

biosynthetic process

biosynthetic process

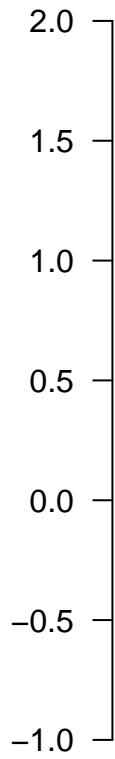

Enrichment in spots: biosynthetic process

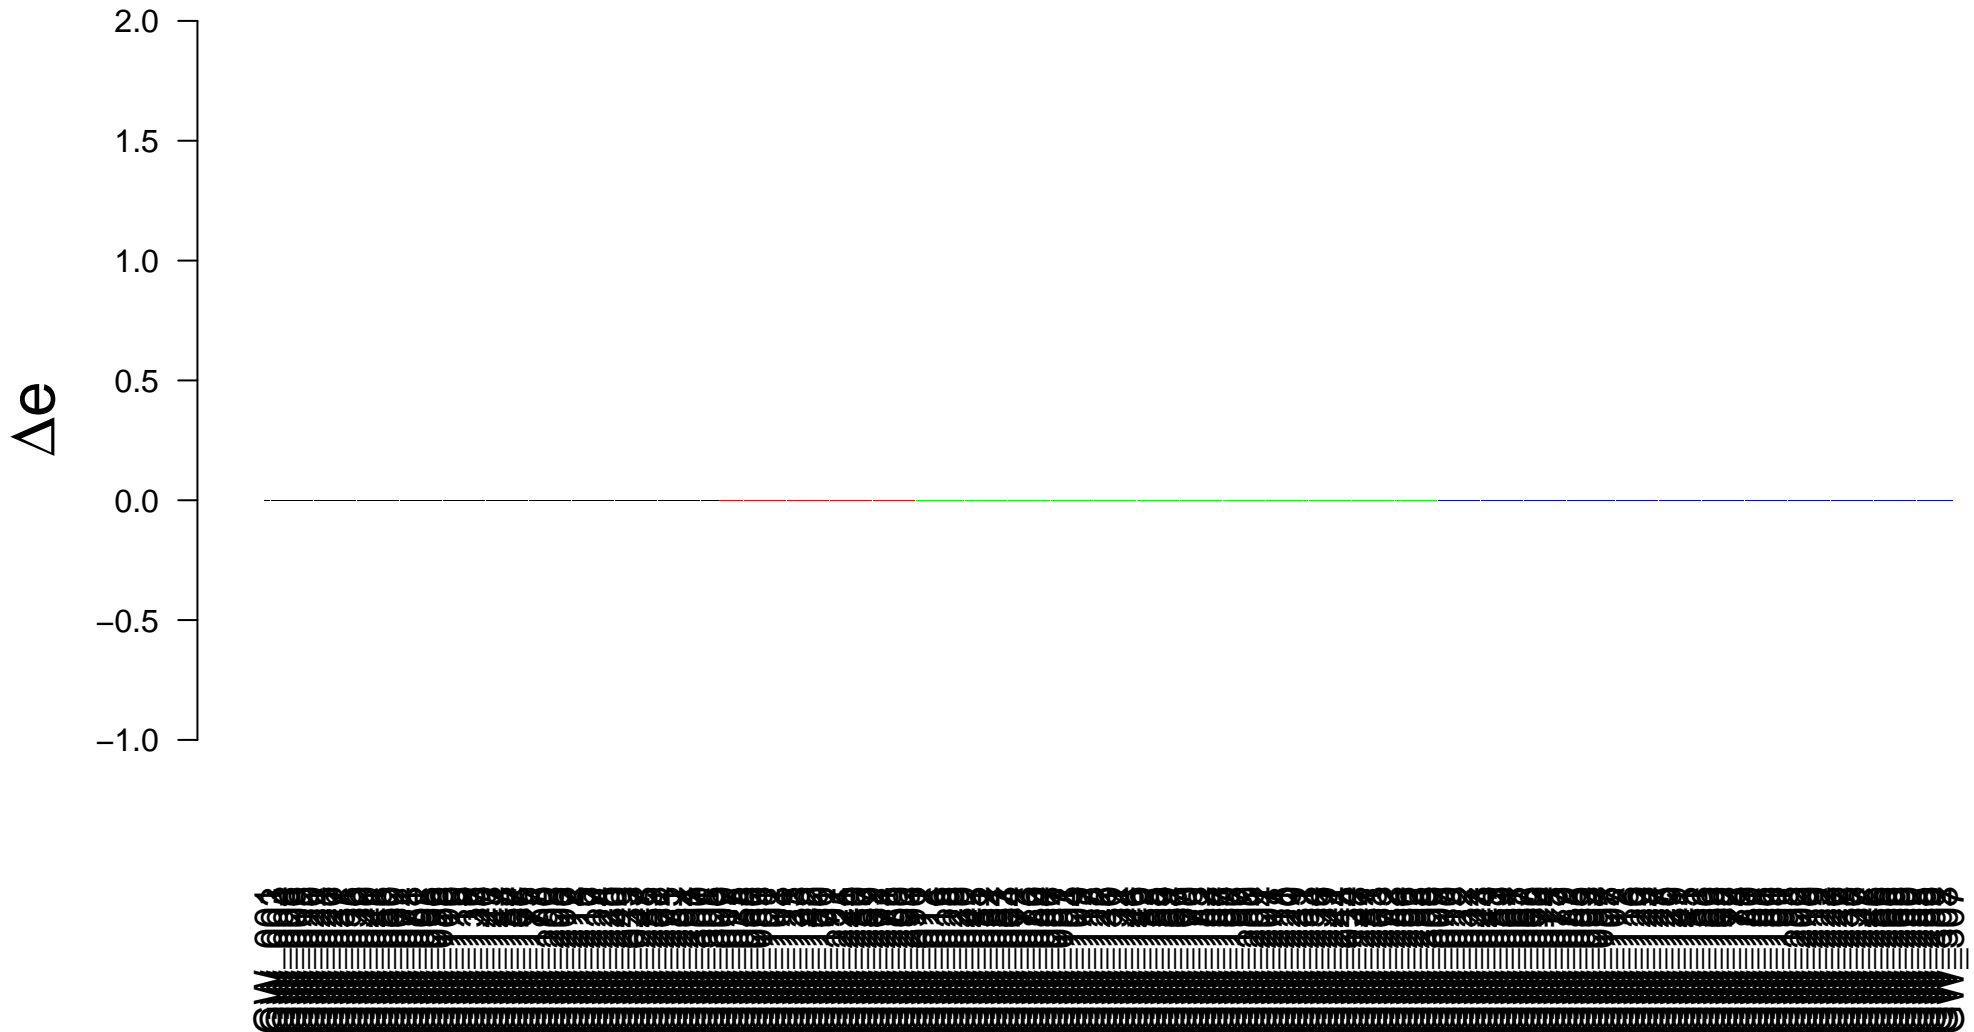

Expression of biosynthetic process in Spot A

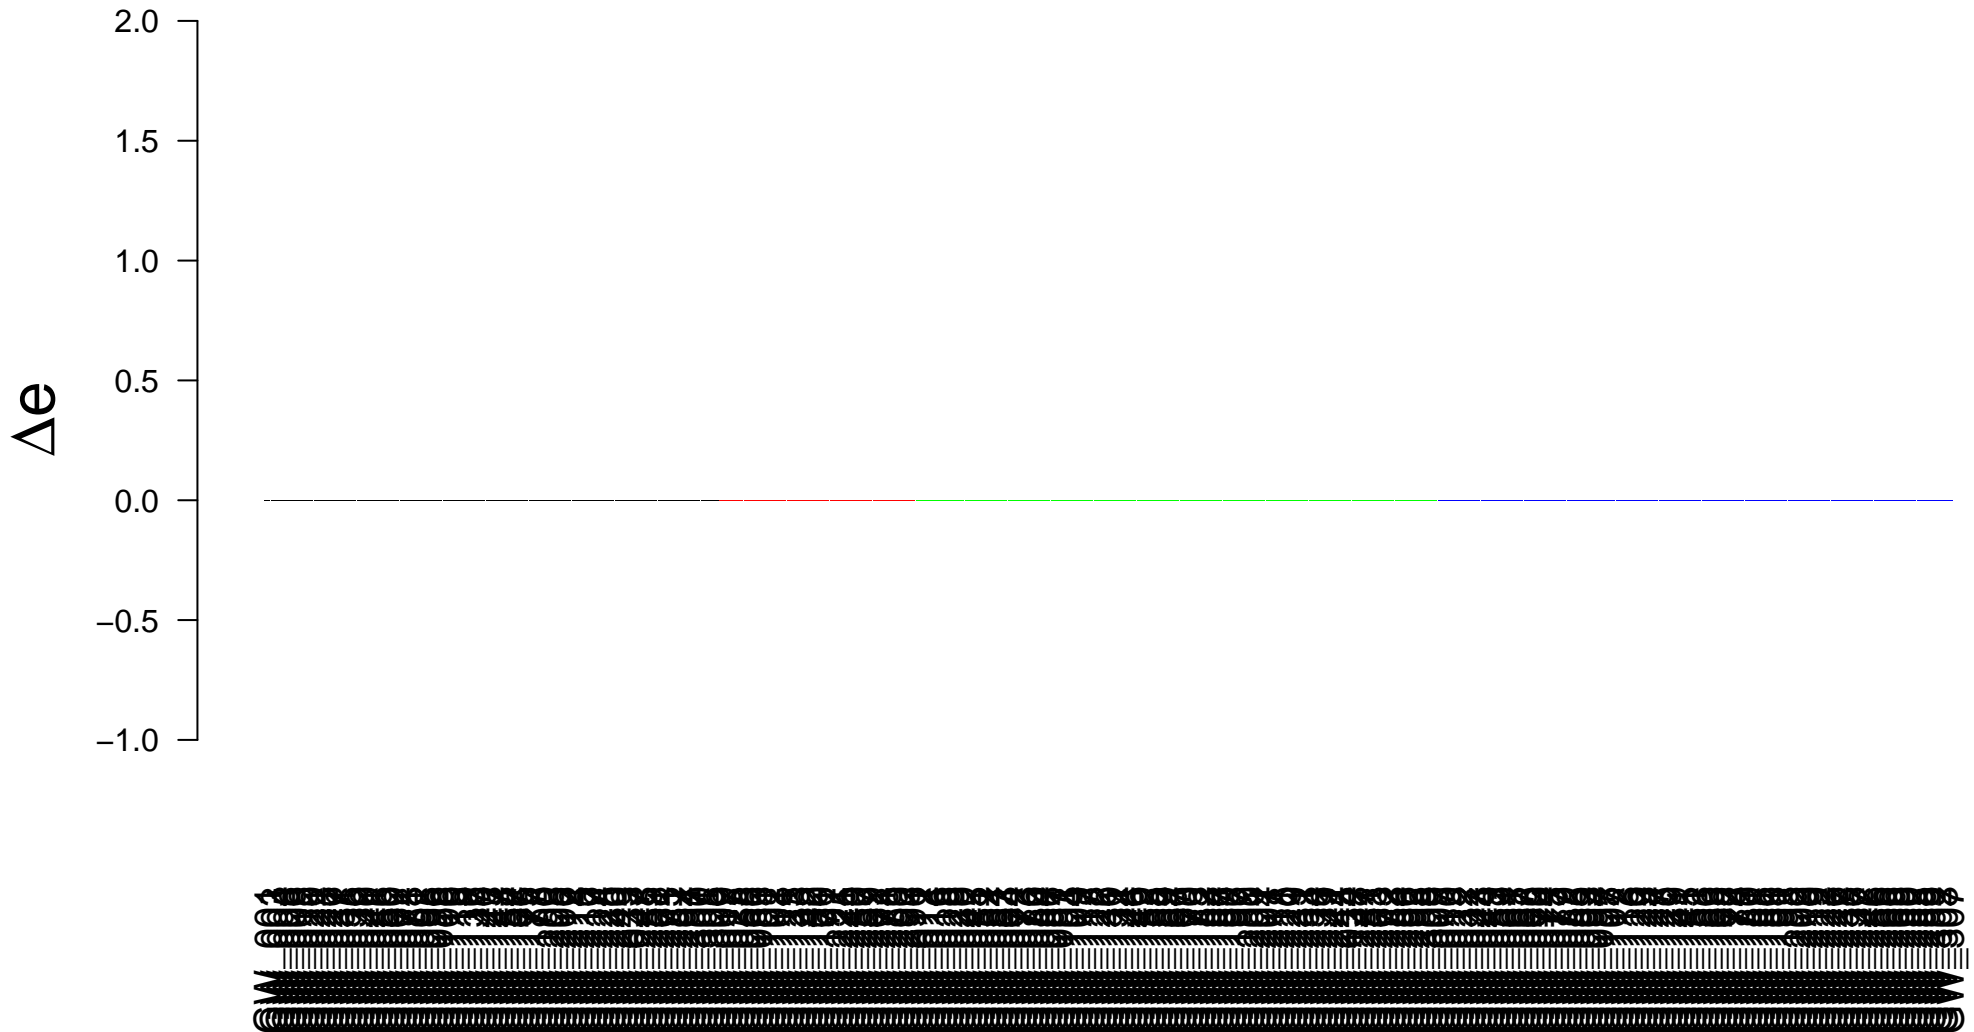

Δe

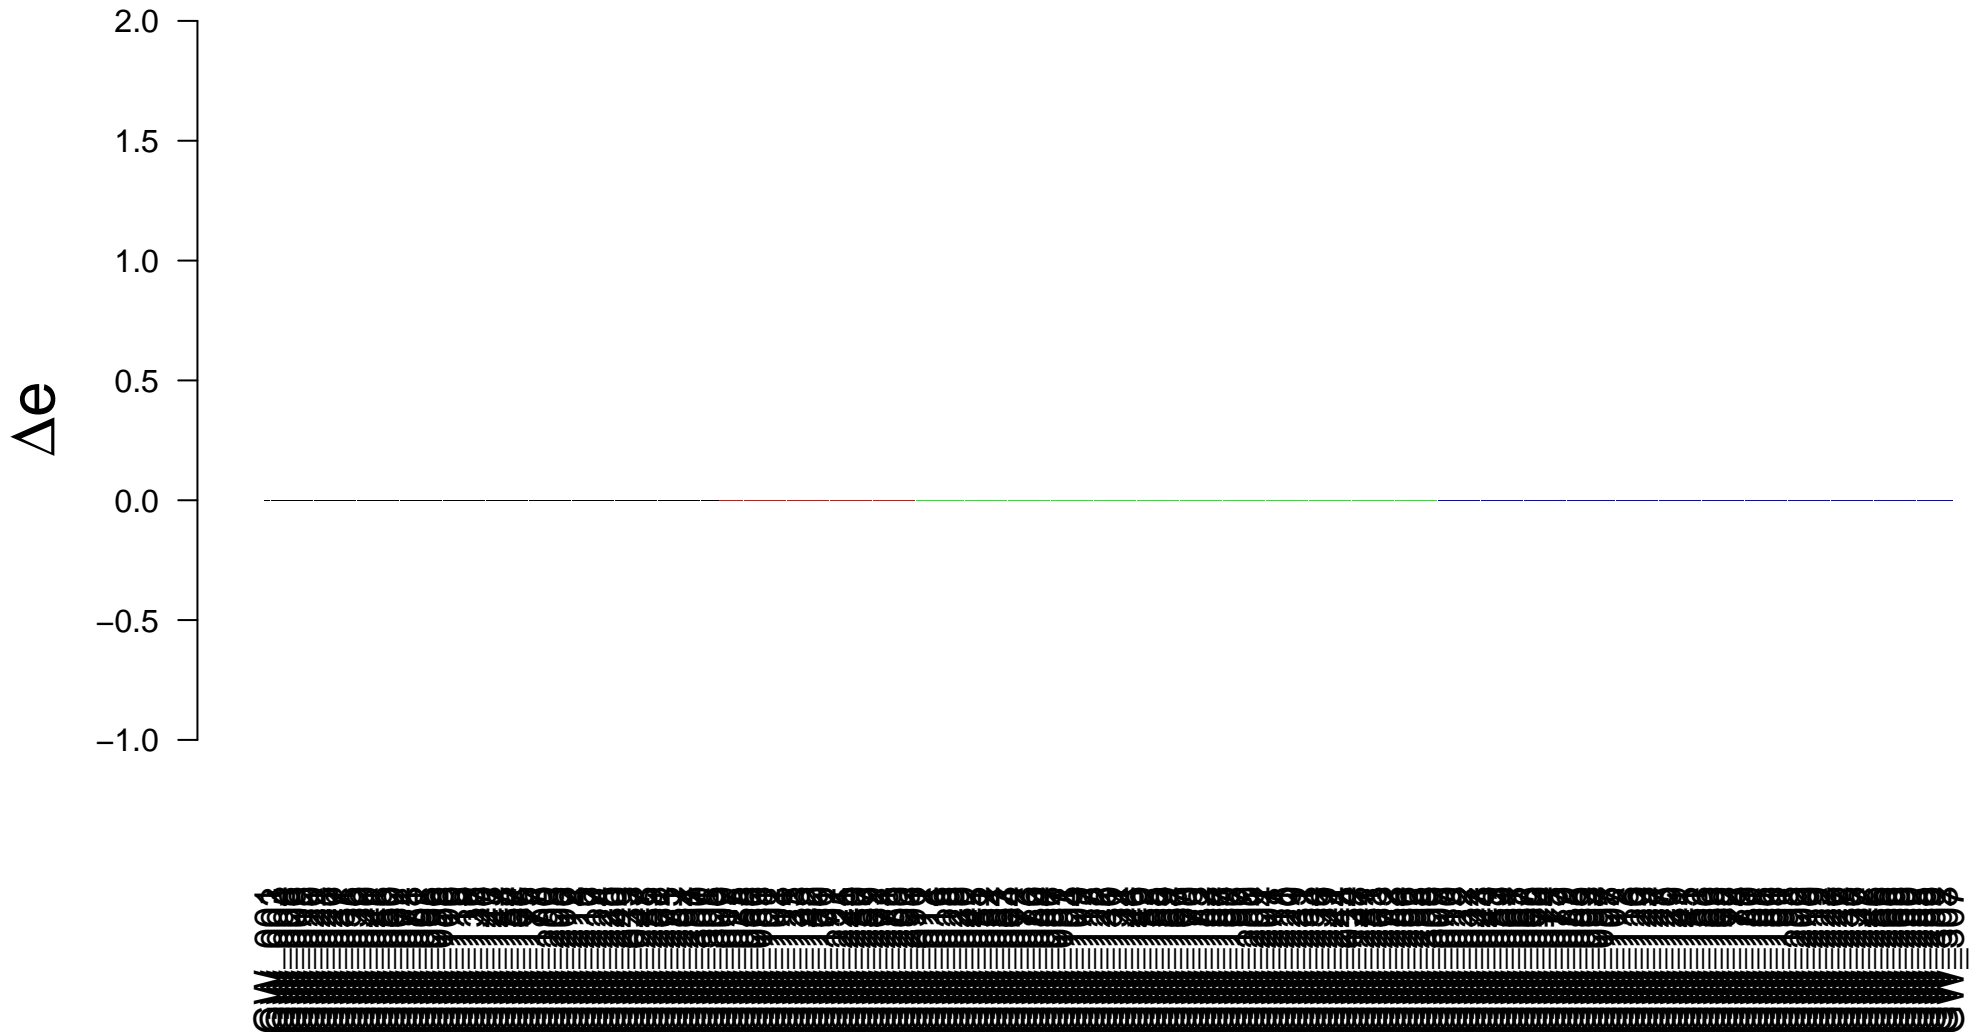

Expression of biosynthetic process in Spot B

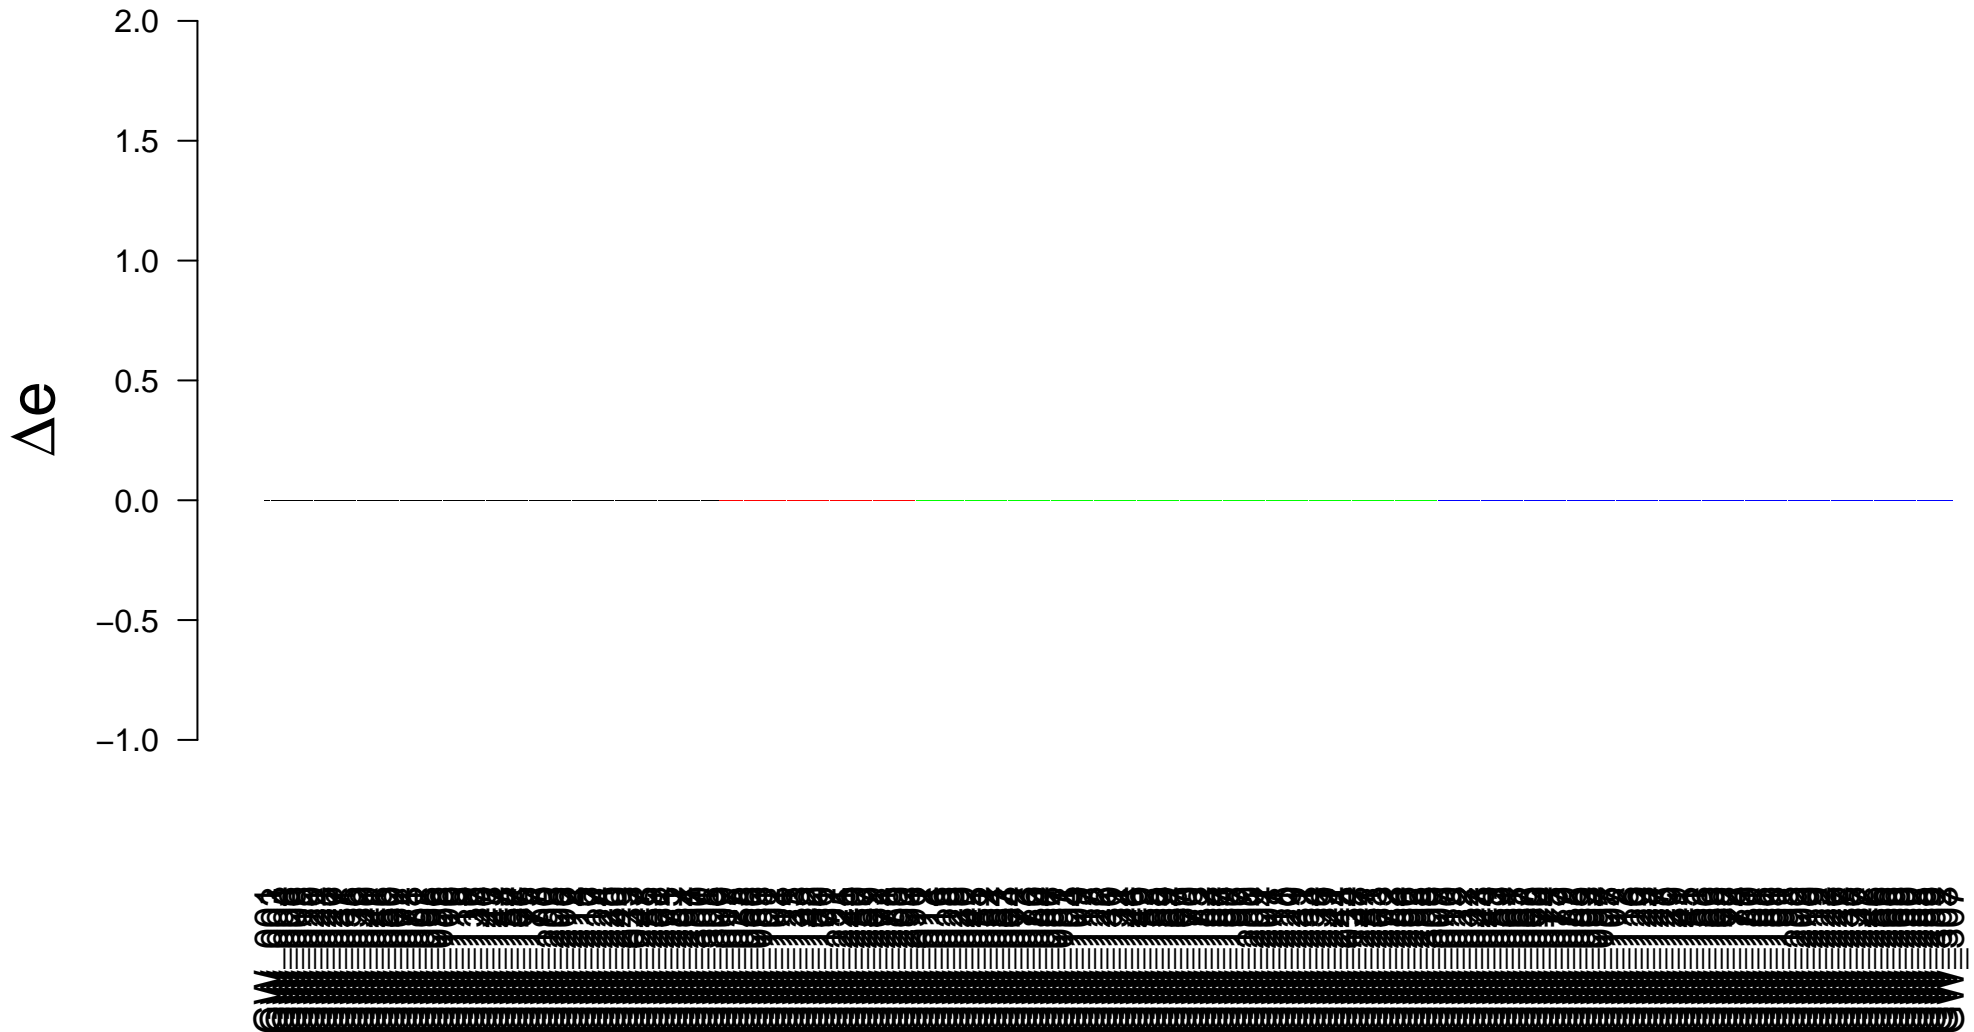

Expression of biosynthetic process in Spot C

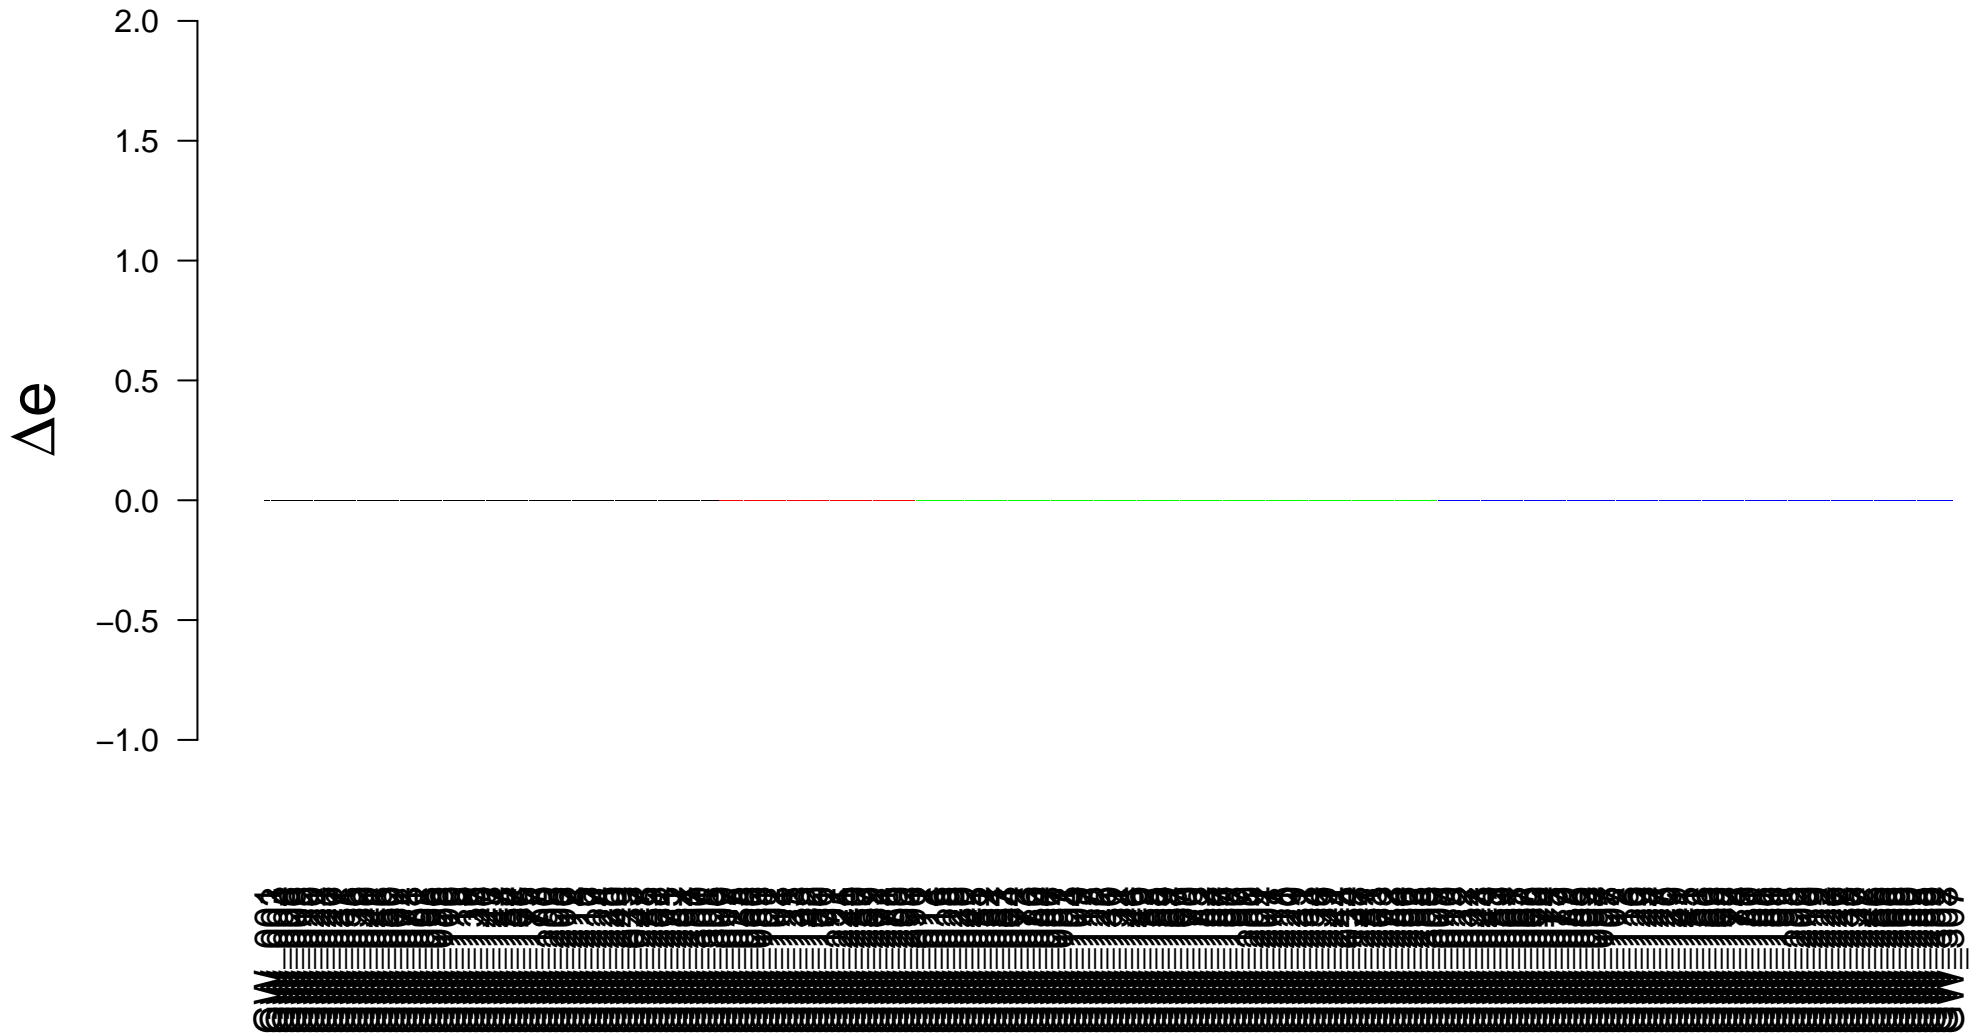

Expression of biosynthetic process in Spot D

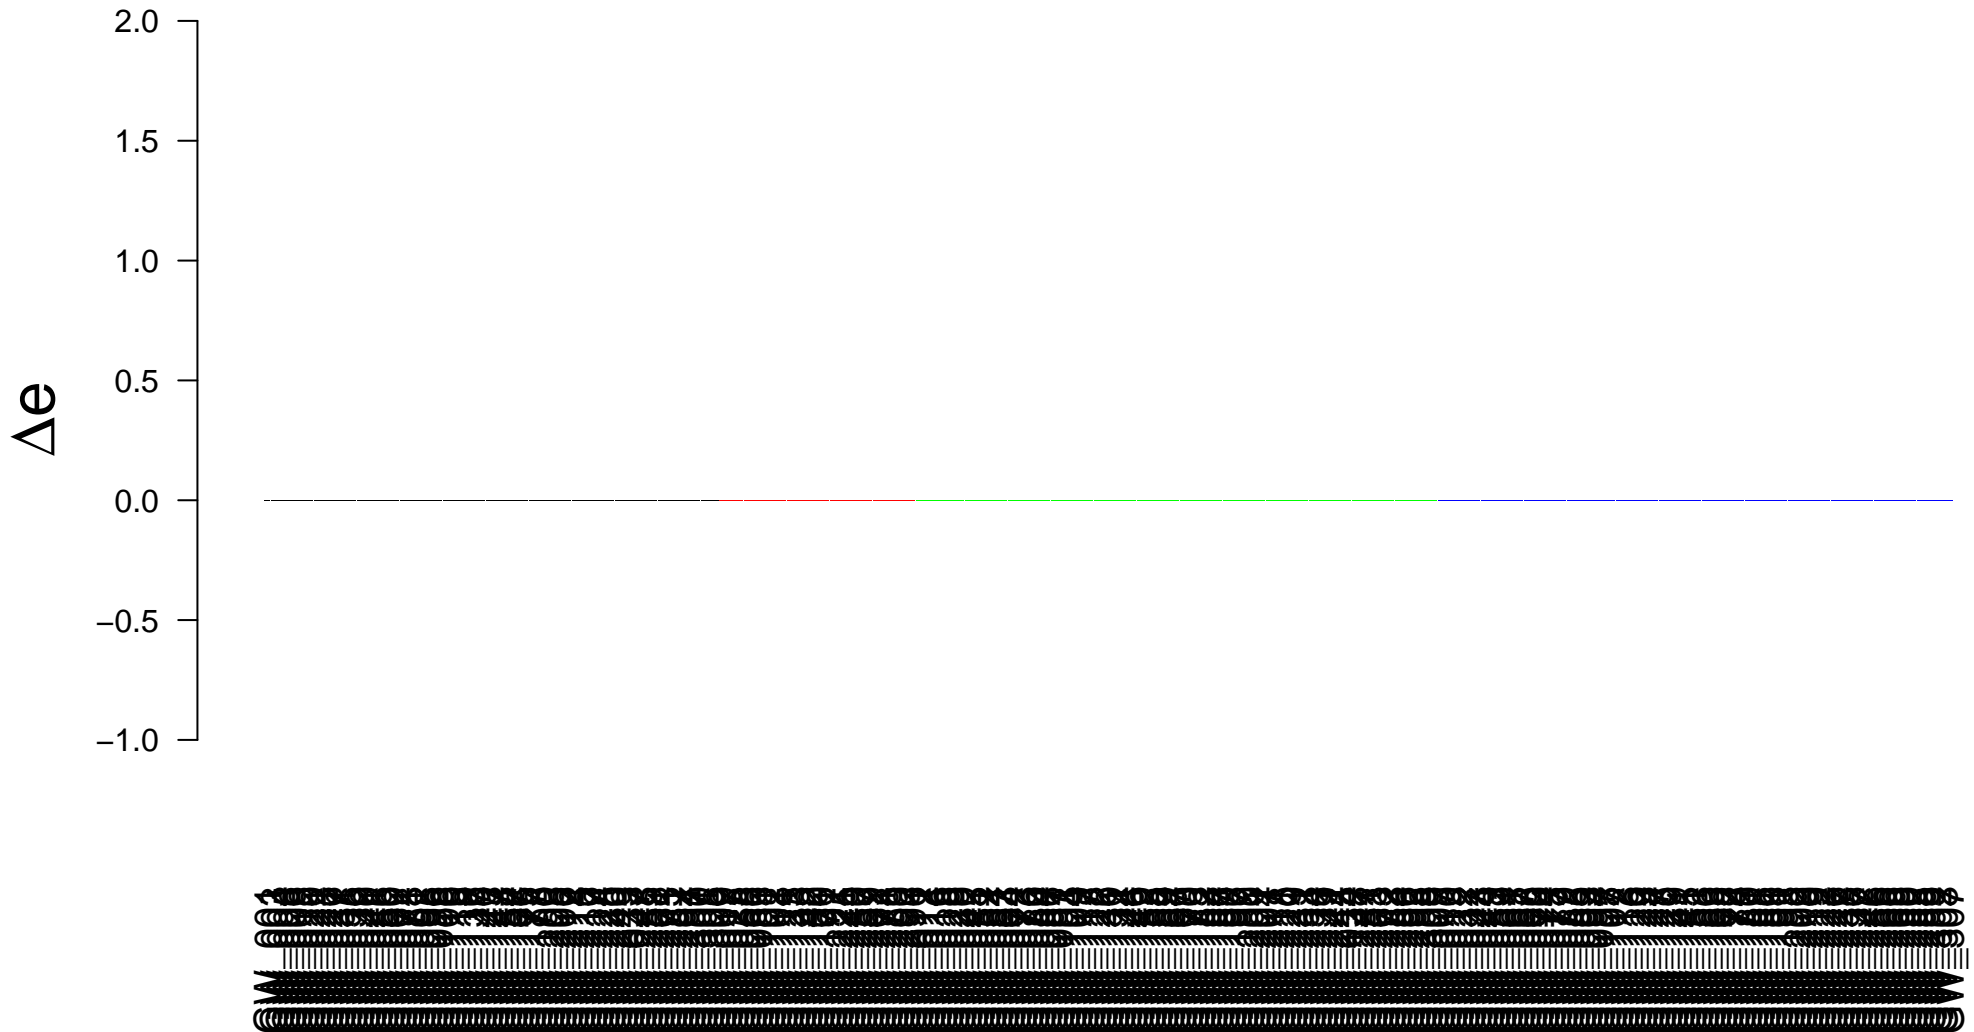

Expression of biosynthetic process in Spot E

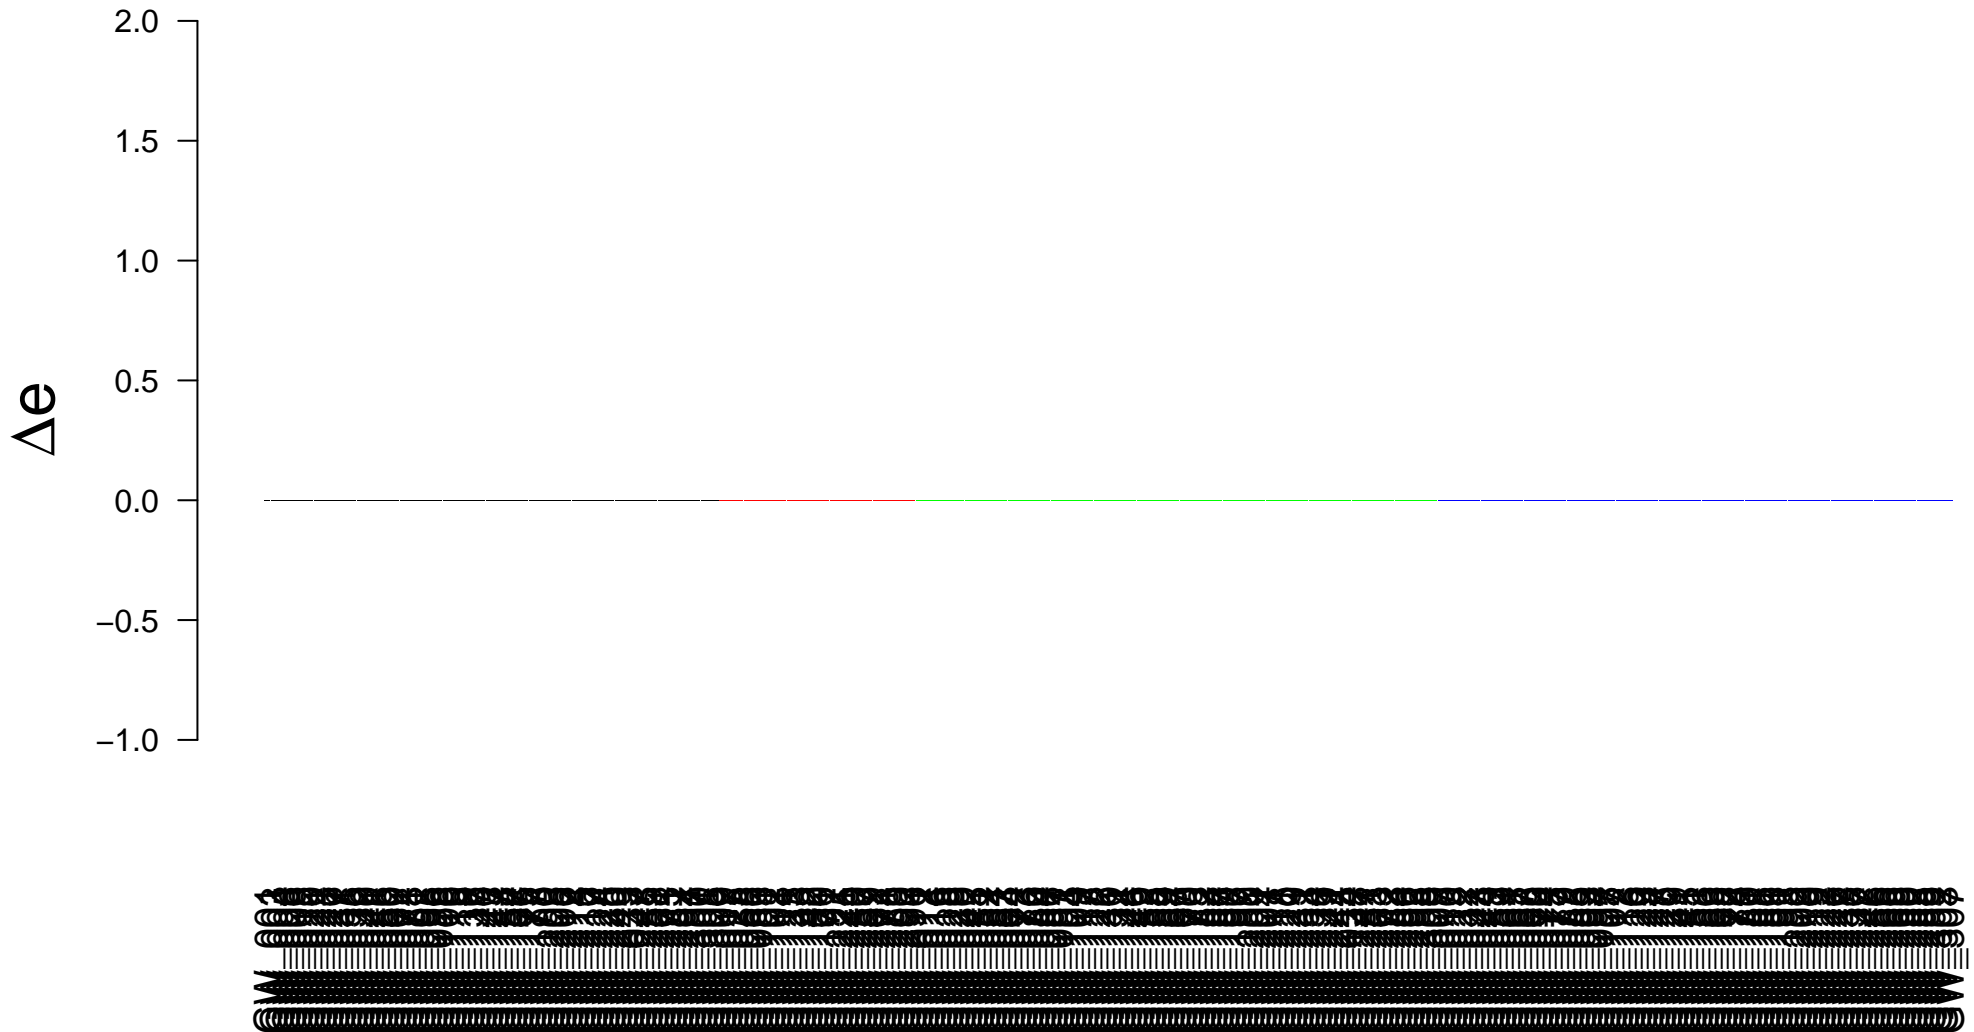

Expression of biosynthetic process in Spot F

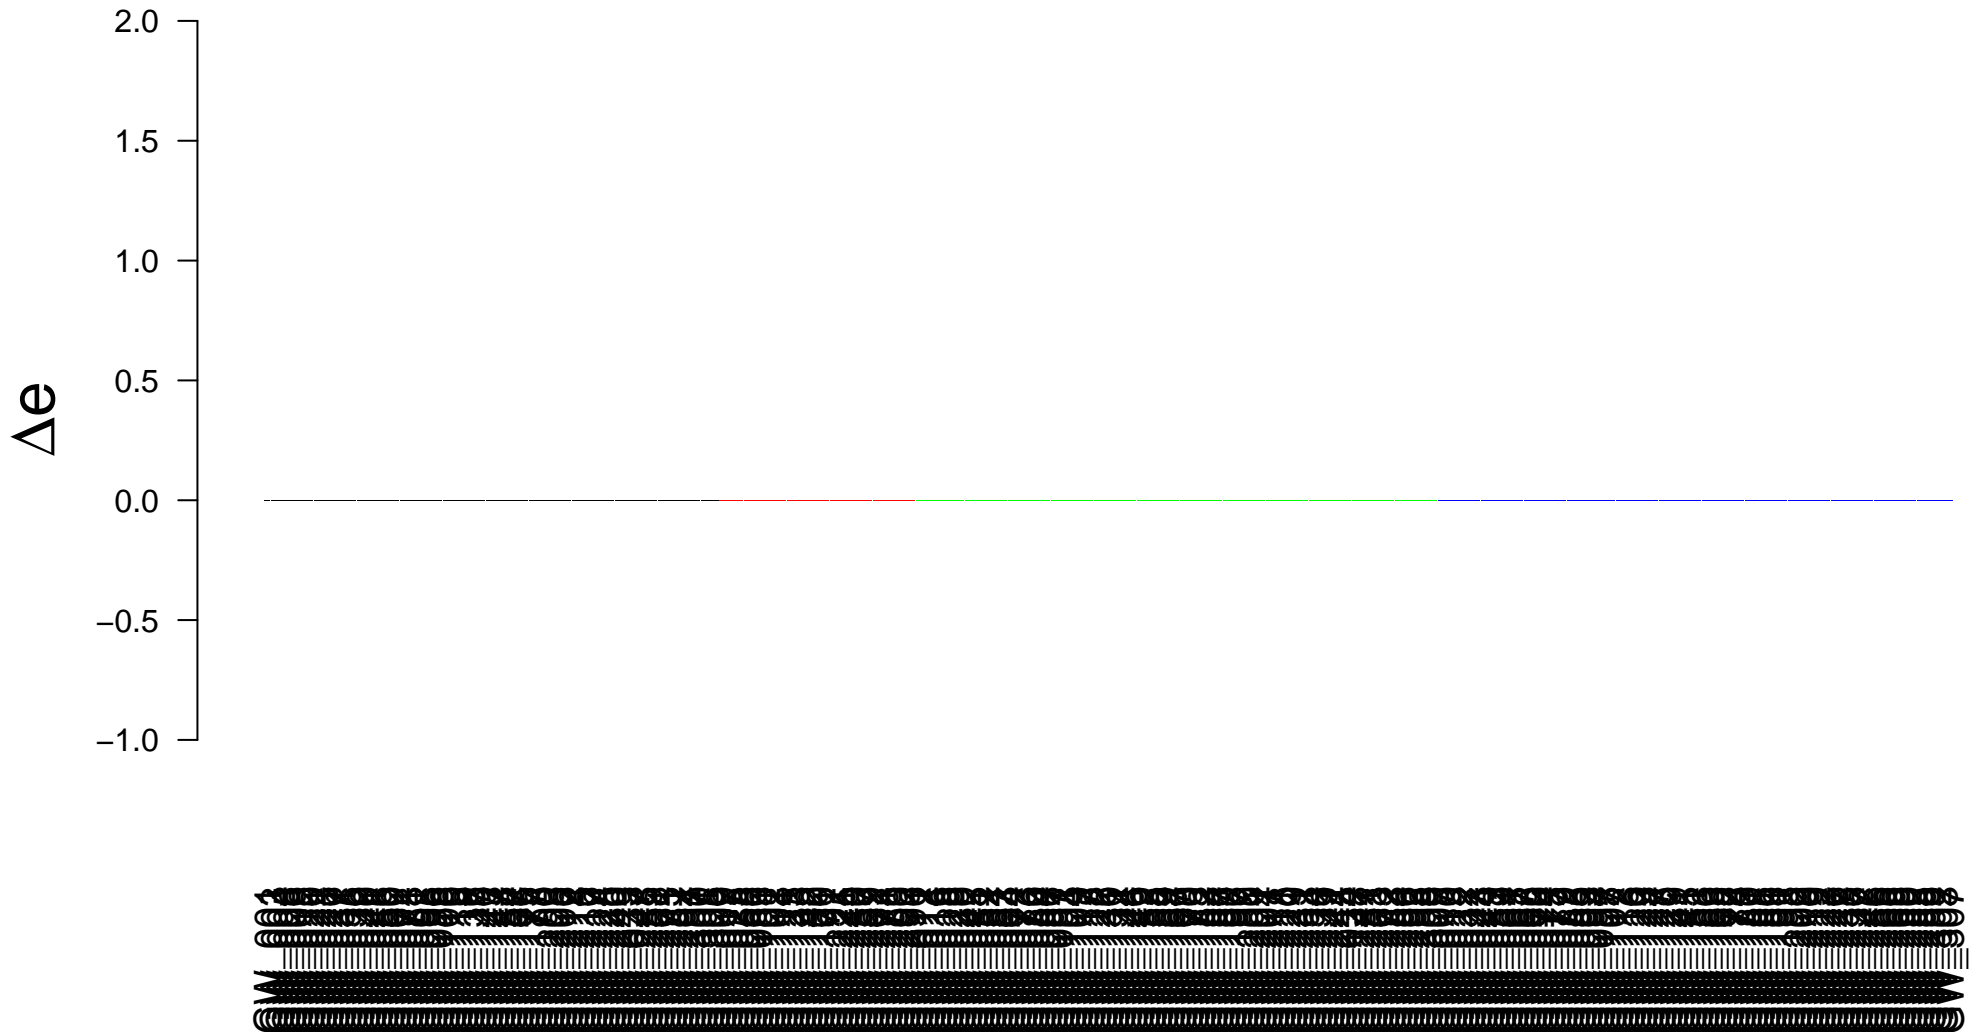

Expression of biosynthetic process in Spot G

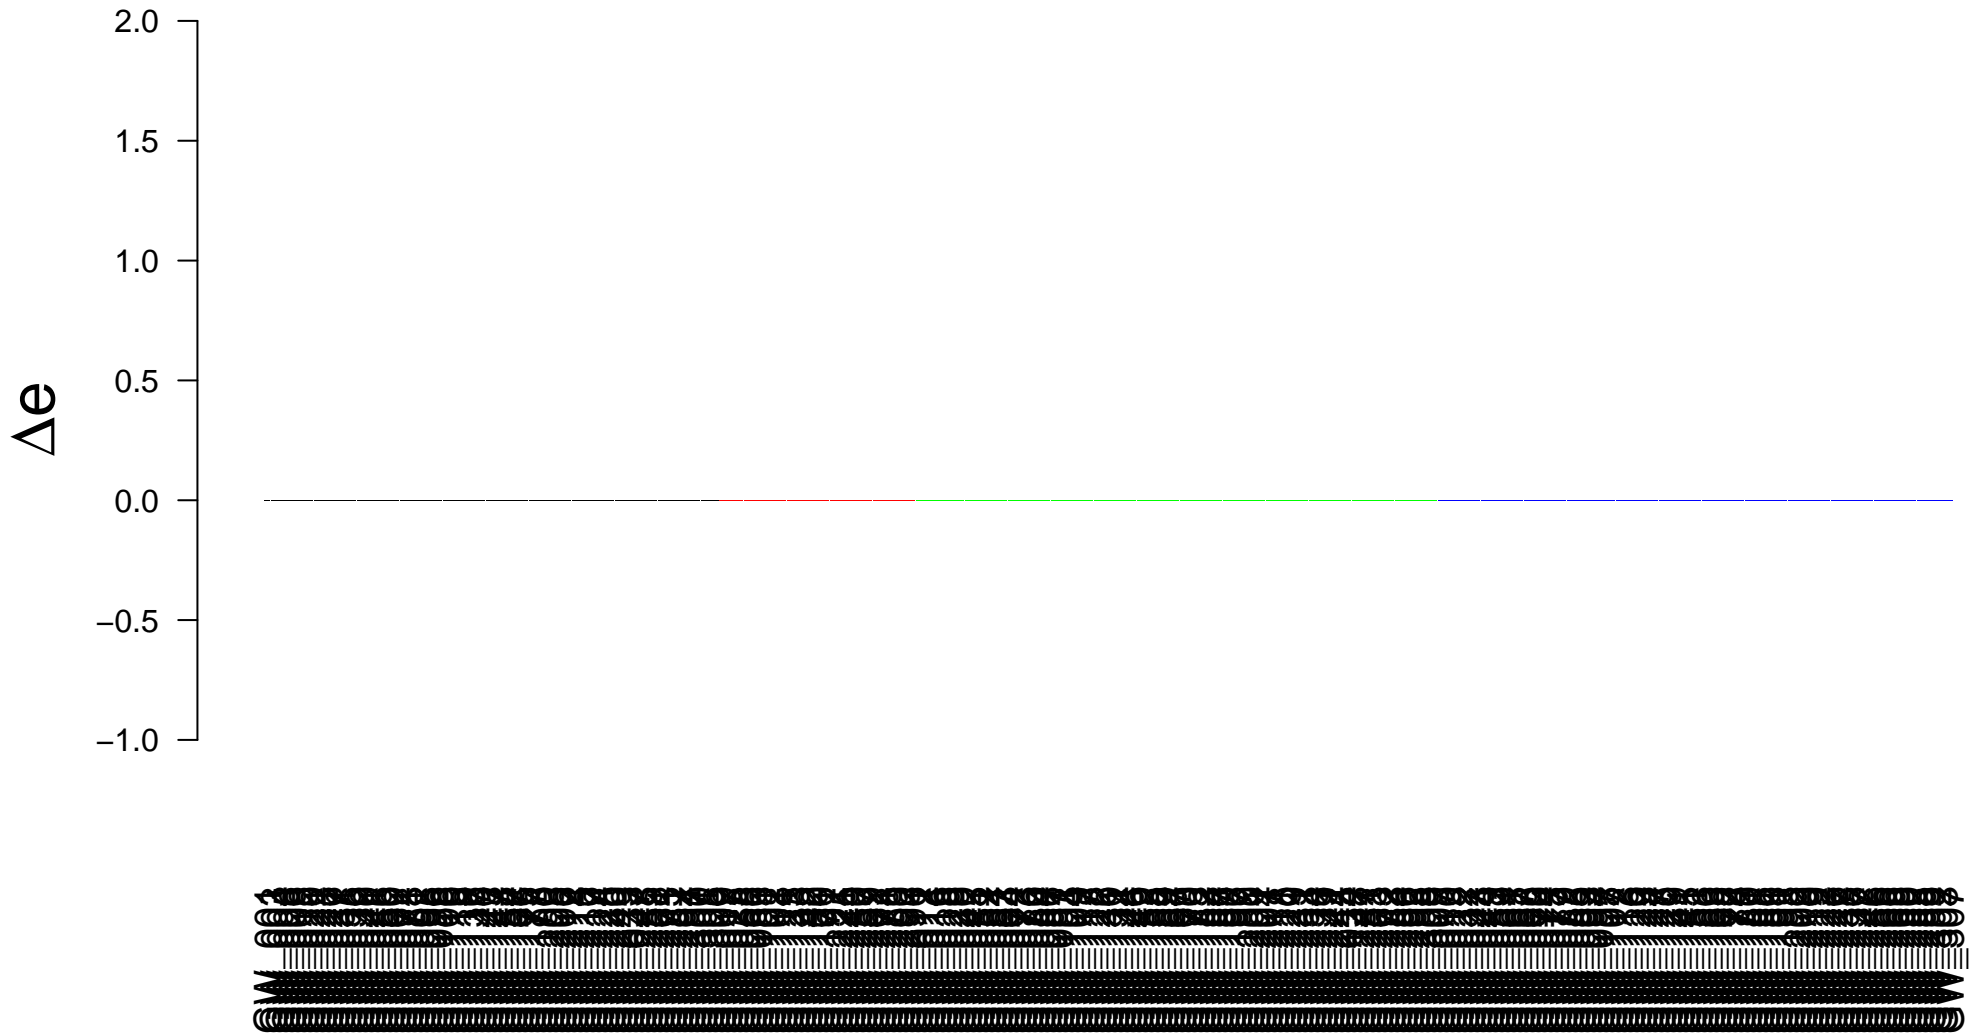

Expression of biosynthetic process in Spot H

Expression of biosynthetic process in Spot I

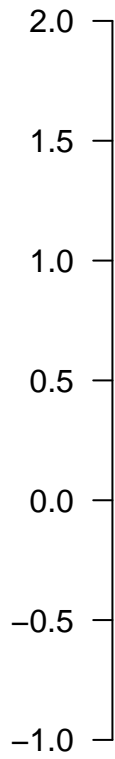

Expression of biosynthetic process in Spot J

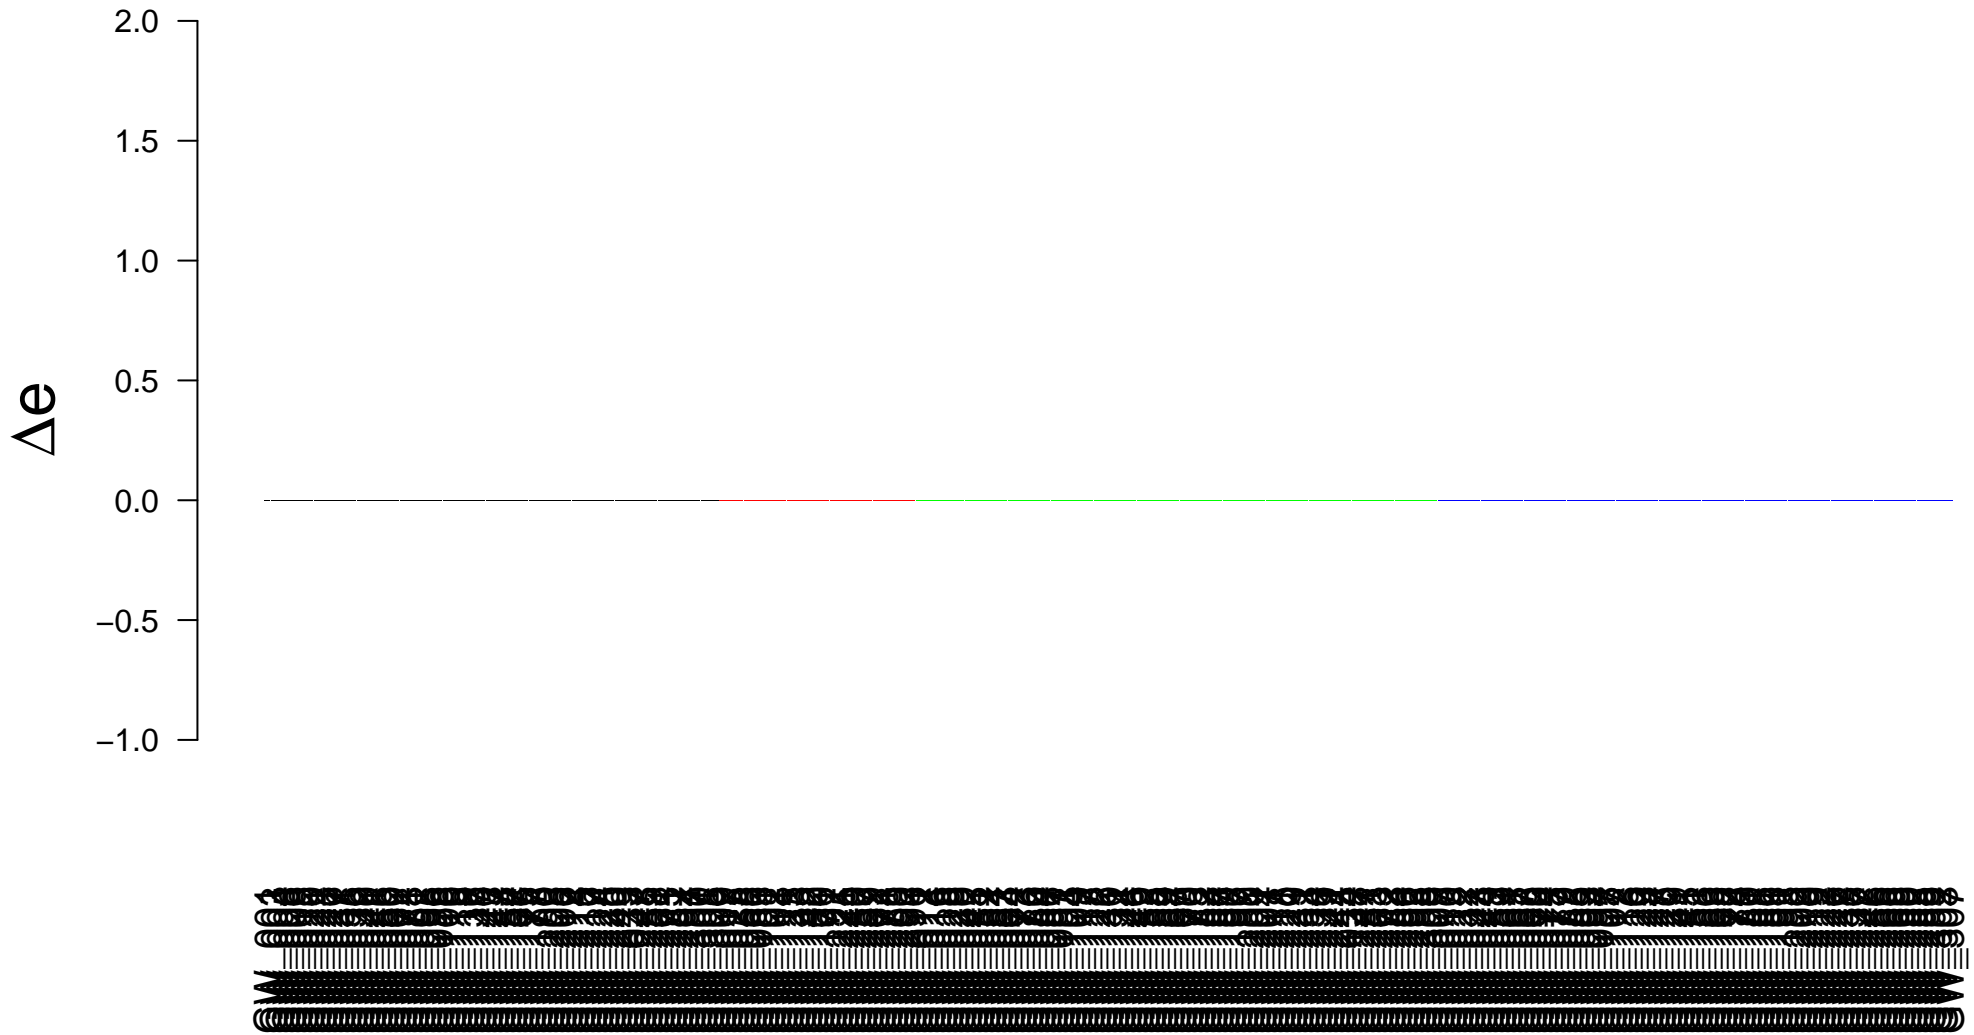

Expression of biosynthetic process in Spot K

Δe

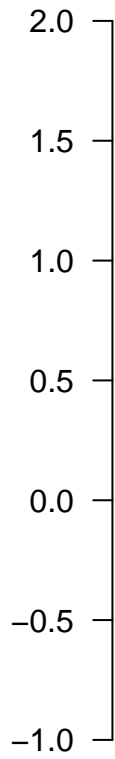

Expression of biosynthetic process in Spot L

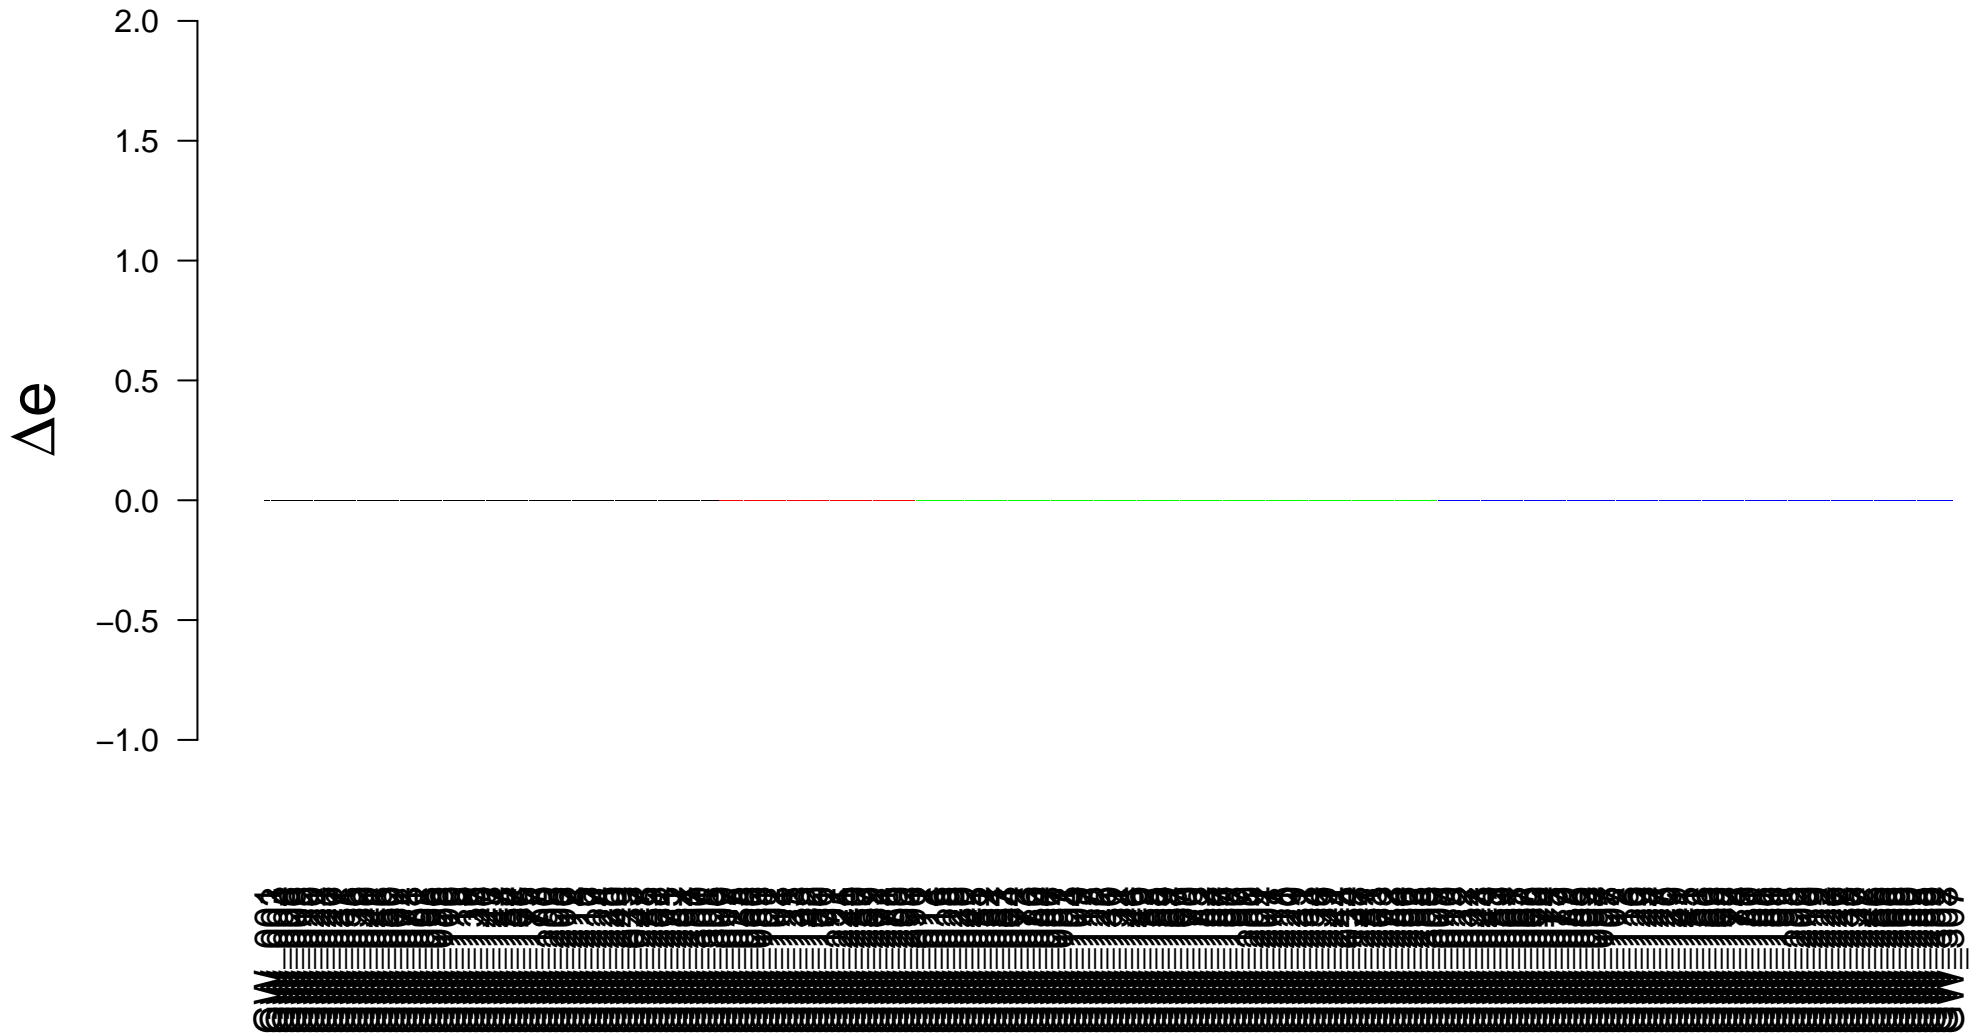

Expression of biosynthetic process in Spot M

Δe

Expression of biosynthetic process in Spot N

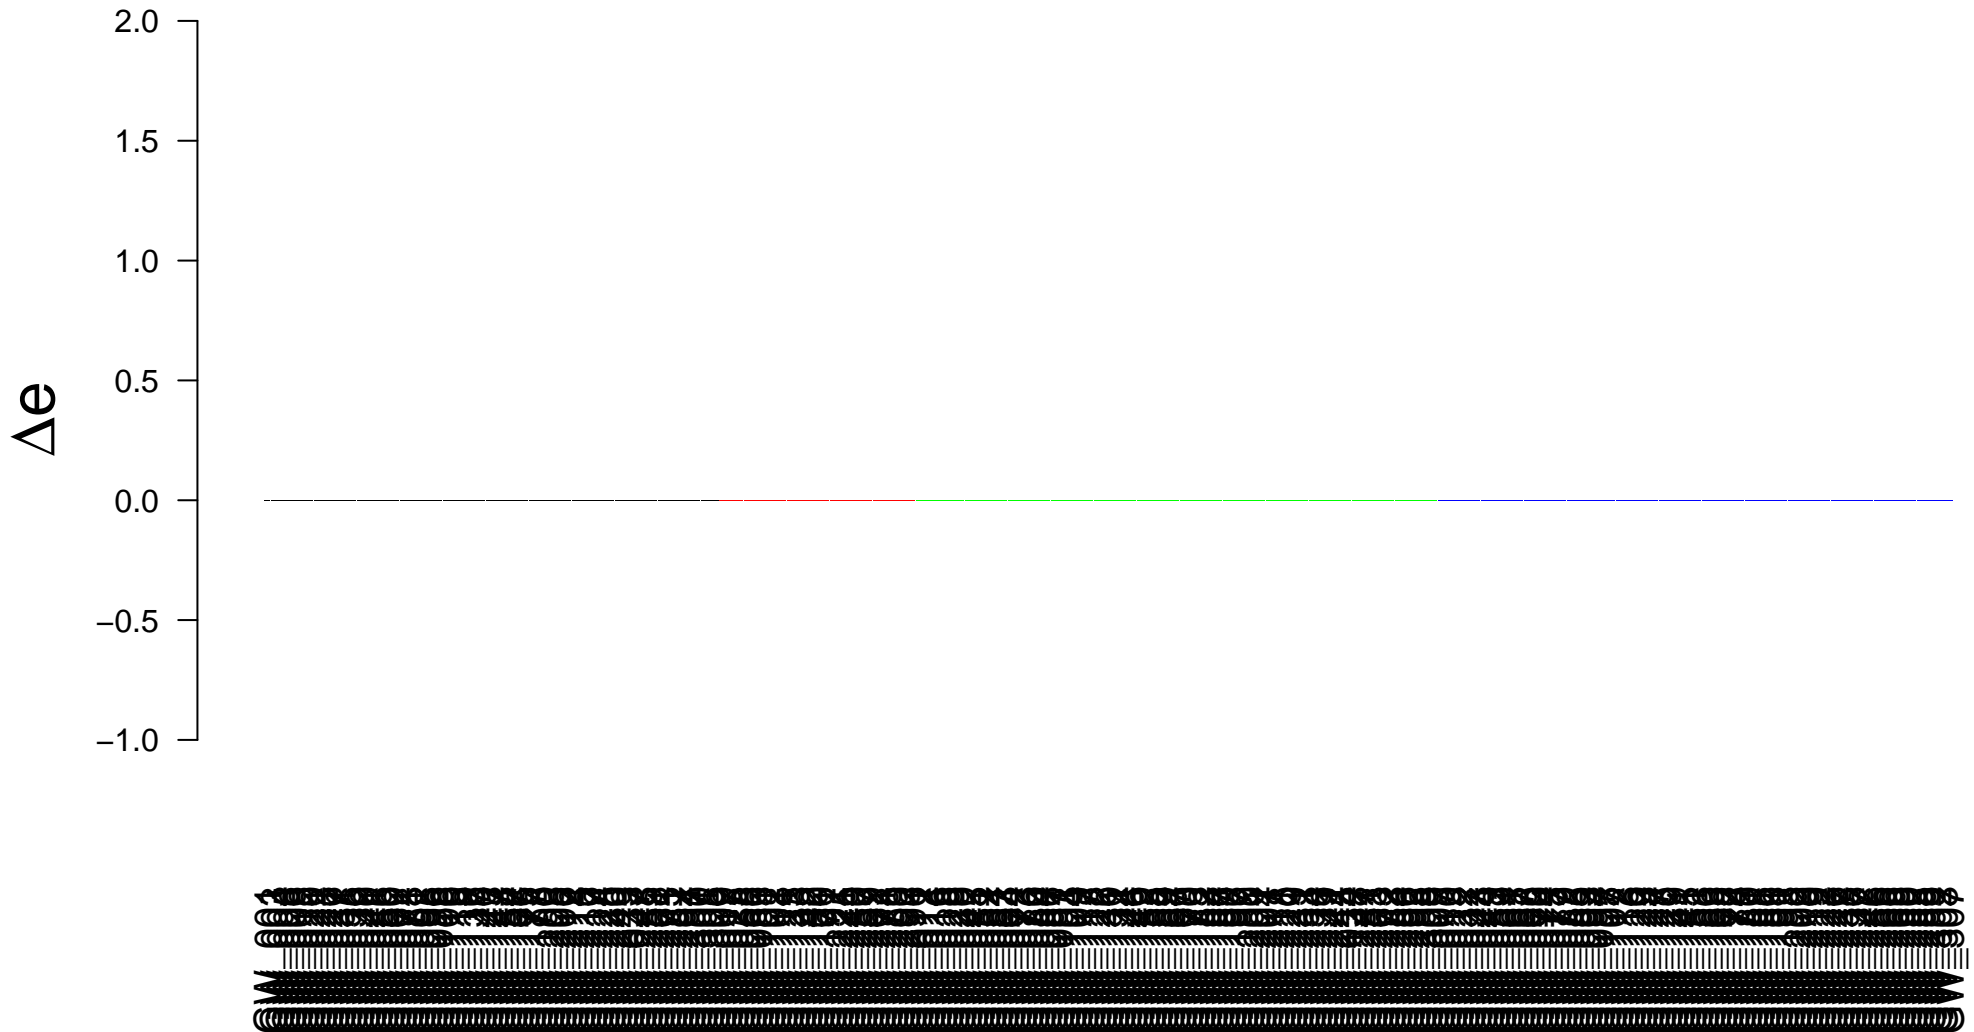

Expression of biosynthetic process in Spot O

Δe
