

acute-phase response

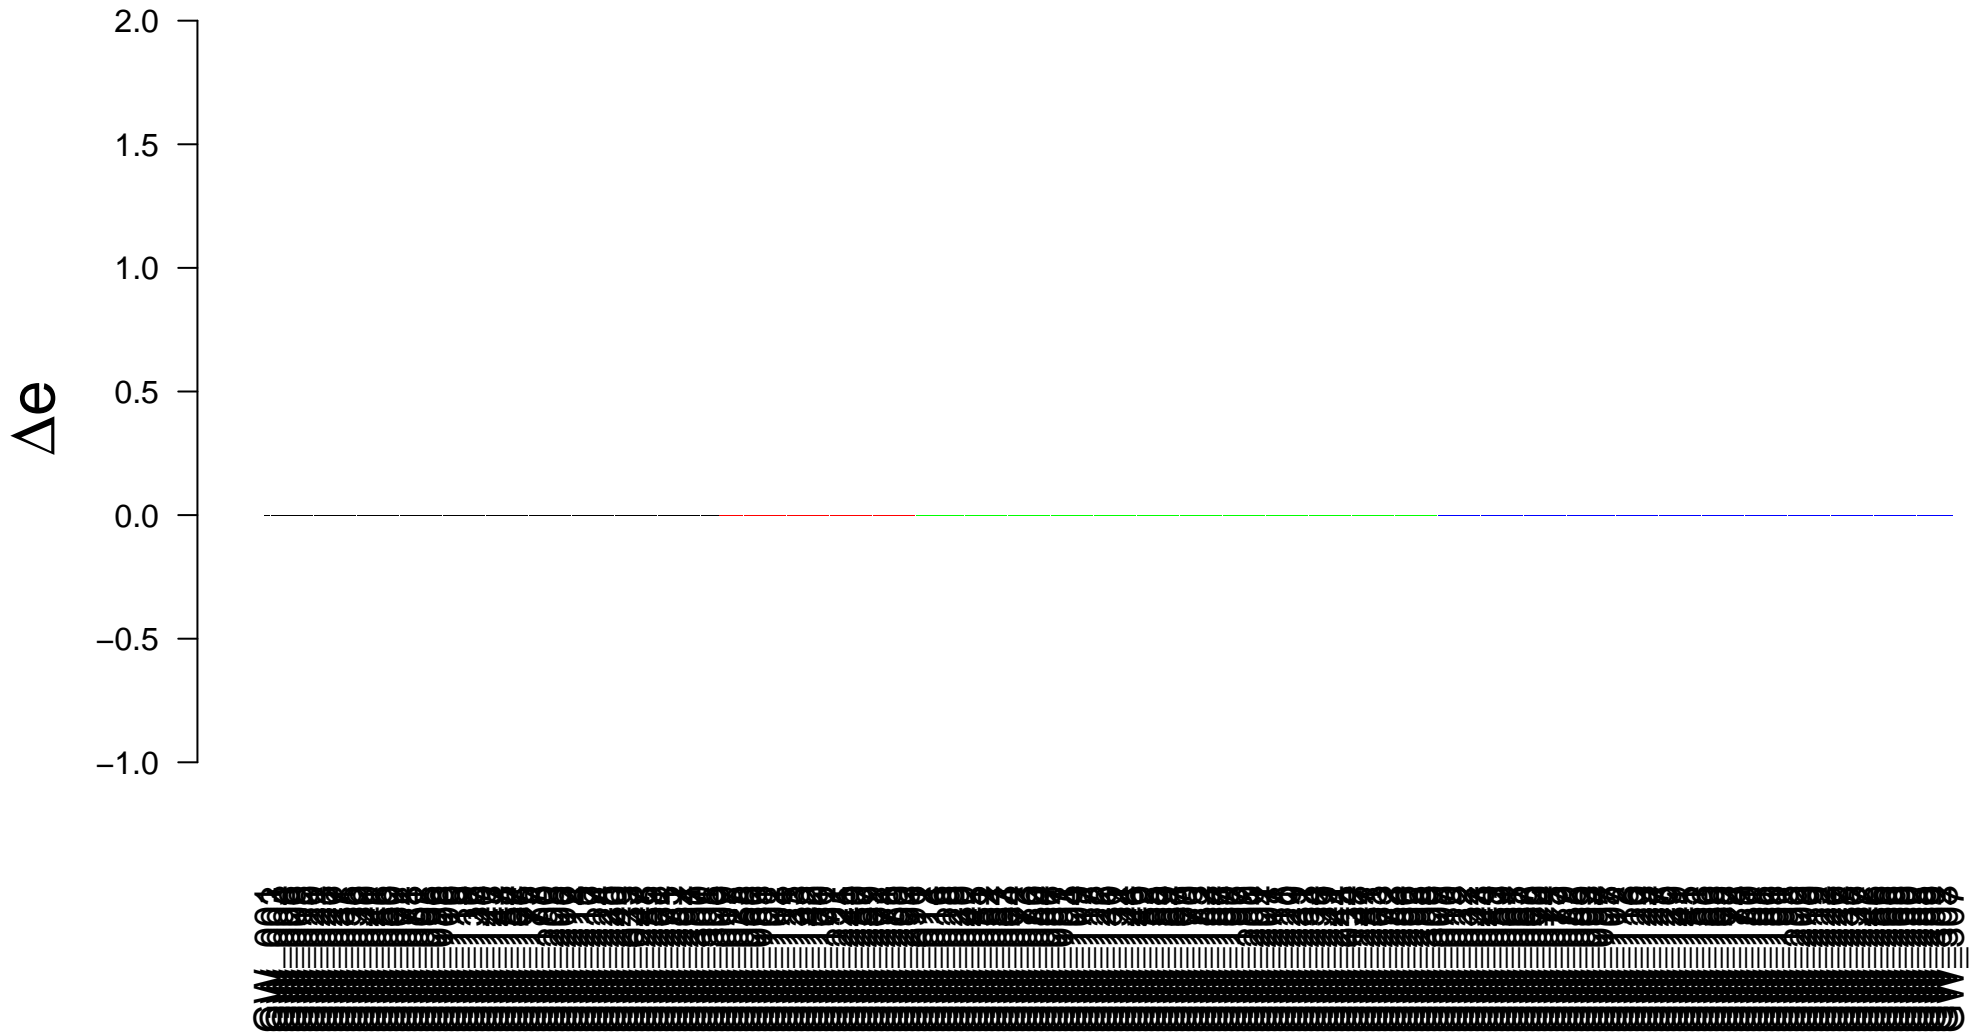

acute-phase response

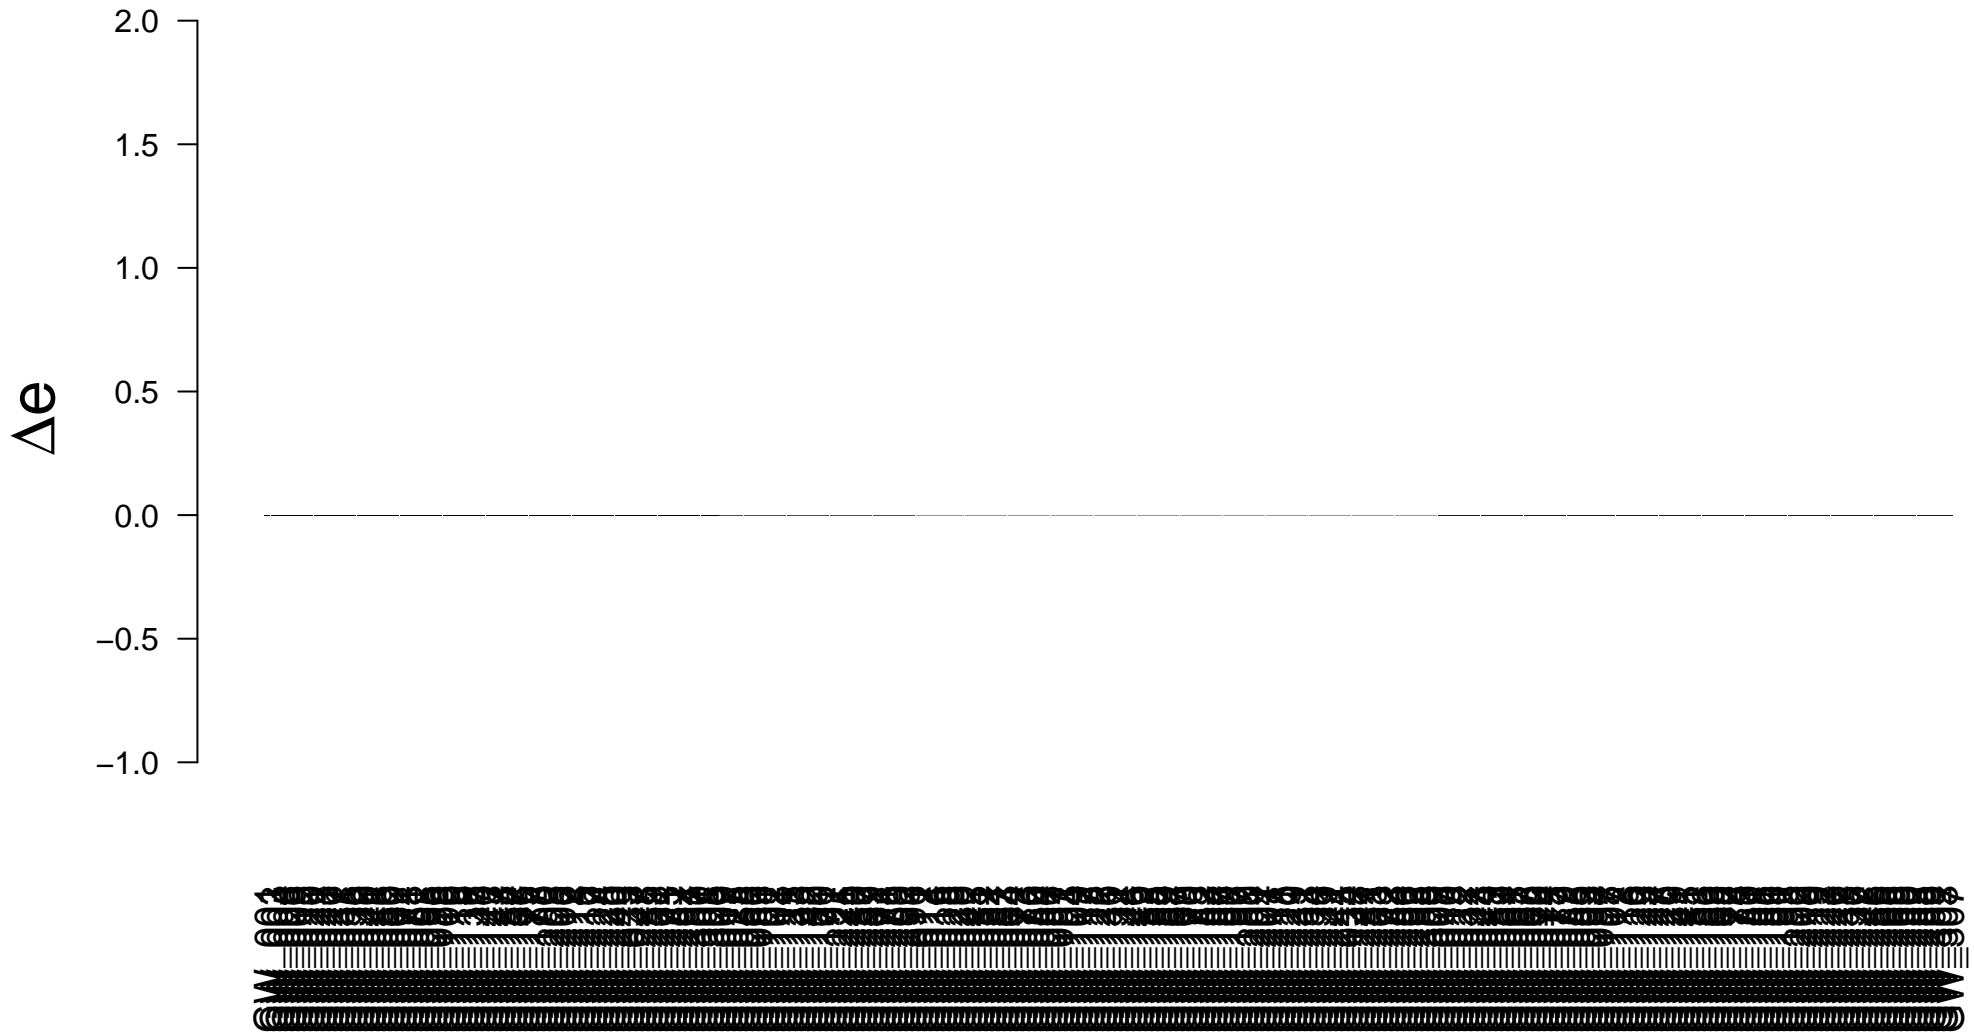

Enrichment in spots: acute-phase response

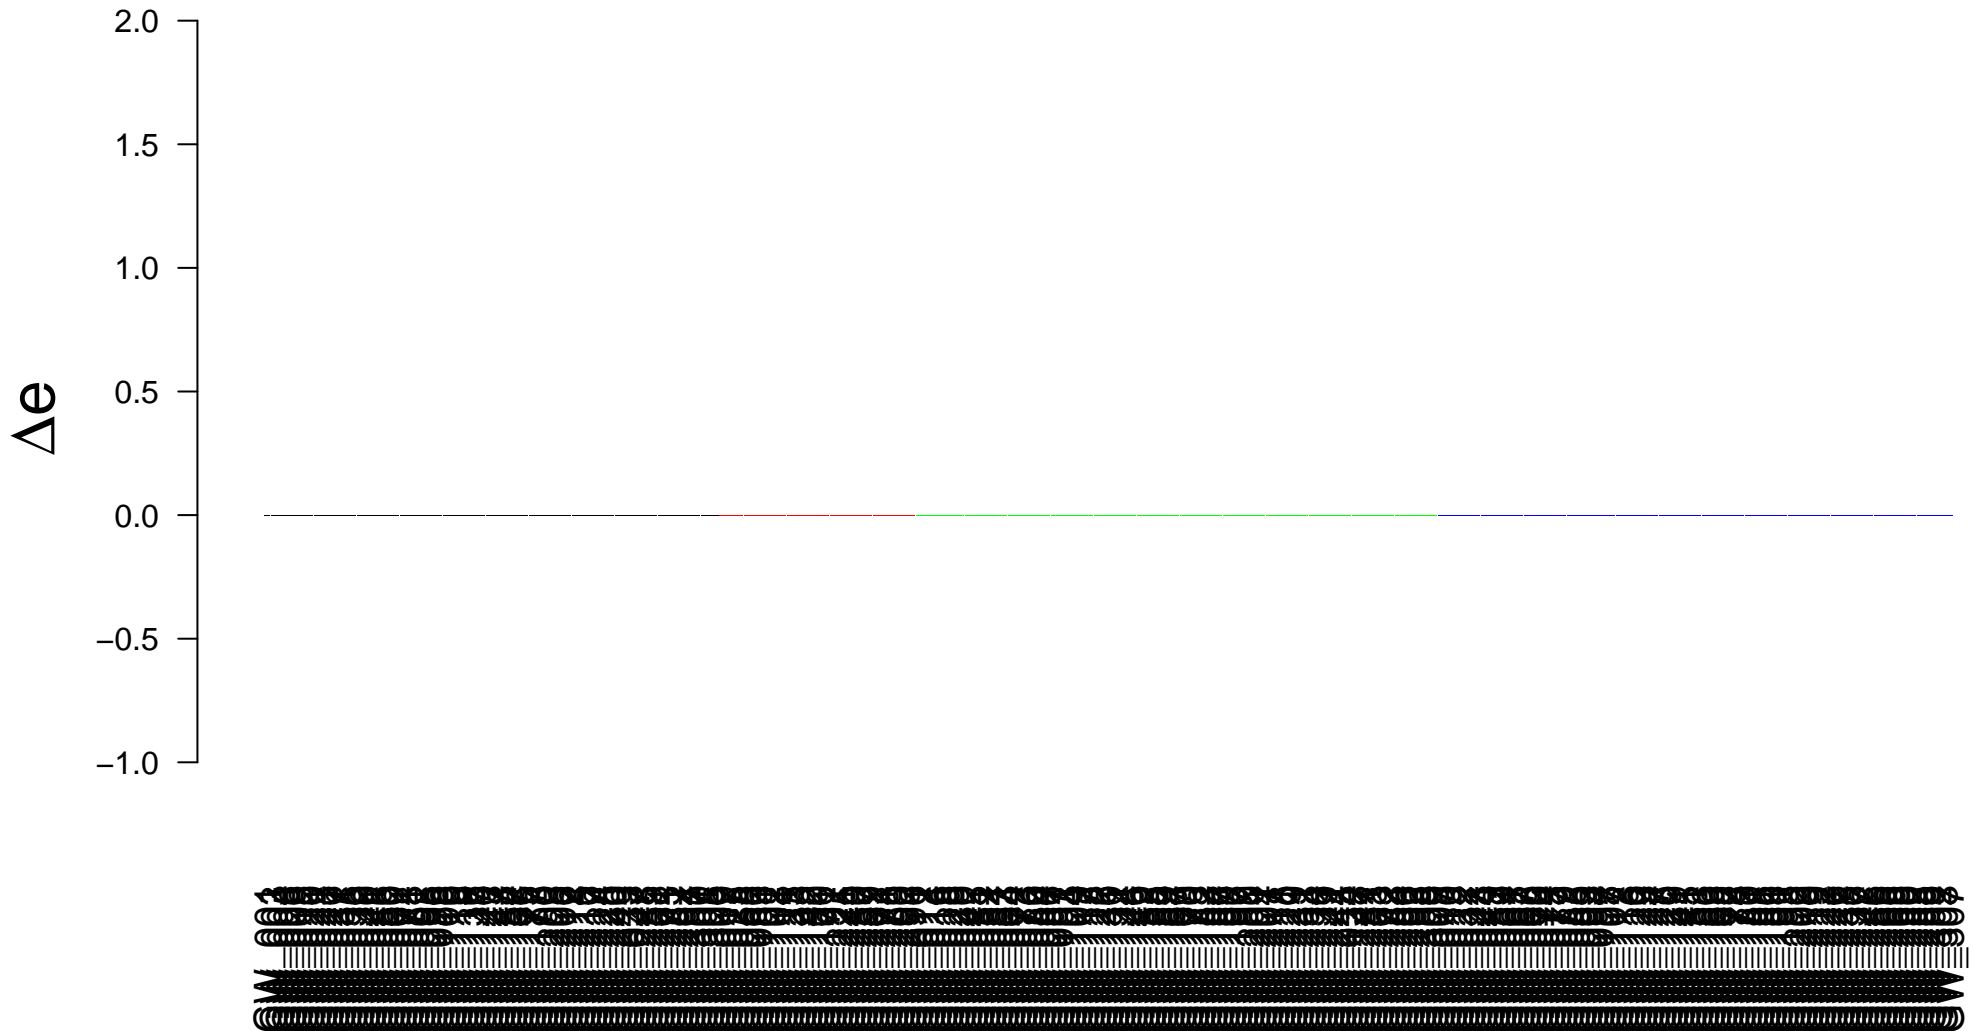

Expression of acute-phase response in Spot A

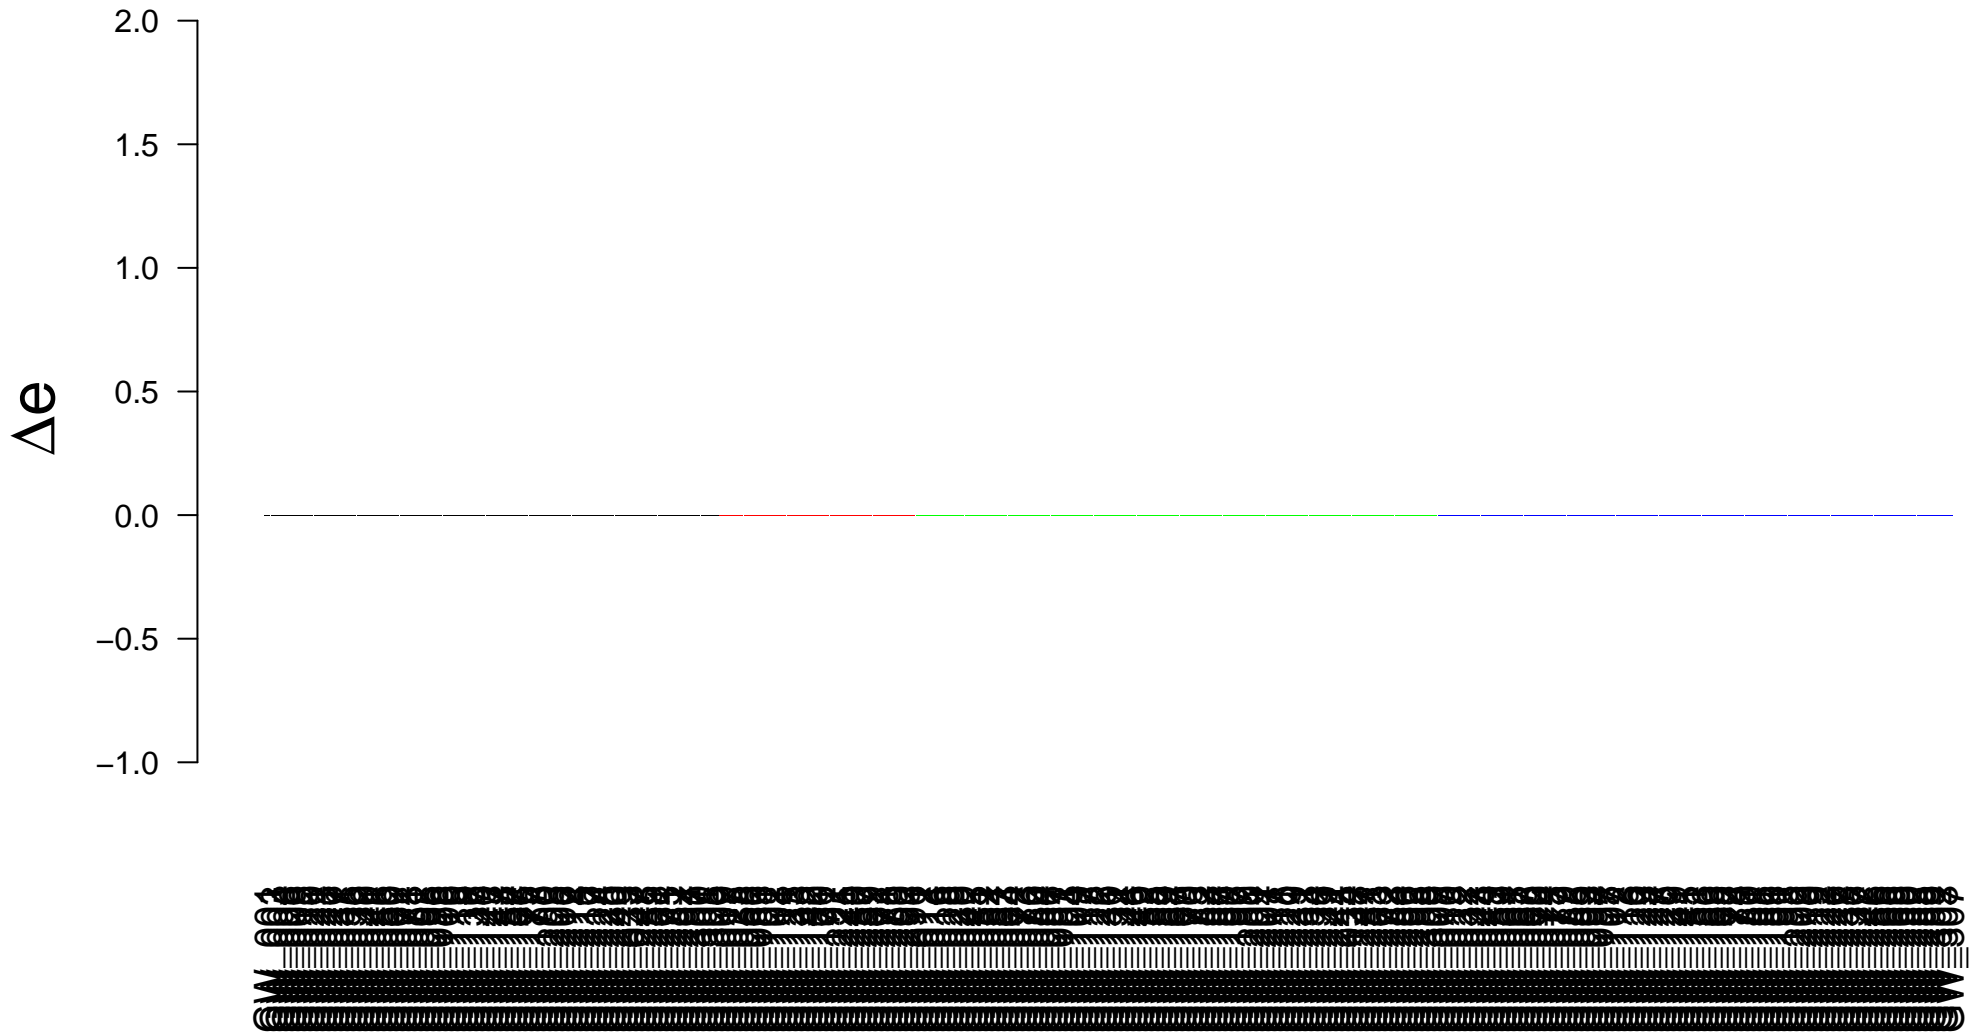

Expression of acute-phase response in Spot B

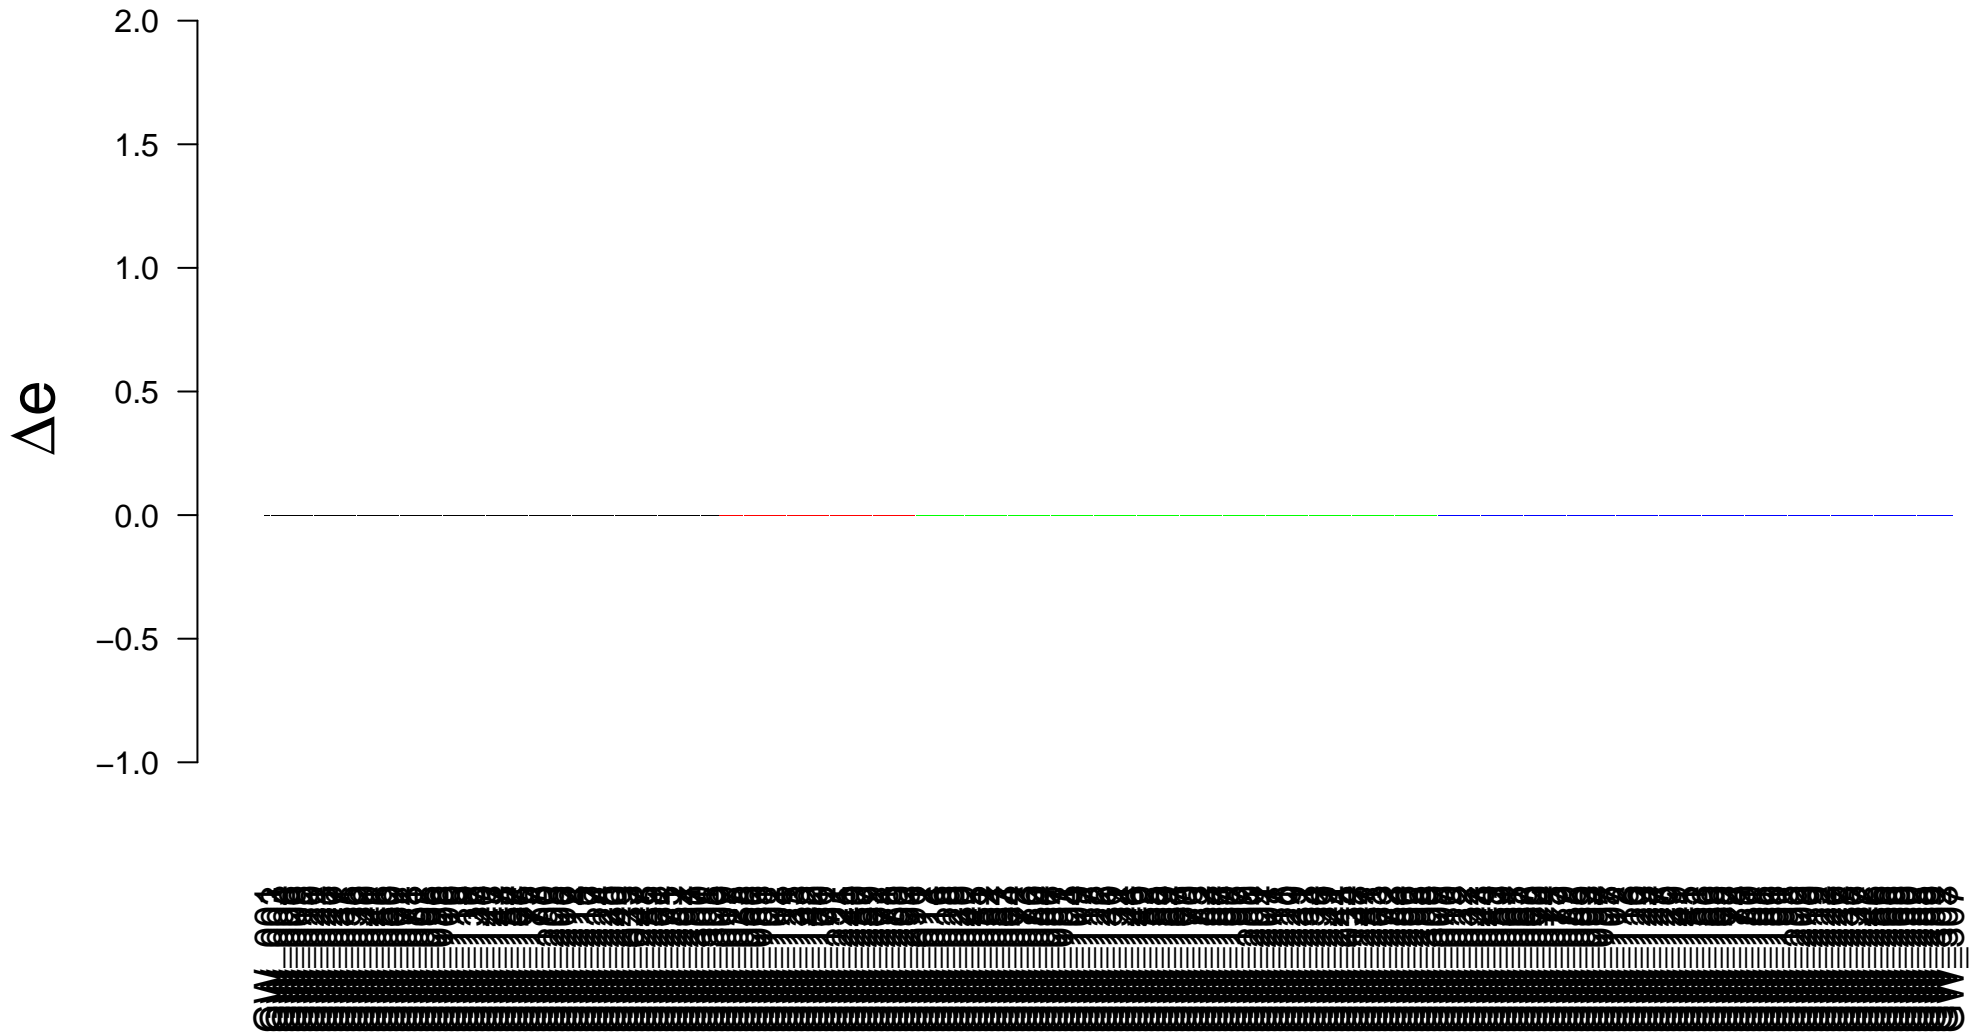

Expression of acute-phase response in Spot C

Expression of acute-phase response in Spot D

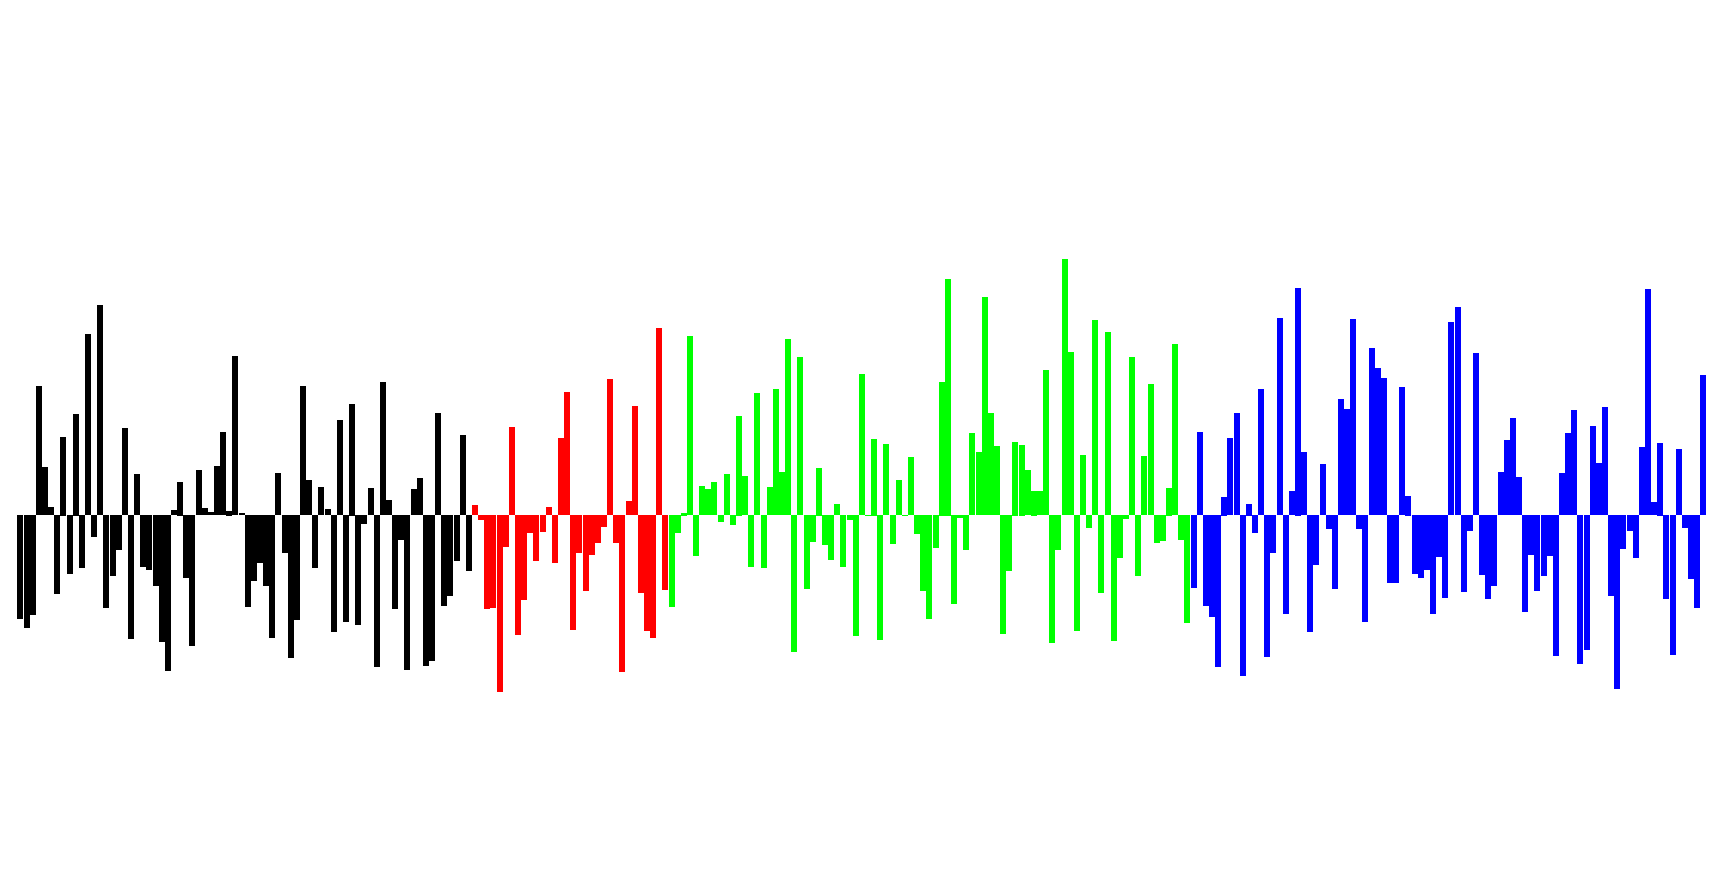

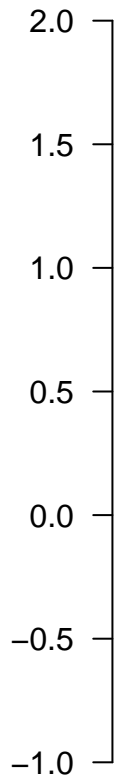

Expression of acute-phase response in Spot E

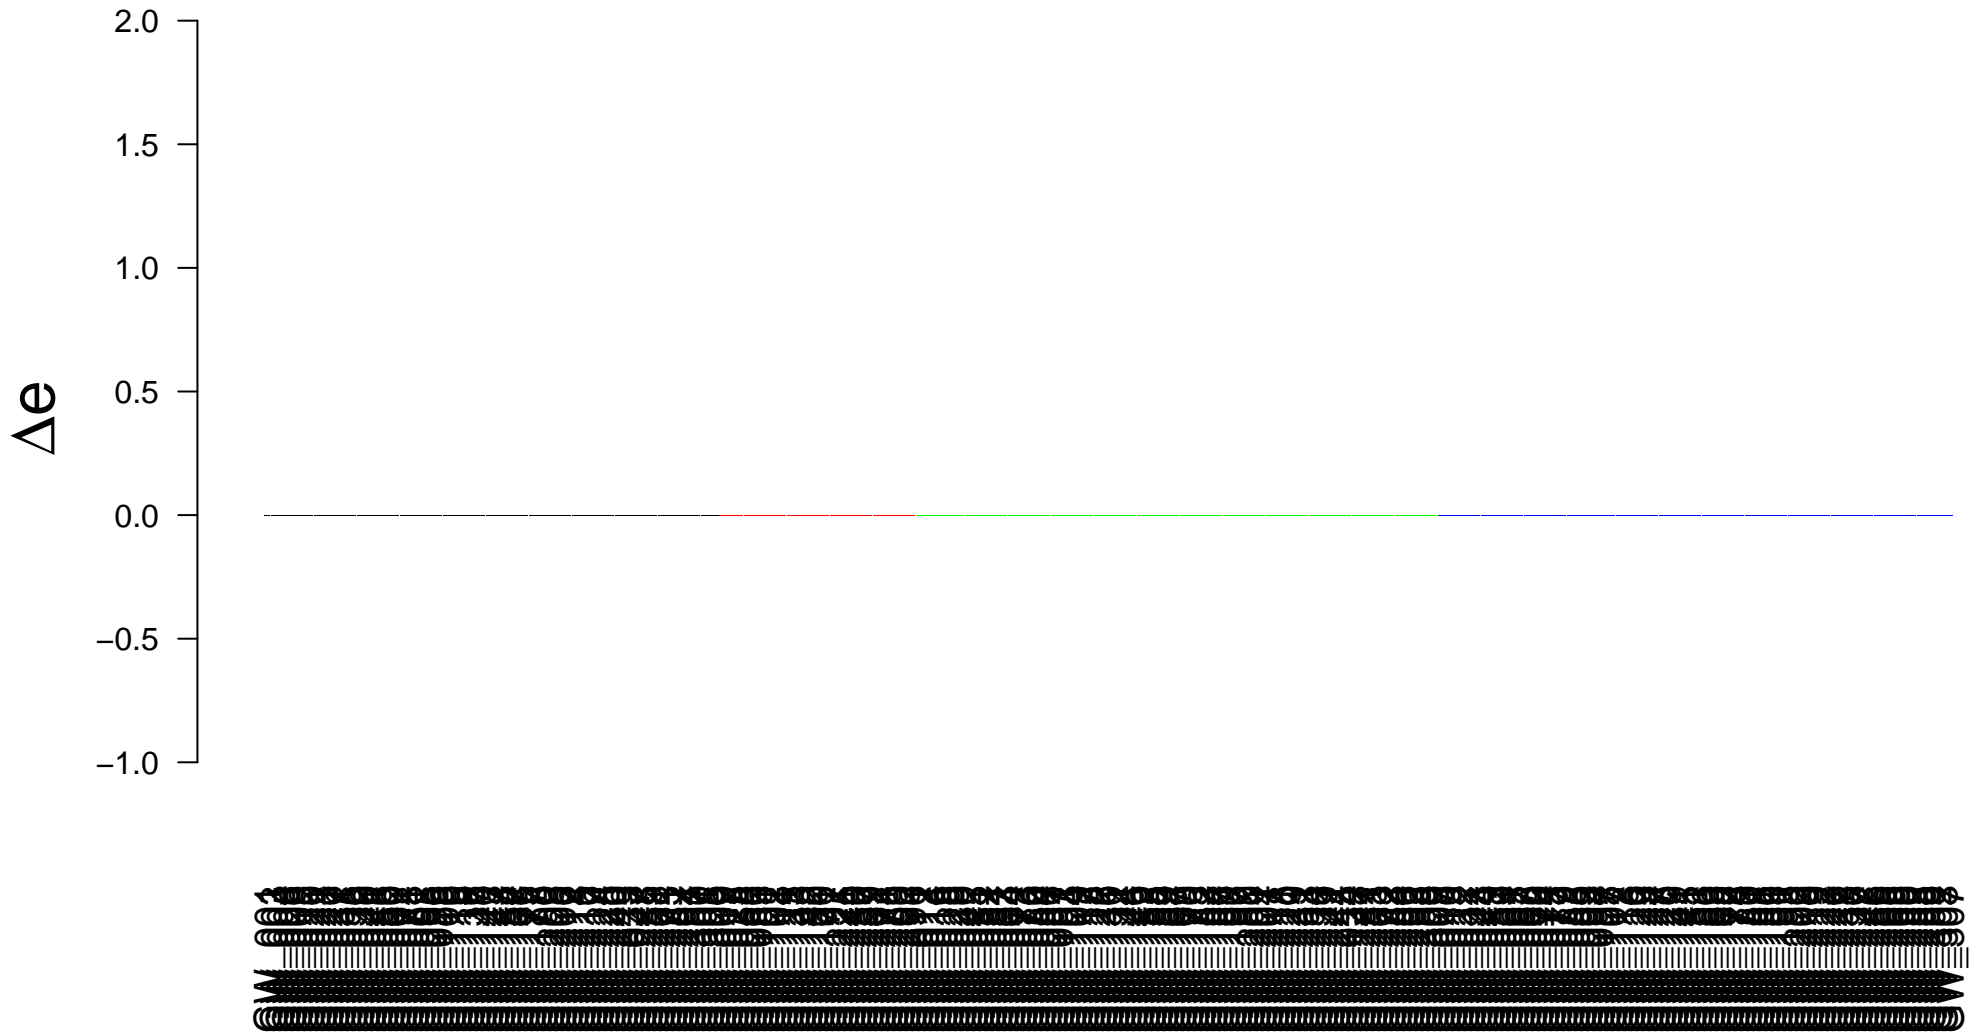

Expression of acute-phase response in Spot F

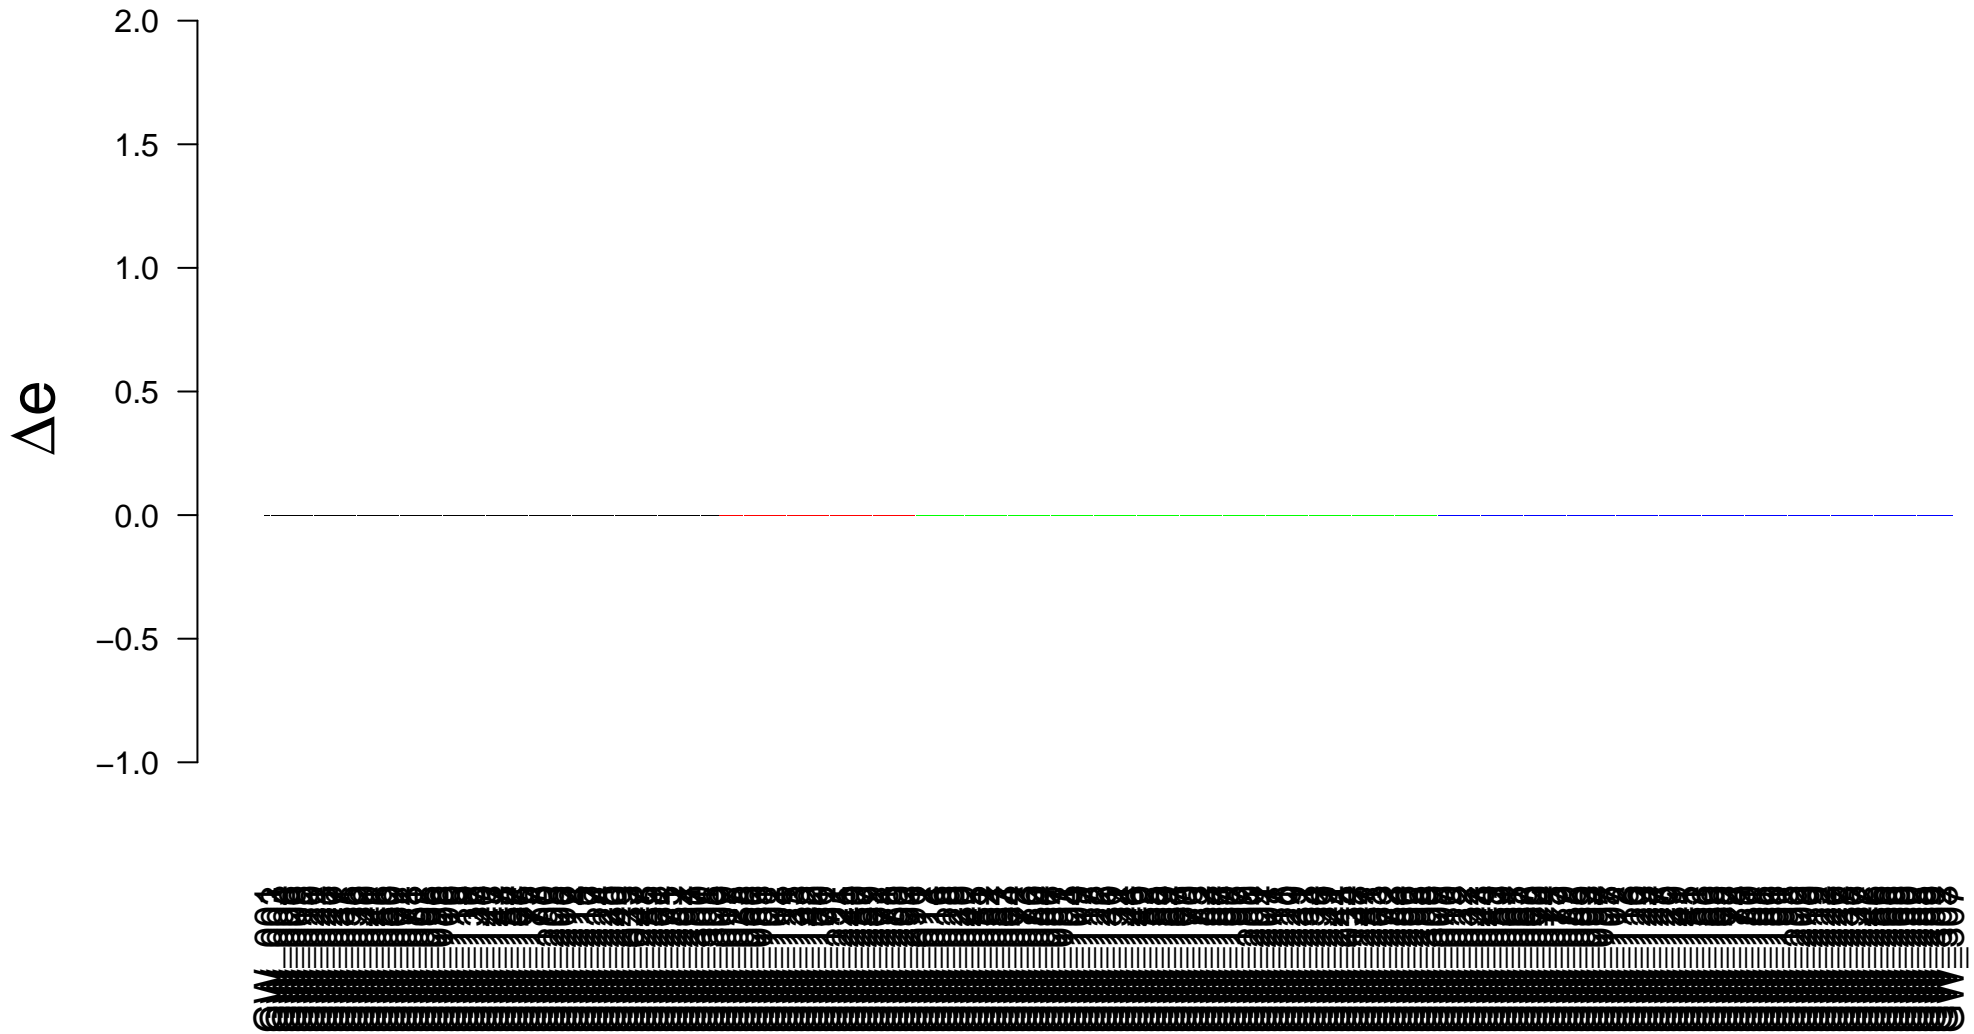

Δe

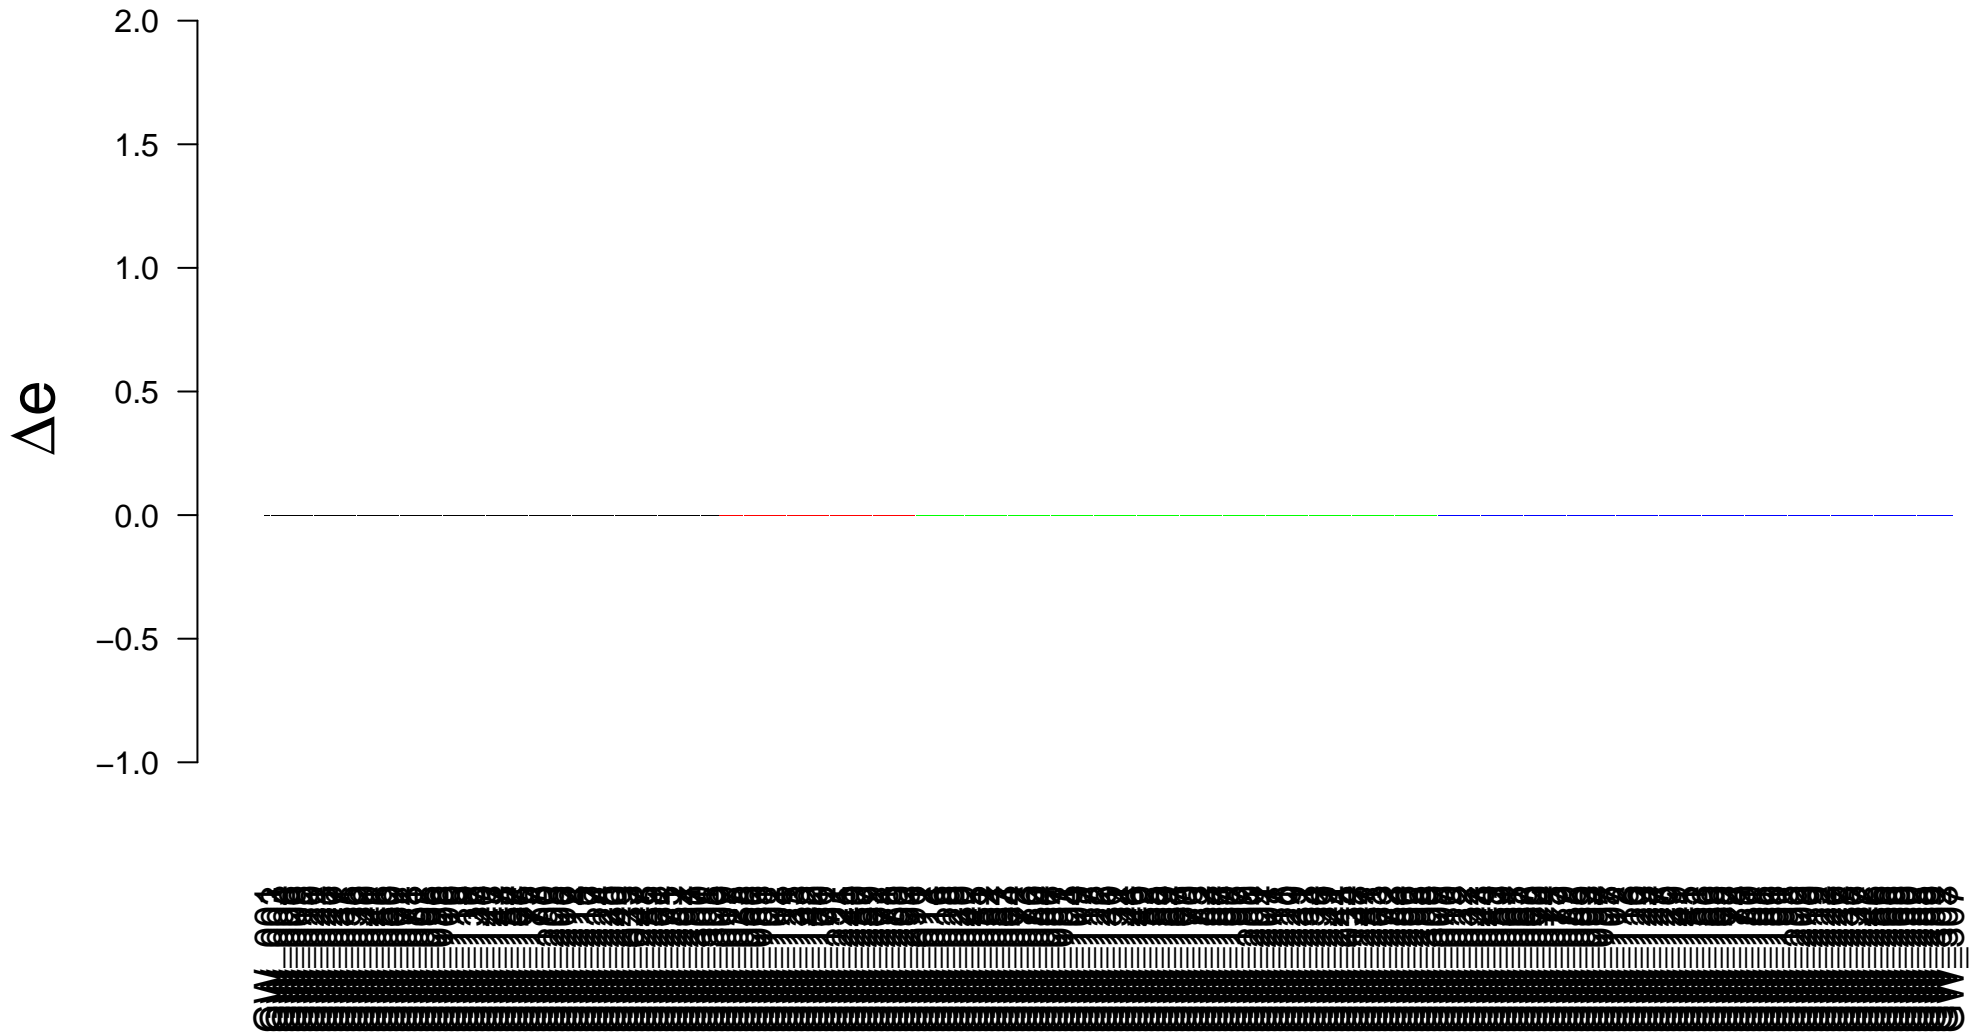

Expression of acute-phase response in Spot G

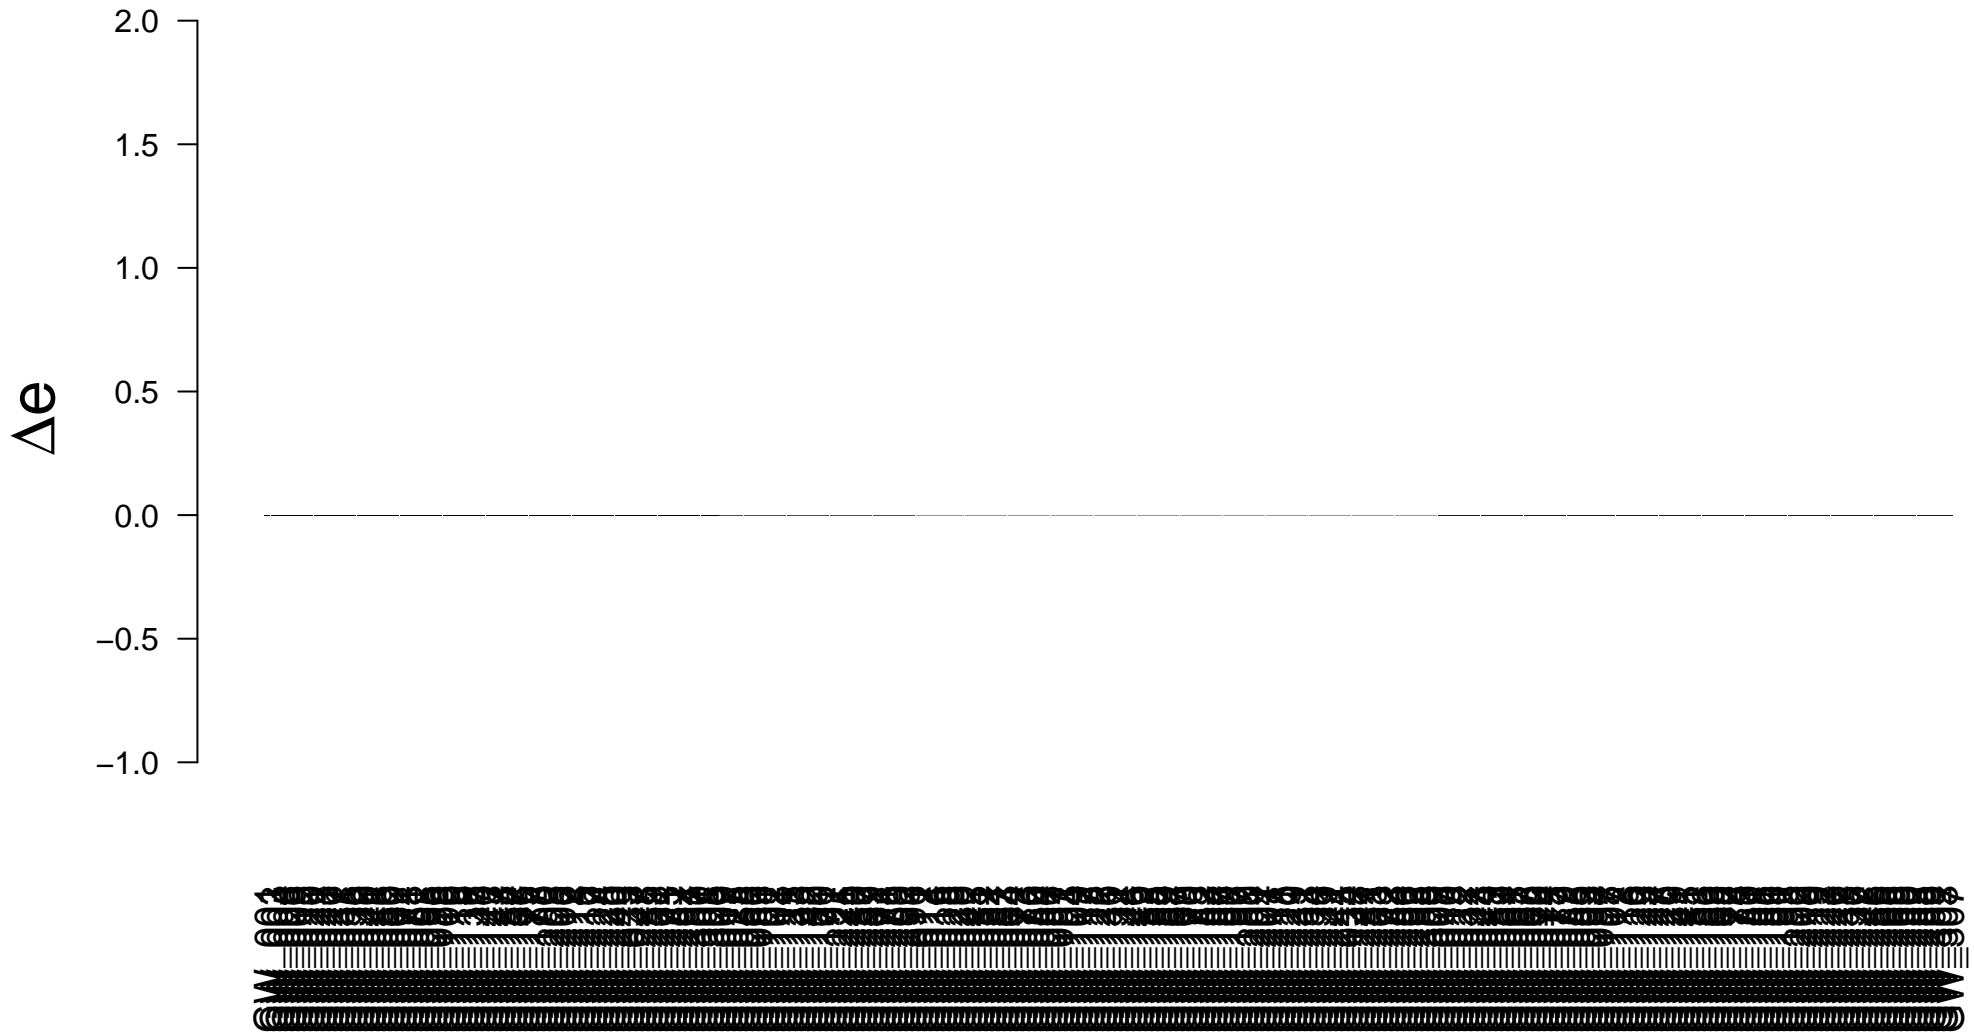

Expression of acute-phase response in Spot H

Expression of acute-phase response in Spot I

Expression of acute-phase response in Spot J

Expression of acute-phase response in Spot K
