

U12-type spliceosomal complex

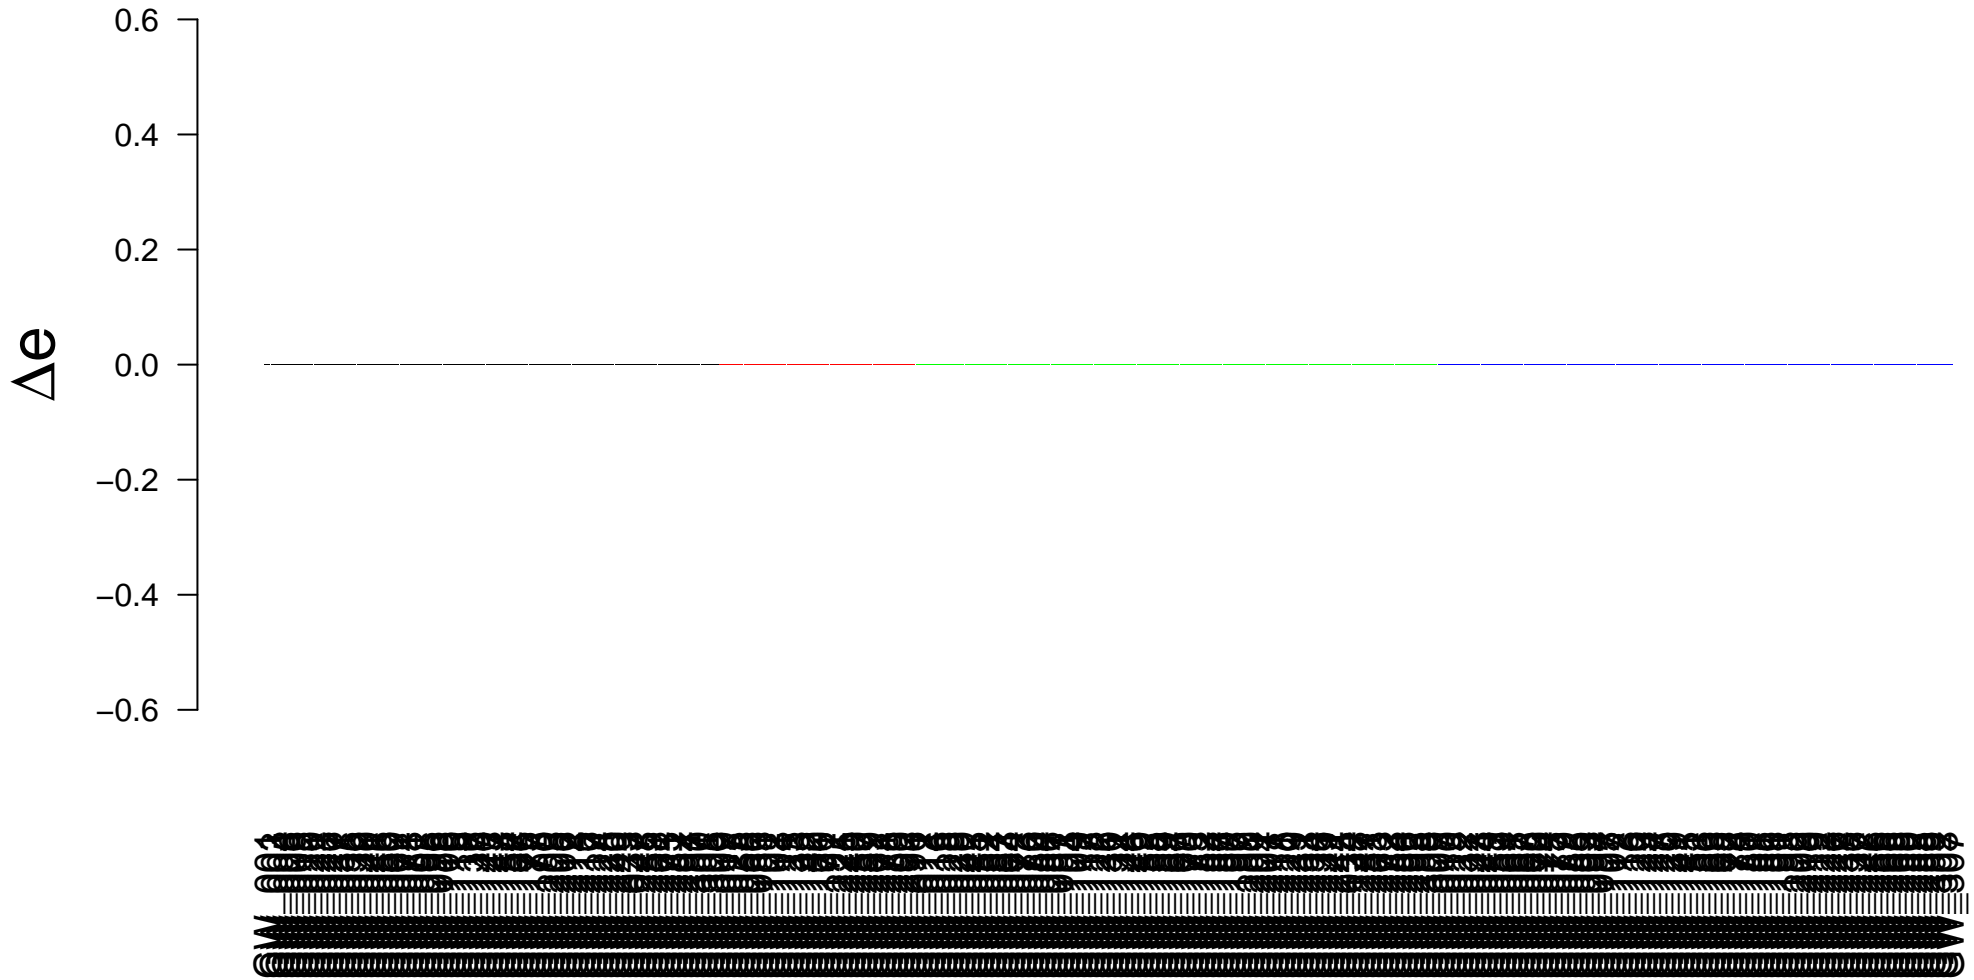

U12-type spliceosomal complex

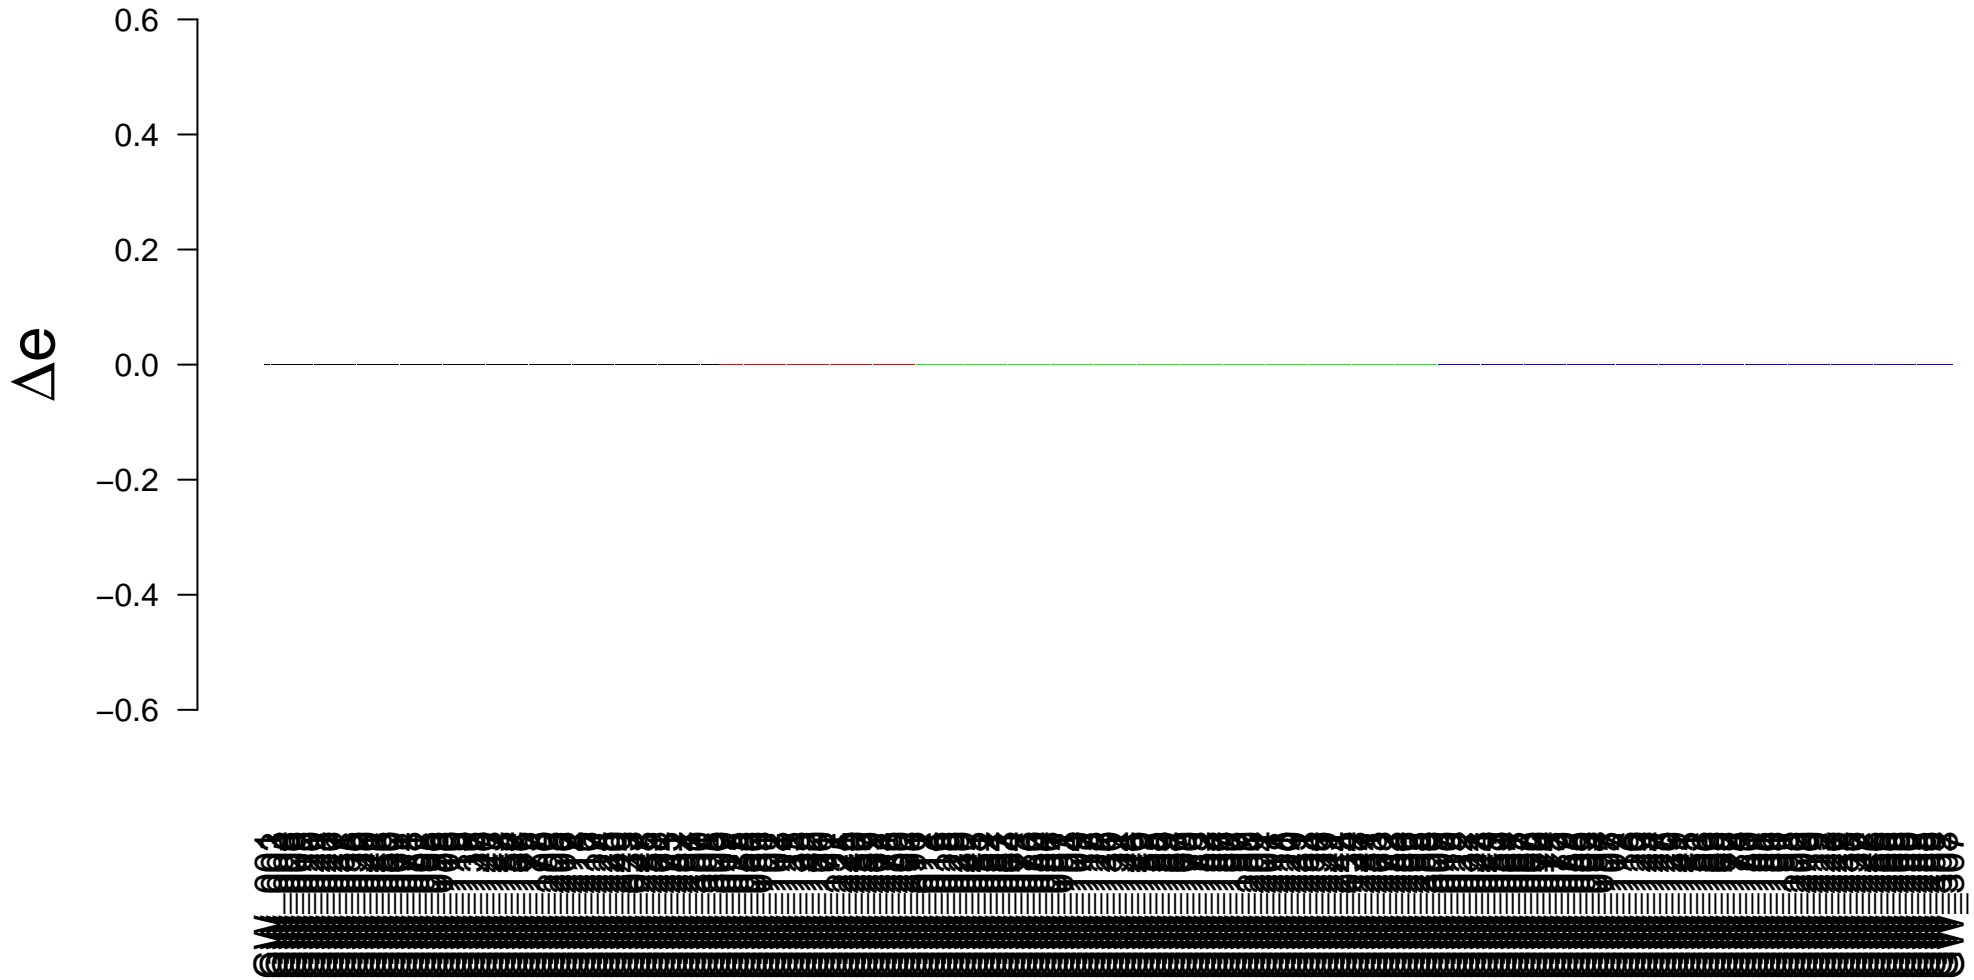

Enrichment in spots: U12-type spliceosomal complex

Expression of U12-type spliceosomal complex in Spot A

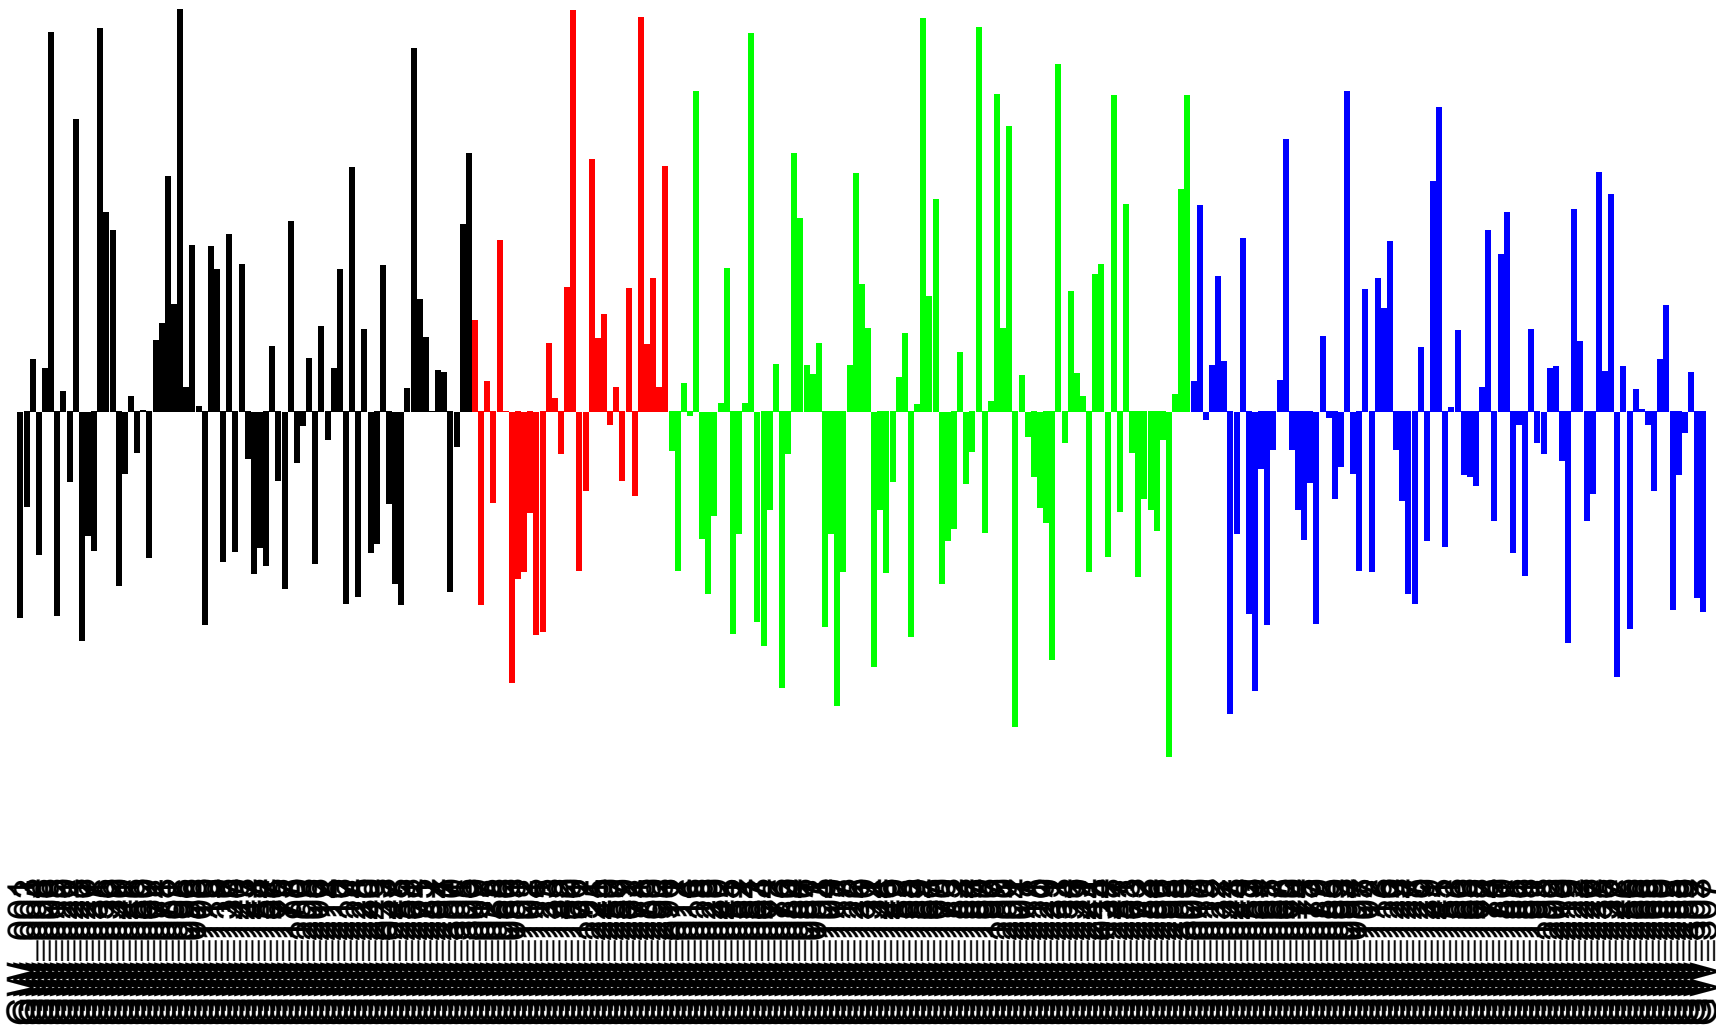

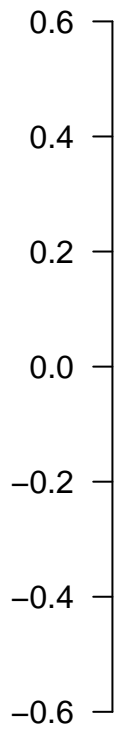

Expression of U12-type spliceosomal complex in Spot B

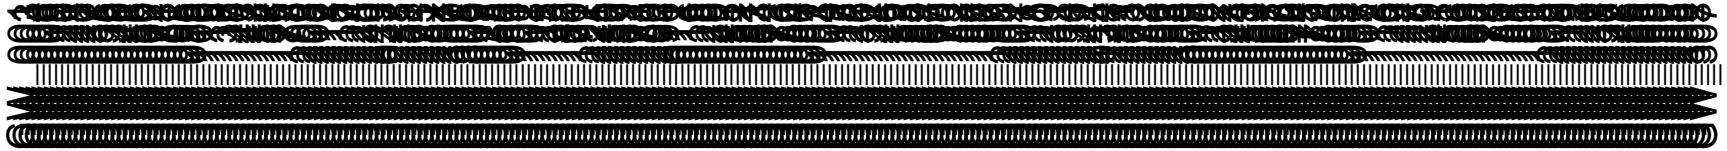

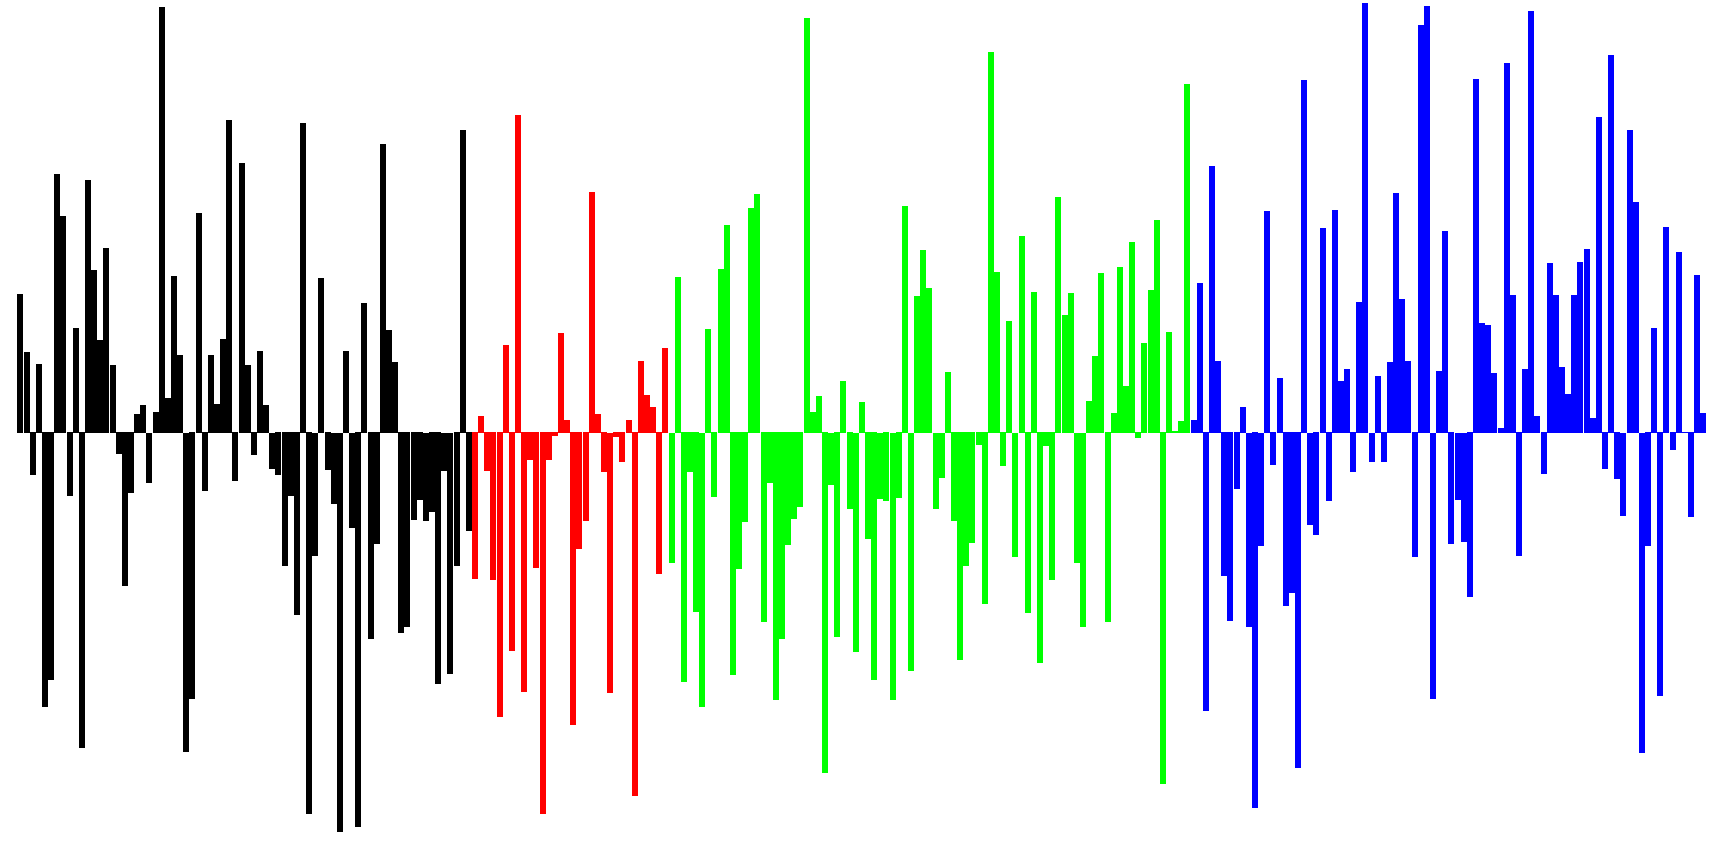

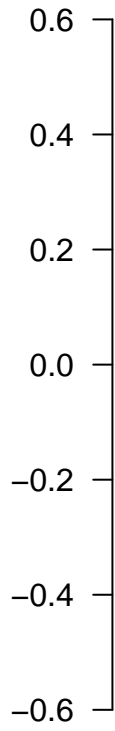

Expression of U12-type spliceosomal complex in Spot C

Δe

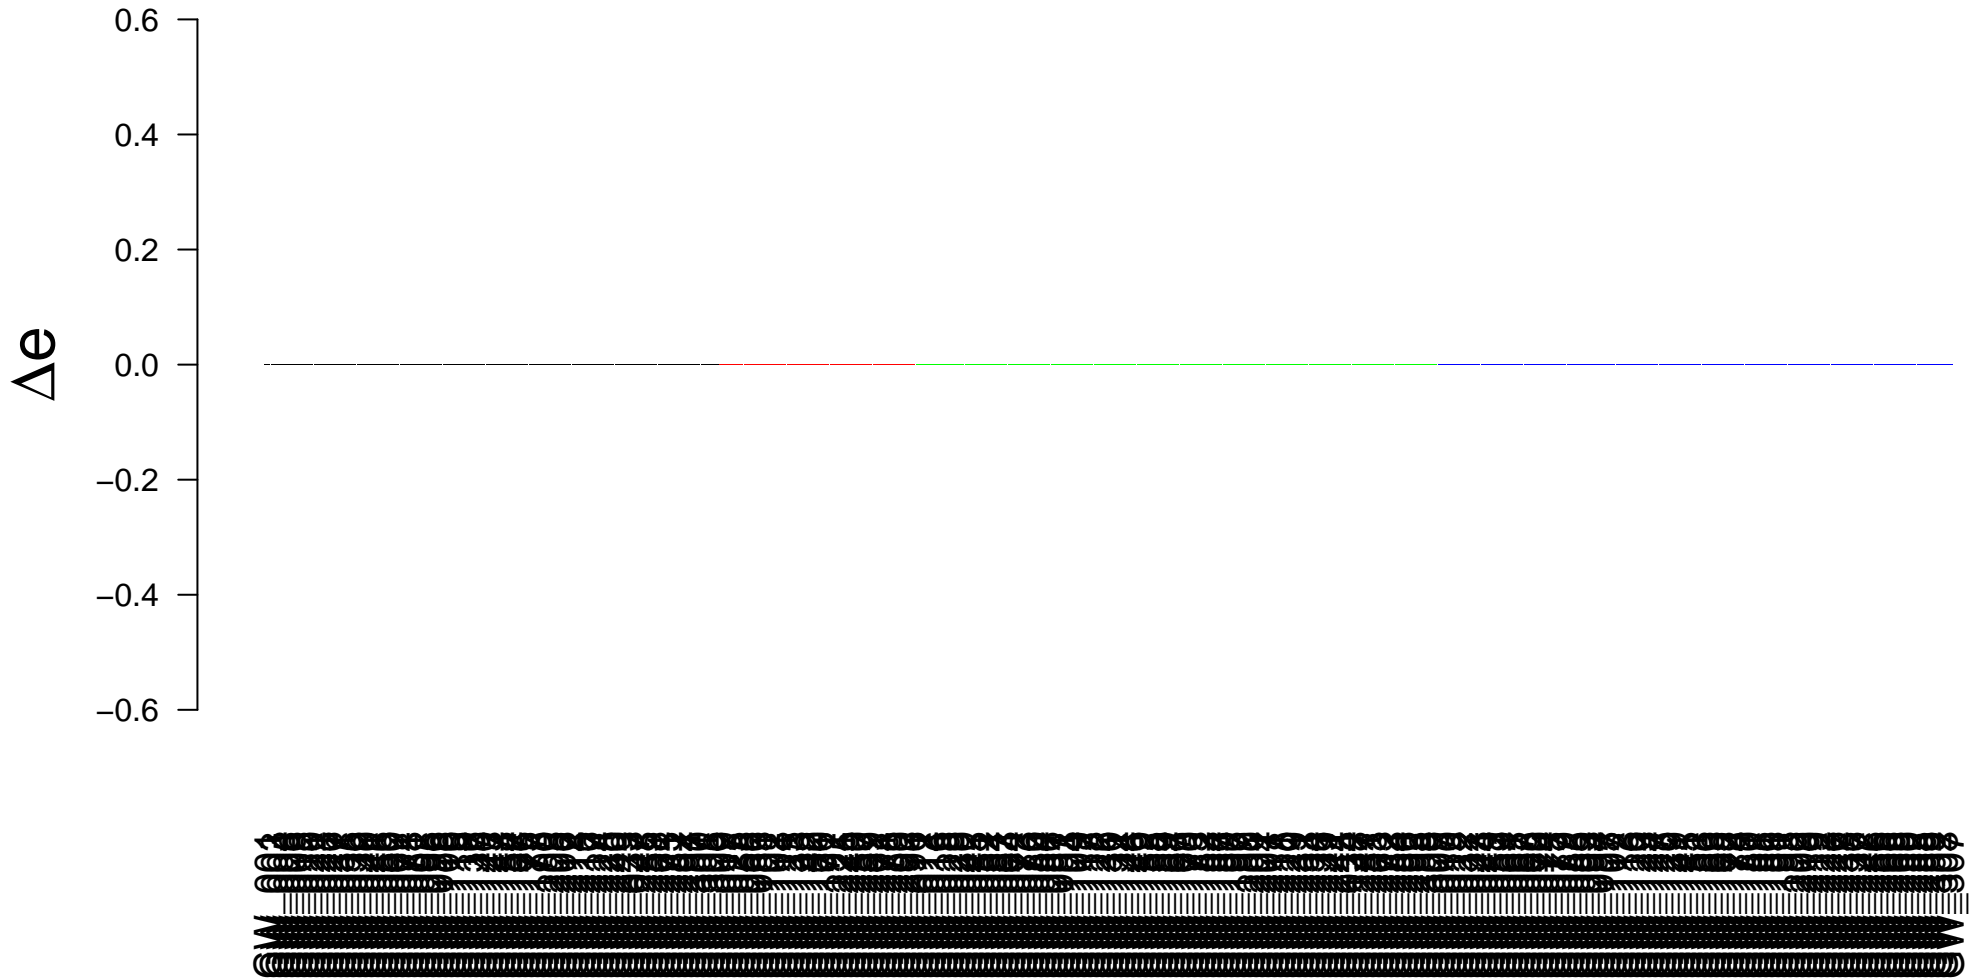

Expression of U12-type spliceosomal complex in Spot D

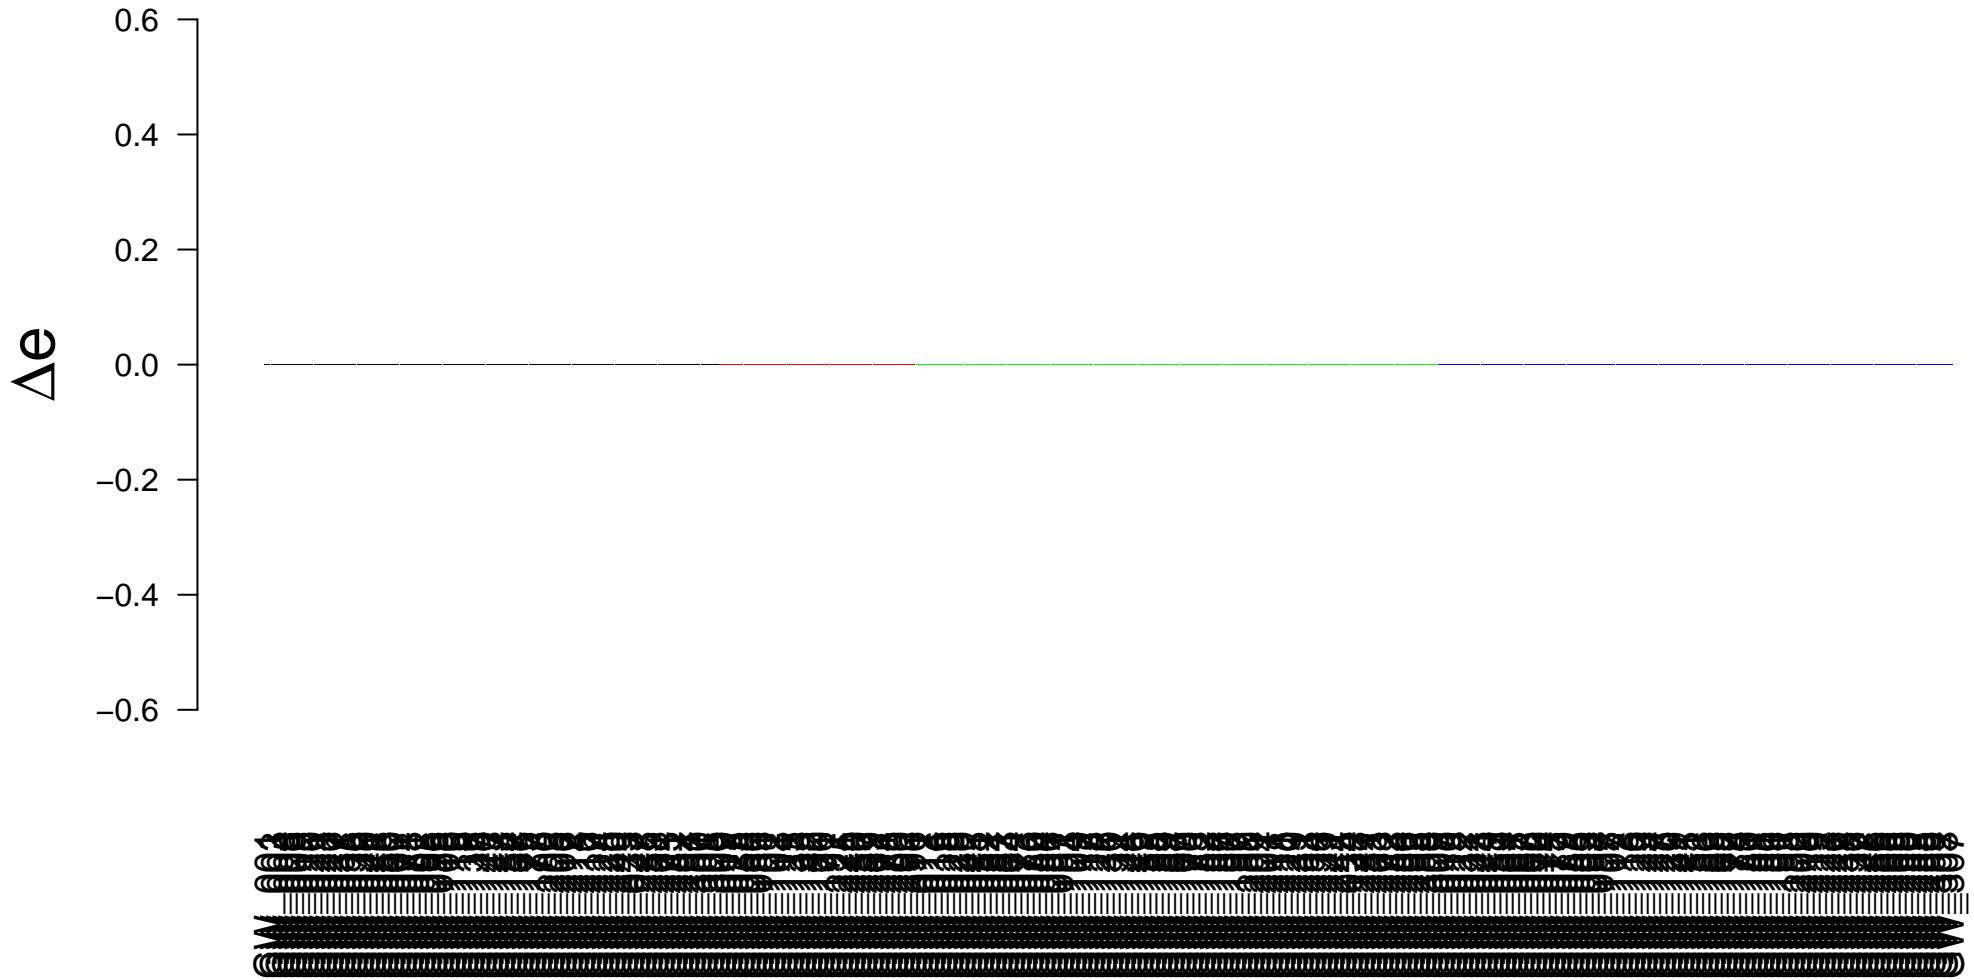

Δe

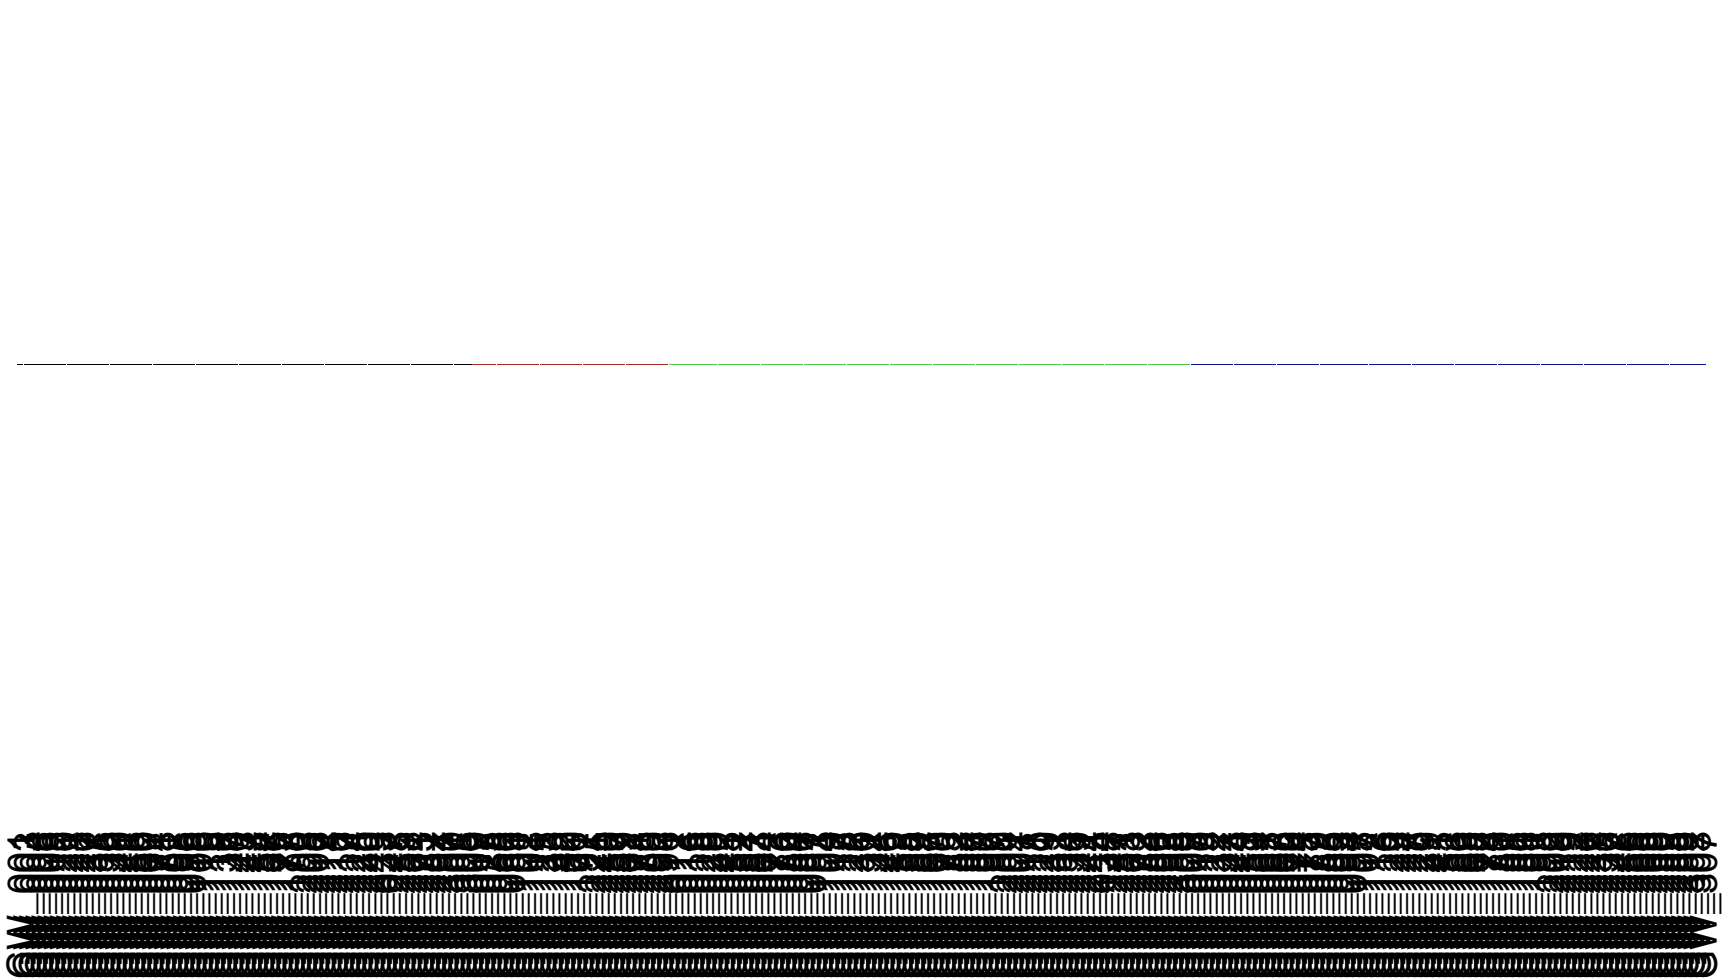

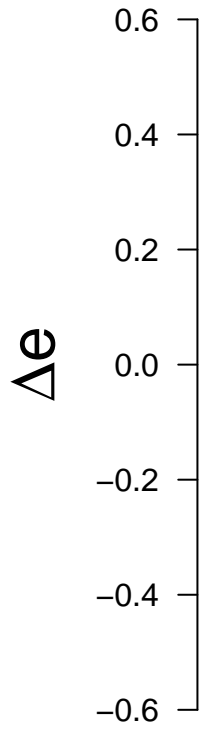

Expression of U12-type spliceosomal complex in Spot E

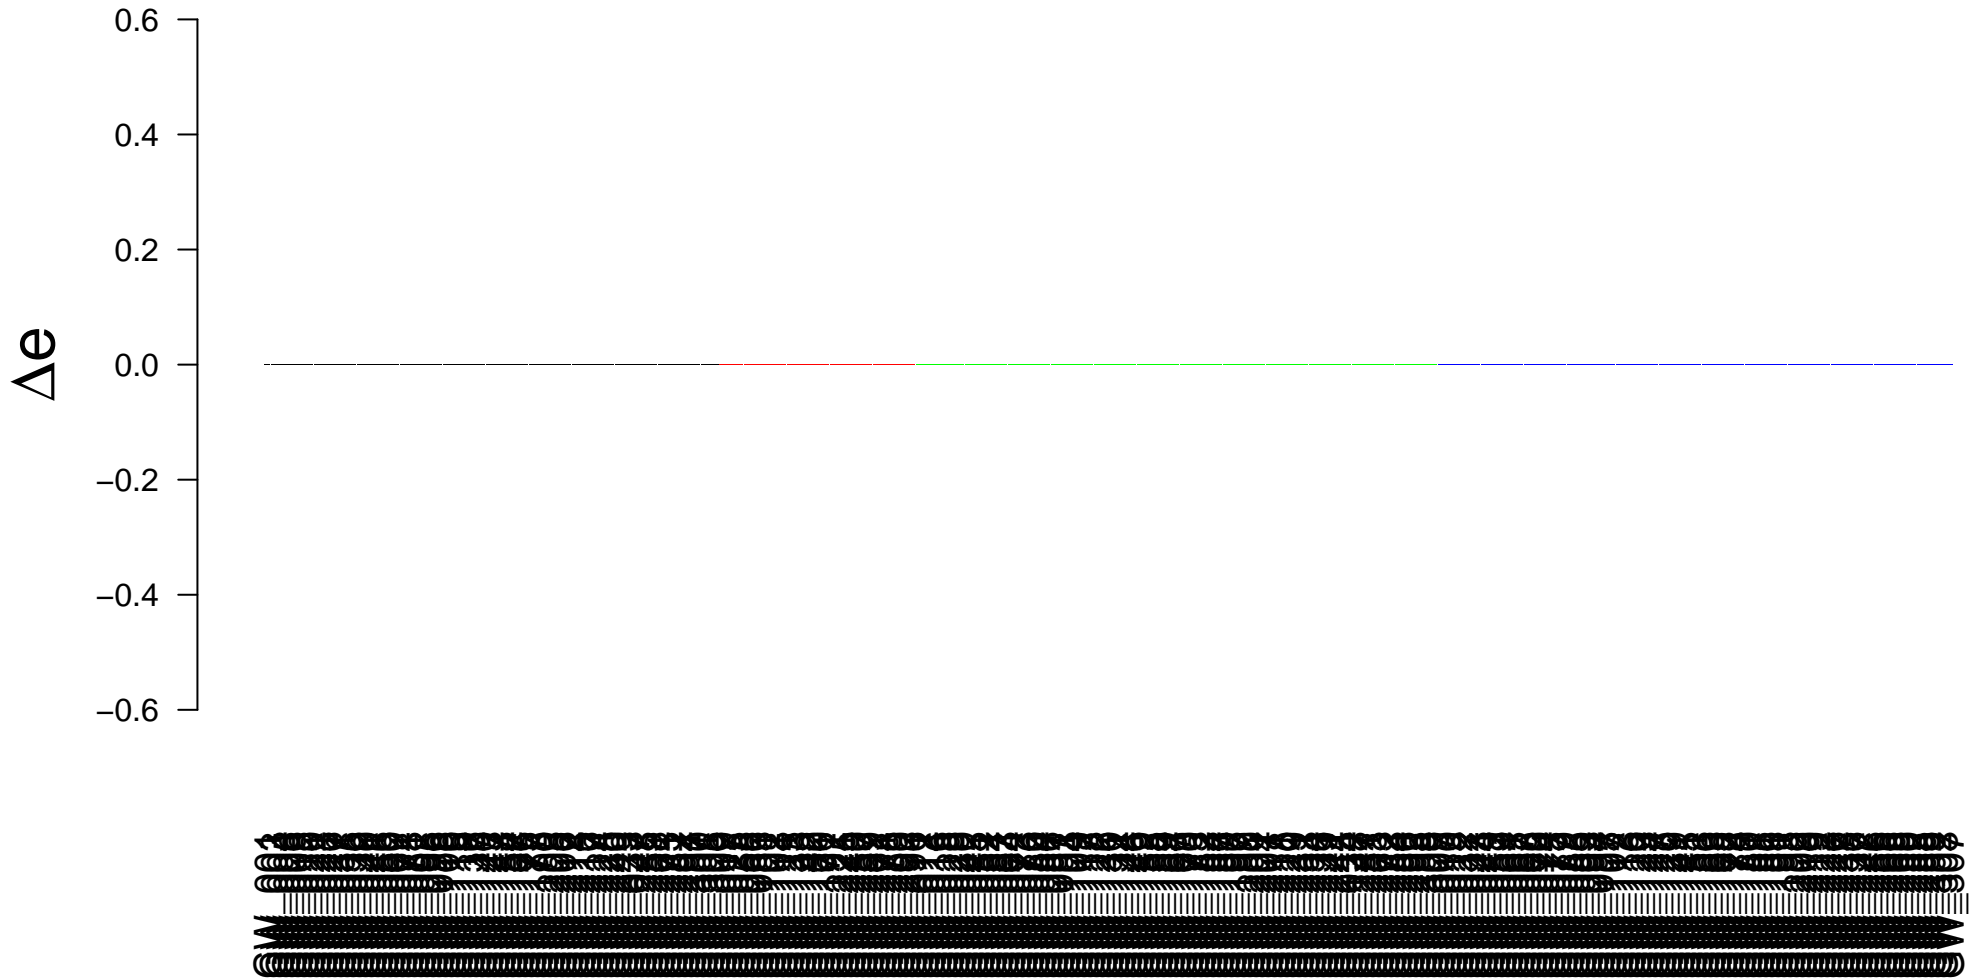

Expression of U12-type spliceosomal complex in Spot F

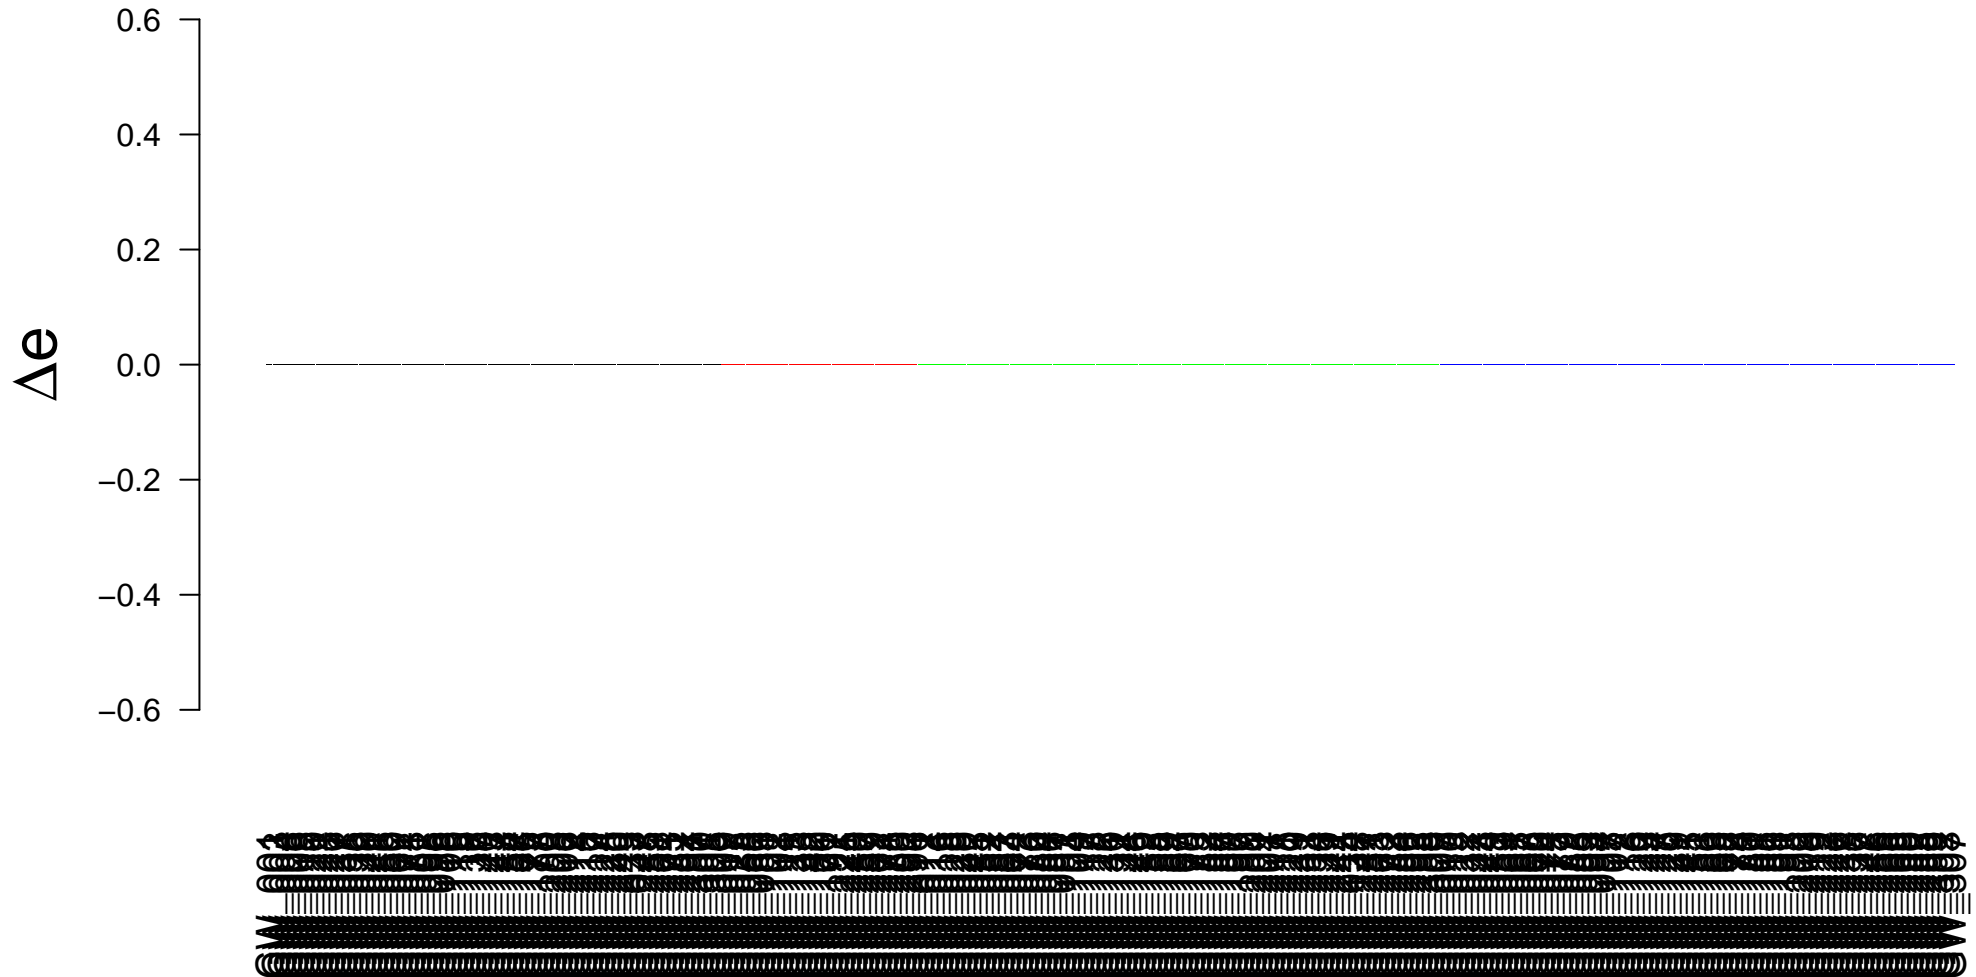

Expression of U12-type spliceosomal complex in Spot G

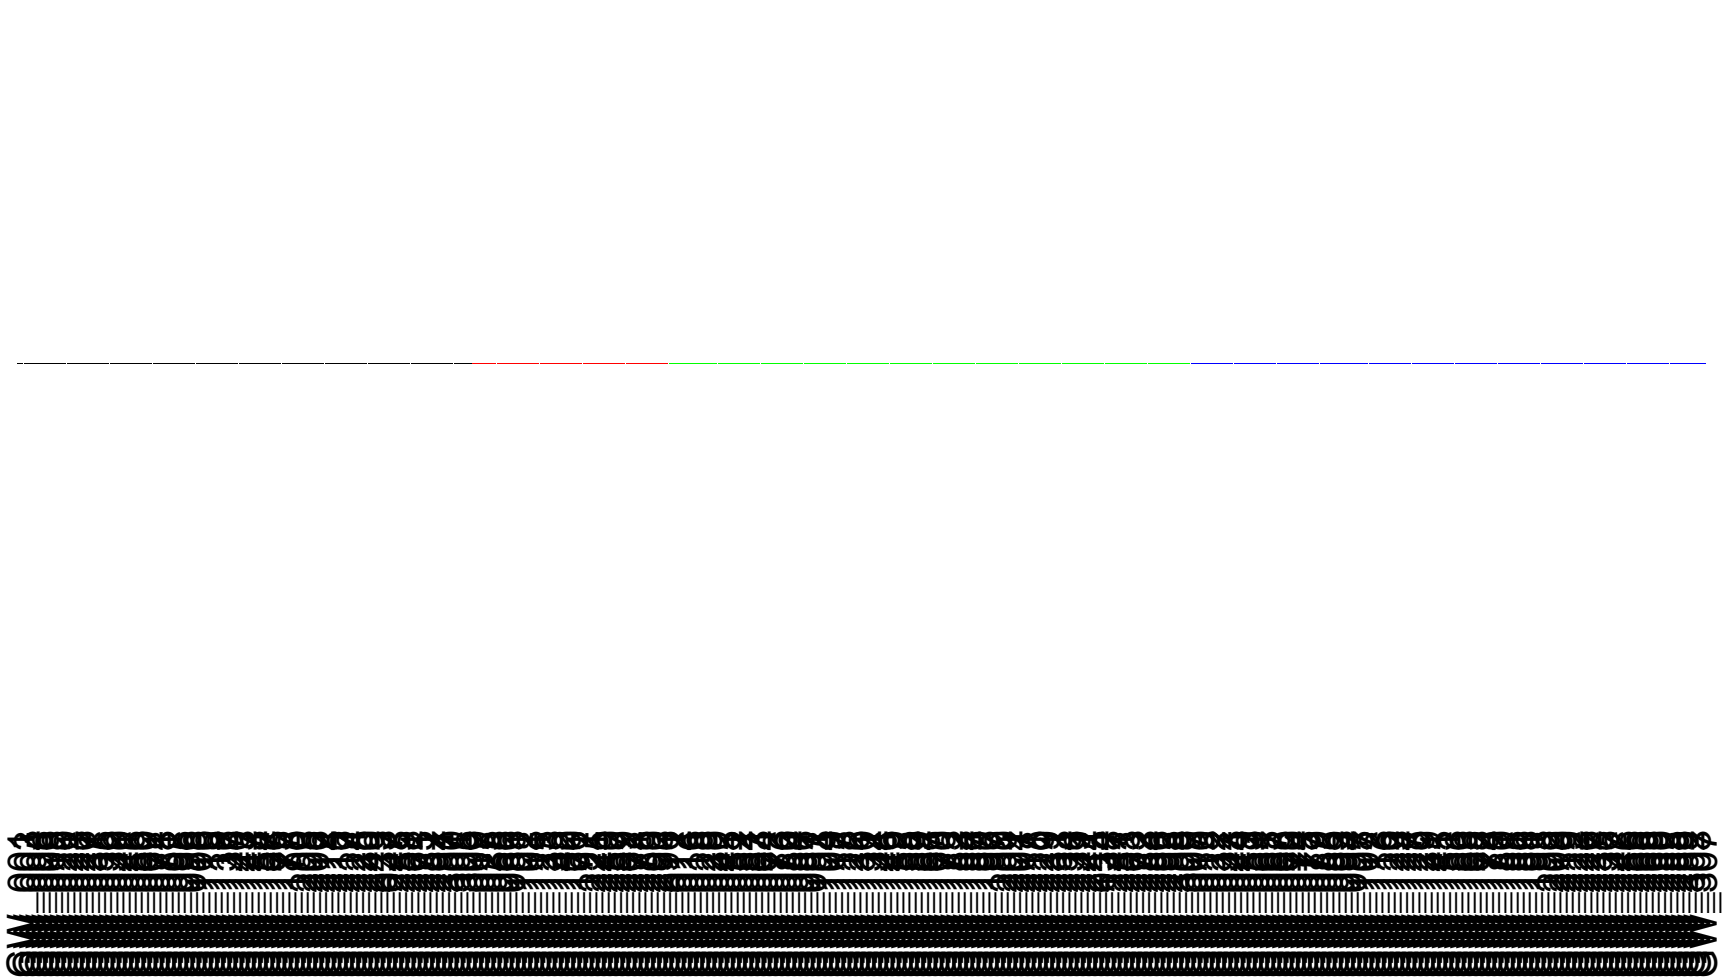

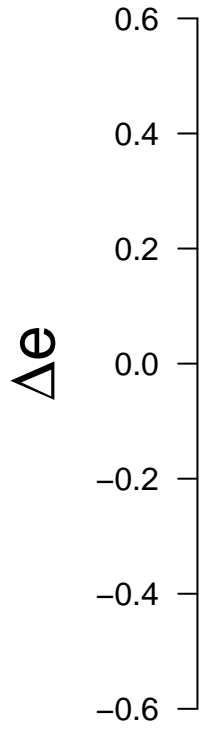

Expression of U12-type spliceosomal complex in Spot H

Expression of U12-type spliceosomal complex in Spot I

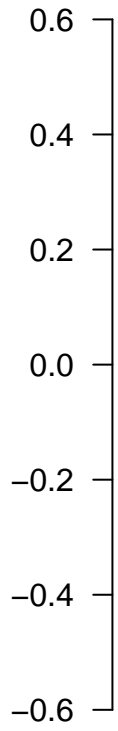

Expression of U12-type spliceosomal complex in Spot J

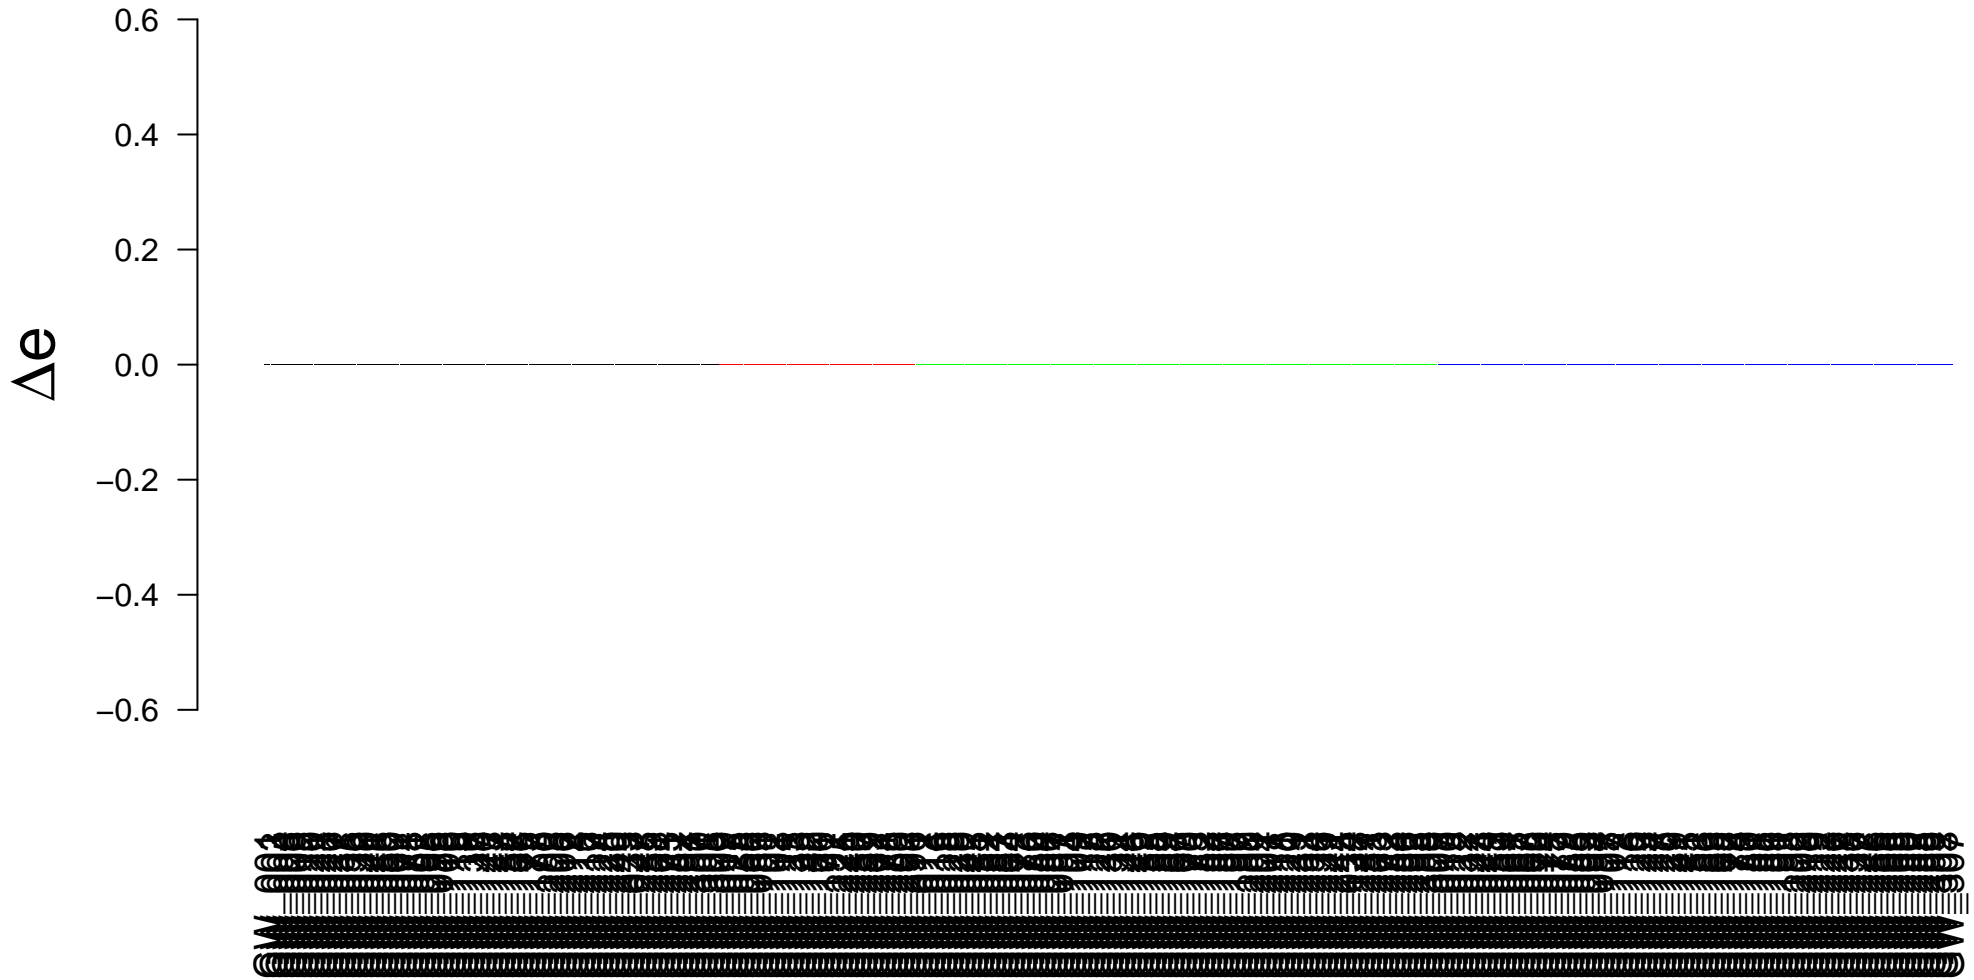

Expression of U12-type spliceosomal complex in Spot K

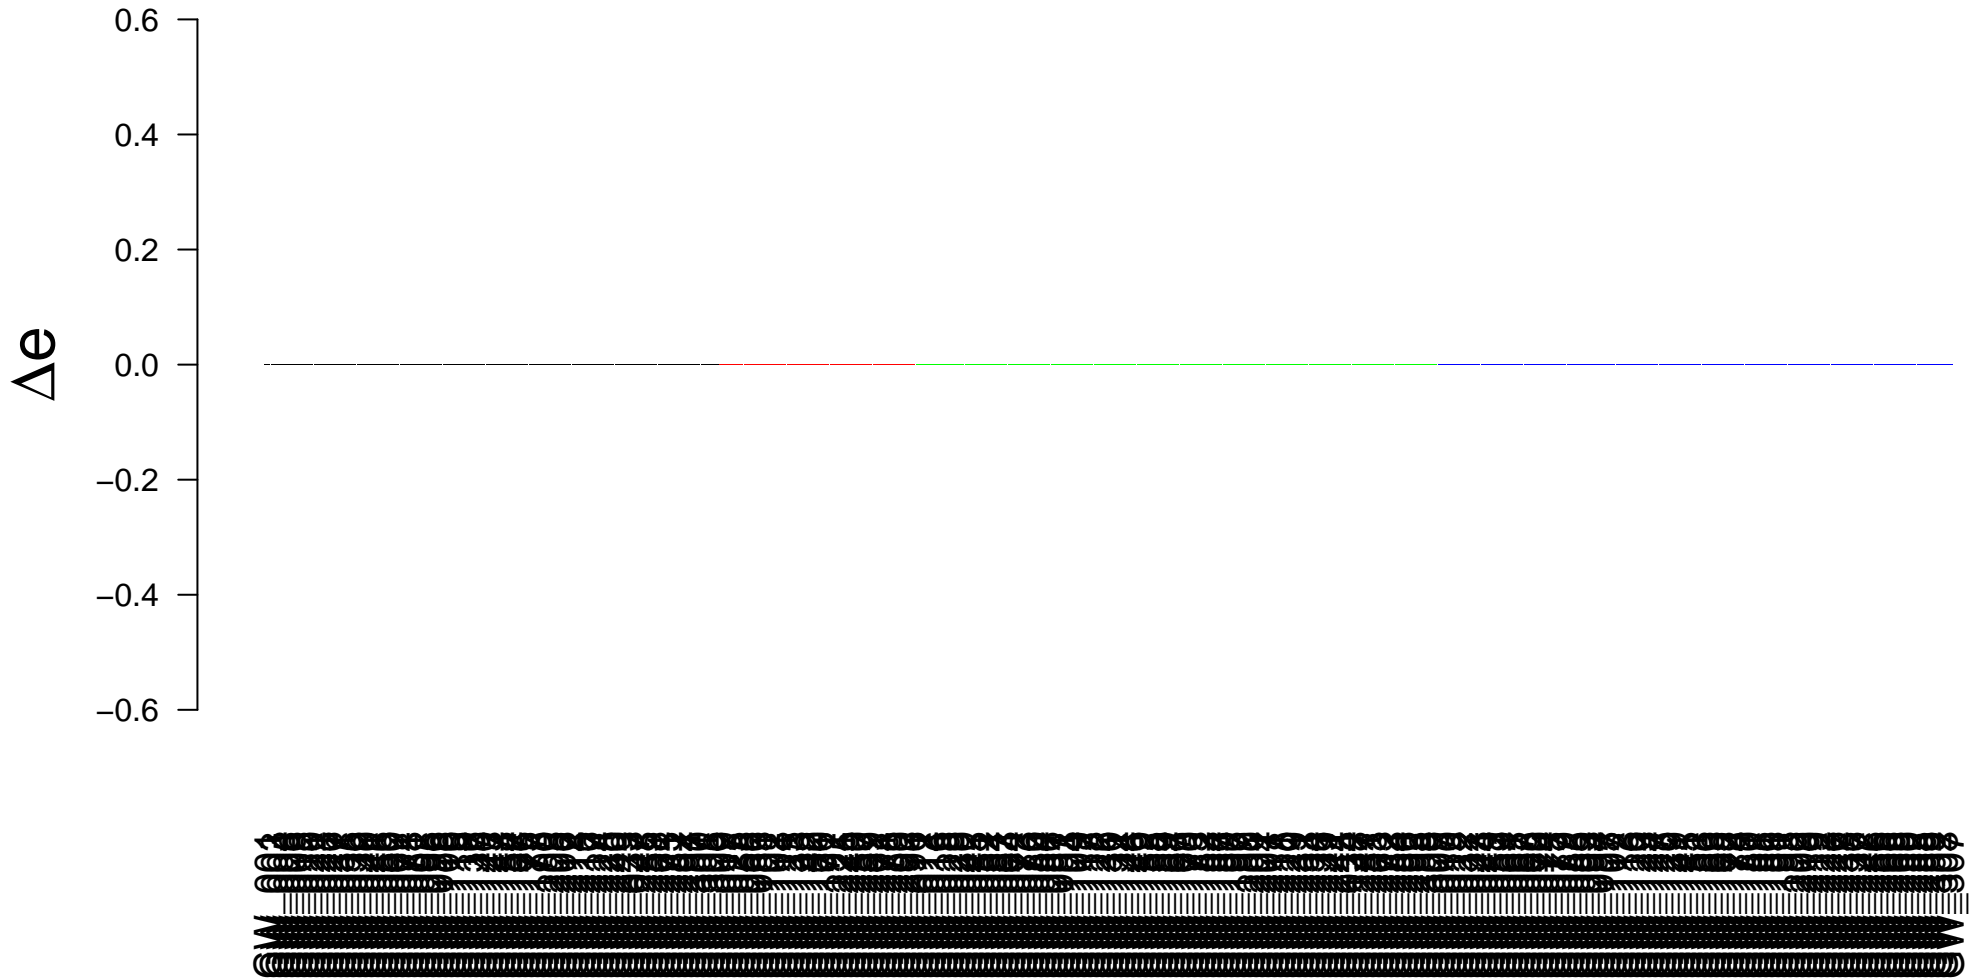

Δe

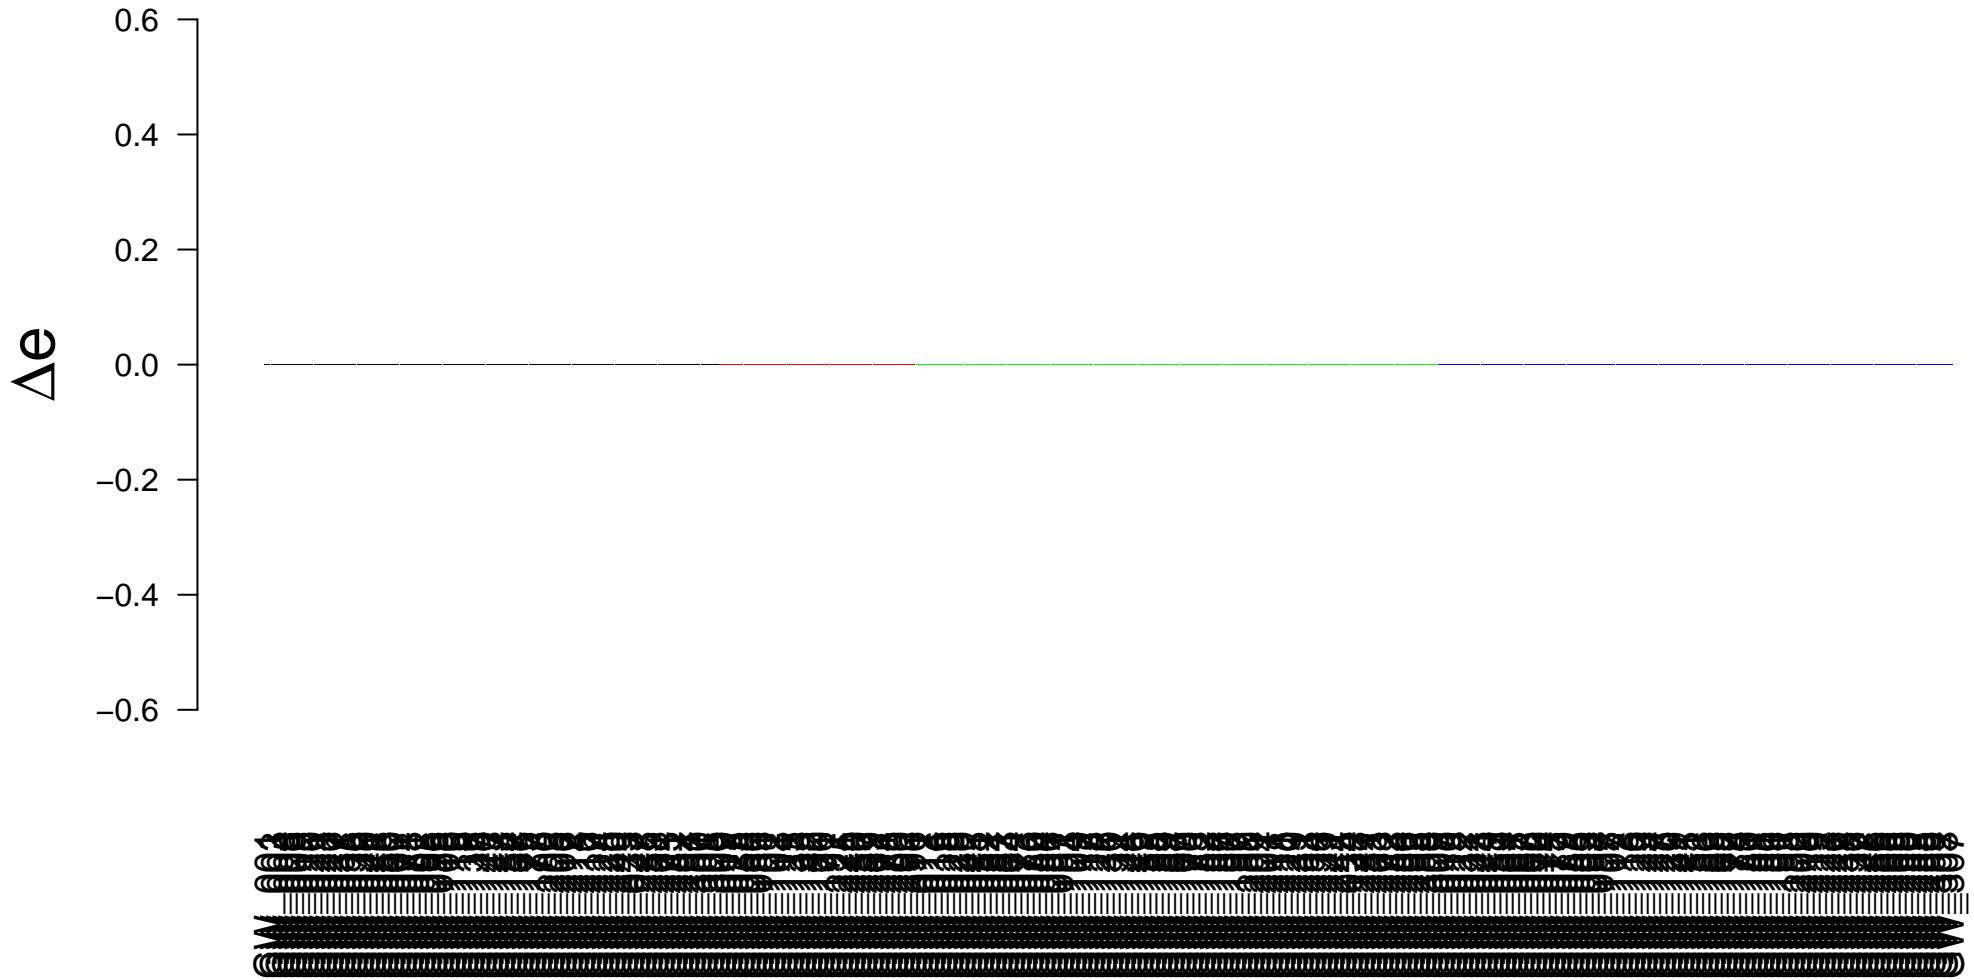

Expression of U12-type spliceosomal complex in Spot L

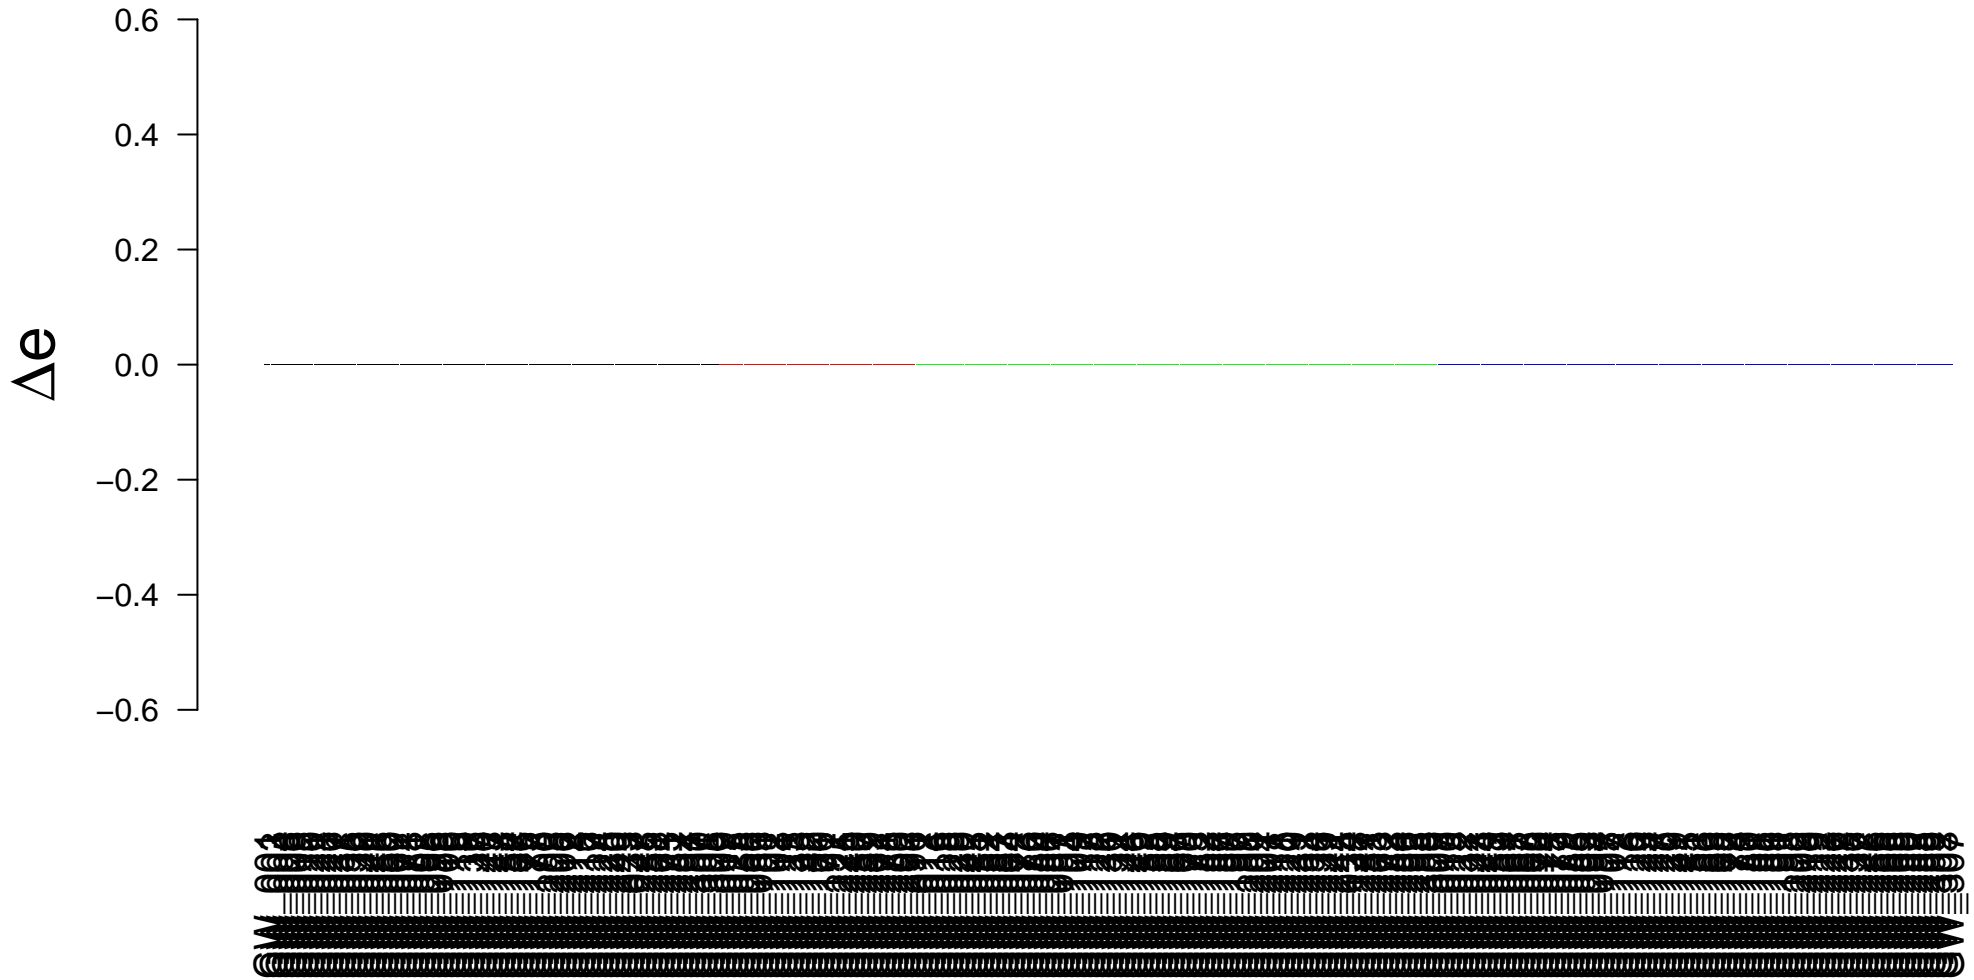

Expression of U12-type spliceosomal complex in Spot M

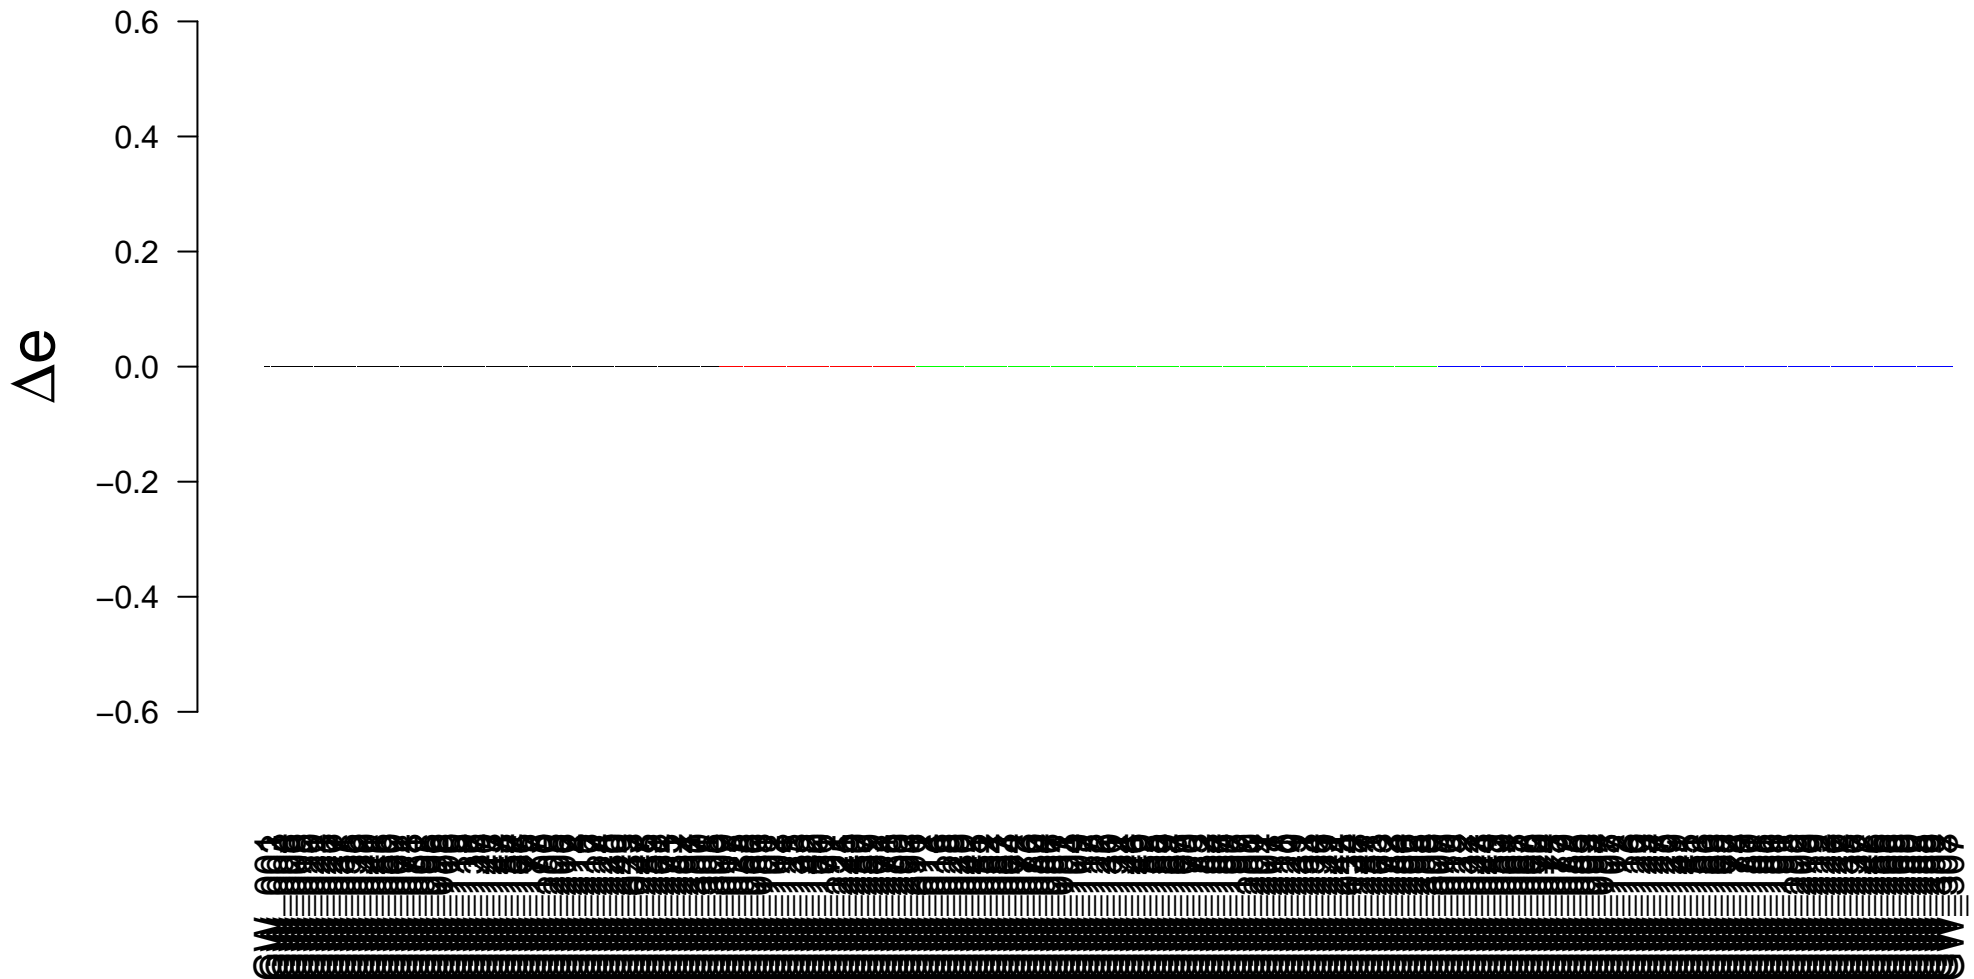

Expression of U12-type spliceosomal complex in Spot N

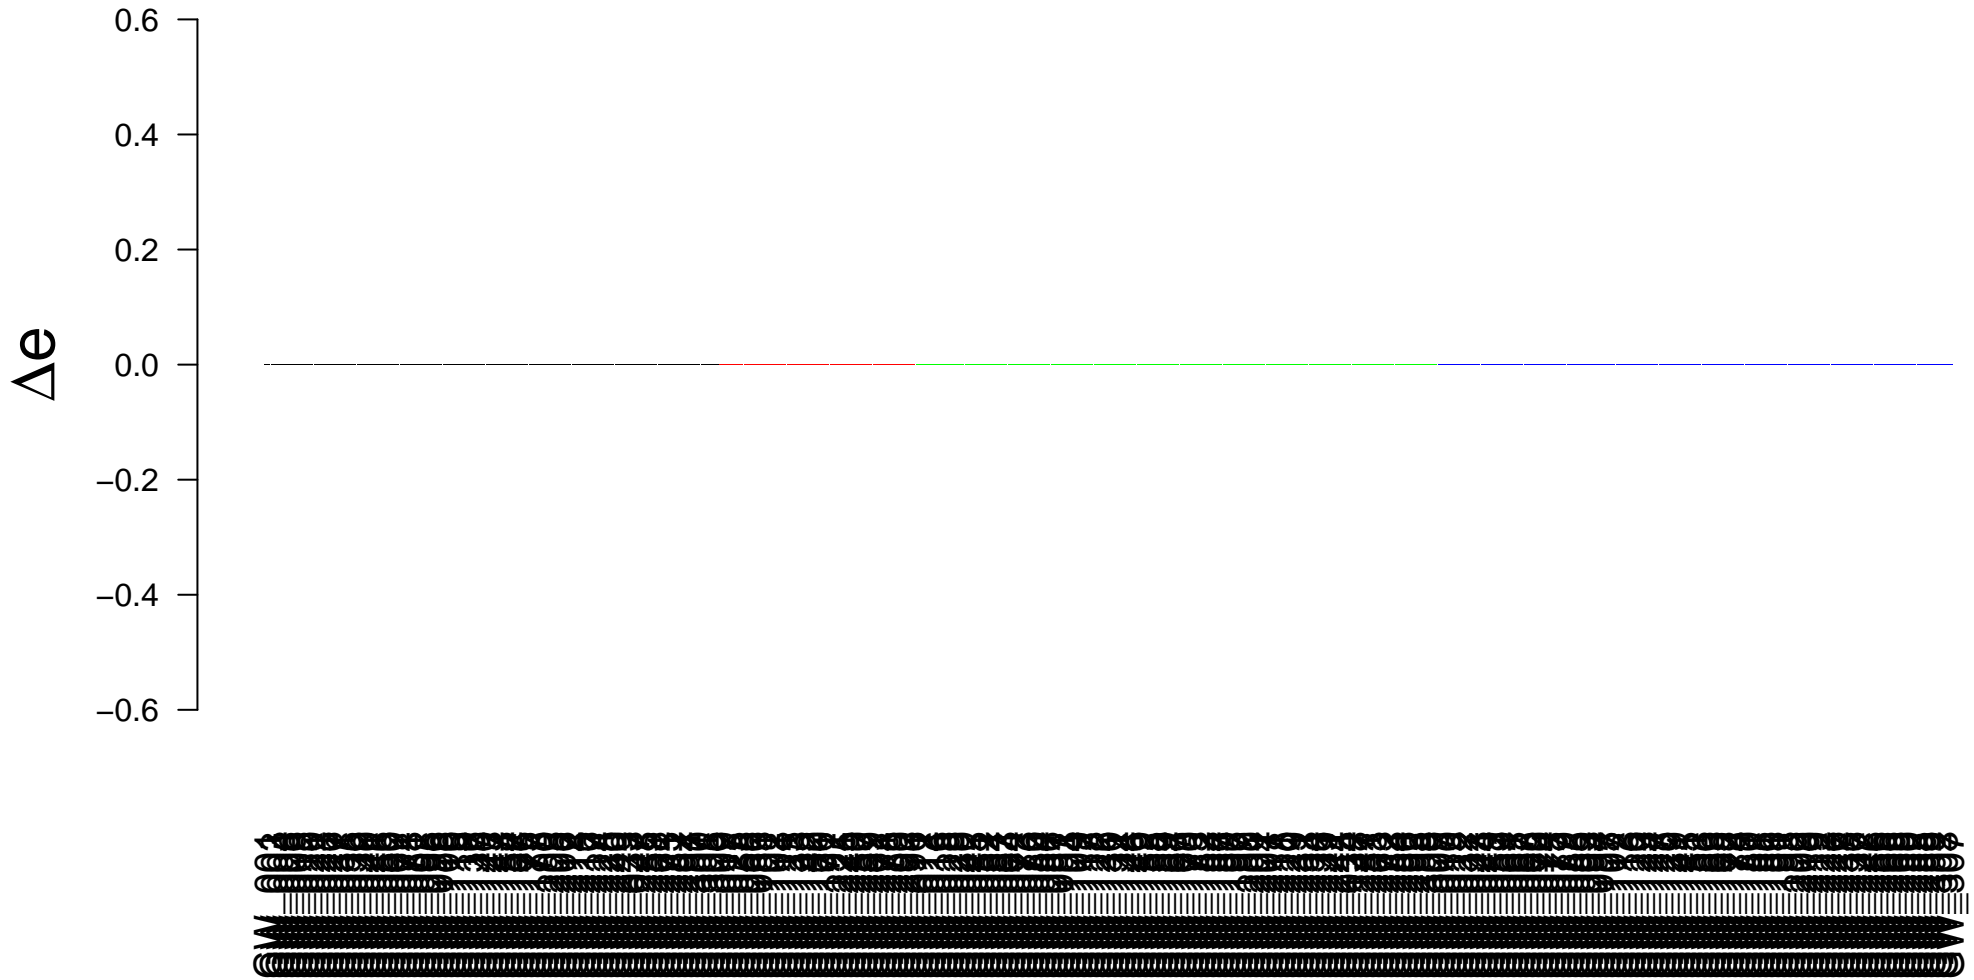

Expression of U12-type spliceosomal complex in Spot O

Expression of U12-type spliceosomal complex in Spot P

Expression of U12-type spliceosomal complex in Spot Q

Expression of U12-type spliceosomal complex in Spot R
