

beta-amyloid binding

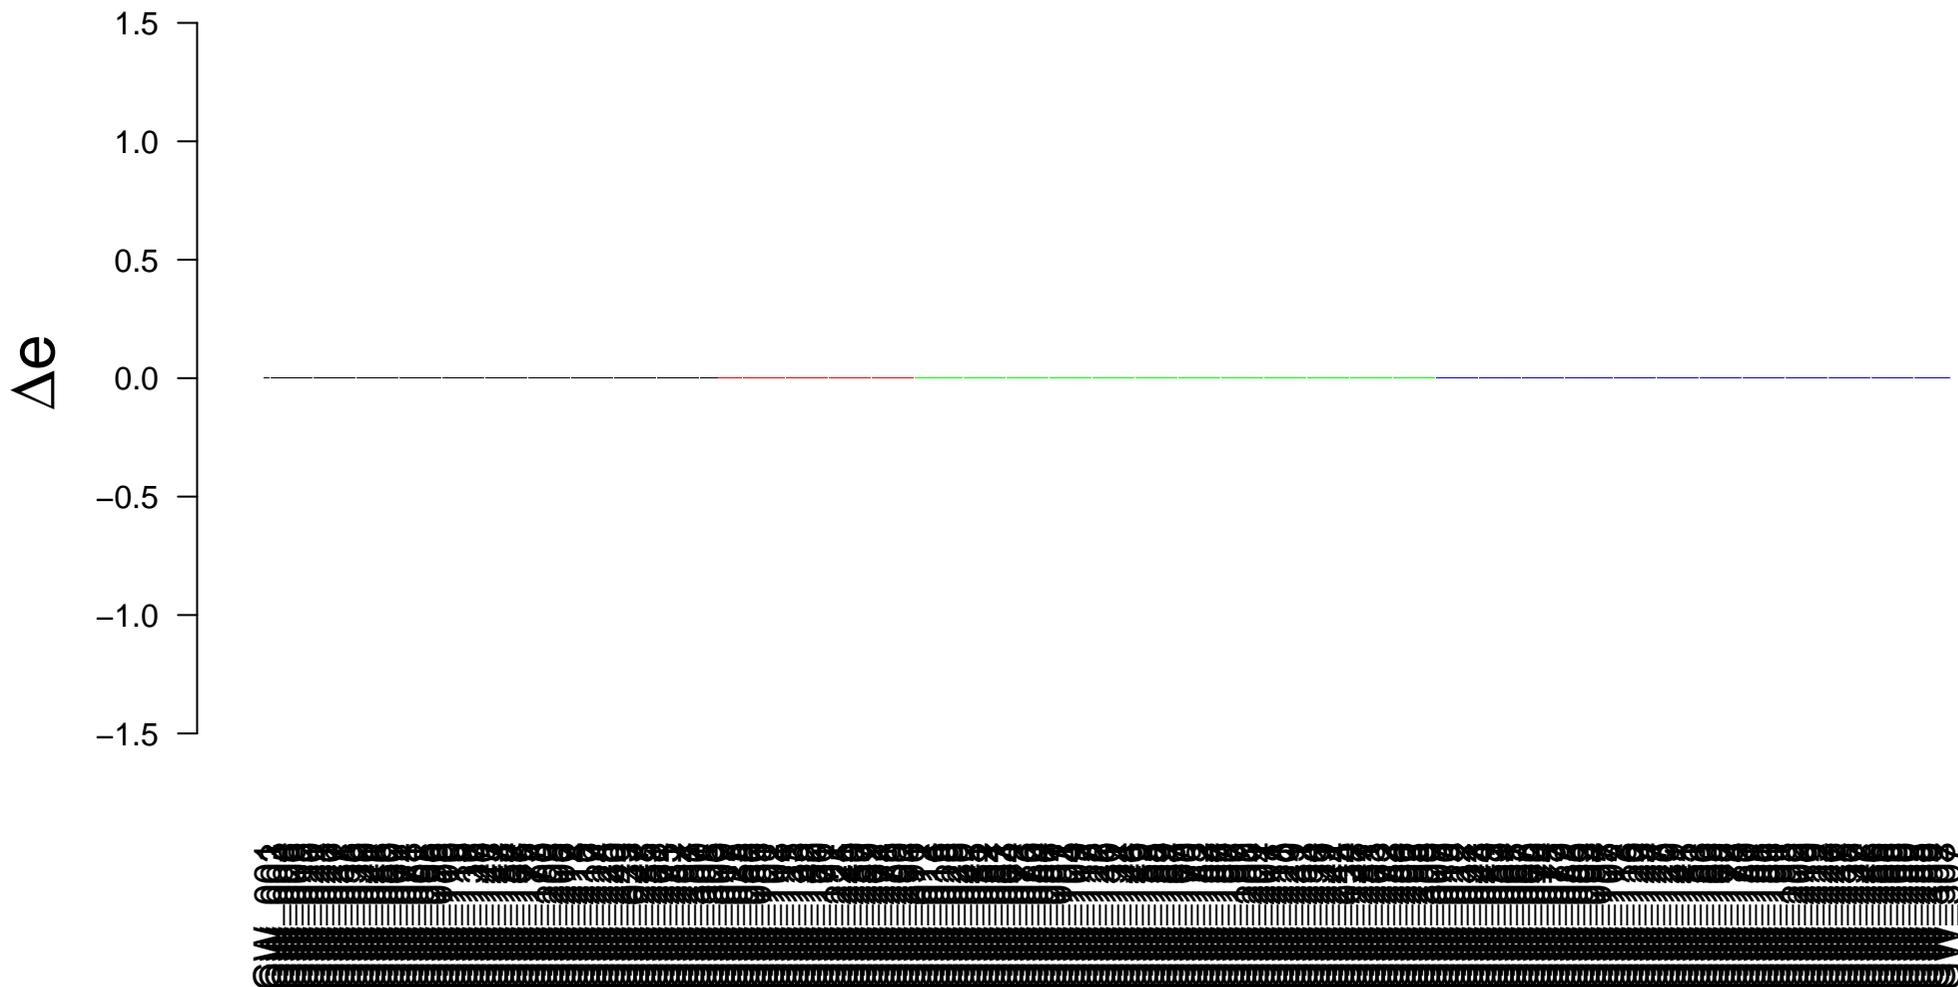

beta-amyloid binding

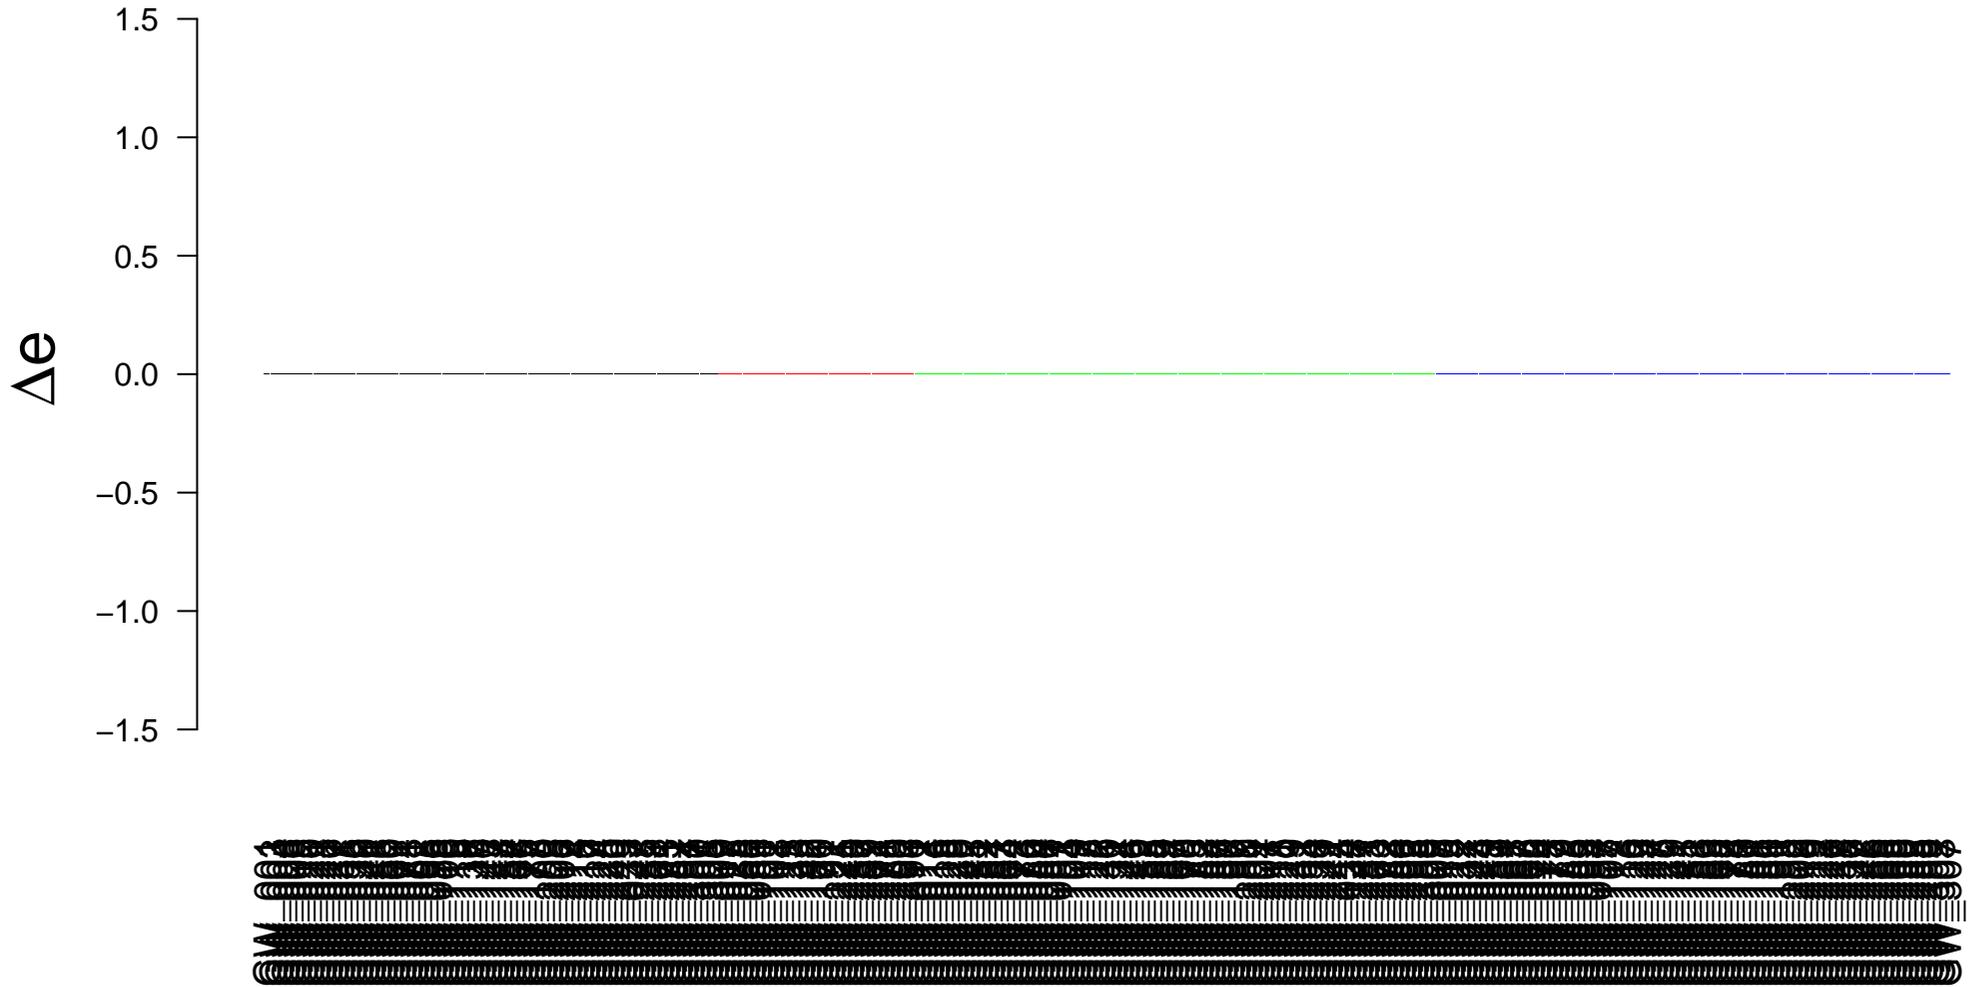

Enrichment in spots: beta-amyloid binding

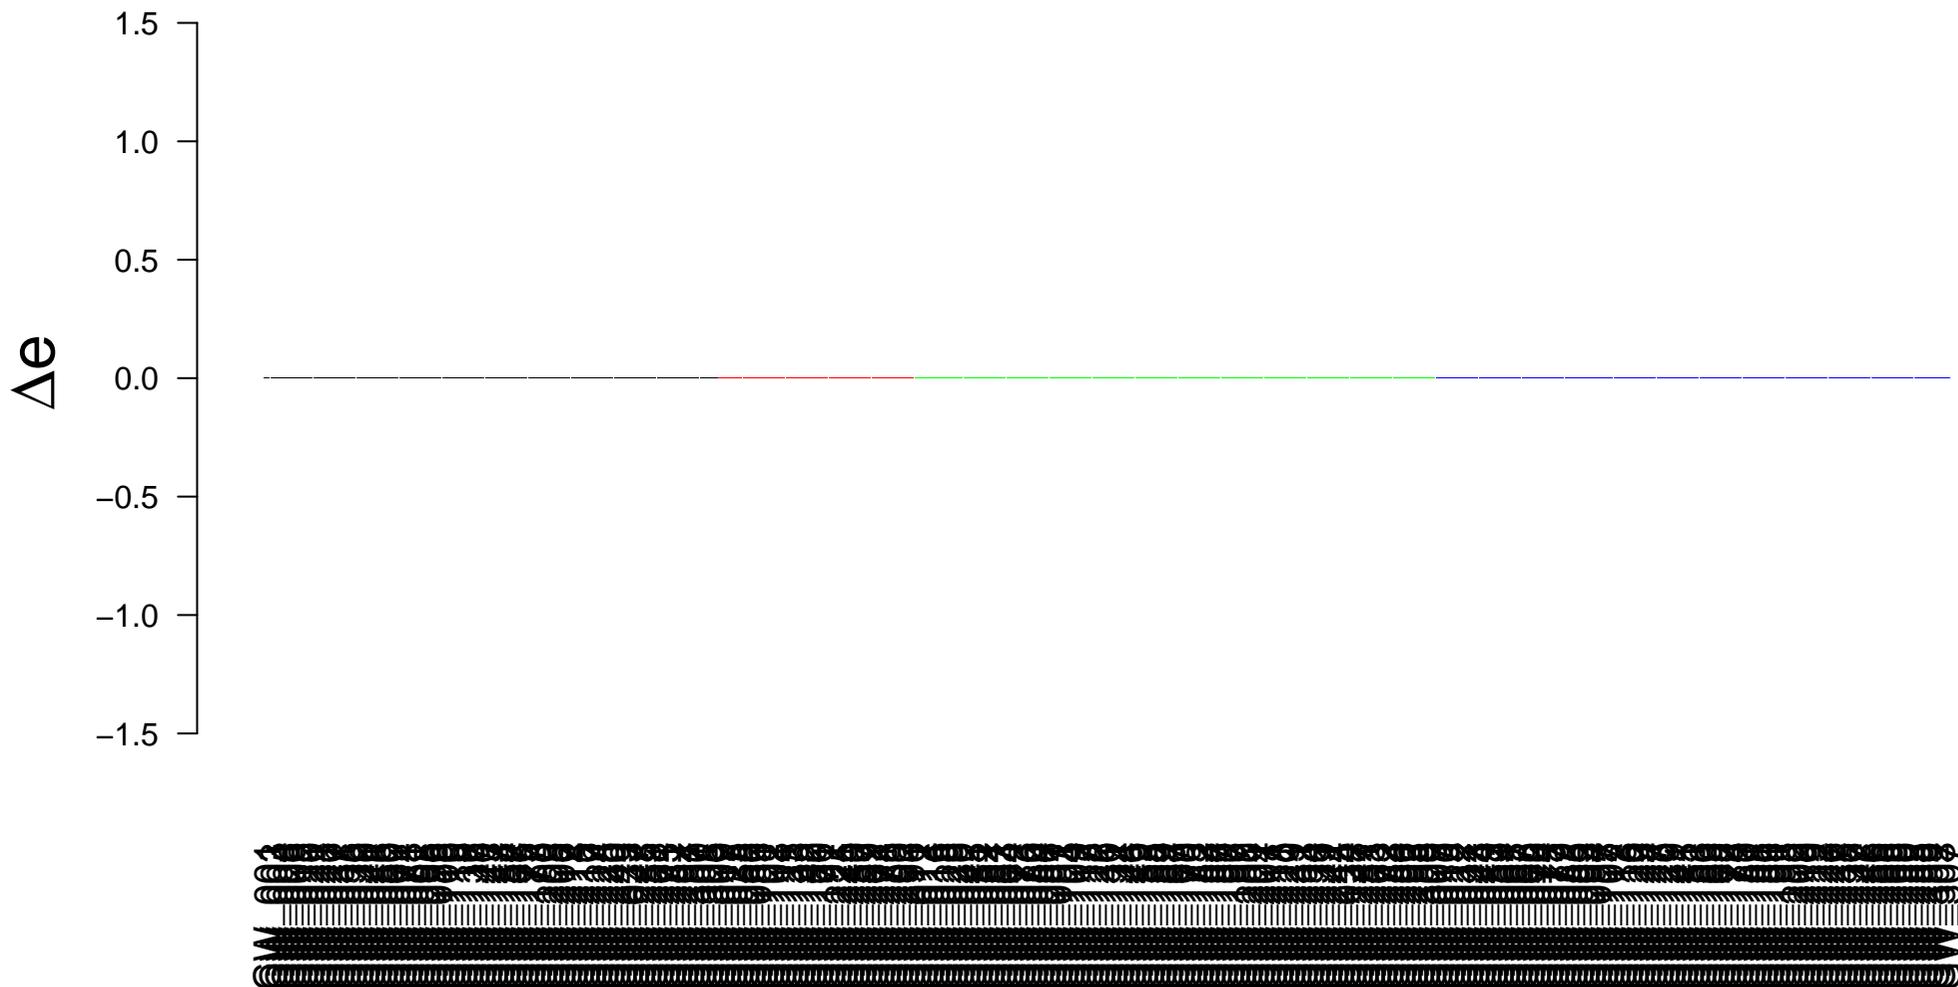

Expression of beta-amyloid binding in Spot A

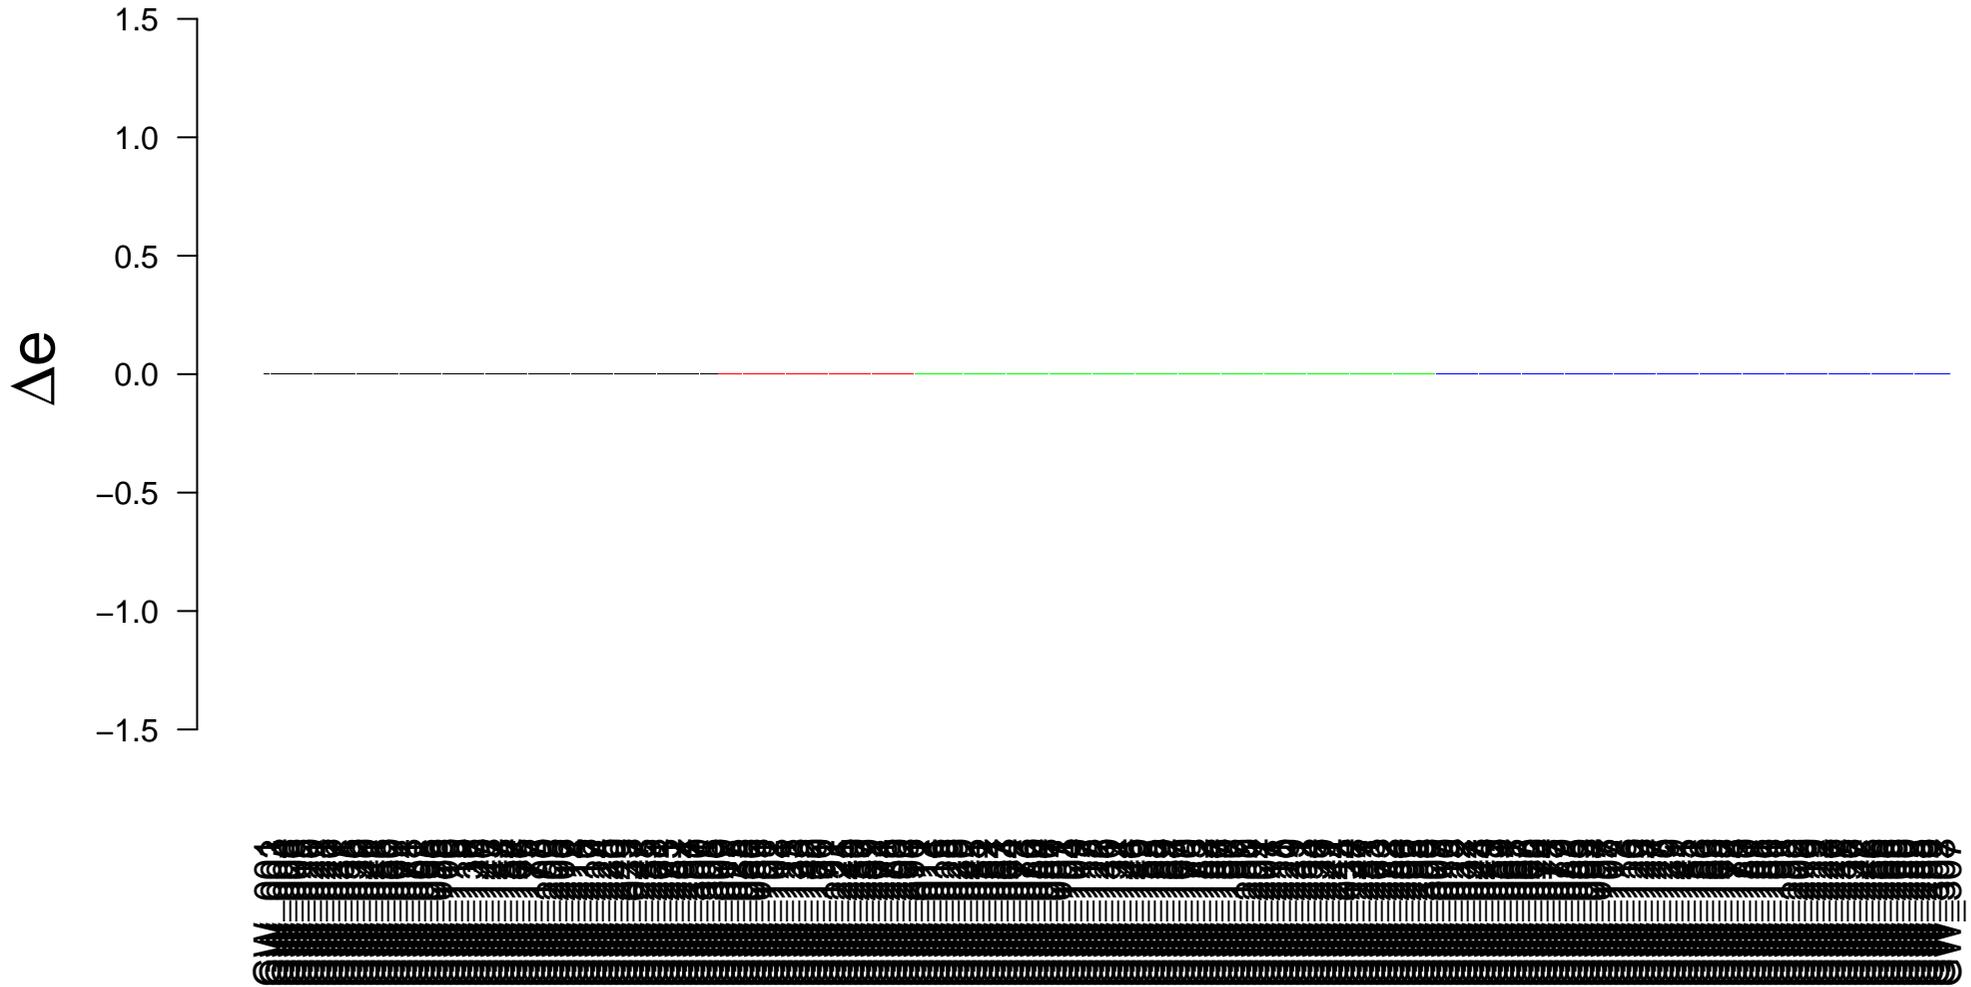

Expression of beta-amyloid binding in Spot B

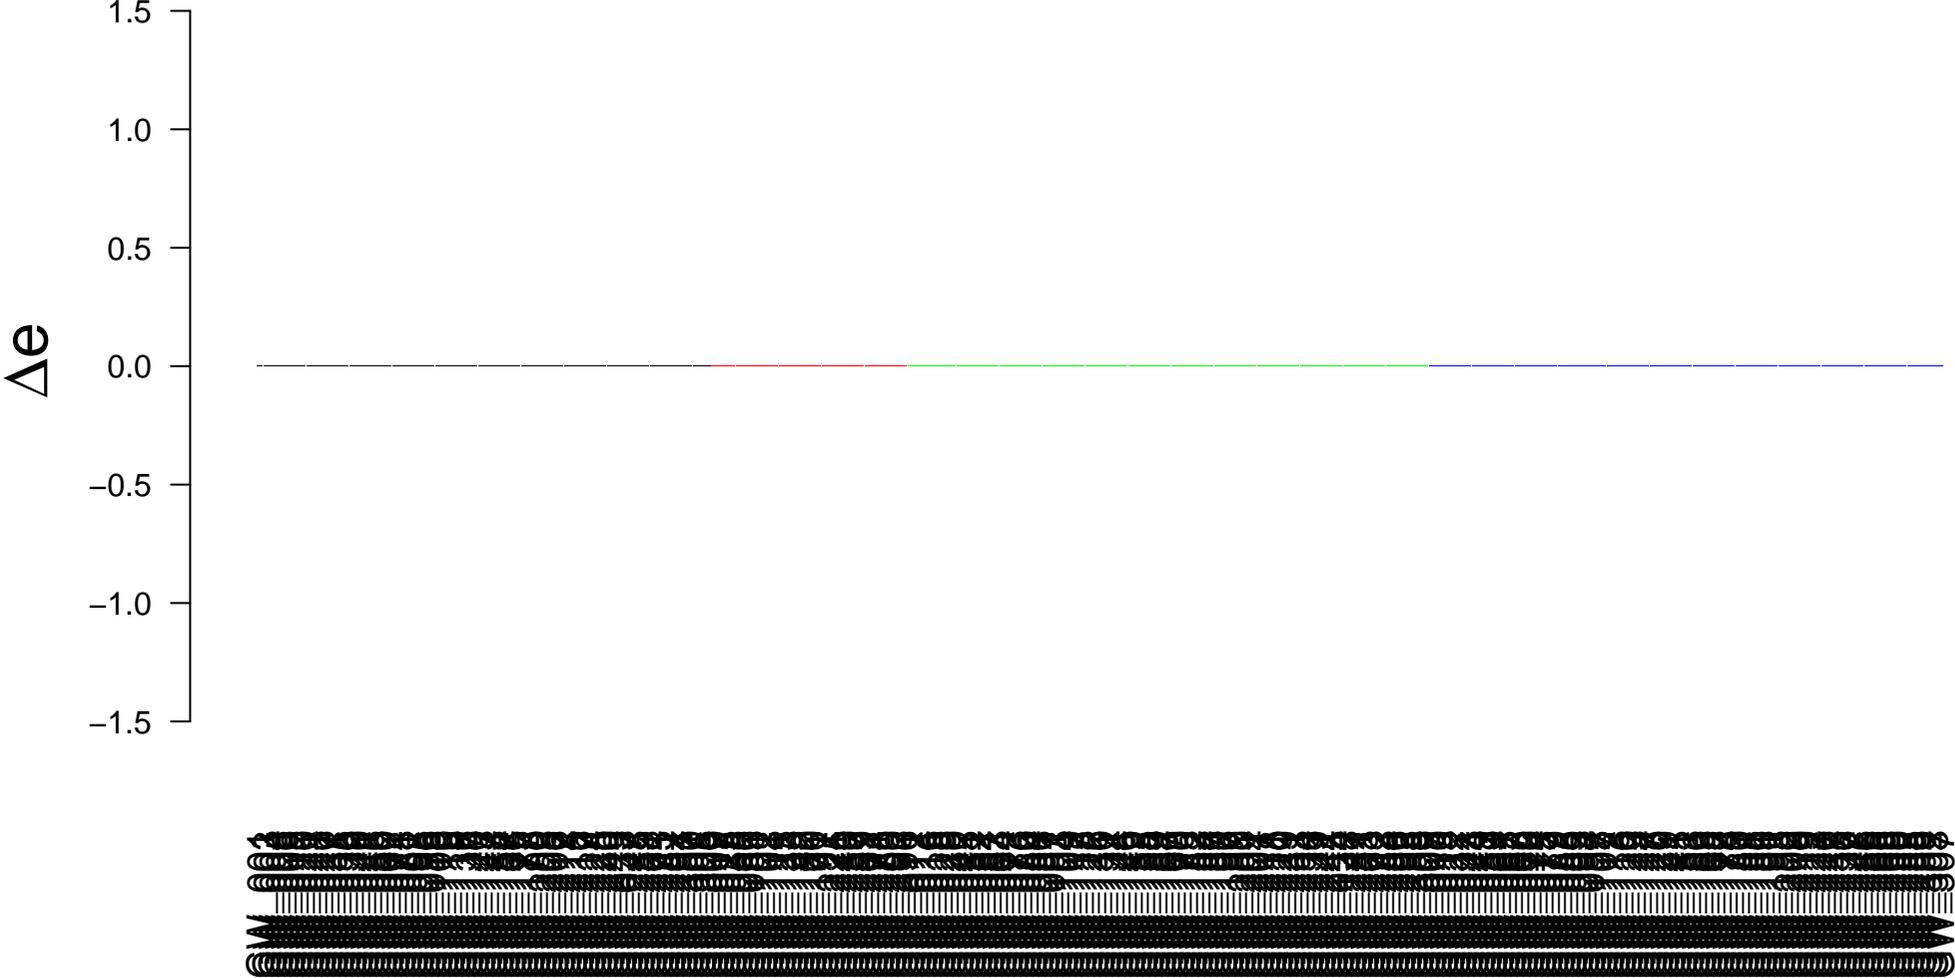

Expression of beta-amyloid binding in Spot C

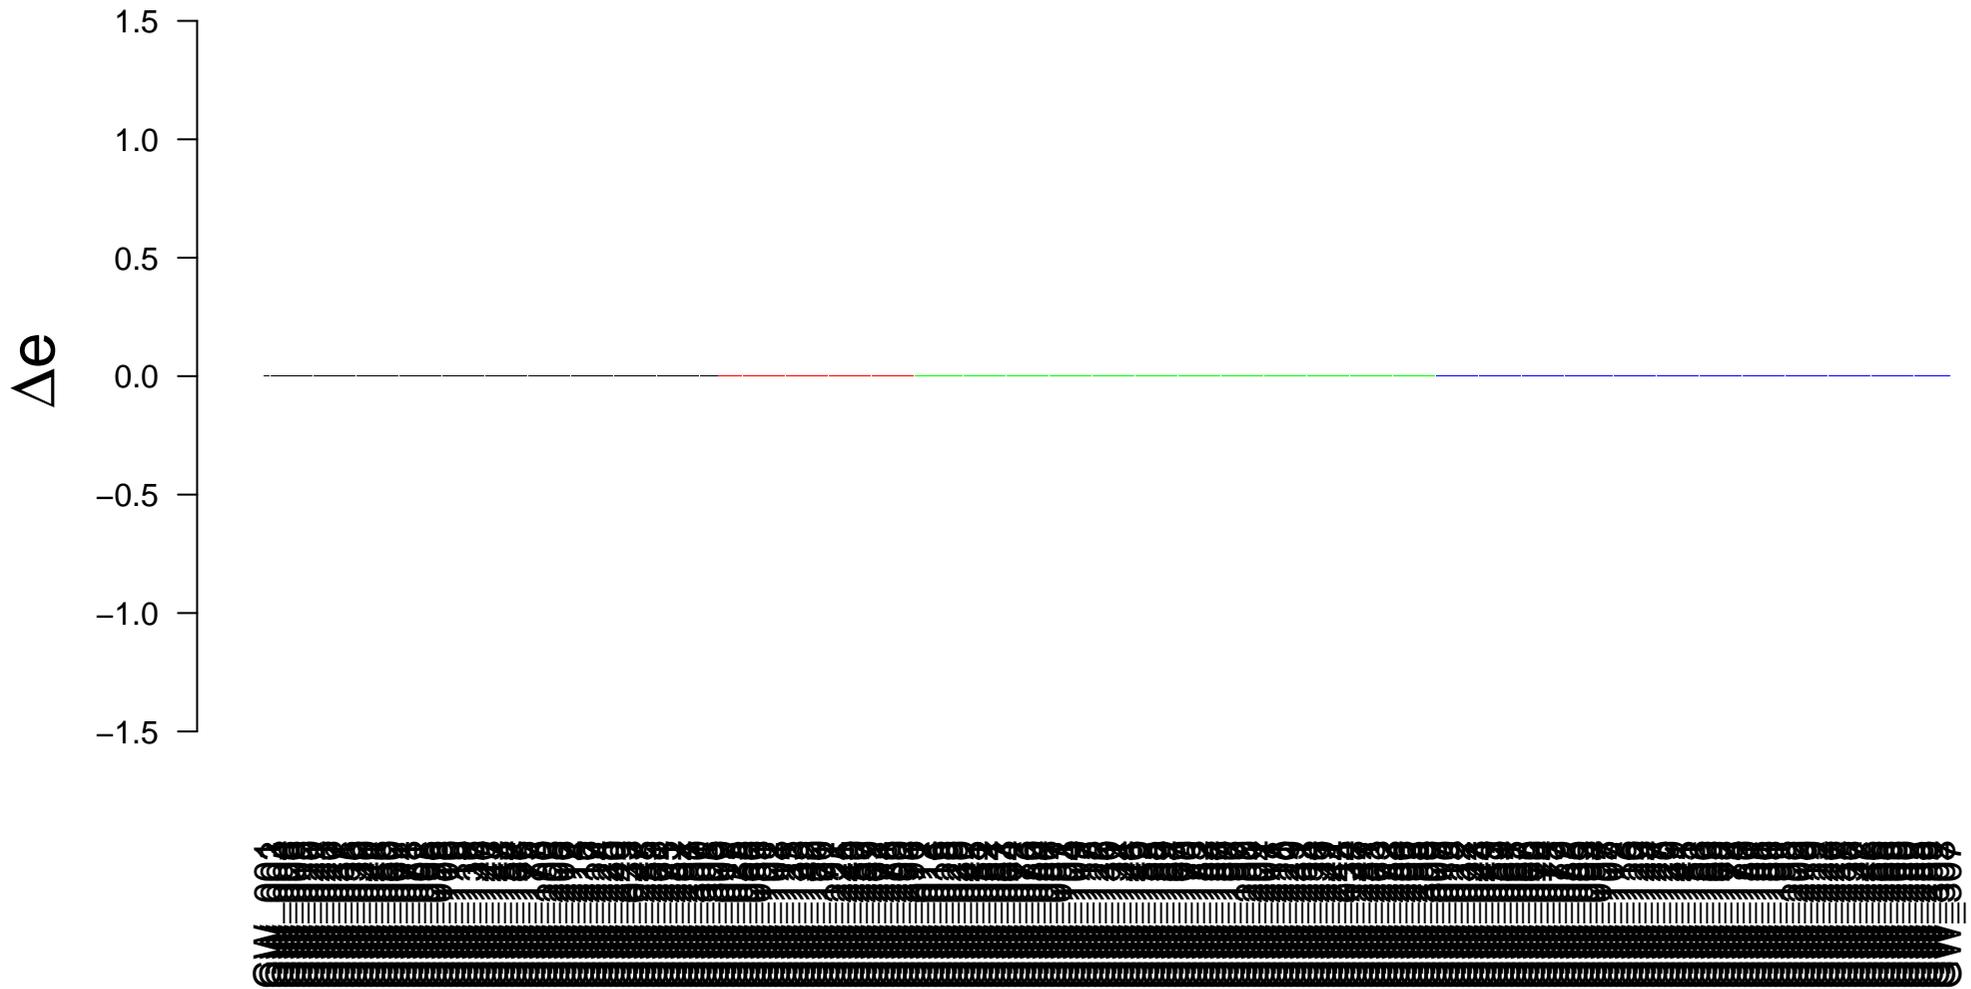

Expression of beta-amyloid binding in Spot D

Expression of beta-amyloid binding in Spot E

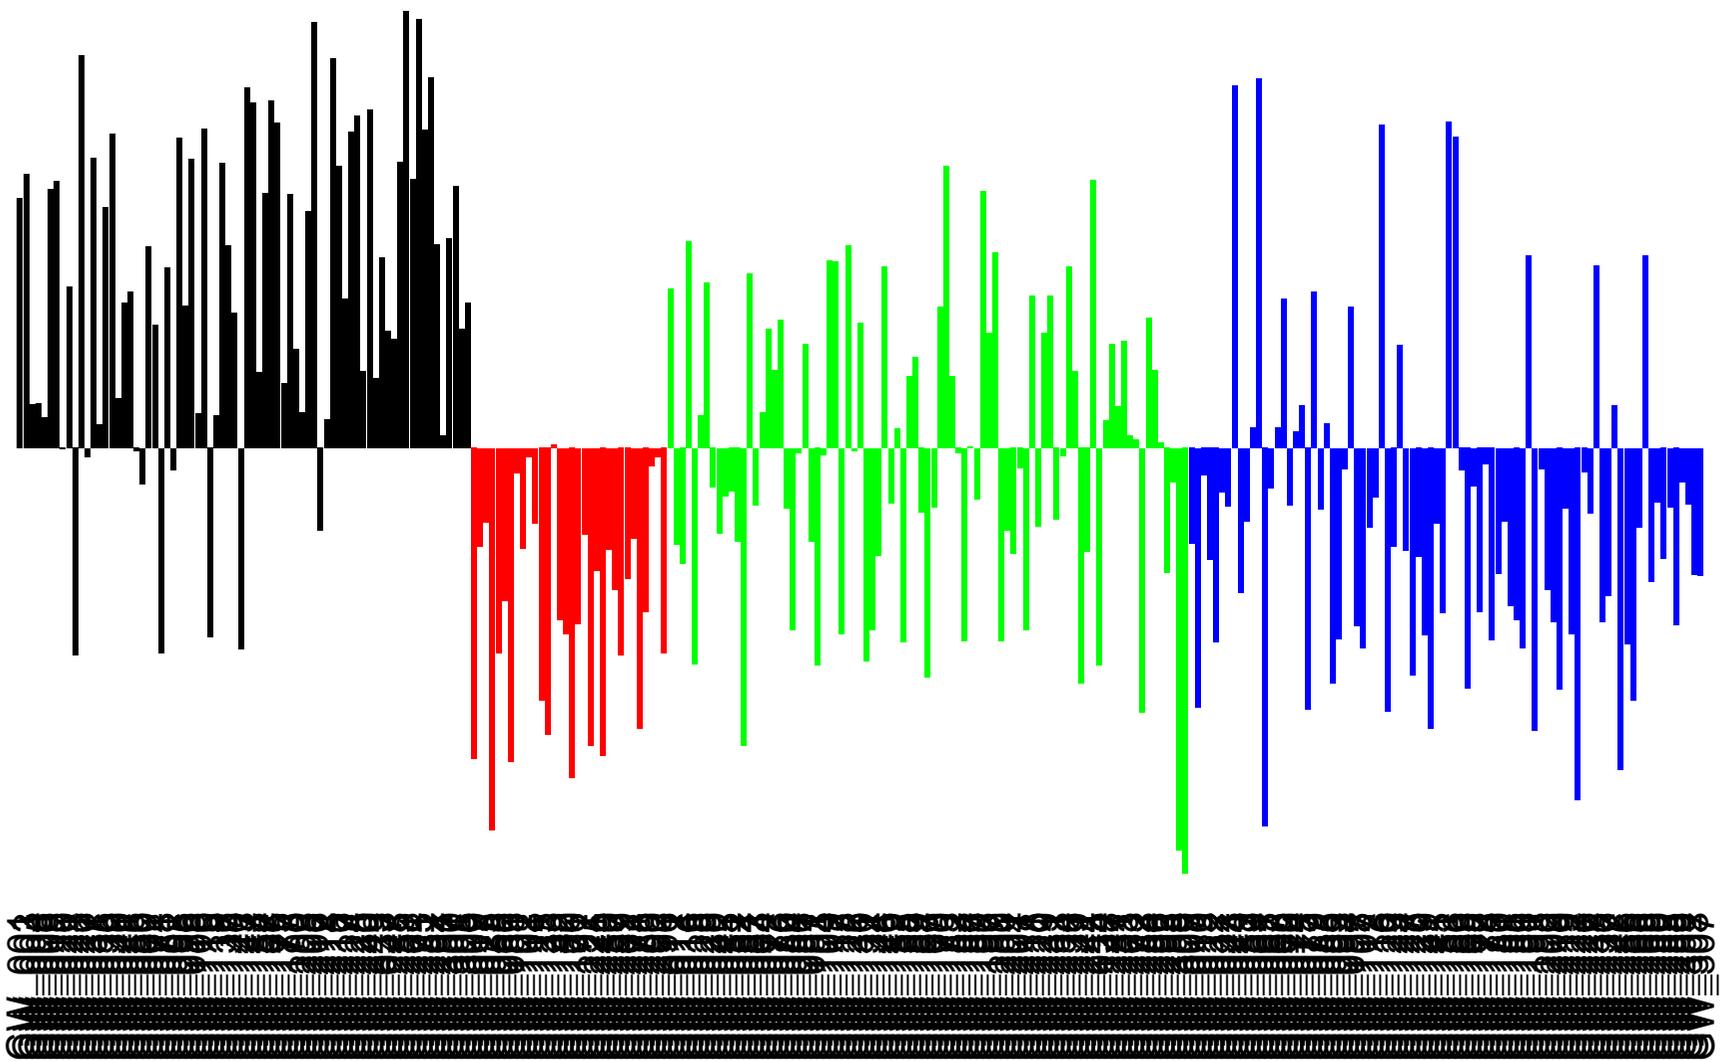

Expression of beta-amyloid binding in Spot F

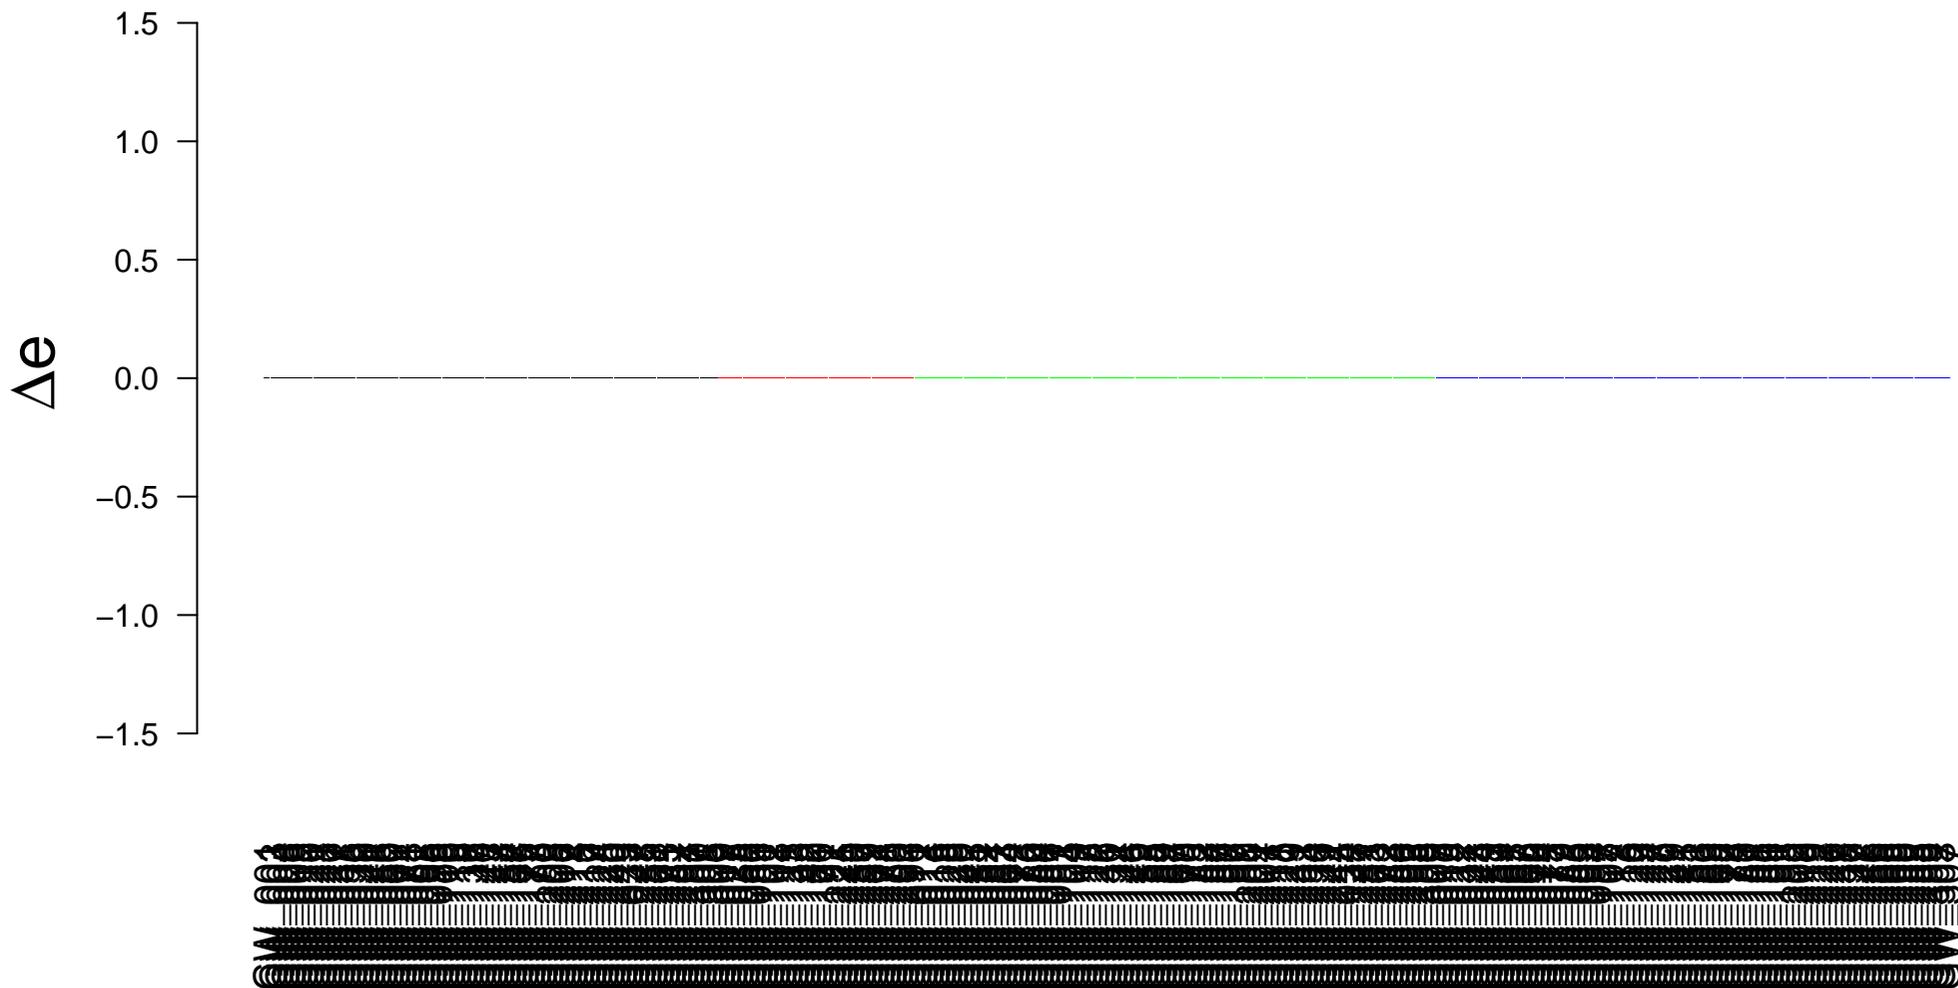

Expression of beta-amyloid binding in Spot G
