

activation of phospholipase C activity

activation of phospholipase C activity

Enrichment in spots: activation of phospholipase C activity

Expression of activation of phospholipase C activity in Spot A

Expression of activation of phospholipase C activity in Spot B

Expression of activation of phospholipase C activity in Spot C

Expression of activation of phospholipase C activity in Spot D

Expression of activation of phospholipase C activity in Spot E

Expression of activation of phospholipase C activity in Spot F

Expression of activation of phospholipase C activity in Spot G
