

adaptive immune response

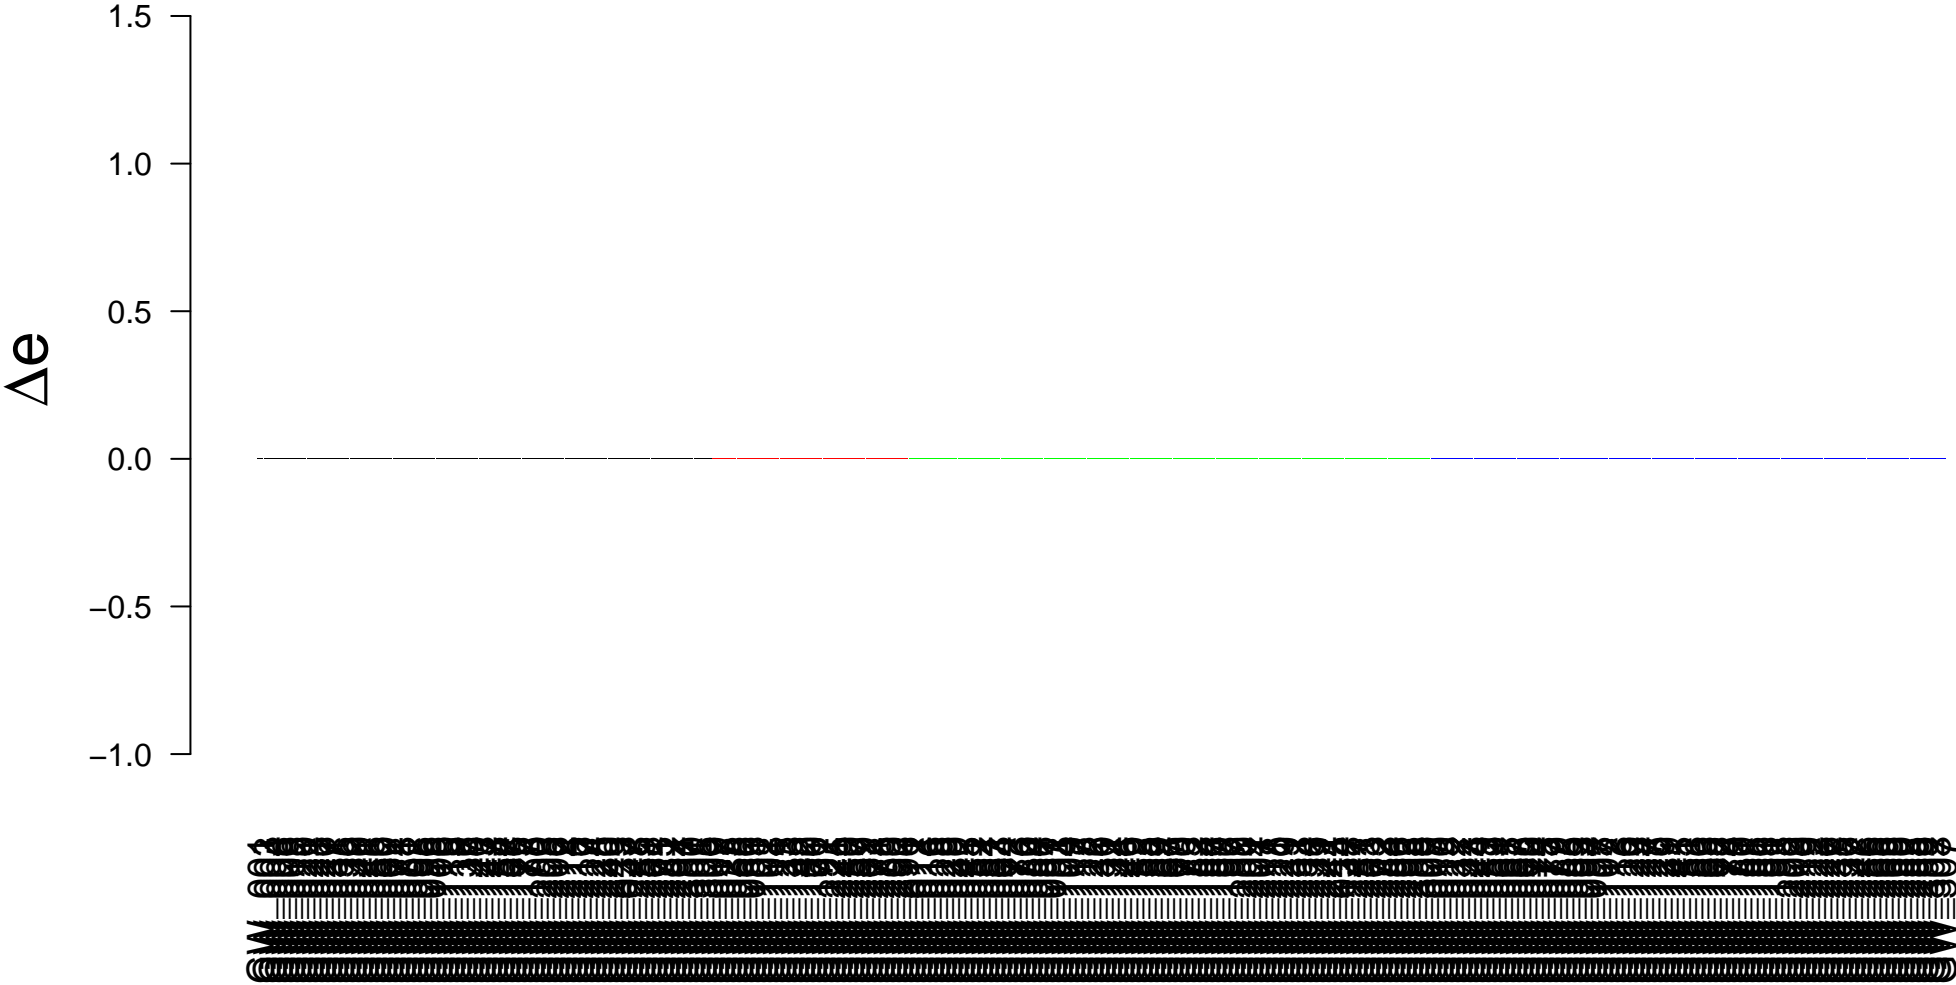

adaptive immune response

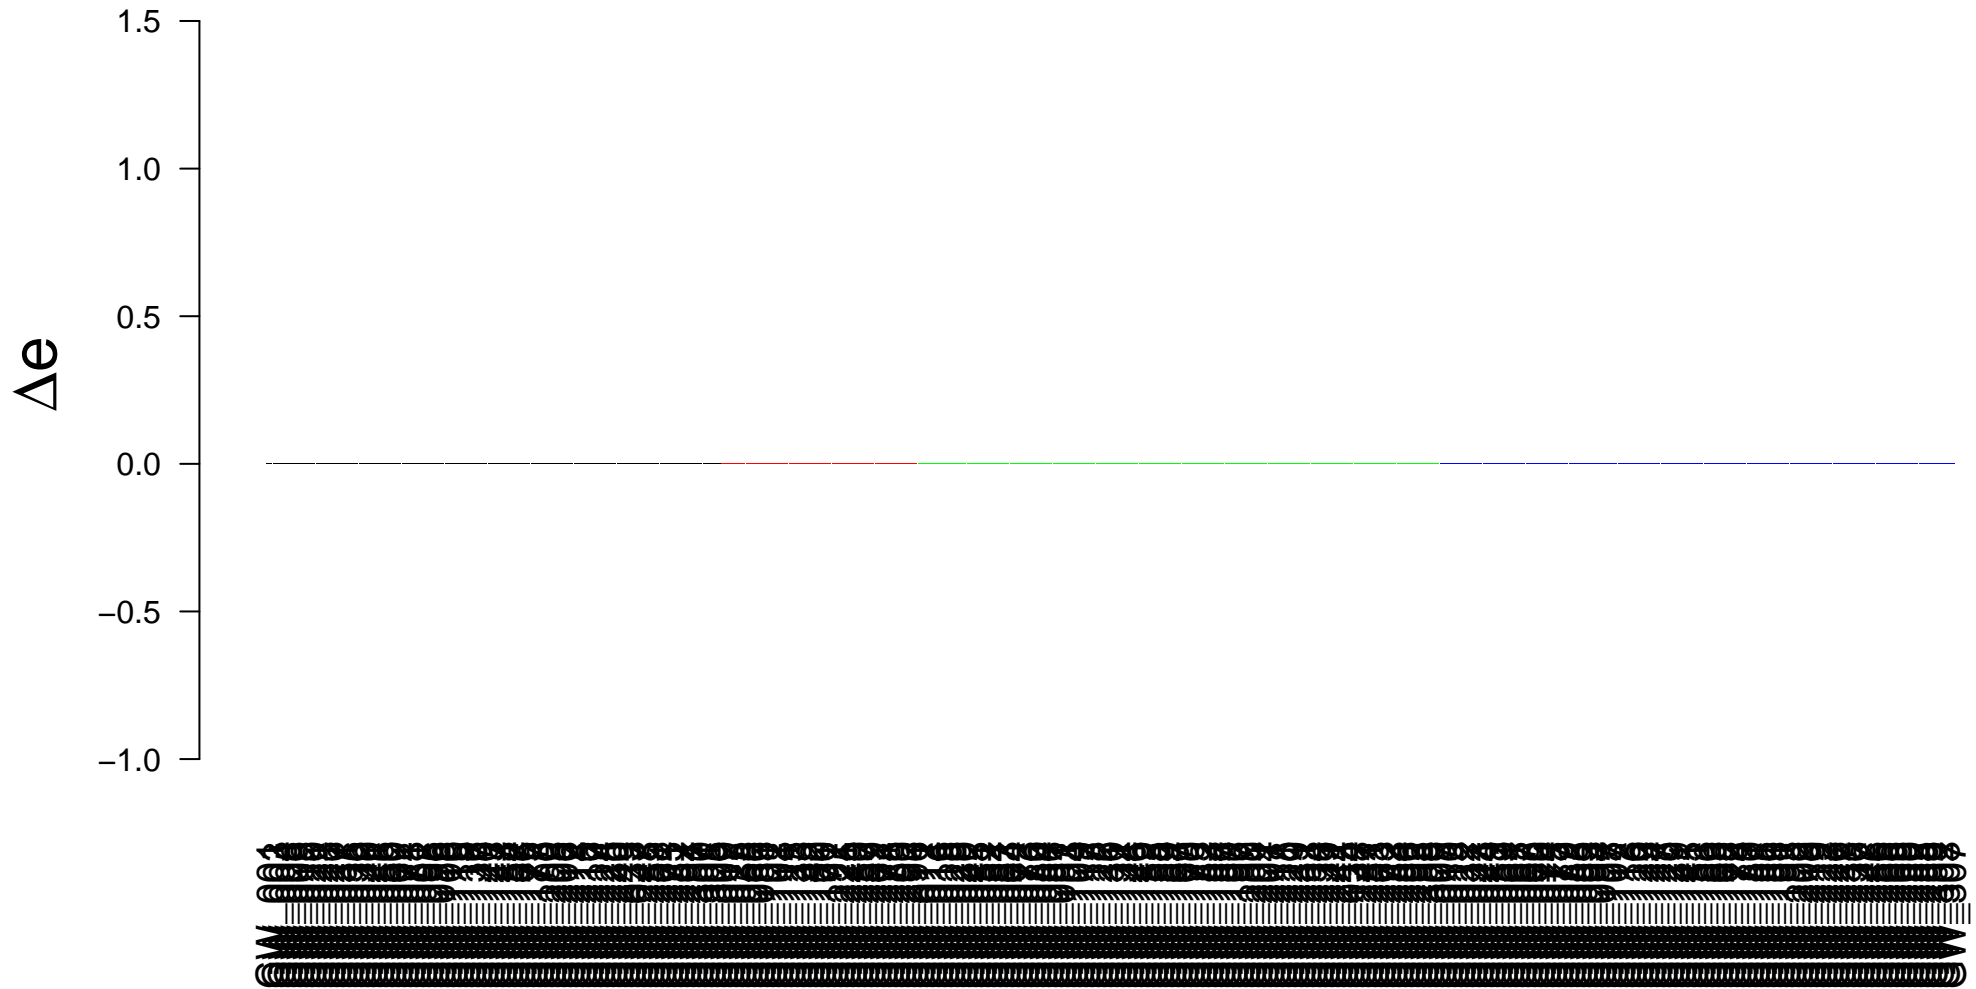

Enrichment in spots: adaptive immune response

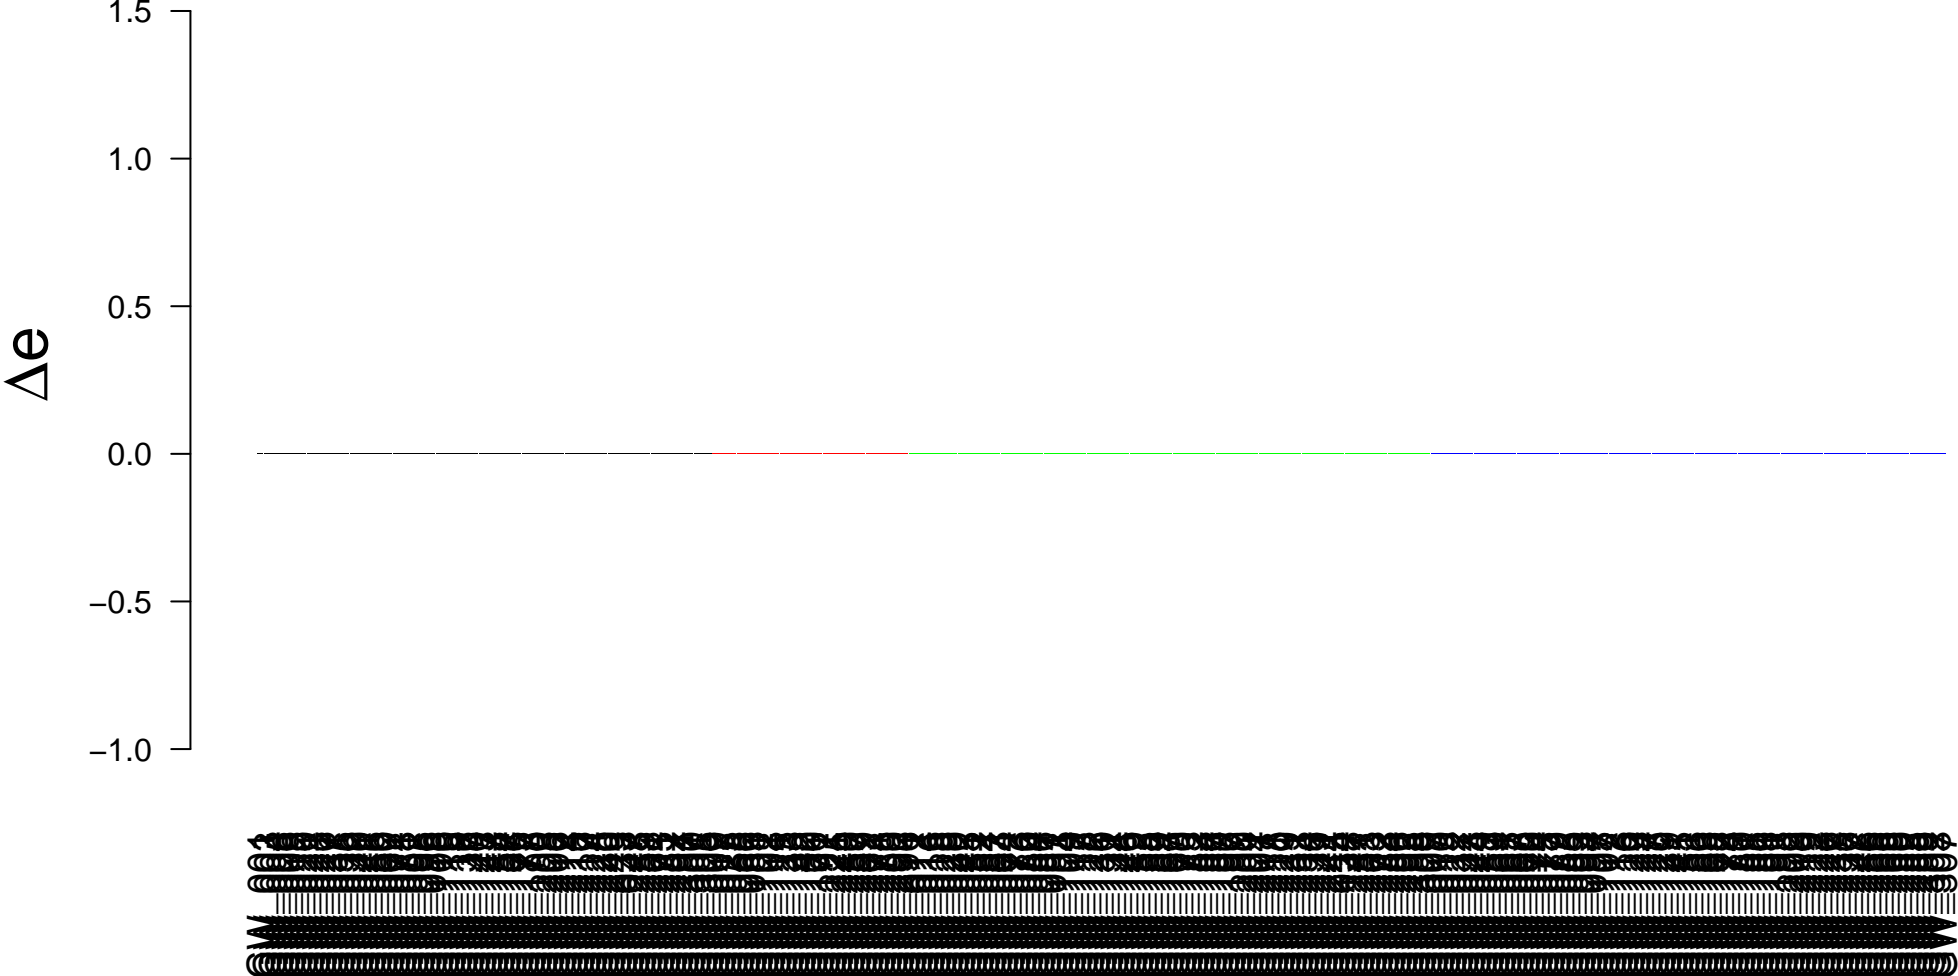

Expression of adaptive immune response in Spot A

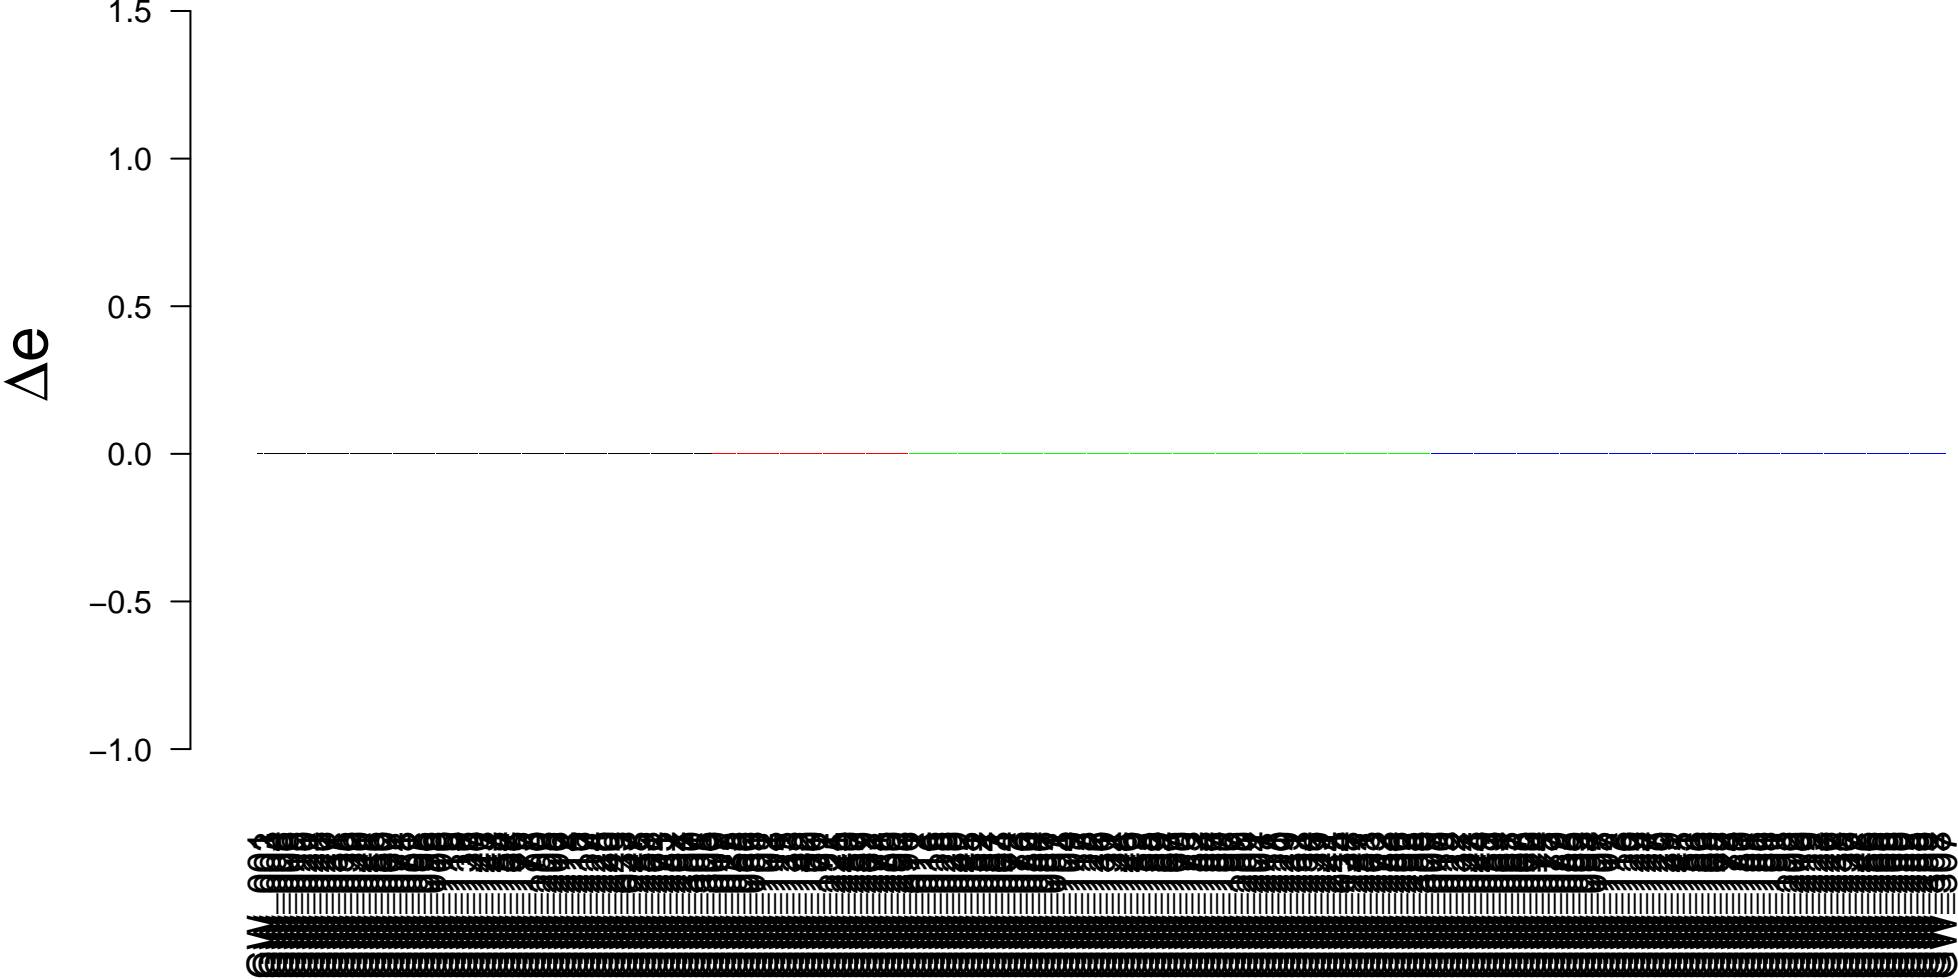

Expression of adaptive immune response in Spot B

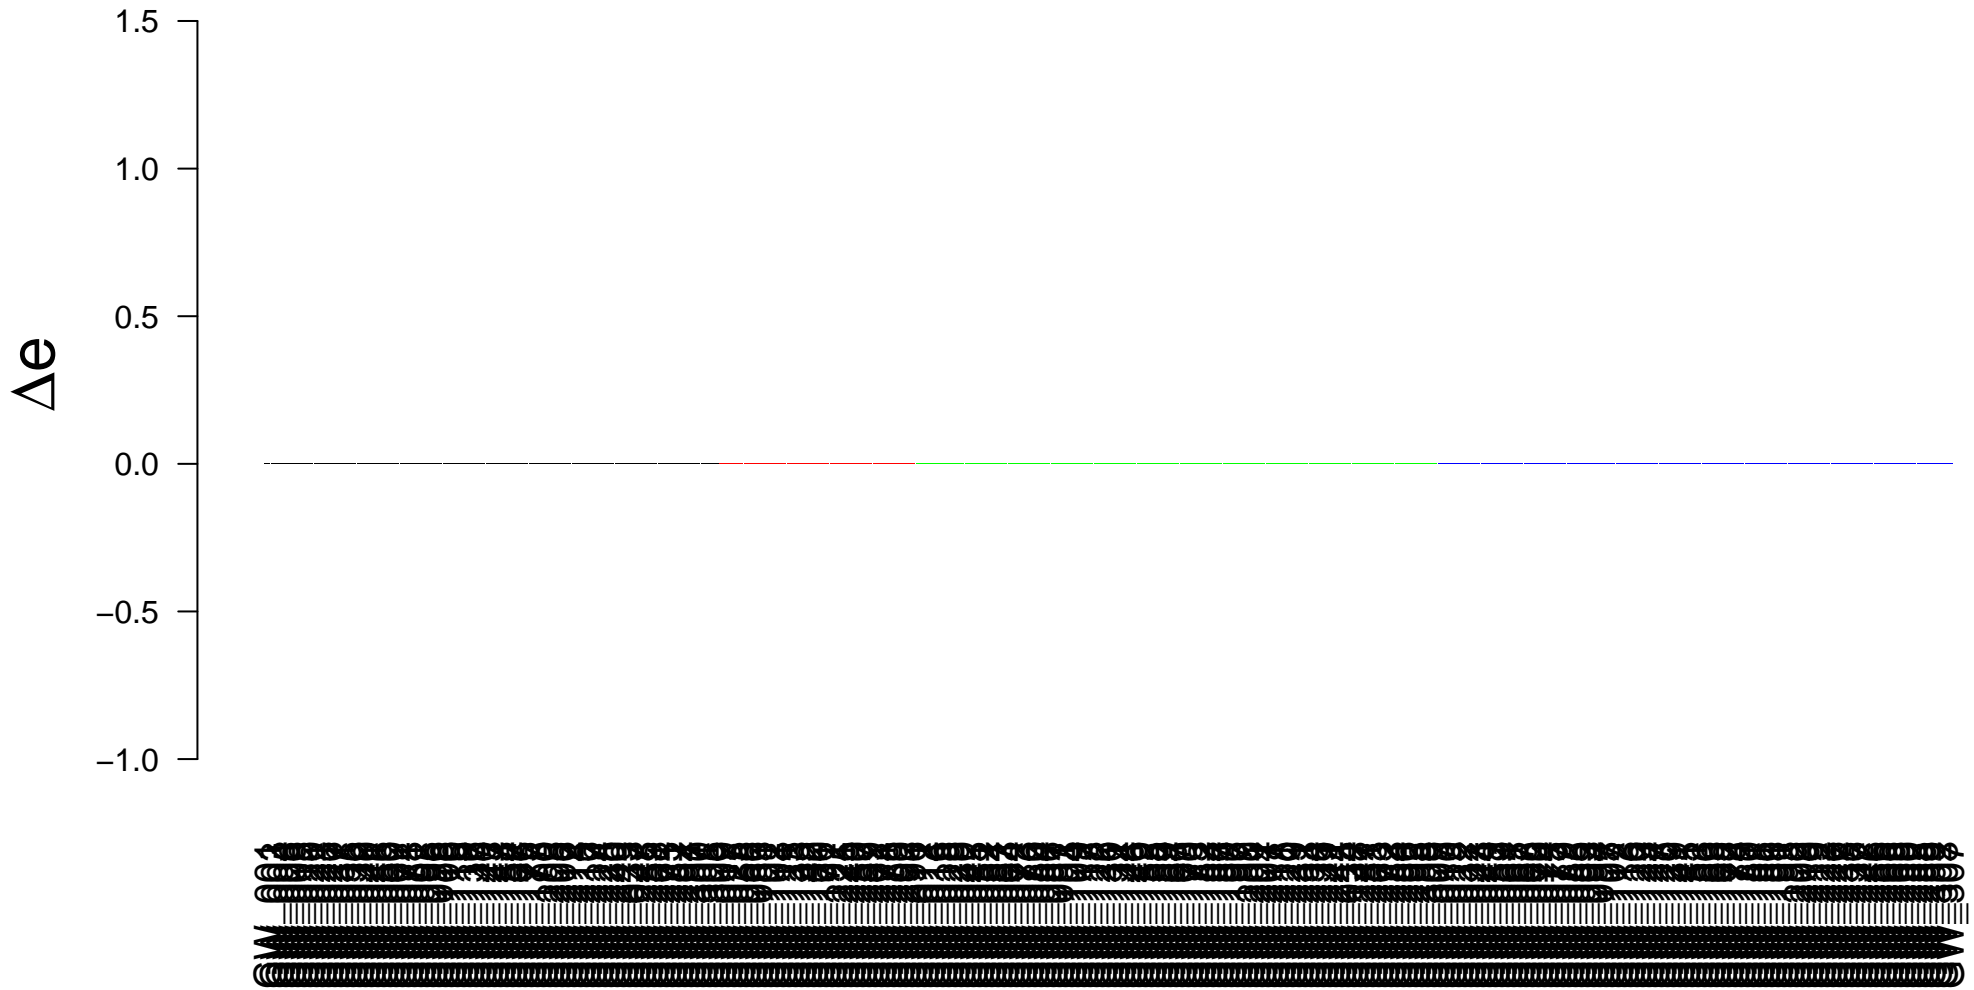

Expression of adaptive immune response in Spot C

Expression of adaptive immune response in Spot D

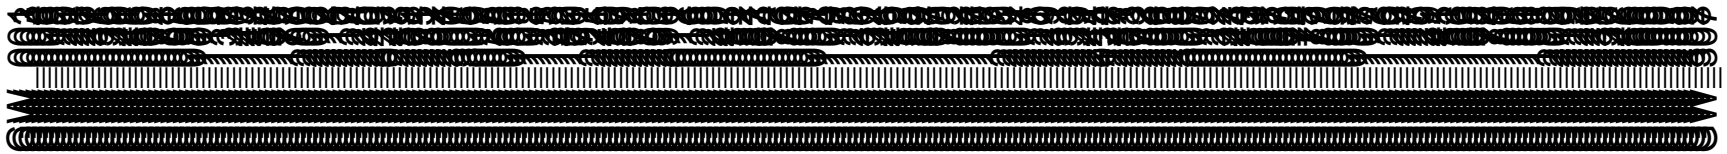

Expression of adaptive immune response in Spot E

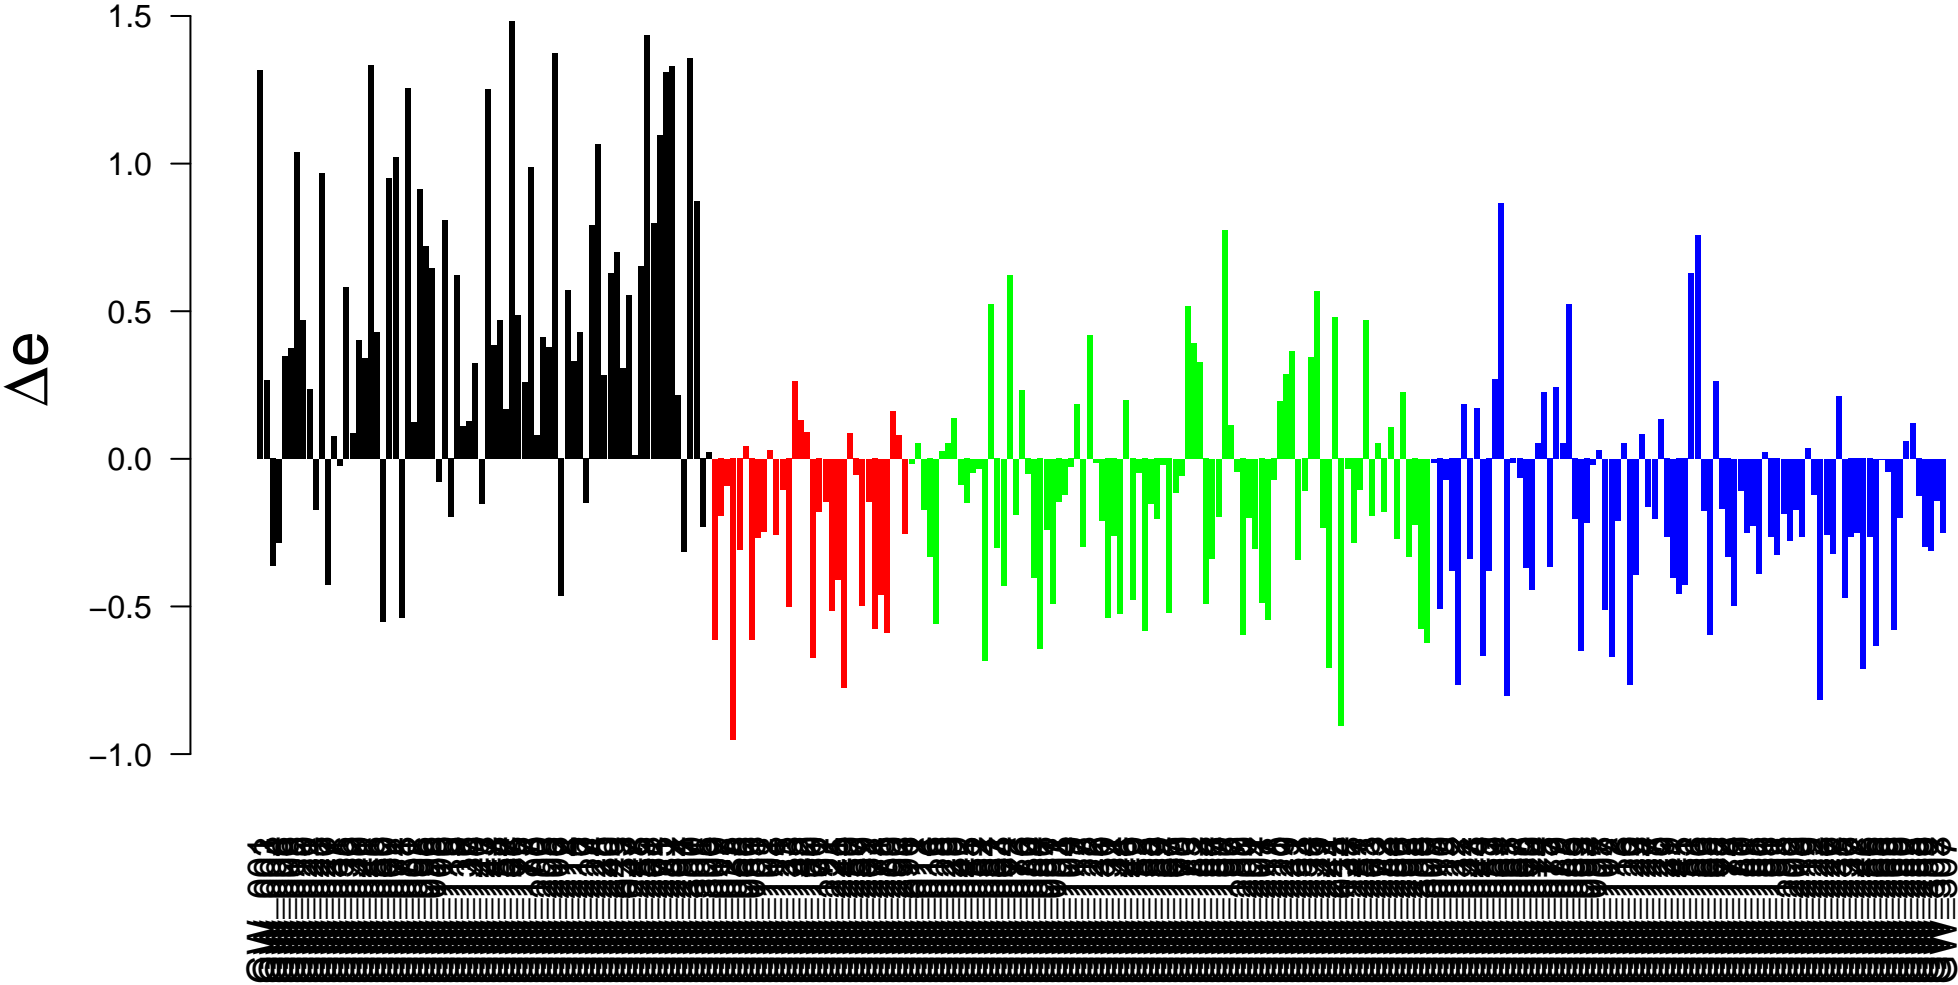

Expression of adaptive immune response in Spot F

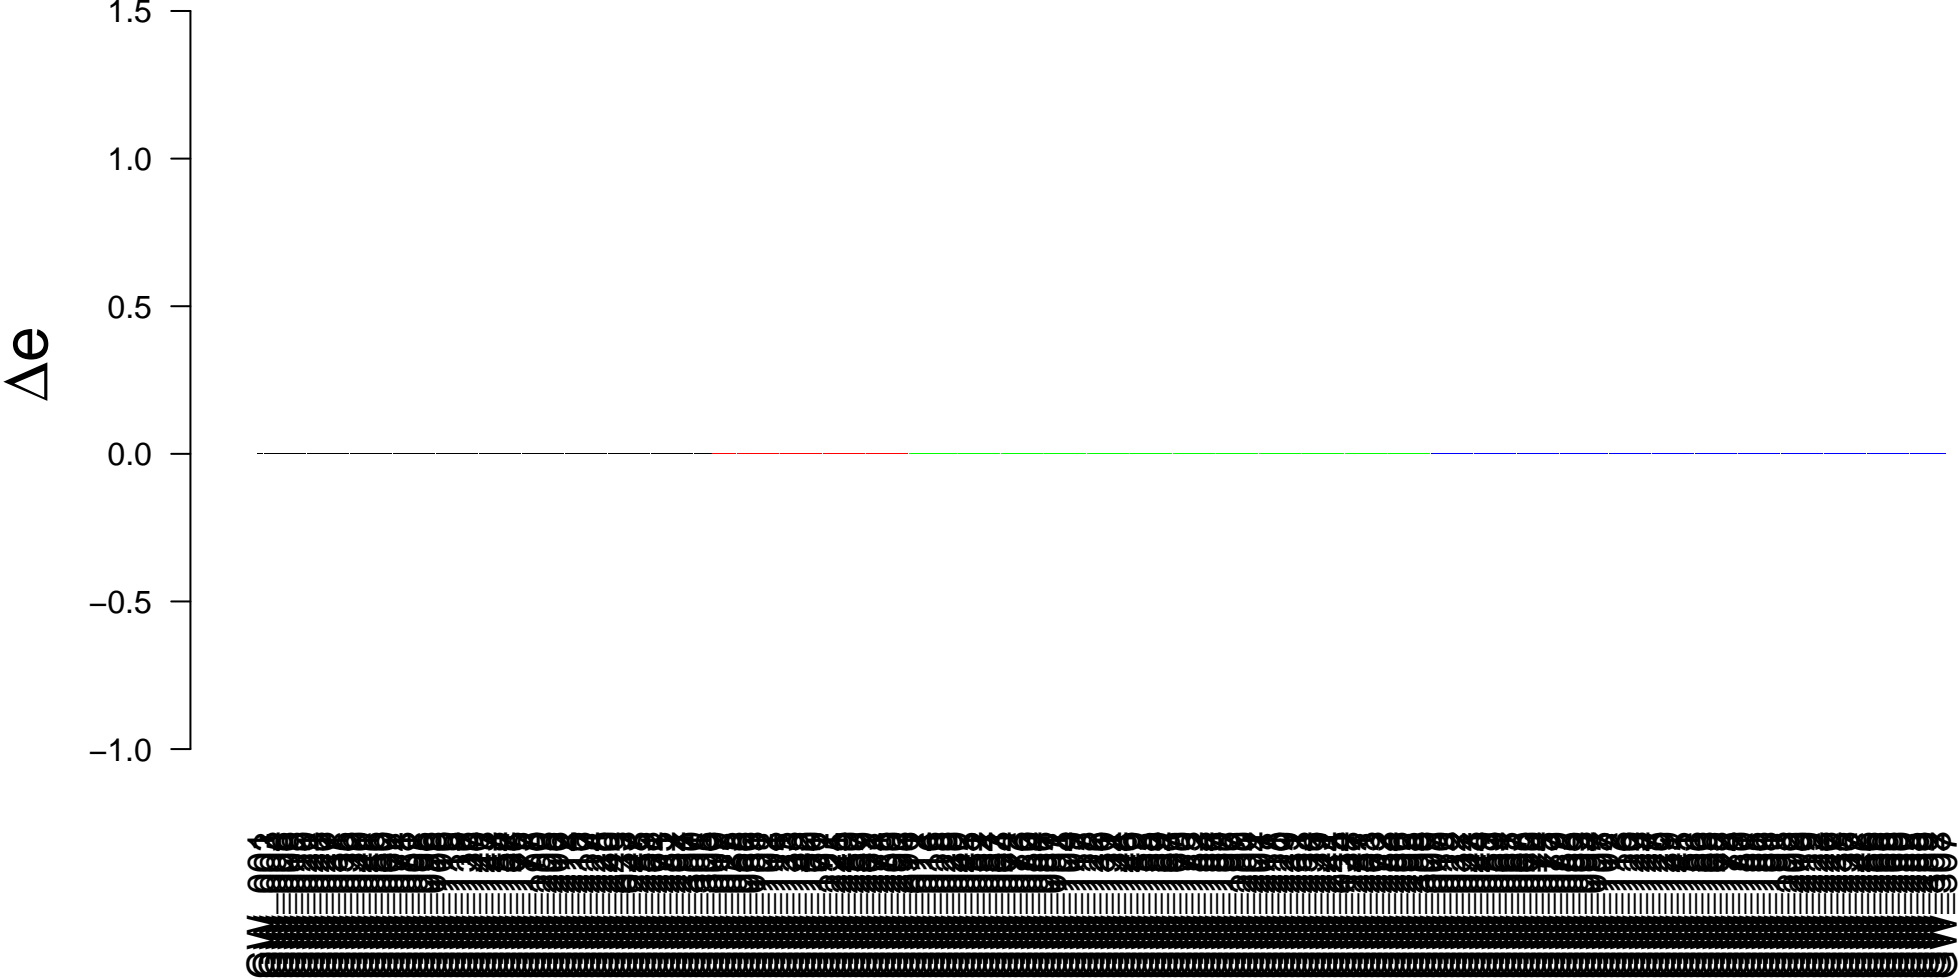

Δe

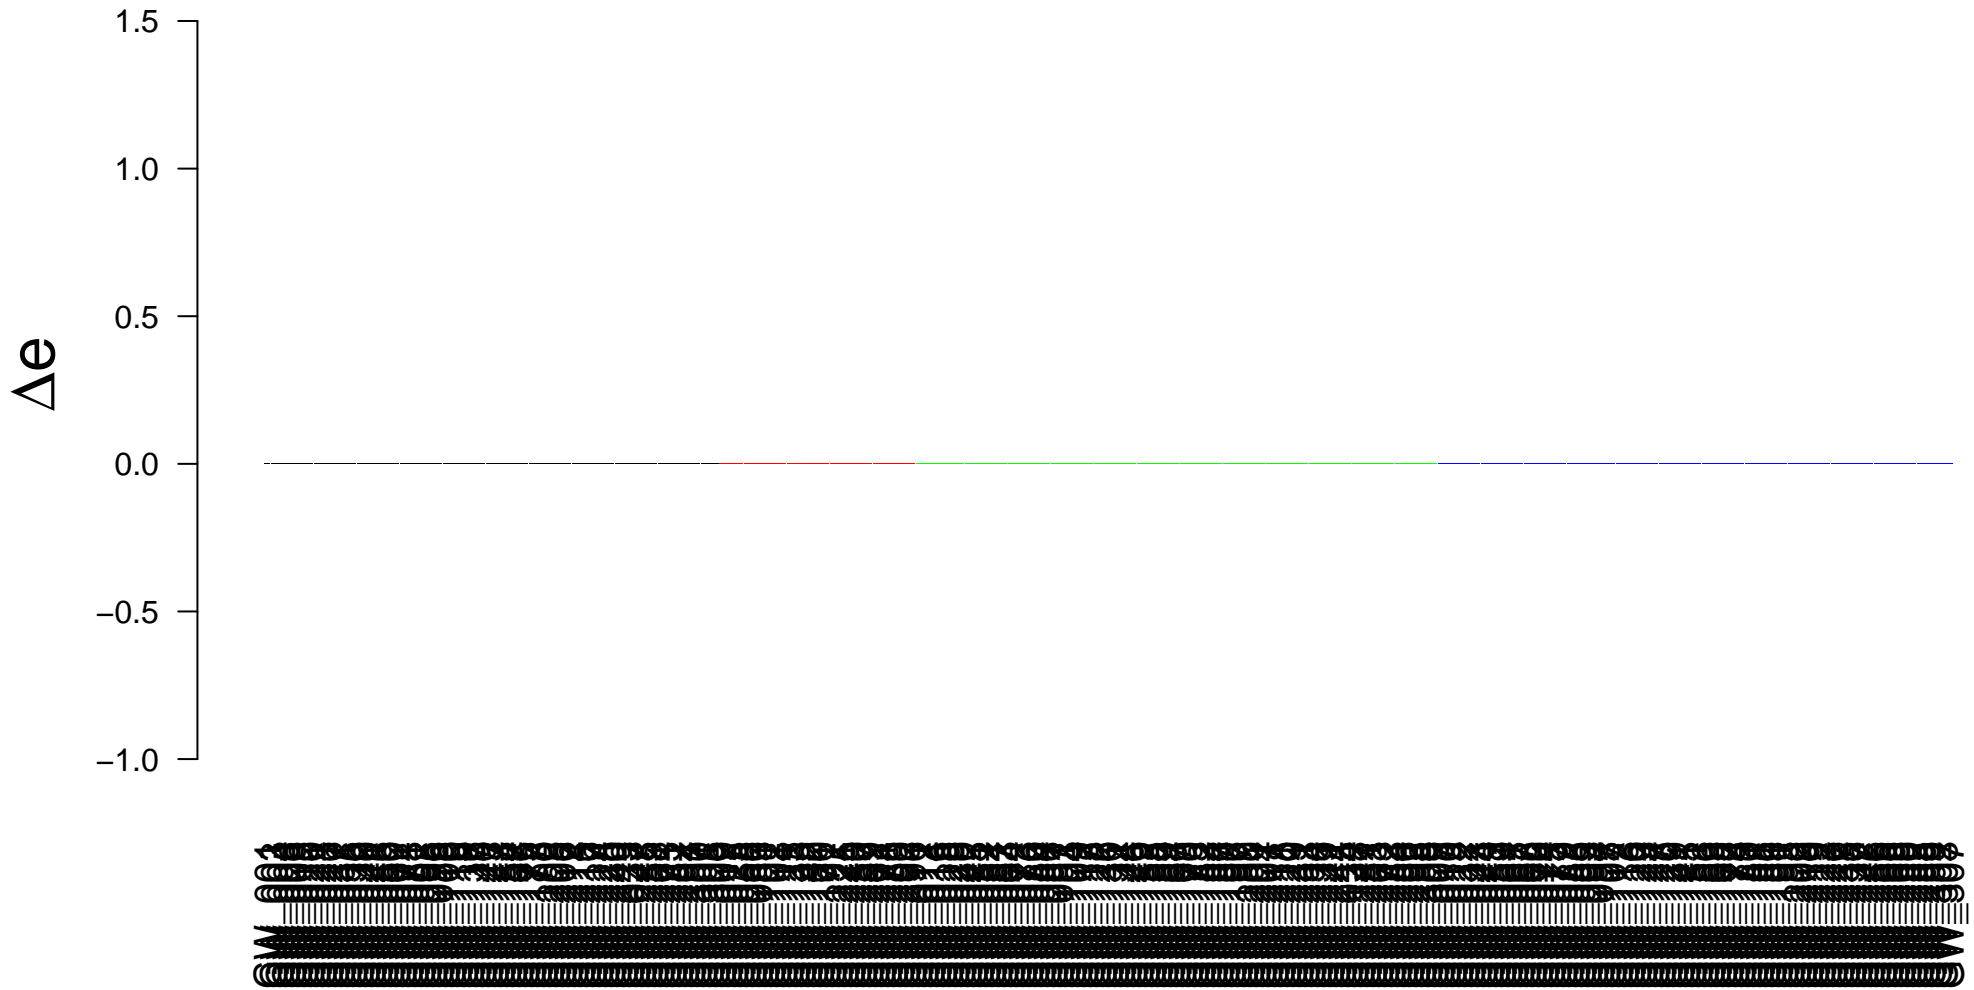

Expression of adaptive immune response in Spot G

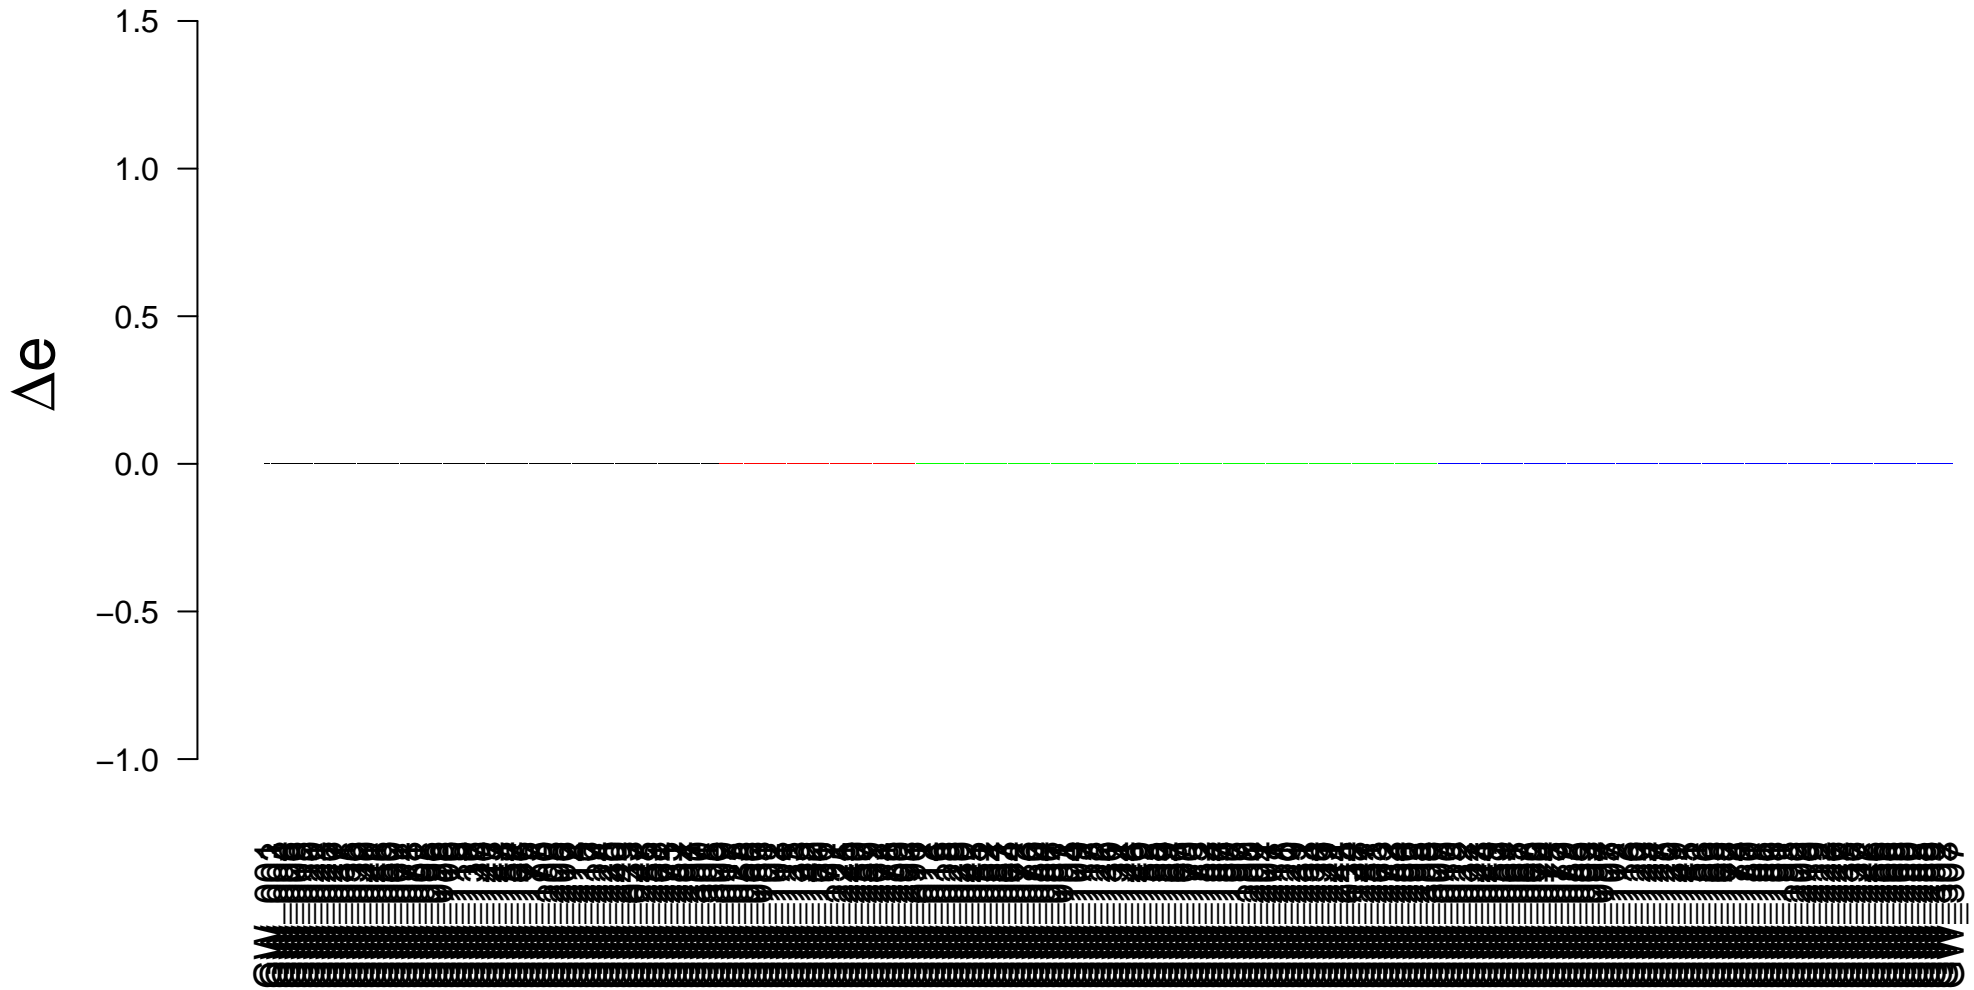

Expression of adaptive immune response in Spot H

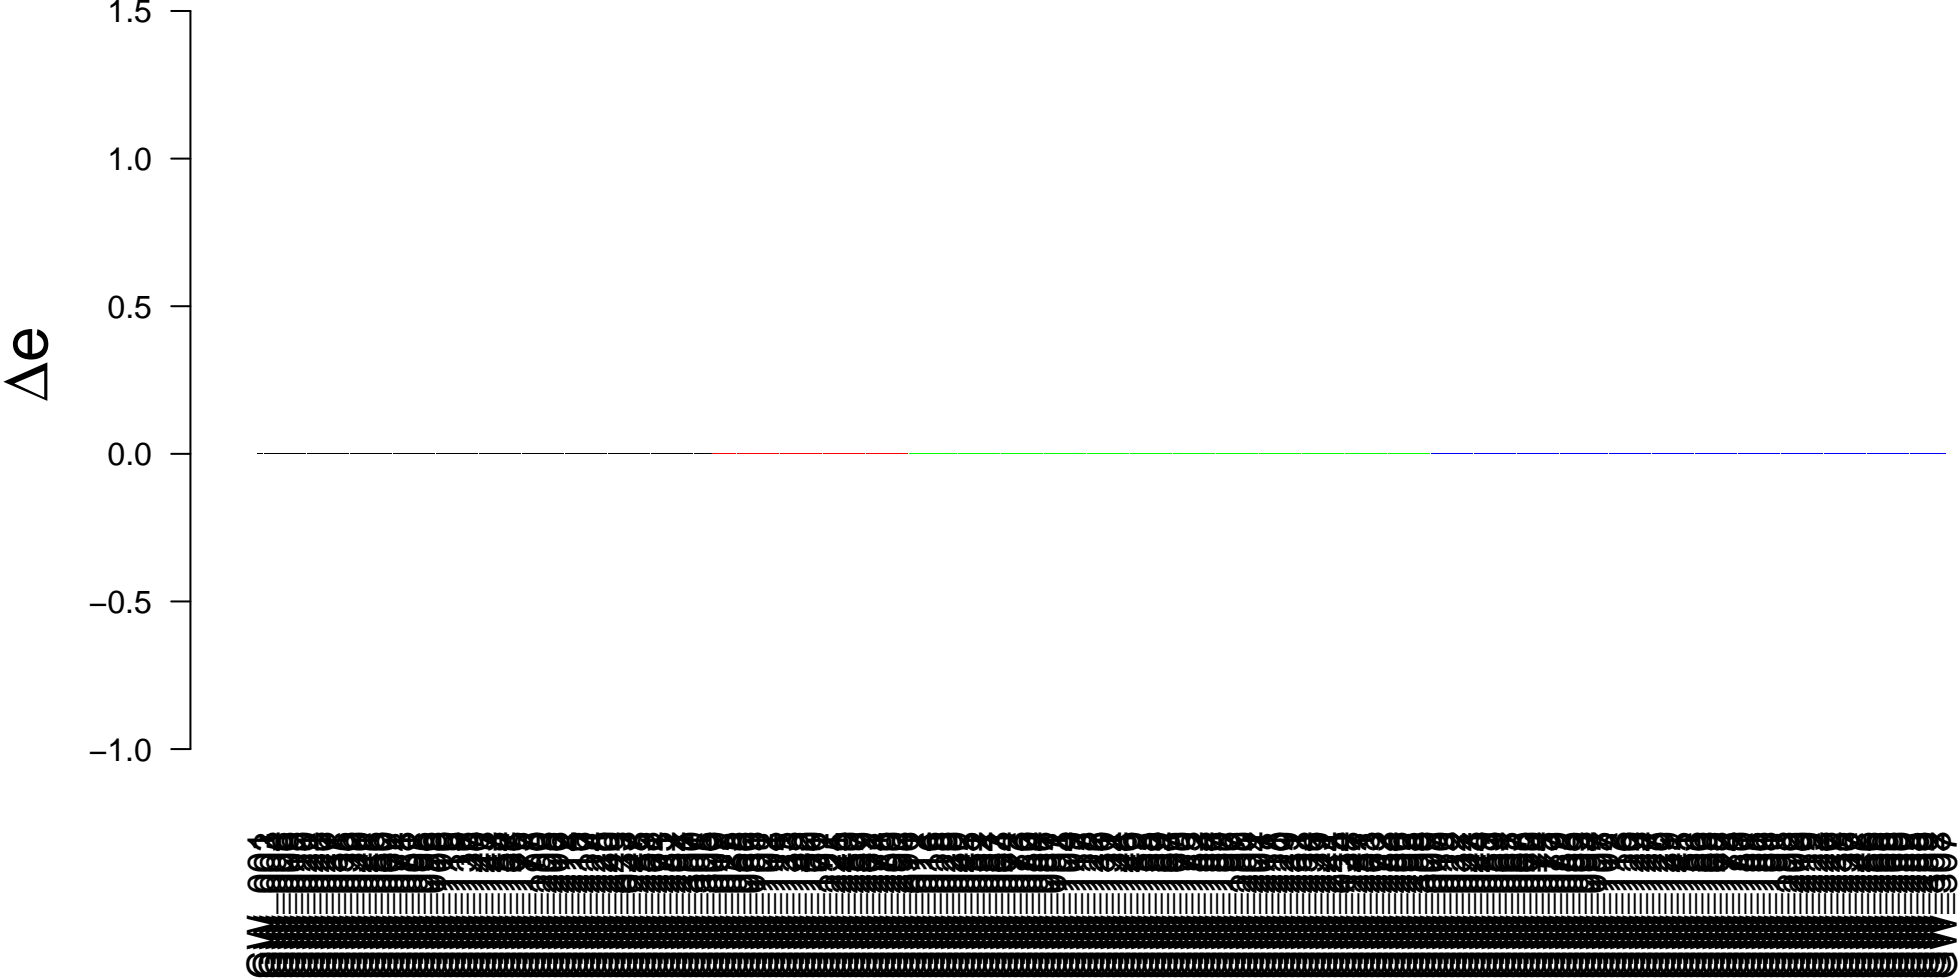

Expression of adaptive immune response in Spot I

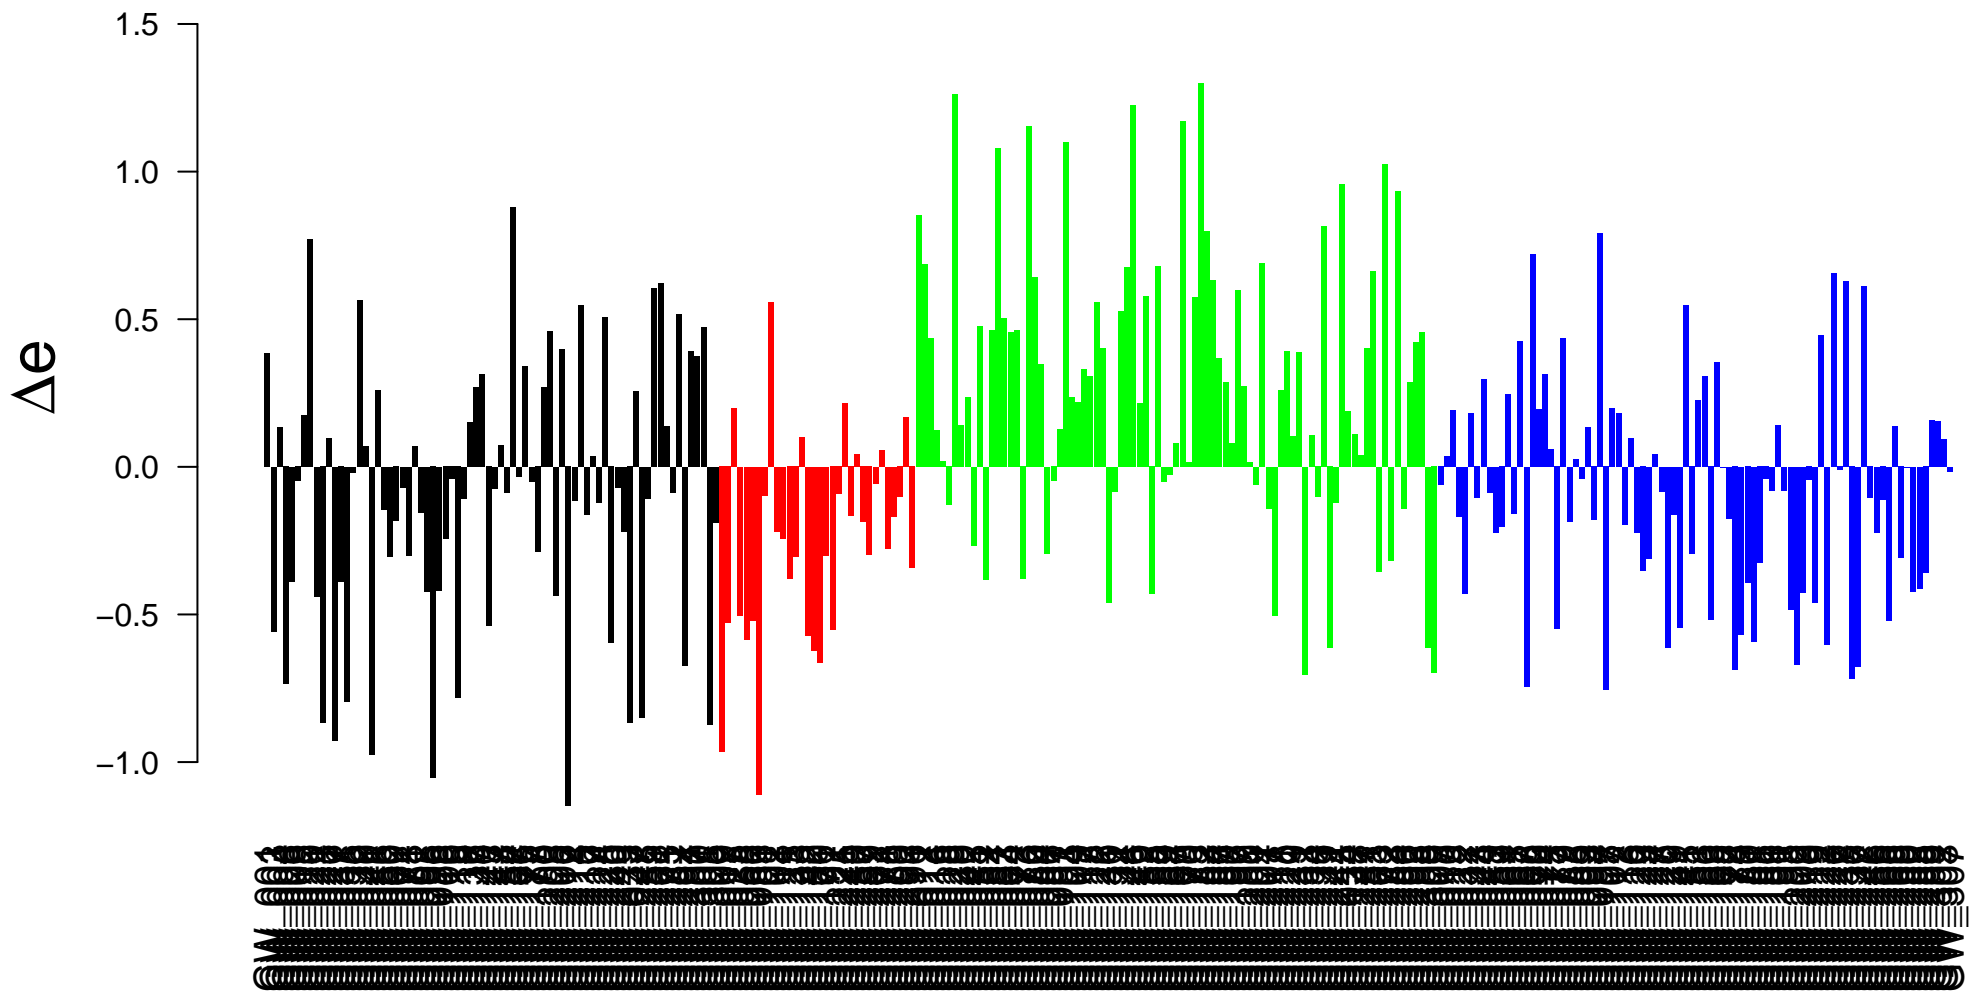

Expression of adaptive immune response in Spot J

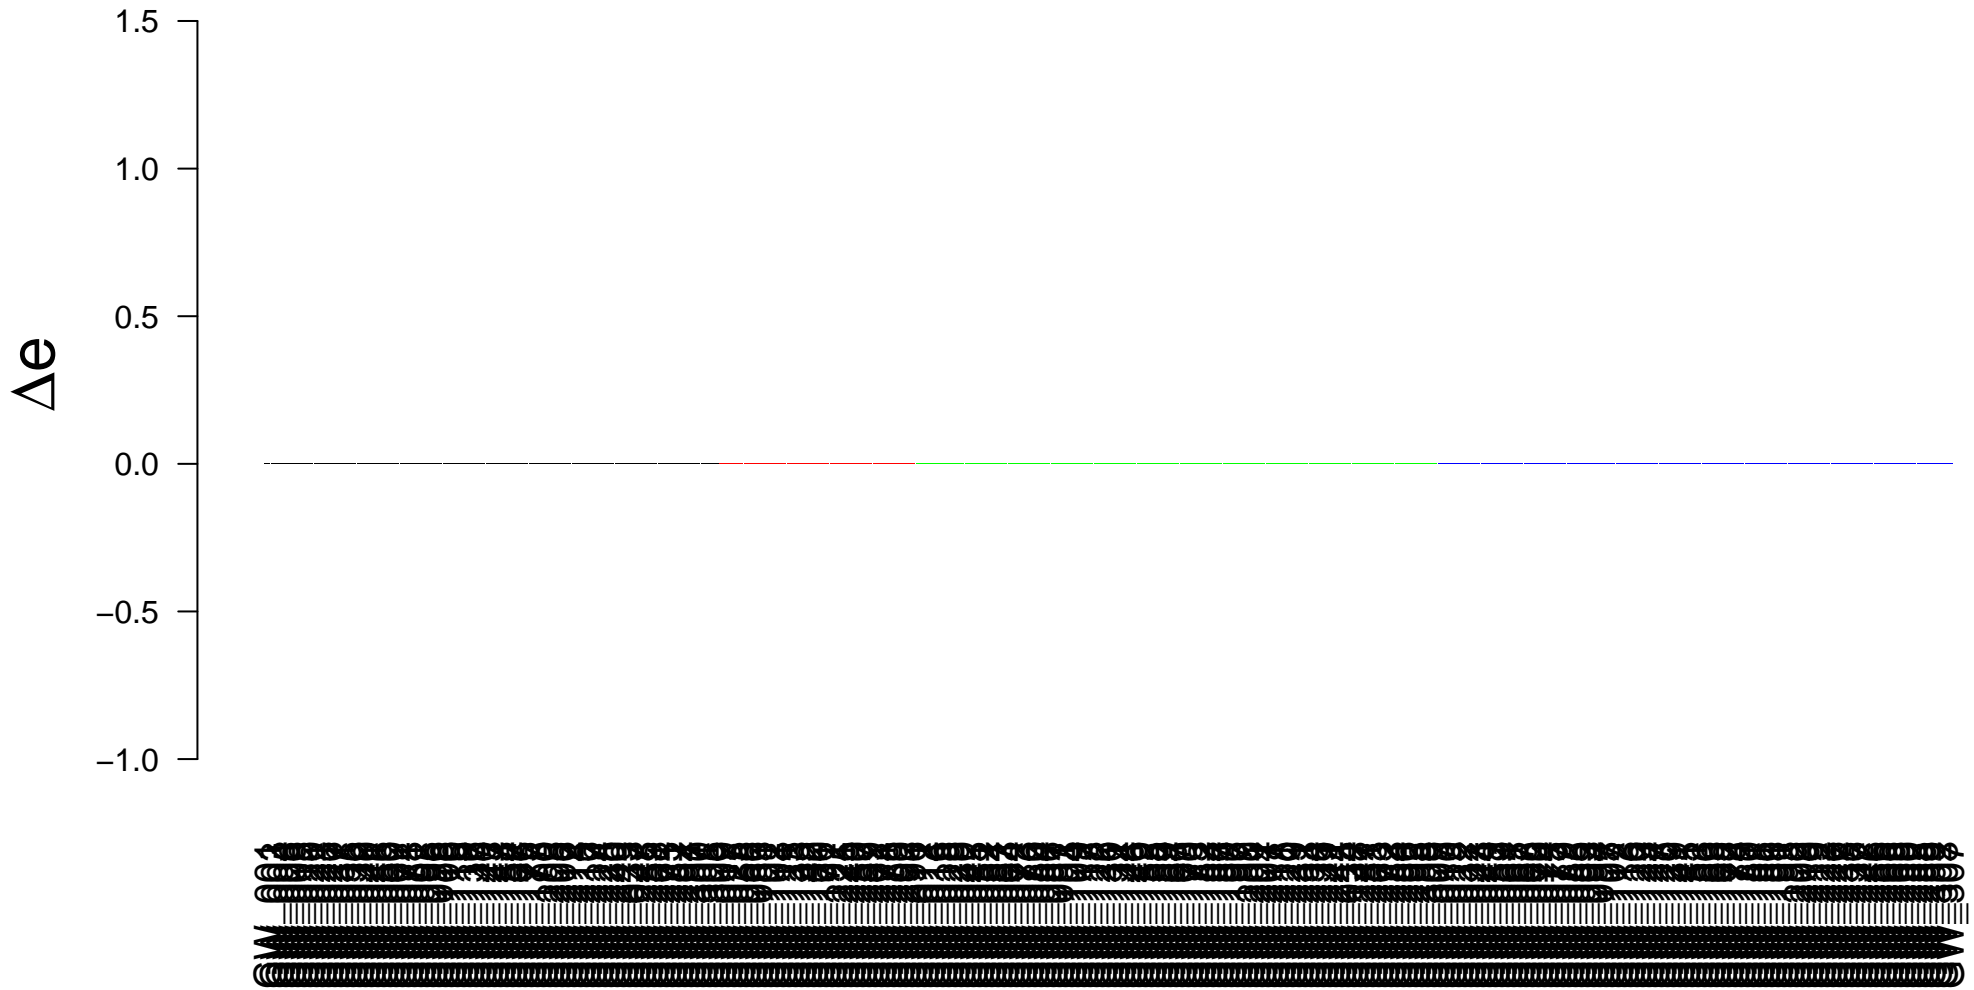

Expression of adaptive immune response in Spot K

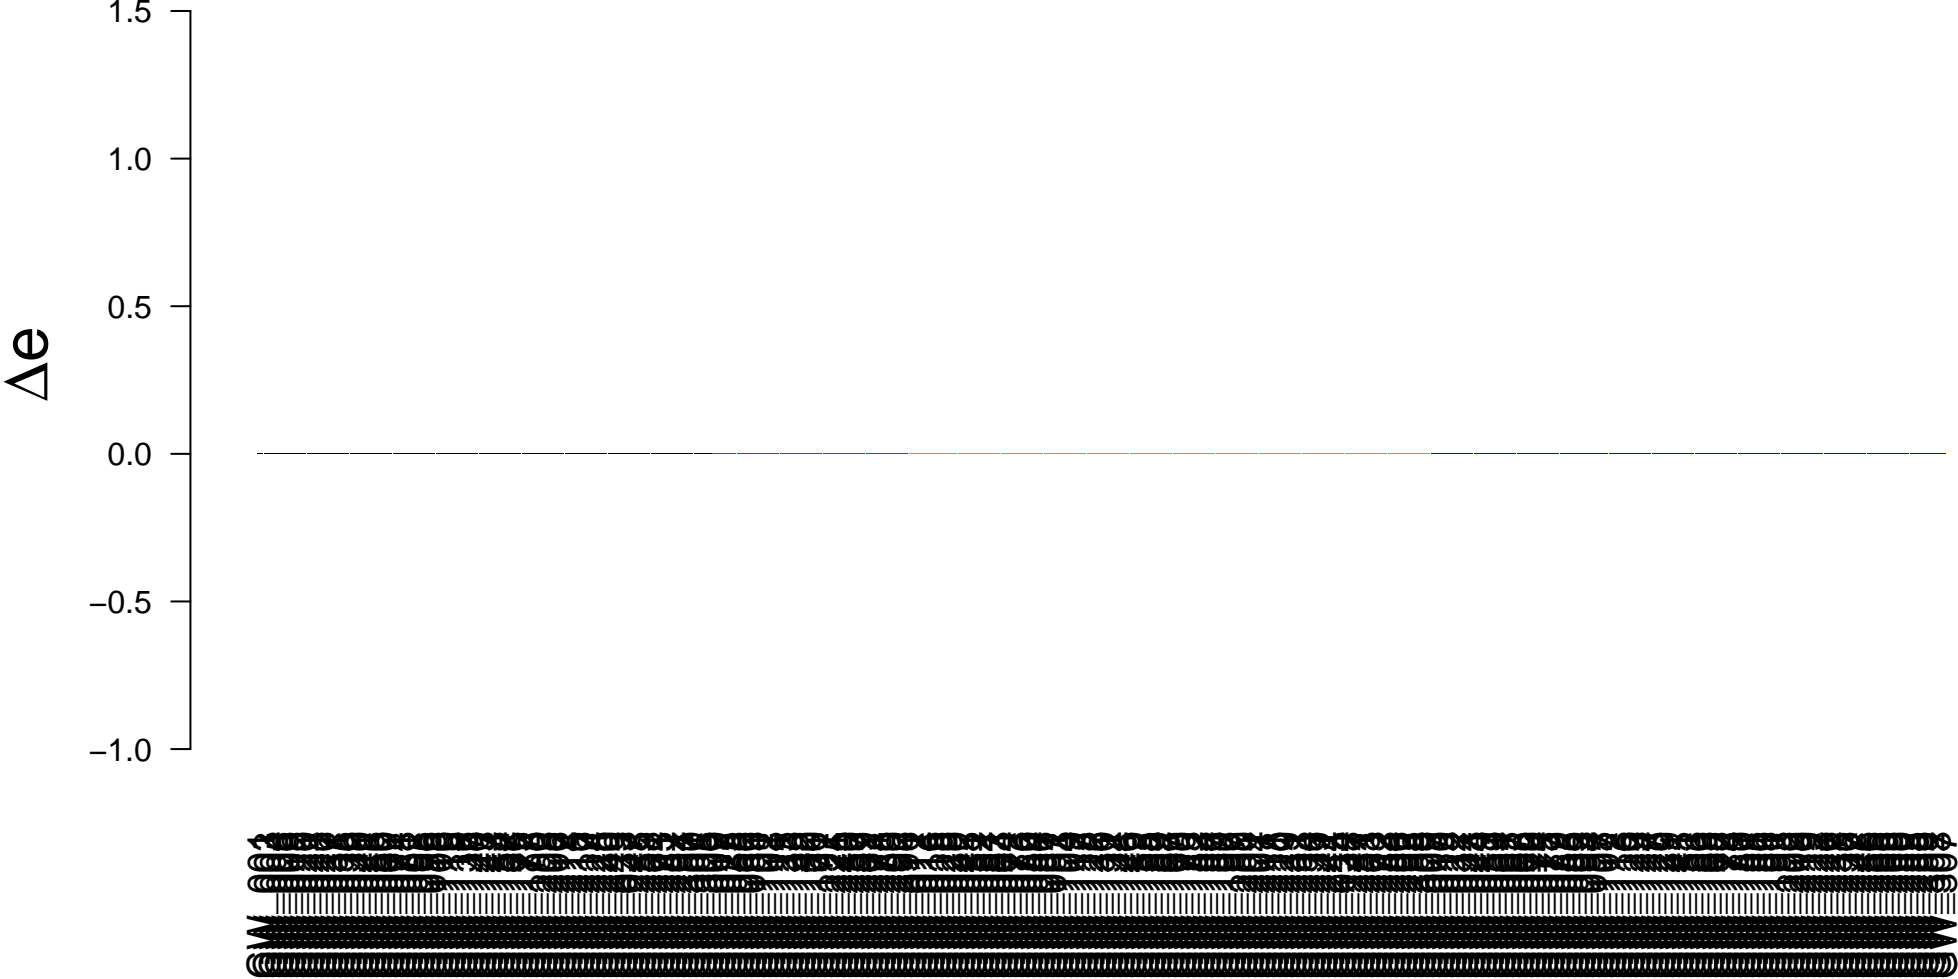

Expression of adaptive immune response in Spot L

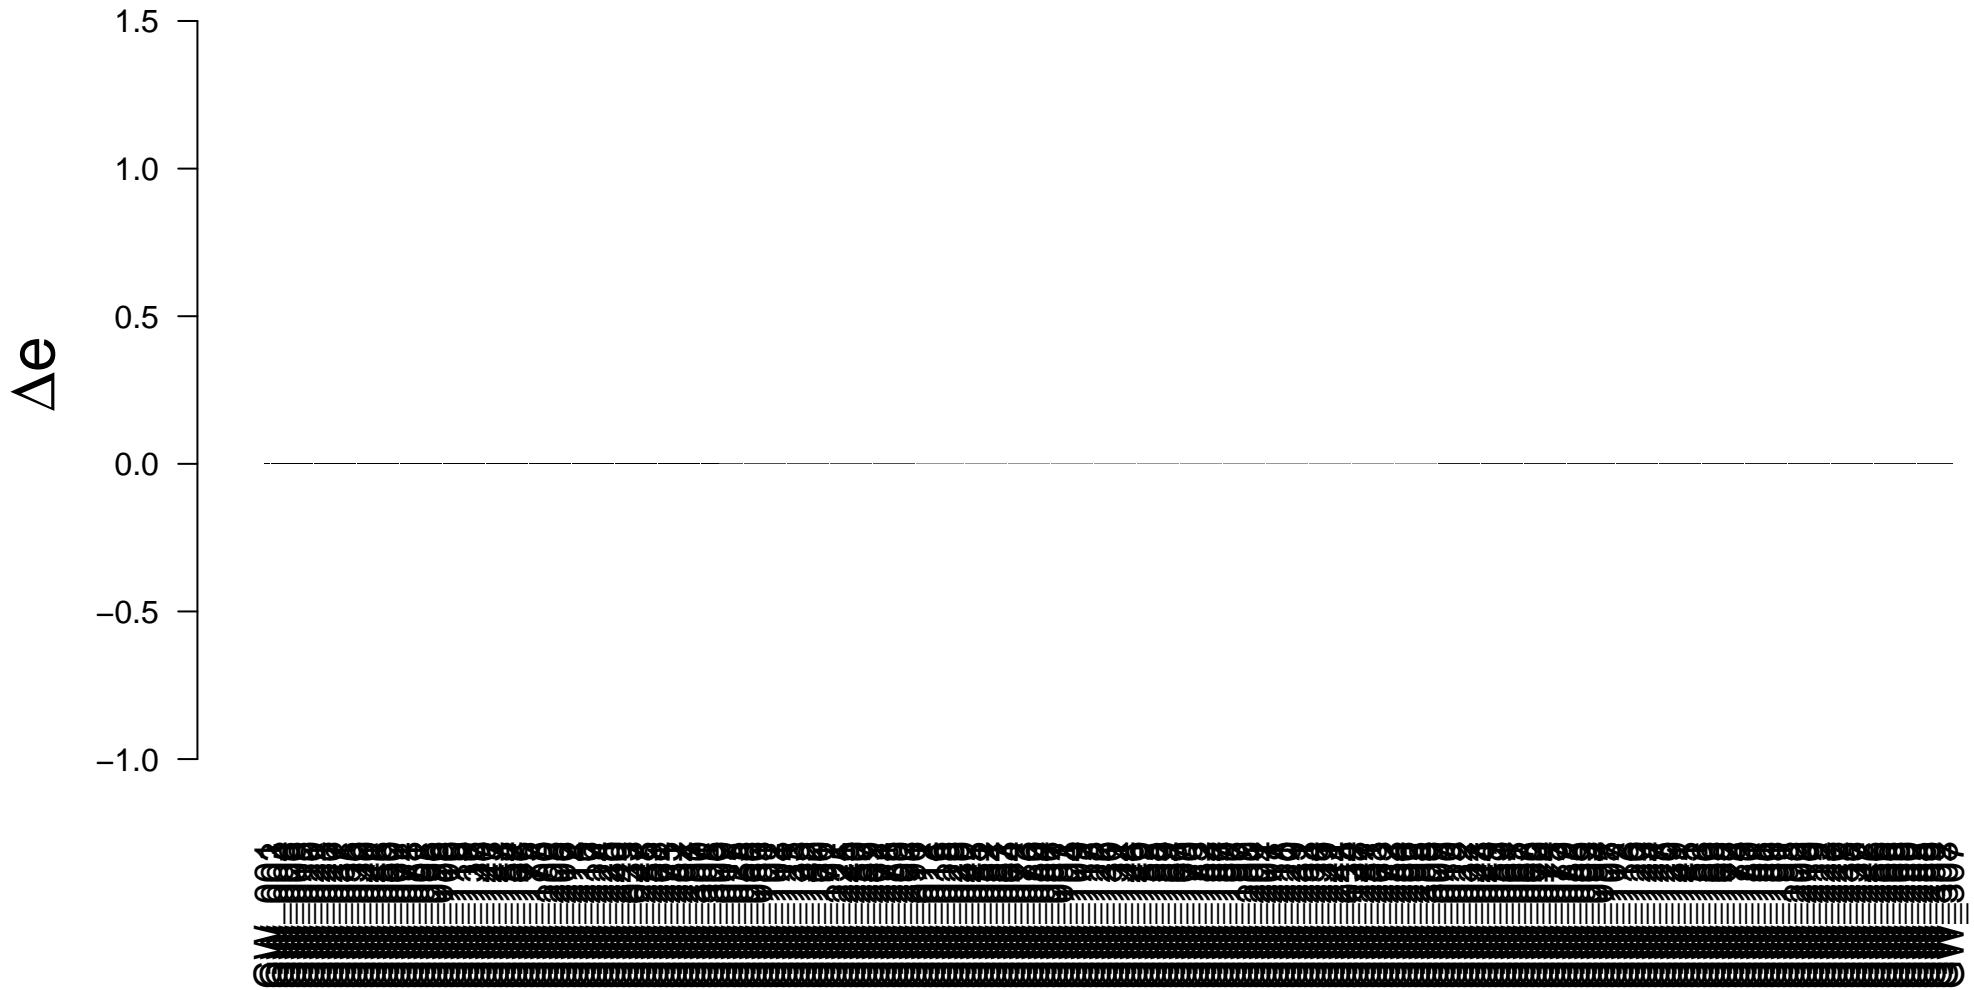

Expression of adaptive immune response in Spot M

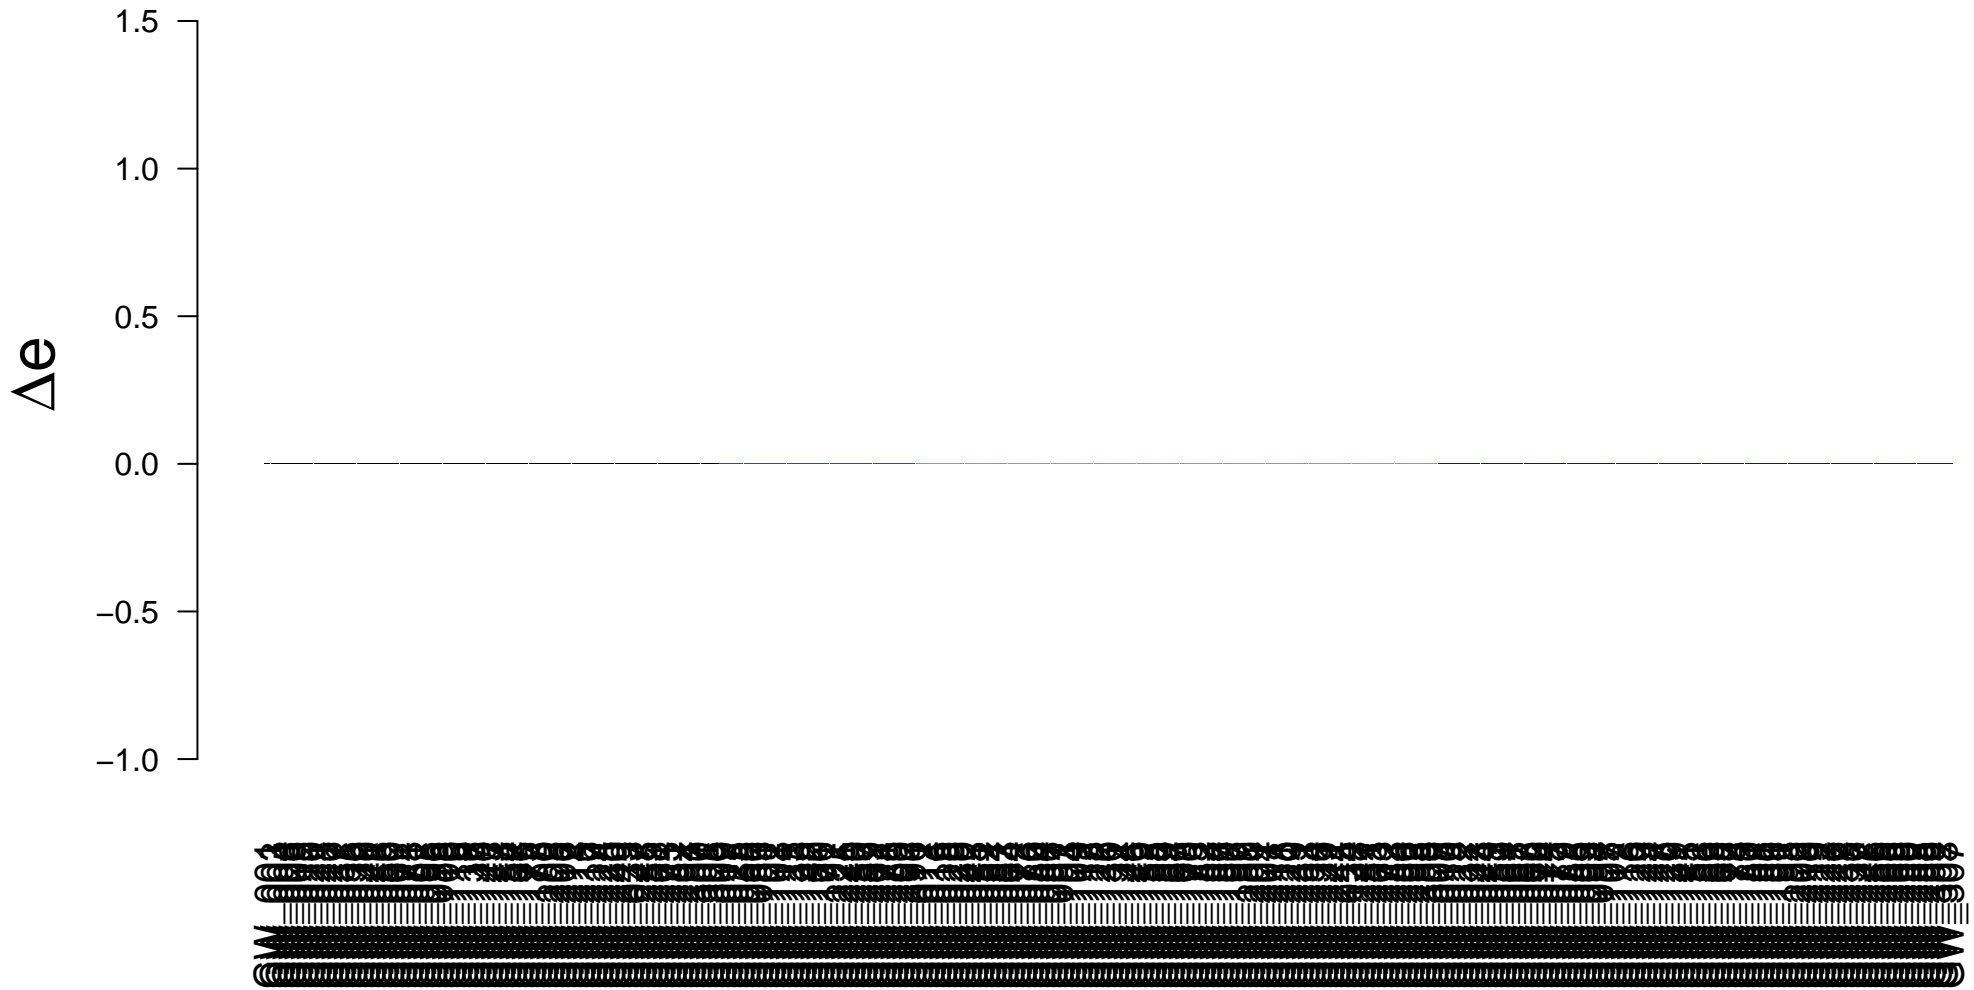

Expression of adaptive immune response in Spot N

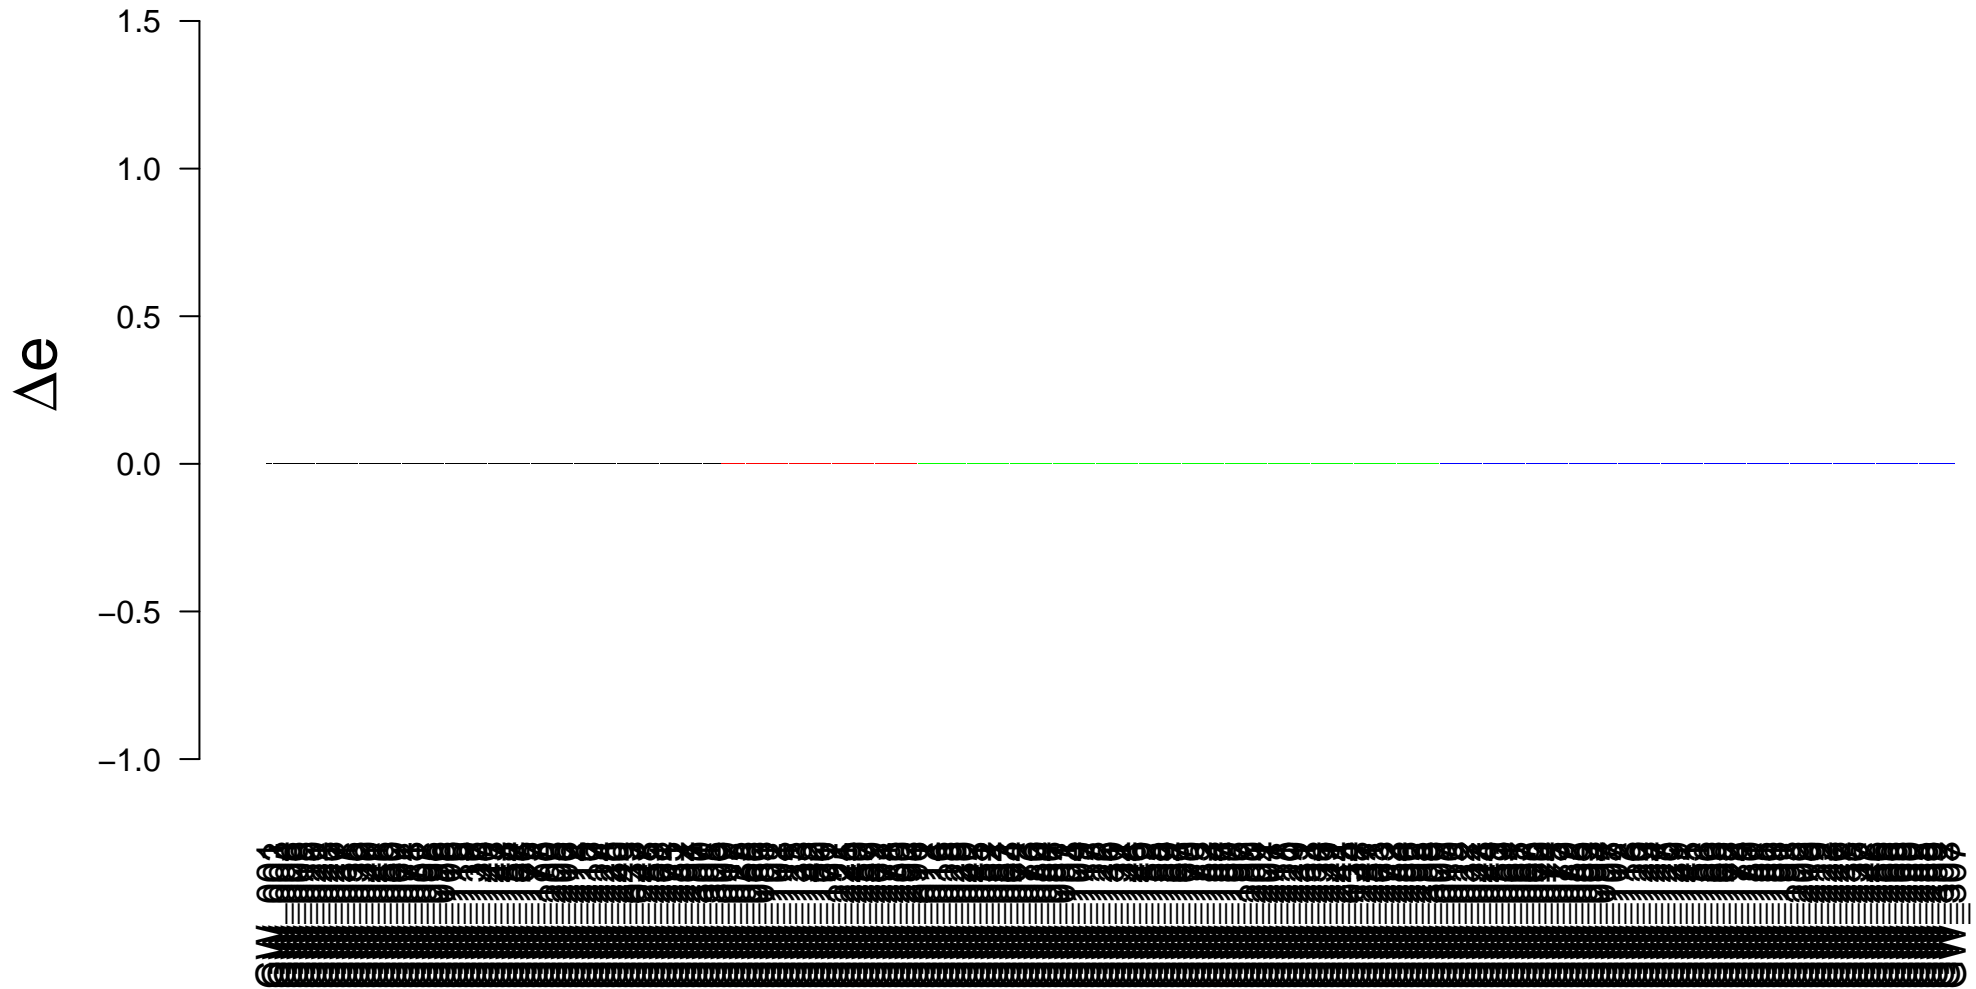

Expression of adaptive immune response in Spot O

Expression of adaptive immune response in Spot P

Expression of adaptive immune response in Spot Q

Expression of adaptive immune response in Spot R
