

adenyl nucleotide binding

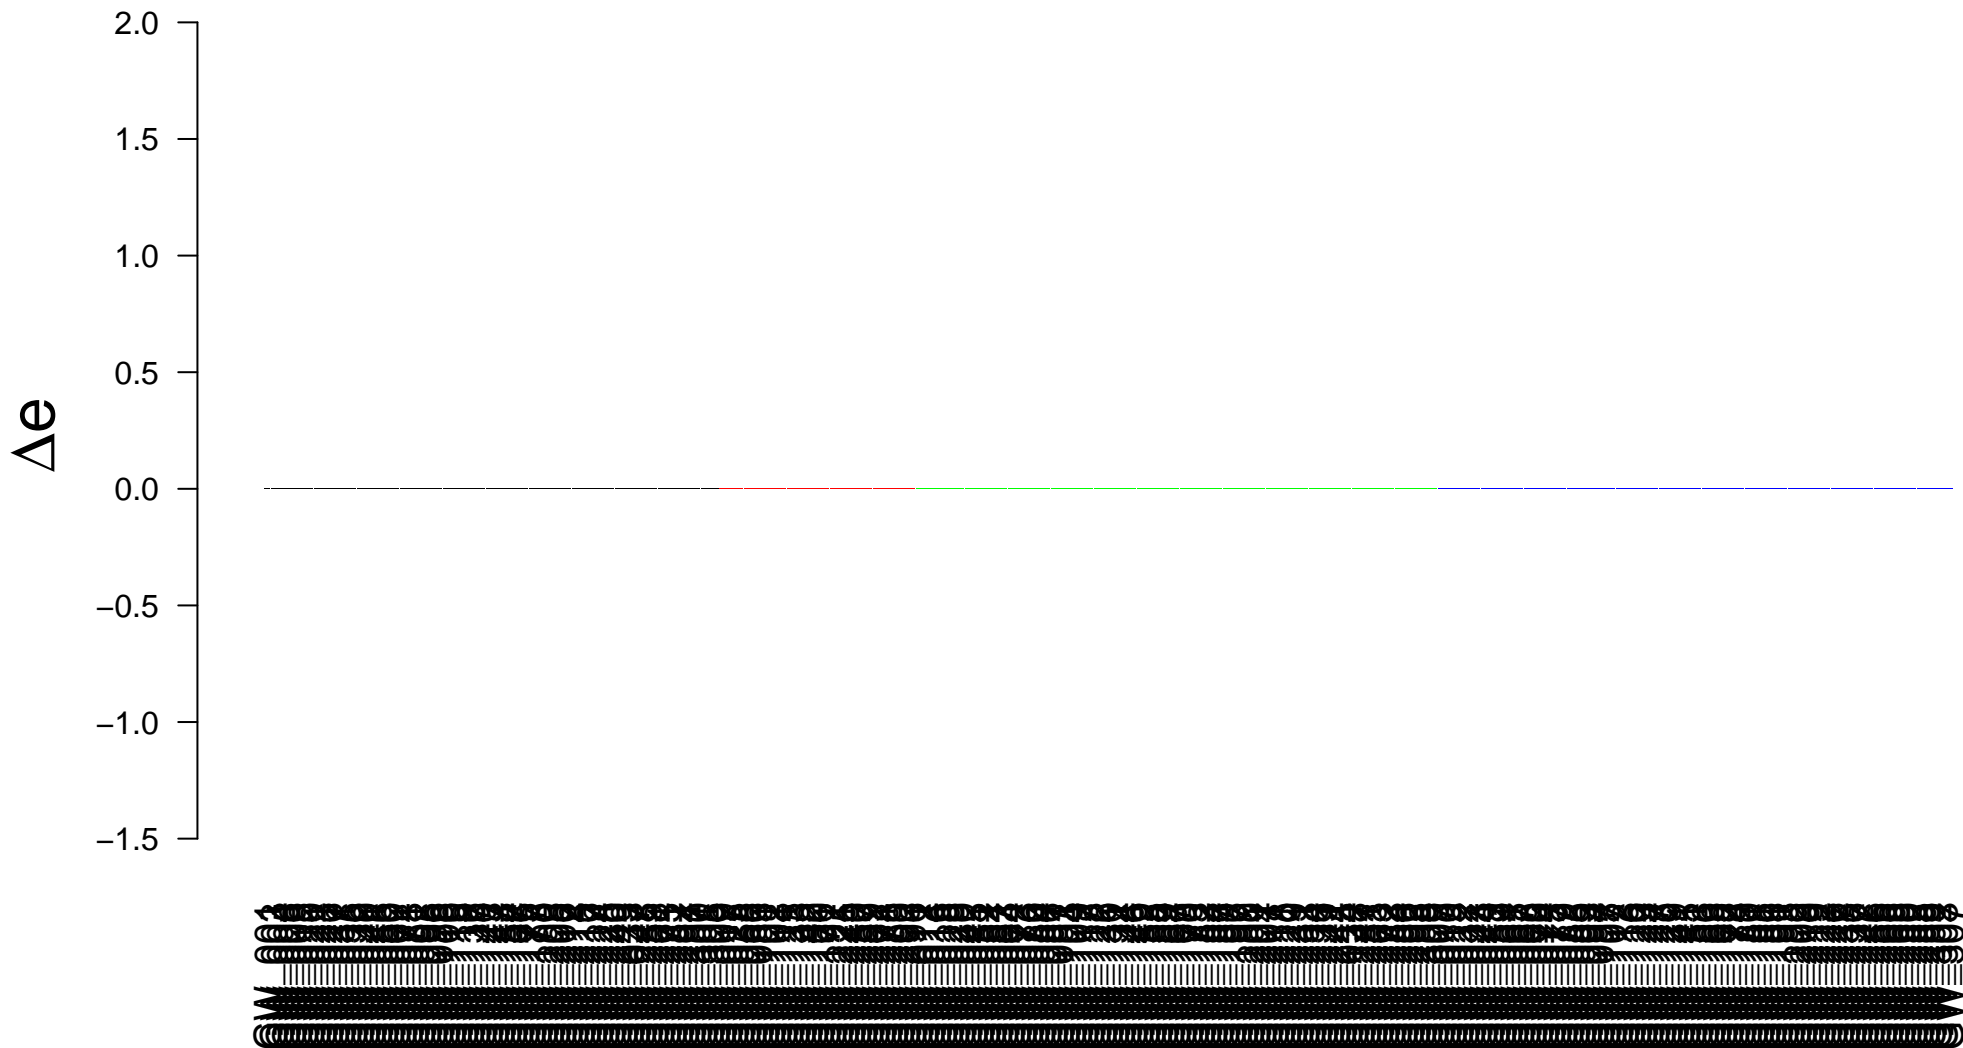

adenyl nucleotide binding

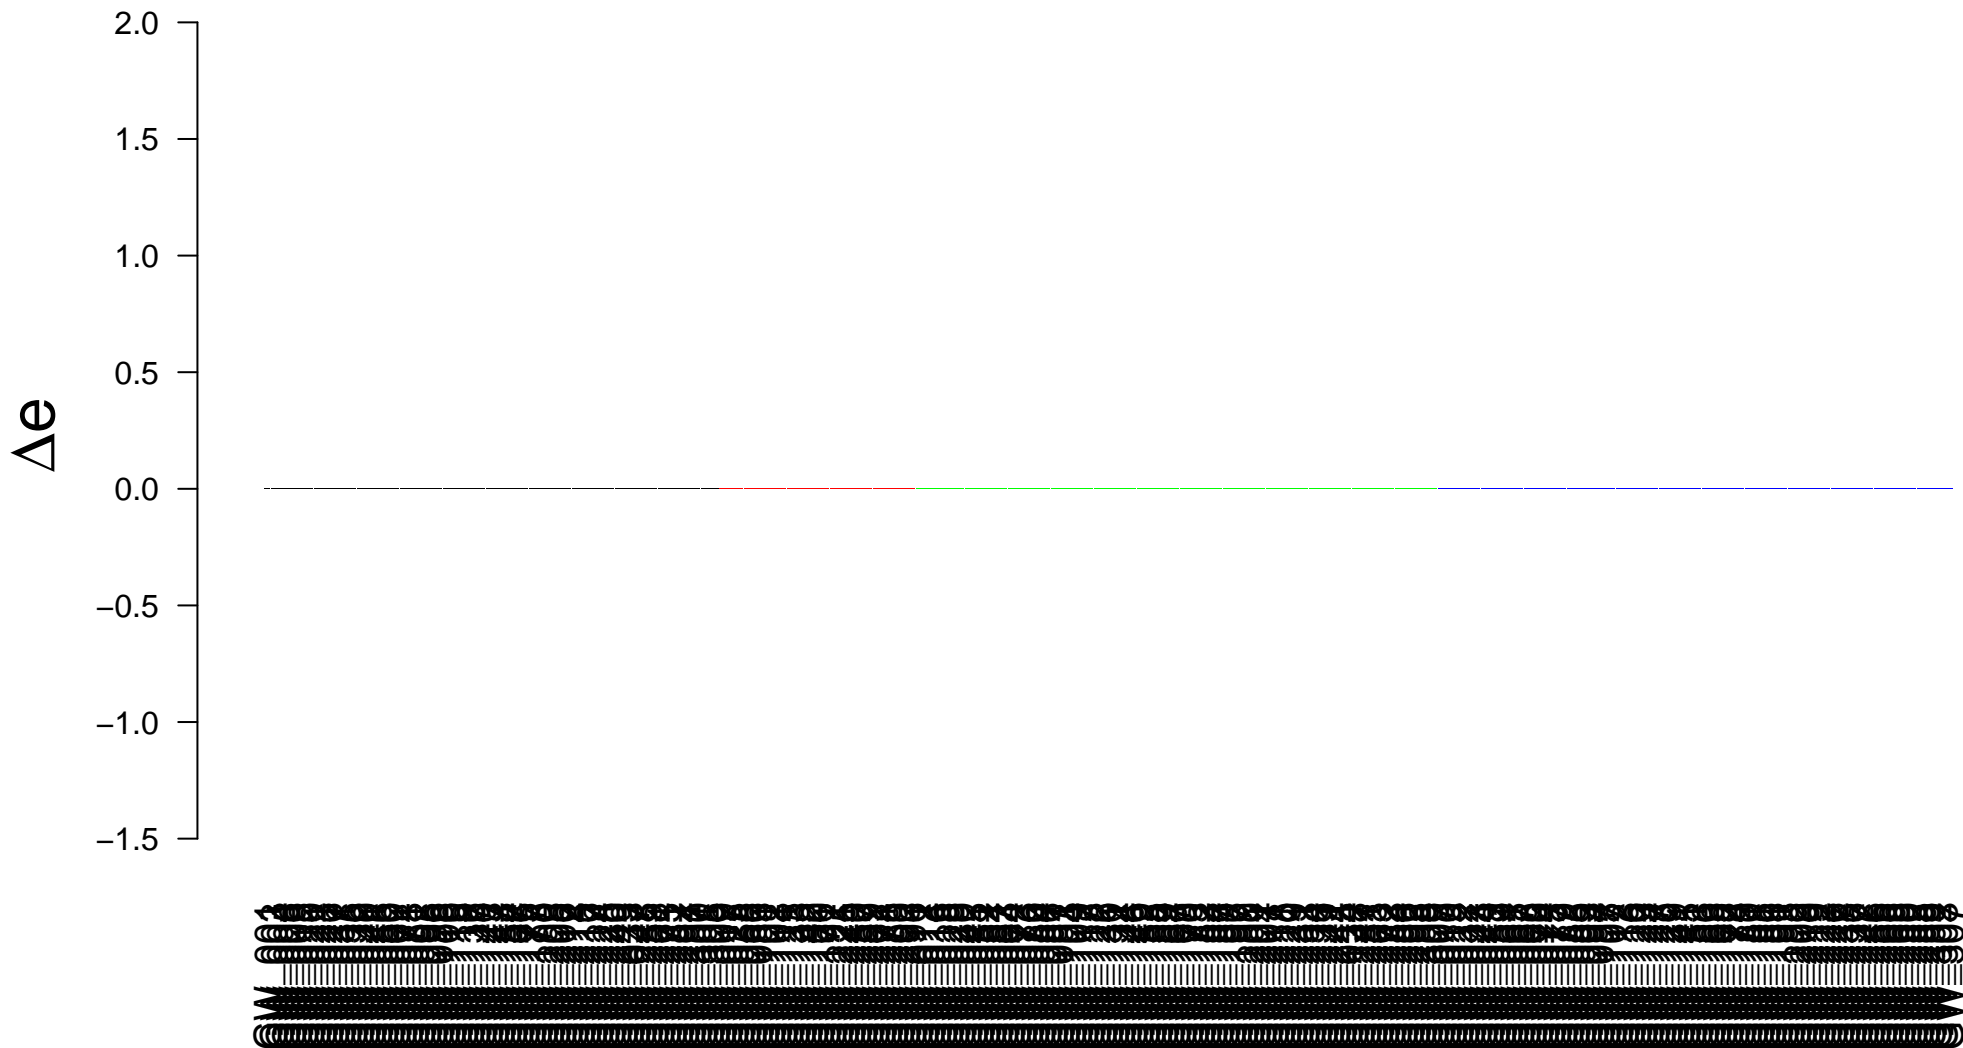

Enrichment in spots: adenyly nucleotide binding

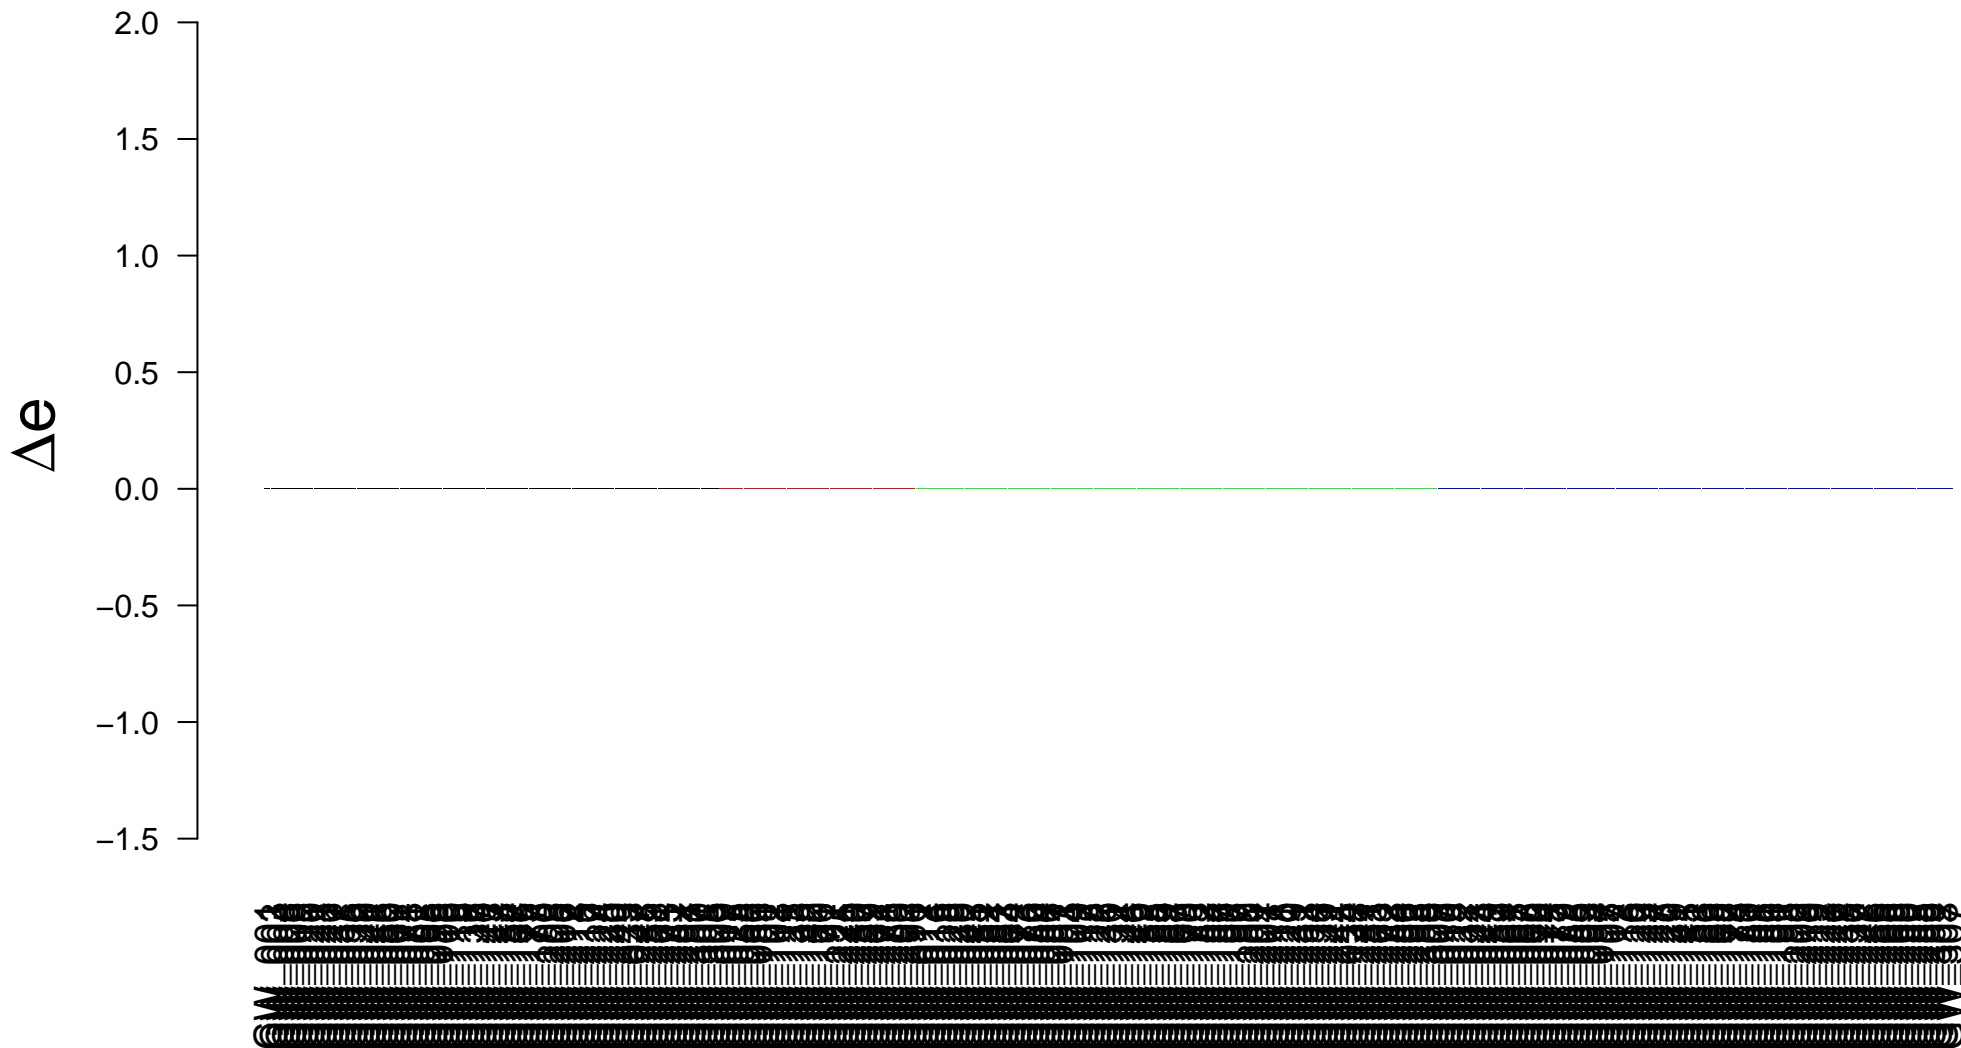

Expression of adenyly nucleotide binding in Spot A

Expression of adenyly nucleotide binding in Spot B

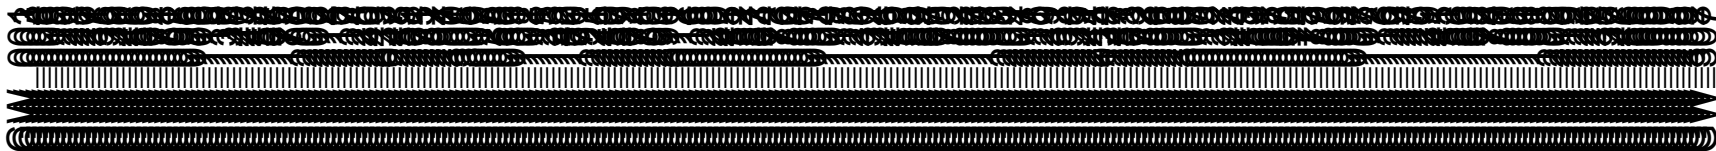

Expression of adenyly nucleotide binding in Spot C

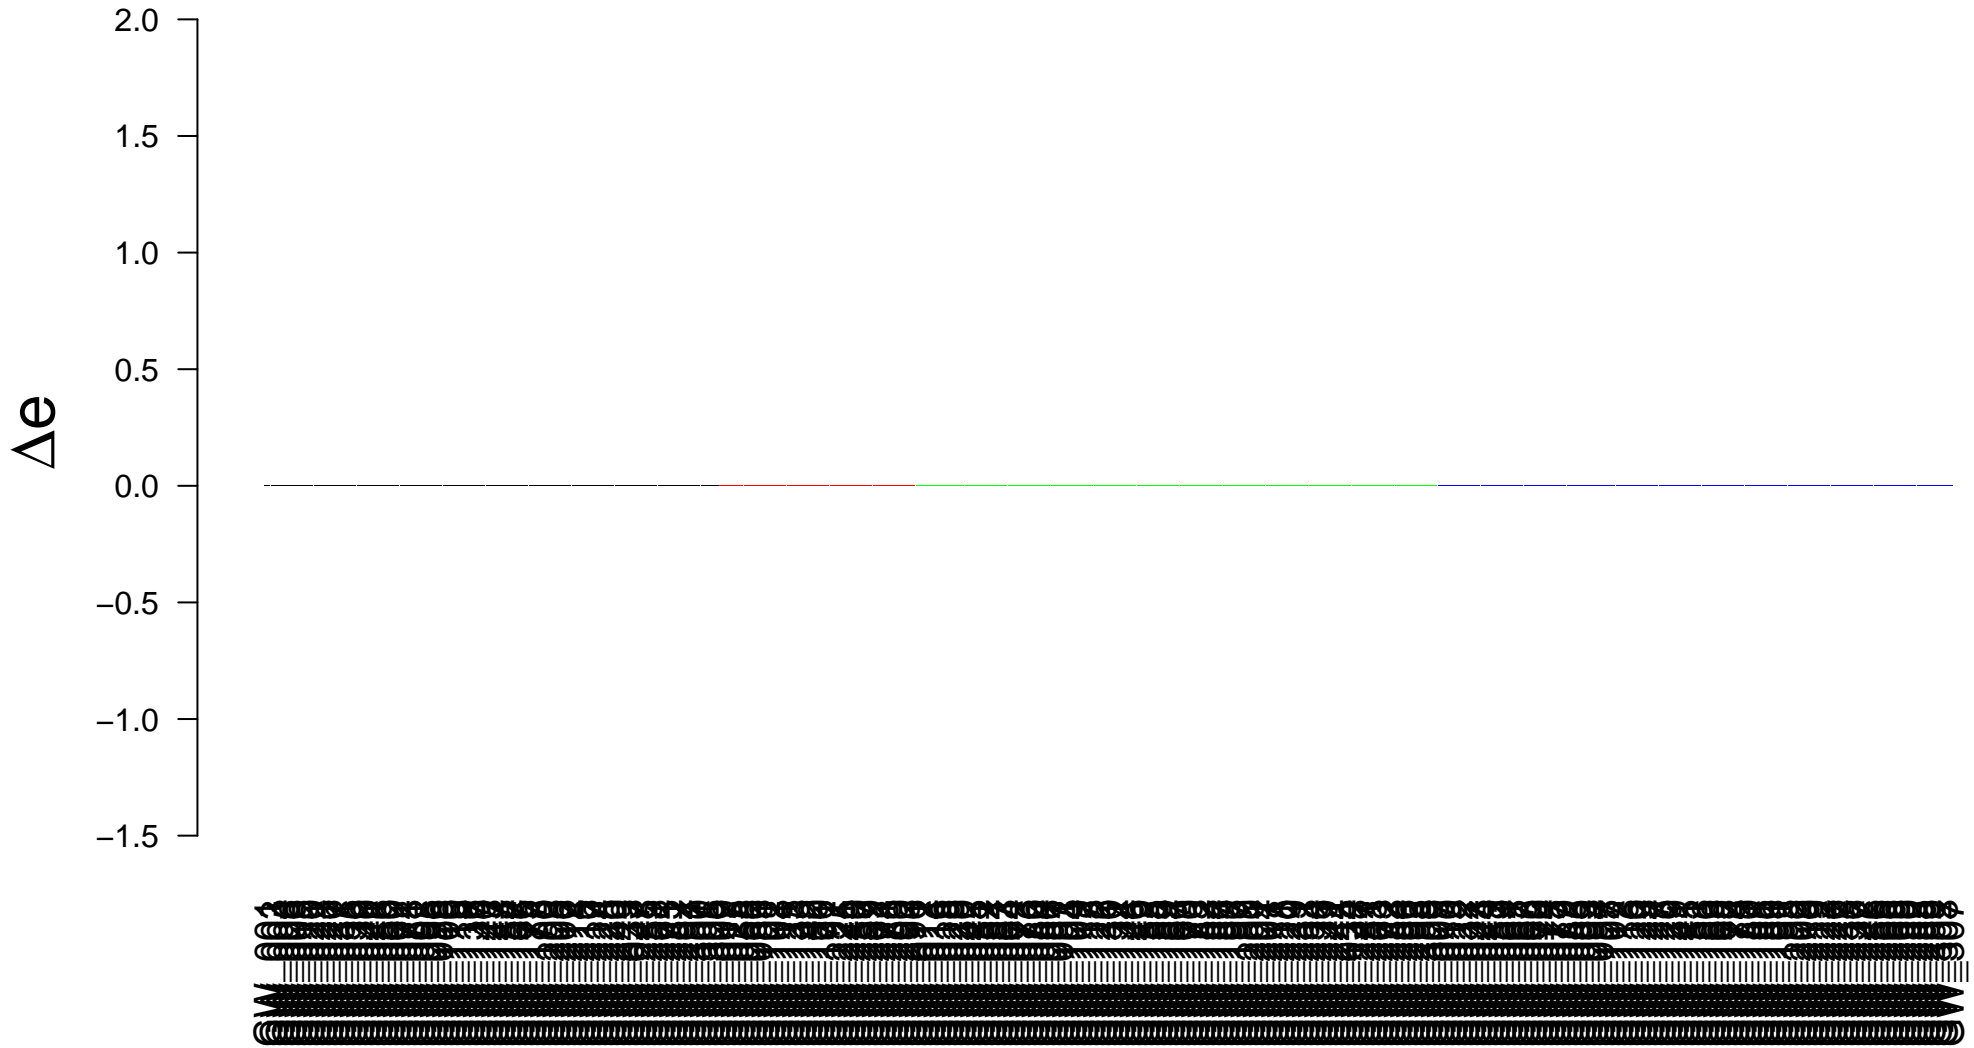

Expression of adenyly nucleotide binding in Spot D

Expression of adenyly nucleotide binding in Spot L

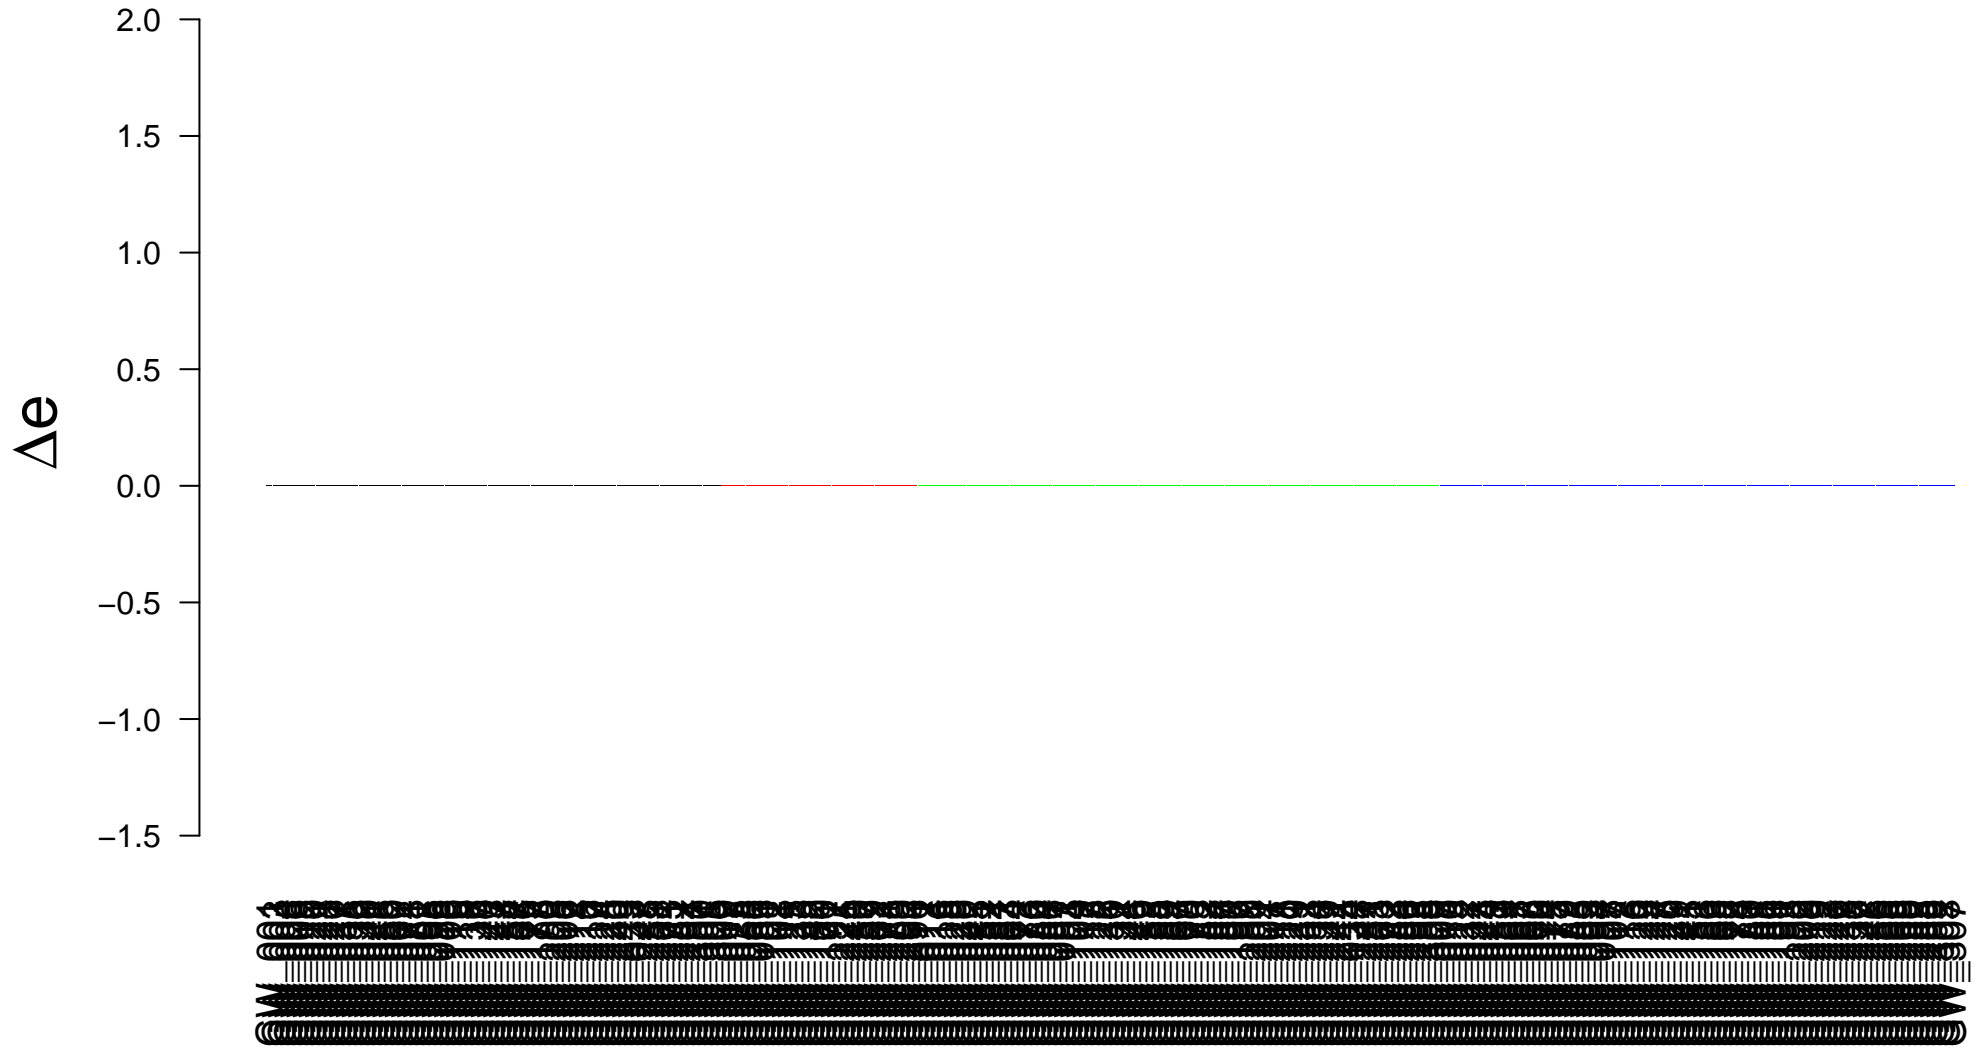

Expression of adenyly nucleotide binding in Spot M

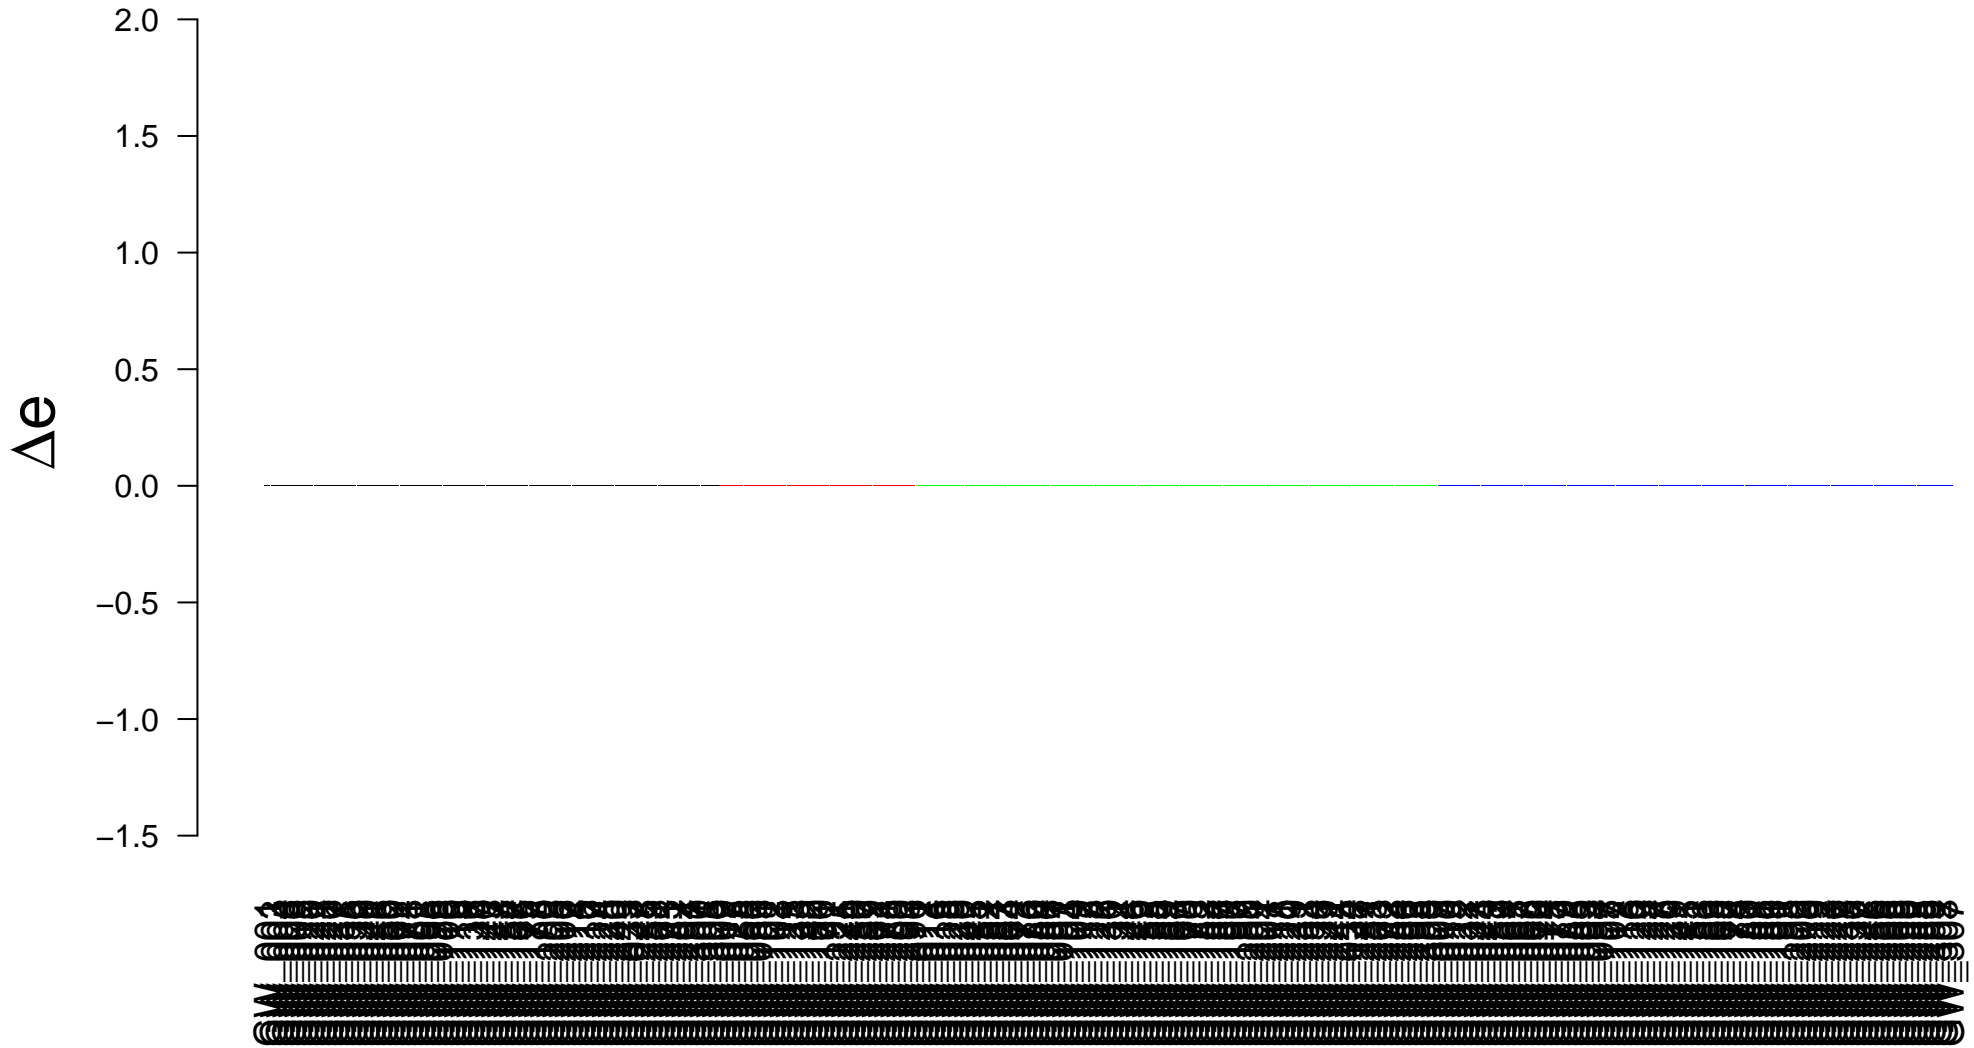

Expression of adenyly nucleotide binding in Spot N

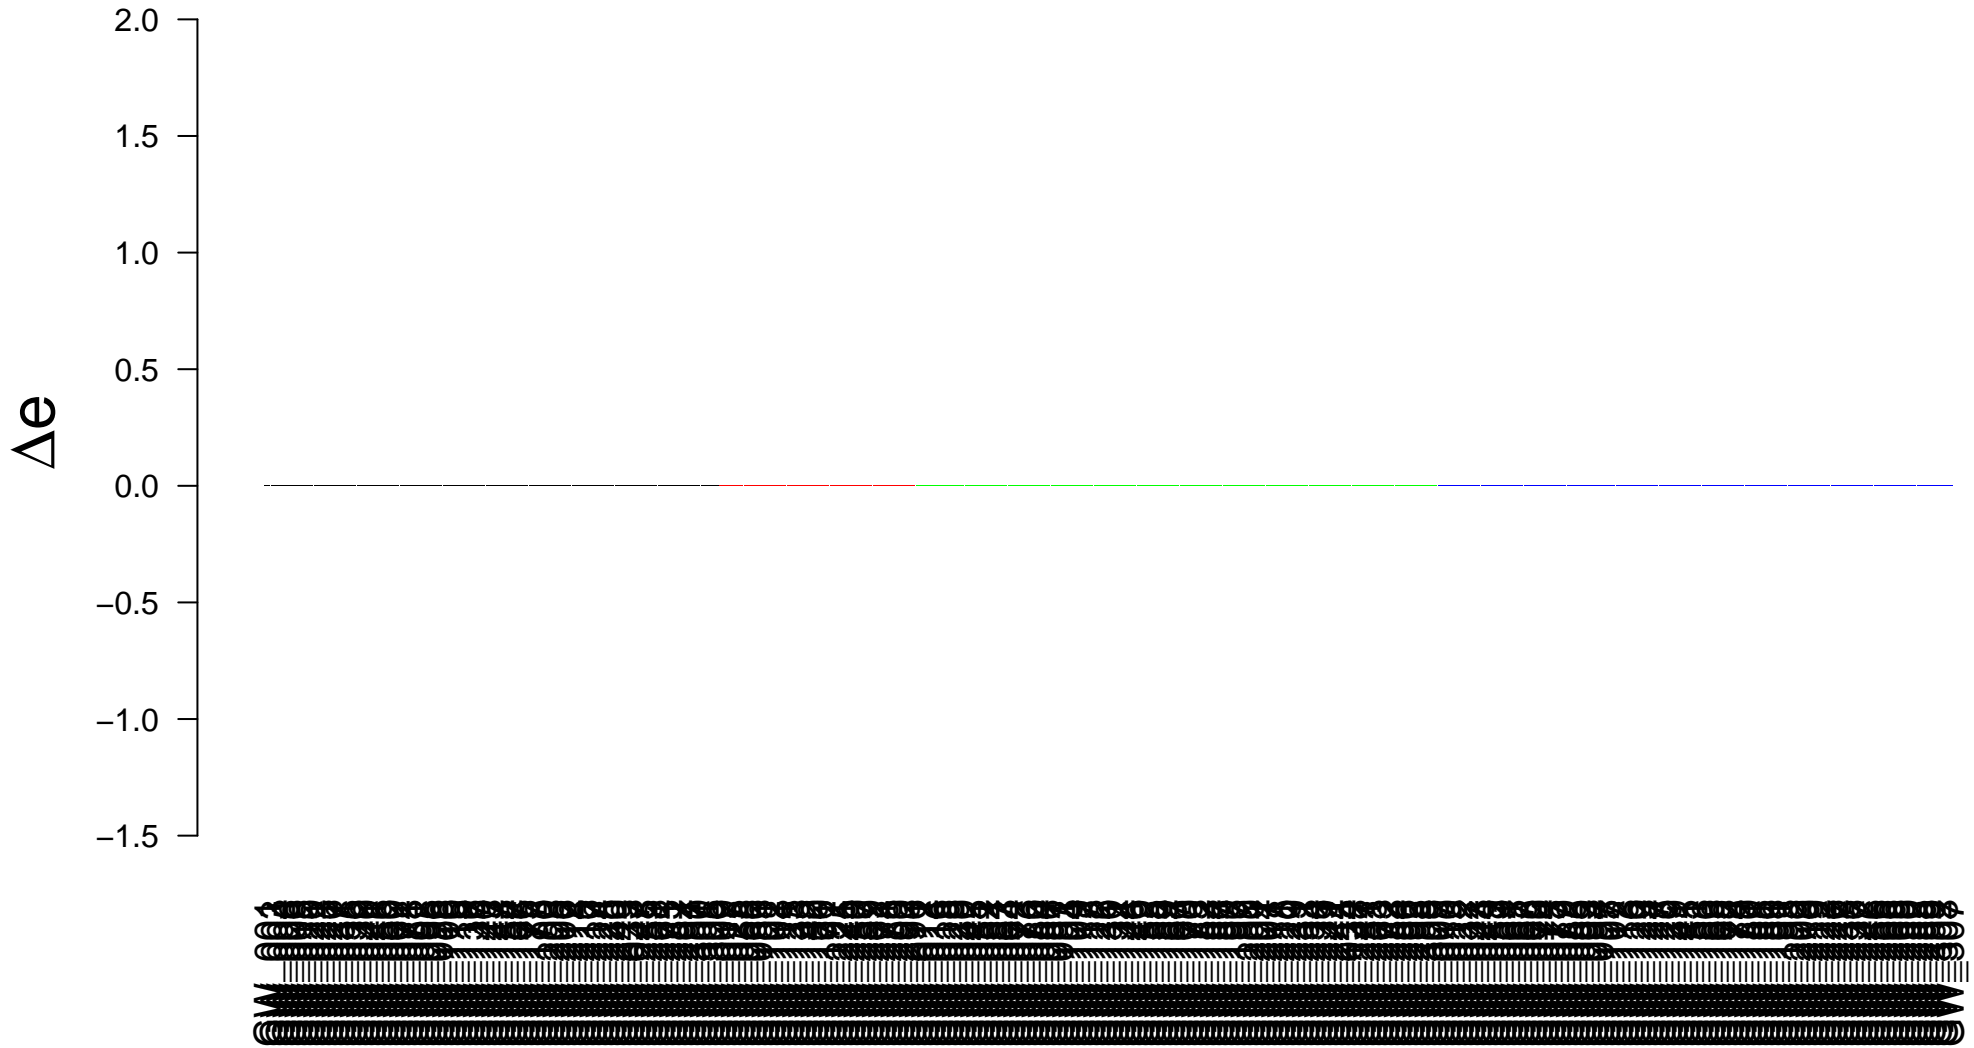

Expression of adenyly nucleotide binding in Spot O

Expression of adenyly nucleotide binding in Spot P

Expression of adenyly nucleotide binding in Spot Q

Expression of adenyly nucleotide binding in Spot R
