

apoptotic DNA fragmentation

apoptotic DNA fragmentation

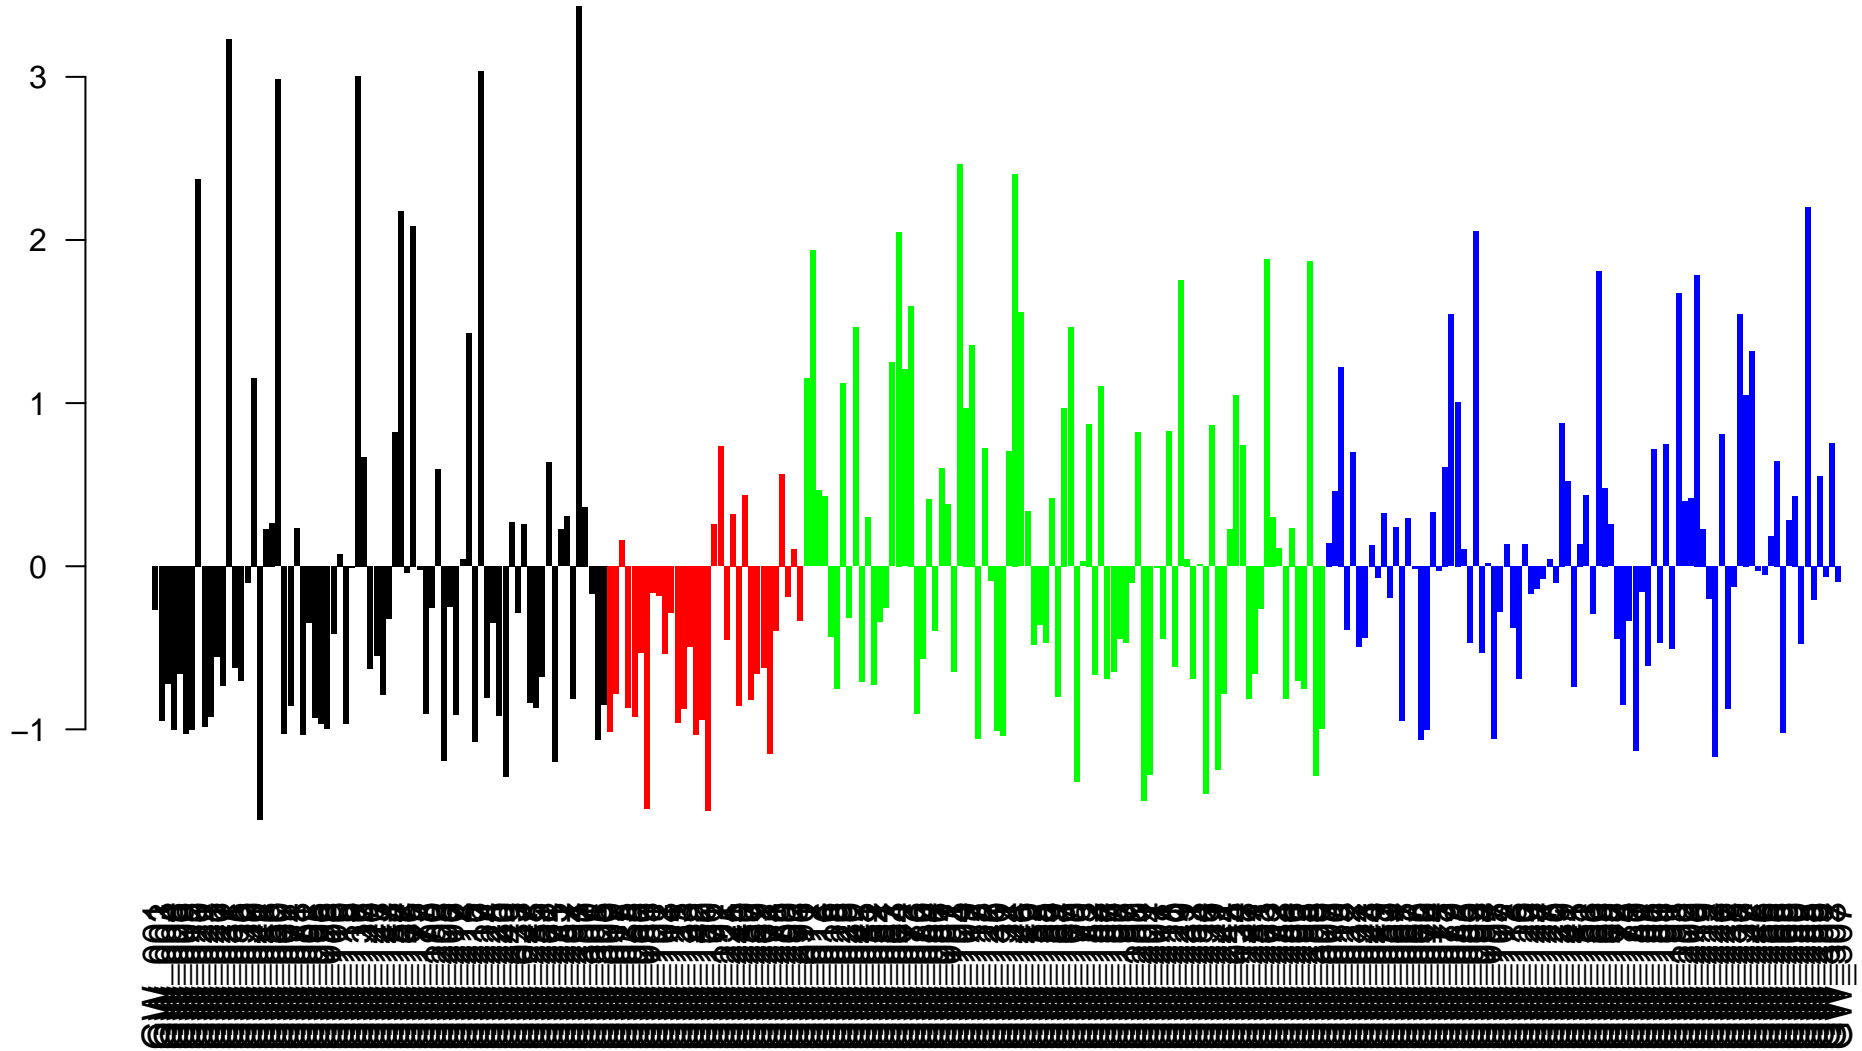

Enrichment in spots: apoptotic DNA fragmentation

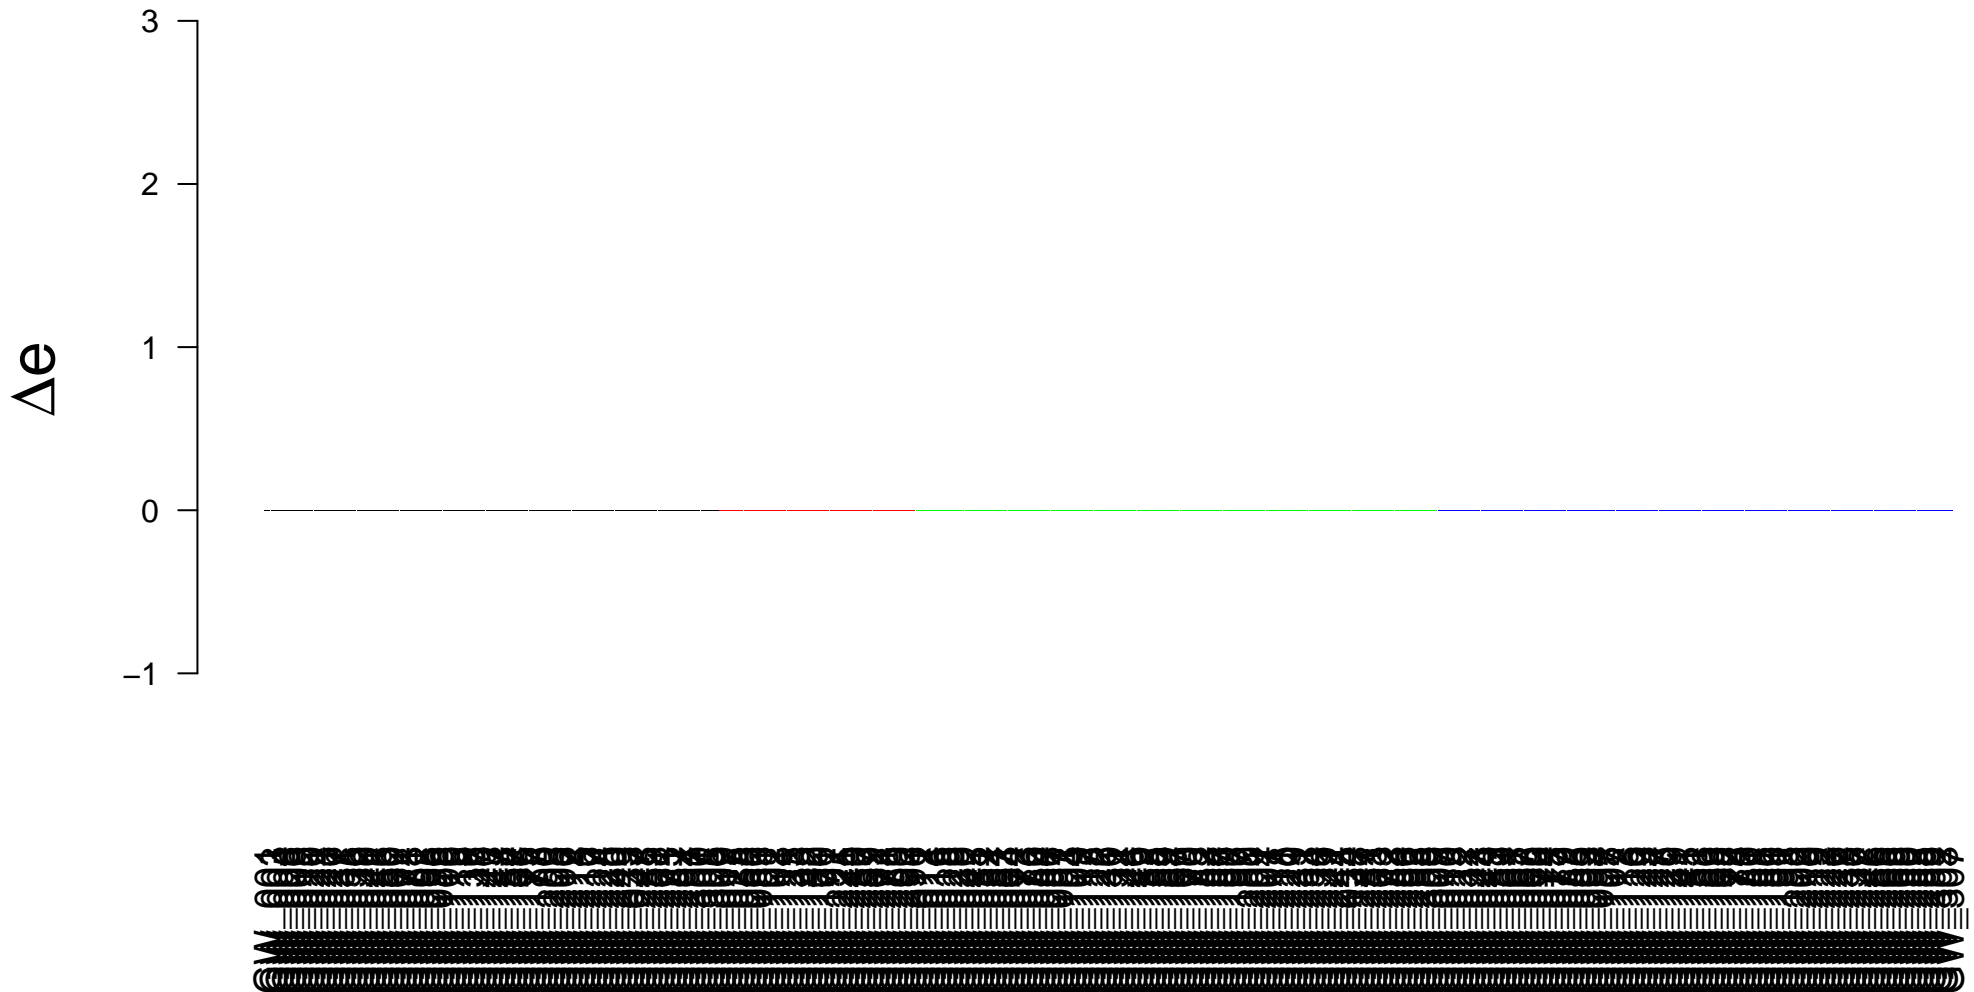

Expression of apoptotic DNA fragmentation in Spot A

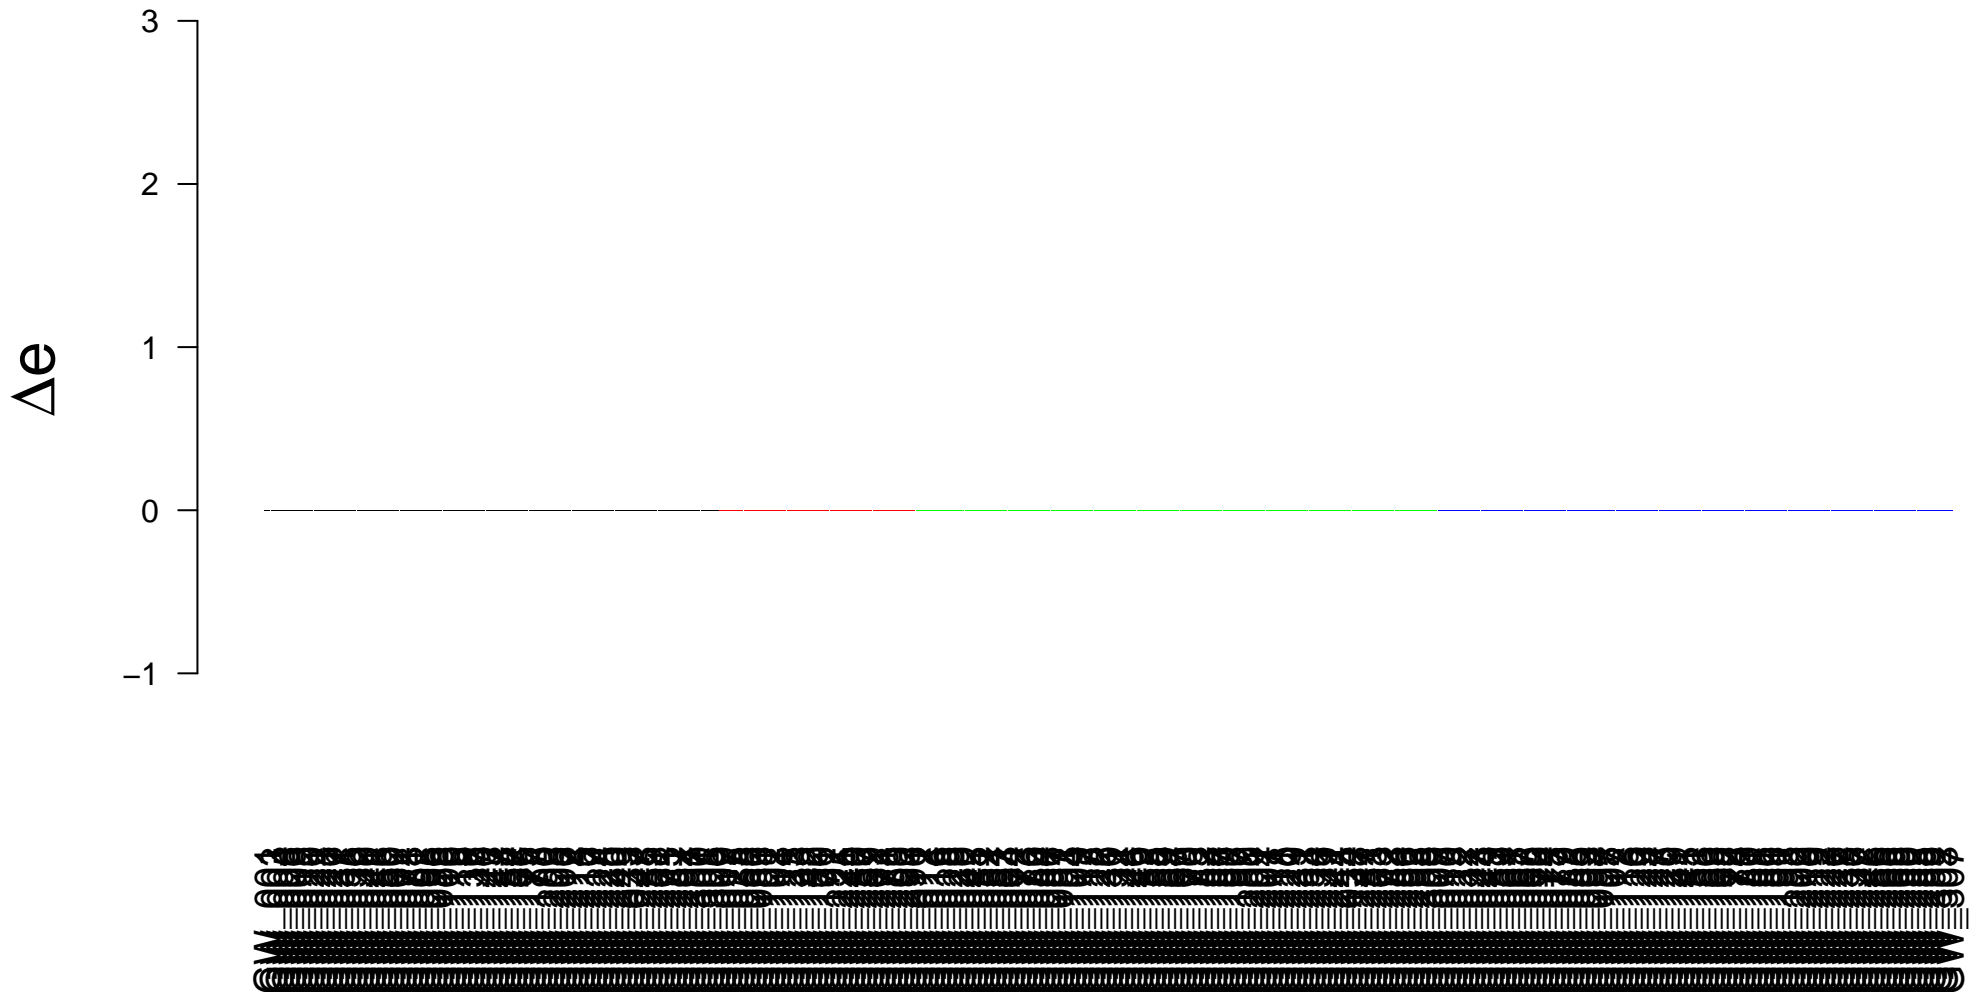

Δe

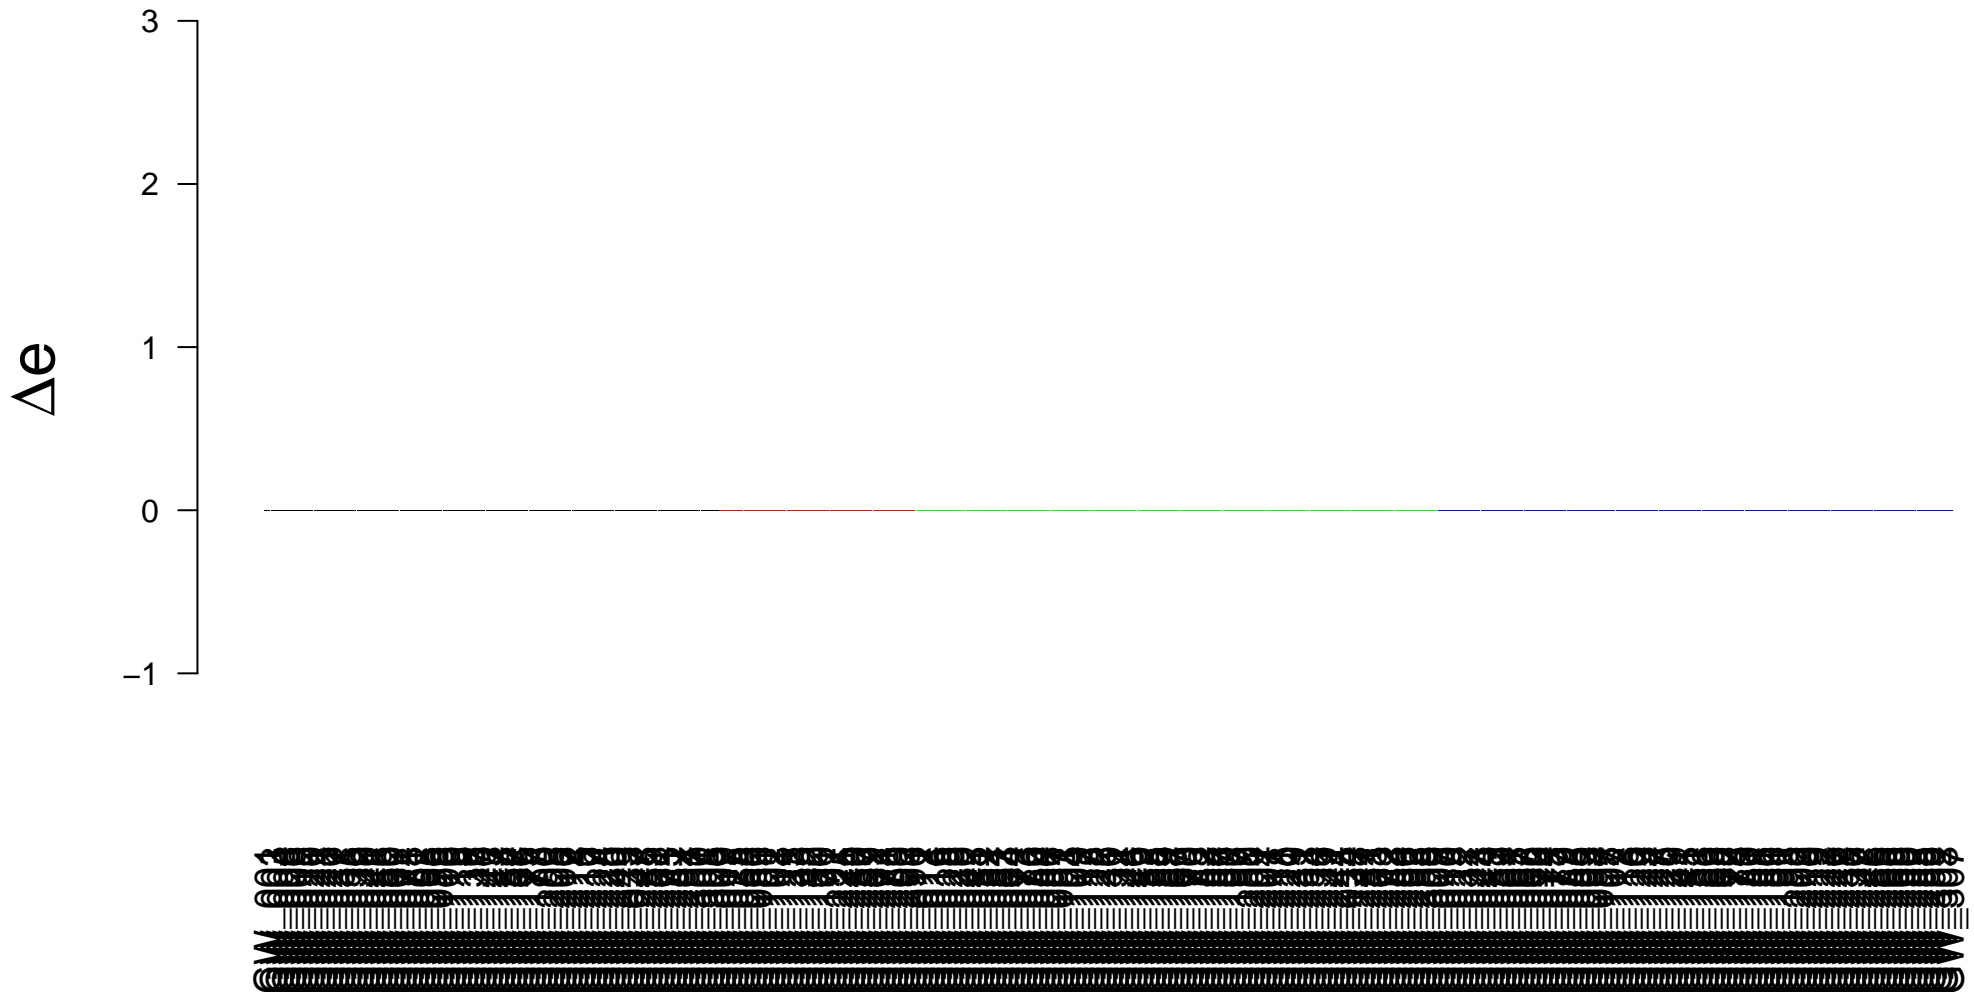

Expression of apoptotic DNA fragmentation in Spot B

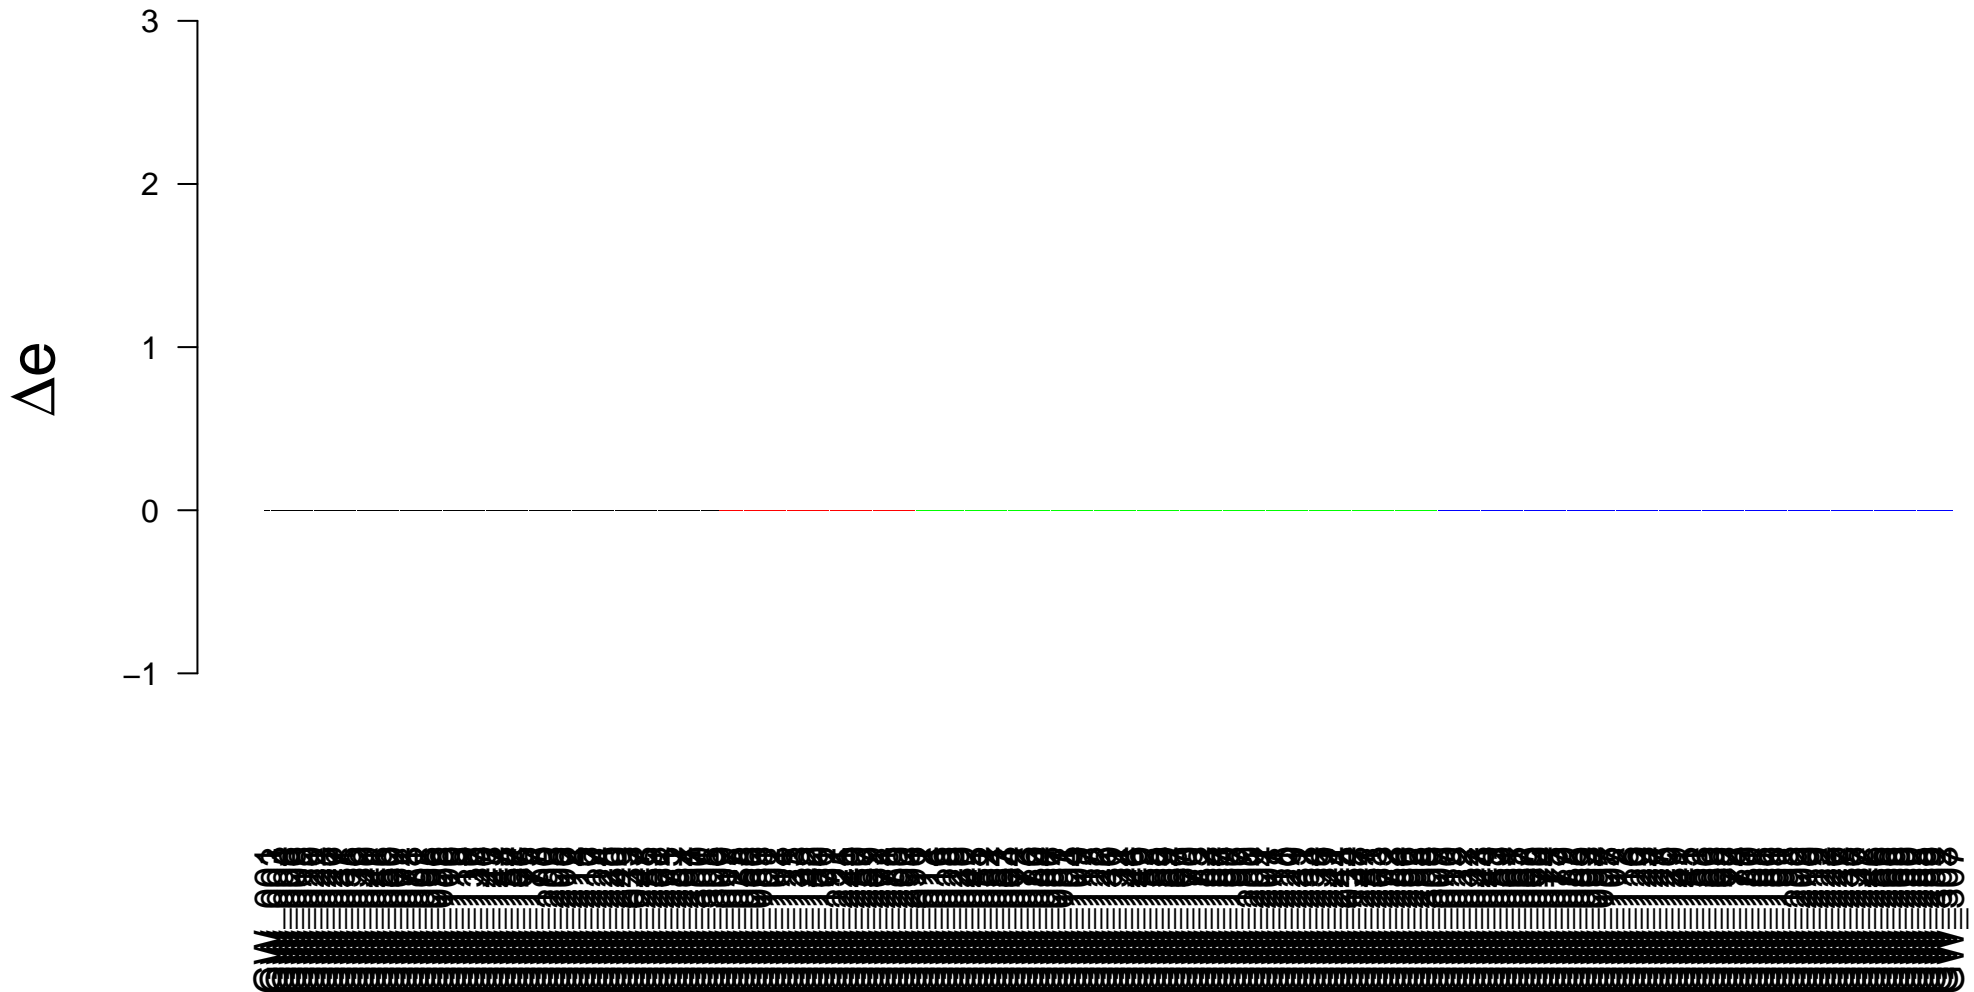

Expression of apoptotic DNA fragmentation in Spot C

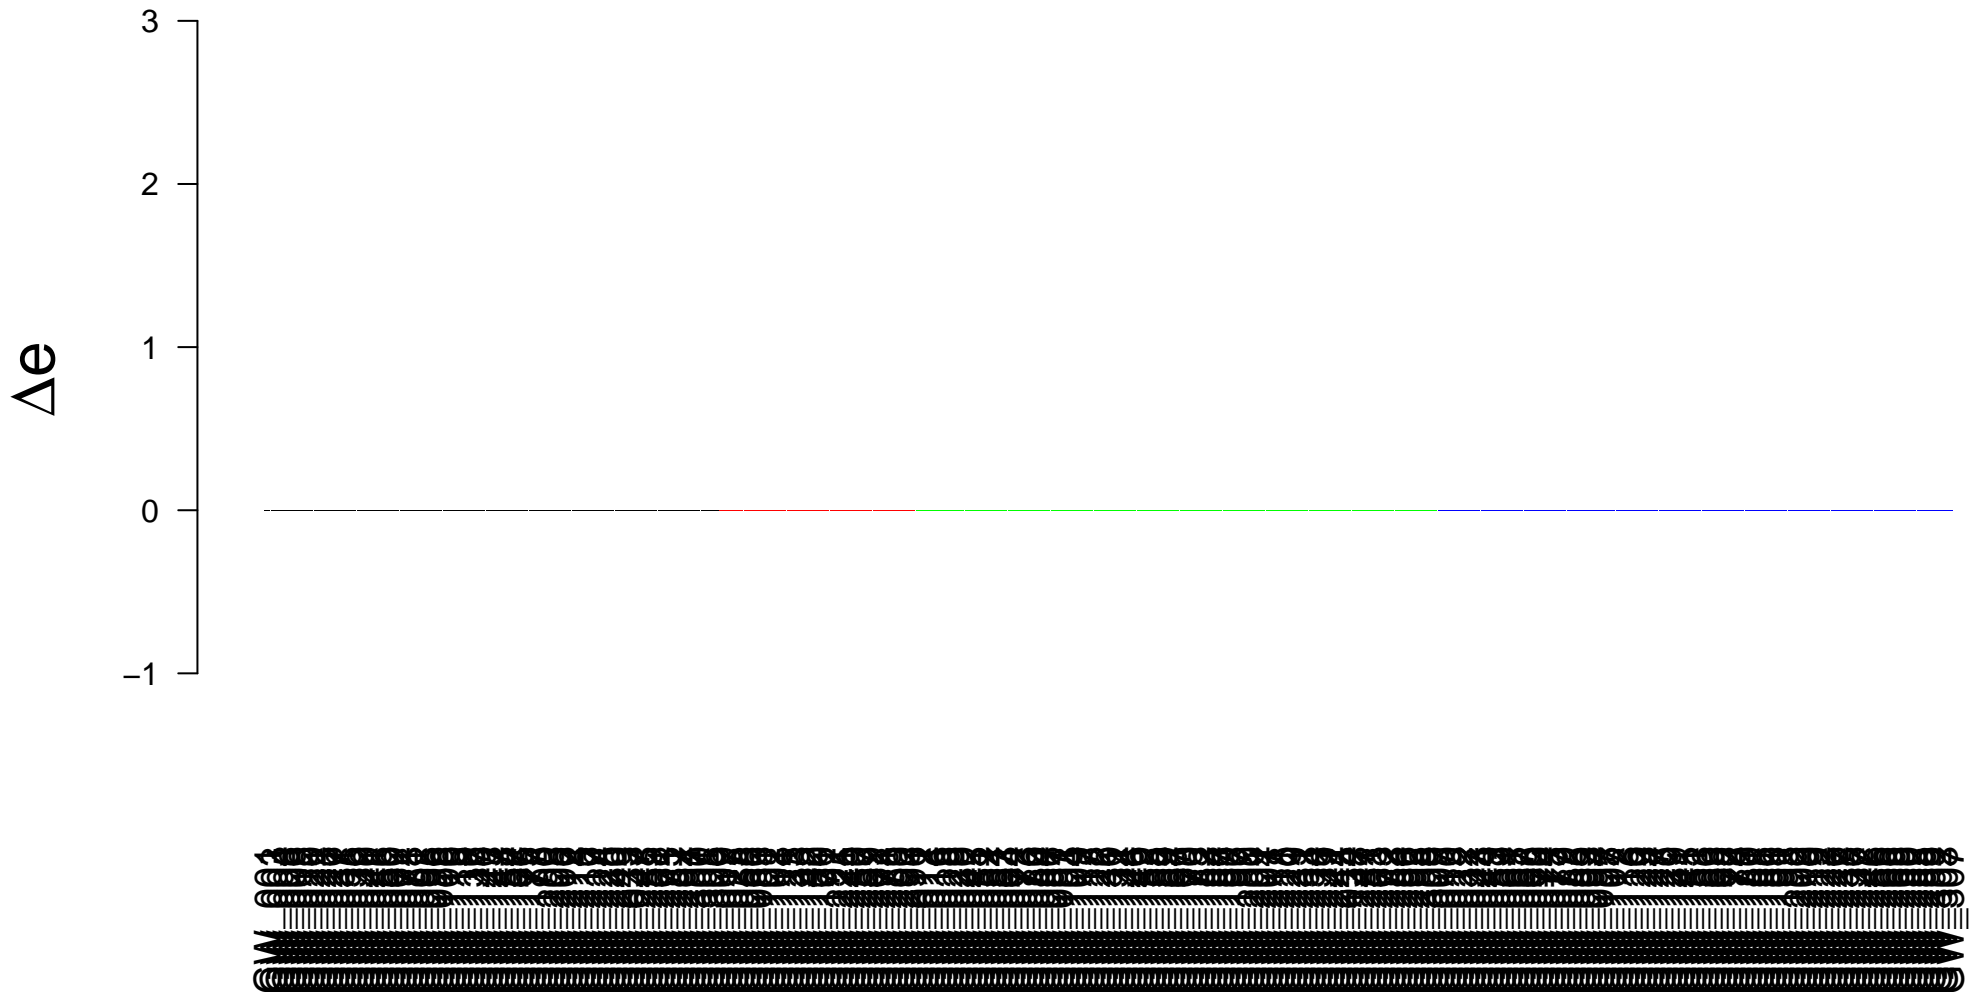

Expression of apoptotic DNA fragmentation in Spot D

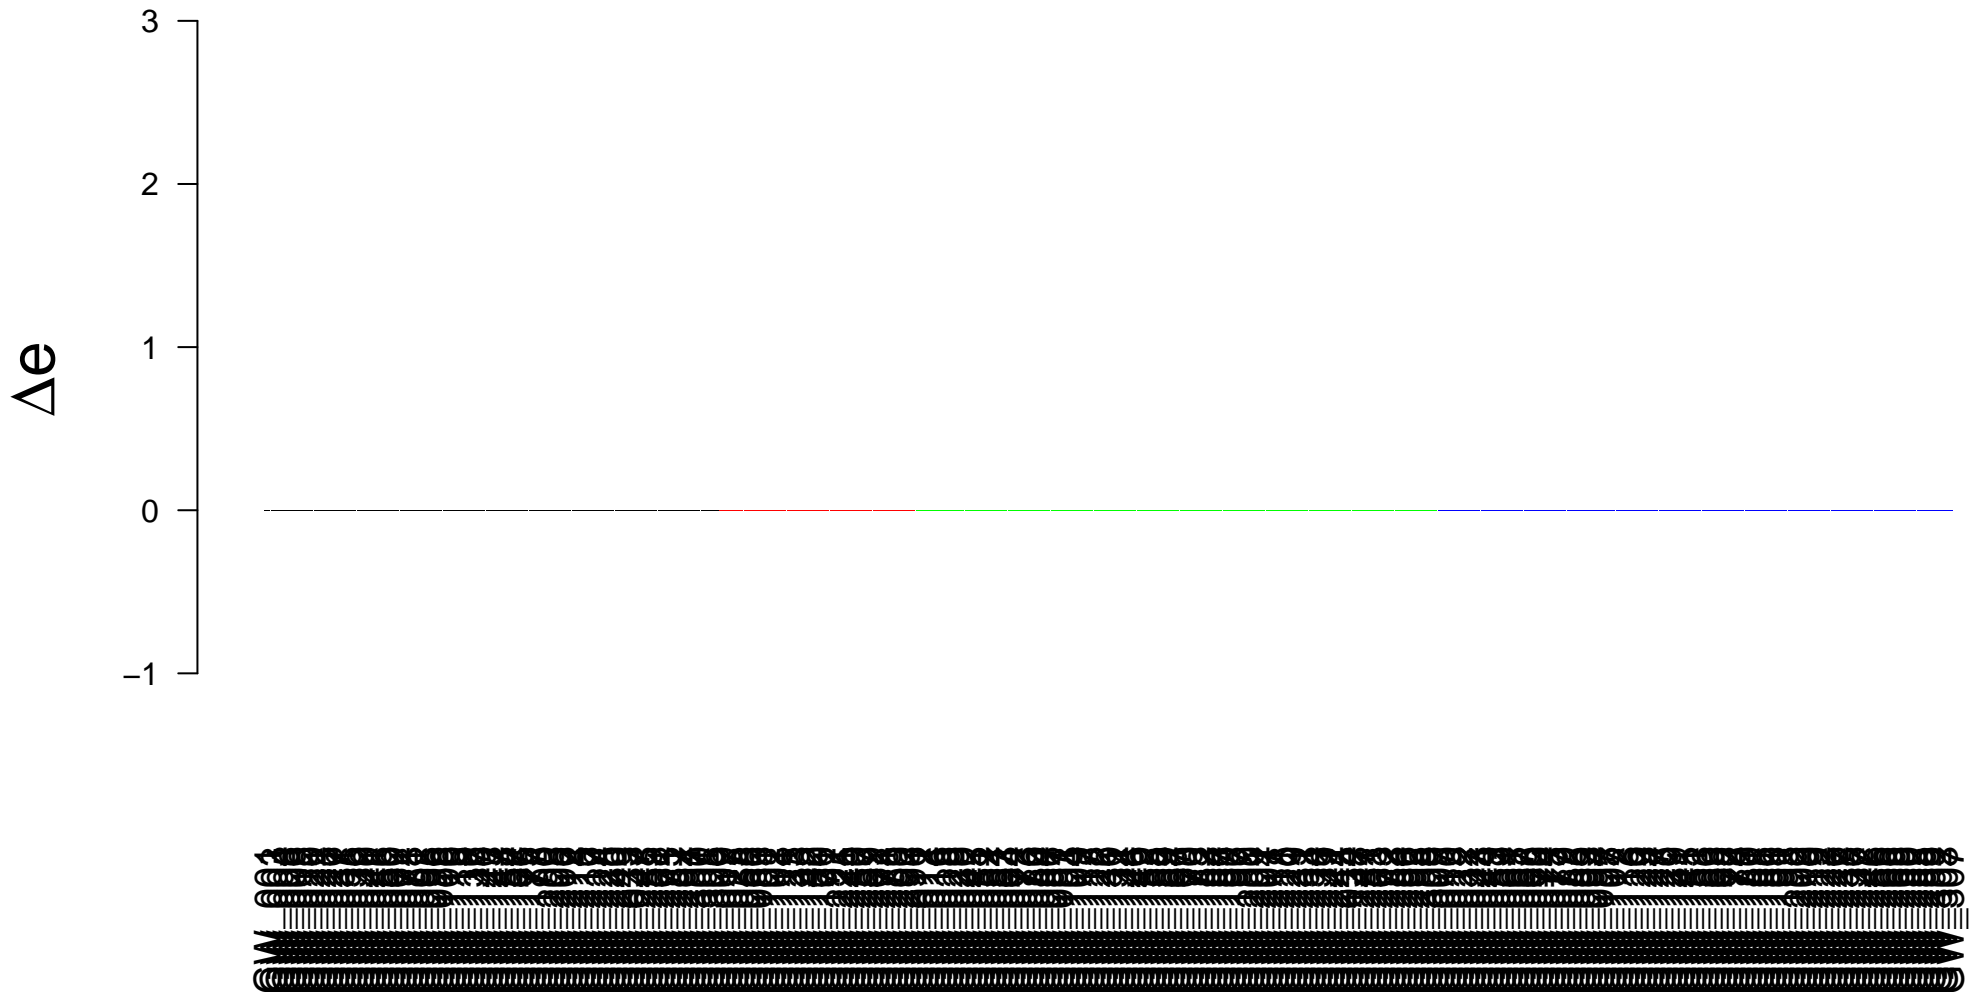

Expression of apoptotic DNA fragmentation in Spot E

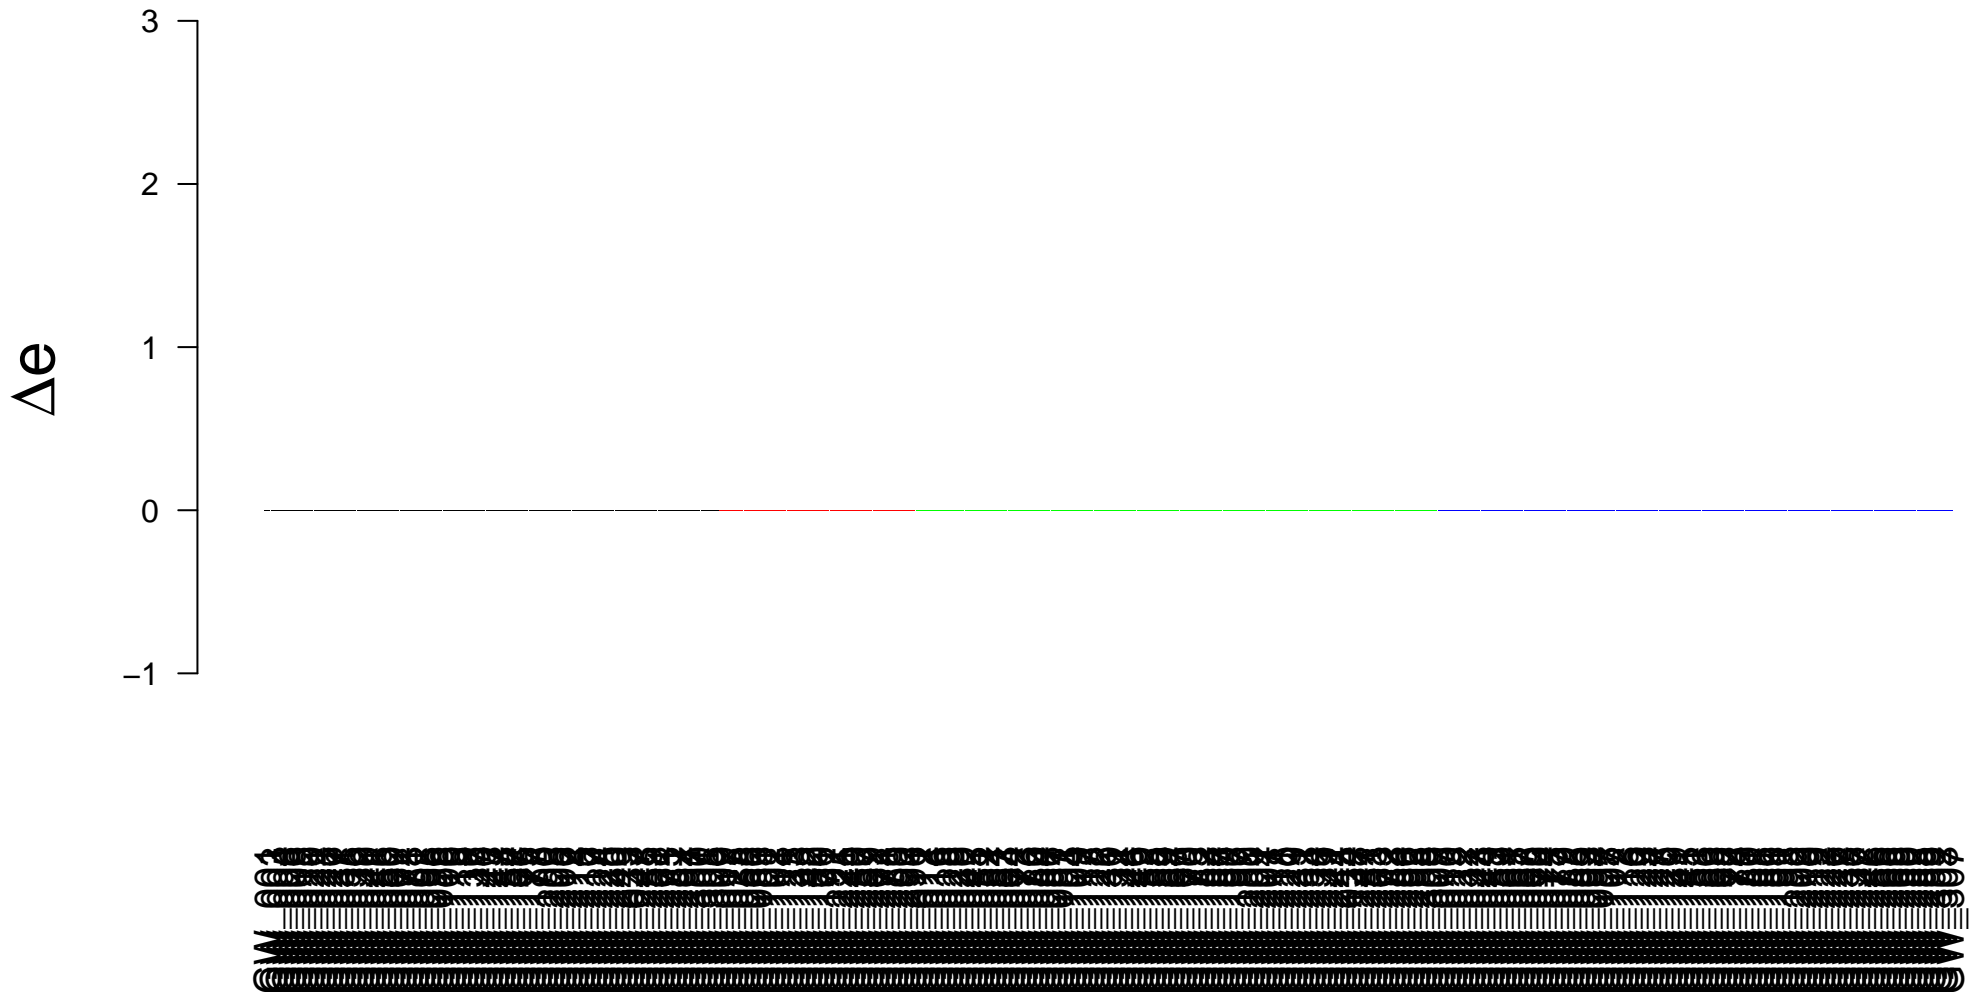

Expression of apoptotic DNA fragmentation in Spot F

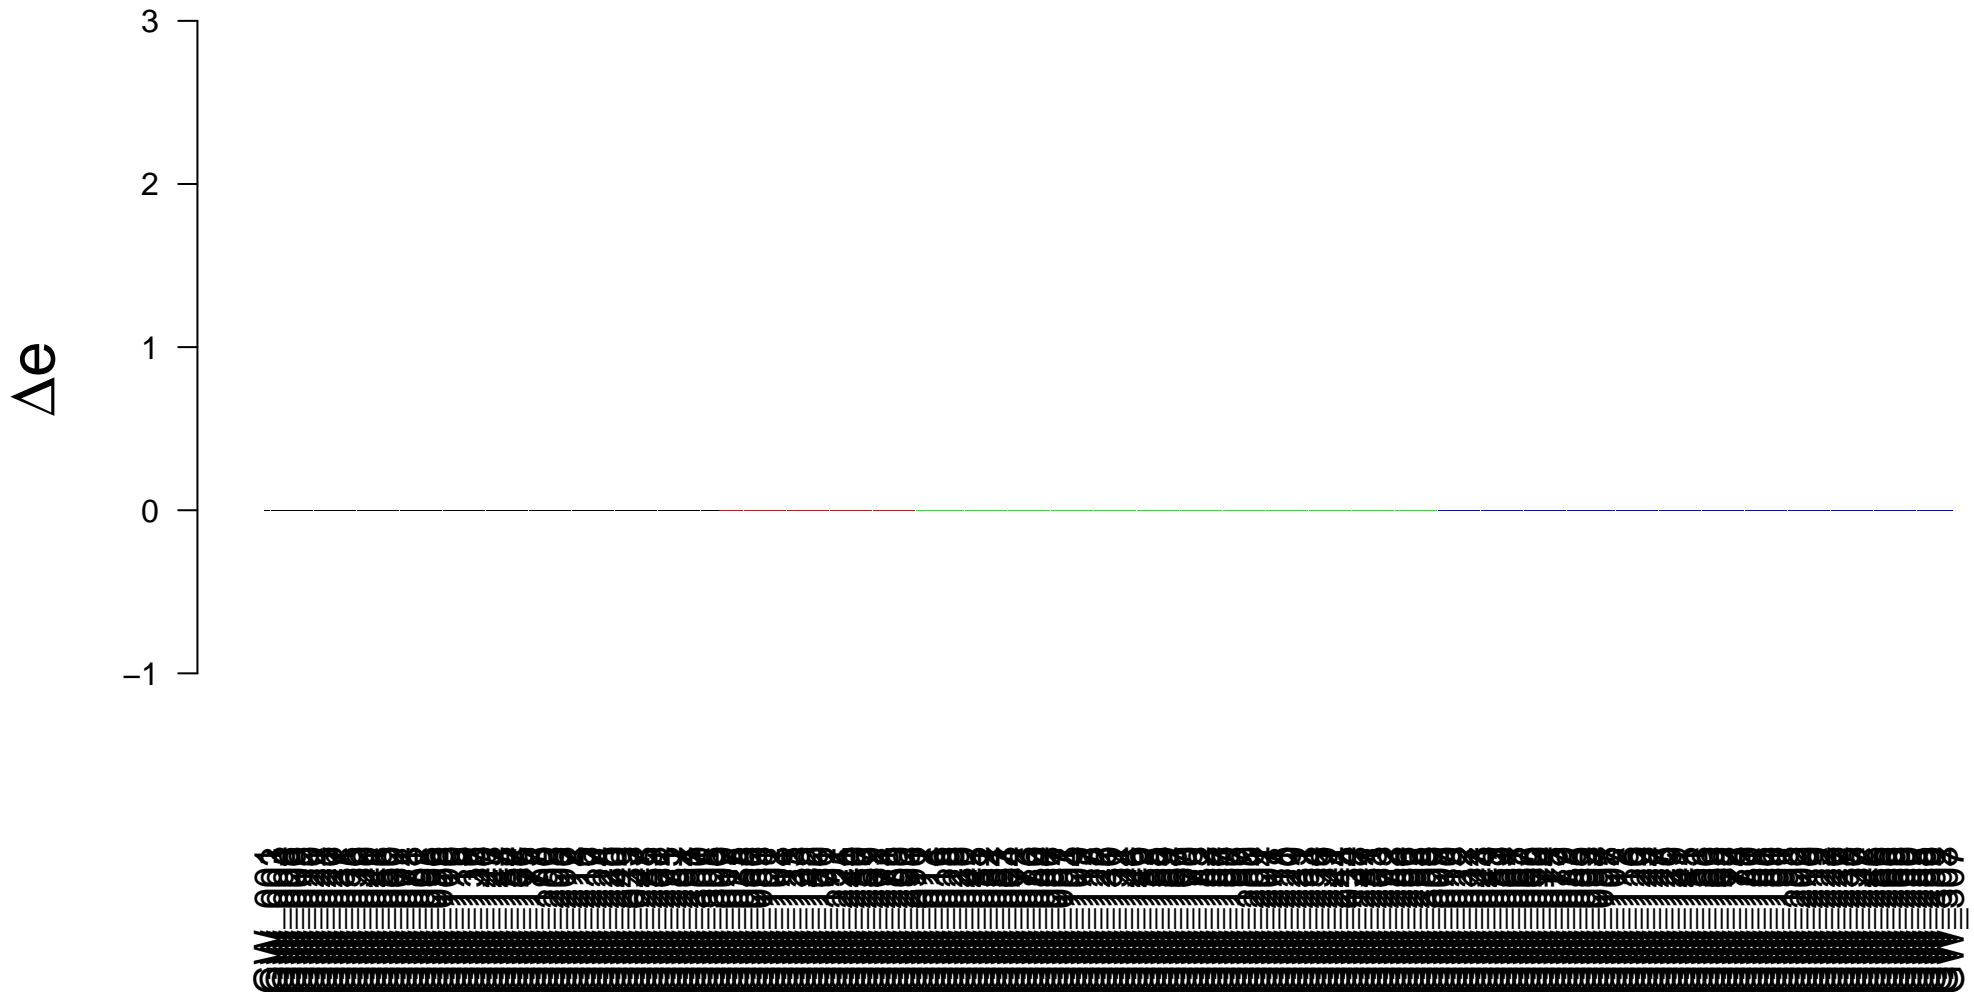

Expression of apoptotic DNA fragmentation in Spot G

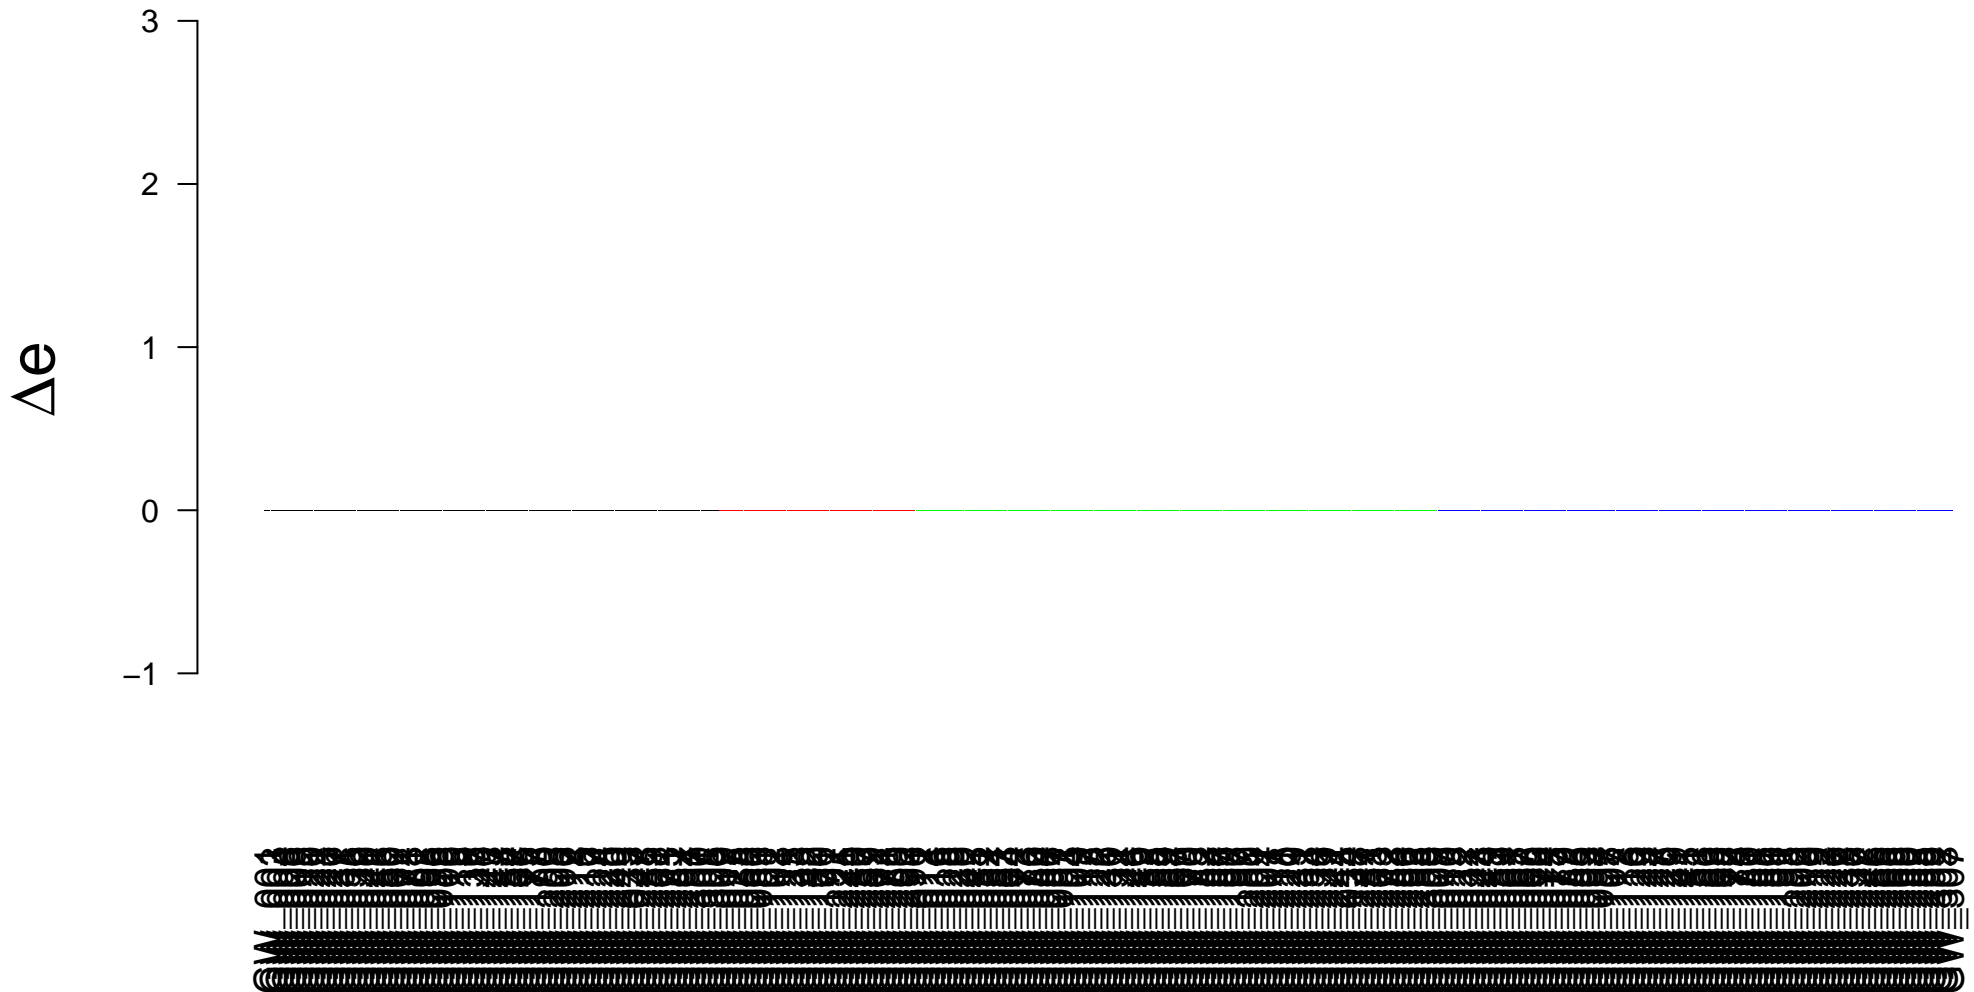

Expression of apoptotic DNA fragmentation in Spot H

Expression of apoptotic DNA fragmentation in Spot I

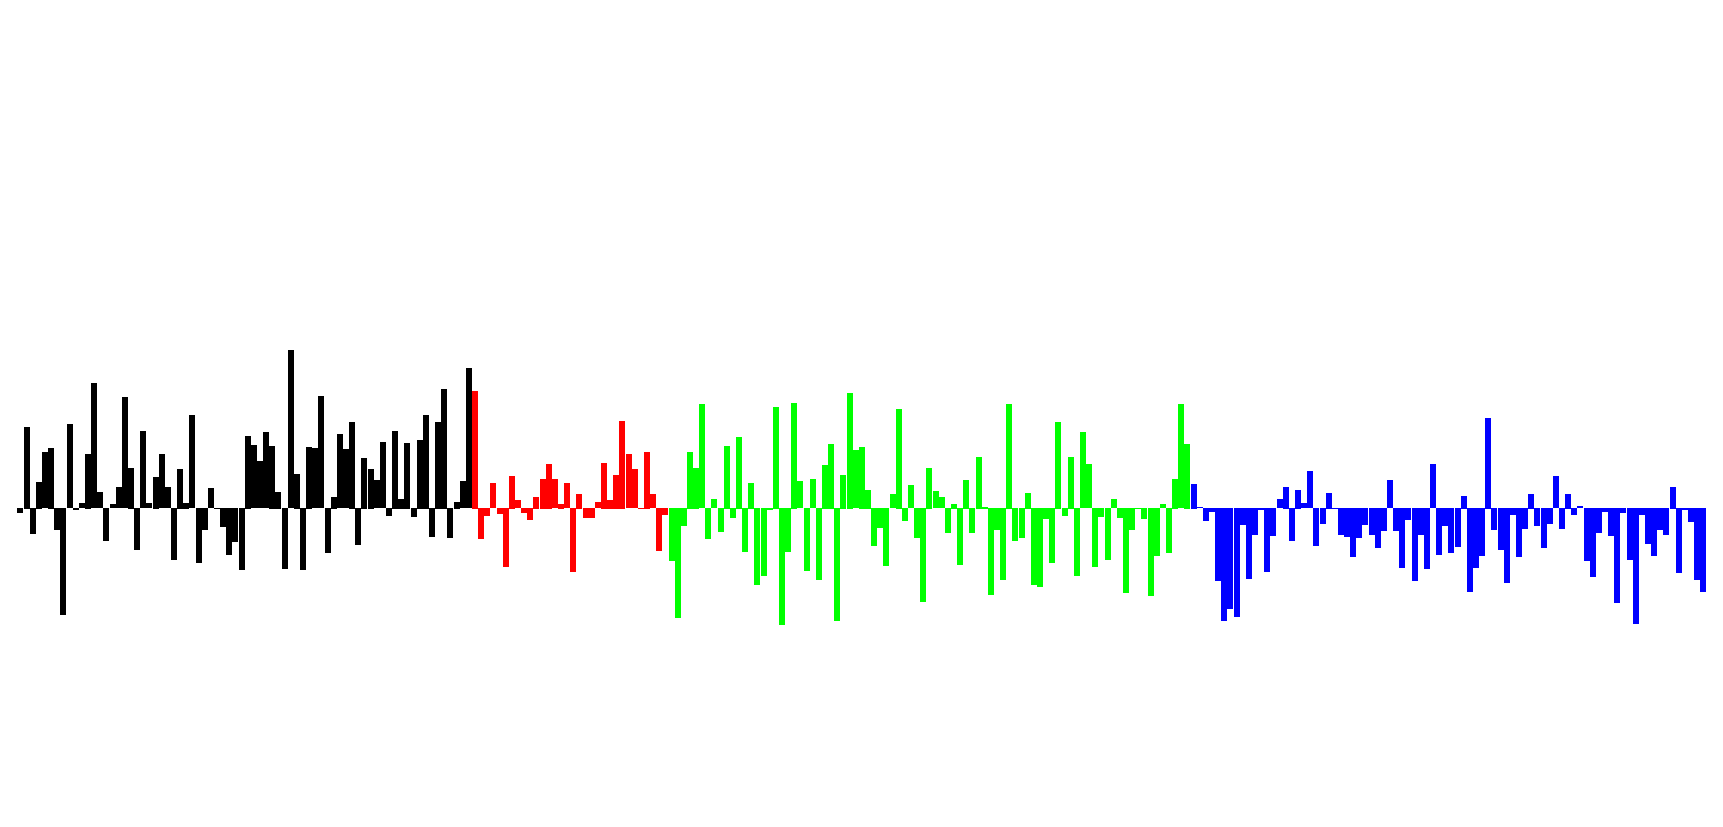

Expression of apoptotic DNA fragmentation in Spot J

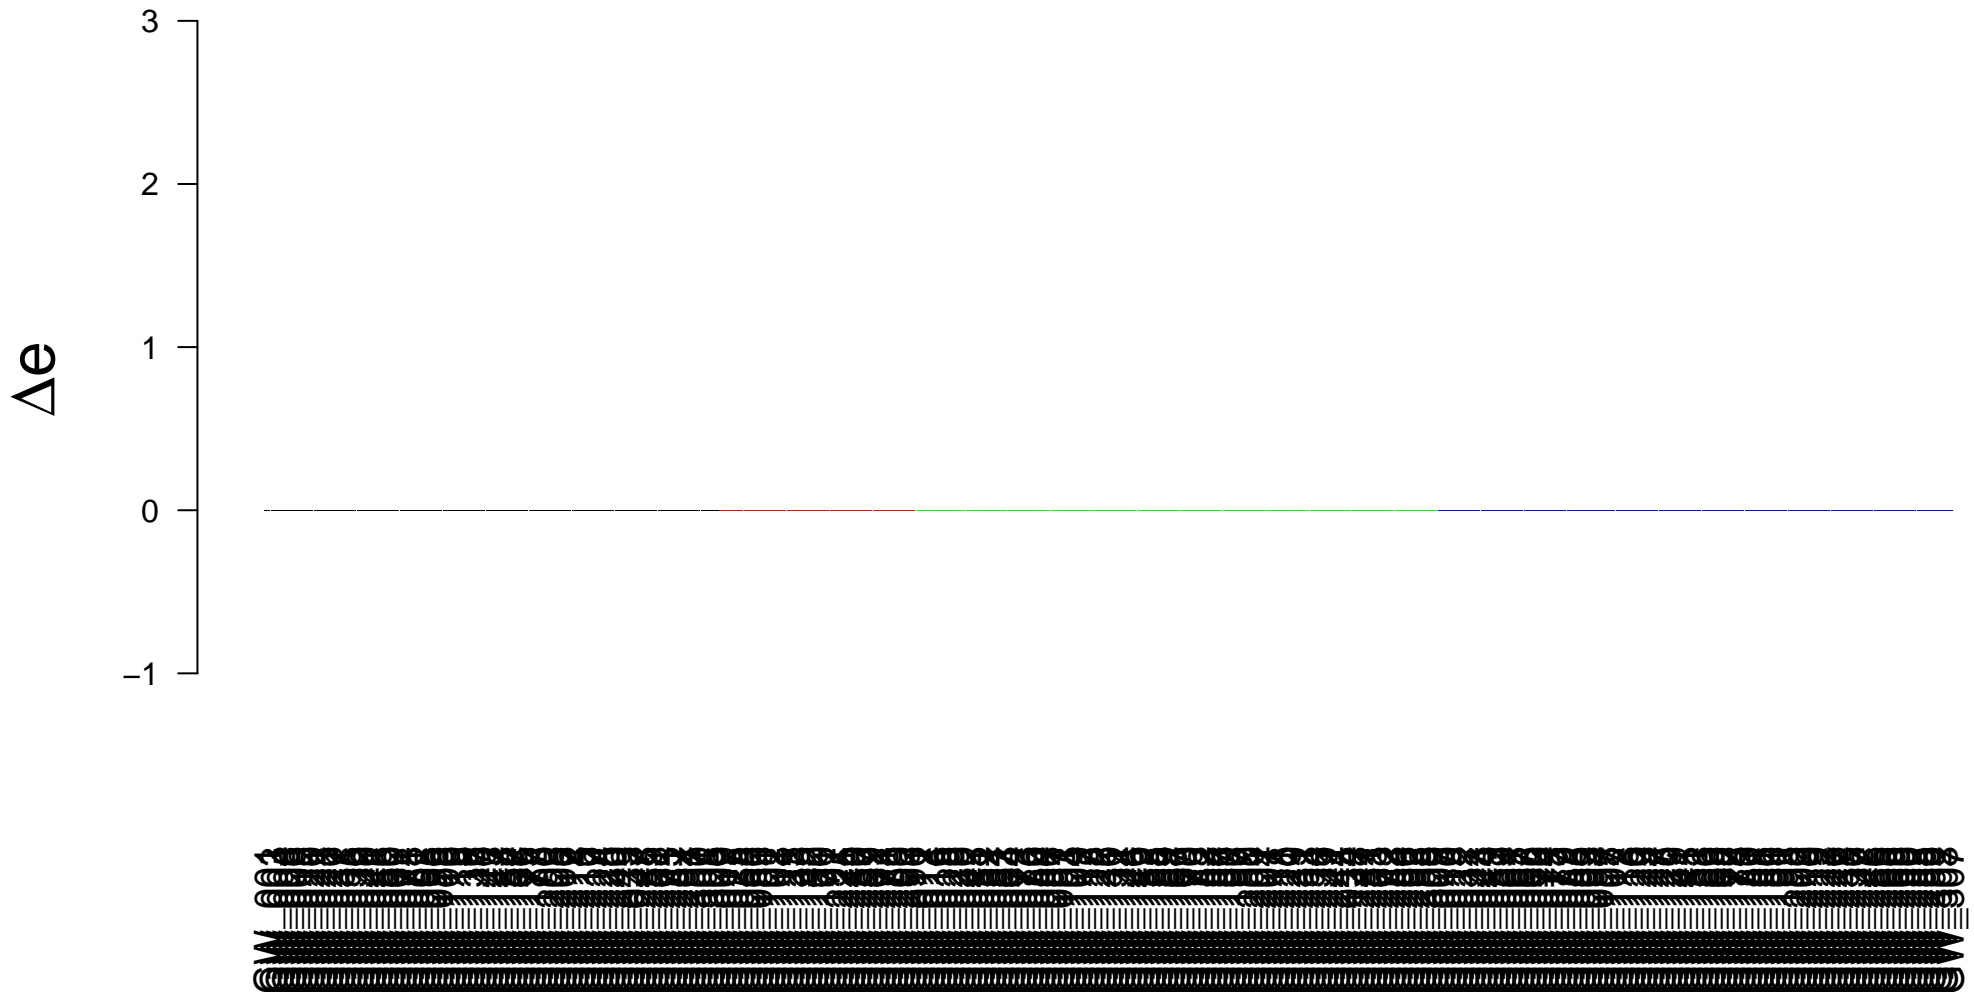

Expression of apoptotic DNA fragmentation in Spot K
