Expression of acetyltransferase activity in Spot C

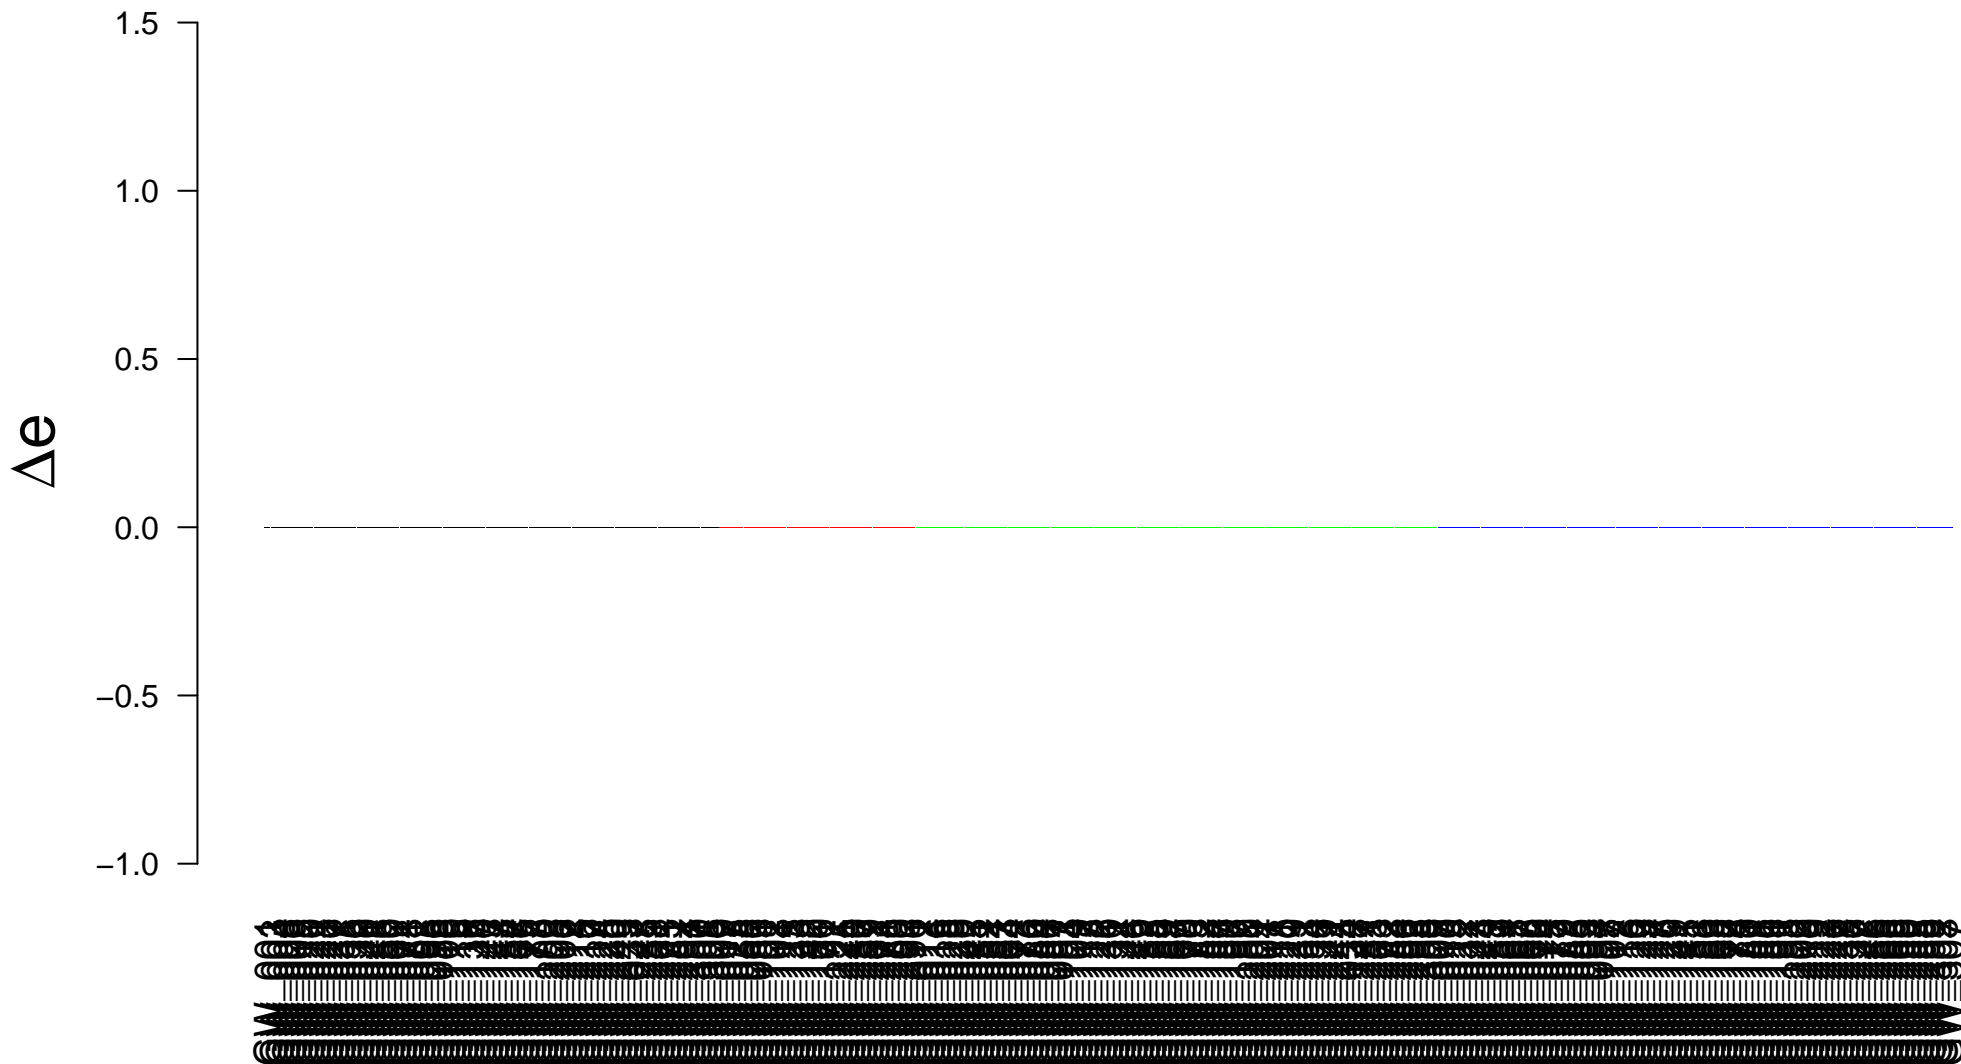

Expression of acetyltransferase activity in Spot D

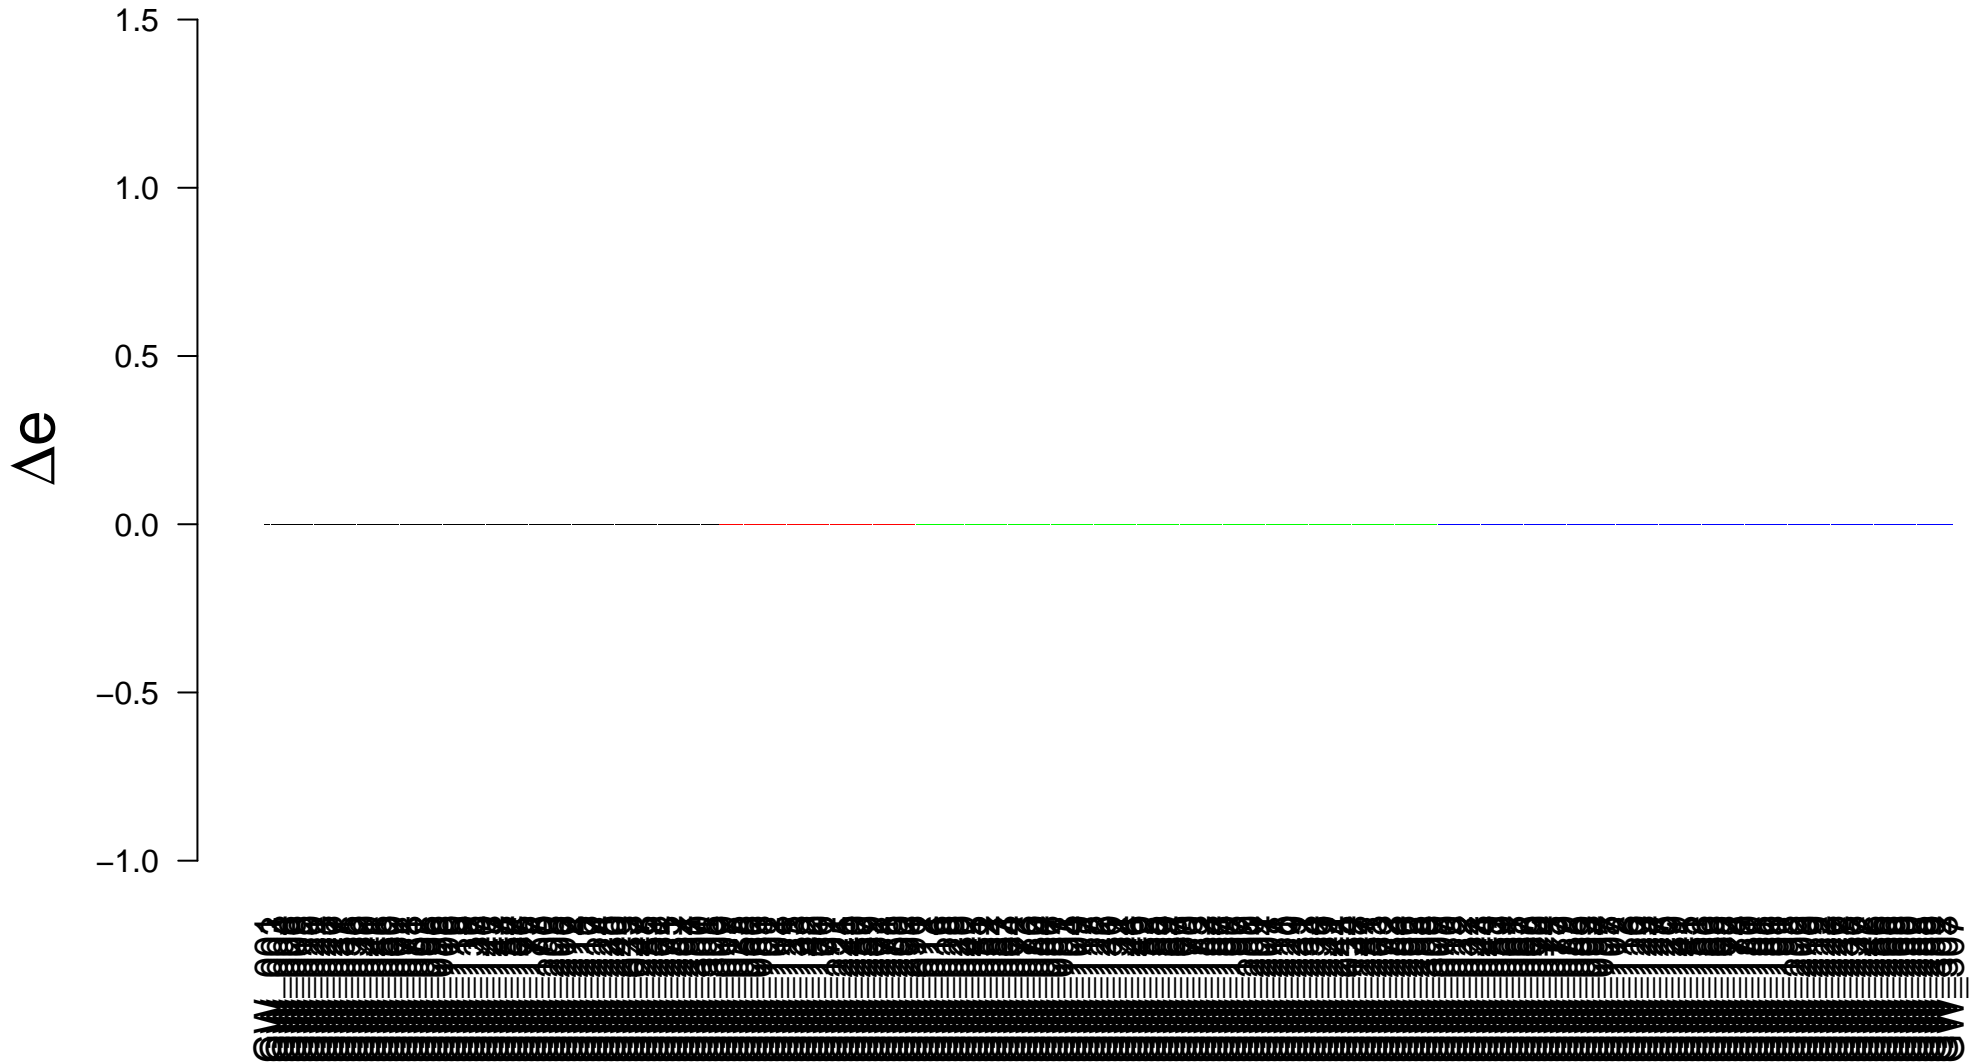

Expression of acetyltransferase activity in Spot E

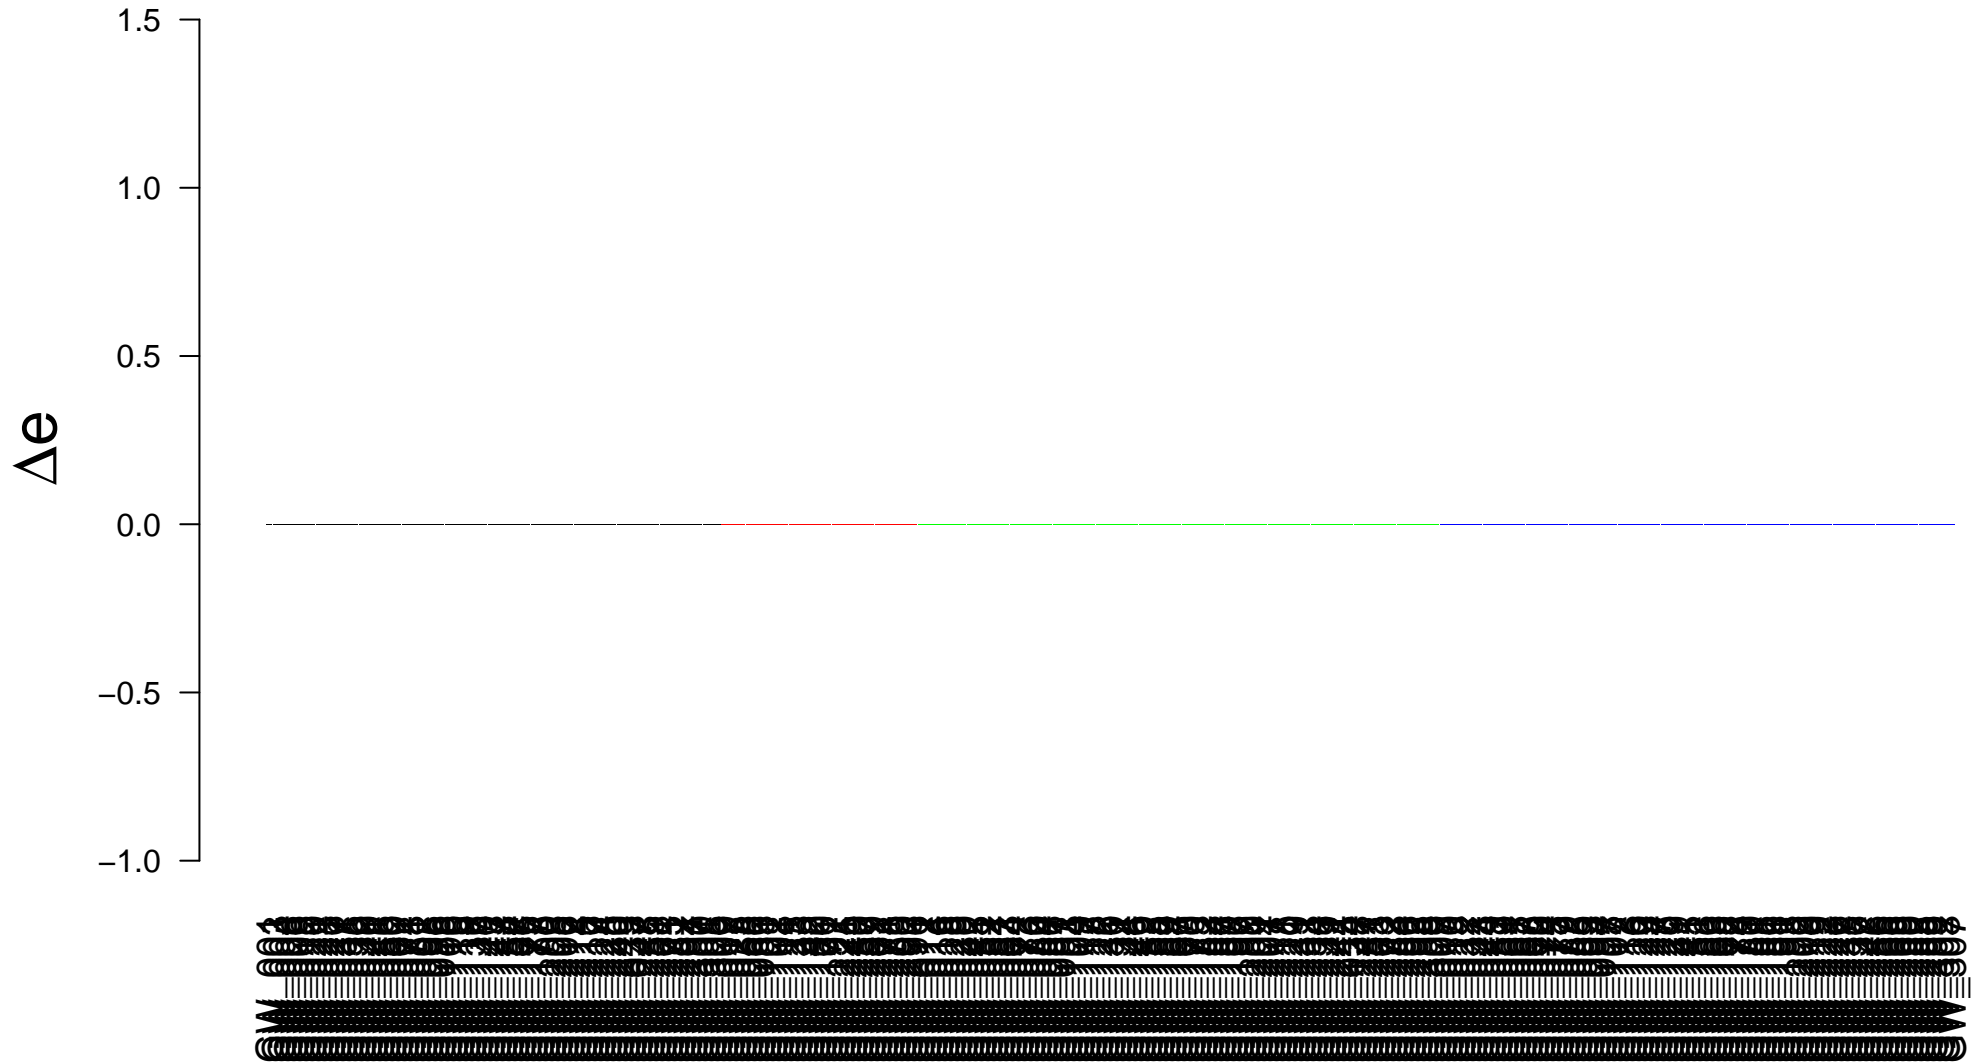

Expression of acetyltransferase activity in Spot F

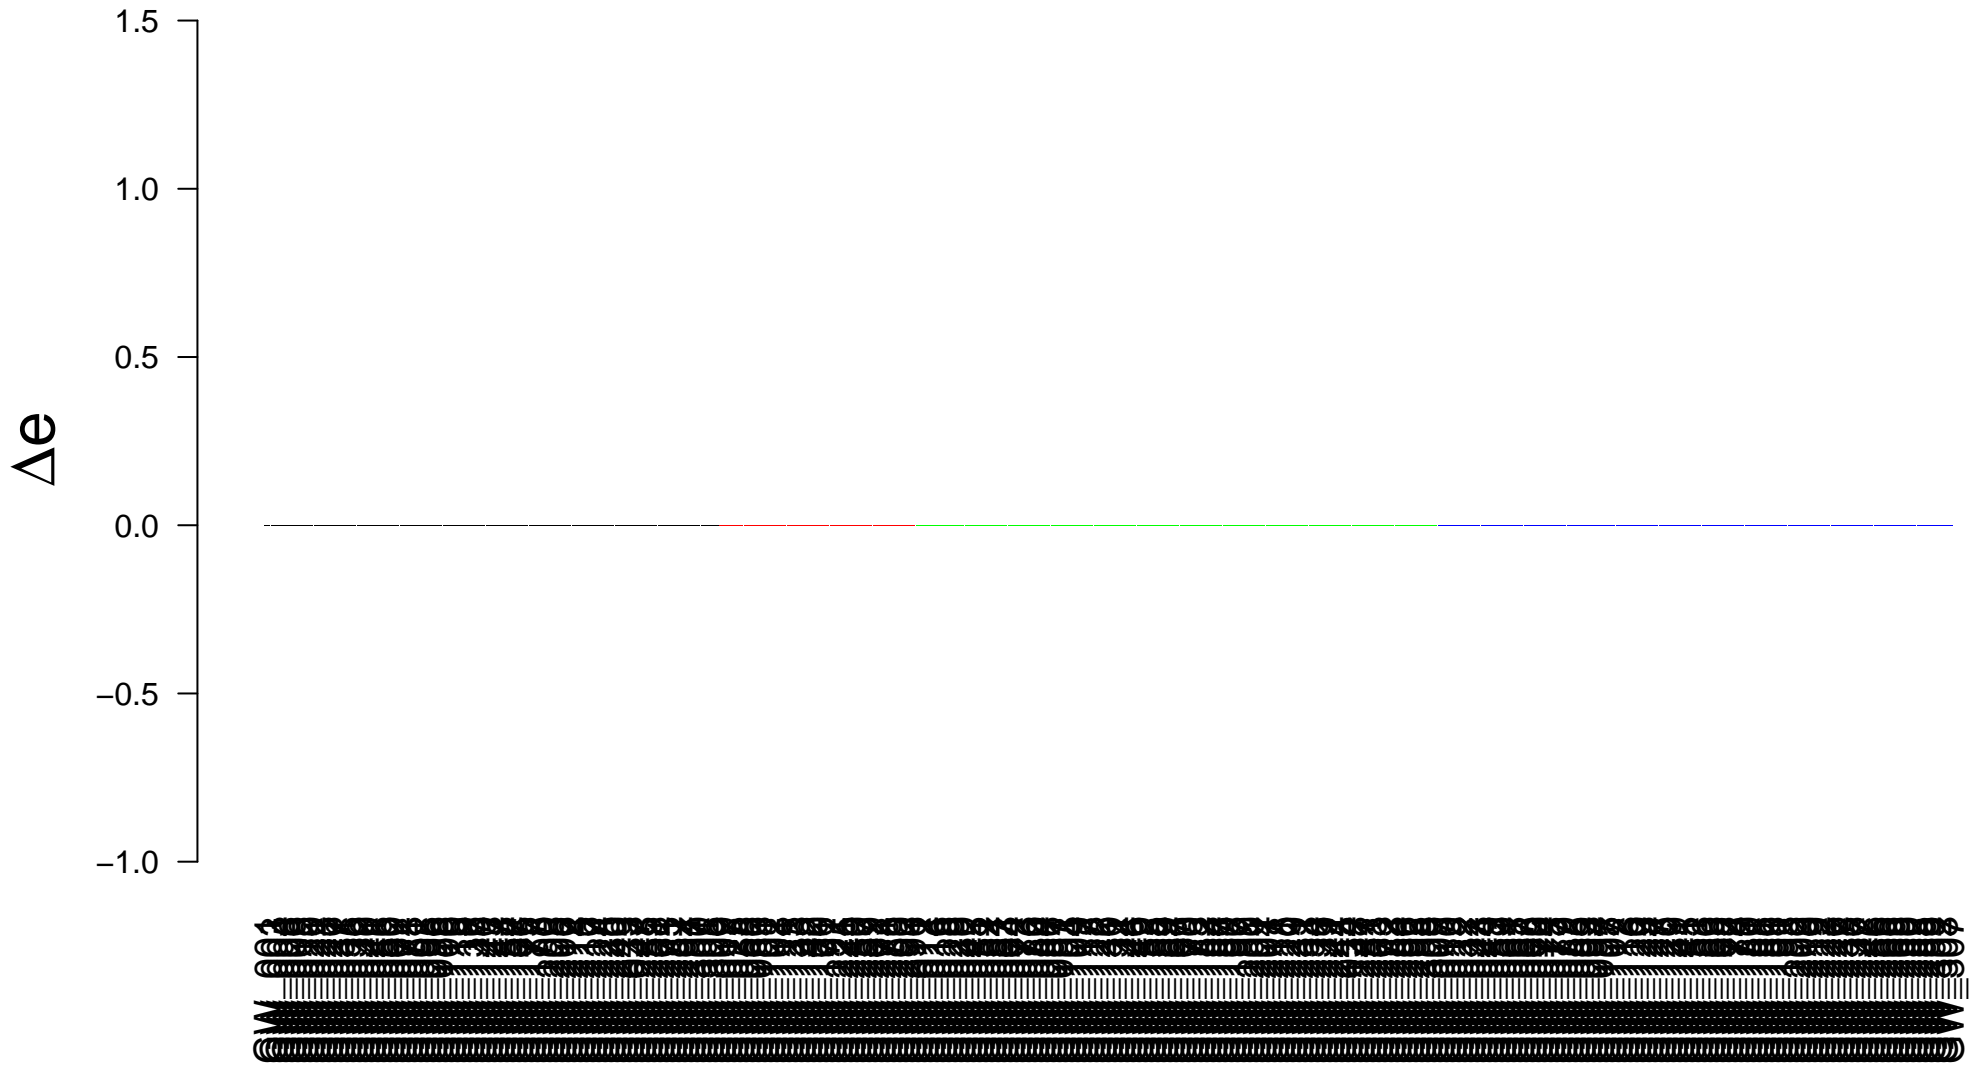

Expression of acetyltransferase activity in Spot G

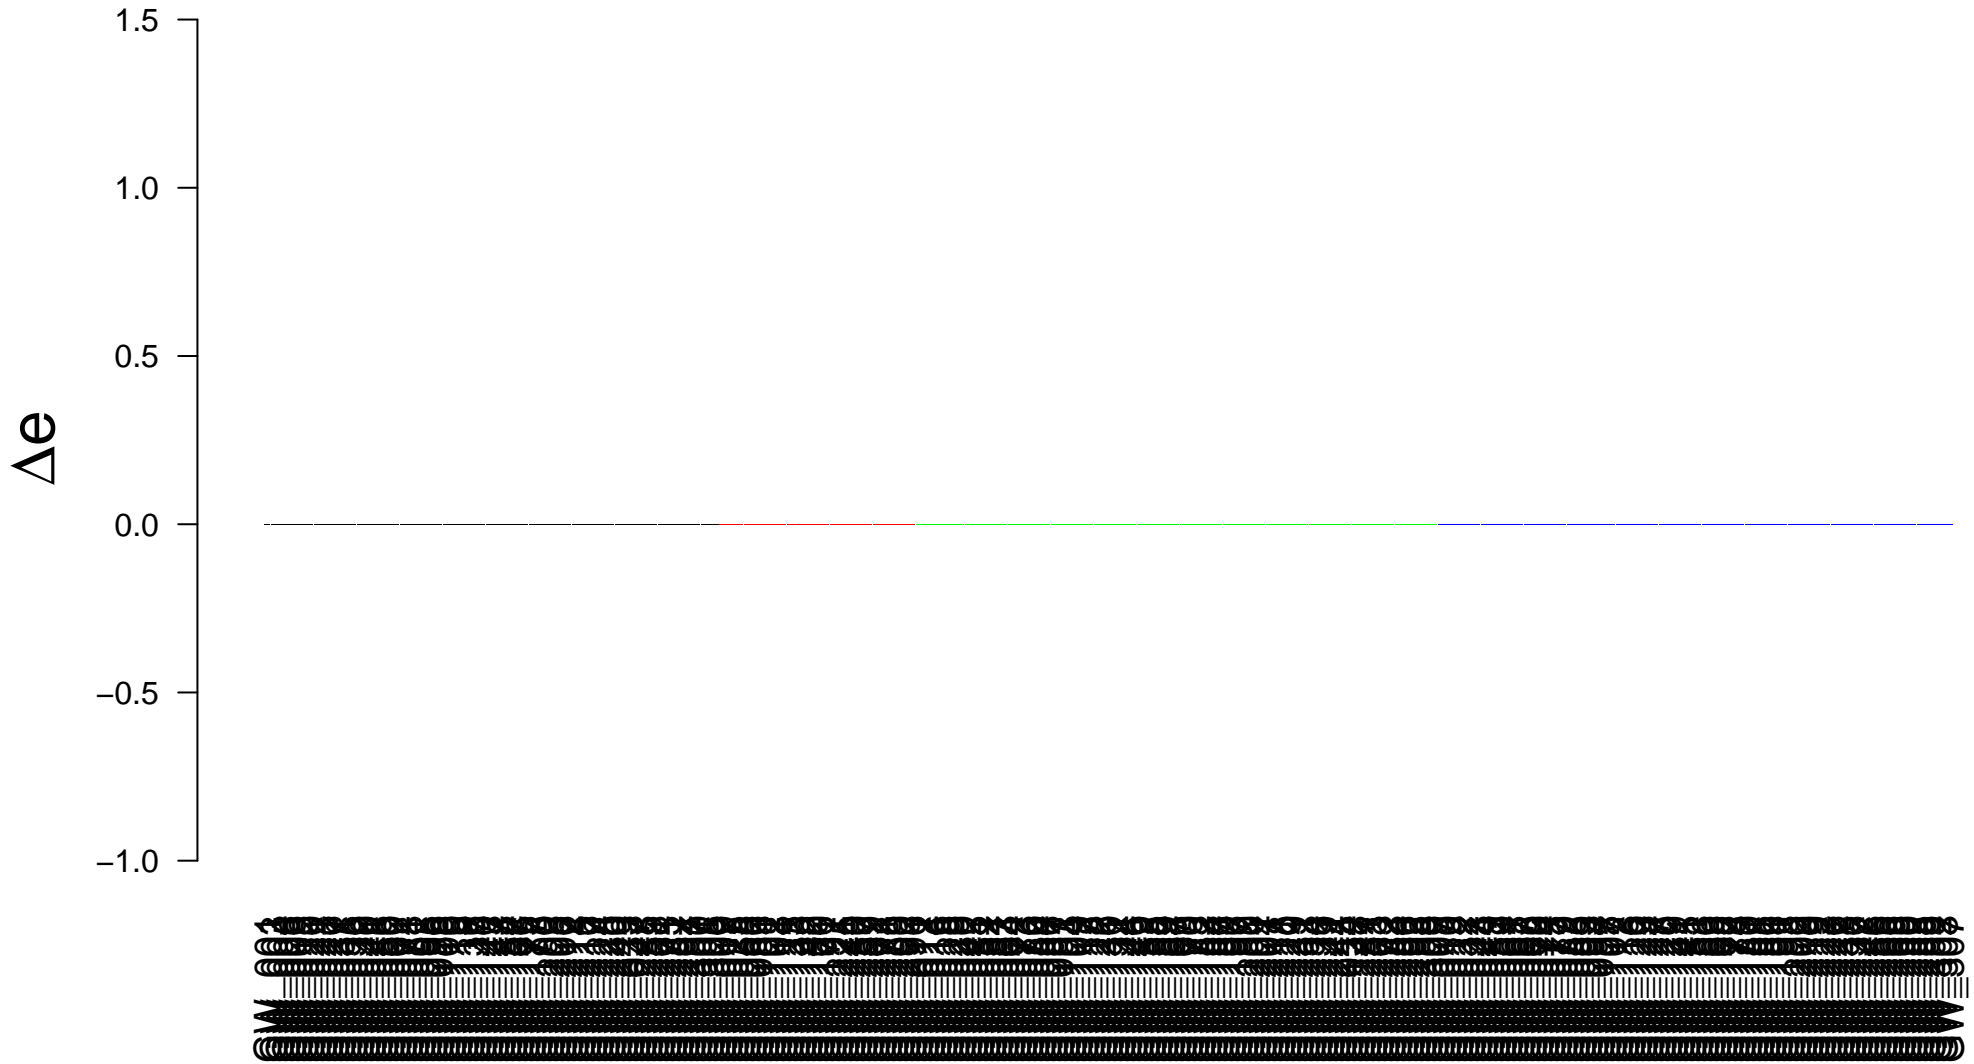

Expression of acetyltransferase activity in Spot H

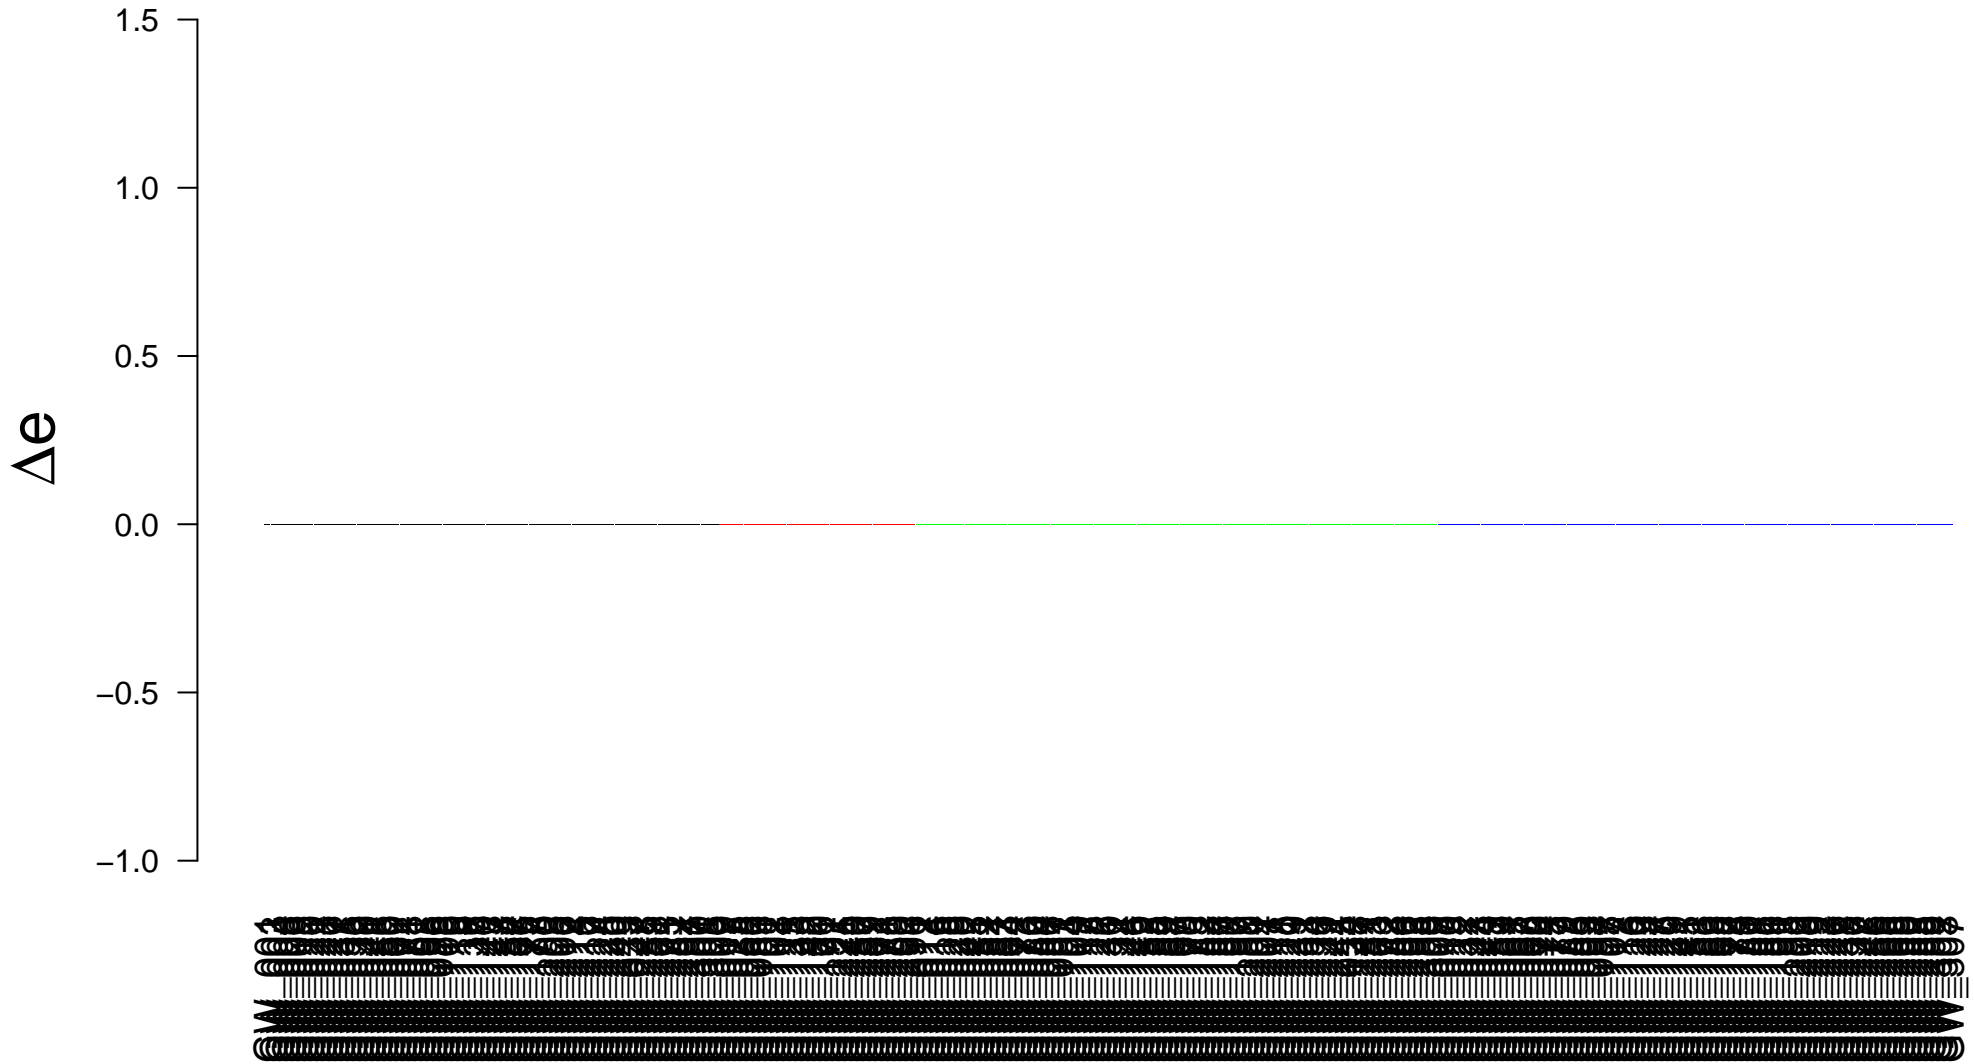

Expression of acetyltransferase activity in Spot I

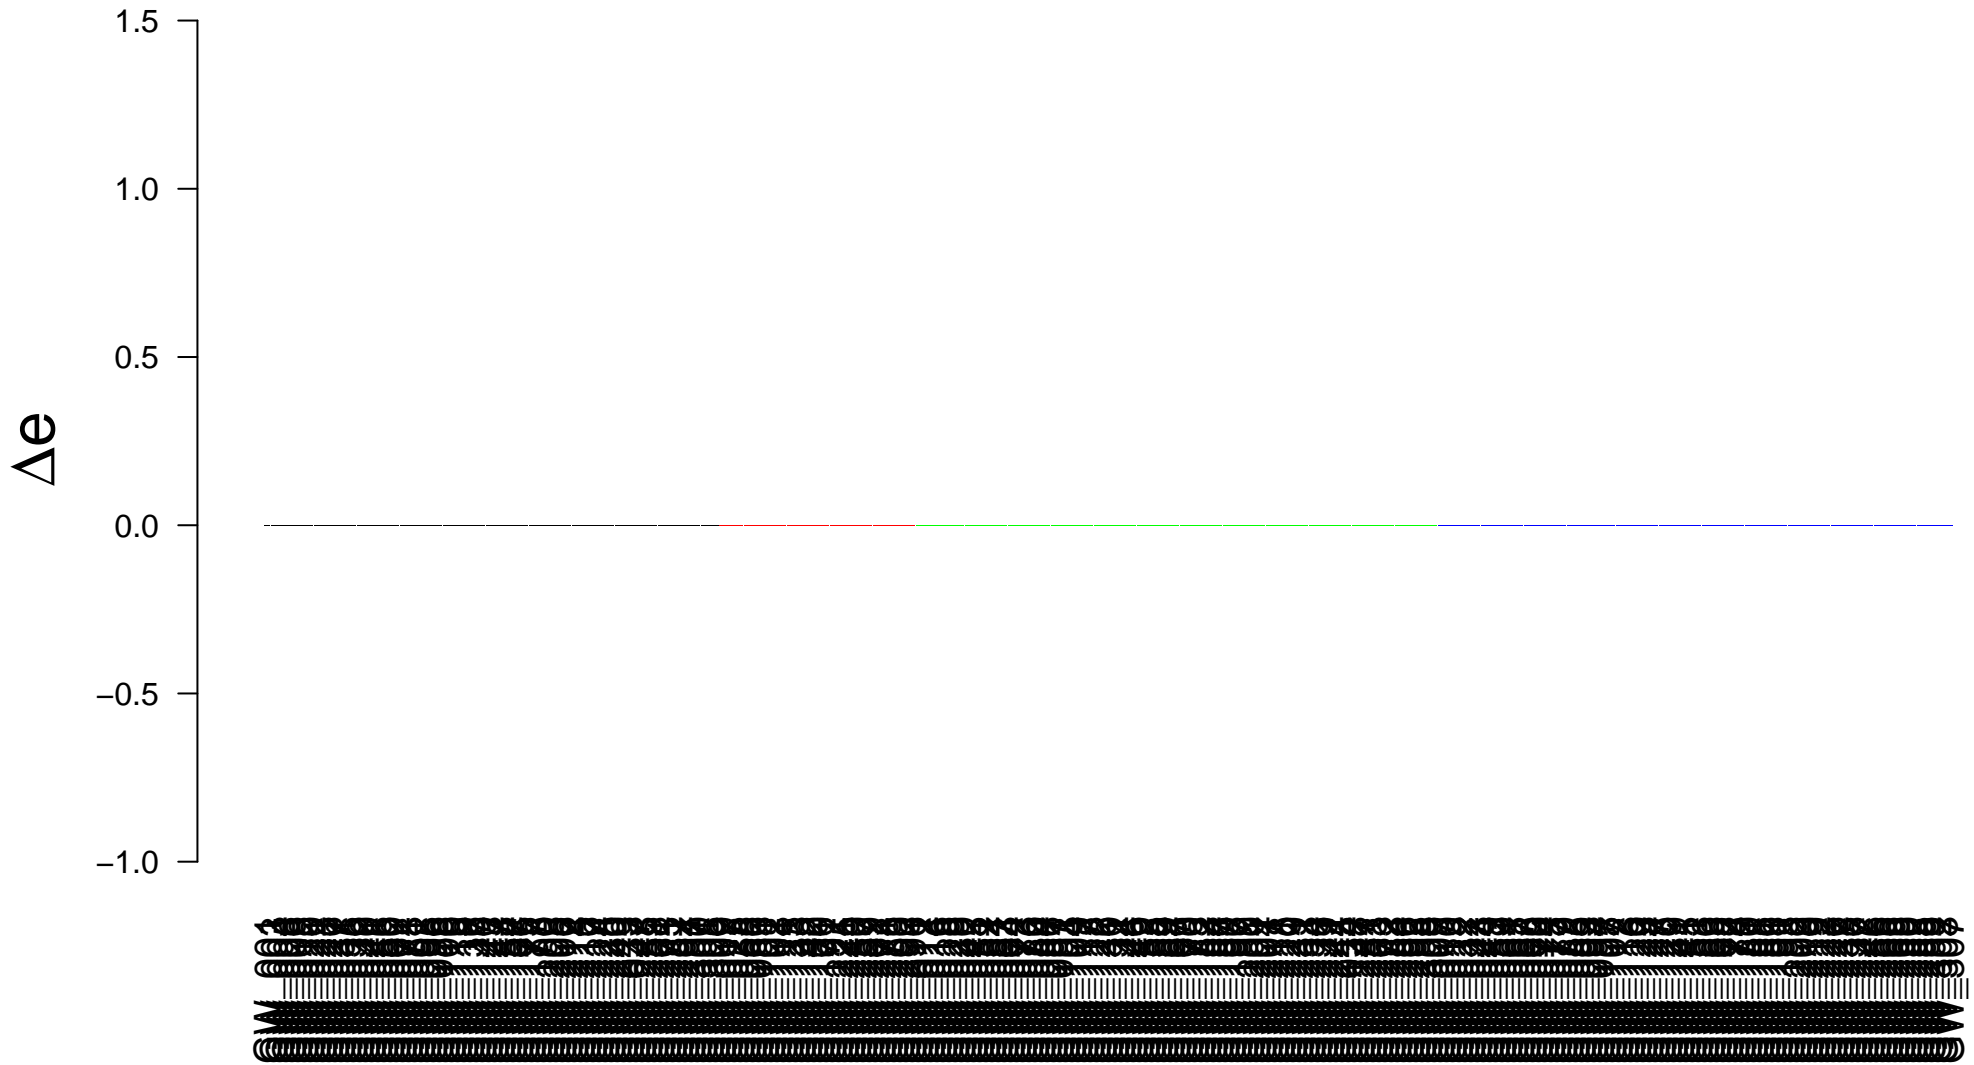

Expression of acetyltransferase activity in Spot J

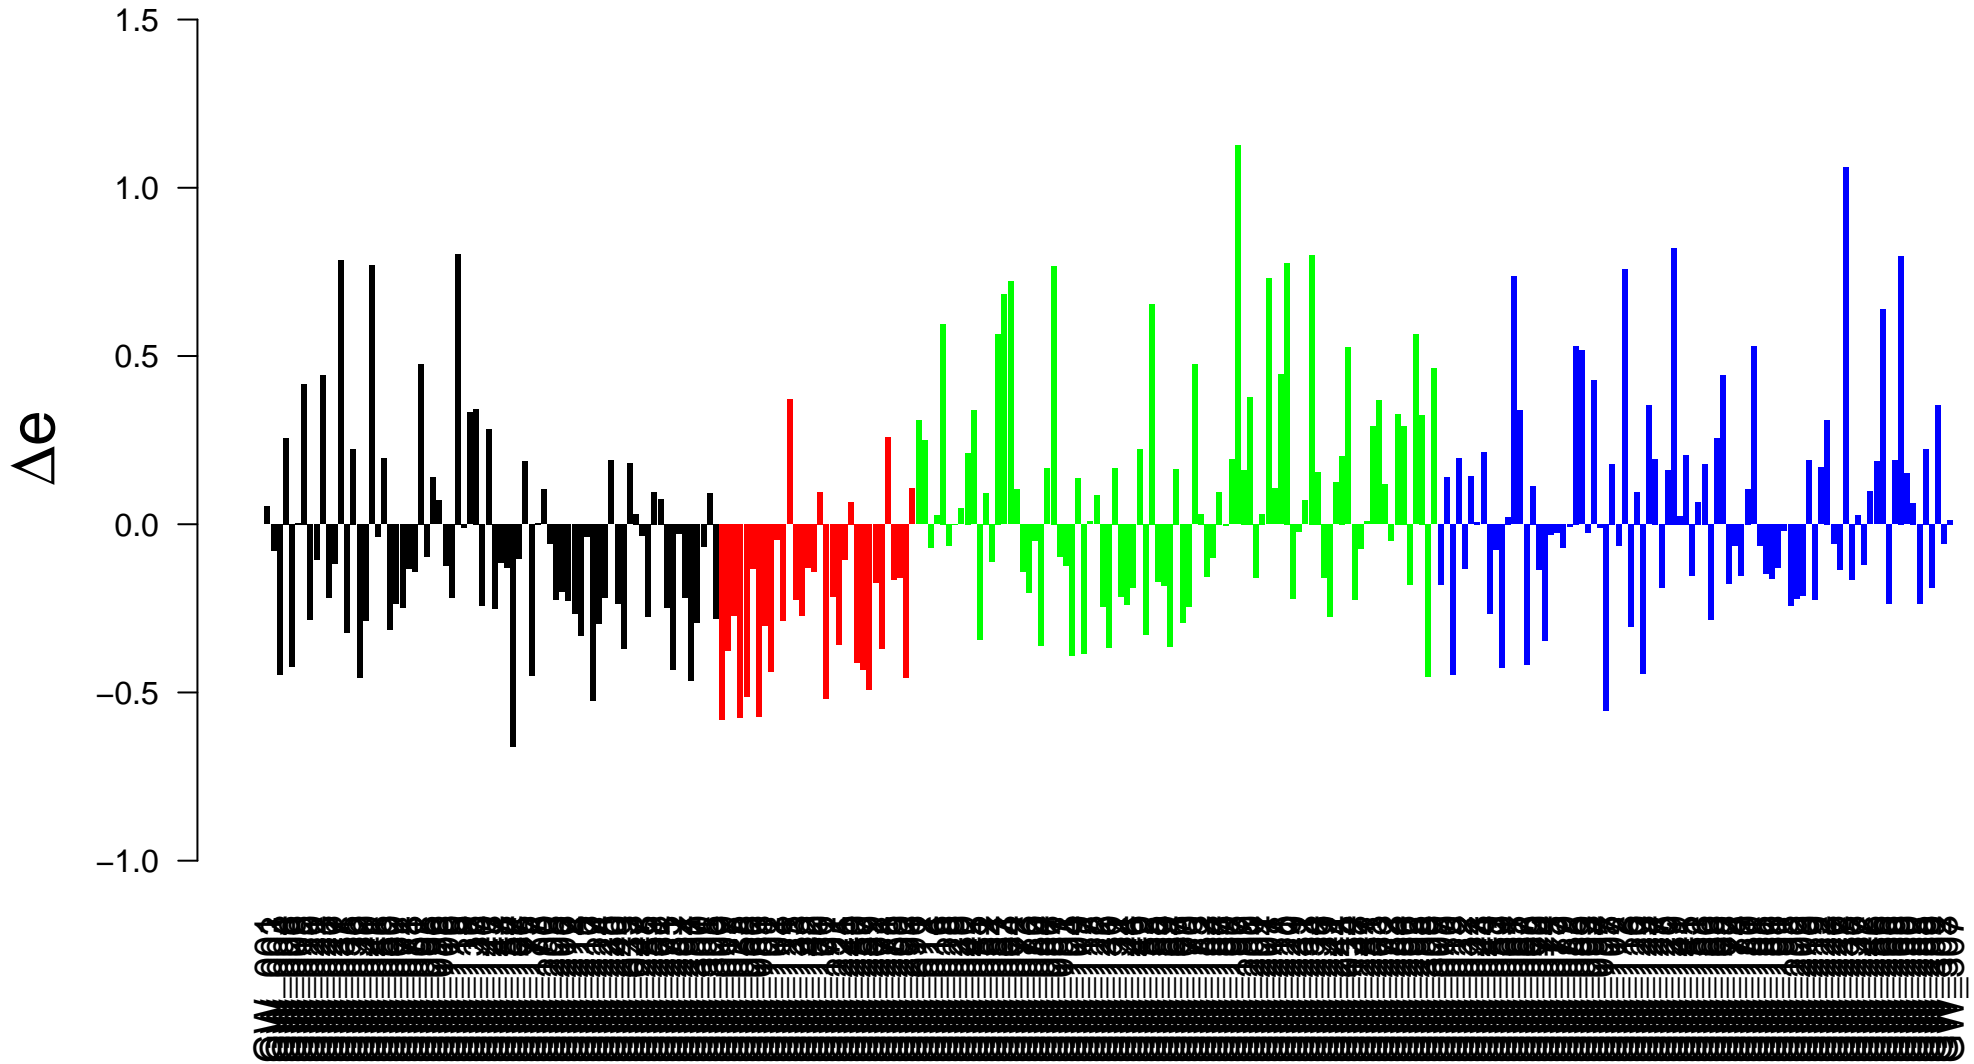

Expression of acetyltransferase activity in Spot K

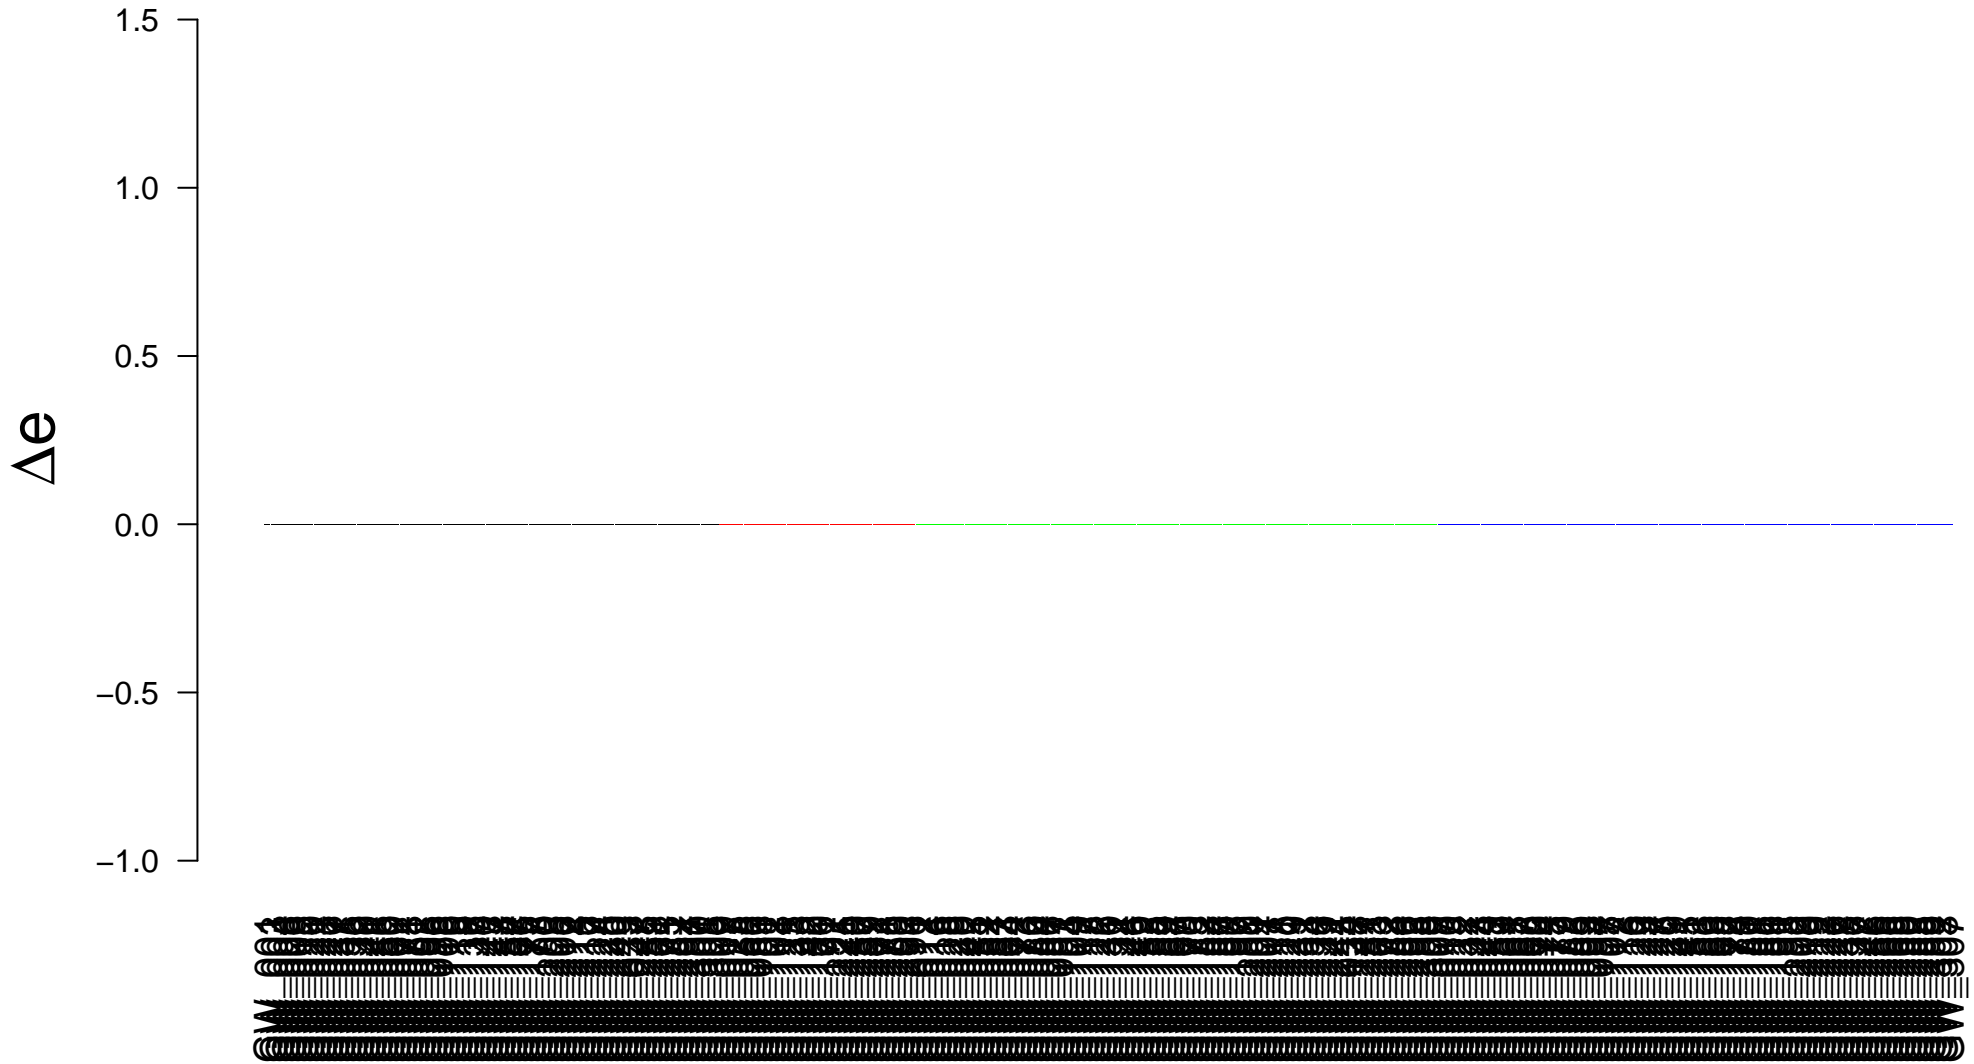

Expression of acetyltransferase activity in Spot L

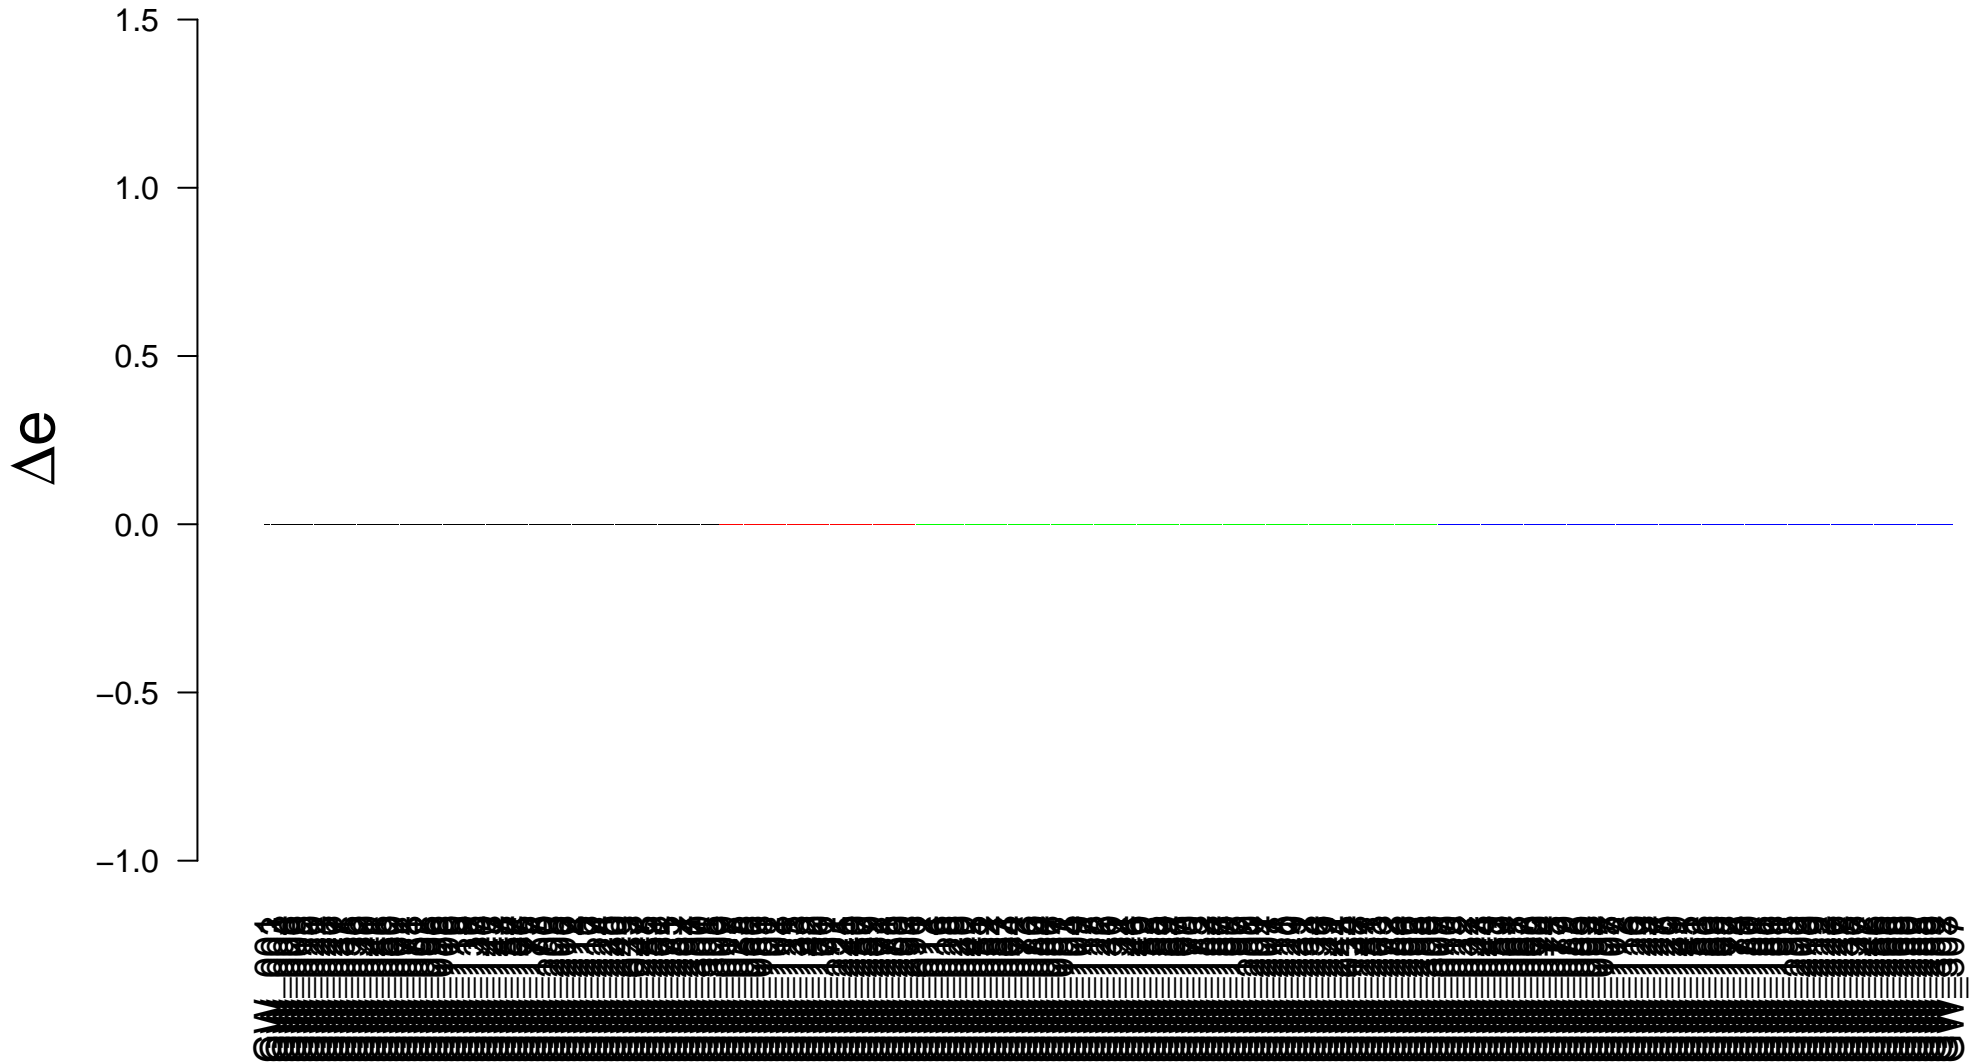

Expression of acetyltransferase activity in Spot M

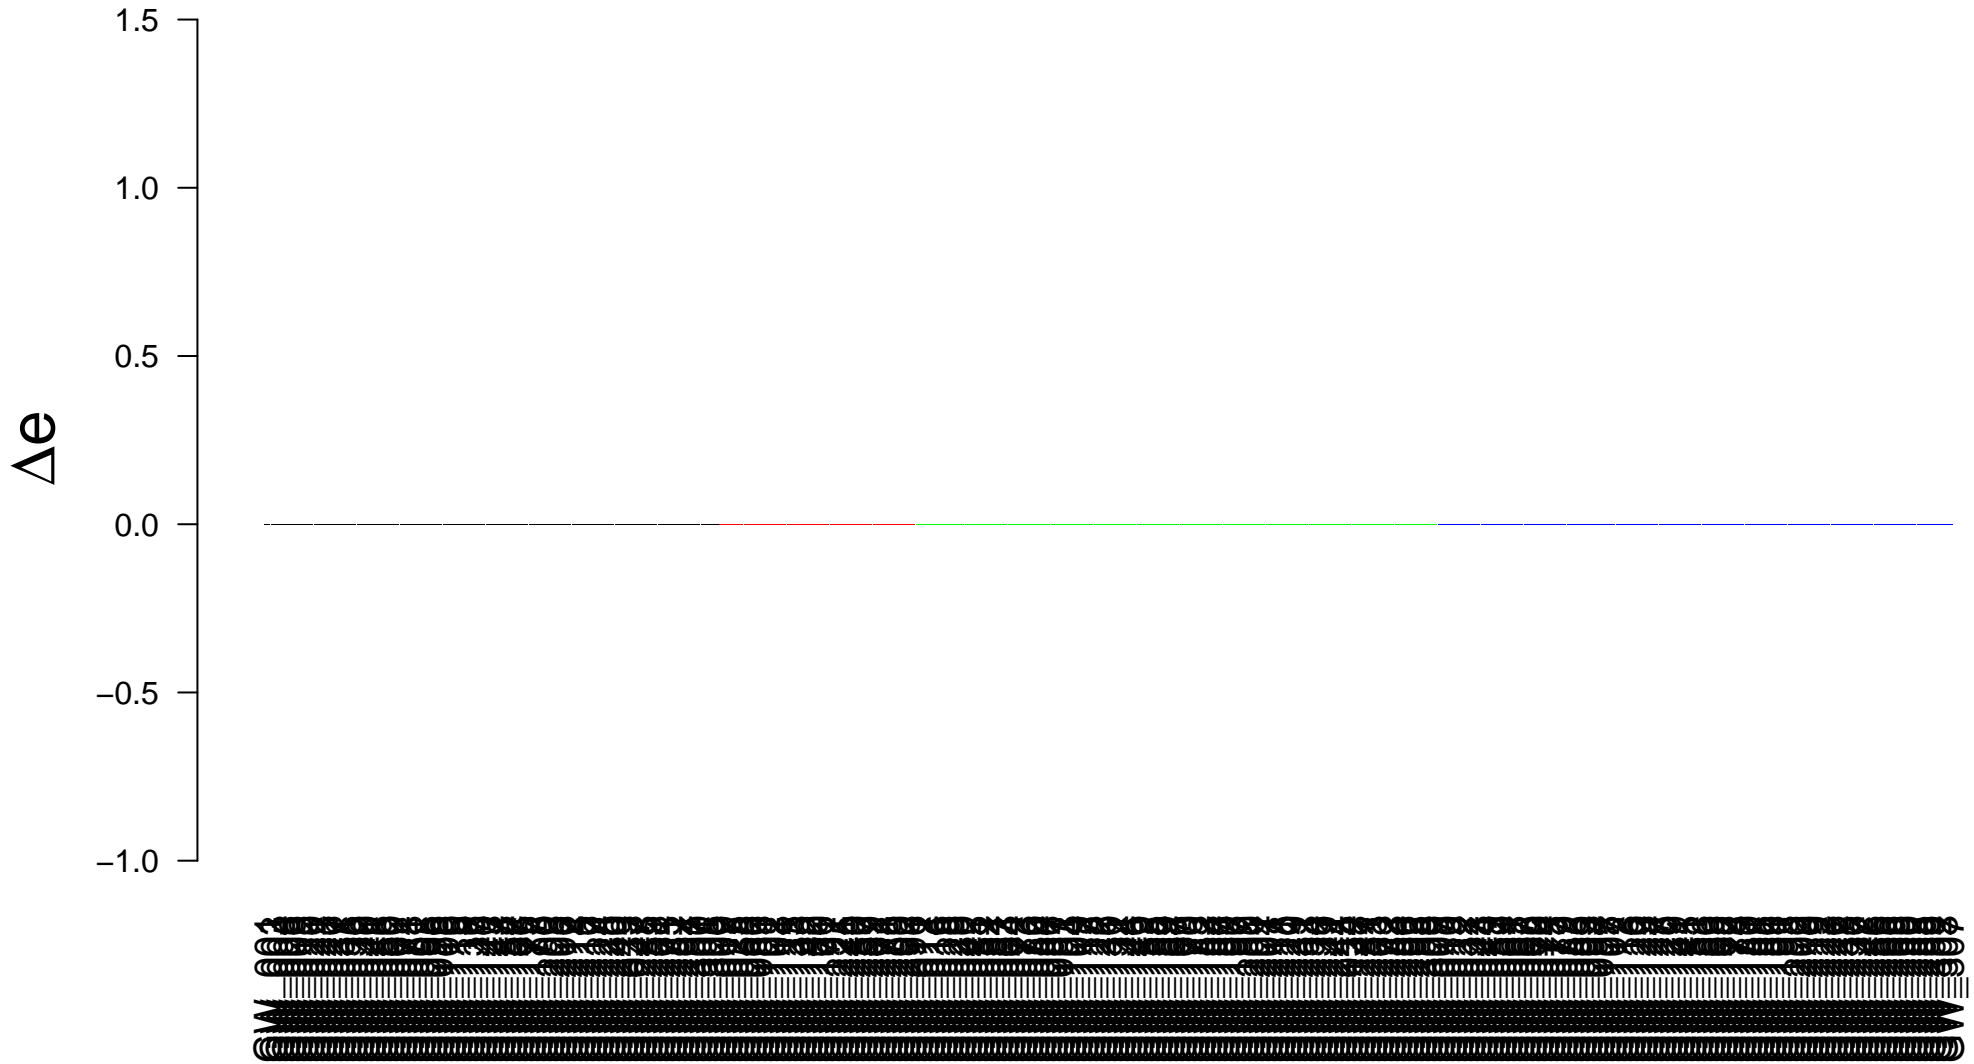

Expression of acetyltransferase activity in Spot N

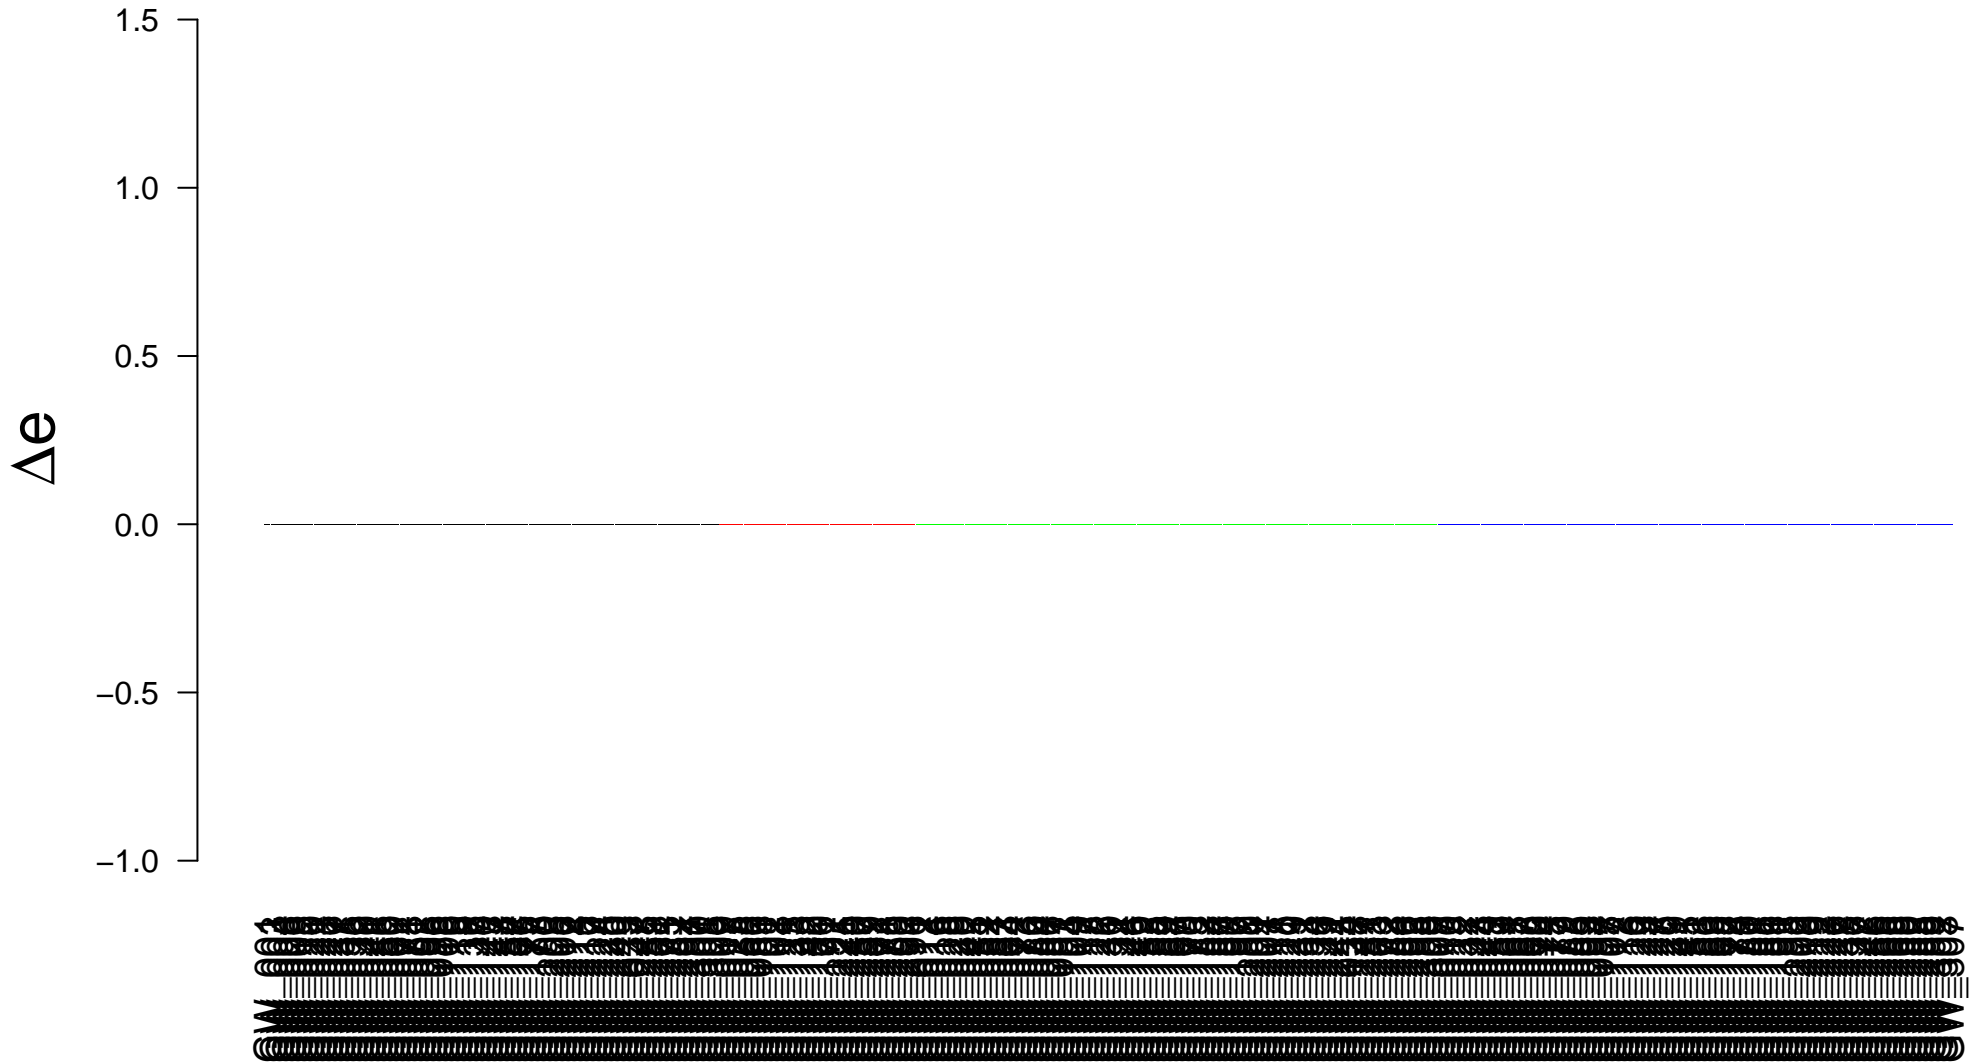

Expression of acetyltransferase activity in Spot O

Expression of acetyltransferase activity in Spot P

Expression of acetyltransferase activity in Spot Q

Expression of acetyltransferase activity in Spot R
