

actin filament capping

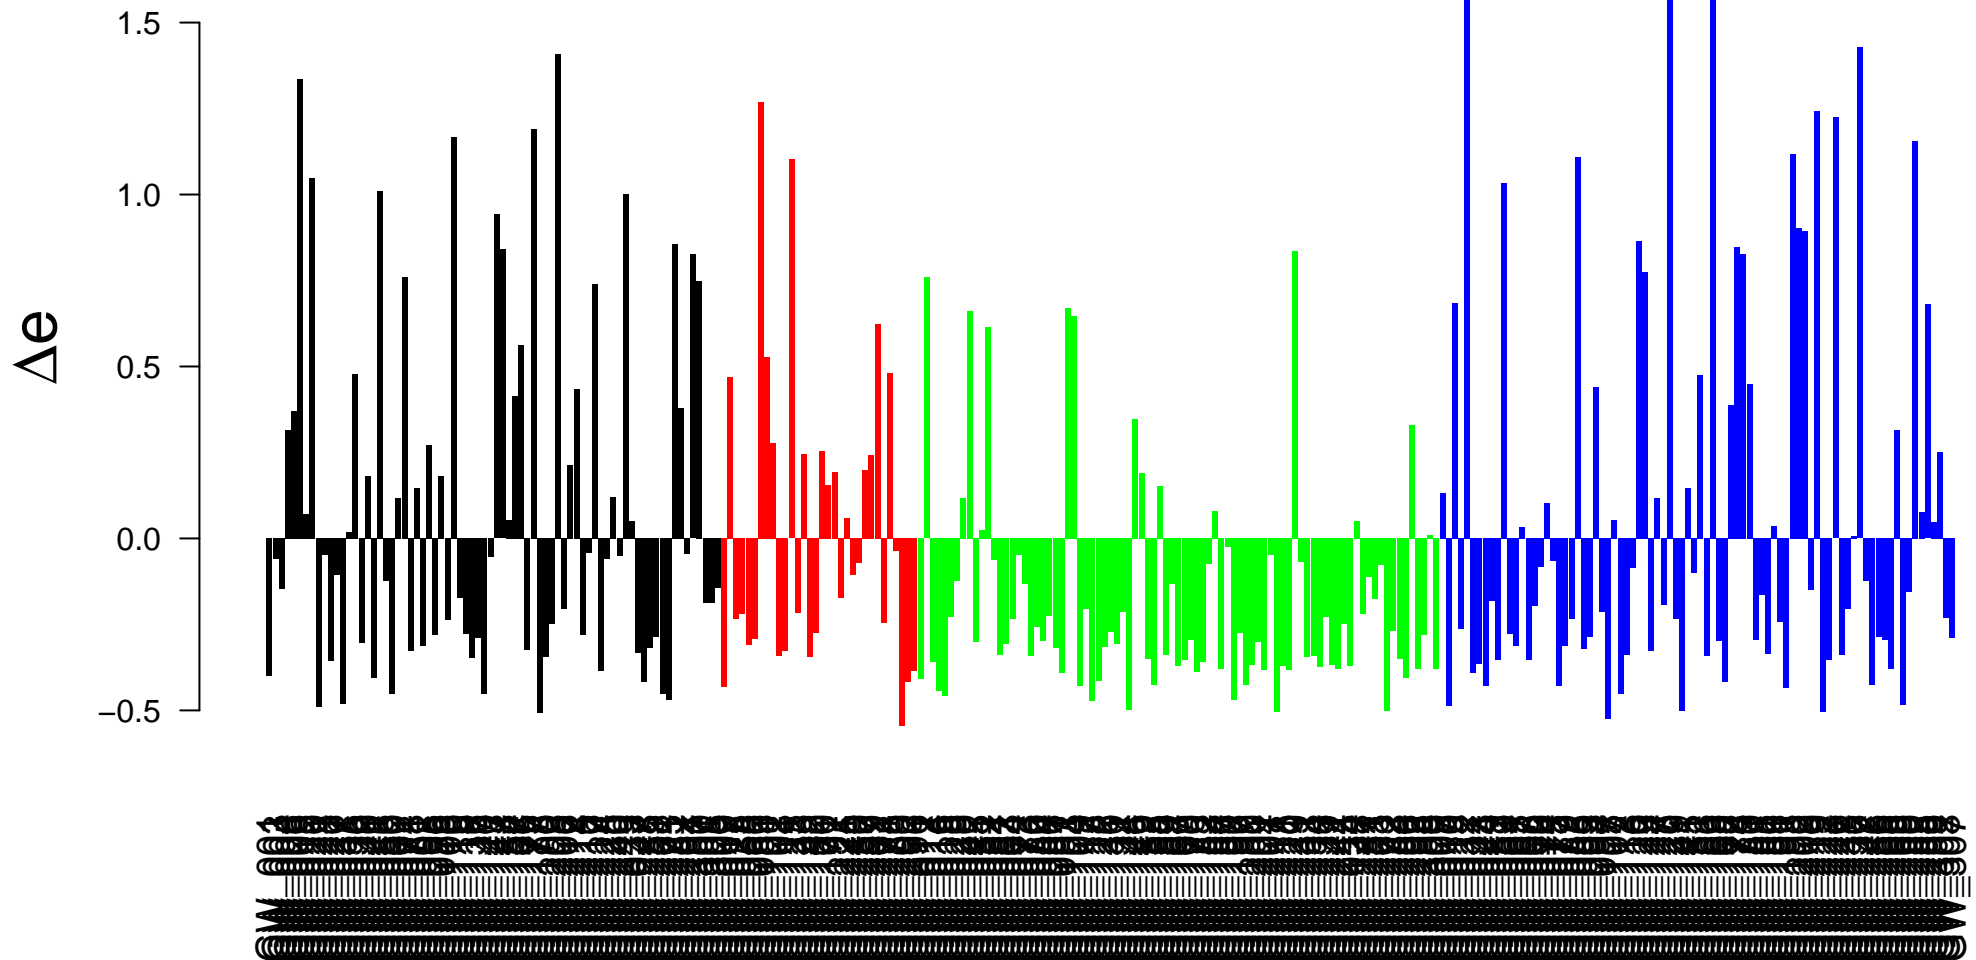

actin filament capping

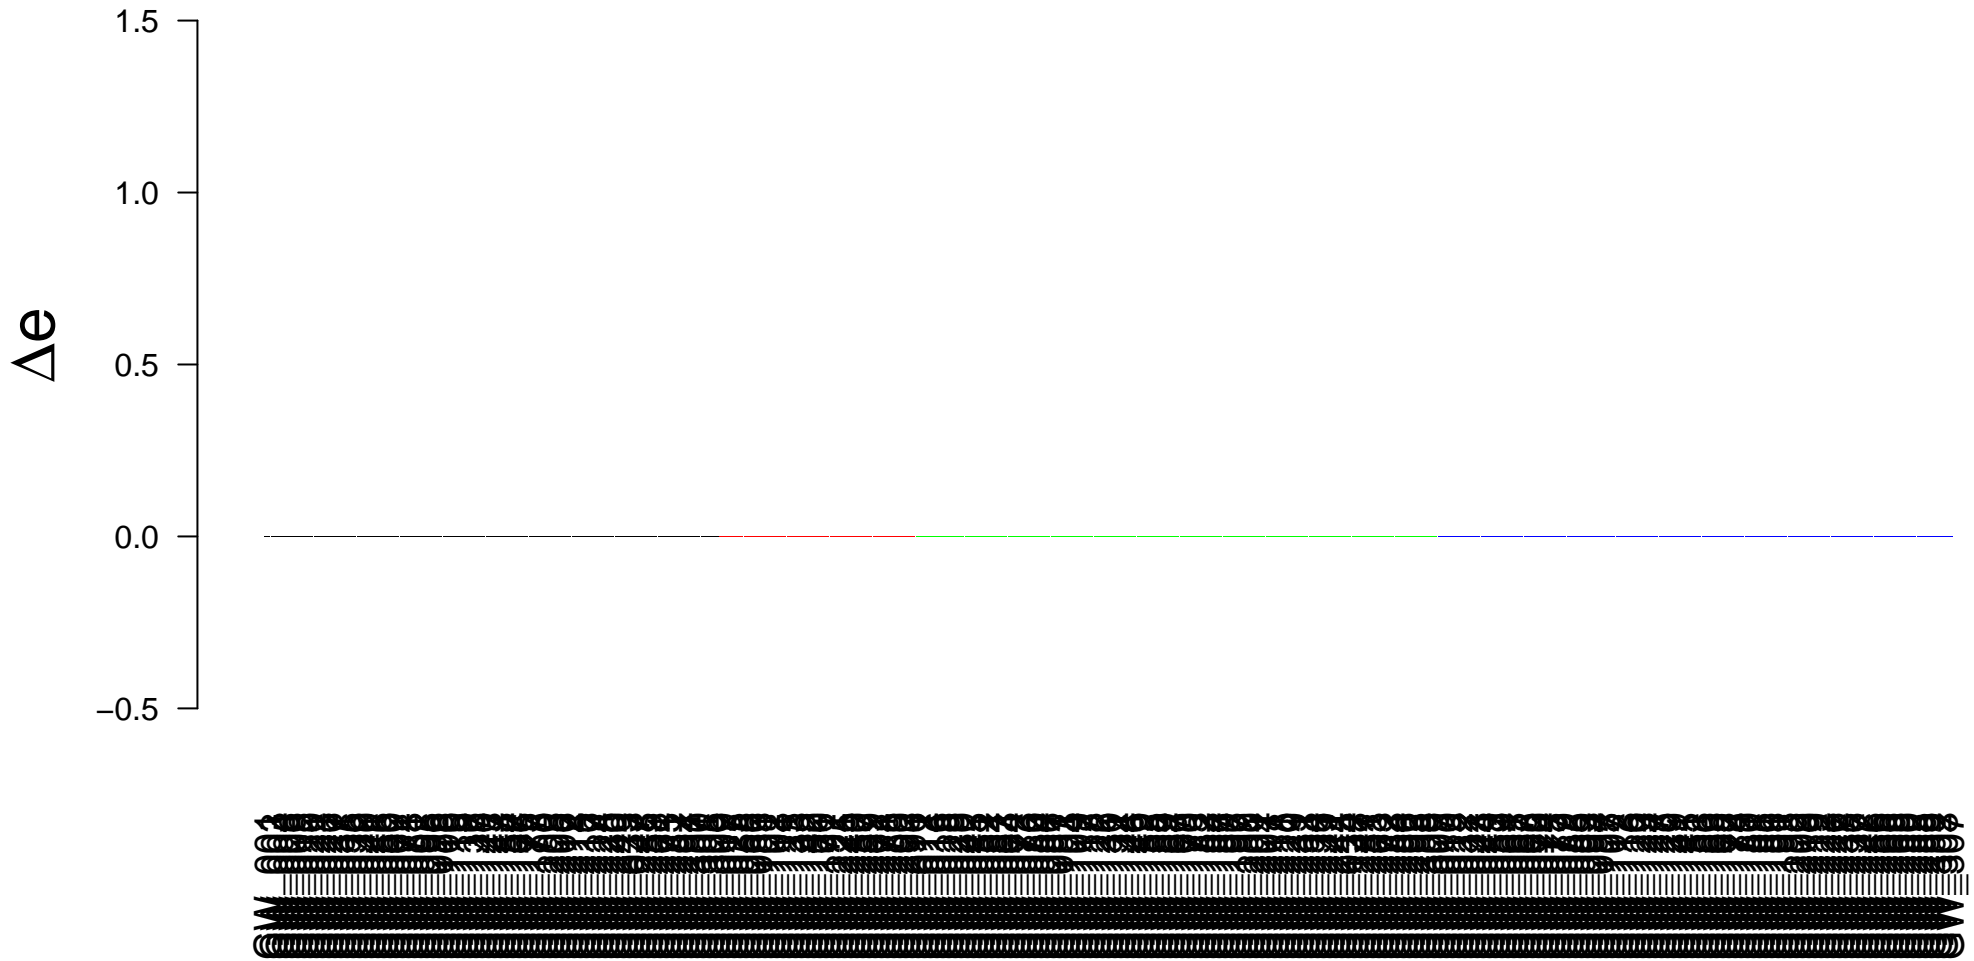

Enrichment in spots: actin filament capping

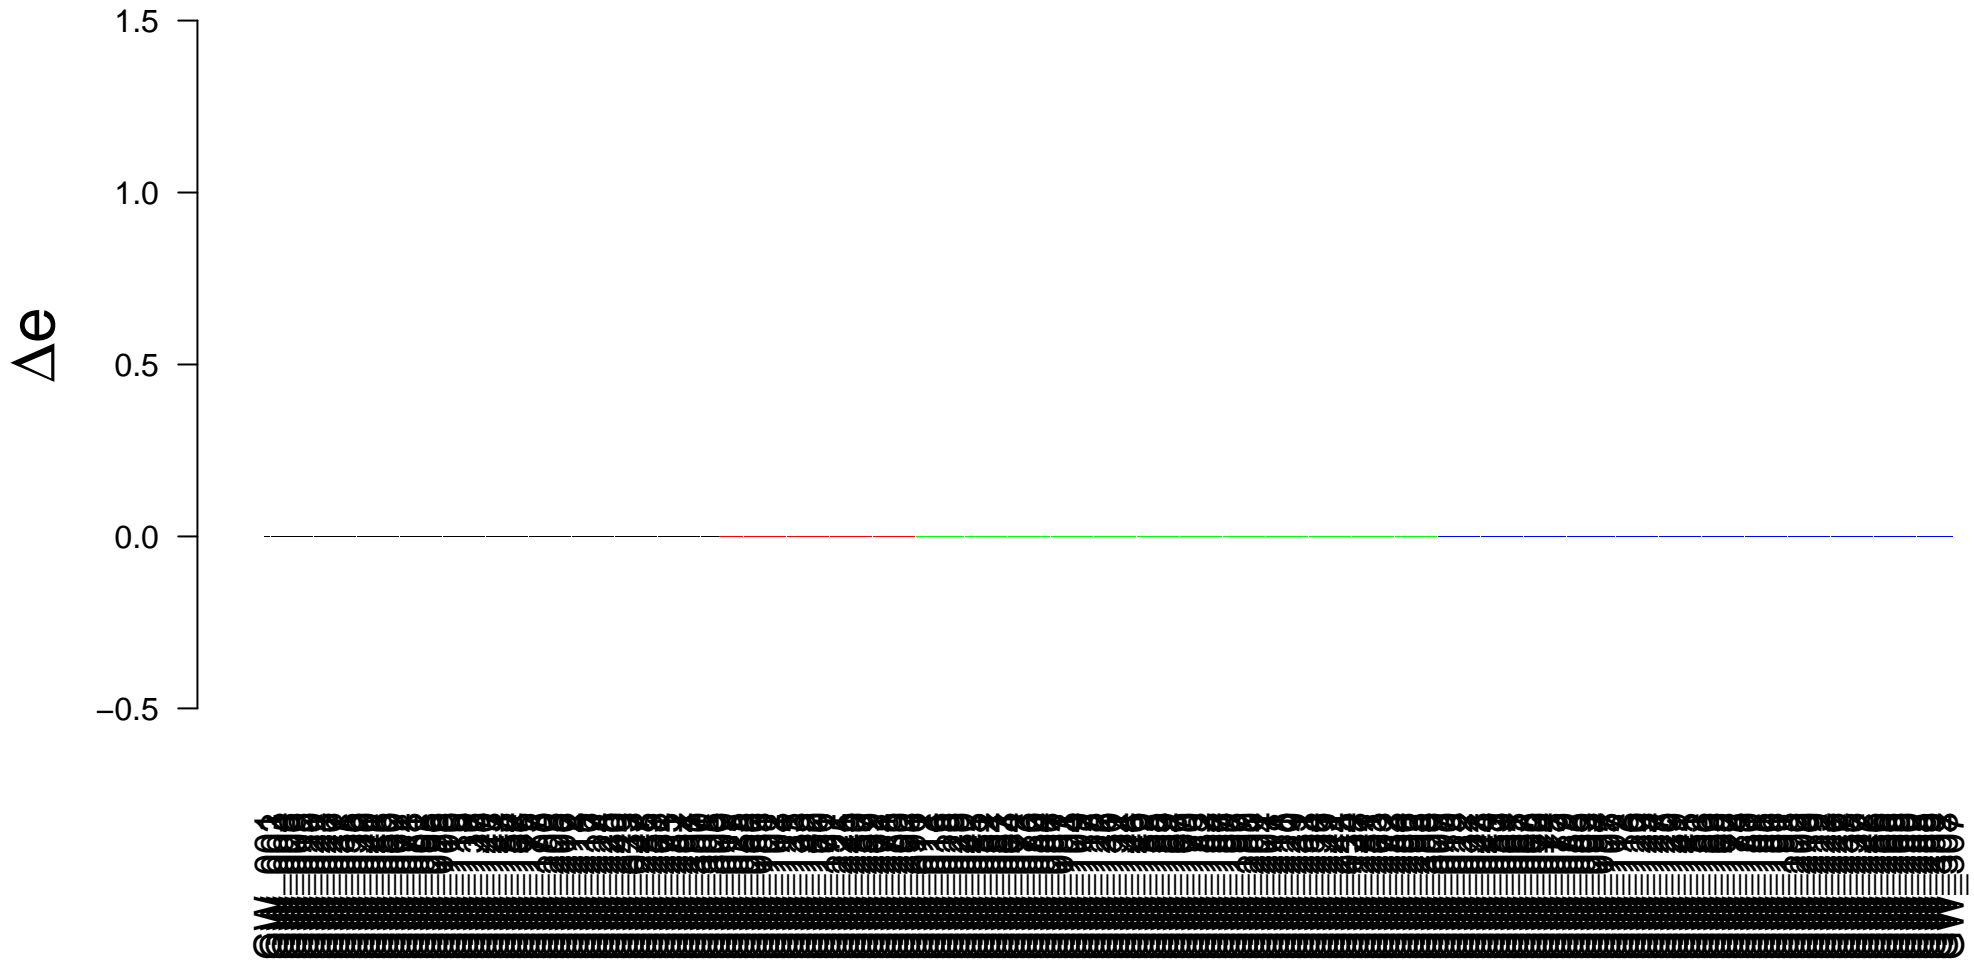

Expression of actin filament capping in Spot A

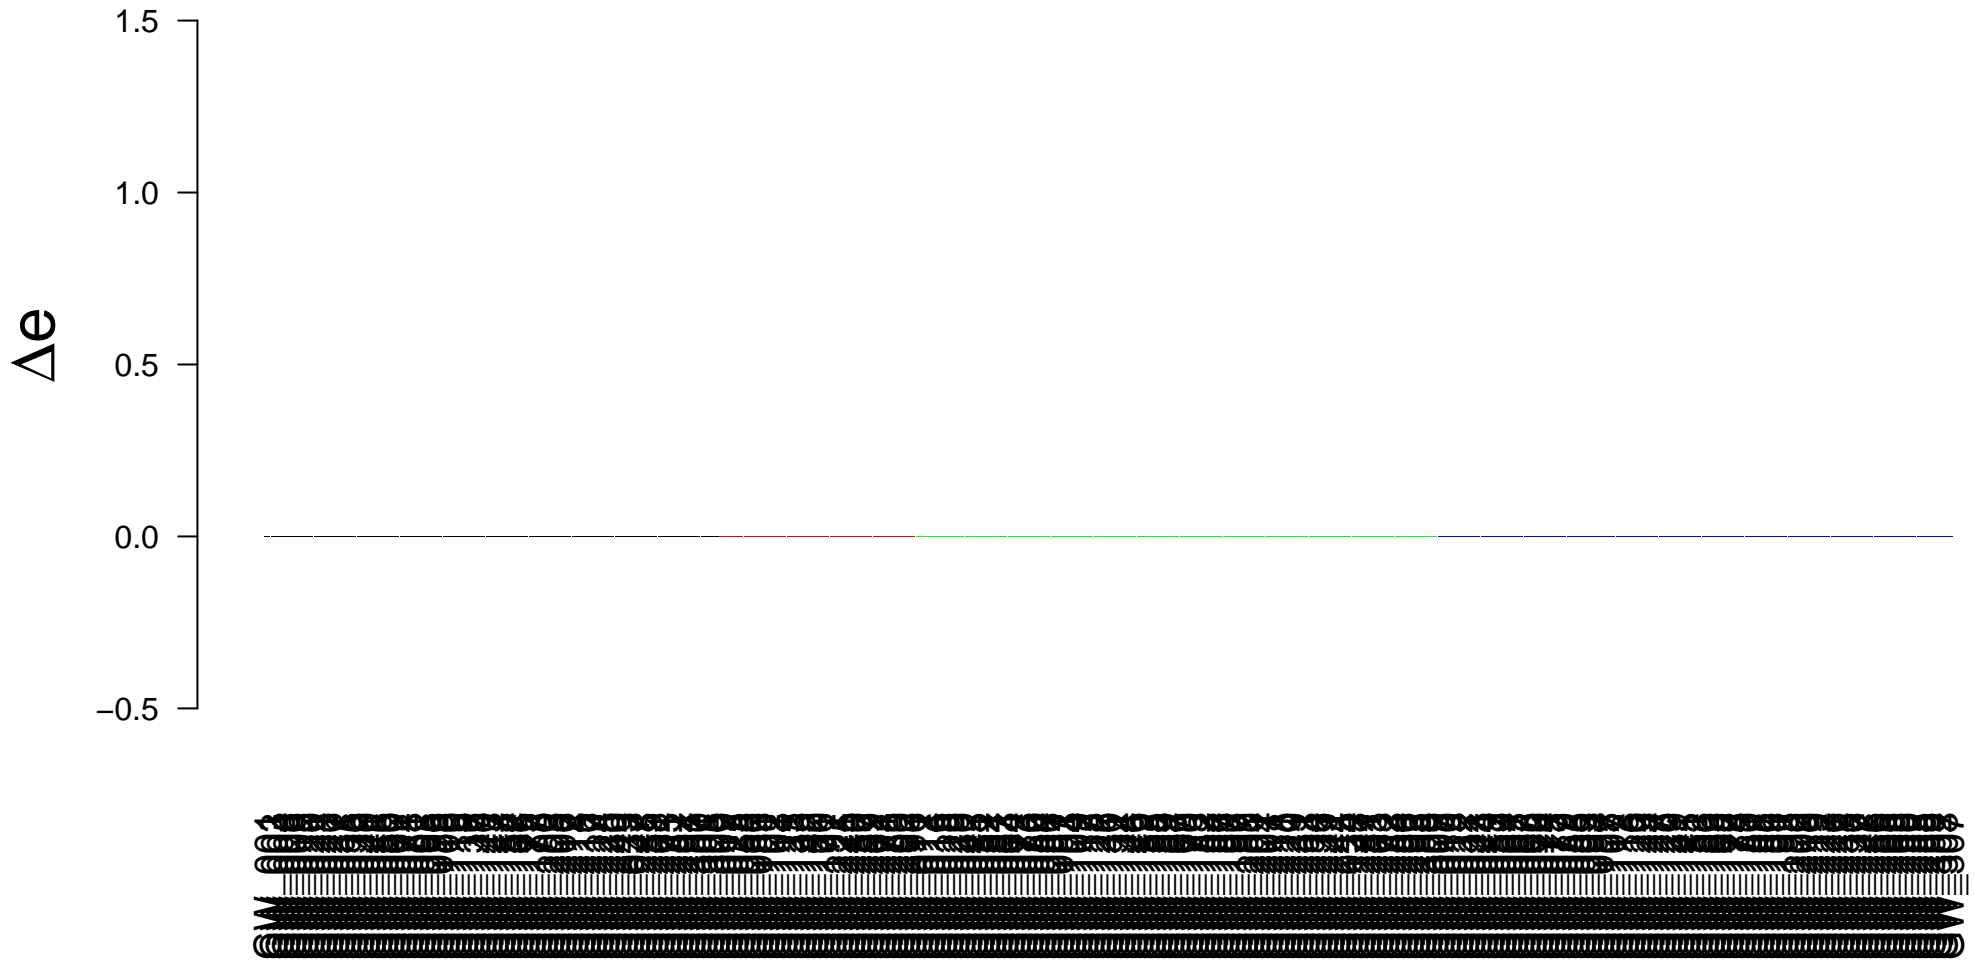

Expression of actin filament capping in Spot B

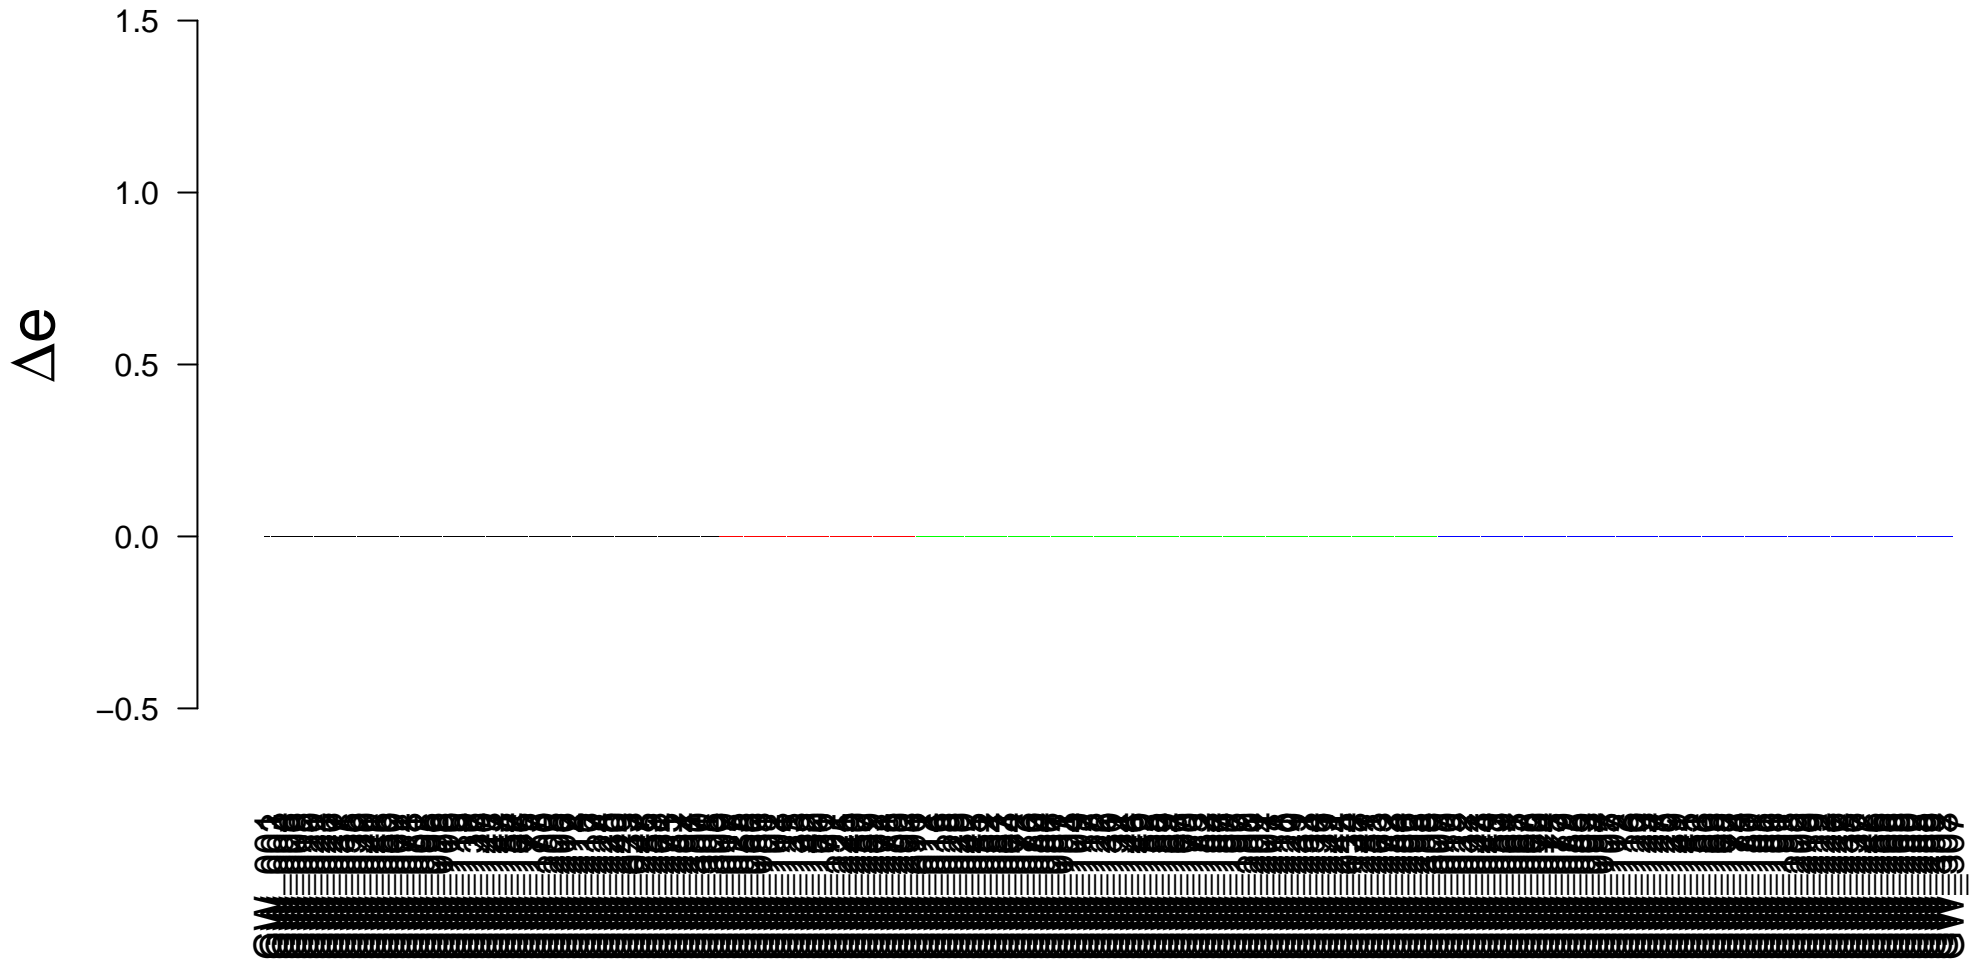

Expression of actin filament capping in Spot C

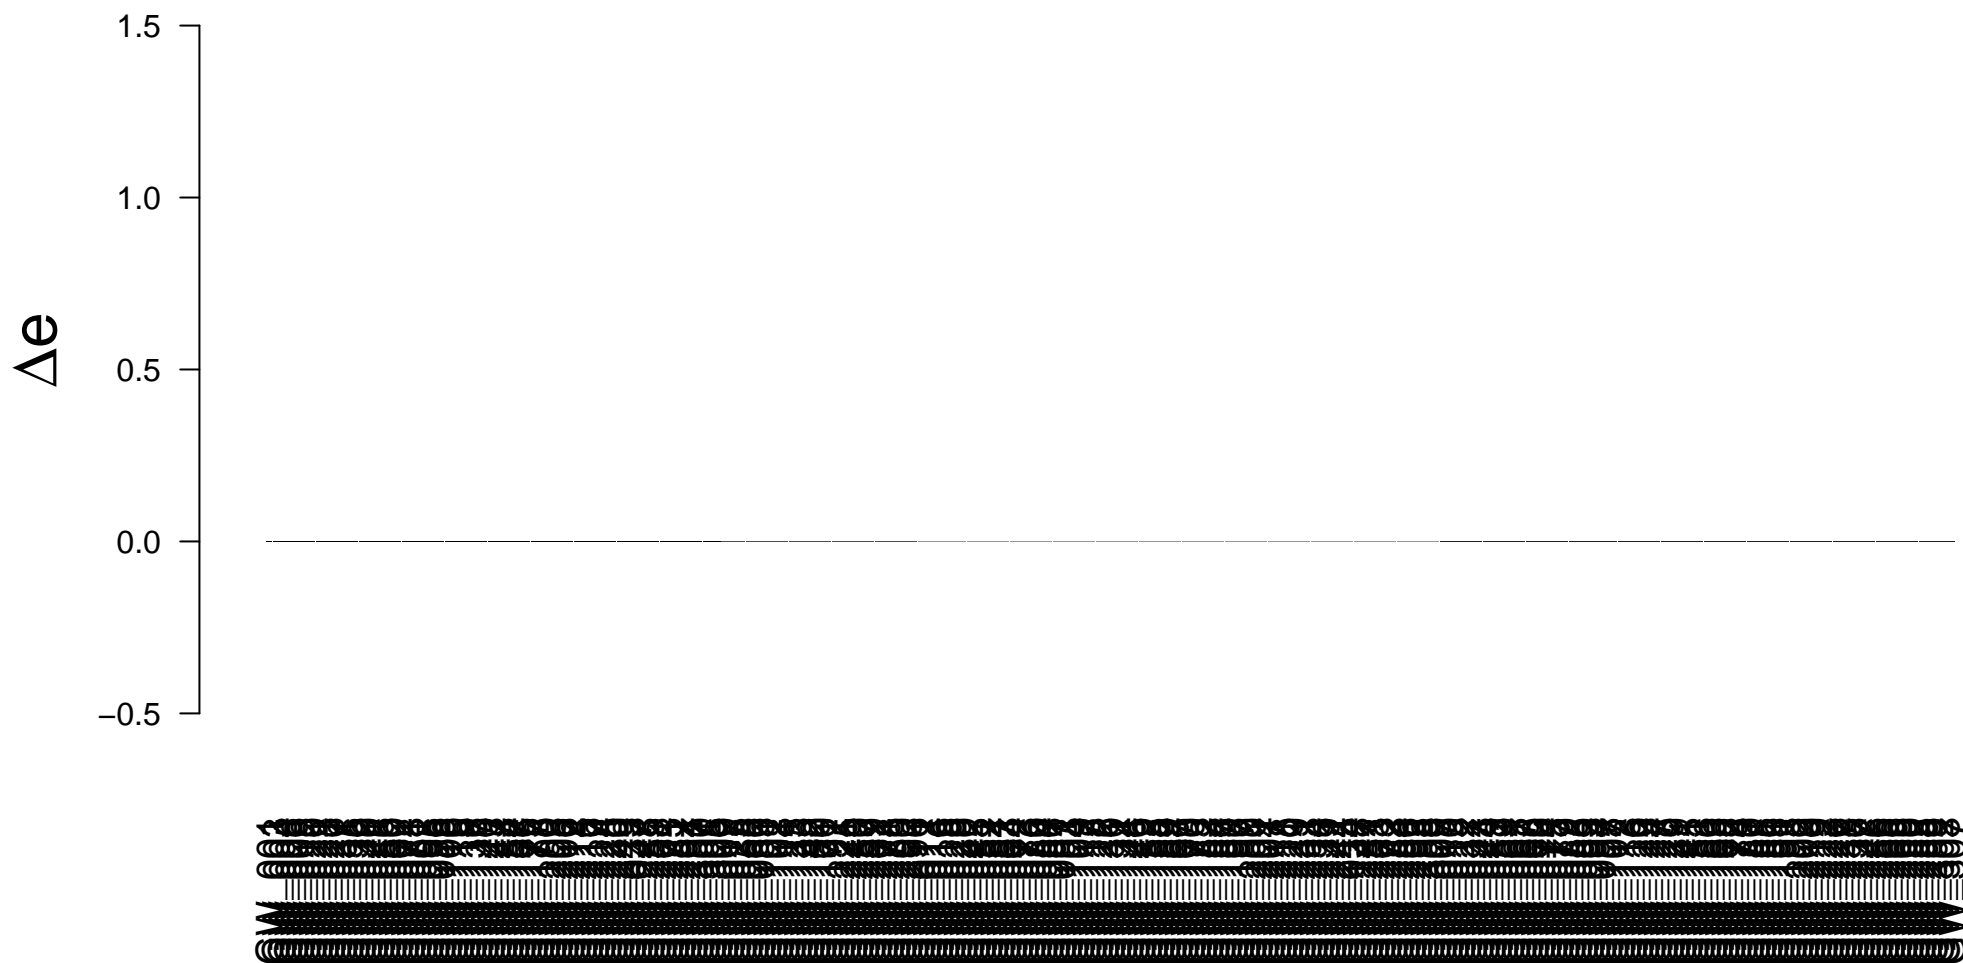

Expression of actin filament capping in Spot D

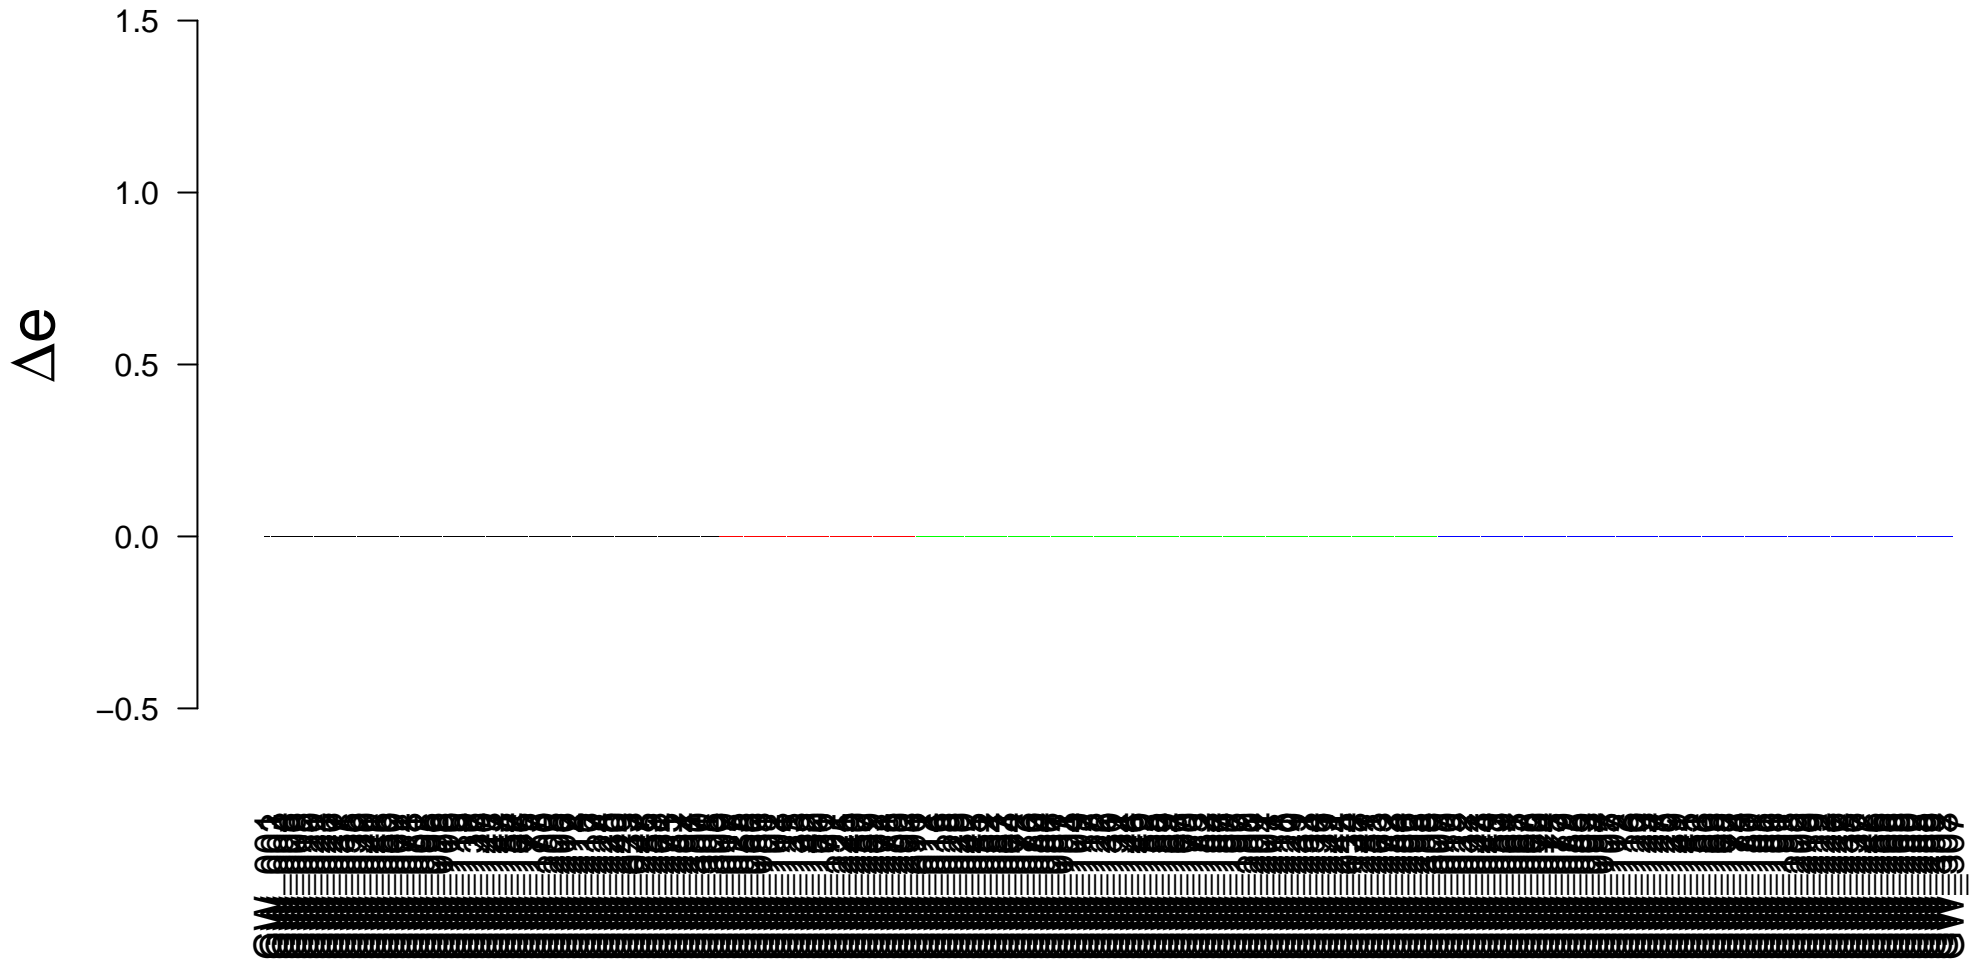

Expression of actin filament capping in Spot E

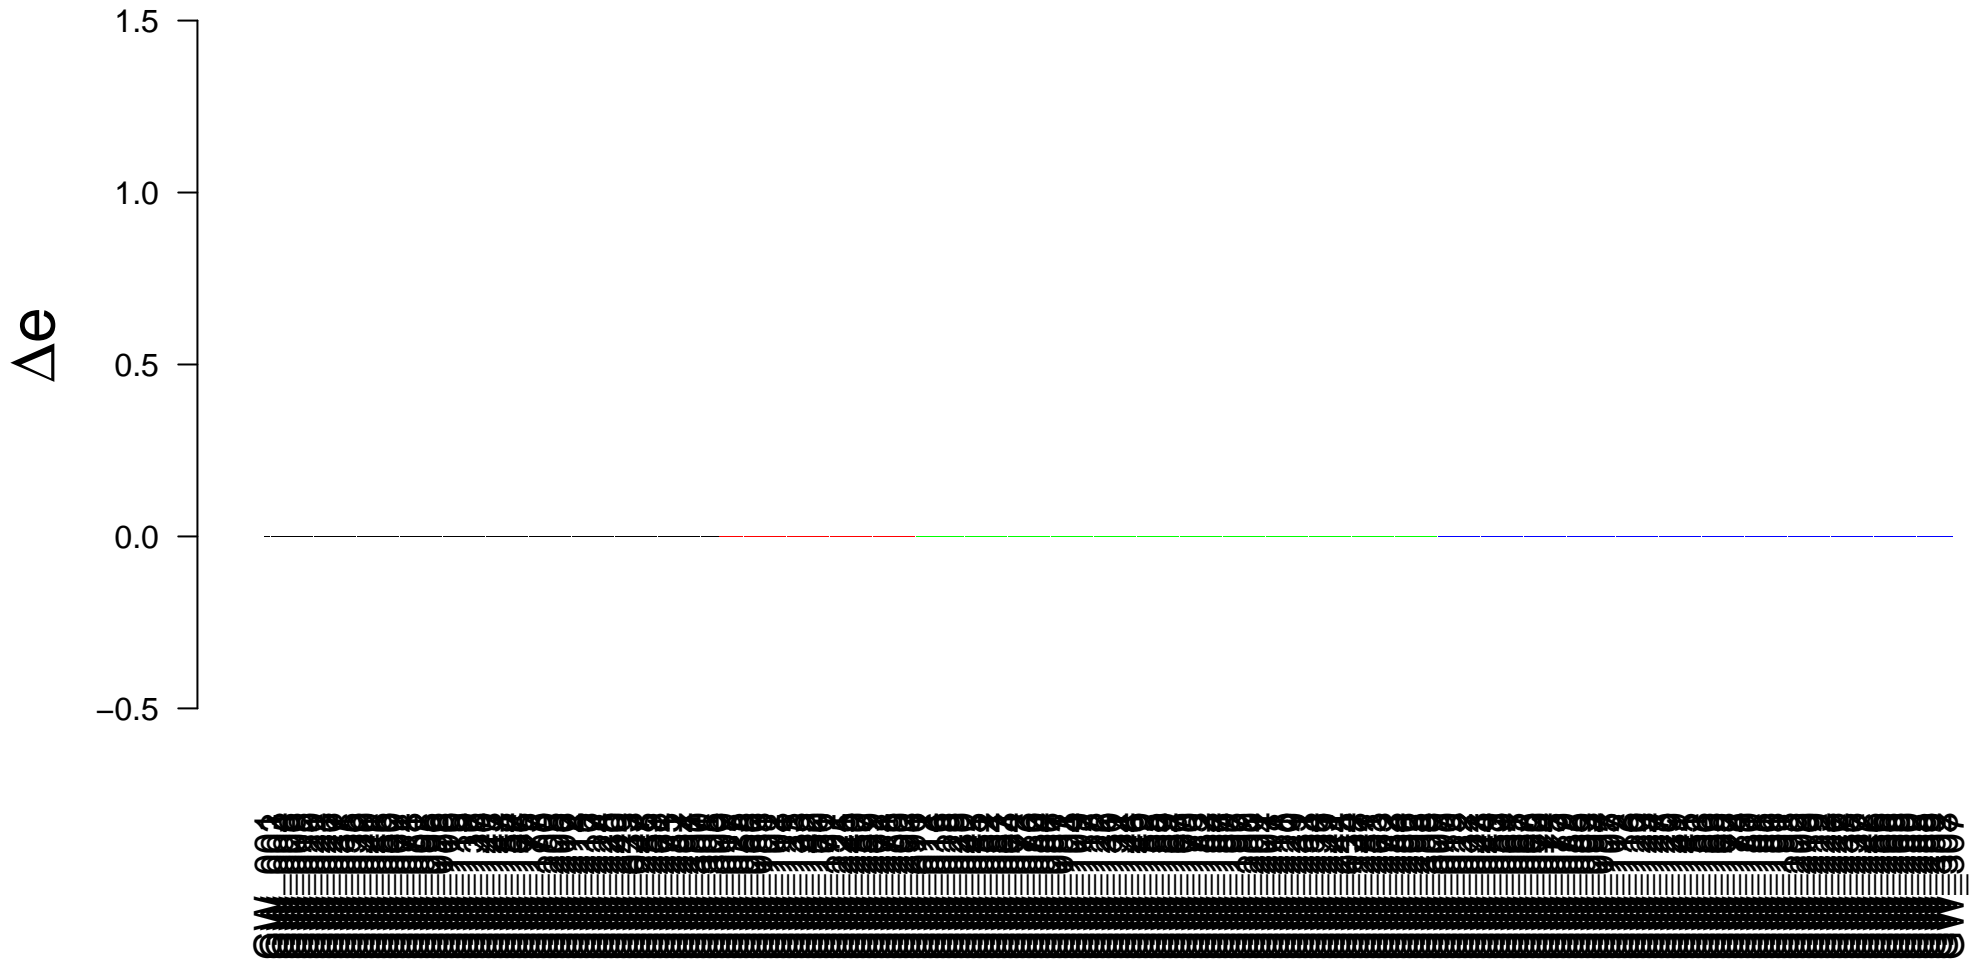

Expression of actin filament capping in Spot F

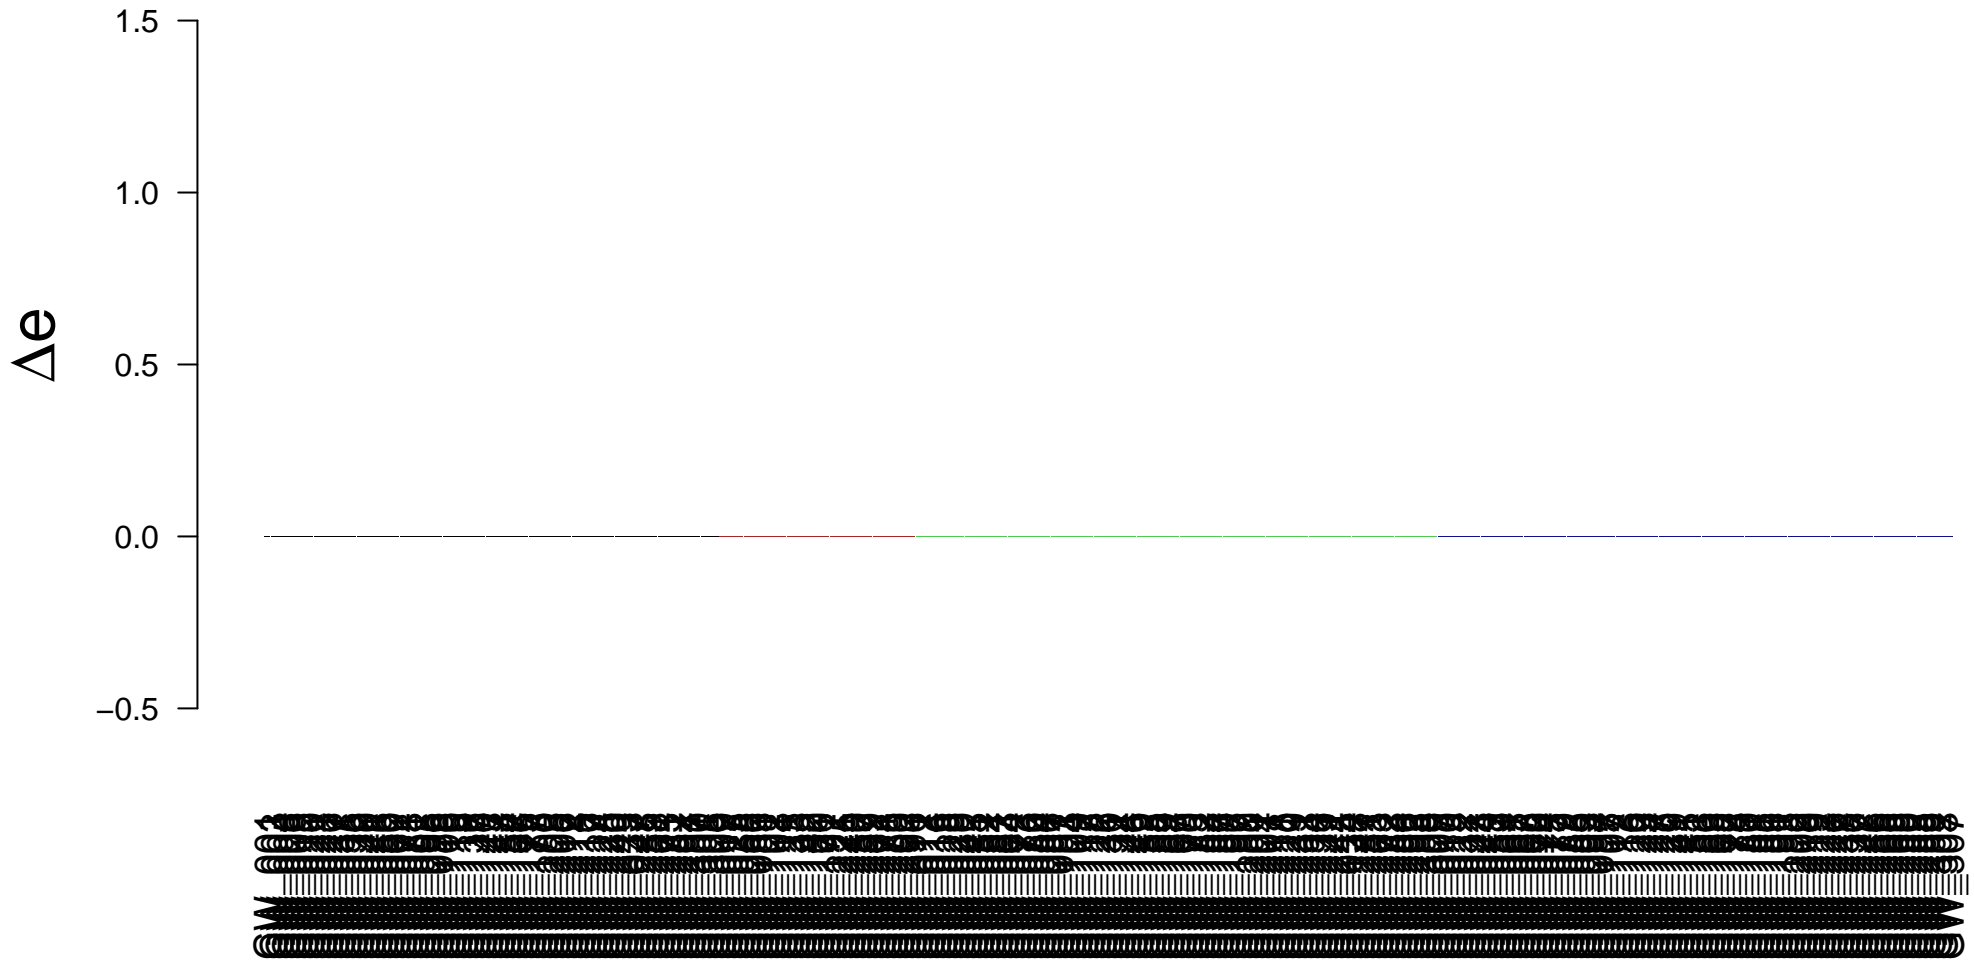

Expression of actin filament capping in Spot G

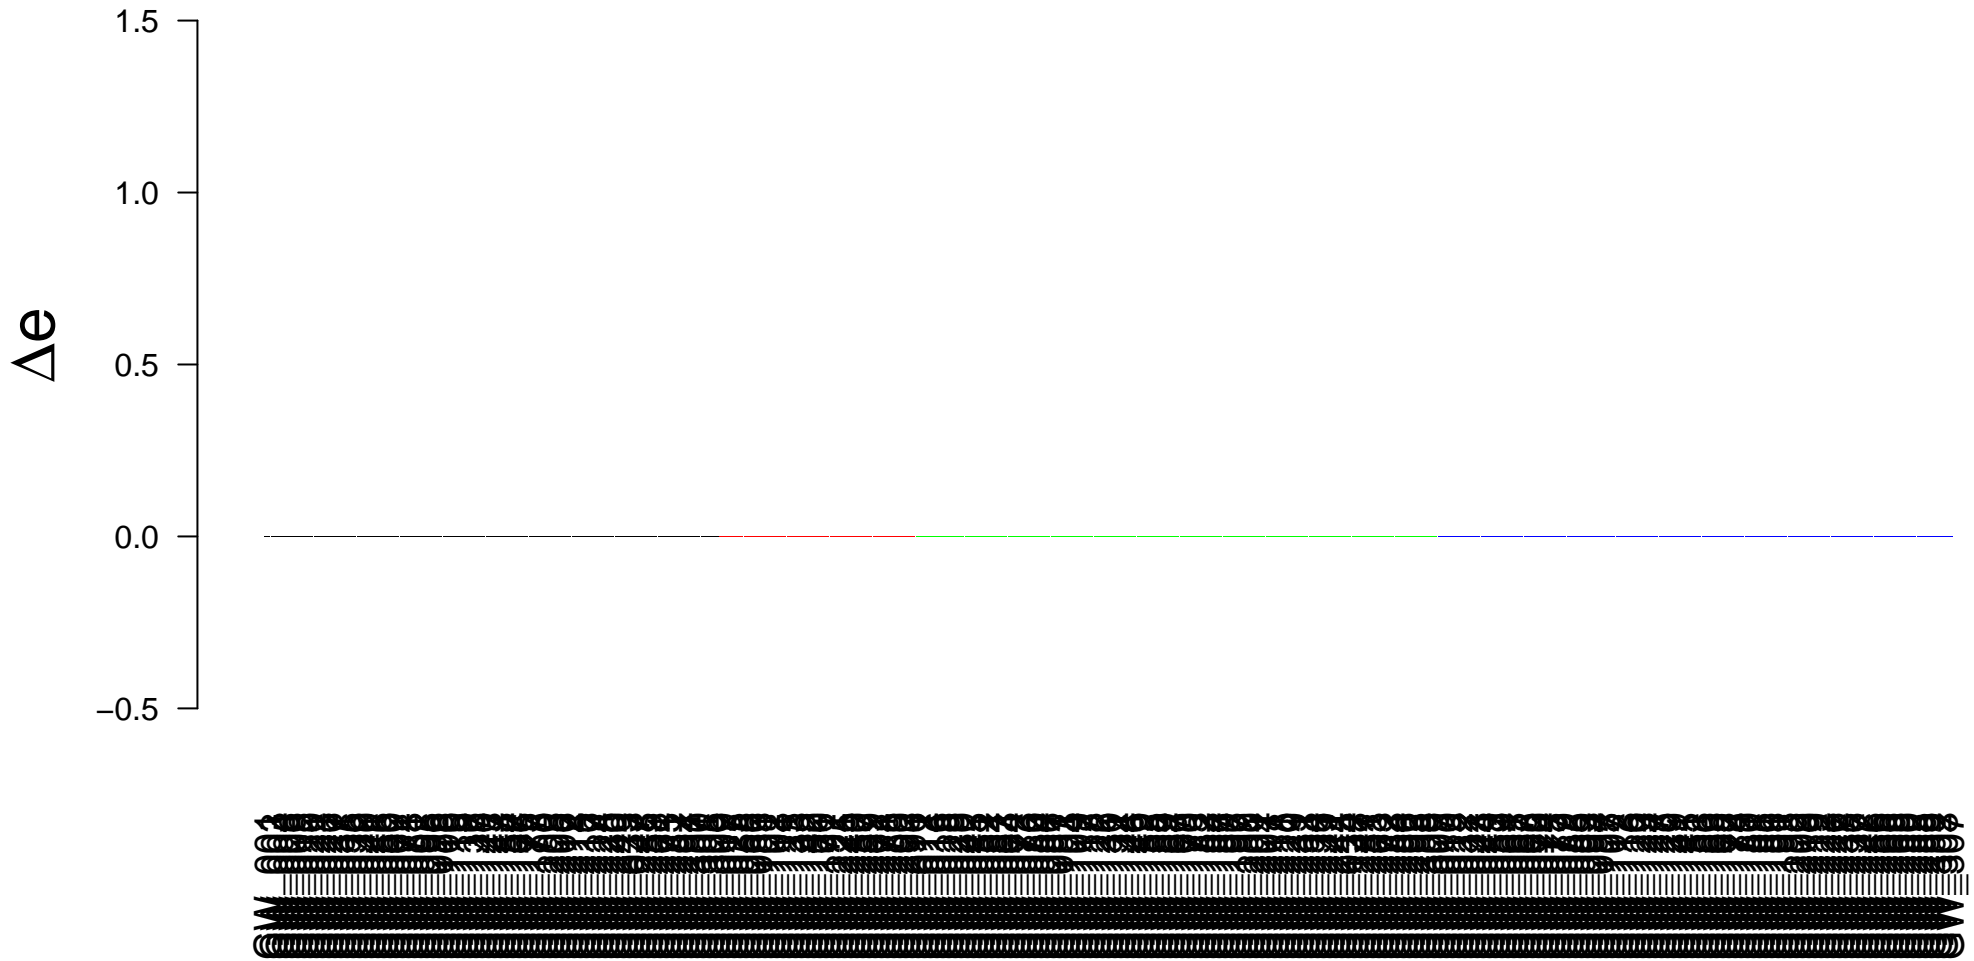

Expression of actin filament capping in Spot H

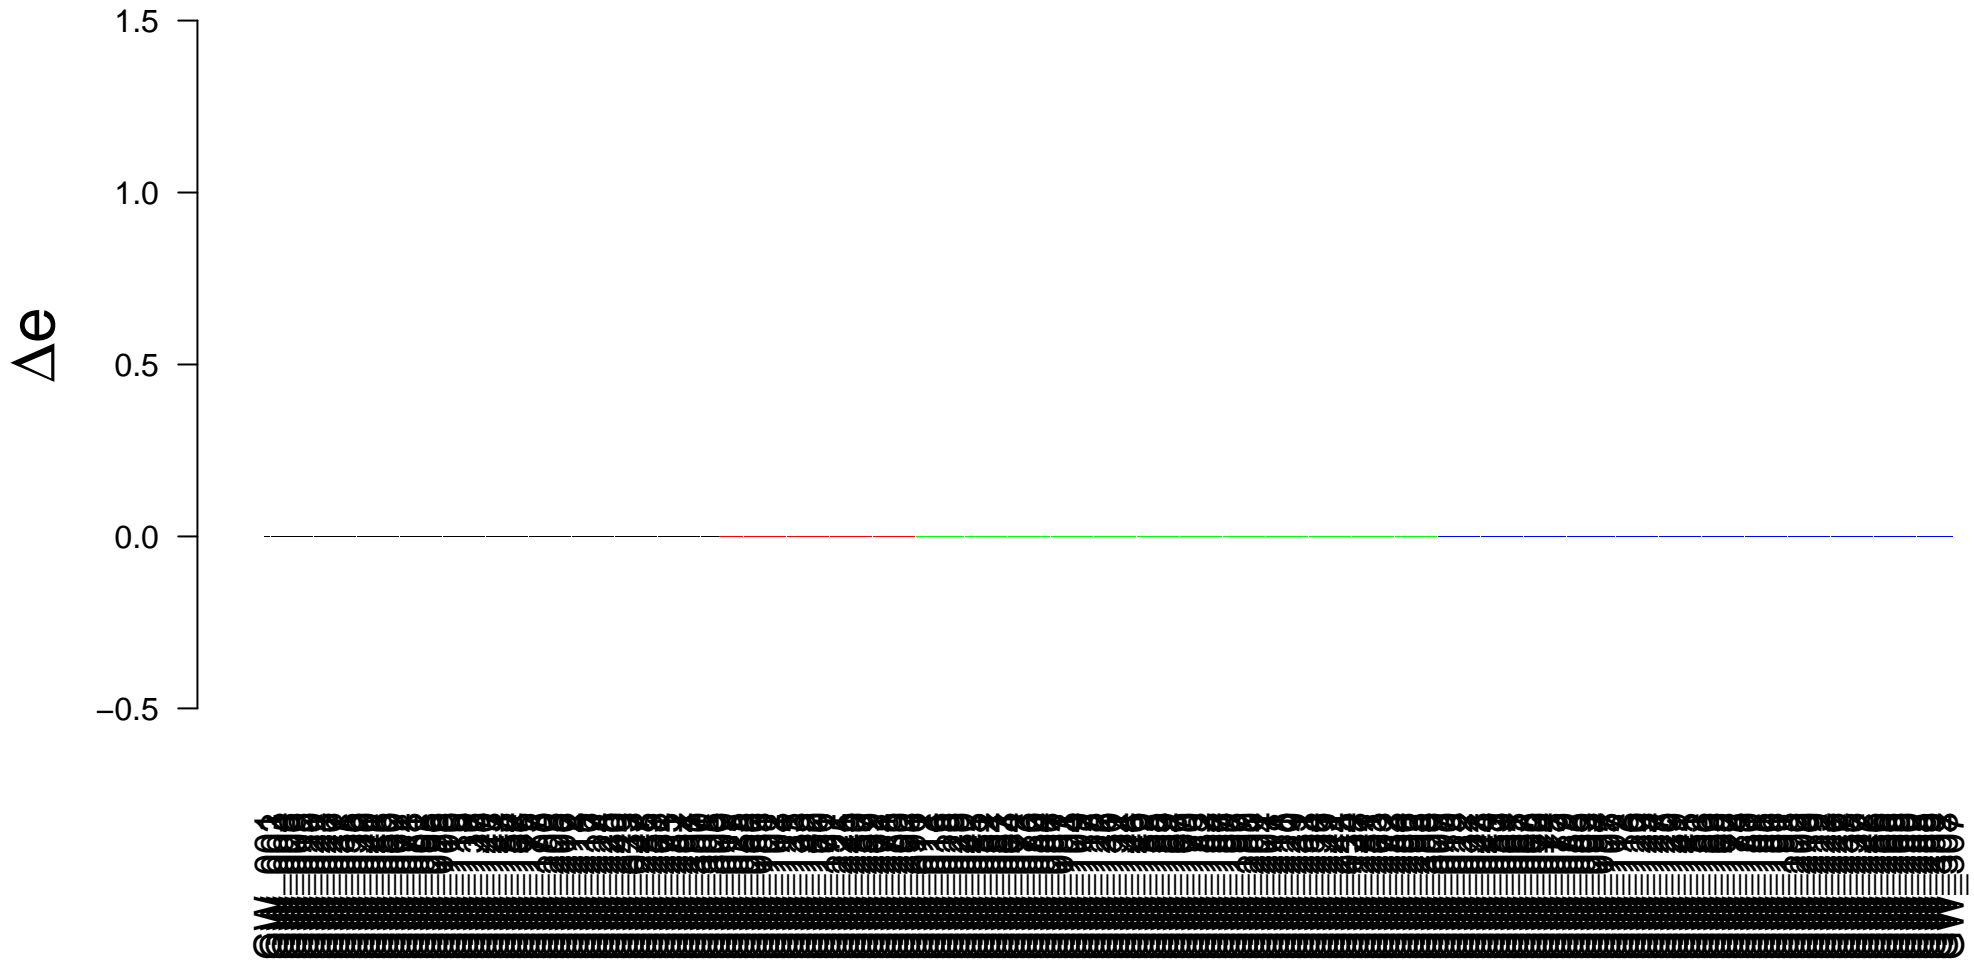

Expression of actin filament capping in Spot I

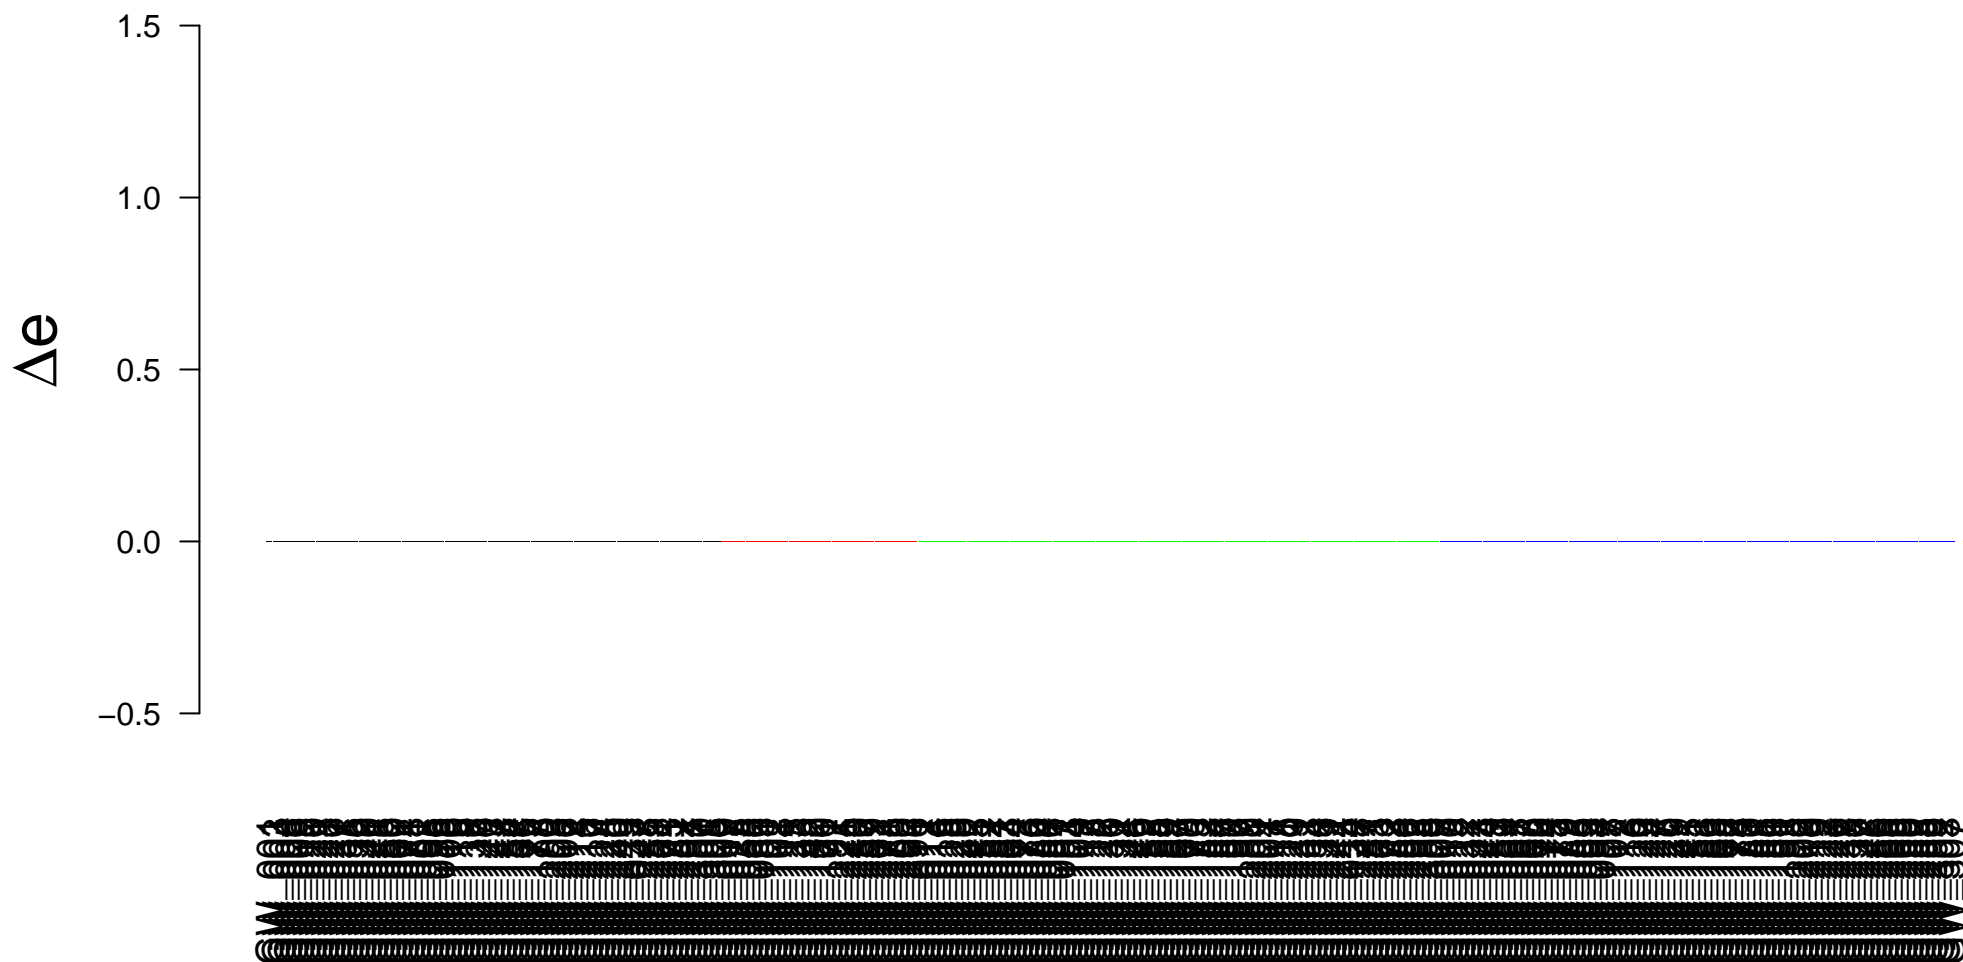

Expression of actin filament capping in Spot J

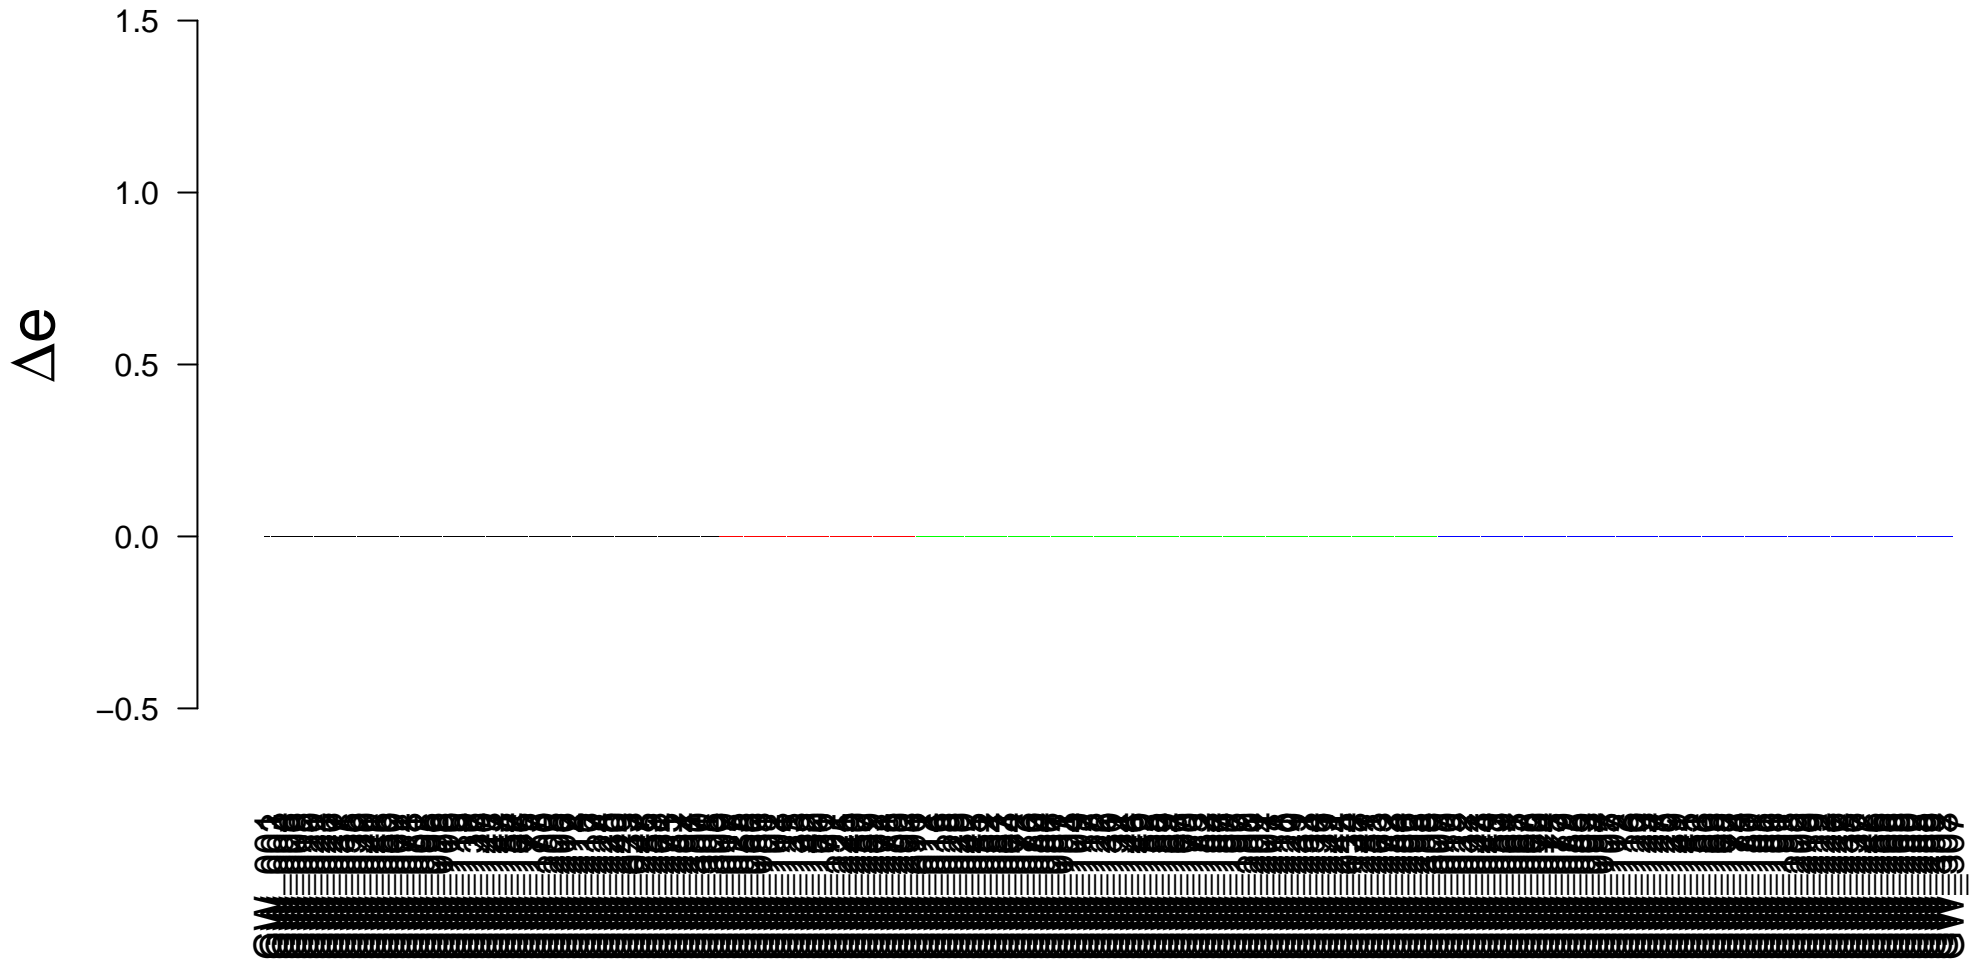

Expression of actin filament capping in Spot K

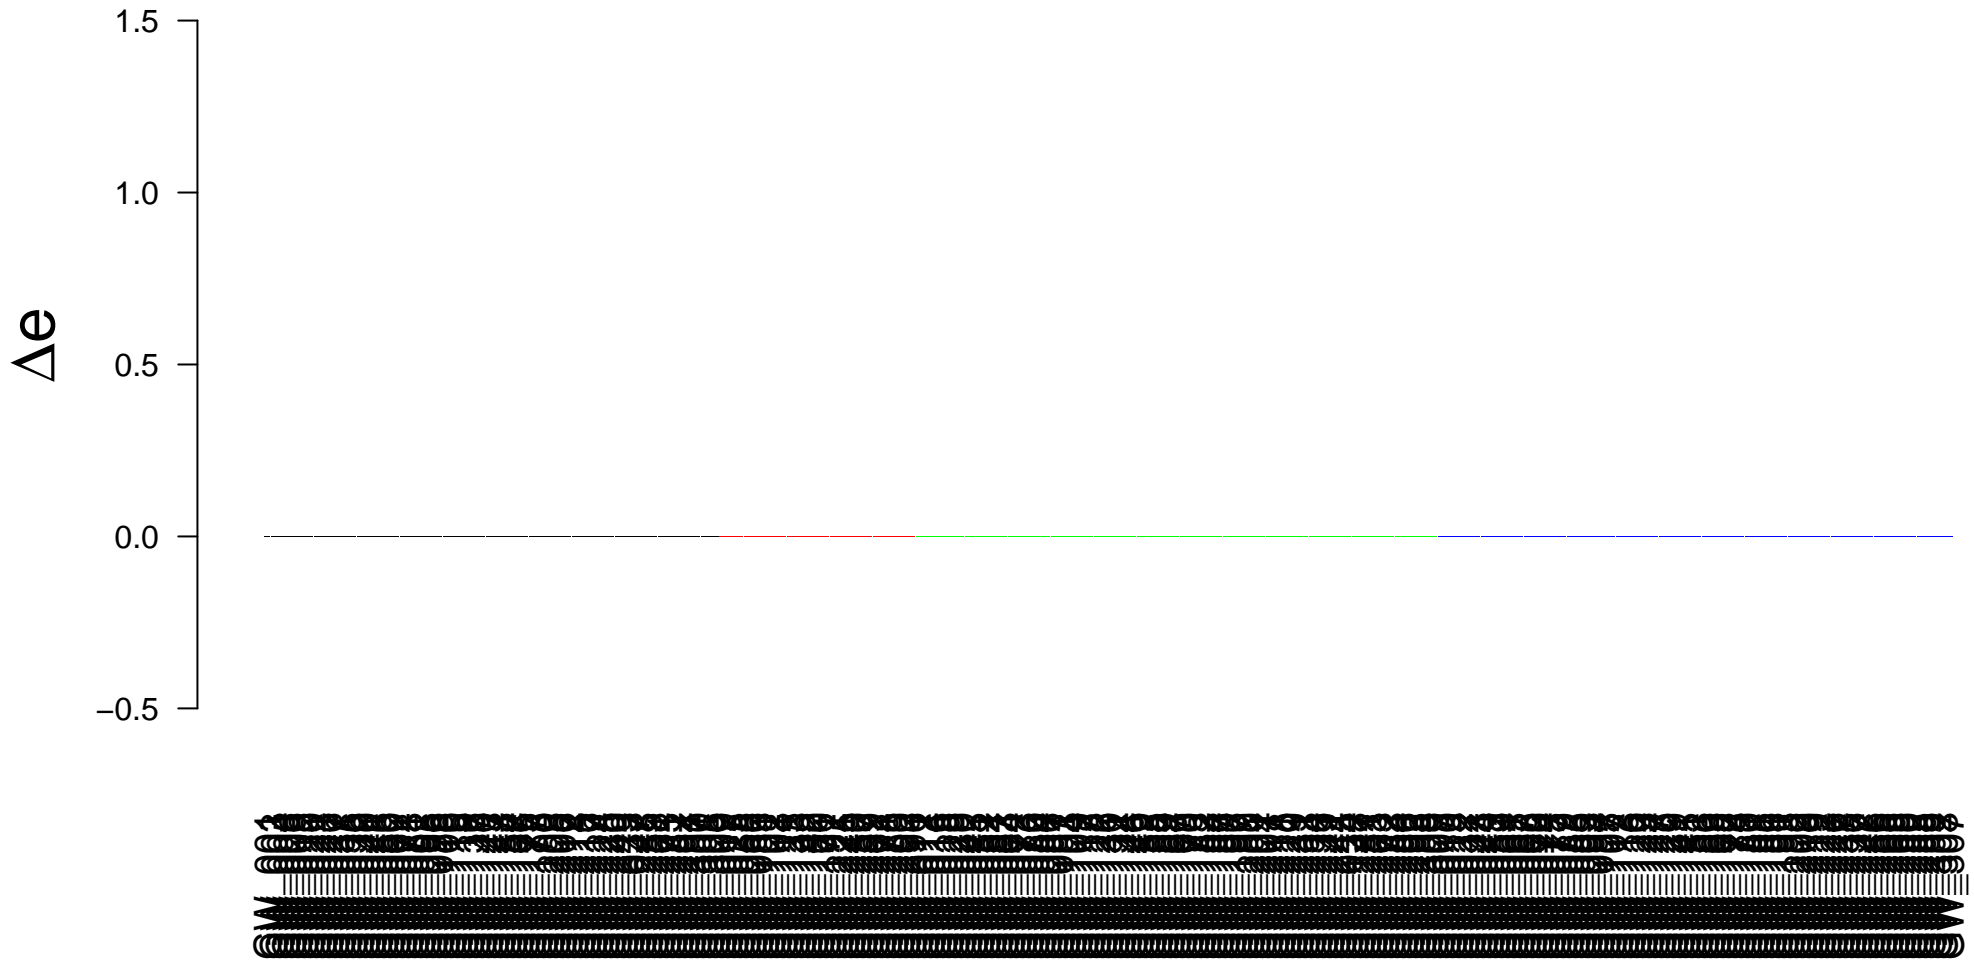

Expression of actin filament capping in Spot L

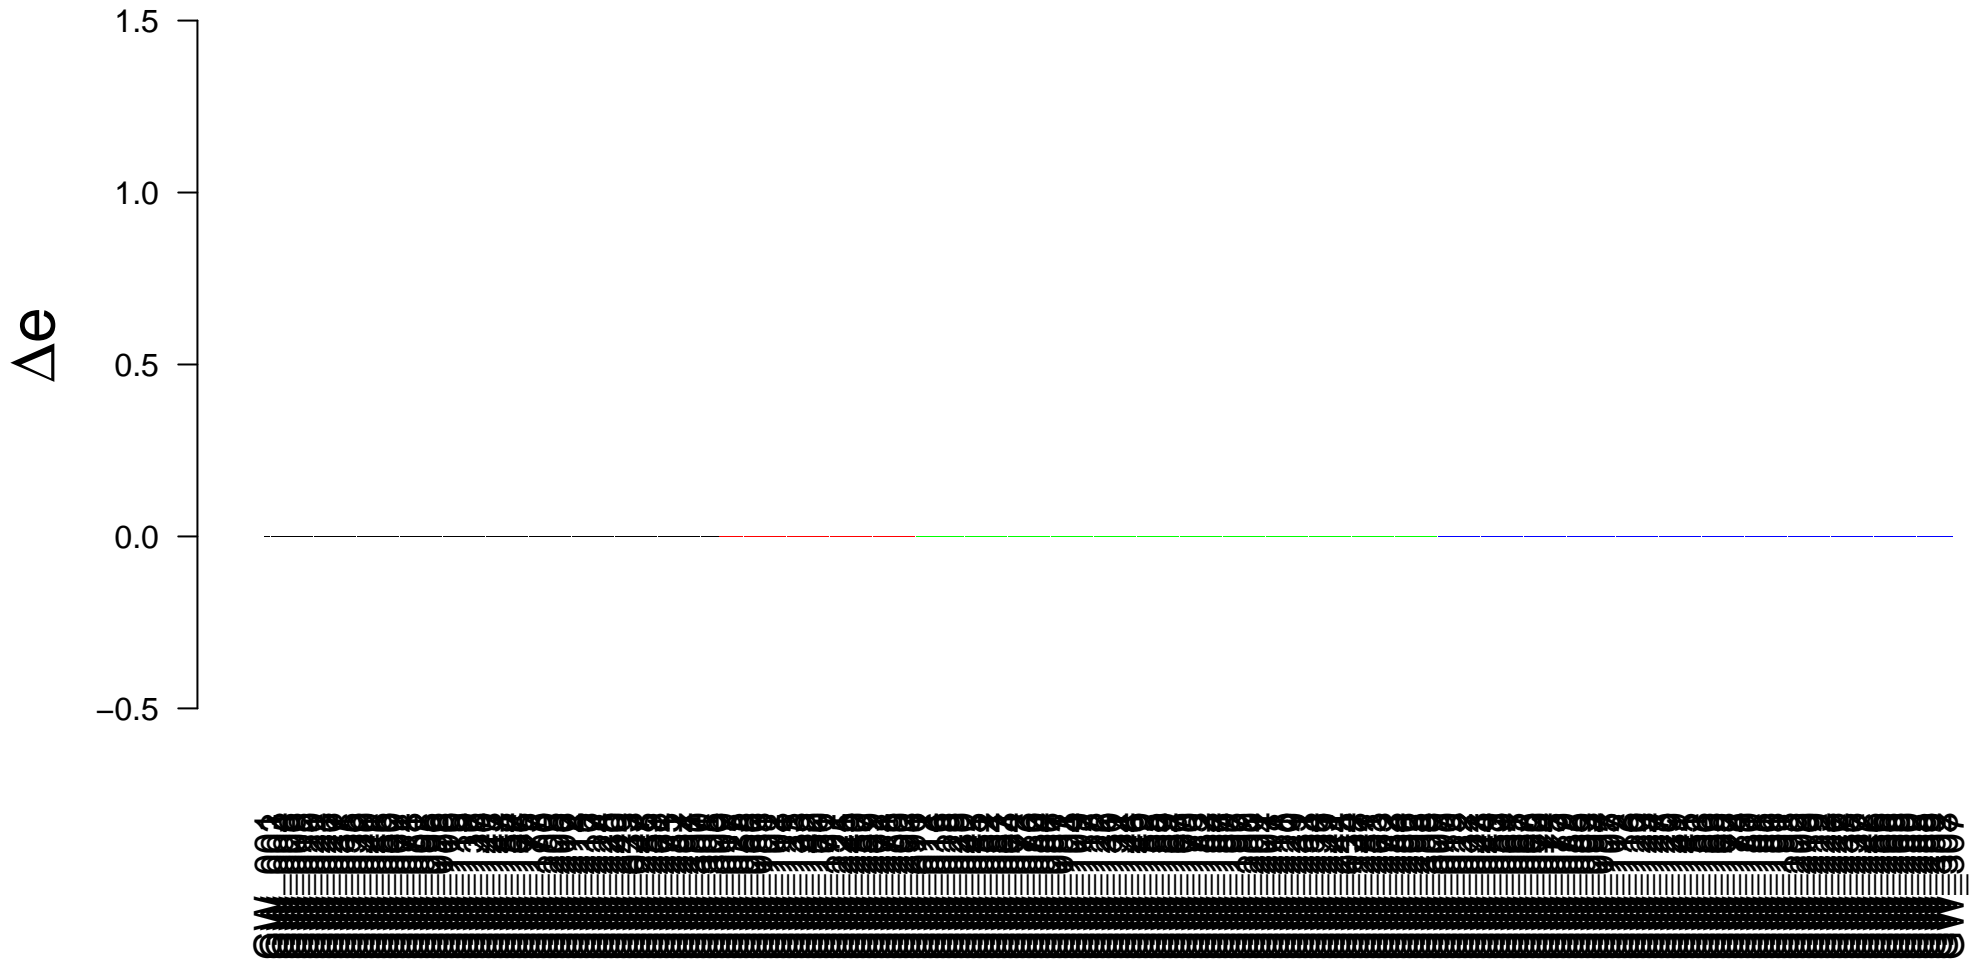

Expression of actin filament capping in Spot M

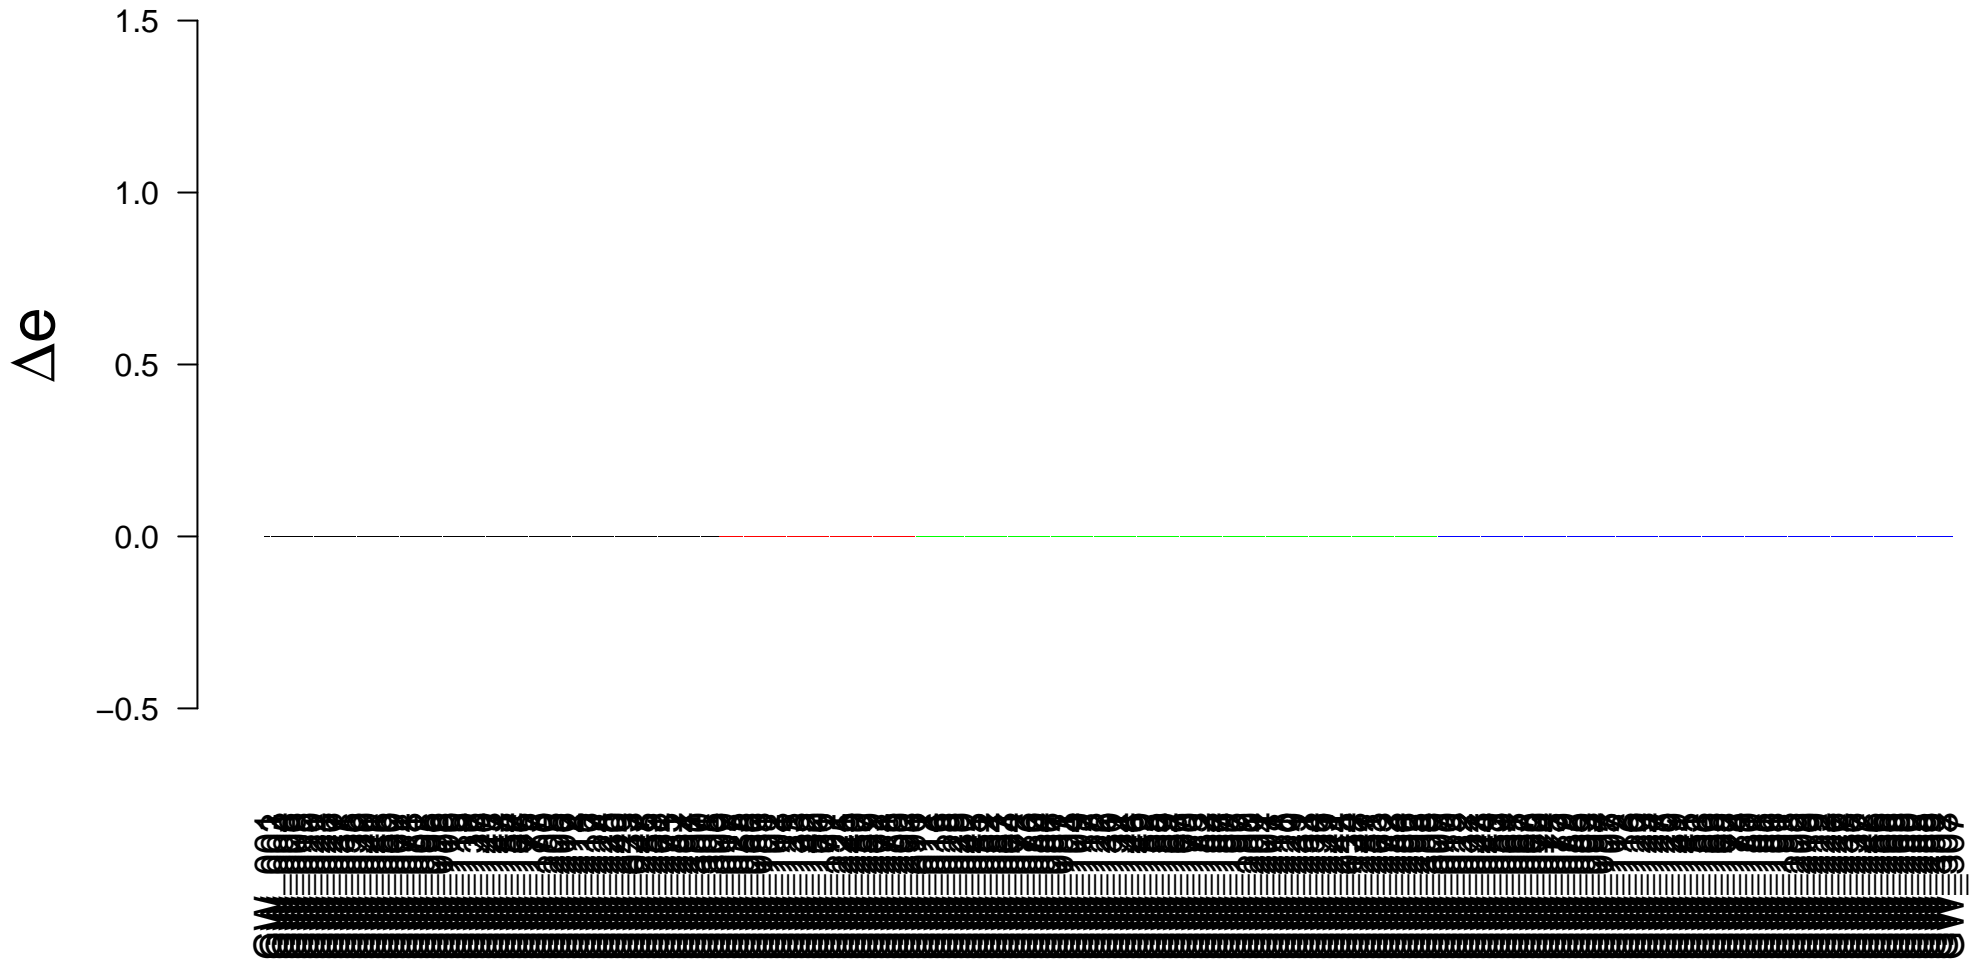

Expression of actin filament capping in Spot N

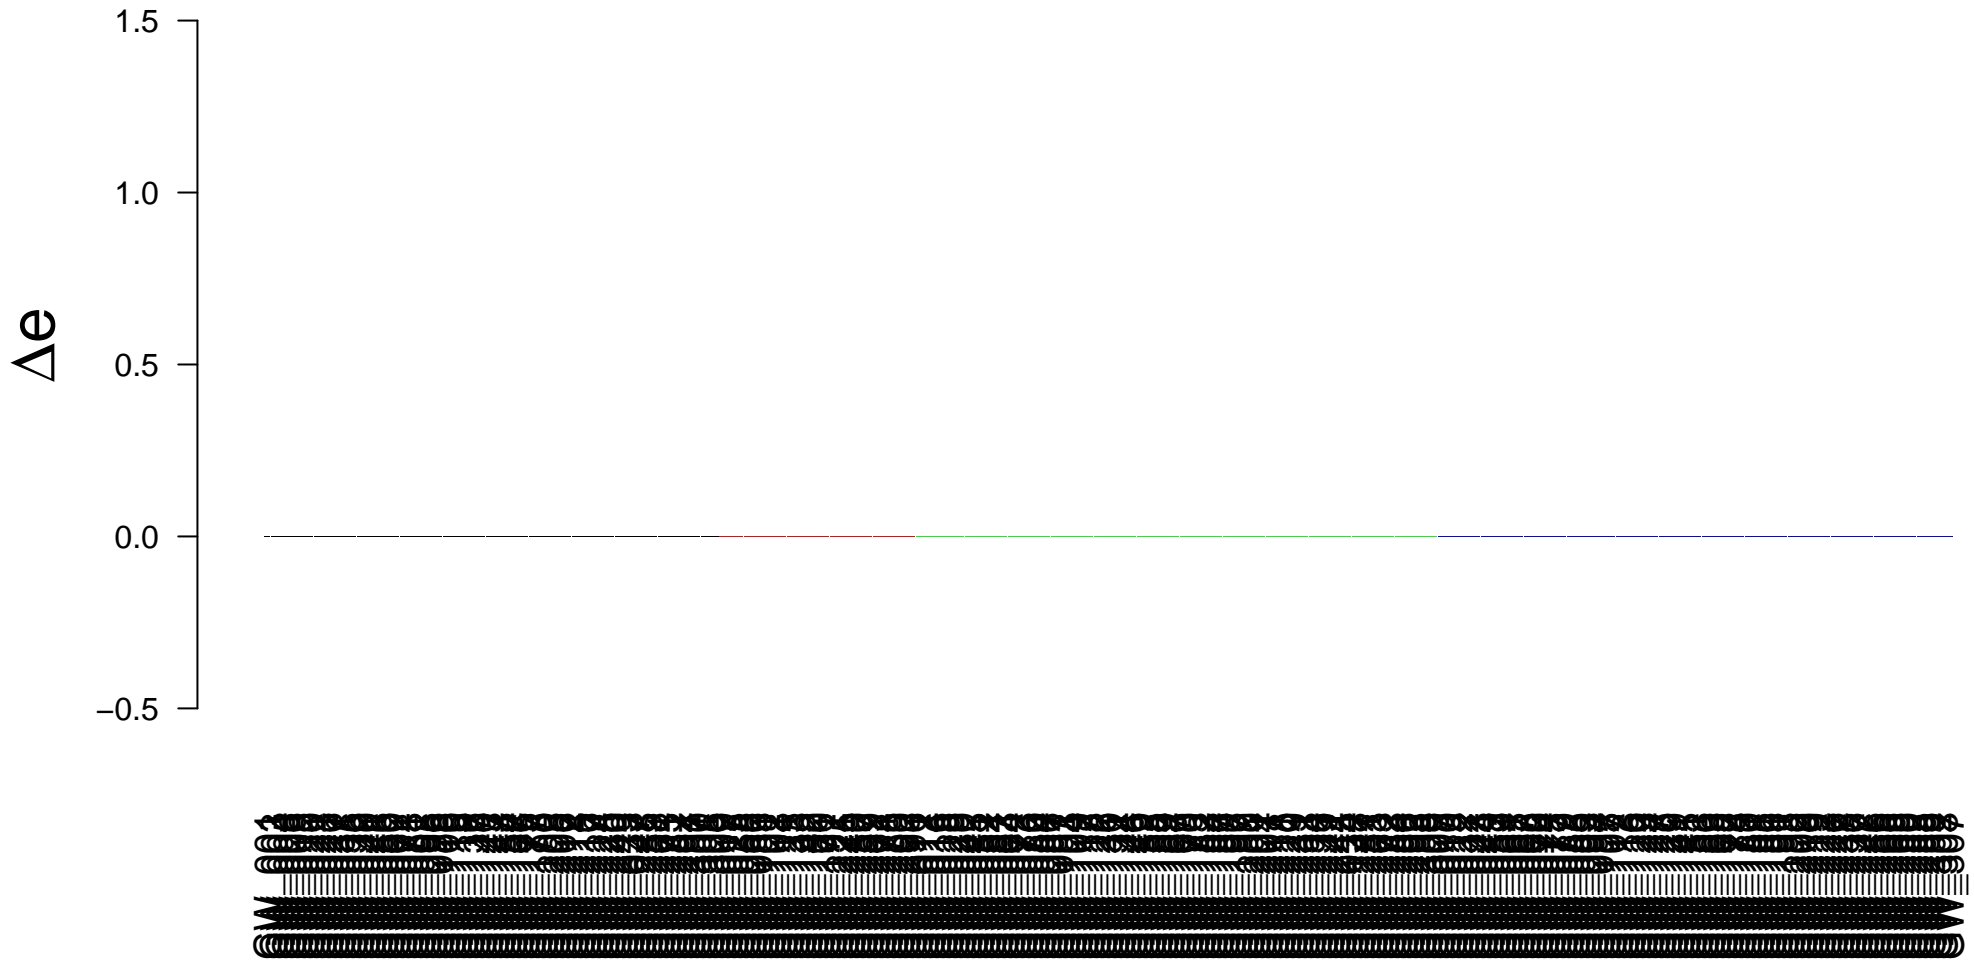

Expression of actin filament capping in Spot O

Expression of actin filament capping in Spot P

Expression of actin filament capping in Spot Q

Expression of actin filament capping in Spot R
