

amino acid binding

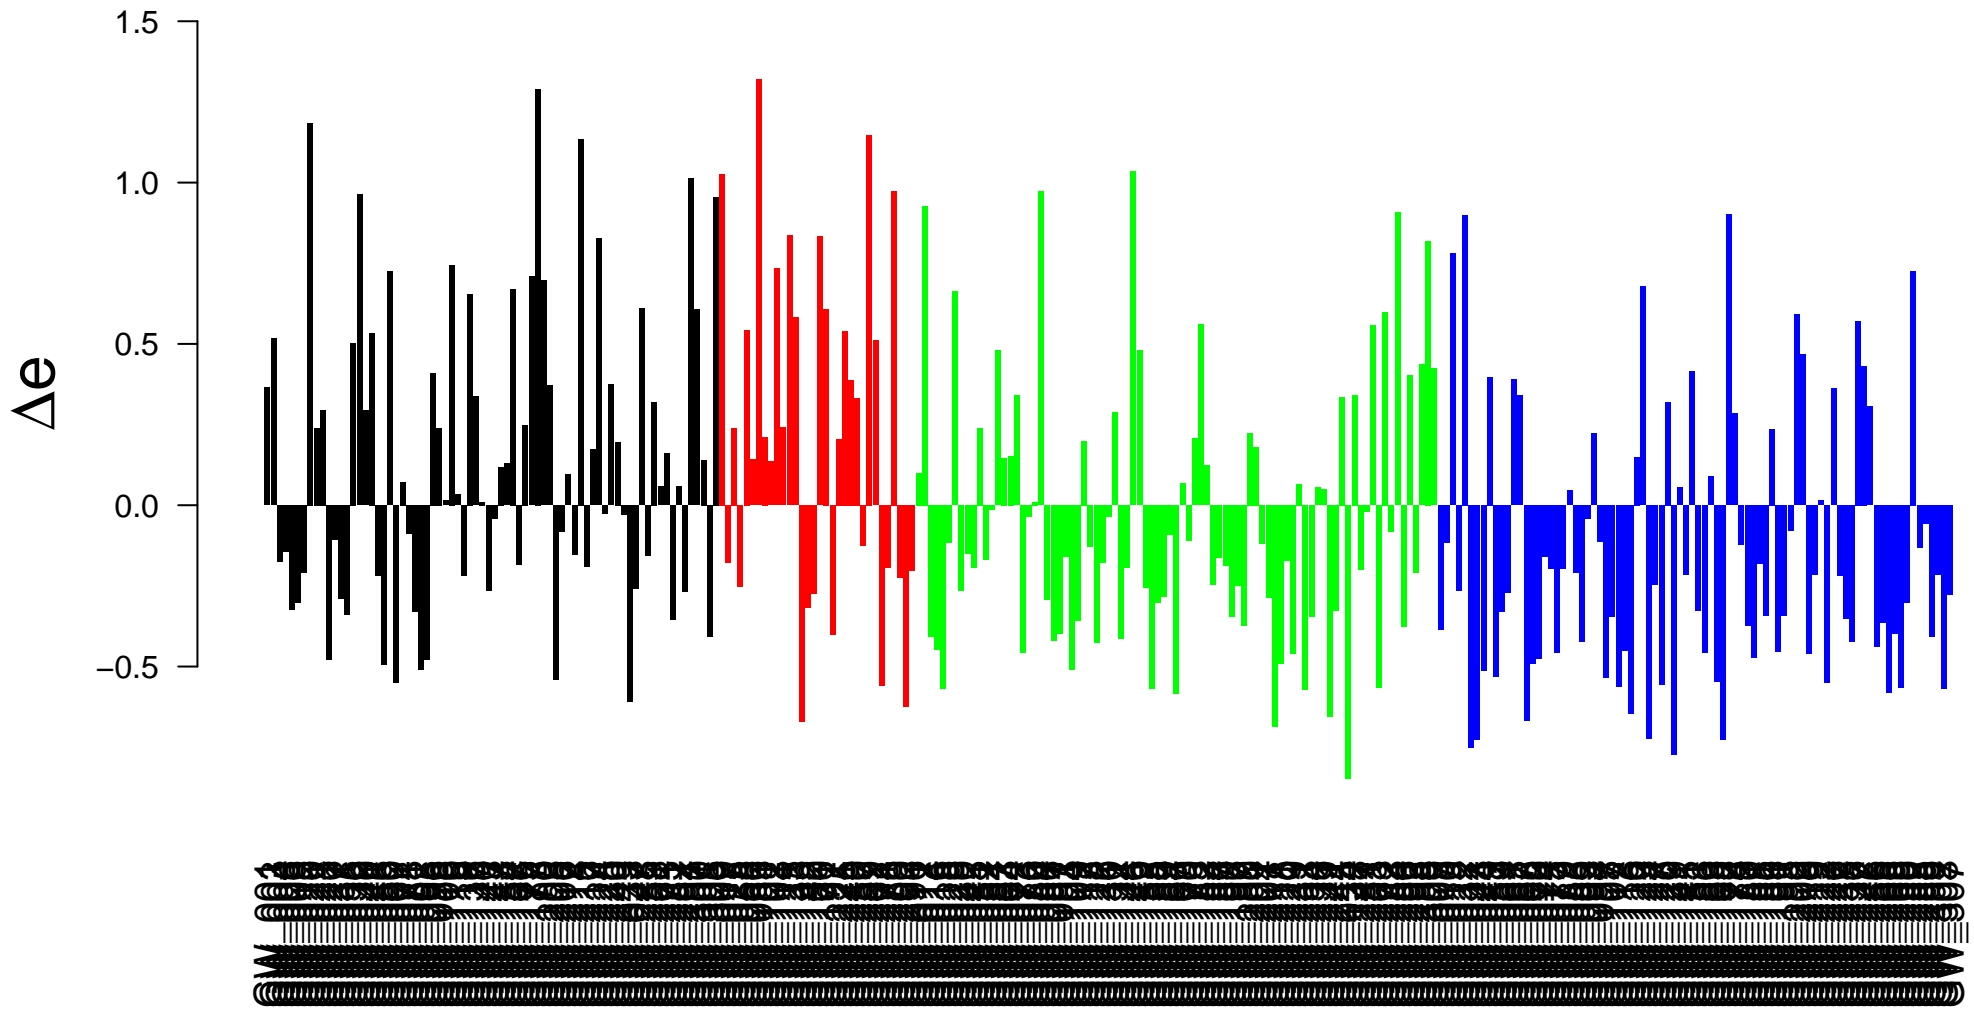

amino acid binding

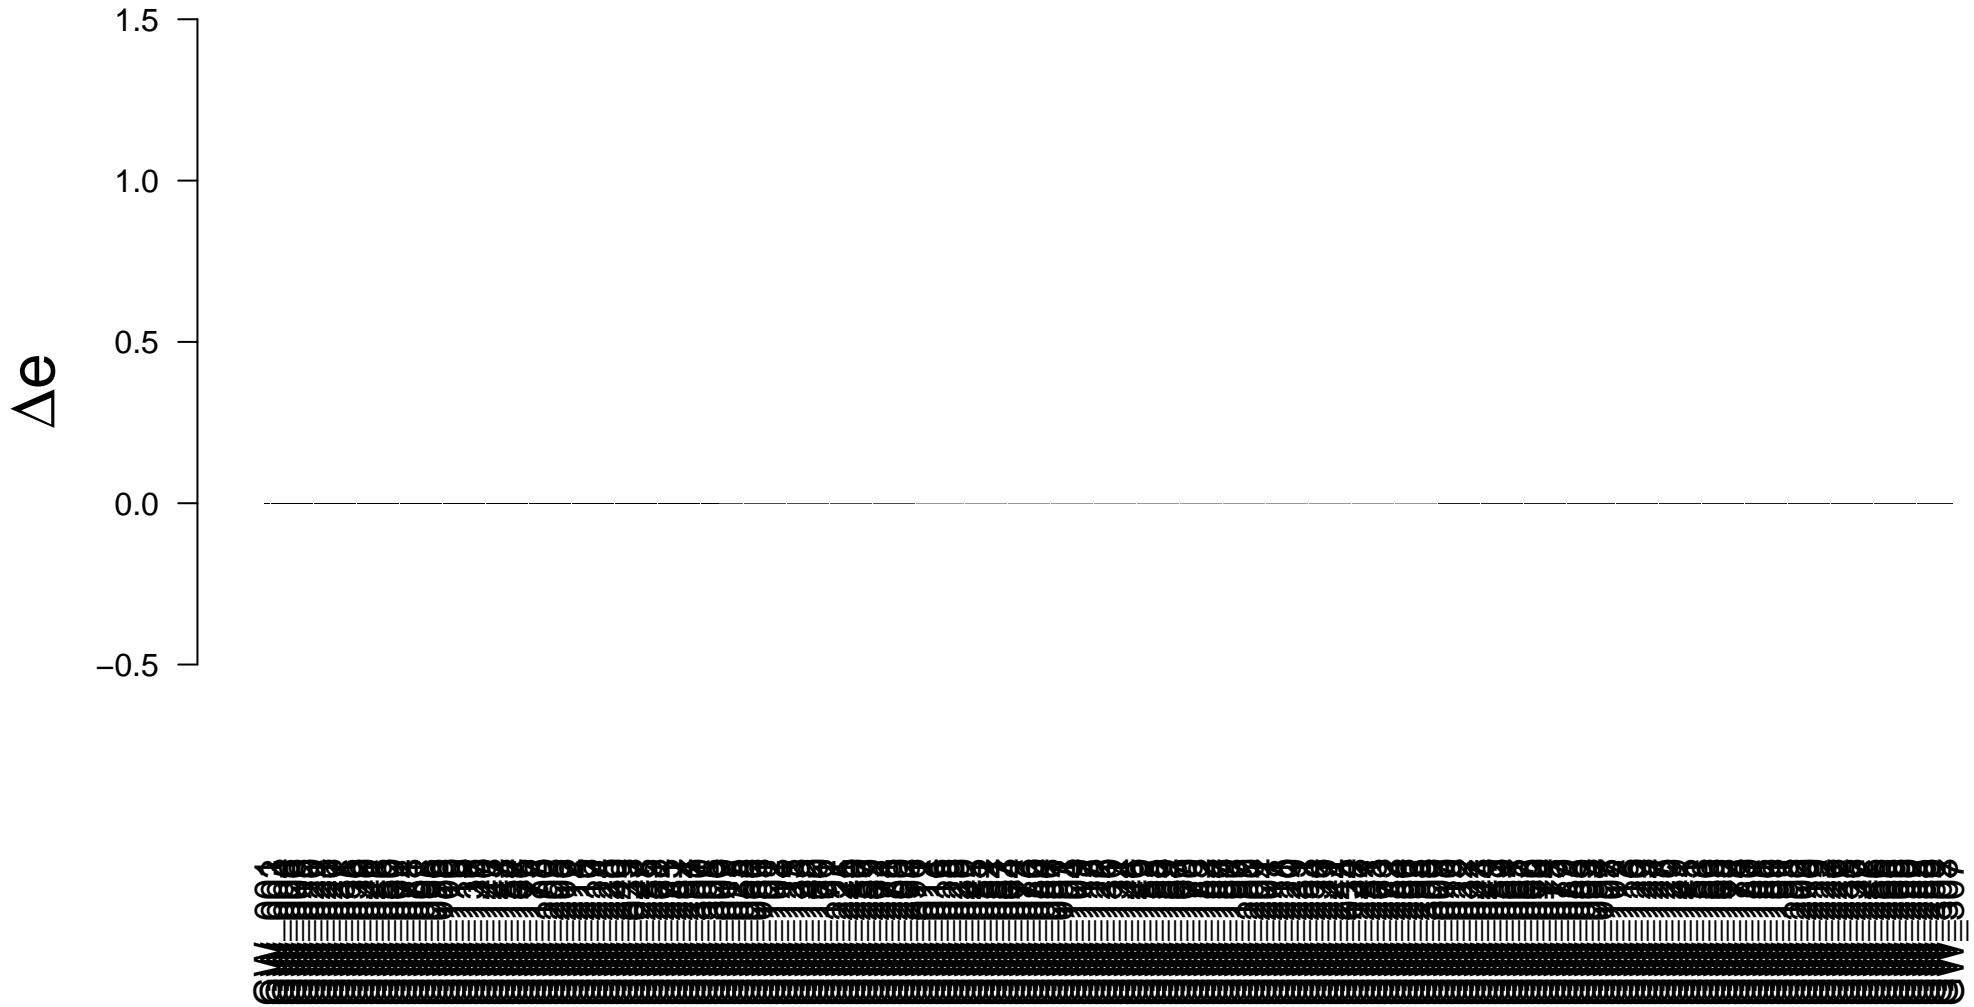

Enrichment in spots: amino acid binding

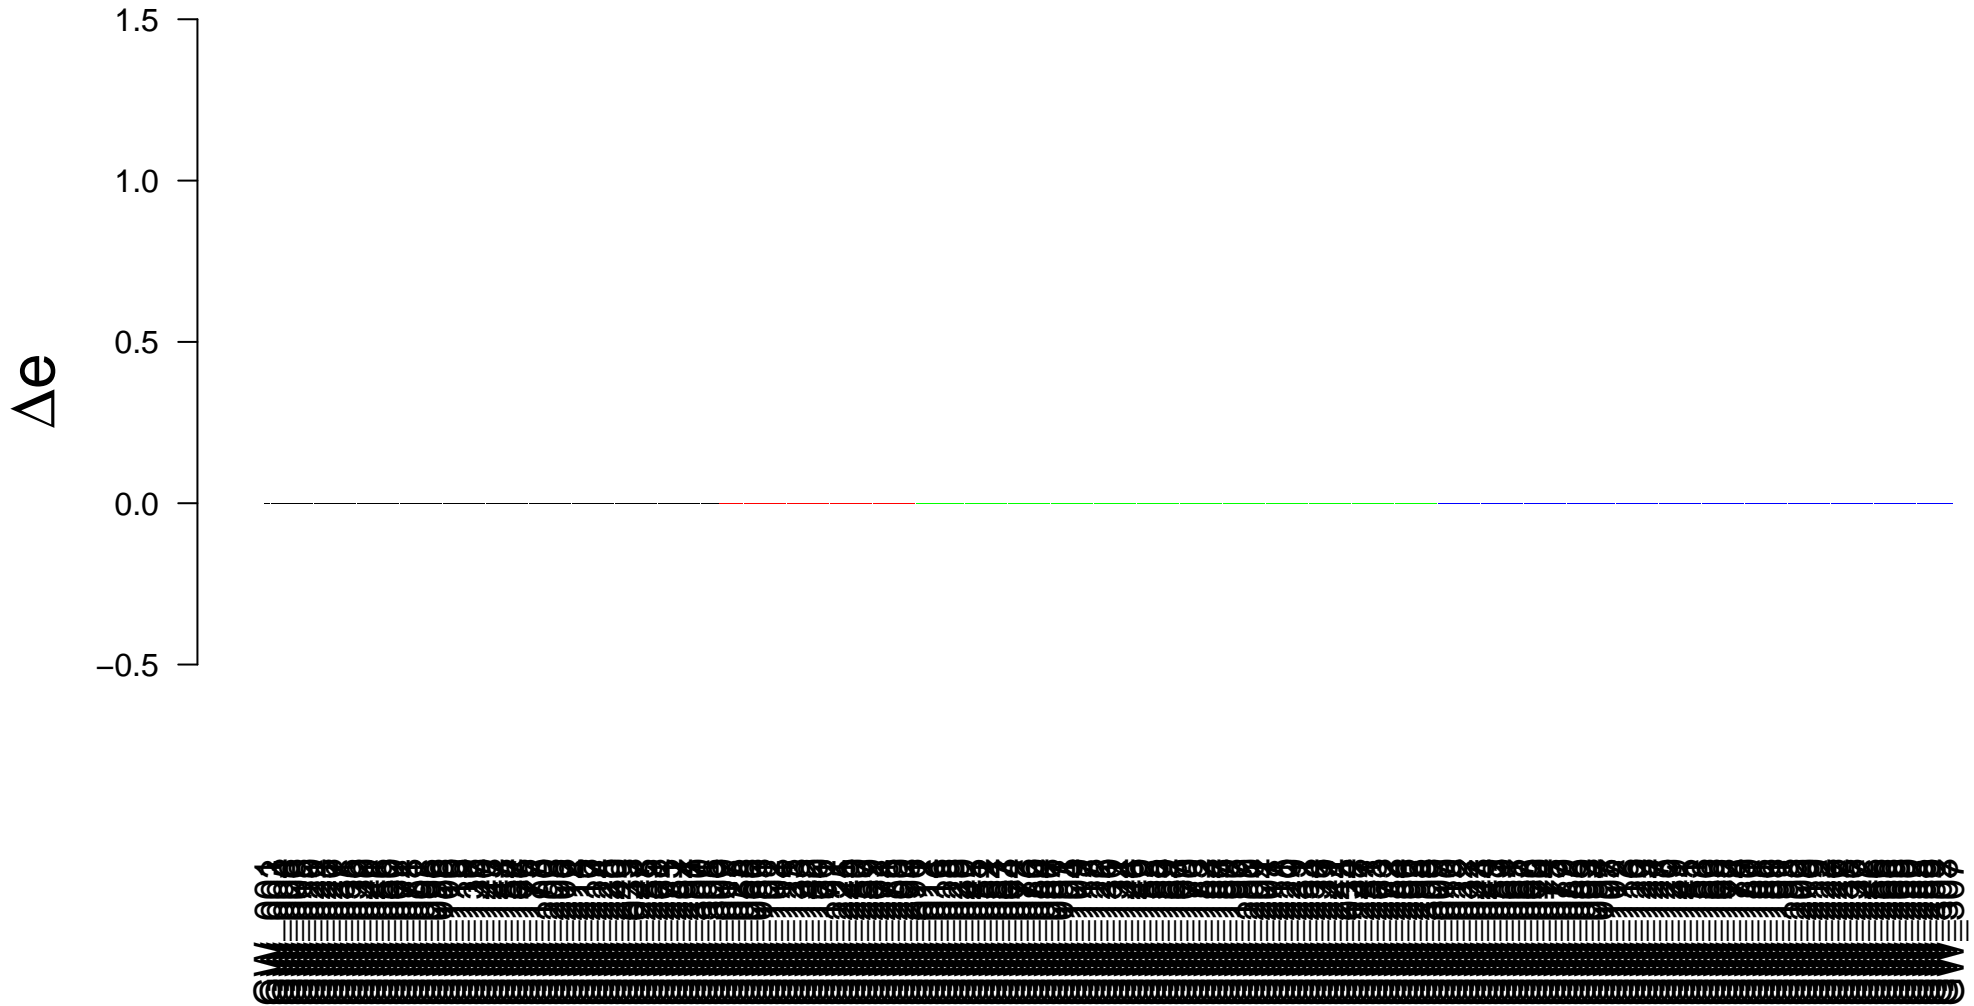

Expression of amino acid binding in Spot A

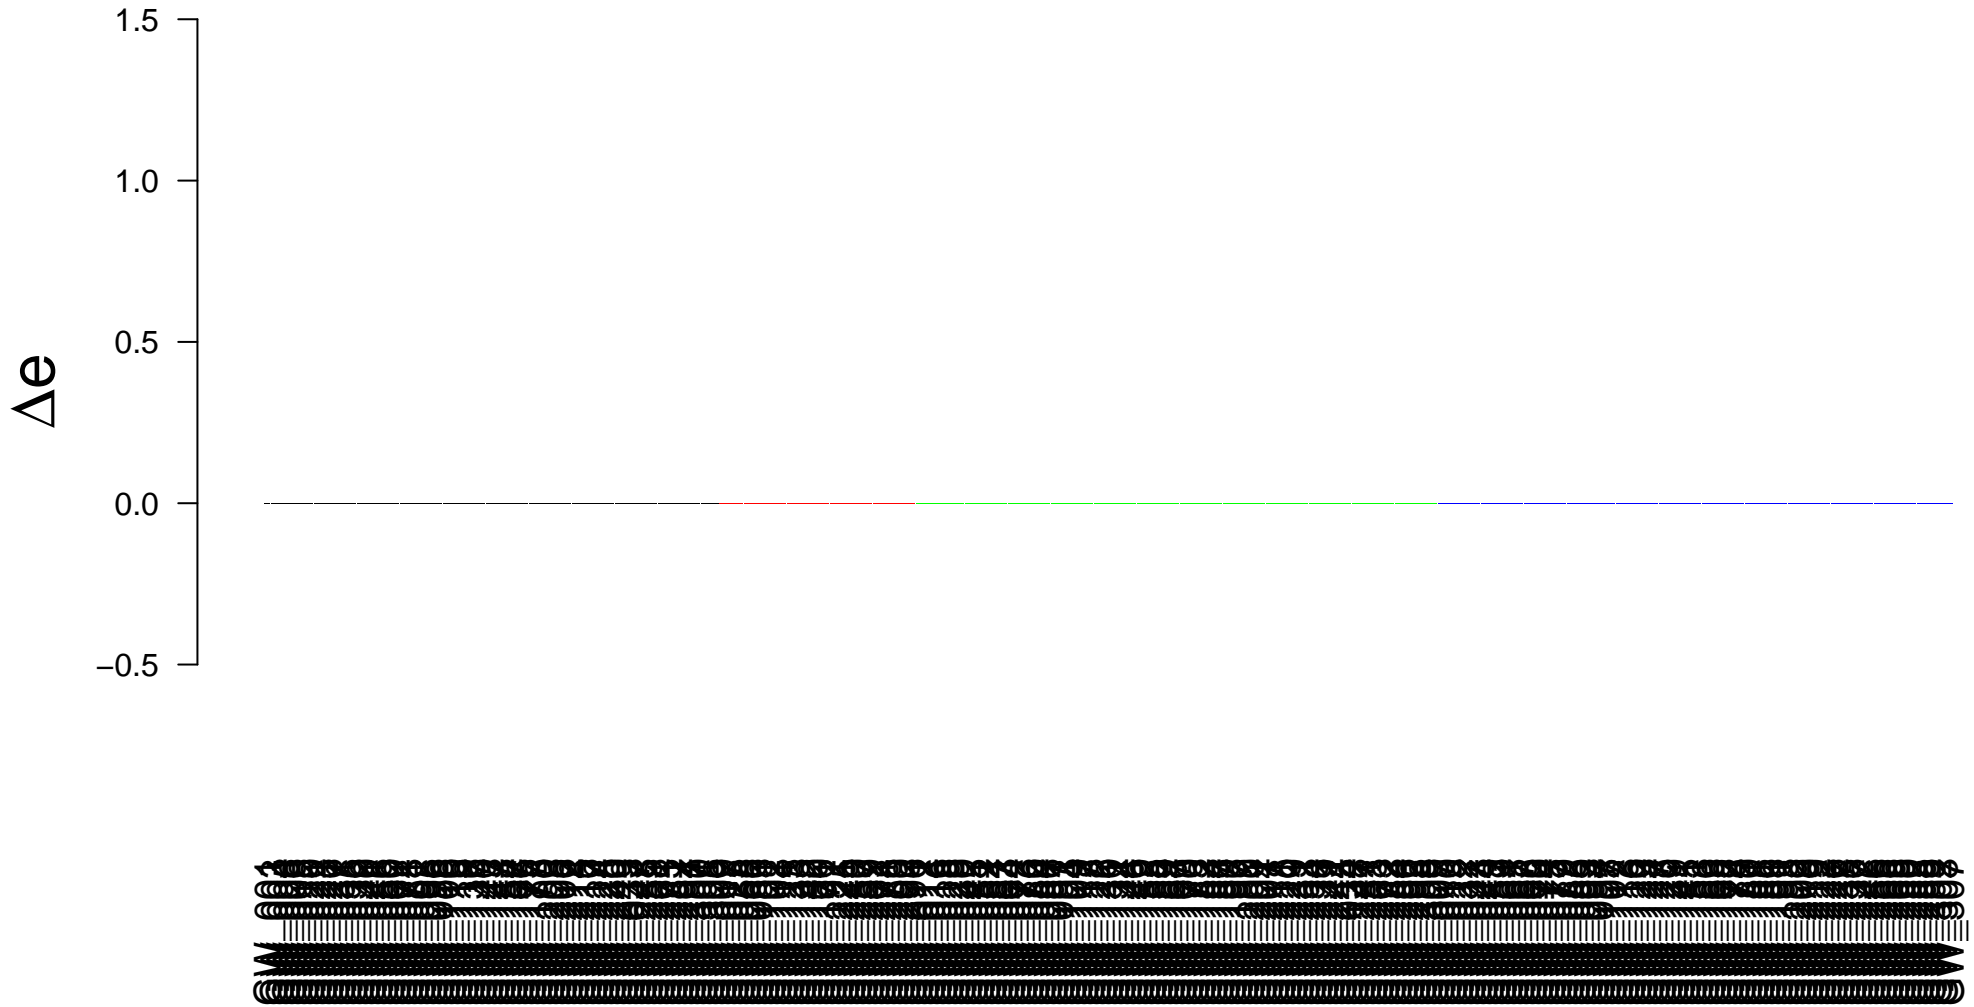

Expression of amino acid binding in Spot B

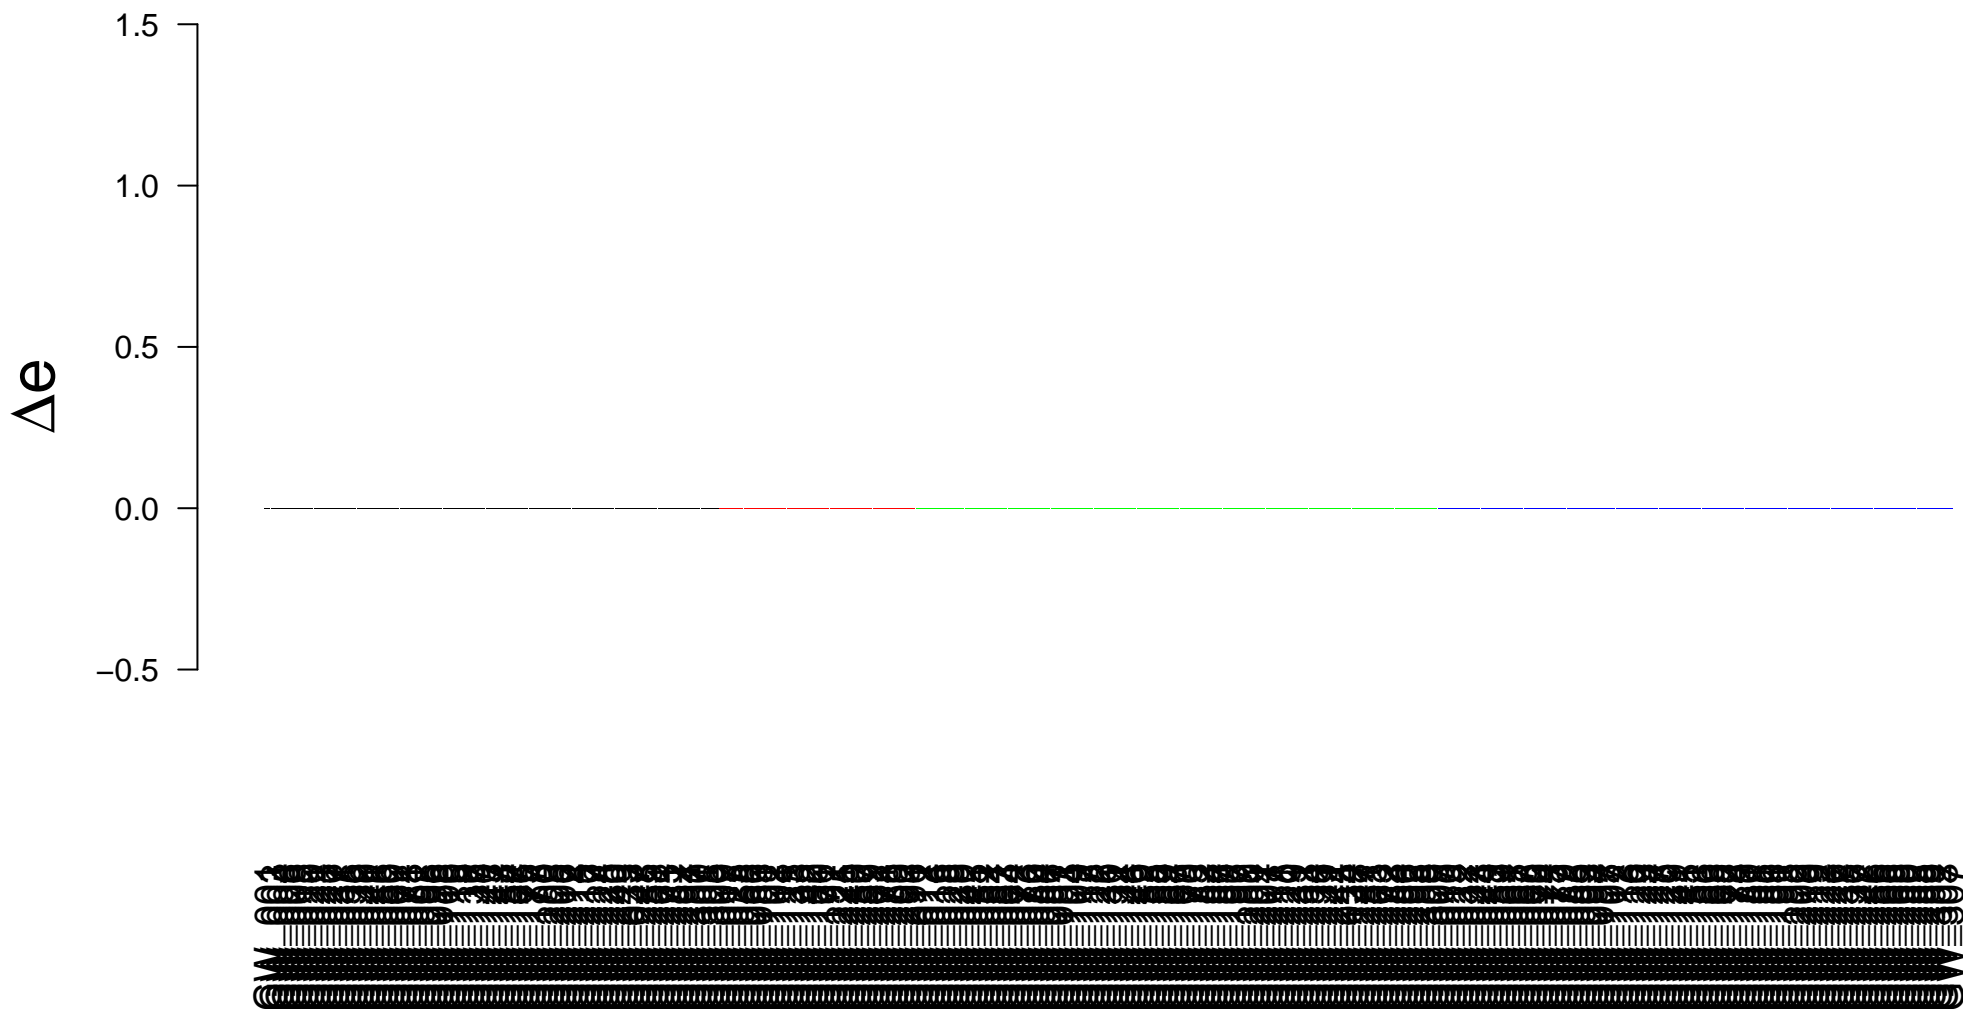

Expression of amino acid binding in Spot C

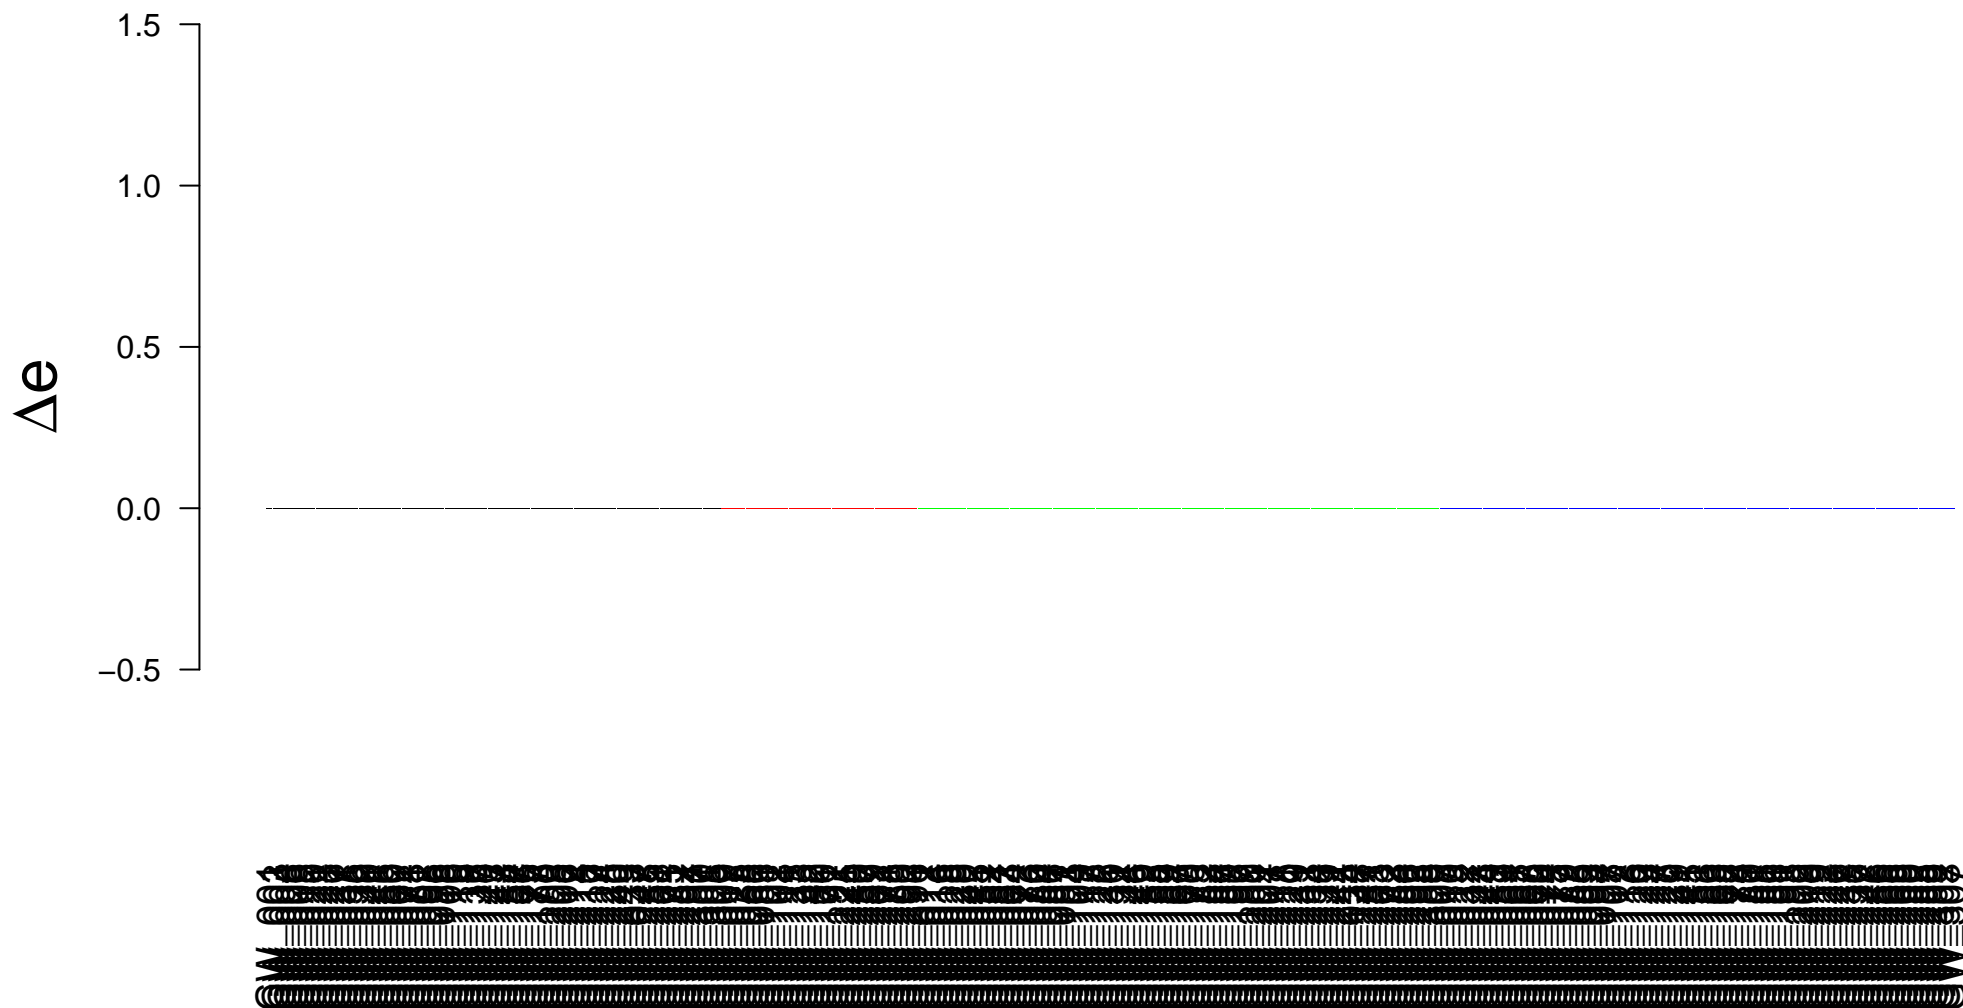

Expression of amino acid binding in Spot D

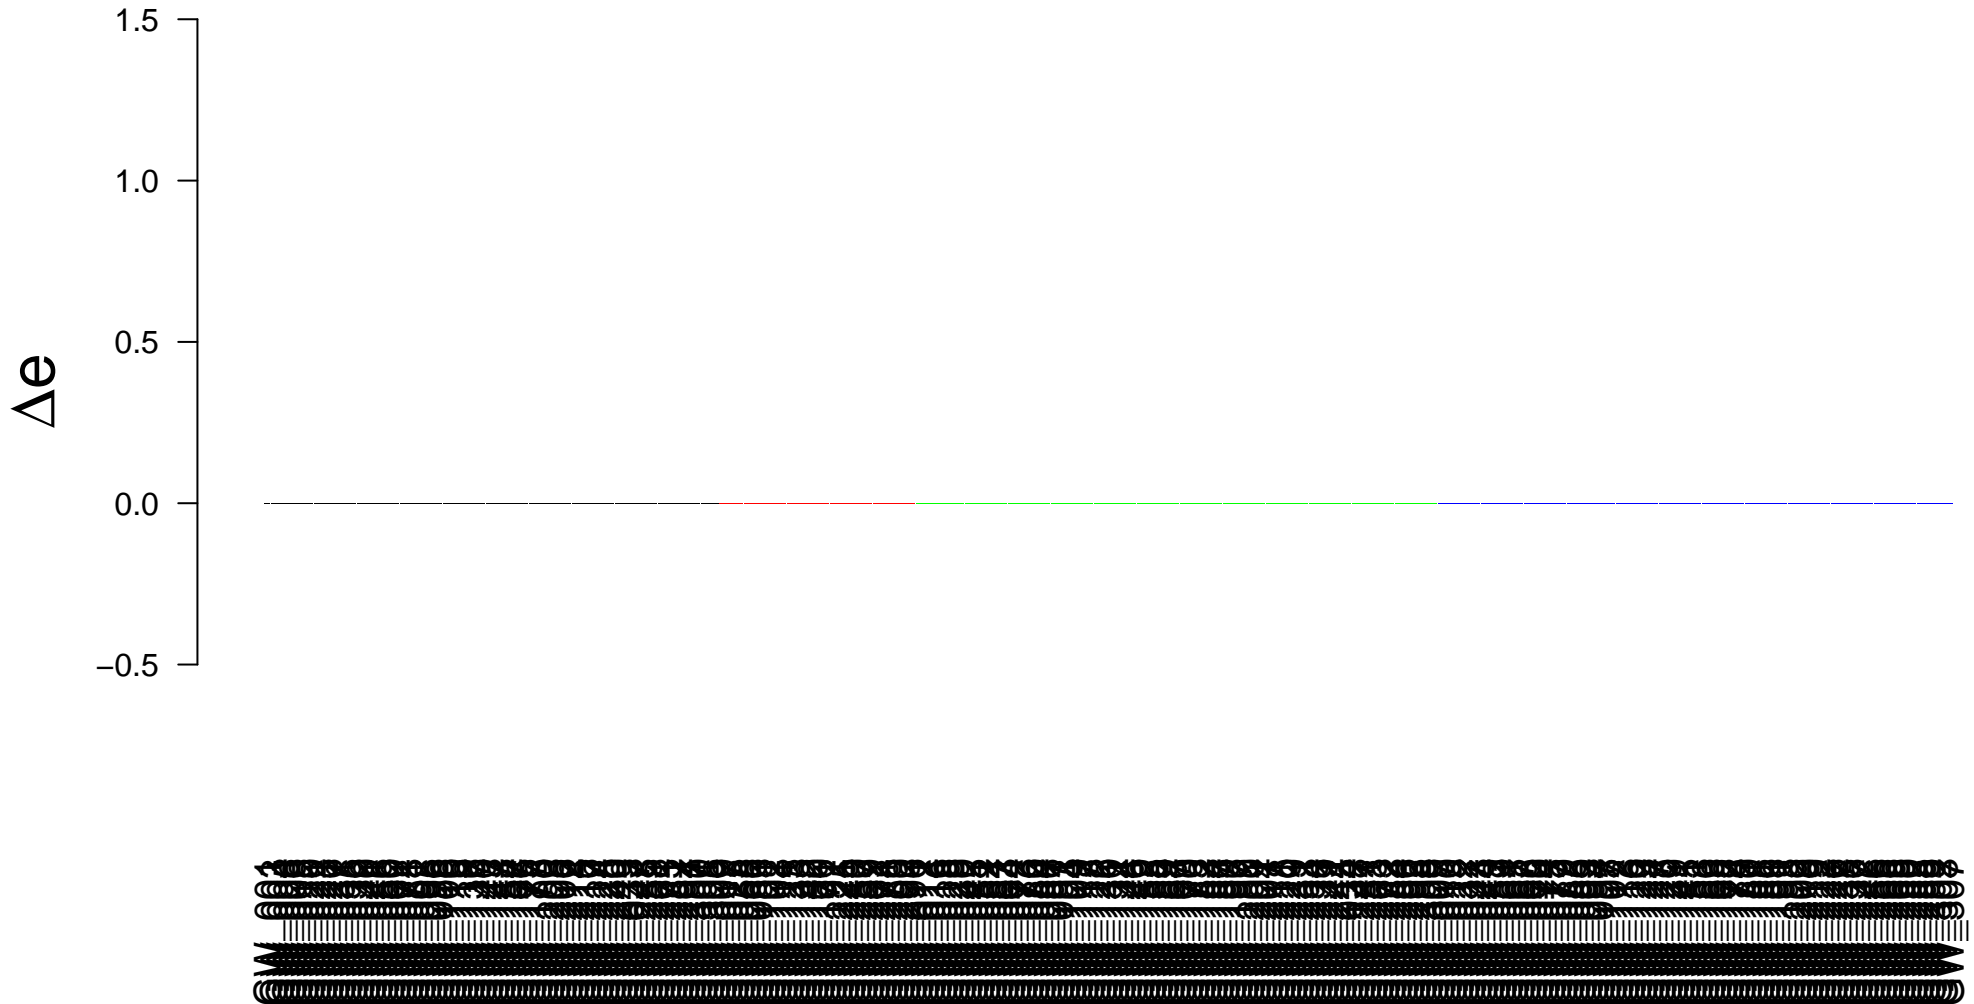

Expression of amino acid binding in Spot E

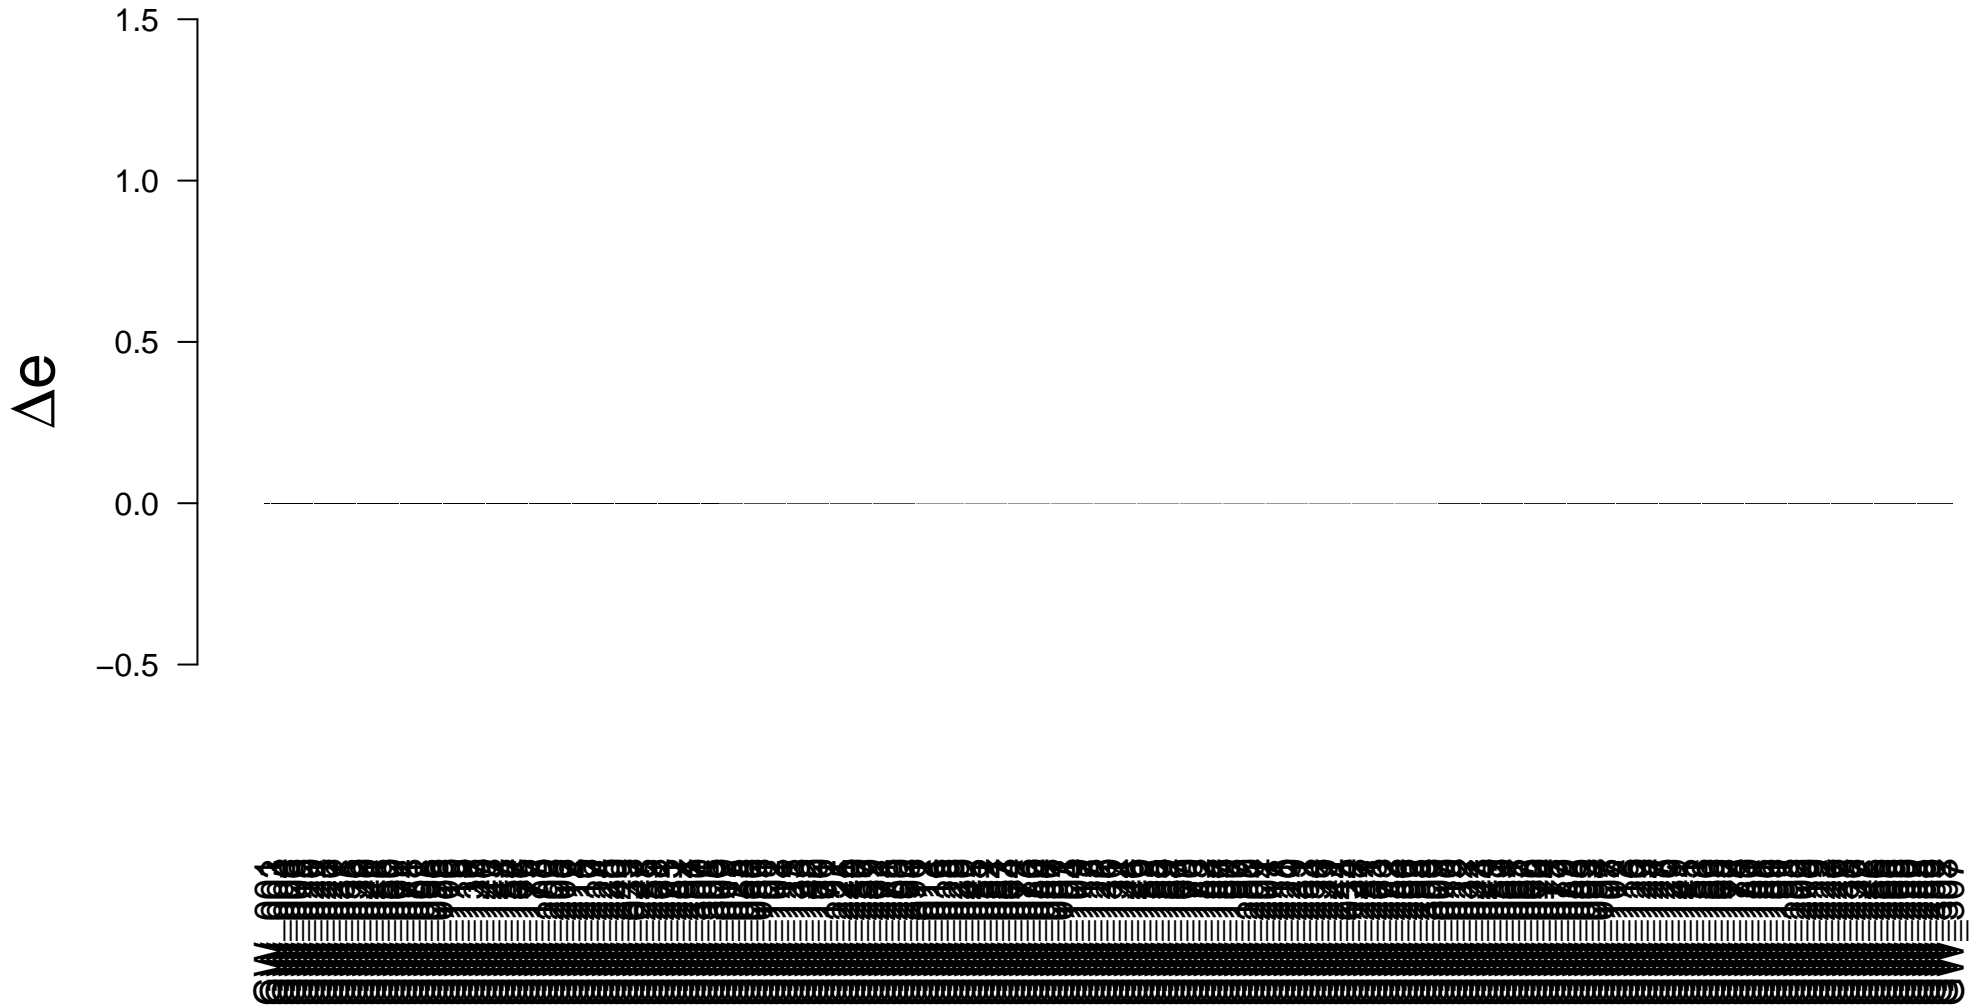

Expression of amino acid binding in Spot F

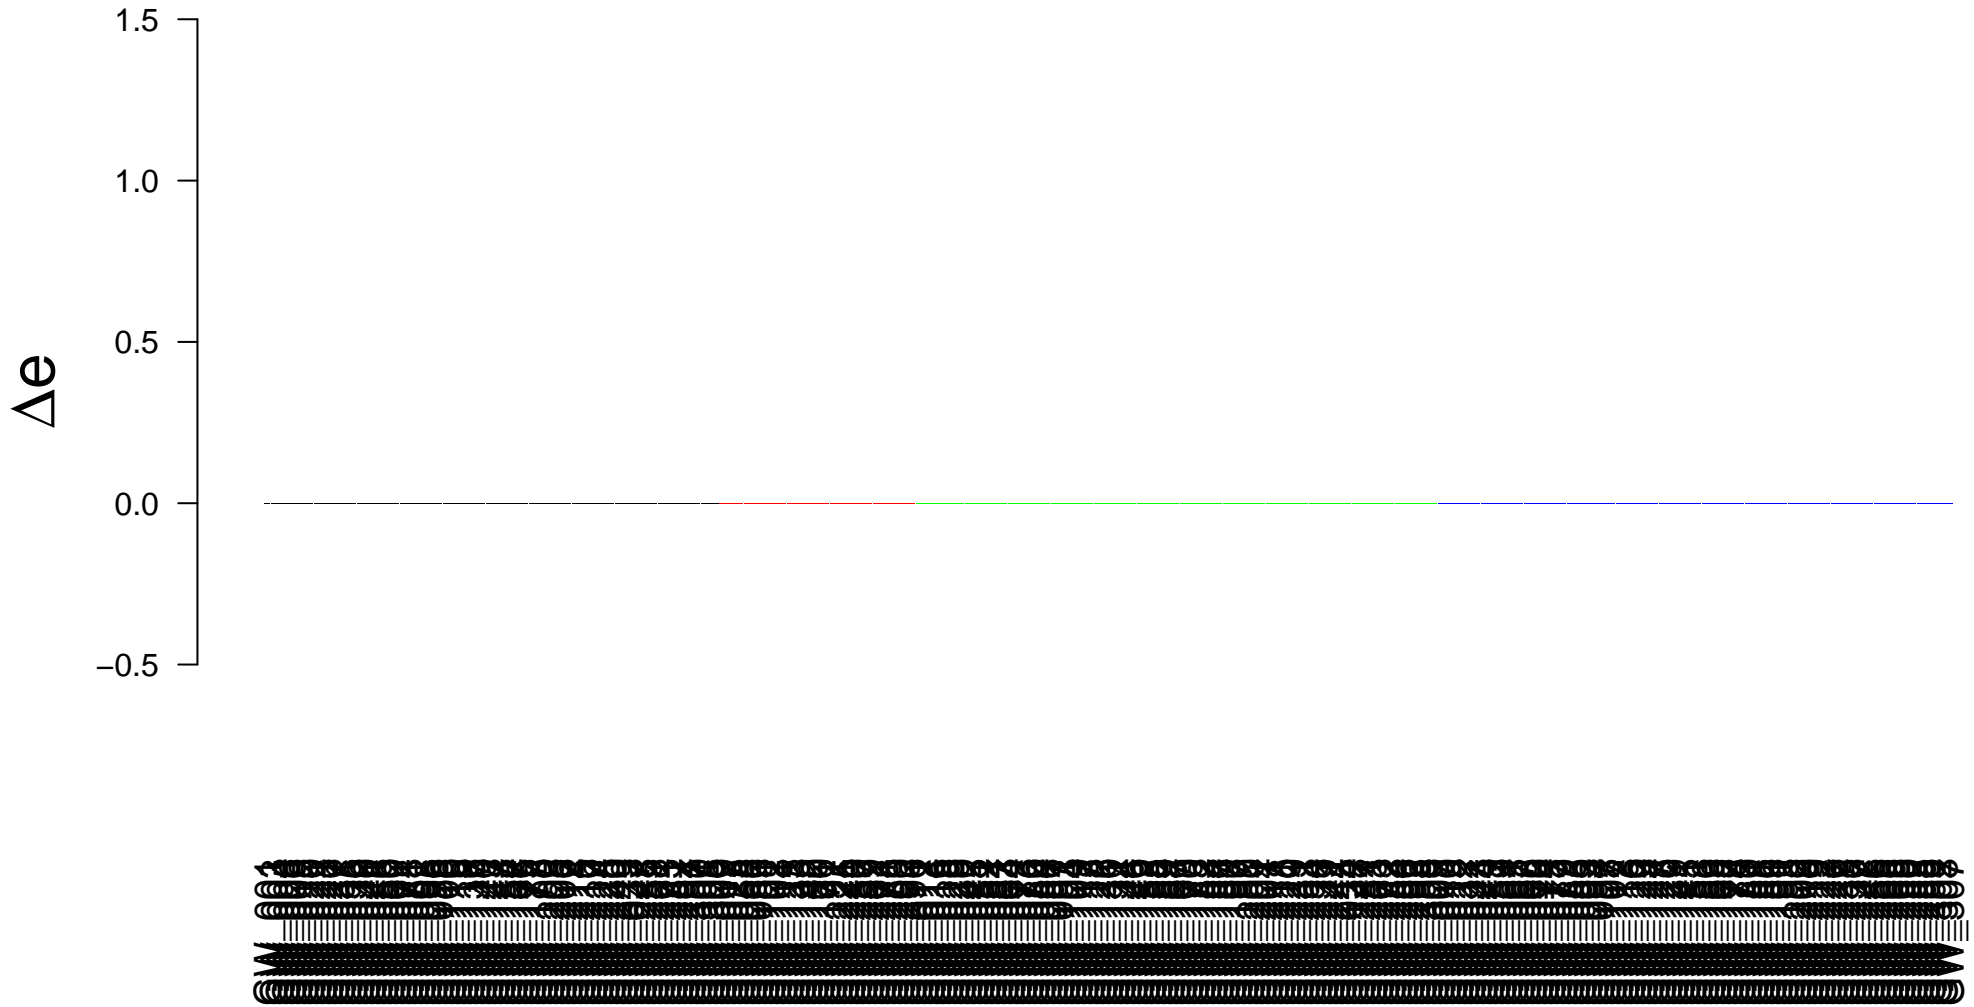

Expression of amino acid binding in Spot G

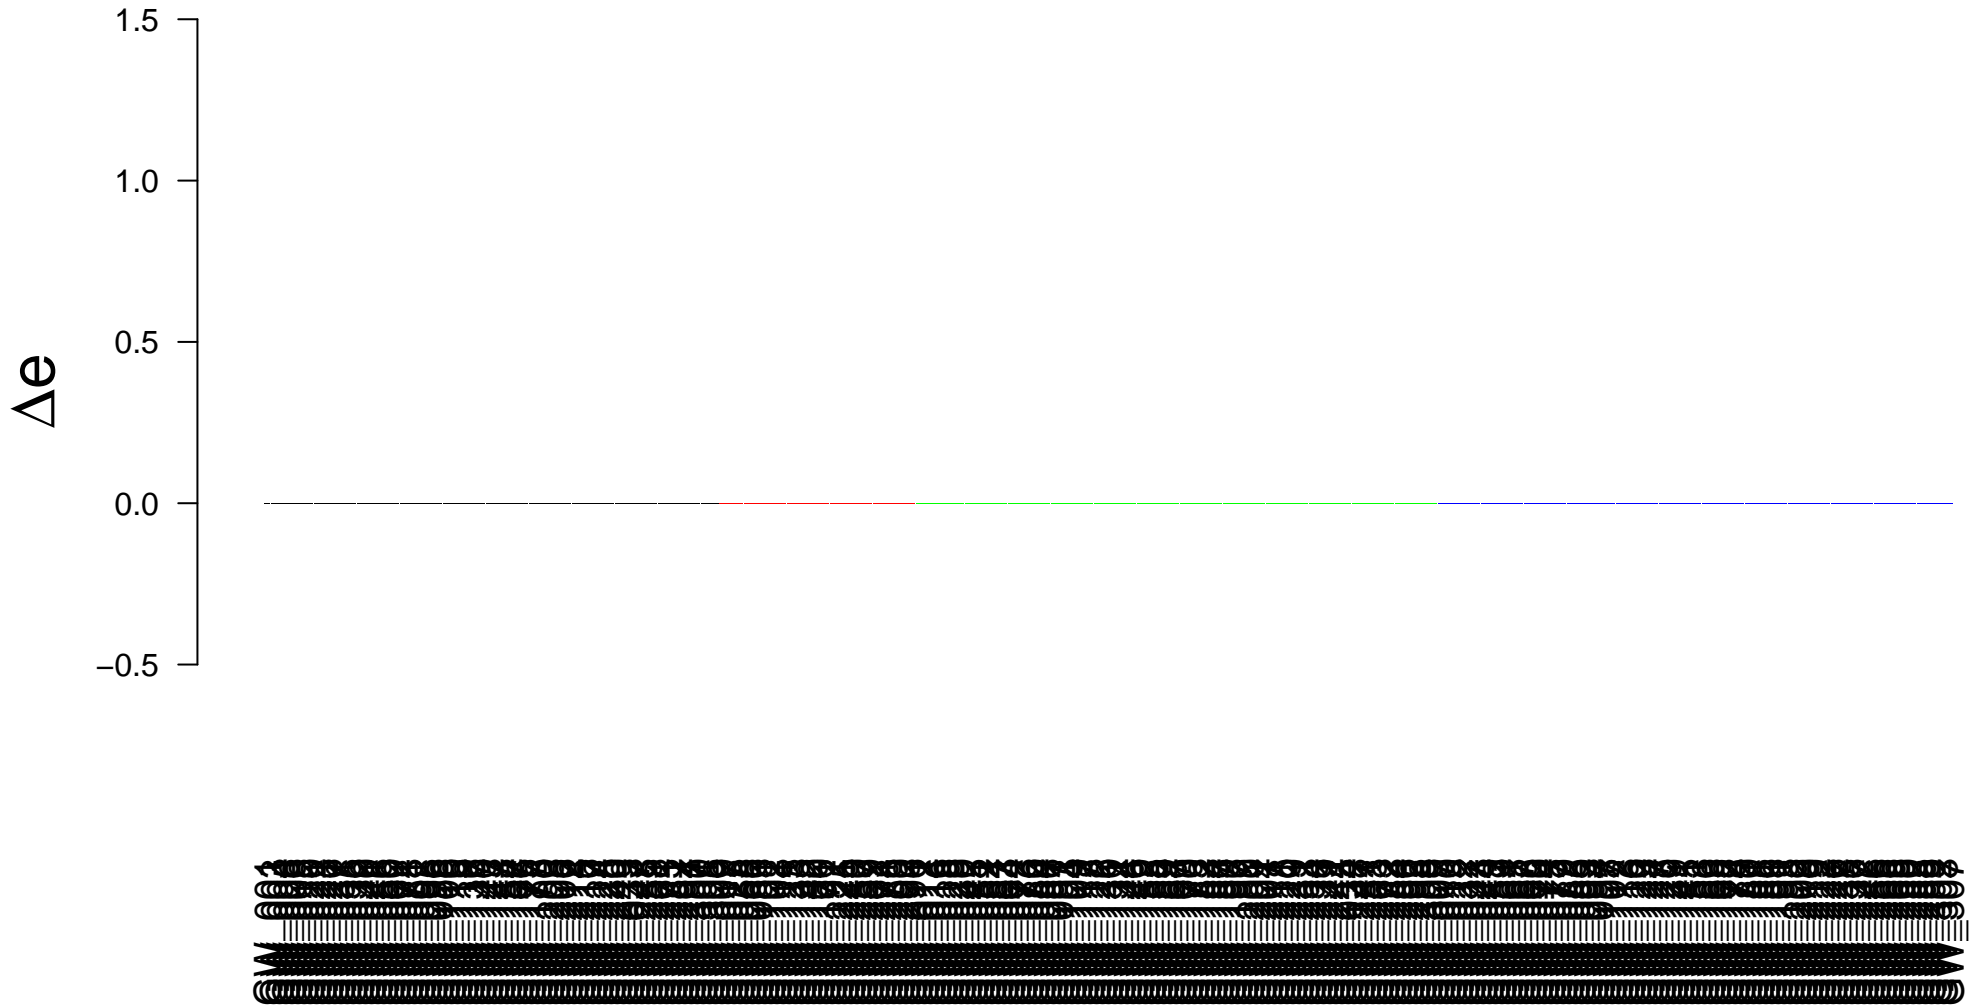

Expression of amino acid binding in Spot H

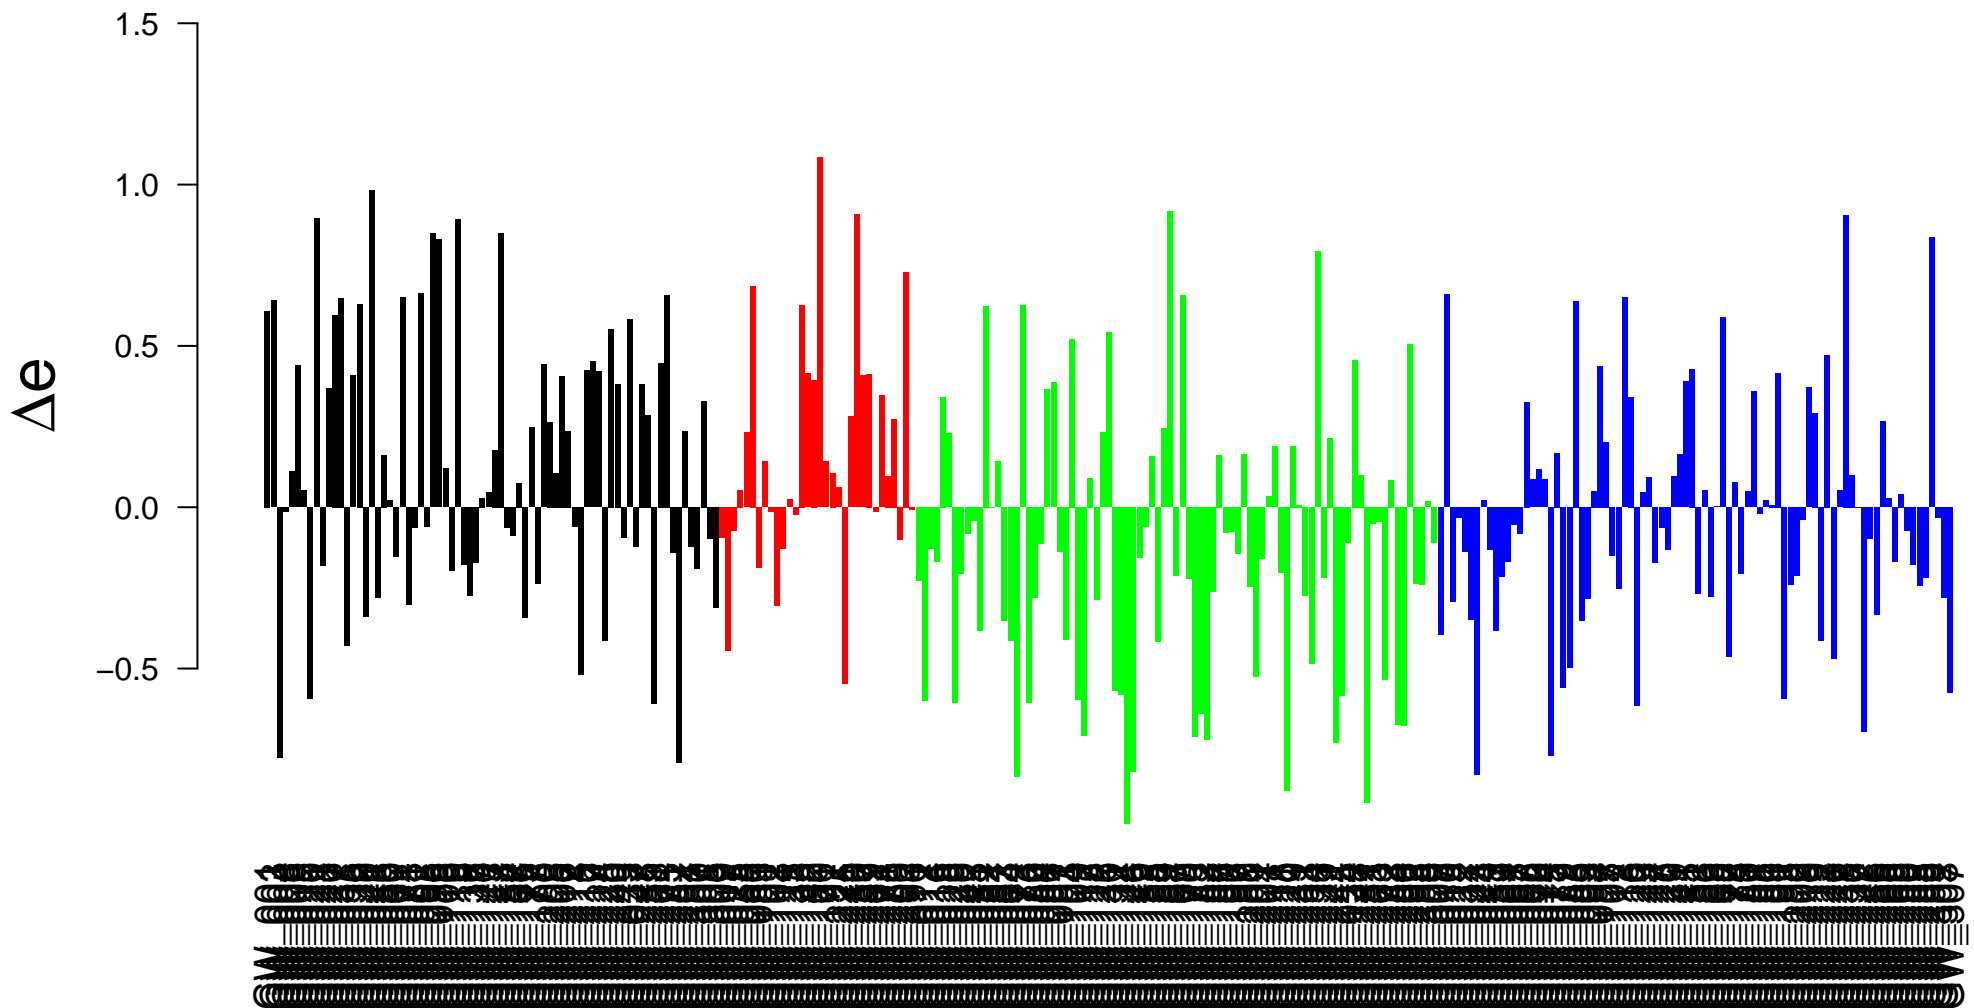

Expression of amino acid binding in Spot I

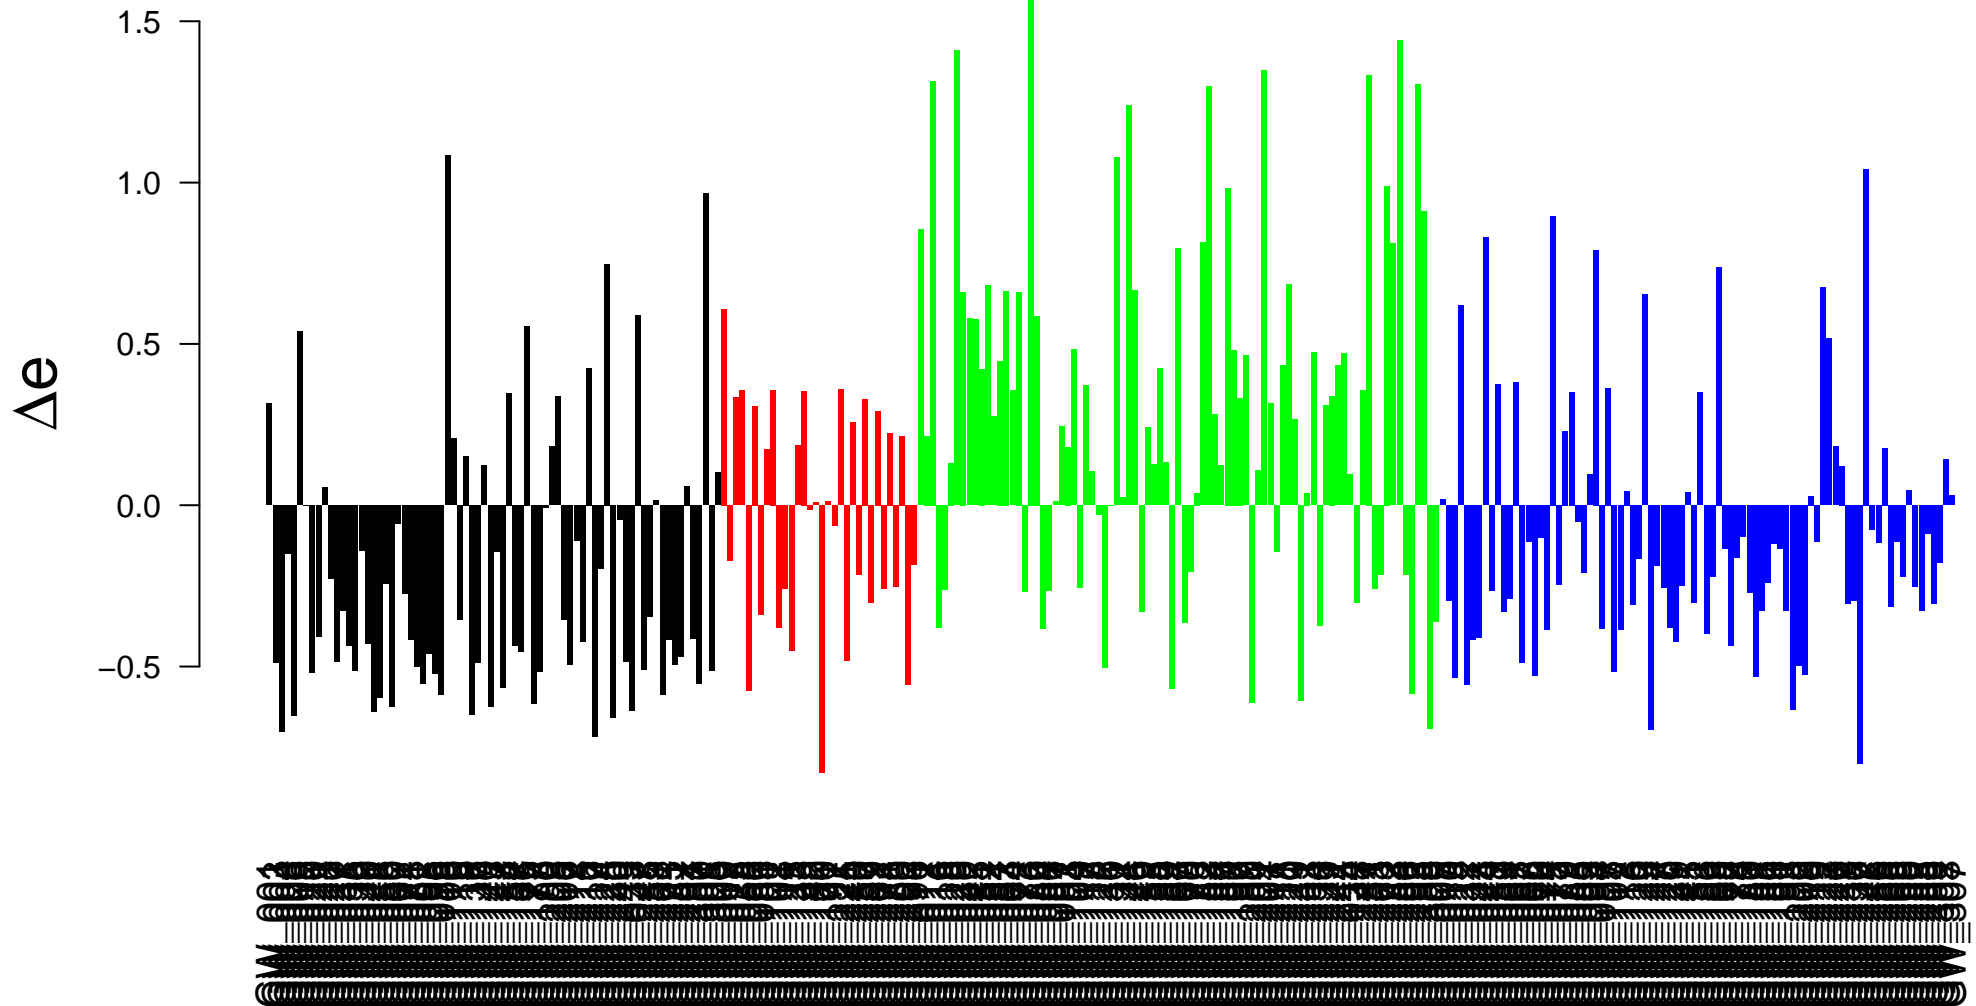

Expression of amino acid binding in Spot J

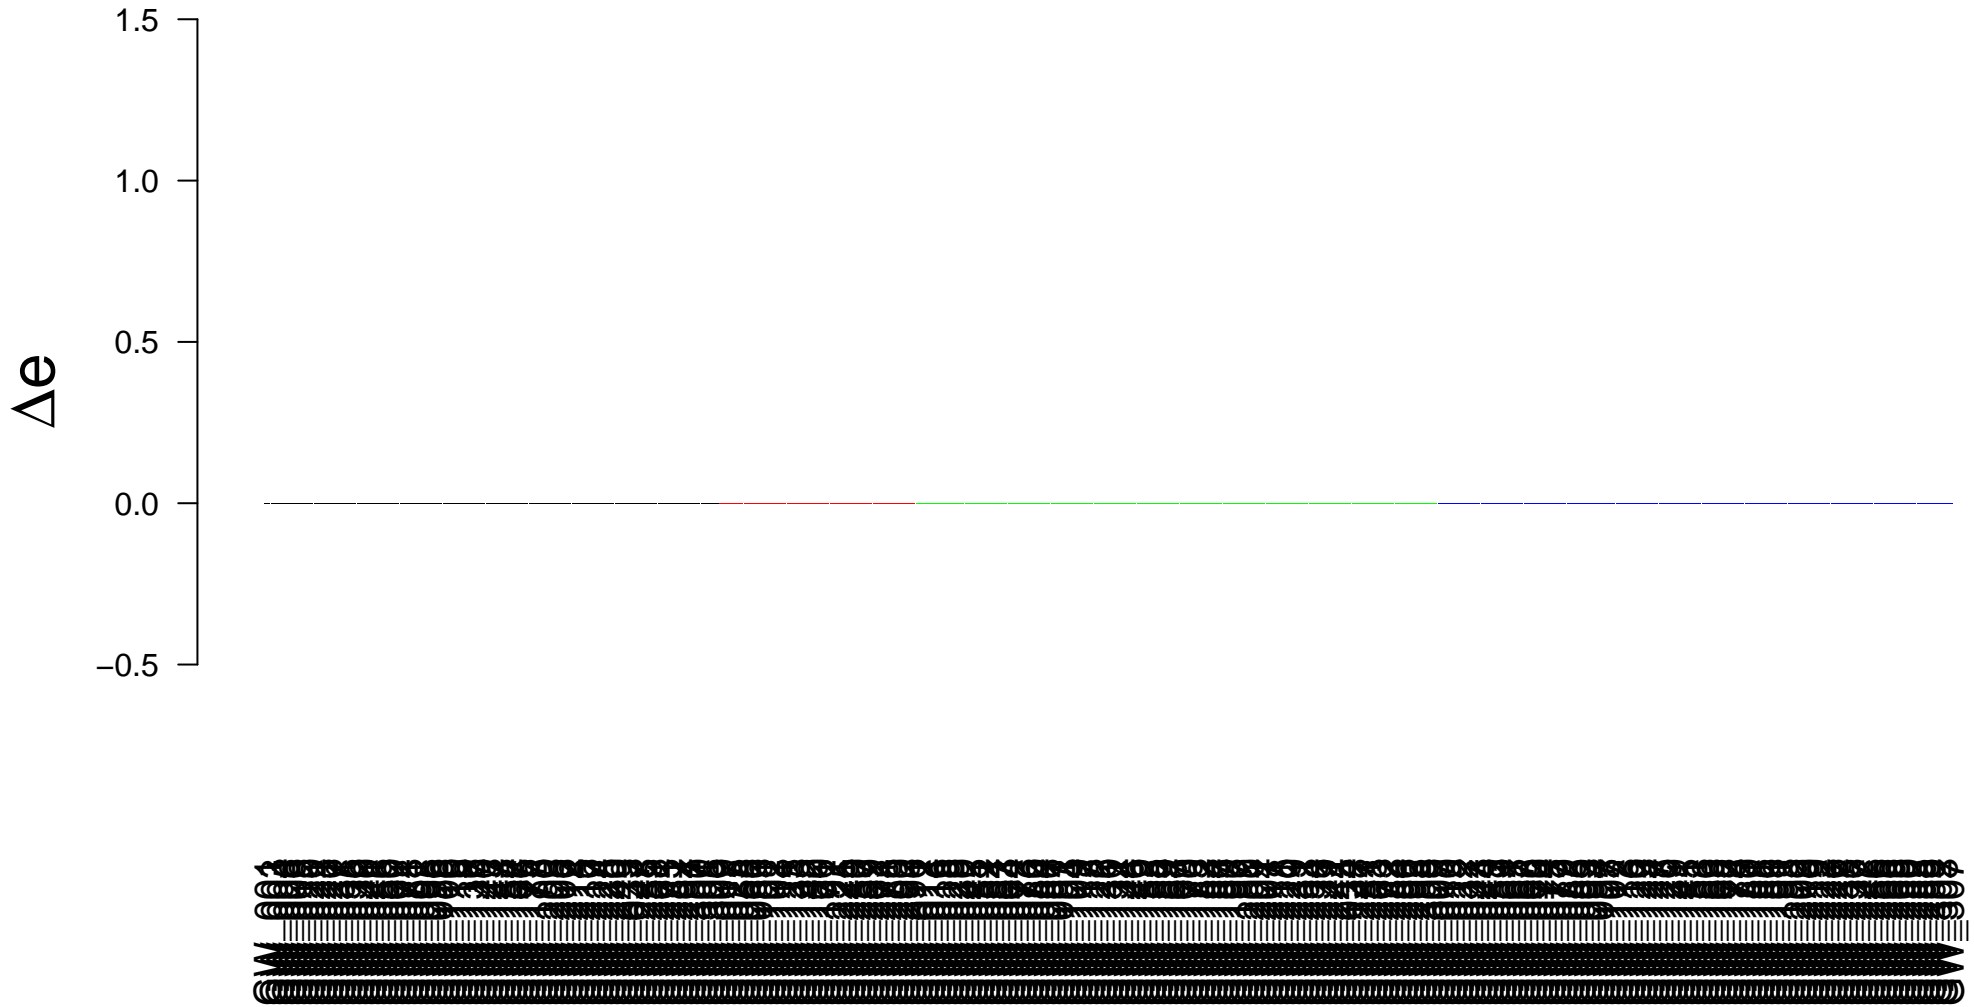

Expression of amino acid binding in Spot K

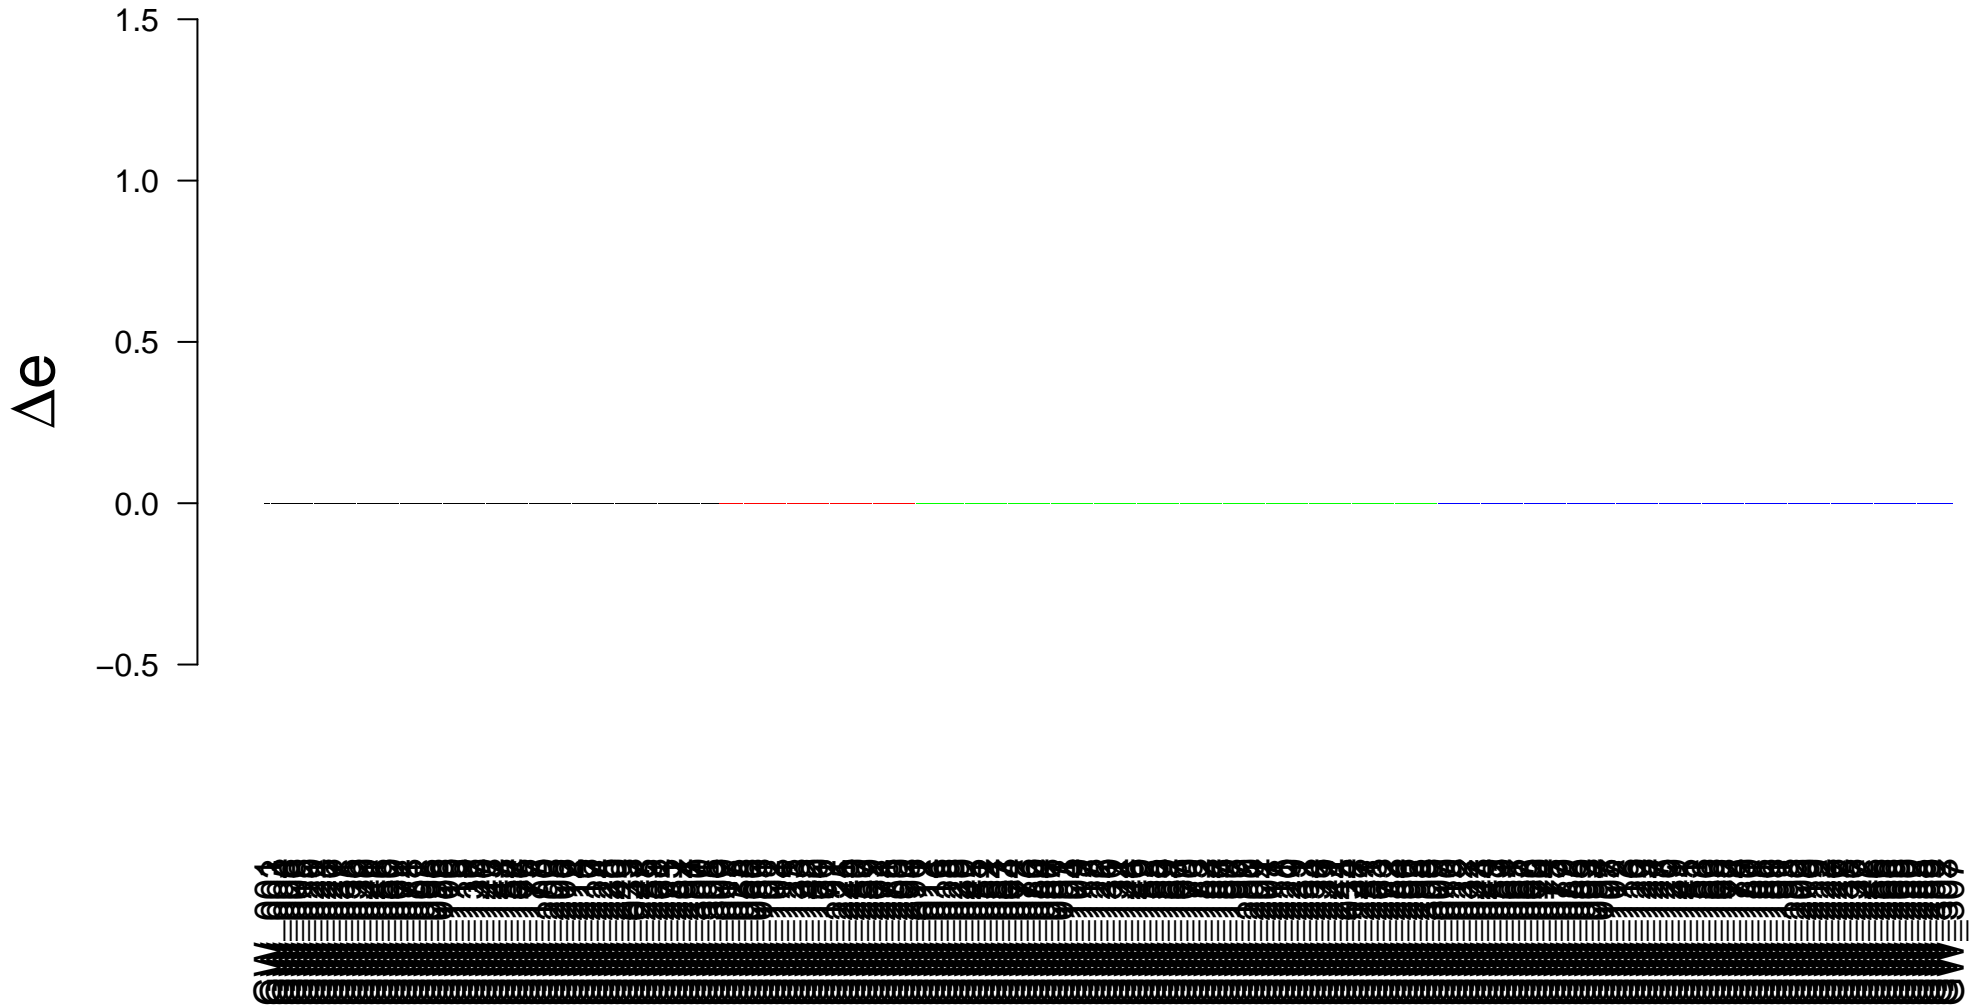

Expression of amino acid binding in Spot L

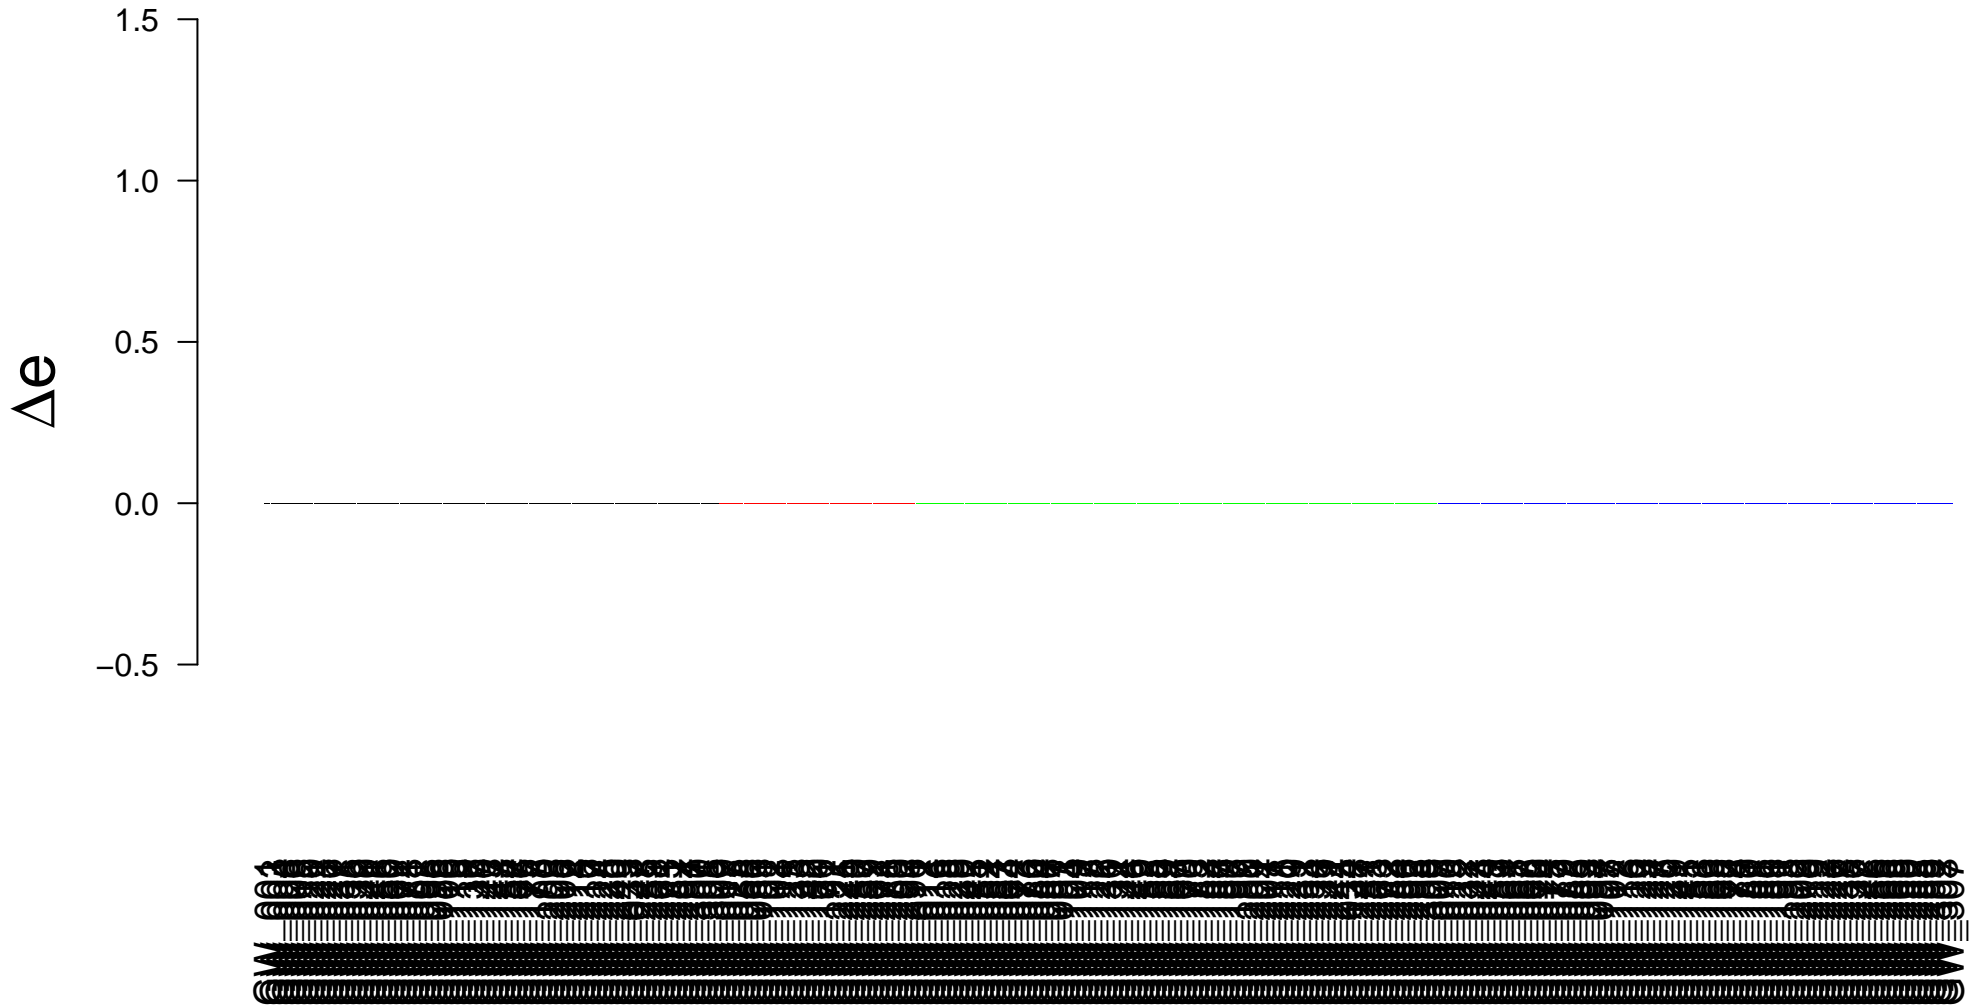

Expression of amino acid binding in Spot M

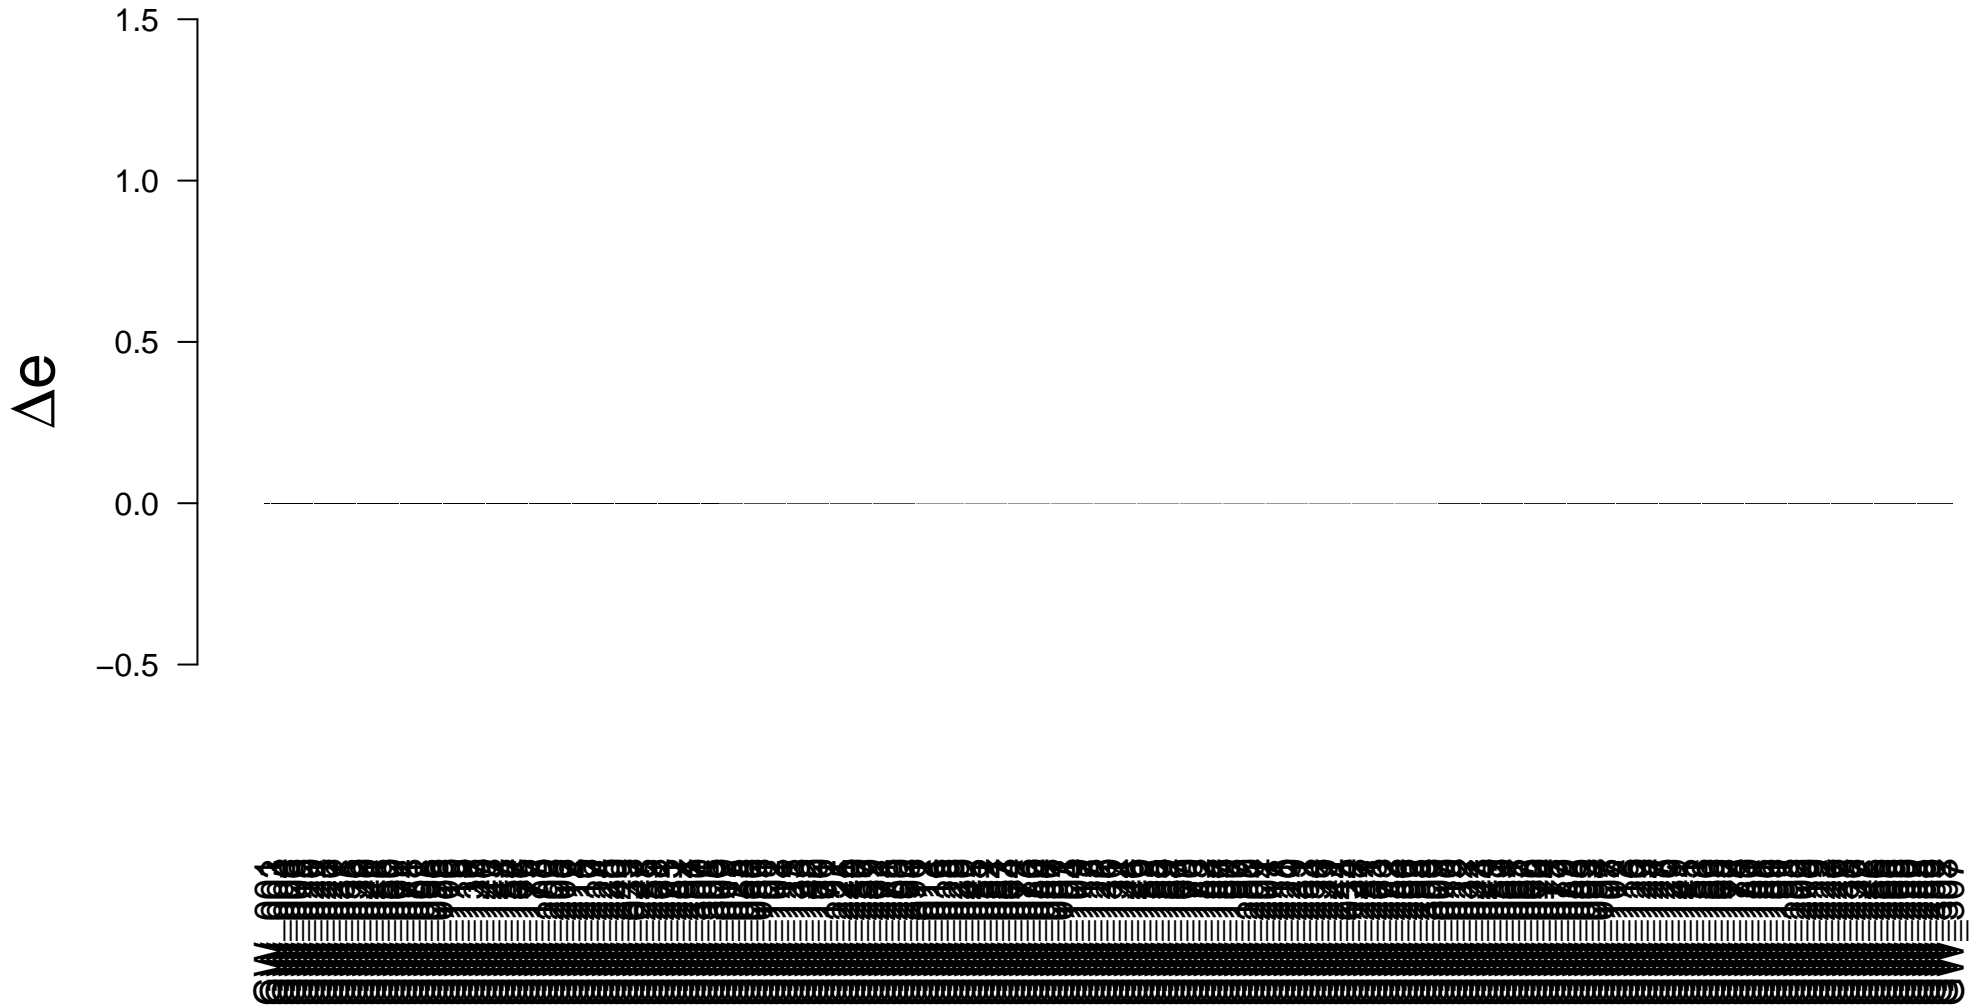

Expression of amino acid binding in Spot N

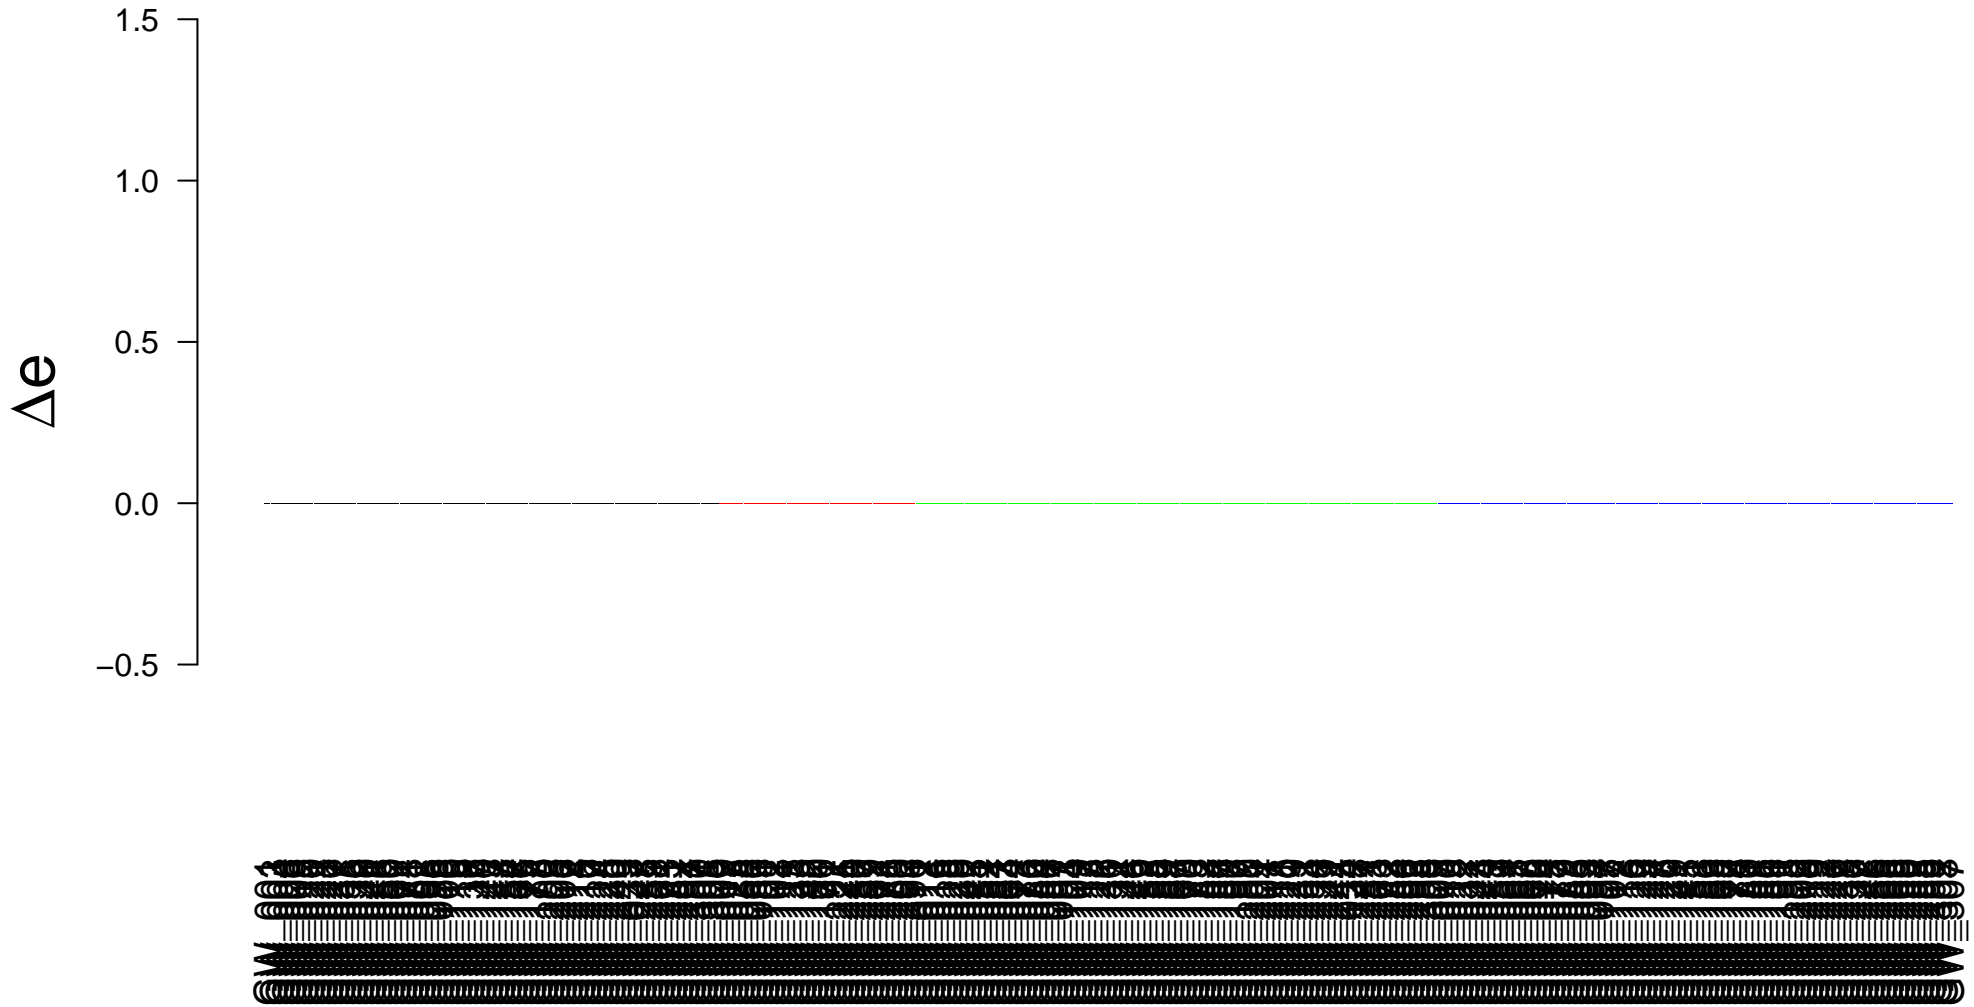

Expression of amino acid binding in Spot O

Expression of amino acid binding in Spot P

Expression of amino acid binding in Spot Q

Expression of amino acid binding in Spot R
