

anion transport

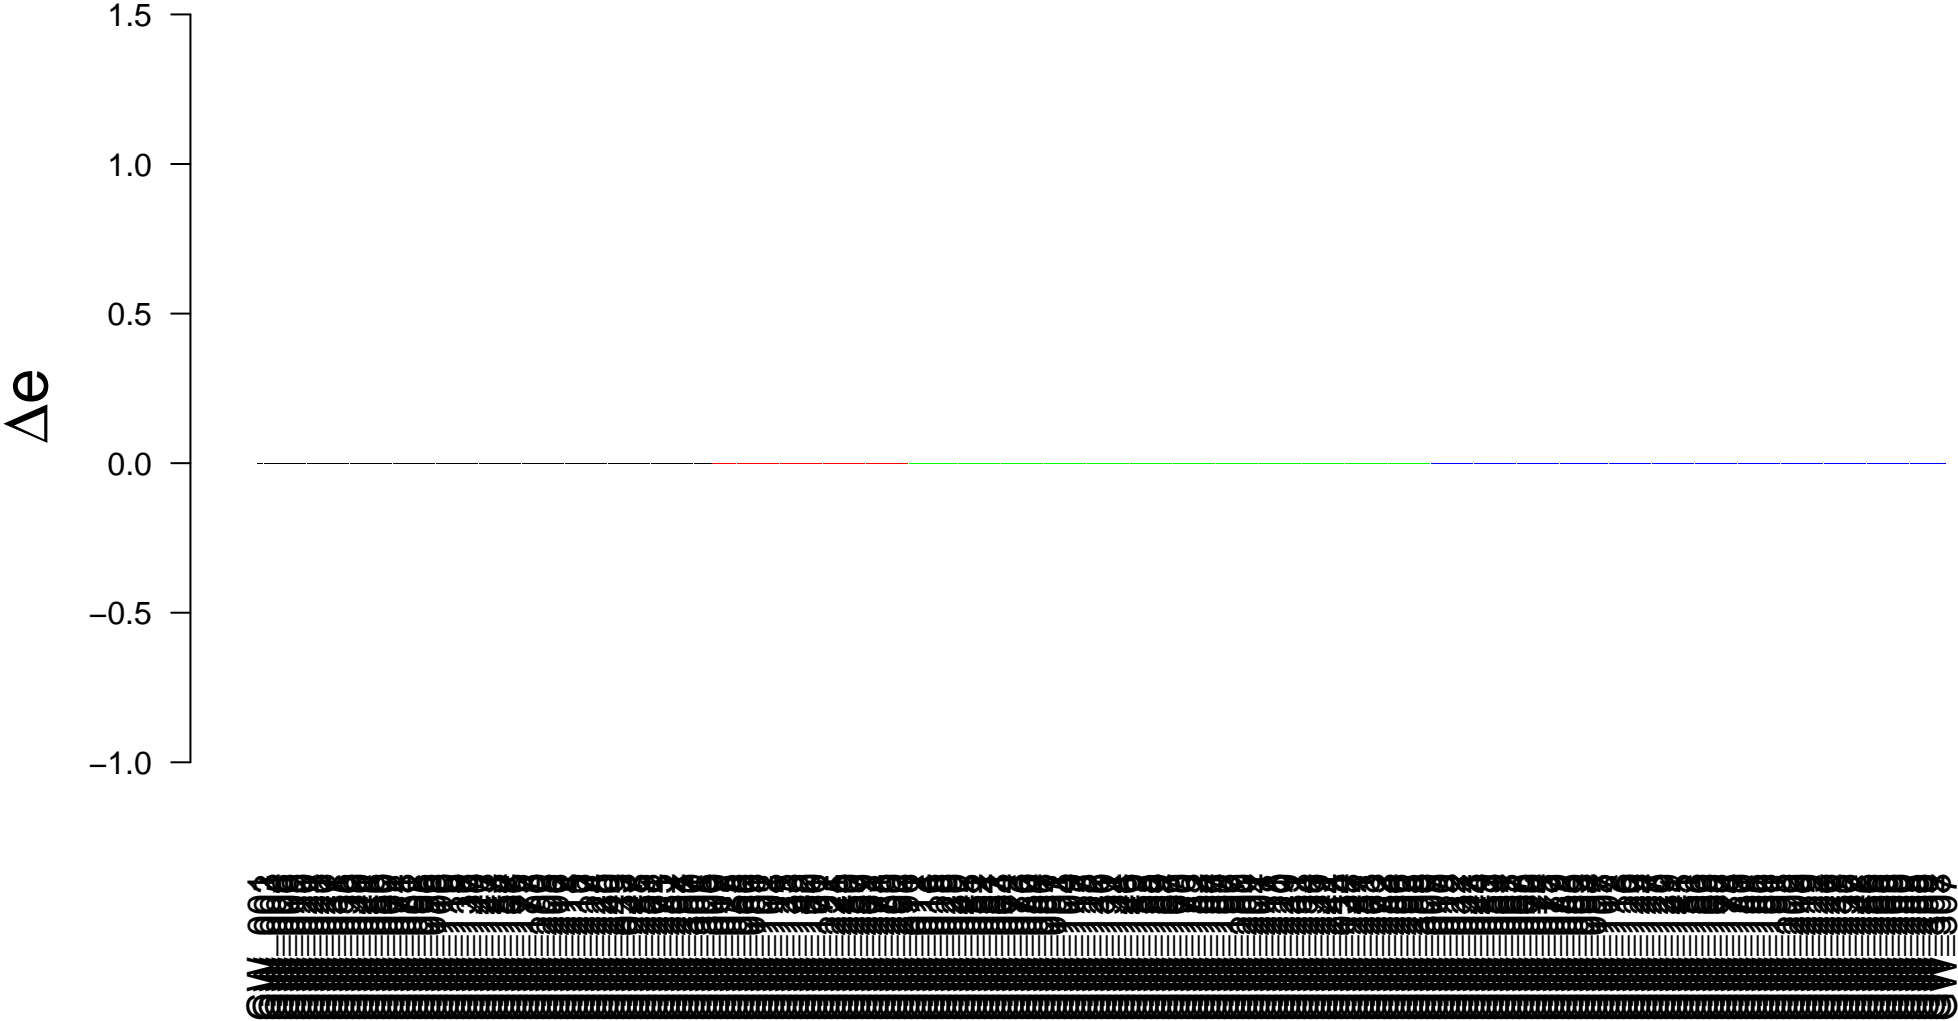

anion transport

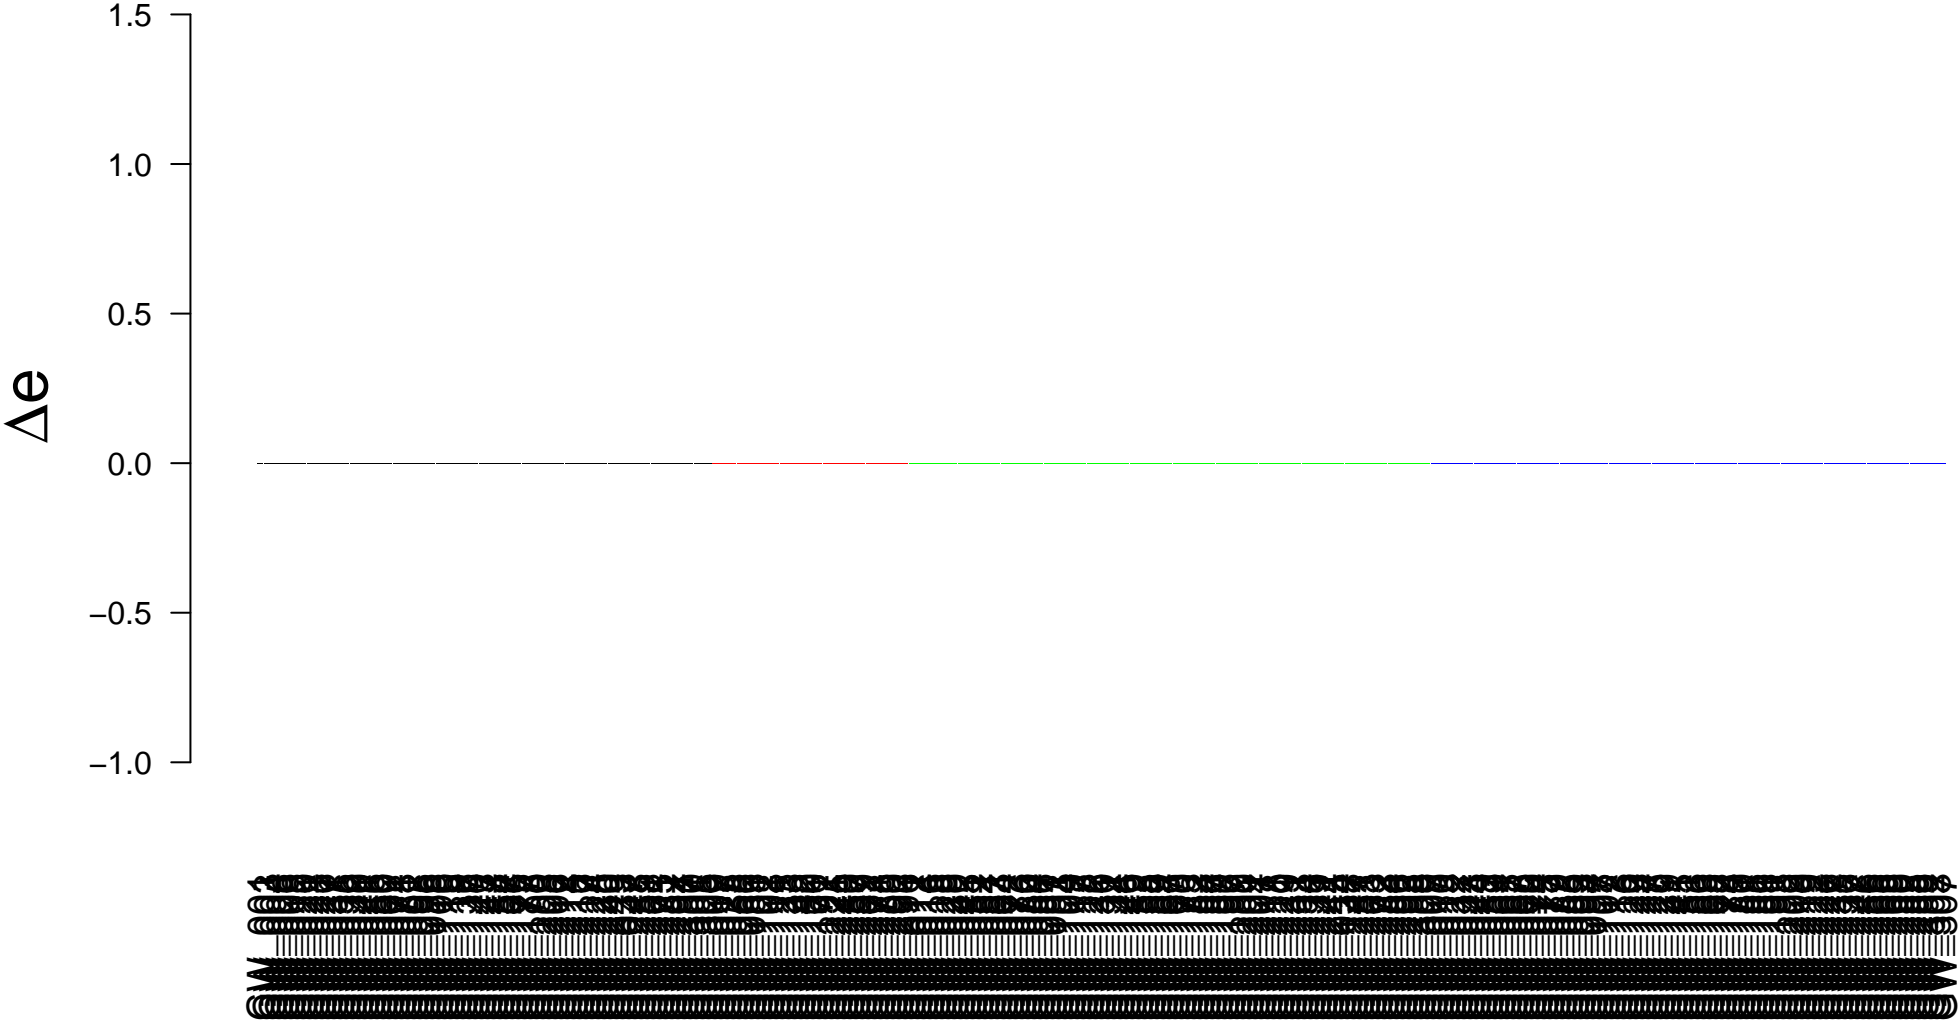

Enrichment in spots: anion transport

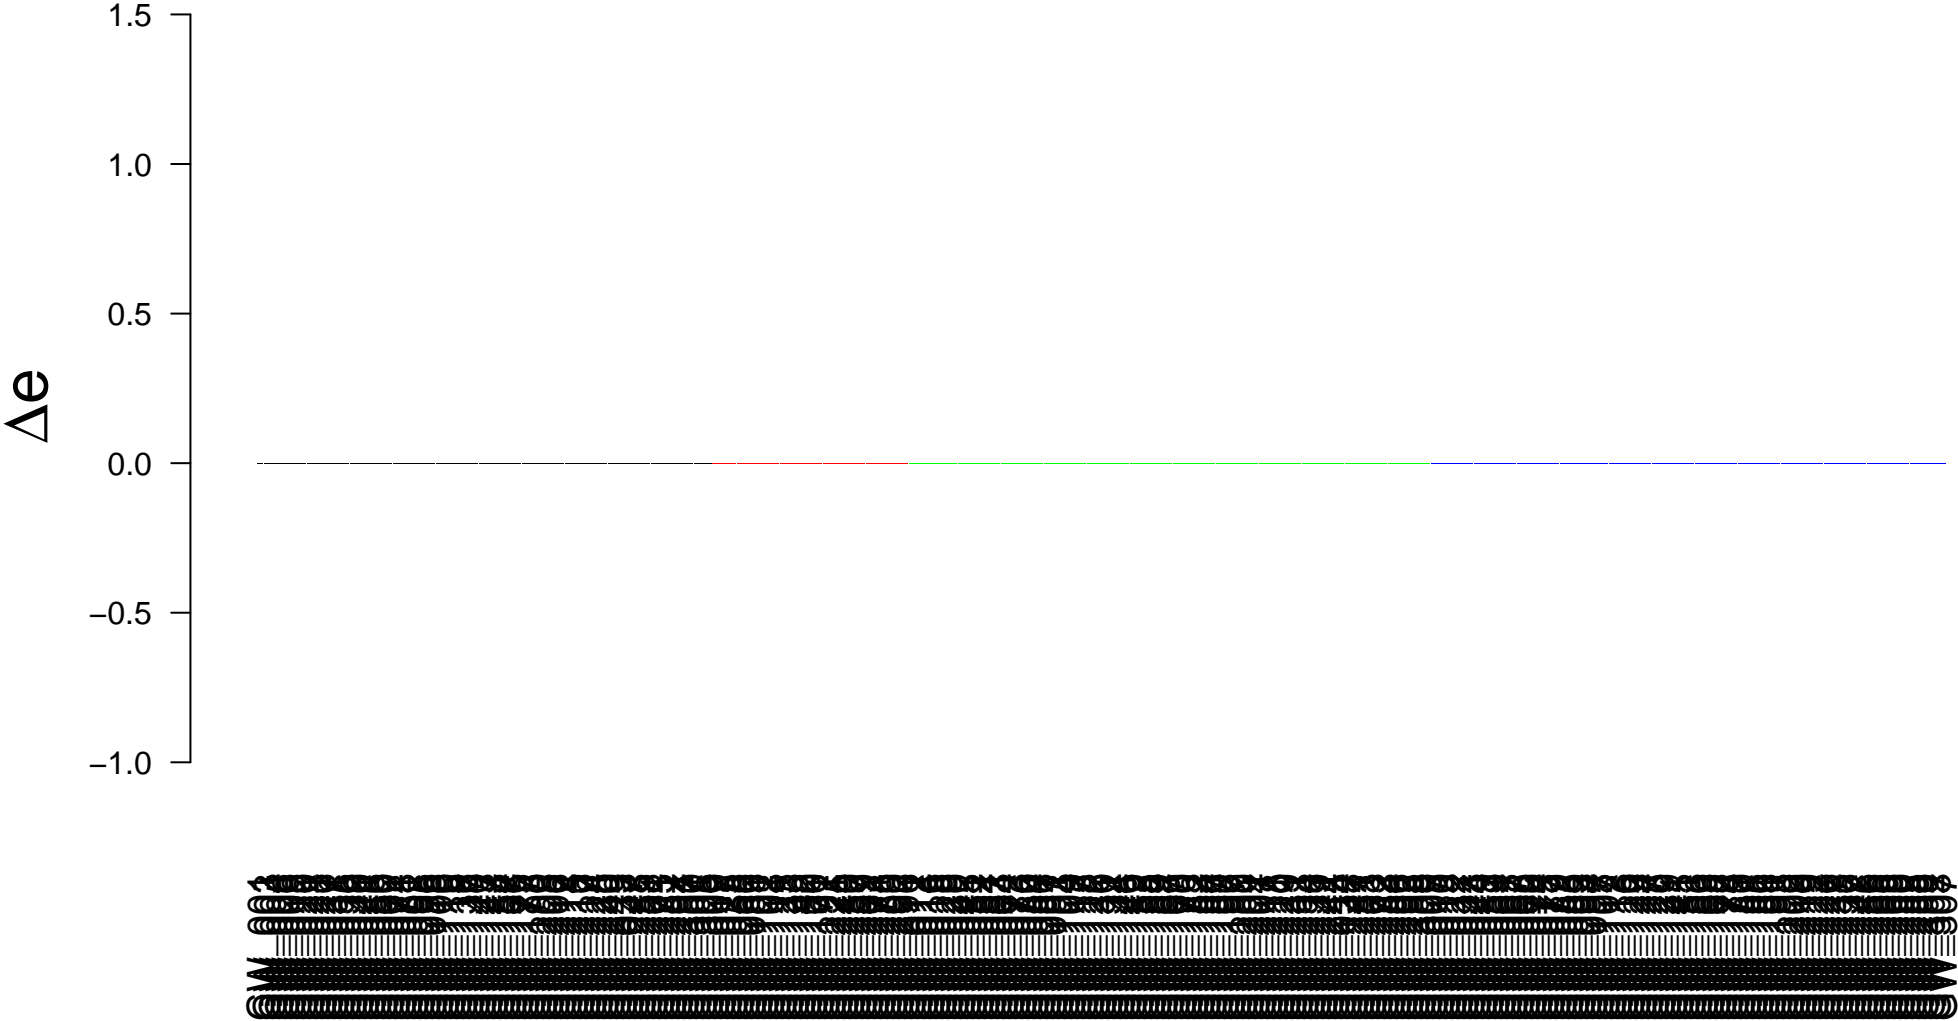

Expression of anion transport in Spot A

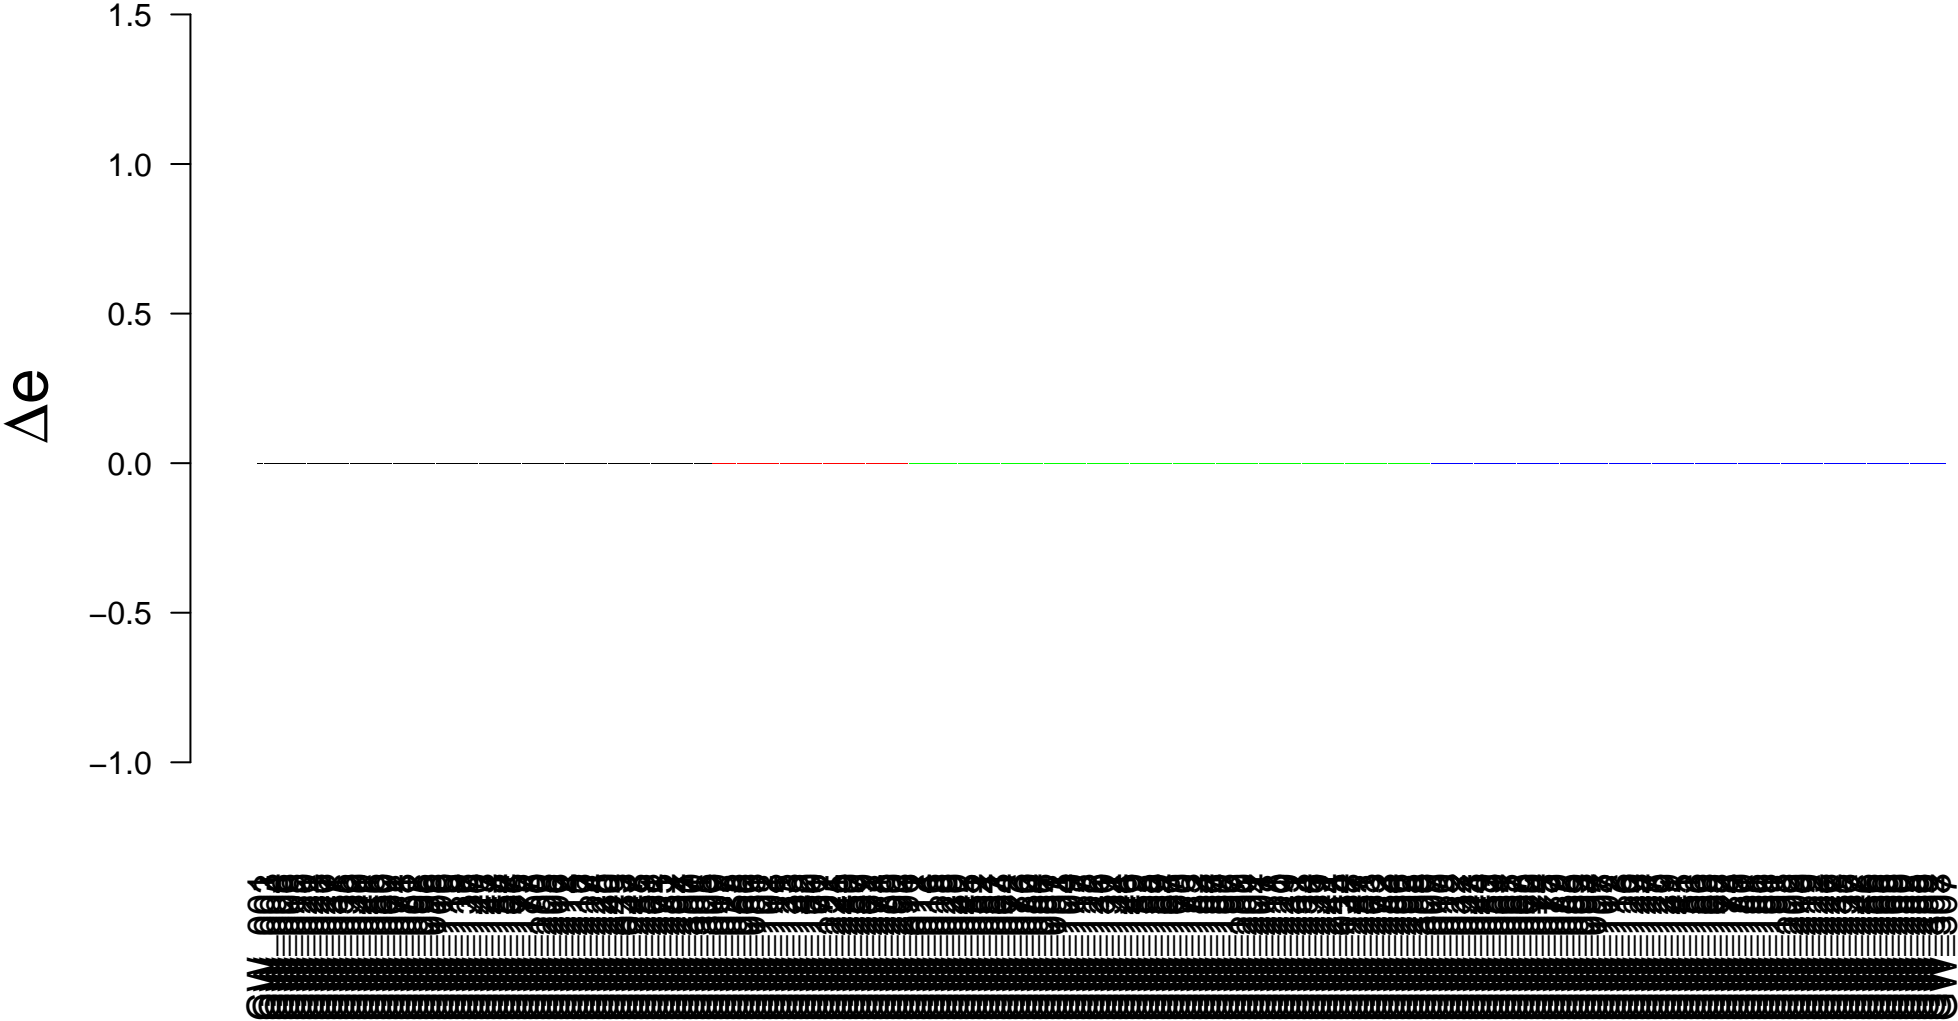

Expression of anion transport in Spot B

Expression of anion transport in Spot C

Expression of anion transport in Spot D

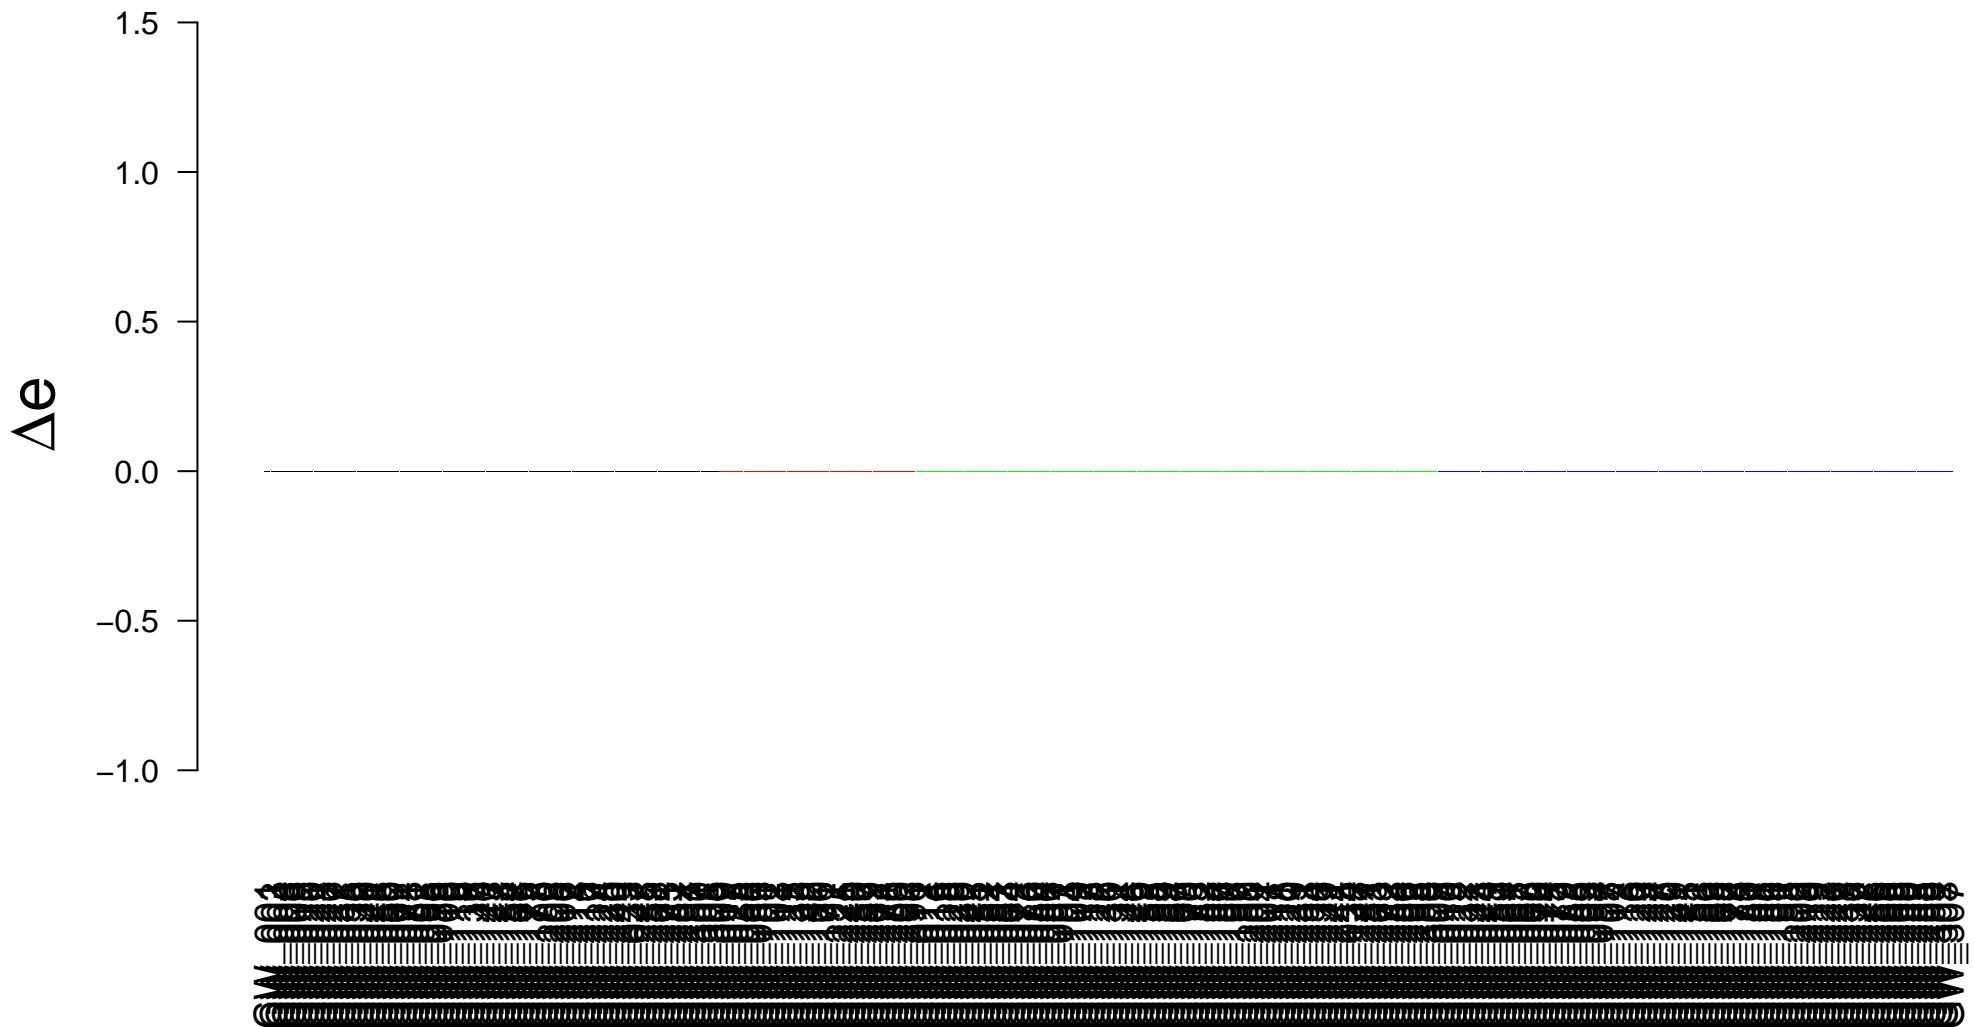

Expression of anion transport in Spot E

Expression of anion transport in Spot F

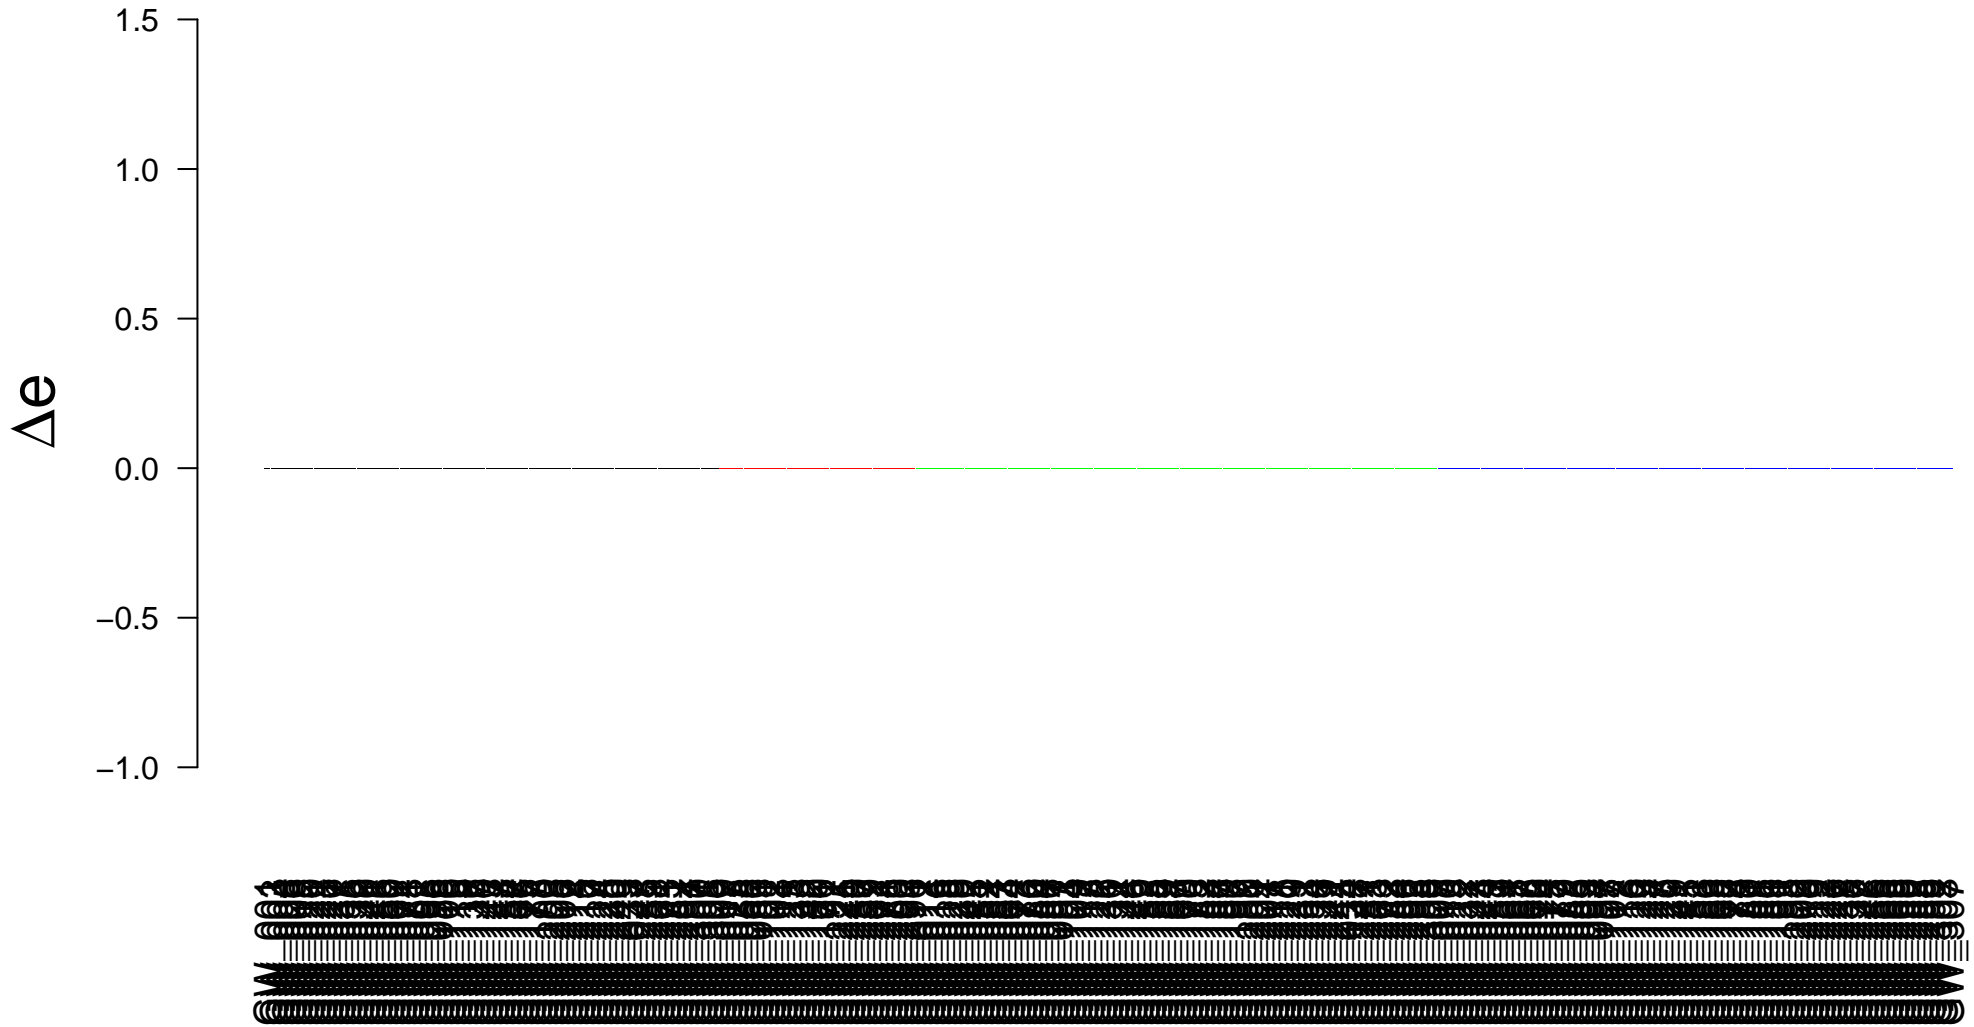

Expression of anion transport in Spot G

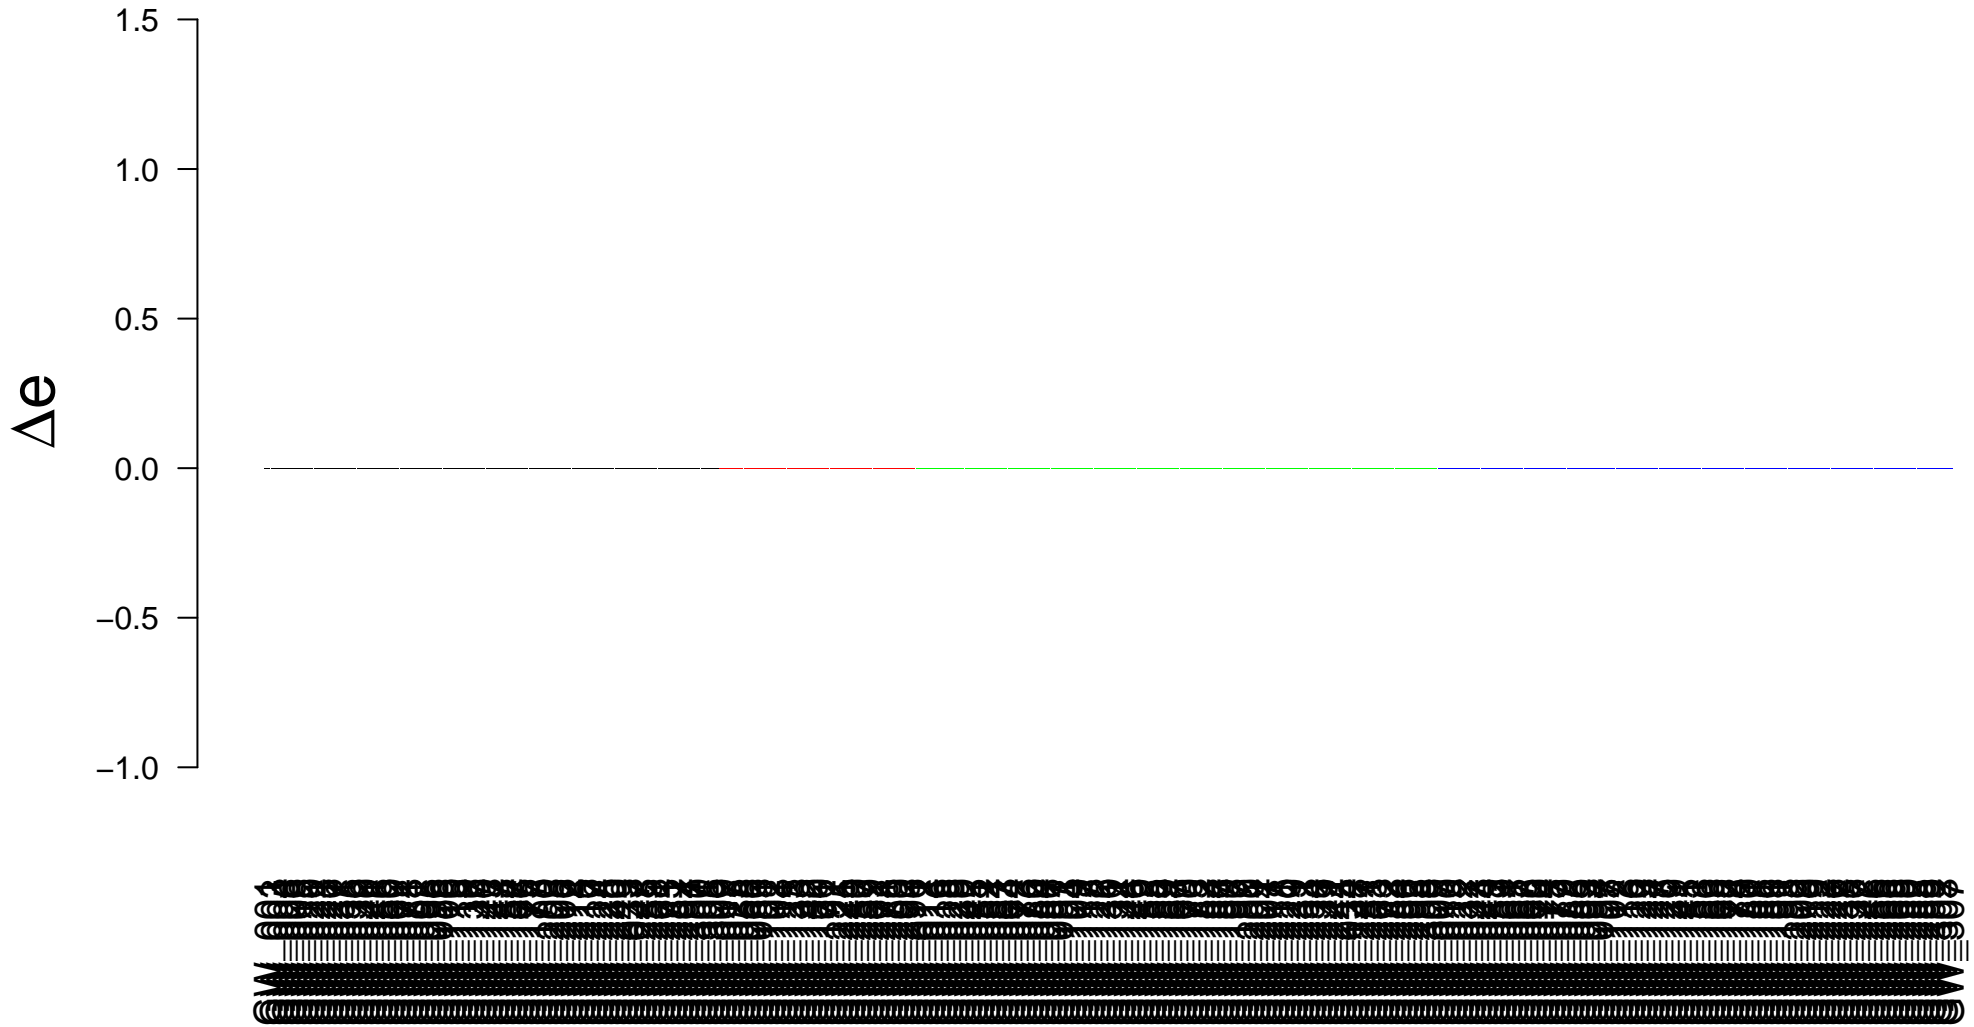

Expression of anion transport in Spot H

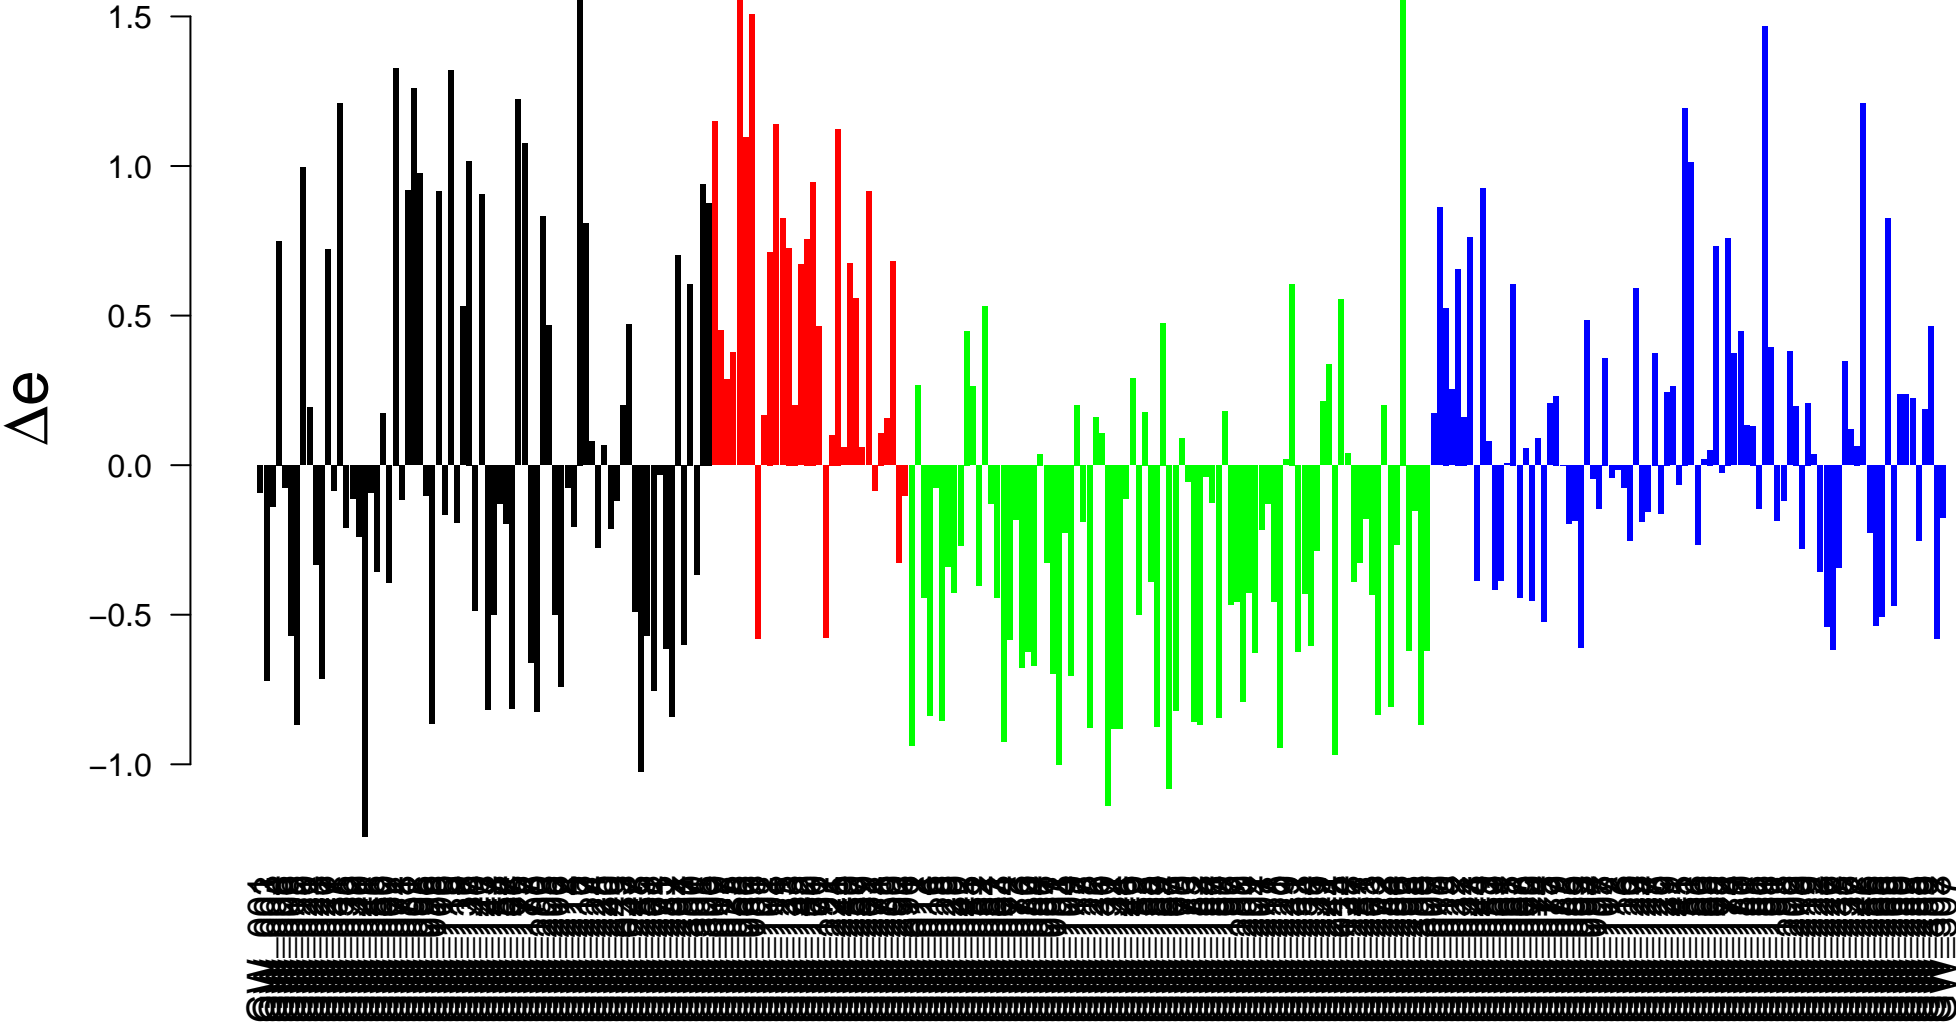

Expression of anion transport in Spot I

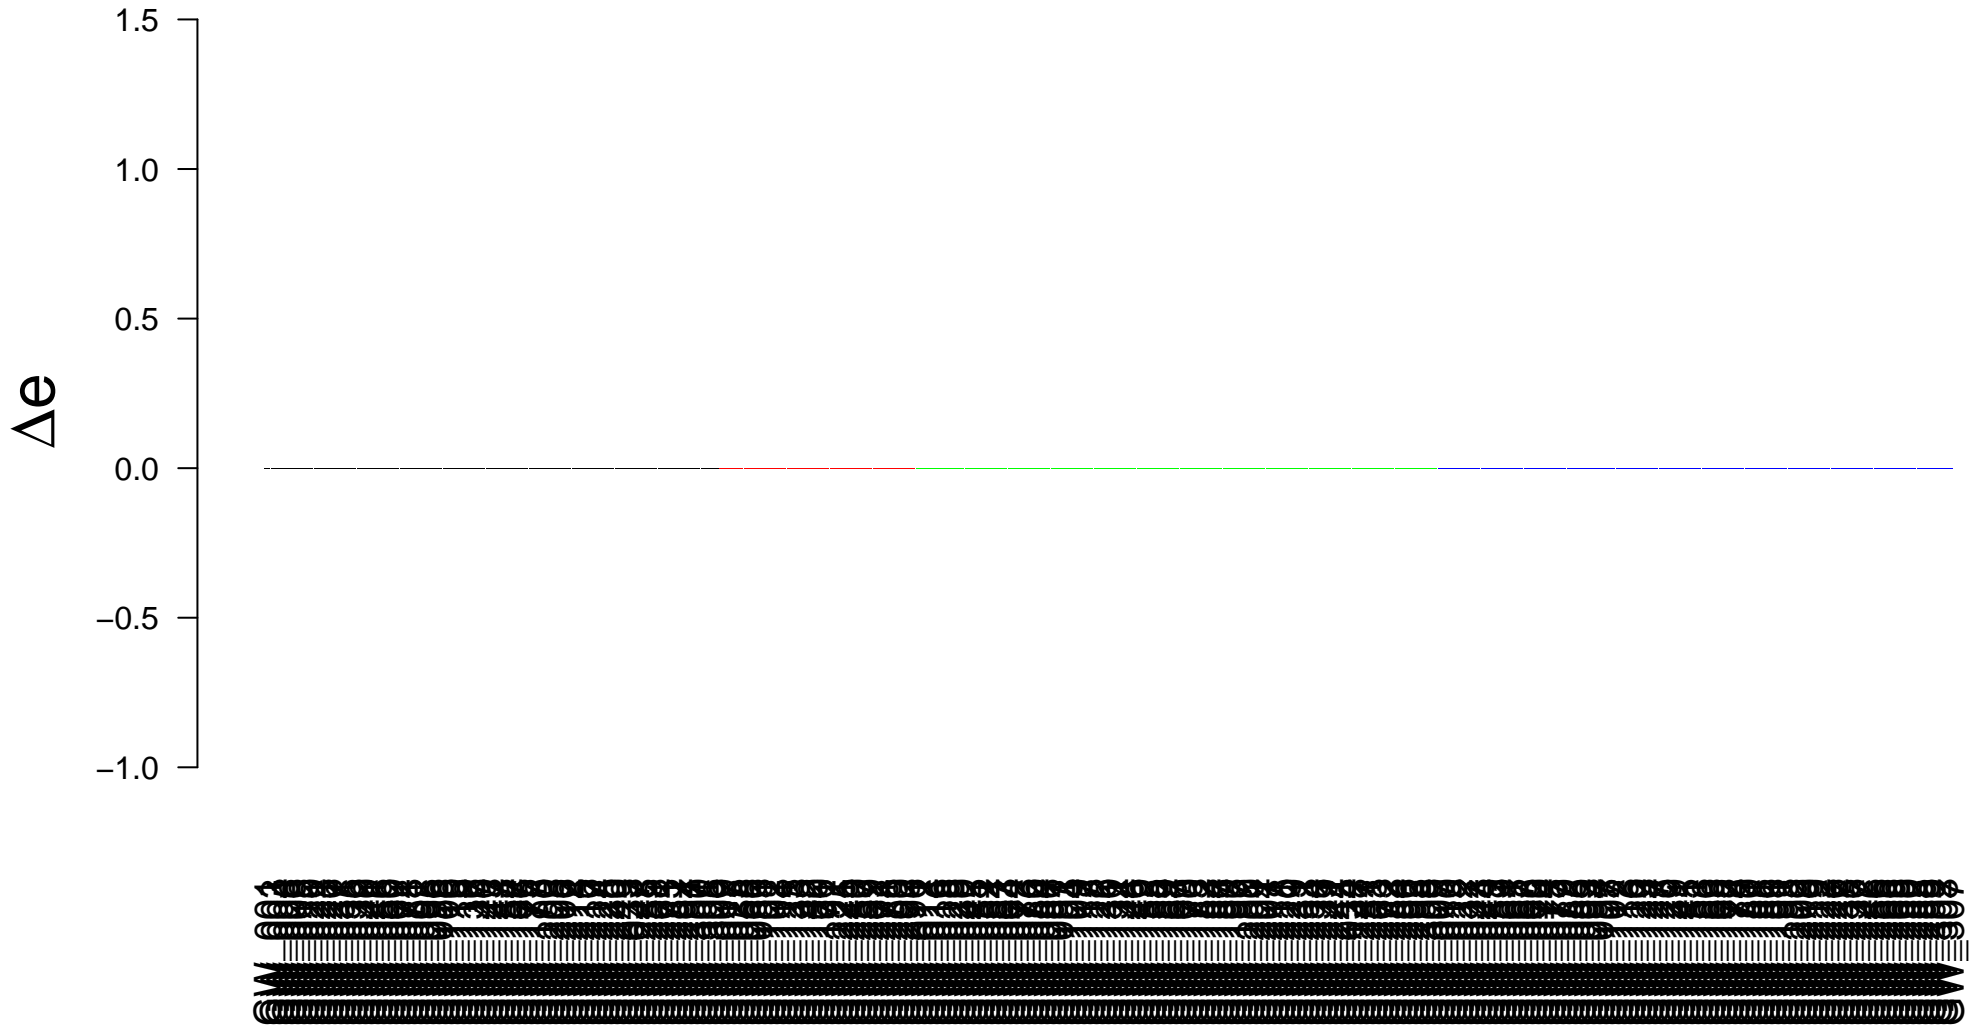

Expression of anion transport in Spot J

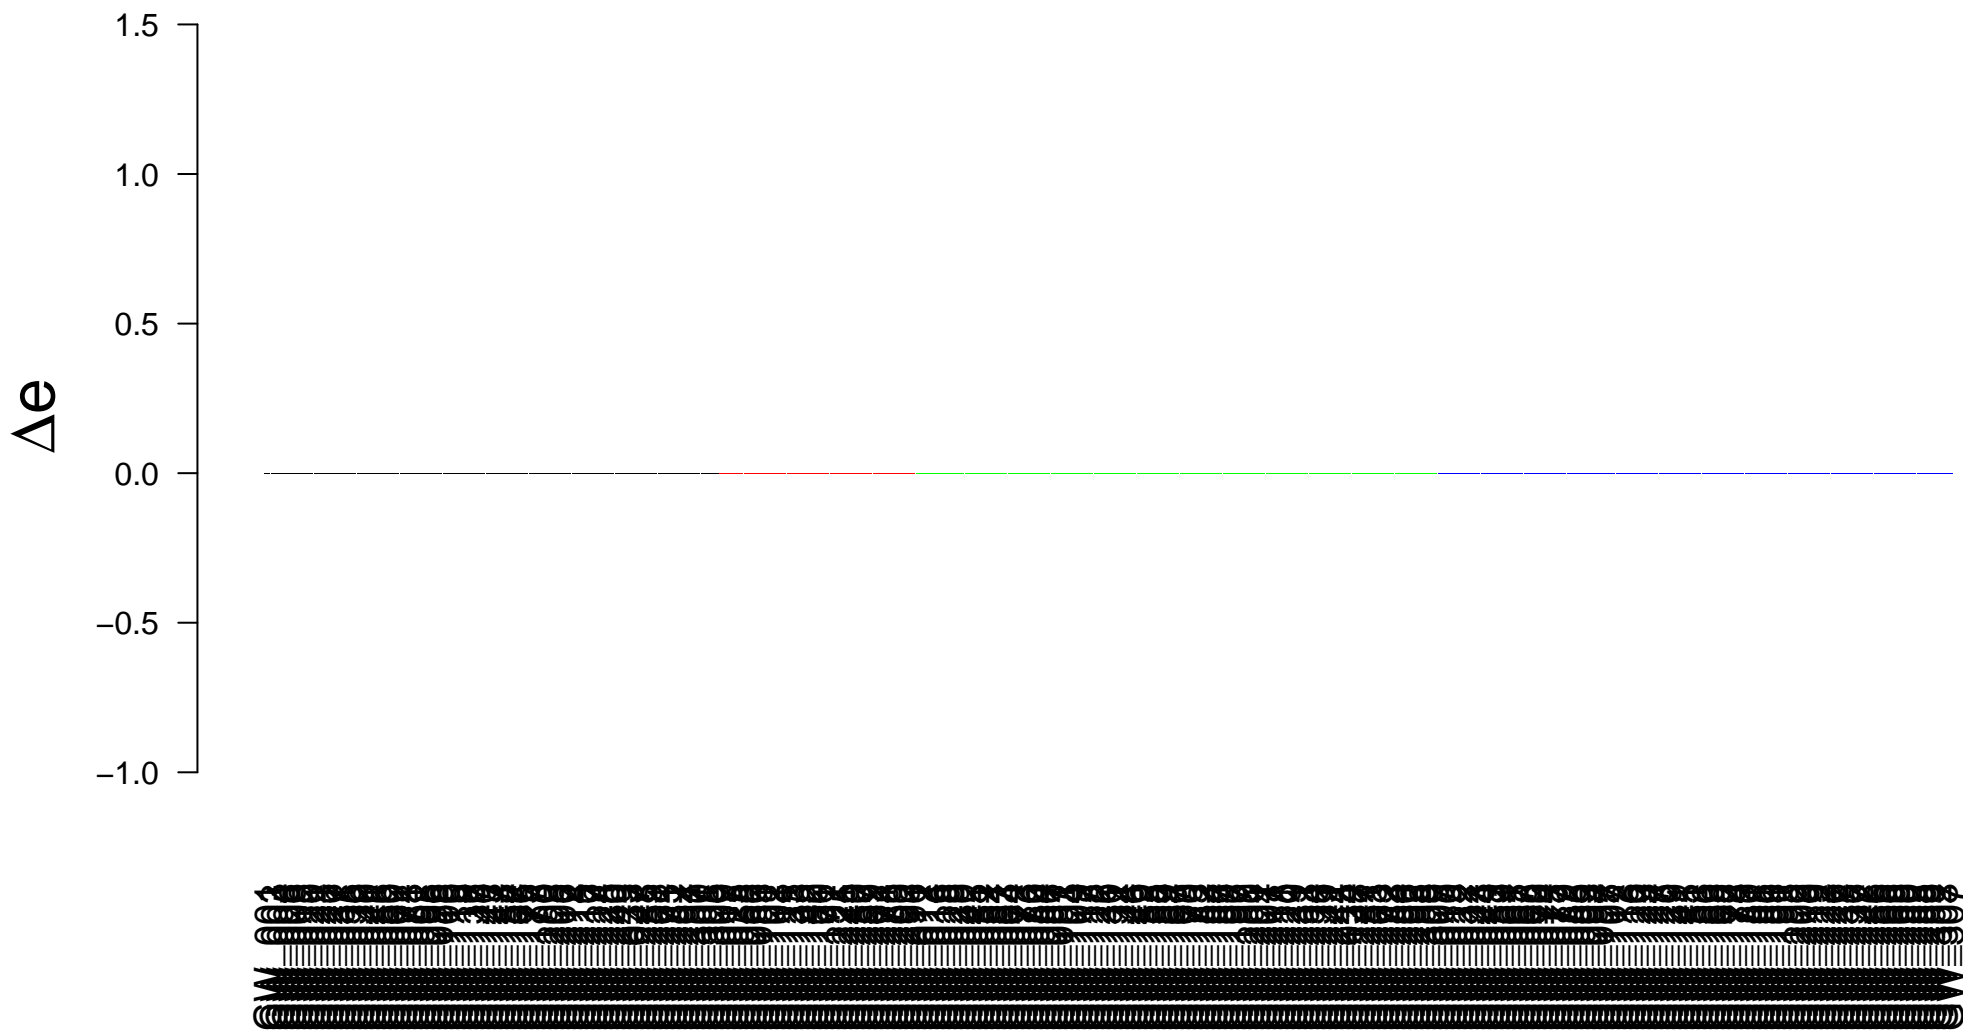

Expression of anion transport in Spot K

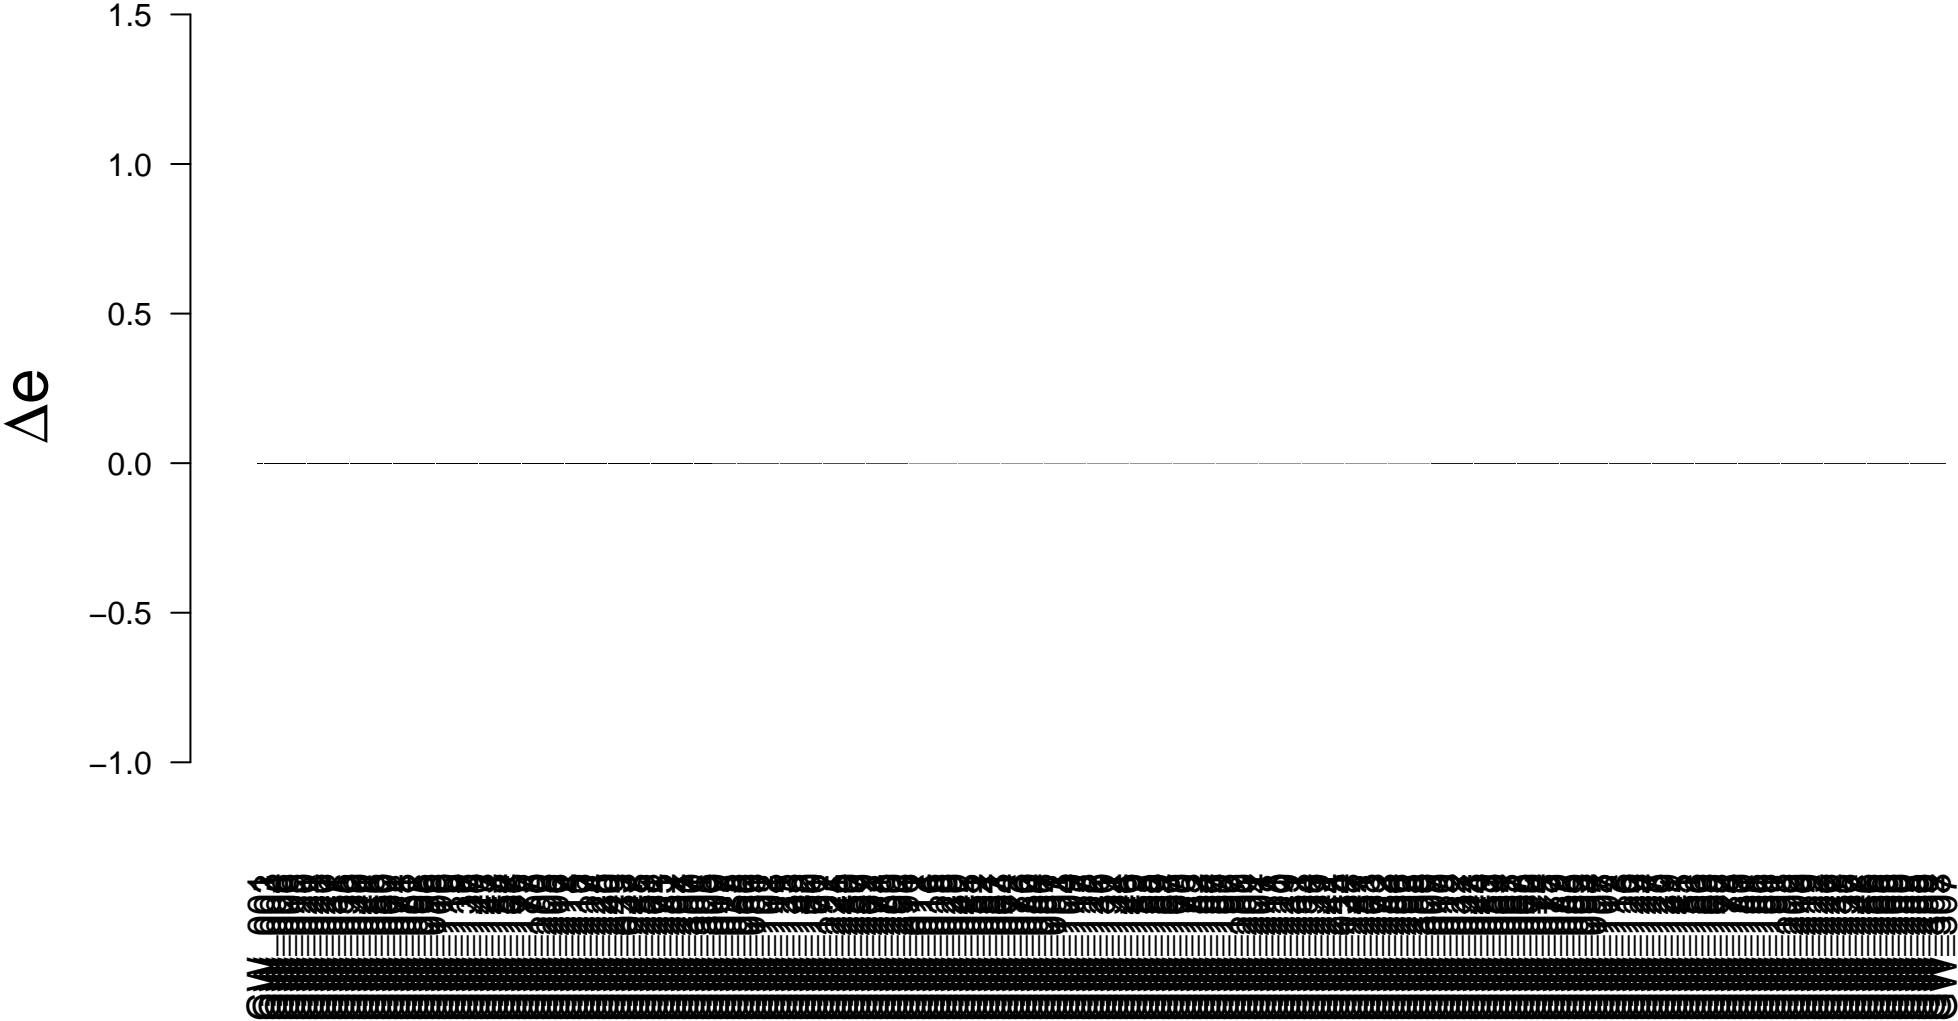

Expression of anion transport in Spot L

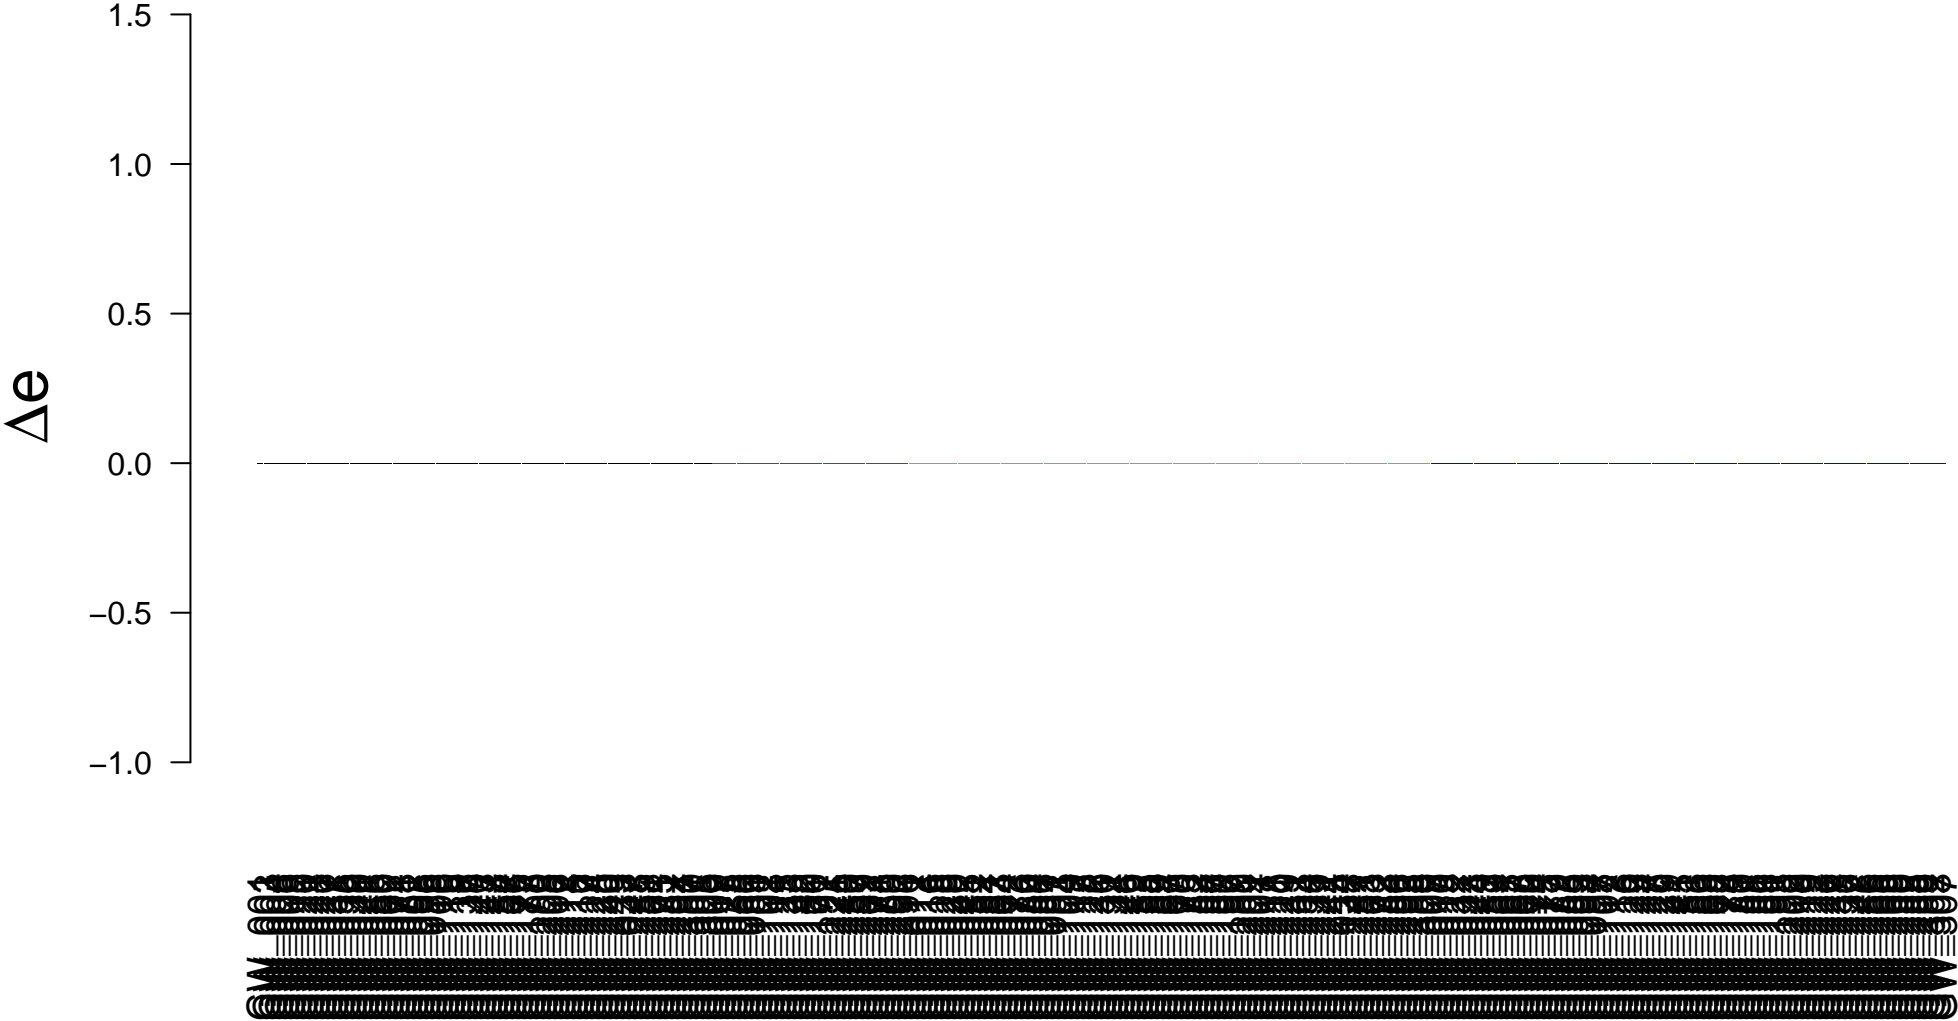

Expression of anion transport in Spot M

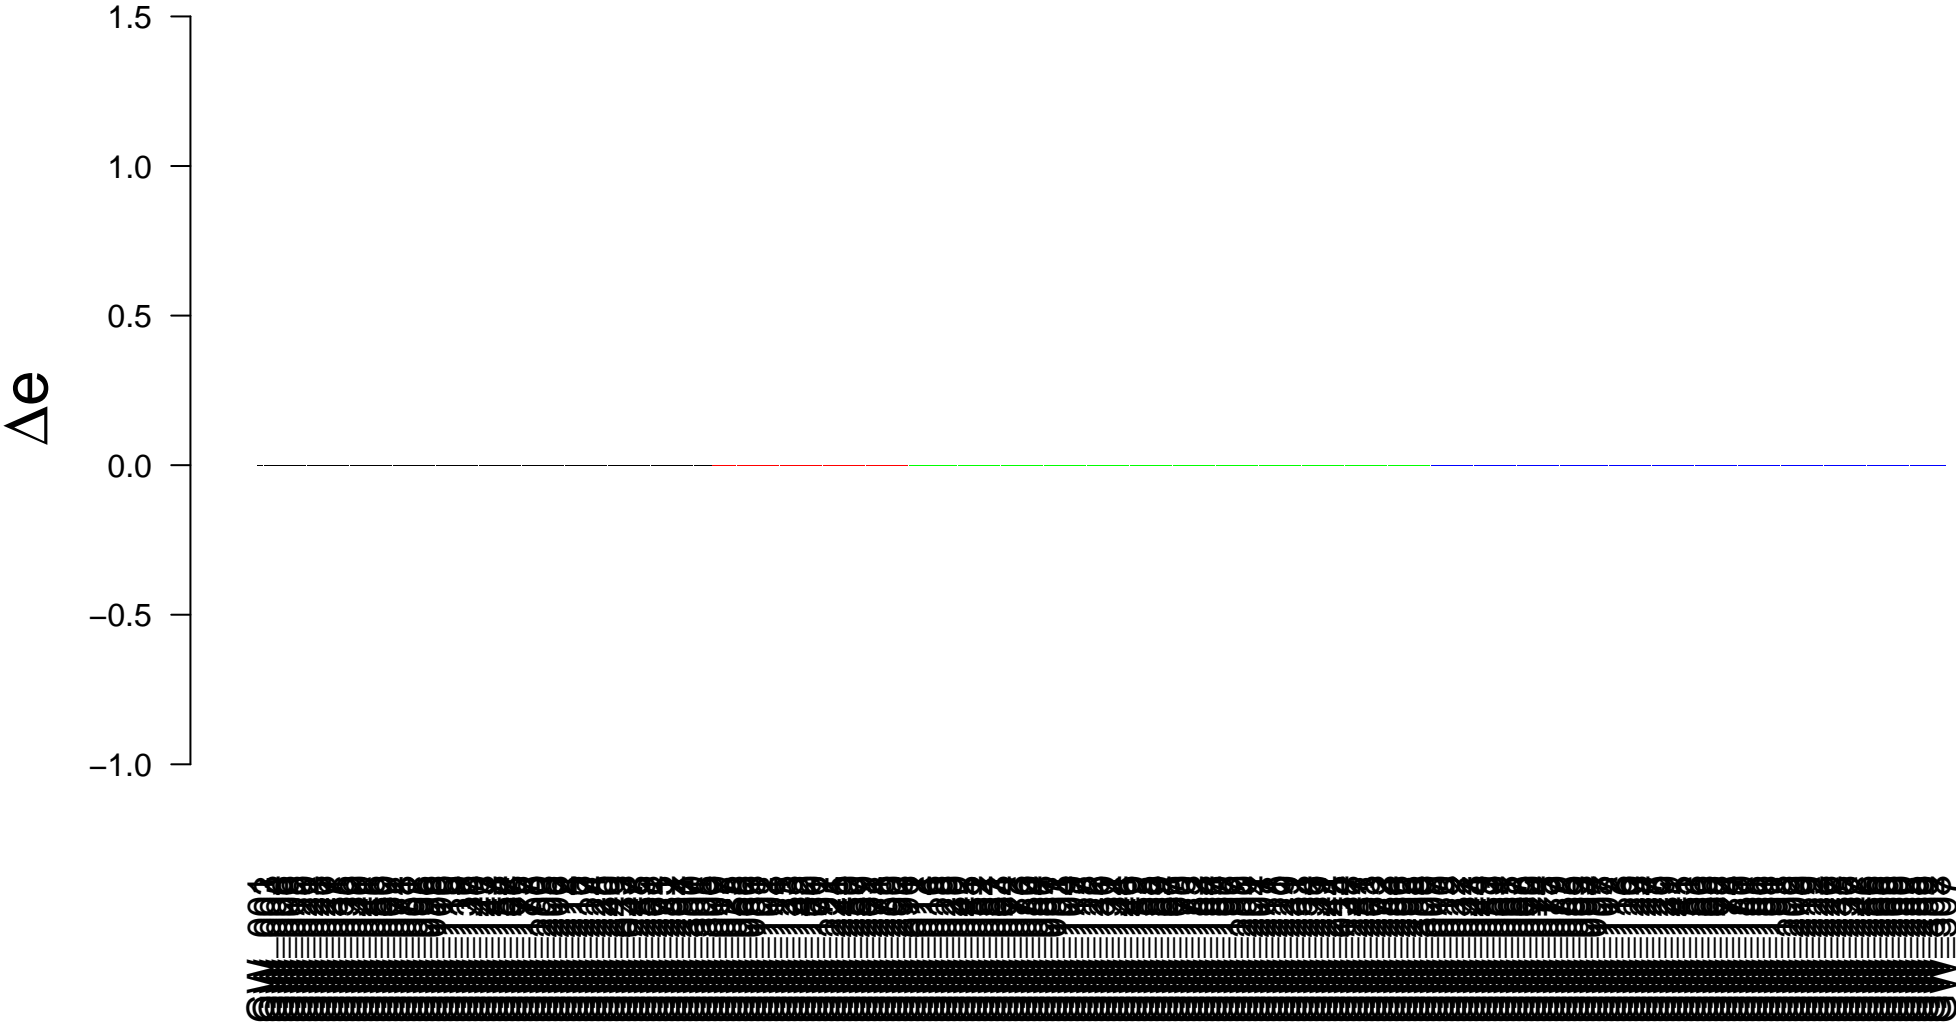

Expression of anion transport in Spot N

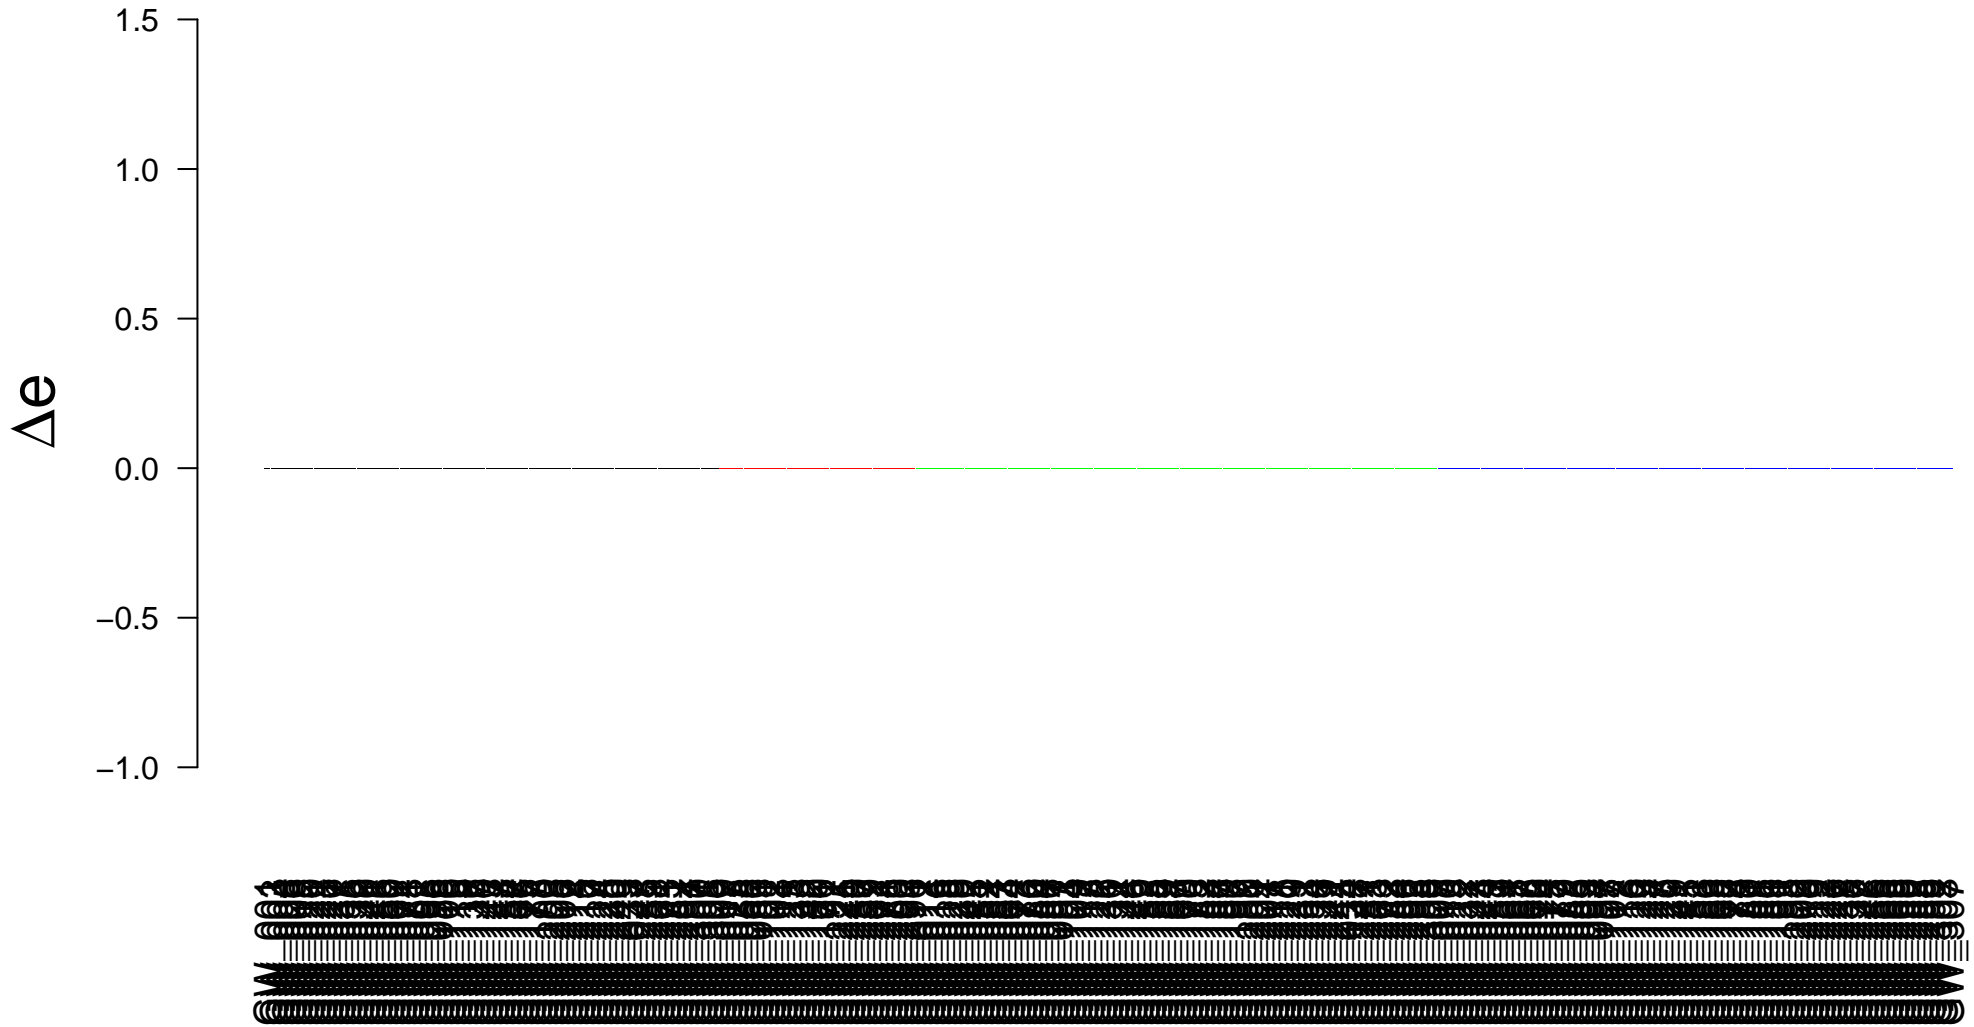

Expression of anion transport in Spot O

Expression of anion transport in Spot P

Expression of anion transport in Spot Q

Expression of anion transport in Spot R
