

adenylate cyclase activity

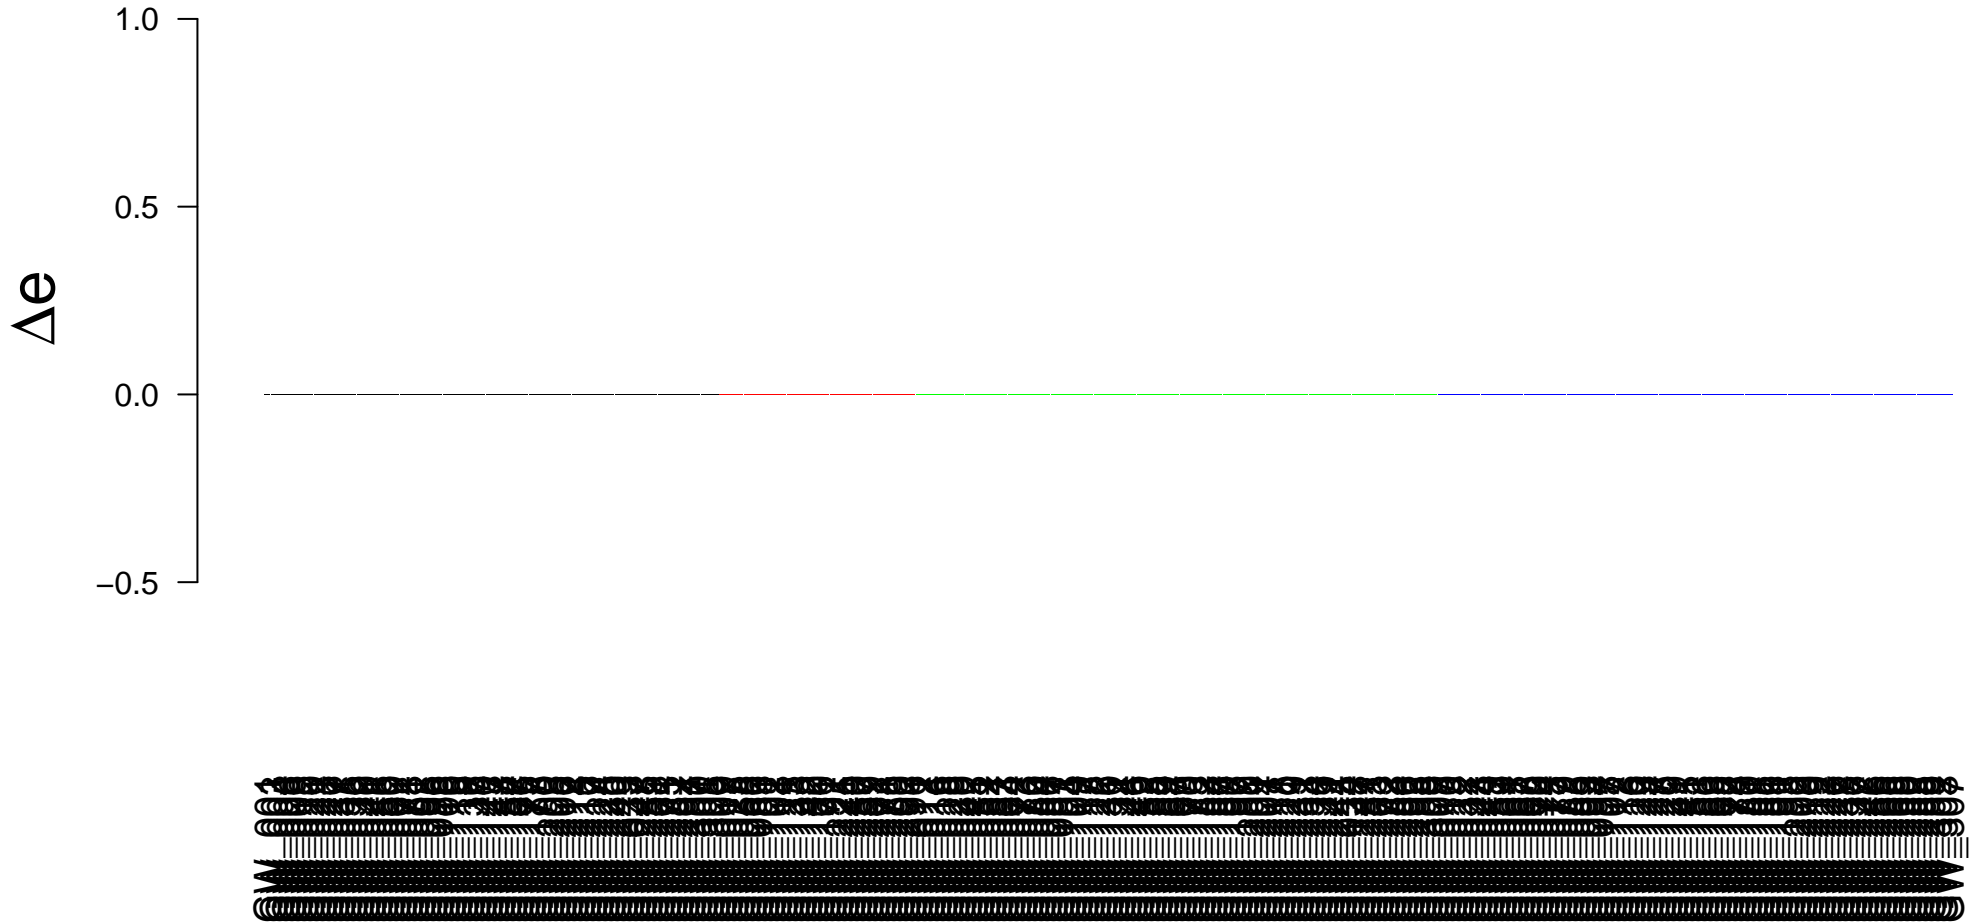

adenylate cyclase activity

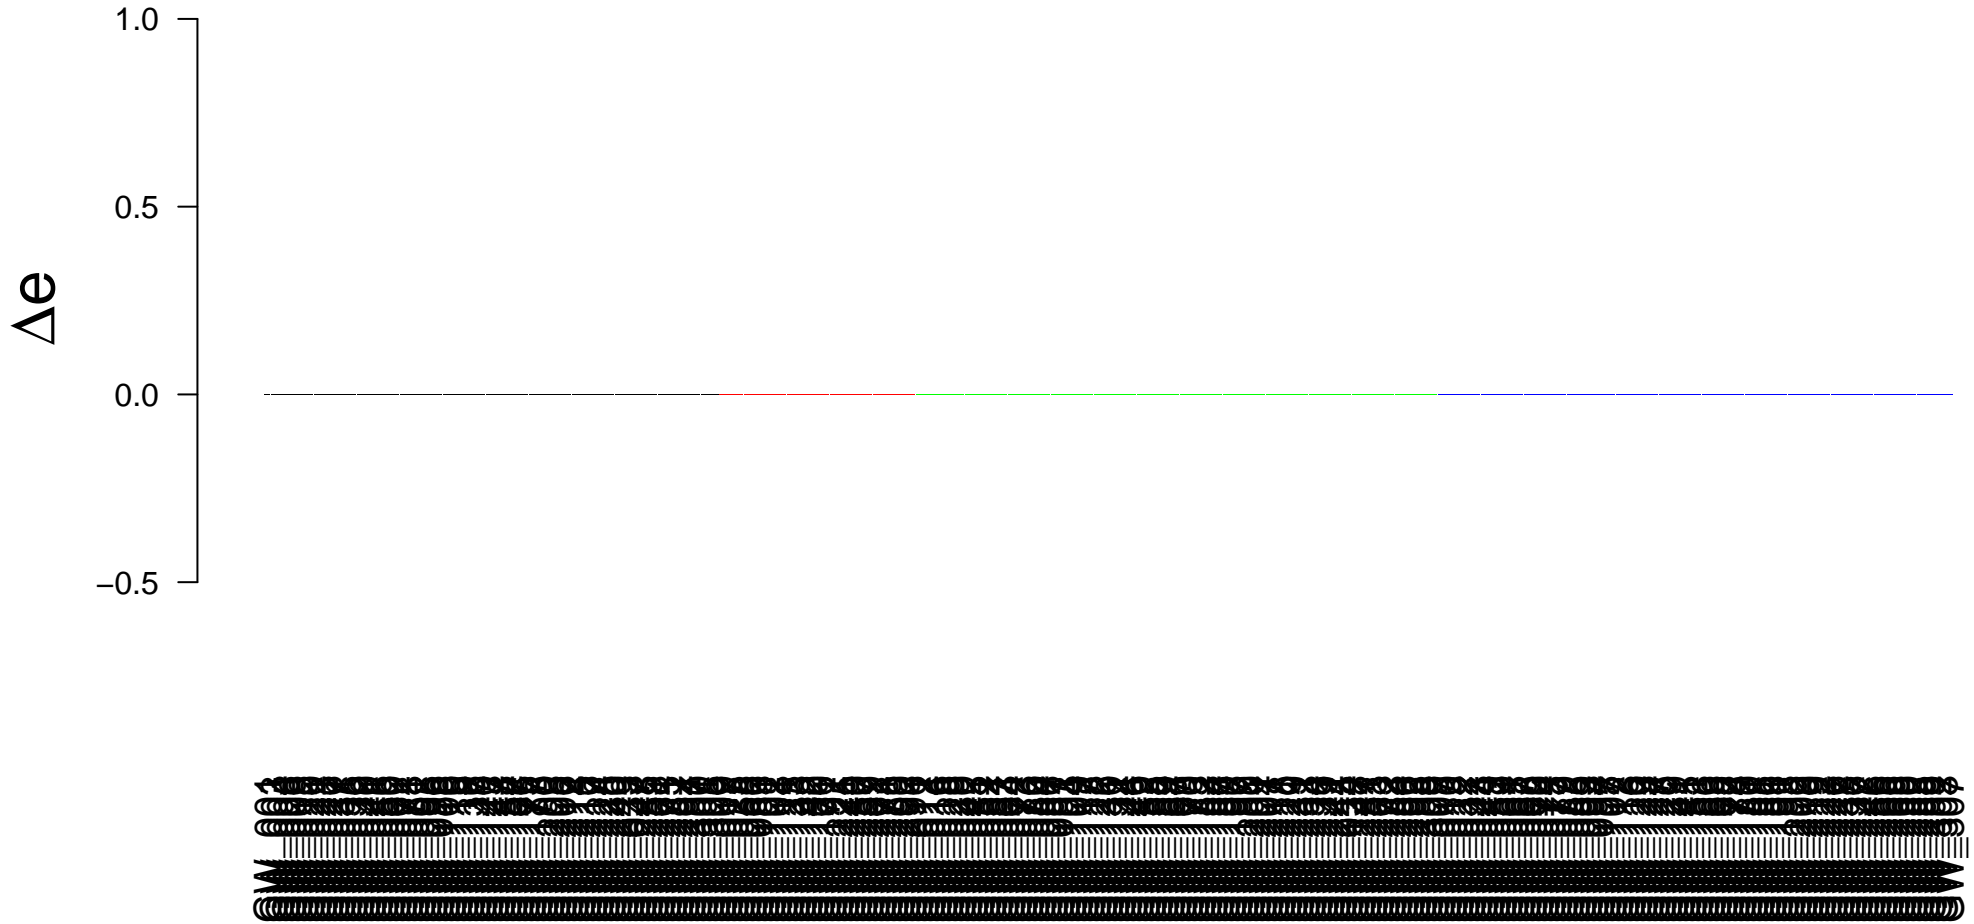

Enrichment in spots: adenylate cyclase activity

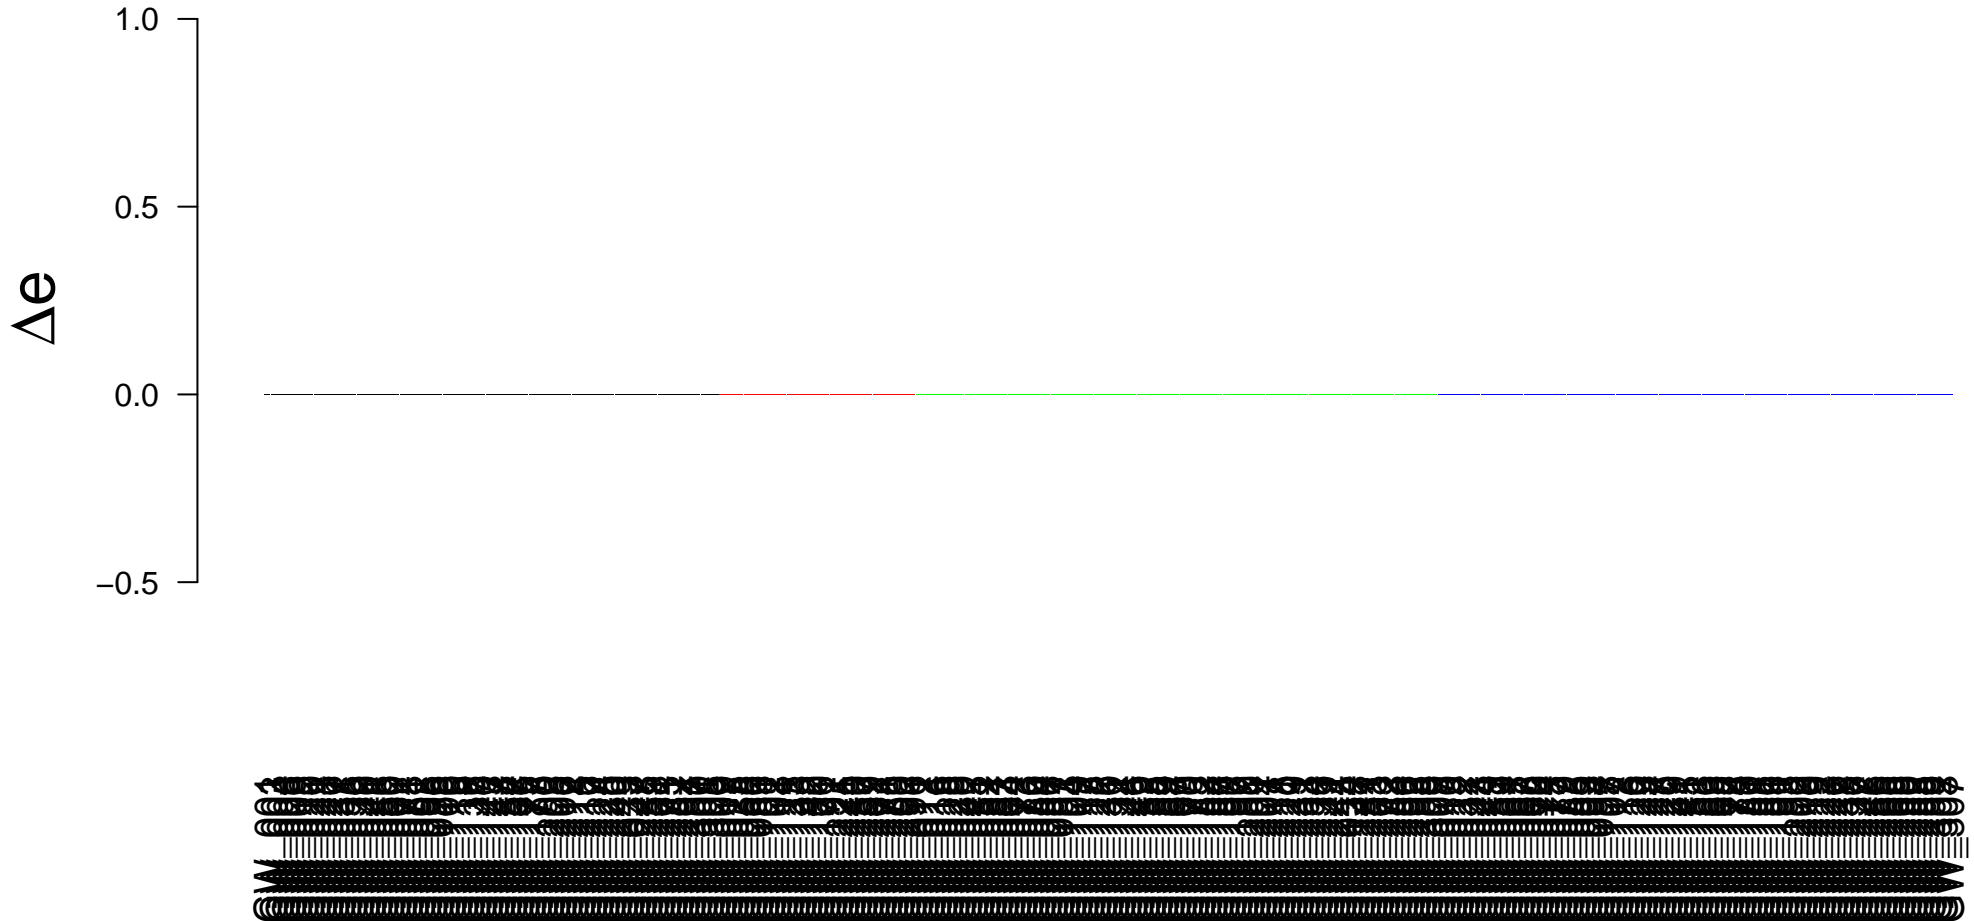

Expression of adenylate cyclase activity in Spot A

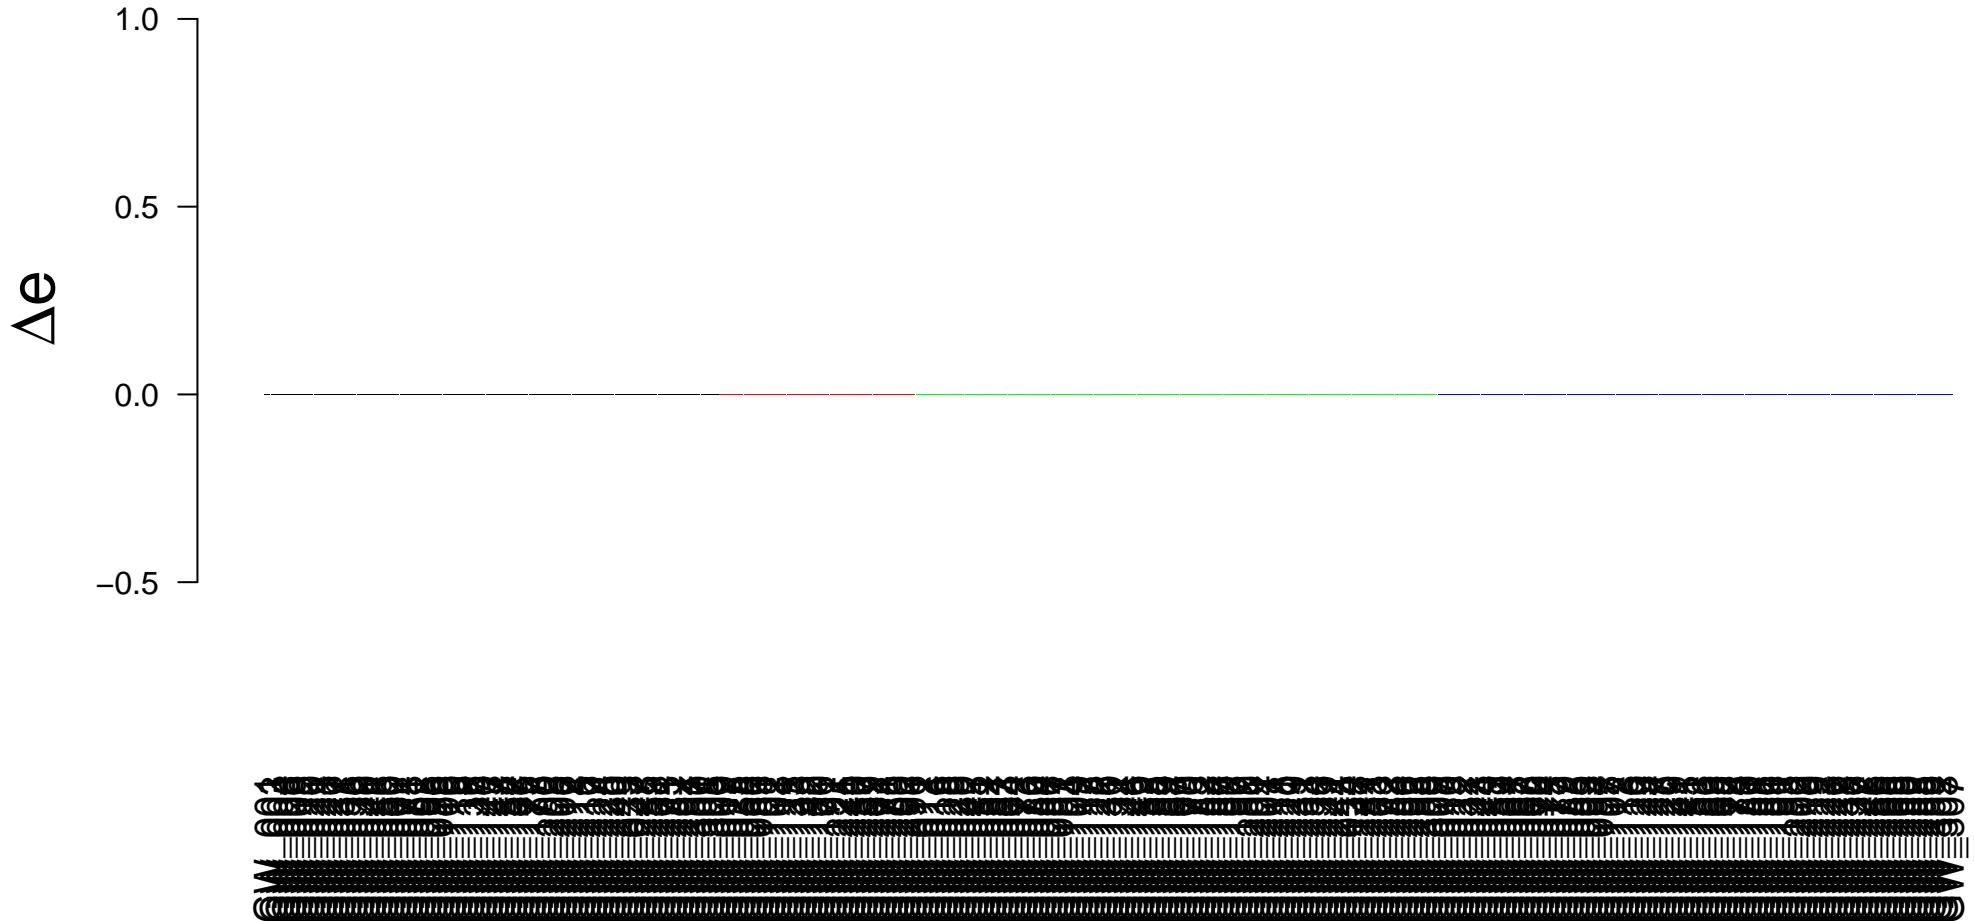

Expression of adenylate cyclase activity in Spot B

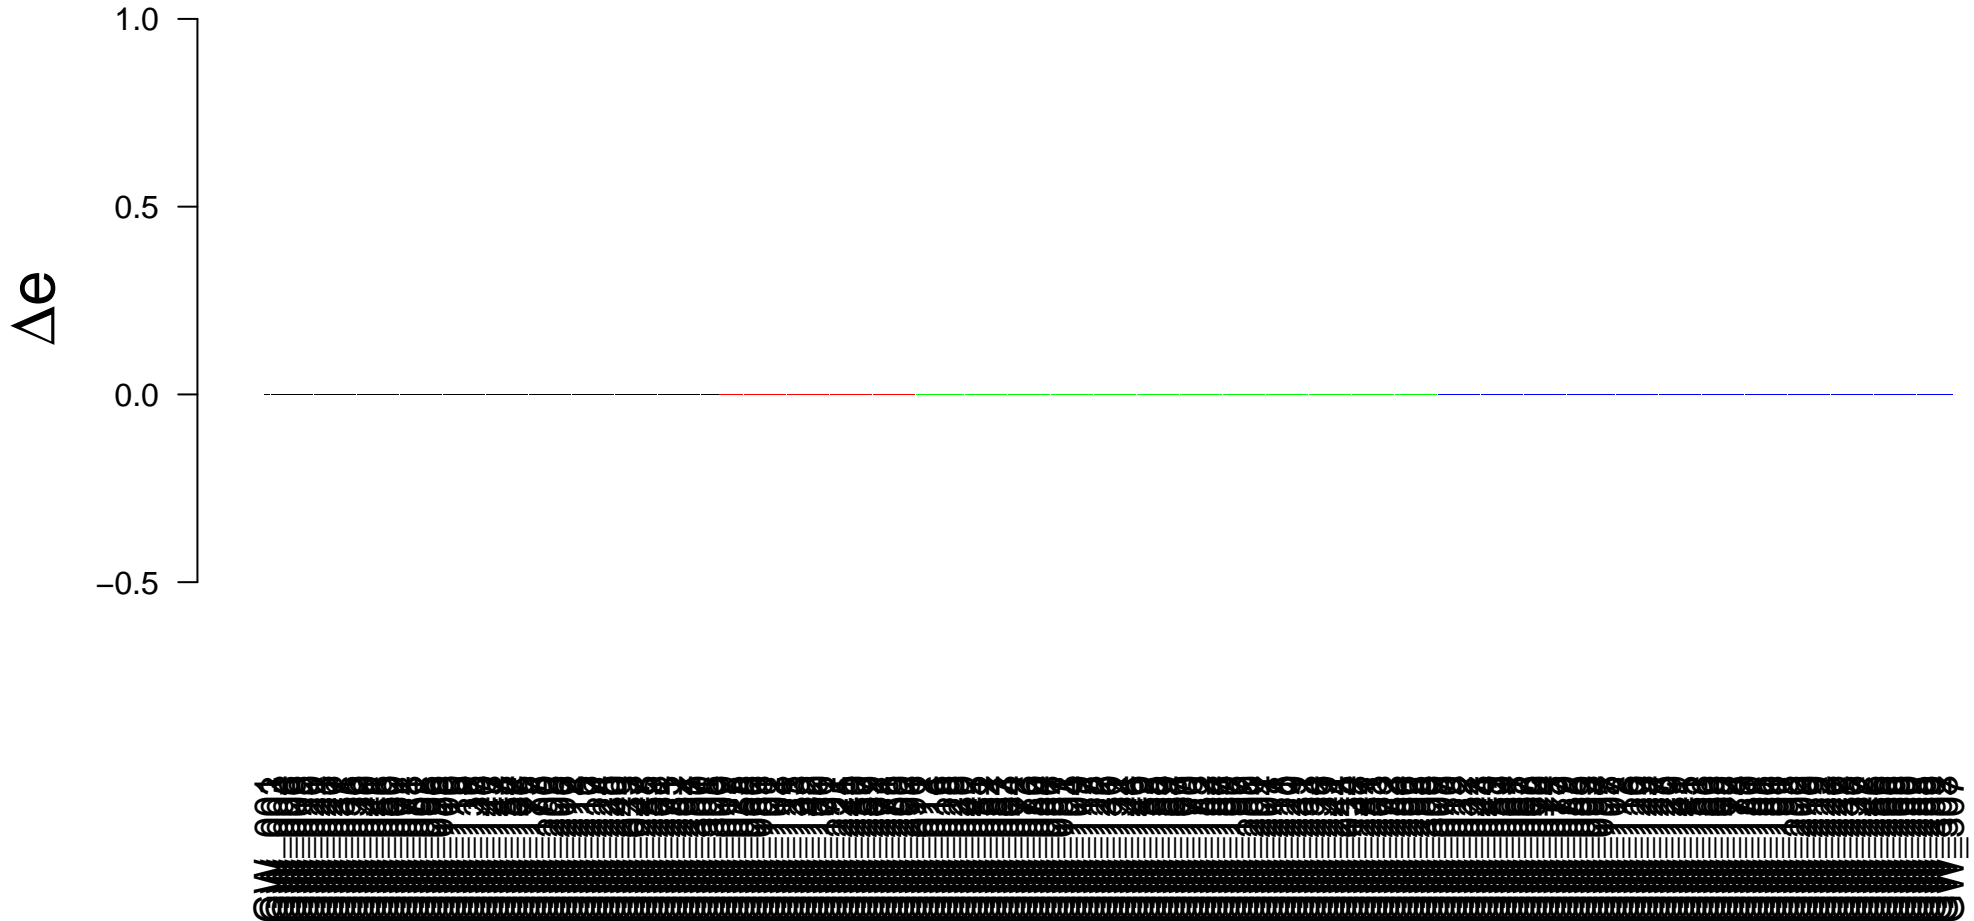

Expression of adenylate cyclase activity in Spot C

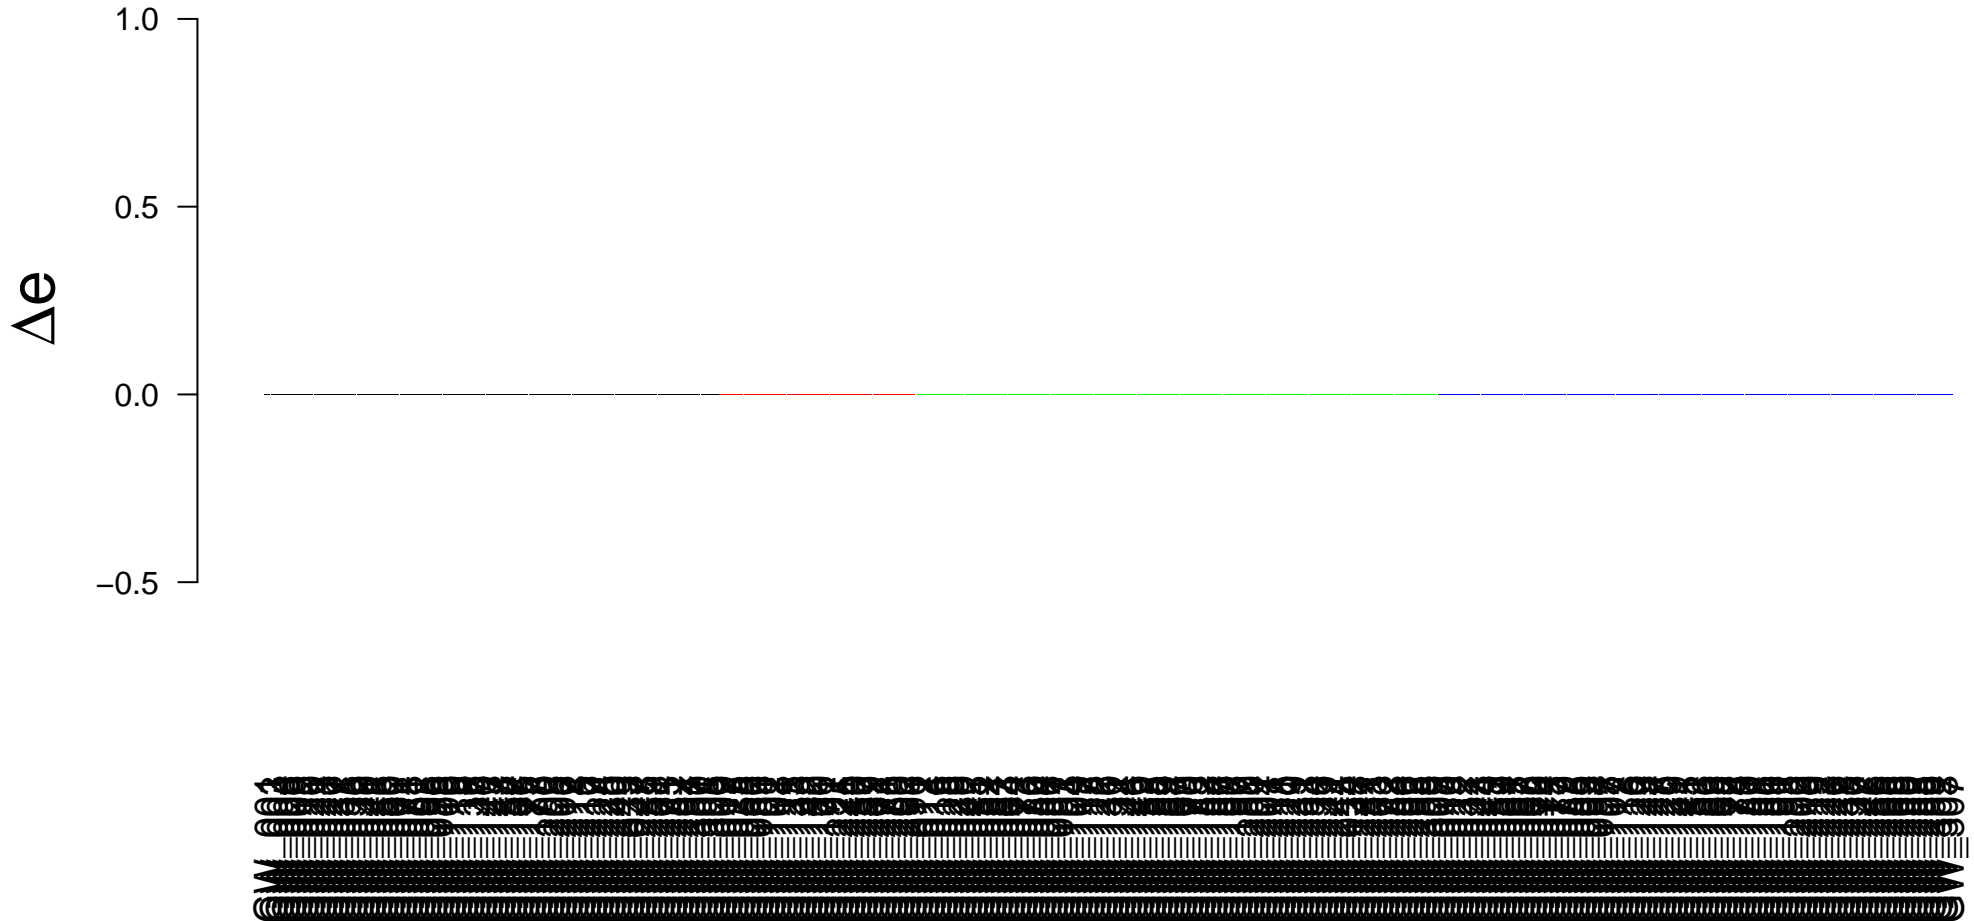

Expression of adenylate cyclase activity in Spot D

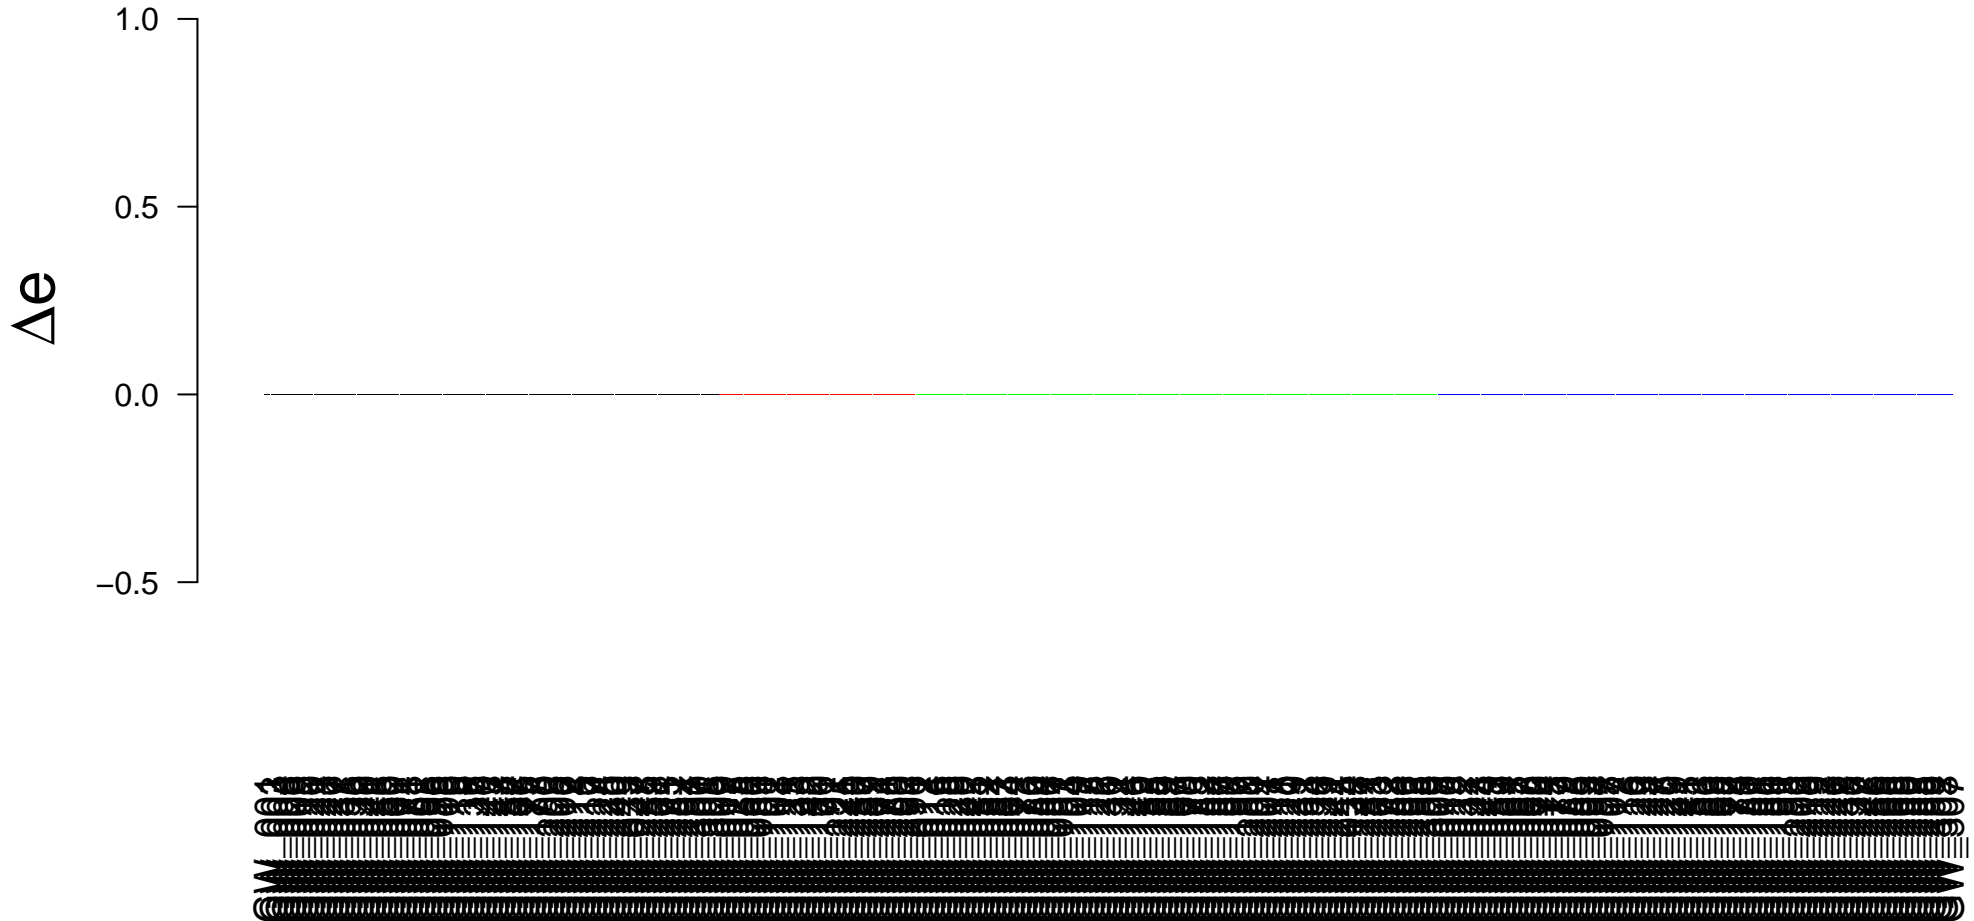

Expression of adenylate cyclase activity in Spot E

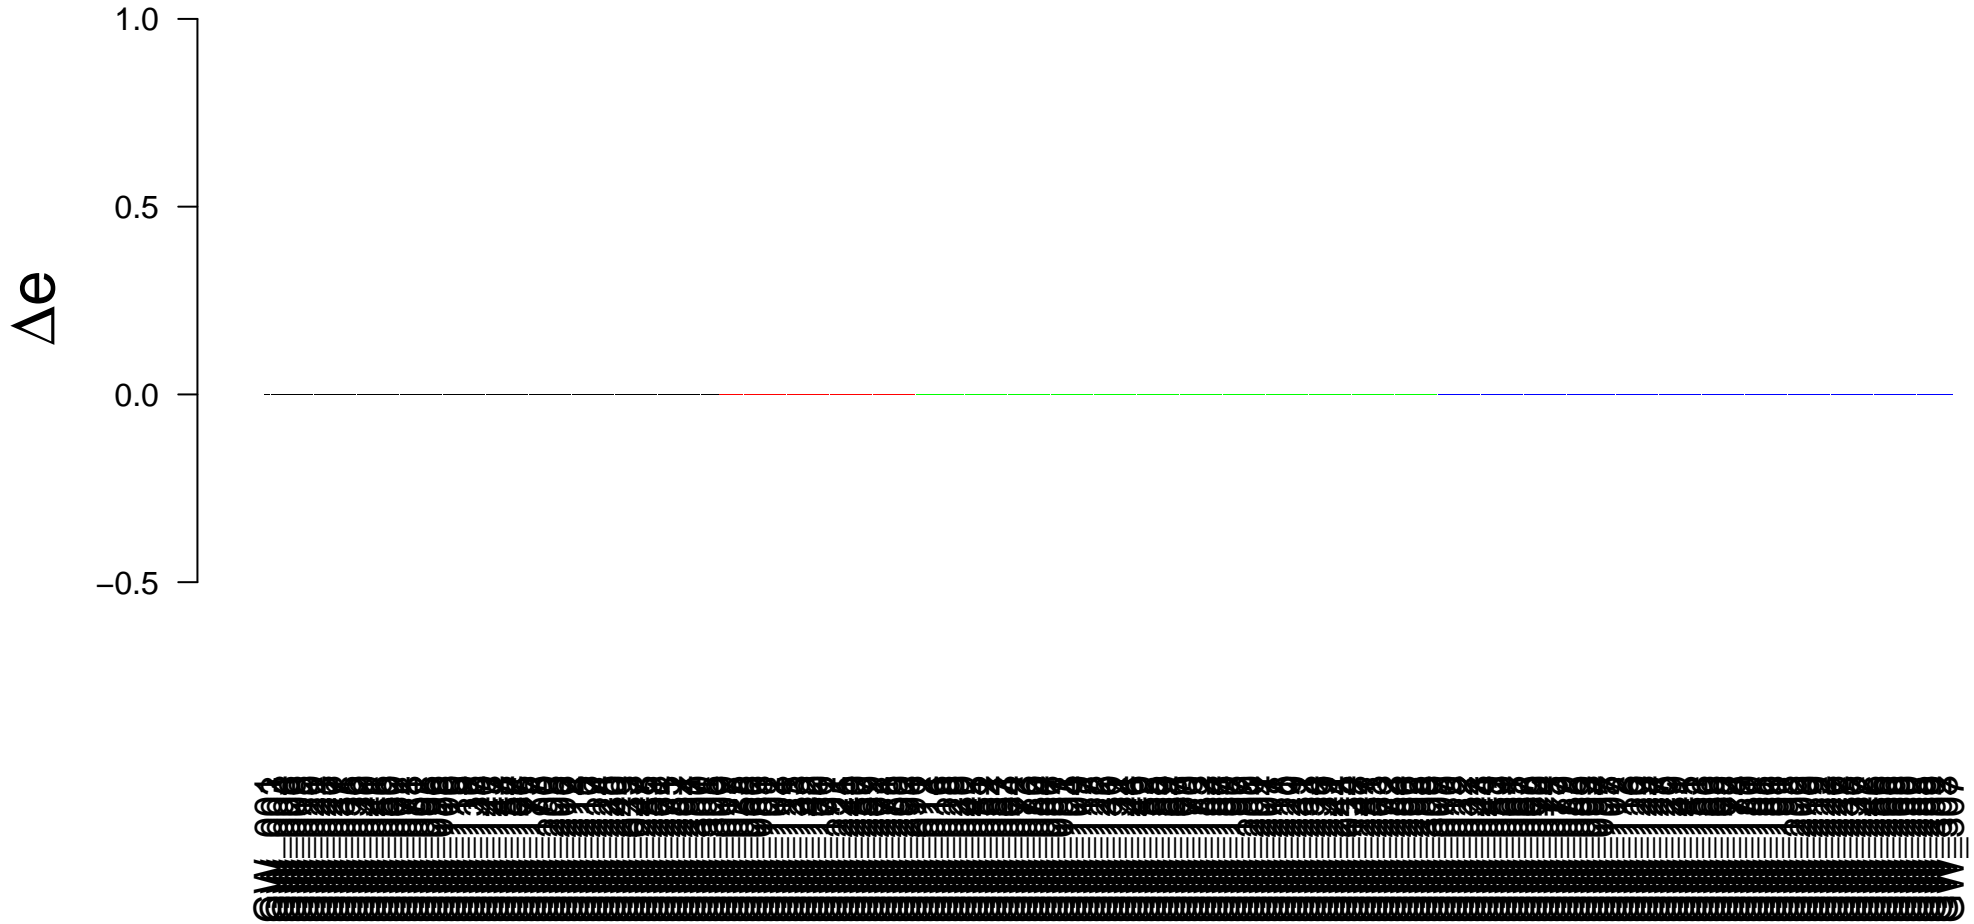

Expression of adenylate cyclase activity in Spot F

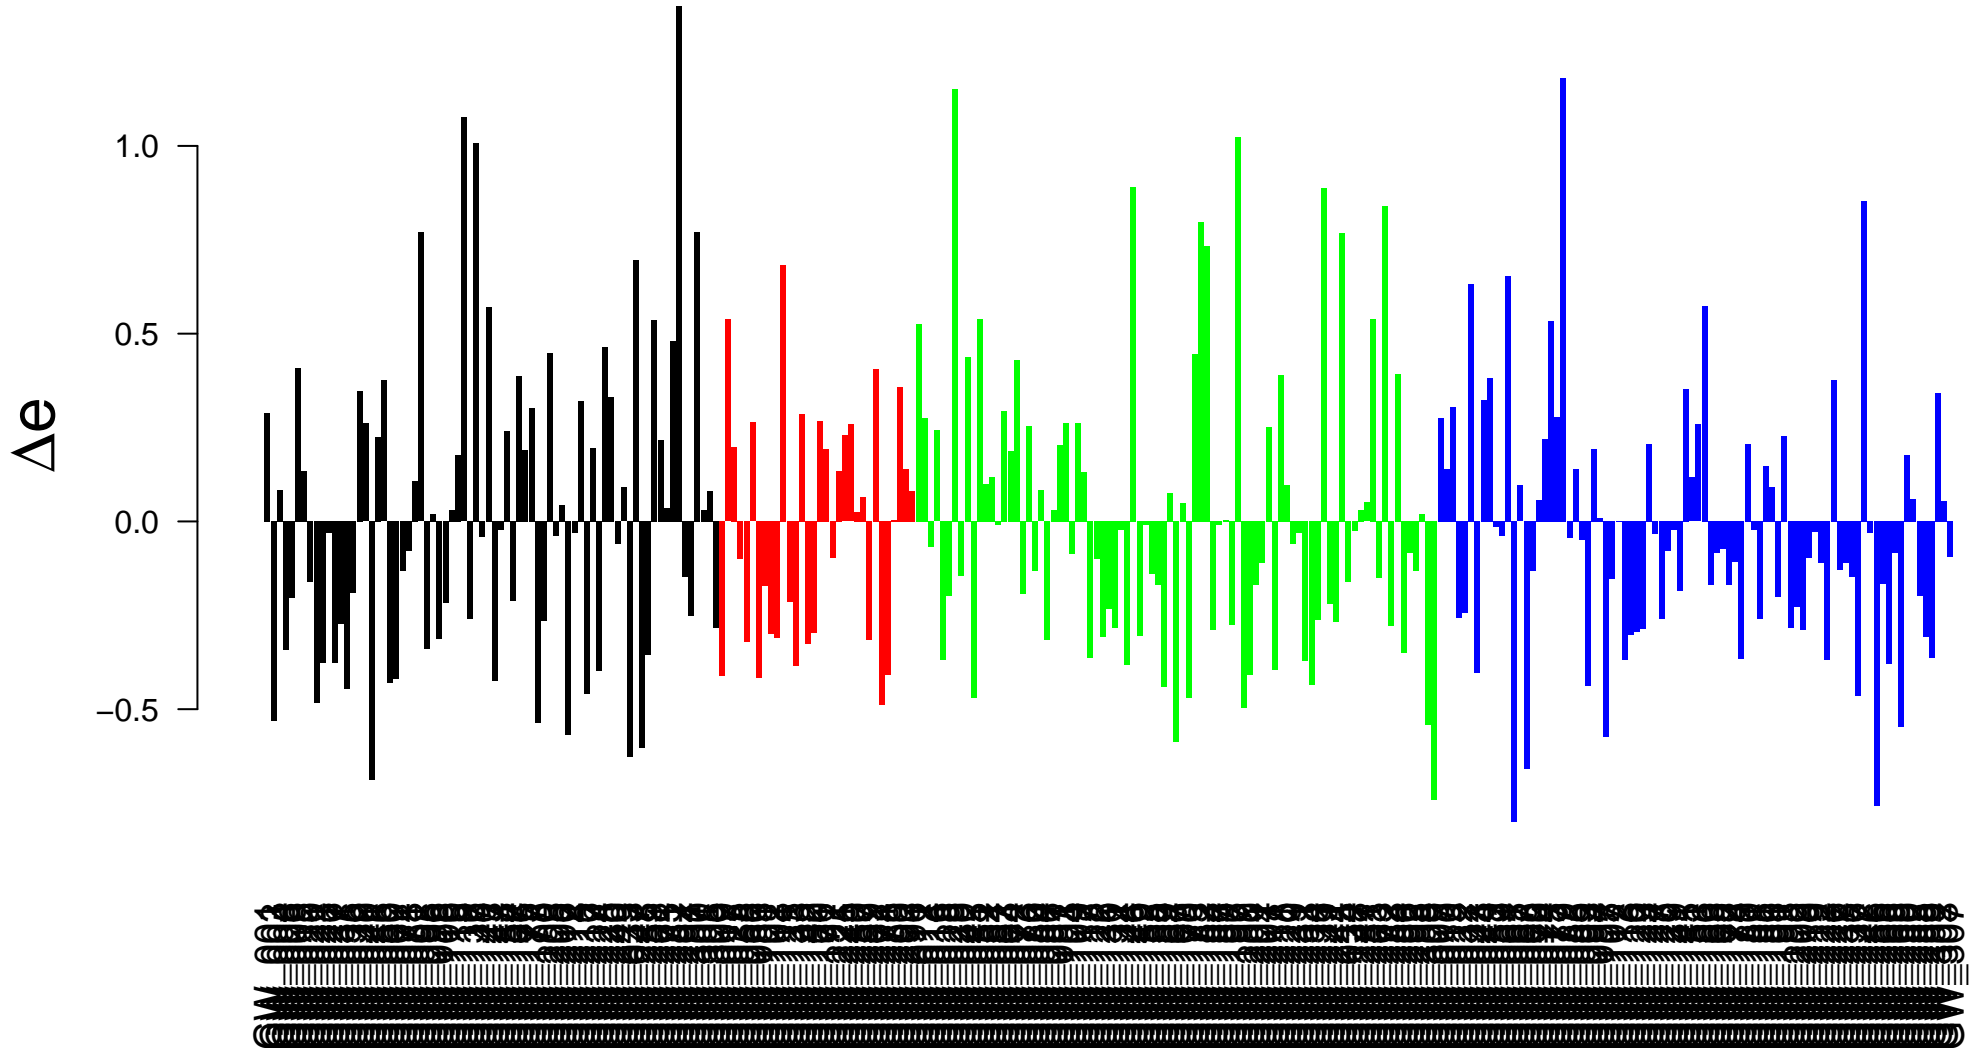

Expression of adenylate cyclase activity in Spot G

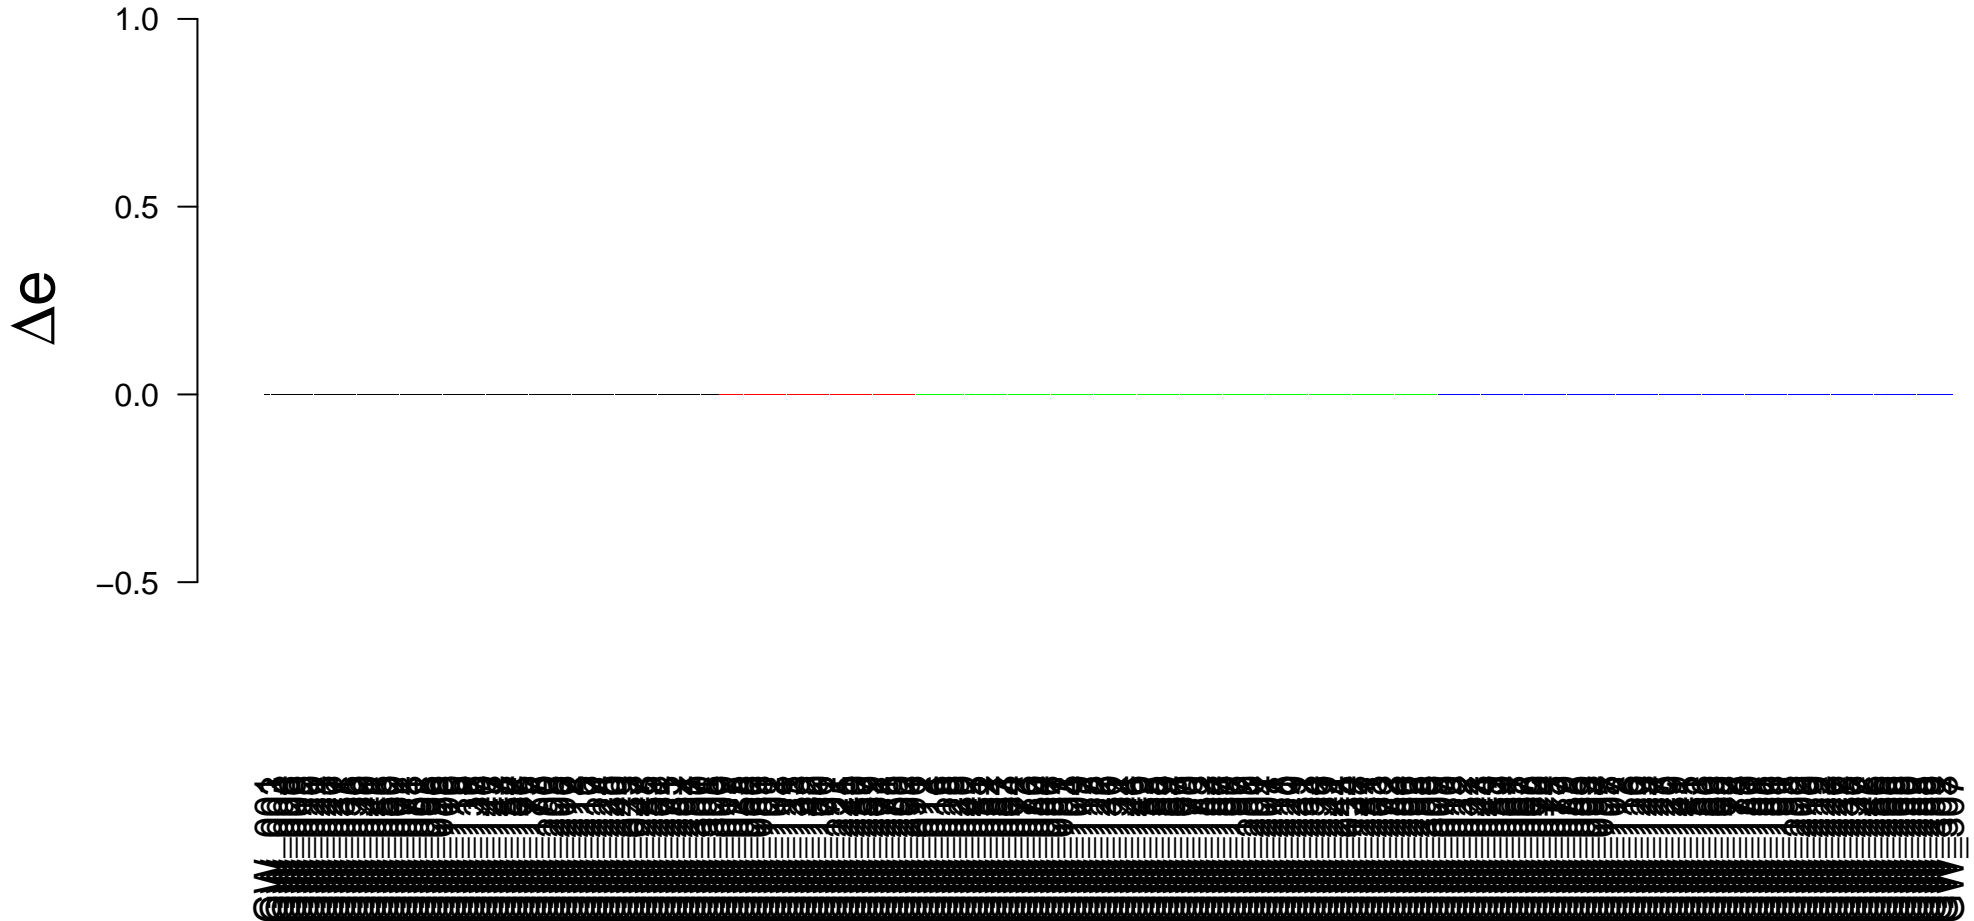

Expression of adenylate cyclase activity in Spot H

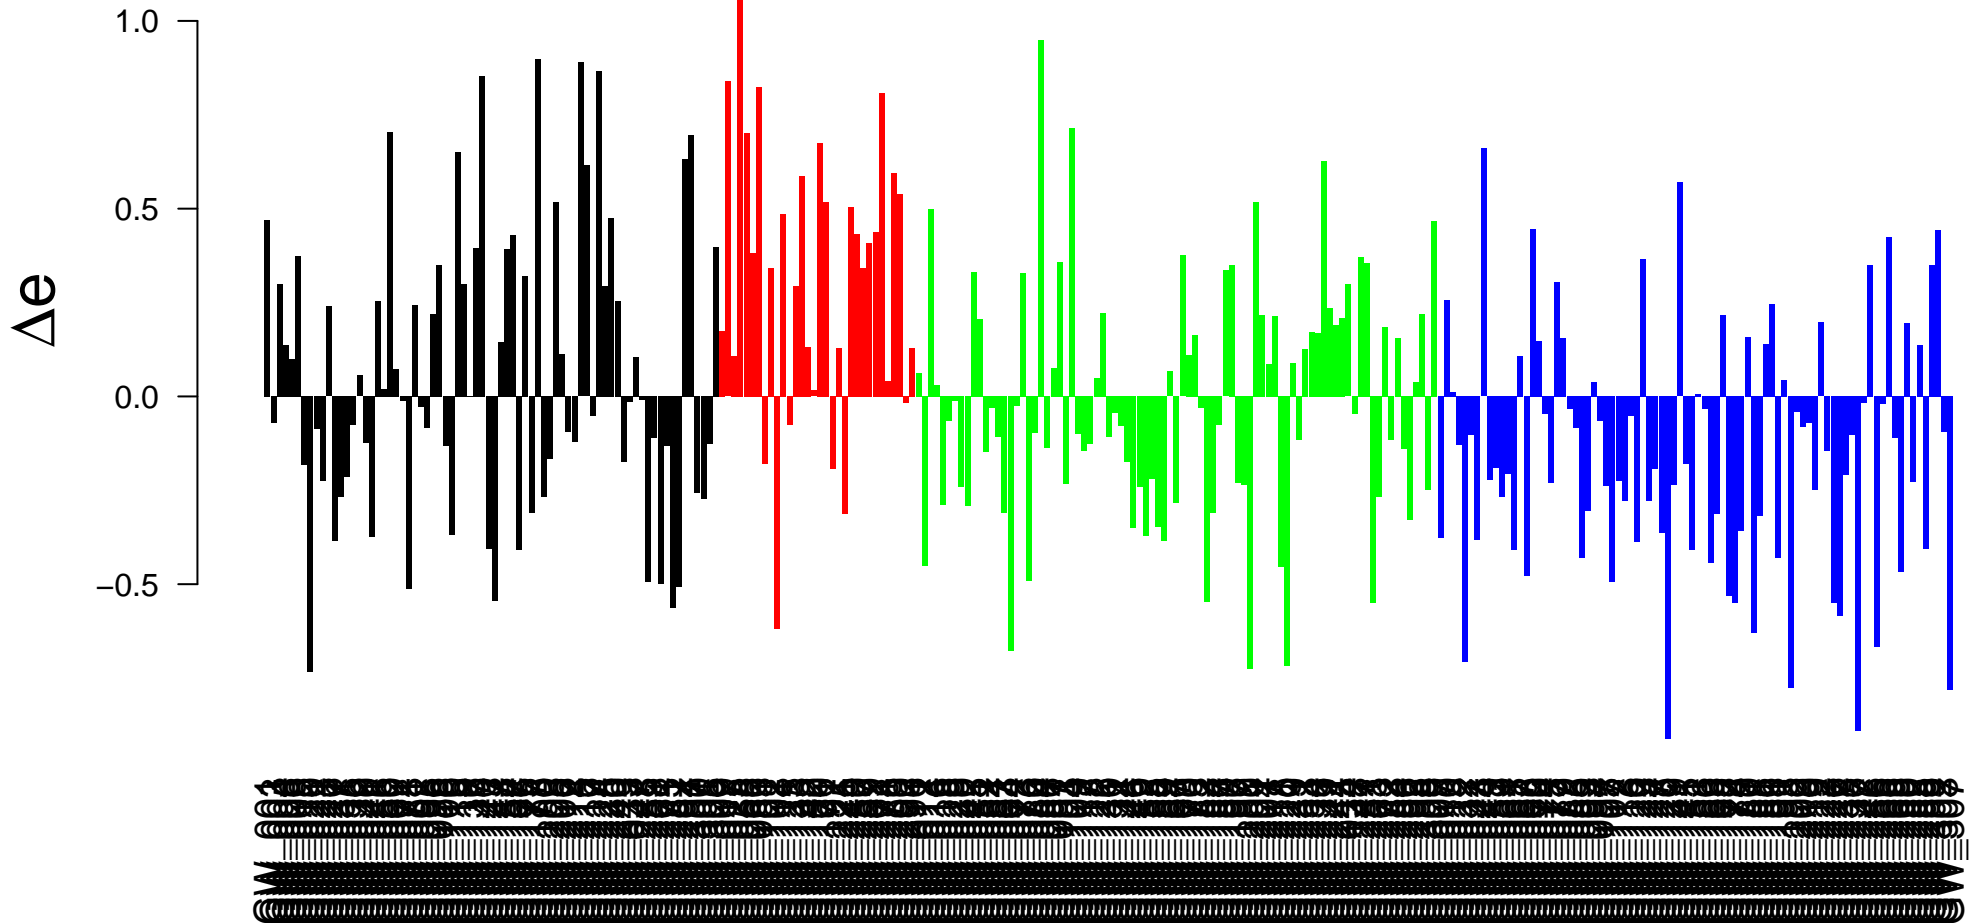

Expression of adenylate cyclase activity in Spot I

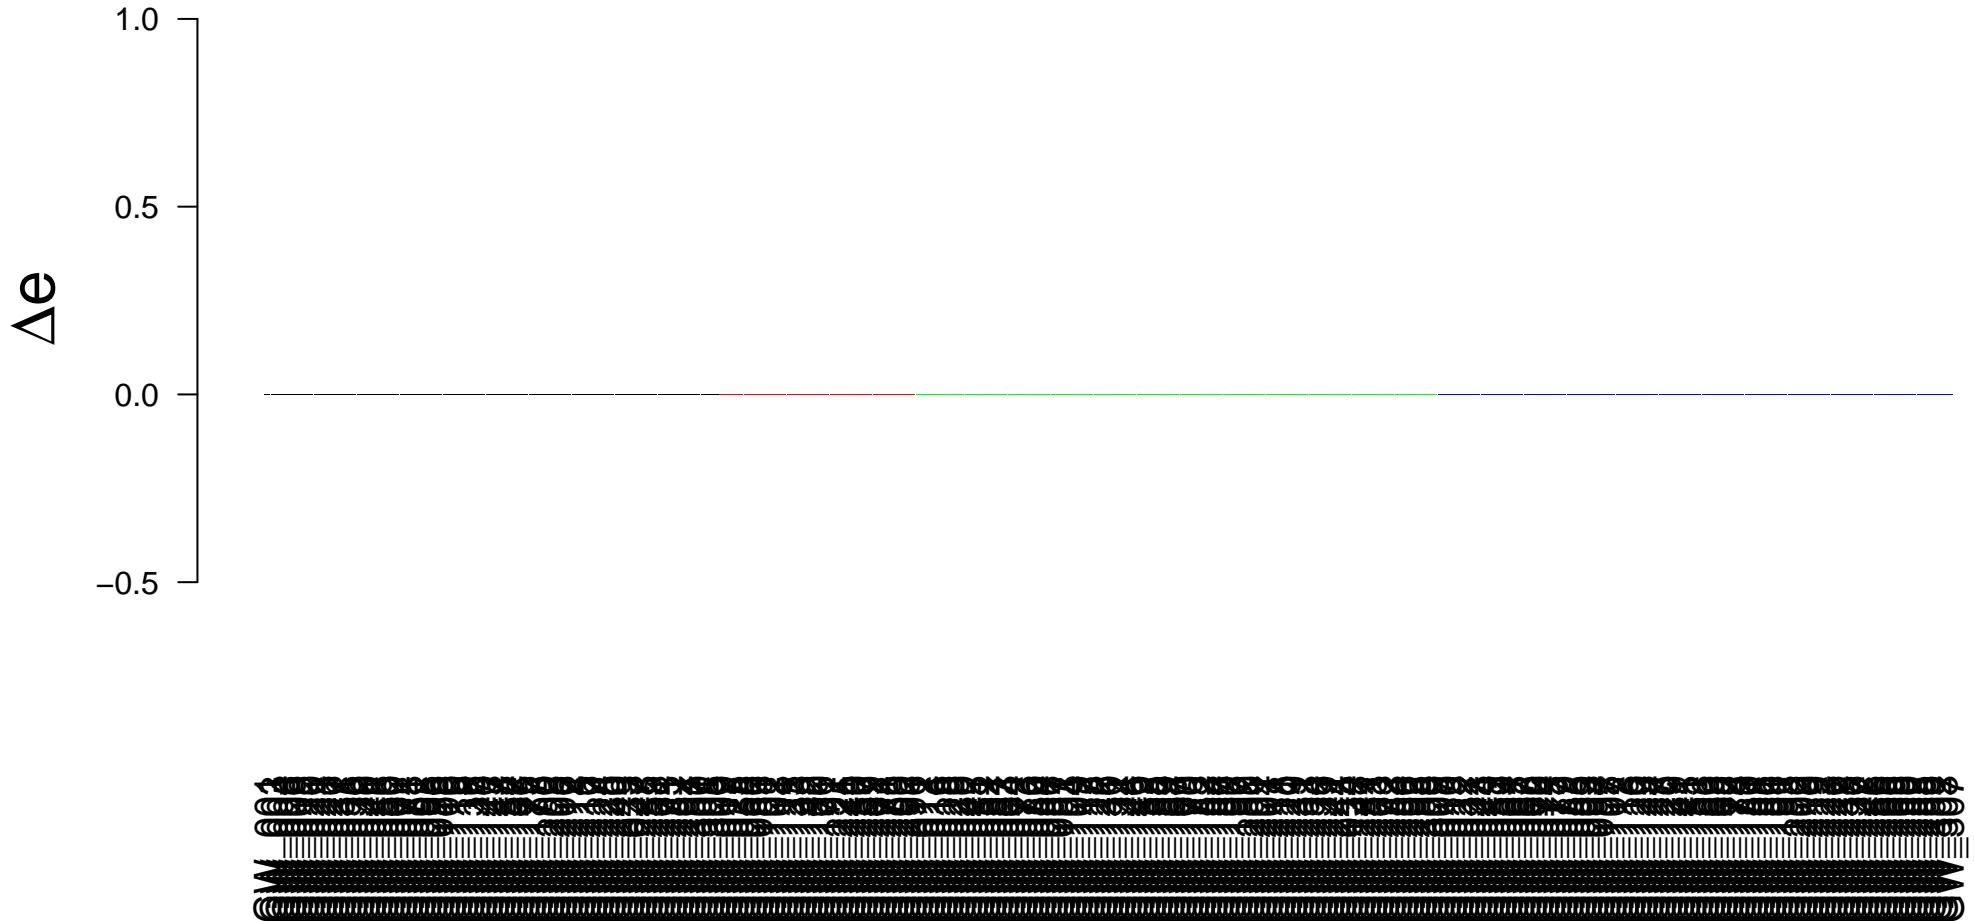

Expression of adenylate cyclase activity in Spot J

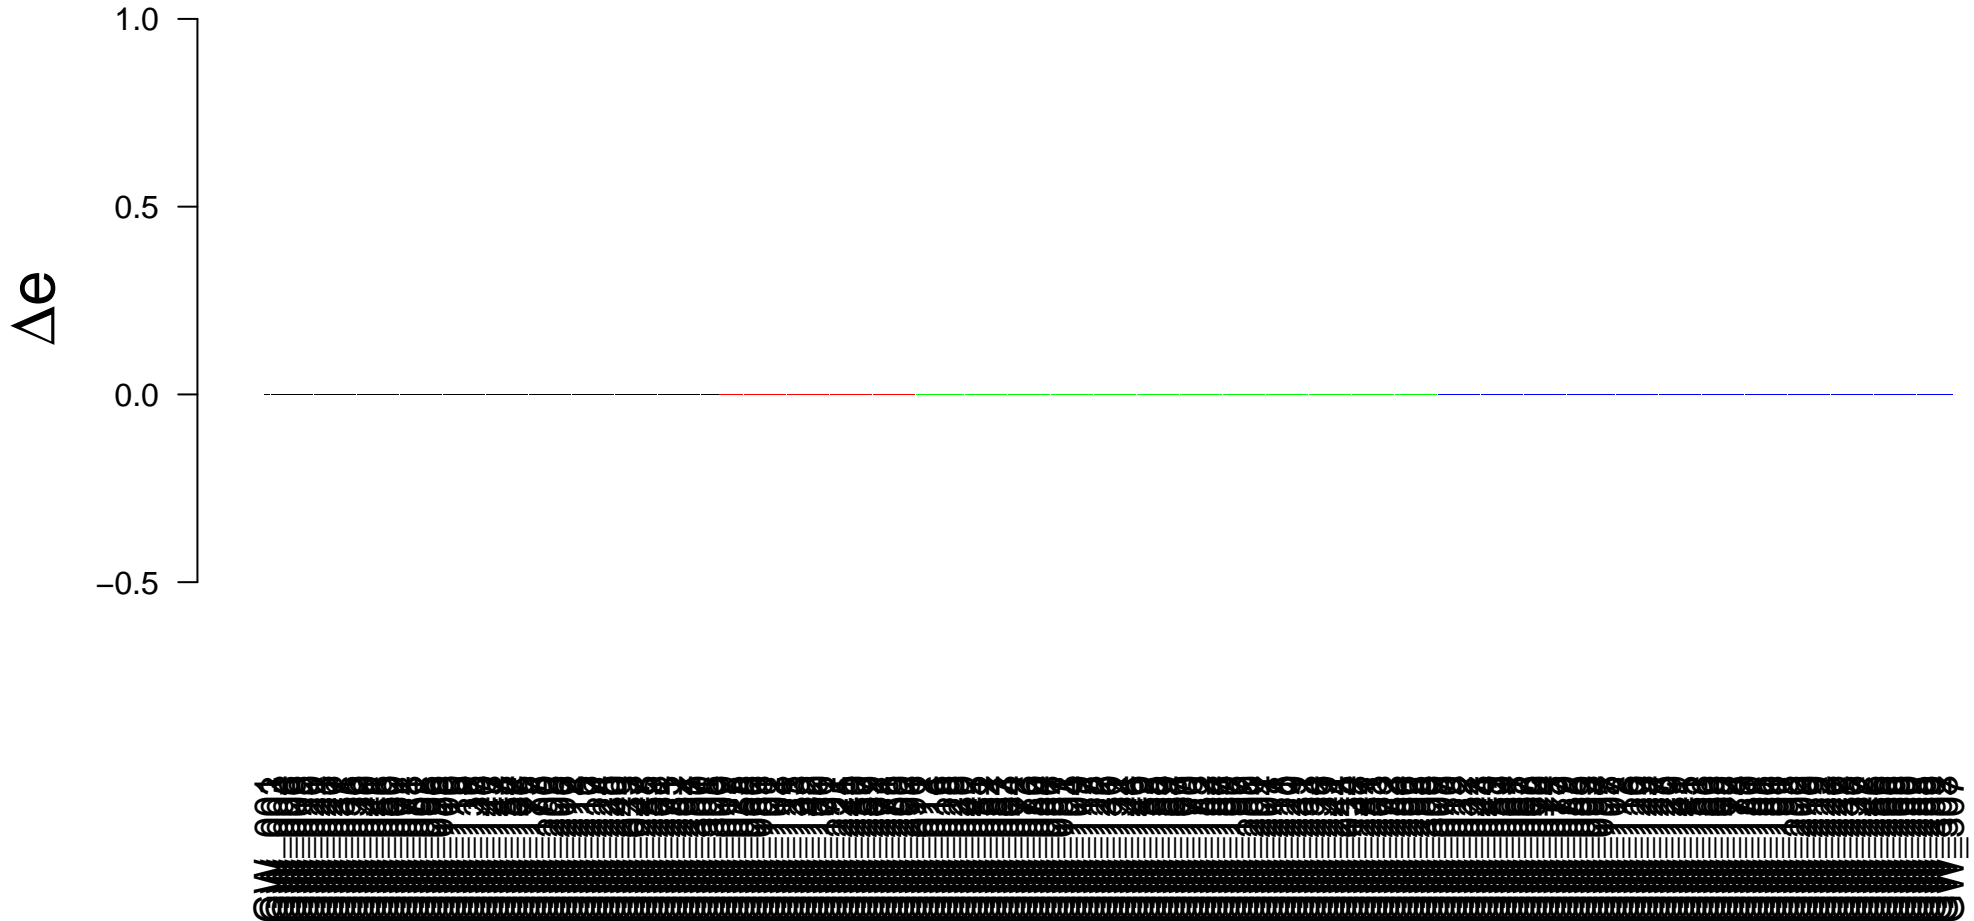

Expression of adenylate cyclase activity in Spot K

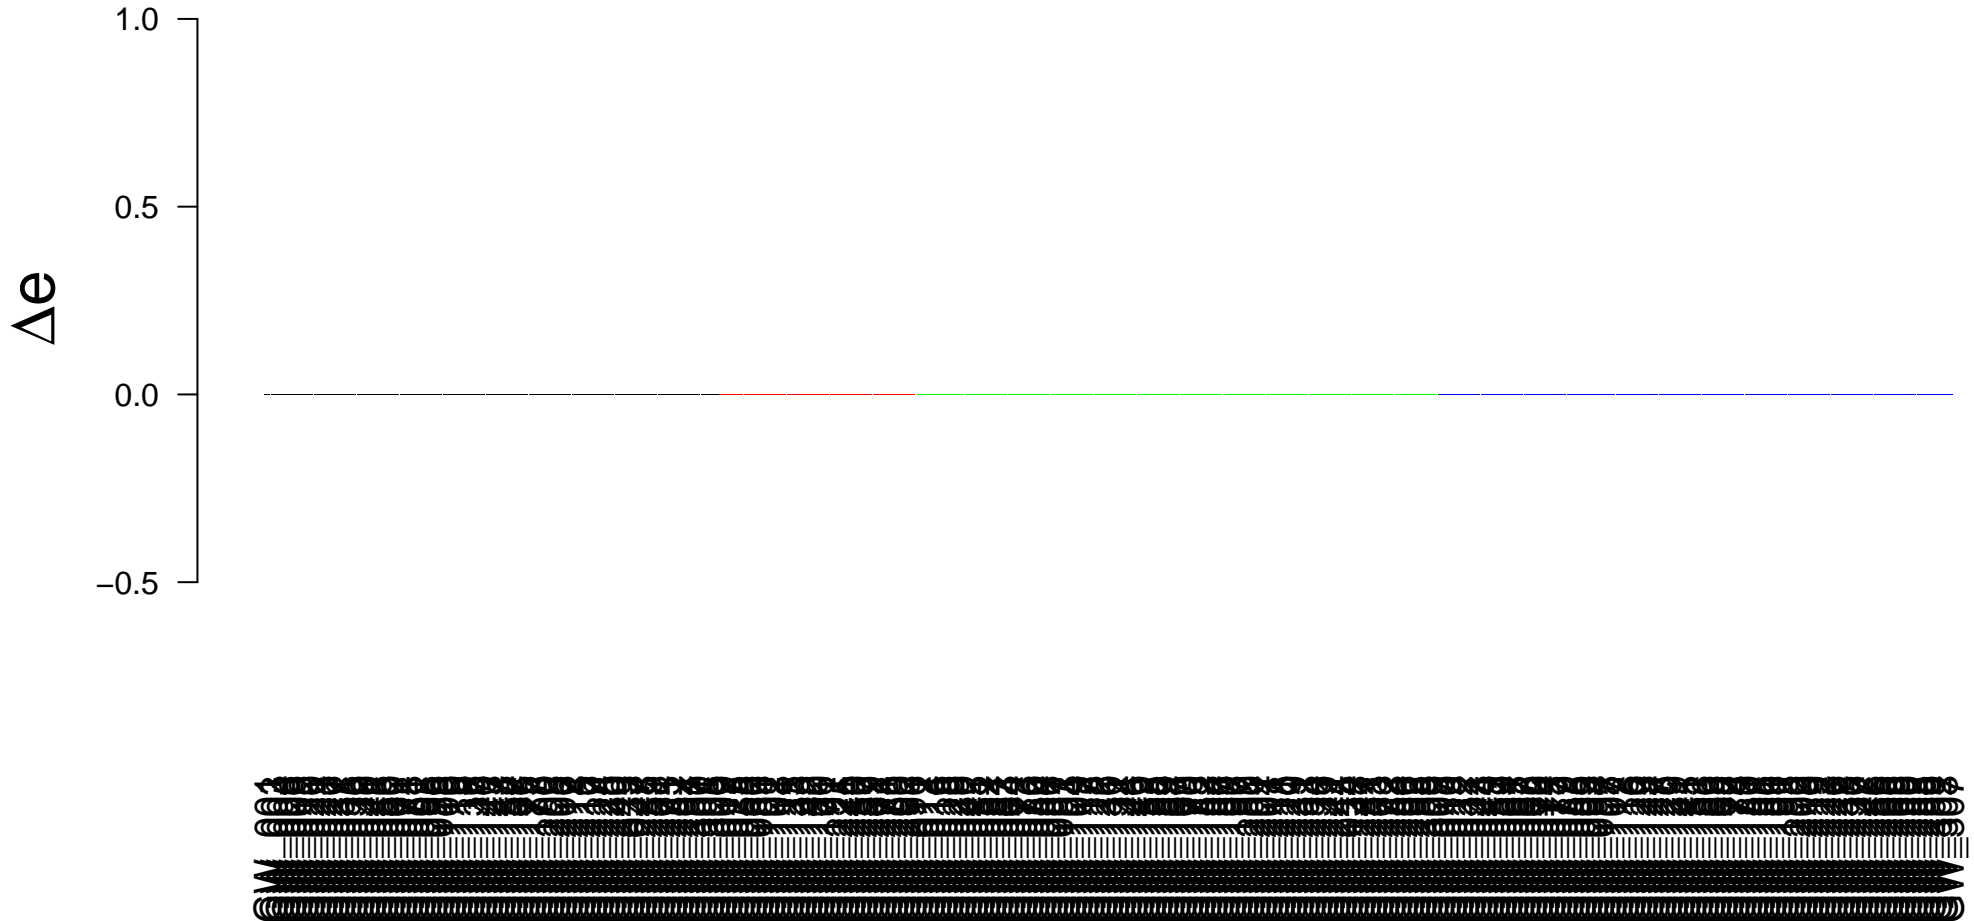

Expression of adenylate cyclase activity in Spot L

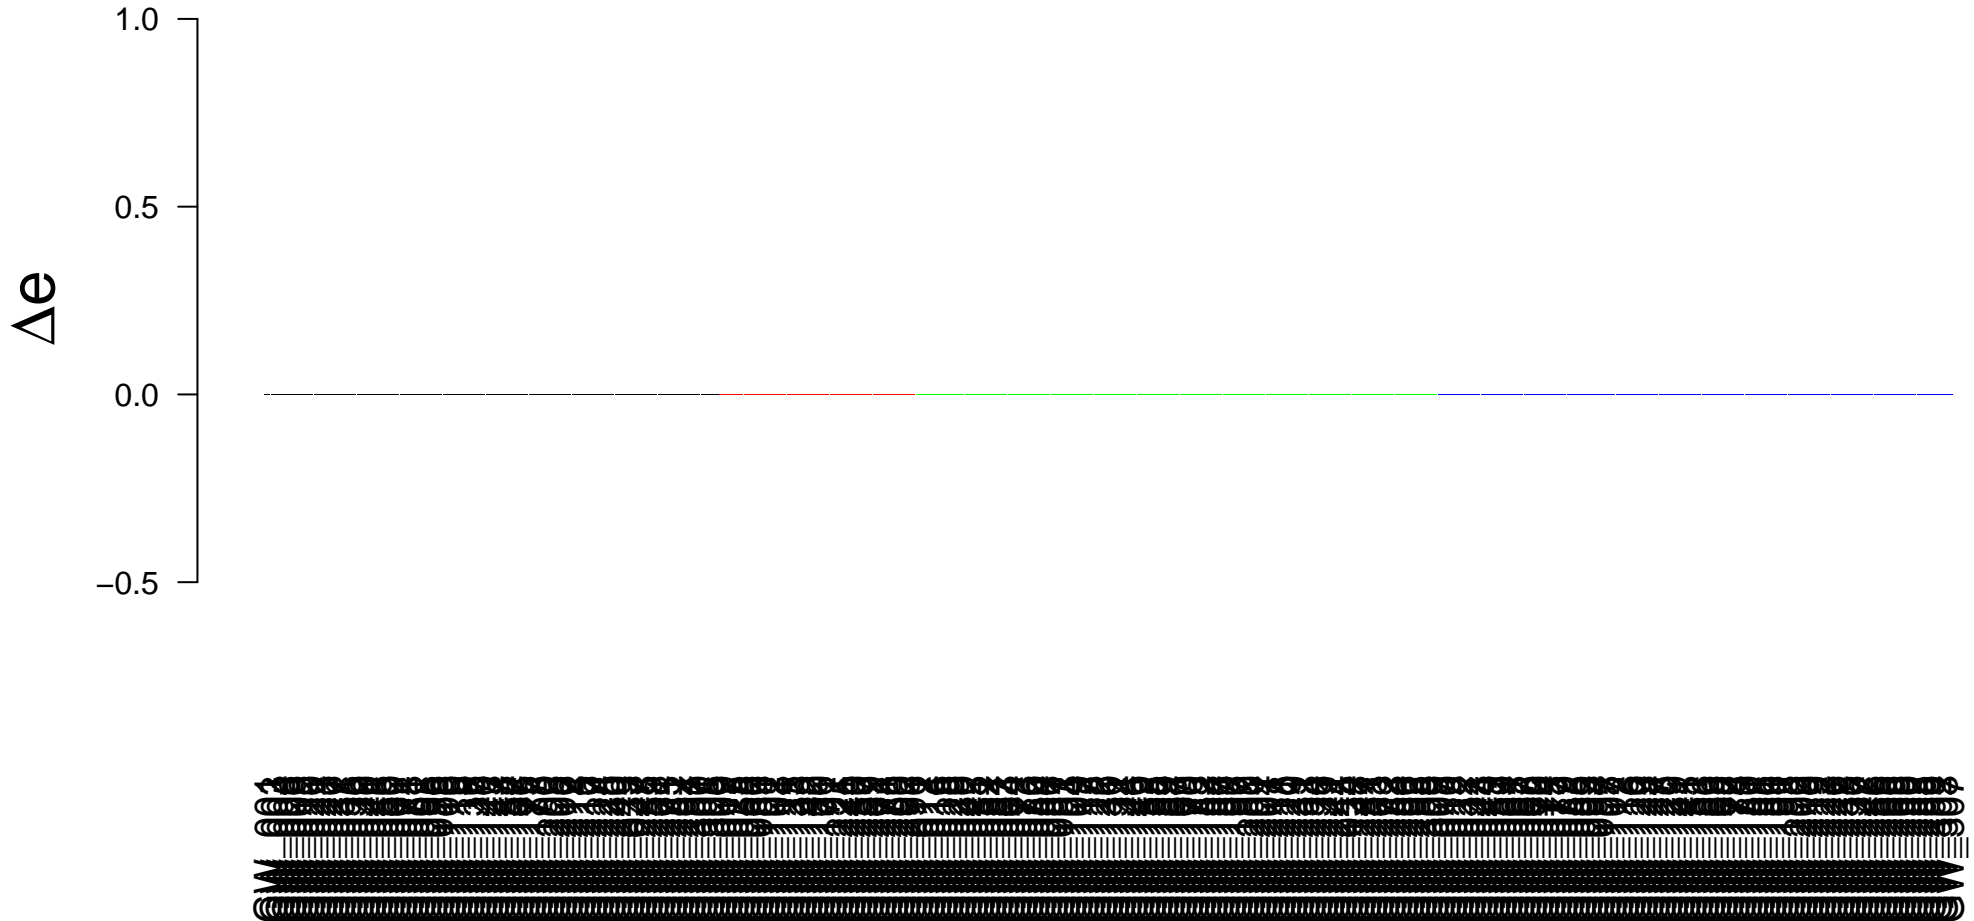

Expression of adenylate cyclase activity in Spot M

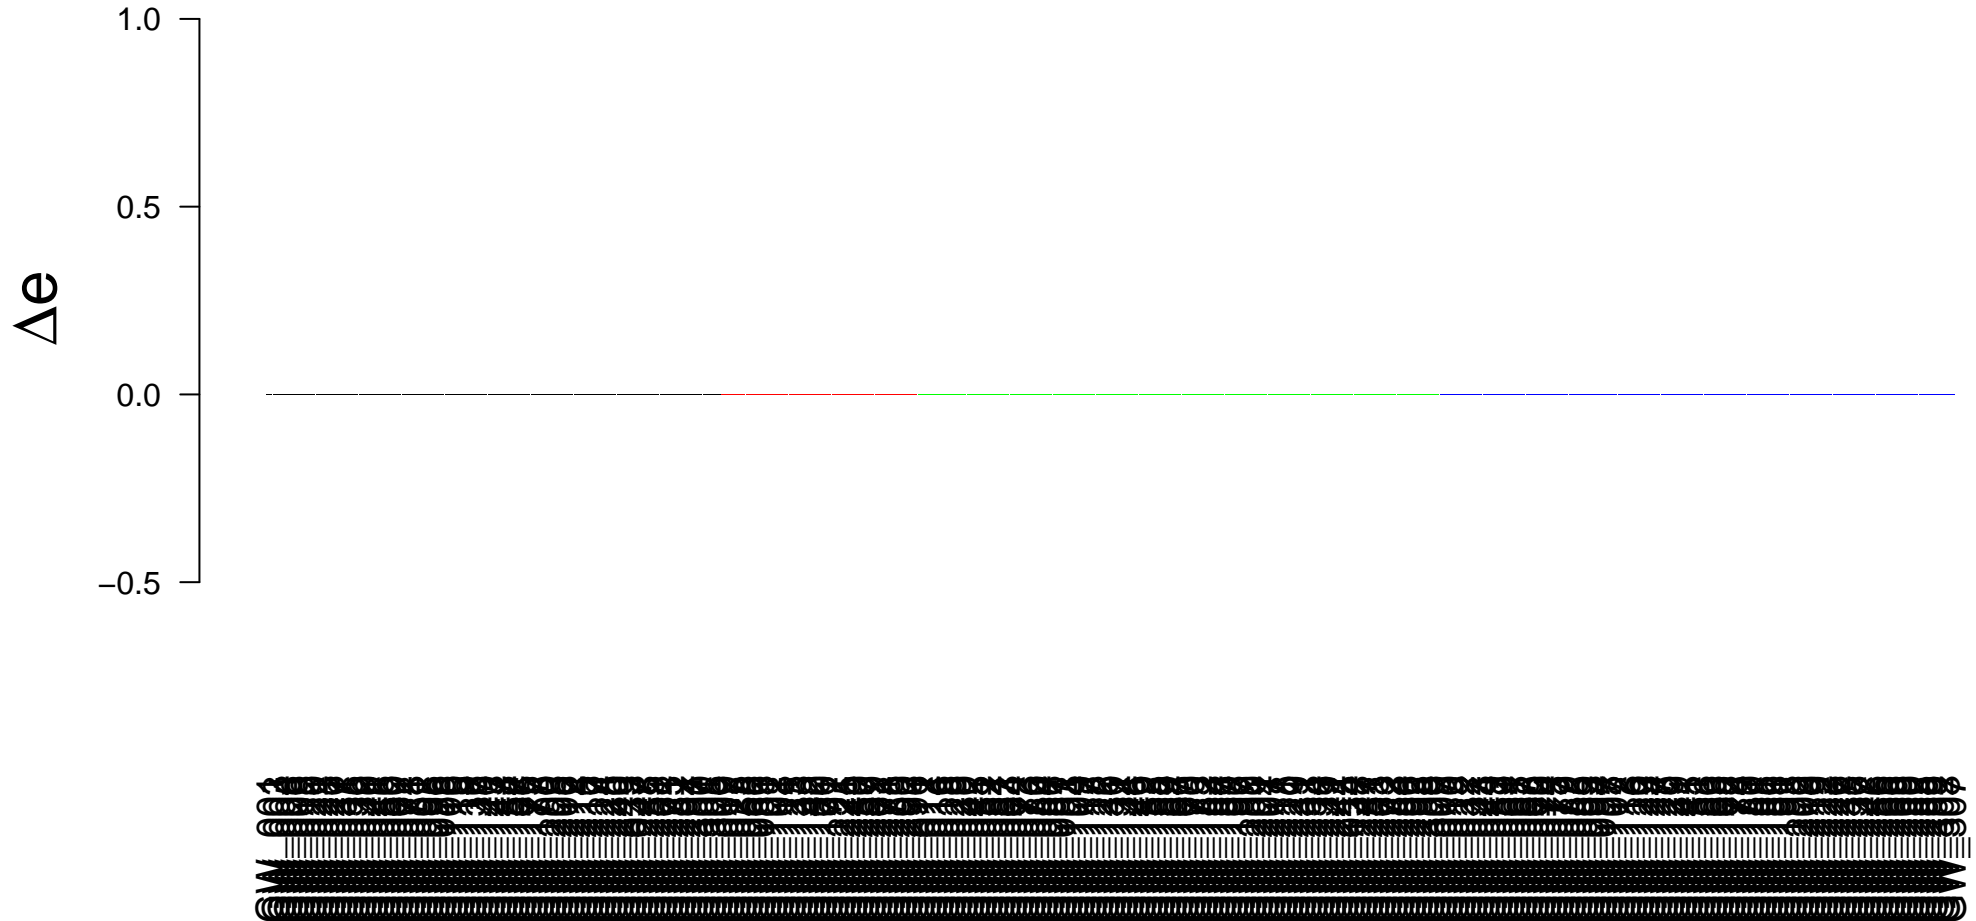

Expression of adenylate cyclase activity in Spot N

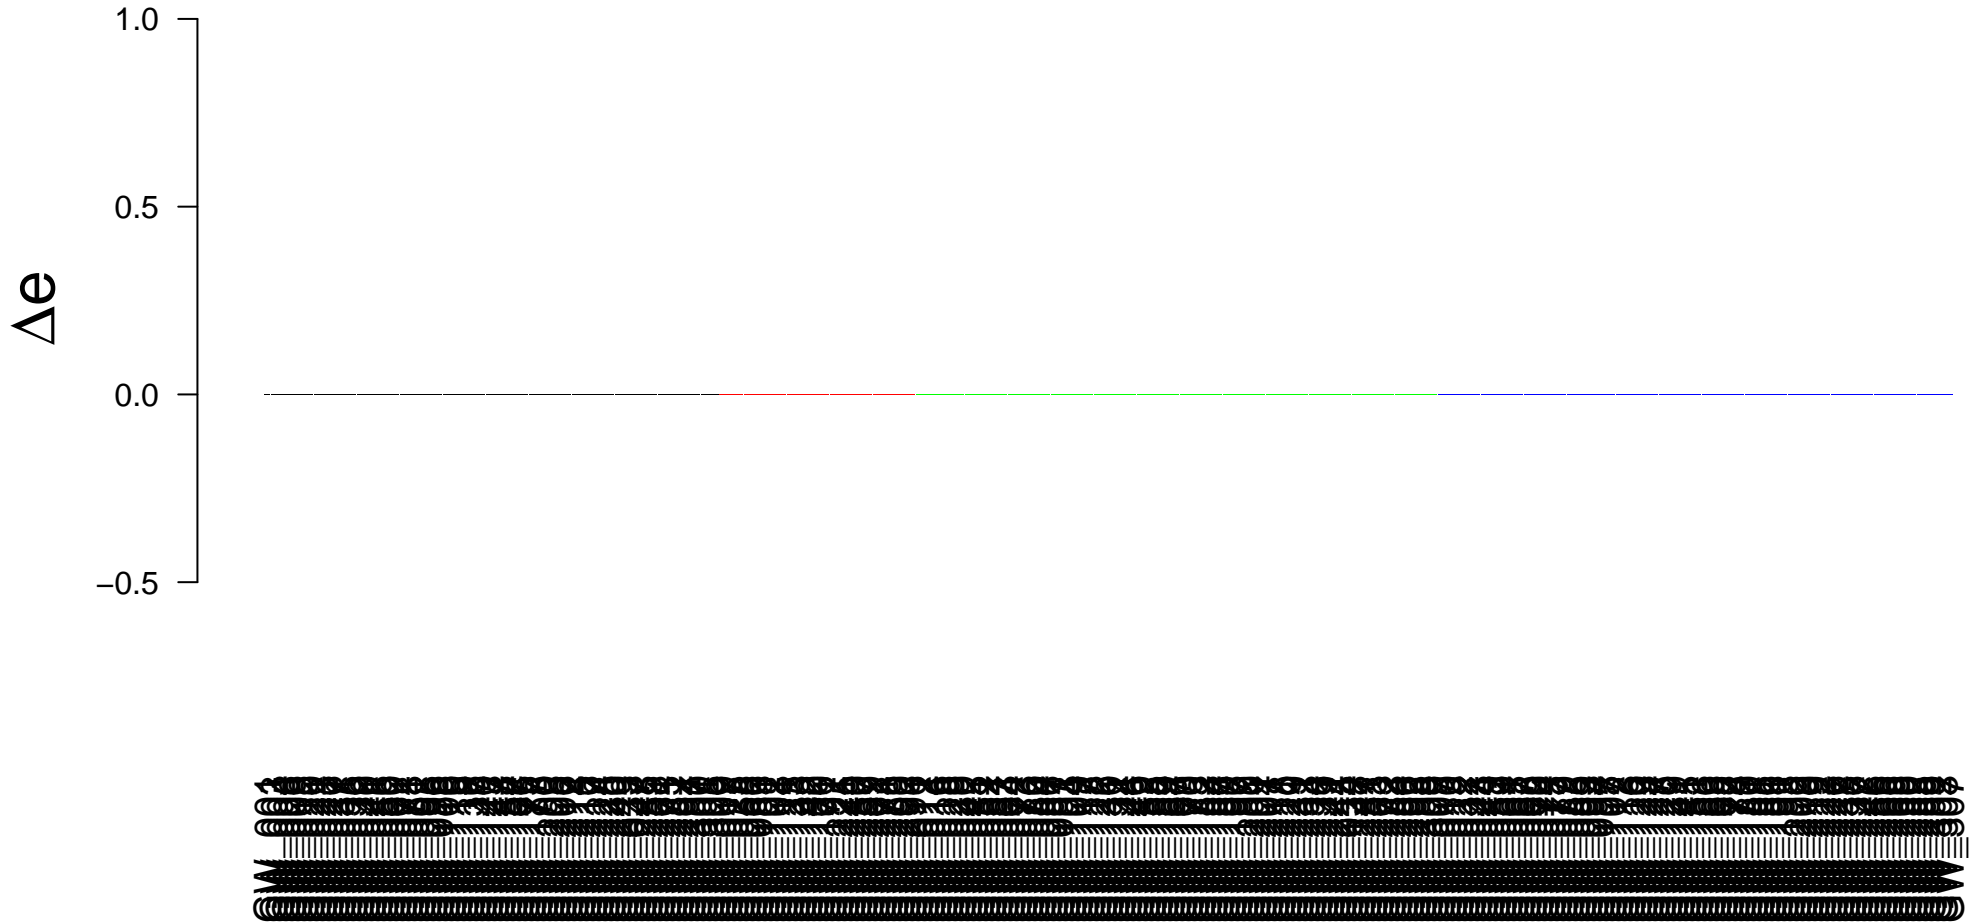

Expression of adenylate cyclase activity in Spot O

Expression of adenylate cyclase activity in Spot P

Expression of adenylate cyclase activity in Spot Q

Expression of adenylate cyclase activity in Spot R
