

actin filament

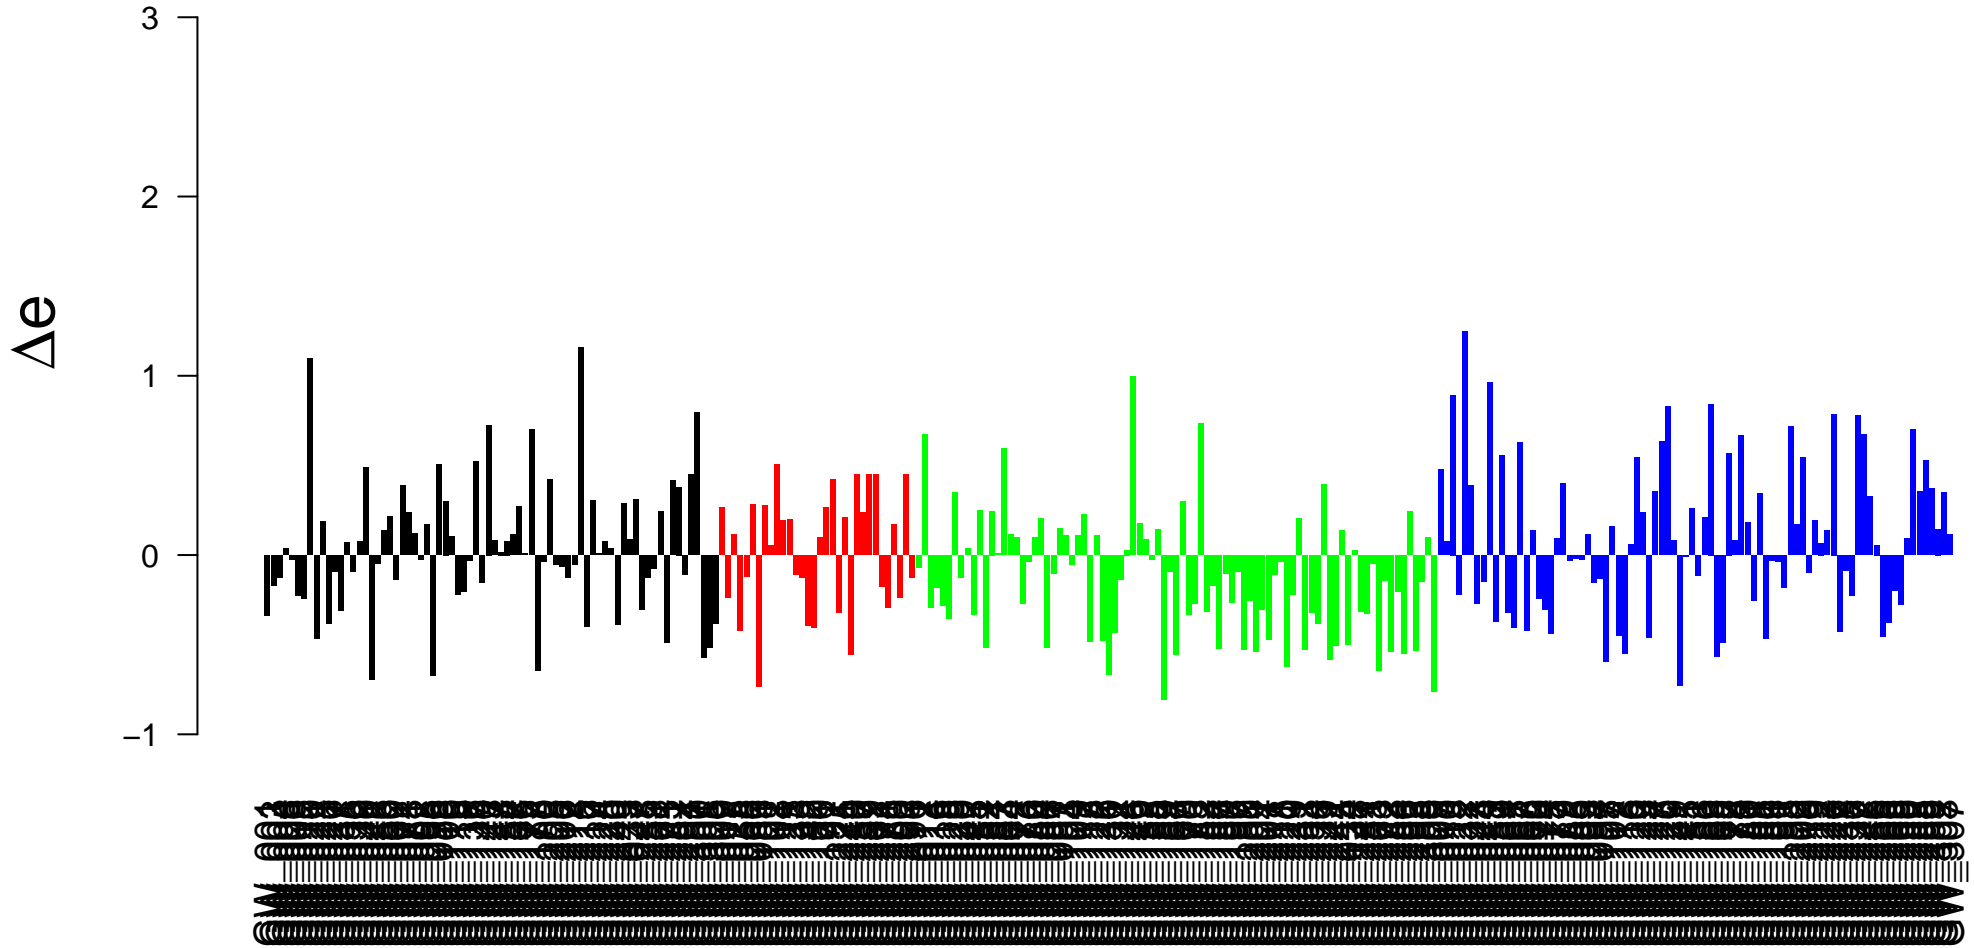

actin filament

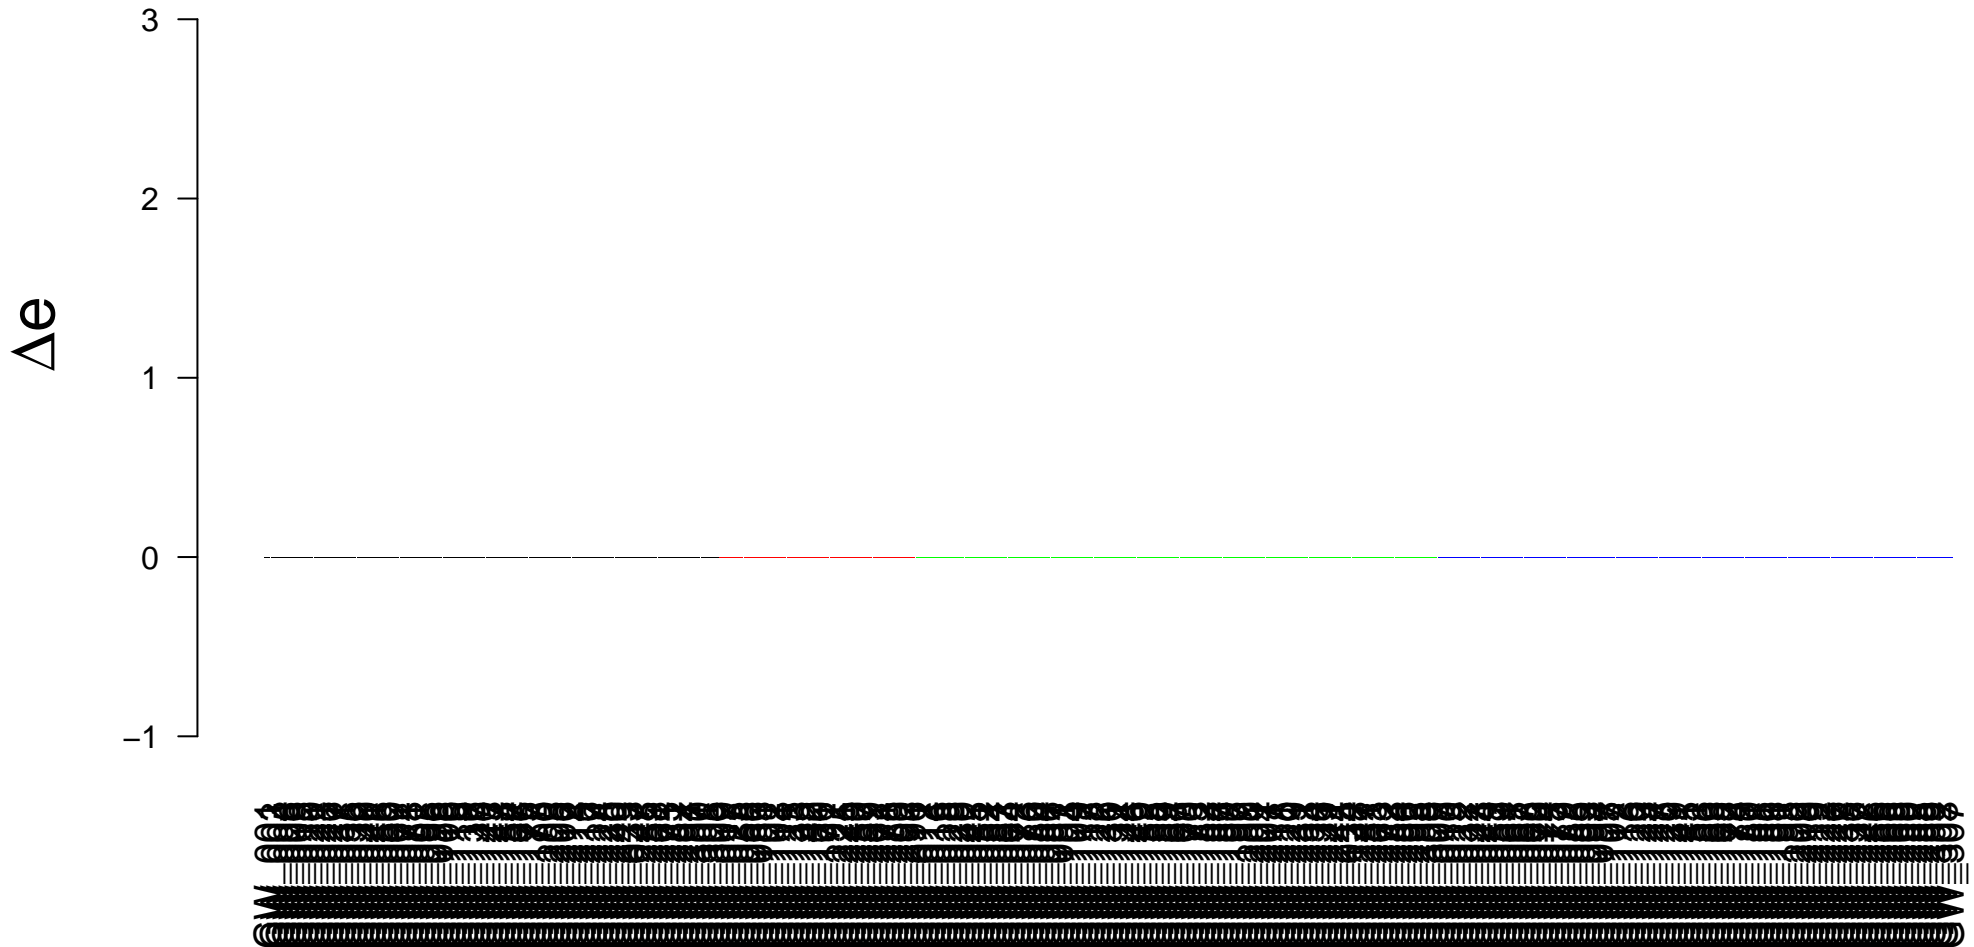

Enrichment in spots: actin filament

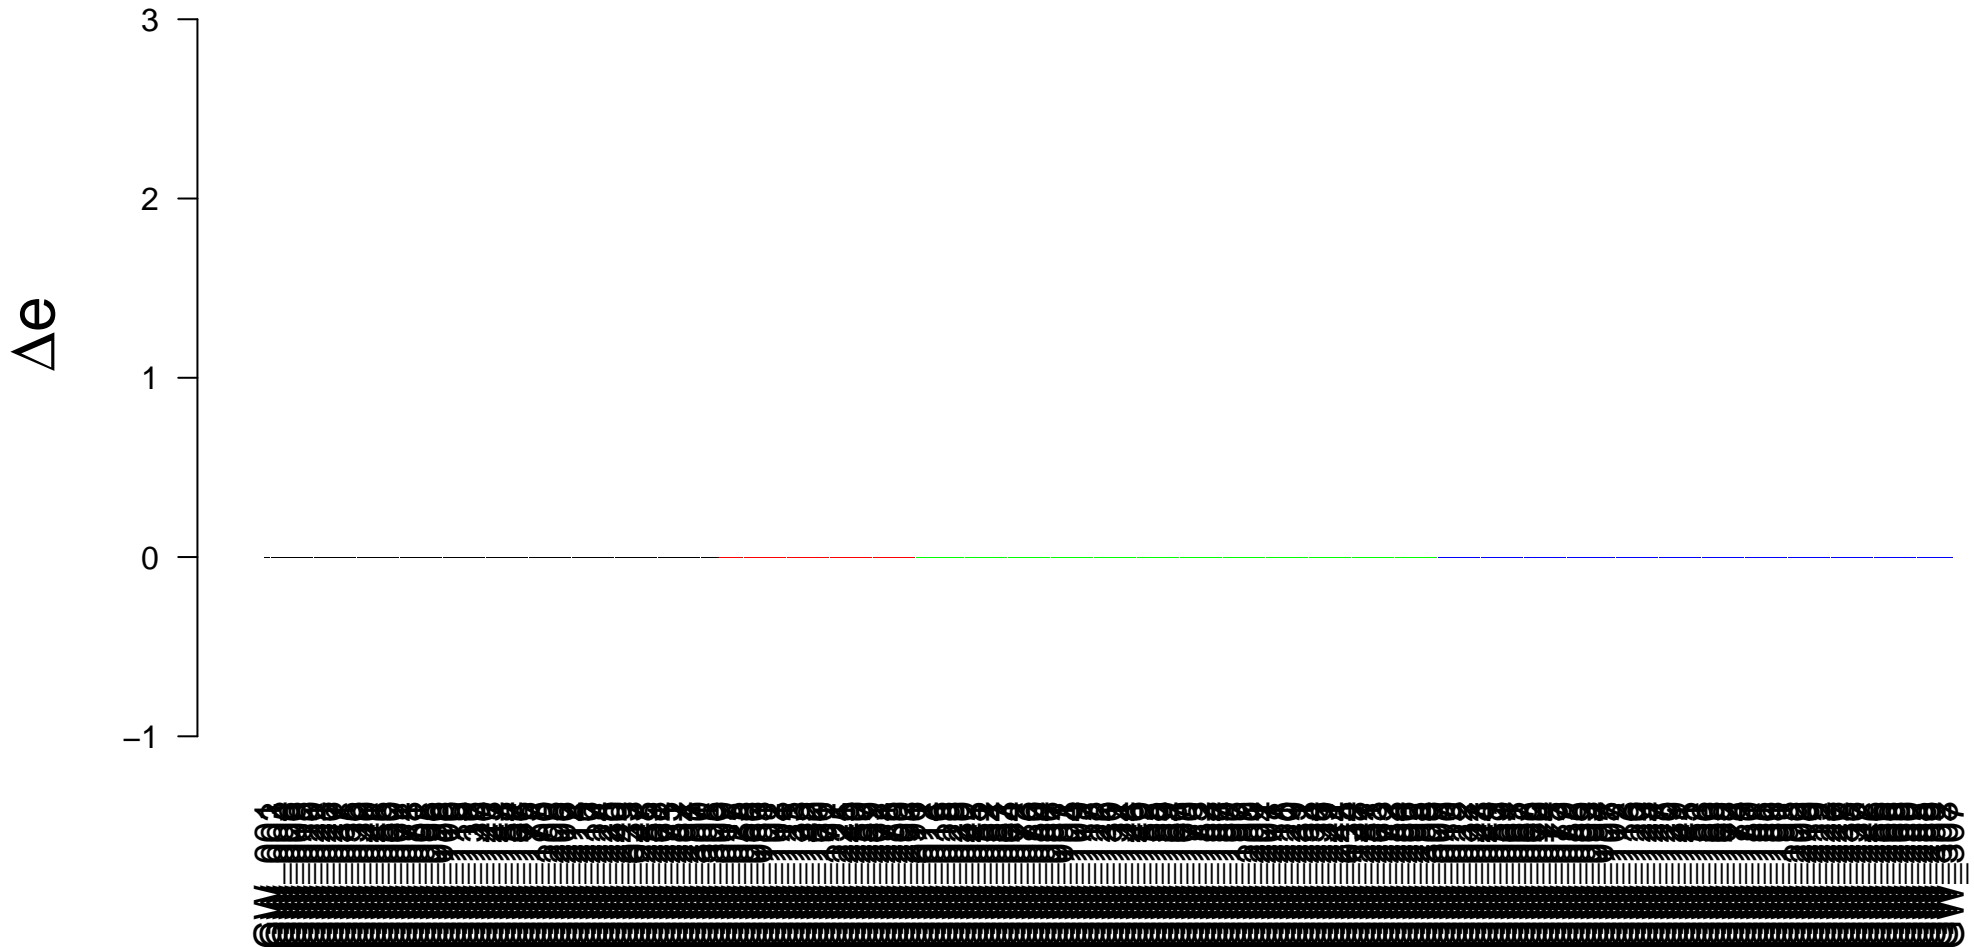

Expression of actin filament in Spot A

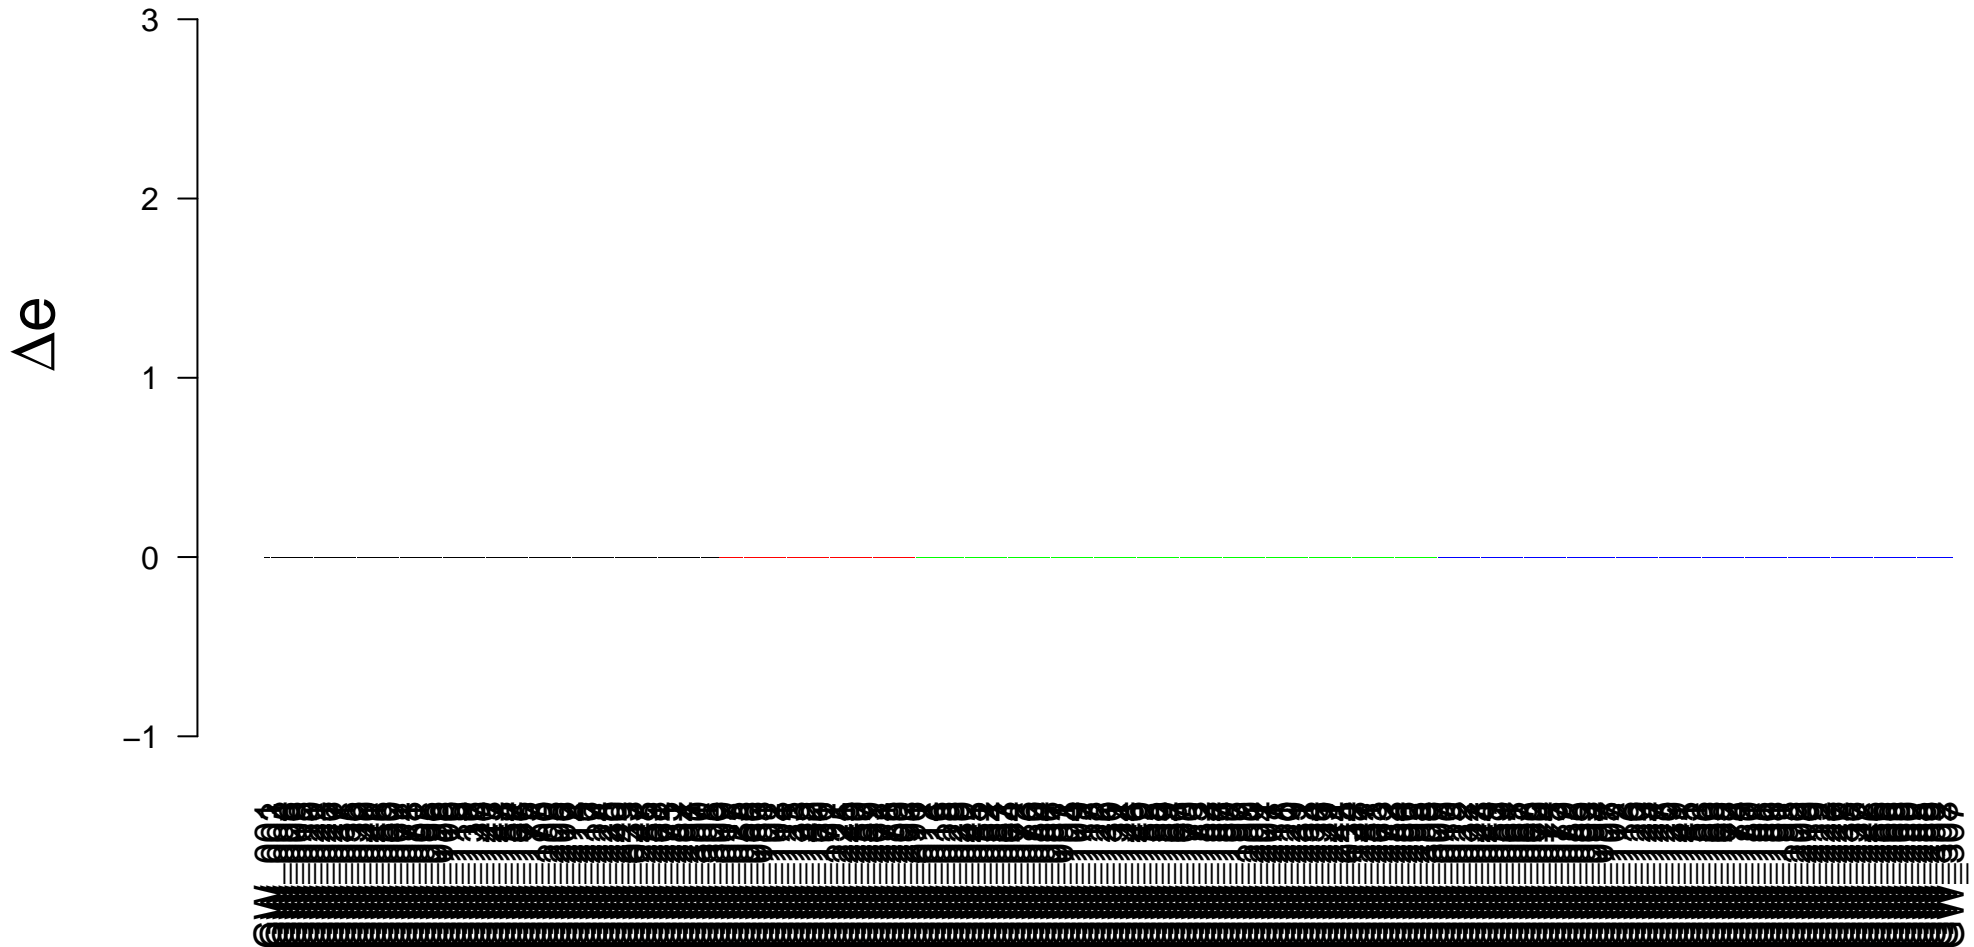

Expression of actin filament in Spot B

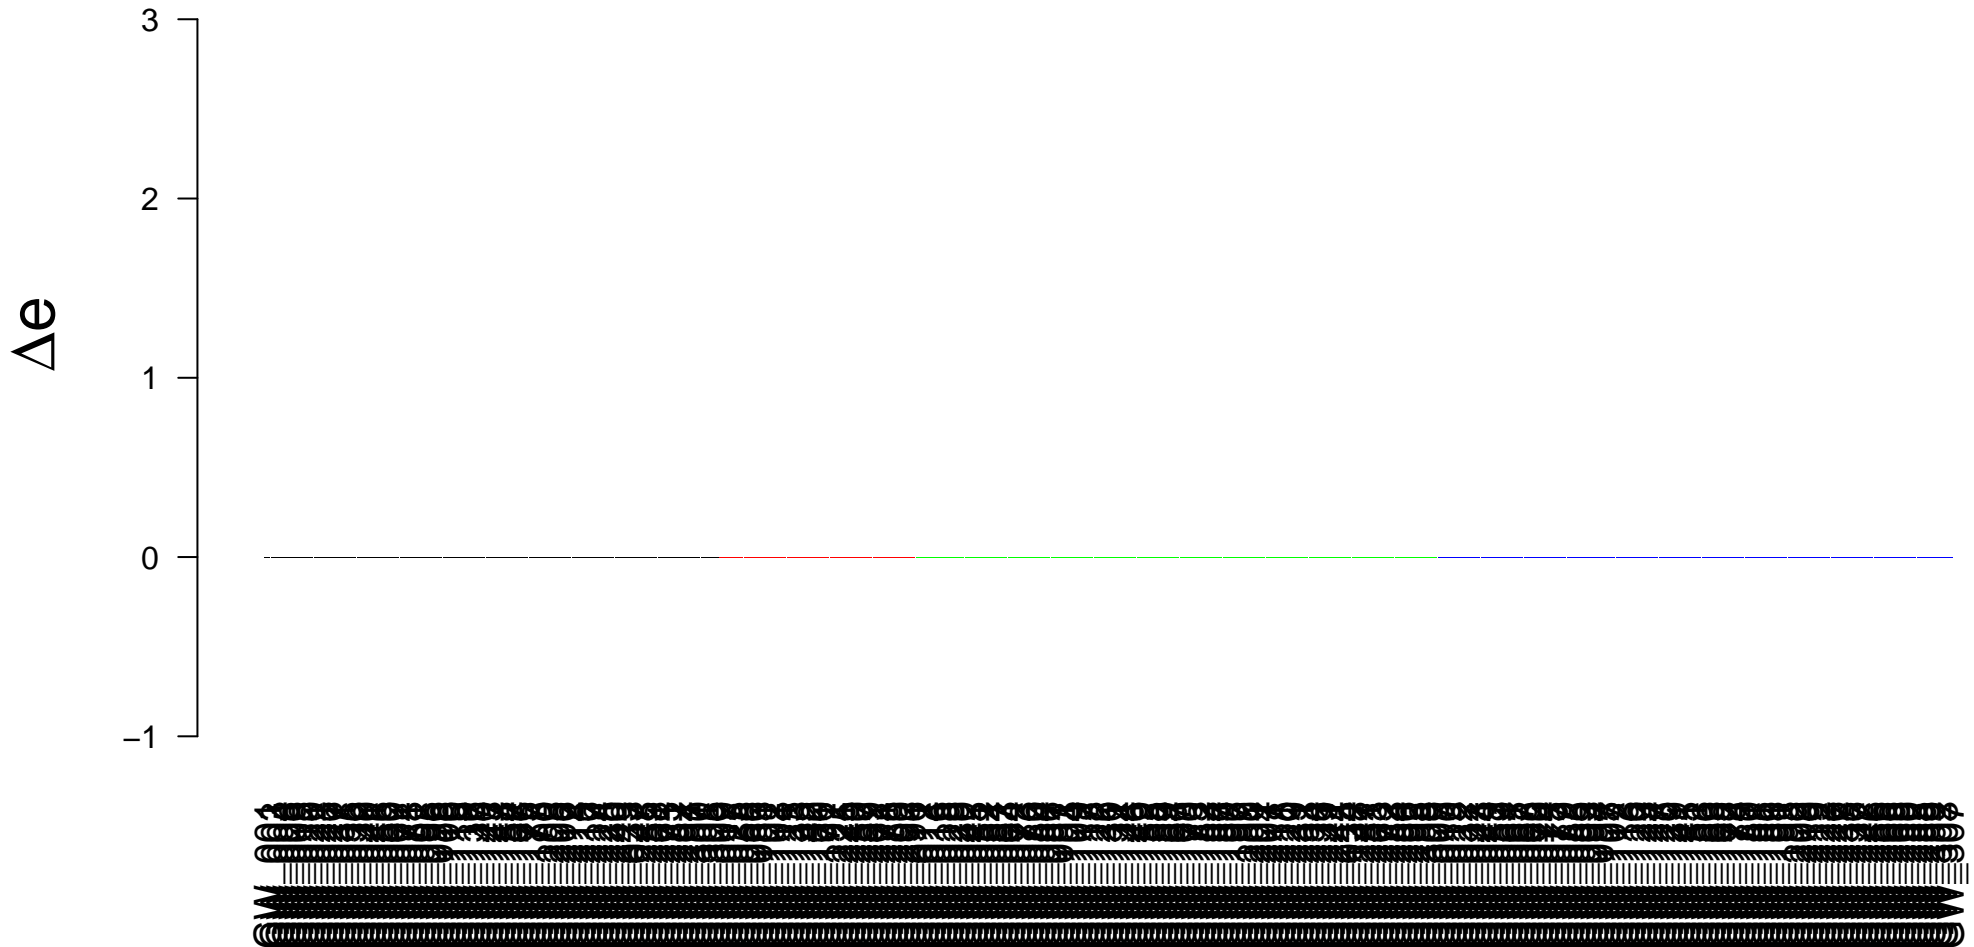

Expression of actin filament in Spot C

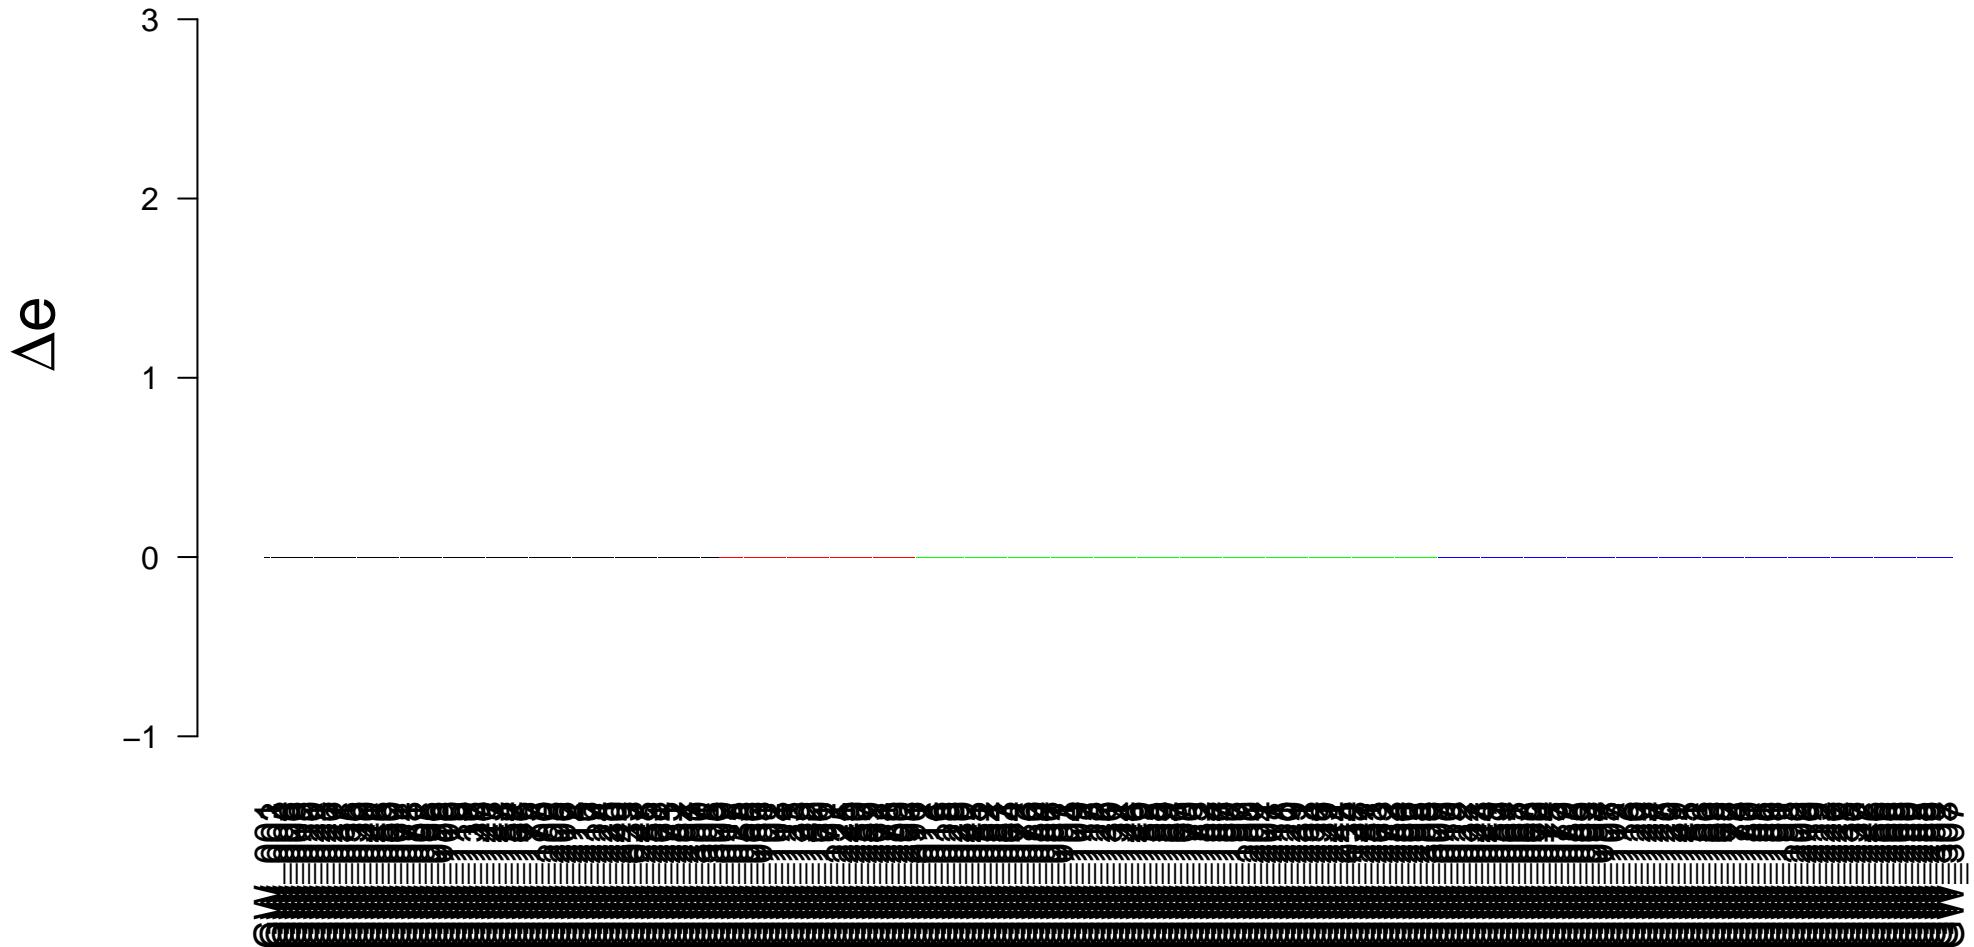

Expression of actin filament in Spot D

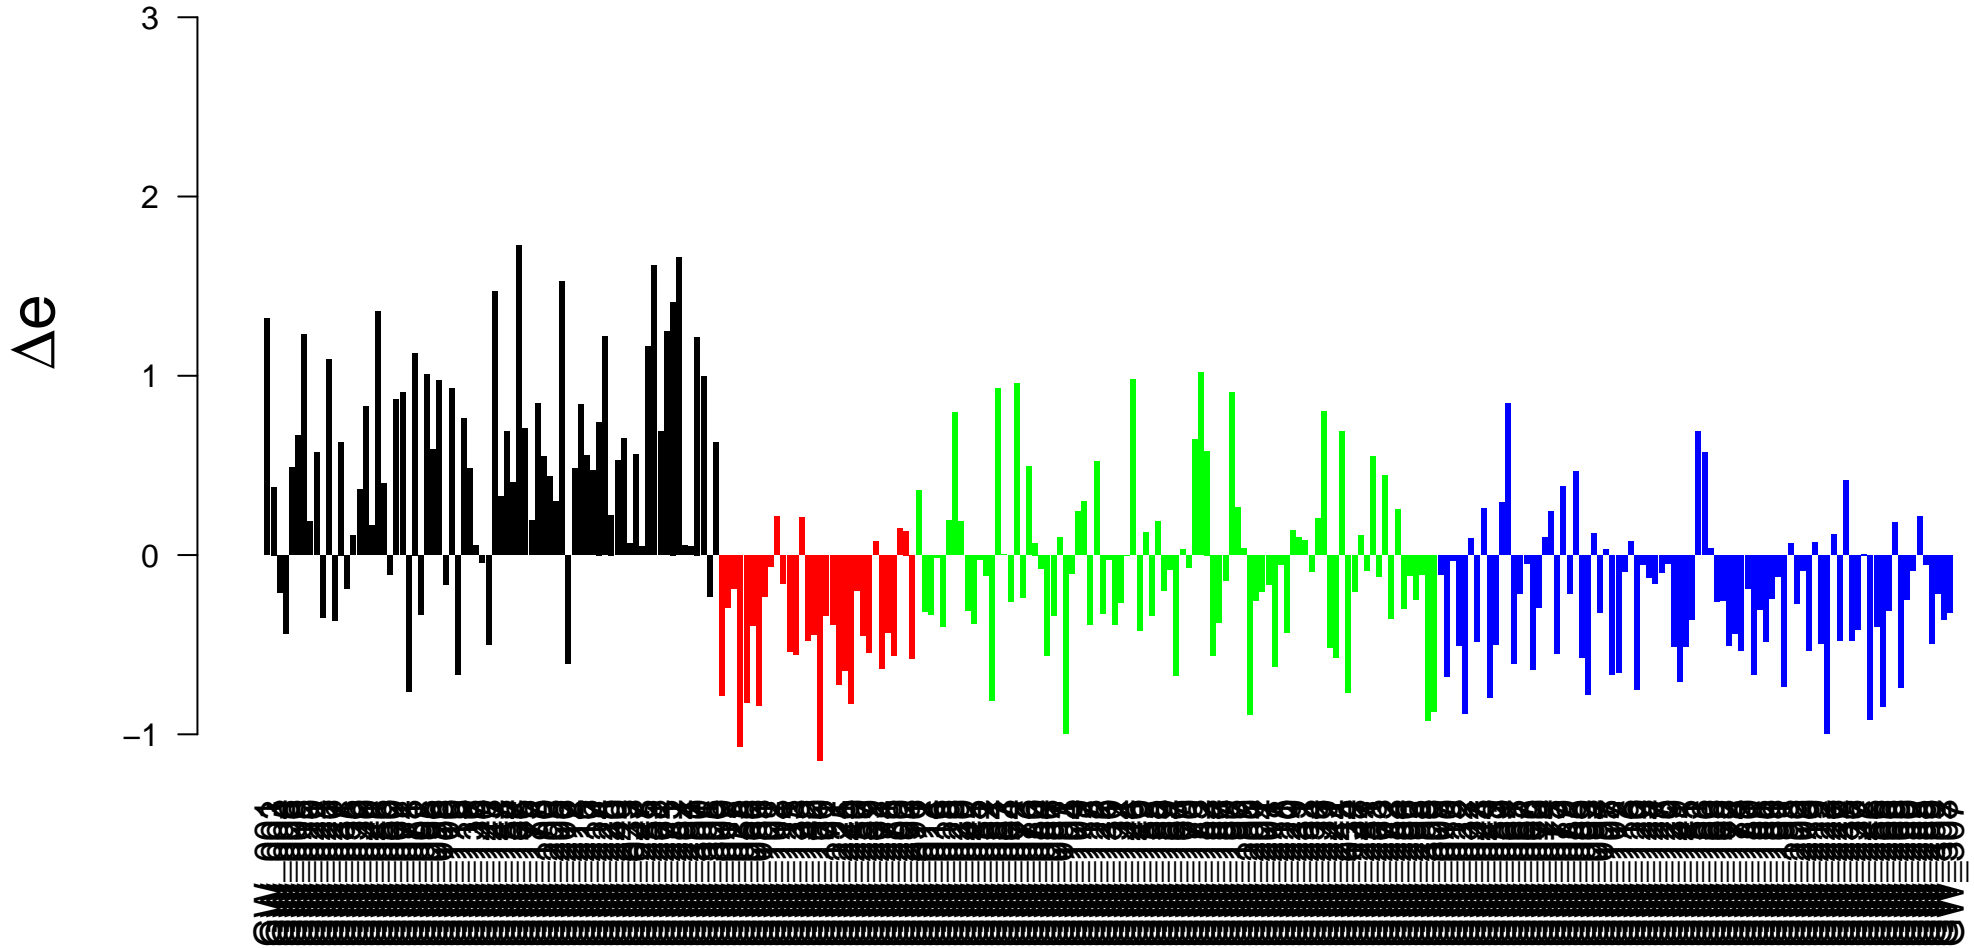

Expression of actin filament in Spot E

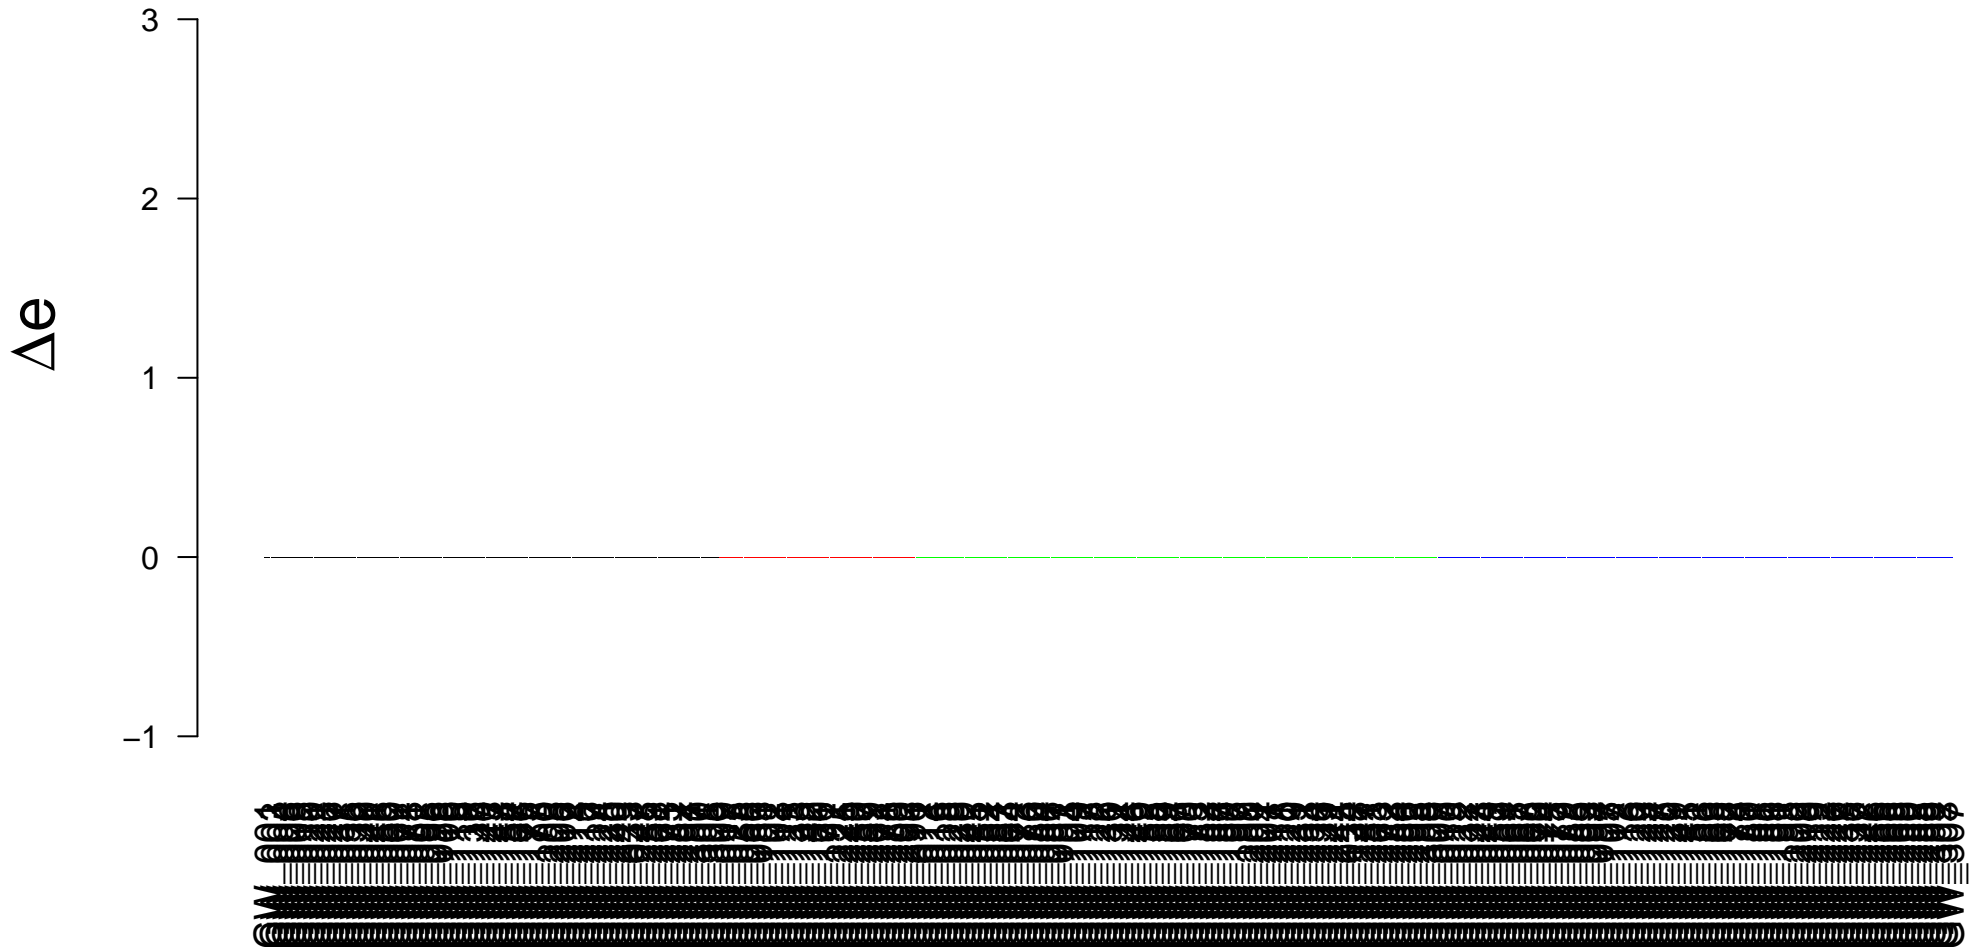

Expression of actin filament in Spot F

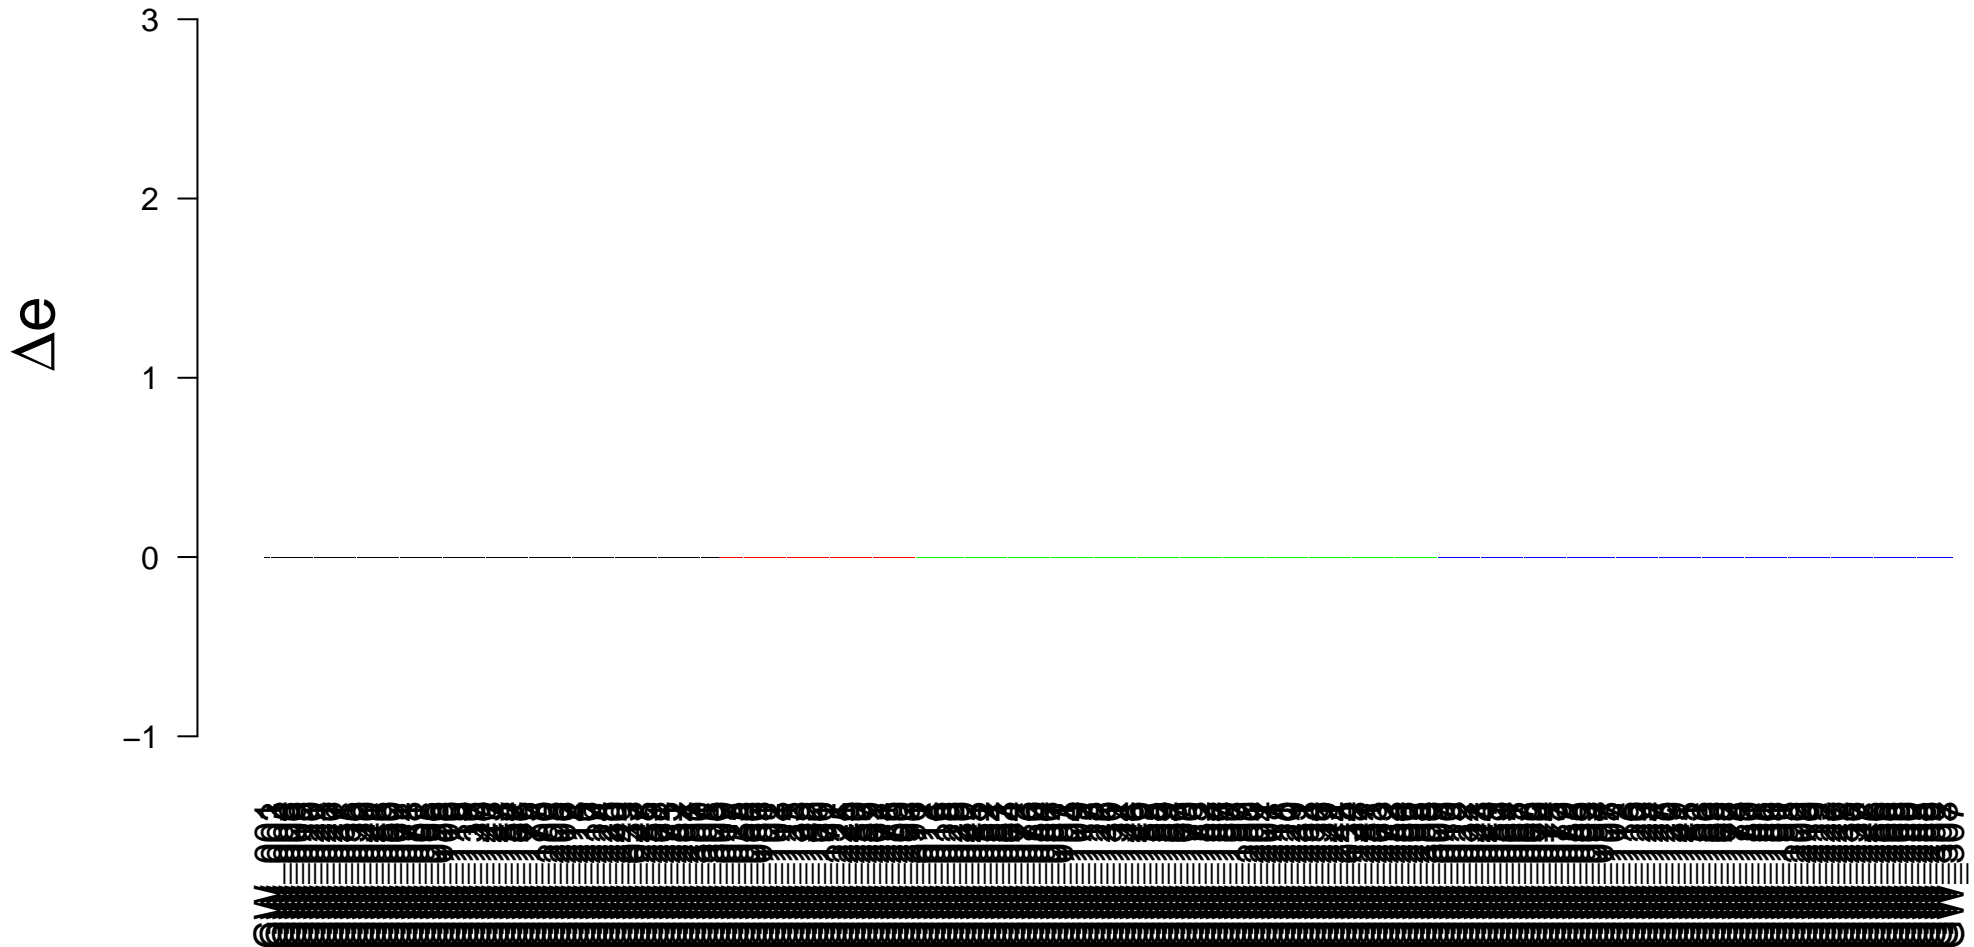

Expression of actin filament in Spot G

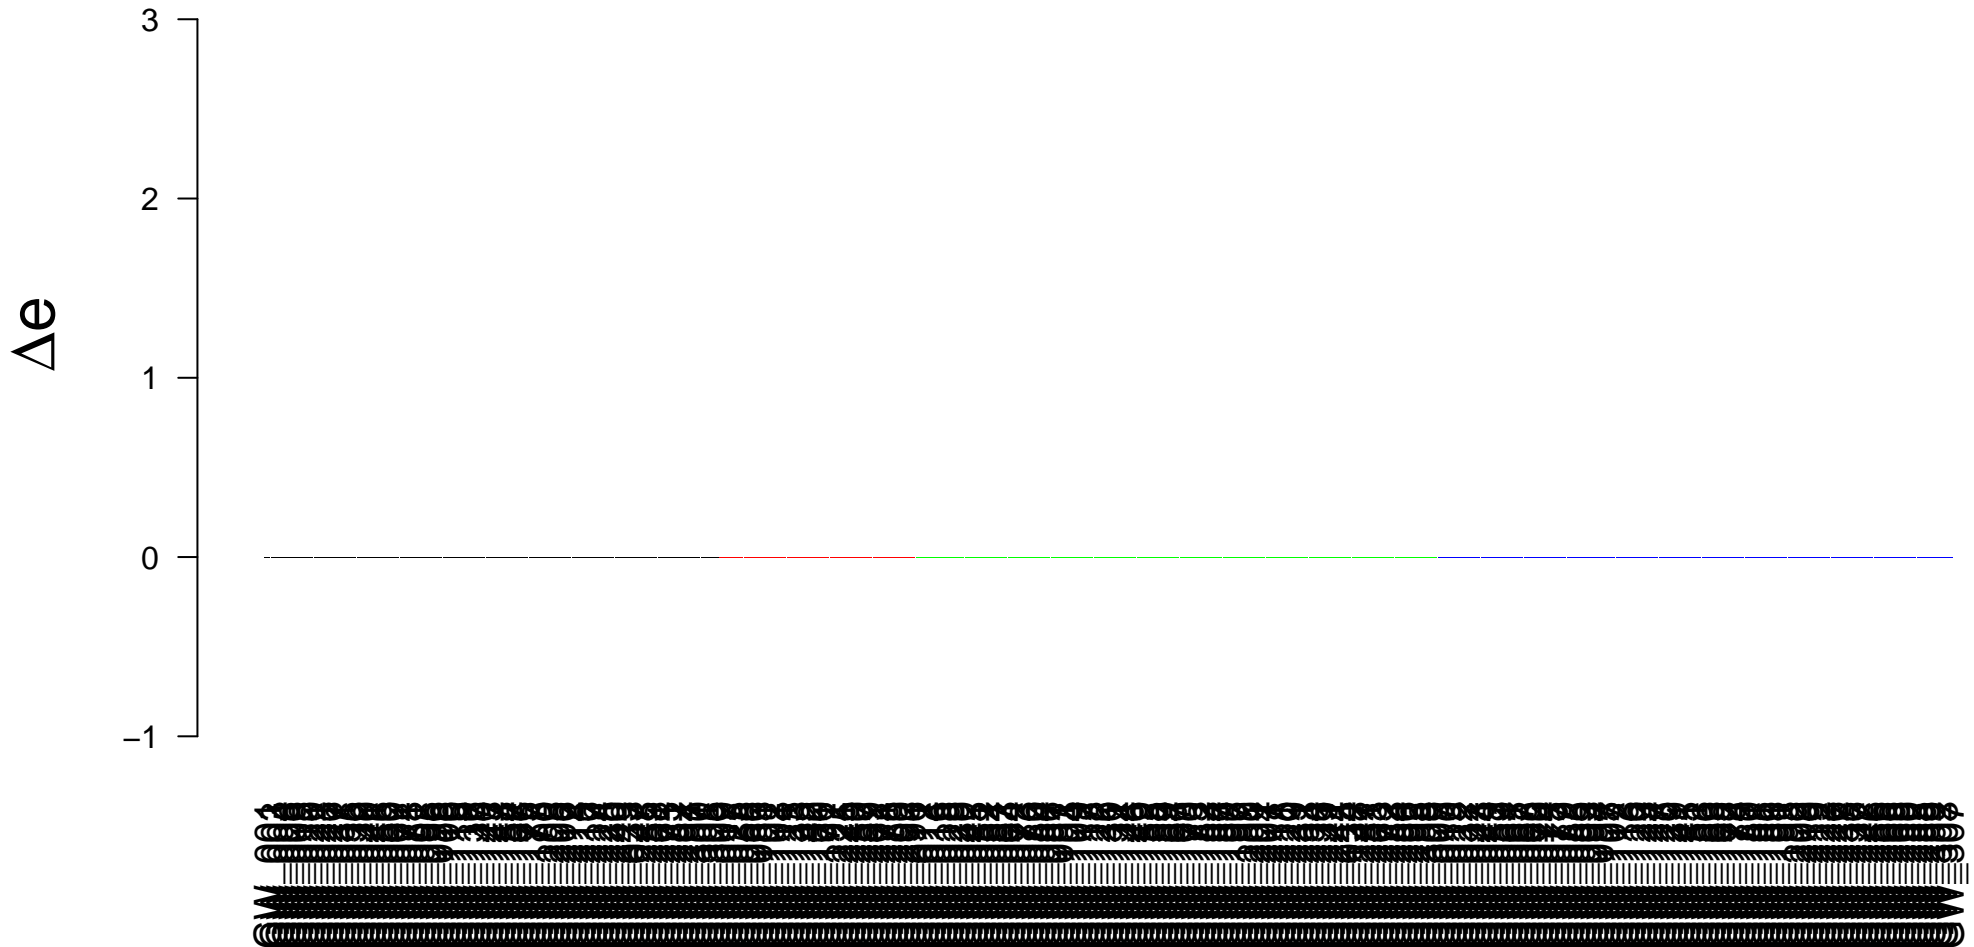

Expression of actin filament in Spot H

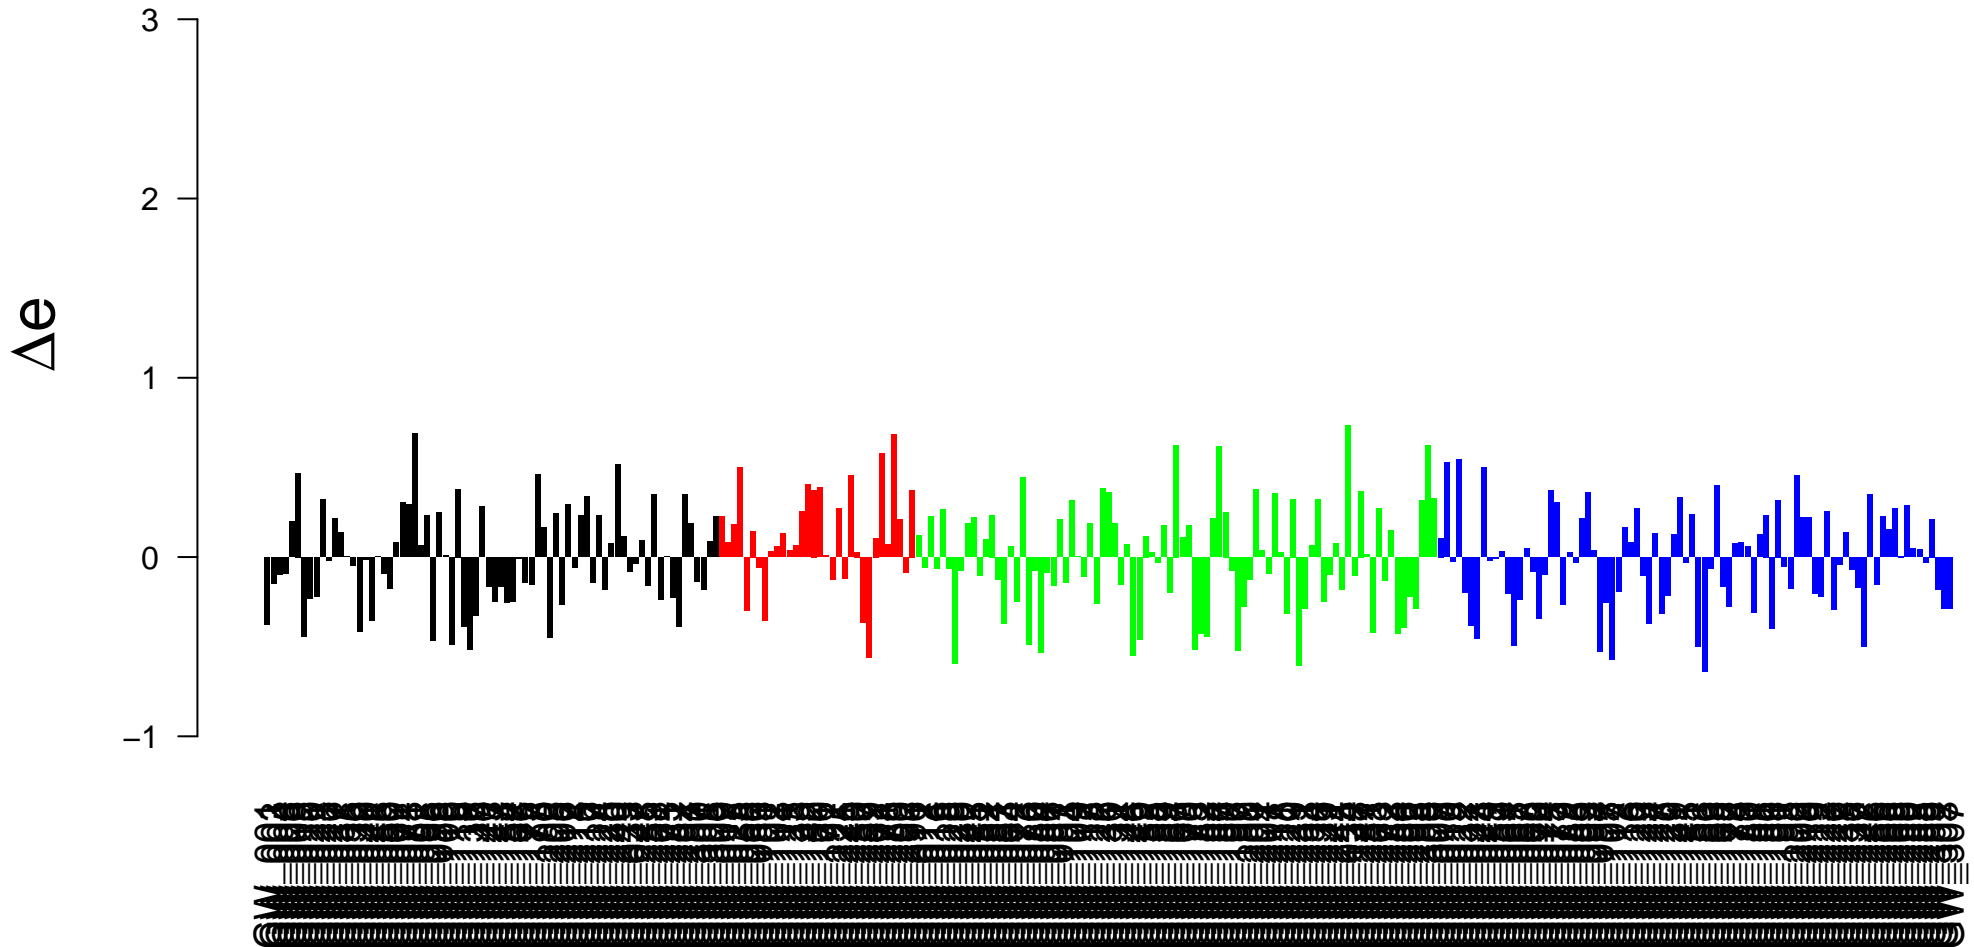

Expression of actin filament in Spot I

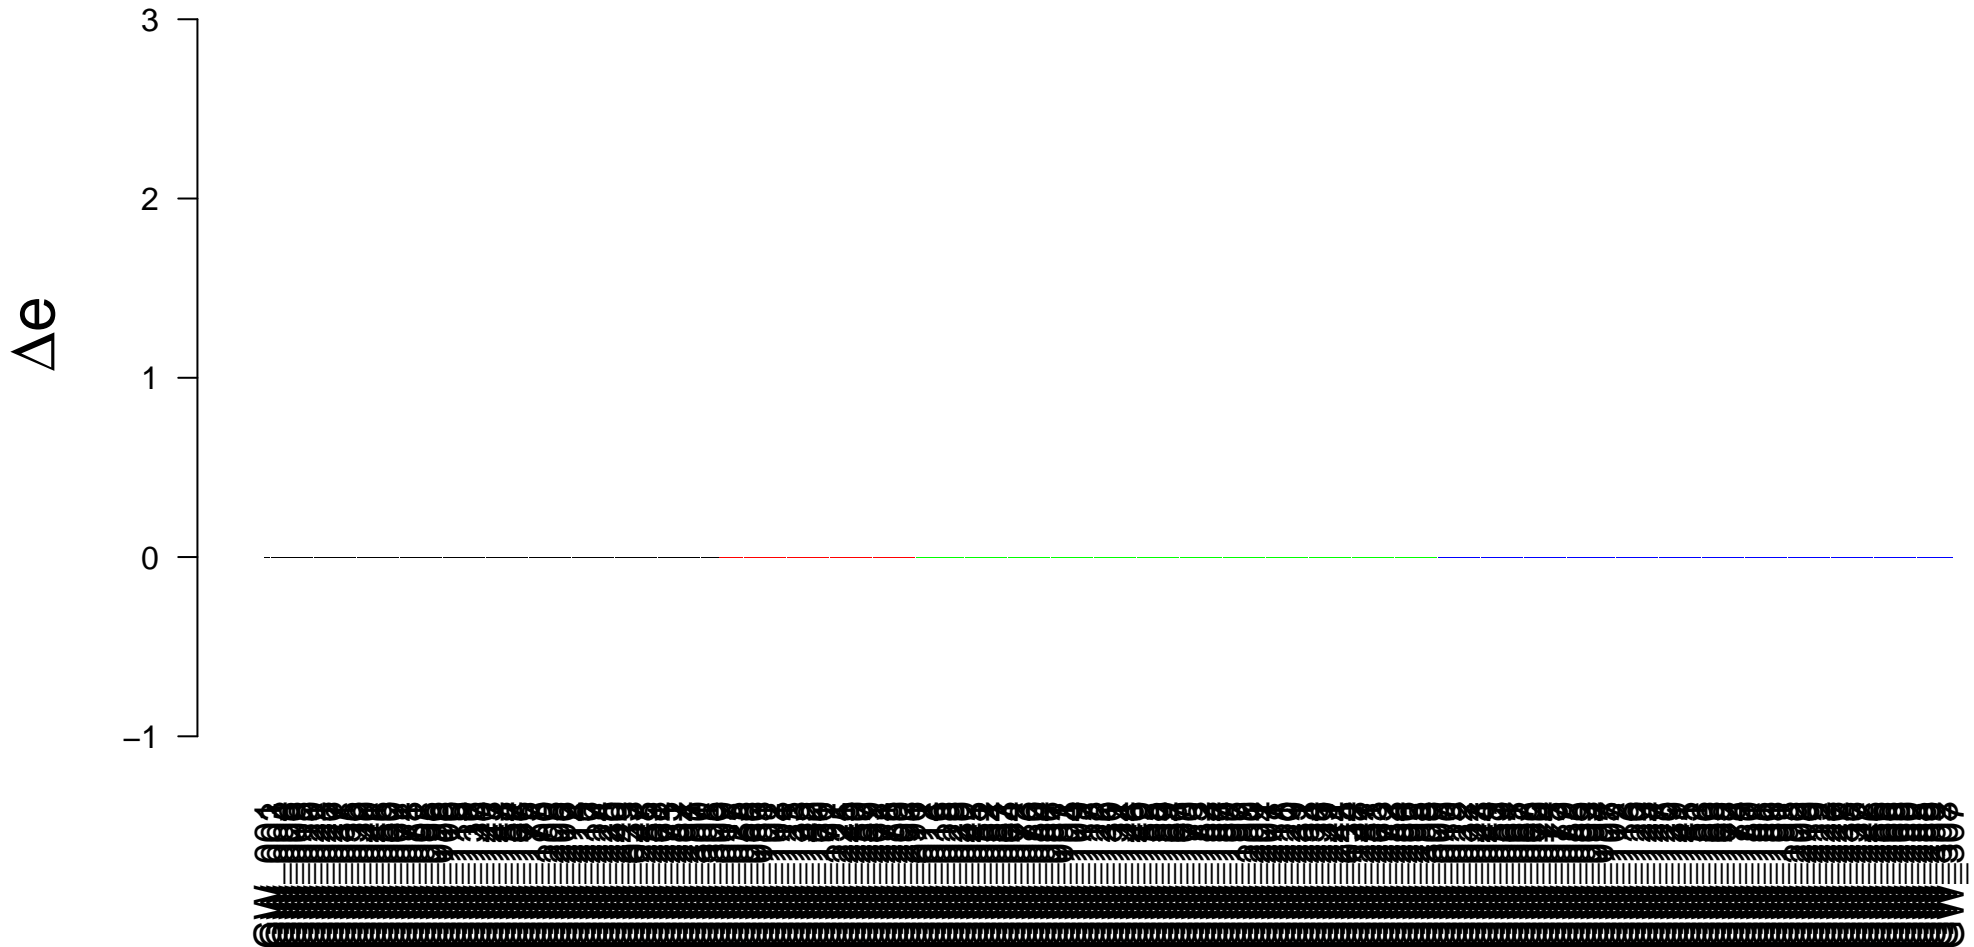

Expression of actin filament in Spot J

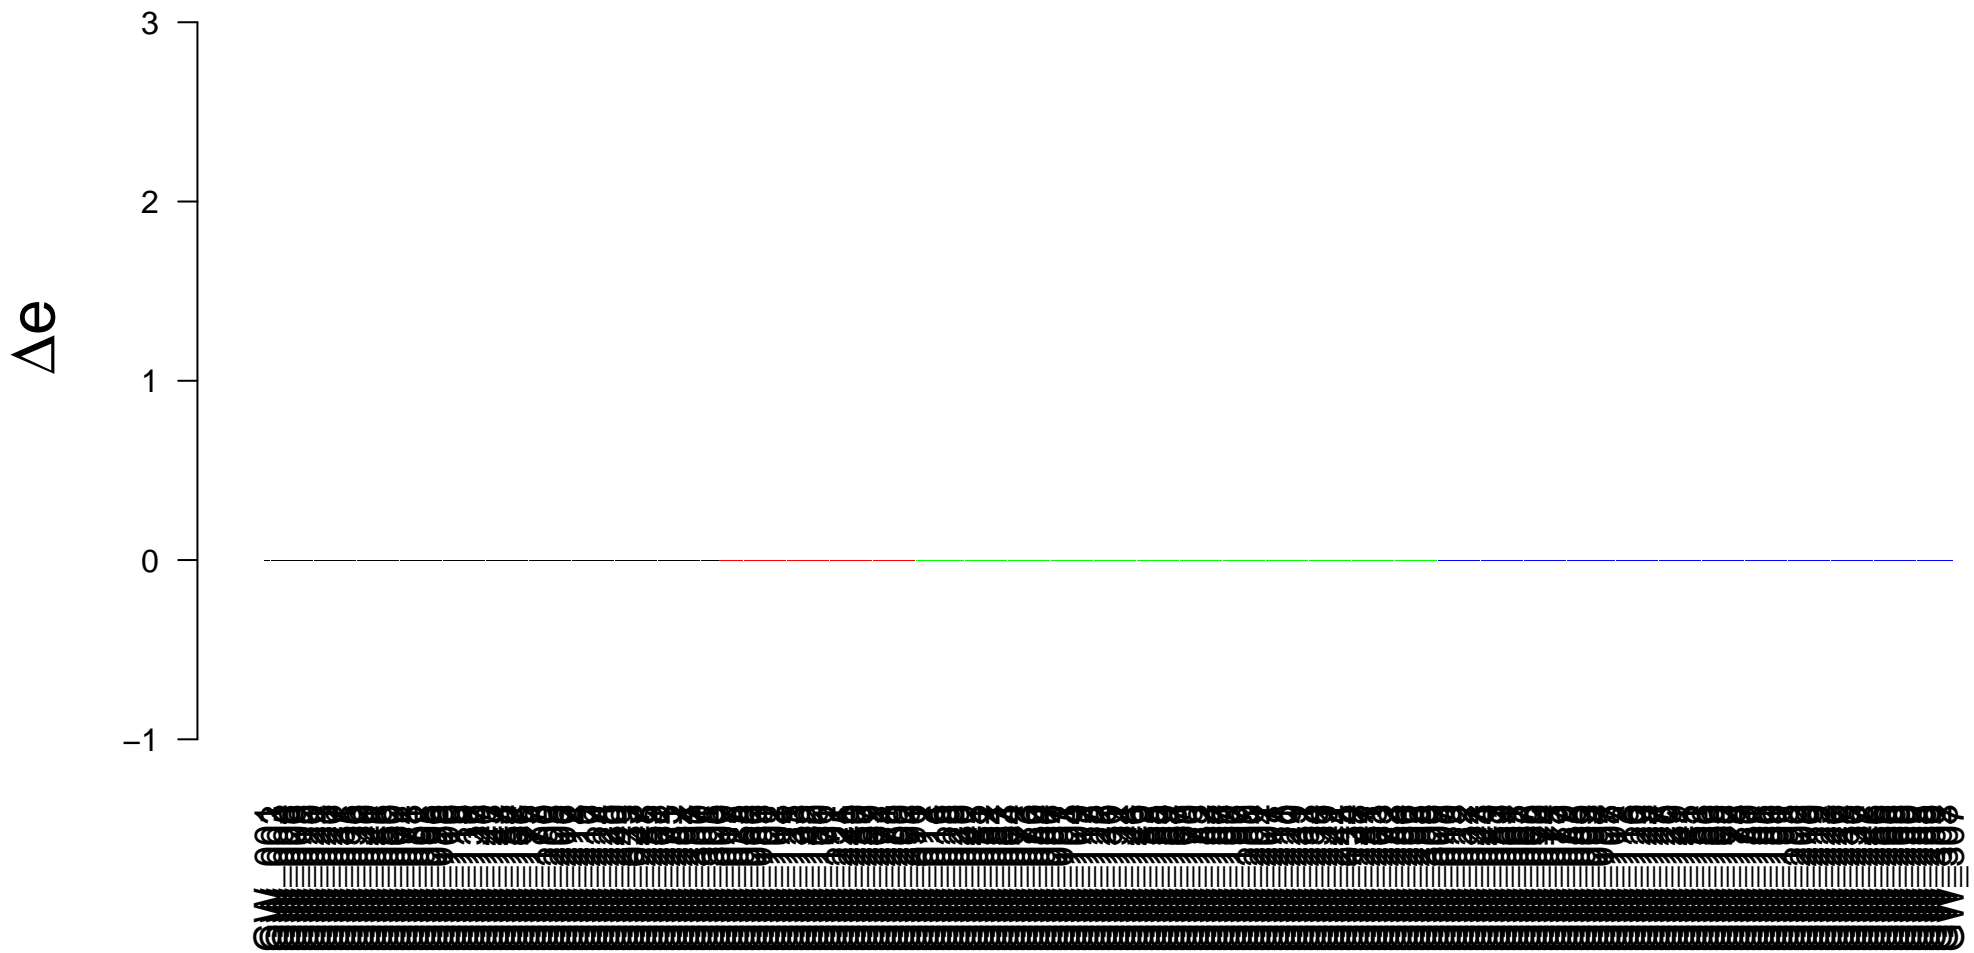

Expression of actin filament in Spot K

Expression of actin filament in Spot L

Expression of actin filament in Spot M

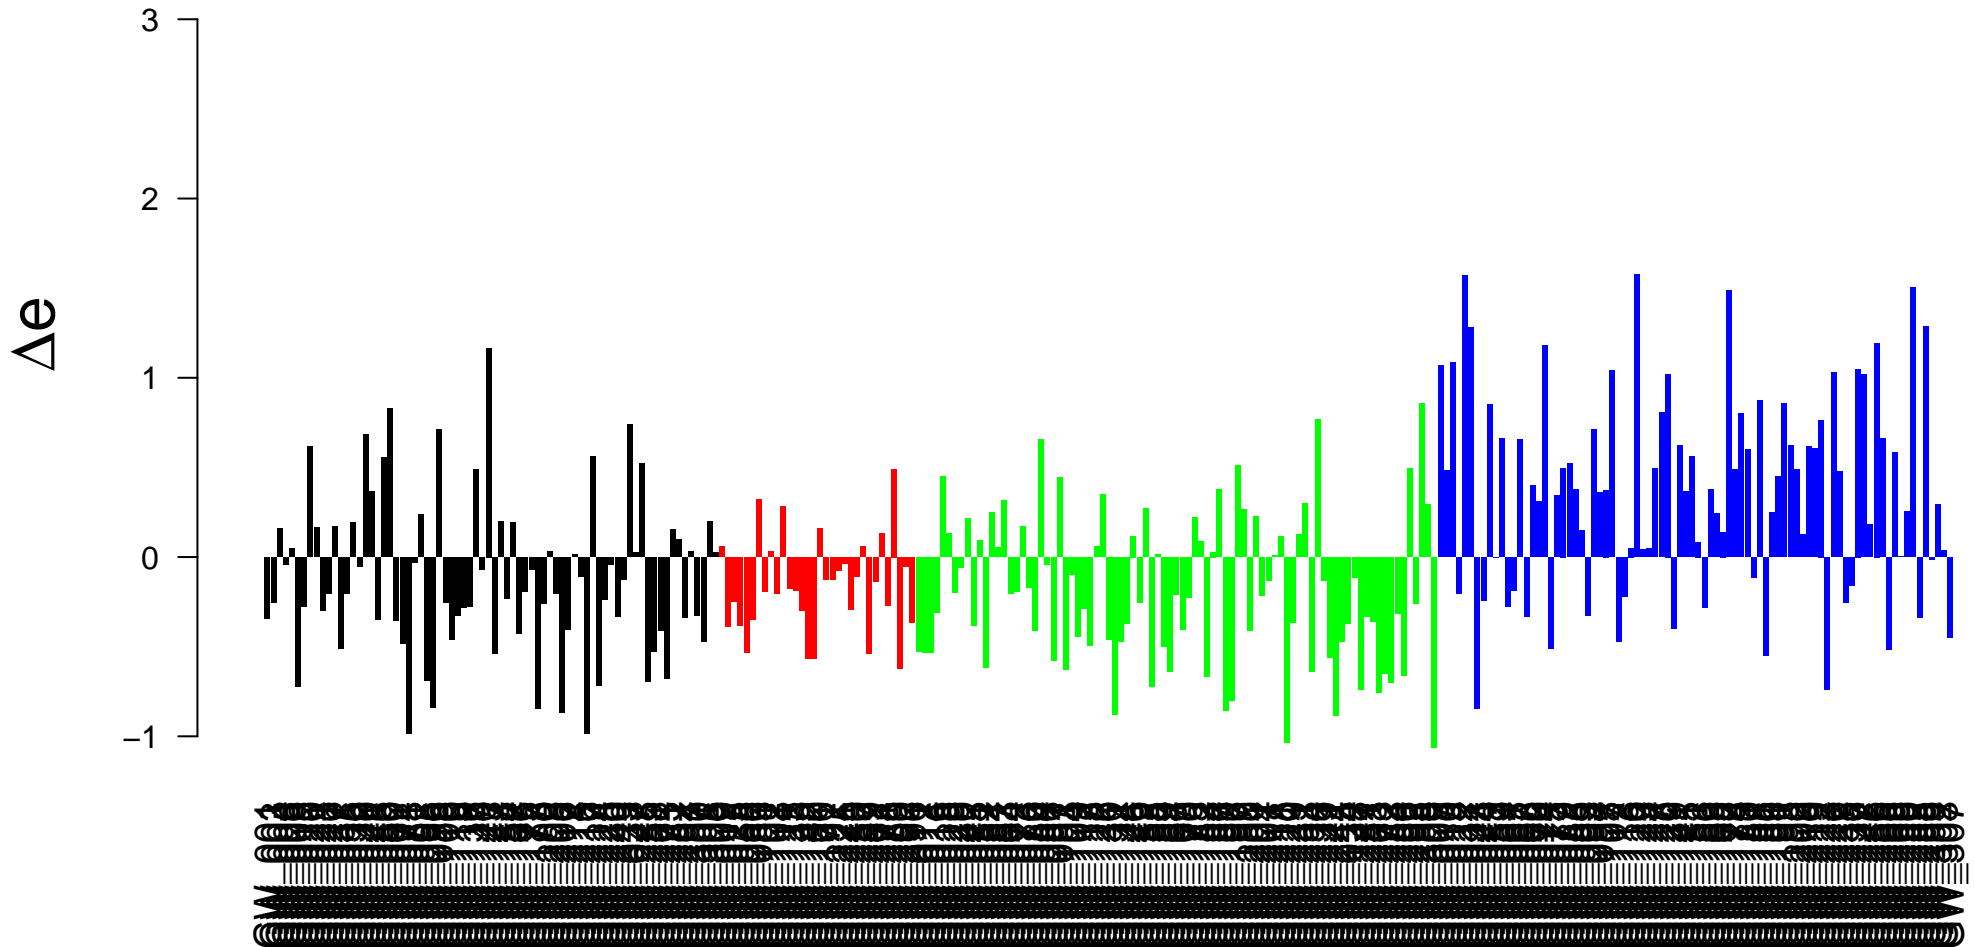

Expression of actin filament in Spot N
