

axonemal dynein complex

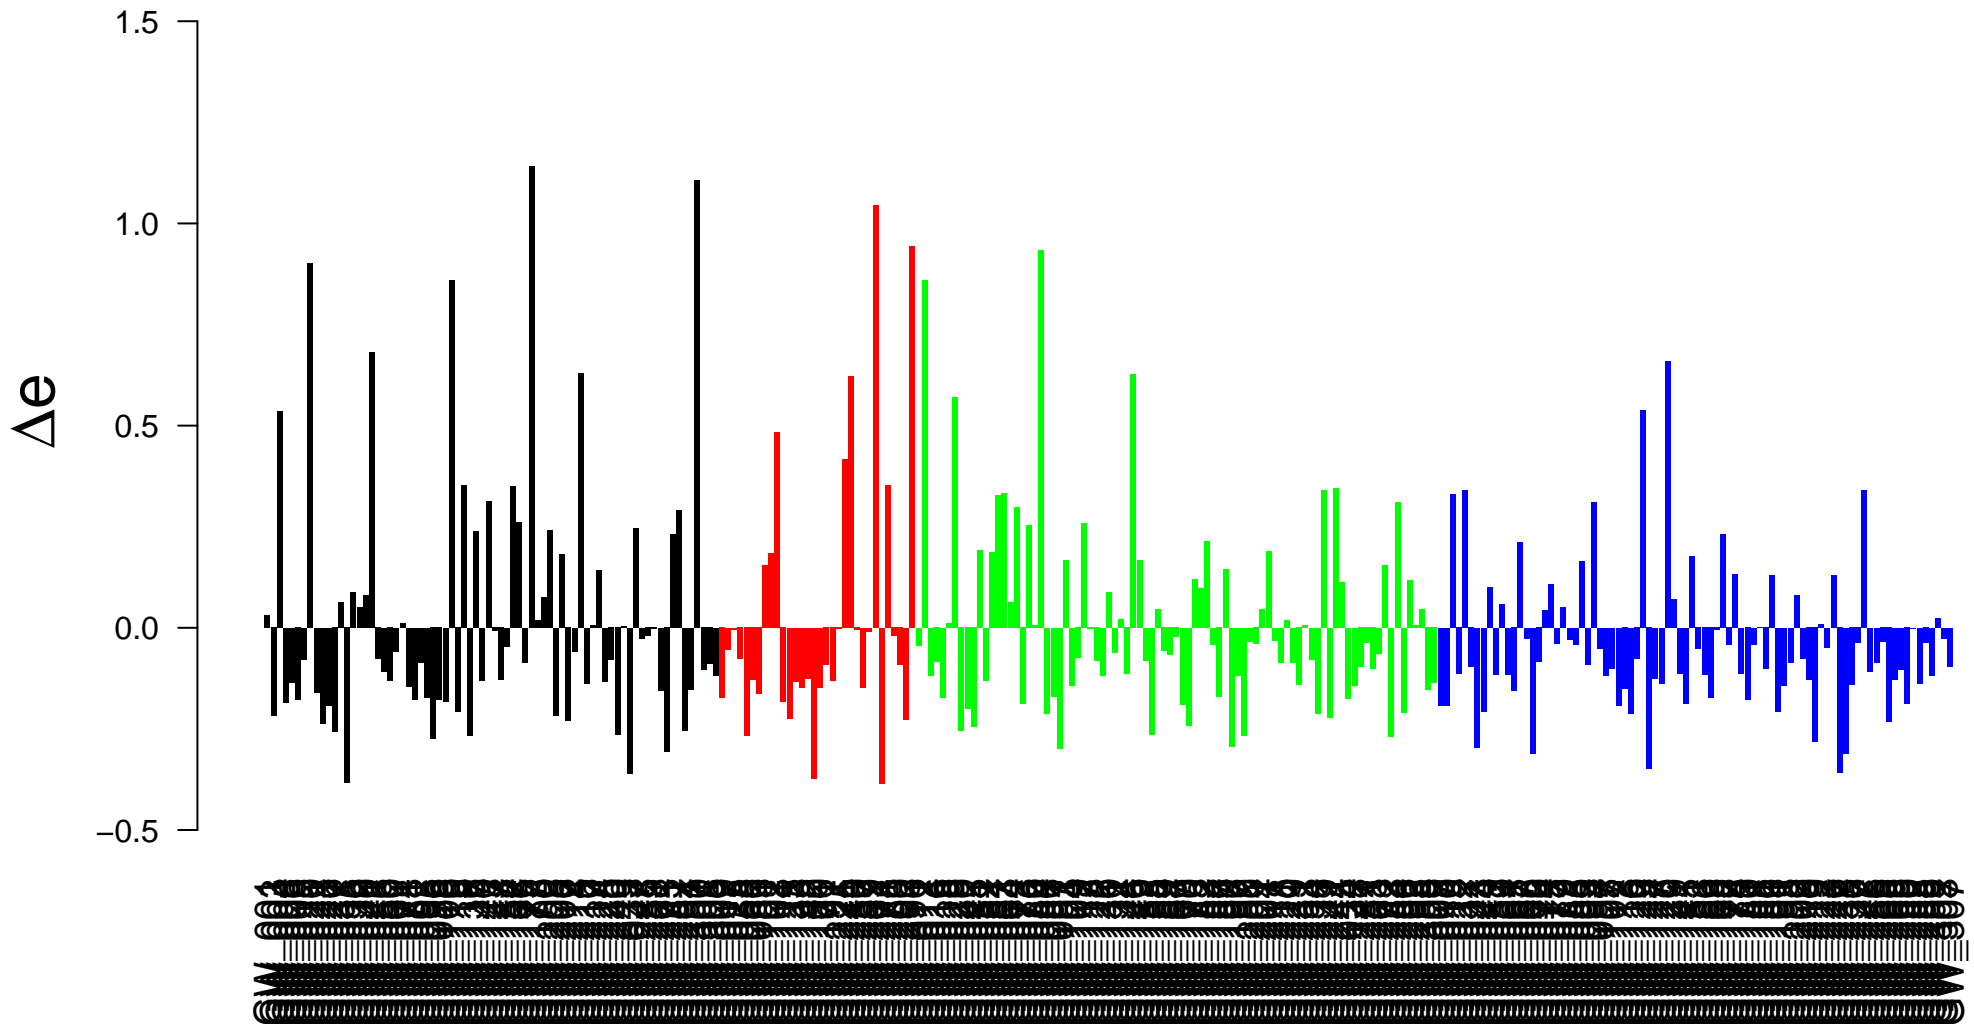

axonemal dynein complex

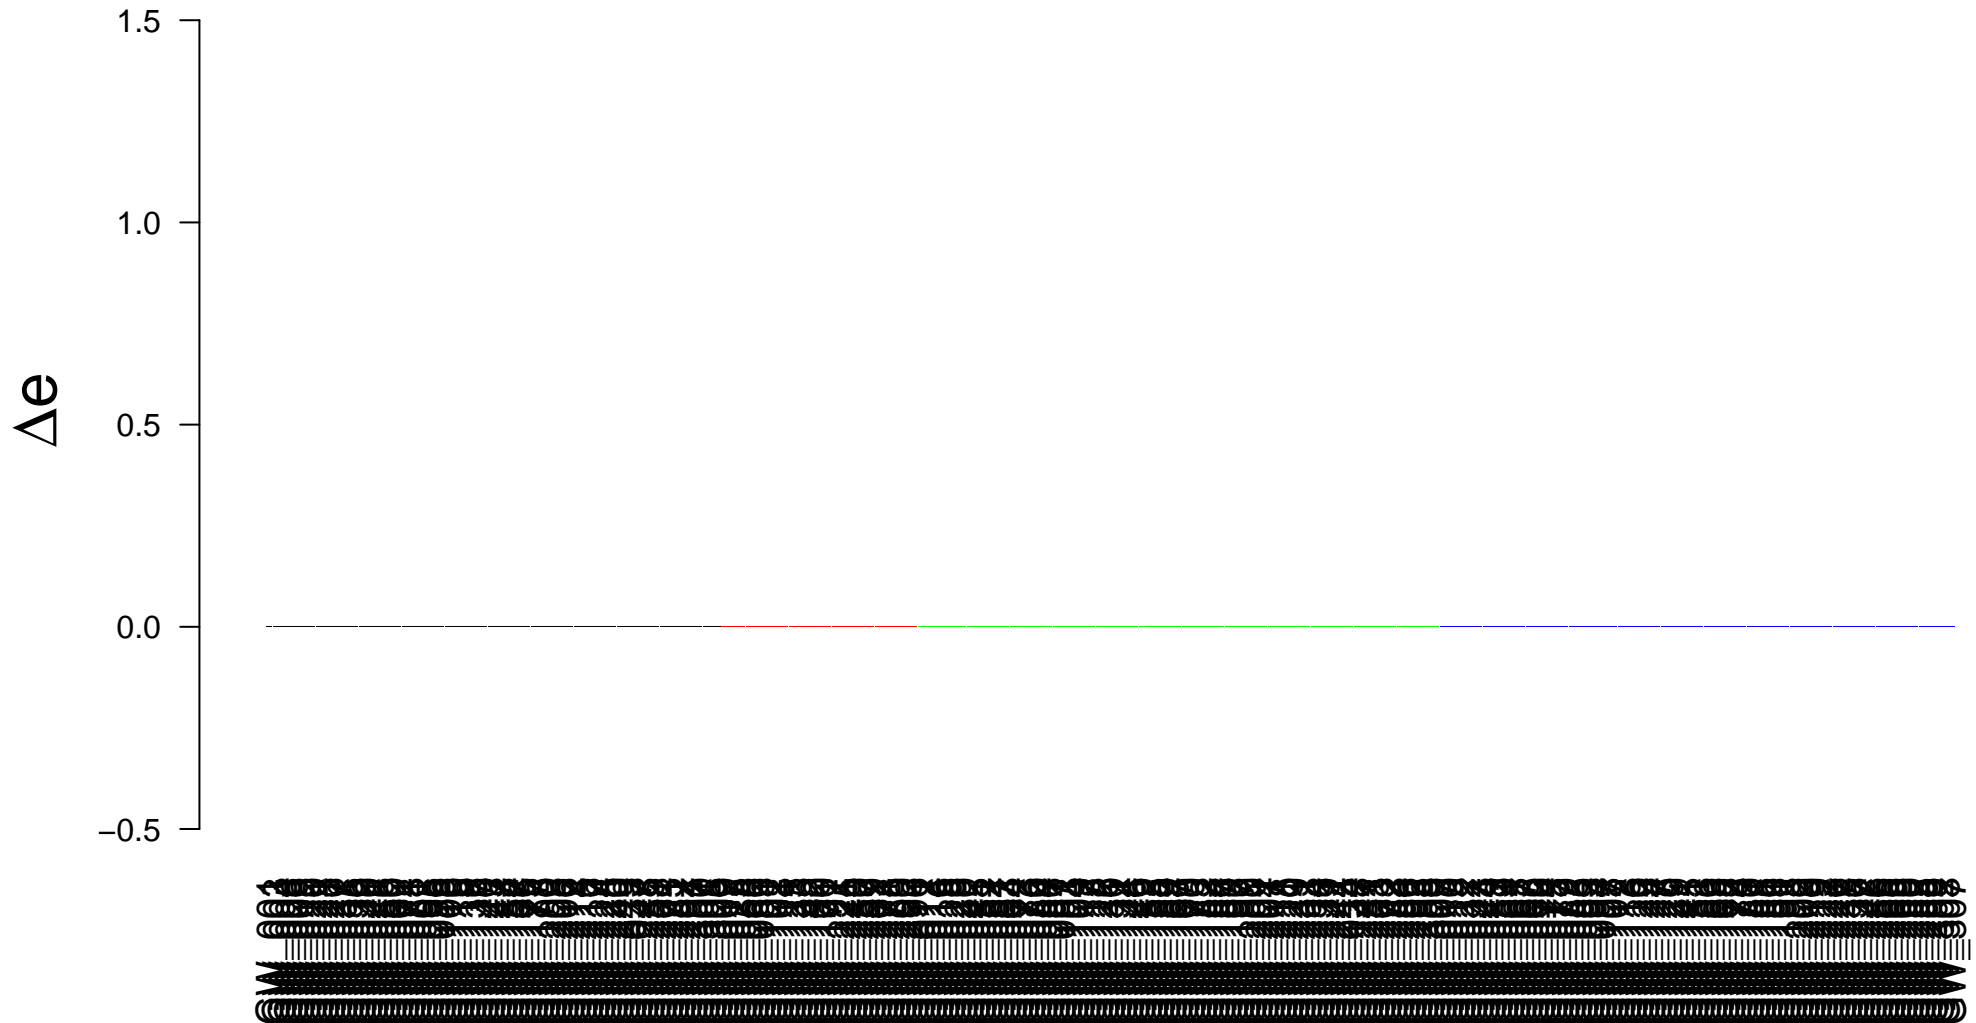

Enrichment in spots: axonemal dynein complex

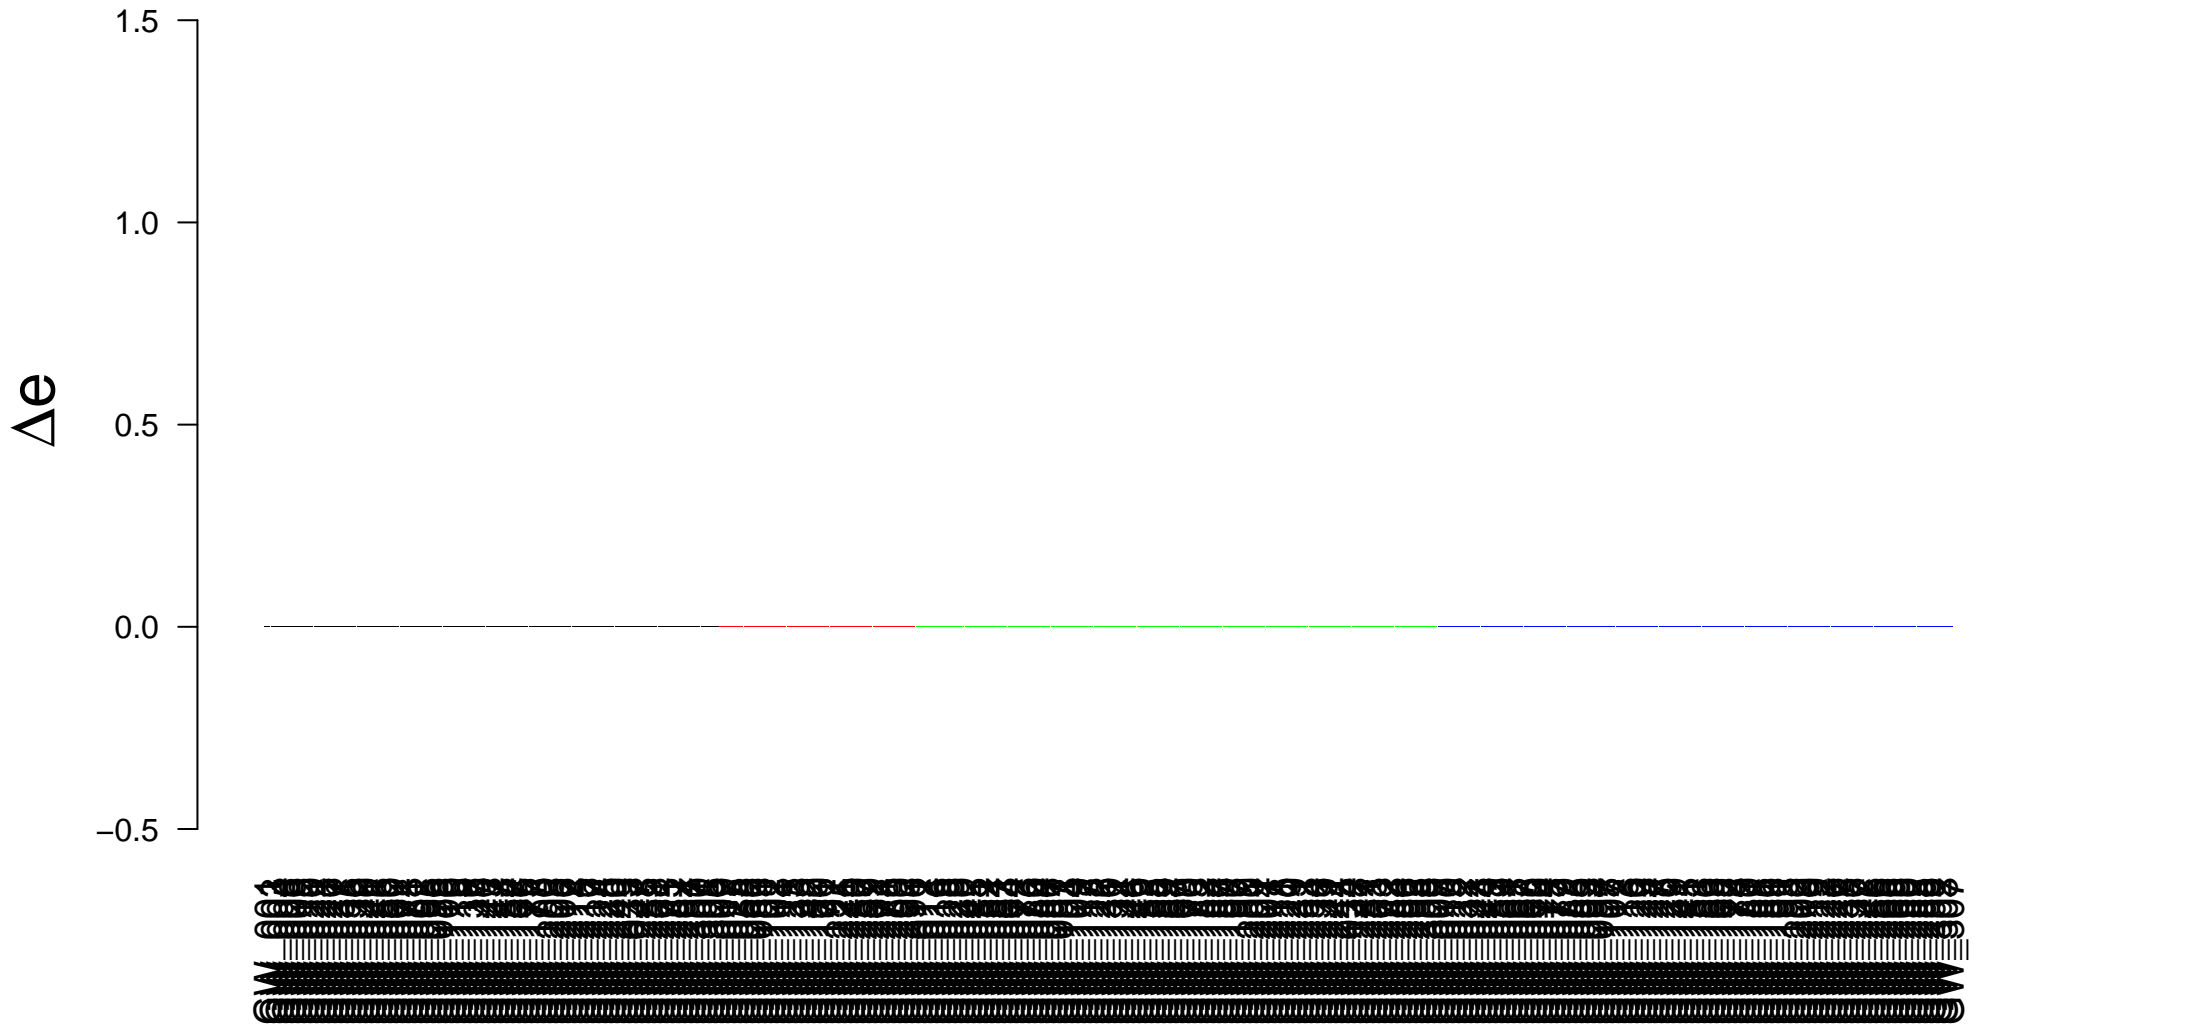

Expression of axonemal dynein complex in Spot A

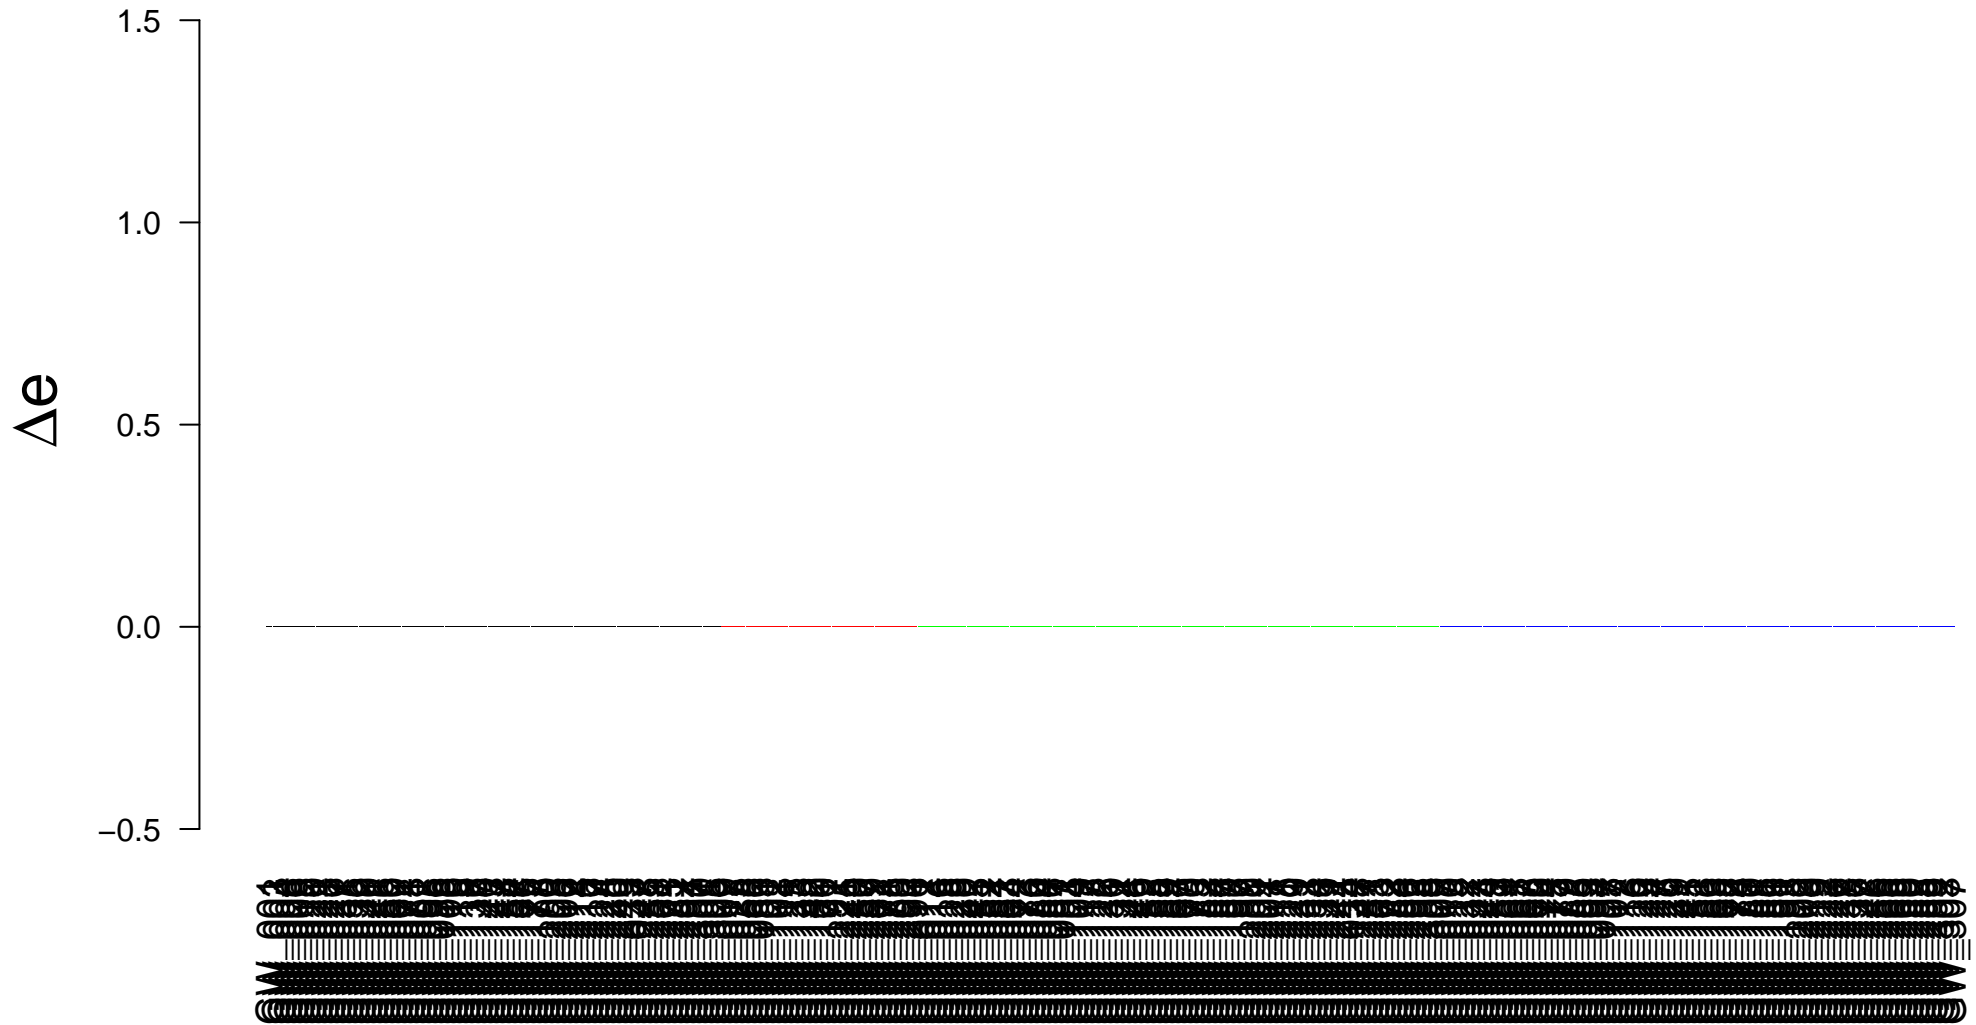

Expression of axonemal dynein complex in Spot B

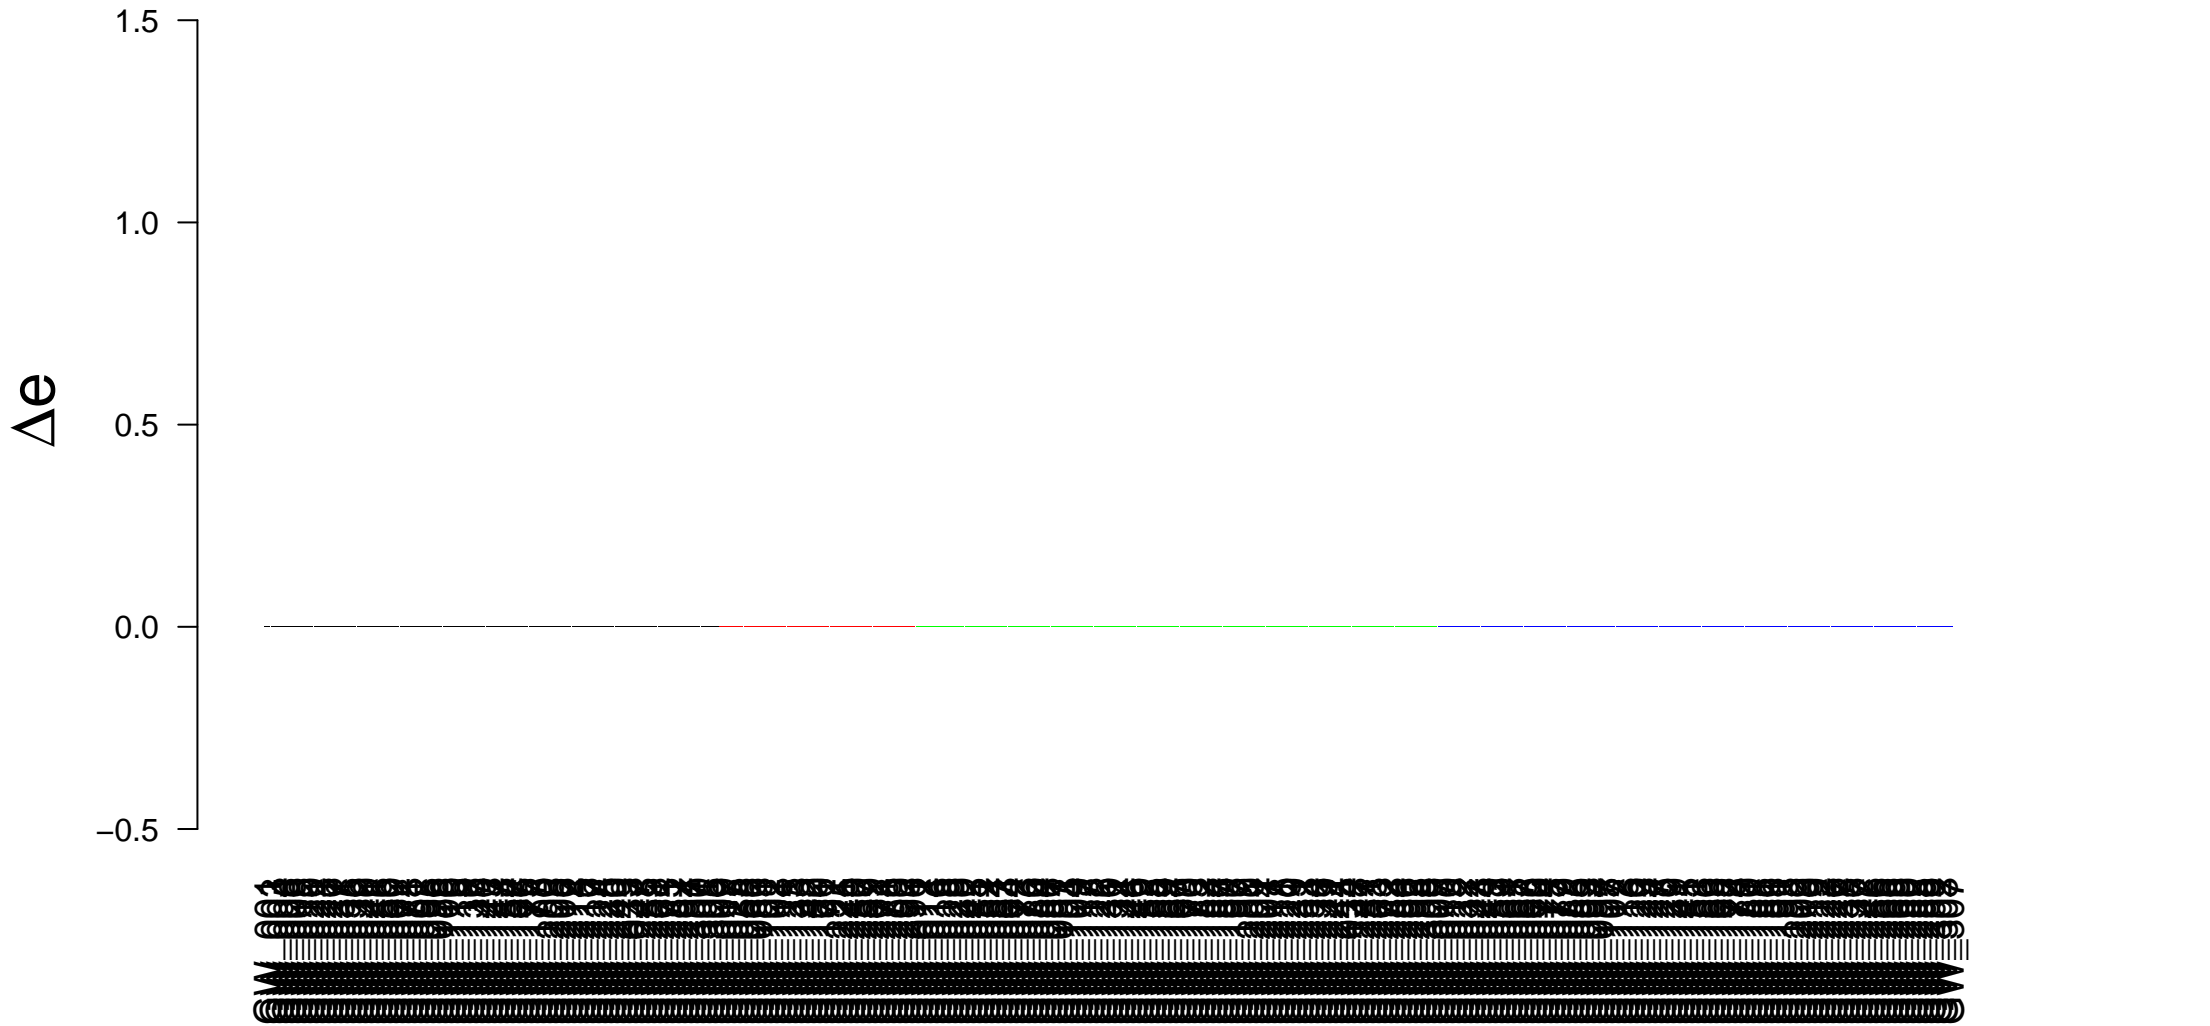

Expression of axonemal dynein complex in Spot C

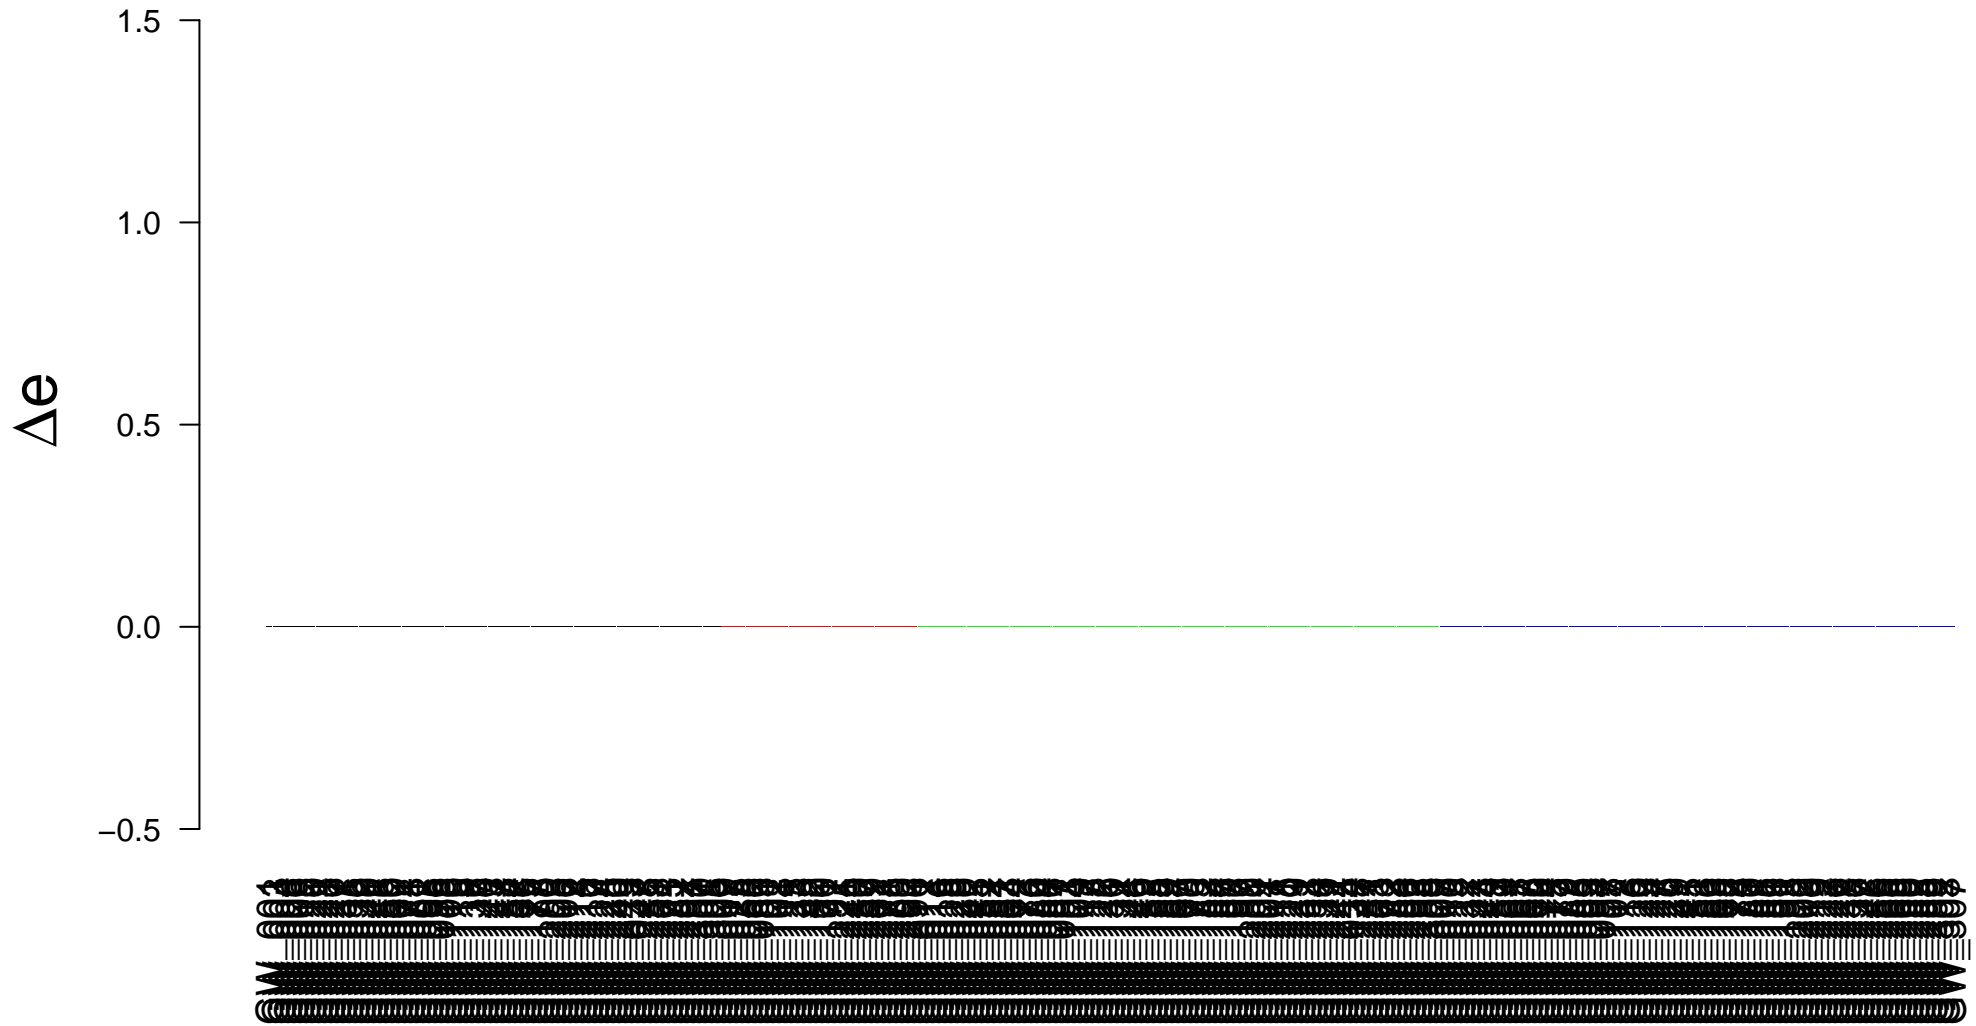

Expression of axonemal dynein complex in Spot D

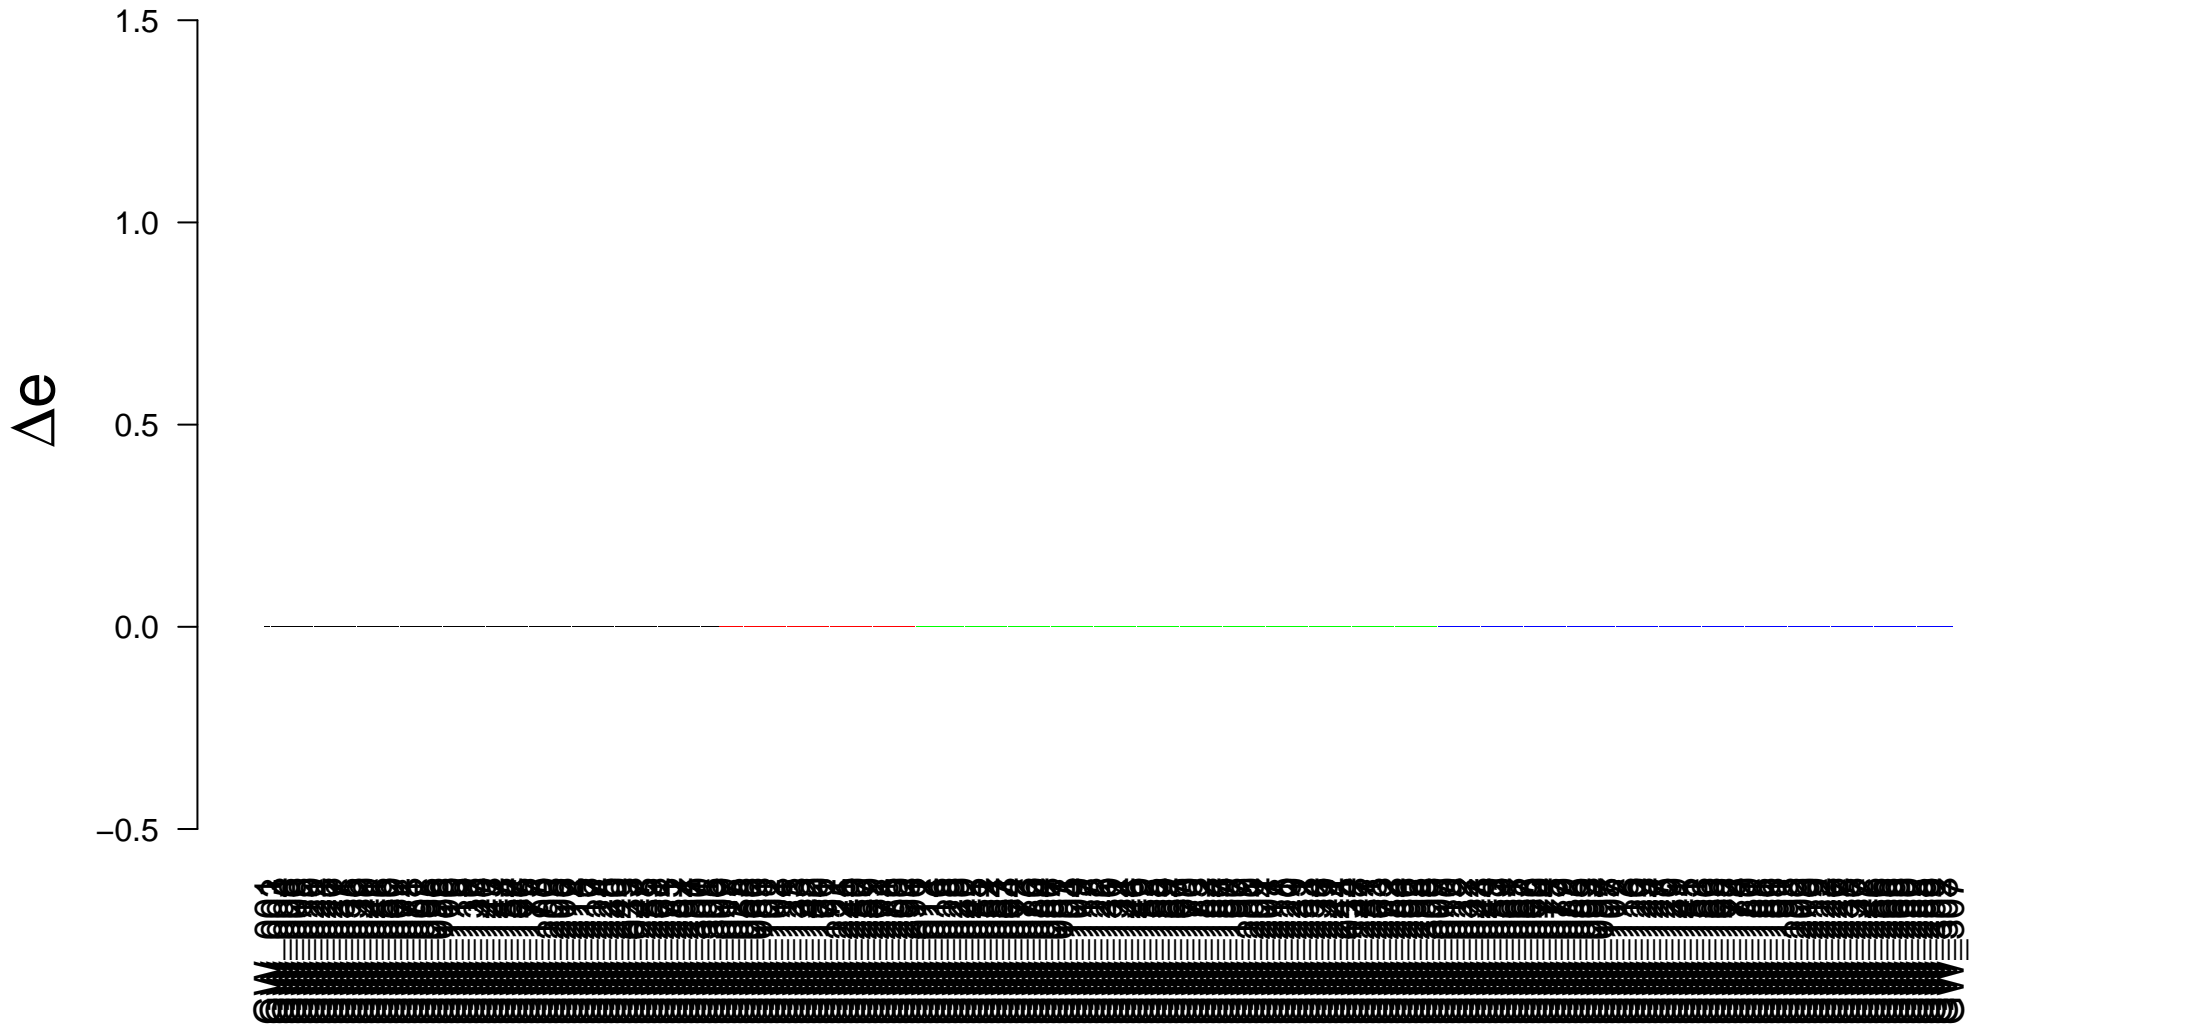

Expression of axonemal dynein complex in Spot E

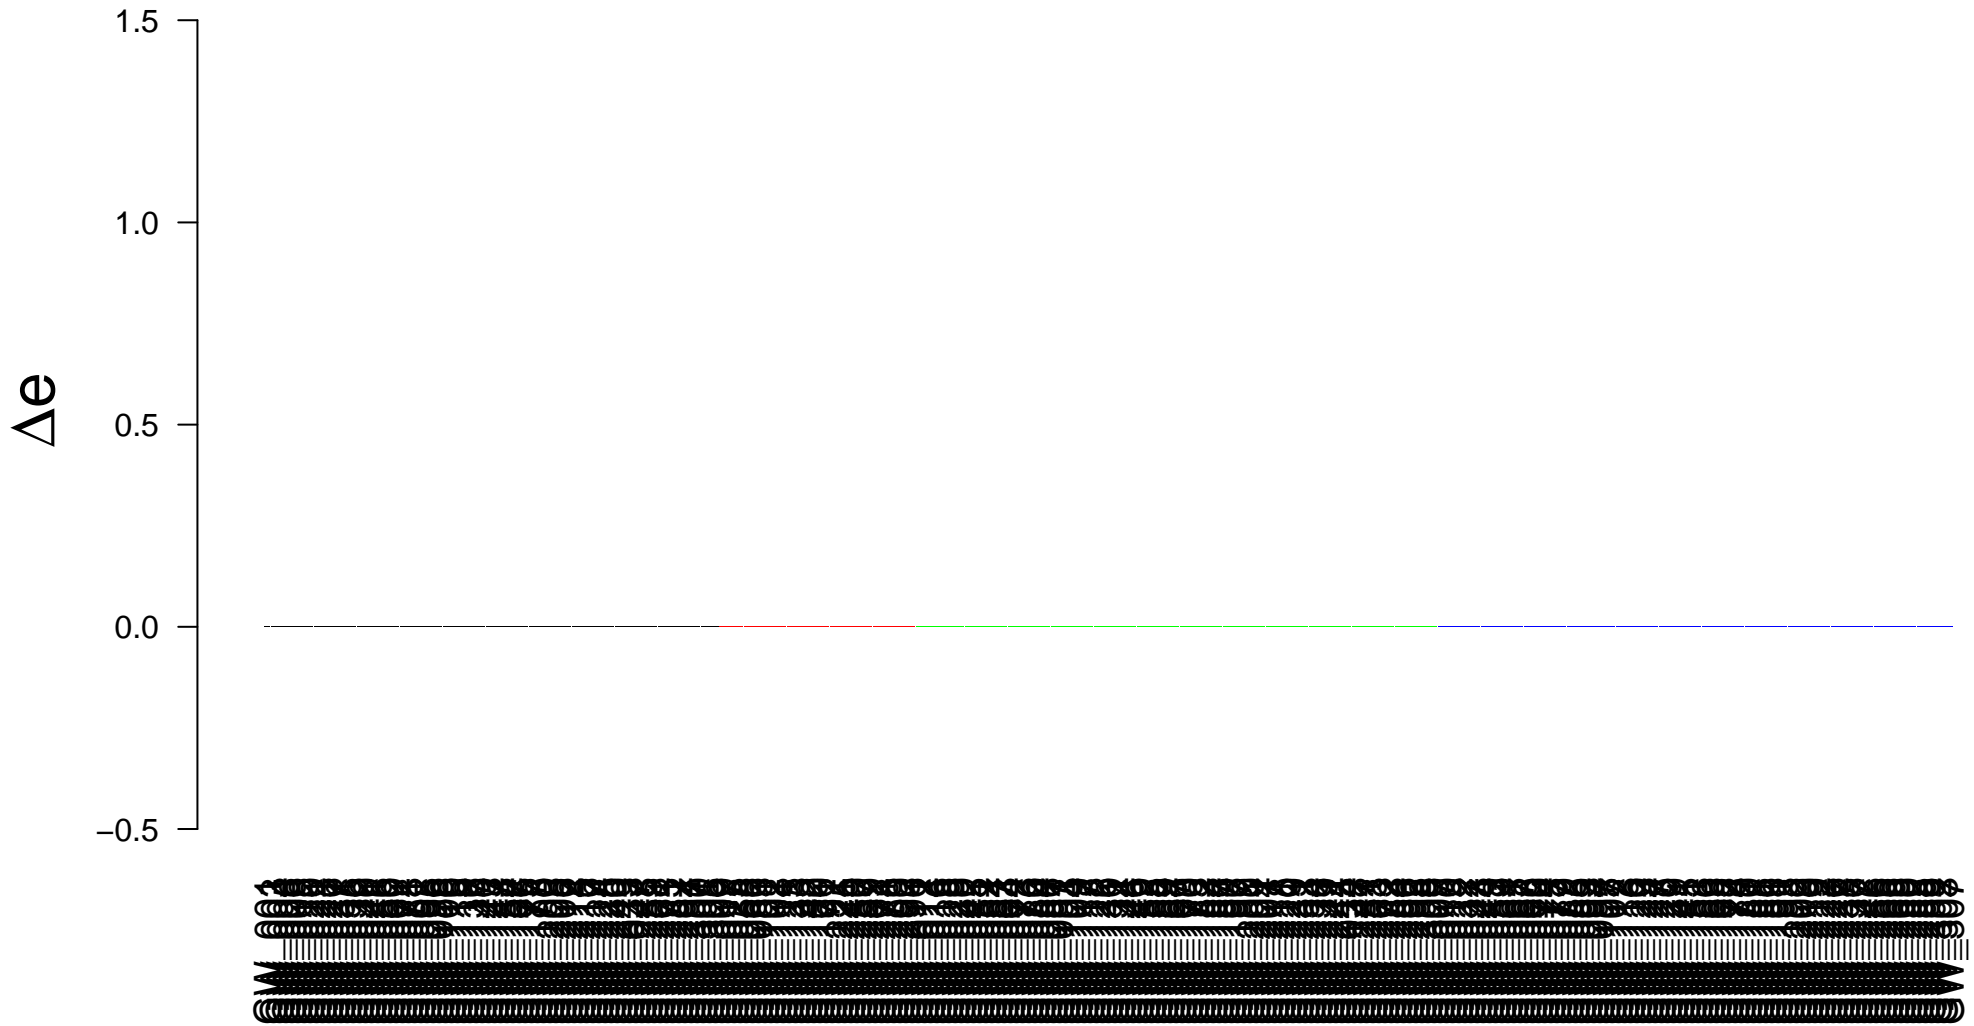

Expression of axonemal dynein complex in Spot F

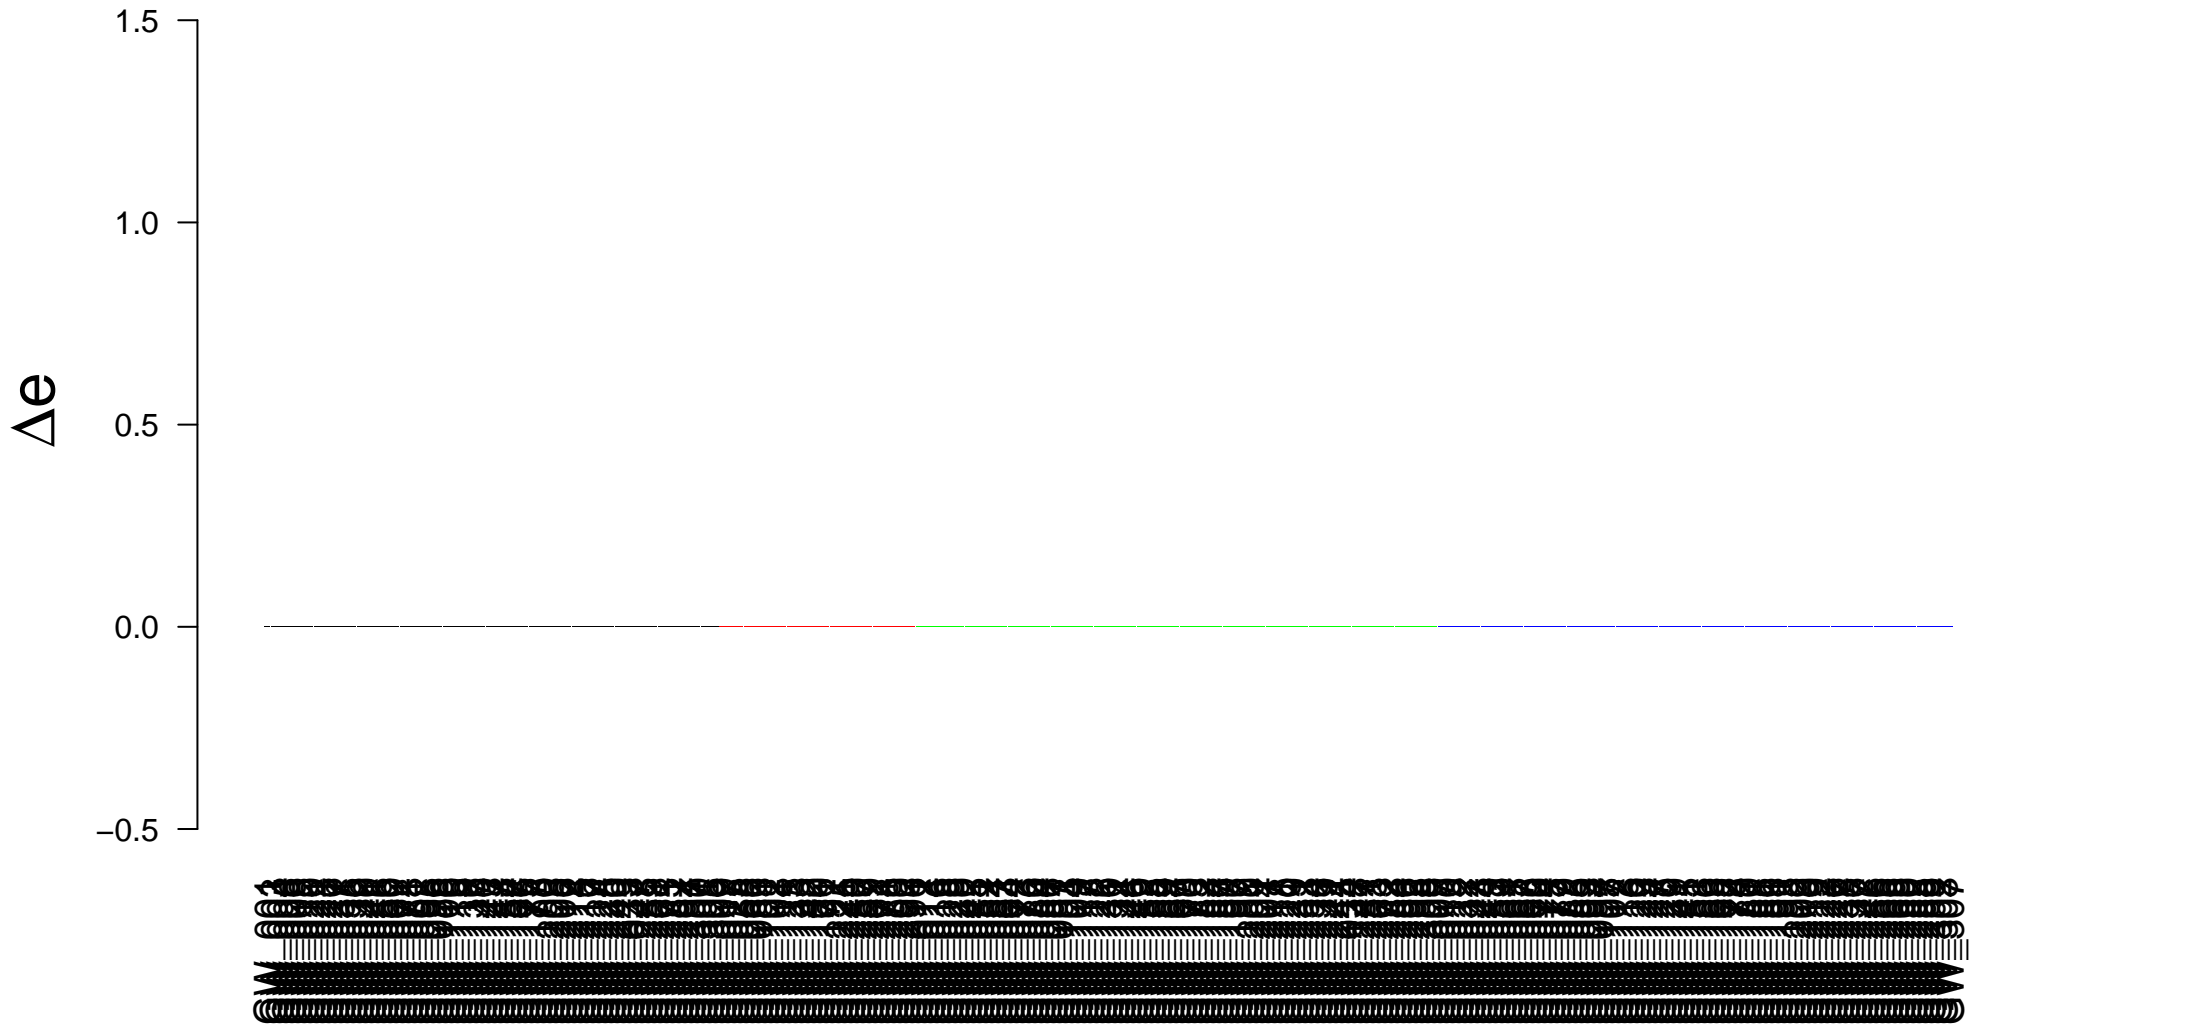

Expression of axonemal dynein complex in Spot G

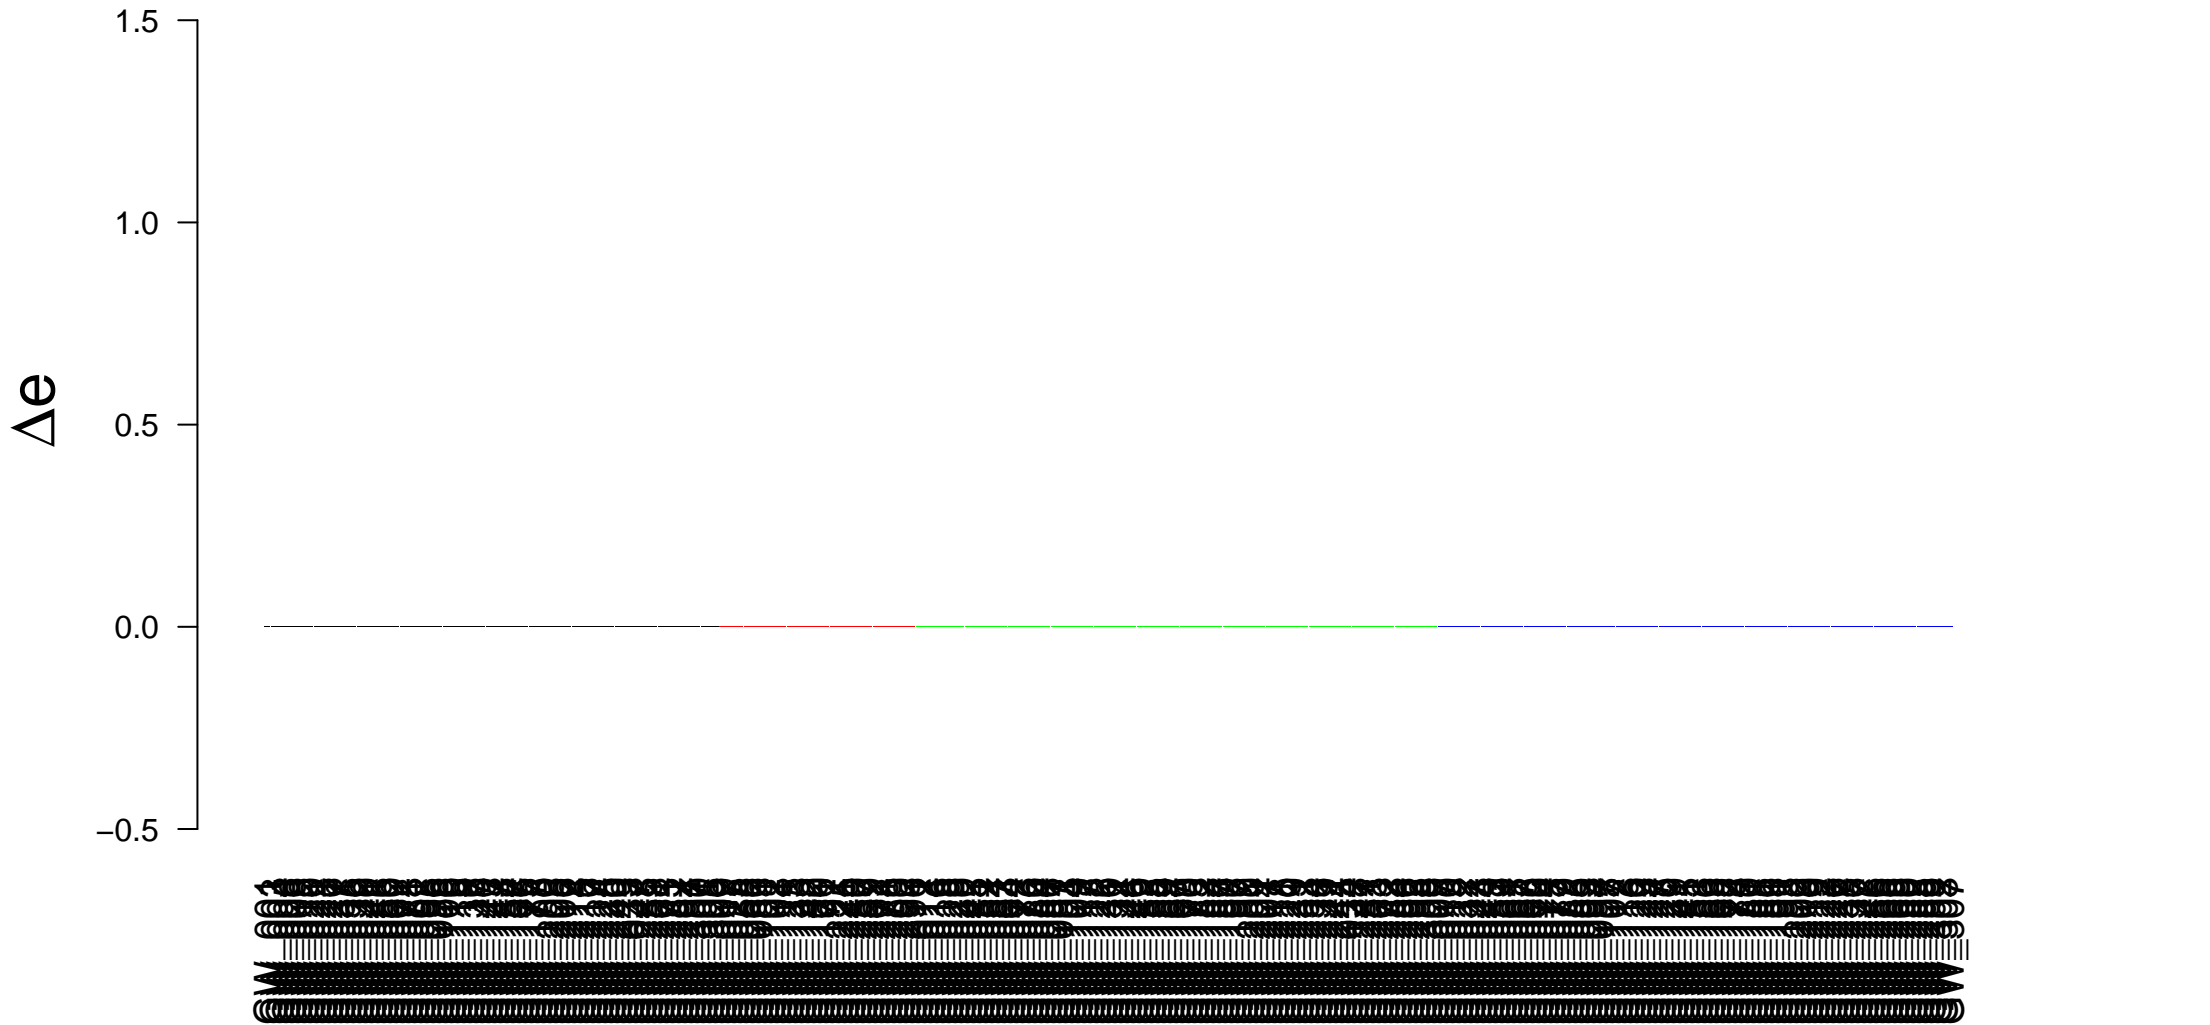

Expression of axonemal dynein complex in Spot H

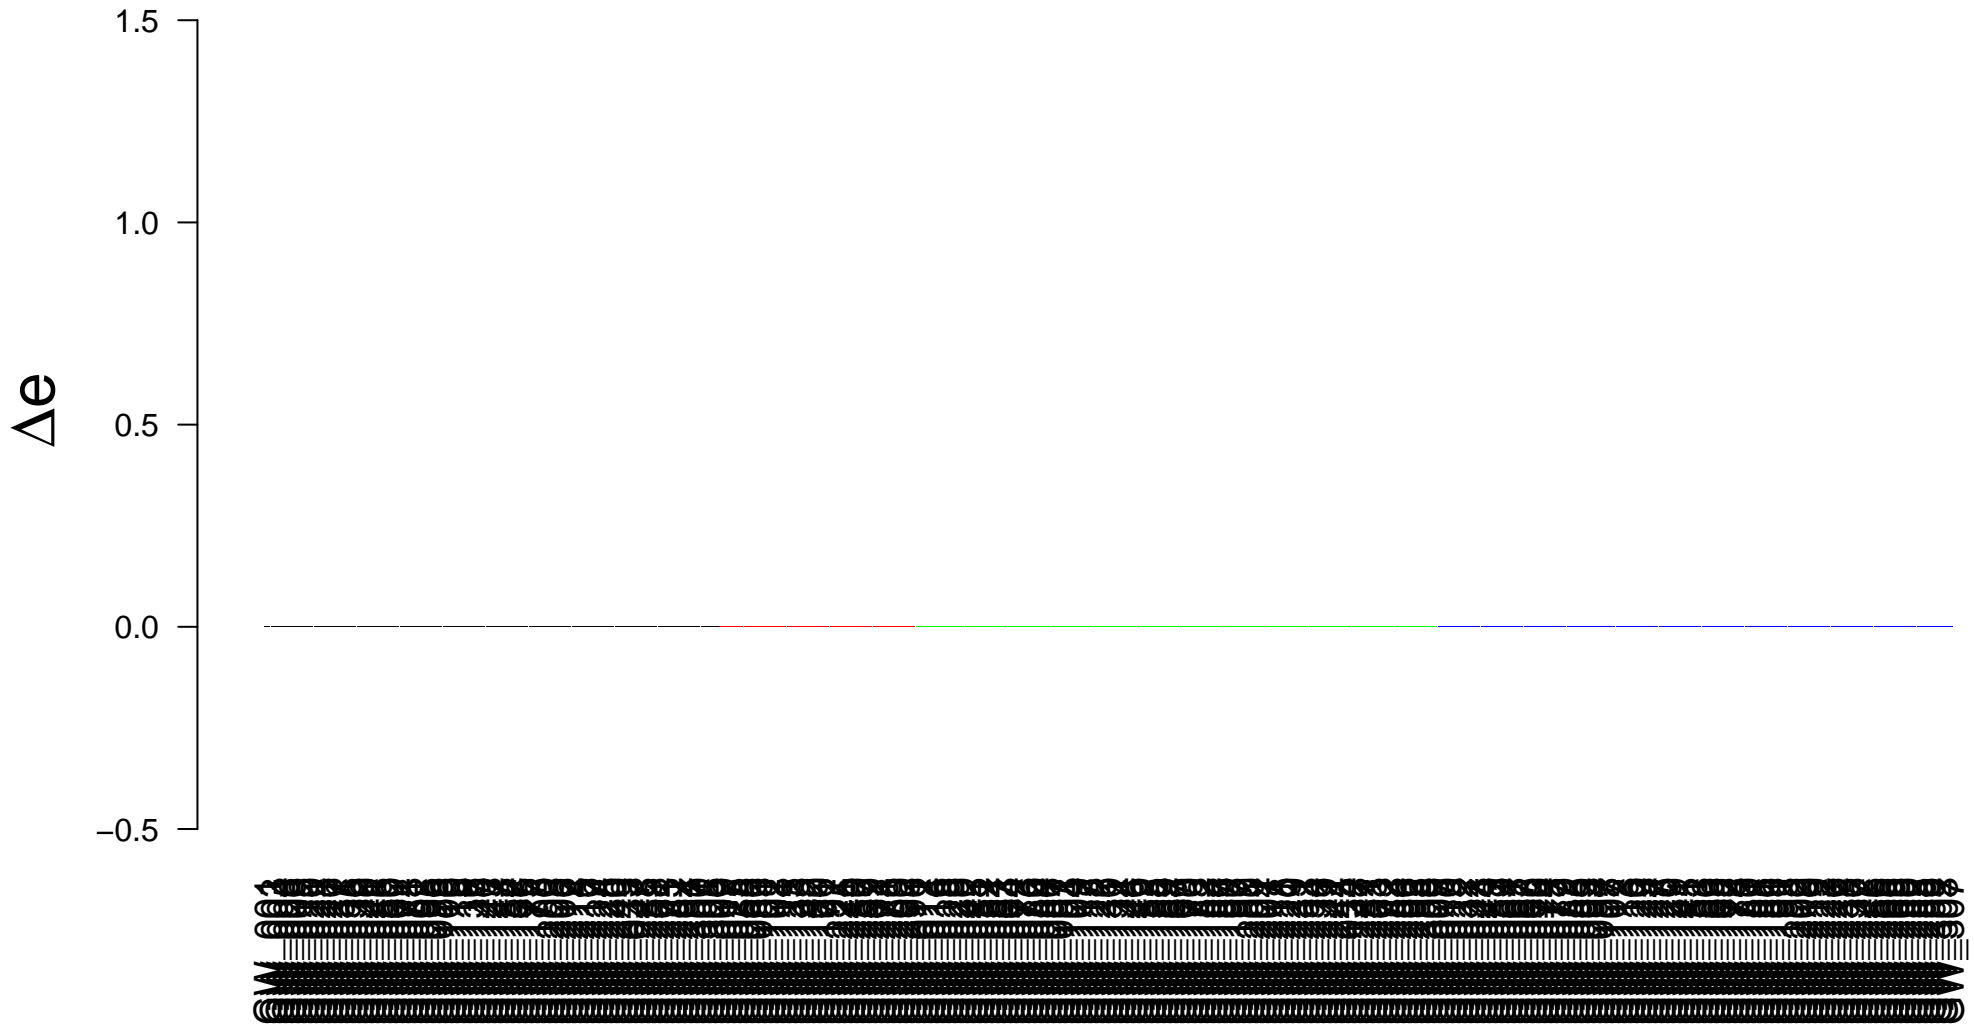

Expression of axonemal dynein complex in Spot I

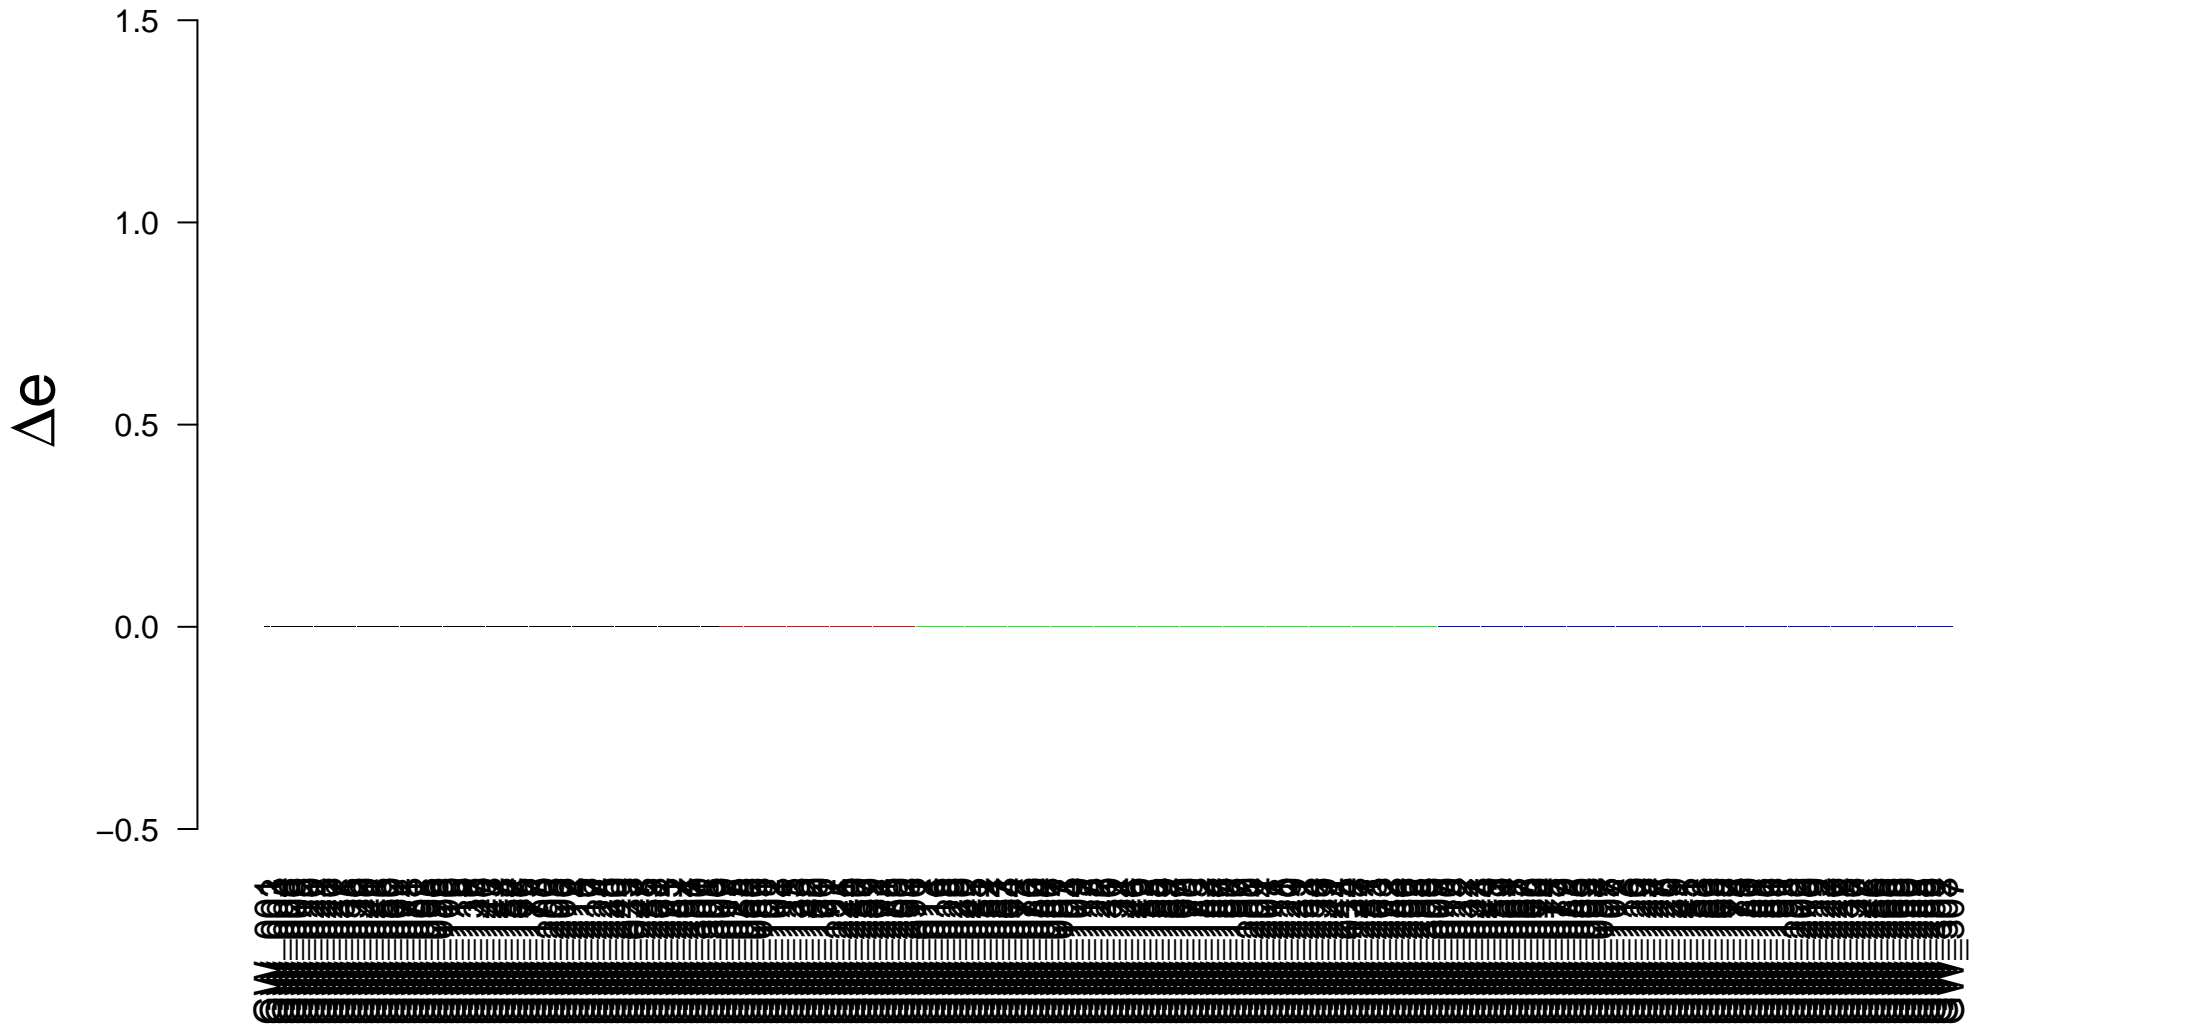

Expression of axonemal dynein complex in Spot J

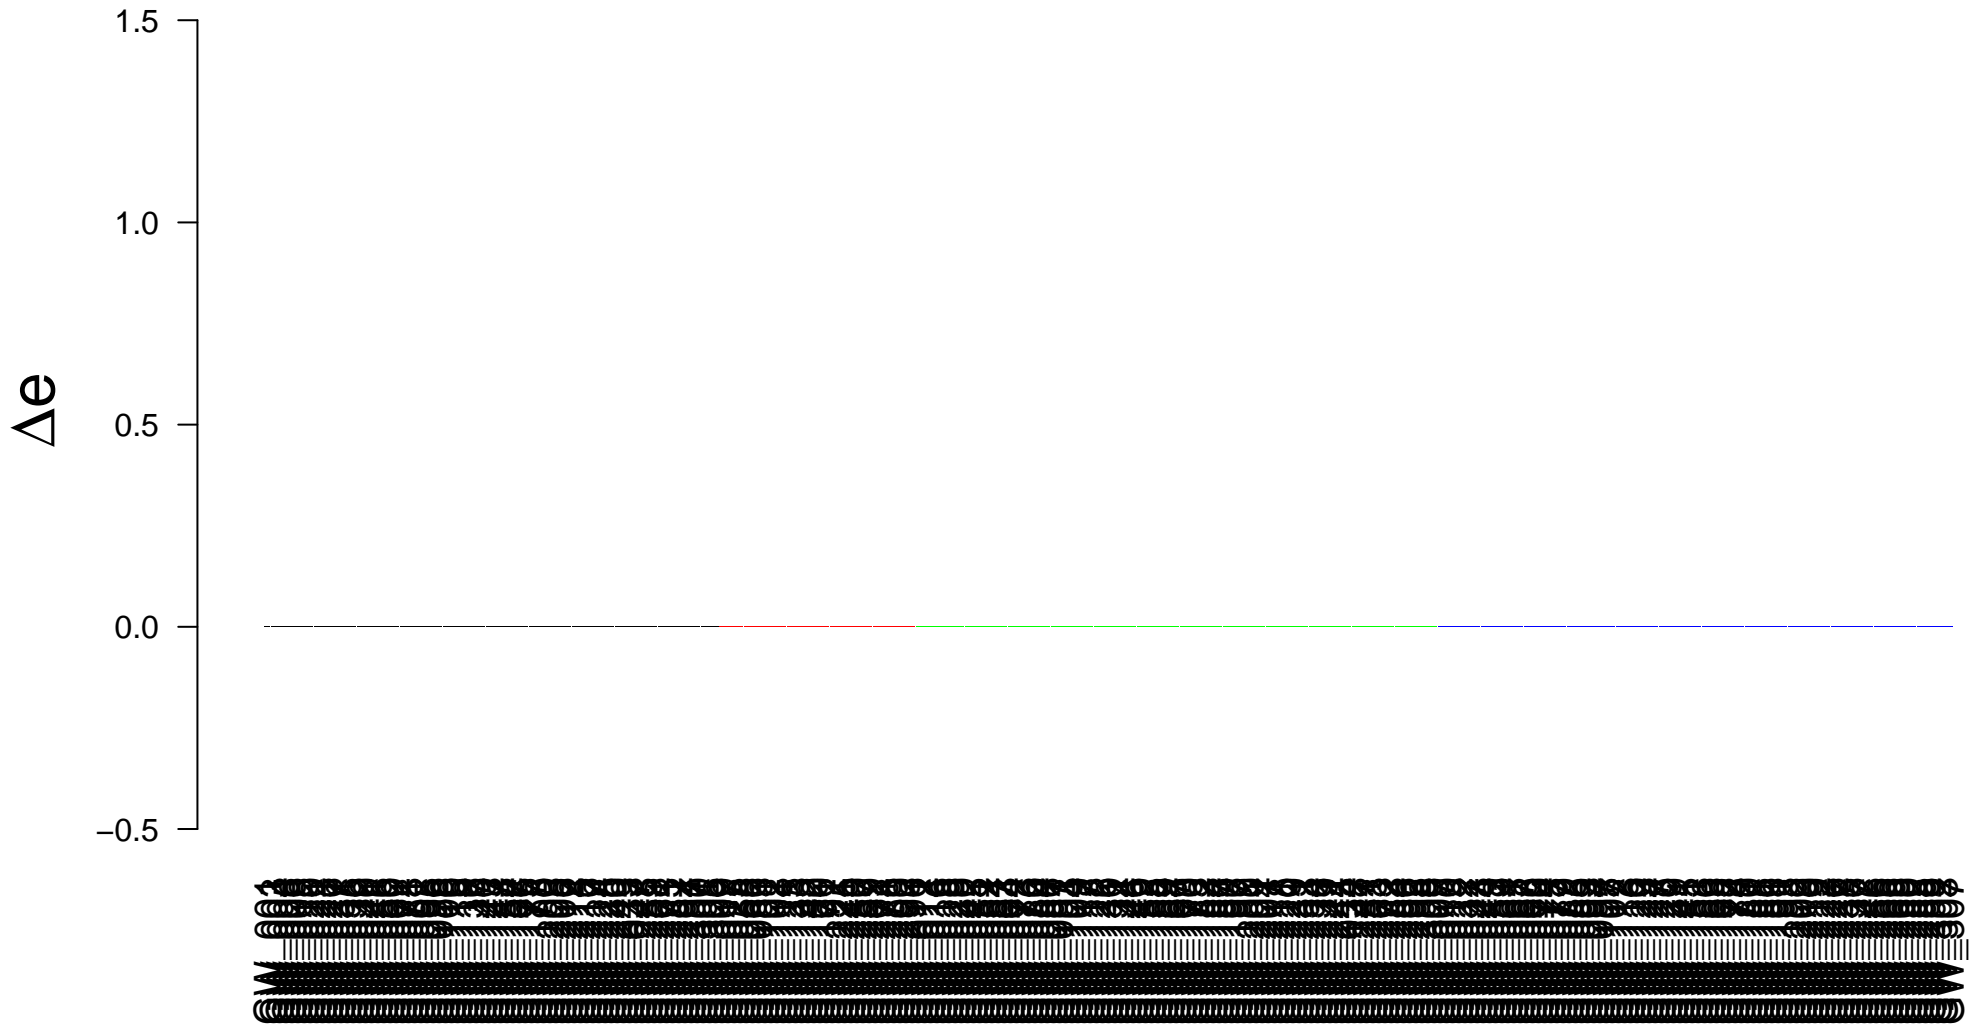

Expression of axonemal dynein complex in Spot K

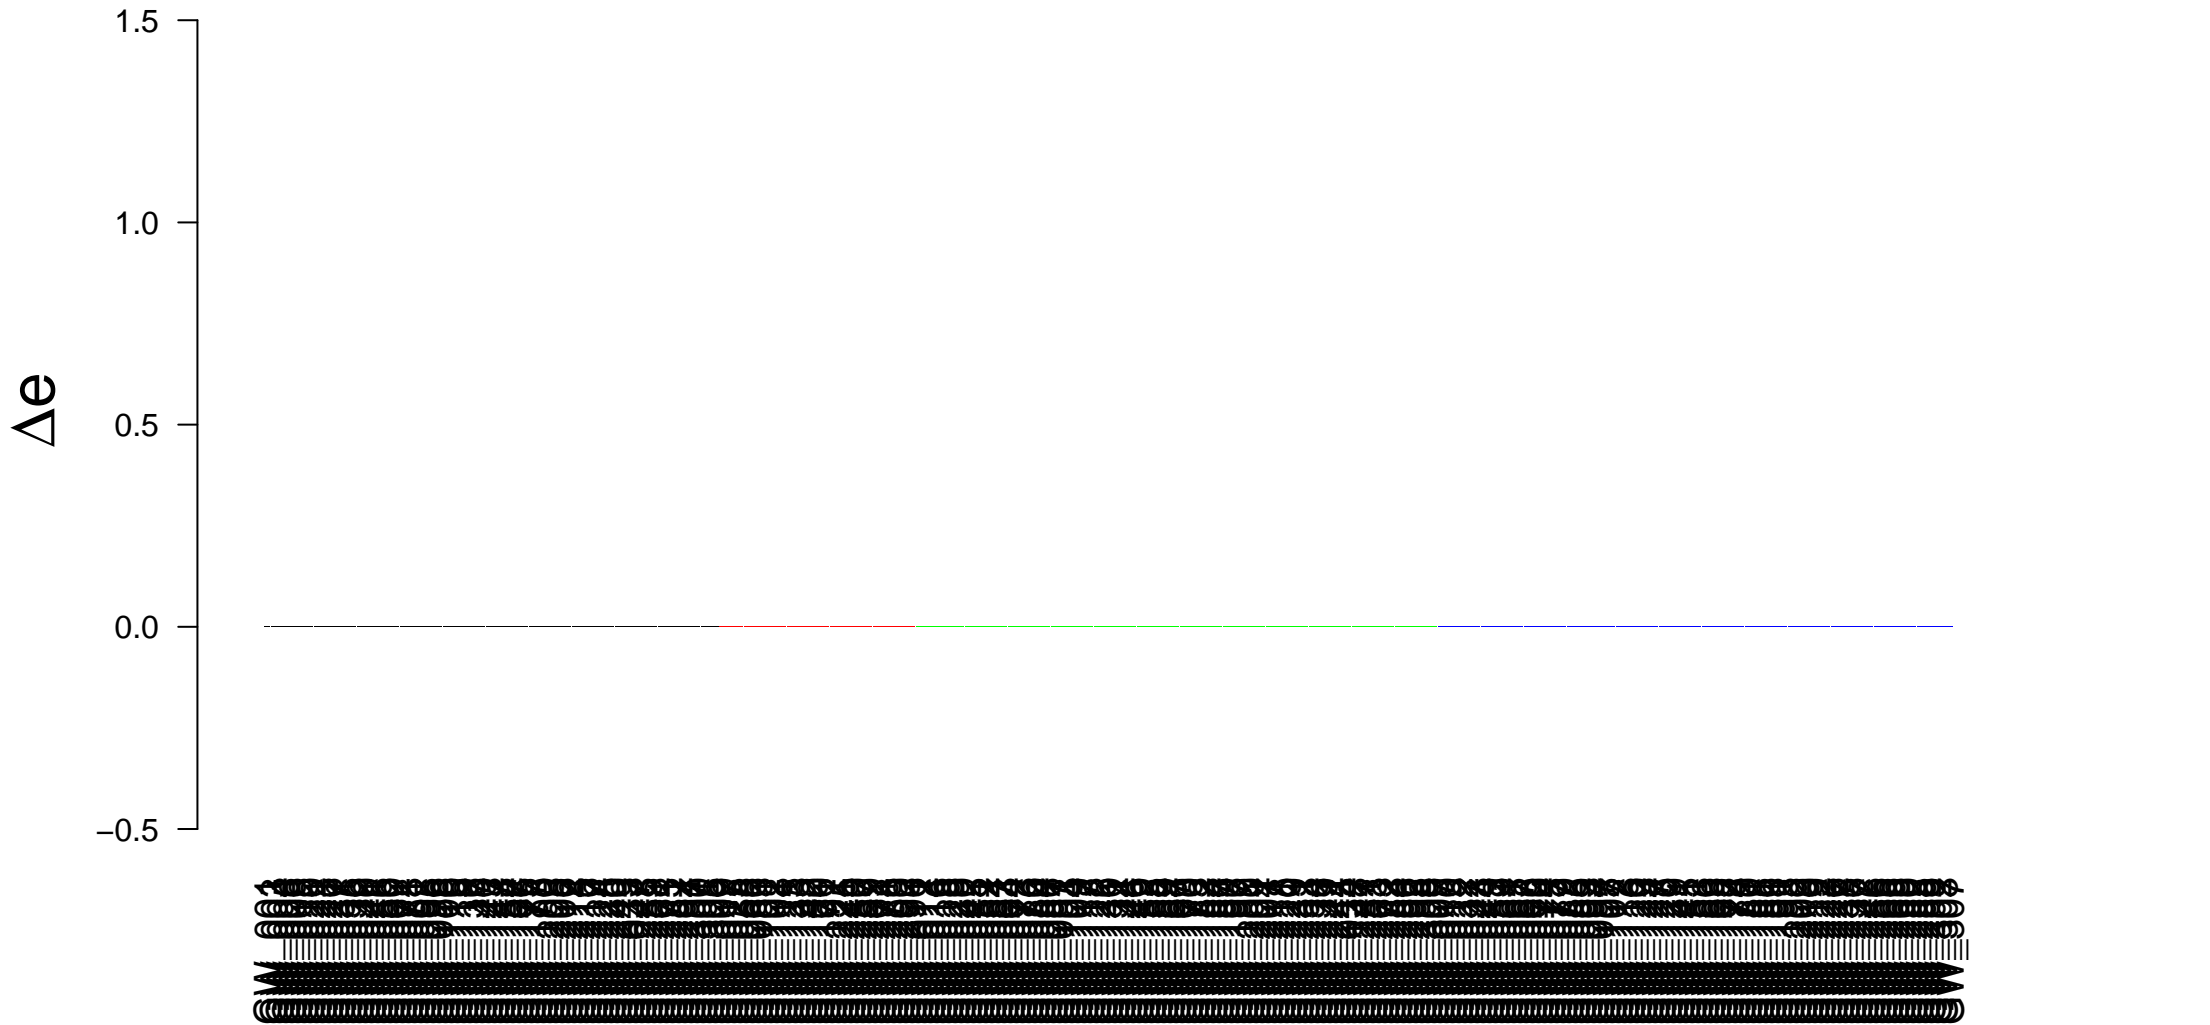

Expression of axonemal dynein complex in Spot L

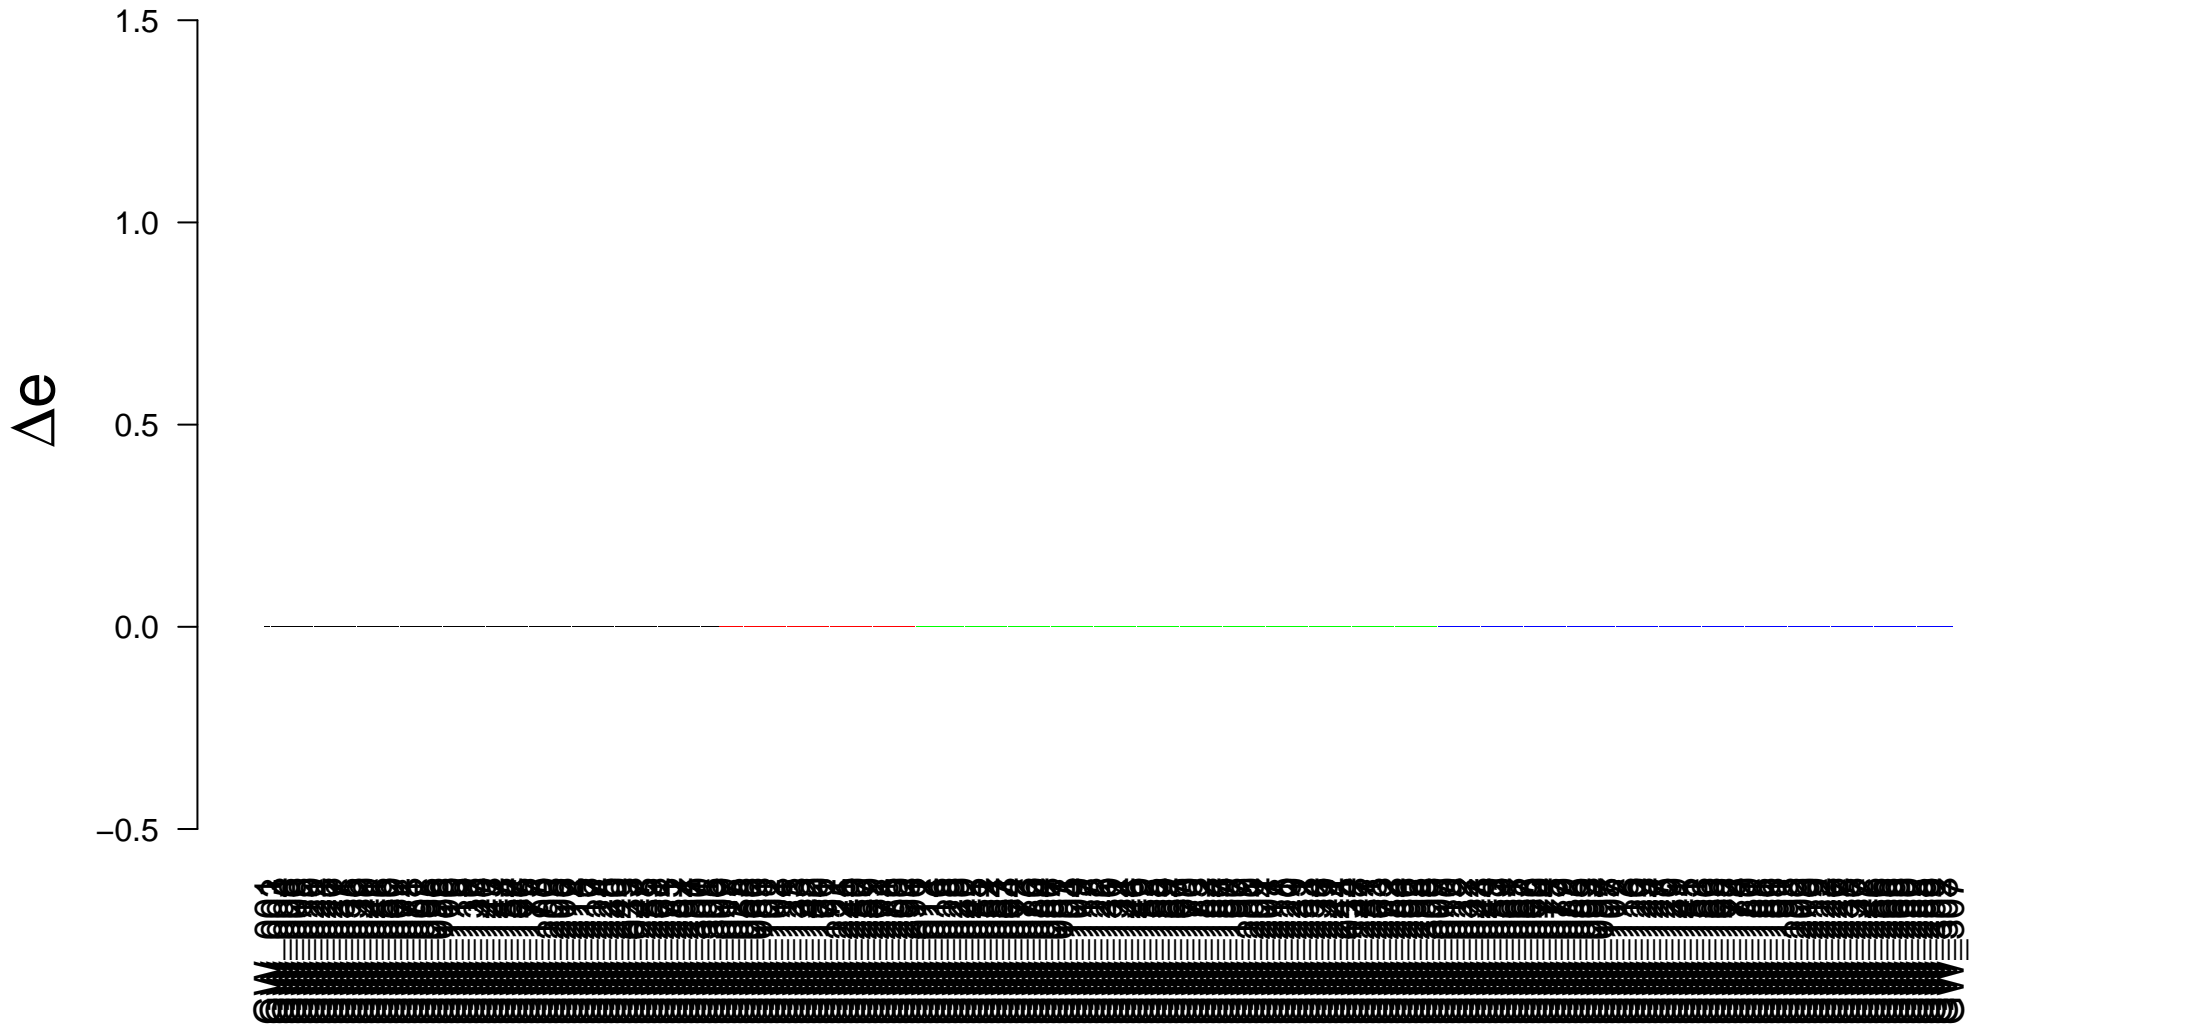

Expression of axonemal dynein complex in Spot M

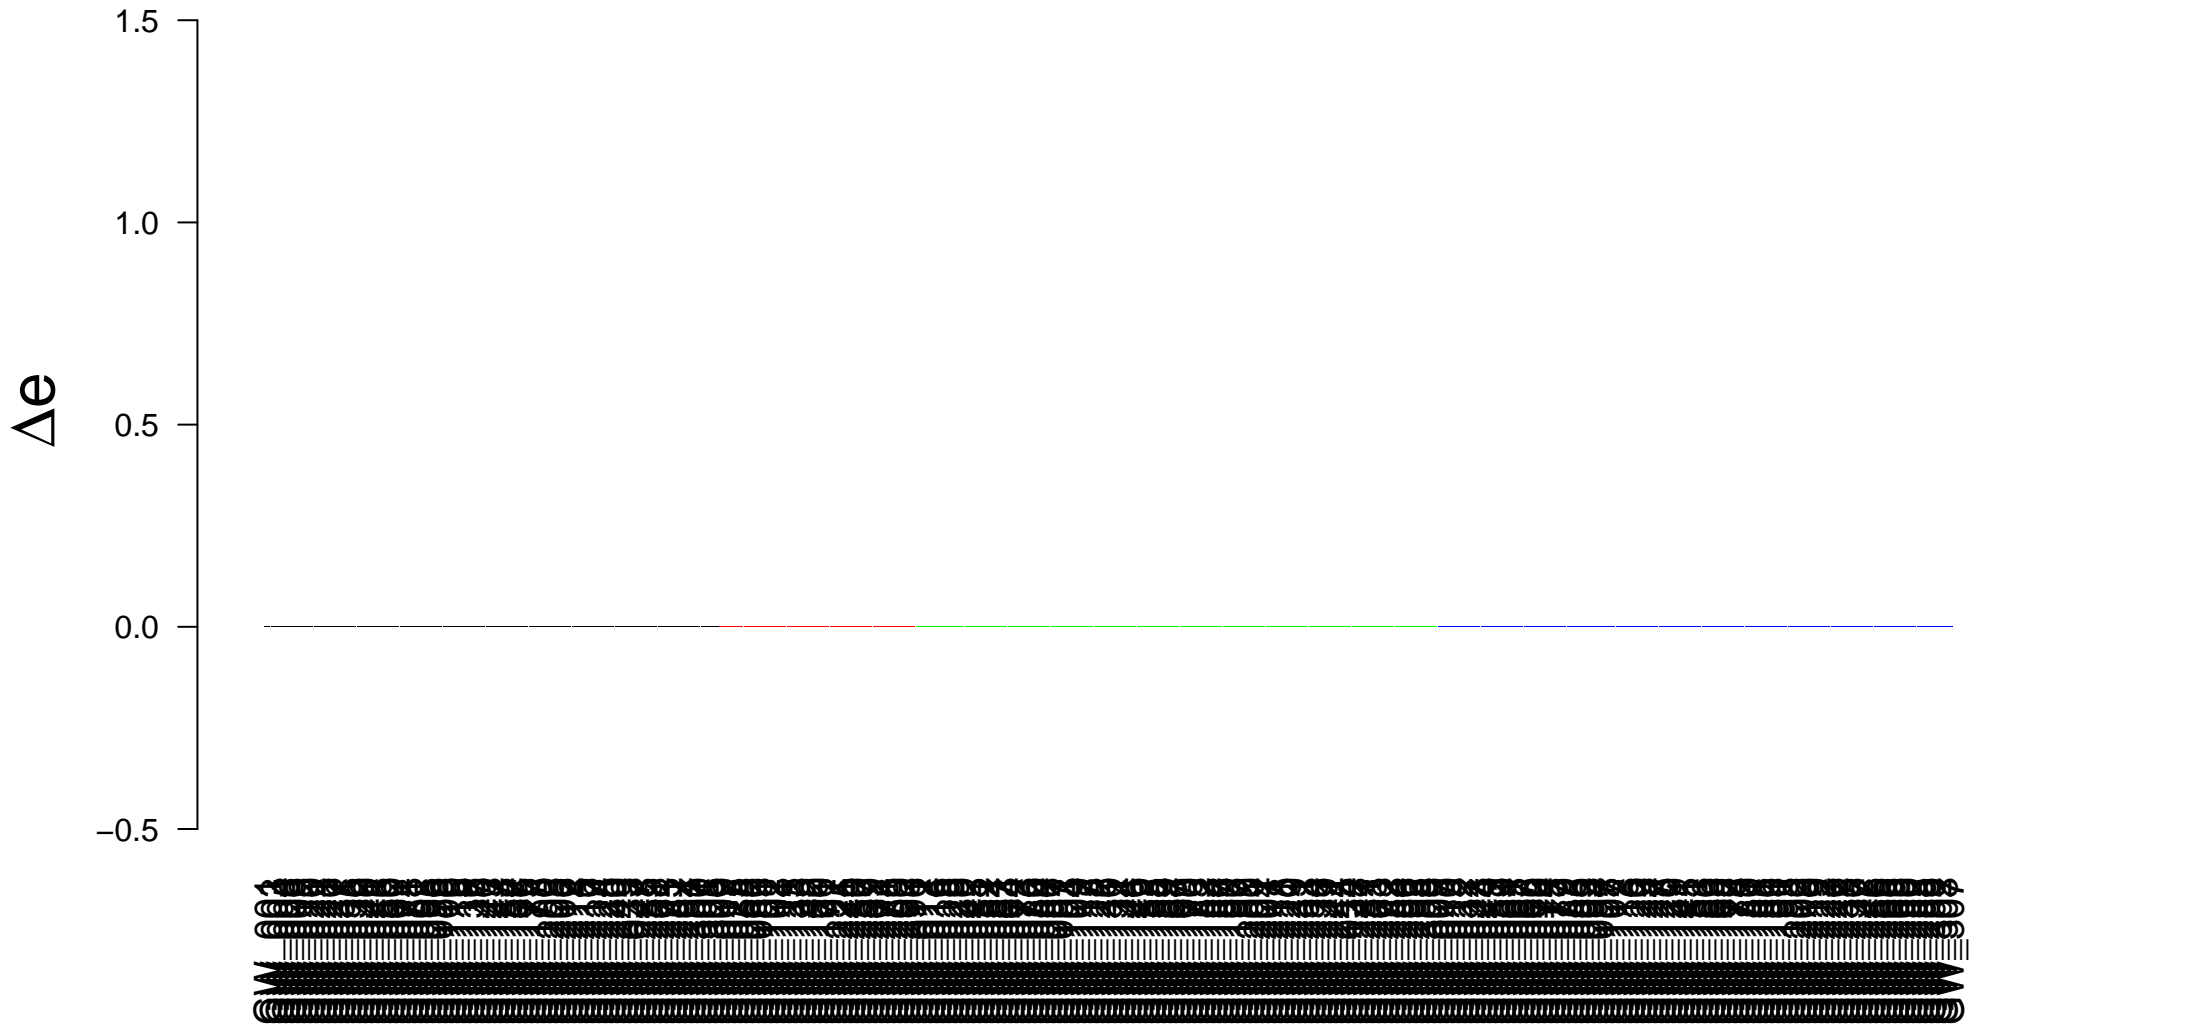

Expression of axonemal dynein complex in Spot N

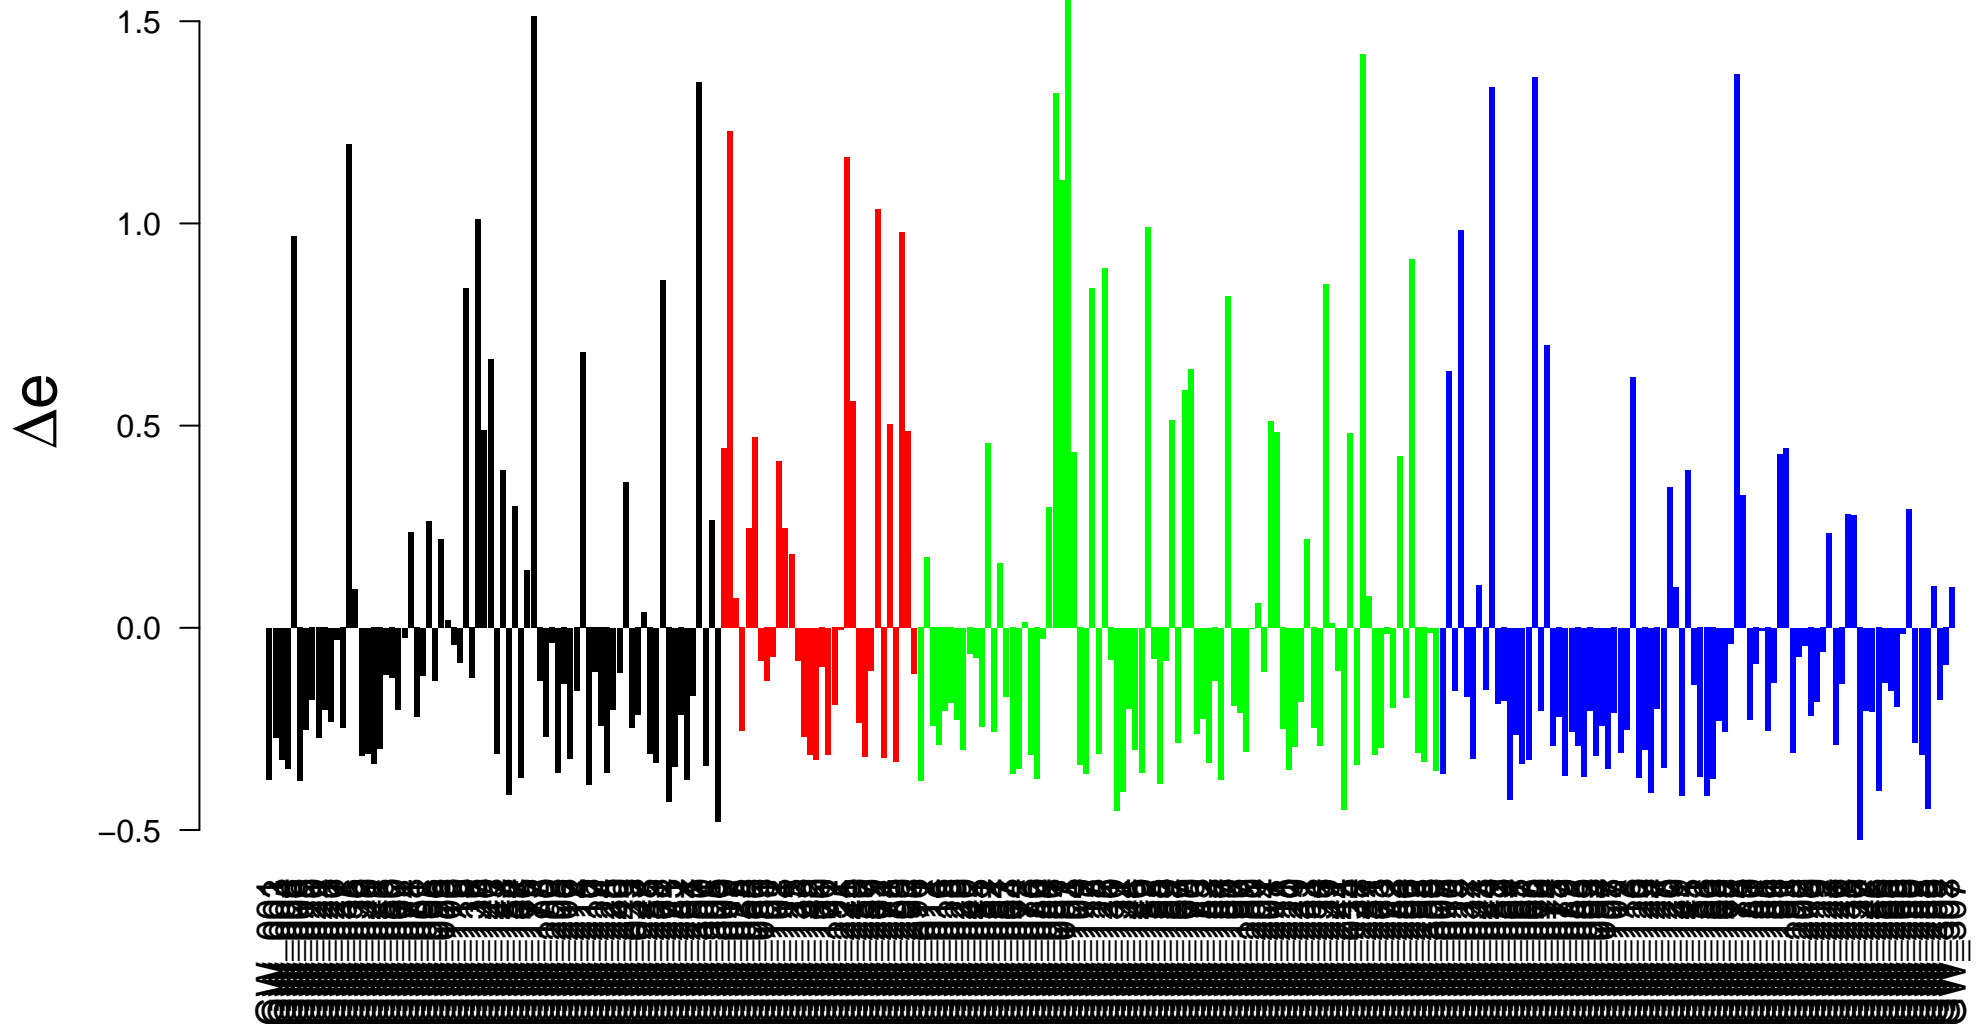

Expression of axonemal dynein complex in Spot O

Expression of axonemal dynein complex in Spot P

Expression of axonemal dynein complex in Spot Q

Expression of axonemal dynein complex in Spot R
