

amino acid transmembrane transport

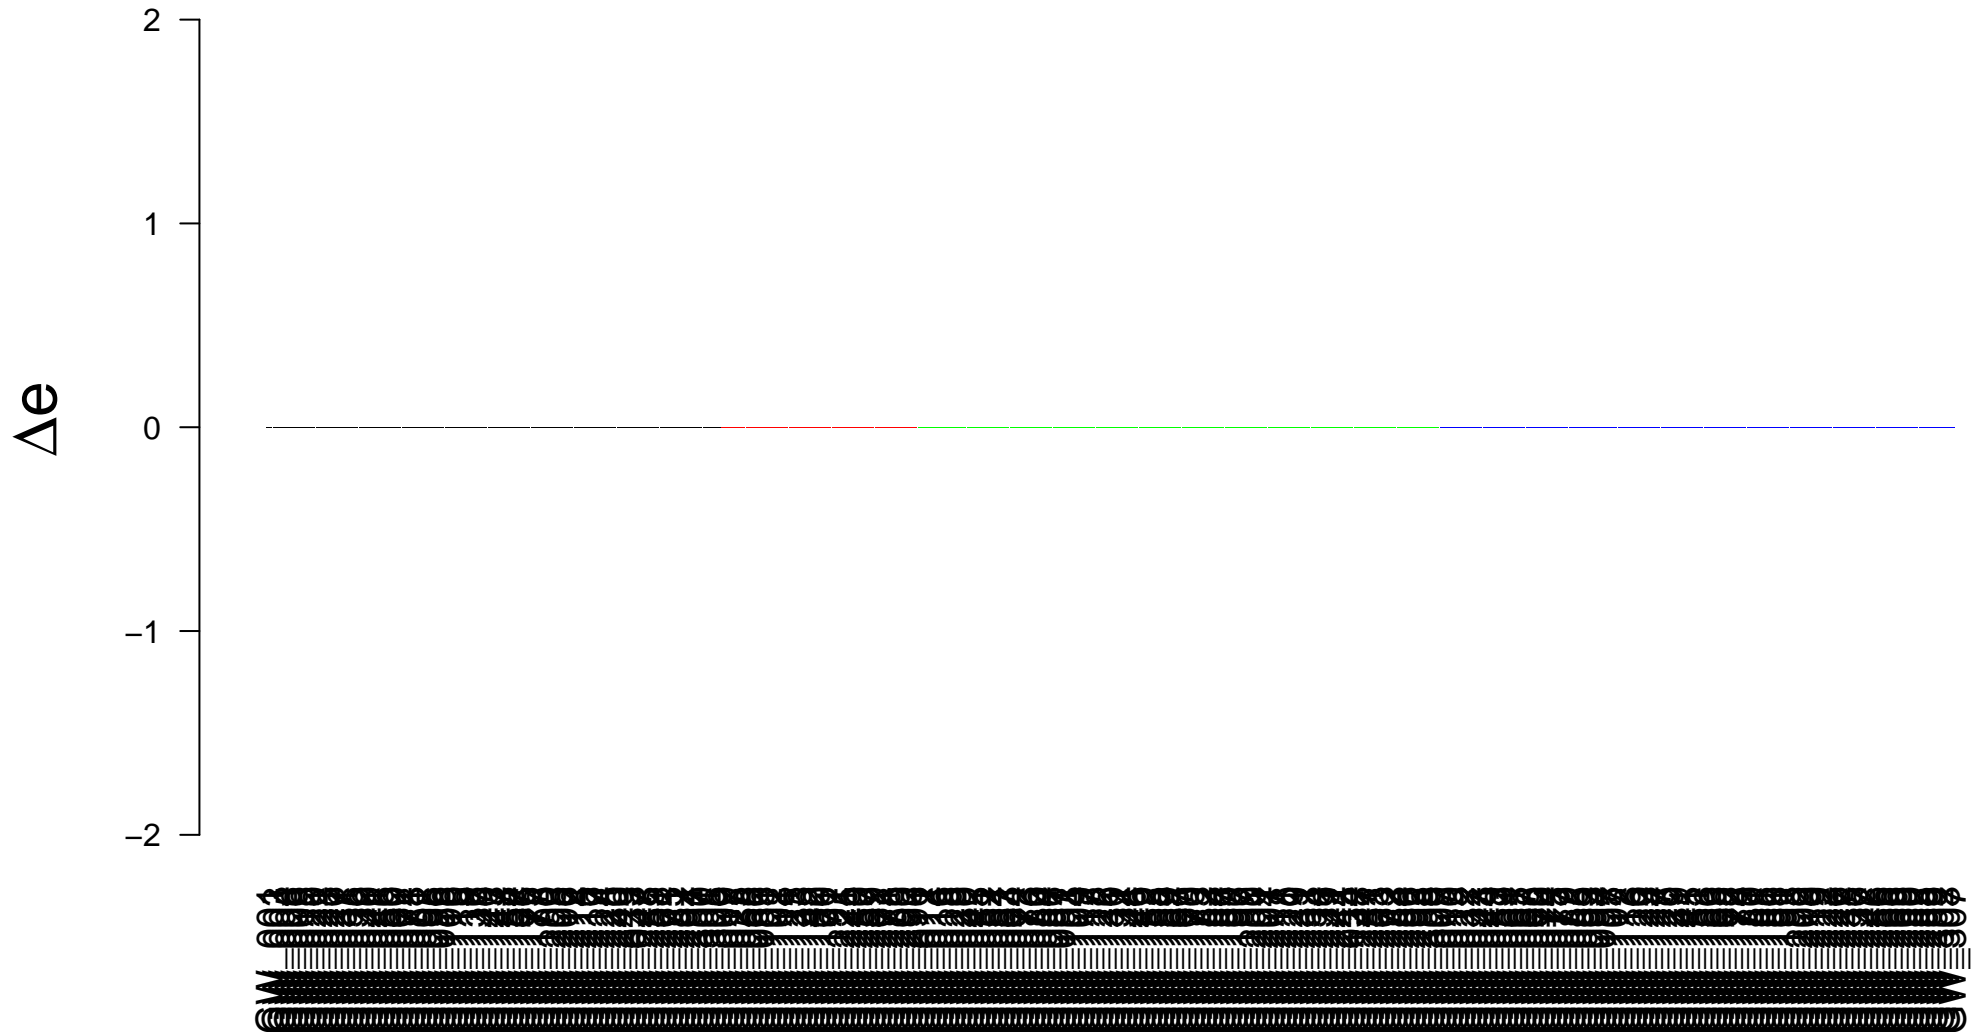

amino acid transmembrane transport

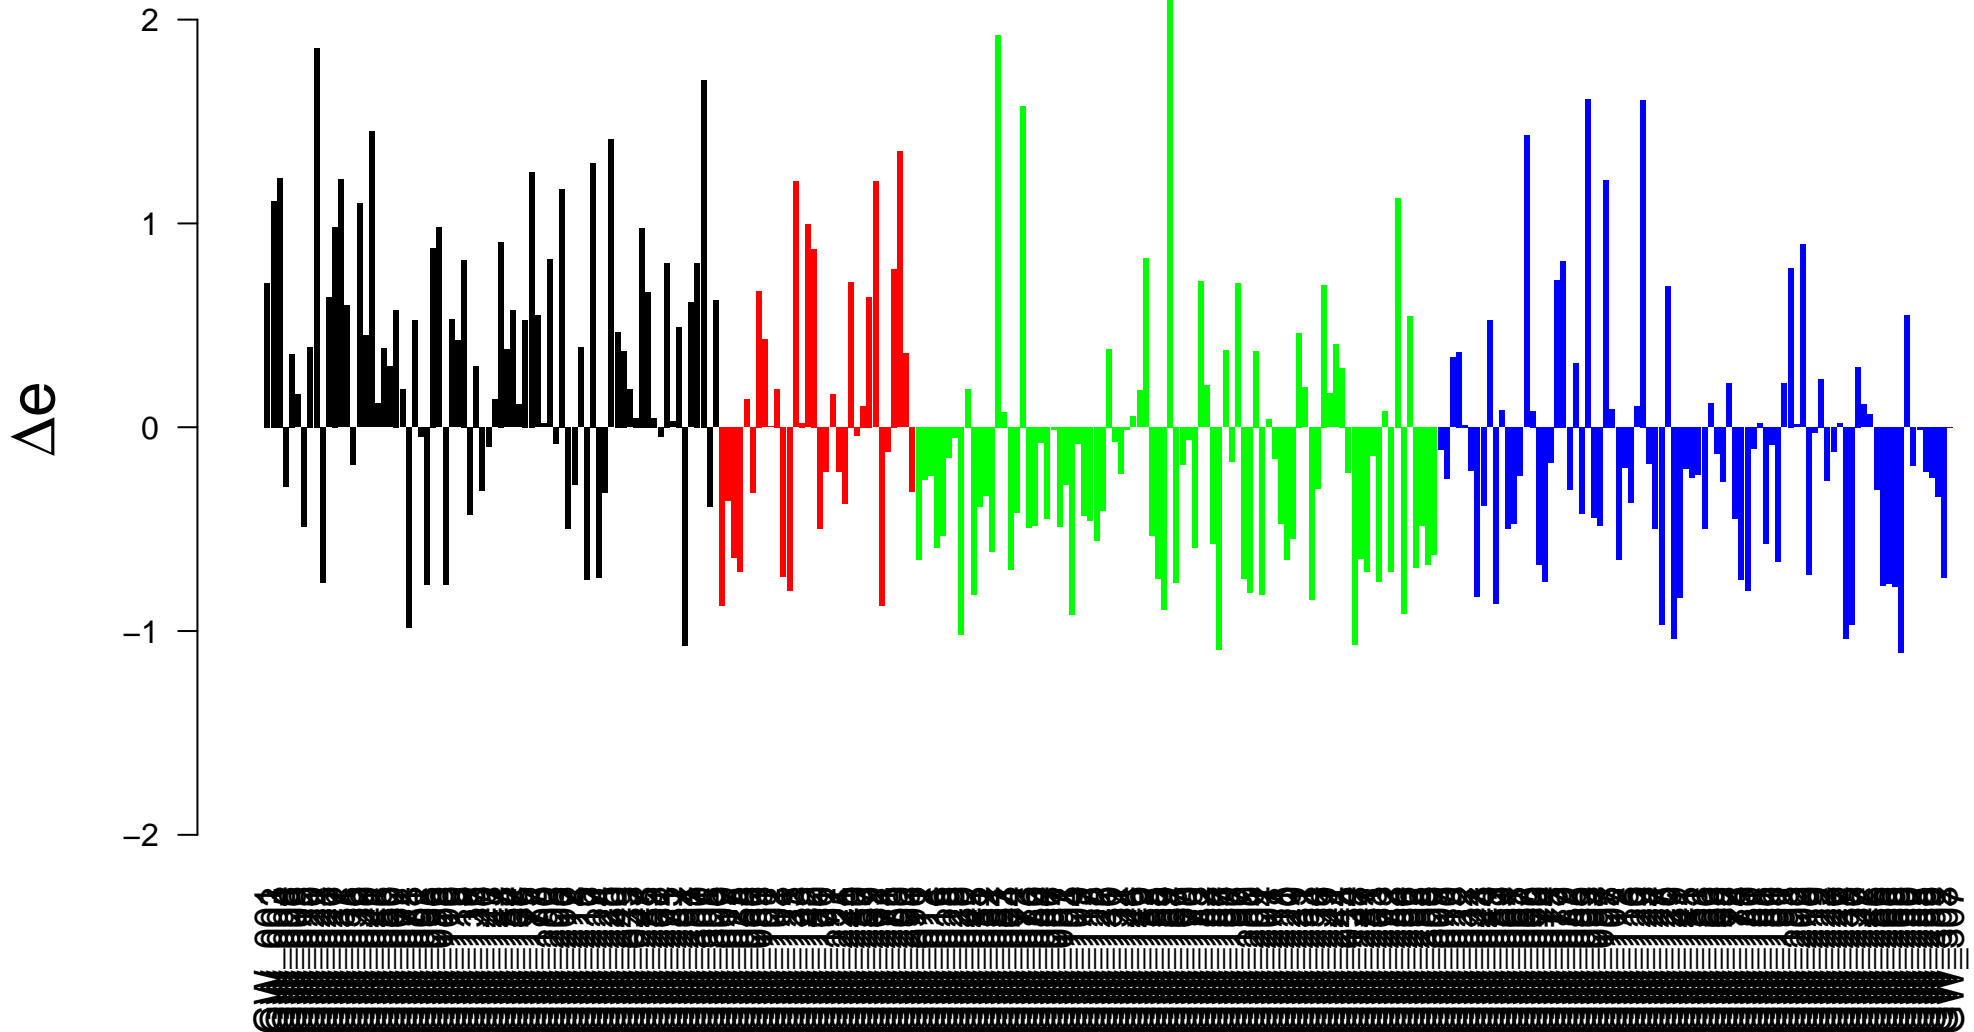

Enrichment in spots: amino acid transmembrane transport

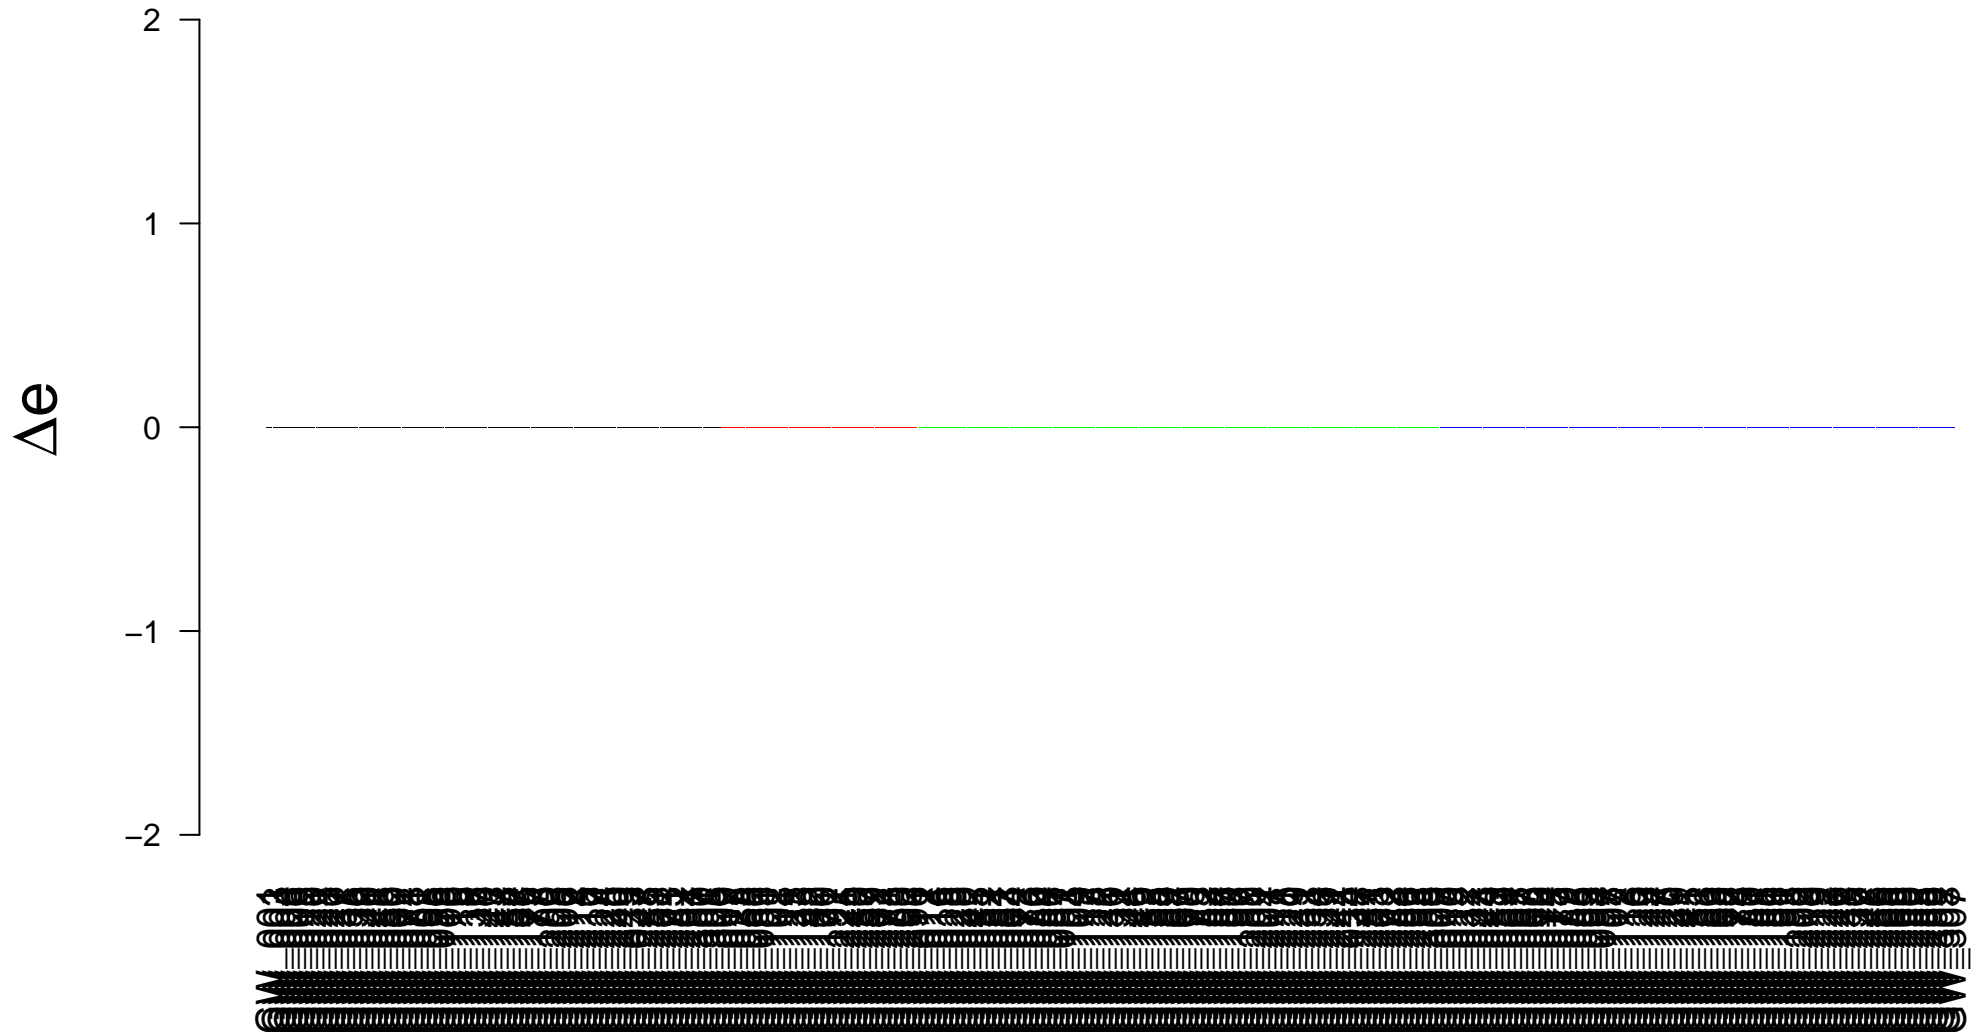

Expression of amino acid transmembrane transport in Spot A

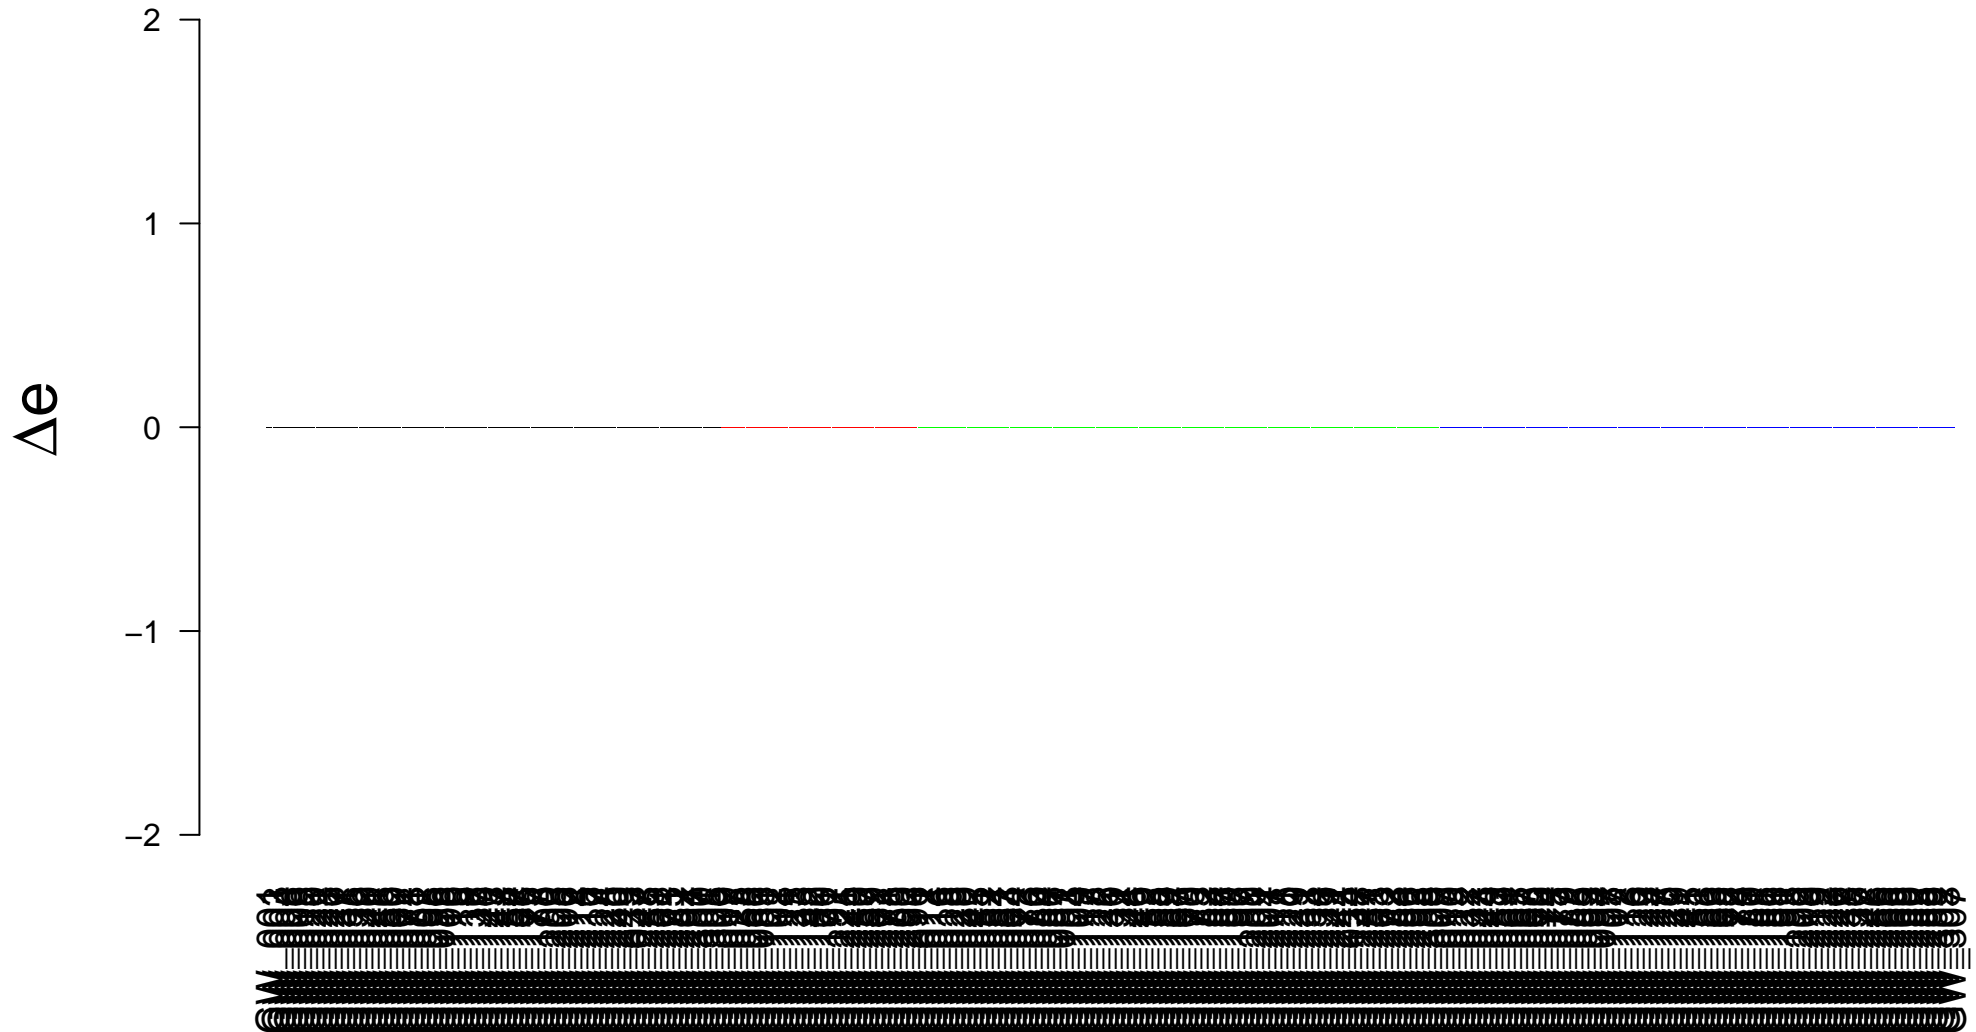

Expression of amino acid transmembrane transport in Spot B

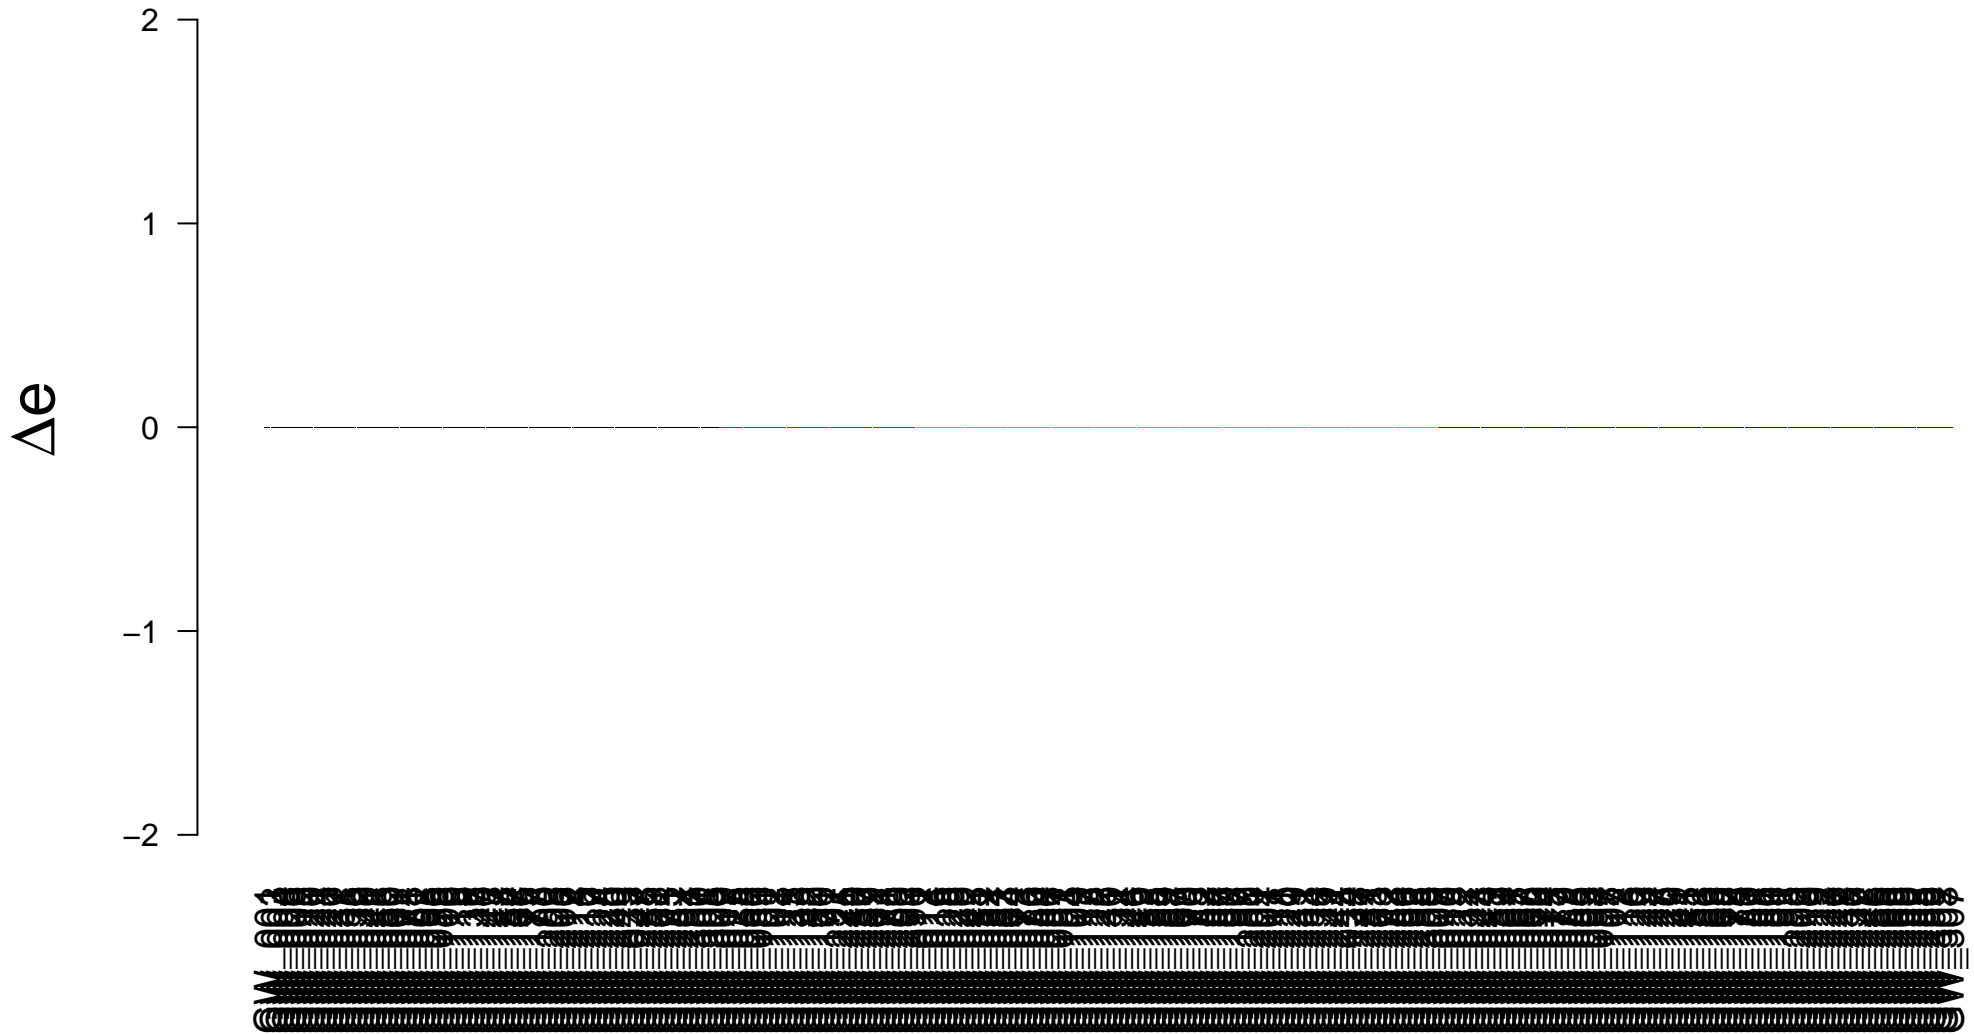

Expression of amino acid transmembrane transport in Spot C

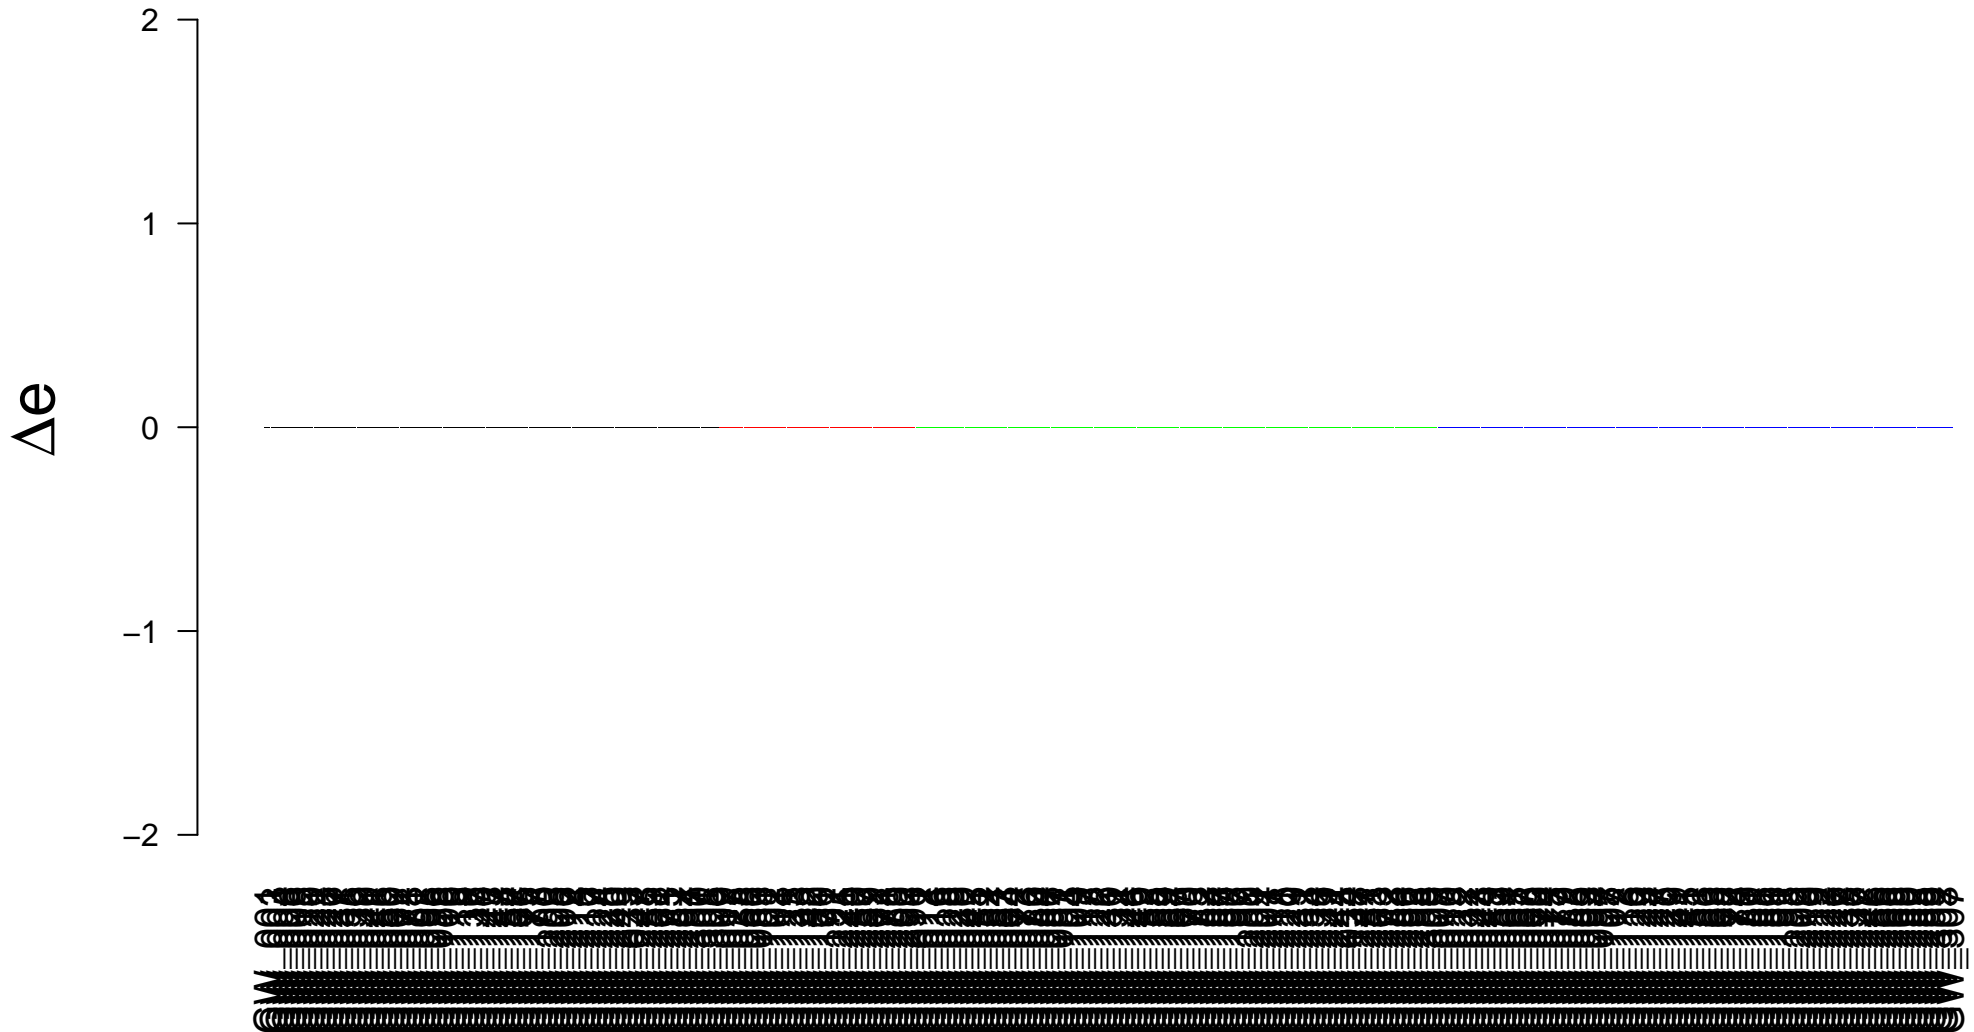

Expression of amino acid transmembrane transport in Spot D

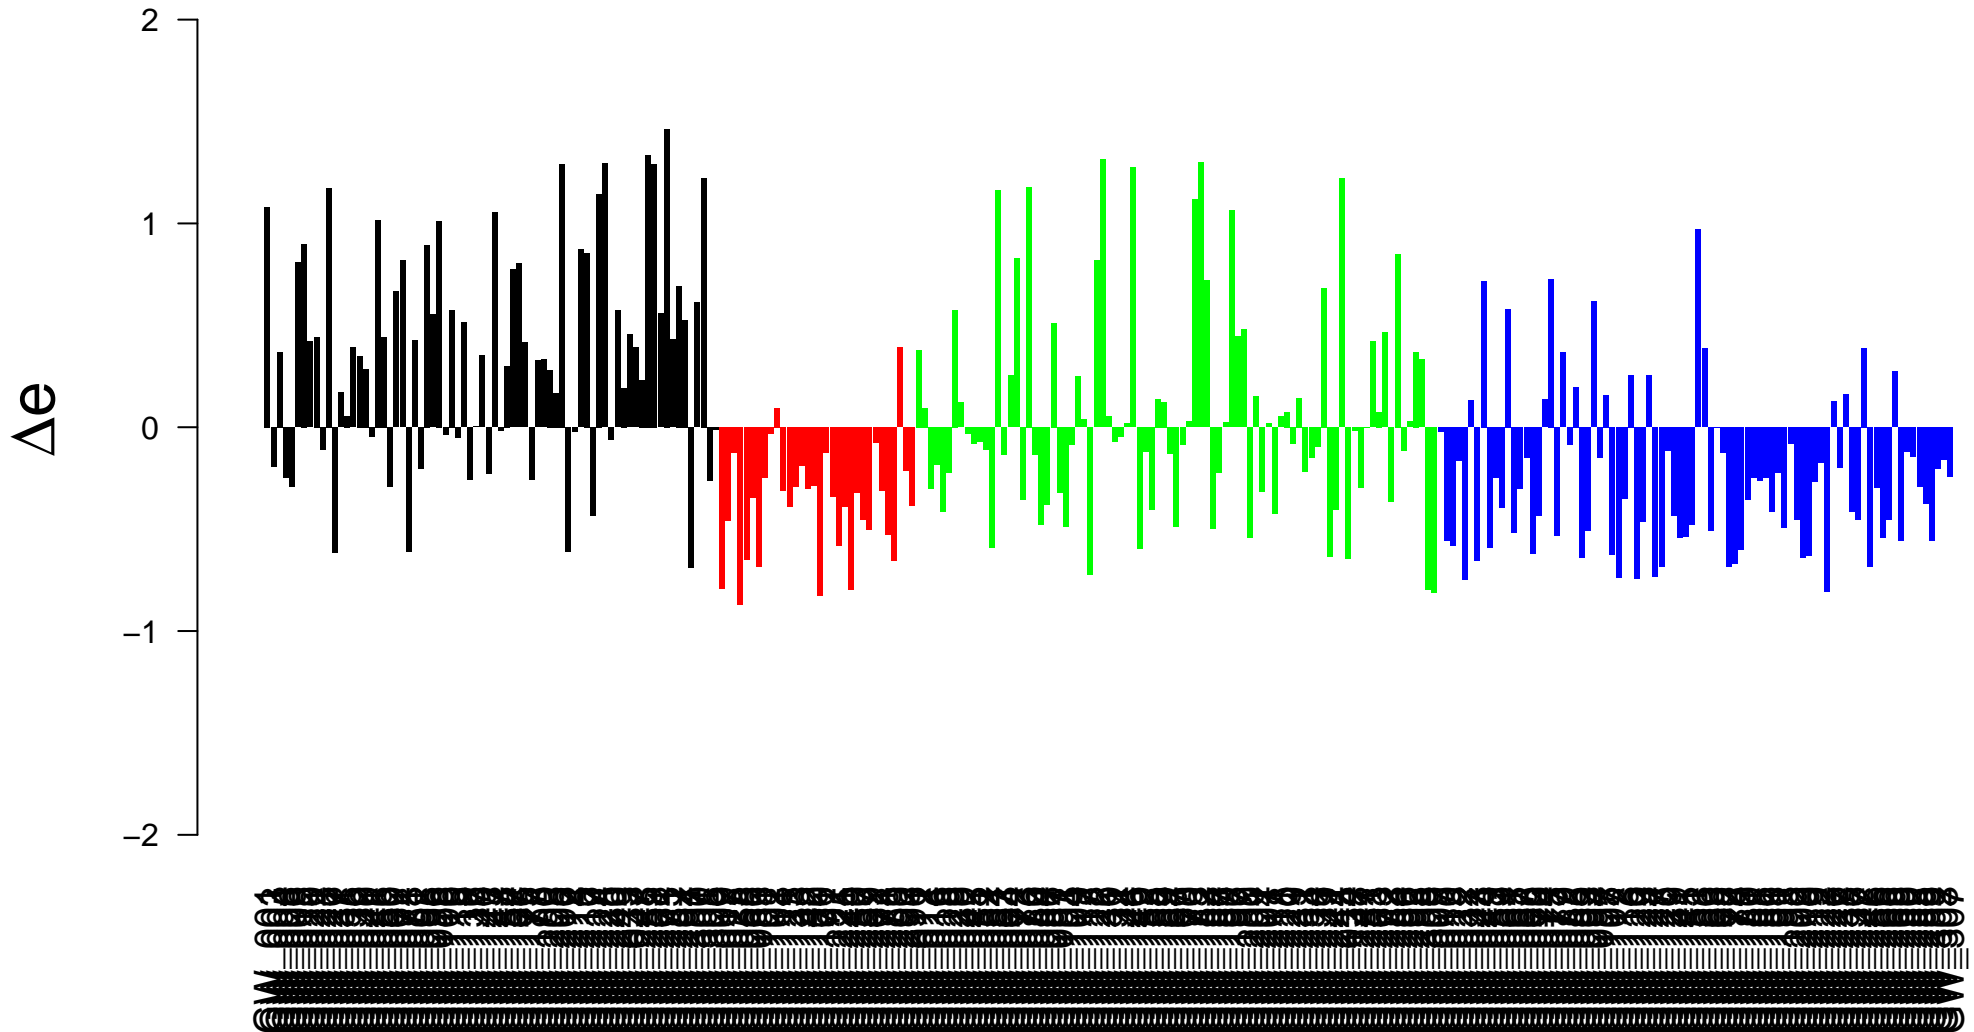

Expression of amino acid transmembrane transport in Spot E

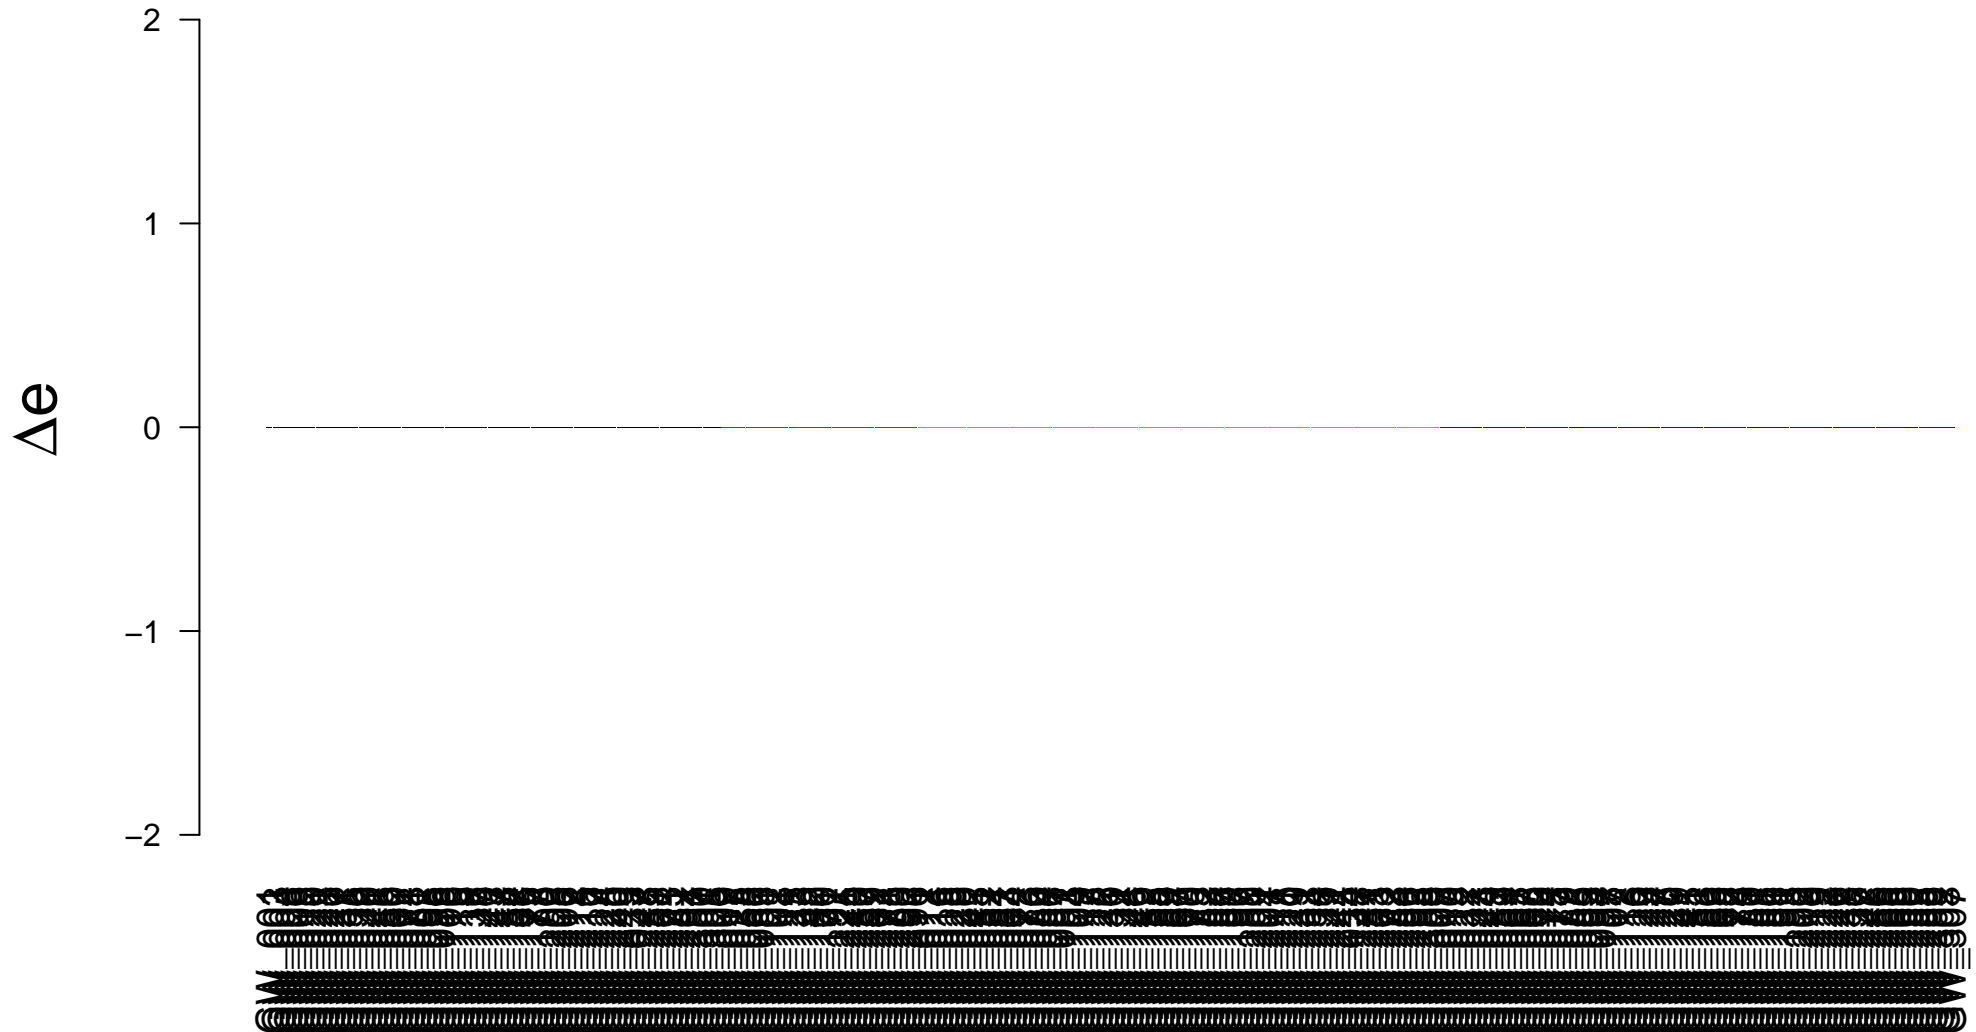

Expression of amino acid transmembrane transport in Spot F

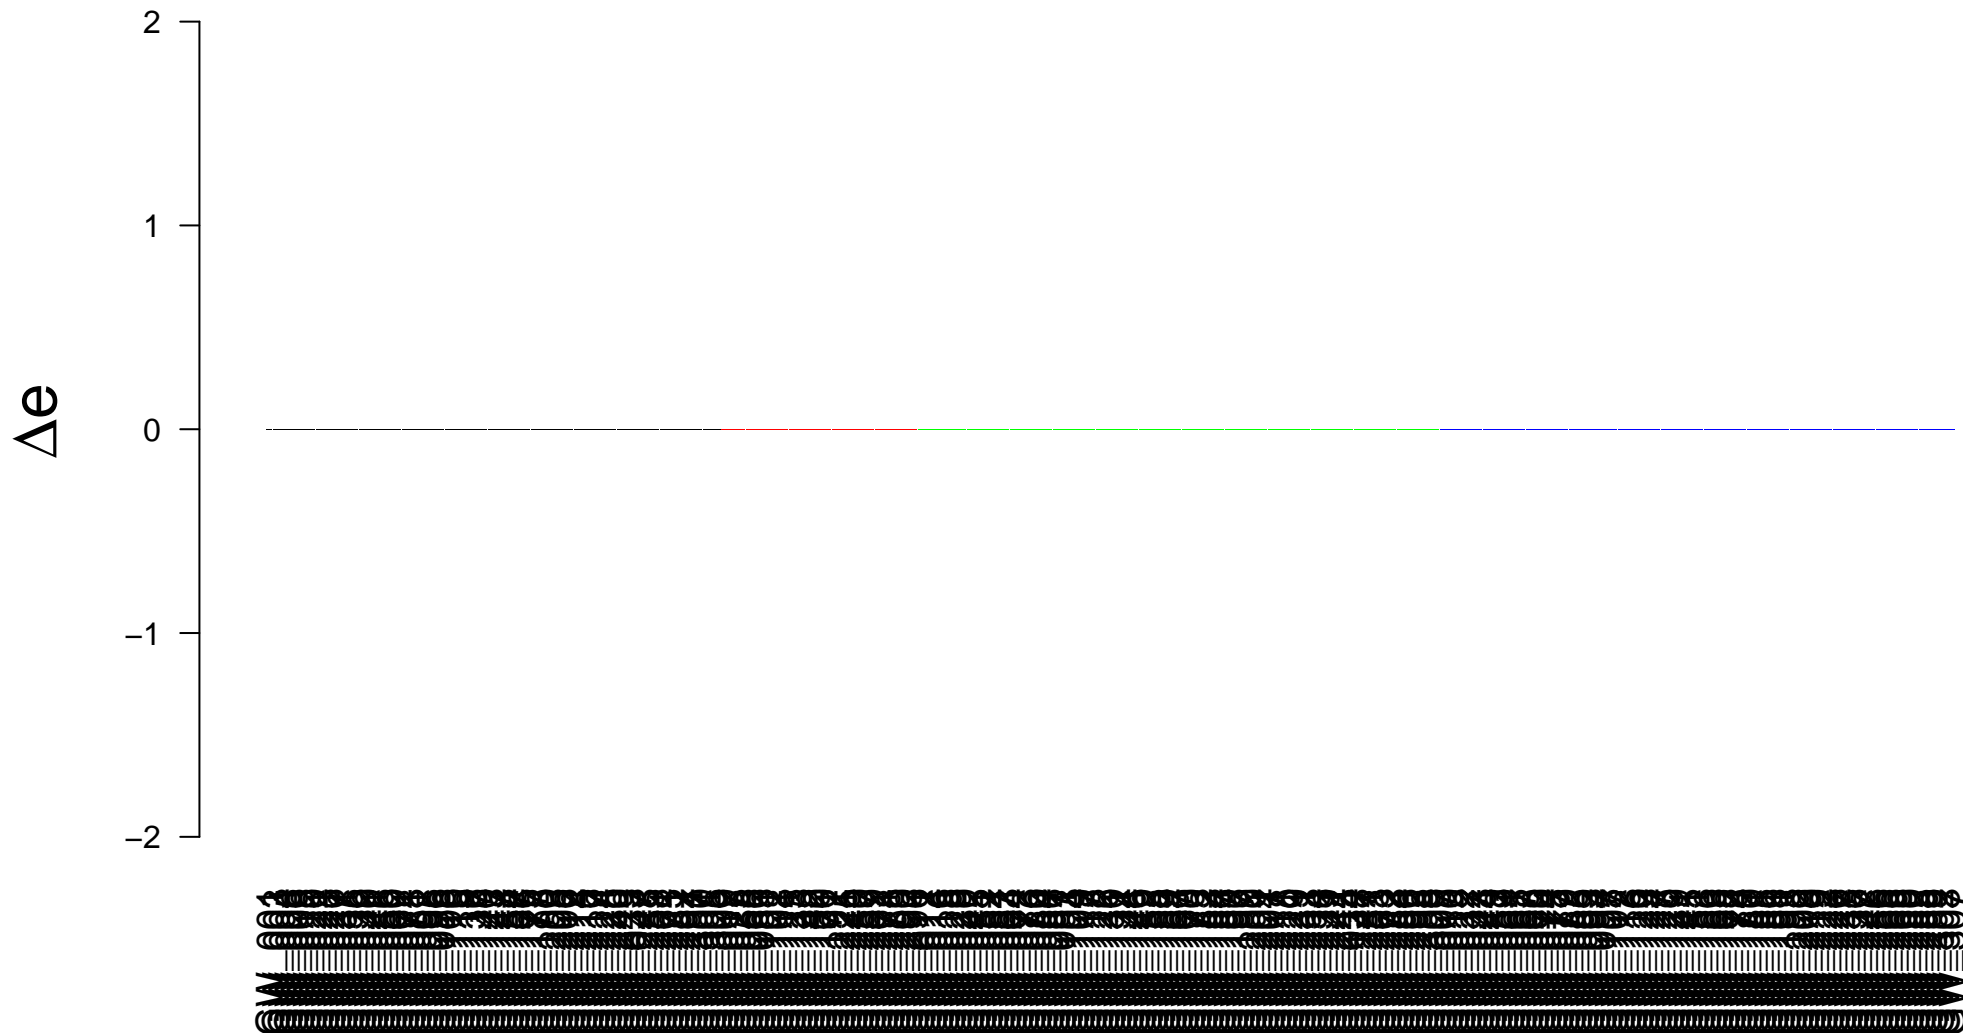

Expression of amino acid transmembrane transport in Spot G

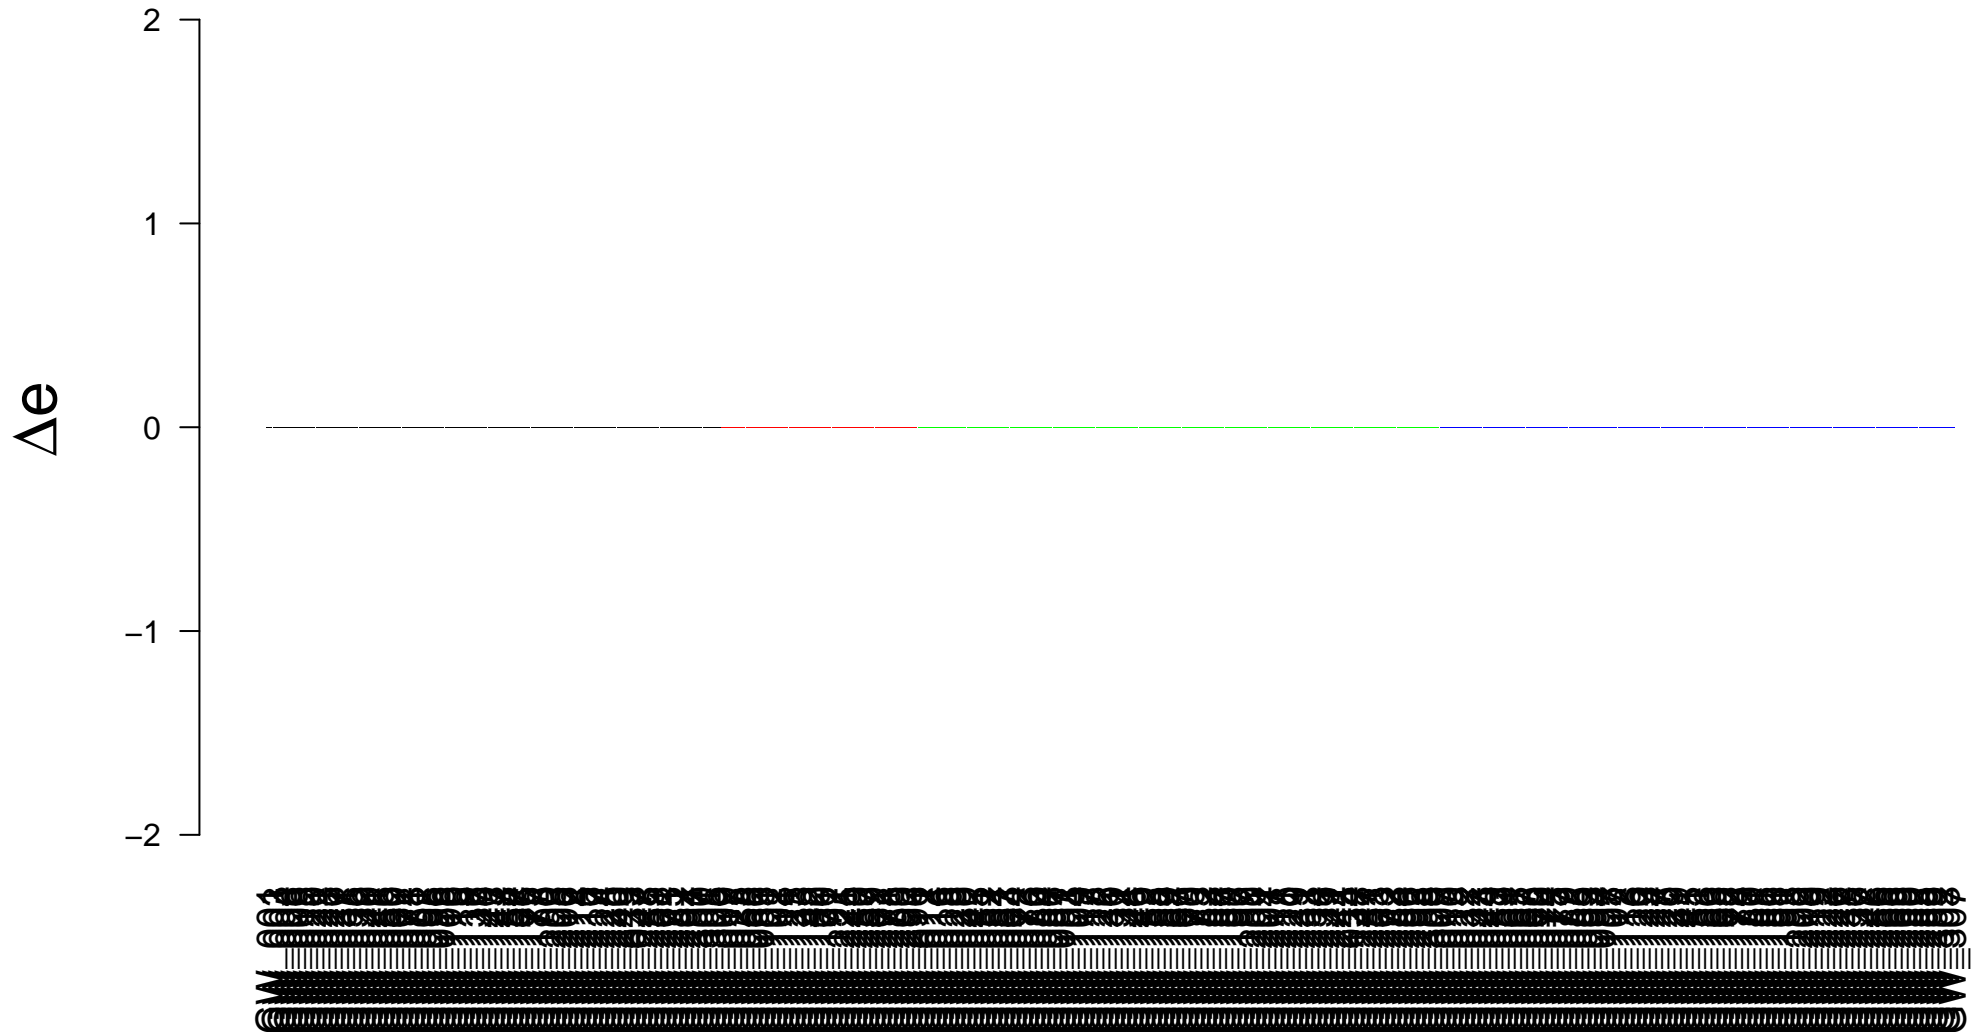

Expression of amino acid transmembrane transport in Spot H

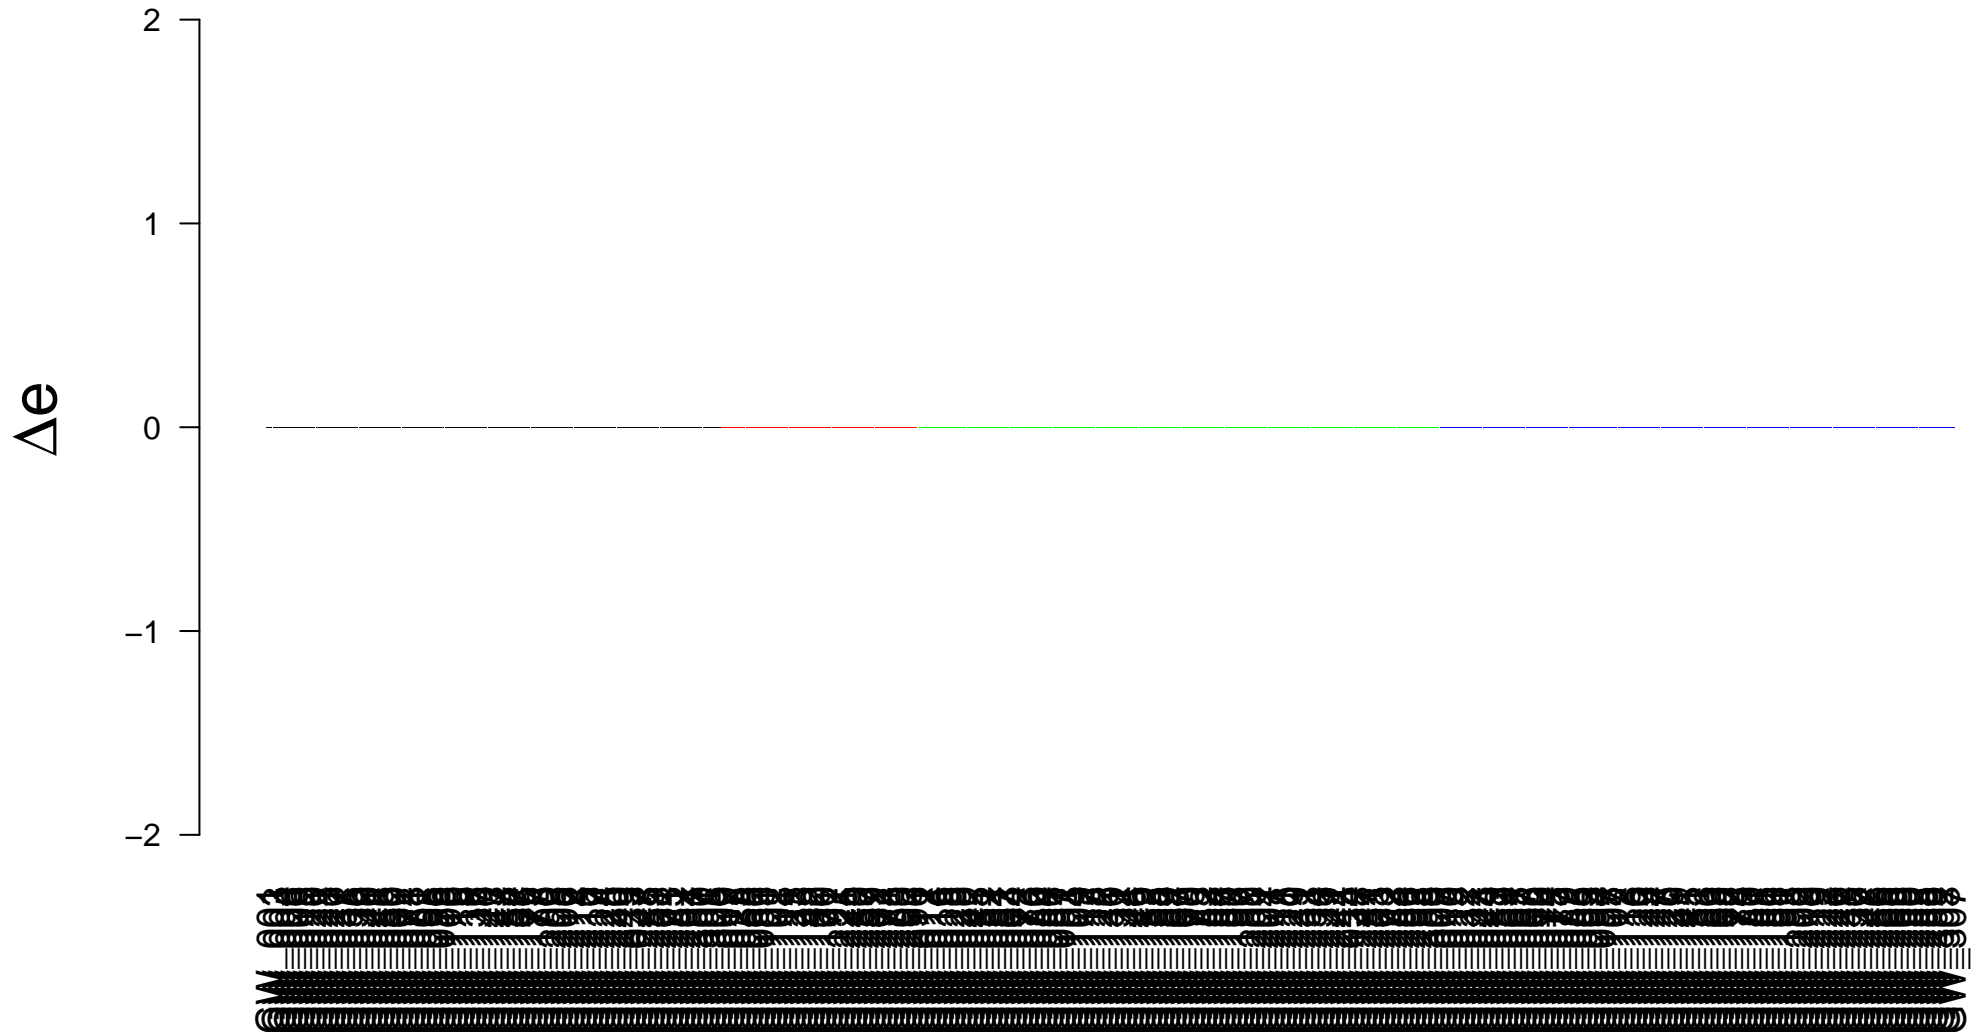

Expression of amino acid transmembrane transport in Spot I

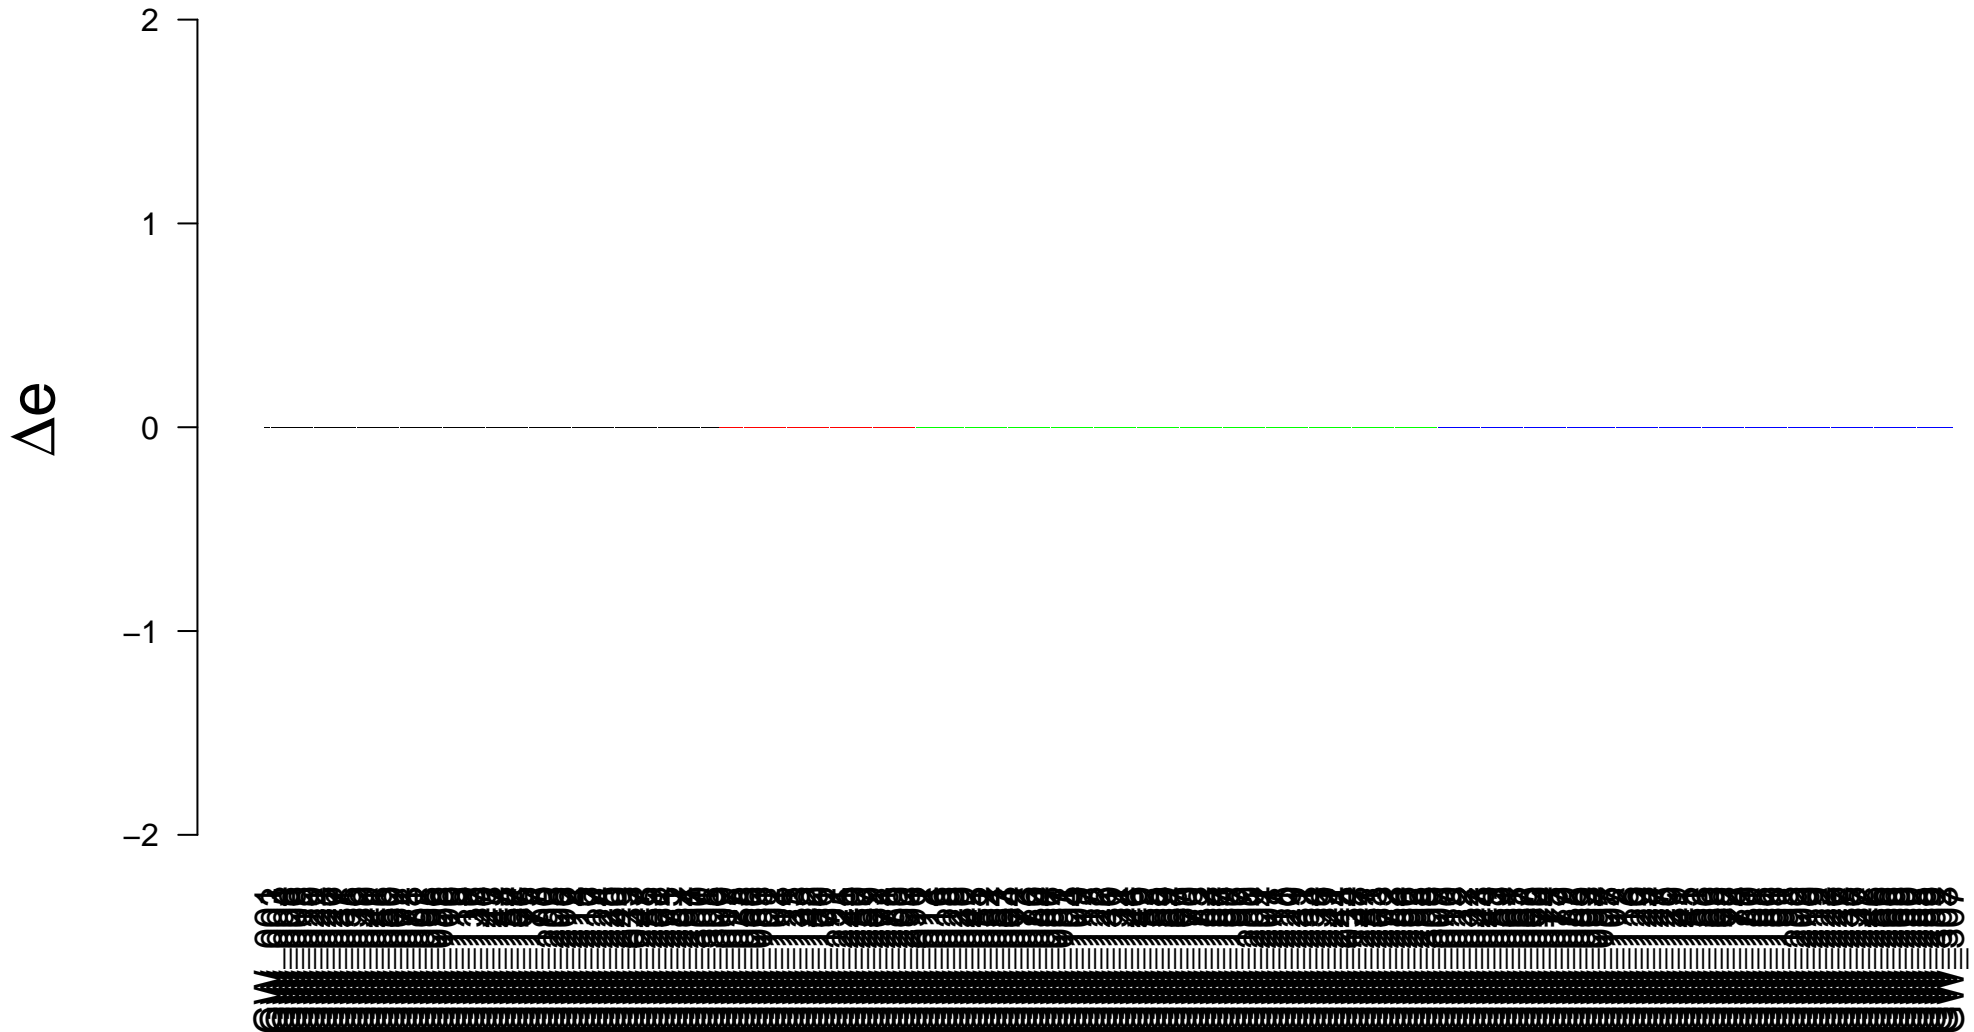

Expression of amino acid transmembrane transport in Spot J

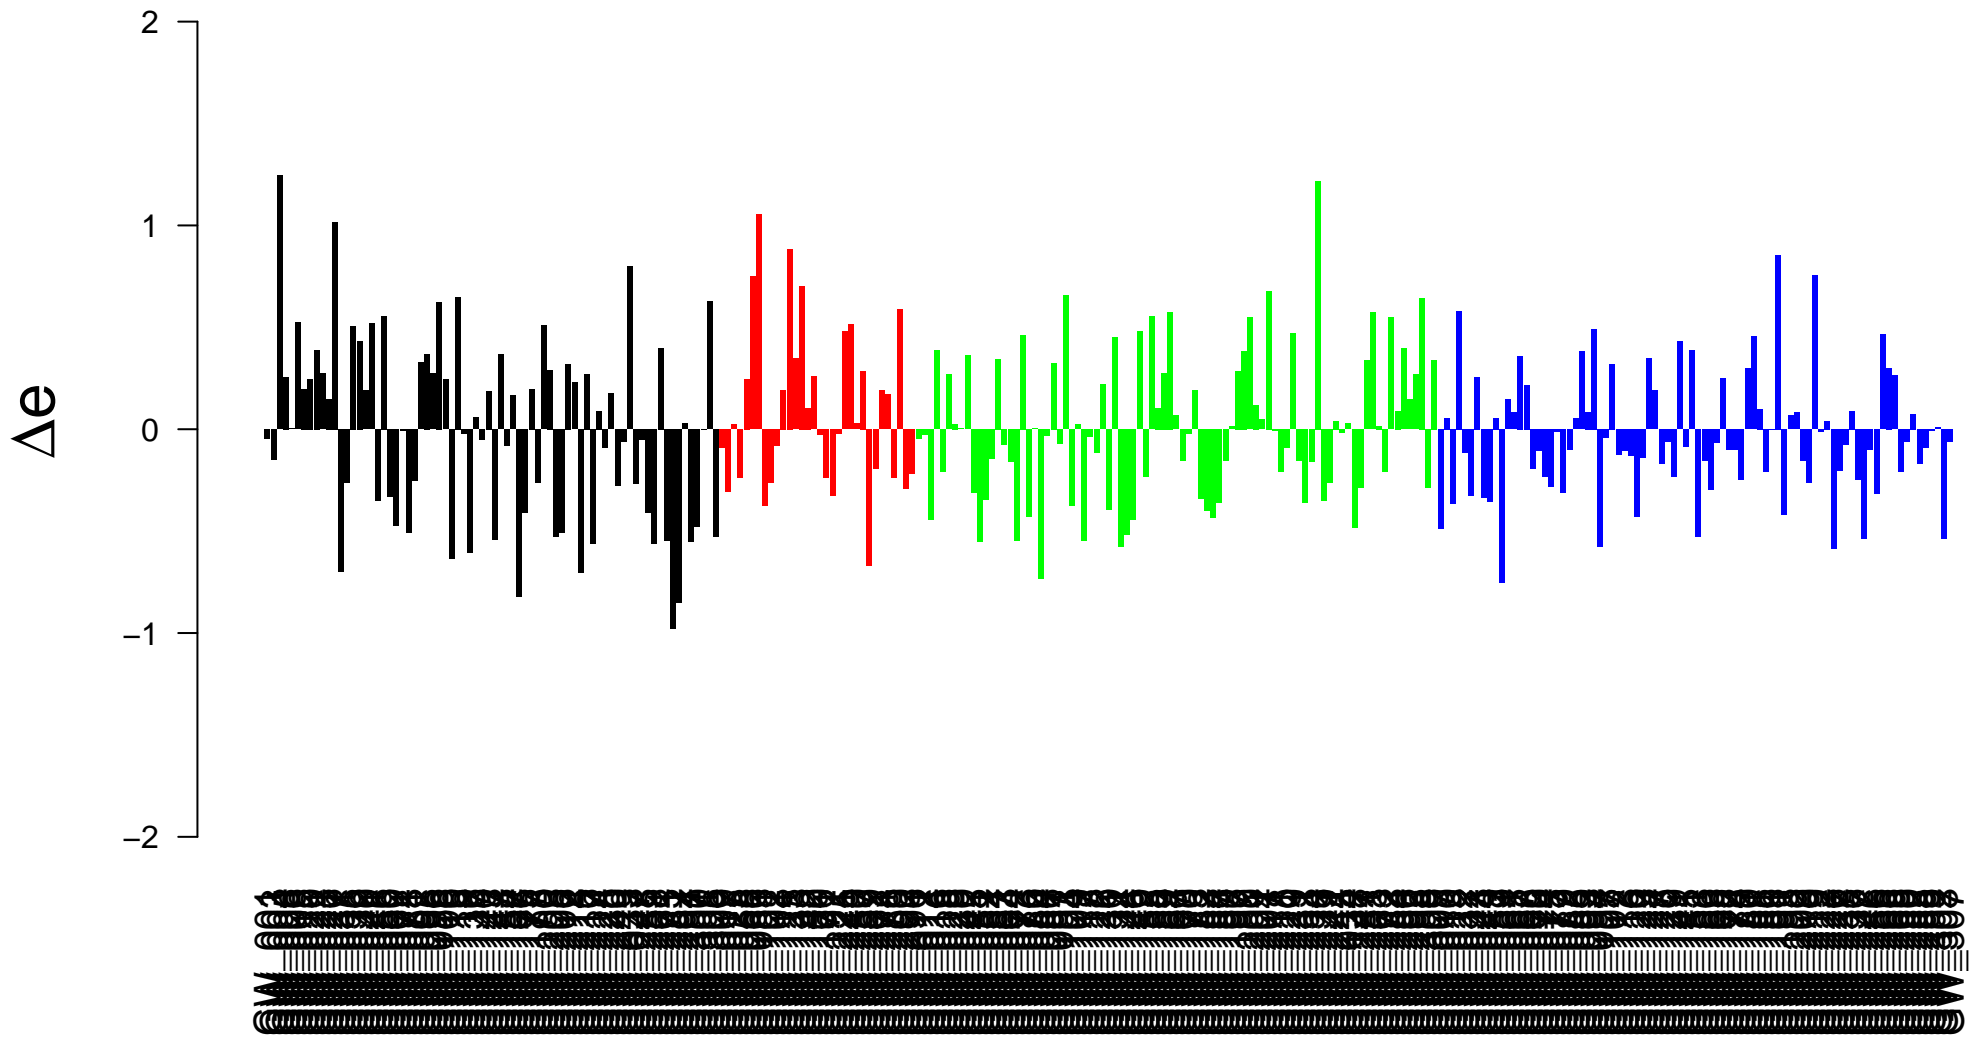

Expression of amino acid transmembrane transport in Spot K

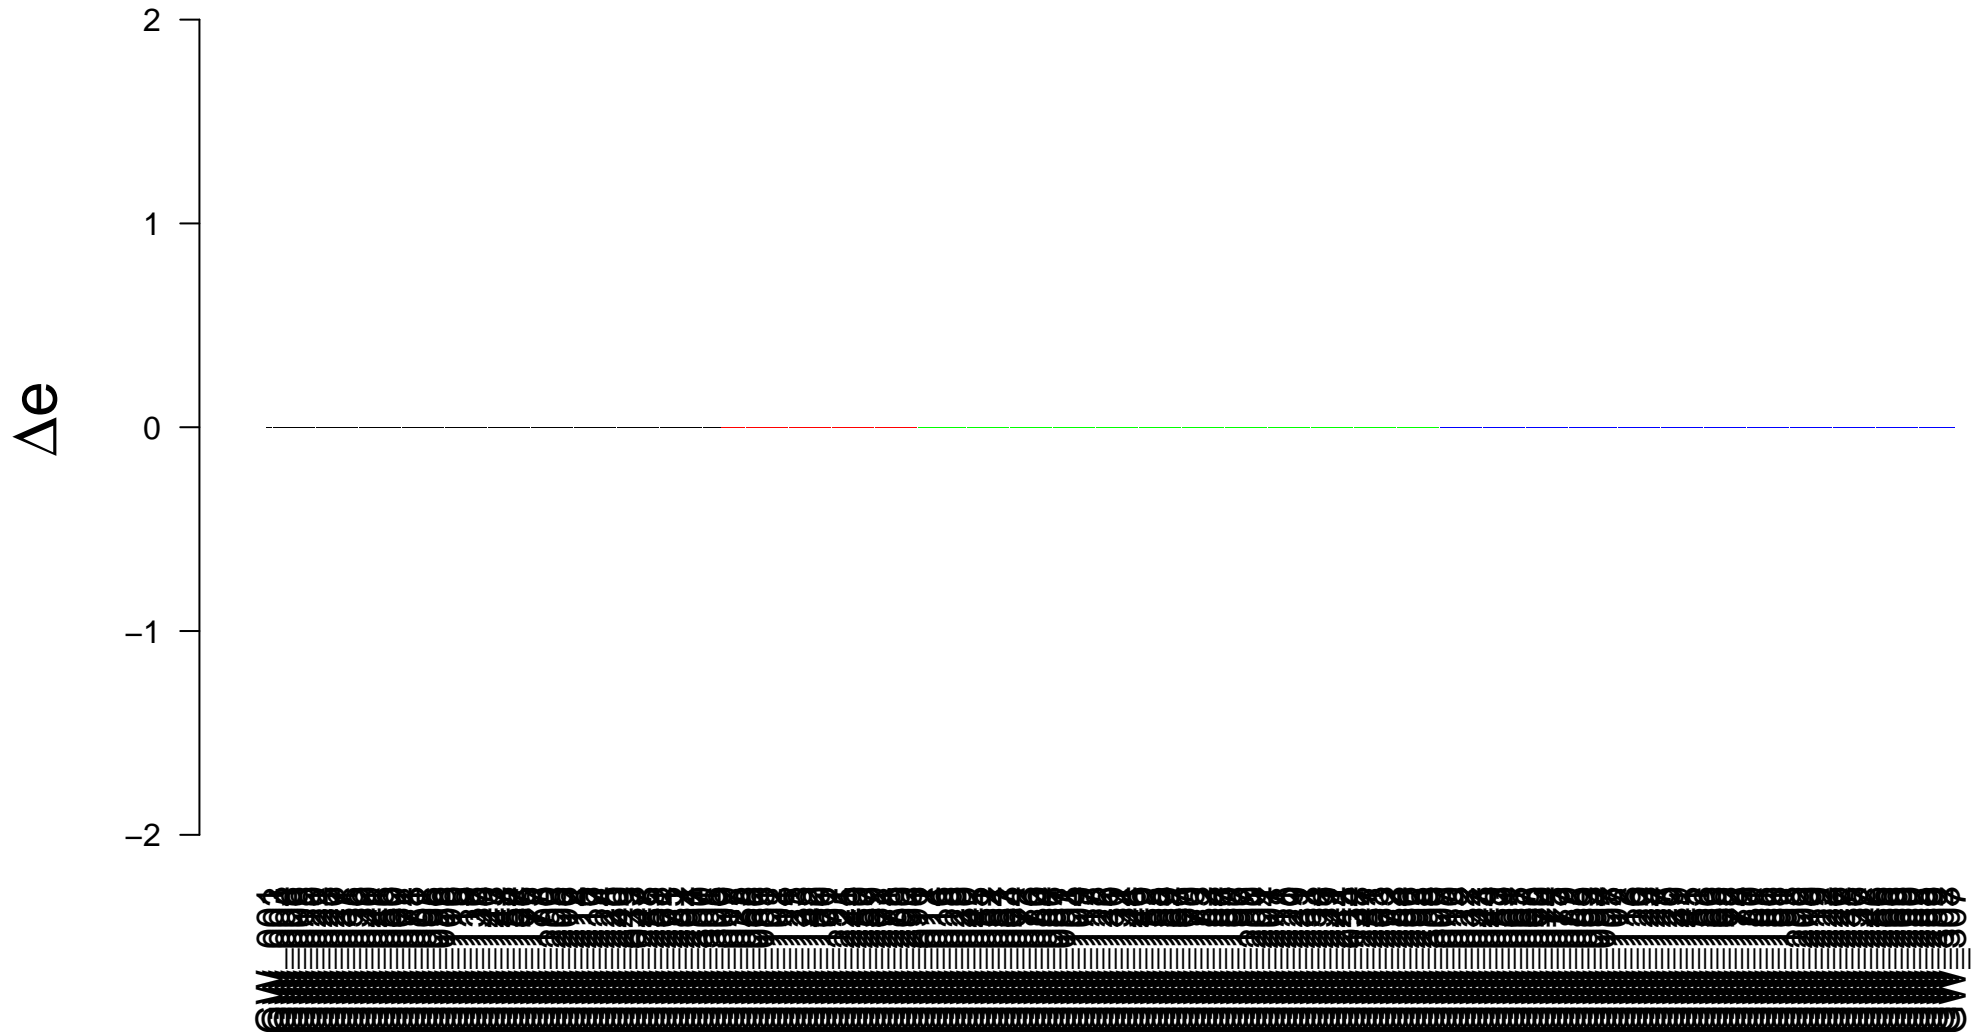

Expression of amino acid transmembrane transport in Spot L

Expression of amino acid transmembrane transport in Spot M

Expression of amino acid transmembrane transport in Spot N

Expression of amino acid transmembrane transport in Spot O
