

acid phosphatase activity

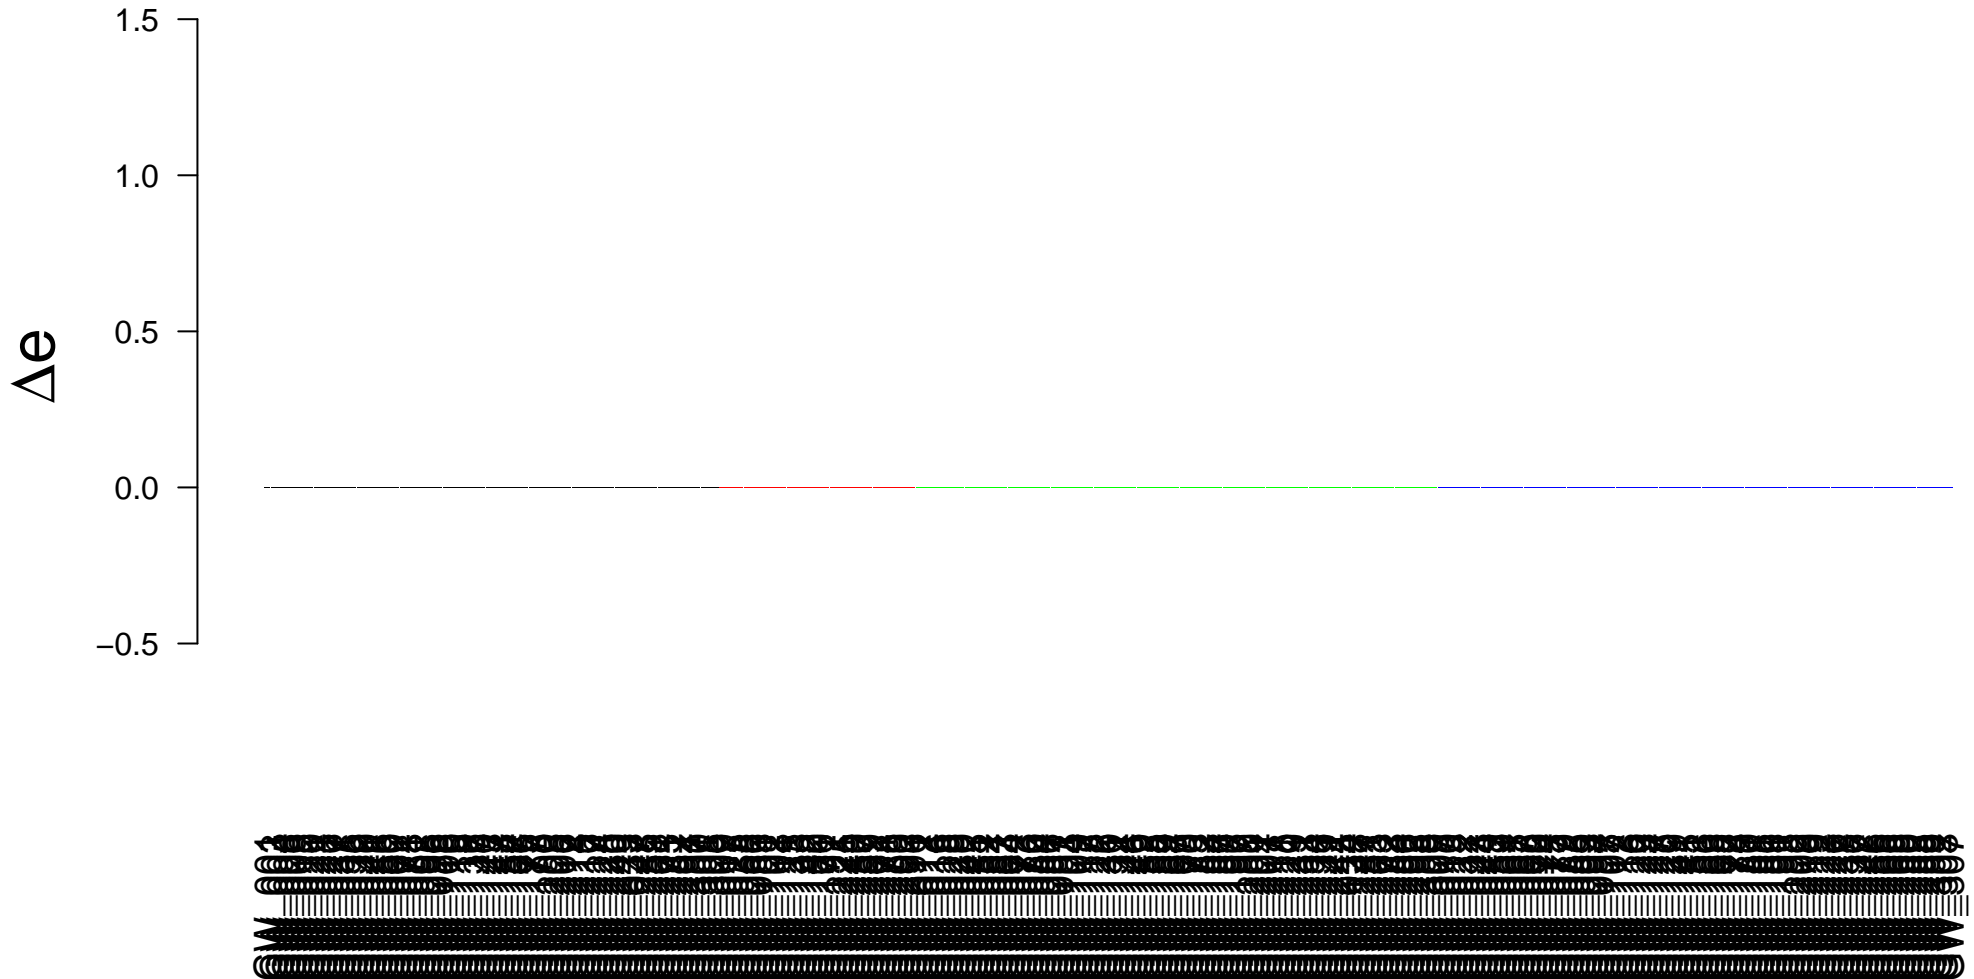

acid phosphatase activity

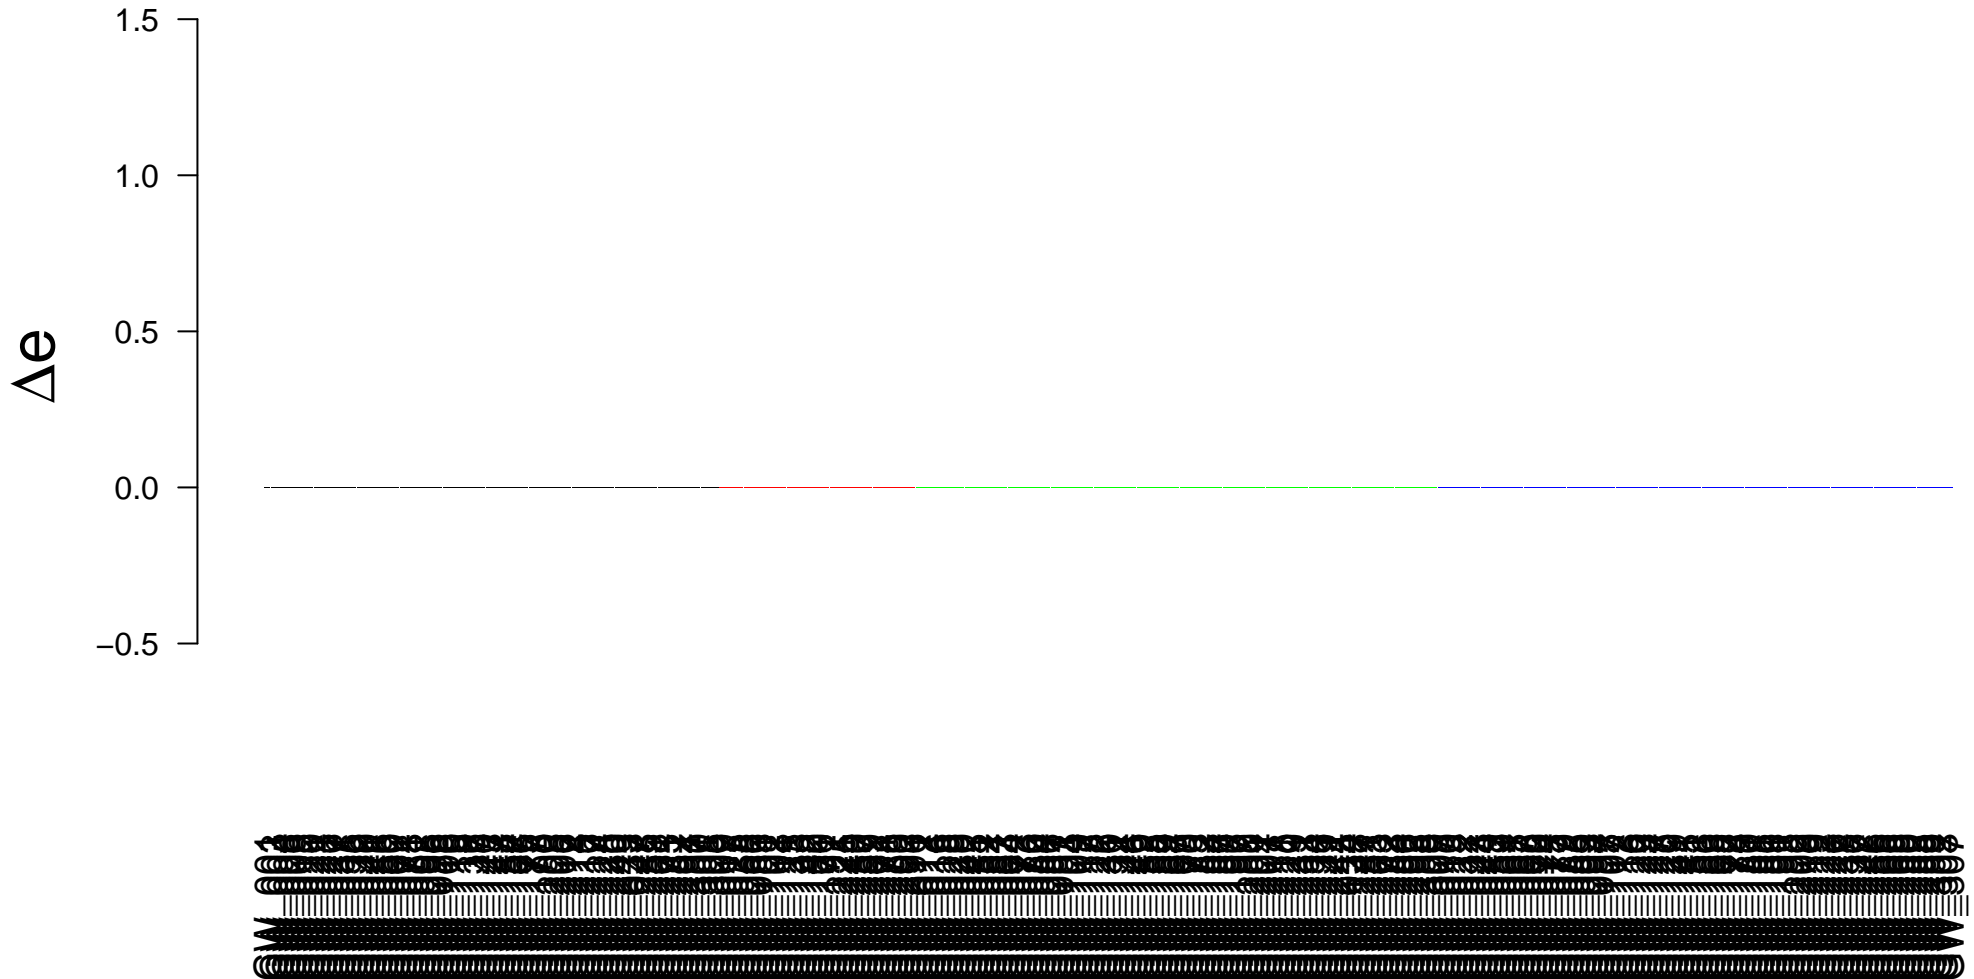

Enrichment in spots: acid phosphatase activity

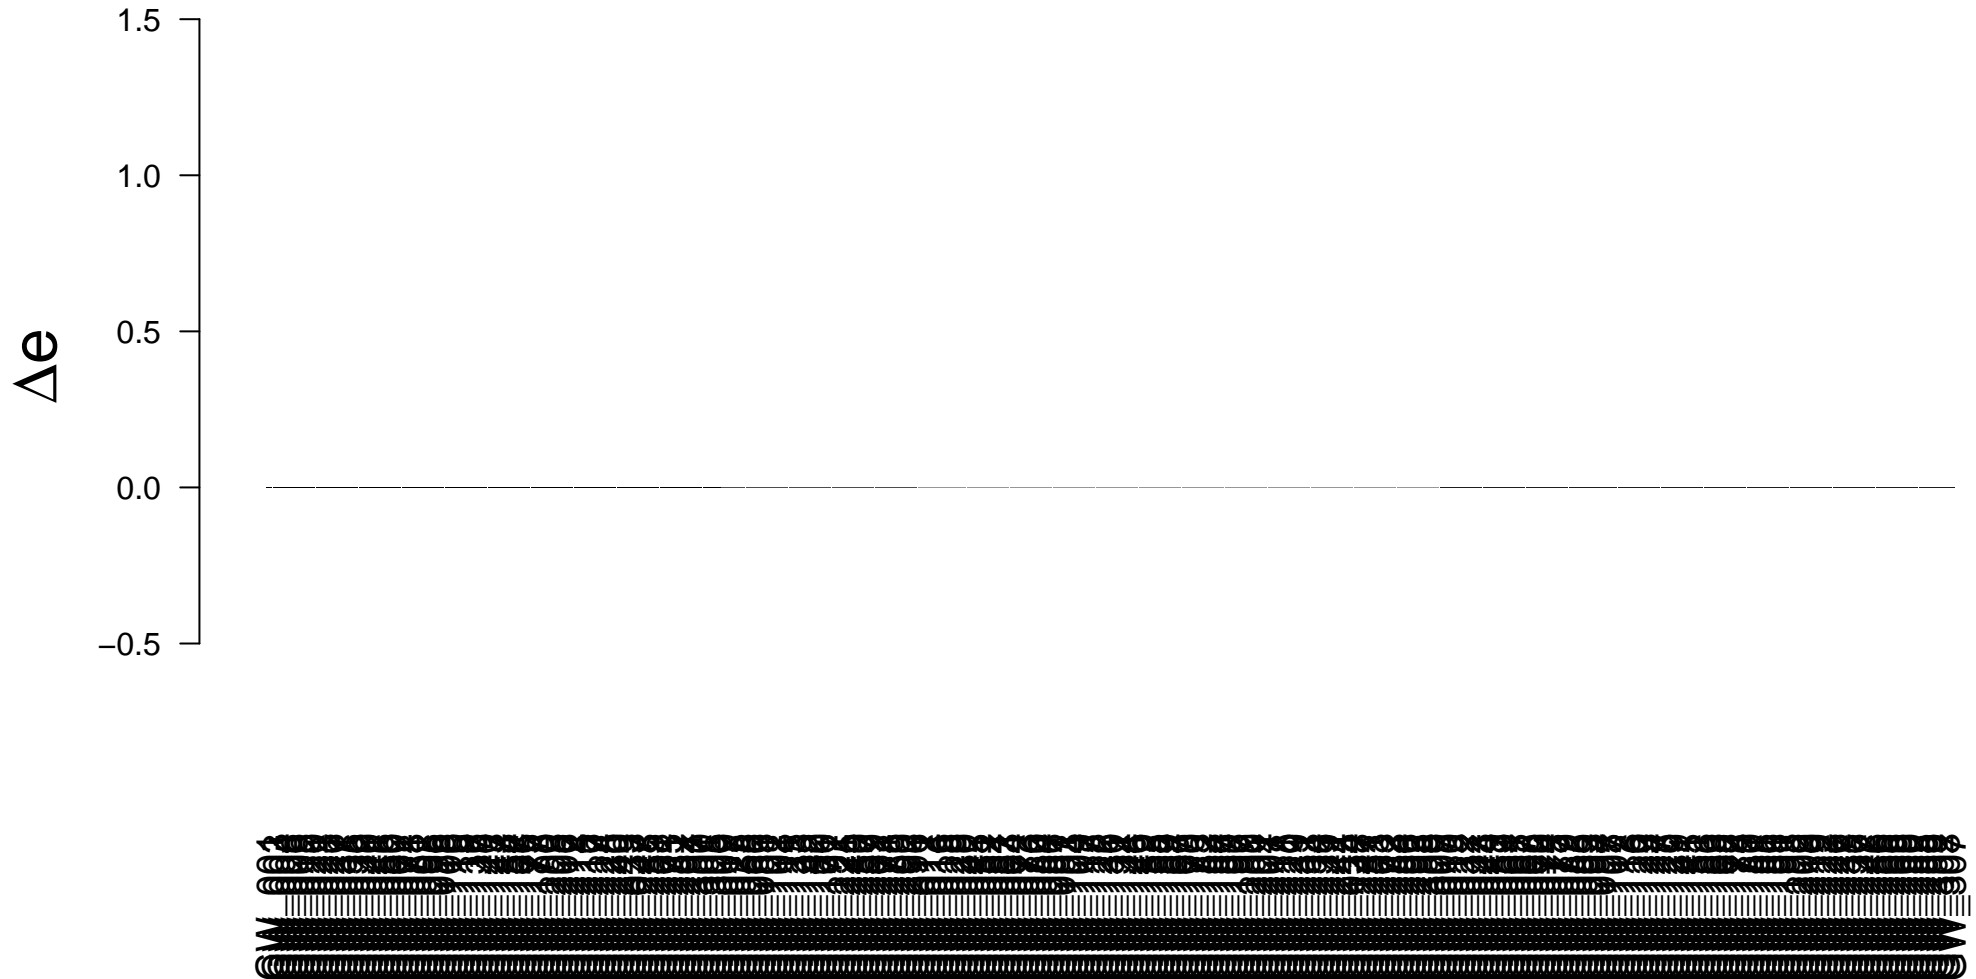

Expression of acid phosphatase activity in Spot A

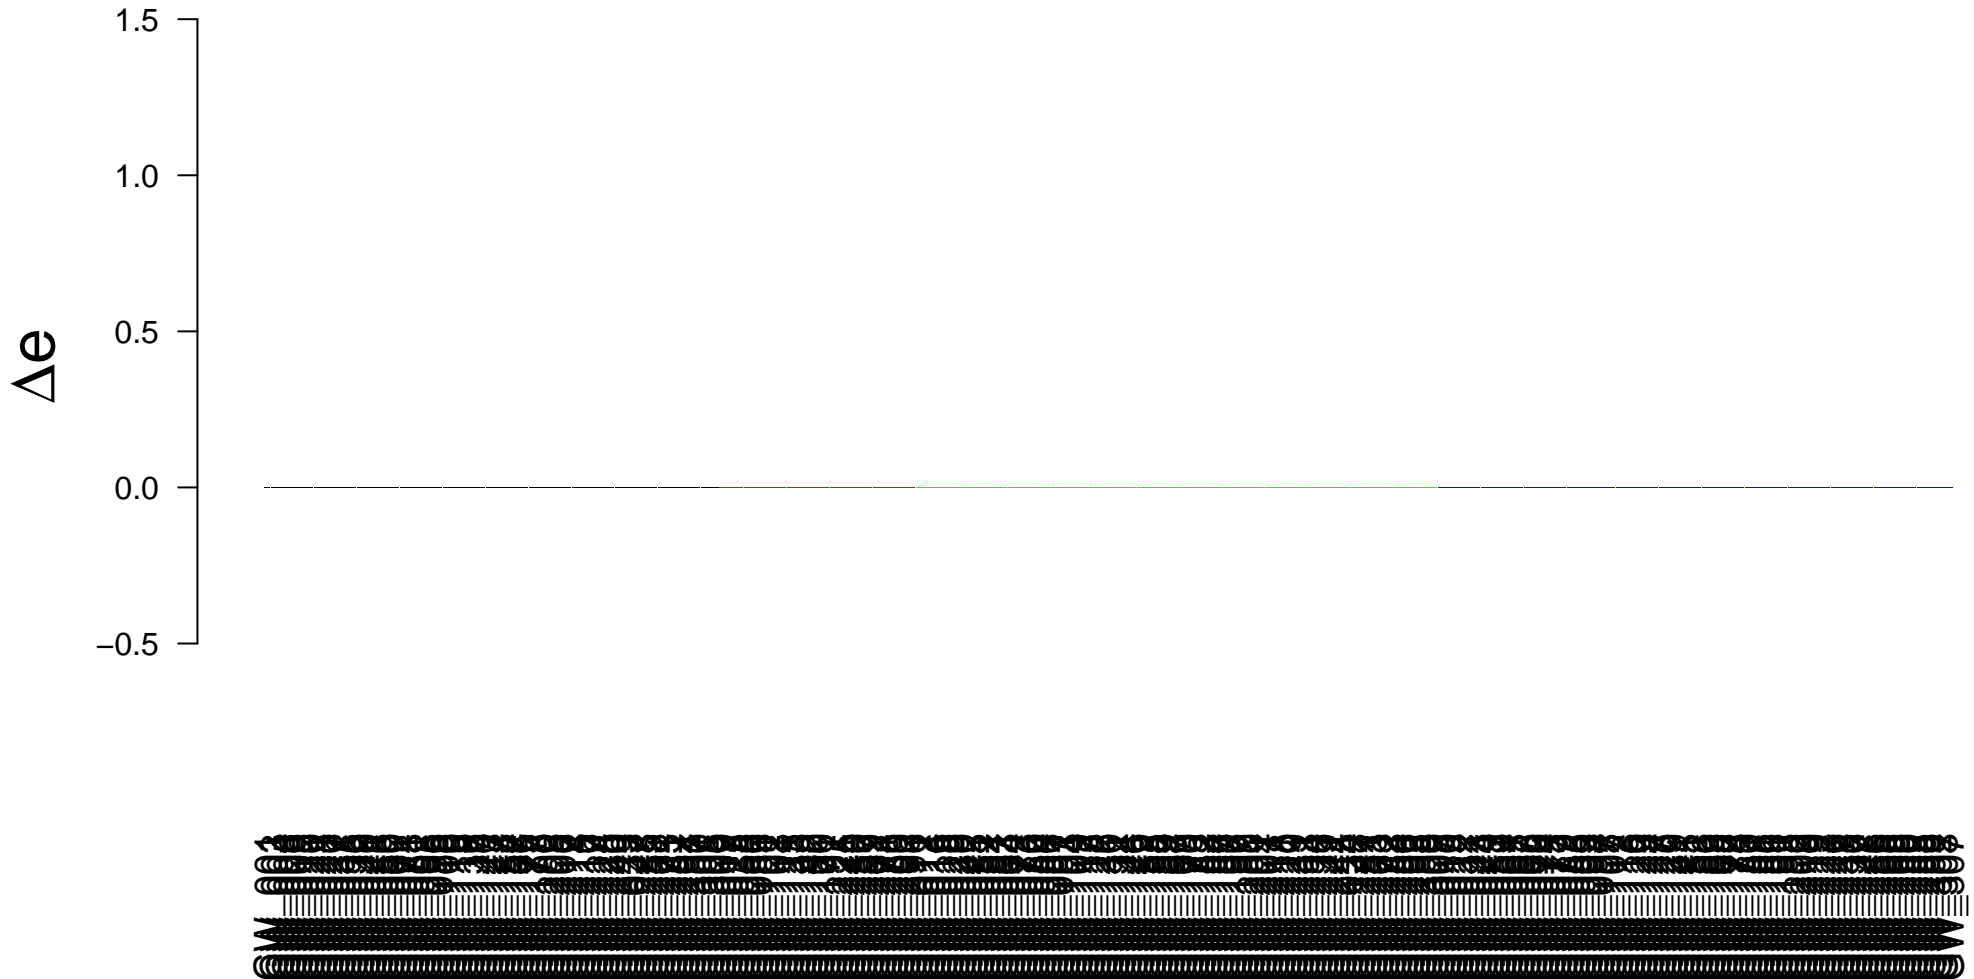

Expression of acid phosphatase activity in Spot B

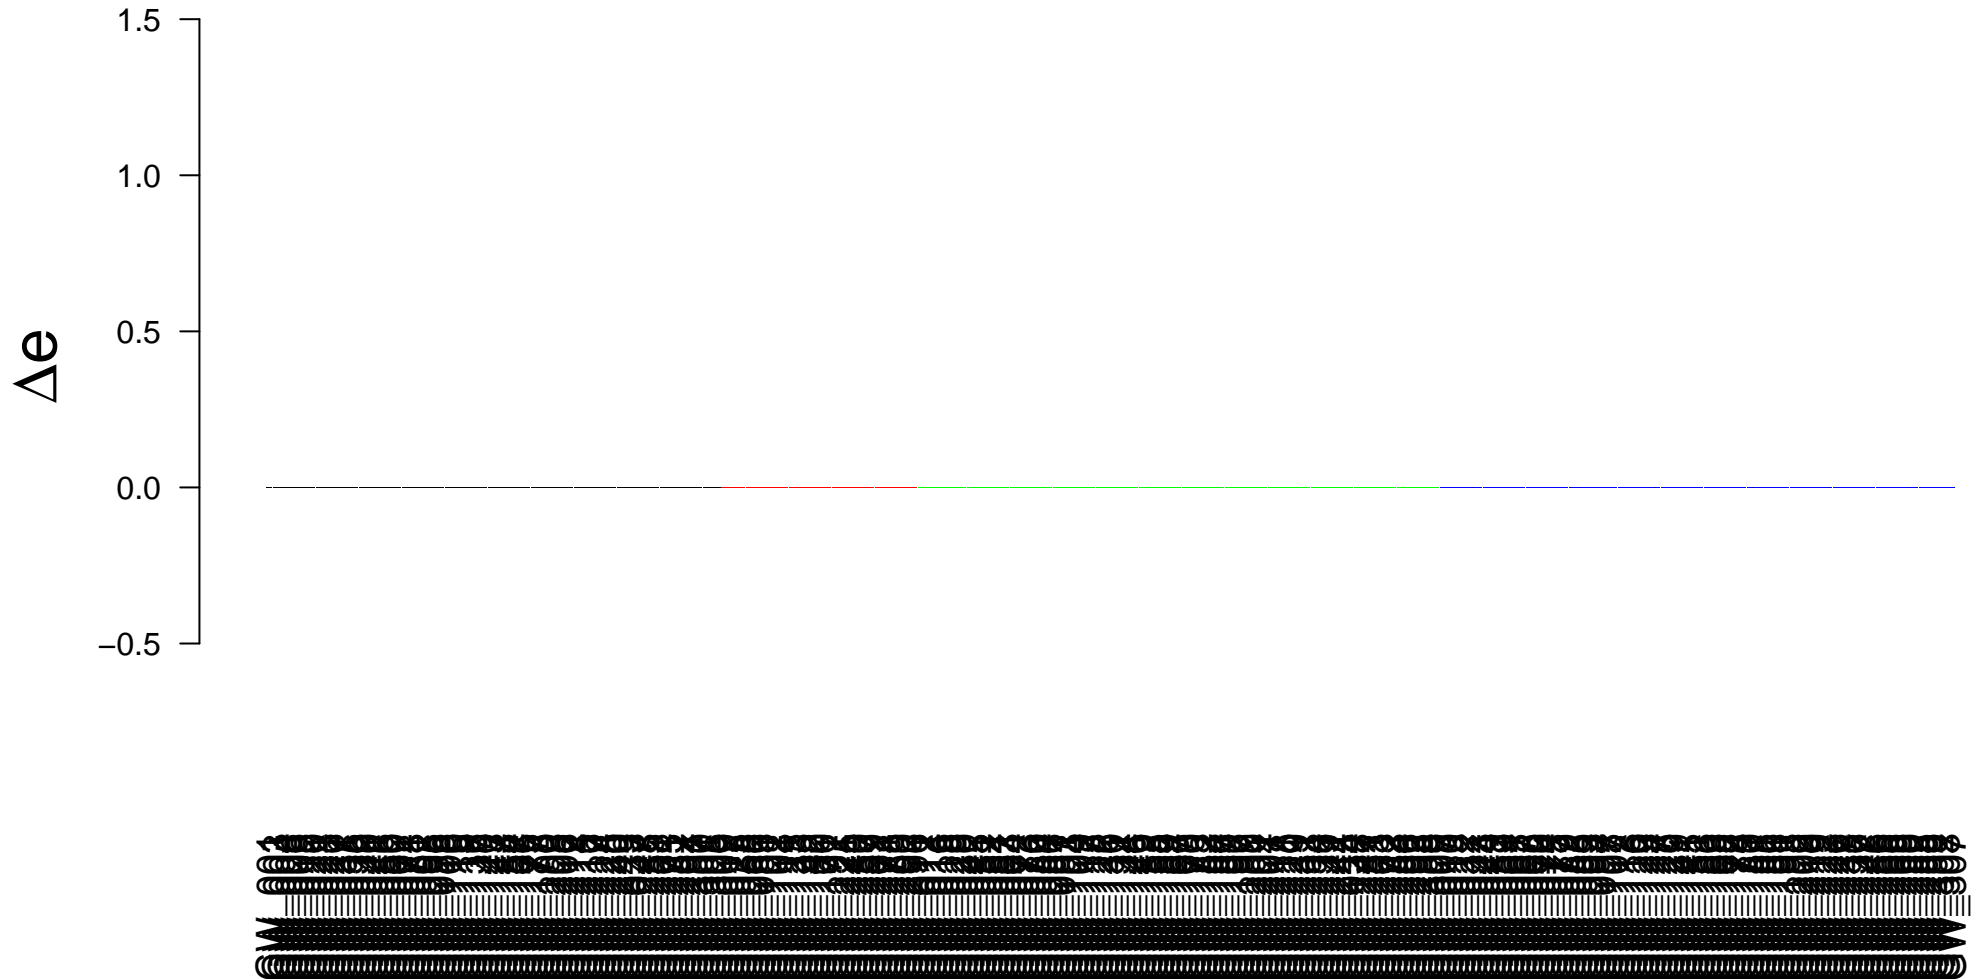

Expression of acid phosphatase activity in Spot C

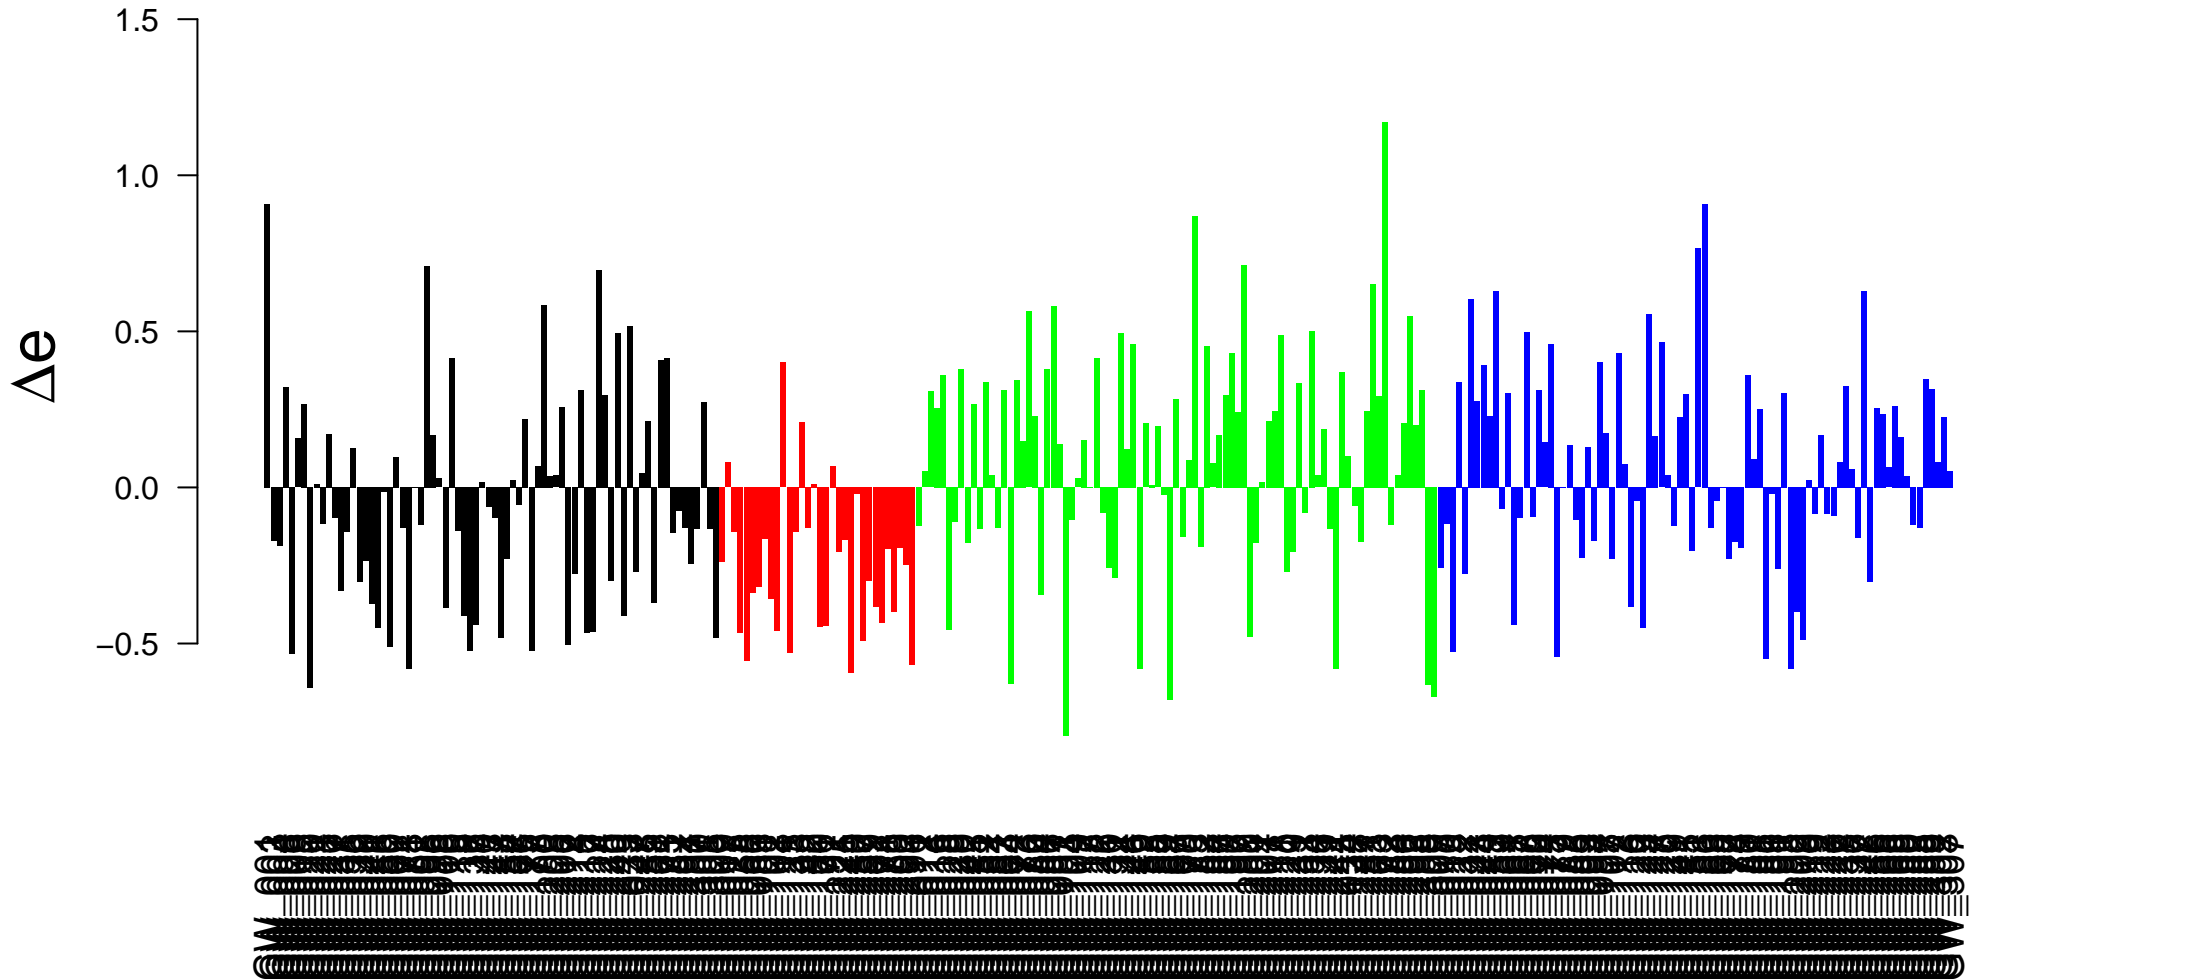

Expression of acid phosphatase activity in Spot D

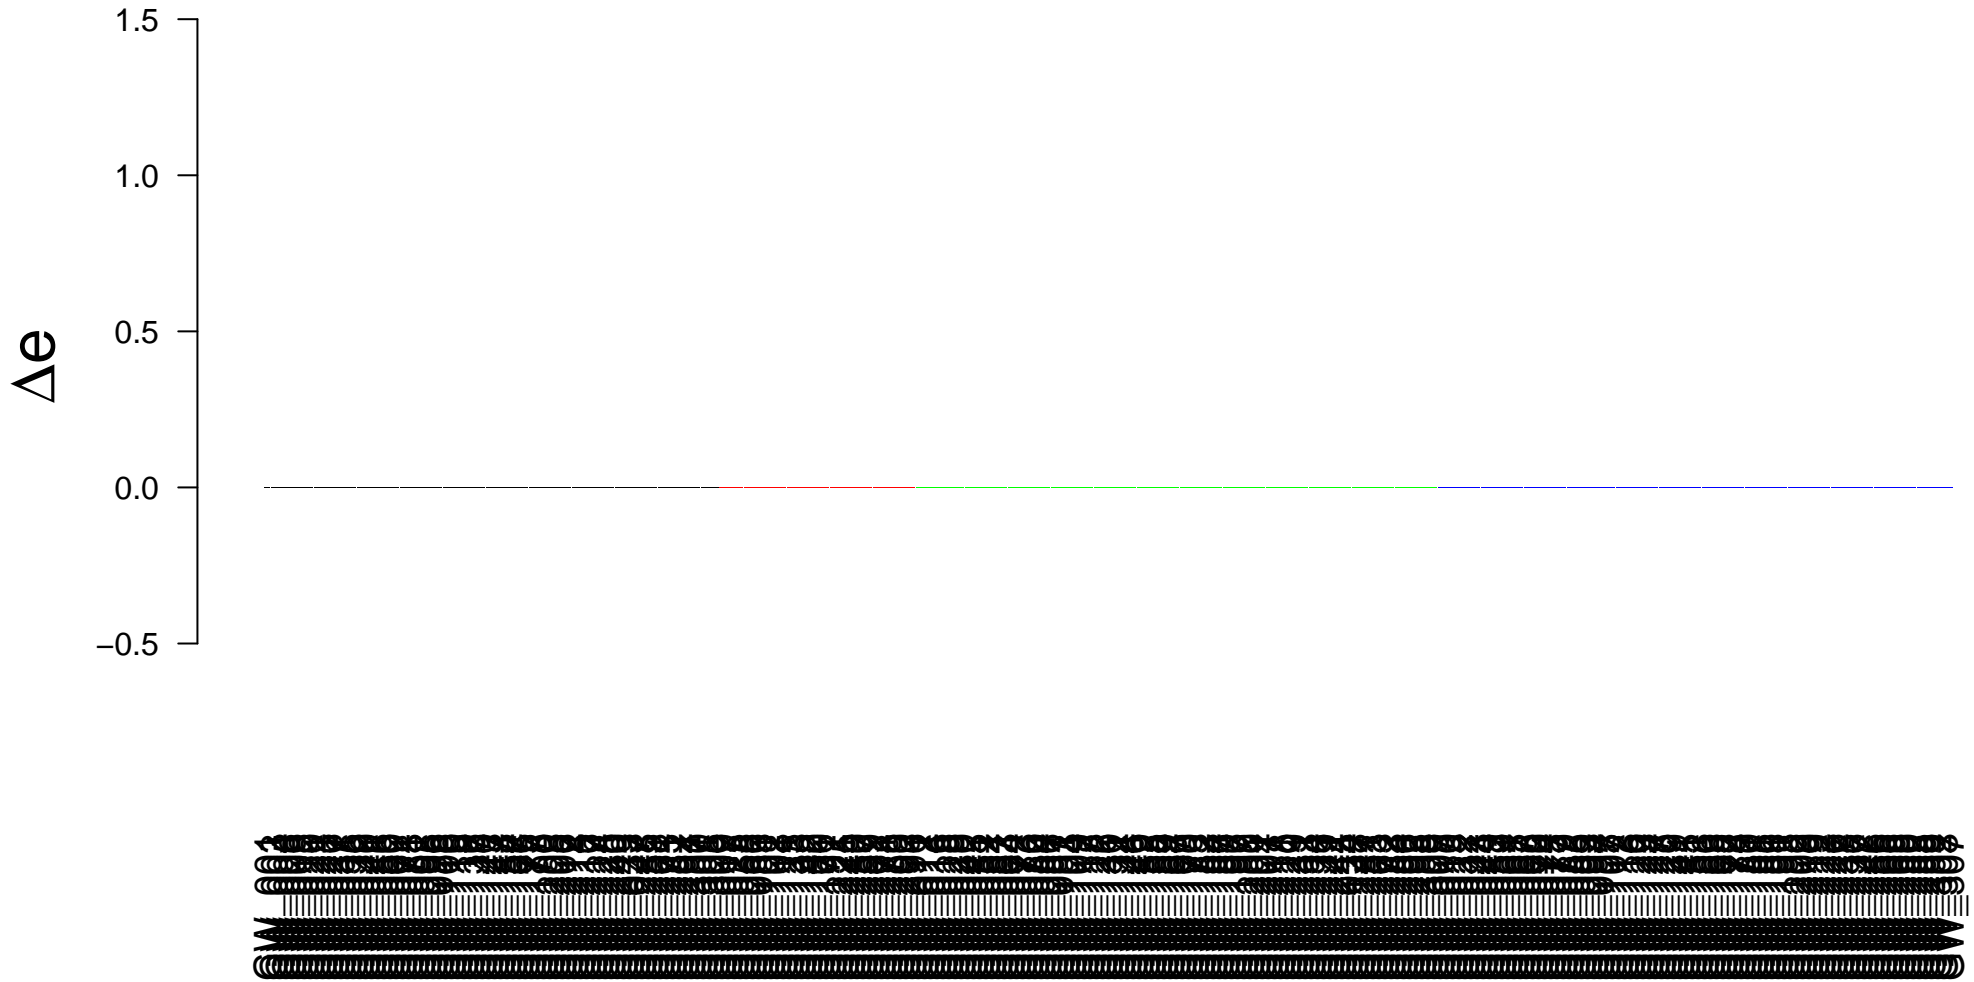

Expression of acid phosphatase activity in Spot E

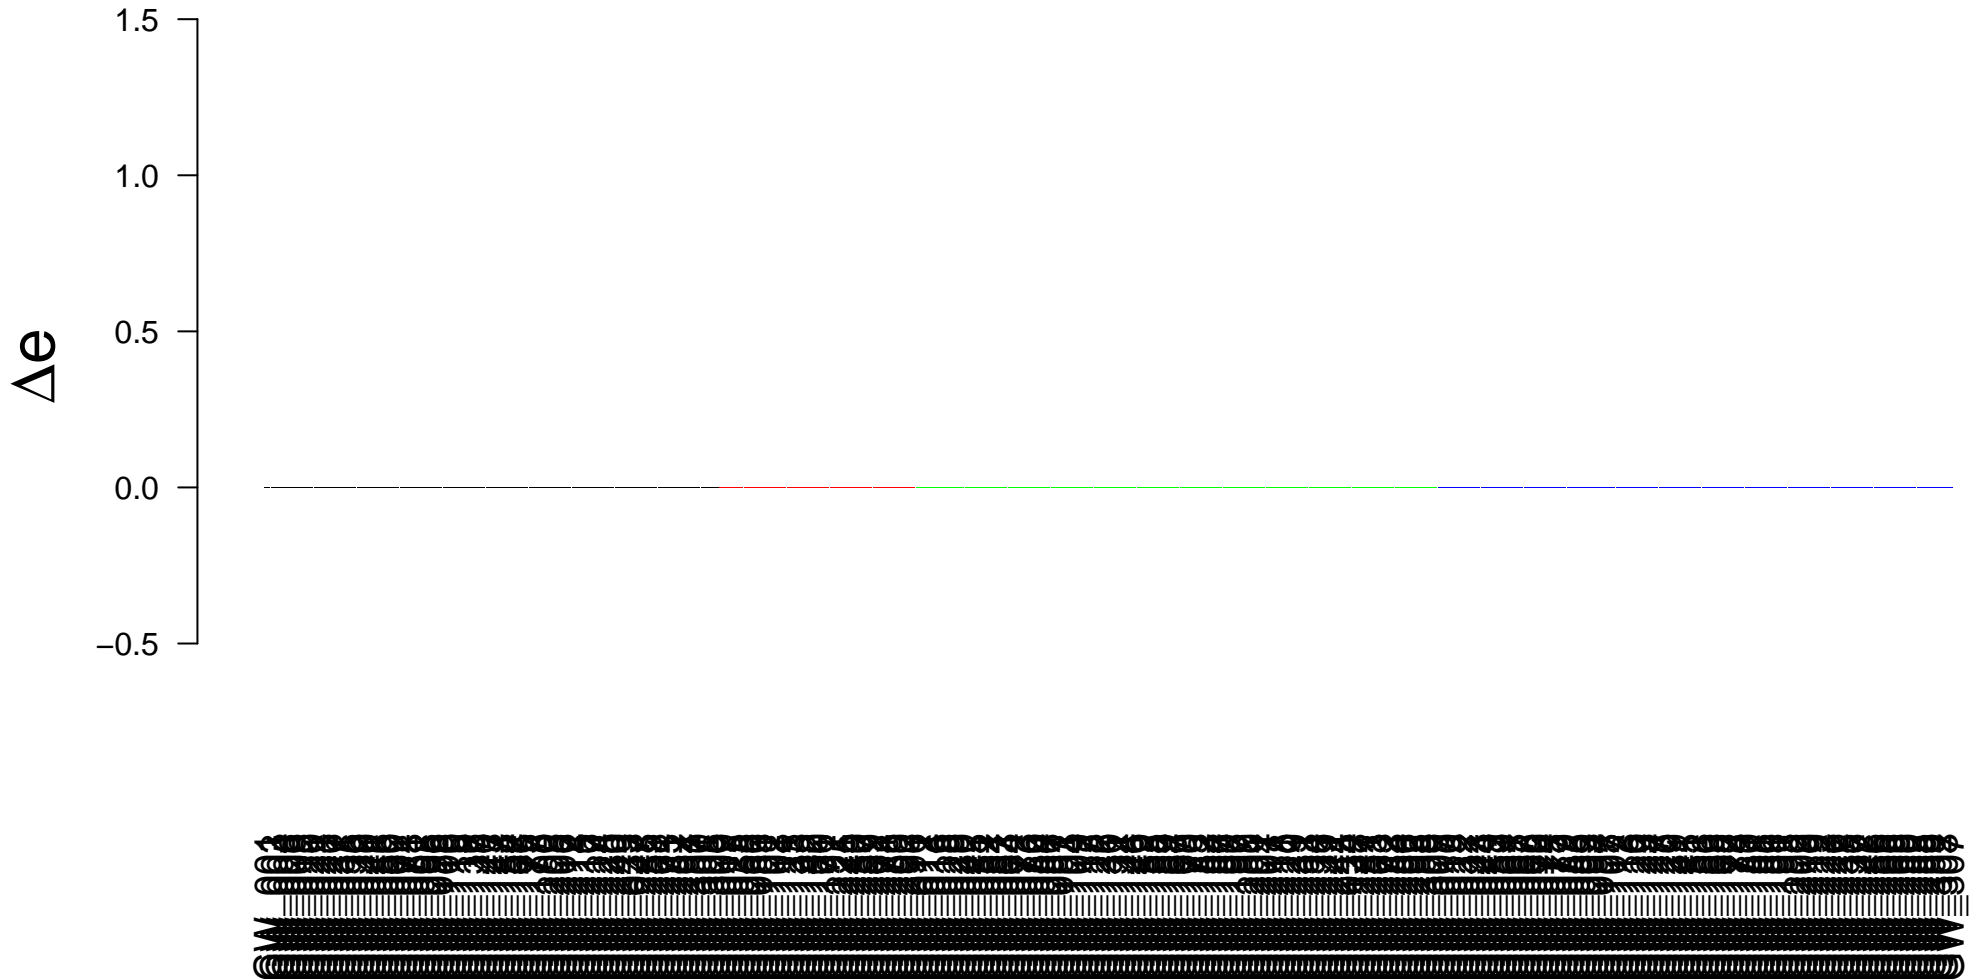

Expression of acid phosphatase activity in Spot F

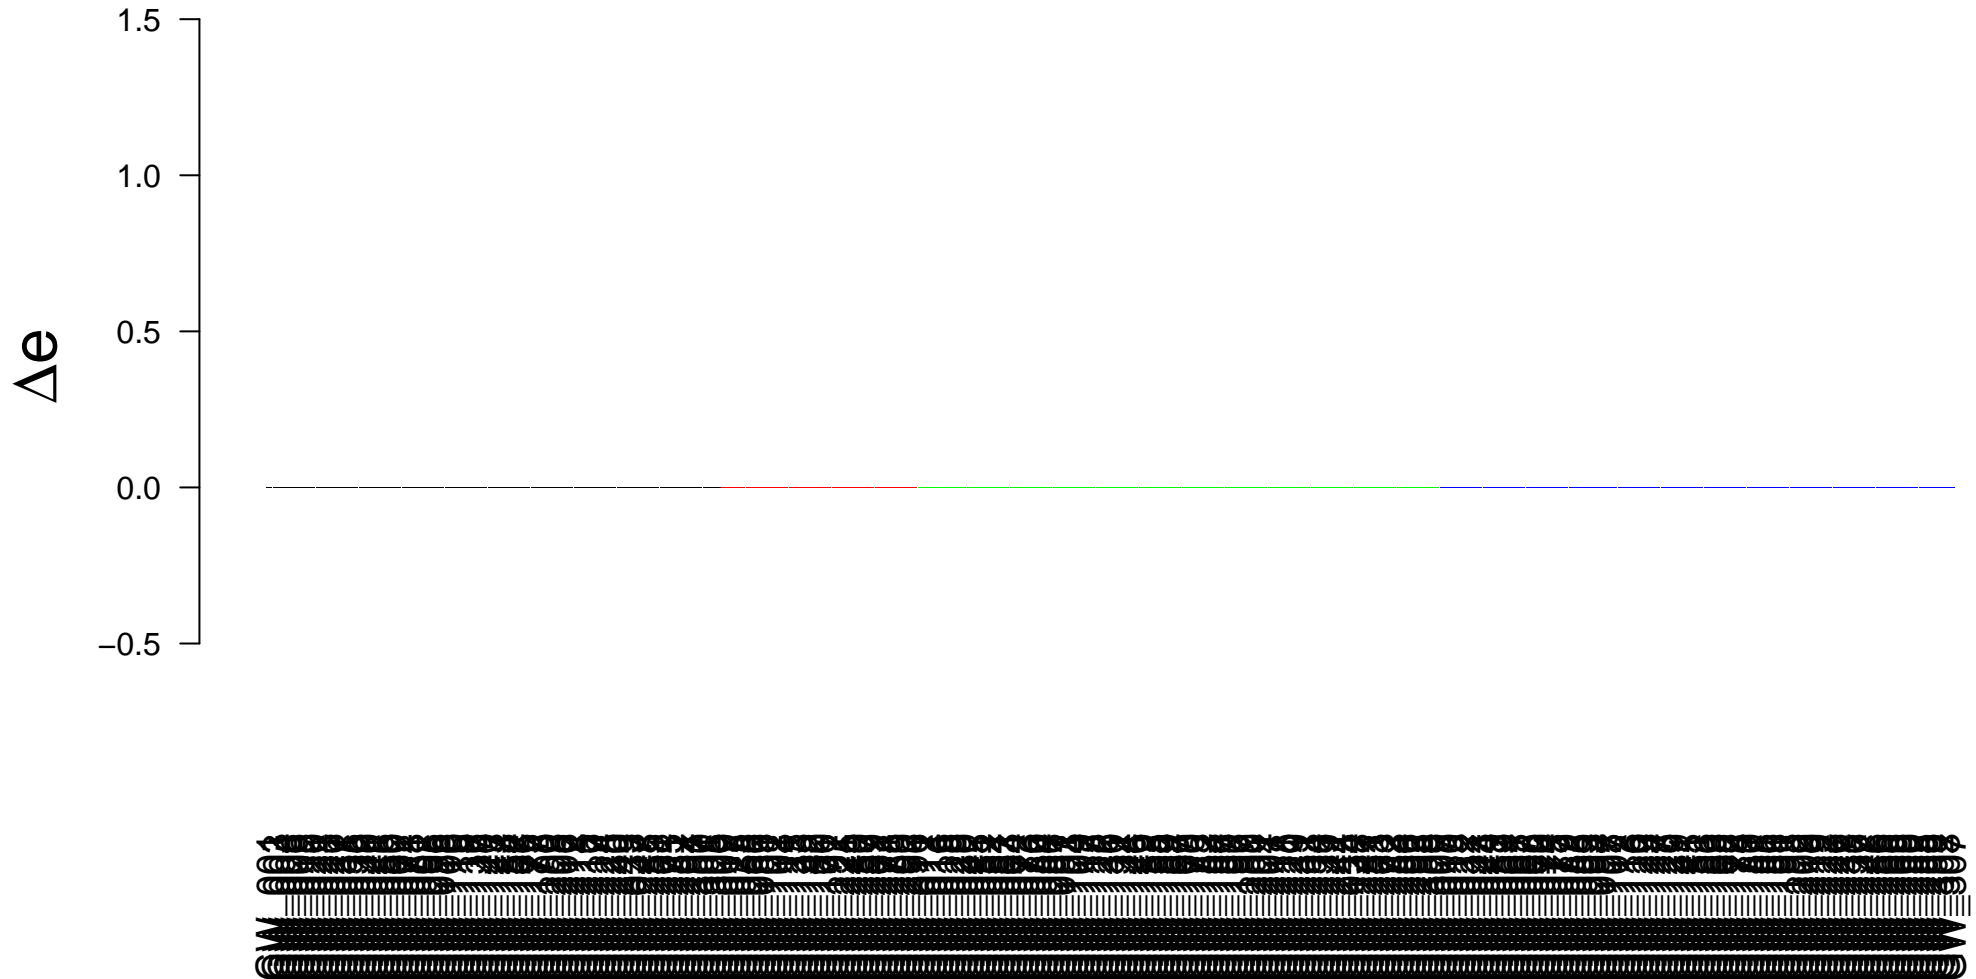

Expression of acid phosphatase activity in Spot G

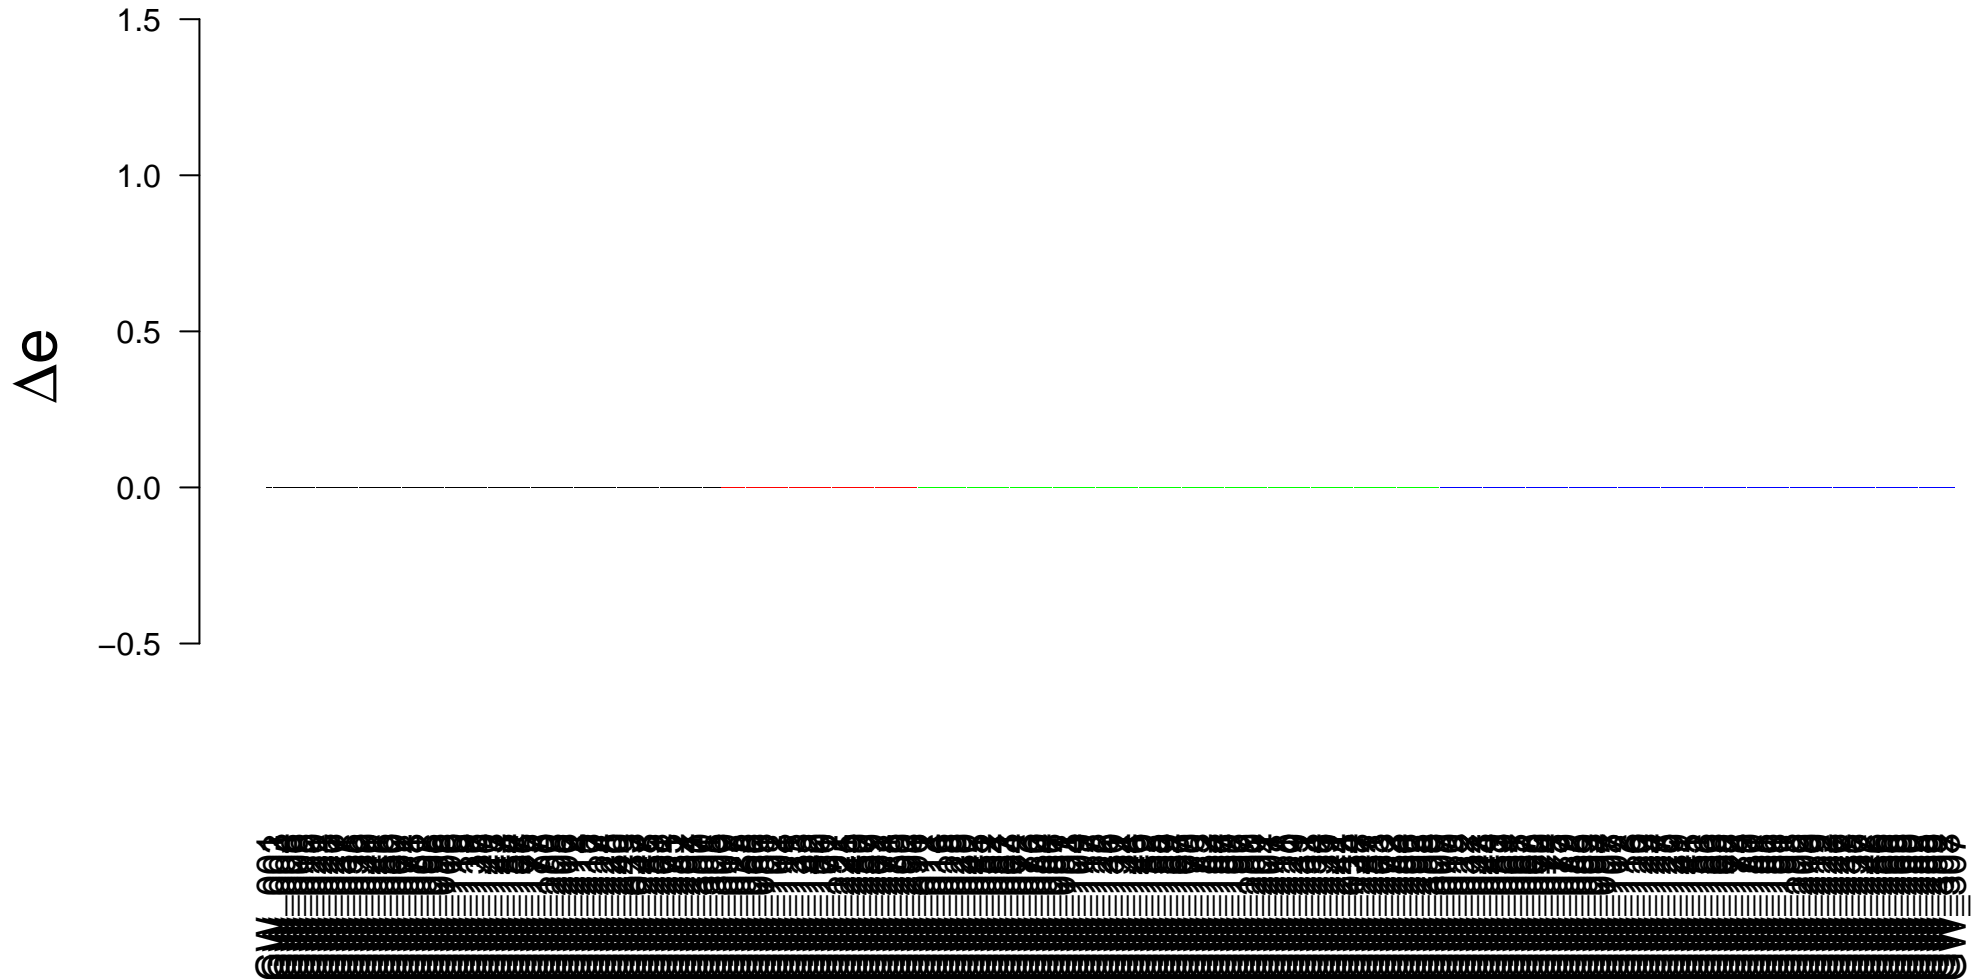

Expression of acid phosphatase activity in Spot H

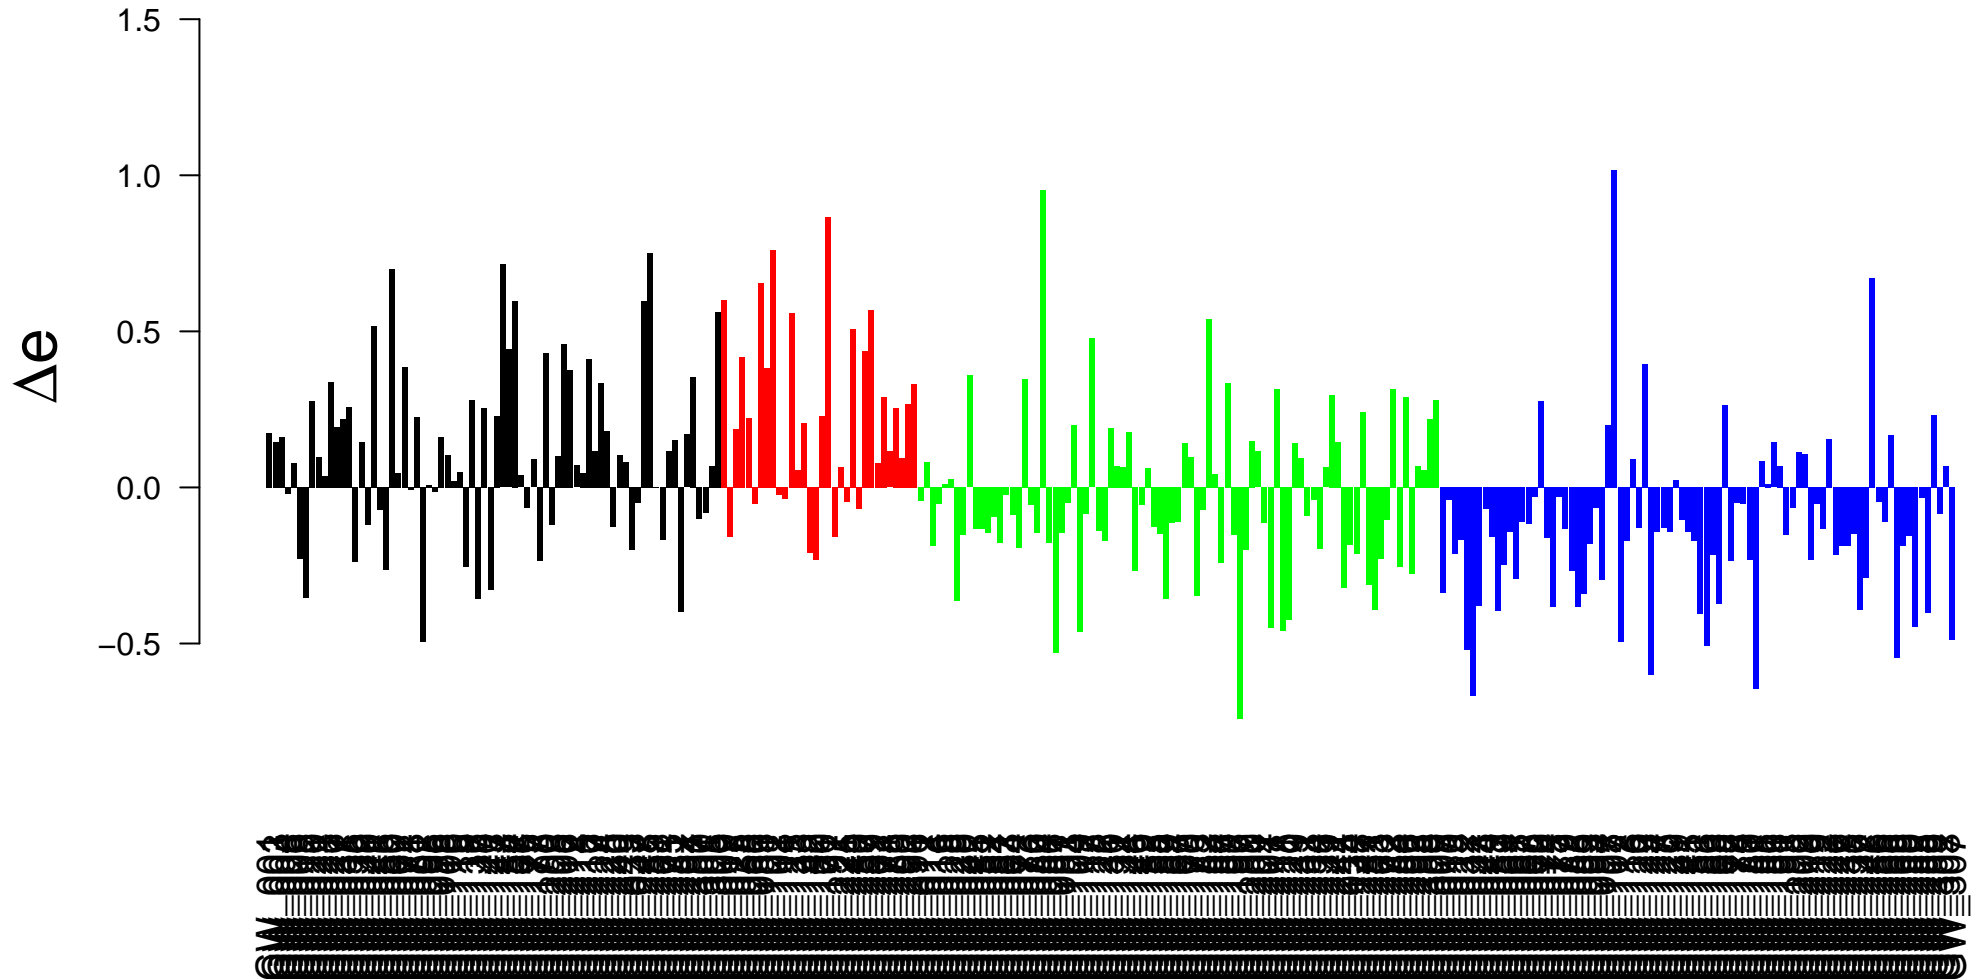

Expression of acid phosphatase activity in Spot I

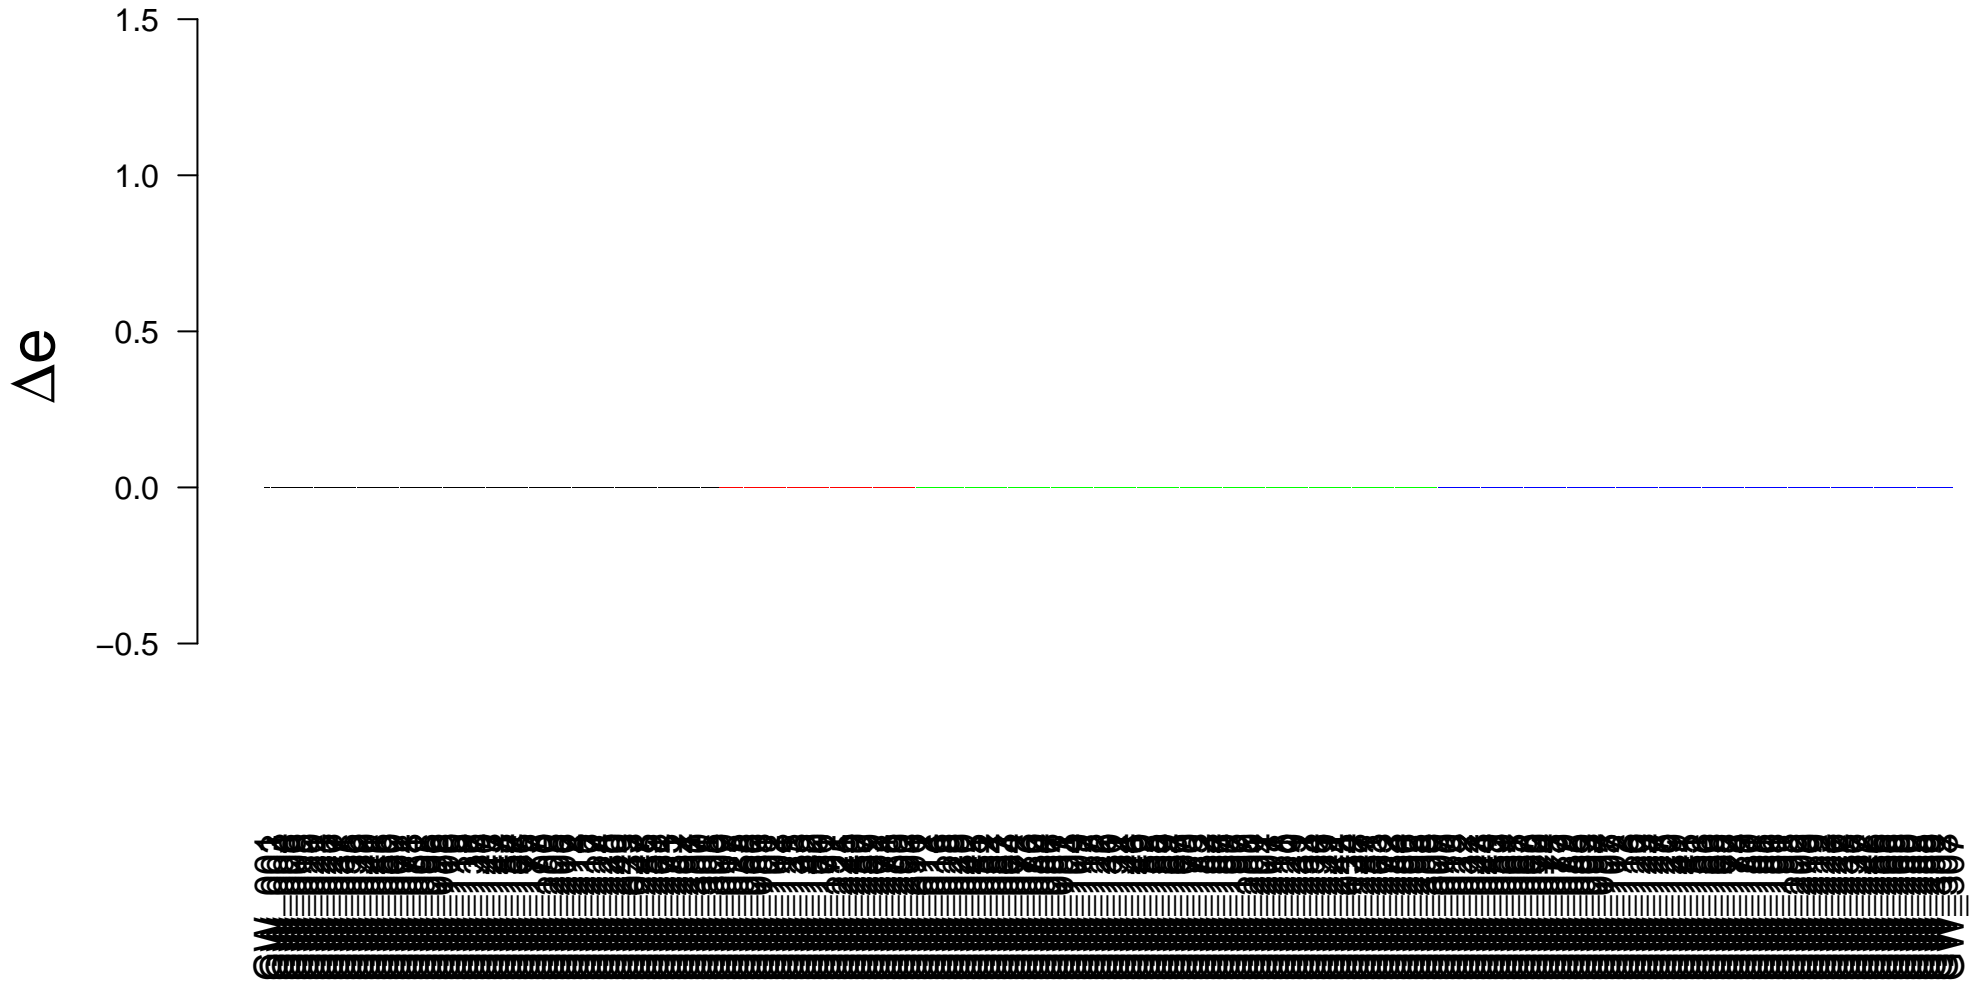

Expression of acid phosphatase activity in Spot J

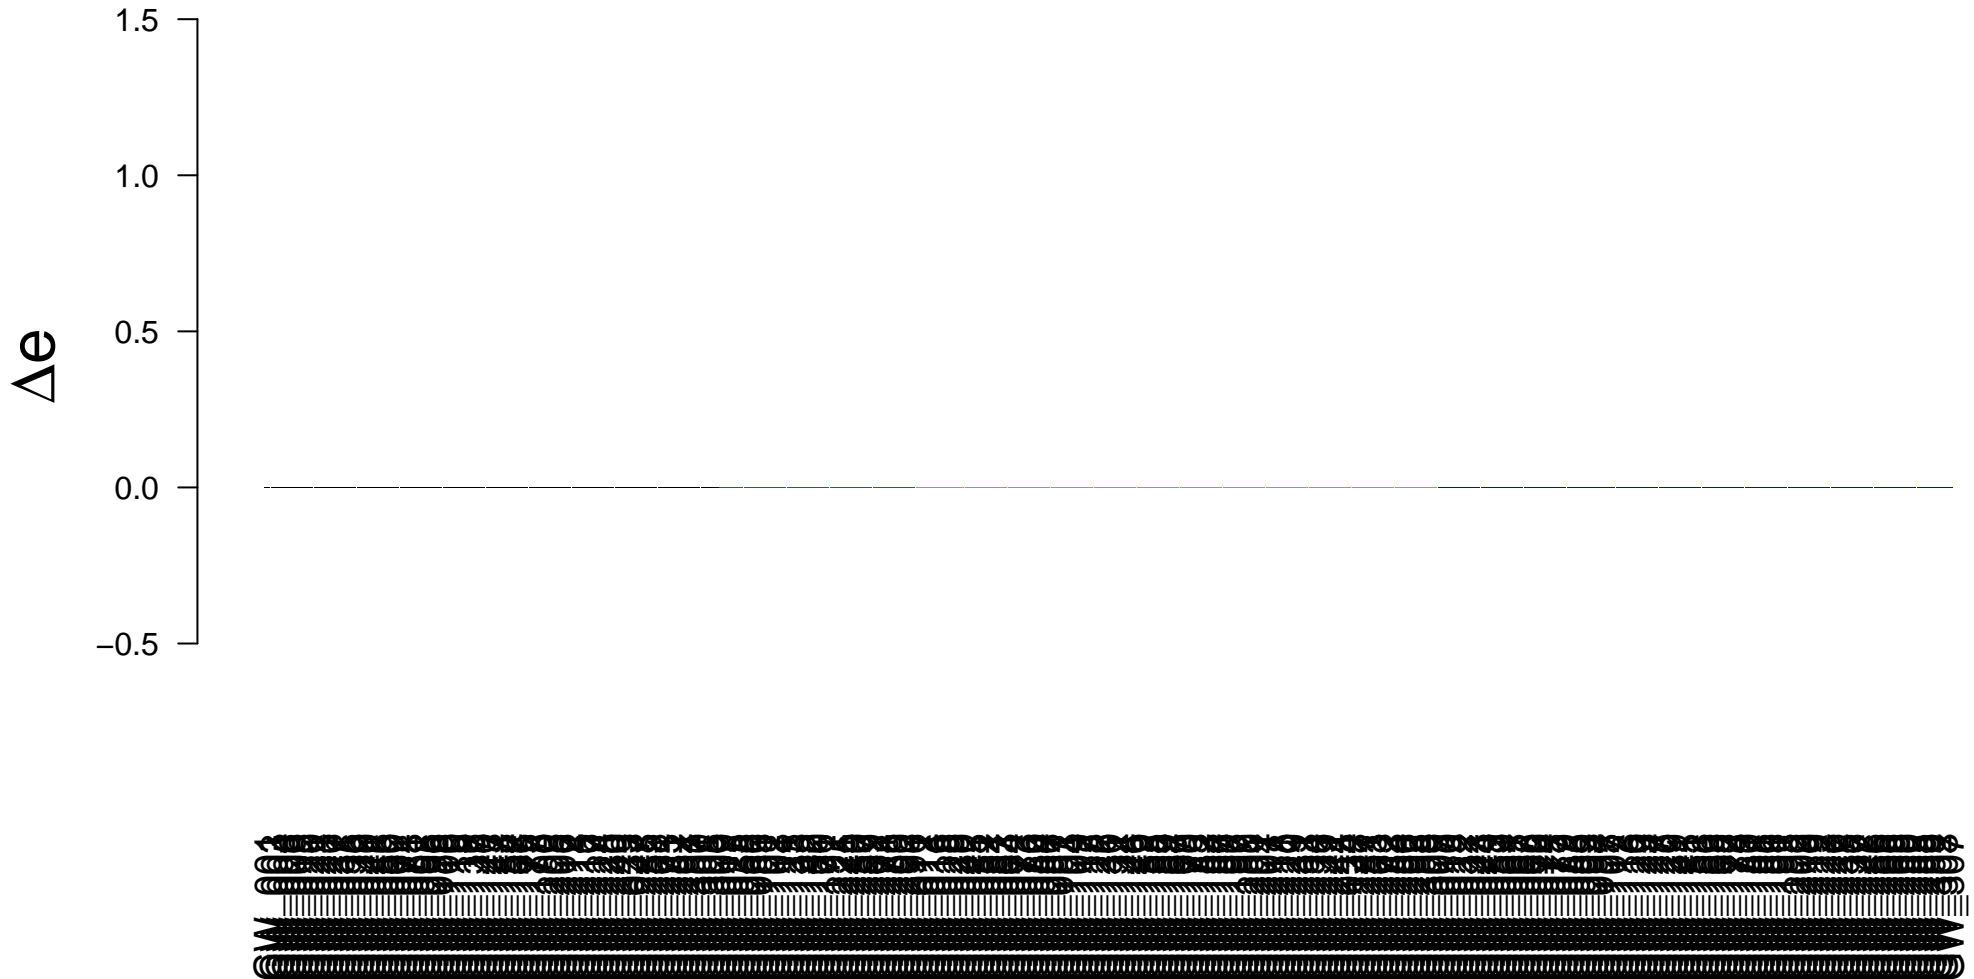

Expression of acid phosphatase activity in Spot K

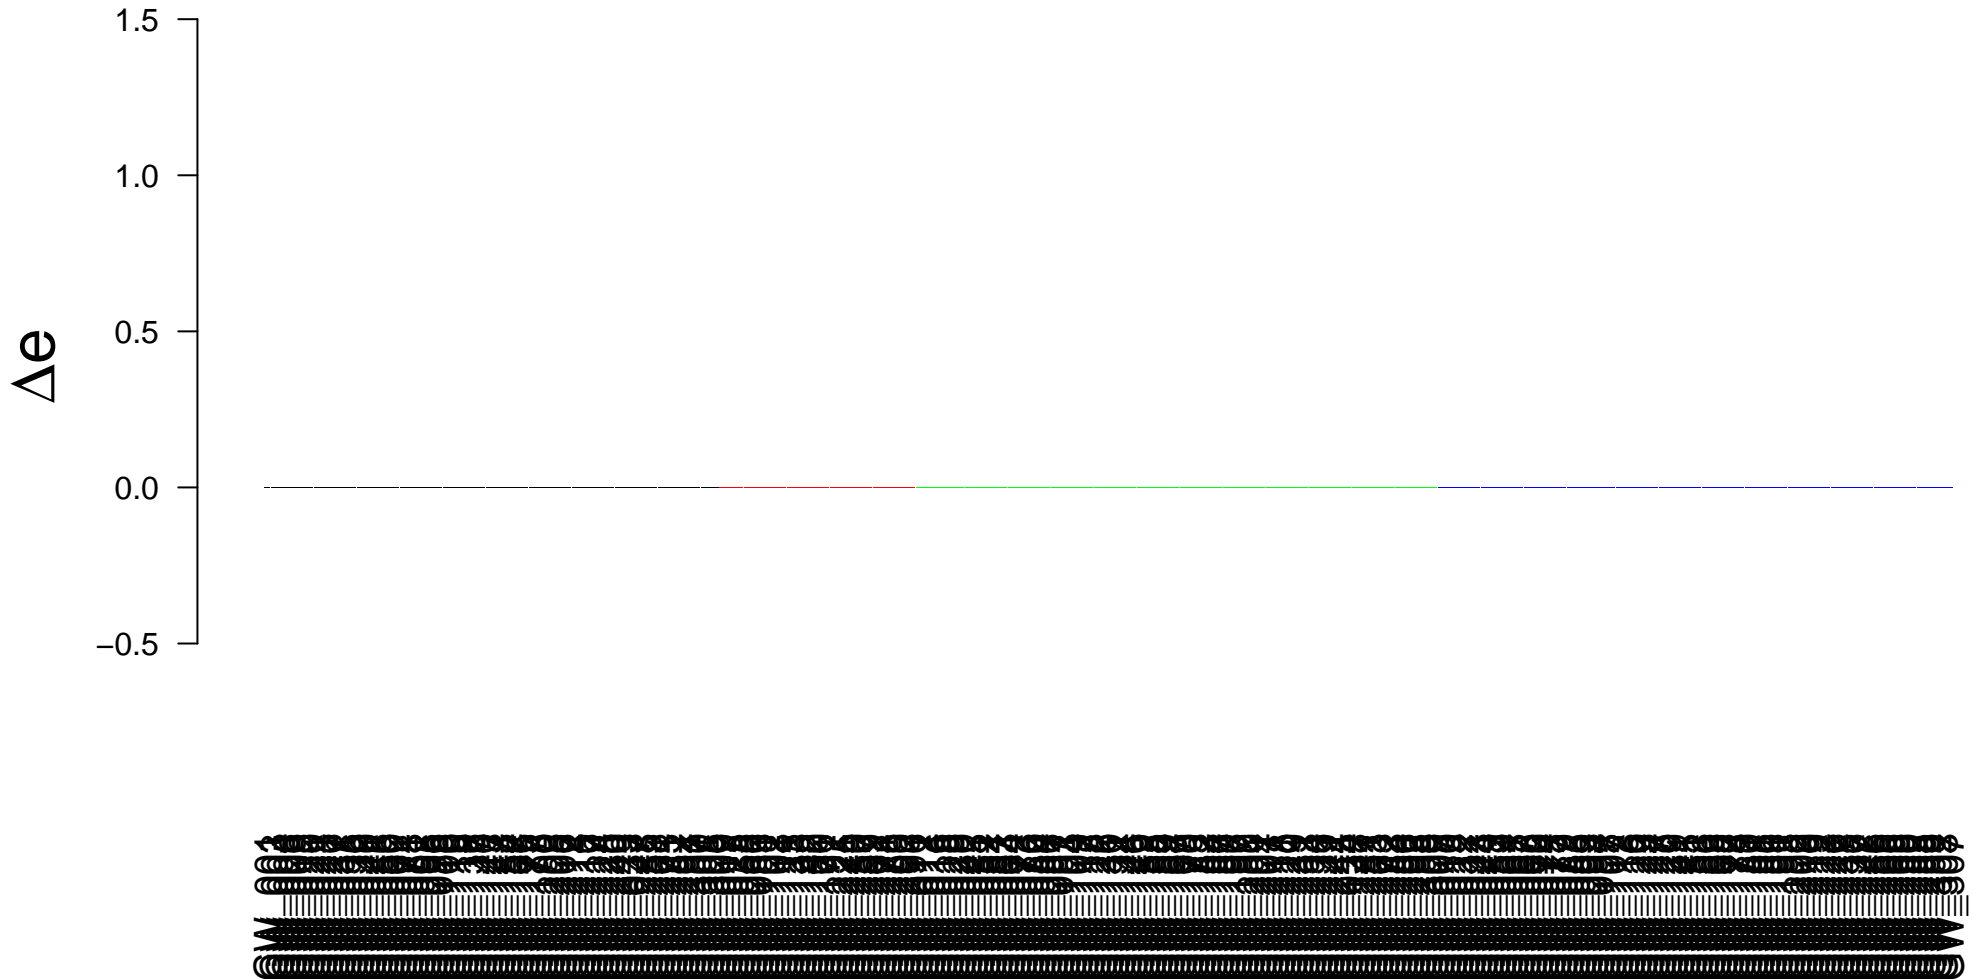

Expression of acid phosphatase activity in Spot L

Expression of acid phosphatase activity in Spot M

Expression of acid phosphatase activity in Spot N

Expression of acid phosphatase activity in Spot O
