

anterior/posterior pattern specification

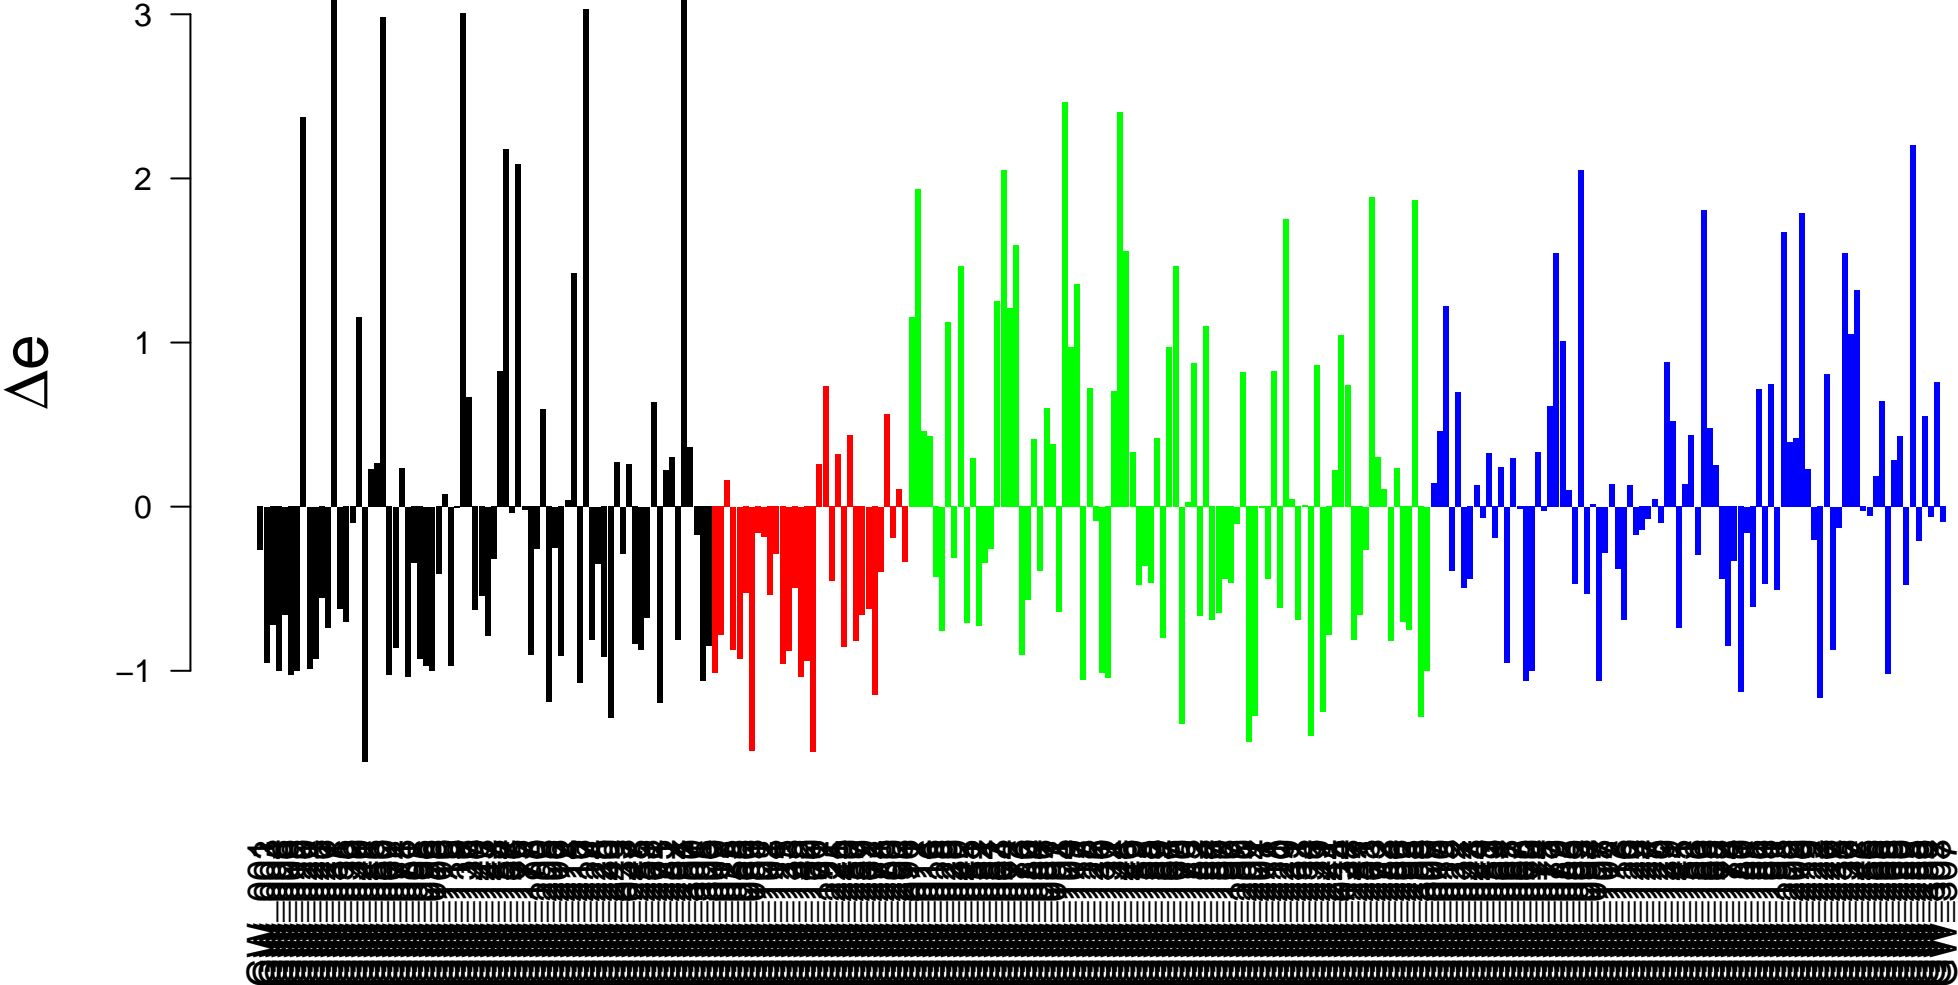

anterior/posterior pattern specification

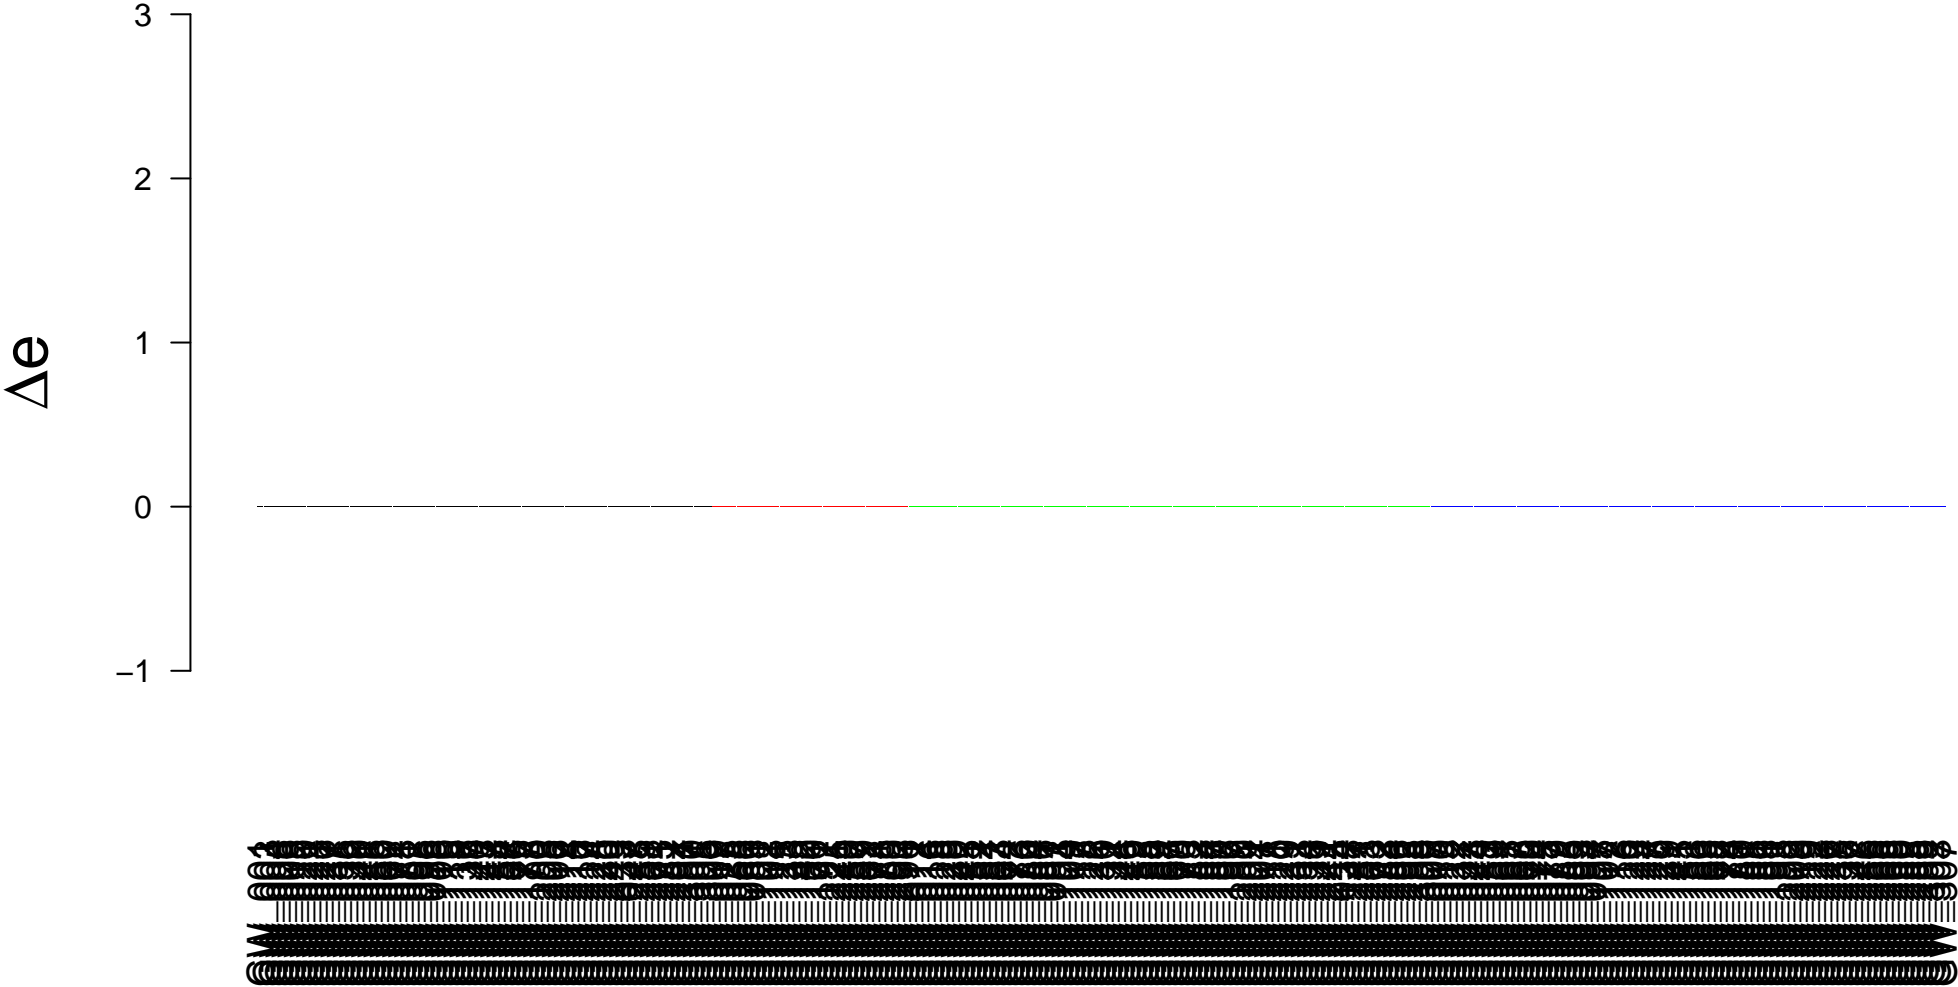

Enrichment in spots: anterior/posterior pattern specification

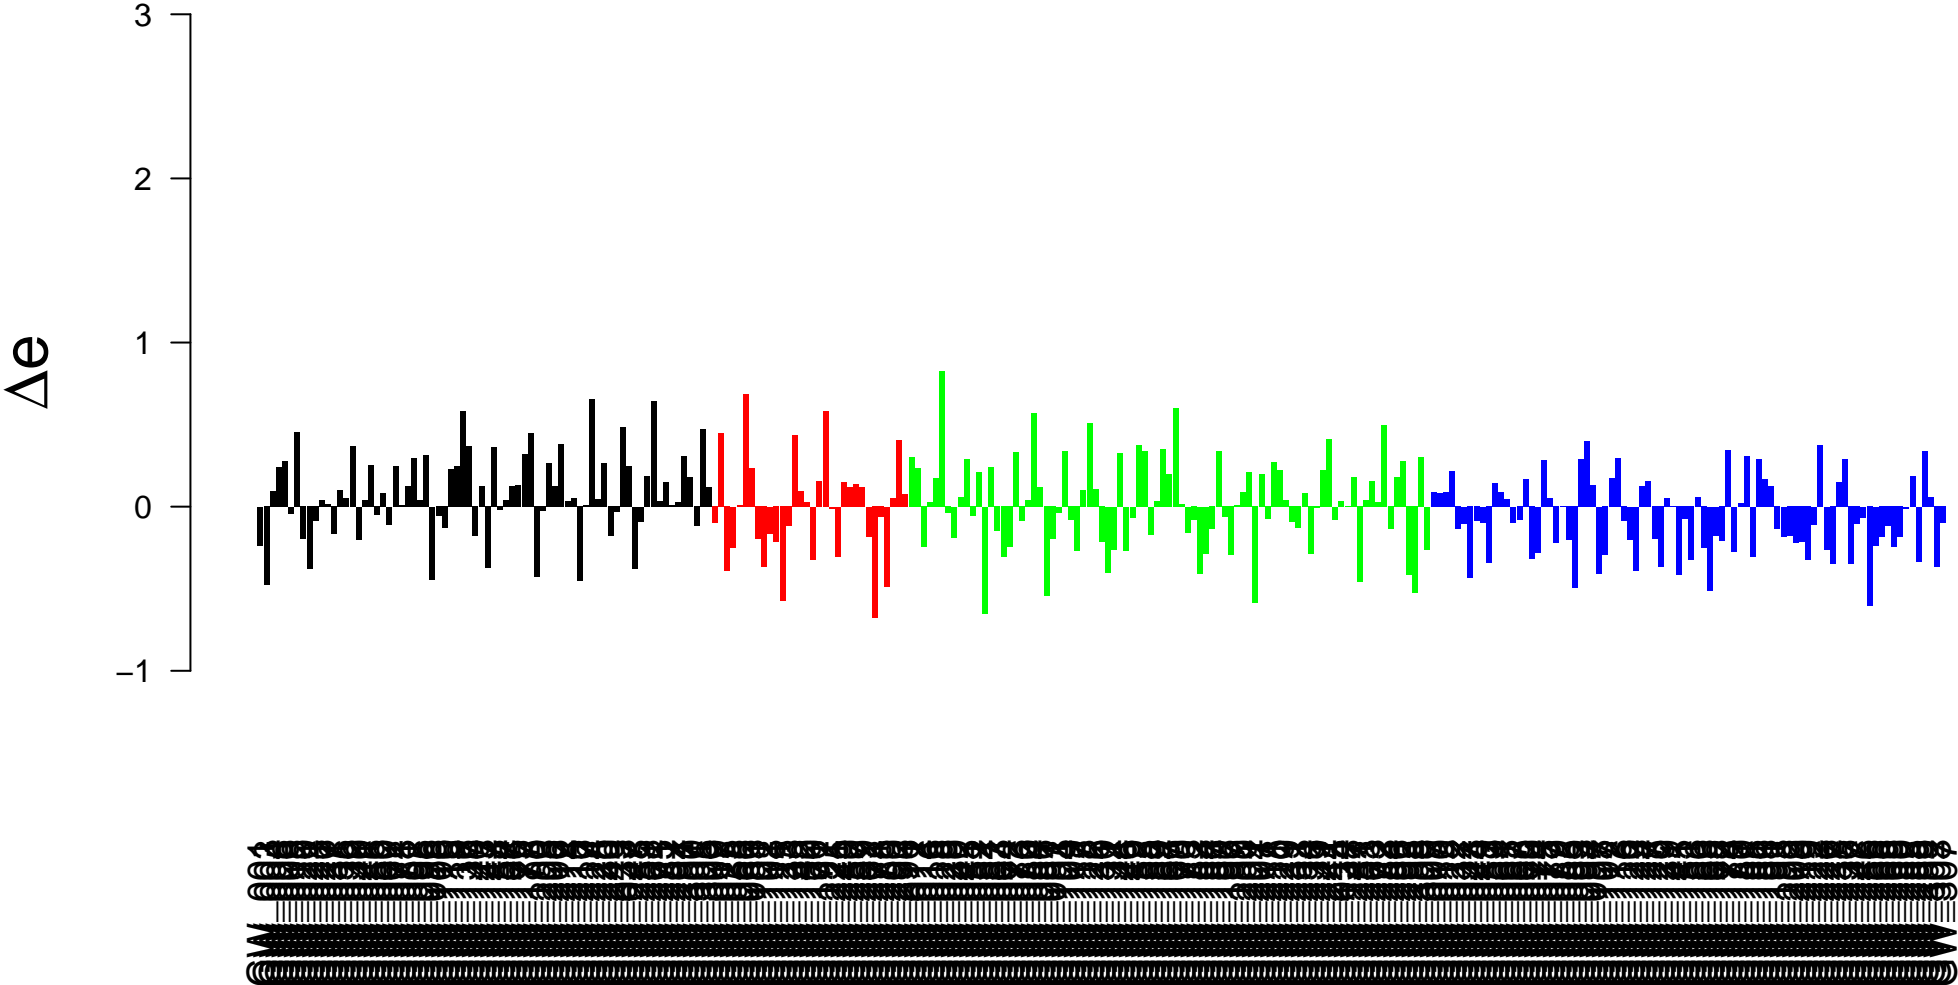

Expression of anterior/posterior pattern specification in Spot A

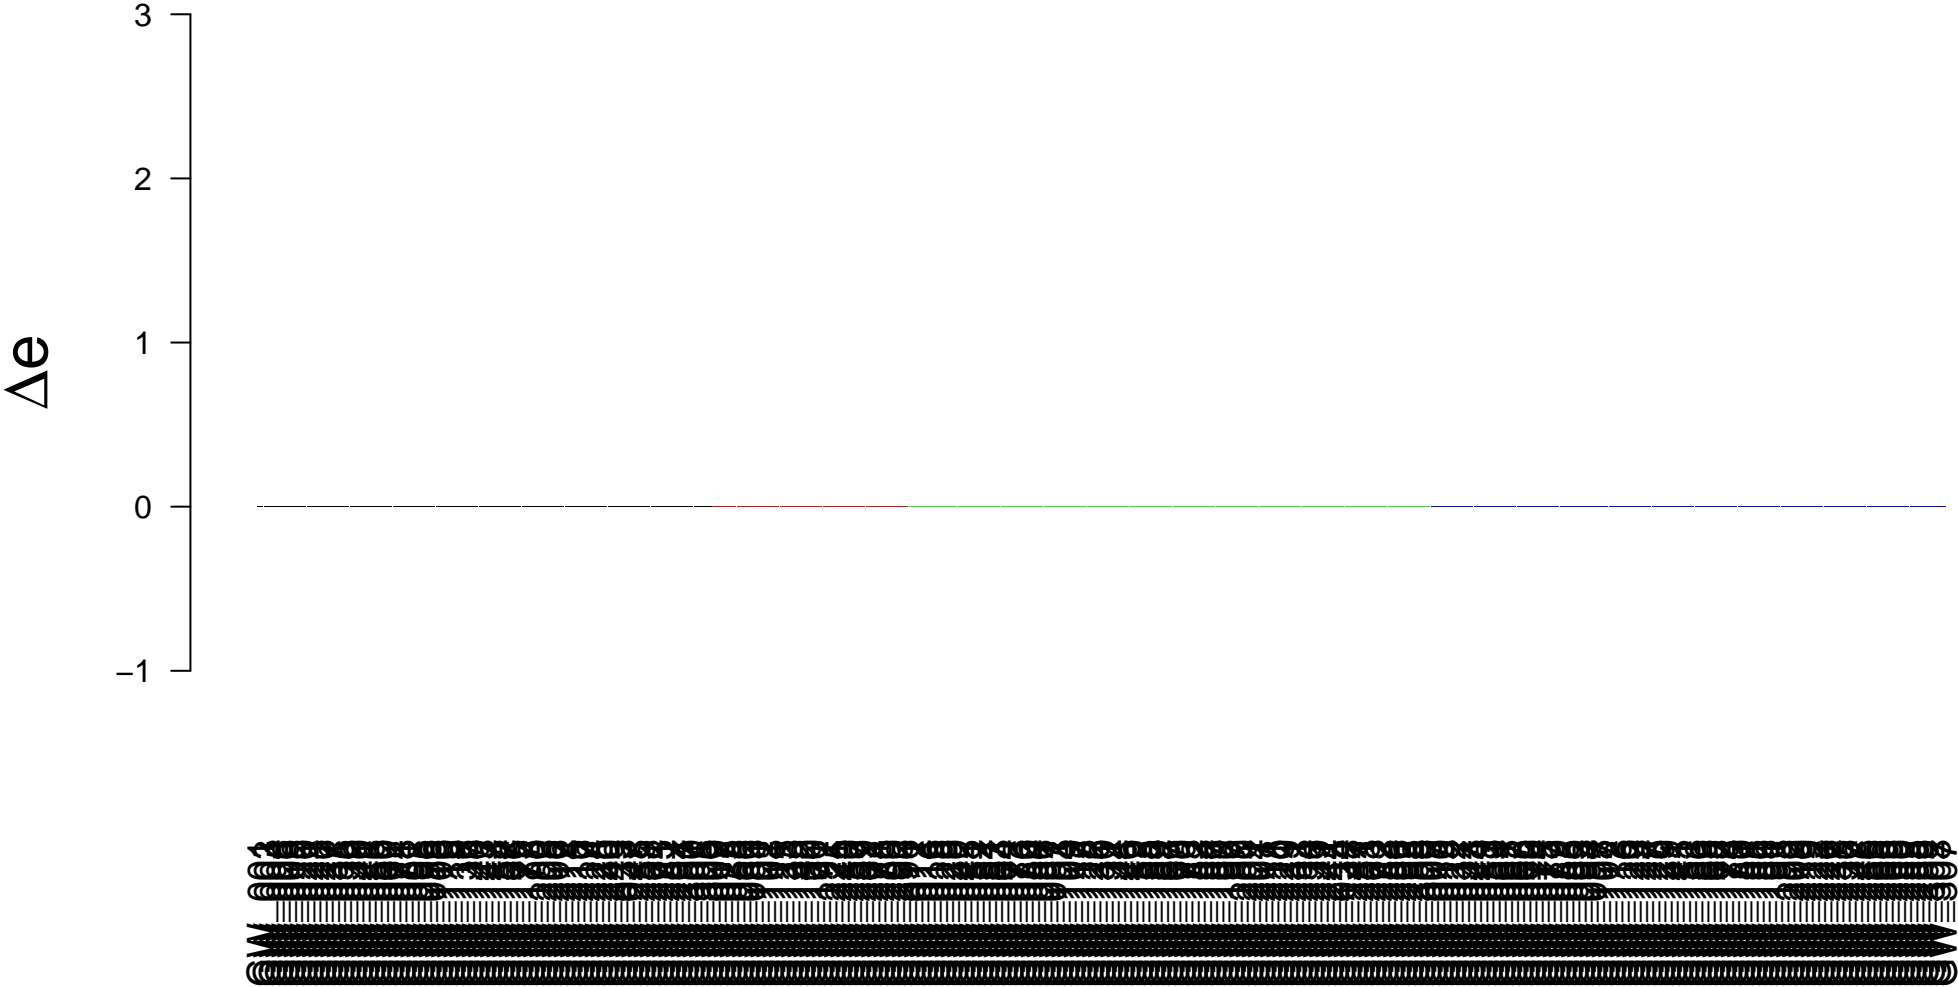

Expression of anterior/posterior pattern specification in Spot B

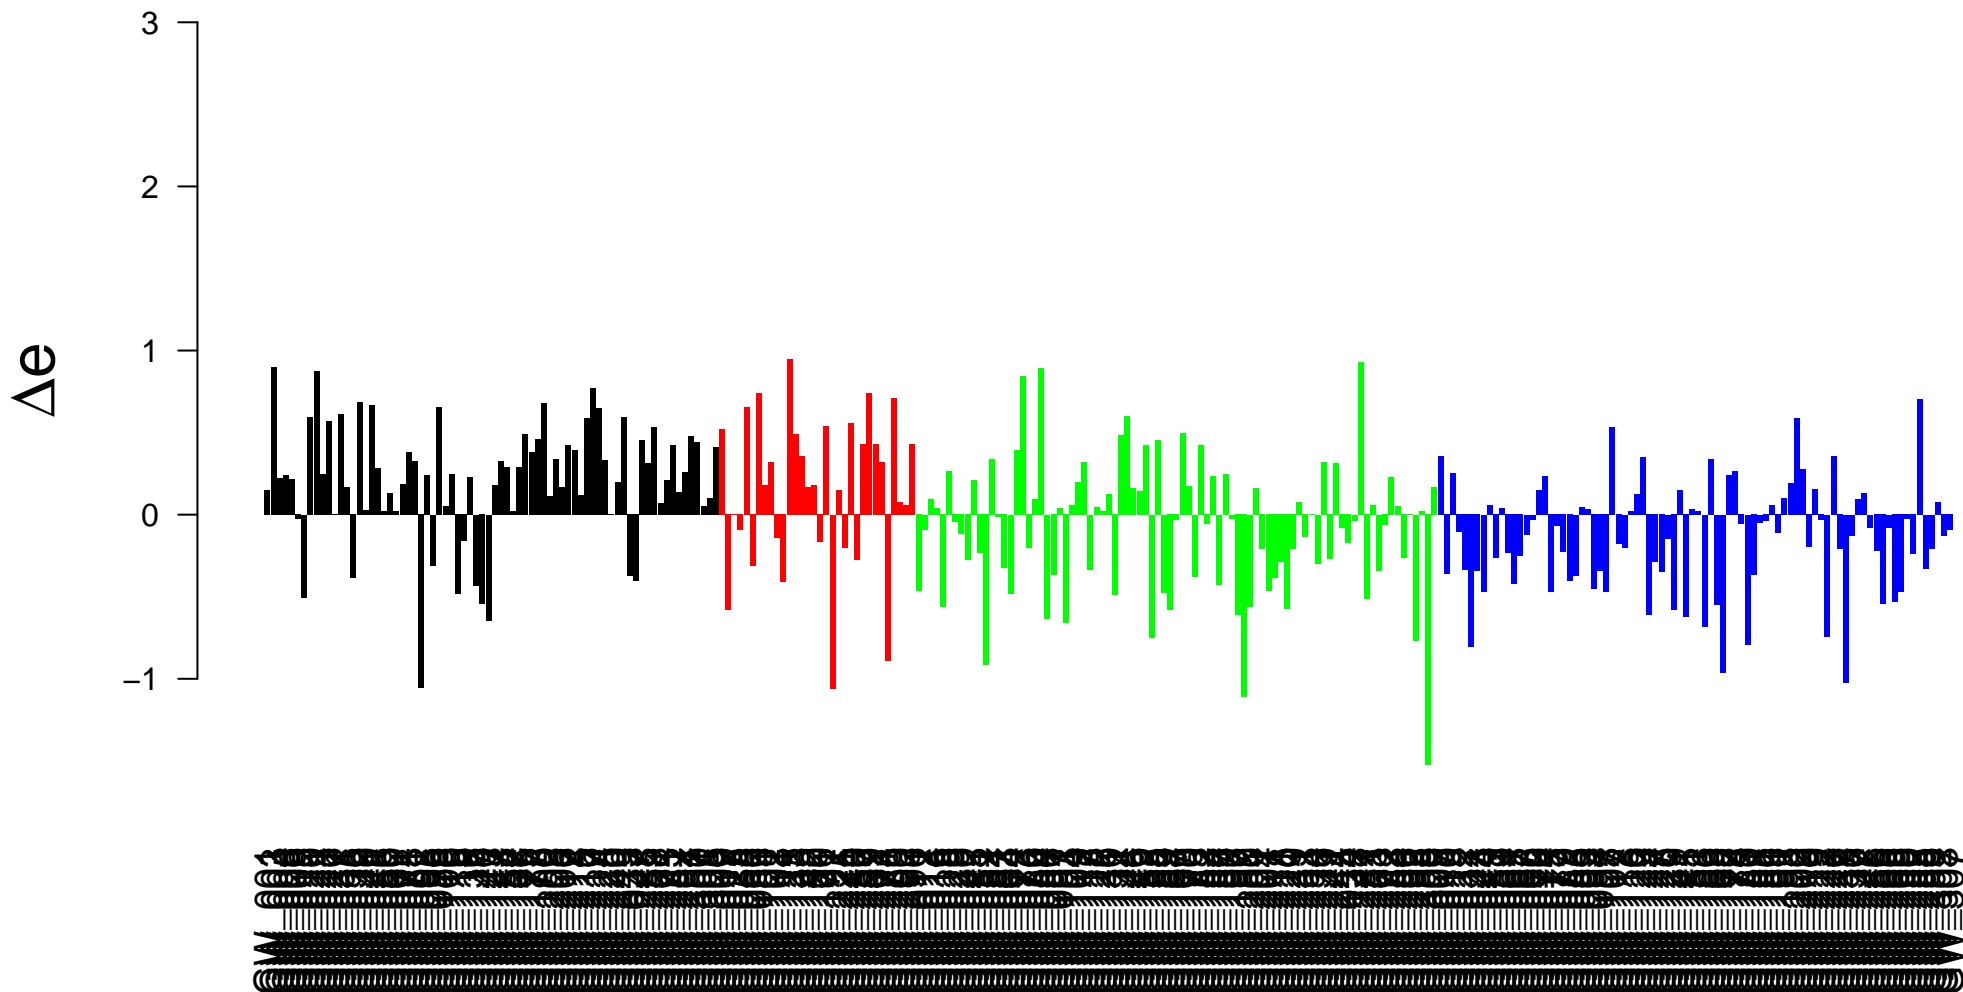

Expression of anterior/posterior pattern specification in Spot C

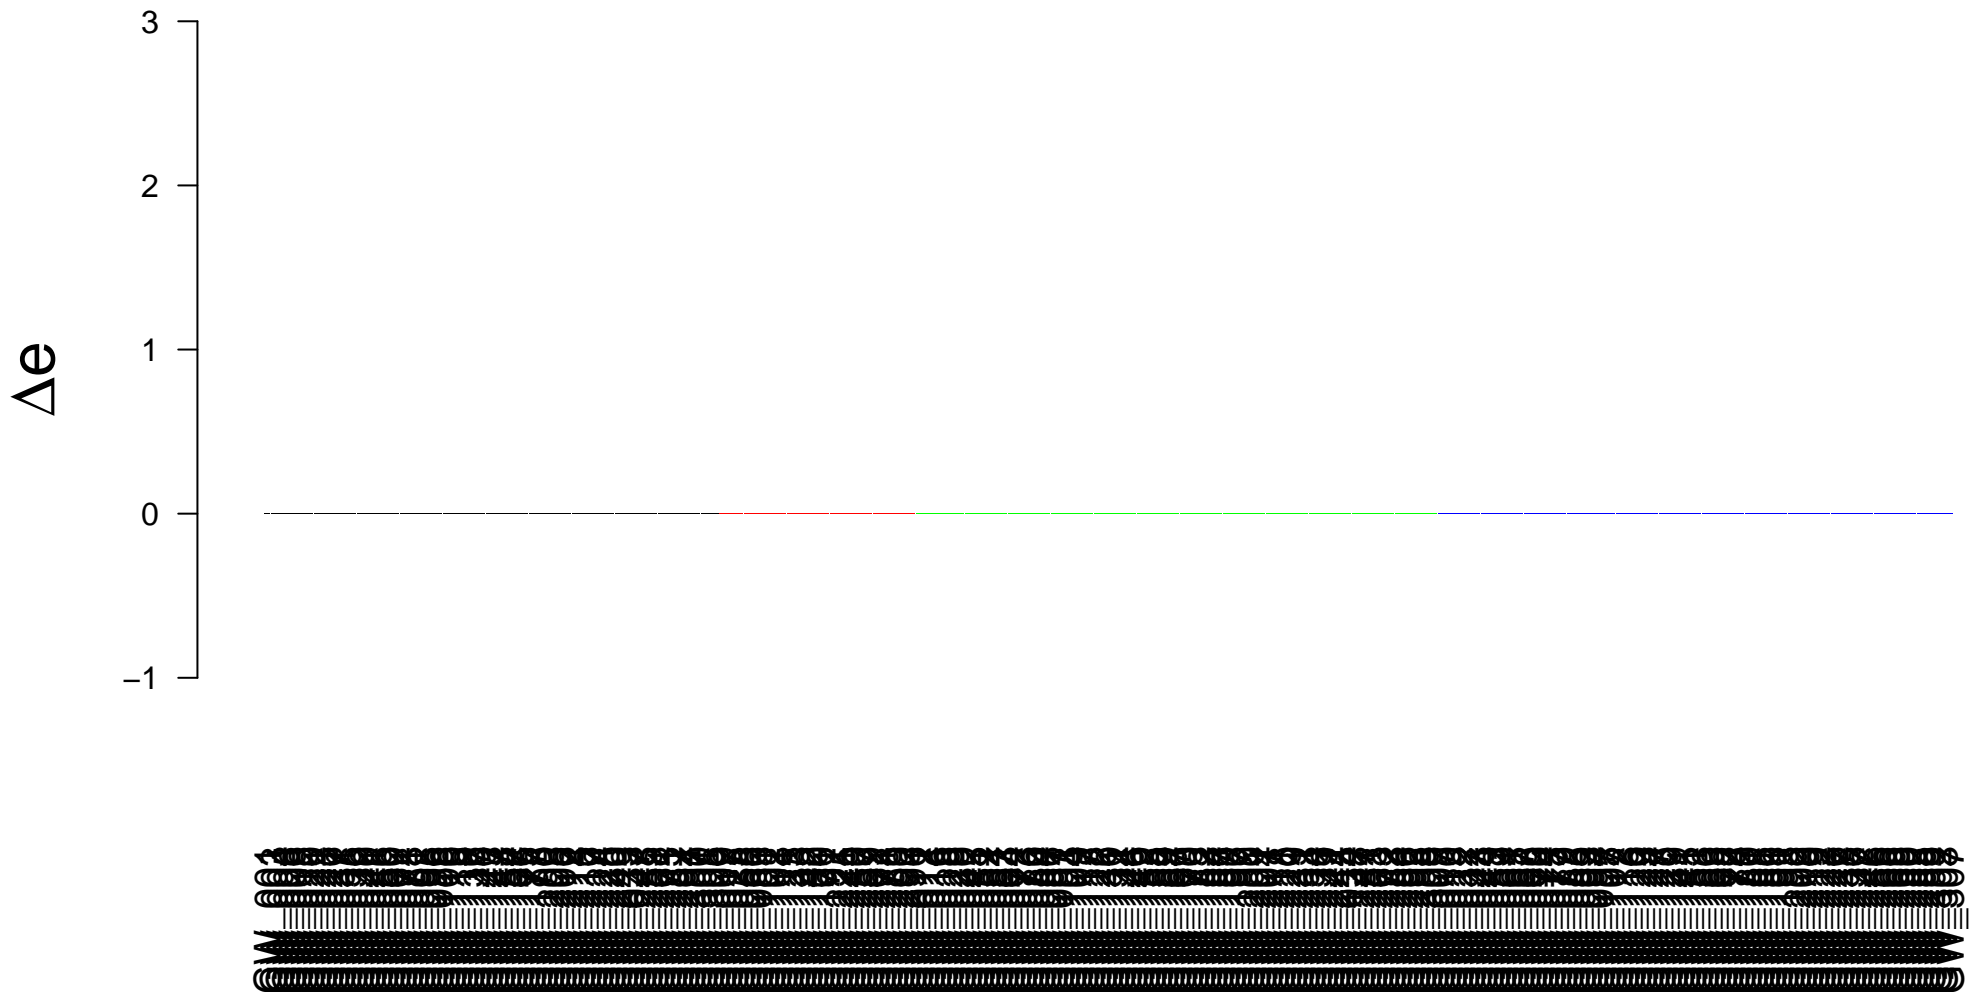

Expression of anterior/posterior pattern specification in Spot D

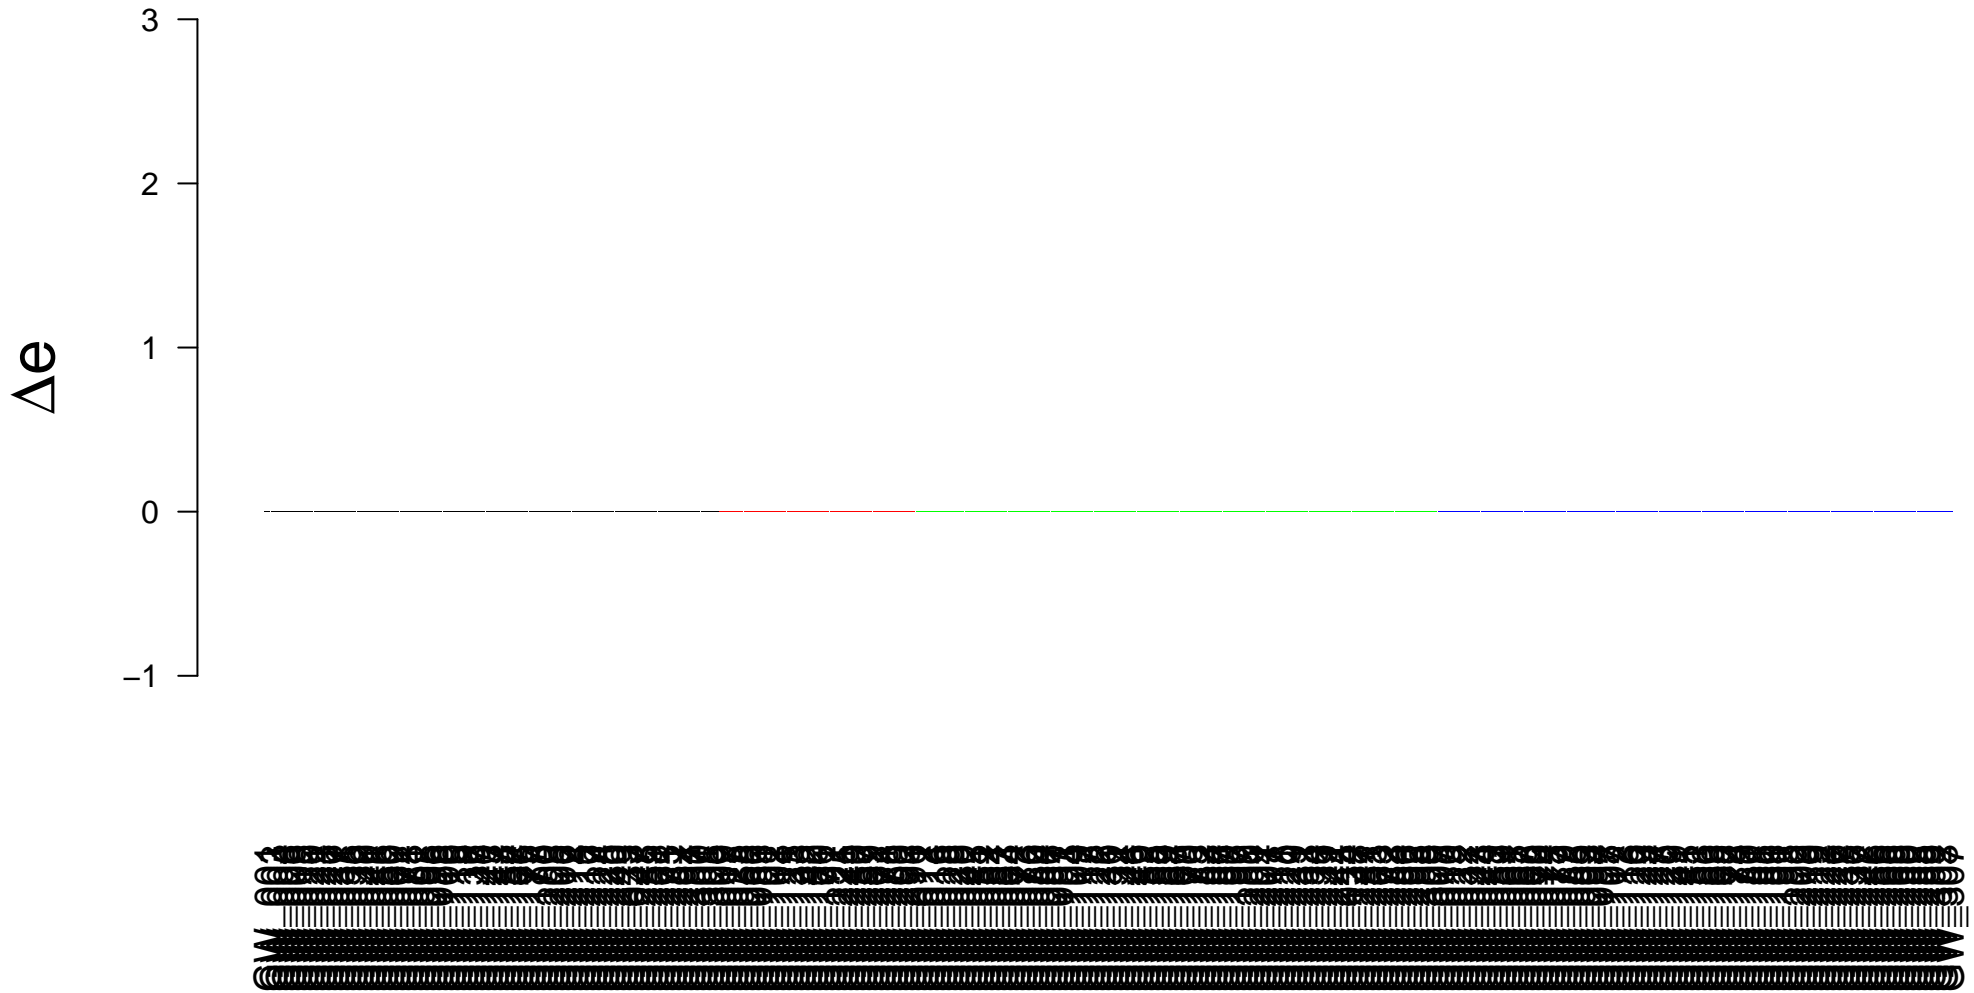

Expression of anterior/posterior pattern specification in Spot E

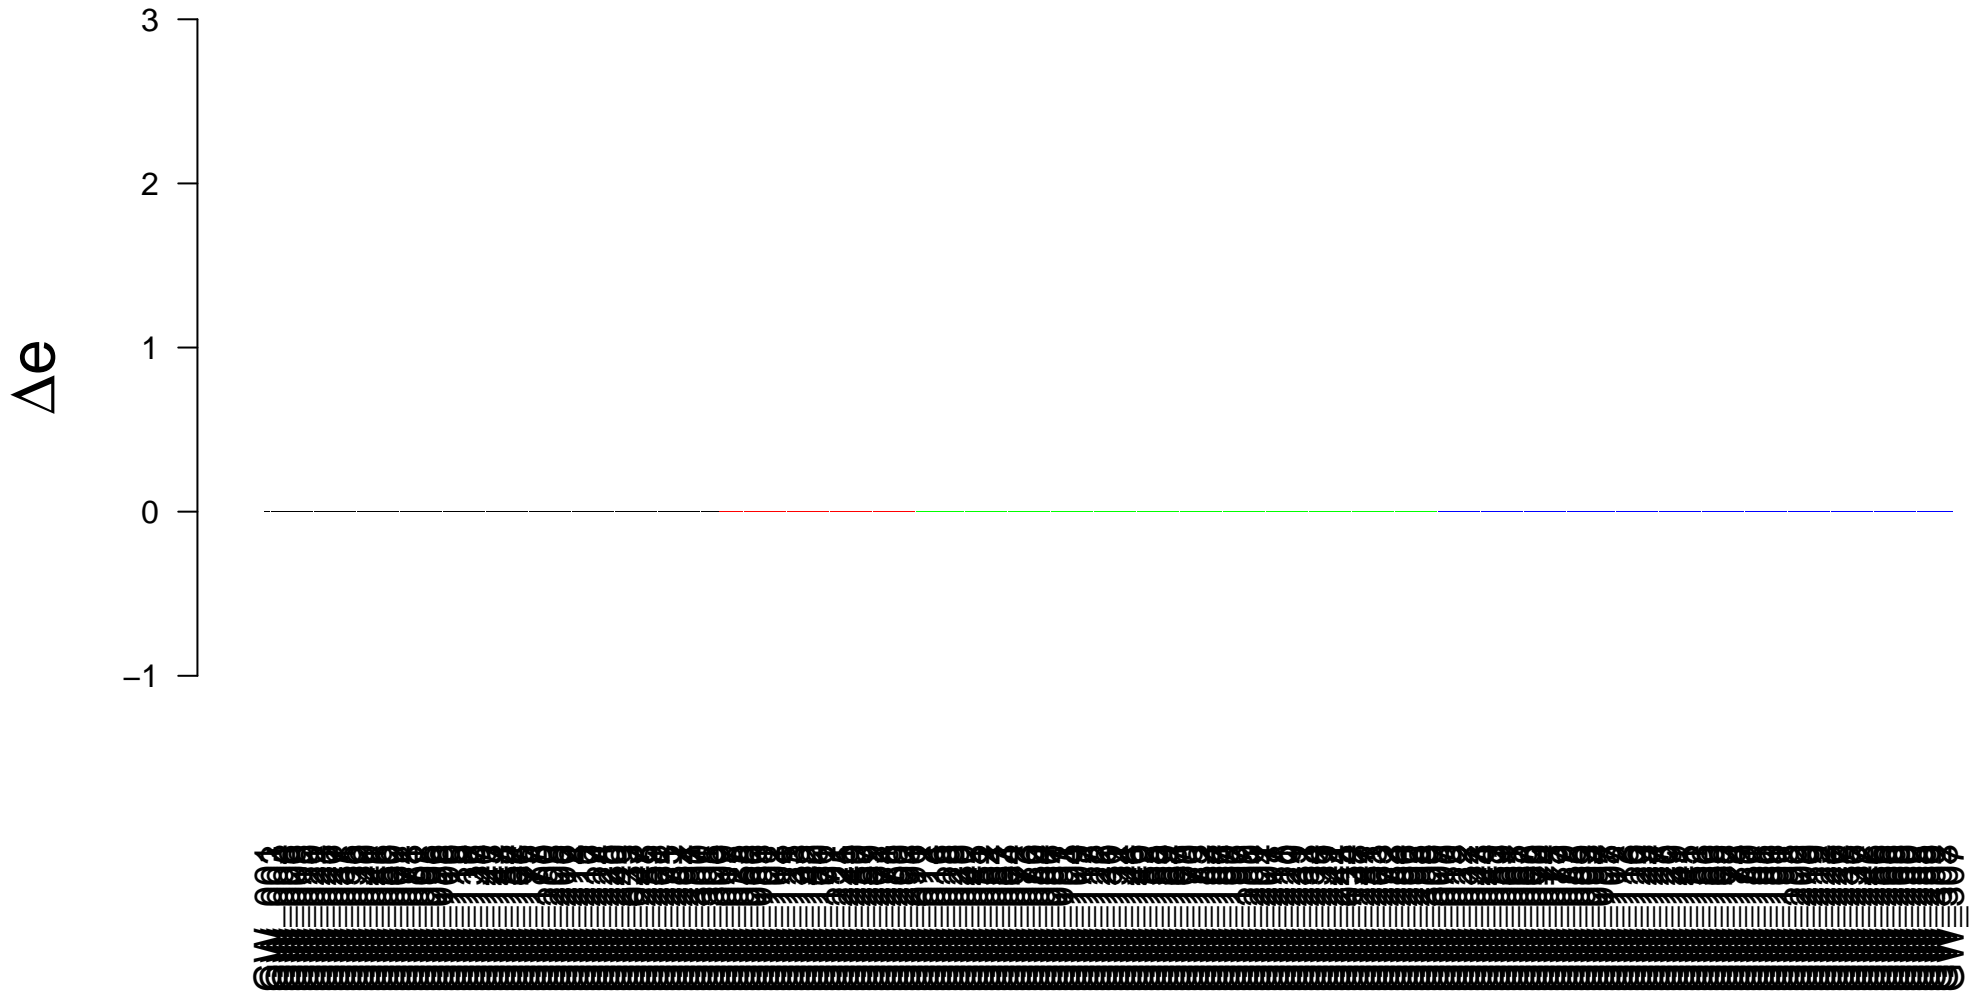

Expression of anterior/posterior pattern specification in Spot F

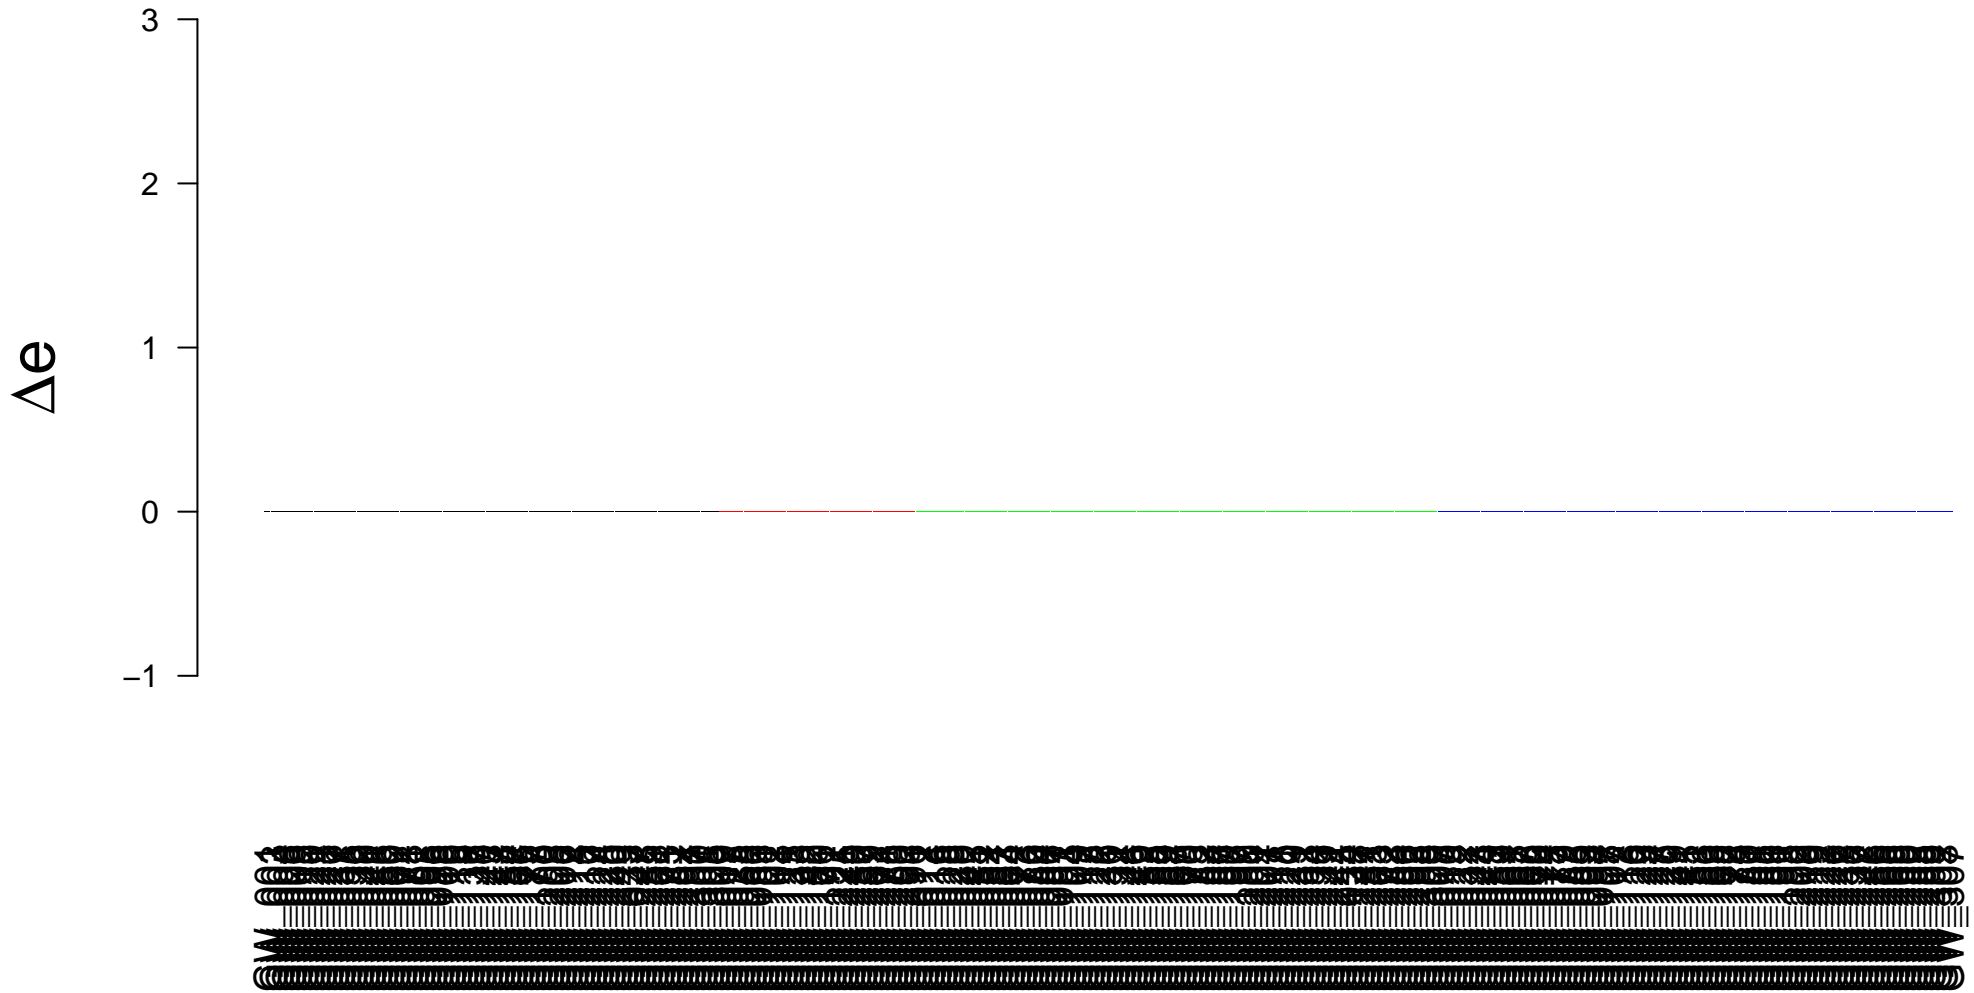

Expression of anterior/posterior pattern specification in Spot G

Expression of anterior/posterior pattern specification in Spot H

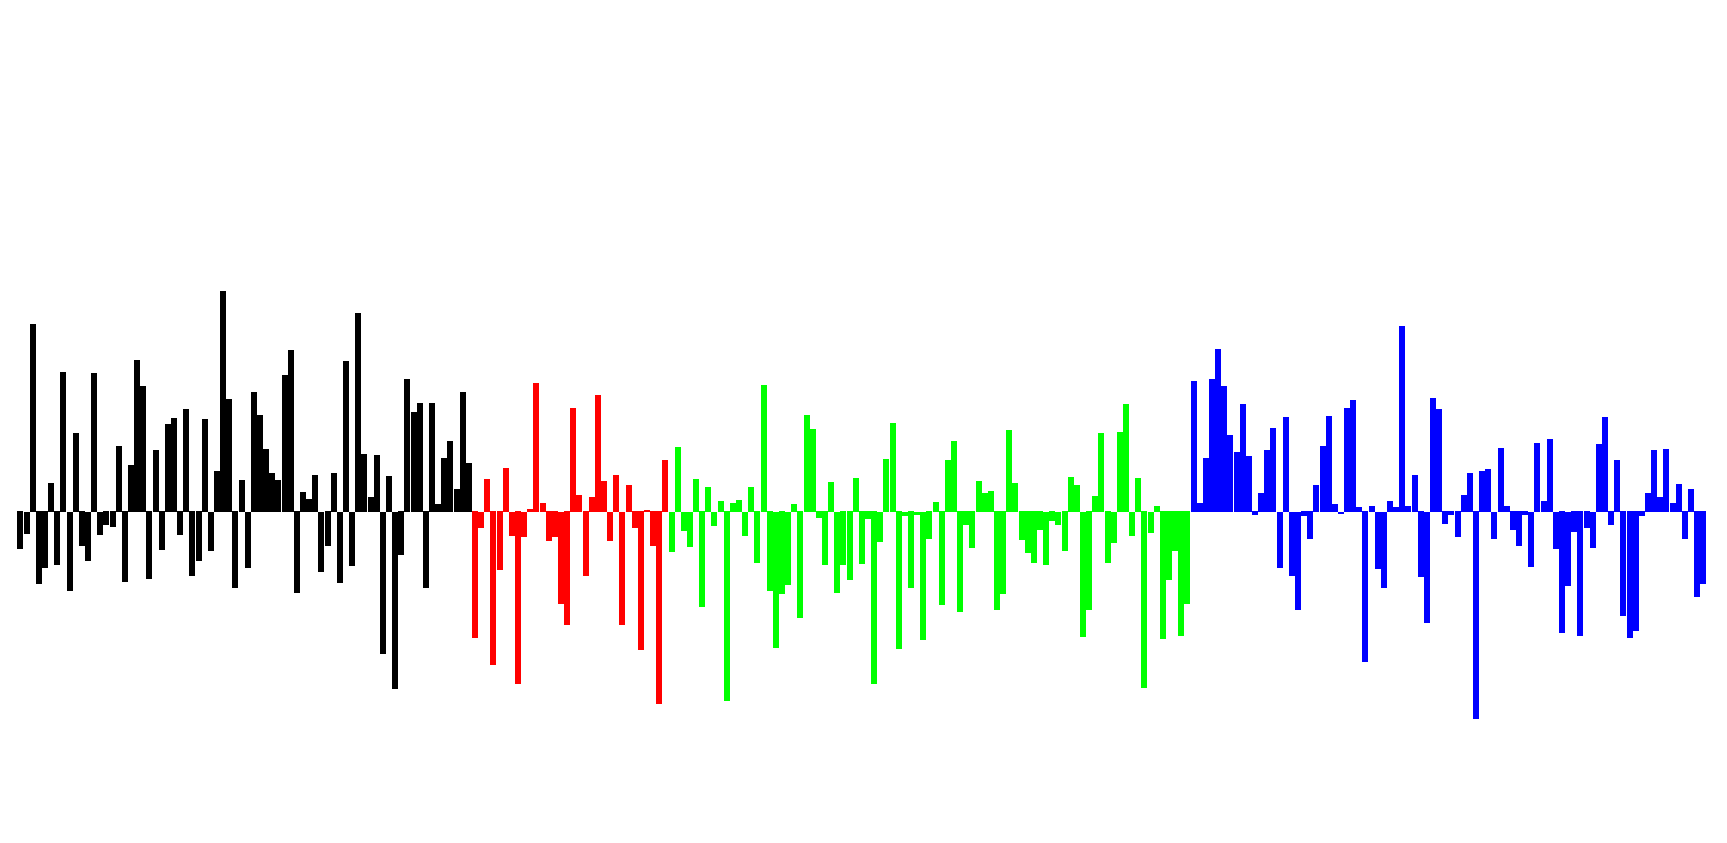

Expression of anterior/posterior pattern specification in Spot I

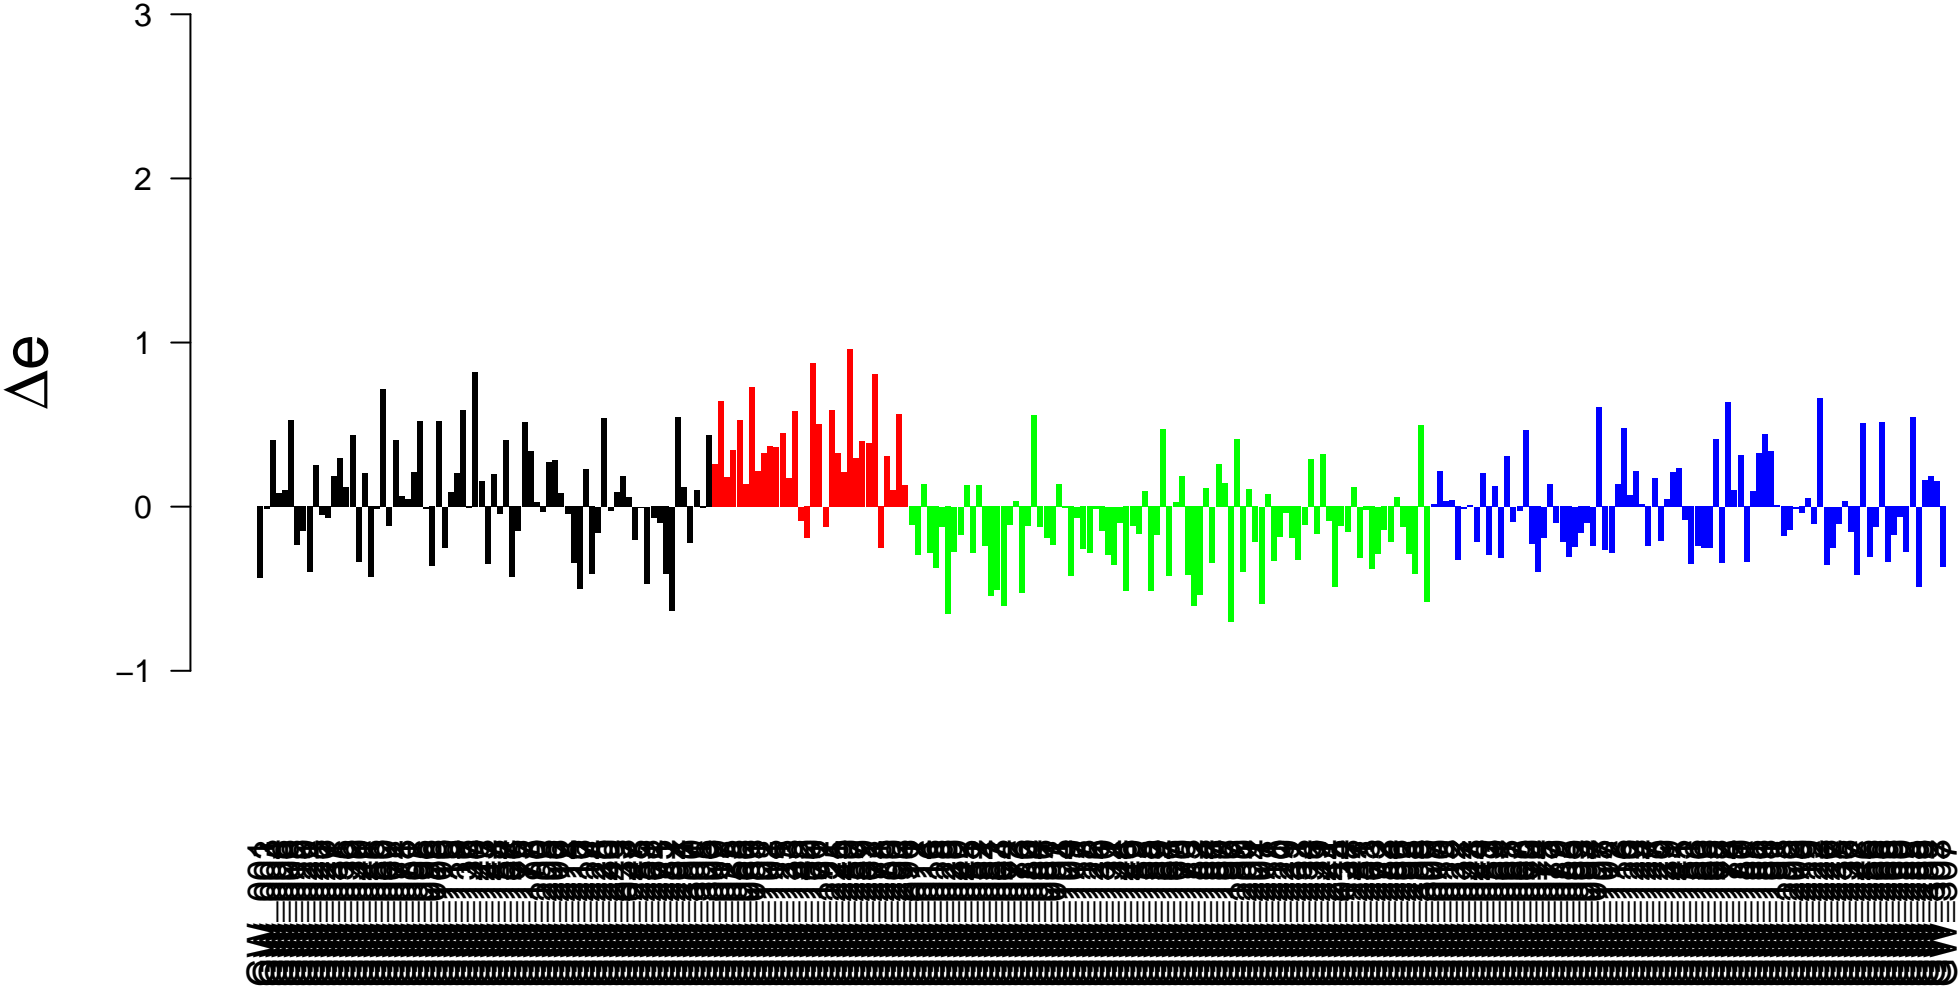

Expression of anterior/posterior pattern specification in Spot J
