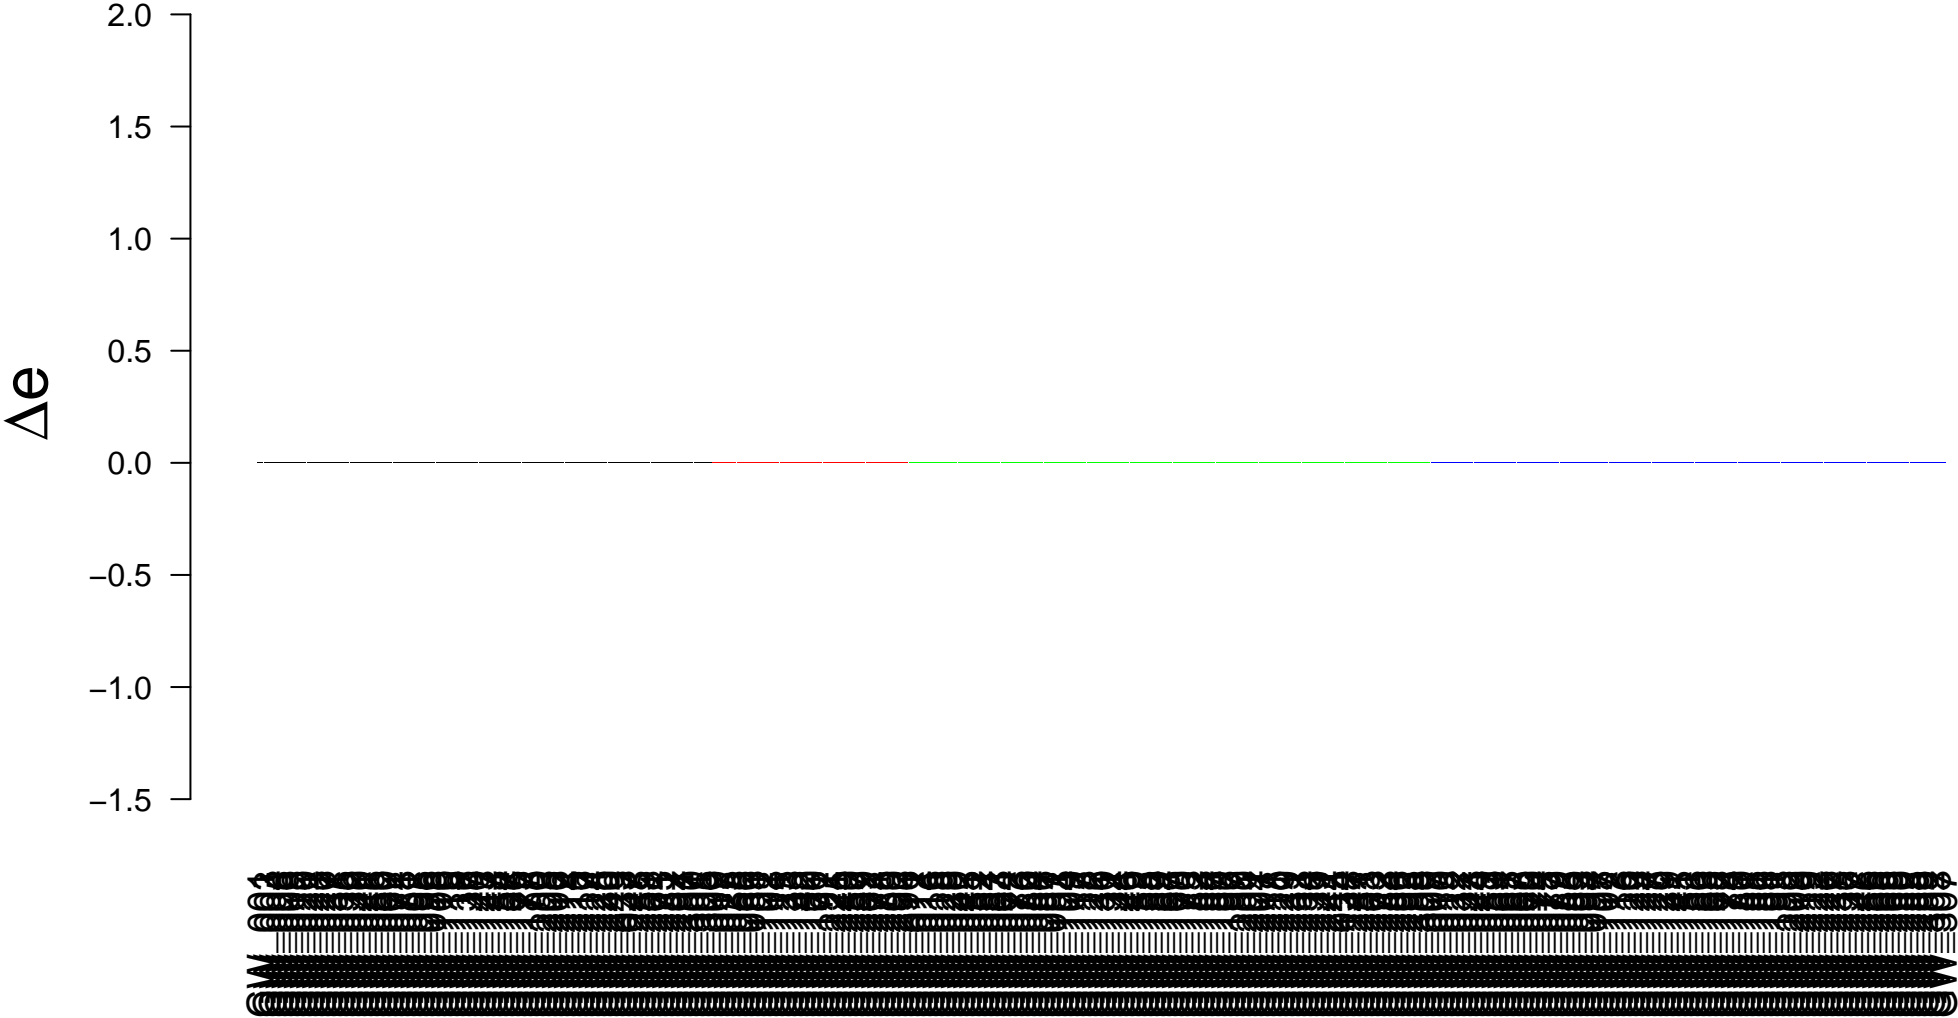

Expression of T cell differentiation in thymus in Spot H

Expression of T cell differentiation in thymus in Spot I

Expression of T cell differentiation in thymus in Spot J

Expression of T cell differentiation in thymus in Spot K
