

antigen processing and presentation

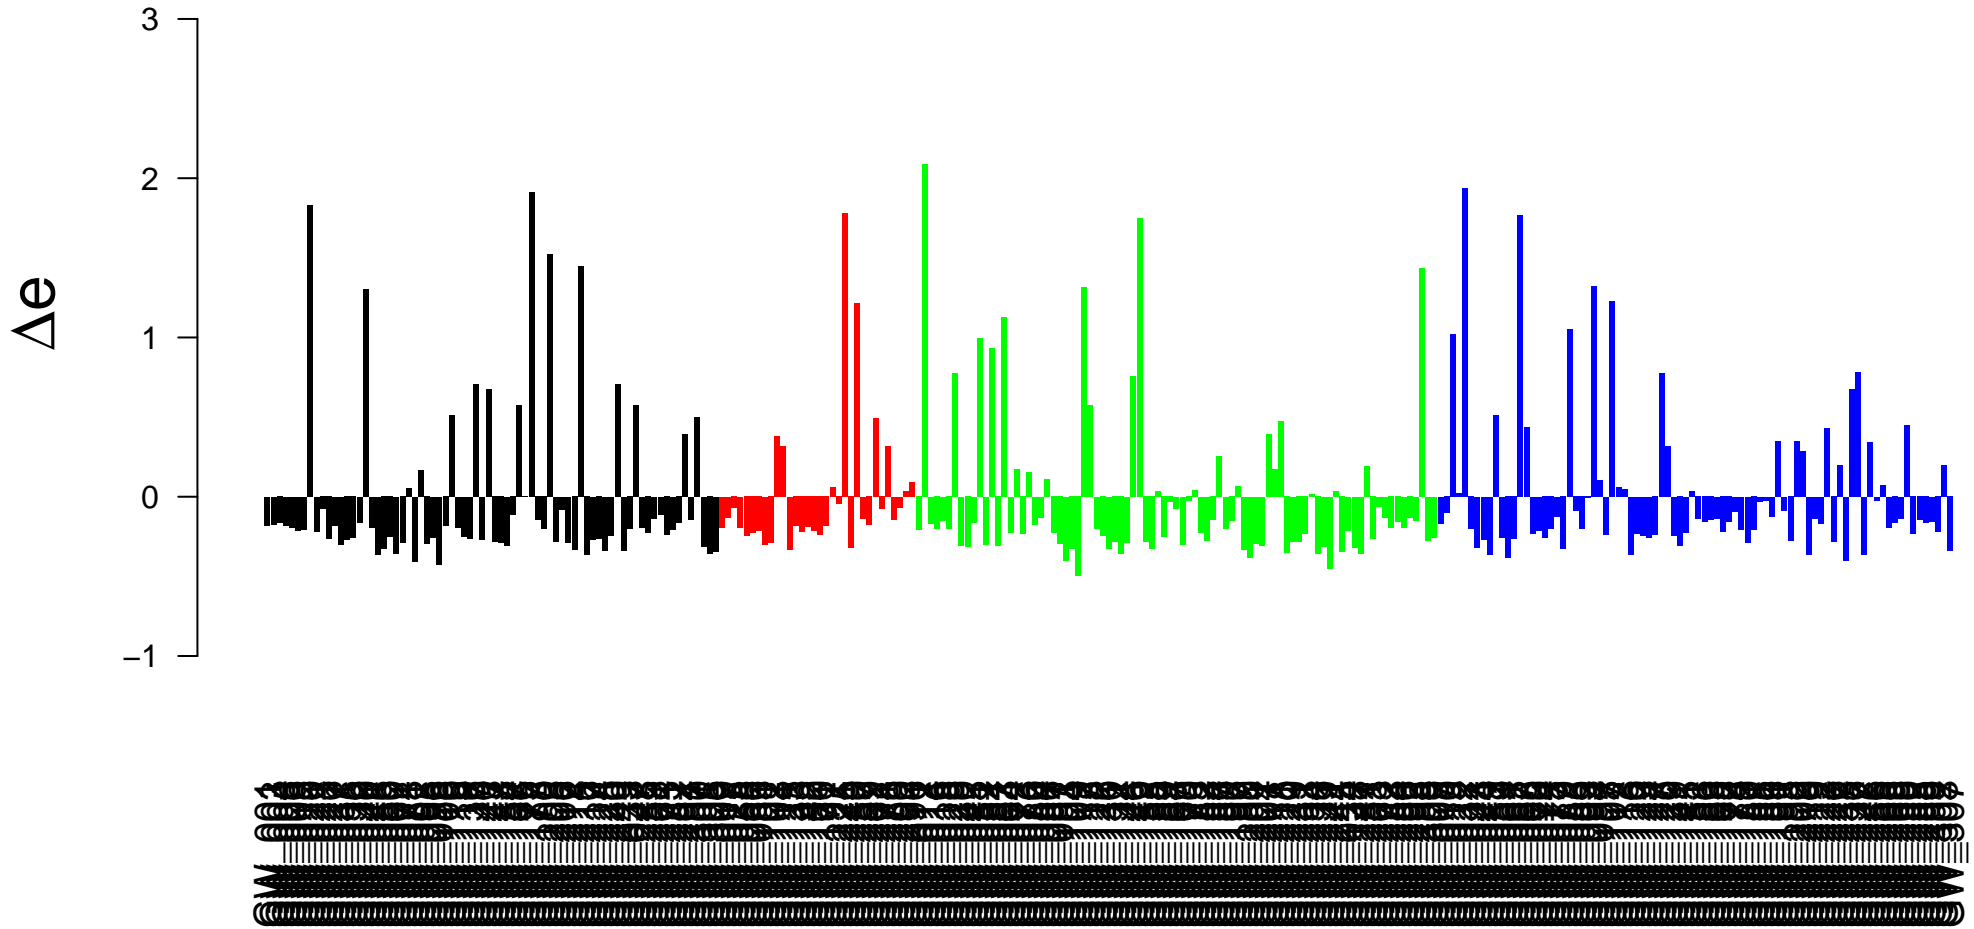

antigen processing and presentation

Enrichment in spots: antigen processing and presentation

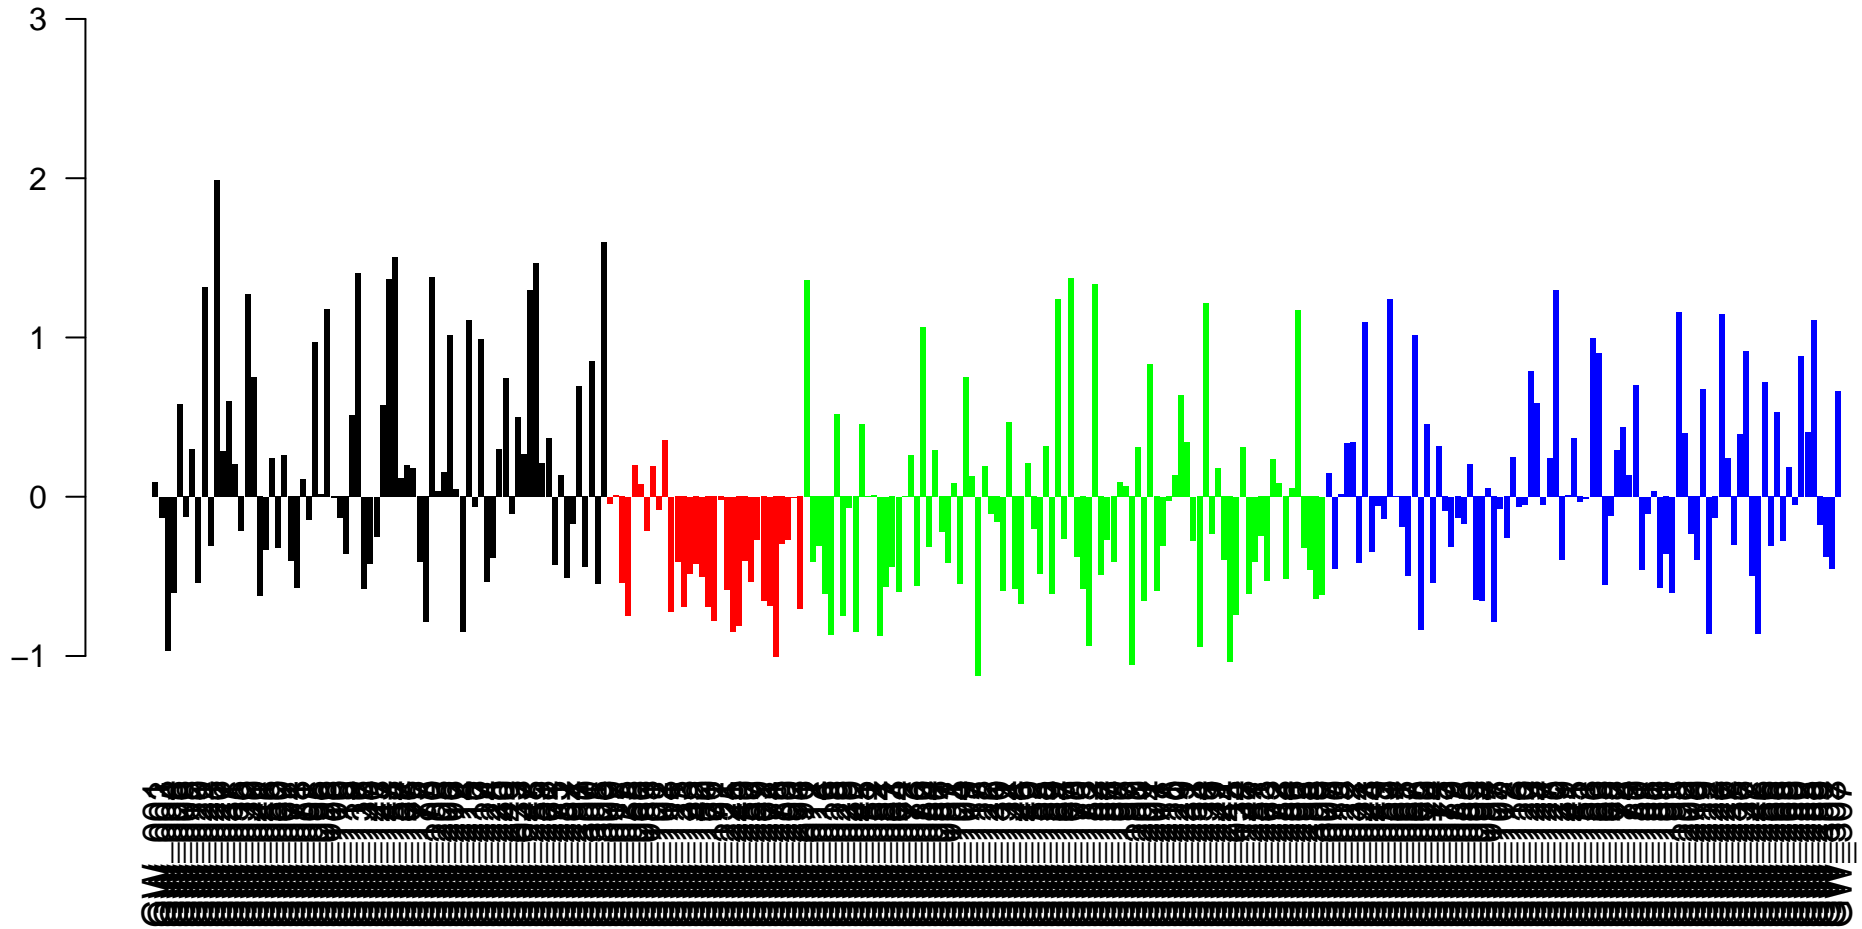

Expression of antigen processing and presentation in Spot A

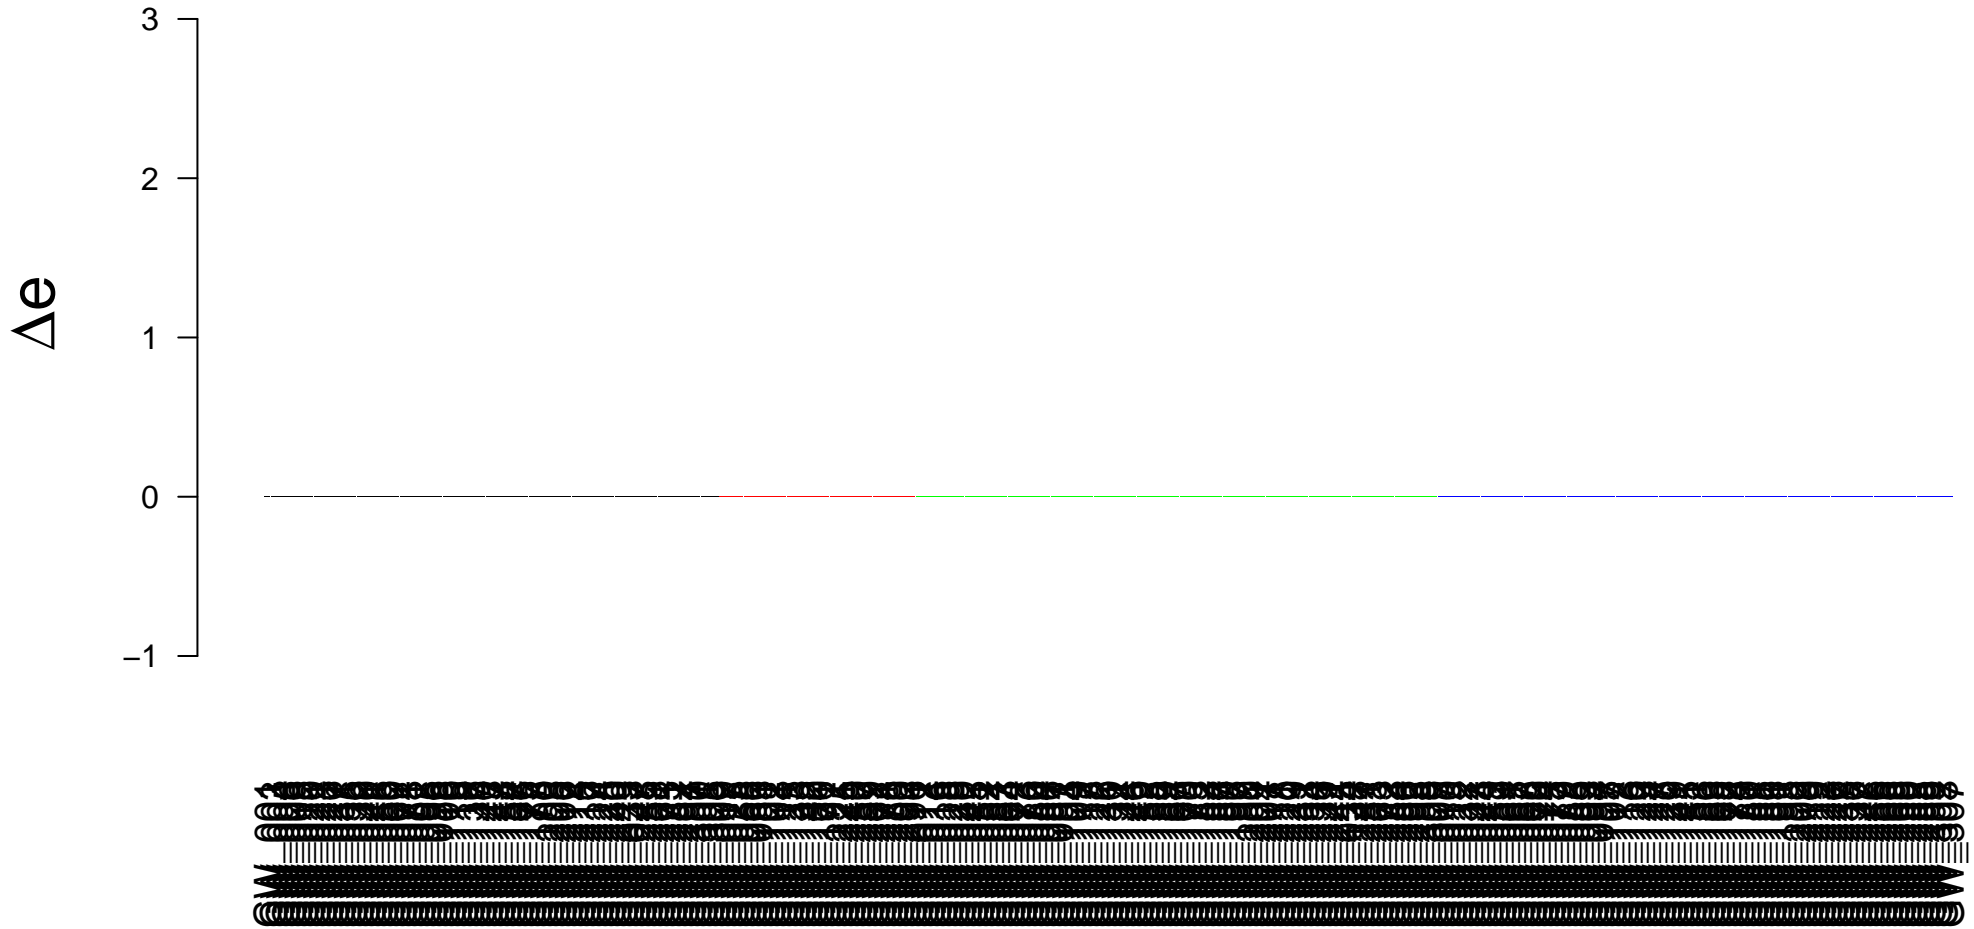

Expression of antigen processing and presentation in Spot B

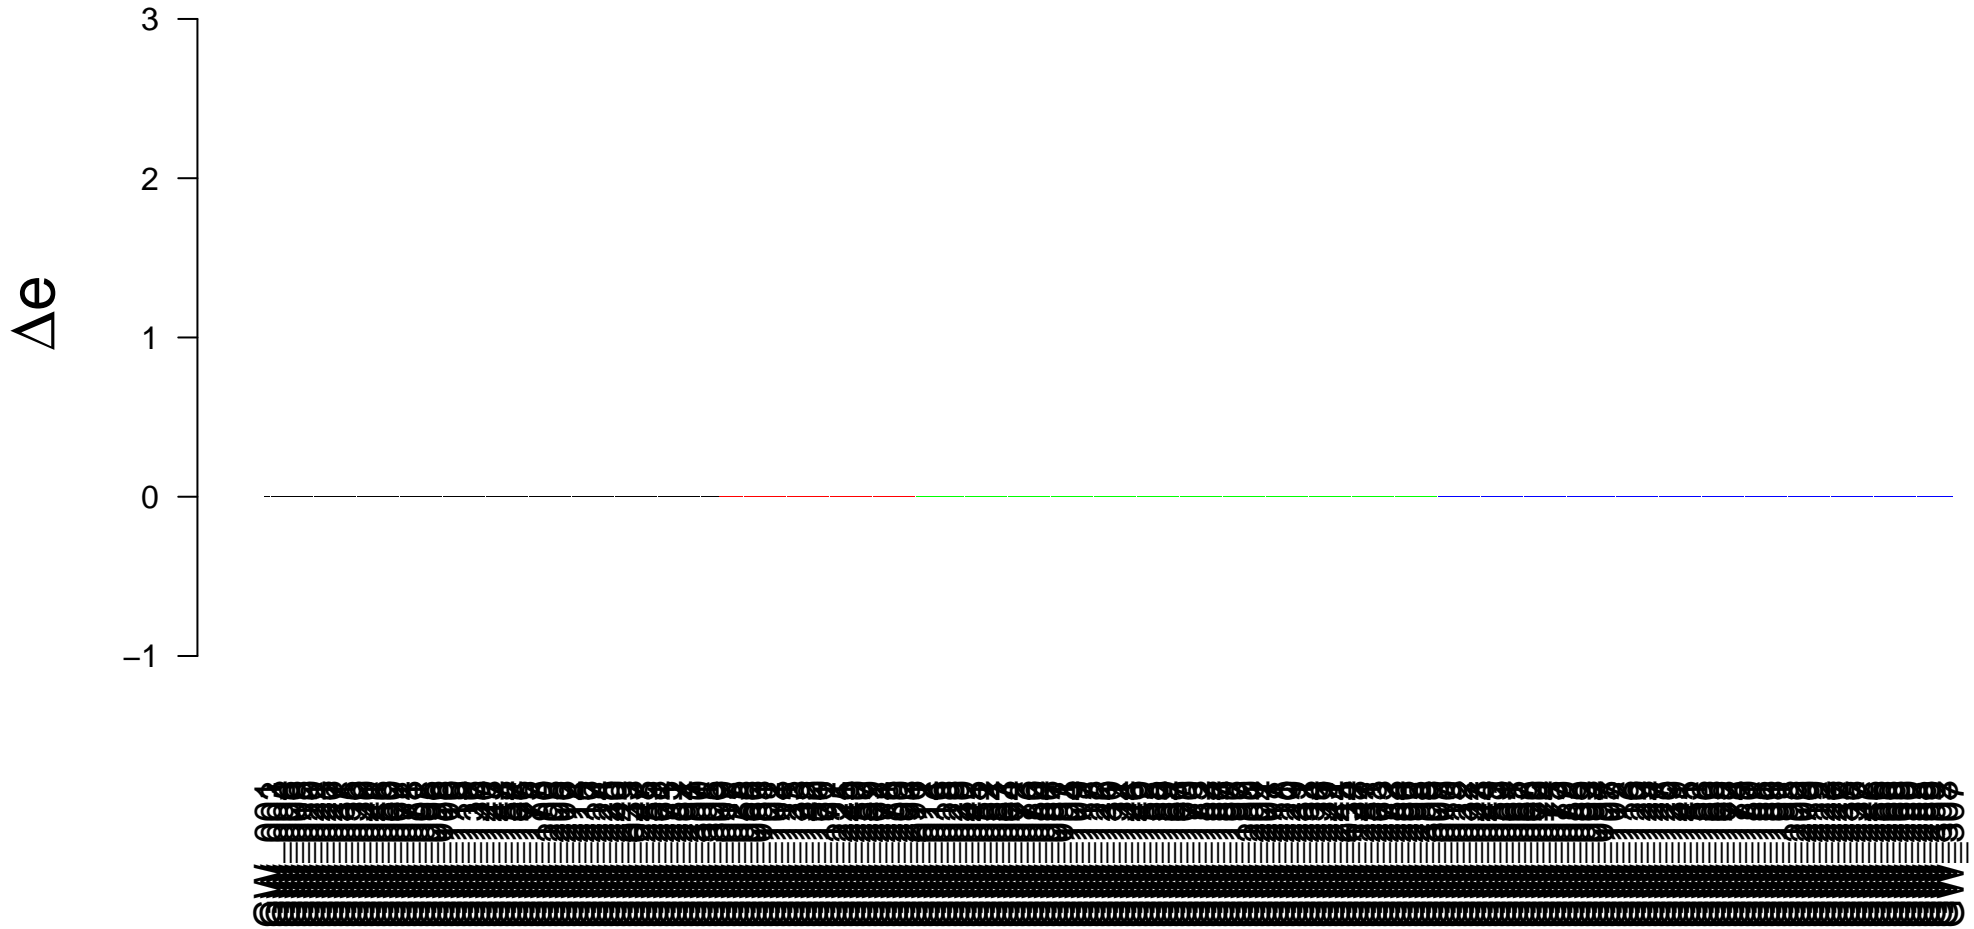

Δe

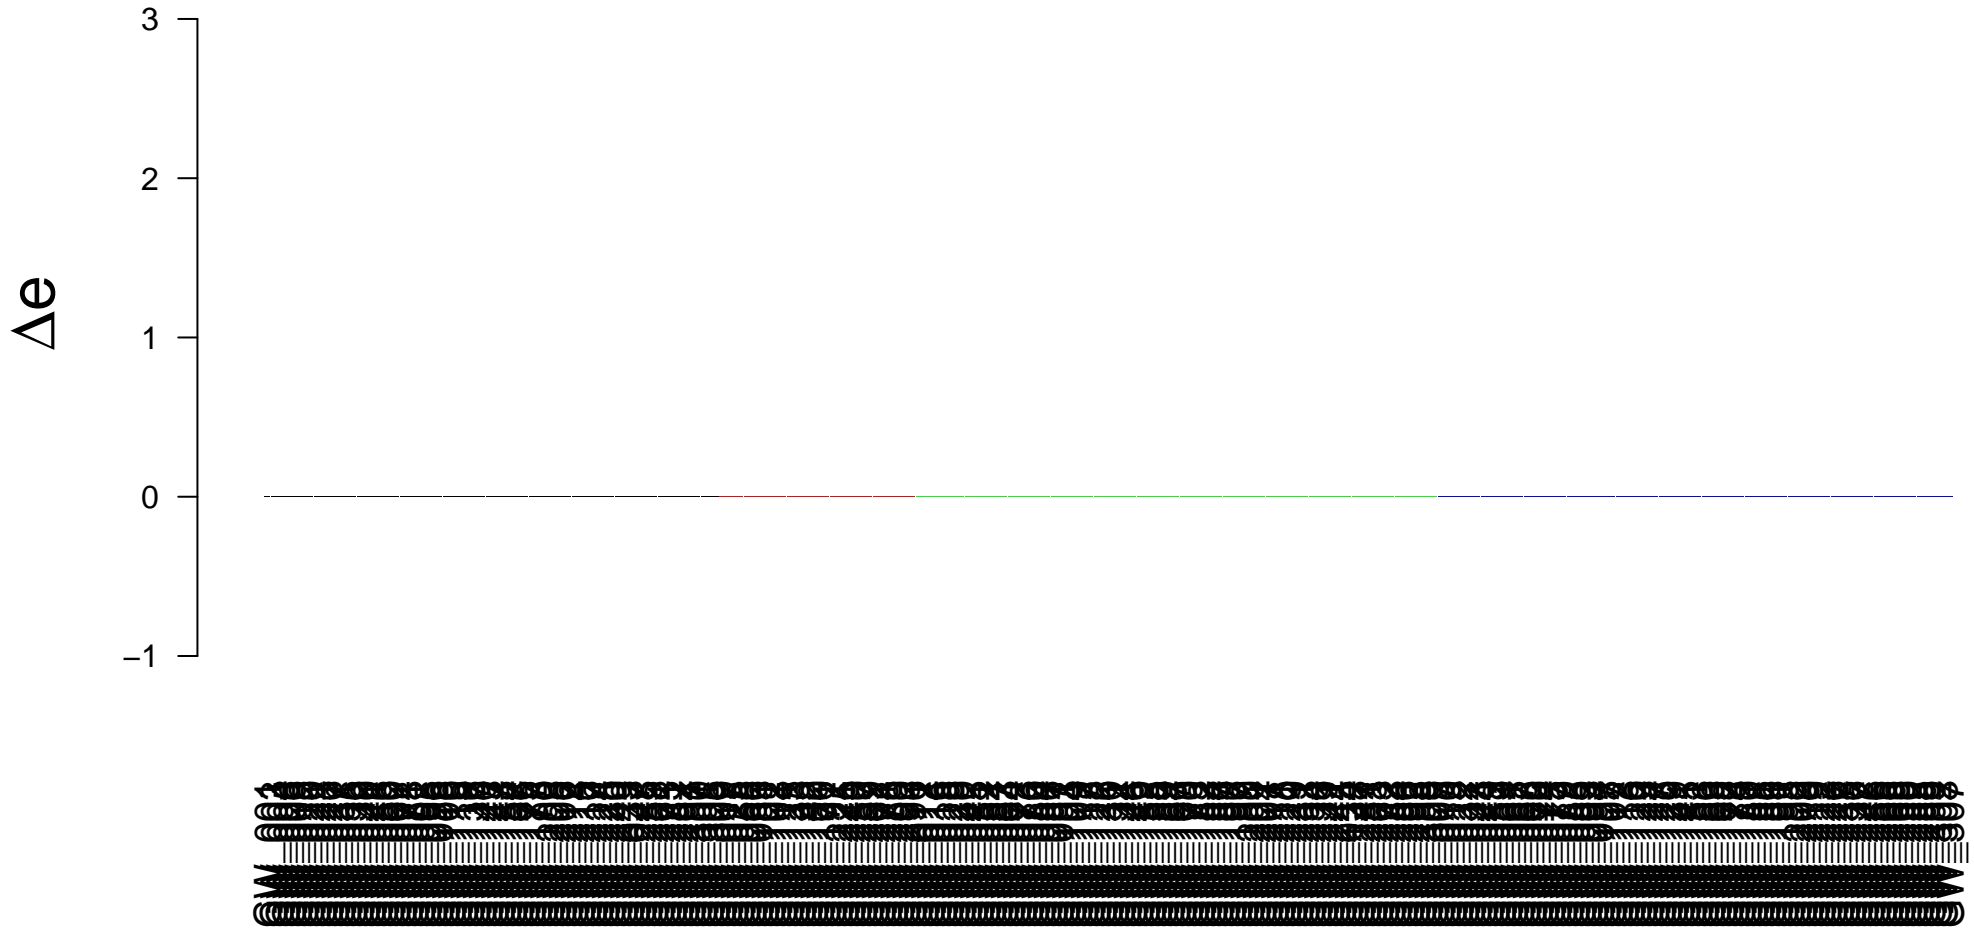

Expression of antigen processing and presentation in Spot C

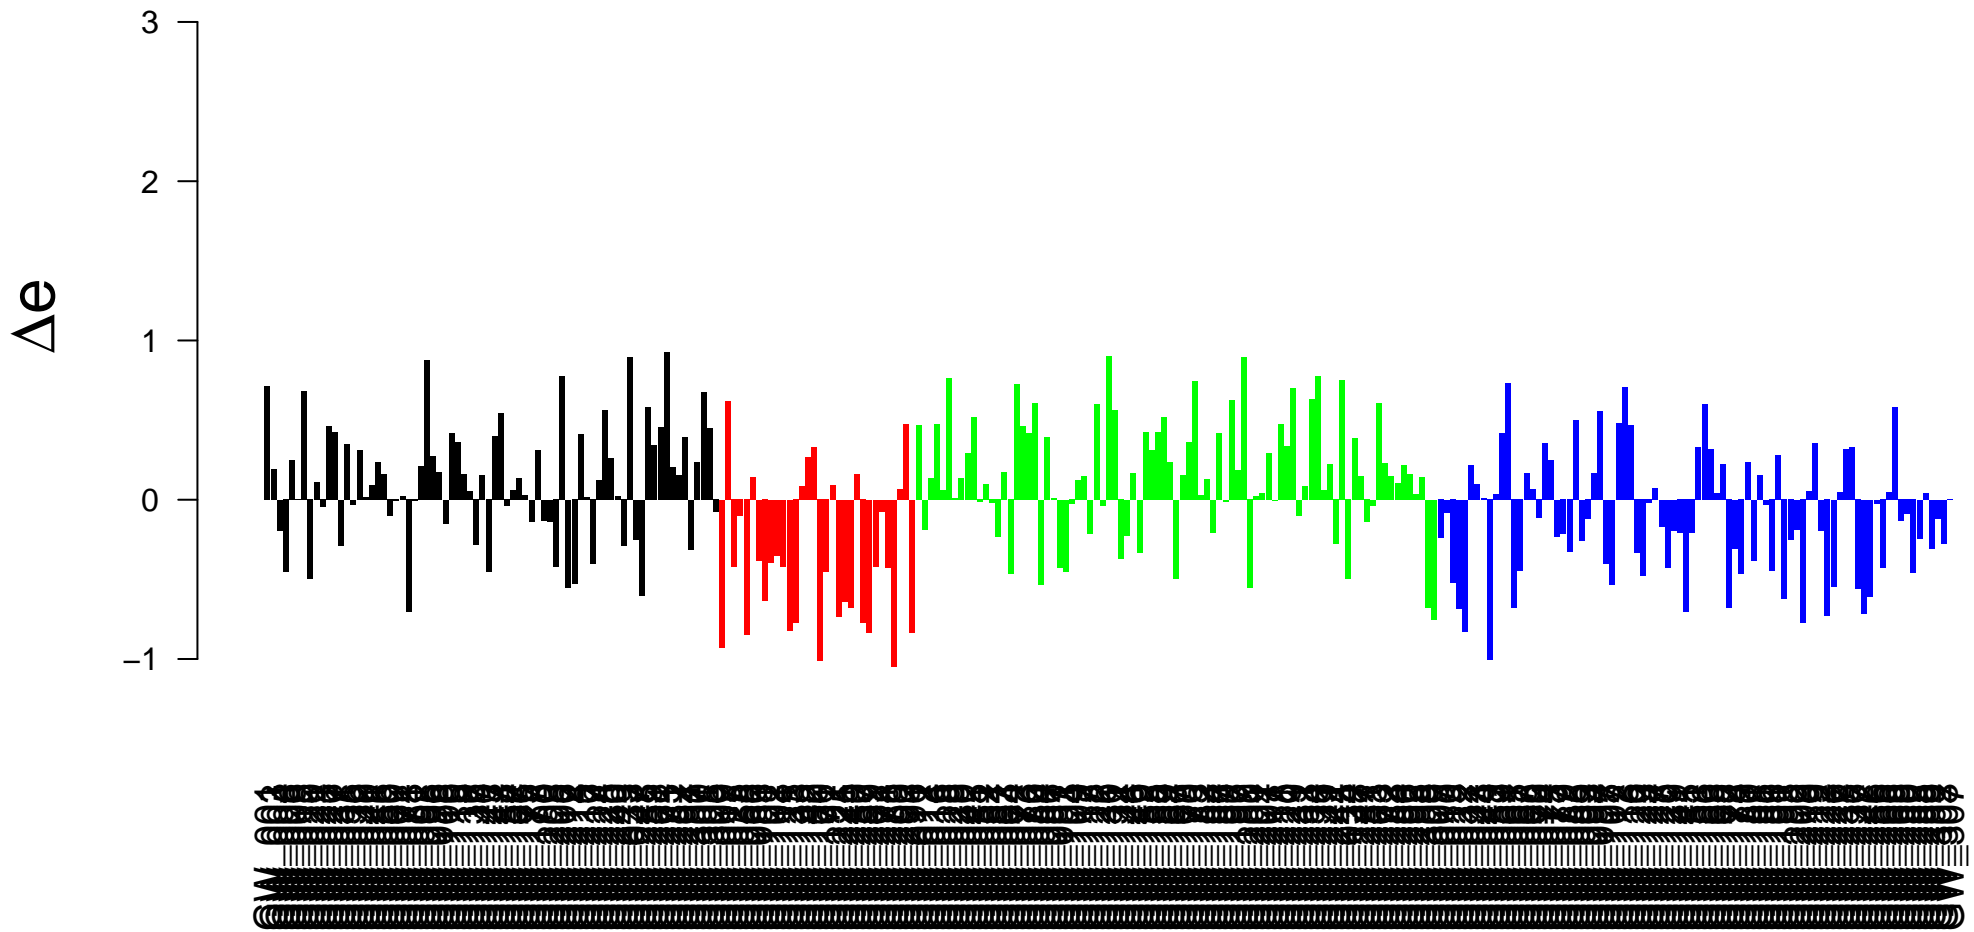

Expression of antigen processing and presentation in Spot D

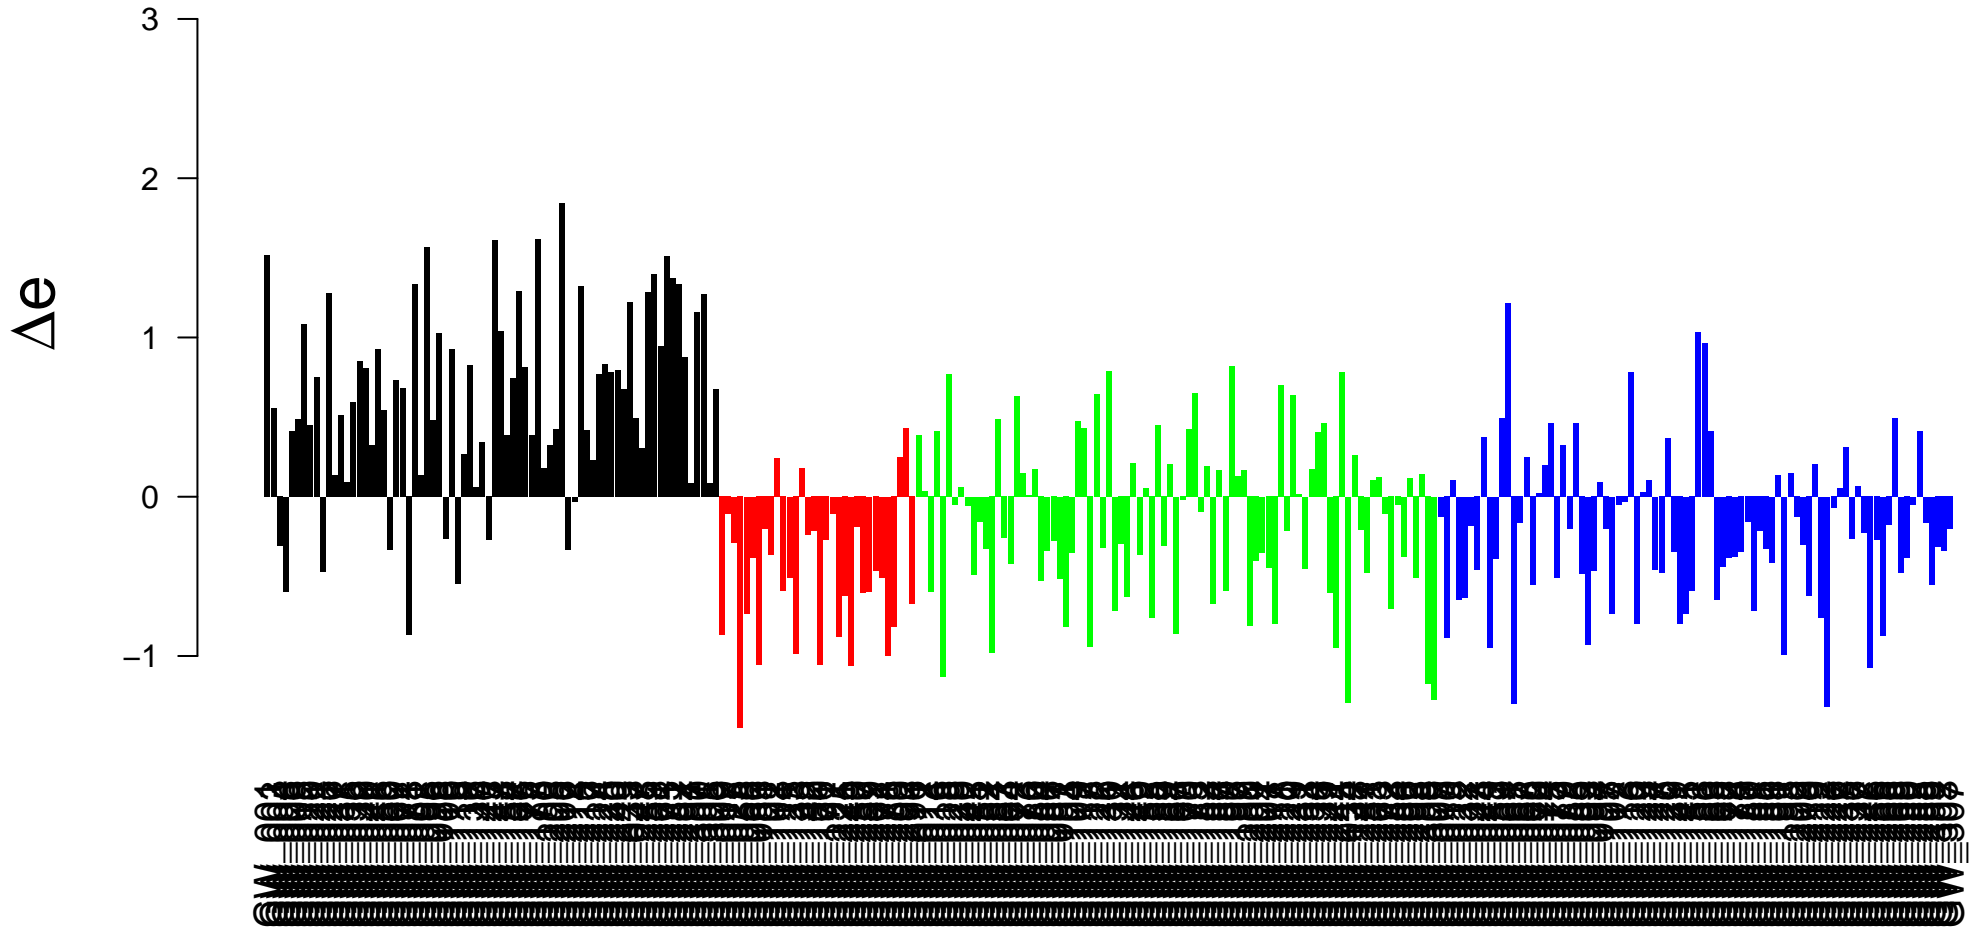

Expression of antigen processing and presentation in Spot E

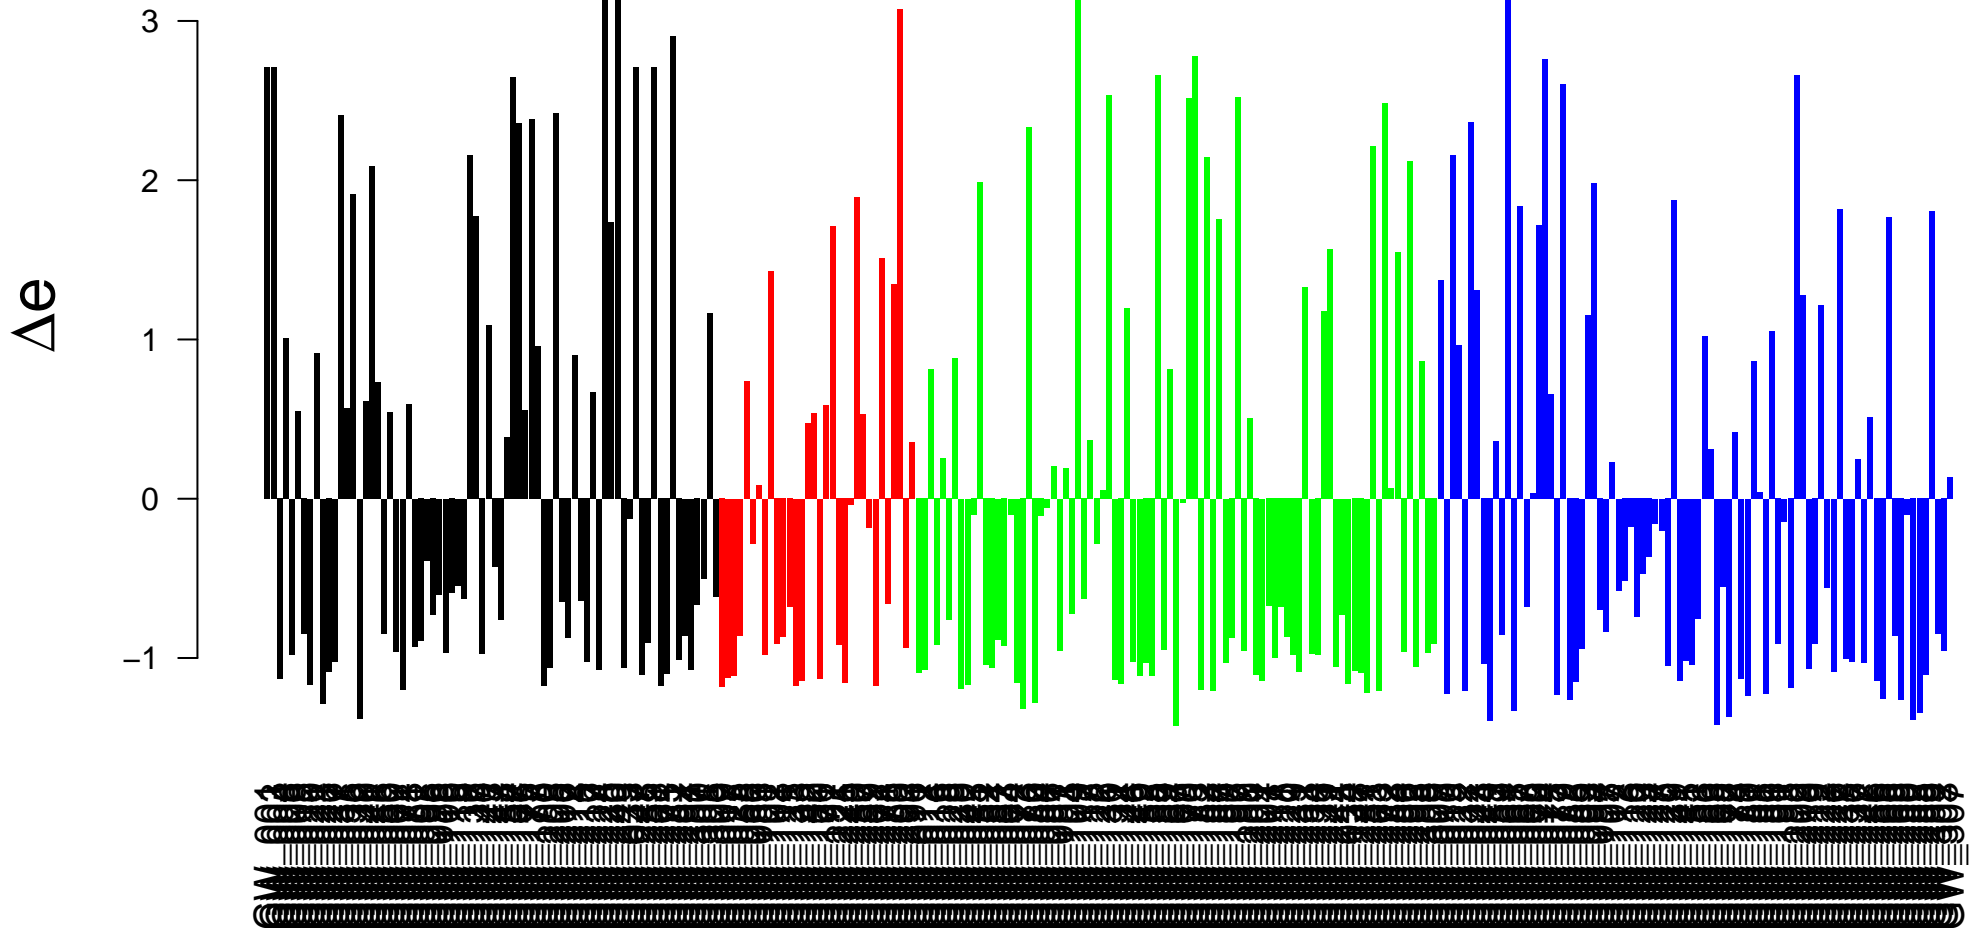

Expression of antigen processing and presentation in Spot F

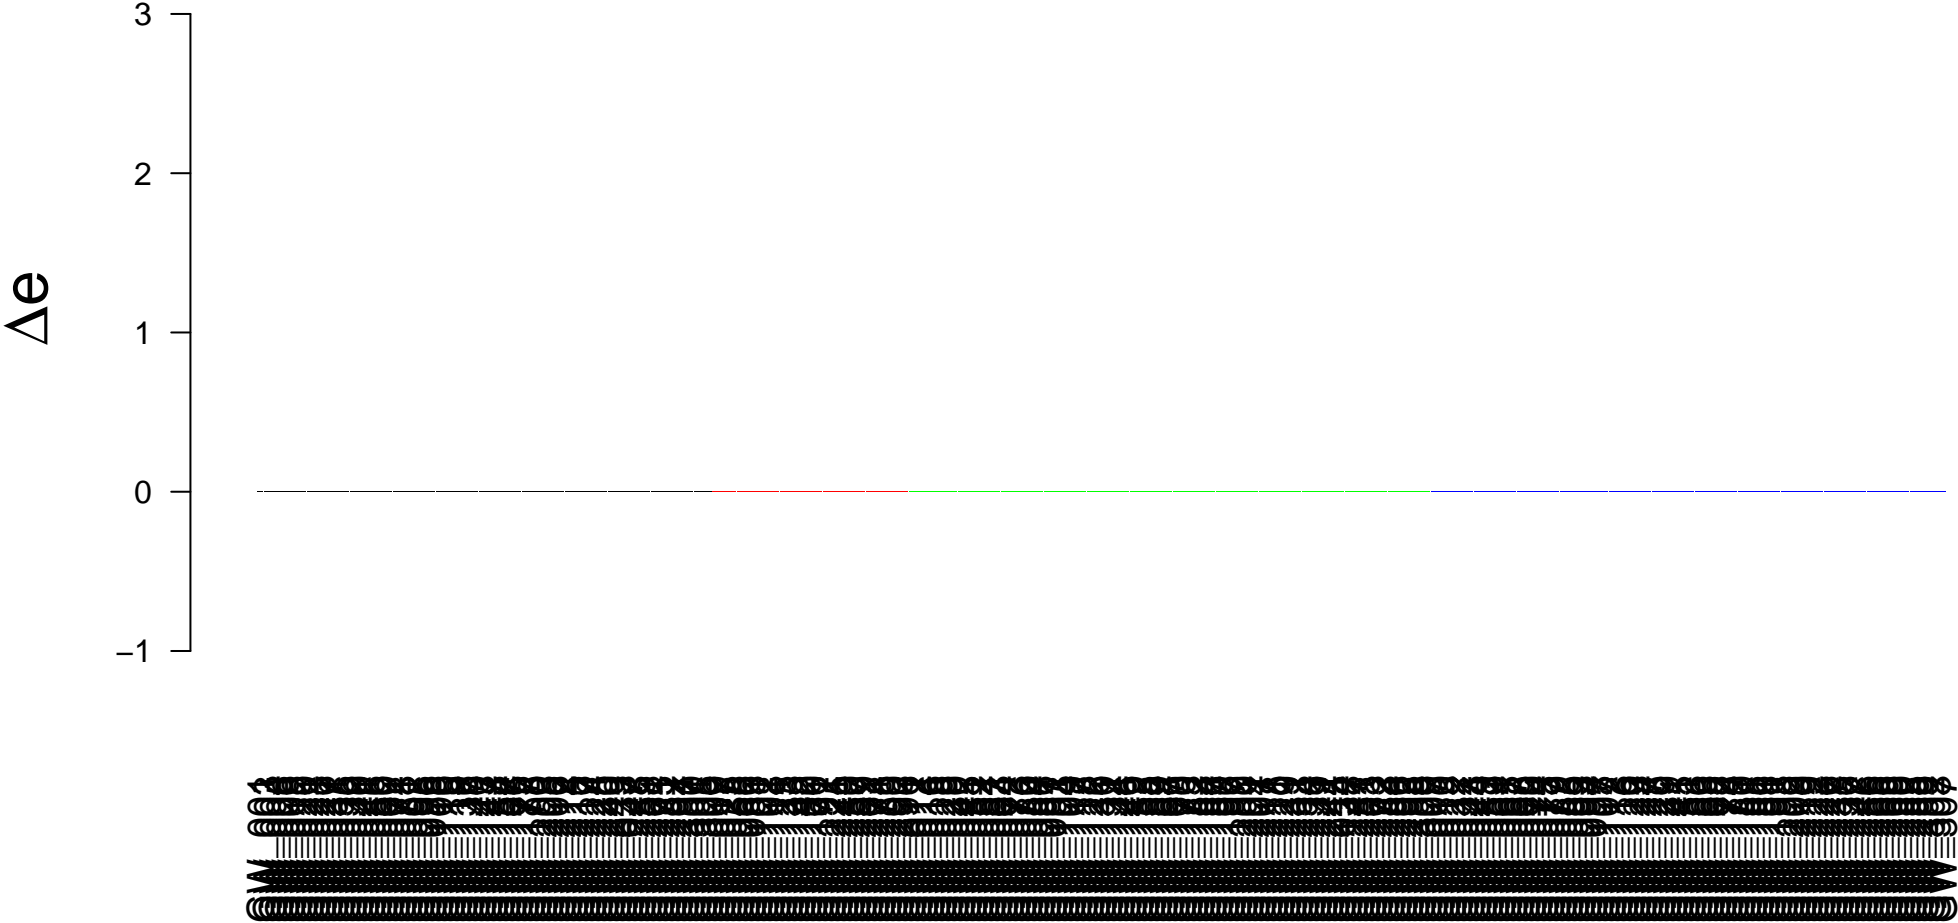

Expression of antigen processing and presentation in Spot G

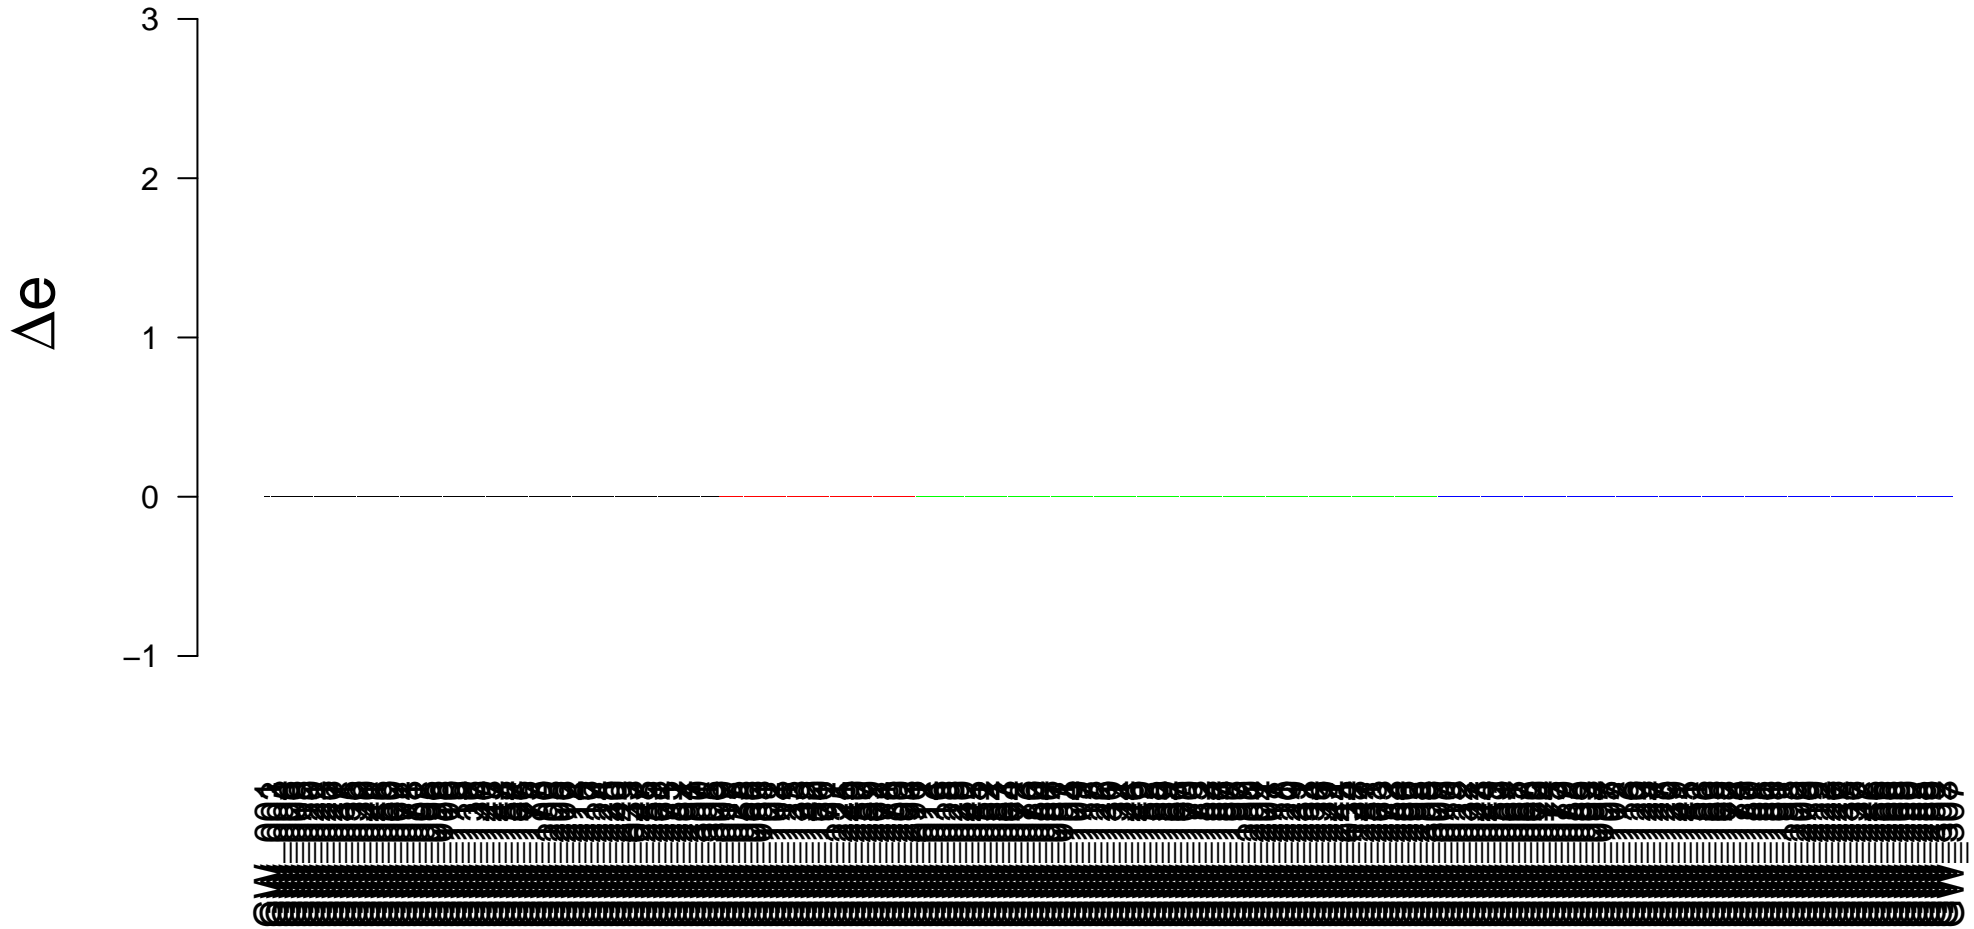

Expression of antigen processing and presentation in Spot H

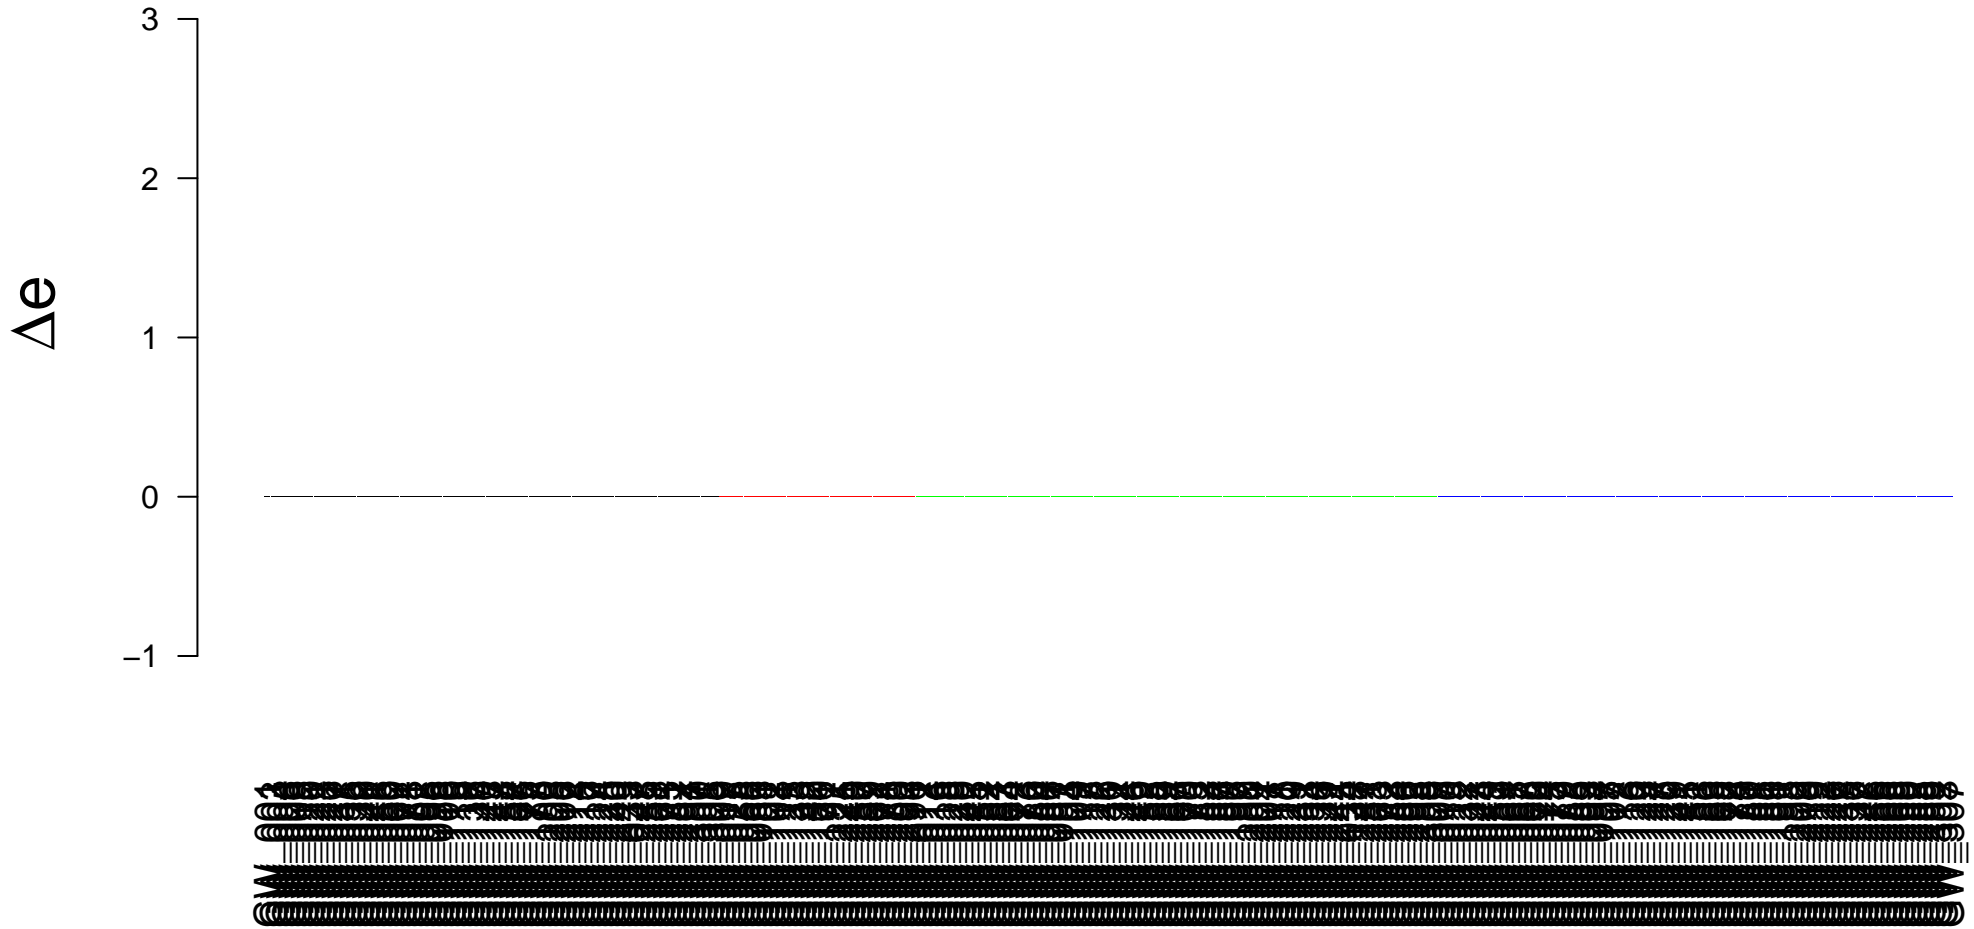

Expression of antigen processing and presentation in Spot I

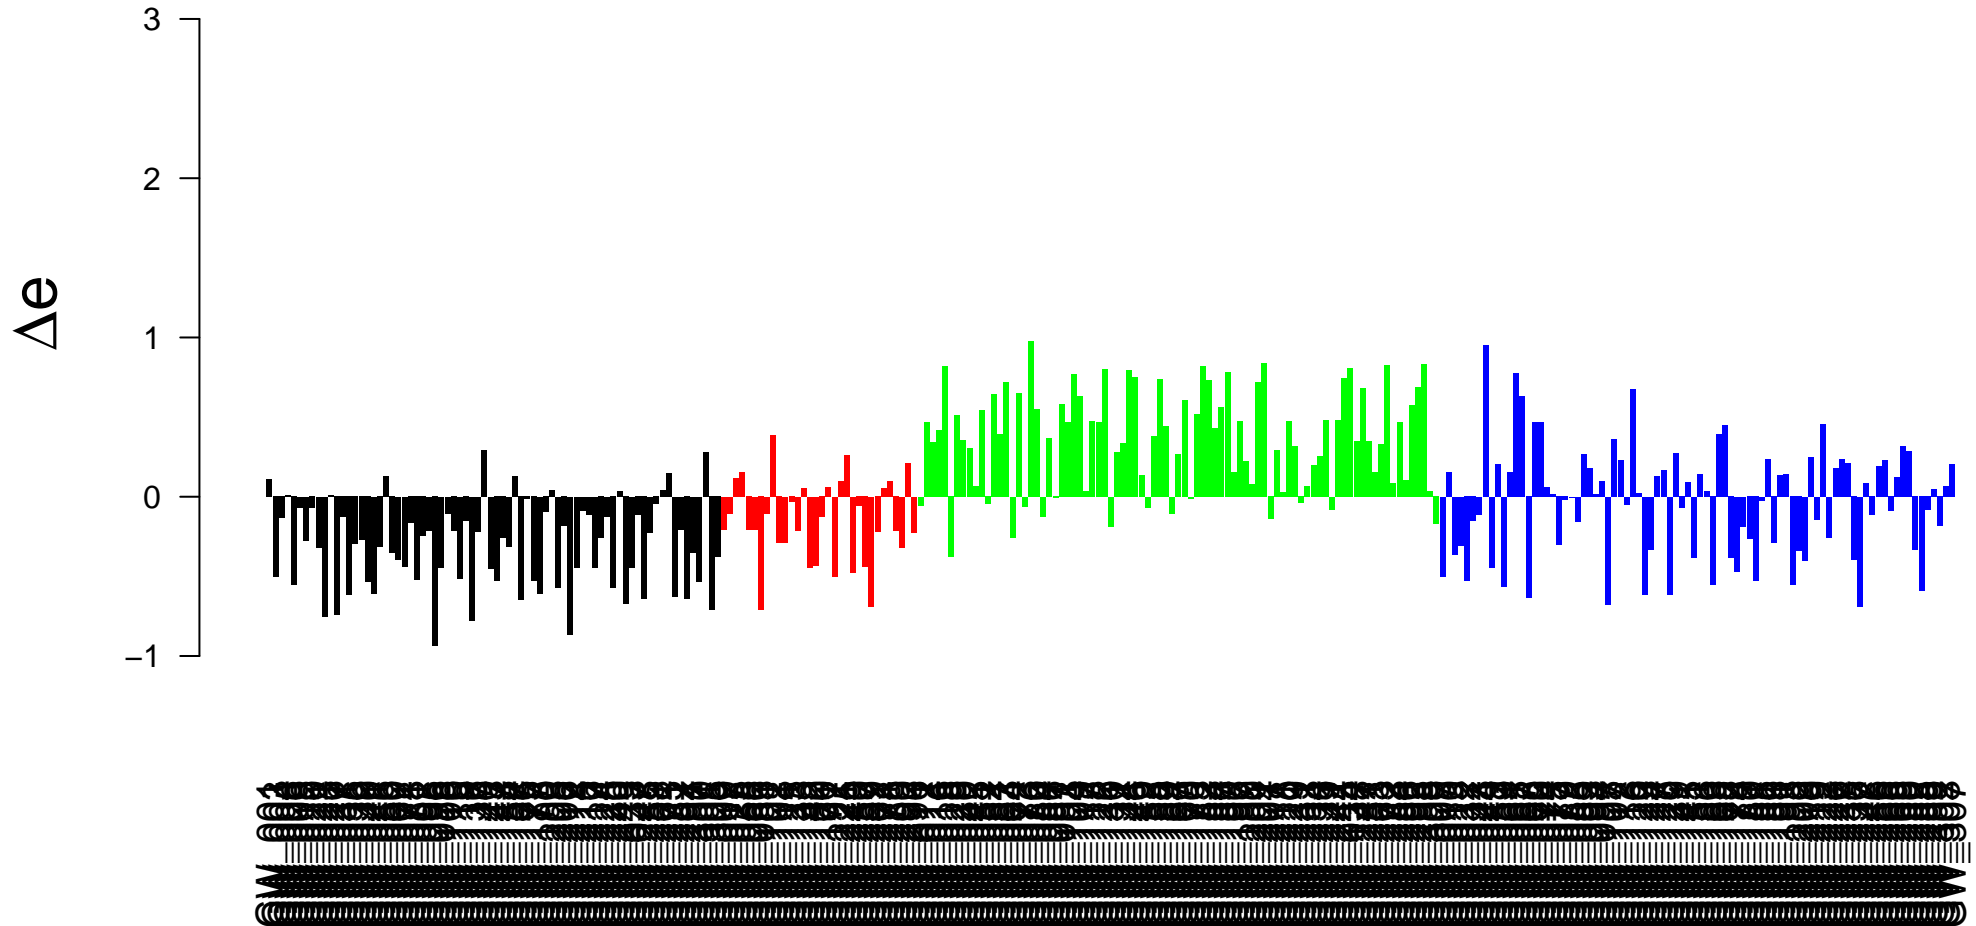

Expression of antigen processing and presentation in Spot J

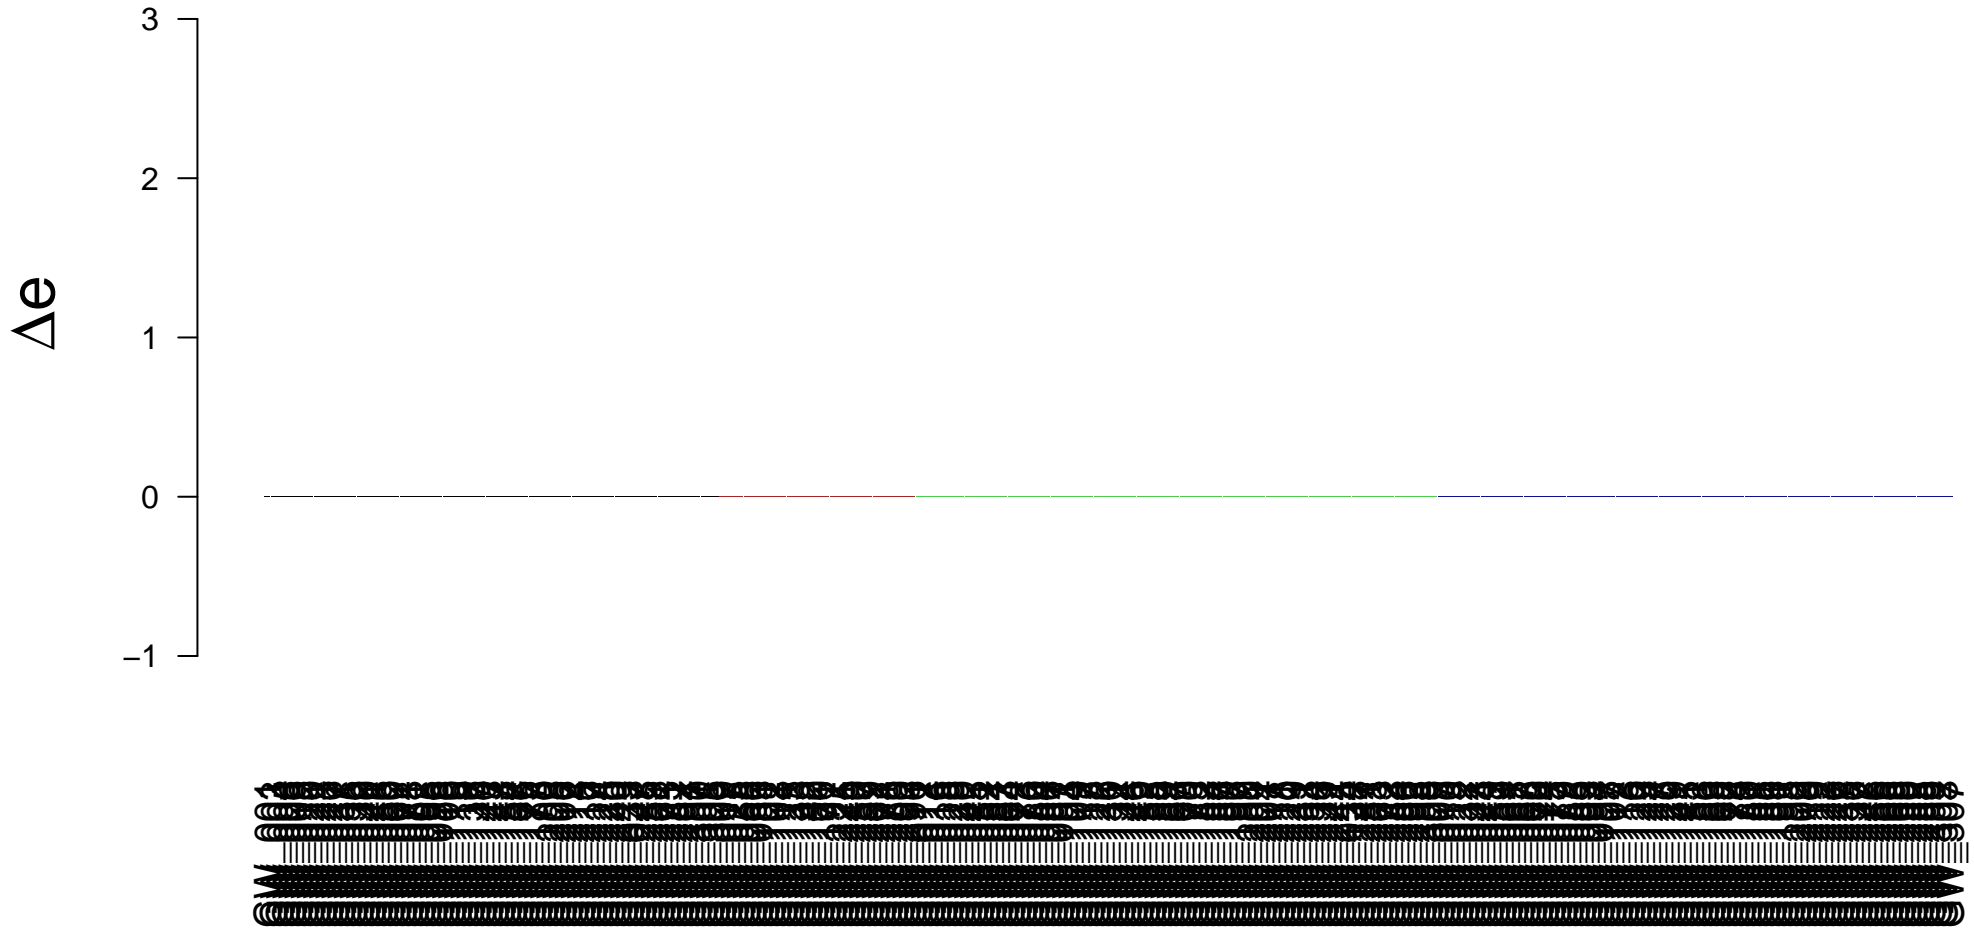

Expression of antigen processing and presentation in Spot K

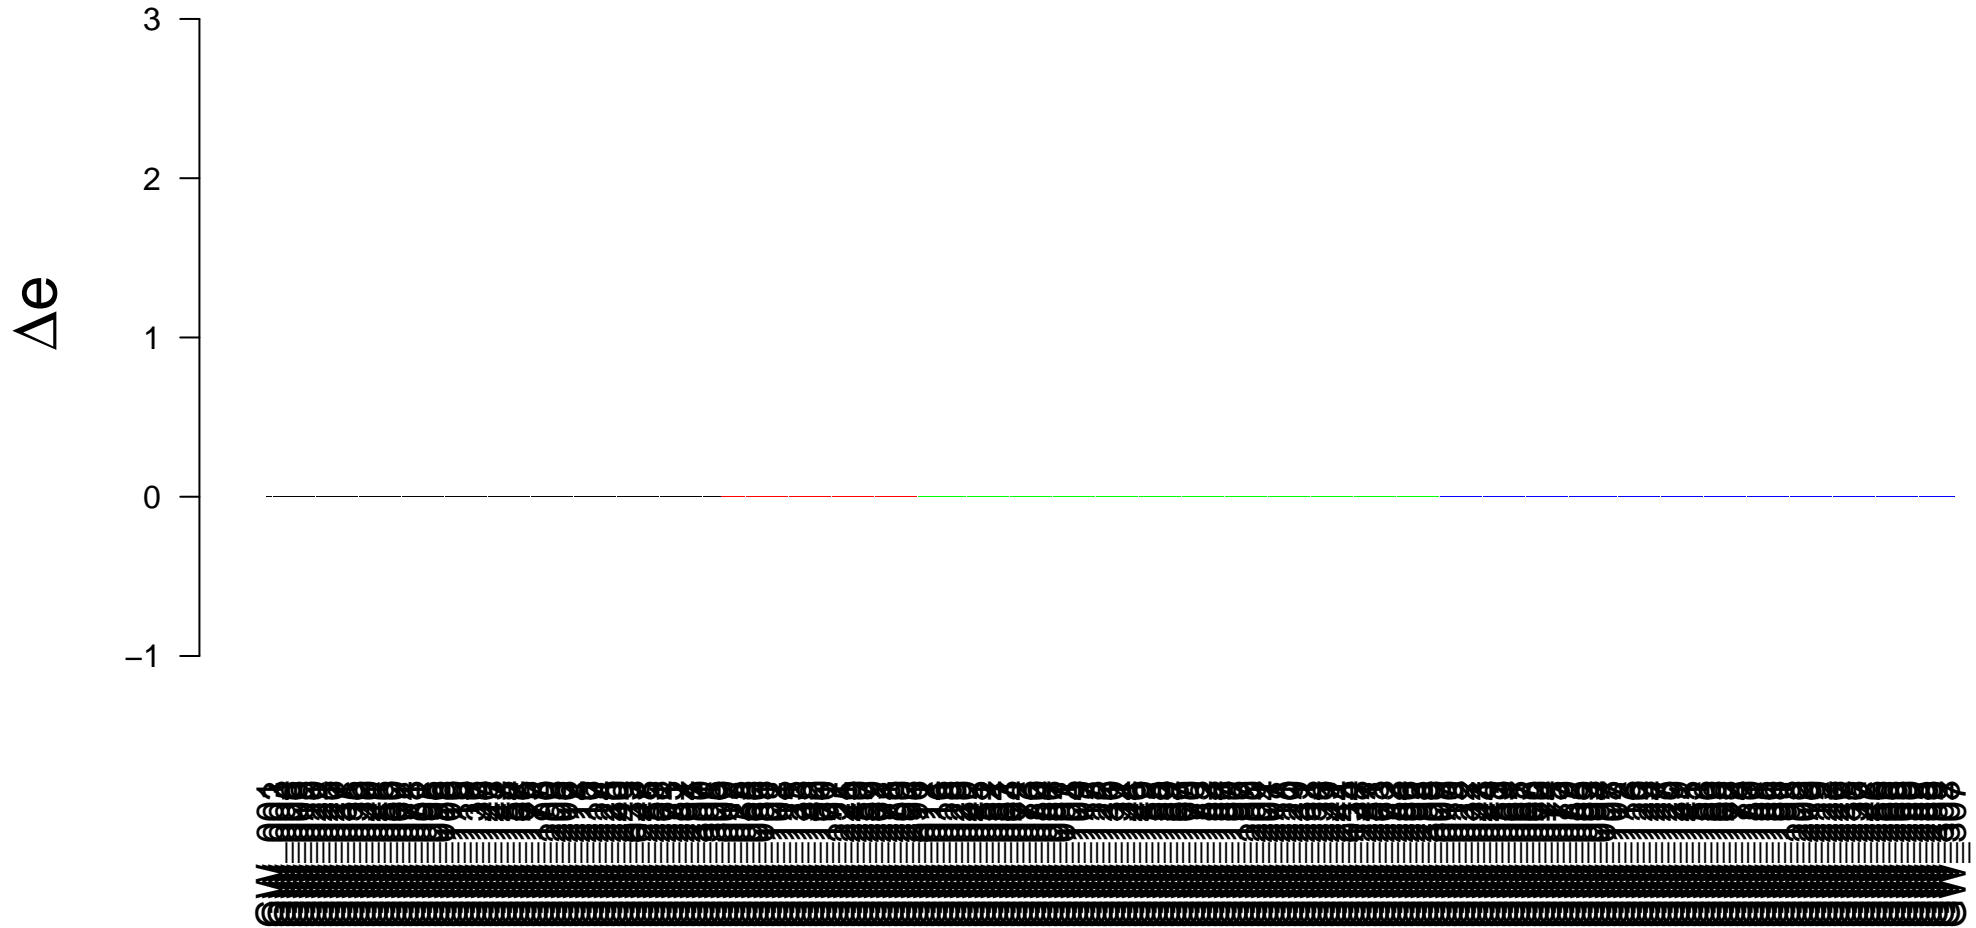

Expression of antigen processing and presentation in Spot L

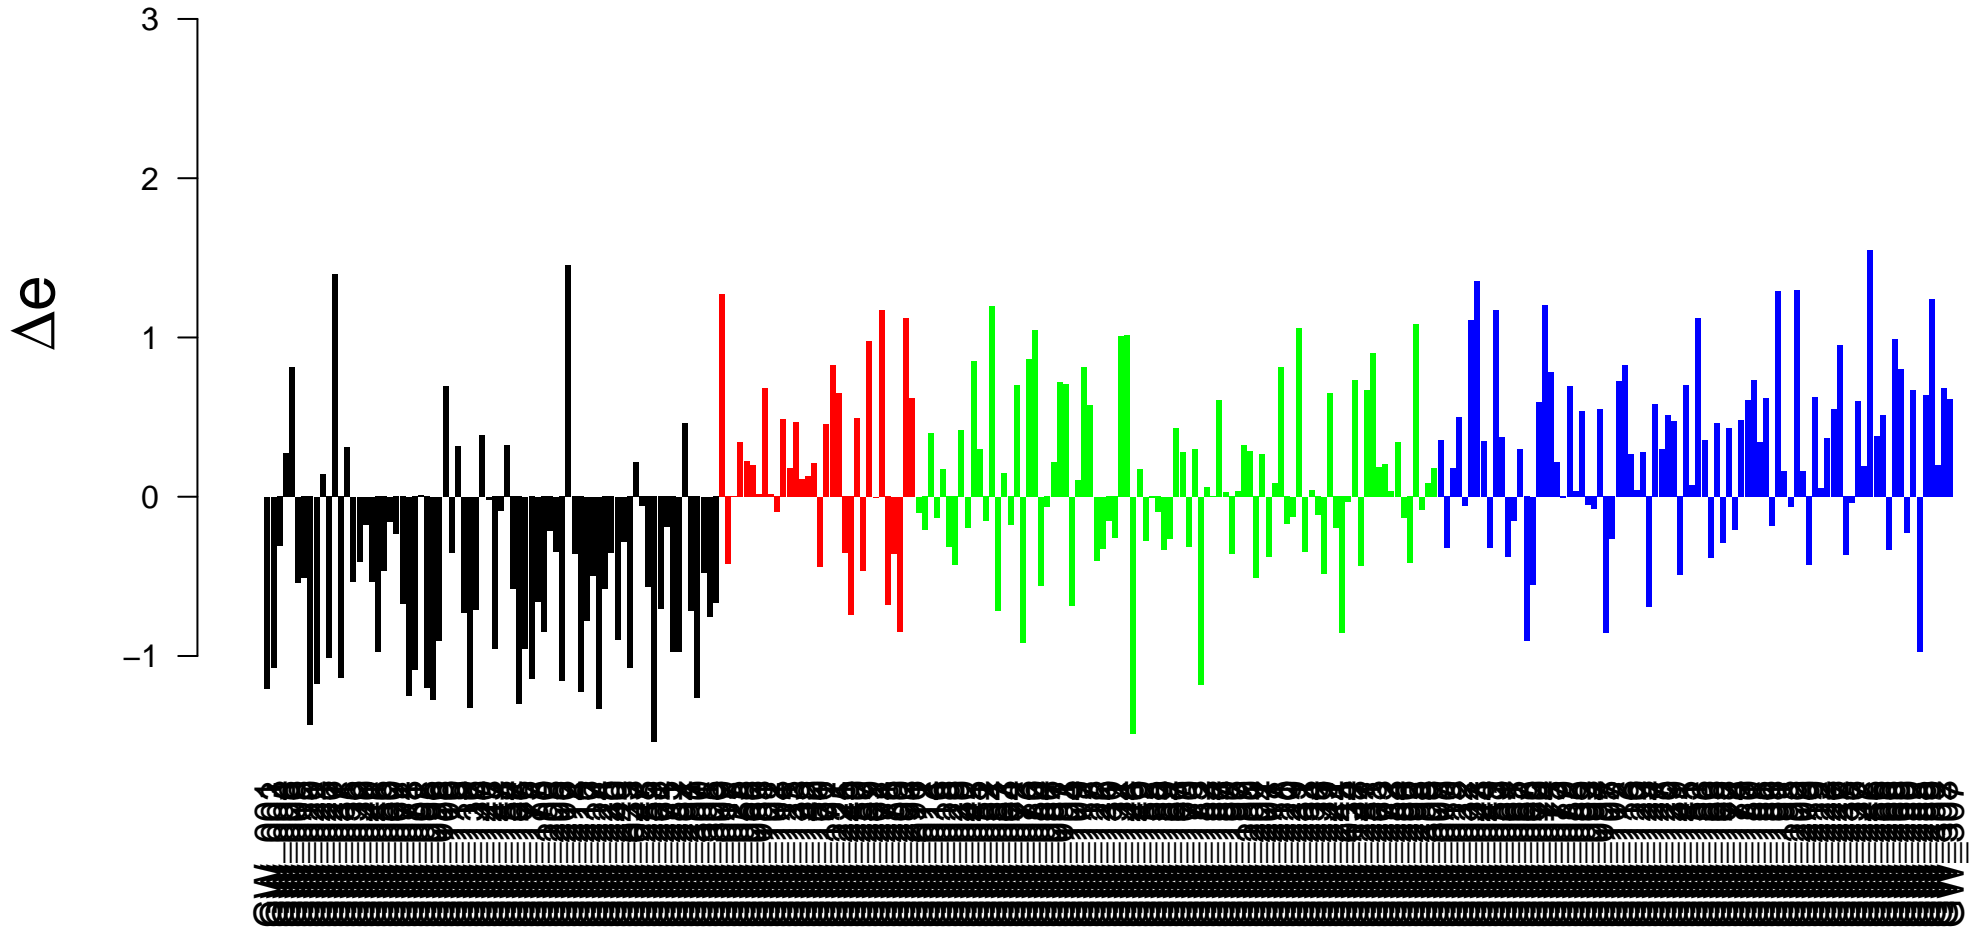

Expression of antigen processing and presentation in Spot M

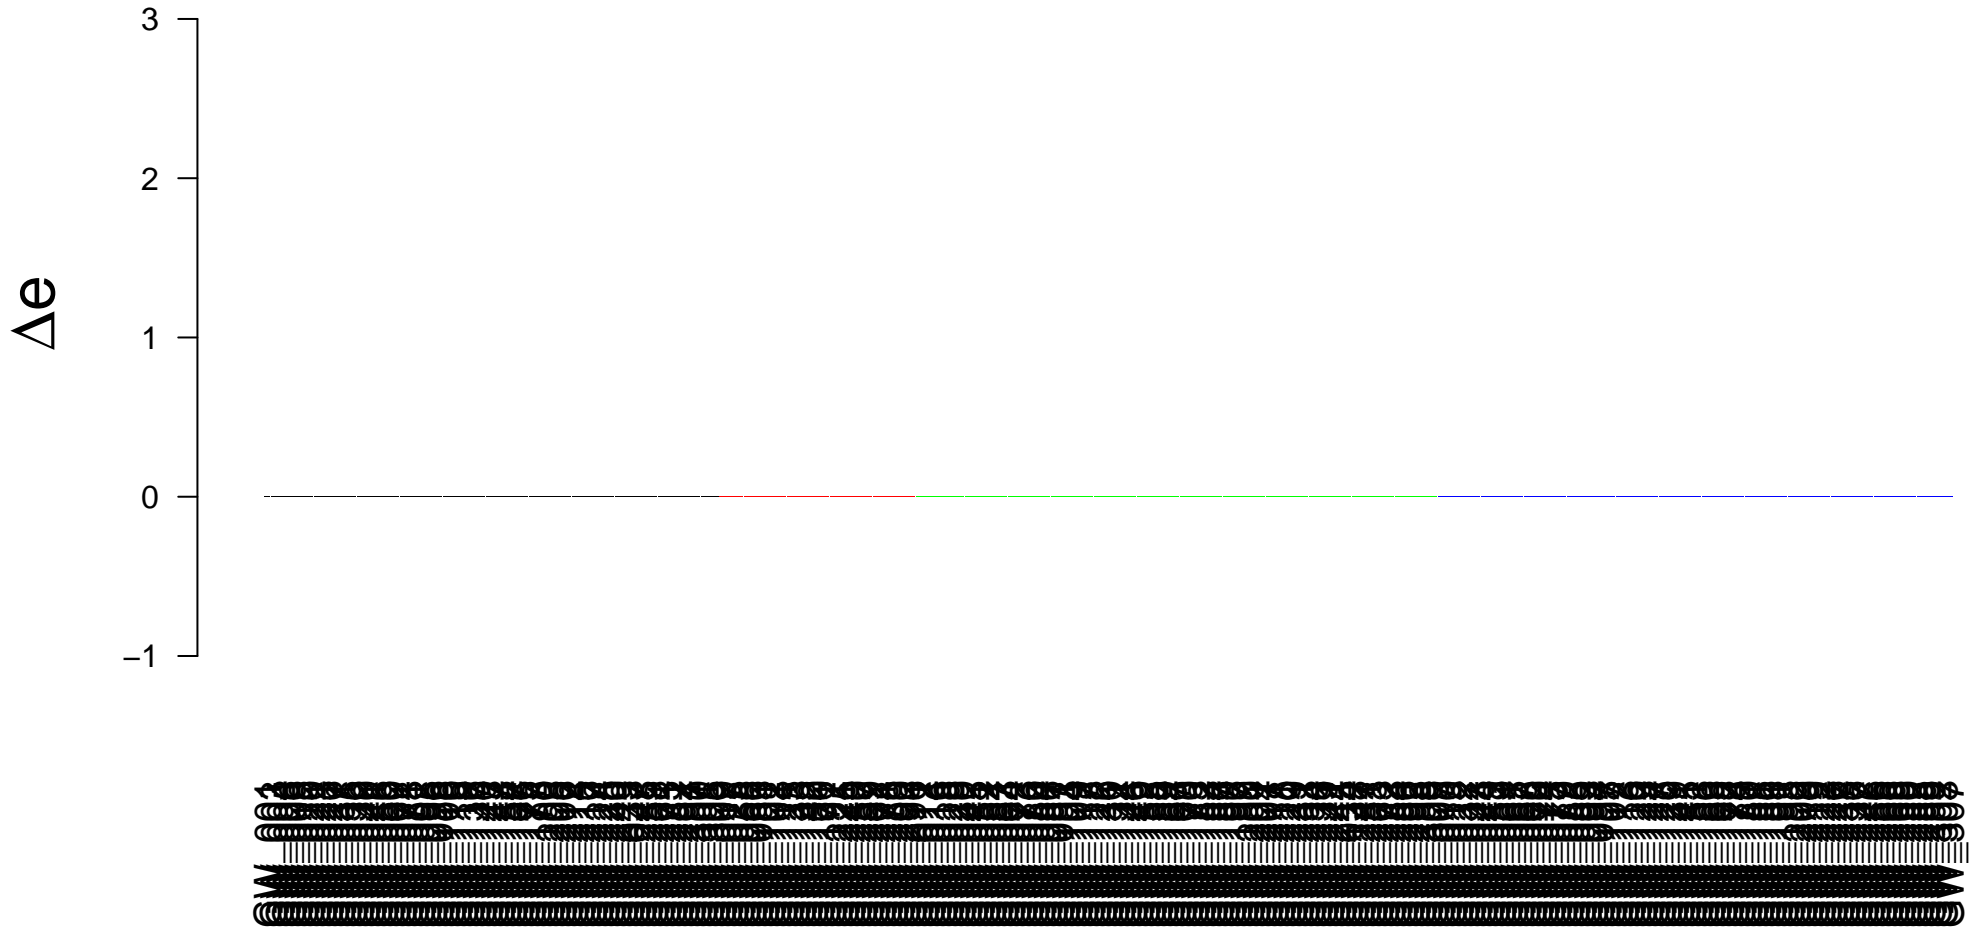

Expression of antigen processing and presentation in Spot N

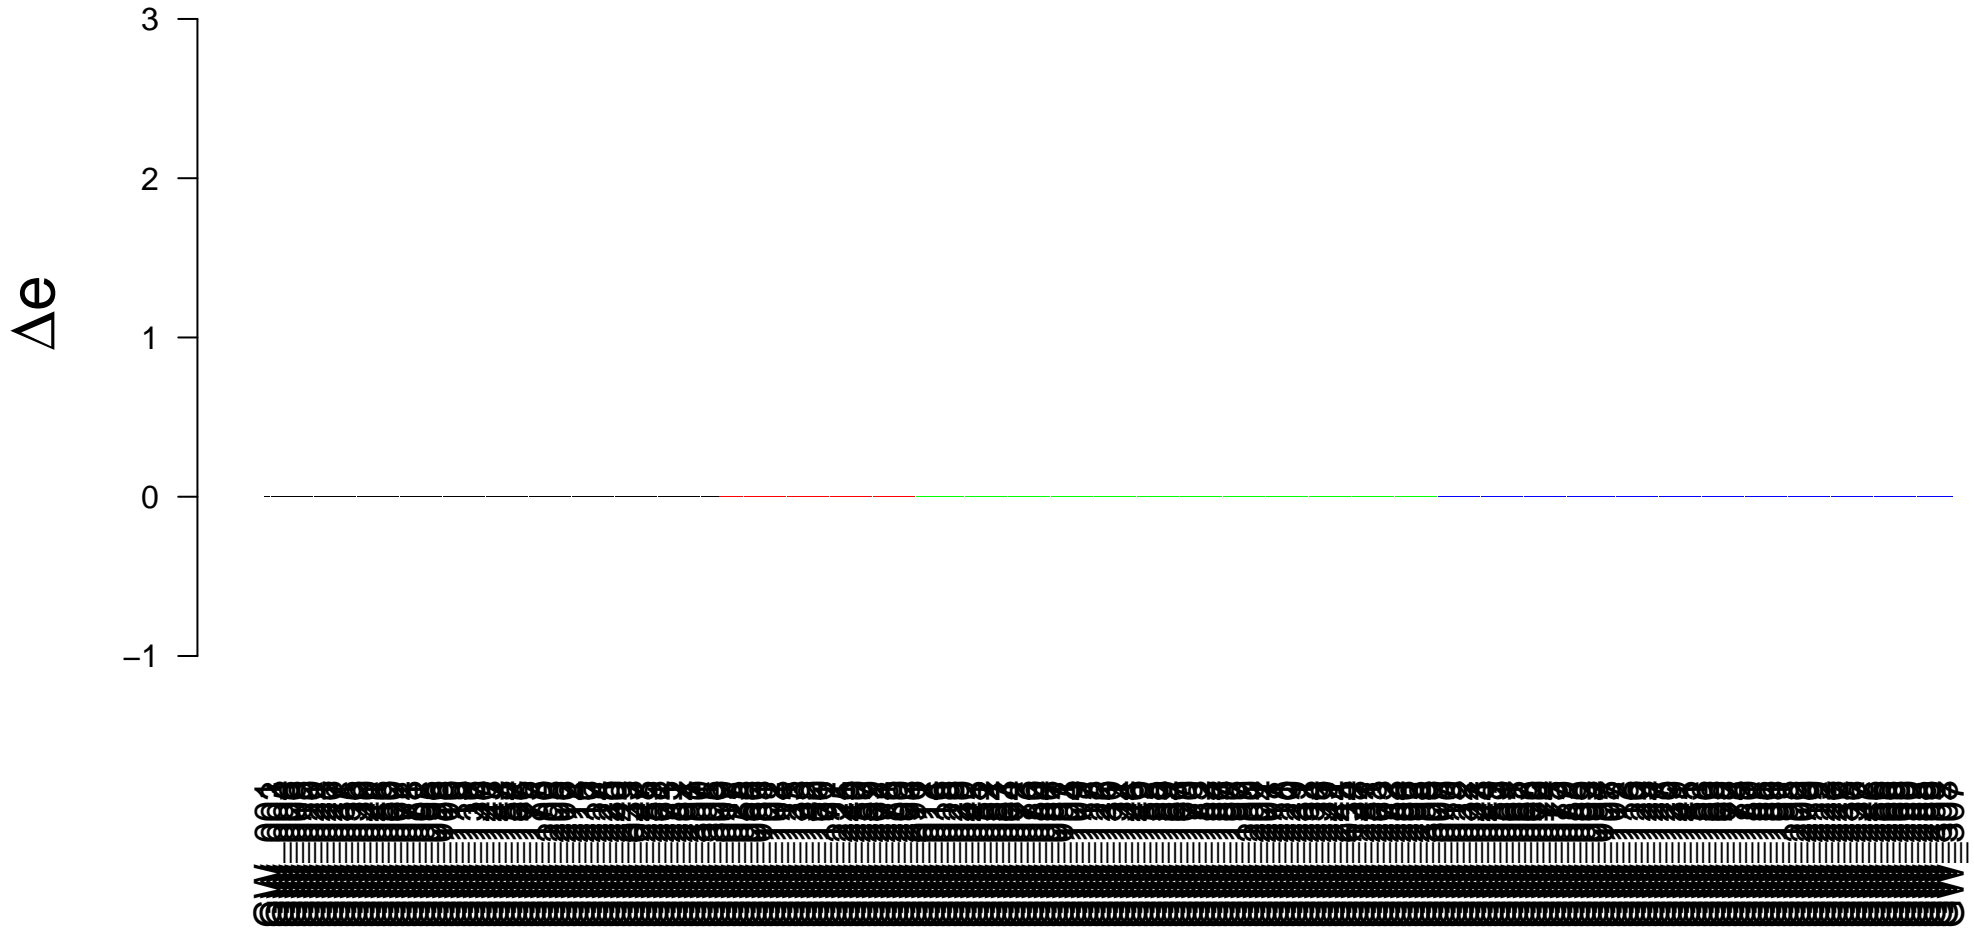

Expression of antigen processing and presentation in Spot O

Expression of antigen processing and presentation in Spot P

Expression of antigen processing and presentation in Spot Q

Expression of antigen processing and presentation in Spot R
