

amino acid transport

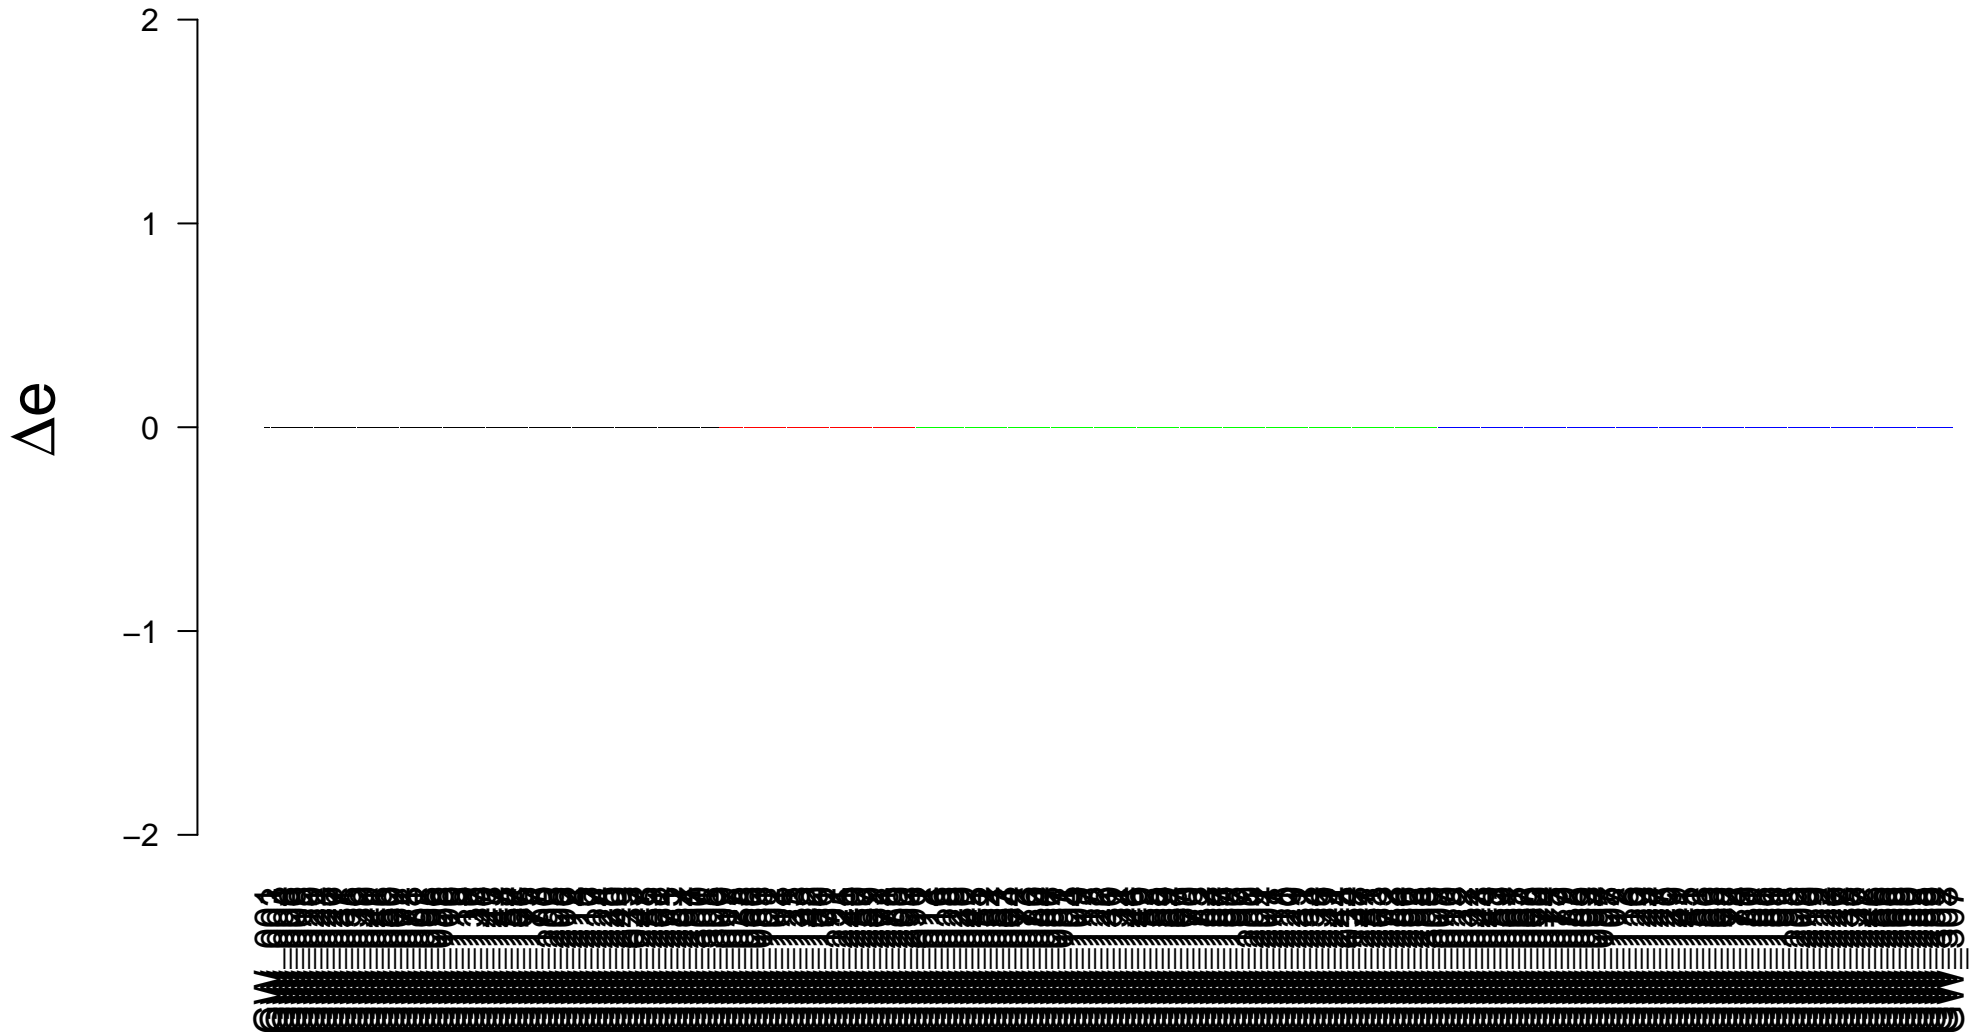

amino acid transport

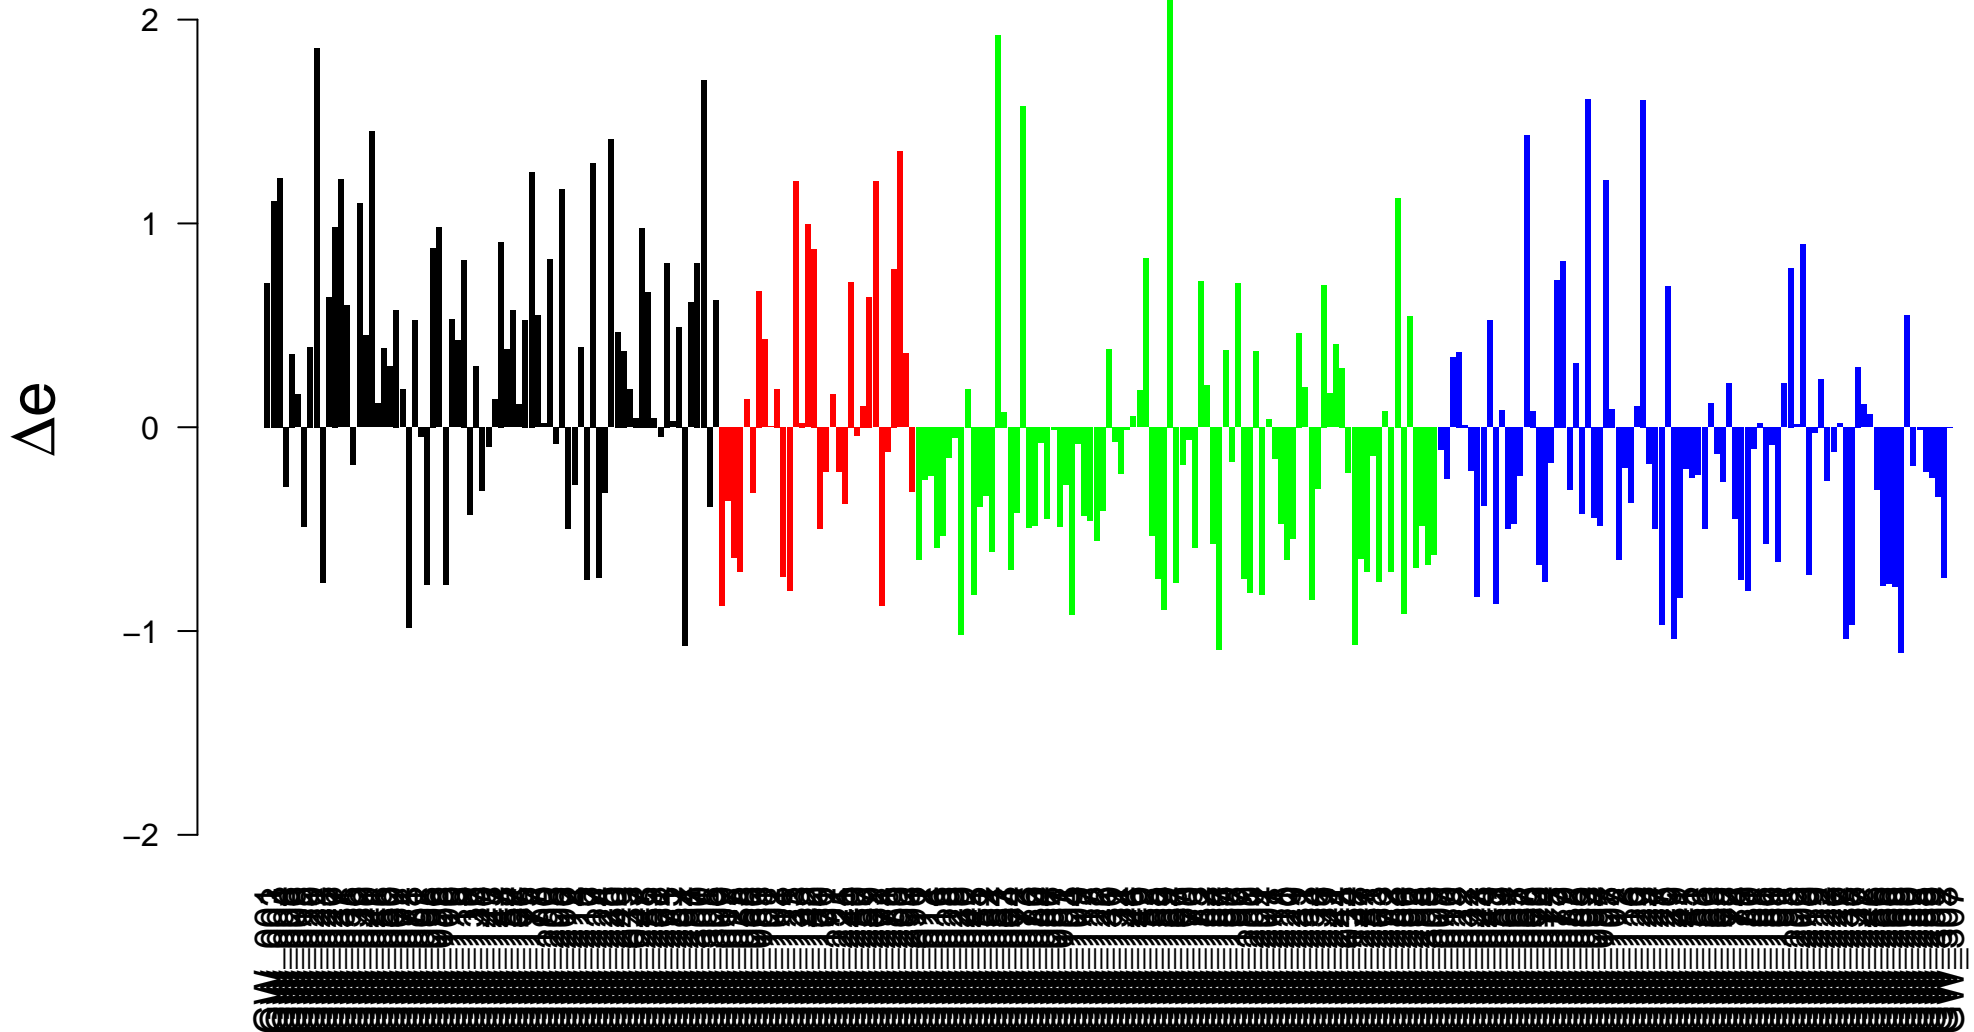

Enrichment in spots: amino acid transport

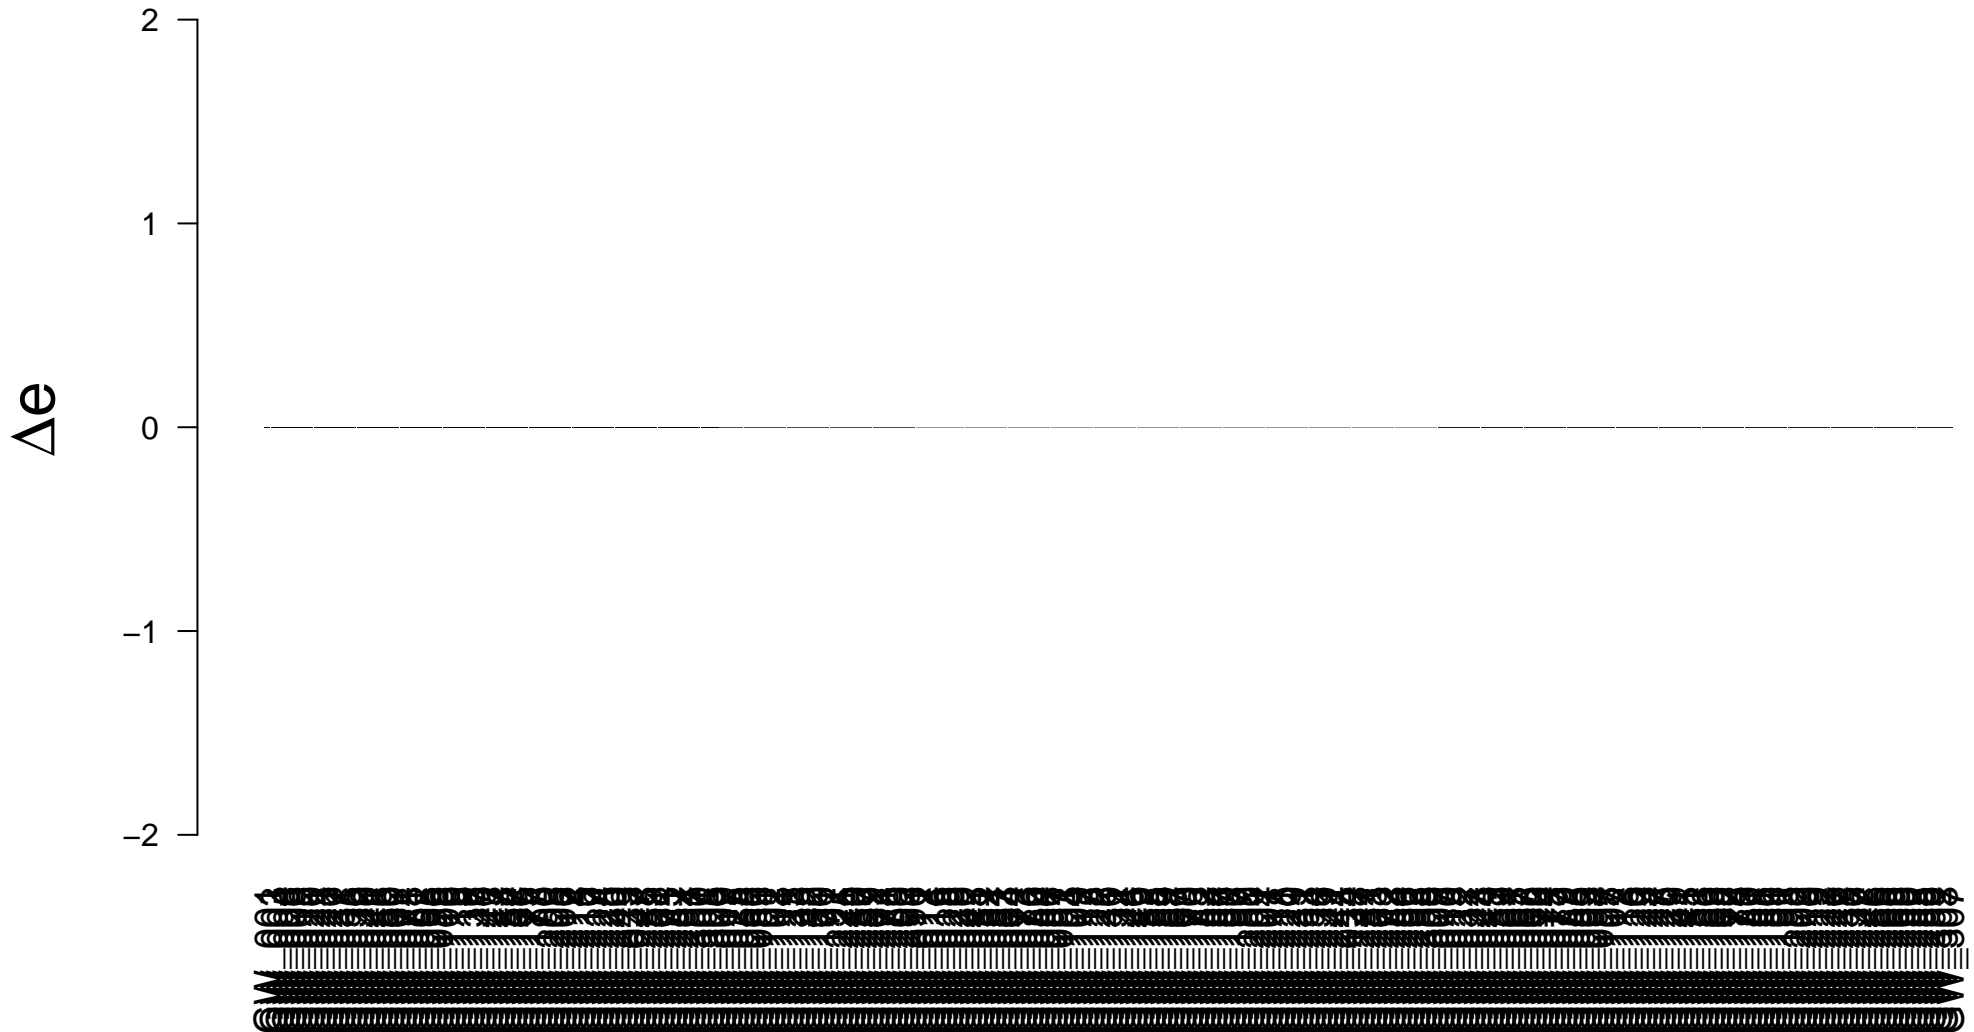

Expression of amino acid transport in Spot A

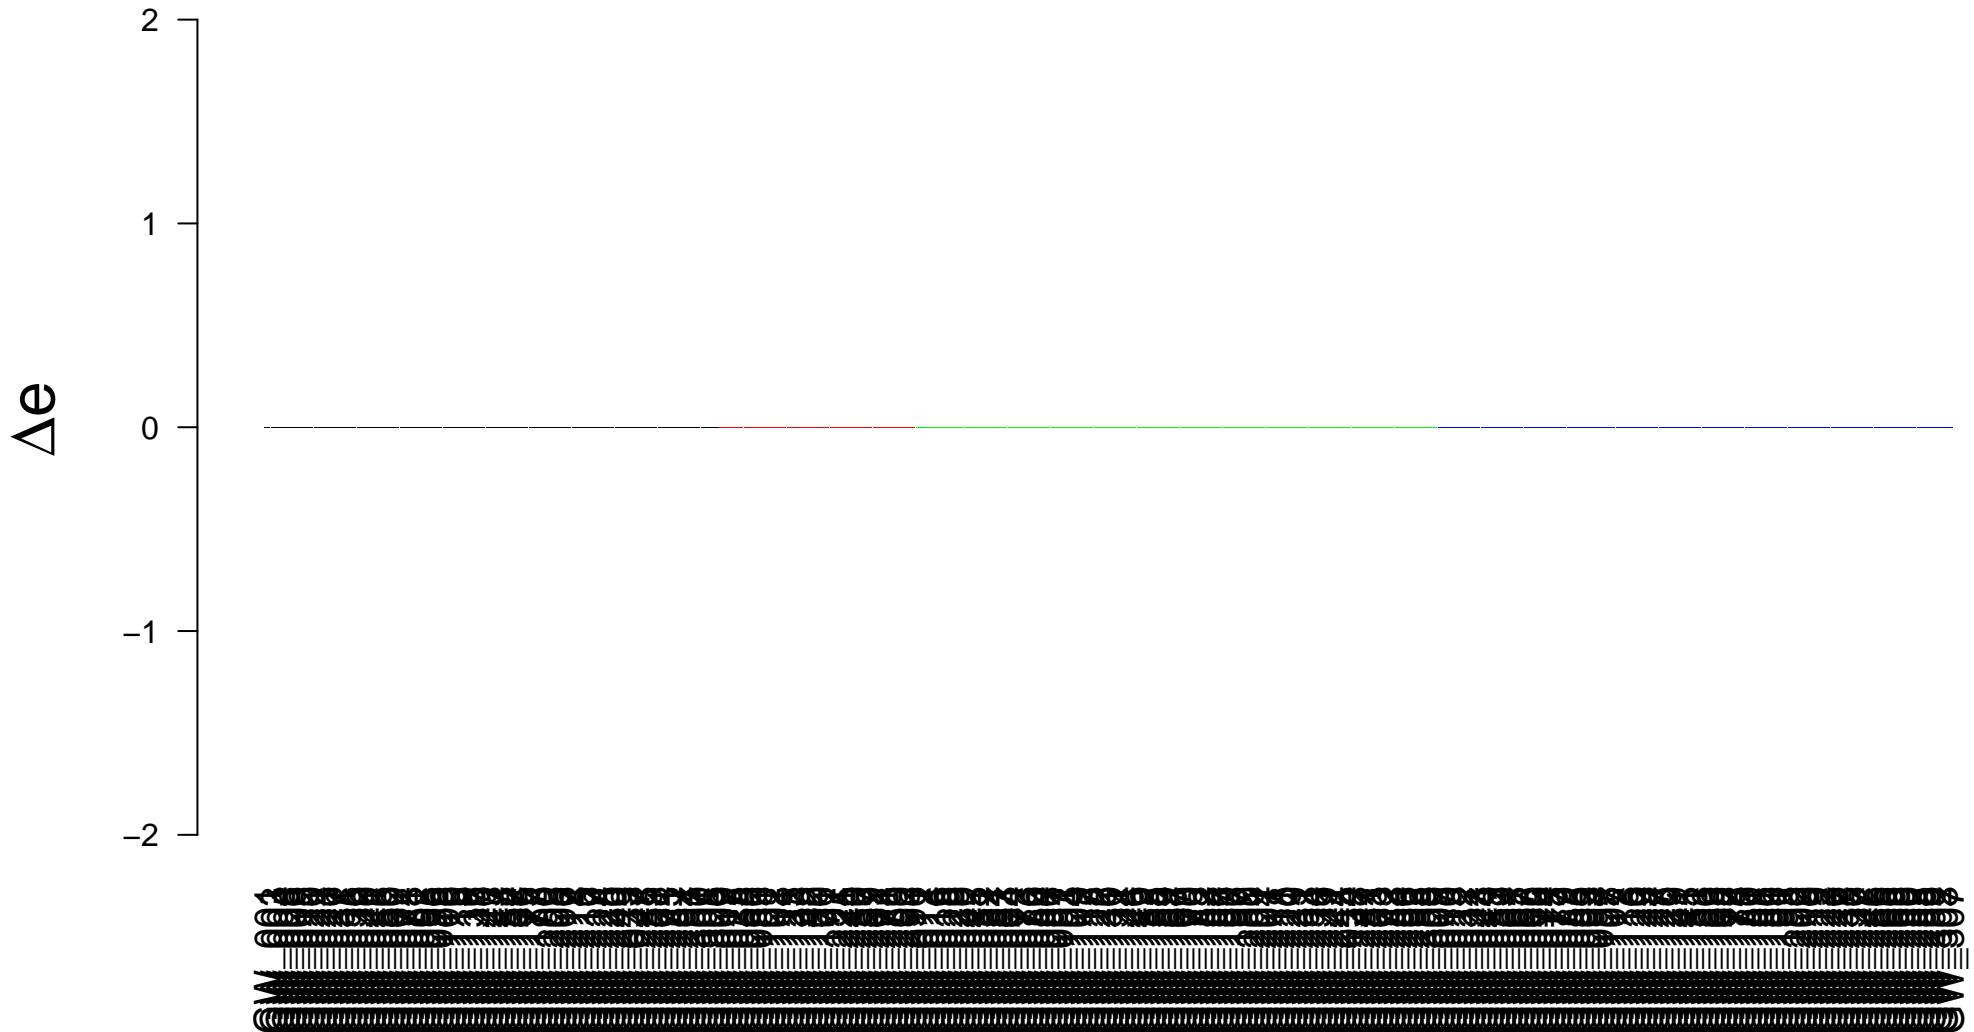

Expression of amino acid transport in Spot B

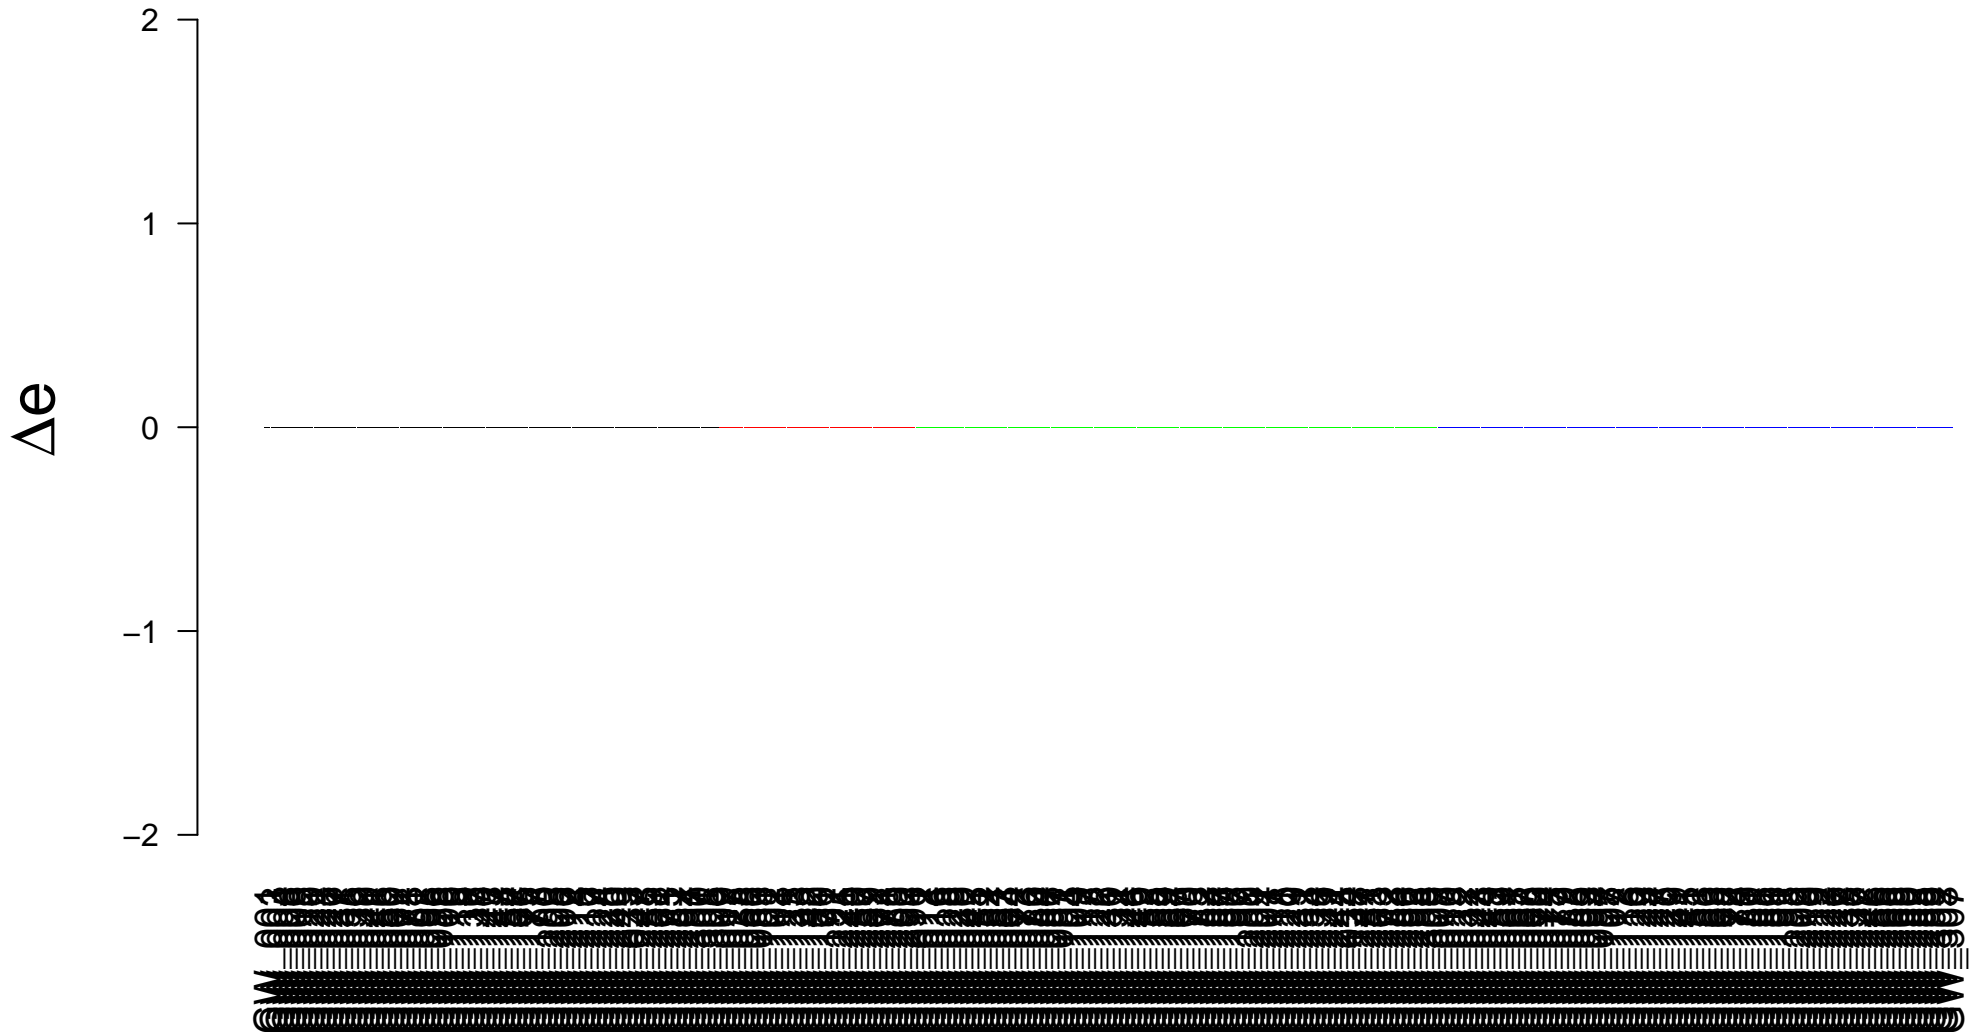

Expression of amino acid transport in Spot C

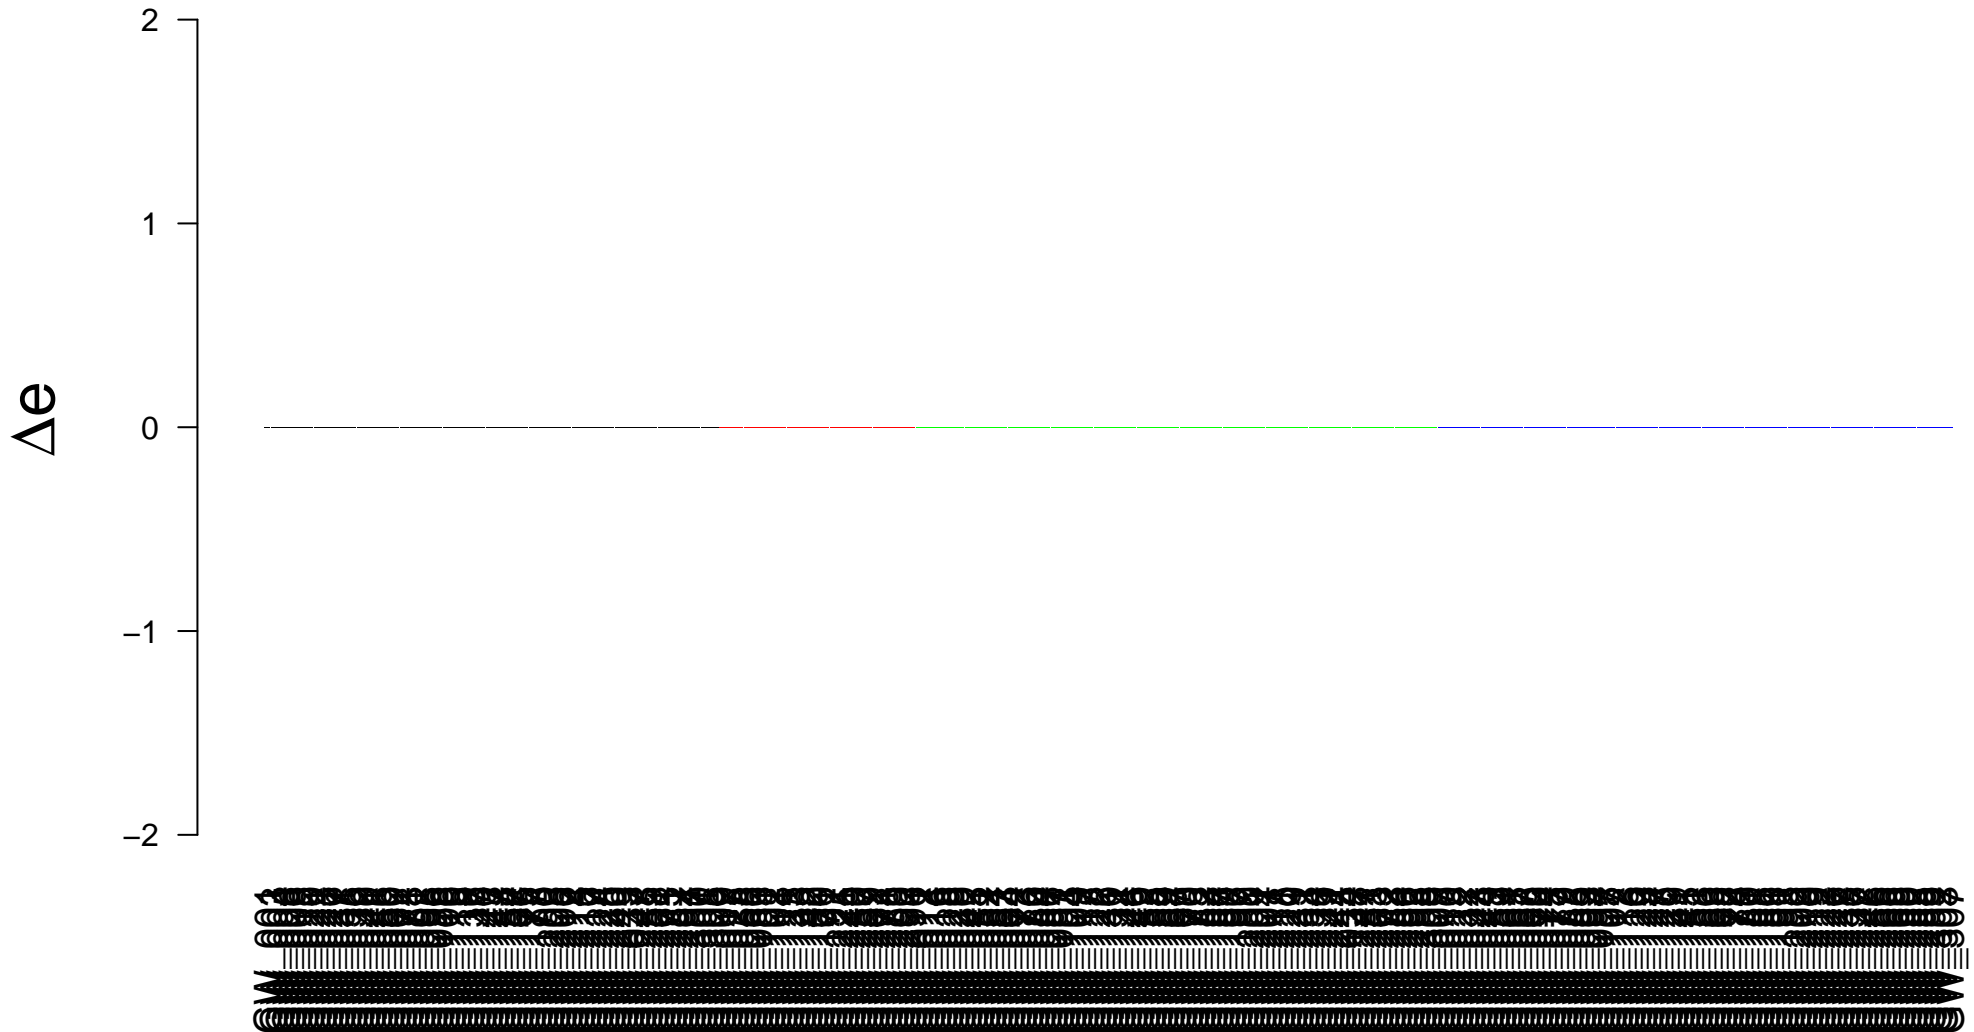

Expression of amino acid transport in Spot D

Expression of amino acid transport in Spot E

Expression of amino acid transport in Spot F

Expression of amino acid transport in Spot G

Expression of amino acid transport in Spot H

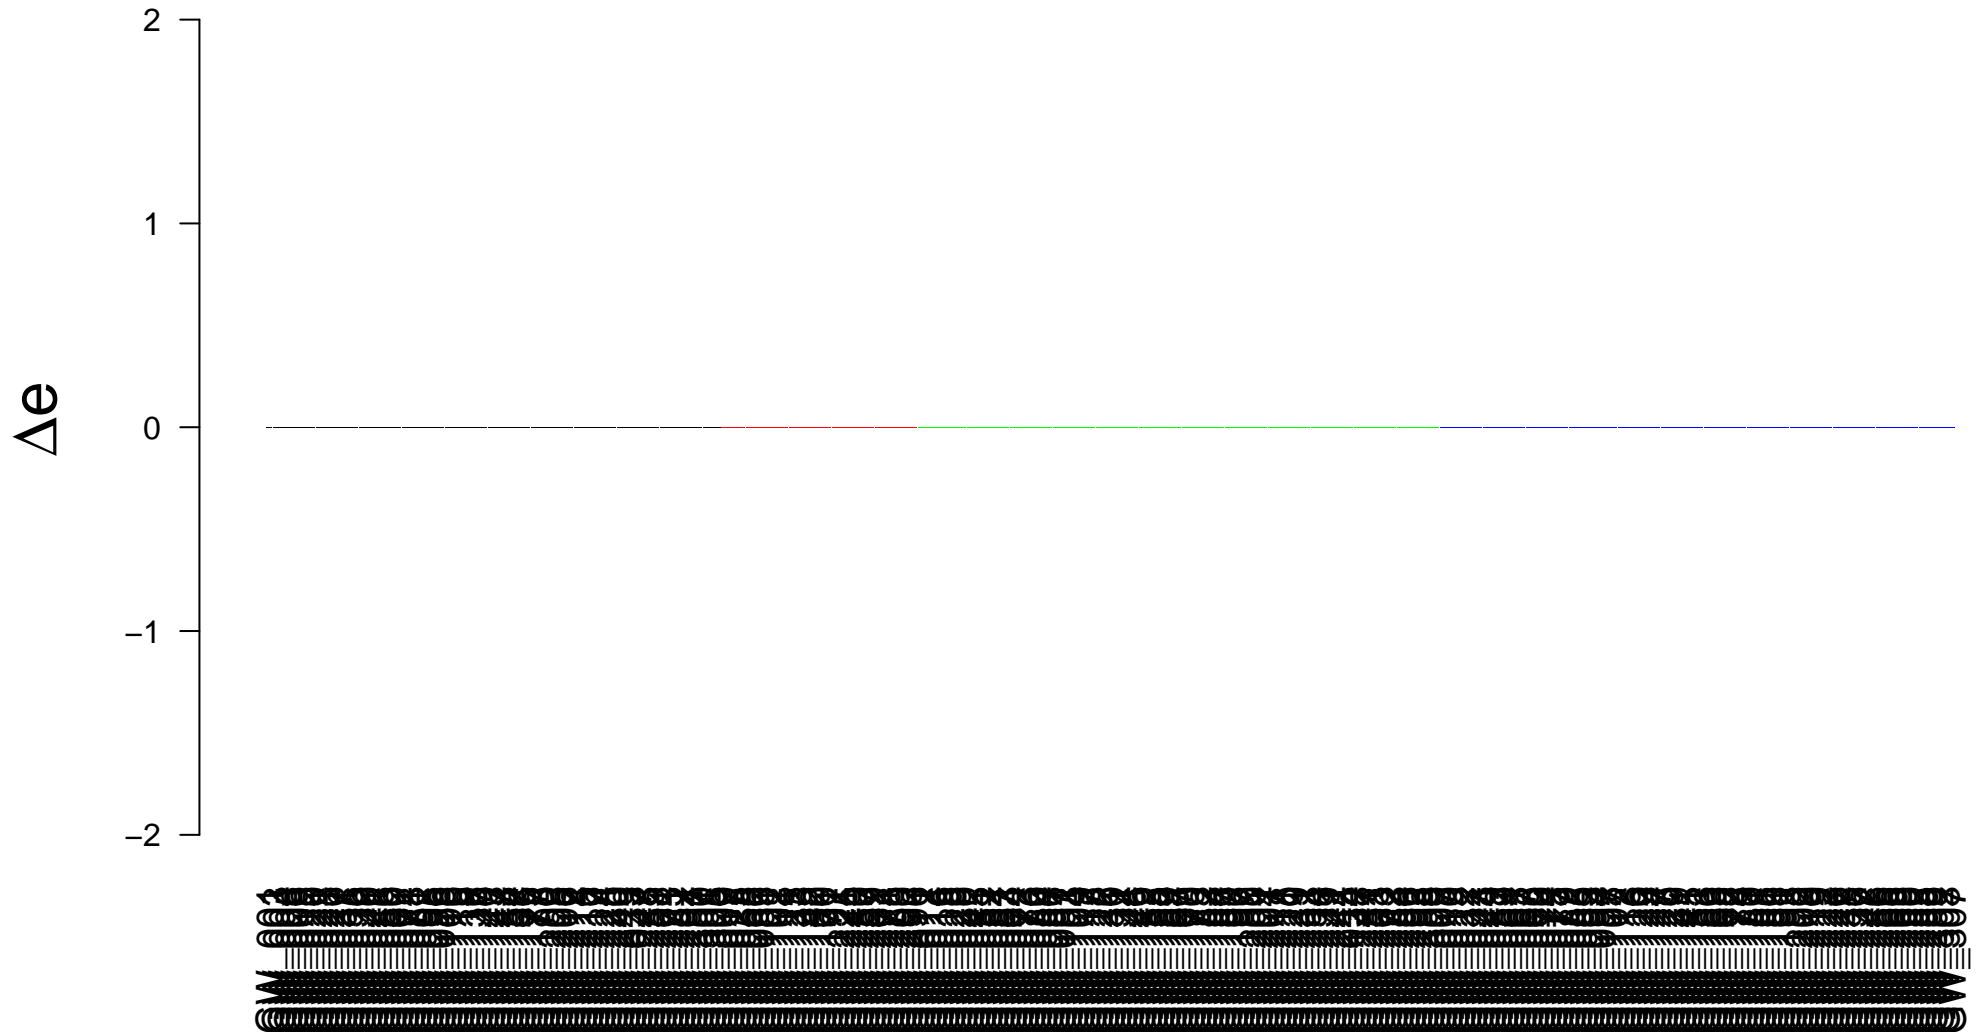

Expression of amino acid transport in Spot I

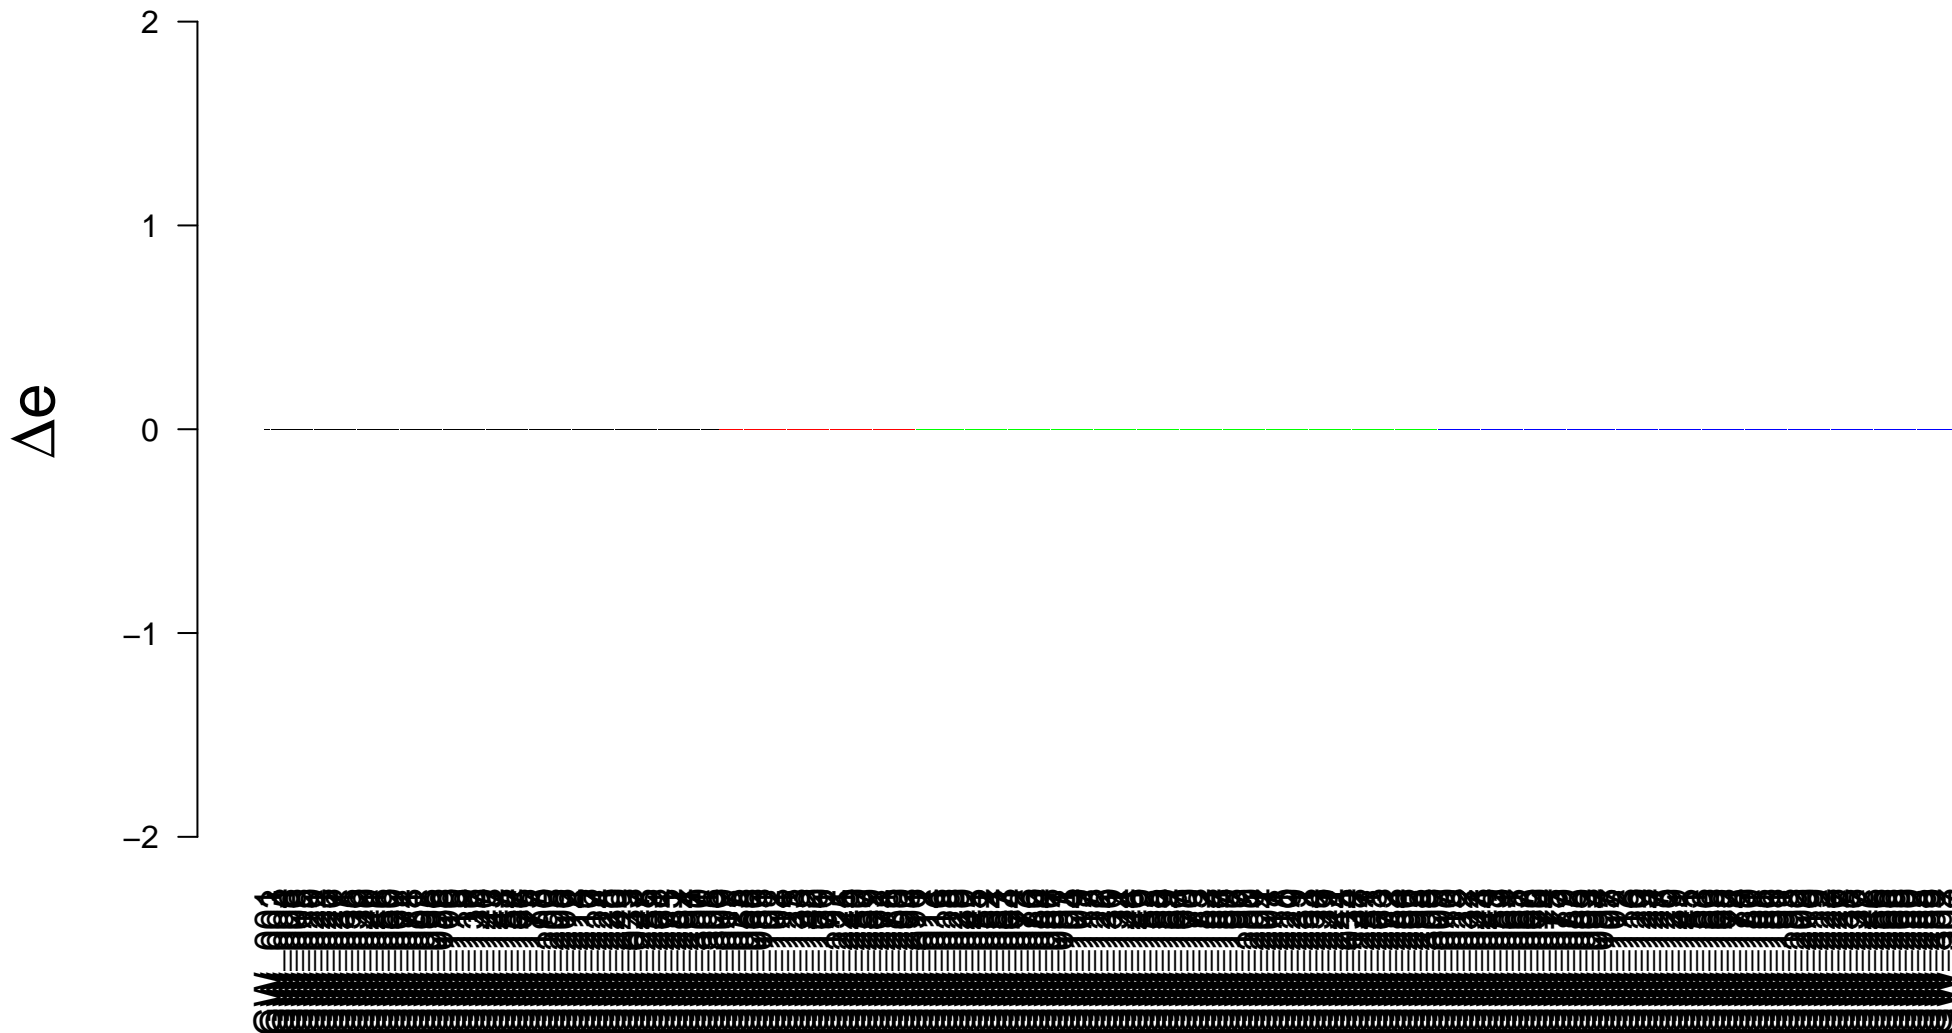

Expression of amino acid transport in Spot J

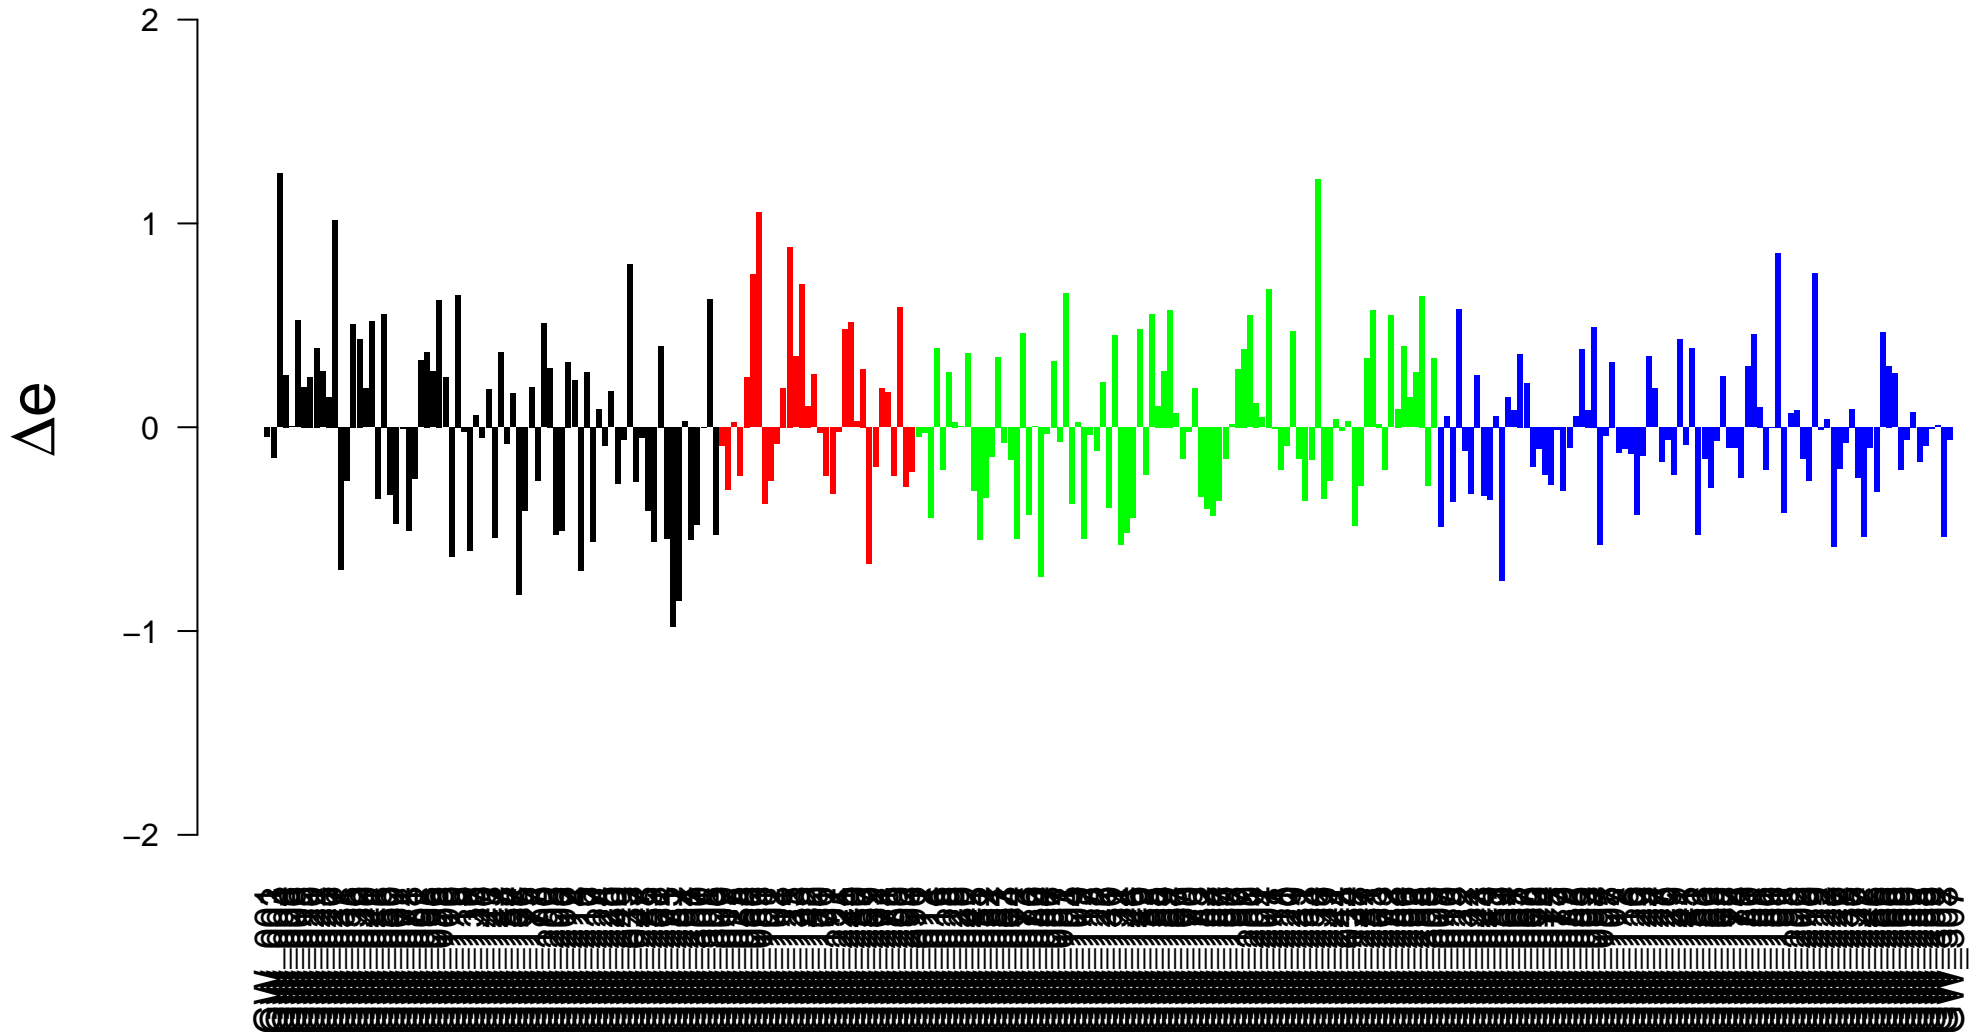

Expression of amino acid transport in Spot K

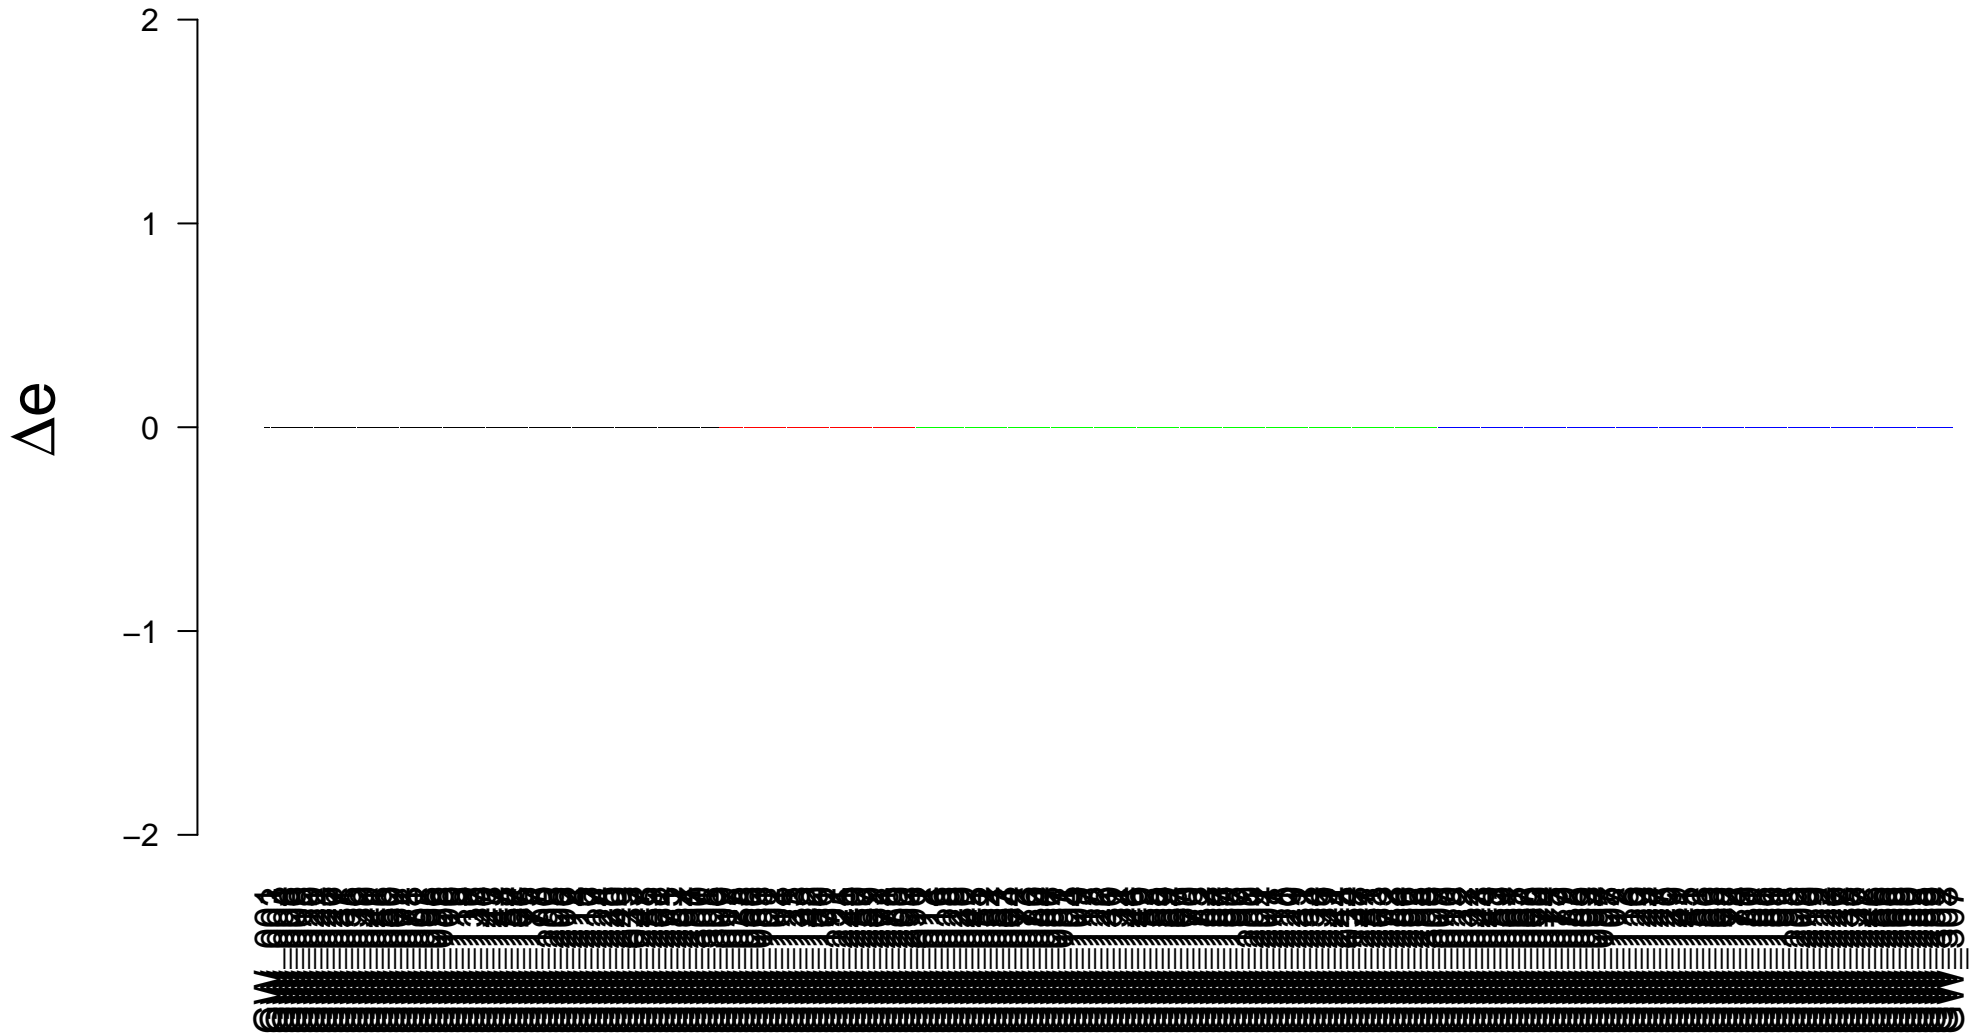

Expression of amino acid transport in Spot L

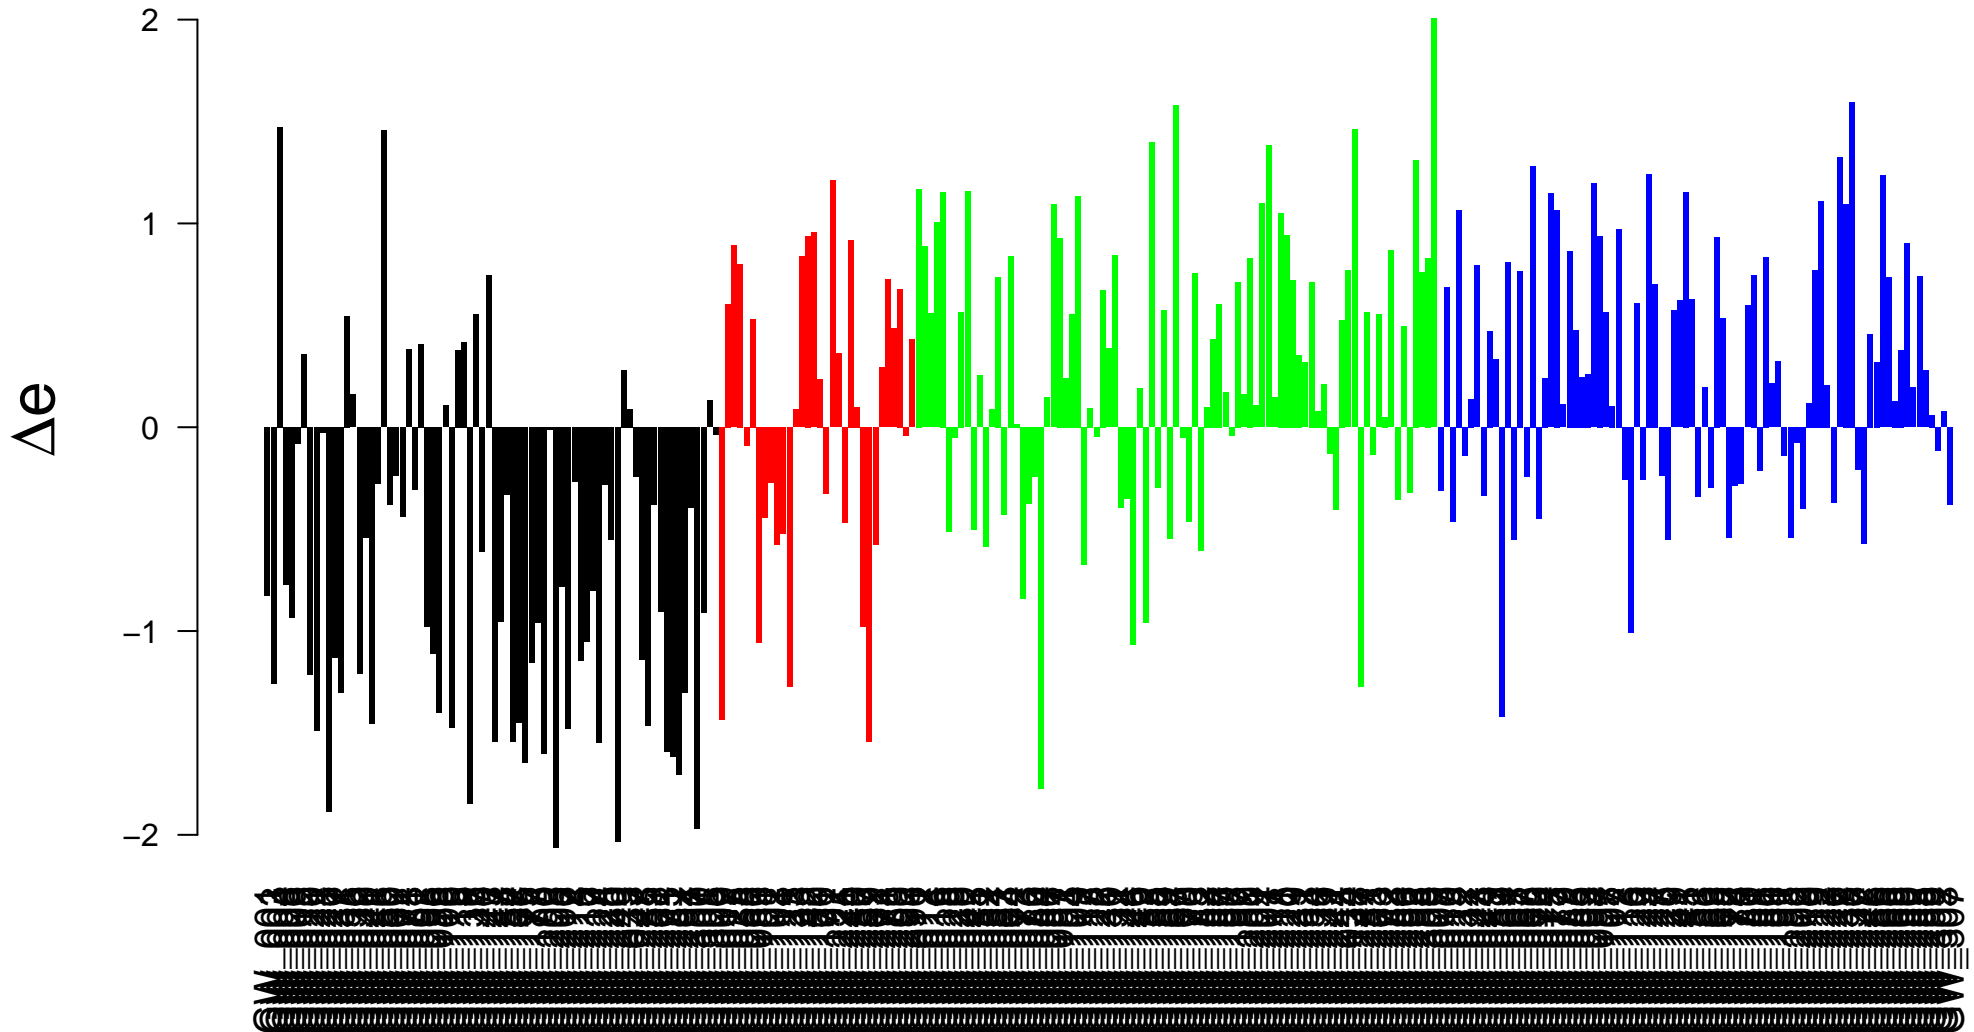

Expression of amino acid transport in Spot M

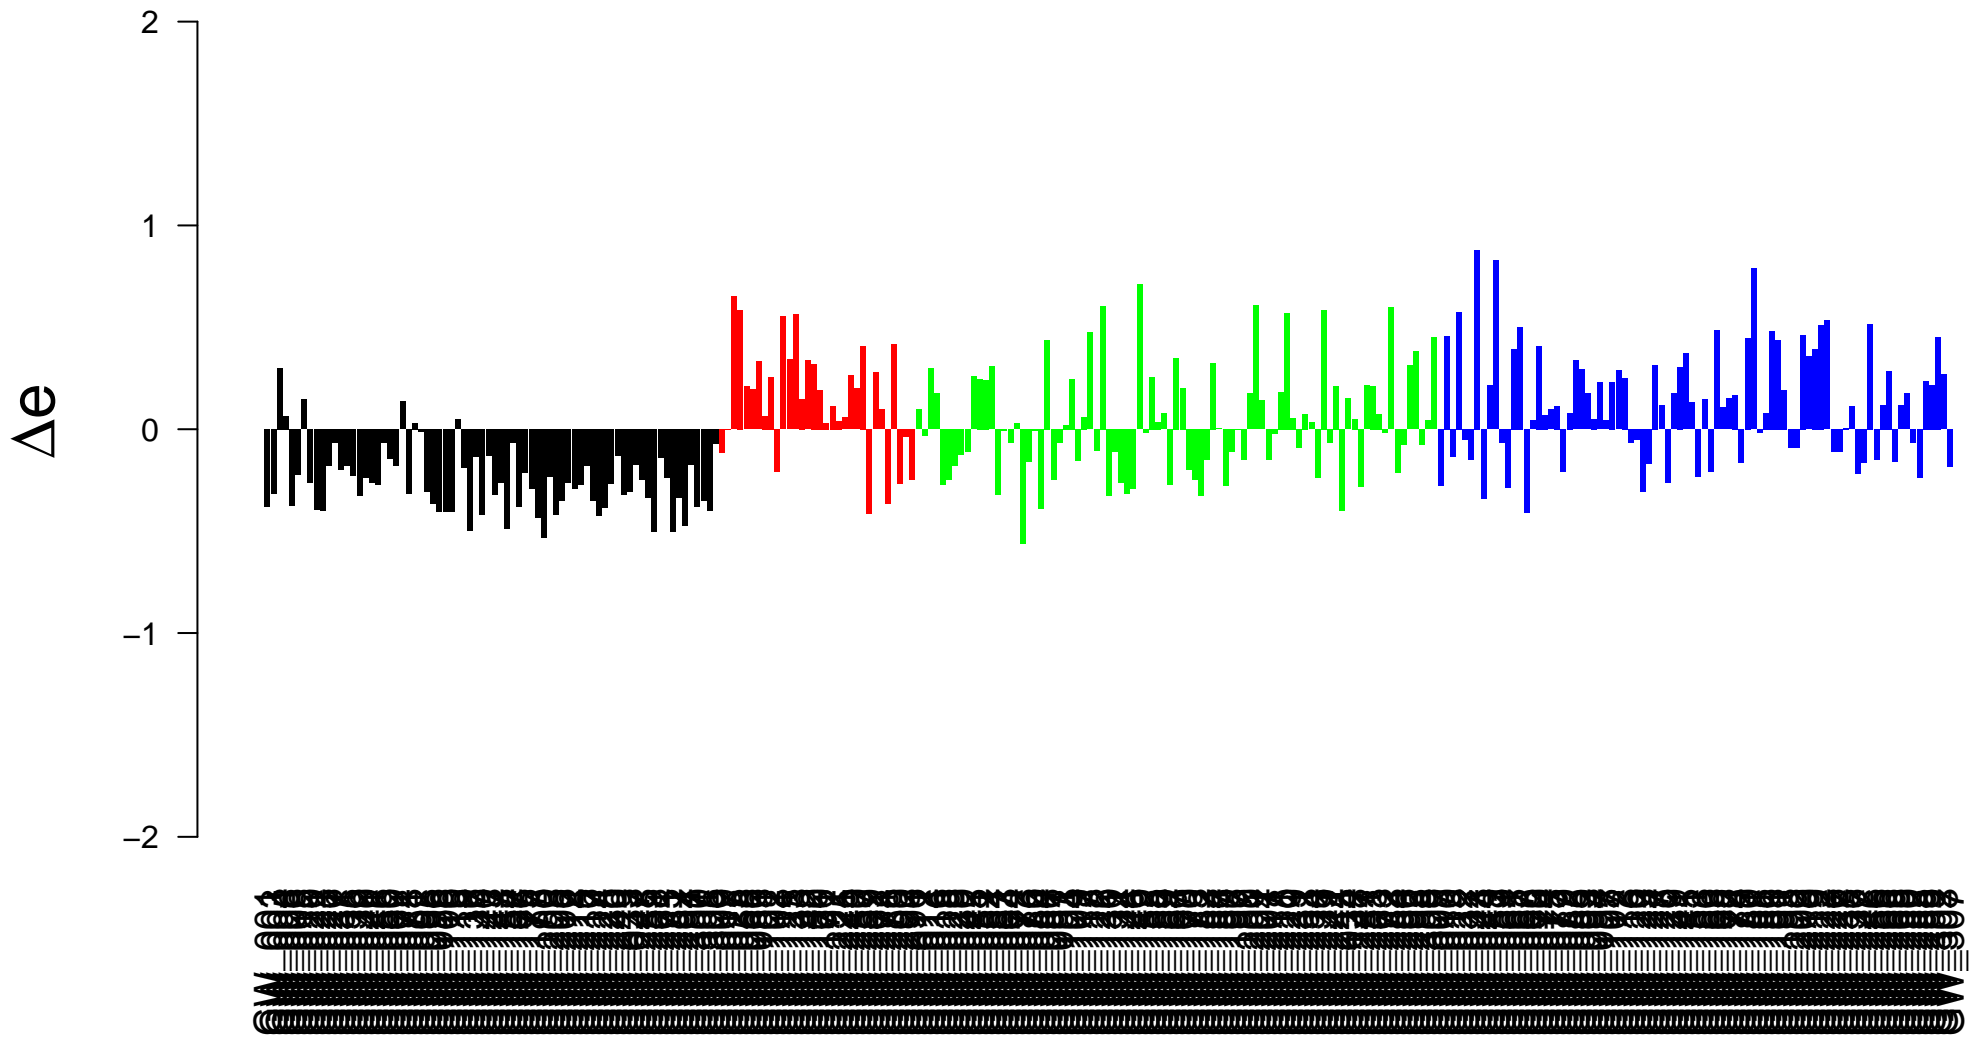

Expression of amino acid transport in Spot N

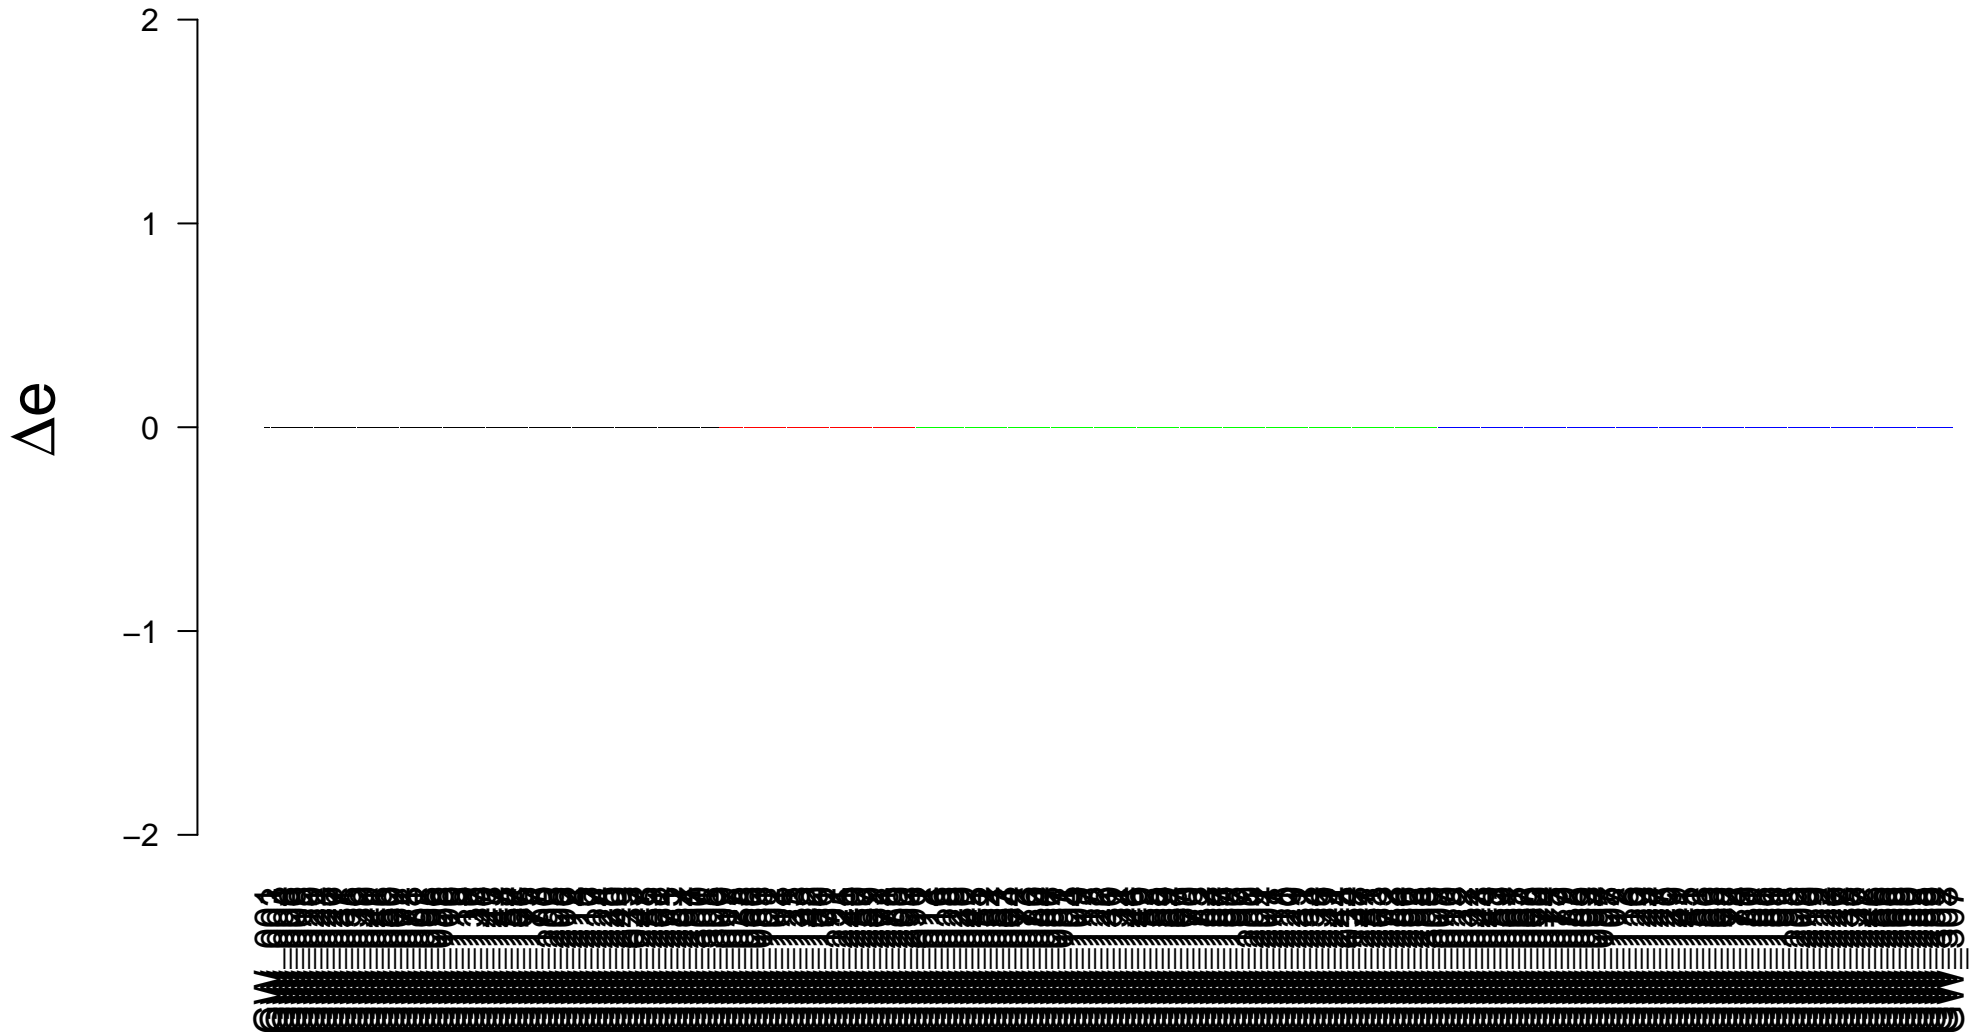

Expression of amino acid transport in Spot O

Expression of amino acid transport in Spot P

Expression of amino acid transport in Spot Q

Expression of amino acid transport in Spot R
