

# anterior/posterior axis specification

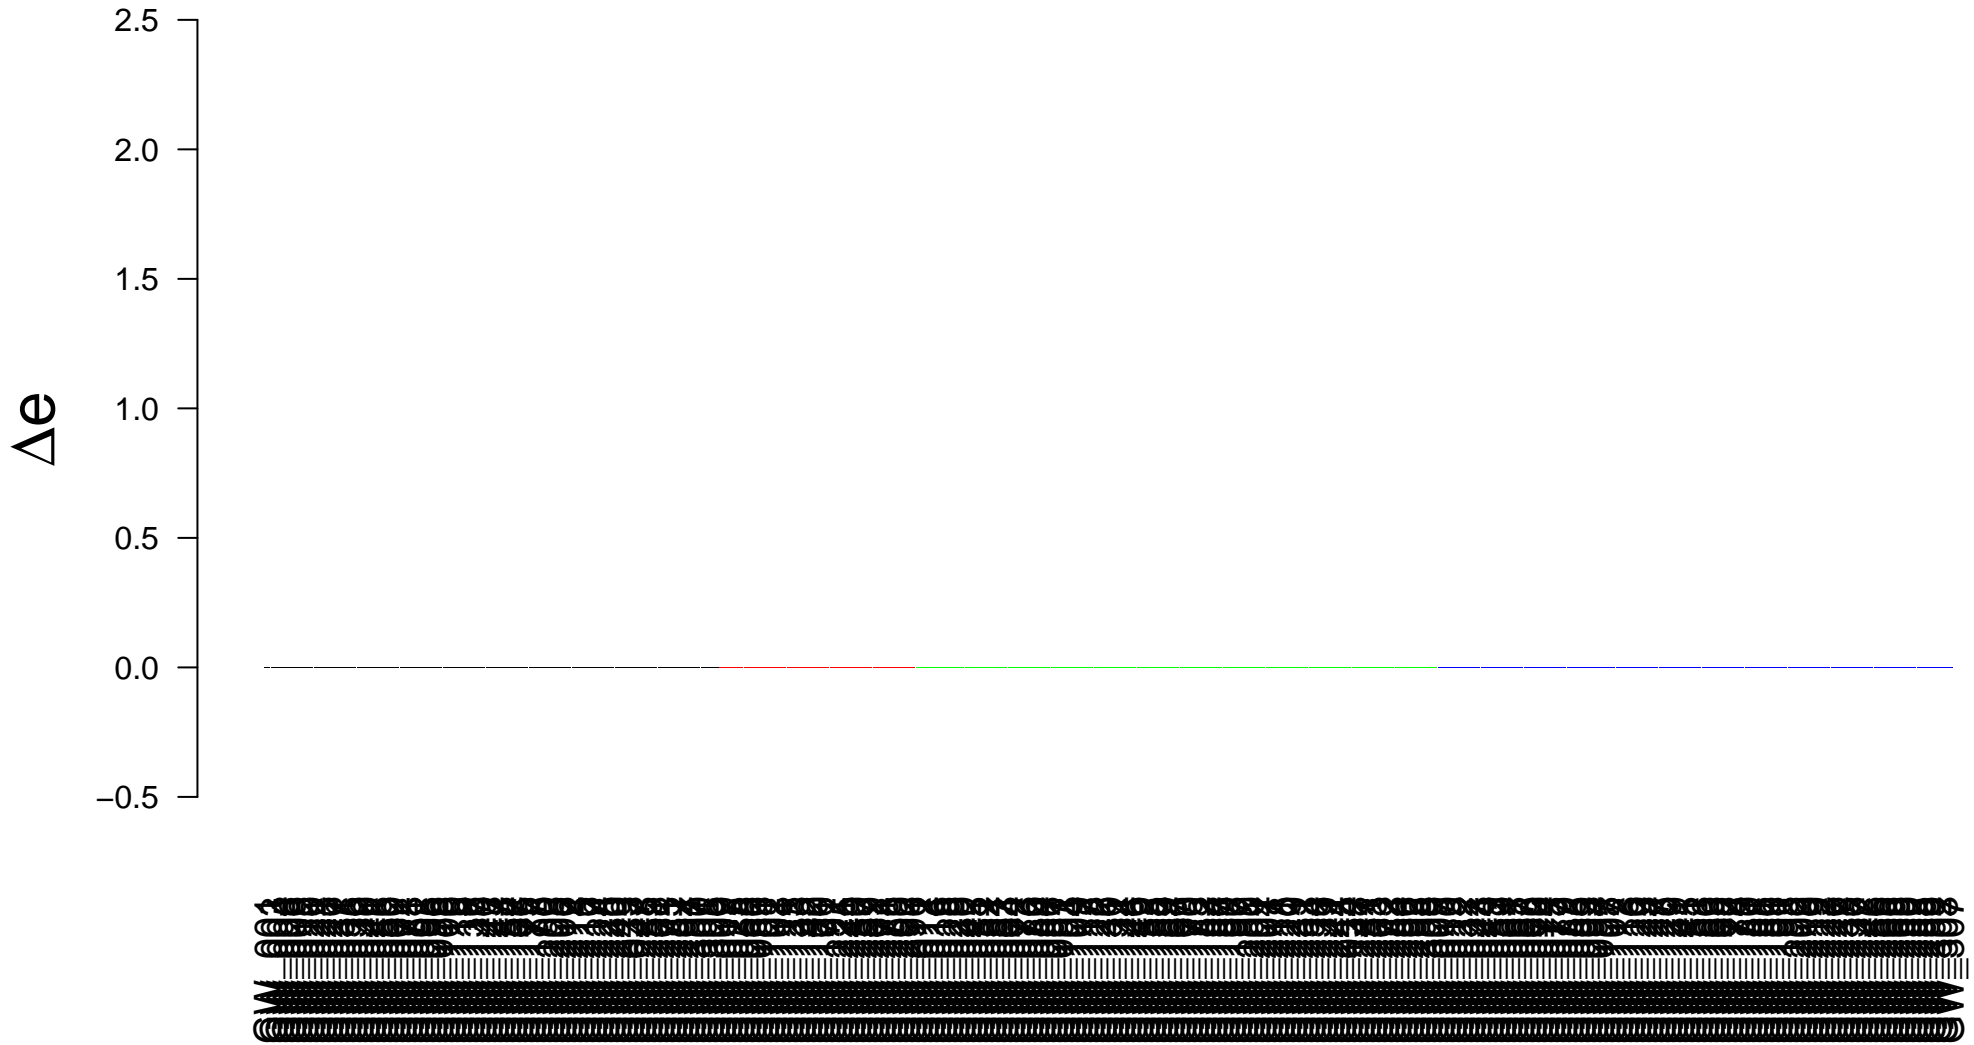

# anterior/posterior axis specification

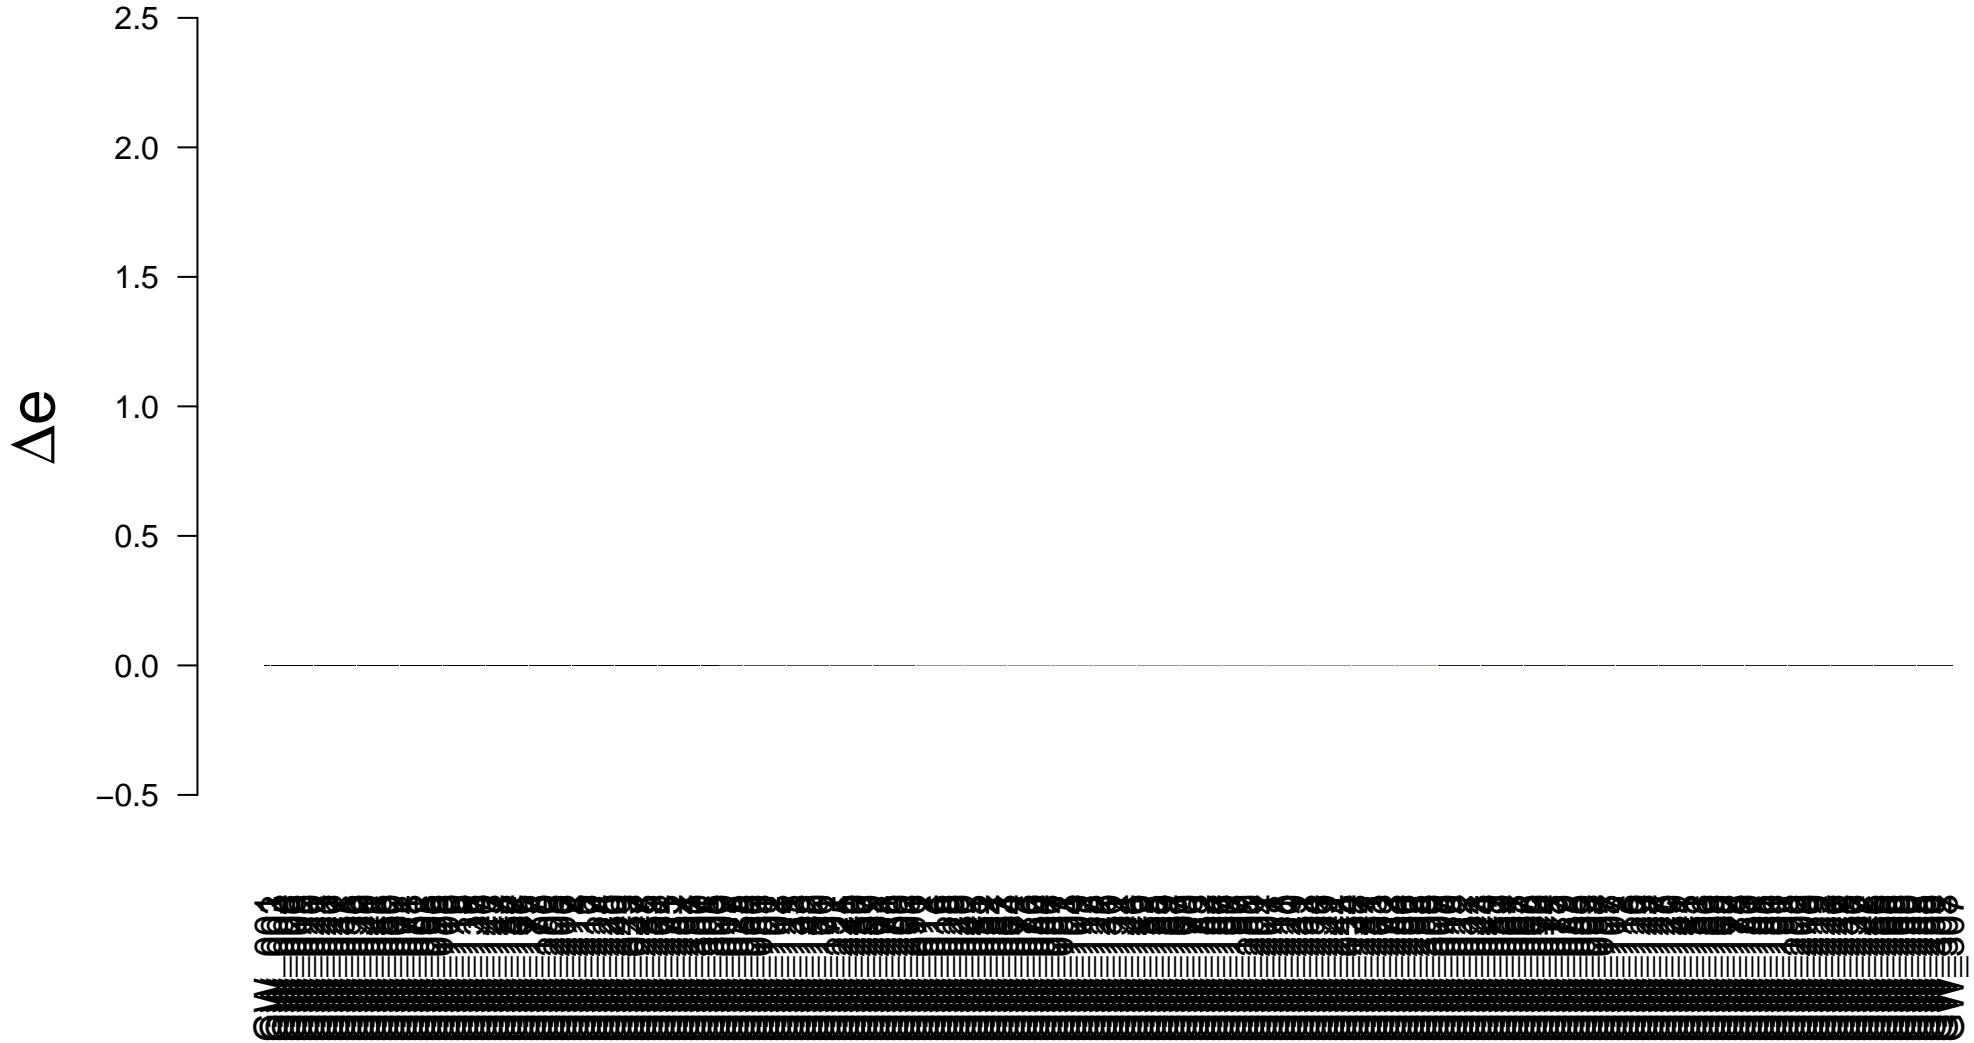

# Enrichment in spots: anterior/posterior axis specification

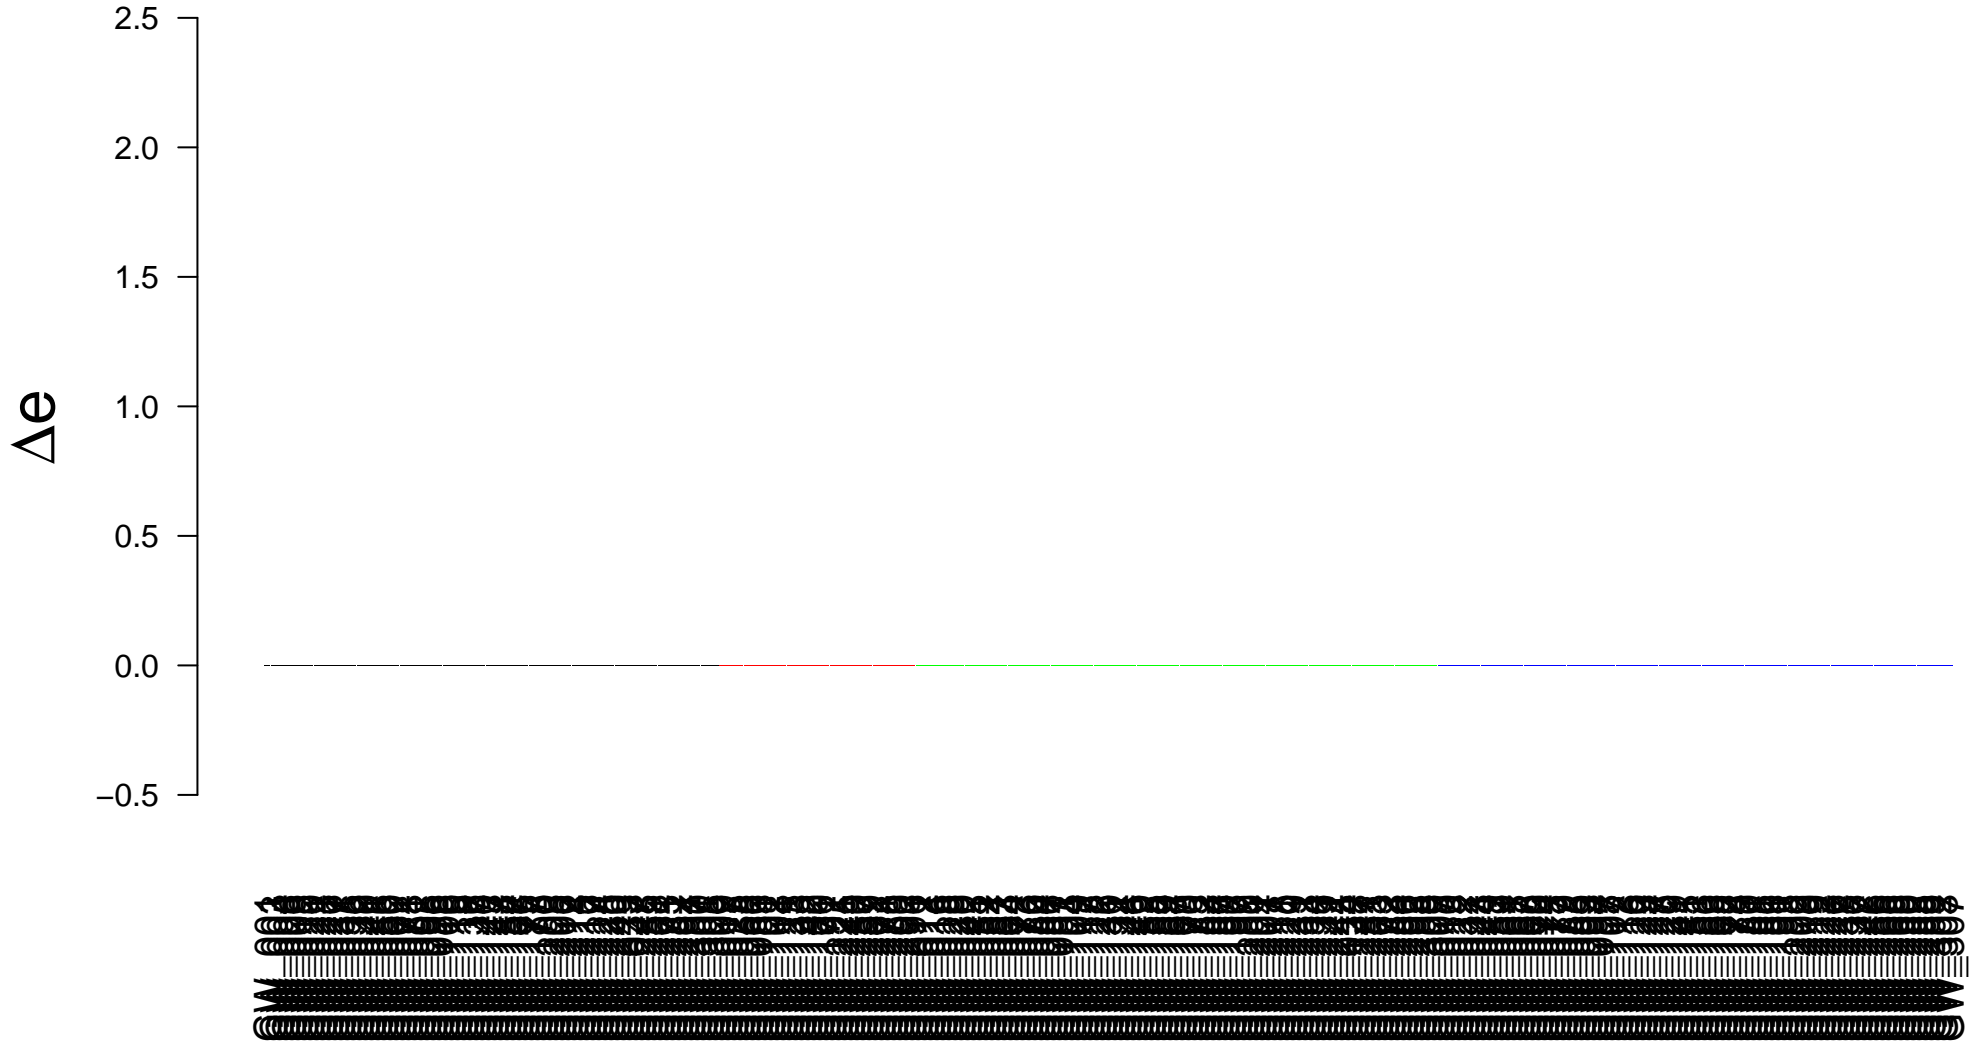

# Expression of anterior/posterior axis specification in Spot A

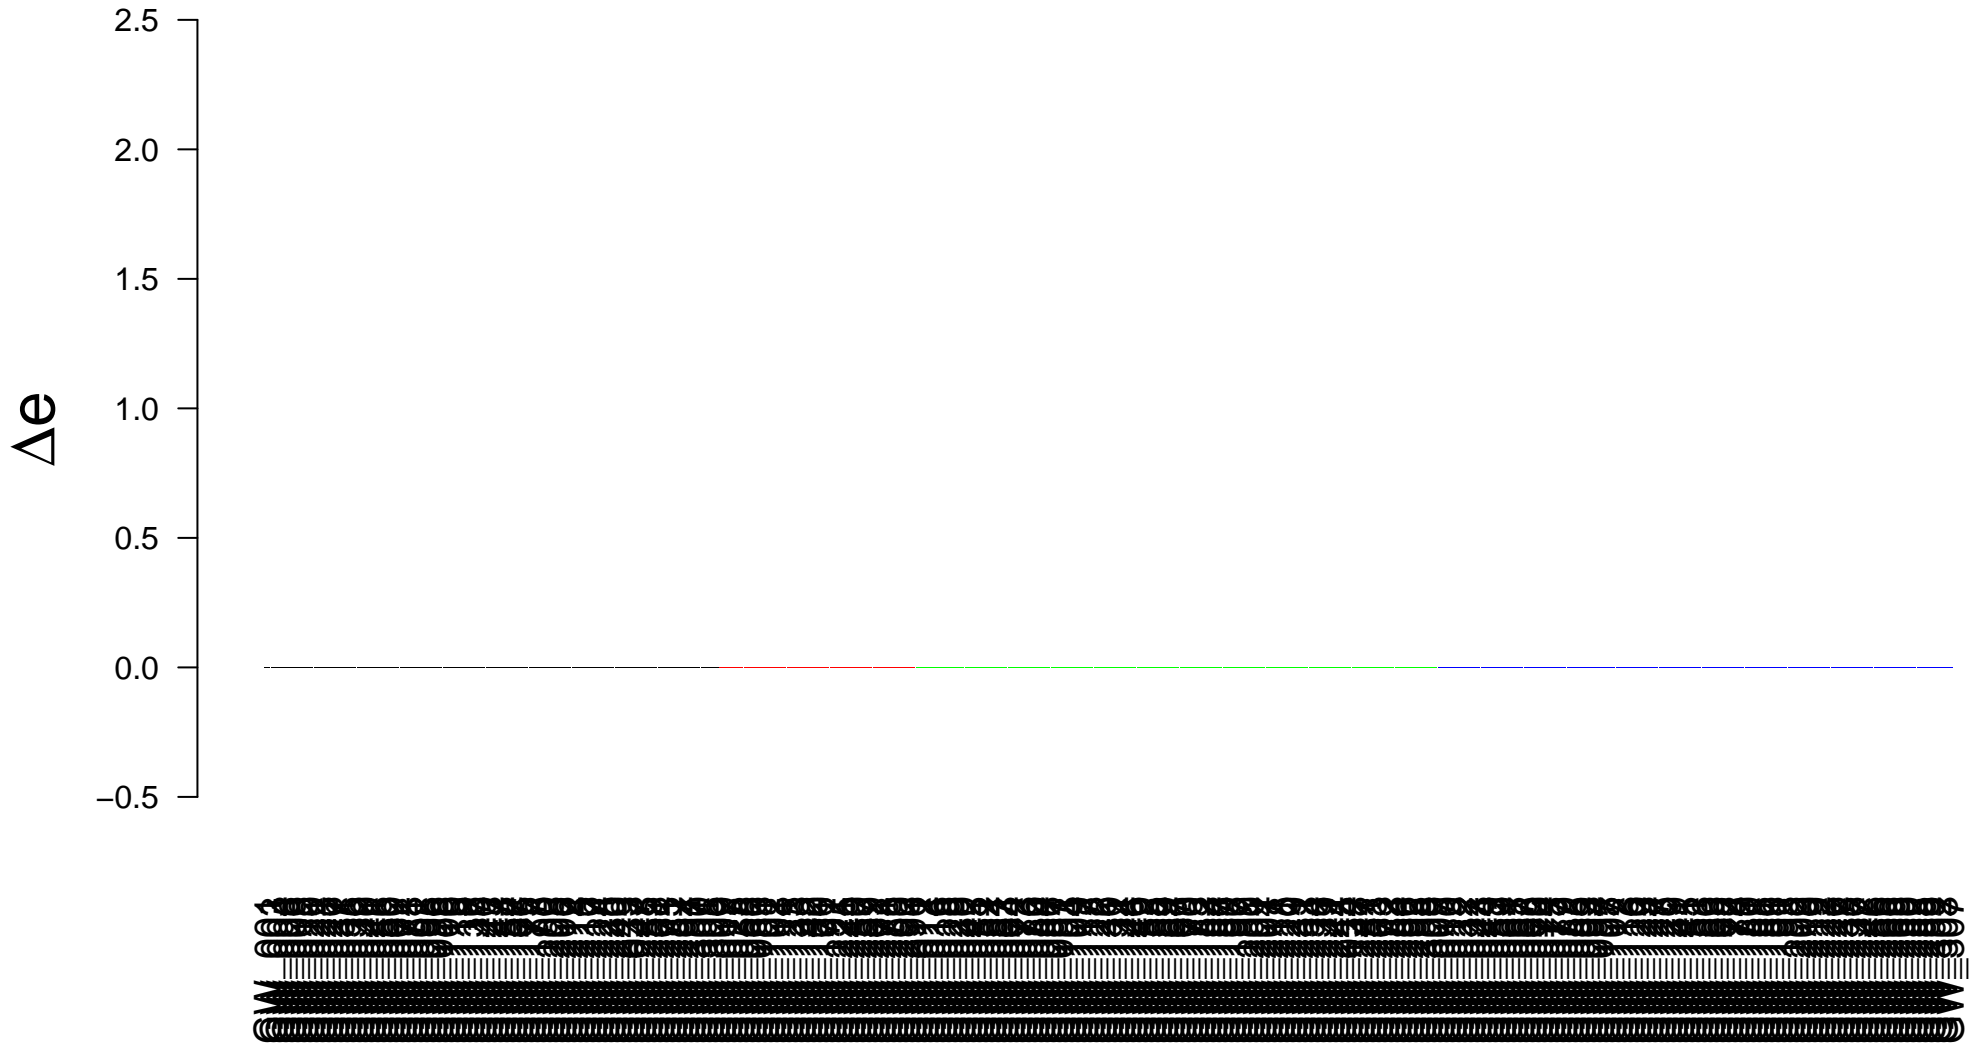

# Expression of anterior/posterior axis specification in Spot B

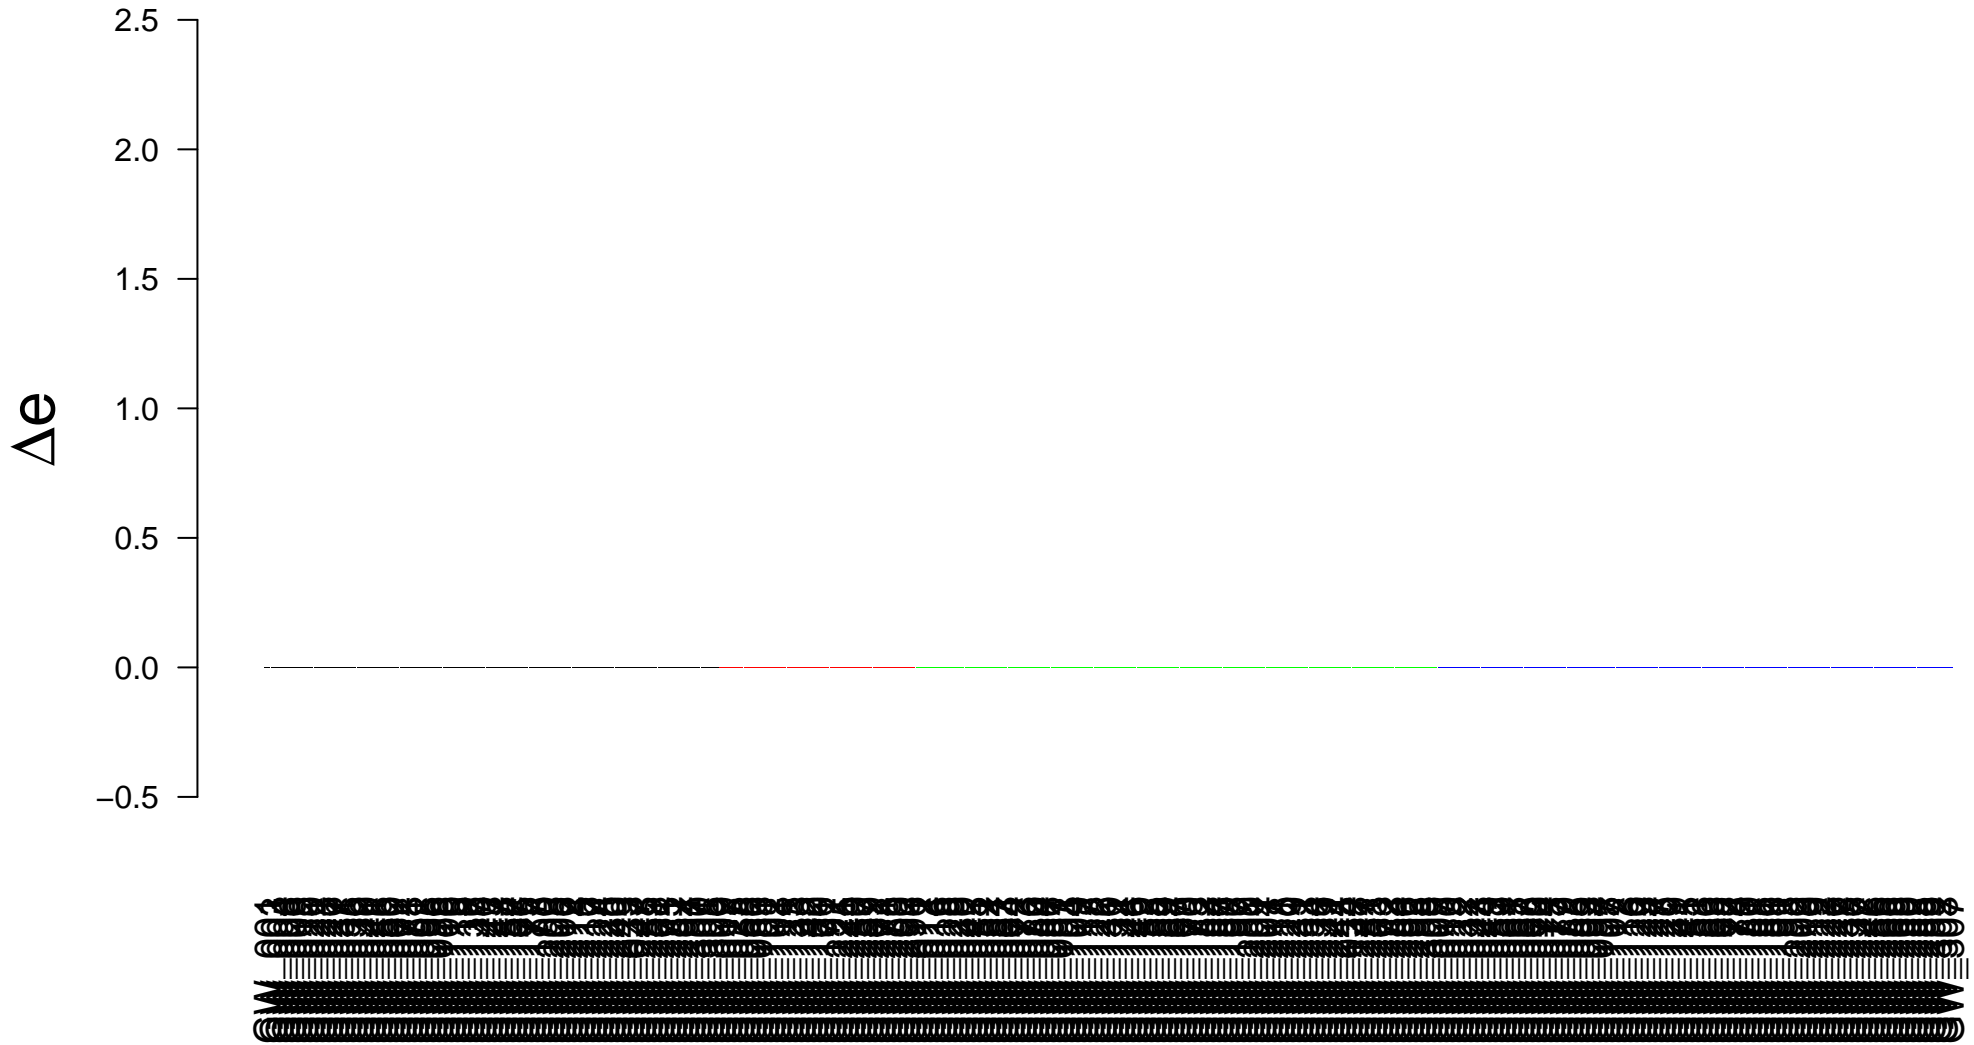

# Expression of anterior/posterior axis specification in Spot C

# Expression of anterior/posterior axis specification in Spot D

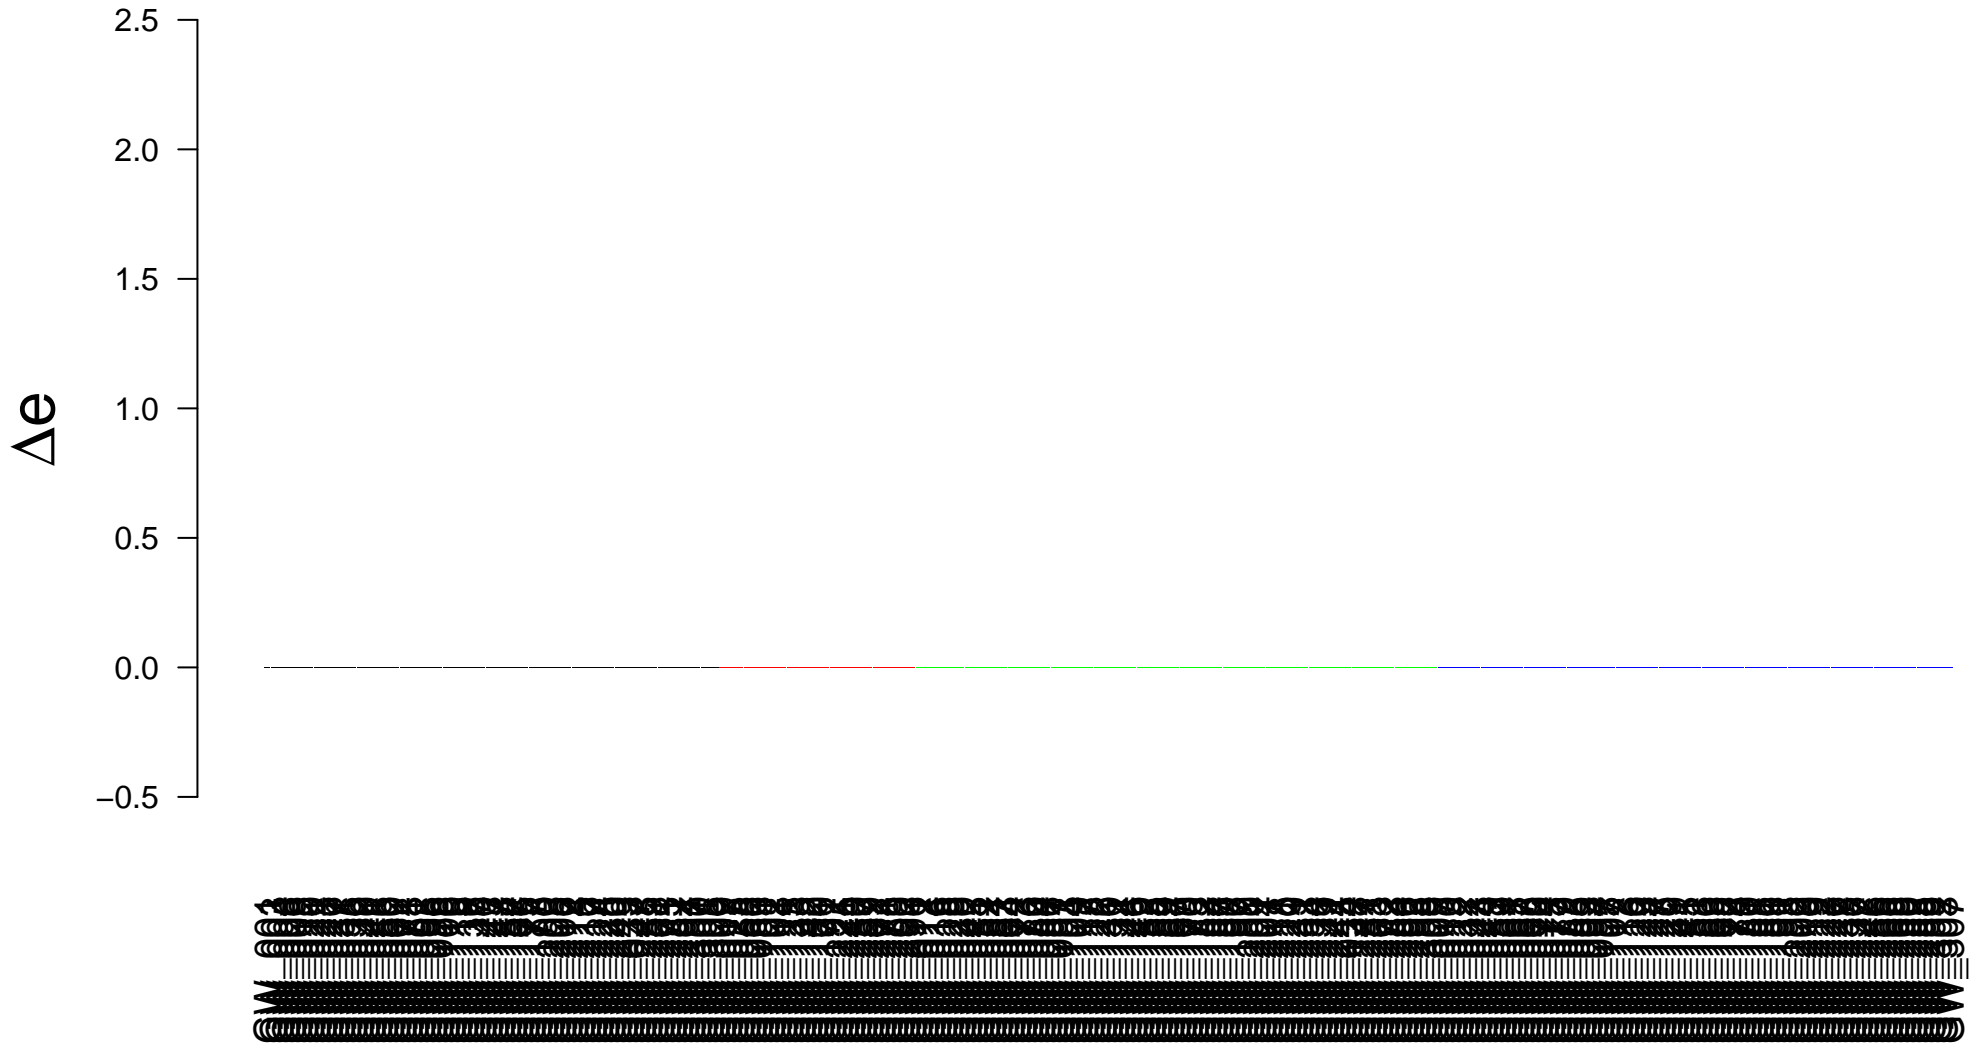

# Expression of anterior/posterior axis specification in Spot E

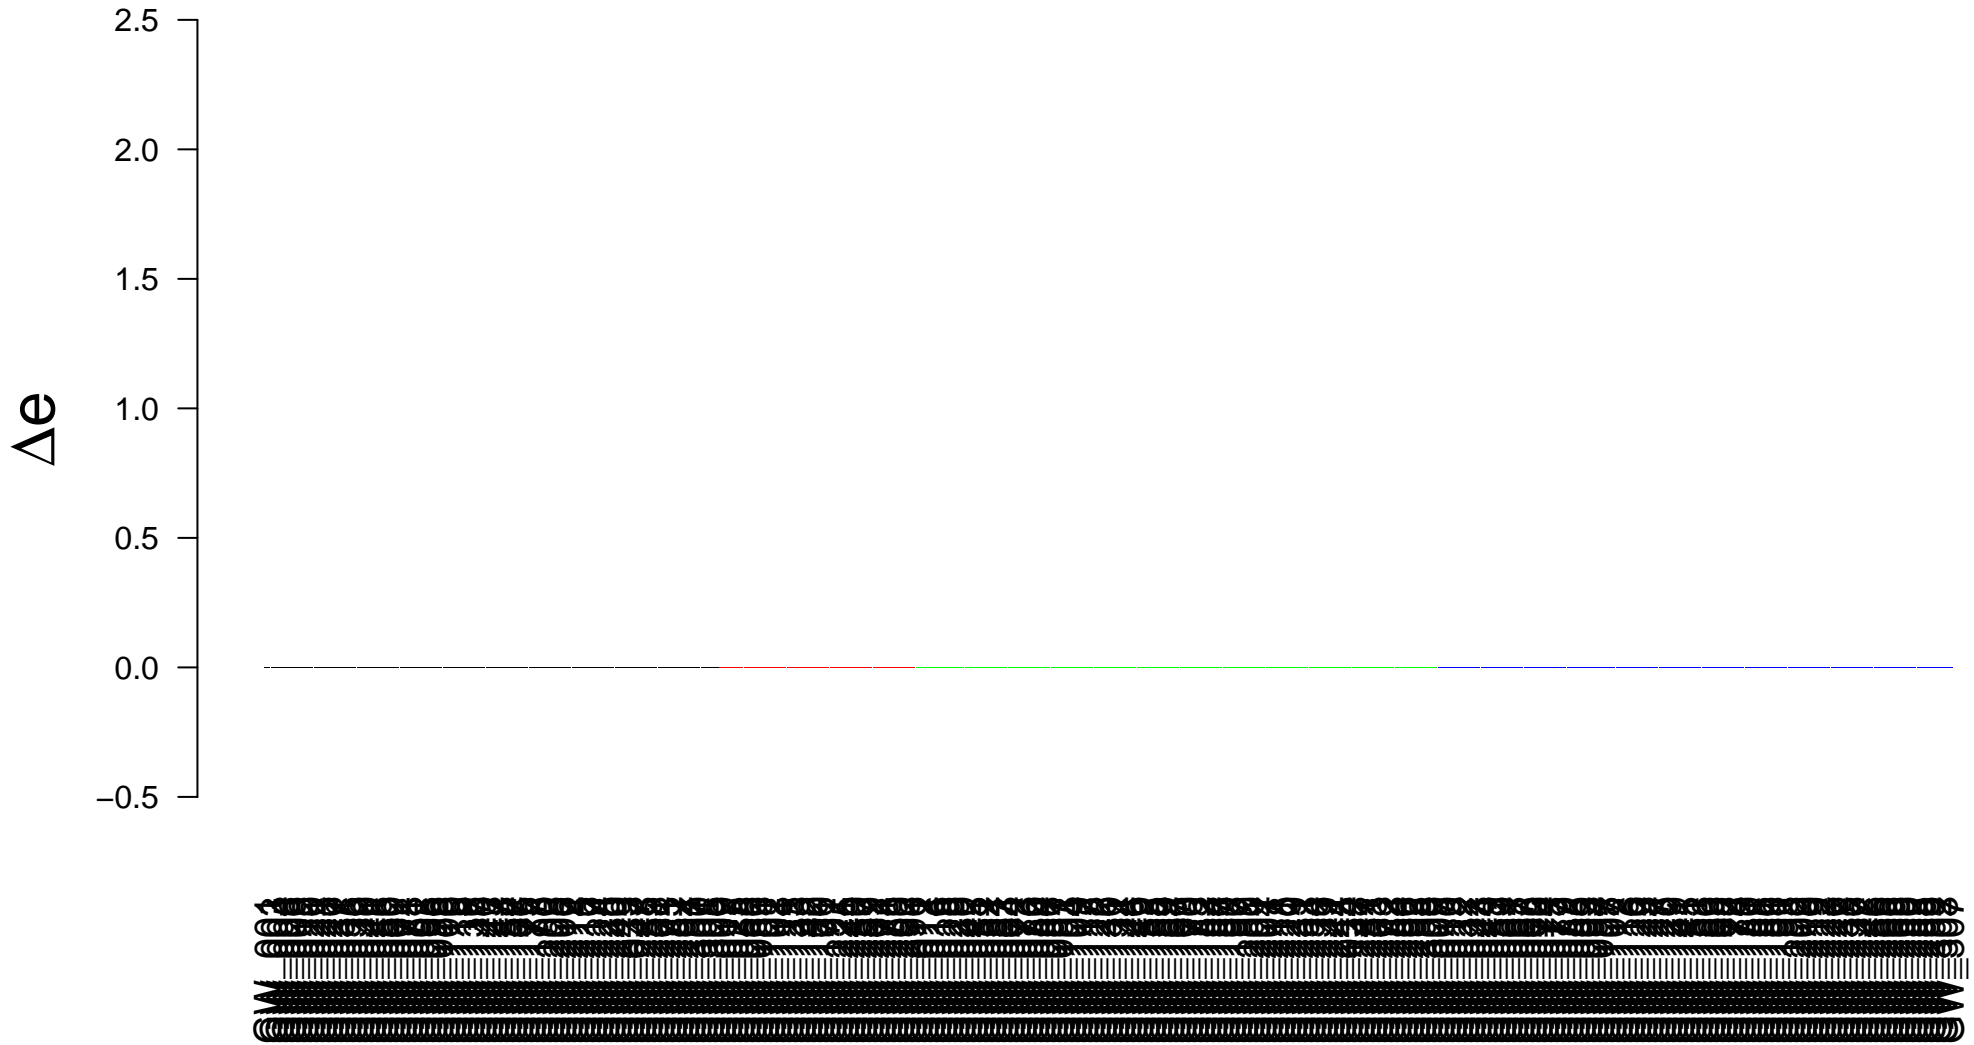

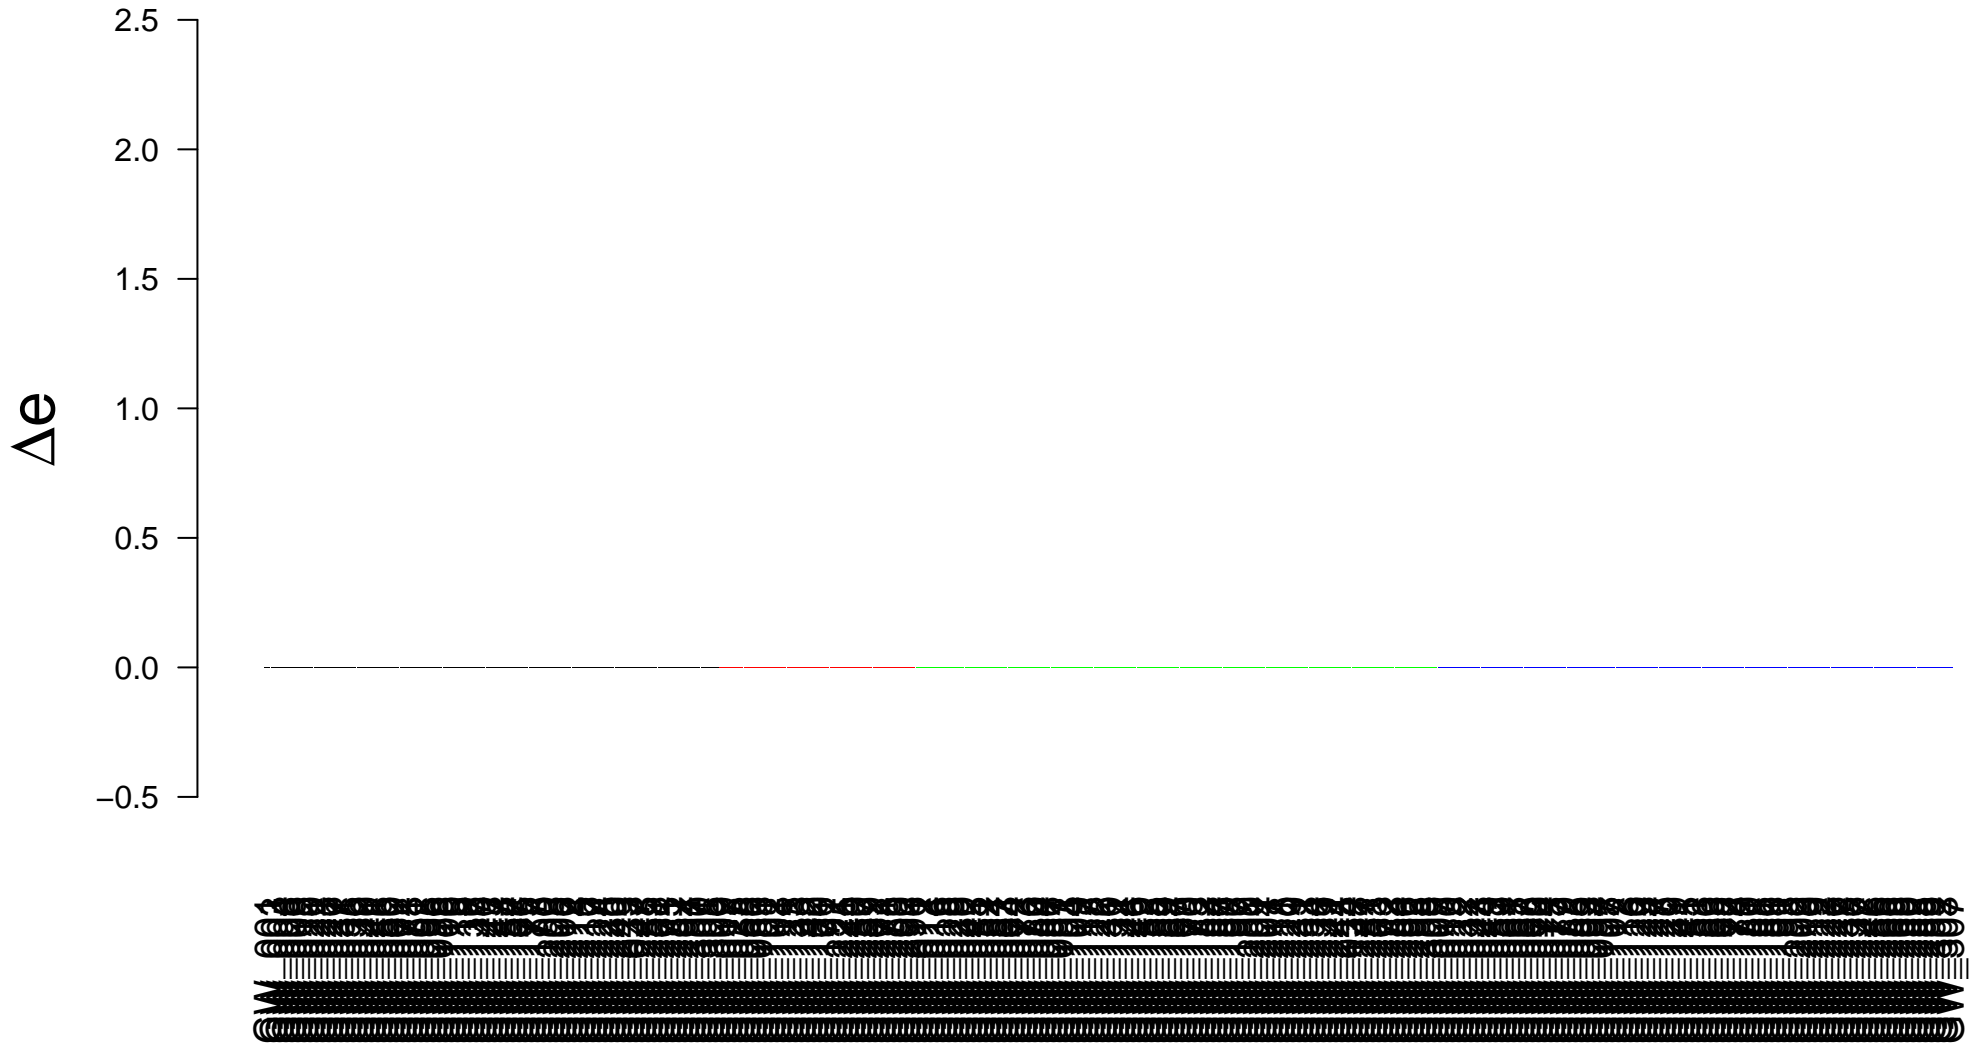

# Expression of anterior/posterior axis specification in Spot F

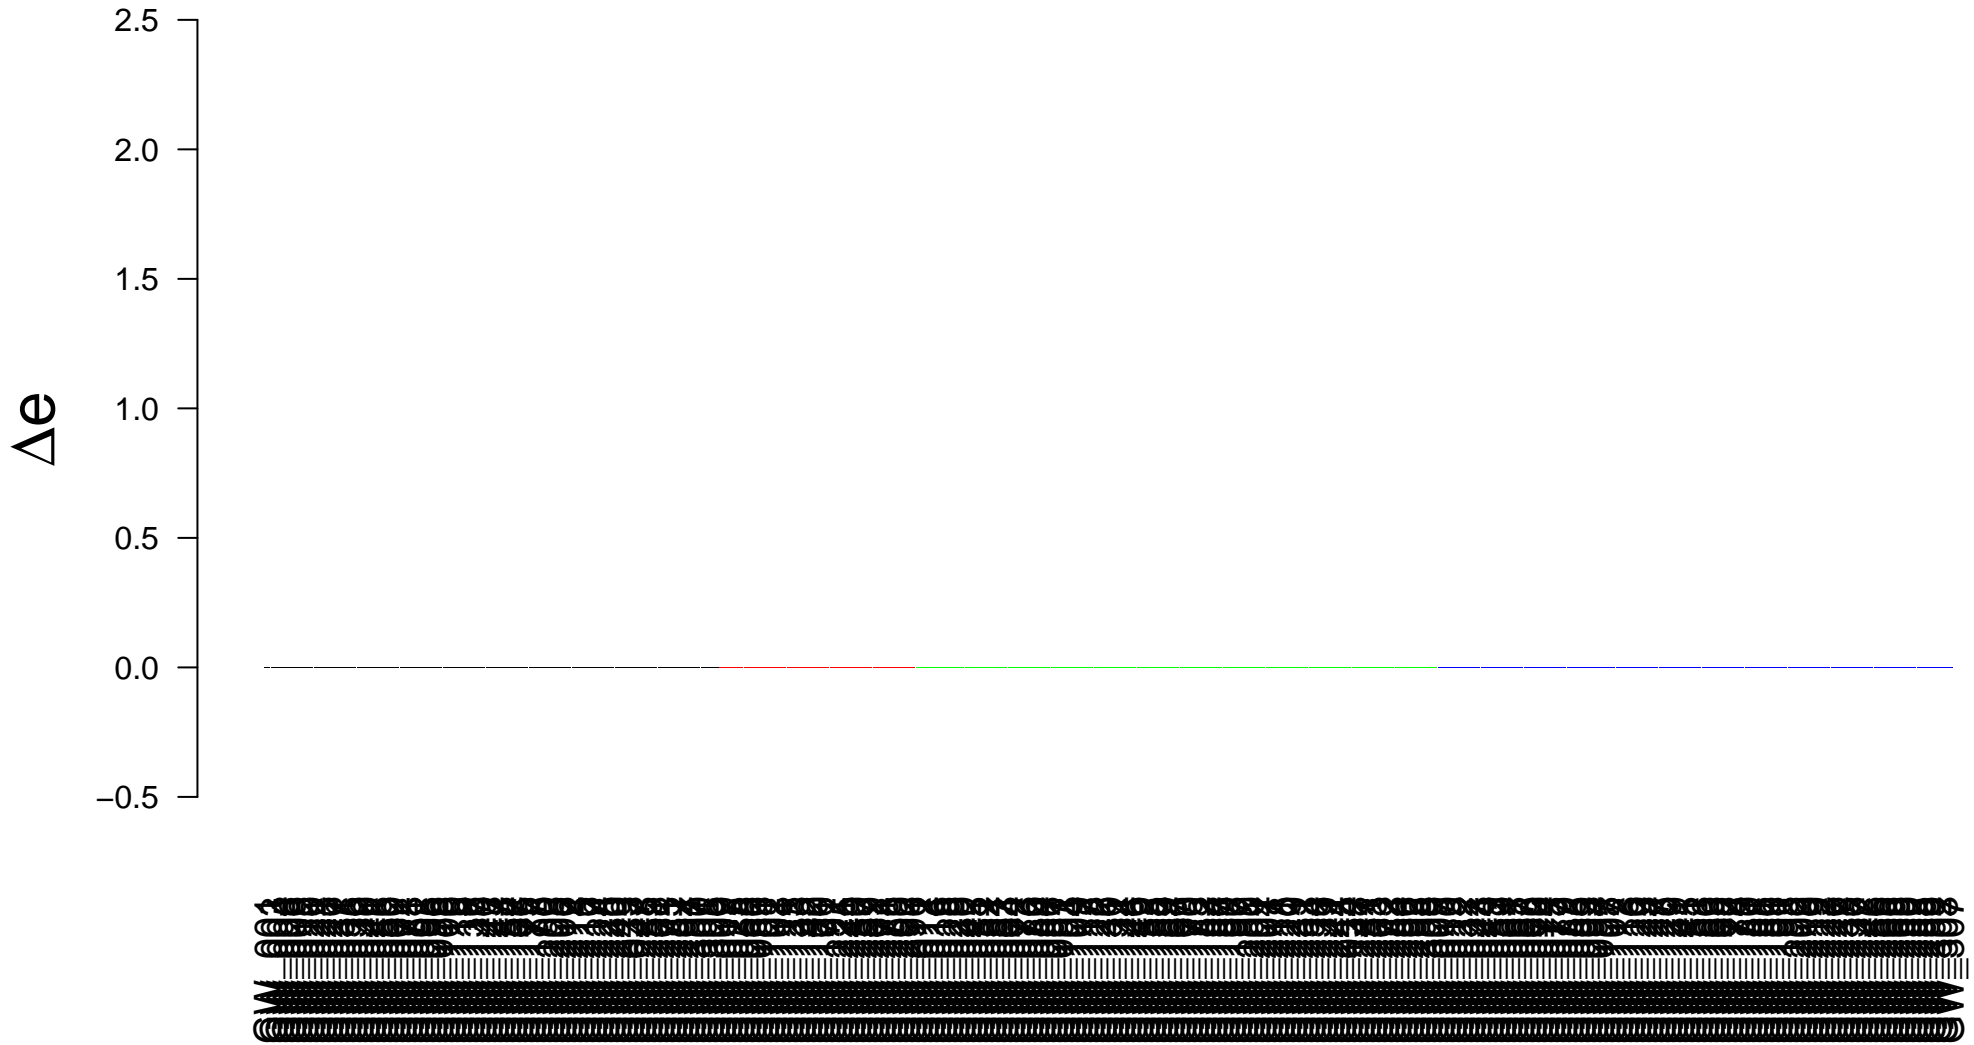

# Expression of anterior/posterior axis specification in Spot G

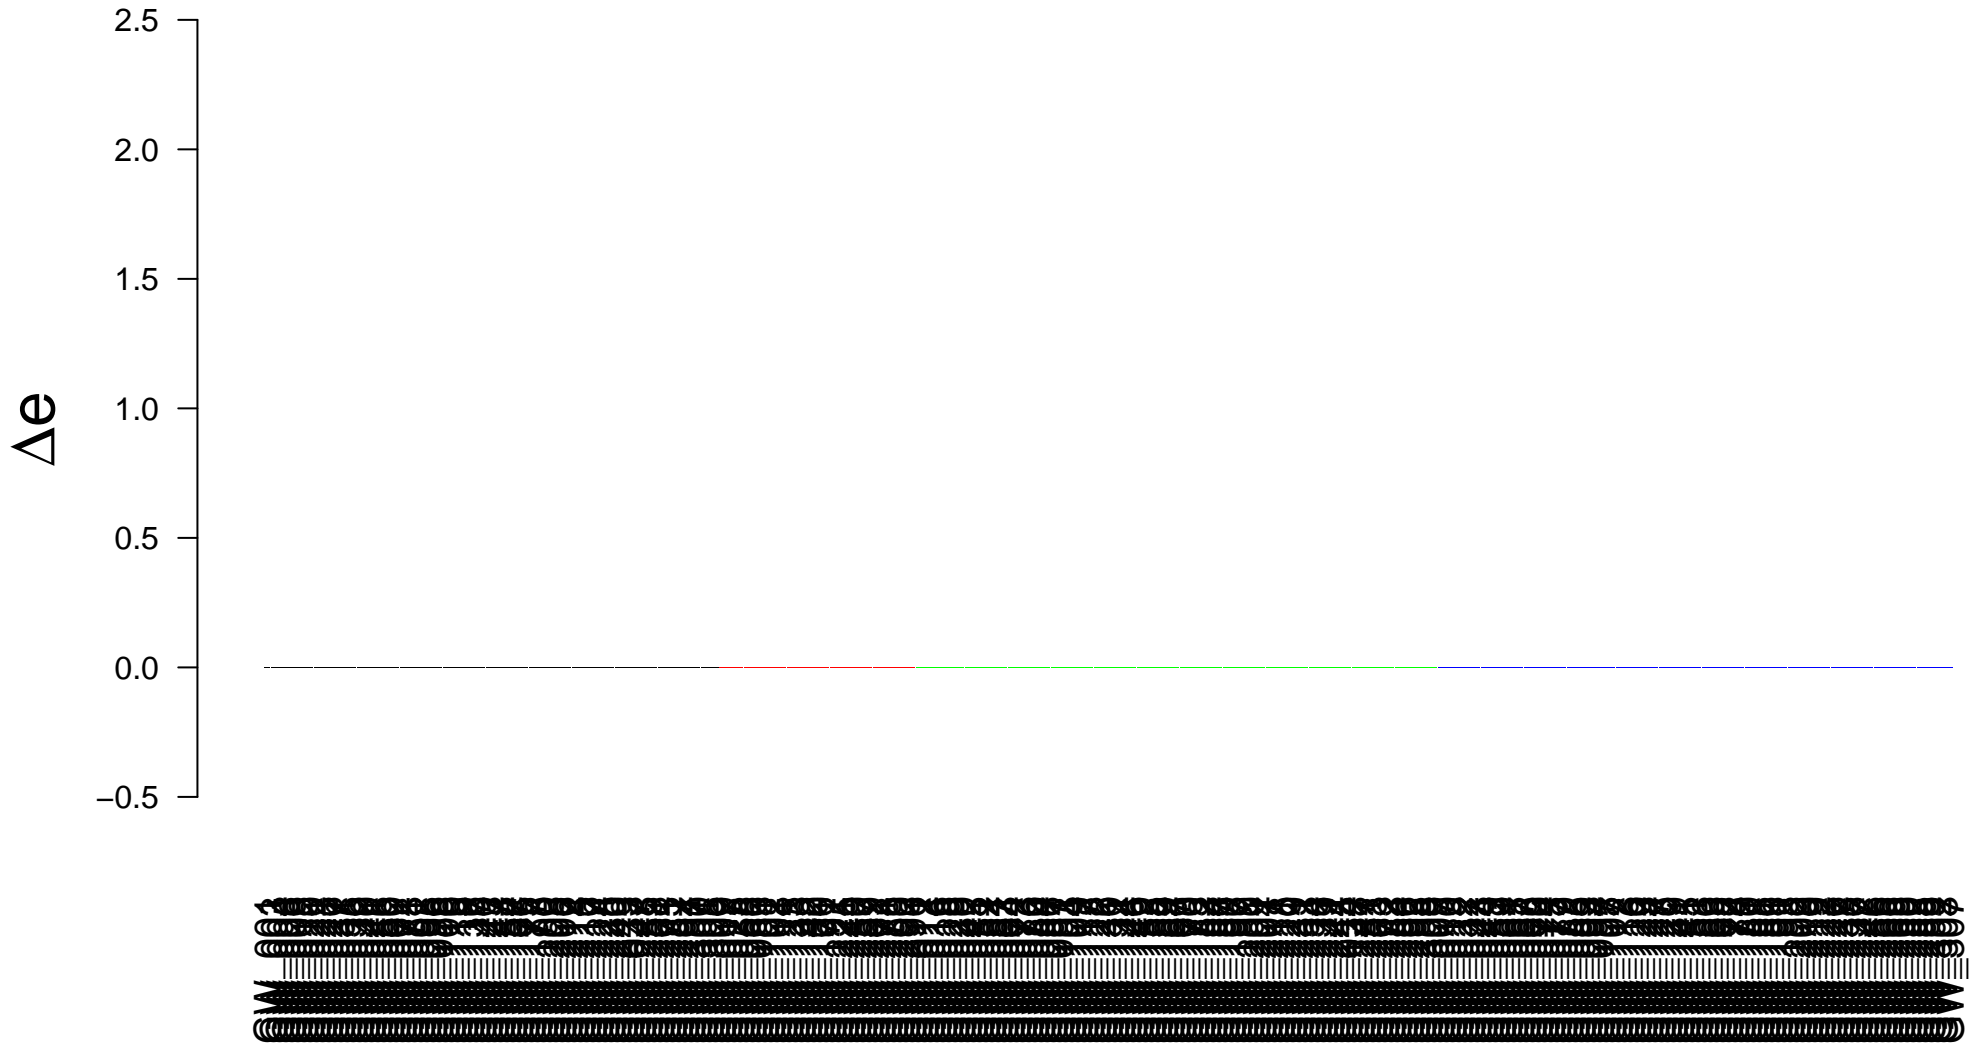

# Expression of anterior/posterior axis specification in Spot H

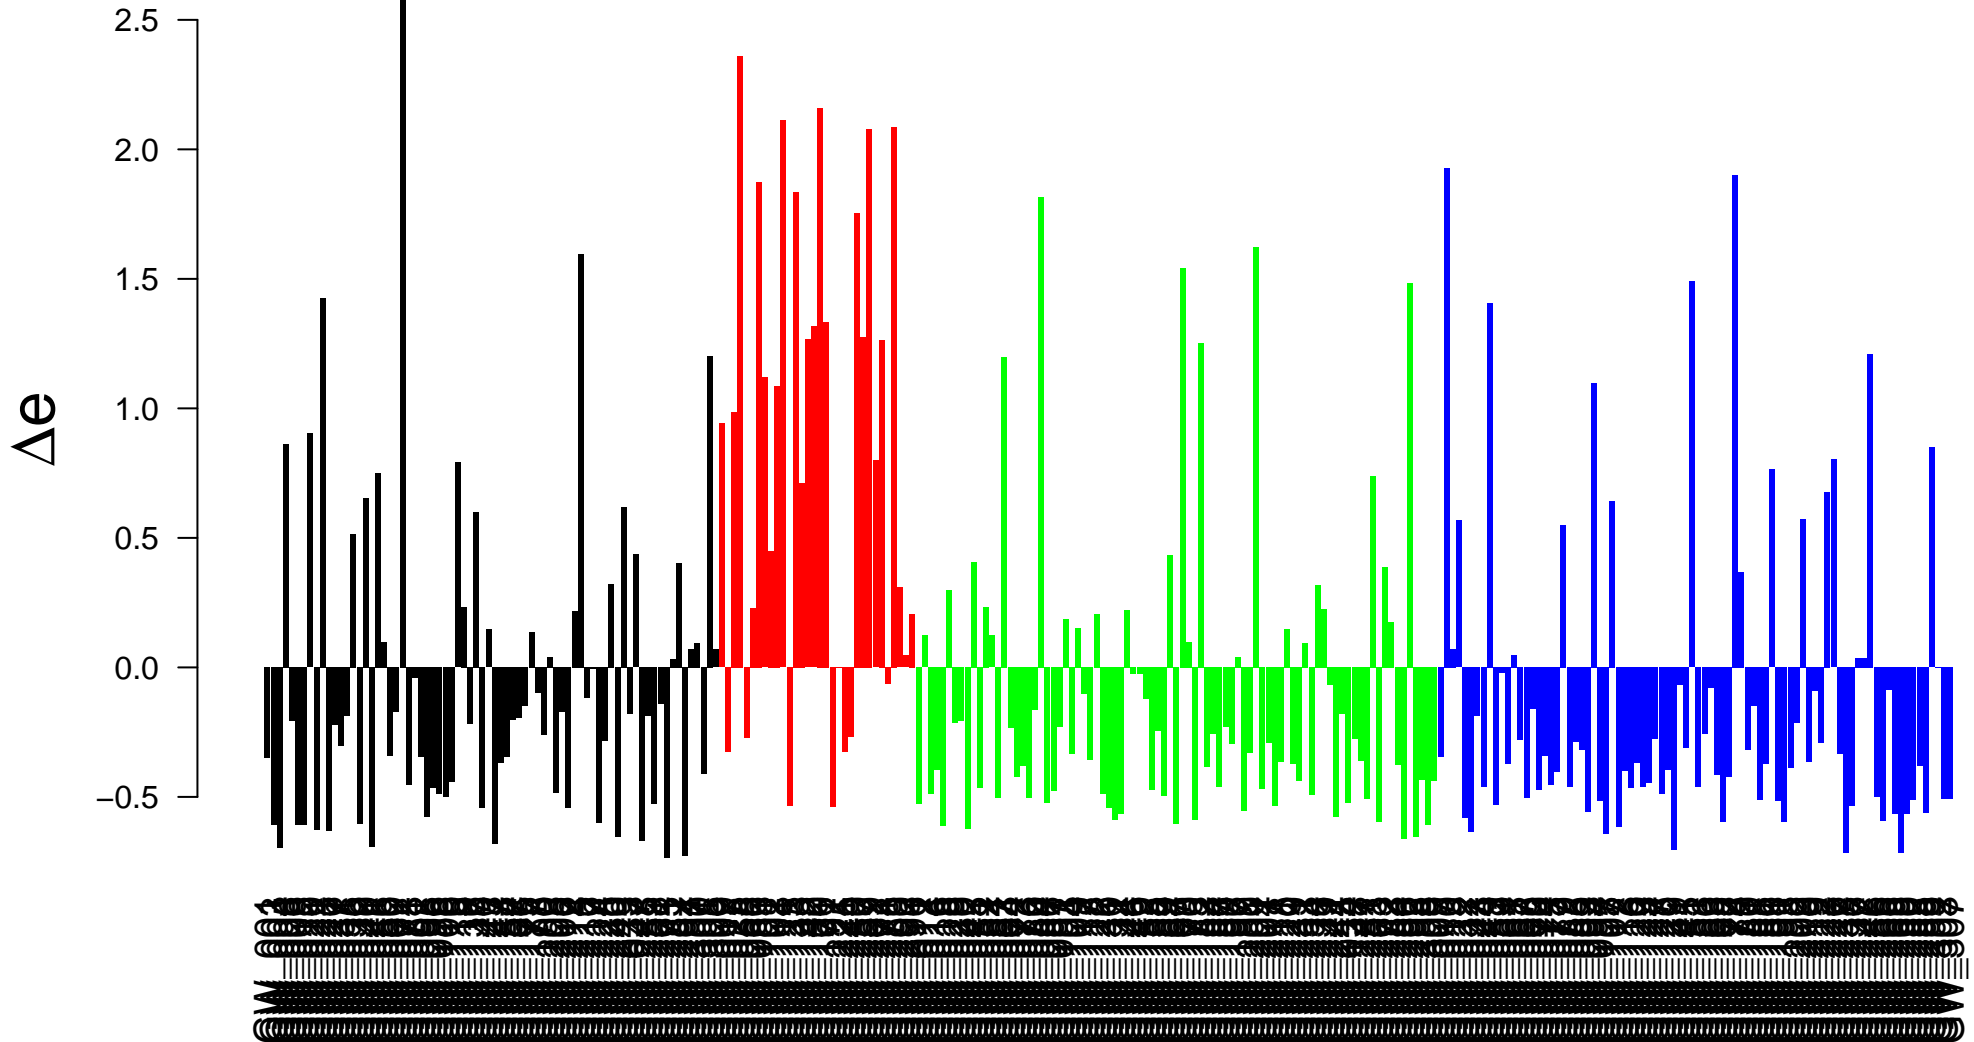

# Expression of anterior/posterior axis specification in Spot I

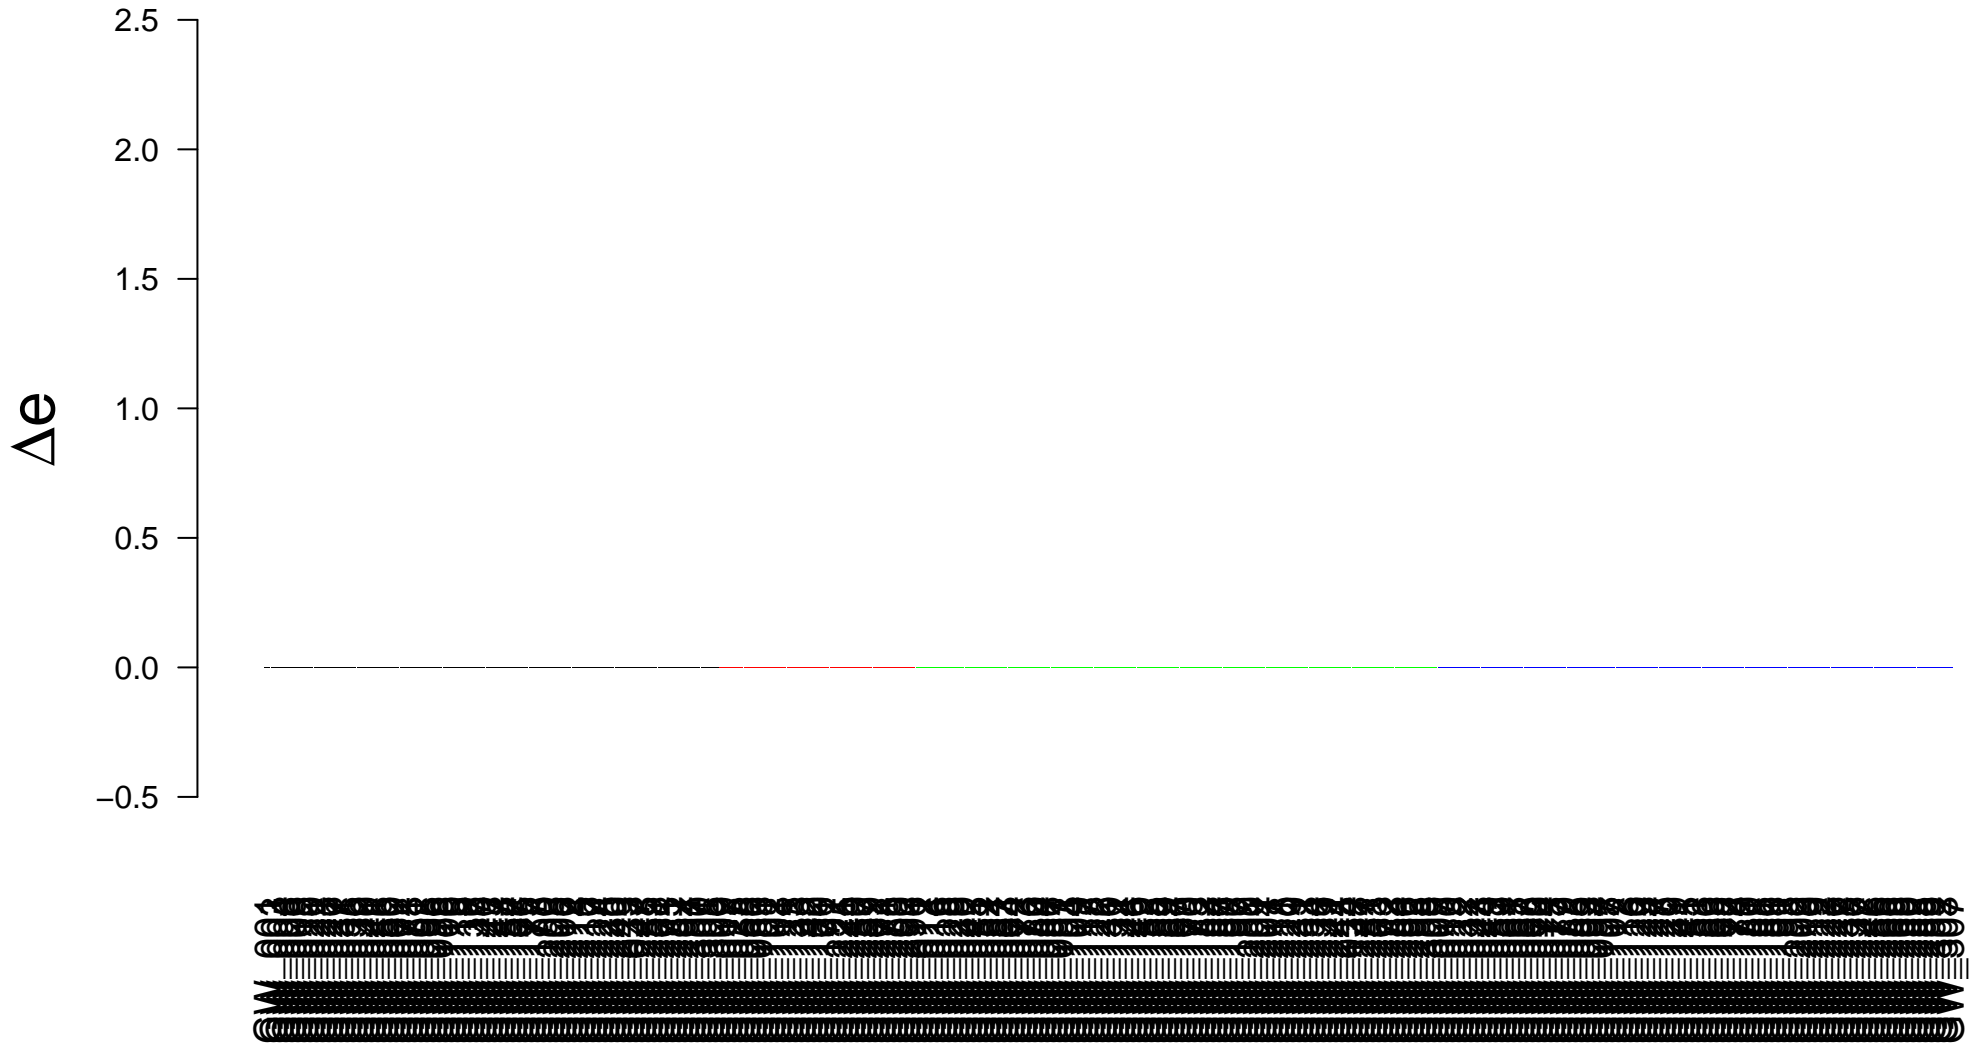

# Expression of anterior/posterior axis specification in Spot J

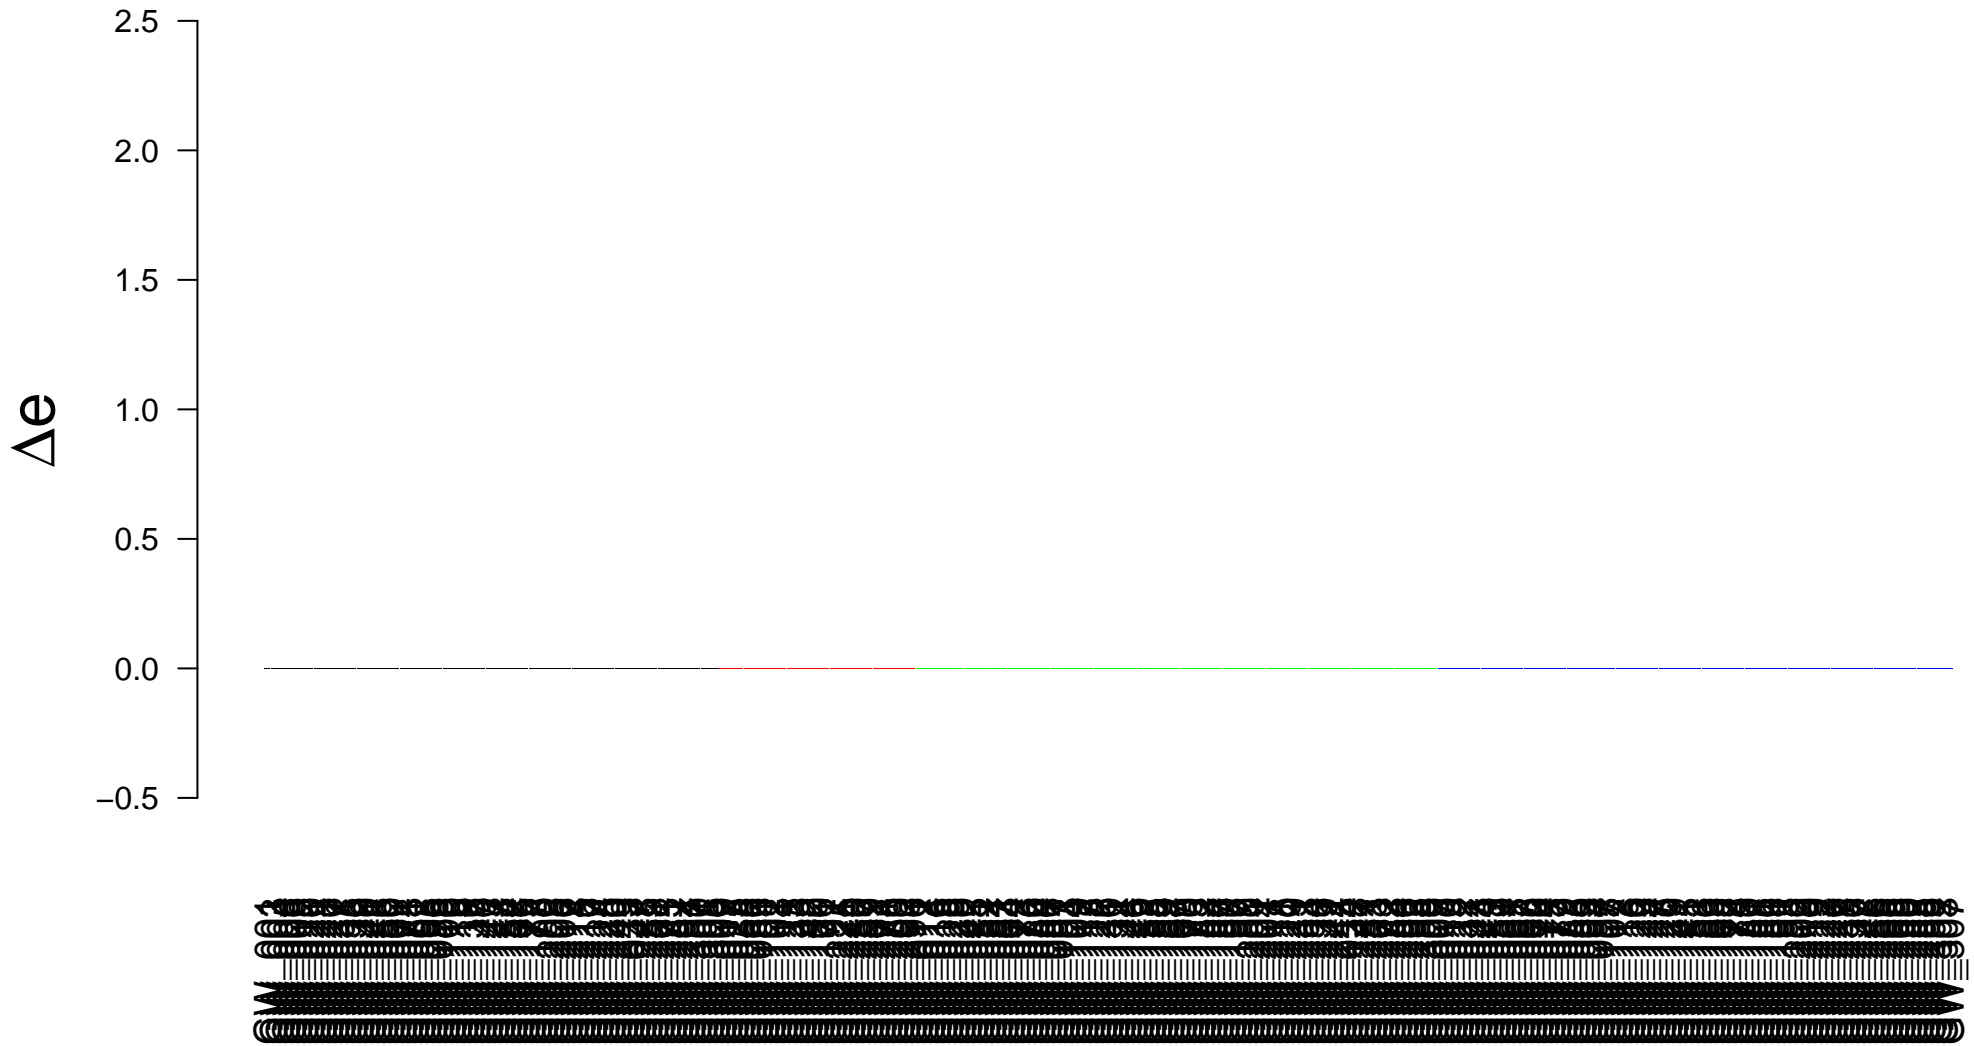

# Expression of anterior/posterior axis specification in Spot K

# Expression of anterior/posterior axis specification in Spot L

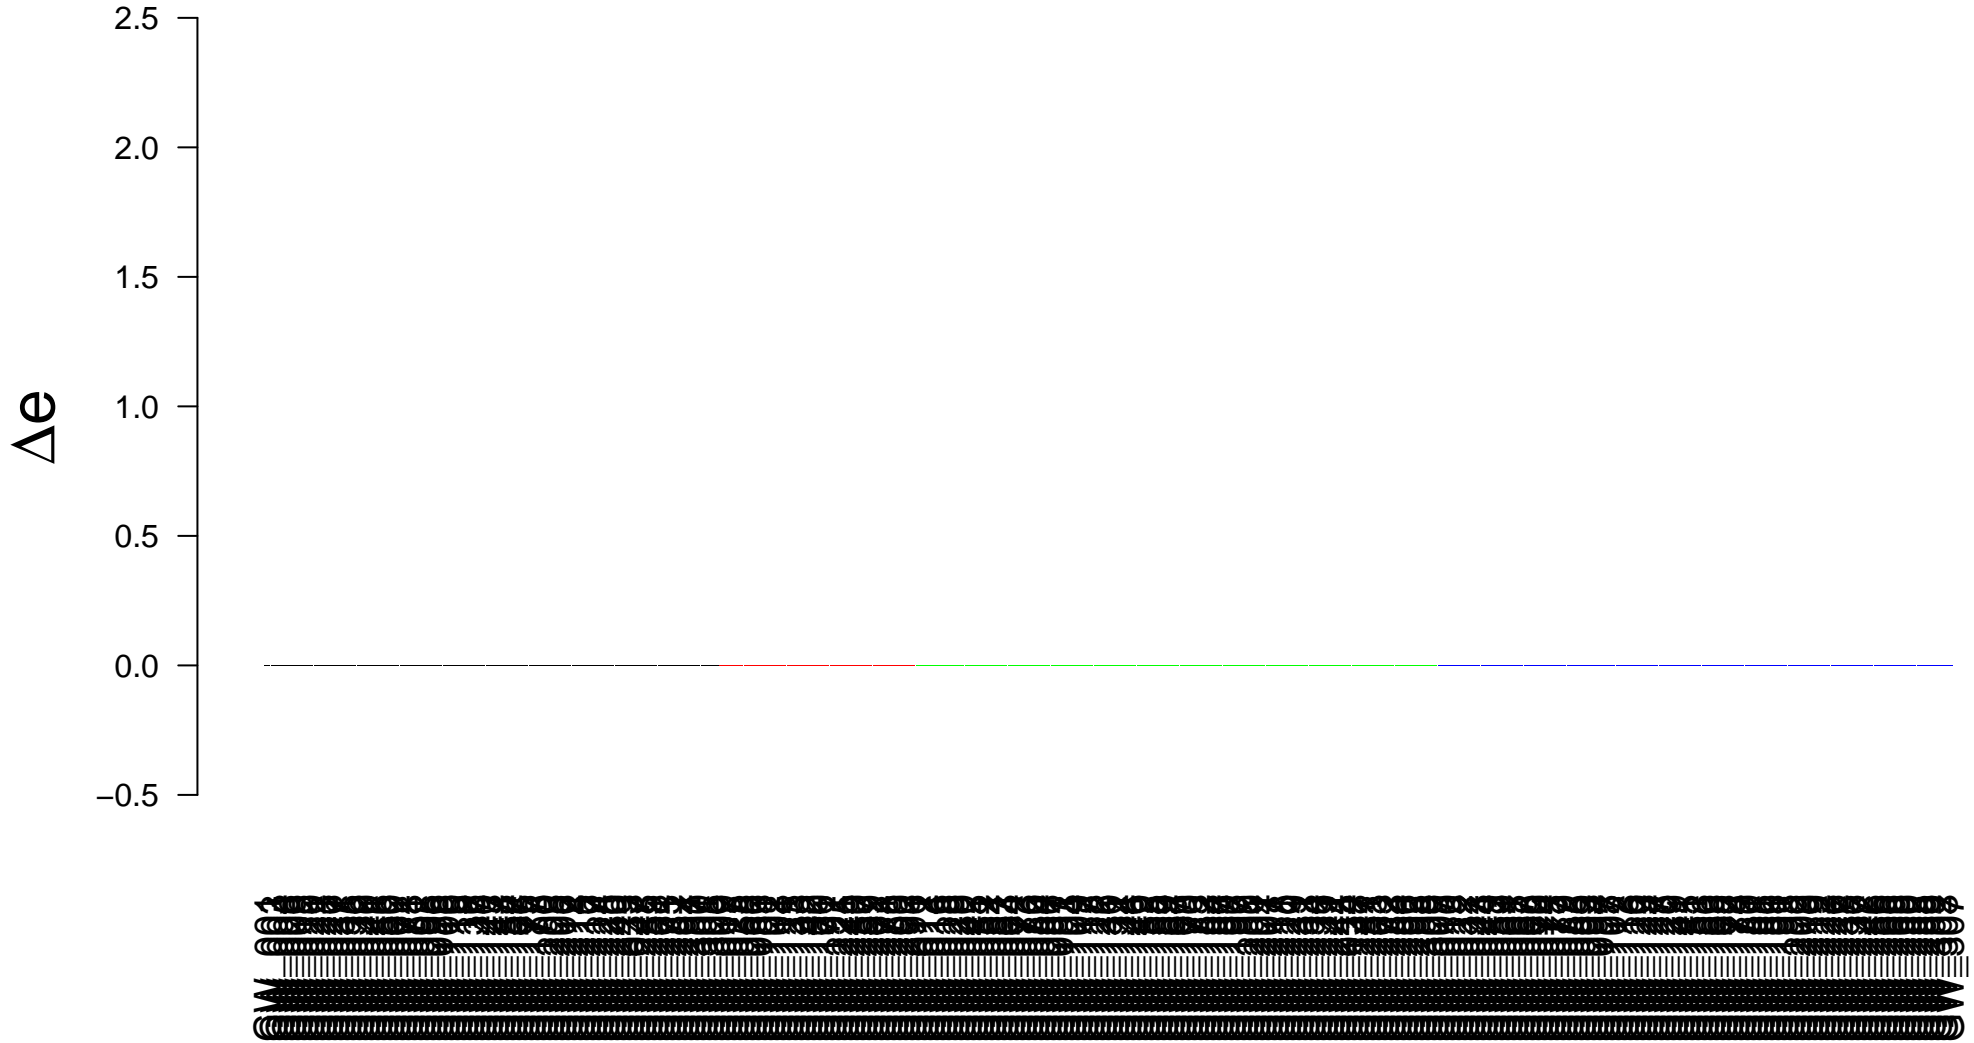

# Expression of anterior/posterior axis specification in Spot M

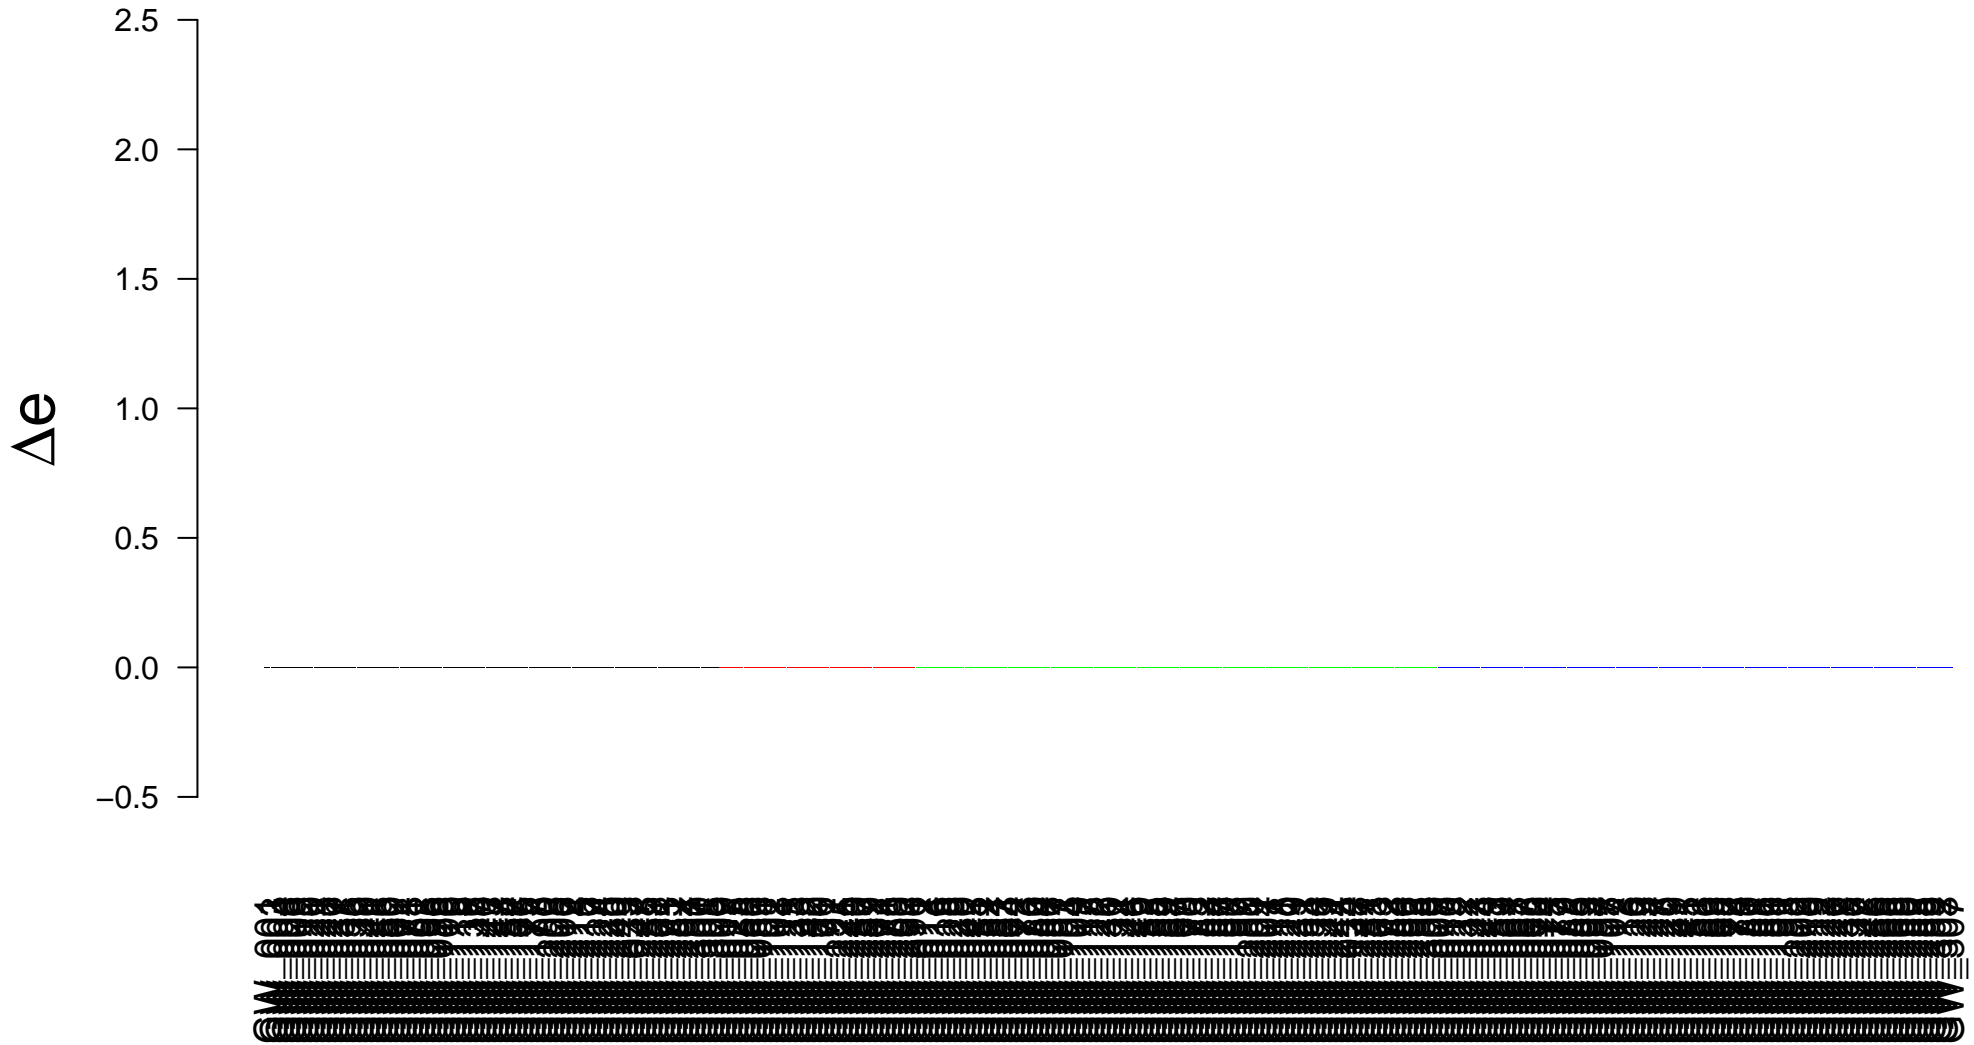

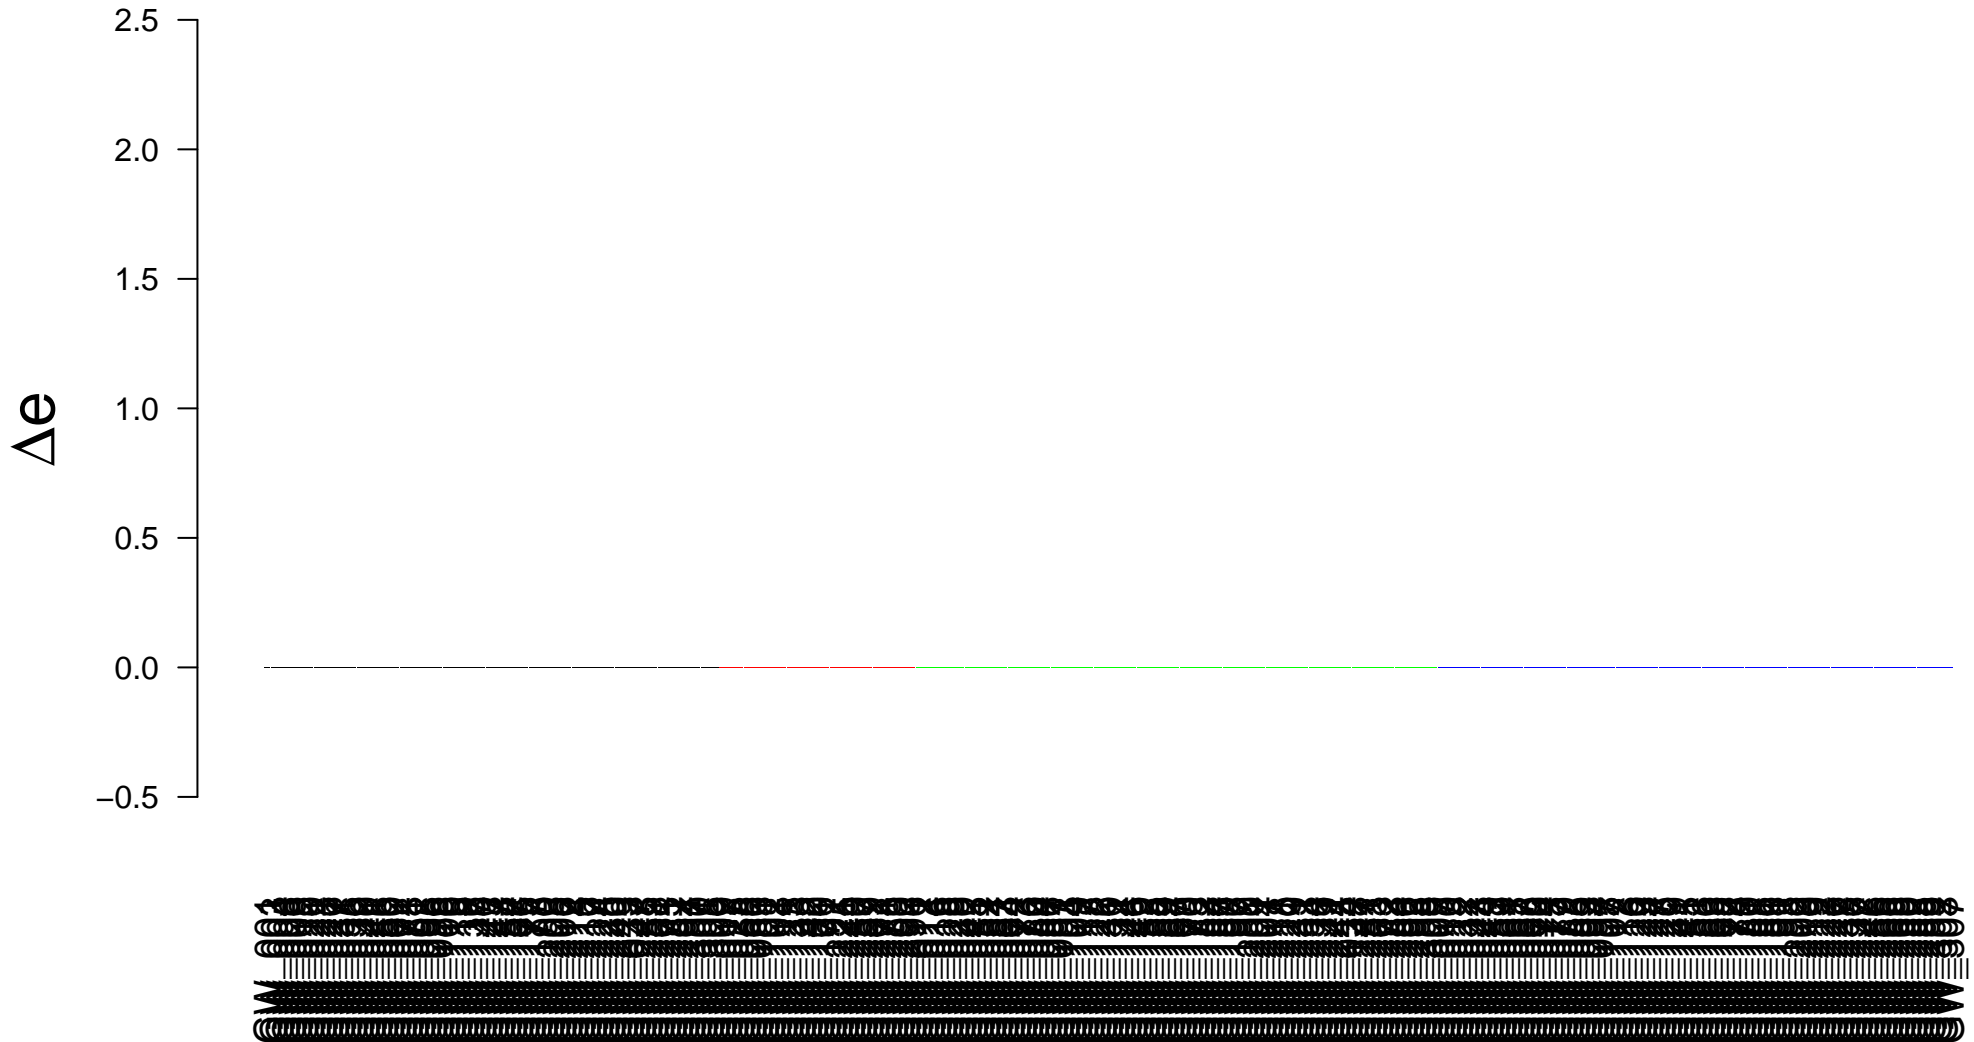

# Expression of anterior/posterior axis specification in Spot N

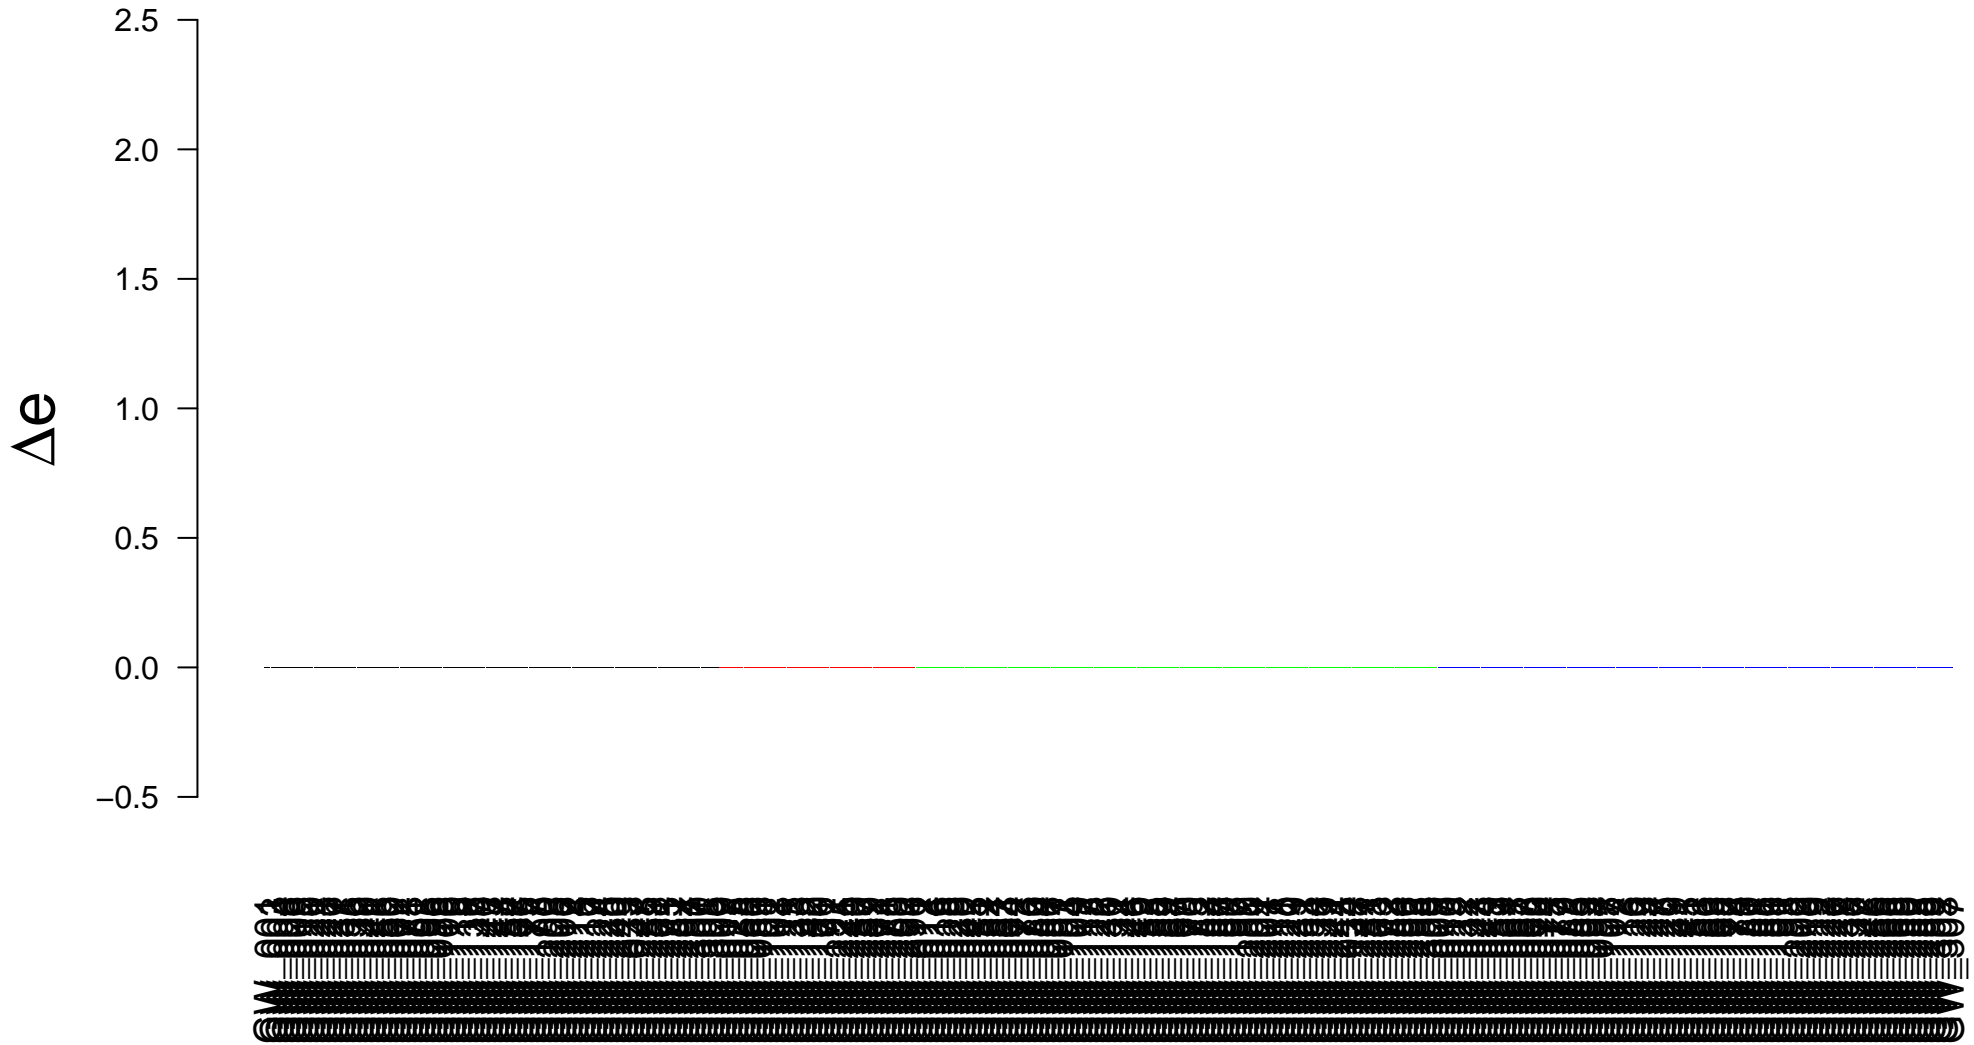

# Expression of anterior/posterior axis specification in Spot O

# Expression of anterior/posterior axis specification in Spot P

# Expression of anterior/posterior axis specification in Spot Q

# Expression of anterior/posterior axis specification in Spot R
