

activation of protein kinase A activity

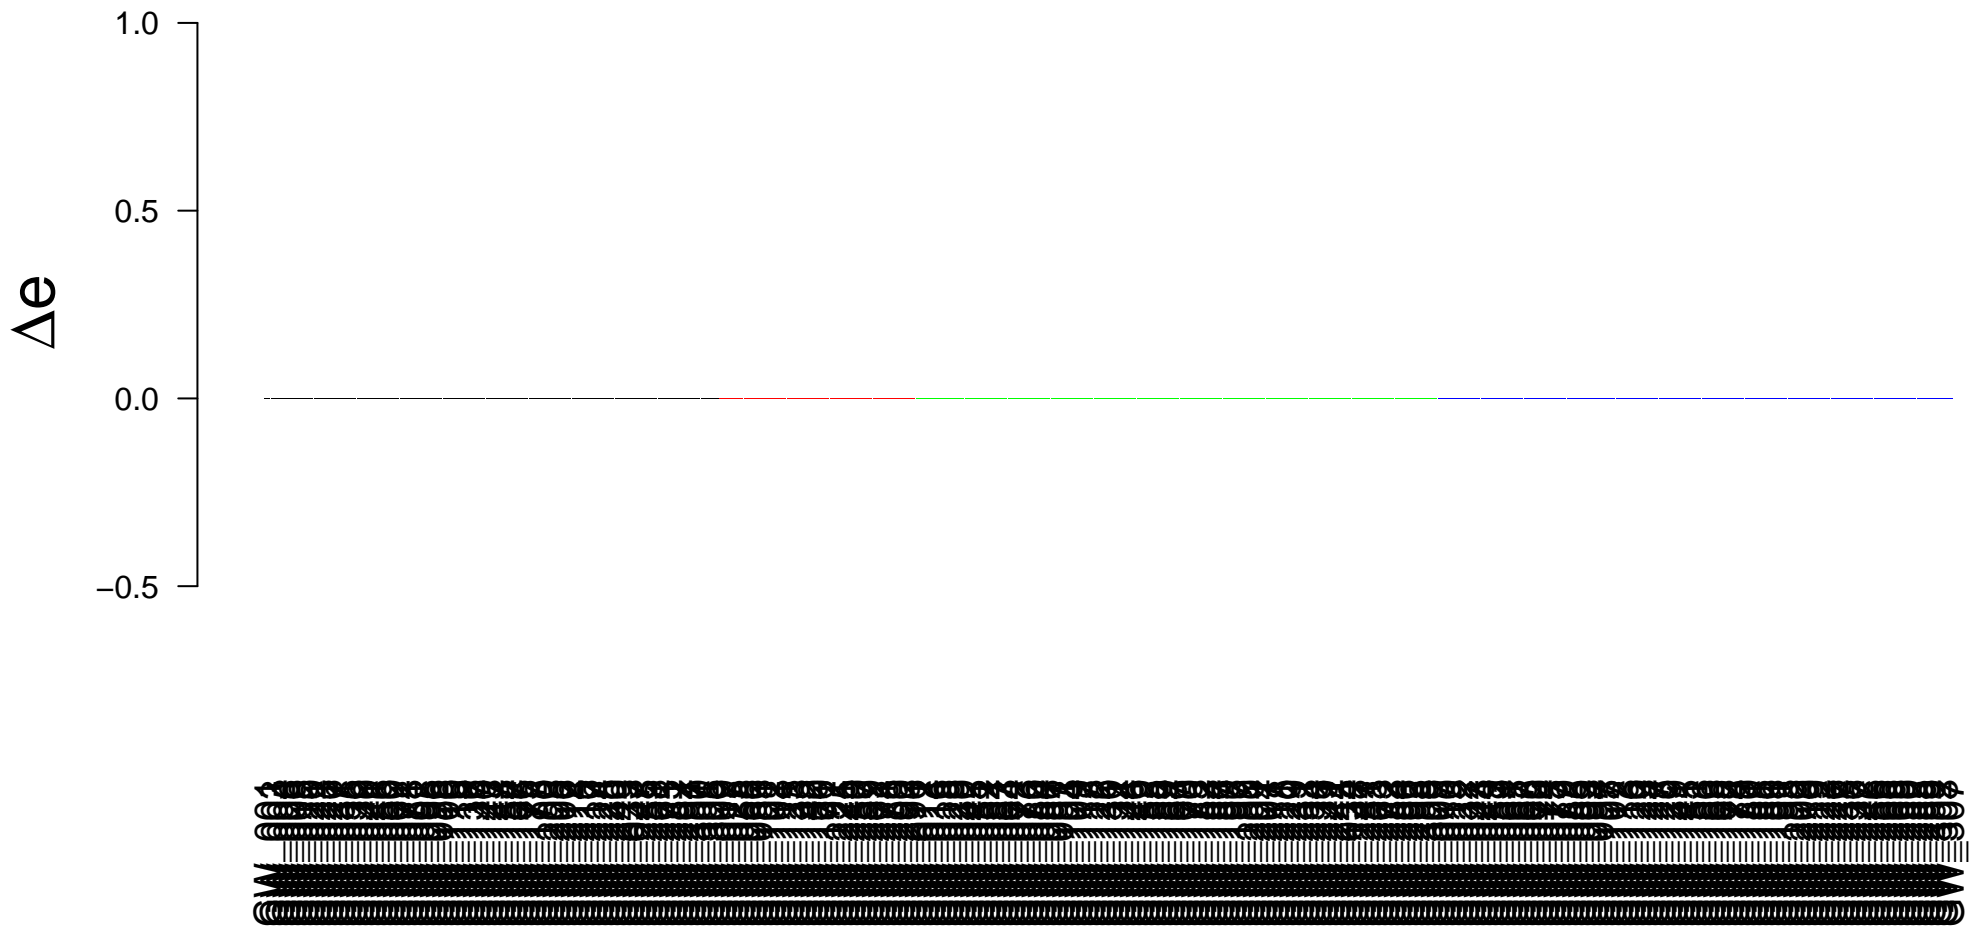

activation of protein kinase A activity

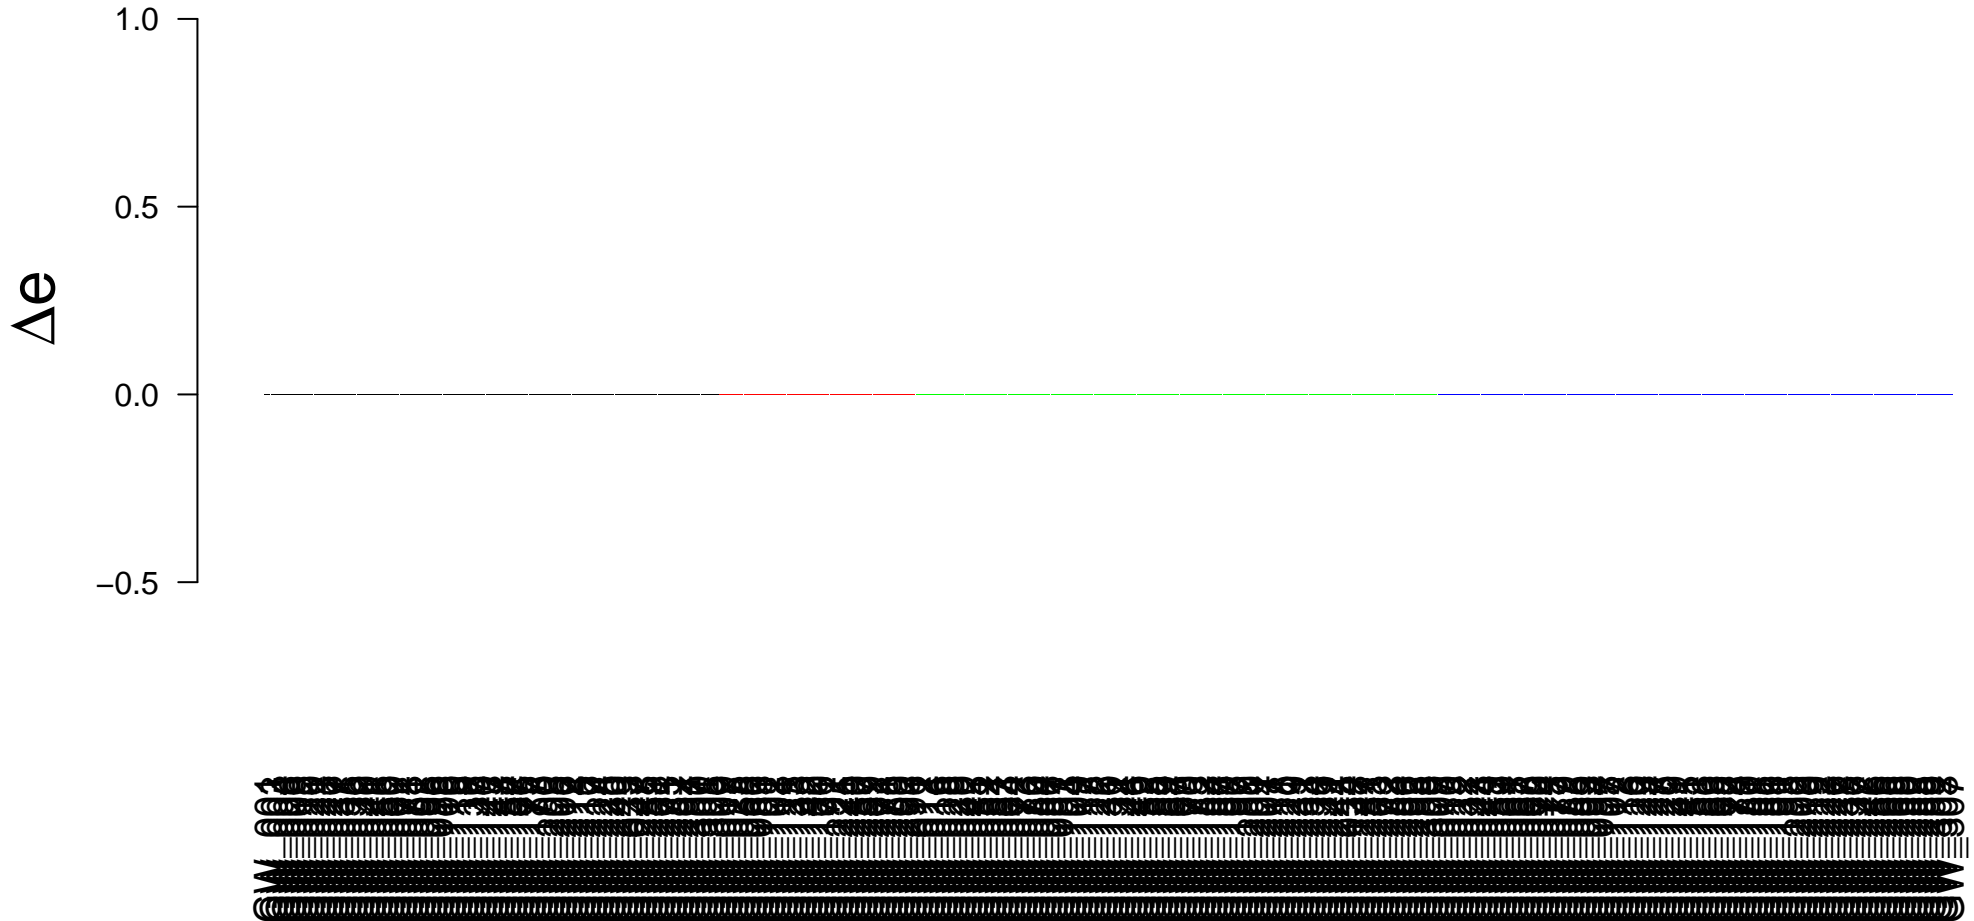

Enrichment in spots: activation of protein kinase A activity

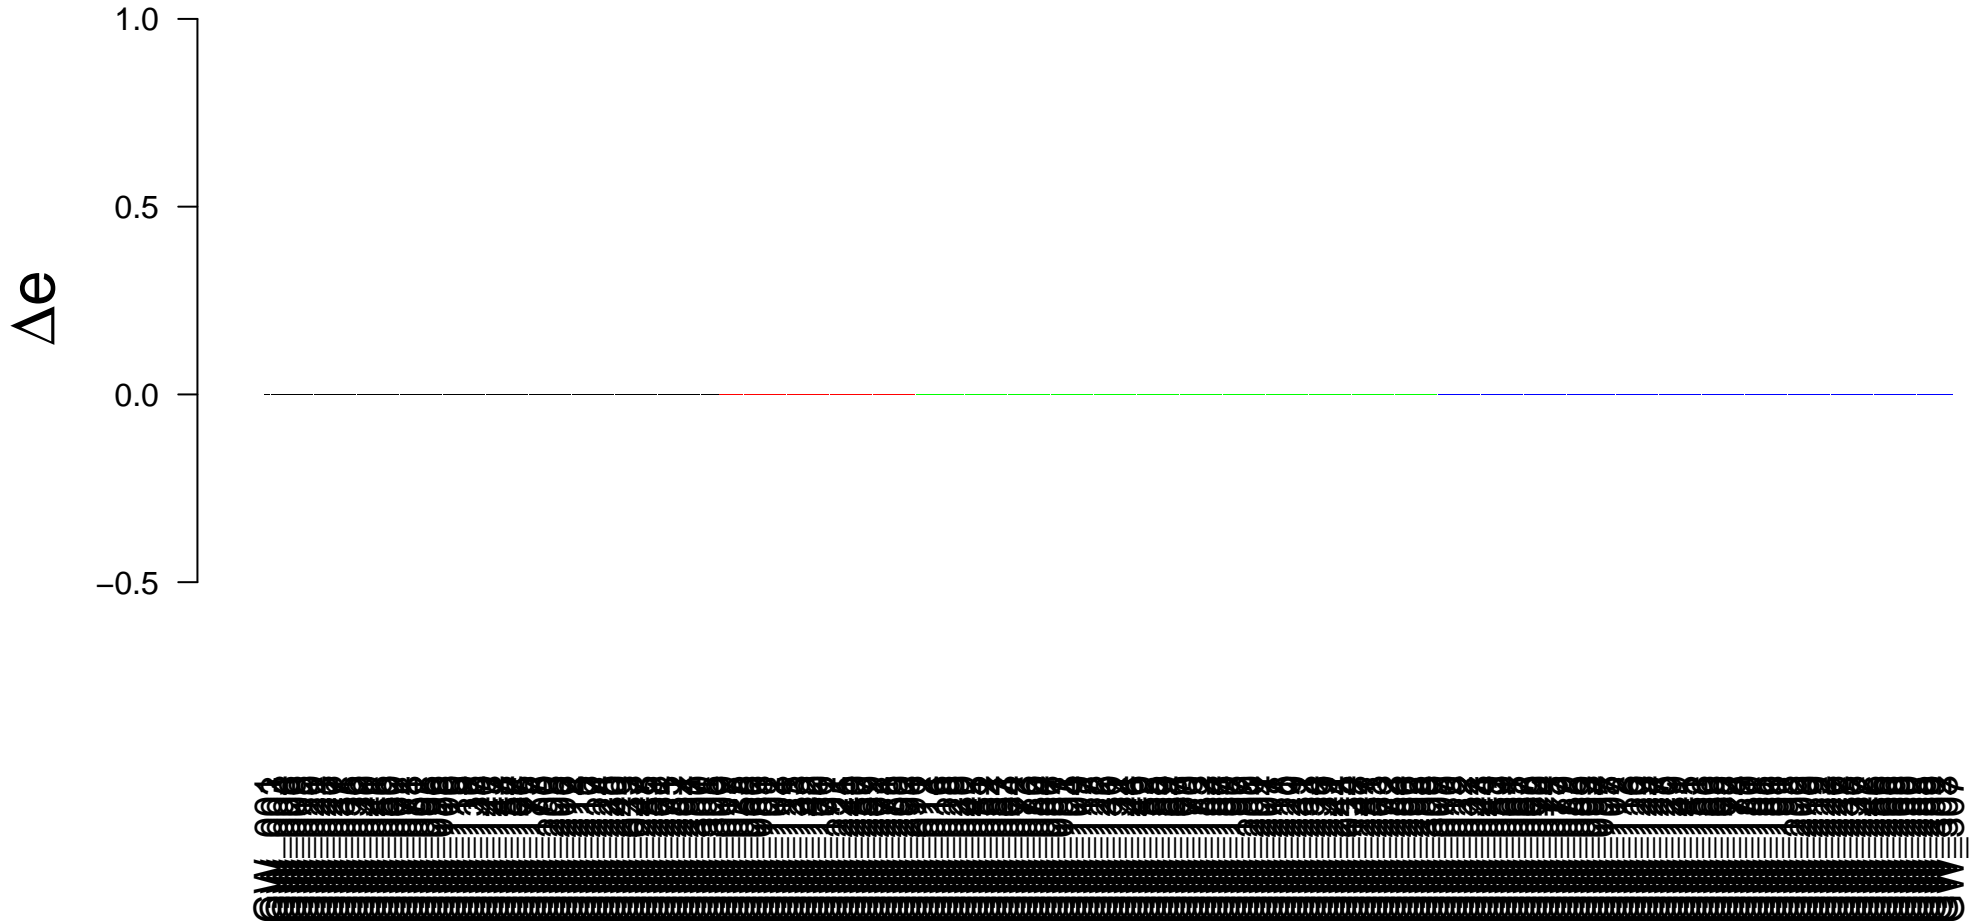

Expression of activation of protein kinase A activity in Spot A

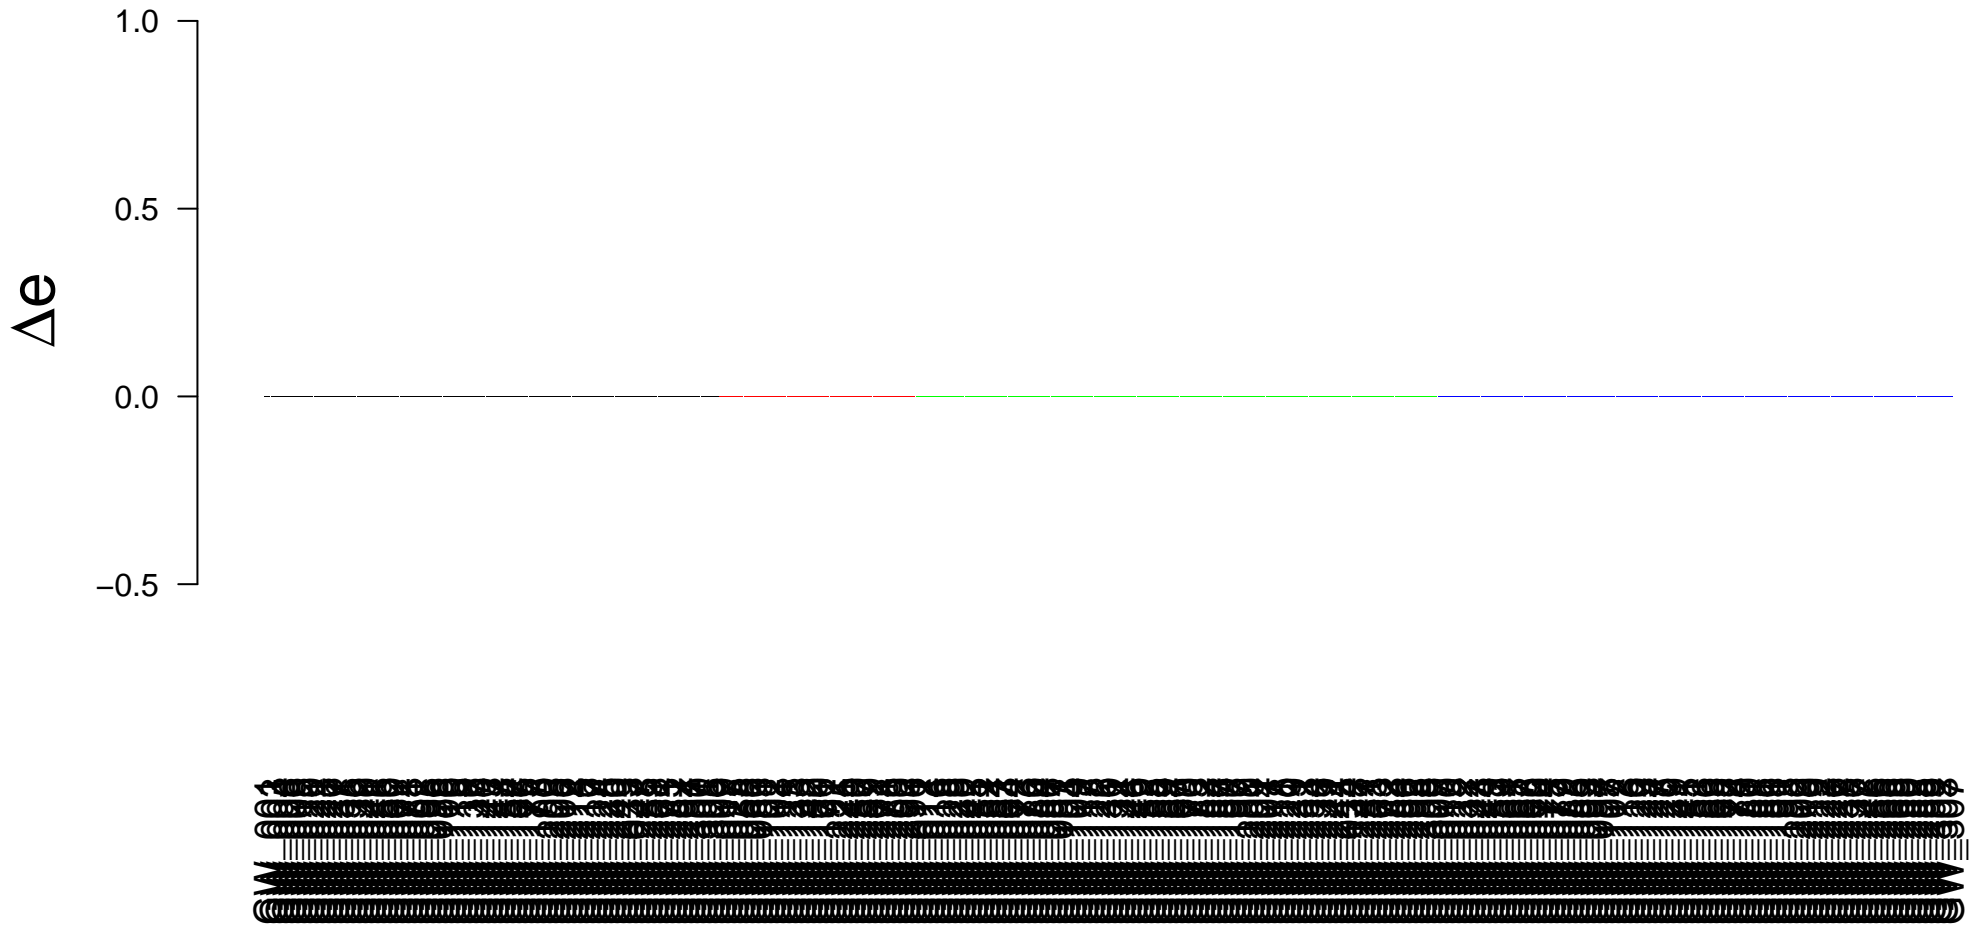

Expression of activation of protein kinase A activity in Spot B

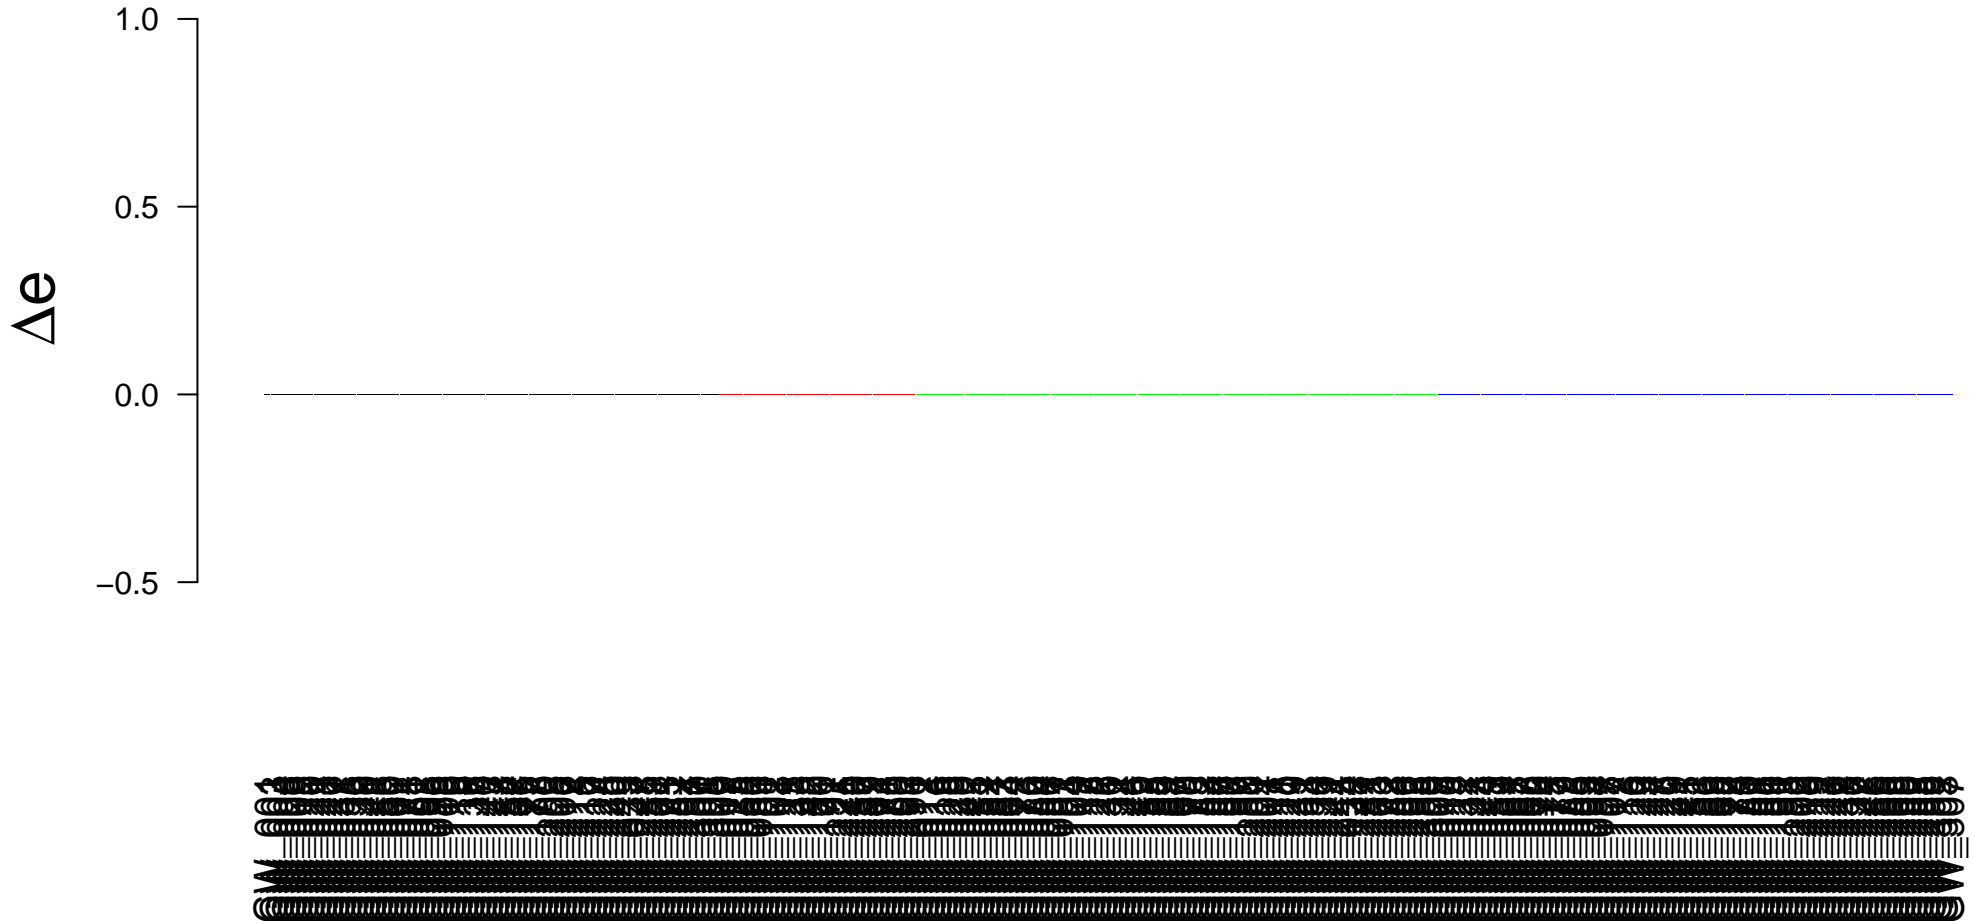

Expression of activation of protein kinase A activity in Spot C

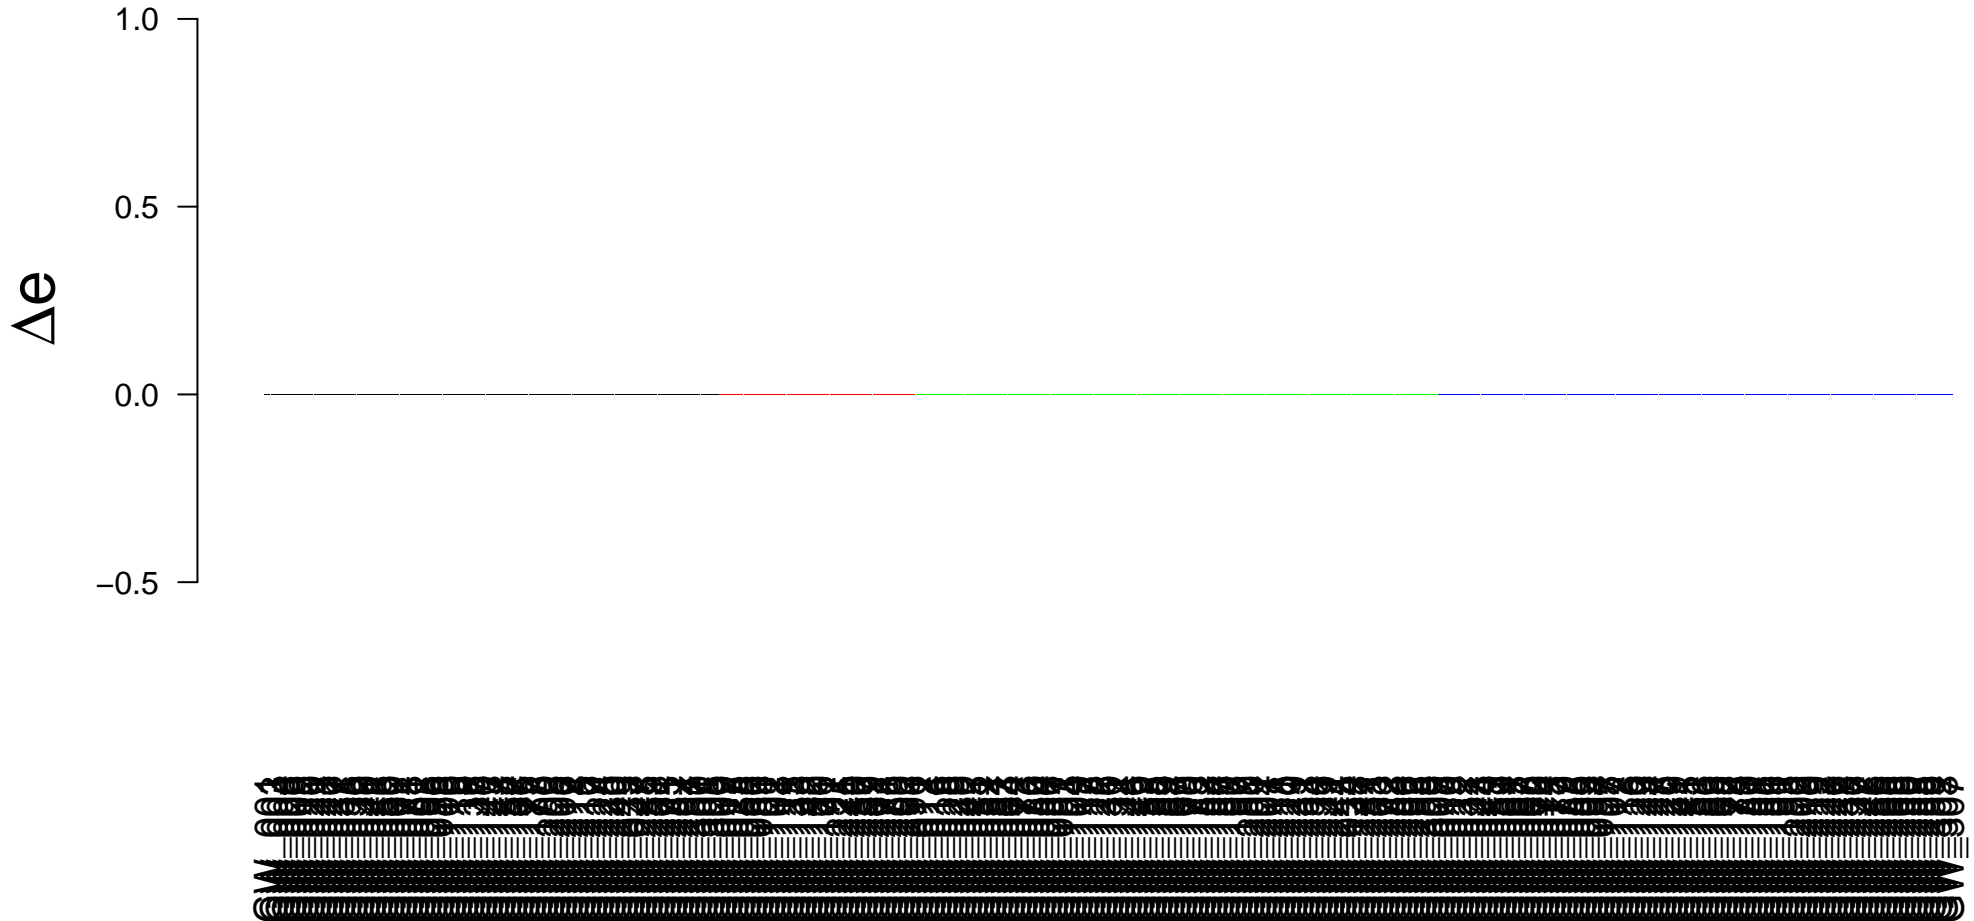

Expression of activation of protein kinase A activity in Spot D

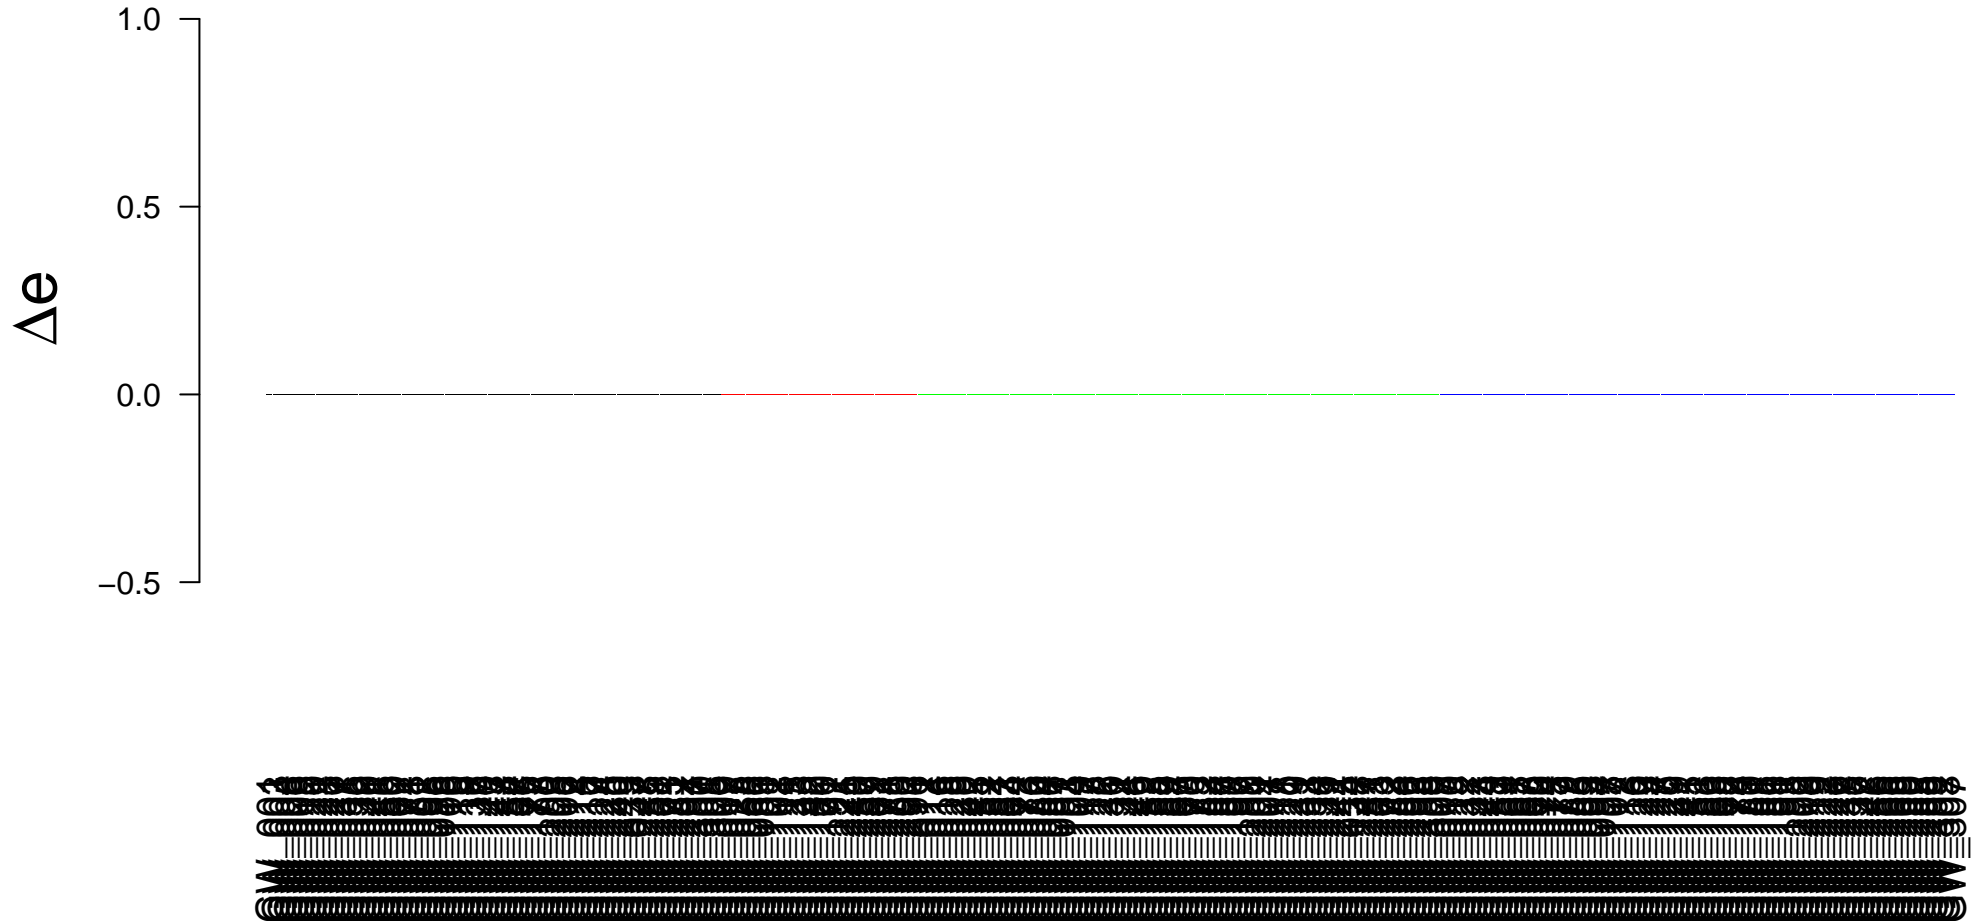

Expression of activation of protein kinase A activity in Spot E

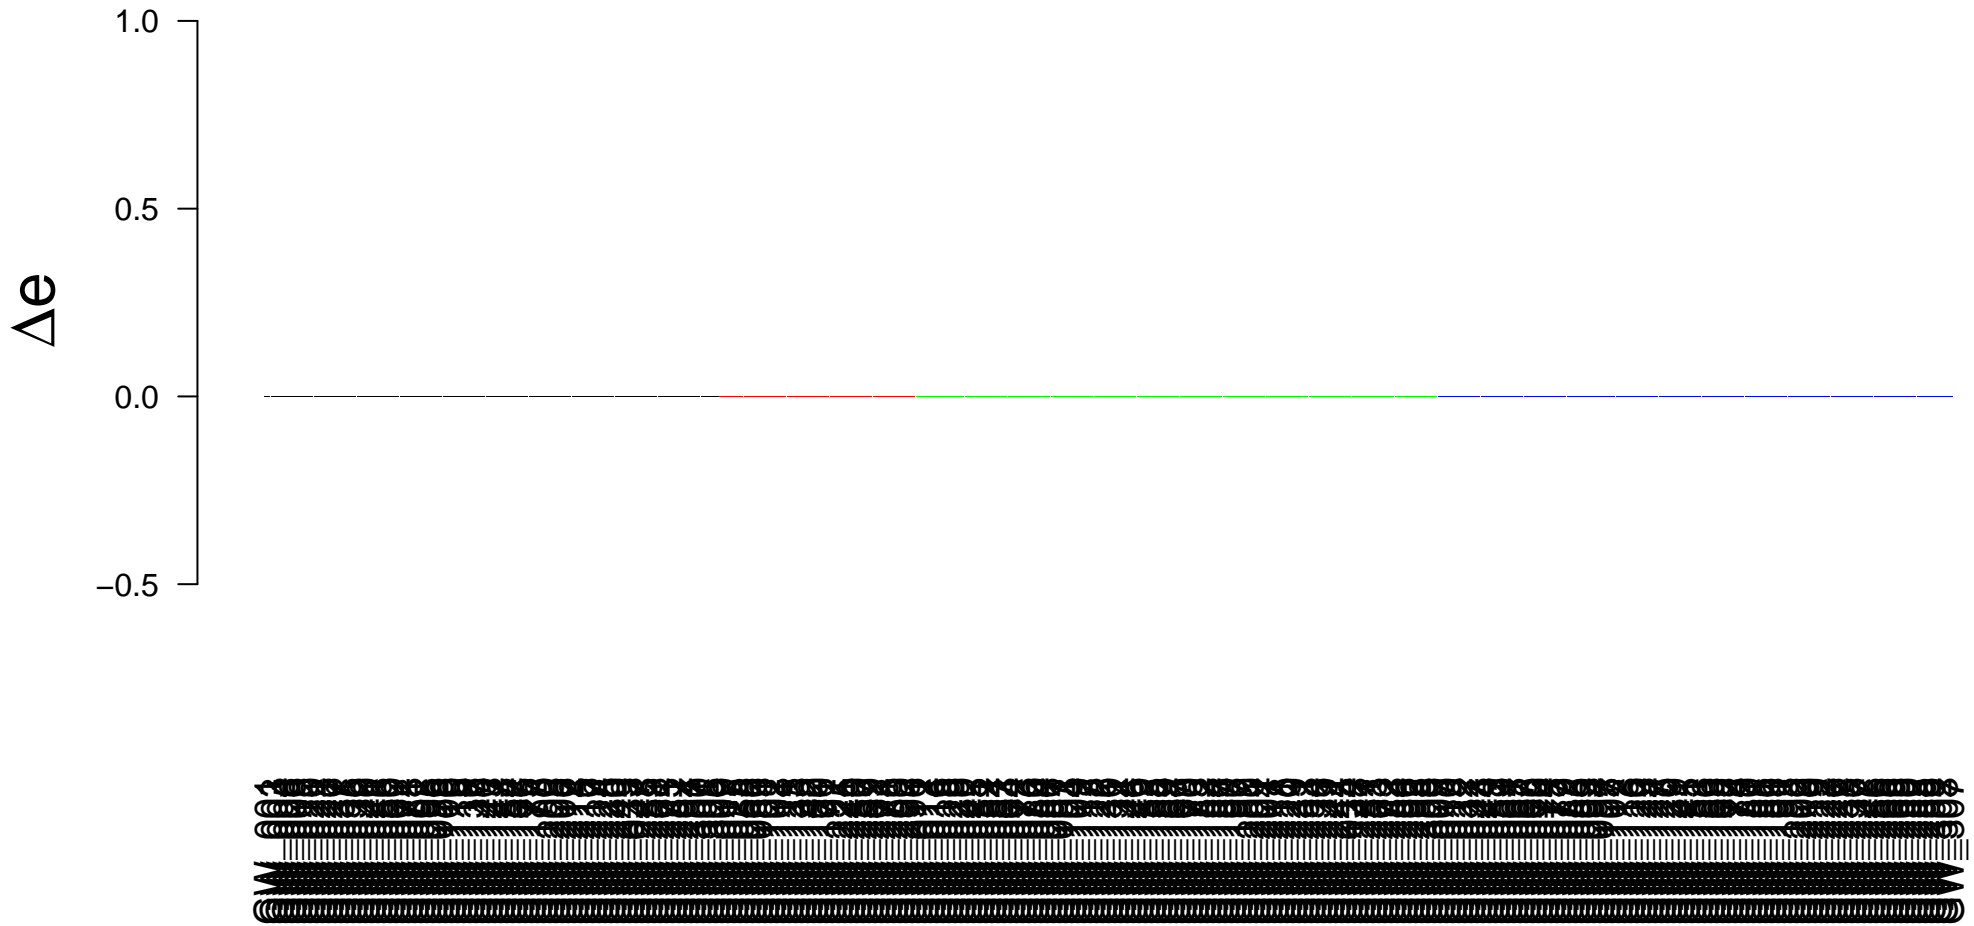

Expression of activation of protein kinase A activity in Spot F

Expression of activation of protein kinase A activity in Spot G

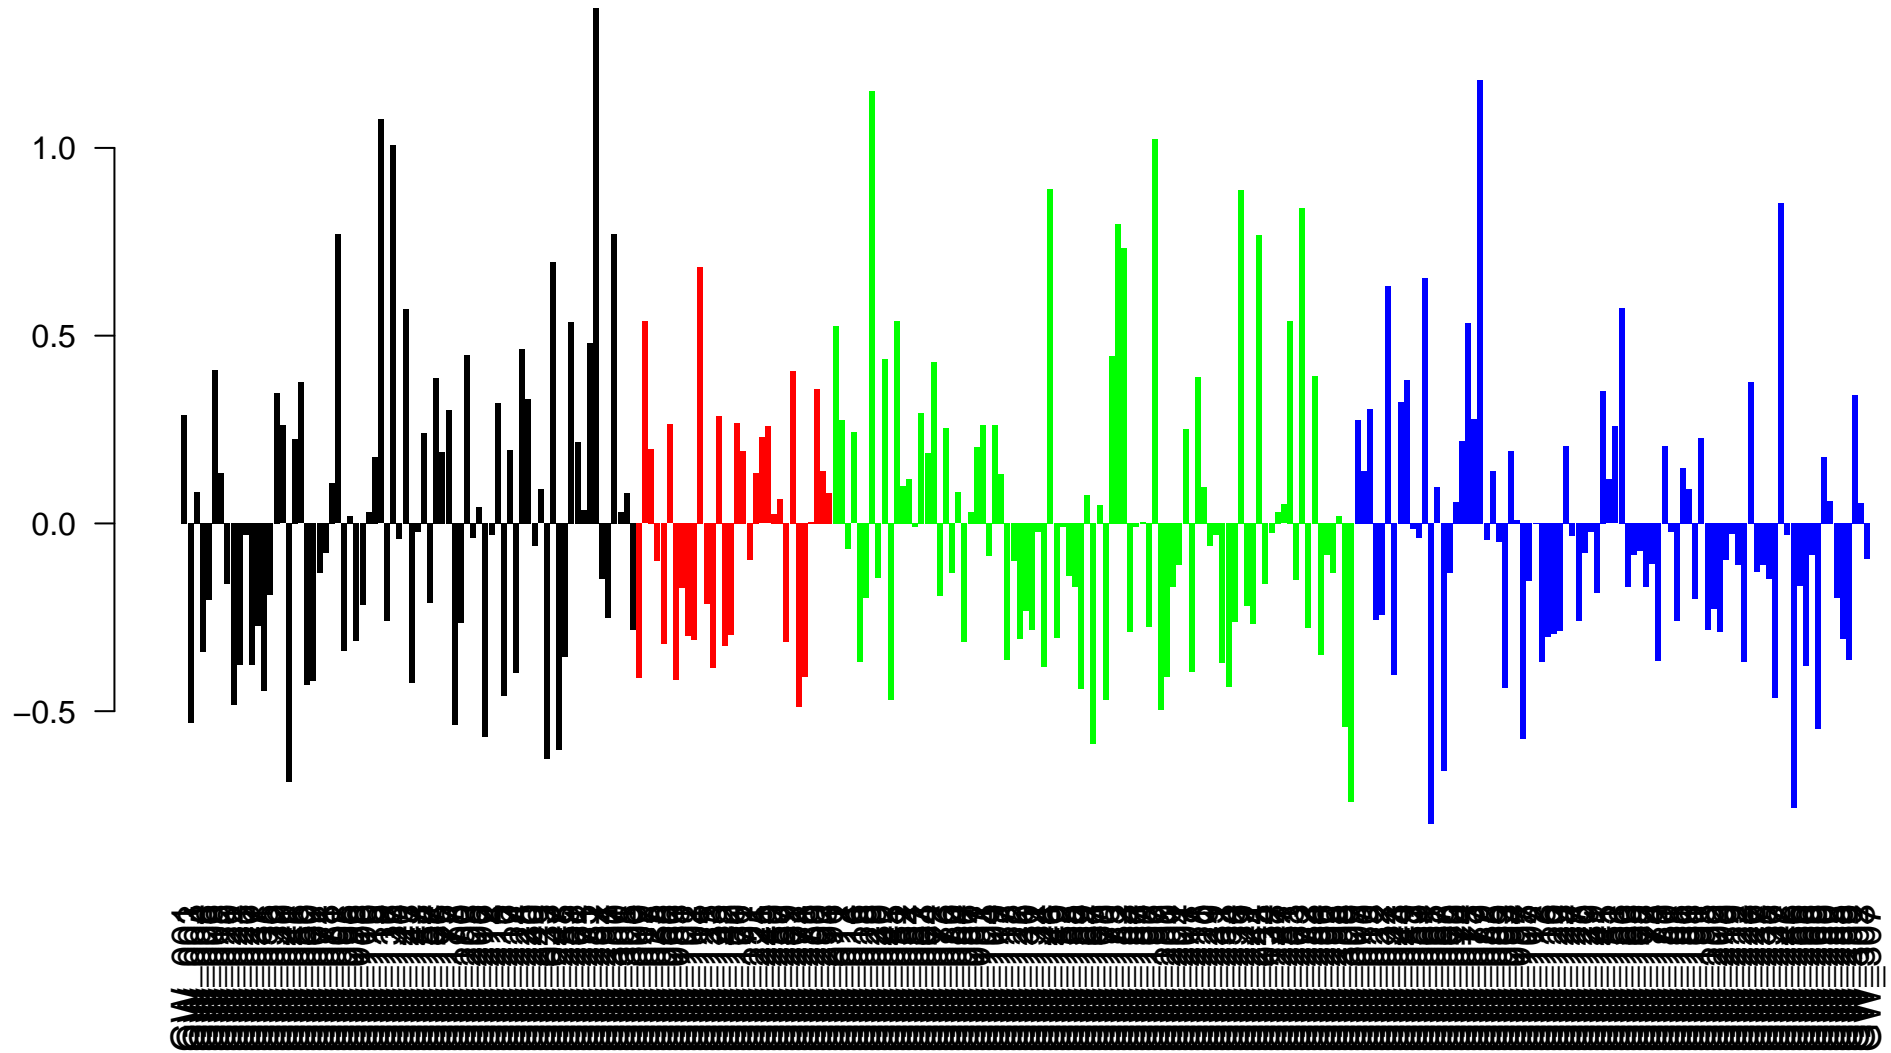

Expression of activation of protein kinase A activity in Spot H

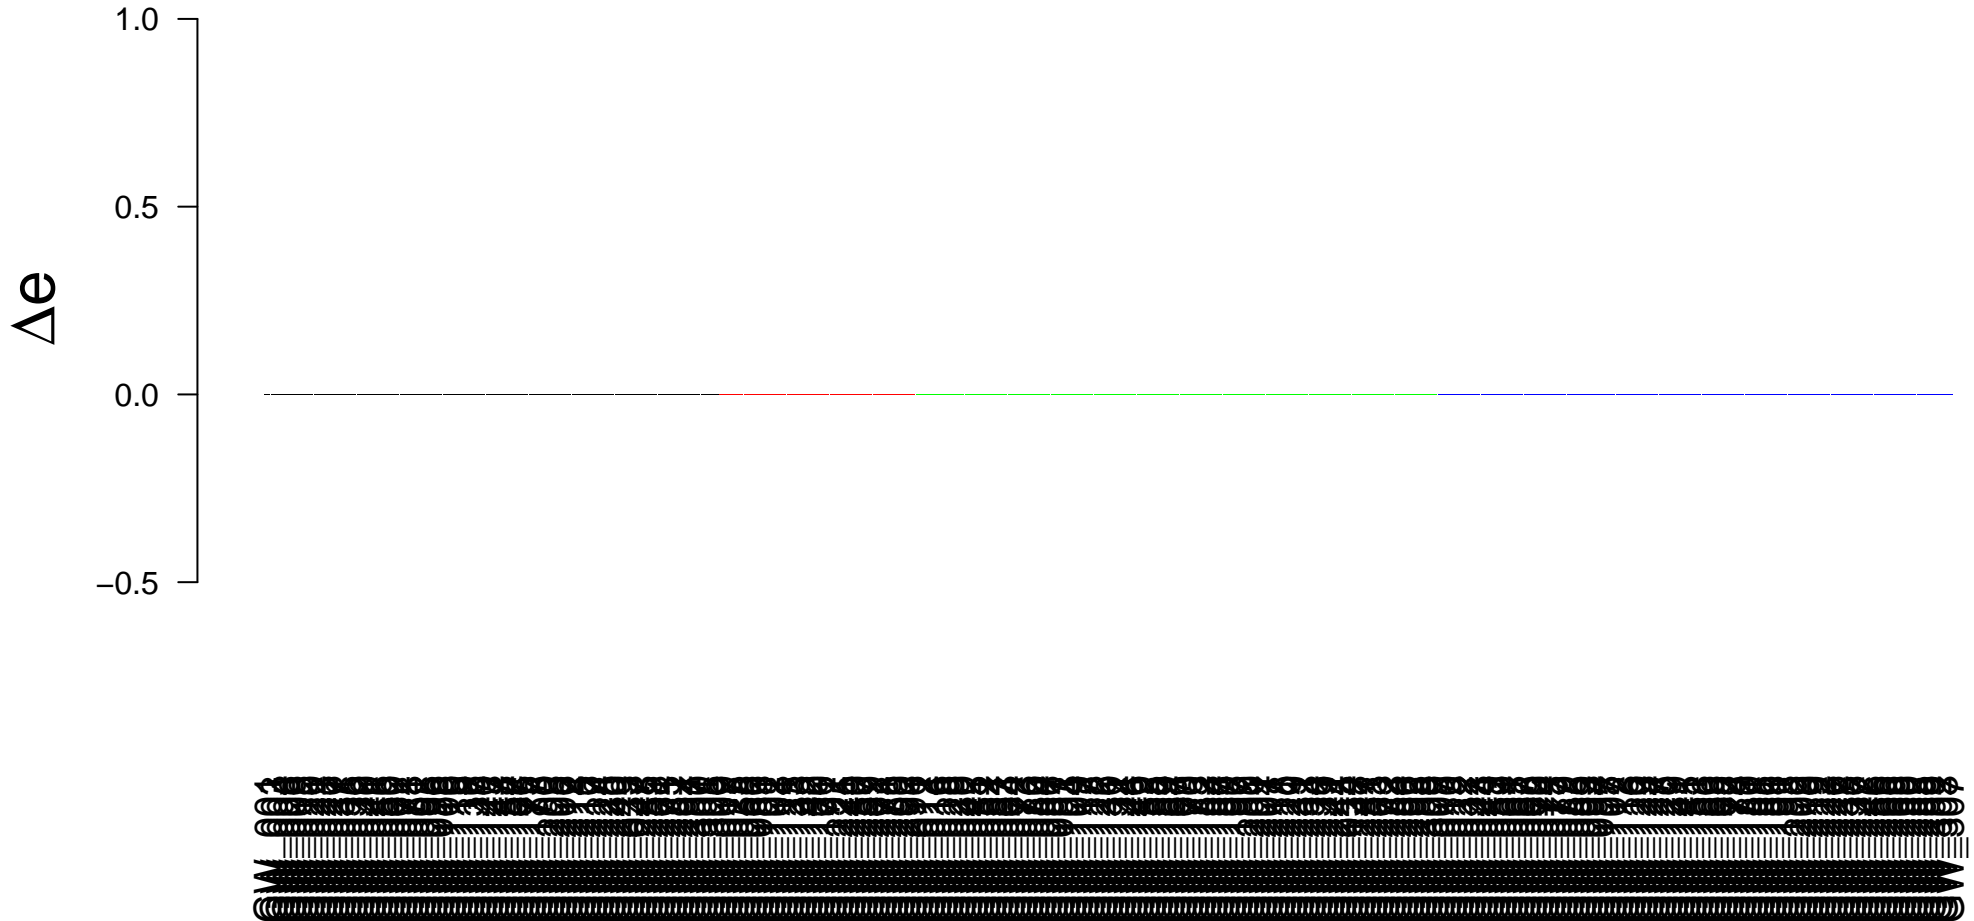

Expression of activation of protein kinase A activity in Spot I

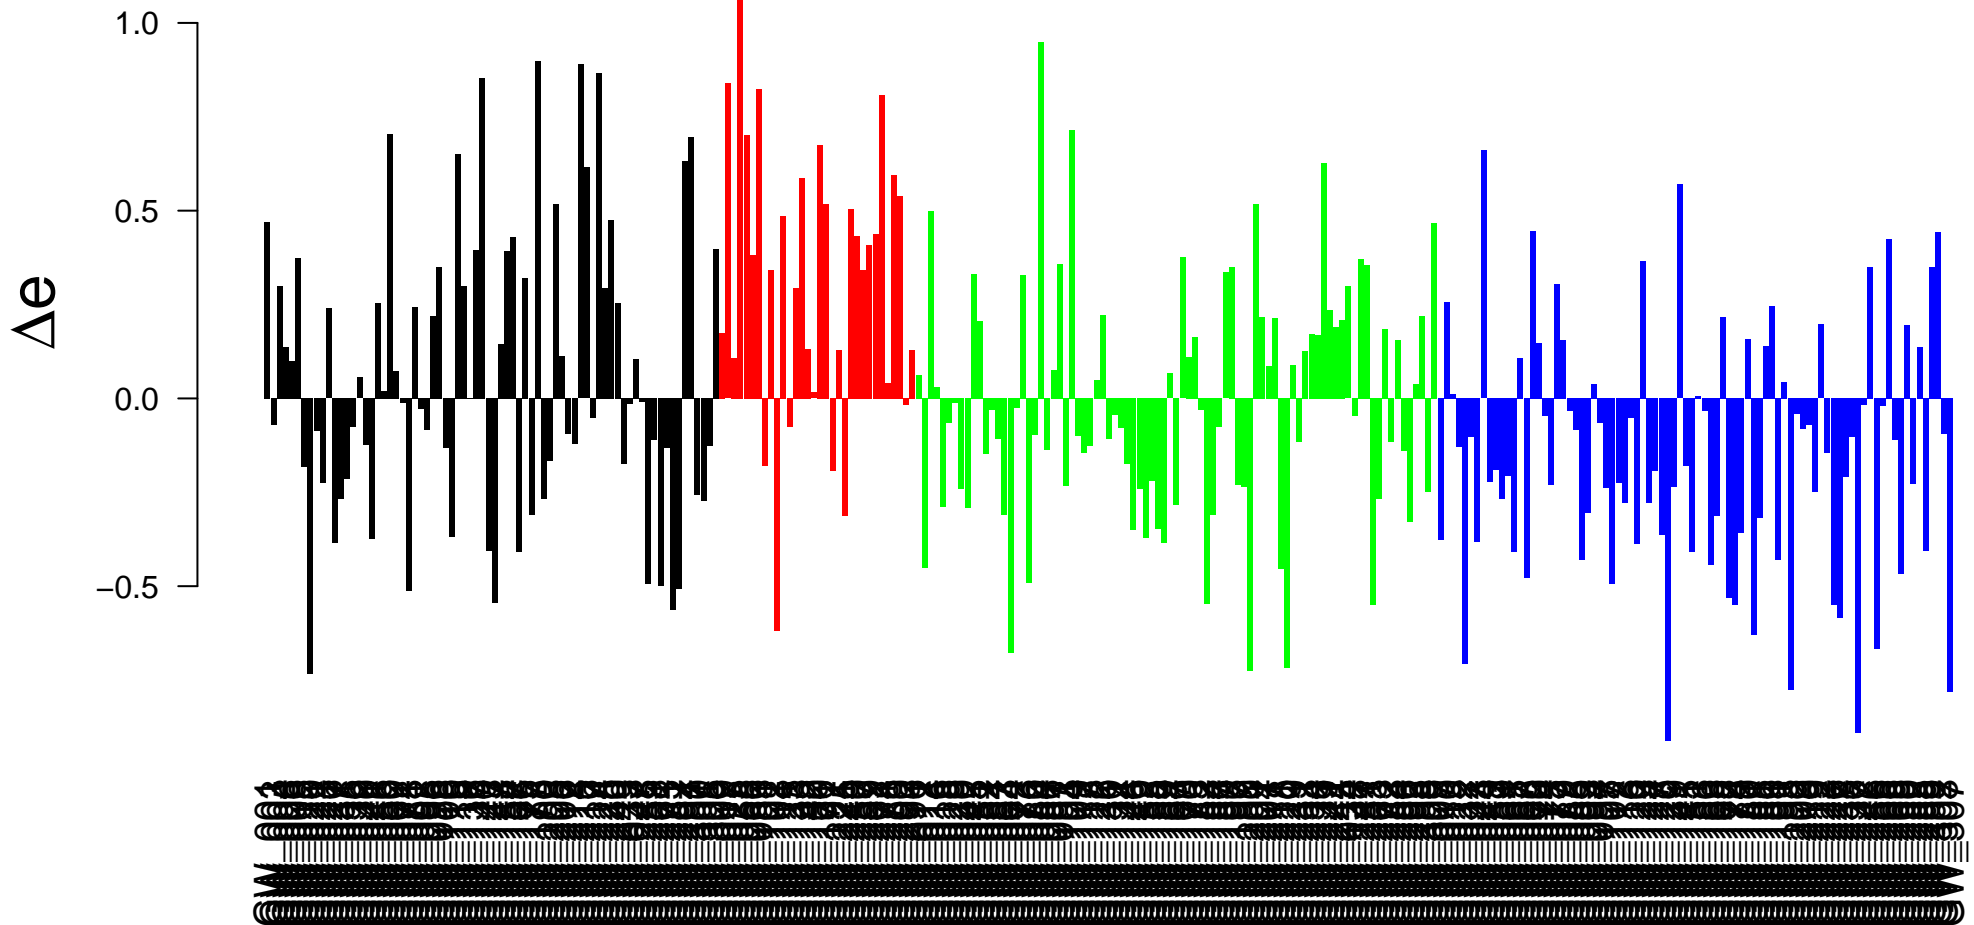

Δe

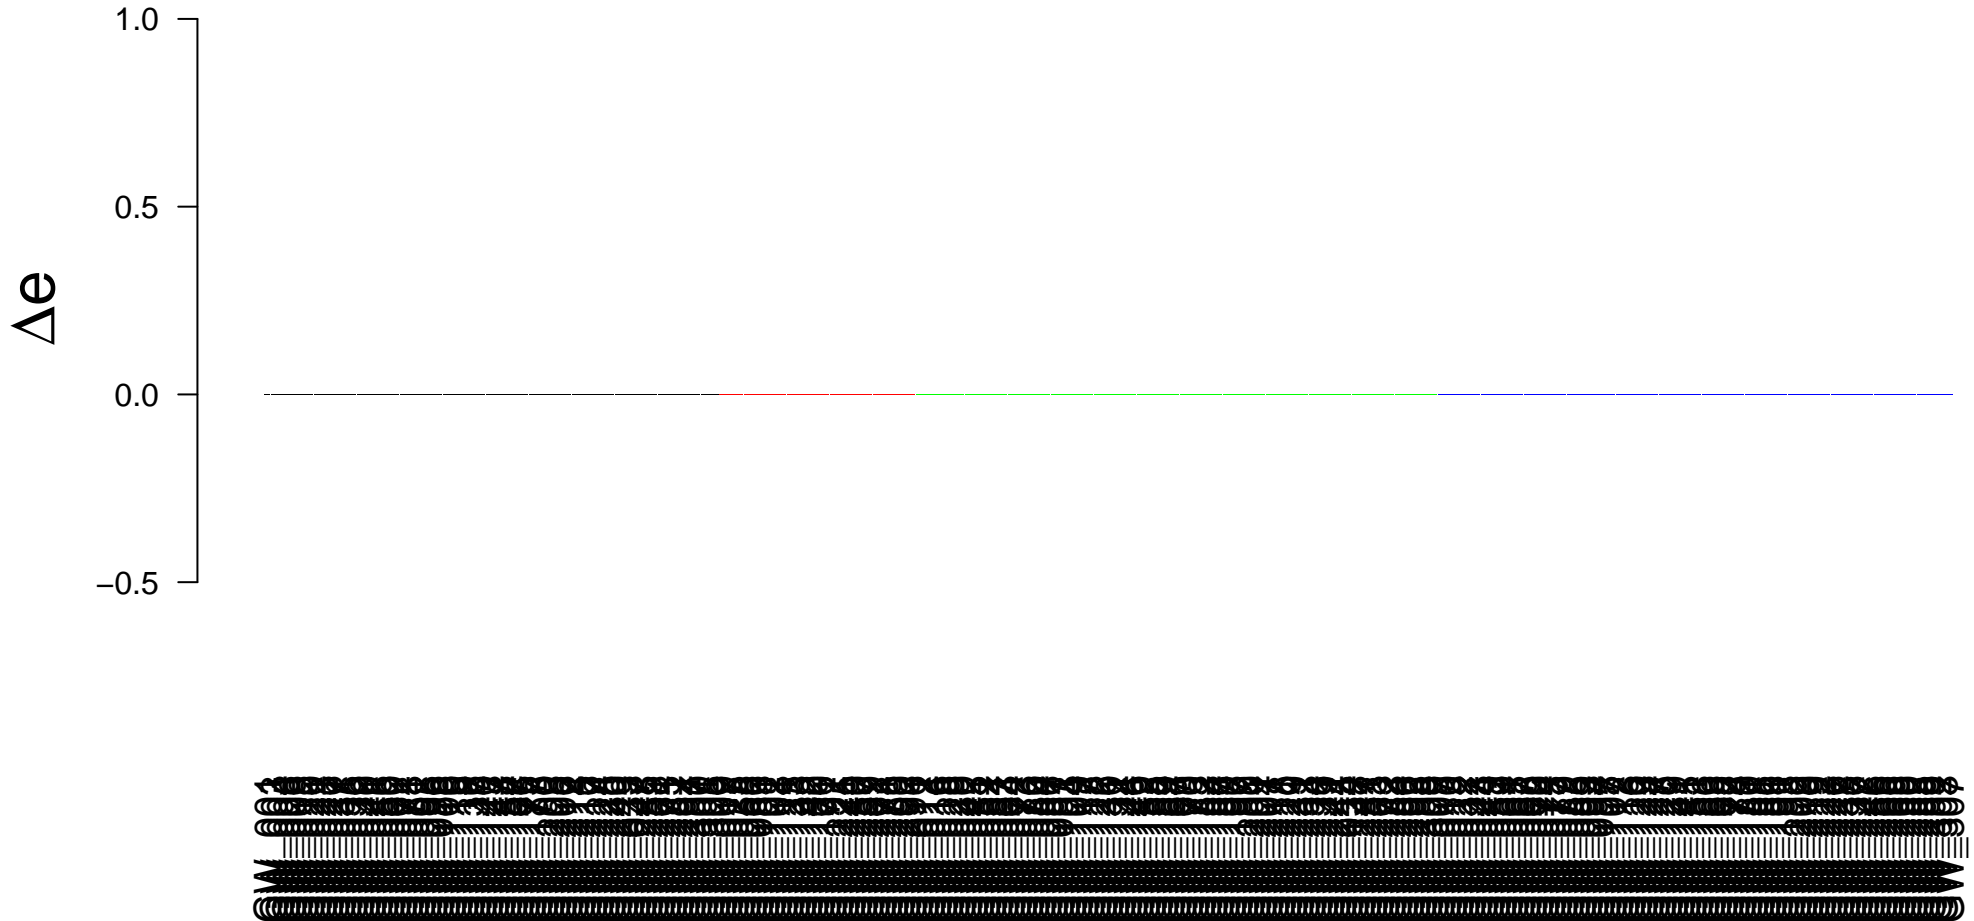

Expression of activation of protein kinase A activity in Spot J

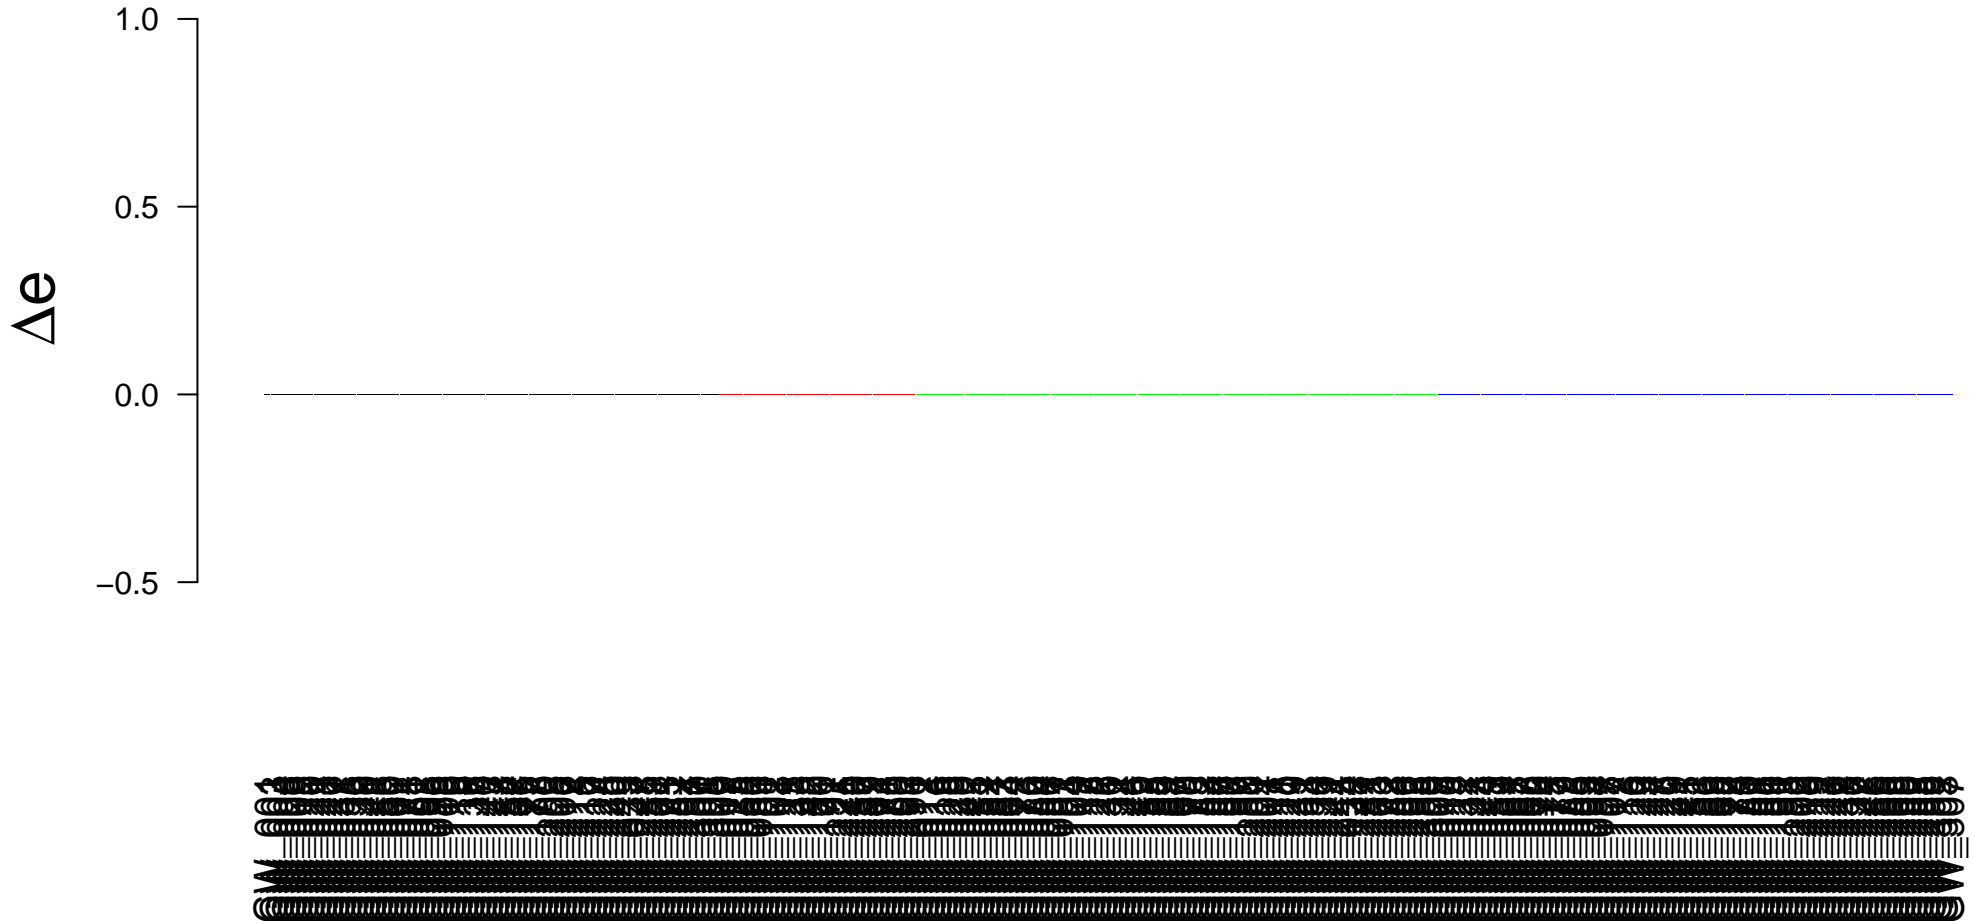

Expression of activation of protein kinase A activity in Spot K

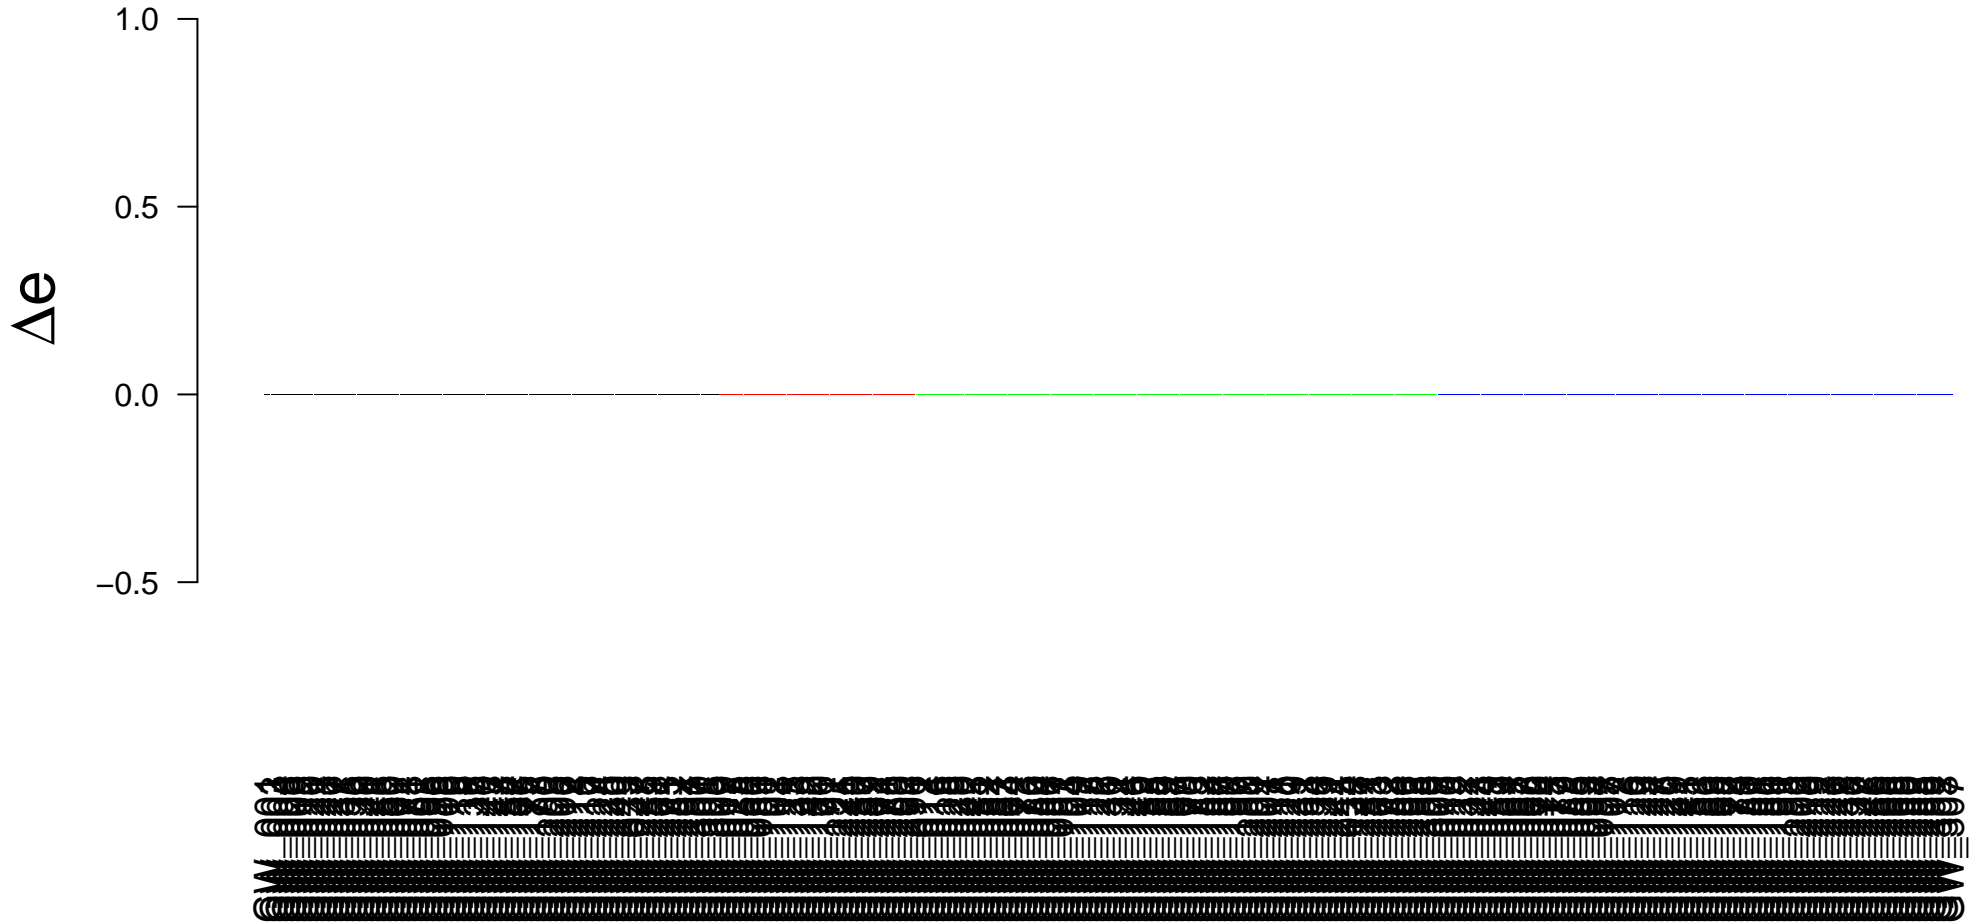

Expression of activation of protein kinase A activity in Spot L

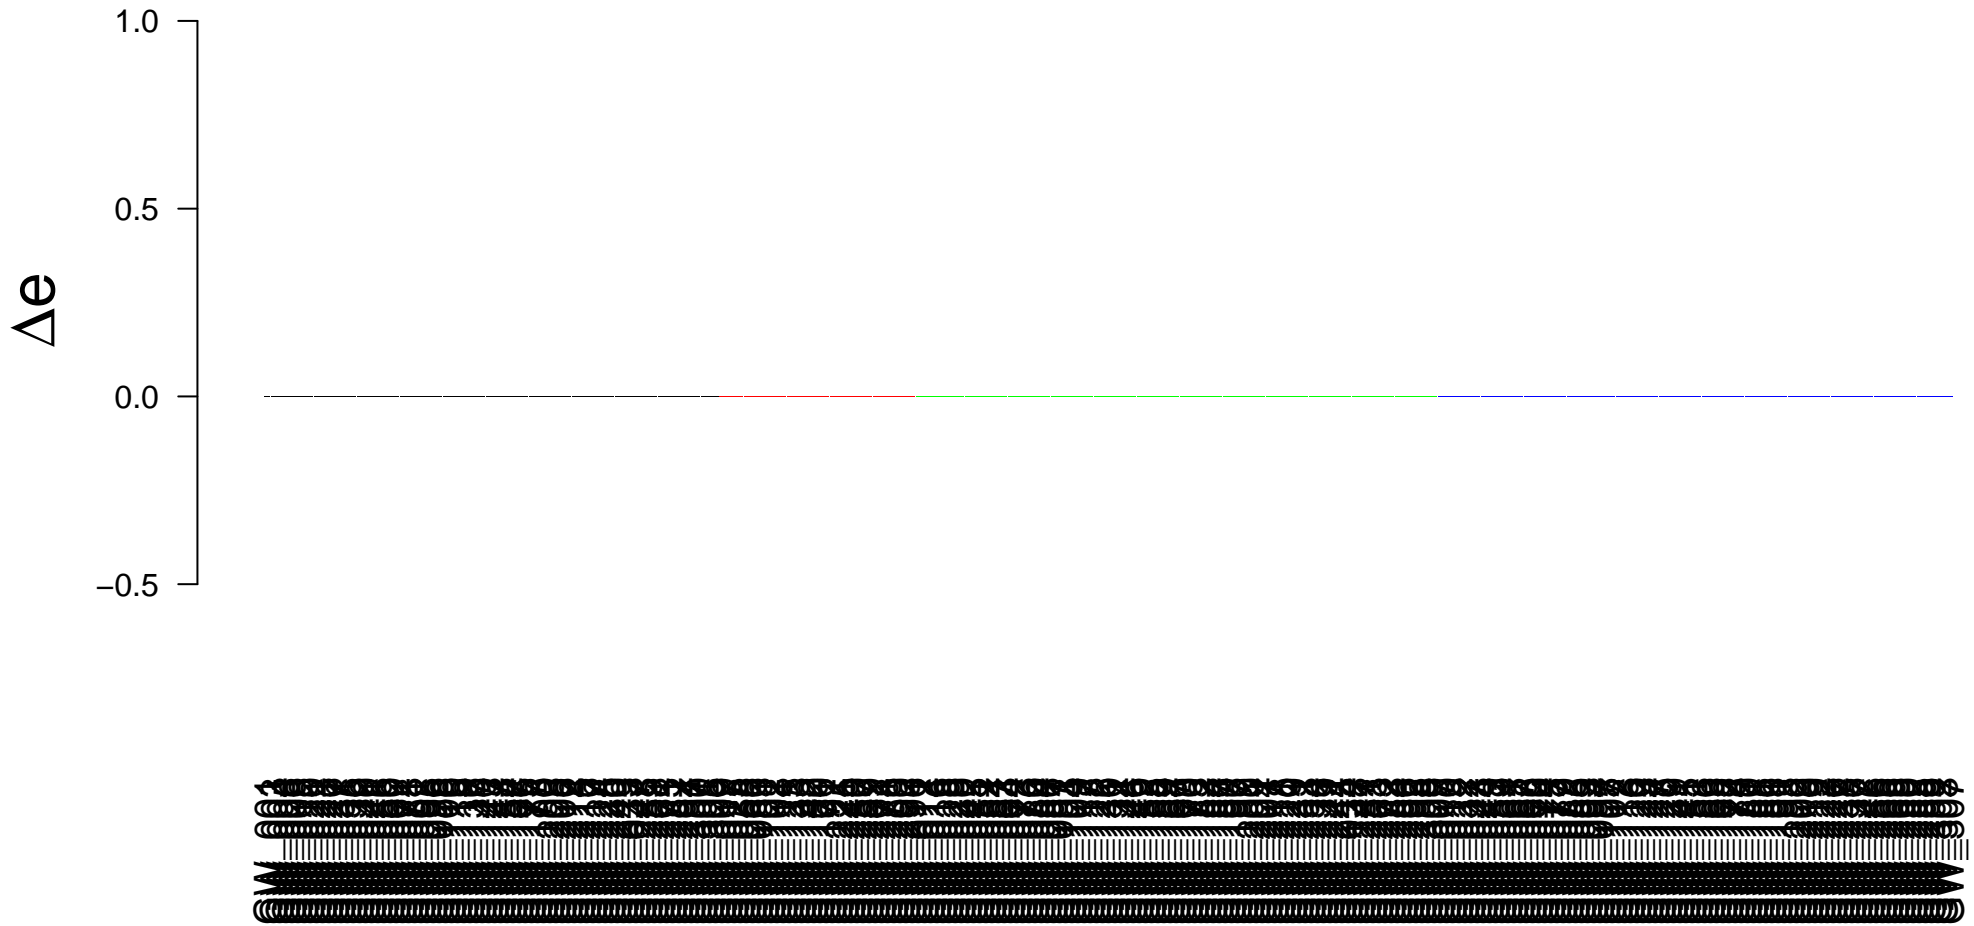

Expression of activation of protein kinase A activity in Spot M

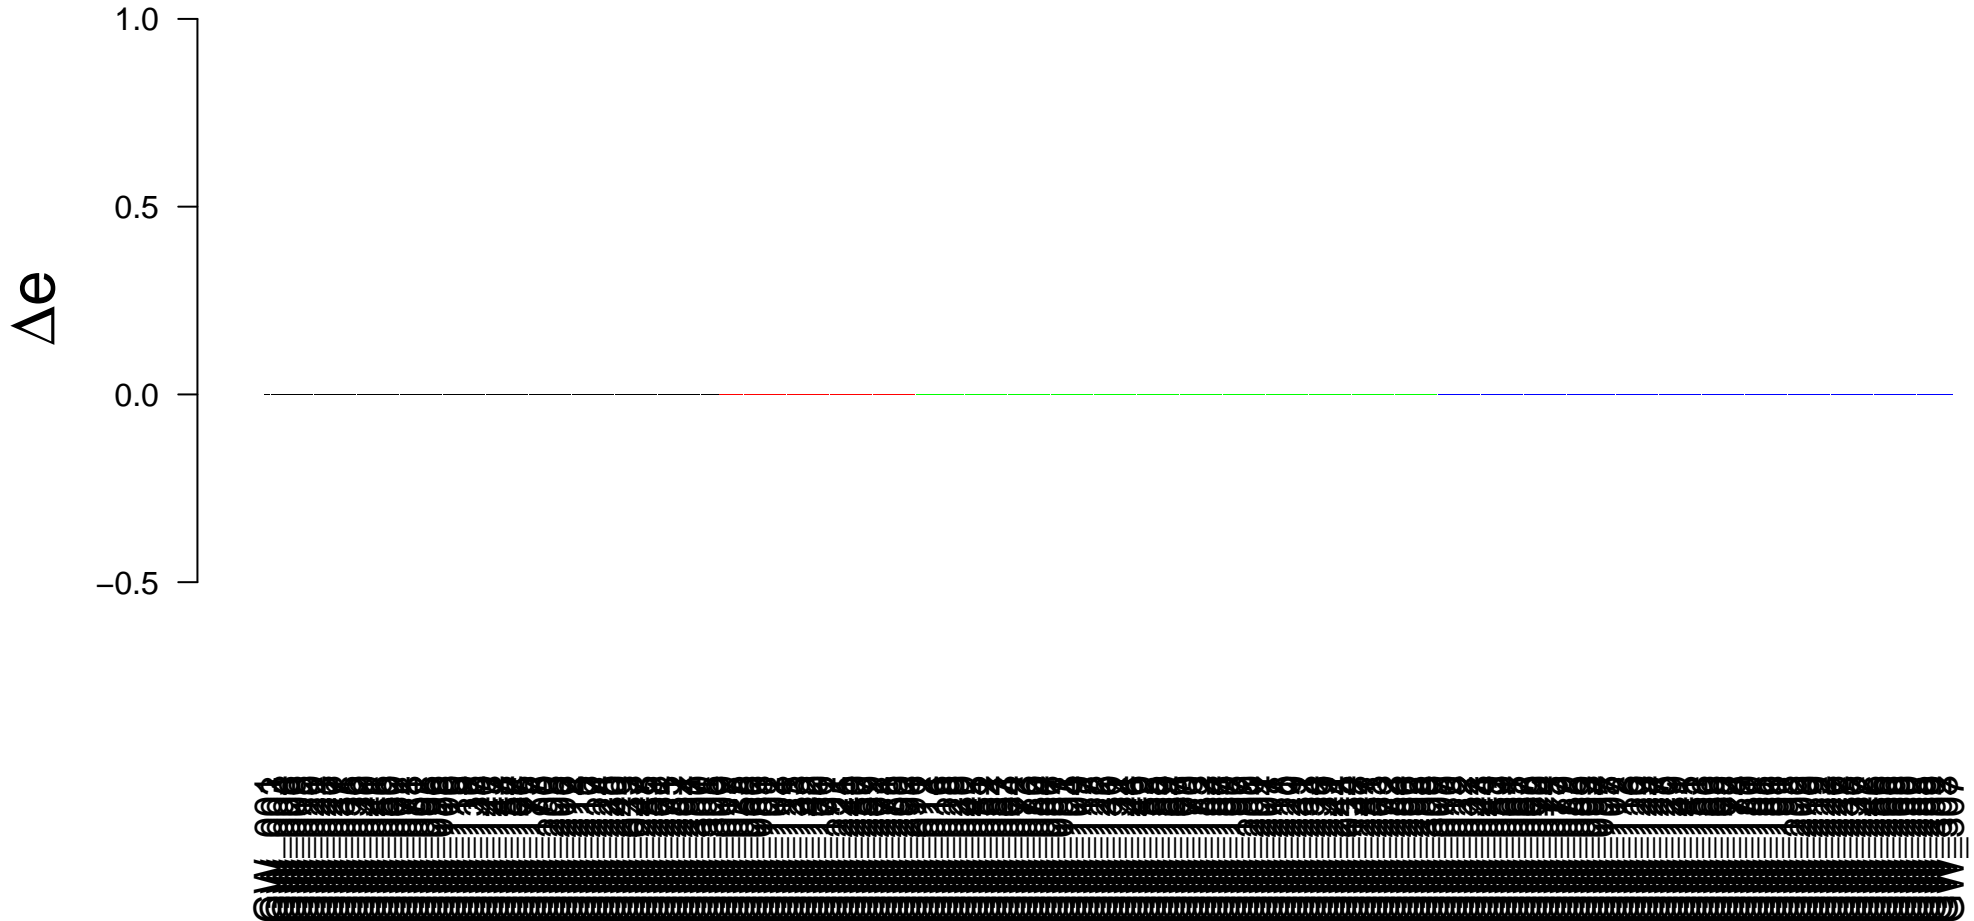

Expression of activation of protein kinase A activity in Spot N

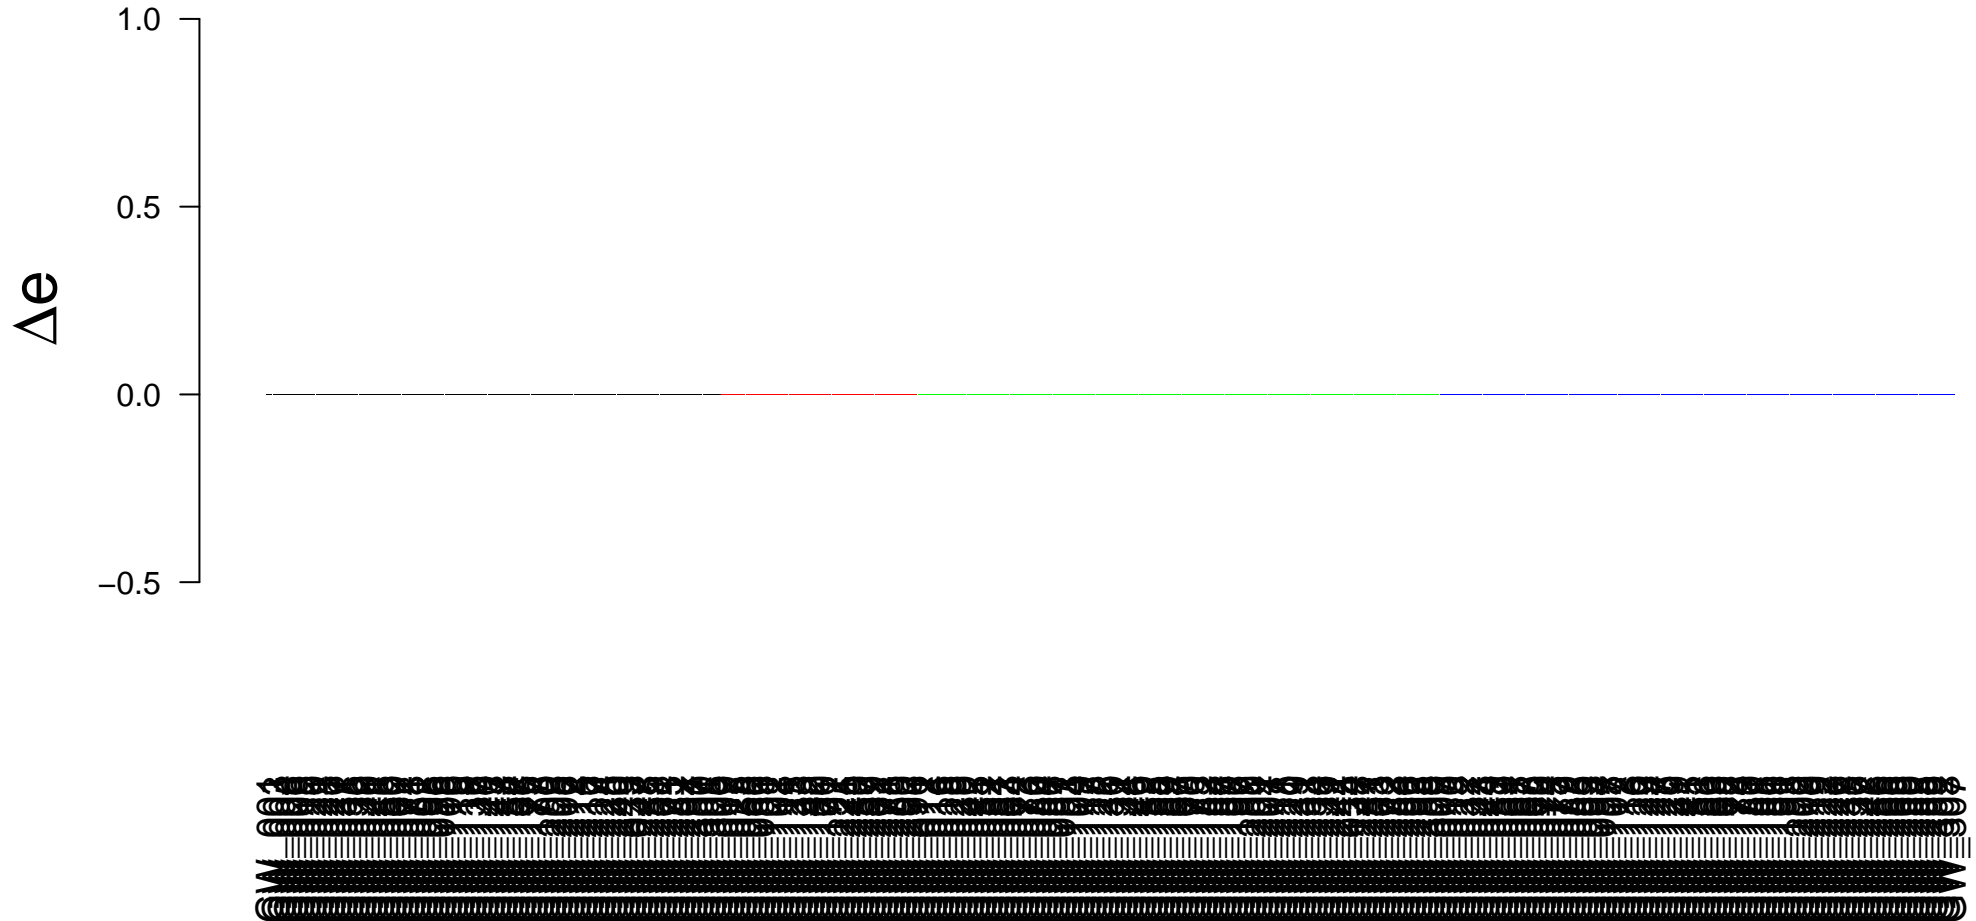

Expression of activation of protein kinase A activity in Spot O

Expression of activation of protein kinase A activity in Spot P

Expression of activation of protein kinase A activity in Spot Q

Expression of activation of protein kinase A activity in Spot R
