

# 'de novo' posttranslational protein folding

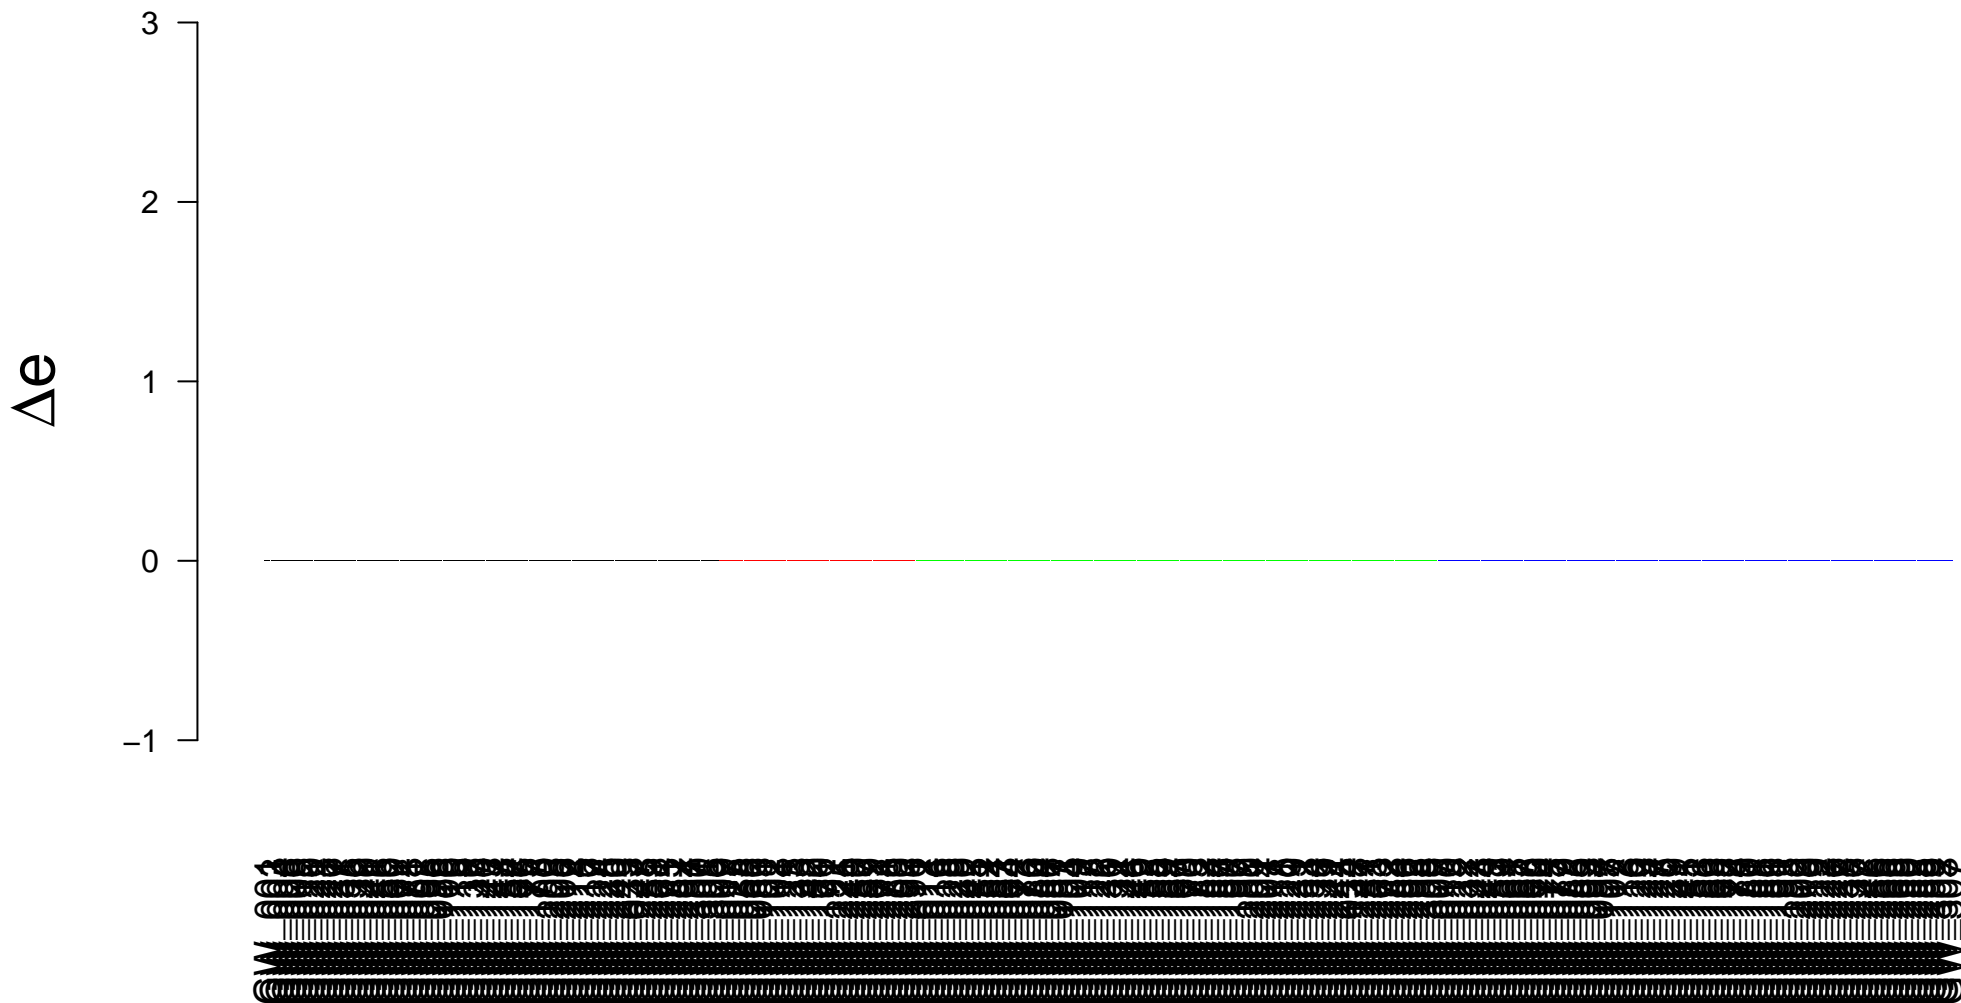

# 'de novo' posttranslational protein folding

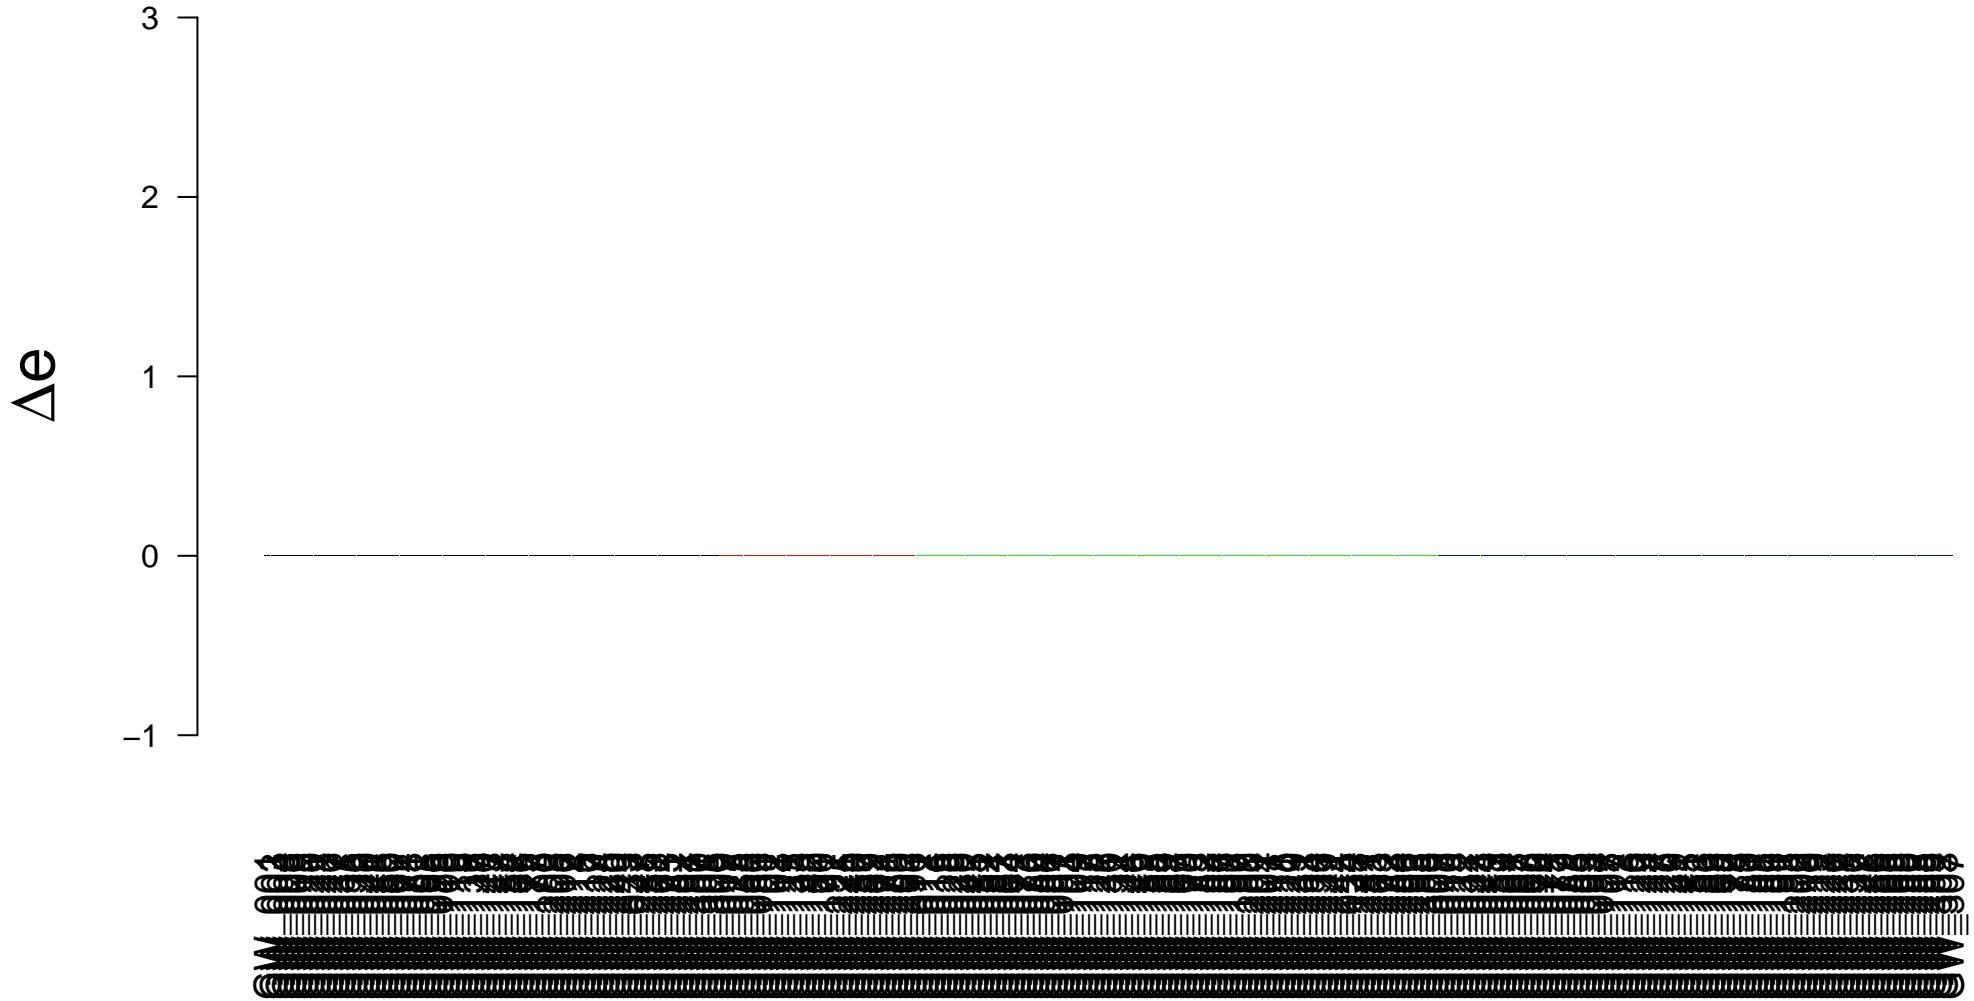

# Enrichment in spots: 'de novo' posttranslational protein folding

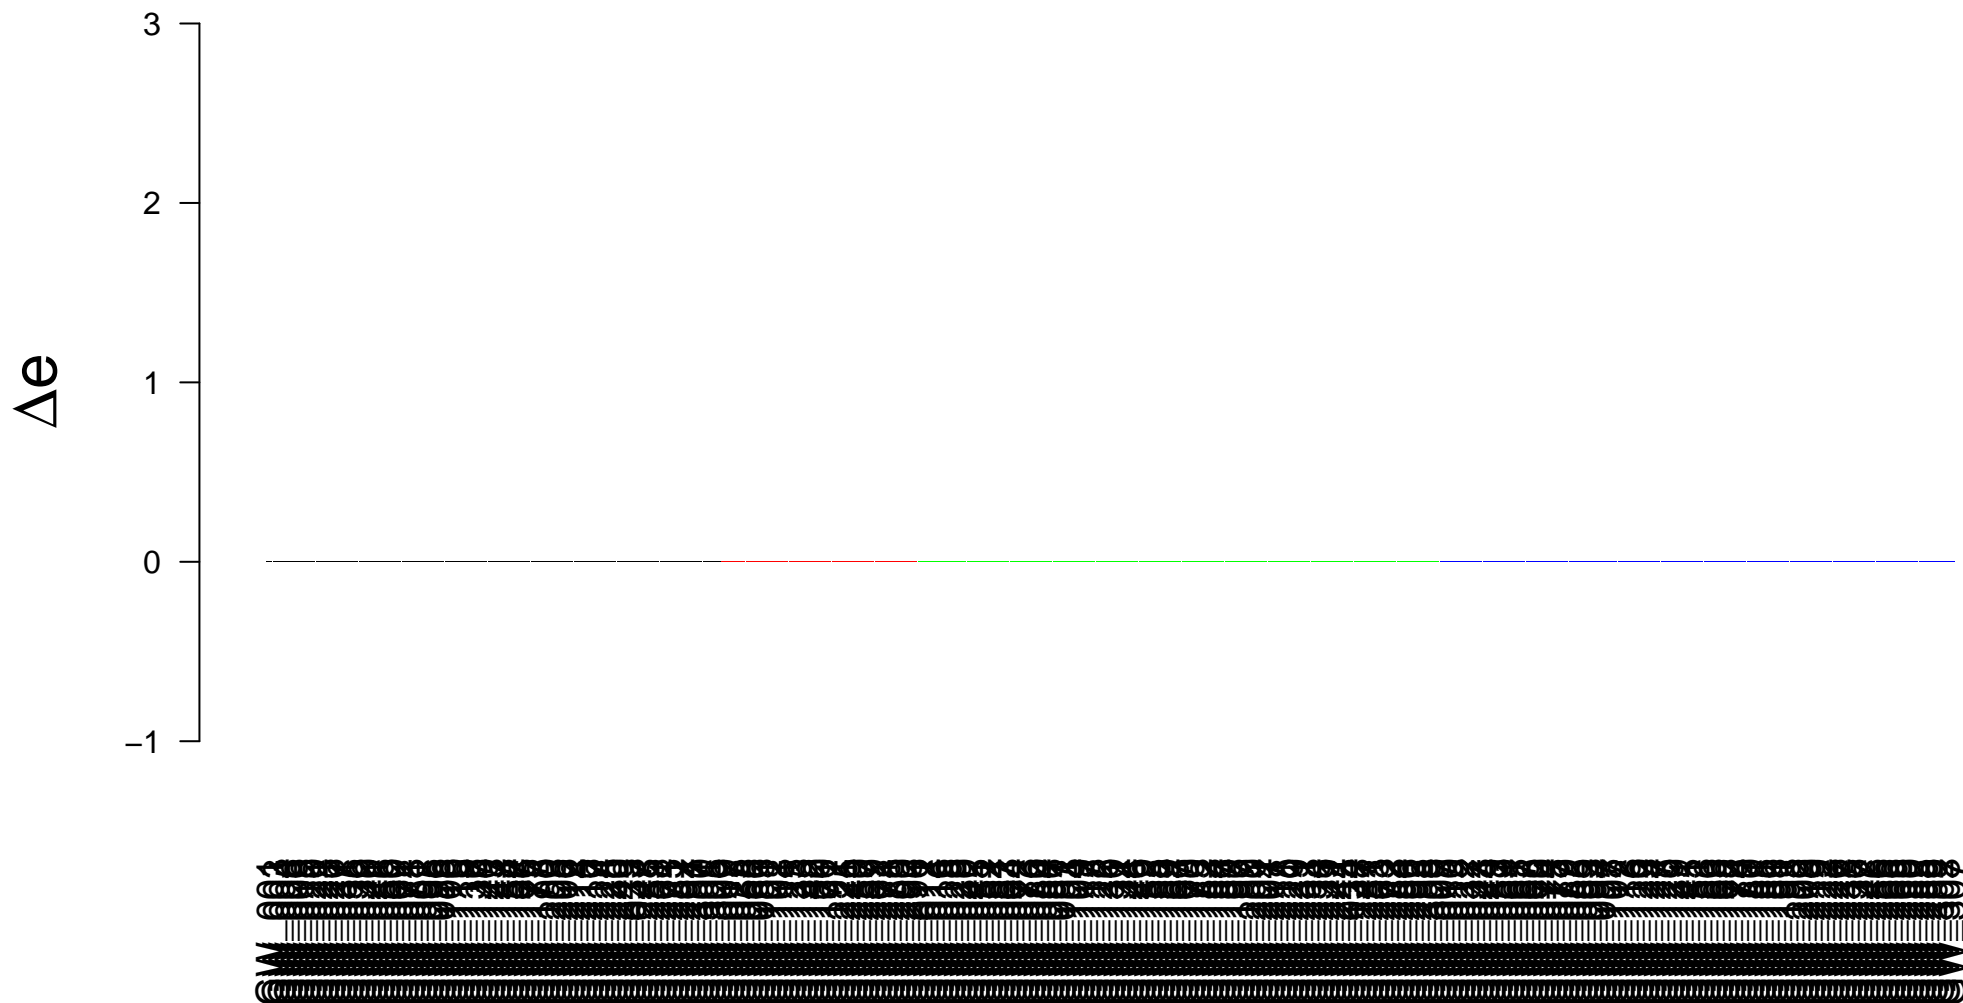

# Expression of 'de novo' posttranslational protein folding in Spot A

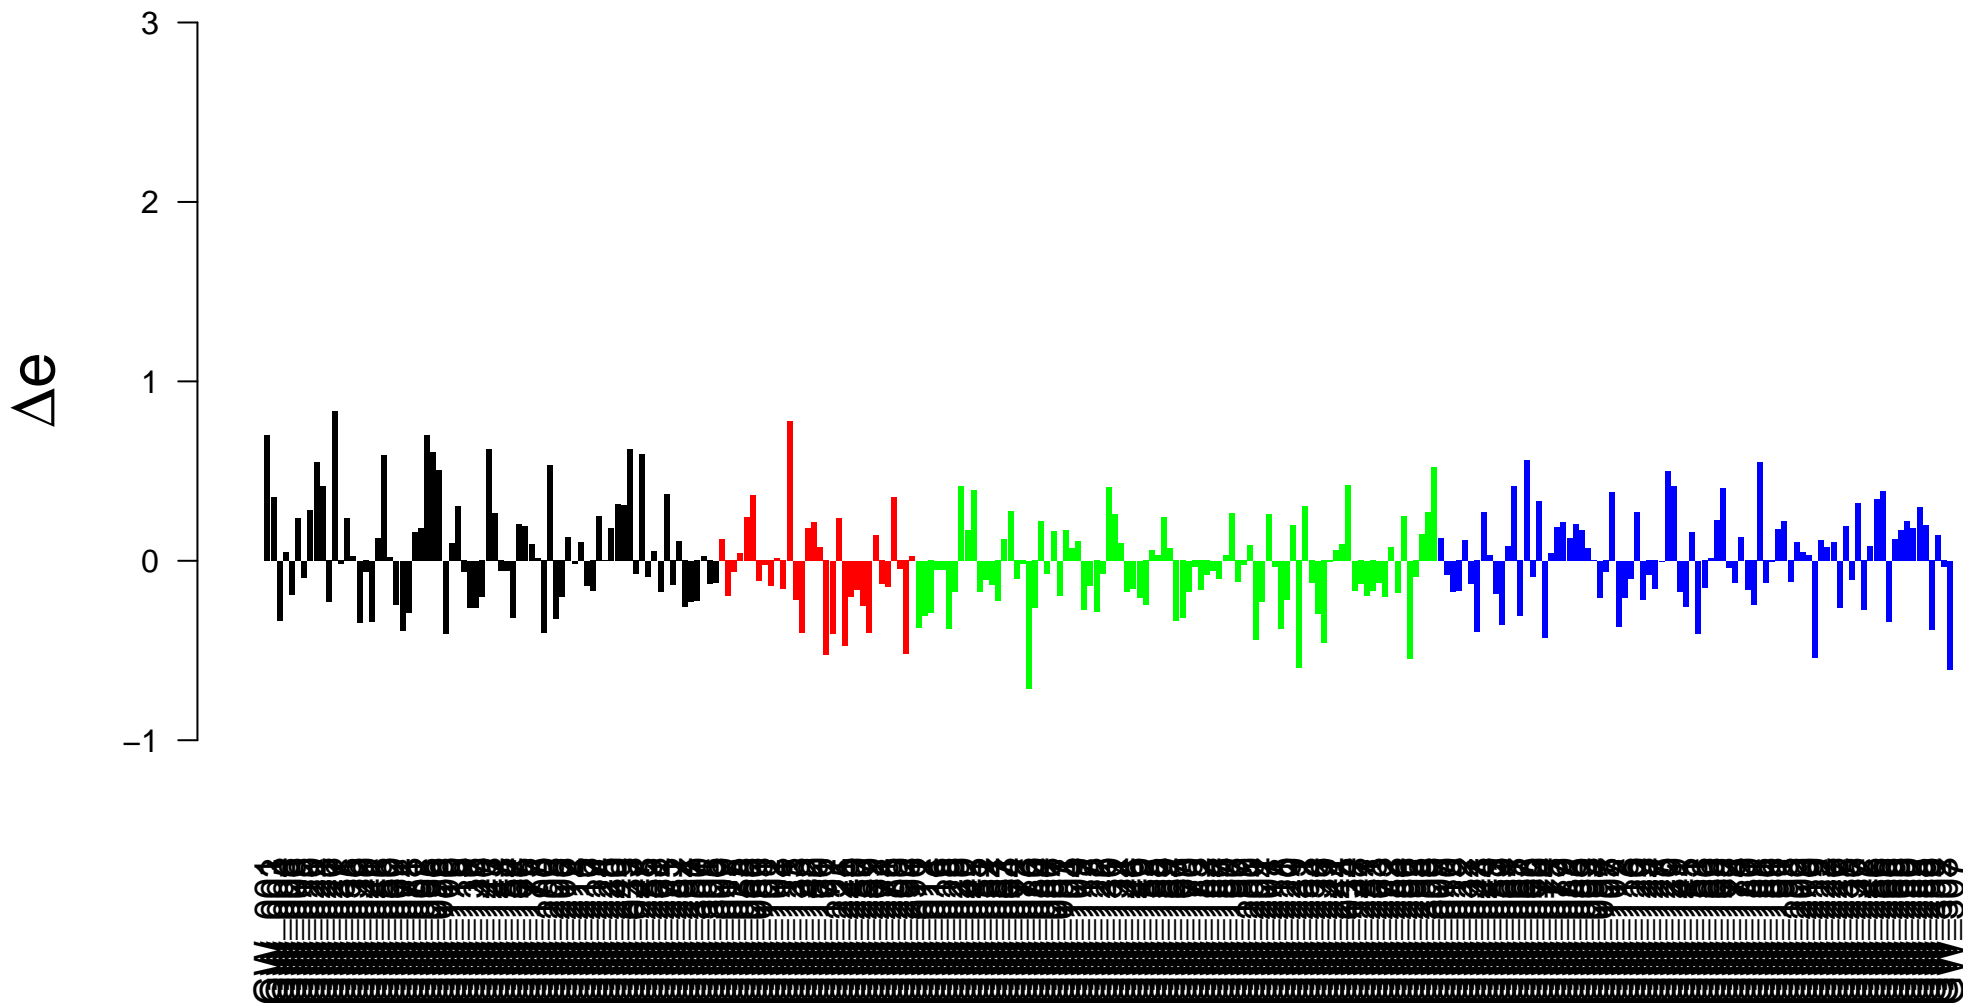

# Expression of 'de novo' posttranslational protein folding in Spot B

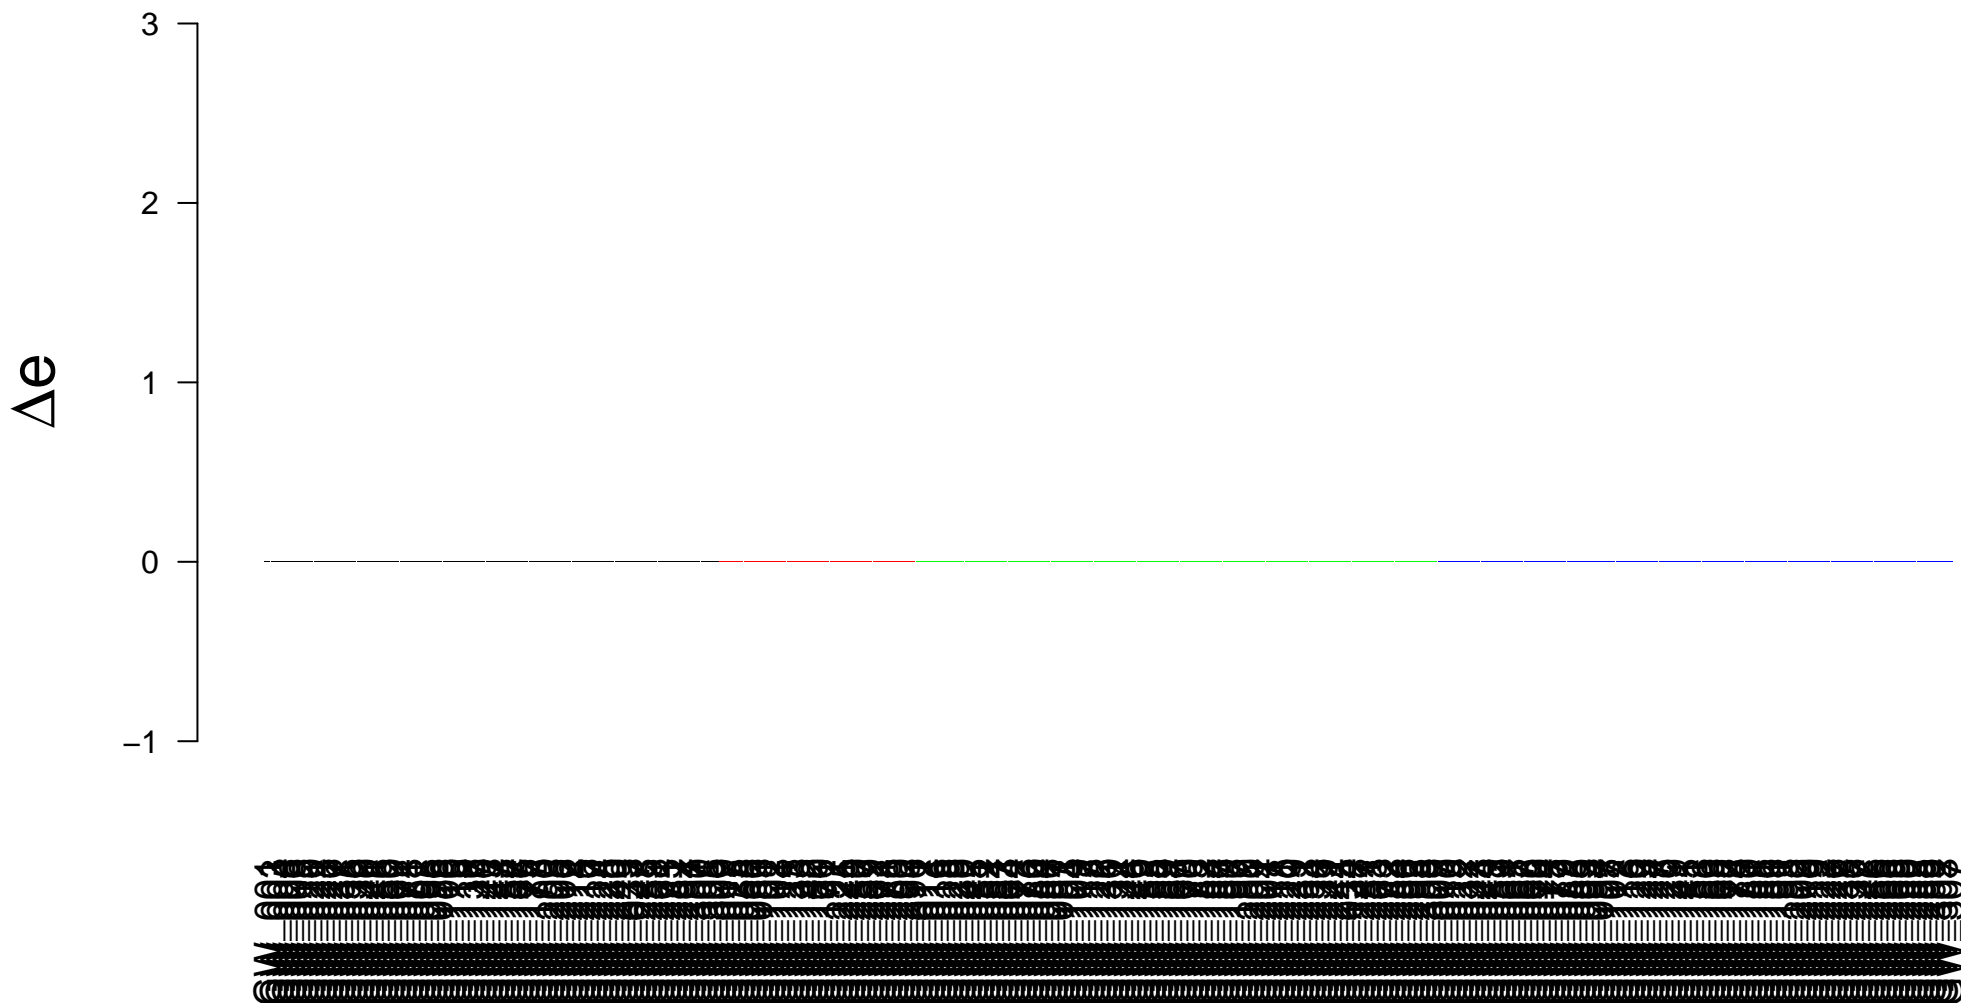

# Expression of 'de novo' posttranslational protein folding in Spot C

# Expression of 'de novo' posttranslational protein folding in Spot D

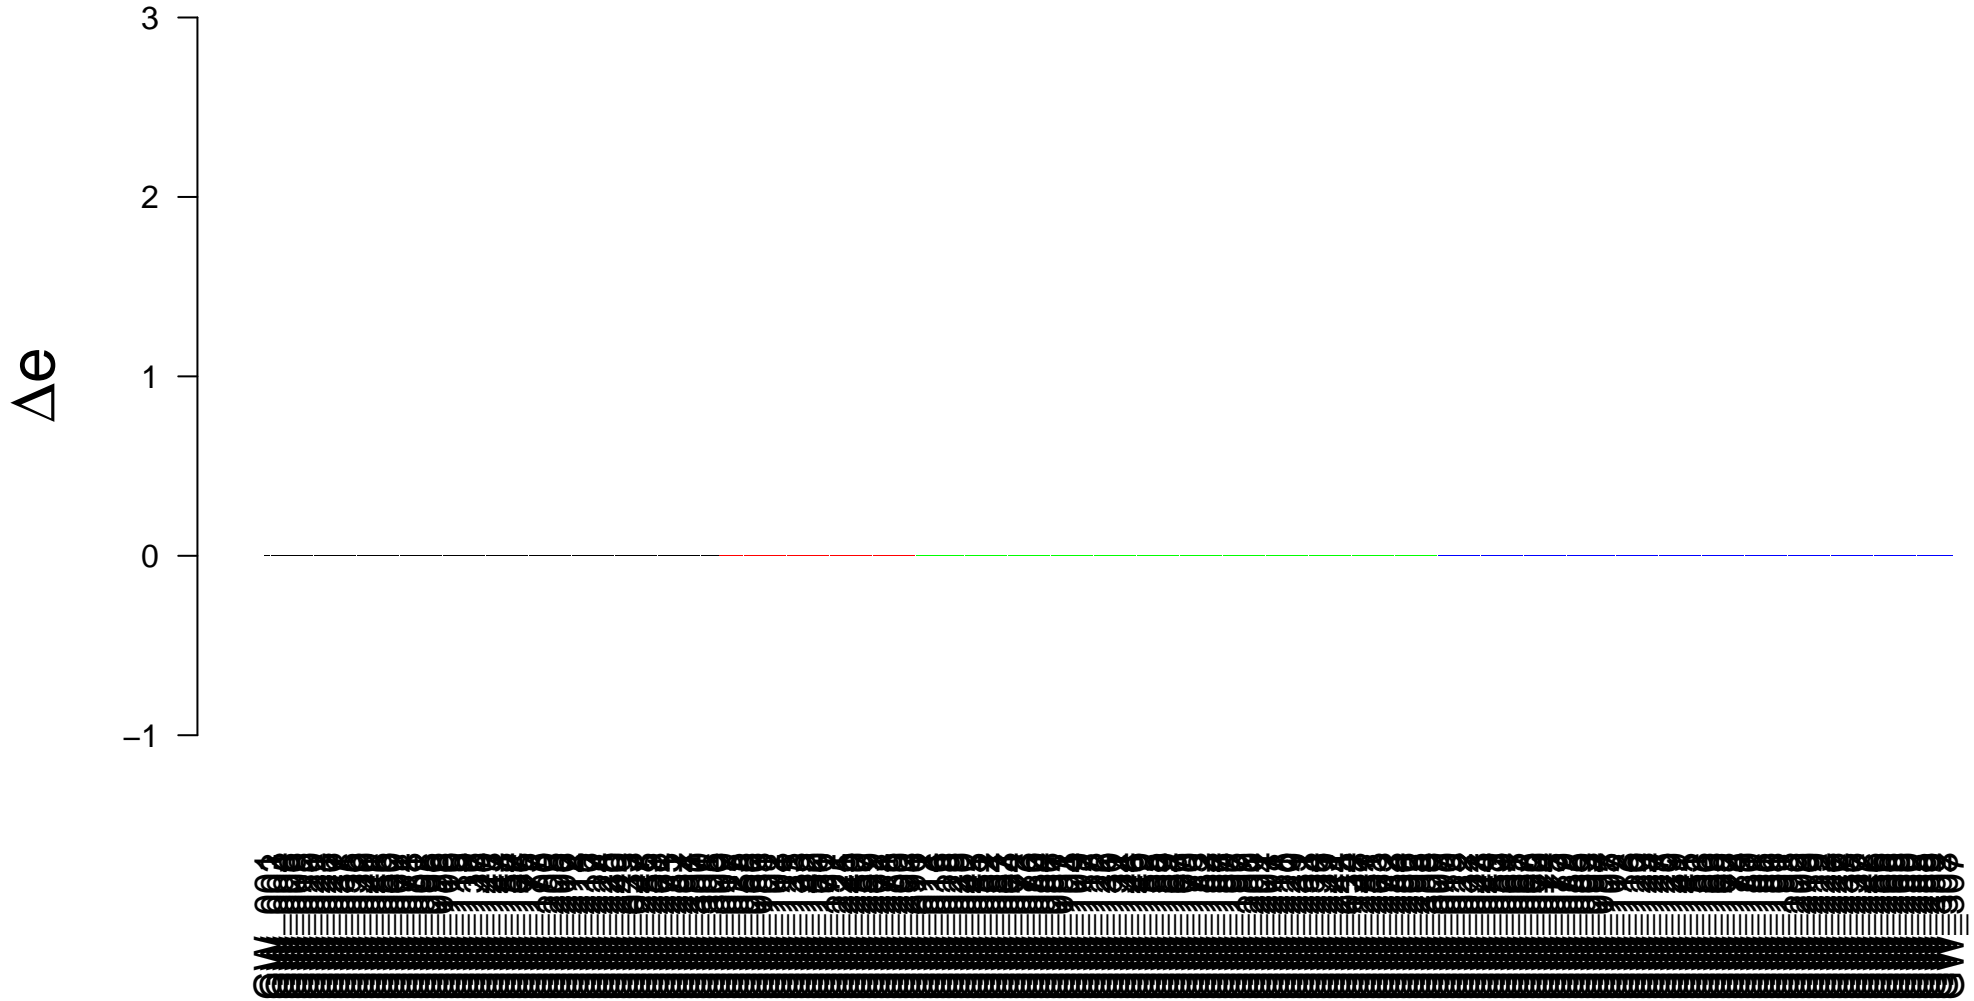

# Expression of 'de novo' posttranslational protein folding in Spot E

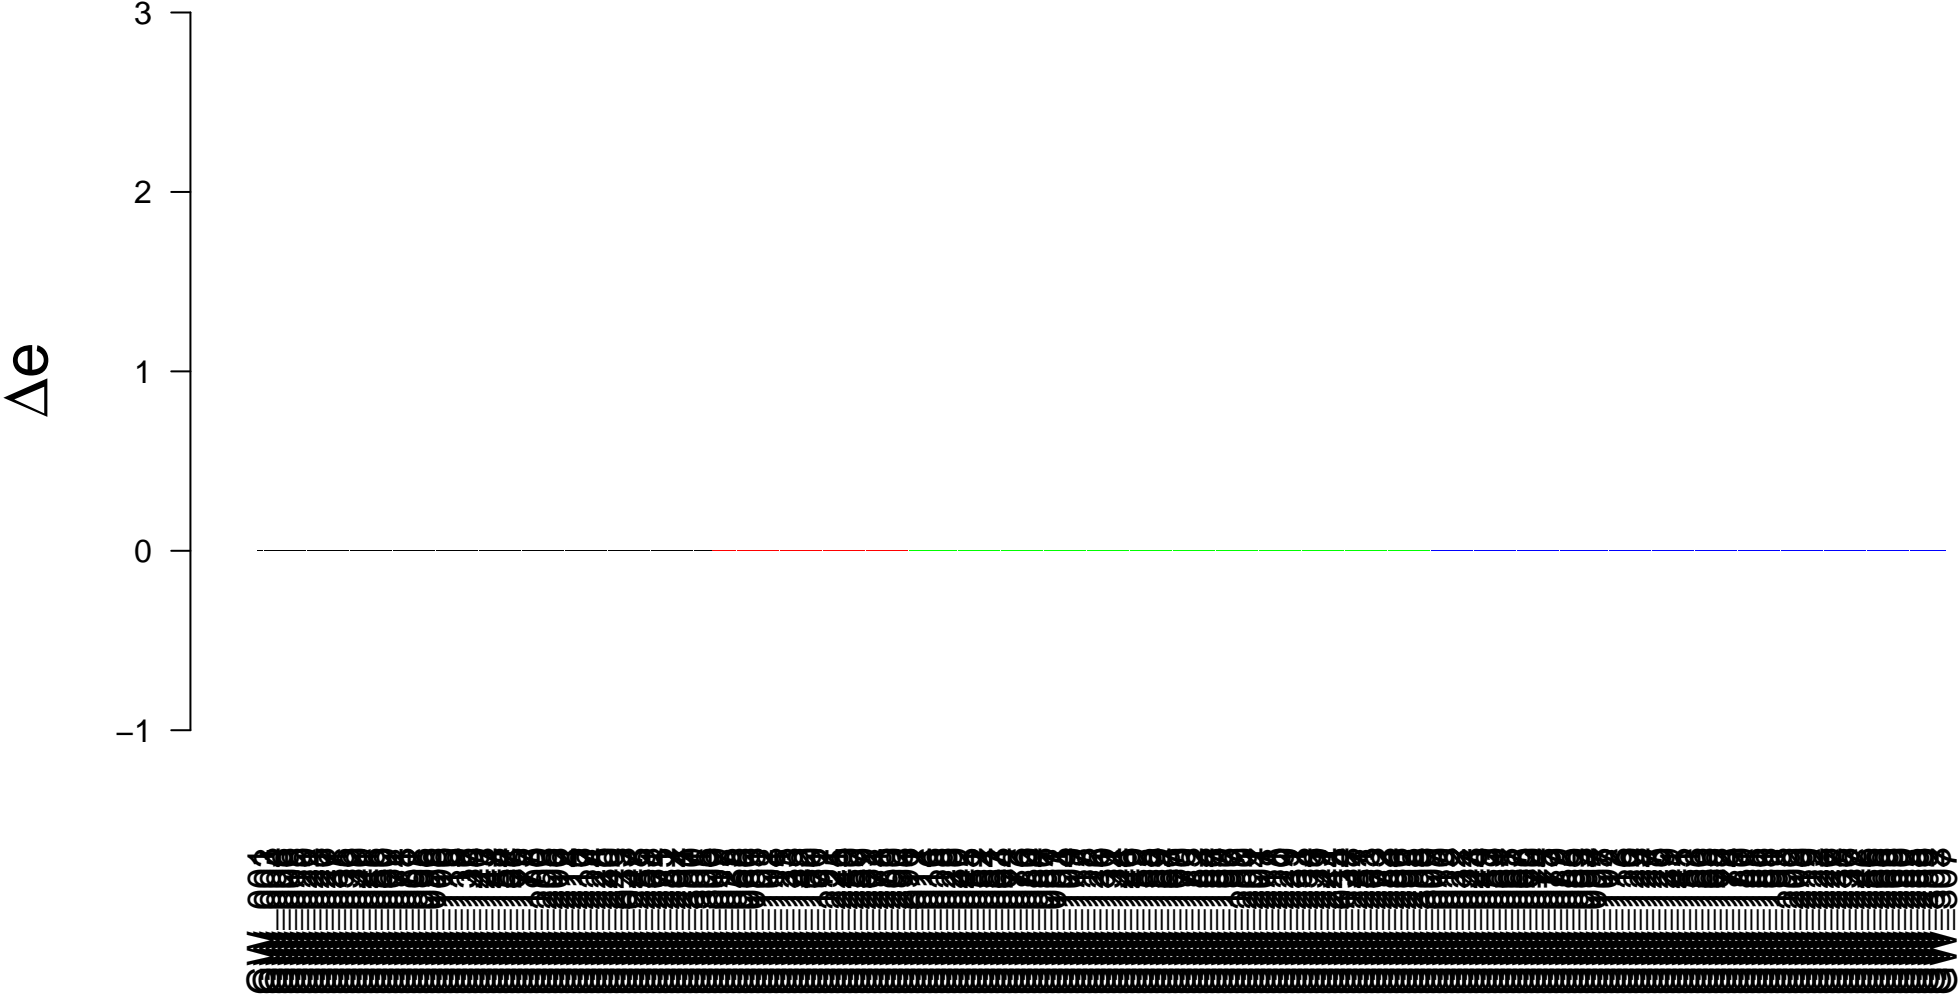

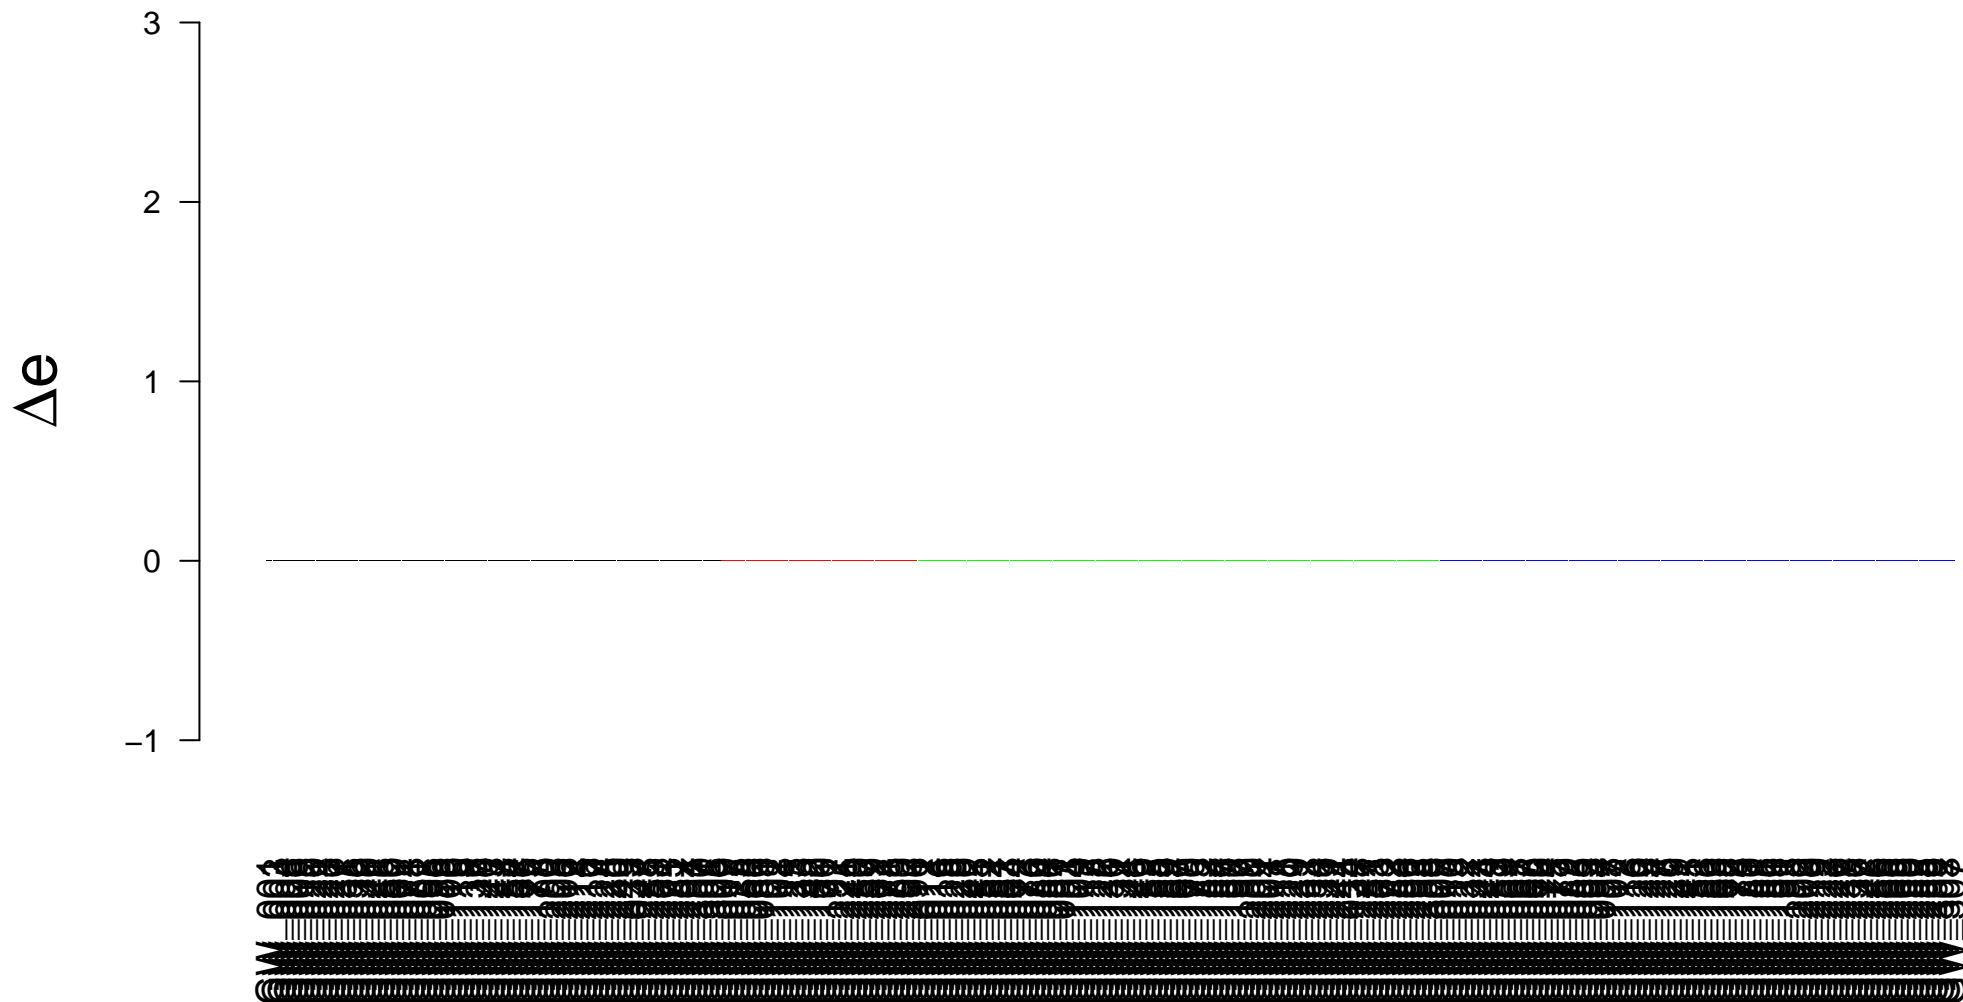

# Expression of 'de novo' posttranslational protein folding in Spot F

Expression of 'de novo' posttranslational protein folding in Spot G

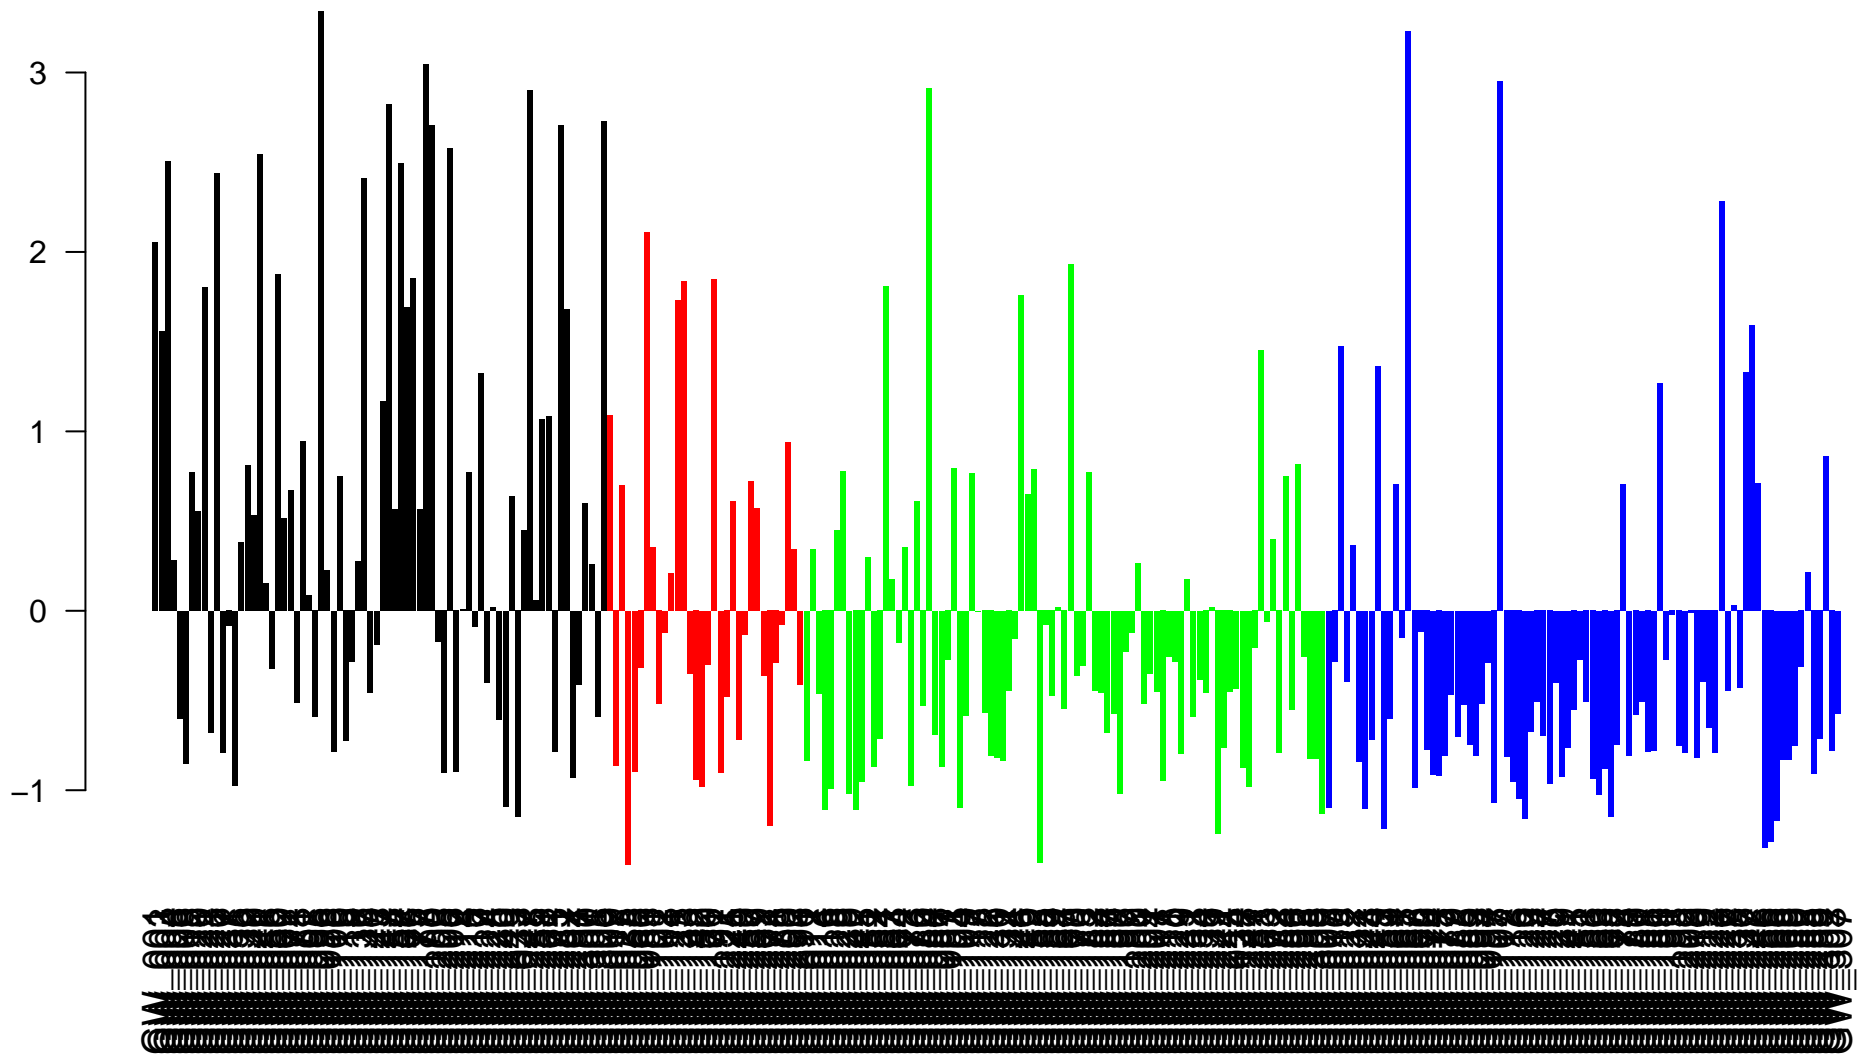

# Expression of 'de novo' posttranslational protein folding in Spot H

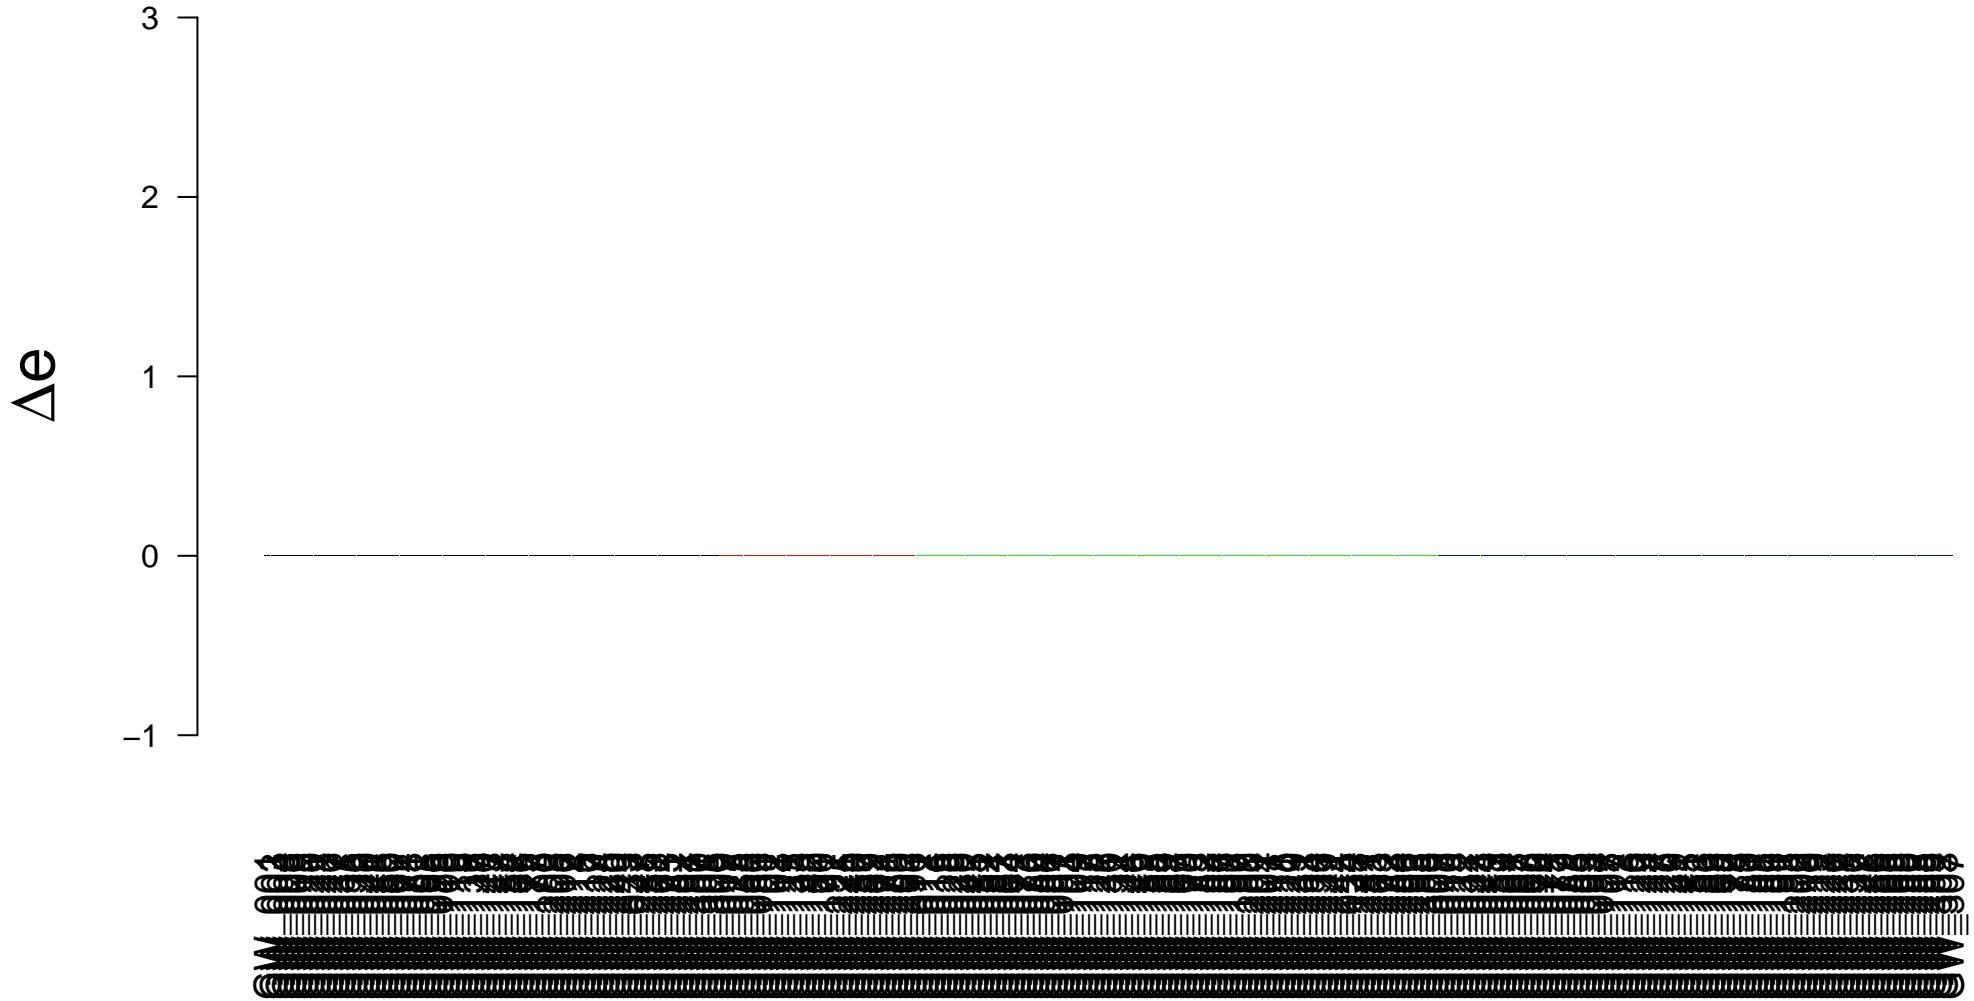

# Expression of 'de novo' posttranslational protein folding in Spot I

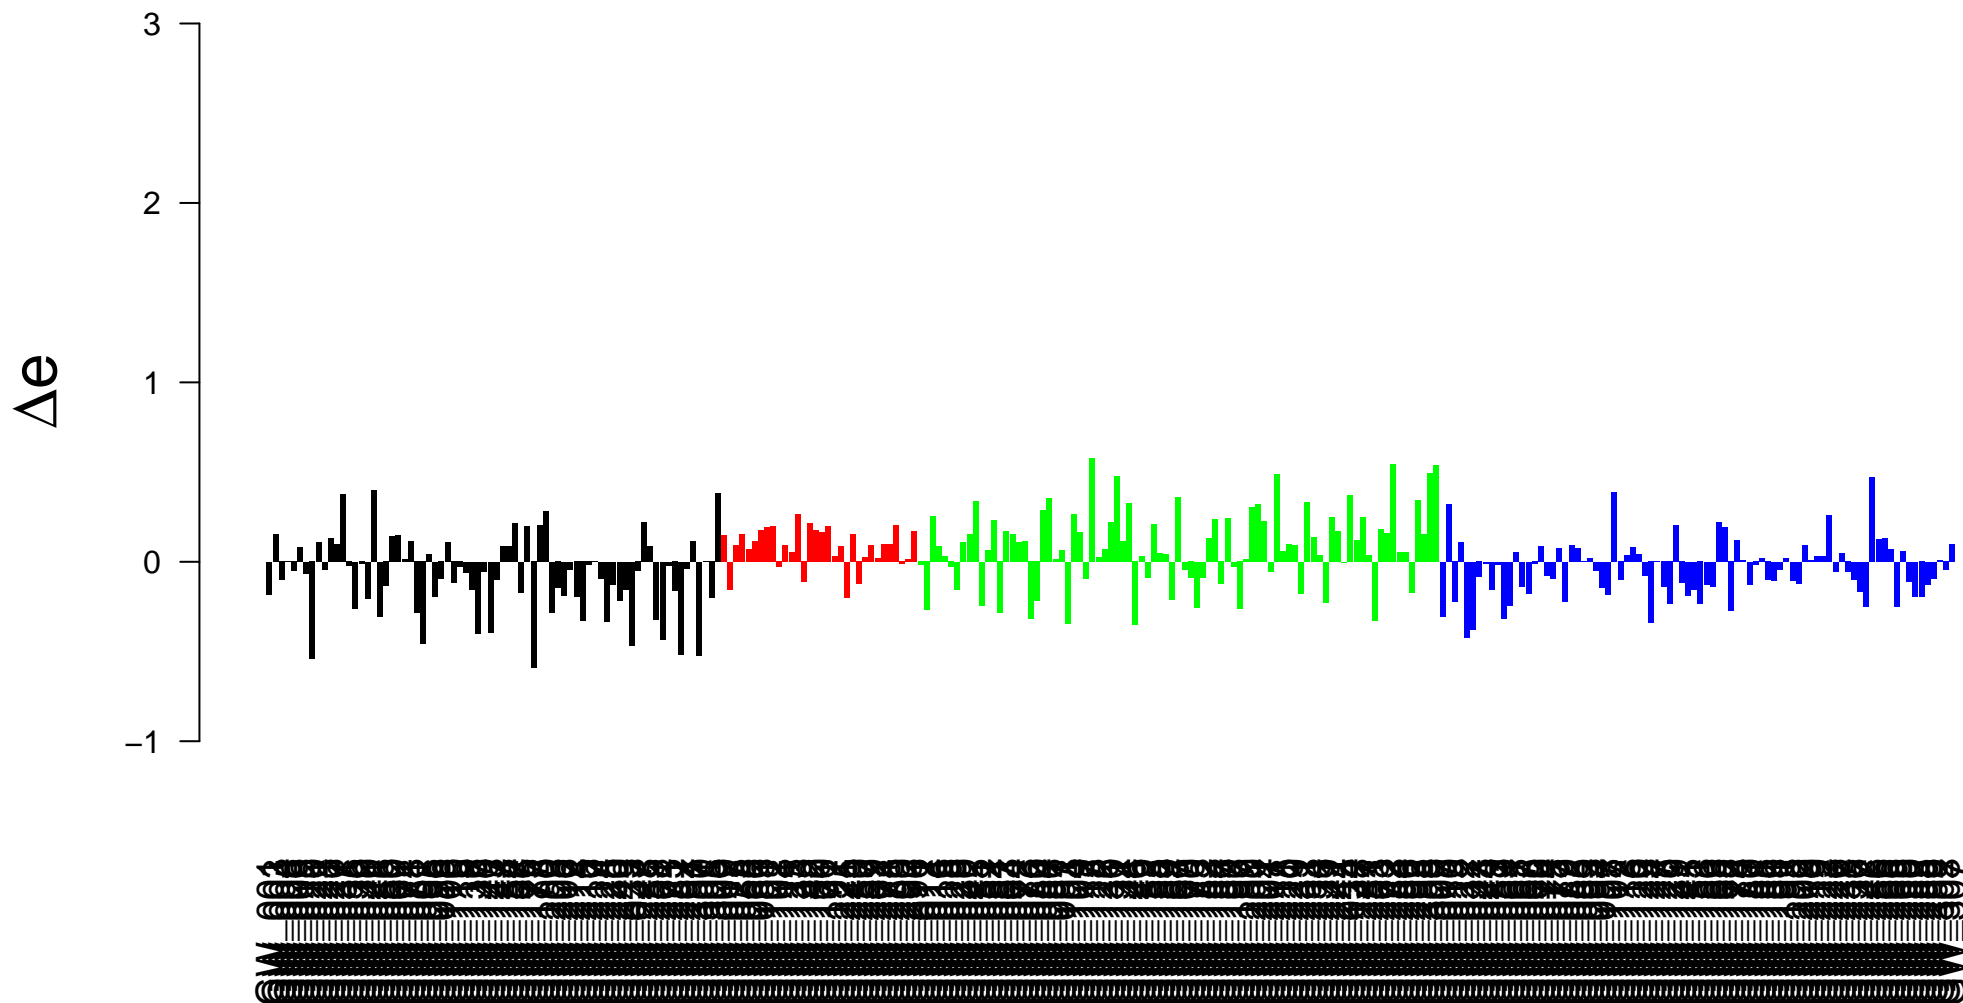

$\Delta e$

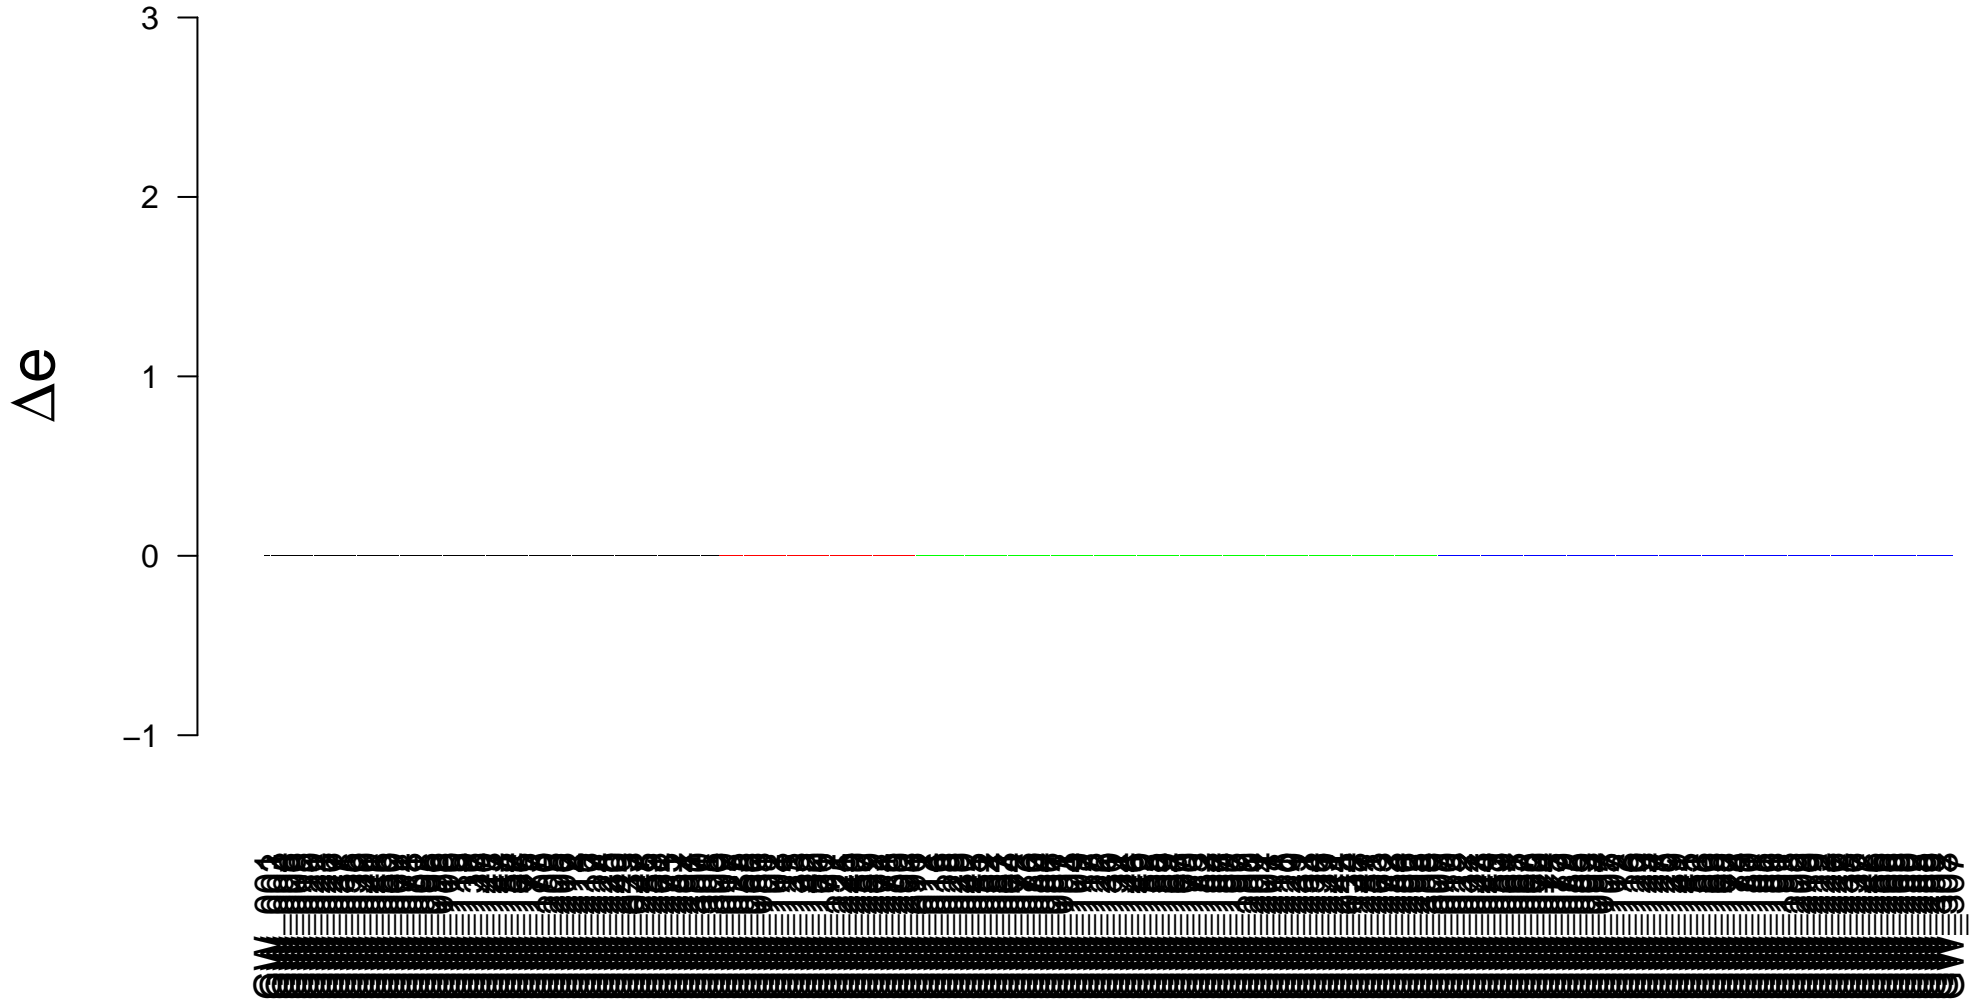

# Expression of 'de novo' posttranslational protein folding in Spot J

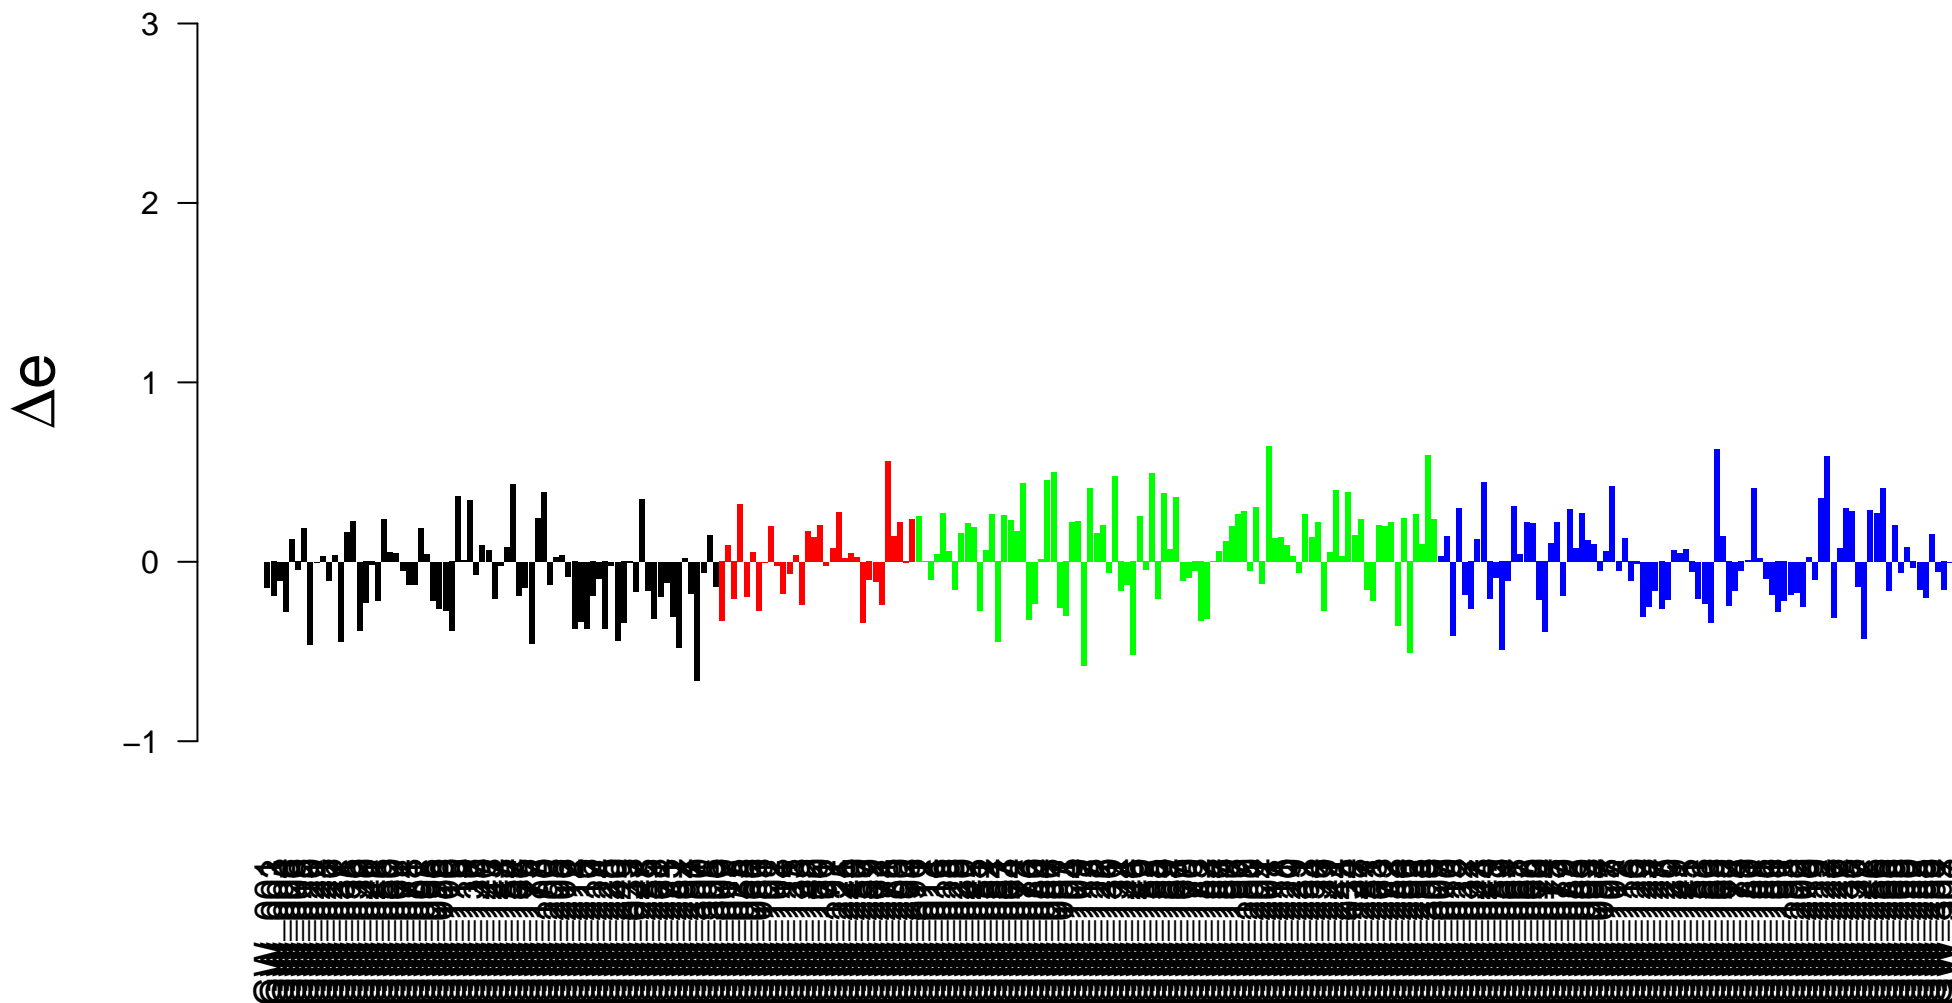

# Expression of 'de novo' posttranslational protein folding in Spot K

# Expression of 'de novo' posttranslational protein folding in Spot L

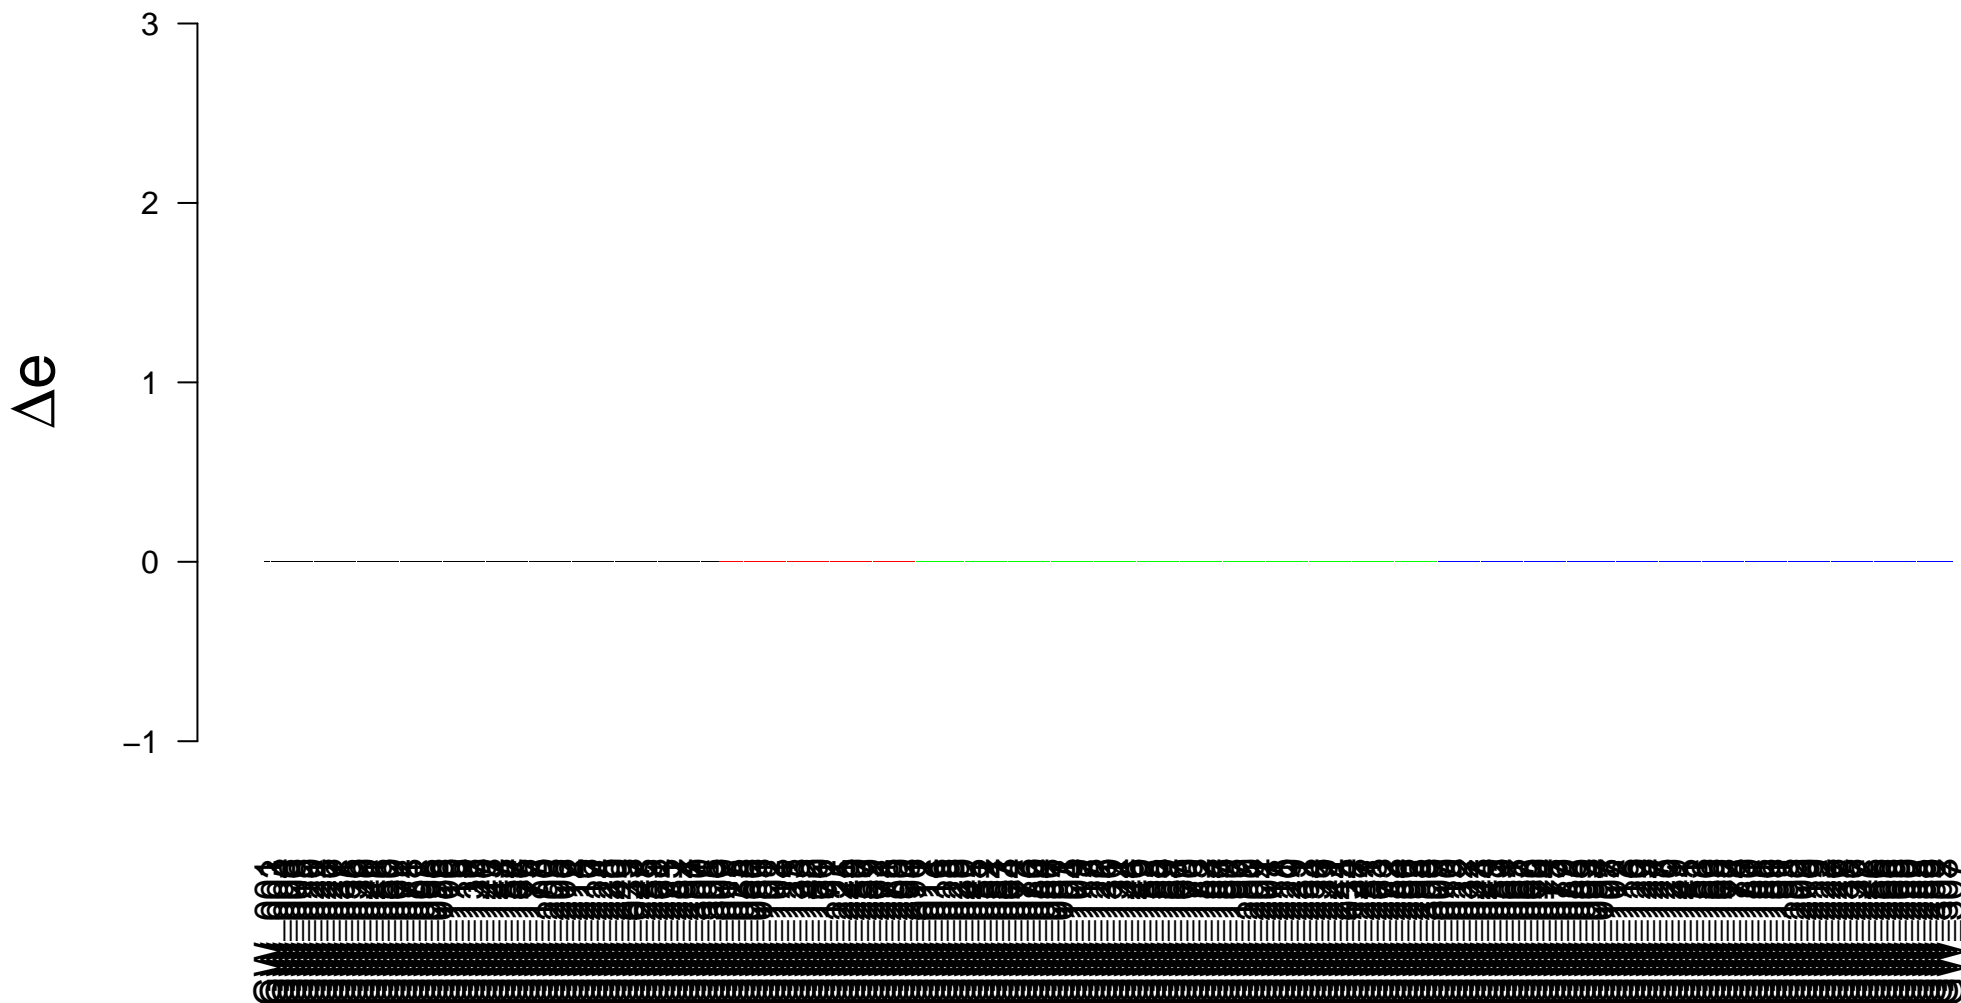

# Expression of 'de novo' posttranslational protein folding in Spot M

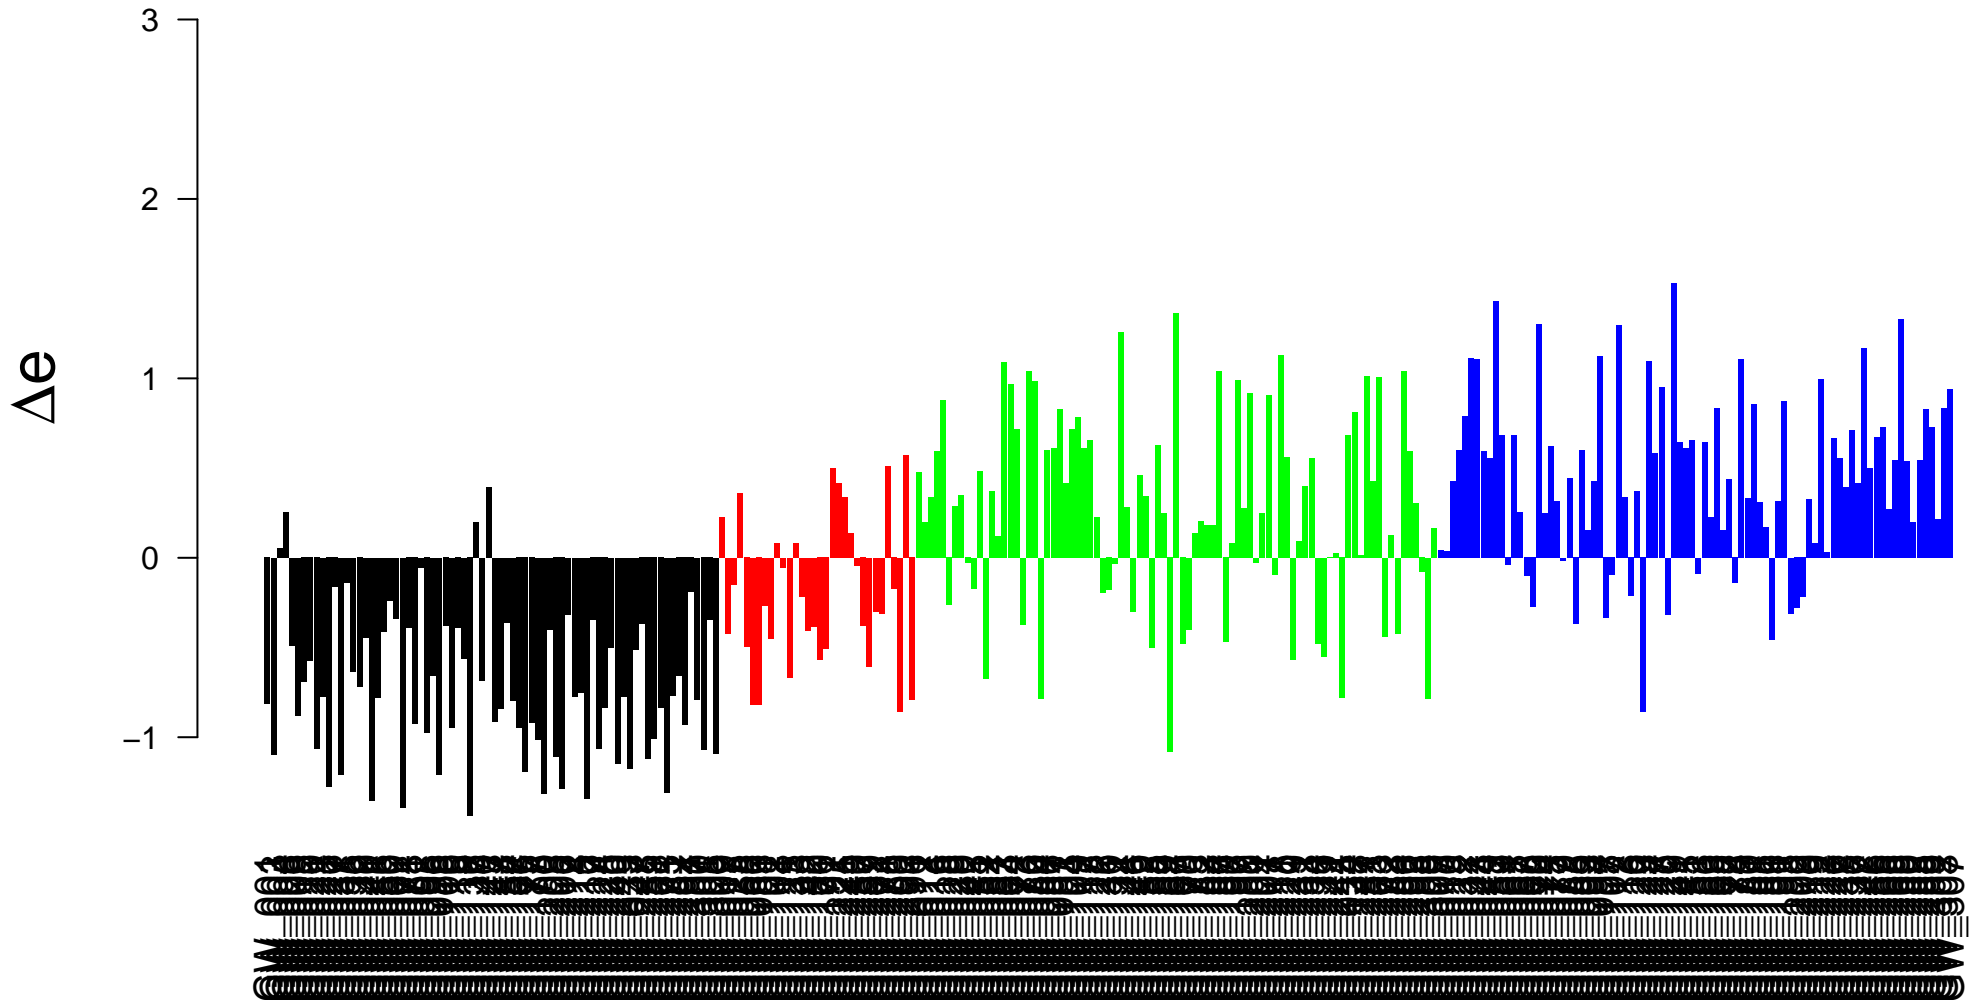

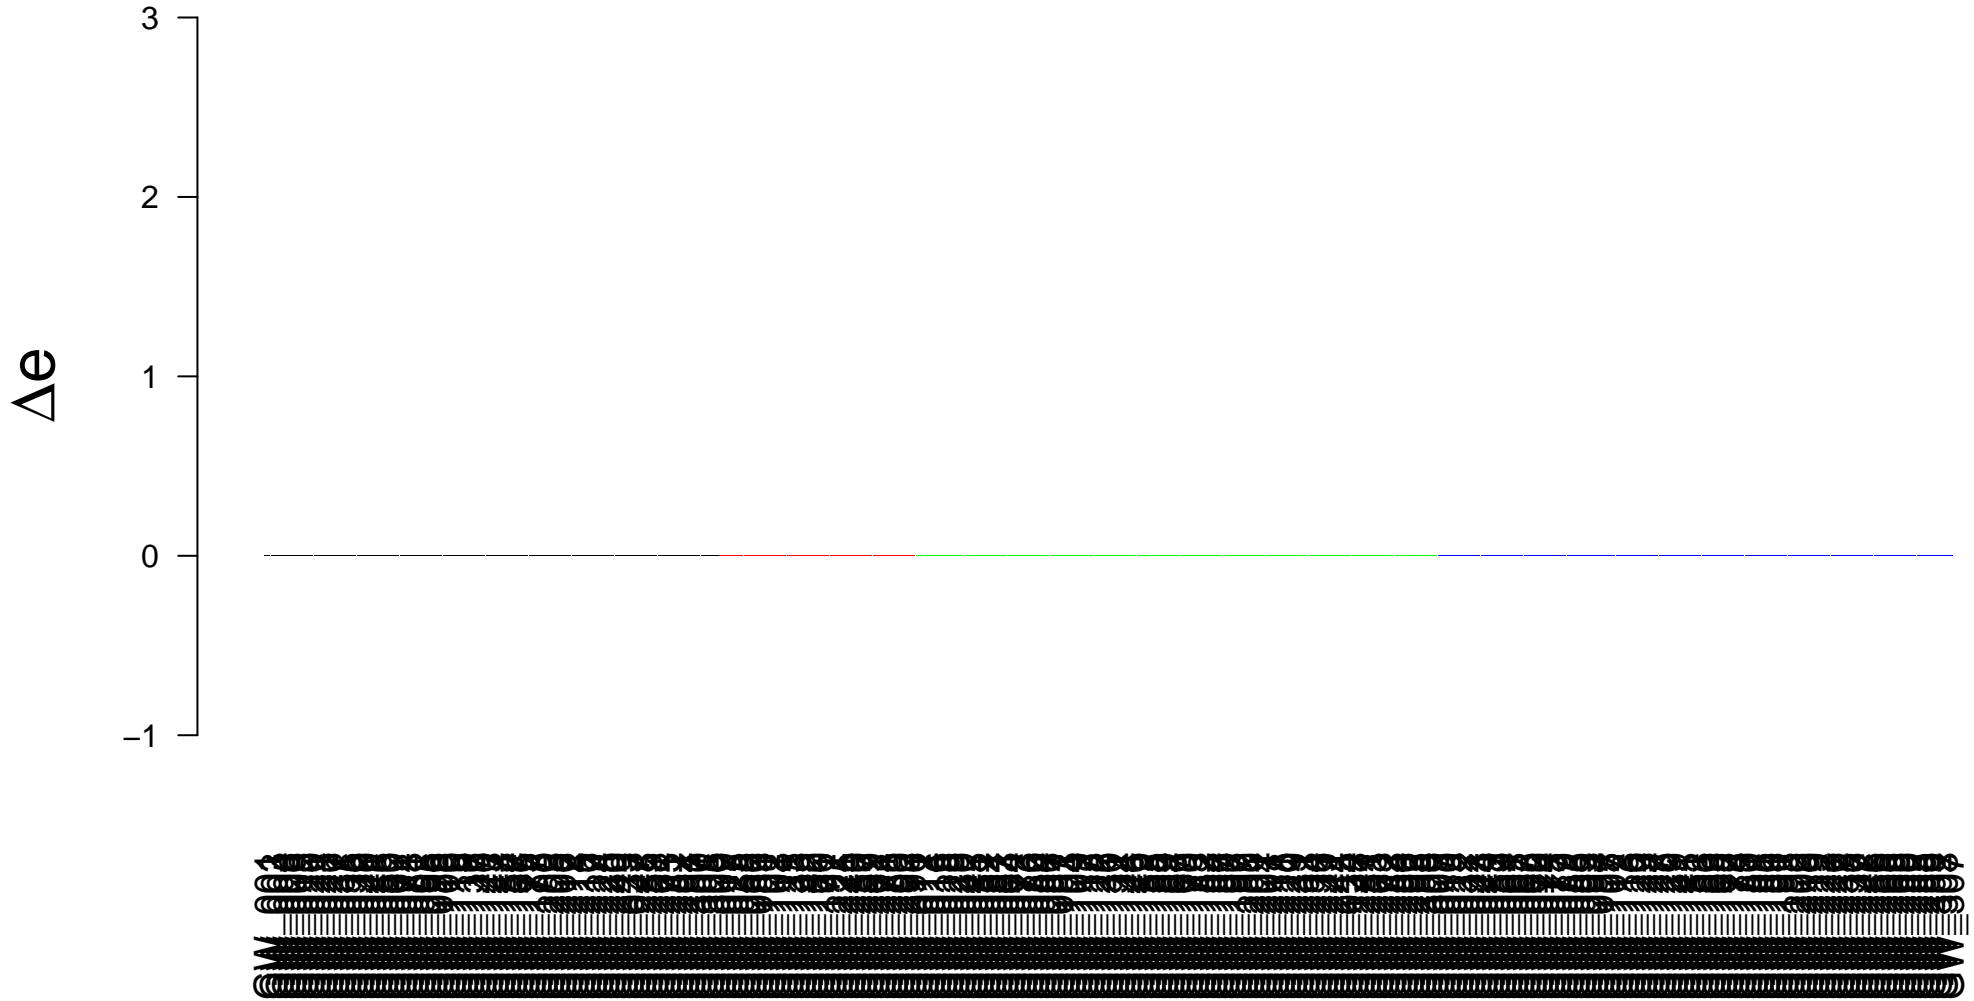

# Expression of 'de novo' posttranslational protein folding in Spot N

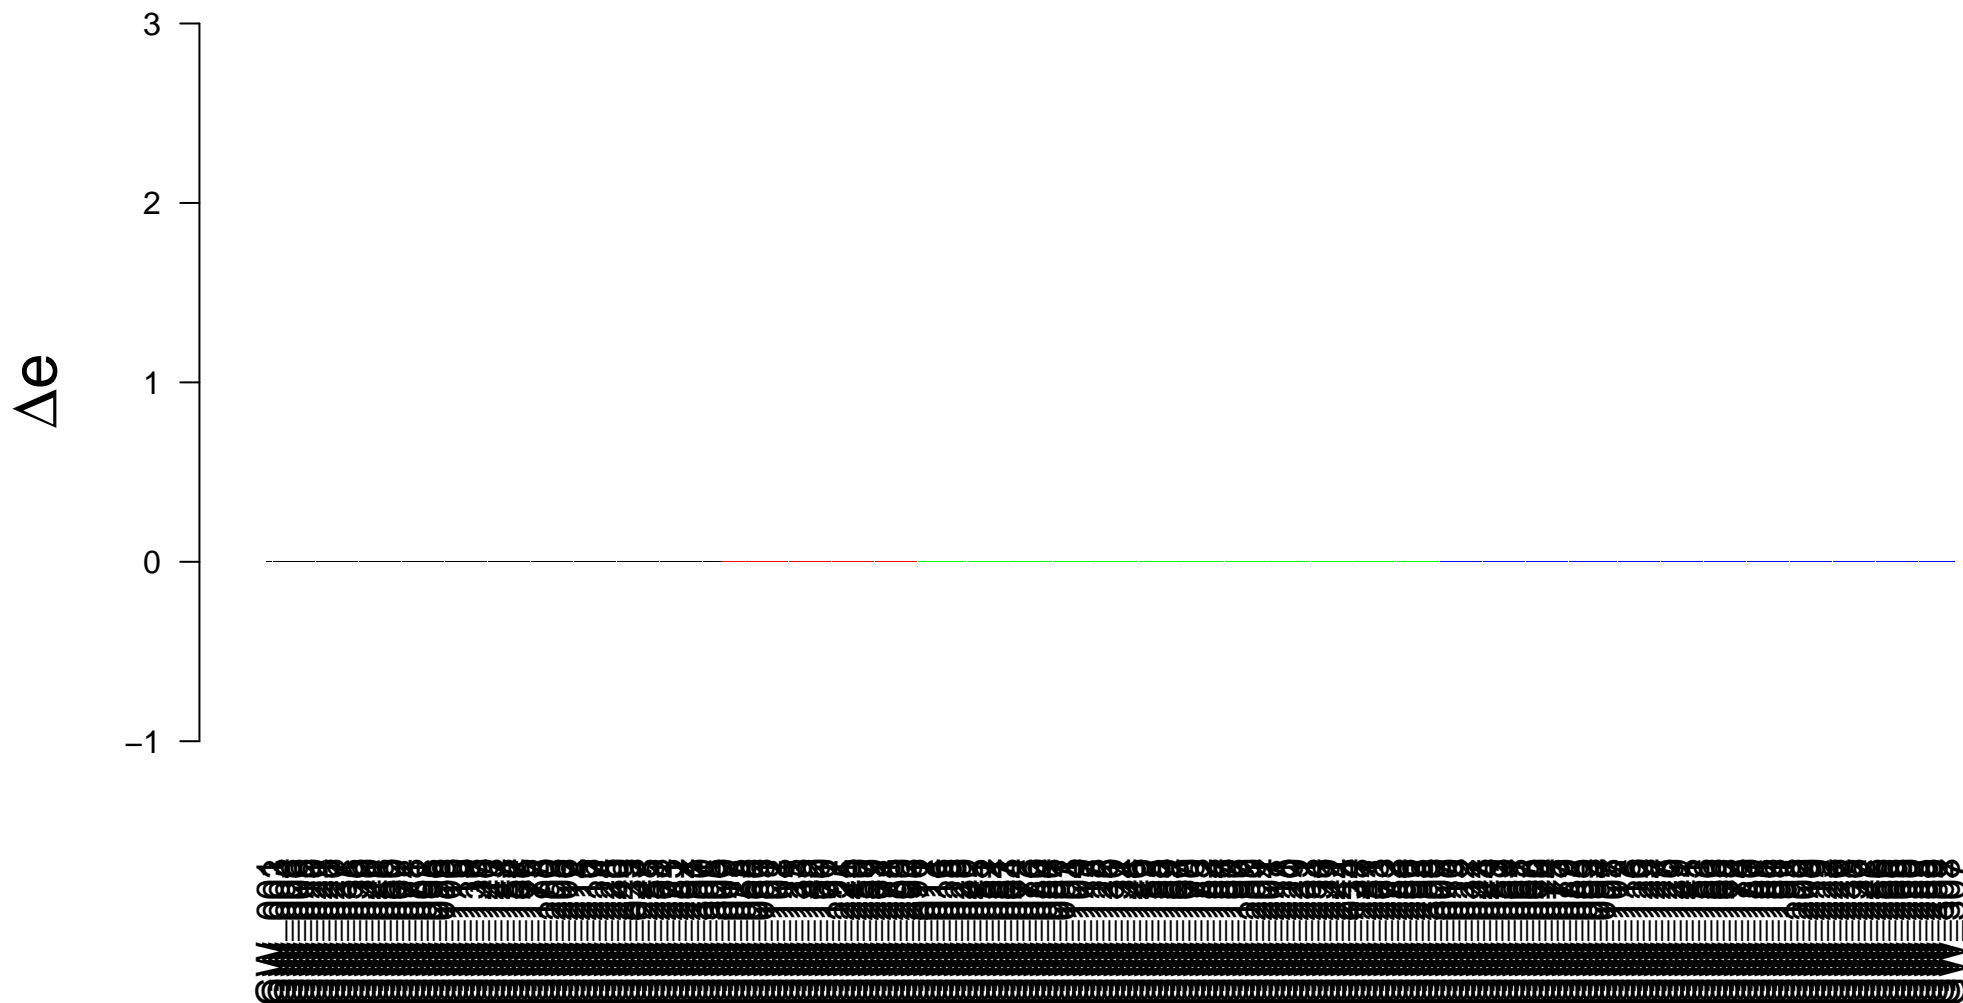

# Expression of 'de novo' posttranslational protein folding in Spot O

# Expression of 'de novo' posttranslational protein folding in Spot P

# Expression of 'de novo' posttranslational protein folding in Spot Q

# Expression of 'de novo' posttranslational protein folding in Spot R
